Kelley Warns of 'Havoc'

Court Gets Ballot Issue

LANSING (AP) — An issue which has thrown Michigan's electoral process into chaos and even caused some talk of a change in the primary election date is before the State Supreme Court today.

Atty. Gen. Frank Kelley warned the court yesterday that unless it acts promptly, "havoc will prevail in the election processes of this state." A decision is expected this afternoon.

★ ★ ★

In Wayne County, meanwhile, elections officials wondered whether they would be able to have ballots ready for the primary election now set for Aug. 6, or whether emergency legislative action would be needed to change the date.

At issue in the legal proceedings is the order in which candidates' names are to be printed on the ballot.

LAWS VOIDED

The matter burst upon elections officials Friday, when the State Court of Appeals, in a Wayne County case, struck down two new state laws on ballot printing. The ruling came little more than four weeks before the primary date.

★ ★ ★

With ballot printing — usually a six-week job in Wayne County — already delayed two weeks by other developments, county clerks around the state wondered how much longer they could wait and still have paper ballots and voting machines in shape Aug. 6.

Yesterday, Wayne County Clerk Edgar M. Branigan and the county's board of election commissioners carried the appeals court decision to the Supreme Court in an emergency application. Kelley, representing the state, filed a legal brief supporting them.

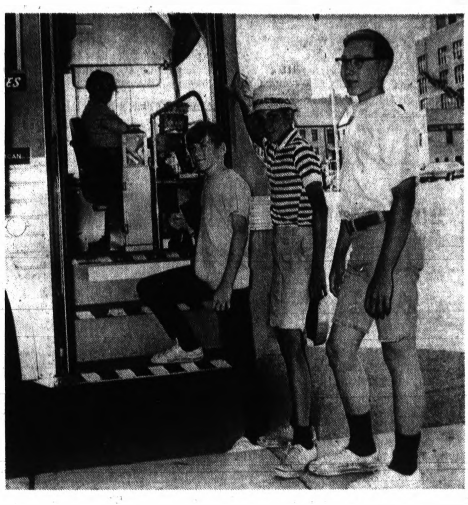

The two laws ruled unconstitutional by the court of appeals provide that candidates' names would be listed on ballots with the incumbent's name first in each column and the other office seekers listed alphabetically below.

FORBIDDEN BY CONSTITUTION

The appeals court said placing the incumbent at the head of the list in effect gives him an incumbency designation on the ballot — which the state constitution forbids in partisan elections unless two candidates have similar names.

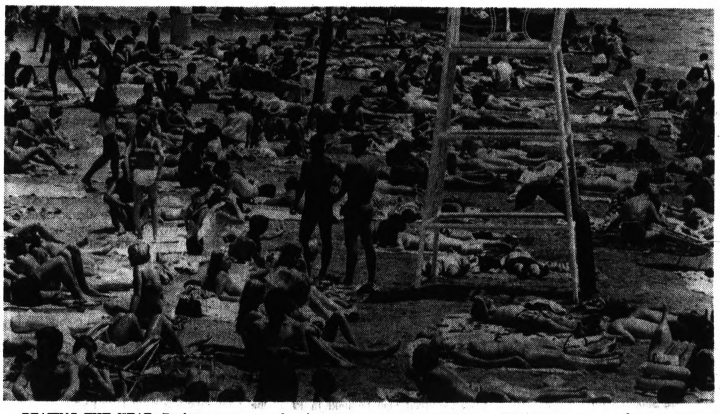

The effect of the ruling is that the state would have to return to the "rotation" system, under which candidates' names appear in different orders in virtually every precinct — a system under which the ballots take much longer to print.

Earlier this year, the Legislature cut two weeks off the available time for printing ballots when it extended the filing deadline for newly created appeals and district court judgeships from June 18 to July 2.

Pontiac Press Photo

TRIP WINNERS—Pontiac Press newsboys (from left) Rick Coyle of 542 Fox Hills, Bloomfield Township; Mike Capsalis of 221 Ottawa; and Bruce Bock of 6214 Wilson, Waterford Township, are first in line for the bus which took 120 Press carriers to the summer amusement center, Cedar Point, near Sandusky, Ohio, today. The youths, who won the trip for gaining record amounts of new subscriptions, left at 6:30 this morning and will return tonight.

Pontiac Press Photo

BEATING THE HEAT—Real estate at area beaches was at a premium yesterday as people flocked to the sands and water to worship the sun and get relief from the near 90-degree heat. The scene at Dodge State Park No. 4 at Cass Lake was no exception as the thousands of sunbathers crowded the beaches, leaving standing room only. (Related photo, page 4.)

Gun-Registering Bill Is Needed, Clark Contends

WASHINGTON (AP) — Atty. Gen. Ramsey Clark renewed an appeal for federal registration of firearms today despite the administration's setback in the House.

Sen. Strom Thurmond, R-S.C., brought the question up at a Senate juvenile delinquency subcommittee hearing on the firearms registration and licensing bill urged by President Johnson.

★ ★ ★

Thurmond asked Clark if he still advocates national registration in view of what happened in the House Rules Committee yesterday.

"Yes, I do," Clark replied. He said that registration would be "of tremendous help to law enforcement" by providing identification of the owners of guns used in crimes.

CELLER'S PLEDGE

At the rules committee meeting, members obtained a pledge from Rep. Emanuel Celler, D-N.Y., to oppose any attempts to attach registration and licensing provisions to another bill to ban interstate sales of firearms, either by mail or over-the-counter.

The effect of the bill would be to extend to shotguns and rifles the restrictions provided on sales of handguns in the recently passed crime control bill.

Clark, in his testimony before the Senate committee, rejected a suggestion by Thurmond that any registration of firearms should be left to the states and local governments.

However, he said he hoped the states would set up their own systems for licensing gun owners. He said the administration bill is designed to encourage this, but the federal government must act if the states fail to do so.

LBJ to Meet With Viet Chief

SAN ANTONIO, Tex. (AP) — The announcement President Johnson has agreed to meet with South Vietnam President Nguyen Van Thieu this month has increased speculation Johnson plans a busy season of globe-trotting.

The President had returned from Central America—jetting to all five republics there in seven hours yesterday—only hours before Thieu's office in Saigon announced the meeting planned in Honolulu about July 20.

★ ★ ★

There already had been strong speculation that Johnson, who made a 4½-day around-the-world tour last December, might range all over the map during the coming weeks.

There was talk of possible Johnson trips to Africa, Asia, South America and Europe—perhaps even to Moscow—before his term ends.

Wherever he goes, Johnson would be hard-pressed to top yesterday's record of five countries between breakfast and mid-afternoon.

Rocky to Prod GOP on Poll

ST. LOUIS (AP) — Gov. Nelson A. Rockefeller will seek an official Republican Party poll of voters across the nation to determine their preference for the party's presidential nomination, sources close to Rockefeller reported today.

Story, Pictures, Page A-2

The New York governor, it was learned, intends to call upon the GOP National Committee to sponsor such a survey beginning immediately.

★ ★ ★

The sources said Rockefeller would ask that the poll concentrate especially on big-city areas, where he believes the Republican party faces the most difficult challenge in attracting voters to its presidential ticket.

He has argued persistently during recent weeks that he would be more appealing to various urban elements than Richard M. Nixon and has maintained that Nixon lost in 1960 because he fared poorly in the cities.

Thundershowers Due to Cool Area

Occasional thundershowers today were expected to cool temperatures in the Pontiac area.

Clearing skies are forecast for tonight with the low of 54 to 60.

★ ★ ★

Tomorrow's outlook is sunny and mild, with Thursday to be fair and warmer.

Low in downtown Pontiac prior to 8 a.m. was 66. By 2 p.m. the temperature was 84. Humidity was in the 70s.

Bankers Deny Power a Threat

WASHINGTON (AP) — Banking leaders deny charges in a congressional study that the power of some of the nation's commercial banks is snowballing dangerously.

"Misleading," said a spokesman for New York's Chase Manhattan Bank after a House banking subcommittee study was released yesterday.

★ ★ ★

"Exaggerations, half-truths and ridiculous conclusions," said a spokesman for Cleveland Trust.

Related Story, Page B-11

Subcommittee Chairman Wright Patman, D-Tex., asked Atty. Gen. Ramsey Clark to look into possible antitrust questions raised by the study, which was compiled by the panel's staff but has not yet been formally adopted.

"The American economy of today is in the greatest danger of being dominated by a handful of corporations in a single industry as it has been since the great money trusts of the early 1900s," Patman said.

"A few banking institutions are in a position to exercise significant influence, and perhaps even control, over some of the largest business enterprises in the nation," he added.

★ ★ ★

Main thrust of the study was its contention that banks' influence is exerted largely through the estimated $607 billion assets which banks hold as trustees for pension funds, foundations private trusts and other actual owner.

More than 54 per cent of the total trust assets in the nation are held by 49 banks in 10 large cities, the subcommittee said.

EXAMPLES CITED

And these same 49 banks, it added, "hold a total of 768 interlocking directorships with 286 of the 500 largest industrial corporations in the United States."

The airline and nonferrous metals industries, plus newspapers and magazine publishing companies were cited as examples where bank trust departments hold large blocks of stock.

COMMENT

Officers of the Bank of America in San Francisco, the country's largest bank, were not available for comment.

But the spokesman for Cleveland Trust, one of the banks studied by the subcommittee, said "banks traditionally have had large boards of directors representing major elements of a community's business.

"To avoid interlocks you would have to elect directors with no business experience or connections whatsoever. This would not be in the best interests of anyone."

Chase Manhattan said the subcommittee "gives misleading impressions regarding the bank's trust investments and its relations with its directors."

Pontiac Sets Up River Warnings

By BOB WISLER

Pontiac has taken steps to notify area residents of the excessive danger of the Clinton River as it is channeled through the city.

City personnel started last week to put up signs warning of the river's danger.

They read "Danger — Hazardous, Turbulent Waters Downstream."

Director of Public Works and Service Joseph E. Neipling also issued a bulletin directed to all city departments, all area units of government, utility companies and communication media advising of the dangers.

CLAIMED 3 LIVES

The Clinton River, main carrier of storm water through the city, last week claimed the lives of Michael Rosario, 13; his 8-year-old brother, Robert; and Police Capt. Donny Ashley, 45.

★ ★ ★

City Manager Joseph A. Warren said the city is also planning to erect extensions of existing fencing parallel to the river.

He said some life rings, to be dispersed at points along the banks, will likely be installed.

Neipling said the measures would not make the waters any safer but should give more warning to the nature of the river and perhaps assistance to anyone who might disregard the warnings.

DANGER AREAS

The DPW director said there are two highly dangerous areas on the river as it passes through the city.

The turbulent areas — one just east of Paddock, the other just east of the East Boulevard sewage treatment plant — were created deliberately by construction of what are termed "energy dissipating devices."

★ ★ ★

It was at the second device that a boat heading downstream carrying Capt. Ashley and a sheriff's deputy overturned last Wednesday. At the same spot two skin divers, searching for equipment lost when the boat overturned, had narrow escapes.

Each device consists of a concrete water channel which slopes into a concrete basin. In normal times, the water comes down the channel at a high velocity then rushes into the basin — which is at a 7-foot lower level — where it is spun around and around before proceeding downstream in a natural earth channel.

BECOMES 'WHIRLPOOL'

"During low-stream flows, this basin is

(Continued on Page A-2, Col. 3)

Pontiac Press Photos

DANGER ZONE — Signs erected by city personnel at points (left) along the Clinton River warn the public of the extreme hazards on the waterway. At two spots in the river's course, a hydraulic device—consisting of a concrete runway dropping 7 feet into a 5-foot basin (right)—creates violent turbulence. This causes the water to spin in crosscurrents and traps in its motion anything floating downstream. It was at the point pictured here that Pontiac Police Capt. Donny Ashley died when the search boat carrying him overturned Wednesday.

Fete for Barnes Is Drawing Near

Tickets for the testimonial dinner for Clarence E. Barnes, executive director of the Pontiac Area Urban League, still are available through the Urban League office, 132 Franklin Blvd., a spokesman said today.

Barnes has resigned his post with the local Urban League to take a similar position in Youngstown, Ohio, effective next Monday.

★ ★ ★

The dinner will be at 6:30 p.m. tomorrow at Devon Gables Restaurant, Bloomfield Township. Tickets are $6 per person.

Reservations can be made by calling Mrs. Mirian Busbee at the league office.

First School Integration Ordered in North

CHICAGO (AP) — A federal judge has ordered integration of faculty, staff and pupils of the South Holland Elementary School District in the first desegregation suit filed by the Justice Department in the North.

Judge Julius J. Hoffman of U.S. District Court issued the order Monday and said the district south of Chicago must integrate its six schools in two steps, the first to be completed by September.

Hours after the ruling was announced, the South Holland School Board voted 4 to 2 to appeal the order. The district superintendent, Charles B. Watts, said he did not favor the appeal.

A plan outlining how desegregation could be accomplished in the fall term accompanied the order.

RACIAL PATTERN REVEALED

Hoffman spent 10 days hearing evidence in the case. Testimony revealed that two of the district's schools, Coolidge and Kennedy, are 99 per cent Negro, with predominantly Negro faculties, while the other four areas almost all white with white teachers.

Hoffman ordered the breakup of the racial pattern of pupil enrollment at Coolidge school by September 1968 and at the Kennedy school by the fall of 1969.

★ ★ ★

He also said any plans for building new schools must be submitted to the court for review so that the schools will be located "with the objective of eradicating the effects of past segregation."

★ ★ ★

He ordered the school board to begin filling vacancies and assigning teachers to positions in schools where their race is in the minority. This must be fully accomplished by the beginning of the 1969-70 school year.

The ruling was a victory for the Justice Department. Similar decisions have been made in 11 Southern states.

★ ★ ★

The judge said white opponents of pupil and faculty integration "are doing a disservice to their own children when they deprive them of the opportunity to know members of another race and to be saved from the ignorant, arrogant belief that a white skin is proof of preeminence."

Birmingham

Resolution Is Tabled on Road Levy

BIRMINGHAM — A resolution endorsing the proposed 1-mill county tax for roads was tabled by the City Commission last night until it can be determined how the special levy will benefit Birmingham.

Though the Oakland County Road Commission, in asking support of its proposal, has pledged to spend the funds in the community in which they are collected, city commissioners want to know exactly how the money could be used.

★ ★ ★

Early indications are that the tax money would be used only on roads within the city that are under the jurisdiction of the road commission. Voters will decide the tax question Aug. 6.

★ ★ ★

In Birmingham's case, only portions of three roads are maintained by the county, 14 Mile, 16 Mile and Quarton.

FAR IN EXCESS

The feeling of commissioners is that the estimated $131,000 to be raised in Birmingham is far in excess of the requirements for maintaining the sections of the three roads and that funds could be put to better use on other major thoroughfares in the city, such as the perimeter road.

★ ★ ★

William Killeen, city engineer, told commissioners that Paul Van Roekel, county highway engineer, has suggested that perhaps the ring road could be made a county road for the duration of the tax levy and then turned back to the city.

★ ★ ★

Former City Commissioner Carl F. Ingraham suggested to the commission that the city enter into an agreement with the road commission similar to that made by Pontiac.

★ ★ ★

Pontiac, which has no county roads within its boundaries, has made arrangements with the road commission to use the funds for city streets, though, according to Pontiac City Manager Joseph Warren, details have not yet been completed.

NO AGREEMENT NEEDED?

Birmingham Assistant Manager John Saefke said that because of the "good" relations with the road commission in the past, it was believed by the administration that no legal agreement was needed.

★ ★ ★

Ingraham pointed out, however, that the members of the road commission are appointed by the board of supervisors, and that changes could possibly take place anytime after the reapportioned board of supervisors takes office in January.

★ ★ ★

Saefke was directed by the commission to further discuss the matter with the road commission and return with a report.

★ ★ ★

A one-year contract was renewed by the commission with the Oakland Directors Service at $300 a month to provide ambulance service for the city.

$100 HIGHER

The firm's bid was $100 higher than that offered by General Ambulance Service.

Commissioner Charles Clippert said that because of the service, which was described by Saefke as the "best ever," there was no need for change.

★ ★ ★

The four other commissioners present agreed and the contract was approved by a 5-0 vote.

In other business, the commission briefly reviewed but took no action on a proposal to lease parking spaces in the municipally-owned lot behind the Reid Building to certain tenants.

★ ★ ★

The proposal had been made earlier by a physician with office in the building on North Woodward. He stated that there is a problem of getting a space on returning to the office.

Saefke told the commission that the recommendation of the administration is not to reserve spaces in city lots because it would set a precedent.

Petition Drive to Abolish State Income Tax Fails

LANSING (UPI) — A drive to abolish the state income tax through a constitutional amendment died Monday when opponents of the tax failed to secure enough signatures to put the question on the November ballot.

The deadline for initiating constitutional questions through petition passed at 4 p.m. and Bernard Apol, state elections director, said no petitions were filed calling for constitutional change.

★ ★ ★

The Michigan Citizens Committee for Judicial Selection and Tenure failed to gain enough petition signatures for its bid to rewrite the judicial article. The committee, aided by the League of Women Voters, sought 18 amendments to the article, including one that would enable the governor to fill judicial vacancies, including those in newly created courts, from a list of candidates supplied by a special judicial selection committee.

★ ★ ★

They fell 87,000 signatures short of the 247,000 needed to put the proposition on the ballot.

City Gets Grant to Expand Park

Pontiac has received a $45,000 U.S. grant for expansion of Hawthorne Park, it was announced today by Sen. Philip A. Hart, D-Mich.

The money, from the federal Land Conservation Fund, will go toward acquisition of a 36-acre site adjacent to the park. The property is south of Silver Lake to West Kennett and from the west city limits to the Grand Trunk Western Railroad tracks.

★ ★ ★

The city will have to supply the remaining 50 per cent of the funds. A city official said negotiations and legal procedures will now begin toward acquiring the land from the present owners.

★ ★ ★

A golf course and other facilities are being planned in the area. The land is adjacent to a city land-fill site which will also be converted to park use in the future.

AP Wirephoto

WOOING THE PARTY FAITHFUL—While Richard Nixon (left) checks an earring of Mrs. George Abbott during a meeting of New Jersey Republican delegates yesterday, Nelson Rockefeller chats with former film star Shirley Temple Black at a meeting in San Francisco. Mrs. Abbott is from Metuchen, N.J. Her earrings bear a likeness of Nixon.

'. . . Even if I'm Behind in 'Polls'

Nixon Is Confident of Victory

By The Associated Press

Former Vice President Richard M. Nixon says he is confident his primary victories will lead to the Republican presidential nomination, even should public opinion polls favor rival Nelson A. Rockefeller.

Public opinion polls involve only "about 3,000 people across the country," Nixon said in Springfield, N.J., yesterday, and he said he doubted Republican National Convention delegates would be swayed by them.

★ ★ ★

California Gov. Ronald Reagan, meanwhile, brushed aside new talk by GOP presidential aspirant Rockefeller of a Rockefeller-Reagan ticket.

"I've made my position very plain," Reagan said at an airport news conference in Sacramento. "I'm not interested in the vice presidency at all."

'WIDE OPEN'

Rockefeller has said in San Francisco the possibility of such a GOP ticket is "wide open . . . I don't think that any combination should be ruled out or should there be a freezing of any situation."

On the Democratic side, Humphrey told more than 2,000 underprivileged youngsters in Washington he is committed to seeing that all young Americans get "all the education they can take" and adequate food and housing.

★ ★ ★

Humphrey appeared at a kickoff clinic of the Vice President's Summer Youth, Sports and Recreation Program. He said 50 more clinics will be conducted this summer in the nation's largest cities.

In other political developments:

● The Harris Survey reports Democratic voters favor Humphrey over McCarthy 48 per cent to 40, but independent voters who were asked to state a choice for the Democratic nomination named McCarthy over Humphrey 54 per cent to 30.

OVER THE 500 MARK

● Nixon has 501 of the 667 votes needed for a first-ballot GOP nomination and Rockefeller has 192 in an Associated Press survey of delegates pledged, committed or publicly stating voting intentions. Humphrey has 677¾ of the 1,312 votes needed for a first-ballot Democratic nomination and McCarthy has 414.

● New Jersey McCarthy and Kennedy supporters have announced they are forming a "joint steering committee" to urge that major compaign planks of both men be included in the Democratic presidential platform.

★ ★ ★

● Mayor Richard J. Daley says it is "plausible and possible" the electrical workers' strike that threatens to move the Democratic National Convention from Chicago could be settled within a week. "We should stop worrying about the convention. It's going to be held here and it's going to be the finest convention ever held in the United States," Daley said.

Tentative Pact for City, Firemen

A tentative agreement between the city and the Pontiac Fire Fighters Association was reached yesterday, it was announced by Leonard Bennett of the State Mediation Board.

The compromise, still subject to ratification by both parties, covers a one-year agreement. It covers contract language and longevity clauses related to an agreement on economics reached early this year.

★ ★ ★

Bennett also announced he has called a meeting between the city negotiating team and negotiators for the Pontiac Municipal Employes Association for 10 a.m. Thursday at city hall.

Bennett said the meeting will deal with "still unresolved issues."

Viet Aide Urges North-South Talk

PARIS (AP) — Ambasador Bui Diem, South Vietnam's observer at the Paris peace talks, appealed today for direct negotiations between North and South Vietnam.

He made a distinction between such negotiations and the present talks, between U.S. and North Vietnamese representatives, which he called "tactical." These are concerned with stopping the bombing of North Vietnam, and some North Vietnamese concession in return.

★ ★ ★

Talks between North and South Vietnam would be political, Diem explained.

It is too early to say whether such talks could also be held in Paris, he added.

"Besides," he said, "I'm rather pessimistic about the North Vietnamese reply to this proposal."

Ray Appeal July 29

LONDON (AP)—James Earl Ray's appeal against extradition to the United States will open in the British High Court July 29, his British lawyer said today. The hearing is expected to last at least two days.

Ray, charged with assassinating Dr. Martin Luther King Jr., made a one-minute appearance in Bow Street Magistrate's Court today on the two charges on which he was arrested June 8 at London airport, using a forged passport and carrying an unlicensed gun.

Pontiac Press Photo

$4 MILLION FOR ROADS—Busy signing 800 bonds worth $5,000 each is John Murphy, Oakland County clerk-register. The $4 million will be spent on county road projects this year. Looking on is LeRoy McEntee, road commission attorney, and Mrs. Donald Johnson, Murphy's secretary. The bond issue was approved last spring. Before the bonds are legal, Delos Hamlin, chairman of the County Board of Supervisors, also will have to sign his name 800 times.

NATIONAL WEATHER — Scattered showers and thundershowers are forecast tonight for most of the southern and eastern states from Texas to New England. Cooler air will flow into the Great Lakes and upper Ohio Valley. It will be slightly warmer in parts of the northern Plains and southern Plateaus.

City Will Consider Joint Road Project

City commissioners will consider a proposal from the Oakland County Road Commission for a joint construction project for Voorheis between Telegraph and James K at their meeting tonight at 8 p.m. in the City Hall.

A comparatively light agenda faces the commissioners.

They are scheduled to consider:

● Bids on $1 million in preliminary loan notes for the city's downtown urban renewal program.

● Bids to seal coat city streets.

Pontiac Warns of River Danger

(Continued From Page One)

a relatively inactive pool of water approximately 20-feet wide and 60-feet long," Neipling said.

"Under conditions of high water, this quiet pool is converted into what might be termed a whirlpool," he said.

★ ★ ★

"Any person approaching this velocity killing structure from within the concrete channel would experience the passage over a 7-foot drop into the basin which contains such violent turbulence they would be helpless," he said.

The two devices have been operational about one year. They were installed to facilitate the flow of water through the city, Neipling said.

CONSTRUCTION NECESSARY

He said the necessity of carrying away storm waters whose intensity of flow is constantly increasing as the community develops made construction of the devices necessary.

The devices, he said, are intended to slow the velocity of the river and thus to prevent the flow of water from eroding the natural earth channel of the river.

He said that if they were not there the river would have such a velocity at certain points that the earth banks would erode and the river would lose effectiveness as a carrier of storm water.

"They allow us to carry a large capacity of water with a small structure."

CONCRETE CHANNELS

He said at the points leading to the energy dissipating devices there have been constructed under a county drain project concrete channels with sheer vertical concrete walls.

The first concrete uncovered channel begins at Union Street and continues to the first dissipating device near Paddock. The second begins at East Boulevard and ends at the eastern edge of the sewage treatment plant.

★ ★ ★

"A point of considerable hazard but not as extreme as the two velocity killing devices occurs under the East Boulevard bridge (over the river)," Neipling said.

"At this point the velocity of the water is increased as a 4-foot high waterfall is created by the change in elevation of the concrete channel," he said. At that point the waterfall does not have a basin which would create extreme turbulence, he said.

The DPW director said no one, swimmers or boaters, should enter any portion of the Clinton River from where it emerges from the underground conduit at Union Street to a location east of the concrete channel passing through the city's East Boulevard sewage treatment plant.

4 Rezoning Requests Okayed; One Denied

Four rezoning requests were approved last night by the Waterford Township Board. A fifth request was denied as had been recommended by the Township Planning Commission.

Approved were requests to:

- Rezone approximately seven acres west of Maceday Lake Road from single-family residential (RIA) to agricultural (AG1) for soil removal.
- Rezone 1.6 acres north of Cooley Lake Road, opposite Fleet from agricultural (AG1) to restricted office (RO1) for an office building.
- Rezone property at the southeast corner of Highland and Pontiac Lake Road from agricultural (AG1) to local business (C1) for a supermarket.
- Rezone approximately 8.5 acres southwest of Highland and just west of Cass Lake Road from single-family residential (R1A) to agricultural (AG1) to allow filling and resurfacing of the land.

All four request were recommended for approval by the planning commission.

Denied was a request to rezone property on West Huron between Coleman and Preston from restricted office (RO1) to local business (C-1) for a Chicken Delight restaurant.

INSURANCE BID

In other action, the board approved a workmen's compensation insurance and employers liability insurance bid of $12,732 submitted by the Western Casualty Insurance Co. The bid represents the net estimated annual premium.

Action on a proposed package insurance policy offered to the township by Pauley's Insurance Agency, was postponed pending further study of the proposed policy by the insurance committee.

The board approved a contract with Johnson and Anderson, Inc. township engineers, for planning of the township's internal sanitary sewer system. A contract with Stratton Associates, township financial consultants, also was approved.

The board agreed to set last Wednesday as the effective date of the recently agreed to contract with the Waterford Township Police Officers Association. Tentative terms for the new contract were agreed to July 1 by negotiating teams for the Township Board and the WTPOA.

* * *

Neither side has ratified the pact since it has not yet been formally drawn up by attorneys for the WTPOA.

News of Waterford

37 Fires Handled During June

Thirty-seven fires were handled by the Waterford Township Fire Department last month, according to a report accepted last night by the Township Board.

* * *

This compares with 36 fires during May and 36 during June 1967. The department handled a total of 361 fires during the first six months of this year.

Of last month's 37 fires, 19 occurred in buildings, eight in motor vehicles, and four in dumps. In addition, six brush and grass fires were extinguished.

* * *

Total fire damage during June came to $54,170, a substantial increase over May's figure of $27,507. Fire damage so far this year is $201,972.

Two persons were injured in fires last month. There were no fatalities.

* * *

The department responded to a total of 67 calls in June, including 19 rescue and emergency runs. One false alarm was turned in. A total of 53 calls were responded to in May.

Groups Sweep Brooklyn, Burn, Wreck Taxicabs

NEW YORK (AP) — Bands of men swept through two sections of Brooklyn Monday and halted at least 13 licensed taxicabs. Seven cabs were set afire after the drivers were ordered out, others were wrecked and overturned.

Police said the wave of terrorist attacks, which took place during a six-hour period, appeared to be the work of gypsy cabdrivers angered by new taxi legislation which went into effect July 1.

* * *

A 10-year-old boy passerby received first-degree burns from one of the fires. Police arrested one alleged gypsy driver and charged him with criminal mischief in connection with the incidents.

Gypsy cabs are those which may be summoned by telephone but which may not cruise the streets for fares. City ordinance permits only cabs with police medallions to pick up passengers on the street.

UNITS ORDERED IN

The attacks which occurred in the Bedford-Stuyvesant and Brownsville sections of Brooklyn began at 3:40 p.m. As the incidents continued police ordered units of the tough Tactical Patrol Force to the scene.

At 11 p.m. a crowd of about 100 persons gathered in front of the Atlantic Avenue station house where the arrested man was being questioned. They shouted, "Let him go! Let him go!"

* * *

The suspect, identified as Samuel Cunningham, 48, was later booked and the crowd broke up without incident.

Gypsy cabs operate largely in the slum sections where many licensed taxicabs refuse to enter or pick up passengers due to the incidence of muggings. Most of the city's 8,000 gypsy cabs are driven by Negroes.

FIRST ATTACK

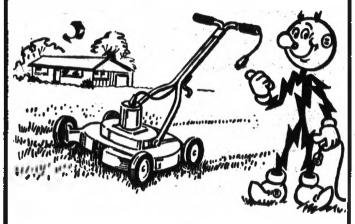

The first attack took place when a parked cab was set afire. Five minutes later another driver was halted by 10 Negro men and ordered from his cab which was then overturned.

The source of discontent among the gypsy drivers was believed to be a law which went into effect July 1 requiring them to post a sign inside and outside, saying: "This vehicle is not licensed to pick up for hire passengers when cruising."

Rochester Nears Passage of Fair Housing Ordinance

By L. GARY THORNE
Assistant City Editor—Suburban

ROCHESTER — Without a discouraging word, the City Council of this nearly all-white community gave an affirmative nod last night to a local fair housing ordinance.

Proposed by the Rochester Area Human Relations Council, the projected ordinance is identical to that of Birmingham. It prohibits discriminatory housing practices based on religion, race, color or national origin.

City Councilmen hardly spoke publicly on the projected measure, although the council met behind closed doors prior to last night's regular meeting.

Final action on the fair housing law is scheduled for July 22—the council's next regular meeting.

★ ★ ★

ORDINANCE LANGUAGE

The ordinance reads: "No person shall discriminate against any other person because of religion, race, color, or national origin in regards to the advertising, showing, sale, lease or financing of real property."

The ordinance further "shall not require a person to offer property to the public at large before selling or renting it, nor shall it be deemed to prohibit any person from giving preference to prospective tenants or their buyers for any reasons other than religion, race, color, or national origin."

