Iraqi Troops Reported Near Syrian Border

Denies Attempt to Embarrass Sen. M'Namara

Mundt Hits Report of Union Probe Aimed at Michigan Solon

WASHINGTON (AP)—Sen. Mundt (R-SD) has denied a published report that he and two Republican colleagues on the Senate Rackets Investigating Committee are "trying to cook up an investigation they hope will embarrass" Sen. McNamara (D-Mich.)

The report was made by columnist Drew Pearson.

Mundt denied it in a statement late yesterday. He said, however, that he and Sens. Ives (R-NY) and Goldwater (R-Ariz) have received a "disturbing" report about some labor practices in the Detroit area.

McNamara is a member of the committee and a former president of Detroit Pipe Fitters Union Local 636.

Ives also issued a statement calling Pearson's column "inaccurate and misleading." Ives said he, Mundt and Goldwater did meet in his office recently with a person who voiced "certain charges" about the situation in Michigan.

"But by no means did I or anyone else present connected with the U. S. Senate suggest any investigation which might embarrass any member of the U.S. Senate," Ives said.

"I am confident that Sen. McNamara is an honorable gentleman and it is deplorable that these unsubstantiated charges have been aired."

Ives said he did not feel the charges even warranted his mentioning them to Chairman McClel-

New Aerial Photograph of Business Area Shows Recent Additions

PARKING FACILITIES GROWING—This recent aerial photograph of Pontiac's downtown business area shows many of the changes that are taking place. At top right of the picture is the new City Hall and to its left the new Public Safety Building. Michigan Bell Telephone Company building (in top left) shows construction work in progress for an additional floor. Increasing downtown parking space, both public and privately operated, is shown by this bird's-eye view of the area. Top of the picture is to the east. The photograph was taken for the Press by Homer Tinney, aerial photographer, from an elevation of about 1,000 feet. His plane was approximately over Pontiac High School at the time.

Jordan Crisis Fans Tensions in Arab Lands

Israel Says That Egypt Is Openly Attempting to Overthrow Hussein

JERUSALEM, Israel (AP)—Private reports reaching Israel today said Iraq has moved troops to areas near her border with Syria. The reports lacked official confirmation here.

Iraqi troops previously have been reported near the Jordan frontier.

It appeared from reports here that tension is mounting among the Arab nations, with Iraq lined up with Jordan against Egypt and Syria.

An Israeli Foreign Office spokesman, Moshe Leshem, said Egypt has now "come out in the open" in seeking overthrow of the Jordan government.

See Related Story on Page 2

The reports of the Iraqi troop movements reached here a short time after the government-operated Kol Israel (Voice of Israel) radio reported that Iraq had warned Egypt and Syria against attempting to bring about Jordan's collapse.

The radio said Iraq had declared she is ready to undertake a "widespread military operation" that would pit Arab against Arab if Syria or Egypt bring about a dismemberment of the Hashemite kingdom.

★ ★ ★

It said Iraq's ambassadors in Cairo and Damascus had been instructed to convey the warnings and to lodge a complaint against the interference by the two countries in Jordan's affairs.

UPHOLDS HUSSEIN

Israeli spokesman Leshem said this country wants Hussein to stay in power and doesn't want "Jordan to fall apart."

If Iraqis move into Jordan, he said, Israel would suddenly find herself with a neighbor who had signed no armistice agreement and "we are not particularly in need of hostile neighbors."

Symphony's Loss Is Charity's Gain

Artist Jack Benny Fiddles While Music Lovers Burn

LOS ANGELES (AP)—The Los Angeles Philharmonic Orchestra may never be the same.

Jack Benny, 39-year-old violinist of Waukegan, Ill., made a guest appearance with the orchestra last night at Philharmonic Auditorium. He played selections from Sarasate, Mendelssohn and Rimsky-Korsakoff. All three composers lost.

Such music lovers as Frank Sinatra, James Stewart, Claudette Colbert, Dana Wynter, Clifton Webb, Gregory Peck, Ann Miller and Sam Goldwyn paid $100 a seat to hear Mr. Benny's West Coast debut as a concert artist. The event was for the benefit of Cedars of Lebanon Hospital.

Charity netted a reported $100,000. What happened to music is another matter.

Immaculate in white tie and tails, the violinist played vigorously while carrying on a running feud with the concert-master. The latter interrupted with violin solos and was removed from the stage at the request of Mr. Benny.

STARES REFLECT GENIUS

The comedian's stares were more eloquent than his cadenzas. But here and there was evidence that he might have gone farther with the fiddle if he had applied himself more back in Waukegan.

Between numbers he confessed to the audience that he had the feeling of not being needed by the orchestra — "like being stranded on a desert isle with Jayne Mansfield — and her boyfriend."

Albert Goldberg, the Los Angeles Times music critic, had this to say about Benny's playing:

". . . As a violinist Mr. Benny has a small but offensive tone, and he apparently uses goose grease instead of resin on his bow."

Mother Rescues Children in Fire

Area Woman Saves 5 From Burning Home Following Explosion

A Waterford Township mother was credited with saving the lives of her five children when an explosion and fire gutted their $20,000 home on Elizabeth Lake at 8 p.m. yesterday.

Mrs. William Jenkinson, 38, of 4660 Sherbourne Ave., was bathing her three-year-old daughter Patty when an explosion in the basement sent flames shooting through the floor.

★ ★ ★

She rushed to the basement apartment where her 14-year-old son Billy was asleep, ill with a high fever, and dragged him outdoors.

Mrs. Jenkinson then rushed upstairs and rescued the other four children, Patty, Mike, 10, and twins John and Jim, 6. Her husband, William, 40, was visiting relatives at the time of the fire.

Neighbors called Waterford Township firemen who said the fire started when fumes from an outboard motor used by the children during the afternoon were ignited by a nearby hot water heater. A five-gallon can of gasoline helped spread the flames which completely destroyed the home's interior.

★ ★ ★

Jenkinson works at American Forge and Socket Co., Pontiac. The loss was estimated at $18,000 and was partially covered by insurance.

Dying Mother's Request Fulfilled as Brothers Meet

A dying mother's request was fulfilled yesterday when a Pontiac man was united with a brother he had never seen.

The dramatic encounter occurred at a New York pier when Harry G. Pappas, 60, of 740 E. Pike St., embraced his younger brother, the Rev. Stefanos Pappas, 41, pastor of an Athens, Greece, church.

★ ★ ★

Harry Pappas recognized his brother instantly from pictures he had received. "I tried to walk past him to see if he would know me, but he recognized me, too," he said.

"We shouted, 'Brother, brother,' and then we both started to cry," recalled Harry Pappas, who was in the restaurant business before a heart condition forced his retirement.

He left Greece in 1907, before the birth of two sisters and his clergyman brother.

★ ★ ★

The Rev. Mr. Pappas, who does not speak English, is the pastor of St. Constantine Church in Athens and an aide to the archbishop of Athens.

He told his brother that their mother frequently expressed a wish to see him.

"Before she died," Harry translated, "my brother promised if I couldn't come, he would go to the United States and see me."

The opportunity to make the trip was afforded when the clergyman was assigned by his church to conduct Easter services aboard the liner Queen Frederica bound for New York.

The ship sails for Greece today, cutting the visit short.

'Can Outgrow Heart Disease'

Many Healthier at 60 Than in Their Youth, Says Dr. White

ANN ARBOR (AP)—Dr. Paul Dudley White, the Boston heart specialist who attended President Eisenhower following his heart attack, says an individual can outgrow heart disease.

Dr. White, in a speech at the University of Michigan last night, said many of his patients were in better health at the age of 60 than they had been when they were younger.

"Many of my heart patients were much better 20 years after they first came to me with coronary disease," Dr. White said.

★ ★ ★

He explained that heart disease is not chronic and frequently the scar left on the heart by the disease heals as well as a broken bone mends.

NO PROOF

"There is no proof that stress can cause coronary," he said. "And we shouldn't pamper ourselves with tranquilizers to ease tension."

Dr. White advised physical activity which he said has a soothing effect on health.

"I believe regular exercise is good for the heart and the circulation of the blood," he said. "It decreases tension."

"Regular exercise has been beneficial to the President as long as he takes a regular siesta."

★ ★ ★

Concerning the effects of tobacco and alcohol on the heart, Dr. White said he believes they do not produce the disease.

"But I would think you should avoid excess use of alcohol," he said, and then added, "Alcohol doesn't protect you from heart disease."

Weather also is not a cause, he said. "Although cold does aggravate those already affected more than heat."

Dr. White said smaller and thinner people are less apt to be afflicted with the disease.

Tornado Forecast

A tornado and severe thunderstorm warning for the Southern portion of Michigan was issued just before noon today by the U. S. Weather Bureau in Detroit.

The Weather Bureau said thunderstorm activity developing in central lower Michigan is expected to become widespread this afternoon, with tornadoes and sever thunderstorms likely in the central and southern portions until 6 p.m. tonight.

The weather outlook otherwise for Pontiac tonight and tomorrow continues to be warm, with scattered showers or thunderstorms.

The mercury dipped only to 60 last night and was expected to reach a high of 80 to 82 today. The low tonight will be 60 to 64. Tomorrow the high will be near 80.

Some local residents became tornado jittery yesterday afternoon as three tornado - shaped clouds were sighted in the Milford-Brighton area, but the funnels failed to dip below cloud level.

The temperature at 2 p.m. was 82.

Jets Go to Panama; Mock Canal Defense

FORT CLAYTON, C. Z. (AP) — Supersonic jet fighters, jet fighter-bombers and light bombers headed for Panama from their U. S. bases before dawn today to help fight off a mock attack on the Panama Canal.

Their target was an "enemy" beachhead near the ancient fort of San Lorenzo, Spanish bastion three centuries ago.

★ ★ ★

A swarm of U. S. naval ships began concentrating off the beach during the night, ready to put the invading Marines ashore by helicopter and landing craft.

★ ★ ★

The morning's mock battle plan called for a shift in the fighting locale from Lorenzo beachhead to a critical point on the vital canal, near Gatun lock at the Caribbean end of the waterway.

That point also was a target for helicopter-carried Marines.

Stassen Flies to London

LONDON (AP)—Harold E. Stassen flew back to London today for the second stage of the United Nations Disarmament subcommittee talks.

Smelt Run in St. Clair

PORT HURON (AP) — The season's heaviest smelt run developed in the St. Clair River last night.

'Spunkiest Woman of the Year' Title Goes to Mrs. Wilson for Scolding Ike

WASHINGTON (AP)—Mrs. Charles E. Wilson holds the title of "Spunkiest Woman of the Year" for coming to the defense of her husband—the secretary of defense.

★ ★ ★

She got the accolade in a scroll presented by the Women's National Press Club last night, and called it "the most wonderful thing that's happened to me since I married Charlie."

"That, of course, was the biggest day in my life," she added.

Gray-haired, smiling Mrs. Wilson told the newspaperwomen that in Washington "you stand by and say nothing for so long . . . all of a sudden you get ulcers and then you say what you think . . . that's what I did. I'm not sorry. I'm so glad I did."

Mrs. Wilson drew headlines across the country last January when she rebuked President Eisenhower for what she said were "uncalled for" remarks about her husband. She said she "got mad" when the President commented that Wilson had made an "unwise" statement in accusing some National Guard members of draft-dodging during the Korean War.

Secretary Wilson, who also attended the party in honor of his wife, announced he was "proud of the way Jessie stood up for me, but I wasn't surprised."

Her remarks, he added, were "very well timed and understood across the country. People still wanted to argue with me, but no one wanted to argue with Jessie."

MRS. C. E. WILSON

★ ★ ★

The press club sang "The Ballad of Jessie Ann"—a song parody outlining Mrs. Wilson's stand in behalf of her husband. The refrain went like this:

"Oh Jessie,
"Didn't get messy
"But spoke her piece so loud and strong
"That even Eisenhower
"Had to toss a flower
"To the wife whose husband couldn't be wrong."

Mrs. Wilson recalled that after her blow-up the President invited the Wilsons to fly south with him in the presidential plane. She said it was "a nice thing for him (Eisenhower) to do . . . it was a smart thing for him to do."

★ ★ ★

She revealed that as they went aboard, Wilson suggested to the President: "Let's put her in the middle."

"I was already in the middle," Mrs. Wilson said with a smile.

Holds Distinguished Record on Seas

Villiers Adds New Epic to Career

By DENIS N. HAWKER
Visiting Australian Journalist

For six weeks I can bathe in a little reflected glory — as a compatriot and former journalist on my home newspaper rides the broad Atlantic in command of the Mayflower II, a replica of the tiny wooden sailing ship which brought the Pilgrim Fathers to the New World.

HAWKER

Fifty-four year-old Alan Villiers, a top ranking world authority on the sea and sailing ships, began his celebrated writing career as a newspaperman on the Hobart Mercury, Tasmania, Australia.

That was in the mid 20's. But Villiers had begun much earlier the career at sea on which his books are based.

Born in Melbourne, the 1956 Olympic Games city, Villiers went to sea before the mast in British sailing ships at the age of 15. Even in those comparatively enlightened days rounding the Horn in a windjammer was no sinecure and certainly no calling for the frail and nervous.

The old hands worked on the principle that there was nothing like four hours shortening sail in a 60 mph gale on icy rigging 200 feet above a heaving deck to make a man of an apprentice.

★ ★ ★

After five years under British sail, Villiers voyaged with Scandinavian ships and Antarctic whalers in the ice-strewn ocean at the bottom of the world.

But the ambition to write took him ashore in the busy port of Hobart where he managed to persuade a reluctant editor of the Mercury to give him a trial.

Some of my older present day colleagues recall some of the graphic stories of the sea Villiers gleaned where his more experienced fellows failed to see news.

But the sea called again and he shipped out in a Finnish vessel engaged in the traditional grain race from Australia to Europe round the Horn. He stayed with these ships until 1934 when he bought the famous full-rigged Joseph Conrad and sailed her round the world as a training vessel.

★ ★ ★

Villiers, however, felt he would not know enough about sailing ships until he had voyaged with the Persian Gulf and Red Sea Arabs in the seas near the cradle of the world. He shipped in the Arab dhows — beautiful and graceful

(Continued on Page 2, Col. 6)

Texas Again Struck by Violent Storms

DALLAS (AP) — Violent thunderstorms and at least one unconfirmed tornado raked portions of storm-battered Texas today as the last remnants of a squall line that touched off almost a week of turbulence swept deep into the eastern part of the state.

Creeks and rivers swollen by the heavy spring rains flooded roads and some residential areas, but the water was receding around flood-plagued Waco.

★ ★ ★

An unconfirmed tornado struck the small East Texas town of Douglass, 16 miles west of Nacogdoches, uprooting trees, knocking down power lines and tearing part of a roof off a school.

One tree crashed into the school gymnasium. Fallen trees blocked State Road 204 near Douglass.

Israel Keeps Alert, Plays Waiting Game in Midst of Arab Unrest

JERUSALEM (INS) — War could come swiftly and easily to the Holy Land, peace only by a long, slow and tortuous road.

The Israelis are set to start with tremendous speed if war does break out, but they are confident of eventually living in peace with their Arab neighbors. They don't know when.

The optimistic think it is possible that in five or ten years some Arab leader will arise with enough strength and courage to make peace with Israel. Once one does, the Israelis are convinced the others will follow.

And until such an Arab leader arrives on the scene the Israelis will be constantly ready to fight a defensive or preventive war.

There is little or no difference in those kinds of wars to the Israelis, who in one place above Tel Aviv have only a ten-mile strip of coastline between Jordan and the sea. That is why they are ready to leap from their marks at the first sign of a threat.

TELL STORY

Israelis like to tell a story, which may or may not be true, that a visiting American military man offered the opinion that the solution to their problem with the Arabs would be to create a buffer zone.

★ ★ ★

Asked how wide a zone, the American supposedly replied "About 20 miles." The wry Israeli reply was, "Fine, if you give us the Sixth Fleet as a base for our army."

For the immediate future the Israelis see little likelihood of a conflict. They claim Israel struck Egypt last October because it was known the Egyptians were building for an attack.

Now official sources claim they know Egypt is far from ready to launch an assault.

ISRAEL WILL ACT

Officials, including foreign secretary Golda Meir, stress, however, that if either Syria or Iraq moves troops into Jordan near the Israeli frontier Israel will have to act. Mrs. Meir limited her statement to a declaration of intention to take steps to protect the nation's security.

★ ★ ★

Privately, other officials are less reticent and envisage three possibilities which could make Israel fight.

1. The movement of Syrian or Iraqi troops into Jordan's bulge that includes half of the city of Jerusalem.

2. Arab armed interference with Israeli shipping to the Gulf of Aqaba port of Elath.

3. A significant increase in the current frontier disturbances which include firing from Syria, raids from Jordan and theft forays from the Gaza Strip.

RIGHT TO SUEZ

The Israelis insist further on the "right" to sail the Suez Canal, but they do not indicate an intent to fight for it.

Western diplomats believe Israel would hesitate before mounting a retaliatory attack again. The westerners feel Israel's sensitivities were hurt badly when the United Nations branded her the aggressor in the Sinai desert. They think the Israelis are reluctant to run that risk again.

★ ★ ★

On the other hand, the Sinai campaign is assuming the highest place in Israeli psychology. Whatever fears Israel may have had of the Egyptian army with its Soviet tanks, and air force with Soviet jets, was dissipated by the five-day Sinai swoop.

Today Israelis are blatantly confident they can whip Egypt anytime they set about it. They don't sabre-rattle their confidence but quietly and calmly explain that under certain conditions they would knock out the Egyptian army in order to prepare to repel an attack from another source.

That is the attitude they take about a possible Iraqi-Syrian move into west Jordan.

Government people talk about the possibility as if planning a move in a chess game. One said:

★ ★ ★

"If the Iraqis move in Jordan it would take them at least two weeks to establish bases from whence to attack us.

"It is axiomatic to our strategic planners and the government that our security would be vitally endangered if two strong Arab armies are on our frontiers.

★ ★ ★

"Therefore, during the two weeks the Iraqis were establishing Jordan bases we would have to eliminate the Egyptian army threat and then prepare to face the Iraqis if necessary."

Since Sinai, the Israelis don't feel they are boasting when they talk like that. They have proved to their own satisfaction they can do it. Not that they ever lacked confidence.

One day last fall an Israeli told an American friend:

"Just for your convenience, don't count on keeping any social engagements you may have next week. This weekend is okay and so is next but during the week people might be unavailable."

They were. They were with the army in Sinai fighting the Egyptians. And they were back for the second weekend.

Northside Loses Railroad Battle

Commission Turns Down Motion to Drop Plans on Grand Trunk

A group of northside residents lost a second battle last night to divert the Grand Trunk industrial support yard from their neighborhood.

A motion engineered by Commissioner Floyd P. Miles to break off negotiations with the railroad for the proposed north end site, was voted down 5 to 2 by the City Commission. Commissioner Gilbert W. Long supported Miles' resolution.

★ ★ ★

Residents were assured that the city would re-negotiate with Grand Trunk on several points they felt were objectionable in a contract covering construction of the $700,000 yard south of Walton boulevard and between Stanley and Baldwin avenues.

The railroad seeks to build the yard to provide increased switching facilities for both Pontiac Motor and Fisher Body Divisions.

Northsiders lost their first battle last November in trying to keep the marshalling yard out. The commission voted 4 to 3 for it to be built.

★ ★ ★

Miles contended last evening that there were "loopholes" in the contract, and that the area is not properly zoned to place the yard there.

He received support from State Rep. Leslie H. Hudson, Rev. David Mortensen, pastor of the Marimont Baptist Church, the Wever-Owen-Hawthorne Community Club, and several residents.

But other commissioners stress that the northside location had been voted on in November, and that the purpose of the meeting was to discuss the contract.

★ ★ ★

The city and the railroad may appoint a neutral observer if they cannot agree on a price for a three-acre city-owned parcel needed by Grand Trunk. The city appraised the land at $20,600, the railroad at $16,600.

Grand Trunk also agreed to plant a "green belt" along the north side of the yard, an evergreen vine on the south, and fence along both sides. These too were provisions asked by city officials.

Among other items in the contract, is one to provide for construction of a $66,000 pedestrian overpass at Carlisle. Both parties would share in its cost.

Japanese Hold Lead

Need to Insure Democracy in Labor

Solons Consider Protecting Union Funds

WASHINGTON (AP) — Sen. McClellan (D-Ark) said today insuring democracy in labor organizations and safeguarding union funds are the two main lines for legislation indicated so far in Senate rackets hearings.

McClellan, chairman of the special Senate committee investigating improper labor-management practices, said he commended President Eisenhower for giving attention to the problem.

Eisenhower's vacation headquarters at Augusta, Ga., announced yesterday the President will confer there tomorrow with Secretary of Labor Mitchell on such legislation.

Both Congress and the administration seem to want laws enacted to guard union funds against greedy union officials and to see that labor organizations are kept under control of their rank-and-file members.

★ ★ ★

There also seems to be a present disposition to confine legislation to these objectives so that it can be enacted at this session of Congress.

It is felt in many quarters that complicating them with proposals to amend the Taft-Hartley labor relations law, however worthy or needed these may be, would only stir up a pitched fight that could result in shelving all labor law plans.

★ ★ ★

Eisenhower for three years has been urging Congress to enact a law to require unions to submit and make public detailed, periodic reports on their multimillion-dollar health and welfare funds. Organized labor has favored an even stricter law in this respect than the bill proposed by the administration.

In addition, Mitchell has recently expressed support for legislation to make public reports already filed with the government on labor union dues spending.

HENRY BUSH

Macao Denies Report of Pilot

Bush Tells of Rescue of Boy Hostage From Chinese Communists

HONG KONG (INS) — The Macao government today officially branded an American pilot's story of a hazardous rescue flight into Red China "a fantastic publicity stunt" and said it just never happened.

Henry Bush, 42, the pilot who said he has worked for the Venezuelan Airlines for the past ten years, claimed he made the flight into Red China last April 5 in an amphibious Catalina plane from Macao and rescued a teen-aged Chinese boy held hostage for six years by the Communists.

Bush told his story in Tokyo where he said he is on "a busman's holiday" and related that he was commissioned for the job by a wealthy Chinese businessman, father of the boy who was described as 12 or 13 years old.

The government of Portuguese Macao, south of Hong Kong, later issued an official denial of Bush's story and said that no amphibious plane either arrived at Macao or left the area on April 5.

Bush was asked in Tokyo about the Macao government statement and said:

"There's nothing I can say other than that they wouldn't admit anything if they knew about it.

"Besides, as far as I'm concerned this was a secret operation and they would have no way of knowing whether I took off or landed nearby or if a boy was landed.

"But I'm not going to pick any fights with the Portuguese government."

Stafford Will Speak on Trip to Indonesia

EAST LANSING (AP) — Dale Stafford, publisher of the Greenville Daily News, will be the speaker at the first reunion for alumni of the College of Communication Arts May 4 at Michigan State University. Stafford will relate sidelines on his recent trip to Indonesia at the luncheon session at the Kellogg Center.

Smoking Said Cause of Mattress Fire in City

Smoking in bed caused a mattress fire at 48 Lull St., yesterday according to Pontiac firemen. Damage was $120.

The fire started in the bedroom of Earnestine Reid.

Deadlock Looms on Bus Contract

Company Head Awaits Official Confirmation of Union Rejection

Efforts to settle on a new contract between city bus drivers and Pontiac City Lines, Inc. appeared deadlocked today with no signs in sight of a meeting between both sides.

★ ★ ★

E. W. Dreasher, transportation superintendent of the company, said he was awaiting official confirmation of a union rejection of a company contract. "The next move is up to them," he said.

★ ★ ★

He emphasized that the seven cents per hour wage increase offered last week by the company would be the company's final offer.

★ ★ ★

John Sytsma, president of Local 1079 of the Amalgamated Association of Street Electric Railway and Motor Coach Employes of America, declined to comment on the union's plans.

★ ★ ★

Forty drivers have asked for a 20-cent wage boost, which the company said, would drive the firm out of business if granted.

The union rejected a proposed new two-year contract last week calling for the seven cent hike.

Jordanian Leftists Lead Riots, Strikes

(Continued From Page One)

part of Jerusalem from Jordan reported several anti-American and anti-Western demonstrations in the old city of Jerusalem.

The travelers reported the demonstrations were broken up by the Arab Legion. They said the old city of Jerusalem and Amman were armed camps with Arab Legionnaires occupying the main streets and strategic buildings.

★ ★ ★

Stone-throwing rioters swarmed through Amman streets today, demanding that the government resign.

Security police, armed with clubs and thick shields of straw, trapped large groups of the demonstrators in the streets and kept them from joining forces.

The rioters replied with volleys of rocks and stones.

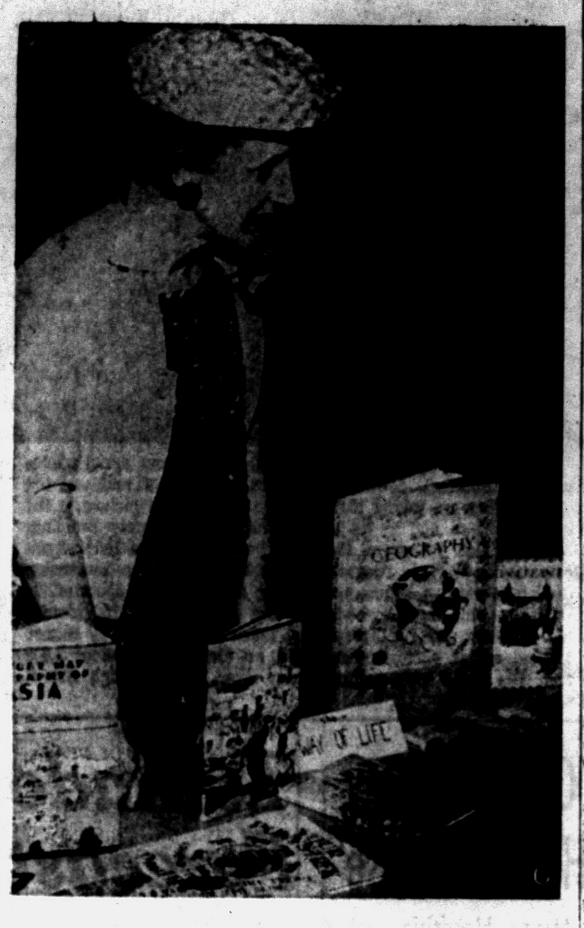

A general strike ordered by the Communists and leftists gripped much of the country. In Amman 90 per cent of the shops did not open. The stoppage was reported as effective in other towns, particularly on the west bank of the Jordan, in Palestine territory Jordan occupied after the 1948 war. That sector is a leftist stronghold.

The demonstrators finally began moving off after Amin Shukeir, a leader in the leftist Baath party, appealed to them to disperse quietly.

★ ★ ★

It was the first serious disorder in Amman since the King's battle with leftist and pro-Communist political elements began more than two weeks ago. Hussein won the first rounds last week after loyal Bedouin troops of the Jordan army streamed into Amman to back him up.

Three issues in Wellington commemorate the centennial of stamps in New Zealand.

Pontiac Press Photo

BOOKS ON DISPLAY — Mrs. Janet Gauthier, director of elementary libraries for the Pontiac Public Schools, explains books on foreign lands to elementary teachers. The teachers examined the exhibit Tuesday as part of their all-day Professional Growth Day program. The books were arranged by topic at Crofoot School multi-purpose room. All of Pontiac's 800 teachers participated in the event.

Hollywood Fray 'Colossal'

Celebrities Stage Battle

HOLLYWOOD (INS) — The exotic cast of the most spectacular Hollywood donnybrook since silent film days will appear at the district attorney's office today to learn what happens in the next reel.

★ ★ ★

The gladiators include Peruvian singer Yma Sumac, her estranged husband, two fiery Inca dancers, three private detectives, a male Peruvian harpist and a collie dog named Prince.

The battlefield was Miss Sumac's spacious home in the swank Cheviot Hills section. There, the almond-eyed singer, her war cry ranging through all five of her celebrated octaves, and the estranged husband, Moises Vivanco, had it yesterday for the second time in 24 hours.

The slant-browed, 35-year-old Peruvian songbird sued Vivanco for divorce last week. He has been adjudged the father of twin girls born to her former secretary, Maureen Shea, 24.

The bi-lingual battle raged over ankle-deep carpeting and gold-threaded furnishings for a full 20 minutes, and when the violence subsided, Hollywood had a new definition for the word "colossal."

The sultry Miss Sumac, whose publicists allege she is a direct descendant of the last of the Inca emperors, established a beachhead with the assistance of the muscular private detectives.

The singer said she was there to claim her fancy, non-Peruvian automobile, which she said Vivanco was hiding from her.

MOBILIZES FORCES

Vivanco then mobilized his forces, which consisted of the two Peruvian girls, Esmila Zevallos, 18, and Yola Divero, 40, and his harp-strumming friend, Jose Farfan.

The scene that followed was as improbable as any dreamed up by a Grade-B Hollywood script writer, with news photographers climbing around the room, following the action, and flash bulbs and floodlights casting garish lights and shadows.

At times you couldn't tell the spectators from the battlers without a program. This is the way newsmen at the scene described the fast-moving events:

★ ★ ★

Miss Sumac uncorked a nifty left hook to the jaw of Miss Zevallos, and Prince, the collie dog, dashed about the living room barking encouragement to everyone.

There were no arrests, but the district attorney's office requested that everyone involved show up there today.

Dem Governors to Attend Washington Conference

WASHINGTON (AP)—Although invitations went out several weeks ago, only seven of the nation's 29 Democratic governors have replied they will attend a party conference here May 4.

Ships Forced to Anchor

DETROIT (INS)—Twenty-three freighters were forced to anchor in the Detroit River and Lake St. Clair overnight because of fog.

News Flashes

CLARE (AP) — State Police said one man was killed and another injured today when their car sideswiped another and crashed out of control off US27 about three miles south of Clare. Troopers and Clare police identified the victim as Silas Richmond, 22, of Bath, a passenger in a car driven by Ernest Pazitka, 21, of Lansing.

Communications Workers to Strike

DALLAS (AP)—A union official says some 9,800 employes of the Western Electric Co. in 22 states plan to join a sympathy walkout today.

G. W. Cantrell, president of Local 6290, Communications Workers of America, said telephone company equipment installers would leave their jobs in protest against a dispute over transfer policy here.

The walkout started April 15 in protest against assignment of eight Dallas workers to nearby Waxahachie, Tex., on a commuter basis. Some 1,300 Texas and Oklahome installers walked off the job as a gesture of sympathy.

Villiers Heading Mayflower Voyage

(Continued From Page One)

in outline, but less than medieval in comforts.

HONORS IN WAR

In war as in peace Villiers chose the sea. His distinguished Second World War record earned him the three gold stripes of a commander in the Royal Navy, and bravery and devotion to duty won him the coveted Distinguished Service Cross.

He saw the war at close quarters as the commander of flotillas of infantry landing craft in the Sicily, Italy, Normandy, and Pacific invasions.

His career as a writer, which began in 1926, has won him high rewards. His books and articles have earned him not only prosperity, but a high reputation as an authority on sea lore. Recently he played a big part as technical advisor and actor in the making of the film version of the whaling classic "Moby Dick."

Such is the man who is bringing Mayflower II to America.

2 Men Attack Waitress Going Home From Work

Marceline Stoddard, 28, of 60 N. Cass Ave., was assaulted by two unidentified men early this morning on Cass Ave. near Carter St. as she was returning home from Griffs Grill, 49 N. Saginaw St., where she is a waitress.

St. Joseph's Mercy Hospital reports the woman was treated for lacerations on the head and then released.

The woman said she screamed when two men came from behind and grabbed her shoulder, and struck her on the head approximately 75 yards from her home. Nothing was taken from her purse.

Driver Fatally Injured

OWOSSO (AP) — Donald C. Black, 44, of Owosso, was injured fatally Tuesday when his car struck a bridge abutment on M47 three miles south of Owosso.

The Day in Birmingham

Commissioners Reject One-Way Suggestions

BIRMINGHAM — Suggestion of several one-way streets in Birmingham were rejected by commissioners Monday night, when they discussed the traffic recommendations of Traffic Engineer T. Vanderstempel and Police Chief R. W. Moxley.

★ ★ ★

Pierce street was suggested for north-bound travel, with Henrietta as the south-bound traffic, between Maple avenue and Brown street. Merrill and Brown streets were suggested for the east and west flow, respectively.

Chamber of Commerce objection to banning parking on the north side of Maple avenue during the evening rush hours was upheld. It was pointed out that this is one of the heaviest shopping hours of the day, and that the parking ban would probably be reflected in trade reductions for merchants.

Adopted was the proposal of eliminating left turns from West Maple, with the exception of Henrietta street.

Certain parking restrictions were approved and will be brought to the attention of motorists by signs and the removal of meters which indicate parking places.

Commissioners asked for more traffic counts in some parts of the business district when Vanderstempel revealed the recommendations were based on figures of March, 1956.

★ ★ ★

No action has been taken on the erection of a training tower for firemen and civil defense personnel.

Commissioners said they would like more detailed data on the possible participation of the Federal Civil Defense Administration before making a decision.

It was pointed out, however, that some work will have to be done at the rear of the Adams fire station. The area will be used for fire department work in the future. It is, at present, low and after heavy rains or spring thaws is barred from use because of mud and standing water.

★ ★ ★

Registrations are being taken at the Birmingham Y for the second series of "slimnastics," scheduled to start Friday, May 3, for six weeks.

Each of the 2-3 p.m. classes includes a lecture, printed instructions in dieting, supervised exercises and an exchange-of-experiences period.

Robert Strom, 10, Reluctantly Quits $64,000 Question

NEW YORK (AP) — Schoolboy science wizard Robert Strom reluctantly retired from TV quiz show competition last night with a record $192,000 in winnings.

The 10-year-old Bronx boy walked off with the biggest bankroll won by any contestant on a television quiz program. He broke the old record last week on CBS-TV's The $64,000 Question.

★ ★ ★

On last night's show Robert's father Albert announced that the family had decided the boy should stop. The father said the TV appearances weren't much of a strain on Robert, but were a terrific strain on his parents.

Asked how he felt about quitting, Robert grinned and replied:

"Well — what can you do with parents?"

★ ★ ★

Robert answered tough questions on science for many weeks on the show. His winnings will be deposited in a trust fund in three annual installments.

Robert McLean Elected AP Head

NEW YORK (AP) — Robert McLean, president of the Philadelphia Evening Bulletin, was elected to his 20th term as president of the Associated Press, worldwide news cooperative. McLean was first elected president in 1938.

★ ★ ★

Benjamin M. McKelway of the Washington Sunday Star was elected first vice president at the organization meeting of the AP board of directors. Paul Miller of the Rochester, N. Y. Democrat and Chronicle was elected second vice president.

★ ★ ★

Lloyd Stratton and Robert Booth were re-elected secretary and treasurer, respectively.

Denies GOP Plan to Discredit Solon

(Continued From Page One)

lan (D-Ark), of the Senate committee.

★ ★ ★

Mundt's statement said McNamara's name was mentioned "casually" by the witness and that the mention created "no particular impression" on the three senators present.

He told a reporter he can't even recall the details of what was said about McNamara, and that he is surprised "the Pearson story placed such emphasis on it and gave such unfavorable publicity to our Michigan colleague."

INCIDENTAL REMARKS

"Unless the senator (McNamara) asks to be heard, however," he continued, "I still have no intention of giving publicity or calling attention to the rather incidental references made to Sen. McNamara."

★ ★ ★

He said that "other facets of the report we heard were far more impressive and disturbing, however." He said he feels they "merit further investigation and I believe they will at the appropriate time receive it, since they may well indicate an area in which constructive and needed legislation should be enacted."

Mundt refused to elaborate on this to a reporter, or to identify the person making the charges, Ives' office, relaying his statement from New York, said he also would not name the person. There was no statement from Goldwater.

McNamara himself was in Detroit, but his aides here said he was telling inquirers his old union would "welcome" investigation because it would show only how "a labor organization operates when it is run democratically."

What Will They Think of Next!

Jaycees Show All the Gadgets

The phrase "what are they going to think of next," is bound to be heard many times as hundreds flock tomorrow to Pontiac Junior Chamber of Commerce Home Improvement Show to see the most modern gadgets and equipment for the home.

Housewives will marvel at an electronic oven which is capable of cooking a one-inch steak in two minutes. The little woman who spends most of the day in the kitchen will view other in the latest kitchen innovations.

The fourth annual show opens at 4 and runs through 8 p.m. Sunday. Admission is 50 cents for adults and no charge for children under 12.

The show for the first time this year will take place under a huge tent pitched to the south of the Tel-Huron Shopping Center. This is to provide more room for both exhibitors and spectators, Jaycees point out.

There will be ample free parking in the vicinity of the tent.

Some 45 exhibitors from city and Pontiac area business firms are busy today preparing their booths before Thursday's opening.

Booths will center around home construction materials and methods, heating and air conditioning units, electrical appliances, furniture, paints, fuels, insulation, garages, and storm windows and screens.

"We'll have just about everything homeowners will be seeking in home improvements," said Howard Weedon, co-chairman of the four-day show.

★ ★ ★

It will run from 4 until 10 p.m. tomorrow, Friday from 1 until 10 p.m., Saturday from 10 a.m. until 10, and Sunday from 10 a.m. until 8.

Says GOP Must Nominate 'Eisenhower Republican'

NEW YORK (AP)—Sen. Javits (R-NY) said today the GOP will have to pick a nominee pledged to "carrying on the Eisenhower brand of Republicanism" to win the presidency in 1960.

Javits proposed that the party arrange a conference to "crystallize party policy well in advance of the 1960 election and while the full force of President Eisenhower's leadership is available to the party."

Javits said in a speech prepared for the Women's National Republican Club that critics of Eisenhower's "Modern Republicanism" philosophy are out of step and "ought to consider themselves called upon to qualify their identification with the party."

Without naming him, Javits criticized Sen. Goldwater (R-Ariz) for comparing Eisenhower's backers to New Deal Democrats.

Goldwater told the Senate April 8 that "Modern Republicanism" is a "splinterized concept." He said the Eisenhower administration is "thoroughly saturated with the New Deal doctrine of big, squanderbust government."

Eisenhower is the "leader of the Republican party," Javits said. "What the Republican party represents today is or should be the President's program and the party's platform at the national convention of 1956."

Javits said he is "convinced that only a leader carrying on the Eisenhower brand of Republicanism can hope to gain the support of the full Republican party and the American people in 1960."

Referring to criticism of Eisenhower's spending plans, Javits said the President's budget "seeks to carry out at a time of the greatest prosperity in our history much of what the party promised the people in the 1956 election."

Javits said millions of people who want the budget cut also want national security and defense, housing, education, health, aid to the aged and needy, aid to agriculture and development of natural resources.

Suspect in Slaying Bound Over to Court

Mrs. Rose Sarduk, 48, of 2435 Texter Rd., Addison Township, charged with second degree murder, was bound over to Oakland County Circuit Court yesterday after examination by Orion Township Justice Helmar G. Stanaback.

Her $7,500 bond which freed Mrs. Sarduk will continue in effect.

Police said she admitted shooting Martin Wojcinski, 48, in the neck with a 16-gauge shotgun as he lay in bed, March 23.

Actor Charles Heston Sues Warner Bros.

LOS ANGELES (AP) — Actor Charlton Heston is asking $250,000 breach of contract damages against Warner Brothers Pictures Ind., over his loss of the leading role in a film.

Heston charged in a Superior Court suit that the studio promised him last March 12 he would receive 5 per cent of the net profits of the film "Darby's Rangers," but before the agreement could be put in writing he was notified another player had been engaged for the part.

A Copenhagen shipyard has received an order — biggest ever for a Danish shipyard—from Norwegian shipowners to build five tankers for $28,000,000.

3 Pontiac Men Fined for Gambling, Loitering

Three Pontiac men were fined $30 each yesterday by Municipal Judge Cecil B. McCallum after they pleaded guilty to gambling and loitering.

Jack Bigelow, 55, of 48 Auburn Ave., John Christoff, 30, of 92 E. Iroquois, and Anton LaRousa, 40, of 584 N. East Blvd. were arrested by Pontiac detectives for loitering at 24 Cross St.

Big Ship Can't Take It

BALTIMORE (AP)—The Navy has cancelled a scheduled visit of the aircraft carrier Leyte to Baltimore for a USO dinner because the ship won't go under the Chesapeake Bay Bridge. Efforts are being made to find a substitute vessel.

A revision of Japan's overall tax structure is planned for 1957.

Japanese Rocket Zooms

MAKITA, Japan (AP) — Japan's first two-stage supersonic rocket, the Kappa 2, was fired successfully today and zoomed up nearly 23,000 feet.

Manufacturer's Suggested Price—for this 2-Door SPECIAL 6-Passenger Sedan
$2595.83
(Including Delivery and Handling Charges and Federal Excise Taxes)
Transportation charges, state and local taxes, if any, accessories and optional equipment, including Dynaflow transmission, radio, heater and white sidewall tires, additional.

What do you want in a new car?

Want top performance? Try Buick's brand-new engine. Way up in torque. Way up in compression. The "power-pack" is built right into every model, at not one penny of extra cost.

Want today's most modern transmission? Try Buick's newest version of Variable Pitch Dynaflow.* It's *instant* Dynaflow—with the quickest, smoothest response you ever experienced.

These two points alone tell you where Buick put most of its engineering brains and effort—into making this the dream car of the year *to drive.*

But you want the other good things that should go with top performance.

You want the most luxurious ride on the road. It's right here. Brought about by new construction from the tires up—including a new chassis that nests the body—new ball-joint suspension—solid new full-length torque tube—new anti-dive stopping and powerful new braking.

You want new low-swept styling. Just look at the all-new, inches-lower Buick bodies. No freak stuff there. Nothing obvious—except good taste.

You want a bargain price. And Buick's got that, too. If you can afford any new car, you can afford a Buick.

So grab your hat and come on over. You can be the proudest—and smartest—man on the block this very night.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. †Standard on Roadmaster, optional at extra cost on other Series.

NEW 'Built-in Conscience' SAFETY-BUZZER†
It buzzes when you reach the miles-per-hour you preset for yourself.
You won't want to drive without it.

NEW V8 ENGINE
with "power-pack" built right in, at no extra cost. Highest horsepower, torque and compression ever.

Come in!
One look is worth a thousand pictures—one ride is worth ten thousand words.

$500 is Waiting for Right Entry to Pot-O-Gold

The bills will soon be coming in for all those fine Easter duds you and your family bought, and here's a painless way to pay for them. Just pick out the right numbers to this week's Pot-O-Gold puzzle, write them in the proper squares, and you're all set. This puzzle's worth $500 if a winner isn't found for last week's Pot-O-Gold.

The new puzzle contains a series of squares which are alphabetically lettered and a corresponding list of sentences with two clue words. Each of the words is numbered. The object is to select the word which you think best fits the clue sentence. You then place the number of that word in the square which has the same letter as the clue sentence.

In other words, you will read the clue labeled A and decide which of the two words makes the most sense in the sentence. You then write the number of that word in the puzzle square marked A.

Do the same with all other squares. Read all the clues carefully and be sure the right numbers are in the right squares.

T. In a small town, you'd expect the ——— officials to confer about the holdup at the First National. (39) BANKING; (40) RANKING.

OFFICIAL CONTEST RULES

1. Anyone is eligible to enter the POT-O-GOLD contest with the exception of Pontiac Press employes or their immediate families.

2. A contestant may submit as many entries as he or she wishes but they must be on official entry blanks printed in this newspaper.

3. To submit an entry the contestant must print his answers in the proper spaces, cut out the area enclosed by dotted lines and attach it securely to a 2-cent postcard. No entries will be accepted if they are in envelopes. Entries for Puzzle No. 47 must bear a Tuesday, April 30 postmark (or before). No entries received after that time whether mailed or delivered by hand, will be declared eligible. The Press is not responsible for entries lost or delayed in the mail.

4. Sorry, telephone calls or mail concerning details of the contest cannot be answered or acknowledged.

5. The Pontiac Press will award a cash prize of $100 a week to the winner of each weekly POT-O-GOLD contest. If more than one winning answer is received the prize will be divided equally among the winners. If any week or weeks should pass without any winners, the prize will be added weekly until a winning solution is submitted.

6. Winners will be awarded an extra cash bonus of $25 each if they are Pontiac Press subscribers of record on the day winners are announced. Only one such bonus can be awarded to each prize-winner no matter how many weekly prizes may accumulate.

7. Each week's puzzle will be published Monday Wednesday and Friday until the contest's end. Either or all will be considered as official entry blanks.

8. Winners and correct solutions will be announced each Friday of the week following individual contests. Official keeper of answers will be Frederick C. Ziem, prosecutor for Oakland County. Only the General Features Corp., originators of the puzzles, will know the solutions until after each contest is over. Answers will be delivered to the Press judges by Mr. Ziem after the final deadline.

9. There is only one correct solution to the POT-O-GOLD puzzle, and only that correct answer can win. The decision of the judges is final and all contestants agree to abide by the judges' decision. All entries becoming the property of The Pontiac Press and none can be returned.

