Fired-Up Chiefs Work Overtime to Nip Huskies

By DON VOGEL

Somebody apparently forgot to inform the Pontiac Central Chiefs that their domination of the city basketball series with Northern has ended.

Northern went into last night's contest a solid favorite for the first time since the series started in 1958. The Huskies had Central on the ropes twice, but each time the Chiefs refused to be counted out.

And when the final buzzer sounded after the second overtime to end one of the most exciting tussles in the series, Central was on top, 83-79.

It was the 19th victory over Northern in 22 tries for the Chiefs who rallied twice to overcome big deficits and in turn let Northern overtake them in the final minute of regulation play.

Three series marks were established. The winning total was the highest, the combined 162 points was the most scored and it was the first double overtime tilt.

Although not a technical masterpiece by the players, the contest kept the near capacity crowd in the PCH gym on the edges of the bleachers throughout.

Ardel Shelton finally settled the issue with 42 seconds to play in the second overtime when he went in alone on a fast break to give PCH its four-point lead. PNH had two good tries in the final eight seconds, but missed.

Walter Causey's free throw with five seconds remaining in regulation tied the game at 67-all. But he missed the second shot and Bob Taylor rebounded for Northern.

The Huskies, led by guard Mike Clancy's two breakaway layups, sprinted to a 73-67 lead in the opening minute of the first overtime. But the Huskies tried two long shots instead of trying for the layup.

EARNED DEADLOCK

Both missed and PCH scored after each to start a comeback that earned the Chiefs a 77-all standoff after the three-minute extra session.

Alton Wilson fired in a 20-footer at the start of the second overtime and Shelton followed with a short jumper. Eddie Williams made a free throw for Northern with 1:30 to play. The Huskies didn't score again and Shelton iced it with his layup.

Central's Frank Russell led all scorers with 22 points. Traynor settled 21 for PNH. Wilson, who sat out most of the second half with four fouls, scored 18 and Walter Causey 13 for the Chiefs.

Sophomore Chuck Moncrief netted 17, Don Hayward hit 15 and Clancy 14 for the Huskies who dropped their second game against three wins. Central snapped a three game losing streak and is 2-3 for the season.

Northern dominated action in the first quarter and it looked like pre-game predictions were right. Led by Hayward, the Huskies jumped to an 8-2 lead.

Central pulled to within 14-12, but the Huskies quickly piled up a 9-1 margin to lead 22-13 after the opening period.

Causey then entered the game for the Chiefs and the tie began to turn. He hit two quick jumpers from the side and teamed with Rudy Churchwell and Wilson to take control of the backboards.

Packers vs. Cowboys

NFL 'Chiller' Ready

GREEN BAY, Wis. (AP) — Green Bay should feel right at home Sunday with the prospect of snow flurries, bone-chilling cold and cutting wind for the National Football League title game between the favored Packers and the Dallas Cowboys.

Although the surface of Lambeau Field will be heated to 50 degrees by 14 miles of electric wiring beneath it, the temperatures in the rest of Packerland are expected to be in the middle teens by game time at 2 p.m., EST.

The rematch of last season's title game which ended dramatically in a 34-27 Packer victory will be carried on network (CBS) radio and television with the Green Bay area blacked out on television.

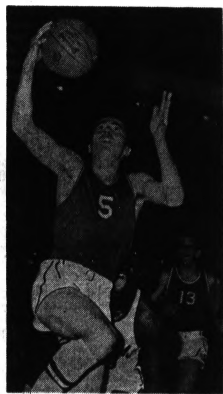

Dallas flew in from the Southland Friday afternoon a few hours after the Packers completed their heavy work in another closed session. Both teams were to do little more than limber up until game time.

"I feel it will be a defensive game," said Coach Tom Landry of the Cowboys, the Eastern conference champions. "I don't anticipate another 34-27 score. I think this one will be tougher. Of course, on side may get out ahead and run away with it as so often happens in NFL title games. I look for defense to predominate because both of us have had less time to get ready for this one."

Vince Lombardi, confident of another fine performance by his Western Conference champs made no prediction.

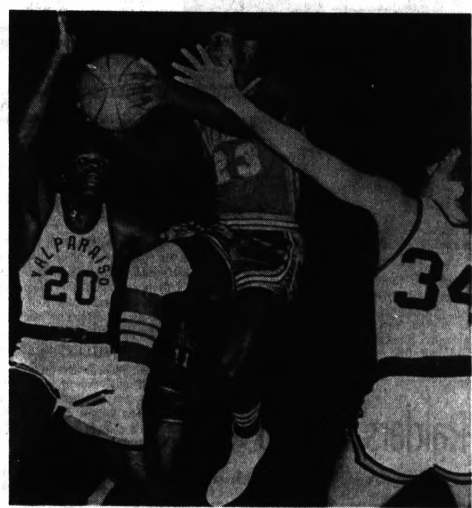

"I just hope it is a good ball game," said Lombardi, whose Packers are shooting for an unprecedented third straight league playoff crown. "I'd like to win it. I'll be very much disappointed if we don't. Most of all, I'd like to see us play real well."

The big prize, in addition to the prestige of the NFL title and an approximate \$7,800 winning share per player, the losers will get about \$5,200, is a crack at the \$15,000 Super Bowl jackpot in Miami, Fla. Jan. 1, against the American Football League champion. The Packers already know how sweet the Super dough can be, having beaten Kansas City last January in Los Angeles.

EASY LAYUP — Pontiac Northern's Mike Clancy goes in for an easy layup in the second half of last night's game against Pontiac Central. Clancy scored four of his seven baskets on shots such as this one.

SUPER SOPH—Niagara's sophomore scoring sensation Calvin Murphy (23) takes to the air to get off a shot against Valparaiso during their game in the Motor City basketball tournament last night in Detroit. Murphy tossed in 41 points to pace Niagara to a 113-82 victory. Trying to head off the Niagara flash are Tyrone Williams (20) and Sheldon Ferguson (34).

Niagara's Murphy in Record Form; Titans Triumph

By BRUNO L. KEARNS
Sports Editor, Pontiac Press

The little man in basketball and those who find pleasure in baton twirling have themselves a new champion.

Calvin Murphy, the 5-10 sophomore superstar of the Niagara Purple Eagles, dazzled a crowd of 7,000 last night to lead his team to a 113-82 victory over Valparaiso in the opening game of the Motor City basketball classic.

Even though it was considered an "off" night for him, Murphy helped break or tie five tournament records in getting 41 points which was below his average of 45 points as the leading collegiate scorer in the nation.

The victory puts Niagara into the finals tonight at U. of D., which put a tight zone shield over a tall Portland quintet to win 80-69.

The Titans had trouble finding the range at the start of the game, and it was Hamtramck's Ralph Brisker who, after missing three shots, made six of seven in the first half.

Portland had a front line of 6-8, 6-8 and 6-6, but Titan 6-7 center Tom Richardson stole the thunder off the boards as he hauled in 22 rebounds, of which he tipped in five baskets.

Center Jesse Perry moved Portland into the lead early with his arching turn-around shots and the visiting Pilots had a 13-point lead at one time. It was 40-33 at intermission.

ZONE DEFENSE

In the second half, the Titans threw a collapsing zone defense against Perry, limiting his output to seven points.

Portland held a 47-44 lead, and with Warren's Larry Salei hitting three straight buckets, U. of D. outscored the visitors 14-2 and never fell behind.

As a team, Niagara was hardly impressive, but Valparaiso was even worse. The fans came to see Murphy and they saw his one-handers, two-handers, drives, hooks and saw him execute 10 or 12 pass offs which kept his teammates on their toes.

Basketball Feast for UCLA Still Continues on Schedule

By The Associated Press

UCLA's holiday feast is proceeding according to schedule — the Bruins continue to gobble up everything in sight — but Indiana's once-promising menu has turned into a full-court press. The top-rated Bruins whipped St. Louis University 108-67 in the semifinal round of the Los Angeles Classic.

The poor Hoosiers, however, unbeaten and rated No. 3 when they landed in Dallas, Tex., for the All-Sports Association Tournament, suffered their second loss in as many games Friday.

And while the first defeat was administered by a strong Western Kentucky team, the last humiliation was a 91-64 consolation-round setback by Southern Methodist, which hadn't won a game in eight previous starts this season.

UCLA's game was strictly no contest — which of them? — as Lucius Allen scored 28 points, Lew Alcindor threw in 26 and St. Louis spent all evening trying to solve a full-court press. The Bruins will meet Wyoming, which beat Iowa 84-67 in two overtimes Friday, in the tournament final tonight.

Southern Methodist's victory was as

complete as it was surprising. The Mustangs took an early lead and never trailed, though Indiana tied the score once in the last half. Bill Voight scored 25 points, Gary Sibley had 23 and Lynn Phillips 21 for SMU, while Joe Cooke topped the Hoosiers with 30.

The All-Sports title went to Western Kentucky, which beat California 96-85, while in the consolation round in Los Angeles, fourth rated Tennessee, beaten for the first time by Iowa Friday night, found some solace in a 78-68 victory over Southern California.

In the Far West tournament at Portland, Ore., fifth-ranked North Carolina squeezed past seventh-rated Utah 86-84. The Tarheels will meet Oregon State in the final tonight as the Beavers edged Washington State 62-61.

North Carolina trailed all the way, by as many as 17 points in the second half, but tied the game at 84-all on a layup by Larry Miller with a minute left. Charley Scott won the game with a basket with just eight seconds left.

WILL IT BE GOOD? — Len Cole of Pontiac Central appears to be place kicking while Rudy Churchwell of PCH and Northern's Don Hayward watch the result. The action centered on a rebound that none of the three came up with in last night's contest.

Game Set for Sunday

T-Hawks, Foe Add Board Strength

The Chicago Bombers of the North American Basketball League and the Pontiac Tomahawks, trying to put an end to their losing streak, have both added rebounding strength to their lineups and are expected to have their new additions on the floor when they meet Sunday evening at 5:30 on the Pontiac Northern court.

Chicago announced it has signed 6-9 Ron Dunlap of the University of Illinois and expects to have him in uniform against the Tomahawks tomorrow.

The Tomahawks, meanwhile, have also added board strength and scoring by picking up Ed Burton, former Muskegon Heights All-Star five last season. Burton, who stand 6-8, who attended MSU for two years and then went with the Harlem Globetrotters for a two-year stint, was Muskegon's leading scorer and rebounder before the franchise collapsed.

Coach Bob Duffy said he would trim the Tomahawk roster to make room for Burton and his presence gives the T-Hawks strong front line board strength with Pistons' rookie star Sonny Dove at 6-8 and Jim Patterson at 6-7.

Paul Long, the tricky 6-1 floor man who is also a Pistons' farm hand, Duffy

Title Defense Planned

BERLIN (UPI) — Karl Mildenberger of West Germany will defend his European heavyweight boxing championship Saturday night against Gerhard Zech in the Sportpalast. Mildenberger weighed in at 205½ pounds Friday while Zech tipped the scale at 224½.

himself and Dave Gaines will carry the backcourt load.

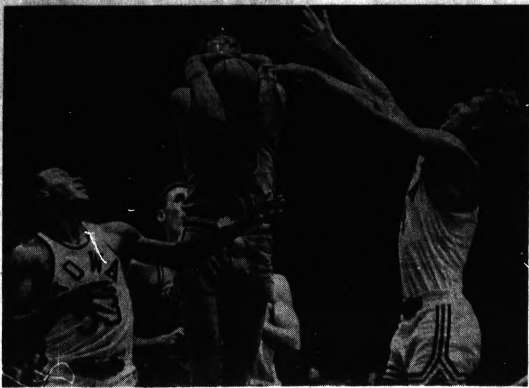

Ernie Thompson, 6-4 former Saginaw and Bradley University star, is currently a starter at the forward spot.

The Tomahawks are hoping to put an end to the last quarter fadeaway which they have experienced in most of their defeats this season.

The Bombers, who play in the NABL like the Globetrotters, have Porter Mireweather as their leading scorer, hitting at a 22 ppg clip.

The game was scheduled for 5:30 p.m. in order to allow the fans to see the Packers-Dallas game.

Next Saturday, Jan. 6, the Tomahawks play the Eastern Division leaders, the Lansing Capitans in Lansing and then are off until they return with another game against Chicago, Jan. 20 at PNH.

HANGING ON—Wyoming's Gary Von Krogh leaps above two Iowa Hawkeyes to gather in a rebound in a semifinal game last night in the Los Angeles Basketball Classic. Iowa's Sam Williams is at left, Dick Jensen at right. Wyoming won, 94-85, in two overtimes.

Two Land Starting Jobs

USC Subs in Rose Bowl Spotlight

PASADENA, Calif. ZAP) — through which O. J. Simpson can dash, and the All-America Offensive guards Dennis Born and Fred Khasigian, substitutes during the past season, face the rugged test as starters for Southern California in the Rose Bowl.

They carry a big part of the responsibility for opening holes

is ineligible for the Rose Bowl because of the National Collegiate Athletic Association's junior college transfer rule.

Then All-Pacific - 8 Mike Scarpace went out with torn knee ligaments and both of the underdogs had starting assignments.

Despite the loss of the two starting guards, Southern California remained a two-touchdown favorite to turn back the unpredictable Big Ten Club led by sophomores Harry Gonso at quarterback and John Isenbarger at halfback.

Football Fans Focus Eyes for Holiday Bowl Parade

By United Press International It's getting so you just can't tell the players with out a TV roster.

That's especially true this holiday weekend when no less than eight college football bowl games will be telecast nationally, and no doubt be responsible for the disrupting of a happy home or two.

Beginning today with the televising of the Gator Bowl, Sun Bowl, East-West Shrine game and the Blue-Gray game, the avid football fan can catch about 20 hours of college football before next Tuesday.

