## Bomarc Missile Blaze Causes Radiation Scare

### Nuclear Seepage Small but Atom-Armed Bird Sears Launching Pen

McGUIRE AIR FORCE BASE, N.J. (AP) — A needle-nosed Bomarc missile, battle ready with an atomic warhead in its concrete launching pen, caught fire Tuesday, touching off a radiation scare.

The missile was badly damaged and some radiation seeped out of its nuclear tip.

First reports were that there was a threat of heavy radiation in the remote pinelands around the base.

**The Air Force later said that the radioactivity — and a slight amount at that — was confined to the badly damaged launching pen.**

Investigators of the Atomic Energy Commission, the Defense Department and the New Jersey Department of Health said they would all probe the incident.

**SMALL EXPLOSION**

The Air Force said the Bomarc caught fire as it nestled unattended in its concrete launching shelter, one of 54 at the missile base.

There apparently was a small explosion in the missile fuel system and then fire broke out, an Air Force spokesman said.

## Receive Coast Guard Certificates

## Talks With Ike; Calls on Nixon to Quit Hedging

### Governor Says Party Needs New Men, Opens Gate for Draft

NEW YORK (AP) — Gov. Nelson A. Rockefeller called upon Vice President Richard M. Nixon today to declare "precisely" what Nixon beleves and proposes in order to meet "great matters before the nation."

Rockefeller said he had hoped that anyone aspiring to lead the Republican Party would make such declarations but "it has not been done."

Rockefeller's statement was made to a closed door meeting of Republican leaders here a few hours after he had personally notified President Eisenhower that he planned to make the statement. The statement also was critical of current national defense policies.

**The New York governor also told the meeting he would head the New York delegation to the Republican National Convention next month in Chicago.**

Then the 51-year-old Rockefeller came close to offering himself for a draft at the national convention:

"A new period now begins," he said. "It summons new men. New problems demand new ideas, new actions."

Rockefeller breakfasted with President Eisenhower in Washington and talked some politics with him but gave no indication then that he had changed his mind on any political issues.

Talking with reporters at the White House, the New York governor said the chances are "pretty good" that Vice President Richard M. Nixon will get the Republican presidential nomination.

He reaffirmed his own willingness to accept a draft for the top place on the ticket, but again rejected with emphasis proposals that he accept the vice presidential nomination on a Nixon ticket.

**Rockefeller said he and Eisenhower discussed "politics, international affairs, including the U2 controversy, and the President's forthcoming trip to Japan" while they breakfasted alone in the White House dining room.**

But, Rockefeller said, in response to newsmen's querries, such questions as his own possible candidacy, the pressure on him to be Nixon's running mate, and a possible major role for him at the GOP convention in Chicago, never came up in the conversation.

Asked what political matters were discussed, if these were not, Rockefeller replied he "would hope that the President would say something about that." Rockefeller said he felt that the courtesies of the situation forbade him to tell.

The meeting with Eisenhower was requested by Rockefeller. It drew a horde of newsmen to the White House.

## City Tax Rate Set at $13.27

### Third-Straight Year for Lowest Figure Since $13.10 Levy in '49

As expected, city commissioners last night set the 1960 municipal tax rate at $13.27 for each $1,000 of assessed valuation on personal and real property.

It is the third-straight year that the 10-year-low rate will be levied.

★ ★ ★

Thanks to a $3,900,000 rise in assessed valuations this year, the rate will yield about $52,000 more in tax collections than predicted when the budget was adopted in January.

**The $52,000 was added to the budget last night, placed in the contingency fund from whence midyear raises for municipal employes will be forthcoming, if the Commission decides they are warranted and practicable.**

The $13.27 rate is the lowest since the $13.10 levied in 1949. It was adopted in 1958 to provide tax relief. From 1954 to 1957 the rate had been $13.70.

★ ★ ★

City Manager Walter K. Willman has been confident since April that the $13.27 rate could be continued.

## Press Boat Course Has 251 Graduates

The Pontiac Press Boat Operation Course, conducted by members of the U. S. Coast Guard Auxiliary, came to a triumphant close last night with the presentation of Coast Guard certificates to 251 skippers.

Making a special trip to Pontiac was Lt. Cmdr. Sam Pisicchio, commander of the Coast Guard's Cleveland District.

"I've heard about this class but I had to see it," he said.

**"It is definitely the largest class of its kind in our experience and The Pontiac Press should be commended for sponsoring such a worthwhile venture," the commander asserted.**

He and other officials, including Milton H. Hayes, rear commodore of the Ninth Auxiliary District, handed out the diplomas certifying each graduate completed the U. S. Coast Guard Auxiliary basic small boat seamanship course.

★ ★ ★

There were many father-son combinations and several mother-daughter graduates, as well as some entire families awarded certificates.

Although only 251 took the final exam May 31, there were more than 400 in attendance through the final regular class meeting.

★ ★ ★

The 10-week course, which began March 29, ended on a happy note with a reception for graduates after the awards presentation in the school cafeteria.

## Youth and Girl Die in Traffic

### Orion High Student Is Struck Riding Bicycle to Final Exam

A Lake Orion High School student rushing to take his last final examination and a three-year-old Hazel Park girl were killed in separate traffic accidents Tuesday afternoon.

★ ★ ★

The victims were Stewart D. Gabbard, 16, of 2890 Stoney Creek Rd., Oakland Township, and Connie Henderson of 156 W. Milton St., Hazel Park.

Gabbard was on his way to a 12:45 English examination when he rode his bicycle down a driveway and into the path of a car driven by Herley D. Davis, 63, of 1194 Predmore Rd., Oakland Township.

**Last Year to Date: 29**

**The boy was killed instantly, sheriff's deputies said. Witnesses told deputies that Davis had no chance to avoid the accident. He was released.**

The collision occurred shortly after 12:30 on Orion Road near Stoney Creek road in Oakland Township.

★ ★ ★

The Henderson girl, daughter of Mr. and Mrs. Donald Henderson, died at William Beaumont Hospital 30 minutes after she ran in front of a passing car on Milton street near her home, police said.

The driver, Milton G. Kapolka, 21, of 318 W. Milton St., told Hazel Park police he was driving east when he felt a slight bump and his wife told him he had struck a child.

The girl was an only child.

★ ★ ★

The youth was one of seven children of Mr. and Mrs. Floyd Gabbard.

## Consumers Asks Approval for Rate Increase

Users of natural gas in the Pontiac and Royal Oak areas would probably come under an increase in rates asked for by Consumers Power Co. in Lansing today.

★ ★ ★

The company did not specify any amount in its request to the State Public Service Commission.

The company said the move was prompted by sharp increases in the cost of bulk gas supplies received from the Southwest and in service expenditure rises.

★ ★ ★

A. H. Aymond Jr., chairman of the board, said the amount of the increase needed hinged in part on pipeline company rate cases pending before the Federal Power Commission.

## All Contracts Inked for Bus Service

The city, the company and the union all have signed pacts leading to the restoration of bus service in Pontiac tomorrow.

★ ★ ★

Mayor Philip E. Rowston signed for the city last night after the City Commission unanimously approved a lease agreement with American Transit Corp. to operate its new subsidiary, Pontiac Transit Corp., here.

**D. J. Giacoma, president of American Transit, signed the agreement at City Hall late yesterday morning.**

Yesterday afternoon, Giacoma and John Sytsma, president of Pontiac busmen's Local 1090 (AFL-CIO), signed a two-year contract providing for a 15-cent wage increase over rates paid by the old Pontiac City Lines, Inc.

Twenty-three of the local's 30 drivers and six of its eight mechanics have been hired initially by Pontiac Transit Corp.

**City Manager Walter K. Willman said the city today would buy 1960 license plates for the 15 buses which American Transit is renting from National City Lines, Inc.**

American Transit is also renting National City Lines' garage at Mt. Clemens and Paddock streets.

Because the city has leased the buses, it has to furnish the license plates, Willman said.

But the city doesn't have to pay the heavy weight taxes on the plates—a savings which is part of the lease arrangement.

## Kennedy Sure He'll Win

## R. Reuther, Bentley Tangle

GRAND RAPIDS (AP) — Roy Reuther went to bat for his big brother, United Auto Workers President Walter, last night in an angry face-to face exchange with Rep. Alvin M. Bentley (R-Mich) on the stage of Grand Rapids Civic Auditorium.

The unscheduled hassle at the Michigan AFL-CIO convention capped a night of debate between Republicans and Democrats over state taxes and medical care plans.

★ ★ ★

Sen. Stuart Symington of Missouri, Democratic presidential hopeful, was to address the convention today. The 1,200 unionists gave a foot-stamping reception yesterday to Sen. John F. Kennedy (D-Mass), front runner for the nomination who, last week picked up the endorsement of Gov. Williams and August Scholle, state AFL-CIO president.

**The Massachusetts senator told a news conference that for the first time he was "sure" of winning the nomination. He said his latest survey of delegate support indicated he would get more than 600 delegate votes in the early balloting. It takes 761 to nominate a candidate.**

Roy Reuther accosted Bentley in the nearly empty auditorium after the GOP congressman had finished a debate with State Democratic Chairman Neil Staebler on medical care for the aged.

Bracing Bentley against a table, Reuther demanded he document charges made last week that Williams' endorsement of Kennedy for the presidential nomination was a "payoff."

Bentley contended the governor and Walter Reuther, planned the endorsement to pay Kennedy and his brother, Robert, for bypassing the union leader in a Senate labor-management rackets investigation last year.

The younger Kennedy was chief counsel for the Senate subcommittee.

**"That was cheap political chicanery and you know it," snapped Roy Reuther, who is director of the UAW's Citizenship (political action) Committee.**

"I want you to document those charges," he said, wagging a finger in Bentley's face.

The congressman, candidate for the Republican nomination for the U.S. Senate, listened in stony silence.

"I am not compelled to tell you that, sir, but I will document what I said in due time," Bentley said.

The congressman told a reporter later he would elaborate on his accusations during his campaign.

## Ticket Decline Is Laid to Straley

Morale has dipped in the Pontiac Police Department since Police Chief Herbert W. Straley returned to office five months ago, Police Capt. Donny Ashley asserted before the City Commission last night.

Poor traffic enforcement is one result, he declared.

"Morale is so low that it is impossible for me as a supervisor to enthuse the men to go out and do a good day's work," said Ashley in answer to criticism of law enforcement.

★ ★ ★

"Morale started on an immediate decline after Straley's return and it won't improve until the City Commission takes positive action."

**Ashley said the number of tickets issued for traffic violations had dropped more than 50 per cent since last fall, when George D. Eastman, former public safety director, ordered a new crackdown on moving violations.**

"When morale is low, it's the easiest thing in the world for a police officer not to notice a traffic violation," he observed.

★ ★ ★

The first serious public discussion by the Commission of Straley and the police department in several months was prompted by Commissioner Wesley J. Wood, who questioned statistics in the administration's weekly newsletter.

**The figures showed that Municipal Court had received from the police department only 1,600 traffic and parking tickets in May, compared with 1,985 in April.**

Most serious, Wood noted, was the drop in citations for moving violations from 427 in April to 341 in May.

"Traffic conditions are becoming terrible in Pontiac," Wood said.

**"We are getting a lot of complaints of speeding and loud** (Continued on Page 2, Col. 6)

## Charter Appeal Deadline Near

### Henry Must File Motion Before Supreme Court Adjournment Friday

Time's running out for attorney Milton R. Henry if the State Supreme Court is to hear his appeal of a Circuit Court ruling upholding a two new charter amendments affecting the Police Department.

A spokesman for the court said Henry has not as yet filed a motion to have the justices hear the appeal before they adjourn for the summer this Friday.

**"The next step is up to him," declared Donald F. Winters, court clerk. "The longer he waits the narrower his chances become."**

Henry was not immediately available for comment.

He is seeking to toss out the April 18 citywide vote on the amendments, claiming voters were presented confusing and conflicting questions on the ballot.

**PROTECTING STRALEY**

Henry has made no secret of the fact that he's trying to protect Chief Herbert W. Straley in his job. Should Circuit Judge Frederick C. Ziem's ruling that the amendments were legally adopted be upheld, Straley would be left outside the creation of a new Police Trial Board as set up by one of the amendments.

**Entering into the legal question is the signing of a decree by Circuit Judge William J. Beer that the old Trial Board has not existed since city voters replaced it with civil service in April of 1957; Civil service has since been repealed.**

As it stands today, legally there is no Trial Board — either old (Continued on Page 2, Col. 7)

## Mr. Sun Beams With a Warm Weekend Outlook

The sun peeped over the horizon this morning at cloudless skies with a temperature of 50 degrees. Tonight will be fair and warm; Thursday's forecast is partly cloudy and warmer.

A warming trend will continue in the Pontiac area through Saturday, the weatherman says. Temperatures will average about three to five degrees above the normal high of 77 and normal low of 57. Sunday or Monday will be a little cooler.

**Precipitation for the period will average near one inch in showers and thundershowers beginning Friday night and continuing over the weekend.**

Northeasterly morning winds at four miles an hour will become light easterly at eight to 15 miles Thursday. The thermometer had climbed to 73 degrees at 2 p.m.

# California Vote Fuel for Nixon Fire

## NYC Balloting Jolts Tammany

### Gov. Brown's Total Cut Below VP's by Pension Promoter

By The Associated Press

Primary results from coast to coast offered evidence today of the popularity of Vice President Richard M. Nixon in California and the weakening of Tammany Hall in New York.

Nixon polled more votes on the Republican ballot in Tuesday's California primary than Gov. Edmund G. Brown did on the Democratic ballot. A pension promoter got deeply into Brown's total.

Tammany leader Carmine DeSapio suffered a major setback when reform Democrats defeated some of his followers in New York City.

★ ★ ★

The California and New York primaries came during a busy day of voting. Montana, Idaho, South Dakota, and Mississippi also had primaries Tuesday.

In California, Brown, running as a favorite-son candidate, won control of the state's 81-vote delegation to the Democratic National Convention. But pension promoter George H. McLain received 36 per cent of the Democratic total.

The combined vote of Brown and McLain was greater than the total piled up by Nixon. But the Democratic margin was not as great as the party's 3½ to 2 majority in the state.

★ ★ ★

With 17,678 of the state's 28,783 precincts reporting, Nixon had 668,079 Republican votes, Brown had 627,584 Democratic votes and McLain 291,180.

McLain described his showing as a protest against Brown by "the little people." The governor, however, said he was well satisfied with the results.

Republican leaders hailed Nixon's total, which added 70 votes to his cause at the Republican National Convention in July. The leaders said the results indicated a Nixon landslide in California in November.

★ ★ ★

In New York, DeSapio denied the results were a challenge to his leadership. As head of Tammany Hall, he leads the party in New York City's borough of Manhattan. He also serves as National committeeman.

The primary fights were "local contests," DeSapio said.

But an insurgent leader, Francis W. H. Adams, called on DeSapio to resign as committeeman. Another leader, former Sen. Herbert H. Lehman, said he hoped DeSapio would resign and avoid future battles.

Jumpsville is coming to Pontiac.

A firm headed by John W. Bell, a Pontiac attorney, is asking City Commission approval to locate three outdoor trampoline centers here — each to be known as "Jumpsville."

**Trampolining is an activity that has been sprouting up across the nation.**

Bell calls it "gymnastic exercise."

Participants bounce up and down on a woven nylon net, stretched over a shallow pit encircled at the top by springs.

Trampoliners have devised a number of tricks they perform while bouncing through the air. Bell says there are 52 of them, ranging from simple somersaults to complicated flips.

## Court Upholds Ruling on School Marriages

LANSING, Mich. (AP) — June—traditional month for marriage—is bustin' out all over. But Cupid has flunked a test in the Michigan Supreme Court.

The court, in a 4-4 split Tuesday, refused to upset a ruling of the school board at Mesick, that bans married high school students from extra-curricular activities.

★ ★ ★

The ban is two years old. The two students against whom it was directed have since graduated.

Mesick, a rural community of 359 residents in the northern part of Michigan's lower peninsula, was split when the action was approved by the Wexford County Circuit Court.

★ ★ ★

"Married students need all the extra time available to provide a proper family life," the board ruled in 1958.

Husbands Ronald Cochrane and David Shively, both 18, were barred from playing for the Mesick High School football team. They weren't allowed to play in the school band nor could they escort their wives to a dance or other school affairs during their senior year.

★ ★ ★

Cochrane and Shively married their high school sweethearts with parental consent during the 1958 summer vacation.

★ ★ ★

The board said it issued its ruling to discourage dropouts from school. The same summer Cochrane and Shively wed, 12 other students married. Only three returned to school in the fall.

The board was seeking "to preserve high school education in this community," said Justice Thomas Kavanagh in voting to uphold the ban.

Justice Harry Kelly, who dissented, described the board action as "arbitrary and unreasonable."

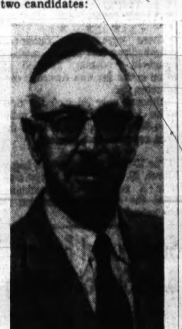
## School Post Seekers Reveal Platforms

The two candidates for the expiring four-year seat on the Pontiac Board of Education are incumbent Glenn H. Griffin, present Board president, and Willie S. Downes, Pontiac Township industrialist.

Any registered voter in the school district can vote in the election from 7 a.m. to 8 p.m. Monday.

Following is a pre-election statement from each of the two candidates:



WILLIE S. DOWNES

"It would be an honor to serve on the school Board of the Pontiac school district. If elected, I would serve dutifully and be fair to all.

**"I believe in the best education for our future generations. But, I also believe in realizing the effect of continued additional taxes on the parents.**

"I did not agree to the proposed increase in tax millage because of the increase in assessed valuation, which I sincerely thought would more than take care of the present budget.

"We find now that the school district could have received even more money had it needed it.

**"So in the coming election, I respectfully solicit the support of those 3,410 people who voted against the extra millage.**

"Also, the rumor that we will not have enough money next year to operate our good schools in the manner we would wish is no false as the previous statements that we have a serious financial shortage this year."

GLENN H. GRIFFIN

"I am running for re-election to the Board of Education because I am interested in our public school system. I have four children in our public schools and as a parent want to see that they receive the best education possible.

★ ★ ★

"With good teamwork between Board and administration, we have made much progress in solving the multitude of problems that public schools face year in and year out.

**"We have been able to improve and expanded the curriculum and employ and keep good teachers and administrators and build schools and classrooms to meet increasing enrollments.**

"We have done this with a reasonable tax rate and without a heavy debt load. During the 11 years I have been on the Board, we have never spread more millage than was necessary to maintain a quality system.

"If re-elected, I pledge to continue to support such a policy regarding finances. I will also continue the policy of building the finest academic curriculum that can be achieved with the amount of tax dollars available.

★ ★ ★

"With the experience of serving for the past 11 years, I feel I am qualified to seek re-election. I will appreciate your support at this forthcoming election for this post."

The original printing of 5,400 copies early this year has been exhausted. The House Tuesday unanimously approved printing of an additional 5,000 copies.

## Suggests 5-Cent Rail Wage Hike

### Ike's Board Offers Recommendation Under Threat of Strike

WASHINGTON (AP) — A presidential emergency board today recommended a five-cent hourly wage increase for 650,000 railroad workers who have threatened strikes against almost every American railroad.

★ ★ ★

The wage rise should take effect July 1, the board advised President Eisenhower. It recommended also that the parties negotiate a "number of improvements" in the rail industry's health and welfare program.

★ ★ ★

The latter benefits, the board said, should take the place of a further general wage increase when contracts with 11 railway labor organizations expire early next year.

**mufflers. Why aren't our policemen catching these offenders?"**

Commissioner Milton R. Henry offered an explanation.

★ ★ ★

"A high-ranking officer told me," Henry said, "that a lot of officers are not enforcing the law because of a certain situation."

This remark prompted the response from Ashley.

The Traffic Violations Bureau listed these figures for the number of citations issued by Pontiac police since the bureau began operations at the beginning of last year:

## The Day in Birmingham

## Report Fails to Aid Probe of Explosion at Kingsley

BIRMINGHAM — A report from state police laboratories at Lansing on the explosion that tore a two-foot hole in the rear wall of Kingsley Inn May 24 has given Bloomfield Hills police very little additional information to work on, it was revealed today.

"The report is not what we were hoping for," Robert Stadler, director of public safety, said.

**"It shows that the most common fuse available was used and that one to three sticks of dynamite caused the explosion."**

He said there was no way of telling if the bombing had been done by a professional or amateur.

There were 200 persons dining in the building when the bomb exploded. No one was hurt.

Three special assessment districts for the 1960 road oiling program have been approved by the City Commission.

Each district will receive a different type of oil application.

**Eighteen streets will receive an application of light oil, 24 streets will get an oil mat and seal coat, and 37 streets will receive seal coat only.**

Property owners receiving the light oil will be assessed 15 cents a front foot; oil mat and seal coat, 52 cents; and seal coat, 22 cents.

★ ★ ★

Homes with side street frontage will be assessed one-fourth of the amount.

In order to provide an opportunity for residents who work out of town to register for the Aug. 2 primary, City Clerk Irene Hanley announced today that the clerk's office will be open two Saturdays prior to the July 5 deadline.

★ ★ ★

The office will be open June 18 and June 25 from 9 a.m. to 4 p.m. On July 5 the office will be open until 8 p.m.

## Deadline Is Friday for Charter Appeal

(Continued From Page One)

or new. A stay issued to Henry by Ziem prohibiting the city from carrying out the court ruling has delayed putting the new Police Trial Board into effect.

**The stay will be washed out Friday with the ending of the June term of the high court — unless Henry pulls a technicality out of the hat. Technically, Winters said, the June term lasts through the summer until the day before the next, or October term of the court commences.**

Ziem stipulated that the stay lasts only as long as the June term.

An appeal also might be made of Judge Beer's ruling, which could keep alive the question of the existence — or non-existence as the judge sees it — of the old Trial Board.

This would be especially important should the Supreme Court uphold Henry, thus tossing out the creation through the public vote of the new board.

"If Henry wins his appeal," said Straley's attorney Clarence L. Smith, "then that makes Judge Beer's decision important, because if it were left to stand that would mean there would be no trial board for anybody."

**If Henry loses his appeal, Smith said, there wouldn't be much point in appealing Beer's ruling.**

Smith said he has 20 days in which to first file a motion for a new trial, a customary legal maneuver before an appeal is made.

## Convicted of Refusal to Serve a Negro

LANSING (AP) — The supervisor of a health and reducing studio has been convicted by an all-white Municipal Court jury of violating Michigan's antidiscrimination law by refusing service to a Negro woman.

Specifically, the prosecution alleged William Hubner of Flint, regional supervisor for Slender Form Figure Studios, declined to honor a coupon for free health treatments presented by Mrs. Ernestine Merritt.

The jury of three men and three women deliberated about 30 minutes at the end of a six-hour trial before returning its verdict yesterday.

Judge Charles Murphy sentenced Hubner to pay a minimum fine and costs of $129.60. The defend- and attorney asked a stay, presumably for a possible appeal, and Hubner was released on $100 bond.

## All Contracts Signed for City Bus Service

(Continued From Page One)

**were being distributed from three buses parked in the downtown area.**

The operation covers all major routes formerly followed by Pontiac City Lines and provides basically the same service, Willman said.

The first bus out tomorrow will leave the downtown area on Oakland avenue at 5 a.m. Later buses will be following schedules similar to those established by Pontiac City Lines.

The new manager of Pontiac Transit Corp. is scheduled to arrive in Pontiac by tomorrow.

He is James Kestufskie, an American Transit Corp. employe 10 years, who recently has been managing the corporation's Paducah, Ky., subsidiary.

**Many compaany officials have been on hand at the Mt. Clemens street garage to oversee the birth of the new bus company.**

Besides Giacoma, the company president, those present have included his brother P. J. Giacoma, vice president; Donald Killam, regional representative, and officials of Great Lakes Transit Corp., the Pontiac-Detroit suburban line also run by American Transit.

The City Commission is scheduled to meet informally Monday night to discuss, among other topics, how the city will meet demands for additional or "fringe" bus service.

★ ★ ★

Willman indicated he will recommend a cautious approach to any demand, since under the lease agreement, Pontiac Transit is required to provide fringe service only if the city is willing to subsidize any loss.

Commissioner John A. Dugan, however, was enthusiastic about exploring the possibility of more service.

**"I've had public requests for more service in my district (District 5) for years, but Pontiac City Lines was never willing to give new routes a try," he noted.**

Terms of the drivers' contract were disclosed by both the company and the union.

The 15-cent increase will come in three six-month increments, beginning six months from now.

**WILL REMAIN AT $1.73**

For the first six months, the drivers will continue making the $1.72-an-hour they got from Pontiac City Lines.

Buses disappeared from Pontiac streets last Dec. 5 when the union went on strike for a new contract containing wage increases.

**It asked a 23-cent-an-hour boost in wages and benefits.**

National City Lines pulled out its Pontiac affiliate in April, blaming the long strike and poor financial conditions generally.

The Mayor's 14-member bus committee recommended last month that American Transit Corp. be given the Pontiac franchise under a lease agreement.

## 25,000 Aliens Leave Michigan During '59

DETROIT (AP)—More than 25,000 aliens left Michigan during 1959, Walter A. Sahli, district director of the U.S. immigration and Naturalization Service, said Tuesday.

Total alien registration this year is 141,719 as against 167,920 last year, Sahli said in a report.

The alien population decreased more in Michigan than in any other state. Sahli said the next largest decrease was 10,000 in Ohio.

At the same time there was a gain of 2,090 aliens from Russia coming to Michigan and 342 from Mexico, Sahli said.

A majority of those leaving Michigan were from the United Kingdom, Germany, Italy, Poland and Canada.

System Infuriates Yankus and Shinaberry

## Farmers to Vote on Wheat Acre Quotas

LANSING (UPI)—The wheat acreage quota system, that controversial issue that drove one Michigan farmer to Australia and another to put his farm on the auction block, comes up for a vote again July 21.

Farmers were expected to vote simply yes or no on whether to market the 1961 crop under the quota system.

**Ed Lunde, in charge of wheat production adjustment for the Michigan section of the Agricultural Stabalization and Conservation Department, said publicity had caused more farmers to go against the controls in a similar election last year.**

Stanley Yankus, Dowagiac chicken farmer, drew nationwide attention by refusing to pay penalties for overquota wheat he grew to feed his flock.

Yankus eventually moved to Australia.

Ralph Shinaberry, Hillsdale, was saved from loss of his farm by neighbors who bought a tiny portion of it at a public auction called because Shinaberry refused to pay taxes, claiming wheat controls meant the farm "doesn't belong to me."

**54.3 OKAY CONTROLS**

Lunde said 54.3 per cent of Michigan farmers who voted in the election last year favored continuation of the controls into 1960.

But there were 71 per cent of farmer for controls the year before—prior to the uproar over Yankus' refusal to take any part at all in the program, though he could have avoided all this trouble by simply signing an agreement that he would use all excess wheat for feed.

**Shinaberry was about an acre over his quota, but the government refused to accept the wheat —which he saved—instead of a $916.92 fine.**

A two-thirds vote of wheat farmers throughout the nation is needed to put the controls into effect, but big producers in the wheat belt states have always provided a margin enough to keep the controls in effect since they were started in 1954.

Lunde said there were less than 100 Michigan violators of the quota last year, but the possibility of more violators loomed if Congress lowers the minimum quota for 1961, as it was contemplating.

**One previous reduction in acreage quotas resulted in a sudden jump in the number of farmers caught growing over the quota.**

"Farmers will be notified of their allotment and the price support level before the referendum," Lunde said.

One plan which had wide support in the Congress called for higher price supports but a reduction from 15 to 12 acres on the allowable planting of wheat.

Allowable acreage is determined by a complicated formula involving the number of acres planted the previous year.

Therefore, big wheat farmers want the quota system to take maximum advantage of high supports, while the small farmers can be limited sharply in their operation by quotas.

# People Quitting New York City

## Count Shows 200,000 Moved to Suburbs in Past Ten Years

NEW YORK (UPI)—The nation's largest city has lost more than 200,000 people to the suburbs in the last 10 years, an incomplete census report discloses.

Figures released by the regional office of the U.S. Census Bureau listed the population of the city's five boroughs at 7,650,000, compared with 7,891,957 in 1950.

The biggest flight was from Manhattan, which lost at least 250,000 in the last decade.

**Brooklyn's population dwindled by about 150,000; the Bronx lost about 50,000; and Richmond (Staten Island) has about 30,000 fewer people than in 1950.**

Queen's, the city's fifth borough, showed an expansion of about 250,000 because of intensive apartment house construction in recent years.

Regional Census Director Arthur F. Young said that the complete tally, expected by the end of this month, might add 50,000 to New York's total.

★ ★ ★

Young placed the population of the New York metropolitan area at 14,586,519 compared with 12,911,994 in 1950.

The greatest increase in population occured in Nassau and Suffolk counties in Long Island. Nassau leaped from 672,765 in 1950 to 1,292,517. Suffolk expanded from 276,129 to 528,736.

★ ★ ★

Westchester County to the north increased from 625,816 to 806,383 and Rockland County went up from 89,276 to 135,965.

The final census tally could dent New York City a severe financial blow.

**The state pays the city $6.75 for each person living in the city as state aid to city government. Based on the 200,000 decrease, the city would lose $1,350,000 annually.**

New York City obtained a special census in 1957 in an effort to get more aid on the basis of an anticipated increase in population.

Instead, the census showed a drop to 7,795,471, and today's figures indicate a continuing movement to the suburban areas.

## But He Was Cool

# How Dry They Were!

NEW YORK (AP)—Paul Wilkinson, 24, a refrigerator repairman who knows his beer drinkers, used his knowledge to save his life.

He walked into the basement beer cooler of a lower East Side tavern.

"I turned around," he said, "and saw the refrigerator was closed. There was no handle. I pounded on the door and yelled."

The quaffers heard nothing.

"I reached up and closed all the valves shutting off the beer supply to the bar upstairs," he said.

The bar manager went to the basement to check the beer supply and there found Wilkins unconscious and cold as a stone.

After a trip to a hospital, and a quick beer with the cheering customers, Wilkinson went back to the cooler to finish the job.

He propped the door open.

# Probe Into FDA Ready to Start

## To Get Under Way With Testimony in Senate's Drug Hearings

WASHINGTON (AP)—A special investigating unit will start a probe this week into alleged wrongdoing in the Food and Drug Administration, Secretary of Welfare Arthur S. Flemming said today.

★ ★ ★

He told reporters the starting point will be testimony in the Senate drug hearings alleging that some FDA officials have been too friendly with he drug manufacturers they are supposed to police.

Flemming said a lawyer, a doctor and a trained investigator will head the unit.

His statements followed the windup Monday of Senate Antitrust and Monopoly subcommittee hearings on the financial affairs of Dr. Henry Welch.

Flemming ousted Welch on May 18 as director of the FDA antibiotics division. Evidence was produced in the hearings that Welch received $287,142 since 1953 from medical journal publishing ventures which did business with firms policed by Welch's division.

Flemming testified that the investigative unit will look into allegations from "any responsible source reflecting on the integrity of (FDA) employe actions."

★ ★ ★

He told newsmen he was deeply disturbed by testimony Thursday of Dr. Barbara Moulton, a former FDA official, that some of her former colleagues were far too friendly with drug manufacturers. She said this had resulted in some unsafe drugs going on the market.

## Chavez Pegs Subcommittee

# Says Senators to Add $500 Million for Defense

WASHINGTON (AP) — Sen. Dennis Chavez (D-NM) said today he expects the Senate Defense Funds subcommittee to add another half billion dollars or more to the annual military money bill.

Chavez is chairman of the subcommittee, which Tuesday added more than 600 million dollars to the bill already passed by the House. Further additions of the size he predicted would put the total more than a billion dollars above the amount President Eisenhower asked for the fiscal year which starts July 1.

* * *

Chavez predicted in an interview the subcommittee would:

1. Add 294 million dollars for production of Bomarc antiaircraft missiles eliminated by the House when it passed the bill.

2. Provide 285 million dollars additional for development of the supersonic B70 weapons system which the House and administration limited to 70 million for two prototypes.

3. Approve part of the House increases of 250 million for quick expansion of the military airlift and 207 million for modernization of the Army.

**DISCOUNTS NIKITA'S NOISE**

Chavez discounted any idea that recent rocket rattling and tough talk by Premier Nikita Khrushchev and other Soviet spokesmen had caused support for bigger defense spending.

The Senate group reinstated 293 million to build a large attack carrier which had been eliminated by the House.

It also restored another 400 million cut out by the House through an order to reduce all procurement of missiles, aircraft, submarines and other military hardware by 3 per cent.

Both changes had been asked by the Pentagon.

The Senate group accepted House increases of 241 million to build additional Polaris ballistic missile submarines and 105 million to prevent 10 per cent manpower reductions in the Army's National Guard and reserve forces.

These were opposed by the administration.

Austria, Switzerland and West Germany are developing upper stretches of the Rhine River to increase shipping from landlocked central Europe to the open seas.

# State Still Has Chance to Cut Road Death Toll

LANSING (AP) — Michigan has a fighting chance to cut its road death toll this year although the count is currently running ahead of 1959, the State Safety Commission reports.

The provisional death toll through June 5 stood at 533—or 24 more than the figure at the same date last year.

**However, the commission expressed optimism at its meeting Tuesday after studying state police figures which indicated the high fatality trend during the winter months is being reversed as the year advances.**

The Commission noted that the 18 deaths recorded during the Memorial Day weekend were two less than the last three-day Memorial holiday in 1956, even though traffic has increased substantially since then.

**FEW COMPACTS SEEN**

A report on the number of compact cars appearing on the road from September through April was received from the Highway Department. Of 848,000 cars checked at 23 counting stations, only 39,000—or 4.6 per cent—were of the compact type. The number of compacts appearing in rural and suburban areas was approximately the same.

**Members of the Michigan Youth Commission cited the state's driver education program as making a real contribution in reducing reckless driving among young persons.**

Lynn M. Bartlett, superintendent of public instruction, reported that most of the state's school children will be on vacation by mid-June and urged motorists to keep a sharp lookout for the youngsters.

## Lear Given Contracts for Gyroscope Systems

GRAND RAPIDS (UPI) — Lear, Inc., has received letter contracts totaling $8.2 million dollars — for gyroscopic indicating systems for the Air Force, it was announced Tuesday.

**A. G. Handschumacher, president, said 3.2 million dollars of the contracts is now funded and the remaining 5 million dollars is expected within 60 days.**

The contracts are for master altitude reference systems to be used in jet aircraft. The firm has previously supplied the Air Force with more than 30,000 similar gyro systems in the past decade, Handschumacher said.

## The U. S. Could Help Quake Stricken Chile

We observed an unusually thoughtful and constructive editorial in The Washington *Daily News* in regard to the current disaster in Chile. The PRESS reproduces it herewith in part:

"Dear Mr. President:

"Chile is suffering a great catastrophe. Thousands have died in earthquakes and thousands more will die from injuries, hunger and exposure.

★ ★ ★

**"Conservatively, about 10,000 persons are homeless. Some estimate 50,000. Seasons are the reverse and winter is setting in there. The Red Cross is doing its utmost, but it has no plenary powers to cut red tape and order all facilities available to the U.S. to be put to use in this emergency.**

★ ★ ★

"You have already sent our military planes and helicopters to deliver emergency rations and medical supplies. Twenty-four cargo planes began transporting two Army field hospitals with 420 doctors and nurses, from the United States to Chile. After the hot coffee and the inoculations, after the emergency rations and field medical care, thousands of Chileans will face a bitter winter, roofless in an area sparse of extra living space, and with their means of livelihood smashed.

★ ★ ★

**"Mr. President, you have already exercised your powers as Commander-in-Chief to help our friends in Chile. As Commander-in-Chief, you can, we believe, do even more. Our military forces have in storage vast quantities of blankets, tents and rations. The Agriculture Department has enormous quantities of surplus food.**

★ ★ ★

"The Navy has ships.

