- Thanks to Dutch for working together and for being a great partner.

- Homeland joke.
- Recent cases – banks, Saudi ARAMCO, newspapers.
- Cyber threat from countries like China – unprecedented in history.
- Worked on bipartisan solution w/ Dutch. We believe the least we can do is information sharing. Our economy is under assault from countries like China and we are losing the cyber war.
- Senate must act, too important an issue. Working with Senators from both parties to get cyber legislation across the finish line.
- WH Executive Order out today, hopefully it moves the ball forward.