The weekend's best games should materialize on New Year's Day with Indiana meeting top-ranked Southern California in the Rose Bowl, second-ranked Tennessee facing third-ranked Oklahoma in the Orange Bowl, Texas A&M meeting Alabama in the Cotton Bowl and Louisiana State facing undefeated Wyoming in the Sugar Bowl.

The best game today should be at Jacksonville, Fla., where Florida State meets Penn State in the Gator Bowl.

The Seminoles, coached by Bill Peterson, boast one of the nation's finest quarterbacks in Kim Hammond and an excellent receiver in Ron Sellers.

Penn State, winner of the Lambert Trophy as the top team in the East, has a fine quarterback of its own in Tom Sherman and two fine receivers in Jack Curry and Ted Kwakkel.

Those looking to watch the cream of the college football crop in action will have their choice from two all-star games. These are the East-West Shrine game at San Francisco and the Blue-Gray game at Montgomery Ala.

Bill Stevens, who established several NCAA passing records this season, carries the University of Texas at El Paso's hopes against Mississippi in the Sun Bowl at El Paso. The high-scoring Miners are a six-point underdog to the defense-minded Rebels.

PNH Dominates Mat Tournament at OU

Avon, Troy Cagers Win Road Tilts

Special to The Press ALPENA-Avonale and Troy jumped off to a winning start in their basketball visit to Alpena and Cheboygan.

Avonale opened with a 62-40 decision over Cheboygan, and Troy turned back Alpena, 58-42. Tonight, the teams move to Cheboygan and switch opponents — Alpena vs. Avonale and Troy vs. Cheboygan.

A hot first half powered Avonale to its first win (1-4) of the season. The Jackets led at halftime, 34-20. Bob Burt tossed in 26 points and Pwyne McLaughlin added 14 for the winners.

Lynn Qualmann tossed in 17 points and Brad Faber added 13 to spark the Troy (4-2) attack. Bill Davison took game honors for the losers with 21.

Slow Pace by Pistons Aids Hawks

Though the Pistons led only once, they stayed with the pace most of the way Friday night in a National Basketball League game against the St. Louis Hawks.

Then with the score tied at 97-97, Lou Hudson of the Hawks broke away for two field goals and the Hawks moved steadily ahead. The final score: St. Louis 122, Detroit 111.

The Pistons led only once, late in the third quarter when they moved ahead 11-90. Len Wilkins had 10 assists and 23 points for the Hawks, which hit for 50 percent on field goal attempts.

Pistons coach Donnis Butcher was ejected with only 2 minutes gone in the first period after he ran onto the court to protest a foul called on the Pistons' Eddie Miles.

In other NBA games, the defending champion Philadelphia 76ers dumped Boston 123-123. Los Angeles beat New York 128-115, Chicago took San Francisco 107-100 and Baltimore romped over Cincinnati 130-113.

The 76ers victory increased their lead in the NBA's Eastern Division to 2½ games. The loss was Boston's third straight.

Boston, facing a coast-to-coast road trip in which it plays four games in five days, was never in it at Philadelphia. The 76ers took the lead early in the first quarter and never trailed, leading by as many as 18 points.

Billy Cunningham tossed in 36 points, 12 in the last quarter to quell a Boston rally, and Will Chamberlain got 31 and 27 rebounds. John Havlicek had 24 points for the Celtics.

 Total fouls—Detroit 25, St. Louis 31.
 Attendance 4,261.

Titans, Niagara in Cage Finale

(Continued from Page B-1)

Murphy, who as a sideline has twirled the baton during the football games of the Buffalo Bills, has been hitting at least 30 per cent of his shots but yesterday his 17 of 40 accounts for only 42 per cent.

The records which were set include most points 41, surpassing the 40 set by Bill Ebben in 1956; most points for a team, 113 points; most field goals for a team, 42; a tie for most field goals by Murphy 17 and a tie for most points by two teams, 195.

All of these and a lot more could be shattered tonight in the finale when Niagara and U. of D. meet at 8:15 p.m. The consolation between Portland and Valparaiso will start at 7:30 p.m.

U.S.-Soviets in Ice Finals

COLORADO SPRINGS, Colo. (AP)—The United States and Russia are circling for a climactic showdown in the championship of the International Hockey Tournament here at the Broadmoor World Arena.

The U.S. club turned back a tough Finland team 5-1 Friday night and will play twice-beaten Italy Saturday afternoon. Russia will meet Denver University Saturday night, and the U.S. and Russia will clash in the tournament finale Sunday. Both clubs are undefeated in two tournament starts.

In the Friday opener, Denver University blitzed Italy with a four-goal first period and went on for a 5-2 victory.

A HAPPY NEW YEAR TO ALL!

Country Day Quintet Wins Tourney Crown

A hot fourth quarter carried Country Day to a 66-57 victory

Chiefs Record 19th Victory in City Play

(Continued from Page B-1)

This stopped PNH's fast-break and the Chiefs tightened their defense, forcing the Huskies to shoot from outside where they were not effective.

Although PCH didn't catch up, the Chiefs trailed only 32-28 at the intermission. The second half was a seesaw duel with first one team leading—never by more than four—and then the other.

Hayward fouled out with 6:58 to play in the fourth period and the Chiefs' board control increased. The Chiefs forged ahead 57-54, but Churchwell went out with five fouls and the tide turned.

Traylor gained control of the boards and led PNH in a comeback that netted a 59-57 margin on Moncrief's two charity tosses. But Wilson made a layup and Russell converted a three-point shot to push the Chiefs back in front.

With 38 seconds to play, Central led 66-63. Eddie Williams broke in for a layup and then stole the ball from Wilson for another easy two-pointer to put PNH up by one. Moncrief then fouled Causey who tied the score and sent the contest into overtime.

Northern romped to a 72-47 victory in the junior varsity contest paced by Gary Gibson's 23 points and 18 by Joe Bradley.

U. of M. 6 in Big Ten Ice Finals

MINNEAPOLIS (AP)—Michigan blitzed Wisconsin, 8-0, Friday night to move into the Saturday night finale of the Big Ten Hockey Tournament against host Minnesota.

Michigan State trounced Ohio State, 7-0, in a consolation game and will play Wisconsin for first place.

The Wolverines' Lee Martilla didled Wisconsin's outmanned Badgers with four goals and two assists to lead the rout. His first goal came with the game only 2½ minutes old, and Michigan kept up the barrage. Doug Galbraith added two goals and two assists for Michigan, while Garney Pashak and Randy Binnie got the other Wolverine goals.

Wisconsin goalie Bob Vroman had to stop 52 shots in addition to those which got past him. Michigan's Jim Keough was credited with 45 saves.

Almont Cager Is Hospitalized

Almont's basketball fortunes were handed a disastrous blow when one of the team's leading scorers, Bob Hamilton, suffered an injury on a construction job and was placed in the intensive care unit at Pontiac General Hospital after undergoing brain surgery.

Hamilton, a 5-11 senior football and basketball star at Almont, helped the Raiders to a 3-1 record to date with 43 points in the four contests. Almont is a member of the Southern Thumb League, sharing first place honors last season.

NEW YEAR'S EVE — The Rev. Arnold Q. Hashman of Calvary Assembly of God Church, Waterford Township rings the bell for services along with other men of the congregation. Members and friends of the church will join in a New Year's Eve service at 8:45 p.m. tomorrow. The pro-

Pontiac Press Photo by Rod Winter

Lead Worship

University Students Assist in Services

Young people of St. James Methodist Church and other churches throughout Oakland County will observe Student Recognition Day tomorrow with students reading Scripture, speaking, leading responsive reading, offering prayer, singing and serving as ushers.

FIRST PRESBYTERIAN

During the morning worship in First Presbyterian Church tomorrow college and university students will be greeted and recognized.

BETHANY BAPTIST

Dr. Emil Kontz will bring the message at Bethany Baptist Church tomorrow morning and college students will take charge of the service.

Those participating include Thomas Pepper, Cynthia Howel, Charles Sickels, Michael Maxfield and Nancy Hsu.

CENTRAL METHODIST

A fellowship breakfast will honor students home for the holidays from colleges and universities tomorrow. Students will serve as ushers and greeters.

SEEK SCRIPTURE LESSON — Carol Harris of 785 Fourth and Ray Council of 156 N. Jessie look in the Bible for the Scripture lesson to be read tomorrow morning in St. James Methodist Church, 451 W. Kennett.

Pontiac Press Photo

On New Year's Eve
Pray for World Leaders

Thousands of men, women and young people throughout Oakland County will be found of Savage speaking on "He Could Not Be Hid in 1967." The film "Breaking Point" will be shown. Refreshments will be served during the evening. The New Year will find the congregation in a service of prayer. The public is invited.

Many will be in church services of prayer and Holy Communion. Some may be at home and others at festive parties.

But when the New Year arrives thinking people will pray for peace, pray for justice for all people, pray understanding, for the spirit of God to enter all hearts, for government leaders, local officials, youth leaders.

Perhaps each will pray for courage to accept what he cannot change and for strength and wisdom to help others.

MESSIAH

The Rev. Marty Pierce, associate pastor, will speak at the Watch Night service from 10 until midnight tomorrow in Messiah Missionary Baptist Church.

Other speakers include the Rev. Century Morris, an associate pastor, and the Rev. Roy C. Cummings, minister of the church.

A fellowship hour with refreshments will precede the worship service.

ST. MARY'S-IN-THE-HILLS LAKE ORION

Holy Communion with sermon will be celebrated at 9 and 11 a.m. tomorrow in St. Mary's-in-the-Hills Episcopal Church, 305 N. Greenfield, Lake Orion.

The Junior Choir will sing and children will be blessed at the second service.

A celebration of Holy Communion is scheduled for 10 a.m. on New Year's Day.

AUBURN HEIGHTS U.P.

The youth group of Auburn Heights United Presbyterian Church will hold a combined Christmas and New Year party at the home of June Lockamy, 813 Nichols at 7:30 tonight.

ST. ANDREW'S WATERFORD TOWNSHIP

Holy Communion will be observed at 8 a.m. tomorrow in St. Andrew's Episcopal Church, Waterford Township.

Choral Eucharist and sermon with no Church School are scheduled for 10 a.m.

ST. PHILIP'S ROCHESTER

The regular schedule of three morning services will be as usual at 8, 9:15 and 11 a.m.

At both the 9:15 and 11 a.m. worship services Holy Communion will be celebrated according to the new liturgy of the Episcopal Church.

The music will be according to the American Folk Mass, the Rev. W. R. Schutze said.

ALL SAINTS EPISCOPAL

Holy Communion will be celebrated at 8 a.m. tomorrow in All Saints Episcopal Church.

The Adult Choir will present the cantata, "The Holy Child" at 10 a.m.

Soloists include Philip Vincelle, Lowell Thomlinson and Russell Skitch.

A coffee hour in the Rose Kneale Room will follow. Visitors and newcomers are urged to attend.

FELLOWSHIP BAPTIST WATERFORD TOWNSHIP

The congregation of Fellowship Baptist Church, Waterford Township, will observe New Year's Eve with a Watch Night service following the regular 8 p.m. service tomorrow.

Congregation, Host to Temple Youth

Rabbi Philip Berkowitz will conduct the 8:30 service at Temple Beth Jacob Friday evening. He will speak on "T.B.J. for 1968?"

The board of Michigan State Temple Youth will be guests of the congregation.

Chairmen for the event are Maxine Thome, daughter of Dr. and Mrs. Maurice Thome; and Joseph Chafets, son of Mr. and Mrs. Joseph Colton.

An Oneg Shabbat will be held following the Friday service at the Temple. Future meetings will be conducted Saturday followed by a social.

FLO PRICE

MRS. BOBBY WHITE

Film to Be Shown; Installation Sunday

New Year's Eve service at First Baptist Church will feature the film, "Beloved Enemy," one of the outstanding Gospel films today. The service will commence at 8:30 p.m. instead of the usual 7 p.m. worship hour.

Flo Price, star of "Beloved Enemy" will be present for the entire evening. She will sing a number of songs.

There will be a time of fellowship and refreshments during the evening.

The service will close at midnight with the observance of the Lord's Supper.

SINGS AT TWO

Flo Price began her singing career at the age of 2 when she sang for a PTA meeting in Riverside, Calif.

Later the family moved to Muskegon where she received voice training which continued through her studies at Bob Jones University.

In her early teens she became a Christian, dedicating her talents to Christian service.

An organist and pianist as well as soloist, Miss Price has appeared as featured soloist on radio and television in Gospel programs.

Among songs and choruses she composed are "Let Not Your Heart Be Troubled," "Wandering Sheep" and "Gonna Wake Up Singin'."

Her latest films in which she plays the leading female role include "The Haunted Church Bell" and "My Favorite Phony."

INSTALLATION

Principal speaker for the installation of officers of the newly organized Oakland County Minister's Missionary Association tomorrow will be Mrs. Bobby White.

The service will be held in St. James Missionary Baptist Church, 345 Bagley at 7 p.m.

Musical groups of the city will present a talent program.

Rev. M. M. Scott of East Side Church of God was named president of the group; Mrs. White, vice president; Mrs. E. M. Bradley, secretary; and the Rev. Victor Wood, treasurer.

