in Last Night's Talk

WASHINGTON (U P)—President Eisenhower gave the American people his assurance Monday night that the government will use "every legitimate means" to sustain the nation's prosperity against any threat of recession or depression.

He voiced a "persistent and reasoned faith" in the basic soundness of the economy and sternly rebuked the "self-appointed peddlers of gloom and doom."

Eisenhower launched his sharp counterattack against "boom-and-bust" fears in a nationwide radio-television report on his administration's accomplishments and plans on the eve of the second session of the 83rd Congress.

Democrats generally applauded his pledge to act promptly in case of a recession. They asserted, however, that his plan of action is borrowed from the Democrats.

Some suggested that he should start moving now since a recession has already started.

"It is very good to know," said Senate Democratic leader Lyndon Johnson of Texas, "that the administration has adopted what has always been a basic feature of Democratic policy—the belief that our people need not suffer from a boom and bust America."

Republicans warmly praised the address and predicted that the principles the President outlined would be followed by specific recommendations which Americans would approve.

Eisenhower acknowledged that "changing circumstances"—in

cluding the end of the Korean War and declining defense production—require economic adjustments.

But he said adjustments can be made "without encouraging disaster or without bringing about the economic chaos for which the Communists hope."

He did not spell out the "legitimate means" he would employ to meet a recession threat. But he did say the administration would not be indifferent to those in adversity "through no fault of their own."

And it is known that the gov-

Light Snow Seen
Tonight, Wednesday

Light snow flurries are forecast for tonight and Wednesday by the U. S. Weather Bureau. Not much change in temperature is expected. A low of from 24 to 28 is due tonight and a high of from 28 to 32 is expected Wednesday.

At 8 a.m., today the reading was 25, the same as yesterday. It fluctuated about a degree throughout the morning, standing at 26 at 1 p.m.

Monday's high was 28 and the low 25.

Heads Chamber

MIL O. J. CROSS

Pontiac C. of C. Board Names New Officers

Milo J. Cross was elected president of Pontiac Chamber of Commerce Board of Directors yesterday at a meeting in hotel Waldron.

Cross, president of Pontiac State Bank, succeeds George M. Watson, personnel director of Pontiac Motor Division.

Other new officers named by the 15-man board include attorney Harcourt S. Patterson, first vice president; Dr. George N. Petroff, second vice president; Norman Pattison of Connolly's Jewelers, secretary; and Marvin Barnett of Peggy's Women's Apparel, treasurer.

Robert J. St. Clair, C. of C. manager, said new officers would take office Jan. 21 at the annual C. of C. banquet.

Argues Legality of Bridge Bonds

Senator Terms Issue 'Attempt to Circumvent Constitution'

LANSING (U)—Arguing before the State Supreme Court, Sen. Haskell L. Nichols (R-Jackson) said today that the Mackinac Bridge bond issue is "an attempt to circumvent the Constitution."

He admitted that the \$39,800,000 bond issue did not pledge the full faith and credit of the state, but he said that the 1953 Legislature's approving an annual appropriation of \$417,000 from highway revenues for maintenance of the bridge implied that the state stood back of the bond issue.

"The maintenance appropriation act," he said, "appropriates funds not in existence and tries to bind future legislatures."

He cited the constitutional provision forbidding issuance of state bonds in excess of \$250,000 without a vote of the people.

Police Recover New \$20 Bills at Virginia Farm

Money Vanished From
Federal Vaults Over
New Year Holiday

WASHINGTON (A P)—Virginia State Police today reported they have recovered "the bulk" of the \$160,000 stolen from the government's Bureau of Engraving in Washington. They said it was located in a metal tool box on a farm near Centerville, Va.

State troopers there said they did not know exactly how much of the money was recovered or whether any arrests had been made. They said the Secret Service in Washington would report further developments.

Secret Service headquarters here declined for the moment to discuss the case. It was learned, however, that several agents were in Centerville.

Virginia officers said a treasury employee was suspected of the unprecedented theft from the tightly guarded engraving building.

They said this employee had spent several thousand dollars of the money.

The bureau is under the jurisdiction of the Treasury Department.

The officers said an associate of the suspect, who knew of the theft, gave information to an officer which led to recovery of most of the money.

The huge sum, in stacks of \$20 bills, was found on a farm in Loudoun County and was whisked by Secret Service agents to Washington early today, they said.

Among other things, Virginia police reported, the suspects had bought a new auto with the missing money.

It's possible some of the missing money may seep into circulation. Here's how you can tell if one of the bills comes your way.

Each of them is a \$20 Federal Reserve Bank of New York note. It bears a picture of Andrew Jackson. It belongs to the series 1950-A. (Continued on Page 2, Col. 8)

Burping or Choking— How's a Guy to Know?

PAWTUCKET, R. I. (U)—A baby sitter's frantic report that a baby was choking to death brought a fire truck, two police cars and a utility company emergency car to a home last night.

First in was Fire Capt. Eugene J. Monahan, a father. He took one look at the gasping infant, picked him up and burped him.

The baby sitter—a bachelor uncle—apologized profusely.

8th Army All Set to Quell Trouble as PWs Go Free

SEOUL (AP)—The 8th Army is getting set for "any eventuality" at midnight Jan. 22 when more than 20,000 anti-Communist prisoners are scheduled to be freed from neutral custody, it was learned tonight.

These eventualities reportedly include even an attack by South Korean army forces if anti-Red Chinese and North Korean prisoners are not freed according to the Korean armistice timetable.

Even as the 8th Army prepared for the prisoner release, South Korea and the Communists—bitter foes—

joined in bitter criticism of a head count of anti-Communist war prisoners by Indian troops. The U. N. Command has warmly endorsed the count.

American troops waiting south of the demilitarized zone were reported ready to handle a disorganized rush southward of thousands of prisoners if they should break out or become unruly after being released from the 55 compounds in which they are held.