★ ★ ★

Rochester will be the third area community to approve a fair housing ordinance. Similar ordinances have been approved in Birmingham and Pontiac. Both of the latter have also been okayed in referendums.

In proposing the fair housing law, the human relations council cited its symbolic value and pointed out the ordinance would hardly ruffle "our tranquil lives."

'NO IMMEDIATE CHANGE'

Also, the human relations council's letter said local housing patterns would not be immediately changed by the ordinance.

According to the letter, fair housing was proposed because of the "heartbreaking" experience involving a Negro family which sought to move into Christian Hills, a highly priced subdivision in neighboring Avon Township.

The letter said some of the subdivision residents were willing to accept the family, while others were opposed.

The letter implied that the ordinance might help the situation.

The human relations council is to ask the Avon Township board to adopt a similar fair housing measure at its meeting tomorrow at 7 p.m.

In other action last night, the City Council informally agreed with City Manager William Sinclair that the city's subsidy to Fleet Ambulance Service be discontinued for three months.

Sinclair reported that the six-month trial of the subsidy with Oakland and Avon Townships had concluded. He said a further three-month study will be made to determine whether to resume the subsidy.

Cost of the subsidy was $1,800, according to Sinclair, for some 60 ambulance runs. Avon and Oakland, meanwhile, paid $3,000 and $300, respectively.

In other business, the council approved rezoning of about 1.8 acres of land north of McGregor School and south of Crittenton Hospital. The land adjoins an Avon Township parcel and is slated for the construction of apartments.

CAN LINERS

City Manager Sinclair reported that plastic garbage can liners are now available at City Hall. Cost of the plastic bags is $4.50 per 100. Use of the bags was recommended after a trial period.

★ ★ ★

Also last night, the council authorized Sinclair to advertise and receive bids for the projected widening of West University Drive in the city.

Avon Proposal for Cityhood Hit

ROCHESTER—The City Council last night came out in opposition to the proposed incorporation of Avon Township into the city of Rochester Hills.

The Rochester Area Chamber of Commerce sought the council's opinion in a letter asking whether council thought the chamber should be involved in the pending incorporation, slated for a charter vote next March 10.

★ ★ ★

Mayor Roy Rewold commented, "I think the chamber should be interested. We are very much enthused in making this entire area one.

"We are trying for unification (of Rochester and Avon Township)," added Rewold.

★ ★ ★

Asked by the Chamber for a position statement on the pending Aug. 6 road millage proposal, the council last night tabled a proposal to endorse the ballot question.

Further consideration of its millage postion is expected at the council's July 22 meeting.

Hart Announces Loan to Business in Oxford Twp.

OXFORD TOWNSHIP — Sen. Philip A. Hart, D-Mich., has announced the award of a $62,500 Small Business Administration loan which will provide for the expansion of the local My-T-Veyor Corp.

The loan was obtained through the year-old Oxford Development Corp.

★ ★ ★

My-T-Veyor Corp. was established in Oxford six years ago by Leo P. Daigle. Engaged in the manufacture of overhead conveyors, it presently employs 11 people according to Vice President George Witt.

The money will be used to purchase additional land and construct a new building, directly in front of the present headquarters at 1821 N. Lapeer, Witt said.

School Pay Boosts OK'd in Walled Lake

WALLED LAKE — The board of education here last night approved pay hikes across the board for all employes of the school system.

In its first regular meeting since its election June 3, the board ratified all agreements reached by its negotiating teams with employe negotiators.

★ ★ ★

Teagher salaries, subject to the most change, received unanimous support from the board. Salaries will range next year from $6,850 for beginning teachers with bachelor's degrees to $12,104 for the highest-paid holders of master's degrees.

These compare with a salary schedule ranging from $6,300 to $11,054 that was in effect last year, school officials said.

TEACHERS LAUDED

In his presentation of the agreement, Schools Supt. Dr. George Garver lauded Walled Lake teachers for their cooperation.

"Negotiations were handled in an extremely professional manner," Garver said. He noted the success of local negotiations was particularly gratifying in light of the problems other area school boards are having in their efforts to secure contract changes.

The salary and benefits package has not yet been ratified by the more than 420 teachers in the Walled Lake Education Association, but they are expected to comply with the agreements of their negotiating team, a board member said.

Nonprofessional employes also received added benefits and pay hikes. Cafeteria workers, teacher aides, and custodial and maintenance personnel received hourly wage increases ranging from 10 cents to 16 cents per hour.

SUPPORT FOR PROGRAM

The board gave enthusiastic support last night to a projected program offering senior citizens of the school district free adult education participation and free passes to school functions.

The plan was presented merely for a vote of confidence. A detailed final plan will be submitted for approval at a later date.

★ ★ ★

Garver said later that the plan was part of a larger concept of "the community school." He said it was a way of saying to the senior citizen, "You have financed our schools for many years, and you should still be involved in your investment. Be our guest and come to our activities to see what young people are doing in the schools today."

The board also honored five retiring teachers with plaques and retirement checks in recognition of their services to the school district.

Two of the five honored were a married couple, Mr. and Mrs. Lynn Garrett of 620 Union, Milford. Together, they have been teaching for 75 years, 45 in the Walled Lake system.

Officials Urged to Pass Measure Romney Vetoed

LANSING (AP) — Officials in the greater Detroit area are being asked to support a move that would override Gov. George Romney's veto of a bill giving them emergency powers in riot situations.

KUHN

Overturning the veto would take a two-thirds majority vote in both houses of the Legislature. The measure passed 64-26 in the House and 23-10 in the Senate.

★ ★ ★

Sen. George Kuhn, R-West Bloomfield Township, wrote some 120 officials in Wayne, Oakland and Macomb counties, urging them to contact their legislators and support his attempt on "this most crucial piece of legislation."

The bill would authorize mayors, village presidents and township supervisors to impose emergency curfews and ban the sale of gasoline, guns and ammunition in times of civil disorder and riotous situations.

FEARED GAP

Romney vetoed the bill, saying he feared a communications gap and lack of uniformity of regulations between communities.

"If we are to spare ourselves another catastrophy such as the Detroit riot of last summer, I believe, contrary to the governor, that leaders at the local level have the best feel of any situation or crisis that might arise and can exercise better judgment than one can sitting in either Lansing or Washington," Kuhn wrote.

★ ★ ★

As a member of the Senate Investigating Committee on Riots," Kuhn said, "I learned that the loss of a few hours can be most vital in terms of control of any riotous situation.

"This bill would strengthen the hand of local government to meet its own problems," he continued.

Lapeer Districting Bid Foiled

A second effort by the Lapeer County Board of Supervisors to block the "one man, one vote" redistricting plan of the county's reapportionment committee has reached a dead end.

The State Court of Appeals has refused to take action which might have stopped reapportionment in four counties including Lapeer.

★ ★ ★

Affecting Lapeer County, the court declined to decide a dispute between the existing supervisors' board and the apportionment commission over which was eligible to draw up the new districting plan.

The court also turned down the board's pleas for an immediate hearing in the case, again apparently insuring that the election will be held under the commission's districting system long before the case can be finally decided.

NOT UNTIL JANUARY

According to Lapeer County Clerk Lyle Stewart, it would be at least January or February before the court could hear an appeal for a judgment on the case.

★ ★ ★

Stewart pointed out that it would be doubtful that the new board of supervisors elected in November would take any action to have the new districts reapportioned.

★ ★ ★

"If they chose to reappeal the case and a judgment was handed down it could jeopardize some of their own jobs because it would necessitate a new election with different district boundaries," Stewart said.

★ ★ ★

The matter was brought to the attention of the State Court of Appeals on June 27 in a move to overturn a judgment handed down previously by Lapeer County Circuit Court Judge James P. Churchill.

NO INJUNCTION

Judge Churchill had refused to issue an injunction requested by the supervisors which would have barred the election of new supervisors under the commission's plan this fall.

★ ★ ★

The reapportionment law, which required boards of supervisors to be elected from districts which are nearly equal in population, passed the Legislature early in March 1967.

★ ★ ★

The commission's plan, filed April 22, 1967, calls for a division of the county into seven districts. The supervisors' plan calls for a 15-district division.

★ ★ ★

The County Board of Supervisors currently consists of 22 members, four of them appointed from the city of Lapeer.

Bid Opening Scheduled for Maple Paving Work

The State Highway Commission will open bids July 17 in Lansing for 31 highway construction and improvement projects in 27 counties.

Included in the projects is grading and paving of one mile of Maple in Bloomfield Township, west of Telegraph.

The Maple construction will cost about $310,000. It is scheduled for completion by next June 15.

WSU Professor Starts Heart Chemistry Study

TROY — Calvin L. Stevens, Ph. D., of 1918 N. Dorchester, professor and chairman of the department of chemistry at Wayne State University, was one of 70 researchers in the state to begin work on Michigan Heart Association projects recently.

Projects include studies of the effects of drugs in the treatment of cardiovascular disease, various surgical techniques and the causes of heart failure. Stevens will study the "Synthesis of Aminosugar Cardiac Glycosides."

Districts Are New to County

Supervisor Vote Outcome Hard to Figure

By ED BLUNDEN

Will the reapportioned County Board of Supervisors end up dominated by the Republican or Democratic party after the Nov. 5 election?

This question has been and still is under study by county politicians but predictions are hard to make.

For one thing, the 27 new districts are strange to the county and the voter makeup is difficult to determine in some of them.

Most candidates for the Oakland County Board of Supervisors have supplied The Press with biographical material and a picture. However, those that have not done so are urged to mail or bring the materials in as soon as possible.

However, two county men, a Republican and a Democrat, who are involved and knowledgeable in area politics, have consented to make forecasts. They have asked to remain anonymous.

The Republican sees 14 Republican seats, eight Democratic seats and five that could go either way. The Democrat sees 11 Republican seats, 11 Democratic and five going either way.

Both forecasters admitted a possible leaning toward expected victories in his own party. If the actual result turns out to be near a consensus of the two predictions it would give the Republicans a slight edge, possibly as close as 14 to 13.

STILL NOT CLEAR

There are two factors, still not clear, that could change the results drastically.

First, if either political party gains a strong position nationally it would probably bring about more straight-party ticket voting and sweep in some supervisors that might have lost otherwise.

Secondly, strong, well-known candidates might be expected to carry their district regardless of party affiliation.

For the Aug. 6 primary, 132 candidates filed to run. District 25, the northern half of Waterford Township plus about the northeastern quarter of White Lake Township, has the most wide-open contest.

EITHER WAY

The district is rated as one that could go either way, but with a Republican leaning. Four Democrats and three Republicans are in the primary.

In District 5, Madison Heights-Royal Oak, rated a Democratic stronghold, seven candidates seek the party nomination. A lone Republican is seeking his party's nomination unopposed.

All districts have a two-party race going even though up until the filing deadline last Tuesday some spots on the ballot were empty. Some 45 hopefuls made it on the last day, filing either petitions or the $100 fee.

In 12 districts, only one person has entered his party's primary. For instance in the Republican strongholds of the two districts in the Bloomfield Hills-Birmingham area, Districts 3 and 4, a single candidate has filed to keep up Democratic representation.

NO DOUBT

The campaigns will no doubt have some unusual aspects.

This is the first time the position of county supervisor has been voted on. Formerly the supervisors came one from each township plus appointees on the basis of population from the cities. There were 87, compared to the 27 under the court-ordered reapportionment on the one-man, one-vote principle.

Some of those in the election are old hands at the courthouse with years of experience on the board. Many candidates are running for the first time. Each will be representing about 25,000 people based on the 1960 census.

What appears to be the smallest district in size (9) contains the densely populated city of Hazel Park. The candidates there will have about three square miles to campaign in.

★ ★ ★

District 23 takes in six northern townships, Holly, Groveland, Brandon, Oxford, Springfield and Independence. That's about 228 square miles to cover.

4 Candidates for County Board Withdraw, One Is Disqualified

Four candidates for the Oakland County Board of Supervisors have dropped out of the race and one man has been disqualified, leaving 127 candidates instead of the original 132 for the 27 positions.

The remaining candidates will run in the Aug. 6 primary and those successfully nominated by their respective parties in the Nov. 5 election.

★ ★ ★

John Brillhart of Ferndale was disqualified in District 10 because it turned out his home is located in District 11, according to County Clerk-Register John Murphy.

Two of the dropouts were in District 26, composed of the townships of Rose, Highland and Milford, Holly Village, about the northwest third of Commerce Township and all of White Lake Township except about the northeast third.

BOTH ARE DEMOCRATS

They are Richard D. Fessler of 9076 Funston, White Lake Township, and Arthur W. Lange of 2024 Ridgemont, Commerce Township. Both men are Democrats.

The other two to drop out are John E. Kronenberg of Royal Oak, District 7, and Morton Colburn of Oak Park, District 12. Both filed as Republicans.

★ ★ ★

Despite the disqualification and withdrawals, as it now stands no district will be without a two-party contest Nov. 5.

Cut in Speed Limit Eyed on Highland Road Stretch

WHITE LAKE TOWNSHIP — Preliminary steps have been taken in Lansing to have the speed limit reduced over a six-mile stretch of Highland Road (M59) in this Township.

State Rep. Loren D. Anderson has asked the Michigan State Police to undertake a speed study of the portion of the highway between Williams Lake and Ormond roads.

★ ★ ★

The 61st District Republican contends that the present speed limit of 65 miles per hour is unsafe and should be reduced to 50 miles per hour.

"Every indication is that this is an unreasonable speed limit," he said. "M59 is 50 m.p.h. over five lanes in Waterford Township but the limit is boosted to 65 m.p.h. when the road narrows to two lanes in White Lake Township."

UNSAFE COMBINATION

The heavy traffic on the road, he said, together with a number of curves and hills and many businesses located along it combine to make the 65-m.p.h. limit unsafe.

★ ★ ★

Children attending Lee Brooks School on Hill, just north of M59, walk along and across the highway, he said, adding to the safety hazard.

"Speed increases the intensity if not the volume of accidents," he said, "and this is a high-accident area as it is."

★ ★ ★

Once the state police study is completed, any change in the speed limit will have to be worked out by the White Lake Township police chief, the Oakland County Sheriff's office, the State Highway Department and the Oakland County Road Commission.

Anderson said he acted after receiving a number of complaints from residents of the area about the present speed limit.

He said the state police agreed to look into the matter as soon as possible.

Red Tape, Short Viet Tours Keep GIs Single

WASHINGTON (UPI) — Comparatively few American GIs are marrying Vietnamese girls — not for lack of good looks, but because of short duty tours and red tape.

Pentagon officials note that it takes 90 days to process immigration papers for a foreign wife, and the duty tours in Vietnam are only a year.

GIs are not permitted to extend their tours for the purpose of marrying.

Pentagon figures showed 100 marriages to Vietnamese girls in 1965, 119 in 1966, 160 in 1967 and 66 through April 15 this year. By contrast, World War II resulted in more than 100,000 marriages to foreign girls.

The Air Force Times, an independent service publication, said the GIs find Vietnamese girls attractive and "Some say they are the most beautiful in the world."

"Among the reasons for the small number of marriages are the kind of war it is, the one-year tours and American and Vietnamese government requirements," the Times said.

Many Americans are stationed and fight where there is no chance for them to meet Vietnamese girls. For very few is there an opportunity for courtship."

Defense Department policy is to "protect both parties from an impetuous marriage."

RED TAPE

"Each applicant is informed of the restrictions imposed by U.S. immigration laws and must submit extensive documentation to satisfy military, American Embassy and Vietnamese government requirements," the service journal said.

"If the man leaves Vietnam before all the processing is completed, the military will not allow him to reenter to marry."

Some estimates are that nearly 1,000 American GIs are living with Korean wives in Korea.

Scientists believe that astronauts on the moon will be able to escape the perils of cosmic radiation by building simple shelters of the moon's soil, which has the protective properties of aluminum.

New OEO Director Well Qualified

The Oakland County Commission on Economic Opportunity (OCCEO) showed great wisdom in naming Edward P. Revis as its executive director last week.

REVIS

Revis, a Pontiac resident, is well qualified for the position. He has shown his capabilities at getting things done since joining the OCCEO in November 1965 as assistant director of the North Oakland Opportunity Housing in Pontiac.

★ ★ ★

A year later he became director of the program's Neighborhood Youth Corps, administering a work experience and job training program for in-school and out-of-school youths from low income families.

★ ★ ★

A graduate of Pontiac Central High School and Central Michigan University, Revis had been serving as acting executive director since James McNeeley resigned the post in February.

Revis has a deep understanding and insight into the needs of the culturally and economically deprived in Oakland County, and should be a great asset to OCCEO programs locally.

New Series of Tests for Police Recruitment

Several weeks ago The Press published a series of articles about Pontiac police recruitment procedures. The emphasis was on problems in recruiting Negro policemen. There were, as expected, some who disagreed with the stories on both sides.

However, it seems something of value has come out of the whole issue. The City has initiated a new series of IQ and personality tests to aid in the recruitment of more police officers.

It is too early to tell if the new tests are more effective than the former recruitment tests. We'll have to wait for results.

The big point seems to be that the City has taken what appears to be an important step in the right direction. Those administrators responsible for initiating the new battery of tests deserve commendation.

★ ★ ★

We have heard representatives of the Negro population here appeal for more Negro policemen. We have seen the Pontiac Area Planning Council recommend that the City hire more Negro policemen. Yet, attempts have failed, usually at the test level.

One thing has bothered us about the former testing procedures. The need has been for Negro policemen who can relate effectively with the Negro community. However, the former tests appeared to be geared more to rate an applicant's ability to relate to middle class white society.

The fact that the new tests do not rely on verbalization as heavily as the old tests, may do much to neutralize this problem.

On the other hand, the new tests are designed to spot ingrained prejudices in applicants — something the former tests lacked almost entirely. This, to be sure, is a major improvement. There are few things in this world that can be as harmful as a prejudiced person given the authority to enforce laws in a multiracial society.

Initiation of the new testing procedures can be looked upon as a ray of insight in a field where we need a great deal of insight and modernization. Hopefully, use of the new tests will produce a racially balanced police force which is much more symbolic of the community it serves.

Surplus of Peanuts Cost Taxpayers Millions

With the Nation staggering under a huge federal deficit and citizens faced with a new 10 per cent income tax surcharge to help bail out the budget, this item from the U.S. General Accounting Office (GAO) is guaranteed to sour your peanut butter.

GAO said recently that due to improved farm technology, peanut production increased so much over a 12-year period that surplus peanuts had to be disposed of at a loss of $274.5 million.

The report further stated that under existing legislation, losses for peanut price-support programs from 1967 to 1971 will amount to at least $248 million.

Faced with the deficit and tax increase, GAO made this brief observation: "It appears to us that changes in the existing programs should be considered."

In this corner, it appears to us that GAO has taken a strong lead for "Understatement of the Year" honors.

Nixon Campaign Strategy Is Evident

By RAYMOND MOLEY

Richard Nixon's June 27 radio speech was no doubt designed to set the pattern for his campaign against Hubert Humphrey after the conventions—at least so far as domestic issues are concerned. And it is quite likely that Humphrey will pitch his appeal in much the same way, but with certain variations which will be the basis of a choice between the two candidates.

MOLEY

The Nixon speech might have carried the title given to one of Edmund Burke's great state papers, "Thoughts on the Present Discontents."

★ ★ ★

Nixon bases his argument on the proposition that a considerable number of people in our society are very angry and are making their feelings heard and felt. These people call themselves the "alienated."

And there are all the rest of us who are confused about what those other people are angry about and who themselves, in a much more quiet manner, are wondering anxiously where this country is headed.

That great majority is searching for leadership which will quiet the discontented and violent and lead the nation back to what is called in the Constitution "domestic tranquility."

Nixon then attributes the anger of some and the anxiety of the many to these causes:

"Society in the mass is losing touch with the individual; the sense of community—of a place of belonging where leaders listen and respond — has crumbled; the power to control decisions immediately affecting the individual's life is vanishing and that unique, precious, inscrutable thing—the individual human mind, heart and spirit — is being injured or neglected or slighted."

★ ★ ★

This is not an unusual analysis of our society's malaise. It has been said in other campaigns. It is quite probable that Humphrey will say much the same thing.

The differences between the candidates will not be in this sort of diagnosis. The differences will be in the definition of the causes and the nature of the remedies.

CENTRALIZED POWER

For when Nixon spoke of causes he said that the individual's "alienation" is due to the trend toward centralized power in Washington which began with Democratic rule 35 years ago under Franklin Roosevelt.

Nixon assumes that Humphrey is the prisoner of that Democratic record which has culminated in the immense proliferation of programs and policies launched by President Johnson.

★ ★ ★

Moreover, Humphrey has to defend not only the Johnson record, but he has a considerable record of his own made in his long years in the Senate. Sometime in that period it was said of him that he had more answers than there were problems.

However, a campaign of this sort in which basic issues will be discussed is not likely to be very exciting.

DOWNRIGHT DULL

Indeed, I expect that commentators will be saying sometime in October that the campaign is downright dull. But that is exactly the sort of educational campaign which the country needs.

It has had enough of blood and thunder and personal vituperation. That sort of thing may be left to George Wallace and the New Left.

★ ★ ★

It is not always what the public wants in a campaign that is best for the well-being of the country.

(Copyright 1968, Los Angeles Times)

'The President Says We're Old Enough To Vote!'

David Lawrence Says:

Truth Comes Out on LBJ Health

WASHINGTON — What has for several weeks been suspected as one of the real reasons for President Johnson's decision not to seek re-election has been authoritatively described as a deep-seated fear that his health would not stand up under another term in office.

When Mr. Lawrence Johnson first disclosed that he would not run again, most people were surprised, because they had known of the President's fondness for political life and particularly his interest in the opportunities for public service which the office of chief executive provides.

★ ★ ★

At the time, however, the only explanation of the President's withdrawl was the statement that we thought it would aid the cause of peace — a move which appeared to be constructive in that it might take the war issue out of politics.

But this was not generally accepted as the only reason. In political circles there have been frequent discussions of the other factors involved.

★ ★ ★

Now, in an article in Look magazine, written by Drew Pearson, Vice President Humphrey is quoted as having been told in confidence by President Johnson a few hours before the March 30 announcement that he intended to leave the presidency on Jan. 20 next, and gave health as one of the reasons.

'GETTING OLD'

Mr. Johnson is quoted as having said to Vice President Humphrey: "I'm tired. I'm getting old. All the men in my family have a record of not living much over the age of 60. I'll be 60 this summer. I've had a heart attack. My health is pretty good. I think my chart is as good as yours. But I'm not sure I could live out another term. And that's not the way I want to end my life."

Lyndon Johnson likes politics so much that only reasons of health could really have persuaded him to make the decision to withdraw.

★ ★ ★

He had enjoyed his years in the Senate, and especially his activities as Senate majority leader. As President, he has been able during the last four and one-half years to tackle dozens of domestic projects and to become absorbed in some of the most significant phases of international policy in which the United States has participated in all its history.

Mr. Johnson would like nothing better than to see a Democratic victory in November, and is plainly sympathetic to the candidacy of Vice President Humphrey. For the latter's election would be equivalent in general to a vote of approval of the Democratic record of the last four years.

VERY ASTUTE

It was a very astute move for Mr. Johnson to declare that he was making his sacrifice in the interest of peace, for he would then be able to deal with the Vietnam war without being charged with seeking to win reelection merely by means of a de-escalation of military operations.

Unquestionably the subordination of political factors in the handling of the Vietnam problem has been widely accepted as basic in the administration's approach toward peace parleys with the North Vietnamese at Paris.

★ ★ ★

Certainly if, before the election in November, it appears that progress is being made at the conference table to end the Vietnam war, the administration would benefit.

Considering all the circumstances, Lyndon Johnson made a wise decision in giving up any idea of seeking another term. If by January he is able to resolve the Vietnam problem, he can retire from office with the feeling that he has performed a great service for his country.

Summer, Little Men Force a 2nd Updating of Classic

By WARD CANNEL
Newspaper Enterprise Assn.

Blessings on thee, little man,
Barefoot boy with cheek of tan.
With thine upturned pantaloons
And thy merry whistled tunes;
With thy red lip redder still
Kissed by strawberries on the hill . . .

So begins John Greenleaf Whittier's classic ode to summer, perhaps the country's best-known poem on the joys of the outdoor season.

But in the 80-odd years since it was written, things have changed quite a bit.

What with scientific breakthroughs and new discoveries about human nature under controlled conditions, summer is no longer what it once was. And neither are little men.

Under the circumstances, we felt it appropriate to redecorate Whittier's classic here and there in keeping with later developments. And so, staying as close to the original as the new facts allowed, we began our updated classic:

Dressings on thee, little man,
(Anointed for an even tan).
With thine ever rolled-up sleeve
(Inoculations to receive):
With thy lips strawberry-kissed
("Quite common," says the allergist) . . .

All in all, it was a pretty good classic as far as it went. The trouble was, it only went a couple of years. And now, it appears, summer has changed again. And so have little men.

Consequently, we are forced to redecorate once more in keeping with late developments.

But this is absolutely the last time. As far as we can see, there is very little point in writing a classic in the first place, if you have to rewrite it every second year.

There are some things a fellow should be able to count on. And one of them is a week off in the summer for reruns.

Daily Almanac

By United Press International

Today is Tuesday, July 9, the 191st day of 1968 with 175 to follow.

The moon is full.

The morning stars are Mercury and Saturn.

★ ★ ★

The evening stars are Venus and Jupiter.

On this day in history:

In 1850 President Zachary Taylor died of a typhus infection after serving one year and four months. He was succeeded the next day by Vice President Millard Fillmore.

★ ★ ★

In 1900 Queen Elizabeth signed an act by which the individual state of Australia agreed to join into a federal Commonwealth.

In 1943 American, Canadian and British forces invaded Sicily.

In 1964 Moise Tshombe became the premier of the Congo.

Smiles

There are some things to be said for practical jokers, but this family newspaper isn't the proper forum.

The Associated Press is entitled exclusively to the use for republication of all local news printed in this newspaper as well as all AP news dispatches.

Orley Bruff of 103 Henderson; 82nd birthday.

Voice of the People:

'Put News of Dissenters on Back Pages of Paper'

I have a husband who is a veteran of World War II, and a son who is a soldier and a veteran of Vietnam. I don't live with a couple of killers—I live with two Americans who felt they owed this to the greatest country on earth. There are many more men of this caliber than there are dissenters, hippies and sprouting Communists, so why not put the stories about these draft-card burners; long-haired apes and the Red and "pink" characters in the back of your paper and quit giving them the idea that their actions are "front-page."

★ ★ ★

The only front-page story to come out of draft-card burning and American flag burning would be when the Government put them adrift on the high seas as men without a country. The only front-page story to come out about the so-called flower children of the hippies' world would be when the Government would put all that "love" to tending our wounded GIs and the infirm of the Nation. The only place for the sprouting Red is to plant his feet firmly on the ground of a Communist nation and leave him to his fate. This would be front page.

★ ★ ★

Why not put them next to the obituaries? These fellows may think they are "way out" but all of us good Americans know they are just "on their way out."

UNCLE SAM'S NIECE

'Suggested Boat Law Would Save Lives'

I believe that in the '20s there was a law that there were to be lifelines with floats along the sides of all boats. I believe this would save a lot of lives, so why not pass a law to that effect if the old law is not enforced. There is no way to hang onto a boat when upside down except by reaching under the gunwale, and very few know that.

GEORGE H. MORGAN
25 A STREET

'Lack of Finances Caused School's Closing'

The main issue of closing Emmanuel Christian School was finances. The school was started with the idea that parents who wanted their children to receive a Christian education could send them to this school. With growing expenses it became impossible to keep tuition at a reasonable rate. Certainly no blame can be placed upon Emmanuel Baptist Church or its administration. However, some so-called Christian people and their churches could have helped this situation considerably. They say it's too bad the school had to be closed yet they made no attempt in its 14-year history to give it a hand.

'Let's Demand to See Work of Tax Dollars'

We don't mind paying taxes if they work, but what do they do for us? Do they grade or chloride our roads? Do they pay for street lights, sewers or water? Do they pay a decent wage for fire or police protection? We in Waterford Township pay high taxes and we do not receive many of these benefits. Because of the location of many homes we suffer water in our houses and clogged septics. Let's demand our taxes start working for us or demand to find out where our hard-earned money goes that supports our townships, cities and state. I'm tired of floating. How about you?

MRS. THOMAS E. WEBER
5357 FARM

Readers Appreciated Color Picture of Flag

The full-page flag in last Wednesday's paper was a most wonderful idea. We displayed ours, and while driving around on the Fourth were pleased to see a lot of others had, too. It gave everyone a chance to show the good old U.S.A. colors. A thoughtful gesture.

MRS. CLEO DENTON
7780 MACEDAY LAKE RD., WATERFORD

May I compliment The Pontiac Press for printing the American Flag so that those Americans who didn't have one could display their patriotic spirit on July 4th. In our affluent society we sometimes forget those who are just as patriotic as we but can't afford the price of a flag. We remember this time so well.

MR. AND MRS. GEORGE SHABAL
1095 E. BUELL, LAKE ORION

Congratulations to The Pontiac Press for printing a full-page flag and editorializing to urge all people to fly the flag on July 4th. A "shame on you" to Uncle Sam's Post Office in Bloomfield Hills for not having its flag up on this memorable day, nor is this the first such holiday occasion. Not being open for business is no excuse as I'm sure the police department next door, or the Boy Scouts would oblige.

★ ★ ★

I'm registering no complaint about my mail deliveries and hope I continue to be satisfied in this regard.

JACK B. BALDWIN

'Suggestion Might Clean Up Roadside Litter'

If the Township, County or State would place very large containers along the roads and highways, tilted at an inviting angle, do you think the slobs of this country could be lured to throw their cans and bottles in the containers? This could become a great competitive sport and also save many taxpayer dollars in clean-up work.

Hospital Closes Doors; Workers Picket Bank

MOUNT CLEMENS (UPI) — Over $1 million of debts locked the doors of Clinton Valley Hospital Monday as the last of its patients were turned over to other hospitals.

Meanwhile, a group of the hospital's now unemployed nurses picketed the main office of City National Bank of Detroit, the creditor which called up a $145,000 loan 10 days ago.

* * *

It was the lien put on the Clinton Valley accounts behind that loan which triggered the board of trustee's decision to shut down the hospital, according to the hospital's attorney, George Bashara.

"Our accounts were locked up when City Bank called up the loan, and we weren't able to pay our employes," he said. There were 170 persons employed at the hospital and 65 patients when it was forced to close.

