Commission Contest in 4 Districts

Candidates, 2 Issues Face Voters at Spring Primary in City Monday

One week from today, Pontiac voters will go to the polls to settle the question of increased municipal parking for the city, nomination of eight candidates for the City Commission from four districts for the April election, and a proposed pay boost for commissioners.

In order to outline to citizens the questions facing them in the primary next Monday, March 5, the Press today has devoted a special page on the coming election. (See page 19).

Whether the city needs added municipal parking spaces will confront voters when they cast ballots for or against the issuance of $600,000 municipal parking revenue bonds proposed by the city.

Forced into a vote by a referendum action taken by an opposition group in December, voters are expected to settle the question of the addition of 624 5-cent-an-hour stalls in four proposed lots.

Voters in Districts 1, 2, 4, and 7 will go to the polls March 5 to nominate two candidates for a place on the April 2 general election ballot.

A second question of a proposed pay hike for city commissioners and the mayor is slated for settlement also at the primary.

4 Veterans Organizations Favor Parking Proposal

Endorsement of the city's proposed $600,000 municipal parking program was made recently by four veterans organizations within the city.

Pontiac voters will cast ballots next Monday at the city primary for or against the issuance of $600,000 worth of municipal parking revenue bonds which would provide for 624 additional 5-cent-an-hour parking stalls in Pontiac. The city presently has 413 off-street parking spaces.

The "Committee for Five Cent Parking" received signed resolutions from the Disabled American Veterans, Chapter 16, signed by Commander Morris Cucksey; American Legion Cook-Nelson Post 20, Commander William B. Thomas, and Amvets, Bemis Olsen Post 113, Virgil D. Roberts.

Also favoring the proposal is the Jimmy Dey Post 12 of Amvets, signed by its Commander Leon Sirlin.

The resolutions concluded by saying: "We hereby officially support the action of the City Commission and urge all Pontiac citizens to vote for this much-needed five cent parking."

Petoskey Fires Cost $200,000

One Blaze Destroys 2 Downtown Buildings; 2nd, Boat Works

PETOSKEY (AP) — Damage and loss was estimated at $200,000 today from two weekend fires—one in the downtown district of this northern lower Michigan resort city.

* * *

The other blaze, from which Petoskey firemen were held back by the prior fire, destroyed the Ted McCutcheon boat works at Walloon Lake.

Petoskey is on Little Traverse Bay almost at the northern tip of the Lower Peninsula. Walloon Lake is 10 miles south of Petoskey.

Ice-coated firemen, still busy with the blaze in Petoskey after a night-long battle, didn't dare to leave it Sunday morning when the second, boat works fire broke out. The fire in Petoskey destroyed two store buildings. Loss was estimated at $150,000.

Emmet County Sheriff Frank West suffered a broken arm. Ten-degree temperatures hampered firemen. They had to take turns thawing out themselves and their fire hoses.

The fire was discovered about 10 p.m. Saturday. It was not extinguished until 8 a.m. Sunday.

COULDN'T HELP

Meanwhile, the fire at the boat works broke out, but the Petoskey firemen couldn't answer that call for help.

The boat works, a 50 by 100-foot building, was totally destroyed. The loss was estimated at $50,000.

Eight small boats were destroyed.

Three summer shops and a business building were lost in the downtown fire.

Firemen said the blaze started in the G. E. Beard Plumbing and heating. It spread to the Congo Shop, Leeta Hat Shop, and the Alice John Rogers Shop, all closed for the winter.

A 15-mile an hour wind tossed embers about. However, the wind also was credited by firemen with keeping the fire from spreading further.

Stories to Explain Struggle in Africa

Terror and chaos have become the everyday way of life in important parts of Algeria and Morocco, where key American air bases are located. How important is the struggle now under way? What are the Communists up to there?

To answer these vital questions and others, a famed soldier-diplomat, Brig. Gen. Frank L. Howley, USA (ret.), has just toured North Africa, Spain and France—an important defense arc against Communism.

Now Gen. Howley's brilliant, informative and down-to-earth six-article report is brought to you. Don't miss "North Africa — Hot Spot in Cold War"—starting today on page 22.

New Campaign Fund Bill Hinted

Senate May Introduce Elections Proposal to Increase Expenses

WASHINGTON (AP)—A new elections bill which would permit individual senatorial candidates and their backers to spend from $100,000 up to a maximum of $1,910,000 in their campaigns may be introduced in the Senate this week.

Sen. Lyndon B. Johnson of Texas, the Democratic leader, told reporters he has "every reason to believe we will have complete and wholehearted cooperation" from members of both parties in support of the new bill.

"We are going to insist that action be taken in this session of Congress on a complete, realistic measure encouraging the fullest public participation and the fullest public review of all elections," Johnson said.

WOULD HIKE LIMIT

In its present form the bill would raise the present elections law limitation of $10,000 personal expenditures by a senatorial candidate to 30 cents per vote cast in the last previous election, with a minimum ceiling of $100,000.

All expenditures for candidates in excess of $100 would have to be reported to the Senate, House and Federal District Court in the candidate's home area.

The Johnson-Knowland bill would not apply to primaries. State laws limiting expenditures to smaller

(Continued on Page 2, Col. 1)

State's Traffic Takes 11 Lives Over Weekend

Boy Drowns and Girl Dies in Fire to Raise Accident Toll

Eleven persons died in Michigan traffic over the weekend, which also saw death claim a 5-year-old Parma boy by drowning and a 10-year-old Detroit girl in a fire.

Icy sidewalks caused one fatality in Grand Rapids. Mrs. Julia D. Andzejewski, 66, was injured fatally Sunday in a fall while on her way home from church.

Four of the traffic fatalities were attributable to snow and ice which glazed highways and streets at the start of the weekend.

Dennis Lee Raigsberger, 5, of Parma drowned after the sled on which he and a 6-year-old brother, Lynn, were riding went onto the ice of a pond and broke through.

Mrs. Louise Rainsberger overheard the cries of her sons and raced a quarter of a mile to the frigid waist-deep water, but Dennis Lee was dead. Lynn suffered shock, but doctors said he would recover.

Emma Lee Golden, 10, of Detroit, died Sunday in a house fire after apparently seeking protection by hiding in a closet. Her father, Ernest, 40, and a brother, Archie, 8, escaped. Firemen said the blaze started from an overheated stove pipe.

BOWLER KILLED

Jack P. Hooker, 39, a member of the Jackson Elks bowling team, was killed Sunday when struck by a car at a Saginaw intersection. Hooker had competed in a weekend bowling tournament only a few hours earlier.

Edward Nasif, 54, of Lansing was fatally injured Sunday in a two-car pileup at a Lansing intersection.

Mrs. Harriet Sprague, 29, of Mount Morris was killed Satur-

Which One Lives in White House?

THE PRESIDENT

HECTOR J. CHAMBERS

'Ike' Rides Grand Trunk on Daily Run to Detroit

A weary-eyed commuter on the Pontiac to Detroit 6:30 a.m. Grand Trunk run may look up from his newspaper one of these mornings, rub his eyes a few times, and wonder what President Eisenhower is doing on the same train.

But the railroad uniform would be a dead-giveaway that it wasn't Ike but instead Pontiac's double to the President, Hector J. Chambers, 52, of 388 S. Anderson St.

"People have been saying I have looked like Eisenhower as far back as his army career in Europe," the Grand Trunk Railway brakeman said.

Chambers, married and the father of four children, has worked on the Pontiac-Detroit commuter run since 1943. He has lived in Pontiac for 28 years.

"A day doesn't go by that people don't kid me about my resemblance to Eisenhower," Chambers said. "Just Wednesday when the Detroit papers carried the story he was going to run again, all my friends came up and said 'why I see you are going to run again.'"

Chambers, a native of Ontario, lives up to his double by being a strong Republican and doing a little golfing."

Chambers said that most people think he looks more like one of the Eisenhower brothers. "Just the other night at a party a bunch of kids swarmed over me and requested my autograph to see which Eisenhower I was."

"After all these day by day years of joking and being told I look like the President, which I take in a good-natured way, I am beginning to think it myself," Chambers related.

"I didn't vote for Ike in the 1952 elections because I hadn't received my citizenship papers as yet," he said. "But I sure am going to vote for him if he gets nominated again."

All Reds Re-elected

LONDON (AP)—All 11 members of the present Presidium of the Central Committee of the Soviet Communist party have been re-elected, Moscow radio said today. This is the body which used to be known as the Politburo.

Say Ike Will Run

COLUMBUS, Ohio (AP) — Three Washington correspondents predicted yesterday that President Eisenhower will run for a second term.

Predict Light Snow Tonight, Tomorrow

The Weatherman foresees cloudy skies with a chance of some light snow this afternoon and evening. Tomorrow it will be partly cloudy with snow flurries.

The low tonight will range from 16 to 20 degrees. The high tomorrow will be near 32.

The lowest temperature preceding 8 a. m. was 20 degrees. The thermometer registered 27 at 2 p.m.

Weight Restrictions Go on County Roads

Weight restrictions will be placed on all blacktop and gravel county roads tomorrow, the Oakland County road Commission said today.

Trucks will be allowed to carry a maximum gross load of 11,700 pounds on a single axle and 16,900 on a tandem axle, the commission said. Thawing weather conditions make restrictions necessary, it was added.

Lack Suspects in Safecracking

Yeggs Receive $5,000 From County Market on Union Lake Road

Detectives investigating the $5,000 safecracking early Saturday morning of Giroux's supermarket on Union Lake Road today said they had no suspects in the crime.

Detectives Don Francis and Jack Davis said the thief or thieves broke into the store through a rear door.

The safe, they said, was "completely wrecked," apparently with tools including wrecking bars, sledge hammers and cold chisels. No explosives were used, they added.

Mrs. Amy Galloway, manager of the store, lives about half a mile away from the market.

2 Jets Complete Possible Record Non-Stop Flight

LANGLEY AIR FORCE BASE, Va. (AP)—Two Air Force jet fighter-bombers have completed a non-stop flight from California to Langley AFB in 3 hours 34 minutes—apparently record time.

The two F84es, averaging better than 670 m.p.h., left Norton AFB at San Bernardino, Calif., at 12:50 p.m. yesterday and landed at 4:24 p.m. after covering the 2,400 miles without refueling.

12 Nations Begin Secret Atoms-for-Peace Parley

WASHINGTON (AP) — Twelve nations today start a conference that shapes up as a contest between the United States and Russia over the form of a proposed world atoms-for-peace agency.

The Russians want it set up under the United Nations Security Council, where their veto can be effectively used in running its affairs.

The United States wants it to have more autonomy—as a specialized agency tied to the U. N. only by a commitment to report once a year.

American officials are reported optimistic that the closed-door conference, expected to last about two weeks, will reach agreement on a proposed charter which already has been approved by eight of the participating nations.

Officials are said to believe there is a good chance that the Soviets will accept the charter without the veto provision.

'Drag' Racing Issue Sparks Riot in Florida

33 Youths Jailed After Police, National Guard Quell 5-Hour Outbreak

DAYTONA BEACH, Fla. (INS) — Law officials at Daytona Beach today sought the ringleaders of a youthful hot-rod crowd which staged a wild five-hour riot in the city's entertainment section.

The demonstration began at 8:30 Saturday night and was not quelled until five hours later when 85 policemen and 200 National Guardsmen with carbines at ready marched on the rock-hurling hot rodders.

The riot was touched off when police prevented "drag car" racing enthusiasts from staging a race on a city street.

At least four persons, including one policeman, were injured and 85 of the 700 rioting auto racers arrested.

Of the youths arrested, 33 were held at the Volusia County Jail at Deland. Numerous others posted bond and were not locked up.

Authorities questioned the persons at the Deland Jail to find out if any hot-rod leaders were actually responsible for inciting the riot.

A spokesman at the jail said about 40 per cent were teenagers and the rest in their early 20s.

City officials were worried about another outbreak at the 160-mile Grand National Circuit stock car race held later in the day but the event was held without incident.

SPEED WEEK

The race which climaxed "Speed Week" at Daytona Beach, was called within two laps of the finish because of the incoming tide.

The incensed drag race enthusiasts retaliated by slashing the tires on a police car. When a second police car was damaged, the riot moved into high gear.

The racing crowd swarmed over the four block strip where a crowd of 10,000 was seeking entertainment.

The mob hurled beer cans and rocks, wrecked furniture and smashed windows as they ignored tear gas and routed city firemen who attempted to "hose down" the crowd.

At one point, Bill France, president of the National Association for Stock Car Automobile Racing, tried unsuccessfully to bring order by pleading to the crowd from a sound truck.

Finally, at 1 a.m., two companies of the 148th Anti-Aircraft Battery of Daytona Beach were called out and they promptly gained order by arresting anyone who refused to go home.

Cletus Allen, city manager, blamed the trouble on liberties given to the visiting racers. He declared:

"If we are going to be a racing town, we'll have to enforce the laws."

Senator Uses Political Trick, Plus Psychology

PROVIDENCE, R.I. (AP) — Sen. John F. Kennedy (D-Mass) used a little-known political trick in an effort to win votes for the Democrats.

* * *

He used a taxi to go to Hope High School for a speech and was going to give the driver a substantial tip with a plea to vote Democratic.

"But then I remembered something Sen. Green had told," he said.

* * *

Kennedy and Sen. Green (D-RI) both are considered wealthy.

"Instead of a big tip," Kennedy said, "I gave him no tip at all and told him to vote Republican."

Personal Plane of Mao Crashes in Plot Failure

HONG KONG (INS)—The personal plane of Mao Tse-tung was reported today to have exploded and crashed two weeks ago shortly before the Red Chinese leader was due to board it.

The pro-Nationalist newspaper said the crash was caused by sand put in the engines in a deliberate plot to kill the chairman of the Red Chinese government.

Crash-Lands in Field

Pilot Hero Avoids Homes

TRENTON, N. J. (INS) — A heroic, house-dodging flight by an Air Force jet pilot was reported today by an Army officer who watched as the flier crash landed near a Ft. Dix housing project.

* * *

Capt. Robert M. Almes, 33, of Mount Holly, N. J., nearly burned to death in his F86D Sabre Jet before two sergeants rescued him.

The captain had just taken off from McGuire Air Force Base near Trenton Sunday on a routine training intercept flight when his engine quit.

Lt. Col. James L. Spellman, 43, chief of the 49th Infantry Division faculty at Ft. Dix, saw the pilot's desperate fight from the lawn of his home in the Wherry Housing Porject at the edge of Ft. Dix.

* * *

"I've seen fliers fight with their planes to avoid crashes before," he said, "but it was nothing like this. That man was a hero.

"He acted as though he didn't care if he died, provided it was alone. He squeezed every inch of distance from his crippled plane.

LOST ALTITUDE

"When I first saw him, he appeared headed straight for my house, but then he side-slipped losing maybe 200 to 300 feet of precious altitude in the process.

* * *

"I watched him swing overhead dodging houses to aim his plane at a nearby small open field. Some kids in the street ran screaming into their houses. Others stood rooted in terror.

"Suddenly the pilot tried to dip his plane under some power lines. He hit a pole. The impact tore off a wing tank spilling fuel all over the field. The fuel ignited.

"When I reached the plane, the pilot was stunned but conscious. I unfastened his shoulder straps to pull him out. His first and only question before he lost consciousness was: 'Did anyone get hurt?'"

* * *

Spellman, who received severe burns of the hands and face in the rescue, paid tribute to two Air Force sergeants, Julius M. Oravetz and Robert Petersen, for their part in the rescue.

SEVERELY BURNED

"They dived into that plane without regard for their lives when I shouted at them that the pilot was still alive," Spellman said. Both were severely burned.

* * *

Almes, who is married with two children aged 5 and 3, lives at Mount Holly, N. J. He was listed in "fair" condition with severe burns of face, chest and arms, at Ft. Dix Base Hospital.

He is a member of the 539th Fighter Squadron attached to the Eastern Air Defense Command.

Storm Showers Texas Panhandle With Gritty Sand

By THE ASSOCIATED PRESS

A weak windstorm, hatched in the deserts of New Mexico, moved through the Texas Panhandle today, showering the area with gritty sand.

Propelled by winds of 30-35 m.p.h. the storm is expected to pass through the Missouri-Arkansas line bound for Kentucky and the Atlantic Seaboard. The Weather Bureau expects the storm to blow itself out by tomorrow morning.

There were no indications the storm might step up its force and bring a repeat performance of Saturday's tornadoes which slammed into southern Illinois and central Indiana.

Elsewhere in the nation, snow flurries continued over the New England states and the northern Great Lakes region. A slight cooling was noted in the Northcost.

It was slightly warmer over most other areas east of the Mississippi.

Business Letter Costs $1 to $1.25 to Write

LOS ANGELES (AP)—What does it cost a business firm to write a letter?

A survey of 200 Los Angeles businessmen indicates the figure is between $1 and $1.25.

This includes dictation, stenographic time, overhead, mailing, stationery, filing and related charges.

The survey was made by Dr. Erwin Keithley of the business education faculty at UCLA, who says few businessmen are aware of the high cost of correspondence.

Lenten Guideposts—"God Gives More in Return"

Al Dark's Secret Revealed--He Believes in Tithing

By MRS. RALPH J. DARK

I had never seen Alvin so angry. The morning papers were strewn across the breakfast table; none of us had known a reporter was present when Alvin addressed the Bible class of Calvary Baptist Church in Yonkers, New York on October 3, 1954.

AL DARK

"Looks like I've been thrown a curve," Alvin said. "Maybe I should have talked about something else."

But the secret was out. The whole country soon knew that Alvin Dark, captain of the New York Giants, had been a tither since boyhood. Headlines shouted that he was about to give his church 10 per cent of the $11,000 he had just earned in the Giants' World Series victory over Cleveland.

Of course, the family knew. We have always tithed.

Alvin had always been secretive about tithing. He was 14 when he got his first job—delivering newspapers near our home in Lake Charles, Louisiana, for $2.50 a week.

HE GIVES MORE IN RETURN

Shortly after he had gone to work, I was busy one day cleaning his room. I was arranging his dresser when I noticed several envelopes. They were his budget, and on one were the words, "For the church."

"God owns everything we are," he told his boyhood friends "and that includes what we earn. He deserves at least ten per cent of us; He gives much more in return."

My husband lived just long enough to see Alvin start his baseball career with the Boston Braves. Yet I believe my husband knows his son has fulfilled old dreams, and he is happy as only a proud father can be.

Early in his Major League career, Alvin was offered $500 to endorse a cigarette brand. Alvin needed the money, but he didn't smoke; so in all honesty he felt he must refuse. But it wasn't an easy decision. Next day Leo Durocher, then the Giants' Manager, approached Alvin on the field and said: "The team needs a captain. Do you want the job? It carries a $500 bonus."

I asked Alvin once if he ever prayed for his team to win. He shook his head. "I don't believe God answers prayers to win. How could He—and be fair to both sides?"

Nobody dreamed Alvin would be able to keep his speaking date at the Yonkers church. The pastor had asked him to address the Sunday school classes.

"I'd like to," said Alvin, "but the Series starts on Wednesday. We'll be in Cleveland that weekend, and the only way I can be back in time is for us to win four straight games." With Cleveland the favorites, the possibility that the Giants would win four straight was unthinkable.

On Saturday the Giants did win their fourth straight, and Alvin was at the New York church at 9:30 the next morning. That was the day he spoke about tithing, the day the newspaper reporter got his story which appeared across the country.

NATION-WIDE STORY

Tithing had always been a personal thing with Alvin. He had talked about it as once he had discussed it with his friends. He wanted to encourage it, but he felt his remarks would go no further. Now it was a nation-wide story. All of us left New York as quickly as we could.

But the story was awaiting us in Lake Charles. Follow-up articles appeared for several days, and then came invitations for Alvin to speak to various church groups. Much more at home on a baseball diamond than on a speaker's platform, Alvin was reluctant at first. Then he came to this conclusion:

* * *

"It takes a couple of hours a day to give a talk—about ten per cent of the 24. I guess it's another way of tithing myself."

TOMORROW—Lee H. Bristol Jr., a business executive, tells the inspiring story of the "Spiritual Commandos."

Aircraft Probe Hits High Gear

House Subcommittee to Scrutinize Operations of Five Firms

WASHINGTON (INS) — A congressional probe of aircraft concerns goes into high gear this week with five companies coming under scrutiny, including strike-bound Republic Aviation.

* * *

A House armed services subcommittee, headed by Rep. F. Edward Herbert (D-La), turns its attention beginning today to some of the nation's most important airplane manufacturing companies.

* * *

The firms, and the order in which they will be called upon, are: Grumman Aircraft Engineering Corp., Bethpage, N. Y.; McDonnell Aircraft Corp., at St. Louis, Mo.; Douglas Aircraft Co., Inc., Santa Monica, Calif.; Republic Aviation Corp., Farmingdale, N. Y.; and Chance-Vought Aircraft Co., Dallas, Texas.

The House unit is investigating the profits, production and performances of the nation's 15 major manufacturing firms which produce aircraft for the Air Force and Navy.

New Elections Fund Bill Hinted in Senate

(Continued From Page One)

amounts would have priority over the proposed new federal law.

The bill also would raise the present three-million-dollar limit imposed on the Democratic and Republican national committees to 20 cents per vote for the highest vote cast in any of the preceding three presidential elections.

It also would permit television and radio networks to give free and equal time to federal office candidates whose party polled at least 4 per cent of the popular vote in the previous election or who could present petitions signed by voters representing 1 per cent of that total.

Hoeft and Birrer Now in Tiger Fold

DETROIT (INS)—Pitchers Billy Hoeft and Werner (Babe) Birrer today agreed to terms for the 1956 season after exchanging telephone calls from Lakeland, Fla., with Detroit Tiger general manager Herold (Muddy) Ruel.

With the two hurlers now in the fold, only two Tigers remained unsigned. All-star shortstop Harvey Kuenn and 1st baseman Earl Torgeson have yet to agree on new contracts.

Two Days Left to Beat Deadline for New Plates

Car owners have two days left to beat the deadline for driving with 1955 license plates.

Willis M. Brewer, manager of the Pontiac branch of the Michigan Department of State, 53-55 N. Parke St. said new plates may be purchased from 9 a.m. to 5 p.m. tomorrow.'

Wednesday the office will be open from 9 a.m. "until the last customer leaves," Brewer said. The office closes at 5 p.m. today.

Brewer urged purchasers to avoid the last-day rush.

Glass Door Smashed as Thieves Take $193

Some $193 in cash was reported stolen from a dairy at 424 Oakland Ave. which was broken into Friday night.

Owner Tefonce Power, 15 Marvia St. said front door glass had been smashed and the money looted from a hiding place.

Ionia Justice Dies at 80

IONIA (UP) — John L. Sullivan, Ionia city justice of the peace the past three years and former city and township supervisor, died Sunday at his home. He was 80.

SKATING STAR CHOOSES PONTIAC — Gundi Busch, Olympics ice skating star and top Ice Follies performer, poses with a new red and gray Catalina 870 after she arrived at the Pontiac plant here to take delivery. She and her husband Gosta Johansson of Sweden are in the U. S. for a month's tour.

French to Discuss Africa

PARIS (INS)—The French cabinet holds an emergency meeting today on new outbreaks of violence in French North Africa which took at least 90 lives over the weekend.

* * *

The meeting, presided over by President Rene Coty, was expected to discuss the military situation in the troubled area and the possible sending of reinforcements to Algeria.

The French officials also will talk over economic, social and political reforms for the territory.

At least 83 Algerian Nationalist were killed during the weekend as French troops invaded the rebel stronghold in the Constantine department of Algeria.

In Morrocco, four French troopers were killed by rebels near Fez. Twelve other Frenchmen were wounded in the small-arms duel with a large rebel band.

* * *

In nearby Taza, a former Caid and his teenaged son were slain. Nationalists threw a hand grenade at the Caid and followed it up with rifle shots.

FRENCHMEN ATTACK

And in the Algerian city of Constantine, some 500 young Frenchmen attacked police.

The incident began with thousands of Frenchmen attending a memorial for French soldiers killed in a rebel ambush last week.

The service was called to protest the "inadmissable secrecy" which local authorities clamped down the burial of the soldiers.

* * *

After the memorial ended, hundreds of French youths attacked police headquarters, hurling stones and pieces of iron at the police. Tear gas was used to clear the streets of demonstrators.

Bad Weather Increases Waterford Accident Toll

Chaotic weather conditions over the weekend produced a bumper crop of accidents in Waterford Township, Police Chief Frank VanAtta said today. Five of the 17 reported accidents involved injuries, he said, and a sixth narrowly missed being fatal.

A Pontiac driver whose car spun out of control, hitting three trees off Airport Road at Cutler Road yesterday morning, was reported in critical condition in Pontiac General Hospital today.

Hospital authorities said Keith Nealis, 24, of 51 S. Paddock St., suffered severe head injuries in the accident.

Lawrence Beach, 53, of Clarkston walked away uninjured after driving his car into the side of a moving freight train at the Airport Road Grand Trunk crossing, Saturday morning, Chief VanAtta said. The car was demolished.

Beach said he saw the flashers too late to avoid hitting the train.

Four people were injured and one of them hospitalized in an accident last night on M59 at Crescent Lake Road. Charles Banks, 13, of 119 Prospect St., was reported in satisfactory condition in Pontiac General Hospital with a dislocated hip suffered in the crash.

Charles was riding in a car driven by Elise Cheis, 38, also of 119 Prospect St. Mrs. Cheis and her son, Stephen, 8, were treated and released.

Mrs. Cheis' car collided with one driven by Bruce Ritchie, 18, of Waterford Township, also treated for minor injuries. Chief VanAtta attributed the accident to icy road conditions.

Three persons suffered minor injuries last night in an accident on Clintonville Road at Walton Boulevard, when cars driven by Malcom Crowe, 37, of Waterford Township and Jacqueline Retan, 28, also of Waterford Township, collided.

Crowe; his wife, Marjorie, 38; and Mrs. Retan were injured.

Two passengers suffered minor injuries when a car driven by Robert Milligan, 25, of Waterford Township, skidded on ice and hit a culvert Saturday evening on Williams Lake Road at Coventry Road.

Pontiac General Hospital authorities said they treated Hazel Milligan, 19, and Thomas Barry, 28, both of Waterford Township, after the crash.

Mary Emma Dobson, 45, of Waterford Township, whose car hit an icy patch and skidded into the ditch off M-59 near Cass Lake Road, was treated for minor injuries and released from Pontiac General Hospital.

Truck Driver Safe as Flames Hit Cab

A truck driver whose cab and motor burst into flames just as he opened the door was able to leap to safety Saturday night.

Driver Walter Zrakovi of Grand Blanc told Oakland County Sheriff's deputies he had smelled gasoline fumes in the cab seconds before the fire broke out.

Thinking the underseat gas tank might have sprung a leak, Zrakovi stopped his truck on US 10 at Oak Hill Road and opened the door to investigate.

As the door opened, fire broke out in the cab and motor compartment. Zrakovi jumped.

Holly Fire Department subdued the flames, deputies said.

Circuit Court Grants 33 Divorce Decrees

Divorce decrees granted recently in Oakland County Circuit Court include:

Thomas L. from Edith E. Best
Alice form Clayton Knepfler
Dorothy J. from James R. Franklin
Katie V. from Morris L. Eskridge

Supplies for Party Taken From Store

Thieves who broke into a Clyde grocery store Saturday night walked off with supplies for a party, Oakland County Sheriff's detectives said today.

Leland Walters, owner of Walters' Grocery on Main street, reported a preliminary check indicated the robbers took beer, wine, candy, pop, cigarettes, gum and luncheon meats.

Democrats Elect George D. Hicks

Re-elected president of the Pontiac City Democratic Club yesterday was George D. Hicks.

Some 125 members attended the election - meeting at Fisher Union Hall, 821 Baldwin Ave.

HICKS

Other officers named for 1956 include: Marvin Kuschinsky, first vice president; John Kent, second vice president; Norman Bolton, treasurer; Albert Mallott, recording secretary; Hazel Kuschinsky, corresponding secretary; Lloyd Lewis, trustee; Conrad Beaubian, sergeant-at-arms; and George Stewart, guide.

Speakers included State Rep. Walter T. McMahon (D-Hazel Park), Pontiac City Commissioner Harry W. Lutz and former Pontiac mayor, Arthur J. Law.

Bentley Mum on State Bid

Lawmaker Continues Tour of Speechmaking; Hits Williams' Charge

DETROIT (UP) — Rep. Alvin M. Bentley (R-Mich) kept up a round of speechmaking in Michigan today without saying whether he will seek re-election to Congress or run for the Republican nomination as governor. He has indicated he will announce his intentions soon.

* * *

In a speech prepared for the Women's Republican Club of Grosse Pointe, Bentley criticized foreign policy statements made recently by Democratic Gov. G. Mennen Williams.

The congressman said, "I notice that our governor, who now fancies himself an expert on international affairs, is roaming the country crying 'what peace?'"

"The answer to that," Bentley said, "can and should be given by the millions of American women who must gratefully acknowledge that the guns are silent and that we have prosperity without having to go to war to achieve or maintain it."

Bentley declared, "The Eisenhower Republican foreign policy, like Republican foreign policies of the past 50 years, has brought peace to this country and has kept us out of war. On these facts alone, it will be judged a success by the people of this country."

* * *

In a speech yesterday to a group of 200 Estonians in Detroit, Bentley said he will continue to work for the "peaceful liberation of the captive countries behind the Iron Curtain." He praised the United States policy of non-recognition of Soviet Russia's seizure of the Baltic states of Estonia, Latvia and Lithuania.

Second Polio Shots Now Are Available

Second injections of Salk polio vaccines are available for children who received first injections after Oct. 1 of last year in Pontiac and Oakland County Health Department clinics.

* * *

Vaccine for first injections is still in very short supply, clinic representatives said.

Private physicians have vaccine on hand for second injections for all children to whom they administer the first injections.

* * *

Parents are urged by Dr. John D. Monore, county health director, to bring their children in for second injections at once so that immunization may be completed before next summer's polio season.

Admits Indecent Conduct, Fined $75 by Judge

Pleading guilty to a charge of indecent conduct, Norman E. Keller, 18, of Seelyville, Ind. paid a $75 fine at arraignment before Pontiac Municipal Judge Cecil McCallum Saturday.

Police charged Keller solicitated an immoral act in the men's lounge of a downtown establishment.

Man and Wife Injured as Car Leaves Highway

A Utica man and his wife were reported in satisfactory condition today in St. Joseph Mercy Hospital after an accident Saturday night on John R near 18½ Mile Road.

Patricia Crystal, 26, suffered a possible concussion and lacerations in the crash. Joseph Crystal, 31, suffered lacerations and abrasions.

Troy Township Police said Crystal's car left the road, hitting a tree.

Leaves for Washington to Attend Conference

Fred S. Galloway, director of Oakland County Department of Veterans Affairs, is leaving for Washington, D.C. today to attend habilitation Conference.

the American Legion National Re-

Galloway is making the trip as a guest of the American Legion of Michigan.

NO HUNTING—That's the name given this elaborate mask which seems to invite what it forbids. Twigs, birds, ivy and sequins make up this mask, designed for the brilliant Elfgance Night festivities at a Paris, France, restaurant.

Eleven Lose Lives in State Traffic

(Continued From Page One)

day night in a head-on collision on M21 near Davison.

Marian Fay Baxter, 15, of Newaygo and Al Weymer, 20, of Croton died Saturday night when the car in which they were riding hit an icy spot and went off U.S. 31 near Whitehall.

Walter Priehs, 68, of Detroit was killed in a snowstorm Saturday when struck by a car while attempting to cross a Detroit street.

CRUSHED BY TRUCK

Thomas H. McKim, 28, of Utica was crushed Friday night when his oil truck skidded on an icy road near Romeo and rolled over.

Nettie Oake, 49, of Detroit was fatally injured Saturday night in a collision in Macomb County.

Junius White, 30, of Mount Clemens was killed Sunday night when a car in which he was riding went off U.S. 25 near New Baltimore and hit a tree.

Richard Wolcott, 27, of Albion was killed Sunday when thrown from a car against a utility pole.

Mrs. Florence Stock, 37, of Keeler, was struck and killed Saturday night by a car on U.S. 12 near St. Joseph.

Pontiac Deaths

Mrs. Joseph LaBarge

Mrs. Joseph (Malvina) LaBarge, 94, of 278 N. Cass Ave. died last night after an illness of six months.

She was born in Quebec, Canada in 1862 and married Joseph LaBarge. She was a resident of the city for 44 years.

Surviving are five children; Mrs. Zellina Besaw of Heron, Arthur LaBarge of Pontiac, Albie LaBarge of Pontiac, Phillip LaBarge of Drayton Plains and Mrs. Mary Barcomb of Auburn Heights.

Also surviving are 33 grandchildren, 69 great-grandchildren and one great-great-grandchild.

Funeral will be at 10 a.m. Wednesday from St. Michael's Catholic Church. Burial will follow in Mt. Hope Cemetery.