Watchnight Service Set for Pilgrim

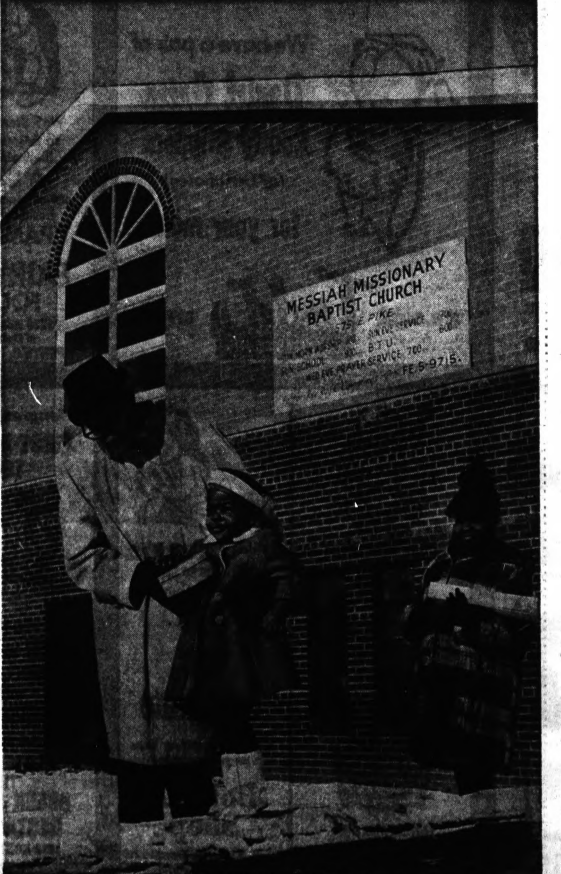

The Pilgrim Holiness churches of Pontiac and Waterford Township will unite in holding a watchnight service from 8 p.m. to midnight tomorrow in the Pontiac church, Baldwin and Fairmont.

A special music, speakers and a time of fellowship with refreshments are planned.

The Pontiac church will begin a series of evangelistic services Thursday with services continuing through Jan. 14. Meetings will start at 7 p.m. during the week and at 11 a.m. and 7 on Sundays.

Music for the revival will be by Loren and Augusta Brechsen and daughter. Besides their singing the three play several instruments and present scene-O-felt pictures.

Pastor William Lyons said the public is invited.

Pontiac Press Photo by Edward R. Noble

COOKIES FOR CHURCH — Even the children of the Rev. Roy C. Cummings help their father and mother with the work of the pastorate. Here two-year-old Tiffany with the help of older brother Marcus carries

cookies to the Messiah Baptist Church for refreshment time on New Year's Eve. Tiffany also has a box of cookies her mother made for the evening.

READING THE BIBLE—The Freeman family of Alliance Missionary Church read the Bible daily and have prayer together. Shown are Mr. and Mrs. Thomas Freeman, and children Tamara and Mark in the living room of their home at 484 Third. One of the projects of the Alliance Church for the coming year is for every one in the congregation to read the Bible through, and to hold daily devotions.

Two Projects at Alliance

Members to Read
and Discuss Bible

Friends and members of the Alliance Church, 220 N. Cass at M59, will begin the New Year with two common projects, according to Pastor L. Latimer Brooker.

The first project will be to have everyone reading the Bible. Many people have never read their Bible entirely through, Pastor Brooker said. Guides which list the consecutive passages to be read in order will be distributed.

Daily devotional reading with prayers at home is the other project for the year.

This consists of reading a passage of Scripture and either making comments as a family or reading selected devotional comments. There should be a time for a brief prayer by every member of the family or by one of the parents.

"There will be encouragement and inspiration in the realization that other families are enjoying the spiritual practice with you," said the pastor.

"Guaranteed Blessing" will be the pastor's sermon theme for the 11 a.m. service tomorrow. Mrs. William Mines will sing.

"A Look Into the Future" will be his 7 p.m. sermon subject. A watch night service beginning at 9:30 p.m. will continue until midnight. Activities will include singing, color slides and a period of fellowship with refreshments.

The congregation will see the old year out in the sanctuary during a period of devotion and Communion.

For Prayer

For those who wish to have an opportunity for quiet meditation and prayer on New Year's Eve, Christ Church Cranbrook, Bloomfield Hills, will be open that evening until 12:30 a.m.

Think of the ills from which you are exempt.—Petrus J. Loupert, South African statesman.

New Year's Eve

Documentary Film Scheduled

"Vietnam Profile," a dramatic documentary film produced by Dr. Bob Pierce for World Vision International, will be presented in a special showing at Five Points Community Church, 3411 E. Walton at 8 p.m. New Year's Eve.

The sound-color documentary, 80 minutes in length, takes the viewer through war-torn Vietnam portraying "the drama of God at work in the midst of war," Pastor Godron Lindsay said.

Dr. Pierce, president of World Vision International, spent the major part of two years in Vietnam filming and directing production of "Vietnam Profile" while establishing his organization's vast relief program there.

The film shows the people of Vietnam—the colorful aboriginal mountain tribespeople as well as the Vietnamese people themselves.

It takes the viewer into scenes of actual combat. It also follows missionaries and Vietnamese Christians in their faithful and often heroic labors for Christ, and depicts the ministries of the U.S. chaplain.

Narration and most of the filming were done by Dr. Pierce assisted by Cameraman Nguyen van Duc of Vietnam and Y. B. Tang of Hong Kong.

Ralph Carmichael composed and directed original music for the film.

World Vision with headquarters in Monrovia, Calif., cares for 22,000 needy children in 19 countries. It has launched an all-out aid program in Vietnam, building refugee centers, providing hundreds of crutches and wheelchairs for war amputees, distributing countless thousands of relief packages and supporting war widows.

It also supports blind students, orphans and other needy children.

Church of Christ Has New Pastor

Coming to serve the Lafayette Church of Christ as minister is Ronald J. Courter.

A graduate of Eastern New Mexico University, Mr. Courter received his master's degree in psychology from Wayne State University.

He has been preaching for more than three years. Presently he is also working with congregations in Farmington, Milford and Flint.

Mr. Courter and his wife Barbara Jean have a 13-month-old son Eric.

Star-Theme

During the morning service tomorrow at Auburn Heights United Presbyterian Church, Pastor F. William Palmer will conclude his series of sermons on "Silent Signs That Speak." The service deals with The Bethlehem Star.

Speaking on "Mobsism and Urban Progress," Gossett, former vice president and general counsel for Ford Motor Co., will bring to bear on the subject his many years of experience in advancing civil rights and human relations.

Gossett was appointed by the late President John F. Kennedy as deputy special representative for trade negotiations with rank of ambassador serving under the late Secretary of State Christian Herder.

New Year's Message at Oakland

The Rev. Theodore R. Allebach will present a New Year's message at the 8:30 and 11 a.m. services of worship tomorrow in Oakland Avenue United Presbyterian Church.
At 7 p.m. William Key, missionary intern, will preach. Music will include a selection by a trio composed of Mrs. James Meredith, Mrs. Ross Morton and Mrs. Stephen Hubbell. Pastor Allebach will be heard in a solo number.

Junior high youth are invited immediately after the evening service. Reservations are to be made with Diane McKenzie.

The trip which will take the young people to various homes will end at midnight.

During this week young people of Oakland Avenue Church attended the Eight Inter-Varsity Missionary Convention in Urbana, Ill. Among the thousands attending were Barbara Miller, Linda Schultz, Dennis Mott and James Webb.

Paul and Craig Allebach attended the Youth for Christ Convention in Chicago.

FIRST METHODIST
College students will assist the Rev. Clyde Smith at the 9:45 morning worship tomorrow in First Methodist Church, Saginaw at Judson.

David Cox will give the invocation; Jerry Smith will read the Scripture lesson; and Nancy Asplin will present the morning prayer.
Pastor Smith will preach on "The Influence of One Life."

Following the service the congregation will greet the students around the Christmas tree in Fellowship Hall for a coffee hour.

Johnson Temple Sponsors Musicales

The Children's Choir of Johnson Temple, Mt. Olive Voices of Hope, Cohen Singers and Worshipping Travelers will be among vocal groups presenting selections at the Annual Midnight Musicales set for Johnson Temple on New Year's Eve.

The musical program will begin in the church, 252 Western at midnight.

Serving as mistress of ceremonies will be Mrs. Billie Battles.

Guest singers include the Rev. Clinton LeVert and daughter, Denise; Mrs. Roy C. Cummings and daughters, Walter Moore, Karen Love and Mrs. Ann Douglas.

The Many Voices of Heaven Choir of Detroit will present several selections.

Sponsoring the groups are John Robertson and Lorraine Wallace. Kennis Hutchens is president.
Bishop C. J. Johnson is pastor.

Daily Studying

SPRINGFIELD, Mo. (U) — A survey among Assemblies of God ministers shows that they spend an average of four hours daily in study — three of them devoted to Bible meditation and prayer.

The better part of one's life consists of his friendships. — Abraham Lincoln.

GUIDES PASO — Tom Chavez, a Presbyterian layman, works with Spanish speaking people of the Pontiac area in forming Bible study groups and a Presbyterian mission. Currently classes are held at Joslyn Avenue United Presbyterian Church, Joslyn and Third, every Sunday evening. Mr. Chavez is the teacher.

Presbyterians Help

The Presbyterian Association for Spanish-speaking Outreach has just passed its first anniversary. Formed in October 1966 the organization composed of congregations and individuals look for new horizons or work.

According to Tom Chavez, Presbyterian layman who was responsible for founding the PASO, the purpose of the organization is:

- To share the concern and love of Jesus' Christ with the Spanish-speaking community.
- To mobilize the resources and talents of Presbyterian congregations to assist these persons.
- To assist the Spanish-speaking in becoming full participants in and beneficiaries of American life.
- To foster interchange of language and culture.

Congregations presently members of the organization are University Presbyterian Church, Rochester; Orchard Lake Community Church, Presbyterian, Orchard Lake; and Joslyn Avenue United Presbyterian Church, Pontiac.

There are individual members from other Presbyterian churches who belong.

Each of the member churches has two designated members who attend monthly meetings and have a voice in decisions and policy. Operating funds are voted by the Sessions of the participating churches.

Officers for the present year are Ray Kerns of the University Church, president; Barbara White, University Church, secretary; and Wesley Graham of Joslyn Avenue Church, treasurer.

As lay worker Mr. Chavez has performed such activities as interpreting at court, social welfare offices and with immigration authorities. He has made visitations at hospitals and jails, and counseled in homes.

He teaches the Bible Class and English classes. Members of the Bible class have taken part in the Communion service in Spanish and been guests of other churches.

Mr. Chavez said he hoped to interest other Presbyterian churches in the work.

REV. ALEX DAVENPORT
Franklin Church
Pastor Appointed

The Rev. Alex Davenport of 275 Cedarville has been appointed pastor of the Franklin Church of Christ, Franklin and Miracle Mile.
Formerly an assistant pastor of the church, the Rev. Mr. Davenport received his education at Michigan Christian College, Rochester.

The congregation will worship in the new church for the 11 a.m. service tomorrow.
Pastor and Mrs. Davenport have five children.

Living Room's French Doors Open Onto Lakeside Glassed-In Porch

Original Audubon Bird Prints Prominently Displayed In Living Room

Decor Blends Past, Present

By JODY HEADLEE

Home Editor, The Pontiac Press

Rare antiques, imports, Mediterranean, Contemporary and Traditional create harmony in diversity in the furnishings of the Dennis Crampton home on Shadow Lane in Bloomfield Township.

Pale green walls, beige sculptured carpeting, avocado green draperies and window sheers establish the muted background in the pleasant living room.

Throw pillows of brown, tangerine and gold highlight the avocado antique satin sofa in the room's bay. Completing the grouping are straight back chairs covered in a contemporary floral of tangerine, pumpkin, brown and green and a brass piecrust table imported from India.

Near the foyer entrance to the room is a curved glass whatnot. Displayed on its shelves are brass pieces and ceramic cats, the latter giving a hint to Mrs. Crampton's favorite pets. The household numbers four feline members, three Siamese and one long-haired.

The bird paintings, hung in an arrangement of three, are authentic Audubons.

FROM ENGLAND
"We were originally from England," said Mrs. Crampton. "And before we moved to the United States, we lived in Canada for a time."

"Our very first friends in Canada were two elderly ladies who lived in our apartment building. When they discovered we were going to move, they insisted that we take the Audubons as a going-away present."

"Needless to say both my husband and I were delighted with their thoughtfulness."

A massive ceramic gold and green lamp with a white boucle shade resting on a brass top table with an antiqued green base lights the fireplace area.

Balancing the brass fireside utensils is a brass cathedral candlestick with a tangerine candle.

An arrangement of prints, etchings and paintings creates decorator interest on the fireplace wall. Tangerine and avocado floor pillows repeat the room's accent colors on the hearth for a unifying effect.

Antique leatherbound books, discovered by Mrs. Crampton's mother in England, are used on the massive dark oak coffee table before the brown sofa. Introducing color interest are the gold and tangerine throw pillows.

In the nearby dining room, antique oak pieces complement the shades of green tropical wallpaper.

A cast iron copy of a proud conquistador by Bois Guilbert stands majestically on an antique walnut pedestal.

"I just felt he belonged in the room," said Mrs. Crampton. "If you look closely you will see in the wallpaper's background a Spanish galleon. Ships of that time frequently carried explorers, and..." she smiled.

Lighting the hand-carved table is a hammered iron drop fixture imported from Italy. Its textured surface resembles the oxidized quality of old pewter.

Ceramic Tile to Fit Decor

Good taste does not limit originality. In the home, it implies proportion and quality. A decor that perfectly fits one home may be completely out of place in another because the families lead different kinds of lives.

Today the very multiplicity of building products and furnishings make it possible for every home to have an "original" look and still be in perfect good taste.

Ceramic tile, for example, is a wall and floor surfacing material that comes in more than 1,000 different colors, shapes, sizes and textures.

Floor in Color

An exciting innovation in floors is oak in handsome decorator colors—pink, blue, yellow green, even ebony and white. Colors are achieved with separate stain or colored penetrating seal, which don't hide the grain.

When Holidays Are Over

How to Handle Living Christmas Tree

At this season of the year many home owners like to buy living Christmas trees and plant them outdoors after the holiday season is over. Unfortunately, not all of them prosper as much as expected due to improper care after they leave the nursery.

