## Upcoming Opportunities

### Pride Month 2022

The GSC has begun the planning process for Pride Month 2022, which will take place March 14th through April 14th, 2022. It is our goal to make Pride Month a university-wide collaboration between campus partners to present Oakland University's students, staff, and faculty and the surrounding community with the opportunity to celebrate the diversity of and learn from and about the lesbian, gay, bisexual, transgender, queer, questioning, intersex, and asexual (LGBTQIA) community.

We are now accepting event proposals for this year. Our proposal form can be accessed through the button below and includes FAQs and additional details. The Gender & Sexuality Center welcomes support from faculty, staff, departments, and student organizations in hosting new and engaging events. The deadline for proposals is Tuesday, November 30, 2021. We cannot wait to receive your event proposals!
