Probe Planes' Collision

Workers Probe Plane Wreckage

PROBE PLANE WRECKAGE — Police and airport workers here raise what is left of a wing on one of the two planes which crashed in midair Saturday evening over Pontiac Municipal Airport. Three men were killed in the crash, which is still being investigated by the Civil Aeronautics Administration.

Drayton Pilot's Craft Rammed Near Field Saturday Night

The Civil Aeronautics Administration today continued its investigation of the midair collision of two private planes Saturday evening that killed three men near Pontiac Municipal airport.

Dead were:

James G. Pickett, 42, of Drayton Plains, a mechanic at the Gulf refinery in Hamtramck.

Dale Mathews, 25, of Charlevoix, head mechanic at Almont airport and pilot of the plane that hit Pickett's.

Jess Trott, 60, a passenger with Mathews and owner of the Almont airport.

The crash occurred at 7:32 p.m.

According to witnesses, Mathews' plane was leading a V-formation of three light planes flying to Almont from Defiance, Ohio, when the three flew over the airport and Mathews collided with Pickett as Pickett was preparing to land.

Howard MacArthur, 39, assistant manager of the airport and a witness of the collision, estimated the crash occurred about 800 feet above the south runway of the airport.

He said the planes collided and immediately plunged straight to the ground, one of them losing a wing in the air before crashing in a back yard about ¼ mile from the airport.

IN LANDING PATTERN

Pickett was flying in the landing pattern, MacArthur said, when Mathews hit him from the left side. Neither plane burned nor exploded.

Sheila Loper, Waterford Township high school student who was first to reach the planes after the crash, said yesterday she heard

High Winds Rake City Trees

ONE OF MANY — A tree on Perry street yesterday morning gave way to a flash gust of 65 m. p. h. winds and toppled, coming to rest against a nearby tree. The Pontiac Parks and Recreation Dept. reported some 100 calls were received about fallen trees which knocked down electrical wires and blocked many city streets for hours.

Strong Gale Rips Across Region; Destruction High

Trees, Electric Lines Toppled as Winds Hit 65 Miles an Hour

A sudden wind and rain storm tore into the Pontiac area yesterday morning snapping huge trees like match-sticks and causing excessive damage throughout Oakland County.

Hundreds of trees were reported down in Pontiac and surrounding townships. Most of the timber toppled on electrical lines cutting off hundreds of homes from power.

The Pontiac Municipal Airport reported high winds up to 65 m. p. h. at 11 a. m.

A large section of southern Michigan was raked by this squall line of thunderstorms yesterday. Complaints of wires and trees down flooded all law enforcement and public utility offices during the day.

Many weekend travelers ran into blocked highways as city and county workers struggled to clear the roads of the fallen trees.

There were a few minor traffic accidents as the result of yesterday's storm.

WEST SIDE HIT

Hardest hit by the squall-like winds and rain were residents of the city's west side between Huron and Elizabeth Lake Rds. Calls poured into city police and sheriff department switchboards reporting trees down and "hot" electrical lines fallen.

Several homes in Pontiac and its suburbs were hit by fallen trees but no persons were reported injured.

A Consumers Power Co. official said 500 customers were out of service until around 4 p.m. An emergency repair crew from the stormless Flint area was called in to assist in line repairs. A plate glass window at the Consumers office at 28 W. Lawrence blew in from the high winds.

2 Townships File Appeals Against County Tax Rates

Supervisors of Independence and Brandon townships today indicated that they have filed appeals on their tax allocation rates to the State Tax Commission. The moves were made today before the Oakland County Board of Supervisors.

Alger Zapf, tax equalization chairman for the board, said he expects a decision on the double action in from a month to six weeks.

The appeals will make it illegal for any township government or school board in the county to spread their taxes until the commission rules on the appeal, board spokesmen said.

Most of the taxing bodies which would be affected have already printed their tax bills, the board pointed out. The state body will probably review allocation rates all over the county.

The appeals were filed with the board this morning by Supervisors Frank Brigham of Brandon, and Floyd Andrews of Independence.

Details of the conditions which prompted the appeals were not immediately known.

A similar appeal was lodged with the commission last year by Waterford Township which protested that it had been slated to pay an unduly high percentage of the county's taxes.

The tax commission will probably conduct a hearing in Pontiac on county taxes after the appeal has been made and subjected to study.

Ike Will Attend Panama Confab

Plans to Leave Hospital This Weekend; Delays Session With Nehru

WASHINGTON (INS) — President Eisenhower plans to fly to Panama in late July to attend the meeting of American presidents which was postponed because of his illness.

This dramatic announcement from Walter Reed Army Hospital today was coupled with two other developments:

1. Eisenhower plans to leave the hospital this weekend and drive to his Gettysburg farm where he will celebrate his 40th wedding anniversary Sunday.

2. The President agreed with Prime Minister Nehru of India that it would be best for Nehru to postpone his scheduled visit to the U. S. in early July.

Eisenhower urged Nehru, however, to set a later date for the informal talks which were the chief purpose of the prime minister's trip to this country.

The Panama conference of the Presidents of American States, originally scheduled to begin today, has been postponed to July 21-22. Eisenhower informed President Arias of Panama that he accepts the new date and "is planning to go."

It is still uncertain exactly when Eisenhower will leave the hospital.

Lakes, Highway Claim 3 Victims

Crash Kills Navy Man Home on Leave; 2 Die While Swimming

Oakland County lakes claimed two lives over the weekend and a Clawson sailor, 18, died in a traffic accident.

The drowning victims are: Clarence A. Tripp Jr., 7, of Detroit, and Addage J. Paquette, 26, of Keweenaw County in the Upper Peninsula.

Robert A. Heikkenin, home on leave from a Navy base in Maine, died when his car ran off Northwestern highway one-half mile north of Middlebelt road in Farmington Township.

The accident occurred at the height of a thunderstorm late Saturday morning.

The boy drowned about 5:40 p.m. Sunday while swimming with his parents at a reunion attended by about 20 other families at Homestead Park on Lower Straits Lake, six miles west of Pontiac.

His body was recovered by life guards in four feet of water. Commerce Township inhalator crews failed to revive him.

Paquette was attending a national conclave of persons of Finnish extraction at the Finnish Summer Camp in Commerce Township, three miles northwest of Walled Lake.

He dove from the end of a 70-foot dock into Sun Lake about 7:55 a.m. Sunday and sank from sight after surfacing once.

Sheriff's deputies recovered the body from 40 feet of water. Paquette had come to the conclave from his home near Lake Lindon, and was staying with friends in Berkley.

The drownings raise the county toll this year to 13.

In Opinion of Manager:

Control Tower at Airport Might Have Averted Crash

A control tower at Pontiac Municipal Airport might have prevented Saturday's fatal air crash over the local field, according to Homer D. Hoskins, manager of the airport.

"If the field had been under the surveillance of a tower the operator would have seen the two planes converging and at least notified one by radio," Hoskins explained.

A midair collision Saturday evening of two private planes took the lives of three.

He said controlled airports require all planes based at the field have at least a receiver which must be turned on when in the vicinity of the field.

"We might possibly have warned the plane making the downwind turn (a plane flown by James G. Pickett) to pull up out of the way of the other planes," he added.

At the time of the crash, Hoskins said there were three other planes in the vicinity of the Pontiac port.

The Pontiac Municipal Airport has the third highest amount of traffic for Michigan fields, and in its long-range expansion program a control tower and adjoining administration bulding is planned for 1958.

The field currently offers advisory service to planes equipped with high frequency radios, as to which runway to use, wind direction and wind speed.

The Pickett plane had no radio, Hoskins added.

It's Official Now— Contino to Wed Starlet

SAN FRANCISCO (INS)—Accordionist Dick Contino is engaged to marry screen starlet Leigh Snowden.

Contino, 26, and Miss Snowden, 25, made the announcement yesterday during a party in San Francisco. No date has been set for the wedding, which will be the first for Contino and the second for Miss Snowden.

British Airliner Crash Kills 26

18 Escape, 1 Lost After Plane Explodes in North Nigerian Territory

LAGOS, Nigeria (AP)—A four-engine British airliner crashed and burst into flames in northern Nigeria last night, killing at least 26 persons.

• • •

The plane steward, L. A. Ward of Reading, England, was reported missing. Three of the 18 known survivors were said to be critically injured.

The known dead included stewardess Kay Buckley, 11 women passengers and 2 children.

The passenger list was not immediately available but it was believed no Americans were aboard.

The British Overseas Airways Argonaut, en route from Lagos to London via Tripoli, Libya, had just taken off from Kano, 700 miles northeast of Lagos. It reportedly flew into storm clouds, lost height and crashed into the trees, bursting into flames.

• • •

Aboard the aircraft were 38 passengers and a crew of seven. The survivors included the plane captain, Capt. H. V. Tomlinson, 36, a Royal Air Force veteran, and four other crewmen.

An emergency squad from Kano airport rescued most of the surviving passengers.

Adm. King's Illness Is Becoming Worse

PORTSMOUTH, N. H. (AP)—The condition of Adm. Ernest J. King, 77, who led the U. S. Navy to victory in World War II, "deteriorated during the night," a Portsmouth Naval Hospital bulletin said today.

The admiral was stricken with a heart ailment early yesterday and he was suffering from a circulatory and respiratory failure.

The bulletin issued at 9 a.m. said: "He continues in a state of shock and coma. He is not responding to maximum digitalis, therapy or other measures. Because of his failure to rally the outlook is grave."

Twining, Aides See Latest Soviet Planes

MOSCOW (AP)—Gen. Nathan Twining, U.S. Air Force chief of staff invited to Moscow to see the latest in Soviet aviation developments, has told his hosts the United States will not disarm until it is certain of worldwide controls.

Twining, his aides and British and French air force chiefs were among foreign guests yesterday at the Soviet Aviation Day show in which the Russians unveiled three new types of fighter planes and a new jet-propelled transport.

It was the first time U.S. and British air chiefs witnessed the annual display.

Communist party chief Nikita Khrushchev told the foreign guests and newsmen the show omitted new heavy jet bombers because "we wanted to emphasize defense, not offense."

Twining called on Soviet Defense Minister Marshal Georgi Zhukov today with a personal message from President Eisenhower which consisted of a greeting and an appreciation for the friendly gesture of inviting the American airmen here.

Then Twining, accompanied by seven of his aides and a party of military representatives from Britain, France and other countries, set out in a motor cavalcade for Kubinka airfield, 40 miles outside Moscow. Until today the base had been top secret.

NEWSMEN BARRED

Two carloads of American newsmen, who followed the motorcade, were turned back by Russian officers when they got halfway to the base. Yugoslav correspondents also were turned back when they attempted to accompany President Tito to the field recently.

Western experts said yesterdays' show contained nothing startingly new.

The new models shown included (1) three delta-wing day interceptors assumed capable of supersonic speed, (2) two "advanced type" day fighters of a model called "Farmer" by U.S. airmen and first shown last year, (3) two improved all-weather fighters of the type labeled "Flashlight" by Western observers, also shown in the original version last year, and (4) a single assault-type, twin-engine turboprop transport which can operate from short, unimproved runways.

In all, the crowd of more than 200,000 at Tushino Airport saw about 120 fighters, 40 helicopter transports and only 16 bombers fly over. Last year's show featured 73 bombers.

Check-Printing Racket Bared

3 Held in County Jail Admit Passing $10,000 in Bogus Vouchers

The Saturday arrest of three men and confiscation of their printing equipment halted a check-making racket which netted the trio over $10,000 in the past six months, in Oakland County, Detective Roy Hartwick of the Oakland County Sheriff's Department reported today.

