Ford Gives UAW Huge Settlement With GAW

Meet 1955's Miss Pontiac

Pontiac Press Photo

REIGNING BEAUTY — Charlotte Stark, a 17-year-old Pontiac High School senior, will reign over special activities here during the next 12 months as Miss Pontiac. Charlotte, of 365 S. Marshall St., has gray eyes and brown hair, is an all-A student interested in a modeling and secretarial career. She will vie for Miss Michigan honors this summer.

City High School Senior Is Miss Pontiac for 1955

A pert, poised Pontiac High School senior is Miss Pontiac for 1955.

Charlotte Stark, 17, who received the crown at ceremonies Saturday night, will compete in the Miss Michigan contest this summer.

The grey-eyed brunette, daughter of Mr. and Mrs. Charles Stark, 365 S. Marshall St., is an all-A student taking a college preparatory course. She likes dramatics and has played the lead in a school production.

She stands 5 feet 6 inches and weighs 123 pounds. Her measurements are 34-24-34.

Charlotte said she "couldn't believe it when they said number 6" at the finals at the King Brothers and Cole Brothers Combined Circus Saturday night.

"I just didn't realize it was actually happening," she beamed.

Charlotte plans a combined modeling-secretarial career. Her boy friend, David Ballard, is in the Army at Fort Riley, Kan., and hasn't learned of her copping the crown.

Her mother was responsible for Charlotte's entering the contest. "Mother always wanted to enter one herself but never got around to it. My entering and winning was a dream come true for her, I guess."

In Miss Pontiac's court are Geraldine Bennett, 17, of 60 N. East Blvd., also a Pontiac High senior; Jean Serraville, 21, of 106 Augusta Ave., a clerk-typist; Janet Anderson, 22, of 834 W. Huron St., an IBM operator, and Barbara Looney, 18, of 2330 W. Walton Blvd., a senior at Waterford High School.

Miss Pontiac was awarded a trophy and a $150 wardrobe. The court members received rhinestone bracelets.

Turncoat Wants to Come Home

GI Who Stayed in China Is Encouraged by Wife to Return to U.S.

OLYMPIA, Wash (AP)—A 24-year-old American soldier who, as a prisoner of war, chose to remain behind the Iron Curtain rather than return to his young wife and daughter in Olympia, Wash., has had a change of heart.

Now he wants to come home.

Mrs. Otho G. Bell says she is encouraging her husband to return. "And if he's sent to prison, I'll get a job near the prison so I can see him from time to time," she says.

The status of Otho G. Bell is beclouded, legally. He was one of 21 American prisoners of war who refused repatriation, but stayed with Red China.

Mrs. Bell said his letters indicated that he apparently had been told that two American POWs who at first declined ot return to the United States, then did, had been executed. Actually, the pair was sentenced to prison.

Mrs. Bell is living at Olympia with their 4-year-old daughter Paula, whom Bell never has seen. He shipped overseas with the 2nd Infantry Division in 1950 before the daughter was born.

Mrs. Bell said her husband intended to get a passport to return to the United States. She said she had been informed the State Department would aid and issue documents for his return if he reaches Hong Kong.

Traffic Mishaps Kill Youth, 19, Hospitalize 3

Walled Lake Tot Dies in 2-Car Collision in Upper Peninsula

A 19-year-old Hazel Park youth was killed when he was thrown from his car Sunday and three persons were hospitalized after a plane crash and two auto accidents over the weekend.

Richard L. Murray, of 20733 Caledonia, Hazel Park, was dead on arrival at Pontiac General Hospital. Oakland County Sheriff's deputies quoted witnesses as saying Murray apparently lost control of his car on M59 at Pontiac Lake.

He and a passenger, Miss Billie A. Wythe, 15, of White Lake Township, were thrown from the car as it careened across the highway into a ditch. Miss Wythe was treated for a possible chest injury and released.

Meanwhile, in the weekend's worst auto accident, Jerry Frey, 3, of Walled Lake was killed in a 2-car collision in the Upper Peninsula Saturday.

Francis Teifer, 35, on Shingleton, also was killed when their car, driven by the Frey boy's father, Richard, 32, crashed head-on with a semi-truck on M28 near Shingleton. Teifer was a passenger along with another man in the car and Frey's seven children, police said.

Three of Frey's other children, ranging in age from two to 11, were listed in critical condition at St. Luke Hospital, Marquette. The truck driven was unhurt.

William Drott, 31, of Royal Oak, was listed in critical condition at Pontiac General Hospital with a severe back injury suffered when his light plane crashed during takeoff Saturday at Pontiac Municipal Airport.

Witnesses said the plane, a single-engine Swift, failed to gain sufficient altitude to clear utility

Hunt for Suspect in Jeannie Case

Man With Sandy Hair Sought for Molesting Other Girls in Area

KALAMAZOO (AP) — A sandy-haired man seen accosting young school girls the day Jeannie Singleton was kidnaped was sought today in the rape-slaying of the 8-year-old Kalamazoo child.

Police said at least one witness and possibly four can identify the man they saw trying to lure school girls into his car.

On each occasion he pulled his car alongside the children and asked them to go for a ride with him, police reported. When they refused to enter the car, he laughed in a "crazy manner" the witnesses told police.

Detectives have termed the lead the "hottest" they have uncovered so far in the case.

Witnesses were to be shown pictures of known sex deviates at Kalamazoo police headquarters today.

Because the girls were accosted within a few blocks of the Singleton home May 23—the day Jeannie vanished—police felt he may know something about the slaying.

Jeannie's body was found Wednesday in a lonely wooded area in Allegan County 15 miles from her home. She had been raped and strangled.

Meanwhile, police in Flint and Grand Rapids were questioning men about the slaying.

Scattered Showers Predicted for Area

Partly cloudy skies, continnued warm temperatures and scattered showers and thundershowers are predicted for tonight and tomorrow, with a high tomorrow of 82-86 degrees.

Low tonight is expected to be around 65 degrees. Yesterday's high was 89, low 63.

At 8 a.m. the temperature in downtown Pontiac was 72 degrees rising to 87 degrees at 2 p.m.

Way Clear for Adlai, Gov. Williams Says

SYRACUSE, N. Y. (AP)—Gov. G. Mennen Williams of Michigan says Adlai Stevenson can have the Democratic presidentizl nomination next year if he wants it.

The Democratic governor added in an interview yesterday that if Stevenson should not declare his intentions within a reasonable time, a "wide open" race could develop.

He Used to Be a Soldier Himself

AP Wirephoto

JUST LIKE OLD TIMES—That civilian surrounded by Army brass is President Eisenhower, a fellow who knows a thing or two about military life. Flanking the President during his review of the cadets at the U. S. Military Academy today are Cadet Lee D. Olvey, left, of Hinesville, Ga., honor man of the 1955 graduating class, and Lt. Gen. Blackshear M. Bryan, superintendent of the academy.

Motorists See Show as Truck Breaks Down

Motorists in Southfield Township had a free "road" show yesterday as a result of the King Brothers and Cole Brothers Combined Circus performance here Saturday.

The show was put on unwittingly by Jenny and Shirley, two 40-year-old elephants, while they grazed on the island in the middle of Northwestern highway near Telegraph road.

The elephants were en route to Canada where the circus is to begin a 30-day tour when the engine of the truck-tractor hauling them broke down.

The animals started to fidget after a 6-hour wait and threatened to overturn the trailer, so their keeper, James Mitchell, 27, of Pomona, Calif., put them on the island to stretch and munch the grass.

Seeing the giant beasts caused passing motorists to stop and gape and State Police from the Redford Post were stationed at the scene to keep traffic moving.

Nehru Stops Off in Rome on Way to Soviet Capital

ROME, (AP)—India's Prime Minister Nehru stopped off briefly in Rome today en route for a month's visit to Moscow and Communist East Europe.

The Premier arrived here from Cairo. He declined to comment on his forthcoming visit with the Kremlin leaders.

Struck British Railroaders Reject Back-to-Work Plea

LONDON (AP)—Britain's striking railwaymen today rejected Prime Minister Eden's broadcast back-to-work plea.

Their leaders accused the Conservative chief, returned to power in a general election less than two weeks ago, of getting a lot of his facts about the strike wrong. They said his appeal did nothing to change the situation.

Eden warned in a nation-wide broadcast last night that the nine-day-old strike of 67,000 locomotive engineers, firemen and cleaners is pushing Britain toward an economic smashup.

He appealed to the strikers to go back to work and then start negotiations again on their claim for more pay.

But Noel Pinches, president of the Associated Society of Locomotive Engineers and Firemen, told newsmen today that Eden's appeal "will find no favor" with his union executives.

Pinches claimed his union had already called off one threatened strike on the promise of wages talks which did not reach agreement.

Meanwhile, leaders of the striking stevedores union called a conference in London today to consider their next step in the costly walkout by 20,000 men which has partly tied up seven seaports for two weeks.

All Are Christians

Ministers Protest Act of Campaign Committee

The following letter has been received by the Pontiac Press, signed by 23 Pontiac ministers, bearing on next Monday's school election:

A religious issue is being introduced into the forthcoming school board election by a local committee which designated one candidate as the "Christian" candidate.

We, the undersigned ministers, believe that no such issue really exists. All four candidates for the Board of Education are active Christians and loyal members of local churches. The incumbent members of the Board are also churchmen. Very appropriately many denominations are represented.

We believe that Christian principles are important in public affairs, but we believe it unfortunate that in this election the word "Christian" should be applied exclusively to any one candidate, or representatives of any one point of view.

Union Negotiators Turn to GM for Next Round

3-Year Pact Expected to Halt Walkout of 68,000 Workers at Plants Across Nation

DETROIT (AP)—Ford Motor Co. and the CIO United Auto Workers reached a three-year agreement today on a historic guaranteed wage plan and other contract terms.

The settlement was expected to halt immediately widespread walkouts that idled 68,000 of Ford's 140,000 workers across the nation in the past 12 hours.

The guaranteed wage plan is the biggest ever negotiated in American industry.

It may set the pattern for the entire automotive industry and perhaps other basic industries.

Armed with the Ford agreement, the UAW went back to the bargaining table with General Motors today to press for a contract settlement there. The GM contract expires tomorrow

Walter Reuther, president of the CIO United Auto Workers Union, emerged from a conference grinning and told reporters:

"Well, we've got an agreement, fellows. It's a good agreement."

Reuther called it "the largest economic package we've ever negotiated." He said the "package" was worth in excess of 20 cents per hour per employe.

The average auto worker now earns about $2.10 an hour.

Reuther said the agreement provides a boost in Ford pensions to a maximum of $241 a month, including social security. It also provides better hospital-medical benefits, he added.

"The Ford package," he said, "contains the principles upon which we are going to build a guaranteed annual wage."

In a joint news conference, Reuther and John S. Bugas, Ford vice president for industrial relations, congtratulated each other and shook hands.

Bugas said the Ford Company had agreed to go along with the guaranteed wage plan only after "a considerable internal debate" within the Ford Company.

"We think it is significant," Bugas said. "We think our plan will be particularly useful in the automobile industry."

Reuther was asked when he intended to enter the negotiations with General Motors Corp.

"Well, boys," he said, "I'm going to get a day's rest and then go over to GM."

Bugas said he was particularly "proud" that the Ford agreement had been reached without a strike. He apparently meant a full strike because some Ford plants had experienced walkouts.

"This has been one of the roughest and most complex bargaining sessions I've ever been in," Bugas said, "but I think it was well worth it."

County's 1955 Tax Rate Final

Allocation Board Lists Figure of 4.37 Mills for Current Year

A 1955 Oakland County tax rate of 4.37 mills ($4.37 per $1,000 of valuation) has been made final by the Tax Allocation Board, Chairman of the Board of Auditors Robert Y. Moore said today.

The rate is .77 mills lower than last year's, but property owners generally will pay more anyway because the rate was computed this year on state equalized valuation instead of the lower county equalized figure.

The final figure comes after a hearing last Thursday at which school board and township officials expressed general agreement over tax rates allowed them, Moore explained.

Waterford Township has appealed to the State Tax Commission claiming its equalization factor was set too high this year by the County Equalization Committee. The township asserts that unless the factor is reduced it will have to pay a higher-than-fair percentage of county taxes.

"If the township's appeal is granted, the Tax Allocation Board might have to meet later and make a few slight changes in tax rates," said Moore.

Three Area Townships Hold Incorporation Votes

The beginning of three new cities and a village may appear in Oakland County tomorrow, as a result of incorporation balloting in Southfield, Troy, and Royal Oak Townships.

Up for possible creation are cities of Troy, Southfield, Madison Heights, and the village of Bingham Farms, in Southfield Township.

For details, see story on page 8.

Twister Strikes in State

CHEBOYGAN (AP) — A 50-foot wide tornado swept through the community of Aloha, 14 miles south of Cheboygan, last night. It did no major damage, however, and injured no one.

Minor Ionia Riot Under Control

4 Young Inmates Seize 2 Guards in Attempt to Talk With Warden

IONIA (AP)—A minor riot in a building at the state reformatory was brought quickly under control today.

State Police said the trouble started shortly before 11 a.m. when four young inmates seized two prison guards and demanded to see Warden Garrett Heyns.

Heyns told the inmates he would not talk to them until they released the hostages. The inmates let the guards go and were taken to Heyns' office.

The trouble-makers were understood to have demanded to see Heynds to complain about a guard.

TWO INJURED

Two guards were injured in the disorder and rushed to the reformatory hospital.

Four squads of State Police, 32 men in all, were sent from the East Lansing and Rockford posts to stand by in case the guards needed assistance.

One of the guards was reported injured when an imate struck him down with a chair.

Police reported the disorders at no time spread to other buildings.

The reformatory is a medium security prison with more than a thousand inmates.

Personal Pay in U.S. Climbs to All-Time High

WASHINGTON (INS) — Personal income in the U.S. has reached an all-time high.

A Commerce Department report said today that the national total for April was 295 billion 600 million dollars—an increase of two billions in one month and 11 billions in a year.

The April increase was due almost entirely to continued factory payroll gains.

Wages and salaries, the government said, accounted for 202 billion 200 million dollars of the total. Fifty billion came from rentals, 25 billion from dividends, nearly 17 billion in government aid such as unemployment compensation, and 15 billion 700 million from farms.

Press Offering Tips to Bonanzagrammers

In an effort to find a winner for the Bonanzagram, we are providing contestants with some of the answers. With the help of these missing letters, completion of the puzzle should be easier.

The last line of the entry, when completed, should read "contrast awaits you." The signature should read "May- East." Now with a start like that, fans, we surely ought to have a winner.

Be sure to fill these correct tips in and bring in your entry by 5 p.m. Tuesday, June 14, or have it postmarked by midnight of the same day. If no winners for puzzle No. 12 appear by 5 p.m. today, No. 13 will be worth $1,500.

Bonanzagram No. 14 appears on page 10 of today's Press.

Kesselring, Kocsis Set Qualifying Pace

Jerry Kesselring of Toronto, a professional, and amateur Chuck Kocsis of Royal Oak have posted the low scores among early finishers in the morning round of the 36-hole U.S. Open qualifications at Red Run and Birmingham Country Clubs today.

Kesselring and Kocsis each came in with 69s for their 1st 18 holes. The Canadian pro, who chose to make his qualification attempt from this district, played at Red Run, while the veteran Kocsis' round was turned in at Birmingham.

Players switch courses for their afternoon rounds. Amateur Fred Micklow of Hillsdale had a 70 at Red Run, and Tom Draper, a Red Run member, shot 71 at Birmingham. Tam O'Shanter pro Warren Orlick had 73 at Red Run, while other morning scores (all at Birmingham, included Bob Inman of Detroit Golf Club (73), Bob Whiting of Red Run (75), Steve Isakov of Glen Oaks and George Linklater of Red Run (77) and Al Kocsis (78).

Rumor Ferguson Due for Federal Judgeship

WASHINGTON (AP) — Homer Ferguson, former Michigan Republican senator and now ambassador to the Phillippines, was rumored today to be the most likely nominee for a vacancy on the Federal Court of Appeals at Washington.

Ferguson was a Republican leader in the Senate for 10 years.

Morton Farrell Taken by Death

Tire Company Owner Dies Saturday; Rites Planned Today

Service for Morton B. Farrell, owner of the Market Tire Co. here, will be held at 2 p.m. today from the Brown Memorial Chapel of Temple Beth El, Woodward at Gladstone, Detroit. Interment will be in Beth El Memorial Park Cemetery.

Mr. Farrell, 41, whose home was was at 19962 Renfrew, Detroit, died Saturday in Sinai Hospital, Detroit.

A graduate of Hillsdale College, Mr. Farrell had owned the market Tire Co., now located at Cass and West Huron Sts., for the past four years. Prior to that time he had been in the costume jewelry business.

He was a member of Temple Beth El, The City Club of Detroit and the American Radio Relay League.

Surviving besides his wife, Dorothy, are three sons, Stanley, Richard and Dean; one daughter, Jan Leslie, and his mother, Mrs. Vivan Freedman.

Funeral arrangements are being made at the Ira Kaufman Chapel, Detroit.

Mrs. Orin Brown Sr.

Mrs. Orin Brown Sr. (Della M.) died late Saturday in Bloomfield Hospital, after six months of illness. Her home was at 461 East beverly.

Born Feb. 14, 1877, in Kephart, Pa., she was the daughter of Isajah and Lauretta Kyler Kephart. She attended Kephart schools and was married to the now late Orin Brown in Brisban, Pa. Mrs. Brown had lived in Pontiac for the past 26 years and was a member of the Dames of Malta of Pontiac.

Surviving are four daughters, Mrs. Susan Buffington, of Wilmington, Del., Alice Brown, at home, Mrs. Ruby Seglar of Baltimore, and Mrs. Nellie Clark of Hallidaysburg, Pa.; a son, Orin, of Pontiac and one sister, Mrs. Ida Woomer of Los Angeles, and a brother, Oscar Kephart of Avis, Pa.

Service will be held Tuesday at 1:30 p.m., from the Huntoon Funeral Home, with Dr. Milton Bank of the Central Methodist Church officiating.

Mrs. Brown will be sent to the Easley Funeral Home, Bainsboro, for burial arrangements in Union Cemetery, Hastings, Pa.

Golden G. Carter

Golden G. Carter, 50, of 520 Oakland Ave., died suddenly at 11 p.m. Saturday.

Born in Scottville, Feb. 19, 1905, he was the son of Omer T. and Julia Christiansen Carter. Mr. Carter attended Scottville and Ludington schools and married Martha L. Schoenberg in Pontiac in 1926. He was a member of the Ascension Lutheran Church, and had lived in Pontiac for 33 years.

He was a supervisor in the trim department at the Fisher Body Corp., and was a member of the Oakland County Sportsmen's Club.

Surviving besides his wife Martha, and his mother, Mrs. Julia Carter of Scottville, are a son, Richard A., of Pontiac; one sister, Mrs. Erliene McComb of Adrian, and two brothers, Burton of Scottville and George Carter, of Ludington.

Service will be held from the Farmer-Snover Funeral Home at 1 p.m. Wednesday, with the Rev. George Garver officiating. Burial will be in Ottawa Park Cemetery.

Theodore C. Eggert

Theodore C. Eggert, 53, of 437 North Saginaw, died last evening in Pontiac General Hospital.

Born June 11, 1901, the son of John and Bessie Marsh Eggert, he attended school in Des Moines, Iowa, marrying Marie Davis in Pontiac in October, 1926.

In the city since 1926, Mr. Eggert was employed for the past 29 years by the Pontiac Motor Division and was a member of the Oakland County Sportsmen's Club. He served in World War I.

Surviving besides his wife are his mother, Mrs. Bessie Turk of Des Moines; three brothers, John Emma Malmanger of Truman, Eggert of Des Moines, P. E. Eggert of Pontiac and Sam Turk of Des Moines, and one sister, Mrs. Minn.

Service will be held at 1:30 p.m. Wednesday from the Huntoon Funeral Home.

Wendelin R. Kuenzel

Wendelin R. Kuenzel, 78, of Manton, who until five years ago was a Pontiac resident, died late Sunday in Mercy Hospital, Cadillac.

Born March 5, 1877, in Germany, he married Maude Ellen Pender in Pontiac in October, 1950.

Mr. Kuenzel had been a member of the Reorganized Church of Jesus Christ of the Latter Day Saints of Pontiac. He had been employed as a tailor at McNally's Clothing Store and previously was a teacher at the Conservatory of Music, Pontiac.

Surviving besides his wife is one son, Lester Kuenzel of Phoenix, Ariz.; a sister, Mrs. Amol Glauz of Grand Rapids; four grandchildren and seven great grandchildren.

Mr. Kuenzel will be at the Pursley Funeral Home after 7 p.m. today.

Mrs. Leonard C. McKinley

Mrs. Leonard C. McKinley (Helen) 58, died early Sunday in Pontiac General Hospital, after 10 weeks of illness. Her home was at 323 Liberty St.

Born Feb. 18, 1897 in Pittsburgh, Pa., she was the daughter of Edward D. and Sarah Moss Watson, and was married to Leonard McKinley in Pontiac, Sept. 30, 1926. Mrs McKinley had been in the city since 1902 and was a member of the Pontiac Women's Society and a former member of the Child Study Club.

Surviving besides her husband are her mother, Mrs. Sarah Watson of Bloomfield Hills; a daughter, Ann, of Pontiac; a sister, Mrs. Homer McVean of Bloomfield Hills; three sons, Edward D. and George M. of Pontiac and Homer C of LaJolla, Calif.

Service will be held at 3:30 p.m. Wednesday from the Farmer-Snover Funeral Home. Cremation will follow at White Chapel Memorial Cemetery.

Mrs. Thomas G. Nichols

Mrs. Thomas G. Nichols (Delia A.) 73, of 182 South Shirley St., died Saturday evening in Pontiac General Hospital, where she had been ill for the past 11 days.

Born Feb. 10, 1882 in Bayham Township, Ont., she was the daughter of Martin and Tamer Bentley Triba. Mrs. Nichols came to Pontiac in 1932 from Winchester, Idaho. She was a member of the Memorial Baptist Church of Pontiac.

Surviving are two sons, Joseph of Pontiac and Thomas Nichols of Ukiah, Calif.; four daughters, Mrs. Clara Floyd of Kooskia, Idaho, Mrs. Violet Baker of Lewiston, Idaho, Mrs. Joyce Allen of Rochester and Mrs. Jacquelyn Ardelan of Pontiac; 36 grandchildren; two great-grandchildren and one sister, Mrs. Melvina Almy, of Gillette, Wisc.

Service will be held at 1 p.m. Tuesday from the Memorial Baptist Church with the Rev. Gerald Rapelje officiating. Burial will follow in Ottawa Park Cemetery. Mrs Nichols is at the Farmer-Snover Funeral Home.

Finds Daughter Dead in Lake on Fishing Trip

CLINTON, Mich. (AP) — Ennis Hardin was fishing yesterday in Sand Lake, seven miles west of this southeast Michigan community.

Coming ashore for bait, he spotted the body of a little girl floating in the water. He carried it to the bank and there discovered to his horror that the child was his own 18-mouth-old daughter, Sandra Sue.

Hardin had thought she was miles away with his wife, their three children and two neighbor children from their home in Adrian. They had gone to Wampler Lake after dropping off Hardin for an afternoon of fishing.

All the youngsters had piled out of the car at Sand Lake and Mrs. Hardin didn't miss Sandra Sue until she counted noses at the other lake.

She raced back to Sand Lake only to find her husband bending helplessly over the body of Sandra Sue.

Traffic Kills Youth and Hospitalizes 3

(Continued From Page One)

wires at the south end of the airport.

Drott's brother, Robert, 28, of Detroit, a passenger, was treated for minor injuries.

Waterford Township Police said lack of wind and hot weather caused the crash.

HAZEL PARK GIRL HURT

Miss Barbara Grooms, 18, of Hazel Park, was reported in good condition at Pontiac General Hospital with injuries sustained when the car in which she was riding rammed a tree at Porter and Hitchcock Rds., White Lake Township.

Driver Clarence E. Harding, 19, of Hazel Park, told deputies he was unable to negotiate a curve. He was treated for face cuts and bruises and released. Two other tenagers in the car were unhurt.

After his car struck a tree at 14 Mile and Halstead Rds., in Farmington Township, Lee Jenkins, 55, of Wixom, was admitted to Pontiac General Hospital with a broken left knee and head cuts. His condition was listed as good.

Deputies said he swerved his car to avoid hitting one being driven by Mrs. Geraldine Radcliffe, 52, of Farmington. Witnesses said Mrs. Radcliffe started across 14 Mile and stopped her car in front of Jenkins' car.

Paper Claims Harvard to Give Truman Degree

CAMBRIDGE, Mass., (AP) — The Harvard Crimson, student undergraduate daily publication, says Harvard will give an honorary degre to former President Harry S. Truman at the June 16 commencement.

In adhering to tradition, Harvard, which never awards degree in absentia, will not disclose its forthcoming honorary list in advance.

8,500 Parisians Hear Graham

Crowds Flock to Huge Stadium as Evangelist Opens 5-Day Crusade

PARIS (AP)—Some 8,500 Parisians flocked to a sports arena last night to hear Billy Graham launch his five-day back-to-the-Bible crusade in the French capital.

The 37-year-old North Carolina minister said the opening session in the great Velodrome d'Hiver went "beyond all expectation." A total of 623 persons walked down the aisles to make "decisions for Christ."

* * *

The Velodrome, Paris' Madison Square Garden, can seat between 15,000 and 20,000, but the huge stage and podium set up for Graham, plus a curtained-off area, cut sharply into the seating space.

Preaching from a podium draped in red and gold cloth, Graham spoke for half an hour. He paused at the end of each phrase while the Rev. Jacques Blocher relayed his message in French through a battery of microphones.

* * *

Behind the blond American were a grand piano, an electric organ and a 400-voice French choir.

Basing his sermon on the third chapter of John, 16th verse, Graham declared:

"The whole world is hungry for spiritual reality. The answer is back to the holy Bible. I believe a spiritual awakening in Paris will have a tremendous impact on the entire world."

Bob Hope's Golf Match a Washout in Australia

SYDNEY, Australia (INS)—Comedian Bob Hope says the next time he shoots golf in Australia "it will be above water."

A charity match in which he was playing yesterday was rained out but Hope said he was "leading by a long nose" when the match was canceled.

The Day in Birmingham

Commission to Consider $1,405,308 City Budget

BIRMINGHAM—The City Commission will hold a preliminary hearing at 8 p.m. tonight in the Municipal Building to review the proposed 1955-56 city budget.

A final hearing will be held a week from today, June 13, at which time the budget will be considered for adoption.

The new budget, according to City Manager Donald Egbert, would call for no hike in taxes. It totals $1,045,308, some $69,453 more than last year's.

Egbert said the increase, approximately 5.2 per cent, comes primarily from budget boosts in the police, fire and public works departments. The three account for $55,000 of the $69,453 increase, with the police department's budget up $11,000; fire department up $17,000 over last year, and the DPW budget up by about $27,000.

SLATED FOR ACTION

At its meeting tonight ,the commission also is scheduled to act on:

A request from the Troy Township Board that a joint authority of Birmingham, Bloomfield Hills and Bloomfield and Troy Townships be set up to determine the best solution for sewage disposal problems "in the event that plans for the Evergreen Interceptor sewer are delayed."

A petition that 2-hour parking meters be installed on both sides of Woodward between Park street and Ravine road. The petition is from property and business owners in the area. They maintain the on-street parking facilities in the area are used by all-day parkers who work in the downtown area.

A recommendation by the city manager that construction start immediately on sidewalk on the west side of Cummings between 14 Mile road and Bennaville.

Egbert recommended that construction on the east side be delayed until proposed construction of a water main is completed.

Renewing the contract for planning consultant Scott Bagby for the fiscal year July 1, 1955 to June 30, 1956, which calls for $2,400. Bagby in turn would give up to 240 hours of services on planning problems, at the discretion of the City Planning Board and the City Commission.

* * *

T. C. Brien, city building inspector, said in his monthly building report for May that 81 permits for new buildings and alterations valued at $603,535 were issued during the month. It boosted value of construction in the city for the first five months of this year to $2,318,710, an increase of $153,460 over the same period a year ago.

Brien said 344 building and alteration permits were issued for Birmingham during the first five months of this year, down five from the total issued during the comparable period in 1954.

He said 87 permits with new construction and alteration valued at $695,425 were issued in May last year.

* * *

Some 300 Birmingham High School seniors will miss classes today in the annual "skipday." Chairman Marilyn Strasler said seniors will leave for Camp Ohiyesa immediately after homeroom class. There will be all types of sports and refreshments at the camp and a movie will be shown in the evening.

* * *

The Birmingham High Twelve Club will hold a golf tournament at Indianwood Country Club tomorrow.

* * *

Mrs. William Arlund, 2727 Square Lake Rd. will be hostess tomorrow at her home for the final meeting of the season of the Women's Fellowship of the Congregational Church.

Two Meetings, Award on Nixon's Busy Slate

NEW YORK (INS)—Vice President Richard Nixon was to make two awards, attend an American Legion flag exhibit, and meet with two Republican groups in New York today.

His first scheduled stop was at the Waldorf-Astoria, where he was to present the George Washington Carver Memorial Institute's gold metal to Joseph H. Lederer, broker and philanthropist.

