Court Taft-Hartley Steel Ruling Due Tomorrow

Protesting Pickets Parade

Pontiac Press Photo

CARPENTERS VS. TEAMSTERS — The hall of Pontiac Teamsters Local 614 at 1410 S. Telegraph Rd., Bloomfield Township had this line of pickets in front of the entrance this morning, as members of local 998, AFL-CIO Brotherhood of Carpenters marched in protest. The pickets sought the expulsion of some 25 carpenters from the Teamster local, they said.

Teamsters Are Picketed Here by Carpenters

Jurisdictional Fight of Transport and Building Unions Boils Over

Pickets were on the march today as a long-simmering jurisdictional dispute between the AFL-CIO building trades and the Teamsters union boiled over.

A dozen placard-wielding pickets paraded before Pontiac Teamsters Local 614 hall, 1410 S. Telegraph Rd., Bloomfield Twp., protesting the fact that carpenters have been taken into the Teamsters fold.

The pickets were members of Local 998, AFL-CIO, in Berkley — a branch of one of the AFL's strongest unions, the Brotherhood of Carpenters.

Picketing began at 7:30 a.m. and continued in orderly manner throughout the morning. Directing was Grady B. Pinner, local 998 business agent and a strong voice in Oakland County AFL affairs.

He said the AFL wanted Local 614 to expel some 25 carpenters absorbed by the Teamsters in the merger with the Michigan Gas Attendants Union this summer.

Pinner said he was trying "to force to the attention of Jimmy Hoffa" that Teamster underlings had broken a promise to drop the carpenters and about 75 other former MGAU members employed in the building trades.

Pinner said that Local 614 officers and such Teamster higher-ups as Bert Brennan, vice president of Hoffa's home local in Detroit, had agreed on the switch at one time, but that it hadn't come off yet.

"We demand to know whether the Teamsters are going to put these carpenters into the union they should belong to or not," said Pinner.

WON'T FORCE THEM

Local 614 leaders shrugged their shoulders.

Floyd B. Harmon, secretary-treasurer, said the Teamsters wouldn't force the carpenters to leave if they didn't want to.

"And apparently they don't want to join the AFL-CIO," he observed.

Harmon said the carpenters had a right to "self-determination" in the choice of union they affiliate with.

"These are human beings, after all — not checkers in a checker game."

★ ★ ★

In fact, however, the dispute did resemble a move in a sprawling game for power played across the

Million Castro Backers Rally Against America

HAVANA (AP)—Anti-American feeling mounted in Havana today as Fidel Castro's supporters beat the drums to marshal a million Cubans for a rally protesting "foreign aggression" against the revolutionary regime.

The Cuban Labor Confederation set the stage for the mammoth show of loyalty ordered by the prime minister to support Cuban demands that the United States prevent anti-Castro Cubans in Florida from flying over Cuba dropping leaflets and arms.

More than a million badges reading "against foreign aggression" were prepared for the demonstrators. A general work shut-down was declared for noon in Havana and three neighboring provinces to bring out a huge crowd before the presidential palace.

Blaring sound trucks and the pro-government press and radio kept up the cry against the intruders from abroad.

GANGS, PLANES TOGETHER

The government charges that two mystery planes which dropped anti-Castro leaflets on Havana in daylight last Wednesday came from the United States. As the planes flew over the city, hit-and-run gangs sped through the city in cars, throwing bombs and grenades.

Two Cubans were killed and about 50 injured, and Castro charged that the planes dropped bombs as well as leaflets. But some witnesses said the casualties resulted from the automobile gangs and from the fire of army personnel shooting wildly at the planes.

Since then individual light planes have slipped through Cuban air force patrols several times to drop anti-Castro leaflets on the capital or its suburbs.

The fiery prime minister has repeatedly denounced the United States for giving refuge to Cuban enemies of his revolutionary regime whom he has branded as war criminals.

A group of 73 professional, civic and religious organizations sent a cable to the U. S. Congress protesting the air activity and urging deportation of Cuban counter-revolutionaries in the United States.

J. Edward Worton, a Miami attorney who represents the Castro regime, told the Miami Herald that he had been directed to begin extradition proceedings against Maj. Pedro Diaz Lanz, former head of the revolutionary air force who the U.S. Federal Bureau of Investigation says admitted leading the leaflet raid Wednesday.

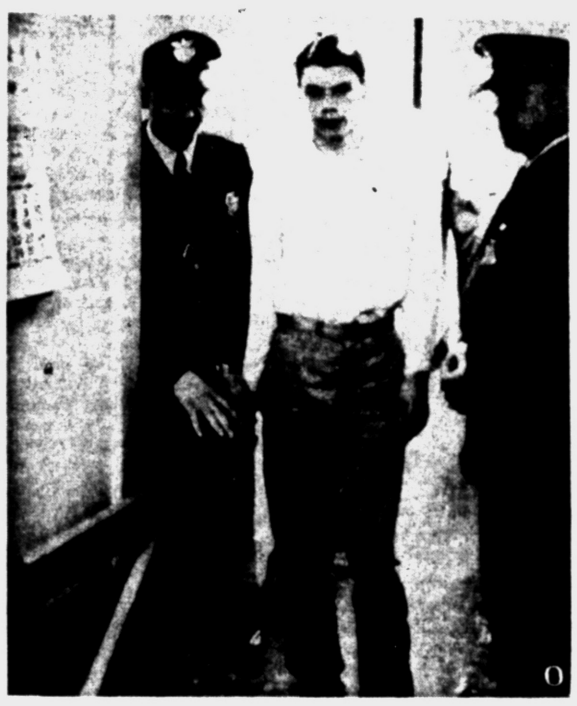
Diaz Lanz fled to the United States in July, charging that Castro was a Communist and his regime Red-dominated.

The tenseness in the capital was reflected early Sunday morning when an American engineer and his wife were fired on, whey they inadvertently drove through an ambush set up by Cuban sailors disguised as peasants.

Patrick Kenney, 28, of Absorokee, Mont., an adviser to a Cuban steel processing company, was cut by glass splinters and treated at a hospital. His wife suffered shock.

Police said the sailors were lying in wait for a light plane they expected to land on the highway with arms for anti-Castro forces.

'I'll Be a Dictator'



AP Wirephoto

CONFESSES SLAYING — James Vogel, 17, of Ann Arbor is led from a questioning session by police officers after admitting the shotgun murder of his 14-year-old sister. Claiming that he hates everyone and admires dictators the boy told police how he went upstairs to get the gun after an argument over who would sit in an easy chair before the family television set.

Kaiser Won't Bargain With Rest of Industry

Negotiations Continue in Pittsburgh as Strike Is 104 Days Old

From Our News Wires

PHILADELPHIA — The decision by the U.S. Circuit Court of Appeals on whether the striking steelworkers must return to work under a Taft-Hartley injunction or may continue their walkout will be given at 4 p.m. tomorrow.

The court clerk made the announcement today on behalf of Judges John Biggs Jr., William H. Hastie and Herbert Goodrich. The three-judge court heard argument last Thursday.

While awaiting the court decision, the Steelworkers Union and steel industry representatives continued negotiations in Pittsburgh.

★ ★ ★

Union representatives met separately at 10 a.m. E.S.T. today with many of the 96 steel and iron ore firms. The major steel producers conferred with union bargainers in separate rooms in the Penn-Sheraton hotel.

The walkout of 500,000 steelworkers now is in its 104th day.

Kaiser Steel Corp. today broke away from industrywide negotiations meeting behind closed doors for more than two hours with United Steelworkers Union leaders. They later reported "progress" in efforts to negotiate a separate steel strike settlement.

Edgar F. Kaiser, board chairman, announced the move in Washington only hours after the industry had announced that Kaiser had reached a separate agreement.

ALL SIGN STATEMENT

The announcement that Kaiser, the nation's 12th largest steel producer, had reached agreement with the union was signed by the 11 other major steel firms. It did not say, however, that the agreement had been signed. Kaiser had been a member of the 12 steel firms bargaining as a unit.

By itself, Kaiser's statement did not deny that Kaiser had reached agreement, but instead explained why he had decided to bargain separately.

Later, Norman Nicholoson, assistant to Kaiser, agreed to clarify the situation further. He denied that any agreement had been reached and added that negotiations would begin in Washington today.

OTHERS STEADFAST

Others of the industry said Kaiser's bolt from the ranks would not alter their position to resist what they called an inflationary wage increase.

Kaiser, which employs 10,615 of the half-million United Steelworkers, produces nearly 1,500,000 ingot tons of steel a year — two per cent of the national output.

"We believe the decision to bargain separately with the union is the only responsible step we can take in the face of mounting national emergency caused by this 104-day strike," Kaiser said in his statement.

U.S. Steel company officials meet in New York tomorrow to announce third-quarter earnings and other figures. They have given no advance estimate on whether the strike has cut earnings for the first nine months below those for the comparable period of 1958. Some sources have speculated the strike setback has not been sufficient to offset high earnings in the first six months.

Bethlehem Steel's third-quarter report will be issued in New York Thursday.

It is expected that the Circuit Court decision will be appealed to the U.S. Supreme Court, whichever way the ruling goes.

Arthur J. Goldberg, chief coun-

Vote on Library in Waterford

Election Tomorrow to Determine if Township Will Get Property

A special Waterford Township election is slated tomorrow on establishing a public township library. The project was defeated in the spring election.

It is necessary for all three propositions on the ballot to be approved if the library is to become a reality.

All registered voters may vote on the first two propositions, asking that property owners be assessed $1 per $1,000 assessed valuation as equalized for bonds not to exceed $300,000, and a tax increase of .50 cents per $1,000 valuation for maintenance and operation of a library.

Only property owners may vote on the third proposition, on whether the township may borrow $300,000 and issue bonds for a public library.

★ ★ ★

Since retired financier Frank Steere offered to donate a 17-acre site to the township two years ago with the stipulation that a $250,000 library be constructed, a township appointed library committee has been working on facts, figures, the need for such a library and architectural plans.

If the measures are approved, a tax increase of one and one-half mills for a period of not more than ten years, or to an average taxpayer—$7.50 annually, officials have stated.

The township has until 1961 to fulfill the donor's conditions or the property will revert back to the Steere family.

The nineteen precincts throughout the township will open at 7 a.m. and close at 8 p.m. There are approximately 25,000 registered voters in Waterford Township.

St. Michael Soph Wins Bowlerama

A 15-year-old St. Michael's High School sophomore, Joe Myers of Rochester, won the third annual Pontiac Press Bowlerama handicap tournament and a check for $500 yesterday.

Myers bowled 678 with handicap in the championship round at Huron Bowl. The women's champion is Marvel Szot, whose 672 earned her $300.

In the Pontiac Invitation Actual Championship, Bob Gormong took honors with 651.

On the football scene, St. Michael's gave St. Frederick's the worst beating in history of the crosstown rivalry, scoring a 54-7 victory at Wisner Stadium yesterday.

The Lions, Michigan, and Michigan State all won over the weekend, but the Red Wings and Pistons lost. See sports pages for all details.

Just What He Needed

HONOLULU (UPI)—Amateur diver David Ford of San Rafael, Calif., claimed a world record today for sitting underwater for 76 hours and 32 minutes. He was brought to the surface last night and sped to a hospital for a checkup. The first thing they gave him was a shower.

Let's Stop This Bickering, Gov. Williams Advises

LANSING (AP)—Governor Williams, facing tomorrow's critical new tax program meeting, has called for all persons in government to "rise above political bickering."

Williams has an all-important huddle with a bi-partisan legislative group tomorrow which is to try to work out recommendations for the Legislature's return Thursday.

An alternative is needed for the scuttled one-cent increase in the state use (sales) tax which the Supreme Court ruled last week was unconstitutional.

In a letter to House Speaker Don Pears, Rep. Farrell E. Roberts (R-Pontiac) proposed a makeshift tax answer pending a statewide vote in November 1960 on raising the sales tax to 4 per cent.

Roberts said the existing sales levy should be extended to services now exempt, that the veterans trust fund should be mortgaged and consideration given, if need be, either to a temporary wholesalers tax or a temporary flat rate income tax expiring Dec. 31, 1960.

Michigan, said Williams in a statement issued yesterday, is in "her worst crisis since the bottom dropped out of the property tax in the early 1930s."

The Democratic governor referred to one of the financial crises of the depression era.

"We can survive as a responsible government," Williams added, "only if we all rise above political bickering and act to provide the necessary money without further delay."

Williams urged that the 50-million-dollar veterans trust fund be released and other revenues also be provided.

"The state can be saved from financial chaos only by legislative action to release the veterans trust fund and in addition provide new revenues totaling about $110,000,000 to replace the use tax," he said.

Williams met yesterday with members of his staff and the State Administrative Board for discussions preliminary to tomorrow's session.

★ ★ ★

New Revenue or Catastrophe

Cash Disaster Plan Could Send 26,000 College Students Home

LANSING (UPI) — Michigan faces layoff of at least 7,500 state workers and a "catastrophic" reduction in services if new revenue is not found, a cash disaster plan presented to Gov. G. Mennen Williams revealed today.

State Controller James W. Miller said the cut in general government operation would amount to 27.6 per cent if no new revenues are provided to replace the penny use (sales) tax increase voided by the Supreme Court last week.

Some 25,950 college and university students "would have to be sent home; there would be a complete halt of admissions of mental health patients; there would be a forced reduction of 420 state troopers and the state would have to "skeletonize" prison operations.

Miller's nine-page report to the governor came minutes after Williams told newsmen Michigan was "sitting on a bomb with a time fuse."

BIGGEST SLASH

The biggest cut under the 27.6 reduction plan would be $19,100,000 slash in the higher education budget.

Mental health and welfare operations would be cut by about 13 million dollars each.

"The impact of such a massive reduction would be literallycatastrophic," Miller said.

★ ★ ★

"Assuming that a third of the education would fall on salaries and wages of regular state employes, and using an average salary of $5,000, a cut of 25 million dollars would mean forced layoff of about 7,500 employes."

Williams urged both political parties to "throw politics in the ash can" in the search for a solution to Michigan's newest cash crisis.

Soviet Papers to Unveil Moon Pics Tomorrow

MOSCOW (AP)—The Soviet Union announced today the first photographs of the far side of the moon will be published in Moscow newspapers tomorrow.

The photographs were taken by the moon-circling Soviet Lunik III. The news agency Tass said the rocket took pictures of the moon's hitherto unseen dark side for 40 minutes on Oct. 7.

"A considerable number of photographs of the moon were obtained," the agency said. "The processing of the films—exposure and fixing — was automatically carried out on board the interplanetary station."

Wet, Chilly Gloom Refuses to Leave

Cloudy and continued cool is the rather glum word from the weatherman for Pontiac tonight and tomorrow.

The low tonight will be near 40. The high Tuesday will be 48.

Occasional rain beginning this afternoon is expected to continue tonight and Tuesday.

Temperatures will average about three to five degrees below the normal 56 high and normal 39 low the next five days.

Winds were southerly at eight miles per hour at 10 this morning. Rainfall for the weekend totaled .02 inches.

The lowest temperature recorded preceding 8 a.m. downtown was 38. At 2 p.m. the temperature was 43.

Two-Track Minds

POLLARD'S HILL, England (UPI)—Youth club leader Stanley Comber said yesterday nearly all of the boys answered a questionnaire from inquiring into their hobbies and interests by writing: "jiving and girls." The girls wrote "jiving and boys."

Teen-age Killer Snarls He Hates Everyone

ANN ARBOR (AP)—A studious, lanky teenager who says he admires dictators and "hates everyone" was calm and composed today as he awaited police action in the shotgun slaying of a younger sister.

James Vogel, 17, told police he shot his 14-year-old sister Gwendolyn at their home Saturday after an argument over who was to sit in an easy chair before the family television set.

A young woman bystander was shot and seriously wounded and a policeman wounded as young Vogel let go with a hail of fire from his shotgun while fleeing. He was captured in a nearby city park.

Vogel, held in the city jail, was described by police as calm and composed. He is held for investigation of murder.

"I got kind of nervous. So I went and got the shotgun, shot Gwen, and took off," Vogel told police.

He and his pretty sister had argued previously over the easy chair. Vogel told officers he went up stairs, came down with a 16-gauge shotgun, and shot Gwendolyn.

Outside, in his flight, he fired again, reloading and repeating his shots from the park as police pursued.

Mary Elaine Root, 22, former Appleton, Wis., who was looking for an apartment before working here for Parke, Davis & Co., was wounded by the first blast.

Miss Root, struck in the face by pellets, is in the University of Michigan Medical Center. One of the pellets entered an eye. Otherwise, her condition was reported good.

Two girl companions of Miss Root escaped harm.

Patrolman Charles Anderson, 25,

(Continued on Page 2, Col. 5)

Man Seriously Knifed in Brawl

2 Others Hospitalized, Pair Held After Fight in Front of Tavern

A Pontiac man lies near death today at St. Joseph Mercy Hospital with severe knife wounds from a brawl early Sunday. The fight also hospitalized two other men.

Louis Vanitvelt, 26, of Franklin Rd., on parole from Jackson Prison where he had been serving a term for breaking and entering, is in critical condition.

Vanitvelt and four friends got into a fight with two unidentified men shortly before 2 a.m. yesterday after leaving the Old Dutch Mill Tavern, 3211 Auburn Rd., Auburn Heights.

Also slashed in the battle were Robert Leach, 21, of 3440 Indianwood Rd., and Richard Cooper, 21, of 65 Sipples St., both of Orion Township.

Leach was taken off the critical list last night, was termed in fair condition today. Cooper is in satisfactory condition.

The three are under police guard at the hospital. The other two men in the party, Ronnie Shane, 21, of 57 N. Broadway St., and Clarence Reed, 21, of 24 Park Blvd., both of Lake Orion, are being held by sheriff's detectives.

Both were booked at the Oakland County Jail for investigation of felonious assault.

According to Detectives Marion Bauman and Gerald Gaedt the men "don't know exactly how the fight started or what they were fighting about."

Who Will Show the Way?

JACKSON, Miss. (UPI)—The Mississippi Public Service Commission must decide by what means the congregation of the Church of Christ of Coldwater, Miss., will see the light. Mississippi Power and Light Co. has petitioned the commission to replace Northeast Mississippi Electric Power Co. in serving the church.

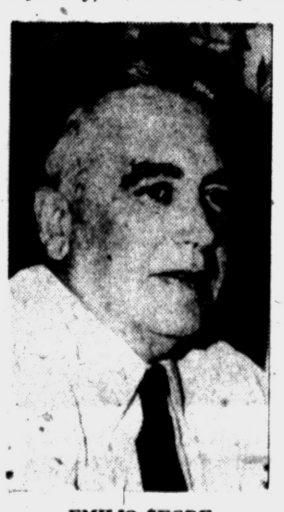
2 Physicists Win With A-Theory

Nobel Prize for America

STOCKHOLM (AP)—Two American atomic scientists today were awarded the 1959 Nobel physics prize for the discovery of the anti-proton, proving that matter exists in two forms, as particles and anti-particles.

The chemistry prize this year was awarded to Prof. Jaroslaw Heyrovsky, 68, a Czech. It was the first Nobel award ever made to Czechoslovakia.

DR. OWEN CHAMBERLAIN



EMILIO SEGRE

Heyrovsky was honored for developing the polarographic method of rapidly analyzing the precise chemical composition of complicated substances. It has been particularly valuable in the field of metallurgy.

The physics winners are Italian-born Emilio Segre, 54, and Dr. Owen Chamberlain, 39, born in San Francisco. Both are attached to the University of California at Berkeley.

Segre and Chamberlain are the 17th and 18th Americans to win the Nobel physics award. They will divide $42,606.

The Swedish Academy of Sciences, which awards the prizes provided by the inventor of dynamite, the late Alfred Nobel, said the discovery of the American nuclear physicists was one of cosmic implications.

Using the giant atom-smashing bevatron at Berkeley, Calif., they found that by clashing their newly

County Judges to Get Pensions

Amendment Is OK'd 67-3 by Supervisors in Time to Benefit Doty

Three Oakland County supervisors today opposed placing circuit judges under the county's retirement system.

However, negative votes from Thomas H. O'Donoghue (Ferndale), Roy L. Duncan (Troy), and Lee H. Clack (Oxford Township) failed to stop an amendment to the system. It passed 67 to 3.

O'Donoghue and Duncan said they were against the amendment, which is expected to cost the county $4,200 a year beginning in 1961, because they didn't have enough information on the proposal.

Clack said he didn't believe the five county judges heretofore only eligible for state retirement benefits, should be under both.

Today's amendment was rushed through in order that 79-year-old Judge Frank L. Doty will qualify. Judge Doty retires at the end of this year.

"We felt it would be unfair to allow the senior member of the bar to retire without benefit," said Robert E. Lilly, executive secretary of the Retirement Commission and auditor.

* * *

Judge Doty sacrificed some $2,400 in state pensions when he decided to serve out his present term.

Lilly said Doty will receive about $2,500 a year in county pensions for life. He must pay into the system's treasury five years of back deductions, Lilly said.

Judges today receive $12,500 a year from the state and $11,000 from the county. Effective Jan. 1 the county share will be cut to $10,000.

Lilly emphasized in answering questions on the amendment that the county will pay benefits based only on the county share.

Before today's amendment, the Employes' Retirement System required that a person receive 50 per cent or more of his or her pay from the county to qualify. This excluded the judges. The amendment changed this to 40 per cent.

HONOR SIX PRINTERS — At the annual Forty Year banquet of the International Typographical Union, Pontiac Local 512 Saturday, six Pontiac Press printers were honored. From left are David L. Brown, 52 years; J. Howard Edwards, retired, 53 years; Edward DeMuth, 51 years; Local president Phillip Dworin; Donald Barker, Fred Jackson, and Raymond Upchurch, all 40-year men.

Pontiac Press Photo

5 Press Printers Honored by ITU

Receive Pins for 40, 50 Years of Membership in Union

Five Pontiac Press printers and one retired printer, were honored Saturday night at the Annual Forty Year Banquet of the International Typographical Union, Pontiac Local 512.

* * *

Heading the honor roll were J. Howard Edwards, retired, a union member 53 years.

From the Pontiac Press, 50 year men were David L. Brown, 52 years, and Edward DeMuth, a 51-year member.

The three "old timers" were presented with 50-year pins by Phillip Dworin, local president.

Next in line were Frederic Jackson, Donald Barker, and Raymond Upchurch, all of whom received 40-year pins.

* * *

The dinner and presentation ceremonies were held at Pontiac Country Club. An estimated 120 members and their wives attended.

Moultrie's Poultry Feathers Its Nest

MOULTRIE, Ga. (AP)—The hen got a ride, the farmer got an egg, and everybody had a big laugh.

That's what happened when Ed Edwards of Moultrie drove to the nearby farm of R. J. Deas to make plans for picking cotton.

A loud cackling from Edwards' truck interrupted the conversation. One of his hens had built a nest under the back seat of the truck and had settled down before the farmer left home.

Touch of Winter Wraps Northern States in Snow

By THE ASSOCIATED PRESS

There was a little touch of wintry weather in the north central region today after the season's heaviest snow falls and temperatures near freezing.

Sections of the Southeast, far from the snow belt, were chilled by an invasion of cold air which sent temperatures into the 40s as far south as Georgia and extreme northern Florida.

Torrential rains drenched areas in New England over the weekend, causing landslides, washouts and flash floods.

Heaviest snowfall was in Wisconsin's Rhinelander resort area, with 10 inches at Crandon. The white covering at Marquette, Mich., measured 8 inches.

Actress Shuns Cuba—Insurance $3,000 Per Day

HOLLYWOOD (AP) — Actress Maureen O'Hara says she canceled plans to appear in Havana, Cuba, because her studio couldn't afford to pay her insurance while she visited the island.

She had been scheduled to speak at a convention of travel agents in Havana.

Columbia Studio said that only Lloyd's of London would write the $250,000 policy, and the premium would be $3,000 for every 24 hours in Havana.

Columbia refused to pay. A spokesman added: "if Lloyd's felt that such a chaotic condition existed in Havana, we would rather not have Miss O'Hara there."

Benson Will Remain in Hospital Indefinitely

WASHINGTON (UPI) — Agriculture Secretary Ezra Taft Benson, admitted to Walter Reed Army Hospital Saturday with "abdominal complaints" will remain there for an indefinite period for observation.

Benson, 60, entered the medical center only 16 days after he returned from a tour of Russian and European farms.

Lewis D. Hoch Jr., assistant to Benson, said yesterday the cabinet member was "feeling much better." He said "the abdominal complaints have lessened."

2 U.S. Physicists Awarded Nobel Prize

(Continued From Page One)

discovered anti-proton and a proton together, both dissolved into light.

* * *

From their research they worked up a theory of an "anti-world," built up of "anti-matter" atoms and sub-atomic particles spinning in reverse orbit to those of the world we know. It is a negative mirror image of the known atomic world, and should the two worlds ever clash, the theory goes, they would both be annihilated in one blinding flash.

The awarding body said the anti-proton — the electrically negative mirror image of the proton or hydrogen nucleus — had been predicted 30 years ago by Paul Dirac of Britain, who shared the 1933 Nobel Prize with Erwin Schroedinger of Berlin University.

The discovery by Segre and Chamberlain of the anti-proton was heralded as an important step toward introducing some order into the bewildering micro-world of some 30 odd sub-atomic particles known to scientists today. The two physicists published their findings in the fall of 1955.

"It is natural that other far-reaching theoretical and cosmological perspectives are linked to this discovery," the Swedish academy said.

Segre was born at Tivoli, Italy, and was a student at the University of Rome of Enrico Fermi, the pioneer nuclear physicist and 1938 Nobel winner. Segre taught at the Rome University and then at the University of Palermo.

In 1938 he was one of a group of prominent Italian scientists who, with Fermi, went into exile to escape facist rule. Segre has worked at the atomic bomb research center at Los Alamos, New Mex., and once shared an award from the U.S. Atomic Energy Commission for discoveries with Bruno Pontecorvo, the Italian-born scientist who worked in Britain's atomic research center and went over to the Soviets in 1951.

Chamberlain was born in San Francisco in 1920. He was educated at Dartmouth College and at the University of Chicago, where he received his doctor's degree in physics in 1949. Since 1948 he has been attached to the university at Berkeley. He also has worked at Las Alamos.

Both Segre and Chamberlain are married. Each has three children.

A Home-Loving Nation

WASHINGTON — More persons own their homes in the United States than in any other country.

Say Gangsters, Kierdorf Pushed Coverall Brand

WASHINGTON (AP)—The Senate Rackets Committee has charged that gangsters, with the connivance of some businessmen, infiltrated Detroit's coverall supply business.

The committee, making public a report of its 1958 hearings, said Teamsters Union president James R. Hoffa was partly responsible.

Cited by the group was Star Coverall Supply Co. of Detroit, described in the report as "backed by some of the most notorious figures of the Detroit underworld."

Through use of "pressure" and with gangster backing, the company was "able to take over the business of legitimately operated companies," the committee said.

IGNORED EVIDENCE

The racket investigators accused Hoffa of ignoring evidence that Herman Kierdorf, former Teamster business agent now in prison, pressured auto dealers to become customers of the Star company.

* * *

Kierdorf is serving a prison term for conviction of carrying a gun silencer. The charge grew out of the investigation of the 1958 Flint cleaning plant arson which police have blamed for the fatal burning of his nephew, Frank.

Former Teamster business agent Jack Thompson is in prison for conviction as an arsonist in the Flint fire. Police say he was aided by Kierdorf.

The Rackets Committee said Kierdorf assisted Star Coverall in taking business from competitors through pressure. It said that among the company backers were Angelo Meli, Santo Perrone, Pete Licavoli, and Joe (Scarface) Bommarito, all of whom have been linked by police to gang activities.

"The committee finds," said the report, "that certain Detroit automobile dealers were only too glad to do business (with Star) if it meant that they would not have to do business with the union (the Teamsters)."

Hunters Thought Missing on Saginaw Bay Are Safe

Ten duck hunters, one of them from Waterford Township reportedly missing on stormy Saginaw Bay since early yesterday, have turned up safe.

Five were found at a cottage on North Island in the bay, among them Clayton Campbell, 23 of 3428 Seebaldt St. The other five showed up at their Detroit area homes.

The men on the island were found by a Coast Guard search boat. They were in a cottage owned by Dr. Forrest Andrews of Bay Port. Dr. Andrews was with the group. He had gone to the cottage two days ago.

The Coast Guard said the six men declined a lift back to the mainland and said they planned to remain on the island for a few more days to continue their hunting.

The hunters on the island included, in addition to Dr. Andrews and Campbell, Robert Lohr, 27, and his brothers, Lawrence 26, Port Huron chiropractors; another Lohr brother, Dale, 20, a Fargo area farmer and Dr. G. A. Rickett, 27, of Carsonville.

Earlier the five other hunters reported missing turned up at their Detroit area homes. They were William P. Hansen, William A. Hansen, William Forrester and two unidentified men.

Taft-Hartley Ruling Is Due Tomorrow

(Continued From Page One)

sel for the union, has said he plans to go to the nation's highest court if the verdict is against the Steelworkers. Should the Circuit Court rule in favor of the union the government also has indicated it will appeal to the Supreme Court.

This case went to the Circuit Court from a ruling last Wednesday by U. S. District Court Judge Herbert Sorg in Pittsburgh ordering the men back to the mills under a Taft-Hartley injunction. The men were to go back to work for an 80-day cooling off period. Contract negotiations were to continue.

Goldberg appealed, asserting the emergency section of the T-H law invoked by Judge Sorg was unconstitutional. He attacked the action as illegal strikebreaking legislation. He denied the assertion of President Eisenhower that the steel strike endangered the health and safety of the nation.

The government, of course, contended they were endangered. It argued that President Eisenhower had given the move for a T-H injunction longer consideration than in any similar case and that the President's action should be upheld.

Ann Arbor Teen-Ager Kills Sister in Row

(Continued From Page One)

who captured Vogel in a tussle after emptying his own gun in an exchange of fire, was wounded slightly in the face and leg.

Vogel, 6-foot-1 son of Eugene Vogel, heating plant worker at the University of Michigan, is an avid reader. He has scored top grades in high school. Friends said he kept much to himself.

Just before the shooting at home he and his mother, Irene, had returned from a store where they bought soft drinks.

* * *

Stories about dictators captured young Vogel's fancy. Police said he called Hitler and Stalin "great men."

"I hate everyone," police said he told them. "I'm going to be a dictator myself some day."

Police said he complained that "people are always laughing at me behind my back."

* * *

Detective Sgt. Duane Bauer said Vogel was "infatuated" with communism and fascism and kept in his room a picture of Russian Premier Nikita Khrushchev.

LEE O. BROOKS

County Official Quits Road Post

Lee O. Brooks Cites Ill Health in Resigning Job Held Since 1937

The resignation of Leo O. Brooks, a member of the Board of Oakland County Road Commissioners since 1937, today was submitted to the Board of Supervisors.

Brooks of Milford gave ill health as his reason. He asked that his resignation become effective Dec. 31. His present term expires the end of 1962.

Delos Hamlin, chairman of the Board of Supervsiors, said Brooks' successor to the $7,500-a-year position probably would be named at the November meeting. Supervisors nominate and elect the road commissioners.

The resignation was not announced to the full board today.

The former White Lake Township supervisor was first appointed to the Board of Road Commissioners in May 1937 to fill the vacancy created by the resignation of Charles R. Hauke.

He has served several terms as chairman of the three-member board.