It also was learned that present plans call for the anti-Red prisoners to start moving southward out of the neutral zone just after midnight Jan. 22. The POWs will not be asked to wait until dawn.

Measures are being taken for special isolation of pro-Communist prisoners or agents moving southward with the prisoners. Loudspeakers along the roadways leading southward will tell them to (Continued on Page 2, Col. 2)

Dutch Clark Quits as U. of D. Prexy

DETROIT (U)—Backfield Coach Wally Fromhart today was named head football coach at the University of Detroit, succeeding Earl H. "Dutch" Clark whose resignation was accepted last night.

Clark, who served in the dual role as football coach and athletic director, handed in his resignation Dec. 29. He said he will continue as athletic director until someone else is named to the position.

Clark, who is attending the NCAA meetings in Cincinnati, said he decided to leave University of Detroit to enter business in Detroit.

The silver-haired, 40-year-old Fromhart had been backfield coach of the Titans for the last three seasons.

Army, Air Force to Identify 498 Officially Dead

1st Release Due Tonight
on 3,856 Once Listed
Missing in Korea

WASHINGTON (A P)—The Defense Department today will identify 498 of 3,856 American soldiers declared dead at the end of 1953 after they had been listed as missing in Korea for at least one year.

The Army and Air Force started notifying next of kin last week and by Saturday all of the presumed dead will be identified publicly.

The first list of 10 Army officers and 398 enlisted men has been distributed for publication tonight.

The Army has prepared five more lists. The Air Force and the Marine Corps have one each. The last of these will be made public Friday.

The Army has changed the official status of 3,572 missing men, the Air Force of 256 and the Marine Corps of 228.

The Navy plans no such mass action, but has been acting in individual cases after the lapse of a year without information that the serviceman might still be alive.

Since the fighting ended last summer the Navy has listed as dead 34 of the 103 men who had been reported missing.

The Army and Air Force action at year's end raised to at least 30,330 the battle death toll in Korea.

At the same time, the roster of missing has been reduced to 3,856. Eventually these, too, will be declared legally dead unless information turns up to indicate otherwise.

Pay and allowances of missing servicemen end as soon as they are listed as dead, but their beneficiaries are entitled to any pay that has accumulated.

Beneficiaries also will receive lump-sum payments equivalent to six months base pay.

Families of men now declared dead will receive from the appropriate service a booklet setting forth their rights and benefits. The largest of these could be a \$10,000 government life insurance policy.

The Veterans Administration yesterday began sending out notices telling relatives of the 3,856 men of benefits that may be awaiting them.

VA said all forms needed to apply for death compensation, servicemen's indemnity or insurance benefits are being mailed to beneficiaries as rapidly as advice is received from the armed forces.

Gouzenko Gives Senators Names, Data at Hearing

NEW YORK (AP)—Two senators said today Igor Gouzenko, who helped smash a Russian spy ring in Canada, had given them names and information usable for the internal security of the United States.

Sens. William E. Jenner (R-Ind) and Pat McCarran (D-Nev) told newsmen on returning from a trip to Canada that they questioned Gouzenko for more than five hours yesterday.

Gouzenko formerly was a code clerk for the Russians in Canada.

The senators declined to reveal where they had seen Gouzenko at what they described as a hearing. They said their mission "was accomplished and it was satisfactory."

Jenner and McCarran arrived at Pennsylvania station here at 9:20 a. m. from Montreal.

They said the hearing was presided over by J. C. McRuer, chief justice of the Supreme Court of Ottawa.

Jenner, chairman of the Senate subcommittee on Internal Security, said he would study the transcript of the hearing and probably make a formal request to the Canadian government to release the information.

The plant, at 26400 W. 8 Mile Rd., housed the Silver Lite Co., makers of aluminum storm windows. Owners are Hugh Dantzer of Detroit and Charles Tucson of 1928 E. Roberts, Hazel Park.

The Southfield Fire Dept. received the call at 4:19 a.m. from the Redford Fire Dept. which relayed the message from a cruising private police car which had spotted the flames.

The Redford department also responded but left after the extent of the fire was seen, Desnoyers said.

According to Desnoyers, a time clock in the plant was stopped at 3:10 a.m., "which indicates the fire started even before that."

Although it is assumed the fire started at the rear of the building and spread toward the front, its origin is still unknown.

Exploding cans of lacquer fed the flames, Desnoyers said.

Man Fights but Dies From Rare Disease

HUNTINGTON, W. Va., P.—A man who received more than 125 gallons of blood transfusions over a 30-year period fighting a rare disease has died in the veterans hospital here.

Funeral services were to be held today at Inez, Ky., where the 65-year-old victim, Medley F. Crum, was born.

A spokesman at the hospital described the ailment as Osler's disease. It caused his blood vessels to become enlarged and made him bleed profusely.

Greek Skipper, 6 of Crew Cling to Battered Tanker

CUXHAVEN, Germany (UP)—A Greek sea captain and six of his crew stubbornly fought to save their cracked and grounded tanker in the gale-churned North Sea today despite urgent warnings from five rescue vessels standing by that the tanker was going to sink.

Shortly after noon, Capt. Nicos Papageorgio and six crewmen were still aboard the 5,576-ton Greek tanker "Leros" which ran aground on a doughnut-shaped mud bar eight miles north of Cuxhaven in a full gale yesterday morning.

The remaining 24 crew members were removed safely and brought to Cuxhaven. But the skipper and his handful of men stayed behind in an almost-hopeless fight to save the vessel.

Rescue craft reported the Leros, carrying an 8,500-ton cargo of oil from a Russian Black Sea port, was listing to port at an angle of 30 degrees. It was reported taking water through a midship gash faster than it could be pumped out.

The views of the captains of the five hovering rescue ships

was that the Leros would split apart "at any moment" and go down.