Fred Bartz, 40, Farmington and John F. Weightman, 39, of Farmington, were nabbed by Berkley police trying to pass one of their $114 checks in a supermarket there. They are being held at the Oakland County Jail for uttering and publishing.

William H. Eaton, 32, of Detroit, also is held but is expected to be released. He was arrested at the home of Bartz' mother.

The men reportedly admitted passing checks worth more than $10,000 this year. Police found $660 in cash on them and 21 other checks from the same firm, all made out for $114 and $116 each.

Bartz said they were planning to cash 120 checks worth over $13,000 during Saturday, Monday and Tuesday," Hartwick told the Pontiac Press. He said all the checks were similar to payroll checks issued by the Chevrolet Gear and Axle Company in Livonia.

Following the arrest, the men led police to their car parked at Telegraph and 10 Mile Roads where the printing press, plates for checks, birth certificates, identification cards, social security cards, discharge papers, a typewriter, and other articles were found along with 96 blank checks from the Gear company, according to the Sheriff's department.

Marilyn, Arthur Secretly Flee to Hideaway

NEW MILFORD, Conn. (INS)—Marilyn Monroe and Arthur Miller secreted themselves in the playwright's rustic hideaway at nearby Roxbury today.

The lovebirds capped a day of rumor and speculation about their marital plans last night with a furtive New York street-corner rendezvous which had all the earmarks of a colak-and-dagger plot.

The blonde film star ducked out of her swank East Side apartment house into a waiting taxi which drove her three blocks to where Miller was waiting in a station wagon.

Marilyn hopped out of the cab and jumped into Miller's wagon, in which his mother and two children, presumably his son and daughter by a former marriage, also were waiting.

Miller, who announced last week he and the film star would be wed, then sped off to his Connecticut home.

Quick Storm Wreaks Havoc

TIMBER — There were plenty of shouts of "timber" yesterday as a sudden wind storm tore into the Pontiac area and uprooted many trees within the city. Part of this tree on Ogemaw Road split after giving way to wind gusts up to 65 m. p. h. City workers and police were kept busy throughout the day re-routing traffic and removing trees.

21 Persons Die in State Mishaps

6 Killed on Highways; Nine Believed Drowned; Air Crash Claims 3

By THE ASSOCIATED PRESS

Twenty-one persons died in a wide variety of accidents in Michigan over the stormy weekend.

Drownings claimed at least nine lives. Six died in traffic, including two brothers who were electrocuted after their car hit a power pole.

A mid-air collision of two private planes near the Pontiac airport killed three. One was fatally injured in a fall, another was electrocuted and still another killed by lightning.

Carl C. Viola, 22, of Detroit, was killed by lightning Saturday as he was standing beside a tree at a bus stop.

Jack Warden DePue, 24, of Roseville, and his brother, Donald R. DePue, 28, of Mount Clemens, were electrocuted Sunday when their car went off a St. Clair Shores street and struck a power pole.

Another electrocution victim was Nelden T. Grundvig, 25, of Mount Clemens, a Detroit Edison company linesman. He was killed Saturday night in East Detroit when he climbed a pole to investigate a short circuit.

Thomas Howard, 74, of Flint, was fatally injured Saturday when he fell down a flight of basement stairs.

Killed in the Pontiac plane collision Saturday were Dale Matthews, 25, of Charlevoix; his passenger, Jess Trott, 60, of Almont; and Arnold Pickett, 55, of Drayton Plains.

Two boys drowned Sunday in an irrigation pond three miles southwest of Hartford in Van Buren County. They were Bobby Paul Whiddon, 11, and Danny Gordon, 6.

Other drowning victims were:

Eugene Frederick Ambs, 16, of Jackson.

Addage J. Paquette, 26, of Berkley.

Keith Monnier, 27, of Algonac.

Donald Crandle, 14, of Grand Rapids.

Webster Bernard, 40, of Flint.

Clarence A. Tripp Jr., 7, of Detroit.

Elaine Tillman, 10, of Kalamazoo.

Traffic deaths included:

Israel Sandano, 16, of Rio Hondo, Tex.

Robert A. Heikkinen, 18, of Clawson.

Mrs. Edith M. DuFresne, 49, of Lansing.

William H. Parrish, 28, Detroit.

WRECKAGE FROM FATAL CRASH — Like the crumpled body of a great broken bird, this shattered airplane lies in a field near Pontiac Municipal Airport after the crash Saturday night that killed three men. The two planes collided in midair over the airport, falling an estimated 800 feet to the ground.

State Taxes Travel to Lansing by Train

A special train today dramatized payment of half the state taxes paid by Michigan railroads by carrying the money to Lansing for presentation to state officials.

The nine railroads will reportedly pay $8,145,365 in 1956 which, under state law, must go to the primary school fund. The railroads pay an additional $2 million to other state units of government.

Oakland County schools' share of the taxes will amount to $600,000, spokesmen for the railroads said.

Roads represented aboard the special train included The Grand Trunk Western, New York Central; Detroit, Toledo & Ironton, Baltimore & Ohio, Detroit Terminal; Pennsylvania, Wabash, Cheapeake & Ohio and The Detroit & Toledo Shoreline.

Auto Passenger Hurt as 2 Vehicles Collide

A Detroit woman was treated for lacerations of the head after the car in which she was riding was struck by another Sunday on US 10 in Holly Township.

Mrs. Margaret Brummer, 63, was released following treatment at the Groveland Clinic. She was a passenger in a car driven by John G. Brummer, 29, of Rochester.

The other vehicle was operated by James C. Kell, of 915½ Orchard Lake Rd., Sylvan Lake.

DR. VAN HALTERN

Dr. Van Haltern Dies Suddenly

Was Pontiac General Hospital Radiologist; Rosary Service Today

Pontiac General Hospital resident radiologist, Dr. Harold L. Van Haltern, 48, of 3670 Erie Dr., Orchard Lake, died suddenly Saturday in the Pontiac General Hospital.

* * *

Born in Athena, Ore., he was the son of Laura Piper and Guy W. Van Haltern. On October 6, 1948 he married Martha Zell in Detroit.

He was a graduate of the University of Texas Medical School and had studied at the University of Iowa.

Dr. Van Haltern came to Pontiac 11 years ago and was a member of the Wayne and Oakland County Medical societies, of the American Radiological Society and of the Detroit Roentgen Ray Society.

SERVICE TODAY

Surviving are his wife, Martha, and four children Carolyn, Eleanor Jon and Martin.

Rosary service will be at 8 p.m. today in the Voorhees-Siple Funeral Home. Following the service the body will be taken to Little Rock, Ark., for burial.

* * *

The family requests that memorial tributes be made to the Harold L. Van Haltern memorial fund for the benefit of Pontiac General Hospital.

Sharon Gale Baker

Graveside service was held today at Perry Mt. Park Cemetery for Sharon Gale Baker, infant daughter of Virginia L. and George O. Baker, 659 Markle Ave.

Sharon was born Friday in Pontiac General Hospital and died three hours later.

Surviving brothers and sisters are Carroll Ann, Michael, David, and Terry, all at home.

Don Edward Gelbard

Funeral service was held today at Temple Beth El, Detroit, for Don Edward Gelbard, 38, 19950 Shrewsbury, Detroit. He died Saturday in Chicago of a heart attack. Rabbi Leonard Mervis, brother-in-law of Mr. Gelbard officiated at the service.

Born in Detroit, the son of A. R. and Katherine Gelbard, Mr. Gelbard married the former Audrey Buckner, daughter of Mr. and Mrs. Norman Buckner of Pontiac. Mr. Gelbard was employed as a furniture broker in Detroit.

Besides his wife, he is survived by four children, Amy, Ann Louise, Richard and Catherine; his mother, Katherine Gelbard; and one sister, Mrs. Robert Bloom of Detroit.

Juvenile, 21-Year Old Held on Beer Charges

A 19-year-old youth Saturday night was charged with illegal possession of beer and a 21-year-old companion in a car charged with contributing to the delinquency of a minor, Pontiac police said.

The minor, Neil Gotting, of 36 Bloomfield Terrace and his friend, Palmer Stenson, of 63 Chamberlain St. were arrested at 1:30 a.m. on Mark street near Huron street, police said, alleging that 12 bottles of beer were found in the car.

Politics Reigns Supreme at Governors' Conference

ATLANTIC CITY (INS)—Principals of the 48th meeting of the governors of the states of the U.S. came to this neon-lighted sandspit of Atlantic City today ostensibly to discuss such things as hot lunches for kindergarten moppets.

They wound up talking about the heart and innards of the President of the United States and integration in the South.

There were 46 governors in all, plus the governors of Puerto Rico, Hawaii and Alaska.

Each had his state problem. Some of them wanted to be president of the United States, historically not an unusual ascension for a governor. Others indicated they would be happy in the second slot.

Nobody here seemed to want to talk about the comparatively inanimate things arranged by the committee in this election year. These included civilian use of atomic energy, education in secondary schools, and speeding upon highways.

Politics ruled supreme. It quickly became apparent that such things as these prevailed:

1. The Democrats will make an all-out effort to prevent the conflicting views on the Supreme Court's segregation decision from splitting the party

2. The avowed or possible candidates for convention nominations will depart from the script of the conference agenda and move into the racier fields of political comment, at the drop of a hat.

3. The President's health is a political issue.

Govs. Averell Harriman of New York, Robert B. Meyner of New Jersey, G. Mennen Williams of Michigan, Goodwin Knight of California and George Bell Timmerman, Jr., of South Carolina took up segregation, Eisenhower's health, foreign policy and many other subjects at news conferences they called yesterday.

Several of the possible Democratic nominees have repeatedly stressed they will not make an issue of President Eisenhower's health. This governors' conference indicates they were talking nonsense.

* * *

The President's health and the wording of the civil rights plank of the Democratic party are the top two topics under discussion here, whenever the governors get away from their routine business.

St. Laurent Invites Queen to Canada

LONDON (AP)—Prime Minister St. Laurent today invited Queen Elizabeth II and the Duke of Edinburgh to visit Canada in 1949.

Canadian officials said St. Laurent invited the queen to open the miltimillion-dollar St. Larence Seaway project, due to be completed in that year.

Informants did not indicaate immediately if the Queen accepted. St. Laurent is in London for the Commonwealth Conference opening Wednesday.

Wilson Leaves on Fishing Trip

Ends Defense Meetings Commenting He Meant No Insult to Senators

QUANTICO, Va. (AP) — Harried Charles E. Wilson was off today on a meditative fishing trip in Canada, where there are no senators irate over words like "phony."

* * *

The secretary of defense concluded his annual four-day session with the civilian and military chiefs at the Marine base here yesterday. He said it was a "very good conference," then left for a stay in Canada until midweek.

Behind him he left the explanation that he had not meant to insult any senators when he used the word "phony" in connection with a discussion of senatorial efforts to vote additional funds for the Air Force. He said he was "partly" misquoted or misunderstood, but told newsmen, "I don't blame you men too much. I blame myself."

He meant the "phony," he said, to refer to a reporter's question rather than to the senatorial action. But he stuck to his contention that the additional Air Force funds are not needed.

* * *

The word touched off a terrific storm in the Senate, facing a vote this week on its appropriations committee's addition of $1,160,000,000 for more planes, bases and men.

The furore was discussed Saturday by President Eisenhower and his aides in Washington, but press secretary James C. Hagerty replied "No" to a question whether the aides had urged Wilson to modify his earlier remarks.

Wilson's brief holiday in Canada may prove to be only an interlude in the bombardment.