After a lunch there with a women's Republican group, he was to attend the flag exhibit in the lobby of the Chrysler Building, and return to the hotel for a meeting with a men's Republican group.

TODAY'S ASSIGNMENT FOR:

JUNIOR EDITORS

FUTURE CAREERS—1
A Doctor

"Rich man, poor man, beggar man, thief,
"Doctor, Lawyer, Indian chief . . ."

So starts a nursery rhyme you can say to pretend you are finding what you will be when you grow up. Of course that's not how a boy or a girl decides on a career, even though it is fun. The way you really decide is to learn what kind of a job or profession you like, and then study for it. This week all Junior Editors can color pictures of different persons at work at their jobs, and see if such a career interests you.

Today's picture shows a doctor examining a boy who is smiling because he knows the doctor will be his friend and help him. The person who decides to become a doctor has a long period of study ahead of him. He must finish high school and college, and then take a long graduate course in medicine. Even after he becomes a doctor there are years of study ahead of him. No doctor ever stops learning and studying, even after he has started practicing medicine as a general physician, a specialist, a surgeon, or a scientist in medical research.

A doctor must be ready at all times to answer a call for help. He takes an oath of faithfulness to his profession, and frequently must put aside his personal life to serve his patients.

Tomorrow: A Nurse.

Police Will Quiz Boy, 5, in Deaths of 3 in Family

CADOTT, Wis. (AP)—A 5-year-old boy may furnish clues which could unravel the mystery of how his parents and infant brother died.

Dist. Atty. Eugene Jackson said he planned to talk today with Michael Warner, who has been hospitalized at Chippewa Falls, Wis., since Friday night along with his 2-year-old sister Charis.

The bodies of Albert Warner, 48; Mrs. Warner, 30; and their 5-month-old son, Sidney, were discovered in adjoining beds in their small home near here Friday night by a relative, Mrs. Julia Warner.

Michael and Charis were found unconscious. Their conditions have improved over the weekend. Authorities also are awaiting a report from the state crime laboratory on the vital organs of the three dead. An autopsy performed by Dr. A. J. Venable, of Wausau, Wis., failed to reveal the cause of death.

Dissolved minerals are removed when water is distilled

Boy, 2, Drives Auto Into 2-Car Crash

EAST PROVIDENCE, R. I. (AP)—The driver of a car involved in a two-car smashup yesterday was a 2-year-old boy, police discovered.

Police Lt. John Vitacolonna said this is what happened:

The infant son of Thomas H. Carney spotted the keys to his father's car on the kitchen table. He carried them to the car, turned on the ignition and stepped on the starter.

The car, apparently left in reverse gear, backed out of the driveway and into a parked car owned by Raymond E. Brouillard. The youngster was not injured.

Berlin Asks Reds About 11,000 German Children

BERLIN (AP) — RIAS, Berlin's U.S.-operated radio station, demanded today to know the fate of more than 11,000 young Germans "abducted" by the Soviet Union 10 years ago.

In a special broadcast, RIAS charged the 16 and 17-year-old boys and girls were seized by Russian occupation forces without any valid reason.

The station said the "mass kidnapings" right after Germany's World War II surrender resulted in 16,000 abductions. Of this total, "scarcely more than 4,800 have returned to their homes."

A moderate decrease in automobile accidents was reported in 1954.

Cargo of Jap Tuna Unloaded After All

SAN PEDRO, Calif. (AP)—The Japanese freighter Banshu Maru, object of a picket line by angry wives of California fishermen, has finally unloaded its 600 tons of tuna.

The ship arrived last week with the frozen tuna. The wives of local tuna fishermen paraded twice along the wharf with placards criticizing the importing of tuna while California ships still had unsold tuna in their holds.

While the women picketed, longshoremen refused to unload the freighter. But yesterday the unloading was completed. Imported tuna sold for $350 a ton. Tuna caught by U.S. fishermen sells for $420 per ton.

Tokyo Duck-Tail Boys Boycott High School

UTSUNOMIYA, Japan (AP)—Two hundred high school youths boycotted classes today because school officials ordered them to cut their hair.

Ryojifunada, school principal, said the school no longer would tolerate the duck-tail haircut style imported from the United States.

The boys were assembled in a nearby park, listening to student leaders give fiery orations on their rights to wear their hair like some teen-age youths in the United States.

Canada's area is 30 times that of the British Isles.

Model U. S. Farmer From Montcalm Doesn't Surprise Neighbors Any More

STANTON, Mich. (UP)—Farmers in this Montcalm County community weren't surprised one bit today when they learned Alvin H. Hansen had been chosen one of the four outstanding young farmers in the nation.

* * *

"That boy has given us so many surprises since he bought that farm of his that anything he does doesn't surprises us any more," one oldtimer said.

"I don't think that anybody who knows Al was surprised when they heard he won those honors over in Minneapolis. We weren't surprised when he was named Michigan's outstanding young farmer and we sort of expected him to win something at Minneapolis."

Hansen, a 34-year-old potato grower and pioneer Montcalm County commercial strawberry grower, was chosen as one of four outstanding farmers in America by the U. S. Junior Chamber of Commerce.

He received the honor "for building within eight years, and practically with his bare hands, a run-down 560-acre farm worth $40,000 into a $250,000 investment."

WORKED IN DETROIT

Hansen grew up on a farm near Edmore, 12 miles north of here, but left home when he was 18 and went to work in a factory in Detroit.

* * *

Five years later after he had been rejected for military service, Hansen came to Stanton. He sold potatoes for two years and rented and farmed parts of two farms. Then in 1946 he made a down payment on the farm he now owns with money he made selling potatoes and with his savings from his factory job.

He began immediately to improve the farm. Old barn cellars were made into potato storages by lining walls with old boards and using shavings for insulation.

A 7,000-bushel potato storage pit was made in a bank with a bulldozer. Gas heaters were put in to keep the potatoes from freezing and the farm was cleaned up and leveled with a bulldozer at a cost of $10,000.

BUILDS DAMS

Hansen enlisted the aid of Victor Beal, county agent, and Ernest Kidder of the Michigan State College, an engineer, to put up two dams in his woods. Ponds created by the dams supplied irrigation water for 110 acres of potatoes and 40 acres of pickles and Hansen recently dug a deep well that permits him to spread water over the whole farm.

* * *

In 1950, he bought an additional 60 acres and now owns a total of 620 acres.

For several years, Hansen raised dairy cows and fat stock but since 1953 has used his land entirely for crops. Just this year he began raising strawberries for commercial production in 1956 and strawberry processors, are interested in his crop and that of other farmers who have followed his footsteps as a source of berries for freezing.

Hansen and his wife, Helen, have three adopted children—Ronnie, 9, Gregory, 2, and Jama, 1.

Hansen is a vice president of the Southwest Michigan Potato Show Association, a director of the Wabasis Potato Growers, Inc., and a member of the Montcalm-Mecosta Farmers Union. He often speaks at educational meetings throughout western and central Michigan.

21 Die in Texas

DALLAS (UP)—Weekend violence in Texas killed at least 21 persons. Ten died in traffic, six drowned and five were shot. It was an unusually heavy toll.

Serving Over Half the Banks in Michigan

Yes, Michigan Life Insurance Company can give you a good "local reference." You see, among the many types of insurance we write is that which protects many local banks and their customers. What's more, the local Michigan Life agent is your neighbor—he's there when you need him. Ask your bank about us, then call our agent. He's a good man to know.

TIMELY TIP ON TREE CARE

Don't leave a stub when pruning. When trimmed branches are more than an inch in diameter, paint the wounds with shellac or tree compound.

PLAN
before you plant a tree

One common mistake in planting is putting a new tree too close to the house, garage, other plantings, sewer or other vital household services. Usually several years go by before you discover your error and then there's trouble.

Take a tall tree that's growing under power lines, or very near them. Its branches, during a storm, can break power lines and cause electric service interruptions. And you may not be the only one affected when this happens. Fire and police signal systems, even hospital service in the vicinity, can be seriously hampered—sometimes completely cut off. Even without a storm, there is the potential hazard of having tree-climbing boys touch live wires.

We have prepared a colorful 16-page booklet to help you select the best trees for your home and community. Ask for "Planting for Permanent Beauty" at your Edison office or write Detroit Edison, 2000 Second, Detroit 26, Michigan.

"OPERATION BRUSH CUT." An Edison Tree Control Program Designed to Guard Against Interruptions to *Your* Electric Service.

Crews under trained foresters work constantly to keep 81,000 miles of lines in service, bringing electric power to you and your neighbors.

They systematically trim or remove problem trees growing under or near power lines. (Tree branches, rubbing nearby wires, may affect TV reception.)

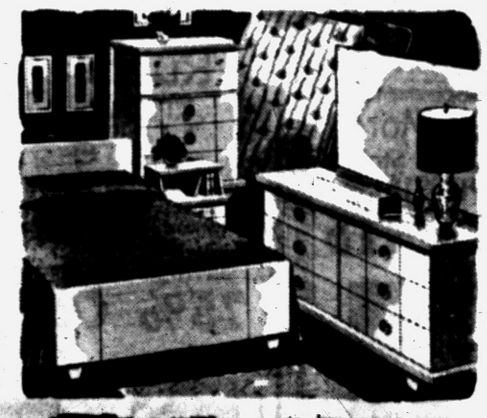

These crews work very hard to maintain the beauty of the trees they trim.

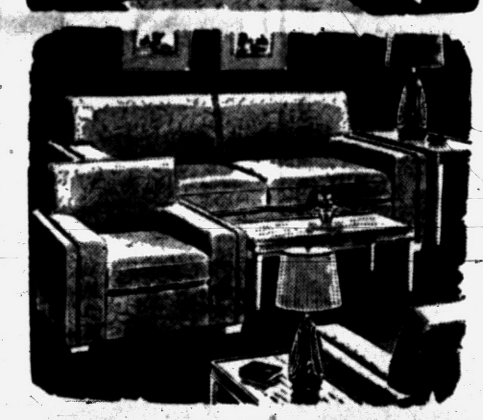

When the "OPERATION BRUSH CUT" crew is in your neighborhood . . . if some of your trees near power lines need attention, your permission will be requested.

FAVORS WEST — Taketora Ogata, the man considered most likely to be the next premier of Japan, says he is against a neutral role for his country. Ogata, who heads the Liberal party, also opposes any move to re-establish relations with Russia at this time. "Japan's position must continue to be on the side of the Western democracies," he said recently.

Plan for Big 4 Talk Waits Soviet Okay

WASHINGTON (AP)—Plans for a Big Four conference starting July 18 at Geneva, Switzerland, remained subject today to Russian approval of the time and place.

The Russians already have agreed in principle to a meeting this summer of President Eisenhower and the Prime Ministers of Great Britain, France and Russia.

The United States announced Saturday it had agreed with its Western allies to hold the meeting at Geneva. Officials said the formal proposal will be forwarded this week to Russia, which had suggested Vienna as the site.

Repentant Thief Gives Back Loot From Robbery

DAYTON, Ohio (AP)—A repentant bandit who "couldn't sleep all night" gave his loot—including $1,200 cash—to a priest, asked him to return it, then fled.

The Rev. Henry J. Taske, 68, pastor of Our Lady of the Rosary Church, said the man came to his parish house door yesterday morning, asked if he could talk to him and then blurted out:

* * *

"I robbed a market last night and I couldn't sleep all night. Here it is. I haven't spent a nickel of it. All I ask is that you see that it gets back to the rightful owner. That's why I'm giving it to you."

The clergyman said the man shoved a bundle into his hands and then left the parish house. The bundle contained $1,200 in cash and $1,600 in checks which police said had been taken from Duesey's Market.

Scott Paper Company OKs Detroit AFL Pact

DETROIT (AP)—The Detroit Division of Scott Paper Co., said it has signed a new contract with two AFL unions carrying a 4 per cent wage increase and other benefits totaling 16 cents hourly.

The pact was signed with the AFL Brotherhood of Papermakers and the International Brotherhood of Pulp, Sulphite and Paper Mill Workers. They have 500 member-employes in Scott's Detroit plant.

The contract includes a seventh paid holiday and a fourth vacation week for 25-year employes.

Legislature Adjourns With Budget Balanced

Michigan's Legislature has ended a history making session.

In 95 crowded days the lawmakers accomplished much that is noteworthy. Outstanding, of course, are an urgently needed $35,000,000 a year arterial highway improvement program and balancing of the $273,000,000 budget.

The work of making revenue equal expenditures was completed by increasing the business receipts tax from four to six and a half mills. In the process a three factor formula was substituted for the present one factor system of figuring the tax on multi-state businesses.

★ ★ ★

It is estimated that the increased rate will produce $21,000,000 the next fiscal year and about $28,000,000 the succeeding year. Passage of this bill choked off any possible effort to impose Gov. WILLIAM's pet corporations profits tax.

Some Senate tax experts, however, are skeptical about the budget balance. In their view estimates of expected revenues are over optimistic. Pointing out that appropriations exceed existing revenue by $27,000,000, they foresee a deficit of three to four million dollars.

★ ★ ★

Besides wisely settling the tax problem now instead of leaving it to the formal adjournment session in July, the Legislature enacted 292 new laws or changes in laws. Also during the session it released a total of $357,000,000 in restricted funds for highways, conservation, airports, school aid and hospital construction. This brings total expenditures for the year to $630,000,000.

★ ★ ★

On the whole the Legislators deserve credit for a productive session. Besides increasing aid to education and funds for several other State functions, the Republican majorities in the Legislature pushed to final approval important larger benefits for jobless and injured workers.

In full measure the lawmakers earned Gov. WILLIAMS' commendation of their work.

Does Paid Television Deserve a Fair Trial?

How about paid television?

This is rapidly becoming the most controversial subject in our newest medium of entertainment. One group is anxious to give the proposal a thorough test; whereas, the opponents leap up in alarm and try to wave the new creature aside unheard and unseen.

Is that cricket?

★ ★ ★

When commercial television first appeared, it was given every consideration and charitably forgiven for all of its faults and flaws. America is reasonably tolerant. We accept the good, forgive the awful quite easily and try to enjoy the net results.

Why shouldn't paid television have the same trial?

★ ★ ★

In paid television, you deposit a coin in your telephone and receive a really worthwhile program devoid of all the silly, singing commercials.

The plan may be good.

Who knows?

Let's find out.

There are probably untold millions in America today who would like to watch a first run movie in their own home that was currently showing in Hollywood. There are probably additionally untold millions who would enjoy an evening of opera, direct from the Met in New York.

And mind you, these programs would consist of straight entertainment. You wouldn't have to submit to the countless indignities that are thrust down your throat willy-nilly as the television deal stands today.

★ ★ ★

Shouldn't America have the right to consider and choose? Shouldn't the viewers have a voice instead of leaving it all to the industry? Perhaps paid television would be a sorry flop. Perhaps people have become so inured to the current commercials that they can successfully shake them off with no appreciable damage.

★ ★ ★

But we see no basis for running the new idea right out of the land without a reasonable trial.

Nation's Population Passes 165,000,000 Mark

According to the Department of Commerce census clock, the population of the United States has passed the 165,000,000 mark.

The clock which is a constant reminder that this is a very big and still growing country operates on a carefully determined formula. This includes a birth every eight seconds, a death every 21 seconds, arrival of an immigrant every two minutes and departure of an emigrant every 24 minutes.

All this means that the Nation is growing at the rate of 2,700,000 a year. With the present population, that growth and our ever increasing productivity, we Americans should be able to face the future unafraid.

Most likely there'll always be a few diseases that medical science can't prevent or cure that people will be able to die of.

Watching Politics

Miss Elizabeth Perry Still Checking the Candidates

Success: What sometimes gives a man a bad stomach and a big head.

Although celebrating her ninety-seventh birthday,

Miss Elizabeth Perry

of Seymour Lake keeps up her keen observation of the world's doings, especially on political trends. Almost without exception, she has correctly forecast the outcome of every presidential election for three quarters of a century. In 1948 she missed out on Dewey, just as most everybody else did, although she had her fears when he got too cocky late in his campaign. She already predicts Ike in 1956.

Another honor comes to an Oakland County young man, when

George W. Matthews

was elected president of the Detroit Junior Chamber of Commerce last week. In 1954 he was chosen Detroit's outstanding young man of the year. He lives in Royal Oak.

Bearing the name of "Whisky" is the family dog in the home of

Mr. and Mrs. Hartman Cowling

of Drayton Plains, not because he's a hard drinker, but because when he sneezes it sounds like "whiss-key."

One of the rare Peace rambler rose bushes in the yard of

Mrs. C. L. Penny

of 18 Newberry St. has blossoms nearly six inches across.

The new president of the Michigan Association of Supervisors,

James L. Gardner

of Commerce, explained the new laws to about 100 newly elected officers from all parts of the state, at a recent session in Lansing.

In Holly the one block of Martha Street, long known as

"Battle Alley"

on account of the saloon fights that took place there in pioneer days, now becomes the community's first one-way street, by edict of the village council.

Home-grown strawberries are on the market in good quantities. And, is there any fruit in the whole world more luscious than a vine ripened, home-grown strawberry?

From that one square inch tract in the Klondike gold fields for which

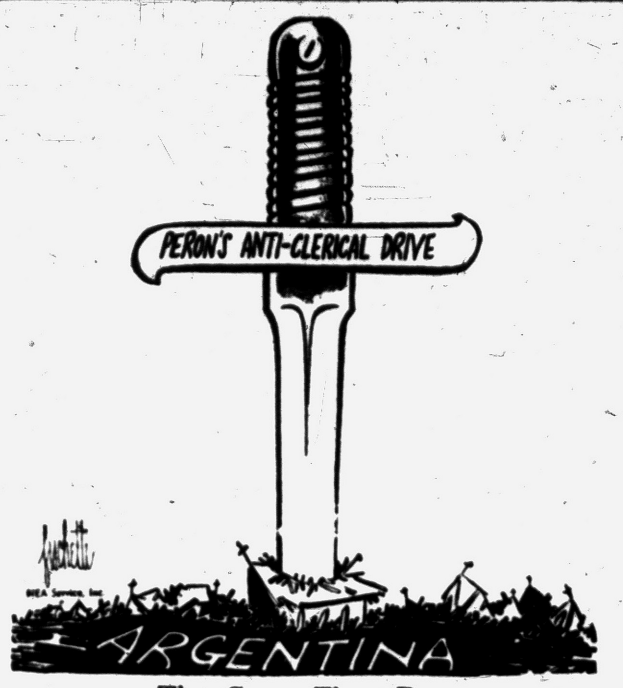

Chanute P. Sourdough

recently gave the writer a deed, now comes a pouch of gold-filled dirt, accompanied by a highly confidential letter that says it is "fool's gold." At that I wouldn't trade it for any of those alligator infested building lots in Florida swamps, now being sold to northern suckers at fancy prices.

The Rochester Clarion,

entering its fifty-eighth year of publication.

The Cross They Bear

David Lawrence Says:

Anti-Colonialism to Blame for Red Rule in Indonesia

THE HAGUE, Holland — The phony cry of anti-colonialism, to which many persons in the free world have so blindly succumbed has much to answer for in the terrible plight of the people of the so-called Republic of Indonesia.

* * *

Since the East Indies were governed peaceably by the Netherlands government for a long time, the facts available here show a nation torn by revolution, menaced by the steady exodus of foreign capital and ruled by a Communist-inspired dictator.

Holland was pressured by the governments of Britain and the United States to give up its colonies and grant complete independence to Indonesia. But the new sponsors today have abandoned the island. A dictatorship government there continues to defy and spurn a report from the United Nations Commission made in October 1950 which sought to carry through its mission of peaceful reconstruction.

The Dutch government is saddened, and so are the people of this country of all parties, that the free world has allowed such a tragedy to happen.

U.N. INDIFFERENT

Worst of all is the continued indifference of the United Nations to the plight of the republic of the South Moluccas, which was granted autonomy under the historic agreement of 1949 as a member of the new federation comprising the United States of Indonesia.

* * *

But the Soekarno dictatorship has since torn the federal union's constitution to pieces and seized much of the territory of the Moluccas. The people there are still fighting for liberty and independence under frightful conditions of blockade and economic isolation

RED COLONIALISM

Enlightened colonialism—for the Dutch have undoubtedly been the best of modern administrators and the staunch builders of economic enterprises—has been superseded by Communist colonialism.

* * *

Today there is no such thing as human liberty in a democratic sense in Indonesia. Some of the finest Dutch businessmen—seventy of them—have been thrown into jail on trumped-up charges of conspiracy and have been denied the right to choose their own counsel to defend themselves. None of the so-called "wicked" colonial governments of Europe would have dared to do anything of this sort.

The record of Soviet influence in the setting up of the Indonesian Republic is known to everybody in official circles familiar with what happened when the Dutch were forced out by diplomatic coercion.

* * *

More than a billion dollars is still invested in Indonesia by the Dutch. The government here is doing all it can to protect those investments and hence nobody advocates a return of Dutch rule. There is deep concern over the prospects. For, although the United Nations helped to create the Indonesian Republic, it appears to have abandoned the people to a dictatorship.

PROTECTION LOST

Despite its own intervention just after World War Two, the United Nations organization does nothing now to safeguard the rights of the millions of people who, against their will, were stripped of the protection of the Netherlands government.

Obviously Indonesia cannot protect itself against military attack. It cannot ask the Netherlands government to fight future invaders. This is the plight of those smaller countries which want all the advantages of independence without any of the expensive obligations of defense that logically must be assumed by any independent, sovereign state.

Most people in the world are very little aware of the present condition of the island which used to appear on the map as the Dutch East Indies, and where valuable oil and rubber are to be found.

After the United States and Soviet Russia, this is the richest area in the world in natural resources. Most people, moreover, do not know why Soviet Russia and Communist China look with such covetous eyes on these islands.

COLD WAR PATTERN

But the truth is that, by the process of infiltration and internal conspiracy which is the familiar pattern of the cold war, the Communists are eager to secure the complete conquest of the Indonesians.

The only light on the horizon is the fact that America, Britain, France and many other powers at last have awakened to the menace of the Indonesian dictator in his attempt to grab Dutch New Guinea and set up a colonialism of his own.

The glib orators and easily pressured statesmen of the West may continue to prate about the "evils of colonialism, but they will be hard put to it now to find ways of encouraging investors to build up these undeveloped countries if the Communists are to move in any day with their policies of confiscation—as they have done in Indonesia.

Communist colonialism, with its disorders and tyranny in the Netherlands East Indies has supplanted Dutch colonialism, with its liberty and economic stability. The United Nations has a great deal on its conscience to answer for. It did help to sell the Indonesian people into bondage.

Voice of the People

Milford Woman Praises Mrs. Moore, Son for Returning Wallet With Money, Papers

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests unless the letter is critical in its nature.

Since it is so wonderful to know we have such honest people in this world, I am glad to tell this.

Friday evening I dropped my billfold in the busy business district at Union Lake and had not missed it. Several hours later I received a phone call from Mrs. Eva Moore of 1525 Cypress St. to inform me she and her little boy had found it and asked me to call for it. My driver's license, some important papers and quite a large sum of money were in it.

Not finding me at home, she found a list of relatives phone numbers in the wallet and she called until she reached me.

There is no end to the praise and appreciation I have for her, and it is too bad there are not more people like Mrs. Moore and her son.

Mrs. Gladys Crelley

Milford

New Citizen Expresses Gratitude for Capitol Trip

I have been a new citizen of America for the past three years, and I just came back from Washington with Janice Antona's citizen group.

Like Mrs. Hill, I also want to comment about the editorial commending Miss Antona. No one can ever express or really praise her work. It is not only a matter of job to her; she dedicates herself teaching all of us about America and her freedoms.

It is through her words we learn to love and respect America and the Constitution. She is always ready and willing, giving a helping hand to anyone who goes to her for advice of any different problems. I hope very much that through this letter I can express my gratitude to Miss Antona for making this trip possible for me.

It was a real thrill for all of us, seeing all the things we have been studying. We appreciate the kindness of Mr. Dondero for entertaining us at luncheon in the private dining room of the Speaker of the House. We enjoyed the dinner at the Willard Hotel, offered to the group by Mayor Donaldson.

Before I came to this country, I had a chance to travel from one city to another through countries in Europe, but the trip to Washington has been one of the most impressive and educational trips I ever had.

I speak for the whole group when I praise Miss Antona, Mr. Dondero, Mayor Donaldson and Mrs. Hill for making this trip a pleasant, enjoyable and a most unforgettable one.

For myself I would like to add this: that every citizen in America sooner or later should go and see Washington.

A New American Citizen

Smiles

Most fat men are too lazy to take advantage of the road to thinness being just around the bend.

Golf rules prohibit a player from changing his lie. When you once tell your score, stick to it.

It'll soon be hoe, hoe, hoe time, but don't tell us that garden work is a big laugh.

Portraits

By JAMES J. METCALFE

How can my heart be certain that . . . You are my only one? . . . How do I know there is a God . . . Who made the moon and sun? . . . How do I know that I am here . . . And very much alive? . . . Why do I eat those certain foods . . . On which I seem to thrive? . . . It is because I feel it, dear . . . I feel it in my soul . . . Just as I feel that some day I . . . Will somehow reach my goal . . . No, I cannot explain it but . . . I feel it in my heart . . . As much as I am sure that you . . . And I would never part . . . It is no scientific fact . . . With proof in black and white . . . But something seems to tell me that . . . I love you day and night.

1955 Graduates Entering Lush Economic Situation

By MERRYLE RUKEYSER
INS Economic Commentator

University campuses report an unprecedented demand from industry for the current crop of graduates.

While this is a symptom of prosperity, the situation may have some shadows as well as highlights.

* * *

It is not necessarily beneficial for a beginner in the competitive world to start out under such auspices, and perhaps to assume that the economic weather will necessarily always be bright. Perhaps primitive "boom and bust" have disappeared with the ox cart, but this does not mean that business will be free from fluctuations.

My observation was that those who got under way in the depressed 1930's tended to flourish if they had what it takes. Those beginners were tested in a tough market in which — unfortunately — manpower seemed momentarily in surplus supply.

The new graduates should be urged to mix a little of what Arthur Godfrey calls humility with their contemporary good fortune. It would be competitively wise for each individual to try to be as cooperative, as efficient, and as hard working as he would have been if he had been seeking a start in life in a dismal year such as 1932 instead of in 1955.

* * *

A sign of the times: One applicant for what seemed like a dream job couldn't apply for an interview during business hours because he was working. The prospective employer, who was soon to leave on a business trip, offered to see the applicant on either of the next two nights.

But the first night the job seeker had a date with his fiancee, and the second evening he was taking a night course.

It would seem to me as an economic analyst that the mutual interests of the young man and the fiancee would have been best served if he had postponed or cancelled his social date and used the evening to explore the desirability of another job.

INCOME NEEDED

For, to be brutally frank, successful marriages presuppose some regularity and sufficiency of income by the breadwinner to balance out the expenditures for family living.

* * *

For those starting out in life in an expanding economy, it is well to develop perspective. One's life financial plans should not rest on hopes and fears, but on systematic planning.

In such a forecast of the life cycle, the prudent individual should so conduct himself in the development of personal skills and capabilities as to make him a desirable member of a business team even in interludes when new peaks are not being set. The family wants to eat even during pauses, when the national economy may be taking one step backwards before taking two steps forward.

The payoff for know-how is psychological wellbeing in the form of courage and self-confidence.

SELF MOTIVATED

Those who tend to go furthest in life are self-motivated individuals with a definite goal. If they have this sense of direction, then any mishap along the way is just an interruption—not a personal catastrophe.

* * *

The fellow with an objective doesn't permit others to set his pace, or to determine how far he will advance. He has a timetable, and, if progress isn't up to schedule, he does something about it. He diagnoses the source of the trouble, and either adds to his capabilities, or talks to his superiors, or changes employers.

Smiles

There'd be a lot more happy people if fewer folks made a success of being a failure.

Case Records of a Psychologist:

Young Sailor's Generous Church Gift Reflects on Character, Home Training

This young sailor's single act suggests many things pertaining to his character and home background. It may surprise you to know that your companions often rate your personality on the basis of a single word or deed. So be sure you reflect creditably on your good home training.

BY DR. GEORGE W. CRANE

Case O-349: Tom Henderson, aged about 65, is a tall, handsome executive who helps usher at the Chicago Temple where I teach my Bible Class each Sunday noon. He is a very deft Applied Psychologist, too.

For when he passed the collection plate one morning recently, a young sailor from Great Lakes dropped a $20 bill thereon.

Henderson later came back quietly and asked the sailor if he had contributed the $20 intentionally, for he feared the sailor might have mistaken the $20 for a $1 bill.

"I didn't want him to be stranded in Chicago, so I felt I ought to make sure he knew the denomination of the bill," Henderson informed me afterwards.

"But the sailor said he intended to contribute the $20. He must have been brought up in a good, Christian home, don't you think, Dr. Crane?"

JUDGED BY ACTIONS

Well, what do you readers think? This single act of a young sailor (not an officer) who would contribute $20, could indirectly be used to derive many shrewd estimates about his background.

For example, would you guess that he drank whisky or was a teetotaler?

* * *

Did he attend Sunday school back home or not?

If the Boy Scouts were organized in his town, do you think he belonged to them or was a member of some hoodlum gang?