10. Completed puzzles must be addressed to POT-O-GOLD, POST OFFICE BOX 58, Pontiac, Michigan. Winners will be notified either by telephone or in the mails.

Hal Boyle Says:

Buster Keaton Bobs Back to Fame

NEW YORK (AP) — "I have no sore spots," said Buster Keaton, who spent his rainy day money while the sun was still shining.

★ ★ ★

The deadpan comedian went up like a rocket, then down like an anchor into the waters of oblivion, where the solitary has-beens swim all alone with their dim memories.

★ ★ ★

But at 61 Buster has bobbed to the surface. He's chipper and back in the chips. He bought a ranch home in San Fernando Valley with $50,000 Paramount Pictures gave him for the rights to "The Buster Keaton Story," and television magnates are waving lettuce at him again.

★ ★ ★

Keaton, who was given the nickname "Buster" at the age of 6 months by Harry Houdini, was born offstage during a one-night stand made by his vaudeville parents in Piqua, Kan. He was a top performer in 1917 when he gave up a $350-a-week contract with the Shuberts to accept Fatty Arbuckle's invitation to work with him in Hollywood.

★ ★ ★

"I didn't even bother to ask what the salary was," said Keaton, a short stocky man easier to jump over than to run around. "It wasn't until payday I found out it was $40 a week.

★ ★ ★

"But I didn't mind. It was fun. The fun didn't go out of it until Chaplin and Harold Lloyd were the comedy kings of their generation.

★ ★ ★

"My salary went from $1,000 a week to $3,500 a week," he said. "In time I had my own studio, and I built a $350,000 house in Beverly Hills. We used to have weekend poker parties where a man would win or lose $50,000 in an evening and either way didn't worry. He could always make another picture."

★ ★ ★

After his plummet from fame, Keaton became a writer, and outlined comedy routines for Red Skelton and other comedians of a newer day. Then came the years when there were more memories making movies became an expensive business."

★ ★ ★

Keaton loves to recall the free-wheeling era when he, Charlie than money, and friendly handouts were all he had to go on.

★ ★ ★

A year and a half ago Keaton lay in a hospital, near death from a ruptured throat vein, when he received the offer for his life story.

"Four days later I was out doing prat falls on a TV show," he said, his features relaxing into a rare smile.

Here's how he rates the top entertainers he has known in his lifetime:

"I have my old pets. Danny Kaye is perhaps the best all-around comedian alive today, but the guy I laughed at most was the original Joe Jackson, the tramp bicyclist.

★ ★ ★

"The greatest all-around song-and-dance man was George M. Cohan, and the greatest all-around performer was Fred Stone.

"Women? Lucille Ball is the funniest girl in the business today, but the No. 1 light comedienne of all time was Marie Dressler. No one could touch her."

Chemical Firm Reveals First Quarter Earnings

ST. LOUIS, Mich. (INS) — Michigan Chemical Corp., of St. Louis has announced its net earnings in the first quarter of 1957 totaled $164,418 after taxes.

★ ★ ★

The figure compared to $45,363 for the similar period last year.

★ ★ ★

Earning amounted to 24 cents a share as compared to eight cents a share in January-March, 1956.

ONLY GOEBEL IS BREWED WITH CRYSTILLED® WATER

Shown here is the patented Crystilling equipment recently installed at the Goebel Brewing Company in Detroit. With this installation ordinary city water is made purer than the finest mountain spring water . . . transformed into the purest of all—Crystilled water.

Look for the beer with the bright blue label

New Exclusive Water Processing Equipment Makes Goebel Beer Better to Begin With

All beers begin with water. And, the purer the water, the more satisfying the beer will be. That is the reason why Goebel "crystills" every drop of water used in the brewing of Private Stock 22.

Being completely pure, Crystilled water never varies. As a result, every golden drop of Goebel beer is always the same in lightness, brightness and flavor.

The real proof of what Crystilling does for Goebel is in the drinking of the beer. So look for—ask for—insist upon—refreshing Goebel 22 beer at your favorite store or tavern today.

Research Budget $5 Million

Automation Aids Postal Efficiency

WASHINGTON (AP) — The Post Office department today reeled off a list of automation age marvels designed to improve mail service.

Replying to a magazine article critical of U. S. postal operations, the department enumerated improvements already in being, under development or hoped for.

And Postmaster General Summerfield said he already has asked Congress for authority to spend on engineering research in the next year 10 times the amount spent in the last year of the Truman administration.

He listed the 1952 research expenditure at a half million dollars. He said the department is spending four million in this field this year and has requested five million in research funds for fiscal 1958, starting July 1.

★ ★ ★

The criticism appeared in an article by Wolfgang Langewiesche in the May issue of Reader's Digest. The article was entitled "Our Horse and Buggy Mails."

Langewiesche described the postal establishment as antiquated, floundering, wasteful of manpower, and "years behind Europe" in mechanization.

Summerfield, agreeing there is a need for mechanical modernization, said his department had "started from scratch in the field of mechanical and electronic developments." He recalled he had forecast in his last annual report to President Eisenhower "a revolutionary change unparalleled in the history of the postal service."

★ ★ ★

The Postmaster General has said repeatedly he is providing better service at less cost to the taxpayer. Recently, he claimed the postal service last year handled 20 per cent more mail than in 1952, and with fewer employes.

The department said "a major breakthrough" in the "mechanization revolution" will occur next month at Silver Spring, Md., just outside Washington, when the "Transorma," a new automatic sorting machine, will go into regular use. A second one will be installed this summer in the post office here.

Described as "the first machine in America to replace generations-old hand-sorting methods in the post office department," the machine can sort 15,000 letters an hour, bound for 300 different destinations. It is manned by five operators.

In contrast, the department figures a "good man" can sort by hand a maximum of 1,500 letters an hour, provided not more than 75 different directions are involved.

★ ★ ★

The department listed other departures from old methods, including, at Detroit, a system of conveyors and rubber letter trays moving automatically and silently. The department said the system "is eliminating much of the congestion due to the hurly-burly rush before of hand trucks laboriously moving letters from place to place."

First Boating Ticket of '57 Season Issued

PORT HURON (AP) — The first reported violation ticket of the 1957 boating season was issued yesterday.

Coast Guard Chief Francis Kelly of the Port Huron station said Francis R. Black of Port Huron was ticketed for mooring his boat to a bouy in Lake Huron.

Fish are the principal source of animal protein for the Japanese people and provide an estimated 85 per cent of their total supply of that variety of essential food products.

Firm Robbed by Acquaintance

Manager Knew Man Charged in Holdup in River Rouge

DETROIT (AP) — An unemployed painter, described by the manager of the downriver Federal Savings & Loan Assn. as an old acquaintance, was held by FBI agents today on a charge of robbing the River Rouge firm.

Leroy Crenshaw, 32, of Wyandotte, was captured by police a block from the loan company 10 minutes after the $2,000 holdup.

Patrolman Gene Barnes, who stopped Crenshaw after firing a warning shot, said he found $2,000 and a toy pistol on the painter.

Crenshaw was arraigned yesterday in Detroit District Federal Court. Judge Theodore Levin ordered him held for $40,000 bond.

KNEW CRENSHAW

Nelson Peters, manager of the loan company, said, "I have known him (Crenshaw) for 20 years. I tried to talk him out of it."

Peter said six employes and two customers were in the building when Crenshaw walked in and sat beside the manager's desk.

Peters said Crenshaw pulled his suit coat aside exposing what appeared to be the butt of a pistol and said: "This is a stickup. I want exactly $2,000. I don't want any funny business either."

★ ★ ★

The loan company manager said he gave Crenshaw the money and the painter ordered him to walk out of the building with him. Once outside, Peters said, Crenshaw fled down an alley. Peters returned to his office and called police.

Barnes, a beat patrolman who was standing near the loan company, ordered Crenshaw to halt when he saw him run from the building.

Chicago Union Head to Seek Beck's Job?

CHICAGO (AP) — William A. Lee, veteran union leader, resigned yesterday as head of the Chicago Civil Service Commission, spurring reports he reportedly may be a candidate for president of the Teamsters Union.

★ ★ ★

Lee, a vice president of the Teamsters, has been mentioned as receiving unsolicited backing of strong forces within the Teamsters Union to run as a "dark horse" to replace Dave Beck as president. Beck is under fire by a Senate investigations committee in connection with the handling of union funds.

I ATTRIBUTE MY GOOD HEALTH TO O-JIB-WA BITTERS

"Some say there is no help for arthritis, but I know there is. O-JIB-WA BITTERS does more than just relieve the pain, as it helped me in many ways," says Mrs. Fannie Pinkney, 514 Stevenson Street, Flint.

Mrs. Pinkney

"I've had arthritis in my knees and hands for over 20 years. I could hardly close my hands because of the pain and stiffness in my fingers. My knees troubled me so much that I had to hold on to the bannister to steady myself when I went up and down stairs. I was rather discouraged as they told me there wasn't much help for arthritis victims, except dope to relieve the pain. Then about four years ago, I read about O-JIB-WA BITTERS in the newspaper and decided to try it. I'm so glad I did, because in three weeks, the pain and stiffness began leaving, and soon I could open and close my hands, and walk around fine again. I feel 100% better all the way around. O-JIB-WA gives me more pep, helps my nerves and enables me to get a good nights sleep. I always keep a bottle of it in the home to take whenever I feel down in the dumps as it always peps me up and makes me feel wonderful. I talked my sister into trying O-JIB-WA, and it's helping her too. I am sure that a lot less people would suffer from rheumatism and arthritis if they would try wonderful O-JIB-WA BITTERS."

Economic Aid to Poland Spur to Its Freedom

Under present Administration plans one of the most important foreign policy questions, aid to Poland, will be settled.

After seven weeks of negotiations with Premier Gomulka's representatives, the U.S. has agreed to loan $95 million. This is made up of $35 million worth of U.S. wheat at world market prices, $35 million worth of cotton and $10 million worth of fats and oils. The Export-Import Bank has agreed to loan $15 million to finance delivery of farm products and for the purchase of modern coal mining machinery.

★ ★ ★

A Polish spokesman said that this grain added to some expected from Canada would give Poland the supplies needed to end the compulsory delivery system to Russia. Under it every Polish farmer has a quota which he must produce and sell to Russia at a fixed price.

This price, for example, is 60 Zlotys per 220 pounds for rye. But the price of rye on the open market is 250 to 300 Zlotyes. Quotas are so high that the farmer has little or nothing over. This feature of Communism is hated by the peasants more than any other.

★ ★ ★

Some gains have been achieved in national and personal freedom under Gomulka. If we had refused aid and Gomulka was unable to improve Poland's economic condition and food supplies, the Moscow dominated group might come to power and the country again would be a vassal of Russia.

Aid to Poland gives notice to the peoples of Eastern Europe that they can count on America's friendly hand if they move toward independence from Soviet Russia. Of course Poland is Communist but it is drawing away from Russia and is much freer then it was a year ago. A little help to Gomulka at this time may lead to a Tito type of government in Poland.

Another Good Feature of Our Many Lakes

When the April temperatures climb into the 80s we have misgivings. We know that it cannot last, and the weather cynic says, "We'll get paid for this." And we often do get paid in full.

★ ★ ★

We all wonder what the almost inevitable later frosts will do to the tender fruit buds and other vegetation that then were led to believe that it was time to burst forth.

But here in the Pontiac area we have a sort of safety valve that is enjoyed by mighty few localites in our entire nation. It is our hundreds of lakes. They're the silent sentinels of our welfare.

★ ★ ★

Water is a good storage for heat or cold. It gives them off much more reluctantly than does the air. It is slow to change degrees.

Hence, when our lakes have a few days of summerlike temperature, they store up the heat that will later be a protector to their area when the mercury drops to a point surrounding the frost margin.

★ ★ ★

Then, when the spring breezes waft their way across these lakes they grab up this heat and have a rise in temperature which wages a fight with anything below their Fahrenheit scale.

The warmness thus accumulated is quietly spread over the land, quite often as we sleep in the fear of what the morning will show, and through the threatened vegetation, which many times is thus saved from the invasion of one Jack Frost.

★ ★ ★

Chalk up another big asset for our lakes. They do for our tender vegetation when there is a threat of frost what the stinking smudge pots try to do for the orange groves in the south, and do it with no assistance from mere man, and with no smudge.

MAN HAD better stop making mechanical brains and robots before it's too late. Just the other day a he-robot did an unscheduled thing, evidently on his own. He put his arm around a girl.

The Man About Town

"You Can Go Home—You've Convinced Me"

David Lawrence Says:

Sec. Dulles' Speech to AP Brilliant

WASHINGTON — The world knows today that the United States intends to give no quarter to international Communism but will resort only to moral force to win back to freedom's side the dozen nations which "the men in the Kremlin stole, one by one."

But, if any military attack should come from the Soviets in the meantime, "mobile retaliatory power" will be used by the free world to defend itself. Dulles warns in his latest address that this envisages atomic weapons in local wars, too, where the "mobile striking power" of land, sea and air forces will be employed.

LAWRENCE

★ ★ ★

But the emphasis by Dulles was on the real battle. It's the battle for men's minds which when won can overthrow dictators. The secretary gave a succinct exposition of the way moral force can be applied in the world today. In what is perhaps the most significant passage in his speech, Dulles says:

"Let us provide an example which demonstrates the blessings of liberty. Let us spread knowledge of that around the world. Let us see to it that the divided or captive nations know that they are not forgotten; that we shall never make a political settlement at their expense; and that a heartfelt welcome and new opportunity await them as they gain more freedom.

LIBERATION SOUGHT

"Let us also make apparent to the Soviet rulers our real purpose. We condemn and oppose imperialism. We seek the liberation of the captive nations. We seek this, however, not in order to encircle Russia with hostile forces, but because peace is in jeopardy and freedom a word of mockery until the divided nations are reunited and the captive nations are set free.

★ ★ ★

"Within the Soviet Union there is increasing demand for greater personal security, for greater intellectual freedom and for greater enjoyment of the fruits of labor . . . The satellite countries no longer provide a submissive source of Soviet strength. Indeed Soviet strength: both military and economic, has now to be expended to repress those who openly show their revulsion against Soviet rule."

As for the Middle East, Dulles argues for moral suasion there, too. He counsels against impatience and impulsive action. He says that when passions run high the task is hard and that "the only durable solution is one which comes by patiently, resolutely and resourcefully seeking justice and the rule of law."

FAITH IN U.N.

This means that while recognizing some of the limitations of the United Nations, this country still has faith in the mediating processes of that organization and the opportunities it provides to resolve legal controversies in special courts that are set up for that purpose.

★ ★ ★

While the secretary of state stressed the importance of "finding ways of peaceful change," this doesn't mean appeasement. He said on this point:

"Our foreign policy accepts change as the law of life. We seek to assure that change will be benign, and not destructive, so that it will promote not merely survival but freedom and well-being."

This certainly doesn't mean rewarding the aggression committed by Red China or assuming that the enslaved people of that country are any different from other captive peoples and must be condemned to remain under the rule of a dictatorship. Nor does it mean that the United States will demand a complete severance of ties with Soviet Russia before furnishing economic aid to the people in satellite countries in Eastern Europe.

★ ★ ★

The address which Dulles delivered in New York City before the members of the Associated Press was approved in advance by President Eisenhower.

(Copyright, 1957)

LI'L ONES

"Ask your pop to make Mr. Digby another offer for the house."

Dr. William Brady Says:

3-Year Nurses' Training Polite Form of Extortion?

"Our eldest daughter is in nurses' training. Paying her way there has wrecked us financially. the girls are all worked so hard on the floors (no pay). The expenses add up to quite a sum. Now we hear that — —(another hospital nurse training school) is much less expensive . . ." (Mrs. W. O.)

DR. BRADY

★ ★ ★

You mean to tell me the hospital charges for nurse training? If this is so, I'd rather not hear any more about it. It is too depressing.

The training course is hard enough for the pupils even when they receive sufficient pay to defray all their expenses.

If, as you imply, your daughter has to pay the hospital tuition, or whatever, while she is in training, no wonder there is a constant shortage of nurses in Yankeeland and of eligible candidates for nurse training school.

It was bad enough, I thought, when the shrewd hospital managers stretched the nurse training course from two to three years. They gave, as the reason for this, some applesauce about the vast strides medicine is making nowadays etc., etc. It was, of course, purely incidental that the hospital got one year of free service from each nurse before turning her loose.

THAT'S EXTORTION

The productive life of a trained, professional, graduate, or registered nurse is short at best. To rob her of a year of her time, as hospitals with three-year nurse training courses do, is, in my opinion, extortionate—in a nice sweet ladylike way, of course.

The ostensible reason for stretching the medical training course from 5 years to 10 was also "the vast strides medicine is making nowdays." I suggest, in my ignorant way, that the main reason was to turn out trick specialists and "clinic" racketeers—those medical merchants who cater to $1,000 snobs.

(Glossary: A $1,000 snob is a person with an income of $450 to $900 a month. He is content with the services of ordinary doctors—until his income gets up to $1,000 a month. Thereafter he deals only with specialists and "clinics.")

★ ★ ★

These all - around "specialists" and "clinic" operators are superior to ordinary doctors in the same way that white sidewalls are superior to ordinary tires.

"The girls are all worked so hard on the floors (no pay)" says Mrs. W. Let us hope this means nursing, not doing chamber work cleaning, and scrubbing. Hospitals that get a year of nursing service for nothing sometimes use the probationers as unpaid chambermaids.

★ ★ ★

Signed letters, not more than one page or 100 words long pertaining to personal health and hygiene, not to disease, diagnosis or treatment, will be answered by Dr. William Brady, if a stamped self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

Copyright 1957)

Voice of the People

Area Sewage Problem Is Topic for Discussion

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests unless the letter is critical in its nature.

In regard to your recent article on Oakland County's "growing nightmare of sanitation problems," its is like most nightmares, it's manmade. We sympathize with residents of West Bloomfield—they have been unwary prey.

Developers could have ascertained futility of dry wells before they purchased the property by securing services of a competent registered professional engineer who could have told them by running percolation tests that the soil was not suitable for septic tank installations.

The township board could have prevented this tragedy by making the same tests and refusing building permits. This, too, would have prevented the present situation.

If the State Legislature would follow the advice of the Michigan Septic Tank Association and license all constructors engaged in installation of septic tanks, requiring two years experience under a licensed contractor and written examinations, such blights as Pine Center Subdivision couldn't happen.

W. L. Boening, President Michigan Septic Tank Assn.

'Popular Saying Just Isn't So'

They always say "April showers bring May flowers," but statistics show it averages to rain more in May than it does in April.

Pragmatist

Presents Side of Mrs. Wyatt

Doesn't anyone but Mrs. Wyatt and me have a problem child she feels like hanging by the thumbs every now and then? (Don't call the sheriff—I haven't yielded yet!) I can't help wondering how many women who are so horrified over her crime never lose patience with their own children. I'd like to see them multiply the pressures of their own families by six or twelve and then imagine themselves in such poor health they have to be hospitalized as Mrs. Wyatt was. Then see if they could cast the first stone.

There are those who raise a dozen children and keep their heads, but it takes real heroism and a lot of grace. I hate to see a child mistreated, but I can see how a woman in poor health with all that work and irritation of a large family might be driven to desperation.

Murderers sometimes are acquitted when their crimes are brought on by aggravation. Yet all of Mrs. Wyatt's children have been taken from her for good, she's imprisoned for four years and is the most hated woman in her community. Isn't that enough without dwelling publicly on the hideousness of her crime? When she is released, Mrs. Wyatt may be a better mother than a lot of the goody-goodies who just can't get over her inhumanity. Too bad there aren't enough real Christians to care for her children while she is gone and then give her another chance. I'm swimming against the current, but I feel somebody ought to try to give her side.

Sympathetic Mother of Five

Praises Neatness of City Police

I want to commend Pontiac's police force on the neat and attractive appearance of the men in uniform. They really look like the enforcement of the law. We can all be proud.

Jack and Jill

Man Fails to Find Books in Library

In some respects the City Library leaves much to be desired. In a recent attempt at some research pertaining to religion, pro and con, I tried to get some writings which would be classified as atheistic or agnostic. In the catalogue at the library were no books listed under either term. It referred to skepticism and subsequently to "Belief and Doubt." There were only two books under this. One was "The Will to Believe," a decidedly pro-religious work having nothing to do with skepticism. The other book was "Believe It or Not" by Ripley.

One can assume that the librarians have never heard of Robert Ingersoll, Thomas Paine, the American Society for the Advancement of Atheism, as well as other authors and organizations devoted to anti-religious propaganda, or that such authors and propaganda are forbidden space on the shelves of the City Library.

George L. Conibear Jr.
501 E. Pike St.

No More Money for Foolishness

Now that the trotters have resumed, I do solemnly promise not to waste any of my money on unnecessary nonsense such as food, clothes or rent.

Walter the Plunger

Suggests Plan to Win Games

To Pee Gee, let's not complain about those "ten cent fans." I like those red faces in October. I like to hear them cry when the Tigers are up on top. All we'd have to do is get Colossal Carlotta to sit down at first base line when Jungle Jim Rivera is playing that position for the Chicago White Sox and we got a ball game in the bag. Hey, Tighe! Hear that?

Case Records of a Psychologist:

Men, Don't Be Women's Doormats

Nanette was a nagging sweetheart and would probably never have married her fiance unless he had followed the advice given below. For she was making a doormat out of him. And he let her get away with her naughtiness because he idealized her and wouldn't shatter the halo. But the worm turned! Scrapbook this case.

By DR. GEORGE W. CRANE

Case U-363: Nanette N., aged 23, is a very lovely business secretary.

★ ★ ★

"Dr. Crane, I don't understand myself," she burst out as soon as she was seated.

"Last night I had a fight with my fiance and gave him back his ring. And I don't know what made me do so.

CRANE

"He is a wonderful boy, kind and generous to a fault. And he never argues with me. My wish is his law.

"But I just deliberately seem to relish nagging him. I say cutting things and belittle him.

"Oh, it seems as if a devil gets into me, for I am a different personality when he is around.

★ ★ ★

"If I know he wants me to dress in blue, then I deliberately avoid blue. I go out of my way to offend him, but he never gets angry. He is forgiving and kind, and that makes me all the worse.

"Why doesn't he take me over his knee just once and spank me till I can't stand up?"

TAMING OF THE SHREW

After the previous Case Records I have shown you this week, I hardly need make any further comments about Nanette's problem.

Indeed, her final query is the crux of the whole matter. For her kindly fiance takes a benevolent, almost fatherly attitude toward her.

And Nanette does not crave a father on her dates: She wants a fiery, vigorous personality who can make her laugh one moment and then send her to the verge of tears occasionally.

Women don't want strong-arm treatment as a steady diet, but they become shrews and will nag a meek, worshipful admirer who lets them use him for a constant doormat.

★ ★ ★

Sometimes the "doormat" male is simply so respectful and reverential that he has subconsciously pictured his sweetheart as almost angelic.

That idealized attitude affects more men than women dream of, and it not only can cause the men to submit to excessive nagging, but can even make them platonic on the honeymoon.

For reverential awe is an emotion that is hostile to the craving for physical love and affection.

Later I had an interview with Nanette's fiance. He had a poetical, idealistic regard for Nanette.

But he was really no meek, mousy type of male for he had other girl friends whom he could take or leave alone. He could be natural around them and be as demanding as any cultured male.

★ ★ ★

But Nanette was his "dream girl." He carried her on a pedestal and was soon going to lose her by this unduly reverential attitude.

So I suggested he shatter the halo he had figuratively placed around her head and treat her like a human being.

"Dr. Crane, I can't do it," he protested. "She affects me differently than any girl I have ever met before."

"Well, if you don't shatter the halo," I warned him, "you may lose her to some no-good male who does indulge her wish to get a little strong-arm treatment."

He admitted that I was right. In fact, he had seen some of the warning signals in the past, but had disregarded them till I pointed them out again.

★ ★ ★

The next night he took her to a Drive-In and slipped his arm around her. She started to draw away, but he pulled her back in an iron grip.

"Now kiss me like you meant it!" he ordered in tones that held authority.

She resisted, but he kissed her.

"That's a poor excuse of a kiss! Give me a real one," he demanded, so now she surrendered and nestled down happily against his shoulder for the rest of the movie.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

TODAY'S ASSIGNMENT FOR:

JUNIOR EDITORS

BIRD SANCTUARIES

3. The Vanishing Whooping Crane

The whooping crane is North America's tallest bird. But as of now, there are only 26 left.

Every effort is being made to preserve the little flock. These cranes nest in Canada. In September, they start to fly, 2,500 miles to the coast of Texas. There they have constant protection.

The birds are shy and easily alarmed. They are pure white, with jet black wing tips and black legs. The head is crowned with red, the long bill is olive grey or brown.

Here is a cutout of a whooping crane in the marsh. Color the picture (leaving the body white) and paste it on heavy construction paper. Cut out the parts. Paste the right wing behind the breast, between A and B, guided by the shaded marks. Paste the left wing between C and D. Fasten the body to the lower part by a brass fastener through the indicated holes, and fold back the left panel of the base on the dash line. The picture then will stand. You can push the bird's head forward or back so that it will bend to the marsh grass or lift its head in alarm.

(Kenneth Schaefer, of Beloit, Wis., won $10 with this idea. Send your ideas in care of this newspaper. Violet Moore Higgins, AP Newsfeatures.)

Tomorrow: The Pink Flamingo in Flight.

New Attitude for Head of Government

Selwyn Lloyd Sues Wife

LONDON (AP)—Foreign Secretary Selwyn Lloyd is suing his wife for divorce on charges of adultery. His lawyers announced that Mrs. Lloyd is not contesting the suit.

The foreign secretary cited as co-respondent a man named Martin Lubbock, not further identified.

Lloyd is 52, his wife 30. She was his secretary when they married in 1951. She is the former Elizabeth Marshall. They have a daughter.

★ ★ ★

The Lloyds have been living apart about a year.

In 1950 Anthony Eden divorced Beatrice Eden, who said she was "not cut out to be a foreign minister's wife." Eden later married Miss Clarissa Spencer-Churchill, niece of Sir Winston Churchill.

The domestic troubles of cabinet ministers in recent years have become a talking point in the country.

★ ★ ★

The tendency has been to take a less Victorian attitude. In prewar days it would have been unthinkable for a divorced man to become head of the British government as Eden did.

★ ★ ★

Defense Minister Duncan Sandys' wife Diana disclosed a few months ago they were living apart. She is a daughter of Sir Winston Churchill.

At least one other top Cabinet minister is whispered on the verge of the divorce courts.

Pleads Not Guilty

Robert L. Sauer Jr., 2209 Pine Rd., Birmingham pleaded innocent to drunk driving charges before Bloomfield Hills Justice Alva J. Richardson, who placed him on $100 bond until April 24.

Under a 10-year program, Japan will build two atomic-powered merchant ships by 1966.

BREW? NEVER TOUCH THE STUFF — They brew it strong in South Viet Nam. This mountain tribesman draws his nip from the bottom of an earthen jar of fermenting wine with a long, bamboo reed. Called "ruou can," the beverage bubbles so fiercely that it's not practical to imbibe at closer range — and, too, the stuff is said to pack a bigger wallop from the bottom of the jar.

Oregon Jury to Get Tape; Women to Testify on Vice

PORTLAND, Ore. (AP)—The last of the tap recordings with which the federal government hopes to prove its wiretapping charges against Portland gambler Big Jim Elkins will be played for a U. S. District Court jury today.

Then the stage will be set for a clash between the federal and state courts.

★ ★ ★

Elkins is the state's key witness against a number of persons indicted in the yearlong probe of vice and charges of corruption in Portland.

★ ★ ★

He has testified under oath that Portland Dist. Atty. William Langley conspired with Teamsters Union officials and others to expand and control vice operations in Portland. He said he was in on the plot originally, but brke away, fearing he was about to be doublecrossed.

It is expected that Langley will be one of the key witnesses against Elkins in the federal wiretapping trial.

★ ★ ★

Elkins and his employe Raymond Clark are accused of illegally tapping and recording telephone conversations of Langley; Thomas Sheridan, former assistant administrator of the Oregon Liquor Control Commission; Thomas Maloney, Seattle race track figure; and Joseph McLaughlin, Seattle card room operator.

All four have been in the federal courtroom for the playing of the tapes. However, so far, there has been no effort made to identify the muffled voices on the tapes nor to explain under what circumstances the recordings were made.

★ ★ ★

However, it is known that the tapes were part of the evidence which was presented to the federal grand jury that indicted Elkins and Clark.

A fire in a railway freight car at St. Etienne, France, put itself out. The car contained 1,000 bottles of mineral water which popped open and sprayed the flames.

WASHINGTON (AP)—Two alleged prostitutes and a deputy sheriff, George Minielly, go before Senate rackets probers today for questioning in a renewal of public hearings on vice in Portland, Ore.

The special Senate committee which summoned them has explored allegations that some high Teamsters Union officials from Seattle, Wash., joined with Portland political figures to "muscle in" on profitable rackets in Portland's underworld.

★ ★ ★

At particular issue in the quizzing of these new witnesses is an effort by Portland's Mayor Terry D. Schrunk and Oregon's Teamster boss Clyde Crosby, both under indictment, to challenge the credibility of their chief accuser, racketeer James B. (Big Jim) Elkins.

★ ★ ★

Schrunk and Crosby attempted in vain a month ago to place in evidence before the committee affidavits from the two women which allegedly named Elkins as a narcotics addict and a figure in prostitution rackets. Elkins has sworn he was a racketeer who refused to have anything to do with prostitution, and the committee says it has no evidence that he is addicted to drugs.

★ ★ ★

Minielly was chief criminal investigator in the Portland sheriff's office when Schrunk was the sheriff for seven years before winning election last year as mayor. He reportedly is the man who obtained the affidavits from the women.

Sugar has more than 70 industrial functions and uses.

Woman Calling for Help Revealed as Noisy Bird

DALLAS (AP)— Detective T. T. Lord, a farm-reared sleuth, rushed to the outskirts of the city when a caller reported a "woman screaming for help."

Lord and his partner, Iran Trantham, heard a scream when they reached the area. But Lord didn't get excited.

"Peacocks," he said.

They found four of the noisy birds behind a nearby house.

Medical Dean Carts Bee Venom in Veins

LOUISVILLE, Ky. (AP)—The dean of the University of Louisville medical school is carrying a substantial dose of bee venom in his veins. It's for protection, because Dr. J. Murray Kinsman is seriously allergic to stings.

Dr. Kinsman was stung six times by wasps three years ago.

About a year ago Dr. Kinsman began taking a recently developed vaccine, designed to protect against stings of wasps, bees and hornets.

Kinsman said the vaccine manufacturer reported 29 cases of allergic persons being stung after administration of the vaccine. Only one showed a mild reaction to the sting.

★ ★ ★

But Kinsman isn't looking for a wasp to test his immunity.

Columbia is the fourth largest country in South America.

Building Permits Issued for 8 Waterford Homes

Eight house building permits totaling $80,640 were issued in Waterford Township last week, according to Emil Grischow, chief building inspector.

Additions and remodeling to homes totaled $10,675 and four garages totaled $3,950. Garages and breezeways were $6,100.

A commercial remodeling permit was issued to the Richardson Dairy on M-59 for $700.

Better Books Urged for Youth

Libraries Must Supply More Quality Reading, Association Told

LOUISVILLE, Ky. (AP) — "The way the reading situation is deteriorating, things were better when people were illiterate" the Catholic Library Association was told yesterday.

William B. Ready, library director at Marquette University, Milwaukee, said the reading of good literature is fast becoming a thing of the past for the nation's youngsters.

"Johnny is reading," he said. "But what is it he's reading?"

People are "hungry" for good literature, he said, and it is up to the libraries to give it to them.

NO ASSOCIATION

He said there is not enough association between the three great means of teaching — the family, the school and the church.

Ready spoke as the association opened its four-day conference, with more than 400 librarians attending.

Sister M. Eone, librarian at the College of St. Teresa, Winona, Minn., is president-elect and will take over the presidency of the association Friday.

★ ★ ★

Eleanor McCann, librarian at Duquesne University, Pittsburgh, and the Rev. Francis X. Canfield, Sacred Heart Seminary, Detroit, were named to fill unexpired terms on the executive council.

'Double' for Accused Slayer Sees Freedom; Wedding Due

NEW YORK (AP)—Freedom is on the way for a playground director who looks like a twin brother of Thomas Joseph Higgins, accused slayer of two women and attacker of seven others.

Russell Erickson, the director, was arrested last Feb. 14 on a charge of assaulting a woman. She cleared him yesterday by identifying Higgins as her attacker.

★ ★ ★

The woman, Mrs. Mary Rasmussen, 33, sat in Brooklyn Felony Court while Higgins was arraigned on a homicide charge.

"I am positive he is the man who assaulted me," the blonde housewife told police. She had previously singled out Erickson as the man.

Erickson has been out on $5,000 bail. The charge is now due to be dropped.

Erickson is 22, 6 feet 1, 175 pounds and has blond hair. Higgins is 22, 6 feet 2½, 192 pounds and has blond hair.

★ ★ ★

Coincidentally, Erickson said he met Higgins in a bar once two years ago. "He seemed like a very nice guy," Erickson said.

Higgins is charged with homicide in the hammer death of Patricia Ruland, 19, last Wednesday. Police say he has also confessed to beating Mrs. Dorothy Campbell, 53, to death last Jan. 29.

Both slayings came during backseat petting parties in automobiles, police said Higgins told them.

A judge turned down a defense request yesterday to send Higgins to Kings County Hospital for mental observation. The state argued that the strapping young mechanic is sane enough to go to trial.

In Washington, the Army disclosed that Higgins was once convicted by a court-martial of assault on a Japanese girl. He was serving with the Army in Japan at the time. He was demoted and fined.

★ ★ ★

Erickson has been on leave from his job in a Park Department playground in Brooklyn. He plans to return to work and complete a physical education course.

Erickson also plans a June wedding. His fiancee, Barbara Campbell, 23, is the daughter of the woman allegedly slain by Higgins last January.

Hearings Continue in Phone Hike Bid

LANSING (AP) — Cross examination of Michigan Bell Telephone Co. witnesses was to continue today in the utility's plea before the state public service commission for a $12,500,000 rate increase.

The hearing resumed yesterday after continuation from Dec. 20. It is expected to last out the week with presentation of evidence by commission rate experts to follow the cross examination of company witnesses.

The company has estimated the increase would average about five per cent, although it will vary greatly according to area and type of service.

In the majority of communities, the increase would amount to about 50 cents a month for two-party residence service. In Lansing, the increase would be about 70 cents a month for this service and in Bay City about 20 cents.

The increase for one-party business phones would range from 25 cents to $2.50 a month, but in most instances would be about 75 cents.

Michigan Bell serves about 2,300,000 subscribers in more than 300 communities throughout the state.

Parolee Faces Life for Saginaw Rape

BAY CITY (AP) — Paroled convict Wallace Warner faced a possible life prison sentence today for the rape of a 19-year-old Saginaw girl that followed the abduction of her and her boy friend.

The 28-year-old Saginaw man pleaded guilty in Midland County circuit court yesterday where he was arraigned on the charge.

Warner's arraignment came within 24 hours of his capture by State Police when he tried to duck a road block in Montcalm County. Warner had been sought in the kidnaping of Charles Harden, 20, of Saginaw, and the attack on Harden's girl friend. The couple was sitting in a parked car on a Saginaw street about midnight Sunday when an assailant forced his way into the vehicle and made the pair drive him at knifepoint to Midland county where the attack on the girl took place.

Judge Donald E. Holbrook deferred sentence on the rape charge pending a probation report.

Report Flurry Resigns Antitrust Division Post

WASHINGTON (AP) —The Justice Department says Horace L. Flurry has resigned his job with its Antitrust Division. But there was no confirmation of reports he quit in a dispute over handling of a grand jury probe of oil price increases.

Flurry, a veteran of 15 years with the Antitrust Division, had been in charge of the grand jury investigation of price boosts ordered by major oil firms after the closure of the Suez Canal last fall caused an oil shortage in Western Europe. The investigation still is in progress.

MSU Asks Senate for More Money

LANSING (AP) — Michigan State University put in a strong bid last night for more operating cash in 1957-58, and appeared to have made headway with the Senate Appropriations Committee.

After a two-hour plea by MSU officials, Sen. Edward Hutchinson (R-Fennville) conceded to newsmen that upward adjustments were probable in amounts recommended in the Republican budget for certain specific programs.

★ ★ ★

Hutchinson said in addition that the committee will review the MSU contention that it deserves $1,100,000 more for general operations. Other committee members indicated they agreed with Hutchinson.

Eliminate Cooking Odors

To eliminate odors when boiling cabbage and cauliflower boil these vegetables uncovered in water to which a generous amount of salt has been added. Use lots of water when boiling.

Deaths in Pontiac and Nearby Areas

MRS. ARCHIE ISHAM

Service for Mrs. Archie (Florence Dena) Isham of 3955 Clubview Rd. was held April 17 from the Dodge Funeral Home in Alma with burial in Riverside Cemetery.

Surviving are three daughters, Mrs. Pauline Pollakowski of Livonia, Mrs. Edythe Sheridan of Keego Harbor and Mrs. Corrine Toman of Lansing; and three sons, Maynard of Carson City, Kendall of Scottsdale, Ariz., and Gerald of Detroit.

Mrs. Isham died April 15 in Pontiac General Hospital after a prolonged illness.

BELLE R. THOMAS

Service for Mrs. Belle R. Thomas, 83, of 1333 Hiller Rd., Waterford Township, will be at 2 p.m. Friday from the DeWitt C. Davis Funeral Home, with burial in Four Towns Cemetery. Mrs. Thomas died yesterday at her home.

She is survived by two sons, Benjamin at home and Glenford of Waterford Township; and two daughters, Mrs. Gladys Kemp of Wisconsin and Mrs. Lillian Millholand of Waterford Township.

WILLIAM H. CLEMENT

CLARKSTON — Service for William H. Clement, 79, of 7214 Clement Rd. will be at 2 p.m. Friday from the Sharpe Funeral Home, with graveside service at Lakeview Cemetery, under auspices of Cedar Lodge No. 60. Mr. Clement died yesterday.

He is survived by his wife, Mary; two sons, William H. of Royal Oak and Bud Roger at home; a sister, Mrs. Mame Barnes of Holly; and one brother, Robert in Florida.

MRS. WILLIAM FENNER JR.

ROCHESTER—Service for Mrs. William S. (Roberta Dillman) Fenner Jr., former resident here, will be at 2 p.m. Friday from the William R. Potere Funeral Home, with burial in Mt. Avon Cemetery. She died yesterday in Henry Ford Hospital.

Mrs. Fenner was the daughter of A. R. Dillman, owner of the Dillman Upton Lumber Co.

Surviving besides her husband and her father are two sons, William III and John, and a brother, Charles of Rochester.

PHILO GLASPIE

OXFORD — Graveside services for Philo Glaspie, of Alma, will be held at 10:30 a.m. Friday, with burial at the C. L. Randall lot in Oxford Cemetery. A former Oxford resident, Mr. Glaspie died in Alma in February and is now being brought to this area for burial.

RALPH E. OUTMAN

Ralph E. Outman, 54, of 60 Mariva St. died yesterday in St. Joseph Mercy Hospital after a brief illness.

He was an employe of General Motors Truck & Coach Division.

Surviving besides his wife, Lula, are his mother, Mrs. William Outman, of Lake City; two daughters, Mrs. Mendal Campbell of Pontiac and JoAnn Outman, at home; four sisters and two brothers.

Service will be at 1:30 p.m. Friday from the Voorhees-Siple Chapel, Dr. Milton H. Bank of the Central Methodist Church will officiate with burial in Perry Mt. Park Cemetery.

THOMAS S. SIMS

ORTONVILLE — Service for Thomas S. Sims, 55, of 626½ Walcott Rd., will be at 10:30 a.m. Thursday from the C. F. Sherman Funeral Home, with burial in Ortonville Cemetery. Mr. Sims, employe of Chevrolet at Flint for 37 years, died yesterday.

He is survived by his son, Thomas of Ortonville, and a sister.

CHARLES SMITH

DRYDEN — Service for Charles Smith, 76, who died suddenly yesterday at his home on Liberty street, will be at 2 p.m. Friday from the Muir Brothers Funeral Home, Almont. Burial will be in Dryden Cemetery.

He is survived by his wife, Odessa; a son, Basil of Kalkaska; one daughter, and Mrs. Doris Clement of Dryden.

Mr. Smith had been employed by the Grand Trunk Railroad for more than 50 years.

MICHAEL A. WILLOCKX

MILFORD — Service for four-months-old Michael Anthony Willockx of 1200 North Milford Rd., who died yesterday at his home, will be at 11 a.m. Thursday from St. Mary Church, with burial in Mt. Olivet Cemetery, Detroit. Michael's body is at the Richardson-Bird Funeral Home here.

Surviving besides his parents, Mr. and Mrs. Alfred Willockx, are two brothers, Alfred II and James, at home; his grandparents, Mr. and Mrs. Paul Willockx of White Lake, and Mr. and Mrs. Albert Michaud of Maine.

Deaths Elsewhere

RUTLAND, Vt. (AP) —Miss Beth Bradford Gilchrist, 78, nationally known author of children's books, who wrote under the pen name of John Prescott Earl, died yesterday.

★ ★ ★

OMAHA (AP) — The Very Rev. Joseph Paul Zuercher, S. J., 59, president of Creighton University from 1937 to 1943, who at 39 was the youngest man ever to hold the post, died yesterday. He was born in Brodhead, Wis.

Expect Harmon Trial to Conclude Tuesday

The trial of a Pontiac Teamsters Union official, charged with assault and battery of a rank-and-file union member, is expected to be concluded next Tuesday.

After a parade of witnesses yesterday told their version of the incident, which allegedly occurred last month in a Bloomfield Township tavern, West Bloomfield Township Justice Elmer C. Dieterle announced he would hand down his decision April 30.

★ ★ ★

Floyd Harmon, 47, business agent for Teamster Local 614, is charged with slugging Roy Smith, 33, of Keego Harbor. The attack reportedly occurred when Smith attempted to take Harmon's picture in the bar.

Harmon's $100 bond has been continued by Dieterle.

9 Special Teachers Attend Convention

A number of Oakland County special teachers are attending a week-long convention of the International Council of Exceptional Children, which opened Tuesday in Pittsburgh.

★ ★ ★

From the Oakland County Board of Education are Dr. Paul Thams, director of special education; Mrs. Bertha Purnell, hearing consultant; Kathy Lymperis and Gloria Mittlestaedt, vision consultants; and Mrs. Helen Harding, Mary Howard and Mildred Williams, visiting teachers.

Others attending are Mrs. Honora Kinsella and Beverly Eaton, of Mark Twain School.

The theme of the 35th annual convention is "Creativity in the Education of Exceptional Children and Youth."

Police Grill Husband About Wife's Death

DETROIT (INS) — An unemployed porter was held by Detroit Police today for investigation in the fatal beating of his common-law wife.

★ ★ ★

The woman, 46-year-old Edith Cody, was found dead on the living room floor of their apartment. Her head was smashed and her body was covered with heavy welts.

The porter, Fleming Hargrave, 47, told police Miss Cody staggered into the apartment about 12:30 a.m. today with torn clothes and minus her shoes.

Hargrave said she collapsed on the floor and he put a pillow under her head, covered her with a blanket and then went to bed.

He said he couldn't arouse her later so he went to the Vernor Precinct Station.

★ ★ ★

Police said a bloodstained piece of broomstick and a beer bottle covered with hair were found in an alley behind the apartment.

Frying-Pan Blaze Causes $350 Damage

Fire caused $350 damage yesterday afternoon to the home of Mr. and Mrs. Walter Asher, of 4695 Forest Ave., Waterford Township.

Grease in an overheated frying pan on the kitchen stove was blamed for the fire which started at 4:30 p.m. Asher extinguished the flames but called firemen to make sure the fire did not start again.

Bolivia, the third largest of the South American republics, embraces an area of about 510,000 square miles.

Madison Heights Man Jailed; Statutory Rape

Noah Messer, 36, of 27451 Dequindre Rd., Madison Heights, charged with statutory rape, is in the Oakland County Jail with his bond set at $5,000 after demanding an examination before Madison Heights Justice Hendrik Smit.

Examination was set for May 2.

Williams Hits GOP for State Budget Cut

LANSING (AP)—Republican budget planners were under fire from Gov. Williams today for taking a $200,000 slice out of his proposed spending program for the State Department of Economic Development.

Williams said the cuts would "undermine" plans for encouraging business and industry to locate in Michigan.

"Republican leaders in the Legislature have been shedding large crocodile tears over the past months and falsely accusing Democrats of driving business out of Michigan," he said in a statement yesterday.

Yet, he added, they refused to agree to a $125,000 appropriation for a national industrial promotion advertising campaign. Conducted in cooperation with private utilities and industries, he said, the program "would repay itself many times over in taxable wealth of new business enterprises."