* * *

He is scheduled to appear Friday before the Senate subcommittee investigating air power. The committee, headed by Sen. Symington (D-Mo), is almost certain to ask him to explain the "phony" remark. Symington told the Senate Friday Wilson's usefulness as a Cabinet member is over.

off for some two hours as trees snapped telephone lines. Detroit Edison received similar complaints with the Bloomfield, West Bloomfield, Waterford, and Avon Townships hit the hardest.

An unidentified spectator at the Bloomfield Open Hunt horse show was injured slightly as a huge tent collapsed.

George Couzens, 18, grandson of the late Senator and Mrs. James Couzens of Wabeek Farms, Bloomfield Hills, was injured when his car hit a tree drowned by the storm on Lahser just south of Long Lake Road. A resident at 610 Longfellow, Detroit, he had just left the horse show.

Still unable to tell details of the accident, he is in St. Joseph's Hospital with concussion, a possible broken leg and lacerations of the face.

In Rochester heavy damage was reported to the Rochester Paper Co. mill as parts of one wall and the roof caved in.

The winds also flattened three big tents at the Girl Scout Roundup site in the Highland Recreation Area. No one was injured.

Around noon, all available city police cars were dispatched throughout the city to re-route traffic and help keep the curious away from fallen wires.

The U. S. Weather Bureau forecasts partly cloudy weather with warmer temperatures and scattered showers and thunderstorms for tomorrow. The high tomorrow will be around 85.

Pontiac City Forester Don Nagle reported 100 trees down in the city. The forestry crew of the parks department worked late into the night clearing city streets.

The hardest hit area in the state appeared to be Battle Creek, which had winds in gusts up to 75 m.p.h. and a half inch of rain with a six minute period. Less than a half inch of rain fell yesterday in Pontiac.

One death was attributed to the storm. Keith Monnier, 27, of Algonac, drowned in Anchor Bay while skin diving.

The lowest temperature preceding 8 a.m. was 58 degrees. The mercury reached 66 at 1 p.m.

When Sunday's squall hit Watkins Lake, where the Watkins Lake Yachting Association was holding it's weekly races, all but two of the club fleet went over. The race had just got under way when the wind hit.

No one was injured, and little damage was done any boat.

Lake residents and club guests hurried to the aid of the overturned craft and helped take the soaked sailors from the water. Rest of the afternoon was spent bailing out, drying gear, and searching for missing equipment.

Radioactive Rains

TOKYO (INS) — The Gotemba observatory reported today that radioactive rain fell on Mt. Fuji Saturday. The radioactive rain was believed to have resulted from recent U. S. H-bomb tests in the Pacific.

The Day in Birmingham

Hearings Slated Tonight Include Zoning, Paving

BIRMINGHAM — Hearings slated for tonight's commission meeting total six, with zoning, paving, and alley-vacation projects included.

The Holland Avenue paving project appears again on the agenda, having been continued from June 18.

Unplatted parcels 1A, 1B and 2 will be zoned partially terraced, with the rear sections along the River Rouge reserved for flood plain, if the commission agrees with planning board recommendations tonight.

Vacation of Woodland Alley and of Cole Street are on tonight's hearing agenda as well.

Details of the extension of the Oak street through Woodward avenue go before commissioners tonight in the form of a hearing on rezoning for its extension and of approval by Bloomfield Township of the annexation of certain portions of the triangle formed by Woodward avenue and Hunter boulevard.

Flag displays by the local merchants is suggested by E. R. Borgeson, of the Junior Chamber of Commerce, who tonight asks the city to install sleeves in the business section. He points to a custom of several years ago of sidewalk flags.

The Jaycees have promoted a flag sale recently.

Egyptians Hear New President

Nassar, Sole Candidate in Saturday Election, Gets 99 Per Cent Votes

CAIRO (AP)—Premier Gamal Abdel Nasser, President-elect, promised today "we will be defenders of the constitution and defenders of right." He said Egypt had crushed colonialists and would support "whoever believes in our aims and principles."

He spoke to a crowd congratulating him on being chosen first President of the Eyptian republic. It included Soviet Ambassador E. D. Kiselev. Nasser was the only candidate in Saturday's election. He got the approval of more than 90 per cent of all Egyptian voters.

* * *

The Interior Ministry announced that 94 per cent of the 5,720,000 registered voters took part in Egypt's first secret-ballot election, that 99.7 per cent of these voted for Nasser and that 97.7 per cent ratified the new constitution designating Egypt a republic.

* * *

The outgoing Revolution Command Council announced that it has given the minister of the interior power to put "under administrative detention" any persons against whom it had made decisions in the four years since it took over from King Farouk.

The announcement, published in all Cairo morning papers, disclosed the Council used its last meeting, on Friday, to vest such power in the minister for a 10-year period following the ratification of the constitution.

* * *

The decision means that, despite Nasser's statement that martial law is lifted, the government for those 10 years will be empowered to detain old politicians like ex-Wafd party leader Mustapha el Nahas and former President Maj. Gen. Mohamed Naguib.

CAA Investigating Collision of 2 Planes

(Continued From Page One)

either Mathews or Trott call for help from the wreckage.

All three men were pronounced dead at the scene.

In one of the two planes accompanying Mathews and Trott were Mathews' father, Vernon, also of Charlevoix, and Charles Themm of Romeo. In the other was Walter Asslelin of Capac. Both planes landed at the airport after the crash.

* * *

Homer D. Hoskins, manager of the airport, said today a Civil Aeronautics Administration regulation requires planes flying over an airport to maintain altitude of at least 1,500 feet.

ALTIMETER READINGS

Vernon Mathews and Asslelin told Pontiac Post State Police their altimeters recorded heights of 1,000 and 1,200 feet at the time of the crash.

The two planes fell within 250 feet of each other, missing nearby houses by about the same distance.

One of the planes fell in the back yard of Earl Hague, 2180 Jones Rd. The other fell on the property of Robert Graves, 2200 Jones Rd. Neither family was at home at the time.

Pickett's son James, 18, witnessed his father's death from the airport, where he is a hangar attendant.

Six-Foot 'Gator Hunting Mate in Area Swamp

A six-feet long alligator is loose in Oakland County—a victim of love.

"Brutus" an eight-year-old weighing 75 pounds, escaped Friday night from his pen at Allen's Serpentarium, 10070 Dixie Hwy., Springfield Twp., and headed for a nearby swamp in search of a mate, according to Paul T. Allen, herpetologist and co-owner of the tourist attraction.

Allen reported the escape to Oakland County Sheriff's deputies last night, to squelch rumors that the animal was loose in Susan Lake, a half-mile from the swamp and about 10 miles northwest of Pontiac.

"We tracked 'Brutus' to the swamp," Allen said, "and have located him there twice, on Saturday and Sunday nights.

Allen explained that lately "Brutus" has been "bellowing like a bull," and he interrpeted this as a sign of mating season. "He won't find a girl friend in this county, though," said Allen, "except maybe that female alligator which folks say they saw in Long Lake last summer.

New 'United Church of Christ' Surveys Future Home Mission Growth Program

OMAHA, Neb. (AP)—A new vista was open today before Congregational Christians as they surveyed their home-missions landscape, its borders to be widened in a new "United Church of Christ."

With this expanded horizon in sight, facts and figures were presented to the denomination's general council concerning its growing program—of evangelism, education and church building.

More than four million dollars a year is being spent in this work, said Dr. Truman Douglass, executive of the Home Missions Board, with both "qualitative improvement" as well as "numerical growth."

But as delegates heard reports on the church's schools, colleges, and other affairs, attention centered on possibilities ahead in the bigger, combined church.

By an overwhelming vote of 1,310 to 179, the council Saturday gave final approval to plans for the merger with the Evangelical and Reformed church, the first union of its kind in this country.

"It is a demonstration of a new dimension of church unity," said Dr. Fred Hoskins, of Oak Park, Ill., newly-elected "minister" of Congregational Christians, their chief administrative officer.

He said the merger has "an aspect of comprehensiveness" and offers of varying traditions and backgrounds to unite in "essential purpose."

Dr. James E. Wagner, of Philadelphia, president of the E. and R. church, here to appear before the council this week, said the union would mean an "enrichening and strengthening" of both churches.

* * *

"Congregational Christians will bring us a greater sense of the responsibility of local congregations," he said. "We will probably bring into the union a larger sense of affinity with the great historic Christian traditions."

Final approval of the union came in an emotion-packed swirl both of enthusiasm and apprehensions. Opponents fought the plan down to the last, voicing fears that traditional church freedoms would be lost.

BURTON OBJECTS

The Rev. Malcolm Burton, of First Congregational Church, Pontiac, Mich., leader of an anti-merger faction said of the result:

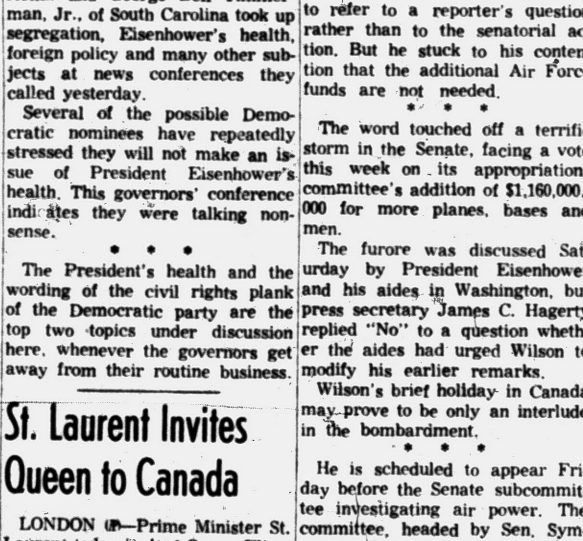

"The palace guard and the denominational camp followers may hold their part together, but out in the grass roots, it's a different story."

* * *

He said his group had no "definite plans" for any further legal action to try to stop the merger, but that such a move could develop in the future.

"To try to unite free churches with a single national church with an authoritarian system is crazy," he said. He added he'd also oppose any union with such churches as Methodists, Episcopalians or Presbyterians.

The union is the first in American Protestantism to cut across the local "autonomy" of Congregationalism and more cohesive E. and R. system.

Walled Lake to Slate 2nd Vote on School Millage

Eye Alternate Finance Plans

Meeting Tomorrow May See Speed-Up for Two Reasons

WALLED LAKE — The Board of Education serving the Walled Lake School District will probably set a date tomorrow for an election that will place a proposed two-mill tax increase before the voters for a second time.

The board will meet at 8 p.m. Tuesday, in the Junior High School on the Pontiac Trail, the former Senior High School.

Residents of the district voted down the proposal earlier this month by the slim margin of about 75 votes.

If approved, the tax levy will produce an estimated $60,000 for school operating expenses. In addition, the district would then qualify for an additional $30,000 from the state aid program, according to Joseph Long, president of the district school board.

Long explained that a school district becomes a distressed area when an extra millage proposal is approved by taxpayers.

The board resolved to re-submit the proposal to the voters at its latest meeting in recognition of petitions that called for such action. Petitions carrying more than 1,300 signatures were given to the board within a week after the defeat of the proposal.

The special election must be held soon for two reasons: (1) to allow sufficient time for the increase to be added to the tax rolls — if the levy is approved and (2) to prevent the curtailment of any school activity — if the levy is approved.

Fifteen different ways to reduce school operating expense will be under consideration by the board if the proposal is defeated, Long said. Certain activities would be curtailed to balance the budget.

Asked if defeat of the proposal would bring about any half-day school sessions Long said that the possibility existed for certain grades.

