

Nationalists Ready to Quit Tachens

City May Vote on Realignment of Districts 1, 2, 3

Commissioners Order Proposal to Move Four Pontiac Precincts

After rescinding action taken last week, the City Commission last night ordered preparation for the spring election of a proposal calling for realignment of three city districts.

The move, proposed by Mayor William W. Donaldson (District 3), is intended to bring to closer balance the number of voters in each of the city's seven districts.

As proposed, the move would shift Precincts 4 and 39 from District 1 to District 2, and Precincts 30 and 31 from District 2 to District 3.

Donaldson presented statistics showing that Dr. Roy V. Codley's district—1—has a voting population 30 per cent above the average in the seven districts. Donaldson's district is 30 per cent under the average. The average district has 5,670 voters.

The shift would change the ratio in District 1 to 100 and in District 3 to 99. District 2 (represented by Commissioner Harcourt S. Patterson) would gain a little more than 1 per cent.

If the proposal presented next week is approved, it will be presented for voters' approval April 4. Last week, the Commission voted to send the proposal to the Charter Study Committee, which it planned to reactivate. Only Donaldson was against last week's move, which was made on Commissioner Floyd P. Miles' (District 4) motion.

Last night, only Miles of the six commissioners present dissented from the new move.

"This involves changes that should be made after study and not on the spur of the moment," he said.

The shift was suggested for the first time at last week's session.

Donaldson said the move would give proportional representation to all districts. "I feel my district is shrinking constantly while the others are expanding constantly," he said.

Cold Weather to Stay Here Another Day

Continued cold weather coupled with scattered snow flurries was the weatherman's offering for the Pontiac area tonight and tomorrow.

High tonight is expected to range between 10 and 14 degrees, climbing slightly to between 15 and 18 tomorrow.

Meanwhile scattered snow last night brought slippery spots on trunklines around Pontiac, Jackson, Lansing, Manistee, Kalamazoo, Cadillac, Holland and West Branch areas. The State Highway Dept. said. Maintenance crews worked throughout the night to correct conditions.

Yesterday in downtown Pontiac, the mercury rose from an 18-degree low to a high of 29. Slightly more than two inches of snow fell.

Today, at 8 a.m. the thermometer stood at 10 degrees, climbing to 16 by 1 p.m.

Rochester Woman Seeking Third Term on State Board

Sarah Van Hoosen Jones, 62, of Rochester, today announced her candidacy for re-election to a third term on the Michigan State Board of Agriculture on the Republican ticket in the spring election, April 4.

The board is the governing body of Michigan State College.

Miss Jones is a past president of the Michigan State Holstein Assn. and later became the group's national vice president. She is a Master Farmer.

Miss Jones is MSC's delegate to the Assn. of Governing Boards of State Universities and Allied Institutions.

She became the second woman to be elected president of the group last November.

Miss Jones was first elected to the board in 1943 and was re-elected in 1949.

Known for her accomplishments in farm research throughout the state, she holds a doctor's degree in animal genetics from the University of Wisconsin.

New C. of C. President Gets Gavel

TAKES OVER—Ralph T. Norvell, Jr. (left), of 46 Wenonah Dr., new president of the Pontiac Chamber of Commerce, accepted the gavel from Milo J. Cross, Jr. (right), outgoing president, at the chamber's annual meeting last night.

Clergyman Gives C. of C. 3 Guides to Better World

"Jesus took 12 men and turned the world upside down," Dr. William H. Alexander told Pontiac Chamber of Commerce members last night in stressing his point that a few resolute people could start a movement which would better their whole community.

"Great things depend on a few persons who give themselves to an idea which results in lifting the whole to a new level," the Oklahoma City clergyman stated before 350 C. of C. members at the annual meeting in the Elks Temple.

"You know that we live in a perilous age where a hydrogen-bomb blast could wipe out a country. . . . We must ask ourselves if we are part of the answer or part of the problem."

"Whether we have a wholesome attitude, a self fit to live with, a world fit to live in and a philosophy fit to live by."

Action for good must come from within, he stated, and called for three things to bring this about.

