CHUBBY GETS A TRIM — Robert (left) and Fred Barnard, 5945 Livernois Rd., Troy, give their showpiece, Chubby, a trim for the 4-H fair judging. The fair begins tonight and continues through Saturday. Both boys belong to the Troy 4-H group. They are the sons of Mr. and Mrs. Norman Barnard.

4-H Boys and Girls Prepare Exhibits

Hi-Ho, Come to the County Fair!

By JANICE HAYHOW

Over 2,000 Oakland County boys and girls poured into the 4-H fairgrounds today unloading their sheep, cattle, horses and projects. They're all set and ready for the 20th annual 4-H Club fair which opens officially at 5 p.m. today. Fairgrounds close at 11 p.m.

Some 30 local merchants have arranged commercials exhibits in one of the three quonsets at the fairgrounds, Perry Street at Walton Boulevard.

Tonight's activities call for crowning of a 4-H queen. Contestants must be from 15 to 21 years of age, be active in 4-H work, wear a cotton dress and have at least one summer project.

Tomorrow morning judges will choose top home economics exhibits, champion dairy animals and general exhibit winners.

At 1 p.m. an archery contest is scheduled along with Dairy Showmanship at 2:30 p.m.

A baseball game between two of the county 4-H clubs will start at 3 p.m. and a special pancake supper sponsored by the 4-H Service Club is on the docket for 6 p.m.

The Wednesday evening session will find the annual parade of floats built by 4-H clubs throughout the county, Harold and Hannah Hedges archery competition, the pig scramble and a dancing school.

Pontiac Hospital Board Acts on Survey Report

Pontiac General Hospital's Board of Trustees last night continued action in referring recommendations of the $5,707 hospital management report to various

★ ★ ★

Board committees for further study.

Some 46 recommendations were briefly discussed and referred to committees before the board agreed to allow chairman William P. Babcock to refer the remaining 35 recommendations in the report to committees without prior discussion by the board.

Commenting on the need for committee study before action on the survey's recommendations, Babcock said:

"If you want to take the report as gospel, the we should take immediate action on all these recommendations. But it's my opinion they should be carefully studied before action is taken."

After Hospital Director Miss Lauretta Paul told trustees she intends to promote administrative assistant Miss Shirley Dovre to a staff position as her assistant, the board recommended Miss Dovre's promotion be effective immediately so that she may help Miss Paul in the current hospital work before an assistant director is found.

NEW POST MADE

In accordance with the report's recommendation, trustees asked that Miss Dovre's duties be distributed among other staff members. She has been responsible for staff and public relations in the hospital.

Creation of a staff position as assistant to the director was not among the report's recommendations.

The 81 recommendations acted on last night were included in the last chapter of the 139-page report, and concerned departmental operations.

Installation of a reserve water main was discussed by trustees after Miss Paul reviewed the hospital situation last Saturday, when a concrete slab undermined by rain broke the pipe which supplies the thospital with water.

Service was disrupted from 9 a.m. to 6 p.m., Miss Paul said. She added that city firemen ran an auxiliary supply from a fire hydrant to one of the hospital's boilers, but said the expedient was far from satisfactory.

Cobo 7, Leonard 3 in First Returns

POINTE AUX BARQUES (AP) — Detroit Mayor Albert E. Cobo topped Donald S. Leonard by a vote of 7 to 3 in the state election primary in this Thumb area town today.

As usual, Pointe Aux Barques was the first Michigan community to report a complete vote.

At 11:20 a.m. this final, complete unofficial vote was announced:

For Governor: Democratic, Williams, 4.

For Governor: Republican, Cobo 7, Leonard 3.

For lieutenant-governor: Democratic, Hart 4.

For lieutenant-governor: Republican, Reid 8.

For Congress: Democratic, McCoy 4.

For Congress: Republican, McIntosh 8, Wood 2.

Dave Garroway to Wed Pamela Wilde Today

NEW YORK (INS) — Television Commentator Dave Garroway will wed Pamela Wilde today in the chapel of Manhattan's Municipal Building.

Garroway and his fiancee were turned away last Tuesday because they had no blood test certificates. They obtained a license yesterday.

Garroway, 42, listed his name as David Cunningham Garroway. It will be his second marriage—his first wife, Adele Dwyer, divorced him in Missouri 10 years ago on grounds of mental cruelty.

Miss Wilde, who registered as Pamela Wilde Kastner de Coninck, divorced Andre de Coninck six years ago in France, charging non-support.

Engaged since March, they recently returned from a five-week European vacation.

Weatherman Says: 'Little Change Seen'

The U. S. Weather Bureau predicts mostly fair and little change in temperature tonight. The low will be 58 to 62 degrees.

Mostly fair with little change in temperature is also the forecast for the Pontiac area tomorrow. The high will be 78 to 82 degrees.

The lowest temperature preceding 8 a. m. in downtown Pontiac was 62 degrees. At 1 p. m. the mercury registered 82 degrees.

Pot-O-Gold Answers? There Is No Limit

Pot-O-Gold fans used to sending in more than one entry to put the bite on the jackpot offered weekly in The Press will not be limited to one entry on puzzle No. 10.

Through error, an item in Monday's paper indicated only one answer was acceptable from each contestant.

Egypt May Rush to U.N. on Suez, Thwart Confab

Report Nasser to Label Troop Moves in Area a 'Threat to Peace'

LONDON (AP) — Cairo sources said today Egypt may rush an appeal to the U.N. Security Council in the Suez Canal case ahead of the Aug. 16 conference sponsored in London by the big three Western powers.

An informant close to President Gamal Abdel Nasser said Egypt is considering complaining to the Security Council that British and French military movements and parliamentary statements are a threat to peace.

If an appeal is made, he said, it would be before Aug. 16.

Replies to invitations to the 24-nation conference called by Britain, France and the United States are lagging.

Sir George Young, head of the British Foreign Office news department, announced that attendance did not imply advance approval of the idea of putting the Suez Canal under international control.

He said Britain, France and the United States had agreed upon the principle of international control, and that the conference would discuss the idea, but that other countries attending could put forward their own proposals.

* * *

His statement seemed aimed at such invited countries as India, Ceylon and Indonesia, which have been hesitating over their replies. Some diplomats have reported that these countries were holding off because it might appear they were approving the principle of internationalization beforehand.

Prime Minister Eden has declared Britain is resolved not to accept unfettered control of the canal by Egypt.

Sources close to Nasser on the other hand have reported he is ready to fight rather than permit the canal to pass under international control.

NATO LISTENS

Egypt's nationalization of the canal was discussed at a meeting of th council of the North Atlantic Treaty Organization in Paris. French, British and American delegates were said to have explained their position to their NATO partners.

The West German cabinet met in Bonn to consider its invitation to the Aug. 16 conference.

In New Delhi, the Afghan Embassy announced that the govern-

Team of Horses Finds Way Home After Year Away

HILLSDALE (AP) — A team of horses found its way home from a farm 10 miles away where it had been taken more than a year ago.

Farmer Charles Myers of Osseo, said Queenie, 18, and Bonnie, 10, broke down a fence at his son's farm and clip-clopped home along highway M34. Myers found them one morning last week grazing contentedly in a field near his barn.

Myers loaned the horses more than a year ago to his son, Charles. Myers said the team followed the same route home.

Myers said he'll keep the team. Queenie was raised on the home farm. Bonnie was a 4-H Club prize-winner reared by Myers' son.

New Look at Polls

Pontiac Press Photo

EARLY VOTER — Casting her ballot on the voting machines at Precinct No. 23 at Eastern Junior High School this morning was Mrs. Jack Alcock, of 74 N. Roselawn Dr. Voting was light this morning, but is expected to increase toward evening.

Steel Price Hike to Affect Cost of Consumer Articles

PITTSBURGH (AP)—U.S. Steel Corp., the world's largest basic steel producer, today hiked its prices an average of $8.50 per ton.

While steel prices vary widely, depending upon the many types, the composite price was about $130 a ton before the five-week strike which ended during the past weekend.

The boost may be felt by millions of persons who buy the thousands of articles made from steel. The auto industry previously indicated it expected such a move and planned higher prices for 1957 models.

In Detroit steel prices were unchanged today at three major steel producers. Price boosts were expected to follow the new union contracts.

Great Lakes Steel Corp., largest in the area, reported that increases have not yet been passed down from the parent firm, National Steel Corp.

McLouth Steel Corp., and the Rotary Electric Steel Co., also had no increases to report.

In anticipation of higher labor costs, Detroit Steel Corp. boosted prices approximately from $7 to $16 a ton last month.

U.S. Steel's price boosts in the

Press Will Furnish Election Returns

Results in today's primary election will be made available by The Pontiac Press by telephone tonight starting at 9 p.m. While increased use of voting machines is expected to speed up returns this year, no tabulations of significance are anticipated before 9 o'clock, after voting precincts close at 8. Press patrons seeking election results may call FE 2-8181 after 9 p.m.

O'Toole's No Fool —Fiancee to Wait While He Cools

LOS ANGELES (AP) — A smile played on the lips of John Patrick O'Toole, 26, as he was led from the courtroom to begin serving a six-month sentence for writing bad checks.

* * *

Patricia Gregory put the smile there. She is a television actress and dancer. She had told O'Toole yesterday, a few minutes before, that she would wait for him and become his ninth wife. Or perhaps she will be his 10th mate. Her status is a bit confused, because —

On June 22, Alta Maxson O'Toole, who said she was his eighth wife, obtained an annulment on the grounds that the unemployed auto salesman already was legally married to Marilyn Joyce O'Toole.

* * *

Marilyn O'Toole obtained an annulment because Billy Marie Reese, who said she was Wife No. 2 when O'Toole was known as John Lewis Reese, insisted she was not finally divorced from him. She said he would obtain a decree. The court, at that time, got a rundown on five other wives. One was divorced. One or two marriages were annulled. Atty. Blair Dalbey said records indicated there was a ninth wife, but that matter was not cleared.

* * *

None of this seemed to concern 21-year-old Miss Gregory. She shook her blonde hair and said, "He's a wonderful guy."

State Interest Centers on Republican Strength

Leonard and Cobo Hope to Face Williams

By THE ASSOCIATED PRESS

The weather dawned bright and clear over most of the state. The State Election Bureau had specified favorable weather would be necessary to get out up to 40 per cent of the vote.

Michigan Republicans today pick a candidate they hope can unseat Gov. G. Mennen Williams in his bid for an unprecedented fifth two-year term.