The Day in Birmingham

Businessmen Will Offer City Downtown Plan

BIRMINGHAM — The Central Business District Development Committee of Birmingham will submit a proposal to the City Commission this evening offering the commission $7,032 to defray cost to the city of a central business district plan.

The funds have been donated by property owners in the central business district.

They would help secure the services of a planning consultant who would work on central business district planning and other related data.

The proposal states that anticipated additional funds will be contributed to the city as they are received from property owners in the central business district.

The proposal also states that it will take approximately two years to complete the program.

* * *

The estimated cost for securing a planning consultant is $100 per month over 24 months.

Wilbur Mason, chairman of the Central Business District Development Committee, who will submit the proposal, said either party may terminate the proposal by giving 30 days' notice.

Should this happen, the city would cease work and stop further expenditure. All funds remaining will be used to pay any liabilities in connection with the project, according to the proposal.

The rest would be returned to the central business committee.

The Central Business District Development Committee will assume all responsibilities, the proposal states, of keeping its members and contributors informed as to the direction, progress and cost. The city would have no responsibility to any individual contributor.

* * *

However, the proposal requests that the city make monthly reports of receipts and disbursements to the committee.

The donated funds would not obligate the city to put into effect any plan resulting from the study. However, the proposal asks that any resulting plans or reports be made available to the public.

A rummage sale, sponsored by Rebekah Lodge 445, will be held at the Old American Legion Home, 266 S. Woodward Ave., Friday from 9 a.m. to 5 p.m.

Traffic Leaves 9 Dead in State

Roads Crowded Despite Nasty Weather Over Weekend

By United Press International

Intermittent rain, and snow in some areas, failed to keep Michigan motorists from flocking to the highways and nine persons died in traffic accidents during the weekend.

In addition, two Grass Lake men died early today of injuries suffered in a car-truck crash on U.S. 12 eight miles east of Jackson.

Aaron Studley, 23, was dead on arrival at Foote Hospital, Jackson, a few minutes after his car veered into the path of a truck. Robert Notten, 24, a passenger in Studley's car, died after being transferred to University Hospital in Ann Arbor.

Also, James E. Fenzau, 36, Flint, drowned in Cedar Lake near East Tawas Saturday while fishing; and Ruben A. Waltz, 52, Holloway, suffered fatal burns when a stove exploded in a rural Adrian home where he was visiting.

NEXT TO BED

Waltz was sleeping in the Raisin Township home of Mr. and Mrs. Arnold Falor early Sunday when the stove blew up next to his bed.

Multiple fatality crashes accounted for six of the traffic victims.

Four died in a two-car crash yesterday near Unionville. Officials were unable to determine the cause of the crash.

Dead were Harold C. Malner, 34; John P. Miller, 43; and Mike Malnar Jr., 36; all of Wyandotte; and William W. Nicholas, 21, rural Unionville.

* * *

The three Wyandotte men were believed on a return trip from hunting in the Northern Thumb area when their car collided with Nicholas' auto at a rural intersection.

An accident Friday night killed Robert L. Wingler, 53, Watervliet, and Emma G. Kenney, 19, rural Covert. They were fatally injured in a two-car collision on M140 north of Watervliet.

Other traffic victims were:

Walter Lee, 67, Farmington, killed Friday night when his car crashed into the rear of a truck.

Mrs. Alicia Moran, 25, Portage Center, died Saturday night in a crash near Kalamazoo.

Alvin Ivey, 9, Detroit, killed Sunday when he ran between parked cars near his home and was struck by a passing car.

Picket City Teamsters in Carpenter Row

(Continued From Page One)

nation between the Teamsters and the AFL-CIO since the latter expelled the former two years ago on grounds of corruption.

The Teamster carpenters are employes of the Southeastern Michigan Building Contractors Assn., (SMBCA) a small group of independent contractors in Oakland, Macomb and Wayne counties.

The carpenters, along with about 75 plumbers, electricians and other construction workers employed in the association were members of the MGAU at the time it merged with Local 614 in June.

MGAU officials and Teamster leaders said then the Teamster union planned to retain only the gas station attendants in the MGAU who numbered about 200.

Construction workers and a smattering of restaurant and tavern employes in the MGAU would be sent to other unions, they said.

Harmon said he met with the AFL Building Trades Council in Detroit this summer to plan the switch.

But since then, the construction workers have indicated they want to stay Teamster, he said.

Local 998 and other AFL-CIO locals for plumbers and electricians have made overtures in the past few months to win the construction workers, said Dale W. McIntyre, secretary-treasurer of the SMBCA.

"However, many of our employes never have been affiliated with the AFL and most of them don't want to join now," he said.

DENIED MEMBERSHIP

McIntyre charged that many of the SMBCA workers had been denied AFL membership until the recent power struggle developed.

McIntyre and 37 SMBCA employes recently petitioned Hoffa to retain them in the Teamsters Union. McIntyre, a Waterford Township electrical contractor, himself carries a Teamsters card.

"If we are expelled from the Teamsters," McIntyre said, "we will either go nonunion or join an independent union."

One door that might be open, he said, could be at the offices of the MGAU.

Apparently the merger which led to today's picketing is falling apart. Joseph Cory, former MGAU president, and Robert McLaughlin, former MGAU vice president in the past two weeks have resigned Teamster positions they held under the merger.

McIntyre said the two men were planning to set up the MGAU on an independent basis again.

At the time of the merger, Harmon announced it represented the beginning of a statewide drive to organize gas station attendants.

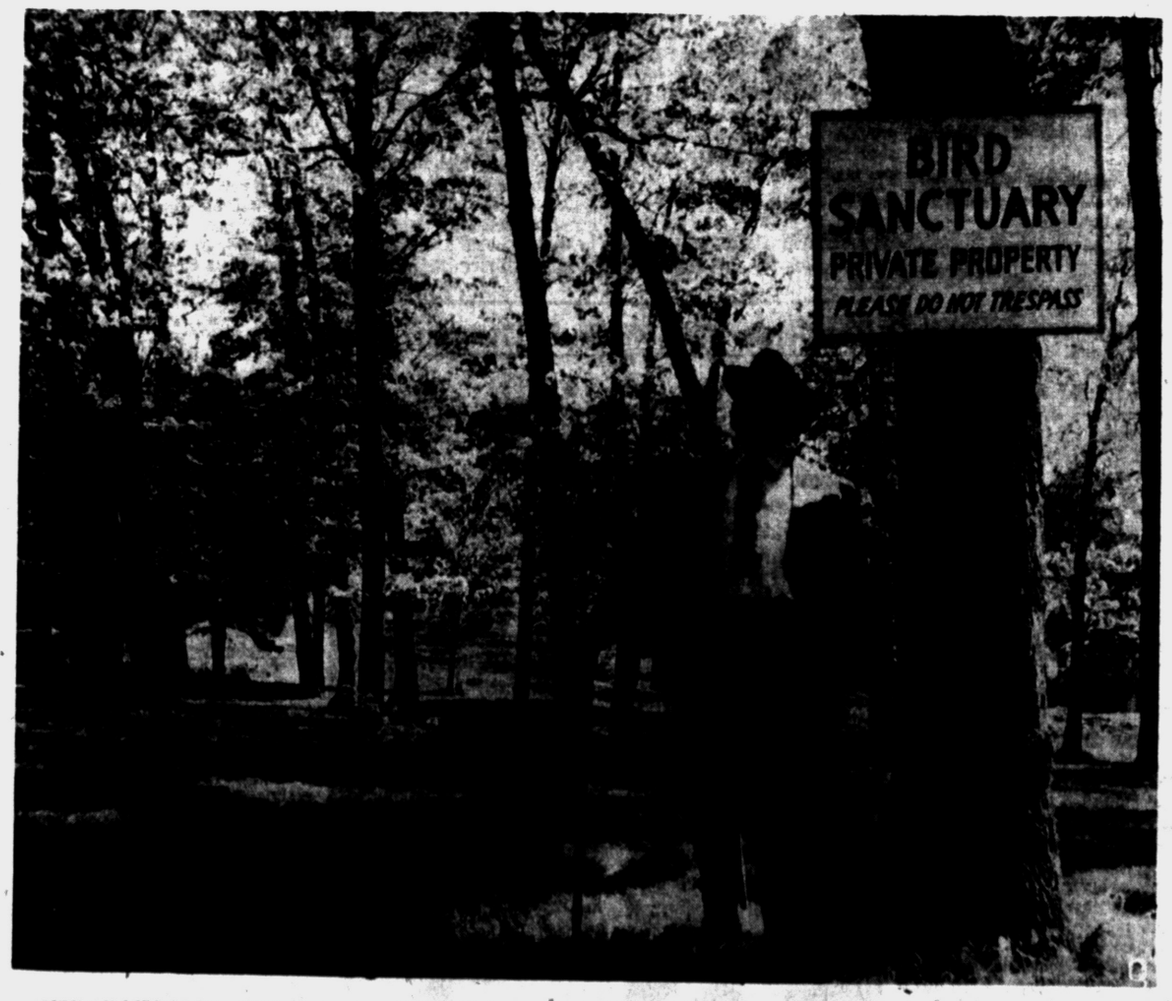
* * *

Harmon said the drive would be headquartered at Local 614 with himself as head and Cory and McLaughlin as assistants.

But shortly afterward, Hoffa reportedly appointed to head the drive, Charles O'Brien, a business agent at Hoffa's home local in Detroit, number 299.

The drive apparently hasn't had much success so far. Meantime, the AFL has been sniping at the carpenter membership in the Teamsters.

Pickets, apparently AFL carpenters, paraded briefly in Waterford Township last week, in front of a new home being constructed by SMBCA employes.



SITE OF LIBRARY? — Waterford voters will decide tomorrow whether this scenic site on Pontiac Lake road will be graced by a new library. Looking over the 17-acre piece of property he donated to the township is Frank Steere, a retired financier. In his offer to the township, he stipulated, however, that the township build a $250,000 library on the site. It has until 1961 to fulfill this obligation or the property will revert back to the Steere family. Voting will be on three proposals to raise money to build and maintain the library.

'Peace' Words Sting Mao's Clan

Nik Puts China on Trial

By JOHN RODERICK

TOKYO (AP)—Though he may not have wished it, Soviet Premier Nikita S. Khrushchev has helped place his big Asian partner, Communist China, on trial before world public opinion.

The verdict is not yet in. But by her own actions, Red China is convicting herself.

★ ★ ★

The Soviet Premier contributed indirectly to this state of affairs by launching a "peace drive" before, during and after his visit to the United States in September.

The Western world may have reacted with some skepticism to a Khrushchev bearing peace gifts. But he succeeded in fanning the hopes of millions of Asians who want to see an end to international tension and bickering.

When Khrushchev followed his American tour with a trip to Peiping, many hoped anxiously that Red Chinese leader Mao Tze-tung would support him with words and deeds.

★ ★ ★

Instead, the Chinese attacked the United States with new vehemence.

Then this week Red Chinese guards fought a bloody fight with Indian patrols in the disputed border area between the two countries. This occurred as Peiping continued its old song that it wished to solve the dispute by peaceful negotiations.

Red China has reacted with anger at being put on trial.

It lashed out at a United Nations resolution calling on Peiping to respect the fundamental rights of the Tibetan people.

And the Band Stays On

HILO, Hawaii (AP) — Mrs. William E. Mayer's wedding ring slipped from her finger into 14 feet of water as she floated in the ocean on an inflated rubber mattress. Her husband immediately donned underwater face mask, dived in and found the ring.

Birmingham Men Named Architect Parley Officials

Two Birmingham men will serve in official capacities, it was announced today, when the 46th annual convention of the Michigan Society of Architects meets at the Sheraton-Cadillac Hotel in Detroit on March 30.

A. Robert Bliven, 1284 Ruffner St., has been named registration chairman and Jack K. Monteith, 1784 Torry St., has been appointed to the Advisory Council.

The theme of the conference will be based on housing for the aged, according to Frederick E. Wigen of Saginaw, president of the association.

"It will provide an opportunity for an exchange of ideas among Michigan's leading architects on a problem that is an important one on civic and national levels," Wigen said.

Uranium Output Up

WASHINGTON (UPI) — Free world production of uranium in the past 10 years has jumped from 2,000 to 40,000 tons a year, according to the Atomic Energy Commission.

Soviet Russia, China and India comprise the three most heavily populated nations of the world today.

Tough Judge Pulls Driving Privileges

ST. LOUIS (UP) — Circuit Judge David A. McMullan has not imposed a single fine since he began hearing traffic cases 18 months ago, but has the reputation of a tough judge.

★ ★ ★

Judge McMullan, who sits in Juvenile Court, deals only with 16-year-old traffic offenders and takes away their driving privileges on the first conviction.

Tornadoes in 1958 killed 66 persons.

Deaths in Pontiac and Nearby Areas

EMMETT P. BUCKLEY

Emmett P. Buckley, 50, died at his home on 251 Starr Ave. Sunday afternoon after a long illness.

A member of St. Benedict's Catholic Church, Mr. Buckley was an inspector at Pontiac Motor Division.

Surviving are his wife, Mabel; two brothers, Leo and Edward Buckley, both of Pontiac; and three sisters, Mrs. Campau Windiate of Waterford Township, Mrs. George Obermaier of Royal Oak and Mrs. James Garrison of Clarkston.

The Rosary will be recited at 8 p.m. Tuesday at Donelson-Johns Funeral Home.

Service will be at 10 a.m. Wednesday at St. Benedict's Catholic Church with burial in Mt. Hope Cemetery.

MRS. FRED BATCHELOR

Mrs. Fred (Evelyn L.) Batchelor, 61, of 336 Auburn Ave., died Sunday at Pontiac General Hospital.

Mrs. Batchelor was a member of St. Trinity Lutheran Church. She leaves a brother, Clarence A. Ruthenberg.

Service will be at 2 p.m. Wednesday at St. Trinity Lutheran Church with burial in White Chapel Memorial Cemetery. Arrangements are by Sparks-Griffin Funeral Home.

MRS. FRANK B. BERNARD

Word has been received of the death of Muncie, Ind., resident Mrs. Frank B. (Gladys) Bernard, 69, formerly of Pontiac.

Mrs. Bernard was a member of the Congregational Church. She is survived by her husband and three married daughters, all of Indiana.

Service and burial were Saturday in Muncie.

WILLIAM S. SUTLIFF

William S. Sutliff, 65, of 3963 Olmstead St., Drayton Plains, died Saturday at the Veterans' Administration Hospital, Dearborn.

He leaves a daughter, Mrs. Lorraine Brown, and two sons, Richard and Robert Sutliff, all of Drayton Plains. Also surviving are four grandchildren, three brothers, and one sister.

Service will be held at 2 p.m. Tuesday at the Coats Funeral Home in Drayton Plains with burial in Drayton Plains Cemetery.

Graveside service will be conducted by the David Belisle Post of VFW, 4102 of which Mr. Sutliff was a member.

MRS. AURAL J. BEARDSLEY

HOLLY — Service for former Holly resident Mrs. Aural J. Beardsley, 75, will be held at 10 a.m. tomorrow at the Dryer Funeral Home, with burial in Lakeside Cemetery.

Mrs. Beardsley died Friday in Washington, D.C.

Surviving are two sons, E. J. Beardsley of Battle Creek, and Dr. O. B. Beardsley, of Washington, D.C., two daughters, Mrs. Ray Jacobs of Havana, Cuba, and Mrs. W. P. McNeill, of Washington, D.C., and 13 grandchildren.

MRS. PEARL HOOK

MARLETTE — Service for Mrs. Pearl (Margaret E.) Hook, 67, formerly of Marlette, will be held at 2 p.m. Wednesday at Lamonte United Missionary Church, Decker. Burial will be in Mosher Cemetery, Decker.

Mrs. Hook died yesterday at her daughter's home in Pontiac after a long illness. After noon today the body was taken from Richardson-Bird Funeral Home, Walled Lake, to the Marsh Brothers Funeral Home, Marlette.

Surviving, besides her husband, are five daughters, Mrs. Morris Phick of Pontiac, Mrs. Virgil Geister of Decker and Mrs. Roy Brown, Mrs. Douglas Patterson and Mrs. Leland Pratt, all of Walled Lake; and four sons, Jay D. and Harold J., both of Hazel Park, Alvin G. of Decker and Wilford G. of Walled Lake.

Three brothers and her mother also survive.

MRS. HARDIN EDDY

MILFORD—Mrs. Hardin (Dale D.) Eddy, 82, formerly of Milford died yesterday in Carson City Hospital after a brief illness.

Service will be held at 2 p.m. Wednesday at Richardson-Bird Funeral Home here. Burial will follow in Oak Grove Cemetery.

MRS. WILLIAM MOORE

DAVISBURG — Service for Mrs. William (Bertha M.) Moore, 83, of 10530 Davisburg Rd., will be held at 2 p.m. tomorrow at Sharpe-Goyette Funeral Home, Clarkston. Burial will follow in Thedford Center Cemetery.

Mrs. Moore died Saturday at home after an illness of five months.

Surviving are three daughters, Mrs. William C. Moore of Davisburg Mrs. Claude Hamm of Flint and Mrs. Cyril Houle of Grayling; two sons, Clifford Spickler of Langhorne, Pa., and Ralph Spickler of Utica; nine grandchildren and nine great-grandchildren.

SAM CHRISTOFF

Retired City Grocer Succumbs to Illness

Retired grocer Sam Christoff, 79, of 92 E. Iroquois Rd., died at his home Saturday. He had been ill a year.

Born in Yugoslavia, Mr. Christoff had lived in Pontiac 52 years, 45 of which were spent operating the Balkan Grocery at 316 Wessen St. Upon his retirement in 1957 he sailed from New York for four months abroad.

He leaves his wife, Sylvia; a son, John of Pontiac; and two daughters, Mrs. Ronald Hallenbeck of Pontiac and Mrs. Frank Knotek of Windsor, Ontario, Canada. Five grandchildren also survive.

Service will be at 11 a.m. Wednesday at the Farmer-Snover Funeral Home with burial in Mount Hope Cemetery.

Insects have no lungs. They breathe through tubes running all through their bodies.

Deaths Elsewhere

LOUISVILLE, Ky. (UP) — Morris Simon, 63, a friend of musical groups for 43 years, died Sunday of cancer. He was a founder of the Young Men's Hebrew Assn. orchestra which grew into the present Louisville orchestra.

★ ★ ★

NEW YORK (UP) — Lillian S. Timken, 78, widow of one of the founders of Timken Roller Bearing Co., was found dead Saturday in her 34-room Fifth avenue apartment, surrounded by litter and dusty works of art. She had lived as a recluse since the death of her husband, William R., in 1949. She was born in Chicago.

★ ★ ★

WASHINGTON (UP) — Rear Adm. Freeland A. Daubin, 73, who commanded U. S. submarine forces in the Atlantic during World War II, died Saturday.

★ ★ ★

NEW HAVEN, Conn. (UP) — George Parmly Day, 83, founder of the Yale University Press and treasurer of the university from 1910 to 1942, died Saturday. His father, Clarence S. Day, the father of "Life With Father," was for many years governor of the New York Stock Exchange.

Two Slightly Injured in Chain Reaction Crash

Two people were slightly injured in a chain reaction accident at 5:30 p.m. yesterday on Dixie Highway near Williams Lake Road, according to Waterford Township police.

Donald R. Bennett, 44, of 3069 Eastwood St., Waterford Township, said he had stopped for traffic when he was hit from behind by a car driven by Charles A. Leithleiter, 41, of 15 Pinegrove St., Pontiac.

★ ★ ★

Another car driven by Doyne G. Clarey 50, of 13374 Jane St., Detroit plowed into the Leithleiter car.

Mrs. Leithleiter 40, riding with her husband, was taken to Pontiac General Hospital with neck injuries, and Clarey with an injured right knee. Both were treated and released.

Indiana Newsman Dies at 35 of Rare Disease

MARION, Ind. (UP)—Charles L. Clapp, executive editor of the Marion Chronicle and Leader Tribune and former Michigan newspaperman, died yesterday. He was 35.

A long illness from an obscure disease proved fatal. Clapp died at his home. He leaves his widow, Marcia, and five children.

Clapp, a World War II veteran, had been managing editor of the former Grand Rapids, Mich. Herald before coming to Indiana. Previously, he had been sports editor and city editor of the Herald.

Clapp's fatal ailment was a disease that produced growths under the skin.

Sheboygan Industrialist, William Reiss, Dies at 75

SHEBOYGAN, Wis. (UP) — William A. Reiss, 75, prominent Sheboygan industrialist and philanthropist, died late Saturday night at Presbyterian-St. Luke Hospital in Chicago.

Reiss had served since 1948 as chairman of the board of the C. Reiss Coal Co., one of the largest coal firms in the Midwest and operator of eight coal docks on the Great Lakes.

BACKACHE & NERVE TENSION SECONDARY TO KIDNEY IRRITATION

Thousands are now discovering how much stronger and better they can feel by combating ordinary Kidney or Bladder Irritations. These irritations often occur after 35, and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondarily, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by giving analgesic pain relief. Safe for young or old. Get CYSTEX at druggists. Feel better fast.

Knows It Couldn't Happen There

Red Steel Worker Smug at Strike

MOSCOW (UPI) — Ivan Alexandrov, average Soviet steel worker, is devouring news of the U. S. steel strike with avid interest—and a certain amount of smugness.

He knows it can't happen here.

There may be some things Ivan doesn't like about the steel mill where he works. He may feel he's due for a raise or that his section needs better eating facilities, or more ventilation.

But for Ivan, a strike is out of the question.

"Ivan Alexandrov" is a fictitious name. But the man is real. He is a composite of dozens of steel workers this correspondent met in a swing through Russia's steel centers.

Ivan works at Zaphorzhstal, one of Russia's largest steel mills, near Zaporozhie in the eastern Ukraine. He follows reports of the U. S. steel strike avidly in Soviet newspapers. His sense of complacency is compounded of many factors.

★ ★ ★

The lack of any need for a strike, as he sees it, is one of them.

Ivan's complaints, if any, will be worked out by the factory's permanent industrial council, where labor and management work as a team with Communist Party representatives sitting in. Usually, party and union will combine to persuade management to see things pretty much the workers' way.

Another factor is Ivan's conception of the lot of an American steel worker.

He is convinced the U. S. steel worker lives a precarious life. He has read and been told of the way U. S. workers face prospects of continual strikes and unemployment, and of how employers skim off mammoth profits from his, the worker's labor.

He knows there is none of that here.

★ ★ ★

Ivan is relatively happy with his lot. There is no unemployment at Zaporozhstal or anywhere in the Soviet Union. His pay is good by his standards, and living costs low.

Ivan, as a skilled technician, finds about 2,000 rubles in his monthly pay packet. Little of this is subject to taxes. He pays only about 100 rubles rent on the one-room apartment where he lives with his wife, two children and mother-in-law.

This salary—compared with an average 800 to 1,000 rubles a month for an ordinary factory worker—allows him a few luxuries.

The ruble has an arbitrary equivalent value of four to one (U. S. dollar).

WAITS FOR CAR

He has a television set. He has a radio for Soviet stations and perhaps a few from Warsaw, Budapest or Sofia. He listens to virtually no Western broadcasts. He's on a waiting list (and will be for about two years) for a car, the smallest of Russia's five mass-produced models, which will cost him 25,000 rubles cash on the line.

He's scheduled to get a bigger apartment next year, one of the hundreds being built to replace war damage. If all goes well, his family will have two rooms to itself and share bath and kitchen facilities with only one or two neighbors.

Another factor in Ivan's content is his working conditions. He's well satisfied with them.

★ ★ ★

He rides a bus about half an hour from the center of town to reach the sprawling, smoky buildings which make up the Zaporozhstal plant. He works four straight seven-hour days, then has 48 hours off. He is constantly reminded that back in 1917, steel workers put in an average of 208 hours a month.

FREE MEDICAL CARE

He is pleased with the free medical care and full pay for sickness or disability connected with his job. He likes his fellow workers, 15,600 of them at the Zaporozhstal plant, 30 per cent of them women. (The heaviest jobs are left to men, but women, paid equally with men, hold many jobs which would be man's work in the U.S.)

Outside the plant, Ivan considers himself a happy man.

He and his wife go to the movies once or twice a week. There are lots of cramped but gay parties at friends' homes. Weekly variety shows at the city's local union hall features amateur talent, but the shows are top-notch.

Ivan's area gave birth to the famed Cossacks, and few Russians are not of at least amateur caliber in singing and dancing. Ivan's son and daughter appear in dance groups here from time to time.

Cultural activities like these are partly paid for by the profits from his plant.

Ivan, in addition, has some privileges as a Communist Party member, one of about 1,800 at the plant. Ivan is more likely, though, to consider party membership to involve more responsibilies than privileges—meetings, reports, planning sessions and the like.

Ivan is not familiar with conditions in American steel plants. His directors tell him often that his factory is 25 per cent more efficient than its American counterparts. He has no information on an American steel worker's pay, working conditions, or way of life.

But from what he can see around him, and from the accounts of the American steel strike in his newspapers, Ivan considers himself pretty well off by comparison.

Aviation Insurance Firm Licensed by Michigan

Airway Underwriters, a new company in the field of aviation insurance, has been licensed by the Michigan Insurance Dept. Headquarters will be in Ann Arbor.

★ ★ ★

Claims for the new company will be supervised by the insurance adjusting firm of John C. Myers & Sons, Pontiac. Mead T. Myers, senior member of the firm, has been an active pilot since 1937.

Pressure Is Growing to End Algerian War

The French National Assembly has given President DE GAULLE's plan to end the five year struggle in Algeria an overwhelming vote of approval.

★ ★ ★

A major obstacle will be to bring together the extremists on both sides. Each is suspicious of the other. French authorities have changed their tactics and now express a willingness to talk with the rebels—the Algerian National Liberation Front.

To offset this Premier DEBRE appeased bitter rightists by saying that nothing can be negotiated except a cease-fire; that France would not let go of Algeria for generations.

★ ★ ★

It may be hoped that both sides interpret these statements as first steps toward serious negotiations. Tunisia's influential Pres. Bourguiba quietly pointed out that it would be a tragic waste of opportunity not to discuss peace.

The Algerian war is draining France of $2 billion a year and 1,000 casualties a month. Over 400,000 French troops which should be in the European defense line are tied down in Algeria. An end to this futility would calm Mideast Arabs, strengthen NATO and bring new hope and prosperity to the free world.

Sen. Fong's Mission to Improve Relations

In the interests of improved Asian-American relations and at his own expense, HIRAM L. FONG, the new State of Hawaii's senior Senator, is making a six weeks tour of 14 countries in the Far East.

Both Republican Fong and his wife are of Chinese extraction and speak the language. Mr. Fong worked his way through the University of Hawaii and Harvard Law School. Now he is a wealthy man and an American lawmaker.

★ ★ ★

"They say" says Sen. FONG, "that a picture tells more than 1,000 words. I hope that my appearance in the flesh will do the same." No better representative of a democratic way of life could be found.

An Asian himself, the Senator is an effective example of the opportunities offered by a free country. He hopes to stress these advantages to minority groups and to explain the amity in which multi-racial Hawaiians live. He will urge overseas Chinese, particularly those in Mayala Indonesia, to be loyal to the nations in which they live.

★ ★ ★

Sen. FONG's trip recalls a similar and most effective one earlier this year by Rep. DALIP SINGH SAUND, (D-Calif). We hope that the Senator's "people to people" tour will be even more productive of good will.

India's People Critical of Nehru's Tibet Stand

The NEHRU government's policy of "neutralism" on the question of bringing the Tibetan aggression before the United Nations is being criticized by the people and newspapers of India.

★ ★ ★

Weeks ago the Dalai Lama formally appealed to the U.N. for "immediate intervention . . . on humanitarian grounds." Nearly 100,000 Tibetans already have been slain by the invaders. Red China claims that the matter is purely domestic and therefore none of U.N.'s business.

But an effort is being made to bring up the case on the deeper issue of genocide — a violation of human rights with intent of destroying an entire race and nation.

★ ★ ★

In a recent television interview India's Defense Minister and Chief U.N. Delegate, V. K. KHRISHNA MENON said that any discussion of the matter would only intensify the cold war. In any case, he argued, because Red China was not a U.N. member the Tibetan matter should never have come up.

Nehru's fence straddling has been called "craven, humiliating, wicked appeasement" by an influential Indian newspaper. It refers to Mr. Menon's performance at the U. N. as "immoral and degrading" and not in keeping with national feeling.

★ ★ ★

In practical terms there probably is little the U.N. can do for the Tibetans. But their tragic plight should at least be recognized by the free world as the result of the Chinese Communists' brutal conquest of a self-governing land.

IF YOU follow the policy of always telling the truth, regardless of how much it may hurt you and others, people will trust you, but they won't like you.

MONEY saved for a rainy day dissolves much faster than it used to.

The Man About Town

Freaks – Funnies

Odd and Unusual Growths Reported by Our Readers

Wealth: What we can't take with us—it goes before we do.

One of the most interesting vegetable freaks of the season comes from

Jackson Merrifield

of Clarkston, in a potato that grew in the shape of a Russian sickle, although raised from American seed.

Only 17 entries now remain in our football contest. They picked St. Michaels to win over St. Fredericks in Sunday's game, which they did by a 54-7 score. On Saturday's contest game these 17 divide their predictions: California, 9; Southern California, 8.

A large tomato from the garden of

Mrs. Bessie Flanders

of Rochester was delicious eating, even if it did grow in the shape of a skull and crossbones.

Oak leaves also grew larger than usual this year. Biggest I've seen come from

Burney Feldscaper

of Sylvan Lake: 14 inches long and 8 inches wide.

By covering the young stalks on frosty nights,

Mrs. Elizabeth Tryland

of Drayton Plains grooms a second crop of green corn. After the first stalks were cut down last month prolific young sprouts started from the stubble. They now are three feet high.

A somewhat paradoxical report comes from

Miss Maude S. Martin

of Metamora, who picked large ripe red raspberries on the same morning that ice formed on water in her area.

Semi-annual guests have arrived at the home of

Mr. and Mrs. Arnold Matherson

of Pontiac Lake, where they were first fed a half dozen years ago. They are a pair of wild ducks who stop over on both migrations, and arouse the Mathersons by quacking at the kitchen door. That's where the food is passed out.

From that ever watchful member of the Oakland County Road Commission,

Sol D. Lomerson,

comes the annual warning about burning leaves on the pavement.

High finance, hardly expected in that line, according to what farmers in our area tell me, was demonstrated in the recent farm auction of

Frank Lamb,

a few miles north on Highway M24. It netted over $23,000.