* * *

The loan, issued in 1965, was part of a parcel of loans received by the Macomb County hospital since its opening in 1963. Bashara added that behind its inability to pay off debts was the hospital's failure to secure Blue Cross coverage for acute care. Blue Cross had contended the hospital wasn't necessary to the area, he said.

Low Road Toll Hailed as Gain

Safety Expert Sees 'Triumph of Sense'

CHICAGO (AP) — The lower-than-expected highway death toll during the Independence Day weekend represents a significant gain in traffic safety, the National Safety Council says.

The council had estimated in advance that between 700 and 800 Americans might die on streets and highways over the four-day weekend. The final toll from 6 p.m. Wednesday to midnight Sunday was 620. This compared with 553 deaths in a non-holiday weekend of equal length.

* * *

"The deaths that took place make up a tragic version of the traditional Independence Day parade," Howard Pyle, council president, said Monday. "But the fact there weren't more is an encouraging sign that good sense may yet triumph."

The national record for an Independence Day weekend is 732, set during last year's four-day holiday period.

COMPARISON BASIS

To provide a basis for comparison, The Associated Press surveyed traffic deaths from 6 p.m. Wednesday, June 19, to midnight Sunday, June 23. The total was 553.

The council also said Monday that motor vehicle fatalities during the first five months of this year averaged 134 a day. During the Fourth of July weekend they averaged 144.

* * *

The five-month traffic toll was 20,380, or about 6 per cent above the 19,270 for the same period of 1967.

The May total was 4,770, up about 7 per cent from May last year.

India has a poor highway record, killing 80 persons per year for every 10,000 motor vehicles compared to 5 for the United States and 19 for Britain.

Bomb Mailed to Teacher in Ohio Kills Him

LORAIN, Ohio (AP) — Daniel J. Ronek, a teacher who would have been 24 today, received a 6-inch-long, cylindrical package in the mail Monday. The package exploded in his hands, killing him.

The mailman who delivered the package described it as being 2 inches in diameter with a metal screw cap at one end.

It was enclosed in heavy, dark tan cardboard and weighed 8 ounces to one pound, according to the mailman, Herbert Harding.

The package had been forwarded from Columbus, Harding said, and the Columbus address on the package had been scratched out.

Harding said Ronek often received mail forwarded from Columbus to the home where Ronek lived with his mother and an uncle.

* * *

Neither Ronek's mother, Mrs. Susan Hronek, nor his uncle, Steve Breznen, were at home when the blast occurred.

* * *

Postal authorities joined police in the investigation.

It was the second such death in Lorain County this year. A bomb package received by bus killed 24-year-old Samuel Hammons Jr. at his home in Avon Feb. 24. The FBI linked that death to a love triangle involving a California man and woman. The California man's body was found later in a pond, and no charges were pressed in the case.

STUDENT LEADER

Ronek was president of his high school class, was a graduate of Miami University and did graduate work at Ohio State University last year.

A friend said he taught at Central Junior High School on East 40th Street in a predominantly Negro area of Cleveland during the school year that ended in June.

* * *

During the summer months Ronek worked at U.S. Steel Corp.'s Lorain Works.

Some Ordered to Work

Flint Strikers Enjoined

Flint (AP) — Flint Circuit Judge Stewart Newblatt Monday ordered all the city's striking hospital employes to return to work and said unions representing other striking city employes must provide emergency crews when needed.

* * *

His decision came as a result of an injunction sought by City Attorney Charles Forrest. Forrest said the walkout by some 2,500 general city employes, garbage collectors and hospital workers Monday was causing irreparable damage to the health and safety of Flint citizens.

The strike is over a contract dispute. Pickets appeared at Hurley General Hospital, the city maintenance yard and city hall. Bishop Airport, which is city owned, was a tentative target. Trash and garbage collections were stopped, and supervisory personnel were assigned to vital city posts.

The roadrunner is New Mexico's state bird.

Low-Cost Remodeling Tip

Nu-Sash gives a clean modern appearance; makes window washing easy; keeps out dirt and noise; ends yearly maintenance; and increases property value.
Replace Old Worn-Out House Windows with Nu-Sash
Unique test-proved Nu-Sash updates the home instantly; forever ends window problems.

Repairing old troublesome, rotted and rattling windows has always been a problem to homeowners and property owners who want to modernize. However, a handsome unique aluminum replacement window now provides a simple and economical solution.

This revolutionary product — Nu-Sash® — is a window specifically designed to replace old outdated deteriorated windows. The cost — including installations — is nearly 40% less than other methods of renovating or remodeling old windows.

With Nu-Sash, there is no costly remodeling of inside walls; no messy or dirty construction work. Old windows are removed and expert installation men install Nu-Sash in a matter of hours without touching inside plaster or distúrbing the present woodwork around windows.

Nu-Sash has been tested under rigid laboratory conditions. Results show the window superior to recommended standards set up by FHA for new construction requirements.

Savings in heat and air conditioning bills alone pay for a Nu-Sash conversion. However, the real advantages and savings of new Nu-Sash windows are greatly realized when the outstanding features are tested and compared against ordinary windows.

As an important and permanent addition to the home or building, Nu-Sash qualify for low interest home improvement loans. Modest monthly payments are available.

Additional free literature, price samples, details and drawings, and names and addresses of Nu-Sash installations in the area are available by a phone request or by mailing the coupon.

Separate U.S. Sewer Lines Not Answer---Interior Dept.

WASHINGTON (AP) — The Interior Department said Sunday it would cost about $48 billion to separate storm and sanitary sewers which are now combined and which serve some 36 million people — and even that would not solve the pollution problem.

Combined sewers often cause water pollution when heavy rain brings an overflow that flushes untreated sewage down the system, bypassing treatment plants.

* * *

The department said a study shows that four main problems are hampering programs to separate such sewers.

- High Cost.
- Inconvenience during the necessary changes.
- Scarcity of specific information on overflows and their actual impact.
- Uncertainty about the relative importance of this source of pollution.

"The report shows," said Secretary of the Interior Stewart L. Udall, "that separation of sewers is not the whole solution to this problem of preventing overflows from these sewers reaching our streams.

"While in some instances it is going to take complete separation of sewers, in others new or improved methods of control or treatment will be necessary."

* * *

The study was prepared by the American Public Works Association for the department's Federal Water Pollution Control Administration.

It recommends additional research on control and treatment of combined sewer overflows, and high priority to construction of new treatment plants in communities lacking them.

RECOMMENDATIONS

Also recommended:

- Raising the level of treatment where needed.
- Making community officials more aware of the importance of the overflow problem.
- Increased efforts to recruit and train competent sanitary personnel.
- Additions or modifications of existing treatment plants to allow at least partial treatment of sewage flows now being bypassed.
- Consideration of the use of surface drainage controls in the development of parks, playgrounds and other open spaces in urban land.

Hens at a Loss

KANSAS CITY, Mo. (AP) — As government meteorologists were checking the results of a tornado that had skipped through a farm area not far from here, they observed that the hens at one place were making a considerable racket. Asked the cause, the farmer replied: "The storm killed the only rooster on the farm."

Pontiac Press Photo by Ron Unternehrer

Busy assembling the easels just delivered to the Pontiac Creative Arts Center are education chairman, Mrs. Louis J. Serratoni of Orchard Lake who is also president of the Pontiac Society of Artists, and Mrs. Arthur F. Buehre of Elsinore Drive. A number of easels, stools, work tables and turntables were purchased for PCAC by the Pontiac Society of Artists. The cost, totaling over $1300, was raised by proceeds from several art show sales over a period of two years.

Announce Program at Interlochen

Three big events in music are slated at Interlochen this weekend.

Thursday, Boris Goldovsky, well known to Metropolitan Opera Saturday matinee listeners for his "Opera News of the Air" entr'acte feature, will be the guest artist in Kresge Auditorium.

WORKSHOP

The camp's University of Michigan division opera workshop class, directed by Mrs. Elizabeth Mannion, will assist Goldovsky in "Bringing Opera to Life."

Pianist, lecturer and music educator, Goldovsky will discuss the scope of opera, the opera theater idea and the future of opera in the United States.

Excerpts will be performed from Mozart's "Don Giovanni," "The Marriage of Figaro," and "The Magic Flute."

Friday, the 400-voice Festival Choir will present Haydn's oratorio "The Creation."

Allen C. Lannom will make his Interlochen debut as conductor of the combined forces of soloists, choir and orchestra.

He is associate professor of music in fine and applied arts at Boston University and is conductor of the University and All-State Choirs at the National Music Camp.

* * *

Janice Harsanyi, soprano, Waldie Anderson, tenor, and Willis Patterson, will be the featured soloists in the English presentation of this oratorio, text of which is derived from portions of the book of Genesis and Milton's "Paradise Lost."

Van Cliburn returns Saturday for his tenth appearance at Interlochen since his Moscow triumph in 1961.

His versatility will be proved again as he performs the Grieg "Concerto in A Minor" with the camp's World Youth Symphony Orchestra.

Expectations are that Cliburn will draw a full house for the 8 p.m. benefit concert.

* * *

Tickets are still available at the concert manager's office on campus and at the Grand Traverse Performing Arts Center in Traverse City.

St. Mary's Church to Hold Annual Country Fair, July 20

The annual Country Fair of St. Mary's-In-the-Hills Episcopal Church will be held again this year at the Church on Joslyn Road in Lake Orion.

It is scheduled July 20 from 11 a.m. to 7 p.m.

* * *

In addition to the usual colorful sale and game booths, there will be a flea market, kiddieland, pony rides and entertainment by three bands.

A professional auctioneer will preside at the auction of items contributed by church members, ranging from heirlooms to useful junk. The auction begins at noon.

SPECIAL FEATURES

Special features will include helicopter rides, silhouette making, a blacksmith at work and the showing of a giant eight room dollhouse.

* * *

A ham dinner will be served in the church undercroft from 5 to 7 p.m.

* * *

The grounds offer plenty of free parking and chairs for resting. The area will be treated with anti-mosquito spray.

A Slide Presentation Highlights Luncheon

The Jack Van Coeverings will present a slide domonstration talk at Wednesday's noon luncheon of the Countryside Improvement Association. Mrs. Elmer Boch of Wellington Court, West Bloomfield Township will host the event.

* * *

Assisting will be Mrs. Kenneth Hedges, Mrs. Gene Mitchell, Mrs. R. D. Baker and Mrs. H. L. Welch.

Artists to Show Works at Mall

The Pontiac Mall will be the scene of Betty Baldwin's "Artists' Showplace" beginning Wednesday and running through July 20.

Artists from many states will exhibit their works, appearing in person to demonstrate their talents on-the-spot.

Harold Shinnick, gallery owner and seascape specialist from Daytona Beach, Fla., will be painting each day in The Mall during this summer art festival.

* * *

A resident of Detroit during his school years, he spent much time watching the ships plying the Detroit River. His experience of the North Atlantic began with enlistment in the Navy in 1944.

Portraitists Jesse Fowler (formerly with the Mott Foundation in Flint), Jose Ponce and Margaret Davidson will answer requests for pastels and charcoal drawings.

* * *

A Livonia man, Jack LeMond, with the unusual ability to change his style to suit his mood, will demonstrate the art of miniatures, on easels or in frames, wholly hand-made.

LeMond, a native of Detroit, has an extensive background in the commercial field, including advertising, engraving and interior design.

Any artist or craftsman wishing to exhibit may contact the Betty Baldwin Agency, Westland, or Miss Baldwin at The Pontiac Mall all day July 10.

Set Meeting Friday

Members of the Pontiac Area Council of Senior Citizens will meet Friday at 2 p.m. in the Community Services Building where a national convention delegate will give reports.

HAROLD SHINNICK

A Beauty Queen Looks to Future in Own Country

MIAMI, Fla. (AP) — She is going all out to win, but Ireland's lass in the Miss Universe Pageant says: "I could think of more gracious ways to make money."

Despite the graciousness aspect, Tiffany Scales views her competition against girls from 65 other countries as money in the bank.

* * *

"If I don't win here, in Ireland I hope to make a shilling here and there," she said.

* * *

But the Miami Beach effort will be her last outing in the world of beauty contests.

* * *

"I couldn't enter another contest because I couldn't afford to lose," she said, and she meant financially.

* * *

Miss Scales signed up with a Dublin modeling agency after she won the Miss Ireland title. Despite only three months of experience, she demanded top rates. "Most people in Ireland recognized me," she explained.

* * *

She wound up in the Miss Universe competition because her agency suggested it. So she quit her job, hired a manager and came to Miami Beach. Wednesday night she and the other girls will compete in swimsuits.

* * *

Saturday night Miss Scales will learn whether she is headed back to the modeling business or off for a globe trotting year of glamour.

* * *

Miss Scales understands why there is a chaperone always at her elbow.

"Can you imagine the chaos if you had 66 beauty queens running around Miami getting plastered and picking up men?" she asked.

Lost at Sea Is This Foolish Sailor Who Lends Ship Out to Another

By ABIGAIL VAN BUREN

DEAR ABBY: I am a divorced woman, mid-forties, attractive (so I'm told), and my hobby is boating.

ABBY

Let me explain, I am not madly man-hunting as I have a pretty good social life, although I have no one special at the moment.

My problem is a joker whose boat is tied up next to mine in the marina. He is in his early fifties, very attractive, and also divorced. He does a lot of entertaining on his boat. He is always very friendly when he sees me, but the only time I ever hear from him is when he wants to BORROW something. (He's borrowed everything from fishing gear to a fifth of vodka). He always pays me back, but this is what bugs me:

He asked if he could borrow my boat for a night as he was entertaining a "lady" and wanted to try out my new navigation equipment! Now, what would YOU have told him? SUNDAY SAILOR

DEAR SAILOR: I would have boxed his compass and told him to get lost.

* * *

DEAR ABBY: All my life my parents have raised me to be courteous and to respect my elders. This is getting harder every day. I will give you an example.

Last week I went to a baseball game with two of my friends. They left their seats in the stadium for a few moments and while they were gone a man about my father's age started to move in and signaled another man to come join him. I told him those seats belonged to my friends who would be back any moment. He said he would move when my friends returned.

Well, when my friends came back, this man refused to move. I reminded him that he had given his word, but he said, "Listen, kid, I'm 30 years older than you. You kids go find other seats."

Not wanting to start trouble, my friends left and sat somewhere else.

Now why are kids expected to show respect and be courteous to adults when adults act like this to us? TEEN-AGER

DEAR TEEN-AGER: Teen-agers complain (and justifiably so) that they are individuals and don't want to be judged by teen-agers who behave in a discreditable manner. The same goes for adults. The men were rude and inconsiderate, but they fortunately do not represent ALL adults. Be fair.

* * *

DEAR ABBY: When my husband died eight months ago, a very nice looking man attended the funeral. He said he had been a very good friend of my husband. I never saw the man before, but he couldn't have been nicer to me.

He kept calling on me to keep me company in my sorrow, and I invited him over for Sunday meals and so on. I will leave out a lot of details because they are rather personal, but here is what I want to get across:

It turned out that this man had never known my husband! He makes a practice of reading the newspapers to find out where funerals are, how old the deceased was, where he lived, the number of children, and some of the lodges he belonged to, etc. Then he calls on the widow to get acquainted, saying he had been a good friend of her husband.

If I hadn't accidentally found out that he did this to other widows, I might have gotten even more seriously involved than I did. And it would have cost me a lot of money, too. Please print this as a warning to other unsuspecting widows.

ALMOST TAKEN IN

CONFIDENTIAL TO BRUCE AND JUDY: Yes, two can live as cheaply as one . . . if they live with the parents.

*

Everybody has a problem. What's yours? For a personal reply write to Abby, in care of The Pontiac Press, Dept. E-600, P.O. Box 9, Pontiac, Mich., 48056 and enclose a stamped, self-addressed envelope.

MRS. DAVID C. PATTERSON

Betsy Lu Gillen Chooses Organza for Saturday Rite

Betsy Lu Gillen was escorted to the altar of All Saints Episcopal Church Saturday where she became the bride of David Calvin Patterson.

For the early evening ceremony, the daughter of the Gene H. Gillens of South Shore Drive chose an ivory organza skimmer fashioned with peau d'ange lace bodice and Mandarin collar.

To complement the A-line silhouette, the bride wore a train of organza.

* * *

Matching lace, frosted with seed pearls, capped her illusion veiling and she held gardenias encircling a cluster of white roses.

Marjorie McQueen was maid of honor with bridesmaids Mrs. Robert Readler, Mrs. Douglas Alden, Mrs. Joseph Ayrault and Mrs. William Green.

ESQUIRE SIDE

Timothy Patterson led his brother's usher corps as best man. He was followed by Robert Readler, Michael Patterson, Richard Brandt and Clark Lemaux.

Following a reception at the Kingsley Inn, the son of the Calvin E. Pattersons of Old Orchard Drive, and his bride departed for a honeymoon trip to the Bahamas.

Is Open House an Invitation to Everyone?

By ELIZABETH L. POST

Dear Mrs. Post: What is your opinion on articles and classified ads that appear in our papers today, announcing an open house in celebration of some special occasion? Many people feel it is an invitation for anyone who cares to go.

Is that correct? I, personally, don't feel that way and do not attend the occasions unless I have had a personal invitation. — H. Shorn.

* * *

Dear Mrs. Shorn: In some sections of the country, especially in small towns, this is an accepted custom which is in perfectly good taste. It is true that anyone reading the invitation may attend, and this is one of the problems of this practice.

Very often no additional invitations are issued privately. Therefore, if the announcement is made by someone you know, you are expected to attend.

GRADUATION PARTY

Dear Mrs. Post: Next week I plan on having a graduation party. It will be held in my house. It has come to my older sister's attention that invitations should be sent out and the girls should wear dresses.

I say it is not a formal banquet! Whenever I went to one of my friend's parties the girls wore slacks. How can I settle this? — Linda

* * *

Dear Linda: This is your graduation party — not your sister's. If you want the girls to wear slacks and that is the custom for this type of party in your group, then go ahead and tell them to wear slacks. Don't forget, though, that sometimes a party is more fun when it's a little different from all the others.

Isn't it possible your friends might think your party a bit more special if they dressed up somewhat for it?

Whetever you decide to wear, the invitations may be made either by phone or card.

MAY BRACELET BE WORN OVER GLOVE?

Dear Mrs. Post: Next week I am going to my senior prom. I would like to know if it is in good taste to wear a bracelet over gloves? — Christine

* * *

Dear Christine: If your gloves are elbow length or longer, a bracelet may be worn over them. You should never, however, wear one outside wrist or street length gloves.

Three Dramas Are Scheduled

Three plays are scheduled for presentation in a joint effort by Oakland Community College and the Court Theatre.

Ferndale High School Auditorium will be the scene of the opening on Friday at 8:30 p.m. of a chronicle of the Negro in this country "In White America" by Marvin Duberman.

It will be presented again on Saturday at the same time, and will be repeated on July 21 and 28. "The Private Ear and the Public Eye" by Peter Sharrer will be given July 14, 19 and 20. On the lighter side, this will be an evening of two comedies of romance and infidelity. Curtain time is 7:30 p.m.

* * *

"The Fantasticks" will be presented July 26 and 27.

For further information or reservations, contact Oakland Community College.

AP Wirephoto

Two supporters of Sen. Eugene McCarthy's presidential aspirations are garbed in creations with messages plugging their candidate. Hedda Hendrix, left, chairman of New York State Women for McCarthy, wears a floppy brim acetate cloth hat and apron of the same material. Mrs. Howard Cook is garbed in a bandana and dress, both of acetate in white and blue.

How to Start Custodial Savings Account

By MARY FEELEY
Consultant in Money Management

Dear Mary Feeley:

I am raising and supporting a 15-year-old boy on my salary as secretary. A recent article of yours had to do with savings bonds and reporting their interest as income on a teen-ager's income tax return. I did not know a child had to file an income tax return.

MARY FEELEY

★ ★ ★

I am also interested in a custodian account, which you say can be set up under a Uniform Gifts to Minors Act. Since I never heard of it, I'd like to know more about it. Anything that would help me to educate the boy is of special interest to me. Please give more details.

Mrs. E.E.S., Newark, Del.

Dear Mrs. S.:

A minor must file an income tax return whenever he has income in any year of $600 or more—and that could be the first year of his life. Many young persons your son's age are filing these days, because of earnings from part-time jobs that put them in the wage-earner category.

MUST FILE

While they may not actually have to pay any tax, due to exemptions, nevertheless they are obligated to file. Income includes earnings from investments and savings as well as salary or wages.

As for the Uniform Gifts to Minors Act: any adult may make a gift to a minor under its provisions. State laws vary as to details. However, basic advantages are these: a custodian savings account, for example, means that the donor is strictly the custodian of the money, the funds belonging entirely and irrevocably to the child. The donor is not liable for any tax on the earnings that accrue.

LOWER

Income from money or securities given to a minor will be taxable, if at all, at tax rates lower than that which the adult, or donor, might have to pay. If, say, a child's savings account earnings were figured in the parent's income tax return and the parent was in the 17 per cent tax bracket, the tax liability would be greater than if those earnings were figured in the basic 14 per cent bracket which the minor would pay — on $100, the difference between $17 and $14.

★ ★ ★

In setting up a gift under the Uniform Gifts to Minors Act, you declare formally that the gift belongs to your child entirely. You can never make use of the money, stocks or securities, bonds or life insurance involved for your own purposes.

Therefore, you must be sure in your own mind that you aren't going to need any portion of the gift in case of family emergency. Some parents have rushed into an overly enthusiastic gift binge, only to discover in a few years that funds greatly needed for emergency use were hopelessly tied up.

MRS. RANDALL J. THOMPSON

Vows Spoken in Ceremony on Saturday

First Methodist Church was the setting for vows spoken Saturday by Cynthia Lynn Alexander and Pvt. Randall John Thompson, USMC.

The evening ceremony was followed by a reception in the church parlors.

★ ★ ★

Attended by Jill Franklin, the bride wore an A-line skimmer of silk organza over taffeta. Appliques of Chantilly lace frosted with pearls accented her gown and matching chapel length train.

To cap her illusion veil, the daughter of the William C. Alexanders of Cedar Grove Road, Independence Township, chose a cluster of organza lily of the valley.

FLOWERS

She held white roses with Stephanotis.

Pamela Affolder and Lori Thompson were bridesmaid and junior bridesmaid, respectively, with Cathy Nichols as flower girl. David Berg and Pfc. Michael Tweedy, USMC, served as ushers while William Alexander attended his sister as ring bearer.

★ ★ ★

Best man honors for the son of Mr. and Mrs. James A. Thompson of Shimmons Road were performed by his brother Jerry.

Russia Reportedly Has Missiles in Mongolia

LONDON (UPI) — The Russians have set up missile bases in Outer Mongolia within striking range of Red Chinese nuclear centers and U.S. bases in Korea, Japan and Okinawa, defense reports said today.

The rocket sites — some of them on wheels — have been installed quietly with the consent of the pro-Moscow regime in Outer Mongolia.

* * *

Outer Mongolia signed a 20-year defense agreement with the Soviets two years ago. The pact was aimed at Communist China, to deter Peking from moves against the Mongolians.

Earlier military reports said the Soviets already had moved troops and armored units into the vast Mongolia plains.

The new reports said the missiles are poking skyward in the nation's remote eastern areas.

They could strike industrial and nuclear centers of Communist China's north.

Missiles on Soviet territory already have Red China's nuclear centers in Sinkiang Province under cover, the reports said.

The U.S. bases within range of the Mongolian-sited rockets lie about 1,500 miles away. Most of them already were covered. The accent appeared clearly on Red China in this latest muscling of the Soviet ballistic shield.

Solar Flare Fouls Global Short-Wave

BOULDER, Colo. (AP) — The biggest and brightest solar flare since 1966 fouled up short-wave radio communications around the world Monday, the U.S. Space Disturbance Forecast Center reported.

And, according to the government scientists, there's a better than even chance of further radio trouble from the same flare on Wednesday, with the signs of the sun pointing to more big solar flares in the not-too-distant future.

* * *

The sun appeared no larger or brighter than usual to anyone venturing a glance with his naked eye at 1:03 p.m. EDT.

But delicate sun-watching instruments here, and at a dozen "flare patrol" stations around the world, recorded a big change.

MAGNETIC FIELD

Scientists saw a large, intense white spot appear on the red mass that the sun appears to be when viewed through their glare-filtering instruments. the spot was the flare, caused by an intensification and heating up of the magnetic field around the sun.

Forecaster Karl Kildahl said these changes in the sun's magnetic field produce corresponding changes in the magnetic field surrounding the earth. These changes disrupt short-wave radio transmissions.

* * *

"By our own short-wave monitoring and transmissions, we can see that we have had a tremendous interruption today," Kildahl said.

He said the flare, which lasted about an hour, produced "noise storms" on short-wave transmissions that lasted several hours. By late evening the interference had died down, he said.

CAUSES INTERFERENCE

The storms affected a wide segment of the short-wave band, knocking out transmission from 184 megacycles to 10 megacycles, Kildahl said.

The flare was rated class 3 on a scale of brightness and size that has a maximum rating of class 4.

* * *

Solar flares have some similarities with hydrogen explosions, he said, although there is no "explosion" as such, and there is no danger on earth from radiation. The earth's own magnetic field is a shield.

American business lost $4.2 billion in 1966 as a result of thefts by employes.

The one-family airline.

If you're now expecting us to tell you what a big, happy family we all are at Delta, forget it.

You're not interested. And we know it.

We know that the only family you care to hear about is the one that beats you into the bathroom every morning.

And until the time comes for you and your family to fly somewhere together—to visit relatives, say, or to put a little pleasure in your next business trip—you've got no time for us.

If you do call Delta, the last thing you'll want to hear about is how great we are with families, and how many deliriously happy trips we've flown in the past.

You'll be looking for proof—not promises. And it's not very likely that we'll be getting more than one chance to do the proving.

You'll expect us to be able to put you all on a flight that's going where you want to when you want to. You'll expect us to be prepared in case somebody in your family is more interested in a warm bottle than a sizzling steak. And you'll expect to get the whole trip at family-plan discount fares that you can afford.

And you'll be right to expect all those things.

Our job is to make your family as important to us as it is to you.

That may sound like a pretty hard promise for the nation's fifth-largest airline to keep. But it's worth the extra effort.

The way we look at it, one satisfied family is worth four or five satisfied individuals.

DELTA

The one family that matters is yours.

TROPHY WINNERS — Dick Kallis (right) of Pontiac receives a trophy from Jaycee Junior Golf Chairman Jerry Hoopfer after pacing the 16-17 age division of the regional tournament yesterday at Pontiac Municipal Golf Course. Steve Sabbaugh (second from left) won the 13-and-under title, while Bob Chapman of Farmington was the winner in the 14-15 age bracket. The three qualified for the state tournament slated July 22-23 at Kalamazoo.

Annual All-Star Game Could Be Low Scoring

HOUSTON (AP) — Managers Dick Williams of the American League and Red Schoendienst of the National League, both noting it has been the year of the pitcher, predict a low-scoring mound duel in baseball's 39th annual All-Star Game tonight in the spacious Astrodome.

Schoendienst of the St. Louis Cardinals, who will start 10-game winner Don Drysdale of Los Angeles, said, "I lean toward a pitcher's game. This has been the year of big zero."

* * *

Williams of the Boston Red Sox agrees. "I would say it will be a pitchers' battle," he said. "The pitchers should predominate."

He named herky-jerky right-hander Louis Tiant of Cleveland, a 14-game winner to start for the American.

A standing-room crowd of over 50,000 is expected for the game starting at 8:15 EDT in the air conditioned stadium built by Judge Roy Hofheinz, owner of the Houston Astros.

UNDER ORDERS

The AL went through an hour workout Monday afternoon under order from American League president Joe Cronin to get the feel of the synthetic turf. Most American Leaguers have never played in the Dome.

The National holds a 20-17 series edge, including five straight and nine of the last 10. The National is a 7-5 favorite.

The American Leaguers adjusted quickly to the fast surface of the carpet-like turf.

* * *

Brooks Robinson, Baltimore third baseman, said, "The ball bounces true but it sure gets through the infield quick. I'd like to hit here all year. It would probably add 25 points to your batting average."

Giant Frank Howard of Washington, the leading home run hitter in the majors with 25, said he didn't think the ball carried very well.

Howard then proceeded to rip several shots into the left field seats—one over the 390 mark.

The Astrodome has dimensions of 340 feet down each line. It's 406 feet to dead center.

SOME ABSENT

Some of the American League stars weren't on hand for the practice session, including Carl Yastrzemski and Ken Harrelson of Boston, Bill Freeman of Detroit and Mickey Mantle of New York, the team captain and first player ever to hit a homer in the Astrodome.

Asked about the missing players, Williams said, "They've got commitments. The game's tomorrow not today."

Tiant admitted that he was tired from pitching 6 1-3 innings Sunday but said he could go two hard innings.

* * *

"This is most important start in my life," Tiant said. "It's one of the biggest breaks I've ever had."

Both All-Star teams came into the game with rather anemic batting averages. Team average for the AL is .263, with Yastrzemski at .301, the only .300 hitter in the starting line-up. The National has a .279 average, with starters Curt Flood of St. Louis and Tommy Helms of Cincinnati hitting .316 and .302, respectively.

Williams said he plans to follow Tiant with John "Blue Moon" Odom of Oakland. He said Odom pitched last Friday and would be well rested.

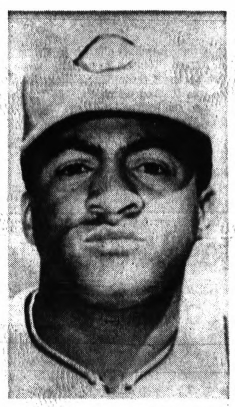

Schoendienst said he wasn't certain who would follow Drysdale, who has a 1.37 earned run average and set a record of 58 2-3 consecutive scoreless innings earlier this season. It will be Drysdale's fifth All-Star start, tying the record.

DON DRYSDALE

Practice Delay for Green Bay Threatens Game

CHICAGO (AP) — National Football League owners sounded the alarm button Monday night.

Art Modell, owner of the Cleveland Browns and president of the NFL, announced that "pro football faces a long and disastrous strike" and then called for a full meeting of owners in Chicago today.

* * *

Modell's statement came after the NFL's Players Association said it had failed to resolve its disagreement with the owners over player pensions.

The players are seeking additional pension funds before the 1970 deadline desired by the owners.

Both groups met on the outskirts of Chicago Monday but reached no conclusion.

ANOTHER PROBLEM

While the owners refused to give in to the players, the question of the All-Star Game arrived.