In the only statewide primary election contest on either ticket, the Republicans have a choice of two men who live only a few blocks apart on the same Detroit street—Albert E. Cobo, 62, mayor of Detroit under a non-partisan label for the past seven years, and Donald S. Leonard, 52, GOP standard bearer in 1954 and former Detroit and state police commissioner.

Williams beat Leonard by 250,000 votes two years ago. He has no primary opposition. Neither does either of the candidates for lieutenant governor — Democrat Philip A. Hart, the incumbent, and Republican Clarence A. Reid, the 1954 loser.

Governor and lieutenant governor are the only state offices on Michigan's primary election ballot. Minor state office candidates are nominated by party conventions next month.

EXPECT MILLION VOTES

In Michigan primaries voters can cross party lines, but they can't split their ballots between Republicans and Democrats.

The total vote of both parties is expected to run in the neighborhood of one million. The record Michigan primary vote was must under 1½ million 8, 1952. Slightly more than three million voters are registered.

Although 60 per cent of the state's 5,177 precincts use voting machines, Michigan's counting process traditionally is slow. Normally it is the early hours of the morning before a definite trend is established in any close race.

Voters also will choose 144 candidates for the state legislature and 18 congressional candidates, as well as scores of county and township officials.

Two Republican representatives, veterans George A. Dondero and Jesse P. Wolcott, are retiring. Eight of the other 16 incumbents face primary opposition, especially Republicans Ruth Thompson and August E. Johansen and Democrat Thaddeus M. Machrowicz.

Eight Seeking Oakland Seat in Congress

Local election officials this morning said sunny skies—the first in several days—should aid in drawing voters to the polls for the primary election.

* * *

Pontiac City Clerk Ada Evans, undisturbed by light voting as polls opened this morning, said she expects a sharp increase in turnout from 11 a.m. to 1 p.m. and from 3 p.m. until closing at 8 p.m.

By 10 a.m., most precincts had recorded about 25 voters, and Mrs. Evans estimated the total at 1,100 voters. Polls opened at 7.

While some Pontiac voters, using machines for the first time, were a little puzzled by the array of levers to be tripped in casting their ballots, most slipped easily into machine voting.

City voters are faced with a proposal to amend the charter and merge Pontiac employes' pension plan with Social Security benefits. Employes recently voted for the proposal by a 64 per cent margin.

If the proposal passes, Pontiac will join about 60 other Michigan communities with similar plans.

Heading local contests is the race for nomination to Congress. Campaigning for the nomination has been intense in both parties since Rep. George A. Dondero, veteran of 24 years in the House announced his retirement in January.

* * *

Five Democrats and three Republicans all are hoping to succeed him.

Voters in 249 county precincts will be selecting from a record slate of 76 candidates for nomination, although not all of these will appear on each ballot.

Candidates for state representative are divided among the legislative districts they hope to represent. Three candidates for non-partisan county posts are not listed on the primary ballot because they are unopposed.

* * *

Election officials predict a top vote of 20 per cent of the county's registered voters, or about 60,000 in today's election. The state total is expected to reach one million, and state officials hope for a 40 per cent turnout.

GM Declares Dividend

NEW YORK (AP) — Directors of General Motors Corp. Monday declared a dividend of 50 cents a share on common stock, payable Sept. 10 to stockholders of record Aug. 16. The same amount has been paid in recent quarters.

Honor Among Thieves?

WARWICK, R. I. (AP)—Thieves ripped open a massive safe at the Warwick Building Materials Co. over the weekend and got an undisclosed amount of money. They quenched their thirst while they "worked" with soft drinks from a nearby vending machine. Police said they did not tamper with the light metal dispensing machine, but used their own coins to pay for the drinks.

'It Wasn't So Hard to Use!' — Voters Praise Machines

Pontiac voters this morning were enthusiastic about the city's new voting machines, used today for the first time.

Some, a little nervous about this new accessory of the mechanical age, asked election workers at the polls for help in understanding the array of levers which recorded their votes.

But they emerged from the curtained booths wreathed in smiles.

* * *

Sample comments:

Mrs. Earl Ross, 152 Washington St.—"I just think they're wonderful. They're 100 per cent better than the old paper ballots. Why, I'd just like to go right back in there and vote again. But I'm going home now and tell everybody how easy it is."

George Kirby, 470 Orchard Lake Ave.—"There's nothing to it. I've been voting here for 51 years, and I sort of hesitated about coming because I was afraid I'd make a mistake. But it isn't complicated at all. Much better than writing on paper ballots."

Mrs. L. D. Shelton, 47 Henry Clay Ave.—"I think they're fine, much better than the old way. It's easier, too, and you don't have to be so careful about spoiling ballots."

A mildly dissenting opinion was registered by Mrs. E. L. Page, of 73 Henry Clay Ave., who said:

"I don't know . . . I suppose it's easier than the old way, but it seemed more personal to use paper ballots, more as if you were actually voting for somebody.

"Bu I understand it will be a lot easier to count them. It's progress, I guess."

Shivering? — Here's Why

Although last month was July many persons wondered as they pulled blankets out of mothballs when temperatures plunged to 53 degrees on the 18th breaking a 70-year low of 54.

Last July, residents sweated out temperatures in the 90s and high 80s. This year temperatures ranged in the 80s and high 70s.

The first day of July kicked off with a tornado alert. Pontiac Municipal Airport recorded gusts up to 55 m.p.h. No funnels were reported and the alert was lifted in early evening.

Pontiac area residents enjoyed a pleasant Independence Day when the mercury registered a comfortable 73.

TWO HOT DAYS

The thermometer soared to 92 July 1. After that temperatures ranged in the 60s and low 70s until the 27th when the mercury rose to 94 breaking Pontiac's chilly spell. Last year on the 27th the temperature was a sizzling 99.

Only 1.69 inches of rain were recorded for the Pontiac area in July, compared to last year's total of 2.48.

The average high temperature for the month was 80.5. The low averaged 61.

Vote Today—Election Polls Remain Open Until 8 o'Clock

Murder Field Searched Again

Police Find Some Glass but Jack Handle Still Is Being Sought

A thorough search of the entire hay field in which the body of three-year-old Martha Little was found dead and ravaged on July 27, failed to uncover an alleged missing jack handle. Only more broken glass was found yesterday.

* * *

Detectives Don Francis, of the Oakland County Sheriff's Department, and Charles Leaf, of the State Police, took the glass to the State Police post at East Lansing for fingerprints and blood tests.

The glass will be matched with a broken beer bottle found near the Lake Orion's girl's body and glass found in the trunk of the car owned by Howard W. Moore, now facing a first degree murder charge. A blood-covered T-shirt was found also on a Lake Orion road a few days after the murder.

"We searched the entire area again and even had a tree climber check all the trees but nothing was found," Leaf stated.

He said they checked trees because the handle might have been thrown in the air and stuck in a tree.

DISCOUNT CLAIM

Detectives still believe a jack handle and bottle were both used to kill the youngster despite a claim by Moore's brother that he had Howard's jack handle in his car.

"He hasn't brought it in to us or volunteered any information about it. We think Howard had one in his car because he told us he had been working under his car before and would have had to have it jacked up," Leaf said.

Moore, a 23-year-old furnace repairman, will be examined in Justice Court Friday on the first degree murder charge. Justice William H. Stamp will conduct the examination at the Independence Township Hall in Clarkston.

* * *

He admitted the crime shortly after the Little girl was found in the lover's lane off Maybee Road but last Friday said he would plead not guilty.

Pontiac Press Photo

GETTING READY FOR THE HORSES—East Oxford 4-H Horse Club members, put up temporary stalls to handle the 120 horses expected for judging in the 20th annual 4-H Club fair which starts at 5 p. m. today and lasts through Saturday. Here (front left to right) Diane Terry and Alan Curtis slave away. Looking on in back are (left to right) Ralph Curtis and Bruce Smith.

Break for Film Fans: U.S. Lifts Ticket Tax

WASHINGTON (INS) — Moviegoers no longer have to pay federal excise tax on tickets costing 90 cents or less.

The new law, signed by President Eisenhower yesterday, applies to other amusements and sports also. It was hailed as a victory for the entertainment industry.

The 10 per cent tax still applies, however, on admissions more than 90 cents.

Although the House had approved tax exemption for fares up to one dollar, the Senate lowered the figure to 90 cents. The House finally concurred.

The motion picture industry for many years has been seeking abolition of the World War II excise tax on theater admissions.

Under previous law, excise taxes were applied to all admissions above 50 cents.

Snake on Brade Pedal Scares Driver—3 Hurt

NORWAY, Maine (INS)—A live grass snake, wrapped around a car's brake pedal, caused a highway accident that hospitalized three persons.

Mrs. Clara T. Holden of South Paris, the driver, told police one of the children noticed the snake, screamed, and frightened her into losing control.

Taken to Lewiston Hospital for observation were Marjorie Hill, 18; Everett Danforth, 11, and Daniel Cooper, 3, all of Norway.

No one could figure out how the snake slithered into the car.

Rekindled Hopes Doused

CATANIA, Sicily (AP) — A postcard arrived from Soviet Russia yesterday for a Catania family from their long-missing soldier son, Agatino d'Antoni. Their hopes fell when they read the date on the card — July 20, 1942.

Dems Start Building Platform

GOP Foreign Policy Hit

CHICAGO (AP) — Former Sen. William Benton of Connecticut told the Democratic Platform Committee today "the country has been lucky to avoid disaster" under Eisenhower administration foreign policies.

* * *

Benton, a former assistant secretary of state, said "the gravest weaknesses of the Republican administration" lie in its handling of foreign affairs. He added in prepared testimony:

"It is high time to return our foreign policy to competent and experienced hands."

Benton said the Republicans "inherited a good foreign policy blueprint" from former President Truman, who is to give his views to Democratic platform writers Thursday.

* * *

When the Eisenhower administration and Secretary of State Dulles stuck to Truman policies "they fared reasonably well," Benton said, but whey they tried to adjust to fresh developments, a three-stage cycle of "bluff, boast and backdown" resulted.

"We have fewer friends today, and colder allies," Benton said. "The neutrals are skeptical of us, even to the point of contempt. Our enemies are more confident, even to the point of arrogance.

"How hollow today sound those ringing slogans of the Republican campaign of '52 and the Republican administration of '53, '54 and '55. The 'bold new program' was one slogan.