15 Cut Backs Listed

The 15 ways to reduce school operating expenses that Long says will be under consideration if the proposal is defeated are:

1. Reduce elementary staff by four teachers.

2. Eliminate field trips; have buses only for pupils a mile beyond school.

3. Close some cafeterias or raise prices.

4. Reduce custodial staff by three.

* * *

5. Reduce clerical staff by three.

6. Charge for group use of schools.

7. Reduce budget for supplies.

8. Eliminate paving contributions.

9. Eliminate summer painting.

* * *

10. Eliminate equipment purchases; except those legally purchased from the Building and Site fund.

11. If present elementary school staff vacancies are not filled by August 30, place such grades on half-day schedules.

12. Eliminate Attendance and Census Officer position.

* * *

13. Eliminate adult education program or increase fees.

14. Reduce elementary school service staff by a librarian, three music teachers, visiting teacher, art consultant and speech corrections.

* * *

15. Eliminate $1,500 to aid community recreation.

VFW Elects McCarn State Commander

Max C. McCarn, of Mason, was chosen the VFW State Commander at the 27th annual convention in Bay City Sunday. No Pontiac members had been candidates for office.

* * *

Mrs. Melvin Loeding, of Port Huron, was named auxiliary president at the sessions attended by over 5,000 veterans from 400 posts. Dudley Hicks, of Hazel Park, was the only Oakland County man honored. He was named chaplain.

Delegates fro Pontiac posts 1370 and 1008 attended the four-day event. National Commander Timothy Murphy, of Milton Mass., and Governor G. Mennen Williams delivered the main addresses. The group selected Kalamazoo as the site of its 1957 convention.

Almont's School Election Presents Trio of Candidates

ALMONT — The annual school election will be held July 9 from 1 p.m. to 8 p.m. at the Almont Community School. Petitions for Harold Hough, Graham Terry and Robert Wilson have been filed announcing their candidacies for the two offices to be filled.

Deadline passed last week for petitions to be submitted to the school board's secretary.

CROWN CAI QUEEN — Natalie Sposato (seated) was crowned Queen of the 1956 CAI Fair last night as part of the festivities of this ninth annual event. Flanking the royal miss, from left to right, are Sharon Norgrove, second place winner; Cleo Mullins, who took third, and Julie Hickman, 1954 queen who will accompany Natalie on her trip to Gay El Rancho, main prize for the event.

Waterford CAI Building Free and Clear

Thousands Witness Mortgage Burning

WATERFORD TOWNSHIP — Several thousand persons witnessed the burning of the CAI mortgage papers last night—the grand finale for this year's fair. Many of the past-presidents were on hand for speech-making and Carlos Richardson, current president, officiated at the ceremonies.

The Women's Club made the first payment on the mortgage ten years ago and they paid the last one this weekend. This was the ninth annual fair to be held in this building. Community Activities Inc., had become an actuality two years earlier in a renovated barn on the same property but this had burned down.

In all but the summer months, this community building houses activities for more than 1,000 youngsters every week. Adult meetings, dances, dinners and conferences overflow the calendar. The building also houses the township library.

Natalie Sposato, 4059 Lotus Drive won the crown of CAI Fair Queen last night. Taking second and third places were Sharon Norgrove and Cleo Mullins, respectively.

* * *

Many prizes were given the girls, the largest of which is a week at the Gay El Rancho in Gaylord. Natalie and Sharon were so close in the number of votes they brought in that both were awarded the coveted trip.

2 Lapeer Teachers Wed; Take Trip in Northland

LAPEER — A wedding trip to Northern Michigan followed the recent wedding of two Lapeer High School teachers, Janice Ann Hill and Lyle D. Hoffer, at First Presbyterian Church here.

Janice Ann is the daughter of Mr. and Mrs. Harry J. Hill, 814 North Main St., and Lyle is the son of Mr. and Mrs. Douglas Hoffer, 240 Bentley St.

Helen Howes, former piano teacher of the bride, came from Columbus, Ohio, to play the organ for this occasion. Soloist was another Lapeer teacher, Charles Harrow.

The bride chose a gown of imported Chantilly lace and nylon tulle over bridal satin. The fitted bodice of the lace featured a Mandarin collar and illusion neckline accented with irridescent sequoins. The bouffant skirt of tulle was outlined with a border of lace, scalloped with tulle secured her illusion veil. Her prayer book, covered with bridal satin nylon lace, was topped by Amazon lilies and cascades of lilies of the valley.

Attendants for the bride were Miss Barbara Strobel, Grand Rapids, maid of honor, and Miss Jane Samson, Buchanan; Miss Kay Hoose, Hillsdale and Miss Jackie Johnson, Davison, bridesmaids.

The bridegroom chose Duane Morris of Lapeer for his best man and ushering guests to their seats were Richard Sullivan, Richard Truax, Lapeer, Roger Nettlow, Dearborn, Phillip Button, Flint, and Robert Davis of Salem, Ohio.

A reception followed the ceremony in the church parlors.

Mr. and Mrs. Hoffer attended and graduated from Lapeer High school and Michigan State University where Hoffer was affiliated with Delta Tau Delta and Mrs. Hoffer with Zeta Tau Alpha.

Imlay City Staff Named by Schools

IMLAY CITY—The grade school faculty for the Imlay City Community School District is now complete for the next school year.

New teachers on the faculty and their assignments are: Miss Florence Dragomon, Imlay City, second grade; Mrs. Eleanor PeLong, Imlay City, kindergarten; Miss Arlene Westfall, Allenton, fourth grade; Miss Martha Bade, Imlay City, Sandhill school; Mrs. Zola Smith, Imlay City, sixth grade, half days.

Two vacancies still remain on the high school faculty — English and commercial.

Girl Governor Is Mary Bobak, Utica Delegate

UTICA — Mary Bobak, of Utica, is directing the Wolverine Girls State meeting at Ann Arbor today, having been elected governor of the mock state on Saturday.

She heads the more than 300 high school girls at the University of Michigan session.

Installed yesterday with her were other officers, who are:

Sally Whitson, East Lansing, lieutenant governor; Robin Gallagher, Battle Creek, secretary of state; Patricia Day, Saginaw, treasurer; Barbara Tomlinson, Midland, attorney general, and Gay Cleary, Lansing, auditor general.

Walled Lake Girl Weds Minister's Son in Rites

WALLED LAKE—The Rev. R. J. Striffler officiated at the marriage of Marilyn Schneider and his son, David, in a recent afternoon ceremony before 100 guests in the Peoples Church, East Lansing.

Mr. and Mrs. Ruben P. Schneider are the bride's parents. The bridegroom is the son of the Rev. and Mrs. Striffler of New Baltimore.

The bride wore a white floor length gown of embroidered net over taffeta, with a round neckline. Net mitts were worn with the short-sleeved gown. A cascade bouquet of white roses and lilies of the valley were carried by the bride, along with a tatted-edged hankie made by her grandmother.

Miss Phyllis Swanson of St. Joseph acted as the bride's only attendant. Assisting the bridegroom were Robert Ringle of Bay City, Foster Striffler of Oyster Bay, New York and Edward Schneider of East Lansing.

A reception was held immediately after the ceremony in the church parlor. The couple will spend the summer in North Carolina, and will reside in Ann Arbor upon their return.

Lake Orion Schools to Pay 3.38 Interest

LAKE ORION — The $750,000 issue of school bonds for building of the new Lake Orion High School and Carpenter and Webber school additions sold recently to the low bidder, the First of Michigan Bank, was at 3.38 per cent. It is .13 per cent above the series sold in September.

Amvets Elect White State Judge Advocate

Jerry White, senior vice commander of Pontiac's Bemis-Olsen Amvets Post 113, was named judge advocate and Sam Bentley, of Romeo, was elected senior vice commander at the election of officers highlighting the annual state convention at Grand Rapids Sunday.

Anthony Renne, Pontiac Post 16 candidate for state commander, was defeated by Edmund Gulewicz, of Hamtramck. Mrs. Ralph Pulitz, of Detroit, was elected to head the women's auxiliary.

Pontiac beauty queen candidates Janet Anderson and Nan Harleyvetch bowed out in the competition for Miss Michigan Amvet to Lorri Kawiak, of Detroit.

Jimmy Dey Post 12 was the other city post represented at the weekend sessions as 11 delegates took part from Pontiac units.

Governor G. Mennen Williams and Congresswoman Martha Griffiths were featured speakers at the convention attended by over 2,100 Amvets.

Oakdale Co-op Is Year Old

ROYAL OAK TOWNSHIP — An open house will be Tuesday afternoon in the Oakdale Residents Co-operative Housing Inc., building, 21075 Wyoming, celebrating its first anniversary.

* * *

The township has just established its headquarters in the building, and is joining in the open house plans with the cooperative.

Edward A. Wilson, president of the cooperative's board of directors, says that the group, which began June 1 of last year, has increased its assets during the past year, and has spent $50,000 in major repairs.

The unit now consists of 590 war housing units, each of which cost its owners $2,500. Of the 590, 80 are rentals.

* * *

The co-op is joining with the township in redeveloping the section, Wilson says.

Ohio Asks FBI to Track Killer

Truck Driver Believed in Indiana After Slaying In-Laws, Young Girl

WARREN, Ohio (INS) — The FBI will be asked by Trumbull County Sheriff T. Herbert Thomas today to enter the hunt for 37-year-old truck driver Alfred Wilson, who murdered three persons.

* * *

Thomas said he will obtain a murder warrant against the stuttering ex-convict and then get an affidavit claiming Wilson crossed state lines during his flight. This will pave the way for the FBI to enter the case.

Meanwhile, a general search has been called off in the dense, wooded area near neighboring Windham where Wilson's blood-spattered car was found abandoned Friday, several hours after his murder spree.

Authorities said there is only a slim chance that Wilson may have gone through with his threat to commit suicide. A "suicide note" was found in the abandoned auto.

So far, no trace of his body has been found, giving credence to Thomas' theory that the note was merely an attempt to throw police off his trail.

* * *

Wilson fatally shot his two sisters-in-law, Mrs. Geraldine Brown, 30, of Leavittsburg, Ohio, and Mrs. Hazel Botts, 33, of Cortland, Ohio, and 16-year-old Nancy Worthington, who he kidnaped during his flight.

Indiana state police are checking a report that Wilson was seen at a gasoline station at Highland, Ind., near Hammond, early Saturday.

First Fair of Season Ready at Lake Odessa

GRAND RAPIDS (AP) — Preparations virtually are completed for Michigan's first fair of the 1956 season, the Lake Odessa fair, scheduled July 2-4.

O. B. Garlinger, Lake Odessa storekeeper is in his fourth year as president of the fair which is sponsored by the Lake Odessa Agricultural and Civic Improvement Assn.

Garlinger also operates a farm near Lake Odessa, where he raises purebred and commercial beef cattle.

He says the annual Lake Odessa enterprise never has finished "in the red." Proceeds are used to improve the fair property or underwrite civic ventures to serve community interest.

The Lake Odessa fair, long noted as first of the year in Michigan, originated as a homecoming and Labor Day celebration. It was moved to a July date to take advantage of better weather, Garlinger says.

Holly Youth to Ride Island Queen Friday

HOLLY—In the future the hours at the summer playground will be from 9 a.m. to 4:30 p.m. each day. The first field trip will be on Friday and will be to Kent Lake Park and include a ride on the steamship "Island Queen."

Farmers' Charge on School Lunch Draws Denial

WASHINGTON (INS)—Agriculture Department officials have denied charges by the Missouri Farmers Association that they have "continually issued misinformation" to Congress on the nation's school lunch program.