However, with proper care, they can be a big success. First, pick out a good, fresh-looking tree, either tubbed or balled and burlapped at a reliable nursery. If it isn't tubbed, put it into a wooden, plastic or metal tub. Then water it moderately well — don't drown it.

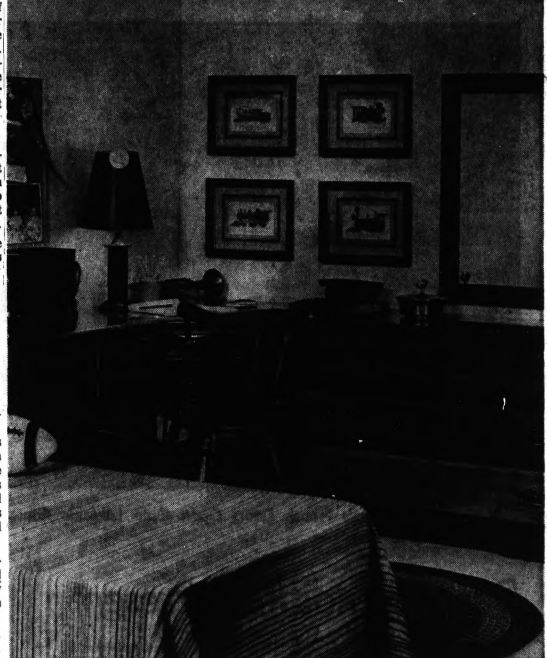

Next, spray all the foliage with an antidrying spray. This prevents drying out of the house and afterward. And, of course, keep your tree out of sun and wind.

Also, dig your hole quickly and large enough to accommodate the roots with ease. Then fill the hole with leaves or old straw and cover it to hold them in place to prevent freezing.

At the same time mix a generous amount of dried cow manure into the pile of good soil you took out to enrich it and flatten the pile. Cover it with a foot of leaves or old straw and over them put a plastic sheet or piece of old canvas to hold them down. This will give you a pile of unfrozen soil to fill in around the tree, planting it as usual after its stint indoors and watering it in well.

Best is a corner out of doors where the roots remain unfrozen, the opportunity in the spring.

There longer the soil around the roots remains unfrozen, the opportunity in the spring.

Tile Prevents Insect Intruders

Insect invaders are not only a general nuisance in the home but can endanger a family's health and damage household goods.

Impenetrable wall and floor coverings like ceramic tile, which is widely used in tropical climates, are great support in anti-insect campaigns because they offer the tiny trespassers no place to hide.

Shingles 'In' for Indoors

Shingles and shakes are definitely "in."

Interior designers, architects and builders — not to mention style conscious consumers — are flocking in increasing numbers to the natural ruggedness and warmth of red cedar shingles and shakes as an interior wall material.

This current affinity for shingles and shakes inside is based on their warmth-of-wood beauty and line- and shadow design capability.

There are also practical aspects, such as versatility, economy and low maintenance.

Inside home or office, the stringent exposure rules common to outside use do not apply.

Cedar shingles and shakes may be laid up at any exposure, staggered at will, used sideways, or even upside down.

Any grade or type may be used from the wide selection of length, thickness and grain.

Once in place, the shingles or shakes may be left natural, stained or painted, depending upon individual taste.

Small Beginning

Beginning pot plant gardeners can start small with foliage plants in three and four-inch clay pots. Peperomias, heart-shaped philodendron, dwarf snake plants and pothos are all readily available, highly durable choices.

MAN'S WORLD — A set of framed prints in masculine, natural wood frames are sure to please any young engineer, sailor, or athlete. At the same time, mother sees them

as smart decorating accessories in a boy's room. Four prints of similar subjects and identical sizes should be matted and framed alike.

Make It Pleasant

A Boy's Room Is His Retreat

A boy's room is his hideaway, his cave, his football field, and sailing ship. It can be a hundred other things and places, but only to his mother is it a bedroom to be kept neat and attractive.

The essentials of a boy's room are the things he puts there himself — the balls, bats, books, and games. But mother rarely considers a room well-decorated when its chief accessory is a catcher's mit or a football.

The delight of any boy from six to sixteen is a thoroughly masculine room with plenty of lines should be even and the space to work and play. Can top line of the arrangement be have his pirate's lair or should be the same height as other framed pictures, mirrors, or bulletin boards in the room. to the home? It's easy to do, and the secret is in selecting appropriate decorating accessories.

While a football may be the item of the moment on the bed, the wall is where permanent decorating ideas hold forth. Here, a series of prints of antique locomotives highlighted by masculine, natural wood frames will please mother and son alike.

For example, four prints of similar subject matter and identical size can be hung on one wall. They should be matted and framed identically. With a even number of prints, the best wall arrangement is a simple square. This is not hard to do if you lay a large piece of paper on the floor and outline your pictures, marking where nails or holders should be placed.

Leave eight or ten inches at the bottom to permit space above the desk or table over which the pictures will be hung. This way the pictures won't damp cloth or mop.

Busy Wife Needs Maintenance Help

Women's place is in the home, but for many wives today that's only after working hours.

With limited time at home the working wife needs all the aid she can get in reducing household chores.

Broad use of an easily maintained surfacing material like ceramic tile on walls, floors and counters throughout the house will keep housework at a minimum.

Ceramic tile never needs waxing and in normal use can be cleaned by a quick wipe with a damp cloth or mop.

Home's Design Delights Eye, Offers Space

Well-loved everywhere in the country is Cape Cod styling, which pleasantly shapes the tidy, practical model home shown here, both in appearance and floor plan.

Called the Northampton, this house relates so happily to its surroundings, with its low eaves and traditional wood siding and small-paned windows, that its spacious 1,922 square feet of living space seems overstated.

Contributing to its visual harmony are its red cedar shingle or shake roof, its western lumber or plywood siding, and its crisp panel door, windows and shutters, all made of ponderosa pine, and its hardwood floors indoors.

Even though this home requires a wider than average lot site, it escapes the look of both the low rambler and the massive two-story styles. Note how vertical siding and pitched roof of the garage balance out the entire structure.

The interior benefits from Cape Cod design, which was developed in Colonial times when a central fireplace was the sole source of heat.

CENTRAL HALL
There is a central hall, with easy access to every room.

And there's a mud-room for yard workers and young athletes, next to the bath.

The bedroom is readily adaptable to use as den or library. And on the second floor, a third bedroom can be added to the two shown by widening the dormer at the rear.

Information on plans for the Northampton can be obtained by writing to National Plan Service, Dept. FP-1, 1700 W. Hubbard St., Chicago, Ill. 60622. Similar models appear in home plan books at most local lumber dealers.

Orange upholstered seats, barber pole lamps, a black and white rug and tame art liven the scene.

Another project converted the dormer of a Victorian house into a terrace off an attic, a great ideal to make an attic useful as guest room or quarters for an aging relative. It provides comfort, fresh air, coziness.

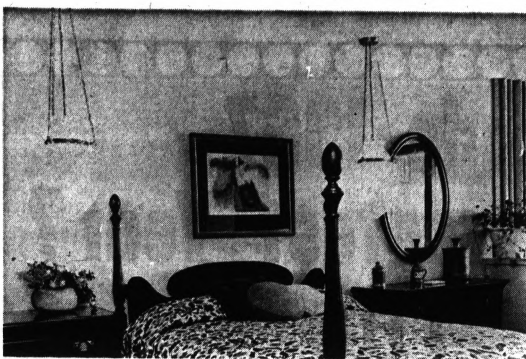

DORMER AREA

Smith pushed out the dormer area to the floor, using metal folding doors along the area. He put a few skylight windows in the ceiling near the door and outside used board and batten cedar with rough-textured paneling to create the small terrace with railing.

Do-it-yourselfers can plan the terrace as they would a deck, he explains. Inside the paneling was an antique birch Weldwood.

If you tremble at the thought of knocking out part of a wall, try to locate the original house plan. If you do go ahead, you'll be amazed at how hard it is to eliminate studs and so on, even if you try.

As Smith points out, you'd have to be stupid to make the house fall down. But it is possible.

LUXURY LIGHTING—Two distinctively different Designer Originals pendants carry out the traditional decorating theme in one of the bedrooms in the Chatelaine model home at Expo '67. The wooden wall at the far right extends from the living room below to

form a balcony on one side of the bedroom on the floor above. The entire home is lighted by fixtures from the residential lighting lines of Thomas Industries Inc., Louisville, Ky.

Will Builders Resolve in 1968 to Construct, Not Obstruct

By VIVIAN BROWN
AP Newsfeatures Writer

When it comes to New Year's resolutions, the building field in some communities could get into the act.

For example, they could resolve to stop playing The Building Game—Squabble, squabble, see who can longest delay building of the house.

In 1968, they might form a No-Grumble Community Building Association and resolve to work happily together ever after and to cease and desist from uttering all the clichés.

And that goes for the lovable old carpenter with the cherubic grin and beautiful miters up his

sleeves who is quick to mutter "just because I didn't get to col- lege, the architect thinks I don't know what I'm talking about."

And that lofty bulldozer operator, who really operates a defense mechanism, "you can't get anybody to dig deeper. You'll have to dynamite if you want the house here. I'll be back tomorrow."

There is the ingenious septic tank expert who finds he can't possibly put the septic tank anywhere but at the front door. "They should have called us (like a year) before they dug the well."

And that old well-digger play "I know I said the people next door went down only 300 feet, but I'm not a divining rod."

Natch, there's the meticulous mason who can't put the foundation where you want it—it's too swampy or rocky, and it looks like rain anyway, "so goodbye for now."

And king of all he surveys, the builder puts in his two cents—"No, you pay extra for that... and that... and that... the roof? Well, now..."

The frosty heating man has his day: "Don't blame me if you've got big heating bills. You'll have plenty of heat loss around French doors. People want French Doors. They've got to pay."

And that buck passing member of the tile crew: "Your husband told us he wanted the green tile in the bathroom next to the lavender bedroom." There is the electrician with the

built-in computer: "My contract calls for only 96 outlets and you've pinpointed 179."

REAL LOGIC
And the painter takes the prize for real logic—"Well, now what do you expect when you pick a color from a thread..."

The pessimistic plumber predicts, "These builders won't hold their heads up until the second mortgage payment."

The finicky floor finisher claims the building crew is grinding sand which goes into the new floors; whereas, the crumbly crew retorts that "It will look like this anyway after they've been in a few days."

And of course, the architect, butt of all workers, takes the philosophical view—"These fellows have been doing things a certain way all their lives. They don't want to learn anything new..."

From his torture chamber, the nerve-racked owner manages to squeak, "... his New Year's resolution — "I absolutely, but absolutely, will never again build a house, even for the dog. And maybe that resolution will be kept."

PROVINCETOWN HOMES

... and you'll find all the ingredients for better living.

CHOICE OF TWO EXCELLENT LOCATIONS...
Combining the best of town and country, Provincetown Homes offer a wide selection of generous lots on winding streets in both Troy and in the Northville area. In Troy, the major cultural centers of Cranbrook, Meadowbrook and Oakland University are only minutes away. Near Northville, charming village living is convenient to the Ann Arbor campus of the University of Michigan and all its athletic, cultural and research activities. Both locations are served by new community colleges. Both are close to expressways and but a few miles from boating, golfing, tennis, fishing, hunting, skiing and camping. Churches, new schools, shopping centers and theaters are also close at hand.

LUXURY AND SPACE... Generous space for gracious living, convenience and privacy is reflected in every Provincetown Home. Tasteful architectural styling graces all of the 36 different Ranch, Cape Cod and Colonial plans. Inviting foyers open into large living rooms and dining rooms affording space for more formal entertaining. For informal get-togethers, paneled family rooms with natural fireplaces open through sliding glass doors to patio areas. Children will thrive with their own large rooms and space for active play both downstairs and in the backyard. Bright country kitchens, first floor laundrys and abundant closet space will delight the most efficient homemaker. Do-it-yourselfers will find more than enough storage and working room in the large, finished two-car garages and full basements.

ADDITIONAL LUXURY FEATURES... The base price of each Provincetown Home includes an 80' lot, paved streets and sidewalks, city water and sewer, a dishwasher, range, range hood and fan, disposal, full Fiberglas insulation, storm door, storm windows and screens.

Live these good years in the best home you can buy... and enjoy an excellent investment, as property values in these communities continue to increase.

Courage to Begin Do-It-Yourself Asset

By VIVIAN BROWN
AP Newsfeatures Writers

Courage is the main ingredient of the do-it-yourself formula, says Vivian Smith, well-known design consultant.

"Our tendency is to buy services, and sometimes we don't buy because we can't afford it," he explains. "That's why our talents must be utilized."

Smith makes it sound simple as he talks about pushing out walls here and dormers there, but these are not really skillful jobs, he maintains. You need to understand about basic supports of a house, employ common sense and have faith in your ability.

"The most important thing about remodeling is to develop a plan and stick to it. Do all your thinking on paper. Try to iron out bugs before you begin."

"Do a simple plan to scale; work out the character of the room. The area should resemble the plan when it is finished."

COST HIGH?

Many people see a remodeling plan in pictures and mutter, "It looks great in pictures but I'd bet it would cost a fortune." They never investigate it.

"For example, basement areas of tract houses that were built around 1947 didn't utilize space well. The area is usually a total loss for living."

"These places were built quickly during the housing shortage after the war. So a fireplace may be stuck in a cor-

CONTEMPORARY RANCH—Unusual exterior design is rarely seen in a house which contains only 1,270 square feet. Tall, recessed entry area permits foyer to have high ceiling

Contemporary Foyer in 3-Bedroom Ranch

That boxy appearance so often evident in a small house is spicuous by its absence in this compact, economical three-bedroom ranch.

Contemporary in character, with a crisp, lively look and a rather elegant entry, the exterior is an example of how imaginative design can remove a small house from the ordinary category.