Child, 2, Dies of Burns

DETROIT (INS) — Two-year-old Joeann Moore of Romulus died at Wayne County General Hospital last night of burns suffered when she fell into a tub of scalding water.

Pontiac Man Awaits Sentence for Larceny

Donald J. Ledger, 22, of 103 Roselawn Ave., will be sentenced May 29 for failure to return an auto to a local used car lot after a trial drive.

Ledger, freed under $500 bond set by Circuit Judge George B. Hartrick, pleaded guilty to a charge of larceny by conversion.

Agreement Ends Strike Against Texas Oil Co.

DETROIT (AP) — The Texas Co. and oil worker employes announced agreement on a new contract last night, ending a month-long strike against the firm.

★ ★ ★

Spokesmen for the company and local 11-389 of the Oil, Chemical & Atomic Workers Union said the settlement followed the pattern reached with other area oil suppliers.

★ ★ ★

Under the agreement oil workers get a five per cent wage increase and additional fringe benefits. Oil workers averaged from $2.40 to $2.65 an hour before the recent round of negotiations.

The settlement with Texas leaves only Gulf Refining Co. still with an unnegotiated contract of seven major area suppliers struck a month ago in wage disputes in new pacts.

City Airport May Get $30,250 in State Aid

Pontiac Municipal Airport is slated to receive $30,250 as its share of a recommended $904,000 state airport construction aid program for 1957-58.

The Senate Appropriations Committee yesterday received the recommendation from the Aeronautics Department. The committee took no immediate action.

Homer D. Hoskins, local airport manager, said the fund, if formally approved, would be directed toward runway and taxiway lights, protective fencing around the field, and construction of new taxiways.

Earlier this month, the airport received $68,000 in federal aid for projects.

Police Ask Warrants Against 3 for Murder

DETROIT (AP) — Police said murder warrants would be asked today against three Detroit-area youths held for investigaiton in the death of Mrs. Cecelia Mathis.

The 52-year-old department store saleslady was fatally injured April 1 fighting off a purse snatcher near her home.

Picked up Monday for investigation in her death were Vito (Billy) Guaiana, 18, of Harper Woods; Martin Sears, 19, and Wayne Merritt, 16, of Grosse Pointe Woods.

Detective Sgt. Albert Schwaller quoted Sears as saying, "We didn't mean to kill her. We didn't hit her with anything. All we wanted was her purse. She hit her head on the pavement when she fell."

Bond Issue Proposed for State Fair Building

LANSING (AP) — Michigan State Fair officials last night urged approval of a plan for financing a new home arts building by pledging $50,000 a year in fair income to support a bond issue.

Originally, the State Fair had asked provision in the 1957-58 capital outlay bill for the project, but it was not allowed by the Senate Appropriations Committee.

★ ★ ★

Donald Swanson, fair manager, told the committee last night that fair income from operations and from building and ground revenues have topped $50,000 in each of the last four years.

By going ahead now, he said, advantage could be taken of favorable bids, lowering the anticipated cost of the structure from $685,000 to $545,000.

Loss by Fire Tops Record

Largest Totals Occur in North America During Last Year

BOSTON (AP)—Big fires shattered all previous records in numbers in North America last year and registered a new high in dollar losses, the National Fire Protection Assn. reported today.

The association said 430 "large-loss" fires—each causing destruction of a quarter of a million dollars or more — occurred in the United States and Canada in 1956 —for a total direct loss of $330,156,000.

★ ★ ★

The 1956 totals were "excessively" larger than those of previous "worst" years, the association reports in its quarterly magazine for April, published this week.

★ ★ ★

Of 401 persons killed in large-loss fires, 333 lost their lives in big aircraft fires-accidents, the report said.

The total of 430 big fires exceeds by more than a third the 1955 high of 316 large-loss fires, and the direct dollar loss of last year's big fires is greater by 50 million dollars than the previous record loss of $274,374,500, set in 1953.

★ ★ ★

The 401 deaths compare with 296 in 1955 big fires.

Persons injured in other-than-aircraft fires totaled 1,026.

In number, the large-loss fires are only .03 per cent of all fires, but they account for nearly a quarter of the estimated total fire loss of 1956 — expected to total $1,385,000,000.

★ ★ ★

The industrial fire toll was the largest in history, the study showed, with 117 large-loss fires compared with 78 the previous year. These constituted the largest factor in the huge over-all increase.

Excluding transportation fires, 304 of the large-loss fires occurred in the United States, and 34 in Canada.

We Know Who's Asleep

LOS ANGELES (AP)—While Detective Lt. Caleb S. Mitchell, as commander of the morning police watch, was guarding the sleeping city, someone stole all four hub caps from his brand new car parked in the closely guarded basement of the police building.

Musical Receives Tony Award From American Theater Wing

'My Fair Lady' Draws More Admirers

NEW YORK (INS)—The American Theater Wing has tipped its hat to the richest and most admired girl on Broadway — "My Fair Lady."

The Theater Wing handed the adaptation of George Bernard Shaw's "Pygmalion" the coveted Tony award as the outstanding musical play of the season at its 11th annual dinner dance held in honor of the late Antoinette Perry, actress, director and founder of the Theater Wing.

More than a thousand theatrical people were gathered at New York's Waldorf-Astoria grand ballroom to watch the presentations.

Best dramatic play of the year award went to Eugene O'Neill's autobiographical "Long Day's Journey Into Night."

The male stars of the two hits, Rex Harrison in "My Fair Lady" and Frederic March in "Long Day's Journey," were given awards as the top musical and dramatic actors, respectively.

Judy Holliday was selected outstanding actress in a musical for her first singing performance in "Bells Are Ringing." The dramatic actress award went to Margaret Leighton of "Separate Tables."

Those selected for feature player awards were: musical featured actor — Sydney Chaplin of "Bells Are Ringing;" musical featured actress — Edith Adams of 'Li'l Abner;" featured actor — Frank Conroy of "The Potting Shed;" featured actress — Peggy Cass of "Auntie Mame."

"My Fair Lady" captured four more awards — for direction — Moss Hart; for scenic designing — Oliver Smith; for costume designing — Cecil Beaton; for musical direction — Franz Allers.

Williams Plans 6 Talks in 4-Day Trip on Coast

LANSING (AP) — Gov. G. Mennen Williams of Michigan has booked six appearances on a four-day swing to Oregon and Northern California starting Saturday.

Williams will speak Saturday night to a Roosevelt Memorial dinner audience in Medford, Ore., and take in a barbecue Sunday afternoon at Portland.

In four California appearances, he will speak at a Commonwealth Club luncheon Monday in San Francisco, attend a Congressional District Democratic dinner that night in Sacramento, address the Tuesday afternoon session of the State Legislature and talk at a Tuesday night fund-raising dinner in Oakland.

The divorce rate is dropping in Johannesburg, South Africa, and surrounding area, the Marriage Guidance Council reports. Couples seeking advice are decreasing.

Civil War Diary of Marshall Man Reveals Loyalty

ANN ARBOR (AP) — Henry Mortimer Hempstead, a Marshall lad, marched off to war back in 1861 wearing a blue soldier's suit, his fighting spirit aroused and firmly believing in the Union's cause.

★ ★ ★

Hempstead's diary, written during the early Civil War days, now rests at the University of Michigan's historical collections.

An excerpt from the page dated Sept. 19, 1861 tells of Hempstead's feelings.

"Our government assailed," he wrote with his quill pen. "The fabric shaken to its foundation, treason proclaimed boldly at the very threshhold of our national capitol, while apathy or worse reigns supreme in many branches of our national government.

"The nation is stirred. Every loyal heart is deeply agitated. The magnitude of the rebellion begins to display itself, sacrifices are required."

★ ★ ★

Hempstead goes on:

"I, after due deliberation, resolved to enlist, and on the 24th day of August, 1861, I signed my name as a recruit to a company which was to rendezvous at Grand Rapids to join a cavalry regiment being organized there.

"We have sent some detachments forward and today I have received notice to go to Grand Rapids with the next detachment, to go in the night train."

A husband boasted that his wife had complimented him (says Ham Park): "It was late when I got home, and she told me, 'Well, now, you're a fine one!'" . . . New Yorkers are noticing the inevitable first sign of spring. They've turned on the heat in the subway.—Earl Wilson.

Newsmen to Go Into Red China?

Dulles Would Permit Coverage on Basis of Pool by Americans

WASHINGTON (AP) — Senators Mansfield (D-Mont) and Kefauver (D-Tenn) today urged steps toward opening the way for permanent American news coverage in Communist China.

Secretary of State Dulles told a news conference yesterday the State Department is willing to allow a group of newsmen operating on a "pool" basis to pay a one-shot visit to China if it still can maintain existing bans on travel by other Americans to that country. But he said no satisfactory way has yet been found to do that.

★ ★ ★

Mansfield, the acting Senate Democratic leader, said Dulles' idea was all right as a beginning. Under the "pool" plan, a selected number of reporters would tour China and would make their news available to all news media.

But he said this should be widened, as the opportunity arises, to permit the stationing of qualified newsmen in China. He noted the Associated Press Board of Directors had said that qualified newsmen should be permitted to report at first hand from the mainland.

★ ★ ★

Kefauver said in a separate interview he believes the State Department should take the wraps off newsmen who have been denied visas to Red China.

"I am in favor of letting American reporters go to Red China without any limitations," he said. "It is better to get news from there through our own people than from canned information of some Communist bureau. Our people are entitled to know what is going on in Red China."

★ ★ ★

Dulles said the administration has consistently favored freedom for responsible newsmen to report throughout the world, including Communist China.

"It is not a problem of our being worried in any respect about what the facts are," he said. "the more the American people know about the facts about Communist China, the better pleased we are."

But he said neither his department nor news executives with whom he has conferred have been able to solve the problems he said are involved.

BREEZY — Made of human hair, a frigate under full sail is the crowning touch for this elaborate Parisian hairdo. Responsible for the creation is hair stylist Fernand Dupaix.

Dean Urges Students to Study Sciences

LINCOLN, Neb. (AP) — A Michigan State University dean said yesterday that higher education institutions must attract more of the "intelligent high school students into science study."

Failure to do this, said Dr. John D. Ryder, dean of State's College of Engineering, will lead to a serious shortage of trained scientists. Dean Ryder said that of 1,250,000 high school male graduates qualified each year to study engineering in college only about 45,000 take the courses.

Dean Ryder added that the U. S. must find new sources of energy and material to keep pace with the demands of the age.

"It is by no means science fiction to imagine that we must begin looking through space for another sun or energy source to supply the famine stricken earth," Dean Ryder said in a talk at a meeting of the Institute of Radio Engineers.

A six-foot boa constrictor that escaped from a suitcase in the Nice, France, railway station, was captured three months later — warming itself in front of the station boiler.

Bulganin Letter to Macmillan Fails to Arouse Enthusiasm

LONDON (AP)—A long, amicably phrased letter from Soviet Premier Bulganin to Prime Minister Macmillan on disarmament, the Middle East and European peace aroused no perceptible enthusiasms in Britain today.

The British Foreign Office was said to consider the letter friendly in tone but not necessarily significant. Bulganin has communicated his views in long personal letters to the U.S., British and French chiefs of government at intervals since the Geneva summit conference in 1955.

★ ★ ★

British press reaction was generally cool to the Soviet Premier's latest.

Soviet Ambassador Jacob Malik delivered the 8,000-word communication to Macmillan over the weekend. Moscow radio broadcast the text this morning.

To relieve the present "undesirable aggravation of international tension," Bulganin set forth a number of proposals. None varied greatly from Soviet policy expressed in recent months.

★ ★ ★

His main recommendations included:

1. "Immediate banning of atomic and hydrogen weapon tests." The letter recommended that the question of the tests "be separated from the general problem of disarmament."

2. New discussions of the proposal made in 1955 by then Prime Minister Eden for the creation of demilitarized "sanitary zones" in Europe. Bulganin also called for companion talks on such "corresponding" Russian proposals as that for a 1,000-mile aerial survey zone centered on the Iron Curtain. Bulganin envisioned these as steps toward an all-European system of collective security to replace the NATO and Warsaw pacts.

★ ★ ★

3. The great powers should join in "denouncing the use of force" to settle disputed issues in the Middle East.

4. British-Soviet talks to expand trade and "cultural and scientific-technical" exchanges.

"Can our countries not live in peace?" it asked. "Can joint efforts not bring about such a situation that atomic bombers and rockets of one state will never sow death in the territory of another?"

"I do not lose the hope that, given good will on the part of the governments of the states concerned, agreement can be reached on all disputed issues," the Soviet Premier asserted.

It was generally assumed that Britain, following its usual practice when dealing with the Soviet Union, would consult with the United States and France before replying to Bulganin's letter.

Shoes for 6 Chimps Really Dent the Budget

ST. LOUIS (AP)—The St. Louis Zoo's six performing chimpanzees have been fitted with custom-made shoes at $125 a pair for the forthcoming show season.

Designed by stylist John Hatton of the International Shoe Co., the shoes are in combinations of green, yellow, red, blue, white and purple.

The chimps, whose feet grow about 1½ inches a year, must be refitted annually.

India will add an additional trai Reserve Police, to help maintain law and order in aid of interbattalion to its 2½ battalion Cennal security and border defense.

Federal Probe Examines Case

Dominican Government Asked to Investigate Disappearance of Two

WASHINGTON (INS) — A hush-hush federal grand jury is meeting behind locked doors in Washington to examine the strange disappearance of Dr. Jesus de Galindez, 42-year-old Columbia University professor who reportedly was murdered by agents of Generalissimo Rafael Trujillo's Dominican government.

The mystery heightened when Gerald Lester Murphy, 23-year-old aviator of Eugene, Ore., disappeared in the Dominican Republic last December. Murphy reportedly had told acquaintances in Trujillo City that on the night of de Galindez' disappearance, he flew a passenger from New York to the Dominican Republic in a hired, twin-engine Beechcraft plane.

A Dominican subsequently "committed suicide" in jail after purportedly leaving a note confessing to the murder of Murphy. The state department has branded the note a "forgery" and demanded that Trujillo's government "vigorously" investigate Murphy's disappearance.

Rep. Charles O. Porter (D-Ore) has bluntly charged on the House floor that Murphy was murdered on the orders of Trujillo's government to cover up the murder of de Galindez.

Bob Considine Says:

Newspapers Never Stop Fighting

NEW YORK (INS) — "Without publicity there can be no public spirit, and without public spirit every nation must decay," said Benjamin Disraeli.

★ ★ ★

It is no odd coincidence that the U. S. and the American press have thrived simultaneously. Men since Jefferson have seen an irrevocable tie between the two facts.

The third President of the young country, while serving as ambassador to France (1785-89), wrote his friend Continental Congressman Col. Edward Carrington from Paris:

"Were it left to me to decide whether we should have a government without newspapers or newspapers without government, I should not hesitate a moment to prefer the latter."

Despite such championing, the American press has had to battle through the ages to keep Americans informed as to what their elected and appointed servants were up to.

Alexander Hamilton, writing in "The Federalist," challenged the draft of the First Article of the Constitution:

"What is the liberty of the press? Who can give it definition which would not leave the utmost latitude for evasion?

"I hold it to be impracticable; and from this I infer that its security, whatever fine declaration may be inserted in any constitutional respecting it, must altogether depend on public opinion and on the general spirit of the people and of the government."

Veteran newsman Allen Raymond's pamphlet, "The People's Right to Know," lists hosts of examples of the suppression of public information.

★ ★ ★

J. R. Wiggins, executive editor of the Washington Post and Times Herald, and a man extremely sensitive to peacetime censorship, said in a speech at the University of Minnesota School of Journalism:

"The right of the people to know about the conduct of their own government is being obstructed in the executive, judicial and legislative branches at local, state and federal levels.

"The obstruction has increased throughout an historic interlude in which the rank and file of citizens have become more competent than ever before to understand and to act intelligently about their own rule."

★ ★ ★

But newspapers keep at it, this job for which they were created, presenting each day a durable archive of events momentous and microscopic. Through the years they have altered our way of life, the way we think, speak, dress, cook, sleep, house ourselves, dream, and solve $50,000 puzzles.

THE NATIONAL GAME

Newspapers made baseball the national game. In an age of diminishing church attendances, they bring readers daily religious thoughts by prominent men of the cloth.

★ ★ ★

Most Americans have been on the alert for get-rich-quick promoters since the Boston Post exposed Ponzi 35 years ago.

The murder of Don R. Mellett, crusading publisher of the Canton, O., Daily News, after his attacks on crime in his area, caused a wholesale housecleaning in the region's politics. The blinding of Victor Riesel is one of the reasons behind the work of the McClellan labor racketeering investigation.

Loopholes in veterans' insurance, bribery, fraud, corruption, voting scandals, public nuisances, blight, vandalism, bad roads, dope peddlers, abortion rings, hoodlumism, all have been illuminated first by newsmen.

★ ★ ★

Papers have, on their own, developed reforms, provided uncountable "causes" with the needed publicity. Which leads us to conclude with a thought expressed by President Truman at a Gridiron Dinner in 1947:

"This is the greatest governmental system in the world," said this frequent critic of the press. "Our press has helped to make it so. I am not here just to butter up the press. I do not think it is perfect. But, it is the best press in the world and it is doing a fine job. It is an integral part of our democracy."

Health Officials to Meet

ANN ARBOR (AP) — The third Citizen's Public Health Conference will be held Thursday and Friday at the University of Michigan. Two huldred public health officials from Michigan are expected to attend. Among the speakers will be Dr. Albert E. Heustis, director of the Michigan Department of Health.

Smelt Run Starts

ESCANABA (AP) — Smelt are running on the Escanaba River with "spotty" catches reported over the weekend. The run is expected to hit a peak this week.

70 Pct. of Uterine Cases Cured

Women's Needless Fear of Cancer Keeps Them From Defeating It Early

(This is the third of six articles written for INS providing the facts on cancer detection and treatment for a sane, sensible and lifesaving approach to the problems of that disease.)

BY DAVID A. WOOD, M. D.
President of the American Cancer Society

There is nothing to fear but fear itself. . .

This maxim applied to cancer generally needs modification, because a disease that strikes one in every four Americans must obviously command a healthy respect.

But when we discuss uterine cancer the maxim states the simple truth: There is no reason to fear concer of the uterus because it can be almost totally curable. But there is every reason to fear blind fear, because it can keep women from taking simple precautions to keep them safe from this form of cancer.

Cancer of the uterus is a common form of the disease in women, second only to cancer of the breast. And thousands of women died of it last year. They died only because of fear; or because of ignorance, for fear battens on ignorance. We are often afraid of what we do not understand.

PINPOINT DRIVE

That is why the 1957 educational drive of the American Cancer Society will be pinpointed on uterine cancer. We want to stop the needless and tragic waste of life. We want to hammer home the facts until every adult woman in the United States knows how to protect herself against cancer of the uterus.

We have come a long way since 400 B. C. when Hippocrates wrote: "cancer of the uterus is incurable," a prognosis that was repeated throughout the centuries — until the Twentieth Century.

Wtih the turn of the century the picture began to brighten. And today, I can say to you that if uterine cancer is detected in a reasonably early stage, seven out of every ten cases can be cured. If it can be uncovered before it has given rise to any signs or symptoms, the cure rate approaches 100 per cent.

OCCUR IN CERVIX

About 75 per cent of these cancers occur in the cervix or neck of the uterus, and no cancer is more readily detected; none is more accessible for treatment. The remaining 25 per cent which occur elsewhere in the uterus can also be quickly discovered and effectively treated, if you give your doctor a chance.

The key to the whole problem is in those words: "Give your doctor a chance." Give yourself a chance by going to see him long before there are recognizable symptoms of uterine cancer.

Of course such danger signals as irritation, bleeding between periods or after the change of life, or persistent low back pain should send women to the doctor without delay!

CAN BE DETECTED

But uterine cancers can be detected months and even years before there are overt symptoms or signs. They grow silently and painlessly; they can grow beyond the early and hopeful stage without giving rise to any signs whatever. I tell women this to alert them, not to alarm them. Women have nothing to fear from cancer of the uterus except what might happen if they procrastinate.

If women heed what I now want to tell them, it will be within their power to safeguard their lives against uterine cancer.

Every adult woman should protect herself against illness and death from cancer of the uterus by having a pelvic examination once a year. Where pathologists are available to interpret slides — and they are found in nearly all parts of the country — the annual checkup should include the uterine cancer cell examination, otherwise called the pap smear, after Dr. George Papanicolaou who first developed this technique along with Dr. Herbert F. Traut for detecting cancer.

SUPPORTS RESEARCH

The American Cancer Society is helping support the great research work of Dr. Papanicolaou. The "smear method" he has perfected actually reveals the presence of cancer before the cancer in the usual sense is present! First applied to cancer of the cervix, the smear technique is now used experimentally to detect other forms of the disease.

★ ★ ★

Here is how it works: A little fluid obtained from certain possible cancer sites is spread on a glass slide. The fluid is stained with dyes and examined through a microscope. If cancer cells are present, they can be identified with a high degree of accuracy.

It should be obvious that cancer detected at this stage, or in situ, can be swiftly and effectively treated, by radiation or surgery.

About 75 per cent of uterine cancer cases are treated by radiation. When a patient is not responsive to radiation, or when the cancer has begun to "invade," surgery is used. Surgery was not used in cancer of the uterus for about twenty years; it returned as a method of treatment when the discovery of antibiotics eliminated the major complication.

★ ★ ★

I should like to point out that some excellent doctors hesitate to suggest the uterine cancer cell examination to their patients, because it means an extra fee; the smears should be interpreted by a pathologist and fees for this diagnostic work vary.

When women go for their annual health examination, which includes a pelvic examination, they should make their responsibility to ask the doctor about the "pap" smear. Any economies they may have to make for this yearly health event will be well worth their peace of mind for the rest of the year!

★ ★ ★

(Tomorrow: The time when it's a virtue for a woman to nag her husband.)

Texan Regards Snow Creature Evolution Link

NEW DELHI, India (AP)—Texas oilman Tom Slick said here today he considered the "Abominable Snowman" a vital missing link in the theory of evolution of man.

Slick and his party flew in Tuesday at the end of their reconnaissance to the Barun Valley in eastern Nepal in search of the snowman.

★ ★ ★

Slick said he came across and photographed two kinds of footprints—one resembling footprints found by British Himalayan climber Eric Shipton, and the other bearing a greater resemblance to human footprints such as his fellow investigator Australian journalist Peter Byrnes saw in Sikkim last year.

He said he is convinced there are two kinds of snowmen—one smaller—but both belonging to the same family.

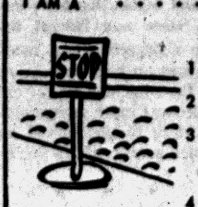

From his inquiries, he added, he was convinced snowmen walked erect and were therefore nearer to human beings than the gorilla.

He plans to return to the Himalayas again in September "with a larger, more expert team with greater equipment and longer time to complete an inquiry into this vital link."

Waterford Petitions Nearing Completion

Petitions for the incorporation of Waterford into a village, are almost ready for filing, according to a spokesman.

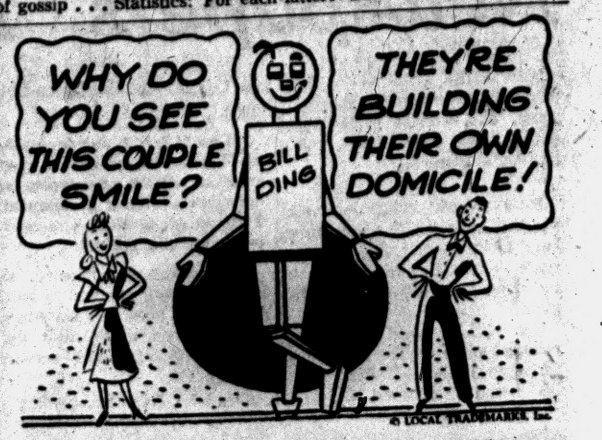

As soon as the petitions are filed with M. Glen Grossman, attorney for the group, there will be a series of public meetings concerning the plan.

Several well-known specialists on incorporation proceedings have been lined up for the meetings, and among them will be a professor of political science from Wayne State University, the spokesman said.

Actress Asks Alimony

LOS ANGELES (AP)—Cecile Rogers, the actress who played Elvis Presley's girl friend in the forthcoming movie "Loving You," asks reasonable alimony in her divorce suit against actor Humbert Astredo.

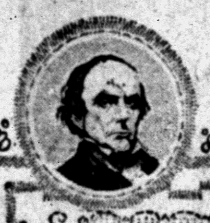

Acording to news reports, our telephone in this country there is latest jets have passed the speed a bathtub — and the former in- of sound and have approached that variably rings while your'e in the of gossip . . . Statistics: For each latter.—Earl Wilson.

Struggling Young Stars Have Their Problems

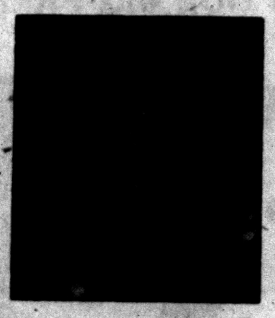

By EARL WILSON

NEW YORK—Tom Ewell drives home to Connecticut almost every night after starring in "Tunnel of Love"—he doesn't have a chauffeaur.

★ ★ ★

Sometimes, driving alone, he remembers how he ruined an evening for Judy Holliday—then as unknown as he was—squiring her to a Hollywood premiere.

"Judy and I were both out there trying to make it. Judy was trying to get into 'Born Yesterday.' I told her we should go to the big premiere of 'Fountainhead.'

TOM

"'We might get our pictures in the paper,' I told her. I talked her into it. She got all dressed up. I hired a mess jacket.

"On the way I got to thinking, 'What'm I going to do with the car? I got no chauffeur and I can't let Judy go in alone.'

"I said to Judy, 'The thing to do is park this and take a taxi.'

"Judy said, 'Oh, nobody takes a taxi to a premiere!'

"So," sighed Tom, "we drove around and around deciding. Finally I said, "We'll park this and walk to the theater.'

"There we are in our finery fighting to get through. We couldn't get near the people who were near the photographers. We were pretty disheveled.

★ ★ ★

"And our seats! We were with the bobby-soxers and tennis shoe set. We were so far on the side we could see behind the screen.

"We couldn't bear to stay and be humiliated—but we couldn't leave—until the picture started."

Tom smiled. "I'll never forget as we were leaving the theater, some woman in the crowd looked at us and said, 'I guess they wouldn't let them two in.'

"She was practically right about it," added Tom. Judy, starring herself on Broadway now in "Bells Are Ringing," often says to Tom, "When are you taking me to another Hollywood premiere?"

THE MIDNIGHT EARL . . .

The Vic Riesel film bio is being held up till Leo Lindy OK's his restaurant as a locale . . . Frank Sinatra called off his deal to film "What Makes Sammy Run"; too busy . . . Monique Van Vooren climbed 18 floors to pose for publicity photos . . . John Cameron Swayze will be profiled by two mags . . . "The Calypso" is a new N. Y. dance craze: it's taught here by a pretty miss named Olga.

Lena Horne'll have an understudy in "Jamacia"—but the producers are insuring her with Lloyd's, anyway . . . Dolores Del Rio'll be the first female judge at a Cannes film festival, April 30.

OLGA

EARL'S PEARLS: This is the time of year when tourists travel thousands of miles to take pictures of themselves standing besides their cars.

WISH I'D SAID THAT: It used to be that seating 13 at the dinner table was bad luck. Now it's financially impossible.—J. O. Jewett.

TODAY'S BEST LAUGH: Si Jacobs has invented a new pill. It won't relax you, but it makes you enjoy feeling miserable.

"I see where Charles Van Doren got married," writes Jessie Kaplan. "He'll learn that up to now he's had easy questions." That's earl, brother.

Reporter Slams Egyptian Ouster

Writer Nasser Expelled Labels Charges of Arabs Without Basis

ROME (AP) — Barrett McGurn, New York Herald Tribune correspondent, says the charges Egypt's government used to expel him from Cairo were without basis.

Egyptian officials said McGurn was ousted for cabling stories "attributed to responsible Egyptian officials which were complete fabrications and definitely detrimental to the Egyptian nation." McGurn declared on his arrival in Rome from Cairo last night:

★ ★ ★

"The charges are unfounded, quite unfounded. I quoted Egyptian official sources accurately in all my news items from Egypt.

"This is the first I've heard about the reasons for being kicked out.

★ ★ ★

"They didn't tell me why I had to leave, just that I had to go."

In a dispatch to the Herald Tribune, McGurn wrote:

"I assumed the reason for the expulsion was articles I wrote during the last eight weeks in Egypt, and possibly a group of pieces in the past week discussing the troubles of Western and Christian minorities in the face of Arab nationalism and Moslem favoritism."

★ ★ ★

The New York office of the Herald Tribune said only one of the articles on the minorities had appeared — on Tuesday morning — but several more are slated for later publication.

In its Wednesday morning lead editorial, the Herald Tribune called McGurn's ouster "a crowning distinction in a long career." It said, "The explanation is pretty obvious — honest and objective reporting of the news does not st well with Gamal Abdel Nasser or any other dictator."

London Press Questions Ike on Queen's Visit

LONDON (AP) — A columnist for the London Daily Express voiced suspicion today that President Eisenhower has had second thoughts about inviting Queen Elizabeth II to visit Washington.

"If she does not go to the United States this autumn," wrote William Hickey, "it will be widely believed that she has been snubbed."

British newspapers have been assuming that such a trip by Elizabeth and her husband Prince Philip was definitely in the works. There has been no official confirmation of such a plan either from Buckingham Palace or the White House.

"Something seems to have gone wrong," Hickey declared. "Officials both in London and Washington are evasive, noncommittal and slightly embarrassed."

Chile President Forms Cabinet

New Body of Officials Is 19th Since Ibanez Took Office

SANTIAGO, Chile (AP)—Chile today had a new cabinet, the 19th since President Carlos Ibanez took office four years ago.

Ibanez named a personal cabinet yesterday made up of four military men and eight civilians.

★ ★ ★

The previous government was dismissed by the President Monday after a squabble between former Economy Minister Roberto Infante and Carlos Ferrer, Interior Department subsecretary.

The selection of Jorge Aravena as interior minister to succeed Col. Benjamin Videla, Ferrer's boss, was considered to be the most important change in the Cabinet shakeup.

★ ★ ★

Infante had charged that Ferrer tricked him into signing decrees for the arrest of four lawyers representing the leftist publishing house Horizonte. The publishing plant was wrecked by a mob after one of the newspapers it printed criticized the government.

Congressional opponents of Ibanez charged that his secret police inspired the wrecking of the plant. The government claimed the plant was a target of the anti-inflation rioters.

Detroit Pair Tell of Near-Death From Tidal Wave

DETROIT (AP)—A Detroit couple credit three fellow tourists with rescuing them after a "hugh wall of water" swept them into the Pacific Ocean from a swimming beach in Acapulco, Mexico.

The incident occured last Thursday. Mrs. George Bryant told of it yesterday.

"My husband and I were standing a few feet apart on the beach when this nightmare suddenly happened," she said.

The 51-year-old secretary for the Ford Motor Co. said that other large waves follower "in seconds carried us out a great distance into the ocean."

She said three other tourists came to their rescue. Mrs. Bryant identified them as Alan I. Armour of Palm Beach, Fla., Quincy White of Lake Forest, Ill., and Gloria Reeder of San Francisco.

The Bryants suffered no permanent injury.

Bryant, 56, is employed in the engineering department of naval ordnance here. He and his wife were completing a 16-day tour of Mexico.

Gains in the fight against tuberculosis are reported by County Cork, Erie.

Lae, New Guinea, is described by residents as "the jeepiest town in Christendom". Not all the jeeps are of war vintage, some being of the Landrover type, and they suit local conditions, including native drivers.

13 From Pontiac to Go to Capital

National C. of C. Hear Potter, Nixon, Kennedy, Knowland on Policies

Thirteen representatives of the Pontiac Area Chamber of Commerce will head for Washington, D.C. this weekend for the 45th annual meeting of the Chamber of Commerce of the United States.

Highlight of the April 28-May 1 conference will be ea Michigan Congressional Dinner April 30 at which Michigan representatives in Congress will meet with the Pontiac visitors. Senator Charles E. Potter wil speak at the dinner.

The primary objective of the meeting will be to set chamber policies for next year. In this regard, Pontiac's representative will be Glenn H. Griffin.

Vice-President Richard Nixon, Senators William Knowland of California and John Kennedy of Massachusetts are other featured speakers of the meeting.

The following persons will go from Pontiac: Howard O. Powers, John A. Riley, Griffin, Bruce J. Annett, Henry E. Gotham, George E. Wyman, Marvin Barnett, Wayne Gabert, Smith Falconer, Robert B. Oliver, Mrs. Evelyn Mattson, William L. Belaney, and John W. Hirlinger.

Fined on Driving Charge

Walled Lake Justice Herman A. Roth fined Rollie Sargent, 5551 Dons Dr., Drayton Plains, $45 plus $50 costs after he pleaded guilty to reckless driving Monday.

They're Responsible for Good Deal of Indigestion

Women Cause Uproar in Restaurants

By PHYLLIS BATTELLE

NEW YORK (INS) — Women are the cause of a good deal of indigestion in restaurants. Sometimes they even give themselves indigestion, and that's about as goofy as a girl can get.

★ ★ ★

We discovered this long ago, having sat next to and in conversation with a number of nervous, restless, impatient and protesting ladies in the past few years.

Always at luncheon, of course—somehow it doesn't seem quite decent, well certainly not very stimulating, for females to dine together often after nightfall.

Anyway, as previously mentioned, women can be pretty odious at a lunch table in a restaurant.

They tend to smoke incessantly, even after delivery of the shrimp salad; they talk incessantly, frequently with their salad en mouth; they often ignore waitresses and over-tip waiters, and they turn back twice as much food as male restaurant eaters do, often out of sheer whim or the desire to let off steam.

★ ★ ★

If they are drinking cocktails . . . let's put it this way: Everyone within a five-table area knows it.

PROVED BY SURVEY

This is, of course, a broad generality and we would not mention it at all if it were not for a survey which has been completed just this week and points up the truth of it.

★ ★ ★

Research among 4,000 restaurant owners all over the country indicates that the majority of eatery entrepreneurs have been watching the ladies for a long time. With emotions ranging from fear to loathing.

The trouble with women, basically, according to the study, is that they suffer from "tension."

It was generally agreed that men also suffer from tension, perhaps more deep-taut, but through many years of dining out they have learned to control its outward effects.

Ladies, on the other hand, feel the need to blow off their frustrations, and the result is (4,000 owners speaking now) that they:

1) Complain about service more than men;

2) Are twice as impatient waiting for service;

3) Smoke more than men, and

4) Return twice as much food to the kitchen, despite the fact that they have ordered the lower-priced items on the menu.

ALWAYS IN A HURRY

The survey, conducted by a restaurant magazine and the Muzak Corporation (which thinks it can tame tensions with mealtime music), revealed also that owners have analyzed why female customers are the worst.

First and most important perhaps, women are always in a hurry at lunchtime. They are inevitably "stopping for a bite" on a short hour from an office, or as a reprieve from the irritation-fraught bustle of shopping.

Second, women are naturally chary and look for low-cost dishes—expecting deluxe cuisine—and expecting it immediately.

Third, most owners blame dieting for the irritability of many girls. "Eating lettuce and celery when one is hungry," points out a Southern restaurateur, "does not improve the disposition."

Other complaints are that women "try to do too many things while they're at luncheon." Instead of just sitting down and dining, they talk, smoke, worry about what to order, worry about when it's coming, primp and watch their watches.

★ ★ ★

The result is indigestion—not only for the ladies, but for nearby men whose innards are curdled by the very valiant effort to keep calm under hubbubial circumstances.

Committee Named for Mackinac Project

LANSING (AP) — Gov. Williams has been urged to take a coordinating hand in efforts to develop a long range plan for preserving and restoring the historical values of Mackinac Island.

The subject was discussed Monday at a meeting in the Governor's office by representatives of the State Historical Commission, the Mackinac Island Park Commission and the Beaumont Memorial Committee of the Michigan Medical Society.

Williams indicated he would name a special committee to coordinate efforts of these and other groups with an interest in the objective.

Besides its primary mission, the committee would be expected to come to grips with the problem of a plan for joint financing, public and private, of the activity.

Discussion revolved for a time around three pending restoration projects involving the Biddle house, the Clerks Quarters of the American Fur Co. and Fort Michilimackinac, on the mainland near the straits.

Heads Guidance Assn.

ANN ARBOR (AP) — Prof. Edward C. Roeder of the University of Michigan has been named president elect of the National Guidance Assn., a division of the American Personnel and Guidance Assn.

Amsterdam will hold an international diamond show—largest ever held in the Netherlands—June 21 July 14 this year.

"Who Says You Need Costly Shots To Relieve 'Hot Flashes' And Irritation From Change-Of-Life?"

Mrs. A. M., Watonga, Okla., adds, "Middle age was torture. Had costly shots 3 times a week but got no relief from them. Practically had a nervous breakdown. Then took Pinkham's Tablets. They brought me new happiness, comfort!"

Medical science now offers women new freedom from much of the misery of change-of-life, thanks to an amazing new tablet developed *especially* to relieve these functionally-caused discomforts. Doctors reported sensational results using this home treatment alone . . . and no *expensive injections!*

Relief for 8 out of 10 tested!

Irritability, tortured nerves were calmed. Dizziness relieved. Suffocating hot flashes subsided. For woman after woman, a feeling of "well-being" returned!

Unlike aspirin and such "general purpose" remedies, this new tablet is a unique *combination* of special medicines...acts directly on the *cause* of these troubles... works through a woman's sympathetic nervous system to relieve tense feelings and physical distress that bring unhappiness to so many. Clinical tests prove this.

Now you can get this amazing formula at drugstores without prescription. Ask for "Lydia Pinkham's Tablets". Don't let change-of-life rob you of joy! Get Pinkham's Tablets. Contain blood-building iron. See how fast you can feel your happy self again — without costly shots! (Also liquid Lydia E. Pinkham's Vegetable Compound.)

Wolverine Building Booms to Tune of Million

Clerk Attributes Growth to Lake, Lincoln Plant

By STANLEY BOK
Press Correspondent

WOLVERINE LAKE — Residential construction has been booming in Wolverine Lake village during the past 12 months to the tune of almost a million dollars in terms of estimated cost of construction.

★ ★ ★

The large scale land development program has been carried forth by two Detroit builders.

Tilson-Aaron Building Co. has been erecting $15,000 to $18,000 homes in Wolverine Lake Heights subdivision while Haines-Powell Co. has been constructing $18,000 to $20,000 dwellings in Payne Manor subdiision.

To date, 46 new homes have been built in Wolverine Lake Heights during the past year, accounting for a total of $552,000 in estimated cost of construction.

In the same period, 26 new homes have been erected in Payne Manor, representing a total of $364,000 in estimated cost of construction.

The grand total of estimated cost of construction for both subdivisions amounts to $916,000 for the past 12 months or about $1,230,000 in retail sales value.

CLERK PRIDEFUL

Taking great pride in the current home-building boom is John C. Finlayon, village clerk who has pointed out the advantages of Wolverine Lake village to investors and land developers.

Finlayson predicted a million-dollar housing program for Wolverine Lake village about a year ago. It now appears that his estimate was conservative since there are still 26 vacant lots in Wolverine Lake Heights and 13 vacant lots in Payne Manor.

According to Finlayson, the rapid growth of Wolverine Lake can be attributed to two main reasons: The appeal of the village as a playground area with a lake at hand and the construction of the new Lincoln plant by the Ford Motor Company in nearby Wixom.

JEAN LAURIE BOWEN

Mr. and Mrs. William R. Bowen are announcing the engegement of their daughter, Jean Laurie, to Thomas Finch of Los Angeles, Calif. Thomas is the son of Mr. and Mrs. Luther Finch of Van Dyke and is a graduate of Eastern State College of Ypsilanti, where Jean is a junior. The couple has scheduled a June wedding.

Capt. William Bligh of H.M.S. Bounty brought the first few apple trees to Tasmania, an island off Australia, in 1788, the National Geographic Society says. Today the fruit is Tasmania's second most important crop, after wool.

MARJORIE MUSGRAVE

The engagement of their daughter, Marjorie Ann, to Kenneth C. Patrix, is announced by Mr. and Mrs. Ernest Musgrave of Keego Harbor. Kenneth's parents are Mr. and Mrs. August Patrix, also of Keego Harbor. No wedding date has been set.

Bus Would Be Cheaper

NORFOLK, Va. (AP) — Dorothy Wilson Moore was just being neighborly and driving the children to school but it cost her a $10 traffic fine. The judge said 16 six- and eight-year-old passengers plus driver constituted driving an overloaded sedan.

Romeo Sending 6 to Interlochen

Get Scholarship Funds Through Civic, Business Groups, Concert

ROMEO — A panel of 10 local judges last night named six Romeo High School music students winners of scholarships to the national music camp at Interlochen next summer.

The scholarships entitle the students to two weeks training at the music camp.

★ ★ ★

Two seniors and four juniors were selected from 22 candidates, from both instrumental and vocal departments.

Senior winners were Helena Valentgoed and Helen Hilliker, instrumentalists. Juniors were Nancy Ojala, Nancy Bartholemew, Nancy Emmons, instrumentalists, and Gretchen Toothacher, pianist and vocalist.

Money for the scholarships was raised through donations from interested civic organizations and business firms, plus proceeds from the annual Interlochen Scholarship Concert held April 9.

Opening of the Banihal tunnel road has brought many more tourists to Kashmir this winter to see its heavy snows, Srinagar reports.

Your PTA Is Planning:

2 Meetings at Waterford; Leonard Session Monday

WATERFORD TOWNSHIP — Mrs. John Warren, co-ordinator of emergency service for southeastern Michigan, will present a program on "Civil Defense" at 8 p.m. Thursday at the Waterford Village PTA meeting.

Newly elected officers will be installed by Mrs. William A. Kelly, past president of the Oakland County Council of PTA.

Mothers of first graders will have charge of the coffee hour afterward.

★ ★ ★

Mrs. Cecil Dumbrigue, Pontiac State Hospital physical therapist, will be guest speaker at the Thursday night meeting of the Jayno Adams PTA in Waterford Township. Meeting will begin at 7 p.m., announces the president, Mrs. John Mihalik.

Leonard

Leonard PTA, meeting at the school at 8 p.m. next Monday, has invited Lakeville PTA and any other interested area school groups to attend the session.

Fred Gillam and Ruth Williams, art instructors, will demonstrate their work with Leonard students and Mrs. Robert Brower will present plans for the school's summer programs.

Music and the serving of refreshments will conclude the evening.

Knights Slate Annual Frolic at Utica Hall

UTICA — Robert Fetterly, activities chairman of St. Lawrence Council 2950, Knights of Columbus, announces the annual spring frolic dance will be held Saturday, from 9 p.m. to 1 a.m. in the K. of C. Hall at 44425 Utica Rd.

Jimmy Morris and his band from Pontiac will provide music for both modern and oldtime dancing. The council promises refreshments and prizes.

Interested persons may call OL 6-2662 for tickets, Fetterly said.

Open Farm Office

ALMONT — Michigan Employment Security Commission has opened the seasonal Farm Placement office for this area at 208 Third St., Imlay City.

The office again will be handled by Ford Bird of Almont, farm placement specialist. Purpose of the office is to find farm work for applicants and the service is free.

PATRICIA SCHROEDER

Mrs. George H. Schroeder of 667 Orion Road, Lake Orion, announces the engagement of her daughter, Patricia Ann, to John Michael Trulu, son of Mr. and Mrs. Michael Trulu of 255 Juniper, Auburn Heights. A Sept. 21 wedding is planned.

Farm Bureau to Meet at Davisburg School

The annual Oakland County Farm Bureau meeting will be held at 8 p.m. Thursday at Davisburg Elementary School, Ormond at Davisburg roads.

A luncheon, square dancing, and skits by each discussion group will highlight the program arranged by a committee headed by James Wilson, of Rochester.

India had 39,333 foreign visitors in the last 12 months, New Delhi figures show.

All-County Farm Party

Members of the Oakland County Farm Bureau have been urged to attend the All-County Party to be held this Thursday at Davisburg School at 8 p.m.

Jim Wilson, chairman of the social committee, announces a lively evening of entertainment with prizes and a special prize to the Community Group who, in the opinion of the judges, presents the winning entertainment skit.

Jack Worthington will play for dancing.

★ ★ ★

Members are requested to bring sandwiches or cake, and their own table service.

'White Cane' Drive to Aid Blind in '58

WEST BLOOMFIELD TOWNSHIP — The West Lakes Lions Club will hold the annual white cane drive in the area all day Saturday.

Virgo Taylor states that the drive is being made to replenish the treasury to aid the blind, on whom, he said, the group spent hundreds of dollars in the past year.

Lions Club members, he added, will be stationed at all banks and crossroads in the lake area Saturday, to solicit funds for the coming year.

Slate Tunnel Opening

NEWPORT NEWS, Va. (AP) — Engineers have set next November as a target date for opening to traffic the $58,500,000 tunnel under Hampton Roads, between Hampton and Norfolk.