"Supplies held by various Government bureaus could be loaded, for instance, on fast flattops, if you just pass the word, as Commander-in-Chief. By off-loading the planes, a big cargo of much-needed material could be taken to Valparaiso, or perhaps even to Puerto Montt, which is closer to the disaster area.

★ ★ ★

**"This is the kind of help that will be most needed in the winter months ahead, and it is the kind of help that only the United States is equipped to give promptly. Chile knows the United States is her good neighbor, just as we know that Chile is ours.**

★ ★ ★

"However, the United States has been the target of an incessant propaganda all over South America. Millions of persons there believe that our country is indifferent to their human needs. Many believe that greed alone motivates our actions.

★ ★ ★

**"In getting all possible aid to Chile as quickly as we can, your actions will speak as loudly as your words, and will refute the slanders carefully spread by those who would destroy the good will and the solidarity of the Americas."**

## Votes Often Influence Politicians' Remarks

When you're running for office, oftentimes an honest appraisal is not forthcoming when it could easily involve votes.

**Take, for example, former President Harry S. Truman and recall his many tirades and blasts against any and all Republicans. Old Harry was out garnering up votes.**

★ ★ ★

Now he shoots straight from the shoulder on matters like the criticism of General EISENHOWER's military ability by two British generals. TRUMAN declared it was nothing but professional jealousy.

**He was referring to the smear remarks in the memoirs of Field Marshals Montgomery and Alanbrooke. Truman pointed out that "It was a hard pill for some British generals to swallow to have an American general put in complete command of the Allied forces."**

★ ★ ★

Our former President added: "They probably thought there was no military talent in the United States on a level with their own. They were mistaken, but I have an idea some of them are going to keep talking about it for a long, long time."

**In a signed article in Look magazine Truman, often critical of Eisenhower in other respects, noted that he expressed his own judgment of Eisenhower's military and diplomatic abilities when he appointed him Chief of Staff and recalled him to organize the North Atlantic Treaty Organization.**

★ ★ ★

These kind words are all very nice about President EISENHOWER now, but it should be remembered that at the time IKE was not an announced Republican. Also, TRUMAN is not seeking a Democratic vote to some public office.

The only way to solve any problem in which human emotions are involved would be to stamp out people.

### Deer and Other Wild Life Increase With Population

**Commencement: A word of which the graduate learns the meaning soon after.**

The population growth of the Pontiac area is reflected in the increase in our wild life. The number of deer in Oakland County shows a continual growth.

Reporting from near the Drahner Woods sanctuary in the northeast part of the county,

**Jasper Ormond**

says deer are "more plentiful than cows and almost as tame" in the vicinity of his home.

On the other side of the county, at Kent Lake Park, near Milford, according to Superintendent

**David Laidlaw,**

the deer herd has undoubtedly passed the 100 mark.

In the Webber Woods district near Holly,

**Jack Volks**

says that at least two pairs of deer are raising families.

And even in the thickly settled portions of Bloomfield Hills,

**Orson Rosso**

states that deer are frequently seen dodging the cars on Woodward Ave.

Partridge, grouse and quail are on the increase. Raccoons are numerous, opossums are frequently seen, and porcupines are coming down from the north.

All of this only bears out what that champion of all conservationists,

**P. J. Hoffmaster,**

told me many times: "All wild life likes to be near human life, as close as safely possible."

In connection with the current graduation at

**West Point Military Academy**

it is pointed out that since 1871 only four of the class leaders won their general stars. One of them is Brigadier General

**Frederick S. Strong Jr.,**

of our Orchard Lake, who was a member of the Class of 1910. He is now in West Point for the graduation exercises.

**This column again is anxious to learn of high school graduates with 12 years of perfect school attendance.**

According to a letter from

**Dr. L. A. Farnham,**

all of this Russian bunk can be summed up in what

**Rudyard Kipling**

wrote nearly 100 years ago, when he asserted that a Russian is a delightful person until he tucks in his shirt.

First Oakland County farmer to harvest a 1960 crop appears to be

**Harcourt Fellows**

of White Lake, who has made his first cutting of alfalfa.

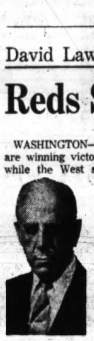
## David Lawrence Says:

# Reds Snipe at U.S. Prestige, Safety

WASHINGTON—The Communists are winning victory after victory, while the West seems to be retreating.



LAWRENCE

The Communists have forced a crisis in Japan and are intent on preventing President Eisenhower from visiting there. Success in keeping Eisenhower from going to Tokyo will be followed by intensified efforts also to keep him out of the Philippines and Korea.

Thus, the propaganda battle to hurt the standing of the United States in the Far East goes on even as the Communists have virtually seized control of the government of Cuba—right at the doorstep of the United States.

The invasion of Cuba is the first step toward further takeovers in Latin America.

**Without firing a shot, the Communists are making headway in countries hitherto regarded as the military frontier of the West.**

Already in America there are suggestions that President Eisenhower had better not go to the Far East. This is exactly what the Communists want to see happen. An American president, officially invited to visit Allied countries, would then appear, in effect, to be forbidden by Communist activity from carrying out his mission.

The adverse effect of such a happening would, from a propaganda standpoint, be a serious blow to American prestige throughout the world.

**MOST WITHIN 2 MONTHS**

Much of this decline has happened within the last two months. Korea has become weaker. Turkey has had a serious internal upset. Japan is torn by strife, with the Communists demonstrating openly against the government because it signed a security treaty permitting the United States to have a base there to fight Communist aggression.

**All this has a military significance. By suspending U2 flights, the United States has lost an important activity.**

Official Washington, too, presents a sorry picture. The Senate Foreign Relations Committee has been meddling in the operation of foreign policy, which is not its constitutional function. Some curious statements, moreover, have been made by some of its members about the U2 episode.

**SILLY SUGGESTION**

One of the most fantastic is the suggestion that the high officials of our government should have publicly lied throughout on the U2 flights or should have said nothing at all. But the same members of Congress who offer this hindsight would have been the first to demand testimony from high officials as to what exactly did happen.

If the high officials didn't tell the truth to the committee, they would have been guilty of perjury.

**If they refused to discuss it at all, the facts would have been obtained by the committee from lesser officials and the press would have been printing it day after day until confirmation had been obtained.**

Under the circumstances, the administration had no choice but to tell the truth about the affair as soon as it became definitely established that Francis Powers had been captured and was alive. For it was immediately recognized that he would have been pressured into revealing enough facts to convict the American government of telling untruths if it had decided to pursue a policy of evasion.

★ ★ ★

A showdown seems to be approaching. How long can the United States continue to appear in retreat? How long can U2 flights be suspended while the Soviets carry on espionage and an infiltration that weakens America's military position against the Communists?

A test may come in Cuba. Nikita Khrushchev is going there soon. If President Eisenhower is kept from visiting Japan, then the Soviet Premier should be discouraged from visiting Cuba.

## The Country Parson

**"The church will never accomplish what it should with members who do what they shouldn't."**

## Dr. William Brady Says:

# *Overuse of Aspirin Can Lead You to Addiction*

Mrs. L. P. W. who told us here recently how, with the help of a hospital and a "nerve specialist" (whatever that may be), she acquired the dope habit—she changed periodically or as availability necessitated from meprobamate (tranquilizer) to barbiturate (sedative), even tried morphine, but it sickened her, finally broke away from all dope, with the help of her hometown doctor, although only after several weeks of spasms and panic.

DR. BRADY

Mrs. L.P.W. hoped I would warn people against the seductive tranquilizers. Such dope (Mrs. L.P.W.'s word) may drag one down from Elm Street to Skid Row.

Probably most tranquilizer users who happen to read this item will snort contemptuously at the suggestion. They'll reject the teaching as irrational. Like persons training for alcoholism, they resent candid recognition of the habit.

**I mentioned aspirin. Not that aspirin can be called dope, but on the other hand it is not the harmless cure-all that many aspirin eaters are led to believe. Occasionally five to 10 grains of aspirin produces nausea, heartburn, feelings of weakness, collapse, angioneurotic swellings of face and throat, skin rashes, giant hives and, rarely, death.**

In my 10-page pamphlet Why Have Headache (for a free copy send me a stamped, self-addressed envelope) I say: "The least objectionable drug to dull the pain is acetyl-salicylic acid (commonly known as aspirin . . . dangerous for anyone to take aspirin and go about his ordinary activities." I mean that one should remain at rest for at least half an hour after a dose of aspirin, for safety's sake and for the most effective action of the medicine.

I remember how grateful I was for the temporary relief of the crying pain of shoulder bursitis I obtained from 10 grains of aspirin. I have been astonished to see tremendous relief a patient with carbuncle got from five or 10 grains of aspirin.

I believe I'd become an aspirin eater if I were afflicted with the rheumatiz.

**But please understand clearly: aspirin doesn't cure anything. It merely dulls pain, lessens consciousness of fatigue, anxiety or weakness for a while.**

Cultivating the habit of taking aspirin for every discomfort or minor ailment differs only in degree from cultivating the habit of taking alcohol, tranquilizer, barbiturate or narcotic.

From the aspirin habit it is an easy step to these other drug habits.

## Case Records of a Psychologist:

# Dreams Do Have Basic Meaning

*Lois wants to know what her apparently bizarre dream indicates. Was it just a weird combination of unrelated mental images? Or does it have some basic scientific value? Scrapbook this case and the follow-up tomorrow if you are interested in dream interpretation and Dr. Freud's emphasis on sex symbolism in dreams.*

**By DR. GEORGE W. CRANE**

CASE E-481: Lois L., aged 16, is an attractive high schooler.

"Dr. Crane, do modern psychologists believe in dreams?" she asked during a forum at her big high school.

"For example, last night I dreamed I was shipwrecked in the South Seas. But I didn't drown. Instead, I swam until the waves carried me upon a wide beach of what appeared to be an island.

CRANE

"Everything seemed beautiful and the weather was like summer. I wondered if the island was inhabited.

"Suddenly, some savages rushed out of the trees and started chasing me.

★ ★ ★

"I was frightened and ran as fast as I could, but they chased me and kept hurling spears at me.

**"The leader, who was a handsome, bronze-colored young man, finally almost overtook me. His spear hit me and I wondered if I would die.**

"But it didn't seem to hurt—and then I woke up. Dr. Crane, what causes such weird dreams?"

**DREAM PSYCHOLOGY**

Dreams used to be regarded as prophetic. You Bible scholars will thus remember how Joseph interpreted Pharoah's famous dreams about the forthcoming big harvests that were to be followed by famine.

★ ★ ★

The ancient oracles and wise men devoted a great deal of time to dreams.

But scientists in the last century finally discarded dreams, much as hypnosis was ridiculed by scientists till recently.

**Then Dr. Freud launched his theories of psychoanalysis in 1891 and restored dreams to a scientific status, saying they often furnished valuable data about subconscious hatreds and complexes, fears and secret desires.**

"Yes, Dr. Crane," you may exclaim, "but didn't Dr. Freud say all dreams deal with repressed sexual urges?"

No, Dr. Freud did not hold such a narrow view.

★ ★ ★

He recognized that a thirsty man in the Sahara would be far more likely to dream about cold springs of water than bathing beauties!

**Moreover, a starving man dreams of that which will satisfy his basic hunger, namely, Thanksgiving banquets, hamburgers, etc.**

In like manner, if you kick off the bed covers on a cold night and a frigid breeze strikes your feet, you will be likely to dream about walking on snow or ice in your bare feet as you vainly seek warmth.

**SEX DREAMS**

But Dr. Freud realized that most people go to bed with plenty of food and liquid in their system. And they have well heated homes.

**So what are likely to be the basic, unsatisfied cravings of modern Americans?**

Romance: Indeed, young folks go on a date and the girl may kiss her escort goodnight at 2 a.m.

Her erotic appetite is vaguely

stimulated. So she climbs into bed with no craving for hamburgers or iced drinks but with a natural urge for more affection.

**If, however, she has been reared in a proper, religious home where crass sexual affairs are taboo prior to marriage, she does not even let herself think about such blunt matters, but they appear in disguised form.**

See tomorrow's case for a fuller account of sex symbolism in dreams.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 6c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

## *Post Office Discontinued Grand Trunk Mail Service*

Pontiac's Postmaster has sent box holders a notice stating mails will be a little later "due to the discontinuance of Grand Trunk service through Pontiac, and the establishment of star routes."

★ ★ ★

**This states or implies the Grand Trunk has discontinued service through Pontiac which is not a fact. We still handle mail on trains 14 and 6 out of Chicago, but the Post Office Department has directed it be sent to Flint, from which point it will be moved by truck to Pontiac.**

★ ★ ★

The Post Office has canceled all mail on our Detroit division trains, but this was entirely its decision. The Postmaster's notice should have read: "Due to the post office discontinuing use of Grand Trunk services, etc., etc." Then it would have stated the facts correctly.

## 'We'll Even Give You the Missing Pieces'

I can't help but wonder how the fifty dollars worth of clothes fit the person who took them from a laundromat over the holiday weekend.

The lady's clothes which they got were purchased in a tall shop. The little girl's pajamas had the name Joy spelled out in gold letters across the front. She doesn't have any pajamas to wear and neither do I.

Do these people think they have a right to the clothes my husband and I worked so hard to buy? If they can't put them back where they got them, I wish they'd contact me so I can give them the missing parts. I have no use for them.

## Tenure Doesn't Guarantee Best Teachers

The purpose of our Avondale Schools is to provide the best possible education for our children. To do this we need competent, qualified teachers using up-to-date materials in adequate classrooms.

★ ★ ★

**Teacher tenure does not assure any of these things. No scientific study has ever proved that the adoption of tenure improved education in a district. It does guarantee a position to the below average as well as dedicated teacher.**

Contrary to statements that tenure costs nothing, thousands of dollars have been spent on legal fees when trying to dismiss an unsatisfactory tenure teacher.

★ ★ ★

**The law states no specific reasons for dismissal of a teacher. It takes final control of the school staff from the local voter-elected school board and gives it to the three men on the State Tenure Commission in Lansing. The law can force a school system to employ an indifferent teacher, but does nothing to keep our better teachers here if they wish to accept a position elsewhere.**

Let's keep concern for our children's education foremost in our minds. Let's reject the teacher tenure proposal, which would guarantee job security to all teachers regardless of effort or results shown.

# Present $500 for Park

The Pontiac Area Junior Chamber of Commerce has presented more funds to the city for improvements at Jaycee Park, the recreation area which Jaycees have sponsored five years at Joslyn avenue and West Walton boulevard.

DRIVE DIRECTOR — Albert Hermann smiles at his Washington office as he is named Republican campaign director for the GOP National Committee. He is a native of Milltown, N. J. His present position, that of executive director of the national committee, has been abolished.

**The latest check — for $500 — was presented by Norman O'Brien Jr., Jaycee president, to David R. Ewalt, parks and recreation director.**

The gift brings the total Jaycee contribution up to $7,500 over the years.

O'Brien said the money came from such Jaycee projects as the Home Improvement Show.

The Pontiac Area Junior Chamber of Commerce is one of several service and civic organizations cooperating with the Department of Parks & Recreation on park improvements.

Under the cooperative arrangement, the city matches the contributions.

High Stocks on Hand Will Lower Prices

# Fall Will Be a Car Hunter's Ball

By JACK VANDENEERG
UPI Automotive Editor

DETROIT (UPI)—Bargain hunters may have a ball in the automobile market this year.

With the annual model cleanup period rapidly approaching, dealer stocks of unsold new cars are still climbing and it now appears virtually impossible to avoid a last minute surge of bargain sales.

**Automotive News estimates dealer stocks at the end of May were about 1,050,000 domestic cars with another 100,000 imports waiting for buyers. And inventories were still climbing.**

Dealers throughout the country say getting rid of this surplus before the 1961 model cars are introduced is going to require one of the most, if not the most, aggressive selling campaigns in history.

**NO DESPERATION YET**

So far cars have been selling well enough to avoid any desperate discounting or over-allowances on trade-ins. But with no indication of inventories dropping, dealers feel they will soon have to start discounting.

In addition to the bulky inventories, an earlier-than-usual introduction date for most of the 1961 models was expected to cause some cleanup trouble.

**With the National Automobile Show scheduled to open Oct. 15 in Detroit, all of the companies are up against an inflexible deadline for introducing their new models if they want them shown at the NAS.**

Because of this, some models were expected to appear in dealer showrooms as early as Sept. 15.

In the past, the companies have occasionally postponed introduction of new models several weeks when it appeared dealers would have trouble cleaning out their stocks of the previous year's models.

But with the date of the National Auto Show set and all companies eager to display their models at the show, these delays won't be possible this year.

★ ★ ★

Another factor bothering the dealers this year is the sluggishness of the used car market. With the new American compacts driving the prices of used cars down, many dealers have their storage space loaded with second-hand vehicles and they are hesitant about paying premium prices for more of them in order to sell new cars.

**Advance publicity on the "luxury compacts" to be introduced by Buick, Oldsmobile, Dodge and Pontiac also may make some persons who normally would buy during the cleanup period wait until they have a chance to look at the new offerings.**

All of this makes the fall buying prospects appear rosy for bargain hunting prospective buyers.

But there are some decided disadvantages to waiting until the last minute, too.

**BEST SOLD FIRST**

The most sought-after types of cars are always sold out first and the latecomers may find they will be unable to get exactly the car they want, despite the large supply.

**Body styles, colors, interior trim combinations and accessories desired may not be available and the bargain hunter will have to take his choice from what is on hand.**

And, the car bought in the fall is soon a year old and its market value will drop as soon as the new models come out. Those who bought their cars during the summer months will have the use of them for several months before the bargain hunter gets his but a year later both will be worth substantially the same amount on the used car market.

For those who like to look for "deals," however, it should be more fun than a bargain basement.

## Record Companies Accused of Payola

WSHINGTON (AP) — The Federal Trade Commission Tuesday accused 11 more firms in the recording industry of giving illegal payola to get their records broadcast.

★ ★ ★

The complaints were directed at:

Sue Records, Inc., Fiesta Record Co., Inc., Scepter Music, Inc., Rank Records of America, Inc., and Old Town Record Corp., all of New York City; Mangold Distributing Co., and Marshall Enterprises, Inc., of Baltimore; Hitt Record Distributing Co. of Cincinnati; S & S Distributing Co., Detroit, Peacock Record Co., Inc., Houston, and Apex Producing Corp., Chicago.

★ ★ ★

The companies have 30 days in which to file answers to the complaints.

## Frees Girl, 18, Who Graduated While in Prison

MIAMI, Fla. (AP)—A girl who ransacked 20 homes to get a trousseau before marrying her soldier sweetheart has been placed on probation.

Donna Jean Dreaskell Dickinson 18, was arrested last Dec. 1 and sent to the women's prison at Lowell, where she completed her high school education and was graduated with honors.

★ ★ ★

"Unless you did a little time," criminal court judge Ben C. Willard told her Tuesday. "I could see you were well on your way to other troubles and even a longer stay in jail."

Willard suspended her sentence on a day to day basis so she could join her soldier husband.

## He Shirks 'Debt' to Society

# Beware the Shifty Noncharger!

By PHYLLIS BATTELLE

NEW YORK—If don't live on credit these days, you are socially and economically suspect.

Paying for purchases in cash or by check may sound like a grand idea—help you keep track of your salary, and all that—but it simply isn't being done.

**"If you don't say "charge it" at a store, saleswomen take on the expression of skepticism native to hotel clerks registering couples without baggage. And if you do not present a credit card in a good restaurant, you are merely tolerated, not fawned upon.**

To cash a check, or get a bank loan, your path is eased in direct ratio to the number of credit cards and charge-a-plates in your possession. Nobody is nosy enough to inquire if you PAY your bills; the mere fact that you owe money regularly to a number of recognized institutions makes you a solid citizen.

★ ★ ★

I discovered this truth shortly after arriving in New York in 1947. Needing a place to bed down, I applied for an apartment even before setting up charge accounts all along Fifth Avenue.

**The renting agent received recommendations and character references from several sources. My office assured him I was employed, reliable and adequately salaried to support this overpriced apartment and purchase the necessary mousetraps to improve it.**

But in the long run, respectability and a steady income could not overcome the onerous fact that I had no credit rating. I didn't owe anybody anything.

**'CORRECTED' ERROR**

I quickly made up for this humiliating oversight.

Now when it comes to Fifth Avenue shops, you name it, I owe it.

Don't know where my money goes now. But I can go anywhere and be accepted.

★ ★ ★

The apartment situation in New York still is rough.

If you can afford $500 and up a month, the new building owners are likely to accept you as a tenant, no questions asked. However, to get a nice locale where you can hang your hat without hanging the cost, you often need not only credit references but excellent social notices.

**Witness a couple of dear friends of ours, recently married, who applied for a larger apartment in the house where the bride has lived for four years.**

"As a matter of routine," the rental authorities insisted on character references—though the groom is a solid, well-salaried businessman, and the bride is not only a prompt rentpayer and career girl, but a life member of the social register.

★ ★ ★

Embarrassed and amused at this nonsensical "routine," the couple sent notes to friends and prospective reference-givers. "To save you the trouble of writing," they urged, "just sign your name to the enclosed reference and send it on."

Our letter of reference, hereby happily forwarded, reads:

"Gentlemen: You wrote asking about R. Leigh Smith's desirability as a prospective tenant and I must say that I was shocked, for I thought he had better finances and taste than to want to live in the kind of dwelling for which he has apparently applied.

**"These buildings have impressed me as being far below what I have always considered Mr. Smith's station in life.**

"Would you be so good, old boy, as to send me a dossier on your management personnel up there? If Smith thinks the place passes muster, I suppose it might be all right. But I would like to make a complete check, myself, particularly of your management's social references, so we can make our own evaluation of whether to continue to associate with him.

★ ★ ★

"Can't be too careful these days, can you?

Sincerely . . ."

## Cherry Fly Spray Should Start Soon

EAST LANSING (UPI)—Spraying should be started to combat the cherry fruit fly this month, Alfred Dowdy, extension entomologist at Michigan State University, warned farmers today.

He said the fly has emerged in southern Michigan orchards.

**Farmers in Allegan County and those south of a line from the northern boundary of Van Buren County to the northern boundary of Wayne County should start spraying by Friday, he said.**

The first spray should be on by Monday in an area south of a line between the northern boundaries of Oceana and Bay counties.

Growers north of the Oceana-Bay line should start about June 17-21, Dowdy said.

## City Student Will Help Prepare State Manual

Paul Friesema, 535 Auburn Rd., is one of eight students from four Michigan law schools appointed by Atty. Gen. Paul L. Adams to help prepare a manual of operation for his office during summer vacation.

★ ★ ★

Adams said the top students were picked on recommendation of faculty members at the respective colleges. Friesema is a student at the University of Michigan.

## PET DOCTOR

By A. W. Moller, D.V.M.

**Question: Can you advise us on the proper feeding of our newly acquired baby chick?**

Answer: Mama hen is sorely missed by the chick in his early life. She does the scratching for food and instinctively shows him what is best to eat.

★ ★ ★

When the chick is orphaned, the feed mill substitutes for mama with its production of a prepared, balanced feed.

★ ★ ★

The little chick's bed should be wood-shavings but at seven weeks old he enjoys and benefits from the taste of his mattress if it is changed to dry, dark sand. At this age, he should also have access to two bowls of food, one containing "growing" mash, the other filled with a "starting" food. At all times, keep him supplied with cool, fresh water.

**(Address your question to Dr. Moller in care of this paper. He will answer selected inquiries in his column, but cannot reply to them.)**

## Nominate Beach for Union Post

### Local UAW President Vies for Seat on State Executive Board

Charles A. Beach, president of UAW Local 653 (Pontiac Motor), has been nominated for an Executive Board seat of the Michigan AFL-CIO at the organization's state convention in Grand Rapids.

He will be vying for one of 17 seats open to the outstate area which includes Oakland County. Pontiac has not been represented on the Board "for quite a long time," local union officials said.

**The delegation at large will vote on the positions today, the last day of the convention.**

It was reported that Gerald Kehoe, president of UAW Local 596 (Fisher Body) first was considered for nomination on the convention floor yesterday.

★ ★ ★

Reached in Pontiac yesterday, Kehoe said he withdrew in favor of Beach.

**"I released my delegation to support Beach," Kehoe said.**

★ ★ ★

Local 596 has four delegates at the convention; Local 653 has 13; and UAW Local 594 (GMC Truck and Coach) has nine. Two delegates represent the Oakland County AFL-CIO Council.

All are expected to give full support to Beach at tomorrow's election.

## *Mitchell for VP Push Alleged in Labor Dept.*

CHICAGO (UPI) — Chicago's American said in a Washington dispatch today that the labor department has printed and mailed at taxpayers' expense several hundred reprints of a magazine article depicting Labor Secretary James P. Mitchell as a likely Republican vice presidential nominee.

★ ★ ★

The article appeared in Fortune Magazine. Under the title "Jim Mitchell: Looking for a New Job," the article said in an opening paragraph "He is not chasing the vice presidential nomination but his strong performance as labor secretary may help him get it."

Chicago's American in its dispatch said that Democratic quarters had protested, and Republicans had said the article was not primarily political but a review of Mitchell's accomplishments as secretary of labor.

## Hands Off Vote Lists, Judge Tells Federals

MONTGOMERY, Ala. (AP — In a sweeping challenge of federal power, a state court judge has told the Justice Department to keep its hands off all voting records in Alabama.

Circuit Court Judge Walter B. Jones signed an injunction Monday to prevent federal agents from seeing any Alabama registration files in their hunt for evidence of anti-Negro discrimination.

★ ★ ★

Temporary restraining order, issued at the request of Alabama Atty. Gen. MacDonald Gallion and applying to all 67 counties, set the stage for a court test of the 1960 Civil Rights Act.

Gallion, challenging the constitutionality of the Civil Rights Act, maintained that the Justice Department has tried to invade Alabama's sovereignty.

Under terms of the temporary order, federal authorities can appear before Jones July 7 and argue against a permanent injunction.

### Didn't Have a Prayer

BOWLING GREEN, Ohio (UPI) —Two students of Bowling Green State University had a ready explanation when caught breaking and entering the county court house. They told arresting officers they thought the courthouse was a church.

# Youth to Face Theft Charges

## His Arraignment Set Monday; Admits Two Area Break-Ins

Arraignment of a 19-year-old youth who has admitted to Pontiac police that he had twice broken into a local firm in April has been set for Monday in Circuit Court.

★ ★ ★

He is Bruce Bishop, 19, of 312 N. Saginaw St. He was arrested Saturday and admitted burglarizing the Pontiac Typesetting Co., 312 N. Saginaw St., on two successive weekends, police said.

**Officers said that he took a metal cash box containing an undetermined amount of cash. Bishop also admitted he broke into the First Baptist Church in April, but took nothing, according to officers.**

Bishop is being held in the Oakland County Jail, unable to furnish $500 bond. He waived examination before Municipal Judge Maurice E. Finnegan.

★ ★ ★

Twenty-year-old Curtis L. Beatty, 1225 Silver Bell Rd., Orion Township, admitted participating in the burglaries, officers said.

Beatty, who was arrested Sunday, was sentenced yesterday to 20 days in the Oakland County Jail by Municipal Judge Cecil McCallum.

He pleaded guilty to a simple larceny charge in the theft of a radio from a Pontiac barber shop in May.

**CYCLING PROF** — Prof. E. Lowell Kelly won't have to worry about the parking problem at the University of Michigan's 116th commencement Saturday when some 4,000 students graduate. He'll cycle to the event in Michigan Stadium as he has done for years. He also pedals regularly to the campus.

**COOLING-OFF TRIP** — Mrs. Patricia Vanderbilt took her 16-year-old daughter Nanette to Luxembourg Tuesday to cool her runaway romance with Army S. P. 5 Wiley Lockamy. Neither the soldier nor Nanette seemed dismayed. Luxembourg is only 40 miles from the Bitburg, Germany, Army base where Lockamy is a missileman. He was consulted before the trip, but said that "True love will conquer all." His father "Big Dave" of Clinton, N. C., is not inclined to that belief. He thinks Wiley shouldn't marry a rich girl.

# Ask Return of Gull Isle to Michigan

WASHINGTON (AP) — Two Michigan members of Congress Tuesday began action to require the government to return Gull Island, in Lake St. Clair, to Michigan.

Sen. Pat McNamara (D) and Rep. James G. O'Hara (D) announced introduction of bills which would require the General Services Administration to return the island to the state rather than selling it to the highest bidder.

**They said Michigan is interested in turning the 137-acre island into a public park for use by recreational boaters.**

McNamara and O'Hara added in a statement that the state gave the island to the government in 1937 for use in dredging Great Lakes shipping channels, adding:

★ ★ ★

"It is extremely unjust for the federal government to attempt to sell back to the state what Michigan gave the federal government in the first place."

★ ★ ★

They said the government used the island as a dumping ground during maintenance dredging of the lakes channels. The island now has been declared surplus to federal needs.

# Merle Oberon Appears OK Despite High Fever

HOLLYWOOD (AP) — Actress Merle Oberon — hospitalized with a fever — does not appear to be in serious condition, a spokesman said.

Miss Oberon underwent a series of tests at Cedars of Lebanon Hospital Tuesday.

# MSU Prof's Widow Is Clerk of East Lansing

EAST LANSING (UPI) — Mrs. Dorothy Boedeker, widow of the late Carl K. Boedeker, Michigan State University professor, has been named city clerk of East Lansing.

City Manager Jack Patriarche said Mrs. Boedeker filled a post vacated by the resignation of Mrs. Thelma McDougal.

# Brazil Besieged by Bill Collectors

RIO DE JANEIRO, Brazil (AP) —The bill collectors are knocking on Brazil's door again and funds to meet them are running low.

Coming due between now and the end of the year are between 300 and 400 million dollars of debts owed abroad, much of it to the United States.

Brazil's over-all foreign debt is estimated at 2¼ billion dollars—or about $35 for each Brazilian. The internal debt is estimated at one billion dollars.

★ ★ ★

What is causing the Brazilians headaches is the fact that exports, especially coffee, are down. From exports—coffee, cocoa, raw materials, farm products and a smattering of manufactured goods — Brazil earns the dollars and other hard currencies it needs to keep going.

Brazil has an estimated 30 million bags of surplus coffee.

Under Brazil's coffee production policy the government buys up surplus coffee. This will be another drain on an already overtaxed federal treasury, which is churning out printing press money to pay for such things as the new capital at Brasilia, roadbuilding programs, oil exploration and steel production.

Since 1957, when the development program really got rolling, President Juscelino Kubitschek has cranked the government money presses to the tune of twice the amount in circulation at the start of 1957.

Trade unions are demanding an increase in minimum wages.

Kubitschek leaves office next Jan. 31. The strategy of his government may be to stretch its problems over until then and drop them in the lap of the new administration.

# Idaho and Kentucky Gain in Population

WASHINGTON (AP)—Preliminary figures announced by the Census Bureau show 10-year population gains for the states of Idaho and Kentucky.

★ ★ ★

The bureau said the 1960 census shows a current population of 663,606 for Idaho—a gain of 74,969 or 12.7 per cent over the 1950 count of 588,637.

Kentucky's 1960 population is 3,012,051. This represents an increase of 67,245 or 2.3 per cent over the 1950 figure of 2,944,806.

★ ★ ★

The preliminary 1960 population of Puerto Rico was announced as 2,345,983—up 135,280 or 6.1 per cent over the 2,210,703 counted in 1950.

The figures are based on field counts and are subject to revision.

# Poland to Get Aid Despite Reds

WASHINGTON (AP) — The United States is about to hand Poland another big economic aid package even though the Poles backed the Soviet Union in denouncing the U2 spy plane incident.

★ ★ ★

The State Department is going ahead with negotiations for shipments of more American wheat cotton, fats and oils with every sign the deal will be successfully concluded in a few weeks.

Polish diplomats confidentially expect about 100 million dollars worth of such surplus commodities to help weather a continuing farm crisis aggravated by a prolonged drought.

★ ★ ★

To encourage Poland to rely less on Moscow, the United States has provided 286 million dollars worth of food, and economic help to the Warsaw regime over the last four years.

**NOT STOPPED BY U2**

State Department officials declined to estimate how much aid might be involved in the newest agreement. Talks have been going on for five weeks. Barring an unforeseen blowup, these officials said they should wind up successfully.

Polish and American officials both appear determined not to allow Soviet-American tensions, heated up by the spy plane furor, to spoil the steady improvement in political and economic relations between Warsaw and Washington.

Top American officials were not pleased that Poland's delegate on the United Nations Security Council sided with the Soviet Union in seeking to condemn the ill-fated American spy flight as aggression.

★ ★ ★

But these officials felt realistically that there was little else Poland could do without risking a Soviet crackdown which would wipe out Warsaw's cautious moves toward more independence from Moscow.

## They Keep That Bell in Memory of Annie

DES MOINES (AP)—On the mantle of a living room in a farm home near Des Moines is a cowbell. It was worn by a cow named Annie, which died several years ago.

The farmer and his wife were so fond of the cow that the bell has a permanent spot in the home, in memory of Annie.

STATE'S HOPEFUL — Mrs. Michigan, Mrs. Geraldine Scott, and her husband John relax beside the pool that goes with the $30,000 home to the winner of the Mrs. America contest being held in Fort Lauderdale, Fla. Fifty-one contestants are entered in the housekeeping section of the contest.

## Deadline Month Away

# Set Con-Con Name Push

With the deadline for submitting petitions rapidly approaching, allied organizations pushing to place the constitutional convention proposal on the Nov. 8 ballots have announced another all-out drive for signatures.

They've set June 10-19 as "Michigan Constitution Week."

**The week-long series of events is aimed at meeting the July 8 deadline of filing petitions containing 300,000 signatures.**

Participating organizations include the Michigan League of Women Voters, the Michigan Junior Chamber of Commerce, Citizens for Michigan, Michigan Education Assn., Michigan Council of Churches, Detroit Council of Churches, Detroit Building Trades Council, United Church Women, Council of Catholic Women, American Assn. of University Women, Detroit Business Women's Club, Michigan Congress of Parents and Teachers, and the campaign organizations of some candidates for state political offices.

# Political Strife Hits Iowa GOP

## Six Men Vie for Party Nomination as Senator, Nobody Wins Primary

DES MOINES, Iowa (AP)—A strenuous six-man contest to name a Republican party nominee for U.S. senator was thrown today to an Iowa GOP convention.

None of the candidates polled the necessary 35 per cent of the total vote in Monday's primary election.

★ ★ ★

The Republican race for governor was nearly as close. Atty. Gen. Norman Erbe of Boone claimed victory on the basis of less than 37 per cent of the vote in uncomplete returns. His principal challenger, State Sen. Jack Schroeder of Davenport, refused to concede.

Democrats placed Lt. Gov. Edward J. McManus of Keokuk on the Nov. 8 general election ballot as their governor choice and cast more than 108,000 votes for two-time Gov. Herschel Loveless, the uncontested U.S. Senate candidate.

★

State Sen. Jack Miller of Sioux City and former Atty. Gen. Dayton Countryman of Nevada paced the Republican senatorial competition. Both said they would be candidates for the nomination at the July 20 state convention.

Miller had approximately 30 per cent of the total vote.

With 2,345 of 2,487 precincts reported, Miller had 61,744 votes, Countryman 58,779, Rollo Bergeson, Des Moines, 31,260, Kenneth Stringer, Davenport, 27,808, Oliver Reeve, Waverly, 14,454, and Ernest Seemann, Waterloo, 10,178. Loveless polled 108,830 in 2,275 precincts.

# $103-a-Day Hotel Expenses

## Sample of Committee Bills

WASHINGTON (AP) — A member of the House Committee on Un-American Activities has spent as much as $103 a day for hotel lodging during out of town committee hearings, the Knight newspapers said today.