There will be a recitation of the Rosary at 8 p.m. Tuesday from the Melvin A. Schutt Funeral Home.

Mrs. Edwin F. Floyd

Mrs. Edwin F. (Elizabeth Ruth) Floyd, 71, of 425 Orchard Lake Ave. died at her home this morning after an illness of four years.

Born in Braxton County, West Virginia in 1884, she was the daughter of Chancy and Susan Given Armstrong. She married Edwin F. Floyd in 1918 and was a resident of the city for 27 years.

Surviving besides her husband is a sister, Mrs. I. C. Summers of Barrickville, West Virginia.

Funeral arrangements are pending at the Kirkby Funeral Home.

Loyola Morton

Loyola Morton, 48, of 42 Elizabeth St. died Thursday in Pontiac General Hospital.

Born in Pontiac in 1907, he was the son of John W. and Mary E. Rann Morton. He married Emma Kelley in 1927 and was a lifetime resident of the city.

Surviving besides his wife and mother are four sisters, Nellie Ryder of Pontiac, Verness Hackett and Genevieve Hines of Flint and Winifred Goodson of Holly.

Funeral will be at 2 p.m. Wednesday from the Trinity Baptist Church. Burial will follow in Oak Hill Cemetery. The body is at the William F. Davis Funeral Home.

Mrs. Harlan J. Walters

Mrs. Harland J. (Vera Louise) Walters, 43, of 48 Merrimac St. died yesterday in Pontiac General Hospital after an illness of several years.

Born in Owosso on October 15, 1912, she was the daughter of Bert and Julia Yoeman Joy. She married Harlan J. Walters in 1937.

Mrs. Walters is survived by her husband, her mother, Mrs. Julia Joy of Owosso; a son, Jack Langham of Pontiac and a sister, Mrs. Flosie Hoag of Saginaw.

Funeral will be at 2 p.m. Wednesday from the Farmer-Snover Funeral Home with burial in Oak Hill Cemetery, Owosso.

Golf Confab at MSU

EAST LANSING (UP) — The 26th annual Conference for Golf Course Greenkeepers will be held March 15-16 at Michigan State University.

Expect Ike Will Reveal Election Plan Wednesday

WASHINGTON (INS)—President Eisenhower's second term decision was still the best-kept secret in Washington today, but the odds were rising hourly that he will say "yes" before the week is out.

* * *

With the President back at the White House after his "week of decision" Georgia vacation, his announcement could come at any time.

Indications are, however, that he will wait until Wednesday to reveal his decision at his regular weekly news conference. He is expected to give a more detailed explanation to the American people the same evening over a nationwide television and radio broadcast.

White House aides and close members of the President's official family, with one or two possible exceptions, still haven't been told the answer to the big question.

Most are convinced along with the rest of the capital, however, that Mr. Eisenhower has decided to be a candidate.

Even most Democrats in Washington were conceding privately that the chances of the President withdrawing from the race now appear exceedingly small.

Presidential associates expect Mr. Eisenhower to qualify his "yes" with a frank appraisal of his health, including the possibility that the next few months may still prove the burden of the White House too heavy for his mended heart.

He will, they believe, emphasize that he will do nothing to seek the nomination but will accept a draft if there is no setback in his recovery.

Five-Car Crash Injures Couple From Rochester

A Rochester man and his sister, injured Satruday night in a five-car pileup on Rochester Road near 20 Mile Road, were reported in satisfactory condition today in St. Joseph Mercy Hospital.

William Lothery, 24, suffered possible injuries to his jaw and neck in the crash. Geraldine Lothery, 16, suffered lacerations and possible back injuries.

Troy Township Police said the other drivers involved in the accident were Lloyd Kistler, 40, and John Statly, 49, both of Rochester, and Clarence Aiken, 60, and Harold Rogers, 31, of Royal Oak.

The Day in Birmingham

City Eyes Traffic, Funds in Parking Lot Studies

BIRMINGHAM — Finances for the city's parking lot program will go under study tonight, with a report tallying possible funds that can be used. Maple Avenue's overload of traffic also will be discussed introduction of a traffic engineer's report.

City Manager D. C. Egbert's report (requested recently so that commissioners might establish priorities for all of the four proposed parking lots) summarizes bond issues, previous actions, assessments that can be made and ordinances that apply to financing the lots.

With lot 3-A at Park and Ferndale apparently assured of completion, the lots HH, south of Hamilton and the Southeast Quadrant lots are under study, with No. 2 south of Shain park having been practically eliminated from consideration.

Traffic engineer T. M. Vanderstempel's report on Maple traffic will outline possible hours of no parking on the thoroughfare.

HEARINGS SCHEDULED

A hearing on assessment districts on widening and paving of Willetts from Bates to Chester is slated tonight, as well as hearings on the Eton Road pavement widening from Lincoln to Yosemite and on the Webster crossover, through a Hunter boulevard island.

The right of way and paving of Ferndale and Park Streets, tabled recently, will come again before commission's eye. On this, John W. Gafill has a communication for the city's attention.

Referring to a Howard Johnson restaurant that is to be built on the northwest corner of Telegraph and Maple roads, Supervisor David E. Anderson of Bloomfield Township asks the city to consider providing sewer and water to the corner.

* * *

Two Embury Methodist Church groups have slated meetings. Tonight, the Friendship circle meets at 8 p.m. with Mrs. John Strang, 1749 Penistone, and the Mary Ogden circle meets tomorrow at 1 p.m. with Mrs. John Pierce, 850 Mansfield.

* * *

The Recreation Board meets Wednesday, and the planning board meets Tuesday night. Three members of the planning unit met Saturday with City Planner Herbert Herzberg, and without a quorum, discussed several items for approaching meetings.

* * *

Individually-motored train cars which can be coupled into long trains or can make trips for commuters to towns off the main rail line will again be discussed before members and others who wish to attend the March 7 meeting.

* * *

A theft of $590 worth of diamond wedding and engagement ring sets from the window of Kincaid's jewelers is being investigated by Police Lt. Merlin Holmquist. The burglar alarm in the store did not go off when the thieves broke the heavy plate glass window with an instrument of some kind, police say, although it worked when reset for a test.

The robbers were apparently the same ones who broke a window and stole about $1,000 in diamond ring sets from Meyer's Jewelry in Royal Oak the same night, Holmquist says. Both robberies occurred Saturday night, the local one during the lightning storm which showered heavy rains into the broken window.

The robber wore dirty gloves, according to patrolmen's investigation of the broken window.

* * *

Police are searching for Mrs. Laura Agnes Deland, 17-year-old daughter of Mrs. Perna Colburn, 976 Ruffner, who reported the girl's disappearance on Sunday.

George Simenton

George Simenton, 280 Daines, planning supervisor at the Plymouth plant in Detroit, and a resident here for 18 years, died this morning at his home. He had been ill only a short time.

Born in Mariette, in 1898, he was a member of the Presbyterian church there. He had attended Alma college and married Elizabeth Dervoe in 1928 in Pontiac, where they lived before coming here. His only survivor is his wife.

Funeral will be at 2 p.m. Wednesday at Manley Bailey Funeral Home, with burial in White Chapel Cemetery.

Most of Taxpayers Still to File Returns

An estimated 1,800,000 residents of Michigan have yet to file income tax returns before the April 16 deadline, District Tax Director A. M. Menninger estimated this week.

Menninger stated that at the halfway mark approximately 800,000 returns have been processed by the Detroit area office of the Internal Revenue Service. Completed forms are coming in at a 15 per cent faster rate than in 1954, he said.

Refunds are currently being received by taxpayers who filed early. Of the state's 2,600,000 taxpayers, over 58,000 have gotten checks amounting to more than $1,700,000.

'Dead' Vagrant Loses Homey Sleeping Site

CHARLESTON, W. Va. (INS)—A startled Charleston woman called police when a furnace repairman told her there was a body beneath her porch.

When police arrived, the "body" moved. An elderly vagrant told officers:

"I don't understand the fuss. I've been sleeping here for 15 years."

To Be Guest Speaker

Kenneth L. Hallenbeck, director of the Huron-Clinton Metropolitan Authority, will be guest speaker for the monthly meeting of the Supervisors Inter-County Committee Thursday at 10 a.m. in the Washtenaw County Courthouse, Ann Arbor.

Thief Manages to Keep Jump Ahead of Victim

LOUISVILLE, Ky. (AP) — Marvin Eichberger gave pursuit in his automobile yesterday when he recognized his stolen truck.

He caught up and captured the 16-year-old driver.

The boy broke free and escaped, however, and Eichberger returned to his plumbing shop, only to discover his tractor had been swiped.

Police believe the boy went to the shop and took the tractor.

The Portuguese republic was established in 1911.

Mountain Gives Tribes Defense

Zangros Range in Iran's Oil-Rich Fields Provides Military Barrier

WASHINGTON — In the strategic, oil-rich Near East a formidable geographic feature, the Zogros mountain range, has taken on sudden significance as a potential military barrier against aggression.

Suggested as an international defense line for the five "Bagdad Pact" nations — Turkey, Iraq, Britain, Pakistan, and Iran — this range marches for nearly a thousand miles through western and southwestern Iran, says the National Geographic Society.

An estimated 3,000,000 people, one-sixth of all Iran's population, manage to scratch a living from the Zagros region. Most of them belong to four main tribal groups, Kurds, Lurs, Bakhtiari and Keshgais. Hardy, courageous and fiercely independent these tribesmen carry on the nomadic life their ancestors knew when Babylon was young.

In World War II, the Trans-Iranian Railway, manned and equipped by Americans, dipped and zigzagged through more than a hundred Zagros tunnels to carry supplies to Russia.

Today, Iran's oil again flows — after settlement of the Anglo-Iranian dispute — from fields on the western Zagros that make this nation one of the world's richest in petroleum reserves.

Police to Investigate Death of Bank Heir

SAN JOSE, Calif. (AP) — Pathological tests start tomorrow into the death of Edward Crummey, heir to a Goshen, N. Y. banking fortune who was found dying in the San Jose City Jail drunk tank.

Crummey, 58, was taken off a train here Friday after a conductor complained to police that he was intoxicated. Crummey was en route from a San Francisco business trip to his Beverly Hills home.

He collapsed while being booked and was taken to a cell with three other men booked as drunks. Hours later a policeman noticed he had not moved in the cell and he was taken to an emergency aid station where he died.

After a preliminary autopsy, Coroner George Hannah said death was from "unnatural causes" but did not make them public.

Mrs. Irene Crummey, the widow, said her husband had gone to Beverly Hills in 1950 from Goshen, where he was a bank executive.

Big Suitcases, Huh?

DANVERS, Mass. (AP) — A man checked into the Coronet Hotel and when he checked out management found these items missing: two table lamps, a pen stand and pen, a mahogany night table, an ashtry stand, four sheets, two pillow cases, two foam rubber pillows, two blankets, two bedspreads, two bath towels, two hand towels, two ashtrays, two glass tumblers and a shower curtain.

Wooden Indians Are Worth Golden Prices

By PHYLLIS BATTELLE

NEW YORK (INS)—The reason more people aren't wealthy today, buying champagne for their income tax adjusters and picking up trinkets at Tiffany's, is that they do not bother to snoop through their cellars, attics and storage rooms for items of value.

* * *

Such snoops should be conducted once a year, like seeing the dentist. But even when they are, alas, many people bumble over a fortune simply out of sentiment or stupidity. (Some women will squeal with delight over an old valentine, and toss away the envelope stamped with a collector's item valued at $30,000.)

For the sake of those who plan to dig through their possible pots of gold in the basement this spring-cleaning time, here is a fairly hot tip:

A legitimate cigar store Indian, which can usually be spotted by a hole in the head, is worth upwards of $1,500. The hole in the head, incidentally, is for linseed-oiling and preservation.

"There are probably 600 or 700 cigar store Indians stored away in homes around the U.S.", reports one New York antique dealer, "and we are willing to pay good prices for them."

PLENTY OF CIGARS

Depending upon the vintage, size and artistry of these wooden nicotine salesmen, an owner could rightly expect to get the price of anywhere from hundreds to thousands of the finest Havana cigars. "I would gladly also throw in," says the dealer, "some antique humidors."

Eager tobacconists in New York, aware of this recent "fashion revival" of the cigar store Indian which went out in popularity at the turn of the century, can't get their hands on the real McSioux.

"I started looking around with dealers," said one, "and I'd be farther ahead if I paid a real Indian to stand out front with a humidor of my best cigars. He could give them away free for a week, I'd still be cheaper off."

A last official count, taken in 1943 when it didn't matter too much, indicated that less than 600 were now standing in front of tobacconist shops in the states. Museums have grabbed up many of these, and there probably are far fewer today.

* * *

The Indian tobacco peddler started in Sir Walter Raleigh's day when the gallant rover came back to Queen Elizabeth and informed her that the red-skinned natives of America were fuming at the gills.

All over Europe the smoking habit became popular and carpenters—frequently ship's carpenters who were tired of making prow decor—turned to carving Indians.

LITTLE RESEMBLANCE

Since these carvers had never seen American Indians, they bore little resemblance to the real thing. Hence, if you should find a statue that looks like a pygmy with a tomahawk in hand, it could be really old and valuable.

* * *

When the art finally got to America in the late 18th Century, Indians became Indian-like again and the big ones are commandingly fierce, warlike and probably seriously decayed. Don't worry about that.

Age cannot wither the infinte price of a cigar store Indian!

Seeks Seat in Senate

NILES (AP) — Milton E. Scherer of Watervliet has announced he will seek the Democratic nomination for the State Senate seat of Sen. Robert Faulkner (R-Coloma) who is not seeking re-election. Scherer, a former state representative, is chairman of the Social Science Department of the Soo Branch of Michigan Tech but maintains his home in Watervliet.

SMOKE RINGS—White vapor rings go skyward from the exhaust system of a new unit of Southern Chemical Cotton Co. at Chattanooga. A company official said the rings are actually steam and apparently resulted from a combination of atmospheric conditions and a change made in the exhaust system. AP Wirephoto

Peruvian Rebellion Leader in Refuge

LIMA (AP)—Gen. Marcial Merino, commander of a jungle division which revolted Feb. 16, was reported in refuge today at the Brazilian consulate in the northeast Peruvian city of Iquitos.

The newspaper La Nacion said Merino had taken refuge there with his wife and daughter. He announced his capitulation Saturday.

* * *

Reports said 39 police troopers loyal to the government had arrived at Iquitos, scene of Merino's attempt.

Constitutional rights, suspended at the outset of the revolt, have not been restored.

Cash for fuel, repairs and new-born heirs

Here's the kind of event that always seems to take a little more money than you have on hand . . . when borrowing seems both a necessary and sensible solution. And that's just the time to take your problems to the leader in the consumer finance field, to ask the help of the best trained staff anywhere.

Nearly two million men and women each year find that HFC makes a practice of getting the money into your hands just as quickly as possible. If you have a steady income and can make regular monthly payments, you meet the principal requirement for borrowing at HFC. The sample chart below shows loan amounts, and a selection of repayment plans.

There's an HFC office near you. Why not phone or drop by today!

Cash You Get ↓	MONTHLY PAYMENT PLANS 24 payments	20 payments	12 payments	6 payments
$ 50			$ 5.03	$ 9.24
100	$ 5.83	$ 6.65	9.98	18.39
200	11.46	13.11	19.77	36.59
300	17.08	19.55	29.55	54.78
500	27.24	31.39	48.09	90.02

Household's charge is the monthly rate of 1% on that part of a balance not exceeding $30, 2% on that part of a balance in excess of $30 but not exceeding $300, and ½% on any remainder.

America's oldest and largest consumer finance company

President's Order Aids Peaceful Uses of Atom

Once again President Eisenhower has demonstrated his belief that acts rather than words are needed to advance the peaceful uses of atomic energy.

While the Russians have been boasting of their leadership in this field and their ability to deliver atomic bombs any place on earth, our President has done something about the matter. That something proved to be an order releasing a billion dollars worth or 88,000 pounds of uranium 235.

★ ★ ★

Half of this amount, which is to be delivered over a period of years, will be for civilian use in this country principally for research and power reactors. The remainder will be sold or leased abroad for the same purpose.

The only restriction specified by the President is that none of the uranium should go to the Soviet Union or its satellites or to any country that is producing its own. The importance of this program, which directly challenges the Russians to make a similar contribution, can't be overemphasized.

★ ★ ★

Atomic Energy Commission Chairman Strauss said this order permits the AEC "to meet the estimated requirements of private and public power groups in the U. S." Seven plants are already under construction and applications for seven more have been filed.

The President spoke for the Nation when he said "mankind's hopes and aspirations for peace and greater well-being are closely linked to the world's progress in developing the peaceful uses of atomic energy."

He is doing his part to speed that process.

Madison Junior High Credit to Community

Opening of the new 20-room Madison Junior High School marks another important step forward in the expansion of Pontiac's educational plant.

Due to a shortage of structural steel, the gymnasium and cafeteria section will not be completed for a few months. Nonetheless, the building was ready on the scheduled opening date to accommodate 550 pupils. They were transferred from Wever Junior High School, which now will be restored to use as an elementary school.

★ ★ ★

When completed it is estimated that this one story red brick structure will have cost $1,238,000, or slightly less than $15 a square foot. Besides 20 classrooms, gymnasium and cafeteria, it will have a little theater and music rooms.

★ ★ ★

Bearing the name of the Nation's fourth President, James Madison, the school is an outstanding example of a modern educational structure. The third unit completed under the multi-million dollar expansion program, it does credit to school officials and trustees who planned it and the taxpayers who voted the necessary extra millage.

Other units so far completed under this wise, forward looking pay-as-we-build program are the Bethune School and the addition to the Whitfield School.

Mr. Almond's Courage

Even those who might strongly endorse the interposition resolution adopted by Virginia's General Assembly, should admire the courage of that State's Attorney General Almond.

In a commonwealth strongly opposed politically to the Supreme Court's desegregation order, Mr. Almond faced an unpleasant task. Though he himself doesn't like the court's order, he had the courage and integrity to tell the lawmakers the truth. It was that the interposition resolution they adopted had no effect in suspending application of the court's decision.

★ ★ ★

Interposition is a doctrine dusted off by states opposing desegregation. Under it they wouldn't openly defy the order. Instead they would interpose their own sovereignty against the court's ruling until the issue could be settled by an amendment to the Federal Constitution upsetting the order.

In other words, it now is officially recognized that the Supreme Court order is the law in Virginia.

The Man About Town

Back Into Timber

Poplar Tree, Now Valuable, Numerous in This Section

Woman: Who when she thinks she is too good for any man may be right. But she also may be left.

The Pontiac area is again coming into the timber production market. First it was settled by the white man for its wooded stands, primary of oak, for which Oakland County was named, and its pine forests. Now science has done things to make valuable a formerly considered almost worthless wood.

The pine long since is gone and the oak has virtually passed out even to its second and third cuttings. But we still have untold thousands of "popple" trees. They are the poplar branch of the aspen family. There isn't a woodlot in Oakland or surrounding counties that does not abound in them. Their soft and porous wood until recently was regarded as worthless, even for firewood.

But during the past five years science has brought the "popple" out of the dog house. New cutting and pulp processes have elevated it into a place among our most valuable woods. Today it has become the leading tree in Michigan timber harvests.

Rarely attaining a large size it is easily cut and processed, either into a beautiful light colored veneering or for the manufacture of pulp for paper or cardboard.

A 10-ounce pocket radio is in production for use in hotel lobbies and public gatherings, by which the bearer can be paged without those even close to him knowing it.

We are informed that a long-time cribbage player

Ben Savedge

of 24 Thorpe St. recently was dealt a perfect hand while playing with his grandson, Richard Savedge. First perfect hand in 50 years, remarks Ben.

Close to the winner in most every baseball and football contest that has been conducted by MAT, and losing last year's baseball contest by the narrowest decision,

Peter Misquell

of Rochester wonders if we're to have another this spring. Answering Pete and a number of others who have queried us on the same matter, we'll say that we're now talking it over with the front office, and hope to launch one about the middle of March.

A former resident of Pontiac,

Johnson Fedeway,

writes from his present home in Grand Rapids that 50 years ago the present sites of Pontiac Motors, Fisher Body, GMC Truck and Coach and Webster school were "away out in the country."

What article of food, used by most everybody at every meal, now sells at a lower price than 50 years ago? It's salt.

A number of local collectors tell me that the new stamp honoring

Charles Lindbergh

which according to advices from

Postmaster Leslie H. Dean,

soon is to be issued, will be in the strongest demand of any new stamp in a great many years.

Cartoonist Wins Third Freedoms Award

John Milt Morris' Drawings Appear in Pontiac Press

Our editorial page cartoonist, John Milt Morris, has just won another Freedoms Foundation award—his third.

The winning cartoon, published in connection with the Fourth of July observance last year, shows the American torch of freedom as "still the hope" of the world's oppressed peoples.

The award is for a contribution to the American way of life.

Morris achieved similar recognition in 1950 and again in 1951. He has been a winner also of a Lincoln Foundation award.

Born in California, Morris worked on newspapers there and in New York City before joining the Associated Press in 1935. He has been drawing news cartoons for seven years. They are distributed nationally by AP Newsfeatures.

David Lawrence Says:

Allies Dupe America Into Channeling Our Vital Foreign Aid to Communists

WASHINGTON — Sometimes the most sensational news is overlooked in the hurry of modern news gathering and maybe it's because the subjects themselves are not easily grasped.

* * *

Thus a $2,500 contribution to a campaign fund makes headlines because it is easily understood or is announced under dramatic circumstances. But one would think that the revelation of a scandal in which the Allies of the United States obtain American money and then proceed to help to arm and industrialize Soviet Russia might also get full coverage in the press. But it received scant mention.

On Thursday of last week, Senator John L. McClellan, chairman of the Senate subcommittee on permanent investigations, made a sensational speech on the floor of the Senate which was recorded verbatim in "The Congressional Record." He spoke of "the most astounding secret concessions" made by our government in a conference with its Allies.

He gave instance after instance of strategic materials released which will help the Soviet Union to build an armament machine that some day can be used to kill American soldiers and to devastate American cities.

Senator McClellan reported to the Senate that his investigating committee had conducted hearings to try to find out how and to what extent the United States government had agreed to allow its Allies to arm Soviet Russia. After reading the Arkansas senator's speech one wonders whether the American government in refusing to let Israel have arms or in letting tanks go to Saudi Arabia isn't straining at a gnat in the Middle East while swallowing a camel in Central Europe.

GOVERNMENT ADAMANT

For Senator McClellan said that in August 1954 at a secret meeting of the United States and its Allies 200 of the 450 items previously under embargo to the Soviet Union were released. The Soviets know what the items are because they are buying them, but to this day the executive branch of the government here refuses to disclose to Congress just what the items are that have been released though they have been published in technical periodicals abroad and in an official journal of the British government's trade bureau.

* * *

Here are four conspicuous examples of the 200 articles released to the Russians:

1. Boring mills essential to the manufacture of tanks, artillery, aircraft, and for atomic reactors used in submarines.

2. Vertical boring mills essential to the manufacture of jet engines.

3. Dynamic balance machines used for balancing shafts on engines for jet airplanes and guided missiles.

4. External cylindrical grinding machines which a defense department expert testified are essential in making engine parts, guided missiles and radar.

* * *

"It was emphatically stated," says the Arkansas senator in describing the testimony of a Defense Department expert on machine tools, "that it would be better to permit shells, guns or guided missiles to be disembargoed and sent to the Soviet Union, for they could be used against us only once while these machine tools will be used to make armaments of war which could be used against us many times."

Senator McClellan and other senators served notice in the same debate that they wouldn't vote for the $4,900,000,000 asked by the administration for aid to our Allies unless the whole matter was satisfactorily cleared up. McClellan said to the Senate:

"If we are providing these funds to our Allies for the purpose of helping them to develop their military power and strength as a defense against Communism, then how inconsistent is it for the same Allies, for the sake of trade and profit, to place in the hands of the Communist bloc, the machines, materials and other essentials of the war potential in a war effort? Is not the advantage we are trying to gain and for which we are trying to provide being offset by the making of such machines, tools and materials available to a potential enemy?"

Also in the offing is a demand in allied circles abroad that the list of articles now permitted for export to Soviet Russia should be released as well to Red China though there is still a state of war between the United Nations and the government of that country due to the unfinished business in Korea.

Plainly the administration is in for trouble in the Senate on the whole foreign aid program because of what has been done secretly and injudiciously to satisfy allied pressure for more trade with the enemy.

A picket frozen on duty—
A mother starved for her brood—
Socrates drinking the hemlock,
And Jesus on the rood;
And millions who, humble and nameless,
The straight, hard pathway trod—

Route of Large Intestine Reveals Its Importance

By William Brady, M.D.

Thanks to most Americans' ignorance of the physiology of the colon, it has to take a lot of abuse.

The abuse is one of the main causes of colon derangement or "mucous colitis."

The colon or large intestine, nearly five feet long, constitutes one-fifth of the entire length of the alimentary canal, but its caliber is greater than that of the small intestine.

Commencing in the southwest at the ileocecal valve where the small intestine empties into the widest part of the colon, called the ceum (blind pouch).

The ceum would be not only blind but negligible but for its precious little appendage, the vermiform appendix.

GOES TO LIVER

From the ceum the colon ascends in the right lumber region to the under surface of the liver, bends to the left and across the abdomen to the northeast, where it takes another bend, descending along the border of the left kidney to the southeast where it enters the pelvis and follows an S-shape course (sigmoid colon).

The sigmoid, 15 inches in length, terminates in the rectum, which is about 4½ inches long and terminates in the anal canal, about 1½ inches long.

A good deal of water is absorbed food residue in the ascending colon, and some digestion by enzymes of the pancreatic juice added to the food in the duodenum continues after the food has entered the large intestine.

In the large intestine the food residue has an alkaline reaction, which is favorable for the growth and multiplication of bacteria, particularly putrefactive bacteria that decompose protein material.

This, putrefaction in the colon is a normal occurence; and even though we can't prove it is essential for perfect health.

From the moment food is swallowed until the residue reaches the rectum — a process that takes 20 hours, more or less — the functions of digestion are regulated and controlled by the autonomic nervous system, the same mechanism as that which controls the beating of the heart and breathing.

IT'S AUTOMATIC

This automatic regulation is a delicate mechanism but it works wonderfully if you don't monkey with it.

In my opinion, it takes a good deal more abuse than that first dose of castor oil inflicted on the newborn baby, to produce colon derangement.

Generally it takes frequent or habitual interference, with that laxative or "regulator," throughout the victim's early life to insure, lasting "mucous colitis" in adulthood.

Signed letters, not more than one page or 100 words long, pertaining to personal health and hygiene, not to disease diagnosis or treatment, will be answered by Dr. William Brady, if a stamped self-addressed envelope is sent to the Pontiac Press, Pontiac, Michigan.

Lucky the man who counts his blessings as he looks over a flock of fine youngsters.

Voice of the People

Quotes Teen Comments on Adult Shortcomings

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests unless the letter is critical in its nature.

My heart is with the youth. I am always listening to them. Here are some remarks which I would like to repeat to adults:

"Don't go to church at (such and such) a time because the liquor smell will make you sick to your stomach."

"I get tired of listening to those old, sad stories."

"She looks like she'd eat you up if she got the chance. I'll bet she's mean."

"I get tired of them screaming at me."

"They think we are dumb."

All these are very normal for this modern day. What does a village expect when fools try to destroy the youth? Thank God for the faithful few.

Mrs. Lucille Brown

400 E. Wilson.

Questions Scant Publicity of Waterford School Vote

There is a lot of talk in Waterford Township about the lack of publicity given Tuesday's election for a $3,500,000 bond issue for schools.

Several years ago when there was a similar vote but only for $1,500,000 there was a lot of front page publicity. This time, with a much larger amount at stake, it was buried on an inside page with other news from other townships.

However, when it passed on Tuesday, it got headlines on an inside page. The issue passed by a pitiably small representation of the people. Why won't people vote?

A.M.C.

Favors Merchants Buying His Gasoline, Coal, Too

The vested interests have been demanding that the merchants provide free parking by buying the four lots themselves. I'm in favor of that. I'm also in favor of the merchants paying for my gasoline, the taxes on my house, my coal bill and at least a generous part of my groceries.

What are those old merchants for, anyway?

Russia's Five-Year Plan Won't Help the Consumer

By JOHN H. MARTIN
INS Foreign Director

Getting down to some of the barefoot essentials, the new Soviet five-year plan calls for each person to get two pairs of shoes per year.

The hope is to open up vast new land tracts to increase food crops in the nation, but the consumer is not led to expect too much in the Moscow race to try to overtake Western capitalist production.

For instance only 650,000 automobiles, mostly trucks, are to be manufactured each year in the plan running through 1960. This means that by 1960 one family in every 50 in Russia could possess a car.

Only one out of every thousand families will be able to obtain a refrigerator for the family kitchen, and the ratio will be even less so far as washing machines go.

* * *

A major sacrifice imposed on the people in the emphasis on more war potential heavy industry instead of consumer goods comes in the field of housing.

HAS COME FAR

In basic industry and engineering the Soviet Union has come a long way since the revolution, but the housing situation still is very bad.

* * *

The plan calls for constructing 200,000,000 square yards of new housing. This is twice as much as in the past five-year period but will not solve the housing crisis. Lack of housing has persisted throughout the Soviet industrial revolution.

But Russia not only has been through a revolution, but a wartime invasion that destroyed many houses. And in the last 25 years the city population of the Soviet Union has grown by 55,000,000 persons and keeps on growing.

In some respects Russia, despite lack of housing, is ahead of other nations in education. The dictatorial planners have devoted much attention to this field because of its close links with Soviet industrial aims.

* * *

Secondary education now is to become compulsory in the U.S.S.R., in rural as well as city areas. Schools are to be doubled under this new plan. The aim also is to double the number of technical graduates from secondary and higher schools.

TO ABOLISH FEES

Education fees are being abolished, which in itself is a great development since it was the late Stalin who reintroduced education fees approximately two decades ago.

* * *

Soviet leaders also are concentrating on converting the bulk of the workers into skilled laborers. This is part of the drive toward automation, a speed-up process in industry which will require men of much technical knowledge.

Russia is the first country to create a special ministry for automation.

The overall new Soviet plan is aimed not only to catch up and surpass Western allied production schedules but also to become the main arsenal of the entire Communist-ruled world.

Case Records of a Psychologist:

Dr. Crane Gives Some Rules for Men Who Want to Insure Happy Marriage

Harry asks a critical question regarding happy marriage, so scrapbook these answers. For they constitute the essence of my lectures before hundreds of different church Marriage Clinics. Divorces usually start in the bedroom, so send for the booklet below to prevent that common male error.

By DR. GEORGE W. CRANE

Case Q.385: Harry S., aged 24, is soon to be married.

"Dr. Crane, I want my marriage to be for keeps," he began, "so what special advice would you give to a prospective husband to make sure of that?

"I am marrying a wonderful girl. She is everything I could ever hope for in a wife.

"So please show me how to stay happily married forever?"

MARRIAGE RULES

First, be married by a clergyman and become active together in the same church, starting with the honeymoon.

For religion extroverts people. It encourages them to be kind and charitable, not only to people on distant continents, but also to their own mates.

It also throws you in contact with cultured folks who are pledged to help make this world a better place in which to live.

The batting averages thus show that couples who are active in church seldom get a divorce. That's partly because church people rarely try to break up the homes of their companions.

If your wife attends a church when you husbands are out of town, it isn't likely that other men will try to date her or make passes at her.

But if she drops into a tavern alone while you husbands are away you don't need me to tell you what is likely to happen!

Second, verbalize your feelings. Tell her you love her. If you like her pie or new frock or her unselfishness, then say so. Even if

you are irate, it is well to get the venom out of your system via words, especially if you apologize afterwards.

* * *

For most of the wives who have consulted me, have stated they prefer a husband who tells them them realize the true facts, than to be yoked to a man who often pouts or is sullen and refuses to explain what is wrong.

VERBALIZE & VERBALIZE

Furthermore, males and females look upon situations somewhat differently so they can't understand the other's viewpoint until it is put into words.

You can't compromise or strike a happy medium until you fully air your different views.

So verbalize your ideas and feelings, but be doubly sure you also verbalize your love by telling it in words every day.

A daily goodbye kiss and the act of offering your wife your weekly pay check, also symbolize your love, but smart men soon learn that women want words. Especially, sugary, complimentary words.

Silent men, who depend on the "sign language" of kisses and a pay check, don't thrill their mates as much as the same men who learn to talk their love.

Animals can rub noses and indulge in simliar romantic sign language; but only mankind has the power of articulate expression. And women are peculiarly susceptible to spoken language.

BEDROOM INSURANCE

For a woman's chief erotic organ is not her ovaries or uterus but her brain. That's why salesmen and other smooth talkers have such a way with women.

If you teenagers in high school would also like to learn how to sweep girls off their feet in a romantic sense, then study your English courses more thoroughly.

