Managing Difficult Behaviors - Workshop on March 16

Join us for an informal evening of discussion on behavioral management . During this presentation we will discuss:

- **Ways to identify causes of challenging behavior**
- **Strategies to prevent behaviors from occurring**
- **Techniques to help you manage difficult behavior when it occurs**

Date: March 16, 2009

Time: 6:30-8 p.m.

Presented by: Jan Allar, MS, TLLP, BCBA Behavioral Consultant at William Beaumont Hospital

Location: Gold Room C, Oakland Center. Rochester, Michigan

Space is limited so please RSVP by calling 248-370-2424 or emailing oucares@oakland.edu.

There is no cost to attend this presentation. A generous donation was made by Humana Incorporated to support this presentation.