Dennis Doyle, acting chief of the program, said in an interview that the department has "neither withheld information or misinformed" House-Senate conferees.

He asserted that the lawmakers have been "supplied with tables which showed the status of federal funds for the school lunch program in all the states."

Under the program, schools must agree to offer lunches to all children "regardless of the ability to pay." In return, schools are reimbursed with federal funds to help out with the program. Children from families that can afford it pay for the lunches.

Doyle said: "We recommend that state agencies establish variable rates of reimbursement so as to favor the neediest schools and to spread available funds over the entire school year."

He said the schools know far in advance of the start of the school year the exact amount of funds to be made available to them.

Kiwanis Picnic to Be Tonight at Rochester

ROCHESTER — One of the highlights of the Kiwanis year is the "Good Neighbor" picnic which is being held tonight at the Park Davis Picnic Grounds just off Parkdale Road.

Hold Petitions in Southfield

Census of Area to Be Taken for Proposed Westwood Village

SOUTHFIELD — Petitions to incorporate East and West Beverly Hills and Berkley Hills subdivision into one home rule village, to be known as Westwood Village, will not be circulated for at least another week, according to Ted Shurtleff, chairman of the Westwood Village Committee.

Shurtleff said this morning that a recent legal development required a complete census of the area proposed for incorporation, which must be filed with the Oakland County Board of Supervisors along with the petitions.

The area in question is in the northern part of the township and its boundaries would be from Greenfield to Evergreen between 13 and 14-Mile roads, and from Evergreen to the eastern boundary of Bingham Farms Village between 12½ and 14-Mile roads.

This is the area left out of a petition filed last December by the Southfield Urban Assn., following the defeat of Southfield's first charter.

The Urban group filed the petitions because it felt that residents of northern Southfield did not want to become part of the proposed city of Southfield and would vote down any charter presented for adoption.

In order for Westwood village to become a reality, Southfield as a whole must vote down the second charter now being drafted. Southfield has until June 1957 to adopt a charter or revert to township status.

In the meantime with only six weeks left in which to finish a charter, commissioners are meeting twice a week instead of once. They will meet next Wednesday and Thursday.

Rochester Board Elects Officers; Re-Set Sessions

ATTACKS ADMINISTRATION — Gov. G. Mennen Williams, during a press conference before start of today's Governors Conference in Atlantic City, N. J., turns to answer a question. He said the present administration in Washington was "fairly blind" to the dangers of automation and called the problem a serious one, not only for labor. He said he anticipated disagreement among Democrats in formulating a civil rights plank.

France Nearing Noncolonial Power Status

PARIS (AP)—France is giving up her foreign territories at such a rate that before long she may have to begin thinking of herself as a noncolonial power.

That would please the Communists. Some non-Communists also look on the prospect as no great disaster.

* * *

But the progressive loss of overseas lands has generated one of the bitterest French political fights in a generation. Loss of Algeria could be expected to embitter many Frenchmen not only against those who were forced to let it go, but against the United States.

Many Frenchmen blam America for France's weak position in Asia. Ten's anticolonial attitude has led Arabs to believe the United States would be happy to see France evicted. They remember the wartime chumminess between President Roosevelt and Morocco's Sultan Mohammed ben Youssef. They suspect the activities of such figures as Irving Brown, AFL-CIO representative who for years has been helping organize non-Communist Arab unions in North Africa. The government has barred him from Algeria.

The United States recently said it supported France's "liberal efforts" in Algeria, but Frenchmen felt the statement was long in coming. The Algerian rebels reckon they haven't seen any liberal efforts.

* * *

Within two years France has surrendered a fat third of her colonial empire. Algeria, another important chunk, is held only by military stitching which seems on the point of giving way.

What would be left is less important to her. This includes the big island of Madagascar off the east coast of Africa, where uranium ore has been found, and the vast areas of desert and jungle in central and western Africa whose values are not wholly known.

Each colony which gets away excites another to try it. A rebellion in Madagascar immediately after World War II was put down with massive slaughter.

* * *

France fought eight years in Indochina in part because she knew what a bad effect its loss would have on North Africa. Many of the rebel leaders in Algeria are soldiers who learned to fight under French command in Indochina. One is Mohammed ben Bella, a big shot in the rebellion, with headquarters in Cairo.

Indochina went first in 1954, with 18 million persons.

Tunisia went second, 1954-55, with 3½ million,

Morocco went third, in 1955-56, with 8 million.

Algeria and its 9 million? Some are ready now to date its separation as 1956-57.

Now How to Cash In

PASADENA, Calif. (AP) — Emanuel Poulson still can't figure out how thieves made off with his antique bronze Japanese lantern. It weighed 2,000 pounds. Police theorize that whoever stole it backed a truck against Poulson's backyard fence, then used a block and tackle to hoist it aboard. Poulson valued the lantern at $1 a pound.

Early Bird Has High IQ

GEARY, Okla. (AP)—Ammon Owen is convinced the early bird gets the worm because he is smarter. While plowing his field, he noticed a flock of inland gulls following him and flying down and gobbling up the worms from the turned furrows. The next morning, when he got back to the field the gulls flew in to wait for him to do his plowing.

Guatemala Imposes Anti-Red Restrictions

GUATEMALA (AP) — The Guatemalan government, announcing discovery of a Communist plot, has imposed a form of martial law on the country to "prevent seditious disorders."

* * *

President Carlos Castillo Armas' regime decreed a "state of alarm" after police broke up a mass meeting yesterday sponsored by the newly formed National Civic Committee.

Demonstrators at the gathering of about 400 persons outside the capital's railway station had distributed leaflets demanding cancellation of Guatemala's mutual aid pact with the United States and a lifting of the ban on Communist activities.

* * *

A government statement charged the meeting was part of "a subversive plot by Communists hiding within the territory of the republic to disturb the peace."

Ex-Peruvian President Leads in National Voting

LIMA, Peru (AP)—Manuel Prado has a lead of 56,090 in the official count of votes from last Sunday's presidential election.

Official returns from 19 of the country's 23 states give Prado, a former president and head of the Pradista Democratic party, 178,629 votes. His nearest rival, Fernando Belaunde of the National Youth Movement, has 122,539.

An average sleeper changes positions 35 times a night.

St. Louis Argues Over Courthouse or Court House

ST. LOUIS (AP)—Is it court house or courthouse?

The words "St. Louis County Court House" are cut deep in stone over the governmental building in suburban Clayton. It wasn't questioned for six years.

Then the Metropolitan St. Louis Civic Register, an annual guide published recently, said, "It's courthouse, not court house," and cited a dictionary, the county charter and counselor's officer as proof.

* * *

Defense arguments say there's a precedent for the two-word usage at the "U.S. Court House" downtown. And architects of the six-year-old building say the two-word style looks better.

Picard Given Post

DETROIT (AP) — Federal Judge Frank A. Picard has been named by Chief Justice Warren of the U.S. Supreme Court to serve on a panel studying problems in pretrial of long and complicated cases. Judge Picard will represent the Sixth Circuit on the panel, whose members will give aid to trial judges confronted with protracted court cases.

Let the Parents Decide

CENTRAL FALLS, R.I. (AP) — Notre Dame Hospital authorities have a problem: Susan Agnes Merow was born "on the stroke of midnight Saturday." They can't decide whether to list her birth on June 23 or June 24.

Don't Expect Too Much of Friends

By ANNE HEYWOOD

Some of us have a fatal tendency to attribute to people qualities which they haven't got and then to be bitterly disappointed and let down when they turn out not to have them.

* * *

That is Mrs. L.'s problem.

"I guess I'm just too trusting," she says in her letter. "I always expect people to be decent and nice, but they hardly ever are."

Then she went off on a bitter denunciation of the human race, but you could see it was all her own fault.

She couldn't take people as they are, but had to make little saints out of them.

WONDERFUL PIES

"I make wonderful pies," she continued, "and my friends urged me to set up a home baking business.

"My pies were just divine, they told me. They said I shouldn't be giving them away—I should be selling them. Well, I listened to my friends — and the results were disastrous!

"I began making pies and announced it to my friends. I know the price was fair, because I checked it with a businessman who knows the field. And I know the pies are good.

"Some of my so-called friends wouldn't buy any at all. The others bought one or two.

* * *

"Now I don't know what to do—I have the equipment and all, but my so-called friends are not willing to be customers. Can you imagine?"

JUST HUMANS

Of course, I can imagine. Her friends are just members of the human race.

* * *

The mistake this woman made in the first place was expecting friends to be more helpful than they are apt to be.

It is always strangers who make up your best customers — people who don't know you at all, but who like pies.

I suggest that this woman forgive and forget—and get busy advertising and getting new customers.

A small, regular ad in her local paper will work wonders. A few samples given to church fairs and other strategic places will bring in orders.

She might also contact some local delicacy shops and see if they are interested in handling her pies on a made-to-order basis.

WON'T NEED THEM

Eventually, if she is successful, friends may buy from her—but by then she won't need them!

If you are considering a home-made product, don't expect to make a living from the orders your friends give you.

Instead, send me a stamped, self-addressed envelope and I'll send you my pamphlet, "How to Market a Homemade Product."

Jimmy Marshall, son of Mr. and Mrs. Lionel Marshall of Lookout drive was chosen "Volunteer of the Month by the Central Volunteer Bureau of the Pontiac Area United Fund. He spends each weekday evening at the Pontiac Boys' Club helping instruct new youngsters in photography, and assisting them with developing and enlarging their pictures. Jimmy is 15 years of age and will enter the tenth grade at Pontiac High School in the fall.

Volunteer of Month Is Chosen

Masculine participation in volunteer work is spotlighted today in the June selection of "Volunteer of the Month" honors made by the Central Volunteer Bureau of the Pontiac Area United Fund.

* * *

Jimmy Marshall has been chosen for the award because of the many hours he spends helping other boys at the Pontiac Boys Club.

A camera fan, Jimmy spends each week day evening from 6 until 9 o'clock at the club helping instruct new youngsters in photography. He shows them how to position their subjects, and how to develop and enlarge their pictures.

The young "Volunteer of the Month" just completed his studies at Eastern Junior High School and will enter the 10th grade of Pontiac Senior High School next fall. He is interested in manual arts and plans to take a vocational course there.

Top among his outside interests are hunting and fishing with his father. Jimmy has no brothers but he has one sister, who is married.

There are many volunteer openings for teenage boys. They are needed by recreation departments, YMCA and Boys Clubs to help organize games for youngsters in the 8 to 12 year age group. The biggest demand seems to be for baseball and junior baseball coaches. Those skilled in arts and crafts are also needed.

Couple to Reside in City Following Mackinac Trip

Wearing a gown of pure silk antique taffeta fashioned with a portrait neckline outlined with re-embroidered French lace accented with pearls and sequins, Nancy Carolyn O'Rourke of Toledo became the bride of Richard Irwin Templeton.

The gown's long, tapered sleeves featured a jeweled applique of Alencon lace, and the bouffant skirt cascaded into a chapel train from a molded torso bodice. Nancy's imported Venetian veil, worn Madonna style, was edged in hand embroidery.

MRS. RICHARD I. TEMPLETON

She carried a Bible with a white orchid and a cascade arrangement of stephanotis and variegated pittsporium.

The bride is the daughter of Mr. and Mrs. Archibald Wellington O'Rourke of Toledo. Richard's parents are Mrs. Elva Templeton of Desiax street and K. L. Templeton of Orchard Lake avenue.

The ceremony was performed by the Rev. Walter Larson at Hope Lutheran Church, Toledo, Saturday evening.