Since most divorces start in the bedroom, be sure you husbands understand the medico-psychology of sexual relations. This knowledge is not inherited.

The male and female bodies were not designed anatomically to solve this dilemma without the aid of collateral psychological techniques. These are of fairly recent development, so be sure you comprehend them.

Send for my booklet, "Sex Problems in Marriage," enclosing a stamped return envelope, plus 20 cents. And read tomorrow's follow-up.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

TODAY'S ASSIGNMENT FOR

JUNIOR EDITORS

First submitted by: Gail Bisson, Kittery, Maine

ROCKING LITTLE BOY BLUE

Do you remember the story of Little Boy Blue who tended the sheep and cows on his father's farm? He blew a horn to call in the flock.

Well, one warm day Boy Blue, feeling tired, lay down in a haystack. In no time at all he forget about his duties and was sound asleep. Soon he began to dream he was in a big rocking chair on the back porch.

You can rock with Little Boy Blue, too. Just color the picture with crayons or paints. Cut out the whole circle. Then cut along the dotted line around the haystack and fold back on the center line. Now the picture will stand up and rock.

Tomorrow: Patty and her pigtails.

Deaf, Half Blind Navajo Lad, 13, to Go to School

SANTA FE, N.M. (UP)—A 13-year-old Navajo artist, David Chee, who is deaf and going blind, expects to leave for the Perkins School for the Blind at Watertown, Mass., tomorrow.

Although the youngster can still see well enough to draw likenesses of his classmates, he is the victim of a disease that eventually clouds the eye to blindness.

Marshall Hester, superintendent at the New Mexico School for the Deaf here, says that people all over the nation have read about the boy's plight in newspaper stories and have contributed over $2,000 from 42 states.

The boy must learn to "hear" words by placing his hands on the lips of the person who is speaking, Hester said.

Car Stealing Called Teen Fad in Louisville

LOUISVILLE, Ky. (UP)—Stealing automobiles has reached the "fad" stage among Louisville teen-agers.

So said police chief Carl Heustis as he called Louisville "the worst city this size in the nation" for car thefts.

* * *

He said car thefts by juveniles more than doubled last year—from 380 the year before to 845.

In the first two months of this year, auto thefts have jumped another 125 per cent over those months last year.

Brazil Troops Seeking Rebels

Insurgents Hole Deep in Jungle Near Amazon as Search Continues

RIO DE JANEIRO, Brazil (UP) — Brazilian troops pushed deep into the jungle along an Amazon River tributary today. Their quarry was a small band of air force rebels holed up for a last stand.

* * *

Camouflaged rebel planes were reported spotted at the remote jungle airfield of Jacare-Acanga, 250 miles south of Santarem, their initial stronghold in northern Brazil.

The rebels, led by Maj. Haroldo Veloso, seized enough food to supply 300 men for three months in their flight from Santarem, Amazon River city 1,500 miles northwest of Rio de Janeiro.

* * *

They fled last Wednesday and seized Itaitube Airport, 125 miles south on the Tapajos River. Government forces captured Itaitube and the rebels hopped another 125 miles up the tributary to Jacare-Acanga.

Veloso fled Santarem with two or three officers and less than 100 men. He was believed then to have had only a C47 transport plane. However, the reference to planes at Jacare-Acanga indicated that some air force pilots had joined him.

Pledges to Keep Campus Orderly

Mob Rule Submission at Alabama University Is Out, Says Folsom

BIRMINGHAM, Ala. (UP) — Gov. James E. Folsom has pledged to do everything in his power to maintain order at the University of Alabama campus, scene of a series of riots earlier this month after the admission of a Negro student.

* * *

Folsom said he had made the pledge to the school's president, Dr. O. C. Carmichael, at a breakfast meeting with the educator yesterday in Tuscaloosa.

Autherine Lucy, the school's first Negro student, was driven from the campus by a furious mob Feb. 6. Trustees barred her from classes as a safety measure that night.

The governor's promise to Carmichael came only three days before a hearing in U.S. District Court here on her plea for an order requiring the university to readmit her without delay.

* * *

Folsom declined to say whether he will call out the National Guard if Miss Lucy goes back to the university and rioting occurs again.

But he said, "We want to protect the lives of the students at the university and to do that we must maintain law and order. That's what I'm going to go all out to do—protect the students."

"The State of Alabama is not going to submit to mob rule under any circumstances . . . The orderly processes of law will be observed."

Speeding Motorboat Capsizes; 5 Drown

LA PLATA, Md. (UP)—A motorboat speeding over the windchopped waters of the Potomac River yesterday suddenly flipped over, throwing seven persons into the water. Five drowned.

The tragedy occurred off Cobb Island, Md., in southern Maryland.

All five bodies were recovered.

The sheriff's office said the boat was traveling so fast in the rough water the bottom was ripped open.

Teacher Begins Leisurely Trip 'Round World

PHOENIX, Ariz. (UP) — Headed for a long, slow look at the world, a school marm from California takes off for the wide plains of Texas today on a flight that will eventually take her around the globe.

* * *

Miss Jan Wood, a 34-year-old physical education teacher from Reseda, Calif., flew in for the first overnight stop of her 30,000-mile sightseeing tour.

Accompanied only by her dog, Cindy, Miss Wood plans to stay at private homes instead of hotels so she can "get to know people of the countries I'm going to see."

These will be covered in a meandering course across Europe, Africa, Near East, India, southwest Asia, Australia and South and Central America.

Her tiny Cessna will be shipped across the oceans. She expects to be gone about 11 months and has budgeted $7,000 for the trip.

FEDERAL DEPT. STORES - SAGINAW AT WARREN, PONTIAC OPEN MONDAY, FRIDAY, SATURDAY NIGHTS TO 9

Here's Lineup of Eight Who Will Investigate Lobbying in Senate

WASHINGTON, Feb. 25 (AP) — Meet the eight senators who have been named as a select committee to investigate lobbying, campaign gifts and related touchy subjects in an election year.

* * *

In alphabetical order:

DEMOCRATS:

Clinton P. Anderson, New Mexico—Big, broad, genial. Farmer, secretary of agriculture under President Truman, 1945-48. One-time insurance man. President of Rotary International 1932-33. Serving second term as senator after three terms in House. Age: 60. Old hand at new assignment — headed House Committee on campaign spending in 78th Congress and has directed Democrats' Senate Campaign Committee.

Albert Gore, Tennessee—Slated to be chairman. Athletic, zealous. Former school teacher, became a lawyer in YMCA night classes. Raises Angus cattle in Tennessee hill country which also sent the late Cordell Hull to Washington. Beat veteran Kenneth D. McKellar for Senate seat in 1952 after seven terms in House. Age: 48. New assignment could make him national figure, or sour colleagues on him, or both.

John F. Kennedy, Massachusetts—Youngest senator, boyish-looking, wounded World War II veteran. Son of wealthy Bostonian Joseph P. Kennedy, onetime ambassador to Great Britain. Harvard honor graduate, has been newsman and author. First term in Senate after three terms in House. Age: 38. He's on record in favor of tighter regulation of lobbying.

John L. McClellan, Arkansas—Sharp mind, sharp tongue, keen wit. Lawyer, World War I veteran. Veteran prober. Heads Senate Permanent Investigating subcommittee. Tangled in public with Sen. McCarthy (R-Wis) during televised McCarthy-Army hearings. Hasn't hesitated to follow up McCarthy leads since taking over committee chairmanship. Senator since 1943. Age: 60 today. They say of him: "If John doesn't know where the body is buried, he'll find out."

REPUBLICANS:

Styles Bridges, New Hampshire — Trim, sure-footed, politically wise. Farm boy who became governor of New Hampshire before election to Senate in 1943. Power in GOP politics. Has been Senate president pro tem, Appropriations Committee chairman. Age: 57. Outstanding economy advocate. Yale Review once said Bridges "stands for conscious, unashamed conservatism."

Barry Goldwater, Arizona — Handsome, prematurely gray, articulate. Businessman, World War II Air Force pilot. Prominent supporter of McCarthy in various controversies. Currently calling for investigation of trade union influence on elections and legislation. Age: 47. Freshman senator — elected 1952—who quickly made a name for himself. He's chairman of the GOP Senatorial Campaign Committee and should know much about campaign financing.

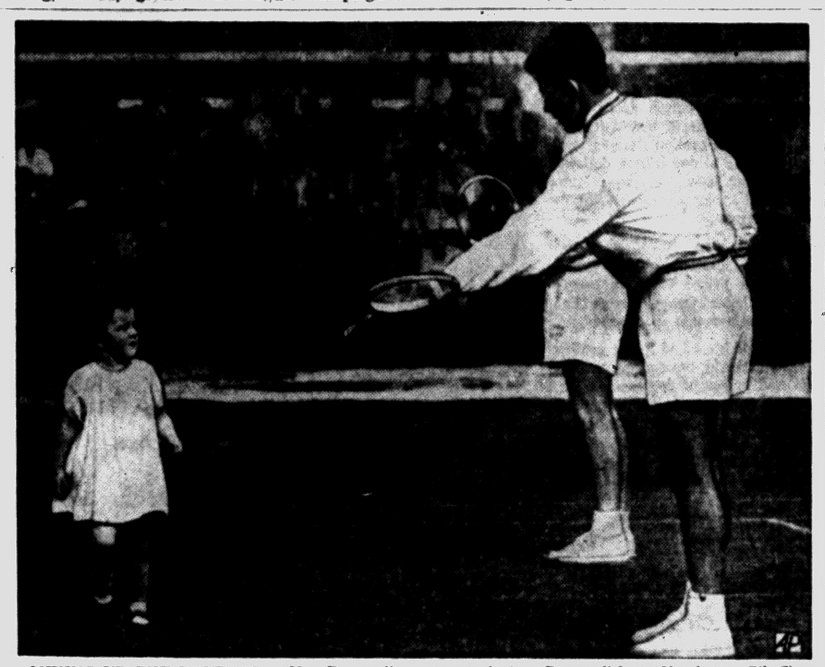
William A. Purtell, Connecticut—Genial, firm-minded, good listener who also can talk a blue streak. Self-made industrialist, has headed major engineering firms, held directorships in various enterprises. Severed priyate business connections on election to Senate in 1952. World War I veteran. Age: 58. He'll treat witnesses with great courtesy, stand for no nonsense.

* * *

Edward J. Thye, Minnesota—A courtly, broad-shouldered 6-footer. A born-and-bred farmer who became governor of Minnesota after serving as the state's deputy commissioner of agriculture. Still engaged in large-scale farming. Serving second term as senator. Age: 59. Frank admirer of "hard-headed businessman" approach to problems yet often idenfied with "liberal-internationalist" school of predecessor as governor, Harold E. Stassen.

Foresters in Session

ESCANABA (AP)—The annual two-day meeting of the Wisconsin-Michigan Section of the American Society of Foresters is in session here. Some 125 Foresters are attending, including 40 from Michigan's Lower Peninsula. This is the second meeting attended by Lower Michigan delegates.



MIXING UP THE DOUBLES — Ken Rosewall offers Yvonne Foster, 2, a racket as she strolls on court during Rosewall-Lew Hoad vs. Gil Shea-Herb Flam match in Melbourne.

Missing Stop Sign Blamed for Mishaps

DETROIT (AP) — A missing stop sign was blamed for injuries to eight persons today.

A truck knocked the sign down Thursday, but the driver didn't report it until 4:45 p.m. Friday — shortly after five persons were injured, two critically, and 34 bus passengers shaken up in an auto-collision at the intersection.

Last night eight persons were injured in a two-car pileup at the intersection.

The Police Department's sign shop closes down at 4 p.m. Friday until Monday, but after last night's crash the accident prevention bureau got emergency help and replaced the missing "stop."

PORK LIVER With Meat Purchase 2 Lbs. for 25c lb.

BAZLEY CASH MARKET

WHOLE 8 to 10 LB. AVERAGE — A Repeat by Popular Demand! Baby Pork Loins — Sliced Free — 29c lb.

Queen Colby Mild Cheese 39c lb.	Freshly Frozen Ocean Perch 29c lb.	Grade A Skinless HOT DOGS 29c lb.	Halibut STEAKS 39c lb.

Farm Backers Ready to Vote

Senator States Price Supporters Set to Cast Ballots on Bill

WASHINGTON (AP) — Sen. Mundt (R-SD) said today that backers of rigid farm price supports "are ready to start voting" on the omnibus election-year farm bill.

* * *

Sen. Aiken (R-Vt), who opposes the rigid supports but favors the new administration soil bank proposals, said in a separate interview he is anxious for voting this week.

"Every day's delay will cost the farmers money," Aiken said. "The sooner the soil bank is law, the quicker farmers can make plans for a share in it this year."

* *

Chairman Ellender (D-La) of the Senate Agriculture Committee said he would confer today with Senate leaders, seeking an agreement to limit debate on the measure. Like Aiken, he expressed hope a final vote can be taken late this week, but the controversial nature of many pending amendments to the politically important measure could put off final action until next week.

Plane Returns to Port for Two Passengers

CLEVELAND (AP)—A Northwest Orient airliner turned around and landed for two servicemen who missed the takeoff last night.

The airman and sailor from Charleston, W.Va., boarded the flight at Pittsburgh and were walking around Cleveland Hopkins Airport when the plane taxied away.

The pilot, Capt. A. C. Kirkpatrick, was told of his missing passengers and he came back to pick up the pair. Airline officials said the flight was delayed only 10 minutes. The servicemen would have had to wait 12 hours.

Two new hotels and a new hotel annex have given the Dominican Republic 560 additional hotel rooms, Trujillo reports.

President of Italy Arriving in Capital

WASHINGTON (AP) — President Giovanni Gronchi of Italy arrives today for a four-day official visit with President Eisenhower.

Traveling with him were Foreign Minister Gaetano Martino, his wife and nine other officials. After their Washington visit, they will go to Canada, Detroit, San Francisco and New York City before returning to Italy March 14.

Gronchi said as his special plane left Rome yesterday that the trip was "just a meeting to get acquainted" and was "not intended to bring immediate results."

Among the ideas he is expected to stress are Italy's interest in the Middle East and his government's desire for a greater voice in policies affecting that area.

Ask Vets to Meeting

World War I veterans have been invited to meet at 8 p.m. Tuesday at 206 Auburn Avenue, when Oakland County Barracks No. 49, USA, will receive its charter.

TWIN-TRIGGERED for double-action take-off

(Have you tried the new Variable Pitch Dynaflow?*)

This is something you'll find *only* in a 1956 Buick.

And we think this action is so exciting, you ought to come in for a sampling before another sun sets.

For Buick's new Variable Pitch Dynaflow is more than just the smoothest, the sweetest, the most responsive transmission yet developed.

It's quick and it's nimble — it's a gas-saver and a great safety factor—*the most thrilling safety measure on the American scene today.*

When we say twin-triggered, we mean just that.

You move the first trigger the moment you press the gas pedal no more than an inch.

That nudge taps a fraction of the mighty power in Buick's big 322-cubic-inch V8 engine. That nudge gives you quick new getaway response. That nudge brings you all the power and snap and performance you need for normal driving and cruising. *And since all this is at only part throttle, your gas mileage goes up substantially.*

Then comes the next trigger — when you need all-out acceleration for an emergency safety-surge.

You just floor the pedal—and that switches the pitch of this airplane-principled transmission.

Instantly, you're at full-power take-off—and it's like a second getaway cutting in — a thrill and a safety sweep like nothing you've ever experienced before in an earthbound vehicle.

Surely you owe yourself the treat, the twin thrills, the deep satisfaction and just the sheer fun hours that go with driving the best Buick yet.

Why not come in tomorrow and match up the words with the action?

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

NEW Precision-Balanced Chassis, engineered all new from front to rear for extra-rugged roadability
NEW V8 Power Peaks in Every Buick
NEW Variable Pitch Dynaflow*—with double-action take-off
NEW Deep-Oil-Cushioned Luxury Ride—with all-coil springing and true torque-tube drive
NEW Sweep-Ahead Styling—with Fashion Color Harmony inside and out
NEW Smoother-Action Brakes with Suspended Pedal
NEW Stepped-Up Gas Mileage in All Buicks
NEW Safety Power Steering† for instant and constant response
—and 97 Other New Features

SEE JACKIE GLEASON ON TV

†Standard on Roadmaster and Super, optional at extra cost on other series

2 Troy Crashes Caused by Ice

Smashups on John R, Rochester Roads Send Four to Hospital

TROY—Ice that coated otherwise clear roads at treacherous intervals was blamed for two Troy accidents that Saturday sent four people to St. Joseph Mercy Hospital.

Joseph Crystal, 31, of 4625 Fella St., Utica, suffered a skull fracture and lacerations of the legs and back, and his wife, Patricia, 26, received concussion and face lacerations when Crystal's car hit a tree on John R. just south of 19 Mile Rd.

Crystal's car went out of control on an icy spot and skidded into the tree. He and his wife are both in fair condition today at St. Joseph Mercy Hospital.

William O. Lothery, 586 S. Main St., Rochester, was not injured but his two children were hospitalized after Lothery lost control of his car on ice on Rochester road near Hartwig.

Lothery's car plowed into four parked cars in front of Palermo's Spaghetti House and then knocked out two guideposts at the roadside.

• • •

His son, William Jr., 24, is in St. Joseph Mercy Hospital with a compound fracture of the jaw, shoulder and chest injuries, and his daughter, Geraldine, 16, is in the same hospital with leg and shoulder injuries. Both are in fair condition.

WINTERING IN BRADENTON — Mr. and Mrs. Harmon Beatty Sr., of Milford, are spending their sixteenth winter in Bradenton. "The warm climate, friendly people and many recreational activities bring us back here year after year," the couple recently said of the coastal city.

7 Per Cent Drop in Farm Income

January Decrease Due Principally to Lower Market Prices

WASHINGTON (INS) — January farm income was estimated today at $2,300,000,000, seven per cent less than a year ago, largely because of lower average prices.

The Agriculture Department said meat animal receipts from livestock and products amounted to one billion 300 million dollars, and crop receipts to one billion dollars, 12 per cent below a year ago because of lower prices and smaller marketings.

Reporting on "The Demand and Price Situation," the department said prices of some farm products have increased from the lows reached last December.

Prices for hogs and lower grades of cattle, it said, have risen seasonally, and prices of broilers, cotton, potatoes and commercial vegetables are also higher. On the other hand, it added, prices have declined seasonally for some other products, particularly milk and eggs.

MR. AND MRS. ROLAND SCHROEDER

Lake Orion Couple Wed Saturday at Holy Cross

LAKE ORION — A candlelight ceremony at Holy Cross Lutheran Church, Oxford, united in marriage Roland George Schroeder and Delores Mae Kottke on Saturday evening.

Roland is the son of Mrs. Sylvia Schroeder of 667 Orion Rd. and the late George Schroeder, and Delores is the daughter of Mr. and Mrs. Herbert Kottke of 1512 Lapeer Rd.

Two hundred persons witnessed the ceremony for which the bride chose a gown fashioned of French Chantilly lace and nylon tulle. A square neckline was featured and the skirt of nylon tulle with lace appliques ended in a chapel sweep.

Delores' Colonial bouquet was of white carnations, centered with a black orchid.

Maid of honor was Patricia Gelen of Mt. Clemens and bridesmaids were Dorothy Charlton, Roxanne Callahan, Darlene Williams and Patricia Schroeder, all of Detroit.

Acting as best man was James Jacobs of Pontiac. Other attendants were Wesley Seabrook of Lake Orion, Walter Sheel and Larry Shaffer, both of Pontiac, and Richard Kottke of Lake Orion.

A reception was held at Gingellville Community Center and the newlyweds toured to Northern Michigan for their honeymoon.

Upon their return they will reside at 667 Orion Rd.

Religion School to Feature Film on Life of Paul

ROCHESTER — The second session of the Rochester Union School of Religion will be held at 7:30 p.m. March 1 in the parish hall of First Congregational Church.

An informal coffee hour and get-acquainted period, conducted by St. Paul Methodist Church, will start the school.

A film strip, "A Visit to Corinth," the second in visual presentation of the life of Paul, will be shown by the pastor of First Congregational Church, and the Rev. Kenneth Burgess will lead the Bible study on Paul's "Letters to the Corinthians."

Closing prayers at 9 p.m. will be lead by the Rev. Edgar Lucas of St. Philip's Episcopal Church. The general public is invited to attend the session.

Name 2 County Men to U. of M. Honorary

ANN ARBOR — Brandishing wooden swords and sporting newspaper hats, 46 University of Michigan initiates into Scabbard and Blade recently stood guard over the library steps and the flag pole.

Elected to the national honorary society for ROTC members in recognition of their military leadership, scholarship and activities were Huntington Woods residents Richard A. Little, 25804 Dundee, a senior in the Literary College; and Charles C. Wilson, 25324 Sherwood, a junior in the College of Engineering.

Thieves Loot Weapons From Sheriff's Range

PHOENIX, Ariz. (AP)—Weekend burglars stole a pistol, assorted ammunition, a telescopic gunsight and a box of pistol grips.

The scene of the crime—the county sheriff's pistol range.

Drayton WCTU to Meet

DRAYTON PLAINS—The Drayton Plains WCTU will have an all-day sewing session beginning at 10 a.m. Tuesday, at the home of the president, Mrs. J. R. Maybee, 6180 Mayber Rd.

The group will sew hospital items.

Marlette Girl Given Award as Homemaker

MARLETTE — Elaine Forbes, a senior at Marlette Community High School, has been named Marlette's "Homemaker of Tomorrow."

Elaine was chosen from three other girls who took an examination in preliminary competition for a state scholarship.

Elaine is treasurer of her class, reporter for choir, "Marletter" staff member and awards chairman for FHA. She has chosen nursing as her career and hopes to enter Henry Ford Hospital for training.

Church Class to Meet

WATERFORD—The Gospel Fellowship Class of the Waterford Community Church will hold its regular monthly meeting at 7:30 p.m. Tuesday at the home of Misses Esther and Elna Banghart.

Prison Term Given to Former Teacher

DETROIT (INS) — Former Royal Oak Township school teacher Mrs. Magnolia Sims White, 34, is beginning an 18-month federal prison term for cashing $529 worth of stolen income tax refund checks.

The checks belonged to a former roomer and the former owner of her home, both of whom had moved from the address.

Federal Judge Ralph M. Freeman issued a tongue-lashing along with the sentence. Despite pleas for leniency and a defense that she stole the money to help finance a gambling house, the judge said Mrs. White's position as a teacher required her to set a better example for her pupils.

Your PTA Is Planning:

Area Leaders Join Panel Tonight at Rochester

ROCHESTER — Harrison Central PTA will meet tonight at 8 in the high school gymnasium.

Parents and students are urged to attend to watch the film presentation "The High Wall."

Following the film there will be a panel discussion, with Dr. Benjamin Bisgeier, of the Pontiac Veterinary Hospital, acting as moderator.

Oakland County Prosecutor Fredrick C. Ziem will join the panel with three Rochester Area leaders, Jean Lilly, visiting teacher for the Rochester Community Schools; George Stringer high school counselor; and the Rev. Walter C. Gerken, pastor of St. John Lutheran Church.

Marlette

The Elementary PTA will hold a fair Friday, March 2, at the Bea McDonald School beginning at 7 p.m.

Mrs. Leona Johnson was selected as teachers' representative and the following committee chairmen were named:

Publicity: Mrs. Donald Tapson; decorations: Mrs. Robert Jubb; finance: Mrs. Charles Joslin; baked goods and candy: Mrs. Gus Black and Mrs. Alex Cilk; kitchen linens: Mrs. Jay Westover and Mrs. Dennis Burnes.

Donated store goods Mr. and Mrs. Max Patrick, white elephant, Mr. and Mrs. Ward Hendricks; childrens handicraft, Mrs. Joe Risley and Mrs. Gene Atherton; Novelty booth, Mr. and Mrs. Robert James and books, Mrs. Robert Rankin.

Popcorn concession Mr. and Mrs. Harold Flannigan; games, Dr. and Mrs. James Avery; balloon sales, Douglas Putman; cartoons and movies, James Seddon; refreshments, Mr. and Mrs. Robert Becker; checkroom Mr. and Mrs. George Marsh and Dr. and Mrs. Raymond Winfield and baby sitting, Mrs. Robert Jubb.

Family Hobby Night Slated at Rochester

ROCHESTER—A Family Hobby Night and potluck supper is being planned for March 13 at First Congregational Church, with a deadline of Feb. 29 on registrations.

Hobbies that families can do together will be demonstrated by a special speaker from the Hobby House, Detroit. There will be an opportunity to work with copper, enameled jewelry and other crafts.

Registrations should be made with Mrs. Ralph Quiggle, or with Mrs. Paul Anderson, OLive 1-6551.

Women Motorcyclists Turn to Raising Chicks

A pair of widowed sisters, Hazel Hunter and Vivian Morrison, who once were avid motorcyclists in the Jackson area, now operate a successful 200-acre farm and chicken hatchery near Leslie in Ingham County.

The two have raised wheat, oats and corn and operated a full scale hatchery program since they bought their mother's farm in 1948.

They started with 227 chicks, hoping for a "pin money" flock of laying hens to keep the family coffers jingling between the sales of their cash crops.

The flock now has grown to 650 laying hens.

Mrs. Hunter and Mrs. Morrison have learned to vaccinate chicks for Newcastle disease and bronchitis. They also know the proper methods of administering drugs to alleviate colds and other disorders which can play havoc with a laying flock.

The sisters' enterprise suffered a jolt last summer when flames swept their brooder house. But repairs were made and their white leghorn flock has returned to business at the same old stand.

Buying the farm was a new venture for both women. Mrs. Hunter in 1916 had belonged to a Jackson motorcycle club which engaged in regular road races and hill climbs. Mrs. Morrison was an avid cyclist at the same time.

5 Injured as Police Rush to Accident

ROYAL OAK (AP) — A suburban Clawson police cruiser, rushing to the scene of a traffic accident, collided with another car last night at 15 Mile road and Oakley.

Three children in the other car were thrown onto the icy pavement and injured. They were Stanley, 9, Ronald, 8, and Dennis, 6, sons of Stanley Miodowski, of Clawson, driver of the car.

Also injured were the police officers Guy Anderson and James Lavery.

The earlier accident in the same area, where police were going, involved a single car. Lloyd Traver and his wife, Mabel, of Van Dyke were injured.

31 Representatives Go to Presidents' Dinner

MARLETTE — Seventeen representatives of the Community Council and fourteen guests attended the second annual President's Dinner at Teales Cafe here.

The purpose of this meeting was to acquaint other members of the organizations with the council program which was the Community Park, surrounding the swimming pool.

County Deaths

Wilbur Anderson

LAKEVILLE — Service for Wilbur Anderson, 49, 4175 Kenmore Dr., Berkley and Lakeville, will be held at 2 p.m. Wednesday from Sawyer Funeral Home on Twelve Mile Road with burial to follow in Woodlawn Cemetery. He died suddenly Sunday morning.

Survivors include his wife, Thelma; two sons, George at home in Berkley, and Eddie of Detroit.

Mrs. James Baines

ROYAL OAK — Rosary service for Mrs. James (Elizabeth Ellen) Baines, 82, of 917 Maxwell Ave., Royal Oak, will be held at 8 p.m. tomorrow at William Sullivan and Son Funeral Home here. Requiem Mass will be said at 9:30 a.m. Wednesday in the Shrine of the Little Flower, with burial in St. Mary Cemetery. She died Sunday afternoon after a two-day illness.

She leaves one daughter, Mrs. Alice Ellison of Royal Oak; seven grandchildren in Royal Oak, Berkley and Ooley Lake; and 22 great-grandchildren.

Kenneth Shoemaker

ROCHESTER—Service for Kenneth Shoemaker, 47, of 420 Taylor St., will be held at 2 p.m. Wednesday from Pixley Funeral Home with burial in Mt. Avon Cemetery. He died Sunday after a one-day illness.

He leaves his widow, Nina; three daughters, Patricia, Carrol and Barbara, all at home; one sister, Mrs. Doris Yates of Rochester; two brothers, J. B. and Harold, both of Oxford; and his father, Floyd of Pontiac.

Mrs. Paul Goldsworthy

ROCHESTER—Service for Mrs. Paul (Nanny) Goldsworthy, 82, of 616 Seventh St. will be held at 10:30 a.m. Wednesday from the Pixley Funeral Home, with burial in Mt. Avon Cemetery. She died yesterday after several months' illness.

Surviving are two sons, John H. of Lansing and William P. of Rochester; three grandchildren and four great-grandchildren.

John Thomas Fisher

WALLED LAKE — Service for John Thomas Fisher, 80, of 2015 West Maple Rd., will be held at 3 p.m. Thursday from Richardson-Bird Chapel, Walled Lake, with burial in Oakland Hills Cemetery. He died Sunday after a two-week illness.

Surviving are his widow, Edith; two sons, Charles of Walled Lake, Roy of Troy; four daughters, Mrs. Harold Pletcher of Livonia, Mrs. Arthur Follows of Birmingham, Mrs. Grace Beck and Mrs. Harry Salampa, both of Detroit; one brother, Arthur of Long Mont, Colo., and a sister, Mrs. Dora Smith of Alpena.

Mrs. Max S. Marshall

ALMONT — Word has been received here of the recent death of Mrs. Max S. (Constance Hopkins) Marshall, a former resident of Almont. Funeral service was held in Berkley, Calif., where she lived.

Kiwanis Offers Carnegie Course Starting Tuesday

ROCHESTER—Men and women residents here are invited to a demonstration of Dale Carnegie's effective teaching methods, to be conducted Tuesday at 7:30 p.m. at the American Legion Hall.

Conducting the demonstrations will be John C. Todd, regional director for the Carnegie Course.

The course is being sponsored as a public service to Rochester and surrounding communities by the Kiwanis Club here.

Named Vice President

MARLETTE — Word has been received from Boston, Mass. that John L. McCrea, Vice - Admiral USN (Ret.), formerly of Marlette, was elected a vice president of the John Hancock Mutual Life Insurance Co., at a meeting of the Board of Directors.

Chorus for Men Starts Tonight at Rochester

ROCHESTER — Roger Seager, educational director for the Adult Education Program at the high school here, has announced that starting tonight, Frank Irish, vocal director, will direct a men's chorus in Room 14.

The class is scheduled to meet at 7:30 every Monday night for 12 consecutive weeks.

Seager said the group is being formed following the receipt of many requests.

County Calendar

Oakland County

The WWA group of widows and widowers of the county area meeting each Tuesday at Malta Temple, 82 Perkins, are conducting a membership drive. Special get together is being planned for March 20 at 7:30 p.m., with dancing, cards and games.

Rochester

The Kiwanians are holding annual Farmer's Night tonight at 6:30 at Behout. Ally Ensign has charge of the program.

The Women's Relief Corps will hold the next regular meeting Friday at the Avon Hall, and are sending out a call to other women who would enjoy doing things for others, to come and join them.

The Thimble Club will meet at the Avon hall for its all day meeting Tuesday.

NOW IS AS GOOD A TIME AS ANY TO REVIEW YOUR INSURANCE

Thatcher, Patterson & Wernet

Special Notice

To All Citizens of Oakland County

The Oakland County Association of Citizens' Leagues will hold a county-wide public meeting tomorrow nite at 8 P. M. to give every citizen an opportunity to hear about the Citizens' Leagues which are now being organized in every city, town, village and township of Oakland County.

You, too, should be interested in joining with your neighbors to form a Citizens' League to solve the many problems within your community.

The officers of each local Citizens' League will also serve as Board members of the County Association whose function will be good government upon a county level.

Here is your chance to learn about the Citizens' Leagues at the meeting tomorrow nite.

Tuesday Evening at 8 P. M., February 28th

Berkley Elementary School, 2350 Catalpa, Berkley

THE BERRYS By Carl Grubert

Canada Nearing Tight Air Guard

Automatic, Electronic Defenses Seen Within Next Ten Years

MONTREAL (AP)—Canada within 10 years is likely to have an advanced form of push-button air defense, involving installation of a new two-billion-dollar "electronic atmosphere," electronics producer K. R. Patrick has predicted.

This "atmosphere" will gather signals and channel them into a giant computer. Once an enemy plane crosses a radar link, the computer will automatically instruct a guided missile, interceptor aircraft or other weapons.

* * *

Patrick, president of Canadian Aviation Electronics Ltd., said the system which is becoming known as SAGE — for Semi-Automatic Ground Environment—now is being developed as a means of creating an electronic atmosphere for all of North America.

He told the Royal Commission investigating Canada's economic future that SAGE consists of all the radar systems we have discussed plus many more.

* * *

Patrick, who helped develope radar, warned there is evidence of a massive international struggle for control among corporations. There are dangers, he said, in the growing U.S. practice of funnelling management of large electronics defense contracts into the hands of a single company because it is apt to foster monopoly operations.

Premature Baby Dies

CHEBOYGAN (AP) — A prematurely born baby girl, delivered to Mrs. Arnold Porter by State Trooper Howard Lee Thursday, died five hours later. The trooper was called by Mrs. Porter's husband on the way to the hospital.