* * *

" 'Liberate the satellites!,' 'Unleash Chiang Kai-shek,' 'Repudiate Yalta,' 'Massive reliation,' Where are they now?

"And last fall, we heard Secretary Dulles tell the hard-working Senate Foreign Relations Committee that the Soviet Union was close to the 'verge of collapse.' Thank God the committee and Congress didn't believe him. On the contrary, Congress increased the appropriation for the Air Force by something like a billion dollars."

Benton said the Eisenhower administration has "failed to counter communism's appeal to the uncommitted and underdeveloped nations." And by strongly emphasizing military pacts, he said, the Republicans "have got us into the fantastic position of having to convince the world that we are for peace."

Egypt May Thwart Big 3 Talks on Suez

(Continued From Page One)

ment of Afghanistan approved Egypt's action.

* * *

Egypt, the Soviet Union and India top the list of nations that still have not said whether they will attend the talks the Western Big Three propose to open in London Aug. 16. There were rumors India's Prime Minister Nehru might be shaping a counter plan to give Egypt a face-saving avenue of retreat.

Snowballing tension over the Suez crisis pushed oil shares downward on the London Stock Exchange today.

More than 100 million pounds (280 million dollars) was marked off the value of leading oil issues within minutes of the market opening. A few buyers appeared in later trading and prices firmed slightly.

The cutback followed a dive of oil shares yesterday on Wall Street in New York where some issues dropped as much as $14.

In Plymouth, England, the aircraft carrier "Ocean," third of Britain's "carriers for Cairo," completed loading men and equipment and prepared to sail today for the Mediterranean.

The mighty warship is the third carrier in three days dispatched to bolster Britain's position in the canal crisis.

Asks Milk Action

DETROIT (AP) — Roland Brengle, president of the Fair Share Bargaining Assn., asked Gov. Williams Monday to take immediate action on a state milk marketing act. Brengle cited what he called "another drastic cut in milk prices" after Aug. 31. He seeks to regulate the wholesale price of milk by means of a milk commission.

Tradition May Be Tossed by Stevenson in Chicago

CHICAGO (AP)—Adlai E. Stevenson is prepared to toss political tradition aside in filling second place on the ticket if he wins the Democratic presidential nomination.

* * *

Stevenson, the party's 1952 nominee, is supremely confident he will get the top nomination on the first or second ballot at next week's convention here.

This view, of course, is disputed by supporters of Gov. Averell Harriman of New York and several "favorite son" candidates working for a deadlocked convention in which the lightning might strike one of them.

If he is worried by the threat of such a deadlock, Stevenson does not show it. He already is reviewing and refurbishing his position on major issues in anticipation of a vigorous fall campaign against President Eisenhower.

* * *

He has convinced himself in primary campaigning in all sections of the country that Eisenhower's popularity is overrated. He believes the President can be beaten.

With this in mind, he is looking ahead still further to January. He has told friends he is more interested in getting a running mate who will make a top-notch vice president than in satisfying the usual requirements of geography and voter appeal.

His view, like that of some Republicans, is that a vice presidential candidate seldom adds much strength to the ticket.

What he wants, he has told friends, is a vice president who will be the President's personal representative in Congress — a force for the White House legislative program.

Beyond that, he apparently wants a man who could do the same sort of security council, globe-trotting and ceremonial job for him that Vice President Nixon has done for President Eisenhower.

To get the kind of man he wants, Stevenson is willing to waive geographical considerations. He is attracted, for instance, to Democratic Sen. Hubert Humphrey of nearby Minnesota. Humphrey's friends were the first to open headquarters here for the No. 2 spot.

Stevenson also has had some warm praise for Mayor Robert F. Wagner Jr. of New York as an executive he thinks has accomplished a great deal without bombast. He likes the cut of the jib of Democratic Sen. John F. Kennedy of Massachusetts.

* * *

Stevenson's strategists, who pay more attention to the political implications than their candidate does, do not discount the possibility that Sen. Estes Kefauver of Tennessee might wind up in second place on the November ticket.

Detroit to Sign Port Director?

Retired General in City to Talk Over Position; Action Due Today

DETROIT (INS)—The former director of the Port of San Francisco, a retired Army brigadier general, was expected to accept the job of Detroit Port Director today.

* * *

Robert H. Wylie was in Detroit last night to meet with members of the Detroit Port Commission. They spent six hours with him, coaxing him to take the job. It has been called the hottest seat in Wayne County Government.

Wylie told Chairman Henry J. Sullivan and Secretary John J. Basso he would give a definite answer at today's special meeting of the port commission.

Last year, Wylie was offered and turned down the job. He claimed it was not financially prudent for him to accept. At the time, the port director's salary was $15,000. Wylie insisted he would need $22,000 to make the move.

* * *

Since then, the salary has been raised to $16,340 a year. It climbs to $18,860 after three years.

Yesterday, Wylie said he was not in Detroit to "horse-trade." He made it clear the salary would not be a "controlling interest" in his decision.

Report Two Billfolds Stolen or Misplaced

Two women's billfolds were reported lost or stolen in city stores last night during shopping hours.

Dorothy Hunt, of Romeo, told Pontiac police her billfold was either lost or stolen at Kresge's. It contained $5 and a check worth $25.

The other wallet was discovered missing at Nelsner's. It contained $60 in cash and was owned by Anna Rotramel, of 2158 Crane St., Waterford Township.

'No U.N. Blackmail'—Hill

DETROIT (AP) — Rumors that the U.S. is relaxing its opposition to admitting Red China into the United Nations "are getting credence" abroad, Asst. Secretary of State Reboret C. Hall said Monday. But Hill told members of the Detroit World Trade Club that this country won't be "blackmailed" into approving the Communists.

Fire Extinguishers Stolen From Trucks

Pontiac police detectives began an investigation today into the theft of two dry chemical fire extinguishers from parked transport trucks believed to have occurred last weekend.

The extinguishers were found missing yesterday morning from the trucks at the Cole Oil Co., 382 S. Sanford St. Owners set the loss at $70.

F. W. Wagner Service Slated for Tomorrow

BIRMINGHAM — Services for Frederic W. Wagner, vice-president of Wagner Bros. of Highland Park who was killed in a plane crash last week, will be at 1 p.m. tomorrow at Bell Chapel of the William R. Hamilton Co.

Burial will be in Roseland Park Cemetery.

Mr. Wagner resided at 3184 Morningview Terrace, and belonged to the Westminster Presbyterian Church of Detroit, Masonic organizations, the American Electropiaters Society, Orchard Lake Country Club and Detroit Yacht Club.

He attended Detroit schools, Culver Military and Christ School in Ashville, N. C. He had come to Birmingham 11 years ago.

He leaves his wife, Bettie, two sons, Kippy and Frederic; four daughters, Chrissie, Helen, Susan and Betsy; his mother, Mrs. Alfred T. Wagner of Detroit; a sister, Mrs. George L. Domine Jr. of Grosse Pointe, and a brother, Joseph, of Birmingham.

His body was found in the wreckage of a private plane in Gladwin County Sunday.

Pontiac Deaths

Wallace H. Jury

Wallace H. Jury, 54, of 586 E. Beverly St., died suddenly yesterday afternoon.

He was born in Lyons on May 26, 1902, and married Florence Nelson here on June 21, 1923. His parents were William and Thirza Halstead Jury.

Coming here from Gary, Ind. 38 years ago, he had been employed in the maintenance department of General Motors Truck & Coach Division for 27 years.

Surviving are his wife; two children, Wallace Jury Jr. of Pontiac, Mrs. Kenneth Patterson of Manston, England; three grandchildren; one sister, Mrs. Curtis Henson of Longview, Tex.; two brothers, Walter Jury of Columbiaville and Ward Jury of San Antonio, Tex.

Arrangements will be announced later by the Voorhees-Siple Funeral Home.

Mrs. William Kish

Mrs. William (Arlene) Kish, 40, of 522 Kenilworth Ave. died yesterday after a prolonged illness.

Born on March 11, 1916, in Senath, Mo., she was the daughter of Mr. and Mrs. John Smith.

Mrs. Kish came here 20 years ago from Missouri and had been employed at the General Motors Truck & Coach Division.

Besides her husband, she is survived by two children, Mrs. Velma Jean Stuart of Utica and Donald Harlen Goode of Pontiac with whom she made her home. A brother, Clarence Morgan of Detroit, also survives.

Service will be at 1:30 p.m. Thursday from the Huntoon Funeral Home with burial in Perry Mount Park Cemetery.

Dictator Peron Plans a Visit to Venezuela

PANAMA (AP)—Argentina's wandering ex-dictator, Juan D. Peron, apparently is about to move again. Venezuela appears to be his next destination, and his current girl friend is slated to go along.

* * *

Peron's aide, Isaac Giloberte, sailed last night with the former Argentine President's automobile aboard the Italian liner Amerigo Vespucci for the Venezuelan port of La Guaira.

Informants said Peron and Maria Estela Martinez, 25-year-old Argentinian dancer, would follow by plane to Caracas later this week. Miss Martinez has been his close companion for the past three months.

* * *

There was talk the party might go on eventually to Europe.

Miss Lucy Still Hoping to Re-Enter University

NEW YORK (INS)—The former Autherine Lucy, 26, now the wife of a Baptist minister in Tyler, Tex., said today she intends "to do all" in her power to return to the University of Alabama.

"But for the present, at least, my hands are tied," said the Negro coed at her home in Tyler where her husband, the Rev. Hugh L. Foster, 27, is pastor of two small rural churches.

"I wish with all my heart that I could return in time for the fall semester, but I cannot. I must await the decision of the courts," she added.

Miss Lucy was expelled from the university last February when her presence in classes touched off campus racial riots.

Fishing Gear Stolen From Unlocked Cars

Two thefts of fishing equipment were reported to Pontiac police Monday. Both were from unlocked parked cars.

A spinning rod and reel and a jacket valued at $35 were taken from a car at 52 Newberry Street sometime between Friday night and Saturday morning.

Two fishing rods and reels were found missing from a car at Baldwin Avenue and Kennett Road Friday night. Their value was set at $49.

Sheriff Searches Ax Murder Site

Chase Down Robbery Motive in Davisburg Brutal Killing

Oakland County detectives had very little new to work on today as the mystery of the brutal slaying of 72-year-old Florence Norton went into its seventh day.

* * *

Investigators yesterday established the fact that the aged Davisburg recluse had saved a considerable amount of money but have been unable to determine if she kept it in her house.