Does he send any money back home to his parents, or does he gamble away his wages and then bombard them with frantic telegrams from time to time demanding "hand outs" to pay off his gambling I.O.U.'s?

"But, Dr. Crane," some of you may protest, "aren't you reading too much into that one act? How can you be sure he belonged to the Boy Scouts?"

BATTING AVERAGES

Well, we can't be sure. But in life we soon learn to play the batting averages, so you can safely predict that the odds favor his having been a Boy Scout instead of a small town hoodlum.

* * *

They also favor his having been reared in a family where his

mother was a devout church woman and active in religious organizations.

They suggest he was not brought up in an atmosphere of profanity, vulgarity or immoral sexual surroundings.

This sailor probably can be depended upon to do his duty faithfully and also to assume responsibilty, so he should warrent being given executive responsibilty.

SHOWS LEADERSHIP

In other words, he shows potential leadership. And don't you think he would very likely be fair and generous with his wife, instead of a wanton spendthrift, or a miser who yells about every minor expenditure she made in running the household?

* * *

You could rely pretty surely on his playing fairly with his companions, too, and demonstrating a reasonable degree of the Golden Rule.

Since he shows the effect of religious home training, and religious idealism is primarily a product of high intelligence, you can safely guess that he represents a fairly cultured home background.

He was a cleancut, quiet young man whose attendance at church and whose generous contribution to God's work, made him a credit to the best traditions of our U. S. Navy.

And his behavior is a far better tribute to his mother than any sentimental greeting card, candy or flowers he might send her on Mother's Day.

But he is the type who will do the latter, too.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped, self-addressed envelope and a dime to cover typing and printing costs when you send for one of his psychological charts.

Copyright 1955

Food in Its Natural State Is Only Tonic You Need

By DR. WILLIAM BRADY, M. D.

Q.—What is a tonic?

A.—A medicine that increases or restores physical or mental tone, invigorates, refreshes or braces. (Webster.)

Q.—What's tone?

A.—Firmness of the healthy body, particularly firmness of the muscles which exists independently of voluntary effort.

Q.—Please name a good tonic or two?

A.—Not so fast. You remember this is a health column, not a clinic.

* * *

Away back when I was an honest family doctor—well, then, a family doctor, I dispensed barrels of tonic and what's more, a good many patients came back again and again for more of the same tonic.

WHOOPER DUPER

My whooper duper tonic must have tasted—I can't describe the taste, because, I'm afraid, I never tasted the stuff myself, but I can tell you that if a tonic didn't taste very bad it wasn't any good. Maybe you can get an idea of the taste when I say it was Elixir of Iron, Quinine and Strychnine, N. F., and may the Lord have mercy on my soul.

* * *

The truth is that, to the best of my knowledge, no medicine or combination of medicines can be truthfully described as a tonic.

Nerve tonic? Don't be childish. Heart tonic? Are you serious? ...Essential food is tonic. Regular moderate general daily exercise it tonic. Clean fresh air is tonic. Necessary rest is tonic. ...

Essential food does not mean purified, refined, prepared, processed, homogenized, tenderized, fortified, defatted or otherwise doctored stuff ready to serve right out of the convenient can or the pretty package.

NATURAL FOOD

It means food in its natural form, with all the nutritional factors required by the body in it—protein, fat, carbohydrate (starch and sugar), fiber, cellulose, bone marrow, minerals and vitamins.

Take the staff of life, for instance. What passes for bread nowadays is only a broken reed. Prior to the middle of the 19th century nearly if not quite all of the wheat went into the grist or flour universally used for bread making.

The dainty bleached product called flour today cannot support life, much less satisfy hunger, even though it comes marked "enriched."

* * *

Wheat is the richest natural source of vitamin B complex and inadequate intake of vitamin B complex is largely accountable for the flabbiness or lack of tone in heart, artery, stomach, intestinal and other muscle tissues of children and adults who are not as vigorous and healthy as they should be.

Signed letters, not more than one page or 100 words long, pertaining to personal health and hygiene, not to disease, diagnosis or treatment, will be answered by Dr. William Brady if a stamped, self-addressed envelope is sent to the Pontiac Press, Pontiac, Mich.

Voting Slated in Five County Areas Tomorrow

To Cast Ballots on Incorporation

Madison Heights, Troy, Southfield May Get City Status

Oakland County may give birth to three new cities and an additional village tomorrow.

Residents in Troy, Southfield and Royal Oak Townships are scheduled to go to the polls for balloting on various stages on the change from township to city status.

In addition, Commerce Township electors will decide whether or not they want Oakley Park annexed to Wolverine Lake village.

Up for possible creation are cities of Troy, Southfield and and Madison Heights, and the Village of Bingham Farms.

Although there has been a great deal of confusion over the Troy vote, it is still scheduled. Late Friday the Vickers Corp. asked the Oakland County Circuit Court for a restraining order, preventing tomorrow's election.

QUESTIONS POPULATION

Company officials said that the area to be incorporated did not meet the state's requirement of 500 residents per square mile.

A hearing is scheduled this afternoon before Judge H. Russel Holland on the matter.

In Troy, residents will be voting on whether they favor incorporation, and also the election of a nine member charter commission. This group would prepare a charter for the new city, if incorporation is approved.

Thirty-four residents filed nominating petitions for the Troy charter commission.

Southfield residents are at the same stage in the changeover process from township to city, and will be voting in incorporation and the naming of a charter commission.

38 SEEK POSTS

There 37 residents are seeking a place on the nine member charter commission.

Bingham Farms is a one-square-mile area in Southfield Township. There are five candidates for the village posts.

Residents in Madison Heights are a step ahead of those of Troy and Southfield. They have approved incorporation, and are balloting tomorrow on a proposed city charter, and city officials.

In commerce Township, the area designated for annexation is Glengary, Oakley Park, Benstein roads, and the boundary of Wolverine Lake Village.

Polls will be open from 7 a.m. to 8 p.m.

Cub Pack to Hold Court of Honor at Romeo Tuesday

ROMEO—Cub Scouts of Romeo's Pack 87 will meet at 7:30 p.m. Tuesday in the First Congregational Church, instead of in the Romeo High School where meeting customarily are held.

The meeting will open with the flag ceremony followed by the singing of "The Star Spangled Banner."

Some 40 boys are scheduled to receive awards during the Court of Honor. Eight Cub Scouts will receive the highest award in cubbing, Webelos badges, to cap the evening's program.

All of the boys attending the meeting, along with their parents, will be entertained by a magician from Detroit.

To close the program, the Cubs will join in staging an Indian dance, using equipment and costumes they have made themselves.

Civic Concert Group Forming in Waterford

WATERFORD TOWNSHIP—Residents interested in establishing a civic concert group have been invited to an 8 p.m. Tuesday organizational meeting at the Waterford Township High School.

The meeting will be held in the teacher's conference room. Information on the proposed project may be received from either Miss Helen Davis or Mrs. Edmund Windeler.

45 Milford Boys Will Take to the Fields Under Vocational Agricultural Program

MILFORD — Forty-five boys will be kept busy this summer working on the supervised farming program, according to Herschel Krebs, vocational agriculture teacher at Milford High School.

* * *

Field corn and poultry will make up the major enterprises, with 22 of the boys carrying these projects. This includes 49 acres of corn and the raising of 1,164 chickens.

There are 20 projects divided equally between the other livestock projects. These include the care of 50 head of hogs, 70 sheep, 45 beef cattle, and 28 dairy cattle, all located on the various home farms of the boys participating.

The 21 projects made up of other crops include potatoes, oats, corn, wheat, and gardening.

64 PROJECTS

This makes a total of 35 boys accounting for 64 productive projects on their own farms, while the other ten boys will be working on farms other than their own in the farm placement program.

* * *

Krebs explained that the vocational agricultural program is set up to introduce production methods in high schools teaching agriculture. However a boy may enroll for other types of practices such as placement for farm experience, improvement types of projects, and supplementary farm practices.

The Milford high school is primarily listed as an agricultural school.

David Charlick, incoming Future Farmers president, was the outstanding student in the agricultural class at Milford last year. He will be applying for State Farmer Degree next year. Krebs explained that this is the hghest degree in Future Farmers organization in Michigan.

David's projects included 44 swine, 8 beef cattle, 15 acres of corn, 7½ acres of wheat, 2 acres of potatoes, 5 acres of oats, and he carried 34 approved practices. David will graduate in 1956.

University Honors Lansing Publisher

OTTAWA, Kan. (UP) — A Lansing publisher and a New York oil company research man, were given honorary doctor's degrees by Ottawa University at commencement exercises yesterday.

Paul A. Martin, publisher of the State Journal at Lansing, whose father was governor of Kansas from 1885 to 1889, received an honorary doctor of literature degree.

Dr. W. J. Coppoc, New York, manager of research for the Texas Co., was given an honorary doctor of science degree in recognition of his research and administrative work in the petroleum industry.

Martin's degree was in recognition of his contribution in the field of journalism and for his civic leadership in Michigan affairs and in Lansing.

Fisherman Saves 2, Then Drowns in Bay

KEMAH, Tex. (UP)—A fisherman rescued a man and boy from treacherous undertow last night, then was carried to his death by it.

Michael Haverkorn, 8, of Galena Park, waded out too far in Galveston Bay and was caught by the undertow. Raymond Hinkle, 35, of Houston jumped in to help and was caught, too.

James Walters, 36, of Houston, fishing nearby, dove in and helped both to safety. Then, exhausted, he was dragged away from the beach by the current. They recovered his body shortly afterward.

Wants Monopoly Law Applicable to Union

WASHINGTON (INS)—The National Association of Manufacturers urged Congress today to make labor organizations subject to the federal antitrust laws.

Earl Bunting, former NAM president, told the House Monopoly subcommittee that "monopolistic practices, whether by labor unions or employees, or labor unions and employers, are contrary to the public interest . . ."

The NAM spokesman said that labor organizations are entirely exempted from the antitrust laws except where they combine with non-labor groups.

Filters Out the Noise

SOUTHBRIDGE, Mass. (UP)—A soft vinyl foam pad that fits snugly over and around the ears filters out high-frequency noises but allows voice to pass through. The device was designed for use in noisy manufacturing plants.

3 Freed Fliers Head for Home

Fourth Will Remain in Hawaii While Leg Is Treated

HONOLULU (UP)—Three of the four U.S. jet fighter pilots freed by the Chinese Communists at Hong Kong last Tuesday leave for home today with their families aboard a special Air Force plane.

They are Capt. Harold Fischer, Swea City, Iowa; Lt. Lyle Cameron, Lincoln, Neb.; and Lt. Roland Parks, Omaha.

The fourth, Lt. Col. Edwin Heller, of Wynnewood, Pa., and his wife will stay here 10 or 12 days. He is to take physiotherapy treatment for a leg injury incurred when he bailed out of his plane over North Korea.

* * *

The four Korean War veterans, held by the Reds more than two years, were reunited with their families here Thursday.

Fischer, a double jet ace of the Korean War, said in an interview yesterday he tried to pass himself off as a Russian pilot when he was captured.

'It was just a bluff, but it darn near worked," he said.

"When they grabbed me, I made out like I was outraged. I told them, in what I thought was a thick Russian accent—'You can't do this to me.'

* * *

"Some of the Chinese swallowed it and looked like they wanted to let me go. Then they found my plane."

He parachuted when fragments of a MIG fighter he shot up disabled his plane south of the Yalu River boundary between Manchuria and North Korea April 7, 1953.

Thailand Group Hits at Morals of Officials

BANGKOK, Thailand (INS)—The Thailand anti-corruption committee has proposed that officials who spend too much money on pretty girls and nightclub life be dismissed from government service.

The committee also condemned many officials who have taken "vulgar women" as "minor wives" thereby making the officials lose their "sense of honor."

QUICK EDUCATION—Margaret Gregory, 32, who traveled around with her theatrical family as a child and never went to school, is busy with her books in Syracuse, N. Y., where she expects to graduate from Syracuse University today. Margaret's done a lot of cramming. After service with the WACS, she started at Triple Cities College, Endicott, N. Y., in 1946, taking two semesters. Then, in Buffalo, she squeezed high school into one year. This she followed with another four-year-hitch in service. Upon release, she went to work for a year. At this point she's finishing a four-year college course in one year.

Filipino Leader Dies in Plane Crash

MANILA (UP)—Ramon Magsaysay, 47, president of the Philippines, was killed in the crash of his plane on Mount Manunggal, 50 miles southeast of Manila, yesterday.

Magsaysay was on his way to Cebu to attend a meeting of the Nacionalista Party, which he had left to run for president in 1953.

IT'S A PSYCHOLOGICAL FACT: PLEASURE HELPS YOUR DISPOSITION

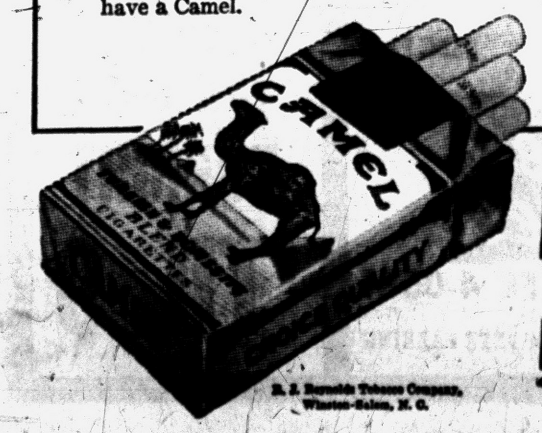

How's your disposition today?

FEEL MEAN AS A BULL? That's only natural when little annoyances nettle you! But here's a cheerful psychological fact: pleasure helps your disposition. That means everyday pleasures, like smoking for instance, are important. That's why, if you smoke, your wise choice in cigarettes is the most pleasure-giving cigarette. And that means Camel!

For more pure pleasure_ have a Camel

OF COURSE you want to choose your cigarette for pleasure! Remember, pleasure helps your disposition. And more people smoke Camels and get more pure pleasure from Camels than from any other brand! One big reason is in Camel's costly blend. No other cigarette is so *rich-tasting*, yet *so mild*. So — for more pure pleasure, have a Camel.

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

No other cigarette is so rich-tasting, yet so mild!

'Bonanzagram'

Have Fun! Win $100!

"Bonanzagram" is an exciting new puzzle in which the Pontiac Press offers both fun and a $100 cash prize. BUT before you try your hand at "Bonanzagram" **be sure and read the rules** at the bottom of this page. Solution will appear in the Press June 10.

CLAIM CHECK

Below is a duplicate of the "Bonanzagram" entry you send in to contest headquarters. It is ESSENTIAL that you fill it in and save it until the correct solution to "Bonanzagram" No. 14 is published Friday, June 14. Unless you do so, you will be unable to collect the prize if you should send in a winning solution. Check the rules below for further details.

Bonanzagram No. 14

At closing time in the New York office of a motion picture company, the chief's secretary, in a hurry to get dressed for a dinner date, teletyped a hasty message to one of their directors in Hollywood. He was supposed to be ready to begin shooting an important new picture, and certain matters had been decided upon during the day that the secretary thought ought to be passed along without delay to her good friend on the West Coast. She had from time to time, through many a year, given him friendly advice and advance tips about the chief's disposition and intentions, eespecially if anything came up that was apt to cause complications for the talented but somewhat dilatory director. Unfortunately, this evening, there was something wrong with the teletype machine, and no one was around to fix it. So that there were missing letters in the message received in Hollywood. However, the director was able to fill in the gaps, and went into immediate action to cope with the situation. Can you, too, figure out what the secretary was trying to tell him?

☐ Check here if you would like the Press delivered to your home!

How To Play 'Bonanzagram'

Solve the "Bonanzagram" by filling in all the missing letters, as indicated by the underscores, in the message. Insert only one letter above each underscore. Many clues to the missing letters are hidden in the story, or anecdote, accompanying the message itself, and, in a few cases, the contestant's general knowledge should provide the correct letter. The contestant will note that the message is unpunctuated. Punctuation will help solve the message but is not necessary to win.

All missing letters must be correctly inserted to win a Bonanzagram prize. Punctuation will not be considered in judging a correct answer.

When properly filled in, the "Bonanzagram" will spell out a clear message that will conform in every way with the clues. In many cases it will seem that more than one word would be the correct one. That's part of the fun! You should weigh the clues and select the BEST possible word in each case.

How to Submit Entries

1. After solution is completed, "Bonanzagram" should be clipped and pasted to a two-cent postcard with your name and address.

2. Entries will be received at the Pontiac Press office, 48 W. Huron St., until 5 p. m. Tuesday, June 14. Mail entries must be postmarked before midnight Tuesday, June 14 for Bonanzagram No. 14. Address "Bonanzagram, % Pontiac Press, Pontiac, Mich.

3. Entries may be mailed in envelope but contestant's full name and number of puzzle must be printed in upper left corner of address side of envelope.

4. Copies of the Press need not be purchased to enter. Facsimiles made by hand and corresponding as closely as possible to the original "Bonanzagram" printed in the Press will be accepted but are limited one to a family. Mimeograph, duplicator or other unofficial mechanical reproduction is forbidden.

How to Collect the Prize

The entrant must work out and keep duplicate solution as a claim check. When the solution is published in the Press, he should compare his "claim check" with the published solution, and, if his claim check is identical, he should call in person with his claim check at the Press office, 48 W. Huron St., before 5 p. m. on the Monday following publication of the solution.

If a winner cannot call at the Press office in person, he should mail his solution to "Bonanzagram Editor." Postmark on this letter must be not later than 5 p. m. the Monday after publication of the answer. Correct answers are void unless the contestant reports his claim by the deadlines listed here.

About Eligibility, Information, Etc.

1. Anyone is eligible for the "Bonanzagram" contest except employes of the Press and members of their immediate families. (Immediate family means all those living in an employe's household.)

2. No question as to winners will be answered by phone.

3. The Press will award a prize of $100 to the winner of each weekly Bonanzagram. If more than one winning answer is received, the prize will be divided equally among the winners. If no correct solution is received, the $100 will be added to the next week's prize. If the winner is a subscriber of record to the Press a $20 bonus will be added to the $100.

4. Only one winning entry from a family will be eligible for the prize, but there is no limit on number of entries.

5. The Press retains the right to correct typographical errors.

6. Judges' decision will be final and contestant's submission of entries indicates acceptance of these rules.

7. No liability is accepted for entries that fail to reach us.

8. The Press reserves the right to alter rules and/or discontinue the contest at its discretion.

Puzzling Death Getting Probe by State Police

ALGONAC (AP)—State Police are investigating the puzzling death of Carl Langell, 56, who was found unconscious Saturday night near a golf club on Harsen's Island in the St. Clair River.

Officers said the man had suffered a fractured skull but there was no evidence of what caused the injury. He died early yesterday at Harper Hospital, Detroit, without regaining consciousness.

Langell lived on Harsen's Island, near Algonac.

Baby Wrapped in Foil Found on River Bank

MOUNT CLEMENS (AP) — The body of a 3- to 5-day-old baby was found wrapped in aluminum foil on the bank of the Clinton River in Mount Clemens yesterday.

Macomb County Coroner Clifford H. Read said the body probably had been on the river bank 3 or 4 days.

Douglas Chambers, 10, of Mount Clemens, discovered the body while playing with companions.

Battle Creek Man Heads Michigan AP

GAYLORD (AP) — Hobart A. Chipman of the Battle Creek Enquirer and News was elected chairman of the Michigan Associated Press Editorial Assn. yesterday.

He succeeds Eugene Sundstrom of the Sault Ste. Marie Evening News.

N. A. (Bert) Lindenfeld of the Benton Harbor News Paladium was elected vice chairman.

The association, made up of executives of Associated Press newspapers in Michigan, ended its annual meeting yesterday.

Ernest B. (Tony) Vaccaro, AP general executive, Chicago, addressed the meeting Saturday night.

Hot Weather Thieves

HAMMOND, Ind. (UP) — Two burglars broke into the offices of the Hydrox Corp., an ice firm, took $7 in cash, several gallons of ice cream and an undetermined number of popsickles.

Bridegroom Groggy

GLASGOW, Scotland (UP) — Bridegroom Hawthorne Stewart was so nervous about his wedding Saturday that he fainted once at the altar and three times at the reception. "Dizziest day of my life," the 24-year-old insurance clerk said.

Major Research Center Opens

Ford Company Facility in Birmingham to Mark Completion This Week

The Pontiac area will have another major industrial research center this week with the formal opening of Ford Motor Company's Farm Machinery Research and Engineering Center in Birmingham.

The new facility, a major step in Ford's expansion in the "full line" farm machinery business, is located in a separate building connected with the general offices of the Tractor and Implement Division at 2500 East Maple Rd.

A number of events have been planned to mark the center's opening, as well as the completion of facilities expansion in the general offices.

Tonight and Tuesday evenings, the Division's 1,100 general office employes and their wives or husbands will be guests at a theater party at the Birmingham Theater.

Wednesday, the Board of Directors of Ford Motor Company will meet in Birmingham, and tour the Division. That afternoon and evening some 300 business, civic and professional leaders and press representatives, will inspect the facilities and be guests at a reception and dinner at Oakland Hills Country Club.

The principal address will be given by U. S. Congressman Harold D. Cooley of North Carolina, Chairman of the House Committee on Agriculture.

Open House for suppliers is scheduled for Saturday morning, and for employes in the afternoon.

A public open house is planned for Sunday afternoon, to which all residents of the area are invited. Guided tours are planned and special displays will demonstrate for visitors some of the interesting techniques employed in the design and engineering of modern farm machinery.

Arrest 3 Detroiters on Narcotics Charge

DETROIT (UP) — A Detroit woman and two men awaited charges of dope-running in Washtenaw County Jail today after their arrest at Willow Run Airport Saturday, Detroit police said.

Inspector Russell McCarty of the narcotics bureau said Lillian Baxter, Emmett Henry and Frank Rogers were arrested as they stepped from a Chicago plane. He said seven ounces of heroin was found on Miss Baxter, who will be charged with possession of narcotics.

The two men were to be charged as accomplices. Henry was at liberty under $2,500 bond awaiting trial on another dope charge in federal court, McCarty said.

Woman Given Degree While Gems Are Stolen

BOSTON (AP)—While Mrs. Helen V. Rose was receiving an honorary degree from Emerson College yesterday a thief was busy stealing $3,000 worth of her jewelry from a nearby cloakroom.

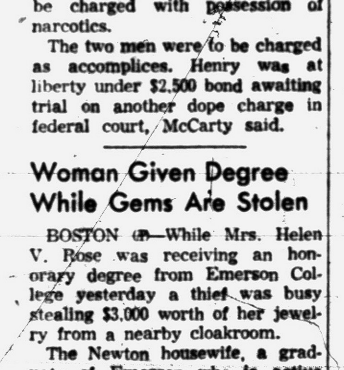

The Newton housewife, a graduate of Emerson who is active in its speech clinic, had worn the jewelry but was advised it was customary not to wear any while receiving a degree.

She placed the jewelry in a hatbox in the cloakroom. After receiving a master of arts degree, she discovered the jewelry and a handbag containing $24 had been stolen.

GOP Chief Challenges Dems to Use Truman

WASHINGTON (AP) — Republican National Chairman Leonard Hall has informally challenged Democrats to put former President Truman "on the campaign train" in 1956. He suggested this would help the GOP cause.

Nine Michigan Drownings Boost Weekend Death Toll

By THE ASSOCIATED PRESS

Michigan drownings shot up to nine over the hot weekend in which 16 died in traffic accidents. Among the drowned were five children.

A young Flint father and his two sons, whose borrowed boat capsized in the Tittabawassee east of Gladwin, were among the drowning victims. They were Richard P. Miller, 26, and Daniel, 7, and Michael, 3.

Ennis Hardin, fishing in Sand Lake seven miles west of Clinton, saw a little girl's body floating in the water and sped to it, only to discover to his horror the child was his own 18-month-old daughter, Sandra Sue.

A father drowned in another tragedy, going to the rescue of his infant son, trapped in an automobile which rolled from a bank into the Thornapple River near Ada in Kent County. Richard E. Long, 29, of Grand Rapids, drowned, but Richard Jr. did not.

Billy Fairchild, 10, of Owosso, drowned Sunday in the Shiawassee River at Owosso water works.

Joseph Stewart, 35, of Jackson, drowned in Vandercook Lake Sunday.

George L. Brunner, 28, of Concord, was killed Sunday when his car struck a tree one mile east of Jackson.

William Dobberstein, 19, of Rte. 4, Dowagiac, was killed Friday night when the car in which he was riding crashed east of Dowagiac.

Thomas Cobbell Jr., 41, of Lincoln Park, was killed Friday night when hit by a car in Wyandotte.

Floyd Bogart, 65, of Taylor Township, was injured fatally Friday night when hit by a car in Taylor Township.

John Cross, 57, of Detroit, was injured fatally Saturday when hit by a car while crossing a Detroit street.

Joanne Carpenter, 5, of Detroit, was killed Saturday when she was hit by a car near her home.

William H. Edmonds, about 20, of Flint, was killed Saturday when the car in which he was riding struck a tree 15 miles south of Flint.

Francis Teiffer, 35, of Shingleton in the Upper Peninsula, and Jerry Frey, 3, of Walled Lake, were killed Saturday when the car in which they were riding collided with a truck in Schoolcraft County. The Frey boy's father, Richard, 32, and six of the youngster's brothers and sisters were injured in the crash. Four of the children were in critical condition.

Richard R. Murray, 19, of Hazel Park, was killed Sunday when he was thrown from his car on M59 in Oakland County.

Edward M. Westerlend Jr., 19, Detroit was killed Sunday when his car hit a tree in Livonia.

William Bonker, 49, of Detroit, was killed in a four-car pileup Sunday in Detroit.

Charles Adams, 15, of Brown City in Sanilac County, drowned Sunday in a farm pond near his home.

Mrs. Myrtle Johnson, 52, of Sarnia, Ont., drowned in Lake St. Clair Sunday.

Sgt. Raymond Boone, 23, of Erwin, Tenn., was killed Sunday when his car rolled over on the Willow Run expressway near Belleville.

Mrs. Louise Kaffin, 21, of St. Ignace, was injured fatally Sunday morning when the car in which she was riding hit a deer near Sault Ste. Marie.

Harry Howard, 50, of Detroit, was killed Sunday night in a two-car collision in Detroit.

Charles Zeitlar, 45, of Flint, was killed yesterday when struck by an auto while crossing a Flint street.

Olivet Honors Two

OLIVET (AP) — Olivet College awarded honorary doctor of law degres to Rep. Bentley (R-Mich) and Joseph M. Dodge, Detroit banker and chairman of the government's council of Foreign Economic Policy, at the college's 95th commencement exercises yesterday.

Satisfied Customers Played Back in Sales

PHILADELPHIA (UP)—A North Philadelphia salesman recently added a new gadget to his bag of tricks.

Hank Linsky was impressed with the nice things his customers had to say about their newly installed gas house heaters. So, he bought a tape recorder for $150 and asked these satisfied customers to "tell the machine" how much they liked his product.

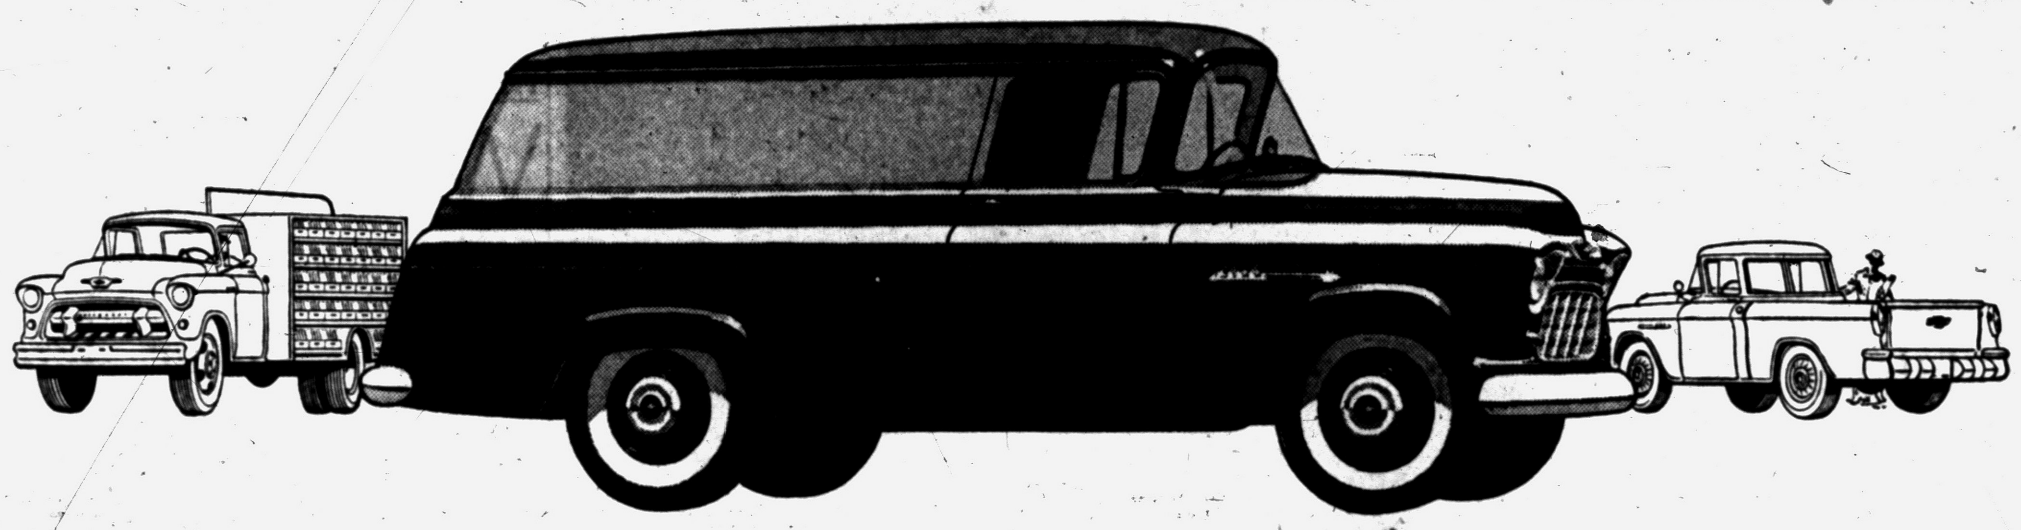

The second call he made, playing the recorded plug, brought another sale, and Linsky figured the machine paid for itself right there.