Friendly greetings and kindly acts featured "Good Neighbors Month," promoted recently in the village of Trowell, near Nottingham, England, by the rector, Rev. Kenneth Jones.

Getting Dial Service

HILLSDALE (AP)—The Camden Rural Telephone Co., which serves Camden, Montgomery and Frontier in Michigan and Cooney in Ohio, will switch to dial service in the middle of March.

Daily Oil Output Up

NEW YORK—Crude oil was produced throughout the world at the rate of more than 15,000,000 barrels a day in 1955, an increase of 1,500,000 barrels over the 1954 daily average.

More Roads Set for Motor City

Predict 213 More Miles of Expressways by 1980 for Motorists

DETROIT (UP)—By 1980 motorists driving in Detroit and its metropolitan area will have access to 213 miles of expressways worth 1½ billion dollars. That is the prediction of Alger F. Malo, Detroit streets and traffic director.

* * *

In order to keep up with area growth, he said, expressway construction must be increased to 75 million dollars a year.

Malo was principal speaker at the sixth Annual Planning and Zoning Conference yesterday, sponsored by the Detroit Metropolitan Area Regional Planning Commission.

He said metropolitan Detroit's 20-year construction program will provide 120 miles of depressed highways inside Detroit. These will connect with 93 miles of expressways in Wayne, Macomb and Oakland counties, he said.

T. Ledyard Blackeman, the commission's executive director, attacked as "unrealistic" the Michigan Turnpike Authority's plan for the Rockwood-to-Saginaw toll road.

Blackeman said the proposed expressway would cut through existing or planned parks and disrupt sewer systems in the Rouge River basin.

The freedom of the City of Belfast, Northern Ireland, will be conferred on Sir Winston Churchill to mark his wartime leadership.

MEN PAST 40

Troubled with GETTING UP NIGHTS Pains in BACK, HIPS, LEGS Tiredness, LOSS OF VIGOR

If you are a victim of these symptoms then your troubles may be traced to Glandular Inflammation. Glandular Inflammation is a constitutional disease and medicines that give temporary relief will not remove the causes of your troubles.

Neglect of Glandular Inflammation often leads to premature senility, and incurable malignancy.

The past year men from 1,000 communities have been successfully treated here at the Excelsior Institute. They have found soothing relief and a new zest in life.

The Excelsior Institute, devoted to the treatment of diseases peculiar to older men by NON-SURGICAL Methods, has a New FREE BOOK that tells how these troubles may be corrected by proven Non-Surgical treatments. This book may prove of utmost importance in your life. No obligation. Address Excelsior Institute, Dept. W-15 Excelsior Springs, Missouri.

Bob Considine Says:

Personal Grievances Losing Men for SAC

NEW YORK (INS) — The passing show . . .

Anent some recent pieces on the Strategic Air Command, the father of two airmen writes:

"Your state that Gen. Lemay is deeply concerned by the low reenlistment figures among technicians and other skilled airmen, and that private industry is swiping these men. A cross country check would reveal, however, that money alone is not the deterrent.

More likely injustices, broken promises that result in the loss of respect for superiors both commissioned and non-commissioned, the degradation of being billeted with the occasional drunk, and the lowering of discipline in general since World War II days all must be counted.

"If it were physically possible for the general to read the grievances as written by the airmen themselves, before censoring, the problem of retaining the best in his command would be greatly simplified. I say 'grievances' because naturally there are many gripes which are more or less the boys' method of letting off steam. 'Grievances' are not to be confused with these petty things. Trouble is, few such major complaints get to the top."

Flew up to Toronto the other day via Trans Canada Viscount and marvelled again at the ride one gets in this remarkable machine. It is the model T, let's say, of the great new age of the prop-jet.

Its four Rolls Royce jets spin their blades with the soundless ease of electric fans. There is no vibration, no sense of speed, even though we were whipping along at 350 MPH on the trip home. You don't know when the engines start. After we parked at the ramp at Idlewild the props still spun lazily, motivated by the breeze that whipped across the field.

The British have no cause to apologize further for what happened to the comet. In the Viscount they have come up with a plane that will take us a couple more years to equal.

The new cosmopolitan reports on a peachy new gimmick introduced by the poor people (female) of France. Pretty girls are thumbing lifts along the road and then stepping aside to allow less pretty girls to get into the cars. These girls are professional lift-getters who charge a few francs for their services.

No mention is made of how the guy in the car throws out the dame with the glasses.

Remember Leatrice Joy? She was a star of the silent films and married John Gilbert, the handsomest devil of them all at that time.

She's now a doting grandmother. Her daughter, John's daughter, has four children. They live in Greenwich, Conn. Miss Joy goes in for Good Works. On Lincoln's birthday she visited New York's "Carry-On Club," a meeting place for elderly blind people, and recited the Gettysburg Address. Her audience wept as she spoke.

'It was the most thrilling moment of my life," sincerely said the woman whose name had blazed on marquees across the world.

Challenging Monks

COLOMBO, Ceylon (UP) — More than 2,500 Buddhist monks have threatened to form a new party and enter candidates in all districts if the Ceylon government does not change the date for general elections. The monks object to voting next April 5-10 during observances marking the 2,500th anniversary of Buddha's death.

Frigid Fox Finds Fire

TUNBRIDGE WELLS, England (UP) — Britain's bitter cold wave drove a starving fox into the home of Mrs. Fraser Simpson. She found the animal curled up asleep in an armchair near the fire.

Hard-Hit Satellite Nations May Ask U. S. for Food

ROME (INS)—A top U.N. official has stated that iron curtain countries, hard hit by the bitter European coldwave, "may have to turn" to the U.S. for food.

Dr. Frederich Wahler, director of the Agriculture Division of the U.N. Food and Agriculture Organization, said the frigid winter "may have endangered crops" in the satellite nations.

Wahler declared that if the early spring of 1956 shows a pattern of freeze-and-thaw weather, the great cereal producing areas behind the iron curtain may be seriously hit.

"Then Russia and the other countries will have to go to the world market for their supplies of cereals.

"Poland, for example, has already started purchases of rye in the federal (west) German republic."

President Eisenhower has offered surplus U.S. foods to west European nations and four satellite countries—Poland, Czechoslovakia, Hungary and Romania.

MR. AGRICULTURE

Wahler, who has been dubbed "Mr. Agriculture" for his detailed knowledge of world farming and food problems, said although the unusually harsh 1955-56 winter "will not produce actual famine, it will bring a year of hardship for European populations."

He said much of this hardship will be due to the fact that average European farmers—on both sides of the iron curtain—are not used to storing food supplies which could see them through a period of shortage or emergency.

"Many of them," Wahler remarked, "operate on a day-to-day economy."

The agriculture expert reported that the cold has caused definite harm to winter vegetable crops all over Europe. It also has affected fruit production and probably will result in a tight market in the citrus field especially.

Prices for winter vegetables have risen sharply all over Europe.

The cold also may affect sheep which have little resistance to harsh winters. Much of southern Europe and many of the satellite countries rely on sheep for their meat supply.

20-Year Separation

SAN SEBASTIAN, Spain (UP) — Francisco and Antonio Manzano are 21-year-old twins who live 30 miles apart. At birth their parents placed them in different foundling homes. They met for the first time recently after a friend of Francisco who lives in Mondragon mistook Antonio for Francisco on the streets of San Sebastian. The friend soon brought the brothers together.

GETTING UP NIGHTS
Makes Many Feel Old Before Their Time
There is nothing that can make you feel older and more depressed than losing sleep and worrying about "Bladder Weakness" [Getting Up Nights (too frequent burning and itching urination) or Strong, Cloudy Urine] due to common Kidney and Bladder Irritations, which sometimes result in Backache, miserable referred, secondary aches, pains, headache and nervousness. In such cases New Improved Cystex usually gives quick, wonderful, soothing relief through its germ combating action in acid urine and its analgesic pain relieving value. Over a billion CYSTEX tablets used prove safety and success. Get CYSTEX today under money-back guarantee. See how much better you feel tomorrow.

Hal Boyle Says:

When Men Hit 45, They Begin to Enjoy Life

NEW YORK (AP)—I used to worry that when I became 45 years old teen-agers would stop me in the street with the request:

"Old man, say something wise."

I needn't have worried. When you're 45, the average teen-ager doesn't seek you out for your wisdom, perhaps because he figures anything you know is already out of date. On the other hand, he doesn't bother to laugh at you either. The truth is he doesn't know whether you're alive.

* * *

However, somwhat to my surprise, I felt very much alive the other morning when I awoke to find I had reached my 45th milestone.

Unlike on my 40th birthday, a time of true horror, I felt no urge to draw up a new will, or lie cowering in bed, afraid that if I got up I might fall apart by nightfall.

As I shaved myself before the bathroom mirror on my 40th birthday, my hand shook to see the ravages time had wrought. But on my 45th birthday I performed this chore humming, cheered by the fact so much of the old ruin still remained.

* * *

Though much had been taken, much abided—particularly around the stomach—though I might not be able to throw a football 50 yards, I sure threw an important-looking silhouette.

RECEIVED ONLY 1 KISS

There was one big disappointment in the day, however. In earlier years I started the custom of kissing all the girls in the office on my birthday.

On my 45th birthday I got only one kiss. Only one girl showed up — a new girl. All the old girls stayed home from work. I guess there must have been a virus going around, or something.

At 40 a dark tunnel of terror descends on many men. They see the brightness of youth departing and before them only the black nightmare of age.

* * *

But by 45 a man can see light at the other end of the tunnel. He makes his compromise with time. He no longer is panic-stricken at the thought of being middle-aged. He no longer is wistfully envious of the young. He finds life holds a new freshness in his Indian summer prime.

It is a good thing for a man at five-year intervals to discard the things he no longer needs or has outgrown. At the age of 5 I quit tiddlywinks, at 10 skipping rope, at 15 marbles. At 20 I made a great resolve and gave up women forever, but recanted — the next day.

* * *

At 25 I gave up high diving, at 30 baseball. At 35 I started giving up (reluctantly) my hair.

At 40 I darn near gave up hope, but now I do believe I have it back again. There are a lot of things at 45 I perhaps ought to give up, but I finally decided it would be table tennis. Whoever really learned anything lastingly important while batting a ping-pong ball around? Gin rummy is far more educating, and is played in a more civilized posture.

CHANGE OF FAITH

At 45 a man finds new consolations. He goes through a change of faith. He loses his confidence in hair restorers but this is replaced by a belief that if he wears a hat at least he won't catch cold

The old friends he has remaining he holds doubly dear. The realization that every year there are fewer people in the world who would actually lend him money makes him treasure those still left.

* * *

He finds that women have improved tremendously. At 19, he remembers, all the girls he met seemed vain and silly. But now the ones he meets seem charming, witty and full of commonsense information on interesting topics such as how to cure arthritis and what to do about varicose veins. The fact the only girls he meets are grandmothers has nothing to do with it.

Best of all, at 45 a man finds his wife appreciates him more than in the days when he was a young romantic lover.

"Here, you big oaf, I'll move that sofa," she murmurs tenderly. "You might strain your heart. I don't want to have to break in another husband in my lifetime."

She brings him his slippers and a hot toddy, and the big oaf, sitting comfortably reading his newspaper and lulled by the dim slow music of his hardening arteries, wonders idly why a man would ever want to be any age but 45.

Charges Plane Firm With Bonus Abuses

WASHINGTON (INS) — Rep. William E. Hess (R-Ohio) has charged the Fairchild Engine and Airplane Corp. is giving some of its executives bonuses amounting to approximately 50 per cent of their salaries and collecting the money from the government.

Hess is a member of the House Armed Services subcommittee investigating the profits, production and performances of the nation's 15 major aircraft manufacturing companies.

Subcommittee Chairman F. Edward Hebert (D-La.) also questioned the work being done by retired Army, Navy and Air Force officers for what he termed "the fabulous salaries" they are drawing.

The company does practically all its business with the armed forces and salaries are charged to the government as part of production costs.

Give U. M. Scholarship

GRAND RAPIDS (AP)—The Real Estate Alumni of Michigan have presented a $1,500 scholarship to the University of Michigan for a qualified business administration student. The scholarship was given by Richard A. Jeffrey, Detroit realtor, at a meeting this week of the alumni group in Grand Rapids.

Plan Highway Confab

GRAND RAPIDS (AP)—About 1,100 city, county and state highway officials are expected March 13-15 in Grand Rapids for the 41st Annual Michigan Highway Conference. Its theme this year is "Adequate Roads Are Safer Highways."

To Run for Union Post

DETROIT (AP) — Andrew McFarlane, Detroit Building Trades Council president, announced today he will run for the presidency of the Detroit and Wayne County Federation of Labor. He said the decision was reached yesterday in a meeting with James R. Hoffa, Teamsters Union international vice president.

To Show Film at U. M.

ANN ARBOR (AP)—A 20 minute sound film of the photographic exhibition, "The Family of Man," will be presented at the University of Michigan Wednesday and Thursday.

Announce New Way To Shrink Painful Piles

Science Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H.®* Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drugstores. Satisfaction guaranteed or money refunded.

Young People of Temple Beth Jacob Mark Holiday

Pontiac Press Photo

Putting on a puppet show at Temple Beth Jacob Sunday to celebrate Purim, the merriest of Jewish holidays, were Paula Siegel of Menominee road, Marcy Agree of Murphy avenue and Judy Gordon of James K boulevard (left to right, top row). Having fun watching the puppeteers were (bottom row, left to right) Ellen Sue Bisgreier of Josephine avenue, Richard Levine of Ottawa drive, Jonathan Saperstein of Genesee avenue and Nancy Chapman of Tilden avenue. The children, members of the religious school, participated in singing, drama and a grand march displaying the carnival costumes.

Reading the script for the dramalogue presented at Temple Beth Jacob for Purim, the gay religious holiday, were Michael Nosanchuk of Cherokee road, Susan Arnkoff of Illinois avenue and Donald Barnett of Cherokee road. With other members of the religious school, they were a part of the program featuring parties, plays and pageants. In synagogue services, the Megillah (scroll) containing the story of Purim is read and prayers are offered in thanksgiving for the love of freedom implanted in the souls of man.

Vacationers Join to Talk About Home

Pontiac Dominates the Conversation at Miami Gathering

By ETHEL TOMBRINK

MIAMI — It was strictly Pontiac talk the other evening at Helen and Clint Parr's home. "Do you know so-and-so?" "Remember, the house on the corner of Saginaw and . . . ?" Such questions, and their answers, went flying when the Ed Whipples and Dr. and Mrs. Walter Grinnell spent the evening with the Parrs.

Helen and Mrs. Grinnell, the former Marian Baskette, knew each other in high school in Pontiac. They had been trying to get together for months — and finally did, a couple of weeks ago—first time they had seen each other in about 15 years.

Then the other evening Helen invited the Grinnells (he's a resident physician at Veterans' Administration Hospital in Coral Gables) over so that the husbands could meet each other.

That same day, Ed and Onalee Whipple of Clarkston called—they were heading back to Clearwater, Fla., but Helen talked them into staying on for dinner and an evening of Michigan talk.

* * *

The Whipples have taken a house in Clearwater where her parents are spending the winter, but for the past few days have been moseying around the state seeing friends and looking at property with a view to buying.

There are four pages in today's Women's Section

They spent an evening with the Ernest V. Squiers in Lauderdale by the Sea, then headed for Miami and the boat show at Dinner Key.

GOING FISHING

The Whipples went back to Clearwater, but will return to Miami in a couple of weeks to go for a weekend of fishing in the keys (Ed doesn't care whether he catches fish or not—it's just the fishing he likes) and then a few days in Nassau.

* * *

For these jaunts, the Whipples' traveling companion, their black cocker, Judy, will remain in Clearwater. Otherwise they've taken Judy everywhere—and she's "an excellent traveler," they say.

Her "home" is a rug in the back of the station wagon, and she does her sightseeing from atop the suitcases.

En route to the keys, the Whipples will stop in Miami again, for by that time Helen Parr's parents, the John Kellers of Davisburg, will be in town. They're expected about March 4.

* * *

The Parrs' lovely new colonial home out near South Miami is done in pale pastels with bright print accents, and features a spacious Florida room floored with Cuban tiles.

ENJOYING SUNSHINE

Enjoying Miami's sunshine and days of leisure, too, are Mr. and Mrs. John E. Dunn. He retired from GM and they moved here about three months ago, buying a home in the northeast section of Miami.

* * *

An evening out last week was dinner and the theater at the Coral Gables Country Club with Mr. Dunn's nephew and wife, Dr. and Mrs. Dave Bosworth of Coral Gables.

Theater group at the country club presents five plays a year—and both Dave and Elois Bosworth have taken many a leading role in the productions as well as working backstage.

Right now, Dave is president of the country club. He and his wife were hosts to the Dunns for dinner and "Dial M for Murder."

Personal News of Interest

Residents Busily Prepare Jaunts

The Robert Suttons of Lincoln avenue are making last-minute arrangements for their vacation. They are leaving the early part of next week for Fort Lauderdale, Fla.

* * *

Robert Dancey, son of Mr. and Mrs. Roy H. Dancey of Voorheis road, was recently presented with the general physics award at Sterling College.

This award is presented annually to the student who is selected by the faculty as outstanding in general physics. The purpose is to help interest students in science.

* * *

Mr. and Mrs. David Clark and Mr. and Mrs. Seth Marshall of Birmingham will arrive at Sun Valley, Idaho, on Saturday for a 10-day vacation.

* * *

On Wednesday evening Mr. and Mrs. Guy Vosburg of Nelson street, Mr. and Mrs. Arnold Aarni of Nelson street, Mr. and Mrs. Sam Williams of Birmingham and Mr. and Mrs. C. A. Hall, also of Birmingham, will attend the Wayne University Symphony Orchestra Concert being presented at the Detroit Institute of Arts.

Mrs. Carmen Labowitz of Santiago, Chile, the solo pianist being presented at the concert, is a personal friend of Mrs. Vosburg.

James Campoli of Woodland drive, Birmingham, president of the Alumni Association of Lawrence Tech, is also chairman of the alumni dinner and dance being presented on Saturday at the Latin Quarter in Detroit.

* * *

Mr. and Mrs. Joseph E. Pinter (nee Kathleen Jones) of Colonial way are parents of a son, Patrick Ekelund, born Feb. 20 at Pontiac General Hospital.

Grandparents of the infant are Mrs. Vendel Pinter of Saginaw and Mr. and Mrs. Murray DeZos Jones of Bloomfield Hills.

* * *

Mr. and Mrs. Lawrence S. Martz Jr. (nee Anne-Sophie Uldall) of Wing Lake are receiving congratulations on the birth of a son, Geoffrey Stannard, Feb. 21 at S. Joseph Mercy Hospital.

Grandparents of the boy are Hans Jorgen Uldall of Ibadan, Nigeria, Mrs. Elizabeth T. Uldall of Edinburgh, Scotland, and Mr. and Mrs. L. S. Martz of Wing Lake.

Mrs. Benjamine T. Bailey of Fort Lauderdale, Fla., is the infant's great-grandmother and Mrs. Howard Britton also of Fort Lauderdale, is his great-great-grandmother.

* * *

Sgt. and Mrs. Roy E. Bowling with their daughters Susan, Cathy, Judy and Donna of Washington, D. C. are visiting Mrs. Bowling's grandparents, Mr. and Mrs. Claude D. Johnston of Union street.

Sgt. Bowling will leave April 1 for the Philippines where he will be stationed for three years. Mrs. Bowling and the children will join him in six months.

* * *

Cynthia Sheldon, daughter of Mr. and Mrs. Thomas P. Sheldon of Birmingham, attended a seminar on foreign policy conducted by the American Friends Service Committee in Washington, D. C. last week. The group of five from Denison University visited the departments of Commerce and State during their stay.

Group Conducts Election

The first annual election of officers of St. Gertrude Unit, St. Benedict Church, was conducted at the recent meeting of the group held in St. Benedict Hall.

* * *

Mrs. Leah Herveat will serve as captain assisted by Mrs. Alice Nenotti, vice captain; Mrs. Cecelia Coleman, secretary; Mrs. Catherine Dusenbury, treasurer, and Mrs. Vera Daniels, corresponding secretary.

The unit was organized in June of last year. It functions along the lines of a PTA, with its main objective being to supply St. Benedict School with items and services it would be unable to obtain otherwise.

In its eight months of existence, the unit has obtained a movie projector and screens for the school, has conducted an audio test for the entire student body and is in the process of arranging vision tests and fluoride treatments for the students.

* * *

Mrs. June McConnell served as the first captain of the group.

The room mothers have conducted an open house, Christmas and Valentine parties for the individual classes, and have arranged two evening dances for the fifth, sixth and seventh grade students.

On April 21, St. Gertrude Unit will hold the first school festival, "Carnival Capers," at St. Benedict School.

Women Accountants to Hear GM Man

H. L. Christenson, superintendent of the motor accounting department, sales section of General Motors Corp., will be the speaker at the monthly meeting of the American Society of Women Accountants Tuesday evening at the Women's City Club, Detroit.

* * *

His subject is "Uniform Dealership Accounting as It Applies to General Motors and Its Dealers."

Anny Koellner of Sylvan Shores drive will attend this meeting, having recently been approved as a member by the board of directors.

Herbert Robertson Honored at Dinner

Mr. and Mrs. William Robertson of School street entertained at a birthday dinner Sunday for his father, Herbert Robertson of East Pike street.

Guests included Mrs. Herbert Robertson, Mr. and Mrs. Albert Robertson of Birmingham and Mr. and Mrs. Henry Stormer.

Coming Events

Omega Mu Sigma Sorority will meet with Mrs. Austin Eder of Shore View drive Tuesday at 7:45 p.m. Norman Roth will speak.

Guild Eight of All Saints Episcopal Church will meet Tuesday at 10 a.m. with Mrs. James Glennie, 84 Gingell court.

Iraq Caldron Daughters of Mokanna officers and ceremonial staff will meet Tuesday at 7:30 p.m. with Mrs. Willie Koggenhop, 386 Kenoty Ave.

Dora D Card Club of Maccabees will meet Wednesday at 7:30 p.m. with Mr. and Mrs. Louis King, 101 Pioneer drive.

Reliable 12 Club will meet Tuesday at 12:30 p.m. with Mrs. Louis Murthum, 252 Judson St. for a cooperative luncheon.

Pontiac Unit of WCTU will meet with Mrs. William Krewson, 11 O'Reilly St. for a Patrick Willard tea Tuesday at 1:30 p.m.

Rose Staff Mystery Club postponed their Tuesday meeting until March 13.

VFW 1008 will meet at 8 tonight at the American Legion Home on Auburn Ave.

A pale pink sheath in supple crushed silk linen, this dress features a delicately pleated midriff insert of matching pink chiffon which rises high in the bodice and extends around to the back. Short cap sleeves and side slit pockets add further interest.

Purdom Concentrates on Career

By EMILY BELSER

HOLLYWOOD (INS)—Handsome Edmund Purdom, whose colorful romance with Linda Christian has kept the gossips working overtime for more than a year, indicated today he does not plan to marry Miss Christian—or anyone else.

* * *

"I haven't given it a thought," he said airily and added, "Anyway I'm still married."

Purdom finally has agreed to pay his estranged wife, Tita, more than $1,000 a month alimony and child support plus $8,000 attorneys' fees.

"It's infernally expensive," he remarked with his slight British accent, "but I'm glad it's all straightened out. Now I can concentrate on my free-lancing—acting I mean."

* * *

Although Linda, who recently was divorced from actor Tyrone Power, has repeatedly aired her emotional views of Edmund, the tall, dark-haired actor has remained mum on the subject of the ex-Mrs. Power.

SOME DIGNITY

Pinned down about the romance he said:

"I try to maintain a certain amount of dignity about these things. There's very little to say, really. I see something of her occasionally, but I am very busy and she is making efforts to convince the (film) industry that she's capable of hard work and is willing to do it.

"I think she has a tremendous quality in her."

* * *

Purdom seemed much more interested in the fact that he is on loan-out from his home studio, MGM.

"It's quite a feat to be free-lancing under the age of 30," he declared. "I'm only 29."

He will earn more for his next film, "The Intruder," for instance than he made in an entire year at MGM where his annual salary was $50,000.

* * *

He'll get $6,250 per week for a guaranteed eight weeks.

"Plus 10 per cent of the profits," he added gleefully.

'THIS IS IT'

Purdom said it always has been his ambition to make a good motion picture and he thinks "this is it."

* * *

The actor who has spent the last four months in Europe, complained bitterly that "the press made out I was careening around over there doing nothing."

Pontiac Press Photo

The fashion show being sponsored by the Association to the Pontiac Symphony Orchestra is uppermost in members' plans these past few weeks. Shown selecting pieces for background music are (left to right) Mrs. Frank Bonner of Delaware drive, Mrs. Eduard Barrett of Ottawa drive (at the piano) and Mrs. R. L. Bronoel of Pioneer drive. The show is scheduled for March 8 in Pontiac High School auditorium.

Congregational Women Honor Sunday School

A small group of the members of the Women's Association of the First Congregational Church braved Friday's ice storm to attend the February meeting.

* * *

The luncheon was served by the Saybrook Group, with Mrs. William Vann as chairman. Assisting her were Mrs. William Hurlburt and Mrs. Sydney Baer.

Devotions were given by Mrs. Ray Falk, after which a history of the local church's Sunday School was presented. Mrs. Robert Gaff recounted events from the years 1846-62. Miss Sarah Palmer was the founder of the Sabbath School.

Tribute was paid to the Sunday School teachers, with special mention made of Mrs. Bessie Wix and Mrs. S. B. Harper, both of whom taught for more than 25 years.

* * *

Mrs. Robert Canfield presented the music for the afternoon, accompanied by Charles Wilson.

Mrs. Robert Jewell of Sault Ste. Marie was a guest.

Square Dances Greet Members at Elks Temple

Mr. and Mrs. Dan W. Kaufeld and Mr. and Mrs. Benjamin Sweeney were welcomed as new members of the Elks Sa-Shay Quadrille Club when the club met Friday evening in the Elks Temple.

Oscar Denham was master of ceremonies for the party, at which the birthdays of Mr. and Mrs. William Schmiel were celebrated.

Calling the lively quadrilles were Jack Baker, John DePauw and William Schmiel. Mr. and Mrs. Robert Nienstedt, Kenneth Goff and Mrs. DePauw were in charge of decorations.

The group has been invited to attend the Merry Mixers Anniversary Dance being held on Friday evening in the CAI Building.

Irritation Can Create Life's Pearls

By ANNE HEYWOOD

They say that it's the irritation in the oyster that makes the pearl. Sometimes in our own lives, the things that irritate and displease us the most can be made to bring us pearls.

* * *

Mrs. L. is my best example of this.

Mrs. L. is now a very successful woman who raises thoroughbred dogs. She has a nice country house, a kennel, a large income and a very happy life.

But not so long ago, she was an underpaid companion to a rich woman and living a life which irritated her to death.

* * *

Mrs. L. was widowed suddenly about 10 years ago, and found herself nearly penniless. She had no skills at all for the business world, but had a good many of the so-called social skills.

LITTLE GRACES

She could run a house, supervise servants, speak French and quite probably paint china and enter a room gracefully.

* * *

You know—she had the kind of Edwardian talents which are fine when you're rich and worthless when you lose your money and need a job.

So Mrs. L. did the only thing she could do, under the circumstances. She got a job as housekeeper-companion to a very bad-tempered old lady, in a big country house.

"It was pretty awful," Mrs. L. told me. "She was a very rich old lady and all her relatives were out after her money. They used to come in droves and stay for weeks on end.

* * *

"They were the most disagreeable people, too. They ordered me around a good deal, made all kinds of impossible demands and were sickeningly sweet to the old lady whom they secretly hated.

DOGS NICER

"I used to think terrible thoughts about the whole human race and, in such free time as I had, I would take long walks with the cocker spaniel who belonged to the gardner. I used to think dogs are much nicer than people.

* * *

"In an effort to forget people, I spent more and more time learning about dogs. I finally got the spaniel bred and her pups were adorable.

"I read all the books I could find about dogs, their care, training and breeding. I began to dream of the day I would be raising dogs and spending hardly any time with people!

"When the old lady died," Mrs. L. concluded, "bless her if she didn't leave me a couple of thousand dollars. I moved away and bought a little country house of my own.

"I started my kennel with two female cockers and now I have quite a few. I love my work and, of course, I'm beginning to like people better, too. And my social life is a very happy one!"

(Copyright 1956)

For the set that dresses in denim, there's a new blue vat dye that the developer says will resist wear and wash fading.

Dangerous Psychology

Mom, Beware of Books!

DETROIT (AP)—Notice to parents who read books on child psychology:

* * *

Throw away the books and relax; you're taking your role as a parent too seriously.

This advice comes from Dr. Harry Bakwin of New York, president of the American Academy of Pediatrics and himself the author of several textbooks on child psychology.

"Parents shouldn't go around blaming themselves for every deviation in behavior or misbehavior," he said yesterday in an interview. "This has become a theme song that is having serious consequences on their children.

* * *

Parents, said Dr. Bakwin, should not read books on child psychology. But they should behave naturally and easily in their relations with youngsters and be able to call upon their sense of humor when the occasion fits.

"Psychiatrists have created a tremendous anxiety in parents," he continued. "The child who sucks his thumb is no more abnormal than the child who later chews gum or the adult who smokes."

Problems among adolescent children, he said, "are really the parents' failure to understand what goes on in that period.

* * *

"There is a place for the psychiatrist, of course, in the handling of severe emotional disorders and equally in the study of these," Dr. Bakwin said. "But we shouldn't be so quick to place a serious interpretation on everything that happens."

Mom's Disapproval Complicates Romance

By ELIZABETH WOODWARD

"Dear Miss Woodward: Mother doesn't like the boy I like. (I'm nearly 15). He walks me home from school every day and Mother says I shouldn't let him. He lives about 14 miles from my house and never comes over to see me on weekends.

"Mother says he doesn't think anything of me if he won't come over on weekends. She prefers Jim who calls me and comes over all the time.

"She tells me to go out with him. But I don't want him—I want the other boy. How can I get my folks to like him and let me go out with him?"

Answer: If only you could be left alone to cook up your own pot of soup! But there's competition from another boy, and advice from your interested mother to complicate life for you.

First thing I'd do would be to investigate the circumstances of the boy you like best. (You don't mention, incidentally, that he has ever asked you out).

Does he ever have real dates? What does he use for transportation? Can he drive a car? What does he usually do over weekends? Have a job? Do chores for his mother? Study? Play around with the boys?

A bit of background material on him (found out by subtle questions on one of those walks home) would explain his situation. Then both you and your mother will understand if the only time he can see you is after school.

Your mother prefers Jim because he's local. She knows more about him and sees him around the house more often.

Must you really decide between them? Why not enjoy them both—with your mother's understanding and cooperation?

"Dear Miss Woodward. The girl I sit with in homeroom likes and thinks she owns a boy that I like, too. He told his sister he thought I was cute and wanted to meet me, so we were introduced and I liked him right off.

"But my girl friend was really jealous. He told me she had no strings attached to him. I'd like to know how to get to be real good friends with him without losing my girl friend."

Answer: If you could only be left alone to stir up this pot without the horrible feeling that your girl friend will hate you for it! Well, you can't do too much without his cooperation.

You can be friendly and attractive to him, but he's the one who has to make the major moves. If he makes them, keep them to yourself. Don't gloat.

Wait quietly for him to make his position clear to your girl friend (if he wants to bother). If she explodes at you tell her you couldn't be more surprised—not only over his attention, but also her attitude. And isn't that just luck!

A set for the bedroom—a patchwork quilt made in the attractive Log Cabin pattern, plus a matching crocheted afghan for that '40-wink' period. Both are fascinating to make.

Pattern No. 5655 contains material requirements; pattern pieces and sew directions for quilt; crochet directions and stitch illustrations for afghan.

Send 25c in coins, your name, address and the pattern number to Anne Cabot, Pontiac Press, 372 W. Quincy St., Chicago 6, Ill.

Bake Crust, Add Topping Bake Again

Mrs. Mason's Bars Are Dreamy to Eat, Simple to Make

By JANET ODELL
Pontiac Press Home Editor

Cookie making is a never-ending job in a home where there are children, or where lunches have to be packed. Strip or bar cookies are easy to make. When made from Mrs. Patrick Mason's recipe, they're wonderful.

Mrs. Mason is active in the Longfellow PTA. She has two children in school and one at home. She also belongs to the Fashionette club. Her hobbies include crocheting and embroidering.

DREAM CAKES
By Mrs. Patrick Mason

½ cup brown sugar, firmly packed
1 cup sifted flour
½ cup butter or margarine

Mix like shortbread or pie crust. Pat into a pan and bake 10 minutes in a 425-degree oven.