"We talked with the vice president of the Clarkston bank and he told us Mrs. Norton had $6,835.04 in a checking account there but no safety deposit box. We think she may have had a deposit box somewhere else, possibly at Holly," detective Leo Hazen said this morning.

Hazen and Jack Davis covered the farm house and entire area of the Rattalee Lake road farm yesterday in another effort to find the widow's missing billfold or other new clues to the ax-slaying. They also talked with neighbors.

Meanwhile, county fingerprint specialists James Rohm and Bruce Welch continue interpretation of fingerprints taken from the various parts of the 120-acre farm.

A dinner plate, which has a print, not Mrs. Norton's, is being held at the jail.

Detectives assume a robbery motive in the murder of the hard-working farm woman who was known to have loaned money to several area residents. All indications, however, point to the fact that she kept little cash on her person.

Memorial Fund for Sex Victim Reaches $2,050

The Martha Little Memorial Fund, a drive to raise funds to buy a tombstone for the victim of the recent sex slaying in Lake Orion now totals $2,050.

* * *

Donations have been pouring into the fund and to the Joseph Little family from Colorado, Georgia, Pennsylvania, and Alabama. Three-year-old Martha was found dead and ravaged in an Independence Township hayfield July 27.

Lake Orion and Oakland County residents have opened their hearts and pocketbooks to keep the memory of the dead girl alive. The project was started by the Lake Orion Lions Club, which paid for funeral expenses. Clubs at Rochester and Rose City have aided in the drive.

Contributions have enabled Little to pay his debts and help the family of seven get back on its feet.

Monday, Little started a full time job at the ArtCo Manufacturing Company in Lake Orion. He had previously been limited to part-time work due to a diabetic condition.

All money received for the Martha Little Memorial Fund will go towards the tombstone purchase and a new home for the Littles.

* * *

Should donations fall short of the house costs, the remaining amount over the tombstone expenses will be given the family, a Lions Club spokesman said.

Graft Area Schools Face Audit of Books

LANSING (AP) — The State Department of Public Instruction said today it will check the books of the Ecorse and Taylor Township School Districts.

Harold R. Brown, chief of the department's Finance Section, described it as "a routine audit."

* * *

"We have nothing now to indicate there is anything wrong in the districts," Brown said. "But because of the graft charges against areas of local government it was thought that a check had better be made on a state level to make sure everything is in order."

Charles E. Brake, superintendent of the County Board of Education, said he has sent the two districts' financial reports for the past two years to the state.

* * *

Brake also said his office has received no complaints of mismanagement of school funds.

A one-man grand jury is investigating graft charges centering in Ecorse.

Arrest Is Pleasant if Done Courteously

SYRACUSE, N.Y. (AP)—Here's an item for a rare-documents collection:

A letter in which motorist Kenneth Lang writes of the traffic officer who arrested him: "He acted in a most courteous manner, approached me like a gentleman and talked to me in the same manner."

Lang was booked by Patrolman Ralph Bagnett for driving with the wrong type of registration. The motorist paid $5 at the Traffic Violations Bureau, which shortly thereafter received the letter about Bagnett.

The Day in Birmingham

City Rezones on Lincoln but Eyes Future Usage

BIRMINGHAM — City Commissioners ignored residents' requests to not rezone property at East Lincoln and Commerce last night, but appeared sympathetic to their opinions when considering the property's sale.

The sale agreement will include restrictions of the property's use, commissioners decided. They tabled the sale pending working out of those restrictions.

Residents filled the commission room to capacity for the nearly two hours of discussion on rezoning to industrial use. They objected loudly to noise emanating from Berry Door Co., next to the land being considered.

Among speakers was Robert Plawinski, president of Sheffield Estates Civic Assn., whose members live adjoining the two properties.

Departing City Manager D. C. Egbert's report submitted to the council pointed out that an agreement when the home lots were sold to the Edward Rose Co. for subdividing in 1951 specified that the land under discussion could be used for industry.

The same agreement reserved the present Eton Park land for recreational use.

Over an objection of the Chamberlain Co., rezoning of lots 56, 57 and 58, Adams Park Subdivision, from Public to Business B was voted, and the land sale agreement approved.

Purchase by the North Evergreen Sewage Disposal Authority of the local sewage treatment plant was approved by commissioners.

A meeting to be arranged by the police chief with state police officials was authorized. It will deal with speed control zones on Maple and Adams roads and parking controls on Cranbrook.

Recreation Director Robert Girardin's request, that consideration of the surplus fund of his department be held in abeyance until the recreation board may discuss it, was approved. The fund has reached $6,342.

Harold Schone, new city manager, was named to the Southeastern Oakland County Garbage and Rubbish Authority.

Further property acquired for Parking Lot HH is that of Sam Bruni, for which the city plans to pay $55,000, of Charles Huff, $8,400, and the Ellenwood land, $26,000.

Deeds from Mrs. Arthur Dubuc ($23,560) and the Ellenwoods have been received.

Eight of the ten lots for Parking Lot 3-A also are in the city's possession.

* * *

The Zoning Board of Appeals will meet at 8 p.m. tonight in the Commission Room of the Municipal Building to consider requests from Max Morden, for a garage conversion to living quarters at 757 Pleasant; Alfred Ragan, 1276 Holland, building porch; and Tom Ward, 1684 West Lincoln, and Alonzo Willis, 1697 Latham, attaching garages.

Chemical Blast Kills 3, Hurts 17

Investigators Sift Ruins of Million-Dollar Blowup at Olin Mathieson Corp.

NIAGARA FALLS, N. Y. (AP)—Investigators today sought the cause of a million dollar explosion at the Olin Mathieson Chemical Corp. plant yesterday that killed three men and injured 17.

* * *

Company officials said the blast wrecked three buildings where an insecticide was manufactured. Six others were damaged.

The three dead were Herman C. Strablow, 29, of Bergholtz; John Maule Jr., 34, of Niagara Falls, and Francis Kramarik, 22, of North Tonawanda.

Twelve of the injured were admitted to hospitals.

A company spokesman said the explosion, shortly after noon, was in a building near where classified government work was being done. No buildings in the restricted area were damaged.

* * *

Witnesses said flames shot into the air, and a billowing mushroom-shaped cloud formed.

The fire which followed the blast was brought under control in about two hours.

31 Oakland Area Drivers Lose License Privileges

Thirty-one Oakland County drivers had operator's licenses revoked or suspended in recent action announced by the Secretary of State's office.

* * *

Ordered to furnish financial responsibility after conviction of driving while under the influence of liquor were: William H. Broadnax, 530 Montana Ave.; Carmen F. Stockdale, 43 Tacoma Ct.; John D. Baker, Hazel Park; James R. Blaylock, Lake Orion and Ferdinand S. Schmidt and Norman J. Schwieger, both of Clawson.

Suspensions because of habitual negligence were ordered against: William G. Ander, 147 Hudson Ave.; James Broome, 361 Wessen St.; Ralph C. Cullens, 5491 Elizabeth Lake Rd.; Hilbert E. Damstra, 36 Stockwell St.; Willie J. McClain, 446 S. Saginaw St.; Clavern Tyson, 310 Wessen St.

Murray Baker and Richard K. Watt, both of Ferndale; Theodore J. Belanger, Birmingham; Jack A. Comp and George Helm, both of Rochester; Richard A. Dawley, Drayton Plains; Charles L. Fuson, Walled Lake; Danny Jones, Berkley and Coy E. Schooler, Hazel Park.

REVOKED DRIVERS

Ordered to furnish financial responsibility because of unsatisfied judgments were Sidney Cobb, Ortonville and Vander B. Kelley and Charlie Poindexter, both of Ferndale.

* * *

Driving while licenses were suspended resulted in an additional year's suspension for Robert Ballard, 192 W. Wilson Ave. and an additional two-month's suspension for Lynn A. Livingston, Royal Oak.

Driving while licenses were revoked resulted in an additional three-year revocation for Gerald L. Berden, 478 Midway Ave. and an additional two-year revocation for Kenneth R. Cody, Ferndale.

Suspensions were ordered against Thomas J. Cassidy, Lake Orion, for driving without an operator's license and against Robert T. Henderson, 490 Upland Ave. after conviction of unlawfully driving away an automobile. A one-year revocation was ordered in the case of Frank J. Jankie, Birmingham, because of inability to pass physical tests.

Steel Price Increase to Affect Consumers

(Continued From Page One)

wake of the strike by 650,000 members of the United Steelworkers were somewhat lower than expected. Other companies probably will revise their prices along the same line.

Clifford F. Hood, president of U.S. Steel, said his company's employment costs will increase some 7.6 per cent during the first year of the three-year, no-strike contract which ended the walkout.

He declared the price increase amounts to "about 6.25 per cent." This, he said, "reflects the persistently rising costs with which the company is confronted."

* * *

It is possible that manufacturers of hundreds of items—ranging from wrenches to heavy appliances such as refrigerators—will adjust their prices upward. But competition in many industries will be a determining factor in any price adjustments.

It is possible some steel fabricators will absorb part of the increased cost of steel.

Nails, essential in all carpenter work, were increased about $15 per ton.

The heavy steel girders used in big buildings and bridges went up $8 per ton to $100. That undoubtedly will mean that construction costs will rise.

NO COMMENT ON INCREASE

A spokesman for David J. McDonald, president of the USW, said he would have no comment on the price increase.

McDonald has said previously that the steel industry boosted prices in recent years by amounts substantially higher than their added costs in labor agreements.

* * *

While U.S. Steel was notifying customers of the price hike, steel began flowing from some furnaces again.

About half of the 60,000 men covered by the new contract were expected to be back on the job today.

* * *

By the end of the week practically all of them will be at work and within another week to 10 days full production is expected.

Grains Advance 'Slightly Easy'

CHICAGO (AP)—Grain futures took a slightly easy trend in the first hour on the Board of Trade today. The commission men and speculators were inclined to avoid short sales on wheat and soybeans, and the other grains went along.

* * *

Wheat toward the end of the first hour was ¼ to ⅝ lower, September $2.15¾; corn ⅛ to ¾ lower, September $1.47¼; oats unchanged to ⅝ lower, September 74¼; rye unchanged to ½ lower, September $1.35½; soybeans ¼ to 1 cent lower, September $2.40¾; and lard unchanged to 5 cents per hundred pounds higher, September $11.52.

News in Brief

A Madison Heights man waived examination yesterday when he was arraigned on a charge of unlawfully driving away an auto. James M. Cuddington, 18, was remanded to the Oakland County Jail under $1,000 bond. He was bound over to Circuit Court by Justice Hendrick Smit, of Madison Heights.