BAND PLAYS TONIGHT — Jerry O'Connor, Bob Snyder and John Neztek (left to right), scan notes for the big spring band concert slated to start at 8 tonight at Avondale High School. Neztek is in charge of program, with O'Connor assisting. Snyder, a student, will narrate a novelty number.

Pair Announces Recent Marriage at Lapeer

LAPEER — Mrs. Mildred Montgomery and Thomas Sturgis announce their recent marriage in the Monroe Street Methodist Church by the Rev. Raymond Lamb. Only the immediate families and close friends witnessed the ceremony.

Attending the couple were the bride's daughter, Marjory Montgomery, and the bridegroom's brother, Russell Sturgis of Fenton.

A reception was held in the evening at Hunters Creek Community Hall for 200 guests after which Mr. and Mrs. Sturgis left on a wedding trip through Michigan, Indiana and Canada. They will reside at 2823 Millville Road.

The Great Rift valley extends from northern Syria almost to the southern tip of Africa, enclosing the Red sea and the lakes of East Africa among other bodies of water enroute.

To Talk at Waterford

WATERFORD TOWNSHIP — The Fashion Your Figure Club will have Mrs. Albert Games as guest speaker at the regular meeting at 7 p.m. tonight, at the Waterford Township High School.

Slate Lapeer Crusade

LAPEER — The house to house crusade for funds for the American Cancer Society will be held on Monday in this city. Workers will call during the day and evening.

Supervisor Makes 'Clean Sweep'

Changes Taking Place at Farmington

FARMINGTON TOWNSHIP — Frank J. Stephenson, new township supervisor, is making a "clean sweep" and starting a brand new system of township board operation.

★ ★ ★

Remarking that, "we're going to clean up this mess, and believe me it is a mess," Stephenson last night launched a system of committees composed of three board members.

He requested the appointment of an assistant to the township attorney and also recommended the immediate employment of a firm of certified public accountants. He asked and received the board's approval of his appointment of a building inspector. Jack Habermehl is the appointee.

The 11 committees are to study township problems and report their findings to the board.

Stephenson explains that he believed the board could function more efficiently if board members serving on committees could "share the burden" of township government.

Except for the treasurer and clerk, each member will serve on eight separate committees for a period of one year.

Faculty to Flip Pancakes to Buy Lounge Furniture

SASHABAW PLAINS — Pine Knob Elementary School teachers will hold a pancake supper Friday night from 5:30 to 7:30. The teachers are raising money to pay for furniture in the teachers' lounge.

★ ★ ★

Mrs. Ethel Rowley is chairman of the affair, which will be held at the new school building on Sashabaw road.

Annual Andersonville Fair to Be on Saturday

CLARKSTON — The Andersonville School will hold its annual fair Saturday, at the school on Andersonville road. Hours will be 7 to 9 p.m.

Among attractions planned is the "snake pit," which will feature a live alligator.

There will be pony rides for children, fun house, cake walk, fancywork, variety store, flower and plant stand, blossom tree, midway concessions and movies, plus a fishpond.

Prizes are being handled by the Boy Scouts. Fathers of the area will serve refreshments and have charge of the kitchen.

Lester Smith is general chairman of the event and room mothers are in charge of the various committees.

Band Concert Tonight to Star 300 Students

Over 300 Avondale students will participate in the Spring Band Concert tonight. The concert will be at 8 in Avondale's gym.

John Neztek will direct the Senior High School Concert Band and the Song Flute Band.

Novelties, serious numbers, modern tunes and marches will be included.

Charles Simmons and Jerry O'Connor, Avondale faculty members, will participate in the program. Both will play in the Concert Band and O'Connor will also direct the All-Grade Band.

Card Party Saturday

SEYMOUR LAKE — The Extension Group here has announced that it will hold a card party Saturday evening at the home of Mrs. George Edwards, 5381 Clarkston-Orion Rd. Progressive pedro will be played, prizes awarded and refreshments served.

Approve Orion Plat

LAKE ORION — The Orion Township Zoning Committee has approved a plat as presented by Carl Baum for a new subdivision at the corner of M24 and East Orion-Clarkston road, at Buckhorn Lake.

CUB SCOUT SOLOIST—Tommy Talaba, of Fourtowns Cub Pack 67, "The little boy with a man's voice," will open the stage show at Saturday's "Scout-O-Rama." The shows, set for 3:30 and 8:15 p.m., at Walled Lake Senior High School, will highlight the annual Scout program. Affair will include "action" demonstration booths whose subjects range from cooking and Indian lore to wildlife management and woodworking.

Troy Charter to Be Changed

Due for Overhaul After Manager Proclaims Tax Limitation Outmoded

TROY — The report of City Manager C. R. Lurkens stated that "Troy's 20 mill tax limitation is outmoded."

★ ★ ★

Since property valuations have been tripled, Lurkens feels the 20 mill limit is excessive.

A committee of five, including Norman R. Barnard, Donald Lance, Charles Schofield, Clarence Long and Ben Jones, has been named to overhaul this and other phases of the 1955 charter.

★ ★ ★

The mayor, city manager and attorney will work with them.

Hire County Engineer for Lake Orion Well

LAKE ORION — Councilmen this week decided to hire engineer James Baines to install a test well in the Swiss Village area here.

★ ★ ★

Members returned a negative vote on the question as to whether the hill leading to Swiss Village could be cut down. Councilmen made the decision because of expense involved.

Tuesday Smorgasbord Planned at Lake Orion

LAKE ORION — A smorgasbord dinner will be served at the Lake Orion Methodist Church House, next Tuesday, 5:30 to 7 p.m. to which the public has been invited. Mrs Walter Hampton is general chairman.

Proceeds will be used for remodeling of the church kitchen.

County Calendar

New Hudson

Thursday will be guest night for the Eva Beecroft Circle. They and their guests will meet at 8 at the home of Mrs. David O'Leary.

Drayton Truck Scales 2nd Highest Volume in State

BY REBA HEINTZELMAN
OF OUR WATERFORD BUREAU

With more than 1,800 of our Waterford Bureau trucks 'weighing in' during a 24-hour period, the Drayton scales station on Dixie Highway in Waterford Township, has the second highest business volume in Michigan, according to state highway records.

The Erie Station, near Toledo has the biggest traffic load.

Operating around-the-clock, the local station has men working in three shifts every day in the week, with the exception of one 8 hour shift each week.

According to John Sutherland, weigh master, trucks glide on and off the big scales in a continuous line, and come from every state in the country.

Although the busiest time of the day is between 7 and 8 p.m. there are comparatively few accidents, Sutherland said. If the weather is bad, officials bypass trucks going south, to prevent any possibility of traffic hazards.

★ ★ ★

There is a general run of every kind of commodity, but mostly, Sutherland said, "There are loads of sheet metal going into car production in Flint, headed north, then haul-away trucks bring the same steel back, made into new automobiles, headed south."

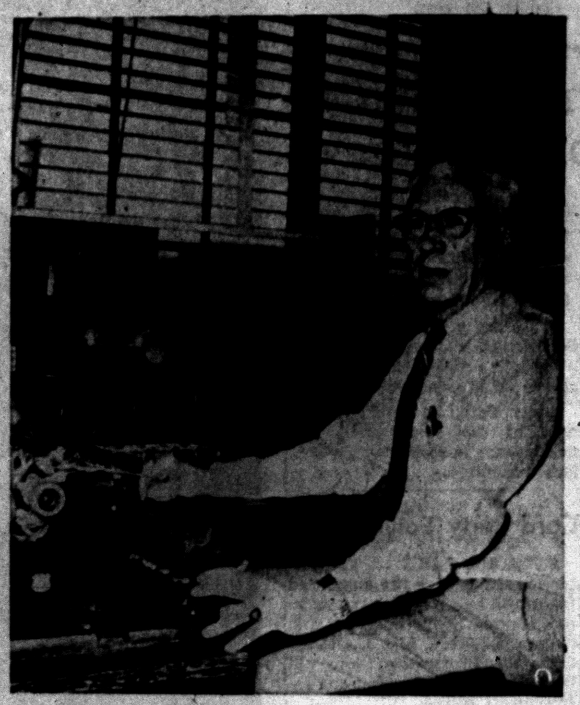

Few tickets are issued for overloading, according to the weigh master — most big companies have their own scales. However, a few truckers are fined 2 cents a pound for the first 1,000 pounds over their legal weight, then more, as the poundage increases.

Weight restrictions are lifted gradually according to weather conditions, and up until recently the state highway department has been sending telegrams, collect, to hundreds of companies with weight-restriction information.

★ ★ ★

Recently, a new automatic device was installed at Lansing, whereby truckers may call Ivanhoe 4-4423 and up-to-the-minute information is transmitted, 24-hours a day, it was announced by State Highway Commissioner, Charles Zeigler.

"At this time of year, weight-restriction information is the most vital factor in the trucking industry, and weight masters are doubly busy checking the traffic loads," Sutherland concluded.

Pontiac Press Photo

WEIGHT IS IMPORTANT — Scalemaster, John Sutherland, watches the scales and hundreds of trucks daily at the State scales station on Dixie Highway in Waterford Township. Truckers, from all over the United States, halt momentarily on the scales to check for overloads.

Ike Takes It Easy Between Meetings

AUGUSTA, Ga. (AP) — President Eisenhower took it easy today in between conferences with key administration officials.

Eisenhower is planning a legislative conference here tomorrow with Secretary of Labor Mitchell. They plan to confer at the President's vacation headquarters on whether new anti-racketeering laws are needed to protect the health and welfare funds of labor unions.

★ ★ ★

Eisenhower met yesterday with his adviser on disarmament matters, Harold E. Stassen, on the prospects for ending the atomic arms race with Russia. After that session at the Augusta National Golf Club, Stassen flew on to London for resumption of talks today with the Russians on inspection and control of weapons.

Sympathetic Judge Aids

Love Even Conquers Law

PHILADELPHIA (AP)—Domenico Viola, 23-year-old shoemaker, is an Australian immigrant — unfamiliar with American laws and customs.

★ ★ ★

He and his girl friend Mary DiMaio were in love, and 15-year-old Mary knew little more than her handsome beau about such things as marriage laws.

They decided two weeks ago to elope to Elkton, Md. They've learned a good deal about the law since.

First they found out about the waiting period before marriages in Maryland.

★ ★ ★

Returning to the city, they were met by Mary's irate parents — and again the law.

Domenico found himself in county prison and his sweetheart was lodged in the Youth Study Center. Worse, the intended bridegroom faced possible deportation proceedings.

But to the rescue came sympathetic Municipal Court Judge J. Sydney Hoffman.

★ ★ ★

He agreed to marry the couple if Mary could win parental consent.

Yesterday, with parents beaming and some legal red tape out of the way, they were married in the judge's chambers.

The law, the couple agreed, is after all a wonderful thing.

Owosso Firm to Expand

OWOSSO (AP) — A 30,000 square foot plant expansion has been announced by the Redmond Co., Inc., at its factory in Owosso. The building addition will be on a 15-acre site purchased from the Owosso Industrial Development Corp.

Plans Proceed on Fluoridation for Test Groups

It appeared the topical fluoridation program for some 255 children in Waterford Township would be at a standstill for some time due to lack of equipment, according to Dr. B. W. Ross, Waterford dentist and fluoridation coordinator.

The state could provide only a small amount of equipment for the Waterford area, Ross said. However, arrangements have been made with the Walled Lake school system to use their equipment for the summer program.

★ ★ ★

All personnel and outside help have been lined up for the program, a 5-week schedule beginning June 24.

Children 3, 7, 10 and 13 years of age will be treated at various appointments throughout the summer, and cards designating the exact time and place will be sent to the registered children in late May, Dr. Ross concluded.

The Alborz well, near Qum, Iran, discovered last year, is producing 60,000 to 80,000 barrels of oil a day, Tehran reports. It may be the largest in the Middle East.

Newspaperman Blasts Ban Between U. S., Red China

NEW YORK (AP)—The president of the American Newspaper Publishers Assn. said today, "The Bamboo Curtain now hangs by order of our government between us and Red China."

William Dwight, referring to the State Department ban on American newsmen traveling to the Communist China mainland, said they should be permitted to go to any country not at war with the United States.

★ ★ ★

"This battle we are engaged in to sustain the people's right to know is endless," Dwight, publisher of the Holyoke, Mass., Transcript-Telegram, told a general session of the ANPA convention in a prepared address.

"We find ourselves engaged in a clash on this subject now at the highest level—with the President of the United States, the secretary of state, and the Congress."

A number of newsmen have protested the State Department ban.

Only two days ago, the Associated Press Board of Directors said "qualified newsmen should be allowed to report first hand from the mainland of China."

Secretary of State Dulles yesterday made a qualified offer to allow "a strictly limited number" of responsible newsmen to visit Red China.

★ ★ ★

He said any such "one-shot experiment" must not lead to an influx of other Americans into China, and that prior approval by "leading figures in the newspaper world" would be required.

There was no immediate indication of what would come of the qualified offer.

★ ★ ★

In declaring newsmen should be permitted to go for newsgathering purposes "in any country in the world with which the United States is not at war," Dwight said:

"ANPA has in mind particularly the granting of the right to go to Red China and report back to the American people. The Bamboo Curtain now hangs by order of our government between us and Red China.

"Arguments based on the evils of the Peiping regime have been advanced to bolster the decision to keep us from finding out for ourselves what is taking place over there.

★ ★ ★

"They should not prevail over the majestic principle of the people's right to know, a precious right inherent in our way of life."

Dwight said newspapers in the United States and Canada are "giving magnificent public service."

Driver Takes Own Life After Car Hits Boy

SHINNSTON, W. Va. (AP) —Darnell Rutter, 29, took his own life less than 30 minutes after his automobile struck a 12-year-old boy.

Dr. Kenna Jackson, Harrison County coroner, said Rutter rushed from the doctor's office where James Zecco Jr. was taken, drove to his own residence and shot himself with a shotgun.

Ronnie Crayton, 16, a friend of young Zecco, said the boy was examined and was released by the doctor to return home.

March of Dimes Shows Big Drop

$141,000 Collection Is $20,543 Below Total in 1956 Drive

Oakland County's 1957 March of Dimes held in January showed a collection decline from the previous year, Rev. G. Burton Hodgson, chairman of the county chapter, revealed today.

The drive netted $141,000 as compared with $161,543 last year. The decrease was due, primarily, to the fact that some of the fear of polio has been removed by the Salk vaccine, he said.

There is still plenty to do on polio, the Rev. Mr. Hodgson pointed out. "We still support nationwide research, take care of polio victims (240 in Oakland County) and assist in mass immunization programs.

He gave the following breakdown of 1957 campaign receipts: Special gifts, $3,274; business and labor, $2,778; schools, $10,280; Mother's March, $87,980; coin collections, mailers, etc., $36,962.

The Rev. Mr. Hodgson also paid tribute to the more than 12,000 county volunteers who participated in the campaign.

Woman Put on Probation After Checks Bounce

A Detroit woman, who admitted issuing checks on the Community National Bank without sufficient funds, has been placed on two years probation.

Patricia Jackson, 19, of 19348 Indian St. was assessed $100 court costs by Circuit Judge George B. Hartrick.

First Tests Show Treatment 75 Pct. Effective

Radioactive Gold Halts Uterine Cancer

ST. LOUIS (AP) — The American Cancer Society has announced a promising technique for treating cancer of the neck of the womb, described as the "commonest kind of female cancer and one of the most prolific killers."

The society said the new method—derived from six years of research—consists of injections of radioactive gold and is of greatest value in treating moderately advanced cases.

★ ★ ★

During the research period, the society said, the survival rate of patients afflicted with the disease was increased substantially by the injections.

★ ★ ★

The research was performed by three doctors at the Washington University School of Medicine in St. Louis.

The new procedure proved of benefit to all patients treated except those with widely disseminated cancers, the society reported. The research involved over 300 treatments.

A description of the treatment: Radioactive gold suspended in a jelly-like material is injected into loose tissues around the uterus. Pellets of radium are implanted in the vagina and on the neck of the womb. In most cases the uterus and connecting lymph nodes are removed surgically a month or two later.

★ ★ ★

The society said examination of tissues removed during operations showed the radioactive gold seeps into the lymph channels, overtakes cancer cells escaping from the tumor and destroys them.

★ ★ ★

The researcher reported 75 per cent of moderately advanced cases treated with the radioactive gold-radium-surgery method had no recurrence three to six years later.

Comparable rates for surgery average 15 per cent and for X-ray and radium treatment about 30 per cent, the society said.

Doctors Willard M. Allen, Alfred I. Sherman and A. Norman Arneson did the research work.

The Atomic Energy Commission supported an early phase of the work.

Keego Man Fined

Oscar L. Robison, 48, 3022 Glenbroke St., Keego Harbor, paid a $95 fine and $5 costs after pleading guilty to drunk driving before West Bloomfield Township Justice Elmer C. Dieterle Monday.

Survey Hits 'Big Lawyers' Also

Philadelphia Team Says Judges Work Too Little

PHILADELPHIA (AP) — Judges don't work hard enough and a small number of lawyers have far too many cases, a team of University of Pennsylvania Law School professors say.

The professors have just completed a yearlong survey of civil procedures in the courts of Philadelphia and six other counties. The study was made by the university's Institute of Legal Research.

★ ★ ★

A spokesman for the institute said the same situation exists in many other states.

★ ★ ★

Lawyers working on the study spent several weeks as observers in Philadelphia courtrooms. They reported that judges averaged 3 hours and 56 minutes on the bench during jury trials and 2 hours and 25 minutes when hearing trials without juries.

This, the report said, was a "substantial waste of time by the common pleas courts."

Trials were interrupted by judges' out-of-town trips, faulty preparation by attorneys, telephone calls and ventilation of a courtroom, the survey reported.

★ ★ ★

The study turned up 579 cases not completed after three years and some still hanging after seven years.

★ ★ ★

The professors said 11 law firms are involved in 40 per cent of Philadelphia trial cases. The report states that judges must take more stringent steps with lawyers who have more cases than they can handle and aren't getting their clients' suits before the courts.

The report recommended that judges give "little cases" (where a citizen is suing for $500 or $1,000) an even break in being brought to trial with the large corporation cases.

Scratch for Way to Help Schools

GOP House Members Agree on Need; Divide on How to Get Funds

LANSING (AP)—Republican House members appeared more united than ever to day on providing Michigan's public schools with the money they say they need for the balance of the current school year.

But they remained divided on where to get the needed revenue—between 15 and 20 million dollars.

Meeting in caucus yesterday, Republicans in the lower chambers hashed over proposals for supplementary school aid for nearly 90 minutes without coming up with an agreement.

"We would like to have some additional school aid and probably will have, if we can find some means to finance it," said House Speaker George M. Van Peursem (R-Zeeland) after the parley.

"But," he added, "we came to absolutely no decision and what we have to do now is find 56 people (a majority of House members) who are willing to tax the same people."

Van Peursem said House republicans would wrestle with the problem again tomorrow.

Apparently still lacking the necessary support was a GOP-sponsored bill to double the tax on beer and add a 5 per cent excise tax on whisky. Rep. Allison Green (R-Kingston), House majority leader and a co-sponsor, estimated the measure would bring in some 15 million dollars a year.

Gov. Williams has called for a tax on corporations profits as a means of meeting increasing costs of state government and balancing his proposed 411 million dollar budget.

Oakland Red Cross Unit Slates Annual Dinner

The Oakland County Chapter, American Red Cross, will hold its 40th annual dinner Thursday evening at Northwood Inn, Berkley.

James T. Nicholson, executive vice president of the national Red Cross, will be the guest speaker.

School Library Service Is Topic for Area Meeting

School librarians from Pontiac, Waterford Township, Avondale, Utica, Holly, Royal Oak, Birmingham, Ferndale and Southfield districts will attend the seventh annual spring conference of the Michigan Assn. of School Librarians.

The gathering will be Saturday, May 4, at the Woodrow Wilson Junior High School, Wyandotte, and administrators and teachers have been invited, as well as librarians.

"Planning Together" is the conference theme, with the morning session to be spent on "Planning the Elementary School Library."

The afternoon session will close with an address by Mrs. Dilla MacBean, consultant to Rand McNally Co., on "Lasting Values of School Library Service."

Finds He's in Bus Zone After Returning to Car

MIAMI, Fla. (AP) — William H. McCormick parked his car legally and went about his business. When he returned, his car was in a bus zone and he had a traffic ticket.

Asst. City Manager Ray A. Williams tore up the ticket after McCormick complained the yellow bus zone paint had been applied to the curb after he had parked his car.

Jury Knows Its Politics

GREENVILLE, Tex. (AP) — The spin of the jury wheel turned up these names here recently: Deputy Dist. Clerk Margaret Ann Hales; Mrs. H. F. Brewer, wife of a deputy sheriff; Mrs. Bill Pemberton, wife of the County Attorney; and County Commissioner Leon (Tuck) Sockwell. They were stricken from the panel.

Observers Fear Jordan Will Tumble Before Long

By JOHN H. MARTIN
INS Foreign Director

Formation of a new cabinet in Jordan has eased but not removed the crisis of that little kingdom. Few competent observers, in fact, give Jordan more than another year or two of independent existence.

★ ★ ★

Tension between young King Hussein and ousted Premier Suleiman Nabulsi stems from both general and specific causes.

One source of irritation to Nabulsi and his leftist followers is the 21-year-old King's tendency to intervene personally in both domestic and international politics.

In this the King is acting much as did his powerful grandfather, Emir Abdullah, the first King of Jordan. Hussein and his grandfather were very close, and Hussein was at Abdullah's side when the latter was assassinated by an anti-Western fanatic in Jerusalem in 1951.

★ ★ ★

Hussein has been angered at Nabulsi because he and the men who support him have wanted to establish diplomatic relations with Russia and want to federate Jordan with Syria and Egypt.

Another point at issue is the attitude which Jordan should adopt towards the Eisenhower plan of Middle Eastern aid. The King is known to favor cooperating with the United States. Nabulsi lines up with Syria and Egypt in attacking the plan.

★ ★ ★

Jordan is an artificial nation, carved out of the desert by British treaty-makers after World War I, and first known as Transjordan. Later Jordan annexed part of Palestine west of the Jordan River in the Arab-Israeli war of 1948-49.

Palestine Arabs who form a big part of the population look down on the less sophisticated Transjordanians. Nor do these supporters of Nabulsi feel any deep loyalty to the Hashemite Dynasty to which Hussein belongs.

That dynasty came to Amman less than 40 years ago after being expelled from Arabia by King Ibn Saud, father of the present King of Saudi Arabia.

Many Jordanians regard themselves as "South Syrians."

★ ★ ★

Nabusli enjoys strong support in the towns where wages are low and unemployment runs at something near 50 per cent. He also has the support of the Palestine refugees who make up a third of the country's million and one-half population.

TRIBAL LOYALTY

Hussein has the loyalty of the Bedouin tribesmen and at least thus far the support of the army.

Nabulsi will be back in the cabinet under pro-Western Hussein el-Khalidi. But if he withdraws later, the nation will be plunged into another crisis and possible civil war.

The fear is that Arab neighbors will one day partition the country among themselves. Such a move would give Israel a chance to march again to recover the Jordanian area west of the Jordan River.

Tot Survives Mishap but His Dad Still Limps

RICHFIELD, Idaho (AP)—Wendell King was thrown from a horse, spraining one knee and an ankle. His wife hurried him to a doctor. En route his 3½-year-old son Chris opened the door of the car and fell out.

Chris got only a few scratches. King discarded his crutches but is still limping. Chris is playing around as if nothing happened.

Robinson Extends Run

NEW YORK (AP) — Edward G. Robinson has extended his contract in the hit show "Middle of the Night" and, says a show spokesman, "undoubtedly will tour" with it next year.

Ike Won't Pick Heir: Goldwater

Senator Says President Will Scrupulously Avoid Taking Part in Choice

WASHINGTON (AP) — Sen. Goldwater (R-Ariz) said today he expects President Eisenhower to avoid "scrupulously" taking any part in the choice of the 1960 Republican presidential nominee.

Goldwater, who has criticized Eisenhower's $71,800,000,000 spending budget, took issue with a contention of Sen. Javits (R-NY) that only a nominee "carrying on the Eisenhower brand of Republicanism" could win for the GOP three years from now.

"I don't think anybody can say this far ahead whether the nominee will be an Eisenhower man," Goldwater said in an interview. "I have never believed Eisenhower would try to name the nominee. In fact, I am convinced he will scrupulously avoid any such action."

Javits proposed in a New York speech yesterday that the GOP hold a national conference to "crystallize" its policies for 1960 while "the full force of Eisenhower's leadership is available."

Goldwater, former chairman of the Republican Senatorial Campaign Committee, said he doubts any such conference would be fruitful because of the present division in party thinking.

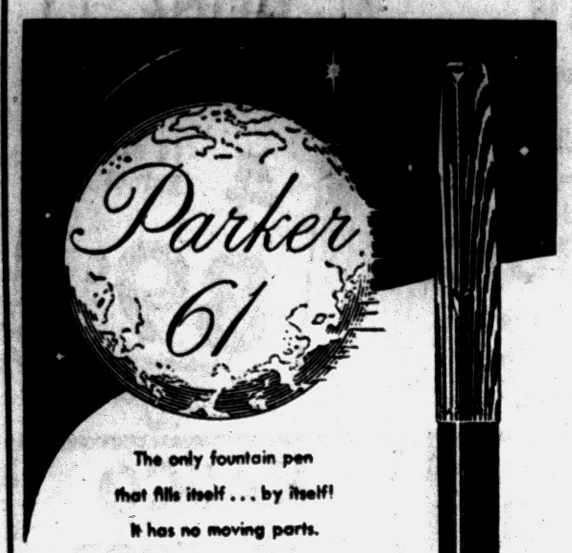

"The Republican party is like a big tent," he said. "It has room within it for conservatives and liberals. There is no value in trying to make all Republicans think alike."

Hid $3,000 in Files, Learned Safe Is Safer

DETROIT. (AP)—Mrs. Tillie Morrin didn't trust her office safe.

So she put only a few dollars in it and kept the bulk of the firm's ready cash in filing cabinets. Yesterday burglars broke into the bar and janitor supply company.

They tried in vain to crack the safe. But they found and took every last dollar of the $3,000 hidden in the filing cabinets.

The only fountain pen that fills itself . . . by itself!
It has no moving parts.

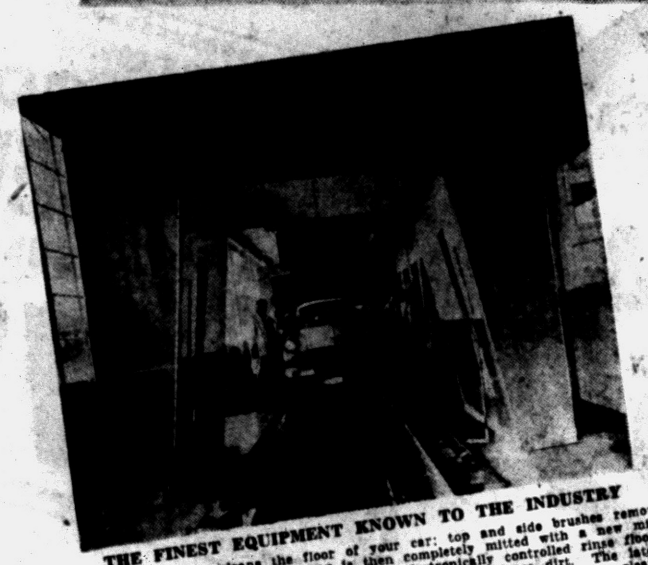

The new Parker 61 fills itself in 10 seconds using capillary attraction alone. Further, the surface of the filling unit sheds liquids...it cleans itself! The Parker 61 is truly a wonderful gift idea!

See Truman Autry, the pen doctor for personal service on this fine pen.

THE PONTIAC PRESS

WEDNESDAY, APRIL 24, 1957 PONTIAC, MICHIGAN TWENTY-FIVE

Secretaries Week, April 21-27, honors the first lady of American business and draws attention to the advantages of a career as a professional secretary. Shown at her desk in the Pontiac Motor Administration Building is Louhelen Eggleston.

Busy at her desk in the pathology laboratory of St. Joseph Mercy Hospital is Mrs. Roberta Trayer. Her daily work is evidence of the attributes of a good secretary. Secretaries throughout the state are being recognized during Secretaries Week, April 21-27.

Pontiac Press Photos

Any time you call at the advertising department of The Pontiac Press, greeting you with a pleasant smile and helpful attitude will be Mary Eleanor Lockman, Oakland County's Secretary of the Year. A past president of Pontiak Chapter of National Secretaries Association and of the Pontiac Business and Professional Women's Club, Miss Lockman was chosen for the honor because of her integrity and ability.

Mary Eleanor Lockman Wins Secretarial Honor

Today is National Secretaries Day in Michigan and it is being observed by members of Pontiac Chapter of the National Secretaries Association.

★ ★ ★

In a proclamation received from Gov. G. Mennen Williams he urged that not only the employers they serve, but all those who benefit from their efficient and loyal service pay public tribute to the secretaries of our state and to their constant improvement of a profession that has truly become a silent partner in American business.

The distinction of being Oakland County's Secretary of the Year goes to Mary Eleanor Lockman of The Pontiac Press advertising department.

Any time one calls at the advertising department of The Pontiac Press, he is greeted with the pleasant smile and helpful attitude of Miss Lockman.

★ ★ ★

Born in West Bloomfield Township, the daughter of Mr. and Mrs. S. A. Lockman, she was graduated from Pontiac High School and the Pontiac Business Institute with an executive secretarial degree and took a University of Michigan extension course in psychology and public relations.

A slim 5-foot-five brunet, she enjoys photography, music and golf for relaxation.

Miss Lockman is a past president of the Pontiak Chapter of the National Secretarial Association, as well as a charter member of the group.

She is also an active member of the Pontiac Business and Professional Women's Club. She has served as president of the club and as treasurer of District One of the Michigan BPW Federation.

★ ★ ★

She was chosen for the honor of Secretary of the Year because of her integrity and ability and because of her initiative to better herself in her job by furthering her education. Miss Lockman is a firm believer in BETTER SECRETARIES MEAN BETTER BUSINESS.

A pleasant personality, a voice that is clear and well-modulated will always help in keeping the tone of the office what it should be. Mrs. Russell Brackett ably adjusts to the varying situations and people she meets in serving her employer, Dr. C. G. Burke.

Mrs. Garland Woody, secretary at the First National Credit Bureau, is another in the group of women being recognized this week for the vital role they perform in business, industry, government and education.

Beach Gals Adopt New Navy Look

Middies, Scarves, Anchor Trimming Give Sailor Touch

PARIS (INS) — At the sea-side this summer the ritziest gals will look like sailors.

The new "navy look" has just been introduced in Paris in a fashion show staged by a large department store. And on the Mediterranean, Atlantic and even the Pacific it will be smart to wear middy-blouses, sailor collars, sou'wester hats and all.

White sweaters, for instance, are given the "navy touch" in Paris by scarves cut like a sailor's collar but knotted in front. Navy-blue slacks made of sailcloth will be worn with blue and white striped middy-blouses. Gold buttons with anchors trim navy-blue cardigans and are also sewn as ornaments on beach sandals or worn as ear-clips.

Among the accessories, taken from a sailor's world, there are amusing rope belts, complete with reef-knots and trimmed with miniature anchors, compasses and life-savers. Beach-bags have taken on the shape but not the size of duffle-bags.

★ ★ ★

More feminine versions of the sea-faring look include cotton dresses with prints of anchors, star-fish, sea-horses and sail-boats.

Fish, shells and coral are made into jewelry and used as trimmings on accessories.

Shower Presented for Sharon Dermott

Mrs. Conchita Garcia and Mrs. Abelardo Frias were cohostesses at a miscellaneous shower Monday evening at the Garcia residence on South Saginaw street honoring Sharon Dermott.

Sharon, daughter of Mr. and Mrs. Fred Farguhar of Elizabeth Lake road, will become the bride of Benjamin Santana April 27 at St. Benedict Church. He is the son of Mr. and Mrs. Ignacio Cervantis of Perkins street.

Mrs. Harry Pearce Entertains for PEO

Fifteen members attended the Monday evening meeting of Chapter AW, PEO, held at the home of Mrs. Harry Pearce on Garland avenue. Mrs. John Little and Mrs. Charles Coppersmith assisted the hostess.

Mrs. Little and Mrs. Webster Francis reported on the state convention held in Detroit during the past week. Mrs. Carl Oliver was a guest at the meeting.

Michigan Alumnae Club Holds Election of Officers

Mrs. William Gordon Again Named to Presidency at Tuesday Meeting

Mrs. William Gordon was re-elected president of the Pontiac Branch of the University of Michigan Alumnae Club Tuesday evening when Mrs. W. O. Roeser opened her home on Neogse drive.

★ ★ ★

Other officers elected were Mrs. R. Grant Graham, vice president; Gertrude Overton, secretary; Dorothy Cummings, treasurer; Mrs. Charles Harmon, senior councilor; and Mrs. Don S. Brownlee, junior councilor.

Members of the nominating committee were Mrs. Jay Wagner, Mrs. Vernon Abbott and Mrs. Robert B. Tarr.

★ ★ ★

Ivah Price introduced Mrs. Max Williams, director of the Detroit Chapter of the American Association for the United Nations, who chose as her subject, "The Path to Peace and Security."

Mrs. Williams, who is also a member of the Speaker's Research Committee for the United Nations, believes that there is no alternate plan, that the only hope for peace and security is through the United Nations.

★ ★ ★

Mrs. Williams further stressed the need for the training of youth toward vocational fields created by the needs of the United Nations.

Mrs. Charles Harmon was chairman of the social committee assisted by Mrs. Ralph Behler, Kathryn Quick, Patricia Raeside and Mrs. Raymond Rapaport. Helen Travis presided at the refreshment table which was decorated in the University's colors.

★ ★ ★

The next meeting will be held May 28 at the home of Mrs. Frances Larkin in Clarkston.

Ekberg Finds Diamonds Aren't Her Best Friends

By ROBERT HORIGUCHI

PARIS (INS) — Diamonds may be a girl's best friend, but to Anita Ekberg they still are just something to look at in a jeweler's window.

★ ★ ★

The strikingly proportioned Nordic beauty lamented:

"A young pretty woman likes diamonds, but diamonds don't seem to like her. It takes a woman over 40 to be able to have and hold diamonds."

Languorously stretched in an easy chair, her golden shoulder-length hair carelessly tossed back, 25-year-old Miss Ekberg continued:

"I once wore half-a-million dollars' worth of Cartier diamonds, but all I could do was just look at them. I had them on for a fan magazine picture."

RECALLS INVITATIONS

The Swedish-born actress, dressed in a heavy, red wool pullover and skin-tight black toreador pants, launched on her dissertation on diamonds when her husband, Anthony Steel, recalled they both had received invitations from a leading Paris jeweler to visit his shop.

★ ★ ★

The Steels arrived in the French capital recently.

Anita will co-star with Bob Hope and French comedian Fernandel in "Trouble in Paris," directed by Gerd Oswald. The film will be made in France.

Anthony is keeping her company until he is recalled to Hollywood for screen work.

★ ★ ★

"I always want to be close to my husband," Miss Ekberg said, reaching out for Steel's hand. "I cannot stand being away from him for any length of time."

QUARREL DENIED

The Steels were reported to have had a spat after attending a film festival at Rio del Oro in Uruguay. Both denied they had quarreled and said their temporary and abrupt separation was caused by tight airplane schedules.

★ ★ ★

Born in a large family — she has six brothers and one sister — Miss Ekberg said she "loves" children but declared she and her husband had no present plans to raise a family.

In her forthcoming picture, Miss Ekberg will play a straight dramatic role, that of a mystery woman."

"Someday I hope I shall be able to branch out into musical and comedy roles, but I'm too inexperienced now," she said modestly.

Six pages today in Women's Section

STELLA PERALTA BAUMANN

Symphony Will Present Last Concert on Tuesday

The fifth concert of the Pontiac Symphony Orchestra will be held Tuesday in Lincoln Junior High School. This is the last performance of the current season, during which the orchestra has achieved its goal of bringing pleasure to the music lovers of Pontiac.

★ ★ ★

Francesco DiBiasi, conductor, will present a young soprano, Stella Peralto Baumann of Detroit, who will be heard in four operatic solos.

Miss Peralta was graduated in voice from the University of Michigan School of Music in 1955 and has since been studying with her mother, Aurelia Peralta of Detroit.

Her background includes touring northern Michigan with the U. of M. Band under William Revelli. She has also entertained with the USO throughout the state and has sung leading roles in "Fidelio," "La Traviata" and "The Mikado." She served as soloist at Grand Circus Park during the 250th anniversary of Detroit.

★ ★ ★

A symphony and two shorter numbers will complete the program.

Personal News of Interest

Mrs. Ward O'Brien and daughter, Julie, returned to their home on Hamilton street from a trip to Washington, D. C., and New York City.

★ ★ ★

Mr. and Mrs. Thomas Emerson of Milwaukee, Wis., formerly of Pontiac, are houseguests of Mrs. Emilda LaFortune of Cherrylawn drive. The visitors arrived for the Easter holiday and will remain here for 10 days.

★ ★ ★

Darrell Beach returned to his studies at Central Michigan College Tuesday after spending the Easter recess with his parents, Mr. and Mrs. Earl Beach of Homestead drive.

★ ★ ★

Mrs. Gerald Hubbard of Menominee road has left for Columbus, Ga., where she will join her husband, who is taking special training in radio communications at Ft. Benning, Ga.

★ ★ ★

Mr. and Mrs. Frank Thompson of Berwick boulevard are the proud parents of a son, Paul Edward, born April 11 at Pontiac General Hospital.

Grandparents of the infant are Mr. and Mrs. Edward Hardesti of Prince Frederick, Md., and Mr. and Mrs. Sam Thompson of Mount Clemens street.

Word is received of the birth of a son, James Gregor, to Mr. and Mrs. John F. Lochtenfeld (nee Judith Kay Robinson) April 22 at Tripler Army Hospital, Honolulu, Hawaii.

Maternal grandparents of the infant are Mr. and Mrs. A. H. Robinson of East Iroquois road. Mr. and Mrs. Charles Lochtenfeld of Huntington, W. Va., are the infant's paternal grandparents.

Leaves Hospital

S. Maynard Dudley of Augusta avenue has returned home from St. Joseph Mercy Hospital where he underwent surgery.

Jewel Trim to Swim Suit Is Top Style

CHICAGO (AP)—For gals who follow the sun and wouldn't be caught wearing last year's bathing suit, here's a tip:

Give it a new look with jeweled embroidery.

Designers for a craft house of Chicago, distributors of pearls, rhinestones and other materials for do-it-yourselfers, suggest that adding dewdrop centers to flowers embroidered to a white suit does the trick.

They sewed small pink plastic roses to the ruffles of a blue one and tiny maple leaf jewels to both.

They used a rhinestone setter for the job, and the redecorating took only minutes.

On others, they traced various patterns in the rhinestones that come in several colors, including black. The roses and jewels are sewn through a small bead that holds them secure.

Patient in Hospital

Carol Sue Green, daughter of Mr. and Mrs. Wilson W. Green of Williams Lake, is a patient at St. Joseph Mercy Hospital.

VICTORIA FOLEY

The engagement of their daughter, Victoria, to Kerry Keating is announced by Mr. and Mrs. Eugene D. Foley of Locklin lane. Kerry is the son of Mr. and Mrs. John I. Keating of Motorway drive. Both are students at Eastern Michigan College. An August wedding is planned.

Depend on 'Fashion' in Modern Painting

Blames Women for Abstract Art

By NORA W. MARTIN

PARIS (INS) — An American woman artist in Paris blames women, not men, for the abstract trend in modern painting.

Antoinette Schulte, a specialist in children's portraits, believes this is because women are more easily influenced by "fashion" trends in art.

Miss Schulte displays in her work the spontaneous, clean brush stroke of a painter who loves nature and draws from it an eternal and deep source of inspiration.

"The main thing in art," she said, "is to give joy first to the artist and through him to people. But we live in a period in which people look for shocks. And artists think that they must create 'shock' in order to be successful.

★ ★ ★

"I don't know why one should deform things in paintings. Abstraction comes into almost every artist's life as a phase of development. But it should remain the means toward a higher aim."

In painting like in clothes, according to this artist, much depends on "fashion." Today the fashion—and the success—is in bizarre paintings and sculpture. It even makes people afraid to buy something that looks normal.

"Men are usually more conservative in their taste," she said. "It is the women who, because they want to be 'up-to-date,' go in for abstract art. Men prefer paintings which appeal to them from an esthetic viewpoint, since they are not afraid to be considered 'old fashioned.'"

While this American artist is against "shock" painting, she favors and encourages amateur painters.

"Painting is a therapy," she said. "It brings out the good and artistic side of human nature." Her advice is to turn to nature as the first and best inspiration.

NO STRICT RULES

"All children have talent for art," she went on. "But they should not be taught strict rules in painting before they reach adolescence for it might kill their fantasy."

In 1956, Antoinette Schulte had a successful exhibition of her works in Paris and plans to show 25 of her paintings at the Wildenstein art gallery in New York. Like many artists, she has made Paris her second home. From her studio windows and terrace she looks the roofs of Paris.

"I have found that I can lead a more selfish life in Paris," she said. "Here I only see the people I want to see and from my studio I can be in 20 minutes right in the heart of nature with cows and haystacks. That's impossible in New York."

When in the United States she paints celebrities and American children. She has just finished in Paris the portrait of a pig-tailed six-year-old girl. She thinks that girls are usually more inspiring to a painter because of their hair-do and sophistication.

"French children are more self-conscious and therefore easier to paint," she explained. "Our American children are more relaxed and freer in their relation to adults. This is wonderful but makes them more difficult models."

BETTY LOU FELDPAUSCH

The engagement of their daughter, Betty Lou, to Frank Harold Pfeiffer Jr. is announced by Mr. and Mrs. Ferris Feldpausch of Judson street. Frank is the son of Mr. and Mrs. Frank Pfeiffer of Collier road. The couple plans a fall wedding.

Mother's 'Traffic Fatigue' Due to Useless Walking

Home designers have found a new way to describe the typical American housewife who gets all tired out every day from the needless steps she takes to get her routine tasks performed. They say she suffers from "traffic fatigue"—and is a victim of poor planning of the rooms and facilities in the house.

It's not unusual for a young mother to walk ten miles a day, just around the house and yard.

As many as two or three of those miles may be the result of poor arrangement of rooms. At the end of the day, she's worn out from this involuntary exercise.

Women must waste half a mile of walking a day in some kitchens simply because the equipment is not arranged efficiently. Scientists have found that an ideal step-saving layout is for the kitchen sink to be located only a few steps from both the refrigerator and the range.

Improper basement planning is a major step-waster. In homes where the laundry is located in the basement, it is often necessary for the housewife to carry wet clothes up the inside kitchen stairs and all around the house to bring them to the drying lines outdoors.

Hundreds of steps could be saved each time you wash clothes if the basement has a direct exit to the yard outside. These steps can be covered with a weather-tight steel hatchway which keeps them clean and dry the whole year 'round.

Another cause of home-makers' "traffic fatigue" is a poor bathroom arrangement. Especially when there are little children, it is wise to have facilities on each level of the house.

A basement bathroom is often an ideal stepsaver when the youngsters are playing in the yard or in the recreation room.

London showed fitted suits and dubbed the loosely-fitting Paris suits "my square lady." Take your choice.

Your short figure should not be squared by straight up-and-down lines. Fitted, back-dipping jacket, soft unpressed pleated skirt gives a taller, slimmer look to the stocky build.

TV Viewing Pleasanter in Properly Lighted Room

BLACKSBURG, Va., (INS)—A well-lit room can make television viewing a lot more pleasant and much easier on the eyes.

Ruth Jamison, house furnishings specialist has these tips for people who complain of eye strain when watching TV programs:

The TV screen is 10 times brighter than the movie screen so the owner can enjoy daytime shows. Therefore you must light the room at night to see the picture clearly. If this is not done the picture becomes too bright and the glare causes eye strain.

★ ★ ★

The light should be balanced. Be sure to turn on enough table and floor lamps to get equal lighting over the entire room. Lamp shades that light cannot shine through are preferred.

Move the lamp far enough away from the wall so that bright spots will not appear on the wall. Then place the lamps so the reflections do not appear on the screen.

If you let light shine directly on the screen, the dark areas of the picture will be brightened, destroying the sharpness and clearness.

Be sure to sit far enough away from the set so the lines blend together and you see a sharp, clear picture. From eight to 12 feet is about the most comfortable viewing distance. It also helps to watch television at, or near, eye level.

★ ★ ★

Miss Jamison advises placing the set so it will look well in the room. Arrange TV as you do other furniture. You can group the set with a chair and lamp, with a long bench covered with cushions for comfort when it is used as a set, or in a bookshelf unit.