1½ cups brown sugar, firmly packed
2 eggs
½ teaspoon salt
1 cup chopped nuts
1 cup coconut
1 teaspoon baking powder
2 tablespoons flour
1 teaspoon vanilla

Mix all together and pour over baked mixture. Return to oven and bake at 325 degrees for 25 minutes. Cut while warm.

Better Clothes in Store for Mrs. Consumer

EAST LANSING (INS) — Mrs. Consumer of 1956 will have a bigger choice of clothing more durable, more comfortable and more easily cared for than ever before.

Despite the number of increased price tags, Michigan State University home management experts say every shopper should be able to find clothes to fit her needs and her purse, thanks to the big variety in all kinds of material.

An MSU survey indicates that women's clothing accessories might prove a little more costly this year. But coats, suits and dresses are expected to stay at 1955 levels.

Also forecast: a hike in the price of handbags, due to higher production costs, and a price rise in gloves.

A $1 to $1.50 boost in the price of shoes can be expected this spring, the MSU study showed, but the shoe industry reportedly expects a break in prices after the first few months of the year.

Also up in price: girls' wear and infants' clothing.

Men's and Boys' clothing are expected to remain much the same in price.

You can help yourself avoid falls on icy ground by adding strips of adhesive tape to shoe bottoms.

The jumper look is simulated in this one-piece frock. Permanent pleating marks the yoke and pocket in coral cotton. Coral on white polka dots add a gay note as the inset blouse and white heart-shaped buttons trim the yoke.

Mr. and Mrs. George Keller of Riverside, Ill., announce the engagement of their daughter, Kay Ellen, to Charles Gray Robertson, son of Mr. and Mrs. Gray Robertson of Clarkston. The couple, students at Albion College have set Aug. 11 as their wedding date.

KAY ELLEN KELLER

First Methodist Church Women's Groups Meet

WSCS circles of the First Methodist Church met this past week in members homes and at the church.

Sarah Circle

"The Status of Women" was presented members of the Sarah circle by Mrs. Gerald Augsburger. The group met with Mrs. Ralph Carr of Voorheis road.

Mrs. Stanley Colby gave the devotional topic "What WSCS Membership Means to Me." A demonstration luncheon was planned for April 6.

Mrs. James Reynolds has invited the group to her home on Reynolds court for the next meeting.

Rhoda Circle

Members of Rhoda circle met with Mrs. Finis Jones of Winding drive and discussed the topic "Neighborhood Houses and Community Centers" under the direction of Mrs. George Hevel.

The next meeting of the group will be held at the Perry Ruffing home on Voorheis road.

Lois Circle

"Holy Obedience" was the devotional topic chosen by Mrs. Frank Coons when the Lois Circle met at the South Paddock street home of Mrs. A. W. Neelands for a cooperative luncheon.

The group also chose the program topic of "Neighborhood Houses and Community Centers," led by Mrs. Raymond Blevins. Mrs. Cora Emery and Mrs. Owen Morgan were guests.

The church will be the scene of the next circle meeting.

Julia Circle

Plans were made for a Lenten Dinner, Feb. 29 by members of the Julia Circle when they met in the church parlors Thursday afternoon.

Mrs. Stuart Conway directed the program on "Brotherhood" and "A Testament of Devotion" was given by Mrs. Perc Parsons.

Mrs. Ray Lemon of Judson street will entertain at the next meeting.

Leah Circle

Mrs. Bervel Anthony of South Paddock street was hostess to the Leah circle Wednesday.

Mrs. Arthur Nicholie arranged the program topic "A Crusade Scholar in U.S. Colleges" and devotions were led by Mrs. Grace Wade Smith on the theme, "Followers of Christ."

Mrs. L. A. Calvert and Mrs. Hettie Anthony were guests at the cooperative luncheon.

Mrs. Harriet Peck was a guest of the Joanne circle when they met for a dessert luncheon at the James street home of Mrs. Felix Mayo. Mrs. Bruce Granger was cohostess.

Missionary work in southeast Asia and China was discussed by Mrs. J. W. Green and the group discussed the meaning of WSCS membership.

Mrs. Claude Johnson of Cooley Lake road has invited circle members to her home for the next meeting.

Elizabeth Circle

Mary Louise Trask opened her home on Hudson street to members of the Elizabeth circle. Miss Trask also led the devotions on "A disciple's Prayer."

Mrs. George Trask, Mrs. Roy Chisnell and Mrs. J. P. Lash were guests of the group who heard Mrs. Clayton Rule speak on "God's Trees."

The Riviera terrace home of Mrs. Chester Arnold will be the scene of the next meeting.

Anna Circle

A Lenten dinner for members of the First Methodist Church was prepared by the Anna circle when they met Wednesday.

Mrs. E. H. Buddenbaum presented devotions based on the 23rd Psalm.

Mrs. John Beaudine of Avon boulevard will be hostess at the next meeting.

Mary Circle

Mrs. Edna Warden, Mrs. Lawrence Mitchell and Mrs. Blondy Vancil were guests of the Mary circle at the Tennyson avenue hom of Mrs. Guy Emery.

The Bible reading and prayer was given by Mrs. Howard Dow and Mrs. Lawrence Bergo discussed the program "Women and Workers." Mrs. LaVerne Cox also gave a solo for the group.

Mrs. Dow of Brooks street will hostess the next meeting.

Planning to Sell? Don't Redecorate

The Gas Appliance Manufacturers Association finds that contrary to popular belief, women are seldom impressed by freshly painted or papered walls in a house that's up for sale.

They prefer to pick their own patterns and colors when they move in, instead of settling for some other woman's idea of good decor. So if you're planning to redecorate in order to sell your house —don't.

Rage May Help Child to Grow Up

By MURIEL LAWRENCE

Until recently Kit and Margy, ninth grade classmates, have been best friends. Now Margy has acquired a "steady" boy friend.

* * *

Instead of Kit, it's Joe who walks home with her from school. Her weekends are filled by dates with him. Her talk, once speculation of what some dream boyfriend would say and do, is now filled with reference to what the real one has actually said and done.

Last Saturday, Margy telephoned Kit to say that she could come over to supper if she were wanted. Joe, she explained, had to break their movie date because of a cold.

Eagerly invited, Margy never arrived. Telephoned, her mother said vaguely, "Why, Joe's mother asked her over there for supper. Didn't you know? I guess she was in a hurry . . ."

* * *

To comfort Kit, her mother said, "What a way to treat a good friend like you! If this is how she's going to behave toward a girl who's as loyal as you are, you better let her go."

UNABLE TO ACT

But Kit has been unable to let Margy go. The implanted vision of herself as an unappreciated but devoted friend to Margy has made it impossible.

* * *

The belief that she cherishes Margy when in fact she feels fury at her forces her to continue to depend on the other girl for all her companionship—and exposes her to increasing snubs by Margy that naturally increase her rage.

In these situations, we do not comfort children by endowing them with noble feelings toward the ungrateful friend. For Kit needs to be made aware of her critical indignation with Margy so she'll be freed from the need to cling to her—and begin the development of critical judgment for wiser friendships.

Let me pass on these illuminating remarks on the function of anger by Dr. Erich Fromm. Writing in his book, "The Forgotten Language," he says:

"If rage is permitted to be felt consciously, it can be the basis for healthy rebellion; it can lead to a reorientation in terms of self-assertion and, eventually, to freedom and maturity. Once this aim is reached, the rage will disappear. Thus, rage is sometimes a necessary step in the healthy development and is not irrational."

* * *

We are seduced, the Bible says, by those who cry "Peace!" when there is no peace. We are equally betrayed by those who credit us with kindness not yet developed.

Don't Visit Unless You Are Invited

Man's Family Will Criticize Girl Who Comes Unasked

By EMILY POST

The following letter comes from a young girl who asks: "Would it be wrong for me to go with a very good friend to spend the weekend with his relatives? They live in a fairly nearby town. He says they have asked him to bring me, but I have not had an invitation directly from them, and Mother is reluctant to let me go."

Answer: Your mother is quite right, and you should not go without a personal invitation from his relatives. It would be very cheap to be just "brought along" by him and there is no excuse for their not telephoning or writing you a personal note — unless of course your engagement has been announced and they wrote to you or came to see you at that time.

But to go to the house of people whom you do not know, or to the house of one who has never invited you before, would be to earn their criticism.

"Dear Mrs. Post: My mother passed away quite suddenly three weeks ago. My husband's company is giving a dinner for the employes and their wives next month. We had planned on going to this dinner, but now that my mother has died I think it would be improper for us to go. What is your opinion?"

Answer: If it is a personal pleasure you would not go. But if it is to your husband's advantage to be present at this dinner, you would put aside your personal feelings and go.

"Dear Mrs. Post: My son, who has been serving with the armed forces overseas for the past year, will be coming home shortly on a furlough and I'd like to give a party for him if it would be proper. If it is, will you please tell me what type of party would be best to give?"

Answer: A dance if possible. Otherwise a big buffet supper would be most suitable to give.

Ashes hold rust-causing moisture, so they should be removed from furnace and fireplace regularly.

FLUFF-DRY SERVICE
Yes, if she does the family laundry — she spends up to 10 hours a week washing and ironing. Because if you're a typical family of 4, we can do it for only $3.60 (including 6 shirts). And what a wonderful feeling to turn it over to Careful Dan and enjoy deluxe laundering. Every piece gets many gentle sudsings and rinsings in sparkling soft water. Heavy pieces are skillfully ironed — shirts are beautifully finished. So give her more leisure and free her of the weekly drudgery of washing and ironing. 3b cents an hour will do it for her. OK New Batch of Salk Shots

Public Health Service Releases 967,500 Polio Vaccine Units

DETROIT (AP) — A batch of 967,500 shots of Salk Polio Vaccine manufactured by a new process by Parke, Davis & Co. of Detroit has been released by the Public Health Service.

The agency also announced Saturday the release of 751,275 shots made by Wyeth Laboratories of Marietta, Pa.

Limited quantities of the new vaccine will be available.

No Parke Davis vaccine had been released until Friday since safety standards were revised last May. Parke Davis said it voluntarily withdrew from manufacture to undertake development of a vaccine by a new process.

The process involves inactivation of polio virus through ultra-violet irradiation in combination with formaldehyde. Irradiation is accomplished with a mechanical sterilizer developed by the late Dr. S. O. Levinson and Dr. Franz Oppenheimer, both of the Michael Reese Research Foundation of Chicago.

Fire Losses Lessen

GRAND RAPIDS (AP)—Fire Chief Frank H. Burns reports the city's fire losses for 1955 broke down to $2.56 per resident, lowest figure in five years. The report noted that Grand Rapids in 1934 recorded a fire loss figure of only 42 cents per capita.

FINALLY—AN ELECTRIC TRAIN—Margaret Truman, daughter of former President Harry S. Truman, holds a toy electric locomotive as she tells newsmen she had wanted one when she was eight years old, but got a piano instead. AP Wirephoto

Aircraft propeller blades are usually made of hollow forgings of alloy steel containing one to 2 per cent nickel.

None Injured in Air Mishap

15 Passengers Unhurt as Plane Crash-Lands Amidst Snowstorm

MOSCOW, Idaho (AP)—Fifteen persons aboard a West Coast Airlines DC3 escaped serious injury last night as the plane crash-landed in the midst of a snowstorm.

* * *

The plane landed on a hill, about three miles northeast of the Moscow-Pullman Airport. The pilot, A. H. Whitbead, and Dr. D. M. Loehr, a Moscow physician who was on the plane, walked to a nearby farm house.

* * *

Merrill Boyd, who lived at the house, went to the scene with his tractor and brought five women passengers to the road, where an ambulance picked them up. The passengers were taken to a Moscow hospital for a checkup. All but three were released and sent to a hotel for the night.

One passenger, Donald Cissal, Idaho Falls, said, "The landing was a bit bumpy but it wasn't bad. Neither of the wings dug in. The ship came in on its belly."

The Department of Agriculture reports that 58,516 of the nation's schools are participating in the special school milk program this year, a gain of 41 per cent from the number taking part last year.

Spring Tests of AEC Will Stress Defense

WASHINGTON (AP) — Chairman Lewis Strauss of the Atomic Energy Commission says tests this spring will put emphasis on defensive nuclear weapons "designed to blunt an attack."

He said such devices could include "weapons against incoming planes or an incoming missile." Eventually, he said, he hopes the atomic program will include weapons for "all kinds of defensive purposes—except hand grenades."

The AEC has said it will conduct tests at its Pacific proving ground this spring. No date has been announced.

Ceylon will exploit its ilmenite sands.

Three Issues Face Voters in City Primary

Election to Resolve Dispute Over Parking Space Proposal

Petition Forces Vote on Issue

Approval Would Mean Addition of 624 Stalls in Off-Street Areas

Do Pontiac citizens need more municipal parking lots?

This question, which has been the topic of a two-month debate, is due for settlement March 5 when voters cast ballots for or against a $600,000 municipal parking revenue bond issue.

The vote is the result of referendum action taken by an opposition group headed by Sam L. Stolorow, manager of Pontiac's Outdoor Parking Co. Some 9,900 signatures were obtained on 396 petitions last December.

On Nov. 22, the City Commission unanimously adopted ordinance 1292 authorizing a revenue bond issue to finance the $600,000 municipal parking project.

* * *

If approved by the voters, the program will add 624 off-street parking meter stalls to the city's present capacity of 413.

The major facility of the proposed four-lot program will be a three-part 328-car lot serving the north end of the downtown shopping district. It will be in the Lafayette-Wayne . Pine . Jacokes area handy to North Saginaw street and Oakland avenue stores.

A 148-auto unit on W. Lawrence street, between Lawrence and W. Pike, will be the second largest lot. An area on W. Lawrence at the foot of Wayne will furnish spaces for 81 vehicles.

* * *

Proposed Lot No. 4 will be located on Auburn avenue east of Saginaw and will be state owned and leased at $120 a month.

The city treasury will provide for $33,447 of the expansion cost of the program.

On Dec. 13, Commissioner John A. Dugan condemned the action of the opposition circulating the petitions. He charged citizens were being "scared" into signing petitions because of fear of increased taxes if the program went through.

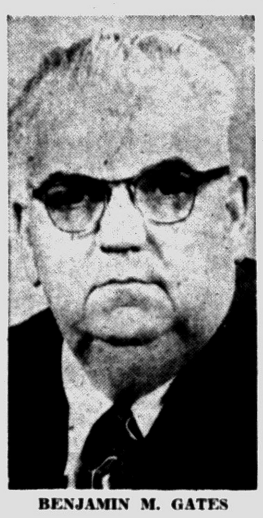
City Manager Walter K. Willman explained to citizens that the ordinance shows that the program will not cause a boost in city taxes.

"The bonds shall not be a general obligation of the city and shall not be an indebtedness of the city within any state constitutional provision or statutory or charter amendment," he said.

"The principal of an interest on said bonds shall be paid solely from the net revenues derived from the operation of the system, including future improvements, enlargements and extensions thereof."

* * *

Speaking before a meeting of the Pontiac Real Estate Board Feb. 6, two top private parking lot operators warned of the "municipal intervention into the free enterprise system of the parking industry."



BENJAMIN M. GATES

ROBERT LANDRY

GILBERT W. LONG

VICTOR L. SMOTHERS

Lutz Bows Out, Leaves Field to 4 in 7th District

A former commissioner of three terms experience will be vying along with three other candidates for the District 7 seat which will be left vacant by Commissioner Harry W. Lutz.

Nomination petitions were filed this month by former Commissioner Benjamin M. Gates, 63, of 389 Whittemore St.; Victor L. Smothers, 37, of 154 Perkins St.; Robert Landry, 42, of 47 Center St.; and Gilbert W. Long, 41, of 139 Prospect St.

Gates represented District 7 from 1946 to 1950 and in May, 1951, was appointed to fill the vacancy left by the late Commissioner Neil J. Elliott.

He served his third term after being elected in 1952 but was defeated by present Commissioner Harry W. Lutz in the 1954 balloting.

Smothers also was defeated by Lutz in 1954 for the same commission post. The candidate is a custodian for the Board of Education. He was formerly employed by General Motors Truck and Coach Division.

The World War II disabled veteran has been a resident of the city since 1929 and is a member of the Pontiac police reserve.

Coming to Pontiac in 1930, Landry for the past 20 years has served in the production control division of Fisher Body.

He is past Grand Knight of the Pontiac 600 Knights of Columbus chapter, and presently a member of Pontiac Elks 810.

The fourth candidate, Long is a native of Pontiac and was educated at Pontiac High School.

He was employed for 15 years by Fisher Body and the Yellow Truck and Coach Co., and is a former real estate and insurance salesman.

District 7 voters must select two of the four candidates for nomination to the April ballot.

3 Michigan Youths Killed in Stolen Auto

BOWLING GREEN, Ohio (AP) — Three teen-aged Michigan boys died Saturday night when the stolen car in which they were riding overturned into a water-filled ditch four miles north of Bowling Green.

The state highway patrol said the automobile was reported stolen less than a half hour earlier at Napoleon, Ohio, about 20 miles east of the accident scene.

* * *

Police identified the victims, all of Monroe, as John William Cloum, 15; Harold Lintz, 16, and Ford Bryant, 13.

The highway patrol said the boys apparently missed a curve and went off the road at the junction of Ohio 110 and 64.

Lost: 1 Year's Rain

TOPEKA, Kan. (AP) — Lost: One year's rain in Kansas.

The weather bureau says a four-year-drought, among the worst in the state's history, now has cost farmers a year's normal precipitation.

Kansas is the nation's leading winter wheat producer.

Ask Pay Boost for Commission

Would Raise Salaries to Maximum of $1,300, Mayor's to $2,000

A charter amendment allocating increased pay for city commissioners and the mayor will be the second issue on the primary ballot March 5.

The amendment was proposed by the Citizens Compensation Committee composed of three former Pontiac mayors and two past commissioners.

The amendment calls for commissioners, except the mayor, to receive for each official meeting $25, not to exceed $1,300 in any one year. The commission meets weekly.

Commissioners presently receive $5 a meeting, up to $300 a year, as provided by the city charter of 1920.

Under the proposed amendment, the mayor would be paid $2,000 a year based on 12 equal installments for each calendar month. He presently receives the same pay as the rest of the commissioners.

As it will appear on the ballot, the charter amendment will read: "Each commissioner except the mayor shall be paid the sum of $25 for every official meeting of the Commission attended by such member.

"No member of the Commission shall receive more than $1,300 in any year except the mayor who shall be paid $2,000 only per annum in 12 equal monthly installments at the rate of one installment for each calendar month."

Voting Machines Ready by July

Trend Continues for Mechanical Units in Oakland Precincts

Pontiac voters again will use paper ballots in the coming March election and also in April. The 80 voting machines which the Pontiac City Commission has ordered for a year's trail will not be ready before the August primary.

The new machines are expected to be delivered by July 1, allowing a month for demonstrations and an educational campaign to acquaint voters with their use.

In the meantime the trend to voting machines in the county continues. Farmington recently ordered eight machines, and the City of Sylvan Lake has just ordered two machines.

Only a few spots in the south part of the county, and several of the less populous townships in the extreme north end of the country are now without machines or without machines on order.

All machines now onwed or ordered for Oakland County precincts are of the same type, made by the Automatic Voting Machine Co., of Jamestown, N.Y.

On these machines the names of candidates are on horizontal strips across the face of the machine.

Another type of machine, not in use here, has the party ticket presented vertically.

Define Locations of 44 Precincts

Registration Cards Tell Voters Where to Cast Election Ballots

The location of the city's 44 precincts is listed here for the reference of all Pontiac voters.

* * *

Individual registration cards indicates in which precincts voters are registered.

1—Whittier School; 2—Fire Station 2; 3 and 38—Bagley School; 4—Emmanuel Christian School; 5, 39 and 40—Washington School; 6 and 9—Senior High School; 7—Stevens Hall; 8, 31, and 41—Webster School; 10—Crofoot School; 11—Oakland County Office Bldg.; 12—Wisner School.

Others are: 13 and 14—Lincoln School; 15 and 42—Owen School; 16 and 35—LeBaron School; 17—Emerson School; 18—Fire Station 4; 19—St. Michael's Hall; 20—Y.M.C.A.; 21—Central School; 22—City Hall; 23—Eastern Junior High; 24—Longfellow School; 25 and 26—McConnell School; 27, 28, and 29—Wilson School; 30—Congregation B'nai Israel; 32—Weber School; 33—Naval Training Center; 34—Pontiac Housing Bldg.; 36 and 37—Jefferson Junior High; 43—Malkim School; and 44 at Baldwin School.

Precincts by District

For the benefit of all Pontiac voters, the Press lists the city's precincts and the districts in which they are situated:

* * *

District 1—1, 2, 3, 34, 36, 37, 38.
District 2—4, 5, 8, 39, 40, 41.
District 3—6, 7, 9, 10, 11, 30, 31.
District 4—12, 13, 14, 15, 32, 42, 43, 44.
District 5—16, 17, 18, 19, 35.
District 6—20, 21, 22, 23, 24.
District 7—25, 26, 27, 28, 29, 33.

New Device Adds Life to TV and Radio Tubes

CHICAGO (AP) — Now available for your television set or radio is an easily attached electronic gadget to absorb the initial high surge of power that goes through the tubes each time the set is turned on.

By relieving this strain, the device reportedly makes tubes last up to nine times as long as usual.

Second District to Select Two From Ticket of Three

The newest member to the present City Commission, District 2 Commissioner Philip E. Rowston, will attempt to hold his post as two candidates seek to unseat him.

* * *

Rowston, 34, of 24 Utica Rd. is entered in the District 2 race against Frank O'Brien, 53, of 30 N. Telegraph Rd., and William G. Spence, 50, of 1034 Canterbury Dr.

Rowston, a partner in the law firm of Beer, Rowston, and Currah, was appointed to the commission July 5, 1955 to fill the vacancy left by the resignation of Harcourt S. Patterson.

The incumbent was admitted to the bar in December, 1953, and received his law degree from the Detroit College of Law in June, 1953. He is a member of the Pontiac Real Estate Board and just recently was named to the Oakland County Tax Allocation Board.

O'Brien, a barber of 32 years experience, came to Pontiac in 1925 from Pierre, S.D. where he was born.

He is a member and past vice president of the State Barbers Assn., a member of Webster School PTA, and St. Benedict Church. This is his first bid for election.

District 2 hopeful Spence is the owner of a used car business in the city and came to Pontiac 28 years ago from Duncan County, Mo. where he was born and educated.

* * *

He studied at the General Motors Institute in Flint and is a member of the Pontiac Chamber of Commerce.

* * *

District 2 voters must mark an "X" for two of the three candidates for nomination to the April ballot.

DR. ROY V. COOLEY

ANDREW A. McCASKILL

DAVID SIMMONS

SAMUEL J. WHITERS

First District With Five Leads in Total Aspirants

The District 1 race for a place on the April 2 ballot will be between five candidates, the largest number to file in any district for the March 5 primary.

Included in the group is the incumbent seeking a third term and a former commissioner from the district seeking another seat. Also included is one hopeful that made an unsuccessful bid in 1950 and two newcomers in the political ring.

The candidates are: Commissioner Dr. Roy V. Cooley, 36, of 441 Bartlett St.; Andrew A. McCaskill, 53, of 226 Fisher Ave.; John B. Woodward, 52, of 153 Wessen St.; Samuel J. Whiters, 43, of 453 Harvey St.; and David Simmons, 36, of 296 Fern St.

Cooley was elected commissioner in 1952, reelected in 1954, and has lived in Pontiac since 1927. A graduate of the University of Michigan Medical School, he has been practicing in the city since 1947.

* * *

The doctor is a member of the Oakland County Medical Society, American Medical Assn., Neopolitan Club, REMA Club, N.A.A.C.P., and the Pontiac Chamber of Commerce.

McCaskill, a dry cleaning store owner, served on the 1950-52 City Commission and was defeated by Cooley for reelection in 1952. He came to Pontiac in 1926 and served eight years on the Oakland County Board of Supervisors.

The former commissioner is vice president of REMA Club, former president of N.A.A.C.P., and a member of the Pontiac Chamber of Commerce.

Woodward, a barbecue owner, made a bid for the same post in 1950 and was defeated by McCaskill. He came to the city in 1926 and serves as a bondsman for Oakland County.

He is credited with organizing the Negro National Mayors, the Mellow Lane Club, REMA Club, and has been very active in the Independent Voters Club.

A resident of Pontiac since 1918, Whiters is bidding for a District 1 seat for the first time. An electrical contractor, the candidate owns an electrical firm in the city.

He is a member of the Urban League Board of Directors, N.A.A.C.P., chairman of the membership committee of REMA Club, the Whittier School PTA, and the Oakland County Electrical Contractors Assn.

The fifth candidate, David Simmons, is a native of Pontiac. He is employed by the Pontiac Board of Education.

He is president of the Neopolitan Club, Southside Community Club, North Oakland County Young Democratic Club, and a delegate to the state Central Democratic Committee of Michigan.

2 Newborn Triplets Die

GRAND RAPIDS (INS) — Two of triplet sons born Thursday night to Mrs. Frank L. Slaymaker of Grand Rapids died yesterday and the third was reported in only fair condition. The babies were two months premature.

Sixteen to Seek 8 Nominations

Four Districts to Decide Commission Candidates Here Next Week

Questions of increased municipal parking for the city, nomination of eight candidates from four districts for the 1956-57 City Commission, and a pay hike for the commissioners will confront Pontiac voters Monday, March 5.

Polls in the city's 44 precincts will open at 7 a. m. and close at 8 p. m. for city primary.

Voters will be asked to either vote for the issuance of $600,000 worth of revenue bonds or against the issuance of said bonds which would provide 624 additional 5-cent-an-hour parking stalls in four new municipal lots.

After the passage of the ordinance Nov. 22 by the City Commission, an opposition group received sufficient signatures to a petition to force a referendum decision on the issue.

On the second question, voters in Districts 1, 2, 4, and 7 must decide on two City Commission candidates to be placed on the April 2 general election ballot.

Under the City Charter, no primary vote is necessary for candidates in Districts 3, 5, and 6 for only two nominating petitions were filed in each of these three districts.

The second issue facing voters in the primary will be an amendment to the City Charter proposing pay boosts for the mayor and commissioners.

The amendment was based upon a recommendation by a Citizens Compensation Study Committee formed in August 1955 and composed of three former mayors and two past commissioners.

Canadian Cars to Soar

TORONTO (AP) — Canada can look forward to having 10 million motor vehicles in operation by 1975, C. W. Gilchrist, managing director of the Canadian Good Roads Assn., says this would represent an increase of 2½ times in vehicle registrations over the present number of some 4 million.

Incumbent, Three Others, Seek Posts in 4th

District 4 voters must select two nominees from among four candidates that have filed nominating petitions seeking seats on the 1956-57 City Commission.

The candidates are: Incumbent Floyd P. Miles, 47, of 103 Summit St.; Basil W. Toles, 42, of 794 Orlando Ave.; Norman R. Bolton, 45, of 100 W. Hopkins St.; and Louis H. Biles, 65, of 836 Sarasota Ave.

Commissioner Miles has been a resident of Pontiac since 1912 and is president of the Christian Literature Sales Co. He is seeking a second term from this district.

He attended the Business Institute of Pontiac and is currently president of the Christian Men's Club. He is active in the Wever-Owen-Hawthorne Community Club and a member of the Chamber of Commerce.

* * *

Toles, an employe of the Motor Car Transport Co., is seeking a position on the City Commission for the first time.

He has lived in Pintiac since 1919 and is a war beteran of four years with the Seabees. He is a member of AFL Local 575, the Pontiac Democratic Club, and the Eagles, 1250.

The third candidate from district 4, Bolton has lived in Pontiac and his district since 1929. He is presently employed in the maintenance department of Fisher Body Division.

Bolton organized the Democratic Club of Pontiac and served two years as president of the organization. He has been a member of Fisher Local 306, UAW-CIO for 19 years and is a delegate to the State Democratic Convention, representing precinct 42 of District 4.

Biles, a city resident since 1941, is a salesman for the Wyman Furniture Co. He was unsuccessful in bids for city constable in 1948 and 1950.

He attended the California Teachers' College for two years, and is a former steward of Local 658 of the old Wilson Foundry. He is a former justice of the peace, a capacity he filled for 18 years.

Two of the four candidtaes must be nominated by District 4 voters for a place on the April 2 municipal balloting.

Ship Weapons Most Powerful

Navy Installing Highly Destructive Units, Says Operations Chief

CHARLESTON, S. C. (AP)—Adm. Arleigh Burke, chief of naval operations, has said that "the most powerful, most destructive weapons of the age are being installed on board ships in increasing numbers."

* * *

The Navy "is hard at work on new developments," Burke said, adapting nuclear power to ship propulsion and creating both carrier-based aircraft and seaplanes which he said are "moving rapidly into the supersonic era."

In an address prepared for The Citadel, famous Southern military school, Burke did not spell out in detail his reference to the powerful weapons installed aboard ships.

Burke warned of the progress of Russia, in seapower and atomic power. He said:

* * *

"The United States, as you know, does not have a monopoly on nuclear developments. Nor is the United States the only nation in the race for sea supremacy. The Soviet navy is and has been engaged in an unprecedented shipbuilding program. The soviets have also made significant progress in the field of nuclear energy. Some of their progress has surprised us in the past. We could be surprised again."

* * *

Burke reported that the Navy is shifting from guns to guided missiles for antiaircraft defense and "developing surface-to-surface missiles that will increase our long-range offensive capacilities."

He also claimed that "we now have the fastest operational fighter in the world." He did not specify the plane.

Travelers are now permitted to take 400 duty-free cigarettes into the federal Republic of Germany.

Salesman Keeps Pledge and Packs Texas Church

DALLAS, Tex. (AP)—Although few of the invited celebrities came, salesman Kenneth Ritchel kept his promise to fill the First Methodist Church for the Sunday evening services.

* * *

Ritchel took it on himself to get more people to attend the services. Going on the theory that almost everyone will come to church if someone invites them, he invited members of all denominations, entire clubs and a whole host of celebrities.

He received thanks from such persons as President and Mrs. Eisenhower, Gov. Allan Shivers, State Atty. Gen. John Ben Shepperd and showman Arthur Godfrey.

Ritchel estimated that more than 2,700 persons showed up. If extra chairs hadn't been available, there would have been standing room only.

* * *

Nearly everyone in town heard of Ritchel's challenge to himself to pack the church. He used prayer, persuasion, personal letters and invitations.

Newspapers, radio and television helped spread his invitation to "come fill your cup with good fellowship."

The entire congregation sang the Lord's Prayer at Ritchel's request.

Car salesmen along the nearby "automobile row" listened with interest. Earlier, one car dealer had asked passers-by, "Are you going to help fill the church?"

* * *

Dr. Robert E. Goodrich Jr., pastor, presented Ritchel with a hymnal. Ritchel thanked everyone for coming, invited them back and said:

"When you tap the resources of God, nothing is impossible."

Robbing of Churches —That's His Career

LOS ANGELES (AP)—A man arrested at a church on suspicion of burglary was quoted by police:

"Every time I pass a church, I get the urge. I always break into churches. It's my lifelihood. I never rob anything other than churches."

* * *

Police said Wesley S. Pond, 38, served a year and a half in San Quentin Prison in 1951-52 for church burglaries and another six months in the county jail last year for the same offense. Since his release Dec. 20, detectives quoted him, he has burglarized 10 more churches.

You Never Can Attract Attention When Needed

LOUISVILLE, Ky. (AP) — Gordon Hamilton, 27, came roaring into downtown Louisville at 70 miles per hour, but, as luck would have it, there wasn't a policeman in sight.

Hamilton said he was trying to attract attention because a young hitchhiker had pulled a piece of pipe from his pocket. The youth took $4 from him when he was forced to stop at a traffic light.

Iron and steel products now have displaced cotton fabrics as Japan's top export commodity.

3,050 feet in a natural cave at Greennoble, France.

TOPSY-TURVY — An upside-down view of things is taken by the harpy eagle at "Birds of Prey" farm near Ocala, Fla., which has cooperation of the University of Florida.

Schools to Consolidate

LELAND (AP) — The Leelanau County school districts of Empire, Glen Arbor and Centerville have voted to consolidate. Spokesmen expected a board of education for the new district—which carries a state equalized valuation of $7,718,000—to be named within seven days. The new board will plan for a high school, select a site and prepare financing measures.

The potential of Australia's fishing industry exceeds that of South Africa, Jason Gurney, food technologist for South African fish firms, said in Adelaide after a study of fish resources.

Pooch Woofs It Up on First Birthday

LOS ANGELES (AP)—Cyrano, Cecil, Clem, Gillie, Harry, Mickey, Molly, Jaycee and Rockett got together for a birthday party yesterday.

Blossom, a basset hound, was 1 year old, and owner Ellen Weisman invited her pet's basset friends to the back yard festivities. The guests also included Blossom's sextuplet brothers and sisters, Bonnie, Grock, Max, Duchess and Joie; the parents, Pierre and Bon Bon, and a Chihuahua named Chi Chi.