BRIDAL ATTENDANTS

Mrs. Clay Hepler of Toledo served as matron of honor for her sister. Other attendants were Karel Kleinheksel of Holland, Michigan; Evelyn Smith of Durand, Janet Kost of Lake Forest, Ill., and Marilyn Payne of Toledo.

They wore identically styled waltz-length gowns of crystalette with dropped torsos and bouffant skirts. The dresses were lavender, Nile green, yellow, powder blue and aqua, respectively. Matching bow clips formed their headpieces.

The attendants' flowers were cascade arrangements of orchids and variegated ivy.

John Benson was best man. Serving as ushers were Robert Wilson, Steve Murtha, Robert templeton and Richard Esser.

A reception was held at the Toledo Woman's Club. For her daughter's wedding, Mrs. O'Rourke wore a Ceil Chapman gown of pure silk trimmed with re-embroidered Alencon lace. Mrs. Templeton wore a Paul Parnes sheath dress of silk organza and lace.

The bride changed to a brown sheath dress with a bolero packet and white accessories for traveling.

Following their honeymoon on Mackinac Island, the newlyweds will make their home on Bloomfield terrace.

Married at Kirk in the Hills Saturday evening were Joy Ann Sauerbrun and Darill W. Perry. The bride is the daughter of Mr. and Mrs. Richard A. Sauerbrun of Birmingham. Darill is the son of Mr. and Mrs. Harvey W. Perry of Alice street.

MRS. DARILL W. PERRY

Joy Ann Sauerbrun Wed at Kirk in the Hills Rite

Kirk in the Hills, Bloomfield Hills, was the scene of the candlelight wedding ceremony Saturday evening of Joy Ann Sauerbrun and Darill W. Perry. Joy Ann is the daughter of Mr. and Mrs. Richard A. Sauerbrun of Birmingham. The Harvey W. Perrys of Alice street are Darill's parents.

The Rev. Harold C. DeWindt D.D. officiated at the double-ring ceremony, performed in the presence of 200 guests.

The bridal gown of white crystalette was fashioned with shirring around the bateau neckline and a dropped waistline. The tiered bouffant skirt was floor-length.

A pearl tear drop crown secured the bride's veil of illusion. Her flowers were a cascade spray of white iris, miniature white shasta daisies and ivy.

* * *

Matron of honor was Mrs. Arlon Perry. She wore a street-length dress of light aqua, with a dropped waistline and full skirt. She carried yellow giant shasta daisies and ivy in a cascade spray.

Mrs. Victor G. White of Lansing, Nancy Webb of Detroit and Jean Schade of Grosse Pointe were the other bridal attendants. They were gowned identically to the matron of honor.

Arlon D. Perry served as his brother's best man. Ushers at the ceremony were Richard A. Sauerbrun Jr. of Birmingham, Victor G. White of Lansing, Bruce L. Satterla of Alice street, Jack Bell of Birmingham and Russell Nordman of Birmingham.

* * *

The reception was held in the Birmingham Community House. Mrs. Sauerbrun greeted her guests wearing an aqua Shantung sheath dress with pink and white accessories. Her flowers were gardenias.

Mrs. Perry wore gray lace over pink taffeta with pink accessories. She also wore gardenias.

The bride is a graduate of Michigan State University, where Darill also is enrolled at the school of engineering.

For traveling, the new Mrs. Perry selected a powder blue cord sheath with a matching sweater and white accessories. Her corsage was of white iris.

Following their wedding trip to northern Michigan, the newlyweds will make their home in Lansing.

Friday, Joy Ann entertained her bridal party at a spinster luncheon at Devon Gables. Bruce Satterla of Alice street entertained at a bachelor party and buffet dinner at Club Baron Thursday evening for friends of the bridegroom.

Mr. and Mrs. Harvey W. Perry were hosts at the rehearsal dinner Friday evening, held at Rotunda Inn.

Group Unites 6 Counties on Common Issues

(Editor's Note: This is the first of two articles on the Supervisors Inter-County Committee, a new kind of government unit which will eventually affect the lives of all Oakland County residents.)

By LAWRENCE S. MARTZ JR.

In the next few years, residents of Southeastern Michigan will be hearing a lot about a new kind of government committee.

It's called the Supervisors Inter-County Committee, and in spite of its cumbersome title it's a streamlined and highly efficient way of accomplishing business.

It might be called "government by suggestion," since the Inter-County Committee neither has nor wants any direct power of its own.

It came into being in June, 1954, when six Southeastern Michigan counties decided they have problems which can't be solved by one county acting alone.

Chronic lack of water is one of these problems. Lack of an integrated and adequate highway network is another. Large-scale storm drains and sewage treatment are a third.

So the six counties — Wayne, Oakland, Macomb, Monroe, Wastenaw and St. Clair—decided, through their boards of supervisors, to form individual committees of supervisors to deal with inter-county affairs.

Shortly afterward, the six committees elected a common chairman and the Supervisors Inter-County Committee was born.

Having no direct power, the Committee can't legislate anything. It can only recommend.

But it takes its recommendations seriously and expends a great deal of time and effort on studies of the problems and collection of information.

And its recommendations carry a lot of weight with the boards of supervisors of the six member counties.

Its work has already resulted in formation of two independent bodies, the Southeastern Michigan Water Authority and the Inter-County Highway Commission.

The Water Authority, formed by Macomb and Oakland counties, has legislative authority to condemn land, issue bonds and enter contracts. Its purpose is to run a pipeline to Lake Huron to supply the fresh-water needs of the two counties.

Membership is still open to any of the other four counties represented on the committee.

The Highway Commission, also recently formed, will chart highway needs in the area. It will coordinate the building of the billion-dollar road network the six counties will need in the next 20 years.

Through the Inter-County Highway Commission, the six counties can make plans and reserve land for rights-of-way far in advance of the actual road building.

Both these independent groups were created through the efforts of the Inter-County Committee's road and water committees. Three other standing committees now exist, and more may be added as new problems arise.

The Port Committee looks to completion of the St. Lawrence Seaway as the most explosive potential force in the area. It believes that adequate port facilities to meet the Seaway's needs could double population in the six-county area in 15 years.

The Recreation Committee seeks full use of the tremendous natural assets of the six-county area for recreational facilities for its large and growing population.

And the Sewage and Waste Disposal Committee seeks to take advantage of natural drainage contours to build adequate drains and sewers which may cross political boundaries. It has already received a $100,000 contribution from the National Sanitation Foundation for a survey of the problem.

Area Teenagers Form Vacation Dance Club

PLAY FOR TEENAGERS — Don Sayles and his band provide the music for dances at the newly-formed Blue Note Teen Club which held its second dance in Waterford Township last week. The band consists of back row, left to right: William Davis, Paul Wilmot, Edward Schmuck, Sayles, and Tom Richardson. Front row: left to right, are John Burkhart and Larry Peck.

Musicians Head Local Youth Unit

Waterford Hall Center of Non-Profit Group's Weekly Activities

The Blue Note Teen Club, a newly-formed non-profit organization for area teenagers, is rapidly growing into one of the more popular groups for youths here with 300 members already signed up since its founding in early June.

* * *

Main function of the club is to stage weekly dances at its hall on M59 and Pontiac Lake road, Waterford Township.

The second of these affairs was held last Thursday night and will be continued each Thursday during the summer.

Donald Sayles and his band provide the music for dancing each week. The dances are open to all local residents in the ninth or higher grades.

* * *

Small admission fees are charged to cover the costs of hall rental and other expenses.

A Waterford Township policeman is on duty at all dances.

Sayles, a high school student, founded the club as a means of giving the area teenagers a place to dance during vacation time.

Teenage boys and girls may join the club by attending any of the dances. Only persons with membership cards are admitted to the programs, he said.

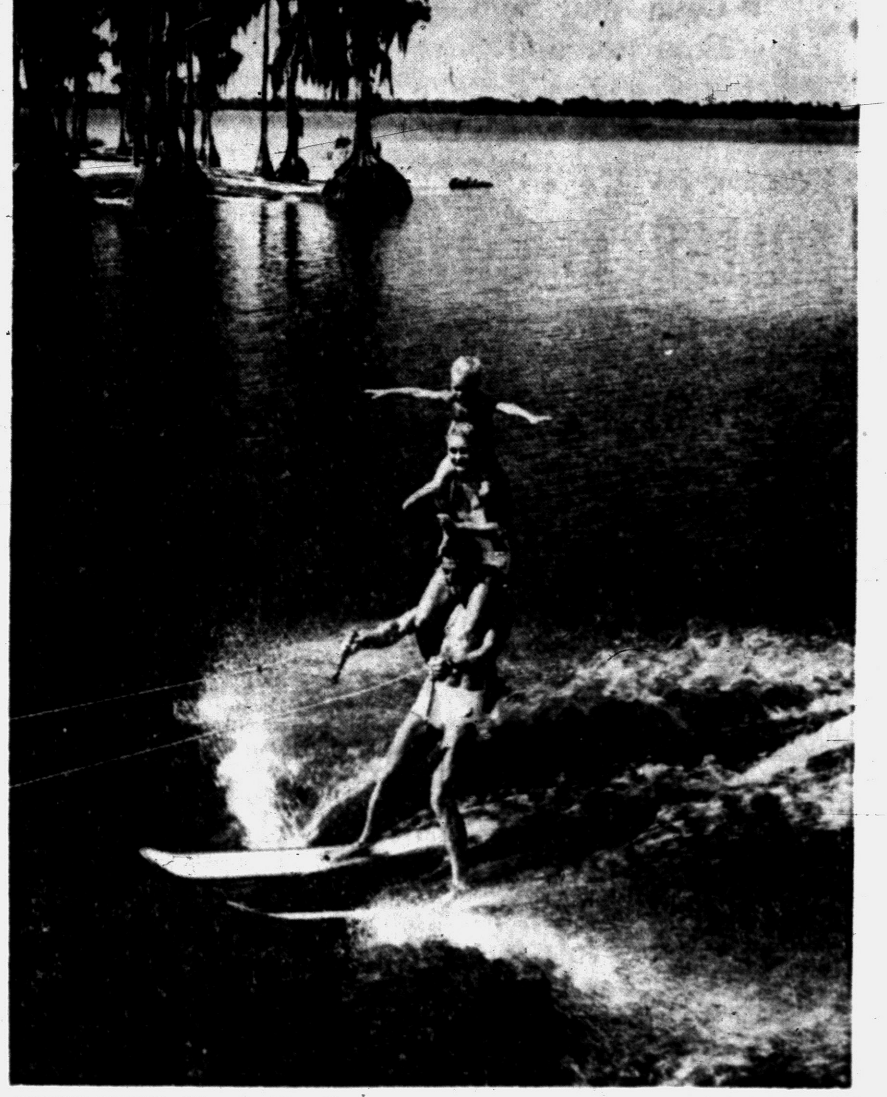

The Blue Note Council, made up of chaperones and parents of the band members, govern the present club operation. An election of officers is planned in the near future.

The weekly program calls for dancing to band music and the singing of various selections by vocalists. Other types of entertainment may be held in the future.

Sayles, a Waterford Township resident, is one of three saxophone players in the band. The others are Paul Wilmot and Ed Schmuck, both of Clarkston.

* * *

Rounding out the band are Bill Davis, of Avondale, on trumpet; Tom Richardson, of Waterford bass fiddle; Larry Peck, of Waterford, piano; and John Burkhart, of Waterford, on the drums.

FAMILY AFFAIR—Skimming along the water in modern totem-pole style, Jim Rusing finds that his burdens are increased while spending a vacation at Cypress Gardens, Fla. In this case, however, it's a pleasant burden — his wife Marge and his little son Craig. Just a shrug of his shoulders and the extra burdens go tumbling into the warm waters of the Atlantic Ocean, which is as nice as any way of dissolving a problem.