Verbal Orchids to–

Mr. and Mrs. R. B. Blades

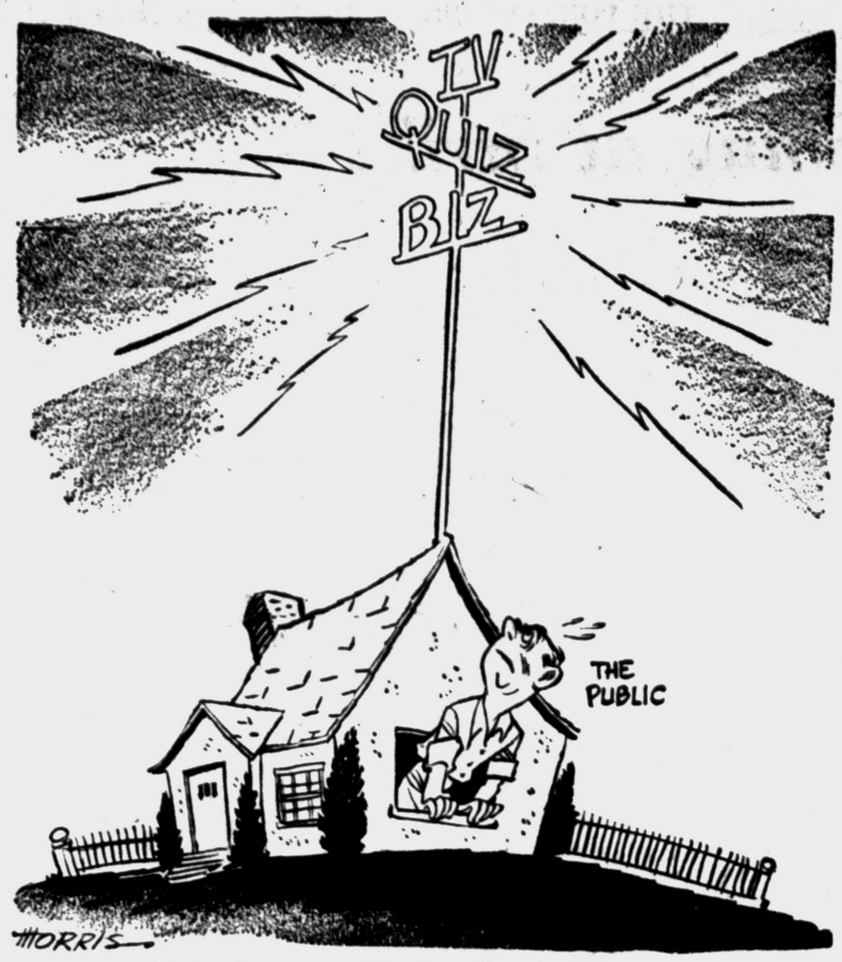
of 205 Norton Ave.; 54th wedding anniversary.

Mrs. Henrietta Ormsworth

of Keego Harbor; 83rd birthday.

Jarrard Peckham

of Waterford; 80th birthday.



Bringing in a Pretty Crude Picture

David Lawrence Says:

Steelworkers Can Challenge T-H

WASHINGTON—Nobody accused them of flouting the Constitution or of "undermining the courts"—and nobody called them "extremists" either—and yet the Steelworkers Union argued before the federal courts the other day that no "law of the land" exists which can justly order them back to work in the steel industry.

LAWRENCE

The steelworkers have every right to challenge the validity of the Taft-Hartley Act, as they have done, and to point out that the issuance of an injunction ordering them back to work would not be constitutional "because it vests in the courts a nonjudicial function."

This is on a par with what Gov. Faubus and other southerners claimed about the injunctions ordering them to reopen schools that had been closed by state law.

★ ★ ★

The school officials who fought the injunctions in the courts said that administrative duties in the handling of education were not vested in the federal judiciary.

The South, in their cases, advanced also the argument that no law has ever been passed by Congress to carry out the interpretation which the Supreme Court of the United States in 1954 read into the Fourteenth Amendment.

But the Steelworkers Union, while conceding that the law known as the Taft-Hartley Act is in the main constitutional and that Congress has the power to forbid or sanction strikes under certain circumstances, argues that the courts cannot perform legislative functions.

FAMILIAR RING

This has a familiar ring, as the same objection was voiced by the southern lawyers before the federal courts in the "segregation" cases.

The steelworkers' lawyers declare, moreover—just as did the lawyers for the southern school boards—that once an injunction is issued, it must be obeyed but this doesn't make it constitutional unless the Supreme Court itself sustains the ruling.

The steelworkers' lawyers contend that there is at present no justifiable controversy before the courts in the steel strike and that no rights and duties were prescribed in the law by Congress.

★ ★ ★

Indeed, the union representatives argue that what is before the court is solely an economic controversy for which Congress itself has prescribed no remedy or formula of settlement.

It so happens that the U. S. Circuit Court of Appeals for the Second Circuit did decide this issue in 1953, but the case never went before the Supreme Court of the United States because the strike in that instance was thereupon settled.

The Steelworkers Union, in its legal presentation, makes the further point that the law provides for a court injunction only where a strike "if permitted to occur, or to continue, will imperil the national health or safety" and that the law says nothing about economic hardship being an "emergency."

The Taft-Hartley Act specifies that the President must proclaim that he finds an emergency exists before the court may issue an injunction.

The executive branch has already furnished to the courts certain facts that indicate things can get much worse in the nation if the steel strike is not checked now.

The courts have heretofore recognized in other cases that, where "a clear and present danger" exists, it is not necessary to wait for the consummation of a catastrophe before acting.

★ ★ ★

So the unions are up against it—judging by the way the Supreme Court in recent years has broadened the injunction power to cause the administration of the public schools in several states to be supervised by the federal judiciary even where no law on the subject has been passed by Congress.

(Copyright 1959)

The Country Parson

"A father can't be much help to his son if he has nothing to give him but money."

Dr. William Brady Says:

Two Types of Snoring Call for Different Cures

From the casual or facetious comments made by the spouses of snorers — which are sometimes shocking, the comments, I mean —I think it is remarkable that snoring is rarely regarded as ground for divorce. Or for annulment if the snorer did not inform his or her intended mate about it before marriage.

DR. BRADY

There are two kinds of snoring, namely, nasal and glossal.

Typical nasal snoring is that of the child with adenoids; or the adult with thickened (hyertrophied) turbinates or boggy swelling of nasal passages, or polyps, or perhaps allergic congestion and swelling of the nasal mucous membrane.

The old timers ascribed snoring to vibration of the soft palate and uvula in the throat where the air current from the nasal passage joins that from the mouth. This is interesting, but who knows the palate or uvula vibrates. Of course, you can't see it vibrating while the subject is snoring.

Glossal snoring is due to the tongue falling back and partially obstructing the larynx (voice box) or entrance to the windpipe (trachea). This snoring is the most disturbing kind for the audience, especially those ominous pauses when the tongue completely covers the entrance to the windpipe. After all, you wouldn't want the poor fellow to go that way, would you?

★ ★ ★

But never fear. If he isn't too drunk or too full of dope to react to the alarm he'll manage after a brief struggle to get his tongue off his larynx and resume more or less regular breathing. What's more, if you tell him next day about his narrow escape he will believe or maybe accuse you of lying about it.

MAKE FACES

Aside from proper medical treatment to correct the conditions mentioned as causes of nasal snoring the only remedy I can recommend is the faithful practice of face-making exercises which I describe on p. 38 of the booklet How to Breathe. For a copy of the booklet send me 35 cents and stamped, self-addressed envelope.

Yes, I suppose I could describe the exercises here, but I shall not, because I have had too many unhappy experiences with misprints.

Prevention or cure of glossal snoring is as easy as falling off a log. Learn to sleep in the Sims position—that is, lying on the left side with the left arm extended behind, right arm flexed and forearm resting on bed in front, left leg slightly flexed, right leg flexed a little more, left side of head or face resitng on bed with very small pillow or none.

★ ★ ★

The purpose of this sleeping posture is to keep the tongue from falling back in the throat by gravity. This is the purpose also of Step 3 in mouth-to-mouth resuscitation, as described and illustrated in the booklet How to Breathe. Obstruction of breathing by the tongue falling back over the larynx is commonly called "swallowing the tongue."

Signed letters not more than one page or 100 words long pertaining to personal health and hygiene, not disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped, self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

(Copyright 1959)

Case Records of a Psychologist:

Worry Over Flat Chest Is Foolish

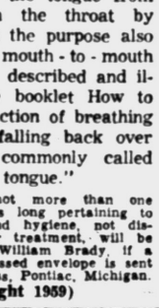
Molly's type of teen-age worry may trouble more people in America than are concerned with the Berlin crisis or other distant problems. That's why more newspaper readers devour their "advice" columns than read political columns. For people are more interested in what happens closest home. "Human interest" is thus wrapped up inside the reader's own epidermis.

By DR. GEORGE W. CRANE

CASE C-479: Molly G., aged 16, is an unhappy high schooler.

★ ★ ★

"Dr. Crane, I am miserable," she confessed. "And my whole life is ruined for I can never be popular."



DR. CRANE

But I shook my head at her dogmatic statement and reassured her everybody can become popular just by practicing the proper technique.

"No, I can't," she protested, as she began to cry, "for I don't have a normal girl's figure.

"Look at my flat chest! My bust line hardly shows at all!

"Yet I have spent a lot of money on patent medicines that were supposed to enlarge a girl's breasts. But they didn't work for me.

★ ★ ★

"Is there anything else I can do?"

MYOPIC MOLLY

Molly is so myopic (nearsighted) as regards social problems that she focusses exclusively on herself.

You unhappy people deserve your misery for you are ultra selfish!

For a selfish person keeps looking at SELF and forgetting the many wonders in this world, as well as the problems of other people.

Molly should realize that millions of happy wives are flat chested, with very little bust line. Yet they have won devoted husbands and mothered fine families of youngsters.

Indeed, the beautiful bust lines, so typical of Hollywood, often can't produce enough milk for a baby, anyway, for such busts are chiefly "window dressing."

★ ★ ★

Most of the female breast is composed of fat, with a few milk-secreting ducts and glands buried therein.

Flat chested women often have better milk producing breasts for nursing babies than do the busty Hollywood stars.

MEDICAL FACTS

And don't believe the patent medicine ads about increasing the size of your breasts via massage or drugs.

Your bust is NOT muscle tissue, so massage does little except loosen the fat and make your breasts flabbier. And in the normal female, like Molly, drugs also do not work, so save your money.

Flat chested adult females can increase the size of their breasts in just three medical ways.

★ ★ ★

First pregnancy will enlarge them.

Second, if you girls are skinny and put on more weight, some of the extra fat will be deposited back of the nipples and thus give you a fuller bust.

Third, by developing the underlying pectoralis muscles, you can enlarge those muscles till they will push your breasts outward.

★ ★ ★

These are the muscles used in pulling the arms forward, as for the crawl stroke in swimming.

The quickest method to remedy a flat bust line is to purchase an uplift brassiere.

Meanwhile, feel the muscles under the breasts and you will

soon find what exercises will enlarge them under your probing hand. Then stress such exercise, for it may add extra inches to your bust.

But please remember that the breast itself is NOT muscle tissue. It is chiefly fat, tied to the chest wall with fiber bands.

★ ★ ★

When horseback riding or playing tennis, use a good sustaining brassiere, or you may stretch those fiber bands and your bust will grow flabbier!

★ ★ ★

Voice of the People

Reader Expresses Views About Censorship Hassle

Having read the controversial Lady Chatterly's Lover, I feel compelled to add my nickel's worth to the censorship discussion. I question the right or qualifications of any individual or biased group to dictate literary or artistic tastes of a nation. Too, the line between art and pornography is indistinguishable at times.

★ ★ ★

I have serious doubts about portions of Lawrence's book. Although it's artfully written, it offers little to justify its having been written other than some lurid descriptions which, even by modern standards, are excessively detailed.

★ ★ ★

I doubt exposure to pornography could injure morals of any mature individual. The real question is whether unwholesome literature should be easily available to young, impressionable teenagers. These youngsters seem plotted against by their biological urges and the added stimulus of pornography lends an unwholesome influence to the struggle.

★ ★ ★

However, much worse is the type of trash which plays on rape and dismemberment, replete with photographs of nude, mutilated bodies. This sort of gore is food and drink for a perverted mind. It represents a far more insidious danger than some of the material now arbitrarily branded pornography.

★ ★ ★

I'm all for curbing pornography. Nevertheless, I'm more than a little afraid of "one man" crusades.

R. Eugene Bullock

'Symington Slowly Comes to Front'

Stuart Symington is slowly coming to the front as the Democratic choice. Just because he hasn't rushed in at the very start indicates he is playing a smart game and he'll make our best candidate. Nixon doesn't want to face Symington, for he would be the strongest vote-getter of all.

Athelton Gramsley

'Just What Have Unions Given Us?'

So Head Shaker thinks Mr. Reuther deserves a raise. I bet his head rattles when it shakes. Just what have the unions done for the working man besides getting him an eight hour day?

★ ★ ★

They call a strike of four months to get you a few cents more an hour. Does this ever balance what you lost in time off? You get better old age benefits which most of you won't live to collect because you worry yourselves into an early grave trying to pay bills you could have paid if the union allowed you to work regularly.

You think the union's great if it hands you a few bucks to tide you over during a strike. It's your money in the first place. We've had many racket investigations but the biggest rackets are the unions. We've become unable to think for ourselves so we let union flunkies do it for us.

If there were more head thinkers and less head shakers, auto workers and others wouldn't be laid off by the thousands right now.

Auto Worker's Wife

Ask Drivers' Care to Miss Squirrels

Can't motorists be a little more careful and miss more squirrels when they dash across the road? They're so decorative and unlike messy dogs, they do no damage and make no noise. A chattering squirrel is a happy sound and a barking fido is just a pain in everybody's neck.

Smalley

Troy

'We Haven't Sold Out to Union Hoodlums'

Senator Kennedy just got down on both knees and crept before the union labor leaders and begged their pardon for the awful labor bill the nation enacted. It may not have suited Kennedy and the gangster bosses, but it sure suited the U.S. for Congress got the biggest mail it ever had supporting what the President wanted. This nation hasn't sold out to the hoods and even if Kennedy finds it out, he'll be too late.

To Centralize Control of Laos

Little Kingdom Joining Swing Toward Form of 'Guided Democracy'

VIENTIANE, Laos (AP)—The little southeast kingdom of Laos is joining the Asian swing away from parliamentary democracy in favor of stronger executive control.

★ ★ ★

Acting Foreign Minister Inpeng Suryadhay announced Thursday that the Laotian government is working toward a system of "guided democracy," a term popularized by Indonesian President Sukarno.

He said a new constitution that will be submitted to the National Congress by Christmas will give less power to the congress.

★ ★ ★

By weakening the voice of Parliament, Laos follows in the footsteps of Egypt and Syria, Pakistan, Indonesia, the Sudan and Burma.

In all of these except Indonesia, however, parliamentary regimes yielded to strong military rule. In Indonesia the army plays a major power role under the watchful eye of Sukarno.

Laos suffers from economic backwardness, mass illiteracy and bitter political rivalries. Communism has been an almost constant threat to the little Indochinese kingdom since the end of World War II.

★ ★ ★

Laos again became a Southeast Asian hot spot this year with new Pathet Lao attacks that prompted a United Nations investigation. The Laotian government charged that the attacks in the northern provinces were planned and reinforced by Communist North Viet Nam, the kingdom's eastern neighbor.

The findings of the U.N. committee have not been announced.

AMC Reports 10,235 Sales in 10 Days

DETROIT (AP) — American Motors Corp. reported Saturday that 1960 Rambler sales totaled 10,235 in the second 10 days of October, up 36.6 per cent from the 7,494 delivered in the same period a year ago.

AMC said this brought sales for the first 20 days of October to 20,129, compared with 15,889 in the same 1958 period.

The company said dealers sold a record of 295,658 Ramblers from Jan. 1 to Oct. 20, more than double the old record of 139,332 sold in the similar period of 1958.

Debbie Reynolds Inks 3-Year-Pact With ABC-TV

HOLLYWOOD (UPI) — Petite Debbie Reynolds will star in three hour-long programs and guest on at least one other big "special" on TV, it was learned Saturday when she signed a three-year contract with the ABC Television Network.

Chesterfield cigarettes has already decided to sponsor the shows for three million dollars, ABC executives said.

Debbie tentatively will do a musical variety show with guest artists. Lucille Ball was mentioned as the possible first guest on an exchange basis.

The first show is to be taped next August for broadcast in the fall of 1960.

Zazu Collects Laughs

HOLLYWOOD (UPI)—Zasu Pitts, the old-time actress, said today she has added another "laugh track" to her record collection. "Other people collect early Gene Austins or late Stan Kentons," she said. "I collect laugh tracks because I like to hear people laugh. Laughter has been not only a good hobby, but a good business for me for 43 years."

Expects Delay in School Funds

State Aid in Turmoil Since Use Tax Ruled Unconstitutional

SAGINAW (AP)— Michigan school districts may get their promised state aid this year, but the final payment or payments may not come until well into the next fiscal year.

That is the view of Harold Brown, assistant superintendent of public instruction.

The State Legislature must pay the schools all the money due, Brown said.

Most Michigan schools depend on the state to provide money covering 50 per cent or more of their local school budgets each year. When the Supreme Court ruled the one per cent use (sales) tax increase unconstitutional, it threw school budgets into confusion.

State Names Shift

WASHINGTON — Seven states have towns named Wyoming; three have towns named Ohio.

Claims Leather for Shoes Won't Need Polishing

WHITEHALL (UPI) — Robert Pruitt, manager of the Whitehall Leather Co. plant, announced the firm has developed a new shoe leather which will never require polishing.

★ ★ ★

He said the new leather will repel dust, dirt and moisture, will be much easier to clean and will require only cleaning and buffing to restore the shine.

Whitehall Leather Co. is a branch of General Shoe Co. of Nashville, Tenn., and is Muskegon County's oldest industry, founded in 1866.

Tie Shipyard Layoffs to Nautilus Damage

PORTSMOUTH, N. H. (UPI)— Employes dissatisfied with policies of the Portsmouth Naval Shipyard may be responsible for "apparently intentional" damage to the nuclear submarine Nautilus, it was reported today.

★ ★ ★

Some of the men were said to be unhappy due to layoffs during slack times, alleged preferential treatment of some individuals, and over wages paid here. Workers at the Boston Naval Shipyard receive more pay for substantially the same work.

Says Kennedy Has Dem Edge

But Four Others Close Behind, Says Mansfield; Nixon Leads GOP

WASHINGTON (UPI) — Senate Democratic Whip Mike Mansfield (Mont) says Sen. John F. Kennedy (D-Mass) leads a "bunched" five-man field for the 1960 Democratic presidential nomination.

Mansfield said yesterday the Democratic group is "bunched together, now" with Kennedy in front, Sens. Hubert H. Humphrey (D-Minn) and Stuart Symington (D-Mo) "coming up strong."

"The people we have to watch," he added, "are (Senate Democratic leader) Lyndon B. Johnson, the only Westerner in the race, and Adlai Stevenson, who has a great reservoir of strength."

On the Republican side, Mansfield said, Nixon was ahead "by far" and apparently it was "almost too late for Rockefeller to catch up with him."

But, he said, "any Democratic candidate going up against either Nixon and/or Rockefeller would have an extremely difficult time."

2,200 Vaccinated at Polio Clinic in Waterford

More than 2,200 polio injections have been administered in four recent clinics with the aid of volunteers of three Waterford Township schools.

They were held at the William Austin Burt school, and health committees from the Lambert and Stringham schools assisted.

Surplus funds are being used for the purchase of health education material for Waterford Township schools. Some of these items have already been obtained and after additional purchases have been made, the rest of the funds will go to the Oakland County Chapter of the Polio Foundation.

All nurses, doctors and PTA representatives worked free, and the 3-school area has been well immunized, according to treasurer Mrs. Phillip Meacham.

Mrs. John Trerice, Mrs. John Morang and Mrs. Nicholas Serdyn were leaders from the schools.

Ferris to Dedicate Hall Named for Alumnus

BIG RAPIDS (UPI)—Ferris Institute honored a prominent alumnus, the late Frank Johnson, Sunday when the school dedicated a new $650,000 dormitory called "Frank Johnson Hall."

Johnson, a noted automotive industry engineer, was a Mecosta County native and Ferris graduate. He was distinguished in the field of internal combustion engine design and served as a design engineer for Cadillac, Lincoln and Ford.

BARES WOES — Evelyn (Treasurechest) West, who made headlines when she insured her 45½ inch bosom for 50,000 dollars with Lloyds of London and when she pelted Antia Eckberg with tomatoes, picketed last week near the hotel in St. Louis where Marie Wilson is appearing. Miss West, who saw Miss Wilson's act, said "she should stick to acting and leave the stripping to a pro."

Urge Proper Labeling of Poisonous Products

Kerosene and fuel oil have a way of getting into a sizable number of stomachs and it just can't be explained.

Even the heartiest appetites reject the stuff as nourishment, so it is accepted generally that the close to 400 persons treated in one year by one area hospital for such poisoning "just made a mistake."

The American Medical Assn. has been trying for more than a century to pass legislation enforcing precautionary labeling of all chemical products containing hazardous substances.

"From August 1958, to August 1959, 377 patients were treated for the ingestion of household products," said Dr. Robert Mason, chief of the poison control center of St. Joseph Mercy Hospital.

★ ★ ★

"Many of the products consumed had a kerosene or fuel oil base and were not labeled as hazardous.

Presently, there is no broad law which requires the precautionary labeling of hazardous substances at the national level, according to Mason.

"Such a law should require informative labeling, which would include a list of hazardous ingredients, their potentialities for harm, directions for safe use and first aid instructions," he said.

★ ★ ★

Mason said a bill now is pending for Congressional action but that it should encompass labeling of all hazardous substances, not simply those "intended or suitable for household use."

Dr. F. J. L. Blasingame, executive vice president of the American Medical Assn., reported that the AMA approves the pending bill in principle, but that it should be strengthened.

The organization suggests that the bill should include appropriate warning symbols, such as the common skull and crossbones, to various types of hazards, especially those associated with dangerous products.

Brazilians Ready to Die in Place of Chessman

LOS ANGELES (UPI) — Forty Brazilians have offered to die in the place of convict-author Caryl Chessman and some 2,600,000 other Brazilians have signed petitions asking for the condemned man's release, according to Brazilian industrialist Giacomo Franco.

The millionaire industrialist said at a news conference yesterday that California Gov. Edmund G. Brown's refusal to grant Chessman clemency is hurting America's reputation in Brazil.

★ ★ ★

Franco said he visited Chessman in San Quentin's death row last week and told him that if he is freed he would be welcomed in Brazil where he could "become a leader in the fight against crime."

Chessman was scheduled to die last week after Brown refused to set aside his death penalty, but acceptance of an appeal in his case by the U.S. Supreme Court has indefinitely postponed his execution date.

Beverage Group Meets

GRAND RAPIDS (UPI) — The 10th annual convention of the National Licensed Beverage Assn. opened here Sunday and continues through Wednesday. More than 1,500 members are expected to attend.

31 Patrons Recover From Theater Gas

FLINT (UPI)—Thirty-one persons, 29 of them children, were recovered today from the effects of carbon monoxide gas which spread through a theater near here over the weekend.

The 31 were watching a show at the Kersley Theater, five miles north of here, when a faulty furnace damper caused the fumes to back up.

All were treated at a hospital after they became ill. Five remained at the hospital overnight and were released yesterday.

Theater manager John Mcauley, 39, said he evacuated the building when he saw several children stagger into the lobby.

Mcauley said the theater would be closed for repairs to the furnace.

U.S. Had Only 2 Atomic Bombs to Drop on Japan

WASHINGTON (AP) — America had only two atomic bombs when the decision was made to drop them on Japan in World War II, according to a posthumuously published interview with Gen. George C. Marshall.

The magazine U.S. News & World Report, in a copyrighted article today, said Marshall granted the interview to one of its editors, John P. Sutherland, in 1954 and 1955 with the understanding it would not be published until after his death.

The soldier-diplomat died Oct. 16.

Dow Will Make Plastics in New Greek Plant

MIDLAND (UPI) — Dow Chemical Co. announced today it will invest a million dollars in a plant in Greece for manufacture of a polystyrene plastic.

The plastic, used for molded products, will be made both for the Greek market and for export, Dow said.

Operations are expected to begin in early 1961. The factory will be the first to produce the plastic in Greece, Dow said.

In Switzerland, 90 per cent of all mustard is sold in unbreakable metal tubes.

Wisconsin Wonders . . .

Why Do Industries Move Away?

MILWAUKEE, Wis. (UPI) — When the Electric Auto-Lite factory at La Crosse, Wis. moved out of town, the local union decided to go into business on its own and provide jobs for 1,200 idled workers.

But elsewhere in Wisconsin today, more factories were closing and state officials held worried conferences to find what was the matter.

The most general answers pointed to Wisconsin's industrial taxes and high-priced labor force. State officials said also that while some industries were pulling out of the Badger state, others were moving in.

That didn't help matters at La Crosse this summer when Electric Auto-Lite became the largest firm to leave Wisconsin so far.

Officials of the United Auto Workers Union pleaded with company officials to reconsider. They even talked of reopening contract negotiations and hinted guardedly about taking a pay cut.

The Auto-Lite people said, "No," and reminded La Crosse residents that company officials had warned for several years that such a pullout was coming.

1,200 JOBLESS

The La Crosse Chamber of Commerce and the city's industrial development committee could find no other industry to fill the Auto-Lite void.

A pool of 1,200 newly-jobless workers suddenly filled the city of 52,000.

UAW Local 396 decided to move. The union incorporated itself as "La Cro Industries" and began selling stock. It said it could make the same products—gauges and instruments—Auto-Lite was producing.

★ ★ ★

At first, the union limited stock purchases to former Auto-Lite employes. By Oct. 1, the union said its capitalization of $100,000 was fully subscribed.

Ironically, another union's struggle, the steel strike, proved the biggest hurdle to the auto workers' venture. Lack of steel slowed down its opening plans.

At Kenosha, meanwhile the Simmons Co., makers of beds and mattresses, gave notice it would leave within a year taking 1,000 jobs with it.

★ ★ ★

A recent Wisconsin state report showed 46 plants had either moved or sharply curtailed their activities within the past five years.

Gov. Gaylord Nelson ordered two state committees to study the state's entire tax structure to see if that is what is driving out the industries.

"I can't understand it," David Carley, Wisconsin director of industrial development, said. "New firms moving into Wisconsin have one of the largest pools of highly trained workers available anywhere."

Carley said incorporations in Wisconsin were up 50 per cent in the January-June 1959 period as compared with January-June of 1958. What's more, he said, some of the established firms have begun vast improvement programs such as that started by American Motors at Kenosha and Milwaukee.

At Columbus, Wis. however, the Borden Foods Co. recently closed a powdered milk plant, leaving 200 jobless. Columbus has a population of only 3,250.

Output of Goods Takes Slight Dip

First Downturn in GNP in 18 Months Blamed on Steel Strike

WASHINGTON (AP) — The national output of goods and services, hampered by the steel strike, dropped a little less than one per cent in the third quarter. It was the first downturn since the economy began recovering from the recession 18 months ago.

President Eisenhower's economic advisors estimated Friday that the gross national product fell to an annual rate of 481 billion dollars in the July-September period. This was 3½ billions below the second rate.

★ ★ ★

In another report, the Commerce Department said national income and corporate profits jumped to record highs in the second quarter, but it noted that the steel strike halted this rise in the third quarter.

A sharp cut in expansion of business inventories was the largest factor behind the drop in GNP. This reflected the end of prestrike buying of steel and later dipping into steel stocks to maintain production after the walkout began.

★ ★ ★

Parts of this inventory drop was offset by other gains. Spending for personal consumption, government outlays for goods and services, and investment in homes, businesses and factories all increased.

The Commerce Department said corporate profits rose to an annual rate of 51 billion dollars in the second quarter, or 5½ billion above the preceding three months.

National income—all the money earned by individuals and businesses—exceeded a 400 billion dollar annual rate for the first time.

Mt. Pleasant C. of C. OKs 3-Block Mall

MT. PLEASANT (AP) — The Chamber of Commerce has officially approved plans for a three-block, L-shaped mall in the downtown shopping area of this Isabella County community.

Under the plan, all parking and traffic will be barred from the area. Trees will be planted and a park constructed.

Last week a special mall committee spent a day in Kalamazoo studying that city's new mall.

Soviets to Draw Map of Moon From Lunik Info

LONDON (UPI)—Soviet scientists will shortly draw a new map of the moon on the basis of data received from Lunik III on its orbit around the side of the earth's satellite never seen by man, Radio Moscow said today.

★ ★ ★

No mention was made, however, of the photographs of the rocket was said to have taken of the moon's hidden side.

MSU Probes Rise in Cattle Disease

EAST LANSING (AP) — The first major research effort against cattle tuberculosis in several decades is under way at Michigan State University.

The incidence of tuberculosis cattle in Michigan was below the national average from 1923 to 1948.

Then something went wrong. The incidence began to rise until by 1956 it was higher than at any time since 1929. It has continued to rise since 1956.

The dean of MSU's college of veterinary medicine, W. W. Armistead, says part of the trouble is due to complacency.

The petroleum industry invested almost five and a half billion dollars in drilling more than 113,000 wells during 1955 and 1956. More than one and a half billion went into more than 42,000 dry holes.

Seven Indians Taken Prisoner

Red Chinese Reveal Not All 17 Caught in Ambush Killed

NEW DELHI, India (AP)—Seven of 17 Indian policemen reported killed in a border clash with Red Chinese troops are alive and prisoners of the Communists, the Peiping government has informed India.

★ ★ ★

A new Chinese note, delivered over the weekend, said bodies of nine Indian policemen had been recovered after the clash Wednesday in the Ladakh area of Kashmir state. The 17th policeman now is presumed missing.

★ ★ ★

The Indian government said the note also spoke of some Chinese casualties but did not say how many.

The Chinese also reported they are holding three Indians captured last Tuesday in the Ladakh area. Apparently these are two policemen and a porter who failed to return from a patrol that day.

★ ★ ★

India claimed that the police patrol was ambushed Wednesday by Chinese troops 40 miles inside the Ladakh sector, one of two frontier regions claimed by both countries into which Chinese troops have moved. The Chinese claimed the Indians were the aggressors.

The Chinese attack drew sharp criticism Sunday from a Communist member of the Indian Parliament, A. K. Goplan.

Goplan warned Peiping that if such incidents continued China would lose completely the friendship of the Indian people. He asked an immediate end to the attacks.

U.S. Investments Abroad Fall 14 Per Cent in 1958

WASHINGTON (UPI)—The Commerce Department reported today that direct investment abroad by U. S. companies dropped 14 per cent in 1958 to $5,200,000,000.

★ ★ ★

Most of the $1,100,000 decline reflected large payments for oil leases in Venezuela made in 1957.

Latin America's share of private capital outlays dropped from $2,200,000,000 in 1957 to $1,400,000,000 in 1958.

★ ★ ★

A drop of $300,000,000 to $1,200,000,000 was reported for Canada.

Mussourie, the North Indian hill station where Tibet's Dalai Lama is living in exile, was founded as a health resort in 1826 and has since become a recreational and educational center as well.

Syracuse Makes Field Goals Count

SYRACUSE, N.Y. (UPI)—Syracuse University scored just two field goals in the first 10 years Ben Schwartwalder was head coach of the Orange. Both resulted in upset victories over Pittsburgh University.

In 1957 Al Gerlick kicked a 14-yard field goal to nip the Panthers 24-21. Last fall an 18-yarder by Bob Yates gave Syracuse a 16-13 victory.

Squirrel Bops Hunter Before He Can Shoot

GRAFTON, Ill. (AP)—Carl Pittinger's squirrel hunting trip started out well enough.

He bagged two squirrels. Then he aimed at a third but this squirrel had a weapon handy. It dropped a hickory nut squarely in Pittinger's eye.

★ ★ ★

Pittinger, 40, was treated at a hospital for a minor eye injury.

Smathers Pulls Surprise: Praises Symington

GAINESVILLE, Fla. (UPI) — Sen. George Smathers (D-Fla), in a surprise political maneuver, all but endorsed Sen. Stuart Symington (D-Mo) for the Democratic presidential nomination.

Smathers heaped praise on the Missouri senator at a Florida blue key banquet in connection with the University of Florida homecoming celebration.