The only untoward incident occured when one of the dogs' owners saw her small son sitting at a table, helping himself to some goodies from a paper plate marked "Cyrano."

"David!" she shrieked. "Stop eating that! That's dog food!"

More Comfort Wearing
FALSE TEETH
Here is a pleasant way to overcome loose plate discomfort. FASTEETH, an improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No gummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug counter

General Howley Bares Fantastic Red Plot for Turmoil in North Africa

(Brig. Gen. Frank L. Howley, famed soldier-diplomat who was American military governor of Berlin for four critical years, has just returned from a tour of the world's trouble spots in North Africa, Spain and France. He interviewed top American, French and Spanish officials and native leaders in North Africa; he obtained copies of secret orders to Communist agents there. Howley also interviewed Generalissimo Franco of Spain and well-informed officials in France to bring you an authorative report on an area of vital interest to Americans. This is the first of six articles.)

By BRIG. GEN. FRANK L. HOWLEY, U. S. A. (RET.)
Vice Chancellor, New York University

NEW YORK (INS)—Run a line from Paris to Gibraltar to Tunis and it forms a "V."

This is the "V" which had better stand for victory during the cold war, or it will stand for defeat in the hot war.

Russia knows this and is busy, with Egypt's help, winning the cold war by creating terror and chaos in North Africa.

Rifles and grenades are being smuggled into the battle area. Organizers from Egypt's best schools, military and political, are being trained and sent into Algeria, Tunisia and Morocco.

I have a confidential document sent by the Algerian governor general to a Paris Cabinet member. It says:

* * *

"It is at Cairo, in accordance with instructions from the chief of government and from the Council of the Revolution, that there is in operation a special service of the Egyptian army charged with a section concerned with directing, recruiting, paying and issuing of passports for agitators belonging to the separatist movements of French North Africa.

HEADQUARTERS COMBINED

"These commandos of North Africa, formed in Egypt, trained in the Casserns of the Egyptian army, constitute a headquarters composed of Algerians, Tunisians and Moroccans.

American air bases to defend the western Mediterranean and vital parts of Western Europe are strung along the "V" from Paris to Gibraltar to Tunis.

You hear much talk about the African area in the political revolving doors of Paris, and in the United Nations Debating society.

But if we are to win here and safeguard our civilization we had better hang up our halos and put on our thinking caps.

I asked Generalissimo Francisco Franco and his ministers what they thought of the situation. I asked French leaders their plans. I talked with French colonials, and with Arab leaders. I discussed the problems with U. S. base commanders.

EACH PART DIFFERS

What I found, aside from Communist intrigue, is: Each of the major parts of North Africa is different. Each presents a different problem. Only the Moslem hate of the non-believer unites one side, and the civilization of Europe unites the other.

This 621-mile northern coast of the Dark Continent has been washed by the blood of the Neanderthal man, the Turk, Berber, Arab, Roman, Greek, Phoenician, Vandal and others.

The communists want a solution tried in a hurry. That will be no solution at all. It will create the breakdown of authority and the establishment of confusion.

Communism is no threat in Spain. Franco—and the people—have seen to that. In France there is a threat with the local Red Party having more than a quarter control of the French National Assembly.

ACTIVE IN AFRICA

Soviet diplomacy is very active in North Africa. The Communists are stirring up trouble in Morocco, but aside from a few assassinations they have made little obvious progress.

Inflammatory advice has produced massacres in Algeria.

Near the village of Philippeville last August, mountain men, enraged by propaganda, swooped on the village and killed every member of 50 French families working at the mines. Throats were slit, bodies butchered.

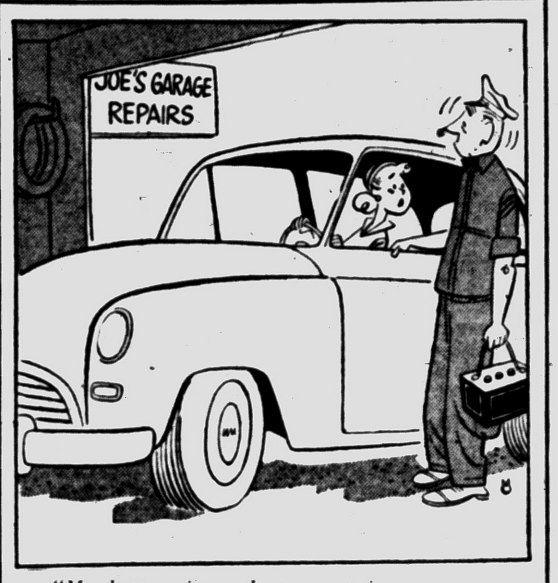
The newspaper "Liberte," published in January, 1956, and entitled the "clandestine organ of the Communist Party of Algeria, issue No. 6," says:

"It is no sensational revelation that from the first days of the insurrection the Communists of the Aures and of the south of Constantine engaged in the armed combat which since the beginning has taken in that region the character of a great popular battle of the masses. Many of them have fallen gloriously on the field of honor of liberation—such as Hamma Lakhdar, fallen in the region of Sidi Aoun . . ."

(Tomorrow: Algeria, A Witches' Brew.)

(World Copyright, 1956)

"CREEPY-PEEPY" IN ACTION — The Army's new hand-held TV camera and portable transmitter, which can provide frontline pictures to command posts, is demonstrated above in Washington, D. C. Called the "creepy-peepy," the TV outfit is said to produce a picture equal to or better than commercial television. The camera will take a picture from a mile away and relay it to a receiver a half mile to the rear. The receiver will then relay the picture to commanders' headquarters.



"My battery is weak . . . put in a new one . . . I don't want a dead battery smelling up my motor."

Science Develops New Tablet:

Relieves "Hot Flashes," Irritation From Change-of-Life For 8 of 10 Tested—Without Costly Injections

Boston, Mass. (Special)—Medical science now offers women new freedom from much of the miseries of change-of-life! You no longer have to face those years with dread. Today, you can have relief from "hot flashes," tortured nerves and other functionally-caused distress . . . thanks to a remarkable tablet developed *especially* to relieve these discomforts. Doctors report amazing results using this home treatment alone . . . and *no* expensive injections.

Irritability was calmed. Dizziness was relieved. Suffocating heat waves subsided. A feeling of "well-being" returned for woman after woman. 8 out of 10 women tested found complete or striking relief!

Unlike aspirin and "general-purpose" remedies, this new formula is a unique combination of special medicines . . . that acts directly on the *cause* of these troubles. The new tablet acts through a woman's sympathetic nervous system to relieve the tense feelings and physical distress that have brought unhappiness to so many homes. Clinical tests prove it has positive medical action.

This amazing formula is now sold at drug stores, without a prescription, under the name of "Lydia Pinkham's Tablets." Developed by the world's largest manufacturer devoted *exclusively* to women's ailments! Easy-to-take, contain blood-building iron.

If you are going through change-of-life, don't let it rob those years of joy. Start taking Pinkham's Tablets at home today. See how fast you can feel your happy self again—without troublesome injections! (Also liquid Lydia E. Pinkham's Vegetable Compound.)

Sylvan Lake OKs Rental of Two Voting Machines

The rental of two automatic voting machines at a cost of $150 per machine, was approved recently by the Sylvan Lake City Council.

It is expected that the machines will be ready for the August primary election.

In other city affairs, City Manager Ernest L. Ethier warned Sylvan Lake taxpayers that Wednesday, Feb. 29 is the last day to pay July and December taxes at the City Hall.

On March 1, all unpaid taxes will be sent to the Oakland County Treasurer's office where penalties are added to the delinquent taxes.

Tomorrow is also the last day to register for the special election scheduled for March 29 at which time voters will be asked to vote on the Consumers Power Co. franchise request with the city.

Registrations may be made from 8 a.m. to 8 p.m. at the City Hall, Ethier announced.

Ethier also warned city dog owners that after Feb. 29 the fee will be increased $1 on all 1956 dog licenses. A certificate of rabies vaccination must accompany the application, Ethier added.

A traffice signal was recently installed at Orchard Lake and Middlebelt at Inverness, after the Sylvan Lake City Council's request to the State Highway Dept. was approved.

In other business, the Board of Review will meet March 6 and 12 to review assessment rolls with property owners, Ethier announced. The hearings are slated for the City Hall from 9 a.m. to 12 noon and from 1 p.m. to 4 p.m. on the above dates.

Penalty on City Tax Begins on March 1

The last day for paying 1955 city, school and county taxes is Wednesday, Feb. 29, City Treasurer Walter A. Giddings announced.

After that date, all unpaid taxes must be paid at the Oakland County Treasurer's office along with installments on special assessments.

On March 1, a four per cent collection fee will be added immediately by the county and one-half of one per cent additional each month thereafter until sold at the annual tax sale for 1955 taxes.

Giddings also said that payments made in March at the county office must be accompanied by a statement from the Pontiac city treasurer's office.

Personal property taxes are not returnable to the county office and must be paid at the city office by Feb. 29, Giddings emphasized.

Survey Shows Firemen Leading Double Lives

NEW YORK (INS)—Fire Commissioner Edward F. Cavanagh has discovered almost half the city's 11,600 firemen are leading double lives.

A questionnaire sent out to the city's hook and laddermen revealed that before and after hours, firemen hold an assortment of jobs ranging from clam digging, banana handling to undertaking.

Cavanagh said ambitious firemen also worked as lawyers, bartenders, investigators, salesmen, paperhangers, taxi drivers, sextons and pharmacists. There are ten butchers, one candlestick maker but no bakers.

Las; German Boats Go

HAMBURG (AP)—Germany's last two big sailing vessels have been bought by a foundation backed by several leading German ship brokers. The two four-masters, chartered for cargo shipments between Latin America and West Germany, are among the few remaining sailing ships in transatlantic use.

Radiation Detector Screams Warning

WASHINGTON (AP)—Development of a new pocket radiation-detection device which screams if you're exposed to radiation beyond a certain level was disclosed today.

The existence of the "radiation pocket screamer" became known when the Atomic Energy Commission announced release of the patent on it and 39 other devices and processes in the atomic field.

* * *

Invention of the "screamer" was credited to F. M. Glass of the staff of the AEC's Oak Ridge, Tenn., national laboratory.

The small, pocket-sized device was originally designed for use by atomic workers, but presumably has potential value for civil defense work. It operates this way:

Before you enter an area where there might be radiation, you adjust a dial to a dosage level which you feel will be safe.

* * *

The tube has a chamber for detecting radiation, and when the total dose received by the bearer reaches the pre-set level, a current is sent through an electronic tube. This sets off a high-pitched buzzing that can be heard for 30 or 40 feet.

Hotel Heat Restored

HILLSDALE (AP)—After two weeks without heat, Hillsdale's principal hotel, the Keefer, is operating normally again. A new boiler was installed to replace one which broke down Feb. 11. During the "deep freeze," transients were turned away but permanent residents stayed on, using portable stoves and heaters.

Walt Disney's True Life Adventures

Ever since 1935 salaried workers have suffered an over increasing reduction in their standard of living, the Irish Conference of Professional Associations was told in Dublin.

Arab Confab Plans Mounting

Slated Talk on Israeli Issue Fired by Syrian Move to Aid Jordan

AMMAN, Jordan (AP)—Moves for a summit conference of Middle East Arab states next month on the burning Israeli issue gained momentum today with word that Syria had joined Lebanon and Iraq in supporting the Jordan proposal.

* * *

In another weekend development in the tense Middle Eastern area, Iraq offered Lebanon and Syria "any military aid that they may ask" to block Israeli diversion of the Jordan River.

* * *

King Hussein of Jordan proposed the conference of Arab heads of state to plan a united defense against any Israeli aggression. He suggested Amman as the site.

A Jordan spokesman said Syrian Presiden Shukri Kuwatly had accepted. Earlier, Jordan Premier Samir Rifai said he had received written acceptances from Lebanon and Iraq.

* * *

Rifai also said Premier Gamal Abdel Nasser of Egspt supported the idea with reservations provoked by Iraq's membership in the Western-backed Baghdad Pact.

JERUSALEM, Israeli Sector (AP)—An Israeli army spokesman said Egyptian outposts in the Gaza Strip fired across the armistice line at Israeli patrols seven times Saturday and yesterday. Israelis returned the fire six times.

An Israeli patrol drove back two infiltrating bands in the Raza Strip Friday, the spokesman said, adding that Syrians on the same day fired on Jewish fishermen in the Sea of Galilee area without causing casualties.

'Trial Run' for Bugs

GRAND RAPIDS (AP)—A company wishing to test a new insecticide has been welcomed to give it a trial run in the cockroach-ridden city hall basement. W. W. Joy, director of Environmental Health, said the city never has been able to eliminate the insects from the old building.

Shakeup Treatment for Tribe

By THE ASSOCIATED PRESS

Manager Al Lopez of the Cleveland Indians apparently has decided to give his team the "shakewell" treatment in an effort to head off the New York Yankees in the American League pennant chase this coming season.

He called his club together for a meeting today in its Tucson, Ariz., lair, and announced that Al Smith was the only player on hand who was certain of the job.

* * *

"And he doesn't have a set position," added Lopez. Smith, named the "Player of the Year" by the Cleveland baseball writers last season, played six positions in 1955.

"The young fellows have just as much chance as anyone else of winning a place on the team," said Lopez. "One hustling young player sometimes can give the whole club a lift."

* * *

Meanwhile, the Yanks were having their troubles with holdouts. On their first day of spring training, they were faced with the problem of bringing a half-dozen of their front-line pitchers into line. This is an unprecedented situation and it has the Bomber brass worried.

Ace Whitey Ford heads the list. He and the club still are $5,000 apart. He wants $30,000 and has been offered $25,000. Others in the holdout brigade are Tom Morgan, Bob Grim, Jim Konstanty, Don Larsen and Mickey McDermott.

* * *

Billy Martin and Irv Noren stil are unsigned, but they are not due to report until tomorrow, so they won't be classified holdouts until then.

Over in the National League, new manager Bill Rigney of the New York Giants, looked over his club on the first day of training and announced:

* * *

1. He would pattern his methods after those employed by Leo Durocher, his predecessor.

2. The Giants have as good a chance as anyone of winning the pennant, but. . . .

3. The Brooklyn Dodgers "rate" the favorite's role.

* * *

Elsewhere around the camps:

Boston Red Sox pitcher Mel Parnell, troubled with ailments the past two seasons, said he feels great "and there's no reason why I shouldn't get 15 victories this year." . . . Milwaukee already has sold 13,600 tickets for its opener against Chicago April 17 . . . Chicago White Sox Manager Marty Marion said he is demanding his pitchers and catchers be in top shape by March 1. . . . Chicago Cubs already being plagued by a rash of minor injuries. . . . Brooklyn World Series hero Johnny Podres said he has no idea when he'll be inducted into the service.

AP Wirephoto

SWEDISH HARDWARE — Ulf Schmidt, left, and Sven Davidson, a pair of Swedes, look over trophy emblematic of the National Indoor Tennis Championship, before taking part in final round of the title play in the 7th Regiment Armory in New York, Sunday. Schmidt upset his heavily-favored countryman, 6-1, 6-3, 8-10, 6-3, to win the title in the first all-foreign final in 29 years.

From The PRESS BOX

Former Cranbrook wrestler Roger K. Morrison, son of Mr. and Mrs. Merle J. Morrison, 1263 Brookwood Street, Birmingham, is a member of Brown University's undefeated freshman wrestling squad which is rated as one of the strongest in the school's history. Coach of the Brown team is Ralph Anderson.

* * *

Another Birmingham lad doing mat work in college is Cal Atwood, who is a sophomore at the University of Michigan. He is expected to help the Wolverines next season after a little experience.

Avondale made a great comeback in the second half of the Oakland B league. The Jackets had a 3-3 league mark for the first round and 6-0 for the second half, finishing in a tie with Madison for second place with a 9-3 mark.

* * *

Orchard Lake St. Mary's cagers took it on the chin Saturday at Wyandotte. A strong Mt. Carmel quintet whipped Fr. John Rakoczy's Eaglets, 72-52, to hand them their 5th loss in 14 games.

* * *

There will probably be some lame school teachers at Troy and Clawson high schools come next Thursday morning. Men faculty members of the two schools will meet in a donkey basketball game Wednesday night at Troy at 8 p.m. Those mules are hard-backed and saddles aren't allowed.

Duffy Daugherty, MSU's coach of the year, his assistants and seniors from Michigan State's Rose Bowl football champions will be present at a spring gridiron dinner honoring athletes of Oakland County.

The banquet will be held March 1 in the Birmingham Community House. Bob Reynolds, WJR sportscaster, will be toastmaster. Films of the Rose Bowl game will be shown.

St. Frederick's basketball team, hoping to keep in shape for the approaching district tournament at Pontiac High, travels to Ferndale Tuesday night to meet SCL foe St. James. The Rams edged the Dales in a league game here, 58-57. Starting time is 7 p.m.

Shoots for Big Ones

Needles Owners Eye Rich Race Future

MIAMI, Fla. (AP) — The Florida Derby and the winner's share of another $100,000 purse is the immediate goal of Needles, easily the best horse in Saturday's Flamingo Stakes.

But he will be a candidate for every other big race for 3-year-olds this year, says Hugh Fontaine, his trainer. These, Fontaine says, include "the Triple Crown, Chicago, everything."

It figures that this stretch-running colt, bred in Kentucky but born in Florida, will be a solid contender this year if all goes well.

He ran the mile and a furlong Flamingo Stakes at Hialeah Saturday in 1:49 2-5, which is 1-5 faster than Nashua's winning time last year. Needles came in 2¾ lengths ahead of Winding Way Farm's Golf Ace. Calumet Farms' Fabius was third and Maine Chance Farm's Gun Shot, favorite before the race, was fourth.

* * *

Needles, ridden by jockey Dave Erb and carrying 117 pounds, ran easily in the Flamingo at the back of the field until he covered 6 furlongs. Then he began to overtake horses.

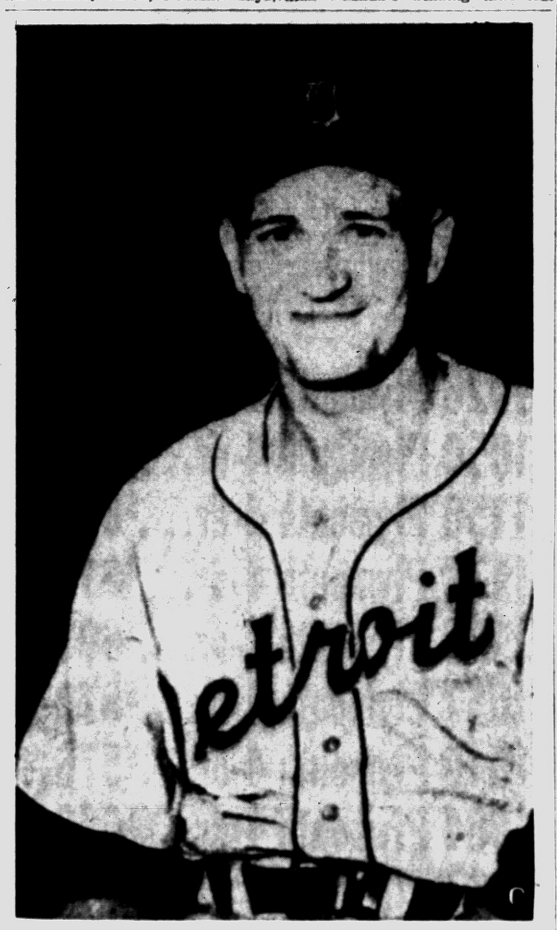
Turning for home, Erb swung him out to the middle of the track and he blazed down the stretch, flashing by such contenders as Pete's Folly, Nan's Mink, Nail, who was the 1955 juvenile champion, Fabius and the leader, Golf Ace. Nail, pace setter most of the way, faded to ninth.

* * *

Erb said he hit the horse "three or four times to keep his mind on his business but I didn't want to hurt him. He's not much of a stick horse. He gives you everything he's got so willingly when you ask, there's no point in hitting him."

* * *

The victory, worth $111,600 to Needles' owners, Jackson Dudley and Bonnie Heath, boosted his lifetime earnings to $234,405. He is the second Florida horse to win more than $100,000.



PAUL FOYTACK

Harris Glows Over Efforts of Pitcher Paul Foytack

LAKELAND, Fla. (AP)—Manager Bucky Harris was all aglow today.

It looks like—at least in February—the pitching he has been looking for might be coming his way.

Paul Foytack, who couldn't find the plate before, now has gone six innings in Detroit's rookie camp and has walked only one batsman.

The 25-year-old righthander, it might be added, still is unscored on in his six innings of work, has fanned seven and allowed only five hits.

Foytack came up to the Tigers three years ago and looked then like he might have some of the answers to pitching questions. Sent off to Buffalo, finally, he wound up with a 5-10 record there and at Louisville. Lack of control caused him a lot of trouble, as it had in spring training with Detroit.

Bucky Harris liked him last season, although he still couldn't find the plate often enough, so Foytack stuck with the Tigers.

But the youngster got to work only 50 American League innings, always in relief. His efforts resulted in a 0-1 record.

Yesterday, Foytack helped pitch the Black Sox to a 4-1 triumph over the Striped Sox.

Irish, 'Wreck' Resume Gridiron Series in 1959

ATLANTA (AP)—Georgia Tech and Notre Dame will resume their intermittent intersectional football series in 1959, Furman Bisher, sports editor of the Atlanta Constitution said today.

Bisher wrote that plans are in the works for a single game to be played at South Bend, Ind., that year with the possibility of another game at South Bend in 1960.

Officials at the two schools would neither confirm nor denyit. Tech and Notre Dame last played in 1953 at South Bend when the Irish won 27-14. The series began in 1922. Notre Dame has won 14 games and Tech two.

Purdue Puts Brakes on McCoy, Beats MSU

LAFAYETTE, Ind. (AP) — Purdue concentrated on high scoring Julius McCoy, held him to 19 points and beat Michigan State for the 2nd time this season in a Big Ten basketball game over the weekend. The score was 63-56.

McCoy had a 28.1 average per game going into the Purdue contest.

The Boilermakers assigned their giant center, Lamar Lundy, to guard McCoy in the beginning, but after Lundy picked up four quick personal fouls, they switched fo forward Joe Sexson, who accounted for 29 Purdue points in addition to holding McCoy in check.

North Dakota's hockey team booked 28 games for the current season.

Swede Netters Show U.S. Lack of Top Players

Schmidt Takes Indoor Title; USLTA Officials Worried Over Future

NEW YORK (AP) — Young Ulf Schmidt's surprising victory in the National Indoor Championships, emphasizing the sad state of American tennis, brought mixed reactions today from the brass of the U.S. Lawn Tennis Assn.

"This makes it clear we have to ditch our old timers and concentrate on young men," said Renville McMann, new president of the U.S. L.T.A. "We have to build again from the bottom."

But Bill Talbert, captain of the U.S. Davis Cup Team, took a less pessimistic viewpoint.

"We can't be impressed by what happens indoors," he said. "The Swedes and other Scandinavians do well on hard wood because they play indoors 10 months out of the year. But the tables always turn when you shift outdoors."

America's proud Davis Cup stars watched yesterday at the Seventh Regiment Armory as Schmidt, a 22-year-old Stockholm toy importer, smashed the favored Sven Davidson, also of Sweden, in the indoor finals, 6-1, 6-3, 8-10, 6-3. Vic Seixas, Art Larsen, Gilbert Shea and Sam Giammalva were Yank victims in earlier rounds.

Young Schmidt played brilliant tennis, serving and volleying with crushing force, to whip the 26-year-old Davidson, 1954 indoor champion and top-seeded foreigner.

Davidson was obviously off form, going 11 games before winning his own service, then having his game collapse in the midst of a spirited comeback.

Davidson said he believed there was a good chance of stopping the Americans this year in the inter-zone finals.

"Without Tony Trabert and Vic Seixas, the Americans will be hard pressed," he said.

Dr. Reginald Weir became the first Negro to win a U.S. L.T.A. national championship when he won the indoor seniors crown with a win over Ted Tarangioli.

Wolverine 5 Dumps Badgers

Kramer and Jorgensen Set Scoring Pace in 78-68 Big 10 Win

ANN ARBOR (AP) — Ron Kramer and Tom Jorgensen shot Michigan to a 78-68 Big Ten basketball victory over Wisconsin over the weekend. Kramer got 28 points and Jorgensen 27.

The triumph gave the Wolverines a tie for 7th place in the league with Minnesota, which lost 83-73 to Iowa in an overtime contest. Both the Wolverines and Gophers now are 4-7 in Big Ten play.

Wisconsin gave Michigan a scare midway in the 2nd half, shooting into a 46-45 lead, after having trailed 28-32 at halftime. But the lead was short lived. Jorgensen bucketed a 2-pointer to put the Wolverines ahead to stay.

Kramer was on a shot-making rampage in the 2nd half, racking up 20 of his 28 points after intermission.

Four Pointers Go After Spots in National Test

GRAND JUNCTION, Tenn. (AP) — Four pointers came out today to try to impress the judges in the National Bird Dog Championships.

Billie, of Arkansas, owned by Mrs. Mary C. Oliver of Little Rock, Ark., was braced in the morning run with Waynel's Allegheny Sport, owned by J. A. Hays and R. W. Riggins of Knoxville.

The afternoon quail hunt paired Wonnig's Rickey III, owned by Dr. H. I. Nesheim of Mexico, Mo., and Mitchina, owned by H. W. Denham Jr. of Milam, Mich.

Thirty-seven prize birddogs all champions of lesser stakes, are entered in the national. The winner is expected to be named Thursday, barring weather delays.

The largest of the bears, the kodiak, averages less than 1,000 pounds.

Buckeye Swimmers Swamp U. of M. Team

COLUMBUS (AP)—Ohio State, which expects to win its 8th straight Big Ten swimming championship at the conference meet at Purdue this weekend, swamped crippled Michigan 57-36 Saturday night.

Without their suspended Wardrop twins, Bert and Jack, the Wolverines were handicapped. But it might have turned out quite the same anyway. The Buckeyes won 8 of the 10 events.

Al Wiggins of Ohio set an apparent new American record of 2:08.2 in the 200-yard individual relay.

Shamrocks Avenge Defeat, Trounce St. Mary's Irish

St. Michael's Shamrocks gained a lot of personal satisfaction Sunday afternoon, although it came too late as far as the Suburban Catholic League basketball picture was concerned.

After a ragged 1st quarter the Mikes hit their stride to hand Royal Oak St. Mary a sound 56-33 belting on the St. Mike court to avenge the season's most costly defeat.

It was the Shamrock's 36-34 setback in an SCL tilt at Royal Oak that cost them an undisputed league crown. But they atoned for that mistake yesterday in no uncertain terms.

The Mikes got off to a poor start and trailed entering the 2nd quarter, 10-6. But a prosperous 2nd period gave them a 25-16 advantage at halftime and they continued to pour on the coal in the 2nd half to win going away.

Star forward John Keller enjoyed his best game in quite a spell with a 20-point effort. Chuck Brown followed with 12 points and Dan Dropps made 10. It was the 10th victory in 14 games for the Shamrocks.

St. Mike's reserves made the afternoon a complete success by nipping the Irish, SCL Junior Varsity champs, by a 33-32 score in an exciting preliminary battle.

Tough Task for Rookie

By JOE REICHLER

SARASOTA, Fla. (AP)—You're 18 years old, the star pitcher of your high school team. A major league club hands you $125,000 to sign a contract. What would you do with all that money?

That was the situation young Frank Baumann found himself in, in 1952. A pitching sensation in St. Louis high, the 18-year-old lefthander had scouts from all 16 big league clubs knocking on his door, offering fabulous sums for his signature.

* * *

The overwhelmed youngster, after carefully considering all bids, finally decided to cast his lot with the Boston Red Sox. The bonus figure never was announced but was estimated at around $125,000. The contract reportedly called for $85,500 to be paid over a five-year period and another $36,500 when he made the Red Sox roster.

* * *

The suddenly wealthy teen-ager spent the next year and a half learning how to pitch in Louisville, a Red Sox farm club. Then he was called into service, putting in two years with the Army. Back in a baseball uniform, Frank is one of many eager rookies in the Red Sox camp, bent on paying back the first dividends on the cub's investment.

* * *

"I've got to make good," Baumann said earnestly. "Not only for myself but for Mr. Yawkey (Owner Tom Yawkey). He had enough confidence in me to give me all that money. The organization has been wonderful to me. They promised to bring me up as soon as I showed I merited it. They kept their promise. Now I've got to prove they made no mistake."

Baumann said he did not feel he should reveal the exact amount of money he received but he admitted it was a "sizeable amount."

Rawls Winner Over Miss Dodd

Scrapes By on One Stroke in Zaharias Cancer Fund Event

SARASOTA, Fla. (AP) — Betsy Rawls, who held a six-stroke lead going into the finals, needed all of it to edge Betty Dodd by one stroke for top money in the Babe Zaharias Cancer Fund Golf Tournament.

Miss Rawls shot a 77 yesterday, her worst round of the tournament, but won $900 with her 72-hole total of 291.

Miss Dodd of San Antonio, Tex., shot a three-under-par 72 and finished with a birdie on the 18th hole. She won $630.

Louise Suggs of Sea Island, Ga., finished in a tie for third at 296 with Fay Crocker of Montevideo, Uruguay.

Amateur Wiffi Smith, St. Clair, Mich., tied at 298.

Mrs. Zaharias attended the prize-awarding ceremonies and accepted a deed to 20 acres in a Sarasota development for the fund.

The Babe, still out of competition because of a bout with cancer, said she hopes a cancer hospital or clinic will be built on the site some day.

Jayhawks Set for 6th Big 7 Crown

KANSAS CITY, Kan. (AP)—Coach Bill Easton's Kansas Jayhawks appear poised to nab their fifth successive Big 7 Conference indoor track championship here Friday and Saturday nights.

The Jayhawks showed their customary team strength in defeating Missouri 59-45 in a dual at Lawrence, Kan., last Saturday.

Kansas won only 7 firsts to 5 for Missouri, but the Jayhawks had the over-all power.

Hold Fourth Roller Skate Elimination

Winners were determined Saturday in the 4th elimination races for the 3rd period of competition at Rolladium roller rink.

They are:

Boys—Class A, Bob Price; Class B, Randy Kress, and Class C, Tommy Kidd.

Girls—Class A, Ruth Benner; Class B, Jo Ann Moss, and Class C, Judy Stranahan.

Flock's Secret

Wins Third NASCAR Race

DAYTONA BEACH, Fla. (AP) — There's a secret to driving on Daytona's 4.1-mile beach and road race course, but Tim Flock is keeping it to himself.

The 31-year-old Atlanta stock car jockey won his third straight race over the sand and black-topped oval yesterday, finishing 57 seconds ahead of Billy Myers of Germanton, N.C., in NASCAR's Grand National championship for late model stock cars.

* * *

Friday Flock won a race for sportsman and modified autos. A year ago he won his first Grand National annual climax to the Speed Week's program of the National Assn. for Stock Car Auto Racing.

Declaring he can get more straightaway speed from a car on the sand than most drivers, the father of five said:

"It's because I have a little secret. It took me a long time driving on this beach to find it. And I'm not telling anybody what it is. Ben Hogan had his secret about golf and didn't tell anybody what it was until he quit. Well, Flock's got his about this beach."

Other drivers were willing to agree.

* * *

Tim covered the 152 miles in yesterday's race at an average speed of 90.83 m.p.h. This despite a big starting field of 78 which crowded the track, rain which made conditions difficult and two laps run at a snail's pace under the yellow caution fag because of crack-ups.

Flock drove a 1956 Chrysler 300B and led every lap except three, when he was in the pits for fuel. His share of the $13,950 purse was $4,025. Myers, in a new Mercury, pocketed $2,375.

Canadian Takes Eastern Crown in Ski Jumping

GILFORD, N.H. (AP) — Canada's Jacques Charland today holds the Eastern Class A ski jumping championship.

Charland, from Three Rivers, Quebec, turned in jumps of 244 and 248 feet yesterday on Torger Tokle Hill for the victory.

U.S. Olympic team member Art Devlin of Lake Placid, N.Y., was second with jumps of 217 and 224 feet followed by teammate Roy Sherwood of Salisbury, Conn., with efforts of 211 and 218 feet.

Flames Damage New Minneapolis Stadium

MINNEAPOLIS (INS) — Fire, triggered by a butane gas heater explosion, caused extensive damage yesterday to a three million dollar baseball stadium under construction for the Minneapolis Millers of the American Association.

10 Top-Rated Colts on List

Record Entry Set for 80th Preakness May 19 at Pimlico

BALTIMORE (AP)—Nine of the 10 top-rated colts in the country are among the record number of 176 which have been nominated for the 80th running of Pimlico's $100,000 Preakness May 19.

The 10th, Prince John, is out of action with a fractured foot.

High on the list of probables are Barclay Stable's Polly's Jet, winner of five stakes last year, Maine Chance Farm's Busher Fantasy, and Lily Ann Stable's Getthere Jack.