The Leros was in the center of the doughnut-shaped mud bar. Three German tugs and two crash boats circled outside the mud bar's rim.

The tugs succeeded in getting several lines aboard the Greek tanker in an attempt to pull it over the bank and tow it to port. The lines were released each time when tug captains became fearful the Leros would split in two.

Captain Papageorgio and his men were advised repeatedly to abandon ship, but they refused.

New Year Hailed With Optimism by Pontiac Automotive Trade Group

Who's got the jitters! Not the fellows who sell cars.

Despite warnings by some that 1954 will see a drop in sales, the Pontiac Automotive Trade Assn. in its annual meeting last night in the Hotel Waldron, hailed the new year with optimism and predictions that car sales will continue high.

Dealers who had made appraisals of last month's sales reported a greater volume of business than in December of 1953. They considered this a good omen for 1954.

Henry E. Gotham of Pontiac Retail Store said during the meeting that "last month was the most successful service and sales month we ever had." Ben Jerome Jr., chairman of last night's affair, also stated that December was a record month for sales.

The least optimistic were still of the opinion that while 1954 may not be a spectacular year, it undoubtedly will be good from the standpoint of sales and employment.

New officers were elected at the annual meeting.

Jack Habel was named president

and John Braid, vice president. Fred N. Walker was elected secretary-treasurer.

For outstanding work in traffic safety during the past two years, the group awarded Pontiac Police

Chief Herbert W. Straley with a certificate of commendation. Gotham, the immediate past

president who made the presentation, said the certificate was especially prepared by McManus, John & Adams advertising agency in Bloomfield Hills.

The group cited Straley for conducting the most successful traffic safety campaigns in the history of Pontiac and voiced "100 per cent support of Straley's programs" to solve the city's traffic problems.

The certificate was signed by the following members of the association:

Braid, Habel, Walker, R. B. Oliver, Cy Owen, Jerome C. L. Jacobson, Paul Riemenschneider, R. H. Ladd, Fred Foster, A. J. Kimball and Gotham.

Birmingham Starts Friendly Suit in Fire Station Move

Would Change Zone Principle

\$225,000 Bond Issue on April Ballot to List Two Structures

From Our Birmingham Bureau
BIRMINGHAM—Additional fire protection facilities for the city came closer last night when the City Commission took action on the proposed fire station at Maple and Chesterfield.

The commission authorized the city attorney to initiate a friendly suit to condemn zoning restrictions on five lots in the Quanton Lake subdivision to allow construction of a \$225,000 fire station there.

The subdivision restrictions which bind the land to residential use expire Jan. 1, 1956.

The city purchased the west side site in 1947 and this station is being pushed because of plans to widen West Maple, the principal fire route to that area, in 1955.

City Manager Donald C. Egbert exhibited a sketch of the proposed one-story contemporary structure, which will make up part of a \$225,000 bond issue question to be placed on the April ballot. Included on the issue is a larger station slated for Adams and Bowers on the east side of the city.

Egbert answered residents' questions on entrances, alternate sites, equipment, traffic control and property values.

He and Mayor Ralph Main explained that the present fire station in the Municipal Building would eventually be done away with when the two stations were constructed.

Four cab licenses were authorized to the Birmingham Cab Co. for new cabs, and the owner told the commission two more vehicles had been ordered.

A petition to change the zoning of six lots at the corner of Fourteen Mile and Southfield from single-family residence to Business A was denied, a contract for \$18,229 in aeration equipment for the sewage treatment was approved.

And by a narrow 4 to 3 vote, lawmakers approved contracting for garbage and rubbish disposal in 1954.

Commissioners Renfrew, Watkins and Allen protested that the city eventually will be in this business and Renfrew said "it is dangerous to depend on outside contractors for so vital a job." He favored the DPW handling the work.

Venture Club members, will gather at the Community House at 7 tonight, to discuss their latest venture.

They will sponsor the Dearborn Players in a presentation of "Aladdin and His Lamp," to be given sometime in March. Mrs. Carl Tufts, member of the Players, will address the group.

Beginning with last Sunday's service, Father Lucian A. Hebert, pastor of Our Lady Queen of Martyrs Church, has added a 1 p.m. Mass. In addition, parishioners may attend Sunday Masses at 7, 8:30, 10 a.m. or 12 noon.

The 1954 Telephone Almanac has arrived, and is being distributed from the local Michigan Bell Telephone Co. office, according to local Bell manager Albert Warner. The popular publication provides a calendar and lists notable days in history.

Women's Fellowship of the Congregational Church will meet at 8 tonight with Mrs. Melvin Kates and Mrs. Vernon Isenhardt on Oakland. Mrs. Dewey B. Waterman, chairman of the committee on stewardship has arranged the program.

Assisting her in a discussion of stewardship and its different facets will be: Mrs. Harry Houck Sr., Mrs. Harry Houck Jr., Mrs. Jack Marshall, Mrs. Arthur Z. Mitchell and Mrs. Milton J. Taup.

Co-hostesses will be Mrs. Douglas V. Doane, Mrs. James K. Flack.

He is survived by a son, E. M. Kuehl of Birmingham, and one grandson.

Attorney Scoffs at Hoffa's Claim

Says Not Even 25 Pct. of Teamsters Will Sign Petitions Willingly

An attorney representing an insurgent faction of Pontiac Teamsters Local 614 scoffed today at James Hoffa's claim that 100 per cent of the members would voluntarily sign petitions seeking to retain the present trusteeship.

The attorney, Louis Snyder of Pontiac, said "they won't get 25 per cent signed up without using intimidation."

He charged that members "are being forced" into signing the petitions and said he has filed a complaint with the National Labor Relations Board against a firm involved in the petition dispute.

Hoffa, international vice president, said yesterday he would send a petition soon to Dave Beck, Teamsters International president, urging him to disregard any prior petitions.