Smathers previously was thought to be wavering between supporting Sens. Lyndon Johnson of Texas or John Kennedy of Massachusetts.

The average American has to see his doctor five times a year.

Nigerians Want Mosquito on Nation's Flag

LAGOS, Nigeria (UPI) — Nigeria was urged today to put a mosquito in the national flag on grounds that without the pesky insect independence might not have been in the offing next year.

★ ★ ★

Two letters to a Lagos newspaper said the mosquitoes helped to keep Europeans out of the jungle fastness of Nigeria.

The most populous nation in Africa is scheduled to achieve full autonomy from Great Britain in 1960.

One of the letter writers said: "To leave out the mosquito in both our national flag and anthem is to be ungrateful to the tiny creature that prevented early European settlement in our land."

Somerset Maugham Will Visit Red China

SINGAPORE (UP) — British novelist Somerset Maugham, who says he has given up serious writing, disclosed he will visit Communist China during his current "sentimental journey to the Far East."

Traveling aboard the liner Laos, Maugham told newsmen he is getting off at Hong Kong to fly to Canton, Peiping, Tokyo and Manila.

Ford President Predicts:

Our Economy Cars Doom Most Foreign Ones in U.S.

By JACK VANDENBERG
UPI Automotive Editor

DETROIT — The president of Ford Motor Co. says introduction of new American-built economy cars eventually will eliminate use of small foreign cars for basic transportation in the United States.

★ ★ ★

Henry Ford II told United Press International that he expected the new American economy cars to slash sales of the European imports by 20 per cent in the next year and to continue to cut them down until only European sports and luxury cars sell in any volume.

The best-selling imports of recent years, the Volkswagens, Renaults etc., will fade before the competition of the new small American cars, he said.

Based on last year's sales figures, elimination of the "basic transportation" group of imports could eventually cut European car sales in the United States, now estimated at 550,000, to about 82,500.

WON'T PROSPER IN EUROPE

However, Ford said American-built cars, especially the economy car, would fare no better in Europe than European cars will be in the United States.

American manufacturers will never regain the market they had for their cars in Europe four or five years ago, he said.

Most Europeans could not afford to buy the larger American cars, even the economy cars, and American manufacturers could not afford to build a car to compete with the small European cars in their own market because of labor costs piled on top of tariff barriers.

★ ★ ★

American manufacturers, he said, unquestionably will expand their production facilities in various foreign countries to produce cars specifically designed for the foreign markets.

This expansion in plant facilities in foreign countries will be used to make up for the loss of sales of American-made cars to these countries.

Ford said he believed the foreign car invasion of the American market would be halted because American producers were now offering cars to meet every need of the American public.

DOESN'T SEE CHANGE

Because of this blanket coverage of the American market, Ford said he did not anticipate any future change in the number of cars offered to the American public.

If there is any change, it will be a contraction, not an expansion, he said.

"I don't think there will be any more new types of automobiles, in the sense of economy cars, offered by the industry in the future," he said.

"There may well be some shifting of emphasis in various lines, but no new concepts."

Rains Underline Value of On-Farm Corn Driers

EAST LANSING (UP) — Recent rains have pointed up the value of mechanical on-farm corn driers, an agricultural engineer at Michigan State University reports.

Robert Maddex says farmers with driers were able to field-shell corn with up to 30 per cent moisture when wet weather interrupted the corn harvest. All they needed was a few clear days in succession.

He noted that one bushel of corn goes down the drain for every week's delay in picking after mid-October.

"Growers with more than 40-50 acres of corn should seriously consider field shelling," Maddes said.

Seek Improvements for Detroit River

WASHINGTON (UP) — Improvements for the Detroit River have been recommended by the Board of Engineers for Rivers and Harbors.

Board recommendations, will be submitted to the Army engineers for consideration.

The board recommended an $8,570,000 project for the Trenton Channel portion to provide for a channel 27 feet deep and 300 feet wide in Wyandotte Reach and a channel 28 feet deep and 300 feet wide in Trenton Reach to include a turning basin 28 feet deep and 15 acres in area outside the project channel limits.

The board said local interests would have to agree to provide and maintain depths in berthing areas and access channels serving terminals commensurate with depths provided in related areas and make any alterations to submarine pipelines, cable crossings and utilities.

The blade of a power lawn mower rotates at the rate of about 314 feet per second — close to the muzzle velocity of a .32 calibre revolver.

Yes sir! When it came time for me to install a new furnace last year I had a heck of a time trying to make up my mind what type to install. After a lot of checking, I finally decided on oil–and that's the smartest thing I ever did.

Do you know–I discovered there are more homes in America heated with oil than with any other type of fuel. As a matter of fact–oil is the safest and cleanest method of home heating yet devised. That's mighty important, and something many people don't know. Yes sir, Jim, if I were you I'd look very carefully into the matter, and I'd check with a member of the Oakland Oil Heat Council for some good, sound advice, too.

"Symbol of Confidence"

First Methodist Church Stages Hawaiian Festival

Pontiac Press Photo

Children of the primary department did the Hula Hoop during the 69th Harvest Home Banquet at the First Methodist Church Friday. Shown are (from left) Lynette Bordeaux of Nickols drive, Sandra Cowan of Henderson street, Nancy Barton of North Anderson street, Susan Cox of Fourth street and Debra Shelton of East Tennyson street.

Pontiac Press Photos

Diana Butler (from left), Barbara Alton and Dale Olsen assisted in leading of Hawaiian melodies at the 69th Harvest Home Banquet Friday at First Methodist Church. LaVerne Cox was piano accompanist. The banquet honored our country's 50th state.

Holds 69th Harvest Banquet

Leis, Palm Trees, Sarongs Set Mood for Gala Event

Some 600 passengers boarded the S.S. First Methodist sailing for Hawaii at 6:30 Friday evening.

In the white uniform of the U.S. Navy, Dale Olsen checked passports at the gangplank.

The festive affair was the 69th Harvest Home Banquet staged annually at First Methodist Church.

Arriving in the land of palm trees, visitors were greeted with leis by maidens wearing flower printed sarongs. Background music was provided by Alex Rabe, a native of Hawaii.

The Rev. Harry J. Lord, associate pastor, gave the invocation and Mrs. Paul Kratt, general chairman, welcomed guests to the banquet honoring our country's new 50th state.

Merlin Asplin, as Senator Hooper, led stateside visitors in singing "Aloha Oe," "Sweet Leilani" and "The Moon of Manakoora."

★ ★ ★

In introducing Dr. Robert B. Pierce, minister at Metropolitan Methodist Church of Detroit, Mrs. Joe Davis, toastmistress, said "Dr. Pierce is the son, grandson and great-grandson of Methodist ministers. In 1961 he will be a delegate to the Methodist World Conference in Norway." His subject was "State of Contentment."

Costumed in Hawaiian dress, a chorus led by Mr. Asplin sang "Far Away Places."

Diana Butler, Janet Livingstone, Mary Ann Jacobson, Barbara Alton and Sharon Buckalow danced while Mr. Asplin sang "Hula Hands."

★ ★ ★

Youth groups, Sunday School classes, women's and men's organizations work throughout the year to present an offering at the yearly banquet.

Gifts of money were presented to the pastor, the Rev. Paul T. Hart, in sea shells, coconuts, a pineapple and a paper lantern.

★ ★ ★

Assisting Mrs. Kratt as chairman were Mrs. Lew Butler, program; Mrs. Clayton Rule, dinner; Mrs. John Clark, dining room; Mrs. Ben Church, publicity; Mrs. Homer Johnson, tickets, and Mrs. Arthur Tuffin.

Other chairmen included Mrs. Dudley Colby, decorations; Cleg Bordeaux; speaker, Mrs. Lawrence Mitchell, gifts, Mrs. Norman Todd, printed program and LaVerne Cox, organist and pianist.

Dorothy Ann Brim, daughter of the Melvin L. Brims of Lakeside drive, married Roger P. Rummel, son of Mr. and Mrs. Martin F. Rummel of Birmingham, Saturday afternoon.

MRS. ROGER P. RUMMEL

Roger Paul Rummel, Dorothy Brim Wed

An Empire gown of transparent chiffon velvet was worn by Dorothy Ann Brim for her marriage to Roger Paul Rummel Saturday at First Presbyterian Church. Dr. William H. Marbach officiated before an altar decorated with yellow and white chrysanthemums.

Mr. and Mrs. Melvin L. Brim of Lakeside drive are the bride's parents. Parents of the bridegroom are Mr. and Mrs. Martin F. Rummel of Birmingham.

Pearl embroidery and hand run Alencon lace accented the bodice of the bride's gown which also featured bracelet length sleeves, a floor length skirt and flaring train. A crown of seed pearls secured her fingertip veil, and she held an arrangement of white orchids. She wore a pearl necklace and earrings, gifts of the bridegroom.

★ ★ ★

Maribel Rummel, sister of the bridegroom, of Sausalito, Calif. was maid of honor. Bridesmaids were Mrs. Karl Akerros of Rochester, Mrs. Frank A. Wilson Jr. and Joanne Wood, cousin of the bride.

The attendants were gowned alike in turquoise velvet street length dresses and wore headbands of turquoise satin bows. They carried baskets of yellow chrysanthemums and wore white gloves monogrammed in turquoise to match their dresses.

Gerald L. Vogelei of Richmond, Va., was best man. Ushers were Wesley J. Costello of Detroit, uncle of the bridegroom, S. Tenney McGraw of Birmingham, John F. Rummel, cousin of the bridegroom, of Livonia, and William E. Brim, brother of the bride.

★ ★ ★

The 300 guests were received in the church parlors following the ceremony.

Mrs. Brim selected a royal blue Italian silk chiffon dress with royal blue accessories and wore a yellow rosebud corsage for the wedding. Mrs. Rummel was dressed in turquoise Italian silk chiffon with turquoise accessories. Her corsage matched Mrs. Brim's.

The bride wore a dark gray walking suit with light gray accessories for traveling to Florida. The couple plans to reside in Rochester.

Mr. Rummel is a Michigan State University graduate.

Mrs. Dolly Sperry, the bride's grandmother, came from LaHarpe, Ill., for the ceremony, and the bridegroom's grandmother, Mrs. John A. Rummel, came from Saginaw.

Club Discusses Fall Program

Eighteen members of the Child Culture Club met Thursday evening at the home of Mrs. Charles Tuson on Rowley street.

Plans were discussed for an active fall program under the leadership of Mrs. Hillman Fortney, president.

Isaac Prevette will speak on the prevention of delinquency at the next meeting at the home of Mrs. William Brannack in Auburn Heights.

Tell Friends You Want to Go Along

By EMILY POST

"Dear Mrs. Post: Some friends of ours have a car and almost every Saturday they take an autoombile trip somewhere, leaving in the morning and returning around eight or nine that same evening. Two weeks ago they invited my husband and me to go with them. We graciously accepted and had a wonderful time.

"This couple whom we have known for many years said that any time we cared to join them, they would gladly take us. All we had to do was call and say we would like to go. We really would love to join them since we have no car of our own, but somehow I do not feel right about calling and inviting ourselves

"We do phone each other at least once a week and are very friendly. Would it be proper when I am talking to her to say that we would like to join them on Saturday if it is convenient, or should I wait for her to say something?"

Answer: Since they are intimate friends and you were told that they would be happy to have you join them any time you wished, it would be entirely proper to say, "John and I enjoyed our trip with you so much two weeks ago that I can't resist asking if it will be possible for you to take us along next Saturday."

"Dear Mrs. Post: My fiance has two nieces (11 and 13) whom he would like very much to include in our wedding. Will you please tell me how they can be included and also where they walk and how they should be dressed?"

Answer: They can be junior bridesmaids, and would walk immediately after the ushers and ahead of the grown bridesmaids. Their clothes are modified copies of those worn by the other bridesmaids.

"Dear Mrs. Post: Will you please tell me if it is within the realm of good taste for an engaged girl to accept a very beautiful slip from her fiance for a birthday present? Would the fact that they are going to be married in several weeks have any bearing on you answer?"

Answer: I'm sorry, but she may not correctly accept wearing apparel especially underthings—before she is married.

Tax Talk Scheduled for League

"Michigan's Tax Problem" will be the subject of Rep. Arthur J. Law and Rep. Farrell Roberts when they speak to the League of Women Voters of Pontiac Wednesday.

The 7:45 p.m. meeting at the Community Services Building on Franklin boulevard, is open to the public.

Since its organization 10 years ago, the local league has studied state and local taxes and last spring conducted an intensive study of the Citizens' Advisory Council report, comparing it with the league's tax standards.

Mrs. Donovan Gillmore has charge of program arrangements, assisted by Mrs. Barney Habel.

The meeting will be concluded with an open discussion and question period.

Ladies Guild Head Is Mrs. Colling

Mrs. Courtland Colling has been named president of the Ladies Guild of Saint Paul Lutheran Church.

Other officers are Mrs. Floyd Frisch, vice president; Mrs. Gerald Phelps, secretary; Mrs. Dennis Glander, treasurer; and Mrs. Roy Wiler, historian.

Mrs. William Fisher is charity chairman. Handling publicity is Mrs. Glander. Lutheran Womens Missionary League cochairmen are Mrs. Colling and Mrs. Florence Kandt.

Bridge Club Plays Its Masterpoint

The Pontiac Bonneville Duplicate Bridge Club met Saturday evening at the Hotel Waldron for its masterpoint game of the month with seven tables in play.

Winners were Elaine Zeve, Fred Morganroth, Mrs. Val Megdall, Mae Hammerstein, Mrs. Jean Heugh, Terry Bladen and Dr. and Mrs. W. H. Barron.

Participating in the Hawaiian program at First Methodist Church Friday were Janet Livingstone of Oneida road (left), Sharon Buckalow of East Strathmore street and Mary Ann Jacobson of East Highland street. The girls danced to the music of "Hula Hands." The girls are members of the youth group.

Lodge Presents Memorial for Mrs. O'Brien

Welcome Rebekah Lodge 246 held a memorial service for Mrs. Edna O'Brien when 50 members met Thursday evening at Malta Temple. Mrs. Frieda Braman directed.

Eighteen past noble grands were entertained. Each received a gift.

Mrs. Clarence Cavalier and Mrs. Richard Rohrer will be representatives at the district meeting Nov. 6 in Hazel Park. A rummage sale is planned the same day at 19 E. Pike Street.

Mrs. Rohrer and Mrs. Cavalier were in charge of refreshments.

Price Is No Guide

A price tag is not always a sure sign of quality. Don't rely on it entirely as a guide when shopping for fashion. It's best to develop judgment.

Study Group Holds Meeting

Mrs. I. J. Gouin led the demonstration group when the Parliamentary Study Club met last week at the Masonic Temple on Lawrence street.

Sponsor was Mrs. Paul Gorman.

New members introduced were Mrs. Robert Sawyer and Mrs. Andrew Gulacsik.

The next meeting will be Nov. 4.

Teen-Age Cures

Teenagers can make the most of the adolescent problems such as overweight or underweight. If you tend to be plump, wear quiet colors that don't draw attention to your problem. And don't cut yourself in two with a belt a different color than your ensemble.

Returns From Europe

Mrs. Shain to Start 40th Year of Class

By RUTH SAUNDERS

BIRMINGHAM — Mrs. Charles J. Shain will soon begin her 40th year of conducting a class of International Relations at the Birmingham Community House. She has just returned from a three-month European tour that included four weeks in Russia.

★ ★ ★

Mrs. Melvin J. Kates is in Washington, D. C., visiting her son-in-law and daughter Commander and Mrs. Charles V. Gardiner and their family.

Mrs. Kates plans to spend the winter at Daytona Beach, Fla.

★ ★ ★

Mrs. Ralph Manuel who has been visiting her son-in-law and daughter the John Follansbees in Honolulu, will sail for home Wednesday.

Mr. Manuel will meet her in San Francisco and they will stop off in Los Angeles and Las Vegas before returning home.

A son Brian Conrad was born to the Follansbees Oct. 10.

★ ★ ★

Mr. and Mrs. Robert K. Smith (nee Judy Sappington) of Darlen, Conn., announce the birth of a daughter, Patricia, Oct. 12.

★ ★ ★

Mr. and Mrs. Hugh H. Loud plan to spend next weekend in Detroit as guests of Mr. and Mrs. A. D. Wilkinson, seeing former friends and neighbors in Birmingham. The Louds moved to Geneva, N. Y. in June.

★ ★ ★

Mr. and Mrs. J. P. Judd of North Glengarry road, have invited friends to dinner in their home next Saturday.

★ ★ ★

Mr. and Mrs. Richard M. Weir (nee Jean MacGregor) announce the birth of a daughter, Wendy Rae, Sept. 17.

★ ★ ★

Mr. and Mrs. W. F. Kinney, Mr. and Mrs. D. G. Graves and the D. A. Packards are busy planning entertainment at Forest Hills Country Club for the Presidents Dinner Dance Nov. 7 when Bernard Girard will be guest of honor.

Preceding dinner Mr. and Mrs. Donald P. Green will give a cocktail party at their home in Franklin.

★ ★ ★

Mr. and Mrs. Philip H. Pretz sailed Saturday from New Orleans for a cruise in the Caribbean aboard the S.S. Alcoa Clipper. The cruise will extend to several islands as well as the northern coast of South America.

Today Mr. and Mrs. John A. Goetz docked at Mobile, Ala., aboard the same ship after visiting in Venezuela, Trinidad and the Dutch Island of Curacao.

Carole Bird, Miss Rochester of 1959, married Robert E. Chekaluk Saturday evening at St. Paul Methodist Church in Rochester. Parents of the couple are Mr. and Mrs. George S. Bird of Rochester and Mr. and Mrs. Mac Chekaluk of Birmingham.

MRS. ROBERT CHEKALUK

Chekaluk-Bird Nuptials in Rochester Church

Before an altar decorated with white chrysanthemums and palms, the Rev. J. Douglas Parker united Carole Bird and Robert E. Chekaluk There were 300 guests at the candlelight ceremony in St. Paul Methodist Church, Rochester.

The bride wore a floor length gown of white frosted silk with a full chapel train and a bustle back. Her Sabrina neckline had appliques of imported French Alencon lace accented with sequins and seed pearls. A Swedish crown of lace also accented with sequins and seed pearls held a fingertip veil of French silk illusion. She carried a cascade bouquet of pompon chrysanthemums and stephanotis centered by an orchid.

Sandra Ruffner, maid of honor, wore a moss green velvet dress with a matinee hemline and a partly visible orange taffeta lining. The sleeves were long and came to a point at the wrist. She wore a matching velvet crown and shoes which matched the satin in her dress.

Blake, and Mrs. Marvin Hennin, bridesmaids, wore avocado green velvet gowns similar to the maid of honor's with a gold taffeta lining. They wore gloves, shoes and crowns to match.

All four attendants carried csacade bouquets of chrysanthemums.

Neil Dorsey Jr. of Warren was best man and Bob Hughes of Grosse Pointe, Don Baldwin of Bloomfield Hills and Jim Oestriech of East Lansing were ushers.

After a reception at the church, the bride changed to a cinnamon-brown suit with suede shoes, gloves and purse to match, and a hat of orange feathers.

The bride's mother wore a copper colored satin sheath with bodice and sleeves of matching lace and cymbidium orchids.

★ ★ ★

The bridegroom's mother wore a beige lace sheath dress with a beaded beige hat and cymbidium orchids.

MSUO Faculty, Wives Guests at AAUW Tea

The American Assn. of University Women held a tea Saturday afternoon in honor of MSUO faculty members and their wives.

Mrs. Clarence Huemiller and Faye Donelson were cochairmen of the affair at Malkim School.

★ ★ ★

Among those present were Mr. and Mrs. Robert Hoopes, Mrs. Helen Kovach, Mr. and Mrs. Hollie Lepley, Mr. and Mrs. George Mathews and Mr. and Mrs. James McKay.

Other guests were Audrey North, Mrs. Nadine Papluiko, Mr. and Mrs. William Rhode and Mrs. Alma Smith.

★ ★ ★

Concluding the list were Mr. and Mrs. Gerald Straka, Mr. and Mrs. Paul Tomboulian, Mr. and Mrs. Durward Varner, Jean Young and Mr. and Mrs. Roy Alexander.

AAUW tea chairmen were: Mrs. Thomas Hollis, invitations; Mrs. Thomas Metzdorf, name tags; Mrs. Duane Miller, place; and Mrs. Arthur MacAdams, food.

★ ★ ★

Others were: Margaret Steward and Mrs. S. E. Minard, kitchen; Mrs. Homer McVean, table; Mrs. John Borsvold, servers; Mrs. Donald LaVire, decorations; Mrs. Roy Alexander, coordinator; and Lillian Davidson, general assistant.

SHARRON HUBBELL

Mr. and Mrs. Clare L. Hubbell of Mapleview street announce the engagement of their daughter Sharron Marie to William Fairbrother, son of Mrs. Katherine Fairbrother and the late John Fairbrother of Edna street. A May wedding is planned.

Doctor Knows Best

Only your doctor is qualified to prescribe vitamin or mineral supplements for your good health. Nutrition specialists warn against buying pills and powders from food faddists who have a "special" cure for anything that ails you.

Pontiac Press Photos

Mrs. Tom Reese pours a cup of coffee for Mrs. Stephen Velkoff and her husband at the AAUW tea Saturday. Mrs. Reese and Mrs. Velkoff are members of the American Association of University Women and teaches science at Bloomfield Hills High School. The tea honored MSUO faculty members and their wives.

Xi Chapter Initiates Three New Members

Three members were initiated when Xi Chapter of Delta Kappa Gamma Society met last week. They are Mrs. Orville Gauthier, Virginia Otten and Mrs. Peter Spring.

Participating in the ceremony were Mrs. Oscar Forslund, president; Mrs. Harold Laudenslager, Mrs. Claire Hinckley, Mrs. Mayard Stephens and Florence Gulstrand.

Xi Chapter members have been invited to attend the birthday luncheon of Lambda and Kappa Chapters at McGregor Memorial Center at Wayne State University.

Hostesses were Iama Hook, Marietta Spring, Mildred Gingell and Margaret Luther.

Beauty Hint

The way you wash your face is important. One good way is with lots of warm soapy lather, rubbed in with the hands — instead of using a washcloth or complexion brush. Either way, lots of soapsuds are good for the complexion.

Thick Stockings

Early nylons were 30 denier, a measure of the thickness of the yarn. These 30 denier nylons still are available, but women prefer the much sheerer 10, 12 and 15 denier — yarn only one - half to one-third as heavy as the 30 denier and, naturally, more fragile.

He Feels Guilty - - - Abby

Lady 'Tramp' Because She's Lady

By ABIGAIL VAN BUREN

DEAR ABBY: Why is it that a man who has a wife will pick up some tramp and treat her like a lady? Then he will turn around and treat his wife like a tramp?

LYDIA

DEAR LYDIA: A man picks up a "tramp" because he wants a female companion who is no better than he is. In her company, he doesn't feel inferior. He rewards her by treating her "like a lady."

ABBY

He treats his wife (who IS a lady) like a "tramp" because he feels that by degrading her, he will bring her down to his level. This makes him feel guilty. So in order to "get even" with his wife for making him feel guilty, he keeps right on punishing her.

DEAR ABBY: I have a buddy who is 18 years old, but his family treats him like he was about 10. His father says if he has anything to do with girls before he is 21 he will break his neck for him.

Now you know, Miss Abby, it isn't natural for a boy to stay away from girls until he is 21. In fact, I don't think it can be done.

My buddy and I go out with girls (nice ones) once in a while, but we have to lie to his parents. Is there any way I can convince this boy's parents to let him go with girls? I am a minister's son and they like me.

BUDDY

DEAR BUDDY: I can think of no quicker way for well-meaning parents to drive their children into "bad company" than by "forbidding" them to associate with the opposite sex. The parents of your Buddy are not likely to appreciate your suggestions with regard to raising their son. Perhaps your father could talk to his father.

DEAR ABBY: I married a man 14 years my senior. He used to be a sot and I have left him twice for that reason. The last time I left him he got mad and cashed in his life insurance and all his bonds. He sold all his property and turned everything into cash. He made a will leaving me one dollar!

He doesn't know I am aware of his will, but I know it is true. If I mentioned it to him he would refuse to discuss it. I am 51 years old and am not trained to go to work. I have no other source of income. I an disgusted and have lost all respect for him. Have you any ideas of what I should do in a case like this?

DISGUSTED

DEAR DISGUSTED: If your husband feels no moral obligation to you, your only hope is that he has a legal one. A lawyer can tell you what your rights are under the circumstances.

★ ★ ★

CONFIDENTIAL TO CAN'T SIGN NAME": If YOU don't know. Nobody does. You have no legal problem, however, because all children born to you while you are married to your present husband are considered, by law, HIS children.

★ ★ ★

What's your problem: For a personal reply, write to ABBY, care of this paper. Enclose a stamped, self-addressed envelope.

Wear Leather

Winterize Your Feet Too

By JOSEPHINE LOWMAN

Have you ever thought that it is just about as important to winterize your feet as your car? The season of sniffles is upon us and far too many women will leap into it feet first.

Periodically from here on all winter long, and even in the spring, thousands of folks will be made miserable by colds and viruses. Yet when we see the kind of shoes women wear in cold and wet weather we wonder that the toll is not even greater.

We shouldn't hide indoors from cold weather. An invigorating daily walk is the best beauty and health aid in the world if you are dressed properly for it. However, many folks fail to realize that the feet are most vulnerable avenues for catching a cold unless you guard against it.

All leather shoes are best for walking in the snappy, wet or cold weather ahead. Leather is effective against the entrance of cold air and moisture. At the same time its porosity permits air to enter and circulate around the feet. Soles made of materials other than leather encourage perspiration to collect and quickly become cold so that your feet are somewhat like two ice trays in a freezer.

At home you will find that sturdy leather house slippers closed at the heels and toes with built-up sides will give you protection while doing your housework. Floors are cold and drafts hover at floor level. For this reason it is wise to wear stockings or socks when working at home in cold weather. You should take special care to keep your ankles warm if you are susceptible to colds.

As soon as you get home from a shopping tour or a day at the office give your feet hot and cold baths. Soak them for 10 minutes in water as hot as you can stand it. Then plunge them into cold water for about a minute. Dry them, rubbing briskly with a rough towel. This stirs up circulation.

Remember that you may be able to miss some of your usual colds if you see to it that your feet are properly shod and give them a circulation stirring up bath when you first reach home!

Tomorrow: "Skirts Are Shorter — Watch Your Legs!"

All leather shoes are best for walking in the snappy wet or cold weather ahead.

Friends, Relatives at Stork Shower

Mrs. Charles Opdenhoff (nee Carol Collins) was honor guest at a stork shower given recently at the Dwight avenue home of Mrs. Lucille Opdenhoff. Marilyn Opdenhoff was hostess.

Guests were Rose Anne Cowell, Marcia Allen, Bonnie Brumley, Mrs. Lucille Opdenhoff, Mrs. Gus Opdenhoff and Mrs. Arthur E. Allen.

Others were Mrs. Cecil Guill, Mrs. Carl E. Opdenhoff, Mrs. Betty Seaman and Mrs. Barbara Wright.

Alpha Chapter Is Shown Movies

Alpha Chapter of Beta Theta Phi met recently at the home of Mrs. C. F. Denison.

Program chairman Mrs. Jack Greathouse introduced Mrs. Maxine Smith of the Pontiac Youth Center.

Mrs. Smith showed movies of activities at the center and explained the function and structure of the institution.

Philoptohos Group Has First Council Meeting

The season's first council meeting the Philoptohos Society was Thursday evening at the home of the president, Mrs. Chris Rendziperis.

New officers are Mrs. George Mitchell, vice president; Mrs. Nick Williams, recording secretary; Mrs. Phillip Christi, corresponding secretary; and Mrs. Konstantine Garyet, treasurer.

Cochairmen of the sick committee are Mrs. Daisy Asim and Mrs. Garyet.

Other chairmen are Mrs. Efthim Gabriel, altar committee; Mrs. Thomas Nickols, publicity; and Mrs. John Iakovides, hospitality.

Mrs. Chris Christides, Mrs. Abraham Ryeson, Mrs. Abraham Savas and Mrs. Alexandra Protopappas are council members.

Charitable and social plans were made for the coming year.

Saves Basting

When letting out seams of a dress, sew the new seams first and then rip out the old ones. This saves basting and stretching of seams.

Color Complement

by Rowena Wilson

The hair fashion palette of fall and winter wardrobes—neutral tones of black and grays and beige and browns — calls for greater emphasis on hair coloring to intensify the personality. Blonde is expected to be a popular color. But brown hues will also be on the scene — rose browns, and tawny blonde to golden brown and shades between. Hair coloring will complement your new clothing, millinery, furs and accessories which are directed toward intensifying the feminity of women.

Join the hair fashion parade now with beautiful and flattering hair coloring. It must be done by an expert in the field. That calls for an early appointment at Rowena's Beauty Salon, 4831 Dixie Highway, Drayton Plains, OR 3-3541. 14 S. Main, Clarkston, MA 4-1000. 1216 Baldwin, Pontiac, FE 5-3735.

Eye New Rules at Waterford

Board Takes Up Land Development, Used Car Lot Fees, Truck Bids

Waterford Township's Board meeting at 7:30 tonight will involve setting up rules and regulations for land developers coming into the area, purchasing of a dump truck and an increase in used car lot license fees, according to officials.

After months of study, a new procedure for land developers will be presented for Board action.

Due to rapid population growth in the last few years, Board members felt old ordinances had become obsolete and have streamlined regulations for present-day operation.

A recommendation to authorize township engineers to ask for quotations on running a test drill for water in the Cass Lake road area will be made.

At 8 p.m. bids for a new township dump truck will be opened for the Board's consideration.

The Board will also discuss the possibility of definite action regarding adoption of an addition to the electrical code, requiring all commercial buildings be wired in a metal conduit or type M I cable.

It is also expected that the board will repeal ordinance 3, and will adopt 3A, regarding an increase from $15 to $25 for used car lot licenses.

The new ordinance would provide more rigid inspection by police and the building departments before the license is issued.

Detroiter Suspected of Night Break-In

Oakland County sheriff's deputies are holding a Detroit man they believe cut himself while breaking into the Homestead Orchard Store, 5460 Orchard Lake Rd., West Bloomfield Township, Sunday.

Aaron L. Avery, 40, of 8841 Kimberly St. was booked at the Oakland County Jail for investigation of breaking and entering in the nighttime.

Detectives said Avery was hitchhiking on Orchard Lake road when picked up by an unidentified motorist. The driver noticed his hand was badly cut and drove him to the Orchard Lake Police Department.

Police took him to Pontiac General Hospital for treatment of the gash and notified the sheriff's department. Meanwhile, deputies were called to the market by its owner, William McKim.

He had discovered a smashed window in the front door. Deputies found blood on the floor and doorframe. They also found an address book bearing Avery's name. Nothing was reported missing from the store.

Plans for His Future

ALGIERS (UPI)—Touat Mohand Said, 109, walked 93 miles from his tent village of Soumman to Algiers to claim his old age pension, officials said yesterday. "I wish to enjoy the remainder of my life peacefully, and I need money for that," he was quoted as saying.

Nonfood items account for about 5.2 per cent of total sales in the average grocery.

UP Bashed by Added Rain, Snow

By The Associated Press

Storm-battered Upper Michigan was hit by a new onslaught of rain and snow today as residents worked to repair damage caused by violent weekend weather.