Steel Contract Offer Would Cost $2 Billion

NEW YORK (AP)—The "big three" steel companies say their 5-year contract offer to the United Steelworkers of America would cost the firms $2,310,000,000.

* * *

A statement issued by U.S. Steel, Bethlehem and Republic yesterday said the offer would mean $4,200 in higher wages and benefits over the 5-year period for each of 550,000 USW members.

"This is the offer that David J. McDonald, president of the steelworkers, has tried to belittle by talking about a 'nickel increase in net pay,' said the statement.

Contract negotiations with the steelworkers resume today. Union officers have been empowered to call a strike if a new contract is not agreed upon before the current one expires at midnight Saturday.

Response Falls Short of Need

New Alcoholism Aid Unit Has Slow Start

The newly-established Alcoholism Information Center, operated by the City Health Dept., had very few patrons in its first month of operation, according to Mrs. Mary M. Burrell, director.

* * *

And Mrs. Burrell, supervising nurse of the health department, said the lack of "business" was a sign that persons afflicted with alcoholism "aren't coming in for help" and not that there were not enough needing help.

"Using a county population of 500,000 as a formula basis, there are 14,280 alcoholics in Oakland County and 142,800 persons affected because of their disease," Mrs. Burrell reported.

The new center was opened May 1 after the State Board of Alcoholism in March granted $3,251 for its establishment. It is located in the City Health Dept. in the basement of the City Hall.

* * *

"Our little business is indicative of the fact that the public has not accepted alcoholism as an illness," the director explained. "But I must add that it was a satisfactory beginning as far as I'm concerned."

During May, two alcoholics and eight relatives of alcoholics visited the center seeking help. Nine telephone calls were received by relatives.

Mrs. Burrell noted that alcoholism is 10 per cent more prevalent than tuberculosis, 50 per cent more than cancer, and more than twice as frequent as polio.

* * *

She added that an advisory council would soon be appointed to aid in the work of the center.

Residence in Pontiac is not required to receive the free counseling of the center, she said.

Collapsible Fuel Tank Holds 10,000 Gallons

AKRON — An Akron rubber manufacturer has developed collapsible rubberized containers that can hold up to 10,000 gallons of gasoline or oil and can be unrolled like a rug and filled in a matter of minutes.

* * *

The tanks are collapsible, portable, and lightweight. One in the 10,000-gallon size weighs 700 pounds empty; collapsed and rolled up, it is 12 feet long and 2½ feet in diameter.

Red Leader Asks Why Navy Man Is Chief of Staff

MOSCOW (AP) — Nikita Khrushchev, free-talking Soviet party boss, put his finger on a sore spot of rivalry between the U. S. Navy and Air Force in a chat here with Gen. Nathan F. Twining, U. S. Air Force chief.

* * *

"I cannot understand why the United States has a Navy man as head of the Joint Chiefs of Staff," said Khrushchev to Twining during a stroll through the Soviet Army Club yesterday. "Navies are like tortoises. They always have been, and they always will be. It is the same with us as it is with you."

Twining's comment was not caught by reporters.

* * *

Adm. Arthur W. Radford is chairman of the U. S. Joint Chiefs of Staff. Known as an advocate of a broadening role for the Navy in strategic warfare and of super-aircraft carriers, he was appointed in 1953 by President Eisenhower to succeed an Army man, Gen. Omar N. Bradley.

Mobile 'City Hall' Hears Chicago Citizens' Beefs

CHICAGO — A Chicago newspaper, in cooperation with the mayor, is taking city hall to the people, using a "mobile" city hall —a station wagon with a radiophone.

A reporter drives the auto around the city to gather suggestions and hear beefs from citizens, which are relayed directly to the appropriate official in city hall via radiophone. Among signs on the "gripe-car" is one that says: "Talk it over here and now with a City official!"

New Domestic Trouble Reported in Dutch Court

AMSTERDAM (AP) — Smiling pictures of the Dutch royal couple blossomed on the front pages of Holland's newspapers today. But in West Germany, Hamburg's Der Spiegel came up with a new report of domestic trouble between Queen Juliana and her husband, Prince Bernhard.

* * *

The Hamburg magazine said Bernhard may leave the Dutch court unless it is friendlier to his mother, German Princess Armgard Zur Lippe-Biesterfield. The magazine claimed the princess had not been "too well-received" in the past.

* * *

Der Spiegel said Bernhard would move to his mother's home unless she is invited to the garden party the court traditionally gives on June 29 to celebrate his birthday. The magazine added that Crown Princess Beatrix, 18-year-old eldest daughter of Juliana and Bernhard, and 17-year-old Princess Irene would join their father in his exodus.

Der Spiegel made first publication of the report that the influence of a 61-year-old faith healer, Miss Greet Hofmans, over Queen Juliana had caused a rift between the monarch and her husband. The Dutch government subsequently denied that there was any possibility of a break.

* * *

The Queen and her husband yesterday made their first public appearance since the publication of the rift rumors. Accompanied by Princess Irene and 13-year-old Princess Margreit, they attended a sports festival at Olympic Stadium to raise funds for the Dutch Olympic team.

Both the Queen and the prince appeared relaxed and seemed to enjoy the show. A crowd of 40,000 was on hand to applaud them as they entered the royal box and again after the playing of the Dutch national anthem.

Hubby Can't Recall Where He Left Wife

CHICAGO (INS)—Chicago police have something a little different in the way of a "lost and found" problem. They are trying to help a Huntington, W. Va., man find out where he left his wife.

* * *

Lawrence Easthon, 45, told police he left his wife, June, 31, their luggage and their money at her sister's home in Chicago last Wednesday while he went out to look for a job.

* * *

Then he forgot where his sister-in-law lives. He couldn't even remember her name.

* * *

Easthon said he stayed at a North Side hotel until he ran out of money on Friday. He found temporary lodging at the central police lockup until last night, when he was taken to the Pacific Garden Mission, pending location of his wife.

CUDDLESOME PAIR — "Castor" and "Pollux," two Bengal tiger cubs, cuddle up to Mrs. Helen Martini, wife of the headkeeper at the Bronx Zoo in New York City. The cubs were taken from their mother to be fed safely in the zoo nursery. Workmen are using drills to rip up the flooring of a nearby lion's cage so it was feared that the tigress' milk would be curdled by all the noise and confusion.

Elect Two From City to Girls State Posts

Two Pontiac girls are among 50 Michigan high school students holding office this week during the annual Wolverine Girls State in Ann Arbor.

Sharon Holland, 117 Iroquois and Patricia Zielke, 956 Berwick, are serving as county supervisor and sheriff respectively.

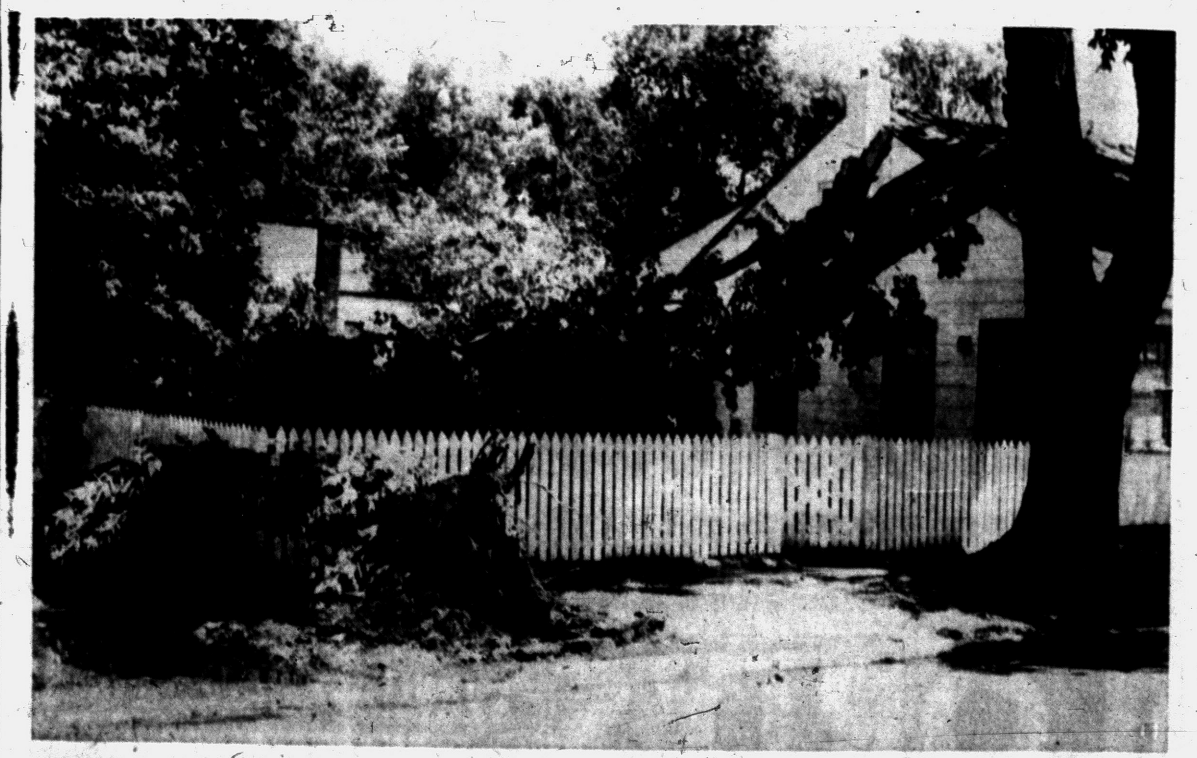

Mary Burkman, 719 West Wood, Birmingham, was elected a county supervisor.

Girls State, sponsored by the Michigan American Legion Auxiliary, is designed to give outstanding high school students a chance to become more familiar with operations of their local government.

Up to $90,000 Cost of 9-Hole Golf Links

NEW YORK — The National Golf Foundation reports that it costs $5,000 to $10,000 a hole to build a standard-length nine-hole course.

It estimates a "pony" par-3-length nine-holer would cost $750 to $1,000 a hole.

STORM CASUALTY — Testifying to the ferocity of gale-force winds which struck the Pontiac area early Sunday, a giant limb and a smaller tree lie broken on Augusta Street. Similar scenes were repeated in other sections of the area following the sudden storm. Stiff winds followed for the rest of the day.

New Jersey Resident Hurt as Car Flips

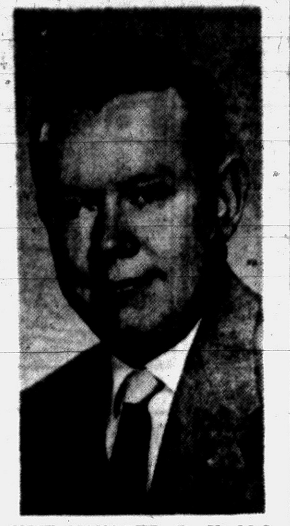

New Jersey resident James Hoare, 23, was treated at a Flint hospital Saturday night after his car went off the road and flipped over on U.S. 10, Groveland Township.

He told Oakland County deputies the car went into a skid and struck several guard rails before turning over. Hoare suffered abrasions of the right knee and face in the accident.

Snatchers Surprised as Empty Purses Stolen

Three purses containing nothing of value were reported stolen early Saturday from a coal company office at 140 N. Cass Ave., Pontiac police said.

According to the owner, a rear casement window was forced open, they added.