There is no reason, she says, for the unattractive effect you get when you place the TV set across a corner. Put it instead on a wall space or under a window opposite the sofa and a grouping of chairs.

Shorts, Bra for Beaches —Bikinis Out

French Designer Uses Matching Set; 'Poured-Into' Look

PARIS (INS)—Instead of Bikinis French gals will wear ultra-brief shorts this summer.

Sports clothes specialist Andre Ledoux proposes shorties worn with matching bras as sun-bathing and ball-game costumes on the beach. This more covered-up version of the out-dated Bikini can be made more demure by a matching shirt-tunic, worn belted and showing only a narrow strip of the shorts.

Ledoux believes in a beach-wardrobe of several matching and interchangeable garments, a sound idea for any practical minded girl. With printed cotton swim-suits, for instance, he shows front-buttoned, matching printed skirts to look like a dress when worn over the bathing costume.

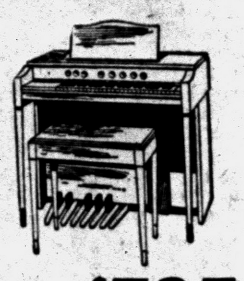

Another new beach-look, very attractive and French looking on slim girls, are skin-tight decollete "over-alls." Ledoux shows one in orange colored elastic crepe combining a strapless sun-top and torero pants reaching just below the knees.

Another smart model is of white dacron cut to the same style. It is worn either with a white blouse-top in battle-jacket style or, for a dress look, with a full, white skirt. The main style-point is that the girl must look "poured into" the over-all basic.

The Rev. and Mrs. Edward D. Auchard entertained college students of Orchard Lake Community Church at a tea Saturday afternoon. Shown at the manse on Green Lake road (left to right), are Mrs. Auchard, Jean Johnson of Roscommon, John Craig of Cass Lake road and Carl Westerberg, also of Cass Lake road.

Members of BPW Club Enjoy Musical Program

A program of music delighted members and guests of Pontiac Business and Professional Women's Club when they met Tuesday evening at Pontiac YWCA.

★ ★ ★

The program opened with piano selections by Rosamond Haeberle.

The choir from the sixth grade of LeBaron School played its own accompaniment on autoharps and melody bells. Miss Haeberle directed its selections, "Down in the Valley," "Bicycle Built for Two," "When Irish Eyes Are Smiling,", "Easter Parade" and "April Showers."

"Lovely Garden" by D'Hardelot and "Shepherd Play" by Johnston were the solos presented by Mrs. Rebecca Gould. Marilyn Henry sang "O Mio Bambino" for the concluding number on the program.

★ ★ ★

An arrangement of green and white snapdragons with yellow tapers centered the tea table for the social hour. Hostesses were Helen Mercer, Mrs. Norman Dyer and Mrs. Kenneth Cavender.

Klein Styles Play Togs in New Way

NEW YORK (INS)—The latest idea in summer bare-back dresses combines the most obvious features of overalls and mattresses.

It's the over-all top sun dress, in a dacron-and-cotton fabric that's striped exactly like gray-and-white mattress ticking.

★ ★ ★

Designer Anne Klein of Junior Sophisticates is responsible for this happy blending—and she uses it for a variety of drip-dry outfits for both country and city.

There are slim sheaths with bare backs but coverup coats, full-skirted sun-top patio dresses, and demure daytime shirtwaists.

The open-back dresses are cut square in front like overalls, and have cross-over straps in back, like overalls, with brass button trim.

Dresses that have covered tops have patch pockets in back, sized and cut like overall pockets.

Mrs. Klein uses red calico for linings on coats and for the "bandannas" in the patch pockets. Most outfits have matching coats or jackets, and there's one "mattress ticking" trenchcoat with red calico lining for cool evening wear.

News From Bloomfield Hills

Village Club Plans Luncheon Meeting

By RUTH SAUNDERS

BLOOMFIELD HILLS — The Village Woman's Club will hold a luncheon meeting May 1, with Marion Mill Preminger as speaker. Her topic will be "Albert Schweitzer: His Philosophy and Influence on the Century."

Mrs. Frederick G. Weed is chairman of the luncheon at Orchard Lake Country Club and Mrs. James F. Pedder is taking reservations.

Mrs. Waldemar A. P. John and Mrs. Clyde L. Hagerman are in charge of decorations.

Hostesses for the afternoon will be Mrs. E. A. Schirmer, Mrs. Raymond T. Perring, Mrs. Everett E. Hammond, Mrs. George Russell and Mrs. Robert N. Woodruff.

Phoebe Otter, Mrs. William B. Saunders and Mrs. Loren C. Spademan will be hostesses for the club's Junior Auxiliary.

TO RETURN HOME

Mrs. William T. Gossett will return home Friday after several days in New York. On Saturday evening Mr. and Mrs. Gossett will entertain a few friends at dinner in their home on Goodhue road.

★ ★ ★

Mrs. David Walker Lee is planning to visit her mother, Mrs. Roy L. Bones of Topeka, Kan., for a week early in May.

Her two sisters, Mrs. Richard C. Jackson of Rochester, N.Y., and Mrs. Lawrence Collins of Pasadena, Calif., will meet her there to spend Mother's Day with Mrs. Bones.

Mrs. Jackson will come to Bloomfield Hills for a visit with the Lees before going back to California.

★ ★ ★

Mr. and Mrs. William E. Atcheson and their 2-month-old daughter, Karen, spent Easter with Mrs. Atcheson's parents, Mr. and Mrs. James J. Nance of Lone Pine road. They have returned to their home in Indianapolis.

BOOK CLUB MEETS

Mrs. L. C. Goad, with cohostesses Mrs. James F. Peddler and Mrs. Beverly Boyd, entertained members of their book club at luncheon Monday in the Goad home on Lone Pine road.

★ ★ ★

Mrs. M. M. Burgess and her son-in-law and daughter, Dr. and Mrs. Thomas Torgeson, will entertain at cocktails Sunday evening for bride-elect Patricia Przybycin of Detroit who will be married May 4 to William J. Ulrich Jr.

★ ★ ★

Another party for a Detroit bride-to-be will be a luncheon which Mrs. James C. Zeder will give next Friday in her Orchard Ridge road home for Sally Ann Meader.

★ ★ ★

Bradford Alumnae Club of Detroit will give a cocktail party and buffet supper May 4 at the home of Mr. and Mrs. Fred Sanders to meet Miss Jame Runyon of Bradford Junior College, Bradford, Mass.

Assisting Mrs. Sanders with plans for the affair honoring Miss Runyon are Mrs. Bruce F. Brown, Mrs. Forest Shea, Mrs. Carleton McLain, Mrs. Ronald Kordenbrock and Mrs. Richard L. Bernhard.

KAY DAWN CARTER

Mr. and Mrs. E. C. Carter of Baldwin road announce the engagement of their daughter, Kay Dawn, to Joe E. Hayward, son of Mr. and Mrs. Forest Hayward of East Chicago avenue. No date has been set for the wedding.

Couple Plans Fall Wedding

Mr. and Mrs. Carl Swart of Gloversville, N.Y. announce the engagement of their daughter, Kathryn, to Bill Pritchett of Pingree street.

Bill is the son of Mrs. William Pritchett of Marmarduke, Ark., and the late Mr. Pritchett. The couple plans a fall wedding.

Go Outside, Wives

As a housewife, you owe it to yourself to get out of the house and into the fresh air at least once a day. Trade baby-sitting with a neighbor but don't keep yourself cooped up all day. It's bad for your looks and your nerves.

Beauty Clinic
ESPECIALLY for GRANDMOTHERS

A great deal is being said about styling hair to suit the shape of the face, as though this was decided once and for all. It really isn't that simple. A little extra flesh, or a little less often changes the facial contours. As we advance in years our bodily proportion and posture also change. Along with the amount and color of our hair.

A hairdo that was very beautiful on a young woman of twenty-five will not make a matron of forty-five youthful. On the contrary, it will probably add years to her appearance. To look youthful in maturity calls for a different technique.

Call us for an appointment, we will be glad to help you.

Puppet Shows Can Ease Tension

BY ANNE HEYWOOD

Once, when my son was seven years old, he and a little friend named Marcy put on a puppet show for us.

Marcy, who had a brand-new brother at the time, took the part of the girl puppet who complained of "How much trouble stinky babies are."

After an hour or so of this, I could see that Marcy had gotten a lot of jealousy out of her system. And when her mother, wheeling the baby, came by later to pick her up, Marcy was almost friendly toward him.

That's one reason why I am in favor of the trend toward amateur theatricals, marionettes and puppets.

PROVIDES OUTLET

So many business girls, for example, have no real outlet for their natural hostilities. All day long, they're being pleasant to customers or bosses.

If they are secretaries, they have to act as buffers all day, with no opportunity to strike back. Sometimes a hobby of putting on puppet shows can do wonders for letting off steam!

Furthermore, a group of business girls and boys can put on quite an effective show, if they put their minds to it. It's also an opportunity to put into use a lot of diversified talents which the business world all too often doesn't need.

One can write the skits, another handle the music, another the costuming. Somebody does sets and makes the actual puppets or marionettes and then, of course, the whole company can join in the acting.

I know several groups who are having a good time devoting just a couple of nights a week to this hobby. And, of course, hospitals and churches are always anxious to put on good shows.

If you're interested in marionettes and puppets, send me a stamped, self-addressed envelope, care of this newspaper, and I'll send you a list of the best books about them.

It may open up a hobby which will kill three birds with one stone: get you a chance to let off steam, a chance to use hitherto undeveloped talents and a chance to enlarge your social life.

Neglect of Gifted Children Causes Leader Shortage

PITTSBURGH (AP)—An educator said today that America has been neglecting its gifted children for so long that it is beginning to run short of leaders.

★ ★ ★

"Already," said William M. Cruickshank of Syracuse University, "we are having difficulty finding good senators and representatives.

"We have a desperate need for leaders, not only in politics and the military, but leaders in the laboratory, in literature, in all fields.

"We have put so much emphasis on 'normality' that we are beginning to feel the results. At this point it's almost a matter of put up or shut up."

★ ★ ★

Cruickshank, professor of education and psychology at Syracuse, and a group of others attending the convention of the International Council for Exceptional Children were interviewed on problems connected with gifted children.

The term "exceptional" includes the physically and mentally handicapped as well as the gifted, who are generally considered to be those with an IQ of about 135 or more.

★ ★ ★

Earl M. McWilliams, vice principal of Allderdice Junior High School, Pittsburgh, commented that "people are frightened at reports that the Russians have more people making better bombs than we have."

"I believe," he said, "that if we give the gifted full opportunity we will have not only plenty of scientists but plenty of doctors and political leaders too."

★ ★ ★

McWilliams cautioned against "coercing" gifted children into scientific or other careers, but Miss Elizabeth Kelly, Newark, N.J., said it should be pointed out that they "have a greater responsibility to themselves as well as society" than average children.

Miss Kelly, assistant superintendent of Newark schools, is president of the ICEC.

She said one reason more is not done nationwide for gifted children is that "there is just so much money to go around, and all children must get their share."

This, she said, "leaves too little for programs for the gifted."

★ ★ ★

One objection sometimes raised to placing gifted children in special classes, even part time, is that it is "undemocratic."

Cruickshank, however, said, "I am coming to conclude that this is poppycock. We don't consider it undemocratic to provide the blind and hard-of-hearing child with special consideration. Why is it undemocratic to single out the gifted?"

Meringue Tops Nutty Cooky Bars

Mrs. Wagoner Is Young Homemaker in New Subdivision

By JANET ODELL
Pontiac Press Home Editor

When you live in a sociable neighborhood, you need cookies on hand all the time for kaffeeklatches. These bar cookies won't last long—they're too good.

Mrs. Allan B. Wagoner of Lorraine Manor shares this recipe with us. She has two small children. Cooking and sewing are her favorite home occupations.

She is a member of the newly formed National Farm and Garden Club branch in her subdivision. She belongs also to a Bridge club.

YUMMIES
By Mrs. Allan B. Wagoner

½ cup shortening
1 cup sugar
1½ cups sifted cake flour
½ teaspoon salt
1 teaspoon baking powder
2 egg yolks
1 teaspoon vanilla

Cream shortening and sugar together. Add egg yolks and vanilla. Mix thoroughly. Add sifted dry ingredients. Spread in a 9x13 ungreased pan. Cover with topping and bake 30 minutes at 350 degrees. Cut in squares while warm.

Topping

2 egg whites
1 cup brown sugar
1 cup chopped nuts

Beat egg whites until stiff. Add rest of ingredients.

Pin Curl Permanent May Aid Limp Hair

If your hair goes limp on rainy days or in a steamy kitchen, a pin curl home permanent will probably give it the body it needs.

Add to this a lanolin type hair dressing to encourage your hair to curl and you'll find you've eliminated straggly, straight ends.

The engagement of Elizabeth Ann Leland to Daniel Hearne Ross is announced by her parents, Mrs. Virginia Braun Leland of Bloomfield Hills and Robert C. Leland of Birmingham. Dan, who attends Wayne State University, is the son of the William H. Rosses of Birmingham. Elizabeth is a freshman at U. of M.

ELIZABETH ANN LELAND

Golfers Opening Season at Pine Lake Club May 2

The season's first meeting of the Ladies' Golf League at Pine Lake Country Club will be held May 2, according to Mrs. Robert Sauer, general chairman, and Mrs. C. P. Mehas, cochairman. There will be a brunch in the grille.

Other chairmen heading the year's activities are Marian Crane, district chairman; Mrs. Henry Gaukler, junior ladies' district chairman; Mrs. George Boyd, handicap chairman, and Mrs. Clyde Dearing, rules.

Mrs. George Wilde, social, and Mrs. Harry S. Pearce, publicity, complete the list of chairmen. Mrs. Govan E. Hill Jr. is secretary of the group and Mrs. Harry Van Matre is treasurer.

Special events have been planned each Thursday of the season.

Alpha Sigma Nu Holds Meeting

Mrs. Russell W. Evans opened her home at Lake Angelus for the Monday meeting of Alpha Sigma Nu sorority.

Welcomed as a new member was Mrs. Lillian Morts. Speaker for the day was Phyllis Pope, city librarian, who reviewed several books for the group.

Assisting the hostess were Clarabelle Amidon, chairman; Mrs. B. H. Ogden, Mrs. H. W. Diekman and Mrs. Parks Smith.

Wear Proper Skirts

Though your legs may be slim and pretty, don't wear short skirts to show them off if you are heavy. Looking down at them, your legs may look attractive to you, but when the whole picture is seen by others, you assume the outline of a pouter pigeon.

Helicopter Pilots Plan 1st Meeting

Whirly Girls and Twirly Birds Set for May Session

By JANE EADS

WASHINGTON — They will be talking a language of their own—of cyclic control, tail rotors, torque forces, autorotation—when the Whirly Girls and Twirly Birds gather for their annual "hovering" here in May.

Two of the world's most exclusive aviation groups, 21 women and about 100 men helicopter pilots, will be holding their first joint meeting during the American Helicopter Society Forum, May 8-11. It will be the third annual hovering for the Whirly Girls, who were organized in 1955.

In a language we can understand, the Whirly Girls will discuss the increasing importance of the helicopter.

The organization's newest member, glamorous Charlotte Sullivan Kelley of Hingham, Mass., in Washington recently to pick up her helicopter license, says the "eggbeater" will soon be used for all short run flights as the jet will be used for all cross-country transportation.

And, she predicts, the average citizen in the near future will be using the skies as he now uses the highways.

★ ★ ★

"After all," she told newsmen, "we have highways and traffic signals in the sky now. Besides, the population has taken to the suburbs; the highways are congested, and experts argue that flying is safer than driving."

LONG-TIME FLIER

Mrs. Kelley, who is the wife of attorney Leonard Kelley of Hingham, and the mother of a 3-year-old son, has flown seaplanes, a jet and a blimp. She thinks flying a blimp is more exciting than flying a jet.

"It's a much more difficult craft to handle," says the pretty aviatrix who is the owner of seven trophies for flying ordinary craft in the women's racing contests called "Powderpuff Derbys."

Among other newcomers to the Whirly Girls is Mrs. Evelyn Bryan of Jefferson City, Tenn., who was the first girl student at Helicopters International School in Lodwick, Fla.

TEACHER, TOO

Mrs. Bryan has been flying since 1944 and is a commercial flight instructor at Morristown, Tenn., Flying Service and holds the rank of major in the Civil Air Patrol.

Another is Mrs. Francis Kiernan of Andover, Mass., mother of four sons, an experienced commercial pilot.

The first New England woman to receive her helicopter rating, she also holds an instrument rating and is qualified to fly multi-engine ships.

As 1957 governor of the New England section of The Ninety-Nines, Inc., (the international organization of women pilots) Barbara Kiernan is active in all aviation events in her area.

To Thoughts of 9-Day Diet

In Spring, Milady's Fancy Turns . . .

Clothes too tight? Picked up 5 to 10 pounds over the winter? Get on the 9-Day Diet and get back to that ideal poundage.

By JOSEPHINE LOWMAN

Tens of thousands of women all over the country think of my 9-Day Reducing Diet as a sign that spring is here.

Many of them have written me to say that they keep the 9-day diet as a regular part of their household equipment and use it periodically as a part of their beauty and health routine.

When their clothes begin to feel tight and scales show they have gained from 5 to 10 pounds, they immediately get this diet out and stick to it until they are back at their ideal poundage.

This is an excellent idea because it is so easy to lose the first 5 pounds and you can do it in such a short time. Also, if you leave them lying around on you the chances are they will multiply.

As you know, I am publishing my 9-Day reducing diet at this time.

Here are tomorrow's menus.

THURSDAY'S MENUS

Breakfast

One poached egg on toast
Black coffee

Luncheon

One medium hamburger cake (cooked without butter and made of lean meat)
Celery sticks
One glass skimmed milk
Two raw carrots

Dinner

Small lean steak
One-half cup cauliflower
One baked potato (No butter
Medium sized potato has only about 90 calories)
One orange
One glass skimmed milk before bedtime

If you would like to have this rapid reducing diet to use now and to keep to refer to in the future, send 10 cents and a stamped, self-addressed envelope with your request. Address Josephine Lowman in care of The Pontiac Press.

Tomorrow: "Short, Rapid Reducing Diet, Good Start for 'Long Pull.'"

This Mother Walked Off With Candy

Was It Rude to Take Party Treat Home for Children?

By EMILY POST

A reader tells me: "The other evening I went to a card party with several friends which was given by a church group in the church auditorium. On each table there was a plate of assorted candies.

"When the card party was over, one of the women emptied what remained of the candy on our table into a paper napkin and put it in her bag to take home to her children. I was very much surprised at her doing this as I always thought she was a well bred person. I would very much like to know what you think of this?"

I don't want to recommend this practice, but, on the other hand, there is certainly no serious fault in a mother's taking home a few leftover pieces of candy for her children.

Dear Mrs. Post: "I think it is too formal to say "how do you do" when introduced to young people of my own age. (I'm 13.) Mother thinks this may be true, but she also thinks that "hello" isn't just the thing to say to strangers, no matter how young they are. Please discuss this in your column."

Answer: Although "how d'you do" is correct, "hi-ya" (like a telescoped "How are you") or "Hello" is certainly more natural and friendly when greeting others of your own age. To friends of your mother's you should say "How d' you do!"

Dear Mrs. Post: "Will you please tell me how long a man should properly wait before starting to date someone again after his wife has died? Also, how long should he wait before remarrying?

Answer: A year before remarrying is considered acceptable propriety. He could see an old friend, somebody he had known all his life, almost immediately, but to become attentive to a new person before at least six months, would be criticized.

Gail Hofmeister Feted at Shower in Green Home

Gail Hofmeister, bride-elect of Ray McLeod, was honoree at a miscellaneous bridal shower recently. Hostesses were Mrs. Joseph Zaffina and Mrs. Milton Green.

Gail is the daughter of Mr. and Mrs. Erwin Hofmeister of Cascade drive. Mr. and Mrs. Edward McLeod of Detroit are Ray's parents. The couple will exchange vows May 11 at Cedar Crest Lutheran Church.

Attending the shower held at the Green residence on Scott Lake were Mrs. Hofmeister, Mrs. Robert Campbell, Mrs. Richard Rankin, Mrs. Jack Howard, Mrs. Fritz Baker, Mrs. Robert Andrews, Mrs. Edward Mandilk, Mrs. Ronald Hofmeister, Jean Hofmeister, Donna Ayala and Frances Schenck.

Wash Brush Often

Whichever brush you select, wash it once a week in shampoo and ammonia or detergent. Rinse well. Dry nylon brushes bristles-down, natural brushes on their sides or hung up. When brushing oily hair, wipe your brush with a towel after every few strokes.

Jersey suits in the Chanel manner are frequently worn with printed silk blouses this spring.

JUNE ANN DOAN

The engagement of June Ann Doan to James Vern Fisher is announced by her parents, Mr. and Mrs. Basil Doan of Auburn Heights. James is the son of Mr. and Mrs. Oscar Fisher of Auburn avenue. The couple is planning an August wedding.

Chanel shows suits with knitted jacket borders and, in some cases, crocheted eges.

Plan Coiffure to Complement Hat

Working closely with millinary designers, America's leading hair stylists complete the well-grommed attractive look for feminine headlines this spring with coiffures that complement hat styles.

In keeping with the greater femininity of the new fashions, hair is generally longer. This new length is delightfully versatile. It may be set to look either shorter or longer than it actually is.

The Thirties make news in hair as well as hats. To complement the new, deep-fitting cloches, several salons recall the bobs of that era with waves close to the head and more horizontal than they have been in years.

Hair styles that emphasize the contour of the head fit neatly under head-hugging crowns. Soft tendrils reaching forward on the cheek and brow flatter even the deepest of felt cloches. For short hair, there are new feather cuts with full, soft bangs blending into fluffy sides to form an attractive frame for the face beneath turnback cloches and little girl bretons.

★ ★ ★

The tilt in hats, both tiny cloches and dramatic picture hats, inspires charming asymmetric coiffures. Hair stylists feel that massed softness at one side of the hair is necessary to balance the ide-tilt of these hats. Here, too, the crown of the hair is kept smooth.

Sometimes, the hair is brushed in a sleek, diagonal spiral that of the hat and ends in soft curls.

For wide-brimmed picture hats and flowerful bonnets, the hair is styled to look longer. Short fluffs of curls, wispy bangs or side dips frame the face, while the longer back hair is combed smoothly over the sides and crown of the head to form pretty clusters or soft cascades of curls at the back. The rigid French knot is as passe as last year's short-lived bouffant hairdos and bulbous hat brims.

Skin Gloves to Help Give 1912 Look

Look (G)lovely in Leather

With this year's revival of interest in the decorated leather gloves that go with the 1912 look, fashion-conscious women will be happy to know that many of the gloves available keep their beauty because they're washable.

One kind, the French ones, of kid, suede and doeskin, have been washable for decades. They come in white, black, beige, pink and blue, all colors that are right for this season's shades in costumes. They come with bead, sequin, jet, rhinestone, pearl and embroidered decorations.

★ ★ ★

The long gloves for formal occasions are popular. They range from the eight-button length, which comes below the elbow, to the 20-button length, which goes to just below the shoulder.

Regardless of color, length and kind of decoration, almost all of these gloves are stamped "washable" or "lavable" inside, which means they come clean with the use of suds.

Follow these rules for successful washing of French leather gloves:

They should always be washed, not cleaned. Cleaning fluids dissolve the washable finish.

They should be washed early, rather than late, because dirt and perspiration damage and stiffen leather.

★ ★ ★

Work up rich soap or detergent suds in lukewarm water. Wash kid or suede gloves on the hand and squeeze doeskin through the suds. Use a well-lathered white washcloth on soiled spots. When clean on the right side, roll the wet gloves off inside-out and wash the wrong side. A soft complexion brush will remove soil from decorations.

★ ★ ★

Rinse well, turn right side out and blot in a Turkish towel. Blow hard into each glove to puff it open and dry on a towel away from heat.

Pick up glove when still faintly damp and work or ease them onto your hands, gently. They can also be massaged with thumb and forefingers. This keeps the gloves soft.

The gloves should be stored in tissue paper.

8451 10-20 WITH THE NEW PATT-O-RAMA

A variety of clever sundresses to defeat the heat are possible with this sew-simple pattern. Few pattern pieces for this princess charmer.

No. 8451 with Patt-O-Rama included is in sizes 10, 12, 14, 16, 18, 20. Size 12, 32 bust, 4⅞ yards of 45-inch.

For this pattern, send 35c in coins, your name, address, size desired and the pattern number to Sue Burnett, The Pontiac Press, 372 W. Quincy St., Chicago 6, Ill.

Basic Fashion, Spring & Summer '57 will delight you with its wealth of smart, easy-to-sew styles; special features; gift pattern printed inside the book. Send for it now—just 25 cents.

Good Brush Needed

A good brush is essential for many reasons. It sweeps away dust and excess oil. It stimulates the scalp. It aids in removing dandruff. It draws oil from the roots to the ends of the hair. It polishes and beautifies your hair as no other treatment can.

Wall Paper Hint

Thinking about giving your walls a face lifting? Forget the old wives' tale that says you must get special "bedroom paper" or "living room paper." Generally, good taste is the only criterion; any lovely paper, if it goes with your color scheme, is suitable for any room.

MARY CHESS Toilet Water
at once-a-year savings!

For a season of womanly gift occasions, choose from these very feminine fragrances: White Lilac, Tapestry, Strategy, Gardenia, Yram, Carnation, Violet, Lily of the Valley, Heliotrope, and Rose Geranium. Mr. and Mrs. Gayle K. Thomas of South Cass Lake road announce the engagement of their daughter, Faye Ellen, to Carl G. Mapley, son of Mr. and Mrs. Burl Mapley of West Brooklyn avenue. Both attended Michigan State University. No date has been set for the wedding.

FAYE ELLEN THOMAS

What's Behind Child's 'White Lie'

By MURIEL LAWRENCE

Your four-layer cake stands on your kitchen table, finished, its chocolate icing still warm. Pleased with yourself, you are turning to your sinkful of dishes when the telephone rings.

On your return the first thing you notice is the smudge of chocolate on the cake plate you left so carefully clean. Next, you see the gouge in the icing where someone has scooped out a finger full, and then tried to repair the damage by spreading icing inward from the edges.

You go to the kitchen door. To the seven-year-old apparently intent on shinnying up your clothes line post, you say, "Bill, were you at my chocolate cake?"

He doesn't turn his head. But his voice is much too consciously surprised as he says, "Why no, Mom—did you make one?"

★ ★ ★

Under your irritation at him, panic begins to stir. You think with revulsion, "This child is lying to me!"

Your problem is the panic and revulsion that infuse this thought for you.

WANTS YOUR LOVE

For like your own childhood's lies, this one your son has just told you is motivated not by sin but by his innocent wish to retain your love. He has told you that he has not touched your cake because somehow, some time you have given him the impression that you cannot love children who touch chocolate cakes,

It is that simple. His lie is his mistaken, inexperienced, unacceptable, but absolutely unevil defense against your ill will.

If you can feel this is truth, all wish to attack his lie leaves you.

You can appreciate these words of psychoanalyst Dr. Irene M. Josselyn in her book, "The Happy Child." She writes: "All individuals, including children, have a right to their defenses until more adequate techniques for handling situations are available. Fighting the child's adaptive attempts can be just as destructive as overacceptance of them."

★ ★ ★

In place of the wish to deprive him of his defense, you wish only to show him that he needs none. With genuine love, you will find yourself saying, "Why, Bill, you don't have to steal icing as though wanting it were a bad thing. I love you to like my icing. Next time you want some, be a sensible boy—and give me a chance to give it to you."

Dotty Styles Lead Season

PARIS (INS) — Stylish girls are going dotty this season.

Famed Paris designer Lanvin-Castillo is setting the rules for this new fashion fantasy. The "dots" range from pin, polka and coin dots up to ping-pong ball size. The trick is to wear clothes or accessories with the right size and color of dots on the right occasion.

★ ★ ★

Here are some of the rules.

With navy-blue in the morning you'll wear a white silk scarf with red polka dots. With a red coat or suit choose a white taffeta scarf with grey pin dots. With beige clothes pick a beige chiffon scarf with ping-pong ball size white dots.

For afternoon wear a navy-blue silk dress with white pin dots will be elegant. For dancing and parties a decollete dress of white pique with orange colored coin dots will look gay. For a summer ball a white chiffon dress with ball-size, turquoise colored dots will be delightful.

★ ★ ★

Wear dotted accessories only with plain colored clothes. When you wear a dotted dress choose your accessories in a plain color, preferably in the shade of the dots.

A polka-dot pattern looks always more casual than a print of coin-size or ping-pong ball size dots.

No Poet Has Ever Penned Lady's Thoughts in Spring

Take Off 10 Pounds! Shop for Pretties! Start Lawn! Clean House Like Mad!

By RUTH MILLETT

Well, here it is spring again. And nary a poet has ever written what spring means to a woman.

And no wonder. Unlike a young man's fancy in springtime, a woman's thoughts are a little on the prosaic side.

Take off 10 pounds before she goes shopping for spring and summer clothes. Take off more if she plans to buy a new bathing suit.

Get the curtains down and the windows washed. Get out the rake, the garden spray, the old blue jeans and go to work fighting weeds, bugs, blight, fallen leaves, since flowers aren't the only things that thrive on spring rains and sunshine.

TACKLE HOUSE

Room by room, closet by closet, and drawer by drawer tackle the job of spring housecleaning.

Some hoarding instinct seems to make families cling to all sorts of useless possessions during the winter months. But in the light of spring, many of them fortunately lose their charm and can safely end up in the garbage can.

Get a new hairdo, new shade of lipstick or a new perfume — but get something to feel more glamorous, just because it's spring.

Drag out last year's tired, limp wardrobe and see what can be made of it for another season of wear. Shorten or lengthen a hemline, add a new belt here, a bright scarf there, and what have you got? Not much, maybe, but something to start out with.

★ ★ ★

It all sounds drab and dreary compared with what the poets write of spring.

But it isn't, actually. It's just helping spring along with a woman's tidy hand and her need to always be prepared for every season and every occasion.

SHIRLEY FAY STARR

Mr. and Mrs. Tom Starr of Wing street announce the engagement of their daughter, Shirley Fay, to Neil Jay Williams, son of Mr. and Mrs. Clifford Williams of Barrington. A May 17 wedding is planned.

Bathrooms Rate Top Interest

Builders are putting lots of emphasis on bathrooms. The prettier they are, the more built-in accessories they have, the easier it is to sell a house, they say.

Particularly pleasing are bathrooms with double cabinet space for toiletries, drugs, soaps, and detergents.

In addition to all this, builders have observed that women prefer bathrooms with simple lines and rounded corners that can be washed clean easily.

The shirtwaist dress in some form is a sure fashion bet for summer. You can have it in almost any lightweight fabric you can name and in plain, striped, checked or printed fabric.

JANET S. APPLETON

Mr. and Mrs. John E. Appleton of Hudson avenue announce the engagement of their daughter, Janet, to Bale G. Dunn. A student at Wayne State University, Bale is the son of the Rev. and Mrs. Elwood Dunn of Third avenue. An Aug. 17 wedding is planned.

Good Care, With Creams, Pays in Beautiful Hands

AP NEWSFEATURE

Working girls are outstanding for their fastidiousness, but often neglectful in hand care. Stangely paradoxical perhaps, but true.

The typist who works with carbon paper often goes out to lunch with hands smudged, the factory worker is likely to eat her sandwich in the locker room using grimy fingers, the file clerk is spotted every time for broken fingernails and ragged hangnails.

Time if of the essence for the working girl who often must cram shopping, correspondence and phone calls into a short lunch hour and doesn't have time to wash her hands.

Eeven in the world of photographic models pretty hands are at a premium. Whenever an advertiser orders a hand model job, photographers are often at a loss for a model. Even if the average model's hands look good, they are likely not pretty enough for close scrutiny.

MANY HAND FAULTS

Housewives may display clean hands due to frequent immersion in soapy water, but other hand problems result from household chores—redness, chapping, broken fingernails.

The average woman may find it a chore to keep hands in shape because, unlike makeup for the face, hand grooming aids are not kept at the fingertips. A little kit in the locker or desk at the office, or in the kitchen cupboard may make one mindful of hand beauty.

★ ★ ★

If you do not like to invest in hand cream only, get one labeled hand and body lotion. Use it on legs, arms and neck besides your hands. One petal pink lotion has been especially formulated to lubricate dried-out skin, also beneficial for brittle fingernails and for softening the cuticle.

An easy way to keep the hands looking pretty is through a connective idea pattern. Push the cuticle back when you wash your hands or bathe in the morning, use the emeryboard when you are relaxing at the radio or at TV.

Use hand lotion after you wash your hands, remove your nail polish before dressing for a date — leave it off completely or apply the new polish before going out.

★ ★ ★

Nail polish should be removed whenever it begins to chip, and it's a good idea to carry a small bottle of remover in the purse or leave it at work just in case an emergency lunch or evening date comes along.

Today's Styles Give Leeway for Wide Choice

For daytime there is the choice between a waist-length, hip-length or thigh-length jacket over a pegged, slim or pleated skirt.

You can wear a blouse in sweater, T-shirt, middy, cardigan or lingerie style.

You can choose a full or a straight coat and wear it with or without a belt. It can be double-breasted, single-breasted or simply fastened by a tab. It can even be a buttonless kimono coat.

In dresses you can go in for a real sheath, a "slip-cover" or a "bag dress," a straight or pleated shirt-waist style, a blousing two-piece garment, or a dress combining a fitted top with a bell, bubble or lantern skirt.

The sheath pump, with pointed toe and heel, belongs in every wardrobe this spring. Match it to a favorite coat or suit.

Hands don't  *even get wet!*

Women now clean house new way-without water

SHORTCUTS SPRING CLEANING—EVERY DAY CLEANING—DOES AWAY WITH PAIL, WATER, POWDER, SOAP—FOR DOZENS OF TIRESOME CHORES

PAINTED WOODWORK—CLEAN IN A JIFFY

No sloppy pail or harsh powders! Just touch the button—the froth is on. Then "whisk"—fingerprints, smudges are gone!

Lacy white froth sprays on...dirt wipes right off

New Jet Bon Ami will change your whole way of cleaning...shortcut dozens of tiresome chores like nothing you've ever used before! Windows, porcelain, tile, chrome, even painted woodwork come clean in a jiffy! No water or wet rags, no pail or powdery mess!

Just spray on a lacy white froth. Wipe dirt right off with a *dry* cloth. Easiest cleaning ever.

A stingy little bit—just a whisper of froth—cleans better than a lot. Froth spreads as you wipe—cleans 3 times its own area...very economical. And when you use a stingy little bit of froth, the surface wipes *dry* faster, easier...shines clear and bright...without a trace of film or streaking.

SEE WINDOWS SPARKLE

when you clean them with this lovely, lacy white froth. The *dry* cloth gives the final polish—instantly. No powdery dust to wipe away.

SEE PORCELAIN SHINE

Just spray, wipe! Dirt's off! Sparkle's on! It's that quick...that easy. Hands never even get wet with remarkable new Jet Bon Ami.

AND LISTEN PET—when you clean with Jet, you can take it easy sooner!

New Jet Bon Ami

For Windows, Porcelain, Painted Woodwork, Tile, Chrome, etc.

9 Whales Tossed Ashore in Virginia

CAPE HENRY, Va. (AP) — Nine small whales were tossed ashore here Monday by a brisk northeast storm. Lt. N. H. Jongeblood, at nearby Ft. Story, was ordered to "get them back to sea before they die."

★ ★ ★

Jongeblood and his men attached lines to the tails of the whales and hauled them back into the water.

When the soldiers returned to the beach, there to greet them were nine small whales.

Nearly half a dozen times, the soldiers repeated the performance and only on the last go-round di success seem to be within their grasp.

★ ★ ★

A check of the beach yesterday revealed it was only a partial victory. Seven whales were gone but two had perished above the tide.

Hollywood Headlines

Sophia Loren Will Make 'Two People' in Mexico

By LOUELLA O. PARSONS

HOLLYWOOD (INS) — Poor Sophia Loren is having her troubles. She tries to be nice to everyone, but you just can't please everybody in this world so she has come in for some criticism.

In spite of some sniping from disgruntled folk, Sophia likes our town and has agreed to star in "Two People," which George Sidney will make for Columbia in Mexico.

Just before George went to San Francisco for "Pal Joey" locations, Sophia said she would star in this picture. It's a story that John Fante is writing and has to do with European refugees who arrive in Mexico to await entry into the U.S.

One of the most attractive football greats is Frank Gifford, halfback, who joined the New York Giants professional football team after being an All-American at USC. Frank has been signed by Jack Warner for an important role in "Darby's Rangers."

When Frank recently appeared on "What's My Line" he caused quite a sensation with his good looks and he was named on that show, "the most valuable player of the year."

Frank was discussed for Jack Dempsey's life story and when it comes casting time, if he is available, it could very well happen that he'll be signed.

ANOTHER FOR JULIE

I told you only a few days ago that Julie London had been signed as Robert Taylor's girl friend in "Three Guns" for MGM. Now I find that the attractive Julie will first report May 13 at the Warner lot to play opposite Alan Ladd in "The Deep Six."

Both she and William Bendix, who plays the boatswain, were signed by producer Marty Rackin and George Berthelon, manager of Alan Ladd's independent Jaguar company.

Warners obtained the full cooperation of the Navy Department for this story, which deals with a destroyer in the Aleutians during World War II.

While I was in Palm Springs I heard Anna Maria Alberghetti and her gifted sister, Carla, sing at the Chi Chi. The two girls are delightful!

It was refreshing to have them and the comedian, Jimmy O'Brien, clean and so good because there were so many children with their parents present. Anna Maria called Jimmy McHugh to the stage to play "A Most Unusual Day," which she sang.

She is very happy that Climax has asked her to appear again on May 16 in a dramatic role. "The reason I am glad," she said, "is because I was on Climax not so long ago and again I play a dramatic role." This time she appears with Peter Lawford in "Castle Garcia."

STAR HOSPITALIZED

Snapshots of Hollywood collected at random: Sad that Marilyn Erskine (Mrs. Charles Curland), who wanted her baby so much, lost it and is in Cedars of Lebanon Hospital. She underwent surgery for the removal of a tumor.

The elder Harold Lloyd daughter, Gloria, and local businessman Frank Cochran have that happiness look in their eyes.

If Walter Chiari does as his mother says, he will not marry Ava Gardner because of her several divorces.

Choreographer Jack Cole is in Temple Hospital with the threat of hepatitis. Jack was simply wonderful in his dance number in "Designing Woman."

More Salk Shots Set for Experimental Group

NEW YORK (AP)—A new series of free Salk vaccine shots is being made available for children who were "polio pioneers" in the 1954 experimental tests.

The National Foundation for Infantile Paralysis said it is contacting state health officers to arrange the shots.

The additional shots are necessary for full protection, the foundation said, because those given in 1954 were not properly spaced according to today's approved method.

About 650,000 children took part in the 1954 tests.

PRESENTED BY WARNER BROS.

Irene Dunne called to say au revoir. She and Dr. Griffin left for New York today for two weeks. While there Irene will choose Miss Rheingold.

I'd say Loretta Young has earned herself a vacation, and she's taking it. She and Janie Sharp, wife of Dr. John Sharp, are off on a short trip to Europe. Later, Loretta will meet her husband, Tom Lewis, in New York.

Producer to Be Buried

HOLLYWOOD (AP)—Show producer Nils T. Granlund will be buried tomorrow at Forest Lawn's Hollywood Hills Cemetery, near a bridle path he often rode along when the cemetery was open ranch country years ago. He died in Las Vegas, Nev., Sunday, several hours after he was injured in a taxicab accident.

Spark Fire—and How!

CORNWALL, Vt. (AP)—Two Cub Scouts were too successful in their effort to start a fire by scraping two rocks together. Firefighters said the blaze spread through 15 acres of grassland.

THE POWERHOUSE

By Jimmy Powers

It is interesting to note the AAU fathers, whose loudest cry when shaking a tin cup for funds for the Olympic and Pan-Am games, stressed: "We don't want government subsidy like the Iron Curtain countries!" today are curiously silent in the matter of the proposed $5 million grant by our government toward holding the Pan-Am games in Cleveland.

Sentiment is growing for progressive scoring now that boxing bouts are regular weekly entertainment features in millions of homes. Dave R. Jones, president of the Cleveland Browns and former chairman of the Cleveland Boxing Commission, has long held the idea is feasible and the virtures far offset the flaws. The Miami Beach commission, through the efforts of Lee Evans, is seriously considering several trial runs this summer.

★ ★ ★

Charley Goldman, Rocky Marciano's trainer, has written a book, 'Boxing for Boys."

Ernie Braca back on the Ray Robinson board of directors . . . When President Eisenhower, at his last press conference, said he drank a bottled mineral water from Mountain Valley, Ark., he was echoing the No. 1 choice of most boxing trainers as well as Big Ten and Notre Dame football trainers . . . The Archie Moores are expecting a little light-heavyweight.

The no-windup technique used by Don Larsen in the Series will keep umpires on their toes, according to Hank Soar. Hank blasts the legend sharp-eyed hitters like Ted Williams get gift calls . . . "That was thought up by some sourgrapes .173 slugger.

★ ★ ★

There are 3-1 wagers floating around that New York will be a one-club major league city in five years.

Dan Ferris' AAU pension is no longer open to debate. Albert F. Wheltle, former AAU prexy, led the block that voted Ferris a positive pension when and if he wishes retirement . . . Cartoonist golfer Oskar Lebeck is the latest to pack his clubs and retire to Florida. Oskar will give the Ormond courses a workout, or vice versa.

A's Hand Lee 'Gopher Ball' Loss, 5-4

DETROIT (AP) — "He'll pitch in Cleveland this weekend — that's what I think of him."

★ ★ ★

And with that sentence, manager Jack Tighe of the Detroit Tigers put across his appraisal of young Don Lee, the rookie righthander who lost his first Major League start, a 5-4 decision yesterday to the Kansas City Athletics.

AP Wirephoto

CENTER OF CONTROVERSY — Here is Milwaukee's Lew Burdette going through one of his gestures which has continued the spitball controversy in the National League. Burdette's predelivery routine includes fooling with ball, fingering cap, moistening fingers, wiping them off, and touching resin bag. Latest squabble came between Burdette and manager Birdie Tebbetts of Cincinnati.

"Let's emphasize that his start in Cleveland will be his next one instead of calling it another one," Tighe added, pointing out that he was pleased with Lee's work and that he doesn't plan to use one or two assignments as a "make or break" period for the 23-year-old righthander.

Lee was a "gopher ball' victim, giving up three roundtrippers before he was lifted in the ninth inning in favor of Paul Foytack. He yielded one in the fourth inning to Harry Simpson with a mate aboard, a pinch homer in the seventh to Bob Cerv and a one-run blast to Lou Skizas in the ninth.

★ ★ ★

The home run by Skizas unwound a 4-4 tie and dealt the Tigers their third one-run setback of the campaign. Overall, the Tigers are 2-5 with both wins coming over Cleveland and four of the losses to the A's.

Lee was philosophical about the defeat. "I'll try to get 'em the next time," he told Tighe when the skipper came to the mound to relieve him. Skizas, who has hit three homers this spring, hit one of Lee's curves and Tighe said Lee was instructed to try to get Skizas on a curve.

Bill Tuttle continued his sensational hitting for the Detroit club, collecting a home run and two singles in four official trips. In his last 15 trips, Tuttle has hit safely nine times and hiked his batting average to .370.

It was Tuttle's long drive into the lower deck in left that sent the Tigers into a 1-0 lead of southpaw Rip Coleman in the second inning. From there on in it was almost a copy of Monday's game, with the lead see-sawing back and forth.

The Athletics took it briefly in the fourth on Simpson's homer; the Tigers got it back with two runs in their half, one on Ray Boone's first home run of the year and the other on a walk, Reno Bertoia's single and an infield out.

The contest became tied in the A's fifth when Bill Hunter singled, driving across Jim Pisoni who had doubled with one away. The lead returned to the Tigers in their half of the fifth when Frank Bolling singled, raced to third on a single by J. W. Porter and came home on a sacrifice fly.

Cerv's pinch homer tied it again in the seventh and that's the way it remained until Skizas ruined Lee's victory bid.

The Tigers opened a two-game series in Chicago today, and righthander Frank Lary was scheduled to oppose Chicago's Jack Harshman. Each was seeking his second victory.

From there the club will go to Cleveland for a four-game set beginning Friday night and winding up with a Sunday doubleheader. Lee probably will get one of the Sunday assignments.

From The PRESS BOX

The Pontiac Parks and Recreation Department's annual all-star baseball game will be played on Sunday, July 21. Paul (Dizzy) Trout and his Detroit Oldtimers will furnish half of the opposition.

★ ★ ★

Plans are now in the making for the construction of a baseball press box behind the backstop at Wisner Field.