Earlier, the insurgent members sent a petition bearing 1,200 petitions to Beck. It asked him to end the local's present trusteeship and approve a new election.

The local was placed under trusteeship recently after two of its officers, Daniel J. Keating, president, and Louis C. Lintau, secretary-treasurer, were indicted in a Detroit labor racket grand jury inquiry. Hoffa was made trustee.

Snyder charged the present petitioners with "putting pressure" on members to sign them up.

8th Army to Insure Peaceful Release

(Continued From Page One)
"weed out the hostile among you."

North Koreans will be held temporarily in compounds north of Munsan, it was learned, while Chinese will be moved to Inchon to board ships for Formosa.

ROK Foreign Minister Pyun Yung Tai and North Korean Lt. Gen. Lee Sang Cho used almost the same language in condemning the head count.

But as Pyun told a news conference today, his motives and those of the Communists "are as far apart as two stars."

The Indian command made what it called a routine head count of 4,384 Chinese prisoners Thursday. While the count was under way, 135 asked to be returned to Communist China.

The Communists promptly branded the head count illegal—a word used today by Pyun.

"It is illegal and arbitrary—it is a criminal action," he said.

"Our government has come to the stage where we cannot be quiet."

He called the Indian guards "armed Communist exponents" who are forcing the prisoners to return to the Communists.

He said "it is outside my province" when asked what action South Korea might take if the head count were continued.

One high South Korean official said earlier the government was prepared to use force if necessary to halt a further count. However, most U. N. officials called the threat merely another move in South Korea's war of nerves against the Indian command.

Arrest Pontiac Man in False Gun Report

Richard G. Franco, 39, of 194 N. Perry St., was arrested yesterday afternoon by Pontiac Police on a charge of giving false information when he reported the loss of a .22 cal. revolver last year.

According to Capt. Clark Wheaton, Franco said the weapon was stolen from his shaving kit while he was at the Pontiac bus depot on Saturday.

Wheaton said the revolver had been found Dec. 13 in the parking lot at the El Chico Bar, 374 Franklin Rd., and was being held by police.

Franco was arrested by Patrolmen Herschel Cogill and Olin Hoffman.

Board to Begin Boys' Classes in Basketball

BIRMINGHAM—Saturday morning classes, for all fifth and sixth grade boys, will be sponsored by the Recreation Board beginning this Saturday. City Recreation Director, Frank Whitney has announced.

Activities will run for ten consecutive Saturdays at Adams, Pierce and Baldwin Schools, and Quanton when the gym is available. All periods will be conducted under a trained adult who will devote the two-hour period at 9 a.m. to basketball fundamentals and team play.

Arrest Pontiac Man in False Gun Report

Richard G. Franco, 39, of 194 N. Perry St., was arrested yesterday afternoon by Pontiac Police on a charge of giving false information when he reported the loss of a .22 cal. revolver last year.

According to Capt. Clark Wheaton, Franco said the weapon was stolen from his shaving kit while he was at the Pontiac bus depot on Saturday.

Wheaton said the revolver had been found Dec. 13 in the parking lot at the El Chico Bar, 374 Franklin Rd., and was being held by police.

Franco was arrested by Patrolmen Herschel Cogill and Olin Hoffman.

Hillsdale Man Tires of Dodging in Support Case

DENVER—A Michigan man who "just got tired of dodging" surrendered to the district attorney's office yesterday.

Chief investigator Ray Humphreys said Seth William Kelley, 50, is wanted at Hillsdale, Mich., on a non-support charge. Humphreys gave these details:

Kelley and his wife quarreled seven years ago and he walked out on his wife and four children. He roamed the country, doing various construction jobs whenever he could find them.

"I just got tired of dodging," Kelley said. "Every time I saw a cop, I'd get jumpy again and figure I'd better move on. Finally, I came to the conclusion I didn't want to be a fugitive all my life."

Humphreys said Kelley probably will be returned to the Michigan city.

Fails to Give Police Traffic Right of Way

Otis R. Book, 30, of 3311 Orchard Lake Rd., Keego Harbor, was cited for failing to yield the right of way to an emergency vehicle yesterday after his car was struck by a Pontiac Police car en route to St. Joseph Mercy Hospital.

Patrolman William Davis, 31, of 43 Omar St., driver of the police squad car, said both the siren and blinker were working when he drove through a red light at S. Saginaw St. and South Blvd. and hit Book's car.

Patrolman Wayne E. Long, 24, of 4515 Telegraph Rd., a passenger in the police car, was treated for hand, leg and wrist bruises at Pontiac General Hospital.

Hazel Park Man Mute in Arraignment Here

Leonard J. Piasecki, 39, of 1133 E. Milton St., Hazel Park, stood mute when arraigned before Oakland County Circuit Judge George B. Hartwick today on an indecent liberties charge.

His bond was reduced from \$20,000 to \$1,000 by Judge Hartwick, but Piasecki was returned to Oakland County Jail when unable to post the lesser amount. The original bond was set by Hazel Park Justice Robert C. Baldwin in December because Piasecki had been accused by his wife of making threats against her.

Emory Z. Ford

After an illness of three weeks, Emory Z. Ford, 69, of 563 E. Kennett Rd. died at Pontiac General Hospital at 3:45 a.m. today.

Born in Geneva, Ind., Dec. 14, 1884, he came to Pontiac 20 years ago from Flint and was a retired employe of Baldwin Rubber Co.

Besides his widow, the former Lillian Bliss, he is survived by two sons and a daughter, Pete of Bay Village, Ohio, Jay Gray of Pontiac and Mrs. Ralph Switzer of Fort Lauderdale, Fla., and four grandchildren. Also surviving are a sister and a brother, Mrs. Grace Hubbard of Wilson, Okla., and Newton Ford of Sturgis.