The materials can be brick and vertical wood siding, but might be solely of wood siding—by preference or to reduce costs even further.

Only 1,270 square feet, the house nevertheless contains all the amenities desired by a modern family. Every inch of space has been carefully planned by architect Samuel Paul for maximum utility and grace.

Even a covered rear porch, a one-car garage and a sizable storage area are included within.

Z-21 STATISTICS

Design Z-21 is a contemporary ranch, with a living room, dining room, kitchen, entry, three bedrooms, two baths and plenty of closet space, with a total habitable area of 1,270 square feet. A separate entrance leads to a laundry area, a one-car garage and a spacious storage area. There is a covered porch at the rear, with a barbecue and an entrance, through sliding glass doors, to the dining room. Over-all dimensions of 42' 10" by 58' 2" include the garage and the porch. The latter can be screened in if desired.

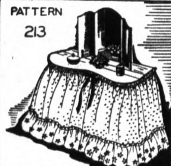

Shutters Aid in Screening

One thing even a new house hardly ever has enough of is privacy.

You can solve the problem easily by building attractive privacy screens of ponderosa pine louver doors or shutters. Just hinge three or four doors or shutters together and stand them—according to fashion—on the floor.

The louvers cut off one area of the room from the other, but still permit the free flow of air.

PATTERN 213

A YOUNG GIRL'S DREAM of something lovely and sophisticated is a frilly dressing table. This is a wonderful Mother-and-Dad project. Pattern 213 gives wood-working directions for a table with arms that open out and also sewing directions for skirts of various types. Price 35 cents. This pattern is also one of four in the Bedroom Furniture Packet No. 22 for \$1. The Pontiac Press Pattern Dept., P.O. Box 50, New Windsor, N.Y. 12550.

BLUE LUSTRE SHAMPOO \$1.00 8oz/1 CLEAN RUBS 1 1/2 x 4 FOOT! SHERWIN-WILLIAMS CO. 111 N. Perry The Pontiac Mail

and enables living room and dining room to have sloping wood plank ceilings for interesting effect.

In the over-all dimensions of 42' 10" by 58' 2", the living room is immediately visible from the high-ceilinged foyer, lit by a large window above the entry door. A spacious clothes closet is just inside the door.

Large windows, a sloping wood plank ceiling and a brick wall containing a fireplace make the living room a lively gathering place for both family and guests. To the right of the living room is a dining room, which can be completely separated, if desired, by using a folding partition.

This room also has a sloping wood plank ceiling, contiguous with that of the living room. Already 20' 6" long, the living room appears to be even longer because of its affinity with the foyer and the dining room.

Just outside the dining room, and accessible from it through sliding glass doors, is a covered porch with a built-in barbecue. This can be screened in if desired, to provide maximum comfort for outdoor dining and relaxation.

Doors on the other side of the dining room lead to the out-of-sight yet strategically located kitchen midway between the two entrances to the house. It is equipped with all the modern appliances considered so necessary by today's housewife, arranged to save steps.

There is space to accommodate a table for breakfast and informal family meals.

Just off the kitchen is the laundry area, with room for a washer and a dryer and with a large closet. Beyond is the service entry, which permits entrance to the laundry or the garage. Inside the garage is a storage area large enough to be used for a home workshop if the man of the house is so inclined.

At the left of the foyer is the bedroom wing. Three amply-sized bedrooms are located here. The closets are placed to

serve additionally as sound buffers between the rooms.

The master bedroom has cross ventilation, a private bath with stall shower, and a huge walk-in closet, in addition to another closet at the entrance to the room.

The hall bathroom is equipped with vanity, built-in tub, medicine cabinet, tile around tub to ceiling, and excellent lighting.

Design Z-21 looks modern, is modern and lives modern, yet fits a modest budget. It can be built on a concrete slab or with a basement.

How to Build, Buy or Sell Your Home

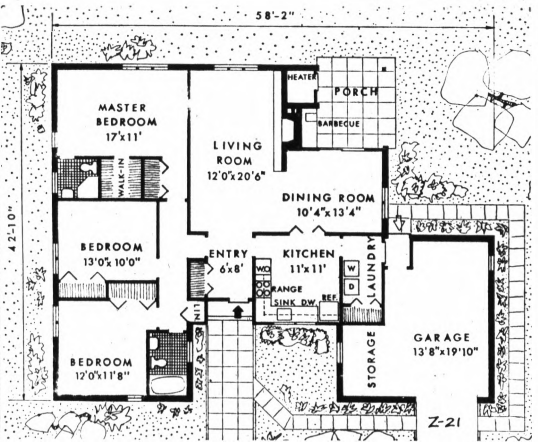

Full study plan information on this architect-designed House of the Week is included in a 50-cent baby blueprint. With it in hand you can obtain a contractor's estimate. You can order also, for \$1, a booklet called YOUR HOME—How to Build, Buy or Sell it. Included in it are small reproductions of 16 of the most popular House of the Week issues. Send orders to House Plans, The Pontiac Press, P. O. Box 9, Pontiac, Michigan 48056

FLOOR PLANS—Maximum utilization of all available space is clearly evident. Entry foyer is hub of circulation pattern. Open

design linking entry foyer with living and dining rooms makes ideal combination for entertaining guests.

Playing Important to Learning Process

Playing is the child's work, of toys with moving parts and don't expect him—or her—to be delicate about it. Through play the child builds his concepts of himself, his family, playmates and the world around him. Play should, of course, be fun, but it's also an important educational process.

Remember, good work requires good tools—even if it is a child's play. Toys and other play materials are the working tools of children's play. Like any other tools, they should be sturdy enough to withstand good hard work—playing.

Few children handle toys delicately. They drop them, throw them and pound them. Not only toys but play areas get rough treatment, and surfacing play with a practical, durable material like ceramic tile will reduce parental wear-and-tear.

Advance thought will help you avoid buying an expensive toy that won't interest your child at all. Electric trains, for example, are much beyond the interest span and motor skills of a four-year-old boy. Musical instruments should be purchased only after a child has shown genuine interest in music.

The quality of toys should be thoroughly checked before they are purchased. The mechanism

Water Freely in Wintertime

House plants usually require more water in the artificial heat environment of winter than during summer's naturally hot days. Check house plant soil daily in winter months.

If surface is dry to the touch, water freely. There's no danger of overwatering if plants are in porous clay containers.

Builders Use More Panels

How much plywood is desirable in a new home?

The quantity of panels being used is rising rapidly. The average house being built today contains about 4,800 square feet of plywood—nearly enough to cover a standard 50x100 foot lot.

But that is far from the limit. A \$35,000 Florida home, that recently won an American Institute of Architects award for superior design, contains 15,864 square feet of the wood panels—three times the average.

The architect, Dan Duckham of Fort Lauderdale, put plywood just about everywhere. Biggest use was for floor, wall, ceiling and roof sheathing, but much also went into built-ins and counter tops.

For interior walls, cedar shingles were placed over the sheathing to achieve a rich, rustic pattern. The ceilings gained a warm appearance from common fir plywood, "patches and all," as Duckham noted.

Dress Window With Mouldings

If metal windows seem severe dress them up by framing them with wood casing or moldings.

Pick up standard window casing or moldings at your lumber yard, cut and apply around interior or exterior edges of the windows.

Hip to Square

Roofing has its own lingo. The term "square," as applied to red cedar shingles or hand-split shakes for instance, is enough of the product to cover 100 square feet of surface.

Wood moldings can be wiped clean with a damp sponge, eliminating the need for wall repainting.

SAVE YOUR BACK with a JOHN DEERE or MASEY-FERGUSON. They're Equipped with a Blade or Snow Thrower. **Perry Lawn & Garden Center** 7615 Highland Rd. (M58), Pontiac 673-8236

By OSWALD AND JAMES JACOBY

The late P. Hal Sims was the world's greatest auction bridge player, as we have often said. He carried his skill into contract and was the greatest contract bridge player in the early days of the new game.

One of Hal's rules for bidding was that the grand slam bonus was not big enough to warrant risking game and the small slam bonus, so that you should be particularly careful with grand slam bids.

In fact, Hal would say, "I don't need to bid grand slams at all. If I do, I try to place them in no-trump. Trumps may not break or something may

get ruffed in a suit contract, hearts. West had been forced to at no-trump these things can't discard a heart on the third diamond. He had to drop a club on the heart king. Then South cashed the king and jack of spades. East had to come down there are 14 top tricks in either to two cards. One of them had no-trump or spades. With all to be a diamond, so he had to give five spades in one hand, there let a club go also. South distributed only 12 top tricks in no-trump his last diamond and club. The last two tricks with clubs.

At first glance it looks as if there is no real play for seven no-trump, but that is not the case. South was able to work out a perfect double squeeze for his grand slam.

It didn't require any super-skill—merely careful timing to develop the squeeze. The order of the early tricks did not matter too much. The important thing was to get out of dummy's way in the majors and to take the three top diamonds before running what spades South could.

Actually he cashed his high spades and hearts and three diamond tricks. Then he entered dummy with the ace of clubs and played the king of spades South could.

Coho Day Reset

DETROIT (AP) — A celebration of the success of introducing Coho salmon as a sport fish in Michigan has been rescheduled from Jan. 19 to March 6 next year in Cobo Hall in Detroit. The State Chamber of Commerce said the change in dates was necessary to insure attendance of some special guests who are to be cited for their work in stocking Michigan streams with the Coho. Popular-boom in the state's fishing sport.

Bell Telephone Provides Many Aids to Handicapped

Bell Telephone Co. has a legacy of providing aid to the handicapped. Alexander Graham Bell taught in a school for the deaf before he invented the telephone.

Research at the Bell Telephone laboratories has resulted in a variety of inventions which aid those suffering from sight, speech and hearing problems.

Out of Bell labs have come instruments such as the electronic larynx and telephone handsets that amplify incoming conversation for those with impaired hearing or boost the volume of outgoing speech for persons with weak voices.

The electronic larynx creates the sound of speech through mechanical vibrations of the

throat wall. It is offered to those who have lost their larynx or voice box through surgery.

Certain handsets, which can be used with a regular phone, amplify the speaker's voice while others have an inconspicuous volume control which permits a person with hearing difficulties to adjust the sound level of the caller to his needs.

OTHER INSTRUMENTS

Other instruments include a headset, weighing less than one ounce, to be worn by the handicapped. The set is plugged into a special bedside telephone.

Another convenience is a speaker-phone, a small loud-speaker-microphone that amplifies both ends of the phone conversation and permits hands-free talking.

Another development at Bell was the audiometer, a device which enables the ear specialist to measure accurately the degree of a person's hearing loss. To help the partially deaf, there are a variety of devices

such as loud bells, chimes, horns and special lights to signal incoming calls.

'WATCH CASE'

A "watch case" receiver is a plug-in unit which allows a third person to take part in a telephone conversation and repeats the incoming words.

A deaf person who can lip read can follow the conversation.

The phone company can provide an auxiliary signal control, an electrically controlled switch that causes any appliance to go on when the phone rings and off when it stops ringing.

BRaille SYSTEM

Occasionally, a special setting can be arranged as when Bell engineers replaced the buttons on a business telephone with a series that could be identified by the braille system.

This arrangement permitted a blind man to effectively handle the telephone requests for two taxi-cab companies.

While there are more than 30 types of telephone aids for the physically handicapped, with ingenuity and minor modifications, existing equipment can also make telephoning easier for the handicapped.

A dialing pen can twist a rotary dial even when grasped by a prosthetic device or an artificial hand.

CARD DIALER

A card dialer enables a caller to depress a pre-punched card to place a call.

A simple lever can permit a handicapped person to hold one phone line while answering another call on a multiple button business phone.

Bedridden students have long been able to participate in their home telephone hookups. A loudspeaker-microphone system enables the student to participate in lessons with classmates or to talk separately with the teacher.

This past fall the Oakland

County Board of Education went a step further by installing a new Tele-Class teaching, the second in the nation.

PHONE INSTRUCTION

Developed by the Bell system and connected by Michigan Bell, Tele-Class allows a special teacher in Pontiac to instruct an entire class of up to 20 home-bound students in various communities by telephone.

Students taking part in the Tele-Class instruction use headset telephones installed with county special education funds.

Coming next year are new Bell system classroom aids that will help train blind and nearly blind children in how to use the telephone. The teaching materials will be transcribed into braille and printed in large-type books.

Michigan Bell hopes that continuing research at the Bell Labs and on-the-job efforts by local telephone people will bring better solutions and improved communications to help disabled people lead fuller lives.

Open-Occupancy Foes File Petitions in Detroit

DETROIT (AP)—A group claiming to represent Detroit churchmen, and Socialists, that home owners filed petitions with over 101,000 signatures with the city clerk Friday, hoping to force a referendum on Detroit's open housing ordinance.

Eleven clerks counted 101,530 signatures on the petitions in a preliminary tally. If 44,006 of the names are accepted as valid, the ordinance will be suspended pending a vote of the people.

The ordinance was passed by Common Council in November after pressure for such a law mounted following Detroit's destructive July racial riot. The law would make it a misdemeanor to discriminate in the sale or rental of houses and apartments on the open market.

Detroit Mayor Jerome Cavanagh, a backer of the law, said he was aware that many people were opposed to open housing.

MISUNDERSTANDING
"I think much of the opposition stems from misunderstanding," he added, "and I do believe that if people could have understood the ordinance they wouldn't have been opposed to it."

"I think people of our community will be well served if this is eventually placed on the ballot."

Henry Dodge, chairman of the Northwest Detroit Council of Civic & Consumer Associations and leading spokesman for the home owners, said that if the open housing ordinance was put to a vote of the people they would defeat it as they did in Flint, Jackson and Toledo.

Dodge said that if the State Legislature passed a state open housing law his organization was geared to work towards a repeal.