The copyright story by Don Oberdorfer and Walter Pincus said House expense records also show that the committee:

★ ★ ★

1. Used public funds to pay a $90 bill run up at a night club in one evening.

2. Hired chauffeur-driven limousines on three occasions at an average cost to the public of $25 a day.

★ ★ ★

3. Used committee funds to repay the Library of Congress for the loss of such books as "Two Little Confederates, the story of Frank and Willy in old Virginia," and "the Sex Education of Children."

4. Paid $2,162.78 for a movie film composed of newsreel clips of the committee holding hearings.

The story said committee member Morgan Moulder (D-Mo) spent $40.85 a day for accommodations at the Sheraton-Jefferson Hotel in St. Louis in 1956; $52.50 a day at the Plaza in New York in 1957; $282.17 for a three-day stay at the Plaza in 1958, and $523.84 for five days at the Statler-Hilton in Los Angeles, an average of $103 a day.

**USED FOR OFFICES**

The story said Moulder paid $6.05 of the Los Angeles bill himself, to cover valet and laundry charges. The rest was paid from committee funds, approved by Chairman Francis Walter (D-Pa).

★ ★ ★

Walter said the hotel rooms, which often included a sitting room, were used as "an office or place to interrogate witnesses for a place where people with information can come." Moulder said they were used for "executive sessions."

★ ★ ★

Moulder also signed for $179 in restaurant charges in one day in Los Angeles, the article said. It quoted Moulder as saying the bills included meals for people involved in the committees hearings—"friendly people—you might call them fans of the committee."

Asked if liquor charges were included in the restaurant bills, Moulder replied, "Unquestionably they are. I normally have a drink before lunch," the story said.

The $90.38 nightclub bill, the story added, had a handwritten note in the margin saying "Persian Room," which is the Plaza Hotel's plush night club.

Walter was quoted as saying the hired limousines "proved to be more convenient than taxis. Another committee member, Rep. Gordon Scherer (R-Ohio), said the limousines "perhaps were much cheaper than cabs."

# Fall Broadway Shows Postponed Indefinitely

NEW YORK (AP) — Broadway producers say all productions for the fall season have been indefinitely postponed.

★ ★ ★

They estimate the total investment in the 43 shows at eight million dollars.

The announcement came Tuesday from the League of New York Theaters as its contract deadlock with Actors Equity continued.

★ ★ ★

There was no sight of a resumption of negotiations in the dispute which has closed all 22 Broadway stage shows since last Thursday night.

The producers' league announced earlier that it was holding up plans for fall productions that were expected to employ 1,600 actors — twice the number now idle.

After Tuesday's announcement of indefinite postponement, Angus Duncan, executive secretary of Actors Equity, said in a statement:

★ ★ ★

"This announcement was made by the league three weeks ago. Producers have utilized every opportunity to attempt to relate natural consequences to the negotiations.

★ ★ ★

"'Finian's Rainbow' and 'Andersonville Trial,' which the league claims were closed due to the current dispute, both had posted notices of closing prior to the blackout by the league. 'Duel of Angels' previously had announced a limited run."

These are the three shows among those hit by the blackout which the producers have announced will not reopen.

★ ★ ★

Burton A. Zorn, special counsel to the league, challenged the union's contention that the producers can well afford to meet wage, pension and other demands.

Zorn told a news conference: "The league has proved that the theater is not prosperous, that, to the contrary, the theater is on the brink of economic disaster."

He said there are now only 22 legitimate Broadway theaters—compared with 76 in 1931.

# Board to Mull Teacher Hikes

### 2 Schedules Will Be Presented Calling for Less Than Requested

Two improved teachers' salary schedules for 1960-61 will be presented for consideration by the Pontiac Board of Education when it meets at 7:30 tomorrow night at 40 Patterson St.

★ ★ ★

The first increases the starting salary by $100, from $4,450 to $4,550, with graduated yearly increases bringing total improvements in the schedule to $121,000 for some 800 teachers in the school system.

**The second proposed schedule calls for a total of $133,000 in wage increases, with a $150 hike for beginning teachers, from $4,450 to $4,600.**

Both schedules may receive consideration for adoption, or a modification of either could be made by the Board. The city's teachers have submitted requests for wage increases close to $100,000 greater than the Board's top offer.

★ ★ ★

Each of the two groups representing the teachers, the Pontiac Education Assn. and the Pontiac Federation of Teachers, has presented plans calling for $280,000 in salary hikes.

★ ★ ★

Also on tomorrow's Board agenda is a detailed report on the costs of participation by the school district for 1960-61.

## *Mr. Webster! Supervisors to Start With Bs*

Alphabetical musical chairs will be played by the Board of Supervisors in the future.

★

Supervisor Paul W. McGovern of Oak Park suggested at yesterday's meeting that Clerk-Register Daniel T. Murphy Jr. not always start with the beginning of the alphabet with the roll call of 83 supervisors.

**He said, why always put the supervisors at the top of the alphabet "on the spot" first as to how they vote on critical issues?**

"Why not start at the tail-end once," McGovern urged. Tailender Fred L. Yockey of Huntington Woods objected.

★ ★ ★

A fellow supervisor explained this would mean Yockey would have to get to the meetings earlier.

To please the supervisors, Murphy said, he'll start with the "Bs" at the June 27 meeting.

## Workman Is Likable but Just a Little Noisy

**GRAND HAVEN (UP)—Leo Arnold, who lives in a quiet suburban residential area where a street is being torn up for a storm sewer project, has a candidate for cheeriest workman of the year.**

★ ★ ★

**At 7 a.m. today, Arnold said, the workman appeared in the middle of the street, "Shouted 'good morning, everybody' and opened up with an air hammer."**

## *Area's Eagles to Attend State Conclave in Flint*

Area delegates of the Fraternal Order of Eagles, Pontiac Aerie 1230 will attend the Eagles state convention in Flint tomorrow through Saturday.

★ ★ ★

Delegates from the Aerie are Verlin L. Haywald of 3722 Percy King Dr., Waterford Township; William E. Hollenbeck of 86 Murphy St. and Albert E. Mallett of 355 Mt. Clemens St.

**Mallett is Aerie secretary.**

Delegates from the local unit's auxiliary are Mrs. Albert Mallett and Mrs. George Thompson.

## Cinnamon Buns Baked in Sweet Orange Syrup

To help add flavor and interest, as well as glamour to the frequently dull breakfast menu, a test kitchen has come up with a recipe for Spicy Orange Buns. Fresh-frozen orange concentrate is the theme with a subtle assist from a sprinkling of cinnamon.

★ ★ ★

The basic biscuit dough recipe is used but presented this way, full of tart spicy flavor with an aroma to interest the most unwilling appetite, it will supply that little extra to-make breakfast a most "looked-forward-to" meal.

**Spicy Orange Buns**

2 cups sifted flour
2 teaspoons baking powder
½ teaspoon salt
4 tablespoons shortening
¾ cup milk (approx.)
4 tablespoons sugar
1 teaspoon cinnamon
4 tablespoons butter or margarine
½ cup sugar
1 6-oz. can frozen orange juice (thawed and undiluted)

Sift together flour, baking powder and salt. Cut in shortening until mixture resembles cornmeal. Stir in milk to form a smooth dough. Knead on lightly floured board ½ minute. Roll out lightly to rectangle ¼ inch thick.

Blend together 2 tablespoons sugar and cinnamon and sprinkle over dough. Roll up like jelly roll from long end and cut in nine equal slices.

Place butter or margarine in small pan with ½ cup sugar and thawed and undiluted orange concentrate. Stir over moderate heat just until butter or margarine is melted. Pour into baking pan (8 x 8 x 2 inches). Place buns in pan, cut-side down. Bake in hot oven (425 degrees) 20-25 minutes.

★ ★ ★

You'll get nine buns that may be served hot with the usual orange juice and some bacon and eggs. Add steaming hot coffee for dad and yourself, milk for the kids and you'll all be off to a healthy start.

## Water Is Your Food's Worst Enemy

"Most women drown their vegetables first, then stem them until they almost become nutritionless weeds," says Cathy Celauro, who directs the test kitchens of the Brooklyn Cheese Company.

Nothing harms vegetables quite as much as cooking them for a long time in a great quantity of water. The best results are always obtained by cleaning and cooking tender, young produce with the smallest amount of water and cooking only until just tender with as little stirring as possible.

**Waterless pan cooking, pressure cooking, steaming in a double boiler or on a trivet in a closed kettle are the best ways to allow the steam from the water in the vegetables themselves to tenderize without devaluating them.**

For the most flavorful and valuable vegetables it's necessary to first select the best produce available and then cook them properly.

**Summer Squash**—It is fresh if you press your finger nail against it and it sinks in easily. There should be no moldy or brown spots. Summer squash can be pared and seeded and then steamed covered in a strainer over boiling water until tender.

**Cabbage . . .** look for firm heavy heads. Contrary to the old idea that cabbage has to be cooked for hours the newer method calls for shredding it finely and cooking it in boiling water for only 7 to 8 minutes. It should be tender but crisp.

**Asparagus . . .** Whether green or white select those with tightly closed tips and tender stalks. Before cooking cut off the lower part of stalks. Tie asparagus in bunches and stand them upright in deep stewpan or bottom part of double boiler with lower ends in ½ cup boiling water. Cover tightly (inverted top of double boiler can be used) and cook about 12 minutes until tender.

**Cauliflower . . .** look for compact shape, creamy color and surrounding bright green leaf stalks. Before cooking cut off the tough end of the stem, remove the leaves and soak in cold salted water, head down for 15 minutes. Drain it and either cut up into flowerettes or keep whole.

★ ★ ★

Use a deep saucepan with a closely fitting lid and pour in only enough boiling water to cover the bottom. Place cauliflower on trivet in pan and steam it for 15 to 20 minutes, less if cut up into flowerettes.

**Artichokes . . .** the small green ones are most tender and have a better flavor. Don't store them. Buy only as needed. Soak in cold water for thirty minutes before cooking or hold by stem and dip quickly several times into deep bowl of salted water. To cook, artichokes should be placed upright in only 1½ inches of boiling water.

★ ★ ★

**Corn . . .** when buying strip back husks and examine for signs of worms. Milk should exude on puncturing kernels. To store remove only outer husks retaining thin inner layer until cooking time. Drop each ear slowly so as not to disturb boiling into 1 inch boiling water, add a tablespoon of sugar, cover and boil rapidly until tender, from 4 to 10 minutes.

# Batter Dough Can Be Rolls or Coffee Cake

Delectable sweet rolls and a handsome streusel-topped coffee ring can be prepared from one batch of dough. This makes it easy for the homemaker intent on stocking her freezer with home-baked treats while the weather is still cool enough for baking. The recipe is especially easy to make, too. It produces a batter that's mixed and allowed to rise in the same bowl, and there's no kneading involved.

**Double-Duty Coffee Bread**

1 package or cake yeast, active dry or compressed
1¼ cups warm, not hot, water
¼ cup sugar
1 teaspoon salt
4 cups sifted all-purpose flour
3 tablespoons dry milk solids
⅓ cup melted margarine
2 eggs
For Ring: Streusel Topping, below
For Buns:
½ cup raisins
¼ cup chopped pecans
Cinnamon-Sugar, below

Sprinkle or crumble yeast into water (warm, not hot, water for active dry yeast; lukewarm for compressed). Stir until dissolved. Add sugar, salt, 2 cups of the flour and dry milk solids. Stir to mix, then beat smooth.

**Beat in eggs, then cooled margarine. Add remaining flour, beat until batter is shiny and smooth. Scrape batter down from sides of bowl.**

Cover and let rise until doubled (about 1 hour). Stir down and drop by spoonfuls into greased pans to make coffee rings or buns. Finish as directed for each type of baking. Makes 2 rings, or 3 dozen buns, or 1 ring and 1 dozen buns.

**Streusel-Topped Coffee Ring**

Drop batter from spoon into greased 9-inch ring mold or molds, filling each ⅓ full. Brush top of batter with milk. Sprinkle Streusel Topping over each ring. Let rise until doubled, about 45 minutes. Bake at 375 degrees F. 25 minutes.

**Turn out of pan or pans; cool completely before freezing. If desired, decorate when thawed with confectioners' sugar icing.**

**Fruit and Nut Buns**

When mixing batter, stir in raisins and nuts with last addition of flour. When batter is light, stir down. Drop from spoon into greased 2½-inch muffin cups, filling each ⅓ full. Sprinkle 1 teaspoon Cinnamon-Sugar over batter in each cup.

* * *

Let rise until doubled, about 45 minutes. Bake at 375 degrees F. 25 minutes. Turn out of pans; cool completely before wrapping and freezing. If desired, when thawed, decorate with confectioners' sugar icing.

**Streusel Topping**

⅓ cup flour
⅓ cup white or light brown sugar
2 teaspoons cinnamon
¼ cup margarine
½ cup chopped pecans

Mix flour, sugar and cinnamon. With pastry blender or fork, cut in margarine until mixture is crumbly. Stir in nuts.

**Cinnamon-Sugar**

Combine ¾ cup sugar with 2 teaspoons cinnamon.

## Chutney and Pineapple

Ever heat drained canned pineapple chunks with chutney and butter? Wonderful to serve with chicken curry. Use mango chutney and chop fine, then add a little of the spicy chutney syrup when the combination is being heated.

# Baby Will Enjoy Eating Own Meat, Potato Pie

Meat and potato eating habits are cultivated early these days. But busy mothers can take care of their highchair diner's tastes with the greatest of ease at lunch or dinner, thanks to convenience foods.

Often baby has the main meal at noon time and the family has "meat and potatoes" at night. Time was when mother was busy peeling potatoes for baby's luncheon as well as for the rest of the family at dinner. But today there is no need to peel, boil or mash potatoes, for homemakers have discovered instant whipped potato flakes. Made of the highest grade of white mashing potatoes, these "flavor flakes" combine easily and instantly with hot water, milk and butter to make delicious lump-free whipped potatoes.

**Since potatoes are on the small fry's luncheon or dinner menu every day from a very early age, it is an excellent idea for mothers to use this important vegetable in a variety of ways, even for the small tot. Toddlers appreciate an appetizing looking dish that is set before them.**

For example, a Beef, Potato and Carrot Pie has contrasting colors and combines favorite vegetables with junior chopped beef for a toddler's nourishing main dish.

**Beef Potato and Carrot Pie**

¾ cup milk
¾ cup instant potato flakes
1 jar (3½-oz.) junior chopped beef
½ carrot, cooked and diced OR
½ jar junior chopped carrots

Scald milk in saucepan (DO NOT BOIL). Add potato flakes; stir gently with fork until liquid is absorbed; whip briskly. Arrange a ring of potatoes around the edge of an individual baking dish. Spoon junior beef into center. Arrange carrots on top of potato ring.* Heat in a moderate oven (350 degrees) for 10 minutes.

* * *

*NOTE: If an infant's heated serving dish is available, arrange potatoes, beef and carrots in it; then use according to manufacturer's directions.

## N.Y. Installing Early Warning Fallout Network

ALBANY, N. Y. (AP) — New York is setting up what it believes to be the first early warning system in the world for radio-active fallout.

★ ★ ★

The network, designed to warn New Yorkers of potential hazards, will be installed this month. It is expected to be in operation by the end of the summer, N. Irving Sax, head of the State Health Department's radiologic sciences group, says.

A significant increase in radiation will trigger a signal.

★ ★ ★

Automatic air monitors—to be installed at Buffalo, Binghamton, Watertown, in Westchester County and on Long Island—will form the core of the early warning system.

## Kent County Okays $7 Million Airport

GRAND RAPIDS (AP) — Kent County has voted to keep step with the air age by approving two proposals designed to finance an area share of a proposed new $6,977,000 airport.

Work is expected to start late this year with completion hoped for by early 1962.

★ ★ ★

A proposal to authorize county bonding for $3,975,000 passed last night by a vote of 28,419 to 21,875. A companion proposal authorizing a tax levy of up to two-fifths of a mill for 17 years to pay off the bonds was approved 29,486 to 24,161.

The new 1,800 - acre field, for which federal aid has been approved, is to be located in suburban Cascade Township, about 12 miles southeast of Grand Rapids. It would replace the present facility just south of the Grand Rapids City limits.

## Kettering High Contracts Set

### Board Will Let Work for New Waterford School Tomorrow

Contracts for construction of the new $2,500,000 Waterford Kettering High School will be awarded at a Board of Education meeting at 7:30 p.m. tomorrow.

Bids for work on the school and its surrounding area were received two weeks ago. They were reviewed by board members and architect George D. Mason at a special meeting last week.

**The Board also will receive bids on the purchase of $2,500,000 school district bonds, half of the $5,000,000 school bond issue approved by voters in March 1959.**

Plans for new additions to the Board of Education offices and the maintenance building will be considered. These projects have been included in the over-all school building program now under way.

Further considerations will be given to the attendance area of the David Grayson School. Supt. William Shunck will make recommendations relative to the hiring of new teachers for next year. He will also review and discuss the surface drainage problem at the Schoolcraft School grounds.

Shunck will also present a review of possible school district tax rates for 1960.

## To Study Check Passers

EAST LANSING (AP) — Professional check passers and their various tricks will be studied at a statewide conference at Michigan State University June 14. Nearly 100 law enforcement officials and bankers will look for ways to curb the increase in bogus checks, which total about 12 million dollars annually in the state.

## KLM to Pull Off Big Airlift for 'My Fair Lady'

WASHINGTON (AP)—KLM Royal Dutch Airlines said today it will complete the biggest commercial transatlantic airlift in history next week in flying the "My Fair Lady" show troupe from Moscow to Washington.

A KLM passenger charter plane will arrive here June 14 with the 67 members of the cast and supporting force, in preparation for the play's opening June 20.

★ ★ ★

Two cargo planes will arrive here from Russia by way of Amsterdam June 15, two on June 16, and the last June 18.

Eight planes were used to fly the show to Russia. However, two 27,000-pound revolving stages which were flown over are being brought back by ship.

# Sandwich Loaves a Meal Between Crusts

"The compacts," a new phrase of the day can not be claimed by the motor world alone. In a not-so-technical field good cooks create "compacts," too, their superb sandwich loaves.

Some words of praise heaped upon the new compact cars can be said of the homey space savers that can out boast about storage capacity. Look how they can hold a meat-type filling, a salad and a vegetable compactly between four slices of bread. The "proportions are perfect; modern, straight and trim in line."

There's a wonderful economy story, quick to serve and what a way to dress up inexpensive foods. Here's added praise—"no waiting for a warm-up." Indeed no, the sandwich loaf is ready for instant serving.

**These proven recipes feature loaves with distinctly different coverings as well as a variety of fillings. Here are loaves with coatings of shimmering lemon gelatin; a sharp cheese souffle type topping for a hot entree; drifts of whipped cottage cheese well seasoned; and variations for the cream cheese frosting.**

Accompany sandwich loaf with relishes and a beverage.

### HOT SANDWICH LOAF

1 (2-pound) loaf sandwich bread, unsliced
6 tablespoons soft butter or margarine
6 slices boiled ham
6 large slices tomato
2 egg whites
¼ cup mayonnaise or salad dressing
Dash salt

**Filling**

(Turkey-Cheese)
¾ cup chopped turkey
3 tablespoons cream cheese
1 tablespoon milk
Dash salt
¼ teaspoon minced onion
1½ teaspoons chopped pimiento
(Combine above ingredients)

**Filling**

(Snappy Cheese)
2 cups (½ pound) grated sharp cheese, firmly packed
¼ cup chopped stuffed or ripe olives
2 tablespoons canned deviled ham
1 teaspoon prepared mustard
3 tablespoons mayonnaise or salad dressing
(Combine above ingredients)

Remove crusts from unsliced loaf of bread; cut loaf lengthwise into 4 equal-sized slices. Butter slices. Prepare the 2 fillings by combining the ingredients of each.

**Place 2 layers of sliced, boiled ham between first and second bread slices; spread Turkey-Cheese filling and sliced tomatoes between second and third bread slices; Snappy Cheese between third and fourth bread slices.**

Press loaf firmly together. Wrap in waxed paper and refrigerate until serving time.

To serve: Beat egg whites until stiff; fold in mayonnaise and salt. Unwrap sandwich loaf and place on a cookie sheet. Spread top and sides of loaf with whipped topping. Brown in a hot oven (450 degrees) for ten minutes. Serve hot and cut crosswise into 12-14 portions. Yield: 12-14 servings.

### LEMON GELATIN LOAF

2 packages lemon flavored gelatin
2½ cups boiling water
1 (3-ounce) package soft cream cheese
2 tablespoons evaporated milk
8 slices enriched bread

**Filling**

(Olive-Nut)
¼ cup finely chopped nuts
¼ cup finely chopped stuffed olives
2 tablespoons mayonnaise or salad dressing
(Combine above ingredients)

**Filling**

(Chicken)
½ cup minced cooked chicken
2 tablespoons finely chopped green pepper
2 tablespoons mayonnaise or salad dressing
(Combine above ingredients)

**Filling**

(Avocado)
½ cup mashed avocado
2 tablespoons cream cheese
½ teaspoon lemon juice
(Combine above ingredients)

Dissolve gelatin in the boiling water. Cool. Soften cream cheese with milk. Prepare the 3 fillings by combining the ingredients for each. Make 2 four-layer sandwiches, using one filling for each layer. When gelatin mixture begins to thicken, blend in cheese mixture.

**Pour 1 cup of partially thickened gelatin mixture into a (1½-quart) loaf pan. Top with sandwiches centering them in pan, meeting in the middle, and there is space all around edge.**

When gelatin layer under sandwiches is partially set, surround and cover sandwiches with remaining gelatin mixture. Chill until firm.

Unmold by running a spatula around edge of loaf and turning out on a platter. Serve cold and cut crosswise into 6 portions. Yield: 6 servings.

### Individual Cheese Dream Loaves

¾ cup grated process American cheese
1 tablespoon caraway seed
¼ cup soft butter or margarine
2 tablespoons prepared mustard
½ cup minced onion
12 slices enriched bread

Combine cheese and caraway seed. Blend mustard with butter and add onion. Remove crusts from bread. Make 6 three-deck sandwiches, using the cheese mixture as filling. Cut sandwiches in half, crosswise.

Spread top and sides of each individual loaf with a thin coating of butter mixture. Place on a baking sheet. Bake in a moderate oven (375 degrees) until lightly browned, about 12 to 15 minutes. Yield: 6 serving of 2 loaves each.

### Italian Twist

When preparing your favorite spaghetti sauce, add a little variety and substitute salami for the ground beef. Grind half of the salami and cut the other half in narrow strips. Sliced mushrooms are always a delightful additive to a spaghetti sauce.

Soft fruits such as peaches, pears, plums, grapes, apricots berries and cherries should be stored unwashed in refrigerator bags or in hydrator.

# Send Your Best Fare to the School Picnic

By JANET ODELL
Pontiac Press Home Editor

"Mom, we're gonna have a picnic and I said you'd make a cake." Many of us are hearing that statement these days from our school age children. Maybe Junior didn't promise a cake but did say you would make sandwiches — or cookies — or send a fruit drink.

We never let them down if we can help it. Life may get hectic if Junior doesn't remember what he promised you'd send until the morning of the picnic. But with any kind of ample notice, you can come through with flying colors.

We have to furnish a cake this year. If we thought we could get away with anything but a plain two-egg cake with chocolate frosting, we'd try this recipe for Apple Butter Spice Cake. It has no gooey frosting to get messy on the way to the picnic.

**Apple Butter Spice Cake**

½ cup brown sugar, firmly packed
1 teaspoon cinnamon
½ teaspoon nutmeg
½ cup chopped nutmeats

2 cups sifted flour
1 teaspoon baking powder
1 teaspoon baking soda
½ teaspoon salt
½ cup butter or margarine
1 cup sugar
2 eggs
½ cup apple butter
1 teaspoon vanilla flavoring
1 cup whole bran cereal
1 cup sour cream

To make topping combine brown sugar, cinnamon, nutmeg and nutmeats. Set aside.

Sift together flour, baking powder, soda and salt. Blend butter and sugar; add eggs; beat well. Stir in apple butter, vanilla and whole bran cereal. Add sifted dry ingredients alternately with sour cream, blending well after each addition. (Begin and end with dry ingredients.)

**Spread half the batter in greased 12 x 9-inch pan. Sprinkle with half topping. Spoon remaining batter into pan; spread evenly. Sprinkle with remaining topping. Bake in moderate oven (350 degrees F.) about 40 minutes. Cut into squares and serve warm or cold. Yield: 12 3-inch squares.**

You know that, if you're in a hurry, you can frost a warm cake by placing rounds of plain or mint-flavored chocolate on top. As the candy melts, you can spread it around to cover the cake.

If you're scheduled to supply cookies, here's a recipe for crispy crunchy warm-weather cookies. They combine crushed graham crackers, nuts and coconut in a meringue.

**Sunny Graham Kisses**

2 cups coarsely crushed honey graham cracker crumbs (about 16 graham crackers)
1 cup chopped nut meats
1 cup shredded coconut
3 egg whites
6 tablespoons sugar
½ teaspoon vanilla

Heat oven to 400 degrees (moderately hot oven). Combine coarsely crushed cracker crumbs, nut meats and coconut in a large mixing bowl. In another bowl, beat egg whites until stiff but not dry. Gradually add sugar, beating until a stiff meringue is formed. Stir in vanilla and crumb mixture.

**Drop by tablespoonfuls onto greased cookie sheets; bake at 400 degrees for 20 to 25 minutes, or until lightly browned and crisp to the touch. Remove to wire racks to cool. Makes about 24 "kisses."**

Now about those sandwiches—Since the weather is warm, you'll want to avoid too many mayonnaise mixtures. The following one, however, should keep all right during the pre-picnic hours.

**Calico Sandwich Spread**

¼ cup peanut butter
¼ cup chopped cooked ham
¼ cup shredded carrots
2 tablespoons salad dressing
¼ teaspoon salt
12 slices bread

Blend peanut butter with ham, carrots, dressing and salt. Spread on slices of buttered bread. Makes 6 sandwiches.

How about a sweet sandwich filling?

**Creamy Orange Filling**

3-ounce package cream cheese
½ orange, ground, pulp and rind
Dash of salt
¼ cup shredded coconut

Cream cheese until smooth. Add orange, salt and coconut, mixing well. You may have to cut the coconut into smaller shreds with scissors. Makes enough filling for 6 sandwiches.

If you want to peg us eccentric, go ahead; but we happen to think that pure fruit juices (fresh, frozen or canned) make the best picnic drinks, outside of milk, that children can have. If you're feeling real festive, color the ice cubes or make THEM from a fruit drink powder.

## Try Mediterranean Way of Serving Cold Beans

Cold beans make a delectable snack prepared the Mediterranean way. Soak any type of dried beans overnight, cook until tender and drain thoroughly. Add a thinly-sliced onion, plenty of freshly-ground black pepper, a teaspoon of salt and ½ cup Spanish olive oil. Chill.

Serve cold with beer, iced white wine or any other favorite drink. To turn into a flavorable dip, force mixture that has marinated 24 hours through a sieve or mash in a blender.

## Oil Marinade Will Glorify Small Roast

Here's a tip to the small family: you will sometimes find a supermarket counters cuts of beef shank two inches thick with a center bone, weighing 1½ to 2 pounds.

★ ★ ★

These can be turned into miniature roasts with the flavor and juiciness of rib roasts by marinating in Spanish olive oil: just pierce the meat with a longtined fork or ice pick, then brush generously with the olive oil so that the oil soaks into the meat. Do this at least half an hour before roasting.

★ ★

Place in 325 degree oven; roast 25 minutes per pound for medium-rare. Each cut makes only 2 or 3 servings but cost is so low you can afford a tiny roast for each person.

*Workshop sessions were a highlight of Tuesday evening's dinner meeting of the Pontiac PTA Council. Active in sessions were delegates from left, Mrs. William Mihalek of Vinewood avenue; newly installed president Mrs. George Gray of East Yale avenue and Mrs. William Anderson of Lynch street.*

James Madison Junior High was the scene Tuesday for the annual PTA mass installation of officers and school of instruction, with a 6:30 p.m. dinner.

The Rev. Lenworth Miner, pastor of Macedonia Baptist Church, offered the invocation.

Greetings were extended by Mrs. Charles Neldrett, past president of the Michigan Congress of PTA.

Mrs. William Anderson, outgoing president of the Pontiac Council, gave a welcoming address and opened the session.

**GREETS DELEGATES**

Dr. Dana P. Whitmer, superintendent of Pontiac Public Schools, greeted delegates.

Installed were Mrs. George Gray, president; Mrs. Melvin Norberg, first vice president; Mrs. Charles Coppersmith, second vice president; Mrs. Thomas Henson, recording secretary; Mrs. Thomas Fowler, corresponding secretary; Mrs. Howard McConnell, treasurer; Mrs. Carl Masters, historian; and Lewis Crew, auditor.

Mrs. William Wright conducted installation of both council officers and officers of the 33 local units.

Guests included Dr. Philip J. Proud, assistant superintendent in charge of personnel and public relations; Dr. Otto C. Hufziger, assistant superintendent in charge of business; Mrs. Charles Cox, district director No. 7; Mrs. Daniel Irwin, regional vice president; Region D; Mrs. J. L. Fricke, chairman of high school and PTA and PTSA of Michigan Congress of Parents and Teachers.

Members also met recipients of the PTA Council scholarship, Judy Noren, Marie Meyer and Delores Gustavson.

Ruth Bell, this year's scholarship recipient, was also introduced.

**LEADERS CHAT**

Following the dinner, officers and chairmen conferred individually.

Budget and finance delegates met with Mrs. William Mihalek and Warren Abbott, civil defense met with Edward Muschell and Roland Stephison, and council delegates met with Mrs. L. D. McLauchlin.

Health chairmen were informed of their duties by Mrs. William White and Josephine Seeley. The historians met with Mrs. Fowler.

★ ★ ★

Mrs. Charles Cox, Mrs. Stanley Boyd and Mrs. Sidney Olson expressed ideas for the hospitality committee and Donnie Smith explained juvenile protection and legislation with William Anderson.

Magazines and publications delegates conferred with Mrs. Ervin Christie and Mrs. Carl Masters. Mrs. Lyle Dusenbury conducted the membership confab.

Other workshops held were preschool, with Mrs. Norberg and Mrs. Arnold Thomas; presidents and parliamentarians, with Mrs. Anderson and Mrs. Daniel Irwin; program, with Mrs. Roland Stephison and Mrs. Wright; and publicity chairmen, with Mrs. Albert Stevens and Mrs. Ray Ritter.

Room representatives conferred with Mrs. Eugene Hoisington and safety chairmen met with Conklin Bray and William Lacy.

The secondary PTA and PTSA group was led by Mrs. J. L. Fricke and George Yansen; secretaries met with Mrs. Henson and Mrs. George Gray.

Teachers and administrators learned their role in PTA from Mrs. Charles Neldrett and Dr. Whitmer; and treasurer duties were outlined by Mrs. Harrol Beebe and Mrs. William Simpson.

Others assisting were members of the Crystall-Aires of Pontiac Northern High School Music Department.

Students of Webster, Emerson, Central Elementary, and Bagley schools made the programs; Hawthorne, Wevver and Northern schools decorated the tables; and Malkim, Owen, Jefferson Junior and Wilson schools made name tags.

Distinguished Service awards of the Michigan Congress of Parents and Teachers were presented to Dr. Whitmer, by Mrs. Anderson on behalf of the Council; Mr. Yansen, principal of James Madison Junior High, on behalf of Madison PTSA by Mrs. Mihalek; and Lillian Davison, retiring principal of Malkim, by Mrs. McConnell on behalf of Malkim PTA.

★ ★ ★

Mrs. McConnell was general chairman.

Assisting her were Mrs. Roland Stephison and Mrs. L. D. McLauchlin, program; Mrs. Olson and Mrs. Boyd, hospitality; Mrs. Norberg, decorations; Mrs. Stevens and Mrs. Ritter, publicity.

In charge of reservations were Mrs. Beebe and Mrs. Dusenbury; corsages, Mrs. McLauchlin, and invitations, Mrs. Gray.

*Mrs. Thomas Henson, left, of Baldwin Mountain road who conducted a workshop session for secretaries meets with officers and workshop leaders Mrs. Melvin Norberg of East Brooklyn avenue, Mrs. Howard McConnell of Brooks avenue and Lewis Crew of Berwick boulevard. Instruction and lively discussion were the order of business in the workshop sessions from which delegates carry ideas back to their local PTA's.*

**Dear Abby Says: Yes, You Are Wrong!**

# Dirt Can Be So Beautiful, Mom

By ABIGAIL VAN BUREN

DEAR ABBY: We bought this house four years ago and never had the money to put in a lawn, so we had just about ½ of an acre of bare dirt to the side and back.

We have three boys—6, 10 and 12—and they like to play outside. All the kids in the neighborhood come to play in our yard. I have put up with yelling and screaming for four years, and our yard is the worst looking yard on the block.

Now that we can afford it, I told my husband to dig up the dirt and plant grass and some shrubs. The boys put up a fight, saying it would spoil their play place. I say they can play on the school grounds five blocks away, but they say the bigger boys chase them away. Am I wrong to want a decent looking yard for once in my life? LIKES GRASS

DEAR LIKES GRASS: The years when you can look out your kitchen window and see children playing are too few and fly by too swiftly. When the boys go off to college—or to their Uncle Sam—you'll have plenty of time to admire the grass. Dirt can be beautiful!

★ ★ ★

DEAR ABBY: I fell in love with a young dentist. He is married but I've seen his wife and she's no so hot. I am much cuter.

Well, I wanted to get to know him better so I made an appointment. There was absolutely nothing wrong with my teeth because I had just been to my own dentist and he said so.

But this young dentist took a full mouth X-ray for which he charged me $30. Then he cleaned my teeth for $10. Now he tells me I have four impacted wisdom teeth that must be extracted. He says that will cost $150.

All this time he gave me no encouragement. My girl friend says I should report him to the dental society for unethical practices. Should I?

GYPPED

DEAR GYPPED: For a girl who deliberately made an appointment with a married dentist for the purpose of "getting to know him better"—you have a lot of nerve complaining about "ethics." If you question his professional judgment, see another dentist for strictly professional reasons.

★ ★ ★

DEAR ABBY: My husband has the world's worst taste when it comes to buying me a gift of clothing. When I open one of these packages I can hardly keep a straight face. How does a wife go about telling her husband she appreciates the "thought" but she'd rather have the money?

Or at least let her go shopping with him to make sure same unscrupulous sales person doesn't stick him with something she wanted to get rid of?

STUCK WITH JUNK

DEAR STUCK: Now is the time for some diplomatic frankness. Tell hubby you know how hard he works for his money and, as his partner and helpmate, you want to be sure he gets his money's worth, so you want to go along to be sure he does. Now what husband in his right mind could refuse that kind of an offer?

## B'nai Israel Sisterhood Installs New Officers

Mrs. Sidney Creizler will head the Sisterhood of Congregation B'nai Israel for the coming year.

★ ★ ★

Others installed at the annual luncheon Tuesday afternoon at The Fox and Hounds Restaurant were Mrs. Irwin Posner, Mrs. David Horowitz, Mrs. Stanley Elbling and Mrs. Jack Gamburd, vice presidents; Mrs. Morris Bletstein, treasurer; Mrs. Edward Avadenka, recording secretary; Mrs. Belmont Kershenbaum, financial secretary; and Mrs. Abraham Avadenka, corresponding secretary.

Mrs. Charles Jacobs, Mrs. Karl Berg, Mrs. Irving Gordon, Mrs. Marvin Finkelstein and Mrs. Sol Newhouse are the new board members.

Installing officer, Mrs. David Utley, honored the new officers and board members with corsages.

★ ★ ★

Each flower represents a jewel taken from a sisterhood breastplate, symbolic of the one worn by the high priests at the time of the first tabernacle.