The drive chains were taken from a parked hay loader in Independence Township yesterday, the Oakland County Sheriff's Department said today. The loader had been parked at 6175 Fleming Lake road.

Archie Nipper, of Oxford, was sentenced to 90 days in the county jail Monday after pleading guilty to drunk driving. He was arraigned before Springfield Township Justice Emmett C. Leib.

Pleading guilty to drunk driving, George W. Harris Jr., 21, of Madison Heights, was sentenced to 30 days in the Oakland County Jail yesterday. The arraignment was conducted by Royal Oak Municipal Judge Fletcher Renton.

If your friend's in jail and needs bail, Ph. FE 5-9424 or MA 5-4031. —Adv.

Former Olds Leader Dies of Heart Attack

DETROIT (AP) — A heart attack yesterday proved fatal to Timothy C. Downey, 63, who retired last January as works manager of the Oldsmobile Division of General Motors.

* * *

Downey came here from his home in East Lansing to attend a baseball game Sunday. He was stricken in the hotel where he had stayed overnight.

A native of Dollar Bay, Downey had been with GM 40 years before his retirement.

Hare to Keep Seeking Right to Deny Licenses

LANSING (AP) — Secretary of State James M. Hare says he will try anew for legislative approval to deny license renewal to drivers with bad traffic records.

The power, which Hare thought he had right along, was declared non-existent last June in Ingham County Circuit Court.

In July, Hare asked the special legislative session, through a bill filed by Sen. John B. Swainson (D-Detroit), to plug the gap. The bill promptly was pigeonholed in committee.

Hare told a meeting of the State Traffic Safety Commission Monday he will submit a new proposal when lawmakers reassemble Thursday.

Compressor, Spray Gear Stolen From Project

A gasoline-operated spraying machine and an air compressor motor were taken from a housing project on N. East Blvd. near Mt. Clemens Street sometime over the past weekend, it was learned today from Pontiac police.

The equipment was owned by Kitchen's Construction Company of Detroit. Officials of the firm estimated the losses at $200.

Detroiter Wins Awards

DETROIT (AP) — Richard Harris, 18, of Detroit, topped 37 other Michigan High School students named winners in the 10th annual Industrial Arts Awards and Student Craftsman's Fair competition sponsored by Ford Motor Co. A telescope constructed by Harris won $80 for second place in the machine shop division and $50 as a design award.

Driver Bumped, Bruised by Collision in Pontiac

Ronald L. Dobson, 23, of Oxford, suffered minor injuries when his car collided with another in Pontiac last night. He was treated at Pontiac General Hospital for bumps and bruises.

The other car was driven by Mrs. Orana M. Wallace, 24, of Clarkston. The crash took place on Montcalm avenue, west of Wolfe street.

Wallace reportedly was making a left turn into a ballpark when struck by the oncoming vehicle.

MARKETS

Produce

DETROIT PRODUCE

DETROIT, Aug. 4 (AP)—Prices paid for locally grown No 1 and fancy grade produce at the Detroit Farmers Market were:

FRUITS—Apples, Dutchess, No 1, 3.25-3.75 bu; apples, Red Bird, fancy, 4.50 bu; No 1, 3.50-4.00 bu; apples, Transparent, fancy, 4.50 bu; No 1, 3.50-4.00 bu. Blackberries, No 1, 10.00 24-qt case. Turnips, No 1, 1.00-1.50 doz bchs; turnips, topped, No 1, 1.50-2.00 bu.

LETTUCE AND SALAD GREENS—Endive, No 1, 1.50-2.00 bu; endive, bleached, No 1, 2.25-2.75 bu. Escarole, No 1, 1.50-2.00 bu; escarole, bleached, No 1, 2.25-2.75 bu. Lettuce, Bibb, No 1, 1.00-1.50 pk bskt; lettuce, Boston, No 1, 2.25-2.75 bu; lettuce, Head, No 1, 1.00-1.25 bu; lettuce, Head, No 1, 2.00-2.50 3-doz; lettuce, Romaine, No 1, 1.50-2.00 bu.

DETROIT EGGS

DETROIT, Aug. 6 (AP)—Eggs, f.o.b. Detroit, cases included, federal-state grades:

Whites—Grade A jumbo 56-57, weighed average 56; large 50-52, wtd avg 50½; medium 43; small 31-33, wtd avg 31½; grade B large 45-48, wtd avg 45½; peewees 25.

Browns—Grade A jumbo 53-55, wtd avg 54½; large 49; medium 43; small 31; grade B large 45; grade C large 35; peewees 25. Checks 28-37 wtd avg 28½.

Commercially graded:

Whites—Grade A extra large 44-45, large 41-43, medium 37-38, small 30, grade B large 37.

Browns—Grade A extra large 45, large 40-44, medium 36-38, small 29-30, grade B large 36-36½.

Comment: Market unsettled with supplies of large tending to accumulate in some quarters as distributive movements spotty. Over-all trade continued just fair with supplies of mediums and smalls fairly well balanced with demand.

CHICAGO POTATOES

CHICAGO, Aug. 6 (AP)—Potatoes: New stock arrivals 188; on track 294; total U.S. shipment 398 Friday, 224 Saturday, 3 Sunday; supplies moderate; demand moderate; market slightly weaker; carlot track sales 100 lb California long whites 6.00; Washington long whites 5.50-5.60; Idaho-Oregon long whites 5.60-5.85; Colorado round reds 4.65.

Poultry

DETROIT POULTRY

DETROIT, Aug. 6 (AP)—Prices paid per pound f.o.b. Detroit for No 1 quality live poultry up to 10 a.m.:

Heavy type hens, 22-23; light type 15; heavy broilers or fryers (2-3½ lbs) whites 24, caponettes (4 lbs) 26, (5-6 lbs) 27-29. Turkeys: Heavy type young toms 33.

Comment: Market about steady. Arrivals consisted mostly of caponettes with supplies fully ample to a fair demand. Weekend clearances, generally good in view of last week's lighter receipts.

CHICAGO POULTRY

CHICAGO, Aug. 6 (AP)—Live poultry steady on hens; barely steady on caponettes; receipts 1,080 coops (Friday 993 coops; 113,000 lbs); F.O.B. paying prices unchanged to 2 lower; heavy hens 18½-20; light hens 17-18; old roosters 15-15; caponettes plus 4½ 27-28; under 4½, 25-26; broilers or frye.

Livestock

DETROIT LIVESTOCK

DETROIT, Aug 7 (AP)—Hogs. Salable 600. Early sales and bids weak to 25 cents lower, with most bids 25 cents or more lower; few early sales U.S. 1 to 3 180-240 lbs. 16.75-17.25; scattered sales sows 15.50 down.

Cattle. Salable 800. Largely A slaughter steer and yearling run; slaughter steers and heifers active, fully steady; cows and bulls slow, weak; some interests bidding lower and cows; very indifferent outlet for fat utility cows; stockers and feeders steady; most good and choice fed steers 22.00-25.50; few high choice and prime lots 26.00; some standard and good steers 17.00-21.00; few good and low choice fed heifers 20.00-22.50; high choice and prime absent early; utility and standard steers and heifers unevenly 13.00-18.00; early sales utility cows 9.00-11.50; some held higher; early sales canners and cutters unevenly 8.00-10.50; good and choice stock steer calves 20.75.

Calves. Salable 250. Generally steady considering quality; most good and low choice vealers and slaughter calves 19.00-26.00; high choice and prime very scarce; late Monday, few prime individuals up to 32.00; most sales utility and commercial 15.00-20.00; cull and utility 12.00-16.00.

Sheep. Salable 250. Salable supply increased by several lots of lambs carried from Monday; market not established.

CHICAGO LIVESTOCK

CHICAGO, Aug. 6 (AP)—Salable hogs 6,500; fairly active and uneven; mostly 25 higher early on butchers; instances up more on weights over 230 lb.; later trade weights under 210 lb only steady; sows about 25 higher; receipts smallest for Monday in two years; fair shipping outlet; most No. 2 and 3 200-270 lb butchers 16.75-17.25; few hundred No. 1 to 3 200-240 lb 17.25-17.50; 36 head, lot No. 1 and 2 210 lb at 17.60; No. 1 and 2 all weights very scarce; small volume 280-320 lb 16.00-16.75; deck No. 3 298 lb 15.00; increased proportions mixed weight lots 160-195 lb 15.00-16.75; larger lots sows 400 lb and lighter 14.75-16.00; few lots 300 lb and less to 16.25; 400-550 lb mostly 13.00-14.75.

Salable cattle 16,000; salable calves 300; steers and heifers moderately active; 25 to 75 higher mostly 50 up; few steers and heifers grading standard and below only steady; cows slow, fully steady; bulls steady mostly 25 higher; vealers mostly steady; early trade on stockers and feeders steady; few load average prime to high prime 1250-1375 lb steers 27.00 and 27.25; bulk steers 24.00-25.50; good to low choice 19.50-23.50; few standard to low good steers 15.50-19.00; choice and prime heifers 21.50-25.00; prime heavy heifers held above 25.00; good to low choice heifers 18.00-21.00; utility and commercial cows 10.00-12.50; canners and cutters 8.00-10.75; mostly 8.50 and 10.50; few light canners down to 7.50; most utility and commercial bulls 13.25-14.75; most good and choice vealers 20.00-23.00; cull to commercial 12.00-20.00; few loads and lots good and choice 400-550 lb steer calves and light yearlings stock calves 18.00-20.00.

Salable sheep 1,000; moderately active; spring lambs and yearlings mainly steady; instances weak on spring lambs grading good and below; slaughter sheep steady; most good to prime spring lambs 20.00-24.00; mainly 22.00 and above for choice and prime; few prime 24.25; cull to low good 13.50-19.00; deck good and choice 76 lb shorn spring lambs carrying No. 2 pelt 20.75; about one load 99-101 lb choice and prime yearlings with No. 1 pelt 17.25; cull to choice shorn slaughter ewes 3.50-5.25.

Hike Hunt, Fish Fees?

LANSING (AP) — Members of the Michigan Tourist Council are to discuss increased fees for hunting and fishing licenses at their two-day meeting opening Wednesday. The session will be held at Blaney Park.

Cheboygan Man Drowns

CHEBOYGAN (AP) — Virgil Beebee, 40, of Cheboygan drowned yesterday in the Cheboygan River. His body has not been recovered.