The most modern truck for your money!

Only in Chevrolet's new Task-Force line will you find all these advanced features . . . the marks of a truly modern truck

Most modern in design

With new Work-Styling. New Task-Force models are exactly suited to the job—and look it! That's because *two* distinctively different design treatments are put to work—one for light- and medium-duty models, another for heavy-duty jobs. Both, clean-lined and modern!

New Custom Cab. Features include — Nu-Flex foam rubber seat cushion, harmonizing two-tone interior, bright metal outside moldings; even an optional full-view rear window to match the panoramic windshield.

New Cameo Carrier. The sports model of the truck field! Long and low, with smooth, fleet lines—a completely new idea in truck design, specially built with special jobs in mind.

New Colors and Combinations. A bright new list of modern colors and two-tones carefully selected to add the final Task-Force styling touch. Colors that call attention to your business!

Most modern in comfort and safety

New Flite-Ride De Luxe Cab. Stronger construction throughout, a big safety factor! Seats are softer; more shoulder and head room. Newly designed instrument cluster is easier to read.

New Panoramic Windshield. Wider forward vision that means safer driving! New glass-guard molding completely surrounds side windows, reduces chance of breaking.

New High-Level Ventilation. Air is drawn in through louvers at cowl level. Regardless of the weather, efficient air circulation is maintained.

New Concealed Safety Steps. Concealed steps stay free of snow, ice and mud. Make entrance and exit easier and safer.

Power Brakes standard on 2-ton models. Optional at extra cost on all others. For city delivery or long hauls, Power Brakes reduce driver effort, add to safer going.

Most modern in performance

Shortest stroke V8's in any leading truck, most modern sixes, too. You can pick the right power for your job. *All* engines have a modern 12-volt electrical system.

New Suspension, front and rear. Takes you over back roads and rough terrain with new, smooth-riding ease. Drivers find Task-Force trucks easier to handle.

New Overdrive and Hydra-Matic. New gas-saving Overdrive cuts engine wear! Optional on ½-ton models at extra cost. Hydra-Matic is an extra-cost option on ½-, ¾- and 1-ton models.

Power Steering. Turning effort is reduced as much as 80% with Power Steering on the job. Here's an extra-cost option that provides extra driving ease and safety.

Come in soon. Find out how much better off you'll be with a *modern* truck—on the job today and at trade-in time tomorrow!

Get the most for your new truck investment in the most modern trucks money can buy!

Chevrolet's new Task-Force truck line!

Oakland County Democratic Women's Day Is Held

Mrs. G. Mennen Williams (second from left) was speaker for the Oakland County Democratic Women's Day held Saturday at Hotel Roosevelt. At left is Mrs. Hayward Whitlock of Third street. Mrs. J. N. McCall (right) county vice chairman, of Holly, and Mrs. James Seeterlin of Drayton Plains (second from right) display a workshop poster for Mrs. Williams. Theme of the day was "Polly Put the Kettle On."

Pontiac Press Photos

Adelaide Hart (center) state vice chairman was on hand Saturday at the Oakland County Democratic Women's Day to introduce Mrs. G. Mennen Williams. With her is Mrs. Robert Grant (left) of West Brooklyn avenue and Mrs. Donald Lee, county vice chairman of Farmington. The affair was held at Hotel Roosevelt.

Workshops Stimulate Gathering

Mrs. Williams is Key Speaker for Special Event

Mrs. G. Mennen Williams, wife of the Governor of Michigan, told those attending Oakland County Democratic Women's Day Saturday that "our operation in politics is a family operation.

"Every person who is a citizen of this country has a personal stake in the type of government that we have—and a great deal depends on you as individuals," Mrs. Williams declared.

"Pressures have to be brought from local areas to the legislature," Mrs. Williams pointed out.

Speaking on the Governor's trip to the Near East, Mrs. Williams said that he had been well received and that in Lebanon a military guard was sent to meet him.

GOVERNOR IS RECOGNIZED

An interesting experience was at the Tomb of Mary in Bethlehem where the Governor was greeted by a monk who had been studying in this country, and who told the Governor he had voted for him in the last election.

Mrs. Williams pointed to the Williams-Hart Forest loacted in a desolate spot in Israel and which was named for Governor Williams and Lt. Gov. Philip A. Hart. Members who purchase these trees help in the reforestation project.

During the program held at Hotel Roosevelt, workshops and group discussions were held.

* * *

Mrs. Robert Phillips conducted the workshop discussing "How to be a good precinct delegate," and in keeping with the theme, "Polly, Put the Kettle On," a workshop was held on how to keep the kettle boiling.

Mrs. Donald Lee was chairman of the all-day session and introduced special guests. Adelaide Hart, vice chairman of the state central committee introduced Mrs. Williams.

"Polly Put the Kettle On" was the theme of Saturday's gathering of Oakland County Democratic women. Among those gathering to share in group discussions and workshops were (left to right) Mrs. T. W. Jackson of Mount Clemens street, Mrs. Paul Sutton of Royal Oak, Mrs. Fred Elias of Hazel Park and Mrs. Leslie Hudson of West Iroquois road.

"Hoosier Picnic" Slated Sunday

Plans for the seventh annual "Hoosier Picnic" at Oakland Park are completed. Dinner will be served at 2 p.m. on June 12.

For further information call Mrs. D. J. Harrison of South East boulevard.

Personal News of Interest in Pontiac

Ten-year-old Christina Carlsen, daughter of Mr. and Mrs. Alfred Carlsen of Dorchester road, will sail Tuesday on the Stockholm for a three month tour of Denmark.

As the guests of her uncle and aunt, Mr. and Mrs. Knud Knudsen of Detroit, she will spend two weeks in Odens where she will visit Anderson's Fairy Tale Land.

During a two week stay in Aarhus she will visit with her father's family and while in Copenhagen she will attend a Girl Scout National Jamboree on Fourth of July.

Christina will leave Copenhagen September 8 to sail back to the United States and resume her studies at Daniel Whitfield School.

* * *

Lois Ann Austin, a student at Henry Ford School of Nursing, is enjoying a two week vacation with her parents, the Almon Austins of West Huron street.

* * *

Francis Cashin of Chippewa road, Leah Mae MacNutt of Neome drive and Ann Coombe, also of Chippewa road, opened their homes Saturday evening to friends preceding the Pontiac High School senior prom.

Patti Wetter and her parents, Mr. and Mrs. Clayton W. Wetter of Dwight street, entertained 40 guests at a buffet supper held in Hotel Pontiac preceding the prom.

* * *

A Doctor of Medicine degree will be granted Marion E. Nance of East Pike street at Wayne University's commencement exercises June 16 in the State Fair Coliseum, Detroit.

David A. Lee, son of Mr. and Mrs. Alfred Lee of Clarkston, was awarded the Chicago Tribune Gold Medal at the annual honors convocation at Michigan College of Mining and Technology on Friday.

* * *

Mr. and Mrs. H. H. Flynn of Flint (nee Carolyn Palmer) are announcing the June 5 birth of a daughter, Carol Marie.

Grandparents are Mr. and Mrs. Allen Palmer of Dakota drive and Dr. and Mrs. S. T. Flynn of Flint.

* * *

Barbara Wiersema arrived recently from University of Arizona to spend a week visiting with her parents, Mr. and Mrs. Theodore Wiersema of West Iroquois road. An open house in honor of Barbara will be held Friday evening at their home.

She will also visit with her aunt, Pauline Zoller of Ann Arbor, before leaving to attend summer school at University of Mexico.

Virginia Baker Wins Scholarship

An average or better scholastic record and her intentions to enter the teaching profession upon graduation from an accredited Michigan college, are partly responsible for the award just granted Virginia Baker.

* * *

Virginia, daughter of a mail carrier and eldest of six children, is to be the recipient of the second Pontiac Council of PTA teacher scholarship which totals $1,250 over a 4-year period. She is the daughter of Mr. and Mrs. Reuel Baker of Edison street.

Virginia will graduate on June 16 from Pontiac High School. She has been active in the Future Teachers Club and plans to attend Michigan State Normal College in Ypsilanti.

A grant, not a loan, the scholarship amounts to $500 for the first year of her college course and $250 for the three consecutive years.

VIRGINIA BAKER

REQUIREMENTS LISTED

The scholarship is non-sectarian and is open to all races, colors and creeds. Other qualifications considered by a committee composed of school and PTA representatives, include personality, initiative and resourcefulness.

The student must be well adjusted, like children, be morally and spiritually sound and in good condition physically. Economic status is also a factor.

Making up the committee which made the selection was the principal of Pontiac High School, the PTA Council president and finance chairman, an elementary school principal and senior counselors.

Progress of the student is reviewed by this committee at the end of each year.

The scholarship is made possible through the local school PTA's, each of which donates the total receipts of a fund-raising project of its choice, and was started to alleviate Michigan's teacher shortage.

Michigan Congress PTA Slates Installation Tuesday

Mrs. Stewart Schweizer, consultant for parent-teacher leadership training of the Michigan Congress of Parents and Teachers, will officiate at the mass installation of PTA officers. The dinner meeting will be held at Webster School on Tuesday at 6 o'clock.

George Yansen, principal of Wever Junior High School, and Mrs. Paul Gorman will conduct a workshop on secondary schools.

Mrs. William Wright, president of the Pontiac PTA Council, will have a conference on duties of a president.

Mrs. William Mihalek, vice president of the council, will have a workshop on programs.

CONDUCT WORKSHOPS

Lester Stanley, principal of Hawthorne School, will lead a conference for father vice presidents. Mrs. Donald North will conduct a workshop on finance for PTAs.

Virginia Baker who will receive the second Pontiac Council of PTA Teacher scholarship will be a special guest.

The feminine touch means contrast of fabric and idea, this year. Not the least of it is the shirtwaist dress in purest silk.

Don't Rush to Baby Each Time He Falls

Overprotection can appear in many different guises to make baby a fraidy-cat later on. Don't rush to prevent his falling, unless it's on concrete.

A tumble on the rug won't bother him much, and he'll get around by himself a lot quicker if you let him try his "land legs."

Housewives, Choose Job Carefully

By ANNE HEYWOOD

"I would like to find some way to make money at home," young mothers frequently say.

"It doesn't much matter what it is as long as it brings in money and is something I can do while the baby is napping."

Actually, it does very much matter.

Making money at home, when there are little children around, requires almost superhuman energy, patience, persistence and organization.

You always have to work about twice as hard and twice as long if you are to accomplish what you could in an outside job.

The average young woman pictures herself at the card table, typing serenely, painting china or making alterations, while the little baby takes a long, long nap and the pre-school children paint or play quietly in the corner.

But it never, never works out that way.

The baby wakes up and the little children fight or try eating the watercolors, the doorbell and the phone ring at the same time.

CAN'T KEEP AT IT

If the extra work has been taken on purely and simply to bring in money, the young mother, no matter how hard she tries, simply cannot force herself to keep at it in the face of such multitudinous interruptions and irritations.

If, on the other hand, the activity is planned not only for its income value, but because it is fascinating and absorbing, she has a much better chance of seeing it through.

We will make all kinds of effort along a line we love, because our motive is so very much stronger.

This is true in all phases of life and should not be underesttmated by the young mother who wants to make money at home.

After observing the efforts of hundreds of young women, I know beyond a doubt that the only way to make money in your own home is to choose the activity which truly interests you.

How do you determine what that would be?

Make a list—an honest list—of all the activities you've ever done that you really loved.

Study this list and see what general patterns emerge.

Then try to visualize some variation of your major interest which can be done in your own home.

To help you, we have prepared a Housewives Career Guide, which you may have by sending me six cents in postage. It may give you some idea of the kind of thing that really interests you.

Until you know that, you have a very slim chance of making money at home!

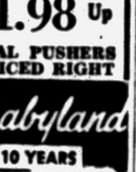

Pontiac Press Photo

The last group meeting of the year is always an appropriate time to look back over the records to see what has been accomplished. Members of the Birmingham Group of Collegiate Sorosis did just that when they gathered for a luncheon Saturday at Orchard Lake Country Club. Pictured (left to right) are Mrs. William Isgrigg of Cherokee road, Mrs. Hugh Grove of James K boulevard and Mrs. William Candler and Mrs. Cassius L. Miller, both of Birmingham.

The spectator pump is back this year, this time in many kinds of leather combinations and in white-and-black, white-and-navy, white-and-brown.

District officials look on at Devon Gables Saturday night as the Pontiac Civitan Club ushers in a new regime for the coming year. Turning over the gavel to incoming President Theodore E. Wiersema (second from right) is the outgoing president, Dr. Samuel J. Chafets (second from left). Looking on are Charles Hayek, Great Lakes District trustee, (left), and Walter H. Lewis, district governor.

Civitan President Sees Better World

By ARNOLD HIRSCH

An outlook for a bright future for America based on the Civitan creed of good citizenship, was detailed by the president of Civitan International at the annual dinner meeting of the Pontiac chapter of the worldwide service club Saturday night.

* * *

Addressing the 130 members and wives attending the affair at Devon Gables, Roy M. Abagnale said:

"I believe people are inexorably moving toward a better world despite the chaos that seems to surround us."

Abagnale, a resident of Springfield, Mass., went on to quote leading industry spokesmen who foresee a never-expanding economy. He also declared that as long as the people of the nation refuse "to compromise basic truths and principals, we shall remain strong."

THREAT WITHIN

"Fear of Communism is so much trash," he said. "We don't have to fear the external forces of communism threatening our way of life. Our only fear is of the forces within."

Such forces, he said, were juvenile delinquency, bad government and politics, poor business ethics, lack of responsibility to pay "our just taxes" and "some poor morals and poor practices."

Prior to Abagnale's talk, Walter H. Lewis, governor of Civitan's Great Lakes District, installed the club's new officers. Assisting him was Charles E. Hayek, a trustee of the organization.

Theodore E. Wiersema was installed as 1955-56 president, with John B. Wilson, Willis Kushman and Robert C. Tricker as vice presidents. Lloyd S. Smith is secretary and Dr. Daniel S. McGeen is treasurer.

New directors are Howard I. Bond, John K. Frost, Donald H. Johns, G. Richard Jarvis, Paul Felice, Fred Thompson, Olin E. LeBarge, Earl Parmenter and Ivan I. Knight.

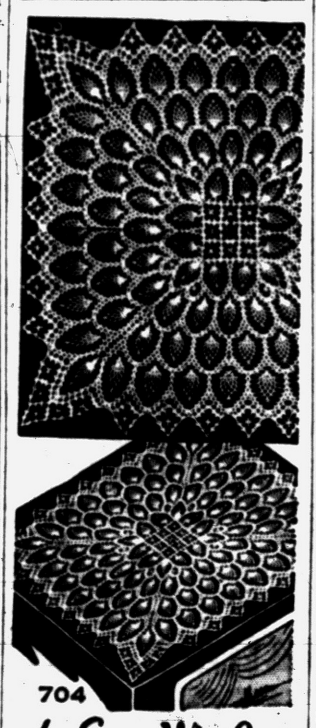

A welcome to the guests was extended by Dr. Samuel J. Chafets, outgoing president of the local chapter. Ernest Huthwaite was toastmaster and Philip J. Wargelin introduced the speaker.

CHORUS ENTERTAINS

Rabbi S. E. Saperstein gave the invocation and the Rev. H. E. Rayn delivered the benediction. Entertainment was furnished by the MacDowell Male chorus, directed by George H. Putnam.

In addition to the Pontiac Civitans present were guests from the Detroit, Flint, North Flint, Lansing, Midland, Saginaw and South Indiana chapters.

Civitan, founded in 1917, is a service club boasting a membership of 25,000.

704

Pontiac Federation WCTU will meet Tuesday for a May breakfast at 10:30 in the First Congregational Church. State president Mrs. Bessie Hurd will be speaker. A musical program is planned.

Pink, Blue Shower Honors Mrs. Genez

Honored at a stork shower on Saturday was Mrs. Robert Genez. The party was held at the North Saginaw street residence of Mrs. Virginia Hawkins, with Mrs. William Hill and Mrs. Paul Hawkins serving as hostesses.

The guest list included Jo Anne Pearce, Mrs. William LeMonde, Sally Hawkins, Mrs. Tee Powe, Mrs. Randy Dunaway, Mrs. Norman Genez, Mrs. Ralph Stanton, Mrs. Ray Wilson, Mrs. Hal LeMonde and Mrs. Thomas Ainge.

Patient is Home

Mrs. Floyd Opperman of Williams Lake road has returned to her home after spending 18 days in Henry Ford Hospital.

Alumni Slates Annual Affair

St. Frederick School Alumni Association officers are making plans for a fifth annual alumni breakfast to be held June 19 at St. Thomas Hall.

The breakfast, for alumni and their families, will follow the 7:30 a.m. Mass. Officers for the coming year will be elected at the affair.

Donald G. McCracken, president, has appointed Mrs. John Dean and Kay Currier to serve as co-chairman. Alumni who have not been contacted may make reservations for the breakfast with Mrs. John Dean.

Look for the orlon cardigan with print lining for wear over dresses and with skirts this summer.

Religious Barrier Mars Rites

Different Faiths Dash Her Plans for Big Wedding

By EMILY POST

Today's first letter is from a bride-to-be: "I am marrying a man of another faith.

"The wedding is to take place in my fiance's church and because I am marrying outside of my religion my family refuse to recognize the marriage and will not be present at my wedding.

"Under the circumstances, would it be considered in bad taste for me to have a wedding with bridesmaids and wedding veil which I have always dreamed of having, or must I give this up and be married quietly?"

Answer: Under the circumstances, I think a very big and elaborate wedding would be in bad taste.

But a simple wedding that is entirely conventional at which you may wear a bride's dress and have bridesmaids and invite all of your friends, would be above criticism.

"Dear Mrs. Post: My employer left on an extended trip recently and before he went away he came to my desk to say good-bye. There was an awkward moment of not knowing what to do about shaking hands.

"I thought he should have offered his hand, but he didn't. Will you please tell me if this was an error on my part?

"Ordinarily I know that a woman extends her hand to a man, but as this man was my business superior I hesitated to offer my hand."

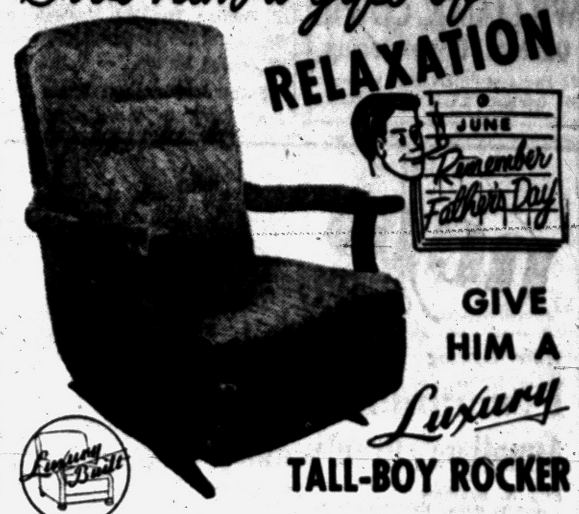

Answer: You were quite right even though he may have expected you to offer your hand. It is better in a case of this kind to be overreserved than assuming.

"Dear Mrs. Post: When enclosing a visiting card with a gift, should it be put in an envelope or not?"

Answer: If sent from a store your card should always be put into an envelope, which you both address and seal.

When sending a present that has been wrapped by yourself you seldom—if ever—enclose your card in an envelope.

Junior Musicale Meets

A picnic was enjoyed by the Student and Junior League members of Pontiac Tuesday. Musicale on Sunday at the Watkins Lake home of Jeanne Nelson.

Swimming and an organ program by Tom Montgomery, Bill Terry and Ray Ebey entertained those present during the afternoon.

Achievement awards were presented to Jerry Exline of the Student League and Diane Beach of the Junior League, for the greatest contribution to music for the season.

Members of the Student League serving on the refreshment committee were Judy Hartmann, Marsha Cameron, Carol Petroff, Jay Hall, Charlotte Osmun, JoAnn Morris, Sam Hartman, Barbara Patterson, Barbara Shadley and Stanton Walker.

Junior League members lending a helping hand were Diane Beach, Lynn Benter, John Bishop, Gail Blamey, Karen Bowman, Frank Bloe and Sandra Brooks.

Others were Judy Andress, Carol Esser, Rhoda Goldberg, Dick Hathaway, Judy Carline and JoAnn Dearing.

KATHERINE PAPANICHOLA

Katherine Papanichola, daughter of Mr. and Mrs. D. V. Papanichola of Dwight Avenue was graduated May 23 from Grace Hospital School of Nursing, Detroit.

Chapter Elects New Officers

Mrs. Donald Kaiser and Mrs. Ward Cummings were co-hostesses recently in the latter's Preston avenue home to members of Beta Chapter of Beta Theta Phi sorority.

Mrs. M. C. Worster was elected president at the meeting. She will be assisted during her term of office by Mrs. George Zannoth, vice president; Mrs. William Hutchinson, secretary; Mrs. Kenneth Madsen, treasurer and Mrs. Norman Mack, corresponding secretary. Mrs. John Allen was elected conductress.

Announcement was made that proceeds from the chapter's recent Beta ball will be donated to charity. Annual reports were given.

Final preparations were made for the last dinner meeting of the year. The banquet will be held June 16 at Devon Gables where the installation of officers will take place.

Engagement News Revealed

BIRMINGHAM — Mr. and Mrs. Charles Merritt Drake of Pilgrim Road, announce the engagement of their daughter, Mary Louise, to Bradley T. Upham, son of S. P. Upham of Mt. Vernon, Ohio.

Mary will graduate this month from Denison University, Granville, Ohio, where she is a member of Kappa Alpha Theta Sorority.

Her fiance was graduated from the Oberlin School of Commerce in Ohio. A September wedding is planned.

Pep Up Tired Feet

A foot bath can do a lot to pep up tired feet. Soak feet in warm to hot soapsuds, then brush each foot, heel and toes, until it tingles Beauty creams should be rubbed into callused spots to soften skin.

ANNA MAE FOX

A recent graduate of Mercy School of Nursing, Detroit is Anna Mae Fox. She is the daughter of Mr. and Mrs. James C. Fox of Ellwood avenue.

Mrs. Balmer Now Heading Central WSCS

Mrs. Richard Balmer assumed her new duties as president of the WSCS of Central Methodist Church at the June meeting held in the church recently.

Annual reports on the work of the society were given. Mrs. Glenn Behler presented a talk on United Nations, and a film, "Fate of a Child," was shown by the Rev. John Mulder.

Mrs. Lester McClellan Jr. chose for her devotional theme, "God's Geography." Life membership certificates and pens were presented to Mrs. G. R. Jarvis and Mrs. George Dietrich

Luncheon was served by the Clara Swain Unit with Mrs. John Hartwick as chairman.

Assisting her were Mrs. Selma Jacobs, Mrs. Emmett Miller, Mrs. Harry Martin, Mrs. Robert Fawcett and Mrs. Ada Schreck.

Spur of the Moment Kiss Can Be Forgiven

By ELIZABETH WOODWARD

"Dear Miss Woodward: I had just one date with him. It was my first date with anybody—but he'd gone out a lot and was in the habit of kissing the girls goodnight.

"I never suspected he'd try it on me, therefore I was dumfounded and just stood there and allowed myself to be kissed.

"I've been very much ashamed since. And I haven't heard a word from him since! My girl friends say it is on account of that kiss. Do you think so?

"I'd like to invite him to a party my girl friend is having next week. But do you think he might think I'd overlooked that kiss?"

Answer: Your first date. Your first kiss. Those are big firsts in a girl's life. They loom excitingly large and important in your recent past.

But it's doubtful that your boy friend attaches quite the same magnitude to both date and kiss, since rumor hath it that he is quite used to both.

So chalk up his silence to the possibility that he's been busy, or has thought up no legitimate reason for calling you, or may even be broke.

If he seemed to have a good time on that date with you, be brave and invite him to the party. If you don't want to be kissed after this date, you can avoid it. You needn't be caught unawares the second time.

"Dear Miss Woodward: When I asked him to go to my girl friend's party with me and told him when it was going to be, he said he didn't know for sure whether he could make it, but would let me know.

"Right then and there he asked me for a date and I accepted and we went.

"But on that date he started to get fresh and I wouldn't have it and we had a beautiful row. I haven't heard from him since, of course.

"Now my girl friend has changed the night of her party, and since my invitation to him is still hanging in mid-air, I suppose I really ought to let him know.

"But we had a fight. Should I just forget that and call him up?

"If I wait for him to call me I may miss out on the party. Should I go with him after the way he acted?

"Will he think I didn't mean it when I got mad and that he can get away with anything?"

Answer: You can behave as though that fight automatically broke off all relations between you, and invite some other boy to go to the party with you.

But if you like the boy, and feel that perhaps you made a whopping big fuss over something you could have controlled quietly, call him up and tell him so.

Admit that you weren't in the mood for that sort of foolishness; you never are, as a matter of fact. And how 'bout going to that party with you just to show there are no hard feelings?

If he can't make the new date, at least you'll get your bid down out of the air where you can do something with it.

MR. and MRS. WILBUR A. WHAYNE

Mr. and Mrs. Wilbur A. Whayne left on a trip to Sacramento, Ky. The bride, the former Eleanor Elain Anderson, is the daughter of Mr. and Mrs. Fred L. Anderson of Walled Lake. Parents of the bridegroom, who reside on Voorheis road, are Mrs. Walker Whayne of Sacramento, Ky., and the late Mr. Whayne.

Eleanor Anderson Is Wed in Lutheran Church Rite

At a Saturday evening ceremony at Cedar Crest Evangelical Lutheran Church, Oxbow Lake, Eleanor Elain Anderson and Wilbur A. Whayne exchanged their nuptial vows before the Rev. Eugene Ryding.

* * *

The bride's parents are Mr. and Mrs. Fred L. Anderson of Walled Lake. The bridegroom, whose home is on Voorheis road, is the son of Mrs. Walker Whayne of Sacramento, Ky. and the late Mr. Whayne.

White lace over satin fashioned the bride's floor length gown. A Peter Pan collar accented the lace bodice and the long sleeves of the dress ended in points at each wrist.

A seed pearl and sequin tiara held her fingertip veil in place. She carried a white Bible covered with white carnations.

MAID WEARS ORCHID GOWN

As maid of honor, Harriet Waltz of Walled Lake, wore an orchid floor length gown of net over taffeta and carried a nosegay of yellow daisies.

Bill Wiseheart of Rochester, was best man. Ushers were Earnest Anderson and John Seifert Jr., both of Walled Lake.

The bridal recital was sung by Clarence Mahrle, accompanied by Mrs. Erwin Hofmeister.

A reception followed at Dublin Community Center, Oxbow Lake. The bride's mother greeted guests wearing a light blue dress with pink carnations.

A blue-gray dress with black and white accessories was the selection of the mother of the bridegroom, who also had a corsage of pink carnations.

When the bride left for a honeymoon in Sacramento, Ky., she donned a blue nylon dress with white accessories and pinned the corsage from her wedding bouquet at her shoulder.

Upon their return, the couple will live in Keego Harbor.

Coffee Bread Is Fragrant With Spices

Mrs. H .B. Harbage Says Cobbler Cake Good When Warm

By JANET ODELL
Pontiac Press Food Editor

When Mrs. H. B. Harbage entertained Board members of the Pontiac Council of Church Women recently, she served a fragrant, spicy hot bread with the morning coffee. This recipe, one that has been in her family for a long time, is what she shares with you today.

Mrs. Harbage is the pleasant and efficient president of the church women's group. Her idea of a summer "vacation" is an unusual one. She works as a camp cook.

COBBLER CAKE
By Mrs. H. B. Harbage

2½ cups sifted flour
2 cups brown sugar
½ teaspoon salt
⅔ cup shortening
2 teaspoons baking powder
½ teaspoon cinnamon
½ teaspoon soda
½ teaspoon nutmeg
1 cup sour milk
2 eggs

Rub flour, sugar, salt and shortening to fine crumbs. Save out ½ cup for topping.