Mrs. Irving Koper, outgoing president was also presented with a past president's pin and corsage.

★ ★ ★

Other outgoing officers and board members honored were Mrs. John Rothschild, Mrs. Ralph Merkovitz, and Mrs. Edward Blumeno.

Chairman of the luncheon was Mrs. Michael Davis and cochairman, Mrs. Karl Berg.

## Mrs. VanCamp Hosts Improvers

The Countryside Improvement Assn. met this afternoon at the home of Mrs. Gordon VanCamp of Commerce road, Green Lake. Assisting Mrs. VanCamp were Mrs. Robert Callow, Mrs. Ray Ridge and Dr. Cloyl Kulsavage.

Following the luncheon, members were entertained by Mrs. Lynn Johnson who made and arranged plastic foliage and planters.

# Newlyweds Blessed by Bishop

The Rev. William T. Thomas officiated at the candlelight nuptials of Lita Beth Empson to the Rev. Mallie Clark Baker of Union City, Tenn., in St. John Church, Murray, Ky.

* * *

The Rt. Rev. John Vander Horst, suffragan bishop of Tennessee, gave the blessing.

**The bride, daughter of Mrs. Darnall Empson of Pontiac and Glenn O. Empson of Oxford, was given in marriage by her father. The bridegroom's parents are the Emmett H. Bakers of Macon, Ga.**

Embroidered white silk organza, with scalloped overlay, fashioned the floor-length wedding dress. The finger-tip veil fell from a tiara of seed pearls and rhinestones.

A white orchid centered the bridal bouquet of white roses and lilies-of-the-valley.

* * *

Mrs. Peter H. Kracala of Dorchester, Mass., her sister's matron-of-honor, wore pale mint green silk organza and held yellow and white daisies.

Dressed identically and serving as bridesmaid, was the bride's sister, Mrs. C. Kelly McCord of Murray, Ky.

**Acting as best man for the bridegroom was J. Ernest Walker of Monteagle, Tenn. The Rev. Thomas Hulson of Trenton, Tenn., served as groomsman.**

Immediately following the ceremony, Mrs. Empson entertained at a reception at the home of Mrs. W. B. McCord. Hostesses were the bride's cousin, Mrs. Charles Oakley of Paducah, Ky., the bridegroom's aunt, Mrs. Pearce H. Baker of New Canaan, Conn. and Sandra Lee Wineland of Orlando, Fla., and Bettie Jo Ray of Louisville, Ky., college friends of the bride.

* * *

After the June 1 ceremony, the couple left for a honeymoon in the Great Smoky Mountain National Park.

*Lynn Ann Roberts, daughter of Mr. and Mrs. Darrell C. Roberts of Bloomfield Hills pledged vows to Richard A. Kohler, son of the Leo A. Kohlers of Peekskill, N. Y., Saturday in Schenectady, N.Y.*

*MRS. RICHARD A. KOHLER*

# Honeymoon in Mountains

A breakfast-reception in the Van Curler Hotel followed the Saturday morning marriage of Lynn Ann Roberts and Richard A. Kohler in St. John the Evangelist Church, Schenectady, N.Y.

Parents of the couple are Mr. and Mrs. Darrell C. Roberts of McEwen drive, Bloomfield Hills, and Mr. and Mrs. Leo A. Kohler of Peekskill, N.Y.

* * *

Attending the couples were Mrs. Kenneth Oligny of Schenectady and Robert Leonard of Peekskill.

Following a honeymoon in Pennsylvania's Pocono Mountains, the couple will be at home in Schenectady.

## Lots Can Happen Within 37 Years

(NEA) — Most people at the age of three are fairly attractive. They have clear skin, fluffy, silky hair and well-shaped bodies. What happens in the next 37 years is frequently rather awful. The hair becomes dry and thin, the skin dry and wrinkled, the body flabby.

And it's all unnecessary. People who wouldn't dream of abusing machinery give themselves no care at all. They toss down three or four martinis a day, keep late hours, get out the car for a trip of two blocks and sit so long in front of a TV set that they become permanently pearshaped.

They stuff themselves on starches and sweets, smoke immoderately and sigh endlessly over the beauty of youth.

It's possible to be handsome at any age but it's never possible without self-discipline.

## Two Chapters Donate $100

Members of Alpha Omega Chapter and Zeta Lambda Chapter of Beta Sigma Phi Sorority closed their season by meeting with Special Education Director William Wright of the Pontiac schools.

Representatives presented Mr. Wright with a check for $100, proceeds from a jointly sponsored dance, to be used for the hard of hearing program for preschoolers at Washington Irving School.

Alpha Omega Chapter's interest in the program was sparked by the experience of one of its members who enrolled her child in the class.

# Tell YW Day Camp Programs

Plans for the annual Day Camp programs at the YWCA, 22 Franklin Blvd., are announced by Mrs. Grace Carrothers, teen-age program chairman, and Mrs. Judith Hewett, acting teen-age program director.

Day Camps for girls in both age groups, 8-11 and 12-15 years, will begin June 27 and extend through Aug. 5. Weekly field trips, swimming lessons and instructions in arts and crafts will add variety to the schedule of hikes, cookouts, games and sports.

**The older girls camp on Mondays and Fridays, and the younger girls on Tuesdays and Thursdays. Both groups will meet together on Wednesdays for swimming and other special events.**

Fee for the six weeks is $6.50, including insurance, and junior membership in the YWCA. Hours will be from 9:30 a.m. to 3 p.m.

The Teen-Age committee includes Mrs. James Aldrich, Mrs. Ervin Bartel and Mrs. Wilford Gordon. Day Camp folders are available at the YWCA where registrations may be turned in any week day between 9 a.m. and 10 p.m., or until 5 p.m. on Fridays.

## Sharron Hubbell Guest of Honor at Bridal Shower

Sharron Hubbell of Mapleview was honored at a bridal shower given at the Aquarius home of Mrs. John Devine Saturday. Mrs. Wayne Pyke was cohostess for the event.

* * *

Out-of-town guests included Mrs. John Frost of Lansing, sister of the prospective bride, and her grandmother, Mrs. Leah Hubbell Martin of Owosso.

Others attending were Mrs. Clare Hubbell, Mrs. Stephen Hubbell, Mrs. John Fairbrother, Mrs. Louis Fairbrother, Mrs. Thomas Fairbrother, Jo Ann Uligian, Mrs. Donald Johns, Mrs. Lowell Satterlee, Joan Wagley, Mrs. Joseph Wagley and Mrs. James Chalmers.

Mrs. Arthur Varney, Mrs. Lewis Wint, Mrs. Ronald Kasher, Mrs. Lee Hathaway, Mrs. David Grover, Mrs. Jack Frost and Barbara Magnus also were present.

# Newlywed Pair to Live in Pontiac After Trip

A Bianchi original of tiered hand-clipped Chantilly lace over pale blue satin was chosen by Sandra Lee Lertola for her marriage to Arthur Francis Harrison, Saturday morning, in St. Michael Church.

The Rev. Francis O'Donnell officiated.

* * *

The bouffant floor-length gown was styled with basque bodice and bateau neckline of pearls and sequins. The bustle-draped back extended into a chapel train.

**Sequins were scattered over the fingertip veil of illusion, held by a crown of pearls and sequins. White feathered carnations and red sweetheart rosebuds comprise the bride's Colonial bouquet.**

The William Robert Lertolas of Utica hosted their daughter's wedding breakfast and evening reception in the American Legion Hall, Auburn Heights. Former Pontiac residents, Mr. and Mrs. Charles Harrison came from Ocala, Fla., for their son's wedding.

* * *

Bridal attendants were Mrs. Robert Lertola, honor matron, Shirley Balow, Beverly Hudgens and Jean Lemke, all of Utica, and the bride's sister, Mrs. Jack McDonald of Livonia. The honor matron wore bouffant pink nylon over taffeta and a pink hat. The maids were in pale blue nylon jacketed frocks.

* * *

They held butterfly bouquets of feathered carnations and roses. Nieces of the bride, Linda Ann and Diane Marie McDonald, in pink nylon, carried baskets of rose petals.

Terrence Walsh was best man. Jack Schwartz, William Schaffer, Robert Lertola and Jack McDonald seated the 250 guests. The bride's brother. Dale was ringbearer.

**On their return from a honeymoon to Niagara Falls and New York City, the newlyweds will live in Pontiac.**

* * *

Hand-embroidered brown and beige flowers enhanced Mrs. Lertola's bouffant dress of pale beige silk organza over taffeta. Mrs. Harrison chose pale blue lace styled with full skirt. Both mothers wore corsages of pink roses and feathered carnations.

## Guild Planning Autumn Tea

Mrs. A. W. Selden of Cooley Lake road was hostess to the Urban League Guild of Pontiac for a cooperative dinner Thursday evening.

Sixteen guests attended with Ruby Lewis, high school senior and recipient of the Urban League Guild scholarship, as special guest. She will attend Eastern Michigan State College in the fall.

Mrs. Barbour Williams conducted the business meeting at which time plans were made for an Art Exhibition tea at Bloomfield Art Assn., Birmingham, in September.

Resort sportswear is showing more girl than has been revealed in many years. There are bare middles, bare backs, shorter shorts, side slits and back slashes.

## Urban League Awards $500 Scholarship

Ruby Lewis, daughter of Mr. and Mrs. Thomas J. Lewis of Orchard Lake avenue, has been selected from 12 applicants for the $500 scholarship offered annually the past five years by the Urban League Guild.

* * *

New members appointed to the board of trustees of the Guild appointed Miss Lewis the scholarship recipient for 1960-61 when they met for a recent luncheon at Hotel Waldron.

* * *

Present were chairman, Dr. Howard H. McNeill, reappointed for the coming year, John F. Perdue, Kenneth Morris, Willard V. Johnson, Mrs. A. W. Selden, Irving S. Steinman, Everett Spurlock, executive director of the Urban League and Mrs. William Essery, chairman of the scholarship committee.

LEG CRAMPS?
One of the most common causes of painful muscle cramps is a prolonged deficiency of calcium.*
So says a famous doctor and widely-read newspaper columnist, formerly with the Mayo Clinic, and other well-known health authorities
When meals, consistently deficient in calcium, are fortified with DYNA-CAL Calcium Tablets, fermenting calcium-deficient muscle cramps can be promptly relieved. But don't confuse DYNA-CAL Tablets with ordinary calcium-phosphorus products. DYNA-CAL Tablets contain no phosphorus which frequently interferes with the absorption of calcium. And DYNA-CAL Tablets contain a special ingredient which helps to put calcium into the blood stream quicker—bringing faster relief to cramping, calcium-starved muscles.
Pleasant-to-take DYNA-CAL Tablets with calcium, glutamic acid hydrochloride, and vitamins D and C contain no drugs. They are safe, harmless, calcium food supplements. If you are suffering miserable muscle cramps, and suspect you are not getting enough calcium, ask for DYNA-CAL Tablets, today. Bottles of 90 tablets, $1.50.

### FOOTNOTES for Summer

The first holiday of the summer has come and gone and now we can believe that the fun season is officially here . . . out come the white shoes, off come our stockings (except for formal occasions) and we live a casual life.

Even the casual look demands good grooming . . . let's start with the feet. A pedicure is in order, this can best be accomplished immediately after your bath. If you expect to be on the beach or wear sandals paint your toenails. If you shed your hose and must go to business daily, best you save your sandals for after-hours and wear closed toe shoes on the job.

# Wonder, Delight Build Memories for Child

By MURIEL LAWRENCE

She was just 3 years old. On a vacation trip with her father she developed measles. He was her nurse.

* * *

Though her memories of the illness itself are vague, she vividly recalls the first day she was permitted out of bed.

**Her father celebrated it by hiding a fig in her hotel room. It was, he told her, wrapped in shining paper of emerald green, but before she could undertake her search for it, he warned her that she'd need a magic incantation.**

So, as she started looking under chairs, dressers, her bed, she repeated the poem he'd taught her,

**STILL REMEMBERS**

It went like this:

**"Oh, elves and fairies wherever you are,**
**I have grown quite pale and lean,**
**So please give me back my rosy cheeks**
**With a fig dressed in emerald green."**

As clearly as though it were yesterday, she remembers the other poems that sped her subsequent delighted searches for figs wrapped in brown, blue, red and golden foil.

* * *

I know she remembers them because I was the little girl.

If you are a young parent, I hope that you can recall similar delighted memories of your early childhood.

**It is wise to recover them into fullest consciousness in order to recover full appreciation of their importance to you. Otherwise you may neglect to create the same kind of memories for your own little boys and girls.**

Relationship to them is not developed by good "baby and child care" no matter how conscientious it is.

**BASIS OF ABIDING LOVE**

As small ones, we can be fed, clothed, scrubbed, nursed and disciplined without ever feeling the greyness of routine break into active delight in our parents — into the moment of contact with the special quality of a father or mother that makes them unique for us. And gives us the basis of abiding love.

**. Today, we are so anxious to deliver the proper "baby and child care" that we don't take the time to create these moments with children.**

We're so anxious to get home from the supermarket we don't stop to suggest stroking the pussy-willows in the pail outside the flower shop.

We don't think of pretending that the stroller is a pumpkin coach.

Yet it is these moments breaking through our routine care that disclose us as we especially are to children. They are relationship.

Hostess, Mrs. Harvey Bidstrup of Shoreview drive served a desert. Assisting her were Mildred Hobbs, Pat Knudsen, Margaret Snyder and Mrs. George Yansen.

# Parents Help Breed Teen-Age Rebellion

By RUTH MILLETT

If you are finding your teen-age daughter impossible to get along with, it may be time for you to ask yourself a few questions.

Do you often try to impose your taste on her? Do you criticize the way she wears her hair, the dress she wants but that you don't think is particularly becoming, the way she has fixed up her room?

**Do you frequently criticize her friends by pointing out their faults to her?**

When she confides in you, do you discuss the things she has told you with your friends or the mothers of her friends?

Do you complain about your daughter to her father — about how she keeps her room, how lazy she is, and so on, instead of insisting on her doing her share around the house?

**INVADE PRIVACY?**

Do you invade her privacy in such ways as reading her mail, asking "who was that?" when she gets a telephone call or rummaging through her keepsakes?

Do you sometimes compare her unfavorably with an older sister or another girl of her own age wishing aloud that she were more considerate, or weren't so shy or whatever?

**Do you keep telling her how much you do for her and how little she seems to appreciate it?**

Do you argue with her as though you were both the same age?

Do you criticize her more than you praise her?

Mothers often find teen-age daughters quite impossible to get along with. But it usually isn't all the fault of the daughter.

* * *

With the best intentions in the world a mother can make a daughter secretive, rebellious, or stubborn if the mother doesn't realize that a teen-ager can't be treated like a child.

A happy husband is a happier marriage. Order your copy of Ruth Millett's new booklet, "How to Have a Happy Husband." Just send 25 cents to Ruth Millett Reader Service, care of The Pontiac Press, P. O. Box 489, Dept. A, Radio City Station, New York 19, New York.

## Groom in U.S. Service

# Wed at Temple Chancel

Fan - shaped arrangements of white Shasta daisies and potted palms decked the chancel of Evangel Temple for Saturday afternoon vows of Carolyn Sue Dawson to Sonorman 3.C. David Joseph Metternick.

The Clifford Dawsons of Robinwood avenue hosted their daughter's reception in the church lounge. The bridegroom is the son of Mrs. Amos Chadwick and Joseph Metternick, both of Moline, Ill.

The floor-length bridal gown of white silk taffeta was styled with a Venetian drape over an insert of white Chantilly lace on net. Seed pearls edged the scalloped neckline of the molded bodice.

**Cultured pearls formed a tiara attached to a fingertip veil of illusion. A white orchid centered a hand-cascade of white stephanotis, roses and ivy.**

Sharon Dawson of Greenfield, Ind., was her cousin's honor maid wearing lace over net and taffeta. She carried a cascade of green carnations, white roses and ivy.

Sandra Freese and Vickie Williams, who appeared in mint green lace over net and taffeta, held cascades of yellow carnations, roses and ivy. Their flower-shaped caplets were styled with petals of seed pearls and matching nose veils.

Six-year-old Debbie Goines in bouffant white nylon and white waist-length veil, carried a basket of red roses and daisies. Gary Dawson carried the rings.

The bride's cousin, William Beasley, USAF, of Madison, Wis., served the bridegroom as best man. Gary Momany and Rollo Freese ushered.

Mrs. Dawson chose a yellow linen tunic dress for her daughter's wedding. Mrs. Metternick appeared in white net over pink-and-white cotton. Both mothers wore shoulder corsages of white carnations and roses.

The newlyweds will live in Newport, R.I., where the bridegroom is stationed on the USS Wadleigh.

## Couple Wed in Gardens of Area Home

Mrs. Jeannene L. Everett of Oneida road exchanged nuptial vows with Robert E. McDaniel of Melrose avenue, Saturday evening in the gardens of the Bloomfield Township home of Mr. and Mrs. Arthur A. Heins on Barrington road.

A garden reception followed the ceremony performed by the Rev. Edward D. Auchard in the presence of the immediate families.

White and pink roses arranged in a Colonial bouquet complemented the bride's dress of pink organza with floral applique on the skirt.

The couple was attended by Mr. and Mrs. Ted Kieffer.

After a brief honeymoon, they will be at home on Oneida road.

## Local Girl's Engagement Announced

Announcement is made of the engagement of Marilyn Jean VanBuskirk to Walter R. Skrine, son of Mr. and Mrs. Wendell Skrine of Baldwin road.

The bride-elect who makes her home with her mother, Mrs. Gertrude Vanbuskirk of West Fairmount avenue, is the daughter of Amos W. VanBuskirk of Kettering avenue.

Marimont Baptist Church has been reserved for the June 25 wedding.

## Matinee Group Holds Picnic

The annual picnic for members of Matinee Musicale was hosted by Mrs. Bertil Benson Sunday at her home on Silverside drive, Loon Lake. Assisting her were Mrs. Wesley Stewart, Mrs. Ralph Allen, Mrs. Carl Bird and Mrs. Aubrey Roberts.

Beverly Patton won first place in the annual awards, with JoLynn Yansen, second, and Cindy Jones, third.

Piano selections were presented by Susan Allen, Mary Stewart, Julie Bird, Beverly Patton and JoLynn Yansen.

He Helps Around the House

# Hubby's Retirement Is Fun

By JOSEPHINE LOWMAN

I wrote an article not long ago about the readjustments a couple must make when the man retires. As a result I have had many fascinating letters. I cannot print them all, but I will be able to give you a few quotations from some of them. I am sure you will find these interesting.

1. "My husband retired a few years ago. He was the boss of a whole office force, and it comes naturally for him to suggest things about the housework. I thank him and do as I have always done. He thinks he is bossing and this makes him miss the office less.

**"Sometimes he'll wash the dishes and he sweeps if he feels like it. I am very appreciative and let him know that I am. I never tell him that he only swept in the middle of the floor or didn't do the dishes correctly.**

"After all, he is trying to help! If I demanded that he help or do things just as I do, he would long ago have joined the man you wrote about who spends his days on a couch looking at television.

"Just thought you might like to know how it is done. Self-pity never helps anyone. I am thankful to have my husband at retirement age."

(That sounds like a happy marriage and she sounds like fun to live with.)

**HAPPY YEARS**

2. "My husband retired about two years ago and I can say that they have been two of the happiest years of our more than 40 years together. I wonder if I would want to retire from my job of keeping the man in my life alive and happy. A women has to feel that she is needed in order to be happy.

"But, I believe we both have been happy because my husband has a workshop, a dark room, a large garden and plenty of hobbies to keep him busy and contented."

**3. "Don't get me wrong. I really love my husband but it drives me wild to have him about the house all day long. I can't get anything done. He has nothing special to do although he is not bored or unhappy—probably because I am a good companion and never leave the room when he is in the middle of a sentence (which he usually is) even if the pie is burning.**

"I still have housework and cooking to do, which I enjoy doing, but I also would like to put my cold cream on and stand on my head for the sake of my figure, and just have a little time alone.

"I am convinced that every man who is retired should have a hobby or sport or a part-time job which gets him out of the house for a few hours every day—for the sake of his wife if not for himself! I know that many women feel this way."

There are so many more letters I would like to have you read but space does not permit it.

* * *

If your husband is facing retirement, you both may profit from my free leaflet, "Want a Business of Your Own?" If you would like to have it, send a stamped, self-addressed envelope with your request for leaflet No. 73. Address Josephine Lowman in care of The Pontiac Press.

*It can be a happy time for a couple when the man retires. In a letter to Josephine Lowman a reader relates that her retired husband happily helps with the housework.*

## Celebrates 25th Anniversary

Mr. and Mrs. Norman Hovis celebrated their 25th wedding anniversary Sunday with friends and relatives present for the open house at their Dwight avenue home.

Hostesses for the affair were Mrs. Melvin Wedow, Mrs. Lou Greer, Gwen Hovis, daughter of the couple, and Joyce L. Mapley.

**DELMAR RAYMOND SELVALA**

Delmar Raymond Selvala, son of the Raymond A. Selvalas of Judson street is receiving a bachelor of science degree Saturday evening from Eastern Michigan University. Affiliated with Phi Sigma Epsilon Fraternity, Mr. Selvala will teach government and history in Southern California this fall.

## Bracelets Big

(UPI)—This is a season devoted to bracelets. True bangles and those fitted cuffs and bracelets that wind around and round the arm are fashion favorites. The accent is on bulk.

## Garden Group Gets Report on Tours

Holiday Farms Branch, Woman's National Farm and Garden Assn., invited 27 guests from Highland Estates to share their June meeting in Waterford Center School.

Mrs. Web Cleveland was chairman, and Mrs. Joseph Lewis and Mrs. Raymond McMorris, cohostesses.

* * *

President Mrs. Lewis Ruelle and Mrs. Kenneth Hamilton, immediate past president, gave highlights of the annual garden tours.

* * *

Mrs. Oliver Dunstan and Mrs. Lois Jones collaborated in a talk on flower arrangements, illustrated with colored slides.

## Don't Offer, Just Take Food Gift

By EMILY POST

Dear Mrs. Post: A friend of mine has invited me to spend a week with her at her summer place, along with my two-year-old child. My husband will join us on the weekend we arrive and the weekend we leave.

We want to contribute toward the expenses of our stay and would like to know how we may properly do this. I am sure our visit will entail a good deal extra expense on her part and we would like to do our share.

Answer: It will be safer not to offer any financial contribution toward the expense of your visit as she might think this insulting from invited guests. You could, however, help by bringing with you a very fine Virginia ham or some other substantial delicacy.

* * *

Dear Mrs. Post: Isn't it bad manners for people to walk three or four abreast on a city street forcing a passerby to walk around them? I have encountered this quite often of late and it infuriates me every time it happens.

Answer: Four abreast is most inconsiderate unless the sidewalk is tremendously wide, and when three walk abreast one of them should drop behind whenever they encounter either one or two passersby and there is not plenty of room for all to pass.

* * *

Dear Mrs. Post: I have been invited to a shower that is being given for twin sisters who are to be married shortly at a double wedding. I would like to know if it is necessary to take two presents, or would one present for the bride who is my particular friend, be sufficient?

Answer: I suggest that you take an inexpensive token present for the twin you don't know well and something more important for the one who is your particular friend.

## Griffin Group Plans Picnic

Mrs. Meta McIlroy opened her Augusta avenue home Thursday for the Griffin Proficiency Club OES No. 228 meeting.

* * *

Mrs. Davy Gilpin presided, with 15 members present. Plans were made for the annual picnic to be held July 17 at the home of Mr. and Mrs. Bert Weddle.

* * *

Hostess Mrs. McIlroy served lunch, assited by Mrs. Grace Snover and Mrs. John Burnia.

## Delicious Plain Cake Is Made With Buttermilk

By JANET ODELL
Pontiac Press Home Editor

Get yourself some buttermilk so that you can try this good-sounding cake. It is the first white cake we've ever had a recipe for using buttermilk.

* * *

Mrs. B. S. Sneed Jr. was born in the south and brought this recipe up north with her. She's interested in sewing, reading and ceramics. She's a member of the Newcomers club. The Sneeds have two sons.

**BUTTERMILK CAKE**
By Mrs. B. S. Sneed Jr.

1 cup buttermilk
2 cups sifted pastry flour
2 cups granulated sugar (this is right)
1 teaspoon salt
½ teaspoon soda
1 cup shortening
3 eggs
1 teaspoon lemon extract
1 teaspoon vanilla or almond extract

Cream shortening, add sugar and beat until light and fluffy. Sift dry ingredients. Add eggs, one at a time, beating well after each. Alternate sifted dry ingredients with buttermilk. Add flavorings.

Bake in a greased 10-inch tube pan at 350 degrees for 1 hour, or until cake springs back from your touch. May be eaten plain or frosted as desired.

## Will Give Degree Invocation

The Rev. Mr. Francis T. Stack, pastor of St. Hugo of the Hills church in Bloomfield Hills, will give the invocation as master of automotive engineering degrees are conferred upon 65 members of the Chrysler Institute of Engineering graduating class in Detroit June 9.

President G. J. Huebner Jr. will also present the Engineering Society of Detroit awards to members of the graduating class from 23 states, the Netherlands, Lebanon, Australia, West Germany and the Panama Canal Zone.

* * *

The MAE candidates have completed the two year graduate course at the institute, the only school in the automotive industry which grants graduate degrees.

D. B. Varner, chancellor of Michigan State University Oakland, will deliver the commencement address in the Engineering Division Auditorium, Oakland avenue, beginning at 8 p.m.

## Belts Blossom

(UPI)—Cued to shoes, leather gloves and belts also are blossoming out in flower pastels, notably lilac, Paris rose and tulip yellow, as well as the muted tones—olive, greige, pewter gray and smoky browns.

## Honor Mrs. Kuhn With Shower

Mrs. Richard D. Kuhn was honored at a luncheon and baby shower Saturday at the Golf Lane drive home of Mrs. Stuart Jeske in Milford.

Guests included Mrs. Maynard D. French, Mrs. Charles R. Tallant, Mrs. Charles F. Kuhn, Mrs. Daniel Williamson, Mrs. Robert McDonald, Mrs. Bruce Kresge and Mrs. Richard Ingmanson.

### Commission Overrides Protests

## Shopping Center Near MSUO Favored 4 to 1

The initial step was taken last night to permit construction of a shopping center on a 10-acre site on Adams road across from Michigan State University Oakland.

Climaxing months of study and consideration, the Avon - Pontiac Townships Regional Planning Commission voted 4 to 1 to recommend that property owned by the Howard T. Keating Co. be rezoned commercial.

★ ★ ★

The site is one the southeast corner of Adams road and Walton boulevard.

**In order to protect the interests of homeowners in that area, the commissioners unanimously passed a related motion that they appoint a committee to make recommendations covering regulations and requirements for development of the property.**

These recommendations would be made to the Avon and Pontiac township zoning boards for consideration before action is taken on the rezoning proposal.

**REAFFIRMED PROTEST**

A number of members of the Springhill Homeowners Assn., Inc., were present at the commission meeting to reaffirm their protest of any commercial development adjacent to an R1 residential area, but more particularly to oppose the Keating project.

★ ★ ★

A prepared statement was read from the association reaffirming its stand disapproving any of the Keating company's 30 acres at that intersection, being rezoned commercial.

**The group that was present said 27 of the members, which total over 60, signed the resolution, but that they had "carried the word" to the others and that it was a "true representation of the subdivision."**

Robert H. Hotaling, Michigan State University urban planning specialist, told the group that from a planning point of view the proposed southeast quandrant is favored for a commercial development.

★ ★ ★

Hotaling listed a number of reasons for the selection of that location, among them being the need for some kind of a commercial center to serve on - campus dormitories to be built at that end of the university property and to serve the homeowners in that immediate area.

**This analysis drew comment from the homeowners who said the need for the center has not yet been proved and that they built their homes where they did realising they would have to travel three or four miles to a shopping center.**

Planning Commission Chairman L. Rex Bebout's answer was that "a commercial development will go in where no one wants it if no provision is made for it now."

★ ★ ★

He assured the homeowners that the commission would not approve any reclassification without certain rigid restrictions to protect them.

★ ★ ★

Keating also was present and restated his plans for the commercial development that he had already presented to the commission.

He said he, too, is concerned with a commercial development with high restrictions, that he will meet all the requirements concerning buffer zones, size of buildings, setbacks, parking and other regulations set by the zoning boards of the two townships.

**"In fact, we will even improve upon them with our plans for a truly high class commercial center," asserted the developer. He added that he will coincide his plans for the development with the growth of the university and when the need is apparent.**

He had told the commission that the terrain would not be altered, that sewer specifications as required by the county Board of Health would be met and that the development would be of Early American design.

He further asserted that the business concerns to be contacted to locate in the center would be "only the best."

★ ★ ★

The commission also approved the final plat for Stratford Knolls subdivision No. 1 on Avon road, east of Springhill subdivision. It contains 45 lots.

A plan for a new subdivision, Heartpiece Hills, which could have 22 homesites adjoining 3.2 acres reserved for the Fellowship of Christ Church was presented by the church pastor, the Rev. Robert Young. It is located near the intersection of Walton and Livernois roads.

The plan was referred to the commission's subdivision plat committee.

P. T. SMITH

A Rochester area realtor, P. T. Smith of 1598 E. Auburn Rd., has been elected Grand Knight of St. Lawrence Council 2950, Knights of Columbus, Utica. To serve for the coming year, Smith will take office July 1. The council includes Utica, Rochester and Romeo.

## 'Miss Romeo' Judges Named

ROMEO — The three judges who will pick "Miss Romeo" in the annual pre-Peach Festival competition June 23 have been named by the contest committee, it was announced today.

They are Mrs. Oscar J. Sorenson Jr. of Rochester, James F. McDonough of Utica and Richard Kehoe of Roseville.

**Mrs. Sorenson was the chairman of the "Rochester Independence Day Queen" committee last year. A member of the Utica Community Players, McDonough recently won the best actor award at the Detroit-Windsor Theater Festival in Detroit.**

Kehoe is a district representative for a national cosmetics firm.

Macomb County Justice of the Peace Francis A. Castellucci of Romeo will act as master of ceremonies.

**TO SEND PICTURE**

Candidates for the "Miss Romeo" crown are being asked to fill out an entry blank and mail it with their picture to Contest Chairman Mrs. Warren A. Park, at 295 N. Main St.

To be eligible to compete, girls must be between 17½ and 21 years of age, be single and reside in the Romeo Community School District.

**They will be judged on poise, personality, beauty, speaking ability and talent. They may choose to display their talents by giving a dramatic reading, singing, dancing, doing a pantomime act or playing an instrument.**

Four high school teachers have agreed to act as consultants and help the contestants prepare their acts for public presentation. They are Mrs. Janet Martell, Joseph Sullivan, C. Lynn Brown and E. C. Ojala.

Rehearsal for the contest will be June 21, and the competition will be staged in the auditorium of Romeo Junior High School.

## Stall Move to Free County of Incorporation Expenses

The county hit a snag yesterday in its attempt to be relieved of paying for city incorporation election expenses.

A proposal put before the Board of Supervisors was tabled after Huntington Woods Supervisor Fred L. Yockey said it would "stifle incorporation" attempts.

**The Ways and Means Committee was seeking to set a policy whereby the county would be liable for no charge above the $500 fee by the area seeking incorporation.**

Any additional charges would be borne by the township from which the new city would be carved.

★ ★ ★

The policy was sought after the county struggled in Circuit Court for several years seeking to recapture $26,000 in loans granted to Southfield during several attempts at incorporation votes.

**Saying that this matter had been settled in court finally, Southfield Mayor Donald L. Swanson urged tabling of the proposal. He said supervisors hadn't had enough time to study it.**

Earlier, Cyril E. Miller, Avon Township supervisor, objected to the financial burden being placed on townships. He said it should be the city's.

★ ★ ★

The proposal is contrary to state law, declared Hugh G. Allerton Jr., whose Southfield Township was ordered by Circuit Judge William J. Beer to pay the county $6,364 from the long election cost dispute.

Beer's decision is being appealed to the State Supreme Court.

## No Chloride Due for Roads in Novi This Summer

NOVI — There will be no chloriding of village roads here this year.

In not accepting a proposal of the village manager, Council decided the money could be put to better use in purchasing road equipment.

**Only Councilman Philip Anderson opposed the change.**

Most emphatic in the stand against chloriding at Monday's meeting of the Council was Village President Joseph Crupi.

★ ★ ★

The manager had suggested 21 miles of roads be given one spreading of chloride and 15 miles be given two and three spreadings.

**"WANTA RIDE?"** — Mrs. Daniel Holefca purchases a ticket so her daughter Debbie can take a preview ride on a 1918 vintage fire truck which will be a featured attraction at St. Andrew Catholic Church Fair in Rochester Sunday afternoon. Already perched in the driver's seat are, from left, Dean and Dennis Holefca, and, in the center, Kathy and Patty Holefca. Ticket salesman is Daniel Filary.

### Will Give Rochester Children Rides

## Old Fire Truck to Clang

ROCHESTER — An innovation at this year's Country Fair to be staged Sunday afternoon by the St. Andrew Catholic Church will be rides for children on an antique fire truck.

The old pumper was manufactured in 1918 for the Village of Marshall. Three years ago a group of firemen from Bloomfield Township took a fancy to the old engine and managed to buy it for the bargain price of $1.

**The men, 35 of them, some reserve and some permanent firemen, formed a private association known as the Bloomfield Township Fire Fighters Assn. Their aim was to maintain this antique engine for fun and to further safety and fire prevention.**

They charter the pumper mostly for school fairs, and more than 3,000 youngsters have ridden on the vehicle this year.

**TO BE DRIVEN ABOUT**

The engine will be driven around Rochester throughout the afternoon of the fair, from noon to 6 p.m. About 15 children can ride on the engine and on the hose rack, and ring the bell.

**Another attraction of the fair will be the chicken dinner to be served for the entire six-hour period. Dinner chairmen are Daniel Filary and Richard Brandt.**

Working with Mrs. Daniel Holefca as fair cochairman is Mrs. G. W. Schelle.

★ ★ ★

Games will be offered for the children, and the handwork gift shop will offer such articles as barbecue aprons, baby bibs, garden gloves, needle cases and log rugs.

Also on sale will be religious articles, baked goods and refreshments. Cakewalks are planned in connection with the sale of homebaked treats.

### Union Lake Merchants to Use Savings Stamps

UNION LAKE—Giant strides in sales promotion are being taken by 14 merchants at Union Lake. They have joined in the Paul Bunyan Trading Post plan whereby savings certificates are issued to customers with their purchases.

For each dollar spent on merchandise or services, the customer receives a certificate redeemable in quantities of 200.

Each certificate is worth a penny when redeemed in wares at participating stores or $1.50 per 200 at the Community National Bank Branch at Union Lake.

**DRYDEN'S FAIREST** — Sandra L. Englert, 18, who will graduate tonight from Dryden High School, will reign over the Dryden Boom Day celebration on Independence Day. Daughter of Mr. and Mrs. John E. Englert, of 3650 Casey Rd., Metamora, she was picked over four other contestants.

### She Graduates Today

## Sandra Englert, 18, Named Miss Dryden

DRYDEN—An 18-year-old Dryden High School senior who graduates today has been picked to reign over the village's Boom Day celebration July Fourth.

She is pretty, brown-haired Sandra L. Englert, daughter of Mr. and Mrs. John E. Englert of 3650 Casey Rd., Metamora.

**The new Miss Dryden is a private secretary at Aero Enterprises in Almont, and her hobbies include singing, swimming and dancing.**

The two girls chosen as her attendants are Nancy Diller, 18, and Doris Ellsworth, 17.

★ ★ ★

Nancy, who has short dark hair, is the daughter of Mr. and Mrs. Raymood Diller of 4745 Sutton Rd., Dryden. Blonde Doris' parents are Mr. and Mrs. George Ellsworth of 3820 Lake George Rd.