★ ★ ★

Relief was in sight. The U.S. Weather Bureau said the new snowfall was expected to diminish to flurries by Tuesday.

The outlook for the Lower Peninsula wasn't as cheerful. The bureau said rain, possibly mixed with snow, would continue falling in southern sections through Tuesday and intermittent snow would hit northern sections during the same period.

High winds and heavy rain and snow blasted the Upper Peninsula during the weekend.

COMMUNICATION CUT

Winds knocked down trees and utility poles and wrecked communication with Houghton, Calumet, Ontonagon, Marquette and other communities.

Snowfall, up to 10 inches in the L'Anse area, blocked traffic and made driving hazardous. Some Marquette area roads were blocked completely by drifts and at one time there was six inches of snow over M95 between Negaunee and Humboldt.

At one time the heavy rain caused the Chocolay River near Marquette to rise 10 feet beyond its normal level and families were evacuated from nine homes.

★ ★ ★

At Green Garden Hill, a small village about 12 miles southeast of Marquette, a nearby small valley was filled with flood waters which covered hunting cabins, cottages and camps. State Police said no one was killed or injured.

The powerful winds made boating hazardous on many of Michigan's waterways and duck hunters were urged to be cautious.

Largest Cure Total Claimed at Lourdes

LOURDES, France (UPI) — The largest number of alleged miraculous cures in the history of this Roman Catholic shrine — 47 — was reported today have been registered by Catholic authorities this year.

Last year, when Lourdes was celebrating the centenary of the apparitions of the Virgin Mary, the number of cases studied by medical authorities was only 31.

None of the cases recorded last year or this year has yet been pronounced a miracle cure. It takes more than two years before an international commission of medical authorities announces that a person previously known to be incurably sick has been cured after a Lourdes pilgrimage.

Treated and Released After Two-Car Crash

Claudia Moore, 49, 380 Howland Ave., was treated for a sprained hand and released from St. Joseph Mercy Hospital yesterday after being injured in a two-car accident at Harvey and California avenues.

She was in a car driven by William Moore, 42, of the same address. Moore's car, moving west on California, collided with one driven by Robert Millet, 23, of 430 Howland Ave. Millet was traveling north on Harvey.

Rocky Urges Nuclear Tests

N.Y. Governor Calls for Resumption, Hits Fallout Fears

NEW YORK (UPI) — New York Gov. Nelson A. Rockefeller last night called for resumption of nuclear weapons testing.

★ ★ ★

Rockefeller's position put him at odds with apparent adminstration policy and with the position of many leading nuclear scientists.

"I think that we cannot afford to fall behind in the advance techniques of the use of nuclear material," Rockefeller said.

He discounted the danger from nuclear fallout, but urged that testing be done underground to reduce the possibility of contaminating the air with fallout.

★ ★ ★

The Republican governor's statement came two days before the scheduled resumption of discussions in Geneva between the United States, Great Britain and the Soviet Union on a treaty to end nuclear weapons testing permanently.

The Geneva conference recessed Aug. 27 after reaching an agreement in principle to end the tests. The United States suspended its tests Oct. 31, 1958 and the West has not detected a nuclear explosion in Russia since Nov. 3, 1958. Great Britain also has suspended nuclear weapons testing.

Also in New York last night, Dr. Linus Pauling, a Nobel Prize-winning chemist addressed a crowd of 3,000 persons at Carnegie Hall urging an end to nuclear testing.

The County Court House at Pagosa Springs, Colo., is heated by hot water direct from the Pagosa hot springs.

Pontiac Housewife Hurt in Two-Car Collision

A 24-year-old Pontiac housewife, Mrs. Betty Hotchkiss, was treated for minor injuries and released from Pontiac General Hospital Saturday after the car in which she was riding was struck in the rear by another vehicle.

Her husband William E. Hotchkiss, 173 W. Ann Arbor Ave., told Pontiac Police he was driving west on Baldwin avenue near LeGrande avenue when a car driven by Opie Nichols, 2145 E. Walton Blvd., hit his vehicle in the rear.

Find Man Accused of Abducting Teen

GREENFIELD, Mass. (AP) — State police said today they have picked up Rodney Austin, 44, of Newcastle, Maine, who has been sought since Friday in the abduction of a 14-year-old Maine baby sitter.

★ ★ ★

State police Sgt. Timothy Moran at headquarters in Boston said the man had been identified as Austin at the state police barracks in Shelburne Falls, eight miles from here.

★ ★ ★

Austin was unarmed and offered little resistance although he had fled into woods. Three troopers picked him up after receiving a telephone call from a farmer who had given the man a ride in his pick-up truck.

Moran said Austin will appear in North Adams District Court Tuesday on fugitive warrants charging abduction and rape.

It's Faster by Boat

PERTH, Scotland (UPI) — Laundry executive Jack Thompson, barred from the roads until 1968 for repeated traffic offenses, finds he gets to work twice as fast without his car. He whizzes to his riverside office in a motorboat, making the trip in eight minutes. It used to take him 16 minutes by car.

Says Michigan GOP Collapsing

Ex-Organizer Defends Summerfield in Hot Fight With Lindemer

LANSING (UPI) — "The Michigan GOP is going to pot" and its leadership is "highly ineffective," a former state Republican organization director charged today.

"Make no mistake about it," said Morris A. Riley, "when I say leadership I refer to the Republican state chairman (Lawrence Lindemer) and national committman (John Martin)."

Riley, GOP organization director from March, 1958, to early this month, said Postmaster General Arthur Summerfield "has every right — and reason — to voice alarm over what has demonstrated itself to be a fumbling and inept state headquarters operation."

Riley said he was "separated from the state organization for economic reasons" and was told there were insufficient finances to maintain the staff."

He was with the GOP headquarters "18 very frustrating months," he said, and said Lindemer's primary asset as state chairman was "his outstanding personality."

★ ★ ★

"I realize that a frantic attempt may be made to make my point of view look like that of a disgruntled former employe," Riley said.

"This makes about as much sense as trying to picture Mr. Summerfield, one of our state's most distinguished citizens, as jealous of a small town country lawyer."

The Eiffel tower in Paris was the first large structure to be built entirely of steel and iron. About 15,000 steel beams and 2½ million rivets were used in its construction.

Carmel Hall to Get Bulk of Detroit Doctor's Estate

DETROIT (UPI)—Carmel Hall, the former Detroiter Hotel converted to a home for the Catholic aged, eventually is to get most of an estimated estate of $500,000 left by Dr. Edward J. O'Brien, a Detroit surgeon who died Oct. 19.

Dr. O'Brien, 72 when he died, left $10,000 to one daughter and $20,000 to a second. He provided that the rest of his estate go into a trust fund for his widow, Mrs. Marie O'Brien, and revert to Carmel Hall upon her death.

The first night baseball game was played on June 3, 1883, in Fort Wayne, Ind.

THE PONTIAC PRESS

MONDAY, OCTOBER 26, 1959 PONTIAC, MICHIGAN SEVENTEEN

IN CROWNING GLORY — Robert Allen, 6, of 2384 Devondale Rd., and Shannon Reed, 6, of 2865 Grant St., were crowned King and Queen of the Fall Festival at Elmwood Elementary School in Avondale. The event, held last Friday, drew more than 700 people. It was sponsored by the PTA. Last year's royal couple were on hand for the ceremonies. They are 11-year-olds Jean Kirsch, 3171 Auburn Rd., and Mike McReynolds, 2731 Midvale Rd.

Plans Another Celebration

Orion Group to Pick Theme and Format for Festivities Next Year

LAKE ORION — The planning committee of Orion Community Center, Inc. will meet Wednesday evening to pick a theme and format for a gala village celebration next year.

★ ★ ★

Prompted by success of the 1959 Centennial, the OCC board of directors has asked the planning committee to screen suggestions before presenting results to the entire membership.

Another project considered is an invitation by Grampian Mountain Ski Resort to co-sponsor a winter carnival-type program at the resort.

★ ★ ★

Features would include a parade, dance and coronation of a snow queen.

WILL HIRE HELP

OCC officials state that the building committee is proceeding with plans to close in the center building on Orion road before it snows.

Previous construction work has been done by volunteers. Now the committee plans to hire help to finish the exterior.

"After that, we will need a lot of help to finish the small jobs yet to be done, so that the center will be ready by Christmas," said William Kopp, OCC president.

★ ★ ★

The center's membership committee also is working on new ideas to coincide with the forthcoming opening.

Its suggestion that those who have membership cards be given discounts on the admission price to special, announced events has been accepted by the board.

The committee also has adopted a new schedule for annual payment of dues.

TAKEN EVERY MONTH

Now they will be accepted every month and cover the next 12-month period instead of just to the end of the club year under the previous system.

Monteith Third, Fourth Graders Enjoy Learning to Speak French

By REBA HEINTZELMAN

WATERFORD TOWNSHIP — Short, snappy French lessons sprinkled with appropriate songs and dances keep Monteith Elementary School youngsters here spellbound in a new experiment now in progress.

Under the volunteer leadership of high school French teacher Edward Mott, 100 children in the third and fourth grades are learning to speak French, sing songs and participate in native folk dancing.

All this is wrapped up in 15-minute periods each day and the pupils are completely fascinated by it all, according to school officials.

After Mott has finished teaching French to Waterford Township high school students from 7:30 a.m. to 2:30 p.m. daily, he immediately heads for Monteith School to continue his own personal experiment.

His theory is that 3rd graders are the most receptive and interested group in the entire school system, and his work has prompted educators in other communities to take a good look at the results.

Although there are several hundred children in 3rd and 4th grades in various schools throughout the district, Mott, last year chose one 3rd grade section of Monteith School, because it was the nearest to the high school here he teaches.

Principal of the school, Mrs. Pearl Turo said, "It's absolutely amazing how the children respond to this class. The last hour of the day is usually the hardest, but now they actually look forward to this time."

LITTLE ENGLISH

Very little English is spoken in the class. Consequently, the children want to know what is going on, and get right down to the business of "je comprend."

More like a game than actual learning the children greet their teacher with "comment allez' vous?" (how are you), and he answers with va bien, merci" (I am well, thank you).

From that time on, oral unison recitation, questions and answers are all done in the French language.

★ ★ ★

Mott — who does not profess to be a good vocalist — starts the singing of French songs. Surprising enough, the whole class goes along in perfect tune and enunciation.

Desks are pushed back, circles formed and the singing continues as the children go into the French folk dances.

A new song or dance is always received with much enthusiasm, according to the teachers watching from the side lines.

★ ★ ★

One reason for this, Mott explained is that here, they are learning somthing that most of their parents know nothing about, and to speak a foreign language is a "feather in their caps."

STUDIED IN PARIS

Mott, a Kalamazoo bachelor intent on additional learning and projecting new instructive theories, is a product of Western Michigan University, but graduated from the University of Paris, France.

The only U.S. College to recognize his foreign credits was Middlebury College in Vermont; so he graduated from that institution later.

For four years during the Korean war, the young linguist was assigned to the translation division of the Allied Command. Since then he has taught for three years at Waterford Township High School.

First, the children learn to count numbers, then the days of the week, the alphabet, "hello" and "good-bye" follow. "Yes" (oui), "no" (non) "please" (s'il vous plait) and "good" (bon) are the next basic words designed to stimulate further study.

★ ★ ★

The children are enthusiastic about the lessons, because Mott associates present day projects with history. The advanced class is learning why many of Michigan's principal cities bear French names or derivatives.

Few of the parents know that Detroit means the straights, Charlevoix "voice of Charles", Grand Blanc, "big white plain", AuSable "sandy" and Pointe Aux Barques, "boat landing." These and many other French named cities are included in the lessons.

★ ★ ★

Mott reasons that French is important to the American people because, with so many French-speaking Canadians near-by, it would create a better international understanding for the United States to become a bi-lingual nation.

Pontiac Press Photo

QUEL JOUR, AUJOURDHUI? — Third and fourth graders at Monteith Elementary School in Waterford Township adeptly take to learning French, according to their teacher, Edward Mott, shown here. Teaching French to the younger grades is a new experiment locally. Seemingly enjoying their lesson are Richard Guelker, Rex Beauchamp and Debbie Getzan.

New Keego Shopping Center Will Open in About a Week

KEEGO HARBOR — A $90,000 shopping center here will be three quarters occupied and ready for business sometime next week according to Ernest S. Hull, owner and contractor of the new one-story building.

★ ★ ★

The Dor-L Shop of Keego Harbor is already open. The store, owned by Miss Doris Jones and Mrs. Lylla Ross, has been a part of the city seven years.

Two other stores that will occupy the block-long building, at Orchard Lake and Pine Lake roads, are Keego Drugs Co. and Gregory Jewelry Store, both businesses already in the city.

The remaining 1,400 square feet to be rented, said Hull, is in the rear of the building. He said the space is ideal for a shoe store, but that the area could be partitioned for offices if it was requested.

FREE PARKING FOR 46

Hull said the building has free parking spaces for 46 cars on three sides There are entrances to all parts of the building only a few feet from any parking space.

"Any store in the building can be reached through any of the entrances," said Hull. "Hallways lead from one store to another. There is no reason to go outside once you are in the building to reach another store."

"I already have plans to add another story to the building within two years," Hull explained.

★ ★ ★

He said the second floor could partially be used for a five or six doctor clinic. He said the city has no clinic now.

"The doctors," Hull said, "would only be a short drive from the hospitals in the area."

★ ★ ★

"The building has been constructed so that we can add another 8,000 square feet. When we constructed the building we laid a concrete deck on the roof that will be used for the floor once we build the second story."

NO NAME YET

The shopping center on the site of the Spillwood Recreation Bowling Alley that was gutted by fire in 1956, has no name yet, but Hull said it would probably be the Keego Building or the Keego Center.

★ ★ ★

"For years," Hull said, "the merchants of Keego Harbor have needed a new, modern building to entice buyers to their stores. I think this will be a partial answer."

According to Acting Manager of Keego Harbor Mrs. Eileen B. Van Horn, the shopping center is the first commercial building constructed in the city for 10 years.

★ ★ ★

"This new building, which we are all proud of, should be a shot in the arm for other merchants in the city.

"It should get businesses that are having a rough time started t think of future plans that would give them a lift."

Michael Savino Is Wed to Susan Aemisegger

AVON TOWNSHIP—Susan Aemisegger and Michael Savino were wed in a double-ring ceremony Saturday in St. Andrew's Catholic Church, Rochester.

The bride is the daughter of Mr. and Mrs. Conrad Aemisegger of 435 Hillview Lane. Parents of the bridegroom are Mr. and Mrs. Michael Savino of 1243 Christian Hills Rd.

For her wedding, the bride chose a gown of delustered satin featuring a sweetheart neckline and a gathered skirt. Her veil was secured to a crown of seed lace and she carried an orchid set in stephanotis.

Attending the bride as maid of honor was Sue Lapshan of Harper Woods. Bridesmaids were Ardith Patterson, Barbara Stemmer and Kathy Gargett, all of Rochester.

MRS. MICHAEL SAVINO

★ ★ ★

Fred Costa of Birmingham was best man. Ushers were John Cadieux of Rochester, Ralph Costa of Birmingham and Larry Bruzzese of Grosse Pointe.

Following the ceremony, a reception was held in the American Legion Hall at Auburn Heights.

The newlyweds are on a honeymoon trip to Niagara Falls.

WSCS Will Hear Panel on Church Social Needs

ROCHESTER — The Women's Society of Christian Service of St. Paul Methodist Church will hear a panel discussion on "The Social Creeds of the Methodist Church" at its meeting Wednesday at the church.

★ ★ ★

Coffee will be served in Friendship Hall at 9 a.m. by Margaret Johnson Circle. The program will start at 9:30 a.m. in the sanctuary. The nursery will be open.

Couple Residing at Fort Dix After Clarkston Rite

CLARKSTON — Now residing in Fort Dix, N.J., following their honeymoon in Northern Michigan are newlyweds Mr. and Mrs. William J. Wilds.

★ ★ ★

The former Barbara Lee Sexton, the bride, is the daughter of Mr. and Mrs. John H. Sexton of 9725 Ellis Rd. The bridegroom is the son of Mrs. Ruthmary Wilds of 8795 Andersonville Rd.

The ceremony was performed in the Church of God at Rochester by the bride's uncle, the Rev. Glen O. Sexton.

The bride wore a ballerina-length gown with a white satin jacket, fingertip veil and a pearl necklace, gift of the bridegroom. She carried a bouquet of white rosebuds and carnations.

★ ★ ★

Mrs. Fred Fuller was matron of honor and Kent See of Clarkston best man.

Seating the guests were the bride's brother Bill and Fred Fuller, both of Clarkston.

A reception was held in the church.

Oxford's Lions Celebrate Navy Concert Success

OXFORD—The local Lions Club staged a banquet Saturday night at the new high school to celebrate success of the recent U.S. Navy band concert it sponsored in Oxford.

★ ★ ★

All those who worked on the project and their wives were invited to attend.

Donald Awrey, club secretary, reported a net profit of $2,443.23 had been realized from the concert.

High point of the evening came when Chief Petty Officer John Korak of the U.S. Navy Recruiting Station, Pontiac, presented a framed certificate of appreciation to Lions Club President Herman Whitstock.

★ ★ ★

Guest entertainer was tenor soloist William D. Barry of Lake Orion. He was accompanied by Mrs. Dorothy Jean Valentine, vocal music teacher in the Oxford Area Community schools.

Construction Is Started

MARION (AP) — Work has started on a 20,000-square foot addition at the Riverside Electrical Manufacturing Co. plant in Marion. It is designed to double the size of the factory and add up to 75 employes to the work force which totaled 254 last month. The firm produces materials for appliance and auto industries.

Shelby Twp. Has Busy Day in Court

Gravel Dispute, Firemen Jobs on Docket

SHELBY TOWNSHIP — Officials of Shelby Township were haled into Macomb County Circuit Court in two separate actions Friday, one of which was postponed for a week and the other scheduled for a full hearing on Thursday.

The hearing to show cause why an injuction should not be issued to keep the township from interferring with removal of sand and gravel from an 80-acre site on 25-Mile road was adjourned until Friday.

Reason given for the postponment was a crowded court docket.

The other action in which nine township firemen are seeking return of their lost jobs and restoration of their pay which was cut last May will go to trial Thursday.

Circuit Judge James E. Spier ruled that no writ of mandamus ordering the Township Board to restore the nine to their previous job status will be issued until all the facts are presented.

★ ★ ★

The firemen's petitions claim that the Board violated the State Civil Service Act by unlawfully suspending them or reducing their salaries without the required notification.

In the gravel pit suit, the four operators are asking for an injunction against Township Supervisor Steve Skula, Justice of the Peace Joseph Plutter and Police Chief Robert Smith to "restrain them from interfering from the firm's operations."

The four operators say they are removing the sand and gravel in preparation for creating an artificial lake in the middle of the property. Then they plan to plat the tract for residential home construction, they said.

HAVE SAND CONTRACT

The operators have two subcontracts with the U.S. District Corps of Engineers to provide sand and gravel for construction work at Selfridge Air Force Base. The contracts total about one half million dollars.

Since gravel operation started last month, the Shelby Police Chief has issued six tickets to truck drivers at the site for violating the township zoning ordinance.

The property in question presently is classified as a residential and agricultural zone.

Spier has directed that the Justice Court appearance of the drivers be adjourned until the show cause issue is heard.

★ ★ ★

In the meantime, Supervisor Skula has recommended that a five-man police and fire administrative board be created. Action on his proposal is expected at the Township Board meeting Nov. 2.

The idea behind the new board, Skula said, is to remove the governing of the police and fire departments from the realm of politics as a number of citizens have charged, and to allow an unbiased group to handle the budget, hours and other matters of importance to the operation of the two departments.

The new board then will make recommendations for action to the Township Board which it deems necessary for the proper functioning of the two emergency units.

3 Going to Europe to Find Why

Farm Exports Off 14 Pct.

From Our News Wires

WASHINGTON — Exporting of U. S. farm products dropped 14 per cent last year and Congress is sending a team to Europe to find out why.

The House Agriculture Committee will conduct an on-the-spot study of why Western Europe has cut imports of U. S. farm products while buying more from Soviet bloc countries.

The study will be undertaken by a three-man team consisting of Rep. Carl Albert (D-Okla), Dr. Walter W. Wilcox, senior agriculture economist of the Library of Congress, and committee counsel John J. Heinburger.

The three will visit Britain, West Germany, The Netherlands, Italy and Belgium and attend the conference of United Nations' food and agriculture organization at Rome Nov. 2-5.

U. S. agriculture exports last year dropped 14 per cent, or $653,000,000 below the 1957 level. At the same time, the five countries to be visited increased their farm imports from Communist countries and signed or extended trading agreements with the Soviet bloc calling for importation of farm products.

Meanwhile, Rep. Victor L. Anfuso (D-NY) urged the Agriculture Department to approve a barter deal which he said would displace Soviet wheat sales to Britain.

Under the proposal, government-owned surplus wheat would be exchanged for bauxite through a private U. S. trader. The soft "filler" wheat would be sold to a British importer.

Department officials said they still had the proposed barter under consideration. They said they had no assurance it would actually push Soviet wheat off the British market and there were indications that top officials would not favor the transaction.

Add to Hospital

FRANKFORT (AP) — Construction of a $79,000 addition to Paul Oliver Memorial Hospital is under way at Frankfort. Besides providing extra first floor office space and waiting room, it expands pediatrics and adult wards, includes a new solarium and a nursery.

Pontiac Press Photo

LAUNCH PTA PROJECT — The North Hill Elementary School PTA of Rochester is selling T-shirts, sweatshirts and headscarfs with the school name on them as its major money-raising project this year. Sale cochairman is Mrs. Warren Smith shown here with a group of pupils serving as models. They are, from left Janis Good, 8; Jeff Nowels, 9; Lois Mihalik, 6; and Mike Kreutziger, 11.

PATRICIA SUE SMITH

Mr. and Mrs. Clare M. Smith of 154 Highland Ave., Rochester, announce the engagement of their daughter, Patricia Sue, Smith, to Bennie Murphy. He is the son of Mr. and Mrs. Morris Murphy of Orchard View road, Avon Township.

No wedding date has been set.

SUE CLARK

The engagement of their daughter Sue to Stan Bloomberg is announced by Mr. and Mrs. Jack Clark of 1378 Grace St., Auburn Heights. Parents of the fiance are Mr. and Mrs. Olaf Blumberg of 2767 Grant St., Auburn Heights. No wedding date has been decided yet.

NANCY LYNNE COLE

An April wedding is planned by Nancy Lynne Cole and Milton J. Strong. Their engagement is announced by her parents, Mr. and Mrs. D. A. Cole of Flint. He is the son of Mr. and Mrs. Milton L. Strong og 3537 Orchard Lake Rd., Orchard Lake.

Joe Myers Takes Top Honors; Bob Gormong Actual Invitational Champ

Fifteen-Year-Old Captures Press Bowlerama

Mrs. Szot Easy Women's Victor in Final Round

Large Crowd Watches Windup of 3rd Annual Keg Tourney

By CHUCK ABAIR

A 15-year-old Rochester boy and two veteran Pontiac keglers are the proud champions of the 1959 Pontiac Press Bowlerama.

Young Joe Myers won the men's handicap crown. Bob Gormong took top honors in the Pontiac invitational actual part of the tournament and Mrs. Marvel Szot breezed to the women's handicap title in yesterday's final round at the new Huron Bowl.

A jam-packed crowd was on hand to see Myers, a sophomore at St. Michael High School, become the 2nd teen-ager to steal the show in the men's division in the 3rd such tourney held by The Press. Joe Tinson, Pontiac Central, won in 1957.

Admitting he was plenty "jittery" competing against such stars as Monroe Moore, Jim Kirkpatrick, Skee Neal and many others, Myers fired games of 201 and 212 before falling off to 171. The 584 total gave him 678 with his 94 handicap. He won $500 and a big clock-trophy.

★ ★ ★

Gormong warmed up with a 185 and then really burned up the alleys with 230 and then 236. His reward was a handsome trophy.

Mrs. Szot had little trouble gaining a $300 check and clock-trophy reserved for the top lady. She bowled 583 combined with an 89 "spot" for a 672 which made her 2nd only to Myers in the entire handicap event.

Second and 4th place in men's handicap also went to Rochester entries. Irv Gray fired the day's best game of 257 to bowl 624 and total 666 for runner up honors earning him $250 and a trophy. Mike Dzuris, a 15-year-old buddy of Myers, was 4th at 659 and won a high qualifier trophy. R. Thompson of Pontiac took 3rd with 662 for $125.

★ ★ ★

Little Marbara Childress of Drayton Plains ranked a distant No. 2 among the women with 618 on a 491 actual. She won $150 and a trophy. Jean Preston, also of Drayton, took 3rd with 602 for $100. Carolyn Newcomb, daughter of Lakewood Lanes' proprietor Bill Kuklinski, ranged 4th with 599 to take home $50.

Jay Lovett finished far down the list in the regular part of the tourney but was red hot in the "prestige" portion. The popular 700 Club member led Gormong by three pins going into the last game and finished strong with 217 but big Bob's 236 was too much.

Despite those impressive scores by Gormong and Lovett, they trailed Mike Figa, National All-Star finalist "Mo" Moore and Charles Palaian going into the last game. Figa had been 1st featuring a 247 game — tops in the actual contest.

★ ★ ★

Out of the top two places for the initial time in three attempts was tiny Pat Donner of Drayton. She had won a total of $375 and two big trophies as a runnerup and champion in the other two meets.

Another $12.50 and a high qualifier trophy was added yesterday.

An interested spectator was Mrs. Donner's bowling partner, Donna Verhey. She had been the 1st women's victor and 2nd in 1958. But this year a bad game in the qualifying round eliminated her.

Also taking a big drop on the prize list was Pontiac's Dick Cork. The Montalm Center kegler dipped from $475 as the king a year ago to $7.50 as an also-ran. Tinson finished out of the money by failing to survive the qualifying round.

Pontiac Press Photo

BEST OF BOWLERAMA — A teenager and two keg veterans took the top honors in the 3rd annual Pontiac Press Bowlerama finals yesterday at Huron Bowl. Joe Myers, 15, center, won the handicap tourney with 678 to take home a $500 check and big clock-trophy. Bob Gormong, right, won the actual invitational contest with 651. Jay Lovett was runnerup to Gormong.

Bowlerama Scores

The prize list:

MEN

$500 and Trophy
Joe Meyers (94) ..... 201-212-171—678

$250 and Trophy
Irv Gray (42) ..... 181-186-257—666

$125
R. Thompson (140) ..... 178-176-168—662

$75
Mike Dzuris (96) ..... 184-207-172—659

$50
Les Samuels (98) ..... 173-202-181—654

$37.50
Dave Mackley (98) ..... 200-152-199—649

$25
Ed Oldenkamp (58) ..... 172-165-249—644

$17.50
Howard Weedon (54) ..... 205-180-197—636

TOP WOMEN — Marvel Szot, left, and Barbara Childress dominated the women's division of the Bowlerama finals yesterday. Mrs. Szot finished far ahead of the pack at 672 to win $300 and a big clock-trophy. Mrs. Childress earned $150 and a trophy.

Beach Sets Mark

MIAA Stages Showdown

By United Press International

Hope and Hillsdale will carry perfect records into their showdown battle at Holland this weekend.

The Dutchmen kept their perfect record intact with a 20-0 victory over last place Adrian Saturday night and Hillsdale kept pace in the MIAA race with a 28-3 triumph over Alma.

Since every other team in the conference has lost twice, the winner of the Hope-Hillsdale match will clinch at least a share of the conference crown.

Hope grabbed a quick lead on the rain-drenched Adrian field when Paul Mack plunged a yard for a touchdown in the first period. Mack then tossed an 18-yard pass to Jerry Hendrickson to make it 13-0 in the third period. A three-yard smash by Bob Teal on the final play of the game ended the scoring.

★ ★ ★

Alma surprised Hillsdale with an early field goal, but the Dales rebounded for single touchdowns in the second and third periods, and two touchdowns in the final period.

Chuck Redding passed for one Hillsdale touchdown and caught a pass for another. He took a 21-yard pass from Howard Rodgers and then threw 62 yards to Jerry Taylor.

Northern Michigan, beaten only by Hillsdale this season and ranked among the top 20 small college teams in the nation along with Hillsdale, got a scare from Wayne State.

The Tartars scored twice in the opening period but Northern Michigan held after that and emerged with a 20-13 decision.

Walt Beach broke Jim Podoley's all-time central Michigan rushing record as the Chippewas coasted to a 29-7 victory over northern Illinois.

Beach broke loose for one 70-yard touchdown jaunt and finished the game with a rushing total of 2,779 yards for his career — four yards more than Podoley managed at Central Michigan.

★ ★ ★

In other small college games Saturday, Kalamazoo stopped Ferris, 13-7; Western Michigan downed Toledo, 24-14; Albion halted Olivet, 33-20, and Eastern Illinois routed Eastern Michigan, 32-6.

Michigan Tech defeated Northern State, 31-13, yesterday at Houghton. The game had been scheduled Saturday night but was postponed because of driving rain and snow.

New Jersey Lawyer Wins Seniors Crown

PINEHURST, N.C. (AP)—A 56-year-old Plainfield, N.J., attorney is the new champion of the North and South seniors golf tournament.

★ ★ ★

Walter Pease captured the week-long match play tournament here Saturday with a 4 and 3 victory over Paul Dunke, 65, of Hackensack, N.J. The two friends of 20 years never had faced each other in a tournament before.

★ ★ ★

Pease, who won the title in his second year of trying, captured four of the final six holes to win.

Dearborn Lifter Tops

QUEBEC (AP)—Norbert Schemansky of Dearborn, Mich., placed first in the heavyweight division (198¼ pounds up) this weekend in the North American Weightlifting Championships.

His score was a 345-pound press, a Canadian record snatch of 310 pounds counted on the Hoffman point system. He weighed 237 pounds.

Casper Adds to Titles

RIO DE JANEIRO (AP)—Bill Casper, 28, of Apple Valley, Calif. added the Brazilian Open golf title to his U.S. Open Championship Sunday at the Gavea Country Club with a record-breaking performance.

Houston Coach 'Hung' After Fifth Defeat

HOUSTON, Tex. (AP)—University of Houston football cach Hal Lahar was hanged in effigy Sunday night on the school campus.

A six-foot dummy was draped from the top of the student activities building. It was clad in blue jeans and a jersey bearing the coach's name. Houston is 1-5.

Rookie Auto Driver U.S. 100-Mile King

SACRAMENTO, Calif. (AP) — Rookie race driver Jim Hartubise came to Sacramento wondering where he would find the money to pay his babysitter and left with top prize money.

The 20-year-old Lennox, Calif. driver piloted the No. 3 racing associates special from Indianapolis to victory in the 100-mile U. S. Auto Club national championship race at the State Fairgrounds yesterday.

★ ★ ★

The winning car's share of the $17,500 purse was $4,500.

Hurtubise drove the car which carried Johnny Thomson to victory on the same track a year ago. It was only his third start in USAC championship competition and his second finish.

He covered the course in 1:09:-23.57, an average of 85.8 miles an hour.

College Gridder Dies Following Practice Injury

TALLAHASSEE, Fla. (AP)—The remaining games on Florida A&M University's 1959 football schedule will be dedicated to a promising freshman who was injured fatally in practice.

★ ★ ★

Oliver Joyce, 18, of Jacksonville, died yesterday of injuries received in making a tackle last Monday. He was a third string quarterback.