Stocks Move Up as Decline Ends

NEW YORK (AP)—The stock market moved narrowly higher in early trading today, reversing a sharp drop of yesterday.

Trading quieted after an irregular opening and the higher trend began to develop. Price changes were mostly in fractions.

Both Gulf Oil and Royal Dutch, heavy losers and most active stocks yesterday, moved ahead a little more than a point. Standard Oil (New Jersey) advanced a small fraction.

* * *

Steels also rallied from yesterday's sell off. U.S. Steel was up about ½ and Bethlehem around a point. Republic and Youngstown Sheet & Tube were up by fractions.

General Motors and Studebaker-Packard advanced fractionally. Chrysler was unchanged and Ford declined by a small fraction.

DuPont and Dow Chemical were unchanged. American Cyanamid and Allied Chemical eased slightly.

Yesterday oils with big Middle-east interests led the market into the sharpest decline since June 8 when President Eisnhower went to a hospital with an intestinal attack. Renewed tensions over the Suez seizure touched off selling in all segments of the market, pushing the Associated Press average of 60 stocks down $2.10 to $188.80. Industrials were off $3.40, rails, $2.20 and utilities, 30 cents.

Prices were also irregular on the American Stock Exchange. Gains were made by Molybedenum and Imperial Oil, British Petroleum and Mead Johnson declined. Northeast Airlines and Kaiser Industries were unchanged.

Corporate bonds were mixed.

Frederick G. Morley, 77, Dies in Nursing Home

DETROIT (AP) — Frederick G. Morley, board chairman of the Great Lakes Engineering Works, died at a nursing home yesterday. He was 77.

Morley became president of Great Lakes in 1933 and was named chairman of the board in 1948. A native of Guelph, Ont., he came to Detroit in 1908 from Windsor, Ont.

Admits Auto Breakin, Theft of Property

Charged with breaking into a car in Pontiac July 18 and stealing the owner's personal property, Kenneth Marshall of 31 Crawford St. pleaded guilty yesterday at his arraignment in Oakland County Circuit Court.

Judge Frank L. Doty, who will sentence Marshall Aug. 20, continued his bond of $200.

India and Canada have agreed on the establishment of an atomic reactor project at Trombay, near Bombay. It is to be in operation during 1958 as a joint enterprise.

LOUIS T. HAGOPIAN

Pontiac Native Gets Top Advertising Post

Promotion of Louis T. Hagopian to director of advertising and sales promotion for the Plymouth Division of the Chrysler Corp. was announced today by Jack W. Minor, vice president of sales.

A native of Pontiac, Hagopian formerly served as Eastern new car sales manager for the Dodge Division.

He at one time was associated with the Pontiac Motor Car Co. as a field claims adjuster and service representative, and later as a district sales manager.

Following graduation from Michigan State University, he was engaged in retail sales in Detroit.

Curtiss-Studebaker Contracts Are Signed

NEW YORK (AP) — Previously announced contracts giving the Curtiss-Wright Corp. advisory managerial control of the Studebaker-Packard Corp. were formally signed yesterday.

The three-year agreement, announced Saturday, allows the airplane company to take over three plants of the auto firm and provide guidance through an advisory management contract.

Thief Raids Closet, Takes $11 in Cash

A total of $11 in bills and change was taken from a Pontiac home late yesterday afternoon, the city police said today.

The money was found missing from a closet in an upstairs bedroom at 723 Portland Street. Florence Brandt told police she had left her house unlocked between 4:30 and 6 p.m. She said the closet hasp had to be torn off to enter the built-in closet.

Indecency Attempt Admitted in Court

Charles W. Cohelia of 15 E. Howard St., charged with attempting to procure an act of gross indecency from another man July 20 in Orion Township, pleaded guilty yesterday at his arraignment in Oakland County Circuit Court.

Judge Frank L. Doty, who will sentence Cohelia Aug. 20, continued his bond of $1,000.

American Corporations Continue to Make Profits

AMERICAN Corporation —17 hed

NEW YORK (AP)—American corporations on the whole continue to make more profits than in the previous years. But weakness in some key industries pull the average gains down from the heady percentages they were reporting some months back.

* * *

In the first six months of 1956 net profits after taxes for 448 corporations, the first to report, averaged 5.5 per cent higher than in the first half of 1955. But a year ago the average gains were 34.7 per cent higher than the first six months of 1954.

* * *

About three out of four corporations, however, show increases this year. In the previous year 17 did.

The industries which as a group declined this year from the profits they reported a year ago include automobiles, auto suppliers, glass, aircraft, breweries, railroads and electric equipment. The electronics group, however, was down as a unit chiefly because of one big company being strikebound during part of the period. At midyear its books had worked back into black ink.

* * *

Utilities turned in an average 12 per cent gain in the first half of the year. The 397 industrials, combined, were up 7.4 per cent. But the 32 railroads, with 15 on the declining side and three operating in the red, showed a 23 per cent drop this year as a group.

Biggest comeback from its own private depression of 1955 was the meat-packing group which this year shows a 164.3 per cent gain in profits.

Rail equipment makers have profits averaging 65.7 per cent higher this year. Machine tool companies show combined gains of 49.6 per cent. Coal companies report a 45.5 per cent increase as they hit the comeback trail.

* * *

Oil equipment makers spurted ahead by 61.7 per cent, while the oil producers advanced 18.8 per cent to continue their steady gains year by year since the end of the war.

Sailfish Spawns Millions of Eggs

Florida Species Leaves Roe Unprotected; Cares for Its Own Life

WASHINGTON — Sailfish, silver and blue acrobats of the sport-fish world, would roam in fantastic numbers but for natural raiders upon eggs and young.

Studies by the National Geographic Society and the University of Miami's Marine Laboratory show that a single female may spawn 4,675,000 eggs and swim indifferently away. Such life secrets of the sailfish are revealed by Gilbert Voss of the Laboratory staff, writing in the current issue of the National Geographic Magazine.

Florida sailfish spawn in late spring and early summer in shallow water along Florida's shores. Heavy with roe, the females become sluggish fighters. The eggs scatter among the plankton, tiny animal and vegetable matter in the sea, and float northward in the Gulf Stream, where predators take their toll.

* * *

WORK INVOLVED

Solving life secrets of fish entails painstaking work. "While we have learned a great deal about fresh-water fishes, our knowledge of their marine cousins can at best be considered a scientific Swiss cheese, full of blank spaces," Voss says. "It is estimated that we can sketch the life histories of fewer than one out of a hundred of all ocean fishes."

The Miami Laboratory has examined some 25,000 larval fish, along with thousands of eggs. Meticulous classification has broken the riddle of 11 species.

Tinier specimens are examined under microscopes. Meticulous drawings of various-aged fish relate their stages of growth, until a complete life history unfolds.

Amidst the routine, numerous weird sea creatures pass under scrutiny—hatchet fish that flash gold and silver sides and rows of light organs; viperfish that flaunt saberlike teeth; lantern fish with headlights evolved to attract prey.

* * *

From the Marine Laboratory's studies is coming greater knowledge of the migration routes of game fish and commercial species, benefitting sportsmen, conservationists, and the fishing industry alike.

A meteorite weighing 108 pounds was found in Thule by an American student, James Conel, Burbank, Cal., while he was assisting an American geologist.

Ambulance Drivers in City to Get First Aid Training

The City Health Department is taking applications for first aid training of ambulance drivers in Pontiac in compliance with an ordinance adopted May 22.

* * *

The ordinance provides that all ambulance drivers in the city must complete an advanced course in first aid and all ambulances must be equipped with basic first aid equipment.

Dr. Charles Neafie, public health consultant for the City Health Department, says that all ambulances must carry proof of their approval. He urges all operators outside the city limits to certify vehicles and drivers even though they are not affected by the ordinance.

Application forms, course information and copies of the ordinance are now being sent to all ambulance drivers, Dr. Neafie says. Applications will be returned to his office at City Hall.

Training by instructors from Oakland County Chapter, American Red Cross, will be given on four consecutive nights each week beginning Sept. 17 from 7 to 10 p.m. and will continue through Nov. 22 at St. Joseph Mercy Hospital Nurses' Home, 126 Fulton St.

* * *

Ralph S. Forman, chapter chairman of first aid, says, "The same lesson will be covered each night of a given week. For example, a driver unable to attend a Monday night session may attend Tuesday, Wednesday or Thursday. Enrollment is limited to 15 persons per class session.

TRICKY, TRICKY — A three-master coasting serenely against a Riviera background? Not quite, for the ship is actually a five-foot model on a Central Park lake, and the apartments are on New York's Fifth avenue.

Begin Model Change Next Week at Chrysler

DETROIT (INS)—Chrysler Corp. announced today that it would begin model change-over operations next week at its major Detroit-area plants with most of the 35,000 hourly Chrysler employes laid off for varying periods.

* * *

A Chrysler spokesman said the change-over would be completed in September with the duration varying from plant to plant.

Most layoffs, the spokesman said, would run from two to four weeks with the periods consistent with the employes' seniority.

A majority of Chrysler employes will remain on the job throughout the retooling period, Chrysler said, with many handling the rearrangement of equipment within plants and taking inventories.

* * *

1957 models for all Chrysler lines are scheduled for mid-fall introductions.

About 7¼ million Americans over 65 years old get income from public Social Security programs.

Driver, Wife Injured, Girl, 6, Shaken in Crash

A White Lake Township couple suffered minor injuries and their young daughter was shaken up in two-car accident in Pontiac last night.

Robert C. Lippard, 37, and his wife, Jean M., 36, were treated at Pontiac General Hospital for cuts and bruises. The daughter, Linda K., 6, had no apparent injuries. The Lippards live at 1609 Lakeview St.

Lippard was driving a car which collided with one driven by Eugene P. Foote, 31, of 190 W. Columbia. The collision took place on N. Cass avenue near Carter street.

Pontiac Police said Foote was trying to pass Lippard as he began to turn left. Foote said he didn't see Lippard signal. Lippard said Foote didn't have the headlights on and was traveling fast.

Nine Windows Broken in Parked School Buses

Pontiac police revealed today that a total of nine windows were found broken in school buses yesterday at the bus parking lot at Wisner School, 441 Oakland Avenue.

William Toehlman, head mechanic for the Pontiac Board of Education, estimated the damage at $60 today. He said the destruction apparently took place sometime after July 27.