**The two maids of honor also are members of the 1960 graduating class of Dryden High School.**

The three will reign over the town's Independence Day celebration for which elaborate plans now are being made. They will include a baton twirling contest, amusements, meals and refreshments, and games and booths of all kinds.

The other two girls who entered the annual competition for the queen's crown were Carol R. Chamberlain and Ruth C. Walker.

### Sets Public Polio Clinic at West Bloomfield High

**WEST BLOOMFIELD TOWNSHIP—A polio clinic for the public will be sponsored by the West Bloomfield Township Health Committee Monday and Tuesday from 7 to 9 p.m. both days in the West Bloomfield High School.**

**Any inoculation in the series of four will be available, for $1 "With the hot weather coming on, protection is necessary for adults and children alike," said Committee Chairman Mrs. Varland Anding.**

One-fourth the area of Colorado may be underlain with coal reserves.

## Upholds Macomb Decision Refusing to Halt Permits

SHELBY TOWNSHIP — The State Supreme Court yesterday paved the way for the establishment of a major auto race track here that would rival the Indianapolis Speedway.

The high court upheld a Macomb County Circuit Court decision refusing to enjoin the township from issuing the permits needed for construction of the big-time track.

Curtiss-Wright Corp. announced plans for the track in 1958 and asked that the 675-acre tract be rezoned to permit racing. Shortly thereafter the Shelby Township Board amended its zoning ordinance to allow construction to begin.

Subsequently, a group of township residents and the organization listed as the Shelby Homeowners Assn. initiated legal action to block the Curtiss-Wright project.

The group charged that the township acted illegally in rezoning the property and cited a number of instances to substantiate their allegation.

**The opponents of the track also contended that the proposed facility would create a nuisance because of noise, crowds, traffic, litter, dust and vibrations.**

Shortly after the suit was initiated, Curtiss-Wright entered the action as a "party defendant" with the township. The case which dragged on for months, finally was dismissed last May by Macomb Circuit Judge Howard R. Carroll.

**The judge refused to enjoin the township from issuing the permits needed by the company to proceed with its construction program.**

Before the bill of complaint was filed, the corporation had announced that the proposed track would be designed for major, sanctioned national and international races of Indianapolis "500"-type cars.

**PLANS BLEACHERS**

There already is a 2½-mile oval on the 675- acre tract.

The company planned then to construct permanent bleachers to seat 20,000 spectators, temporary bleachers for 20,000 more, comfort stations and a track inside the larger oval for sports and stock car races.

**The ordinance under which the track would operate would limit races to six a year and would prohibit night racing, hotrod, motorcycle and midget car races.**

The track would be located on the site that has been used for over 30 years by Curtiss-Wright and its predecessor, Studebaker-Packard Corp., for "high speed operation and testing of autos."

★ ★ ★

The property is between 22- and 23-Mile roads, Mound road and Van Dyke.

**Before the Township Board voted in favor of rezoning the property to permit construction of the track, an advisory vote of the township electorate favored the move by a 2 to 1 majority.**

A company spokesman said today, "We are very pleased with the Supreme Court decision. But in view of the considerable time lag involved in administrative proceedings and litigation, we will have to make another study of our original plans before proceeding."

## Eye Sewer Plan at Walled Lake

### Council Is Interested in County DPW Proposal to Survey Area

WALLED LAKE — Ways and means of obtaining funds for a preliminary study of a sewer system in the southwest portion of the county will be investigated by the Council here.

Councilmen last night decided to inform the Oakland County Department of Public Works that they "are very much interested" in the proposal to make a survey of the area.

★ ★ ★

The cost to the city for the preliminary study would be $3,500.

**Both Commerce and Novi Townships have pledged funds for the proposed study that would take in an area that includes Novi Village, Wixom, Wolverine Lake, and portions of West Bloomfield Township.**

A drainage problem in the Tri-A Subdivision is expected to be corrected by establishing a special assessment district.

As soon as the district is set up, which includes about 50 homes, the County will be asked to clean out and lower the Greenaway drain.

**The drainage problem came before the Council early in May when a group of homeowners in the subdivision complained that stagnant water in the drains created a health hazard.**

It is estimated the project will cost $500.

When the County completes its work on the drain, the city will put in culverts under driveways and redtch.

Another drainage problem in the Decker road area will be investigated by city engineers.

**Council asked that detailed plans and cost figures be made available as soon as possible in order to relieve the district.**

The resignation of Councilman Michael Mahaney was also accepted by Councilmen. Mahaney resigned his post because he has moved out of the city.

The Council will appoint a new member to fill the vacancy until April 1961.

### $100,972 Budget OK'd by South Lyon Council

SOUTH LYON—A $100,972 budget for the 1960-61 fiscal year has been approved by City Councilmen. It is approximately $2,000 more than the current budget.

No change was made in the present tax rate of 20 mills for each $1,000 of assessed valuation. The 20 mills is the limit that can be levied taxpayers as stated in the City Charter.

## Farmington Lets Contract to Pave Lot

FARMINGTON — A contract to pave a new municipal parking lot here has been awarded to the Detroit Concrete Co. by the City Council.

★ ★ ★

The Detroit firm had submitted a low bid of $2,137.

**The downtown parking lot, with spaces for 40 cars, is directly across the street from City Hall on Grand River avenue near Farmington road.**

The lot, leased from the Farmington Holding Co. by the city for $5, is the former site of the old Owens Hotel, a landmark in the area for more than 100 years.

★ ★ ★

The Council also approved the final plans for the Farmington Oaks subdivision. The subdivision is between Eight and Nine Mile roads just east of Farmington road.

**Some 90 homes are planned for the subdivison.**

An ordinance has also been introduced before the Council that would regulate subdivision plats and lot sizes.

★ ★ ★

The proposed ordinance would cover all the new subdivision and repeal all previous ordinances regarding subdivision standards.

## Suit by Ringlings Is Dismissed

### Streamlining of Circus No Longer Deemed to Be Mismanagement

SARASOTA, Fla. (UPI)—The feuding Ringling circus family has announced that it has firmly reunited in carrying on operation of the greatest show on earth."

The announcement brought dismissal of a 20-million-dollar suit that charged Circus President John Ringling North with mismanagement. The chief complaint of the suit, filed in 1957, was objection to North scrapping the time-honored canvas big top and turning the circus into a streamlined show that played only in large arenas.

**Members of the family have been battling among themselves ever since John Ringling, one of the original founders and the guiding light of the Ringling Bros., Barnum and Bailey's Show, died in 1936.**

Shortly after, North, a nephew of John Ringling, gained 51 per cent stock control of the circus, he and his appointed executive director, Arthur Concello, announced the streamlining of the show.

Mrs. Hester Ringling Sanford and her son Stuart Lancaster, who held a large share of the remaining 49 per cent of the stock, filed the suit.

**North and New York Attorney Dan Gordon Judge, spokesman and trustee for the so-called Forty-Niners, announced in a joint statement that all differences among the owners had been resolved and the suit was being dismissed. Mrs. Sanford is being returned to the board of directors, they said.**

Judge said the new streamlined operation of the circus "has proved itself beyond question and is working extremely successfully."

North and Judge said the circus had enjoyed its best season of the past 10 years and the recent performance in New York's Madison Square Garden reached the highest net figure of any stand at the Garden since the end of World War II.

Stops Constipation Due to "Aging Colon"

New laxative discovery re-creates 3 essentials for normal regularity.

As you grow older, the internal muscles of your colon wall also age, lose the strength that propels waste from the body. Stagnant bowel contents become so dry and shrunken that they fail to stimulate the urge to purge.

Relief, doctors say, lies in a new laxative principle. Old-style bulks and moisteners may create gas, take 3 or 4 days for relief. Old-style salts and drugs cramp and gripe the entire system. Of all laxatives, only new COLONAID gives you its special 3-way relief that works only on the lower colon (area of constipation).

(Advertisement)

(1) COLONAID moisturizes dry, hardened waste for easy passage without pain or strain. (2) COLONAID'S unequalled rebulking action helps restore flabby colon muscles. (3) And COLONAID acts gently, on the nerve reflexes that stimulate the vital "mass movement" of your lower colon.

COLONAID relieves even chronic constipation overnight; in so-doing it was hospital proved safe even for expectant mothers. And COLONAID won't interfere with absorption of vitamins or other food nutrients. Get COLONAID today! Introductory size 43¢.

## From Talking Dogs to Flying Model Ts

# He's Having High Time on Disney Lot

By BOB THOMAS

HOLLYWOOD (AP) — Having cavorted with a talking dog, Fred MacMurray is now flying a Model T and making basketball players leap 10 feet in the air.

If it had been any other studio besides Walt Disney's, there would be a "Shaggy Dog Talks Again." But Disney is dead set against doing sequels. He is following up his big hit of the talking pooch with "The Absent-Minded Professor," also starring Fred MacMurray.

"This is a wild one," the actor admitted.

Fred plays a screwy savant who tampers with the elements. One day in the lab he accidentally concocts a putty-like substance that induces weightlessness. He uses the stuff for all kinds of things, such as sending the school's basketball team to new heights and making his flivver airborne.

**DISNEY IDEA**

"The idea came up when we were making 'The Shaggy Dog,'" Fred said. "One day Walt came on the set and lurked in the background watching things, the way he likes to do. After a while, he told me he was thinking of another project for me.

★ ★ ★

"I didn't know Walt very well then. I went home and told my wife June about it, but added that I'd probably never hear about it again."

Fred has now learned that Disney never talks idly. He has also learned other things about the Disney operation.

"I found out he won't let gags interfere with the story, no matter how good they are," the actor said.

MacMurray flies right from the film into one of the most unusual TV deals in Hollywood history. He'll star in "My Three Sons" on ABC and make 39 films in three months.

FRED MacMURRAY

★ ★ ★

I reminded him that he said he would never go to TV when we met two months ago.

"I know it," he said guiltily. "And I firmly believed it. But things happen."

Producer Don Fedderson ("The Millionaire") sent him a couple of scripts about a widower with three growing sons. Fred made his usual reply—no thanks. Fedderson wouldn't give up, finally devised a schedule in which Fred could do all his work in three calendar months and the rest of the films would be shot later.

"It was too good to pass up," Fred admitted.

## Ronald Reagan Joins Films' 'Other Side'

HOLLYWOOD (AP)—Ronald Reagan has resigned as president of the Screen Actors Guild. Reason: He's joining the ranks of producers.

Reagan, who led the guild in the recent strike against the major studios, said he is becoming a partner in a production venture. Guild tradition bars from office actors who have a substantial interest in films. The board will appoint a successor Thursday.

## Kent County Clerk, 70, to Be Buried Thursday

GRAND RAPIDS (UPI) — Funeral service will be held Thursday for Lewis J. Donovan, 70, Kent County clerk for 22 years.

A World War I veteran, Donovan worked in the clerk's office for a total of 39 years and headed it from 1936 until his retirement in 1958.

# Harbert Knows How to Advertise for a Job

## Chick's 139 Sets Pace in National Open Qualifying

### Bone No. 1 Alternate; Art Wall Shoots 128 to Lead Nation

DEARBORN (AP) — Chick Harbert, an old pro in search of a new job, got his employment quest off on the right foot yesterday as he led the field in sectional qualifying for the United States Open golf tournament.

★ ★ ★

The 45-year-old veteran, who wants another post as a country club professional after quitting the Meadowbrook club recently in a controversy over golfing carts, carded rounds of 72-67 for a five-under-par 139.

**Eight other golfers, including one amateur, from among the field of 37 qualified in the 36-hole sectional. Par at Dearborn Country Club's 6,735-yard course is 35-37—72.**

The field was shooting for nine places in the June 16-18 tournament at Cherry Hills Country Club in Denver.

★ ★ ★

The last three places weren't filled until after sundown as seven players ended regulation play deadlocked at 147 and were forced into a sudden-death playoff.

**One stroke behind Harbet was Royal Oak amateur Chuck Kocsis with rounds of 67-72. Wally Burkemo of Franklin Hills was third with 143, followed by Bob Shave Jr. of Willoughby, Ohio, who had a pair of 72s for 144.**

The remaining qualifiers, with their scores, were: Lee Raymond, Toledo, and Eldon Briggs of Detroit, both at 146; and Dick Bury, Grosse Pointe Woods; Frank Harned, Cleveland, and Rudy Horvath, Windsor, Ont., all of whom tied at 147 but survived in the do-or-die playoff.

★ ★ ★

Harbert, who does roadwork like a boxer to stay in top shape, was erratic in the morning as he shot an even-par 72, and failed to reach eight greens in regulation figures.

**Despite the broiling sun in the afternoon, Harbert's conditioning paid off as he fired a five-under-par 67. He reached all but one of the 18 greens to beat off a challenge from the 47-year-old Kocsis.**

One of the casualties in the qualifier was Bud Stevens, current State amateur champ and Detroit District titlist, who fired 74-77—151. Bob Inman, a popular Detroiter who has been a familiar face on the pro circuit, also fell by the wayside. He had a score of 153.

★ ★ ★

In the sunset playoff, Horvath and Bury cinched berths on the first extra hole with par 4s, while the others took bogey 5s. Tom Talkington of Ypsilanti eliminated himself on the second by carding another 5, while the others had 4s.

Jack McGowan of Sylvania, Ohio, and George Bigham of Cleveland went out at the third hole with 5s, while Gene Bone of Pontiac, and Harned stayed alive with 4s. Harned cinched his berth in the Open with a 4 on the fourth extra hole against Bone's 5.

★ ★ ★

Art Wall Jr., is back, so the 149 other qualifiers had better keep a wary eye on him in the National Open golf championship at the Cherry Hills Country Club in Denver June 16-18.

The slim pro from Pocono Manor, Pa., was leading money winner on the tour last year, his list of victories including the Masters. This year he was handicapped by an ailing knee, and has played comparatively little. He was unable to defend his Master's crown.

★ ★ ★

But Tuesday he shot a torrid 65-63—128 over the Twin Hills course in Oklahoma City to top the 34 qualifiers from that section, and be nine strokes better than the low scorers of any of the 12 other districts.

Wall's 128 was 14 strokes under par for the two rounds over the par 71 layout, and was achieved through 15 birdies and going over par only once. He needed only 56 putts.

A total of 91 players qualified in nine districts Tuesday. Thirty-eight qualified in the play in four districts Monday, making the total for the two days 129. Twenty-one were qualified automatically.

★ ★ ★

The Oklahoma section was the focal point of the day's play, with 34 players being qualified there, including many of the current touring pros. Playing conditions at Twin Hills were described by Wall as perfect, which may partially account for the fact that a score of 143, one over par, was necessary to qualify.

★ ★ ★

There were a few casualties among the "name" players during Tuesday's play. Jackie Burke Jr., of Kiamesha Lake, N.Y., lost out in a playoff at Oklahoma City, and Al Besselink of Grossinger, N.Y., Hillman Robbins of Memphis, Tenn.; Bill Collins of Baltimore and Don January of Dallas also failed to make the grade there.

LEADS OPEN TRIALS — Veteran Chick Harbert, former Meadowbrook pro, led the field Tuesday in the 36-hole National Open golf qualifiers at Dearborn Country Club. The long-hitting Harbert shot 72-67—139 to beat amateur Chuck Kocsis by one stroke. Nine spots were at stake in the sectional test.

## Mike's Putter Saves Day in Public Links Trials

## Andonian, Law Earn Spots

By BILL CORNWELL

Pontiac's Mike Andonian regained his reputation as a classy putter Tuesday and earned a berth in the National Public Links golf championship for the 4th straight year.

**The 34-year-old Pontiac Central High School mathematics teacher sank a 12-foot putt on the 2nd green at Pine Lake Country Club to survive a sudden-death playoff in the sectional trials.**

Andonian's putter deserted him Monday in the 36-hole qualifiers at Pine Lake and Forest Lake. It was his three putts on Pine Lake's 18th green that bracketed him with three other golfers at 150 and forced him into yesterday's playoff.

The playoff had to be held at 6 p.m. last night because of darkness which prevented further play on Monday.

Andonian, Michigan Publinx champion in 1956, 1957 and 1958, will be joined by another three time State Publinx champ in the National Public Links tournament July 11-16 at the Ala Wai Golf Club in Honolulu.

**Jay Law, the veteran and talented swinger from Harper Woods who won three state titles during the 1940s, birdied the 1st hole to qualify for his trip to Hawaii.**

The losers in this do-or-die struggle were Bob McMasters of Royal Oak and Detroit's Curtis Walker. The four players were fighting for the two remaining positions in the national tourney.

Six places were at stake in the Michigan trials and Pontiac's Wally Smith, Tim Baldwin of Birmingham, Plymouth's Ty Caplin and Ron Nicoll of Detroit grabbed the first four spots Monday in regulation distance.

★ ★ ★

Law canned a seven-foot putt for a birdie four on the 1st hole to clinch his position and Walker was eliminated when he bogied after getting into trouble off the tee.

**Andonian and McMasters posted routine pars and moved on to the 2nd hole. McMasters reached the green in a regulation two strokes and appeared to have the final qualifying spot in the bag when Andonian overdrove the carpet.**

Andonian chipped back strong and still had a 12-footer facing him. But Mike calmly knocked it into the cup for his par and McMasters three-putted from 15 feet for a fatal bogey five, the 2nd miss coming from only two feet.

McMasters grabbed the No. 1 alternate spot and Walker comes next. Other alternates, in order, include Veicho Juhola, Alan Thompson, John Bezverkov, Ed Briegel, Cass Jawor, Bob Skrzycki, Ron Rothbarth and Jack Flock.

## From The PRESS BOX

It was decided that Muskegon and Columbus, Ohio will add teams to the International Hockey League next year.

★ ★ ★

**Track ace Foddy Kennedy has been selected for the highest athletic honor at Michigan State. The Athletic Council designated Kenney and gymnast Stan Tarsitz for the conference medal citing athletic and scholarship performance.**

★ ★ ★

Roman Colonel and Benedicto, two of the nation's fine sprinters will clash Saturday at the Detroit Race Course in the first match race in Detroit in 40 years. There will be no betting and it will be 10th on the program with the winner taking all of a $12,000 pot for six furlongs.

**Swimming lessons sponsored by the Walled Lake Civic Welfare Club will start July 5th at city beach with five instructors aiding all children and women over 18. Registrations will be taken at Stone Crest Saturday from 9:00 a.m. to noon.**

★ ★ ★

The Pittsburgh Pirates signed University of Wisconsin quarterback and outfielder Dale Eckhart to a contract, assigning him to the Salt Lake City Bees of the Pacific Coast League.

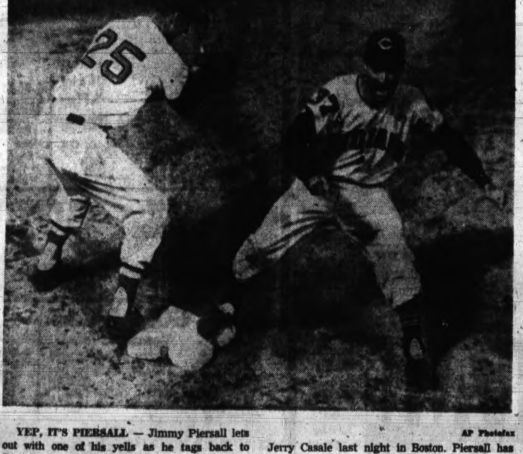
## Dawson, Rankin Share Seniors' Halfway Lead

RYE, N.Y. (AP) — Defending champion John W. Dawson of Palm Desert, Calif., and Allen R. Rankin of Columbus, Ohio, shared the halfway lead in the 56th U. S. Seniors' Golf Assn. championship after a record field of 408 players competed on two courses Tuesday.

★ ★ ★

Each scored a 3-under-par 35-34—69 on the South course at the Westchester Country Club for a three-stroke lead. They'll play their final round Wednesday at Apawamis Club as the field shifts courses. Both are par 72 layouts.

Dawson, 57, is shooting for his third consecutive crown.



YEP, IT'S PIERSALL — Jimmy Piersall lets out with one of his yells as he tags back to first base safely when Boston first baseman Bobby Thompson takes a throw from pitcher Jerry Casale last night in Boston. Piersall has been under mental strain of recent games. The Indians won the game, 12-3.

YOST SCORES — Kicking up a cloud of dust, Detroit third baseman Eddie Yost scores in the first inning of the game at Baltimore last night as Oriole catcher Clint Courtney awaits the throw. Yost scored from second on Al Kaline's single. The Tigers beat the league leading Orioles, 5-2, behind the pitching of Don Mossi.

## Tail End Clubs Hurt Bengals in Standings

### Mossi Stops Surprising Orioles on 6-Hits for Win, 5-2

BALTIMORE (AP) — The Detroit Tigers are playing turnabout with an old baseball pennant formula: "Beat the brains out of the second division teams and break even with the first-division clubs."

The Tigers strengthened their edge over the league's top four teams by belting the surprising Baltimore Orioles 5-2 last night behind Don Mossi's six-hit pitching and home runs by Charlie Maxwell and Steve Bilko.

**The triumph gave Detroit a 7-1 edge over the Birds this season and made its over-all mark against the upper division teams a fine 14-10. Manager Jimmie Dykes club holds a 6-4 edge over Cleveland and 4-3 over the White Sox, while holding the Yankees even in four games.**

But the opposite picture shows one scans the Tigers' success against the loop's last three clubs: The tail enders hold a 7-11 edge over the Tigers.

★ ★ ★

Frank Lary, who was KO'd in his last start against Cleveland, will try to keep Detroit's winning ways against the top teams on the right track when he duels with the Orioles' Jack Fisher tonight.

**Sparked by a pre-game fireworks show put on for an interfaith charity crowd of 30,579 the Tigers continued the eruption by clobbering knuckle-baller Hoyt Wilhelm for all of their runs in the first five innings to grab the opener of the four-game set.**

Bunched among Detroit's 10 hits were a lead-off homer by Billos in the second frame and a two-run circuit blast by Maxwell, his eighth of the season, in the third. Eddie Yost preceded Maxwell's circuit clout with a double.

★ ★ ★

Detroit's other runs came on singles by Yost and Al Kaline in the first, and a single by Red Wilson, a stolen base and a Mossi's single in the fourth.

Mossi, who evened his record at 3-3, grew stronger as he went along, retiring Baltimore batters in order in the last two innings. He held the Orioles scoreless until the fourth when they bunched a walk and two singles for a run.

Baltimore's final tally came in the fifth when Jackie Brandt hit a solo homer, his sixth of the season, in the sixth.

## Accused by NFL

## Dallas Texans 'Pirates'

DALLAS, Tex. (AP)—National Football League Commissioner Pete Rozelle Tuesday accused the Dallas Texans and other American League clubs of pirating players from his circuit.

Rozelle said Jimmy Harris, former quarterback at the University of Oklahoma, recently signed by Lamar Hunt's Texans, still is pro football property of the Los Angeles Rams.

★ ★ ★

He said also that Gene Babb, former Austin College fullback, although legally traded to the Dallas Cowboys of the NFL by The San Francisco 49ers, had been signed by the Houston Oilers.

"There have been about a dozen such cases," said Rozelle. "I am disappointed that Mr. Joe Foss, the American League commissioner, has not been able to stop his league's clubs from signing players under option to the National Football League Clubs."

Rozelle said Harris and Babb, although they didn't play with the Rams and 49ers respectively in 1958, were still under option to those clubs.

★ ★ ★

Don Rossi, Texans' general manager, claims Harris left the Rams because of a salary disagreement. "And since he didn't play last year, I thought he was okay," Rossi said.

Rozelle refused to answer a question as to whether court action would be taken against the Texans, but he indicated such a possibility.

"I think NFL clubs have indicated they intend to stand up for their rights," he said.

## British Open Lists Palmer and Snead

ST. ANDREWS, Scotland (AP) —Arnold Palmer and Sam Snead head the record list of 410 entries for the 100th anniversary British Open Golf Tournament July 4-9.

★ ★ ★

The Royal and Ancient, ruling body of British golf, announced Tuesday that the two American stars had filed forms and would come to St. Andrews after the Canada Cup matches in Dublin, Ireland, June 23-26.

★ ★ ★

Palmer is the Masters champion and leading money winner on the U. S. tour. Snead, who won the title here in 1946, is a three-time Masters champion who has won more tournaments than any other golfer—105 at last count.

## No Winner in This Bout

FRESNO, Calif. (AP) — Lightweight Gil Cadilli of Los Angeles and Noel Humphreys of Charleston, W. Va., drew Tuesday night in a fast 10-rounder. Cadilli weighed 131; Humphreys 129½.

## Adams Gets 2 Wingers

## Deals Popping for Wings

MONTREAL (AP) — It took a while for the deals to start popping, but Detroit Red Wing general manager Jack Adams got the two right-wingers he came for yesterday.

Adams gave Montreal $20,000 and an unnamed minor league player for Allen Johnson at the National Hockey League meetings. The general manager got Howard Glover from Chicago for veteran defenseman Jim Morrison.

**The newcomers are 25, approximately the same size — 5 feet, 11 inches and 175 to 185 pounds — and both are reputedly hard checkers. Glover scored 31 goals for Buffalo of the American League last season and Johnson tallied 29 for Spokane of the Western League.**

Adams said he is interested in making more trades. He also indicated that he will be an active participant in the NHL draft today.

Montreal was involved in most of yesterday's trading action. Left Wing Ab McDonald and Minor Leaguers Bob Courcy, Bud Fleming and Cecil Hoekstra went to Chicago for former Red Wing Glen Skov, right wing Terry Gray, an unnamed player, option on ex-National Leaguers Lorn Ferguson, Bob Bailey and Danny Lewicki, and Cash.

Skov is expected to fit immediately into the Canadien lineup. The others will play in Montreal's farm system.

The Boston Bruins paid Montreal over $20,000 for Bill Carter, a 22-year-old center who scored 102 points for Ottawa-Hull of the Eastern Professional League.

## CIO 9 Bombs Oxford, 20-0

Winless Oxford took it on the chin again yesterday in the Class A City Baseball League — and how!

In a game stopped at the end of five innings on the Wisner Field diamond, CIO Local 594 clubbed 14 hits and scored eight runs in the 1st inning while drubbing the Oxford team, 20-0.

Chuck Graves and Mel Taylor made three hits apiece with Taylor clouting a two-run homer in the 2nd. Ted Reaver and Jim Warner shared mound duties for the CIO and gave up only three hits with Reaver getting the win.

In Class B games yesterday at Jaycee Park, Jim Hoke hurled a sparkling one-hitter to future Lytell & Colegrove's 7-1 victory over Talbott Lumber and Pontiac Business Institute, making he most of five hits and eight enemy errors, trounced Elizabeth Lake Estates, 12-1.

## Doctoring Your Golf

By DR. CARY MIDDLECOFF

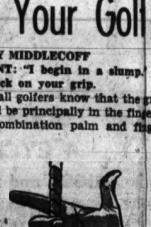
**PATIENT'S COMPLAINT: "I begin in a slump."**

**DIAGNOSIS: Let's check on your grip.**

**TREATMENT:** Nearly all golfers know that the grip with the right hand should be principally in the fingers, and the left hand is a combination palm and finger grip.

Nearly all of them know this, as I say, but a lot of them tend to forget it or ignore it from time to time. That's one reason why golfers in a slump often find their trouble lies in being careless about the grip.

An important point about the grip is that the two middle fingers of the right hand are the ones that should apply the major pressure.



**Too much pressure applied by the index finger and thumb tenses forearm muscles that should stay relaxed.**

Check your grip from time to time. That way you can often avoid getting into a slump right from the start.

# Prep Front

By CHUCK ABAIR

Another high school sports season has gone into the record books as the prep boys turn their attentions to final examinations, graduation and other year-end activities.

A successful climax to another busy spring was the first All-Oakland County track meet at Southfield. Pontiac Central won team honors as expected but there were several individual surprises.

Fans of Bloomfield Hills will long remember the showings of Barry Armstrong and Dick Ford on the meet which was otherwise dominated by Class A stars. Armstrong bettered the state "B" mile mark in a surprising upset of Chief Joe Anderson. Ford was second by one-tenth of a second in the 880 also topping the state's best.

★ ★ ★

Athletic director Monte Charles of the host school, PCH boss Dean Wilson and several others put in long hours making arrangements for the classic which should keep growing and growing as an annual spring feature. Attendance at the first one almost doubled the crowd at the Class A finals in Ann Arbor.

★ ★ ★

The fine facilities of the Bluejays will likely continue to be used with current plans calling for having the affair on an earlier date in the future.

Central wound up the spring as Oakland County's only state champion although Birmingham Seaholm and others made game bids in golf and tennis. There is no such thing in baseball.

★ ★ ★

Walled Lake High had a happy windup winning the golf title and taking second in track to capture the first All-Sports trophy of the Inter-Lakes League. The Vikings totaled 33 points to turn the trick also featuring firsts in football and cross country. Farmington was runnerup with 28, Berkley had 25½, Pontiac Northern 24½, Southfield 19½ and Waterford 18½.

★ ★ ★

Oxford and Northville have finally hired new football coaches. Walt Braun, mentioned here several weeks ago as the top aspirant, will leave Brown City to boss the Wildcats. Veteran Royal Oak Shrine leader Ron Horvath is going to NHS.

**SKIPPING AROUND**

Former St. Michael grid assistant Mike Kazakos has been trying to land a job as a trainer and/or equipment manager in the new American Football loop . . . Clarenceville batters struck out only 22 times in 10 Wayne-Oakland games . . . Athlete Don LeDuc salutatorian at Lapeer.

★ ★ ★

Romeo's Jim Windborn was named track most valuable on his 18th birthday. A consistent dash winner, he piled up 68½ points with a 10.5 in the 100 and 23.3 in 220 his best times. He will go on active duty in Navy in July. Collin Emmett was picked team captain . . . Herb Butler of Pontiac Central and former Waterford performer Gary Meeker won Ferris varsity track letters. Butler is only a freshman.

★ ★ ★

Birmingham Seaholm wound up with its 7th straight dual crown and now has taken 38 successive dual meets in track . . . Departing Northville grid coach Ron Schipper seeking an assistant for his Jackson staff . . . Several area coaches will hold summer recreation positions.

## NCAA World Series Has 8-Team Field

college baseball world series is all set for its opening Friday night with North Carolina and Colorado State having filled out the eight-team field Tuesday.

★ ★ ★

North Carolina racked up its 14th straight win, 7-5 over Florida, to win the District 3 spot and Colorado State took two games from Utah, 3-2 and 6-2, to become the District 7 qualifier.

★ ★ ★

The Friday night opener puts Oklahoma State, the defending 1959 runnerup. The six other teams start Saturday.

# Braves Out to Steal NL Scene

By The Associated Press

If things keep up, those Milwaukee Braves are going to steal the scene from Pittsburgh's flopping Pirates and San Francisco's reluctant Giants in the National League race.

★ ★ ★

The Pirates, once again finding rough going on the road, lost their third in a row, 13-2 at Chicago, Tuesday, but retained a one-game lead as the second-place Giants lost 5-1 to Cincinnati. It was the fourth time the Giants have blown a chance to close in on the Pirates in the past nine days.

★ ★ ★

Third-place Milwaukee meanwhile, moved within 3½ games of Pittsburgh and went two games up on San Francisco in the "lost" column with a 6-4 decision at Los Angeles on five unearned runs. The Braves have won six of their last seven games.

Last-place Philadelphia stopped the rallying St. Louis Cardinals 5-3.

★ ★ ★

The Giants, slumping in the clutch, didn't have a hit for 5 1-3 innings against young Jay Hook (5-4) and were shut out on two singles until the eighth. Then Jim Marshall hit a pinch triple and Willie McCovey, benched along with Orlando Cepeda for weak work with the bat, singled. Bob Grim finally saved it for Hook, getting Willie Mays (0-for-4) on a bases-loaded fly for the final out.

San Francisco left eight men on base—for a total of 65 the Giants have left stranded while losing five of the last nine games, all at home.

★ ★ ★

The Reds, six games back in fourth, sent Johnny Antonelli (3-3) to his third straight defeat with three runs in the second on a walk and singles by Gus Bell, Ed Bailey, Roy McMillan and Billy Martin. Vada Pinson added his sixth home run, off Joe Shipley, in the seventh. Bell drove in another run in the ninth against Billy Loes.

Milwaukee and the Dodgers swapped solo home runs by Del Crandall and Frank Howard, but the Braves cracked the tie with the free five in the fifth. After Crandall singled, two errors loaded the bases and loser Johnny Podres (4-5) then forced in a run by walking Ed Mathews. Two more came in when Podres fielded Hank Aaron's topper and threw wild to the plate. Mel Roach's two-run single clinched the victory.

★ ★ ★

Bob Buhl (5-2), the Braves' top winner, beat the Dodgers a second time, but needed Don McMahon's relief after giving up 10 hits in 6 2-3 innings. It was the Dodgers' sixth loss in eight games.

★ ★ ★

The seventh-place Cubs, rolling up 25 runs in two games and 47 while winning four of their last five, stunned the Pirates and Vern Law (8-2) with four unearned runs and a 5-0 lead in two frames. They got five more in the third off Benny Daniels. Ernie Banks, Bob Will and Walt Moryn each had three hits in the Cubs' 16-hit barrage, with Banks drive in four and Will three. Southpaw Dick Ellsworth (3-2) beat the Pirates a second time, pitching a four-hit shutout until the eighth, then needing relief in the ninth.

★ ★ ★

Robin Roberts (2-7) a winner for the first time in more than a month after losing five straight, beat the Cards with a two-run, two-out single in the fourth. He had a shutout until the sixth, when Bill White homered. Bob Miller (3-1) lost it, giving up a first-inning homer by Harry Anderson. The Cards had won six of their last nine.

## NAIA Champ Advances

SIOUX CITY, Iowa (AP)—Defending champion Southern University of Louisiana shelled three pitchers for eight runs in the eighth inning to defeat Sam Houston State 10-8 in the second round of the NAIA baseball championships Tuesday night.

★

The loss was Sam Houston's first in the double elimination tournament. Southern is still undefeated. Earlier, Southern Illinois and Morningside were eliminated.

Omaha handed Morningside its second defeat 8-1 and Indiana State (Pa) ousted Southern Illinois 2-1.

NEW YORK (AP) — The condition of 21-year-old lightweight, Tommy Pacheco, was described as "critical" early today, a little more than 24 hours after being knocked out in a bout at St. Nicholas Arena.

Benny Gordon stopped Pacheco just 11 seconds before the end of their scheduled 10-rounder.

## Mickey Wright Drops Out of Round Robin

ELMSFORD, N.Y. (AP) — Mickey Wright, National Women's Open champion, withdrew Tuesday from the $13,100 Round Robin Golf Tournament at the Knollwood Country Club and her place was assigned to Jo Ann Prentice of Birmingham, Ala.

★ ★

The tournament—a five-round event in which each players must match her medal score against each of the other 15 entrants—opens Thursday and ends Sunday. A pro-celebrity event is scheduled Wednesday.

Miss Wright, from San Diego, Calif., advised sponsors she would be unable to compete because she had to undergo a dental operation in Dallas. Miss Prentice was first alternate.

Betsy Rawls of Spartanburg, S.C., leading money winner of 1959, is defending champion. The girls play in foursomes, which are juggled for each round.

## Ailing Ingemar Visits Doctor

GROSSINGER, N.Y. (AP) — World heavyweight champion Ingemar Johansson, ailing with a sprained back, had an appointment with a physician today.

Just how serious the sprain is, Ingo wouldn't say, but he observed:

"I'm feeling much better now. It could be the same type that bothered me about a month before my first fight for the title."

Johansson has a return bout scheduled with Floyd Patterson for New York on June 20, less than two weeks away.

He called off his training session Tuesday and at first it was thought that he had an upset stomach. But, unknown to any but his closest advisers, he hopped in his private plane and flew to New York to consult Dr. Herbert Salzberg.

