Student-to-Alumni Power Networking Dinner

Alumni and students have a unique opportunity to network at the Student-to-Alumni Power Networking dinner, an event designed for alumni to share their career expertise with students as well as meet fellow alumni to gain valuable contacts and develop new business relationships. The event will take place on Tuesday, March 16 from 6 to 7:30 p.m. in Banquet Room B of the Oakland Center.

Your involvement makes a difference! Alumni and students will be matched at career- or college major-themed tables, so it's important to have alumni attendees who represent a variety of career fields and majors to match the students' interests. Students will also be encouraged to move among the different tables of alumni to obtain multiple alumni connections and perspectives.

Interested in sharing your expertise? **Pre-registration is required** to participate in this event and space is limited. There is no cost to attend; however, please call (248) 364-6137 or via e-mail at villanu2@oakland.edu to register.