'AMPLE NOTICE'
Referring to the petitions, Dodge said, "This reaction of the people should serve ample notice to all elected officials, of Women Voters."

City Man, 53, Is Charged in Slaying of Wife

Police are holding a 53-year-old Pontiac man charged with the fatal shooting of his wife last night.

Mrs. Earline Humphreys, 50, of 229 E. Walton died this morning at Pontiac General Hospital a few hours after being shot.

Police are holding Robert Humphreys in connection with the death.

Officers said Humphreys became involved in an argument with his wife about 11:30 p.m. after returning home with his wife's niece, Kathryn O. Hall, 35, of Houston, Tex., who was visiting the Humphreys.

Mrs. Hall told officers that the couple was arguing when Mrs. Humphreys took a .38-caliber revolver out of a dresser drawer and fired it three times.

She said the Humphreys continued arguing in another room and apparently were struggling when she heard two shots.

Officers said Mrs. Humphreys was shot once in the chest with the bullet exiting above her hip.

Patrolmen said Humphreys showed them the gun when they arrived and made a statement.

Mrs. Hall said that when she and Humphreys arrived home they noticed a man leaving the Humphreys' residence.

BEGAN ARGUING

She said the couple began arguing as soon as she and Humphreys arrived. Officers said they found six spent cartridges at the residence.

Humphreys is expected to be arraigned Monday on a murder charge.

Elderly Oppose Medicare Hike

WASHINGTON (AP) — The leader of a nationwide citizens group says increasing the premium for the voluntary part of Medicare means the nation's elderly are "having to pay for the failure of Congress to prevent the escalation of doctors' fees."

"It's disgraceful," said William R. Hutton, executive director of the National Council of Senior Citizens, which claims to be the largest organization of the elderly in the country with 2 million members in 2,000 affiliated clubs.

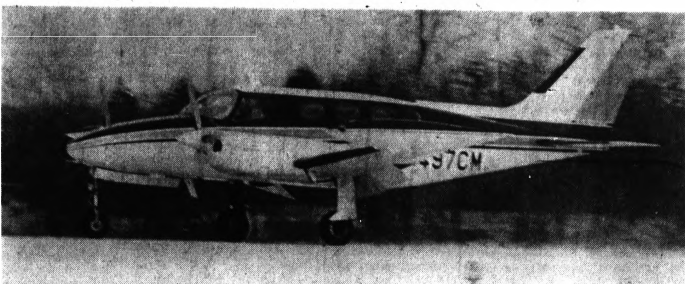

The increase from \$3 to \$4 a month, announced yesterday and effective April 1, applies to the part of Medicare which pays doctor costs. It was expected. The government contributes an equal monthly amount.

Hutton's group has urged Congress to set limits on doctors' fees under Medicare. But he said in an interview it hasn't been done because "the medical profession has an enormous political influence and Congress is afraid because it needs them (doctors) to run this."

Comment from the American Medical Association on the new rates was not immediately available.

FREE TO CHARGE

Critics of Medicare say it has a built-in tendency toward higher costs because doctors are free to charge "reasonable and customary" rates.

Landing Is 200,000th Operation

Airport Marks Important '67 Milestone

The Oakland-Pontiac Airport yesterday handled its 200,000th operation of the year — The busiest ever and a milestone for the facility.

Piloting the craft was Robert Hale and

his passenger was Bill Fauver, both executives with Continental Motors of Muskegon, here on business.

They received congratulations when

they arrived from county officials assembled to observe the event.

The 200,000th operation (landings, takeoffs) had double significance for the airport. That figure is the one termed normal capacity for the airport. It also reveals an upward surge of aviation in the county when compared to other years.

Total operations last year were 172,000 and in 1965 the figure was 132,000. In 1956 the estimated total was 69,000.

FAA RECORDS

The number of operations is logged by the Federal Aviation Administration

See Picture, Page D-2

tower which was installed in June 1961. Another milestone will be passed this coming summer when the one millionth operation recorded by the tower facility will take place.

Expansion of the Oakland-Pontiac Airport has been approved, will begin next year and completed in 1970. The east-west runway will be expanded to 6,200 feet and the Federal Instrument Landing System installed to provide all-weather flying.

Capacity of the improved airport will be over 300,000 operations per year, according to aviation experts.

VC Emissary's Arrest Led to 8 More-Thieu

SAIGON (AP)—President Nguyen Van Thieu said today the arrest of a Vietcong emissary who said he was on his way to contact the U.S. Embassy about exchange of prisoners, had resulted in the arrest of eight more persons.

But Thieu also said the emissary was not high-ranking and that he doubted the man was a legitimate representative of the Vietcong's National Liberation Front.

70 Marines Die as Fight Extends Past Truce Start

SAIGON (AP)—Bitter marshland fighting that has killed 70 U.S. Marines and wounded 128 were on past the start of the Vietcong's unilateral New Year's truce today. South Vietnam announced it would extend to 36 hours the day-long cease-fire the allies plan to begin tomorrow.

The Saigon government said the extension was being made in line with Pope Paul's appeal that Jan. 1 be observed as a "day of peace" throughout the world, but informed sources indicated it was also in response to a request from Washington.

The Marine casualties were announced today in delayed U.S. Command reports that told of grim new battles in South Vietnam's three northernmost provinces and massive air strikes to relieve the hardpressed Leathernecks.

The war also continued unabated in the air over North Vietnam. The U.S. Command announced that Red ground gunners shot down a Navy Phantom jet east of Haiphong yesterday, but both crewmen bailed out over the Tonkin Gulf and were rescued.

The focus of the ground war was along the South China Sea coast below the demilitarized zone, where heavy clashes have flared and subsided since last Wednesday.

Some battle reports from the field were being held up at U.S. headquarters on the request of local commanders whose units were still sparring with the enemy after the announced start of the Communists' truce period at 1 p.m. Saturday, local time.

The heaviest casualties came in a savage battle which raged Wednesday and Thursday and ended with the Marines storming the fortified village of Thon Tham Kee 40 miles north of Saigon.

The fighting with regulars of the 716th North Vietnamese Army regiment broke out when a landing group of about 1,000 Marines ran into about 200 of the North Vietnamese on the border of Thua Thien and Quang Nam provinces and were pinned down.

When the battle smoke subsided yesterday there were 27 enemy known killed against the Marine's 48 dead and 81 wounded.

EQUALLY LETHAL

An almost equally lethal series of battles was raging Thursday near Hoi An southwest of Da Nang. A coordinated sweep by Marines, infantrymen of the First Cavalry Division and South Vietnamese — a force of several thousand men — ran into heavy Communist resistance.

Light Snow Seen for Arrival of 1968

All of Michigan is expected to be covered with a thin blanket of light snow when the New Year arrives at midnight tomorrow.

Here is the official day-by-day forecast for the Pontiac area issued by the U.S. Weather Bureau:

TODAY — Cloudy with occasional light snow or snow flurries likely to day. High 25 to 30. Mostly cloudy and colder tonight. Low 10 to 16.

WINDS westerly 12 to 25 miles per hour becoming west to northwest late today and tonight.

TOMORROW — Mostly cloudy and colder with occasional snow flurries likely.

MONDAY — Very cold with a chance of snow flurries.

Precipitation probabilities in percent are: today 40, tonight 50, tomorrow 60.

The low temperature in downtown Pontiac prior to 8 a.m. was 16 degrees. The mercury recorded 26 at 12:30 p.m.

Waterford Man Is Killed by Car

A Waterford Township man who was walking across a road to seek help for his disabled car was killed by an oncoming auto last night in Waterford Township, police reported.

The victim was identified as Jack N. Hubbard, 22, of 566 Lockhaven. Driver of the car, James R. Dill, 19, of Oak Park, told police Hubbard was on the paved portion of Highland Road near Pontiac Lake Road when he struck him.

Dill stated that he swerved into another lane in an effort to avoid striking the man, according to police.

Police said Dill, who said he was traveling at the speed limit of 50 miles per hour, was not charged with any traffic violation.

Hubbard, a clerk at the Grand Trunk Railroad, was wearing a black leather jacket and dark trousers, police said.

His car was found disabled at Pontiac Lake Road and M59, west of the accident scene.

Two Detroit men were killed and a third injured when their car went out of control on I-75 in Troy yesterday afternoon.

The victims were Carey Vann, 40, and John Cannon, 37. The third man, Willie Mann, 32, is in satisfactory condition at William Beaumont Hospital in Royal Oak.

Police said Vann apparently lost control of the southbound car, which skidded 100 feet, and hit the median guard rail, which went through the driver's side of the car and out the other. The car then slid 84 feet along the guard rail.

Pontiac Recalls 479,470 Cars

DETROIT (AP) — Pontiac Division of General Motors Corp. announced yesterday it was recalling all regular Pontiacs produced between Sept. 8, 1964 and Oct. 13, 1965 for a possible steering defect.

A total of 479,470 letters are being sent to owners asking them to take their cars into dealers for inspection of the steering idler arm assembly, which the firm said "in a few cases might separate and result in a pull to the right when brakes are applied."

The firm says it has no idea how many of the cars actually will need replacement steering idler arm assemblies.

Postage Rate Hike Goes in Effect Jan. 7

Increased rates for all classes of mail except parcel post and international mail will go into effect Jan. 7, Pontiac postmaster William W. Donaldson said today.

The new rate for first-class mail is being increased from five to six cents and postal cards are going from four to five cents. Airmail will be 10 cents while airmail cards will be eight cents, in each case a two-cent increase.

A letter can be sent to any state, U.S. territory or possession, Canada, or to an American serviceman stationed anywhere in the world for these rates according to Donaldson.

The new rate of six cents per ounce for first-class mail applies up to 13 ounces and the rate of 10 cents per ounce for airmail applies up to seven ounces.

All first-class mail over 13 ounces and all airmail over seven ounces will be merged into a single category and charged a flat rate of 80 cents up to one pound.

One Edition on Holiday

The Pontiac Press will publish a single, early edition Monday to allow employees to spend New Year's Day with their families. Regular editions will resume Tuesday.

These heavier pieces, subject to the single rate schedule, will be delivered by the fastest available means of transportation.

All matter weighing more than one pound will be subject to the present air parcel post rates.

As of Jan. 7, postage rates on parcels weighing between one and five pounds will change at half-pound intervals rather than at one pound intervals as in the current rate schedule. This will result in a reduction of postage on some parcels, according to the postmaster.

Rates for mailing newspapers and magazines are going up 24 per cent and third-class mail, such as advertising circulars and "occupant" mail, are being boosted 34 per cent.

GREETING CARDS

Another rate change involving the mailing of unsolicited greeting cards is the increase from four to six cents for the first two ounces of individual pieces of third-class mail.

Also effective January 7 will be special handling on third-class parcels, weighing between eight and 16 ounces.

There will be no changes in the rates for special delivery, special handling, registered mail, certified mail, cash on

(Continued on Page A-2, Col. 6)

Reporter 'Flunks' Sobriety Test

(EDITOR'S NOTE — As an experiment, Pontiac Press reporter Hudson Willse Jr. recently took the breathalyzer test that is administered to drinking drivers to determine their sobriety or inebriety. Willse took the test after consuming 6.6 ounces of Scotch.)

By HUDSON WILLSE JR.

A machine about the size of a portable record player can determine a person's sobriety or inebriety by registering the amount of alcohol in his blood.

The breathalyzer, which at \$750 compares in price with a good color televi-

sion set, has been used extensively throughout Michigan since the state's new implied consent law became effective Nov. 2.

And apparently the breathalyzer is an accurate working instrument even though

its validity probably will be challenged in the courts as it was in California where it was upheld by the state supreme court.

Based on the principle that when a driver obtains a license he consents to sobriety tests upon requests by a police officer, the implied consent law has been hailed widely in Michigan as an effective tool in dealing with the nation's deadliest traffic problem—the drinking motorist.

Under controlled circumstances, I took the breathalyzer test which was administered by Cpl. Max Waterbury of the Pontiac State Police post.

QUALIFIED OPERATOR

Waterbury is a qualified operator and instructor-inspector of the breathalyzer. He received 64 hours of instruction in a breath training program sponsored by the Michigan State Police, Michigan Police Training Council, Michigan Department of Health and the Michigan Department of Health.

There are between 400 and 450 certified breathalyzer operators in the state, including four others at the Pontiac post in addition to Waterbury.

According to formula, a 215-pound man, like myself, on the average should test 0.10 per cent alcohol by weight in the blood after consuming 6.6 ounces of 86 proof whisky.

As the machine was warming up, I was allowed 45 minutes to consume the

(Continued on Page A-3, Col. 1)

Chrysler Hikes Price

DETROIT (AP) — Chrysler Corp. yesterday joined General Motors and American Motors in announcing price increases to cover the cost of front-shoulder harnesses, which will become mandatory equipment on new cars Monday.

Pontiac Press Photo by Ed Vandervoort

A LITTLE TIPSY — Cpl. Max Waterbury of the Pontiac State Police post looks on as Pontiac Press reporter Hudson Willse takes the breathalyzer test after consuming 6.6 ounces

of 86 proof Scotch whisky. The newsman tested 10 per cent alcohol by weight in the blood, indicating that his driving ability was impaired.

U.S. Is Sifting Cambodian Stand

Birmingham Area News

Cranbrook Art Lectures for Adults Start Jan. 11

WASHINGTON (AP) — U.S. diplomatic inquiries are under way to determine whether Prince Norodom Sihanouk of Cambodia will officially back up his press statement about keeping his country free of the war in neighboring South Vietnam.

If Sihanouk's answer is yes, U.S. sources indicated a presidential envoy—perhaps Sen. Mike Mansfield, D-Mont.—could quickly head for Phnom Penh and new efforts could be mounted for international supervision of Cambodia's frontier.