Johansson said that Dr. Salzberg would fly to this Catskill Mountain resort today to treat him further. He said he would do no training today and that he might have to take Thursday off, too.

## Lot of Changes in Store, Says Irate Stengel

### Yankees Beat Chisox for First Time in Five Tries, 5-2

NEW YORK (AP) — Casey Stengel, the Svengali of the dugout, is back in operation and the prospect of things to come would make strong men cringe.

★ ★ ★

The ancient skipper of the New York Yankees was given his physician's okay to return to the helm yesterday and his operatives promptly belted the Chicago White Sox for him, 5-2.

**"I'm gonna make a lot of changes," he rasped today, looking up and down the Yankee roster. "For six weeks I let all my guys play their positions. Now I'm gonna move them around."**

Did coach Ralph Houk, his heir-apparent, and the other members of the staff tell him what was going on while he was bedded down?

★ ★ ★

"What can they tell me," he snorted. "I might have been in the hospital, but I can still see pretty good and I watched almost all the games on television.

**"Some very strange things went on out there in the late innings. The club stood around waiting for the ball game to be handed to it. Sooner or later things start to happen by the other guy, the tournament is over and my guys are back in the club house."**

The victory over the White Sox was the first time in five tries this year the Yanks have been able to beat the defending champions. Jim Coates threw a four-hitter and didn't allow an earned run.

★ ★ ★

"That's the way you gotta do it," croaked Stengel. "You can't pass the buck on them. You got to settle down and make them beat you cold-blooded if they can do it.

"Those White Sox didn't look so good to me. And I seen them look that way lotsa times."

The Indians, handed six unearned runs, romped 12-3 at Boston. Washington rapped Kansas City 7-2.

★ ★ ★

The Indians, 3-0 against Boston, scored four unearned runs in the fourth. Two came in on a walk and four consecutive errors before Vic Power, who drove in four runs, capped it with a two-run homer. Jim (Mudcat) Grant (4-1) won his fourth in a row, giving up Boston's runs on homers by Marty Keough and outfield veteran Bobby Thomson, who committed two of the Red Sox' five errors in his debut as a first baseman. Jerry Casale lost his fifth in a row for a 2-5 record.

Harmon Killebrew drove in two runs, one with his fourth homer, as the Senators cracked 15 hits and regained sixth place from the A's. Camilo Pascual (6-4), given relief help when he seemed to tire in the seventh, allowed only three hits — two of them homers by Norm Siebern and Russ Snyder.

## Boxing's Great Rivals Talk Over Great Times

NEW YORK (AP) — Time has been kind to Jack Dempsey and Gene Tunney. At the social security age of 65, the old Manassa Mauler is a trim 200 pounder. Tunney, now 62, would come in about 25 pounds heavier, perhaps more if you counted the stocks and bonds.

The old ring rivals of 1926 and 1927 were together today talking over old times and discussing the parts they would play in a pre-fight TV show, the day before the June 20 Ingemar Johansson-Floyd Patterson rematch.

★ ★ ★

Thirty-three years ago they fought a rematch in Chicago that still is talked about when fight buffs gather. The argument about the "long count" still lives a third of a century later.

"I am as glad about the seventh round knockdown as Jack was," said Tunney, who got an extra breather while the referee sent Dempsey to a neutral corner after the knockdown. "It became the most talked about event in sports. After 33 years they still talk about it.

★ ★ ★

"All my career I never had been knocked down. When I got up and survived after seven practically free punches, it proved to me that I was a better fighter than I thought I was before it happened."

Dempsey said he didn't know whether Tunney could have beaten the count or not if there had been no delay. "He said he could," said Dempsey. "How do I know?"

★ ★ ★

On the matter of Johansson vs. Patterson, Tunney had this to say:

"I think Johansson is going to be in complete control. From the outset he played cat and mouse with the other fellow. I'll be very much surprised if he doesn't repeat. Possibly it will take a round or two more. It might even end more quickly.

"There is one thing. Nobody knows how Johansson can take it. If Patterson were known to have a harder blow, I would give him a better chance."

★ ★ ★

Dempsey said:

"If it was me, I'd be good and ready for that right hand. On the basis of the last fight I'd have to go along with the champion, as usual, until he gets licked. He played with him last time, hit him at will. If Patterson can get underneath without getting hit and stay inside, he's got a chance to lick him."

Dempsey looked at Tunney and added, "if Patterson had what you had—defense—he could lick him."

## Mrs. LeClair Wins WDGA Golf Outing

Mrs. Keith (Susie) LeClair, the Ann Arbor housewife, competed in her first Women's District Golf Association tournament of the season yesterday and won it with a 38-43—81 scorecard at Franklin Hills Country Club.

Mrs. LeClair was three strokes better than her nearest rivals to lead a field of 106 players, the largest this year. Mrs. Richard Marsh, Miss Helen Grinnell and Mrs. John Hume shared 2nd place with 84s.

Six ladies tied for 3rd spot at 86, including Mrs. Sam (Sue) Gawne of Bloomfield Hills, and Mrs. Bruce Hilkene and Mrs. E. L. Goddard, both from Birmingham.

SAYS MUCH
When you are asked what car you drive, it is always nice to name the top car of its class. And when you are asked where you insure your car, you say so much when you answer, "I am insured with the Exchange at the Auto Club."*
Saying that makes you a motorist of distinction. It says you are a proved, selected, good driver. Says you know your motoring. Says you have the best, yet save money. Says you know your way around. Just answering proves good things about you, and all the motoring world knows it.

FILLING THE BILL—Keeping her brood in food is a never-ending job for this trim red-eyed vireo tucking a morsel into the bill of one of her triplets. The other big-mouths squawk their demands in a tree nest at New Bedford, Mass.

## More Important Than Handouts

## Water Vital To Birds

Water in a bird bath is more important to songbirds in summer than handouts of feed, according to the National Audubon Society.

**At this season nature provides a dependable cafeteria for the feathered foragers in an abundance of insects and worms. But water is likely to be short supply, or too far away from birds busy feeding young in the nest.**

John K. Terres, editor of Audubon Magazine and author of a book on attracting birds, says a bath needs daily attention as the visitors will consume, and splash out, a surprising amount of water. Evaporation alone will deplete the supply on hot, windy days. Cleaning the bird bath every few days to remove the accumulation of algae and dirt also is advisable.

★ ★ ★

In his book "Songbirds in Your Garden" Terres describes a tested method of simplifying the chore of keeping a bird bath filled, and at the same time attracting more birds. He hangs a bucket on a tree limb so its bottom is about two feet above the bath. He punctures a small hole so only an occasional drop of water will seep out, and keeps the bucket filled. The sound of falling water, he says, attracts birds that might not otherwise find the bird bath.

## Metro Makes Plans for Special Events

Plans have been completed for two special events at Metropolitan Beach on Lake St. Clair, June 19 and June 25.

★ ★ ★

The first event is the "Summer Festival Day" which really marks the beginning of full-scale activities at the big Huron-Clinton Authority area.

**A flag-raising ceremony at 2 p.m. will be followed by a water ski show at 2:15 and crowning of Miss Metropolitan Beach. Detroit Little Symphony will provide music and dancing will be enjoyed.**

★ ★ ★

Facilities will be open nightly to 11 o'clock through Labor Day.

The June 25th event is the annual children's day, when crowning a prince and princess will provide the highlight.

## Bad Day for Anglers

DUNCAN, Okla. (UP)—Two men may not think any future fishing trip worth the bother. First W. C. Knight dropped his rod and reel overboard. Later they got stuck on a sand bar and one of them got wet pushing the boat free. Then angler T. L. Roper dropped his eye glasses overboard.

## Find Bass in Pools

Stream bass like current, cool pools and rocky ledges. Let lure flutter toward bottom and retrieve in a jerky motion.

## Choice Fish Bait

Catalpa worms are among the choicest baits for panfish. Frozen in ice water in small plastic bags, they come in handy if live bait can't be had.

## Michigan Given National Awards in Conservation

LANSING — Michigan's Conservation Department received a pair of firsts and a second in awards made by the American Assn. of Conservation Information at Miami Beach.

★ ★ ★

In first place were "Michigan Whitetails," an 80-page non-technical publication reviewing the state's deer story and "Michigan Conservation," the department's weekly television show. Second place honors for magazine excellence went to "Michigan Conservation" the department's bi-monthly publication.

## Perfect for Beginners

Clay targets are a perfect way to introduce someone to shooting. Each shot can be observed and criticized; light guns and loads guard against flinching.

# BOH Show June 22-26

## Olympic Year Provides Added Color for Event

By The Press Outdoor Editor

This is Olympic Year for the world's best in all sorts of athletic and sports competition. That goes also for the field of horsemanship, the equestrian events that each Olympic year produce some of the exciting features for the big Games.

**Horse shows all over the nation will stress Olympic-type competition in their programs, and one of the finest shows in the USA is the annual Detroit Horse Show at Bloomfield Open Hunt club. This summer's exhibition has been set for June 22-26, it was announced today by DHS-BOH officials.**

Budd S. Eichner, ticket chairman, pointed to the fact this show "has always been an exciting and colorful affair. It has been attended by ever-increasing numbers since its inception many years ago. The 1960 show promises to be the best yet, with an outstanding list of hunters and jumpers." He also anticipated ticket sales will hit a new high.

**DHS EXHIBITION 40 YEARS OLD**

The show has been an annual highlighted event at BOH for more than 40 years, and many of the country's greatest show horses and riders, men, women and juniors have appeared on the Hunt Club's greensward.

★ ★ ★

**Eichner mentioned that the Olympic games equestrian activities will certainly heighten local interest in the coming show. Site for the show at BOH is on East Long Lake road, east of Woodward Ave. about one mile.**

Oakland County Council, Disabled American Veterans, will conduct the advance ticket sales, and share in the proceeds. The council includes Chapters 16-17 of Pontiac and Chapter 19 of Southern Oakland County. This is the 2nd year the DAV has handled ticket sales.

**QUESTION OF STREAM'S USE**

This observer has been asked by trout fishermen of the area, several times recently, about the rights of a wading angler, who fishes a stream. Chief point at issue is whether or not property owners along such streams are legally able to "throw" fishermen off the stream, whether or not they leave the stream.

★ ★ ★

**"It's a question of the stream's history" says conservation officer Cyril Adams of Lake Orion. "If such stream has ever been navigable, or used for logging purposes, the fisherman has a right to wade it, even across private lands, providing, of course, he does not leave the water, and has had access to it from public lands."**

However, the officer explains, fishermen in doubt over the rights in any particular stream should first consult officers on the question.

★ ★ ★

National Audubon Society will observe commemorative "bird walks," June 10, on American and British soil, honoring Theodore Roosevelt, who established the first federal bird refuge and wild geese preserves. "Teddy" Roosevelt's conservation accomplishments are well known, but his bird studies have been more obscured.

**'SWEET' BABY**

Here's another illustration of the "mother complex" that seems to be held by most all creatures. The cute little baby skunk abandoned by its parents, practically without a (s)cent, was getting a free meal from a doll's milk bottle, held by a foster parent. He's on his sweetest behaviour.

Even the usually tough babies will adopt the first person, or animal that assuages the primal urge for food. It sometimes makes for rather odd relationships.

**PIKE TAKING 'SILVER' SPOONS**

**"Spoonfishing" for northern pike has been productive on Lake Orion, reports conservation officer Cyril Adams. Fishermen are getting good-sized fish, with the biggest listed as 8½-pounds. Medium-sized silver spoons, trolled in fairly deep water bring the strikes.**

## 9,600 Visit 'Metro' in May

## Nature Programs Boom

With more than 9,600 persons using naturalist services, May proved to be one of the busiest months for Huron-Clinton Metropolitan Authority naturalists for the second year in a row.

★ ★ ★

Included in this figure were 6,000 visitors who registered at the Nature Center in Kensington Metropolitan Park, and the highest attendance for a Saturday was recorded on May 21 when close to 1,000 persons viewed exhibits.

**Naturalist services include guided field trips along park nature trails, leader training sessions, lectures and exhibits. Exhibits of natural science are displayed "year-around" at the Nature Center.**

There is no record to indicate the number of individuals and family groups which take unguided hikes along the trails.

Nature trails are located at Kensington Metropolitan Park near Milford, Lower Huron Metropolitan Park near Belleville, Metropolitan Beach on Lake St. Clair near Mt. Clemens and Hudson Mills Metropolitan Park, located 12 miles northwest of Ann Arbor near the junction of North Territorial road and Huron River Drive.

## Summer Tours at Seney's Refuge Start June 15

Seney National Wildlife Refuge will begin its summer-long series of auto tours on June 15 and continue through Sept. 9.

**The auto tour will leave Refuge Headquarters at 6 p.m., seven days per week, including holidays. You may travel in your own automobile. Tours last approximately one and one-half hours.**

The tour winds along 12 miles of dikes, pine ridges and marshes of the refuge. The tour leader will explain points of interest and wildlife management operations along the route. Ducks, geese, deer and other species of wildlife are usually seen as well as interesting trees and flowers.

★ ★ ★

The auto-tour is a no-charge service provided to acquaint visitors with the refuge program of the Bureau of Sports Fisheries and Wildlife and to create interest in wildlife conservation.

## National Casting Tourney at Warren

This area will be the scene of the National Casting tourney.

Announcement has been made by the National Assn. of Angling and Casting Clubs that the big event has been scheduled for Aug. 15-21, inclusive, at Warren, with the Detroit Bait and Fly Casting club the host organization.

★ ★ ★

More than 400 of the top casting experts in the business are expected to participate. They include the defending champions, Marion Garber of Toledo, Jon Tarantino of California, Mel Gavin of St. Louis and Casper Rigamer of New Orleans.

★ ★ ★

Site of the tournament is the man-made lake adjacent to the GMC Chevrolet and Fisher Body buildings on Van Dyke. Public will be permitted to view the competition finale without charge, from special bleachers.

## Firearm Hunters Boost Deer Take

The Conservation Department's post-card check of some 16,000 license and special permit holders during the 1959 Michigan deer-hunting seasons shows the rifle-bearing boys accounted for the biggest boost since 1952. The firearm take was put at 115,180 on the basis of the card reports.

★ ★ ★

The northern Lower Peninsula again provided the top total.

**The overall bag, up less than two per cent from an estimated 113,000 in 1958, nevertheless was the sixth straight year of increase.**

During 39 "any deer" seasons designed to hold down winter losses, 46,970 antlerless deer and sub-legal bucks were taken, in food-shortage areas. The total is nearly double that for the preceding year.

Buck kill was down, from 72,800 to 68,210.

Another department report showed hunters failed to take at least one million pheasants for the first time in seven years. The 914,000 total was 23 per cent below 1958 figures.

## Busy OCSC Riflemen Grab Medals in State Shoots

Big-bore riflemen have been busy during the last week with members of Oakland County Sportsmen's Club squad bringing home a nice total of medals, at Lansing, Bay City and in the state team tryouts at the home range. The club marksmen did better in the Lansing shoot, and in the pre-Grayling matches at Bay City.

The 13 who shot at Bay City took 26 awards, competing against 45 others, including Charles Schmidt, a pistoleer who shoots a rifle as a sideline. Chuck was 4th in match (234-11v), led marksmen class, was first at 300-yard slowfire, class winner at 300-rapidfire, topped his class in rapid-fire aggregates, was 2nd marksman at 200-rapidfire and 2nd in slowfire aggregate.

**Chuck's buddy, R. Gschwind, won the unclassified division with 217-2v, led his class in 300-slowfire, 300-rapidfire, and paced rapidfire aggregate, plus a 2nd in slowfire aggregate.**

Other match winners at Bay City were C. Luxmore (241-11v); expert, C. Misner (237-11v); sharpshooter, E. Peek (229-6v). Merrick Guy came back with two firsts a 2nd.

Charles Wyman (senior and junior) won the Lansing father-son event with 203-5 and 104 match aggregates; Mr. and Mrs. R. Gibelyou led the "Pa and Ma" division with 207-4 and 192-6 aggregates. Mr. and Mrs. Don Bennet had 217-4 and 207-2 aggregates.

Bill Wolfram of OCSC was high gun in juniors at BC, taking first in unclassified 200-yard, first in 200-rapidfire and slowfire aggregate, plus a 2nd in class rapidfire and on the match. Clare Burck had three firsts and two 2nds; Ken Farnum collected a first and 2nd medal.

★ ★ ★

Three OCSC shooters made the state teams, including George Forstrom (master) on the first team with 223-6v total for the three-position tests; Bob Waggoner (top gun) and Merrick Guy on the 2nd team. Waggoner fired a 218-5V and Guy 210-4V.

**STUDIES ETHICS** —The Rev. James M. Lawson catches up with his reading at the Boston University school of theology where he has started the summer session. The Rev. The dean of the Vanderbilt University divinity school and 10 faculty members resigned in protest.

# Williams Sets Kennedy Push

## Summons Delegates to Caucus; Full Support Expected for Jack

LANSING (AP — Gov. Williams is expected to try to line up Michigan's delegation to the Democratic National Convention solidly behind Sen. John F. Kennedy (D-Mass) at a special meeting next week.

★ ★ ★

The governor has summoned the state's 102 delegates, each with one-half a vote, to a preconvention caucus at East Lansing June 18.

**Although Williams endorsed Kennedy for the Democratic presidential nomination when the pair met at Mackinac Island last week, he did not say whether he would try to deliver the delegation to the Massachusetts senator on the first ballot.**

This question may be decided when Williams meets with delegates to report on the Mackinac Island conference and developments related to the party's national platform.

★ ★ ★

One top state party official has estimated Kennedy currently could count on 40 of the 51 delegate votes with more falling in line as the July convention nears.

**The fourth vice chairman of the delegation, State AFL-CIO President August C. Scholle, has predicted that Michigan will be solidly for Kennedy by convention time.**

Meanwhile, Thomas H. E. Quimby, Democratic national committeeman, announced that copies of Kennedy's book, "Strategy for Peace," will be mailed to each Michigan delegate and alternate.

★ ★ ★

Williams cited the book as one reason for his endorsement of the Massachusetts Democrat.

# 5 Frauds Taking a Flyer End Up in Arms of Law

NEW YORK (AP)—A troupe of four circus aerialists led by a midget are accused by the state of slipping badly when they took a flyer on high finance.

The big-top five landed Monday in a police net.

★ ★ ★

The tale of high-bar acrobatics and down-to-earth scheming started in the early 1950s when the group arrived here from Hungary by way of Africa, authorities said.

After a season on the circus circuit the troupe applied for unemployment benefits but learned they were ineligible because they were free-lance artists.

With the midget acting as boss and the aerialists as employes, phony businesses were set up, said Louis Sitkin, chief investigator for the State Labor Department's division of employment.

He said they would put a little money into the state insurance fund to qualify, then claim to be laid off and apply for unemployment payments.

★ ★ ★

The troupe consisted of Alexander Hungo Hahnl, 51; his wife, Non, 50; their daughter, Ninon Marie, 23; their son, Alexander Fritz, 19; and the midget, Janos Kantor, 47.

# Dems, GOP Support Drives

## Both Endorse Push for Campaign Money, More Votes in '60

WASHINGTON (AP) — The Democratic and Republican national party chairmen have joined in endorsing a drive to spur political contributions and votes from the public in 1960.

★ ★ ★

More than 150 national organizations kicked off the drive Monday. John C. Cornelius, president of the American Heritage Foundation, predicted it will bring out the largest vote in American history this fall.

The foundation is sponsoring the get-out-the-vote campaign with the Advertising Council, which will solicit free advertising for appeals for dollars and votes.

Cornelius said "today when our government faces so many crucial challenges it is more essential than ever that our ablest citizens enter public life. Voting is basic, but it is the barest minimum of political participation.

★ ★ ★

"It is also essential that more of our people take an active part in politics and contribute to the party of their choice. Politics is too important to be left to the politicians."

Sen. Thruston B. Morton of Kentucky, the Republican chairman, and Paul M. Butler, Democratic chairman, backed the drive.

★ ★ ★

Butler said it is estimated that the 1956 campaign—local, state and national—cost close to 200 million dollars.

# *Two Justices to Be Honored at Dinner Tonight*

The Oakland County Judicial Assn. will present two awards tonight at its last meeting until fall, according to Joseph Terrien, Justice Court coordinator.

★ ★ ★

The dinner meeting is scheduled for 7 at Rotunda Inn in West Bloomfield Township.

**The identity of the justices who will be honored has been kept secret but "the awards are for two of our veteran justices for their long service in the legal field," Terrien said.**

"It will mark the first time the association has ever presented two such awards," he added.

Hosting the group will be West Bloomfield Township Justices Elmer C. Dieterle and Robert F. Scott. More than 50 are expected to attend.

## Pontiac City Affairs

# Commission Accepts 4 Zoning Changes

Four zoning changes recommended by the planning commissioner were accepted last night by the City Commission.

★ ★ ★

An ordinance affecting one of them was adopted after a public hearing. This rezoned from residential to personal service the rear 270 feet of a lot on the north side of West Huron street between Thorpe and Lincoln.

Ordinances were ordered for the three other changes.

**The first would rezone from residential to commercial 2½ lots at the southeast corner of West Huron street and Johnson avenue, whege a medical office building is planned.**

The second would see eight lots in the Buena Vista subdivision rezoned from commercial to residential. Bounded by Kennett road, Dearborn street and Carlisle avenue, the lots are in an area where a shopping center was once contemplated.

★ ★ ★

Finally, a year-old deadlock was broken when the Commission ordered an ordinance to rezone from residential to commercial the five lots at the northwest corner of East Walton boulevard and University avenue, despite the fact that right-of-way for future Walton widening has been deeded from only two of the lots.

**The Planning Commission recommended going ahead with the rezoning, although the commission had once decided to get right-of-way from all five lots before granting the zoning request.**

There were no objections raised at hearings on four assessment rolls. They cover:

Curbs and gutters on Third avenue, Joslyn to Highwood, and on Second avenue, Joslyn to Laurel; a combined sewer on Sheffield avenue, Highwood to Ivy (extended), and a water main on Locke street.

★ ★ ★

Overrruled was a protest petition from Second avenue residents, signed by only 27 per cent of the affected property owners.

**Mayor Philip E. Rowston delayed introduction of the proposed ambulance control ordinance, saying it was still being discussed by interested parties.**

By a 6-1 vote, Richard D. Puertas was granted an SDM license in conjunction with his Class C liquor license at 879 Baldwin avenue. Commissioner Wesley J. Wood was opposed.

★ ★ ★

Commissioner Robert A. Landry submitted a neighborhood petition asking for the vacation of the alley between Cottage and Wall streets.

Commissioner John A. Dugan won support in placing on the public improvement program a proposal for curbs and gutters on Cameron street, Baltimore to Mt. Clemens. He said the majority of property owners had signed a petition for the work.

NOTICE OF MEETING OF ALL LONG Lake (Commerce Township) property owners or those owning property having access thereto.

Notice is hereby given that a General meeting will be held at the Clifford St. Smart Junior High School, 3700 Commerce Road, on Sunday, June 26th, 1960, at 2:30 p.m. to discuss the reclamation of Long Lake by the Waterways Control and Development Company.

NOTICE OF HEARING ON SPECIAL assessment improvements by Bloomfield Township Board.

To the owners of the following described property:

Lots 10, 15 thru 27 inclusive of Berkshire Glens, Lots 104 thru 122 inclusive of Berkshire Villas No. 2, Section 33, Bloomfield Township, Oakland County, Michigan.

Please take notice that the Township Board of the Township of Bloomfield has tentatively declared its intention to make the following described improvements:

Construction of 3,100 lineal feet of 8" Sanitary Sewer including 15 manholes and 686 lineal feet of 6" house leads in Old Mill Road and Chula Vista Lane, Berkshire Glens and Berkshire Villas No. 2, Section 33, Bloomfield Township, and has tentatively designated the special assessment district against which the cost of said improvements is to be assessed as consisting of all the lots and parcels of lands set forth above.

Plans and estimates have been prepared and are on file with the Township Clerk for public examination. The estimated cost as prepared shows the cost of said project to be $37,200.00.

Take further notice that the Township Board will meet on June 13, 1960 at 7:30 o'clock p.m., at the Bloomfield Township Hall, in the Township of Bloomfield for the purpose of hearing any objections to the petition, to the improvements and to the special assessment district therefor.

## 'Has' U.S. War Plans

HAMBURG, Germany (AP)—East German Communist party leader Walter Ulbricht says he is in possession of "war plans" prepared by the U.S. military mission in Potsdam.

## Recreation Study Eyed for Pontiac

**The City Commission has taken** under study proposals for a professional survey of Pontiac recreational needs and a citywide youth conference this fall.

★ ★ ★

The recommendations were made by the city's Youth Assistant Committee which the commission a month ago asked to consider recreation.

**George P. Caronis, in a report delivered to the Commission last night, said the committee thought youth should be consulted on the subject of recreation.**

Mayor Philip E. Rowston and several other commissioners expressed optimism about chances for a conference.

**LESS ENTHUSIASTIC**

The Commission was less enthusiastic about a costly professional study. But several commissioners saw the possibility of retaining a university graduate student to do such work as part of his scholarly training.

**Caronis said the committee believed recreational needs must be explored from every angle before recommendations can be considered.**

"The goal of our joint efforts should be recommendations that can lead to action," he said.

# Hargrove Found Innocent of Killing Mistress' Mate

PAINESVILLE, Ohio (UPI) — An 11-man, one-woman jury found handsome 34-year-old Floyd Hargrove innocent today of the Christmas Eve sniper slaying of Charles Clark, husband of Hargrove's mistress.

★ ★ ★

Spectators who had packed the courtroom throughout the sensational murder trial reacted approval when the Lake County jury returned its verdict after nearly five hours of deliberation.

**Hargrove, who twice confessed the slaying and was highly nervous during the trial, broke into a broad grin.**

Clark, a Sunday School teacher and Boy Scout leader, was killed in the kitchen of his home by a .22 caliber rifle bullet as he was helping his daughter open a can of pumpkin.

**LIE TEST DISAGREES**

Three days later, Hargrove, a laundry truck driver, confessed the crime, but a lie detector test convinced authorities that he was innocent.

**The state later acquired evidence which it said proved Hargrove owned the death weapon. He was rearrested on New Year's Eve and again confessed.**

He later declared his innocence, describing the confession as an attempt to shield Mrs. Lois Clark.

★ ★ ★

Hargrove described on the witness stand his torrid love affair with Mrs. Clark, a former model and mother of four.

**He said he saw her three or four times a week for nine months and arranged for her to have a miscarriage when she found herself pregnant.**

Mrs. Clark appeared as a witness and corroborated his story.

**NUMBER OF OTHERS**

She testified she had been intimate with a number of other men, and said she had tried to break off her affair with Hargrove.

**She said she would believe Hargrove innocent if he so testified under oath.**

If Hargrove had been found guilty of first degree murder without mercy, he would have faced the electric chair.

★ ★ ★

After the acquittal he said he had no definite plans.

Mrs. Clark said she planned a trip West in her new station wagon, a present from Clark's parents, who were in the courtroom when she confessed her infidelities.

## Splits on Contract Bell Local at Flint

FLINT (UPI) — Flint employes of Michigan Bell Telephone Co. deadlocked yesterday over ratification of a new contract reached by the company and the Communications Workers of America Monday.

**Miss Jean Addison, vice president of Local 4103 of the CWA, said the vote on ratification of the new agreement ended in a tie but declined to release the exact figures.**

The Flint Local was the first of 33 throughout the state scheduled to vote on ratification of the new agreement within the next 30 days.

Miss Addison said the ratification vote drew "one of the largest turnouts at the local in recent years, indicating strong sentiments about the agreement.

"Dissatisfaction seemed to be running very high," she said. "I don't know why for sure, perhaps they're just fed up."

## Adrian Hires Manager From Three Rivers

ADRAIN (AP)—The City Commission has hired Clifford Myles of Three Rivers as new city administrator at a salary of $10,500 a year.

Myles, 35, has been city administrator at Three Rivers for four years. He was formerly city administrator at Gaylord and before then assistant manager of the Ann Arbor Water Department.

Myles succeeds Robert Finley who left here to become a township manager in Pennsylvania.

## Selling Push Heavy in Corn, Soybeans

CHICAGO (AP) — Selling pressure was moderate to heavy in corn and soybean futures during early dealings today on the board of trade and those commodities led a continued downward price trend.

★ ★ ★

Soybeans were off major fractions during the first several minutes and corn was off about a half cent. Other changes were in minor fractions.

Reports that the government had begun selling loan-defaulted soybeans was a major factor in the liquidation along with the outlook for a rather large carryover of commercial stocks.

The setback dropped the July delivery to another low for the season.

## Crashes Into Tree With Motor Scooter

A 15-year-old Waterford Township youth attempting to pass a car waiting to make a turn from Hatchery road onto Crescent Lake road, lost control of his motor scooter early today and crashed into a tree.

Larry D. Newmarch, of 762 Pickering St., told township police he was attempting to pass a stopped car, driven by Mrs. Clarence M. Dodge of 2361 Silver Circle, on the right shoulder of the road, when he skidded on the gravel and was thrown against a small tree.

He was taken to Pontiac General Hospital with lacerations on the face and head, treated and released.

## Wrong Address Given for Man in Assault Case

Earl Matteson Jr., 34, who faces arraignment in Macomb County Circuit Court on a charge of assault with a deadly weapon, lives at 49 James St., Pontiac, and not 46 James St. as stated in yesterday's edition.

Matteson is free on bond set in Macomb Justice Court at $1,500.

He is accused of threatening to kill a man he believed to be his wife's ex-husband with a shotgun.

# Backs Senate OK of Pact With Japan Before Visit

WASHINGTON (AP) — Sen. J. William Fulbright (D-Ark) voiced his full support today for Senate ratification of the new U.S.-Japanese security treaty in advance of President Eisenhowers visit to Japan.

He and other members of the Senate Foreign Relations Committee, of which Fulbright is chairman, said they are convinced Eisenhower will go to Tokyo June 19 unless the Japanese government should ask a delky.

The White House said Tuesday "no change is contemplated," in plans for the three-day visit.

**Japanese conservatives today made plans to rally 600,000 Japanese to give President Eisenhower a rousing welcome, countering leftist demonstrations against his visit.**

Prime Minister Nobusuke Kishi's Liberal - Democratic party and Japanese business leaders joined in a "National Welcome Ike Committee" to ensure a warm reception when the President arrives June 19.

★ ★ ★

An organized reception for the president was made necessary by mounting leftist opposition to the visit and student threats to stage a giant sit-down strike on the runways of Tokyo's International Airport to impede the President's landing.

Secretary of State Christian A. Herter gave the committee what Fulbright called a "persuasive case" in support of a trip now, despite left-wing demonstrations and riots in Japan.

Herter discussed the situation with the committee during a 30-minute closed door session. That followed his public appearance to urge Senate ratification of the new treaty.

But Fulbright said Herter still did not set entirely at rest his misgivings about the advisability of the trip now.

Sen. Russell B. Long (D-La) told a reporter "it is up to the President to decide,' but added: "I still hope he will not go unless he has reasonable assurance he will not be ubjected to the kind of indignities the Communist sympathizers heaped on Vice President Nixon in Venezuela."

★ ★ ★

Fulbright said he will ask the committee to consider approval of the treaty next Tuesday with a view to speeding it to the Senate floor for ratification later in the week.

"I know of no opposition in the Senate to its ratification," he told reporters. "If there is, the treaty could run into a delay. But if it is possible, I'd like to see it ratified before June 19, the date of the President's visit to Japan."

## Profit Taking Today's Story

NEW YORK (AP)—The stock market turned mixed early this afternoon in profit taking on the recent rally. Trading was active.

Gains and losses of fractions to about a point were the general rule for old line industrial issues whose resurgence lately has brought back market averages to their levels of late January.

Steels and motors backed away moderately. Oils were mostly easy.

★ ★ ★

Rails, after a hesitant start, firmed following news that a proposed emergency board has recommended a five-cent hourly wage increase for 650,000 railroad workers who have threatened strikes.

A number of the space age defense stocks continued to advance as the Senate defense funds subcommittee approved another 285 million dollar addition to the defense money bill.

Some of the leisure time stocks, which have backed away from big gains recently, met renewed demand. Airplanes were slightly higher.

**As steels took losses, Jones & Laughlin dropped more than a point while U.S. Steel and Bethlehem were fractionally lower and Republic eased. Youngstown Sheet picked up about a point in a continued recovery. Chrysler dropped about a point of its latest sizable rise. Ford and American Motors lost fractions. General Motors traded about unchanged.**

Thiokol continued its current resurgence, rising a point or more. Also in the new era defense bracket, Zenith and Lytehoo rose more than 2 while Boeing and General Dynamics advanced about a point each.

WE REFUSE TO INSULT YOUR INTELLIGENCE . . .

Our policy has always been to offer the citizens of Oakland County good, reliable transportation at a fair price. This fair price demands that we realize a profit on each car we sell. For this reason we see no reason to insult your intelligence by telling you that we are giving cars away or selling them at a loss. We simply can't afford to do business that way. If it's a good car at a fair price that you are after, then come in and see these cars today.

# Insurance Firm Bound by Agent's Word: Court

LANSING (AP) — "If you slip and break your leg tonight you'd be covered," the insurance agent told Leroy H. Bleam, 54, a Grand Rapids railroad worker.

* * *

It was one day in October 1955 and Bleam, unemployed after 32 years with the Chesapeake and Ohio, had just made an initial payment of $17.90 on an accident policy to Nat Gurwin, the insurance man.

**Four days later Bleam fell off a roof, suffering permanent and total disability. His coverage, he figured, entitled him to $100 a month for the duration of the disability. He applied for it.**

The Sterling Insurance Co. of Chicago, now known as the Constitution Life Insurance Co., refused to pay on grounds a clause in the policy withheld protection until the policy formally was issued.

The paper work hadn't cleared, company witnesses testified. The company won its case in Kent County Circuit Court, and Bleam appealed.

In a unanimous decision, the Supreme Court yesterday reversed the lower court, holding that an insurance company has to stand behind the word of its agents—regardless of particulars in the written contract.

"A corporation, such as defendant, acts through its agents and employes," the high court opinion said.

# Resignation-Hit School in Pinch

## But Vanderbilt, Center of Race Protest, Says It Will Stay Open

NASHVILLE, Tenn. (AP)—Vice Chancellor R. R. Purdy said Tuesday night Vanderbilt University would continue to operate its divinity school but added, "I have no idea where we might go from here."

Purdy commented after Dr. Walter Harrelson rejected the deanship of the school and Chancellor Harvie Branscomb accepted the resignations of 10 faculty members.

* * *

The university earlier accepted the resignation of Dean J. Robert Nelson of the divinity school.

Nelson and the faculty members quit over Vanderbilt's refusal to readmit the Rev. James M. Lawson, a Negro divinity student expelled for his role in sit-in demonstrations last March.

Purdy said Branscomb and his staff would begin to work out a solution to the school's problems today. He said he did not know if one of the remaining six faculty members would be offered the deanship or if somebody would be brought in from another school.

* * *

Harrelson said he declined the deanship offer after a series of meetings in which it appeared he would be unable to effect a settlement of the Lawson matter between the faculty and Branscomb.

# Asking Legal Level on Cass Lake Water

A petition to establish a legal level for Cass Lake in West Bloomfield and Waterford townships was referred to the Drain Committee of the Board of Supervisors yesterday.

**Some 10 owners of property abutting on the lake have petitioned Supervisor Elmer R. Johnson of Waterford Township and Supervisor John C. Rehard of West Bloomfield Township to have the county set the level.**

The committee was asked by the full Board to report back "on the expediency, desirability and necessity of establishing the level" of the lake.

# Varner Attending Talks for Heads of Universities

Chancellor D. B. Varner of Michigan State University Oakland is one of 20 American university presidents attending the first invitational Washington Seminar for College and University Presidents.