Vince Lombardi, general manager of the Green Bay Packers, who as the champions of pro football, must meet the College All-Stars in Chicago Aug. 2, said "the game will have to be delayed or canceled" unless the Packers have at least three weeks to get ready."

This resulted from an ultimatum by Modell to hold off the opening of all pro football camps until the present matter is settled.

The San Francisco 49ers were to open their rookie camp Sunday and the Packers were among those scheduled to start workouts Wednesday.

George Strickler, sports editor of the Chicago Tribune whose Chicago Tribune Charities sponsors the All-Star game, said, "Our contract is with professional football including the National Football and the American Football League.

BEGIN PRACTICE

"Our coaches are here and our squad will assemble Thursday and begin workouts Friday. We'll fulfill our end of our contract and we hope professional football will fill its end."

Meanwhile, Modell issued a statement that said, "Despite having granted 21 demands of the players' union, pro football faces a long and disastrous strike on the sole issue of granting pension benefits in 1968 to players, who on the average, will not be eligible to receive such benefits until the year 2000."

* * *

The players' stand, held by John Gordy of the Detroit Lions who also is president of the Players' Association, is that the owners cannot contract for any amount of money concerning 1970 "when they do not know what the situation will be then."

The owners claim they have granted 21 demands to the players and the union's leaders "have taken the position that such an agreement cannot be concluded until the ultimate merger with the American Football League is completed."

Modell, meanwhile, refused to claim the players' group is striking. He calls it an "impasse."

Six Junior Golfers Advance

Jaycee Regional Qualifying Pace Set by Kallis

Six local golfers took another step toward a national championship yesterday by qualifying for state competition in the regional Junior Jaycee Golf Tournament at Pontiac Municipal Course.

The next stop for the six youngsters will be Kalamazoo July 22-23, with the qualifiers moving on to Tulsa, Okla., for the national championship Aug. 19-24.

* * *

A big surprise came out of the play in the 16-17 age division play yesterday.

Larry Walker and Norm Runyon, who finished 1-2 in the district play back in June, had so much difficulty on the first nine holes that they never were able to threaten the pacesetter.

While they were having their troubles, Dick Kallis, who tied for fourth in the district phase of the tourney, checked in with a 38-38—76 over the par-69 course to lead the field of 15.

A stroke back was Scott Niederluecke of Waterford, and he and Kallis qualify for the state tournament.

* * *

Qualifying in the age 14-15 bracket were Bob Chapman (77) of Farmington and Rob Roehrig (80) of Pontiac.

In the 13-and-under bracket, Steve Sabbaugh (79) of Union Lake and Paul Stitt (86) of Waterford picked up the two qualifying berths.

Cincinnati Loses Team's Best Hitter

CINCINNATI (AP) — Pete Rose, Cincinnati's leading batter, was placed on the disabled list Monday for a fractured thumb and will not return to the line-up for at least 21 days, the Reds announced.

Rose, who is batting .329 and led the league in hitting early in the season, injured his left thumb as he dove for a ball in Cincinnati's game Saturday night with Los Angeles.

New Contract Signed

ATLANTA (AP) — Braves' President William C. Bartholomay confirmed Monday the signing of Paul Richards to a new contract extending through 1971.

Richards is in his second year as vice-president in charge of baseball operations.

Wilt Announcement Set Today by Lakers, 76ers

PHILADELPHIA (AP) — The Philadelphia 76ers hold a press conference today to tell the sports world what it already knows — that Wilt Chamberlain has been dealt to the Los Angeles Lakers in one of the major trades in National Basketball Association history.

A 76er spokesman said Monday night that simultaneous press conferences would be held at Los Angeles and Philadelphia to make an announcement. The subject matter was not revealed, but The Associated Press reported Friday that the trade already has been consumated.

* * *

The 7-foot-1 center, greatest offensive player in the history of basketball, was swapped to the Lakers for All-Star guard Archie Clark, veteran center Darrall Imhoff and second-year forward Jerry Chambers, plus an undisclosed amount of cash.

Jack Ramsay, the 76ers' general manager for three years, has been named to succeed Alex Hannum as coach. Hannum resigned after the 1967-68 campaign to go with Oakland of the rival American Basketball Association.

But although Ramsay will preside at the Philadelphia news conference at 1 p.m. at the Spectrum Sports Arena, the announcement of his appointment probably will not be made then. The 76ers may withhold it for a week or so to give the Chamberlain deal maximum news coverage.

Although the trade was closed as early as last week — or possibly earlier — it was not immediately announced because of the difficulty in coming to contract terms with the players, The Associated Press learned.

* * *

The Lakers reportedly had difficulty in putting Chamberlain's signature on a pact. He reportedly made $250,000-plus last year.

Also, Clark, the starting guard on the West's All-Star team last year, reportedly wanted an increase from the 76ers. He was said to make in the vicinity of $100,000 last year.

FLASHY GUARD

Along with Clark, a 20-point-per-game producer and flashy backcourt man, the 76ers get a sturdy defensive center in Imhoff and a potentially good forward in Chambers.

Big Cage Catch Made by Titans: Spencer Haywood

Spencer Haywood, former Pershing High School basketball star and member of the 1968 U.S. Olympic team, has signed the national letter of intent to attend the University of Detroit.

U-D athletic director and head basketball coach Bob Calihan made the announcement Monday.

* * *

Haywood, 6-8, 225 pounds, led the Doubhgoys to the Michigan State Class A title two years ago and was named to the high school All-America team.

Last season, he led the nation's junior college players in rebounding with a 23.2 per game mark, and also scored 27.1 points per game for Trinidad J.C. in Colorado.

* * *

He led last spring's Olympic Trials in rebounding and was third in scoring. He just recently returned from a European tour for the State Department during which he was named its most vaulable player.

Rowing to Trials

LONG BEACH, Calif. (AP) — Philadelphia's Vesper Boat Club, defending Olympic gold medal rowing crew, arrived Monday for the Olympic rowing trials to be held Friday through Sunday.

The crew held two workouts in the Long Beach Marine Stadium.

Large Field in GAM Play

A field of nearly 500 fathers and sons teed off this morning in the annual Golf Association of Michigan Father-Son tournament.

Play was over 18 holes and the large field was using Plum Hollow and Orchard Lake country clubs. The day closes with a victory banquet this evening at Orchard Lake CC.

Defending champion in the event is the twosome of Chuck Byrne Sr. and Jr., who carded a one-under-par 71 at Pine Lake in winning the '67 event.

The two Byrnes are back to defend their title today and they faced some tough competition.

ANOTHER TRY

Frank Richart and son, John, of Ann Arbor won the event two years ago and they were back trying for another title.

Among the others in the field were U.S. Seniors champion Ray Plamer and his son, Ron, of Grosse Ile; John Green and son, Pete, the present GAM champion, of Franklin; and Dr. Frank Lovell of Southfield, GAM president, and son, Ray.

Unser Entering Race

WATKINS GLEN, N.Y. (AP) — Bobby Unser, winner of this year's Indianapolis 500, says he will drive in Sunday's Six Hours of Endurance for manufacturers to be held at the Watkins Glen 2.3-mile track.

British Open Tune-Up

Casper Pulls Garbo

CARNOUSTIE, Scotland (AP) — Bill Casper gave the 1968 British Open Golf Championship the Garbo treatment and said today that this might be the way to tune up for a title every professional in the world envies.

The 37-year-old San Diego, Calif., professional who has won more than a quarter of a million dollars on the American circuit in the past two years, approached Wednesday's opening of the 72-hole contest in the loneliest manner possible.

* * *

Casper went around Carnoustie's fearsome 7,252-yard, par-72 layout by himself Monday.

"I discovered the course," he said quietly.

Before that, he went to two Sunday services of the Latter Day Saints in Dundee, as a recent convert to Mormonism. On Saturday, he addressed a Latter Day Saint's youth meeting.

* * *

While none of this seems to have anything to do with golf, Casper is convinced it has.

NEEDS BREAKS

On top of that, he said he needs such interim breaks to keep him steady, nerveless and keen.

The bookmakers must be impressed.

Without any kind of practice round or scores worth talking about, Casper still is rated as at 5-1 for the title, just behind Jack Nicklaus, the 9-2 favorite.

The rating is remarkable when one considers that Casper never has played Carnoustie, never has competed in the British Open, and is somewhat of a stranger to British golf except for Ryder Cup appearances.

If Casper, straight from tee to green and one of the really great putters, says he has discovered the Carnoustie layout, the bookies might turn out to be more than right.

ADOPTING THREE

Casper and his wife, plus 14-year-old daughter Linda are here. The Caspers have two more children of their own and now are adopting three more, a baby boy and twin girls.

All of that is unlikely to make Casper seem a lonely man, in addition to the fact that everybody likes him anyway. But as far as his preparation for this assault is concerned, he is the loneliest of the entire field of 130.

Tournament Opens Today

Youth in Publinx Spotlight

DALLAS (AP) — A group of youthful contenders took off in pursuit of defending champion Verne Callison of Sacramento, Calif., today in the first round of the National Public Links Golf Tournament.

At least three young amateurs, including ailing Arnold Salinas of Dallas, were given chances to unseat Callison for the title over the treacherous 6,800-yard Tenison East course.

Pontiac Gary Balliet and Southfield's Roy Iceberg are among the contenders.

* * *

Former professional golfer Gene Towery, who has been reinstated as an amateur, also is rated among the favorites, along with 17-year-old Rodney Allen and Louisiana State University sophomore Tom Evans.

The youngsters have been projected into the title picture partly because of their familiarity with the rugged Tenison East course, where about three inches of grass was sheered off its rough Monday at the instruction of U.S. Golf Association officials.

ONE UNDER

Allen has posted a one-under-par 69 on the tree and water-cluttered course and Salinas learned his trade on the same course alongside new U.S. Open champ Lee Trevino.

Salinas, however, has been plagued with a virus and may not be at full strength.

* * *

Taking some of the rough out of the rough brought a sigh of relief from the 150-man field, but a forest of trees, sand traps and white rock creek offer plenty of obstruction.

* * *

Course pro Erwin Hardwicke originally estimated a seven-over-par 287 could win the 72-hole tournament. He lowered the figure to 283 after the rough was trimmed.

ROUGH TRIMMED

"I think it trimming the rough made the course about four strokes easier," Hardwicke said. "They (the USGA) felt it was a little unfair to the boys and man. I knew it was rough . . . it would be tough for anybody."

* * *

Hardwicke said he felt a Trevino-type golfer who could stay on the fairways and putt well would win the tournament.

Evans has the same plan. His advice is to "hit it straight and putt well and you will be up close."

Gates Won't Open for Lakes' Racer

TORONTO (AP) — Canada's exiled 12-meter yacht, Golden Eagle II, may be scuttled again, this time by the St. Lawrence Seaway strike.

Owner Herb Wahl of the Toronto Yacht Club said Monday night that even if the strike ended immediately, the former U.S. challenger for the America's Cup won't make it for the Port Huron-Mackinac and Chicago-Mackinac races on the Great Lakes.

* * *

"Even if they called the strike off today, we'll be out of luck," Wahl said. "It's just another disappointment."

The former American Eagle, purchased by a Toronto syndicate in November, was to leave Tuesday through the Welland Canal and across Lake Erie to be in time for the Port Huron, Mich., start Saturday.

But with the strike closing the canal, the back-up of ship traffic makes the ships chances remote of making Port Huron even if there was a settlement in the strike Tuesday or Wednesday.

INCENTIVE MOVE

Wahl, Mike Pellegrin and Gerry Morris, who brought the yacht to Canada in May, had hoped a 12-meter yacht racing out of Toronto would stimulate enough interest in the class to encourage building of a Canadian 12-meter challenger for the America's Cup in 1973.

An import tariff of $157,000 excluded the ship from Canada and it has been based at Olcott, N.Y., on the south shore of Lake Ontario.

* * *

She now is sailing under her original name American Eagle because she has no Canadian registry.

American Eagle is the first Canadian-owned and crewed 12-meter yacht. It was built in 1964 at a cost of about $500,000.

She was twice an unsuccessful contender for selection as the U.S. yacht to race against British and Australian challengers for the America's Cup.

BATTING PRACTICE — Oakland shortstop Bert Campaneris gets ready to swing at one of the slants served by Cleveland catcher Joe Azcue during batting practice by the American League All-Stars in the Astrodome yesterday. Campaneris probably will see action tonight against the National League All-Stars as a replacement for starter Jim Fregosi of the California Angels.

Gains Initial Links Triumph

Ron Crisp of Lakeland Golf Course gained his first victory of the junior district golf season with a steady 41-41—82 Monday at Wastenaw Country Club.

* * *

Guest Rick Quellman went out in 36 but had a 45 coming back to finish one stroke behind Crisp. Bonnie Lauer continued her strong girls' bracket play with a 42-38—80.

* * *

The top score for the boys was actually Dennis Dobbs' 40-35—75 on his home course in the first flight. Another Washtenaw junior, Jim Barlow, had 36-41—77 in the second flight.

BEST TEAM — Pro Gene Bone (left) and his assistant, Don Powell, of Bay Pointe, may be looking back in this picture but they had plenty to look forward to in yesterday's pro-assistant golf championship at Birmingham Country Club. They posted best-ball scores of 63-66—129 to win the 36-hole tournament.

Penalty Stroke Overcome in Pro-Assistant Tourney

Bay Pointe Country Club golf pro Gene Bone, a 14-year veteran, and first-year assistant Don Powell survived a penalty stroke to win the State Pro and Assistant best ball crown Monday in a 30-team field.

Playing the Birmingham CC course, bone and Powell were sailing along on the next to last hole when a misunderstanding led to a one-stroke setback.

But they held on to edge the Grand Rapids' pair, Glenn Stuart and John Celestino of Cascade Hills, by one stroke for the $400 top prize.

* * *

The Bone-Powell combine had 63-66 for 129. Stuart-Celestino finished with 66-64—130. Wally Burkemo and Tom Deaton of Detroit Golf and Country Club were tied for the lead after the morning 18 holes, but soared to a 72 in the afternoon heat.

MISUNDERSTANDING

On the nearly disastrous 17th fairway, Bone's ball was lying close to but not on the green. He marked his spot and casually flipped to ball to the caddy, who thinking the ball had reached the green, proceeded to wipe it off with a towel.

This infraction cost the eventual champions a bogey for the hole.

Stuart and Celestino, meanwhile, had bettered their four-under-par front nine 32 of the morning round with a sizzling 30 going out in the afternoon. But they could manage only one birdie on the back nine each round and this left them with a $250 check instead of the $400 top prize.

* * *

Defending champions Mike Souchak and Tom Cosmos of Oakland Hills finished seven strokes back at 137, failing to break 66 on either round.

STATE PRO AND ASSISTANT CHAMPIONSHIP
(At Birmingham CC)

Gene Bone and Don Powell, Bay Pointe	63-66—129

Tom Talkington and Mike Fox, Washtenaw	69-69—138

Two-Team Race in Softball League

Central Methodist and Elizabeth Lake Church of Christ made it a two-team race in the American League, and Sunnyvale Chapel improved its runner-up standing in the National loop during Monday's Waterford church softball clashes.

* * *

Central stayed one game in front with an 8-3 decision over Ascension Lutheran. Elizabeth Lake stayed one game back by handing Church of God a 10-8 loss.

Dave McDonald proved too much for St. Paul Methodist as Sunnyvale cut idle Union Lake Baptist's lead to a half game with a 7-5 decision.

* * *

Donelson Baptist rallied for a 7-5 win over Stringham United Missionary; Our Lady of Lakes slugged St. Stephen's Lutheran, 13-5; and RLDS erupted for 31 hits in a 24-3 romp past Christ Lutheran.

McDonald made a key defensive play, singled and scored the deciding run, and hurled two scoreless innings in relief to pace Sunnyvale.

Vern Cork clouted a homer and triple for three rib's while pitching his seventh straight victory for Central.

Summers Cards 1st Ace

A seven-iron shot tee on the eighth hole at Kensington Park Golf Course Saturday rolled into the cup 140 yards away for the first ace in the career of Birmingham's Ron Summers. He came in with a 79 for the round.

Elks' Golfer Gets Ace

Ed Karnoogian fired a hole-in-one Monday on the 150-yard second hole at Pontiac Country Club. Playing in the Pontiac Elks' League, he used a seven iron for the ace and posted a 41 for the round.

Top U. S. Amateurs Play First Matches

INDIANAPOLIS, Ind. (AP) — Tempo picked up in the Western Tennis Tournament today with top-seeded Charlie Pasarell and Nancy Richey both playing their first matches.

Pasarell, the Santurce, P.R., player who also is the nation's No. 1 amateur, met Mexico's Pedro Lange in the men's division.

Miss Richey, the nation's No. 1 women's amateur from San Angelo, Tex., began quest for her fourth straight Western title against Andrea Sanders of Tulsa, Okla.

Walled Lake Pitcher Torpedoes Southfield

Southfield's American Legion baseball leader was torpedoed by Walled Lake and its submarine pitcher in a makeup game yesterday.

Pat Plilo sidearmed and underhanded his way to a 4-0 victory, yielding only two hits. The sophomore righthander fanned five.

* * *

The loss was third against 15 losses for Southfield. Walled Lake, 13-4, moved back in contention along with idle Waterford, 11-5. Waterford still has two games with Southfield.

Walled Lake put the game away with three runs in the first inning. A throwing error allowed the first tally and Wally Williams singled home the other two. Greg Fogle blasted a long homer in the sixth.

World Cup Play

GLASGOW, Scotland (AP) — Scotland will play Austria in the World Cup soccer preliminaries at Hampden Park Stadium here, Nov. 6, it was announced Monday. The Scots also are scheduled to meet West Germany April 16, 1969, and Cyprus on May 17, 1969, both at Hampden Park.

Extra Inning Softball Tilt

Jerry Dennis' single with two out in the last of the 10th inning last night gave Ward Body Shop a 5-4 victory over Midget Bar in Waterford fastpitch play.

Jim Hirn's two-run homer moved Midget (2-12) in front, 3-0, but Ward (9-6) managed to tie the count by the sixth.

* * *

In the other contest, Huron (6-11) posted a 6-3 triumph over Clarkston Appliance (5-10). Huron scored two in the third and two in the fifth to overcome a 3-1 Clarkston lead.

Ducky's Bar defeated Lakeland Barber Shop, 9-1, in slow-pitch action.

Canada Athletes Off to Olympics

MONTREAL (AP) — Canada will send a team of 150 athletes and 30 officials to the Olympic Games in Mexico City in October, it was disclosed Monday.

* * *

The squad will be sent in three sections. Those participating in long-distance will go to Alamosa, Colo., Sept. 14 to let them become acclimatized to high altitudes. Another group will leave for Mexico City Sept. 22 and the final detachment will depart for Mexico City Sept. 28.

Silver Lake Favorite

William Sandberg carded his first hole-in-one Sunday by rolling an 120-yard eight-iron into the cup for the fifth ace on the eighth hole at Silver Lake this season. He had a 45.

Eve of Regatta

Wanted---Pink Tie

HENLEY-ON-THAMES, England (AP) — How difficult is it to get a pink tie in Henley on the eve of the rowing regatta? Very difficult.

Pink—shocking pink, some call it—happens to be the color of Leander, perhaps the world's most exclusive club. To become a member of this august establishment you have to have either won a rowing race at Henley or a race for England's Oxford or Cambridge universities.

* * *

The club is celebrating its 150th anniversary this year.

At the imposing clubhouse, a rambling 20-bedroomed mansion, standing among trees and immaculate lawns beside the River Thames at Henley, 420 members and their ladies in evening dress attended an anniversary ball Saturday.

The band of the Royal Artillery played sedate music.

PRICELESS SILVER

Monday night they sat down to a banquet with priceless silver glittering on tables groaning with food and champagne.

"There are 2,200 members, but we don't see most of them all year," said Leander's secretary, Harold Nicholas.

"Then there's a sudden invasion for Henley Week.

"There are about 400 overseas members, including a good many Americans.

"Members of Russian and Communist East German crews who have won at Henley also qualify for membership, but somehow don't seem to have got around to applying."

The Henley Royal Regatta starts Thursday.

ROOKIE RECEIVER—Cincinnati catcher Johnny Bench is regarded as a top bet for stardom and is a strong candidate for rookie of the year laurels in the National League.

Four Straight Wins Earn First Place

A stingy defense has boosted the Oxford Merchants into the driver's seat in the tight city slowpitch softball National League race.

They took over first place with their fourth straight victory Monday night, a 2-0 whitewashing of Captain Nemo's.

The Merchants received a boost when Local 596 upset the Riggers, 11-7, and M G M Cleaners mauled the Sportsmen, 8-1 — the first defeats for both squads. MGM, by winning, forged a three-way deadlock now for the runner-up slot.

* * *

In the lone International Slowpitch contest, Reese's Standard surprised Oxford Mattress, 5-4, breaking into the victory column at the expense of the previously undefeated mattressmen.

Two-run homers by Bob Mathesen in the first and sixth began and ended the scoring for Reese's.

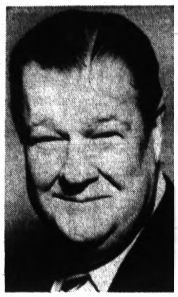

LONE MARKERS

The Oxford Merchants tallied two runs when their first three batters reached base on a single, double and a costly error.

The NL pacesetters' defense pulled one double play, tossed out a runner at the plate and retired the final 11 batters for Captain Nemo's in order. There were only seven hits in the game, three by the victors.

* * *

Bob Gilmore blasted two singles, a double and triple. Bob Moore two singles and a homer, and Harry Stormer three singles in leading Local 596 Ken Johnson aided MGM's win by singling three times and Bob Cheza was even more effective with two doubles and a three-bagger.

AP Wirephoto

FORMER UMPIRE — Clynton R. (Dusty) Boggess, 64, who umpired for 18 years in the National League, died yesterday in Dallas, Tex. He retired after the 1962 season. This is a 1957 photo.

Striking Baseball Debut Leads Twinbill Sweep

Teen-age southpaw Rob Clancy made a striking debut and Clipper's teammate Gary Fischer shook off a season-long slump to spark a twinbill sweep in the Class A city baseball league.

The Clippers jumped back into second in the men's league by trimming CIO Local 594, 5-1, and following with an 8-1 romp over Uncle Charlie's Pet Shop.

Clancy hurled the nightcap and struck out 11 while yielding a lone single to the Pet Shop's Dave Huston, a Northern High School teammate of the left-hander this spring.

LEFT-HANDER

Another lefty, Jim Horner of Birmingham and Albion College, scattered seven hits in the opener. Four runs in the first inning made it easy for the lanky southpaw to post his second win.

* * *

Fischer had five hits in the doubleheader, surpassing his entire total for a campaign, and accounted for four runs. His two runs batted in nearly doubled his total.

Harry Bartkowiak cracked a two-run single in the opener and Warren Stephens had consecutive doubles in the nightcap to figure in three runs.

Scorekeepers Busy in Jr. Baseball Loop

The scorekeepers were kept extra busy at three junior baseball sites yesterday when the bats and baserunners put the run-scoring in high gear.

* * *

The wildest game saw the Pontiac Police Officers outslug the Eagles, 18-13, in Class D. Brad Swiger of the winners featured the game's 28 hits by clouting a single, two doubles and a home run to account for eight runs.

In a lopsided Class E, Lakeland AC trimmed winless New Hope Baptist, 29-1, mixing 18 hits (including two singles and a double by Roger Strait) with 21 errors by the losers.

* * *

All three unbeaten teams in the "F National" circuit posted victories, with Sam Allen and Sons routing the North Side Merchants, 17-4, with Tom Moriarity gaining credit for the no-hit win. Gary Sheffield blasted two singles, two triples and a roundtripper to register half of the winners' safeties.

Wixom's 2 Homers Produces 12-5 Win

Bob Young bombed two home runs for six runs batted in to lead Wixom past Walled Lake Building Maintenance, 12-5, last night in the Walled Lake Industrial Slowpitch Softball League.

Dan Gainer also had two rbi's as Wixom won its 10th game in 12 starts.

Elmer Turner's throw cut down the tying run at the plate to end Haggerty Lumber's 10-9 conquest of Kimberly North in the other tilt. Dean Smethers belted two doubles and a single, and Darrel Foster had two singles and a triple for the victors.

Zone A Finals

HANNOVER, Germany (AP) — Ingo Buding, Wilhelm Bungert, Hans-Joachim Ploetz and Juergen Fassbender will comprise the West German team that will face South Africa in the European Zone A finals of the Davis Cup tennis competition July 19-21 in Duesseldorf.

State Chutist Chosen

MARAN, Ariz. (AP) —Dave Sauve of East Lansing, Mich. was named Sunday to the 10-member U. S. team to compete in the world parachuting championships, Aug. 6-29 at Graz, Ariz.

Olympic Village Nearly Finished

MEXICO CITY (AP) — The Olympics Organizing Committee announced Monday it expects to receive all the buildings of the Olympic Village, where athletes will be housed, before July 31 from the National Bank of Works and Public Services, the organization charged with construction.

The committee announced six buildings already are finished.

Overcomes Handicap

The first ace for Ron A. Featherstone of Rochester became the third one within a week at Bald Mountain Golf Course Sunday. He drove a four-iron 155-yards into the wind at the eighth hole to record his home-in-one.

By OSWALD AND JAMES JACOBY

JACOBY

Bea Gale Schenken of New York and Sally Johnson of Westport, Conn., won the Women's Pairs in the Eastern Championship with better than a 73 per cent game for the two sessions.

You have to be lucky to get that good a score, but you also have to go about making Dame Fortune smile on you.

★ ★ ★

Bea's four club bid in the sample hand was Gerber. She decided to gamble on a slam if her partner held at least two aces and wanted to be dummy.

With two aces Sally would have replied four spades and Bea would have raised to six spades. Thus, the Gerber would have had the effect of a transfer bid. When Sally bid four no-trump showing three aces, Bea placed the contract in six no-trump.

★ ★ ★

At first glance the slam does not seem a very good one. Without a 3-3 diamond break there is no real play for it but West suffered from an embarrassment of riches and Sally made it by an unusual form of Vienna coup.

West opened the king of hearts and Sally allowed it to hold. She was not going to make more than 12 tricks in any event and wanted to set up a possible squeeze situation on an extra chance.

★ ★ ★

West continued with the queen of hearts and Sally was in. She overtook her jack of spades with dummy's queen and led the jack of clubs to her ace. This early club play constituted the Vienna coup since it set up the king and queen of clubs as high cards. It was also essential that she get her ace of clubs out of the way at some early stage.

Then she ran off the spade suit discarding her hearts and clubs. The last spade squeezed West. He had to let a diamond go to hang on to a high club and Sally had her slam.

♥♣CARD Sense♠♦

Q—The bidding has been:

West	North	East	South
1♦	Pass	2♥	
Pass	2 N.T.	Pass	3♦
Pass	3 N.T.	Pass	?

You, South, hold:

♠A4 ♥KQ1098 ♦KJ65 ♣K8

What do you do now?

A—Pass. Your partner has shown a minimum opening and clearly indicated that he can play no-trump. Let him.

TODAY'S QUESTION

Instead of bidding three no-trump your partner bids three hearts over your three diamonds. What do you do now?

Answer Tomorrow

Dental Setup OK

BIG RAPIDS (AP) — A dental laboratory technology program at Ferris State College has won accreditation from the Council on Dental Education of the American Dental Association. This is the third dental auxiliary program at Ferris to earn approval from the dental association.

San Francisco has an area of 44.6 square miles.

Astrological Forecast

By SYDNEY OMARR for Wednesday

"The wise man controls his destiny . . . Astrology points the way."

ARIES (March 21-April 19): Get basic obligations out of way early. Later, social activity actually aids where business income is concerned. Means this is combination of work and play, a day which tests your versatility.

TAURUS (April 20-May 20): During morning, early afternoon hours you may be busy with correspondence, messages, calls. Later, you get down to basic issues. You can do much to advance ambitions, aims. Have faith.

GEMINI (May 21-June 20): Responsibilities could conflict with travel desires. Check financial status. Be sure you know the truth about expenses. Member of opposite sex is demanding. Strive for balance.

CANCER (June 21-July 22): You can get answer to financial dilemma, but it requires co-operation from mate, partner. Probe deep — go beyond superficial indications. Better to finish than to begin projects.

LEO (July 23-Aug. 22): Tonight, you face issues which you had put off, delayed. Whatever you do, do it with enthusiasm. Make peace with one who opposed your views. Key is being creative and interested.

VIRGO (Aug. 23-Sept. 22): What you do today brings almost immediate results. Be sure your actions are positive. Otherwise, you could find the costs exceeding the results. Common sense is your great ally.

LIBRA (Sept. 23-Oct. 22): Good lunar aspect tonight coincides with romantic interests, creative endeavors. Some restrictions are lifted. Remember, responsibility goes hand-in-hand with freedom.

SCORPIO (Oct. 23-Nov. 21): Forces become concentrated. Your view narrows to specific goal. Know truth when you encounter it. Means be realistic. Don't be afraid to confront challenge. If thorough, you succeed.

SAGITTARIUS (Nov. 22-Dec. 21): Communications connected with relatives appear to dominate. Exchange ideas. Don't be afraid to speak your mind. Key is to be frank and also considerate.

CAPRICORN (Dec. 22-Jan. 19): You receive benefits of efforts, including money. This is a day when you gain satisfaction. Keep balance. Realize you gain what is earned. This is time when you are vindicated.

AQUARIUS (Jan. 20-Feb. 18): Cycle moves up. You can safely take initiative. Meet people. State views. Be independent in thought, action. Original methods pay off. Stick to principles. Be unique rather than average.

PISCES (Feb. 19-March 20): Be discreet. Get needed rest. Pressures are obvious, but you need not bow to them. One you are close to may be in predicament. Be sympathetic without becoming needlessly involved.

★ ★ ★

IF TOMORROW IS YOUR BIRTHDAY you are known by only a few persons. A quiet exterior disguises strong creative urges. Changes on horizon lead to opportunity for greater expression.

★ ★ ★

GENERAL TENDENCIES: Cycle high for AQUARIUS: Special word to LEO: give attention to problems of mate, partner.

Fishing Story Bears Telling: Man Escaped

ELY, Minn. (AP) — His arms loaded with fishing gear, Larry Busek backed out of his cabin door at Bear Island Lake and tripped over an object on the stoop.

Busek jumped up. So did the object, a big black bear.

★ ★ ★

"For seconds that seemed more like minutes, the bear and I faced each other," said the Brookfield, Ill. fisherman.