★ ★ ★

Coach Jake Gaither said the knee of the tackled player struck Joyce under the chin and snapped his head back, causing a spinal injury. Joyce had been paralyzed since the accident but was conscious until he died.

SPORTS

Morrall--From Benchwarmer to Hero

Victory Famine Ends for Lions in Los Angeles

Detroit Defense Puts Stopper on Matson in 17-7 Triumph

LOS ANGELES (AP) — Benchwarmer Earl Morrall succeeded where Tobin Rote and coach George Wilson didn't as the Detroit Lions finally ended their long victory famine.

The ex-Michigan State All American, overshadowed so long by Rote, called the key play himself yesterday. It swept aside the bitterness of this season's disappointments and provided the Lions with the impetus to upset the Los Angeles Rams 17-7.

Morrall calmly sent John Henry Johnson charging through the Rams' beefy line in a third down situation when most quarterbacks would have called a pass. Long yardage was needed for a first down at the Rams 41 and the clock was spinning toward halftime.

Johnson, a disappointment all season, put his head down and slashed through the surprised Ram middle. The churning fullback didn't stop until he was knocked out of bounds on the LA two. Ken Webb smashed into the Rams' end zone two plays later and the Lions went ahead 10-7.

★ ★ ★

"We just out-hustled them," said Wilson, beaming after the Lions' six-game losing streak — four this season — had been stopped.

Wilson had stopped sending in plays from the sidelines just before Morrall made his daring call.

The Lions scored an insurance touchdown after another old Spartan Billy Lowe intercepted a Billy Wade pass in the fourth quarter. Danny Lewis scored this one on a five-yard burst.

Morrall went all the way while Rote nursed his fractured finger on the bench. He completed seven of 18 passes and had only one intercepted.

★ ★ ★

But he had protection the offensive line hadn't given Rote while the Lions were losing their first four games.

And Detroit's defensive unit sparkled against the Los Angeles running game. Ollie Matson, Tom Wilson and Jon Arnett—all feared speedsters — had tough going through the Detroit forward wall that was so porous only a week before. The defense stacked up the Rams once in the third period at the Detroit goal line and protected a 10-7 Lion lead.

For once the Lions had good fortune and they made the most of it. They pounced on two Ram fumbles and intercepted three of Wade's aerials. A 101-yard kickoff return by Arnett was nullified by a penalty after Jim Martin's 37-yard field goal had put Detroit ahead 3-0 in the second period.

The penalty pushed the Rams all the way back to their 11. It took them 10 plays to score from there with Matson going the last yard. But that was LA's only successful offensive gesture of the game.

Both Detroit touchdowns came soon after the Rams had given away the ball. Bob Long covered a Ram fumble and the Lions converted it into their first touchdown.

Lowe's first of two interceptions cut off an LA drive midway through the fourth quarter. He snared the ball after it deflected off Jim Phillips' fingertips and raced back to the LA 26. Lewis scored five plays later.

Morrall set up Martin's field goal early in the second quarter. Trapped trying to pass, he raced 22 yards through the scattered Ram secondary.

The long-awaited victory was a repetition of history for the Lions. Last year too they went out to the Pacific Coast with a poor record — 1-2-1 — and upended the heavily favored Rams.

LOS ANGELES (AP)—Statistics of Sunday's Detroit-Los Angeles football game:

	LIONS	RAMS
First downs	18	23
Rushing yardage	172	126
Passing yardage	87	219
Passes	7-18	20-31
Passes intercepted by	3	1
Punts	4-47	3-43
Fumbles lost	1	2
Yards penalized	35	50
Detroit	0 10 0 7—17	
Los Angeles	0 7 0 0—7	

DETROIT: TD, Webb (1 run), Lewis (5 run). FG, Martin (37). PAT, Perry 2.
Los Angeles: TD, Matson (1 run). PAT, Morris.

WEBB ROLLS FOR TD—Halfback Ken Webb (34) of the Detroit Lions rolls off the mass of players at the line to score in the second period against the Rams in Los Angeles. The Lions in the picture are Charlie Ane (50) and Lou Creekmur (76) who came out of retirement just last week. The Lions won, 17-7.

Giants Knock Off Steelers, 21-16

49ers Give Bears the 'Alley Oop'

By The Associated Press

With sharpshooting Y. A. Tittle doing the bulk of the prospecting, the San Francisco 49ers are digging hard for gold and glory in the National Football League.

★ ★ ★

Tittle, alias "bald eagle," is the brains of the outfit—the guy who maps strategy for sorties into enemy territory. And his accurate firing is the main reason the surprising San Francisco crew is tied for the lead in the Western Division.

The 32-year-old quarterback engineered the 49ers victory yesterday, throwing a 46-yard "Alley Oop" pass to R. C. Owens with 61 seconds left in the game for the touchdown that beat Chicago's Bears 20-17. The victory gave San Francisco a 4-1 record.

The defending champion Baltimore Colts kept pace with the 49ers as Johnny Unitas threw three touchdown passes in a 38-21 triumph over Green Bay.

In the eastern division, the New York Giants retained first place with a 4-1 mark by knocking off Pittsburgh's Steelers 21-16.

In other games, Milt Plum passed for four tds as Cleveland mauled Washington 34-7 and Philadelphia edged Chicago's Cardinals 28-24 in a game played at Minneapolis.

The 49ers, playing their first season under coach Howard (Red) Hickey, virtually eliminated the highly rated Bears from title contention with a 1-4 record when Tittle looed his "alley oop" pass to the 6-foot-3 Owens.

The tightly fought battle went down to the last four minutes with the score tied 10-all. Tommy Davis' field goal with 3:09 left gave the 49ers a brief lead. A 30-yard scoring aerial from Ed Brown to Jim Dooley put the Bears ahead 17-13 with 1:54 to go. Tittle struck back, passes of 18 and 16 yards to Len Lyles and Billy Wilson found their mark. Then the 10-year pro veteran arched one to Owens.

A ball-hawking defense was highly responsible for the Colts victory over the Packers, who now have lost two straight after winning their first three games. Linebacker Bill Pellington's 30-yard run with an interception accounted for one td. Two others were set up by a 25-yard punt return by Johnny Sample and Ray Brown's 44-yard scamper with another interception.

The Giants scored on their first two offensive plays, Charlie Conerly pitching strikes of 77 and 28 yards to Frank Gifford on successive plays within 41 seconds. But Sam Huff's five-yard dash to pay dirt with a recovered fumble in the fourth quarter turned out to be the clincher for New York, which staved off a Steeler last-minute threat on the 6. Pittsburgh now has a 2-3 record.

Plum completed 13 of 18 tosses for 253 yards and equalled his entire td output for the Browns (3-2) first four games. He passed 76 and 15 yards to Bobby Mitchell for touchdowns and hit Preston Carpenter and Ed Modzelewski with 12 and 10-yarders for scores. Jimmy Brown chipped in with 122 yards rushing and scored once against the Redskins (2-3), who played without regular quarterback Eddie LeBaron.

★ ★ ★

Trailing 24-0, the Eagles (3-2) overtook the Cards (1-4) when quarterback Norm Van Brocklin began to find the range. He pitched 29 and 22 yards to Tommy McDonald for TDS, the last one with three minutes left putting Philadelphia in front. The Cards, now deep in the Eastern cellar, played without either the injured King Hill or M. C. Reynolds, their first-line quarterbacks.

PITTSBURGH (AP)—Statistics of Sunday's Pittsburgh-New York football game:

	STEELERS	GIANTS

SAN FRANCISCO—Add Bears-49ers

Chicago Bears	3	0	7	7	—17
San Francisco	0	7	3	10	—20

Chicago: TD, Galimore (34 pass from Brown), Dooley (36 pass from Brown). PAT, Aveni 2. FG, Aveni (27).
San Francisco: TD, Lyles (13 run), Owens (46 pass from Tittle). PAT, Davis 2. FG, Davis 2 (16, 31).

All-Star Pin Points

PERFECTLY CLEAR — Pindicator shows Lee Jouglard what pins are standing, where to hit for space and ball he's rolling.

NEW DEVICES HELP SCORES
By LEE JOUGLARD

The host of new electronic devices aid in boosting scores.

Chief among the new devices is the automatic pinspotter which sets pins and returns the ball in an unvarying cycle. It helps the bowler to develop timing and coordination and to set up an easy, free-swinging return.

The pinspotter works hand in hand with the pindicator, a unique signaling device which reports to the bowler first and second ball and identifies standing pins by their position and number. Since it never fails to report sleeper pins, it has become a big boon to the scorekeeper.

Another new innovation is the underlane ball return, which completely eliminates delay and distraction caused by more conventional ball return methods.

Then there is the automatic foul detector which wipes out all human error in that department.

Aero Club Schedules 2nd Football Fly-In

The National Aero Club's second annual Football Fly-in has been set for the Michigan-Wisconsin football game at Ann Arbor Oct. 31.

Planning is being handled by a special committee which includes Mead Myers of John C. Meyers & sons, Pontiac insurance adjusting firm, and Robert Greenhalgh of Northern Flying Service, Pontiac Municipal Airport.

Inspired Mikes Batter St. Fred, 54-7

THAT'S FAR ENOUGH — Quarterback Jim Kennedy (85) of St. Frederick went no further in this bit of action in Sunday's parochial football battle at Wisner Stadium. Putting the squeeze on Kennedy are St. Michael quarterback Tom Dabbs (back to camera) and tackle Tom Lauinger. The Mikes crushed St. Fred, 54-7.

Pontiac Press Photo

It's a Breeze for Shamrocks Over City Foe

St. Mike Rolls to 8 Touchdowns in Battle at Wisner Stadium

By BILL CORNWELL

It was Homecoming for St. Frederick yesterday at Wisner Stadium, but inspired St. Michael did all the celebrating.

Putting on an awesome display of precision and power, coach Jim Niebauer's St. Mike squad did everything except chase the Rams off the Wisner turf in the renewal of their bitter crosstown rivalry.

The Shamrocks rolled at will through, around, under and over a completely outclassed St. Fred team and piled up an unbelievable total of eight touchdowns for an overwhelming 54-7 triumph.

Halfback Mike Granje scored three touchdowns, highlighted by a 64-yard run, and quarterback Tom Dabbs tallied twice and passed to end Larry Harbert for another TD to pace the offensive barrage.

★ ★ ★

Fullback Bill Flanigan and halfback Pat Campbell accounted for St. Mike's other TDs and the Shamrock attack compiled an astounding 476 net yards, featuring 365 on the ground, behind the brilliant field generalship of Dabbs.

It was little or no consolation for the Rams that they finally broke into the scoring column in the waning minutes of the contest on halfback Norman Hoffman's 43-yard run after St. Mike's lead had ballooned to 54-0.

The Mikes scored two touchdowns in each quarter and halfback Dave Baumgartner placekicked perfect extra points after the first six TDs.

★ ★ ★

It was the most lopsided victory margin for either school in the history of the series and the greatest number of points ever tallied by the winner.

This game was every bit as lopsided as the final score would indicate. It was won up front where St. Mike's superior line play rocked the Rams back on their heels from start to finish.

The Shamrock forward wall paved a steady path for the onrushing ball carriers by outcharging the St. Fred linemen—shoving them aside, pushing them back and knocking them down.

★ ★ ★

Here is a brief summary, in order, of St. Mike's touchdown barrage:

1—The Mikes received the opening kickoff and drove 67 yards in 17 plays with Dabbs scooting across from the seven-yard stripe.

2—They gained possession of the ball on downs on their own 36-yard line and Ganje streaked 64 yards for a TD on the very first play from scrimmage.

3—A fumble recovery on the Ram 35 set it up and the Mikes hit pay dirt in four plays with Ganje scampering 16 yards for the counter.

★ ★ ★

4—Mike Keesling intercepted Jim Kennedy's pass and the Mikes went 42 yards in seven plays with Flanigan bulling over from one yard away.

5—The Mikes took control following a punt and marched 54 yards in 11 plays with Pat Campbell knifing across from the one.

6—Tom Lauinger recovered a fumble on the Ram 33 and the Shamrocks tallied in six plays with Ganje running four yards for the TD.

★ ★ ★

7—The Mikes got the pigskin following a punt and rushed 45 yards in four plays with Dabbs sneaking over from the one.

8—They drove 78 yards in nine plays with Dabbs passing to Harbert in the end zone for the six points.

There were about 2½ minutes left to play when the badly outplayed and thoroughly crushed Rams dented the scoreboard on Hoffman's end sweep. Hoffman ran around the right side for the conversion.

★ ★ ★

It was a miserable day for Kennedy, the talented St. Fred quarterback. "Jumbo" was so hounded by the Shamrock forwards that he completed only three of 12 passes for a skimpy 10 yards and had two intercepted.

★ ★ ★

Boys like Kennedy, Chuck Guibord and Hoffman gave their all for coach Tom Kennedy's Rams, but on this particular Sunday afternoon there was absolutely nothing they could do.

Pontiac Press Photo

WHOOPING IT UP! — Happy St. Michael football players surround Miss Rose Griffin on the Wisner Stadium turf and let out with victory yells after Sunday's 54-7 rout of arch rival St. Frederick. Coach Jim Niebauer is at the extreme right while Fr. Francis O'Donnell, athletic director, kneels next to Miss Griffin. Also in the picture is the Steve Griffin Memorial Trophy, which went back to St. Mike yesterday after spending one year on the south side of town.

Pontiac Press Photo

Crisler Decides Against Pro Offer

ANN ARBOR (AP)—Balking owners convinced Fritz Crisler he should turn down the American Football league's lush offer to becmoe its commissioner, league sources said today.

Crisler made up his mind yesterday not to accept the offer and decided to remain as Michigan's athletic director.

He said he asked Lamar Hunt, organizer of the new loop and owner of the Dallas franchise, to withdraw his name from consideration.

Last week Crisler was reported ready to sever his relationship of more than 40 years with college sports and join the fledgling pro league.

Crisler did not disclose his reasons for spurning the league's overtures. But it is known it was his if he wanted it and Michigan already had been looking for a successor.

He was in Boston today for NCAA meetings.

Crisler had been offered a five-year contract at $60,000 a year plus an attractive nisurance policy paid for by the AFL and other fringe benefits, league sources said.

But one source said he wanted $300,000 placed in escrow to cover his salary for five years and the owners didn't care to meet Crisler's demands. It was believed the refusal of the league to guarantee that Crisler would receive the full $300,000 prompted his decision to stay at Michigan.

Hunt said in Dallas last night Crisler was just one of several under consideration.

"He had not been offered the job and reports of a $60,000 annual salary and his request for $300,000 in escrow are most inaccurate," Hunt said.

Crisler, who is 60 and has been Michigan's athletic director for 21 years, met at least three times with Hunt and his associates. One meeting was on the west coast two weeks ago. Since then there were repeated reports that Crisler was on the brink of accepting the job.

The league, which has six member cities, plans to start operations next season. It hopes to expand to eight clubs before the first game.

Crisler came to Michigan as football coach in 1938. He became athletic director, succeeding Fielding H. Yost in 1941 and serve in a dual capacity through the 1947 season. His 1947 team was unbeaten, won the Big Ten championship and the 1948 Rose Bowl.

As athletic director Crisler was one of the most powerful men in the structure of collegiate football. He pioneered many innovation, the latest being the two-point conversion rule in 1958. He was a longtime chairman of the NCAA football rules committee.

Worsley Lifts Ranger Hopes

Red-Hot Performance by Goalie Brightens New York Picture

By United Press International

Take it from the New York Rangers — there's nothing like a red-hot performance by a goalie to make everything look bright again.

New York recovered from somewhat shaky start over the weekend with the help of a steady performance by controversial Lorne Worsley of the Rangers.

Worsley, who allowed 30 goals in seven games, yielded only two in the two games over the weekend. The results were a tie and a win for the Rangers.

Worsley, the little goalie who always seems to be on the spot when things aren't going right for the Rangers, made 27 saves Sunday night in a 3-1 victory over the Chicago Black Hawks. Worsley, started the weekend in jeopardy of losing his job, also played a fine game Saturday night in a 1-1 tie with the Toronto Maple Leafs.

Dean Prentice, Red Sullivan and Eddie Shack scored for the Rangers before Bobby Hull tallied for the Black Hawks at 7:15 of the final period.

Youthful Coach Dies

NORTHFIELD, Minn. (AP) — Warren Benson, head football coach and athletic director at Carlton College, died of a heart attack at his home Sunday. He was 35.

Benson played one year of professional football with the Baltimore Colts.

Mike-Fred Summary

Canadiens Stop Detroit Winning Streak, 2-1

First Loss for Red Wings

DETROIT (AP)—It took the world champion Montreal Canadiens' best effort to put the first hole in the Detroit Red Wings' victory bubble.

The Canadiens, who haven't lost on Detroit ice since March 23, 1958, edged the Wings at Olympic Stadium last night, 2-1, on a late power goal by Bernie (Boom Boom) Geoffrion.

The defeat was Detroit's first in several starts and dropped the Wings to second place, two points behind Montreal.

The last time the Wings got off to such a good start, it was the Canadiens who put the skids to the string. Detroit raced undefeated through its first seven games in the 1956-57 season, recording five victories and two ties. Montreal ended that streak at seven games with a one-goal victory, 4-3.

★ ★ ★

Geoffrion became the game's hero after blowing wide open scoring opportunities earlier in the contest. He missed an open net on a full length breakaway with 2:30 to play. Earlier he took a goal mouth pass from Rocket Richard and couldn't lift the puck over goalie Terry Sawchuck. In the first period, Geoffrion banged a hard shot from 20 feet but missed the net that was left partially unguarded when Sawchuck fell to the ice.

★ ★ ★

The Canadiens accomplished the usual feat of scoring while one of their own men was in the penalty box. Geoffrion was off for slashin—he was miffed after ailing to score on a breakaway — and Detroit had a manpower advantage.

Defenseman Jim Morrison shoved a pass in his own territory and Don Marshall intercepted and barged in easily on Sawchuck for a goal from 10 feet. That goal came after nearly 19 minutes of action.

Morrison himself tied it early in the final period with a 55-foot screen shot that zoomed past goalie Jacques Plante just inside the left goalpost.

★ ★ ★

The Canadiens twice had a one-man advantage after Morrison's goal. Warren Godfrey went off for crosschecking at 14:07 of the final period, but the Wings killed off his penalty.

★ ★ ★

Red Kelly was waived off for holding at 17:58 and just 44 seconds later Geoffrion took a pass from Henri (Pocket Rocket) Richard and whizzed home a 60-foot screen shot that dealt the Detroiters their first loss of the young season.

Twyman, Royals Hot; 43 For Wilt

By THE ASSOCIATED PRESS

The Cincinnati Royals are essentially the same club that played door-mat in the National Basketball Assn. last season. That the Royals now happen to be leading the NBA's Western division in the early going is probably due to the fact that Jack Twyman is a year older and a year classier.

The former University of Cincinnati ace, gradually developing into one of the pro basketball greats, has scored at a 38-point pace—and a steady one—while leading the Royals to two victories in three games.

Estimates that scoring champ Bob Pettit of St. Louis has his biggest worry from Philadelphia Warriors' Rookie Wilt (The Stilt) Chamberlain might prove to be a little hasty.

★ ★ ★

In Cincinnati's three games, Twyman has scored successively 38, 39 and 37 points—nailing 37 Sunday afternoon as the Royals nipped Minneapolis 103-102. Twyman's steal and last minute fielder broke a 101-all tie and was the winner. The Lakers' Bob Leonard had two free throws with two seconds left. He sank the first but missed the one that would have tied the score.

Twyman overshadowed the Lakers' Elgin Baylor, who added 30 points for a three-game total of 105 and a 35-point average.

★ ★ ★

Twyman's 39 came Saturday in the Royals' 108-103 victory over Detroit. The Saturday program also brought Chamberlain's debut, and it was as expected—he scored 43 points, grabbed 28 rebounds and blocked a half dozen shots as the Warriors whipped New York 118-109. Boston won its second straight, coming off a 10-point halftime deficit to down Syracuse 121-109 and Minneapolis, with Baylor scoring 23, beat St. Louis 94-87 in other Saturday games. Pettit scored 33.

Top 'A' Rated Bay City Rolls

By The Associated Press

Bay City Central keeps gaining momentum with finely balanced air and ground muscle.

The Wolves, unbeaten in 18 games, tightened their claim Sat. urday on a second straight class A high school football crown.

But undefeated Grand Rapids Catholic and Muskegon Catholic kept pace with the defending champions.

All three were winners Saturday night. First-ranked Bay City (6-0) jumped the biggest hurdle with a 13-0 victory over eighth-ranked Midland. Bob Crampton passed four yards to Larry Piotrowski and Bob Auman raced 16 yards for the Wolves touchdowns.

Grand Rapids Catholic (6-0), No. 2 among the class A juggernauts, downed Grand Rapids Creston 26-13. Muskegon Catholic (5-0), third ranked, rolled over Riley of South Bend, Ind., 27-0.

Pro Referee Gets Silenced

SAN FRANCISCO (AP)—If you think the bruisers in the National Football League don't hit hard, check with Referee John Pace.

★ ★ ★

Pace was knocked right on his whistle during the opening kickoff play yesterday of the Chicago Bears-San Francisco 49ers game.

49er halfback Abe Woodson, trying to evade four Bears, ran around Pace and then a couple of the Bears hit the referee.

★ ★ ★

It took five minutes to revive Pace but he stayed on the job.

How did it feel?

With a smile—and a shudder—he replied:

"Don't ask."

U-D Is Back at .500 Mark

TULSA, Okla. (UPI) — What started out like a banner season for University of Detroit has suddenly turned into a fight to stay at the .500 mark.

The Titans dropped a 21-6 decision to Tulsa Saturday with the Oklahomans doing all their scoring in the first half.

Quarterback Jerry Keeling passed for two touchdowns in a three-minute stretch in the opening period and then plunged a yard for the final score in the second period.

Detroit avoided a shutout in the closing minutes of the game when Joe Trapp blocked a punt in the Tulsa end zone and teammate Paul Christ fell on the ball for a touchdown.

The Titans meet highly favored Boston College in Detroit Friday night.

Bishop Passing Wizard in 38-0 Shrine Victory

Royal Oak Shrine is one step away from the West Side parochial football title following Sunday's easy 38-0 victory over Detroit St. Theresa on the Shrine field. Shrine can win the crown outright next Sunday by defeating Wyandotte St. Patrick.

Ron Bishop's pinpoint passing featured Shrine's attack as the Knights stayed unbeaten with a 4-0-1 record for season. Bishop passed for two touchdowns and set up two others with long completions. Dick Whitney paced the scoring with three TDs.

Bishop's TD aerials covered 50 and 28 yards, both to Whitney. Other TDs were a four-yard run by Jim Landry, Whitney's 55-yard punt return, a one-yard plunge by Ed Seymour and a 24-yard pass from Jerry McCullough to Mike Randall. Shrine's two conversions were tallied by Landry and Seymour.

★ ★ ★

In aonther parochial game yesterday, Benedictine handed Farmington Our Lady of Sorrows a 40-0 drubbing on the Detroit school's gridiron.

Did Indiana Score? -- 'No' Says Duffy, 'Yes' Says Dickens

Sturdy Defense Stops Hoosiers Short of Goal

Ex-East Detroit Star Gary Ballman Shines in 14-6 Win

EAST LANSING (AP) — "The ball wasn't over. It was a yard short of the goal," Duffy Daugherty declared flatly.

Coach Duffy and Michigan State homecoming fans were still talking today about the stalwart Spartan defense that saved the 14-6 victory over Indiana.

★ ★ ★

Hoosier coach Phil Dickens had said he thought fullback Don Cromer pushed over on the second of four goalward tries starting from the four-yard line. A touchdown and a two-pointer would have made it a 14-all deadlock.

But State's defensive line, led by 227-pound center Larry Cundiff of Honululu, duplicated the horation at the bridge bit shown a week previous against Notre Dame.

MSU fans will remember the Irish went down to the two but also couldn't penetrate the Michigan State goal in four tries.

★ ★ ★

Sophomore halfback Gary Ballman of East Detroit was the scoring hero for Michigan State. Ballman, playing with a broken finger in a cast, proved himself as much a Spartan as the Greek boy who let a fox gnaw at his vitals without whimpering.

Ballman scored on a 20-yard pass play late in the second quarter, hauling down a throw from Dean Look on the five and dodging the last Indiana tackler to go over.

He bolted 25 yards through left guard for the other score in the third period.

★ ★ ★

All the action came after a slow start. Michigan State couldn't make a first down in the first quarter and missed two field goal attempts before the intermission — one by Art Brandstatter and the other by Bob Suci. Brandstatter hit both his extra point tries, however.

Ballman led the rushers with his 71 yards. Herb Adderley, his running mate at left half, was credited with only 17 yards but was much more valuable than the figure would indicate.

★ ★ ★

Indiana Coach Will Complain to Conference

BLOOMINGTON, Ind. (AP) — Coach Phil Dickens of Indiana says game movies showed his Hoosiers scored a touchdown that was not allowed in their 14-6 defeat at Michigan State Saturday.

Dickens said last night he had some other undisclosed complaints about the officiating that he will refer to the Big Ten office.

He asserted Indiana crossed the goal line at least twice on four plunges from the four-yard line in the colsing minutes of the game. A touchdown would have given it a chance to tie the score with a two-point conversion.

"Don Cromer, our fullback, was lying in the end zone when he got up and handed the football to the official," Dickens said. "We thought that was the cause and said so after the game, and the movies bear us out. Even from the camera angle, it's obvious that we scored."

Warmath 'Hung' After Jug Battle

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

ANN ARBOR (AP) — Michigan's Little Brown Jug football achievement over punchless Minnesota may become increasingly important as the weeks pass by.

So far, it has accomplished two things: kept the coveted "jug" in Michigan for another year, and got Minnesota coach Murray Warmath hanged in effigy.

It didn't take much to get the anti-Warmath sentiment snowballing, though. But this game, so Minnesota partisans thought, was one game the Gophers could win.

Michigan passed the halfway mark of what long has promised to be an arduous campaign. This is one of those have-not Michigan teams, and the fact that the Wolverines defeated Minnesota does not make them a good football team.

★ ★ ★

Coach Bump Elliott, who analyzed this as a green club that would take plenty of lumps, didn't let the 14-6 triumps get the best of him.

"We have a long wany to go," he said simply. "This was our best game, but we're far from a good football team. We're getting better, little by little. We were stronger on defense, and sharper on offense against Minnesota."

★ ★ ★

Four straight big ten encounters in the next month prevent Elliott from getting too gay over one Big Ten triumph, Michigan's first in the conference since they beat the same Gophers a year ago 20-19. And this was only the second victory in Michigan's last nine starts.

On Saturday, Michigan defeated a lumbering Minnesota team that was 20 pounds per man heavier and a full step per man slower. The Gopher secondary was woefully slow on an 83-yard punt return by Darrell Harper and a 42-yard jaunt by Fred Julian that accounted for both Michigan scores.

Both runs came in the early moments of the third period and they were Michigan's only real signs of life in the second half. The Wolverines collected only three first downs in the second half, and failed to push as far as midfield in the golden anniversary Little Brown Jug classic.

★ ★ ★

Next Saturday, Michigan must face a title-hopeful Wisconsin team. Then there are road games against Illinois and Indiana and Michigan rates no better than a fair-to-middlin' chance of beating either at the moment.

The finale is against Ohio State and the Buckeyes have beaten the Wolverines four times in the last five meetings. They're a sounder team than the 1959 Wolverines, too.

Elliott, with a 2-3 record to date, realizes that the last half of the campaign may be the longer half. That's why the stuff from the little Brown Jug tastes so good at the moment.

AP Wirephoto

HARPER ON TD RUN — Royal Oak's Darrell Harper grabs a Minnesota punt on his own 17 and races all the way for the Michigan touchdown in the battle for the Little Brown Jug, Saturday. The Wolverines beat the Gophers, 14-6.

2 Cranbrook Teams Have 'Zero' Day

It was a "zero" day for Cranbrook Saturday. The Crane football and soccer teams were both shut out by Shady Side Academy of Pittsburgh.

Shady Side quarterback Paul Martha put on a one-man show to beat the Cranes 36-0, while the Pitt booters were scoring a 1-0 triumph.

Martha ran 70 yards and one yard, and passed for two others, one for seven and one for 48, in the rout over Cranbrook.

Shady Side also scored three two-point conversions since the Inter-State League uses the college rules on extra points.

Cranbrook outshot the Pittsburgh booters 19 to 6 but could not hit the net for a point.

OL St. Mary Falls, 27-20

Orchard Lake St. Mary's hope for a share of the Suburban Catholic League title received a setback yesterday as the Eaglets lost a 27-20 decision to Ferndale St. James.

★ ★ ★

The two teams were tied for second place behind Highland Park St. Benedicts, which moved closer to the title by walloping Royal Oak St. Mary, 54-0.

St. James scored the first two touchdowns on passes from Jim Sayres to Neil Kiennan for 7 yards and 43 yards to lead 13-0 midway in the second quarter. Sayres ran the point.

St. Mary came back with Stan Krogulecki passing to Glen Hass for a 51 yard play to make it 13-6 at halftime, and then the Eaglets tied it 13-13 after a 55 yard march with Hass hitting from the one and Krogulecki passing to Ken Kowalski for the PAT.

★ ★ ★

Butch Hanson went 65 yards around right end and Sayres ran the point in the third quarter, and in the 4th period Sayres passed to Kiennan 30 yards to make it 27-13 as Doug Christie added the point.

St. Mary closed the gap in the 4th stanza as Bill Krul went 8 yards and Krogulecki pass to Dan Dushinski for the PAT.

★ ★ ★

Ed Everhart and Dan Donar each scored four touchdowns for St. Benedicts.

Rocky, Johnson Make Big News

Both Start to Trot as Race for Nominations Rounds First Turn

By J. W. DAVIS

WASHINGTON (AP) — The big news in politics last week: Nelson A. Rockefeller stuck a foot in the door for the Republican Midwest, and Lyndon B. Johnson began to look like a real presidential contender.

Johnson's all-but-official entry into the Democratic race won, among other things, some warm reaction from former President Harry S. Truman.

Rockefeller's best friends would probably concede the New York governor didn't get far in his sounding-out visit to Chicago. There wasn't any organized political support, for example, there were no cheering crowds.

Still, some influential Midwest politicians and editors put it this way afterwards: We weren't what you'd call sold on him, but we were impressed.

Rockefeller himself said his Chicago visit had done nothing to speed up his decision on whether he'll go after the Republican presidential nomination next year.

Chicago and the whole Midwest are counted on strongly by Republicans who wane to see Vice President Richard M. Nixon move into the White House.

In Texas, speaker of the house Sam Rayburn had most to do with getting the Democratic nomination campaign for Johnson off and rolling — to a good beginning, anyhow.

A Washington check of Johnson's Senate pals provided grounds to believe he can depend on considerable support from western states — Washington, New Mexico, Montana, Wyoming, Nevada, Idaho, and Arizona.

Separately, these states wouldn't count for much in a national convention but together they would, especially when added to the southern states which might be expected to favor Johnson.

DIVORCE HEARING — Actor Glenn Ford seems to be squaring off here for another round in divorce proceedings involving himself and actress Eleanor Powell. The two showed up in Superior Court at Santa Monica, Calif., last week for another hearing. A property settlement involving about $350,000 was worked out after a 13-hour conference with attorneys. Ford and his wife separated last April after 15 years of marriage. They said little to one another in court.

News of Service Personnel

Enrolled in the U.S.A.F. Military Academy prep school at Fort Belvoir, Va., for one year is Paul E. Krusac of 642 Decker Rd., Walled Lake.