First, intelligent thinking. "Not prejudiced thinking. We are even guilty of this in the church. We tell our young people not to do things, without giving them positive things to do."

"The question is not are young people going to dance, it's where they're going to dance. In a honky-tonk or a boys' club?"

Intelligent thinking is not wishy-washy, he stated. Politics may better until you get in and do some sweeping, instead of just hoping it will cure itself."

The greatest harm to this country economically and morally, he asserted, "was bringing up a segment of the people to believe if they won't work the government will take care of them."

Intelligent thinking is not static thinking, Dr. Alexander said. "The

(Continued on Page 2, Col. 4)

Support was given Kahn by Commissioner Floyd P. Miles, who moved that the Commission's Jan. 11 unanimous action approving fluoridation be withdrawn and that the question be put to the voters.

His move failed for lack of a second. "I didn't realize that they had only 33 days, not 90 days as I thought when I first voted," Miles said.

"My phone calls were 20-1 against fluoridation, so there must be a substantial group against it," he added.

Commissioner John A. Dugan said most of his calls had been in favor of fluoridation.

The plan, as passed two weeks ago, authorizes the city manager (Continued on Page 2, Col. 8)

Committee OK on Isle Defense Expected Today

Senate Action Awaited on Heels of Vigorous House Approval

WASHINGTON (AP)—Vigorous House approval spurred the Senate today toward completion of congressional endorsement of a Formosa defense policy under which President Eisenhower could order acts of war.

The 409-3 House vote yesterday came within 27 hours after the President had made his request for a resolution giving advance approval for any military action Eisenhower holds necessary to keep Formosa, the Pescadores and other unnamed areas out of Chinese Communist hands.

Formosa is the seat of Chiang Kai-shek's Chinese Nationalist government.

"A remarkable unity. . . in the interest of the nation's security," the President said of the House action. His comment was relayed through White House press secretary James C. Hagerty.

In the Senate, approval of the resolution by the Foreign Relations and Armed Services committees was required before it could act officially.

Chairman George (D-Ga.) of the Foreign Relations Committee predicted the resolution would clear that group during the day. He said he expected overwhelming Senate approval this week.

Sen. Russell (D-Ga.), chairman of the Armed Services Committee, joined in predicting committee approval today.

There were signs of uneasiness on the part of some senators, however, over aspects of the closed-door testimony by members of the Joint Chiefs of Staff.

Sen. Sparkman (D-Ala.), for example, said that as he interpreted the testimony, Army Gen. Matthew B. Ridgway approved of the objectives in the President's request "but he apparently doesn't want Quency included" in any Formosa defense ring.

While the resolution does not name any offshore islands which this country would fight to defend, Eisenhower in his message called Quency "one of the natural approaches to Formosa."

George said Ridgway contended U. S. ground troops should not become involved on the Chinese mainland, and the senator added in an interview:

"I don't think there is any anticipation of using American land forces. Make no mistake, the resolution embraces the use of any of the armed forces but none of the joint chiefs seemed to think that employment of the ground forces was implicit in it."

Trickery Helped Japs in Invasion of Tachens in '37

TOKYO (AP)—Japanese recalled with a chuckle today a bluff they ran on the Chinese 18 years ago near the Tachens—and passed it on for what it was worth today.

In 1937 a modest Japanese landing force, perhaps a regiment or two, went ashore near Hanchow in the Tachen area. Feeling a bit exposed, they ran up a giant balloon with a streamer in huge Chinese characters:

"Million—man Japanese army lands at Hanchow!"

They said it worked.

Unpredictable Event

CINCINNATI (AP)—Jack C. Sharp, a fortune teller, reported to police that someone broke into his apartment and stole his crystal ball.

MacArthur to Be Honored

OLD SOLDIER 75 TODAY—General of the Army Douglas MacArthur, hero of the Pacific and one of America's most illustrious military figures of all time, faces the camera with eyes upward as he enters his 76th year. This picture of the general was made last night as he and Mrs. MacArthur arrived in Los Angeles for a civic celebration of his birthday, at which a statue of him will be unveiled in MacArthur Park in Los Angeles. MacArthur is 75 years old today.