To the remainder add baking powder, soda and spices. Mix thoroughly. Add milk and beaten eggs. Stir until smooth. Pour into a greased pan and sprinkle the half cup of crumbs over the top of the batter. Bake in a 375 degree oven for 30 minutes.

IF demure type—

Victorian velvet-base neckline can be worn high on the long slender throat, or wear it low for short neckline.

Old fashioned detailing in jewelry—the romantic theme is the latest design and this is for the slender and delicate type. Dressed in white this summer with only the black velvet band necklace, the ethereal personality glows.

Patient in Hospital

Mrs. Bernice Cook of Prospect street is a patient in William Beaumont Hospital, Royal Oak.

Queen Mary Unit Conducts Meeting

Queen Mary Section of the Needlework Guild met recently with Mrs. John Gemmell on Pingree avenue.

Mrs. Charles Clarke, group president, called for reports from the welfare, sewing and knitting chairmen.

Plans were made for the fall activities to begin in September. Mrs. Frank Snover invited the group to her home on Belmont avenue for a June 16 meeting.

Champagne, Steaks, Orchids As Well As the Show

Luxury Tours Lure Folks Back to Theater

By PHYLLIS BATTELLE

NEW YORK (INS) — The theater is not exactly dying, but rising costs and TV competition are taking their toll and—to be real Cole Porter about it—there's a hungry yearning deep down inside. For more business.

* * *

"So what'll we do about it?" asked Alexander H. Cohen, burr-haired boy producer. "I'll tell you what we'll do. We will give the people champagne, a steak dinner, orchids, perfume, a ride to the theater on an air-conditioned bus—featuring wand'ring minstrels in the aisles, naturally. And all this, including the theater ticket, for 8 dollars and 95 cents.

"The people," he said smugly, "will then go to the theater gladly.

"If they don't," he said sadly, "I can be addressed next year, General Delivery, Somaliland."

Cohen, producer of some of Broadway's most soaring hits and most crashing flops in the last 12 years, is founder and head of a new package plan called "Theater Tours."

For a year he has been experimenting on a vast network of chartered bus and train trips, the purpose of which is to transport people "from anywhere that has no theater" to "anywhere there is a theater."

TO LURE PEOPLE

The purpose of these quick, one-night tours (New Yorkers go out to nearby summer theaters, while out-of-towners tour in to Broadway) is to get people seeing shows again.

* * *

"The old rule has always been: Bring the theater to the public," he explains. "But now that the costs of touring companies are so high, there has to be a new rule: Bring the public to the theater. The only way we can do it is to bring drama and excitement back into the going-to-a-show idea."

Cohen, now 33, was 21 when he finished drama studies at Columbia University, and he was lured into the theater, he says, by its great glamor.

"Luise Rainer was bathing in champagne, pretty girls were diving into shallow buckets of wine at the World's Fair, and everybody in show business married five times apiece. Something happening every minute."

* * *

Now the action—be it good or bad—has died down. And with it went the business. The novelties and the glamor must come back.

LARGEST TEST

In his largest experiment in theater-night glamor Cohen took a luxury-busload of New York City dwellers to New Haven, Conn., last January to see the road company of "The Pajama Game."

* * *

He gave each passenger a pair of pajamas, the record album of the show, a bottle of Balenciaga perfume, cigars, champagne, and a steak dinner. The price, per passenger, was $14.

"Because I advertised that tour a week ahead of time," Alex says, "I was overwhelmed with requests. Believe it or not, we had to turn away 77,000 people who wanted to go.

"Imagine it—that many wanted to travel way out to New Haven to see a show that was playing every night right here in New York."

* * *

It was the "party idea" that attracted them; a festive night out, at prices they could afford. Cohen has conducted dozens of other such junkets, at varying prices, such as the one last summer to an out-of-town showing of the play "Champagne Complex."

He offered not only the trip, dinner and show but "all the champagne you can drink," and all for $8.95.

EVERYONE CROCKED

"It was the only performance of that play which an entire audience enjoyed," he remembers. "All of them crocked."

The first scheduled trip for this summer will be by air-conditioned bus, featuring dinner and favors, to the "Music Circus" in Lambertville, N. J., where "Wonderful Town" will be revived for theater-in-the-round.

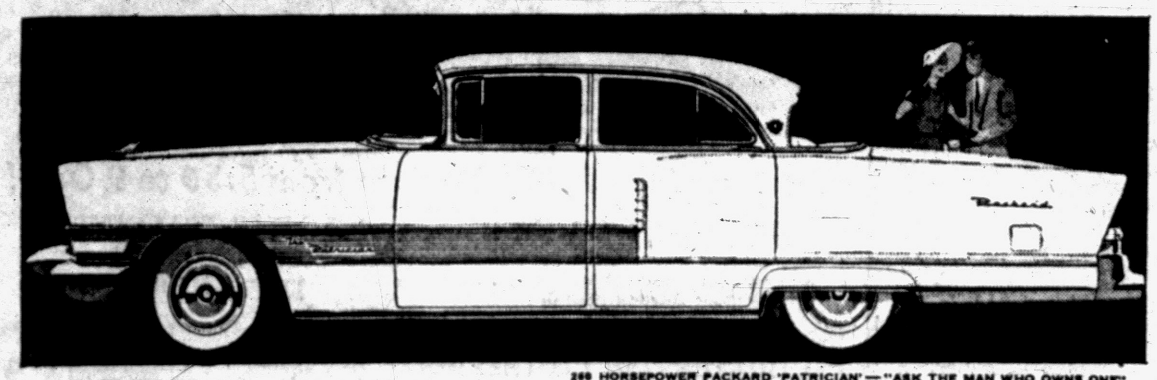

This will be followed by dozens of others, and, Cohen hopes, by tour-planners like himself throughout the country.

"I hope everybody copies this idea, of running tours to theaters. We don't aim to make a mint of money on this. We just want to resell the theater."

Gets Wrong Audience

DES MOINES (UP) — Monte Foreman, a Colorado authority on riding, spoke to the Town and Country Riding Club here about what kind of bit to use, where to sit in the saddle, and how to handle reins. But his audience included some widely known Iowa horse show judges, and they disagreed with him. There were suggestions the club refused to pay his $150 lecture fee. The board of directors suggested he cut his fee to $100. He did.

the New PACKARD
with Torsion-Level Ride

200 HORSEPOWER PACKARD 'PATRICIAN'—"ASK THE MAN WHO OWNS ONE"

SMOOTHS THE ROAD... LEVELS THE LOAD—Automatically

Rest assured . . . with Packard Torsion-Level Suspension you get the most relaxing, most reassuring ride on any road today!

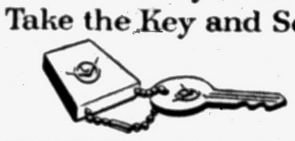

Packard eliminated conventional coil and leaf springs, and designed Torsion-Level Suspension not just for *cushioning* effect, but to *absorb* all twisting forces due to up-and-down wheel movement . . . the same twisting forces that in other cars pitch and bounce the passengers, wrack the car frame and body.

A unique power-controlled Levelizer keeps the car automatically at ideal ride level, no matter what the passenger or luggage load.

Packard created a new "free-breathing" V-8 engine, unleashing up to 275 horsepower, and *delivering more driving force to the rear wheels at all road speeds than any car!* Packard's Twin Ultramatic, smoothest of all automatic transmissions, gives you your choice of starts!

The *new* Packard is a matchless blend of grace and spirit, luxury and good taste . . . truly, the *one* new car in the fine car field. Let us arrange a revealing test ride for you *today!*

We invite you to Take the Key and See

How to Handle Your Money: 1

Include Common Stock in Your Savings Plan

Following is the first installment of a 10-part interview with Benjamin Graham, security analyst and Columbia University professor, who anwers questions on the how's, why's and when's of investing your money.

Q—Do you recommend, Mr. Graham, that a man of moderate means include, as a general rule, some common stock when he invests his savings for the long term?

A—My answer would be definitely "Yes," under normal conditions.

Q—Why?

A—Because common stocks have the advantage, in the first instance, of representing sound, growing investments in the American economy, with a higher return than you would get on bonds, and secondly, because they do carry some measure of protection against inflation—against further inflation of the kind we've lived through as a result of the last two wars.

Q—Would you say there is some risk in not including some common stocks in long-term savings?

A—Yes. The experience of my lifetime has shown it is a very definite risk to have your investment only in bonds.

Q—Will you detail that a bit for us?

A—Yes. Since 1913, the price level has approximately tripled, and, at the same time, interest rates have gone down a good deal. The old bonds with high coupon rates have been pretty well called, no longer exist.

SUFFERS 2 WAYS

The result is that the man whose investments were solely in bonds has suffered both a reduction in income return on a percentage basis and a large reduction in the purchasing power of whatever income or principal he had.

Q—Will you give us the other side of that now? What would have happened to the same man if he had bought some stocks?

A—Well, if he would have diversified his holdings among representative common stocks in 1913, or in most other periods since 1913, he would have had an advance in value and in income which would have at least kept pace with the rise in the cost of living.

Q—Now a man with an income of, say, $5,000 who has but little saved, and doesn't expect to accumulate much out of that kind of income—would you recommend any common stock for him?

A—On the whole, I would say "No," largely because what he could gain by having a common-stock component in his savings isn't large enough to warrant the amount of intelligence and character needed to carry on an investment program in common stocks soundly.

Q—He would be better off to buy something with a safe principal and a fixed return?

A—I think so, even though it involved some risk of loss of purchasing power.

Q—And in a situation like that, would you recommend, say, No. 1, insurance and, No. 2, Government bonds? Or what would you recommend?

A—Yes. I think the usual combination of insurance and Government bonds is correct.

Q—What is that combination—what proportion?

A—Well, that's difficult to say, because I think the insurance depends almost entirely on his protection requirements. I don't believe that the amount of insurance should be related to his savings program particularly. The savings should be related in insurance, but they are incidental.

INVESTMENT FIRMS

Perhaps I should correct my previous statement a little bit by saying that it is possible for the small man, the $5,000-a-year man, who wishes to build up an interest in common stocks out of his rather modest savings, to do so reasonably well by following one of these accumulation programs in the investment-fund area—

Q—Investment companies?

A—Yes, investment companies. Yes, he could do it, and I think on balance it would probably be better for him to do it if he wants to do so rather than not to do it. There are some risks involved in that program, but there are also some advantages, too.

Q—If he goes into that, you would recommend three elements, then; whatever his insurance his family needs for protection, some savings bonds, and some investment-company purchases?

A—That is right, yes.

Q—When you speak of Government bonds, you mean savings bonds?

A—Oh, yes. I see no reason whatever for the small man to invest in Government securities other than the very attractive savings bonds which he now can buy.

Q—You think they are a good buy for the average man?

A—A very good buy in terms of fixed-interest investments.

Q—This $5,000 man we were talking about—

A—Actually, I should like to say this about the $5,000-a-year man. The original question assumed that his $5,000 was pretty well fixed. But that may be rather unrealistic. Most $5,000-a-year men are expecting to earn more than that as they go along, in one way or another.

The younger man who has reached $5,000 in his career naturally expects to do better, and it wouldn't hurt him at all to start out in some common stock program and get an education in common stocks, in part, by practice.

Russians Getting Worried Over Teenage Crime

By THE ASSOCIATED PRESS

Teen crime gangs, student brawlers, youthful drunkenness, loose morals and all that goes with postwar juvenile delinquency are rocking the nation—the Soviet nation, that is.

They have it bad there too.

Elders—in this case the Communist party elders—are shaking their heads and wondering where the younger generation is going to wind up. Bawlings out in the party press are an everyday affair.

These are often kids from the best families, by Soviet standards, sons and daughters of Communist party officials, scientists and others whom the press terms "respected citizens." The parents—just like parents in the United States—profess themselves baffled by it all, and the Soviet press blasts laxity in parental control.

* * *

The delinquency has been going on ever since the war, but it has reached a peak in recent years. The Soviet press infrequently carries articles about crime, except when it seems necessary to single out certain culprits as horrible examples. But the press this year has been full of teen crime stories. Here are some examples:

In Leningrad, juvenile gangs beat up schoolmates, terrorized teachers and disrupted neighborhoods. Komsomolskaya Pravda, the newspaper of the Young Communists, said it was a "survival of the capitalist past and poisonous American influence," even though the Soviet public is carefully shielded from everything American.

* * *

In Moscow, a gang of boys from Public School 355 ambushed and beat up the son of Col. S. I. Khlysalov. Why? Because the boy's sister snitched on their activities.

In Leningrad, idle youngsters of well-off bureaucrat parents, just for the thrill of it, adopt American names like Jane and John, borrow the old man's car and raise cain around the town. One of these went so far as to dub himself "Rockefeller Jr." Georgi—that was his real name, nagged Papa into buying him a Zim, an expensive Soviet automobile. Bawling him out, Leningrad Pravda said he was fond only of dancing and easy life.

"When he needed money for himself and his drinking companions, he drove through the streets in his Zim, picking up taxi fares."

* * *

Just last week, Komsomolskaya Pravda carried an article entitled "On Our Streets." It complained that Moscow boys were becoming bandits because in their teens their parents neglect them. Take Igor G., for example:

Igor, said the paper, was attacked by classmates, who took his hat and demanded a ransom of 10 rubles ($2.50). He could pay or be beaten up. Igor raised the ransom by stealing books from his father's library and selling them. Then Igor got a protector, a tough schoolmate nicknamed "Biscuit."

But Biscuit was a gang leader and frequenter of beer halls. He assigned Igor to get him a pistol, saying he needed it in "physical culture and defense" training work. Igor got the gun, somehow, and Biscuit's gang used it to hold up a woman on a suburban train. Igor and others of the gang landed in the hoosegow.

There was the case of the young girl at a party, who was asked by a young toughie to dance. She refused his rude advances, so he socked her on the jaw. And who did the socking? Of all people, a member of the Young Communist League!

Hoover in Favor of Foreign Aid

Commission Suggests Multi-Billion Dollar Program Be Continued

WASHINGTON (UP)—The Hoover Commission said today the U.S. foreign aid program, which has cost more than $50,000,000,000 since World War II, "should be continued."

* * *

Eight of the 12 commission members said "the time has come to apply some brakes" to the program. They called for "substantial reductions" in aid spending.

But all of the commissioners agreed that the aid program, "despite many mistakes and waste," has contributed a lot of the security of the United States and the free world. And they unanimously endorsed the principle of continued military, economic and "Point Four" technical assistance to other countries.

"There are great problems of economic and humanitarian advancement in many countries in the solution of which the United States should take part," the commission said.

COST CUTTING

With occasional dissents by some members, the commission offered 11 recommendations for improving the program and cutting costs. It said these proposals, if adopted, would result in a saving of "at least $360,000,000" annually "without prejudice to the objectives" of the program.

Some of the recommendations were organizational in nature, and generally endorsed steps already taken by President Eisenhower to abolish the independent Foreign Operations Administration and place the over all direction of the aid program under the State Department.

Other recommendatidns:

1. Point Four technical aid to members of the North Atlantic Treaty Organization should be eliminated because these countries are already highly developed and have plenty of technical know-how of their own. Commissioner James A. Farley dissented from this proposal, arguing that "a situation might very well arise" where technical aid to a highly-developed European ally would be helpful.

* * *

2. All repayable loans made under the aid program should be negotiated and administered by the Export-Import Bank.

3. Aid to support the defense efforts of other countries should be in form of outright grants, and not loans, since this kind of aid is "not a recoverable asset" and there is no real prospect of repayment. This runs contrary to a recent disposition among some members of Congress to require that stated percentages of aid must be in the form of loans.

Detroit Tot Is Burned Pulling Pot Off Stove

DETROIT (INS)—A two-year-old Detroit girl pulled a pot of boiling chicken from the kitchen stove onto her head and shoulders yesterday and suffered severe second and third degree burns.

She was rushed by police to Delray Hospital where doctors said 40 per cent of her body was burned.

CIRCUS WONDERS — The field at Walton Blvd. and Baldwin St. held many wonders for the crowd of "boys" (young and old) who got up before breakfast Saturday morning to enjoy the excitement behind the scenes as the King and Cole Bros. Circus went about the task of setting up the big top and making ready for the two performances held before ful houses Saturday afternoon and evening. Some of the boys were lucky enough to earn free passes to the show, sponsored by the Junior Chamber of Commerce, by helping pull the canvas and competition was keen for the jobs. Above, a young fellow looks on wistfully as the billboards on the midway are hoisted into place. Left, Mike Lalone, 6, of 200 Baldwin Ave. timidly offers one of the camels a choice morsel of alfalfa.

Adm. Radford Warns MSC on Red Threat

EAST LANSING (AP)—Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff, has cautioned the free world not to interpret the recent switch in Soviet Russia's tactics as a departure from long range Communist objectives.

Radford told the Michigan State College graduating class yesterday that despite East-West accord on the Austrian Treaty and Moscow's apparent willingness to participate in Big Four talks, there has been no real indication of a fundamental change in the Kremlin's policy.

"The military threat of Communism is a very real one," Radford said.

But all was not grim for the young graduates, he added.

"I suggest that if any of you young people ever think of betting your future on the world being destroyed you better take a long look at the odds," he said. "The end-of-the-world predictions are not new. Archeologists find them chiseled on stone tablets thousands of years old."

More than 20,000 persons turned out to see the 1,895 graduates in sun-drenched Macklin Stadium.

President John Hannah conferred alumni awards for distinguished service on:

Dr. Paul S. Armstrong, general manager of Sunkist Growers of Los Angeles; Dr. Lee M. Hutchins of the U. S. Department of Agriculture; Stanley Johnson, superintendent of MSC's South Haven experimental station; Dr. Henrik J. Stafeth, director of MSC's division of biological science; and Dr. William F. Uhl, president of Charles T. Main, Inc., of Boston.

Hannah presented honorary doctor of laws degrees to 13 men and women.

Among six Michigan recipients were Albert E. Heustis, state health commissioner; Willard Maxey, of Lansing, director of the State Department of Social Welfare, and Emory Morris, of Battle Creek, president and general manager of the W. K. Kellogg Foundation.

Also State Rep. Don Vander Werp, of Fremont, Matilda Wilson of Rochester, former member of the State Board of Agriculture and State Rep. Joseph Warner, of Ypsilanti.

Others receiving honorary degrees were Carlton Hayes, of Afton, N. Y., historian and professor Emeritus of Columbia University; Ludovico Hidrosollo, of Manila, P. I., a government official and educator, and Andrew McNaughton, of Ottawa, chairman of the Canadian section of the permanent joint board of defense for Canada and the United States.

Also Hazel Katherine Stiebling, of Washington, director of human nutrition and home economics research for the U. S. Department of Agriculture; Sewall Wright, of Chicago, professor of zoology at the University of Chicago; Mordecai Johnson of Washington, clergyman and president of Howard University, and Adm. Radford.

Find Graduates of Calvin College Highly Prolific

WASHINGTON (UP)—Graduates of Calvin College are the most prolific among three Michigan schools tested in a nationwide survey and they rank high in the national standings.

Calvin's male graduates rank fifth among alumin of 86 colleges throughout the nation tested by the population reference bureau. The Calvin coeds of years gone by rank third among the nation's women graduates.

Calvin's male graduates have an average of 2.38 offspring while the women graduates have an average of 2.10 babies each. Kalamazoo College's female graduates and Michigan College of Mining and Technology male graduates also ranked above the national average but failed to challenge Calvin.

Tech's graduates' average of 1.93 compares with a national average of 1.73 while Kalamazoo's average of 2.09 compares with the national women's average of 1.43.

Report GI Arrested by Czech Guards

WAIDHAUS, Germany (AP)—West German border police today reported the arrest at this border point of an American sergeant by Czech frontier guards.

They said the sergeant and two soldier companions, apparently on a sightseeing trip to the border, stepped near the frontier yesterday. Then the sergeant moved forward to take a picture of the Czech border hut.

German police said he strayed a few yards into Czech territory and was immediately arrested by Czech guards. They said a few minutes later he was seen in an army truck headed toward the interior of the country.

Trace Tooth Prints

LONDON (UP)— Police charged Frank Roberts with the burglary today of the White Swan by matching his teeth marks against those left by the intruder in a slab of cheese.

PHS Students Hold Science-Arts-Letters Fair

A new project—The Science, Arts and Letters Fair—launched by students and teachers at Pontiac High School last week turned out to be such a success that it will become an annual event.

Instructors for the departments sponsoring the fair were Georgianna Schultz, Constance Pokela and John Youngpeter.

The event included an outdoor exhibit of paintings, crafts, sculptures, jewelry and miscellaneous articles by the art department.

The English department offered an exhibit of student projects and booklets. Students of the Science department set up projects and demonstrations for their portion of the fair.

One exhibit which drew much attention was a glass house with an ant hill inside, displayed by James Stewart. Crowds gathered to watch the little creatures build their home.

A demonstration, "Osmosis" by Melvin White, and one of seven rated superior in the Pontiac Fair, had previously received an "excellent" rating at the State Science Fair at Hillsdale College, May 13.

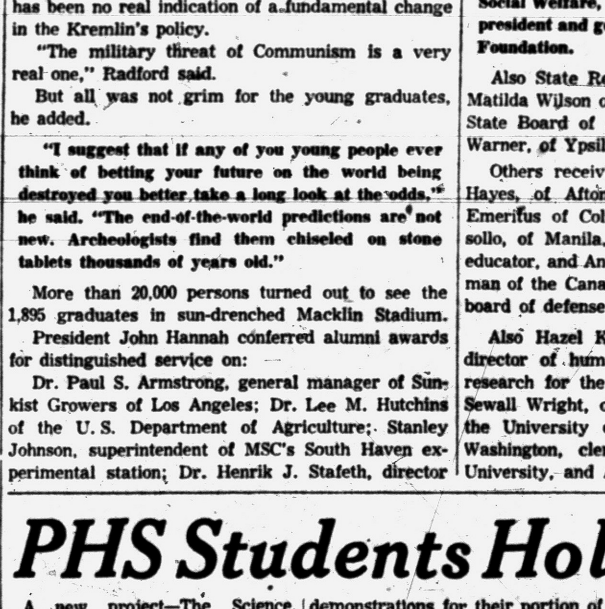

Ratings from the Science section included seven 'superiors'. They were:

Constantine Sousanis, Melvin White, James Shaw, Patricia Zielke, Mary Sue Dahlgren and Sharon McRae, and William Hertel.

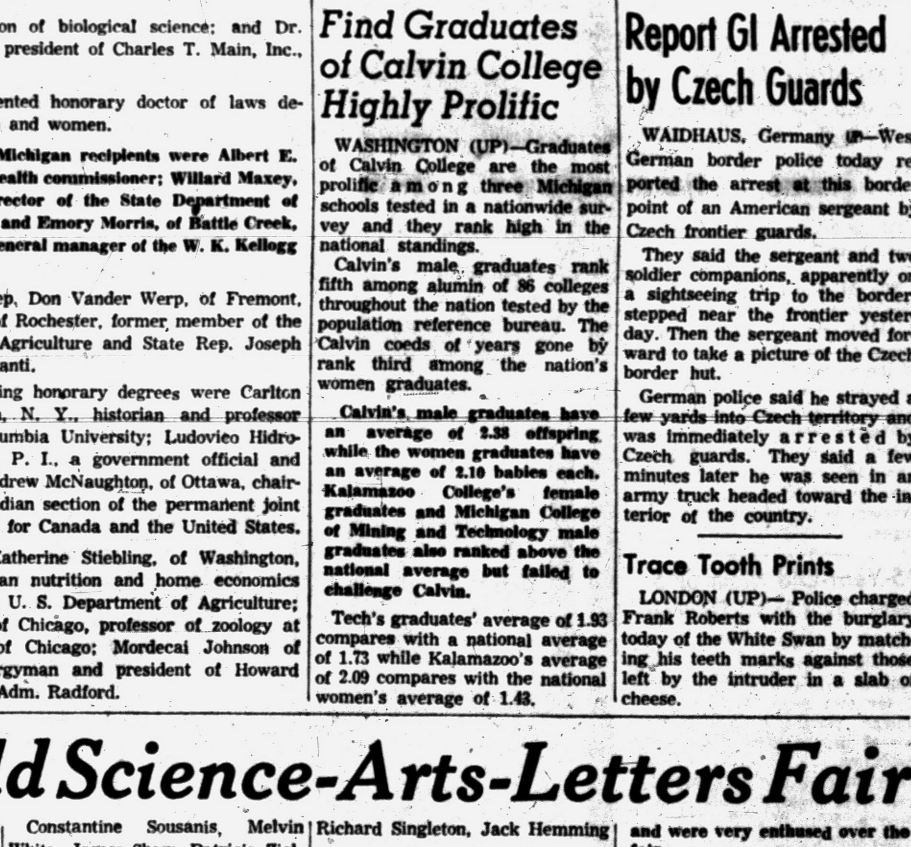

Excellent ratings were given projects displayed by Bill Wood, Richard Singleton, Jack Hemming and Patricia Taylor.

John Youngpeter, science instructor at the school, said today that pupils had learned a lot and were very enthused over the fair.

"So enthused were they," he said, "that some of them have already chosen their projects for next year's fair."

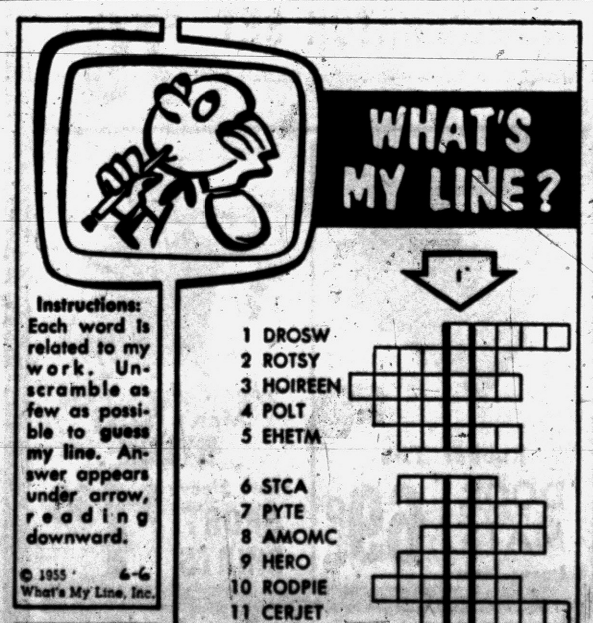

DEMONSTRATION — Gary Van Ryzin, President Biology Club; John M. Youngpeter, Biology instructor, and Melvin White, Fair Chairman and vice president of Biology club, view demonstration prepared by White for Friday's Science, Arts and Letters Fair at PHS.

FIRST PRIZE WINNER—Stephanie Jones (right) took first prize in the still life class for her drape and pitcher painting at the Pontiac High School Science, Arts and Letters Fair. Pictured (left to right) also are Louie Zahn and Phyllis Cotter, fair committee members.

Piano Recital Is Presented by Pontiac's Vivian Scott

By JAMES Y. VANDERSALL

Displaying a sweeping, vital style which caught the listener immediately, Pontiac's Vivian Scott presented a piano recital last night in the high school auditorium on behalf of the Newman A.M.E. Church Building Fund.

A 1943 graduate of Pontiac high, Miss Scott attended Howard University, the Julliard School of Music and made her debut last March 20 at Town Hall, New York City.

The artist opened her program with the "Italian Concerto" by Bach. Her ability was apparent in the third movement which required a large technical display of melodies answering ack and forth from treble to bass clef with a resonant and bell-like tone.

The 20-part "Carnival" by Schumann comprised the program's second part. Miss Scott seemed able to se her tremendos techniqle to attain beauty, interpretation and rhythm coupled with tone which made the piano fairly talk.

Following intermission, Miss Scott hit the technical high point of the night by playing 12 etudes of Chopin's Opus 25. The etudes, rippling with melody and intensive arpeggio passages, were done with ease and created a feeling in the listener that the artist uses this technique as suggested by tone as a means to an end.

The fourth and final part of the program began with Debussy's "reflections in the Water." This is impressionistic music and the picture of the reflections from the Water was deftly portrayed by Miss Scott's artistry.

Next came "La VieBreve" by de Falla, then "The Maiden and the Nightingale" by Granados with its soothing and peaceful tones.

Last programmed selection was "Triana" by Albeniz. The enthusiastic audience response, however, drew three encores, "The Cuckoo" by Swanson, "Song and Dance" by Mompou and "Rigaudon" by McDowell.

After the recital, many of those attending met Miss Scott at a reception in the YWCA. The artist is maried in private life and has two children, a daughter, six years old and son, five.

12 New Stamp Subjects Told

New Issue Will Limit Denominations to 18 Instead of 32

WASHINGTON (AP)—Twelve subjects for the stamps still to be issued in the new ordinary postage stamp series were announced today by Postmaster General Summerfield.

The selections complete preliminary work on a change-over which will limit regular stamp issues to 18 denominations and cut out 14 others. The change is the first since 1938, when 32 denominations were issued.

Six of the new stamps already have been issued—the 1 through 5-cent ones, 1½-cent and the 8-cent two-colored Statue of Liberty stamp, the first of the new series to be put out. Descriptions and dates of issuance for the remaining 12 will be announced later.

* * *

Summerfield said inclusion of a 40-cent stamp in the group would make possible any mailing up to 60 cents with not more than two stamps.

