INDIVIDUAL PROFILES
CROSS COUNTRY

Michael Call, '71:

Definitely a determined runner who gave his all in every meet. A veteran of the Cross Country Team, Mike was a very dependable team member.

Michael McCartan, '72:

Team captain. Easily the team's number one runner. His competitive spirit and prowess as an athlete made Mike a strong team leader. Although injury will prevent his running his senior year at Oakland, Mike has already secured a reputation as the finest runner and one of the best athletes in O.U. history.

Dave Robinson, '74:

A late comer to the cross country season, he immediately established himself as one of the team's best runners. Reluctantly, a work horse on the team, this Lansing freshman shows great potential. It should be mentioned that this fall his jovial good-nature was invaluable to team morale.

Dan Sibears, '74:

Although he got very little experience, Dan could develop into a very strong runner. Forced to quit cross country due to pneumonia, he still shows bright promise for the future.

Dennis Tibbetts, '73:

This ex-marine, accustomed to hard work, gave cross country his all. Though injured early in the season, he performed well in the meets he was able to attend. He was the team's most determined runner and improved significantly. Come fall, who knows what he'll do.

Darryl Williams, '74:

A young, strong runner. He quickly established himself as #2 team runner (due, perhaps, to his fine high school coach, Bruce Waha, of Detroit Redford?). A team work horse - with gusto! Watch for Darryl next fall.

INDIVIDUAL PROFILES
TRACK

Curt Boganey, '74:

A good strong hurdler. With persistent practice and determination, Curt could become one of the better Michigan hurdlers on the small college scene. His quick start and good speed definitely enhance his potential.

Calvin Bryant, '74:

For having no high school track experience, Calvin has the makings of a fine middle distance runner. With hard work he fearlessly attacked distances from 300 to 600 yards. What he has learned in the way of training and competition in his first year of track, will undoubtedly help him develop even more. Calvin has to be one of the most improved men on the team. Track world watch-out.

Larry Davis, '74:

A fine all around athlete, Larry excels in the high jump. Unable to practice his specialty, he still smashed existing Oakland records, leaping 6'4" on two occasions. His versatility was realized as he set new O.U. records in the 60 yard high and low hurdles. With hard work and determination, he could high jump into NCAA prominence.

Harvey Johnson, '74:

Possibly one of the strongest runners on the team. If Harvey was to let himself go, there's no indication of how far he would travel. Capable of running anything from 60 yards to a half mile, with persistent training, he could conceivably be the man to beat in the 440 or 600 yard runs.

Oliver Johnson, '74:

A very hard worker. Oliver was another runner that was rewarded by breaking O.U. records. He holds both the 60 and 300 yard dash records. With continued work, he should dominate his events.

Dave Robinson, '74:

Nick-named "Kip Keino", for his long legs and powerful strides, Dave proved to be absolutely worthy of his alias. He has the potential to be a class miler and half miler and possesses all the qualities to achieve that pinnacle. Definitely the hardest worker on the team, he was able to set the school record for the 880 yard run. This is only a slight indication of things to come.

Thomas Stewart, '74:

Tommy definitely shows signs of developing into a very good sprinter. If he had been able to train more consistently he might have approached his potential. Never-the-less, he came within one tenth of a second of tying Oliver Johnson's school record.

NEW COMERS

John Russell, '72:

After a full season of basketball, John stepped in at his specialty, the 440 yard run, and after only four days of practice, dashed to a respectable 53 seconds flat. Easily capable of bettering 50.0 seconds, John is a most welcome addition to the team.

Robert Willson, '72:

Bob is a former Oakland runner, who, after a stint in the service, is back to take up where he left off. He still holds the 440 and 600 yard records he set back in 1966, and if he continues to work hard and improve at the rate he is going, he will continue to dominate those events.

INDOOR TRACK MEET RESULTS

Western Michigan University Relays - Jan. 22

In their first meet, OU runners received a good taste of tough competition. The sprint medley relay team of Harvey Johnson, Calvin Bryant, Oliver Johnson and Dave Robinson were not placed as they ran 3:54.2 to establish an OU record.

Larry Davis tied for second in the high jump, leaping to a new school record of 6'4". Oliver Johnson also set a new school record in the 60 yard dash by running :06.5 seconds.

Eastern Michigan University Invitational - Feb. 6

Two OU records were set. Oliver Johnson sprinted :33.3 for 300 yards and Larry Davis ran :07.5 for 60 yard low hurdles, just ahead of Curt Boganey's time of :07.6 for the same distance. Larry also high jumped 6'3" for seventh in the meet. Dave Robinson gained more experience in the mile as he toured the distance in 4:41.6.

Grand Valley State College Invitational - Feb. 13

Oakland runners made a very respectable showing. The competition was tough but the Pioneers were not out-classed as Larry Davis captured fourth place in both the 60 yard high hurdles and the high jump. His efforts were :08.1 and 6'3" respectively. Oliver Johnson ran :06.6 seconds to finish fourth in the 60 yard dash and Dave Robinson doubled in the 880 and one mile runs, finishing seventh in both.

Western Michigan University Invitational - Feb. 27

Back to stiff competition, the Oakland runners jumped right into the thick of things. Oliver Johnson ran :06.6 for 60 yards to gain fourth in his heat. (the final was won by Gene Brown of Michigan in :06.1) The 60 yard high hurdles found both Curt Boganey and Larry Davis capturing fourth place in their respective