Wilson Seeks No Changes in Military—Short of War

WASHINGTON (AP)—Secretary of Defense Wilson told a concerned Congress today he sees no need for any "important changes" in United States armed forces "short of war."

Wilson, appearing before the House Armed Services Committee to report on American military strength, made no mention in prepared remarks of the mounting tension over Red Chinese threats to Formosa.

But the Formosa situation loomed large in the background. Also scheduled to brief the lawmakers was Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff.

Chairman Vinson (D-Ga.) of the Armed Services Committee told newsmen the briefing by Wilson and Radford had been scheduled some time ago and was not specifically prompted by the Formosa problem.

In his statement, Wilson said, "We must be prepared, in line with our collective security responsibilities, to come rapidly and effectively to their Allied nations' assistance. . . . In the event of aggression short of general war."

Wilson said he did not expect Russia "to take action during the next few years that would deliberately precipitate another world conflict." But Communist aims are unchanged, he said, and a "conflict might arise through miscalculation on their part."

Next year's program, he said, "lays particular stress on the

138 Pontiac High Seniors Will Graduate Tomorrow

Pontiac High School seniors receiving their diplomas Jan. 27 will hear Dr. Harold C. DeWindt of the Kirk in the Hills, Bloomfield Hills, deliver their commencement address.

The commencement will be held at 8 p. m. in the boys' gymnasium of the high school. Glenn H. Griffin, president of the Pontiac Board of Education, will preside.

Dr. Dana P. Whitmer, superintendent of Pontiac Schools, will present the diplomas to the 138 graduates.

The January class of seniors will be presented by John Thors Jr., high school principal who will also confer the special awards to outstanding class members.

Jack Porritt has served as president of this class and will be presented on the program. Other class officers include Carol Young, vice president; Patricia Ryder, secretary and Alice Weber, treasurer.

Designated for special honors in the class are Betty Bogan, Sue Ann Brink, Bob Dunn, Jeanette Larvick, Robert Louchard, Margaret Neill and Ernie Haynes.

The Y-Teen Scholarship will be presented to Martha Varney and (Continued on Page 2, Col. 2)

Mine Kills 15 Seamen

LE HAVRE (INS)—All 15 crew members of the French trawler Abraham Dequesne were killed last night when the ship hit a mine in the North Sea and was demolished in the explosion.

Go-Ahead Waits Final Approval of Ike's Stand

Evacuation Is Expected to Be Joint Project With U.S. 7th Fleet

TAIPEH, Formosa (AP)—Although Nationalist Chinese officials won't say so, there is no question but that Chiang Kai-shek's forces will abandon the Tachen Islands.

Reliable sources said today the many problems involved have been worked out at conferences between Nationalist and American officers. Planning has reached the stage where the operation can begin whenever the signal is given.

Formal announcement appears to await only congressional approval of President Eisenhower's recommendations.

The sources said the evacuation would be a joint operation, under the overall command of Vice Adm. Alfred M. Fried, commander of the U.S. 7th Fleet. His flagship, the cruiser Helena, is now at the north Formosa part of Keelung.

About 15,000 regulars and guerrillas will be evacuated. The 15,000 civilian inhabitants will be given their choice, and most are expected to ask for evacuation.

The English language China News reported that some 300 planes of the 7th Fleet conducted maneuvers north of Formosa yesterday.

The newspaper, quoting what it called reliable sources, said the air show was considered here to be a "show of strength to tell off the Reds."

There was no immediate comment from the 7th Fleet.

Nationalist four-engine bombers attacked Yikingshan Island through a curtain of antiaircraft fire in the predawn darkness today and caused extensive damage, official reports said.

Other bombers ranging more than 30 miles northeast in the Yushan Island area sank a 1,500-ton Chinese Red warship, the reports said.