★ ★ ★

At least one member of the Pontiac Yacht Club mixes his sailing activities and his musical ability in very satisfactory measure. Al Oberson, enthusiastic Lightning skipper also does a fine stint (say fellow club members) as a guitarist with the Lightning Assn. orchestra known as the Barefoot Philharmonics . . . Al is also National Lightning Association treasurer . . . Another PYC member, Dr. Floyd Arnold, is district secretary.

★ ★ ★

Pete Elliott, California's new head football coach, announced the appointment of Bill Taylor former Nebraska guard as an assistant.

★ ★ ★

Chuck Spieser reportedly lost more than a title shot when he was decked by Tony Anthony recently. Chuck had to return a fat fee for a by-lined magazine piece he wrote.

★ ★ ★

Bowlerama champion Joe Tinson was a Press carrier for 3½ years.

★ ★ ★

Pontiac Elks Lodge 810 has put in a bid to bring the Elks National keg tournament here in the near future.

Anthony Earns Ring Award

NEW YORK (AP)—Tony Anthony's spectacular third round knockout of Chuck Spieser earned the New York slugger the "Fighter of the Month" award today and the top position among the light heavyweight contenders in the monthly Ring Magazine ratings.

Anthony's quick kayo also won him a title shot with light heavyweight champion Archie Moore for June 7. Spieser, the leading challenger before his deflation by Anthony, was dropped to the fifth slot behind Yolande Pompey, Trinidad, and Germany's two 175-pound contenders, Gerhard Hecht and Hans Stretz.

Willi Besmanoff, a former ranking light heavy from Germany who invaded the heavyweight division in the United States, has been rewarded for his conquest of Bob Baker with a No. 9 position in the heavyweight class. Baker, longtime contender, has been dropped from the first ten.

★ ★ ★

Italy's Mario D'Agata was demoted to the second contender's spot in the bantamweight division following his title loss to France's Alphonse Halimi. Mexico's Raul Ranton Macias, recognized as world titleholder by the American NBA, is the first contender.

Heavyweights: Champion, Floyd Patterson, Brooklyn.
1. Tommy (Hurricane) Jackson, New York; 2. Eddie Machen, Redding, Calif.; 3. Harold Carter, Linden, N.J.; 4. Willie Pastrano, New Orleans; 5. Harold Johnson, Philadelphia; 6. Bob Satterfield, Chicago; 7. Zora Folley, Chandler, Ariz.; 8. Archie Moore, San Diego; 9. Willi Besmanoff, Germany; 10. Nino Valdes, Cuba.

Light heavyweights (175 pounds): Champion, Moore.
1. Tony Anthony, New York; 2. Yolande Pompey, Trinidad; 3. Gerhard Hecht, Germany; 4. Hans Stretz, Germany; 5. Chuck Spieser, Lansing, Mich.; 6. Dogomar Martinez, Uruguay; 7. Randy Turpin, England; 8. Wim Snoek, Holland; 9. Clarence Hinnant, Washington; 10. Yvon Durelle, Baie Ste. Ann, N.B.

Middleweights (160 pounds): Champion, Gene Fullmer, West Jordan, Utah.
1. Ray Robinson, New York; 2. Charley Humez, France; 3. Ellsworth (Spider) Webb, Chicago; 4. Rory Calhoun, Willie Plains, N.Y.; 5. Ralph (Tiger) Jones, Yonkers, N.Y.; 6. Joey Giambra, Buffalo, N.Y.; 7. Joey Giardello, Philadelphia; 8. Chebo Hernandez, Mexico; 9. Bobby Boyd, Chicago; 10. Charley Joseph, New Orleans.

Ford, Littler Favored

Rich Derby Open Starts

LOUISVILLE, Ky. (AP)—The Generals, Dukes and Bold Rulers of golf go to the post today in the first Kentucky Derby Open tournament, with $30,000 waiting in the winner's circle for the top finishers.

★ ★ ★

Off recent form, Doug Ford and Gene Littler were favorites in the morning line, but a wide-open romp for the roses was promised by the scratching of such stalwarts as Cary Middlecoff and Sam Snead.

★ ★ ★

Ford's work in winning the recent Masters tournament—a No. 1 gem in any triple crown — gave him a slight edge.

★ ★ ★

On the other hand, nobody was discounting the chances of a "new' Littler, who rose to golfing heights, faded out of the picture and then started a comeback.

★ ★ ★

Littler's victory in the Tournament of Champions last week at Las Vegas made him a solid second choice to Ford, with some 120 dark horses crowding the field.

These "stakes" winners were among the good things:

★ ★ ★

Stan Leonard, winner of the Greater Greensboro Open; Arnold Palmer, champ of the Azalea; Jackie Burke, PGA and Masters king last year; Tucson winner Dow Finsterwald; Phoenix champ Billy Casper, and Art Wall, who copped the Pensacola crown.

★ ★ ★

Like its horse racing counterpart, the Derby Open is made for the distance campaigners. Stamina counts most on the hilly, 6,375-yard Seneca Course. Par is 71.

With the long hitters claiming some slight advantage, consideration had to be given to George Bayer, Mike Souchak and Paul Harney, top strong men in today's tourney grind.

The cold-blooded competitors were fighting for top money too, their ranks including three former National Open champions — Ed Furgol, Jack Fleck and Julius Boros.

Burdette Demands "Apology"

NL Sees No Spitball

MILWAUKEE (AP) — Lew Burdette of the Milwaukee Braves has thrown the majors' biggest controversy back to Birdie Tebbetts with a demand that the Cincinnati Redlegs' manager apologize for calling him "a cheating spitballer."

★ ★ ★

The 30-year-old righthander asked for a public apology a few hours after National League president Warren Giles issued a statement saying neither he nor his veterans umpires believe Burdette has been throwing a spit ball.

"I don't mind what they say about me on the ballfield," said Burdette, "but when it hurts my family, that's too much. I've got a little boy in kindergarten and he's already having trouble with the older kids," he added. "They know me as a cheater. How would you like to carry that name around with you?"

★ ★ ★

Tebbetts kindled the controversy here last Thursday after his Redlegs had suffered their eighth straight loss to Burdette since 1950. He shut them out, 1-0.

After calling Burdette "a cheating spitballer," Tebbets said, "he isn't the only pitcher in the league who throws a spitball, but he's the only one with utter disregard for the rules."

Tebbetts and Redlegs' general manager Cage Paul in a letter to the NL office protested Burdette's actions and asked for an interpretation of the rule.

Giles' statement, in answer to Paul's letter and issued at the NL office in Cincinnati, said in part:

"There is nothing in the rule that I can interpret as prohibiting a pitcher from moistening his fingers if he does not apply the moisture (spit) to the ball . . . As to your specific mention of Birdie Tebbetts' complaint about Burdette . . . neither I nor they (veteran umpires Larry Goetz, Babe Pinelli, Lee Ballanfant) are of the opinion that he has, up to now, violated the intent or language of rule 8:02."

Although pleased with Giles' statement, Burdette said:

"That only gives me the right to pitch. Now I want to get the rest of it straightened out. I don't think my wife and my kids should be made to suffer."

Chiefs' 9 Loser in Sixth Start

Invasion of Arthur Hill's diamond, yesterday afternoon, proved an unsuccessful effort on the part of the PHS Chiefs. Coach Ed Heikkinen's club dropped a 6-2 game to the 'Jacks, the 2nd loss in six starts. Port Huron administered the other in half of last Saturday's double-header here.

Hills won yesterday's tilt in the opening frame with a four-run blast. Three singles, two walks and a pair of errors accounted for the tallies. They added two more counters in the 6th on a triple by Kolleth, an error and Bailey's double.

Chiefs' two runs resulted from a 6th inning series of four singles by Honchell, Simmons, Diehm (2 RBI's) and Johnson.

Pontiac	0	0	0	0	0	2	4	6	0
Arthur Hill	4	0	0	0	0	2	4	8	1

Zellhart, Tinson, Honchell, Garrett, and Johnson; Oosterbeck, Edder and Gerard.

Speedway Ready for Season's Start on Sunday

DETROIT — Motor City Speedway, Mecca for the nation's leading auto racers for nearly a quarter century, is ready for its 1957 opener Sunday afternoon (April 28).

The asphalt-paved track, laid down three years ago, will again provide "the world's fastest quarter-mile" for devotees of speed and design who will attempt to shatter existing records in a summer-long assault.

There will be two Sunday afternoon programs — this Sunday and again on May 5. Night racing — Saturday, Monday and Thursday — begins May 11. First televised show will be on Monday, May 13.

This Saturday is open house. Time: 1 to 5 p.m.

Seeds Move Up at River Oaks

HOUSTON, Tex. (AP) — The 23rd annual River Oaks Country Club tennis tournament rolled into the fourth round today with nothing resembling an upset among the top ranks.

★ ★ ★

All seeded players advanced yesterday. Top-rated Herbie Flam of Beverly Hills, Calif., easily whipped Paul Como of Baytown, Tex., 6-3, 6-3. No. 3 seeded Dick Savitt of New York won by default over Ivan Salas of Santiago, Chili.

★ ★ ★

Second-seeded Vic Seixas of Philadelphia made his first appearance by whipping Tommy Roberts of Houston 6-3, 6-2. Seixas won by default Monday.

Dallas Country Club tournament champion Mervyn Rose of Australia downed Pedro Bueno of Sao Paulo, Brazil, 6-1, 6-2.

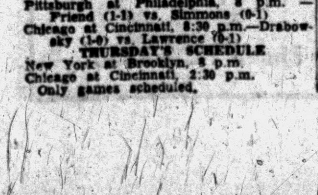

Each year the winner of the $100,000 Preakness is draped with yellow daisies. The centers are dyed with shoe polish to simulate black-eyed Susans, Maryland's official flower.

Milford Victor for Fifth Time in Links Tests

Milford High School's golfers are running up a fine score for season's play. Yesterday, touring the Duck Lake course, in a three-way match with Holly and Northville, Milford emerged on top for its fifth straight win. It is unbeaten so far.

Milford hit a 9-hole total of 180. Holly had 188 and Northville 191.

Medalists were Milford's Ed Tokarsky and Fred Coxen who shared the spot with Northville's Pete Gross with 41s.

Chicago at Cincinnati, 2:30 p.m.
Only games scheduled.

Stan, Ted Are Firing Again

By THE ASSOCIATED PRESS

The kids who have had charge of the batting titles for the past three seasons better get a hustle on. A couple of old hands, Stan Musial and Ted Williams, look as though they're back in business as the two best hitters baseball has known in the past 15 years.

★ ★ ★

Musial, 36, already has declared he's going to pace himself this time to ward off any late-season weariness while shooting for his seventh National League bat title with the St. Louis Cardinals. And in addition, he's giving himself a cushion with one of his best springs ever, batting a crisp .500 with 12-for-24.

★ ★ ★

Williams, 37, already has termed this a make-or-break year ("If I don't hit .330, hit between 25 and 30 home runs and knock in 100 runs I'll know the handwriting is on the wall.") and as of today tops the American League with a .423 average.

Musial managed just a single in three at bats last night, and while it put him just seven short of 2,800 major league hits, it wasn't enough to ward off a 10-inning, 6-4 Cincinnati victory over the Cardinals.

Williams, however, slugged his 420th major league home run and his 2,200 hit while driving in two runs to pack away a 3-1 victory for the Boston Red Sox over Baltimore.

Elsewhere in the National yesterday, the Chicago Cubs put an end to Milwaukee's "unbeaten" nonsense, with Cal Neeman's first major league home run beating the Braves 3-2 in 10 innings. Rookie Pete Burnside permitted Pittsburgh just three singles for a 1-0 New York Giants victory in the only other game scheduled.

★ ★ ★

In the American, Roy Sievers continued his hefty homer hitting for Washington, unloading a two-run, two-out home run in the ninth as the Senators defeated the New York Yankees 3-1. Cleveland and Herb Score, who won his first with a four-hitter, handed Chicago's White Sox their first defeat 5-0; and the Kansas City A's continued to harass the Detroit Tigers 5-4.

★ ★ ★

Williams, so far avoiding serious injuries which kept him from challenging Al Kaline and Mickey Mantle the past two seasons, homered in the first off loser Billy Loes, then added an RBI single in a two-run fifth that bagged it for Frank Sullivan. The big righthander allowed four hits, losing his shutout on George Kell's ninth-inning home run.

★ ★ ★

Sievers, who hit 29 home runs for a Senator record last season, now has all four Washington homers of '57. Loser Johnny Kucks had given just four hits before walking Eddie Yost ahead of Sievers. Rookie Dick Hyde won in relief of Ted Abernathy.

★ ★ ★

The Indians smacked 10 hits and chased Billy Pierce within three innings while beating the White Sox. Score, who lost to Pierce in 11 innings 3-2 opening day, struck out seven and walked two, Minnie Minoso had half the White Sox hits, both singles.

Michigan's String Snapped by Broncos

ANN ARBOR (AP) — Western Michigan avenged an early season loss and snaped Michigan's nine-game winning streak with a decisive 7-1 baseball victory over the Wolverines yesterday.

AP Wirephoto

LEMON COMES HOME — Jim Lemon of the Washington Senators slides home with a run as Yogi Berra of the New York Yankees lets the ball get away in a futile attempt at a tag in yesterday's game which the Senators won, 3-1.

Soviets Ask U.S. About Track Meet

NEW YORK (INS) — Russian athletic officials are willing to pick up most of the estimated $75,000 tab to send a 70-man U.S. track and field team to Moscow, but it may not be enough.

Dan Ferris, secretary-treasurer of the Amateur Athletic Union, acknowledged receipt of a formal invitation from the U.S.S.R. light athletic section yesterday proposing that the AAU pay for the trip to Moscow, while the Soviets pay all expenses for the three-day dual meet beginning July 12 plus the return trip.

"It will require a lot of thought before we reach a decision on the method of expenses," Ferris told International News Service. "We would much rather have them pay all expenses for our visit and we would pay all expenses for theirs next year.

"We paid for our weight-lifting team in 1955 with the understanding that they would pay for theirs. But they wouldn't send their team because they wouldn't submit to fingerprinting and we lost a chance to recoup on gate receipts here.

★ ★ ★

"It would cost about $75,000 to send a 70-man team and five or six coaches, managers and officials to Moscow for three days, and we would have to have the Russians here for three or four days to get back some of that money.

The latest letter was a two-page follow-up, written in Russian with an accompanying translation, to a cable which the Russians sent ten days ago feeling out the AAU on the possibility of a home-and-home track meet.

"Referring to the talks between the leaders of the athletic teams of the United States of America and the U.S.S.R. during the Olympic games in Melbourne," it began, "The U.S.S.R. light athletic section officially invites the National Athletic Team of the United States to visit Moscow in the summer of 1957 to compete in a U.S.A.-vs.-U.S.S.R. athletic match . . ."

The letter proposed that the two countries field everything but a marathon and 50-kilometer walking team for a three-day meet in Lenin stadium beginning July 12 and a return match sometime in 1958 in the U.S.

Ferris said other problems besides expenses would have to be solved before the U.S. sent a team, which would be selected "on the basis of our National championships."

★ ★ ★

The invitation must be voted on by the foreign relations committee of the AAU which does not convene until June 21. "We will need to take a mail vote," said Ferris, "and that would take about 20 days."

★ ★ ★

Ferris said the state department also would have to pass on the proposed trip since it does not now validate passports to iron curtain countries.

Injured Golfer Gets Help

FT. BRAGG, N. C. (AP)—A fund to aid injured golf professional Gene Coghill, hospitalized at High Point after a freak accident, got a boost here last night at an informal meeting of about 20 fellow pros.

★ ★ ★

Carolinas PGA President Dugan Aycock said the pros pledged $200 to Coghill.

Aycock suggested a one-day event at each of the Carolinas PGA clubs with proceedings going to the fund.

Coghill, 26, a touring professional from Rochester, N.Y., suffered a serious eye injury while practicing at a High Point driving range last week. A shot bounced off a concrete tee and struck him in the eye.

★ ★ ★

Doctors withheld their opinions as to whether Coghill will lose sight in the eye, which is still under bandages.

★ ★ ★

Coghill's wife and three children — aged 5, 3, and 2 — travel with him on the professional circuit, making their home in a trailer.

OCSC Supports Park Use 'Tag'

Oakland County Sportsmen's Club, long one of the most active supporters of sound conservation and wildlife legislation in Michigan, this week threw its weight behind several critical outdoor and wildlife bills now pending in the Michigan legislature.

On a recent trip to Hazel swamp, 15 miles West of Baraga in the upper peninsula, OCSC legislative chairman Bob White personally inspected the area and assisted Conservation officers drag out eight starved deer. All were last year's fawns and five were bucks. To combat this situation and further protect Michigan's wildlife, an extensive feeding program is being carried on by the Michigan Department of Conservation.

Senate bill 1138, proposing a car sticker for state parks use, is being supported solidly by the sportsmen as "a sound and fair approach to better state parks for the residents of Michigan," according to legislative committee head White.

Prep Score 44-16

WOODROW, Tex. (AP)—Roosevelt High School of Lubbock beat Cooper High of Woodrow 44-16 in a baseball game yesterday. Every member of the winning team hit at least one home run.

★ ★ ★

Commented Roosevelt coach Don Taylor: "They didn't have too strong a team."

Ohio State Probation Lifted

Big Ten Okays Return to Good Status by OSU

Satisfactory Assurances Offered by Buckeyes, Says Tug Wilson

CHICAGO (AP) — Satisfied that Ohio State's athletic house is in order, the Big Ten yesterday lifted a one-year probation imposed against the Buckeyes for "irregularities" in aid to athletes.

Ohio State was placed on probation April 26, 1956, for "irregularities in the program of job assistance of Ohio State athletes" and "personal financial assistance provided Ohio State football players by coach Woody Hayes."

★ ★ ★

The decision was a blow to Ohio State prestige and denied the Buckeyes a chance to play in last January's Rose Bowl game.

In lifting the probation, Big Ten Commissioner Tug Wilson said "irregularities" in Ohio State's aid to athletes program had been corrected.

★ ★ ★

Wilson said he had made several checks on compliance with the terms of probation and "athletes who last year had received pay for work that was not performed had made up all time on their jobs prior to presenting themselves for eligibility during the current years."

★ ★ ★

Wilson added that "the university administration together with Hayes, had provided satisfactory assurances of future compliance with conference rules, as provided in the terms of probation."

Ohio State remains on probation so far as the NCAA is concerned. The NCAA ban which runs through October bars Ohio State from competing in NCAA championship events until the probationary period ends.

★ ★ ★

Ohio State was the second school ever placed on probation by the Big Ten. Michigan State was placed on probation for one year in 1953 after an investigation of the "Spartan Foundation," a booster fund not administered by the school.

Draper First Round Loser

PINEHURST, N. C. (AP) — Tom Draper of Birmingham, Michigan's lone qualifier for match play, was defeated 4 and 3 yesterday by Billy Joe Patton of Morgantown, N. C., in the first round of the north-south amateur golf tournament.

Seven other Michigan entries failed to survive Monday's qualifying round.

Three other Michigan men were among the losers yesterday as 16 golfers, tied at 79, played the last nine qualifying spots. Losers in the playoff were Dick Whiting of Lathrup Village, Ben Smith of Birmingham and James Pilz of Dearborn.

Ferguson Honored as 'Most Valuable'

EAST LANSING (AP)—Members of the Michigan State basketball squad were honored at a team banquet Monday.

George Ferguson, forward and team captain from Providence, R.I., was honored as "most valuable player."

John Green, 6-5 sophomore center, was given a special sportsmanship award for his contributions to team play.

Jack Quiggle, guard from South Bend, Ind., was recognized for being named to the Helm Foundation team.

Coach Forddy Anderson and Charles McCaffree Jr., coach of the Big Ten champion swimming team, were given silver serving trays at a sports gathering that followed the basketball dinner.

44,000 Use State's Group Camp Facilities

LANSING—Group camping, a year-around activity, attracted more than 44,000 persons to Michigan's state parks during 1956.

Heaviest use of group camping facilities came from school groups, scout troops, religious organizations and youth groups.

During 1956, some 18,800 persons used the 14 group camps, while another 12,800 persons were accommodated on a day-camping basis.

Ed Kalafat of the Minneapolis Lakers floor team weighs about 245 pounds.

Bill Aimed at Herd Control

LANSING (AP) — A bill to take away deer herd control from the State Conservation Department went down to defeat in the House Tuesday in one of the liveliest debates of the 1957 session.

Vote on the measure was 40-48.

The bill would have revoked the conservation department's authority to set special seasons for the shooting of deer of either sex.

Legislators restored deer herd control to the department last year after a one-year lapse. Conservation authorities contended it was necessary to prevent wholesale starvation in areas where vegetation was too sparse to support a large deer population.

Tennessee, Indiana Share ABC's Lead

FORT WORTH, Tex. (AP)—Teams from Tennessee and Indiana tied for last night's high scoring honors in the open team division of the American Bowling Congress tournament.

★ ★ ★

Wright's Men's Shop, Memphis, Tenn., and Rains Bowling Gardens, Anderson, Ind., both assembled series of 2776.

The Luell Boosters of Houston, Tex., led the booster division scoring last night with 2,613.

★ ★ ★

There were no changes in the standings.

Jockey Hurt, His Mount Destroyed in Race Pileup

By THE ASSOCIATED PRESS

Riding spirited thoroughbred race horses is a hazardous occupation.

Dick Winant of Brooklyn, the leading rider at Lincoln Downs in Rhode Island, yesterday joined the long list of jockeys — such as Nick Wall, Bobby Permane, Tony Despirito — who were seriously injured when their mounts fell. Sometimes the injuries prove fatal as in the case of George Woolf in California years ago.

★ ★ ★

Winant was thrown when his mount, Royal Product, went down in the Natick Purse. Jockey John H. Smith, right behind him with Red Red Robin, fell over Winant and his horse.

Winant was taken unconscious to a hospital where physicians said he suffered two broken shoulder blades. Smith suffered only contusions and abrasions, but Red Red Robin was destroyed.

★ ★ ★

Bamboo Mondy, the second choice, went on to win the race by a nose over Satan's Sister. He covered the five furlongs in 59 3-5 and paid $7.40.

Florida's winter season ended and 16,258 saw Bonanza Miss, $6.80, win the Hallandale Purse at Gulfstream by a neck over Miss Erlen. Jockey Harrel Bolin had to do some strong riding to get Bonanza home first in 1:10 2-5 for the six furlongs.

'Snowshoe' Season Runs Month More

LANSING (AP) — Gov. Williams has signed a bill adding one month to the season on snowshoe jack rabbits in the southern half of the Lower Peninsula, his office has announced.

★ ★ ★

Under the bill, the season which starts Oct. 20 would run through Feb. 28 instead of Jan. 31.

★ ★ ★

The new enactment includes Cheboygan among the counties where deer of any sex may be taken by archers and provides that if the Oct. 20 opening of the small game season should fall on a Sunday, shooting could not start until the following Monday.

PRE-SEASON TEST — Although the Michigan trout season does not open until Saturday, veteran trouter George Hovis of Keego Harbor had to "dry" test his fine rods and long-used English tapered line. George posed for the above picture on a stream near the Sylvan Lake community to illustrate a situation that will be enacted Saturday "for sure" by thousands of ardent trout fishermen, on hundreds of streams and lakes, in this and all over the state. Hovis has been a well-regarded trouter for some 40 years.

Area Trouters Await Opening Day

By H. GUY MOATS

Area anglers, as well as many thousands of the fraternity all over Michigan have only a few days to wait for the opening of what most regard as the biggest fishing date of the year.

Trout season, and other angling gets under way Saturday. There is one exception; large and smallmouth bass cannot be taken until June 15, a 10-day earlier start than a year ago.

To many trouters, opening the season isn't a real opening unless it takes place on an isolated northern stream. But to many others, there are many good trout waters right around home here.

Conservation officers have been stocking the streams and other waters with rainbows, brooks and browns, and there is now a final pre-opening plant going on from the Drayton Plains hatchery, says Harold Hughes, hatchery head. Trout are being transferred from the hatchery ponds to the streams with a total of 7,700 at this time. Workers expect to plant some 18 streams.

On some upstate streams special regulations as to "flies only" are in force again and fishermen should consult the 1957 fish laws for details.

What flies to use? For the "purist" this is a big question. Like George Hovis, Keego Harbor veteran fly and nymph fisherman says, "weather and water conditions determine it, largely. If they're right, say on the South Branch of the Au Sable, a standard dark Adams, on 12-14 hook and the dark Cahill on the same sizes should work well, for the dry fly operator. Wet patterns, nymphs should do a good job where the dry ones fail to produce. In this case my pet openers are 'strawman,' slightly weighted on 10-12 hooks, long shanks, or the 'Burk' nymph on a 12 in the dark version."

Study your stream, present your lures naturally, and be alert to strike at any flash you see. These simple rules, Hovis says, are not all the answers to successful trout fishing, but they are essentials.

Season's opening also marks the annual Kalkaska National Trout Festival, with the queen's coronation the big feature on Saturday. Many cash and other awards are offered in the upstate event, for fly fishermen and others. Events get under way Friday.

Along the Outdoor Trail

Outdoor Editor, Pontiac Press

Trout Research Subject of Talk

Fishermen Will Hear Dr. Leonard at OCSC Tonight at 8

Dr. Justin W. Leonard, assistant deputy director of the Michigan Dept. of Conservation, will be guest speaker before trout fishing enthusiasts of the Oakland County Sportsmen's Club tonight at 8 o'clock in the OCSC clubhouse.

Dr. Leonard, in charge of the department's research program, will show color slides and speak on various phases of trout research and management activities.

He will illustrate his talk with slides of field projects and important stream insects. A film on fishing is also scheduled.

★ ★ ★

Chief interest in research which Dr. Leonard has is with trout stream insects. He has compiled a broad selection of color photographs which will be of special interest to fly tiers.

CHAMPION — It took "Freckles Breton Boy" (above) a fine Brittany spaniel better known as "Mike" just about a year of his seven to reach his AKC championship status as a field dog. "Mike," owned, trained and handled by Ralph Gardner, 1091 Voorheis road, won the recent open all-age stake at Brittany Club of Upper New York, at Baldwinville, N. Y., to complete his field trial championship. Other "legs" were won last August and last spring in state field trials. Gardner, a Pontiac school teacher, has a 3-year-old daughter of "Mike," "Patsy d'Bienville," he expects to campaign in the fall.

Watch Water Temperatures

Weather Is Big Factor in Opening Day Success

By JACK PATTERSON

Weather the next couple days will make or break the first weekend of the general trout fishing season which opens Saturday. Some more sunshine, warmer nights will make for a good opening. Heavy, cold rains and-or snow (remember last year) will kill it. Water temperature is the critical factor now and anything tending to warm it up will be all to the good.

PATTERSON

U.P. streams are generally high and there will be considerable additional runoff to keep them so. If water temperatures are up a bit from a week ago rainbow fishermen should find some fresh run fish in from Lake Superior.

If no runs are in evidence on rainbow streams we would suggest concentrating efforts on the mouths of those streams. Rainbows tend to gang up off the bars waiting for temperatures to rise.

The stream outlet fisherman on the Lake Superior shore has the chance of tangling with big "coaster" brookies, along with whatever he might do with the rainbows. For regular stream fishing in the Upper we'd guess that the middle of May will be soon enough.

Lower Peninsula streams are for the most part low and clear, but a trifle cold. If waters warm a bit the outlook is excellent for a "dry fly" opening.

Traditional best opening day waters are small, brushy brook trout streams. Regardless of weather some fish can always be taken from such streams. If conditions are favorable, fishing is apt to be excellent.

Worms are the favorite bait for such streams although flies usually will work well if it's possible to make a cast, which it often isn't. Nymphs are deadly on such streams but are seldom used.

On the bigger streams, aside from worms, streamers or bucktails probably get more of a workout than anything else. Red-and-white bucktail, squirrel tail and Mickey Finn are three patterns in the old standby class for opening day in Michigan waters. One might make a better choice. He could also do worse.

In the fly-only waters, which will get a heavy play if weather is decent, streamers, wet flies and dry flies will all take some fish, but the fisherman with the most fish and the best ones will be very apt to have a nymph at the end of his long leader. We have seen this happen too many opening days to chalk it up as coincidence.

Rainbowers in the U.P. almost unanimously prefer salmon eggs, or even better, rainbow eggs, for bait. We see no reason to suggest a departure from standard practice.

Designated trout lakes are probably better on opening day than later in the season. Those who care for lake fishing are advised to get with it early. A list of designated trout lakes appears in the Fishing Laws supplement.

House to Vote on Question of Boosting Fees

Overrides Opposition to Requiring License for Great Lakes

LANSING (AP) — Over-riding the fervent objections of a lady lawmaker from Dearborn, the House today prepared to vote on a bill to boost fishing license fees and require anglers who fish in Great Lakes waters to buy a $2 license.

Mrs. Lucille H. McCollough (D-Dearborn) assailed the measure as "outrageous" during a 90-minute debate on the proposal yesterday.

She made a plea for "the pensioners, the tourist, the ordinary citizen from every walk of life" who like to while away an afternoon fishing in the Detroit River or along the Great Lakes.

"Ever since the beginning of time the Great Lakes have been free for fishing," she declared. "If the trend continues, we're going to reach the point where we are going to charge people to even look at the Great Lakes."

Supporting the proposal, Rep. Frederic J. Marshall (R-Allen), chairman of the House Conservation Committee, said the bill had the backing of the State Conservation Department.

Other sections of the measure would raise the resident fishing fee from $1.50 to $2, increase the trout stamp charge from $1 to $2, boost non-resident fees from $4 to $5 and the 15-day non-resident charge from $3 to $4.

A companion bill which was moved up to passage stage would raise the cost of most hunting licenses to provide an additional 1½ million dollars annually to the state game and fish protection fund.

Main source of revenues would come from increasing the resident deer license charge from $3.50 to $5 and resident small-game fee from $2 to $3.

Under both the fish and hunting measures, fees charged by persons selling licenses would go up from five cents to 15 per cent of the cost of the license.

Amendments adopted by the lower chamber would exempt anyone over 65 from having to buy a fishing or hunting license. Present law excludes only persons under 17.

OCSC Delegation at MUCC Session

A district Seven meeting of the Michigan United Conservation Clubs will be attended by several Oakland County Sportsmen's Club members Sunday, May 5 at the Flushing Conservation clubhouse.

OCSC representatives expected to attend the district meeting are Ray Ball, who is also OCSC representative to MUCC, Warren Nuenschwander, legislative representative for OCSC and Multi-Lakes Conservation Association, Marshall Johnson, Editor of the Oakland County Sportsman, and Howard Shelley, former OCSC president and club manager who begins his sixth year as district representative.

Solunar Tables

The solunar tables schedule of solunar periods, as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory during these times, if you wish to find the best sport that each day has to offer.

Major periods begin at the times shown and last for an hour and a half or two hours thereafter. Minor periods are of shomewhat shorter duration.

	A.M. Minor	A.M. Major	P.M. Minor	P.M. Major
Thurs.	3:10	8:25	2:40	8:45

Mon.	5:15	11:30	5:45	11:55
Tues.	6:05		6:35	12:20
Wed.	6:55	12:45	7:25	1:10

Spring Rains Help Reduce Fire Losses

LANSING — Seasonal spring weather cut Michigan forest fire losses during the last two weeks, after dry conditions brought heavy damage last month.

Recent rainfall in the lower peninsula eased the critical situation somewhat and only 17 acres were burned last week as seven fires were reported.

The latest fires boosted the year's damage total to 1322 acres, but most of this loss occurred last month.

Don't Bother Humans

Anemotodes Infest Perch

When Pontiac fishermen Harold McKay, Ed Huntering, Kerby Carpenter and Percy Worley began cleaning the mess of perch they took on a recent trip to Sebewaing and Bay Port, they were taken aback by the discovery that the fish were infested with parasites. The parasite, a red, thread-like thing was found in almost every fish. The anglers wondered if it would make the perch unfit for use.

So this department talked to A. B. Cook of the state conservation department's fish division. He reassured the caller on the edibility of the fish. "Clean out all the parasites (anemotodes) you can see," Cook advised. "Then fry the fish well, and there will be no harmful effects."

"Only parasite that is found in fish that might affect humans is a tapeworm. There is only one place (in the Upper Peninsula) where this condition has been found," Cook added.

The department has leaflets concerning parasites in fish and game, and they may be obtained by writing the conservation department at Lansing.

Pontiac Press Photo

WHAT'S THE RUCKUS? — A pair of starlings staged a sidewalk battle just as Eddie Vanderworp, Press photographer came along, with the above result. Eddie reported neither battler would make any statement regarding the cause of the scrap. Could have been a family argument, fight over "territorial rights," or just the influence of the fine spring day, rousing those high spirits!

Around the Prep Front

By BILL CORNWELL

Impressive track victories by Milford and Cranbrook and some sparkling pitching on the baseball front highlighted Tuesday's high school action in the Oakland County area.

Two field records were broken and a school mark was tied as Milford won a triangular meet last night at Milford. The Redskins compiled 75 points to 54 2/5 for Fenton and 7 3/5 for Clarkston.

Milford's Andre Lavoy, a sophomore, triumphed in the broad jump, high jump and high hurdles. Teammate Jerry Van Rossen won the pole vault and shot put.

Lavoy set a new field record in the broad jump and tied Milford's school mark in the high jump. Del Munson of Milford took the 440 and set a field mark in the process.

The Redskins annexed nine 1st places while Clarkston failed to win an event.

Cranbrook won 10 out of 13 events to wallop Walled Lake 71⅓ to 37⅔. Bob Waddell came home 1st in the 100 and 200 dashes while Tom Noteware took the 440 and tied for 1st in the high jump. Fred Lavery easily won the 880.

The Cranes took their lumps on the baseball diamond, however. Two unearned runs handed Detroit Central a 2-0 decision as Tom Kramer hurled a five-hit game. Dave Campbell, who has yet to yield an earned run, allowed only two hits, but lost his 3rd straight.

Farmington's Roy Temple pitched his 2nd no-hitter of the spring as the Falcons blanked Waterford 2-0 in an Inter-Lakes Conference game. Temple struck out 13.

A four-hit mound job by Lake Orion's Jim Smith and a 5th-inning double by Larry Leach with the bases loaded gave the Dragons a 3-1 win over Fitzgerald. Avondale defeated Clawson 4-2 behind the two-hit pitching of Larry LaForge. Both were Oakland B League contests.

Spencer Decker hurled a three-hitter as Thurston downed Oak Park 5-2.

St. Frederick trimmed Walled Lake 536-542 in a golf match at Pontiac Municipal. St. Fred's Ed Kast and John Duncan of the Vikings shared medalist honors with 81.

Robbins Stays Alive in Golf Tournament

PINEHURST, N. C. (AP) — The double jinx of a champion not repeating in 19 years and a medalist seldom following through to win the title almost caught up with Hillman Robbins, but the slender Air Force second lieutenant from Memphis, Tenn., was still among those present as the second round of the North and South amateur golf tournament began today.

Robbins was paired with Billy Thornton, former University of North Carolina player and later Florida State star, from Jupiter, Fla., in the first of two rounds on the day's program.

Dayton 5 Hits Top WIBC Spot

DAYTON, Ohio (AP) — Paddock Pontiac of Dayton has taken over the lead in team division No. 2 of the Woman's International Bowling Congress tournament.

Paddock rolled 2,380 last night. National Cash Register team No. 2 fired 2,336 to move into second place. Geneva, Ohio, Recreation, in first place until last night with 2,322, is now in third place.

Rookie, at 25, Is First Liner After 8 Years

NEW YORK (AP)—Pete Burnside, a tall, handsome fast-baller today became a first-line pitcher on the New York Giants' staff after eight years of trying.

★ ★ ★

Still a rookie at 26, Burnside has been in the New York organization eight years, but his masterful three-hit, 1-0, shutout of the Pittsburgh Pirates yesterday was only his third major league start.

★ ★ ★

The Giants called him up from their Minneapolis farm club at the tailend of the '55 season and these same Buccos knocked him out of the box in his first start. But in his second, he beat the Philadelphia Phillies—and Robin Roberts, no less.

Featherweights Vie in TV Bout Tonight

PROVIDENCE, R.I. (AP)—Featherweights Harold Gomes of Providence and Bobby Rogers, Chicago a couple of national unknowns, clash tonight in a television fight at the Metropolitan Theatre.

Gomes, winner of 10 straight and the New England 126-pound champion, is a 7-5 favorite to make good in his TV debut. The 10-rounder will be broadcast and telecast — ABC 10 p.m., EST — coast to coast.

About 10 million fans saw high school football games in Texas in 1956.

MSU Group to Visit 13 Countries in Study

EAST LANSING (AP) — Ten researchers from Michigan State University will travel through 13 foreign countries next fall and winter gathering information on various overseas programs undertaken by American universities.

Dr. Edward W. Weidner, director of MSU's Institute of Research on Overseas Programs, said the group will conduct more than 1,000 interviews, mostly at foreign universities. Their information will be sent back to the institute for coding and analysis, he said.

★ ★ ★

Nations to be visited by the research team are Japan, Indonesia, India, France, Germany, Turkey, Iraq, Ethiopia, Liberia, Chile, Mexico, either Jordan or Egypt and a Central American nation yet to be chosen.

The institute was set up recently under $268,400 in grants from the Carnegie Corp. of New York.

Market Races to Flying Start

NEW YORK (AP)—The stock market was off to a flying start today as prices advanced in brisk trading.

Rails joined steels, some motors and oils in setting the pace. The high-speed ticker tape lagged a minute behind the pace of trading but the congestion cleared within three minutes.

Bethlehem Steel and Chrysler were actively traded in advance of their quarterly financial reports tomorrow.

A three-year high in March machine tool shipments, the continued rise in living costs and good earnings reports by big companies bolstered investor sentiment.

Cadillac Advertising Wins ANPA Award

Cadillac newspaper advertising has won an "Achievement in Advertising" award from the Bureau of Advertising of the American Newspaper Publishers Association.

The award will be made during the annual convention of the ANPA this week in New York City.

The award will be accepted by James M. Roche, vice president of General Motors and general manager of the Cadillac Motor Car Division, and Ernest A. Jones, president of MacManus, John & Adams, Inc., Cadillac's advertising agency.

EGGS: Large, 11.60-11.80 30-doz. case; medium, 9.50-10.00; small, 7.50-8.50.

DETROIT EGGS

DETROIT, April 23 (AP) — Eggs, F.O.B. Detroit, cases included, federal-state grades:

Whites: Grade A, jumbo 41-44, weighted average 43; large 35-39, wtd avg 38; medium 30-33, wtd avg 32; small 25. Grade B, large 31-35, wtd avg 34½.

Browns: Grade A, jumbo 38-42, wtd avg 41; large 32-36, wtd avg 34½; medium 30-35, wtd avg 32½. Grade C, large 27.

Checks 24½-28, wtd avg 26.

Commercially graded:

Whites: Grade A, extra large 35-36; large 32-36; medium 30-31.

Browns: Grade A, large 31-34; medium 30. Grade B, large 28½.

Market barely steady. Trade slow as buying is limited close to needs and retail demand is light. Supplies moderate but ample on all offerings. Prices ranged unchanged to as much as three cents lower.

CHICAGO BUTTER AND EGGS

CHICAGO, April 23 (AP) — Chicago mercantile exchange — Butter steady; receipts 1,161,000; wholesale buying prices unchanged; 93 Score AA 59; 92 A 59; 90 B 58¾; 89 C 56; cars 90 B 58¾; 89 C 58½.

Eggs irregular; receipts 15,206; wholesale buying prices unchanged to 1½ lower; 65 per cent or better A White 30½; mixed 30; mediums 29; standards 28½; dirties 26; checks 25½; current receipts 28.

CHICAGO POTATOES

CHICAGO, April 23 (AP)—Potatoes, old: Arrivals 63; track 324; total U.S. shipments 549; supplies moderate; demand slow; market dull; Idaho Russets 4.00; Minnesota North Dakota Red River Valley Pontiacs 1.95; New: Arrivals 8; track 43; supplies moderate; demand slow; market dull; car lot track sales none reported.

Poultry

DETROIT POULTRY

DETROIT, April 23 (AP) — Price paid per pound F.O.B. Detroit for No. 1 quality live poultry up to 10 a.m.

Heavy hens 16-21; light type 14. Heavy broilers or fryers (3-4 lbs): Whites 21-24; Barred Rocks 24-26. Caponettes (5½-6 lbs) 28-30. Old roosters 13.

Market unsettled to weak. Prices ranged unchanged to mostly two cents lower on heavy hens, fryers and caponettes. Supplies are more than adequate to the slow trade and post-holiday lull.

CHICAGO POULTRY

CHICAGO, April 23 (AP) — Live poultry steady; yesterday 41,000 lb; wholesale buying prices unchanged; heavy hens 14½-17, mostly 14½-15½; light hens 13-13½; old roosters 12-13; capons under 4½ lb 23-25; over 4½ lb 28-30; ducklings 26-27.

Livestock

DETROIT LIVESTOCK

DETROIT, April 23 (AP) — Hogs — Salable 2500. Bulk of run fed steers and heifers, increased showing fed heifers over last weeks; good and choice grades predominating; quality improved over week ago; cows compromise around 25 per cent receipts; about 125 stockers and feeders included; early sales fed steers and heifers steady to strong; most strength noted on standard and good grades; not enough done on cows to establish trend, higher asking prices retarding trade; early sales choice fed steers 22.50-23.75; several loads high choice 1100-1190 lb fed steers 24.00-24.25; short load prime 1190 lb fed steers 25.50; good to low choice fed steers 20.75-22.25; few standard grade 19.50; few lots high choice fed heifers 23.00; most choice heifers 21.50-22.50; few good to low choice 19.50-21.25; few head good and choice feeder steers 543 lbs 22.50.

Calves — Salable 300. Not fully established; choice and prime grades again under pressure due to non-kosher slaughter first part of the week; few sales choice and prime around 2.00 lower; lower grades steady to weak; few choice and prime vealers 25.00-28.00; good to low choice 20.00-24.00.

Sheep — Salable 1500. Bulk early receipts shorn lambs, around one load wooled lambs offered, no early sales.

CHICAGO LIVESTOCK

CHICAGO, April 23 (AP) — Salable hogs 9,500; slow; butchers 50 to 75 lower than bulk sales mostly; sows uneven, generally 25 to 50 lower; only fair shipping outlet; mixed 2-3 190-240 lb butchers mostly 18.00-18.25; numerous sales at 18.00-18.10; No. 2-3 250-270 lb 17.75-18.00, with a few lots No. 1-2 240-250 lb 18.15; limited volume 2-3 280-300 lb 17.25-17.75; larger lots mixed 1-3 350-550 lb sows 14.75-16.25; few lighter weights to 16.50.

Salable cattle 6,000; calves 200; steers and heifers slow; steers over 1300 lb about steady with Monday's late trade; cows slow, mostly steady; bulls and vealers fully steady; stockers and feeders scarce in fresh receipts steady; two lots mostly prime 1177-1280 lb 26.00; several loads high choice and prime 25.00-25.50; most choice steers 23.00-24.75; choice 1350-1525 lb 23.50-24.50; good and low choice steers 19.50-22.50; two loads high choice and prime heifers 23.65-23.75; most good and choice heifers 19.00-22.00; utility and commercial cows 12.50-14.50; canners a'd cutters 10.25-12.50; utility and commercial bulls 18.50-17.50; individual choice to prime vealers 25.00; bulk good and choice 19.00-24.00; load of good and choice 485 lb stock steer calves 22.00; load of mostly good 475 lb heifer calves 18.50.

Salable sheep 1,000; active, all classes steady; load of good shorn lambs 96 lb with No. 2 pelts 21.50; good and choice 94-96 lb lambs fall shorn pelts 22.00-23.00; few choice wooled slaughter ewes 7.50; choice shorn slaughter ewes 6.00-6.25.

Ad Attracts Neighbor

MILWAUKEE (AP) — Kenneth Kenney took an ad in the Milwaukee Journal in hopes of selling his car.

The ad paid off — the man across the street bought the car.

Wheat Futures Gain Slightly

CHICAGO (AP) — Wheat futures started about steady and then moved upward slightly today in fairly quiet dealings on the board of trade.

★ ★ ★

Soybeans gained around a cent in some cases in buying believed to have been attracted by a favorable report of soybean crushings. Corn and oats were off slightly.

Buying in wheat was influenced by favorable export news.

★ ★ ★

Near the end of the first hour old style wheat was ⅛ to ½ higher, May $2.24, new style wheat ⅛ higher to ¼ lower, July $2.10⅝, corn was ⅛ to ½ lower, May $1.28⅛, oats were unchanged to ⅝ higher, May 71, rye was ½ higher to ¼ lower, May $1.27, soybeans were ½ higher to ⅛ lower, May $2.39¼, and lard was unchanged to 5 cents a hundred pounds lower, May $13.75.

Top Ford Men Receive Less

Executives Take Cut in Incentive Bonuses From '55 Totals

DETROIT (AP) — Top executives of the Ford Motor Co. were awarded incentive bonuses last year totaling $2,524,000, a 44 per cent decrease from similar bonuses in 1955 totaling $4,540,000.