The body is at the Donelson-Johns Funeral Home.

Pakistan to Free 45

KARACHI, Pakistan—Pakistan announced today the release of 45 political prisoners in the northwest Frontier province, including Khan Abdul Ghaffar Khan, known as the Moslem "Frontier Gandhi."

Henry J. Holtzclaw, associated director of the bureau, said it certainly looked as if somebody—presumably an employee—had walked off with the \$160,000, quite likely disguising it as a Christmas present.

and the serial number falls into one of these groups:

Chief U. E. Baughman of the U.S. Secret Service made public those serial numbers last night even before his agents began questioning the engraving bureau employees who may have had access to the rooms where the money was packaged and—supposedly—started on its way to a huge burglar proof vault.

Yesterday morning when the plant reopened after the New Year's weekend two money packages in the vault turned out to be suspiciously light in weight.

Alarms sounded, and the paper-wrapped packages, sealed with official labels bearing the proper serial numbers, were found to contain nothing more than money-sized white paper.

Wife Sentenced for Shooting 2

Area Mother Wounded Husband, Girl Friend; Gets Fine, Probation

A 22-year-old Royal Oak Township mother of three children was placed on probation and fined \$100 yesterday by Oakland County Circuit Judge George B. Hartwick for shooting her husband and his woman companion Dec. 12.

Mrs. Wanda Williams of 624 E. Lincoln St. pleaded guilty to a charge of felonious assault Dec. 28.

She admitted shooting her husband, R. B. Williams, 21, and Mrs. Bertha Cunningham, 31, of 3321 Harrison, Detroit, after suspecting them of having an affair. Neither was wounded seriously.

Mrs. Williams said she brought Mrs. Cunningham to her home at gunpoint and waited almost two hours for Williams to appear.

She said she shot the pair with a .22 caliber pistol after being taunted by her husband.

SNAKE, DRIVER PLAY PEAK

DOVER, N. H. — Police were dubious when a motorist told them he had seen two eyes peering at him from inside a parking meter. Investigating, they found an eight inch snake.

St. Louis or Bust but on Frisky Horse

DENVER — Ralph Hume, a 34-year-old steelworker, will start a "St. Louis or bust" journey by horseback Jan. 12 to rejoin his wife and son.

"I've been waiting since I was in the Navy during World War II to do something like this," he said. Hume plans to make the 1,000-mile ride in less than a month, riding a frisky 7-year-old Arabian mare.

The rugged steelworker came to Denver two years ago with his wife and son, now 12. A few months ago he decided to return to St. Louis. His family drove back in the family auto.

2 Toronto Students Mistaken for Reds

WEST PALM BEACH, Fla. — Red-faced immigration authorities have released two University of Toronto students after detaining them for nearly 48 hours for investigation of Communist activities.

"It was a case of mistaken identity," said a district immigration official at Miami yesterday following release of Edward Rogers and William Boulton. "It is one of those things that sometimes happens when two names are very similar."

The students were taken off a Mackey Airlines plane here Saturday upon arrival from Nassau, where they had spent the holidays.

Texas Are Defeated in Court Appeals Against Social Security

MARSHALL, Tex. — Downed but not downhearted, the Marshall housewives are going to take their tax fight to Congress.

They never did want to collect social security taxes on the wages of their household servants—and they never did.

Now the U. S. Supreme Court, in a decision yesterday, said they had to do it. Two lower courts had said they had to do it, and the Supreme Court refused to hear their appeal.

The women said the tax wasn't constitutional. And through all the rebellion that started almost three years ago they have waited in their homes while internal revenue agents went into downtown banks to take the taxes due from their bank accounts.

"Where else can we go now?" asked Mrs. Carolyn M. Abney, spokesman for the group of 14 housewives and in whose name the suit was filed.

"We have no further recourse in the courts."

"But the American people have a recourse by protesting to Congress who wrote these things. After all, we elected those congressmen."

A-Pool Expected to Be Top Topic

Like Proposal Probably Will Get Main Billing at Big 4 Parley

WASHINGTON (INS)—President Eisenhower's peacetime atomic pool proposal is expected today to get top billing at the Big Four foreign ministers' meeting in Berlin on Jan. 25.

The State Department reported yesterday that the groundwork is being laid by Ambassador to Moscow Charles E. Bohlen and Soviet Foreign Minister V. M. Molotov for full-scale negotiations.

Molotov also agreed to confer with the representatives of the U. S., Great Britain and France in Berlin Jan. 25 on world tensions. The actual site, however, will be determined by the Big Four high commissioners in Berlin.

With the Molotov-Molotov talks under way since last Thursday, diplomatic observers anticipate that Eisenhower's plan for an international atomic pool will overshadow some thornier—and perhaps insoluble—issues at the parley.

State Department spokesman Henry Snydman said yesterday that Secretary of State John Foster Dulles will discuss the details of the proposal with Molotov at Berlin.

Bohlen and Molotov are expected to continue their informal overtures until the conference gets under way in an effort to set the stage for actual U. S.-Russian negotiations.

Man Who Falls on Steps Finds Trip Unnecessary

HARTFORD, Conn. — Ted Matuszewski, who has been flying planes since 1919 without injury, fell on a flight of stairs in his home and broke his right arm.

The thing that burns me up is I can't remember what I went downstairs for, Matuszewski said.

He said such products as cotton, rubber, drugs and pharmaceuticals no longer are banned for shipment to Communist customers.

Red China is still out of bounds for all trade.

TAMPA, Fla. — W. Marion Hendry, justice of the peace, seeking judicial calm in his courtroom ordered a wailing baby removed. Then another tuned up.

U. S. Eases Curbs on Trade With Reds

WASHINGTON — Harold Stassen, the government's foreign aid chief, has disclosed an administration decision to permit wider trade with Communist countries in non-strategic items.