Comedian's Son Jailed on Narcotics Charge

LOS ANGELES (AP)—A five-year term in federal prison has been imposed on Billy Anderson, 28, son of TV and radio comedian Eddie Rochester Anderson, for sale and possession of marijuana.

Young Anderson admitted in court he had been convicted previously on a narcotics charge in Kentucky, and because of this the five-year sentence was mandatory. His lawyer said an appeal would be taken.

Steal Tools, Equipment From Construction Shed

Pontiac detectives today are investigating the theft of tools and equipment valued at $205 from a construction firm tool shed.

The shed, owned by the Schurrer Construction Company and located at Montcalm and Glenwood streets, was reportedly entered over the past weekend. A heavy duty saw worth $135 is among the missing equipment.

Fans, Grills, Motor Stolen From Building

Ventilating fans and grills and a motor were taken from a building under construction in the Christian Hill Subdivision recently, the Oakland County Sheriff's Department learned today.

The equipment is valued at $70. Material valued at $1,000 has been taken from the Pontiac Township project in recent weeks, according to building superintendent Edward J. Bartel.

Twins, 9-Months-Old, Come Down With Polio

GRAND RAPIDS (AP) — Nine-month-old twins and an 11-year-old girl were diagnosed as polio victims here yesterday.

Dr. John D. Morley, assistant city health officer, said neither the latest victims nor two other polio cases reported previously in Kent County this year had received Salk vaccine.

Building for the Future

One of the most rewarding of human activities is building for the future. We all get a definite sense of accomplishment from making progress towards a definite goal—especially a financial goal.

If you wish to invest for above-average income that will bring you closer to your goal, we invite you to make our Pontiac office your "investment headquarters." We offer a complete service—from up-to-date information and quotations to expert handling of orders.

Why not phone or stop in to see us soon?

Ike Asks Reds for Cooperation

Calls Premier Bulganin on the Promises Given at Geneva Talks

WASHINGTON (AP) — President Eisenhower called today on Russia's Premier Bulganin to "do more to realize the hopes which were born at our meeting at Geneva" a year ago.

In a personal letter to the Soviet leader, Eisenhower also urged anew that Russia agree to Eisenhower's earlier proposal to freeze production of atomic weapons.

He also sounded a new appeal for the Soviets to reconsider their rejection of his "open skies" aerial reconnaissance proposal.

The letter to Bulganin was in reply to one Eisenhower received June 6 proposing what Bulganin called a "new approach" to disarmament. Bulganin's plan was basically unilateral, uninspected armed forces cuts by the big powers. He coupled the proposal with one for withdrawal of all foreign forces from Germany.

Three Polio Cases in Oakland County

Three polio cases were reported this week in Oakland County by Dr. John D. Monroe, health director. A case each was reported in Rochester, West Bloomfield and Waterford Township.

This brings the total number of cases for 1956 to 11 said the report. At this time last year 35 cases had been reported in the county.

A complete breakdown of reports from both Pontiac and Oakland County Health departments on communicable diseases follows:

Pontiac

	Past Week	Prev Week	Year Ago

Figure Fashion Club Slates Hair-Do Session

WATERFORD TOWNSHIP — Mrs. Zane Pryomski will give a demonstration on personalized home permanents and hair conditioning at 7:30 p.m. Wednesday, when the Fashion Your Figure Club meets at her home at 7680 Tull Ct.

The group, meeting each Wednesday, welcomes new members. Seven newcomers were entertained at a recent gathering of the club.

Union Lake Women Plan Aug. 11 Picnic

UNION LAKE—The Ladies Auxiliary is to meet on Thursday at 8 p.m. at the home of Mrs. Robert Lawson. Mrs. Raymond Adams will be the cohostess. Plans are being made for a picnic to be held on Aug. 11 at Commerce-Dodge Park.

The affair will be for the firemen and their families and the auxiliary members and their families. Mrs. Jack Switzer is in charge of arrangements.

Area Residents Hurt in Nova Scotia Crash

NEW GLASGOW, N. S. (AP)—Three tourists were injured, none seriously, in a two-car collision near here today.

In a hospital here are Mrs. Peter MacKenzie and David Leslie of Hazel Park, and Mrs. John Angus MacDonald of Shawinigan Falls, Que. Mrs. MacKenzie's husband was treated and released. The cars collided in a cloud of dust on a road being repaired.

Gull Lake Meeting Slated by Gideons

The Pontiac Camp of Gideon and Auxiliary will travel to Gull Lake for a Saturday meeting, and Sunday services at the Gull Lake Tabernacle will be held by the Gideons.

Stockers Reunite

METAMORA—The Stocker family reunion was held Sunday at the Hadley town hall with more than 60 present. Guests were from Detroit, Flint, Goodrich, Metamora, Lansing, Lapeer, Hadley and Florida.

Election of officers resulted as follows: President Elton Stocker of Lapeer, Vice President Mrs. Rae Simpson of Lansing and Secretary Mrs. Harry Travis of Detroit.

Galloway MOMS to Picnic Tomorrow

MOMS Unit No. 21 of Galloway Lake will picnic tomorrow at 12 noon at Avon Park, Rochester.

60 Attend Reunion

THOMAS—About 60 members attended the recent Schalau-Tripto reunion at the Thomas Community Hall.

Cinema Divorce Cases Keep Coast Judges Busy

LOS ANGELES (AP)—It was show business day in court.

Singer Peggy King filed suit for divorce yesterday. Awarded divorces were actresses Jeanne Crain and Joanne Gilbert and the wives of actor Edward G. Robinson and Art Baker, radio and television announcer and commentator.

* * *

Another Robinson, Edward G. Jr., 24, appeared in another courtroom adjoining his mother's and pleaded innocent to a felony drunk driving charge.

Miss King, 25, charging cruelty, asked to end her shaky marriage to trumpet player Knobby Lee, 28, whose true name is Norbert Lidrbauch. They had separated several times since their marriage here Feb. 2, 1953.

Miss Crain, 30, distraught and fighting to retain composure, said her husband, manufacturer Paul Brinkman, 37, displayed hostility toward her mother. She said Brinkman also dragged her by the hair from a Beverly Hills restaurant last January.

* * *

Brinkman did not attend the hearing and his attorney withdrew a cross complaint.

Mrs. Robinson, 59, testified that her husband of 29 years told her he "wanted to lead his own life."

She said Robinson, 62, stayed away from home almost every night and on weekends.

* * *

Miss Gilbert, 24, divorced screen writer Benny Arnold, 31, saying her husband once said "his career as a writer was more important to him than a wife."

Mrs. Alice Baker, 48, testified her husband, 58, "mostly just wants to be free."

* * *

Young Robinson's trial was set for Oct. 15. He was charged with felony drunk driving after his sports car crashed into another car and his passenger was seriously injured last June 21.

Hanging Near for 3 Cypriots

Island Chief Approves Sentences; Traffic Ban Hints Executions Due

NICOSIA, Cyprus (AP)—Gov. Sir John Harding today confirmed the death sentences of three Greek Cypriot extremists — the final legal step before they go to the gallows.

A ban on traffic was imposed in this capital city, setting off rumors the executions would be held shortly.

A similar ban accompanied the execution in May of the only two men hanged thus far in the clampdown by British authorities on terrorists fighting for union with Greece.

Extremists, meanwhile, planted two time bombs at the government radio station. Both went off, causing minor property damage but no injuries.

* * *

Awaiting the gallows were Andreas Zakkos, 25, Charilaos Michael, 22, and Iacovos Patatsos, 22. Zakkos and Michael were convicted of participating in the Dec. 15 mountain ambush of British Maj. Brian Coombe. Four Cypriots attacked Coombe's jeep and killed his driver, a British corporal.

Patatsos was sentenced to die for shooting a Turkish Cypriot policeman to death in Nicosia April 23.

Metamora Youth Given Choice of 2 Schools

METAMORA — Metamora high school students will have their choice of attending either Dryden or Lapeer high schools during the coming year.

The Lapeer district considered refusing to take tuition students from non-annexed districts, or if they did to make them furnish their own transportation.

Now they have promised to send a bus in from M24, where they already travel, to pick up the Metamora students. The return trip to Lapeer will be made over the gravel road going north.

Brownell district plans sending their elementary students to Metamora, as they have done in the past.

Former Metamora Resident Marries

METAMORA — The marriage of Robert Olson, son of Mrs. Andy Olson and the late Mr. Olson of Spokane, Wash., and Arlene Morgan took place in the First Baptist Church in Spokane, Saturday evening.

The bridegroom is a former Metamora boy, who was born here and is a nephew of Mrs. Donald Travis.

Church Boards Meeting

WATERFORD—There will be a meeting of the Mission Board, the Church Council and the Board of Trustees of the Waterford Community Church at 7:30 p.m. Thursday at the church.

SEALED BIDS FOR BOILER and Stokers at the U. S. Post Office, Pontiac, Michigan will be received until 2:00 p.m., C.S.T., 3:00 p.m. C.D.S.T. August 9, 1956 in Room 575, U.S. Courthouse, Chicago 4, Illinois, and then publicly opened in Room 575. Information concerning bidding documents may be obtained from (a) General Services Administration, Region 3, 575 U.S. Courthouse, Chicago 4, Illinois; (b) Custodian of the building project.

Aug. 6, 7, 8, 1956

NOTICE OF SPECIAL AND SEPARATELY CALLED MEETING OF OF THE SHAREHOLDERS OF THE BIRMINGHAM NATIONAL BANK

To the Holders of the Common Stock, $10 par value, of The Birmingham National Bank, Birmingham, Michigan:

Notice is hereby given that a Special Meeting of the holders of the Common Stock, $10 par value, of the Birmingham National Bank, a National Banking Association (herein sometimes called the "Bank"), has been duly and separately called by the Board of Directors of the Bank and will be separately held at the main or principal office of the Bank, located at 158 North Woodward Avenue, Birmingham, Michigan, on Wednesday, the 15th day of August, A.D. 1956, at 8:00 o'clock p.m., Eastern Standard Time, for the following purposes:

1. To consider, take action upon and to vote upon the adoption or rejection of an Agreement and Plan of Merger and/or Consolidation dated the 12th day of June, A.D. 1956 (herein called "Agreement"), providing for the merger and/or consolidation of Detroit Wabeek Bank and Trust Company, a Michigan Banking Corporation, The Birmingham National Bank, a National Banking Association, and Ferndale National Bank, a National Banking Association, with and into The Detroit Bank, a Michigan Banking Corporation, under the charter of The Detroit Bank, upon the terms and conditions set forth in the Agreement.