★ ★ ★

Henry Ford II, president, and Ernest R. Breech, board chairman, took the largest individual dollar cuts. Each received a base pay of $185,000 in 1956 and 1955 but their incentive bonuses were reduced last year from $380,000 in 1955 to $185,000.

The salary and bonus information was contained in a notice released today of the Ford annual stockholder meeting. The meeting will be held May 23 near Romeo.

Ford officers and directors, as a group, drew more in salaries and fees last year—$2,555,297 as compared to $2,438,883 in 1955.

★ ★ ★

Other top Ford salaries:

Delmer S. Harder, executive vice president, received $150,000 salary in both years. His incentive pay was reduced to $165,000 last year from $340,000 in 1955.

Lewis D. Crusoe, executive vice president, $150,000 in salary both years, with a $150,000 bonus last year compared to $340,000 in 1955.

William T. Gossett, vice president and general counsel, $125,000 salary in both years, with an incentive award of $145,000 last year compared to $295,000 in 1955.

★ ★ ★

Benson Ford, vice president, $120,000 base pay in both years but his 1956 bonus was $120,000 as against $200,000 for 1955.

The stockholder report said some 434,250 shares of Ford stock were purchased at $21 a share under the 1953 stock option plan during 1956 and during the first quarter of this year. Ford stock closed at $57.75 a share yesterday on the New York Stock Exchange.

News in Brief

Charles A. Adler, 22 E. Columbia St., told police someone entered his home and stole a cash box containing $248 including 33 silver dollars between April 16 and 23.

Twenty dollars in quarters was stolen from a cigarette machine of Cities Service Gas Station, 25 S. Perry St., between 7:30 p.m. Monday and 8:30 a.m. Tuesday after thieves broke a window in the garage door according to Oscar Topalian, owner.

Paul Gorman, owner of Gorman Shell Service Station, 34 N. Perry St., told police thieves took more than nine dollars from the cigarette machine after entering the building through a window they broke Monday night or Tuesday morning.

Warren J. Upthegrove, 29, 2642 Inkster Rd., Inkster, paid $50 after pleading guilty before Springfield Township Justice Emmett J. Leib, Monday, to driving without a license and at excessive speeds. He is now being held on traffic warrant charges for the State Police.

Orion Township Justice Helmar G. Stanaback heard William Ledger, 433 S. Broadway St., Lake Orion, pleaded innocent Monday to drunk driving and placed him on $200 bond pending his appearance in court April 30.

A $250 shed fire in the rear of 1025 Northfield Ave. about 9 p.m. yesterday was attributed to children playing with matches, according to firemen. The shed is owned by Carson Cascaddan.

Earnings

DETROIT (AP) — Square D Co. reports net profits of $2,523,152 for the first quarter of 1957, equal to 49 cents a share. This compares with a net of $2,437,315 in the comparable period a year ago, equal to 48 cents a share. First quarter sales totaled $25,122,681 against $23,343,660 last year. The company makes electrical products.

LANSING (AP) — Motor Wheel Corp., automotive parts makers, reported Tuesday its net earnings for the first quarter of 1957 amounted to $530,376, equal to 63 cents a share. In the similar period last year net earnings were $757,330 or 90 cents a share.

1957 May Be Third Best in Automobile Production

By DAVID J. WILKIE
Associated Press Automotive Editor

DETROIT (AP) — The auto industry has a good chance of making 1957 its third best year in production and retail deliveries. Barring some adverse economic development presently unforeseen factory output should total 6,400,000 cars and retail deliveries 6,200,000.

So far the industry's third best production year was 1953 when 6,116,948 passenger cars were built; its third best sales year was 1956 when 5,900,000 units were sold.

The new figures are based on what appears to be a steady but unspectacular upward movement in sales in recent weeks — particularly an improved performance by General Motors' Chevrolet Division. Chevrolet which has been lagging behind Ford Division, has been reducing the gap between it and the present No. 1 company.

Completely new engineering styling in several models in the volume field will stimulate increased sales in the October-December quarter. For the makes concerned these changes reportedly will be as far-reaching as any that were made last autumn.

It isn't any secret that the biggest changes of the 1957 model year were made by Chrysler and Ford. It is no secret, either, that General Motors has scheduled major advances for its 1958 lines of cars.

★ ★ ★

Meanwhile most car makers whose sales have lagged behind expectations have intensified their selling campaigns. Promotion drives of all kinds are being expanded, although assembly line output still is being held down to avoid high inventory accumulations.

That, obviously, would be the object of the sharp production control program. General Motors, of course, would not have cut back its output unless its dealers inventory situation required it. The GM production of 831,811 passenger cars in this year's January-March quarter was 135,000 units below that of the like quarter of 1956.

But few industry experts are bold enough right now to say Chevrolet, big money maker of General Motors, is out of the running for top place in the industry's production and retail sales standings. Most recent official registration figures showed Chevrolet trailing Ford division by about 14,000 units in retail deliveries and in production totals by about 25,000 units.

House Passes Bill for Sewer

Enabling Legislation for Interceptor Goes to Senate for Approval

Enabling legislation for the proposed North Evergreen Interceptor Sewer yesterday was passed by the House in Lansing.

The bill, co-sponsored by Reps. Farrell E. Roberts, of West Bloomfield Township and Donald A. Brown, of Royal Oak, was sent to the Senate for final consideration, probably in three weeks, Roberts said.

Roberts believed chances for Senate approval were good.

If passed, he said, the bill would immediately allow communities in the project to contract together for a system to relieve polluting of the River Rouge.

The bill affects Southfield, Lathrup Village, Bloomfield Hills, Bloomfield Township, Birmingham and Troy.

All six Oakland County representatives favored the measure.

Week to Call Attention to Program for Blind

LANSING (AP) — Gov. Williams today proclaimed the week of April 28-May 4 as White Cane Educational Week in Michigan, calling attention to programs that furnish help to the blind.

Williams urged citizens to "seek ways of doing their party to assist the work of the Lions Clubs and the National Federation for the Blind as they seek to provide opportunities for work and self respect for over a quarter of a million of our fellow citizens who are sightless."

2 Area Youths Face Prison on Break-Ins

Prison terms were drawn by two area youths, as five members of an alleged gang credited with more than 40 north Oakland County break-ins were sentenced Monday.

Circuit Judge Frank L. Doty ordered 1½-15 year terms in State Prison of Southern Michigan for Donald G. Murphy, 19, of 22 McNeil St. and Charles Bradley, 20, of 1740 Orchid Dr.

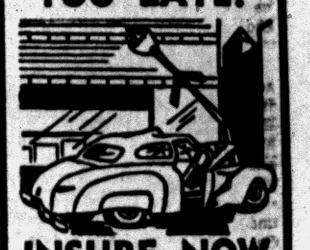

Three others charged with breaking and entering were assessed $200 court costs and placed on probation three years. They are Gerald McLarty, 18, of 405 Heights Rd.; Ernest Berry, 18, of 130 Orion Rd. and Robert Brice, 18, of 2231 Silver Lake Rd.

Admit Man to Hospital After Car Smashup

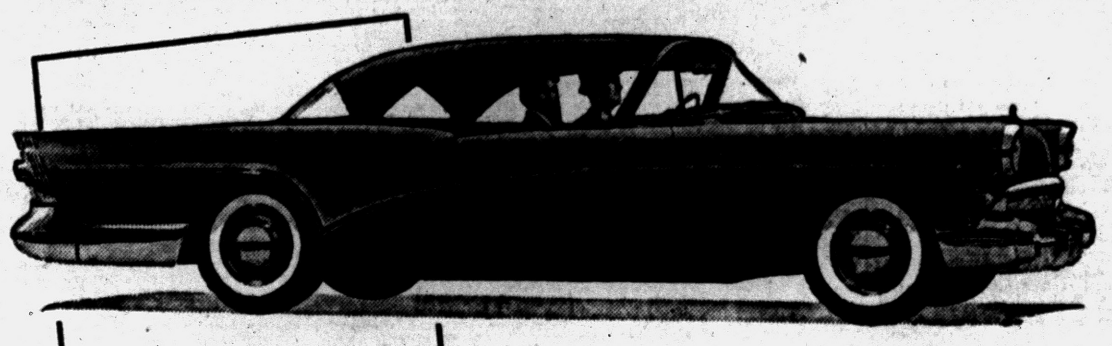

Leonard G. Stem, 27, of 25½ E. Pike St., was admitted to Pontiac General Hospital with head and face injuries as the result of an accident shortly after 1 a.m. this morning.

Stem was traveling east on the Pontiac Trail when the car he was driving left the road about 100 feet east of Walnut Lake Rd. and smashed into a tree, police said.

The United States is the world's largest user of cork.

Report

By Mr. Horton

In Re: Report of Progress on Central Garage and Animal Welfare Building

Mr. Chairman, Ladies and Gentlemen:

Your Buildings and Grounds Committee, on January 11, 1957, inspected the progress of construction on the Animal Welfare Building and Central Garage and wish to report the following:

Central Garage: All underground concrete work, exterior masonry work, structural steel, steel joists and roof deck has been completed. The metal windows are in and 10% of the glass installed.

Reinforcing steel and

Waterproofing ..... 90% complete
Exterior Masonry work ..... 85% complete
Carpentry ..... 80% complete
Roofing and sheet metal ..... 60% complete
Metal doors and trim ..... 50% complete
Excavating and grading ..... 40% complete
Mechanical trades ..... 30% complete
Miscellaneous and special equipment ..... 30% complete

The sewers and drains have been connected and temporary heat installed by the Auditors, is available for the pouring of the floor slabs and completing interior work. In the opinion of the architects, work is progressing according to schedule and the estimated time for completion is February 15, 1957.

The contract for a permanent 10 inch heat line to the Garage was let January 11, 1957 at a cost of $30,085. This line forms a part of the master plan for heat for the Service Center and is designed, in addition to supplying heat to the Garage, as the first leg of the steam line to the Court House and Administration Center.

Only one change order, in the amount of $283.00, has been needed to date and your Committee wishes to commend the architects, Perry-Let & Associates for their excellent planning, follow-through of construction and the way in which they have kept your Committee advised as to both planning and construction.

Animal Welfare: At the time of our inspection, construction on this project had been temporarily delayed due to the inability to receive pipe for the steam heat line to the shelter. The line is approximately 60% complete and we have been subsequently advised that the pipe is on hand and will be installed by Friday of this week.

Your Committee was pleased with the structural roof design and noted that the interior plumbing was in place for the pouring of the floors. The exterior walls and roof deck are completed. The sewers and drains have not yet been installed. According to the architects, work is progressing satisfactorily and the estimated time of completion will be March 1, 1957.

Misc. 3176

By Mr. Lilly

In Re: Southfield City Charter Commission Election

To the Oakland County Board of Supervisors

Mr. Chairman, Ladies and Gentlemen:

Whereas two sets of petitions signed by more than three hundred electors of the City of Southfield, have been filed with the County Clerk asking for an election to frame a Charter Commission for the said City, and

Whereas one set of petitions was filed by Eugene Swem as Mayor de facto of the City of Southfield, and one set of petitions was filed by Donald L. Swanson as Mayor de facto of the City of Southfield, and

Whereas both sets of petitions are identical, and

Whereas this matter was referred to your Boundaries Committee and your Committee finds that Eugene Swem is Mayor de facto of the City of Southfield and that the petition signed by Eugene Swem and filed by him with the County Clerk, conforms to the statute in such case made and provided.

Now Therefore Be It Resolved that this Board hereby fixes the first day of April, 1957 for the date of the Special Election for the Charter Commission for the City of Southfield.

Be It Further Resolved that the County Clerk give notice of the date and purpose of the election as provided by law.

Mr. Chairman, on behalf of the Boundaries Committee, I move the adoption of the foregoing resolution.

BOUNDARIES COMMITTEE
WILLIAM A. EWART, Chairman
ARNO L. HULET
FRED ELIAS

Moved by Lilly supported by Yockey the resolution be adopted.

A sufficient majority having voted therefor, the resolution was adopted.

Misc. 3177

By Mr. Lilly

In Re: Farmington City-Farmington Township Annexation

To the Oakland County Board of Supervisors

Mr. Chairman, Ladies and Gentlemen:

Whereas certain residents of the Township of Farmington have petitioned this Board, pursuant to the provisions of Act 279 of the Public Acts of 1909, as amended, to detach the territory described below from the Township of Farmington and attach it to the City of Farmington, and

Whereas your Committee has found the petitions qualified as to form and sufficiency,

Now Therefore Be It Resolved:

1. That the petition covering the following described property, to-wit:

A parcel of land being a part of the W. ½ of Section 34, T. 1 N., R. 9 E., Farmington Township, Oakland County, Michigan, beginning with the N. W. corner of Sec. 34, thence along the Northerly line of Sec. 34, N 89° 43' E 985.01 feet, thence S. 0° 31' W. 2655.90 feet, thence N. 89° 02' E. 1014.06 feet, thence S. 0° 46' 47" E. 2642.50 feet, to a point along the S. line of Sec. 34, thence Westerly along the S. line of Sec. 34, S. 88° 52' 29" W. 2003.18 feet to the S. W. corner of Sec. 34, thence along the W. line of Sec. 34, N. 1° 11' W. 2648.46 feet to the W. ¼ corner of Sec. 34, thence along the W. line of Sec. 34, N. 0° 30' E. 2646.74 feet to the point of beginning. The above parcels of land being otherwise known as "Farmington Little Farms" Subdivision as recorded in Liber 36, Page 2 of the Oakland County Register of Deeds, and the west 121.504 acres of the S. W. ¼ of Sec. 34, T. 1 N., R. 9. E. Farmington Township, Oakland County, Michigan; and containing 170.169 acres of land

be approved as to form and sufficiency and in compliance with Act 279 of the Public Acts of 1909, as amended.

2. That the County Clerk take the necessary steps to submit the question of detaching the territory described from the Township of Farmington and annexing the same to the City of Farmington at an election to be held on the 1st day of April A. D. 1957 to the electors in the district affected;

3. That the effective date of the annexation shall be sixty (60) days after the election, if it carries.

Mr. Chairman, on behalf of the Boundaries Committee, I move the adoption of the foregoing resolution.

BOUNDARIES COMMITTEE
WILLIAM A. EWART, Chairman
ARNO L. HULET
FRED ELIAS

Moved by Lilly supported by Edwards the resolution be adopted.

A sufficient majority having voted therefor, the resolution was adopted.

Clerk read the following resolution and petition:

Resolution

Whereas the Village of Milford has recently undergone considerable development and erection thereof of one family residences in and about said Village, and

Whereas Kensington Hills Development Company and other owners of property hereinafter described, are desirous of having certain premises annexed to the Village of Milford in order that sanitary sewer and water trunk lines may be available to said Subdivision and the owners thereof, and

Whereas it appears that the need exists and it is in the public interest to make possible the future growth and development of said Village, and

Whereas a proposed plat of said premises has been submitted, and the owners of all land in the proposed annexation have signified their approval of such annexation, and

Whereas the development of such Subdivision is contingent upon the availability of sanitary sewer and water trunk lines for the area in question, but no such lines are presently available and the Village is without funds to install same, and

Whereas said Kensington Hills Development Company, developer of said project, is willing to pay the installation of such trunk lines without cost to said Village of Milford, contingent only upon the annexation of said property to said Village.

The premises sought to be annexed are described as follows:

The Southwest quarter of the Northeast quarter of Section 15, and that part of the Southeast quarter of the Northwest quarter of Section 15, lying Easterly of the center line of the New Hudson Road (Milford Road), T. 2 N., R. 7 E., Milford Township, Oakland County, Michigan.

The E. ½ of the N. ½ of the N. ¼ of Section 15, T. 2 N., R. 7 E. Milford Township, Oakland County, Michigan.

Now Therefore Be It Resolved that the Village of Milford, acting pursuant to Section 5.1470 of the Michigan Statutes annotated, petition the Oakland County Board of Supervisors, as the petitioner herein, to annex the above described premises to the Village of Milford, and

It Is Further Resolved that before such Petition shall be presented to the Board of Supervisors, notice shall be given by the Clerk of the time and place when same will be presented for consideration by publishing same in the Milford Times for at least three weeks immediately preceding the presentation of the Petition. Such notice shall contain a description of the parcel of land proposed to be annexed and shall advise all parties interested that they may appear before the Oakland County Board of Supervisors and be heard, on the date and at the hour mentioned therein, regarding the proposed annexation of said premises to the territory of the Village of Milford; and

It Is Further Resolved that a copy of this resolution be forwarded, with the petition annexed, to the Supervisor of the Township of Milford and to the Oakland County Board of Supervisors, and

It Is Further Resolved that the President and Clerk of the Village be, and they hereby are, authorized to execute the attached petition for annexation on behalf of the Council of the Village.

JOSEPH GERRARD, President
ARVALE TIPPER, Village Clerk

This resolution was proposed by Councilman Rounds, supported by Johnson and carried as follows: Ayes 3, Nays 2, Not voting 1.

I hereby certify that the above resolution was adopted by the Village Council of the Village of Milford at a Regular Meeting held in the Council Chambers of the Municipal Building on Monday, September 10, 1956.

ARVALE TIPER, Village Clerk

Proof of Publication
In The Milford Times

To Whom It May Concern:

Take Notice that pursuant to a resolution of the Village Council adopted on the 10th day of September, 1956 a petition was approved for the annexation to the Village of Milford of land immediately adjoining the Village of Milford on the Southern Boundary thereof, and on the East side of Milford Road, said land being situated in the Township of Milford, Oakland County, Michigan and described as follows:

The Southwest quarter of the Northeast quarter of Section 15, and that part of the Southeast quarter of the Northwest quarter of Section 15, lying Easterly of the center line of the New Hudson Road (Milford Road), T. 2 N., R. 7 E., Milford Township, Oakland County, Michigan.

The E. ½ of the N. ½ of the N. ¼ of Section 15, T. 2 N., R. 7 E. Milford Township, Oakland County, Michigan.

Pursuant to the provisions of law, such Petition shall be presented to the Oakland County Board of Supervisors for its consideration and approval on the 17th day of January 1957 at 10:00 a.m. All parties interested may appear before such Board of Supervisors at its Board Room in the County Office Building at 1 Lafayette Street, in the City of Pontiac, Michigan, on said date and be heard touching upon the proposed annexation and boundaries of such Village.

JOSEPH GERRARD, Village President

State of Michigan)
) ss
County of Oakland)

W. H. Gharrity being duly sworn deposes and says that he is the publisher of the Milford Times, a weekly newspaper printed and published in the village of Milford, in said county, and that the legal notice hereunto annexed, was published in said newspaper, once each week for 3 successive weeks; that the first publication thereof was on the 27th day of December A. D. 1956, that it was published each week thereafter for the said 2 weeks and that the last publication thereof was on the 10th day of January A. D. 1957.

Further deponent saith not.

W. H. GHARRITY

Subscribed and sworn to before me this 10th day of January, 1957.

ROBERT GHARRITY
Notary Public for Oakland County
My commission expires April 17, 1959

Petition for Annexation of Described Land to the Village of Milford

To the Oakland County Board of Supervisors:

The undersigned, Joseph Gerrard, as President of the Village of Milford, and Arvale Tipper, as Village Clerk of the Village of Milford, acting on behalf of the Trustees of said Village, pursuant to the terms of a certain resolution adopted by the Trustees on the 10th day of September, 1956, of which a copy is attached, do hereby respectfully petition your Board for the annexation to the territory of the Village of Milford, the following described land immediately adjoining the Village of Milford on the Southern Boundary thereof, and on the East side of Milford Road, said land being situated in the township of Milford, Oakland County, Michigan, and described as follows:

The Southwest quarter of the Northeast quarter of Section 15, and that part of the Southeast quarter of the Northwest quarter of Section 15, lying Easterly of the center line of the New Hudson Road (Milford Road), T. 2 N., R. 7 E., Milford Township, Oakland County, Michigan.

The E. ½ of the N. ½ of the N. ¼ of Section 15, T. 2 N., R. 7 E. Milford Township, Oakland County, Michigan which said above described property is unplatted.

Your petitioners represent that the above described parcel of land consists of 106 acres, exclusive of streets.

That petitioners are informed, and verily believe, that with the exception of Roger S. Hubbell, Elizabeth Hubbell, John A. Pelant, Walter W. Tressler and Norma Tressler, who are the title owners of said land, and who have requested the annexation, there are no residents, other than children of said parties, not of voting age, residing on said property.

Your petitioners request your Honorable Body to fix a hearing, at which this petition may be presented and at which all parties interested may appear before your Board to be heard concerning the proposed annexation of the above land, and that your Honorable Body take such action as is necessary, or appropriate, to effectuate the annexation of the land herein above described to the territory of the Village of Milford, Oakland County, Michigan, in conformity with the applicable statutes of the State of Michigan.

Respectfully submitted,
JOSEPH GERRARD
ARVALE TIPPER

State of Michigan
County of Oakland

On this 11th day of September, 1956 before me, a Notary Public in and for said County, personally appeared Joseph Gerrard and Arvale Tipper, who being by me first duly sworn, did depose and say that they are the President of the Council of the Village of Milford, Oakland County, Michigan and Village Clerk of said Council, and that they executed the foregoing instrument and acknowledged the same to be true to their own knowledge or belief, and to be their and each of their own free acts and deeds.

ROSE S. BUELL
Notary Public, Oakland County Michigan
My commission expires March 11, 1960

The Chairman stated that the Public Hearing was now called in accordance with the notice for any objections to the proposed annexation. There were no objections and the Chairman declared the Public Hearing closed.

Report

By Mr. Lilly

In Re: Annexation of Land to Milford Village from Milford Township

To the Oakland County Board of Supervisors

Mr. Chairman, Ladies and Gentlemen:

Whereas a petition has been submitted to the Clerk by the Village Council of the Village of Milford requesting the annexation of certain described land to the Village pursuant to the provisions of Chapter XIV, Section 6 of Act No. 3 of the Public Acts of 1895, as amended, and

Whereas it appears that the petition conforms in all respects to the requirements of the statute in such case made and provided, and

Whereas the Board of Supervisors pursuant to the Notice attached to the petition has heard all parties interested, and

Whereas it appears that the annexation should be had according to the request of the petition,

Therefore be it Resolved that this Board determines and orders that the property described as:

"The Southwest quarter of the Northeast quarter of Section 15 and that part of the Southeast quarter of the Northwest quarter of Section 15 lying Easterly of the center line of the New Hudson Road (Milford Road), T. 2 N., R. 7 E., Milford Township, Oakland County, Michigan, beginning with the N. W. corner of Sec. 34, thence along the Northerly line of Sec. 34, N 89° 43' E 985.01 feet, thence S. 0° 31' W. 2655.90 feet, thence N. 89° 02' E. 1014.06 feet, thence S. 0° 46' 47" E. 2642.50 feet, to a point along the S. line of Sec. 34, thence Westerly along the S. line of Sec. 34, S. 88° 52' 29" W. 2003.18 feet to the S. W. corner of Sec. 34, thence along the W. line of Sec. 34, N. 1° 11' W. 2648.46 feet to the W. ¼ corner of Sec. 34, thence along the W. line of Sec. 34, N. 0° 30' E. 2646.74 feet to the point of beginning. The above parcels of land being otherwise known as "Farmington Little Farms" Subdivision as recorded in Liber 36, Page 2 of the Oakland County Register of Deeds, and the west 121.504 acres of the S. W. ¼ of Sec. 34, T. 1 N., R. 9. E. Farmington Township, Oakland County, Michigan; and containing 170.169 acres of land

be annexed to the City of Milford, Oakland County, Michigan, on behalf of the Board of Supervisors, and

It Is Further Resolved that the Clerk of the Board be, and he hereby is, directed to forward a certified copy of this resolution to the Clerk of the City of Milford, and

It Is Further Resolved that the Board of Supervisors hereby finds that the territory described above will not be detrimental to the interests of the Township of Farmington, and

It Is Further Resolved that the Board of Supervisors hereby finds that the territory described above will not be detrimental to the interests of the City of Milford, and

It Is Further Resolved that the Board of Supervisors hereby finds that the territory described above will not be detrimental to the interests of the Township of Milford, and

It Is Further Resolved that the Board of Supervisors hereby finds that the territory described above will not be detrimental to the interests of the County of Oakland, and

It Is Further Resolved that the Board of Supervisors hereby finds that the territory described above will not be detrimental to the interests of the Village of Milford, and

It Is Further Resolved that the Board of Supervisors hereby finds that the territory described above will not be detrimental to the interests of the owners thereof, and

Whereas it appears that the need exists and it is in the public interest to make possible the future growth and development of said Village, and

Whereas a proposed plat of said premises has been submitted, and the owners of all land in the proposed annexation have signified their approval of such annexation, and

Whereas the development of such Subdivision is contingent upon the availability of sanitary sewer and water trunk lines for the area in question, but no such lines are presently available and the Village is without funds to install same, and

Whereas said Kensington Hills Development Company, developer of said project, is willing to pay the installation of such trunk lines without cost to said Village of Milford, contingent only upon the annexation of said property to said Village.

The premises sought to be annexed are described as follows:

The Southwest quarter of the Northeast quarter of Section 15, and that part of the Southeast quarter of the Northwest quarter of Section 15, lying Easterly of the center line of the New Hudson Road (Milford Road), T. 2 N., R. 7 E., Milford Township, Oakland County, Michigan.

The E. ½ of the N. ½ of the N. ¼ of Section 15, T. 2 N., R. 7 E. Milford Township, Oakland County, Michigan.

Now Therefore Be It Resolved that the Village of Milford, acting pursuant to Section 5.1470 of the Michigan Statutes annotated, petition the Oakland County Board of Supervisors, as the petitioner herein, to annex the above described premises to the Village of Milford, and

It Is Further Resolved that before such Petition shall be presented to the Board of Supervisors, notice shall be given by the Clerk of the time and place when same will be presented for consideration by publishing same in the Milford Times for at least three weeks immediately preceding the presentation of the Petition. Such notice shall contain a description of the parcel of land proposed to be annexed and shall advise all parties interested that they may appear before the Oakland County Board of Supervisors and be heard, on the date and at the hour mentioned therein, regarding the proposed annexation of said premises to the territory of the Village of Milford; and

It Is Further Resolved that a copy of this resolution be forwarded, with the petition annexed, to the Supervisor of the Township of Milford and to the Oakland County Board of Supervisors, and

It Is Further Resolved that the President and Clerk of the Village be, and they hereby are, authorized to execute the attached petition for annexation on behalf of the Council of the Village.

JOSEPH GERRARD, President
ARVALE TIPPER, Village Clerk

This resolution was proposed by Councilman Rounds, supported by Johnson and carried as follows: Ayes 3, Nays 2, Not voting 1.

I hereby certify that the above resolution was adopted by the Village Council of the Village of Milford at a Regular Meeting held in the Council Chambers of the Municipal Building on Monday, September 10, 1956.

To Whom It May Concern:

Take Notice that pursuant to a resolution of the Village Council adopted on the 10th day of September, 1956 a petition was approved for the annexation to the Village of Milford of land immediately adjoining the Village of Milford on the Southern Boundary thereof, and on the East side of Milford Road, said land being situated in the Township of Milford, Oakland County, Michigan and described as follows:

The Southwest quarter of the Northeast quarter of Section 15, and that part of the Southeast quarter of the Northwest quarter of Section 15, lying Easterly of the center line of the New Hudson Road (Milford Road), T. 2 N., R. 7 E., Milford Township, Oakland County, Michigan.

The E. ½ of the N. ½ of the N. ¼ of Section 15, T. 2 N., R. 7 E. Milford Township, Oakland County, Michigan.

Pursuant to the provisions of law, such Petition shall be presented to the Oakland County Board of Supervisors for its consideration and approval on the 17th day of January 1957 at 10:00 a.m. All parties interested may appear before such Board of Supervisors at its Board Room in the County Office Building at 1 Lafayette Street, in the City of Pontiac, Michigan, on said date and be heard touching upon the proposed annexation and boundaries of such Village.

Petition for Annexation of Described Land to the Village of Milford

To the Oakland County Board of Supervisors:

The undersigned, Joseph Gerrard, as President of the Village of Milford, and Arvale Tipper, as Village Clerk of the Village of Milford, acting on behalf of the Trustees of said Village, pursuant to the terms of a certain resolution adopted by the Trustees on the 10th day of September, 1956, of which a copy is attached, do hereby respectfully petition your Board for the annexation to the territory of the Village of Milford, the following described land immediately adjoining the Village of Milford on the Southern Boundary thereof, and on the East side of Milford Road, said land being situated in the township of Milford, Oakland County, Michigan, and described as follows:

The Southwest quarter of the Northeast quarter of Section 15, and that part of the Southeast quarter of the Northwest quarter of Section 15, lying Easterly of the center line of the New Hudson Road (Milford Road), T. 2 N., R. 7 E., Milford Township, Oakland County, Michigan.

The E. ½ of the N. ½ of the N. ¼ of Section 15, T. 2 N., R. 7 E. Milford Township, Oakland County, Michigan.

Pursuant to the provisions of law, such Petition shall be presented to the Oakland County Board of Supervisors for its consideration and approval on the 17th day of January 1957 at 10:00 a.m. All parties interested may appear before such Board of Supervisors at its Board Room in the County Office Building at 1 Lafayette Street, in the City of Pontiac, Michigan, on said date and be heard touching upon the proposed annexation and boundaries of such Village.

Misc. 3178

By Mr. Lilly

In Re: Southfield City Charter Commission Election

To the Oakland County Board of Supervisors

Mr. Chairman, Ladies and Gentlemen:

Whereas two sets of petitions signed by more than three hundred electors of the City of Southfield, have been filed with the County Clerk asking for an election to frame a Charter Commission for the said City, and

Whereas one set of petitions was filed by Eugene Swem as Mayor de facto of the City of Southfield, and one set of petitions was filed by Donald L. Swanson as Mayor de facto of the City of Southfield, and

Whereas both sets of petitions are identical, and

Whereas this matter was referred to your Boundaries Committee and your Committee finds that Eugene Swem is Mayor de facto of the City of Southfield and that the petition signed by Eugene Swem and filed by him with the County Clerk, conforms to the statute in such case made and provided.

Now Therefore Be It Resolved that this Board hereby fixes the first day of April, 1957 for the date of the Special Election for the Charter Commission for the City of Southfield.

Be It Further Resolved that the County Clerk give notice of the date and purpose of the election as provided by law.

Mr. Chairman, on behalf of the Boundaries Committee, I move the adoption of the foregoing resolution.

BOUNDARIES COMMITTEE
WILLIAM A. EWART, Chairman
ARNO L. HULET

Moved by Lilly supported by Yockey the resolution be adopted.

A sufficient majority having voted therefor, the resolution was adopted.

Misc. 3177

By Mr. Lilly

In Re: Farmington City-Farmington Township Annexation

To the Oakland County Board of Supervisors

Mr. Chairman, Ladies and Gentlemen:

Whereas certain residents of the Township of Farmington have petitioned this Board, pursuant to the provisions of Act 279 of the Public Acts of 1909, as amended, to detach the territory described below from the Township of Farmington and attach it to the City of Farmington, and

Whereas your Committee has found the petitions qualified as to form and sufficiency,

Now Therefore Be It Resolved:

1. That the petition covering the following described property, to-wit:

A parcel of land being a part of the W. ½ of Section 34, T. 1 N., R. 9 E., Farmington Township, Oakland County, Michigan, beginning with the N. W. corner of Sec. 34, thence along the Northerly line of Sec. 34, N 89° 43' E 985.01 feet, thence S. 0° 31' W. 2655.90 feet, thence N. 89° 02' E. 1014.06 feet, thence S. 0° 46' 47" E. 2642.50 feet, to a point along the S. line of Sec. 34, thence Westerly along the S. line of Sec. 34, S. 88° 52' 29" W. 2003.18 feet to the S. W. corner of Sec. 34, thence along the W. line of Sec. 34, N. 1° 11' W. 2648.46 feet to the W. ¼ corner of Sec. 34, thence along the W. line of Sec. 34, N. 0° 30' E. 2646.74 feet to the point of beginning. The above parcels of land being otherwise known as "Farmington Little Farms" Subdivision as recorded in Liber 36, Page 2 of the Oakland County Register of Deeds, and the west 121.504 acres of the S. W. ¼ of Sec. 34, T. 1 N., R. 9. E. Farmington Township, Oakland County, Michigan; and containing 170.169 acres of land

be approved as to form and sufficiency and in compliance with Act 279 of the Public Acts of 1909, as amended.

2. That the County Clerk take the necessary steps to submit the question of detaching the territory described from the Township of Farmington and annexing the same to the City of Farmington at an election to be held on the 1st day of April A. D. 1957 to the electors in the district affected;

3. That the effective date of the annexation shall be sixty (60) days after the election, if it carries.

Mr. Chairman, on behalf of the Boundaries Committee, I move the adoption of the foregoing resolution.

BOUNDARIES COMMITTEE
WILLIAM A. EWART, Chairman
ARNO L. HULET
FRED ELIAS

Moved by Lilly supported by Edwards the resolution be adopted.

A sufficient majority having voted therefor, the resolution was adopted.

Clerk read the following resolution and petition:

Resolution

Whereas the Village of Milford has recently undergone considerable development and erection thereof of one family residences in and about said Village, and

Whereas Kensington Hills Development Company and other owners of property hereinafter described, are desirous of having certain premises annexed to the Village of Milford in order that sanitary sewer and water trunk lines may be available to said Subdivision and the owners thereof, and

Whereas it appears that the need exists and it is in the public interest to make possible the future growth and development of said Village, and

Whereas a proposed plat of said premises has been submitted, and the owners of all land in the proposed annexation have signified their approval of such annexation, and

Whereas the development of such Subdivision is contingent upon the availability of sanitary sewer and water trunk lines for the area in question, but no such lines are presently available and the Village is without funds to install same, and

Whereas said Kensington Hills Development Company, developer of said project, is willing to pay the installation of such trunk lines without cost to said Village of Milford, contingent only upon the annexation of said property to said Village.

The premises sought to be annexed are described as follows:

The Southwest quarter of the Northeast quarter of Section 15, and that part of the Southeast quarter of the Northwest quarter of Section 15, lying Easterly of the center line of the New Hudson Road (Milford Road), T. 2 N., R. 7 E., Milford Township, Oakland County, Michigan.

The E. ½ of the N. ½ of the N. ¼ of Section 15, T. 2 N., R. 7 E. Milford Township, Oakland County, Michigan.

Now Therefore Be It Resolved that the Village of Milford, acting pursuant to Section 5.1470 of the Michigan Statutes annotated, petition the Oakland County Board of Supervisors, as the petitioner herein, to annex the above described premises to the Village of Milford, and

It Is Further Resolved that before such Petition shall be presented to the Board of Supervisors, notice shall be given by the Clerk of the time and place when same will be presented for consideration by publishing same in the Milford Times for at least three weeks immediately preceding the presentation of the Petition. Such notice shall contain a description of the parcel of land proposed to be annexed and shall advise all parties interested that they may appear before the Oakland County Board of Supervisors and be heard, on the date and at the hour mentioned therein, regarding the proposed annexation of said premises to the territory of the Village of Milford; and

It Is Further Resolved that a copy of this resolution be forwarded, with the petition annexed, to the Supervisor of the Township of Milford and to the Oakland County Board of Supervisors, and

It Is Further Resolved that the President and Clerk of the Village be, and they hereby are, authorized to execute the attached petition for annexation on behalf of the Council of the Village.

3. That the effective date of the annexation shall be sixty (60) days after the election, if it carries.

Mr. Chairman, on behalf of the Boundaries Committee, I move the adoption of the foregoing resolution.

BOUNDARIES COMMITTEE
WILLIAM A. EWART, Chairman
ARNO L. HULET
FRED ELIAS

Moved by Lilly supported by Edwards the resolution be adopted.

A sufficient majority having voted therefor, the resolution was adopted.

Clerk read the following resolution and petition:

Resolution

Whereas the Village of Milford has recently undergone considerable development and erection thereof of one family residences in and about said Village, and

Whereas Kensington Hills Development Company and other owners of property hereinafter described, are desirous of having certain premises annexed to the Village of Milford in order that sanitary sewer and water trunk lines may be available to said Subdivision and the owners thereof, and

Whereas it appears that the need exists and it is in the public interest to make possible the future growth and development of said Village, and

Whereas a proposed plat of said premises has been submitted, and the owners of all land in the proposed annexation have signified their approval of such annexation, and

Whereas the development of such Subdivision is contingent upon the availability of sanitary sewer and water trunk lines for the area in question, but no such lines are presently available and the Village is without funds to install same, and

Whereas said Kensington Hills Development Company, developer of said project, is willing to pay the installation of such trunk lines without cost to said Village of Milford, contingent only upon the annexation of said property to said Village.

The premises sought to be annexed are described as follows:

The Southwest quarter of the Northeast quarter of Section 15, and that part of the Southeast quarter of the Northwest quarter of Section 15, lying Easterly of the center line of the New Hudson Road (Milford Road), T. 2 N., R. 7 E., Milford Township, Oakland County, Michigan.

The E. ½ of the N. ½ of the N. ¼ of Section 15, T. 2 N., R. 7 E. Milford Township, Oakland County, Michigan.

Now Therefore Be It Resolved that the Village of Milford, acting pursuant to Section 5.

Supervisors' Proceedings

(Continued From Page 40)

in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended, and the proceeds of sale shall be transmitted to the Fiscal Agent and deposited by the Fiscal Agent in the Construction Fund. Other moneys to be applied to the cost of Construction of the expressway may, at the option of the State Highway Commissioner, be deposited into the Construction Fund herein provided for.

23. The bonds herein authorized may be sold as a whole or in blocks, from time to time, in such amounts and at such times as may be determined by the State Highway Commissioner. If sold in blocks, the specific maturities to be sold as part of each block shall be selected by the State Highway Commissioner.

24. Any balance remaining in said Construction Fund, after full completion and payment for the limited access highway hereinbefore described shall be transferred to the Bond and Interest Redemption Fund and used for the redemption of callable bonds, at the times and at the prices hereinbefore set forth.

25. At such time as the principal and interest on all bonds outstanding and unpaid, deducting therefrom the amount remaining in the Bond and Interest Redemption Fund, including the Bond Reserve Account, is such that the remaining minimum annual contributions by the State, when added to the required contributions of the County, are in excess of the amount necessary to retire said bonds and the interest thereon, the Fiscal Agent shall notify the State of the actual amount required to be paid by it to complete said retirement, and the State shall then only be required to pay said lesser amount for the purpose of completing the bond retirement. The County shall be obligated to continue to pay its full required amount towards the cost of said expressway until the fixed sum of $1,800,000.00 has been paid by it.

26. The bonds herein authorized shall not be issued and sold until their issuance and the form of notice of sale thereof, or any block thereof, has been approved by the Municipal Finance Commission of the State of Michigan under the provisions of Act 94, Public Acts of Michigan, 1933, as amended. The State Highway Commissioner is authorized to make all necessary applications, prepare all necessary legal documents, including notice of sale of bonds, and take all other necessary steps on behalf of the parties hereto to obtain the necessary approval of the Municipal Finance Commission, advertise the bonds or any block thereof for sale, hold and conduct the sale and receive bids therefor: Provided, that before any such bids are accepted, the sale to the successful bidder shall be approved by the State Administrative Board, the Board of Supervisors of the County of Oakland, and the Board of County Road Commissioners of the County of Oakland.

27. Notice of sale of such bonds, or any block thereof, shall be published in The Bond Buyer, a publication having all of the qualifications required by the provisions of Section 12, Act 94, Public Acts of Michigan, 1933, as amended, at least fourteen (14) days prior to the date fixed for sale of the bonds.

28. It shall be the duty of the Fiscal Agent to maintain and keep complete books of record and account, separate from all other records and accounts, relative to the fiscal agency covered by this Contract. Said books and records shall be audited annually by the Auditor General of the State of Michigan, or in the event such audit is not made, by a certified public accountant to be selected by the Fiscal Agent. The expense of such audit shall be considered to be an expense of the Fiscal Agent. The Fiscal Agent shall also prepare and file with the Municipal Finance Commission, annually, such statement or statements as are required by the provisions of Act 94, Public Acts of Michigan, 1933, as amended. A copy of such statement or statements, and a copy of the annual audit, shall be sent to the syndicate manager or managers of the syndicate purchasing the bonds within thirty (30) days after the date of filing such statement or receipt of the annual audit. Copies of such statement and audit shall be sent, as soon as prepared or received, to the State Highway Commissioner and the County Clerk of the County of Oakland, and the Clerk of the Board of County Road Commissioners of the County of Oakland.

29. This Contract shall remain in full force and effect for a period of twenty-five (25) years from the date of execution thereof or until such lesser time as the completion of the expressway is accomplished and the bonds herein authorized are paid in full, and all obligations of the parties hereto relative to payment of the cost of construction of the expressway are paid in full. Such termination within the twenty-five (25) year period shall be evidenced by a written notice to that effect signed by the State and the County and filed with the Fiscal Agent.

30. Each party hereto shall take all appropriate and necessary action to make this Contract effective.

31. The acquisition of rights-of-way, and all construction work in connection with the building and acquisition of the project, shall be done by the State.

32. The State agrees to proceed with the construction of the limited access highway generally described in the preamble.

33. It is covenanted and agreed by the State and the County that as long as any of said bonds so to be issued shall remain outstanding and unpaid, the provisions of this Contract shall not be subject to any alteration or revision which would in any manner unfavorably affect either the security of the bonds or the prompt payment of principal thereof or interest thereon. The State and the County further covenant and agree that they will each comply with all the requirements of this Contract promptly at the times and in the manner herein set forth, and will not suffer to be done any act which would in any way impair the said bonds, the security therefor or the prompt payment of principal and interest thereon.

34. The bonds authorized under the provisions of Section 11 hereof in the aggregate principal amount of $25,000,000.00, shall be issued subject to the approving legal opinion of recognized municipal bond attorneys employed by the State Highway Commissioner. The expense of such legal opinion shall be paid out of the proceeds of the sale of the bonds.

35. This Contract shall become binding on the parties hereto, and of full force and effect upon the signing thereof by the State Highway Commissioner, and the Chairman and the Clerk of the County Road Commissioners of the County of Oakland and the Chairman of the Board of Supervisors and the County Clerk of the County of Oakland, upon the written acceptance by the State Treasurer of the State of Michigan, or in the event such official declines to accept, the bank or trust company named pursuant to Section 14 of this Contract, of the duties and obligations herein outlined as Fiscal Agent, and upon the adoption of a resolution or resolutoins approving said Contract and the issuance of the bonds herein authorized, and authorizing the signatures thereto of the respective officials by the State Administrative Board, the Board of County Road Commissioners of the County of Oakland and the Board of Supervisors of the County of Oakland, certified copies of which said written acceptance by the State Treasurer, and the resolution or resolutions shall be attached to this Contract. Said resolutions shall constitute the approval for the issuance of the bonds herein authorized in compliance with the provisions of Section 11 of Act 205, Public Acts of Michigan, 1941, as amended.

36. In order to comply with the provisions of Act 251, Public Acts of Michigan, 1955 (Section 4), the parties hereto agree not to discriminate against any employee or applicant for employment, to be employed in the performance of this Contract, with respect to his hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment, because of his race, color, religion, national origin or ancestry, and to require a similar agreement on the part of any sub-contractor employed in the performance of this Contract.

37. The previous contract between the parties hereto, dated as of November 8, 1956, is rescinded and cancelled, the bonds therein authorized having never been issued because of restrictions on the maximum interest rate preventing a sale under current market conditions.

In witness whereof, the parties hereto have caused this Contract to be executed this —— day of ——, A. D. 1957.

Misc. 3188
By Mr. F. Smith
In Re: General Fund Advances-Drain Fund
To the Oakland County Board of Supervisors
Mr. Chairman, Ladies and Gentlemen:
Whereas this Board by the adoption of Miscellaneous Resolution No. 3168 on December 4, 1956, approved the advance of funds by the County for plans on certain drain and sewer projects, and
Whereas said Resolution sets up the procedures to be followed by the Board of Auditors in connection with the advancement of such funds, and
Whereas Paragraph 4 of said resolution reads as follows:
"The Board of Auditors are hereby instructed to notify each of the municipalities of the advances made from this fund on a loan basis and of their responsibility to the County for their proportionate share thereof," and
Whereas the Board of Auditors have advised the Ways and Means Committee that it is impossible to carry out the requirements of said paragraph on five of the proposed projects which are to be financed from special assessment drainage districts,
Now therefor be it resolved as follows, that paragraph 4 of Miscellaneous Resolution No. 3168 heretofore passed on December 4, 1956, is hereby amended to read as follows:
"The Board of Auditors are hereby instructed to notify each of the municipalities of the advances made from this fund and that the advances are to be repaid to the County of Oakland either by the municipality involved on a loan basis or under the provisions of Act 40 of Public Acts of 1956."
Mr. Chairman, on behalf of the Ways and Means Committee, I move the adoption of the foregoing resolution.