NEW MANAGER—D. V. McIntosh has been named manager of the Household Finance Corp.'s Pontiac office, company officials announced yesterday. He succeeds J. V. Davis who recently resigned. Prior to his appointment, McIntosh was manager of the Port Huron office.

Car Rams Into Tree, Girl, 16, Is Injured

A 16-year-old girl was hospitalized early Sunday when the car she was in rammed a tree on Elizabeth Lake road in Waterford Township.

Patsy Marcum, Hazel Park, was listed in satisfactory condition in St. Joseph Mercy Hospital, where she was treated for a possible concussion.

The driver, John L. Lang, 20, of Pleasant Ridge told township police he lost control when another car passed him near Crescent Lake road.

Slot Machines Looted

Thieves failed to open an office safe but looted $95 from a vending machine in the breakin of a recreation center at 20 N. Perry St. Friday night, according to Pontiac police. Detectives who investigated said there was no sign of how the building was entered.

Net classification required for this project is 7 Ba.

Sealed proposals for the construction of this project located in Macomb and Oakland Counties will be received from contractors having 1956 Michigan State Highway Department prequalifications, in the Small Auditorium, Civic Center, Lansing, Michigan, until 10:30 a.m., Eastern Standard Time on Tuesday, July 10, 1956 and will then and there be publicly opened and read. Proposals may be mailed to the Contract-Estimate Office, 715 Stevens T. Mason Bldg., Lansing, Michigan.

The work will consist of removing old Pavement and Concrete Patching, 9 inch Uniform.

Completion date for entire project October 15, 1956.

The Department's Standard Specifications (1950 Editions) its current Soils Manual, the plans for this project, the special provisions governing subletting and assigning the contract and the employment and use of labor, and the proposal blanks (all of which are essential parts of the contract) may be examined at the district office of the Department at Redford and at the Michigan Road Builders Association, Lansing, Michigan, but may be obtained only at the office of the Contract-estimate Engineer 715 Stevens T. Mason Bldg., Lansing, Michigan, up to 5:00 P.M. of the day preceding the opening of bids. A fee of three dollars will be charged for furnishing plans or proposal blanks which will not be refunded.

Full cooperation in carrying out the special provisions will be required. Minimum wage paid to labor employed on this contract shall be as outlined in the proposal.

A Certified or Cashier's Check, Bank Money Order, or Certificate of Deposit, properly endorsed, on an open, solvent bank, in the sum of $3,500.00 payable to Charles M. Zigler, State Highway Commissioner, must accompany each proposal. All such checks will be returned promptly after the bidding, except that of the lowest bidder will not be returned until execution and delivery of the contract to the State Highway Department.

The right is reserved to reject any or all proposals.

In Memoriam 2

IN LOVING MEMORY OF DONald D. Stone, who passed away June 24, 1951
Do not ask me if I miss him,
For there is such a vacant place.
Often I think I hear his footsteps,
Or I see his smiling face.
For he left me brokenhearted,
Friends may think the wound is healed.
But they so little know the sorrow,
That is in my heart concealed.
Sadly missed by wife, Nora, and sons James, Donald & Allen.

IN LOVING MEMORY OF WILlard Hall, who passed away 9 yrs ago, June 25.
Somewhere back of the sunset,
Where loveliness never dies.
He lives in the land of glory,
Mid the blue and the gold of the sky,
Gone from us who loved him,
Into the heaven of Rest.
To the home of our loving Savior,
Sweetly his soul to rest.
His life is a beautiful memory,
His absence is silent grief.
He is sleeping in God's garden,
In the sunset of perfect peace.
Sadly missed by children, May, Lila, Dorothy, Floyd and families.

IN LOVING MEMORY OF DEBRA Rae, who passed away one year ago today.
She was a flower too sweet for earth,
Sent here for but awhile.
God marked her when he gave her birth,
And took her with a smile.
Sadly missed by Mommy and Daddy

Red Romania Forgives Tito

Expected to Give Rules for Party Cooperation During Bucharest Visit

BUCHAREST, Romania (AP) — Romania's Communist leaders, entertaining President Tito of Yugoslavia as "a dear and beloved comrade," have his promise to forget the past.

Tito arrived yesterday in the Romanian capital from Moscow, where he and Soviet leaders signed agreements to cooperate in the future at both government and Communist party levels.

During his three-day visit in Bucharest he is expected to present to Romanian officials the new rules for cooperation among Communist governments decided at his Kremlin conferences.

Gheorghe Gheorgiu - Dej, Romanian Communist party chief, and Premier Chivu Stoica led the official greeters when Tito and his wife stepped from the special train taking them back to Belgrade after their Russian tour. President Petru Groza, Romania's strong man during Tito's break with the Soviet bloc, is ill.

Stoica referred to "that unhappy break of contact between us" in his welcoming speech, but said now there are "prospects for collaboration in all fields" since Yugoslav - Soviet differences have been patched up.

Tito replied:

"Our two countries had no armed conflict in the past and conditions now exist for closer cooperation because both are building socialism.

Such cooperation existed in the immediate postwar years and we know the serious disturbance which occurred afterward was not caused by the people."

In the interests of peace, Tito added, "the recent past should be forgotten."

Name Pontiac Man to Post in Society

Fred J. Walls, of 5669 Shore Dr., will take over the office of secretary of the Engineering Society of Detroit, July 1. He and other top officers were elected at a recent meeting of the professional group.

Walls is in charge of the Detroit Technical Section of the Research and Development Division, International Nickel Co.

Earnest Boyce, head of the University of Michigan's department of engineering, was elected president.

Two Convicts Escape From Trusty Crew

JACKSON (AP)—Authorities today sought two convicts who walked away from trusty crews on Southern Michigan prison farms yesterday.

They are:

Shephern Edwards, 30, sentenced to 1 to 10 years for attempted rape from Wayne County, Oct. 20, 1955, and Oliver White, 27, sentenced to 1 to 15 years for breaking and entering from St. Clair County Sept. 26, 1955.

Prison authorities said Edwards' home was in Canton, Ohio.

Cobo to Be in Bay City

DETROIT (AP)—Detroit Mayor Albert E. Cobo, a candidate for the Republican gubernatorial nomination, will make a campaign address Tuesday in Bay City and move on Thursday and Friday to the Muskegon-Traverse City area. Cobo spoke Saturday at South Haven, Benton Harbor, Berrien Springs, Dowagiac and Niles.

Plays Nephew of Old Physician

Carries On the Series Made Famous by Late Jean Hersholt

By JOAN HANAUER

NEW YORK (INS) — Dr. Christian didn't die with veteran actor Jean Hersholt—instead he's been revamped into young Dr. Mark Christian.

* * *

Ex-radio, and current TV, stage and screen star MacDonald Cary will take over the traditional title as the nephew of the doctor portrayed for 16 years by Hersholt.

"I don't know whether the program will be syndicated or a network show," Carey said, "but I know it will be on around the end of the summer. They've paid me already."

The new Dr. Christian idea had been planned as a filmed TV show for some time, while Hersholt was still alive.

* * *

The nephew character had already been established in several "Dr. Christian" scripts and the original idea was to have Hersholt and Carey appear on several programs together.

PASS THE TORCH

"He was going to pass on the torch, so to speak," Carey said, explaining that Hersholt planned to step out of the picture even before his death.

* * *

"It would be impossible to try to imitate somebody like Jean," Carey remarked, "who has been so set in the public mind and in the part for years."

"The public wouldn't take it and I couldn't do it. One good and bad thing about the show is its pre-built audience."

Carey said that the young Dr. Christian will operate out of a medium-sized city, beginning with some patients referred to him from small-town old Dr. Paul Christian.

* * *

He will also treat city patients, travelers through town. The young Dr. Christian will go on vacation, allowing situations to be set up in almost any locale desired.

VARIETY OF STORIES

"Each story will vary," the tall, good-looking actor said. "Not every story will be about the woman who thinks she has bad appendicitis but really has a bad hate for her husband indicated by a pain in her right side."

* * *

"The young Dr. Christian," Carey said, "will be more active. He'll be all things to all men—an extrovert but a subjective kind of man. A fellow with sympathy and understanding who can be coldly objective when he wants to be.

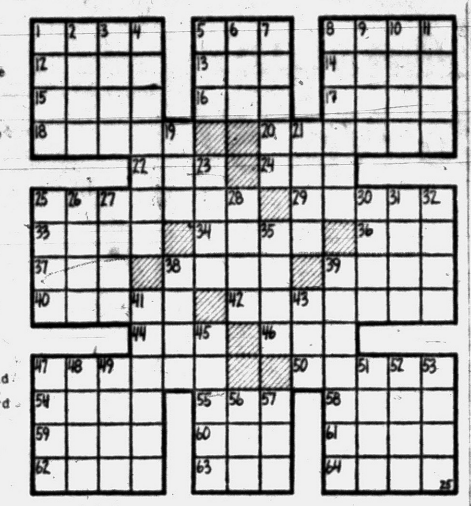

"He'll have a struggle between what he's been taught that is new and what his uncle used to do, which represents the human side of him.

"I don't know whether the young Dr. Christian will lead a monastic kind of life or not," Carey, who is happily married and has six children, continued.

* * *

"I've tried to find out about this, but when it comes to my love life everybody's adamantly quiet. I may not even be able to have the same nurse each week."

Detroit Polish Paper Object of Red Probe

WASHINGTON (AP)—The Justice department is investigating the Detroit Polish language weekly Glos Lodowy. It wants to know if the newspaper should be required to register as a foreign agent.

* * *

This was disclosed yesterday in a letter from Deputy Atty. Gen. William P. Rogers to Chairman Eastland (D-Miss) of the Senate Internal Security subcommittee.

Eastland had told the department the subcommittee received testimony that "strict instructions" are sent to the Glos Lodowy from Red-ruled Poland by Henry Podolski, former editor of the paper who was deported to Poland.

The testimony was given the subcommittee at a hearing June 8 by Seweryn Bialer, a former anti-American propagandist for the Central Committee of the Polish Communist Party who defected to the West last January.

Founder of Baler Firm, G. W. Landford, Dies

ANN ARBOR (AP) — George W. Landford, 70, founder of the Economy Baler Co., died in a hospital here Saturday.

The firm, organized in 1911, is the world's largest manufacturer of commercial baling presses. Landford retired as president and general manager in 1946.

Michigan Man Named

LOS ANGELES (AP) — Clarence April of Ann Arbor, Mich., has been elected to the board of directors of Optimist International. He was named to the board at the group's 38th annual convention here Saturday.

Cypriots Bomb Police Station

British Soldier Is Hurt as Pro-Greeks Attack Deftera Post, Escape

NICOSIA, Cyprus (AP)—Pro-Greek rebels attacked a police station in suburban Deftera before dawn today. A British soldier was wounded in the leg by bomb fragments.

In a coordinated move, the rebels blew up a small bridge a mile south of Deftera just as British troops moved in to repel the attack.

* * *

The attackers at the station faded into the darkness as police opened fire from the station.

The rebels, believed to be members of the EOKA underground trying to force union of Cyprus with Greece, launched their attack by throwing two bombs at the police station. Then they opened fire with pistols and shotguns from a churchyard across the road.

* * *

At almost the same time another rebel group threw bombs at a police station in Yerolikus, seven miles south of Nicosia. There were no casualties. Five British soldiers were wounded yesterday by bombs thrown at two army vehicles near Famagusta.

* * *

The 16-day mountain operation launched by the British to round up leaders of the EOKA movement ended yesterday. British officials said the sweep yielded considerable information, ammunition and supplies. But it failed to unearth George Grivas, former Greek army colonel the British say heads the underground organization.