It may be several days before Washington receives a definite reply. Cambodia has severed relations with the United States and communications between the two governments are forwarded through the Australian Embassy in the Cambodian capital.

Sihanouk opened the way for a potential new approach to settle the long-festering Cambodia sanctuary issue in an interview published in the Washington Post Friday.

CANT PREVENT

The Cambodian leader said his small military forces could not prevent limited intrusions by North Vietnamese or Vietcong troops in "outlying and uninhabited regions" of Cambodia or American combat with the Reds there. He said Cambodia would protest but would not intervene militarily if American troops entered such regions in pursuit of Communist forces.

He proposed an immediate meeting of the three-nation International Control Commission (ICC) to improve its policing of Cambodia's borders.

And, mentioning Senate Majority Leader Mansfield by name, he said he would gladly receive a Johnson emissary to discuss reconciliation with the United States.

U.S. officials showed more immediate interest in the presidential envoy and ICC proposals than in Sihanouk's apparent acknowledgment that U.S. forces in South Vietnam could, despite his protests against all intruders, pursue the Reds across the border.

LITTLE PRESSURE

Some U.S. commanders have been anxious to strike at Communist sanctuaries in Cambodia. But Washington diplomatic sources say there is not much military pressure generally for invading the Cambodian havens at this time.

What the United States wants, they say, is a true neutrality for Cambodia rather than violation of it. The United States, they maintain, would be happy to have Cambodia removed as a problem connected with the Vietnam war.

The Johnson administration was reserved in its public reaction Friday to Sihanouk's press remarks, possibly because the prince has been known to change his tune quickly in the past, and because the United States could cause embarrassment by seeming too eager.

At the Texas White House, George Christian, presidential press secretary, said only that the Sihanouk statement "is under careful study" and is being followed up.

News Briefs From Wires

ABIDJAN, Ivory Coast — South Vietnamese Foreign Minister Tran Van Do said today Saigon government troops will exercise their "right of hot pursuit" of Communist forces into Cambodia and Laos.

Sihanouk will ignore any objections by Cambodia's chief of state, Prince Norodom Sihanouk, because "we cannot tolerate the Communists establish bases on our borders for attacking Vietnamese and allied troops from an untouchable sanctuary."

Vote Rigging Charged

CROWN POINT, Ind. — A Democratic precinct committee man, Marion Tokarski, is free on \$15,000 bond after being charged with voting irregularities in the recent Gary Mayoral election. She was indicted yesterday on five counts of conspiring to violate the Indiana voter registration.

Military Leaves Off

NICOSIA (UPI) — Turkey today was reported to have canceled all military leaves in the wake of the formation of a Turkish community to Cyprus.

Viet Solution Probed

SINGAPORE — Republican presidential candidate George Romney said today he is exploring the possibility of neutralizing the former French Indochina states as a way to end the Vietnam war.

Romney told newsmen after a one-hour meeting with Singapore Foreign Minister Sinaratnam that the concept involved the removal of Laos, Cambodia and North and South Vietnam "from the conflict of the cold war."

NY Broker Is Charged

NEW YORK — A 69-year-old real estate broker has been charged with selling a portion of \$500,000 in securities allegedly stolen by two young women who were found slain in Hollywood, Fla., three weeks ago.

A federal grand jury, in a two-count indictment, yesterday charged that Spiro Milken, a broker of Manhattan sold more than \$500,000 worth of the securities stolen Nov. 16 from a Los Angeles brokerage house.

The commission, although noting that Pontiac has a procedure for a police trial board in cases where police actions are questioned, urged that a corner's inquest into the shooting should be held.

MILKLEN REVIEW

In addition, the commission made a request that Lt. Gov. William Milliken, acting in Gov. Romney's absence, review procedures for police apprehension of criminals.

The commissioners requested that Milken "designate a representative and appropriate governmental body to consider appropriate procedures" for apprehending persons "suspected of committing nonviolent crimes."

In a statement, the commission also said it plans a public inquiry as soon as possible into the status of race relations in Pontiac and several other Michigan cities.

Jan. 1 Fare at Hospitals, Jail Is Ham

Most hospital patients and jail inmates in Pontiac will have special New Year's Day feasts placed on their dinner tables Monday.

Pontiac State Hospital, St. Joseph Mercy Hospital and the Oakland County Jail will serve baked ham as the main entrée.

SOLICITATIONS

Deceptive solicitations for goods or services which could be construed to be bills or invoices are declared nonmailable unless they carry a conspicuous warning that it is a solicitation and not a bill or invoice under the new law.

The law also requires that all bills and statements of account be classified as first-class mail, except bills enclosed with parcels as long as the bill pertains solely to the contents of the package.

AIRLIFT PARCELS

Authorization of the airlift of parcels up to 50 pounds going to and from armed forces post offices and the expansion of the airlift of news publications to servicemen overseas are also included in the law.

BLOOMFIELD HILLS—Cranbrook Academy of Art Galleries will offer a panoramic view of cultural heritages both past and present in a new course beginning Jan. 11.

Designed for adults, the course is called "Contrasts and Comparisons."

Mrs. Jan Arsen, galleries director of community education, will conduct the 15-week course. She will be assisted periodically by visiting lecturers.

Sessions, consisting of slide lectures and open discussions, will meet in the galleries lecture room from 1 to 3 p.m. Fee for the course is \$20.

BIRMINGHAM — The new worshipful master of Birmingham Lodge No. 44, F.&M. is George Cameron, 185450 Devonshire.

He was installed recently by Pastmaster William W. Jones.

Associate stewards are Leonard E. Allen, Melbourne G. Apple, Paul M. Livingston, Harold D. Newman, James H. Scott and Ben C. Wilson. Edwin D. Woelke is marshal and William C. Morrison Sr. is tiler.

RAGING FIRE — A fire which struck a number of businesses and caused extensive damage at 23-27 Howard McNeil was fought by Pontiac fire fighters for six hours last night. Firemen were called at 8:46 p.m. Five trucks were used. The cause is still being investigated.

Area Residents Pass Bar Test

The following area residents were on the list released yesterday as having passed the August 1967 Michigan Bar Examination:

BIRMINGHAM: Gordon R. Wyllie, Arnold G. Rich, Bruce L. Struble, John L. Newcomer, Joseph F. Page III, Richard W. Ford, William C. Fulkerson, John K. Restrict, Rowe A. Balmer Jr., Carl L. Constant, Anthony J. Sapientza, James A. Williams.

Waterford Township: Frederick R. Fields, Stuart M. Bloch.

Farmington: Conrad S. Kulatz, James E. Zann, Walter W. Pyper Jr., George Geddis, Laurence M. Luke, William J. Patterson.

Pontiac: William P. Batiste Jr., Clark S. Davis, Barry M. Parks, Douglas A. Chart-rand, Barry W. Keller, Thomas L. Whittington.

Troy: David Cutner, Lawrence E. Wineberg, Thomas S. Malek, John H. Norris.

Union Lake: John L. Hopkins Jr., Larry A. Girard.

Fire Damages Local-Level Negotiations Series of Firms Are Stepped Up by UAW

DETROIT (AP)—Bargaining Leonard Woodcock, UAW vice president and director of the union's GM department, today stepped up his negotiations with General Motors Friday in the wake of overwhelming ratification of a new three-year national contract.

The increased tempo in local bargaining was ordered by only 20 of the union's 134 bargaining units have reached local agreements with plant level management so far.

Woodcock said that locals which have not reached agreements by Jan. 9 should submit a list of unresolved issues to UAW headquarters. If desired, requests for strike authorization should accompany the reports, he said.

The danger of a nationwide strike against the world's largest automaker ended with ratification Friday of a national pact paralleling agreements reached earlier at Ford and Chrysler.

Under the contract, GM's 380,000 workers will receive an average increase of \$1 an hour in wages and fringe benefits over the three-year span of the agreement. Workers have been averaging \$4.78 an hour.

Labor costs for the company will increase about six per cent a year with the new pact.

Waterford Township: Frederick R. Fields, Stuart M. Bloch.

Farmington: Conrad S. Kulatz, James E. Zann, Walter W. Pyper Jr., George Geddis, Laurence M. Luke, William J. Patterson.

Pontiac: William P. Batiste Jr., Clark S. Davis, Barry M. Parks, Douglas A. Chart-rand, Barry W. Keller, Thomas L. Whittington.

Troy: David Cutner, Lawrence E. Wineberg, Thomas S. Malek, John H. Norris.

Union Lake: John L. Hopkins Jr., Larry A. Girard.

Auto Is Stolen at Gunpoint, Woman Reports

Two men who stole a car at gunpoint from a young Royal Oak woman last night are being sought by police today.

Mary Ann Higgins, 21, told Pontiac police she was leaving St. Joseph's Hospital parking lot about 11:50 p.m. when a man jumped into her car brandishing a gun.

She said the man forced her to get out of the car and he and a companion then left with her 1967 Ford.

She described the men as being Negroes between 20 and 30. One, about six-foot and weighing about 200 pounds, had a small patch over one eye, she said.

EXTENSIVE DAMAGE

He said the damage to the one-story masonry buildings was "extensive."

Firms affected by the fire, which burned out much of the inside of the businesses, are located at 221, 223, 225 and 227 Howard McNeil.

An electronic monitor to alert nurses to difficulties with premature infants has been developed, especially useful in spotting within seconds respiratory disorders.

FAMILY FUN — The Brock family of 252 Russell is still frolicking in Monday's snow, but more snow may be in store for them this weekend. Joining in the fun are (from left) Jay Brock, Mrs. Brock, Scottie Davis, 4, of 249 Russell, Mark, 5, Mrs. Donald Brock, Ronald and Donald Brock bringing up the rear in a rocking chair.

CRC Urges Review of Teen's Death

The Michigan Civil Rights Commission yesterday recommended "a thorough review of the facts surrounding the death of Jimmie King."

King, 17, was killed two weeks ago by Pontiac police officers after being spotted driving a stolen car.

Officers said they chased the car at high speeds before King abandoned it and tried to elude police on foot.

Two members of the CRC met during the past week with Police Chief William K. Hanger and Oakland County Prosecutor S. Jerome Bronson.

The commission, although noting that Pontiac has a procedure for a police trial board in cases where police actions are questioned, urged that a corner's inquest into the shooting should be held.

In addition, the commission made a request that Lt. Gov. William Milliken, acting in Gov. Romney's absence, review procedures for police apprehension of criminals.

The commissioners requested that Milken "designate a representative and appropriate governmental body to consider appropriate procedures" for apprehending persons "suspected of committing nonviolent crimes."

In a statement, the commission also said it plans a public inquiry as soon as possible into the status of race relations in Pontiac and several other Michigan cities.

Mail Rate Hike Coming Jan. 7

(Continued From Page One)

delivery or postal insurance, Donaldson said.

"We have an ample supply of one-cent stamps on hand for those people who have lots of five-cent stamps in their possession now," he added.

Higher rates also go into effect Jan. 7 for all categories of mail, controlled circulation mail and the educational materials category of fourth-class mail.

Mailers using these classes should contact the post office for information on the new rates.

Other nonrate provisions of the new law, to become effective Jan. 7, give the individual mail patron receiving any advertising matter which he deems "retroactively arousing or sexually provocative" the right to ask the postmaster general to prohibit further mailings to him.

The postmaster general must notify the mailer not to make any further mailings to that patron.

Jan. 1 Fare at Hospitals, Jail Is Ham

Most hospital patients and jail inmates in Pontiac will have special New Year's Day feasts placed on their dinner tables Monday.

Pontiac State Hospital, St. Joseph Mercy Hospital and the Oakland County Jail will serve baked ham as the main entrée.

SOLICITATIONS

The law also requires that all bills and statements of account be classified as first-class mail, except bills enclosed with parcels as long as the bill pertains solely to the contents of the package.

AIRLIFT PARCELS

Authorization of the airlift of parcels up to 50 pounds going to and from armed forces post offices and the expansion of the airlift of news publications to servicemen overseas are also included in the law.

3 Drug Firms Found Guilty

NEW YORK (AP) — Three major drug firms have been found guilty of antitrust violations in the manufacture and distribution of \$1.7 billion worth of antibiotics.

The conspiracy case against the American Cyanamid Co., Bristol Myers Co. and Charles Pfizer and Co. marked a significant confrontation between the U.S. government and the multi-billion-dollar U.S. pharmaceutical industry.

A U.S. District Court jury of 11 men and a woman found the three firms guilty of restraint of trade, conspiracy to monopolize and actual monopoly. The panel returned the verdict Friday night after beginning deliberations Thursday.

Maximum penalties on the charges are fines of \$150,000 against each defendant. The convictions also open the way for civil suits from major purchasers. The Sherman Antitrust Act provides for treble damages against violators.

GROWING INVOLVEMENT

The trial occurred as growing federal involvement in the health field through Medicare and other programs has generated increased concern over the cost and quality of that care.

The drug industry has been undergoing increasing scrutiny by the federal government. Sen. Gaylord Nelson, D-Wis., has been conducting a wide-ranging probe of drug prices.

Clifford D. Siverd, president of American Cyanamid, expressed surprise and disappointment in the verdict and said the firm would "take all possible steps in the federal courts to have this adverse decision set aside."

A Pfizer spokesman commented, "We disagree with and are deeply disappointed by the verdict of the jury. There are still questions to be ruled upon by the trial court and we shall therefore not comment at this time beyond saying the charges against us in this case are unfounded."

'ARRANGEMENTS'

The trial opened Oct. 23. The three firms were accused of entering into arrangements during the period from 1953 to 1961 to produce and distribute broad spectrum antibiotics in violation of the Sherman law.

During the trial the government prosecutor said Pfizer and Cyanamid realized "enormous profits on the antibiotic called tetracycline."

Illegitimate Births Tripled Since 1940

NEW YORK (AP) — The U.S. birth rate of illegitimate children has more than tripled since 1940, a new study shows.