But he said yesterday that the government has put an even tighter clamp on trade in strategic materials and goods.

He said such products as cotton, rubber, drugs and pharmaceuticals

Citizens Score 'Hot-Rodders'

Lawmakers to Consult With Attorney Before Taking Final Action

OXFORD—Action may be taken tomorrow night by the Oxford Township Board on Oakland County's first law controlling horsepower of motorboats used on public lakes.

The Board has been studying a petition filed at its December meeting requesting a five horsepower limit on motors used on town-ship lakes.

Filing the petition was the Lakeland Association, comprised of some 200 lake property owners along the so-called "Stringy Lakes"—Clear, Long, Squaw, Round, Tan, Davis and Weedy.

"We're not trying to stop people's fun," said an association spokesman. "We are just trying to cut the horsepower for reasons of safety."

"There have been several minor accidents involving 'marine hot-rodgers' that could have been serious," the spokesman said.

"A souped-up motorboat driven by an irresponsible teenager rammed a boat which was hugging the shore last summer. The boat tipped over and a father and two children were thrown into the lake."

"Teenagers aren't the only offenders, either," the spokesman went on. "Some grownups are just as bad."

According to Sgt. Donald Francis of Oakland County Sheriff's Department, no other township in the county has an ordinance regulating horsepower of motors.

Meanwhile, Oxford Township Supervisor Lee H. Clark today commented, "It might be better to have an ordinance requiring less recklessness on the lakes, rather than limiting the horsepower."

Clark said the Township Board wanted to get an attorney's opinion on the matter before acting, but that it might get to the petition at tomorrow night's session.

County Deaths

DOUBLE-CHECK—Checking figures on the number of McCarroll School students immune to diphtheria, smallpox, tetanus and whooping cough are Mrs. William Killen, left, of 94 Glenwood, McCarroll PTA's health chairman; Mrs. R. M. Williams, 321 Dick Ave., school clerk; and Mrs. William Saranen, assistant health chairman, of 124 Oliver St. Pontiac Public Schools were included in Oakland County Health Department's county-wide immunization survey.

Health Department to Conduct Survey of Disease Immunity in County Schools

Oakland County Health Department hopes to know in about two weeks how many of the county's school children in kindergarten through fifth grade are immune to diphtheria and other disease.

Dr. John D. Monroe, department director, says "preliminary" data sheets on youngsters in each school are being turned over to department nurses to compile into county-wide statistics.

The health department sent out thousands of questionnaires this fall to parents of all students in kindergarten through fifth grade in the county's schools. Parents were asked to list whether—and when—their children had been immunized against diphtheria, smallpox, whooping cough and tetanus.

Judge Puts Off Mistrial Motions

Gilliland, Schriber May Hear Fate Monday in Lapeer Eviction

LAPEER—Clayton C. Gilliland and Floyd Schriber, each convicted in separate trials in a long, involved Lapeer County eviction case, will have to wait until Monday at least for a decision on their motions for mistrial.

Circuit Judge Timothy C. Quinn yesterday told their attorney, Clem Bloch of Grand Rapids, to file briefs. He said he would rule on them Monday "or a later time."

The most recent phase of the case was a conspiracy trial last month in which Gilliland, an "investigator" for a farmers' group, was found guilty. Schriber and two other Lapeer farmers were acquitted.

Schriber, however, was sentenced to 18 months to two years in another trial last September for obstructing and resisting an officer when Sheriff Clark W. Gregory attempted to serve an eviction writ on Mrs. Elizabeth Stevens in June, 1952.

Schriber's mistrial motion arose from the defense testimony of George Albert O'Neill, O'Neill was a juror in the September trial and as such stated that he was not familiar with the eviction case.

O'Neill appeared as a defense witness in the conspiracy trial last month, however, and stated that he had been at the Stevens' farm when the sheriff first attempted to evict Mrs. Stevens.

Gilliland, who has not yet been sentenced, maintains that a juror in his trial was related to one of the defendants, Howard Abbott, and that a mistrial should be declared.

Knights of Pythias Hold Installation on Thursday

OXFORD—Public installation of officers will be held by the Knights of Pythias and Pythian Sisters at 8 p.m. Thursday at Castle Hall.

Grand Chancellor Ed Unger and Grand Chief Joann Miller will officiate.

children had been immunized against diphtheria, smallpox, whooping cough and tetanus.

An outbreak of diphtheria some two years ago helped trigger the survey, Dr. Monroe said.

Health officials believe that if six of every 10 youngsters in a community are immunized against the diseases, the community is "fairly safe" against sudden sweeping epidemics.

Each school's job of taking filled-out questionnaires and turning them into room-by-room statistics was done by parent volunteers and teachers, helped by health department nurses.

Josephine Seeley, health coordinator for Pontiac Public Schools, supervised work here.

Birmingham's School Health Council handled tabulation in its public schools, with Mrs. Lawrence Schmidt, Mrs. Fred Steidle and Mrs. Dwane Tibbets working in Holy Name School.

Other schools and the chairmen of their tabulation groups were Novi School, Mrs. Dorothy Snow; South Lyon School, Mrs. Donald Tapp; New Hudson, Mrs. Preston Pettigrell; Novi-Stone, Mrs. Ruth Appling; Chapman, Mrs. Gladys Bush.

Mrs. Robert Kempf and Mrs. Edwin L. Brokhorst handled Proper School; Mrs. Charles Irons; Weber; Mrs. Joseph Schaeffer; and Mrs. George Wilson, Carpenter; Mrs. Tom Maguire, St. Joseph; Mrs. Clare Chapin, Blanch-Sims.

Holly school chairman was Mrs. Morton Wildy; Davisburg, Mrs. Ebbett Leib; Andersonville, Mrs. Orville Nelsey; Clarkston, Mrs. Ralph Krieger; Sashabaw, Mrs. Arnold Barrett; Ortonville, Mrs. Gordon McGinnis; and Seventh Day Adventist, Mrs. Donald Dean.