Krusac entered the U.S. Air Force in June 1959 and was assigned to Lackland Air Force Base, Tex., where he applied for the academy. Applying too late for the 1960 fiscal year he was assigned to language school where because of his ability and interest in the academy his commanding officer recommended his enrollment in the prep school.

Of the 302 cadets at Fort Belvoir, 23 will be selected to attend the academy. The course offers academic, physical and military instruction. If accepted at the academy Krusac will graduate as a second lieutenant in four years.

GOEBEL TERRY

Home on leave from the 6000th U.S. Air Force Dispensary, Fuchu Air Station, Japan, is A.3.C. James D. Terry, son of Mr. and Mrs. Roy P. Terry of 321 Pioneer Dr. A 1958 Pontiac Central High School graduate, Terry entered the service Feb. 3, 1959 and underwent basic training at Lackland Air Force Base, Tex. He will return to Japan Nov. 12 for a three year tour of duty.

★ ★ ★

Airman Medora R. Goebel, daughter of Mrs. Robert E. Goebel of 3879 Covert Rd., has completed basic military training at Lackland Air Force Base, Tex. A Pontiac Central High School graduate, she has been assigned to a unit of the Air Defense Command at Adair A.F. Station, Oregon, for training as an administrative clerk.

Seaman Lyndon S. Whipple, son of Mr. and Mrs. Sam Whipple of 1118 Pontiac Trail Walled Lake, has been transferred from electronics technician school at Great Lakes, Ill., to Norfolk, Va. His new address is: 1st Division, U.S.S. William M. Wood, C.O. FPO, New York, NY

WHIPPLE

Baby Suffocates to Death With Head in Plastic Bag

TORRANCE, Calif. (UPI) — A 5-month-old girl suffocated yesterday when she apparently crawled into a plastic bag lying on the floor of her bedroom, police reported.

Wanda Mae Dodd was found dead under a dresser with the plastic clothes bag over her head when her parents awoke in the morning, police said. The child's father said he brought clothes home in the bag the night before and it had fallen to the floor near where Wanda slept on a mattress.

Waterford Home Hit by $1,500-Plus Blaze

A fire causing more than $1,500 damage swept the frame home of James E. Brown of 3850 Otto St., Waterford Township, yesterday.

★ ★ ★

Faulty electrical wiring was given as the cause of the blaze which started in the living room. The roof of a house trailer parked near the home was also damaged.

Swift Strike Ends; 17,000 Return to Work

CHICAGO (UPI)—A seven-week-old strike against Swift & Co. ended today when 17,000 workers at 37 plants returned to their jobs.

★ ★ ★

Officials of the United Packinghouse Workers and the Amalgamated Meat Cutters and Butcher Workmen said union members ratified a new agreement at meetings during the weekend.

A government study found that annulment and divorce rates are highest and the probability of second and third marriages greatest among women who were wed for the first time at the age of 19 or younger.

But Capitalism 'Doom' Belief Continues

Soviets Push Disarmament in the West

By STANLEY JOHNSON

MOSCOW (AP) — Soviet publicists have opened a new campaign to convince the West that complete disarmament offers it better economic opportunities than continuance of the arms race.

★ ★ ★

At the same time Soviet organs make clear that there is no change in the Communist creed that capitalism is doomed whether or not it is shored up by arms production.

This is one of the main themes being beamed abroad and the emphasis on it is likely to increase. Domestically the point hammered home by every possible means is that Premier Nikita Khrushchev wants peace and prosperity.

★ ★ ★

Not since Stalin's 70th birthday has any event been so publicized as Khrushcev's trip to the United States. Daily mass meetings throughout the Soviet Union praise the Premier for having made the trip which speakers say has convinced the American people of the sincerity of the Soviet desire for peace.

★ ★ ★

Every issue of every newspaper and magazine stresses the same theme. There is a color film about the trip and a new book, "To Live in Peace and Friendship."

There naturally are still references to the "unshakeable unity of the Socialist camp," but the overwhelming emphasis is on the need and wish for friendship and cooperation with the United States. All forms of propaganda stress good relations with Washington.

★ ★ ★

It is against this background that one should read the assurances that the Soviet disarmament proposals are not intended deliberately or by chance to cause an economic upheaval in capitalist countries.

★ ★ ★

The Literary Gazette this week took issue with Harvard philosopher Robert P. Wolf, who wrote the New York Times that Marx, if alive today, would say "capitalism prospers only on preparations for war whether a war is being carried on or not."

Free Man After 22 Years in Prison on Murder Count

THOMASTOWN, Maine (AP)—Paul N. Dwyer today re-enters a world he left 22 years ago when he was condemned to life imprisonment for murder.

Dwyer's freedom from the Maine State Prison was made possible by a commutation of his sentence by Gov. Clinton A. Clauson and the Executive Council.

★ ★ ★

He was 18 years old and considered a drifter in 1937 when he was sentenced for the bludgeon slaying of Dr. James G. Littlefield, 67. He had not finished high school.

In prison he educated himself in law, accounting and public relations.

Dwyer, now 40, will work as manager of the 33-room stone hotel in Norway, only a few miles from Paris Hill where he was born and raised and where Dr. Kittlefield was killed.

★ ★ ★

He hopes to marry an old hometown friend, Caroline Pinkos, 39, a divorcee and mother of three daughters, but the marriage may have to wait.

The State Board of Probation and Parole says: "It is in his best interests to delay the ceremony a reasonable length of time."

Dwyer is the only living principal in Maine's most notorious crime case.

His freedom follows by nine years the release of another lifer convicted of the same slaying—largely on Dwyer's testimony. Each blamed the other for the crime.

Francis M. Carroll, one-time deputy sheriff, served 12 years for the doctor's slaying. He was released in 1950 on a claim that he was fraudulently convicted. Carroll died in 1956.

Cub Pack 6 Has Annual Award Night

Cub Scout Pack 6 of Webster School recently held its annual award night and bobcat ceremony.

★ ★ ★

Year pins were presented to Tom Rogers, Steve Isgrigg, Gary Seiser, Jeff Sachar, Mike Fenberg, Ronald Hoyt, Michael Ninotti, John Fife, Ricky Rogers, Andy Wigent, Jeffrey Ross, Bill Ferguson, Larry Tremper, James Graybiel, Richard Schiller, Pete Elliott, Craig Everett, Carl Lightfoot and Lynn Seiser.

One-year pins were also presented to Mrs. James Graybiel and Mrs. August Hoyt, den mothers, and to Perry Ninotti, Burton Ross, and Carl Seiser, cubmaster.

Mrs. Robert Isgrigg received a special award of a five-year pin as den mother.

SILVER ARROWS

Silver arrows were presented to Ronald Hoyt, Michael Ninotti, John Fife, Ricky Rogers, Jeffrey Ross, Bill Ferguson and Larry Tremper.

Bobcat pins were presented to Tob Condon, Tim Weddle, Bill Stark, Gary Moyer, Larry Bacow, Stephen Sundahl, Michael Ellis, Kenny Irwin, Billy Burgdorf, Ricky Blakeney, Greg Williams and John Preston.

Others receiving bobcat pins were David Rath, Mark Smith, Michael Smith, Mark Blaylock, Greg Henderson, Lee Parrin, Myron Bentle, Bob Wanke, Joe Jaconette, Eldon Adams, Michael Lowry and Jerry Sullenberger.

★ ★ ★

Den 4 presented a skit, "The Hare and the Tortoise."

Bid Consul Farewell

DETROIT (AP) — Dr. Eric Da Rin, 1-14—BID CONSUL

DETROIT (AP) — Dr. Eric Da Rin, Italian consul to Detroit, got a farewell party Sunday from 500 Italian-Americans and city and state officials. Dr. Da Rin, consul here since 1957, is going to become first secretary to the Italian embassy in Ottawa, Ont.

DING-A-LING! — Dean Martin and Pamela Searle are only a call apart and seem to be in visual harmony. Pamela competed as Miss England in this year's Miss Universe Contest. She will make her film debut in "Bells Are Ringing" in which Dean Martin will play a lead role.

Hated Small Towns — Rests in 1 Now

1927 Husband Killer Buried

MARYSVILLE, Ohio (UPI) — Flapper-era husband killer Velma West, 53, who couldn't stand small town life because she was a "12 o'clock girl in a 9 o'clock town," was buried today in this quiet community of 5,000.

★ ★ ★

The once-attractive blonde died Saturday in Marysville Women's Reformatory where she had spent the last 32 years of her life for the bludgeon slaying of her husband in 1927.

A Requiem Mass was celebrated in Our Lady of Lourdes Roman Catholic Church. She was buried in Paris Cemetery.

Mrs. West gained nationwide notoriety in the roaring 20s when she killed her society husband, Thomas Edward West, because he wouldn't let her have the car to drive from the small Northern Ohio town to Perry, where they lived, to Cleveland for a bridge party.

★ ★ ★

She calmly drove to the bridge party following the murder.

Mrs. West had one brief fling at freedom in 1939 when she escaped from prison. But it was short lived. Forty days after escaping she was captured in Dallas, Tex., and returned.

Last May, accustomed to prison life and in failing health, Velma told the Ohio Pardon and Paroles Commission she would just as soon stay because she had no where to go.

Earthquake in Turkey Kills 13, Injures 23

ISTANBUL (UPI) — A strong earthquake in northeastern Turkey yesterday killed at least 13 persons and left 23 badly injured, Turkish authorities said today.

★ ★ ★

Three separate shock waves, the first at 6 p.m. and the last shortly after midnight, destroyed or damaged 537 houses in the province of Erzurum.

★ ★ ★

The earthquake was centered in the Hinis area, where families stayed out on the streets all night rather than risk being inside their houses.

Democrat Hides

BALTIMORE, Vt. (UPI) — The Democrats got one vote in this town last election and Sam Miller, executive director of the party in Vermont, would like to present a citation to whoever it was. But "I can't find him," said Miller. "I think he's a bit shy."

Georgia Dentists Back Fluoride

Urge Ouster of Officials Who Oppose Adding It to Water Systems

ATLANTA (AP) — Leaders of the Georgia Dental Assn. have urged dentists to work for the removal of officials opposed to use of fluorides in public water systems;

★ ★ ★

A resolution adopted Sunday by the group's executive council reaffirmed for the ninth year the group's endorsement of fluoridation as a means of helping tooth decay.

It said officials in some of Georgia's principal cities "continue to deprive their citizens of this time proven, safe, efficient, health measure."

The resolution urged dentists to use their influence as citizens to replace officials who continue to block fluoridation.

Mrs. Lenox Chosen

BAY CITY (AP)—Mrs. G. Merrill Lenox of Detroit has been elected president of the Michigan Baptist Convention's Women's Missionary Society. Mrs. Lenox is the wife of the director of both the Detroit and Michigan council of Churches.

Bob Considine Says:

No War in '60—Reds Eye Tourist $$

NEW YORK — Sorry, fellows, no war next year.

The Russians are too busy with tourism. The Reds, too, are looking for the Yankee dollar, and they'll thank you to keep a civil tongue in your head and not remind them what they said about that dollar in the past.

S. S. Nikitin, vice chairman of Intourist, brought the happy word to us at the Overseas Press Club the other day.

Speaking in the loud firm voice of authority, he invited one and all of us to visit Russia the next time you want to Get Away From It All.

Twelve thousand Americans toured the Soviet Union this year, as opposed to 2,500 in 1957 (and 500,000 Americans-in-Paris).

BRINK OF ENTHUSIASM

Comrade Nikitin's formal statement listed some of the better-known Americans-in-Moscow and was dangerously on the brink of complete enthusiasm when he recovered his balance and added, "American press also broadly feature (the visitors' happy times) although in some cases in your newspapers there appeared non-objective and even ill-will-dictated articles. (Probably read Westbrook Pegler's glorious rap on the grub.)

From the comrade's prospectus is it plain to see that the Khrushchev visit, and the interest in the buck, have resulted in a promising thaw in the cold war.

The Intourist traveler next season will have 50 guided tours to choose from (15 in 1955), an opportunity to camp out at cheap rates at Yalta and Sochi on the Black Sea, may hunt in the Crimea and see Siberia.

The comrade failed to add that the main road to Siberia, down which millions of condemned once marched or were trucked, is now in Khrushchev's Russia named Road of the Enthusiasts.

He did have a complaint not unfamiliar to American ears: our high prices.

The American who visits Russia under Intourist's Class A plan pays $12.50 a day, and for that sum gets three meals a day, two sightseeing trips a day and a half of a double room.

IVAN CAN'T DO IT

But when Ivan comes here, we gouge him pretty good, Nikitin said, "$23 to $26 per day. Naturally," he concluded, "this cannot facilitate the possibilities for the Soviet people to visit the U.S.A."

It seemed time to ask him about that, and we did: "Can an ordinary Russian wage earner say to the old lady, 'Let's hop over to America for our vacation this year, dear' and be permitted to leave the U.S.S.R."

Nikitin answered at some length in Russian, and the translation came out "Sure!" Two things keep the number of Russian visitors down, he went on.

★ ★ ★

We insist that the prospective Russian visitor show up in person at the U.S. embassy in Moscow and apply for his visa.

Then it takes us 30 days to give it to him, if we do, whereas the Russian visa to Americans to travel in the Soviet Union comes through in a week. The second deterrent, he said, was our prices.

"You mean that aside from that, any Russian who wants to leave can do so — without being assigned to a mission of some sort, such as an inspection of the Ford plant?" we pressed.

"Yes," he said, and didn't even blink an eye.

Father, Five Children Found Asphyxiated

CHELSEA, Mass. (AP)—A father and five of his six children were found dead in their home Sunday, victims of gas asphyxiation caused by a defective water heater.

Police said carbon monoxide fumes apparently filled the house while the father was heating water for the children's Saturday night baths.

Motherwell Case Opens on Roadway

DOWNIEVILLE, Calif. (AP) — The complicated legal case involving Larry Lord Motherwell, 43, and the elderly Washington, D.C., widow he is accused of killing opens today with a motor trip over a high Sierra pass.

Along the 35-mile route to Sierraville, a caravan carrying Motherwell, his attorney, John T. Reges, and Dist. Atty. Gordon I. Smith, was to pass the secluded spot where the remains of Pearl Putney, 72, were found last Aug. 16, covered with branches and leaves.

The men will go to the home of Justice of the Peace Alden Johnson at Sierraville, just a wide spot in the road, for action on a preliminary hearing.

Annual Chest X-Ray Urged for Men Over 45

LANSING (UPI)—Men over 45 years of age should take an annual chest X-ray to detect any possible signs of tuberculosis or lung cancer, the State Health Department advises.

Both diseases have high incidence among men over 45, said Dr. John A. Cowan, director of the Division of TB and Adult Health.

Soybeans Lead Strong Market

CHICAGO (AP) — Soybean futures, with gains of as much as two cents a bushel, led a generally strong grain market today in early transactions on the Board of Trade.

Most contracts were up major fractoins of a cent with the strength in corn and soybeans attribnuted to wet weather which has delayed harvesting and left water standing in some fields where soybean crop damage is believed probable.

Wheat moved ahead on the report by the Department of Agriculture that 236 million bushels of the 1959 crop had been placed in the government price support program, up 61 million from a month earlier.

★ ★ ★

Wheat was unchanged to ⅜ cent a bushel higher after about an hour, December $2.01¼; corn ⅝ to 1⅛ hgiher, December $1.10¾; oats ⅛ to ¾ higher, December 74¾; rye ⅛ higher to ⅜ lower, December $1.35½; soybeans 1⅝ to 2 cents higher, November $2.16.

Tokyo Gangs Don't Rumble

Too Busy With Crime for Slugging It Out Over Disputed Territory

By RONALD P. KRISS

TOKYO (UPI) — Close to 500 juvenile gangs are prowling Tokyo's streets today, but police are confident there will be no duplication here of the violence that has erupted in New York City.

★ ★ ★

The police explain that most of Tokyo's teenaged toughs are too interested in making money to waste their time slugging it out with rival mobs over disputed "territory."

"These gangs are generally formed for what you might loosely term 'business' purposes," explained Inspector Saburo Ishikawa of the Metropolitan Police Board's juvenile division.

"Their object is to make money for spending on amusement—movies, candy, excursions, that sort of thing."

★ ★ ★

Ishikawa said there were 445 such gangs in Tokyo in 1957 and perhaps 500 now, each with anywhere from 10 to 30 members.

Some of them are so expert at the art of making money that the members draw regular monthly salaries.

One group of girls in Tokyo was rounded up by the police after lifting more than $4,000 worth of small items from the city's department stores. A group of boys specialized in rifling foreign-made autos for cameras, sports equipment or cash.

Osaka police reported earlier this year that one mob of juveniles picked up $14,000 in a few months by stealing nothing but motorcycles.

★ ★ ★

Ishikawa said the gangs specialize either in systematic theft or in intimidating small shopkeepers and collecting "protection" money from them. Two out of every five intimidation cases in Japan in 1957 involved juvenile offenders.

★ ★ ★

"The number of juvenile offenders has been growing since 1955," he said. "Their crimes have become more and more vicious—murder, rape, aggravated assault. What's more, the delinquents seem to be getting younger and younger."

Ishikawa said the number of offenders in the group under 14 years of age increased three per cent in 1958, while offenders in the 14-16 age bracket increased 11 per cent.

Like New York's juvenile gangs, those in Tokyo adopt bizarre names and complicated command structures.

★ ★ ★

One example is the "Black Dragon Association," whose leaders wear small, one-inch-square metal badges with red dragons inscribed on them while ordinary members wear badges with black dragons.

★ ★ ★

Another is the "East Fist Association." Leaders of this oddly named outfit wear gold badges with a fist inscribed on them; "non-coms" wear silver badges; and members in the ranks wear copper badges.

Chrysler Strikers Due to Return Today

DETROIT (AP) — Strikers at two Chrysler Corp. plants were scheduled to go back to work today.

At one, the Redstone and Jupiter missile plant in Sterling Township, wildcat strikers were ordered back by United Auto Workers Local 1245 leadership.

Strikers of UAW Local 7, whose walkout stopped production of DeSoto and Chrysler cars at the East Jefferson avenue assembly plant, voted yesterday to return. Production rates have been in dispute. About 5,000 workers were affected.

Both strikes began last Thursday. Management of the missile plant said its production was not interrupted.

UAW Local 1245 said it would meet with management today over unresolved health and safety grievances and work rates at the missiles factory. The local said it will take a strike vote next Sunday.

The missiles plant has 3,500 production workers and about 1,500 engineers.

Meet Unexpectedly Over San Diego Fence

SAN DIEGO, Calif. (AP) — Mrs. Carlos Palmer looked over the fence into the adjoining backyard and there stood Nell Frances, who lives right around the corner from her in Janesville, Wis.

Neither had ever mentioned to the other that she knew anyone in San Diego, or was coming here to visit — Mrs. Palmer with retired Navy Cmdr. and Mrs. Albert Fern, and her Wisconsin neighbor with Mr. and Mrs. Ralph Cook.

Stocks Vigorous at Steel News

NEW YORK (AP) — The stock market advanced vigorously today as weekend developments in the steel strike situation fanned hope of an early settlement. Trading was active early this afternoon.

★ ★ ★ ★

Leading issues advanced from fractions to 2 points or more.

Among electronics and other volatile stocks, gains ran from 1 to a half dozen points.

The market was strong from the start as Kaiser Steel's decision to negotiate separately with the steelworkers convinced Wall Street that a "break" in the 104-day steel walkout was imminent.

The ticker tape was late for a 12-minute spell at the opening as big blocks were traded. The ticker lagged again briefly.

After some profit taking a renewed buying wave pushed a number of stocks to new highs in the afternoon.

The steels and motors responded vigorously, rails less so. Gains by the carriers were mainly fractional although Northern Pacific rose more than a point.

Advances of better than 2 points were scored by Republic Steel and Youngstown Sheet while gains of more than a point were made by U. S. Steel and Jones & Laughlin.

Kaiser Steel is not listed for trading on an exchange but Kaiser Aluminum gained about a point.

American Motors strode ahead about 3 points, aided by further optimistic reports. Studebaker-Packard gained a point or more. General Motors was down fractionally while Chrysler was firm and Ford added a fraction.

In the "glamor" section of the market, Texas Instruments jumped about 6, Ampex and Litton Industries more than 3 apiece; Varian Associates, Lear and Motorola more than point.

Gains of more than 2 were made by Texaco, DuPont, Eastman Kodak and Liggett & Myers.

Stock Market Has the Jitters

Switches Fever, Chills as Steel, Summit News Grows Hot Then Cold

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP) — The stock market has been having a spell of jitters.

It has alternated chills and

★ ★ ★

fevers as the chances of the steel strike coming to an end grew cold or hot.

It has tried to guess what a steadily rising cost of living—and boosts in wages that are tied to it in escalator clauses—may foretell.

★ ★ ★

Investors have debated the pros and cons of tight money and the chances of more inflation.

They have watched talks about summit meetings alternately fan or bank the flame of hope in a cold war thaw.

★ ★ ★

Those with long memories in Wall Street recall that it was just 30 years ago this week that the bottom fell out of the market. They can list the similarities in today's market and that of 1929. And they can stress all the differences and all the laws since enacted to keep "Black Tuesday", Oct. 29, 1929, from reoccurring.

Businessmen Pick Nixon 7-1 in Poll

NEW YORK (UPI) — A poll of leading business executives showed they favor Vice President Richard Nixon 7 to 1 over New York Gov. Nelson A. Rockefeller for President.

The tabulations, released yesterday by Fortune Magazine, were based on questionaires sent to executives in the 500 largest U.S. industrial corporations, the 50 largest companies in the field of life insurance, commercial banking and other enterprises. Fortune said 1,700 replies were received.

Nearly 80 per cent of the executives said they were Republicans, eight per cent said they were Democrats, and the rest listed themselves as independents. Ten per cent of the Democrats favored Nixon.

The vice president was supported by 76 per cent of the total replying. Only 11 per cent said they preferred Rockefeller.

Adlai Stevenson, Sen. Lyndon Johnson (D-Tex), and Sen. Stuart Symington (D-Mo), each received between 1 and 2 per cent of the vote. Sen. John Kennedy (D-Mass), the front runner among Democrats in most general polls, received only .8 per cent.

Sentenced in Beating of Ex-Wife's Mate

A Pontiac man who savagely beat his wife's former husband in a Grand Rapids hotel room Aug. 4 has been sentenced to six to 20 years in Southern Michigan Prison.

★ ★ ★

Herbert O. Wilson, 30, of 607 Granada St., pleaded guilty earlier of assault with intent to commit murder.

Wilson attacked disabled war veteran Jack Levandoski, 32, of Grand Rapids, with the base of a table lamp.

Wilson was sentenced today by Kent County Circuit Judge Claude VanderPloeg.

Grand Rapids police said there had been tension between the two men since Wilson's marriage to Levandoski's wife.

Wilson was arrested by Pontiac state troopers shortly after the beating.

GM Workers Insurance to Be Continued in Layoff

DETROIT (UPI)—General Motors Corp. announced today it will make payments to keep life and medical insurance policies in force for employes laid off due to the steel strike, with employes making repayment by payroll deduction after return to work.

5 Millionth '59 Auto Will Be Sold Today

DETROIT (AP)—Automotive News predicts the five millionth car of 1959 will be sold sometime today.

The trade paper said that although this is ahead of a timetable that would bring six million sales for the calendar year such a total probably will not be reached because of a shortage of new cars between now and Jan. 1.

The five millionth sale is two days ahead of the 1957 selling pace and three days ahead of 1956. In 1955, the industry's record year, the five millionth car was registered on Sept. 8.

It took 59 selling days to sell the first million cars this year; 48 days for the second, 43 days for the third, 46 for the fourth and 57 for the fifth. There are 55 sales days remaining in the year.

A car shortage already is developing because of a shortage of steel.

Four Men Injured as Car Overturns

Four men were injured late Saturday night when their auto overturned on Hummer Lake road at Leece road, Brandon Township, according to Pontiac State Police.

The driver, Bud C. Hosner, 20, of 3091 Grange Hall Rd., Ortonville, was charged with reckless driving. He is in fair condition today at Pontiac General Hospital with arm and face injuries.

His passengers, James Wells, 22, of Metamora, and Raymond Huff, 23, of 2220 Hadley Rd., and Owen Vandewarker, 22, of 152 South St., both of Ortonville, were treated and released.

★ ★ ★

Troopers said they found tracks a half-mile from the accident scene showing the car was weaving from one side of the road to the other.

Hosner lost control and hit a tree, then rolled over several times, troopers said.

Funds Eliminated, Aid Probers Resign

WASHINGTON (UPI)—The White House announced today that all 13 members of the International Development Advisory Board have resigned because Congress cut off funds for the group.

The board, consisting of prominent Americans, was named by President Eisenhower last February to examine the spending of the International Cooperation Administration which handles foreign aid.

The members of the board quit en masse because Congress in a conference report on the ICA appropriation bill specified that no funds in it were to be used by the advisory group.

The joint letter of resignation said: "It is our opinion that the board would be seriously handicapped by the clear intent of the Congress not to support it."

Treated After Crash

Dorothy A. Thorndycraft, 56, of 3119 York St., Avon Township, was treated for minor injuries and released from Pontiac Osteopathic Hospital Sunday after she lost control of her car and smashed into a utility pole in front of 445 Elizabeth Lake Rd.

Third of GM Force Laid Off

Steel Strike Shoves 115,000 Into Ranks of Unemployed

DETROIT (AP)—About a third of General Mootrs Corp.'s nationwide production force was idle today due to the steel shortage caused by the lengthy national steel strike.

GM said some 115,000 of its production workers had been laid off at plants across the nation.

Massive layoffs have not yet hit the other automakers, Ford Motor Co., Chrysler Corp., American Motors Corp., and Studebaker-Packard Corp.

The lack of steel also has affected GM's car production.

★ ★ ★

Nine of 14 Chevrolet Division assembly plants are no longer producing autos although some truck production still is going on at eight. The only plant completely closed is at Framingham, Mass.

The remaining four assembly plants which still are producing are at Kansas City, Willow Run, Mich., Oakland, Calif., and Bloomfield, N. J. All but the Bloomfield plant build the Chevrolet Corvair, GM's new compact car.

A GM spokesman said he did not know how much longer these plants would be able to continue production.

Pontiac Shrine No 22 W.S.J., Wed., Nov. 28, Dinner, 6:30, Ceremonial, 8:00. Mary A. McCurdy, Scribe.

News in Brief

Vending machines were smashed and the money taken at O'Neil's Leonard Service station at 4186 Sashabaw Rd., Drayton Plains, sometime last night, owner Marvin O'Neil reported to Waterford Township police. A heavy duty battery was also taken, he said.

Edward Heacock of 199 Willard St., reported to Waterford Township police that at 4 p.m. yesterday someone had stolen a box of maintenance tooles valued at $75, and a spare tire from his unlocked truck parked at 497 Elizabeth Lake Rd.

Someone stole a table model radio valued at $42 from the Gallagher Music Co., 18 E. Huron St., it was reported to Pontiac Police Saturday.

Ben's Loan Shop, 4 Patterson St., was entered over the weekend, and three shotguns and a 22-caliber rifle were stolen, it was reported to Pontiac Police.

Someone stole two mink stoles valued at $540 from the Jane Lee Shop, 41 N. Saginaw St., it was reported to Pontiac police yesterday.

Vandals broke nine windows at Gordon's Car Wash, 81 S. Perry St., it was reported to Pontiac police yesterday.

Troy Goodfellows to Get Film Proceeds

TROY — The Troy Goodfellows will receive the entire proceeds from tonight's movie at the Troy Drive-In Theater, located at the corner of Stephenson highway and E. Maple road.

Features will be "The Five Pennies" starring Danny Kaye and "Holiday for Lovers" with Clifton Webb, Jane Wyman and Gary Crosby. An extra cartoon will be shown for the youngsters in the audience.

Donation will be one dollar for adults and children will be admitted free.

The proceeds from this fourth annual event will be used to provide Goodfellow baskets for needy Troy families at Christmas time, a Goodfellow spokesman said.

Alexander Winton, of Cleveland, Ohio, is credited with making the first automobile sale in the United States on March 24, 1898.

BIDS WANTED

West Bloomfield Township is seeking bids on a Ford, Chevrolet, or Plymouth police car. Specifications may be obtained at the West Bloomfield Township Hall, 4460 Orchard Lake Road in the clerk's office. Bids will be opened at a special meeting on October 30, 1959, at 3:00 p.m.

The Township Board reserves the right to reject any or all bids.

DOROTHY M. CHAMBERLAIN,
Township Clerk
Oct. 26, '59.

3 IN 1

Every minute in the U.S. three persons die of sickness or injuries. Of four fathers 35 years old, only three will live to see their children become 21 years old. The security and future happiness of most families depend on the earnings of the head of the family. If anything should happen to you, a Life of Virginia family income policy will provide for your family's needs. Let me tell you how little it costs.

GENERAL DESCRIPTION

A triangular shaped parcel of land in the Southwest quadrant of the intersection of Orchard Lake Road relocation and Grand River Avenue, East of Farmington. This parcel contains approximately 0.64 acre of land, with access to both roads. Frontage on Grand River Avenue is 220 feet more or less and on Orchard Lake Road is 260 feet more or less.

Sale 9-5-A

Item #4		Control	63022
Minimum Bid	$30,250.00	Project	63-29
Bid Deposit	$ 3,000.00	Parcel	C-276

GENERAL DESCRIPTION

This is an irregular shaped parcel of land lying between Grand River Road, so-called, and US-16 relocation; and West of the intersection of said road and US highway. This parcel contains the limited access clause from a point 50 feet Westerly of the Southeast corner of said parcel; thence East 50 feet, thence North 17 deg. 19' 57" East 149.95 feet, thence West along said 2 deg. 34' 04" curve 419.20 feet to the point of ending of the limited access clause. This parcel contains approximately 2.94 acres of land.

Title of these lands is owned in fee by the Michigan State Highway Department and the property is offered for sale subject to:

(1) All encumbrances, governing restrictions and easements of record. The State makes no warranties or representation as to the condition of the property.
(2) The Limited Access Provisions as stated in the General description.

MINIMUM BID—The minimum bid, as stated, is the minimum sale price. No SALE can be made for less than the minimum bid indicated.

BID DEPOSIT—The bid deposit will remain the same as stated regardless of selling price. Bid deposits must be in the form of certified check, cashier's check or money order payable to the Michigan State Highway Department. Personal checks are not acceptable. Bid deposits must be made by the successful bidder at time of the sale.

Failure of successful bidder to complete payment within 30 days after notification of Administrative Board approval will result in retention of the property and deposit by the Michigan State Highway Department as liquidated damages.

The right is reserved to reject any and all bids and to waive defects in the bidding and all sales shall be subject to final approval by the State Administrative Board.

A sign will be placed on the property so that the item can be identified.

Tarzan Would Be Amazed

Boys Take to the Trees

ATLANTA (UPI) — Tarzan never had it so good!

If you think the King of the Apes had a neat set-up in the heart of the African jungle with his tree apartment, you ought to take a look at the penthouse two Atlanta boys have in their backyard.

They are the proud owners of a tree-house complete with television, telephone, running water, electric lights, radio and two double-deck bunk beds.

Emmett L. Barlow built the unique structure for his two sons, Doug, 13, and Dick, 9.

Barlow first got the idea for a tree-house while on a business trip in South America. He saw the natives in the tree-houses there and wrote his wife, asking for the dimensions of the two large pine trees in their yard.