**The conclave began yesterday in Washington, D.C., and will continue through June 17 under the auspices of the Assn. for Higher Education of the National Education Assn.**

Made possible by a grant from the Danforth Foundation, the seminar will deal with national aspects of higher education.

Topics to be discussed will include higher education research programs, the impact on higher education of national programs in science and other fields, federal legislation and higher education, nationwide associations of colleges and universities, international education programs, and goals in higher education.

G. W. STARK

# City Optimists to Install Stark as President

At its annual installation dinner this evening, the Pontiac Optimist Luncheon Club will install G. W. "Bud" Stark as its president for the coming year.

Stark, who lives at 220 E. Iroquois Rd., was elected to lead the club last month.

**Other new officers to be installed are Roland Smith, first vice president; Glenn Rundell, second vice president; Julian Galan, secretary - treasurer; and George Tuson, sergeant-at-arms.**

The 1960-61 board members elected were Ray Brasch, Palmer Burns, Glen Harding, Tom Hruska and Bob Lark.

The installation dinner will take place at the Pontiac Elks Temple with cocktails at 6:30 and dinner at 8.

# 6 Assessors Hired, 7th Due

## Expected to Begin Final Appraisals on 367 Plats This Week

Six special assessors, hired by the City last night, are expected to enter the urban renewal area this week to begin final appraisals on the 367 parcels scheduled for acquisition.

* * *

A seventh assessor is expected to be hired next week, said Robert A. Stierer, assistant city manager and urban renewal coordinator.

**Retained on approval of the City Commission last night were Ward E. Partridge, David Lovinson, Henry W. Morison, Fred W. Pierce, J. Warner Wolfston and Harry Grayson.**

Stierer said the Commission would be asked to approve Leslie R. Tripp as the seventh appraiser next week.

* * *

All are professional appraisers —a requirement of the federal government, Stierer noted. All will have city credentials during their work, he added.

**The latest appraisals are to set the purchase prices which will be offered for the property the city wants. Earlier appraisals were made to give urban renewal officials an idea of what the project would cost.**

The final appraisals should be ready by July 15, said Stierer, to be submitted to the Chicago office of the Urban Renewal Administration and the Housing and Home Finance Agency in time for federal concurrence in prices by Sept. 1.

Offers to property owners will begin soon afterward, Stierer said.

# OK Bill to Add 35 Judgeships

## New Jurist for State Is on List Approved by Judiciary Committee

WASHINGTON (UPI) — The House Judiciary Committee approved Tuesday a bill to create 35 new federal judgeships to relieve overcrowded courts, including another judge for the Eastern Michigan district.

* * *

The compromise bill calls for three new Appeals Court judges and 32 new judges for federal district courts.

**Chairman Emanuel Celler (D-NY) said he was "quite sure" the House will approve the measure. He said the compromise plan resulted from a pledge by Atty. Gen. William P. Rogers that the Republican administration would appoint "genuine" Democrats to half the new judgeships.**

The administration has been urging Congress for several years to provide more judges to reduce the backlog of cases in the federal courts. Lack of such assurance has blocked previous judgeship bills in the Democratic-controlled Congress.

Federal judges now are almost evenly divided between Republicans and Democrats.

* * *

Celler said appointment of the proposed new judges on a bipartisan basis would avoid an "imbalance" that occurred during previous Democratic administrations when 80 per cent of the federal judges were Democrats.

# Oakland Wants to Clip Huron-Clinton Payments

Oakland County feels it should not have to apply the Huron-Clinton Metropolitan Authority so much money this year.

* * *

With a substantial increase in its state equalized valuation over last year — the Board of Supervisors questioned whether it wouldn't be paying the recreation authority more than its budget requires.

**Following a similar resolution from Washtenaw County, the local supervisory yesterday went on record asking the Authority for public hearings to determine whether it could get along with reduced payments from participating counties.**

Counties—others are expected to follow Washtenaw and Oakland's lead—seek to reduce the annual tax levy by the Authority from one-quarter mill to one-eighth.

**COUNTY NEEDS MORE**

Oakland's representative on the Authority board, R. Claire Cummings, believes the group can get along with less money.

**At the same time, he said, Oakland County "needs all the money we can get this year."**

The Authority gathers in Detroit tomorrow for a monthly meeting.

* * *

Hearings dates are expected to be set, Cummings said. Some opposition to the proposed millage reduction is expected.

**Oakland is being taxed $625,**

# Bobby Darin's Opening a Big Hit at the Copa

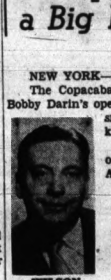
By EARL WILSON

NEW YORK—Broadway's bouncing!

The Copacabana was so crowded the other morning at Bobby Darin's opening, that when Louis Prima attempted to smooch his wife Keely Smith, he missed and kissed composer Jule Styne.

Maybe that's an exaggeration — but only one more male could have squeezed in: Eddie Arcaro.

**Jan Murray at the same early hour jampacked the Latin Quarter and Benny Goodman attracted a flock to the Basin St. East that included Rex Harrison squiring Tina Onassis. The Broadway blackout sparked a cafe comeback.**



WILSON

**"I've been after my agent for years to get me any kind of a part in a Broadway show," said comic Larry Best at the Copa, "And just this morning I got the call.**

**"I was signed to three days' picket duty."**

* * *

**Pat Boone, a "veteran" now — not quite as old as Daniel Boone — sat there up against the orchestra snapping his fingers.**

**A picture of perfect poise, Darin did his celebrated "Mack the Knife" early and at the end got a standing ovation — with the dames leaping up first. He was so confident he started an encore and then said:**

DARIN

**"I'd love to finish it but I'm sure somebody's say 'He was so good till that last song'—so, good night."**

**And he ran off—after a memorable debut.**

* * *

**THE MIDNIGHT EARL . . .**

**Louis Prima gave Keely Smith a seventh anniversary present—a plush $155,000 yacht named "My Keely" . . . The theater closing arrived just in time for Walter Pidgeon—laryngitis would have forced him out next day.**

* * *

**Vivien Leigh signed a Stevenson-for-President petition, told the petitioner: "I can't imagine what good this will do—I'm a British subject, y'know" . . . Kim Novak, radiantly beautiful but terribly tired from her hepatitis, is seeing Richard Quine—but almost nobody else at her NY hideaway. She may have to cancel "The Interne," in which she was to play a woman doctor.**

**Jack Douglas'll follow comic Jack E. Leonard into the Blue Angel . . . Sammy Davis Jr. follows his London cafe date with a South American jaunt . . .**

**EARL'S PEARLS:** Two Hollywood kids were boasting and one said: "I've got two fathers." Replied his friend: "I've got THREE." (In short, Hollywood kids don't brag about the size of their daddies, but the number.) . . . **That's earl, brother.**

## 469 at Waterford Twp. High

# Will Graduate on June 15

Graduation ceremonies for 469 Waterford Township High School seniors will be held at 8 p.m. next Wednesday on the football field next to the high school.

* * *

Chancellor D. B. Varner of Michigan State University Oakland will be the featured speaker. Remarks also will be made by Laura Lee Sherwood, valedictorian, and Catherine Lobb, salutatorian.

**Supt. William Shunck will introduce Chancellor Varner and present the senior class to the Board of Education.**

Board President Frederick J. Poole will award the diplomas to the graduates.

Tenth grade student Nancy Nouse will play the processional and recessional. The invocation and benediction will be given by the Rev. Arvid E. Anderson, pastor of Waterford Township Christ Lutheran Church.

* * *

Baccalaureate services will be held at 8 p.m. Sunday at the Waterford Township High School with the Rev. Walter Teeuwissen presiding.

The school year will end for all township children June 17.

# 'Chops Pay' of Senators in Protest

WASHINGTON (UPI) — Sen. Wayne Morse (D-Ore), angry at the Senate Labor Committee for whittling down a minimum wage proposal, introduced legislation today to cut the pay of congressmen and their staffs to 53 cents an hour.

* * *

That, said Morse, is what thousands of laundry workers across the nation are being paid.

**Members of the House and Senate now get $22,500 a year, plus an expense allowance.**

Morse's bill has no future. But it dramatized his protest over the Labor Committee's action in limiting to 6,833,000 the number of additional workers to be brought under coverage of a pending minimum wage bill.

* * *

The measure would increase from $1 to $1.25 an hour the minimum pay of workers in interstate commerce who are covered by its provisions.

Sponsored by Sen. John F. Kennedy (D-Mass), the bill originally would have put 10,731,000 more workers under the law for the first time.

In Tuesday's vote, the Labor Committee reduced this number by 3,898,000. The cut for the most part affected employes of small retail stores and service industries.

# Flaw Corrected, F102s Flying Again

MOUNT CLEMENS (UPI)—Aircraft experts have found a flaw in the F102 Delta Dagger jets at Selfridge AFB, made hasty corrections and the two-million-dollar supersonic planes are back in service.

* * *

Air Force officials at Selfridge ordered the Daggers grounded last week after two of the jets crash-landed in corn fields near the base in a period of less than a month.

* * *

Engineers from the Air Force, the Convair Division of General Dynamics, Pratt & Whitney and Bendix Corp. started dismantling one of the jets to check systematically for any defects which could have caused the F102s to lose power at low altitude.

* * *

A spokesman at Selfridge said a flaw was found and corrections made on the grounded jets. The nature of the defect was not disclosed.

# Missile Confabs End in Deadlock

## But Convair Continues Benefits for Unionists Not on Strike

SAN DIEGO, Calif. (AP)—Negotiations were deadlocked today in the crippling strike against the vital Atlas missile program as Convair—makers of Atlas—canceled all union membership clauses while vowing to continue economic benefits of its labor contract.

* * *

C. Z. Lindsay, chief negotiator for the International Assn. of Machinists, countered that the morale of workers "is still high despite company's action which in effect removes many of their rights and privileges."

A two-hour mediation session ended with no progress—and no new time set.

In a statement which a union official called "radical," Convair division of General Dynamics stated:

"All employes at Convair's three California operating divisions and all off-site bases will be told today that 'the company does not intend that any employe who is on the active payroll and working will suffer any economic loss because of the union's action.'

"As evidence of its good faith, Convair has put into effect for all hourly employes the one-cent cost of living increase that would have been authorized on June 6 under the old contract.

* * *

"We do not feel that employes should be penalized for the actions of the IAM leadership."

Clauses canceled by Convair include those providing for collection of union dues by the company, grievance procedures and union business inside the plants.

# Boys Republic Picks Executive Director

FARMINGTON — The appointment of Gordon K. Boring as executive director of Boys Republic here, was announced today by Don K. Harness, president of the board of directors.

Boring has been assistant executive director since 1953. He joined the Boys Republic staff as a counselor in 1947 on his graduation from the University of Michigan.

Boys Republic is a residential treatment center for emotionally disturbed and socially maladjusted youths, about 70 of whom are enrolled at any one time.

In his new capacity, Boring will direct a staff of 45 persons.

**"A prime requisite for effectively helping boys resolve their problems," Mr. Boring said, "is a well-trained enthusiastic staff. Boys Republic is fortunate in having such a fine staff.**

"We are convinced," he added, "that the work we are able to do with the boys and their parents, in addition to the cooperation we are getting from public schools, courts and social agencies, will greatly insure the prospects of a happier and better adjusted boy when he leaves our program and returns to the community."

# Vandals Hit 2 Schools in Waterford Township

Vandals broke into Pierce Junior High School and the Waterford Center School and created extensive damage but nothing was taken, according to township police.

Desk drawers at Waterford Center were ransacked, and red ink had been poured throughout the main lobby of the junior high school.

There are now about 17,000 tree farms in the United States embracing some 52 million acres of private land.

# Gets New Trial After 26 Years

**Pleaded Guilty as Boy to Murder; Was Tried Without Lawyer**

LANSING (AP)—After more than 26 years in prison, Louis Whitsitt will get a new trial for a murder committed when he was 17 years old.

In a unanimous ruling, the State Supreme Court Monday ordered another trial for the 44-year-old Port Huron man, convicted with three other youths in 1933 in the robbery-slaying of Joseph Nesbitt of Detroit.

**Whitsitt, with the others, was sentenced to life imprisonment, but he was the only one to appeal. Five times since 1947, Circuit Judge Alton Noe of Macomb County has denied his motions for a new trial.**

Whitsitt pleaded guilty to murder and kidnaping and was sentenced in Macomb County Circuit Court, where he appeared without counsel.

★ ★ ★

Justice Eugene F. Black, who wrote the opinion, said "no lawyer of competence would have advised this youthful defendent to plead guilty to our most serious crime." He should have had an attorney to advise him, he said.

**Nesbitt was slain Sept. 7, 1933. Whitsitt, his brother Douglas and Robert Frazer and Robert Buffa, both of Detroit, picked the man up in Detroit and drove him to a lonely country road near Muttonville in Macomb County.**

Frazer shot the man in the head and the group made off with $87 taken from his billfold. They were brought into court two days later.

Douglas Whitsitt said his brother did not know the others had planned the robbery.

# *Mamie Getting Better but Won't Go to Far East*

WASHINGTON (AP) — Mamie Eisenhower, hospitalized with asthmatic bronchitis, will not accompany the President on his Far Eastern tour.

Announcing this Tuesday, the White House reported that the First Lady is "getting along very nicely." She entered Walter Reed Army Hospital for treatment last Wednesday.

Prior to the hospitalization, the White House said, Mrs. Eisenhower was planning to go along with the President on a tour which originally included 10 days in the Soviet Union.

# Nab Ionia Escapee in Waterford Twp.

Pontiac state police yesterday apprehended an escapee from Ionia State Prison as he slept peacefully in the front seat of a parked car in Waterford Township.

**Acting on a tip phoned in by an anonymous caller, Troopers Raymond Beaudoh and John E. Sibel found David Cahatfield, 22, of 8671 Sashabaw Rd., Independence Township, in a car on Lamouth street.**

The car was parked near Cooley Lake road, troopers said. Cahatfield was not armed.

He had been serving a 1 to 5 year term for unlawfully driving away an automobile prior to his escape May 31.

KEY PRESENTATION — Grand Rapids Mayor Stanley J. Davis, left, with boutonniere, presents Sen. John F. Kennedy with the key to the city on his arrival Tuesday to address the state AFL-CIO convention. Kennedy told the labor gathering he was sure of winning the Democratic nomination for president.

### Roy Reuther Demands Payoff Proof

## *Browbeats Rep. Bentley*

GRAND RAPIDS (AP) — Roy Reuther went to bat for his big brother, United Auto Workers President Walter, last night in an angry face-to-face exchange with Rep. Alvin M. Bentley (R-Mich) on the stage of Grand Rapids Civic Auditorium.

The unscheduled blast at the Michigan AFL-CIO convention capped a night of debate between Republicans and Democrats over state taxes and medical care plans.

Sen. Stuart Symington of Missouri, Democratic presidential hopeful, was to address the convention today. The 1,200 unionists gave a foot-stamping reception yesterday to Sen. John F. Kennedy (D-Mass), front runner for the nomination who last week picked up the endorsement of Gov. Williams and August Scholle, state AFL-CIO president.

**The Massachusetts senator told a news conference that for the first time he was "sure" of winning the nomination. He said his latest survey of delegate support indicated he would get more than 600 delegate votes in the early balloting. It takes 761 to nominate a candidate.**

Roy Reuther accosted Bentley in the nearly empty auditorium after the GOP congressman had finished a debate with State Democratic Chairman Neil Staebler on medical care for the aged.

Bracing Bentley against a table, Reuther demanded he document charges made last week that Williams' endorsement of Kennedy for the presidential nomination was a "payoff."

Bentley contended the governor and Walter Reuther, planned the endorsement to pay Kennedy and his brother, Robert, for bypassing the union leader in a Senate labor-management rackets investigation last year.

The younger Kennedy was chief counsel for the Senate subcommittee.

**"That was cheap political chicanery and you know it," snapped Roy Reuther, who is director of the UAW's Citizenship (political action) Committee.**

"I want you to document those charges," he said, wagging a finger in Bentley's face.

The congressman, candidate for the Republican nomination for the U.S. Senate, listened in stony silence.

"I am not compelled to tell you that, sir, but I will document what I said in due time," Bentley said.

The congressman told a reporter later he would elaborate on his accusations during his campaign.

## Drop in Traffic Tickets Laid to Straley's Return

Morale has dipped in the Pontiac Police Department since Police Chief Herbert W. Straley returned to office five months ago, Police Capt. Donny Ashley asserted before the City Commission last night.

Poor traffic enforcement is one result, he declared.

"Morale is so low that it is impossible for me as a supervisor to enthuse the men to go out and do a good day's work," said Ashley in answer to criticism of law enforcement.

★ ★ ★

"Morale started on an immediate decline after Straley's return and it won't improve until the City Commission takes positive action."

**Ashley said the number of tickets issued for traffic violations had dropped more than 50 per cent since last fall, when George D. Eastman, former public safety director, ordered a new crackdown on moving violations.**

"When morale is low, it's the easiest thing in the world for a police officer not to notice a traffic violation," he observed.

★ ★ ★

The first serious public discussion by the Commission of Straley and the police department in several months was prompted by Commissioner Wesley J. Wood, who questioned statistics in the administration's weekly newsletter.

**The figures showed that Municipal Court had received from the police department only 1,660 traffic and parking tickets in May, compared with 1,985 in April.**

Most serious, Wood noted, was

## Charter Appeal Deadline Near

### Henry Must File Motion Before Supreme Court Adjournment Friday

Time's running out for attorney Milton R. Henry if the State Supreme Court is to hear his appeal of a Circuit Court ruling upholding two new charter amendments affecting the Police Department.

A spokesman for the court said Henry has not as yet filed a motion to have the justices hear the appeal before they adjourn for the summer this Friday.

**"The next step is up to him," declared Donald F. Winters, court clerk. "The longer he waits the narrower his chances become."**

Henry was not immediately available for comment.

He is seeking to toss out the April 18 citywide vote on the amendments, claiming voters were presented confusing and conflicting questions on the ballot.

**PROTECTING STRALEY**

Henry has made no secret of the fact that he's trying to protect Chief Herbert W. Straley in his job. Should Circuit Judge Frederick C. Ziem's ruling that the amendments were legally adopted be upheld, Straley would be left outside the creation of a new Police Trial Board as set up by one of the amendments.

**Entering into the legal question is the signing of a decree by Circuit Judge William J. Beer**

## Bomarc Missile Blaze Causes Radiation Scare

### Nuclear Seepage Small but Atom-Armed Bird Sears Launching Pen

McGUIRE AIR FORCE BASE, N.J. (AP) — A needle-nosed Bomarc missile, battle ready with an atomic warhead in its concrete launching pen, caught fire Tuesday, touching off a radiation scare.

The missile was badly damaged and some radiation seeped out of its nuclear tip.

First reports were that there was a threat of heavy radiation in the remote pinelands around the base.

**The Air Force later said that the radioactivity—and a slight amount at that—was confined to the badly damaged launching pen.**

Investigators of the Atomic Energy Commission, the Defense Department and the New Jersey Department of Health said they would all probe the incident.

**SMALL EXPLOSION**

The Air Force said the Bomarc caught fire as it nestled unattended in its concrete launching shelter, one of 54 at the missile base.

There apparently was a small explosion in the missile fuel system and then fire broke out, an Air Force spokesman said.

Firemen put out the fire at 4 p.m., 45 minutes after it started. There were no reports of injuries.

**State police at the Ft. Dix barracks said they received a call from the base security police saying an atomic warhead had exploded and asking troopers to close off roads into the area.**

Cars were stopped. Troops on maneuvers at Ft. Dix were pulled back as a precaution.

Decontamination men clad in special clothing checked the Bomarc base with geiger counters. The Air Force then gave an all-clear.

The 47-foot missile can hunt out its target at a range of 250 miles and at a speed of 1,000 miles an hour. It can carry its nuclear warhead to over 6,000 feet altitude.

## *Consumers Asks Approval for Rate Increase*

Users of natural gas in the Pontiac and Royal Oak areas would probably come under an increase in rates asked for by Consumers Power Co. in Lansing today.

The company did not specify any amount in its request to the State Public Service Commission.

The company said the move was prompted by sharp increases in the cost of bulk gas supplies received from the Southwest and in service expenditure rises.

A. H. Aymond Jr., chairman of the board, said the amount of the increase needed hinged in part on pipeline company rate cases pending before the Federal Power Commission.

## *Mr. Sun Beams With a Warm Weekend Outlook*

The sun peeped over the horizon this morning at cloudless skies with a temperature of 50 degrees. Tonight will be fair and warm; Thursday's forecast is partly cloudy and warmer.

A warming trend will continue in the Pontiac area through Saturday, the weatherman says. Temperatures will average about three to five degrees above the normal high of 77 and normal low of 57. Sunday or Monday will be a little cooler.

**Precipitation for the period will average near one inch in showers and thundershowers beginning Friday night and continuing over the weekend.**

Northeasterly morning winds at four miles an hour will become light easterly at eight to 15 miles Thursday. The thermometer had climbed to 73 degrees at 1 p.m.

## City Tax Rate Set at $13.27

### Third-Straight Year for Lowest Figure Since $13.10 Levy in '49

As expected, city commissioners last night set the 1960 municipal tax rate at $13.27 for each $1,000 of assessed valuation on personal and real property.

It is the third-straight year that the 10-year-low rate will be levied.

★ ★ ★

Thanks to a $3,900,000 rise in assessed valuations this year, the rate will yield about $52,000 more in tax collections than predicted when the budget was adopted in January.

**The $52,000 was added to the budget last night, placed in the contingency fund from whence midyear raises for municipal employes will be forthcoming, if the Commission decides they are warranted and practicable.**

The $13.27 rate is the lowest since the $13.10 levied in 1949. It was adopted in 1958 to provide tax relief. From 1954 to 1957 the rate had been $13.70.

City Manager Walter K. Willman has been confident since April that the $13.27 rate could be continued.

★ ★ ★

It was in April that the Board of (Tax) Review set the city's 1960 assessed valuation at $281,133,200. It had been $277,212,800 the year before.

The 1960 tax rate is to be levied, as usual, on the locally-assessed valuations, Willman noted. The administration did not recommend levying on the higher, stage-equalized valuations, which the Legislature this year permitted cities to do if they so desired.

## Press Boat Course Has 251 Graduates

The Pontiac Press Boat Operation Course, conducted by members of the U. S. Coast Guard Auxiliary, came to a triumphant close last night with the presentation of Coast Guard certificates to 251 skippers.

Making a special trip to Pontiac was Lt. Cmdr. Sam Pisicchio, commander of the Coast Guard's Cleveland District.

"I've heard about this class but I had to see it," he said.

**"It is definitely the largest class of its kind in our experience and The Pontiac Press should be commended for sponsoring such a worthwhile venture," the commander asserted.**

He and other officials, including Milton H. Hayes, rear commodore of the Ninth Auxiliary District, handed out the diplomas certifying each graduate completed the U. S. Coast Guard Auxiliary basic small boat seamanship course.

★ ★ ★

There were many father-son combinations and several mother-daughter graduates, as well as some entire families awarded certificates.

Although only 251 took the final exam May 31, there were more than 400 in attendance through the final regular class meeting.

★ ★ ★

The 10-week course, which began March 29, ended on a happy note with a reception for graduates after the awards presentation in the school cafeteria.

## Youth and Girl Die in Traffic

### Orion High Student Is Struck Riding Bicycle to Final Exam

A Lake Orion High School student rushing to take his last final examination and a three-year-old Hazel Park girl were killed in separate traffic accidents Tuesday afternoon.

★ ★ ★

The victims were Stewart D. Gabbard, 16, of 2890 Stoney Creek Rd., Oakland Township, and Connie Henderson of 156 W. Milton St., Hazel Park.

Gabbard was on his way to a 12:45 English examination when he rode his bicycle down a driveway and into the path of a car driven by Herley D. Davis, 63, of 1194 Pyedmore Rd., Oakland Township.

**Last Year to Date: 29**

**The boy was killed instantly, sheriff's deputies said. Witnesses told deputies that Davis had no chance to avoid the accident. He was released.**

The collision occurred shortly after 12:30 on Orion Road near Stoney Creek road in Oakland Township.

★ ★ ★

The Henderson girl, daughter of Mr. and Mrs. Donald Henderson, died at William Beaumont Hospital 30 minutes after she ran in front of a passing car on Milton street near her home, police said.

The driver, Milton G. Kapolka, 21, of 318 W. Milton St., told Hazel Park police he was driving east when he felt a slight bump and his wife told him he had struck a child.

The girl was an only child.

The youth was one of seven children of Mr. and Mrs. Floyd Gabbard.

## N.Y. Governor Again Rejects GOP 2nd Spot

### Visits With President About U2, Japan Trip; Mum on 'Main' Issue

WASHINGTON (AP)—Gov. Nelson A. Rockefeller breakfasted with President Eisenhower and talked some politics with him today, but gave no indication he had changed his mind on any political issues.

Talking with reporters at the White House, the New York governor said the chances are "pretty good" that Vice President Richard M. Nixon will get the Republican presidential nomination.

He reaffirmed his own willingness to accept a draft for the top place on the ticket, but again rejected with emphasis proposals that he accept the vice presidential nomination on a Nixon ticket.

Rockefeller said he and Eisenhower discussed "politics, international affairs, including the U2 controversy, and the President's forthcoming trip to Japan" while they breakfasted alone in the White House dining room.

**But, Rockefeller said, in response to newsmen's querries, such questions as his own possible candidacy, the pressure on him to be Nixon's running mate, and a possible major role for him at the GOP convention in Chicago, never came up in the conversation.**

Asked what political matters were discussed, if these were not, Rockefeller replied he "would hope that the President would say something about that." Rockefeller said he felt that the courtesies of the situation forbade him to tell.

★ ★ ★

A reporter reminded Rockefeller that some have said the Republicans might lose New York and its 45 electoral votes if Rockefeller refused to accept second place on the ticket.

"I think, frankly, that the voters vote for the president, not the vice president," Rockefeller replied.

★ ★ ★

He said he would refuse any major role in the Republican convention because he wanted no possible misunderstanding that he might be making himself available for the vice presidential nomination. The governor said he had done his best to clarify his position on the vice presidency but "apparently there are a few diehards who don't believe me."

**HE'S OPTIMISTIC**

"Do you think a Republican president will be elected in the fall?' a reporter asked.

Rockefeller paused briefly, smiled, and replied: "I'm always optimistic."

The meeting with Eisenhower was requested by Rockefeller. It drew a horde of newsmen to the White House.

Rockefeller was gracious, shook hands with every reporter as he left the executive mansion, but gave them very little information.

# California Vote Fuel for Nixon Fire

## NYC Balloting Jolts Tammany

### Gov. Brown's Total Cut Below VP's by Pension Promoter

By The Associated Press

Primary results from coast to coast offered evidence today of the popularity of Vice President Richard M. Nixon in California and the weakening of Tammany Hall in New York.

Nixon polled more votes on the Republican ballot in Tuesday's California primary than Gov. Edmund G. Brown did on the Democratic ballot. A pension promoter cut deeply into Brown's total.

Tammany leader Carmine DeSapio suffered a major setback when reform Democrats defeated some of his followers in New York City.

★ ★ ★

The California and New York primaries came during a busy day of voting. Montana, Idaho, South Dakota, and Mississippi also had primaries Tuesday.

In California, Brown, running as a favorite-son candidate, won control of the state's 81-vote delegation to the Democratic National Convention. But pension promoter George H. McLain received 20 per cent of the Democratic total.

The combined vote of Brown and McLain was greater than the total piled up by Nixon. But the Democratic margin was not as great as the party's 3 to 2 majority in the state.

★ ★ ★

With 17,678 of the state's 28,783 precincts reporting, Nixon had 868,073. Republican votes, Brown had 627,584. Democratic votes and McLain 291,180.

McLain described his showing as a protest against Brown by "the little people." The governor, however, said he was well satisfied with the results.

Republican leaders hailed Nixon's total, which added 70 votes to his cause at the Republican National Convention in July. The leaders said the results indicated a Nixon landslide in California in November.

★ ★ ★

In New York, DeSapio denied the results were a challenge to his leadership. As head of Tammany Hall, he leads the party in New York City's borough of Manhattan. He also serves as National committeeman.

The primary fights were "local contests," DeSapio said.

But an insurgent leader, Francis W. H. Adams, called on DeSapio to resign as committeeman. Another leader, former Sen. Herbert H. Lehman, said he hoped DeSapio would resign and avoid future battles.

Jumpsville is coming to Pontiac.

A firm headed by John W. Bell, a Pontiac attorney, is asking City Commission approval to locate three outdoor trampoline centers here — each to be known as "Jumpsville."

**Trampolining is an activity that has been sprouting up across the nation.**

Bell calls it "gymnastic exercise."

Participants bounce up and down on a woven nylon net, stretched over a shallow pit encircled at the top by springs.

## Statutory Rape Verdict Upheld by High Court

The State Supreme Court has upheld the Oakland County Circuit Court conviction of Birmingham restaurant owner Peter G. Nick for the statutory rape of a 15-year-old girl.

Nick, 37, of 1564 Penistone St., was convicted in October 1958, but not placed on probation for two years and assessed $500 court costs until April 1959 because of legal delays.

Nick's attorney appealed the conviction, after his request for a mistrial was rejected on the grounds that some jurors were not properly supervised after receiving the case.

## Court Upholds Ruling on School Marriages

LANSING, Mich. (AP) — June—traditional month for marriage—is bustin' out all over. But Cupid has flunked a test in the Michigan Supreme Court.

The court, in a 4-4 split Tuesday, refused to upset a ruling of the school board at Mesick, that bans married high school students from extra-curricular activities.

★ ★ ★

The ban is two years old. The two students against whom it was directed have since graduated.

Mesick, a rural community of 359 residents in the northern part of Michigan's lower peninsula, was split when the action was approved by the Wexford County Circuit Court.

★ ★ ★

"Married students need all the extra time available to provide a proper family life," the board ruled in 1958.

Husbands Ronald Cochrane and David Shively, both 18, were barred from playing for the Mesick High School football team. They weren't allowed to play in the school band nor could they escort their wives to a dance or other school affairs during their senior year.

★ ★ ★

Cochrane and Shively married their high school sweethearts with parental consent during the 1958 sumer vacation.

★ ★ ★

The board said it issued its ruling to discourage dropouts from school. The same summer Cochrane and Shively wed, 12 other students married. Only three returned to school in the fall.

The board was seeking "to preserve high school education in this community," said Justice Thomas Kavanagh in voting to uphold the ban.

Justice Harry Kelly, who dissented, described the board action as "arbitrary and unreasonable."

## Hold Banquet in Waterford

# Jaycees Present Awards

The Waterford Township Junior Chamber of Commerce last night presented awards to several organizations, students and its own members for outstanding work in the community and high school.

★ ★ ★

Wives of Jaycees were also hosted at the annual banquet and installation of new officers at the Community Center on Williams Lake road.

**A past state Jaycee president, George C. Fraser of Detroit, was the featured speaker. He was introduced by toastmaster Donald Beedle. Fraser was the winner of the Clayton Frost award in 1947-48 as the nation's outstanding Jaycee president.**

Waterford Township High School senior Elmine Coleman of 4300 Sashabaw Rd. was honored for winning the Jaycees' "My True Security" speech contest, and another Waterford senior, Betty Sue Steehler of 4069 Lakewood Dr., was given a $500 scholarship.

★ ★ ★

She plans to enter Michigan State University in September and major in art. Jaycee beauty queen, Barbara Coe of 5030 Cooley Lake Rd., was also an honored guest.

★ ★ ★

The evening's entertainment was highlighted by the Chordurays, a barber shop quartette from Rochester.

**GET SPOKE AWARDS**

Five Jaycees received a Spoke Award in recognition of one-year membership. They were James Williams, Rudolph Mansfield, Randall Beedle, John Miesel and Phillip Davis.

**Spark Plug Awards for outstanding work during a two-year period were presented to Richard Thompson, Donald Arsen, Beedle, President - Elect Arthur Salley and out-going President Frank Richardson.**

Richardson presented Richard Thompson with the Key Man Award for being the most valuable individual in helping Richardson during the past year.

★ ★ ★

Last year's officers were President Richardson, First Vice President Arthur Salley, Second Vice President Beedle, Recording Secretary Ward Rathbun, Treasurer John McCaffrey and Corresponding Secretary Thompson.

★ ★ ★

New officers are President Arthur Salley, First Vice President Beedle, Second Vice President John McCaffrey, Recording Secretary Thompson, Treasurer Dean Salley and Corresponding Secretary Jack Cooper.

## Racial Hate Spewed at Sammy Davis Jr.

LONDON (AP)—Negro entertainer Sammy Davis Jr., came close to crying today after what he described as "the most savage racial attack I have ever come across."

★ ★ ★

He walked out of the Pigalle Theater Restaurant into a group of demonstrators from Sir Oswald Mosley's British Fascist Union Movement.

★ ★ ★

As he crossed the idewalk to his car, they booed, jeered and waved banners at him saying: "Go home, nigger."

His chauffeur-driven car roared away, but a Mosley truck trailed it while a man inside hurled abuse through a loudspeaker.

## Workman Is Likable but Just a Little Noisy

**GRAND HAVEN (AP)—Leo Arnold, who lives in a quiet suburban residential area where a street is being torn up for a storm sewer project, has a candidate for cheeriest workman of the year.**

★ ★ ★

**At 7 a.m. today, Arnold said, the workman appeared in the middle of the street, "Shouted 'good morning, everybody' and opened up with an air hammer."**

# School Post Seekers Reveal Platforms

The two candidates for the expiring four-year seat on the Pontiac Board of Education are incumbent Glenn H. Griffin, present Board president, and Willie S. Downes, Pontiac Township industrialist.

Any registered voter in the school district can vote in the election from 7 a.m. to 8 p.m. Monday.

Following is a pre-election statement from each of the two candidates:

**WILLIE S. DOWNES**

"It would be an honor to serve on the school Board of the Pontiac school district. If elected, I would serve dutifully and be fair to all.

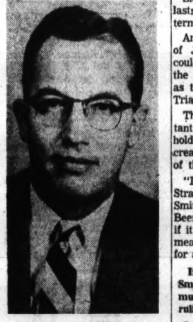
**"I believe in the best education for our future generations. But, I also believe in realizing the effect of continued additional taxes on the parents.**

"I did not agree to the proposed increase in tax millage because of the increase in assessed valuation, which I sincerely thought would more than take care of the present budget.

"We find now that the school district could have received even more money had it needed it.

**"So in the coming election, I respectfully solicit the support of those 3,419 people who voted against the extra millage.**

"Also, the rumor that we will not have enough money next year to operate our good schools in the manner we would wish is as false as the previous statments that we have a serious financial shortage this year."



**GLENN H. GRIFFIN**

"I am running for re-election to the Board of Education because I am interested in our public school system. I have four children in our public schools and as a parent want to see that they receive the best education possible.

★ ★ ★

"With good teamwork between Board and administration, we have made much progress in solving the multitude of problems that public schools face year in and year out.

**"We have been able to improve and expanded the curriculum and employ and keep good teachers and administrators and build schools and classrooms to meet increasing enrollments.**

"We have done this with a reasonable tax rate and without a heavy debt load. During the 11 years I have been on the Board, we have never spread more millage than was necessary to maintain a quality system.

"If re-elected, I pledge to continue to support such a policy regarding finances. I will also continue the policy of building the finest academic curriculum that can be achieved with the amount of tax dollars available.

★ ★ ★

"With the experience of serving for the past 11 years, I feel I am qualified to seek re-election. I will appreciate your support at this forthcoming election for this post."

## Last Battleship Quits

PORTSMOUTH, England (AP) Britain's last battleship, the 44,500 ton Vanguard, went out of service Tuesday night, just another heap of expensive scrap. Completed in 1946, the Vanguard was never in battle. The ship will be taken to Scotland to be broken up.