2. To consider, take action upon and to authorize the carrying out of the merger and/or consolidation provided for in the Agreement and each and every term, condition and provision of the Agreement.

3. To consider, take action upon and to authorize the carrying out of any other proposal or business whatsoever within the scope of authority of the shareholders of the Bank, whether relating to the foregoing purposes or not.

4. To amend the Charter or Articles of Incorporation of the Bank in such manner and in such respects as may be or become necessary, proper or convenient to carry out or put into effect any of the purposes, proposals and/or business hereinabove specified.

A notice of said Special Meeting of Shareholders is being sent by registered mail to all holders of record of shares of the Common Stock, $10 par value, of the Bank as of the date hereof.

Enclosed you will find an Assent, Proxy and Waiver of Notice which we request you to sign and return in the event you are not able to be present in person at said Special Meeting of Shareholders. All proxies signed and returned will be voted in favor of the adoption of the Agreement and the merger and/or Consolidation contemplated thereby.

This notice is sent to you in accordance with the provisions of the By-Laws of the Bank and in accordance with the applicable provisions of the laws of the United States of America, including particularly, but not by way of limitation, the National Banking Laws, and the applicable provisions of the Laws of the State of Michigan, including particularly, but not by way of limitation, the Michigan Financial Institutions Act, as amended, by order of the Board of the Directors of the Bank.

THE BIRMINGHAM NATIONAL BANK
HILMER C. CARLSON,
Vice-President-Cashier

Dated at: Birmingham, Michigan, July 5, 1956.

CLEAN, DEPENDABLE WOMAN needed to live in, care of 1 child & light housework. Every other weekend off. Good wages, must have good ref. MI 6-2753.

Security for You

Most Employes Affected by Security Law Changes

By RAY HENRY
AP Writer

(Congress has just approved major revisions in the Social Security program, raised most Railroad Retirement benefits and revised the Civil Service Retirement program. This is the first of a special series explaining the changes. You may want to save the individual columns to get a complete picture of the changes.)

If you work, it's a good bet that you're affected by the changes Congress has just made in Social Security program.

* * *

That's true whether you work for somebody else or for yourself.

And, even if you don't work, but are closely related to someone covered by Social Security, the changes may affect you.

* * *

The main changes will extend coverage of the Social Security system to some 3,200,000 persons; pay Social Security benefits to certain permanently and totally disabled persons who have reached age 50; lower the retirement age for women; increase payments to the aged, blind, the permanently and totally disabled and the dependent children covered by the public assistance program.

The changes become effective on varying dates with the earliest being Oct. 1.

With fuller details to come in later columns, here, in broad outline, are the changes:

1. The Social Security program will be extended on Jan. 1 to bring under it the nearly three million men in the armed forces and about 200,000 self-employed professional people, including lawyers, dentists, chiropractors, veterinarians, naturopaths, osteopaths and optometrists.

2. Any worker after reaching 50 is eligible to claim Social Security payments if he: A) Is so disabled that he can't engage in any substantial work; (B) Is suffering a medically determined physical or mental disability which is likely to last the rest of his life; (c) Has been in work covered by Social Security for five out of the ten years before he was disabled and (D) Has worked under Social Security 18 of the last 36 months immediately before he was disabled. July, 1957, will be the first month for payments.

* * *

3. The retirement age for women will be lowered to 62. They may get Social Security payments at that age if they're eligible on their own work record or because they're survivors of a worker who died while covered by the Social Security program.

Surviving widows and dependent mothers may get their full Social Security payments at age 62.

* * *

Working women may get 80 per cent of their full payments and wives may get 75 per cent if they want to retire at 62. For each month's delay in retirement up to age 65 they'll get a higher per cent of their full payments. If they wait until 65 to retire, full payments will be made. Should they accept reduced payments, they'll continue to get the reduced payments with no increase after they reach 65.

The first payments will be paid for the month of November, 1956.

4. To provide money for the disability payments, Social Security tax will be increased Jan. 1, 1957. For the worker and his boss, the increase will be ¼ of 1 per cent for each, making the total tax payment 2¼ for each. For a self-employed person, the increase will be from 3 to 3⅜ per cent.

5. The federal government portion of the money paid through the Federal-State Public Assistance Program will be increased. Chances are this will mean more money to the blind, permanently and totally disabled, aged and dependent children under Public Assistance. But exactly how much depends on a complicated formula which varies from state-to-state. The effective date will be Oct. 1, 1956.

* * *

(You may write Ray Henry in care of this newspaper about your Social Security or retirement problem. Please enclose a stamped, self-addressed envelope and 25 cents in coin.)

Set Lutheran Night

UTICA — A group of 200 from Trinity Lutheran Church here will go by bus Friday to Briggs Stadium to observe "Lutheran Night," honoring players of that faith on the Tiger roster. The event is being sponsored by the Lutheran churches of the area.

Firemen Purchase New Firehall Site

UNION LAKE—The Union Lake Firemen have purchased two lots on Naylor street in Dewey Subdivision for the new firehall. Work will begin as soon as the plans are drawn.

To Test Lime in Lapeer

METAMORA—Aug. 20-25 will be lime-testing week in Lapeer County. County Agent R. S. Lincoln plans a drive to test thousands of soil samples for lime requirements. Testing equipment will be stationed at seven places throughout the county.

Club Elects Officers

DRYDEN — About 75 Reminiscence Club members were present when the club elected officers at their recent meeting at the General Squier Club. The staff includes Fred Harmer, president; Mrs. Stuart Daley, vice president; and Irene Miller, secretary and treasurer.

Bible School Draws 203

WHITE LAKE TOWNSHIP—The Vacation Bible School of White Lake Presbyterian Church reports an enrollment of 203 at the time of its closing, Friday.

County Deaths

Mrs. Florence Drinkwater

UTICA—Service for Mrs. Florence Drinkwater, 88, 6470 Auburn Rd., will be at 2 p.m. Thursday at the Milliken Funeral Home here, with burial in Utica Cemetery. Mrs. Drinkwater, widow of the late Dr. William Drinkwater, has lived in Utica more than half a century.

She is survived by five daughters, Mrs. Elsie Erther, of Oregon, Mrs. Ethel Lane of Maumee, Ohio, Mrs. Edith Houghtby of Blissfield, Mrs. Clara Hatcher of Warren and Mrs. Neoma Lash of Utica; four sons, James of Detroit, Edward of Utica, George in Oregon and Orville of Hazel Park; a sister, Mrs. Lela Sherwood of Jackson; 16 grandchildren and 35 great-grandchildren.

Wayne E. Evo

ROCHESTER — Service for Wayne E. Evo, 43, 3322 Evans St., Rochester, will be at 10 a.m. Thursday at the William R. Potere Funeral Home here, with burial in Kingston Cemetery, Kingston.

Mr. Evo was dead on arrival at William Beaumont Hospital yesterday.

He is survived by his wife, Marie; two daughters, Alberna and Sally and a son Larry, all at home; his father, Frank Evo of Pleasant Ridge; two brothers, William of Madison Heights and Donald of Ferndale and one sister, Mrs. Lynn Taylor of Pleasant Ridge.

Clara B. Lahring

HOLLY—Service for Mrs. William (Clara B.) Lahring, 59, of 2081 M87, Holly Township, will be held at 10 p.m. Wednesday from the Dryer Funeral Home here, with burial in Greenwood Cemetery, Vernon. Mrs. Lahring died Monday morning at William Beaumont Hospital, Royal Oak.

She leaves her husband William; one daughter, Mrs. Mahlia Jackson of Royal Oak; a son, Conol Lahring of Fenton; one brother, Robert Newland of Berkley; and a sister, Mrs. Mary Barnes of Flint and four grandchildren.

No Music Beginners in Fall

End Summer Sessions

WALLED LAKE — Some 150 young musicians who attend the Walled Lake elementary schools have just completed six weeks of summer lessons. Twice a week for a half hour they have been reporting to Commerce, Glengary, Twin Beach, Union Lake, or the Junior High Building in Walled Lake to play and be taught by Helmut Holland-Moritz or Frank Balaam.

In the group were 80 beginners, mostly in the fifth grade this fall, who were playing an instrument for the first time.

Purpose of the summer instruction was to give more individual attention to beginners than is possible when school is in session and to permit the children to become familiar with their instruments when they have time to practice. For the balance of the group, mostly those who will be sixth and seventh graders, the summer classes stimulate interest and keep the youngsters practicing so that they do not lag behind when school starts in the fall.

In fact, so successful do the instructors consider the program, that they will have no beginning classes in the fall in the elementary schools.

The Board of Education furnishes the instructors for the summer course, but the parents provide instruments, an instruction book, and when necessary, transportation. This is usually arranged by neighborhoods with car pools.

Grace Episcopal Rite Read Saturday

Shirley Shepherd, Kirk Rose Wed

LAPEER — In a double ring ceremony on Saturday, at 7:30 o'clock, Shirley G. Shepherd and Kirk D. Rose recited their marriage vows before the Rev. Canon Charles D. Braidwood in Grace Episcopal Church.

* * *

The candlelight service was read before an altar decorated with palms, branched candelabra with cathedral tapers and bouquets of white gladioli.

The bride is the daughter of Mr. and Mrs. T. E. Shepherd, 743 Turrill Ave., and the bridegroom's parents are Mr. and Mrs. H. C. Rose Sr., 1103 Lakeshore Dr., Barnes Lake.

The bridal gown was of embroidered nylon tulle over white satin, waltz-length. Her silk net finger tip veil was held in place by a Juliet cap and she carried white carnations and roses tied with satin streamers.

Maid of honor was the bride's sister, Jane Shepherd, Lapeer, and bridesmaid was Phyllis Bueche of Flushing.

MRS. KIRK ROSE

Brothers of the bridegroom, Jim Rose, Lapeer, was best man and Charles Rose, Detroit, was groomsman. Seating the guests were John Rose, Robert Beckman and Vernon Harvey, all of Lapeer.

A reception for 150 guests followed the ceremony in the Parish House. The couple left for Northern Michigan afterward.

Mrs. Rose is a graduate of Lapeer High School, the Nazareth College Division of Nursing and St. Joseph Hospital, Flint. The bridegroom also graduated from Lapeer High School and is with the United States Coast Guard.

Norwegians to Meet

WATERFORD TOWNSHIP—The Norwegian Ladies Aid will meet at the home of Mrs. James Brannstrom, 1012 Lakeview, at 7 p.m. tomorrow.