A Defense Ministry communique said the warship was the target of eight 500-pound bombs "most of

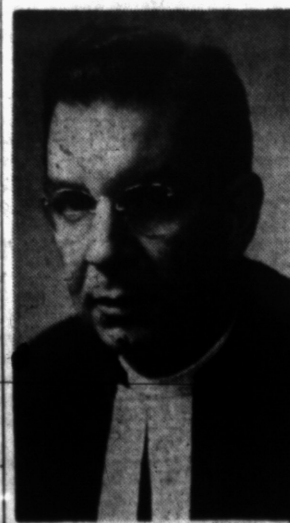

(Continued on Page 2, Col. 8)

Hopes for Captives Torpedoed by War

UNITED NATIONS, N.Y. (AP)—This week's developments regarding Formosa have dealt a blow to hopes at the United Nations for the early release of 17 Americans held in Red China.

They also have lessened chances that the Security Council can act effectively to bring about a cease-fire order in the Formosa area, or that the 60-nation General Assembly might act in the dispute.

Stumbling blocks were mentioned as including President Eisenhower's message, congressional action and Premier Chou En-lai's unyielding statement Monday in relation to Formosa.

DR. H. C. DE WINDT

Annual Dance Planned by Clarkston Chapter

CLARKSTON—The OES, Joseph C. Bird Chapter 294, will hold its annual dance from 9 p.m. to midnight Saturday at the Clarkston Community Center.

Modern and square dancing will be featured. There will be door prizes and refreshments at the close of the dance.

Jaycee Group to Survey Area

Will Check Attitudes of Waterford People on Incorporation

WATERFORD TOWNSHIP—The incorporation research committee of the Junior Chamber of Commerce plans to make assignments for a survey of Waterford Township at its next meeting Feb. 7, committee chairman Philip Nelson has revealed.

Such a survey will include statistics on the population, housing, education facilities, churches, and medical and professional facilities of the area.

Nelson said that following the survey, final analysis of the statistics will be made preparatory to sending two men teams throughout the township, explaining the committee findings to civic organizations and service groups.

These teams will be prepared to present the pros and cons of incorporation to the people of the community, he added.

"It is not the intent of the Jaycees to take sides in this issue," Jaycee president Charles Pappas stated. The group is gathering all information possible on incorporation to aid citizens in drawing their own conclusions, Pappas added.

County Deaths

William Kayga
DRAYTON PLAINS—Service for William Kayga, 78, of 1303 Collier, will be held at 2 p.m. Thursday at the Collier Community Church, Pontiac, with burial by the Coats Funeral Home in Perry Park Cemetery. He died Monday.

Clara A. Schramlin
HOLLY—Service for Clara A. Schramlin, 72, of 3604 Oakhill Rd., will be held at 2 p.m. Thursday at St. Bethel Methodist Church, with burial in Ottawa Park Cemetery by the Bendle Funeral Home. She died Monday.

Surviving are a daughter, Mrs. Ralph Larson of Holly, a son, William Jr., of Holly, three sisters, Nellie Parker, Louise Parker and Mrs. Earl Voorhees, all of Davisburg, a brother, Allan Parker of Rose Center and seven grandchildren.

Robert Earl Kalina
ROYAL OAK—Service for Robert Earl Kalina, 35, of 3224 N. Vermont, a former Rochester resident, will be held at 2 p.m. Thursday at the William R. Poyner Funeral Home, with burial in White Chapel Memorial Cemetery. He died Tuesday.

Surviving are his widow, Jelena, two daughters, Gala and Keren, at home, his mother, Mrs. Florence George of Cleveland, Ohio, three brothers, Richard George, William George and Gordon Kalina, all of Cleveland.

Edward J. Fries
IMLAY CITY—Service for Edward J. Fries, 83, will be held at 1:30 p.m. Thursday at the Lester Smith and Son Funeral Home, with burial in Forest Lawn Cemetery, Detroit. He died Monday.

Surviving besides his widow, Hannah, is a daughter, Mrs. Rhodabell McCaughan of Alhambra, Calif., a son, Lester of Detroit, a stepson, Ray Nye of Detroit, three grandchildren and four great-grandchildren.

Elmer W. Wilcox
IMLAY CITY—Service for Elmer W. Wilcox, 47, of 470 Cornet Rd., was held at 2 p.m. today at St. Paul Lutheran Church with burial by the Muir Brothers Funeral Home in Imlay Township Cemetery. He died Sunday.