Sunny Jim Fitzsimmons, trainer of last year's Preakness winner, Nashua, has a nominee —Gray Phantom of the Wheatley Stable. Calumet Farm has nominated Liberty Sun, Fabius and Eastgate.

Rex Ellsworth, owner of Kentucky Derby winner Swaps, has Terrang and Nuclear Power — a full brother of Swaps—on the list.

Andy Crevolin, owner of 1954 Derby winner Determine, has nominated Swift Boots and Document.

The largest previous list of nominees for the Preakness was last year's when it numbered 151.

Hawks Making Drive for Top Honors in NBA Race

By THE ASSOCIATED PRESS

The St. Louis Hawks, who have gone forward and backward in spurts all season, are making a determined late drive for runner-up, and possibly higher honors in the Western Division of the National Basketball Assn.

* * *

The Hawks, division leaders during the early part of the season and then as low as the cellar, have a three-game winning streak going after beating the New York Knicks 103-85 yesterday at St. Louis following Saturday's triumph over the same club in New York.

* * *

The victory, coupled with Fort Wayne's 95-90 decision over Minneapolis, put the Hawks a game in front of the third place Lakers. The first three teams qualify for the playoffs.

In the Eastern Division, the Philadelphia Warriors held to their six-game margin over second-place Boston by defeating the Syracuse Nats 87-85 while the Celtics were downing Rochester 111-100.

Big Bob Pettit, himself battling for the league's individual scoring honors, led the Hawks with 32 points to run his total for the last three games to 115. Nat Clifton was the best of the ice-cold Knicks with 16 points.

Alabama Setter Wins Shooting Dog Title

UNION SPRINGS, Ala. (AP) — Beau's Snow Man, owned by four Birmingham men, won the coveted National Shooting Dog Championship here yesterday.

The setter won the judges' nod with fine handling of seven covey finds yesterday in one of the closest finals in the seven-year history of the shooting dog championship.

Result: Zauchin sacrificed Boston added four more runs to White singled, scoring Jensen and won 8-3 (Sept. 4).

It's Hot Stove League Time and—

You're the Manager

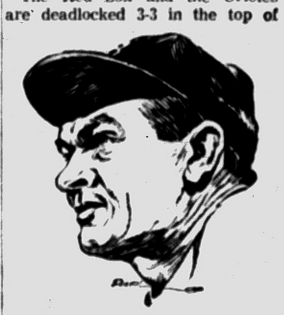
(Sixteenth of a Series)

Norm Zauchin struck out 105 times last season to lead the American League. However, the Boston Red Sox first baseman also walloped 27 home runs.

Following is a situation in which Zauchin played the pivotal part. Manager Pinky Higgins looked good on this one. What strategy would you have used?

(R) stands for a righthanded batter or pitcher and (L) for a lefthanded batter or pitcher.

The Red Sox and the Orioles are deadlocked 3-3 in the top of the eighth at Baltimore. George Zuverink (R) is pitching for the home team. Jackie Jensen opens with a single Zauchin (R) is the next scheduled batter with Sammy White (R) and Grady Hatton (L) to follow.



PINKY HIGGINS

Would you:

A. Put in a lefty pinch-hitter for Zauchin?

B. Let Zauchin swing away?

C. Try a hit-and-run (Hitting behind runner)?

D. Have Zauchin sacrifice?

Jockey Fatally Hurt in Fall at Tucson Track

TUCSON, Ariz. (AP)—Charlie Guinup, a leading jockey at Rillito race track, was fatally injured yesterday when he was thrown from Letitia's Boy in the ninth race and trampled by several horses.

The 28-year-old jockey was in third place when Letitia's Boy apparently clipped the heels of the horse in front, stumbled and fell, throwing Guinup to the ground.

Several horses ran over Guinup before their jockeys could turn them to the outside.

Guinup, from Elmira, N.Y., died an hour later at the hospital. He leaves a wife and three small children.

Joe Walton, Pitt end, caught 12 passes during the regular 1955 season, but eight of them were good for touchdowns, a new Pitt record.

Higgins Finds an Answer Why Bosox Miss on Titles

SARASOTA, Fla. (AP)—Having had one season, his first as a big league manager, in which to find out why the Boston Red Sox have not been winning pennants, Mike Higgins feels that he has at least the partial answer now and will be somewhat better able to cope with his more experienced American League rivals in the 1956 race.

Not that the large Texan didn't do extremely well in his first stab at the job. He took over a club which had finished 42 games from the top the previous year and hauled it up within a dozen games of the champion Yankees at the finish. Higgins intends to do still better since he has learned how vitally important bench strength has become lately.

"It's hopeless to try to win without plenty of good reserves these days," he said in camp here. "Having eight good men and a pitcher isn't near enough any longer. I got to thinking last season that the whole game had changed since I was playing in the big leagues, and that wasn't but about 10 years ago. I wouldn't be surprised if Casey Stengel could be given credit for being the first to see what was happening and adjusting his squad to fit the change."

Canadiens Win 6th NHL Title

Defeat at Montreal, Rangers' Win Shoves Detroit to 3rd

By THE ASSOCIATED PRESS

Montreal Canadiens are the new National Hockey League champions, ending the Detroit Red Wings' seven-year monopoly on 1st place.

The Canadiens clinched the pennant Saturday at Montreal when they overpowered Red Wings 5-1 for their 1st title since the 1946-47 season.

And now the Wings are in the unaccustomed position of battling for 2nd place. The New York Rangers nudged them out of the runnerup spot Sunday by coming from behind a 2-0 deficit to win 3-2 at New York. The Rangers moved into 2nd place, a point ahead of Detroit.

The fight for the 4th and last playoff berth tightened with Boston's 3-1 victory over Toronto Saturday. Last-place Chicago stalled Boston's attempt to climb into a tie with Leafs Sunday, however, by defeating the Bruins 4-1 at Chicago.

Five Montrealers accounted for the goals against Wings—Maurice Richard, Bert Olmstead, Bernie Geoffrion, Floyd Curry and Jackie LeLclair. Gordie Howe scored the lone Detroit marker.

Pontiac Night Five Wins in CIO Loop

UAW-CIO LEAGUE

No Distance Too Great (within reason)

'Trotters Please Full House

A capacity crowd jammed into the Pontiac High School gymnasium Sunday night to watch the fabulous Harlem Globetrotters perform their basketball antics against the House of David from Benton Harbor.

The Trotters were here as the feature attraction of an all-star program sponsored by the Pontiac Lions Club for the benefit of the blind. The affair must be considered a rousing success.

The overflow audience expected to be entertained and amused by the fantastic Harlem aggregation—and no one was disappointed.

The Globetrotters won, of course, by a 61-50 score, but the final result was secondary to the hilarious shenanigans they perpetrated.

* * *

Meadow Lemon, the Trotters' newest sensation, stole the show with his ball-handling magic and seldom-serious performance. Despite his court deviltry, the long-armed and shovel-handed magician collected 18 points.

It was a typical Trotter show, but one which never seems to grow old. They began with their famous circle passing demonstration to the strains of Sweet Georgia Brown. Before the evening was over they had enraged the officials, played their baseball and football routines, and other bits of comedy associated with the organization.

Bill (Rookie) Brown gained his share of laughs and Murphy Summers delighted the crowd with a couple of dribbling exhibitions in the style of Marquis Haines. But the star of the night was Lemon—the Trotters' chief comedian and prankster.

Ted Bourne from England and Bob Anderson gave a brilliant table tennis exhibition during the halftime intermission and played an abbreviated game with Bourne winning, 9-8.

Tony Lavelli, former All-American basketball great from Yale, and Jock Cordon got in the vaudeville licks. Lavelli played the accordian and Cordon performed on the unicycle. Cordon later joined Lavelli in an accordion-guitar session.

The preliminary game between The Pontiac Press and radio stations WPON and WCAR probably should have been part of the vaudeville act, but it passed for basketball instead. The Press lost in overtime, 29-27.

MEADOW TAKES AIM — The Globetrotters' sequel to 'Goose' Tatum is shown taking aim at the basket in the above picture. Meadow Lemon, latest Trotter find who frequently had the audience in hysterics at last night's Lions Club benefit program in the Pontiac High gym, prepares to let go at the bucket over the outstretched hand of an unidentified House of David player. The Trotters won, 61-50.

Lane Wins Decision

LANSING (AP) — Lightweight contender Kenny Lane of Muskegon has another victory to point to in his campaign for recognition.

Lane, 139½, won a 10-round decision over Isaac Vaughn, 136, Cincinnati, in a co-feature of a card here Saturday night.

LOS ANGELES (AP) — Funeral services will be held Wednesday for former sports writer and athletic commissioner, William Smith, 70, who died Saturday after a heart attack.

Wait 'Til Next Year

Radiomen Outluck Press

The Pontiac Press should have won, of course, and they almost did—but not quite.

A worn-out band of Press basketball players, only six strong, submitted to equally-tired radiomen from stations WPON and WCAR in a thrilling and riotous preliminary to the Globetrotter show at Pontiac High last night.

The game was part of the Pontiac Lions Club benefit program for the blind.

Bruce Martyn of WCAR sank two free throws in sudden death overtime to edge the Press, 29-27, after a personal foul was called on Al Crawford at the center jump.

WPON's Gib Shanley, who was dragging after the game, tied the game in the last 15 seconds with a herculean effort under the boards. He netted a bucket, was fouled in the attempt, and cashed in a free throw to knot the count at 27-all and force the marathon into an extra period.

The Press was seriously handicapped by the absence of two key players—6-3 Burt Stoddard, rebound ace, and 280-pound Bill DeBats, mammoth pivot star.

Oh well—as the Brooklyn Dodgers used to say—"wait until next year."

Detroiters Dominate Legion Bowling Meet

BAY CITY (AP)—Detroiters dominated the singles and doubles competition as the Michigan American Legion Bowling tournament rolled through the 1st of its five weekend stand.

But Allegan and Bay City teams topped the scoring in that category. A Detroit team was 5th.

THE POWERHOUSE
By JIMMY POWERS

MIAMI—You hear so much about the big city areas of Florida with the same old traffic jams, the same tired faces in the night clubs and cafeteries, the same jockeys, the same prize fighters, even the same waiters and bellhops you see up north, that it might be a good idea today to talk about the Florida Keys, those refreshingly beautiful islands that fringe the state from Anastasia Island up near St. Augustine down to the fascinating labyrinth of mangrove and coral keys at the southern tip of the state.

★ ★ ★ ★

In the old days, residents of the keys lived a miserable life salvaging wrecks of schooners.

Which reminds us of the time a governor inspected a new lighthouse on a certain key, proudly addressed the little handful of inhabitants dressed in their Sunday best, shook hands, and then asked if he could do anything for them.

A spokesman promptly said: "Yasss, pull that dahm lighthouse down. Hit shows light so far to sea we will starve to death."

★ ★ ★ ★

Well, no one is starving on the Florida keys these days as millions of dollars worth of trade pours in by way of incredibly plus aluminum trailers, outboard motors, fishing yachts and skin-divers, Captiva and Sanibel, islands off the West Coast, are world famous for their sea shells. Laddie Mojo, who has a camp near the Boca Grande-Gasparilla Pass, predicts the area soon will be the site of a new sports boom as the East Coast becomes fished out.

There are mighty interesting tarpon waters here.

THIS IS A PARADISE FOR NATURALISTS

Naturalists, amateur and pro, roam the Ten Thousand Islands studying raccoons, a few panthers, miniature key deer and the nesting grounds of pelicans, cormorants, herons and ibis.

Herbert Hoover, Howard Hall and many other big names from Who's Who are not too proud to desert the so-called Gold Coast of Palm Beach to rough it on a mangrove flat and cast for bonefish or merely loaf on a small dock and yank up tasty red snapper.

It is hard to believe Key West was once the largest city in Florida. It prospered during the first World War, then dwindled until, in 1934, half the population was on relief.

★ ★ ★ ★

Not so today.

Things are booming, thanks to a wonderful overseas highway built in part on the old railway trestles.

New Competition for Delany

NEW YORK (AP)—Ron Delany, the ambling Irishman from Villanova, still might get some competition in his mile jaunts before the indoor track season ends.

* * *

George King, a 130-pound senior from New York University, has entered the mile in the Knights of Columbus Games Saturday. He won the IC4A 2-mile last Saturday, running the last quarter in a breathtaking 59.2.

Even in his heyday, Greg Rice, probably the most consistent 2-miler in modern times, never hustled so fast in the final quarter. King's final clocking was 9:07 and it broke the meet record of 9:07.2 set by Dick Church of Syracuse in 1950.

* * *

"King is ready right now for a 4:06 or 4:08 mile," said his grizzled coach, Emil von Elling, today. "I guarantee the Knights of Columbus mile will be under 4:10."

Delany has been showing a fine finishing kick all season, but with Wes Santee banned, he hasn't had much competition. Week in and week out he teases his opposition by loafing along until he turns on the heat in the final quarter.

He'll never win any popularity contest in Madison Square Garden, but that's how he wants to run. King, though, is no one to tease, and if he sets a fast pace, Delany will be forced to keep up with him.

* * *

Manhattan won the IC4A title with 36 points to 34 for Villanova. It was a close battle all the way. Eastment spread his forces thin to cope with the individual Villanova stars. As it turned out, Manhattan won only two events and Villanova five.

The Jasper winners were Len Moore in the broad jump (23-5½) and Ken Bantum in the shot put (55-6¾). The Villanova victors were Charlie Jenkins in the 600 (1:11.9), Delany in the mile (4:11.4), Phil Reavis in the high jump (6-5), Don Bragg in the pole vault (15-2) and the 1-mile relay team (3:19.6).

* * *

John Haines of Penn equalled the world indoor 60-yard dash record of 6.1 both in the semifinal and final. Pitt's Arnie Sowell won the 1,000 in 2:13.5, anchored the 2-mile relay team which set a meet record of 7:40, and finished in a third-place tie in the broad jump with a 22-11¼ effort. Rod Perry of Penn State took the 60-yard hurdles in 7.3, and Al Hall of Cornell tossed the 35-pound weight 62-8½, a meet record.

Ohio Sailor New Champ

ST. PETERSBURG, Fla. (AP) — Walt Swindeman, a Toledo, Ohio, skipper, is the new national mid-winter lightning champion.

Swindeman captured three of the five heats in the three-day event and finished yesterday with 285¾ points. He has won the title twice before.

'Earning Diet'

Archie Beats Camp Costs

By THE ASSOCIATED PRESS

Light-heavyweight champion Archie Moore has figured out the way to beat the training camp expense and earn while he loses weight.

Instead of setting up a camp and hiring the likes of Howie King and Bob Dunlap, the 39-year-old 175-pound king takes them on in regular 10-round fights and picks up some move-around money at the same time.

A week ago, Archie scaled a hefty 197 when he outpointed King in a non-title 10-rounder in San Francisco.

Tonight Moore picks on oft-beaten Bob Dunlap of Oakland in another overweight 10-rounder in his home town of San Diego. Nearly four years ago, Moore stopped Dunlap in six rounds.

Scrappy, little Miguel Berrior, winner of his last two fights on knockouts, meets Bobby Bell, Youngstown, Ohio, veteran, in a television (DuMont-TV, 10 p.m., EST) 10-rounder at New York's St. Nicholas Arena tonight.

Another Monday night bout matches hard-punching Vince Martinez, Paterson, N.J., and Italy's Paolo Melis, at Bangor, Maine, in a welterweight 10-rounder.

Road Games on TV

SAN FRANCISCO (AP) — All the 49ers' road games will be televised in San Francisco next fall.

The pro football team today signed a three-year contract with Columbia Broadcasting System.

Detroiters Capture National Pin Title

CLEVELAND (AP) — Anita Cantaline of Detroit, national match-game champion, today holds a piece of another major U.S. bowling title.

Miss Cantaline, 28, teamed up with Elvira Toepfer, 31, also of Detroit, to capture the national women's doubles championship last night. They rolled a 16-game total of 6003.

Twins from Columbus, Ohio, Elizabeth Miller and Marge Merrick, were second with 5996.

Kroll Wins by 3 Stroke Margin Over Jack Burke

HOUSTON (AP)—With Ted Kroll as its new leading money winner, golf's winter tour troupe dropped in at Port Arthur, Tex., today for a $3,500 pro-amateur event while en route to the $12,500 Baton Rouge Open.

Kroll posted a "cautious" 69 yesterday for a 72-hole 277—11 under par for the 7,122-yard Memorial Park course—to win the $6,000 top money in the $30,000 Houston Open.

* * *

The only player from a starting field of 160 to break Memorial's par-72 four consecutive rounds, Kroll finished three strokes ahead of Jack Burke Jr. and Dave Douglas, two former Houston champions.

* * *

With the $6,000, Kroll jumped from 10th to first place as the leading money winner of 1956 with $8,380. Young Gene Littler, Palm Springs, Calif., dropped to second place with $7,568.75.

A Pennsylvanian playing out of Fort Lauderdale, Fla., Kroll won with rounds of 70, 67, 71 and 69 but thought he played "pretty bad all week."

* * *

He began the final round one stroke ahead of Burke and increased this to two after the first nine holes. After hearing that Burke ran into early trouble on the back nine, Kroll took no chances.

Clarkston Defeats All-Stars, 77-69

The league leading Clarkston Merchants whipped the Waterford Township Recreation League All Stars, 77-69, in their challenge match last Friday night at the Isaac Crary gym. Clarkston was in front all the way.

Pete Palshan and Bob Mills were high for the Merchants with 21 and 19 points respectively. Gordon Campbell of Manny's topped the All-Stars with 14 points, followed by Jerry Bradley of Poole's and Tex Klaus of Philgas who made 10 apiece.

Tonight's league play pits Beattie Motor against the Waterford Merchants at 7:15 and Philgas against Clarkston at 8:30.

Flyers Win Tournament, Bens Lose Consolation

Detroit St. Andrew's Flyers won the parochial high school tournament as expected with a 64-54 victory over Austin in the championship final Sunday at the Catholic Central gymnasium.

St. Florian of Hamtramck defeated Highland Park St. Benedict's Ravens, SCL representative, by a 46-42 count in consolation play. Lourdes downed Sacred Heart, 62-57, and All Saints dumped St. Bernard, 67-61, in other consolation games.

Since 1933 Mississippi has won 60 football games, lost 52 and tied eight.

Cranes Defeat Nichols

Cranbrook chalked up a 69-59 victory over Nichols Academy of Buffalo in an Inter-State Prep League basketball game Saturday at Cranbrook. Owen Fett and John Kirk each scored 16 points for the Cranes, whose season record now stands 7-6.

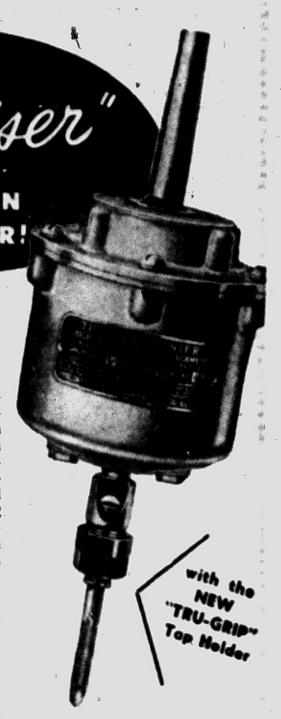
HERE'S THE "tap miser" YOU'VE BEEN WAITING FOR!



helps eliminate costly tap breakage shut-downs and excessive work spoilage!

Whether it's continuous or intermittent tapping in soft or hard metals—large or small hole jobs with skilled or unskilled operators—you will find Procunier Tapping attachments performing with a new-found ease, a more dependable and consistent accuracy and providing many extra hours of tapping efficiency. Procunier Tappers are gentle to costly taps and tough on maintaining production schedules. Here's why:

1. New sensitive double cone cork-faced friction clutch;
2. Soft, cushioned action driving pressure;
3. Ball bearing equipped.
4. Heat treated gears;
5. Special balanced gear reversing mechanism;
6. Unique tap holding spindle support;
7. Smaller, lighter more accurate Tru-Grip tap holder; plus many other features.

New Window to Universe

President Asks Funds for Radio Astronomers

WASHINGTON (INS)—President Eisenhower has asked Congress to help the nation's astronomers open up a vast new "window" to the universe.

His budget for the next fiscal year includes a request for three and a half million dollars to start building a radio astronomy facility which will cost still another million before its completion in two years and then nearly $300,000 a year to operate.

Radio astronomy is one of the few sciences actually born in the U.S. Yet, according to the National Science Foundation, this country "is lagging far behind other nations" in the field, notably Holland, Australia and England.

* * *

The foundation describes radio astronomy this way:

It is a "comparatively new field of science" dating from the early 1930s "when an American engineer working on improvements in radio communication detected weak radio signals which originated in outer space."

The engineer, Carl Jansky, of the Bell laboratories, was studying the radio circuits between New Jersey and South America when he noticed a hiss coming from different parts of the sky.

Since that discovery, the foundation says, "Techniques have been developed whereby, through the use of dish-shaped . . . antennae and sensitive radio and recording equipment, these signals can be detected and analyzed."

* * *

Radio astronomy has an advantage over visual astronomy in that it is unaffected by the earth's atmospheric conditions and permits study 24 hours a day.

Two Bands Eligible for District Contest

The Lincoln Junior High School band under the direction of Eldon C. Rosegart and the Pontiac Senior High School band under the direction of Dale C. Harris became eligible for the state contest by taking first division ratings at the district contest held Saturday at Wayne University.

School bands winning a first division rating in the district contests will compete in the state finals to be held in Muskegon April 14 and at Michigan State University on April 21.

Both the Lincoln Junior High School band and the Senior High School band received first division ratings from each of the three judges of prepared numbers, in their respective sections, and from the sight reading judge of their respective sections.

FULL HOUSE — Because of heavy home responsibilities this year, wire haired fox terrier mother "Cove View Daphney" is passing up the Boston Dog Show — for reasons quite obvious as she proudly poses with her recent litter of eight pups. All are owned by Elsie Macdonald, of Cochituate, Mass.

Skilled Trades Union Claims Burroughs Co.

DETROIT (UP) — Lamont Haverkate, president of the Wayne Count Society of Skilled Trades, said yesterday that more than 75 per cent of the skilled workers at Burroughs' two Detroit plants have joined the group.

Haverkate said the society will seek recognition as bargaining agent at Burroughs.

Hollywood Headlines

Mario Lanza Won't Act Without Favorite Director

By LOUELLA O. PARSONS
INS Motion Picture Editor

HOLLYWOOD (INS) — Mario Lanza is being a dreamboat these days, but one thing he's adamant about, he will not make a picture unless Anthony Mann, who directed him in "Serenade," is at the helm.

The contract Columbia is making with Mario is a package deal including the services of Mann.

Columbia is asking for a double decker—after completing "Golden Boy" they are negotiating for the team of Mario and Mann to do "Marco Polo."

Years ago, Gary Cooper made "Marco Polo" for Sam Goldwyn, and off hand, I can't think of a story that lends itself more colorfully to an original music score which will give Mario a chance to lift his glorious voice in song.

Deeply disappointed is Alec Guinness, who had hoped after the death of Sir Alex Korda that he could return to Hollywood to co-star with Eleanor Parker in "The Painted Veil." Seems that Korda's estate has pre-empted Alec, and he has to make one picture in London, which is ready to go immediately.

Avid fans may remember that Somerset Maugham's story starred Greta Garbo twenty years ago. The starting date now is April 15th, and Eleanor Parker, one of our Academy nominees, returns to work on that date.

At the sneak preview of "The Swan" in Riverside, many cards were turned in praising Guinness.

Over 500 press correspondents have asked for credentials to attend the wedding of Grace Kelly and Prince Rainier III. Unfortunately, the cathedral only seats 400. Grace says that she is sending her list to Monaco and all invitations will be sent out from there. His Eminence Francis Cardinal Spellman will attend as a representative of the church.

Afterthoughts on the Golden Globe Awards of the Hollywood Foreign Press dinner: The whole place rocked with laughter over Marlon Brando's wire that he couldn't be present to accept his honor as "Actor of the Year" because he's leaving for the Orient next week. Some wit called, "Is he packing tonight?"

GRACE ACCEPTS

Grace Kelly was very much present to accept her award and very graciously accepted for Marlon.

A tip about how the Academy voting is going were the yells and applause for Ernest Borgnine when he picked up his award for finest dramatic performance in "Marty." Ernie also accepted Anna Magnani's award for "The Rose Tattoo."

Deborah Kerr, who has been Jennifer Jones' stand-in on so many recent occasions, got a big laugh when she said she was Jennifer's sister.

I was with Lucille Ball and Desi Arnaz who received a TV award. Dick Powell, as master of ceremonies, had lots of help from the star-studded audience. Even our own Academy Awards have never had a better turn out.

Snapshots of Hollywood Collected at Random: Poor Janet Leigh is back in St. John's Hospital for further tests for a kidney disturbance. She'll stay in bed if the doctor considers it necessary until the birth of her baby in July.

Surprising that Jack Webb and Richard Breen, who have been associated for years, have called off their partnership and Breen goes to 20th.

The glowing tribute paid Jack Warner by director George Sidney at the dinner when Jack won the Cecil B. DeMille award was passed off by Jack with typical Warner comedy.

Famed Chicago attorney Sid Korshak arrives in Los Angeles today on important business.

UM Prof Just Counts Fishes All Day Long

ANN ARBOR (AP)—Hoy many fish are there in the ocean?

A University of Michigan professor doesn't pretend to count them all. But he counts them by the hundreds in order to make an accurate estimate.

* * *

Assistant Prof. John E. Bardach was asked by the Bermuda government to help find out how many fish there are in the waters around the island to help the fishing industry.

So Bardach goes down, sits on the ocean floor with plastic slate and pencil and counts. He also has the aid of a aqualung and seven assistants equipped with flippers and breathing aids.

Working conditions are nice in the tropical waters, he says, and even the sharks and baracuda don't bother him.

Market Turns Down Quietly

NEW YORK (AP)—The stock market turned down quietly today following a five-session advance.

Prices in the early afternoon were down 1 to 2 points at the most while gains ran to around a point. Most changes were quietly small.

Trading at times hit a good pace that pointed at 2,500,000 shares for the day. That compares with 2,890,000 shares traded Friday when the market staged a better-than-average advance.

A distinctly lower tone pervaded the steels, chemicals, motors and the tobaccos. The latter group was under the influence of news that rabbit's ears developed cancer when painted with cigarette tars.

No group was definitely higher although the railroads maintained a rather steady position in the face of quiet selling.

Higher stocks included United Aircraft, RCA (which reported its sales topped a billion dollars last year for the first time), Anaconda Co., Westinghouse Electric, Union Pacific and Texas Co.

Lower were U.S. Steel, Chrysler, Douglas Aircraft, Zenith Radio, Kennecott Copper, Union Carbide, General Electric, American Tobacco, Liggett & Myres, Reynolds Tobacco "B," Standard Oil (NJ) and Baltimore & Ohio.

Greens—Kale, No. 1, 1.00-1.50 bu.

Eggs—Large, 15.00-16.00 30-doz. case; medium, 11.00-14.00; small, 10.00-11.00.

Poultry

DETROIT POULTRY

DETROIT, Feb. 27 (AP)—Prices paid per pound f.o.b. Detroit for No. 1 quality live poultry up to 10 a.m.

Heavy hens 29-30; Caponettes (4 lbs.) 26; (5-5½ lbs.) 30-31.

Market steady. Light receipts mostly caponettes were ample to a moderate early demand. Offerings over the week-end were well cleared.

DETROIT EGGS

DETROIT, Feb. 27 (AP) Eggs f.o.b. Detroit, cases included, federal-state grades.

Whites—Grade A jumbo 50-51; weighted average 50½; large 46-47; wtd. avg. 46; medium 43; grade B, large 42.

Browns—Grade A jumbo 48; large 45; medium 43; grade B, large 42; grade C large 34-37; wtd. avg. 36½.

Checks—35-36; wtd. avg. 35½.

Commercially graded

Whites—Grade A extra large 44; large 47½-43; medium 37-40.

Browns—Grade A extra large 43; large 37-42; medium 36-39; grade B large 36.

Market unsettled. Trade continues relatively slow. Supplies of large lbs. and medium light and short undergrades clearing readily as breaking outlets are active.

CHICAGO BUTTER AND EGGS

CHICAGO, Feb. 27 (AP) Butter steady; receipts 816,607; wholesale buying prices unchanged; 93 score AA 57; 92 A 57, 90 B 56; 89 C 55.5 cars 90 B 56.5; 89 C 56.25.

Eggs weak; receipts 13,835; wholesale buying prices ½ to 1 lower; U.S. large whites 60-69.9 per cent A's 38.5 mixed 38.5, mediums 37.5, standards 37.5; dirties 36, checks 35.5; current receipts 36.5.

Livestock

DETROIT LIVESTOCK

DETROIT, Feb. 27 (AP) (USDA)—Hogs—Salable 1200. No early sales, asking slightly higher.

Cattle—Salable 2100. Largely a slaughter steer and yearling run, rather liberal supply, good and low choice relatively short fed steers about 30 per cent receipts cows, slaughter steers and yearlings opening steady, stronger asking prices slowing trade, cows and bulls steady, stockers and feeders rather scarce, steady. 7 head prime 1117 lb steers 21.00; bulk sales good and choice fed steers 18.50-20.00 several lots high choice long yearling steers 20.00, few head choice and prime 1182 lb steers 20.50; early sales utility and commercial steers and heifers mostly 13.00-14.00; early bulk utility cows 10.00-11.50, later price paid more frequently, few better heavy utility cows 12.00; canners and cutters mostly 9.00-11.00; few lightweight canners 8.50 down; early sales utility and commercial bulls 13.00-15.50; part load good and choice 707 lb feeder steers 17.00.

Calves—Salable 300. Vealers opening about steady with last week's close demand moderately broad, early sales good and choice 18.00-26.00; few high choice and prime individuals up to 30.00; utility and commercial 13.00-19.00; cull and utility mostly 8.00-13.00.

Sheep—Salable 1800. Few early sales good and choice around 90 lb. shorn lambs No. 1 pelts about steady at 19.00-19.50 but market not fully established early demand rather narrow; sheep scarce, unchanged; early sales good and choice slaughter ewes 6.00-8.00.

Contractors Seeking to Organize Agency

Efforts to organize a public information agency made up of Oakland County building contractors will be launched Tuesday night at an 8 p.m. meeting in the AFL Labor Temple, 268 Pike St.

Formation plans are currently being spearheaded by James W. Asher of Oxbow Lake, head of a local construction firm. Asher represents a group of area contractors.

Purpose of the organization will be to coordinate information to the public about the advantages of dealing with licensed contractors, Asher said. Members of trade organizations and persons associated with building firms will be eligible to join, he stated.

Main speaker is expected to be an official of the Detroit Securities Commission.

Salmon is the most valuable product of Canada's extensive fishing industries.

Wheat, Beans, Rye Go Higher

CHICAGO (AP) — Wheat, soybeans and rye again whirled higher on the Board of Trade today even though activity slowed down a bit from the fast pace of last week.

* * *

Feed grains again lagged. Oats showed definite weakness at one time as the March contract continued to be liquidated. Ample receipts of cash corn and oats helped to hold back these cereals.

Wheat near the end of the first hour was ⅝ to 1⅛ higher, March $2.21⅞; corn unchanged to ⅜ lower, March $1.30; oats ⅛ to ½ lower, March 62½; rye 2 to 2¾ higher, March $1.34; soybeans 1 to 2¼ higher, March $2.62¼, and lard unchanged to 5 cents, a hundred pounds lower, May $12.45.

Buying in soybeans early again was based on strength in soybean oil, which in turn reflected recent large export allocations and the feeling there would be additional allocations because of damage to olive trees in southern European countries.

Earnings

NEW YORK (INS)—The Gillette Co. today reported record earnings in 1955 of $29,031,290 or $3.13 per share compared with $26,138,101 or $2.77 per share the previous year. Net sales climbed to $176,928,594, an increase of $14,739,925 over 1954.

NEW YORK (INS)—Earnings with the Radio Corporation of America totaled $47,525,000 in 1955 compared with $40,525,000 the previous year. The annual report released today shows sales last year of $1,055,266,000, a 12 per cent increase over 1954 and the first time RCA has passed the billion-dollar mark.

SANTA MONICA, Cal. (INS) — Douglas Aircraft Co. reported today its earnings dropped in the fiscal year ending Nov. 30, 1955 to $28,216,262 equal to $7.65 per common share from $30,156,861 or $9.80 a share the previous year. Sales totaled $867,504,228 comparing with $915,216,705 in 1954. Chairman Donald Douglas said the blacklog of orders at the end of the fiscal year amounted to $2 billion a slight increase from a year earlier.

Educators Return From Conference

Top educators in the county are back at their desks again today following the annual meeting of the American Association of School Administrators at Atlantic City.

According to Superintendent of Pontiac Schools Dana P. Whitmer, approximately 18,000 school administrators from the country attended the week long session.