Mrs. George Underwood was

Churches Plan Discussion Day

Officers, Members Will Study Problems, Plans at Milford Meet

MILFORD—A "Presbyterian Day" will be observed in Milford Wednesday when officers of all church groups and other interested members meet to discuss church problem and improvements.

This observance is something new in the local church program. Flint Presbyterian Church started it last year.

It proved so successful that several communities followed the example, and much enthusiasm is shown for the project.

At the Wednesday meeting, speakers will be the Rev. Harold Fredsell of Northville, the Rev. Paul Sloane Jr. of Ferndale and the Rev. Robert Woods of Alma, head of the National Missions Church in Michigan. Rev. Woods is the former pastor of the Milford church.

The meeting will be from 7:30 to 9:00 p.m. A coffee hour will follow.

Holly Fails by \$275 in Fund Drive Goal

HOLLY—By the narrow margin of less than \$275, Holly has failed to meet its quota on the annual united community fund drive.

The quota this year was \$6,127 and cash and pledges received total about \$5,850. Local industry and business places gave \$2,830, the residential canvas \$2,330 and clubs and organizations \$210.

This marks the first time Holly has not gone over the top on any bond or fund drive.

The quota this year was \$6,127 and cash and pledges received total about \$5,850. Local industry and business places gave \$2,830, the residential canvas \$2,330 and clubs and organizations \$210.

Royal Oak Plans Traffic Survey

Commission Eyes Action as Method to Relieve Parking Congestion

ROYAL OAK—A traffic survey to relieve congested parking conditions in Royal Oak business sections will get under way here immediately, the City Commission resolved this week.

The two-month survey in the downtown area and the North Main and Catalpa Street area will be conducted by the Detroit traffic engineering firm of Gunderson and Doedick.

Estimated cost of the survey was set at \$1,500. Funds will be drawn from parking meter receipts.

Approval by the City Commission followed a Parking Advisory Committee recommendation that prompt action be taken to provide additional off-street parking space in the area.

Milford Oil Well Drilling Down to 4,100 Feet

MILFORD—Oil well drilling crews at the Ben Wilson farm near here this week reported that they had reached a depth of 4,100 feet. Officials of the Sun Oil Co., which has leased about 2,000 acres of local land, said drilling would continue for another 10 days. So far no strikes have been reported.

Jehovah's Child Wrong in Bible Interpretation

WALLACE, Idaho (AP)—A woman who calls herself "Jehovah's child" was found guilty yesterday of contributing to the delinquency of minors by refusing to send her four children to school. She claimed the Bible said they should be taught at home.

Dist. Judge A. J. Graf scheduled sentencing for the woman, Mrs. Harry Brandt of Kingston, next Monday.

Mrs. Brandt said she is the only member of her religious sect.

Sen. Ellender to Ask That McCarthy Budget Be Trimmed Down

WASHINGTON (AP)—Sen. Ellender (D-La.) said today he will appeal to the Senate to "cut down to size" the spending budget of Sen. McCarthy's permanent investigations subcommittee.

Simultaneously, four newspapers reported that the Eisenhower administration has been urging McCarthy (R-Wis.) to concentrate on investigating waste and corruption, leaving searches for subversives primarily to others, and that McCarthy is said to have agreed. Accounts to that effect were carried by the New York Times and Herald Tribune, the Washington Post and the Baltimore Sun.

The Post quoted administration leaders it did not name as saying McCarthy had been urged to give "greater attention to legislative needs, directing his investigations more at waste, inefficiency and corruption, and leaving most of the Red hunting to the group created to do that—the Senate internal security subcommittee."

The post continued: "McCarthy reportedly has indicated he will follow this line, but how far he will follow it is unknown."

"At the beginning of the last session of Congress, it should be recalled, there was also a series of moves aimed at curbing McCarthy's activities. None of them materialized."

McCarthy, out of the city, was not immediately available for comment. He said last week "digging into communism" was not the "primary purpose" of his subcommittee, and that it has been careful to check with the Senate internal security subcommittee to avoid duplication.

"If in our investigations we find subversive elements in government which would prevent the government from operating properly, and no other congressional group is investigating, then we go ahead," he said.

The Wisconsin senator has said he will ask the Senate to increase, by an unspecified amount, his committee's \$300,000 budget for 1953. He said he wanted to expand the investigative staff. Recently he announced he was broadening his activities to take up the handling of some federal tax cases.

"As far as I'm concerned," Ellender said in an interview, "he should not even get anything like last year's spending authorization. I'm going to make another effort to have it cut down to size."

Ellender for years has contended that most congressional committees spend too much money. But he has had little success in cutting their budgets. He said he will have a lot to say "about this shameful waste of tax money, spending unnecessary sums for unconscionably large staffs."

Court Says Little Theater Can Be Denied First-Runs

WASHINGTON (AP)—The Supreme Court yesterday upheld the right of motion picture distributors to deny first-run films to neighborhood theaters with limited drawing power.

The decision rejected contentions of the Crest theater in Baltimore, which had sought anti-trust damages from eight major distributors. The decision rejected contentions of the Crest theater in Baltimore, which had sought anti-trust damages from eight major distributors.

Justice Clark delivered the 7-1 decision. Justice Black dissented and Justice Douglas took no part. A jury in federal court in Baltimore ruled in favor of the distributors and its decision later was upheld by the U. S. Circuit Court in Richmond.

In other actions yesterday the court: 1. Decided 5-4 that a New York state prisoner serving a 7-10 year sentence because of a prior conviction is entitled to a federal court hearing on his efforts to set aside the first sentence, which he finished serving ten years ago.