Surviving besides his widow, Laura, are two sons, Wayne of Jacksonville, Fla., Glenn at home, his parents, Mr. and Mrs. George Wilcox of Imlay City, four sisters, Mrs. Elva Duncan of Flint, Alice Wilcox and Mrs. Ester Vanderploeg, both of Imlay City, and Mrs. Margaret Louthier of Pontiac, three brothers, Donald and Charles of Imlay City and George Jr. of Lapeer.

Ferndale Pastor Heads Presbytery of Detroit

DETROIT (U)—The Rev. H. Paul Sloan, pastor of the Drayton Avenue Presbyterian Church in Ferndale, was elected moderator of the Presbytery of Detroit yesterday.

Ministers and lay delegates from 82 churches in six counties attended the presbytery meeting.

Dr. Sloan will succeed the Rev. Allan A. Zann, pastor of Detroit's Jefferson Avenue Presbyterian Church.

WHEEL-CHAIR WEDDING—Guests of an unusual wedding in Sacramento, Calif., saw Jack Arnold, right, a victim of multiple sclerosis, marry Gloria Hall, spinal meningitis victim. Best man Louis Fiebert is a disabled vet. Dorothy Worthy, maid of honor, has a broken back.

Where to Put Them?

Junior High Pupils Topic of Waterford PTA Group

WATERFORD TOWNSHIP—Juggling the 1955-56 time schedule to squeeze 1,535 junior high school students into daily classes was the problem when some 50 PTA representatives met at the monthly PTA-Principal-Superintendent Conference last night at the high school.

A proposed schedule would have 680 eighth graders attending school from 8:30 a.m. to noon. Arriving as these students left would be 670 seventh graders, who would remain in school until 4:30 p.m.

Ninth grade students would follow a 10 a.m. to 4:30 p.m. schedule, allowing time for their advanced study schedule.

Voting another bond issue to finance a new junior high school has been deemed inadvisable at this time by Supt. William Schunck. Schunck said interest rates would be too high, because of other recent bond issues.

A heavy elementary school enrollment will be eased with four new buildings scheduled for occupancy by this time next year.

A ratio of one teacher for every 30 pupils in the upper three grades of the high school, will still permit the school to be accredited by the North Central Assn.

In other action last night, Thomas Belton, recreation superintendent, asked for organization of a special committee which would plan an educational campaign informing the public of the recreation program.

Township Officials Discuss Highways

LANSING (U)—Highway and street construction was the main topic of the opening session of the annual state convention of the Michigan Township Supervisors Association yesterday.

State Highway Commissioner Charles M. Ziegler termed as a healthy sign the increased interest in highway development being shown by Michigan residents.

Frank K. Evans of Mason, engineer-superintendent of the Ingham County Road Commission, told a panel discussion that teamwork is needed in planning subdivision street development.

Evans suggested that township boards, boards of supervisors, road commissions, drain commissions and plat boards coordinate their efforts to see that streets and subdivisions are planned to best serve the public.

Scheduled to Attend
METAMORA—The Rev. Charles Robbins and some members of Pilgrim Congregational Church are planning to attend the annual meeting of the Congregational Association of Churches to be held Sunday at First Congregational Church, Detroit. Afternoon and evening sessions and a dinner are scheduled.

Commander Cites Service to Veterans
In marking the observance of National Veterans of Foreign Wars Week Jan. 23-29, Fred McDaniels, commander of the Oakland and Macomb County units, has cited the organization's 56-year record of service to veterans.

"The largest single unit of our organization is the national rehabilitation service, which has some 100 loyal employees," McDaniels stated. "This service represents our members and other veterans, as well as their dependents of deceased veterans, who may request our assistance in any claim or problem they may have with a federal agency."

Besides a staff in Washington, the group has service officers in the state who are ready and willing to give expert help to veterans and veteran's dependents who file claims with the regional Veterans Administration offices or hospitals, McDaniels said.

Dog May Win Approval as Honorary Legislator

LANSING (UP)—A dog may become a member of the Michigan Legislature.

Rep. Charline White (D-Detroit) said today she will sponsor a resolution making "Happy," the seeing-eye dog of Rep. Robert D. Mahoney (D-Detroit), an honorary member of the House of Representatives.