WAYS AND MEANS COMMITTEE
FRED W. SMITH, Chairman
FLOYD ANDREWS
R. C. CUMMINGS
JAMES L. GARDNER
ORPH C. HOLMES
DAVID LEVINSON
HILAND M. THATCHER

Moved by F. Smith supported by Cummings the resolution be adopted.
A sufficient majority having voted therefor, the resolution was adopted.
Misc. 3189
By Mr. F. Smith
In Re: Central File
To the Oakland County Board of Supervisors
Mr. Chairman, Ladies and Gentlemen:
Whereas the Board by the adoption of Miscellaneous Resolution No. 3154 on October 16, 1956, referred the matter of establishing a "Central File" to the Ways and Means and Salaries Committees for further study and consideration, and
Whereas your Committees have considered the need to establish such a filing system in the County as set forth in the report of the Miscellaneous Committee, included as a part of said resolution, and
Whereas the estimated cost of the first year's operation is $4,720.00, which includes an employee (Typist I or II), files, file indexes, office equipment and miscellaneous supplies, and
Whereas a classification of Typist I or II was approved by the Salaries Committee on October 19, 1956, subject to final recommendation by the Ways and Means Committee, and
Whereas the expenses of such operation, which is estimated by the Miscellaneous Committee at $4,720.00 for the first year, would come from costs remitted by the various county courts which are normally channeled into the County's General Fund,
Now therefore be it resolved as follows:
That the establishment of a Central File System as set forth in Miscellaneous Resolution No. 3154, be approved.
2. That an additional employee in the Justice Court Division, classified either Typist I or Typist II, be authorized as recommended by the Salaries Committee.
3. That the sum of $4,720.00 be transferred from the Contingent Fund to pay for the costs of operation, of which sum $3,000.00 is to be deposited in the Salaries Reserve Fund for the salary of the employee.
Mr. Chairman, on behalf of the Ways and Means Committee, I move the adoption of the foregoing resolution.

WAYS AND MEANS COMMITTEE
FRED W. SMITH, Chairman
FLOYD ANDREWS
R. C. CUMMINGS
JAMES L. GARDNER
ORPH C. HOLMES

Moved by F. Smith supported by Cummings the resolution be adopted.
A sufficient majority having voted therefor, the resolution was adopted.
Report
By Mr. Gardner
In Re: Septic Tank Code
To the Oakland County Board of Supervisors
Mr. Chairman, Ladies and Gentlemen:
Your Special Septic Tank Code Committee respectfully reports that it has met with Dr. John D. Monroe and Mr. Russell Coltson of the County Department of Health to present questions which have been raised by members of the Board regarding the administration of the County Septic Tank Code which was enacted by the Oakland County Board of Health and approved by this Board on June 25, 1956.
The Board of Health has prepared a list of their interpretations of various sections of the Septic Tank Code which the Committee feels will be very helpful in the administration of the Code.
Your Committee has requested Dr. Monroe to arrange for the Board of Appeals, which this Board approved on December 4, 1956, made a part of the Code by the Board of Health, but has no other amendments to propose at this time.
Copies of the Code with the various interpretations are to be made available to the public and the Board of Health has been requested to furnish each member of this Board with a copy.
Mr. Chairman, on behalf of the Special Committee, I move that this report be received and made a part of the minutes of this meeting.

SPECIAL SEPTIC TANK CODE COMMITTEE
JAMES L. GARDNER, Chairman
CASS B. WATERS
FLOYD ANDREWS
ARNO L. HULET
FRAZER W. STAMAN

Moved by Gardner supported by Phillips the report be received and made a part of the minutes.
A sufficient majority having voted therefor, the motion carried.
Moved by J. W. Duncan supported by Gardner the Chairman appoint a committee to draft a resolution relative to the death of Burton E. Jones, former Rose Township Supervisor.
A sufficient majority having voted therefor, the motion carried.
Mr. Lloyd Anderson thanked the Board for their cooperation during his term as Waterford Township Supervisor.
Misc. 3190
By Mr. Anderson
In Re: Planning Commission
To the Oakland County Board of Supervisors
Mr. Chairman, Ladies and Gentlemen:
Recently it has come to my attention and to the attention of various other members of this Board that certain information and plans have been made public by the Planning Commission of the County and its staff which relate to certain phases of county functions prior to the time that such information is submitted to the various officials, Committees and Commissions involved, which, it is felt, indicates a lack of coordination of the activities of the Planning Commission with the other County departments and functions.
Specifically, I refer to the release of information to the Press by the Planning Commission concerning a proposed six-lane highway through the City of Pontiac, prior to opportunity being given to the County Road Commission and the Road Committee of this Board to review the proposed plans.
There have been other instances of the release of information without the prior knowledge of the Committees of this Board and without being properly informed so that they will be in a position to answer questions of the public about the particular project.
Therefore, Mr. Chairman, I move the Planning Commission and its staff be requested by this Board to submit all proposed and tentative plans to the proper Committees of the Board and through the proper channels before such plans are finalized and released for public consideration.

LLOYD L. ANDERSON
Waterford Township Supervisor

Moved by Anderson supported by Carey the resolution be adopted.
A sufficient majority having voted for the motion, the motion carried.
Mr. Kelley presented the following resolution:

Royal Oak Chamber of Commerce

An excerpt of the minutes of the regular meeting of the Board of Directors of the Royal Oak Chamber of Commerce, held Monday, January 14, 1957. Present: Messrs. Peterson, Merritt, Gabler, Kurzava, Dawes, Crosby, VonEberstein, Friesner and Rosseau.
Whereas the electorate of Oakland County have heretofore expressed, by ballot, their strong and overwhelming desire to construct a new building to house County Courts and other County offices, and
Whereas the Board of Supervisors for Oakland County has voted favorably to begin construction of such building forthwith, and it has approved a plan for the financing of such new building but has been thwarted in their efforts by one or more groups who are in the minority and/or represent minority and selfish groups, to the point where it appears that the interests of the vast majority of the inhabitants of Oakland County, relative to this construction will be disserved unless the continued thwarting of the construction of said County Administrative Building is overcome, and
Whereas the Royal Oak Chamber of Commerce, believes that the City of Royal Oak is the most fully populated city of the South Oakland County communities; believes that the majority of the population of Oakland County is located south of Bloomfield Hills, Michigan; believes that the City of Royal Oak is so geographically located as to be the "Hub" of South Oakland County and its activities and the center of all population south of Bloomfield Hills, Michigan; believes that a majority of the work heretofore processed and hereafter to be processed by Oakland County officials has been and will be the result of the activities of the inhabitants of South Oakland County,
Now therefore, upon motion of Maurice A. Merritt, duly supported by Leslie VonEberstein, it is unanimously resolved that the County seat of Oakland County, Michigan be relocated at the said City of Royal Oak, and that the Board of Supervisors in and for Oakland County, Michigan, be urged to take whatever action of their body is necessary to implement this resolution.
Be it further resolved that a certified copy of this resolution be forwarded to the cities of Royal Oak, Bloomfield Hills, Birmingham, Troy, Farmington, Lathrup Village, Berkley, Oak Park, Ferndale, Hazel Park, Madison Heights, Huntington Woods, Pleasant Ridge, Clawson, and townships of Southfield, Farmington, West Bloomfield, Bloomfield, and Royal Oak, for their adoption of this resolution.

ROLAND B. POWERS,
Secretary-Manager

Moved by Kelley supported by Phillips the resolution be referred to the Special County Building Committee for study and a report back to this Board.
A sufficient majority having voted therefor, the motion carried.
By Mr. R. Y. Moore
In Re: County Officials' Bonds
To the Honorable Board of Supervisors
Mr. Chairman, Ladies and Gentlemen:
The following is a list of Fidelity and Faithful Performance Bonds covering various officials, elected or appointed, whose term of office commenced on January 1, 1957.
The bonded amount of each official conforms with the amounts established by the Board of Supervisors Miscellaneous Resolution No. 2469 as adopted on February 25, 1949, and such amounts were reviewed and approved by the Ways and Means Committee at its meeting held on August 24, 1956.
In pursuance of Section 45.351 of the Compiled Laws of 1948, all bonds, as listed below, have been approved by a Circuit Court Judge, subject, however, to the approval of the Board of Supervisors at its first meeting in the year 1957.

Bonds on File in the County Treasurer's Office as Provided by Statute

Name of Official	Office	Amount of Bond
Frank W. Iron,	Sheriff	$10,000
The Fidelity & Casualty Company of New York		
Lynn D. Allen,	County Clerk	10,000
Ohio Casualty Insurance Company		
Daniel T. Murphy, Jr.,	Register of Deeds	5,000
American Surety Company		
Lee O. Brooks,	Road Commissioner	5,000
Fidelity & Deposit Company		
Ralph Main,	County Surveyor	2,000
American Surety Company		

Bonds on File in the County Clerk's Office as Provided By Statute

Charles A. Sparks,	County Treasurer	$150,000
American Surety Company		
Daniel W. Barry,	Drain Commissioner	5,000
Standard Accident Insurance Co.		
John C. Austin,	County Auditor	5,000
Standard Accident Insurance Co.		
Verne C. Hampton,	Circuit Court Com.	3,000
Aetna Insurance Company		
Maurice F. Cole,	Circuit Court Com.	3,000
Standard Accident Insurance Co.		

Bonds Filed in the Office of the County Board of Auditors

John A. Mac-Donald,	Social Welfare Com.	5,000
Standard Accident Insurance Co.		

*Name of Bonding Company inserted below each name and office.

OAKLAND COUNTY BOARD OF AUDITORS
ROBERT Y. MOORE, Chairman
JOHN C. AUSTIN, Vice-Chairman
ROBERT E. LILLY, Secretary

The Chairman ordered the report received and made a part of the minutes.
Moved by Hudson supported by Lilly the Board adjourn subject to the call of the Chair.
A sufficient majority having voted therefor, the motion carried.
DELOS HAMLIN, Chairman
LYNN D. ALLEN, Clerk

OAKLAND COUNTY BOARD OF SUPERVISORS MEETING
March 8, 1957

Meeting called to order by Chairman Delos Hamlin.
Invocation given by Reverend Walter T. Ratcliffe, Clawson Methodist Church.
Roll called: Andrews, Belding, Belyea, Bonner, Boyer, Brendel, Brewer, Brigham, Carey, Castle, Clack, Clark, Clawson, Crenshaw, Cummings, Davis, Detmers, Dickens, J. W. Duncan, R. Duncan, Eckman, Ewart, Ferguson, Frid, Gain, Gardner, Goodspeed, Hamlin, Henry, Hill, Holmes, Horton, Hudson, Hulet, Levinson, Lewis, Lilly, Lockhart, McKinnon, Clarence Miller, Cyril Miller, Moberly, Moskowitz, Oldenburg, Phillips, Ransom, Reid, Rhinevault, Roberts, Schock, Schone, Seamann, F. Smith, W. Smith, Staman, Swem, Taylor, Thatcher, Voll, Waters, Webber, Weinburger, Wright, Yockey, Zapf. (65). Quorum present.
Moved by Cummings supported by Hulet the minutes of the previous meeting be approved as printed.
A sufficient majority having voted, the motion carried.
Clerk read resignation of Lloyd L. Anderson as Waterford Township Supervisor. (Placed on file.)
Clerk read appointment of Louis G. Barry, Waterford Township Supervisor, to replace Lloyd L. Anderson; Richard L. Castle and Virgil C. Knowles, Oak Park City Supervisors. (Placed on file.)
The Chairman appointed the following as members of the Board of Appeals for the Septic Tank Code: John D. Harrison (Public Member), Chairman, Arno Hulet (Supervisor Member), Albert Gain (Supervisor Member) and Frazer Staman (Supervisor Member as alternate).
Clerk read communications from Governor G. Mennen Williams, Alfred G. Wilson, Michigan State University and Lieutenant Governor Philip A. Hart acknowledging resolutions relative to the Wilson property gift to the Michigan State University. (Placed on file.)
Resolutions presented from Royal Oak City and Royal Park, Birmingham City and Southfield Township relative to relocating the County Seat in Royal Oak City. (Referred to Special County Building Committee.)
Letter read from the State Jail Inspector relative to the Oakland County Jail. (Referred to Miscellaneous Committee.)
Clerk read resolution from the City of Troy requesting the Michigan Legislature to amend Section 4, Act 175, P. A. 1952. (Referred to Legislative Committee.)
Misc. 3191
By Mr. Levinson
In Re: Legislation—Inter-County Committee
To the Oakland County Board of Supervisors
Mr. Chairman, Ladies and Gentlemen:
Whereas the Supervisors Inter-County Committee has given consideration to legislation proposed by the member counties of the Committee before the current session of the State Legislature, and
Whereas out of the many proposals considered, the Committee has, by unanimous vote, resolved to endorse a list of twelve Legislative proposals, as follows:
1. A bill to establish a fund of $200,000 from which assistance may be granted to regional planning commissions on a 50/50 state and county matching basis; no more than $50,000 to any one regional planning commission.
2. A bill to permit counties to establish county departments of public works.
3. A Bill to amend the statutes authorizing the employment by counties of legal counsel for representation in civil matters, by lowering the population requirement therein to 75,000.
4. A bill to amend the Trailer Park Law to define the fee charged at the local level, as a tax in lieu of a personal property tax.
5. Amendatory legislation to finance the cost of the indigent hospitalization program on a 50/50 state and county matching basis as an integral part of the State Social Welfare formula.
6. A bill to provide for the issuance of general obligation bonds by townships for the purpose of financing water supply systems or sanitary sewer systems.
7. A bill to amend Sections 7, 18 and 23 of the Revenue Bond Act (Act No. 94, Public Acts of Michigan, 1933):
a. to extend from 5 to 10 the number of years before which the first payment of principal on township bonds must be made.
b. to provide for charges against abutting properties for standby water and sewage disposal services.
c. to provide for the use of funds from sources other than the earnings of water and sewage disposal systems for the payment of bonds.
8. A bill to amend Sections 3 and 7 of the Township Special Assessment Act (Act No. 188, Public Acts of Michigan, 1954):
a. to reduce from 65 to 51 the percentage of the record title holders required to sign initiatory petitions for improvements, and to remove the requirement that land contract vendees be considered in determining the total number involved,
b. to increase from ten to thirty the number of years over which installments may be assessed for the payment of bonds.
9. A bill to amend Section 5C of the County Improvement Act (Act No. 342, Public Acts of Michigan, 1939) to remove the 500,000 population requirement.
10. A bill to provide for township planning; the creation, organization, powers and duties of township planning commissions; and the regulation and subdivision of land.
11. A bill to provide for a change in the method of selection of the membership of the State Equalization Commission to permit nomination by State Supervisors Association and City Assessor Association of one member each. (Smeekin's bill).
12. Demand upon the state to reimburse the counties for the audited costs of caring for state patients in institutions such as Wayne County General Hospital and the Training School.
Therefore be it resolved that the Oakland County Board of Supervisors hereby endorse in principal the above listed Legislative Proposals to the end the six-county area, as represented by the Supervisors Inter-County Committee, may stand as a unit in support in principle of this legislation.
Mr. Chairman, on behalf of the Inter-County Committee and with the concurrence of the Legislative Committee, I move the adoption of the foregoing resolution.

DAVID LEVINSON
Chairman, Supervisors Inter-County Committee

Moved by Levinson supported by Schone the resolution be adopted.
A sufficient majority having voted therefor, the resolution was adopted.
By Mr. Levinson
In Re: Notice of Proposed Change in By-Laws
Mr. Chairman and Members of this Board:
I desire, at this time, to give notice of two proposed amendments to the By-Laws, one to increase to six (6), the membership of the Inter-County Committee authorized by this Board on June 28, 1954 and make it a standing committee, and
The other to specify how our By-Laws are to be amended.
As you know, we have adopted "Robert's Rules of Order" in our By-Laws and under those rules, we could amend at any regular meeting, without notice, by a plain majority vote of the members-elect, or if the amendment had been submitted in writing at a previous regular meeting, by a ⅔ majority of those voting, a quorum being present.
I hereby give notice that, at the next meeting of this Board, I will offer the following amendment:
1. Amend Rule XII by inserting between the committees designated as "Health" and "Juvenile", the following:
"Inter-County Supervisors ..... 6 Members"
2. Amend the By-Laws by adding a new section to be known as "Rule XXII" to read as follows:
"Rule XXII. Amendments.
Section 1. These by-laws may be amended at any regular meeting or adjourned meeting after the opening of a regular session, by a two-thirds (⅔) vote of the members-elect, providing either an oral notice is given at a regular meeting of the Board or a written notice has been forwarded to each member not less than five (5) days preceding the offering of the amendment.
Section 2. Suspension of Rules. These by-laws may be temporarily suspended at any time by unanimous consent to facilitate the accomplishment of any legal objective of the Board."
Mr. Chairman, I will move the adoption of the foregoing proposed amendment at our next meeting. I move now that this Notice be printed in the minutes of this meeting and referred to the By-Laws Committee for report and recommendation at the next meeting.

DAVID LEVINSON

Misc. 3192
By Mr. F. Smith
In Re: Twelve-Towns Relief Drains — Assessment
To the Oakland County Board of Supervisors
Mr. Chairman, Ladies and Gentlemen:
Whereas proceedings were commenced under the provisions of Chapter XVIII-A of Act No. 316 of the Michigan Public Acts of 1923, as amended, and continued under Chapter 20 of Act No. 40 of the Public Acts of 1956 ("The Drain Code of 1956") to construct relief drains to supplement the Royal Oak Drain, Lawson Drain, East Clawson Drain, Southfield No. 6 Drain, Campbell Road and Red Run Improvement Drain, Murray Drain, Royal Oak No. 3 Drain, Royal Oak No. 7 Drain, Vicker's Drain, Marshall Drain, McClain Drain, Schubiner Drain and Shaberman Drain (which relief drains are officially known as the "Twelve Towns Relief Drains", and
Whereas the Drainage Board for the said Twelve Towns Relief Drains did on the 27th day of January, 1956, determine to construct the said Twelve Towns Relief Drains, and
Whereas detailed plans and specifications have been completed for the said project and the cost thereof, as adjusted, has been estimated at $38,431,000, and
Whereas the said cost is to be apportioned among the following public corporations, to-wit: City of Berkley, City of Birmingham, City of Clawson, City of Ferndale, City of Hazel Park, City of Huntington Woods, City of Madison Heights, City of Oak Park, City of Pleasant Ridge, City of Royal Oak, City of Troy, Township of Southfield (or City of Southfield if its incorporation be completed), Township of Royal Oak, Township of Troy, County of Oakland on account of drainage to county highways, and State of Michigan on account of drainage to state highways, and the total sum so apportioned to each is to be divided into thirty (30) installments payable annually with interest, and
Whereas the amount apportioned to each public corporation constitutes an assessment at large against the same and will be payable from ad valorem taxes to be levied against the taxable property therein, and
Whereas within the area to be drained by said Twelve Towns Relief Drains are the Rackham Golf Course comprising 127.498 acres lying entirely within the City of Huntington Woods, and the Detroit Zoological Park comprising 119.232 acres, with 89.680 acres within the City of Huntington Woods and 29.552 acres within the City of Royal Oak, and
Whereas both said Rackham Golf Course and Detroit Zoological Park are owned and maintained by the City of Detroit, Michigan and therefore are not subject to ad valorem taxation by said Cities of Huntington Woods and Royal Oak, and
Whereas an undue tax burden would be placed upon the taxpayers of the Cities of Huntington Woods and Royal Oak if they should be required to pay for the benefits accruing to the said non-taxable Detroit properties, from the operation of which people generally in the County of Oakland receive a benefit, and
Whereas Section 468 of Chapter 20 of said Drain Code of 1956, contains the following provisions: "The drainage board shall then proceed to tentatively establish the percentage of the cost of such drain which is to be borne by each public corporation. In making the apportionments hereunder, there shall be taken into consideration the benefits to accrue to each public corporation and also the extent to which each public corporation contributes to the conditions which make the drain necessary: Provided, That apportionments against the state shall be based solely upon the drainage of state highways, and those against the county shall be based solely upon the drainage of its county highways. Nothing herein contained shall prohibit the county from assuming any additional cost of said drain if ⅘ of the members-elect of the county board of supervisors shall vote in favor thereof."
Therefore Be It Resolved By The Board of Supervisors of The County of Oakland, State of Michigan, that the said county, pursuant to the above-quoted statutory provisions does hereby agree to assume that percentage of the cost of said Twelve Towns Relief Drains which would be included in the percentages apportioned to the City of Huntington Woods and the City of Royal Oak on account of the said Rackham Golf Course and Detroit Zoological Park, it being understood however, that the apportionment to be assumed by the county under the provisions of this resolution will not exceed 1.173872% of the cost of said Twelve Towns Relief Drains;
Be It Further Resolved that if through negotiations with the City of Detroit, it shall become possible to recover any of said moneys, then any amount so recovered shall be used towards the payment of the amount so assumed by the county or if such amount shall have been previously paid by the county, then such moneys shall be credited to the general fund.
Mr. Chairman, on behalf of the Ways and Means Committee, whose signatures appear below, and with the concurrence of a majority of the Drain Committee, I move the adoption of the foregoing resolution.

WAYS AND MEANS COMMITTEE
FRED W. SMITH, Chairman
FLOYD ANDREWS
R. C. CUMMINGS
JAMES L. GARDNER
ORPH C. HOLMES
DAVID LEVINSON
HILAND M. THATCHER

Moved by F. Smith supported by Belding the resolution be adopted.
Discussion followed.
Ayes: Andrews, Barry, Belding, Belyea, Bonner, Boyer, Brewer, Castle, Clawson, Crenshaw, Cummings, Davis, Detmers, R. Duncan, Eckman, Ewart, Ferguson, Frid, Gardner, Goodspeed, Hamlin, Henry, Hill, Holmes, Horton, Hudson, Knowles, Levinson, Lewis, Lilly, Lockhart, McKinnon, Clarence Miller, Cyril Miller, Moberly, Moskowitz, Oldenburg, Phillips, Ransom, Reid, Rhinevault, Roberts, Schock, Schone, Semann, F. Smith, Staman, Swem, Taylor, Thatcher, Voll, Waters, Wright, Yockey, Zapf. (55)
Nays: Brendel, Brigham, Carey, Clack, Clark, Dickens, Duncan, Gain, Hulet, W. Smith, Webber, Weinburger. (12)
A sufficient majority having voted therefor, the resolution was adopted.
Misc. 3193
By Mr. F. Smith
In Re: Children's Home Facilities
To the Oakland County Board of Supervisors
Mr. Chairman, Ladies and Gentlemen:
Whereas the Board on October 1, 1956 (Miscellaneous Resolution 3140), authorized the employment of Dr. Louis Friedland as a consultant to work with the Ways and Means, Buildings and Grounds and Juvenile Affairs Committees in the preparation of a temporary and long-range program to provide additional space for the general and classroom facilities for the Children's Home, and
Whereas the Chairmen of the three committees were authorized by Miscellaneous Resolution 3147 to seek out adequate quarters within the present county buildings to use for classrooms for children housed at the Children's Home, so as to free space now used in the Children's Home, for school purposes for general use, and
Whereas Dr. Friedland presented a preliminary report to the joint committees on January 11, 1957, which recommends the conversion of the ground floor (west wing) of the concrete block Welfare Building at the Service Center into five classrooms at an approximate cost of $5,000.00 which would provide sufficient bed space at the Children's Home to accommodate about fifteen more children, and
Whereas a study of Dr. Friedland's report has been made by the joint committees along with the Welfare Committee of the Board, from which it appears that the canned goods, furniture and other items now stored in the ground floor area of the Welfare Building should be moved to space in the Central Stores Building and the ground floor area of the Welfare Building remodeled as recommended by Dr. Friedland to provide classrooms and toilet facilities for the Juvenile Division, and that an immediate study of the feasibility of moving the clothing storage now housed in the basement of the Welfare Building to another area should be made, and
Whereas Dr. Friedland also has recommended that an additional employe (Child Welfare Worker II) be added to the Juvenile Division of the Probate Court whose duties would include locating additional certified homes into which children can be placed, and
Whereas Dr. Friedland has also recommended that a house capable of providing facilities for 20 to 25 children be purchased or leased in the Franklin Boulevard area and also an addition to the dormitory at the Children's Home, permanent classrooms and cottages as a part of the permanent program, all of which is still being studied by your joint committees.
Now Therefore Be It Resolved as follows:
1. That the Board of Auditors be authorized to arrange for the remodeling of facilities in the Welfare Building at the Service Center in accordance with the recommendations made by the joint committees as hereinbefore set forth, such area to be used for classroom and that facilities for the Juvenile Division, and that all work and plans be subject to the final approval of the Buildings and Grounds Committee.
2. That a sum not to exceed $5,000.00 be appropriated from the Contingent Fund to be expended by the Board of Auditors for the remodeling of these facilities as specified herein when the location and plans have been duly approved by school and building authorities, and the expenditure of any sums in excess of said amount to be made by the Auditors after first obtaining the approval of the Ways and Means Committee.
That the Buildings and Grounds Committee be requested to make an immediate study of the feasibility of moving the clothing now housed in the basement of the Welfare Building to another area and present a report to the Board at the April Session.
4. That the matter of providing additional personnel for the Juvenile Division of the Probate Court be referred to the Salaries Committee for further study and report.
Mr. Chairman, on behalf of the Ways and Means Committee, and with the concurrence of the Welfare, Buildings and Grounds and Juvenile Affairs Committees, I move the adoption of the foregoing resolution.

HILAND M. THATCHER

Moved by F. Smith supported by Roberts the resolution be adopted.
A sufficient majority having voted therefor, the resolution was adopted.
Misc. 3194
By Mr. F. Smith
In Re: Additional Employee For Extension Service
Mr. Chairman, Ladies and Gentlemen:
Whereas the Agricultural Extension Committee, on January 21, 1957, recommended the employment of an additional employe in the Extension Service Office for secretarial work, and
Whereas the Salaries Committee has reviewed the position and has determined that a position of Stenographer I would be the proper classification for such employe, if approved, and
Whereas your Ways and Means Committee has reviewed the request and has recommended that the employe requested be approved and has determined the cost for the balance of the current year at the sum of $2,591.00.
Now Therefore Be It Resolved as follows:
1. That an additional position of Stenographer I be added to the Extension Service Department, effective as soon as an employee may be recruited.
2. That the sum of $2,591.00, which is the estimated 1957 cost for such employee be transferred from the Contingent Fund to the Salaries Reserve Fund to be added to the budget of the Extension Service Department when the employee begins work.
Mr. Chairman, on behalf of the Ways and Means Committee and, with the concurrence of the Salaries and Agricultural Extension Committees, I move the adoption of the foregoing resolution.

Misc. 3195
By Mr. Semann
In Re: Lakeville Lake Level-Special Assessment District
Mr. Chairman, Ladies and Gentlemen:
Whereas your Drain Committee recommended to this Board on April 10, 1946, that proceedings be taken under the provisions of Act 194 of the Public Acts of 1939, as amended, to establish the normal height and level of Lakeville Lake in Oakland County, and
Whereas this Board of Supervisors, by appropriate resolution, directed the institution of proceedings by Miscellaneous Resolution No. 3064, and
Whereas the Drain Commissioner has conducted a survey such as is contemplated in the Act and finds that considerable expense will be involved either for purchase or condemnation of the necessary lands and construction of the necessary facilities to maintain a level when established, and
Whereas the properties surrounding the lake will benefit and should bear the costs involved,
Now Therefore Be It Resolved:
1. That the Drain Commissioner proceed as prescribed in Act 194 of the Public Acts of 1939, as amended;
2. That the property in the area of the improvement will benefit and should bear the entire cost of the improvement;
3. That the Drain Commissioner estimate the cost of the improvement and proceed with the establishment of a special assessment district as prescribed in Act 194 of the Public Acts of 1939, as amended, Section 14.
Mr. Chairman, on behalf of the Drain Committee, I move the adoption of the foregoing resolution.

DRAIN COMMITTEE
JOHN G. SEMANN, Chairman
ROY F. GOODSPEED
W. R. RANSOM
LOUIS F. OLDENBURG
WM. K. SMITH

Moved by Semann supported by Goodspeed the resolution be adopted.

By Mr. Hudson
In Re: Fifth Circuit Judge for Oakland County
To the Oakland County Board of Supervisors
Mr. Chairman, Ladies and Gentlemen:
Your Legislative Committee has been made aware of the fact that there has been introduced in the House of Representatives of the State Legislature, a bill to provide for a fifth Circuit Judge for Oakland County with the position to be filled on January 1, 1959.
Previous contacts with the Oakland County Bar Association, some of the present Circuit Judges, the Ways and Means Committee, the Special County Building Committee and the Buildings and Grounds Committee have indicated that the Legislative Committee should not support this legislation, based upon the inability to provide quarters for the fifth judge and in view of the fact that the fourth Circuit Judge has only held he position for a period of approximately fifteen months.
However, the Oakland County Bar Association unanimously passed a resolution at a regular meeting held on February 27, 1957, supporting the creation of a fifth Circuit Judge for the Circuit Court of Oakland County and recommended the selection of the person of said judge by general election to be held in the spring of 1959. They based their recommendation on projecting the case load which indicated that during 1959 the case load would be greater than the present four Circuit Judges could administer and further,

Traffic School Proposals Made

Detroit Safety Officer Suggests County Adopt 2-Session Classes

Lt. Reynlear Staats, of the Detroit Police Traffic Safety Division, spoke to a group of local officials as they prepared to open the Oakland County Traffic School.

Staats explained Detroit's Traffic School procedures and suggested a program which would split the Oakland County sessions into a 45-minute lecture period and 45 minutes devoted to colored slides.

The slides would cover every phase of traffic safety. The classes will be open to all, but violators, ordered by Oakland County Justices to attend the sessions, will be given preference.

Stephen Navarre, Oakland County Deputy in charge of traffic safety; George H. Stewart, driver training instructor; Clyle R. Haskilll, chairman of the Safety Committee of the Pontiac Chamber of Commerce, and Gordon C. Pageua Oakland County probation officer, were among the local leaders.

Representing the Pontiac Police Department's Traffic Safety Division were officers Guy White and John A. Felts.

Burglars Enter House While Occupants Sleep

A home in Waterford Township was burglarized sometime between 10:30 p.m. yesterday and 7 a.m. today while the occupants were sleeping.

Mr. and Mrs. Donald Ringler, of 6137 Monrovia Ave., said a thief entered the unlocked back door and took Mrs. Ringler's purse containing $20 and two dollars laying on a table.

Pontiac City Affairs

Seek Bids to Equip Safety Unit

City Manager Walter K. Willman last night was authorized to advertise for bids for furniture and equipment for the new Public Safety Building next to the City Hall.

He told commissioners that a preliminary estimate of equipment needed had reached $28,000.

Commissioners in other action passed two resolutions commending Rabbi Sanford E. Saperstein and W. Allen Booth, who resigned recently from the Housing Commission and the Zoning Board of Appeals, respectively.

An ordinance adopted placed the president of the Women's Auxiliary of the Pontiac General Hospital on the Board of Trustees, and dropped the ex-officio status of the hospital director on the board.

A move to establish trailer park districts in Pontiac's zoning law, was referred back to the City Planning Commission for further study.

★ ★ ★

A new one-year lease between the city and the federal government for the Naval Reserve Training Center on East boulevard was approved.

Commissioners, who usually hardly hear a whimper on such things, were surprised last evening to hear many residents voice support for curb, gutter, and related work projects during public hearings.

Many supported the present projects and asked that others be added soon.

★ ★ ★

There were 10 public hearings on projects and seven engineer's estimates for other work.

Commissioner John A. Dugan received support to delete Victory drive and Carr street from Mt. Clemens to the Pontiac Knolls Subdivision, from the curb, gutter, and related work projects for the year.

Reduces Budget for Recreation

Newly elected members of the Waterford Township Recreation Board approved a $1,104 cutback from last year's total in the revised annual budget, presented at their regular meeting last night.

The total budget for the 1957-58 program was $25,437.41 and last year's operational cost was $26,541 according to Tom Belton, director.

When the recreation budget was presented to the board March 1, Belton had requested $36,278.54 for operational costs. This included added personnel and summer activities.

The cutback in the newly revised budget includes the reduction of summer playground activities for children from eight to six weeks.

The board members approved a $720 increase for full time salaried office personnel, bringing the total to $10,220.

Erwin Greer was elected new chairman of the recreation board last night, replacing Elmer Johnson.

Those elected to represent the township were Elmer Johnson, township supervisor, and James Seeterlin, township clerk. Representing the township Board of Education are Fred Poole who was named treasurer and Edmund Windeler.

The recreation budget will now go to the school board and the township board for final approval.

South Lyon, State Officials Recount April 1 Ballots

South Lyon and state officials with several attorneys, worked until 2 a.m. today on an April 1 election recount — which they finally had to adjourn until later this morning.

The recount, for the city of South Lyon, had been called by a citizens group and losing candidates, after they questioned the close count in the election.

Under scrutiny were the tabulations for Albert Weinberger, incumbent mayor, re-elected with 286 votes, and his opponent, Rex Kinne, with 281 votes.

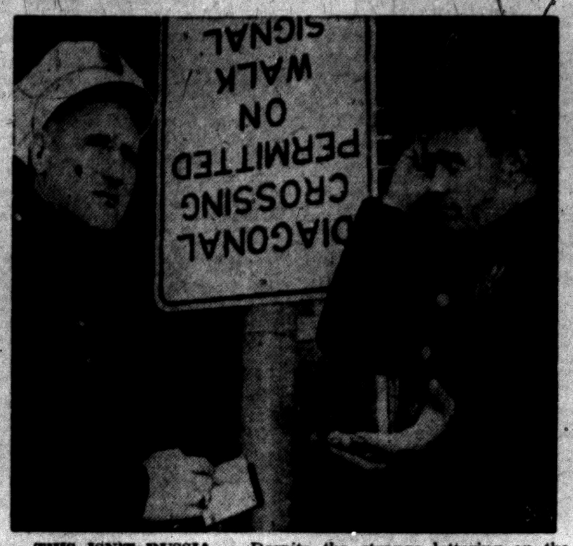

Also questioned was the count for council candidates, Charles Sinelli 259 and Reynold Sweet 255, and justice contenders, Bernard Snell 278 and, Florence Renwick 220.

Color TV Set Burned by Fire in Restaurant

A color television set valued at $600 was destroyed by fire yesterday at the Green Parrot, restaurant 1650 N. Perry St.

Firemen were called to the scene about noon. Nick Palaian is the owner. Cause was unknown.

Malta may soon send Members to Britan's Parliament, as Northern Ireland now does.

THIS ISN'T RUSSIA — Despite the strange lettering on the traffic sign, this isn't Russia, but Dallas, Tex. Traffic officers W. E. Fields, left, and B. J. Hendry express bewilderment at the upside-down sign which reads — if you're an acrobat — "Diagonal Crossing Permitted on Walk Signal."

Michigan UF Asks $3 Million

Budget Covers 15 State, 17 National Agencies; Administrative Costs

Panels attending the Michigan United Fund admissions and budget committee's annual sessions Monday and Tuesday at Michigan State University recommended a grand total of $3,058,171 be allotted for the 1958 operating expenses of the program.

This total includes budgets to 15 state and 17 national health and welfare agencies, MUF administrative and campaign expenses for 1958 and labor participation program.

The agencies had requested $4,034,788 for the 1958 operating year. Last year MUF allotted $2,925,000 for the 1957 year.

The Michigan Heart Association, who had requested $748,000, was alloted the largest amount of the state agencies, $550,000. This was an increase of $50,000 over the 1957 budget.

★ ★ ★

These figures were approved by the panels who heard a detailed budget account of each organization at individual hearings held with panel members and agency representatives Monday and Tuesday.

Final steps in the approval of funds must be made by the executive committee of the admissions and budget committee and then the executive committee of the Michigan United Fund.

A president of the United States must be more than 34 years old.

City Employes at Safety Meet

9 Attend Conference for State Agencies in Grand Rapids

Eight city employees and one representative for the Pontiac Board of Education are attending the 27th Annual Michigan Safety Conference in Grand Rapids this week.

Representing the city of Pontiac at the three-day meeting, Tuesday through Thursday are: James Carlisle, assistant city engineer; Clyde Christian, assistant superintendent of the Department of Public Works and Joseph Gable, superintendent of the water works.

Others are: Arthur Hilliker, office manager of the Department of Public Works; Capt. Joseph Koran, Pontiac Police traffic and safety bureau; Harold E. Marshall, director of personnel; Herbert Parker, assistant superintendent of the water works and John Streit, assistant director of Parks and Recreation.

George Stewart, Pontiac High School driving instructor is representing the board of education.

Theme for this year's conference is "Eye, Ear and Hands For Safety."

More than 7,000 people are expected to attend the three day gathering where major industries, governmental agencies and civic organizations in the state meet to plan Michigan a safer place to live and work.

Ten major problem areas of safety will be represented by divisional programs and exhibits. The divisions are: industrial, public utilities, office, rural, women's activities, transportation, traffic, governmental agencies, and school and college.

Balloon Floats 250-Foot Lifeline to Steeplejack

CLEVELAND (AP)—Coworkers of steeplejack Wallace Kanally used a black fishing line with a helium-filled weather balloon as its float to land him from watery skies atop a 250-foot steel smoke stack yesterday.

★ ★ ★

They floated the 30-inch observation balloon, borrowed from the Weather Bureau, upward inside the 10-foot-diameter stack. Kanally, a 54-year-old Buffalo steeplejack, caught the fishing line and hauled up a rope. In a few minutes he slid down from the foot-wide ledge where he had been marooned for more than six hours and during a hard thunderstorm.

He was sent to the top of the new stack above a coke oven battery at the Republic Steel plant to move a steel cable from the inside of the chimney to the outside. In this process he accidentally dropped the cable and the rope he'd used in his ascent.

Group Takes Blood From 140 Donors

The Pontiac Community Blood Committee reports an excellent turnout Monday for its blood bank at the Elks Temple.

According to Mrs. A. H. Magnus, chairman, 140 pints were collected from the 198 persons who showed up.

"What makes this particularly heartening," Mrs. Magnus said, "was the fact that 80 accepted donors were first-time givers."

Five new groups came in to start blood banks and help swell the total, Mrs. Magnus revealed. They were: Federal Department Store, Roosevelt Lodge, Community National Bank, Borden's Dairy Local 83, and United Churches of Pontiac.

Video Host Role Has Advantages

Vocalist Enjoys Being Closely Identified With Sponsor's Products

By CHARLES DENTON

HOLLYWOOD (INS) — Television is well on its way to developing a new acting technique that is viewed by the exponents of torn T-shirts as something dangerously akin to theatrical treason.

★ ★ ★

This is histrionic hustling — the application of dramatic training and even star status to the fundamental chore of selling something to someone.

Time was in the dear, dim days of radio, when the star of a show backed disdainfully away from the mike and a man specifically tutored for the task, known as an announcer, stepped forward with the sales spiel.

Those days appear to be gone forever. There breathes scarcely a big-time TV star today with soul so sensitive that he will not personally plug the product with which his own future is involved.

★ ★ ★

A number of thespians who earned their livings for years by selling pure drama have even turned their full-time attentions to this more basic form of salesmanship.

LINKED TO PRODUCTS

Bill Lundigan and Betty Furness, to name but two, have gone into the upper income brackets by extolling the virtues of motor cars and household gadgets so convincingly that they have become permanently and profitably linked with their products.

★ ★ ★

And why, Gordon MacRae demands, should this not be the case.

The boyish-looking, 36-year-old "host" and sometimes star of the Lux Video Theater is deliberately and persistently seeking to identify himself with his sponsor. He admits freely that his prime goal on TV is to sell soap.

"When I went on this show," he explained, "people asked me why I wanted to take an emceeing job. They said you don't need any talent for that — anyone can do it.

"Well, I want to be like Bob Hope and Ed Sullivan. They sell products. I want to identify myself with my sponsor and sell his products.

ANYTHING TO HELP

"I remember when I was first on the 15-minute show I had, my agent told me, 'Don't stand there with a cake of soap in your hand!' I said why not? I feel that if I'm being paid by a sponsor, I should do anything I can to enhance his product."

★ ★ ★

"The only thing is," he went on enthusiastically, "you've got to like the product you're pushing. Luckily, mine have been very clean up to now (soaps and toothpastes)."

Gordon's five-year contract with his sponsor — a verbal one up to now — contains several unique advantages.

For one thing, the sponsor is searching for a show to star him, and footing the bills for the hunt.

"It'll probably be a musical variety show," MacRae said. "I don't think one guy can carry a show by himself. I don't want it to be known as the Gordon MacRae Show and be all me."

★ ★ ★

Another asset is that Gordon has plenty of free time for movie making or just about anything else that strikes his fancy.

"This is very easy," he confided. "I don't go to work until 4 p.m., and then I just walk in and read off what I'm supposed to say. If I have to go on location for a movie I get five weeks off.

"There's just one trouble. I can't do a show with my pal George Gobel. He's on for another soap, you know."

SPONSOR'S FRIEND — Singer-actor Gordon MacRae, the host of Lux Video Theater Thursday nights on NBC-TV, says he likes to be identified with his sponsor's products. Although many other actors look down upon such commercialism, Gordon insists that a hosting job offers numerous career advantages.

Darts Into Street, Killed

BAY CITY (AP) — Three-year-old Henry Kalinowski of Bay City was injured fatally Tuesday when hit by a truck in Bay City. Police said the boy darted into a street while accompanying an aunt on a shopping trip.

New City Hall Dedicated

JACKSON (AP) — The city of Jackson formally observed its 100th birthday Tuesday at dedication of its new city hall, replacing former city offices housed above stores in a downtown business block.

'Death and Taxes' Topic

DETROIT (AP)—B. E. Hutchinson will speak on "Death and Taxes" at the Detroit Economic Club Monday. Hutchinson, a director of the National Bank of Detroit, is chairman of the Board of the Foundation for Economic Education, Inc., and a trustee of Tax Foundation, Inc.

Doctors Send 'Ear' Into Heart for Check

NEW YORK (AP)—A New York specialist says doctors now have a tiny electronic "ear" they can send into the heart and hear its performance.

Dr. Howard L. Moscovitz of Mt. Sinai Hospital reported on the instrument at a New York Heart Assn. meeting yesterday.

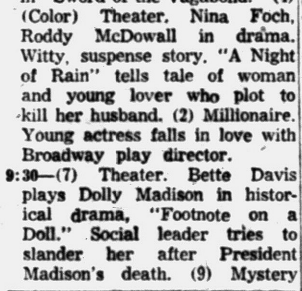

★ ★ ★

The instrument is a supersensitive microphone three fourths of an inch long and about a twentieth of an inch thick. It is passed by means of a tube through an artery or vein directly into the heart.

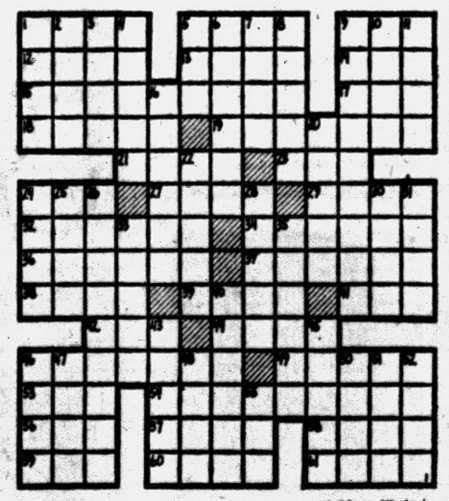

Other instruments translate the sound picked up by the mike into data on the heart's performance. The sounds are clearer than those taken by stethoscope.

Moscovitz said the microphone has been tested experimentally on animals and a few humans. He credited Dr. Walter Welkowitz of Metuchen, N. J., with developing the instrument.

Waterford Scouts Plan Dinner to Raise Funds

Waterford Township Boy Scouts from Troop 120 will serve a dinner for the general public Thursday beginning at 5:30 p.m. at Christ Lutheran Church, according to Scoutmaster George McMichael.

Purpose of the dinner is to raise funds to send Star Scout Jerry Johnson to the National Scout Jamboree at Valley Forge in July.

Living costs in Manila, the Philippines, recently reached a four-year high level.

To Speak at U. of M.

ANN ARBOR (AP) — David F. Maxwell, president of the American Bar Assn., will deliver the main address Tuesday night at the University of Michigan's 29th annual Founder's Day. Maxwell will speak to U. of M. law students during a program honoring William W. Cook, who donated funds for the university's law quadrangle and Lawyers Club.

Egypt's first iron and steel works will go into operation in the 1957 second half.

They'll Spot Twisters

BENTON HARBOR (AP) — A tornado warning network has been set up in Berrien County under supervision of the county civil defense organization. Volunteer observers will man lookout posts during tornado condition weather, reporting to the weather bureau forecaster in charge of the county's new fruit-frost forecasting station.

Denmark entertained 65,749 American tourists in the first eight months of 1956.

Didn't Worm His Way In

JACKSON (AP) — Four-year-old Philip Palmer was so eager to show his sister, Kathy, 5, a wriggly worm he found that he forgot to open the storm door at his house. He was treated for severe glass cuts on his left wrist.