The new 18-stamp series will include six with pictures of former presidents, six of other famous Americans, and six of historic shrines.

The 12 new additions will show Theodore Roosevelt on the 6-cent stamp; Woodrow Wilson, 7-cent; Mount Vernon, 1½-cent; the Alamo, 9-cent; Independence Hall, 10-cent; Monticello, 20-cent; Benjamin Franklin, ½-cent; Robert E. Lee, 30-cent; John Marshall, 40-cent; Susan B. Anthony, 50-cent; Patrick Henry, $1; and Alexander Hamilton, $5.

Detroiter Named Head of Michigan Amvets

TRAVERSE CITY (AP)—Edwin L. Numbers of Detroit was named state commander yesterday of the Michigan Division of Amvets to conclude the group's 11th annual state convention.

Edmund Gulewicz of Hamtramck was named senior vice commander.

The Michigan Amvets adopted resolutions asking the immediate establishment of a minuteman reserve of one million; revamping of the national civil defense program and establishment of a secretary of civil defense. A final resolution seeks more thorough federal investigation of individuals who apply for a government franchise to originate and service government insured-guaranteed mortgages.

75-Year-Old Mom of 5 Gets Own MSC Degree

EAST LANSING (UP)—A 75-year-old East Lansing widow, Mrs. Augusta Lynch, received a degree of her own from Michigan State College yesterday after putting five of her children through the institution.

Her children and 13 grand children were present to see her receive a journalism degree. Mrs. Lynch said she sometimes "had to hustle" to keep up with studies, "but I certainly couldn't be outdone by my children."

Sentenced in Assault

Patrick W. Duggan, 21, of Pontiac, today was placed on two-year probation and assessed $200 court costs by Oakland County Circuit Judge George B. Hartrick.

Charged with assault with intent to rape, Duggan admitted last Feb. 14 to abducting a 15-year-old girl by forcing her into his truck at knife-point last Jan. 4 at Airport and Hatchery Rds.

East Detroiter Held in Fatal Fistfight

EAST DETROIT (INS)—A 20-year-old East Detroit man was held by police today following the death of his stepfather during a fist fight.

Slated for further questioining was Richard Johnson, who told detectives late Saturday that his stepfather, Cecil S. Lee, 59, struck him first and then a second time after he had floored Lee.

After the esecond flurry, Johnson said, Lee's head struck the floor. He died shortly afterward.

Contradicting John's story was an autopsy by Macomb County Coroner Clifford Reed which showed Lee died of a double fracture of the skul land jaw and that he sustained fractured ribs and multiple bruises about the head and face.

Unchanging Restaurant

BOSTON (UP)—Waldo Hemenway, a Worcester, Mass., connoisseur, recently visited a Boston restaurant where he had last dined in 1910. The initials he had carved on the table 45 years ago were still there.

Says Bouncing Babies Cry at Christening

WARLINGHAM, England (UP)—A Church of England vicar said today that one reason babies cry at christening is they are 'bounced' around like a 'cocktail.'

The Rev. J. D. Underwood wrote in his parish magazine that godmothers seem to think the only way to silence an unhappy baby in church is to bounce it up and down.

Teenage Dances End for Season

Youth Nights at CAI Center in Waterford to Continue in Fall

WATERFORD TOWNSHIP — Regular weekly Youth Night dances at the CAI Building have ended until fall, but three special programs will be conducted this summer for Waterford Township teenagers.

Dates for the three evenings, which will include a dance band or other entermtainment features, have been scheduled for June 17, July 22 and Aug. 19, according to Tom Belton, superintendent of the Waterford Township Recreation Department which sponsors the programs.

Additional County News on page 8

"Youth Night has proved a huge success, Belton said, "with over 500 membership cards issued and an average attendance of 250 each night. Largest attendance for one evening was 407.

"This is one way we can help provide a wholesome atmosphere for teenagers of the community to spend their leisure time, and we plan to continue the Youth Nights next fall."

Programs have consisted of dancing, games and dairy bar refreshments.

County Deaths

Austin B. Hill

GOODRICH—Service for Austin B. Hill, 89, of 8384 State Rd., will be held at 2 p.m. Tuesday at the C. F. Sherman Funeral Home, Ortonville, with burial in Goodrich Cemetery. He died Saturday.

Surviving are a son Roy of Goodrich, a daughter, Jessie, at home, five grandchildren and nine great-grandchildren.

Mrs. Ella T. Harmon

MILFORD—Service for Mrs. Ella T. Harmon, 88, of 6000 Carey Rd., will be held at 3 p.m. Tuesday at Richardson-Bird Funeral Home, with burial in Ottawa Park Cemetery. She died Sunday.

Surviving are four daughters, Mrs. Marvin Puckett, Mrs. John Puckett, Mrs. Lloyd Adams and Mrs. Elmer Puckett, all of Pontiac, four sons, Frank of South Lyon; Allen of Lansing, Tom of Kentucky, and Hunter of Milford, 14 grandchildren, 16 great-grandchildren, and three great-great-grandchildren, and a brother, Albert Rankin, of Florida.

William A. Potter

FARMINGTON TOWNSHIP — Service for William A. Potter, 52, of 21205 Waldron St., will be held at 2 p.m. Wednesday at the residence, with burial in North Farmington Cemetery by the Thayer Funeral Home. He died Sunday.

Surviving are five daughters, Mrs. Donald Beare and Ms. Roy Kolikowski, both of Detroit; Mrs. Roy Chapman and Miss Carolyn Potter, both of Farmington; Mrs. Elizabeth Bryant, of Tuscon, Ariz., a son, William S., of Livonia, his father, Robert Potter, of Detroit; two sisters, Mrs. Rex Anderson of Detroit and Mrs. Elmer Bassett of Livonia; three brothers, Robert and Eugene, both of Detroit, and Howard, of Garden City, and six grandchildren.

PATSY ANN BURRELL

Patsy Ann Burrell's engagement to Frederick G. Schwartz of Walled Lake has been announced by her parents, Mr. and Mrs. Jack D. Burrell of West Bloomfield Township. Her fiance is the son of Mr. and Mrs. Fred Schwartz of Highland Park. A September wedding is planned.

Student Concert Set Tuesday at Romeo

ROMEO—The final musical concert of the year will be presented by choral groups of Romeo High School in the auditorium Tuesday.

The curtain will go up at 8 p.m. on the third annual concert entitled "June Tunes." Students in grades 7 through 12 who have studied all year under Donald Albrecht, choral director, will be featured on the program.

In addition to numbers to be sung by members of the seventh and eighth grade vocal group and the junior high chorus, familiar musical comedy songs will be sung by the high school Mixed Chorus.

"Musetta's Waltz Song" from the opera "LaBoheme," and the ever-popular "In the Still of the Night" have been selected for presentation by the Girls' Glee Club. The Boys' Glee Club will sing "I Ride Old Paint."

Featured solosit will be James Davis, junior class Interlochen scholarship winner.

Fire Damages Home on Elizabeth Lake Road

WATERFORD TOWNSHIP — An unoccupied frame house at 738 Elizabeth Lake Road received $1,200 damage early Sunday when it caught fire.

A passing motorist noticed the smoke and turned in the alarm. Cause of the blaze has not yet been determined, fire officials said. Mrs. Ethyl Leland is the owner.

Troy Township Recreation Program to Begin June 20

TROY TOWNSHIP — The Troy summer recreation program will start June 20 and run for seven weeks.

Recreation activities will take place on the following school playgrounds: Big Beaver, Log Cabin, Poppleton, Colerain, Smith, Troy 2 and Troy Union schools, and Troy High and Baker Junior high baseball fields.

The program is co-sponsored by the Troy Township Board and the Board of Education. The township has allotted $1,000 and the Board of Education $1,000.

The United Community Services of South Oakland County has given $2,000 to be used as salaries for the recreation staff. This money that the UCS has donated is on a demonstration basis only, to keep the recreation program alive and show the people of the township what can be done in the line of recreation. This money is from the Torch Drive that is made annually.

The program will include swimming at the salt water pool on Rochester road on Tuesdays and Thursdays. There will be several baseball leagues including an adult softball league.

There will be badminton, tether ball, croquet, horseshoes, cork ball, weaving, leather work, checkers, clay moulding, plaster moulding and many other crafts and games for the children.

The staff includes Boyd R. Larson, principal of Baker Junior High, recreation director; Sam Tassio, high school baseball coach, in charge of boys' swimming and baseball; Sallie Buck, High School girls physical education instructor, in charge of girls' swimming and playgrounds.

65 Holly Seniors Set to Graduate Tuesday

HOLLY — The 65 Holly graduates will receive their diplomas Tuesday evening at 8:15 in the gymnasium.

The speaker will be Dr. Howard R. Jones, Professor in the school of education at the University of Michigan.

County Calendar

Galloway Lake

The WSCS of Galloway Lake Methodist Church will meet at 7:30 p.m. Tuesday at the home of Mrs. Sturgil DeVary.

Ortonville

The Christian Crusaders of the First Baptist Church will meet at 1:30 p.m. Tuesday at the home of Mrs. Glenn Vandewarker.

His Idea Backfires

CLEVELAND, Ohio (UP)—Harold Fleisher was fined double for making an illegal left turn at an intersection for which he had recommended a neon-left-turn signal. Fleisher handed the judge a newspaper clipping identifying him as the winner of an idea payoff for the neon light suggestion. Judge John Corrigan imposed the double fine, saying, "You should have known better."

Tornado Hits in Texas

ENCINAL, Tex. (UP)—A twister cut through this south Texas town of 600 last night, heavily damaging homes, stores and other property. No injuries were reported.

YOU'D NEVER KNOW I HAD PSORIASIS (S. D.)*

"The results of Siroil on my psoriasis lesions have been amazing. Now I am able to go out in halter and shorts—something I haven't been able to do for years." (letter on file). Siroil tends to remove psoriasis lesions on outer skin. Light applications will help control any recurring lesions. Siroil will not stain clothing or bed linen. Sold on a two-weeks-satisfaction-or-money-back basis. 22 years of successful results.

MIAMI, Fla. (AP) — They are X-raying airplanes to see if they are developing hidden defects. National Airline's maintenance base uses an X-raying machine, similar to but bigger than those used by doctors.

Daughter Clears Mom for Commencement Talk

GODFREY, Ill. (AP)—Mrs. Ivy Baker Priest, United States treasurer, gave Monticello College's commencement address yesterday but she cleared it with her daughter first.

It was Nancy's 14th birthday.

"I cleared it with Nancy before I agreed to make this talk," she said. "I figured that Sunday, of all days in the calendar, Nancy should have first claim on me."

Shooting Breaks Out Again in Gaza Strip

CAIRO, Egypt (AP)—New shooting between forces of Egypt and Israel along the troubled Gaza Strip has brought fresh Egyptian demands for a demilitarized zone along the Israeli-Egyptian frontier.

Egypt's War Office said six Israeli armed cars and trucks opened fire early yesterday on two Egyptian outposts near the demarcation line.

An Israeli army spokesman in Jerusalem accused the Egyptians of shooting first.

Neither side reported any casualties in the three-hour exchange.

Girl Is Whole Class

BLOCK ISLAND, R. I. (AP)—Elizabeth May Swanscott was the entire graduating class at the high school here last night. Principal speaker at the baccalaureate service was her father, the Rev. Lew Swanscott, pastor of the First Baptist Church.

Starlet Goes Overboard for Premier in Venice

BY EARL WILSON

VENICE—Americans lead the world — even in kidding the pants off the public.

At the world premiere of the film "Summertime"—which we all went to in gondolas, dressed formally — a loud splash was made by a pretty girl in an evening gown when she fell . . . as she was alighting from her gondola . . . into the Grand Canal.

★ ★ ★ ★

Still just a naive reporter from Ohio, I was shocked when I heard that this tumble of her was a "plant."

BRAZZI

The gal who took the fall, Luisella Boni, 18, a young actress, had been told that this was a good acting opportunity for her and might get her to Hollywood. Mike Mindlin and other New York exploitation geniuses had even advised the photographers the precise minute at which she would "lose her footing."

"Have you taken every precaution?" asked somebdy worried about possible consequences to Miss Boni.

"Oh, yes; if she doesn't go through with the fall, I've got somebody right behind to push her," assured Mr. Mindlin.

But the gal was a good sport, and fell unpushed, hoping that her picture would "break all the front pages." She wore one of her old evening gowns for the dip—but right behind her in another gondola was a pretty new one, also towels to dry her off. Thus is history made.

It was a natural — that fall.

Because Katharine Hepburn, starring in the film — she plays a secretary from Akron who meets a guy over here and what goes on I can't tell you — backs off the dock into the canal while taking home movies.

MARY ELLEN

★ ★ ★ ★

Pulling up at the premiere in our gondolas, right on the Grand Canal, or in Venice's Time Square, we entered a palatial outdoor theater which somebody called "a row-in movie."

It's just down the canal from Barbara Hutton's boarded-up palace which can be had a bargain: $800,000.

Personally, I thought Miss Hepburn superb, the phtography of this beautiful city quite astonishing, and had to agree with my wife that Ilya Lopert's leading man, Rossano Brazzi, can become the new Charles Boyer if the old Charles Boyer ever wears out.

Gloria Swanson was one of us tourists who enjoyed the dialogue. One American tourist in the film said that to him Venice was "just Luna Park on water." On meeting an Italian, he exclaimed, "It's so nice to meet an Italian in Italy."

Wonder where he found one?

THE MIDNIGHT EARL . . .

Jackie Gleason's writers have started work already on next season's half hour filmed shows . . . Marion Marlowe's first disk for Cadence Records (Archie Bleyer's firm) is being boosted with the line, "Godfrey Fires 'Em, Bleyer Hires 'Em."

Arthur Murray offered curvy Anita Ekberg $10,000 to appear on his TV show—just to sit around and look pretty.

Jeff Chandler will do the narration for Nat "King" Cole's screen biography . . . The Paul Munis moved into a Park Av. Penthouse.

Lana Turner will ask Metro for a one-picture-a-year deal when her contract expires in '56 . . . Tom Ewell, a hit in "Seven Year Itch," sold his Bucks County farm . . . Pert Mary Ellen Terry provides the feminine interest on Paul Winchell's NBC-TV show.

★ ★ ★ ★

WISH I'D SAID THAT: Herb Shriner complains that on the roads these days you ride bumper to bumper to get to the beach where you sit the same way . . . That's earl, brother.

Sunburn Pain Disappears Smooth Tan Emerges Without Peeling or Blistering
Science Discovers New Ointment That Instantly Stops Pain of Sunburn . . . Turns Redness Into Comfortable Tan
New York, N. Y. (Special): A leading research institution has discovered a new medical substance that instantly stops pain of sunburn . . . and prevents blistering or peeling, so angry redness may turn to handsome, comfortable tan.
Doctors know sunburn affects skin just as ordinary burns do. They also know the body needs oxygen for healing burns. The secret of this new substance is its astonishing ability to draw healing oxygen and nutrients directly from blood-stream into sunburned area. Thus, sunburned skin heals completely and, except in unusual cases, smooth tan emerges.
This substance is known as Sperti® Ointment. Sperti Ointment does not sting or stain. Now sold at all drug stores for 98¢ a large tube. Buy Sperti Ointment with amazing guarantee that your sunburn will turn to handsome tan, or your money is refunded.

Hollywood Headlines

Big Film Crowd Is Going to Istanbul-Hilton Opening

By LOUELLA O. PARSONS

HOLLYWOOD (INS) — Well, I'm off—not to see the "Wizard of Oz," but something almost as exciting, the opening of the Istanbul-Hilton, newest of the Hilton hotel chain, and the affairs scheduled sound like a trip right out of "Arabian Nights."

* * *

The formal opening is next Thursday, followed by a ball sponsored by the president of Turkey for the benefit of the Turkish Red Crescent, a boat trip up the Bosphorus and luncheon at Beylerby Palace in Asia (an old palace once occupied by the sultans), and so many other places to visit.

In the party are Irene Dunne, Dr. Francis Griffin, Olivia de Havilland, Ann Miller, Roland Petit, Merle Oberon, Dr. Rex Ross, Mary Martin, Terry Moore, Diana Lynn, Sonja Henie, King Kennedy, Keefe Brasselle and others.

Then I'm looking forward to a trip to Jerusalem, Beirut, Cairo and a few other places—if there's anything left of me after the strenuous five days planned by Conrad Hilton for the visiting firemen.

DOROTHY MANNERS

I'll let Dorothy Manners, who'll write the column in my absence, hear from me.

Maurice Chevalier at long last will bring the story of his colorful life to the screen. It has been on again, off again more times than Finnegan.

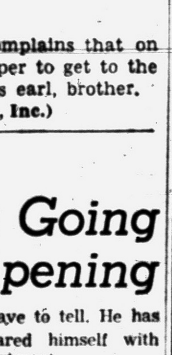

Agent Paul Kohner, just back from a meeting with the talented Frenchman in Paris telephoned me from New York that Maurice arrives this fall to do six weeks of his one man show for Gilbert Miller in the East.

Maurice will then come to Hollywood in the spring to bring "The Chevalier Story" before the cameras for Billy Wilder. What a story he will have to tell. He has completely cleared himself with the State Department.

Hal Boyle Says:

Feel Sorry for Self? Listen to Helen Keller

NEW YORK (AP)—The Oddity Almanac:

Feel sorry for yourself?

Here's some advice from Helen Keller, who will be 75 years old this month.

* * *

"I often feel deeply grieved for those who suffer from self-sympathy. They allow themselves to be tied in a knot instead of looking around for new things to keep them busy. I find life an exciting business — and most exciting when it is lived for others."

Miss Keller, who lost the powers of sight, speech and hearing in infancy, became one of the most inspiring examples of victory over personal handicaps in human history. A famous author, teacher, and speaker, she mastered seven languages, found her own road to happiness.

* * *

At 74 she made a 40,000-mile tour in behalf of the world's 14 million blind people. Still busy with new projects to aid the handicapped, she says:

Passing the time can get to be quite a problem with a modern company executive, who may spend up to six months or a year on the road.

To foil boredom, Harry Rolnick, a hat firm president from Garland, Tex., kept a diary of his activities in five years of train travel. The diary shows (he says) that in those five years he opened a train window unaided 88 times; read 113 books; counted 9,516 telephone poles; completed 93 crossword puzzles and left 184 unfinished; wrote 11 poems, 7 of which he tore up because he didn't like the rhymes; played 318 games of solitaire (he lost 290 times, cheated 8 times); and ate 804 sandwiches.

* * *

An even more interesting diversion is to look out the train window and yell "beaver" every time you see a red-haired girl. The type of fellow who does this, however, rarely trusts himself to keep a diary.

Almanac Editorial: A Senate subcommittee recently announced it would launch an inquiry to find out why so many poor people remain poor.

A member of this Almanac's staff, seeking a quick answer to this problem, interviewed a number of poor people hanging out in a nearby pool room, and came up with this report:

* * *

"Four out of five said they remained poor because, unlike Congress, they lacked the power to vote themselves a 50 per cent increase in salary whenever funds sank low in their piggy banks."

Perhaps Congress in the course of its inquiry can also investigate another matter: Why some poor legislators remain poor — instead of getting better.

* * *

(Editor's Note: Opinions expressed in Boyle's Alamanac editorials do not necesarily reflect the views of this paper, Boyle himself—or Marilyn Monroe, so far as we can determine).

Decline of the Human Race Note: A leading New York hotel says that martinis now outsell manhattan cocktails 6 to 1 in its men's bar — only a few years ago it was the other way around. Vodka mixtures are in rising favor with quaffers who hold to a lurid theory that the Russian national beverage leaves no trace on the breath. But aren't they confusing it with chlorophyll?

Mighty thoughts from mighty minds for you to brood over:

Liberace — "The public has a right to invade my privacy. I make my living in the public eye."

* * *

Maxie Rosenbloom — "My psychiatrist has a sign in his waiting room that says, 'Sure cure or your mania back.'"

Raymond Massey — "Love is like a well. The more you use, the more there is."

West Berlin Mayor Protests New Tolls

BERLIN (INS) — Mayor Otto Suhr of West Berlin says the reduced tolls on the autobahn still are "unbearable" and further cuts must be sought.

The East German Communists slashed some tolls 50 per cent but ordered new traffic restrictions on the road connecting West Berlin and West Germany on the pretext of protecting themselves from epidemics in the Bonn republic.

Divorce Decrees

Divorce decrees granted recently in Oakland County Circuit Court include:

Dolores C. from Robert Walter.

Work, Sleep, Play In Comfort
Without Nagging Backache
Nagging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upsets or day to day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation ...with that restless, uncomfortable feeling.
If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys — tending to increase the output of the 15 miles of kidney tubes.
So if nagging backache makes you feel dragged-out, miserable...with restless, sleepless nights...don't wait...try Doan's Pills... get the same happy relief millions have enjoyed for over 60 years. Get Doan's Pills today!

Japanese Give Dolls to Mennonite Church

TOKYO (AP)—Japanese war widows today presented 500 dolls to the Mennonite Church of the United States as tokens of gratitude for 2,000 food parcels sent by the church last winter.

They were handed to Mrs. Norman A. Wingerte, wife of the director of the Mennonite Central Committee in Tokyo.

The small dolls, dressed in the garb of various Japanese localities and occupations, will be displayed at the World Mennonite Assembly at Upland, Calif., this summer. Then they will be distributed to churches which participated in the food parcel program, Wingert said.

She Liked Hot Diet

MIYAZAKI CITY, Japan (AP)—Doctors at the Nichinan Hospital removed more than 300 chewed up matches from the stomach and intestines of Mitsuru Nagao, a 31-year-old woman barber. She said she had craved — and eaten — matches ever since she was a small girl and they had never made her sick until three days ago.

You're Next . . .

Here's Modern Banking in action! When the man says, "You're Next" it means you've waited just 2 minutes for the person ahead of you to have his or her checks imprinted. Now it's your turn and in another 2 minutes, you'll be carrying checks that are imprinted with your name, they are "personally yours"! This fast service is available because we maintain the most modern imprinting equipment right on the premises. Evidence again that the Community National Bank is foremost with the most modern banking facilities available.

Hoeft Opens Vital 4-Game Set With Yankees

DETROIT (AP)—The "big test" starts today for the Detroit Tigers.

The league-leading New York Yankees move into Briggs Stadium for an important four-day, four-game series.

Following their even split against Baltimore yesterday — in which they won the opener 10-0 but dropped the nightcap 6-5 — the Tigers are still in their best position in five years. They are six games over the .500 mark with a 27-21 record.

The New Yorkers are playing like their old selves as they seek to dethrone the Cleveland Indians as champions of the American League. So you can bet Casey Stengel will go all out in the four-game set with the Tigers.

The two teams play single afternoon games Monday, Tuesday and Thursday, with a night game Wednesday. All reserved and box seats have been sold for the arc-light affair.

Harris will use Bily Hoeft in the 1st game. He will be opposed by rookie Johnny Kucks.

Harris held Hoeft out of Sunday's Baltimore doubleheader, saving him for the Yankees. Instead, he started big George Zuverink, the Holland righthander, in the 2nd game.

Zuvy gave up three runs in three innings—two of them scoring on a home run by pesty Cal Abrams—and the Tigers never caught up.

Abrams' shot into the upper right field deck followed a walk to Billy Cox in the 3rd inning. It gave Baltimore a 3-1 lead. Detroit continually threatened, but never could catch up.

The Tigers pulled up to within 6-4 by scoring two runs in the 7th inning with the help of two errors.

Detroit threatened again in the 9th, scoring one run on singles by pinch hitter Charley Maxwell and Boone, a walk and a sacrifice fly.

But Fred Hatfield popped to end the game.

In the opener, rookie Duke Maas of Utica, Mich., stopped the Orioles on only three singles to run the Tigers' winning streak to five straight games.

Maas, in winning his 4th game against two losses, retired the last 14 batters in order. The Tigers backed him up with a solid 12-hit attack, led by "Red" Wilson, who had two singles and a double.

A four-run outburst broke up a 0-0 game in the 4th inning. Highlighting the inning were four successive singles by Boone, Delsing, Wilson and Hatfield.

New Putting Style Aids Snead

GREAT NECK, N. Y. (AP)—Sam Snead has adopted a new putting technique which may crush his longtime jinx in the National Open Golf championship.

"I'm not making any predictions about San Francisco but I'm putting better than any time I can remember," the hard-luck West Virginian said today. "I feel real good."

Putting, once the source of all of Sam's golfing woes, plus brilliant iron play carried Snead to a runaway victory in the Round Robin Golf Tournament yesterday at Deepdale—his fourth title in the event.

• • •

He climaxed the five-round weekend with a course record-breaking 65 which gave him a total of 46 points—24 over his closest pursuer in the 16-man field, Johnny Palmer, who finished with plus 22.

Only once did his putter fail him. That was on the finnal hole when he three-putted from 30 feet, missing a simple three-footer which would have given him a 64. He sank birdie putts of 12 and 25 feet and left two other long, snaking rollers hanging at the cup but his real mastery was over the five and six-footers—the kind he used to miss.

• • •

He had six birdies and four of them came on putts of this length.

"I've changed my way of putting," Snead explained. "I now forget the hole entirely. I shot putt. That is, I pick a spot a few inches in front of my ball and aim for that instead of the hole.

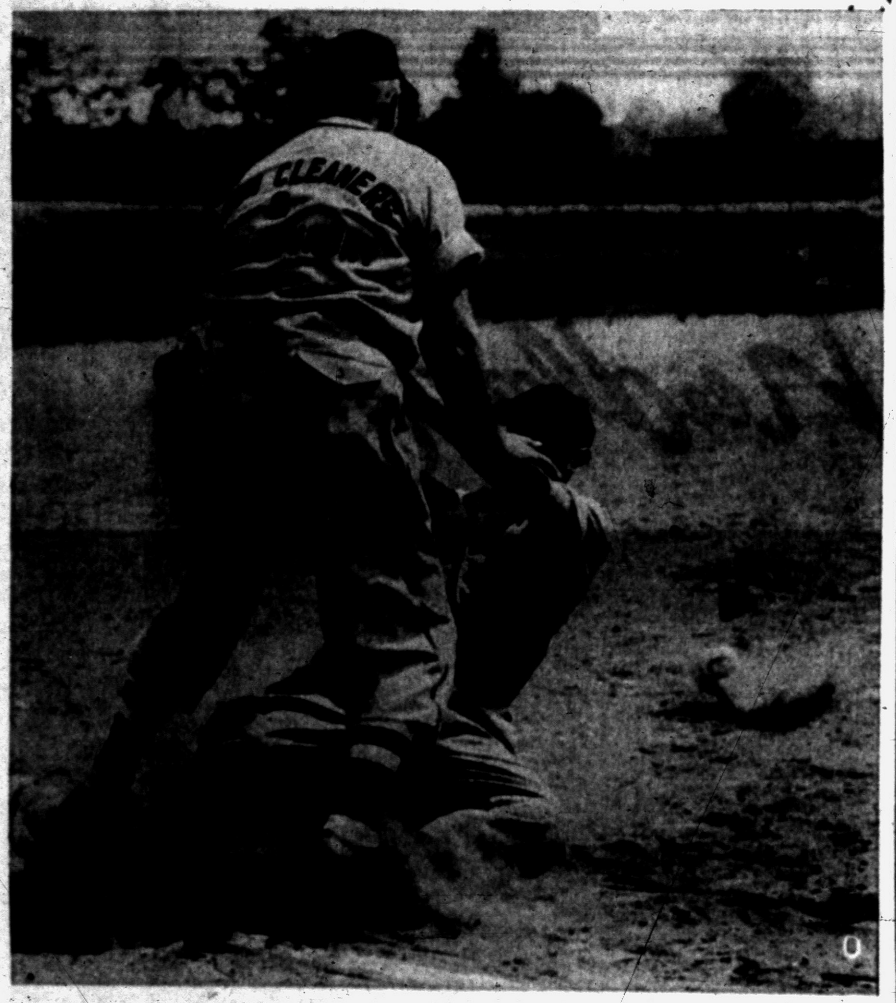

"I practiced this down home (White Sulphur Springs, W.Va.). I tried 30 putts from 10 feet and sank 28 of them. Then I changed my line to a point I'd have to go over a little hump. This time I sank 25 out of 30."

Snead plans to leave Tuesday for San Francisco to begin prepping for the Open June 16-18—the big one he's never won. He was runner-up three times, blew another when he took an eight on the final hole and missed a 31-inch putt in a playoff with Lew Worsham in 1947.

• • •

Sam played superb golf at Deepdale, finishing the 90 holes at 339—11 under par.

Snead's first-place prize was $3,000 with $2,000 going to runner-up Palmer. Peter Thomson of Australia, the British Open champion, was third at plus 19, followed by Marty Furgol, plus 11; Doug Ford, plus 2 and Masters champion Carey Middlecoff and Ted Kroll, even.

Pontiac Press Photo

SAFE AT THIRD — A London, Ont. player slides into 3rd base in the 1st inning of Sunday's International Old-Timers Baseball League opener here, and is safe on the play, ough hit the dirt just ahead of the ball (note arrow), which also hit the dirt. It came in from the Pontiac center-fielder. Auto dealer Bob Oliver (back to camera), Pontiac 3rd baseman, stands ready to grab the throw-in.

Pontiac Old-Timers won the inaugural, 10-6.