Both Mahoney and his wife are blind.

"Happy" is an 11-year-old boxer who sleeps through most of the legislative sessions.

Boat Controls Sought

INDIANAPOLIS, Ind. (UP)—A bill prohibiting "reckless boating" and requiring licensing of marine drivers has been introduced in the Indiana Legislature.

Williams Asks Dairymen to Confer on Milk Probe

LANSING (U)—Southeastern dairy farmers have been invited to a conference with Gov. Williams to air their charges of an alleged milk price monopoly in the area.

The governor said representatives of the attorney general's office and state agricultural officials also would be invited to attend. Date for the conference has not yet been set.

Some 400 dairy farmers headed by Harold H. Fritz, president

of the Romie local of the Michigan Milk Producers Assn., asked for a grand jury investigation of the alleged monopoly.

A resolution sent to the governor charged "monopolistic price fixing" and an "illegal monopoly" aided by "collusion of some persons connected with the Michigan Milk Producers Assn. with certain companies."

The dairy farmers said they are only getting 6 to 8 cents a quart for milk which is sold in Detroit for as much as 22 cents a quart.

Williams said the remedies that could be applied would depend on what situation actually exists.

"If the main or exclusive problem relates to economic but legal discrimination against the farmer," he said, "then an economic study with strong public support might be the best answer."

"If there is a legal monopoly, it should be investigated and prosecuted to the full extent of the law."

1st Inoculations Nearly Finished

County Immunization of Primary Pupils Enters 2nd Phase in February

The first phase of a countywide immunization program covering some 8,000 primary school students in Oakland County will be completed Tuesday, according to Dr. John D. Monroe, county health director.

Teams from Oakland County Health Department have been visiting schools this month, giving inoculations for diphtheria and tetanus.

On a second round of the schools, beginning next month, booster shots will be given for the first two diseases, along with immunization for smallpox.

Schools already visited include South Lyon, New Hudson, Novi, Lee Brooks (Milford), Davisburg (Holly district), Union Lake, Orionville, Bertha Baker (Lake Orion), Twin Beach (Walled Lake), Daniel Axford (Oxford), Leonard, Holly and St. William (Walled Lake).

Shots were administered this morning to children at Highland and Sashabaw (Clarkston) Schools. This afternoon the immunization team is at Glenary School in Walled Lake.

Inoculations are scheduled Tuesday morning at the new Walled Lake School and Commerce School. This will complete the first round.

Dr. Monroe said the county's immunization program is not meant to take the place of parents' responsibility to have their children inoculated by their family physician.

The free program, he explained, is intended to insure that all children attending school are immune, to lessen chances of spreading contagious diseases in classrooms.

Five Areas to Hold Polio Fund Marches

Five sections of Oakland County have scheduled Mothers Marches on Polio for Thursday, when contributors are asked to turn porch lights on from 7 to 8 p.m.

Volunteers in Orionville, Metamora, Lakeville, White Lake Township and Imlay City will be seeking contributions to the March of Dimes at that time.

Heading the Brandon Township collection, which includes Orionville, is Mrs. Laverne Borst. Mrs. Elbert Williams is chairman for Metamora village and Richard deBeaumont is running the Metamora Township campaign.

Mrs. Paul Johnson, Mrs. Dorothy Barnes and Mrs. Betty Ford will be callers in Lakeville. Chairman of the Imlay City march is Mrs. Grant Muir. Proceeds from the third annual basketball contest between the Towners and the Faculty, scheduled for 8 p.m. Feb. 2, will be turned over to the drive.

Enrollment Rising in Exercise Course

WATERFORD TOWNSHIP—The recreation department's new "Exercise class," boasts a registration of twenty-eight women.

The class is for ladies 16 and over who wish to tone their muscles, trim their figure and limber up.

All exercises are under the direction of Carol Wolfe, local ballet and ballroom dance instructor. Mrs. Wolfe leads the group through a series of techniques designed to limber and stimulate muscular coordination, encourage loss of excess fat and promote good posture.

This class is held every Thursday evening from 7-8 p.m. at the Community Activities Center.