"Was I scared? you bet I was," said Busek telling of his experience. "I was too scared to run. There was that big black brute with mouth open standing between me and the safety of the cabin.

★ ★ ★

"I guess the bear was more surprised than I was because he suddenly broke to the side and ran away. It didn't take me long to get back in the cabin."

The most restricted natural habitat of any tree in the world is that of the Monterey cypress, which grows only in a section of California about 150 yards and two miles long.

BERRY'S WORLD—By Jim Berry

"O.K., it's a bet — I say you WILL mess things up more than we have!"

THE BETTER HALF

"The boll weevils must have gotten into the cotton crop again this year."

South Vietnamese Thinking One Thing but Saying Another

By MICHAEL GOLDSMITH

SAIGON (AP) — As in the fairy tale of the emperor's clothes, there is a big gap in South Vietnam between what people say and what they think.

The longer the peace talks continue in Paris, the wider the gap becomes.

* * *

Everyone knew the emperor wasn't wearing any clothes.

Everyone in Saigon knows that the Vietcong and the North Vietnamese army are not likely to fold their tents and quietly go away.

Yet to judge from Saigon's newspapers and from the pronouncements of many South Vietnamese politicians, the war can end no other way.

VC IGNORED

Everyone knows that Communist-led forces impose their will on most of the country's territory and perhaps half of its population.

* * *

But official Saigon documents and pronouncements encompass the whole country and all its 17 million inhabitants. Everyone knows that the Paris talks imply peace by compromise. But no one is ready to talk of concessions.

Several possible avenues of agreement—mutual withdrawal of North Vietnamese and American troops, free elections in South Vietnam, a coalition government or the country's neutralization—are all taboo in public discussion.

South Vietnam's constitution bans not only propagating Communist ideas but spreading ideas likely to give comfort to the enemy, such as neutralism.

MINISTER FIRED

The provision is officially interpreted as outlawing the very thought of negotiating with the Vietcong's National Liberation Front.

* * *

A South Vietnamese minister, Phan Quang Dan, was fired for publicly advocating such negotiations. Dan told audiences in America that as long as all the guerrillas have not been killed or captured, it will be necessary sooner or later to sit down and talk to them.

That caused an uproar of indignation among the politicians.

* * *

Prime Minister Tran Van Huong mentioned in a speech to the National Assembly that the National Liberation Front at one time contained some non-Communist patriots. He was shouted down by the deputies.

* * *

Not even a widely respected leader like President Nguyen Van Thieu can afford to call the emperor's bluff. At least, not quite.

SIMPLE TRUTH

A few days ago Thieu summoned 200 politicians and religious leaders and told them a simple truth that no one in the South Vietnamese government had ever publicly expressed before.

* * *

The war will end one day, Thieu said, and the Communists will still be here. Instead of fighting them with guns, it will be necessary to fight them with political means.

* * *

Unless the politicians merge their 50-odd splinter groups into one or two strong political parties, the Communists will win the postwar struggle, Thieu warned.

One member of the audience rose immediately to accuse the president of trying to coerce the politicians into unity to enhance his own power. Thieu denied the charge indignantly. "I am no dictator," he said.

* * *

The politicians agreed to meet again to discuss the idea, but Thieu's chances of breaking through with his message seem slim.

* * *

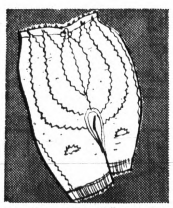

If anyone in the audience caught the implication of the president's words, he didn't talk about it.

But His Diagnosis Was Right

Irked Woman Shoots Doctor

TORONTO (UPI) — The woman walked into the hospital Monday and complained of severe abdominal pains.

She was admitted, and Dr. Anthony Tripodi began his examination.

When it was over, police said, the doctor told the 30-year-old married woman she was pregnant.

She refused to believe it, they said. She blamed the pains on the young doctor.

As he approached the bed to administer a sedative, she pulled out a 32-caliber Brazilian revolver from beneath the sheet and fired it six times, police said.

Four slugs hit Dr. Tripodi. He fell, wounded in the abdomen, the right arm and in one ear. He was not critically hurt, hospital official said.

When another doctor and a nurse rushed into the room after hearing the shots, police said they saw the woman, still squeezing the trigger of the revolver and reaching into her purse for more ammunition.

Four hours later she gave birth to a seven-pound girl, hospital officials said.

NOT YET CHANGED

Authorities said the woman was not charged because she still is hospitalized, as is Canadian custom. They said an assault warrant had been obtained.

Man's Generosity Is Half as Good

PHOENIX, Ariz. (AP)—A Phoenix man mailed a $10 check to the state tax department with a notation: "Although I owe no state tax, I feel obligated to help pay the cost of operating the state government."

When the man's tax return was checked, it was found he actually owed the state $5 in taxes, but Robert Merrill, tax chief, says the man will not be asked to prepare a corrected tax return for the year.

Only 2.2 per cent of the nation's physicians are Negroes.

Kidnaped Tot Is Set Free; Marine Sought

MARYSVILLE, Calif. (AP) — A manhunt centered in California and Nevada today for a 22-year-old marine sought in the unpoint kidnaping of a 2-year-old girl who was returned unharmed later by the Marine's wife.

Object of the search was Thomas Fulton Scholfield, listed as absent without leave from Camp Pendleton near San Diego, Calif.

★ ★ ★

Curly haired Vicky West was driven back to her Marysville home Monday by Scholfield's 20-year-old wife, Loretta, 12 hours after the child was taken as hostage for the Scholfields to flee the area, said Sheriff Gary J. Miller of Yuba County.

Miller quoted Mrs. Scholfield as saying her husband got out of the car near Redding — about 100 miles north of Marysville and near the Nevada border — and he told her to take the girl back.

She said he told her to come home, that he didn't want her to get involved," the sheriff said

NOT A SUSPECT

Mrs. West, 24, a friend of the young Marine's for several months, said they had talked Sunday evening and Scholfield said he thought he was being sought for a San Francisco knifing. Police in San Francisco said later they were seeking no Scholfield.

Miller said the two then picked up Mrs. Scholfield and drove to the West home. At one point, Miller said, Scholfield knocked Mrs. West's brother-in-law Michael, 16, unconscious with a pistol blow on the head. He was recovering today.

★ ★ ★

Then the Scholfields tied up the boy, Mrs. West and Mrs. West's other daughter, Jamie, 5 and fled with Vicky in the West family sedan, Miller said.

A half-day later, Vicky was back home, "hungary, but okay," Mrs. West said.

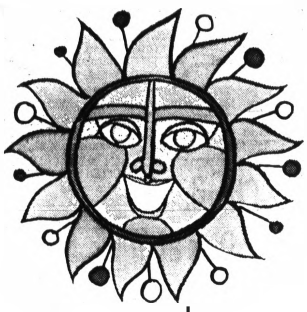

CRIED A BIT

She was was crying a little bit. Mrs. West said. "I asked if they had hurt her. She said no

I asked if she had been fed. She said no. She was hungry."

England's Queen Mary I was called "Bloody Mary" because of the religious persecutions that occurred during her reign in the 16th century.

Deaths in Pontiac, Neighboring Areas

Mrs. Edward Harris

Service for former Pontiac resident Mrs. Edward (Grace) Harris, 74, of Kalamazoo, will be 10 a.m. tomorrow at the Langeland Memorial Chapel in Kalamazoo. Graveside service will be 3 p.m. at Oak Hill Cemetery, Pontiac.

Mrs. Harris died Sunday. She was a member of the Keego Harbor Baptist Church and a former employe of Baldwin Rubber.

Surviving are two daughters, Mrs. Gerald Lafnear of Pontiac and Mrs. Frank Haight of Kalamazoo; two sons, Gordon of Elmira and James Smith of Flint; 15 grandchildren; 10 great-grandchildren; a brother; and three sisters.

Merle E. Hegwood

Service for Merle E. Hegwood, 65, of 90 S. Tasmania will be 1:30 p.m. Thursday at Donelson-Johns Funeral Home with burial in White Chapel Memorial Cemetery, Troy.

Mr. Hegwood died yesterday. A retired electrician at Fisher Body, he was a member of Oakland Avenue United Presbyterian Church.

Surviving are his wife, Agnes I.; a son, Thomas E. of Pontiac; a daughter, Mrs. John E. Stolt of Waterford Township; five grandchildren; four brothers, including Orville, William and Ralph, all of Pontiac; and a sister.

Dillard E. McBride

Service for Dillard McBride, 25, of 36 Euclid will be tomorrow at Spry Funeral Home, Huntsville, Ala. Burial will be in Huntsville. Prayer service was held yesterday at Voorhees-Siple Funeral Home.

Mr. McBride died Sunday of injuries he received in an automobile accident Saturday.

Paul Pennex

Service for Paul Pennex, 65, of 171 S. Shirley will be 1 p.m. Friday at the Church of God in Christ, 252 Wessen, with burial in Oak Hill Cemetery by the Frank Carruthers Funeral Home.

Mr. Pennex died yesterday. He was a member of the Church of God in Christ and had been employed by the City of Pontiac.

Surviving are his wife, Louise; his father, Luther; and sons and daughters Mrs. Sis Louis of Covington, Tenn., Mrs. Nora Nickols of Houston, Tex., and Mrs. Ruby Bufford, Mrs. Jevenia Grandberry, Mrs. Mae Ella Mabben, Mrs. Lois Chatman, Bishop Dixon, Roy Bass, Ebbert Bass, Joe Jouis, Eligah, Ricket, Snadred and Wonda, all of Pontiac.

John E. Shea

Service for John E. Shea, 94, of 532 Orchard Lake will be 10 a.m. tomorrow at St. Mary's Cemetery, Ware, Mass. Arrangements are by Gramer Funeral Home, Clawson.

Mr. Shea, a catcher for the Philadelphia Phillies in 1906, died yesterday.

Surviving are his wife, Nellie; a daughter, Mrs. Peter Slater of Bloomfield Hills; and two grandchildren.

Mrs. Lillie B. Vining

Service for former Pontiac resident Mrs. Lillie B. Vining, 81, of Flint will be 1 p.m. tomorrow at Brown Funeral Home, Flint, with burial at Oak Hill Cemetery, Holly.

Mrs. Vining died Saturday.

Surviving are two sons, Ernest of Flint and Charles of Marquette; four daughters, Mrs. Ellen May Panks of Flint, Mrs. Mary Copeland of Detroit, Mrs. George Dubord of Escanaba and Mrs. Fred Schimkie of Highland; 26 grandchildren; and 30 great-grandchildren.

Mrs. Kathryn L. Bowen

SHELBY TOWNSHIP — Service for Mrs. Kathryn L. Bowen, 22, of 53039 Tundra, will be 11 a.m. tomorrow at St. John Lutheran Church, with burial in Bruce Armada Cemetery by Diener Funeral Home, Utica.

Mrs. Bowen died Saturday.

Surviving are her husband, Dale of Clawson; a daughter Teresa at home; and her parents, Mr. and Mrs. Thomas Murtaugh, and two borthers, Thomas Jr. and Matthew, all of Shelby Township.

Terry L. Coggins

PONTIAC TOWNSHIP — Pfc. Terry L. Coggins, 18, son of William T. Coggins of 3774 N. Shimmons Circle, died July 1 in Vietnam. Funeral arrangements are pending in Wilber, Tex.

Survivors include his father, a brother and a sister.

Richard L. Curtis

LAKE ORION — Service for Richard L. Curtis, 18, of Dearborn will be 11 a.m. Thursday at the Flumerfelt Funeral Home, Oxford, with burial in Oxford Cemetery.

The youth died Sunday of injuries recieved in a boating accident at a lake near Ann Arbor. He was employed by a Dearborn bump shop.

Surviving are his parents, Mr. and Mrs. Duane Curtis of Lake Orion; one sister, Ann at home; grandparents Mr. and Mrs. Deverse Stranahan of Dearborn and Mrs. Vern Lyons of Oxford; and great-grandmother Mrs. Mary Lee.

Olive V. Germaine

TROY — Requiem Mass for Miss Olive V. Germaine, 83, of 5215 S. Rochester will be 9:30 a.m. Thursday at St. Andrew's Catholic Church, Rochester, with burial at Holy Sepulchre Cemetery, Southfield. Rosary will be said at 8:30 p.m. tomorrow at Price Funeral Home.

Miss Germaine died yesterday. She was an office clerk at McMillan Publishing Co., New York, and was a member of St. Andrew's Catholic Church.

Surviving is one sister, Miss Stella Germaine at home.

Dale T. Hawley

ROCHESTER — Former resident Dale Timothy Hawley, 10-year-old son of Mr. and Mrs. Keith Hawley of Bourdonnais, Ill., drowned yesterday in Janesville, Wis. His body is at Phillip-Friday-Schleffer Funeral Home, Kankakee, Ill.

Surviving besides his parents are great-grandparents Mr. and Mrs. C. Russell Hawley of Rochester and Mr. and Mrs. Clifford Bobb of Janesville, Wis.; great-grandmother Mrs. Ellen D'Arcy of Utica and five brothers and sisters.

William R. Hulse

OXFORD TOWNSHIP — Service for William R. Hulse, 55, of 1900 Baldwin will be 2 p.m. Thursday at Reorganized Church of Jesus Christ Latter Day Saints, Lake Orion, with burial in Ridgelawn Cemetary by Bossardet Funeral Home.

Mr. Hulse, who was employed at Webber School, Lake Orion, died yesterday. He was a high priest of the church.

Surviving are his wife, J. Geraldine; a daughter, Mrs. Tom Smelser of Oxford; a son, Airman William A. of Can Ranh Bay, Vietnam; two sisters; and one granddaughter.

Memorials may be made to Reorganized Church of Jesus Christ Latter Day Saints, Lake Orion.

Mrs. Conrad Misenar

OXFORD — Service for Mrs. Conrad (Rosemary) Misenar, 21, of 814 Gill will be 11 a.m. Thursday at the Bossardet Funeral Home, with burial in Oxford Cemetery.

Mrs. Misenar died Monday in an auto accident.

Surviving besides her husband are one son, Michael D. at home; her parents, Mr. and Mrs. Chester Conner of Oxford; two sisters, Mrs. Diane Fenner and Michelle, both of Oxford and one brother, Michael of Oxford.

Stephen Patykowski

ADDISON TOWNSHIP — Stephen Patykowski, 69, of 266 Yule died today. His body is at Bossardet Funeral Home.

Mrs. John Robovitsky

TROY — Requiem Mass for Mrs. John (Helen) Robovitsky, 79, of 3556 John R will be noon Thursday at St. Nicholas Catholic Church, Detroit, with burial in Oakview Cemetery, Royal Oak. Rosary will be said at 7:30 p.m. tomorrow at Price Funeral Home.

Mrs. Robovitsky died yesterday.

Surviving are four daughters, Mrs. Floyd Halsey and Mrs. James Davis, both of Troy, Mrs. Clayton Gocha of Shelby Township and Mrs. Louis Slasky of Sterling Township; three sons, Nick Robovitsky and John Rovit, both of Troy, and Alex Robovitsky of Philadelphia, Pa.; 22 grandchildren; and 14 great-grandchildren.

Ward C. Rugenstein

METAMORA TOWNSHIP — Service for former resident Ward C. Rugenstein, 63, of Fife Lake will be 3 p.m. Wednesday at the Muir Brothers Funeral Home with burial in Oakwood Cemetery, Oxford.

Mr. Rugenstein, a retired farmer, died Sunday.

Surviving are his stepmother, Mrs. Ida Rugenstein of Attica; one sister, Mrs. Marion Blankenburg of Lake Orion; and a half-brother, Harold Rugenstein of Attica.

Sharon L. Scott

UTICA — Service for Sharon Scott, newborn daughter of Mr. and Mrs. Kenneth D. Scott of 45457 Cumberland, will be 11 a.m. tomorrow at the Price Funeral Home, Troy, with private burial in White Chapel Memorial Cemetery, Troy.

The infant died yesterday.

Surviving besides her parents are a brother, Keith W. at home, and grandparents Mr. and Mrs. William McCatty of Troy and Keith Scott of Redford Township.

Mrs. Emil J. Temming

HOLLY TOWNSHIP — Cremation was today for Mrs. Emil (Frances) J. Temming, 55, of 14418 Fagan at White Chapel Memorial Cemetery, Troy. Arrangements are by Dryer Funeral Home, Holly.

Mrs. Temming died yesterday. She was a member of the Holly Red Cross Volunteers, the Michigan Constables Association and the Wheelock Memorial Hospital Auxiliary and was a Red Cross First Aid Instructor.

Surviving besides her husband are two daughters, Mrs. Donald Lanning and Mrs. Frank Allenher parents, Mr. and Mrs. Levi Mitchell; and seven grandchildren, all of Holly.

Memorials may be made to the Holly Red Cross or Wheelock Memorial Hospital Auxiliary.

Carl E. Waldrep

BLOOMFIELD TOWNSHIP — Memorial service for Carl E. Waldrep, 43, of 5038 Kellen Lane will be 10:30 a.m. tomorrow at First Presbyterian Church, Birmingham, with cremation at White Chapel Memorial Cemetery, Troy, with arrangements by Vasu-Lynch Funeral Home.

Mr. Waldrep, a former jet pilot for General Motors Corp. died yesterday. He was president of Catalpa Radio Amateurs Club and was a member of VFW Post 5053, Tunica, Miss.

Surviving are his wife, Marsha; six children, Carl E., Walter Jr., Mary Carolyn, Bradley, Mark, Luan and Lee, all at home; and his parents, Mr. and Mrs. L. M. Walters of Tunica, Miss.

Memorials may be made to the American Cancer Society.

Four Michigan Men Killed in Viet Action

WASHINGTON (AP) — The Defense Department Monday identified four Michigan men among 62 U.S. servicemen killed in action in the Vietnam War.

Killed were three soldiers and one Marine. The Marine was Lance Cpl. Lawrence E. Johnson, brother of Mrs. Helen Millican of Jackson.

The others were S. Sgt. William J. Haupert, husband of Kathleen L. Haupert of Tawas City; Sgt. Charles A. Maria, son of Mr. and Mrs. Cataldo Maria of Ferndale; and Pfc. James G. Belinski, son of Mr. and Mrs. Joseph Belinski of Stalwart.

Man Is Guilty of Shotgun Killing in City

A 26-year-old Pontiac man was found guilty yesterday of second-degree murder in the Dec. 8, 1967, shotgun slaying of Jessie Lee Hatten in Harry's Bar, 568 S. Sanford.

The verdict was returned against George Reed of 263 Irwin by Oakland County Circuit Judge James S. Thorburn following a non-jury trial.

★ ★ ★

He faces a prison term of up to life when he is sentenced July 25.

Hatten, 28, of 359 S. Anderson was shot in the abdomen and was dead on arrival at Pontiac General Hospital.

★ ★ ★

Reed was arrested about an hour after the shooting while walking on Central near Paddock after police received information form a witness.

Ex-Chrysler Exec Dies at 67

John R. O'Brien, former Chrysler Corp. executive, died Sunday. He was 67.

O'Brien of 448 N. Fox Hills, Bloomfield Township, was a former general production manager at Chrysler Corp. before assisting the U.S. government in the installation of overseas missile bases.

★ ★ ★

Requiem mass will be at 10 a.m. tomorrow at St. Hugo of the Hills with burial at Holy Sepulchre, Southfield. Rosary will be said at 7:30 tonight at Bell Chapel of the William R. Hamilton Co., Birmingham.

Surviving are his wife, Ave Marie; a son, John R. Jr. of Bloomfield Hills; two sisters and three grandchildren.

State Hospital Gets Funds for Project for Aged

A federal grant of $46,000 has been awarded to Pontiac State Hospital to carry on an intensive care program for elderly mental patients, it was announced today by Rep. Jack McDonald, R-19th District.

★ ★ ★

Dr. Donald W. Martin, hospital director, said the funds will be used in a three-year project under Dr. Myroslaw Hurshka, psychiatrist in charge of the geriatrics division.

The grant comes from the National Institute of Mental Health.

Police Action

Pontiac police officers and Oakland County sheriff's deputies investigated 72 reported incidents and made six arrests the past 24 hours.

Indecent exposures—1
Bad checks—1
Traffic offenses—16
Property damage accidents—9
Injury accidents—4

Motel Murder Trial Is Delayed

DETROIT (AP) — A Criminal Court judge in Detroit sharply rapped a recently published book Monday and agreed to delay the murder trial of a white Detroit policeman accused of slaying a Negro youth during last July's riot.

Judge Robert Colombo said from the bench he thought John Hersey's "The Algiers Motel Incident," published last month, was "designed to deliberately be released at a time that would prevent fair and impartial trial in this case."

★ ★ ★

Acting on a request from the defense counsel, Colombo agreed to delay the trial of Patrolman Ronald August until Jan. 8, 1969.

Hersey, speaking from Martha's Vineyard, Mass., said he did not think it appropriate to comment on the judge's statements now, but said, "Let the book speak for itself."

CITES 2ND CHAPTER

He said his reasons for writing the book were set forth in its second chapter.

Bennett Cerf, head of Random House in New York which published the book through a subsidiary, said Hersey knew if it was published now it might cause a delay in August's trial.

4 Schools, Stadium Are Hit by Vandals

Vandals smashed windows at four Pontiac schools and damaged sprinklers at Wisner Stadium, it was reported to city police yesterday.

A total 45 windows valued at about $150 were broken at Herrington Hills Elementary School, 451 Bay; Longfellow Elementary School, 31 N. Astor; Bethune Elementary School, 154 Lake; and Lincoln Junior High School, 131 Hillside, officers were told.

★ ★ ★

The shafts of five sprinklers, valued at $20 were broken at the stadium, it was reported.

Address Incorrect

The address at which a shooting incident occurred Monday morning in Waterford Township was incorrectly given in The Press story yesterday. The home, a 5961 Dwight, owned by John Wieling, was hit by two bullets, according to the police report which contained the incorrect address. No one was injured in the incident, and police were still investigating today.

California led the nation in the number of patents granted to inventors in 1967, with 6,753 out of a total 54,191.

People in the News

By The Associated Press

Connecticut State and national Democratic chairman John M. Bailey appointed actor Paul Newman yesterday to the state's 44-member delegation to the party's national convention in Chicago next month.

Newman, who has a home in Westport, was among nine delegates supporting Sen. Eugene J. McCarthy officially appointed and certified by Bailey.

The appointments completed Connecticut's delegation. McCarthy forces had staked a walkout from the Democratic state convention charging unfair representation and had turned down Bailey's offer of nine seats.

Last week the state McCarthy leaders reconsidered and agreed to accept the nine delegates.

Sinatra's Daughter Detained by Thailand Police

Frank Sinatra's daughter Tina and a German film crew were detained for three hours last night in Thailand by Bangkok police who said they were photographing a Buddhist temple without permission.

Their equipment was confiscated and they were released "pending investigation," the police said. Miss Sinatra, 22, claimed they weren't photographing the temples.

She and the camera crew are making a travelogue in Bangkok. Permission of the department of religious affairs is required for the filming of Buddhist temples and monks.

Lennon Sister Gives Birth to Fourth Child

Peggy Lennon, of the singing Lennon Sisters, has given birth to her fourth child, a 7-pound, 9-ounce boy, in St. John's Hospital in Santa Monica, Calif.

She and husband, Dick Cathcart, a musician, named the boy Michael Matthew. He was born Sunday.

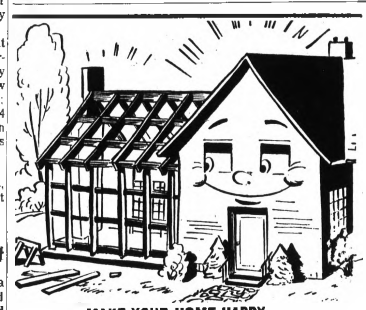

Actor's Son Must Stand Trial on Draft Charges

A federal judge in Los Angeles has ruled that Christian Hayden, 19, son of actor Sterling Hayden, and four other young men must stand trial on draft evasion charges.

Judge Manuel L. Real denied yesterday motions to dismiss a federal indictment against them. Defense attorneys sought dismissal on grounds the Vietnam war is illegal.

All five pleaded innocent after the ruling.

The other defendants are attorney Peter J. Marx, 26; Daniel Lott, 20; Donald P. O'Connell, 22, and Paul T. Porter, 21.

MAKE YOUR HOME HAPPY—
— with a room addition. It's like having a new home at the old address! Just phone Jim McNeil at POOLE LUMBER for a free at-home estimate. We take care of the whole job, planning, materials, and labor. Add a room and have a smiling house.

Invite a kid to an accident.

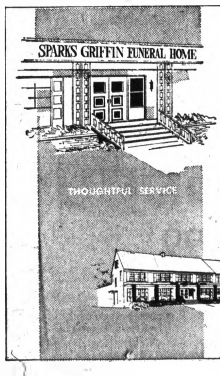

He's only 13 and itching to drive a car. There's yours. Unlocked. Keys in the ignition. Tempting. Tempting. Tempting. Then off on an impulsive joyride that you could have prevented. A joyride that ended without joy. Smacked into a brick wall. You ought to know that 64% of people who live long enough to be arrested for car theft are under 18. And you ought to know that 76% of stolen cars were left unlocked. Nearly half also had the ignition keys in them. And you ought to know what to do about it.

Don't help a boy go bad. When you park, take your keys

Impala Sport Coupe

Here's why our competition is happy the model year is almost over.

It's been awfully tough on other cars in Impala's field this year. You can understand that. What can other dealers say when somebody wants the roomiest car? (That's an Impala 4-Door Sedan. According to the *Automotive News* Study, the big Chevrolet is roomier than any other car in its field.)

What can they say to questions like "Where's the ignition warning buzzer; the Hide-A-Way windshield wipers; the flush-and-dry rocker panels; the Magic-Mirror acrylic lacquer finish; the Body by Fisher quality?" (Only Impala's got them in its field.)

And what can they say when somebody specifies a speed warning indicator, or light monitoring system? Or wants the lowest priced full-size sport coupe, for instance? (You see, putting you first keeps us first.)

What else can they say? Help!

Nobody can help you like your Chevrolet dealer.

You get the biggest year-end savings just where you'd expect to.

Ohio Inmates Erupt; Guardsmen Called In

LONDON, Ohio (AP) — Guards were withdrawn from four dormitories at the London Correctional Institution today as prisoners hurled small objects at them and set fires in mattresses.

About 250 National Guardsmen, 30 highway patrolmen and a dozen bureau of criminal identification agents were ordered into the prison, and John McElroy, an aide to Gov. James A. Rhodes, said they would surround the dormitories.

McElroy said some of the men probably would be sent inside to restore order among the 680 inmates. The prison has seven dormitories and 1,390 prisoners.

* * *

The unrest began Monday with a prisoner sit-down strike and a fire in a refrigeration building. Supt. E. B. Haskins described Monday's difficulties as "nothing of serious consequence."

Patrol Supt. Robert M. Chiaramonte, Adjutant Gen. S.T. Del Corso and Maury Koblentz, the state corrections chief, went to the medium security state prison.

RETAIN CONTROL

Haskins said guards had little difficulty in bringing prisoners under control Monday, even though two tower watchmen fired two warning shots from a shotgun during a gravel-throwing incident.

About 25 of the institution's 1,500 inmates were isolated Monday evening as Haskins and prison officials began questioning inmates about the incidents.

Those who were isolated were described as troublemakers.

There were reports that about 230 prisoners who took part in the sit-down strike were angered over food at the institution and the way the parole board is handling cases.

TO PROBE IT

"We intend to look into it when we investigate the trouble," Haskins commented about the grievances.

There also were reports the inmates here acted in sympathy with those confined at Ohio Penitentiary in Columbus, the scene of recent rioting and fires.

The superintendent said two prisoners were slightly injured, possibly cut by gravel, during the trouble Monday. A few windows were broken.

Monday morning, 230 inmates assigned to a garment factory refused to work. By evening, however, they had returned to their jobs.

Later in the afternoon, fire broke out at an outside refrigeration building used to store potatoes. Correction officials estimated damage at no "more than a few hundred dollars, if that much."

END OF SIEGE — Wally Mellish, carrying his 11-week-old baby and accompanied by his 19-year-old bride of one week, leaves a house in Glenfield, Australia, today after defying a police siege for the past eight days. Police Commissioner Norman Allan (right) and the Rev. Clyde Paton escort Mellish.

Bride, Baby Okay

Australian Gunman Gives Up

SYDNEY, Australia (AP) — Gunman Wally Mellish, who held his shotgun bride and their baby hostage for seven days while police kept a cordon around him, surrendered today after he was promised a chance to fight in Vietnam.

Mellish, a 22-year-old former mental patient and convicted car thief, was taken to Ingleburn Army Camp to see if the army would have him.

* * *

Mellish's 19-year-old bride and childhood sweetheart, Beryl Muddle, was taken with her 11-week-old son Leslie to her parents. For the time being the police did not enforce a warrant for her arrest for failing to pay a $42 fine for prostitution.

Mellish ended his bizarre holdout after talking for nearly three hours on the telephone with the Rev. Clyde Paton, chaplain at Long Bay Jail. Mellish's chief condition for surrender was that he be given a chance to serve with Autralia's forces in Vietnam.

CARRIES BABY

Carrying his baby son, the young man emerged from the house where he had held off police for seven days and six hours with an arsenal of hand grenades, two rifles, and a shotgun and threats to kill his wife and child if the police rushed him.

The young wife followed him from the house.

Mellish started threatening to shoot Miss Muddle and the baby a week ago when police showed up at the house to question him about some stolen car parts. The police put a cordon around the house, but did not try to rush it for fear the young man would carry out his threat.

Police Commissioner Norman T. Allan arranged a wedding for the couple, with the bridegroom holding a shotgun, last Wednesday after Mellish agreed to surrender. Though the commissioner threw in a wedding feast of steak, curried mushrooms and rice pudding plus a $20 wedding ring, Mellish refused to give up.

TRUNED OVER RIFLE

Allan also turned over to Mellish an armor piercing rifle which Mellish had demanded to "make him equal to the police." The commissioner was censured by the New South Wales Police Association for supplying the weapon, but he maintained the young man wouldn't start shooting as long as he was humored.

"Mr. Allan's patience has been rewarded," New South Wales Premier Robin Askin said after Mellish's surrounder. "There will be general relief that the siege resulted in no loss of life. I don't think too many people will now be concerned by some of the more unusual aspects."

Mellish and his wife were taken to a field headquarters set up during the siege. Their baby appeared fit. Officers recovered the weapons from inside the house.