Theme for the event was "Education, a Key to Lasting Peace." The discussion meetings and informal get-togethers were tied to this theme, Whitmer said.

Among the highlights of the meeting was the general session addressed by Carlos P. Romulo, Phillipine ambassador to the United States. Romulos was concerned mainly with Russia as a threat to world peace. He said that Russia, clear back to Lenin's time, had considered the closest way to London and Paris was via Hong Kong and Singapore.

Supt. Whitmer said another issue that commanded quite a bit of interest in the informal group sessions was that of segregation in the south. Whitmer said the general feeling was that elimination of segregation would take a long time.

Dies After Falls on Ice

GRAND RAPIDS (AP)—Mrs. Julia Andzejewski, 66, died Sunday at St. Mary Hospital where she was taken after falling twice on icy sidewalks while on her way home from church. Police reported at least 15 others suffered fractures in falls on slippery Grand Rapids walks.

31 Cases on Docket

Supreme Court Expected to Make Several Rulings

SUE—SUPREME COURT 17 & ol

WASHINGTON (INS) — The Supreme Court meets today after a four-week working recess and may hand down 10 or more decisions on pending cases.

* * *

On the docket are 31 legal disputes on which arguments were heard as far back as last November.

Among the more important questions awaiting decision are:

1. Whether the federal government has exlusive power to prosecute acts of sedition intended to overthrow the federal government, or whether states may also take action against such subversion.

2. The constitutionality of requiring the Communist Party to register as a subversive organization.

3. A test of the 1954 law requiring testimony when immunity from prosecution is granted.

4. Whether the DuPont Corp. has a monopoly in the cellophane industry.

Also awaiting a decision is whether the city of New York has a right to fire a college teacher for refusing to tell a Senate subcommittee in 1952 whether he had been a Communist 12 years earlier.

The list also includes the case of New York gambler Frank Costello, who is trying to upset a conviction for income tax evasion for which he was sentenced to five years in prison and fined $20,000.

In another, the government has appealed its case against former International Longshoremen's Union boss Joseph P. Ryan for accepting "presents" from an employer with whom he dealt in union negotiations. Ryan won the decision in New York courts.

The list of 31 undecided cases is slightly higher than usual at this time but is expected to be cut down by todays opinions. Last year 21 cases awaited decisions in late February.

Eight Tires Stolen From New Car Lot

An apparent ring of tire thieves, which has plagued automobile dealers this month, Friday night struck a lot at 809 S. Woodward Ave.

Eight tires, valued at $150, were taken from new cars according to the manager Richard Duncan, of Detroit.

Five similar cases have been reported to Pontiac police since Feb. 1.

Deaths in Nearby Communities

David Little

MILFORD — Service for David Little, 62, of 8694 Aqua View Dr., Route 6, will be at 1 p.m. Tuesday from the Richardson-Bird Funeral Home, Milford, with burial in Oak Grove Cemetery. Mr. Little died Friday in William Beaumont Hospital.

A county resident for 25 years and an appraisal engineer for the Ford Motor Co., Mr. Little is survived by his wife, Margaret; a daughter, Mrs. Donald T. Gay of Manchester, N.H. and one brother, James C. Little of Saline.

Mrs. Harley Cramton

LAPEER — Prayer service for Mrs. Harley (Matilda L.) Cramton, 66, of 3420 Oregon Rd., will be held at 11:30 a.m. tomorrow from C. F. Sherman Funeral Home, Ortonville. Funeral service will be at 2 p.m. tomorrow at Christ Lutheran Church, South Hadley, with burial in Christ Lutheran Cemetery. Mrs. Cramton died Saturday after several weeks' illness.

Surviving are her husband, Harley; four sons, Norman, Melvin and Harley Seebert, all of Flint, Arnold Seebert of Flushing; two daughters, Mrs. William Reid of Metamora, Mrs. George Judson of Linden; two brothers, Martin Rose of Detroit, Edward Rose of Hadley; one sister, Mrs. Louis Ross of Goodrich and nine grandchildren.

Charles K. Doyle

DRAYTON PLAINS — Service for Charles K. Doyle, 71, of Lexington, Ky., a former Drayton Plains resident, will be held at the Milward Funeral Home, Lexington, (no time stated) where his body was sent Sunday, by the Sparks-Griffin Funeral Home, Pontiac. Mr. Doyle died Friday.

He is survived by a son, John Doyle, of Naples, Fla; three grandchildren; four great-grandchildren and two sisters, Mrs. Lillian DeHate of Dayton, Ohio, and Mrs. Mary Sullivan of Dayton, Ky.

Mrs. Helen Sheldon

MILFORD—Service for Mrs. Helen Sheldon, 58, of 15945 Marilyn Rd., Plymouth, was to be held at 3 p.m. today at Richardson-Bird Funeral Home, Milford, with burial in West Highland Cemetery. Mrs. Sheldon died at her home Friday.

She is survived by a daughter, Bertha Sheldon, of Plymouth; three grandchildren; three brothers, Edgar Clark of Bowling Green, Ky., Henry of Milford and Benjamin of Flint and three sisters, Mrs. James Burley of Highland, Mrs. Harold Beagle of Milford and Mrs. Benjamin Flewelling of Pontiac.

Archibald T. Sinclair

ROCHESTER—Service for Archibald T. Sinclair, 53, of 3225 Crooks Rd., will be held at 1 p.m. tomorrow from the William R. Potere Funeral Home, with burial in Mt. Avon Cemetery. He died Saturday of injuries received when he was struck by a car Dec. 27 on Woodward Ave. in Royal Oak.

Mr. Sinclair leaves one brother, Edward of Chicago; and four sisters, Mrs. Christina Smillie of Scotland, Mrs. Jane Ploegert of Chicago, Mrs. Marion Miedl of Wisconsin and Mrs. Catherine Burnette.

Mrs. Franklin Knapp

NEW HUDSON — Service for Mrs. Franklin (Bertha Irene) Knapp, 86, of 57732 Pontiac Trail, will be held at 3 p.m. Wednesday from Richardson-Bird Funeral Home, Milford, with burial in Oakgrove Cemetery. She died Sunday.

Mrs. Knapp leaves three sons, Russell of Melba, Idaho; Harvey of Wichita, Kans.; Franklin of New Hudson; four daughters, Mrs. Gladys Hyde of Linden, Mrs. Ruby Allen of Detroit, Mrs. Alice Niestroy, of Detroit, Mrs. Doris Bannerman of Florida; one sister, Mrs. Myrtle Rice of Dearborn; 17 grandchildren and 9 great-grandchildren.

Henry W. Halsey

IMLAY CITY—Service for Henry W. Halsey, 72, a former resident here, will be held at 2 p.m. tomorrow from Lester Smith and Son Funeral Home with Masonic burial in Imlay Township Cemetery. He died Saturday at William Beaumont Hospital, Royal Oak.

Mr. Halsey leaves his wife Alma; a son, Harry of Detroit; a daughter, Mrs. Harvey Buck of Royal Oak; two brothers, Fred of Detroit, Clifford of Yale; and six grandchildren.

Cattle Buyers Jam Auctions

Farmers Bring Livestock Where Representatives Bid for Deal

GRAND RAPIDS (AP)—A "traffic jam" every Thursday around the Marion Livestock Auction in Osceola County shows veteran agricultural men the big change in cattle marketing throughout much of Michigan.

* * *

Farmers of today bring their cattle to auction houses where representative buyers bid to the tune of the auctioneer.

Oldtimes say it was much different 50 years ago, when the traveling cattle buyer was part of the rural scene.

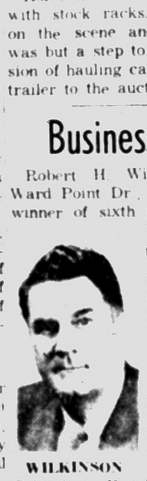
The buyer would scour an area, dickering with farmers for their surplus livestock until a deal was completed. Purchased cattle then would be driven to the nearest shipping point—often as far as 15 miles away—with nearly the entire farm family helping on the project, a minor version of the western cattle drives.

The length of the drive often meant camping out all night.

Horse-drawn wagons, equipped with stock racks, later appeared on the scene and from then it was but a step to the modern version of hauling cattle by truck and trailer to the auction center.

Business Briefs

Robert H. Wilkinson, of 3599 Ward Point Dr., has been named winner of sixth place in national 1955 sales competition among associates of the Columbus Mutual Life Insurance Co.



WILKINSON

Wilkinson is owner of the Robert Wilkinson General Insurance Co. in Pontiac.

According to Columbus officials, he is the only associate in the firm who has had a perfect persistency record during each of his nine years with the company. His life insurance sales in 1955 topped the previous year's total by nearly $475,000.

DETROIT (INS)—Donald R. Stuart will join the advertising firm of McCann-Erickson Inc. Thursday as a vice president and director of merchandising.

Stuart, for the past year general sales manager of Packard, had previously been in the General Motors organization more than 20 years.

DETROIT (INS) — Appointment of Jack W. Minor, 35, as general sales manager for Dodge cars and trucks was announced today by Byron J. Nichols, Dodge vice president in charge of sales.

Minor had served as advertising and merchandising sales manager.

Dr. F. Milton Hathaway, Pontiac optometrist, recently conferred with other U.S. vision specialists during a forum on school visual problems in Cleveland, O.

Theme of the conference was "Johnny Can Read." The event was sponsored by the American Academy of Optometry and the International Reading Assn.

Layoff Pay Plan to Start June 1

Automakers' 'Big Three' to Implement Operation of New Program

DETROIT (AP)—The United Auto Workers union says that operation of layoff pay plans now is assured for Ford, General Motors and Chrysler employes, beginning June 1.

In separate contracts with the 'Big Three", the layoff pay plans were contingent upon states in which two-thirds of a company's employes live approving the set-up.

The plans call for layoff pay from a company-financed fund on top of regular state unemployment compensation. Beginning in June workers may draw from the company fund enough, when added to unemployment compensation, to give them 60 to 65 per cent of their normal take-home pay.

States which have ruled that layoff pay will not affect a workers right to unemployment compensation were listed by the UAW as Michigan, Massachusetts, Connecticut, Delaware, New York, New Jersey, Pennsylvania, Florida and California.

The UAW said favorable rulings cover more than 70 per cent of Ford's employes, two-thirds of GM's and practically all of Chrysler's. Most of the latter's operations are concentrated in the Detroit area.

Chevrolet to Enter Heavy Truck Field

DETROIT (INS)—Chevrolet today announced invasion of the heavy-duty commercial field with 21 new vehicles in the 2½-ton class that will be built in its new truck assembly plant at Willow Run.

The company listed these as significant features:

* * *

Chevrolet's first offering of tandem axle equipment as production options, the most powerful truck engine ever featured by the company, a new automatic transmission that "promises greater safety and control of heavily loaded vehicles," and the largest school bus chassis yet offered by the General Motors division.

* * *

The announcement said it brought Chevrolet's array of trucks to 86 models on 23 wheelbases, "filling approximately 95 per cent of all truck requirements."

Pickets Let Aircraft Workers Into Plant

FARMINGDALE, N.Y. (AP)—Union pickets stood aside today and allowed Republic Aviation Corp. employes to enter the firm's strike-bound plants on Long Island.

* * *

Workers entered the main plant here in cars and on foot. It was not known immediately whether those passing through the gates were union members or other employes who have not been on strike.

* * *

The strike, now in its second week, led to violent clashes between hundreds of pickets, nonstrikers and police before the company obtained an injunction Friday against mass picketing. Scores were arrested and injured.

STATE OF MICHIGAN In the Probate Court for the County of Oakland, Juvenile Division

In the matter of the petition concerning Gary Tippett, minor. Cause No. 14059

To John Tippett, father of said child:

Petition having been filed in this Court alleging that the present whereabouts of the father of said minor child is unknown and the said child is dependent upon the public for support and that said child should be placed under the jurisdiction of this Court;

It is ordered in the name of the people of the State of Michigan you are hereby notified that the hearing on said petition will be held at the Juvenile Court, Oakland County Service Center, Court House Annex 1260-R West Blvd. in the City of Pontiac in said County, on the 6th day of March A.D. 1956 at eleven o'clock in the forenoon and you are hereby commanded to appear personally at said hearing.

It being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy hereof once previous to said hearing in the Pontiac Press, a newspaper printed and circulated in said County.

Witness, the Honorable Arthur E. Moore, Judge of said Court, in the City of Pontiac in said County, this 24th day of February A.D. 1956.

ARTHUR E. MOORE

NOTICE OF SALE
$350,000
WALLED LAKE CONSOLIDATED SCHOOL DISTRICT
OAKLAND COUNTY, MICHIGAN
BUILDING AND SITE BONDS, SERIES I

Sealed bids for the purchase of Building and Site Bonds, Series I, to be issued by Walled Lake Consolidated School District, Oakland County, Michigan, of the par value of $350,000 will be received by the undersigned at the Walled Lake Junior High School Building, 615 Ponjac Trail, Walled Lake, Michigan, until 8:00 o'clock p.m., Eastern Standard Time, on Monday, the 12th day of March, 1956 at which time and place said bids will be publicly opened and read.

Said bonds will be dated March 1, 1956, will be coupon bonds in the denomination of $1,000 each, will be numbered consecutively in the direct order of their maturities from 1 to 350, both inclusive, and will bear interest from their date at a rate or rates not exceeding 4% per annum, payable on June 1, 1956 and thereafter semi-annually on June 1 and December 1. Each bid shall state the annual interest rate or rates upon which it is submitted, expressed in multiples of ¼ of 1%. The interest rate for each coupon period on any one bond shall be at one rate only. Accrued interest to date of delivery of such bonds must be paid by the purchaser at the time of delivery.

Said bonds shall mature serially on the first day of June in each of the years 1957 thru 1967, $15,000 in each of the years 1968 thru 1972, and $20,000 in each of the years 1973 thru 1981. Bonds Nos. 216 to 350, both inclusive, maturing in the years 1975 to 1981, both inclusive, are subject to redemption at the option of the school district prior to maturity, in inverse numerical order, on any one or more interest payment dates on and after the following dates, to-wit: Bonds Nos. 291 thru 300, on and after June 1, 1960 and bonds Nos. 216 thru 290, on and after June 1, 1966. Bonds called for redemption prior to maturity shall be redeemed at par and accrued interest plus a premium on each bond in accordance with the following schedule:

$30 if called to be redeemed on or after June 1, 1960 but prior to June 1, 1963
$25 if called to be redeemed on or after June 1, 1963 but prior to June 1, 1966
$20 if called to be redeemed on or after June 1, 1966 but prior to June 1, 1969
$15 if called to be redeemed on or after June 1, 1969 but prior to June 1, 1972
$10 if called to be redeemed on or after June 1, 1972 but prior to June 1, 1975
$5 if called to be redeemed on or after June 1, 1975

Notice of redemption shall be published not less than 30 days prior to the date fixed for redemption at least once in a newspaper or publication circulated in the City of Detroit, Michigan, which carries as a part of its regular service notices of the sale of municipal bonds. The remaining bonds will be issued in registered form, as to principal and interest, payable at such bank or trust company as shall be designated by the original purchaser of the bonds.

The bonds are to be a part of a total issue of $750,000 issued for the purpose of defraying the cost of erecting and furnishing a new elementary school building and additions to existing school buildings, remodeling portions of the junior high school building and acquiring sites for school buildings, and will be the general obligations of the school district which is authorized and required by law to levy upon all the taxable property therein such ad valorem taxes as may be necessary to pay said bonds and interest thereon, without limitation as to rate or amount.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining at the rate or rates specified therein, the total dollar value of all interest on the bonds from April 1, 1956 to their respective maturities and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the school district. No proposal for the purchase of less than all of the bonds or at a price less than their par value will be considered.

A certified or cashier's check in the amount of $7,000 drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the school district must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Berry, Stevens & Moorman, attorneys, Detroit, Michigan, approving the legality of the bonds. The cost of said legal opinion and of the printing of the bonds will be paid by the school district. Bonds will be delivered at Detroit, Michigan.

The right is reserved to reject any or all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

DWIGHT L. WISEMAN
Secretary of the
Board of Education

Dated: February 23, 1956

Notice is further given that the above described issue of bonds has been qualified to the extent of 100% by the Superintendent of Public Instruction of the State of Michigan pursuant to Act No. 151 of the Michigan Public Acts of 1955.

DWIGHT L. WISEMAN
Secretary of the
Board of Education
Feb. 27, 1956

Death Notices

DAVIS, FEB. 26, GERTRUDE E., 914 Vaughan St., Ann Arbor. Funeral service will be held Tuesday, Feb. 28, at 3 p.m. from Muhling Chapel, Ann Arbor. Interment at 4:30 p.m. at Davisburg Cemetery. Funeral arrangements by the Davis-Graham Funeral Home, Fenton.

DOYLE, FEB. 24, 1956, CHARLES K., 702 Franklin Ave., Lexington, Ky. (formerly of Drayton Plains), age 71, dear father of John Doyle, dear brother of Mrs. Lillian DeHate and Mrs. Mary Sullivan. Mr. Doyle was sent from the Sparks-Griffin Funeral Home to the Milward Funeral Home, Lexington, Ky., for service and burial. Funeral arrangements by the Sparks-Griffin Funeral Home.

Networks Solidly Oppose Pay-as-You-See Television

Bing Crosby Rejects $50,000 Tobacco Plug

By EARL WILSON

NEW YORK—Joe DiMaggio's newest "Swedeheart"—Zahra Norbo of Gothenburg, Sweden, and Hollywood—made a mistake when she first dated Joe at the Elysee. "I thought," she told me, "he was a football player."

★ ★ ★ ★

Vivian Blaine and mgr. Mannie Frank lunched chummily at Bob Olin's, she kissed him goodby—and flew to Nevada to sue him for divorce . . . Tallulah moved into her town house; being a jazz fan, she'll hold a "house-cooling."

★ ★ ★ ★

Bing Crosby has an offer of $50,000 and two cars to endorse a tobacco, but he can't afford to make any more money . . . Shirley Booth went to pose for Photographer Cecil Beaton who, after a fancy entrance, said, "But you're not photogenic!" Miss B. floored him with, "That's why you're here."

★ ★ ★ ★

They were introducing "the Earl Wilson Cha Cha Cha" at Roseland; so E. W. showed up. Samples of dialogue I heard while dancing with Olga: "Oil can't dance the Cha Cha Cha because the count is too high for him—it goes all the way up to 3" . . . "Wait'll you see him do the mambo" . . . "I waited to see him do the mambo and I'm still waiting to see the mambo" . . . "You're just cruel" . . . "Well, I'll say this for him; on the rhumba, he did a h—— of a shag!"

★ ★ ★ ★

Mrs Tommy Dorsey (ex-dancer Janie New, mother of two) is seeing her barristers about a divorce and a big bundle of bucks . . . The Duchess of Windsor was at the Colony with S. H. Vallance of ye old financial district . . . Benny Goodman's virus and slipped disc caused him to miss two Waldorf shows and the opening of his very favorite movie.

★ ★ ★ ★

Frank Parker—who had Arthur Godfrey's best wishes when he opened at the Las Vegas Desert Inn—took out a gag that went: "I never know whether I'm working till I read the evening papers."

★ ★ ★ ★

Helen Traubel's licked laryngitis so everybody at "Pipe Dream" is happy, including those who saw Temple Texas dent her brand new car when showing it off to the cast. Asked how she came by it, Miss Texas said, "Oh, I found it in the subway."

★ ★ ★ ★

Joan Crawford—poor thing—has a reversible mink coat; white mink one side, ranch mink the other; got too bulky so they had to cut out some of the ranch mink. Value: $35,000 . . . The late Joe Laurie Jr.'s jokes, out in Pocket Book form collected by Jerry Lieberman, say: "She's been on a diet for three weeks and all she's taken off is her hat."

★ ★ ★ ★

SMALL TOWN STUFF: Leon Henderson, the National Price Administrator under F.D.R. likes to boast of the native sons of his hometown, Millville, N. J.

They include: Dr. Elmer Hess, president of the American Medical Association; Dr. Benjamin Weatherby, vice president of Amerada Petroleum Co.; William Dougherty, secretary of United States Rubber; Jack Mohr, president of Lentheric Co. and newly elected head of the famed Touchdown Club, and William Haines, administrator of the New Business and Defense Administration.

Not bad for a community of 16,041 people!

THE MIDNIGHT EARL . . .

Grace Kelly's mother's taking old friend Mrs. Marie Magee (of N.Y.C.) along to the wedding . . . Shelley Winters had the cast off her leg, but ain't unfettered enough yet to marry Tony Franciosa, says she . . . Young Charles Evans of the dress biz is marrying pretty Barbara Hock in April.

Rita Gam, reported in romances with Joe DiMaggio, says, "Romance? I wish someone would introduce us" . . . Jackie Gleason's press agent, Lee Myers (who won $100 betting that JG'd outpoint Como last week) has a $20 wager with Perry's att'y, Jack Katz, that it'll repeat . . . Prof. Kinsey's in Europe asking Those Questions . . . Paulette Goddard's shopping for a B'way play . . . Cathryn Damon gets her big chance in the off-B'way show, "Best Foot Forward."

CATHRYN

Some of the Toots Shor mob went to Washington to see Jimmy Healey sworn in as a Congressman . . . David O. Selznick is en route to a European vacation . . . Sales of scandal mags are off 35 per cent . . . Young Susan Strasberg dated producer Harold Prince over sodas at Hicks.

Boxer Archie Moore will become a sportscaster . . . Nat "King" Cole made a 12,500-mile hop between jobs—Australia to Miami . . . The female star of a long-running B'way hit is belting the bottle . . . Joe Cook, famed comedian of yesteryear, is confined to a wheelchair . . . Marilyn Morrison (Johnny Ray's ex) is a hot romance item with Larry Kassover, of a sporting goods chain.

★ ★ ★ ★

EARL'S PEARLS . . .

"A lot of people are smarter than they look. They ought to be."—Frances Rodman

WISH I'D SAID THAT: Cab Calloway recalls this line: "If a man still has his appendix and his tonsils, chances are he's a doctor."

TODAY'S BEST LAUGH: Jack Shandlin tells of the lush who blamed his troubles on bad company: "I had a quart of whisky—and my friends don't drink."

"The way traffic is here," grumbles Morty Gunty, "instead of getting a ticket for parking, you ought to get a medal." That's earl, brother.

(Copyright 1956, the Hall Syndicate, Inc.)

Dispute Involves Plenty of Money

Supporters, Foes Both Speak From Positions of Self-Interest

By JOE WILLIAMS

The major networks are solidly arrayed against pay-as-you-see television. This is altogether normal and logical. Their entire economy is founded on commercials. Pay-as-you-see, on the other hand, is designed to support itself.

* * *

Television is big business with a capital $. The public has spent $15 billion on sets and service; two of every three American families have one or more sets.

NBC and CBS are the twin giants of the airways, followed by ABC and Du Mont. It follows they do most of the business. For their last fiscal year they whacked up $800 million among them.

How big a threat pay TV would pose to the networks' aggregate take is conjectural . . . just as everything concerning pay-as-you-see is at this stage, including its ultimate disposition at the hands of the FCC.

* * *

It is noteworthy, however, that none of the big networks wants any part of it at all. Gen. David Sarnoff seems to be the most influential figure in the industry, and he is aggressively outspoken in his opposition.

He challengingly declares free TV programs are an American tradition, for which any right-thinking viewer ought to be proud to die at the barricades.

A BIT PREJUDICED

That's fine. But how can we be sure the general speaks from his heart, and not his safe-deposit box? After all, he's chairman of the board at NBC.

* * *

This is a flashback to June and we are attending a stockholders meeting of Paramount Pictures, and Barney Balaban, the president, is speaking:

"It now seems clear that irresistible economic forces make some form of pay television inevitable. Experience shows that more and more quality programs . . . particularly in sports . . . are being withdrawn from sponsored television.

"There is far less freedom in TV than in any other form of entertainment . . . a few executives and a handful of sponsors determine what the public shall see.

* * *

"It is the promotion of products that dictates the kind of programs we have on television . . . the sale of merchandise, rather than inherent values, that sets TV standards."

MORE SELF-INTEREST

That was nice going, but, as in the general's case, it was not easy to establish the disinterestedness of the witness, since Balaban's company owns 54 per cent of Telemeter, potentially the biggest of the pay-as-you-see deals.

* * *

It should be noted, incidentally, that when Balaban warned about additional quality programs going off the air, he meant the free air. Where they are going is into theaters, over a closed circuit.

What this amounts to is pay-as-you-see television the hard way. It costs more and you've got to go out and get it, besides.

The key question regarding pay-as-you-see television has always been whether viewers, conditioned to free shows, would pay for them?

* * *

Students of customer response have testified that the success of theater TV has answered that question beyond any possible doubt.

Hunt Boy Who Bombed New York Moviegoers

NEW YORK (INS) — An unidentified Puerto Rican boy who dropped a "cherry bomb" from the balcony of a Spanish-American movie house onto orchestra patrons was sought by New York Police today.

The explosion injured five women and sent the theater's 400 patrons into a near panic yesterday. The audience had been watching a film entitled "If I Should Die Tomorrow."

U.S. Diplomat Killed by Fall in Singapore

SINGAPORE (INS) — Robert Stevens, American vice consul in Singapore, was killed yesterday when he fell from the fifth floor of Singapore's Cathay Hotel.

Stevens, a native of Boston, was assigned to the Singapore Consulate last year.

5:30—(7) Mickey Mouse Club. (9) Howdy Doody. (9) Howdy Doody.

Jackson Blasts Air Secretary

Senator Says Quarles Is Trying to Minimize Red Progress

WASHINGTON (INS) — Sen. Henry M. Jackson (D-Wash) said last night that Air Secretary Donald A. Quarles is trying "to prepare the American people for the worst"—that Russia will have a ballistics missile before the U. S.

* * *

Jackson charged that the Pentagon official is doing this by "minimizing" the importance of the 1,500-mile super-rocket so that the nation won't be so "concerned" when the Communists announce their achievement.

The senator, an outspoken critic of administration military policies, was appointed Saturday to a special armed services subcommittee to probe the nation's air power and guided missiles program.

Appearing on NBC's televised "Meet the Press," Jackson warned that Russian gains in missiles development may enable them to use "ballistics blackmail" against the free world.

* * *

"It could cause our allies to force us to get out of our overseas bases every place in the world," he explained.

DISPUTES CLAIM

Jackson, who claims the Russians will have the 1,500-mile rocket by the end of the year, disputed contentions by Quarles that the intermediate missile poses no greater threat than jet bombers.

Man Mourns 4th Son Killed in Car Accidents

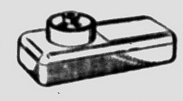
DOVER, N. J. (INS)—A retired Mount Hope mine worker mourned today the death of his fourth son in five years—all killed in car accidents.

Joseph Jenkins, 62, previously had lost three boys in "high speed accidents." Yesterday another son died when his car jumped a curb.

Jenkins was consoled by his five surviving sons and three of four surviving daughters.

Pair Cruises to Orient

LOS ANGELES (AP) — Comedian Jack Benny's adopted daughter Joan, 21, and Beverly Hills haberdasher Bud Rudolph, 31, are off on a honeymoon cruise to the Orient. Married last Thursday in Reno, Nev., the couple sailed Saturday aboard the liner President Wilson. The comedian and his wife Mary Livingston saw them off.

Unbelievable . . . But It's True!
A Completely, Self-Contained
HEARING AID


Weighs ½ Ounce
Wear It On or Behind the Ear
No Cords on the Neck or Body
Many people have said, "When they make a Hearing Aid I can wear on the ear, I'll get one." Now it's here! New ease, comfort and clarity of hearing. No more asking others to repeat, or annoying the family with loud, noisy TV. Examine it, try it without obligation. This new miracle ear can open a new life to you.

Rabbits Get Cancer From Tobacco

ST. LOUIS (AP)—Dr. Evarts A. Graham, noted chest surgeon who made the first extensive study of the possible relationship of cigarette smoking to lung cancer, says that painting the ears of rabbits with tobacco tars has produced "very malignant cancers."

* * *

He said in a speech last night this disclosure is "additional evidence that cigarette smoke contains a factor that will produce cancer in experimental animals of unrelated species." He and his staff had produced cancers in four strains of mice in recent years.

He said these studies, combined with "strong statistical evidence of a casual relationship between heavy cigarette smoking and lung cancer," constitute "about as strong evidence that cigarettes can cause lung cancer as can reasonably be expected."

* * *

"However," he said, "it should be stated that, in exceptional cases, cigarettes are not the cause of the lung cancer but that other factors are operative"—and in some cases "the cancer-producing factor in cigarettes may be working with another cancer-producing factor from industrial pollution of the atmosphere."

Dr. Graham made his remarks while accepting the 1955 award for outstanding service to medicine and pharmacy by the Alumni Assn. of the St. Louis College of Pharmacy and Allied Sciences.

The cancer in the rabbits was "even more malignant than those obtained in mice," he said. "The cancer spreads to practically all of the organs of the rabbit including the heart, the lungs and the liver."

Relating this to humans, he said if a man smokes cigarettes excessively for 25 or 30 years, he would be between 40 and 50 years old "and by our findings be on the threshold of developing lung cancer."

SUIT OF CLOTHES — Bosomy Italian screen siren Sophia Loren is being sued by a tailor in Rome. He says he decked Sophia, her mother and sister out in clothes at the start of her movie career. In return, he says, he would get picture credits as her tailor. She was also supposed to pay for the material. Sophia shrugs off the suit as a "publicity stunt."

Officials of Colombia expect a 1,000,000-bag reduction in coffee stocks in the next two years.

Try the Squeeze Test for Validity

240 Times, Toothpaste Tube Should Produce 10 Feet of Paste

NEW YORK (INS)—Bet you didn't know that your toothpaste tube gets squeezed 240 times before it's empty.

The fact of the matter is that if you were to put one big squeeze on the average three-and-a-quarter ounce tube, it would produce a continuous ten-foot ribbon of paste.

Experts figure most people put about a half-inch of toothpaste on their toothbrushes—so it's easy to see how much punishment those thin aluminum tubes can take before they're emptied.

Time was when the metal cracked under this strain. Now the tube outlasts the contents, mostly because of a new tempering process developed by fuel engineers in the gas industry.

When first extruded from aluminum blanks, toothpaste and shaving cream tubes are stiff and unwieldly. After being passed through a four-stage, continuous annealing furnace they are soft and pliable—and stay that way permanently.

Jail Sleeping Vagabond for Snoozing in New Cell

LOUISVILLE, Ky. (AP)—For sleeping in one jail, Coleman R. Lee, 52, was locked up in another jail.

He was found snoozing in a third-floor cell of Louisville's new police building. Trouble was, that cell block hadn't been opened.

Lee said he had slept there 24 times recently by taking a self-service elevator. He was charged with vagrancy.

EXHAUSTIVE CLINICAL TESTS PROVE DR. EDWARDS' OLIVE TABLETS 58% MORE EFFECTIVE THAN OTHER LAXATIVES!

261 constipation cases tested prove OLIVE TABLETS give you Nature's ideal regularity!

Medical evidence finally promises you thorough, safe, natural relief from that miserable, sickening feeling of irregularity! Leading doctors in a prominent medical center have just finished testing 7 popular, well-known laxatives. These are the facts based on clinical records of 261 patients, from 11 to 87 years old, suffering from acute and chronic constipation:

DR. EDWARDS' OLIVE TABLETS, made from pure-vegetable drugs and plant herbs, gave thorough, gentle, effective results in 9 out of 10 cases! OLIVE TABLETS were *58% more effective*—with less unpleasant effects—than all the other laxatives tested!

The doctors found, too, that OLIVE TABLETS function naturally, work only on digested food in the lower bowel, without causing undue weakness or removing nourishment that your body needs. They're unsurpassed as a laxative for temporary constipation. Sold by all druggists.

For a reprint of this doctors' report, published in "Clinical Medicine," write: The Olive Tablet Company, Box 277, Station A, Columbus 1, Ohio.

Dad's already started planning for college!

When someone's counting on you...

you can count on life insurance

The time between your boy's grade school days and college years passes all too quickly. And it's precious time for any parent. A time for careful planning . . . a time to make sure there *will* be college in the years ahead.

You can use your life insurance to help you meet this responsibility. Each year life insurance money helps provide an education for thousands of boys and girls. By earmarking one or more of your policies for college expenses, you are making sure your children can have the education they need—even if you don't live to see them through.

This is one of the ways that *you* can count on life insurance . . . and one of the reasons why it is America's most widely used form of thrift.

Yours free!

Probably your present life insurance policies can be arranged to provide an educational fund for your children. The best person to advise you on this, of course, is your own life insurance agent.

You'll also find many helpful suggestions in the new booklet, *Your Life Insurance—and How to Use It.* It tells you different ways to use life insurance for educational purposes, for family protection, for your own retirement. Your free copy will be mailed promptly; simply send your name and address on a postcard to Dept. G.