The prisoner, Robert Patrick Morgan, drew a heavier penalty under New York's multiple offender law when he was convicted of attempted burglary in 1950 because of the four-year term he drew in 1933 on a plea of guilty to stealing three letters. Morgan contends his 1933 conviction should be overturned because he was not told then of his right to the assistance of a lawyer.

2. Refused to step into the unsuccessful efforts of a group of Marshall, Tex., housewives to strike down the federal law requiring the payment of Social Security taxes on domestic servants.

3. Refused to review the dismissal of a \$300,000 damage suit filed by S. L. Kilgore against former Gov. Fuller Warren and other Florida state officials.

Marilyn Absent; Rumors Started

But Agent Denies Any Wedding or Holdout for More Money

HOLLYWOOD (AP)—Marilyn Monroe's studio says she has been suspended because she failed to show up for the start of her new picture.

Coincident with this announcement was a report that the shapely blonde and Joe DiMaggio, the former New York Yankee Clipper, were en route from San Francisco to Las Vegas or Reno to be married.

A studio spokesman said Miss Monroe's home telephone here doesn't answer and he could "only assume that she's still in San Francisco."

The next bit of rumor in Hollywood was that perhaps she was holding out, inasmuch as her present contract is about to expire and she hasn't signed a new one at 20th Century-Fox. The rumble was that La Monroe wants more money.

But finally, her agent, Jack Gordon, blasted some of the rumors. Why so, he said, there aren't any wedding plans. He would dismiss that altogether, he said. Miss Monroe wasn't at her studio, he explained, because she didn't like the script for the picture "Pink Tights," and she won't show up for rehearsals until she can approve a new script.

The picture will have Dan Dailey and Frank Sinatra in the cast. At last report, DiMaggio and Miss Monroe were still in the San Francisco bay area.

The studio said she would remain under suspension until she gets back.

Doctor Injects Sluggish Hippo With Vitamins

KANSAS CITY (AP)—Cleo hasn't been eating well—and her doctor decided she needed a vitamin shot. She got it, but it was quite a production.

Cleo is a hippopotamus. Swope Park Zoo Director William T. A. Cully says he isn't sure, but she may be a hippopotamama-to-be with appetite-curbing kidney trouble.

Yesterday, while Cully and two helpers distracted her, veterinarian Dr. Howard Ashley took a running start and attacked her from the flank with a hippo-sized needle holding 25 c.c.s of vitamin B complex.

Cleo wasn't appreciative and tried to bite the doctor. Her usual meal is:

Six loaves of bread, 12 carrots, 12 potatoes, 12 apples, 4 heads of lettuce, 15 pounds of grain and to top it off—one third bale of hay.

French Stylish Pushes Simple Black Dress

By BOB THOMAS

HOLLYWOOD (AP)—Here's some happy new year's news for American husbands: a French style expert thinks the women here could get by with fewer clothes.

My source is Jeanette Spanier, directress of the exclusive Pierre Balmains salon in Paris. A handsome English woman, she married a French doctor and became the head of business matters for Balmains.

This is her first trip to America and she is full of enthusiasm for such things as escalators, Santa Anita race track, the courtesy of sales people and bourbon old-fashioned.

"I am impressed by the way American women dress," she commented, speaking with a Gallic flourish of the hands. "Americans far excel the French in casual clothes; you wear stunning things here. You are also superb in dinner dresses. But for ball gowns—ah, that is where the French are superb."

"Another thing the French do best—the simple black dress. A French woman can wear it to lunch with only simple gold jewelry. In the afternoon, she can wear it with more ornate jewelry. Then she could wear it to dinner at the most exclusive restaurants by adding a few accessories."

"I do not see that in America. The women seem to worry that they will be seen in the same dress twice. French women do not feel that way. They might wear the same dress three nights in a row and not be concerned."

This may seem like heresy in her business, but Mme. Spanier added that French women don't vacillate with the style.

"All this talk about hems going up and down!" she exclaimed. "It's just for publicity—to give the fashion reporters something to write about. French women never change the length of their hems."

Mme. Spanier recently helped supervise the outfits for Lana Turner in "Betrayed," which was filmed in Europe. She said that Balmains had designed some rather subdued dresses for Lana, since she plays a schoolteacher in the film. I asked what she thought of Hollywood designs.

"My, they do have a lot of sequins, don't they?" she replied pointedly. But she added that many of the stars' costumes are well done, even if they have to be overdressed for dramatic purposes.

What about the best dressers among the stars?

"Betty Bacall Bogart wears clothes beautifully, and so does Mary Livingstone. Mrs. William Goetz is perhaps the best dresser in Hollywood; everything she wears is perfectly chosen. Off-stage, Marlene Dietrich is very chic. Of course, she has to wear more theatrical clothes on stage. I'm anxious to see that gown she is wearing in Las Vegas."

Contest Will Climax Feast of Epiphany

TARPON SPRINGS, Fla. (AP)—A score of hardy youngsters will plunge into the chilly waters of Spring Bayou tomorrow to see which one can come up with a gilded wooden cross.

Whoever gets it will receive the blessing of Archbishop Michael, head of the Greek Orthodox Church in North and South America, the admiration of his fellow townspeople, and, according to tradition, good luck throughout the year.

The contest will climax the observance by members of the Greek Orthodox Church of the Feast of Epiphany, commemorating the baptism of Christ. The celebra-

tion is popularly known as Greek Cross Day.

GRAINS—INSURE; Await Ike Talks

CHICAGO (AP)—Major characteristics of grains on the board of trade today was uncertainty. The market didn't know whether to go up or go down. As a result it hung close to previous closing levels in quiet dealings.

One reason for the uncertainty, brokers thought, was the series of messages that President Eisenhower is scheduled to deliver to Congress this week, particularly the one on farmpolicy. Another reason was the question of whether producers will let go much grain now that the new year is under way.