Trading Is Heavy

Mart Holds Fairly Good Gain

NEW YORK (AP) — The stock market held a fairly good gain in heavy trading early this afternoon.

Gains outnumbered losses by some 200 issues on the New York Stock Exchange.

★ ★ ★

The Dow Jones industrial average at noon was up 4.51 at 977.11.

Prices rose from the opening and widened their gains on average as the session continued. Relatively strong performances by blue chips helped the market indicators, but as time went by more and more issues fell by the wayside.

CAUTION GROWING

Caution was growing, brokers said, because of the sharp advance Monday and the fact that Wednesday would be another day off for the stock market so that member firms could catch up with paper work.

★ ★ ★

The Associated Press average of 60 stocks at noon was up .9 at 348.9 with industrials up 1.3, rails up .4, and utilities up .4.

★ ★ ★

City Stores leaped to the top of the most-active list when a block of 165,500 shares was traded at 23, off 1. In later dealings, the stock regained the loss.

★ ★ ★

Prices advanced on the American Stock Exchange. Clary Corp. rose about 2 points, Buttes Gas & Oil about a point. Cinerama, up a fraction, was ahead on volume. Other active fractional gainers included Commonwealth United, Westates Petroleum, Russeks Inc., Castleton Industries, Reliance Insurance, Airlift International and Astrodata.

Reagan Raps Recall Drive

July 31 Is Deadline for Filing Petitions

SACRAMENTO, Calif. (AP)—A used car salesman, a housewife and a nurse have engineered collection of more than 680,000 signatures on petitions to recall Gov. Ronald Reagan. They don't care who might replace him.

"We don't have a candidate," says Mrs. Joyce Koupal, a Roseville housewife who is co-chairman of the Recall Reagan Committee. "We believe anyone could do a better a job. He's a lousy governor."

* * *

The committee has until July 31 to deliver to county clerks petitions bearing signatures of 780,414 registered voters, 12 per cent of the total vote in the 1966 election which Reagan won by a margin of nearly one million votes.

Reagan told a news conference last week he believes the drive is politically motivated. He said "Am I concerned? Well I'm not going to say it's something I'd ask for for Christmas. . . I think it's a very dangerous precedent."

EMBARRASSING MOVE

Reagan, considered an undeclared candidate for the GOP presidential nomination, indicated plans for delivering "a truck load of petitions" could be a move to embarrass him at the party's national convention in Miami Beach next month.

Mrs. Koupal's husband, Edwin, an auto salesman, is general manager of the drive, and Nancy Parr, a San Francisco nurse who headed an unsuccessful recall move last year, is co-chairman.

* * *

Mrs. Koupal, asked to sum up their motivation, referred to four points listed on each petition.

They allege Reagan is "not competent in matters of government and public affairs," that he has "undermined and demoralized the entire California health program," that he has "injured the university and state college system and endangered the educational standards of the state" and is "attempting to further his personal ambitions at the expense of the people."

COST IS $15,000

The recall campaign may wind up costing $15,000 by the July 31 deadline, Mrs. Koupal said. She added "We're in superb financial shape." The largest contribution so far was $300 and came from a local of the machinists' union, she said. The printing of petitions is the major expense, and no major advertising campaign has been used, she added.

Mrs. Koupal said several thousand persons have volunteered to help in the campaign and the drive has drawn support from such groups as organized labor, senior citizens and educators.

* * *

The final push is being carried into residential areas. During its early months petition-bearers set up tables at such heavily visited spots as shopping centers. One group of housewives has been stationed at the west steps of the state capitol for several months.

The recall group hopes to get more than 1.6 million signatures —about twice as many as required—to be on the safe side. Only registered voters may sign such a petition, so the names of any persons not registered will be declared invalid.

A SPECIAL ELECTION

If the petition drive gets enough signatures, an election could be held between Oct. 19 and Nov. 8. Potential candidates for Reagan's office would have until 25 days before the election to collect the required 65,003 signatures on a petition to make the ballot.

On the ballot would be a question to the effect of: "Do you favor recalling Gov. Reagan?" A voter could cast a yes, or no vote, and each also could vote for an alternate candidate, whether he votes yes or no.

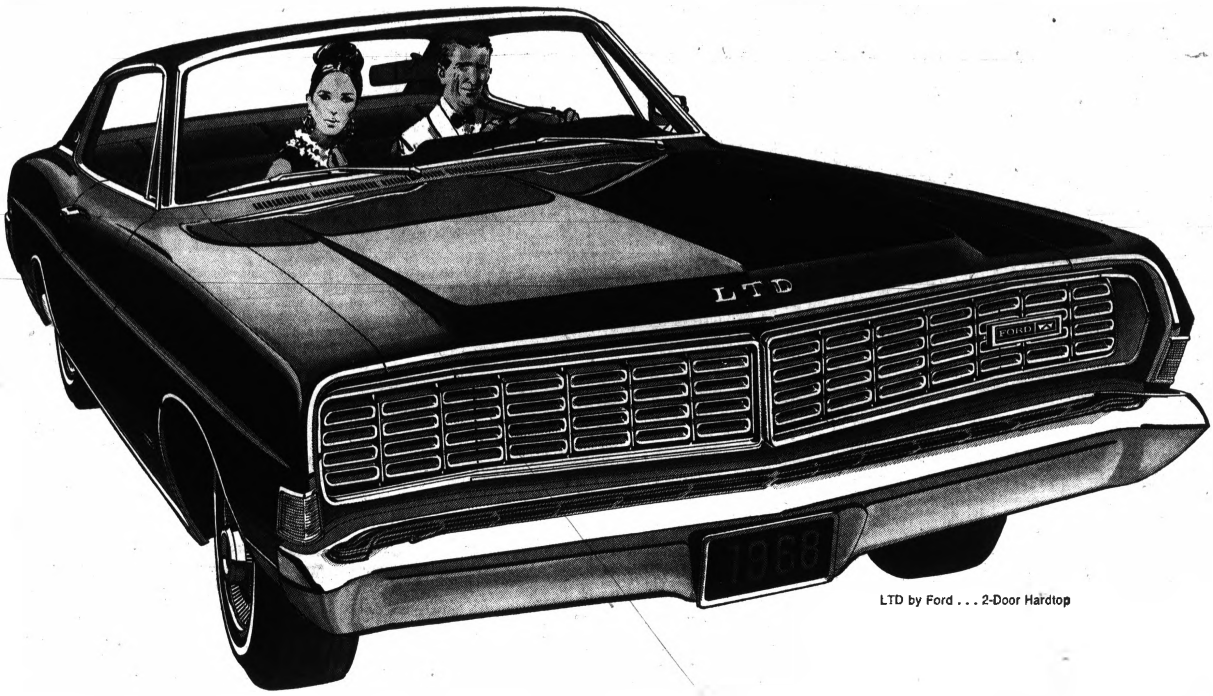

* * *

The replacement candidate who received the most votes—not necessarily a majority—would become governor as soon as the official canvass of the returns was completed. If no candidate makes the ballot, however, Lt. Gov. Robert H. Finch would take Reagan's place.

There were 4,744,000 U.S. participants in World War I and about 1.8 million of these veterans are still living.

Only Ford has 1968's best-selling, low-priced luxury car...LTD!

LTD BY FORD—outselling its nearest rival since January 1.
And why not? It's the strongest, quietest Ford ever built. Nobody else in its class offers you hidden headlamps, solid die-cast grille and V-8 power, all at no extra cost. And nobody else but Ford gives you so many full-size models to choose from—21 in all, including *two* fastbacks.

LTD by Ford . . . 2-Door Hardtop

And that's not all!

TORINO/FAIRLANE—No. 1 intermediate since the first of the year.
You just get more car, that's all. A longer wheelbase than 38 other intermediates—for a roomier, smoother ride. A powerhouse whose specially modified racing counterpart beats everyone else in scoring NASCAR championship points. And a choice of 14 models that includes Torino GT and America's lowest-priced fastback, the Fairlane 500.

MUSTANG—world's best-selling sporty car this year and every year!
Just try getting more for your money. Try getting floor-mounted stick, buckets, and carpeting on any sporty car—all at no extra cost. Or exclusive options like our Tilt-Away steering wheel or Comfort-Weave vinyl upholstery that breathes. You'll see why Mustang's been first from the day it came out. Nobody matches our features any more than they match Mustang's style!

FORD WAGONS—first in sales as always!
They don't call us Wagonmaster for nothing. We're the only one that offers two-way Magic Doorgate on three sizes of wagons. And only Ford in its class comes with hidden headlamps and die-cast grille (on the Country Squire)... dual-facing rear seats ... built-in wind deflectors... and a choice of 12 models, including the Torino Squire, Fairlanes and Falcons. You won't see more any place else you look.

Torino GT Fastback

Ford Country Squire

Mustang Hardtop

More car for your money every time! That's what makes these Fords best sellers. See your Ford Dealer... and see for yourself.

The switch is on to Ford!

FORD
Ford ...has a better idea.

USED CAR SHOPPERS: Ford Dealers A-1 Used Cars are the best you can get!

POOL HOUR—Pontiac Boys' Club members watch Joe D. McMahon (right), president of the Downtown Kiwanis Club, hand a $1,000 check to Clyle R. Haskill, a past president of the Boys' Club. The money backs a club swim program at the Oakland University pool which allows 100 club members swimming privileges three days a week.

Pontiac Press Photos by Ron Unternahrer

The total boy hours in the pool last year was about 6,640 hours, according to Haskill. The program is in its fourth year.

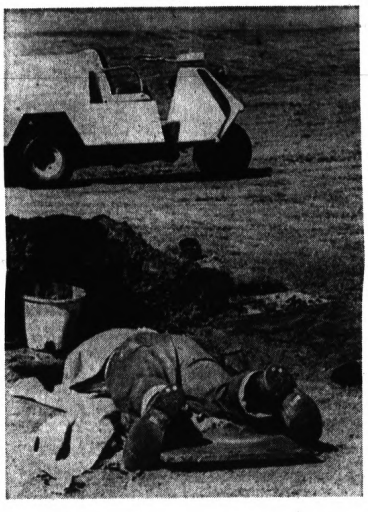

AP Wirephotos

MONEY FIND — The nickel and dime fund drive of 12-year-old Jeff Nelson of Memphis has gone over its $100 goal. Jeff was searching for dimes in a phone booth when he found a lost purse. It contained $235 and Jeff received a $15 reward that was added to the amount he had already saved to contribute to a church building fund.

CAUSES STIR — Winifred Ewing, Scottish Nationalist member of the British House of Commons, has caused a few stirs in that deliberative body. She questions the value of a Scottish merger with Britain in the United Kingdom.

REPLACING HIS DIVOT — It seems as if one Madison, Wis., area golfer had his share of trouble separating the ball from the tee recently. Fun is fun, but the course pro may have asked "Why not take up billiards?" A Madison photographer caught this scene as a workman excavated a nearby course.

INDUSTRIALIST DIES — Edgar Monsanto Queeny died of a heart ailment Sunday at age 70. He was head of the Monsanto Chemical Co., founded by his father.

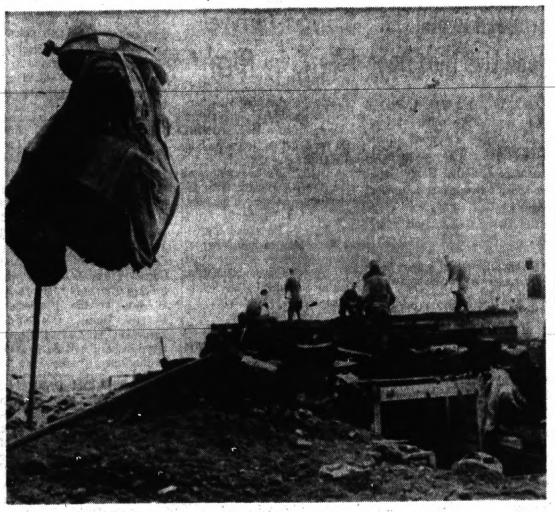

SURF FROLIC — Yasuyo Iino, Miss Japan (left), and Helen Knutsdottir, Miss Iceland, frolic in the surf at Miami Beach, Fla., where they are competing in the Miss Universe Beauty Pageant. Miss Universe will be selected Saturday night.

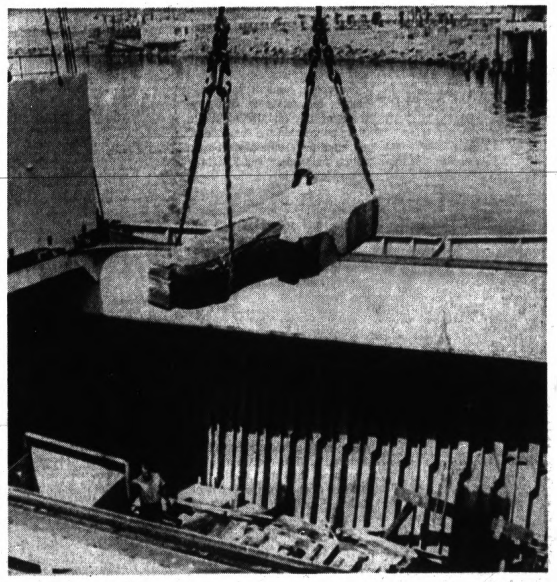

REST IN THE SUN — Capt. Don Kevit of Canyon, Tex., relaxes during a sunbath atop his platform perch above the sandbagged American base at Dak Pek in Vietnam. His boots are at ready should some enemy mortar shells start dropping. The base is 320 miles north of Saigon in the South Vietnamese central highlands.

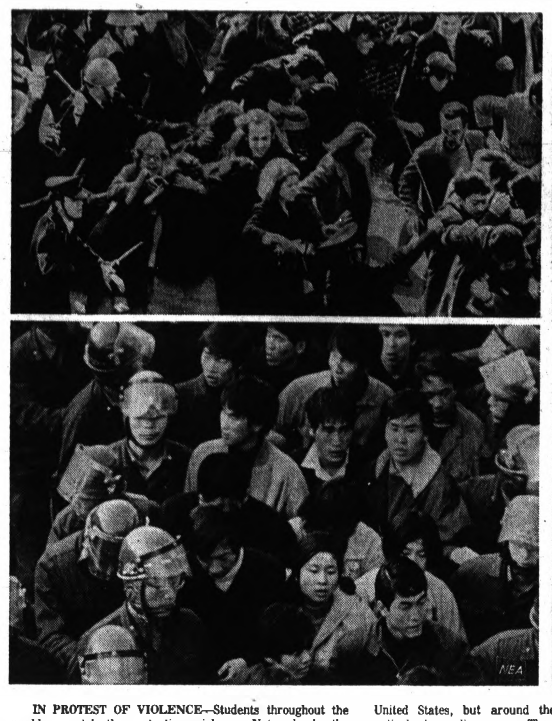

MICROGRAPH — This photo, made by an electron microscope, shows the strings of deoxyribonucleic acid (DNA) in the nucleus of cells and viruses. The magnification is about 90,000 diameters and each string is about 10 atoms wide. Scientists hope to be able to see an atom within a year, with the aid of the instrument.

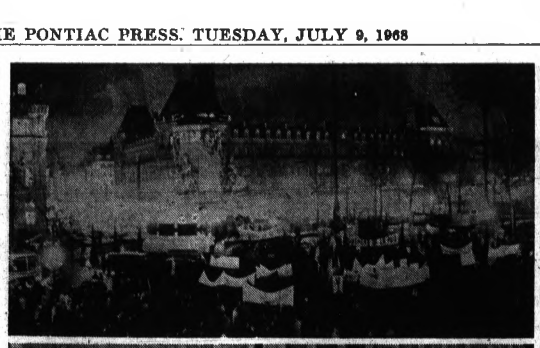

RESTING PLACE — A Marine's helmet and flak jacket hang on a pole outside a Seabee bunker at the Khe Sanh Marine Base in South Vietnam. When the photo was taken, the men in the background were demolishing the bunker as they prepared to abandon the base.

FIRST SHIPMENT — The first chunk of the famed London Bridge, totaling some 855 tons, arrives in Long Beach, Calif. It was the first shipment of the bridge, in the process of being dismantled and shipped to Lake Havasu, Ariz. From Long Beach, a fleet of trucks will move the granite blocks to Arizona. The bridge is to be reassembled and is expected to be open to traffic by early 1971.

IN PROTEST OF VIOLENCE—Students throughout the world are violently protesting violence. Not only in the United States, but around the globe, demonstrators are actively demanding peace. These photos were made in Italy (top left), Japan (bottom left) and (at right from the top) France, England and Germany.

Death Notices

Church of Jesus Christ Latter Day Saints, Lake Orion. Interment in Ridgelawn Cemetery, Mr. Hulse will lie in state at the Bossardet Funeral Home, Oxford. The family suggests memorial contributions may be made to the Church.

HEGWOOD, MERLE EUGENE; July 8, 1968; 90 South Tasmania; age 65; beloved husband of Anges I. Seiler; dear father of Mrs. John E. Stolt and Thomas E. Hegwood; dear brother of Mrs. Leslie Mettler, Orville, William, Ralph and Jack Hegwood; also survived by five grandchildren. NOTICE OF HEARING ON STREET LIGHTING SPECIAL ASSESSMENT DISTRICT

Notice is hereby given that a public hearing will be held at the White Lake Township Hall, 7525 Highland Road (M-59) from 7:00 p.m. to 9:00 p.m. on Tuesday, July 16, 1968 to consider a Special Assessment District for Street Lighting, requested by petition, for the following described properties:

T3N, R8E, Sec. 36 Lots 1 thru 21, Hillview Village Subdivision.

By order of the White Lake Township Board.

FERDINAND C. VETTER, Clerk
July 9, 1968

Cause No. 12980

STATE OF MICHIGAN—In the Probate Court for the County of Oakland, Juvenile Division.

In the matter of the petition concerning Kenneth Joe Burleson, Minor.

To Jesse Burleson, father of said minor child:

Petition having been filed in this Court alleging that said child comes within the provisions of Chapter 712A of the Compiled Laws of 1948 as amended, in that the present whereabouts of the father of said minor child is unknown and said child has violated a law of the State, and that said child should be placed under the jurisdiction of this Court.

In the Name of the People of the State of Michigan, you are hereby notified that the hearing on said petition will be held at the Court House, Oakland County Service Center, in the City of Pontiac in said County, on the 19th day of July, 1968, at nine o'clock in the forenoon, and you are hereby commanded to appear personally at said hearing.

If being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy one week previous to said hearing in the Pontiac Press, a newspaper printed and circulated in said County.

Witness, the Honorable Norman R. Barnard, Judge of said Court, in the City of Pontiac in said County, this 3rd day of July A.D. 1968.

(Seal)

NORMAN R. BARNARD,
Judge of Probate
(a true copy)
GEORGIA THORNBERRY,
Deputy Probate Register,
Juvenile Division.
July 9, 1968

NOTICE OF PUBLIC HEARING

Notice is hereby given of a public hearing to be held by the White Lake Township Planning Commission at the Township Hall on Monday, July 15, 1968, at 8:00 p.m. to consider the following changes in the Zoning Map:

From Commercial 1 District to Residential III (Multiple Family Residential District).

ADVERTISEMENT FOR BIDS

Sealed Proposals will be received by the Oakland County Board of Auditors for the construction and installation of approximately 560-linear feet of 12-inch water main, along with four 12-inch gate valves and a meter-pump station, which includes a 30 H.P. 1600 G.P.M. fluid-control pump, automatic controls and other appurtenant parts on the County Service Center, Pontiac, Michigan. This Work forms a portion of a public water system serving the County Service Center.

Plans and Specifications will be available at the office of the Oakland County Board of Auditors' Facilities Engineering Division, 1200 North Telegraph Road, Pontiac, Michigan on and after June 20, 1968. A deposit check, payable to the Oakland County Board of Auditors, in the amount of $10.00 will be required for each set of the Plans and Specifications. The deposit check will be refunded upon the return of the Plans and Specifications in acceptable condition within ten (10) days after the bid opening.

Proposals shall be submitted on forms provided by the Owner. A Bid Bond or certified check in the amount of at least 5% of the bid shall accompany each Proposal.

The accepted bidder shall be required to furnish a satisfactory Performance Bond and Labor and Material Bond, each in the amount of 100% of the Contract. The cost of the bonds will be paid by the accepted bidder.

The Oakland County Board of Auditors will receive the sealed bids until 2:00 p.m., E.D.T., July 16, 1968 at the offices of the Oakland County Facilities Engineering Division, 1200 North Telegraph Road, Pontiac, Michigan, at which time the bids shall be publicly opened and read.

KAREN COONEY

Girl Feared Kidnaped in Pennsylvania

CORRY, Pa. (AP) — It started out as a typical day in the life of a rural family.

James P. Cooney was at work at his job with a business equipment manufacturing company in town and Mrs. Cooney was at home with the children.

* * *

The three youngest Cooney children were playing at the side of the farmhouse and Karen Sue, 15, the oldest, was in the yard hanging up the wash.

But then Karen screamed. And by the time Mrs. Cooney got out into the yard and the other children rounded the house, Karen had vanished.

100 SEARCH

About 100 policemen and volunteers fanned out over 150 acres of rugged, wooded terrain 25 miles below the New York line Monday in search of the brown-haired, blue-eyed high school sophomore.

Searchers brought in bloodhounds but failed to find any trace of the girl by nightfall. State police said the search was expected to resume at daybreak with a helicopter. The FBI said it was joining in.

* * *

State police said they suspected the girl was kidnaped but said there was nothing to indicate that a car had been in the area of the Cooney Farm along Pennsylvania 426 at the time she disappeared.

Italian Day Near

DETROIT (AP) — This tenth annual Italian Day festival opens Sunday at the Michigan State Fairgrounds in Detroit. Italian refreshments, sports, music and entertainment will be featured. The event is sponsored by the Detroit District Council of the Order of Italian Sons and Daughters of America.

PUBLIC NOTICE

Take notice that a public hearing will be held at 8:00 P.M. Tuesday, the 16th day of July, 1968 at the White Lake Township Hall, 7525 Highland Road, White Lake, Michigan to hear any objections to the proposed White Lake Township budget for the fiscal year ending March 31, 1969. A copy of said proposed budget is on file at the White Lake Township Clerk's office, 7525 Highland Road, White Lake, Michigan, and available for public inspection between the hours of 9:00 A.M. and 5:00 P.M.

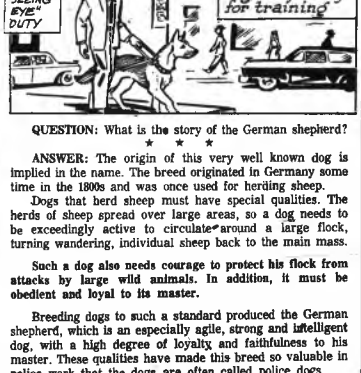

FERDINAND C. VETTER, Clerk
White Lake Township
July 9, 1968

Junior Editors Quiz on GERMAN SHEPHERD

QUESTION: What is the story of the German shepherd?

* * *

ANSWER: The origin of this very well known dog is implied in the name. The breed originated in Germany some time in the 1800s and was once used for herding sheep.

Dogs that herd sheep must have special qualities. The herds of sheep spread over large areas, so a dog needs to be exceedingly active to circulate around a large flock, turning wandering, individual sheep back to the main mass.

Such a dog also needs courage to protect his flock from attacks by large wild animals. In addition, it must be obedient and loyal to its master.

Breeding dogs to such a standard produced the German shepherd, which is an especially agile, strong and intelligent dog, with a high degree of loyalty and faithfulness to his master. These qualities have made this breed so valuable in police work that the dogs are often called police dogs.

A particular service these dogs perform is acting as Seeing Eye dogs for blind people. With their sharp intelligence, they are able to lead their blind masters through the crowded streets of a bustling, modern city.

(You can win $10 cash plus AP's handsome World Yearbook if your question, mailed on a postcard to Junior Editors in care of this newspaper, is selected for a prize).

Golden to Sell Out and Live Next Door

CHARLOTTE, N.C. (AP) — The two-story, white frame structure near downtown Charlotte that for many years was the home of author Harry Golden and his newspaper is up for sale.

But Harry Golden isn't going far.

* * *

He has another home next door, also a two-story white frame house.

Golden is selling the larger house after deciding to end publication of the Carolina Israelite, which once enjoyed a circulation of 60,000. He was forced to curtail his activities after an illness some 18 months ago.

OEO Grant Set

WASHINGTON (AP) — An $87,000 Office of Economic Opportunity grant has been awarded to the Jackson-Hillsdale Committee on Economic Opportunity. It is for program administration and neighborhood centers.

Sailor Timed His Trip Right

NEWPORT, R.I. (AP) — Bertrand Decastelbajac didn't win the transatlantic single-handed yacht race, but he timed his trip just right.

Decastelbajac, a vineyard owner from Bordeaux, France, put 80 bottles of wine in his boat when he left Plymouth, England, June 1. He sailed the 35-foot sloop Maxine into Newport Harbor Monday evening just as he got down to the last bottle, which he consumed after reaching the dock.

* *

He was the ninth person to finish the race, with 13 boats still unaccounted for.

Fund Will Honor Dead WSU Prof

DETROIT (AP) — Wayne State University has established a prize fund in general chemistry to honor the late Dr. John H. Secrist, associate professor of chemistry, who died in April after 20 years at the university.

More State Grants Awarded by OEO

WASHINGTON (AP) — The Office of Economic Opportunity has announced the awarding of five more grants in Michigan. They are:

—To the Baraga - Houghton - Keweenaw Community Action Agency, $32,000 for manpower programs.

* * *

—To Upcap, Inc., $12,500 for legal services.

—To Dickinson - Iron Community Action Agency, $42,800 for a summer work experience and manpower program.

* * *

—To Gogebic - Ontonagon Community Action Agency, $25,000 for a counseling program.

—To Alger - Marquette Community Action Board, $25,000 for a summer work experience program.

Search for Pal Ends in Crash

GRAND RAPIDS (UPI) — A suburban Grand Rapids man was killed Monday when he collided with the neighbor he was seeking after the two had become separated at a party.

The victim was Curtis Ingerson, 22, Kent County Sheriff's deputies said. His car collided with the vehicle of Ronald Paige, 21, at 18 Mile Road northwest of the city, close to their homes.

Apache Travel Trailer
A travel trailer is your second home, and that's the way we build them. Even the finest materials aren't enough — we go for the total effect, from rich wood grain panelling to the subtle colors coordinated drapery and upholstery fabrics. Many floorplans and appointments available in the industry. An overall design you'll love. You can expect a lot from Apache and you get a lot.

'Suburban Salute' to Spotlight Pontiac

The City of Pontiac will be spotlighted Monday on WWJ Radio's "Suburban Salute," a weekly special which acquaints listeners with communities in the Metropolitan Detroit Area.

★ ★ ★

In addition to the 7:05 p.m. program on which Mayor William H. Taylor Jr. will be interviewed, the city's history will be reviewed throughout the day by staff disc jockeys.

★ ★ ★

To commend the city for its achievements in community living, its leadership and civic pride, the station will present Taylor with a special proclamation honoring Pontiac as the "Community of the Week."

Delinquency Plan Okayed by Senate

WASHINGTON (AP) — The Senate has approved a three-year, $150-million program to help various state and local projects aimed at preventing juvenile delinquency and rehabilitation of already delinquent youths.

The measure, approved by voice vote Monday, falls short of the $250 million for four years sought by President Johnson but is far greater than the House version.

★ ★ ★

The House has approved $25 million for one year, and the conflict must be resolved before the funds can be appropriated.

Postal Contract for New Buffalo

WASHINGTON (AP) — The Post Office Department has awarded a construction contract for a building at New Buffalo in southwestern Michigan.

The building is scheduled to be completed in August 1969 at an estimated cost of $137,000. The contract goes to Mr. and Mrs. Seymour Levin of Massachusetts.

Grant for Park

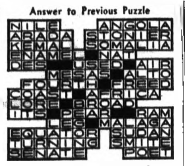

WASHINGTON (AP) — The Department of Interior has awarded a $13,600 grant to Sault Ste. Marie to develop 26 acres of a park. The city must provide an identical sum of money.

Answer to Previous Puzzle

A Look at TV

Daytime Fare Is Woeful

By RICK DU BROW

HOLLYWOOD (UPI) — Pity the poor man who has to stay home during the day for one reason or another, and tries to watch network television.

Daytime video is definitely not a man's world. In fact, except for a handful of shows — and local movies — one wonders exactly whose world it is.

★ ★ ★

Probably the best general viewing for grown-ups during daytime network hours — not counting the weekend public affairs entries — are NBC-TV's "Today" show and ABC-TV's Dick Cavett program, a daily 90 minutes of talk and entertainment. And some of the soap operas, despite the lack of humor, are very professionally done, and frequently more realistic than the heralded prime-time outings. But look at the rest:

In the 1968-69 reason, ABC-TV will follow the morning Cavett show with reruns of "Bewitched" and such incredible game series as "Treasure Isle," "Dream House," "The Newlywed Game" and "The Dating Game." In addition, there will be the soap operas "General Hospital" and "One Life to Live," and the daytime mystery, "Dark Shadows."

BUNCH OF RERUNS

CBS-TV, meanwhile, will go into the morning with reruns of the Lucille Ball series, "The Beverly Hillbillies," The Andy Griffith show and the Dick Van Dyke situation comedy.

The afternoons of CBS-TV rely heavily on the soapers that carried the network's daytime ratings for so long.

★ ★ ★

After all these comes the stone-age humor of "Art Linkleletter's House Party."

NBC-TV, which has come up strong on CBS-TV's daytime ratings recently, has done it in large part with those game shows that defy description.

STRONG IN RATINGS

The network also has one of the better soapers, "Days of Our Lives," a strong ratings-getter.

Hippies Doing a Cop-Out, Steve and Eydie Charge

By EARL WILSON

NEW YORK — Steve Lawrence and Edyie Gorme accuse some of today's hippies, who claim the world owes them a loving, of "doing a cop-out."

WILSON

"It's easy to say, 'Man, you laid this jazz on us,' and blame us, but I think the depression and World War II were rougher," says Steve. "They should do something constructive instead of letting their hair grow and saying, 'Man, this is all wrong.' "

"Yeah, yeah," interjected Edyie at their Golden Rainbow" dressing room at the Shubert. "They keep saying we brought them up in ghettoes with rats and cockroaches. I didn't. I know I didn't."

Their own show's seven months old — and healthy — and they frankly get annoyed at some hippie-type shows with nudity and lewdity which are acclaimed as being contemporary with "contemporary music."