Old-Timers 9 Opens Season With Victory

Pontiac Team Starts With 10-6 Win Over Canadians

Pontiac's Old Timers baseball team got off to a strong start in the 1st game of the International Old Timers League season Sunday at Wainer Feild by defeating the London, Ont., crew, 10-6.

Following preliminary ceremonies in which mayor pro-tem John Dugan threw out the first pitch to Dave Ewalt of the Parks and Recreation Department, "Lefty" Wolf and Bruce Hetherington pitched the Pontiac club, managed by Bud Leslie, to its triumph.

Wolf worked 6 innings and got credit for the victory. Hetherington finished up. Kenny White did the catching.

Pontiac pounded out 15 hits, with Leslie, Clell (Mutt) Morse and Chuck Mason contributing 2 safeties each.

At a pre-game meeting, Detroit was admitted to the International League, first of its kind in this area. Sunday's game was the first of a summer-long series of Old-Timer contests.

First Days Tough, Walker Sees Cards Looking Better

BROOKLYN, N.Y. (AP)— His first nine days as manager of the St. Louis Cardinals have been extremely lean ones for Harry Walker, but "The Hat," as he is called, is convinced healthier and more prosperous days are just around the corner.

"The Cardinals are a good ball club," he said today, "much better than they have looked so far. In time, they can become great. They're young, loaded with talent.

"The kids haven't had a chance to play together very much. Once they familiarize themselves more with each other, once they start clicking together, you're going to see a bunch of guys who are going to cause a lot of trouble in this league for years to come.

• • •

"I really haven't yet gotten my feet wet enough as a big league manager to be able to speak with a great deal of authority. You see, it's like spring training for me. I'm trying to get to know my players better and, I might add, the players probably are trying to become accustomed to their new manager.

"While I am trying to learn more about them, what they can and cannot do, they, in turn, are trying to familiarize themselves with the way their new manager wants them to do things.

• • •

"Basically, there isn't much difference between managers but all managers do certain things differently."

Including yesterday's twin bill, which ended in a split with St. Louis winning the first game 9-4 and Brooklyn taking the second 10-6, the Cards have lost eight of the 11 games under Walker since he replaced Eddie Stanky at the helm nine days ago.

Crocker Blows 7-Stroke Lead, Loses to Suggs

Louise Shoots 69 to Nip Fay for Eastern Open Title, $1,000

READING, Pa. (AP) — It didn't take too much good golf to win the 1955 Women's Eastern Open Golf Tournament — Louise Suggs managed to make one good round earn her the $1,000 first prize.

The Sea Island, Ga., professional trailed Fay Crocker of Montevideo, Uruguay, throughout the first three rounds of the 72-hole tournament but when the chips were down yesterday she sank a 12-foot putt to close out the final 18 with a two-under-par 69 and capture the $5,000 tourney.

• • •

Miss Suggs' total was a fair 291, five strokes over par for the 72 holes. Miss Crocker, after three fine rounds, sank to a 77 yesterday, missing a long putt on the 18th that would have tied her with the Georgia lass.

Instead, the South American girl, who last week won the Wolverine Open, had to settle for a 292 and the $700 second-place money. Her 77 cost her a seemingly unbeatable seven-stroke lead that she held entering the final round.

Beverly Hanson of Indio, Calif., rounded the 6,206-yd. Berkshire Country Club course in 70 strokes for her best performance of the tourney. Her third-place earnings came to $600.

Fourth was Betty Jameson of San Antonio, Tex., who had a 74 for a 300 total. Betty Hicks of Palm Springs, Calif. and Vonnie Colby, Hollywood, Fla., shot closing 73s to tie for fifth at 301.

Destructive Dodgers!

Veteran Writer Says No Other Club So Terrific

By BILL CORUM

NEW YORK (INS) — As happily as a Giant fan, who always means to face reality, can say it, I have never seen a ball team in all my years of watching the game that is as destructive as the Dodgers are right now. Not even the Yankees of murderers row in their hey-day.

They, those Yanks of the era of Ruth and Gehrig, Meusel and Lazzeri were the all-time wrecking crew of baseball as I have seen it for 50 years. But, whether briefly or for the long run, I never saw Ruth & Co. as rough as the Brooks are now.

I have never seen a player hit as Edwin Duke Snider, the Duke of Destruction, has been hitting these past 10 days. Not Ruth, not Cobb, not the old Dutchman (Wagner), not Jimmy Foxx, not anybody. Never.

They have said, and I have said that this great star from California, (and never have I doubted for a moment that he is a great star) had an edge because he almost never had to hit against left-handers.

But in these past 10 days, Ed's been scalping southpaws like Sitting Bull ranging around Custer's beaten cavalry. Or was it Sitting Bull? No matter. The classic answer to that battle was "too d— many Indians."

And the classic answer to what is happening to the National League pennant race at the moment is, "too d— much Snider."

The Duke is killing the people, not to mention opposing pitchers. So the best I can give my man Durocher, when he announces that the Dodgers are phony home run hitters is a wan smile. Perhaps almost as wan as Leo's. Because, be sure, that he, too, knows better.

Tam O'Shanter Linksman Tops Golf Day Scores

Mike Schiff Registers Net 53, Believed Low for Nation

NEW YORK (AP) — **The reports were still coming in today but it looks as if Mike Schiff of Detroit's Tam O'Shanter Club turned in the lowest net score of the some 190,000 golfers who paid one dollar each for the privilege of trying to beat National Open champion Ed Furgol and Patty Berg on National Golf Day.**

Furgol shot a two-over par 72 and Miss Berg a 77 Saturday at San Francisco's Olympic Club where the Open will be held June 16-18.

Schiff posted a gross score of 86, which with his 33 handicap gave him a net of 53. Second, according to reports received at National Golf Day headquarters, was Dave Rundle, who had an 81-26-55 at the Airways golf course, Fresno.

Lowest woman's score recorded so far was a 72-10-62 by Betty Jane Bobel, playing at the Gloucester, Mass., Country Club. Two Appleton, Wis., women, Mrs. Howard Crabb and Mrs. Robert Martin, posted nets of 65 and 66, respectively, to win their "I Beat Patty Berg" medals.

Life Magazine, which with the PGA, sponsored the competition, estimated close to 35,000 golfers beat Furgol and Miss Berg. The money, paid in fees, goes to the Red Cross and to golfing causes through the National Golf Fund.

98 Seek Spots in U.S. Open Tests Today

Birmingham, Red Run CC Sites for Today's 36 Hole Trial

Qualifying trials for the National Open Golf tournament are underway today over the Red Run and Birmingham Country Club courses.

A field of 98 golfers are competing, playing 18 holes at each club, with the low 9 scorers landing berths in the U.S. Open June 16-18 at San Francisco's Olympic Club. A total of 55 professionals and 43 amateurs make up the field.

Frank Stranahan of Toledo, former amateur star who now is a pro, will attempt to qualify from his district. Having played his morning round at Red Run, he will tee off at Birmingham CC about 2 p.m. in a threesome with Horton Smith and Walter Burkemo, former PGA king.

Among the Pontiac area pros attempting to qualify are Warren Orlick and Gene Bone of Tam O'Shanter, Tommy Shannon of Orchard Lake, Elmer Prieskora of Pine Lake, Mike Dietz of Indianwood, Pete Cooper of Knollwood, Ray Maguire of Birmingham, Emerick and Al Mocsis and Bob Waara.

Among the amateur entries are Chuck Kocsis of Royal Oak and Pontiac's Roy Iceberg.

Dirt Track Ace Killed as Car Crashes Wall

DES MOINES (AP) — Bob Slater, 29-year-old national dirt track champion, was killed yesterday on the same track where he began big car racing four years ago.

Slater, of Kansas City, was the fourth driver killed on the Iowa Fairgrounds dirt track since September, 1951.

The 50-mile feature race was 2 minutes, 54 seconds old when Slater's blue Offenhauser roared into the fatal curve and slammed into a retaining wall. He died of multiple fractures.

Slater's wife, Mary Lou, was among the 12,000 persons who witnessed the accident.

Jud Larson, 32, Austin, Tex., transport truck driver, went on to win the race in 45:21.82.

Ace Is the Thing, Score Didn't Matter

When Rube Ellison, veteran Pontiac Post Office stamp clerk, fired a hole-in-one, Sunday, at Pontiac Country Club, he tried to tell his hearers what his 18-hole score was. But no one was interested in that. Rube aced the No. 8 hole with a 5-iron shot and it helped him to a 48-44-92 card.

Playing with Ellison were some prominent Pontiac (and Elks club) swingers; Min Osmun, Al Johnson and Owen Bancroft.

Detroiters Win ABC Team Title

FORT WAYNE, Ind. (AP)—Marks set in April or earlier stood up for individual leaders in the American Bowling Congress tournament and won an unprecedented third championship for the Pfeiffer's Beer team of Detroit.

The 72-day meet closed yesterday after 5,800 teams from 46 states took turns shooting for prize money.

Besides Pfeiffer's, which posted a 3,136 series on April 19, the winners were: Singles — Eddie Gerzine of Milwaukee, 738; All-Events — Fred Bujack of the Pfeiffer team, 1,993, and doubles—George Pacropis and Harry Zoeller of Wilkes-Barre, Pa., 1,365.

Pfeiffer's won in 1952 under the E and B Beer banner, and again last year under their present name. Team members are Therm Gibson, Bill Lillard, George Young, Lou Sielaff and Bujack.

Cranes End Season With Win Over Cosmos

Cranbrook High School's baseball team did all its scoring in the 1st two innings Saturday afternoon on the home field to defeat Hamtramck, 5-2.

Catcher George Gary singled to drive in two runners in the 1st stanza, and Pete Dawkins and Jim Grube joined forces to send three home in the 2nd. Cosmos scored their two runs in the final inning.

Game ended Cranes' season with an 11-8 record.

Dave Campbell pitched for the Cranes until the 6th inning when Bruce Richards relieved him. Campbell was the winning hurler.

Hamtramck	000	000	2—2
Cranbrook	230	000	x—5

Campbell, Richards and Gary; Michalski, Crawford and Estell.

Americans Emphasize Youth

Future Continues Bleak for British Golfers in Competition Against U. S.

ST. ANNES, England (AP)—Twice in the past three weeks wet, cold and miserable groups of British golf fans have gone home from a tournament quietly convinced they will continue to see Americans win and their own players lose for many years to come.

First it happened at St. Andrews when the Americans won the Walker Cup, 10-2. Then it happened again Saturday at Royal Lytham and St. Annes whe Britain's last hope—36-year-old Alan Slater—fell before little Joe Conrad, a 25-year-old from San Antonio by 3 and 2 in the finals of the 60th British Amateur championship.

• • •

British golf fans, officials and writers both at St. Andrews and St. Annes would tell you quickly that it is not getting beat again and again that bothers them the most.

It is the future.

The supply of young golfers does not appear to be anywhere near big enough to cope with the youth-emphasizing Americans.

In the British Amateur at St. Annes last week it was a very common sight to see a 45-year-old Englishman or a Scot lose to a 20 to 30-year-old American by such margains as 5 and 4, 7 and 6 or 4 and 3.

• • •

Ages of players in the amateur were not recorded by officials but a guess, based on observations and the knowledge of many players' ages, would be that the Englishmen, Scotsmen and Irishmen averaged about 10-12 years older than the Americans.

There are many reasons for the sorry crop of young English golfers.

One of the big ones in England is the shortage of municipal, or public courses where golf can be made available cheaply to more middle class or less well-off youngsters. In England, golf still is very largely a game for people with a pound to spare.

Stadium, Drugs Take Wins in Softball Exhibitions

Stadium Inn downed Louie's Tavern, 5-3, and Drayton Drugs outslugged Riteway Softwater, 11-9, in exhibition softball games Saturday night at Northside Park.

Stadium's Verle Sheldon and Ed McManus combined to throw a three-hitter against Louie's, while the latter's Del Wheeler was yielding seven. The winners built up a 5-0 advantage before Louie's did all its run-making in the 6th.

In the nightcap, Riteway scored nine times in the 2nd inning, but couldn't get any more. In the meantime Drayton Drugs, of the Waterford League, pecked away until the lead was overcome. Riteway used three hurlers in a vain attempt to preserve its early lead.

Stadium	120	020	0—5
Louie's	000	003	0—3

Sheldon, McManus and Webster; Wheeler and Mazalsk.

Drayton	306	002	0—11
Riteway	090	000	0— 9

Fleecher, Boe and Shell; Atwood, Allison, Reynolds and Myren, Kothe.

Wolverines Victors; Spartan Sets Record

MILWAUKEE (AP) — Michigan's crack track team boasted another title today—the 30th Central Collegiate Conference championship.

The Wolverines won it Saturday, piling up 54½ points to beat runner-up Kansas, which scored 44 points.

Michigan State's Kevan Gosper set a meet record by taking the 440-yard dash in 47.5 seconds.

Barons, Chiefs Clash in Birmingham League

Birmingham Barons clash with the Wilson Pontiac-Cadillac Chiefs tonight at Birmingham High School's field in the opening baseball game of the 4th Babe Ruth League season.

A pre-game ceremony will be held at 5:30 p.m., with Charles Renfrew, Mayor of Birmingham, throwing out the 1st ball to inaugurate the season. Tonight's contest is the 1st of five during the initial week.

Remaining schedule this week:

Tuesday — Spartans vs. Saturday Merry Rovers; Wednesday—Barons vs Wolverines; Thursday—Chiefs vs Rockets; Friday—Wolverines vs Spartans.

DeMarco Underdog for Title Defense

By THE ASSOCIATED PRESS

Tony De Marco makes the 1st defense of his welterweight title Friday night as a 17-10 underdog against rugged Carmen Basilio at Syracuse, N.Y.

Only a few days after the match was made, the 9,400 seats of the War Memorial auditorium were sold out to the tune of $115,000. The radio and television network coverage (NBC TV and radio) for the 9 p.m. (EST) 15-rounder will add approximately $50,000 more to the receipts.

Hardy (Bazooka) Smallwood, 22-year old Brooklyn veteran of the Korean battling, subs for injured Jackie La Bua tonight against Rafael Merentino of Argentina in a middleweight 10-rounder at St. Nicholas arena (9 p.m., EST, Dumont-TV).

Duman Wins First Speedway Feature

Ron Duman won his 1st feature of the season as the Sunday twilight series of hardtop races opened at Pontiac Speedway.

Duman crossed the line ahead of Gene Lock and Al Miller to complete the 25 laps in 8 minutes, 15.17 seconds. Joy Fair of Pontiac had worked his way from well back in the pack into 2nd place and was challenging Duman when a tire blew forcing him from the race.

Miller took the pursuit and a heat race and Mickey Katlin won the semi-final. Leon Blachura claimed the dash and other heat winners included Bill Hasselle, Bill Larivee, Katlin and Eddie Schmidt.

"Miss Pontiac" made a personal appearance and Ricky, the TV clown entertained. Wednesday night old model stock races begin this week with the 1st race at 8:30 p.m. following 7 o'clock time trials.

Marshall Is Victor in 25-Lap Feature

Butch Marshall won the 25-lap feature race Sunday at the Gay-Day Speedway with Ed Lang coming in 2nd and Elmer Ferstle 3rd. Marshall's winning time was 10 minutes, and 1 second.

Gerry Lafner won the 15-lap semi-final and pursuit races were won by J. Harvey and Flip McKinney. Heat winners were Marvin Main, B. Howell, Lang, McKinney and Dorris Saunders.

Stengel Hopes for Split on Western Tour, if Yanks Get It, They'll Be Tough to Catch on Return Home

CHICAGO (AP) — Casey Stengel isn't predicting a pennant for his New York Yankees at this stage of the game but the cagey manager indicates his club will be hard to catch if the Yankees can continue splitting with their rivals on the present Western tour.

Stengel was sitting in the dugout Friday as the Chicago White Sox and Yankees were getting ready to open a four-game series. "If we can just split with these guys and those other two (Detroit and Cleveland) before we get back to the Stadium, well. . . ."

• • •

The Yankees, who move on to Detroit today, didn't let Casey down in Chicago. They managed to split with the White Sox thanks to an inside-the-park home run by Billy Hunter in the 10th inning yesterday for a 3-2 triumph after losing the opener 5-3.

• • •

Could Casey visualize a sweep with the White Sox? "No," he said, pointing to Billy Pierce, "that guy out there is pitching good ball and can get too tough."

Maybe Casey was thinking he could take three out of four and get beat by Pierce. He didn't say, and it didn't work out that way. Jack Harshman and rookie Dick Donovan beat the Yankees while the Bronx Bombers turned on Bob Keegan and Pierce for victories.

Pierce was sailing along in good fashion and it looked as if the Yankees would have to settle for one victory, two losses and a tie as the final game went into extra innings and rain clouds threatened to wash away the contest.

• • •

With one out in the 10th, Hunter slammed a long drive to the left center field wall. Both the left and center fielders went for the ball but shortstop Chico Carrasquel finally came up with it as it hit the wall and rolled back to the infield.

Hunter slid across the plate without a play on him and the Yankees won the game. It was their fifth home run of the day and their 63rd of the year.

Pierce, suffering his second one-run loss to the Yankees this month, muttered "just a .200 hitter" in the locker room. He referred to Hunter, who had been lifted for a pinch hitter in the first game.

Split Twin Bills Feature Major Action

By THE ASSOCIATED PRESS

These are hard days for the New York Giants. Leo Durocher, the master strategist, has lost the golden touch. The daring leader who always called for the right pitcher and the pinch home run in 1954 has misplaced the combination.

Take yesterday, for instance. It seemed like old times when Dusty Rhodes hit a pinch single to win the opener from Chicago 3-2. Even if it wasn't a homer, like Dusty always produced last year, it was enough to please the 18,431 customers.

* * *

But the things that happened in the second game seldom happened in 1954. Jim Hearn was rolling along with a 1-0 lead, thanks to Bobby Hofman's homer, and seemed on the way to becoming the first Giant to pitch a shutout this season.

With two out in the ninth, Hearn slipped. A single by Ernie Banks and a walk to Dee Fondy meant trouble. When Manager Stan Hack sent up Frankie Baumholtz to bat for his catcher Clyde McCullough, Durocher's bullpen men were warming up. Leo let Hearn throw two balls to Baumholtz and then decided to take him out, shutout or no. Marv Grissom, who always got him out of jams last year, came to the rescue.

Baumholtz hit Grissom's first pitch into the right field seats and that was the ball game 3-1.

"I booted it," said Durocher. "It was all my fault. Hearn was strong and probably would have won the game but I just felt like he should come out. I take all the blame."

* * *

Because Brooklyn also split two with St. Louis, dropping the first in 10 innings 9-4 and bouncing back to win the second 10-6, the Giants stayed 12 games back.

It was a day of splits in both leagues. Everybody played two and everybody split, except Milwaukee and the Phillies. They probably would have finished all even too, except for the Pennsylvania curfew. Milwaukee won the first game 5-4 but the Phillies were on top 4-0 in the seventh inning of the "suspended" second game. They'll finish that game Monday night before their regularly scheduled contest.

Pittsburgh shaded Cincinnati 7-6 on Ramon Kejias' ninth-inning single but the Redlegs grabbed the secod game 5-1 with little Jackie Collum going all the way.

After the heavy firing was over in the American League, Casey Stengel's New York Yankees still were four games in front of Cleveland. Billy Hunter's inside-the-park homer in the 10th enabled the Yanks to square matters with Chicago in the second game 3-2 after Jim Rivera's grand-slam home run and Dick Donovan's five-hit pitching won the first for the White Sox 5-3.

Washington used Cleveland errors to thump Bobby Feller 6-4 but the Indians finally caught up with the Senators in the second game 6-3.

* * *

Kansas City won 5-4 and then lost to Boston 4-3 in a doubleheader.

Rookie Ken Boyer tied the first game at Brooklyn with a homer in the ninth and hit another homer with two on in the 10th when the Cardinals sewed it up with five runs off Jim Hughes. Eleven Dodgers went to bat in the fourth inning of the second game to score six runs.

* * *

Eddie Mathews hit a pair of homers off Robin Roberts for Milwaukee in the opener at Philadelphia and Ernie Johnson pitched fine relief ball.

Vic Wertz hit two and Bobby Avila one for Cleveland in their losing first game when a leaky defense proved costly to the Tribe. Al Smith's triple with the bases full featured their winning rally in the second game.

Coast Pair Steals Show as WIBC Nears Windup

OMAHA (AP)—The Women's International Bowling Congress Tournament looked ahead to one more week after a near-record performance by a former Omahan and her partner yesterday.

With all of the "name" bowlers out of the way, few changes are seen before the meet closes next Sunday.

The last "name" star Sylvia Wene of Philadelphia, failed to dent the leaders yesterday as Alyce Mrak and Esther Woods of Los Angeles stole the show.

* * *

Alyce, a native of Omaha, fashioned a 679 series to go with Esther's 576 for a 2,155 in doubles. It was the second best all-time in the 36-year-old WIBC meet, falling short of this year's leader, Wyllis Ryskamp and Marion Ladewig of Grand Rapids, Mich. at 1,264.

And Alyce and Esther shot their brilliant series the first time they ever bowled doubles together.

Mrs. Mrak also shot the day's best singles and all-event. She had a 586 in singles and 1,803 all-events.

Yesterday's top regular team score was 2,569 by Michela and Son of Farmington, Ill. The booster leader was Kopel's Ready-Wear of Sioux Falls, S.D. with 2,190.

Michigan's Grid Ducat Applications in Mail

ANN ARBOR—More than 100,000 football ticket applications for the University of Michigan's 1955 seven home game schedule were in the mail to prospective purchasers, according to H. O. (Fritz) Crisler, Wolverine director of athletics. Orders for tickets will be accepted beginning June 15.

Ranked as one of the greatest home schedules in Wolverine football history — with seven home games against outstanding opponents instead of the usual six—the card opens against Missouri, coached by Don Faurot, creator of the famed split-T, on September 24.

Sox Trade Harry Dorish for Baltimore's Les Moss

CHICAGO (AP) — The Chicago White Sox today announced they have traded pitcher Harry Dorish to the Baltimore Orioles for catcher Les Moss in a straight player deal.

Dorish, 32-year-old righthander used mostly in relief, was drafted by the White Sox at the close of the 1950 season and compiled a record of 31 victories and 20 losses with the Sox.

This season he has appeared in 13 games and has pitched 17 innings for a 2-0 mark. Dorish previously pitched for the Boston Red Sox from 1947-1949 and had a stint with the St. Louis Browns in 1950.

Moss, currently hitting .358 is 27 games, began his major league career with the St. Louis Browns in 1946 and was with the Browns through 1951 when he was traded to the Red Sox.

At the end of the 1951 season he was traded back to St. Louis. His best season was in 1949 when he hit .291 in 87 games.

Moss, 30, will give the White Sox a third catcher behind Sherman Lollar and Clint Courtney and is expected to provide the team with additional right-handed pinch-hitting power.

SUNDAY'S HOMERS

Moon, Boyer 2, Musial, Cards; Campanella, Hodges, Zimmer, Dodgers; Mathews 2, Logan, Braves; Torgeson, Lopata, Phils; Post, Jablonski, Reds; Purkey, Pirates; Abrams, Orioles; Wertz 2, Avila, Indians; Carey 2, McDougald, Mantle, Hunter, Yankees; Rivera, Lollar, Carrasquel, White Sox; White, Zauchin, Red Sox; Lockman, Hofman, Giants; Baumholtz, Cubs.

Entries Growing for PL Tourney

List of contending teams for the 6th annual Pine Lake Country Club's invitational, 2-ball tournament is growing apace. Up to today there were at least a score of combinations, including many veteran campaigners in this fine event.

However, Dick Whiting and Tony Skover, 1954 champions, are not yet in the list. The event is set for June 16, through June 19.

One missing ace is Pat Sawyer, veteran Grand Rapids player who has returned to the golf business.

Among leading teams:

Bob Babbish and Bill O'Brien; Perry Byard and Tom Draper (Red Run); Bob Whiting and Tommy Watrous; Bob Zinn and Ray S. West (youngsters); Jim Funston and Bill Krall; Carl Bielaff Jr., and Mason L. Brown; Bill Nettle and Bill Pettibone (Pine Lake, 1954 runnerup); Bruce Wright (tourney chairman) and E. Boisseneault; O. K. Johnson and G. P. Giulioli; Harry Linklater and Doug Williams; Tom Newell and Ken McCracken.

Pontiac Press Photo

ANNIVERSARY — The pair of golfers on No. 18 green (South Side) of Pontiac's fine municipal golf course (above) were marking an anniversary of moment to the course. At left is Art Hilliker, 2383 Auburn road, with Danny O'Brien, same address. Hilliker was putting out after a 9-hole round to mark the 30th anniversary of the start of the course. O'Brien was the 1st caddy to carry a bag on the layout, June 3, 1925. Hilliker, City Manager Clifford Hamm, Rollie Clark, city finance director, and Everett Reed comprised the 1st foursome. Hilliker was the 1st pro-manager.

* * *

Many Changes, but 3 'Old' Holes Remain at City Links

Although there have been many changes since the original 9-hole layout was opened for play June 3, 1925, Pontiac's fine municipal golf course still retains 3 of those 1st holes, unchanged.

This is the word from the city links' 1st pro-manager, Art Hilliker. Art and the 1st caddy to tote a bag around the then short nine, Danny O'Brien, now a husky swinger, made an anniversary (the 30th) tour. They found that No. 1, No. 2, and No. 5 holes on the original, or North layout were still as they were in 1925.

Since that time the North layout was lenghtened from the tight yardage it boasted, to full length. This change included lengthening No. 7-8 and 9 to make the par 34 where it originally was 28. In the revamping the No. 9 hole took up the space formerly occupied by three old holes, the last three. In those days No. 9 was a 100-yard or so shot. It now is a par 5 of 523 yards

Still later the South course was added to make the layout one of the best municipal links in the state, in the opinion of many.

First foursome to test the original nine included the then city manager Clifford Ham, director of finance Rollie Clark, Everett Reed and Hilliker. O'Brien caddied for the city manager and Clark.

Jess Middleton was the architect and builder of the course.

"I just got to thinking," says Hilliker, "This was the 30th anniversary of the start, so we decided to celebrate the occasion with a little round of play." Art, a good golfer for many years, fired an even 40 on the 35-par South Side. O'Brien had 48.

Savitt Victor in 3-A Tourney

Defeats Bartzen for 2nd Straight Title in St. Louis Event

ST. LOUIS (AP) — Dick Savitt, former Wimbledon and Australian champion, turned back an early bid of Bernard (Tut) Bartzen and swept to his second straight Triple-A Tennis Tournament title yesterday.

Savitt, of Houston, Tex., dropped the first set to the 1954 national clay courts champion, 4-6, but then came on fast to take the next two and the title, 6-3, 6-3.

The Texan then teamed with Seymour Greenberg of Chicago to win the men's doubles crown by dropping Bartzen, of San Angelo, Tex., and Tom Brown of San Francisco, 10-3. The 10-game set was pre-arranged so out-of-town players could catch trains.

Merceina Parker of St. Louis, the second player, easily disposed of 18-year-old Carole Boshard of St. Louis, 6-2, 6-2, to take the women's singles title.

Bosox Agganis Once More Is Hospitalized

CAMBRIDGE, Mass. (AP)—Harry Agganis, Boston Red Sox first baseman only recently recuperated from pneumonia, was hospitalized again today after becoming ill in Kansas City.

Agganis was met at the airport in Boston last night by Red Sox General Manager Joe Cronin and taken directly to Sancta Maria Hospital. He said he is suffering from a chest congestion and a cough.

The sophomore first baseman, mentioned often as Red Sox bait for a trade before the June 15 deadline, spent more than a week in the hospital after being stricken with pneumonia last month.

In limited action since his return, he boosted his batting average six points to .303.

Game Ends in Tie

DETROIT (AP) — Two of England's top soccer teams—Sunderland and Huddersfield—played to a 2-2 tie in an exhibition game yesterday before 7,265 fans.

A penalty kick by Vic Metcalfe, with two minutes to go, gave Huddersfield the tie.

Americans Take French Honors

U.S. Netters Make It Almost a Sweep for International Test

PARIS (AP) — The French International Tennis championships turned out to be anything but French in the final rounds.

Except for the women's singles, it was an all-American show.

After Tony Trabert successfully defended his singles crown Saturday, he teamed with Davis Cup mate Vic Seixas to win the doubles final over Italians Orlando Sirola and Nicola Pietrangeli yesterday 6-1, 4-6, 6-2, 6-4.

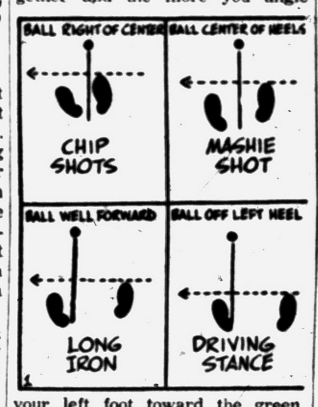

* * *

Darlene Hard and Mrs. Beverly Baker Fleitz took the women's doubles with a 7-5, 6-8, 13-11 victory over Britain's Pat Ward and Shirley Bloomer. Miss Hard also teamed with Gordon Forbes of South Africa to win the mixed doubles, stopping Jennifer Staley of Australia and Luis Ayala of Chile 5-7, 6-1, 6-2.