But the rate has slowed down to a slight annual rise since 1957, Stephanie J. Ventura, a statistician for the National Center for Health Statistics, said today.

Since 1960, the illegitimacy rate among nonwhite women has declined slightly, while that among white women rose sharply, she added.

Mrs. Ventura summarized findings from a recent study on illegitimate births by the national center to closing sessions of the American Association for the Advancement of Science.

Not all illegitimate births are fully reported, but estimates taking this and other factors into consideration, she said, indicate:

• The number of illegitimate births rose from 89,500 in 1940 to 291,000 in 1965.

• The number or rate of births per 1,000 unmarried American women, aged 15 to 44, also about tripled, from 7.1 per 1,000 women to 23.5 in those same years.

• The rate per 1,000 women rose rapidly between 1940 and 1957, about 6 per cent higher each year. This was at a time when the total number of American women who were unmarried, and so "at risk" of having an illegitimate child, had declined.

• Between 1957 and 1965, the illegitimacy rate rose only about one per cent a year. This occurred when the total number of unmarried women was rising again due to high national birth rates during the 1940s. More girls were reaching child-bearing age of 15 or more, Mrs. Ventura pointed out.

In 1940, she said, the illegitimacy rate for nonwhite women was 35.6 per 1,000, or about 10 times greater than the rate for white women.

By 1965, this ratio had declined to about 8 to 1 or perhaps less, and "actually since 1960, the illegitimacy rate for nonwhite women has declined slightly (one per cent between 1960 and 1965, while the rate for white women increased 26 per cent in these five years."

From a health standpoint, Mrs. Ventura said, the numbers of illegitimate babies each year carry an impact "on services provided for the newborn... the health of these infants is more precarious and their need for social services greater."

STACIA BURNS

Teen of Week Is in Whirl of Activities

This week's Pontiac Teen of the Week says she believes in being active and can prove it. Take a look at the activities of Stacia Burns, a Pontiac Central High School Senior:

She governs her graduating class, plays a band instrument, sings, cheers, dances to modern jazz and ballet and she adds, plays "a little piano on the side."

"I feel you get what you put into anything, and if more students participate in school and community activities, life would be that much more fun," Stacia says.

Planning a career in music, she has already received a scholarship from the Mid-Western Music Academy.

CHOREOGRAPHER
In the spring, she'll be the choreographer of Central's spring play.

Right now, Stacia is senior class vice president. Her memberships include band, a cappella choir, senior girls ensemble, varsity cheerleaders and Junior Negro Business and Professional Women's Club of Pontiac.

Stacia is the daughter of Mr. and Mrs. Robert Burns, 112 Stout.

2 More to Vie for Senate Seat

SOUTH HAVEN (AP) — Two more candidates have come forward for the Republican nomination for the State Senate seat left vacant by the recent death of Harold J. Volkema, R-Holland.

They are Ivan Stein, 59, a fruit farmer from South Haven, and Keith Van Koeveering, 31, a printing firm employee from Zeeland. Stein announced his candidacy Friday; Van Koeveering, Thursday.

State Rep. Melvin DeStigler, R-Hudsonville, also plans to seek the seat, which represents the 23rd District, consisting of Ottawa, Allegan, Van Buren and part of Barry counties.

A special primary election will be held Jan. 23.

Gen. Wallace M. Greene Jr., retiring Marine Corps commandant, turned over his post yesterday to Lt. Gen. Leonard F. Chapman Jr. in a ceremony at Marine Barracks in Washington, D.C.

Capt. Charles S. Robb, President Johnson's son-in-law and Marine Barracks adjutant, presented the Marine Corps colors to Chapman, who takes office Jan. 1.

Also present was Col. Joseph C. Fegan Jr., barracks commander.

Film Star's Marriage 'Quiet Invalid'

David Hemmings, star of the film "Blow-Up," said last night in London that he and American starlet Gayle Hunnicut never were legally married.

The British actor said he and Miss Hunnicut went through what he described as "a form of marriage ceremony" in Sorrento, Italy, last September.

Miss Hunnicut was reported to have left London to stay with friends in Paris. British newspapers quoted her: "The ceremony was emotional and impetuous and, we realized later, quite invalid."

Both she and Hemmings are 25 years old.

Vacationing Envoy Trapped by Snowfall

U.S. Ambassador Angier Biddle Duke was among a number of winter vacationists rescued after some 80 cars and several buses were trapped by a heavy snowfall near Lerida, Spain.

The vacationers were on their way Thursday to the ski trails of the Aran Valley in the Pyrenees.

One bus was half submerged in snow when rescuers arrived.

Biddle's car was stalled between the Viella Tunnel and the village of Villaller. He left his car and returned to Villaller in a truck. Hours later, when snowplows cleared the road, the ambassador proceeded to the Aran Valley.

DUKE

Cotton's Goodwill Ambassador Picked

Susan Holder, 19, won out over 18 other finalists last night in Memphis, Tenn., to become King Cotton's official 1968 goodwill ambassador.

As the new Maid of Cotton, the 5-foot-5 brown-eyed beauty will travel throughout the world modeling cotton fashions and serving as the living emblem of the cotton industry.

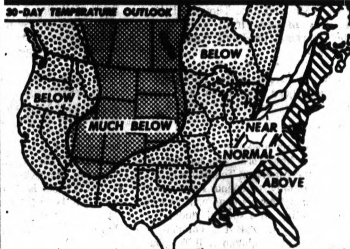

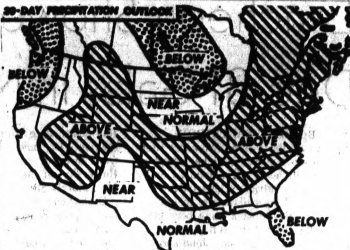

Miss Holder, a sophomore at Mississippi State College for Women, asked photographers, "Will the tears show?" as they flashed her picture.

U.S. WEATHER BUREAU - ESSA

THIRTY-DAY WEATHER FORECAST — The Pontiac area is in for above average snowfalls next month, while temperatures will fail to climb into the normal registers. This outlook is included in the U.S. Weather Bureau's forecast for precipitation and temperatures across the nation during January, as shown in the above maps.

State Income Tax Yield Is Higher Than Expected

LANSING (AP) — Michigan's cent increase from the same month last year, while a 7 per cent increase had been forecast.

Lock said lower car sales accounted for most of the difference. State use tax collections were \$6.03 million in November, compared with \$5.78 in November, 1966.

"We won't know for sure until April," said State Revenue Commissioner Clarence Lock.

Lock said the 2.6 per cent personal levy brought the state \$24.55 million in gross receipts during November, about \$2.5 million more than had been anticipated.

"On the other hand," he said, "we don't know how much we're going to have to refund (to taxpayers) because of overwithholding."

REFUND INDICATED

The federal government's experience with its income tax, Lock said, indicates the state may have to refund about 11 per cent—or \$2.6 million—of the November collection.

The month's sales tax collection of \$32.8 million was considerably lower than had been estimated. It represented a 3.1 per

Pig Crop Down

LANSING (AP) — Michigan's 1967 pig crop is reported at 1,039,000 head by the Michigan Crop Reporting Service, 1 per cent less than the previous year.

Era of Secret CIA Financing Officially Ends Tomorrow

WASHINGTON (AP) — The President, covert CIA funding of overseas activities of some private organizations by the Central Intelligence Agency groups "will in every instance stopgap congressional appropriations at midnight Sunday. What will follow is still a problem for the new year.

The State Department announced Friday that, in line with the recommendation of a special panel named by the

JCs Honor Suspected N.J. Perjurer

WAYNE, N.J. — The Wayne Jaycees today announced the selection of Jerry Fuchs, 32, as its outstanding man of the year.

Fuchs is under indictment for false swearing to a Passaic County Grand Jury in the investigation of the murder in 1966 of Judith Kavanagh.

He is free in \$5,000 bail.

Fuchs is a vice president and general manager of Matzner Publications. The firm is headed by Harold Matzner, 30, who is one of three indicted for the murder and is in jail awaiting trial.

Fuchs was indicted on the false swearing charge last July after he allegedly told the grand jury that he and Matzner were aboard a plane for Chicago the night of the killing.

The award makes Fuchs eligible for election as one of the five outstanding young men in New Jersey.

Fuchs will be honored at a dinner on Jan. 6. He is vice president of the Jaycees.

The Rusk group is slated to convene again in January. Private educational and voluntary groups "will in every instance stopgap congressional appropriations to the creation of a public-private corporation to hand out grants.

"At the time of termination of support," the State Department announcement added, "some of the organizations received contributions to tide them over the period required to develop new sources of funds."

As in the past, press officer Robert J. McCloskey refused to name the organizations getting Central Intelligence Agency help. He has said only a "very small" number among more than 1,000 private groups engaged in overseas activities received CIA aid.

To disclose their names "would not be in the national interest and might jeopardize their chances of developing new means of support," he said.

President Johnson named the panel and picked Undersecretary Nicholas Katzenbach to head it last February amid the row over disclosures of long-time CIA assistance to some student and other nongovernment organizations engaged in overseas activities the government deemed useful.

CIA chief Richard Helms and John W. Gardner, secretary of health, education and welfare, were the other members of the Katzenbach committee which now formally goes out of existence. The problem of future funding for the private organizations has been handed to the larger committee under Secretary of State Dean Rusk. This group of prominent persons in and out of government has been meeting for months without arriving at a conclusion.

Original Audubon Bird Prints Prominently Displayed In Living Room

Decor Blends Past, Present

By JODY HEADLEE

Home Editor, The Pontiac Press

Rare antiques, imports, Mediterranean, Contemporary and Traditional create harmony in diversity in the furnishings of the Dennis Crampton home on Shadow Lane in Bloomfield Township. Pale green walls, beige sculptured carpeting, avocado green draperies and window sheers establish the muted background in the pleasant living room.

Throw pillows of brown, tangerine and gold highlight the avocado antique satin sofa in the room's bay. Completing the grouping are straight back chairs covered in a contemporary floral of tangerine, pumpkin, brown and green and a brass piecrust table imported from India.

Near the foyer entrance to the room is a curved glass whatnot. Displayed on its shelves are brass pieces and ceramic cats, the latter giving a hint to Mrs. Crampton's favorite pets. The household numbers four feline members, three Siamese and one long-haired.

The bird paintings, hung in an arrangement of three, are authentic Audubons.

FROM ENGLAND

"We were originally from England," said Mrs. Crampton. "And before we moved to the United States, we lived in Canada for a time.

"Our very first friends in Canada were two elderly ladies who lived in our apartment building. When they discovered we were going to move, they insisted that we take the Audubons as a going-away present.

"Needless to say both my husband and I were delighted with their thoughtfulness."

A massive ceramic gold and green lamp with a white boucle shade resting on a brass top table with an antiqued green base lights the fireplace area.

Balancing the brass fireside utensils is a brass cathedral candlestick with a tangerine candle.

An arrangement of prints, etchings and paintings creates decorator interest on the fireplace wall. Tangerine and avocado floor pillows repeat the room's accent colors on the hearth for a unifying effect.

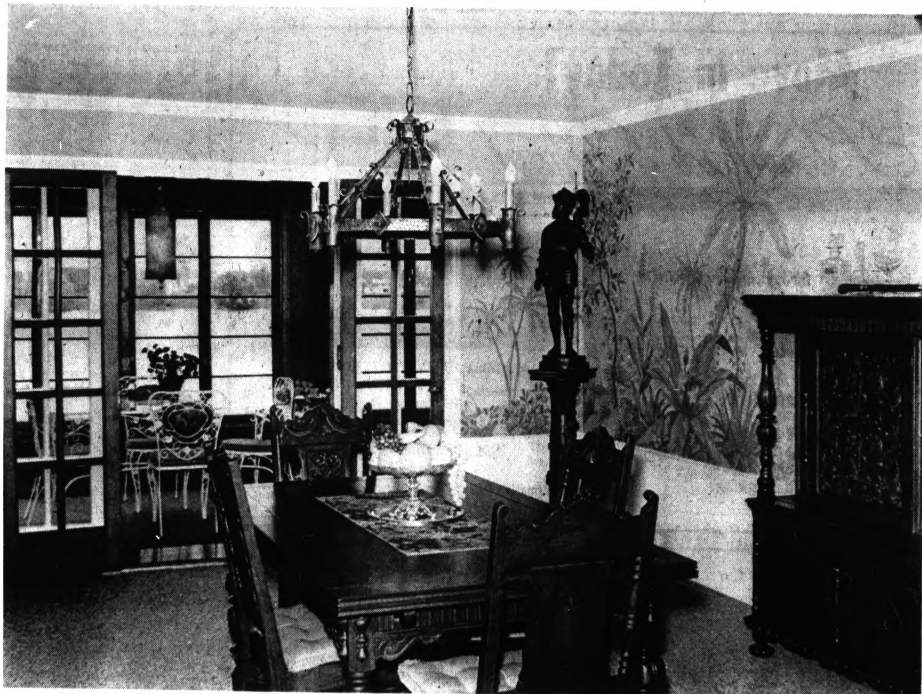

Antique leatherbound books, discovered by Mrs. Crampton's mother in England, are used on the massive dark oak coffee table before the brown sofa. Introducing color interest are the gold and tangerine throw pillows.

In the nearby dining room, antique oak pieces complement the shades of green tropical wallpaper.

A cast iron copy of a proud conquistador by Bois Guilbert stands majestically on an antique walnut pedestal.

"I just felt he belonged in the room," said Mrs. Crampton. "If you look closely you will see in the wallpaper's background a Spanish galleon. Ships of that time frequently carried explorers, and..." she smiled.

Lighting the hand-carved table is a hammered iron drop fixture imported from Italy. Its textured surface resembles the oxidized quality of old pewter.