"That's the biggest put-on since Andy Warhol and his tomato cans," exclaimed Edyie.

"They don't have contemporary music. Burt Bacharach is contemporary music!" Steve said. "They're kidding everybody."

★ ★ ★

Their show, blessed with good word-of-mouth, could run a year. Steve and Edyie deny they're the younger set's Lunt & Fontanne and insist they won't always work together — but Steve says Edyie in her first show "is a darned good actress."

"I'm not surprised," Steve said. "Anybody who can convince you in a 32-bar song that she's going through an experience, is an actor . . ."

About 150 autograph fans were waiting for them. "How do you handle this?" I asked Steve.

"We learned to write fast," Steve said.

★ ★ ★

WISH I'D SAID THAT: Women's work is never done. There's always some place on her face she missed.—Kin Hubbard.

EARL'S PEARLS: A road map is a book of etiquette showing motorists which fork to use.—"Senator" Ford.

In New York City the new number to call for help is 911. In Las Vegas it's probably 7-11. That's earl, brother.

Pearson: Lynda's Question Clinched LBJ's No-Run Decision

NEW YORK (AP) — Columnist Drew Pearson says in a magazine article that questions by Lynda Bird about why her husband had to go to Vietnam provided "the final clincher" for President Johnson's decision to retire.

Pearson writes in the current issue of Look magazine that Johnson and his wife asked Secret Service men to awaken them before Lynda Bird arrived at the White House at 6:30 a.m. after a flight to the West Coast to see her husband, Marine Corps Capt. Charles Robb, off to war.

Pearson says the President confided to a friend:

"We didn't want her coming into the White House all alone. So we left word with the Secret Service to notify us 30 minutes in advance.

LYING IN BED

"We were awake and lying in bed before the Secret Service called. I pulled a pair of britches over my pajamas and we went out to the South Gate to meet her.

"She was pale as a ghost. She talked to me about what a fine boy Chuck was, in the past tense, as if he was never coming back.

And Lynda Bird said: "Daddy, I want to ask you a question. Why do we have to fight over there when so many people were opposed to the war? Why do we have to send 200 boys over there in Chuck's company when there's so much opposition here at home to the war?"

That night, Johnson announced his decision to withdraw from the presidential picture.

TWO ALTERNATIVE

That morning, Pearson says, Johnson called on Vice President Hubert H. Humphrey and showed him two alternative endings for his speech that night—one just a "peroration for peace" and the other announcing his withdrawal.

Pearson says Humphrey tried to persuade Johnson not to withdraw, but the President was adamant.

* * *

Pearson quotes Johnson as having said:

"The time is getting short. We've got to get peace in Vietnam. And I think that with me bowing out, the other side is more likely to negotiate.

"There's another thing. I'm tired. I'm getting old. All the men in my family have a record of not living much over the age of 60. I'll be 60 this summer. I've had a heart attack. My health is pretty good. I think my chart is as good as yours. But I'm not sure I could live out another term. And that's not the way I want to end my life."

Aides of Humphrey in Washington said he would have no comment on the magazine article.

* * *

Pearson wrote that Johnson told Humphrey he had intended announcing his withdrawal in his Jan. 17 State of the Union address, but mislaid the text. Johnson said he first accused his wife, Lady Bird, of taking the text with her to a beauty parlor, but later discovered the slip of paper near the phone in his White House bedroom, Pearson relates.

Pearson writes that Johnson first wrote out a statement of withdrawal last November and showed it to a few close friends.

THREATENING LETTERS

Six men had scaled the iron paling fence around the White House last year intent on killing Johnson, Pearson says, and 12,000 letters threatening his life had been written.

The columnist says Johnson once confided:

"What's the use of being President when the country is divided, when the Congress won't pass a tax bill, when the dollar is in jeopardy, and when the press distorts everything you do?

"I think I could get renominated. I think I could get reelected. But the stockholders are dissatisfied. Perhaps we need a new president."

Sirhan Moved Secretly to Cell at LA Trial Site

LOS ANGELES (AP) — Sirhan Bishara Sirhan has been secretly whisked to a cell in the Hall of Justice, where he will face trial on charges of murdering Sen. Robert F. Kennedy.

A convoy of patrol cars manned by seven deputies from the Central Jail, completed the move Sunday, Sheriff Peter J. Pitchess announced Monday. The 14-minute move was so secret not even Russell E. Parsons, Sirhan's attorney, knew about it.

* * *

"We knew it was coming," said one of Parson's aides, "but the time was a secret even from us."

"The transfer was accomplished in a routine manner and was part of an over-all previously scheduled program of security for the inmate," Pitchess said.

NEW CELL

The 24-year-old Jordanian immigrant's new 6-by-8 feet cell is on the 13th floor in the Hall of Justice.

The Hall of Justice's jail quarters have undergone a complete renovation, accelerated because of the Sirhan case. Sirhan's cell is in an isolated corridor with no outside windows and no other prisoners. It is equipped with a bunk fixed to the wall, a toilet, a wash basin and a 12-inch circular mirror attached to the wall.

* * *

A larger security area for visitors adjoins the cell. It has bars and sliding doors and a 20-by-30-inch window in one wall. Sirhan and visitors can look at one another through the window and talk by telephone.

"This way there's no chance of passing anything," said a sheriff's aide.

* * *

Sirhan is charged with killing Kennedy on June 5 at the Ambassador Hotel during the senator's victory celebration following the California Democratic presidential primary. He also is charged with wounding five people in the hail of gunfire that cut down Kennedy.

ENJOY THAT RAGU' Old World Flavor

BARBECUE WITH RAGU' SPAGHETTI SAUCE

Add the intriguing flavor of Italian cookery to your summertime cook-ins and cookouts.

On veal, pork, beef . . . On franks, hamburgers, chicken, pizzas . . . On fish, omelets and rice . . .

Old World style Ragu' Spaghetti Sauce excites appetites . . . adds color appeal and enjoyment to warm weather eating.

BARBECUED BEEF SANDWICHES
Simmer 3 tablespoons of sweet pickle relish in Ragu' Spaghetti Sauce. Add slices of pot roast or roast beef. Make sandwiches with meat and sauce on hamburger buns. Pour additional heated sauce like gravy over meat and buns.

SEASHORE SPAGHETTI DINNER
Mix contents of small can of minced clams with contents of 15½ ounce jar of Ragu' Spaghetti Sauce. Pour over freshly cooked spaghetti.

SLOPPY JOE RAGU'
Saute until golden a good sized onion. Add a pound of bulk hamburger. Cook until brown. Pour on a cup of Ragu' Spaghetti Sauce and heat some more. Placed grilled frankfurters on bun and add the hamburger and sauce mixture.

BAKED CHICKEN
Put browned chicken in casserole. Add contents of 15½ oz. jar of Ragu' Spaghetti Sauce. Bake in moderate oven. Ten minutes before done, add slices of Mozzarella cheese.

SHRIMP COCKTAIL SAUCE
Combine ¾ cup Ragu' Spaghetti Sauce with one teaspoon each of lemon juice, horseradish and minced onion.

BEEF WITH RICE
Fry sliced onion, strips of green pepper and ground beef. Add one cup Ragu' Spaghetti Sauce, one cup cooked rice and stir until thoroughly heated.

HAMBURGER SAUCE
Cut up and brown thin slices of green pepper, celery and onions. Simmer the mixture in Ragu' Spaghetti Sauce.

To make a "tangy" tossed salad, add to the dressing a tablespoon or two of mayonnaise mixed with an equal amount of Ragu' Spaghetti Sauce.

* * *

For shrimp cocktail sauce, combine ¾ cup Ragu' Spaghetti Sauce with 1 tablespoon each of lemon juice, horseradish and minced onion.

YANKEE DOODLE MACARONI
Put cooked elbow macaroni in a casserole. Add Ragu' Spaghetti Sauce and mix well. Cover with layer of American cheese slices and bake until cheese is melted (350 degrees for about 20 minutes.)

BARBECUED SPARE RIBS WITH RICE
Cut spare ribs in 4" sections. Simmer gently on stove one-half hour. Broil rib sections on outdoor grill 35 minutes, basting frequently with Ragu' Spaghetti Sauce and turning once or twice. Serve with fluffy rice mixed with the remainder of the Ragu' Spaghetti Sauce.

Ballot Hassle Goes to State High Court

LANSING (AP) — An issue which has thrown Michigan's electoral process into chaos and even caused some talk of a change in the primary election date is before the State Supreme Court today.

Atty. Gen. Frank Kelley warned the court yesterday that unless it acts promptly, "havoc will prevail in the election processes of this state."

★ ★ ★

In Wayne County, meanwhile, elections officials wondered whether they would be able to have ballots ready for the primary election now set for Aug. 6, or whether emergency legislative action would be needed to change the date.

At issue in the legal proceedings is the order in which candidates' names are to be printed on the ballot.

LAWS VOIDED

The matter burst upon elections officials Friday, when the State Court of Appeals, in a Wayne County case, struck down two new state laws on ballot printing. The ruling came little more than four weeks before the primary date.

With ballot printing — usually a six-week job in Wayne County — already delayed two weeks by other developments, county clerks around the state wondered how much longer they could wait and still have paper ballots and voting machines in shape Aug. 6.

★ ★ ★

Yesterday, Wayne County Clerk Edgar M. Branigan and the county's board of election commissioners carried the appeals court decision to the Supreme Court in an emergency application. Kelley, representing the state, filed a legal brief supporting them.

The two laws ruled unconstitutional by the court of appeals provide that candidates' names would be listed on ballots with the incumbent's name first in each column and the other office seekers listed alphabetically below.

FORBIDDEN BY CONSTITUTION

The appeals court said placing the incumbent at the head of the list in effect gives him an incumbency designation on the ballot — which the state constitution forbids in partisan elections unless two candidates have similar names.

The effect of the ruling is that the state would have to return to the "rotation" system, under which candidates' names appear in different orders in virtually every precinct — a system under which the ballots take much longer to print.

★ ★ ★

Earlier this year, the Legislature cut two weeks off the available time for printing ballots when it extended the filing deadline for newly created appeals and district court judgeships from June 18 to July 2.

Pontiac Press Photo

BEATING THE HEAT—Real estate at area beaches was at a premium yesterday as people flocked to the sands and water to worship the sun and get relief from the near 90-degree heat. The scene at Dodge State Park No. 4 at Cass Lake was no exception as the thousands of sunbathers crowded the beaches, leaving standing room only. (Related photo, page 4.)

Bankers Deny Power a Threat

WASHINGTON (AP) — Banking leaders deny charges in a congressional study that the power of some of the nation's commercial banks is snowballing dangerously.

"Misleading," said a spokesman for New York's Chase Manhattan Bank after a House banking subcommittee study was released yesterday.

★ ★ ★

"Exaggerations, half-truths and ridiculous conclusions," said a spokesman for Cleveland Trust.

Related Story, Page B-11

Subcommittee Chairman Wright Patman, D-Tex., asked Atty. Gen. Ramsey Clark to look into possible antitrust questions raised by the study, which was compiled by the panel's staff but has not yet been formally adopted.

"The American economy of today is in the greatest danger of being dominated by a handful of corporations in a single industry as it has been since the great money trusts of the early 1900s," Patman said.

"A few banking institutions are in a position to exercise significant influence, and perhaps even control, over some of the largest business enterprises in the nation," he added.

★ ★ ★

Main thrust of the study was its contention that banks' influence is exerted largely through the estimated $607 billion assests which banks hold as trustees for pension funds, foundations private trusts and other actual owner.

More than 54 per cent of the total trust assets in the nation are held by 49 banks in 10 large cities, the subcommittee said.

EXAMPLES CITED

And these same 49 banks, it added, "hold a total of 768 interlocking directorships with 286 of the 500 largest industrial corporations in the United States."

The airline and nonferrous metals industries, plus newspapers and magazine publishing companies were cited as examples where bank trust departments hold large blocks of stock.

"The implication that important amounts of Newday stock are held by the trust department of a bank is wrong," said a spokesman for the Long Island, N.Y., paper.

He said that the Morgan-Guaranty Trust Co. of New York at one time did hold stock in trust as an executor but not now.

Morgan Guaranty also was listed in the report as holding large blocks of stock in Trans World Airlines and United Airlines.

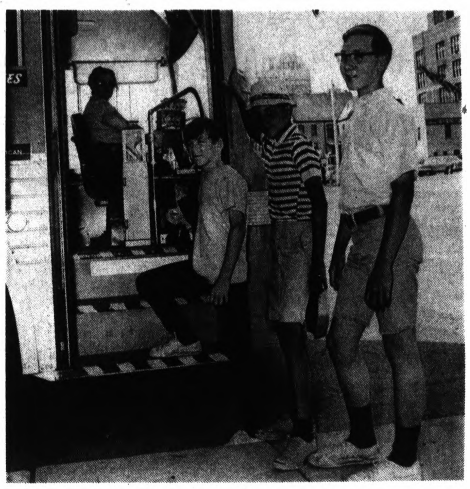

COMMENT

Officers of the Bank of America in San Francisco, the country's largest bank, were not available for comment.

But the spokesman for Cleveland Trust, one of the banks studied by the subcommittee, said "banks traditionally have had large boards of directors representing major elements of a community's business.

"To avoid interlocks you would have to elect directors with no business experience or connections whatsoever. This would not be in the best interests of anyone."

Chase Manhattan said the subcommittee "gives misleading impressions regarding the bank's trust investments and its relations with its directors."

TRIP WINNERS—Pontiac Press newsboys (from left) Rick Coyle of 542 Fox Hills, Bloomfield Township; Mike Capsalis of 221 Ottawa; and Bruce Bock of 6214 Wilson, Waterford Township, are first in line for the bus which took 120 Press carriers to the summer amusement center, Cedar Point, near Sandusky, Ohio, today. The youths, who won the trip for gaining record amounts of new subscriptions, left at 6:30 this morning and will return tonight.

Gun-Registering Bill Jeopardized

WASHINGTON (AP) — A leading congressional advocate of federal registration and licensing of guns has taken a major step toward killing a bill to achieve that goal.

Rep. Emanuel Celler, D-N.Y., chaiman of the House Judiciary Committee, told the House Rules Committee yesterday he would oppose any effort to pass a registration and licensing bill if it would endanger a proposal to ban the mail-order sales of rifles and shotguns.

The rules committee had the mail-order bill before it today.

"While I'm in favor of registration and licensing," Celler said, "I'm anxious to get a rule on this bill," by which he meant he wanted the proposal in mail-order sales sent to the House floor.

JOHNSON PROPOSAL

President Johnson had proposed to Congress that the ban on the mail-order sale of pistols contained in the recently passed omnibus crime bill be extended to rifles and shotguns. He also asked for the registration of all guns and the licensing of their owners.

Several members of the rules committee indicated they could vote for a ban on sales but would oppose the registration of firearms.

Chairman William M. Colmer of the rules committee said he expected a bill banning the interstate sales of firearms to pass the House but he believed it would be weakened by amendments from the floor.

In the Senate Monday, Atty. Gen. Ramsey Clark testified before the juvenile delinquency subcommittee and said "the ghost of abolition" provides no excuse for failing to pass firearms registration and licensing legislation.

Car Strikes, Kills Oxford Woman

A 21-year-old Oxford woman was killed early yesterday when struck by a car while crossing an Oxford Township street.

Dead on arrival at Pontiac General Hospital about 9:50 a.m. was Rosemary Misner of 814 Gill.

She was crossing Washington Street from the west when hit by a car driven by Rayburn Blanchard, 20, of 30 W. Burdick, Oxford, according to Oxford police.

Blanchard made a statement at the Oakland County Prosecutor's Office and no charge was filed against him, police said.

CAIRO (AP) — The Egyptian government reported today that Israeli artillery and tank fire killed 31 civilians and wounded 58 during 2 gun duels yesterday across the Suez Canal.

Fete for Barnes Is Drawing Near

Tickets for the testimonial dinner for Clarence E. Barnes, executive director of the Pontiac Area Urban League, still are available through the Urban League office, 132 Franklin Blvd., a spokesman said today.

Barnes has resigned his post with the local Urban League to take a similar position in Youngstown, Ohio, effective next Monday.

★ ★ ★

The dinner will be at 6:30 p.m. tomorrow at Devon Gables Restaurant, Bloomfield Township. Tickets are $6 per person.

Reservations can be made by calling Mrs. Mirian Busbee at the league office.

Thundershowers Due to Cool Area

Occasional thundershowers today were expected to cool temperatures in the Pontiac area.

Clearing skies are forecast for tonight with the low of 54 to 60.

★ ★ ★

Tomorrow's outlook is sunny and mild, with Thursday to be fair and warmer.

Low in downtown Pontiac prior to 8 a.m. was 66. By 12:30 p.m. the temperature was 79. Humidity was in the 70s.

'Globe-Trotting' LBJ Will Meet With Viet Chief

SAN ANTONIO, Tex. (AP) — The announcement President Johnson has agreed to meet with South Vietnam President Nguyen Van Thieu this month has increased speculation Johnson plans a busy season of globe-trotting.

The President had returned from Central America—jetting to all five republics there in seven hours yesterday—only hours before Thieu's office in Saigon announced the meeting planned in Honolulu about July 20.

There already had been strong speculation that Johnson, who made a 4½-day around-the-world tour last December, might range all over the map during the coming weeks.

There was talk of possible Johnson trips to Africa, Asia, South America and Europe—perhaps even to Moscow—before his term ends.

5-COUNTRY RECORD

Whereever he goes, Johnson would be hard-pressed to top yesterday's record of five countries between breakfast and mid-afternoon. Starting out in El Salvador, he traveled 1,050 miles to Nicaragua, Costa Rica, Honduras and Guatemala.

Johnson was the first U.S. president to visit all five nations of Central America.

Pontiac Sets Up River Warnings

By BOB WISLER

Pontiac has taken steps to notify area residents of the excessive danger of the Clinton River as it is channeled through the city.

City personnel started last week to put up signs warning of the river's danger.

They read: "Danger — Hazardous, Turbulent Waters Downstream."

Director of Public Works and Service Joseph E. Neipling also issued a bulletin directed to all city departments, all area units of government, utility companies and communication media advising of the dangers.

CLAIMED 3 LIVES

The Clinton River, main carrier of storm water through the city, last week claimed the lives of Michael Rosario, 13; his 8-year-old brother, Robert; and Police Capt. Donny Ashley, 45.

★ ★ ★

City Manager Joseph A. Warren said the city is also planning to erect extensions of existing fencing parallel to the river.

He said some life rings, to be dispersed at points along the banks, will likely be installed.

Neipling said the measures would not make the waters any safer but should give more warning to the nature of the river and perhaps assistance to anyone who might disregard the warnings.

DANGER AREAS

The DPW director said there are two highly dangerous areas on the river as it passes through the city.

The turbulent areas — one just east of Paddock, the other just east of the East Boulevard sewage treatment plant — were created deliberately by construction of what are termed "energy dissipating devices."

★ ★ ★

It was at the second device that a boat heading downstream carrying Capt. Ashley and a sheriff's deputy overturned last Wednesday. At the same spot two skin divers, searching for equipment lost when the boat overturned, had narrow escapes.

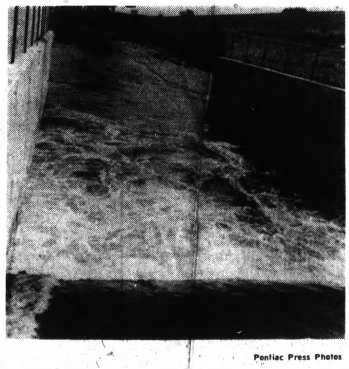

Each device consists of a concrete water channel which slopes into a concrete basin. In normal times, the water comes down the channel at a high velocity then rushes into the basin — which is at a 7-foot lower level — where it is spun around and around before proceeding downstream in a natural earth channel.

BECOMES 'WHIRLPOOL'

"During low-stream flows, this basin is

(Continued on Page A-2, Col. 3)

Pontiac Press Photos

DANGER ZONE — Signs erected by city personnel at points (left) along the Clinton River warn the public of the extreme hazards on the waterway. At two spots in the river's course, a hydraulic device—consisting of a concrete runway dropping 7 feet into a 5-foot basin (right)—creates violent turbulence. This causes the water to spin in crosscurrents and traps in its motion anything floating downstream. It was at the point pictured here that Pontiac Police Capt. Donny Ashley died when the search boat carrying him overturned Wednesday.

MARK OVER PAGES

School District by Chicago Must Integrate

CHICAGO (AP) — A federal judge has ordered integration of faculty, staff and pupils of the South Holland Elementary School District in the first desegregation suit filed by the Justice Department in the North.

Judge Julius J. Hoffman of U.S. District Court issued the order Monday and said the district south of Chicago must integrate its six schools in two steps, the first to be completed by September.

Hours after the ruling was announced, the South Holland School Board voted 4 to 2 to appeal the order. The district superintendent, Charles B. Watts, said he did not favor the appeal.

A plan outlining how desegregation could be accomplished in the fall term accompanied the order.

RACIAL PATTERN REVEALED

Hoffman spent 10 days hearing evidence in the case. Testimony revealed that two of the district's schools, Coolidge and Kennedy, are 99 per cent Negro, with predominantly Negro faculties, while the other four areas almost all white with white teachers.

Hoffman ordered the breakup of the racial pattern of pupil enrollment at Coolidge school by September 1968 and at the Kennedy school by the fall of 1969.

* * *

He also said any plans for building new schools must be submitted to the court for review so that the schools will be located "with the objective of eradicating the effects of past segregation."

* * *

He ordered the school board to begin filling vacancies and assigning teachers to positions in schools where their race is in the minority. This must be fully accomplished by the beginning of the 1969-70 school year.

The ruling was a victory for the Justice Department. Similar decisions have been made in 11 Southern states.

* * *

The judge said white opponents of pupil and faculty integration "are doing a disservice to their own children when they deprive them of the opportunity to know members of another race and to be saved from the ignorant, arrogant belief that a white skin is proof of preeminence."

Petition Drive to Abolish State Income Tax Fails

LANSING (UPI) — A drive to abolish the state income tax through a constitutional amendment died Monday when opponents of the tax failed to secure enough signatures to put the question on the November ballot.

The deadline for initiating constitutional questions through petition passed at 4 p.m. and Bernard Apol, state elections director, said no petitions were filed calling for constitutional change.

* * *

The Michigan Citizens Committee for Judicial Selection and Tenure failed to gain enough petition signatures for its bid to rewrite the judicial article. The committee, aided by the League of Women Voters, sought 18 amendments to the article, including one that would enable the governor to fill judicial vacancies, including those in newly created courts, from a list of candidates supplied by a special judicial selection committee.

* * *

They fell 87,000 signatures short of the 247,000 needed to put the proposition on the ballot.

City Gets Grant to Expand Park

Pontiac has received a $45,000 U.S. grant for expansion of Hawthorne Park, it was announced today by Sen. Philip A. Hart, D-Mich.

The money, from the federal Land Conservation Fund, will go toward acquisition of a 36-acre site adjacent to the park. The property is south of Silver Lake to West Kennett and from the west city limits to the Grand Trunk Western Railroad tracks.

* * *

The city will have to supply the remaining 50 per cent of the funds. A city official said negotiations and legal procedures will now begin toward acquiring the land from the present owners.

* * *

A golf course and other facilities are being planned in the area. The land is adjacent to a city land-fill site which will also be converted to park use in the future.

WOOING THE PARTY FAITHFUL—While Richard Nixon (left) checks an earring of Mrs. George Abbott during a meeting of New Jersey Republican delegates yesterday, Nelson Rockefeller chats with former film star Shirley Temple Black at a meeting in San Francisco. Mrs. Abbott is from Metuchen, N.J. Her earrings bear a likeness of Nixon.

Tentative Pact for City, Firemen

A tentative agreement between the city and the Pontiac Fire Fighters Association was reached yesterday, it was announced by Leonard Bennett of the State Mediation Board.

The compromise, still subject to ratification by both parties, covers a one-year agreement. It covers contract language and longevity clauses related to an agreement on economics reached early this year.

* * *

Bennett also announced he has called a meeting between the city negotiating team and negotiators for the Pontiac Municipal Employes Association for 10 a.m. Thursday at city hall.

Bennett said the meeting will deal with "still unresolved issues."

. . . Even if I'm Behind in Polls'

Nixon Is Confident of Victory

By The Associated Press

Former Vice President Richard M. Nixon says he is confident his primary victories will lead to the Republican presidential nomination, even should public opinion polls favor rival Nelson A. Rockefeller.

Public opinion polls involve only "about 3,000 people across the country," Nixon said in Springfield, N.J., yesterday, and he said he doubted Republican National Convention delegates would be swayed by them.

* * *

California Gov. Ronald Reagan, meanwhile, brushed aside new talk by GOP presidential aspirant Rockefeller of a Rockefeller-Reagan ticket.

"I've made my position very plain," Reagan said at an airport news conference in Sacramento. "I'm not interested in the vice presidency at all."

'WIDE OPEN'

Rockefeller has said in San Francisco the possibility of such a GOP ticket is "wide open . . . I don't think that any combination should be ruled out or should there be a freezing of any situation."

On the Democratic side, Humphrey told more than 2,000 underprivileged youngsters in Washington he is committed to seeing that all young Americans get "all the education they can take" and adequate food and housing.

* * *

Humphrey appeared at a kickoff clinic of the Vice President's Summer Youth, Sports and Recreation Program. He said 50 more clinics will be conducted this summer in the nation's largest cities.

In other political developments:

● The Harris Survey reports Democratic voters favor Humphrey over McCarthy 48 per cent to 40, but independent voters who were asked to state a choice for the Democratic nomination named McCarthy over Humphrey 54 per cent to 30.

OVER THE 500 MARK

● Nixon has 501 of the 667 votes needed for a first-ballot GOP nomination and Rockefeller has 192 in an Associated Press survey of delegates pledged, committed or publicly stating voting intentions. Humphrey has 677¾ of the 1,312 votes needed for a first-ballot Democratic nomination and McCarthy has 414.

● New Jersey McCarthy and Kennedy supporters have announced they are forming a "joint steering committee" to urge that major compaign planks of both men be included in the Democratic presidential platform.

* * *

● Mayor Richard J. Daley says it is "plausible and possible" the electrical workers' strike that threatens to move the Democratic National Convention from Chicago could be settled within a week. "We should stop worrying about the convention. It's going to be held here and it's going to be the finest convention ever held in the United States," Daley said.

Ray Appeal July 29

LONDON (AP)—James Earl Ray's appeal against extradition to the United States will open in the British High Court July 29, his British lawyer said today. The hearing is expected to last at least two days.

Ray, charged with assassinating Dr. Martin Luther King Jr., made a one-minute appearance in Bow Street Magistrate's Court today on the two charges on which he was arrested June 8 at London airport, using a forged passport and carrying an unlicensed gun.

Viet Aide Urges North-South Talk

PARIS (AP) — Ambasador Bui Diem, South Vietnam's observer at the Paris peace talks, appealed today for direct negotiations between North and South Vietnam.

He made a distinction between such negotiations and the present talks, between U.S. and North Vietnamese representatives, which he called "tactical." These are concerned with stopping the bombing of North Vietnam, and some North Vietnamese concession in return.

* * *

Talks between North and South Vietnam would be political, Diem explained.

It is too early to say whether such talks could also be held in Paris, he added.

"Besides," he said, "I'm rather pessimistic about the North Vietnamese reply to this proposal."

Pontiac Press Photo

$4 MILLION FOR ROADS—Busy signing 800 bonds worth $5,000 each is John Murphy, Oakland County clerk-register. The $4 million will be spent on county road projects this year. Looking on is LeRoy McEntee, road commission attorney, and Mrs. Donald Johnson, Murphy's secretary. The bond issue was approved last spring. Before the bonds are legal, Delos Hamlin, chairman of the County Board of Supervisors, also will have to sign his name 800 times.

NATIONAL WEATHER — Scattered showers and thundershowers are forecast tonight for most of the southern and eastern states from Texas to New England. Cooler air will flow into the Great Lakes and upper Ohio Valley. It will be slightly warmer in parts of the northern Plains and southern Plateaus.

City Will Consider Joint Road Project

City commissioners will consider a proposal from the Oakland County Road Commission for a joint construction project for Voorheis between Telegraph and James K at their meeting tonight at 8 p.m. in the City Hall.

A comparatively light agenda faces the commissioners.

They are scheduled to consider:

● Bids on $1 million in preliminary loan notes for the city's downtown urban renewal program.

● Bids to seal coat city streets.

Pontiac Warns of River Danger

(Continued From Page One)

a relatively inactive pool of water approximately 20-feet wide and 60-feet long," Neipling said.

"Under conditions of high water, this quiet pool is converted into what might be termed a whirlpool," he said.

* * *

"Any person approaching this velocity killing structure from within the concrete channel would experience the passage over a 7-foot drop into the basin which contains such violent turbulence they would be helpless," he said.

The two devices have been operational about one year. They were installed to facilitate the flow of water through the city, Neipling said.

CONSTRUCTION NECESSARY

He said the necessity of carrying away storm waters whose intensity of flow is constantly increasing as the community develops made construction of the devices necessary.

The devices, he said, are intended to slow the velocity of the river and thus to prevent the flow of water from eroding the natural earth channel of the river.

He said that if they were not there the river would have such a velocity at certain points that the earth banks would erode and the river would lose effectiveness as a carrier of storm water.

"They allow us to carry a large capacity of water with a small structure."

CONCRETE CHANNELS

He said at the points leading to the energy dissipating devices there have been constructed — under a country drain project — concrete channels with sherr vertical concrete walls.

The first concrete uncovered channel begins at Union Street and continues to the first dissipating device near Paddock. The second begins at East Boulevard and ends at the eastern edge of the sewage treatment plant.

* * *

"A point of considerable hazard but not as extreme as the two velocity-killing devices occurs under the East Boulevard bridge (over the river)," Neipling said.

"At this point the velocity of the water is increased as a 4-foot high waterfall is created by the change in elevation of the concrete channel," he said. At that point the waterfall does not have a basin which would create extreme turbulence, he said.

The DPW director said no one, swimmers or boaters, should enter any portion of the Clinton River from where it emerges from the underground conduit at Union Street to a location east of the concrete cannel passing through the city's East Boulevard sewage treatment plant.

Birmingham

Resolution Is Tabled on Road Levy

BIRMINGHAM — A resolution endorsing the proposed 1-mill county tax for roads was tabled by the City Commission last night until it can be determined how the special levy will benefit Birmingham.