Angela Mortimer of Britain won the women's singles.

Sam Snead's Golf Clinic

Many golfers seem unsure about how to take their stance for different clubs. Well, here's how. You vary your stance with clubs of varying lengths, as pictured. The shorter the club shaft the closer you bring your heels together and the more you angle

your left foot toward the green. And the shorter the club the closer you stand to the ball. You do just the reverse with the long irons.

The picture here should tell you the story. Now to position the ball in relation to stance. Your No. 5 iron is the middle club of your irons (from 1 to 9). Play the ball off center between your heels. The irons with more loft than No. 5 (6, 7, 8, 9) should be played with the ball a little to right of center. Say one inch for the No. 6 a nd a bout one-half inch additional for each more lofted club. With the straighter faced clubs 4, 3, 2, 1, position ball about one inch to the left of center for No. 4, and one-half inch more for No. 3 and increasingly t oNo. 1. Get it? Tomorrow—Rhythm and Decision.

Arizona, Okla. Aggie 9s NCAA Favorites

OMAHA (AP)—Arizona and Oklahoma A. and M., two of the scrappiest teams in the 1954 NCAA Little World Series of baseball, return this year as the favorites.

The double elimination meet, which features the winners from eight districts over the United States, opens at Omaha Municipal Stadium Friday.

Colgate, winner of the District 2 playoff, meets Wake Forest of District 3 in the meet opener on Friday. Southern California, District 8 champion, plays Colorado State, District 7 winner at 2 p.m.

Western Michigan of District 4 has Arizona, District 6 titlist, as its opponent.

Broncos Trip Irish in Warmup for NCAA

SOUTH BEND, Ind. (AP)—Western Michigan warmed up for the NCAA baseball tournament starting Thursday by thumping Notre Dame 15-10 Saturday.

Swaps Cast in Role of 'Giant-Killer'

INGLEWOOD, Calif. (AP)—Swaps, the 3-year-old champion of the Kentucky Derby, assumes the role of would-be giant killer this weekend when he tackles the older horses in the $100,000 added Californian at Hollywood Park

The Californian, a new fixture in its second running at Hollywood, is a mile and one-sixteenth test, and Swaps will for the first time challenge such established handicap heroes as the King Ranch's Rejected and Andrew Crevolin's 1954 Kentucky Derby victor, Determine.

You know the best PLACE but do you know the best TIME?

Would you like to arrive at your favorite hunting or fishing spot in the full assurance that, within the next one or two hour period, you would find the best sport the day has to offer?
You know how it happens. Suddenly, for an apparent reason, the fish will begin to feed actively, taking most anything you offer them.
Luck? Not at all. Mysterious? It needn't be! Those periods of activity are predictable. They are the variable feeding periods during which the entire animal kingdom responds to a stimulus—effects of the sun and moon.
One of American's leading sportsmen and naturalist, John Alden Knight, has made a career of charting these variable feeding periods into a scientific time table.

Sex Appeal Is Used by Crab Fishermen

CRISFIELD, Md. (UP) — Maryland's centuries-old crab industry has put the even older idea of sex appeal to a new use among the crustaceans.

For decades watermen have been using fresh fish bait to attract peeler—female—crabs into crabpots. But the fish also attracted eels, toadfish and other undesirable passers-by.

Now, say watermen, male crabs use as live bait bring the peelers swarming to the crab pots, or traps. From there they go to packing houses, where they shed their shells and become soft crabs.

Meanwhile, the male crabs remain in the crab pots, still luring them in.

Fish Wrecks Auto

GREAT FALLS, Mont. (UP)—Mrs. Rose Bryant said she lost control of her car when she tried to retrieve a goldfish which flipped out of a bowl on the seat when she turned a corner. Although she saved the fish, her car smashed into a parked auto. Damages to Mrs. Bryant's car totaled more than $300.

Two Injured by Bomb Concealed in Radio

EAST ST.LOUIS, Ill. (UP) — A 28-year-old man and his wife were injured and one wall of their frame home was blown out when a black powder bomb, hidden in a radio-record player, exploded yesterday.

The injured were Frank Green, an unemployed laborer, and his wife Ethel, 22. They told police they knew of no reason why anyone would want to harm them.

Mrs. Green suffered severe cuts of the legs. Green, blown into an adjoining room, suffered minor bruises.

Mart Up Some in Early Trade

NEW YORK (AP) — The stock market advanced today in early dealings in a modest manner.

Demand was highly specialized in many individual instances, and at the same time there was a good sprinkling of small losers in the list.

Motors held fairly steady in the face of critical negotiations between Ford and the United Auto Workers in Detroit.

Steels were mixed with U.S. Steel in brisk demand after opening on a block of 8,000 shares up ¼ at 44½. It continued trading fast at that level and a little higher.

Sperry Rand "when issued," the most active issue in Friday's market up ⅜, was slightly ahead today but not active. Pan American Airways, second most active Friday off 1⅝, was active today at and mostly higher with Anaconda Copper well out in front. It started on 1,500 shares up ¼ at 63½ and then extended its gain to beyond a point.

Also higher were U.S. Plywood (which started on 2,000 shares up ⅜ at 39⅜, 20th Century-Fox, Bethlehem Steel, Boeing, American Telephone, Kennecott Copper, American Cynamid, Allied Chemical, Santa Fe, and United Air Lines.

Lower were General Motors, Schenley Industries, Southern California Edison, Du Pont, International Paper, Chesapeake & Ohio, and RCA.

The market Friday made a substantial advance with the Associated Press average of 60 stocks up $1.30 at $66.60, only 20 cents under the record high of April 26.

Wheat Eases Cent or More

CHICAGO (AP)—After opening on a fairly steady note, wheat today on the Board of Trade eased as much as a cent or more. The new May contract which opened for business at $1.99¼, promptly lost more than two cents.

* * *

Corn pursued a generally independent and steady course and July soybeans showed a little strength.

Other grains were fractionally lower.

Near the end of the first hour wheat was ½ to ⅞ lower, July $1.97⅛; corn was unchanged to ¼ higher, July $1.40⅞; oats were ⅛ to ⅜ lower, July 65⅞; and rye was ½ to ¾ lower, July $1.05½. Soybeans were unevenly higher to ¼ lower, July $2.42¼, and lard was unchanged to 10 cents a hundred pounds higher, July $12.10.

DONALD W. NEAL

City Man to Get Achievement Award

Donald W. Neal, 114 Wenonah Drive, chief production engineer at General Motors Truck and Coach in Pontiac will receive one of the four Alumni Achievement Awards granted annually by the Lawrence Institute of Technology.

The award is given for outstanding service in industry and will be presented during commencemnt exercises Tuesday evening in Detroit's Masonic Auditorium.

Neal was graduated from Lawrence Tech in 1938 with a Bachelor of Science degree in Mechanical Engineering. He first became associated with General Motors as a technical cooperative student in 1929, securing his Lawrence Tech. degree in night school.

He and his wife, Drucilla have three children; Drucilla, age 7, Deborah, 5, and Darcy, 3 months. He is a member of the Pontiac Yacht Club, Lodge 810 of the BPOE and has served as trustee of Kirk-in-the-Hills Presbyterian Church.

NEW YORK (UP)—Newspaper advertising on a national basis chalked up its second biggest year in 1954 with outlays of $594,120,000 running 1.2 per cent below the 1953 record of $601,224,000, it was announced today.

Giant General Motors led the list for the eighth straight year, boosting its budget 13.5 per cent to an all-time high of $37,391,415, said the Bureau of Advertising of the Association.

GM's expenditures topped the combined outlays of the second and third biggest advertisers—Ford and Chrysler, which also run behind GM in that order in auto production.

Most spectatular jump among the nation's 100 largest advertisers was scored by Monsanto Chemical which increased its 1953 budget 142.6 per cent to $4,101,841 and jumped from 53rd to 12th spot.

OUTLAYS RAISED

The top 100 national advertisers accounted for $208,183,461, or slightly less than half the total volume. The 100 leading firms actually raised outlays 1.2 per cent over the 1953 figure of $224,818,435.

* * *

Two oil firms which broke into the exclusive list last year more than tripled advertising outlays. These were 36th-ranking Texas Company and 40th-place Gulf Oil.

Automotive advertising, which accounts for the largest single chunk of national ad dollars, rose 7.9 per cent last year to $139,861,000. This category includes such items as gasoline and tires, as well as new cars.

The food category, running second to the automotive, dipped 2.8 per cent to reach $129,446,000.

Radio and television advertising showed a sharp drop. It fell 36.7 per cent to $17,072,000.

SAME FIRMS

The top nine advertisers, although several switched positions, were the same firms heading the list in 1953.

Last year's leaders made these advertising outlays:

1. General Motors—$37,391,415.
2. Ford—$17,999,652.
3. Chrysler—$11,787,596.
4. Colgate Palmolive — $10,990,682.
5. Distillers Corp.-Seagram's —$9,815,375.
6. General Foods—$9,351,441.
7. Proctor & Gamble—$7,251,400.
8. Lever Brothers—$6,803,797.
9. National Distillers—$8,718,375.

Brighton Murder Weapon Found

CADILLAC (AP)—Skin divers have recovered the high-powered rifle police say was used in the slaying of Lawrence Jackson Jr., of Brighton.

The .32 caliber weapon was fish from a pond a mile from the home of William Joles, 23, and his brother, Daniel, 18, in Mesick.

Police have quoted the pair as admitting the kidnap-slaying of the 18-year-old gasoline station attendant.

The two admitted the Manton robbery, police said.

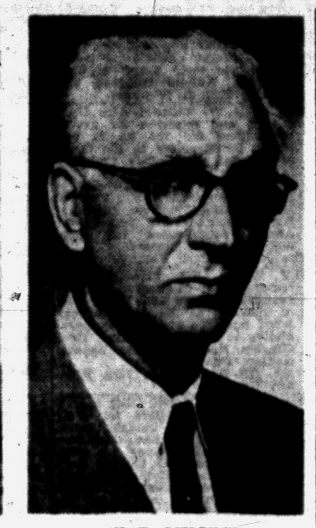

Business Notes

Pontiac Motor Federal Credit Union's 3-month membership drive, which ended recently, set a new national record for the number of members enrolled.

Some 2,007 persons became members of the organization during the three months. Oliver Korb, of 221 Chandler St., won the grand prize, a 1955 Pontiac, and also was first in the individual contest for signing new members.

HERMAN S. KAISER

W. R. MILNER

Appointment of Herman S. Kaiser as body engineer for the Pontiac Motor Division of General Motors has been announced by G. A. Delaney, Chief Engineer. Kaiser succeeds W. R. Milner, Franklin Village, who retired last week after more than 30 years of service with the division. Kaiser has been with Pontiac since 1928. A vice president of the Society of Automotive Engineers, a member of the Society of Body Engineers and the Engineering Society of Detroit and a member of the Pontiac Chamber of Commerce, Kaiser lives at 1337 Kirkway, with his wife Evona and son, Ronald.

News in Brief

Pontiac Police arrested Clarence Paul Payne, 20, of 103 E. Howard St., and charged him with reckless driving Sunday night after police said Payne had been driving his motorcycle in a reckless manner on Highland drive near Woodward avenue.

Clinton Caffey of 81 Lake St. reported to Pontiac Police the theft of two fender skirts from his auto over the weekend while the car was parked in front of his home.

Italian Film Slated at Science Institute

An Italian realist movie, called "one of the best of all time" by critics, will be offiered at 8:15 p.m., Tuesday, in the auditorium of Cranbrook Institute of Science.

"The Bicycle Thief," winner of five major international awards, is the story of an impoverished worker and his son searching the streets of Rome for his stolen bicycle which he needs for a job.

Second feature on the program is "The Gentleman in Room 6," a short experimental British film using the camera and sound track as the leading character telling a story.

Sponsored by the Foreign Film Club, a non-profit organization, the programs are financed by voluntary contributions from the audience.

Now It's Their Auto

BUFFALO, N.Y. (UP)—Mrs. June Calkins had a quick solution when police impounded her 1941 coupe after two parking tags had been placed on it. "Keep it," she told Judge Arthur J. Cosgrove. "It costs me too much anyway."

Announce New Way To Shrink Painful Piles

Science Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H.®* Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drugstores. Satisfaction guaranteed or money refunded.

Strawberry Binge!

Strawberries are in season and folks who love them are going wild. Those wonderful fresh, plump, rosy berries look so good they often buy more than they can eat.

But that's no problem for those who own an electric home freezer. They eat their fill, then freeze the rest for winter feasting.

There's no such thing as out-of-season delicacies when you own a freezer. You eat what you want when you want it. Find out more about an electric home freezer, today.

NAACP Uses Legal Threat

Tells Dixie Schools to Work for Integration by Fall or Face Lawsuits

ATLANTA (AP)—The South's local school boards have been put on notice they will face court action if they fail to move for the end of public school segregation in time for the next school term.

In a strategy conference in Atlanta Saturday, delegates of the National Assn. for the Advancement of Colored People from 16 states and the District of Columbia set September as the goal for beginning a program to compel classroom integration.

* * *

Gov. Marvin Griffin of Georgia, an outspoken foe of the U.S. Supreme Court's decision banging school segregation, said the NAACP plan is "very unwise."

"If they try to force integration during the summer, getting ready for the fall term, I have no other alternative under the laws of Georgia . . . but to withhold all public funds," Griffin said.

* * *

Saturday's conference instructed all NAACP branches to emphasize that "the length of time it will take for desegregation to become a fact in the community is not in the hands of politicians or school board officials but in the hands of the federal courts."

"The time for a law suit has arrived" if local boards have not taken concrete steps to integrate schools by fall, the directive said.

Hope for Early Release of 11 Captive Airmen

The relatives of 11 American airmen still imprisoned by the Chinese Communities expressed hope today that they, too, would soon be given their freedom.

The hopes of wives and parents across the nation soared when the Chinese Reds released four imprisoned fliers last week. They were given an added boost when an Indian newsman said he had information that freedom for 11 other airmen might come at any time.

There was no positive word from behind the Bamboo Curtain over the weekend. But some of the fliers' relatives said they were almost convinced that the joyful news would come soon.

Their hopes were also buoyed by hints contained in recent letters from the prisoners.

Maj. William Baumer of Lewisburg, Pa., wrote his mother that he might be eating her "graham wafer pie" soon. It was the first time he had talked of home cooking since his imprisonment began.

In Missoula, Mont., the wife of Capt. Elmer F. Llewellyn said he wrote her in his last letter "we'll have our Christmas in June."

UM Professor Speaker at Engineers' Meeting

Professor William C. Truckenmiller of the University of Michigan will be guest speaker at the final meeting this season of the Society of Die Casting Engineers, Inc., to be held at the Pontiac Hotel Tuesday at 7:15 p.m. He will deliver an address on "The Development and Future of Die Casting."

Immediately following the speaker the nominating committee, composed of A. K. Unterkofler of Ternstedt Dev. GMC, Chas. R. Muenger of the Schultz Die Casting Company and Marshall Aberle of H & M Industries Inc., will present those selected for 1955-56 offices. Additional candidates will be accepted from the floor.

Army WAC Recruiter Will Be Here Tuesday

Army WAC recruiter M. Sgt. Sandra Intorre, of Detroit, will visit the local recruiting station, 53½ Huron St., from 9 a.m. to 4 p.m. Tuesday, to interview women interested in joining the WAC.

Women between the ages of 18 and 34 who are single, or divorced with no dependents, are eligible. A high school diploma or its equivalent is required. For further information, women may phone the recruiting office, FE 4-5342.

Novelist Thomas Mann Celebrates 80th Birthday

KILCHBERG, Switzerland (AP) — German born author Thomas Mann celebrated his 80th birthday here today among his immediate family and closest friends.

Mann, winner of the 1929 Nobel Prize for literature, is in excellent health. He plans to start work soon on a new full length novel—the second part of his most recent work of fiction: "Felix Krul—The Life Story of an Impostor."

Fisherman Gets Owl

VICKSBURG, Miss. (UP) —Sam Matthews said he was fishing in a lake this weekend when a large horned owl swooped down, grabbed his lure and flew off with about 100 feet of line before Matthews reeled him in. The owl was the only thing he caught, Matthews said.

Moral Re-Armers End Annual World Meeting

MACKINAC ISLAND (AP)—The final session of the Moral Re-Armament world assembly was held yesterday in the new MRA theater constructed during the winter.

Dr. Frank N. D. Buchman, initiator of MRA, was chairman at the final session.

Dr. Thedor Oberlander, West German cabinet member, describe the building as "the first theater in the West dedicated solely to an ideological purpose."

Placed on Probation

Bennie Bowman, 25, of 464 Dimmar St., today was placed on two-year probation and assessed $25 court costs by Oakland County Circuit Judge George B. Hartrick.

Bowman admitted May 13 to attempting to obtain money under false pretenses from the Michigan Employment Security Commission here.

ADVERTISEMENT

The Board of Education of the School District of the City of Pontiac will receive sealed bids for alterations and additions to the McConnell, Central and Wisner Schools until 2 p.m. Eastern Standard Time on Thursday, June 16, 1955. A lump sum proposal for all three projects will be received and publicly read aloud at the office of the Board of Education, 40 Patterson St., Pontiac, Michigan at the above stated time.

Proposals will be for a general contract and shall include all trades.

Bidders will be required to furnish satisfactory Performance, Labor and Material Bonds in the full amount of the contract.

All bids submitted shall remain firm for a period of thirty days. A certified check or acceptable bid bond in the amount of 5% of the amount of the bid must accompany each bid submitted.

Plans and specifications for the projects will be on file at the office of the architect, the Builders and Traders Exchange of Detroit and the F. W. Dodge Corp. of Detroit. Plans and specifications for bidding purposes may be obtained at the office of the architect, Wm. C. Zimmerman Associates, 831 W. Huron St., Pontiac, Michigan.

The Board of Education reserves the right to reject any or all bids and to waive any informalities therein.

BOARD OF EDUCATION OF THE SCHOOL DISTRICT OF THE CITY OF PONTIAC
LOLA B. KING, Secretary
June 6, 7, 8, 1955

Mr. Potter will lie in state at the residence. Funeral arrangements by Thayer Funeral Home, Farmington, Mich.

Card of Thanks 1

WE WISH TO THANK OUR RELATIVES, neighbors and friends for their sincere kindness and expressions of sympathy during our bereavement in the loss of our loved one, Frederick J. Hopgood. We also wish to convey our thanks to the Rev. Paul Havens for his comforting message, and the Donelson-Johns Funeral Home, for their many acts of kindness. William Hopgood and Family, Mrs. R. Stephens.

WE WISH TO THANK ALL OUR friends and relatives for everything they did for us in our recent bereavement in the death of our son Andy. Our gratitude is especially directed to Rev. Fred Delaney of Our-Lady-Of-the-Lakes Church, the Coats Funeral Home to the Waterford Township High School faculty and to all Andy's schoolmates for their many many kindnesses. The Joseph Miceli Family.

WE WANT TO THANK OUR friends and neighbors for the beautiful flowers and many acts of kindness at the death of our loved one. We are deeply appreciative to the Eastern Star, Rev. Charles Race, and the Sparks-Griffen Funeral Home. Mr. Eli Brendel and Mrs. Richard Wehpner.

WE WISH TO THANK OUR MANY friends and neighbors for their good deeds and thoughtfulness, special thanks to Rev. Morthson and Mrs. Nellie Poppy for singing, our friends at the TB San Huntoon Funeral Home and relatives. By: Mrs. Blanche Collins and children for the recent bereavement for Lee R. Collins.

In Memoriam 2

IN LOVING MEMORY OF BERtha Ward, who passed away 2 years ago today June 6, 1953.
Sunshine passes, Shadows fall
Loves remembrance outlasts all
And tho the years be many or few
They are filled with remembrance.
Dear of you
Sadly missed by Husband, Children and Grandchildren

Missing Cherub Lived in Dallas

Our Gang Hero Is Still Chubby and Jolly; Will Try Movie Comeback

HOLLYWOOD (AP) — Found: Spanky MacFarland, 27, the "missing" member of Our Gang. He's back in Hollywood to resume his acting career.

Ever since the old Our Gang was revived on TV as The Little Rascals, folks have been tracking down the whereabouts of the former child performers.

All were located except Spanky. He was reported as doing everything from driving a bakery truck in Fairbanks, Alaska, to operating a gas station in Barstow, Calif.

* * *

The amateur sleuths can relax. Spanky, as chubby and jolly as when he lead the mischief makers in the Hal Roach comedies, has returned here from his Dallas home. After 11 years away from it, he wants to be an actor again.

"I just want a chance to show producers what I can do," he says. "I may be overconfident, but I feel I can handle anything they give me. I know that 13 years of acting in movies must mean something."

* * *

Spanky grew up in the picture business. Born in Dallas, he was modeling for department store and soft drink ads when he was 3. He doesn't know exactly how he came to films, but his best guess is this: An aunt sent his picture to producer Roach, who said to bring the boy to Hollywood.

He was born George, but Our Gang writer Bob McGowan dubbed him Spanky and he's been that ever since.

He doesn't remember much of his film days—"To me, it seemed a normal way of life: I thought everybody made movies."

Spanky was in the Gang from 1931 to 1944, when the series started to fade. One day he told his parents: "I'm tired of acting. I want to go back to Texas and just hunt and fish."

* * *

And so the MacFarland family returned to Dallas and resumed a normal life. "I know now it was a mistake," said Spanky. "But you couldn't tell me that then. I was a headstrong kid."

He finished high school and went into the Air Force in 1947, serving as special service private first class for Texas bases. In 1949, he went to work for Chance-Vought Aircraft in Dallas and served in materiel there and at the guided missile project at Point Mugu, Calif.

He gave up the job after the marriage to his high school sweetheart broke up. They had one son, Greg, now 4 and the spittin' image of Spanky as a lad.

* * *

"I came back to Hollywood in September 1953," Spanky said, "but I couldn't find any acting jobs. Not even a half day's work. So I went back to Texas and goofed around. I helped out a friend who had a fencing business, and I did some work in oil."

The great success of The Little Rascals on TV prompted Spanky to try Hollywood again. This time he had better luck. Through a mutual friend, he contacted George Gobel and was signed for the latter's show June 25. He hopes to land a job in George Stevens' "Giant." Stevens directed Spanky in the Our Gangs years ago.

Hot lye water is an effective disinfectant for washing contaminated barns and pens on the farm.

Officer Pulls Switch; Mother Is Color Girl

LOS ANGELES (AP)—The color girl at the dress parade is usually the company commander's fiancee or girl friend. But Jack Durrett threw tradition to the wind. He chose his mother, Mrs. E. H. Durrett, of suburban Whittier.

Jack, 21, is the commander of Company A of the Naval Reserve Officers Training Corps at the University of Southern California. He said he thought it would be a nice recognition for mother since she had been "an inspiration and a lot of help in a lot of ways" during his university studies.

Oil Field Discoverer Dies of Heart Attack

SAN ANTONIO, Tex. (AP) — A heart attack yesterday killed 92-year-old Pattillo Higgins, who discovered and promoted the famed Spindletop oil field near Beaumont.

Virtually penniless during the Spindletop exploration from 1892 to 1901, Higgins later sold his holdings in it for more than three million dollars.

Many oilmen said he had an uncanny ability to spot potential oil fields.

Higgins was one-armed as a result of an accidental shooting during his youth. He quit school in the fourth grade but studied geology and related subjects throughout his life.

The buffle-headed duck can dive into the water and emerge in full flight.

Libya King, 66, Weds for Heir

Queen Fatima Sulks as Idriss Honeymoons With New Bride

CAIRO, Egypt (AP)—Libya's 66-year-old King Idriss made preparations today for a honeymoon he hopes will give him a crown prince. The monarch's other spouse, Queen Fatima, was reported sulking in a village 115 miles northwest of the Egyptian capital.

The King was married yesterday to Alia Abdel Kader Lamloum, daughter of a wealthy Egyptian cotton planter of Libyan origin. Before the ceremony Idriss paid a dowry of 10,000 pounds ($28,700) to the bride's family.

* * *

The honeymoon starts Thursday. Until then Queen Alia is staying with her brother, who represented her at the all-male portion of the Moslem rites yesterday.

Fatima is 40 and has been married to the King 22 years. All five of their children have died and relations between the couple have been strained for several years.

Moslems are allowed four wives. However, Fatima and her family were so opposed to the King's marrying that one of her nephews last year assassinated the court minister arranging the match. The killer later was tried and executed.

The new queen's age was described as a family secret but she has been variously reported between 30 and 38. The King had not met her until the ceremonies yesterday.

Capacity of the U. S. steel industry is about 126 million tons per year.

Russians Return Gold

TEHRAN (INS) — The Soviet government reportedly has turned over to Iran 11 tons of gold seized by the Russians in the country during World War II. The gold was said to have been delivered at the Soviet-Iran frontier Saturday.

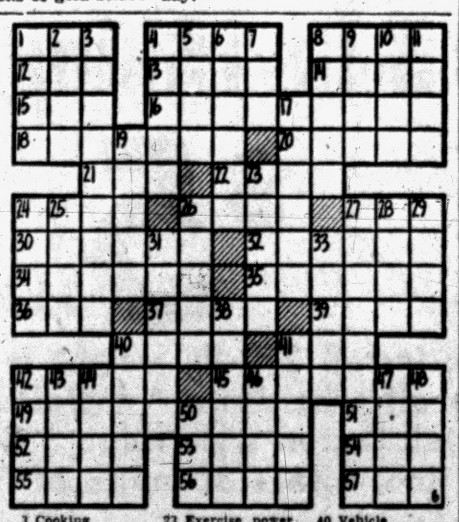

According to records, the first mule bred in the United States was bred by George Washington. The jack was presented to Washington by the king of Spain.

IMPORTANT
NOTICE
to Our Customers

When you pick up your newspaper these days, sometimes you have to search hard to find some news that's good. But here is GOOD news we are happy to pass along to you at once. MAXIMUM SUMMER DISCOUNTS ARE NOW IN EFFECT on coal.

You can get GEE COAL at the lowest price of the year if you order now. It is clean, long burning and gives you more heat per dollar. We earnestly urge you to fill up your bin at these prices—the lowest we believe they will be this year.

WE WOULD LIKE TO SUGGEST that you take advantage of our summer contract terms; order your coal now, and instead of one big bill, use our convenient payment plan. What you really do is rent us the space to store coal; and you are paid rental in the form of lower costs.

Our highest summer discounts are during June when mine prices are lowest of the year.

Call us today — save $1.50 off the ton price during the month of June. Let us show you exactly how our plan would work in your case.

Rumors Rife as Margaret Nears Her 25th Birthday

LONDON (UP) — There's a great day coming for Princess Margaret—if she wants it. It is Aug. 21, her 25th birthday, the day when she no longer has to ask Queen Elizabeth whom she can wed.

* * *

On that day of freedom the little princess can, if she wishes, announce her intention of getting married. She has to wait 12 months before the ceremony, but once she has made her choice only an act of Parliament can stop her.

The first drops of what will certainly become a cloudburst of speculation are already pattering against the rambling town house of the Windsors. Will she make such an announcement? And if she does, will it be Group Capt. Peter Townsend?

These are the questions being parried already by Commander Richard Colville, press secretary to the Queen.

He expects a very rough summer.

DEMANDS TO KNOW

As an indication of what is in store for him, the Sunday Express this week demanded that the royal family confirm or deny that Margaret wants to marry Townsend, who was "exiled" to the post of air attache in Brussels two years ago this month.

* * *

Meanwhile, society circles heard that Michael Bonham-Carter, 33-year-old publisher and "old faithful" among Margaret's escorts, planned to marry Lady St. Just, daughter of the late American magazine publisher, Conde Nast.

Bonham-Carter was a leading dark horse in the Margaret matrimonial stakes and his departure cuts the field of eligibles down to a paltry three.

Only one of this remaining trio is given even the ghost of a chance—Billy Wallace, wealthy polo-playing stepson of American writer Herbert Agar. He sees a lot of the princess but his best friends claim it is friendship, not love.

The other two, Lord Porchesterr and Colin Tennant, say they are not ready for marriage.

SPINSTER PERHAPS?

Is the princess to wind up a spinster, then? Some knowledgeable courtiers think this is quite possible. Others wonder whether she is letting her chances slip by because she is waiting for Aug. 21 and Group Capt. Townsend.

Nowhere will the approach of the vital day be watched with more anxiety than in Buckingham Palace itself. The royal family believes—and this is from an excellent source—that Princess Margaret has recovered from her infatuation for the handsome war hero.

They feel she realizes the handicaps—he is divorced, has two growing boys, makes only $6,000 a year, is too old for her.

In addition, because of his divorce he can never have the approval of Queen Elizabeth, who is head of the established church.

Then why the anxiety? Margaret keeps her own counsel. Her family isn't quite sure what lies behind those startlingly blue eyes. Is she thinking of Aug. 21 as just another birthday or a day of decision?

An average female rainbow trout will produce from 5,000 to 9,000 eggs a year.

Leaves 222 Survivors

BAKERSVILLE, N. C. (AP)—Mrs. Hattie McKinney Pitman, 92, died Saturday leaving 222 direct descendants—10 children, 82 grandchildren, 120 great-grandchildren and 10 great-great-grandchildren.