Red Signs Going Up

DETROIT (U)—The city of Detroit will replace 10,000 yellow stop signs with the new red type. Alger F. Male, director of the Department of Streets and Traffic, says 2,500 will be replaced each year for the next four years.

Association to Meet

A 8 p.m. Thursday meeting of the Oakland County Assn. of Citizens League will be held at 1117 Cambridge St., Berkley.

Rebekahs, IOOF Install Officers in Clarenceville

CLARENCEVILLE—Clarence IOOF Lodge 427 and Rebekah Edgewood Lodge 290 held a joint meeting recently to install officers.

Heading the Oddfellows was R. Key, noble grand, and Earl LaForge, vice grand. C. Apple is the new treasurer; Mark McLean, recording secretary; Ralph Vander, financial secretary; Arthur Drow, chaplain and T. Koebel Sr., warden.

Others taking office were T. Koebel Jr., F. Reiner, William LaForge, A. Hallock, R. Corbin, B. Putterbaugh, Clarence Billings.

Rebekah officers installed were Eleanor Melmoth, noble grand; Nina Vader, vice grand; Lillian Drow, treasurer; Helen Williams, recording secretary; Mary Mendez, financial secretary; Pauline Apple, chaplain; Irene McLean, warden.

Others were Dorina J. Robbins, Lela Corbin, Mildred LaForge, Bessie Hodgson, Mae Jarlett, Emma Bush, Phoebe Headerle and Lillian Williams.

Turnout Insures Teen Program

WATERFORD TOWNSHIP—Teenage response to the township recreation department-sponsored weekly "Youth Night" has dictated its continuance.

Recreation Supt. Thomas Bolton said membership cards will be available to all high school students at a cost of 35 cents, and future charges of 25 cents per person will be made.

All fees are used for the operational cost of the informal evening of activity for the teen-agers. Bolton said the function will continue to be held for the balance of the school year from 7:30-9:30 p.m. Thursday evenings at the CAI building.

Dancing, games and a dairy bar are offered.

Dublin School Scouts Taking Dance Lessons

WHITE LAKE TOWNSHIP—The entire six girl scout troops of the Dublin school are taking dancing lessons en masse, learning the American Girl polka and other basic steps.

The 100 girls are taking their two hour lesson in Pontiac.

County Births

IMLAY CITY
Mr. and Mrs. Harold Dodge are the parents of a daughter.

BEWARE!

COUGHS FROM COMMON COLDS THAT HANG ON

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion. It goes into the bronchial system to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. Creomulsion blends beechwood creosote by special process with other time-tested medicines for coughs. It contains no narcotics.

Get a large bottle of Creomulsion at your drug store. Use it all as directed. Creomulsion is guaranteed to please you or drugstore refunds money. Adv.

Grains Falter After Advance

CHICAGO (U)—Grains were unable to carry through with the advance of the two previous sessions on the Board of Trade today.

The momentum was still upward at the start as commission houses had buying orders on hand. It was notable, however, that opening grains were not as substantial as yesterday, and trading was not as active.

After the first few minutes of dealings, buying power slackened. Prices of all cereals came down and in some cases went under the previous close.

Wheat near the end of the first hour was $\frac{1}{8}$ to $\frac{1}{4}$ higher, March \$2.32; corn unchanged to $\frac{1}{8}$ lower, March \$1.54; oats $\frac{1}{8}$ lower to $\frac{1}{4}$ higher, March 77; rye $\frac{1}{8}$ lower to $\frac{1}{4}$ higher, March \$1.24; soybeans $\frac{1}{8}$ to 2 cents lower, March \$2.80; and lard 3 to 13 cents a hundred pounds lower, March \$12.70.

Boy, 12, is Injured When Hit by Truck

Twelve-year-old William E. Long, of 841 N. Perry St., is reported in good condition in Pontiac General Hospital today after suffering bruises and probable fractured ribs yesterday when he was hit by a pickup truck at Perry and N. East Blvd.

Rene L. Brown, 33, of 754 Stirling Ave., according to Pontiac Police, said the youngster ran out in front of his truck. He said he applied his brakes in time to stop, but skidded on slippery pavement.