Though the Oakland County Road Commission, in asking support of its proposal, has pledged to spend the funds in the community in which they are collected, city commissioners want to know exactly how the money could be used.

* * *

Early indications are that the tax money would be used only on roads within the city that are under the jurisdiction of the road commission. Voters will decide the tax question Aug. 6.

* * *

In Birmingham's case, only portions of three roads are maintained by the county, 14 Mile, 16 Mile and Quarton.

FAR IN EXCESS

The feeling of commissioners is that the estimated $131,000 to be raised in Birmingham is far in excess of the requirements for maintaining the sections of the three roads and that funds could be put to better use on other major thoroughfares in the city, such as the perimeter road.

* * *

William Killeen, city engineer, told commissioners that Paul Van Roekel, county highway engineer, has suggested that perhaps the ring road could be made a county road for the duration of the tax levy and then turned back to the city.

* * *

Former City Commissioner Carl F. Ingraham suggested to the commission that the city enter into an agreement with the road commission similar to that made by Pontiac.

* * *

Pontiac, which has no county roads within its boundaries, has made arrangements with the road commission to use the funds for city streets, though, according to Pontiac City Manager Joseph Warren, details have not yet been completed.

NO AGREEMENT NEEDED?

Birmingham Assistant Manager John Saefke said that because of the "good" relations with the road commission in the past, it was believed by the administration that no legal agreement was needed.

* * *

Ingraham pointed out, however, that the members of the road commission are appointed by the board of supervisors, and that changes could possibly take place anytime after the reapportioned board of supervisors takes office in January.

* * *

Saefke was directed by the commission to further discuss the matter with the road commission and return with a report.

* * *

A one-year contract wss renewed by the commission with the Oakland Directors Service at $300 a month to provide ambulance service for the city.

$100 HIGHER

The firm's bid was $100 higher than that offered by General Ambulance Service.

Commissioner Charles Clippert said that because of the service, which was described by Saefke as the "best ever," there was no need for change.

* * *

The four other commissioners present agreed and the contract was approved by a 5-0 vote.

In other business, the commission briefly reviewed but took no action on a proposal to lease parking spaces in the municipally-owned lot behind the Reid Building to certain tenants.

* * *

The proposal had been made earlier by a physician with office in the building on North Woodward. He stated that there is a problem of getting a space on returning to the office.

Saefke told the commission that the recommendation of the administration is not to reserve spaces in city lots because it would set a precedent.

Hospital Closes Doors; Workers Picket Bank

MOUNT CLEMENS (UPI) — Over $1 million of debts locked the doors of Clinton Valley Hospital Monday as the last of its patients were turned over to other hospitals.

Meanwhile, a group of the hospital's now unemployed nurses picketed the main office of City National Bank of Detroit, the creditor which called up a $145,000 loan 10 days ago.

* * *

It was the lien put on the Clinton Valley accounts behind that loan which triggered the board of trustee's decision to shut down the hospital, according to the hospital's attorney, George Bashara.

"Our accounts were locked up when City Bank called up the loan, and we weren't able to pay our employes," he said. There were 170 persons employed at the hospital and 65 patients when it was forced to close.

* * *

The loan, issued in 1965, was part of a parcel of loans received by the Macomb County hospital since its opening in 1963. Bashara added that behind its inability to pay off debts was the hospital's failure to secure Blue Cross coverage for acute care. Blue Cross had contended the hospital wasn't necessary to the area, he said.

Low Road Toll Hailed as Gain

Safety Expert Sees 'Triumph of Sense'

CHICAGO (AP) — The lower-than-expected highway death toll during the Independence Day weekend represents a significant gain in traffic safety, the National Safety Council says.

The council had estimated in advance that between 700 and 800 Americans might die on streets and highways over the four-day weekend. The final toll from 6 p.m. Wednesday to midnight Sunday was 620. This compared with 553 deaths in a non-holiday weekend of equal length.

* * *

"The deaths that took place make up a tragic version of the traditional Independence Day parade," Howard Pyle, council president, said Monday. "But the fact there weren't more is an encouraging sign that good sense may yet triumph."

The national record for an Independence Day weekend is 732, set during last year's four-day holiday period.

COMPARISON BASIS

To provide a basis for comparison. The Associated Press surveyed traffic deaths from 6 p.m. Wednesday, June 19, to midnight Sunday, June 23. The total was 553.

The council also said Monday that motor vehicle fatalities during the first five months of this year averaged 134 a day. During the Fourth of July weekend they averaged 144.

* * *

The five-month traffic toll was 20,380, or about 6 per cent above the 19,270 for the same period of 1967.

The May total was 4,770, up about 7 per cent from May last year.

India has a poor highway record, killing 80 persons per year for every 10,000 motor vehicles compared to 5 for the United States and 19 for Britain.

Bomb Mailed to Teacher in Ohio Kills Him

LORAIN, Ohio (AP) — Daniel J. Ronek, a teacher who would have been 24 today, received a 6-inch-long, cylindrical package in the mail Monday. The package exploded in his hands, killing him.

The mailman who delivered the package described it as being 2 inches in diameter with a metal screw cap at one end.

It was enclosed in heavy, dark tan cardboard and weighed 8 ounces to one pound, according to the mailman, Herbert Harding.

The package had been forwarded from Columbus, Harding said, and the Columbus address on the package had been scratched out.

Harding said Ronek often received mail forwarded from Columbus to the home where Ronek lived with his mother and an uncle.

* * *

Neither Ronek's mother, Mrs. Susan Bronek, nor his uncle, Steve Breznen, were at home when the blast occurred.

* * *

Postal authorities joined police in the investigation.

It was the second such death in Lorain County this year. A bomb package received by bus killed 24-year-old Samuel Hammons Jr. at his home in Avon Feb. 24. The FBI linked that death to a love triangle involving a California man and woman. The California man's body was found later in a pond, and no charges were pressed in the case.

STUDENT LEADER

Ronek was president of his high school class, was a graduate of Miami University and did graduate work at Ohio State University last year.

A friend said he taught at Central Junior High School on East 40th Street in a predominantly Negro area of Cleveland during the school year that ended in June.

* * *

During the summer months Ronek worked at U.S. Steel Corp.'s Lorain Works.

Some Ordered to Work

Flint Strikers Enjoined

Flint (AP) — Flint Circuit Judge Stewart Newblatt Monday ordered all the city's striking hospital employes to return to work and said unions representing other striking city employes must provide emergency crews when needed.

* * *

His decision came as a result of an injunction sought by City Attorney Charles Forrest. Forrest said the walkout by some 2,500 general city employes, garbage collectors and hospital workers Monday was causing irreparable damage to the health and safety of Flint citizens.

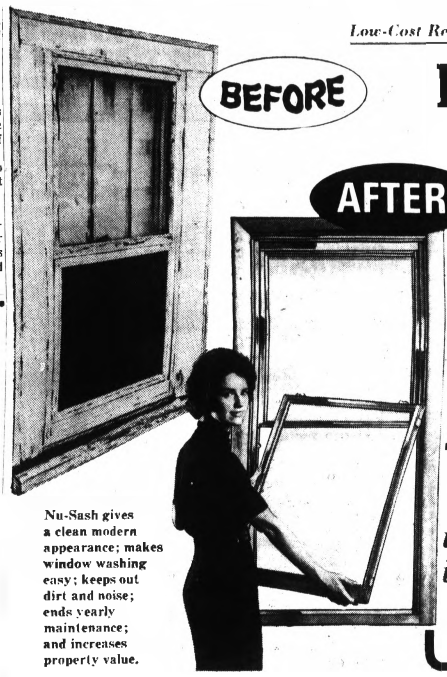

The strike is over a contract dispute. Pickets appeared at Hurley General Hospital, the city maintenance yard and city hall. Bishop Airport, which is city owned, was a tentative target. Trash and garbage collections were stopped, and supervisory personnel were assigned to vital city posts.

The roadrunner is New Mexico's state bird.

Low-Cost Remodeling Tip
Replace Old Worn-Out House Windows with Nu-Sash

Nu-Sash gives a clean modern appearance; makes window washing easy; keeps out dirt and noise; ends yearly maintenance; and increases property value.
Unique test-proved Nu-Sash updates the home instantly; forever ends window problems.

When we're not publishing... it's for the birds.

Repairing old troublesome, rotted and rattling windows has always been a problem to homeowners and property owners who want to modernize. However, a handsome unique aluminum replacement window now provides a simple and economical solution.

This revolutionary product — Nu-Sash® — is a window specifically designed to replace old outdated deteriorated windows. The cost — including installations — is nearly 40% less than other methods of renovating or remodeling old windows.

With Nu-Sash, there is no costly remodeling of inside walls; no messy or dirty construction work. Old windows are removed and expert installation men install Nu-Sash in a matter of hours without touching inside plaster or disturbing the present woodwork around windows.

Nu-Sash has been tested under rigid laboratory conditions. Results show the window superior to recommended standards set up by FHA for new construction requirements.

Savings in heat and air conditioning bills alone pay for a Nu-Sash conversion. However, the real advantages and savings of new Nu-Sash windows are greatly realized when the outstanding features are tested and compared against ordinary windows.

As an important and permanent addition to the home or building, Nu-Sash qualify for low interest home improvement loans. Modest monthly payments are available.

Additional free literature, price samples, details and drawings, and names and addresses of Nu-Sash installations in the area are available by a phone request or by mailing the coupon.

Separate D.C. Sewer Lines Not Answer---Interior Dept.

WASHINGTON (AP) — The Interior Department said Sunday it would cost about $48 billion to separate storm and sanitary sewers which are now combined and which serve some 36 million people — and even that would not solve the pollution problem.

Combined sewers often cause water pollution when heavy rain brings an overflow that flushes untreated sewage down the system, bypassing treatment plants.

* * *

The department said a study shows that four main problems are hampering programs to separate such sewers.

- High Cost.
- Inconvenience during the necessary changes.
- Scarcity of specific information on overflows and their actual impact.
- Uncertainty about the relative importance of this source of pollution.

"The report shows," said Secretary of the Interior Stewart L. Udall, "that separation of sewers is not the whole solution to this problem of preventing overflows from these sewers reaching our streams.

"While in some instances it is going to take complete separation of sewers, in others new or improved methods of control or treatment will be necessary."

* * *

The study was prepared by the American Public Works Association for the department's Federal Water Pollution Control Administration.

It recommends additional research on control and treatment of combined sewer overflows, and high priority to construction of new treatment plants in communities lacking them.

RECOMMENDATIONS

Also recommended:

- Raising the level of treatment where needed.
- Making community officials more aware of the importance of the overflow problem.
- Increased efforts to recruit and train competent sanitary personnel.
- Additions or modifications of existing treatment plants to allow at least partial treatment of sewage flows now being bypassed.
- Consideration of the use of surface drainage controls in the development of parks, playgrounds and other open spaces in urban land.

Hens at a Loss

KANSAS CITY, Mo. (AP) — As government meteorologists were checking the results of a tornado that had skipped through a farm area not far from here, they observed that the hens at one place were making a considerable racket. Asked the cause, the farmer replied: "The storm killed the only rooster on the farm."

NFL Problems Mount as Negotiations [illegible] OVER

Pontiac Press Photo

TROPHY WINNERS — Dick Kallis (right) of Pontiac receives a trophy from Jaycee Junior Golf Chairman Jerry Hoopfer after pacing the 16-17 age division of the regional tournament yesterday at Pontiac Municipal Golf Course. Steve Sabbaugh (second from left) won the 13-and-under title, while Bob Chapman of Farmington was the winner in the 14-15 age bracket. The three qualified for the state tournament slated July 22-23 at Kalamazoo.

Annual All-Star Game Could Be Low Scoring

HOUSTON (AP) — Managers Dick Williams of the American League and Red Schoendienst of the National League, both noting it has been the year of the pitcher, predict a low-scoring mound duel in baseball's 39th annual All-Star Game tonight in the spacious Astrodome.

Schoendienst of the St. Louis Cardinals, who will start 10-game winner Don Drysdale of Los Angeles, said, "I lean toward a pitcher's game. This has been the year of big zero."

* * *

Williams of the Boston Red Sox agrees. "I would say it will be a pitchers' battle," he said. "The pitchers should predominate."

He named herky-jerky right-hander Louis Tiant of Cleveland, a 14-game winner to start for the American.

A standing-room crowd of over 50,000 is expected for the game starting at 8:15 EDT in the air conditioned stadium built by Judge Roy Hofheinz, owner of the Houston Astros.

UNDER ORDERS

The AL went through an hour workout Monday afternoon under order from American League president Joe Cronin to get the feel of the synthetic turf. Most American Leaguers have never played in the Dome.

The National holds a 20-17 series edge, including five straight and nine of the last 10. The National is a 7-5 favorite.

The American Leaguers adjusted quickly to the fast surface of the carpet-like turf.

* * *

Brooks Robinson, Baltimore third baseman, said, "The ball bounces true but it sure gets through the infield quick. I'd like to hit here all year. It would probably add 25 points to your batting average."

Giant Frank Howard of Washington, the leading home run hitter in the majors with 25, said he didn't think the ball carried very well.

Howard then proceeded to rip several shots into the left field seats—one over the 390 mark.

The Astrodome has dimensions of 340 feet down each line. It's 406 feet to dead center.

SOME ABSENT

Some of the American League stars weren't on hand for the practice session, including Carl Yastrzemski and Ken Harrelson of Boston, Bill Freeman of Detroit and Mickey Mantle of New York, the team captain and first player ever to hit a homer in the Astrodome.

Asked about the missing players, Williams said, "They've got commitments. The game's tomorrow not today."

Tiant admitted that he was tired from pitching 6 1-3 innings Sunday but said he could go two hard innings.

* * *

"This is most important start in my life," Tiant said. "It's one of the biggest breaks I've ever had."

Both All-Star teams came into the game with rather anemic batting averages. Team average for the AL is .263, with Yastrzemski at .301, the only .300 hitter in the starting line-up. The National has a .279 average, with starters Curt Flood of St. Louis and Tommy Helms of Cincinnati hitting .316 and .302, respectively.

Williams said he plans to follow Tiant with John "Blue Moon" Odom of Oakland. He said Odom pitched last Friday and would be well rested.

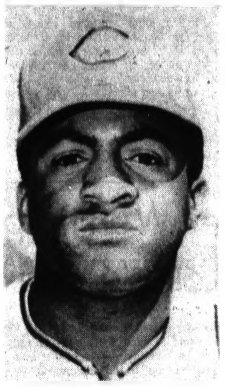

Schoendienst said he wasn't certain who would follow Drysdale, who has a 1.37 earned run average and set a record of 58 2-3 consecutive scoreless innings earlier this season. It will be Drysdale's fifth All-Star start, tying the record.

HOUSTON (AP)—Starting line-ups, batting averages and pitching records for starters in Tuesday's All-Star game at the Astrodome between the National and American Leagues:

DON DRYSDALE

Practice Delay for Green Bay Threatens Game

CHICAGO (AP) — National Football League owners sounded the alarm button Monday night.

Art Modell, owner of the Cleveland Browns and president of the NFL, announced that "pro football faces a long and disastrous strike" and then called for a full meeting of owners in Chicago today.

* * *

Modell's statement came after the NFL's Players Association said it had failed to resolve its disagreement with the owners over player pensions.

The players are seeking additional pension funds before the 1970 deadline desired by the owners.

Both groups met on the outskirts of Chicago Monday but reached no conclusion.

ANOTHER PROBLEM

While the owners refused to give in to the players, the question of the All-Star Game arrived.

Vince Lombardi, general manager of the Green Bay Packers, who as the champions of pro football, must meet the College All-Stars in Chicago Aug. 2, said "the game will have to be delayed or canceled" unless the Packers have at least three weeks to get ready."

This resulted from an ultimatum by Modell to hold off the opening of all pro football camps until the present matter is settled.

The San Francisco 49ers were to open their rookie camp Sunday and the Packers were among those scheduled to start workouts Wednesday.

George Strickler, sports editor of the Chicago Tribune whose Chicago Tribune Charities sponsors the All-Star game, said, "Our contract is with professional football including the National Football and the American Football League.

BEGIN PRACTICE

"Our coaches are here and our squad will assemble Thursday and begin workouts Friday. We'll fulfill our end of our contract and we hope professional football will fill its end."

Meanwhile, Modell issued a statement that said, "Despite having granted 21 demands of the players' union, pro football faces a long and disastrous strike on the sole issue of granting pension benefits in 1968 to players, who on the average, will not be eligible to receive such benefits until the year 2000."

* * *

The players' stand, held by John Gordy of the Detroit Lions who also is president of the Players' Association, is that the owners cannot contract for any amount of money concerning 1970 "when they do not know what the situation will be then."

The owners claim they have granted 21 demands to the players and the union's leaders "have taken the position that such an agreement cannot be concluded until the ultimate merger with the American Football League is completed."

Modell, meanwhile, refused to claim the players' group is striking. He calls it an "impasse."

Six Junior Golfers Advance

Jaycee Regional Qualifying Pace Set by Kallis

Six local golfers took another step toward a national championship yesterday by qualifying for state competition in the regional Junior Jaycee Golf Tournament at Pontiac Municipal Course.

The next stop for the six youngsters will be Kalamazoo July 22-23, with the qualifiers moving on to Tulsa, Okla., for the national championship Aug. 19-24.

* * *

A big surprise came out of the play in the 16-17 age division play yesterday.

Larry Walker and Norm Runyon, who finished 1-2 in the district play back in June, had so much difficulty on the first nine holes that they never were able to threaten the pacesetter.

While they were having their troubles, Dick Kallis, who tied for fourth in the district phase of the tourney, checked in with a 38-38—76 over the par-69 course to lead the field of 15.

A stroke back was Scott Niederluecke of Waterford, and he and Kallis qualify for the state tournament.

* * *

Qualifying in the age 14-15 bracket were Bob Chapman (77) of Farmington and Rob Roehrig (80) of Pontiac.

In the 13-and-under bracket, Steve Sabbaugh (79) of Union Lake and Paul Stitt (86) of Waterford picked up the two qualifying berths.

THE PONTIAC PRESS
SPORTS
TUESDAY, JULY 9, 1968 B—1

Pontiac Press Photo

PLACE SECOND — Runners-up in the regional Jaycee Junior Golf Tournament yesterday at Pontiac Municipal Golf Course were (l-r) Paul Stitt of Waterford (13-and-under class); Bob Roehrig of Pontiac (14-15 age group); and Scott Niederluecke of Pontiac (16-17 age group).

Cincinnati Loses Team's Best Hitter

CINCINNATI (AP) — Pete Rose, Cincinnati's leading batter, was placed on the disabled list Monday for a fractured thumb and will not return to the line-up for at least 21 days, the Reds announced.

Rose, who is batting .329 and led the league in hitting early in the season, injured his left thumb as he dove for a ball in Cincinnati's game Saturday night with Los Angeles.

New Contract Signed

ATLANTA (AP) — Braves' President William C. Bartholomay confirmed Monday the signing of Paul Richards to a new contract extending through 1971.

Richards is in his second year as vice-president in charge of baseball operations.

Wilt Announcement Set Today by Lakers, 76ers

PHILADELPHIA (AP) — The Philadelphia 76ers hold a press conference today to tell the sports world what it already knows — that Wilt Chamberlain has been dealt to the Los Angeles Lakers in one of the major trades in National Basketball Association history.

A 76er spokesman said Monday night that simultaneous press conferences would be held at Los Angeles and Philadelphia to make an announcement. The subject matter was not revealed, but The Associated Press reported Friday that the trade already has been consumated.

* * *

The 7-foot-1 center, greatest offensive player in the history of basketball, was swapped to the Lakers for All-Star guard Archie Clark, veteran center Darrall Imhoff and second-year forward Jerry Chambers, plus an undisclosed amount of cash.

Jack Ramsay, the 76ers' general manager for three years, has been named to succeed Alex Hannum as coach. Hannum resigned after the 1967-68 campaign to go with Oakland of the rival American Basketball Association.

But although Ramsay will preside at the Philadelphia news conference at 1 p.m. at the Spectrum Sports Arena, the announcement of his appointment probably will not be made then. The 76ers may withhold it for a week or so to give the Chamberlain deal maximum news coverage.

Although the trade was closed as early as last week — or possibly earlier — it was not immediately announced because of the difficulty in coming to contract terms with the players, The Associated Press learned.

* * *

The Lakers reportedly had difficulty in putting Chamberlain's signature on a pact. He reportedly made $250,000-plus last year.

Also, Clark, the starting guard on the West's All-Star team last year, reportedly wanted an increase from the 76ers. He was said to make in the vicinity of $100,000 last year.

FLASHY GUARD

Along with Clark, a 20-point-per-game producer and flashy backcourt man, the 76ers get a sturdy defensive center in Imhoff and a potentially good forward in Chambers.

Big Cage Catch Made by Titans: Spencer Haywood

Spencer Haywood, former Pershing High School basketball star and member of the 1968 U.S. Olympic team, has signed the national letter of intent to attend the University of Detroit.

U-D athletic director and head basketball coach Bob Calihan made the announcement Monday.

* * *

Haywood, 6-8, 225 pounds, led the Doubhgoys to the Michigan State Class A title two years ago and was named to the high school All-America team.

Last season, he led the nation's junior college players in rebounding with a 23.2 per game mark, and also scored 27.1 points per game for Trinidad J.C. in Colorado.

* * *

He led last spring's Olympic Trials in rebounding and was third in scoring. He just recently returned from a European tour for the State Department during which he was named its most vaulable player.

Rowing to Trials

LONG BEACH, Calif. (AP) — Philadelphia's Vesper Boat Club, defending Olympic gold medal rowing crew, arrived Monday for the Olympic rowing trials to be held Friday through Sunday.

The crew held two workouts in the Long Beach Marine Stadium.

Large Field in GAM Play

A field of nearly 500 fathers and sons teed off this morning in the annual Golf Association of Michigan Father-Son tournament.

Play was over 18 holes and the large field was using Plum Hollow and Orchard Lake country clubs. The day closes with a victory banquet this evening at Orchard Lake CC.

Defending champion in the event is the twosome of Chuck Byrne Sr. and Jr., who carded a one-under-par 71 at Pine Lake in winning the '67 event.

The two Byrnes are back to defend their title today and they faced some tough competition.

ANOTHER TRY

Frank Richart and son, John, of Ann Arbor won the event two years ago and they were back trying for another title.

Among the others in the field were U.S. Seniors champion Ray Plamer and his son, Ron, of Grosse Ile; John Green and son, Pete, the present GAM champion, of Franklin; and Dr. Frank Lovell of Southfield, GAM president, and son, Ray.

Unser Entering Race

WATKINS GLEN, N.Y. (AP) — Bobby Unser, winner of this year's Indianapolis 500, says he will drive in Sunday's Six Hours of Endurance for manufacturers to be held at the Watkins Glen 2.3-mile track.

British Open Tune-Up

Casper Pulls Garbo

CARNOUSTIE, Scotland (AP) — Bill Casper gave the 1968 British Open Golf Championship the Garbo treatment and said today that this might be the way to tune up for a title every professional in the world envies.

The 37-year-old San Diego, Calif., professional who has won more than a quarter of a million dollars on the American circuit in the past two years, approached Wednesday's opening of the 72-hole contest in the loneliest manner possible.

* * *

Casper went around Carnoustie's fearsome 7,252-yard, par-72 layout by himself Monday.

"I discovered the course," he said quietly.

Before that, he went to two Sunday services of the Latter Day Saints in Dundee, as a recent convert to Mormonism. On Saturday, he addressed a Latter Day Saint's youth meeting.

* * *

While none of this seems to have anything to do with golf, Casper is convinced it has.

NEEDS BREAKS

On top of that, he said he needs such interim breaks to keep him steady, nerveless and keen.

The bookmakers must be impressed.

Without any kind of practice round or scores worth talking about, Casper still is rated as at 5-1 for the title, just behind Jack Nicklaus, the 9-2 favorite.

The rating is remarkable when one considers that Casper never has played Carnoustie, never has competed in the British Open, and is somewhat of a stranger to British golf except for Ryder Cup appearances.

If Casper, straight from tee to green and one of the really great putters, says he has discovered the Carnoustie layout, the bookies might turn out to be more than right.

ADOPTING THREE

Casper and his wife, plus 14-year-old daughter Linda are here. The Caspers have two more children of their own and now are adopting three more, a baby boy and twin girls.

All of that is unlikely to make Casper seem a lonely man, in addition to the fact that everybody likes him anyway. But as far as his preparation for this assault is concerned, he is the loneliest of the entire field of 130.

Pace Slackens Slightly

Stock Market Rally Continues

NEW YORK (AP)— The stock market rally continued early today but at a lesser pace than Monday.

Trading was heavy and the ticker tape ran four minutes late. Gains were limited mostly to around a point.

* * *

Advances outnumbered declines by nearly 2 to 1, and the Dow Jones Industrial Average was up between one and two points.

Prices rose from the start and maintained a higher level in the heavy early trading marked by the transfer of an assortment of good-sized blocks.

Control Data picked up another point while Owens-Illinois slid 1⅛ in profit taking on Monday's gains.

A generally higher trend prevailed among steels, autos, rubbers, mail order-retails, utilities and nonferrous metals.

Aerospace stocks, and airlines declined.

Among active fractional gainers were Del E. Webb, Union Carbide, MSL Industries, Occidental Petroleum, TWA, Western Union and Woolworth.

The sharpness of Monday's advance, combined with the fact that Wednesday will be another market recess so that brokerage firms can catch up with paperwork contributed to increasing caution, brokers said.

Early blocks included:

U. S. Steel, unchanged at 39¼ on 15,400 shares, and Benguet, off ⅜ at 12⅜ on 10,000.

Monday the Associated Press Average of 60 Stocks rose 3.0 to 348.0, a new high.

MAKE OVER PAGES

Panorama: Play, Work and Rest; the Past, the Future

POOL HOUR—Pontiac [illegible] members watch Joe D. McMahon [illegible] president of the Downtown Kiwanis Club [illegible] a $1,000 check to Clyde R. Haskill, a pool [illegible] Oakland [illegible] week.

Pontiac Press Photos by Ron Unternahrer

The total boy hours in the pool last year was about 6,640 hours, according to Haskill. The program is in its fourth year.

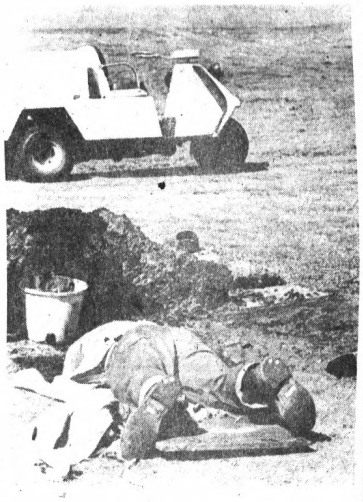

AP Wirephotos

MONEY FIND — The nickel and dime fund drive of 12-year-old Jeff Nelson of Memphis has gone over its $100 goal. Jeff was searching for dimes in a phone booth when he found a lost purse. It contained $235 and Jeff received a $15 reward that was added to the amount he had already saved to contribute to a church building fund.

CAUSES STIR — Winifred Ewing, Scottish Nationalist member of the British House of Commons, has caused a few stirs in that deliberative body. She questions the value of a Scottish merger with Britain in the United Kingdom.

REPLACING HIS DIVOT — It seems as if one Madison, Wis., area golfer had his share of trouble separating the ball from the tee recently. Fun is fun, but the course pro may have asked "Why not take up billiards?" A Madison photographer caught this scene as a workman excavated a nearby course.

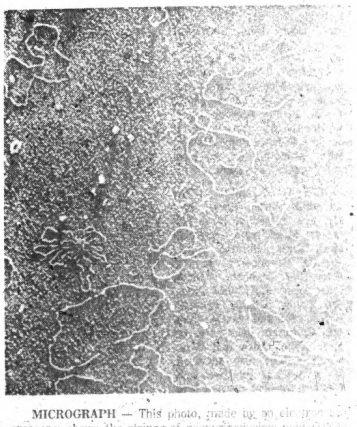

INDUSTRIALIST DIES — Edgar Monsanto Queeny died of a heart ailment Sunday at age 70. He was head of the Monsanto Chemical Co., founded by his father.

SURF FROLIC — [illegible] Helen Knutsdottir, Miss Iceland, [illegible] Beach, Fla., where they are competing [illegible] Beauty Pageant. Miss Universe will be [illegible] night.

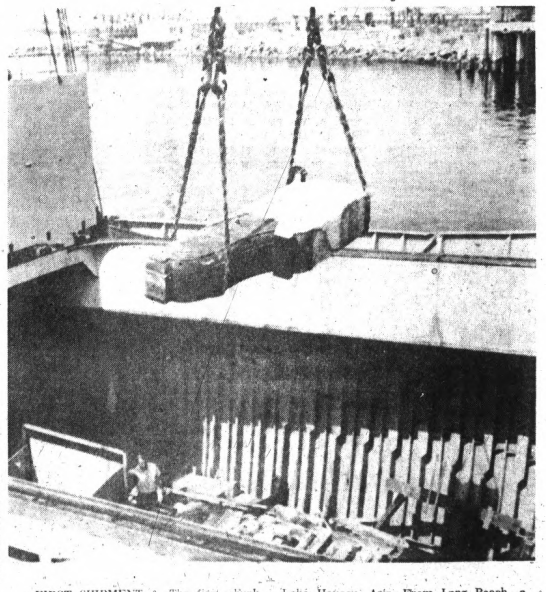

[illegible] Don Kevit[illegible] nam. His boots are at ready should some enemy mortar shells start dropping. The base is 320 miles north of Saigon in the South Vietnamese central highlands.

MICROGRAPH — This photo, made by an electron microscope, shows the strings of deoxyribonucleic acid (DNA) in the nucleus of cells and viruses. The magnification is about 90,000 diameters and each string is about 10 atoms wide. Scientists hope to be able to see an atom within a year with the aid of the instrument.

TESTING FORCE — A Marine's helmet [illegible] on a pole outside a Seabee [illegible] at the Khe Sanh Marine Base [illegible] South Vietnam. Which the photo was taken, the men in the background were demolishing the bunker as they prepared to abandon the base.

FIRST SHIPMENT — The first chunk of the famed London Bridge, totaling some 855 tons, arrives in Long Beach, Calif. It was the first shipment of the bridge, in the process of being dismantled and shipped to Lake Havasu, Ariz. From Long Beach, a fleet of trucks will move the granite blocks to Arizona. The bridge is to be reassembled and is expected to be open to traffic by early 1971.