★ ★ ★

When Barlow returned, the family started working on their project Easter week-end. He borrowed a scaffold from a friend so the boys could help with the actual construction.

"I just sat and pulled nails out of boards, and visualized something small the kids could sit in," Mrs. Barlow said.

What started to be a small tree-house turned into a 10-by-14-foot home-away-from-home.

The man who came to install the phone was slightly confused when he spied the tree-house. He couldn't decide whether to use an inside or an outside jack for the phone extension.

Mrs. Barlow said there were so many calls the first day after the phone was installed, she was unable to place one out-going call.

Dick said that when they first got the running water, "we had a huge water battle out here."

The youngster said that a typical evening in the tree-house includes a card game, a good Western on TV, and a snack.

★ ★ ★

The house has a lock and a ladder which can be pulled up at night. Other features of the tree-house are three screened windows and a tiny bookshelf.

The Barlow boys are trying to talk their father into installing a heater so they can spend the winter in the house.

But the tree-house is causing a little internal strife in the Barlow family. Mrs. Barlow said she and her husband have been trying to get their youngsters to sleep inside one night so they can take a whirl at sleeping in the tree-house.

Welcome aboard, but cool to the idea is "Tarbaby," the Barlow's Labrador retriever. Evidently he thinks tree-houses are "strictly for the birds."

There has been some talk of swapping "Tarbaby" for a chimpanzee.

Synthetic Near for Penicillin

More Deadly to Germs, Safer for Humans, It'll Be Out Soon

SYRACUSE, N.Y. (AP) — The first synthetic penicillin, more deadly to germs but safer for humans than natural penicillin, should be in doctors' hands in a few weeks, it was announced today.

The new penicillin apparently destroys germs which have become resistant to the old penicillin — and causes fewer dangerous reactions.

It can be taken by mouth and is so powerful that it promises to make penicillin shots obsolete, reported Dr. Amel R. Menotti, vice president and scientific director of Bristol Laboratories.

The new product, called Syncillin, is a stripped down version of natural penicillin with a new chemical body style.

Preliminary evidence indicates the drug does not produce as many dangerous side effects as shots of the natural penicillin.

Eat Stew for Breakfast, Suggests Health Editor

BOONTON, N. J. (AP)—Tired of cereals, bacon and eggs or pancakes for breakfast? Yearning for something new, something different?

Robert H. Cummings, editor of the Northern District Health Quarterly, has the answer.

Eat stew, he says, or soup with a cheeseburger, or even fruit salad with cottage cheese.

Cummings mourns breakfast as "the most slighted meal in America," and says, if you're losing interest in the same old thing—change.

Queen Mother Suffers Attack of Influenza

LONDON (UPI) — Queen Mother Elizabeth is suffering from influenza, Buckingham Palace announced today.

Mother of Queen Elizabeth II, she canceled an engagement scheduled for this afternoon. Her other daughter, Princess Margaret, will take her place, a palace announcement said.

It said Queen Mother Elizabeth would be "unable to fulfil her engagements for the next few days." There was no other immediate indication of the seriousness of her illness.

Slate Quiz Session in Probe of Slaying

MOUNT CLEMENS (UPI) — Deputies were to question relatives of a missing Canton, Ohio, steelworker today in their search for clues to the slaying of a man whose body was found near here Saturday.

The body tentatively was identified as that of Thomas W. Toulson, 59, of Canton.

Hunters found the body in a field in suburban Clinton Township. Dr. Raymond Markle, Macomb County coroner, said the man had been dead about two months and had been struck on the head.

Deputies said they arrived at tentative identification through papers on the body. Toulsen's relatives were expected to arrive here today for possible positive identification.

The slaying apparently had taken place somewhere else and the body brought to the field, deputies said.

A relative at Canton said Toulsen often left town without informing anyone. Toulsen had been idled by the steel strike and relatives said they had not seen him for several weeks.

Girl, 18, Critically Injured in Crash

LAPEER TOWNSHIP — An 18-year-old Metamora Township girl was critically injured early Sunday morning when her car left the road and rammed a tree on M24 north of Sutton road.

★ ★ ★

Eunice M. Burgess of 400 Hadley Rd. is in Lapeer County General Hospital with fractures of the jaw, leg and arm, facial lacerations and a concussion. Her condition still was listed as critical today.

★ ★ ★

Lapeer County sheriff's deputies said she was alone and has been unable to make a statement.

The car was a total wreck, police said.

Italian-American Leader Rossi Dies in Detroit

DETROIT (UPI)—Attorney Ernest F. Rossi, a member of the Wayne County Board of Supervisors, suffered a fatal heart attack today. He was 49.

Rossi, a leader of Detroit's Italian-American colony, was active in Democratic circles and had been an unsuccessful candidate for Probate Court, Recorder's Court and Circuit Court.

Sly Sipping Success Brings Police Probe

DECATUR, Ala. (UPI)—It was one of those soft drink machines where you lift the lid and see the tops of all the trapped bottles. One coin permits one bottle to be pulled out.

★ ★ ★

But vandals — thirsty ones — saved their money. Police answered a call and found the tops gone from 21 bottles of pop, and the bottles about half empty — apparently thanks to straws and determination.

Bears are near-sighted due to their habit of feeding with noses to the ground.

Claims Threat of War Grows

Rep. O'Hara of Utica Says Armed Forces Are Unbalanced

FLINT (UPI) — Congressman James G. O'Hara (D-Mich) has charged that the danger of another world war has been "greatly increased" by "the Administration's failure to develop balanced armed forces. . ."

ceremony commemorating the ceremony commemorating the third anniversary of the Hungarian revolt against the Russian-dominated government in Hungary.

The Democrat from Utica described the Hungarian revolution as "an example, rare in history, of a spontaneous, unplanned fight for freedom."

He said the courage of the Hungarian people in 1956 was a sharp contrast to "the Administration's retreat from a policy of 'more bang for a buck' to a policy of 'more noise for a nickel.'"

★ ★ ★

O'Hara said, "the Administration's failure to develop balanced armed forces capable of meeting armed threats of any kind, anywhere, at any time, has greatly increased the danger of world war."

TV's Bronco and Wife Are Parents of Twin Boys

HOLLYWOOD (AP) — Actress Andra Martin and Ty Hardin, star of the television series "Bronco," are the parents of twin boys.

The boys, John and Jeff, were born Saturday to Miss Martin, a Warner Bros. studio contract artist.

Interment in Drayton Plains Cemetery. Mr. Sutliff will lie in state at the Coats Funeral Home.

AP Wirephoto

DOMESTIC PROBLEM, POLICE REPORT — Mrs. Virginia Arness, 38, shown with her husband James, TV's Marshal Matt Dillon of "Gunsmoke," is reported recovered after slashing her wrists with a razor blade Saturday, complaining that Arness was "cold" toward her. Officers quoted Mrs. Arness as saying she was despondent over domestic problems caused by her husband's movie and TV commitments. She insisted she wants a reconciliation. They have three children.

Card of Thanks 1

WE WISH TO EXTEND OUR heartfelt thanks and appreciation for the acts of kindness, messages of sympathy, and beautiful floral offerings received from our many friends, neighbors and relatives during the recent death of our beloved husband and father, Ward Miracle. We especially thank the Rev. Levi Saylor, Bobby Mayhorn, Boyd Wilson, Pursley Funeral Home, friends at GMC and Pontiac Motors and Locals 583 and 654, Catherine, Lucy Fay, JoAnn and Winfred Miracle.

In Memoriam 2

IN MEMORY OF ALMA ALLEN who passed away October 26, 1956
She is gone but not forgotten;
Never will her memory fade.
Loving thoughts will ever linger;
To the spot where she is laid.
They say time heals all sorrow;
And helps us to forget;
But time has only proven;
How much we miss her yet.
God gave her strength to face it;
Courage to face the blow;
But what it meant to lose her;
No one will ever know.
Sadly missed by mother, father, daughters and brothers.

IN LOVING MEMORY OF OUR dear mother, Mildred Snell, who passed away 3 years ago October 26, 1956.
Deep within our hearts she'll be,
A dear, impressive memory.
Although from loved ones Mom has gone,
Her memory still will linger on.
The world may change from day to day,
But never will the Mom we had
From our memory pass away.
Sadly missed by her two sons, Dick & Jim; and daughter, Billie Rae.

Help Wanted Male 6

4 MEN
18 TO 20
Salary $85 per wk. Only those willing to work need apply.
No Salesmen
Call FE 8-8103 for appt.

Ambitious Young Men
ANXIOUS TO LEARN TO OPERATE SHOP MACHINES; DRILL PRESSES, MILLING MACHINES, SURFACE GRINDER & ETC. MUST BE MECHANICALLY INCLINED. MANUFACTURER LOCATED IN COMMERCE TWP. REPLY PONTIAC PRESS BOX 105.

AN EXCEPTIONAL OPPORTUNITY
If you are one of those young men that graduated in the upper 10% of your class but was unable to go to college due to financial circumstances, this opportunity may appeal to you. As you know, a four year course in college costs approximately $4,000.00 or more and your only income is from extra activities in addition to your studies. Then, when you have graduated from college you must find employment and start from somewhere near the bottom.
We have an opportunity for a young man willing to learn and not afraid to study and work, with an excellent opportunity for advancement and steady employment who could take charge of the business after he had proven his ability to do so, at a salary above the average for college graduates.
If you think you are qualified and if you are willing to undertake such a challenge, please give age, educational preparation, list past experience, name and address of former employers, personal references and any other data that would be of interest to a future employer. Address — confidential, P. O. Box 7, Pontiac, Michigan.

3 MUSICIANS FOR CLUB 1 EVENing a week. Call FE 8-2060.

A NEW BOSS—YOURSELF. Established sales route with approximately 1,500 customers, 8 hours daily, $117 a week guaranteed to start. Married, under 40, with good car and phone. Call OR 3-8365.

CALL MONDAY 7-9 P.M.
To find out if you can qualify for a PART TIME Job that would enable you to earn $50 per week and still retain your regular job. Phone OR 3-0922. Mr. Allen.

CAREER OPPORTUNITY. DUE to expansion, a 65-year-old Life Insurance organization has an opening in this area for a full or part time man. The man we want to interview should be between 25-50, ambitious, good character, must own a car. Have the desire to earn a better-than-average income with all plus advantages paid for by the company. If you meet these specifications, please call Mr. Clark, MI 6-6600 or MI 6-6601 evenings.

CALL TONIGHT
(7 to 9 p.m.) To find out if you can qualify for a PART TIME job that would enable you to earn $50 per week and still retain your regular job. Phone OR 3-0922. Mr. Allen.

Murrow Calls Chief Ignorant

Says CBS President Lacks TV Knowledge in Program Hassle

LONDON (UPI) — Television commentator Edward R. Murrow said Saturday CBS President Frank Stanton revealed his "ignorance" of news and television requirements by criticizing the popular "Person-to-Person" show because it was rehearsed.

Murrow said Stanton's conscience "seems to be bothering him."

"Surely Stanton must know that cameras, lights and microphones don't just wander around a home," said Murrow who is on a year's leave of absence from CBS.

"The producers must know who is going where and when and for how long. They must know whether the individual will require 20 seconds or two minutes to answer a question," he said in a prepared statement. "The alternative to a degree of rehearsal would be chaos."

★ ★ ★

Last week Stanton said the program, which was formerly presided over by Murrow, falsely endeavored to create the illusion that it was spontaneous. But guests knew the questions Murrow asked them in advance, Stanton said.

The CBS president's statement came as part of a drive in the television industry to eliminate audio or visual misrepresentation. The drive was sparked by a congressional inquiry into rigged television quiz shows.

John A. Aaron and Jesse Zousmer, co-producers of the show, resigned Thursday and accused Stanton of making an "unwarranted slur" on the program. Their resignations were accepted.

Murrow left active participation in the "Person-to-Person" show last July. A CBS spokesman in London said Murrow has said nothing about not returning when his year's leave is up.

Jackie Robinson Defies Color Bar in South Carolina

GREENVILLE, S.C. (AP)—Former major league baseball star Jackie Robinson backed up a plea for integration in South Carolina Sunday by using the white waiting room at the Greenville airport.

Robinson, first Negro to play in the major leagues, flew here for the final session of a state rally of the South Carolina branches of the National Assn. for the Advancement of Colored People. His party apparently spent only a few minutes in the white waiting room.

Robinson, in his speech to the meeting, urged his race to work together through the NAACP for freedom.

He told the crowd of 1,700 that by 1963 "I hope that we can walk in the airport and sit down and enjoy ourselves." Robinson said 1963 is the NAACP target date for what he called "complete freedom."

Nam Il Dismissal Still Unexplained

TOKYO (AP)—The dismissal of Gen. Nam Il, North Korean foreign minister and representative at the Panmunjom truce talks which ended the Korean War, remained unexplained today. His former deputy, Pak Sung Chul, took over the post.

★ ★ ★

The change in the North Korean Foreign Ministry was announced by Peiping radio Sunday.

★ ★ ★

It could mean jockeying between Moscow and Peiping for dominance in North Korea. Westerners at the Panmunjom talks regarded Nam Il as Moscow-oriented.

Charlie Weaver Had Sad Boyhood

He Was Always Old Man

By PHYLLIS BATTELLE

NEW YORK "Charley Weaver," whose spirited Mama called him Clifford Arquette (any woman who'd name a thing in a crib "Clifford" must be full of spirits), was always a shy boy.

They laughed when he sat down at the player piano, even though he could play it. They didn't laugh when he told jokes. He had two clever older brothers who frequently told him to get lost, and he complied. The whole depressing mess made him old before his time.

"I decided to be a character actor, because that way I wouldn't have to be myself," Charley says.

For this interview, Charley is dressed as Cliff Arquette, in a neat blue suit, immaculate shave, no seedy specs or battered hat to cover his wispy recede of white hair. He says he can't even talk like Charley Weaver very well when he's not in his hayseed outfit he uses for the Jack Paar Show or his own ABC-TV "Hobby Lobby" program.

★ ★ ★

"When I wear a blue suit and try to talk like Charley, I feel like I'm tryin' to imitate somebody and not doing it very well."

Since he got out of Toledo, Ohio, and began hiding behind beards, bifocals and laughs, Cliff has been so successful that he had retired twice before being rediscovered by Paar. Asked if all this new work is a shock to his system, he frowns.

"Yeah it is," he says. "I've always loafed and enjoyed it. I don't want stardom and all that jazz. Money — that's different." A grin.

"Course I'm kiddin'. Money was never a problem. I was gettin' great money in the '30's as Charlie Butterworth's slap-happy grandpappy. And taxes? We laughed about taxes in those days. After all, I retired twice, and you don't do that on courage."

Charley considers himself the last of the "old jokes" comedians. "I'm the only guy in TV uses such old jokes — but I read 'em like I'm sincere and people forgive me. I dream up new jokes too, though. Literally. I dream complete jokes. Then my laughing wakes me up and I put 'em down on a pad by the bed."

He's only 54, but he believes as Charley he's the TV audiences' grandfather. "Everybody feels I'm in the family. I believe they rise to my defense." He cackled, Weaver style.

"On Paar, other comedians sometimes try for awhile to bomb me — but if they start bombing the old man too much, little old ladies in the audience'll hate them. They know that, and lay off . . . these are my people!"

★ ★ ★

Besides being a genuine spontaneous wit, Charley is an oil painter, a writer, a chef, a businessman. During World War II, he was even an engineer. "Not in the Army," he explains.

"My family has an aversion to war and we don't play. Besides, I'm near-sighted. They said they'd put me right up front where I wouldn't miss anything, but I said I'd rather not."

CIVIL WAR BUFF

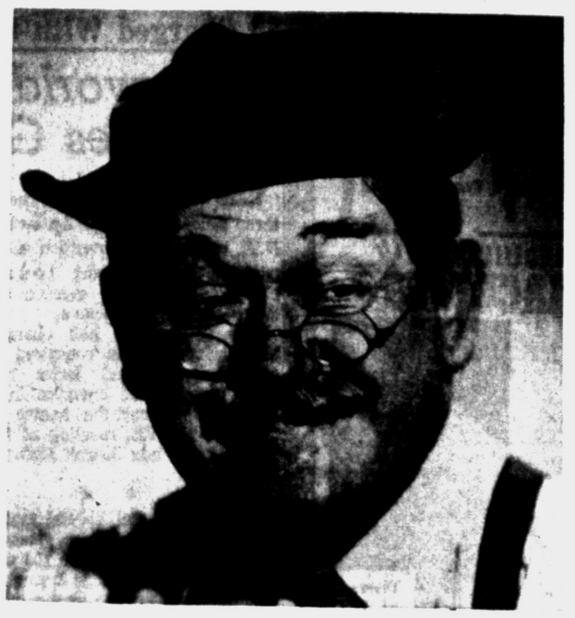
Yet Charley is a Civil War buff. As every TV fan knows, he has a museum at Gettysburg, Pa., devoted to relics of its skirmishes and his chief hobby is whittling soldiers in authentic uniforms of the period.

"In Mount Idy," he explains, "We have no objection to wars that were over before we grew up."

Charley's favorite jokes are mental picture jokes. And his choice in the category is a simple one: "You heard about Grandma Hogg? She bought 300 pounds of steel wool . . . she's gonna knit a stove."

★ ★ ★

This kind of thing breaks Charley up. He can hardly finish his Scotch.



'Course We Recognize a Celebrity Like You'

By EARL WILSON

NEW YORK—Doris Day had her hair in one of those tall upsweeps that made her look like she was wearing a built-in beige-colored pillow. Everybody recognized her anyway.

★ ★ ★

WILSON

"They seem to recognize me from the rear now," she said, and clapped her hand over her mouth for having said such a thing.

"The pillow effect of the hairdo is doubtless for 'Pillow Talk,'" somebody suggested, at a party.

Doris declared that despite her publicity and "exposure," strange things happen. One day she was shopping in a San Francisco department store. An assistant manager approached and beamingly took her hand. "No, no, no," he said, "you don't have to introduce yourself. We all know who you are. Your face is familiar to all of us from TV and movies. Now come along so I can introduce you to some of our executives . . . Ladies and gentlemen, as you all know, we have a distinguished visitor with us today . . . I don't even have to introduce the famous Miss Peggy Lee.

DORIS

Liz Taylor's quietly hunting a N.Y. address . . . Airlines are mad at a couple of quiz shows. They claim they paid $1,500 each for airline plugs — but that the network never saw it; the producers and sponsors split it.

THE MIDNIGHT EARL . . .

Errol Flynn's publishers are worried now about substantiating some of his autobiography . . . **Capt. Peter Townsend** will bring his fiancee here to promote his travelogue . . . **Castro'll** spend 50 millions to attract tourists back to Cuba . . . **Shelley Winters** hopes to co-star with husband Tony Franciosa in "The Wedding Breakfast" . . . **Maria Callas** told reporters: "I think my husband behaved abominably — I've lost every vestige of regard for him."

★ ★ ★

EARL'S PEARLS: Students get to college in many ways—by plane, train, bus, automobile or football coach.

WISH I'D SAID THAT: Some girls marry millionaires—but all of 'em act like they did . . . **That's earl, brother.**

Calls Dad Poor Swim Teacher

It's an Expert's Job, Declares Coach Sylvia of Springfield College

SPRINGFIELD, Mass. (UPI) — Springfield College swimming coach Charles E. Silvia says Dad shouldn't give Junior his swimming lessons any more than he should be in charge of filling his teeth.

They are both jobs for an expert, says Silvia, a 45-year-old professor of physical education and a former president of the National Swimming Coaches Association.

He points out that many subscribe to the theory that the best way to teach swimming is to duck the child under water right at the start.

The result, says Silvia, is that "all too frequently, the student's progress and adjustment to the aquatic environment is seriously retarded."

His own approach, he said, "is to provide each beginning swimmer with basic understanding" of the subject.

"The results of instruction that have stimulated the student's mind are much more gratifying to the student as well as to the instructor, when the intellect plays a major role."

Silvia, who directs a swimming school for children here during the summer, advocates the use of artificial supports in the water "to reduce apprehension and enable the student to practice conscious control of the hands and feet while in the water."

It is the practice at his school to introduce teaching aids such as waterwings, the kickboard and swimfins in the first lesson.

Silvia advises fathers that the chances of making Olympic swimmers out of their sons and daughters are pretty slim if they are not taught by a professional.

"Unless a parent is completely familiar with the proper execution of stroke techniques, he can establish in the mind of his child the incorrect techniques."

Elvis Presley Won't Lose His Tonsils

FRANKFURT, Germany (UPI) —Elvis Presley, hospitalized with a throat infection, is progressing satisfactorily, an Army spokesman reported today.

The rock 'n' roll singer "should be out of the hospital by the end of the week," the spokesman said. Doctors apparently decided against removing Presley's tonsils.

An officer of the 3rd armored division said Presley was suffering "from a mild throat infection similar to the one he had four months ago." Presley spent a week in the hospital then.

Dorothy Shay Given Uncontested Divorce

SANTA MONICA, Calif. (UPI)—Singer Dorothy Shay was granted an uncontested divorce Friday after testifying that her husband of 16 months, Richard C. Looman, brooded and disliked having a family.

Miss Shay, 38, and Looman, 43, an automobile public relations executive, were married in June 1953 and separated last January.

Bernstein, Philharmonic Captivate the Russians

By FRED DANZIG

NEW YORK (UPI) — The faces belonged to Russians, young and old, but the expressions were thoroughly familiar.

Thanks to TV, we have seen such rapt, sublime expressions on our own young and old after exposure to performances by Leonard Bernstein and the New York Philharmonic.

The first of four concerts by this famed team was filmed in Moscow during a recent tour and shown yesterday on CBS-TV. It was a rewarding, captivating hour.

Bernstein told his Russian audience, "Americans and Russians simply love each other's music." He proceeded to prove his point with some musical evidence in compositions from both nations.

Similarities also were readily apparent as his great orchestra performed excerpts from Copland's "Billy The Kid" ballet suite and Shostakovich's Seventh Symphony. The camera caught superb closeups of audience members and moved into the orchestra itself to heighten the cogency of the moment.

Bernstein's own passions and gestures, although somewhat theatrical-looking at times, certainly added to my understanding of the music.

★ ★ ★

The sponsor (Ford) kept the commercials to a bare minimum. Perhaps the only wrong note came when Attorney Joseph N. Welch delivered a talk on citizenship. His lecture was well-intentioned but did nothing to heighten the orchestra's dramatic impact.

PITCH FOR FUNDS

Telethons for worthy causes may have been rendered obsolete by NBC-TV's one-hour tribute to Eleanor Roosevelt on her diamond jubilee last night.

A blunt fund-raising pitch for a new cancer research institute, the program had Arthur Godfrey as host and offered gracious entertainment, carefully planned and executed by numerous stars and various public figures.

It served as an example of how TV shows of this type can be presented without developing into maudlin, raucous or tiresome affairs.

★ ★ ★

THE CHANNEL SWIM: Tom Tully will portray his old role of Inspector Greb when he returns to CBS-TV's The Lineup, as a special guest, in the Wednesday, Nov. 4 episode. . .Ray Jacobs, who is Danny Thomas' brother and assistant director of Danny's Monday night CBS-TV show, gets an acting role in the Nov. 9 half-hour.

Orson Bean has joined the cast of "Miracle on 34h Street," which NBC-TV presents on Friday, Nov. 27 with Ed Wynn starring as Kris Kringle. . British star Robert Morley is filming, "Specialty of the House," for a forthcoming CBS-TV Alfred Hitchcock Presents. . .The title of Jackie Gleason's book about TV is, "Go on Red," which means, "When the camera light is red, we're on the air". . .Margaret O'Brien and Gene Raymond star in "Big Doc's Girl," on the U.S. Steel Hour Wednesday, Nov. 4.

Gleason Celebrates His Broadway Debut

By JACK GAVER
UPI Drama Editor

NEW YORK — A happy Jackie Gleason celebrated in the early hours Friday at a party in Sardi's Restaurant by sitting in with a Dixieland jazz band and playing the drums.

★ ★ ★

His was a triumphant beat because just across the street in the Shubert Theater he had at last reached the top rung of the Broadway ladder as a costar of "Take Me Along," a bright, cheery, nostalgic and charming musical.

In view of the giant helpings of fame and fortune that television ladled into the rotund comedian's bowl for years, many will wonder why Thursday night's premiere should provide what likely will be the biggest kick of his ebullient career.

But theater people understand.

★ ★ ★

Not that the comedian carries the burden of "Take Me Along" by himself. The day when musicals were built around and for comics is long gone.

Costarred with him in this artistically faithful adaptation of Eugene O'Neill's famous comedy, "Ah, Wilderness!", are Walter Pidgeon and Eileen Herlie.

And the playing of Robert Morse, who is merely sensational as O'Neill's 16-year-old waking up to love and life; Una Merkel, Susan Luckey, Fred Miller and Peter Conlow is vitally important.

Almost 40 per cent of the area of the continental United States receives too little rain for general agricultural purposes, according to a survey by the Twentieth Century Fund.

Throws Party for '77'

Dino Hails Gumshoes

By BOB THOMAS

HOLLYWOOD (AP) — No, Virginia, there is no such address as 77 Sunset Strip. But there is a cafe called Dino's, and it was the site of a recent party to hail the TV series' second season.

Dino himself was there—Dean Martin, who introduced the show's stars and producers. It was his first public acknowledgement of what "77 Sunset Strip" had done for his bistro: making it nationally known. Oddly, the publicity was unsolicited.

★ ★ ★

The celebration over, the film makers went back to the job of turning out television shows. That job gets tougher all the time, according to Howie Horwitz, who has produced "77" from the beginning.

"When we went on the air last season, there were only four detective shows on TV," he remarked. "This season there are 14. That means we're going to be facing a lot more competition."

Horwitz pointed out that the opposing networks have brought in blockbusters to try blasting "77" out of its dominance of the Friday night audience. NBC has scheduled a series of specials at the same time, and CBS shifted Desilu Playhouse from Monday nights.

★ ★ ★

"But we've got something going for us," the producer said confidently. "We have big assets in three personable and accomplished stars—Efrem Zimbalist, Roger Smith and Edd Byrnes. We still haven't exploited all of their talents. Roger, for example, is an accomplished guitarist and singer. We'll bring that into a show soon."

Horwitz acknowledged the immense popularity of Byrnes, the kookie comb fancier, with the teen-age audience.

★ ★ ★

"But we're not going to make ours a kookie show," the producer added. "There would be a temptation to exploit a hot personality, but that would throw our show out of balance." He pointed out that since the sponsors aim their products at the post-teen audience, there's no pressure to kookie-ize the show.

A Boom for Drive-Ins

NEW YORK (UPI)—The movie industry added another 200 drive-in theaters to its rolls in 1958, boosting the total to 4,700. At the same time, nearly 3,000 movie houses around the country were shuttered last year, shrinking the total to about 16,000, according to figures in the Film Daily Yearbook.

'We'll Give LA Antismog Device, but Which One Do They Want?

DETROIT (UPI)—The auto industry said Saturday it would give Los Angeles County smog control officials any smog-control device they wanted "within a year of the time they tell us which one they want."

A spokesman for the Automobile Manufacturers Assn., which represents the industry in development of an exhaust control device for cars, said the auto industry made this promise to Los Angeles officials last February "and we'll stick by it."

The spokesman said he felt this promise, plus his statement that there was no device ready for use by the public at this time, may have resulted in charges by the Los Angeles County Board of Supervisors that the auto industry was using "double talk."

"We're not using double talk," the spokesman said. "We will abide by our promise. But all of these devices are still in the prototype stage and we have had no official indication from the Los Angeles authorities about which device they want us to develop fully.

★ ★ ★

"If they want to pick the afterburner and say 'this is it' we will develop it for them within a year, although some of the other devices show more promise.

"But I don't see how they can decide which one should be developed fully when they haven't even been tested.

"And even if they give us the go-ahead now, we probably couldn't get it ready for the 1961 models, at the beginning of the model run at least," the spokesman said. "We said we needed a year after they give us the go ahead, and the 1961 models already are less than a year away."

★ ★ ★

The industry is working on three separate smog-control devices, an afterburner, a low-temperature catalyst device and a high-temperature catalyst device. The spokesman said all are still in the prototype stage and the industry is dividing its efforts among the three, rather than concentrating on any one, because it still doesn't know which might prove most effective.

23 Charged With Evasive Answers

Underworld Convention Delegates Go on Trial

NEW YORK (AP) — Twenty-three delegates to the Apalachin, N.Y., underworld convention go on trial in federal court today charged with giving evasive answers about the conclave.

The government has charged that the defendants conspired to give federal grand juries and other investigative agencies false information about the nature of the Nov. 14, 1957, meeting at the home of the late Joseph Barbara Sr.

★ ★ ★

Milton R. Wessel, special assistant to the U.S. attorney general, has marshaled more than 100 witnesses. U.S. Dist. Judge Irving R. Kaufman will preside at the trial, which is expected to take 7 to 14 weeks.

Kaufman has dismissd 90 pretrial motions by the defense and has made it clear he expects to start selection of a jury today. There are 17 separate groups of defense lawyers.

Sixty-three men attended the Apalachin conclave, which was raided by state police. All the men were released after questioning, but the raid set off intensive investigations by state and federal grand juries, the U.S. attorney general's group to prosecute organized crime, and the State Investigation Commission.

★ ★ ★

For the most part, the convention delegates told each investigative agency the same story. They said they either were there to attend a party or to pay their respects to Barbara, who they said was sick. Barbara, 53, died after a heart attack last June 18.

Authorities have said the meeting was arranged to discuss rackets in narcotics, certain labor unions and industries.

★ ★ ★

Last May 22, a federal grand jury returned the conspiracy indictment against 27 defendants. The 36 other delegates were named as co-conspirators. Four of those named defendants have not been found.

The 23 defendants are free in bail ranging from $10,000 to $50,000 except for one, Mike Miranda, who was jailed Aug. 15, 1958, for contempt resulting from his refusal to answer questions before the State Investigation Commission.

Conviction carries a penalty up to five years in prison and a $10,000 fine.

Metropolitan Opera 75th Season Tonight

NEW YORK (UPI)—The Metropolitan Opera opens the 75th and longest season in its history tonight with a debut performance by one of the world's greatest mezzo-sopranos, Giulietta Simionato.

The famous diva from La Scala of Milan will share first night honors with Antonietta Stella, Carlo Bergonzi, Leonard Warren and William Wildermann in a brand new production of Verdi's "Il Trovatore," one of six newly staged works schedule for the Met's 26-week season.

Flint Man Drowns

ALVIN (AP)—James Fenzau, 36, of Flint drowned Saturday when he fell from an outboard motor boat while fishing in Cedar Lake.

Hunter Killed Near Dexter

Brown Hat Mistaken for Squirrel; Total Now Stands at Five

By The Associated Press

A hunter whose brown cap was mistaken for a squirrel was shot to death Sunday, bringing to five those killed in the current Michigan small game season.

★ ★ ★

Robert L. Conley, 34, of Ypsilanti, was shot through the head by a .22 caliber rifle as he and two other men hunted in the Pinckney Recreation Area, about eight miles northwest of Dexter.

Sheriff's deputies quoted Conley's brother-in-law, James W. Bays, 31, of Ypsilanti, as saying he saw something brown move in heavy brush, thought it was a squirrel and fired a shot at it.

Bays was released pending an investigation by sheriff's deputies.

Four other hunters have died of gunshot wounds since the opening of the small game season Oct. 1. Six hunters have suffered fatal heart attacks and some 75 have been wounded.