## Suggests 5-Cent Rail Wage Hike

### Ike's Board Offers Recommendation Under Threat of Strike

WASHINGTON (AP) — A presidential emergency board today recommended a five-cent hourly wage increase for 650,000 railroad workers who have threatened strikes against almost every American railroad.

★ ★ ★

The wage rise should take effect July 1, the board advised President Eisenhower. It recommended also that the parties negotiate a "number of improvements" in the rail industry's health and welfare program.

★ ★ ★

The latter benefits, the board said, should take the place of a further general wage increase when contracts with 11 railway labor organizations expire early next year.

## Decline in Tickets Laid to Straley

(Continued From Page One)

the drop in citations for moving violations from 427 in April to 341 in May.

**'TRAFFIC TERRIBLE'**

"Traffic conditions are becoming terrible in Pontiac," Wood said.

**"We are getting a lot of complaints of speeding and loud mufflers. Why aren't our policemen catching these offenders?"**

Commissioner Milton R. Henry offered an explanation.

★ ★ ★

"A high-ranking officer told me," Henry said, "that a lot of officers are not enforcing the law because of a certain situation."

This remark prompted the response from Ashley.

The Traffic Violations Bureau listed these figures for the number of citations issued by Pontiac police since the bureau began operations at the beginning of last year:

Jan. (1959), 399; Feb., 205; March 313; April, 463; May, 653; June, 518; July, 411; Aug., 365; Sept., 447; Oct., 776; Nov., 796; Dec., 762; Jan. (1960), 710; Feb. 327; March, 458; April, 427; May, 341.

## The Day in Birmingham

# Report Fails to Aid Probe of Explosion at Kingsley

BIRMINGHAM —A report from state police laboratories at Lansing on the explosion that tore a two-foot hole in the rear wall of Kingsley Inn May 24 has given Bloomfield Hills police very little additional information to work on, it was revealed today.

★ ★ ★

"The report is not what we were hoping for," Robert Stadler, director of public safety, said,

**"It shows that the most common fuse available was used and that one to three sticks of dynamite caused the explosion."**

He said there was no way of telling if the bombing had been done by a professional or amateur.

★ ★ ★

There were 200 persons dining in the building when the bomb exploded. No one was hurt.

Three special assessment districts for the 1960 road oiling program have been approved by the City Commission.

★ ★ ★

Each district will receive a different type of oil application.

**Eighteen streets will receive an application of light oil, 34 streets will get an oil mat and seal coat, and 27 streets will receive seal coat only.**

Property owners receiving the light oil will be assessed 15 cents a front foot; oil mat and seal coat, 52 cents; and seal coat, 22 cents.

★ ★ ★

Homes with side street frontage will be assessed one-fourth of the amount.

In order to provide an opportunity for residents who work out of town to register for the Aug. 2 primary, City Clerk Irene Hanley announced today that the clerk's office will be open two Saturdays prior to the July 5 deadline.

★ ★ ★

The office will be open June 18 and June 25 from 9 a.m. to 4 p.m. On July 5 the office will be open until 8 p.m.

## Deadline Is Friday for Charter Appeal

(Continued From Page One)

**that the old Trial Board has not existed since city voters replaced it with civil service in April of 1957, Civil service has since been repealed.**

As it stands today, legally there is no Trial Board — either old or new. A stay issued to Henry by Ziem prohibiting the city from carrying out the court ruling has delayed putting the new Police Trial Board into effect.

**The stay will be washed out Friday with the ending of the June term of the high court — unless Henry pulls a technicality out of the hat. Technically, Winters said, the June term lasts through the summer until the day before the next, or October term of the court commences.**

Ziem stipulated that the stay lasts only as long as the June term.

An appeal also might be made of Judge Beer's ruling, which could keep alive the question of the existence — or non-existence as the judge sees it — of the old Trial Board.

This would be especially important should the Supreme Court uphold Henry, thus tossing out the creation through the public vote of the new board.

**"If Henry wins his appeal," said Straley's attorney Clarence L. Smith, "then that makes Judge Beer's decision important, because if it were left to stand that would mean there would be no trial board for anybody."**

**If Henry loses his appeal, Smith said, there wouldn't be much point in appealing Beer's ruling.**

Smith said he has 20 days in which to first file a motion for a new trial, a customary legal maneuver before an appeal is made.

## All Contracts Signed for City Bus Service

(Continued From Page One)

chanics have been hired initially by Pontiac Transit Corp.

**City Manager Walter K. Willman said the city today would buy 1960 license plates for the 15 buses which American Transit is renting from National City Lines, Inc.**

American Transit is also renting National City Lines' garage at Mt. Clemens and Paddock streets.

Because the city has leased the buses, it has to furnish the license plates, Willman said.

But the city doesn't have to pay the heavy weight taxes on the plates—a savings which is part of the lease arrangement.

**Schedules of the new operation were being distributed from three buses parked in the downtown area.**

The operation covers all major routes formerly followed by Pontiac City Lines and provides basically the same service, Willman said.

The first bus out tomorrow will leave the downtown area on Oakland avenue at 5 a.m. Later buses will be following schedules similar to those established by Pontiac City Lines.

**MANAGER TO ARRIVE**

The new manager of Pontiac Transit Corp. is scheduled to arrive in Pontiac by tomorrow.

He is James Kostuskie, an American Transit Corp. employe 10 years, who recently has been managing the corporation's Paducah, Ky., subsidiary.

★ ★ ★

**Many compapany officials have been on hand at the Mt. Clemens street garage to oversee the birth of the new bus company.**

Besides Giacoma, the company president, those present have included his brother P. J. Giacoma, vice president; Donald Killam, regional representative, and officials of Great Lakes Transit Corp., the Pontiac-Detroit suburban line also run by American Transit.

The City Commission is scheduled to meet informally Monday night to discuss, among other topics, how the city will meet demands for additional or "fringe" bus service.

Willman indicated he will recommend a cautious approach to any demand, since under the lease agreement, Pontiac Transit is required to provide fringe service only if the city is willing to subsidize any loss.

Commissioner John A. Dugan, however, was enthusiastic about exploring the possibility of more service.

**"I've had public requests for more service in my district (District 5) for years, but Pontiac City Lines was never willing to give new routes a try," he noted.**

Terms of the drivers' contract were disclosed by both the company and the union.

The 15-cent increase will come in three six-month increments, beginning six months from now.

**WILL REMAIN AT $1.72**

For the first six months, the drivers will continue making the $1.72-an-hour they got from Pontiac City Lines.

Buses disappeared from Pontiac streets last Dec. 5 when the union went on strike for a new contract containing wage increases.

**It asked a 23-cent-an-hour boost in wages and benefits.**

National City Lines pulled out its Pontiac affiliate in April, blaming the long strike and poor financial conditions generally.

The Mayor's 14-member bus committee recommended last month that American Transit Corp. be given the Pontiac franchise under a lease agreement.

# Constitutional Change Rumblings Heard in Many Other States, To

By A. F. MAHAN

DETROIT (AP)—Agitation for new state constitutions breaks out sporadically over the country.

★ ★ ★

Nearly every year some states are debating the question of constitutional change. Several are right now.

**Whether to call a convention of citizen-chosen delegates to rewrite its basic law will be on Iowa's ballot in November. Kentucky will vote at the same time on whether to call a convention that would be limited in what it could change.**

There is clamor in Michigan for an unlimited convention and a change in the system of electing delegates. The aim is to force both questions on the November ballot by petition.

★ ★ ★

In Florida all candidates for governor advocated constitutional revision, taking up where Gov. LeRoy Collins left off in an unsuccessful rewriting campaign.

**Oregon will vote in November on whether to empower the Legislature itself, rather than a convention, to revise the constitution. Even if they approve this, Oregon voters still would have the right to adopt or veto any new constitution the Legislature proposed.**

West Virginia has a 48-member commission working on recommendations for revision under a 1957 legislative authorization. What happens will depend on whether the Legislature and the voters like the changes.

A bill calling for a constitutional convention is before the Delaware Legislature, but is given little chance of being adopted.

**LITTLE ACTIVITY**

Missouri, whose 1945, 15 - time amended constitution is one of the newest, reports some talk but little activity toward forcing a rewrite. The question automatically will go to Missouri voters in 1962 and every 20 years thereafter.

Some other states—and Michigan is one of them—provide for automatic sampling of citizen sentiment. New Hampshire also is among these states and hold a referendum every seven years, but hasn't rewritten its constitution since 1783. It has amended it 90 times however.

**Michigan's 1908 constitution provided for an automatic referendum in 1926 and every 16 years thereafter. The next one will come in 1974.**

Michigan's constitution, as do several others, sets up the number and how delegates shall be chosen for a convention to rewrite it.

The State Junior Chamber of Commerce and the Michigan League of Women Voters first joined in a campaign to collect 300,000 signatures on petitions to force a November vote on the double-barreled question of altering the apportionment of delegates and calling a convention.

★ ★ ★

Now the politically potent Michigan Education Assn. and Citizens For Michigan, a nonpartisan action group headed by industrialist George Romney, have pitched in to help get the minimum 231,009 signatures that must be gathered by July 8 to get the questions on the ballot.

**Under the Jaycee-League plan one delegate would be elected from each House and Senate district.**

Michigan voted both in 1948 and in 1958 in favor of a constitutional convention, but the State Supreme Court held that a majority of all those voting in the general election was required to carry the proposition.

★ ★ ★

In the 1958 balloting under the every-16-year requirement, 821,282 voted for a convention and 608,365 against. But 912,182 out of the 2,341,829 who voted in that election neglected to vote on the question of a convention. Thus, the proposition carried but still lost.

**HOT ISSUE**

A majority - of - all requirement has upset a proposed Maryland convention and at least 10 other states require a majority of all those voting. Maryland votes again in 1970.

A hot issue in 1950, as now, the question of calling an Iowa convention lost. It won in 1920, but the legislature, which hasn't been reapportioned in more than 50 years, didn't follow through and call a convention.

**Iowa is a state where the Legislature sets up the convention machinery, such as how many delegates and how they shall be chosen.**

While Michigah and Iowa appear the hot beds among the seven states where constitutional change is at least a warm issue, a flicker of interest prevails currently in a minimum of 10 other states.

They are:

**California, Connecticut, Kansas, Maryland, Massachusetts, Minnesota, New York, South Carolina, South Dakota and Texas.**

Texas' legislative council, under orders of the legislature and with the help of an 18-member advisory committee, is making a study with a view of wholesale constitutional revision.

**WORDY DOCUMENT**

The 1876 Texas constitution has been amended 140 times and now runs to 50,000 words.

Kansas has a study commission somewhat similar to Texas'. Three South Dakota governors in a row have recommended a rewriting convention, but the Legislature has taken no action.

**What is described as "perpetual activity" for a convention prevails in South Carolina, but is given little chance of getting out of legislative committee in a state that has rewritten its constitution six times, but not since 1895.**

New York gave its constitution a major overhaul in 1938 and currently has a commission on revision and simplification at work. The commission has just begun to come up with recommendations, and it is on these that any fights will turn.

★ ★ ★

The question of constitutional revision frequently boils up in Minnesota political campaigns, but rewriting bills seldom get anywhere in the legislative mill. The League of Women Voters there, as in Michigan, is among advocates of change.

**Gov. Foster Furcolo, a Democrat, has proposed for the fourth time in four years that Massachusetts call a convention, but hasn't won favorable legislative action.**

A convention move failed in the Connecticut Legislature in 1959, despite lip service of the Democratic Party, which controlled both Houses for the first time in 83 years. The League of Women Voters also supported the move.

★ ★ ★

California voted for a convention in 1933, but because of a stipulation that the convention had to meet within three months after the voters approved, the legislature didn't have sufficient time to pass authorizing statutes.

## Union Leader Carey for Stu Now, Jack Later

ST. LOUIS, Mo. (AP) — Sen. Stuart Symington (D-Mo) for president in 1960—Sen. John F. Kennedy (D-Mass) for president in 1968. That was the ticket outlined at a Symington testimonial dinner Tuesday night by James B. Carey, president of the International Union of Electrical Workers.

Carey spoke at the dinner attended by 1,100 employes of Emerson Electric Co. Symington headed the firm from 4938 until 1945.

"I'm for Stu for president," Carey said. "And I'm for Jack for vice president—and in 1968, I'll be for him' for the presidency.

"Just think," Carey said, "Kennedy would have eight years of preparation for the presidency, could have eight years in the top job and still be only 59 years old."

## Trade Paper Reports Heavy Car Output

**DETROIT (AP) — The auto industry's reports of outstanding May production figures have been confirmed by Ward's Automotive Reports.**

**Ward's said auto sales increased 1.6 per cent over April and 6.7 per cent over May a year ago. Sales in May this year reached 565,263, the highest in four years and seven months, the agency reported.**

**Compact cars accounted for 25.5 per cent of the market, a decline from 27.5 in April, Ward's said.**

★ ★ ★

**Chrysler Corp. held a 16.1 per cent share of the market, compared to 13.3 a year ago, while Dodge Dart sales ranked third in the standard-size field, the agency reported.**

# Send Your Best Fare to the School Picnic

By JANET ODELL
Pontiac Press Home Editor

"Mom, we're gonna have a picnic and I said you'd make a cake." Many of us are hearing that statement these days from our school age children. Maybe Junior didn't promise a cake but did say you would make sandwiches — or cookies — or send a fruit drink.

We never let them down if we can help it. Life may get hectic if Junior doesn't remember what he promised you'd send until the morning of the picnic. But with any kind of ample notice, you can come through with flying colors.

We have to furnish a cake this year. If we thought we could get away with anything but a plain two-egg cake with chocolate frosting, we'd try this recipe for Apple Butter Spice Cake. It has no gooey frosting to get messy on the way to the picnic.

**Apple Butter Spice Cake**

½ cup brown sugar, firmly packed
1 teaspoon cinnamon
½ teaspoon nutmeg
½ cup chopped nutmeats

2 cups sifted flour
1 teaspoon baking powder
1 teaspoon baking soda
½ teaspoon salt
½ cup butter or margarine
1 cup sugar
2 eggs
1 cup apple butter
1 teaspoon vanilla flavoring
½ cup whole bran cereal
1 cup sour cream

To make topping combine brown sugar, cinnamon, nutmeg and nutmeats. Set aside.

Sift together flour, baking powder, soda and salt. Blend butter and sugar; add eggs; beat well. Stir in apple butter, vanilla and whole bran cereal. Add sifted dry ingredients alternately with sour cream, blending well after each addition. (Begin and end with dry ingredients.)

**Spread half the batter in greased 13 x 9-inch pan. Sprinkle with half topping. Spoon remaining batter into pan; spread evenly. Sprinkle with remaining topping. Bake in moderate oven (350 degrees F.) about 40 minutes. Cut into squares and serve warm or cold. Yield: 12 3-inch squares.**

You know that, if you're in a hurry, you can frost a warm cake by placing rounds of plain or mint-flavored chocolate on top. As the candy melts, you can spread it around to cover the cake.

If you're scheduled to supply cookies, here's a recipe for crispy crunchy warm-weather cookies. They combine crushed graham crackers, nuts and coconut in a meringue.

**Sunny Graham Kisses**

2 cups coarsely crushed honey graham cracker crumbs (about 10 double crackers)
1 cup chopped nut meats
1 cup shredded coconut
3 egg whites
6 tablespoons sugar
½ teaspoon vanilla

Heat oven to 400 degrees (moderately hot oven). Combine coarsely crushed cracker crumbs, nut meats and coconut in a large mixing bowl. In another bowl, beat egg whites until stiff but not dry. Gradually add sugar, beating until a stiff meringue is formed. Stir in vanilla and crumb mixture.

**Drop by tablespoonfuls onto greased cookie sheets; bake at 400 degrees for 20 to 25 minutes, or until lightly browned and crisp to the touch. Remove to wire racks to cool. Makes about 24 "kisses."**

Now about those sandwiches. Since the weather is warm, you'll want to avoid too many mayonnaise mixtures. The following one, however, should keep all right during the pre-picnic hours.

**Calico Sandwich Spread**

¼ cup peanut butter
¼ cup chopped cooked ham
½ cup shredded carrots
3 tablespoons salad dressing
¼ teaspoon salt
12 slices bread

Blend peanut butter with ham, carrots, dressing and salt. Spread on slices of buttered bread. Makes 6 sandwiches.

How about a sweet sandwich filling?

**Creamy Orange Filling**

3-ounce package cream cheese
½ orange, ground, pulp and rind
Dash of salt
½ cup shredded coconut

Cream cheese until smooth. Add orange, salt and coconut, mixing well. You may have to cut the coconut into smaller shreds with scissors. Makes enough filling for 6 sandwiches.

If you want to peg us eccentric, go ahead; but we happen to think that pure fruit juices (fresh, frozen or canned) make the best picnic drinks, outside of milk, that children can have. If you're feeling real festive, color the ice cubes or make **THEM** from a fruit drink powder.

## Try Mediterranean Way of Serving Cold Beans

Cold beans make a delectable snack prepared the Mediterranean way. Soak any type of dried beans overnight, cook until tender and drain thoroughly. Add a thinly-sliced onion, plenty of freshly-ground black pepper, a teaspoon of salt and ½ cup Spanish olive oil. Chill.

Serve cold with beer, iced waite wine or any other favorite drink. To turn into a flavorable dip, force mixture that has marinated 24 hours through a sieve or mash in a blender.

## Oil Marinade Will Glorify Small Roast

Here's a tip to the small family: you will sometimes find a supermarket counters cuts of beef shank two inches thick with a center bone, weighing 1½ to 2 pounds.

★ ★ ★

These can be turned into miniature roasts with the flavor and juiciness of rib roasts by marinating in Spanish olive oil: just, pierce the meat with a longtined fork or ice pick, then brush generously with the olive oil so that the oil soaks into the meat. Do this at least half an hour before roasting.

★ ★ ★

Place in 325 degree oven, roast 25 minutes per pound for medium-rare. Each cut makes only 2 or 3 servings but cost is so low you can afford a tiny roast for each person.

# Hold Outdoor Luncheon at Christ Church

Pontiac Press Photo

*The Rev. Lester L. Dobyns, associate rector of Christ Church Cranbrook, chats with leaders of Episcopal Churchwomen of Christ Church at the annual luncheon Tuesday. Mrs. Edward A. Proctor of Wing Lake road, left, is the outgoing president; Mrs. William A. McNamee of Chesterfield street in Birmingham, newly elected president; and Mrs. George S. Hodges, first vice president.*

Red geraniums topped the tables for four at the annual outdoor luncheon of Episcopal Churchwomen held on the lawn at Christ Church Cranbrook Tuesday. Gay red and white striped umbrellas afforded shade.

The day began with a celebration of Holy Communion at 10 a.m.

**During the business session the Rev. Robert L. De Witt, rector and a newly elected suffragan bishop of the Episcopal Diocese of Michigan, installed Mrs. William A. McNamee as president: Mrs. George S. Hodges, first vice president; Mrs. Charles D. Marsh, second vice president; Mrs. Joseph C. Cook Jr., treasurer; and Mrs. George O. Cutter, assistant treasurer.**

Other new officers include Mrs. Arthur Forster, recording secretary; Mrs. William J. Wiggins, corresponding secretary; Mrs. Robert Windler, thank offering treasurer; and Mrs. Jonathan Ball, assistant thank offering treasurer.

★ ★ ★

Chairmen of committees who will serve on the board are Mrs. William Brown, advisory; Mrs. Charles MacMahon, Christian social relations; Mrs. James Goodman, clothes closet; Mrs. Francis McMath, diocesan; Mrs. Alan Joslyn, finance; Mrs. Joseph Wellman, house; Mrs. James Bragaw, membership; Mrs. Robert Flint, parish sewing; Mrs. Howard B. Barker, parliamentarian and historian; Mrs. Waldemar Adams, program and education; and Mrs. Colin Campbell, supply.

**Special committee chairmen also serving on the board include Mrs. D. A. Whitfield, communications; Mrs. Richard Schmid, coffee hour; Mrs. Archie Crowley, worship; Mrs. E. T. Bennett and Mrs. George Squibb, rummage; Mrs. F. S. Strong III, fellowship; Mrs. Royal Paullette, handbook; Mrs. James Briegal, nursery; and Mrs. Max Fruehauf, parish Christmas giving.**

Others serving are Mrs. R. W. Muhlitner, parish supply; Mrs. Stanley Gillen, Periodical Club; Mrs. Henry L. Woolfenden, senior group; and Mrs. Charles Frederick, United Churchwomen.

Mrs. Adams announced the program theme for the coming year will be "Christian Witness in Social Relations."

### FOOTNOTES for Summer

The first holiday of the summer has come and gone and now we can believe that the fun season is officially here . . . out come the white shoes, off come our stockings (except for formal occasions) and we live a casual life.

Even the casual look demands good grooming . . . let's start with the feet. A pedicure is in order, this can best be accomplished immediately after your bath. If you expect to be on the beach or wear sandals; paint your toenails. If you shed your hose and must go to business daily, best you save your sandals for after-hours and wear closed toe shoes on the job.

Others are Patsy McCallum, Gail Kirby, Marsha Webb, Sue Hales, Jimmy Gaylord, Beverly Patton, Cindy Jones, Mary Jane Saddler, Barbara Gaylord, Jimmie Johnson, Sherry Johnson, Buddy Walters, Beverly Aunte, Donna Mercer, Sue Johnson, Denise Patton, Sue Barling, Cynthia Dalton, Judy Dalton, Barbara Bidwell, Annette Foster and Charlot Allshouse.

Concluding the list are Barbara Williams, Kathryn Christie, Sandy Dowis, Electa Harris, Carol Zeplin, Karen Allshouse and Diane Walters.

## Delta Zetas Plan Picnic

Members of Delta Zeta Alumnae of Oakland County will hold a picnic for their husbands at 7:30 p.m. June 11. Mr. and Mrs. Robert Kerley will serve as host and hostess for the event, at their farm near Lake Orion.

## Duplicate Group Tells Winners

The monthly master point game was played at the Land-O-Lakes Duplicate Bridge Club in the CAI Building, Waterford.

With seven tables in play, winners included Mr. and Mrs. Earl Huebler, Donald Stephenson and Dr. Robert Segula, Dr. and Mrs. Donald Hoyt, Mr. and Mrs. R. H. Dragsdorf, Dr. and Mrs. Maurice Willis and Mr. and Mrs. Herald Cox.

Mrs. Nellie Tayloe Ross became governor of Wyoming in 1922. In 1933 she was named director of the U.S. Mint.

## Crafts Show at Cranbrook June 15-July 15

In addition to the Annual Exhibition of Student Work now on view at Cranbrook Academy of Art Galleries, a traveling show from the Museum of Contemporary Crafts in New York titled "Fibers, Tools and Weaves" will be shown from June 15 to July 15.

★ ★ ★

The materials and tools of the weaving process, as well as examples of contemporary hand and power loom weaving, were assembled by the American Craftsmen's Council for this exhibition, which is a visual survey of the weaving process. The textiles shown were selected to illustrate the specific ideas contained in each section of the exhibition.

★ ★ ★

To further emphasize the various aspects of the collection, rugs, screens, hand and power loom fabrics by Marianne Strengell, head of Cranbrook Academy's weaving department, and well known as a designer of fabrics for industry, will be shown.

The most important element in home waving is timing the lotion properly for the texture and condition of your hair.

## Chick's 139 Sets Pace in National Open Qualifying

### Bone No. 1 Alternate; Art Wall Shoots 128 to Lead Nation

DEARBORN (AP) — Chick Harbert, an old pro in search of a new job, got his employment quest off on the right foot yesterday as he led the field in sectional qualifying for the United States Open golf tournament.

★ ★ ★

The 45-year-old veteran, who wants another post as a country club professional after quitting the Meadowbrook club recently in a controversy over golfing cards, carded rounds of 72-67 for a five-under-par 139.

**Eight other golfers, including one amateur, from among the field of 37 qualified in the 36-hole sectional. Par at Dearborn Country Club's 6,735-yard course is 35-37—72.**

The field was shooting for nine places in the June 16-18 tournament at Cherry Hills Country Club in Denver.

★ ★ ★

The last three places weren't filled until after sundown as seven players ended regulation play deadlocked at 147 and were forced into a sudden-death playoff.

**One stroke behind Harbert was Royal Oak amateur Chuck Kocsis with rounds of 67-73. Wally Burkemo of Franklin Hills was third with 143, followed by Bob Shave Jr. of Willoughby, Ohio, who had a pair of 72s for 144.**

The remaining qualifiers, with their scores, were: Lee Raymond, Toledo, and Eldon Briggs of Detroit, both at 146; and Dick Bury, Grosse Pointe Woods; Frank Harned, Cleveland, and Rudy Horvath, Windsor, Ont., all of whom tied at 147 but survived in the do-or-die playoff.

★ ★ ★

Harbert, who does roadwork like a boxer to stay in top shape, was erratic in the morning as he shot an even-par 72, and failed to reach eight greens in regulation figures.

**Despite the broiling sun in the afternoon, Harbert's conditioning paid off as he fired a five-under-par 67. He reached all but one of the 18 greens to beat off a challenge from the 47-year-old Kocsis.**

One of the casualties in the qualifier was Bud Stevens, current State amateur champ and Detroit District titlist, who fired 74-77—151. Bob Inman, a popular Detroiter who has been a familiar face on the pro circuit, also fell by the wayside. He had a score of 153.

★ ★ ★

In the sunset playoff, Horvath and Bury cinched berths on the first extra hole with par 4s, while the others took bogey 5s. Tom Talkington of Ypsilanti eliminated himself on the second by carding another 5, while the others had 4s.

Jack McGowan of Sylvania, Ohio, and George Bigham of Cleveland went out at the third hole with 5s, while Gene Bone of Pontiac, and Harned stayed alive with 4s. Harned cinched his berth in the Open with a 4 on the fourth extra hole against Bone's 5.

★ ★ ★

Art Wall Jr., is back, so the 149 other qualifiers had better keep a wary eye on him in the National Open golf championship at the Cherry Hills Country Club in Denver June 16-18.

The slim pro from Pocono Manor, Pa., was leading money winner on the tour last year, his list of victories including the Masters. This year he was handicapped by an ailing knee, and has played comparatively little. He was unable to defend his Master's crown.

★ ★ ★

But Tuesday he shot a torrid 65-63—128 over the Twin Hills course in Oklahoma City to top the 34 qualifiers from that section, and he nine strokes better than the low scorers of any of the 12 other districts.

Wall's 128 was 14 strokes under par for the two rounds over the par 71 layout, and was achieved through 15 birdies and going over par only once. He needed only 46 putts.

A total of 91 players qualified in nine districts Tuesday. Thirty-eight qualified in the play in four districts Monday, making the total for the two days 129. Twenty-one were qualified automatically.

★ ★ ★

The Oklahoma section was the focal point of the day's play, with 34 players being qualified there, including many of the current touring pros. Playing conditions at Twin Hills were described by Wall as perfect, which may partially account for the fact that a score of 143, one over par, was necessary to qualify.

★ ★ ★

There were a few casualties among the "name" players during Tuesday's play. Jackie Burke Jr., of Kiamesha Lake, N.Y., lost out in a playoff at Oklahoma City, and Al Besselink of Grossinger, N.Y., Hillman Robbins of Memphis, Tenn.; Bill Collins of Baltimore and Don Januery of Dallas also failed to make the grade there.

LEADS OPEN TRIALS — Veteran Chick Harbert, former Meadowbrook pro, led the field Tuesday in the 36-hole National Open golf qualifiers at Dearborn Country Club. The long-hitting Harbert shot 72-67—139 to beat amateur Chuck Kocsis by one stroke. Nine spots were at stake in the sectional test.

### Mike's Putter Saves Day in Public Links Trials

## Andonian, Law Earn Spots

By BILL CORNWELL

Pontiac's Mike Andonian regained his reputation as a classy putter Tuesday and earned a berth in the National Public Links golf championship for the 4th straight year.

**The 34-year-old Pontiac Central High School mathematics teacher sank a 12-foot putt on the 2nd green at Pine Lake Country Club to survive a sudden-death playoff in the sectional trials.**

Andonian's putter deserted him Monday in the 36-hole qualifiers at Pine Lake and Forest Lake. It was his three putts on Pine Lake's 18th green that bracketed him with three other golfers at 150 and forced him into yesterday's playoff.

The playoff had to be held at 6 p.m. last night because of darkness which prevented further play on Monday.

Andonian, Michigan Publinx champion in 1956, 1957 and 1958, will be joined by another three-time State Publinx champ in the National Public Links tournament July 11-16 at the Ala Wai Golf Club in Honolulu.

**Jay Law, the veteran and talented swinger from Harper Woods who won three state titles during the 1940s, birdied the 1st hole to qualify for his trip to Hawaii.**

The losers in this do-or-die struggle were Bob McMasters of Royal Oak and Detroit's Curtis Walker. The four players were fighting for the two remaining positions in the national tourney.

★ ★ ★

Six places were at stake in the Michigan trials and Pontiac's Wally Smith, Tim Baldwin of Birlin and Ron Nicoll of Detroit grabbed the first four spots Monday in regulation distance.

★

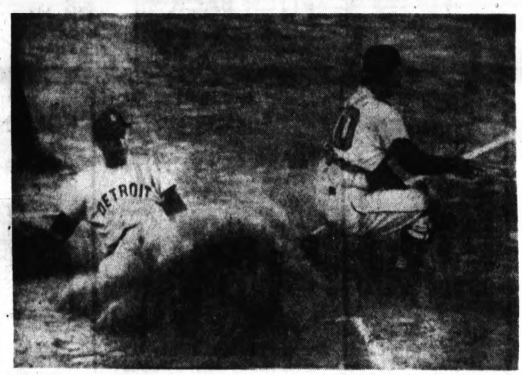
Law canned a seven-foot putt for a birdie four on the 1st hole to clinch his position and Walker was eliminated when he bogied after getting into trouble off the tee.

**Andonian and McMasters posted routine pars and moved on to the 2nd hole. McMasters reached the green in a regulation two strokes and appeared to have the final qualifying spot in the bag when Andonian overdrove the carpet.**

Andonian chipped back strong and still had a 12-footer facing him. But Mike calmly knocked it into the cup for his par and McMasters three-putted from 15 feet for a fatal bogey five, the 2nd miss coming from only two feet.

McMasters grabbed the No. 1 alternate spot and Walker comes next. Other alternates, in order, include Veicho Juhola, Alan Thompson, John Bezverkov, Ed Briegel, Cass Jawor, Bob Skrzycki, Ron Rothbarth and Jack Flock.

## Tigers Do Well Against First Division Teams



YOST SCORES — Kicking up a cloud of dust, Detroit third baseman Eddie Yost scores in the first inning of the game at Baltimore last night as Oriole catcher Clint Courtney awaits the throw. Yost scored from second on Al Kaline's single. The Tigers beat the league leading Orioles, 5-2, behind the pitching of Don Mossi.

### Tail End Clubs Hurt Bengals in Standings

### Mossi Stops Surprising Orioles on 6-Hits to Win, 5-2

BALTIMORE (AP) — The Detroit Tigers are playing turnabout with an old baseball pennant formula: "Beat the brains out of the second division teams and break even with the first-division clubs."

The Tigers strengthened their edge over the league's top four teams by belting the surprising Baltimore Orioles 5-2 last night behind Don Mossi's six-hit pitching and home runs by Charlie Maxwell and Steve Bilko.

**The triumph gave Detroit a 2-1 edge over the Birds this season and made its over-all mark against the upper division teams a fine 14-10. Manager Jimmie Dykes club holds a 6-4 edge over Cleveland and 4-3 over the White Sox, while holding the Yankees even in four games.**

But the opposite picture shows one scans the Tigers' success against the loop's last three clubs. The tail enders hold a 7-11 edge over the Tigers.

★ ★ ★

Frank Lary, who was KO'd in his last start against Cleveland, will try to keep Detroit's winning ways against the top teams on the right track when he duels with the Orioles' Jack Fisher tonight.

**Sparked by a pre-game fireworks show put on for an interfaith charity crowd of 30,579 the Tigers continued the eruption by clobbering knuckle-baller Hoyt Wilhelm for all of their runs in the first five innings to grab the opener of the four-game set.**

Bunched among Detroit's 10 hits were a lead-off homer by Billo in the second frame and a two-run circuit blast by Maxwell, his eighth of the season, in the third. Eddie Yost preceded Maxwell's circuit clout with a double.

★ ★ ★

Detroit's other runs came on singles by Yost and Al Kaline in the first, and a single by Red Wilson, a stolen base and a Mossi's single in the fourth.

Mossi, who evened his record at 3-3, grew stronger as he went along, retiring Baltimore batters in order in the last two innings. He held the Orioles scoreless until the fourth when they bunched a walk and two singles for a run.

Baltimore's final tally came in the fifth when Jackie Brandt hit a solo homer, his sixth of the season, in the sixth.

### Dawson, Rankin Share Seniors' Halfway Lead

RYE, N.Y. (AP) — Defending Palm Desert, Calif., and Allen R. Rankin of Columbus, Ohio, shared the halfway lead in the 56th U. S. Seniors' Golf Assn. championship after a record field of 408 players competed on two courses Tuesday.

★ ★ ★

Each scored a 3-under-par 35-34—69 on the South course at the Westchester Country Club for a three-stroke lead. They'll play their final round Wednesday at Apawamis Club as the field shifts courses. Both are par 72 layouts.

Dawson, 57, is shooting for his third consecutive crown.

### Accused by NFL

## Dallas Texans 'Pirates'

DALLAS, Tex. (AP)—National Football League Commissioner Pete Rozelle Tuesday accused the Dallas Texans and other American League clubs of pirating players from his circuit.

Rozelle said Jimmy Harris, former quarterback at the University of Oklahoma, recently signed by Lamar Hunt's Texans, still is pro football property of the Los Angeles Rams.

★ ★ ★

He said also that Gene Babb, former Austin College fullback, although legally traded to the Dallas Cowboys of the NFL by The San Francisco 49ers, had been signed by the Houston Oilers.

"There have been about a dozen such cases," said Rozelle. "I am disappointed that Mr. Joe Foss, the American League commissioner, has not been able to stop his league's clubs from signing players under option to the National Football League Clubs."

Rozelle said Harris and Babb, although they didn't play with the Rams and 49ers respectively in 1958, were still under option to those clubs.

★ ★ ★

Don Rossi, Texans' general manager, claims Harris left the Rams because of a salary disagreement. "And since he didn't play last year, I thought he was okay," Rossi said.

Rozelle refused to answer a question as to whether court action would be taken against the Texans, but he indicated such a possibility.

"I think NFL clubs have indicated they intend to stand up for their rights," he said.

### Adams Gets 2 Wingers

## Deals Popping for Wings

MONTREAL (AP) — It took a while for the deals to start popping, but Detroit Red Wing general manager Jack Adams got the two right-wingers he came for yesterday.

Adams gave Montreal $20,000 and an unnamed minor league player for Allan Johnson at the National Hockey League meetings. The general manager got Howard Glover from Chicago for veteran defenseman Jim Morrison.

**The newcomers are 25, approximately the same size — 5 feet, 11 inches and 175 to 185 pounds — and both are reputedly hard checkers. Glover scored 21 goals for Buffalo of the American League last season and Johnson tallied 29 for Spokane of the Western League.**

Adams said he is interested in making more trades. He also indicated that he will be an active participant in the NHL draft today.

Montreal was involved in most of yesterday's trading action, left wing Ab McDonald and Minor Leaguers Bob Courcy, Red Fleming and Cecil Hoekstra went to Chicago for former Red Wing Glen Skov, right wing Terry Gray, an unnamed player, options on ex-National Leaguers Lorne Ferguson, Bob Bailey and Danny Lewicki, and Cash.

Skov is expected to fit immediately into the Canadien lineup. The others will play in Montreal's farm system.

The Boston Bruins paid Montreal over $20,000 for Bill Carter, a 22-year-old center who scored 102 points for Ottawa-Hull of the Eastern Professional League.

## Doctoring Your Golf

By DR. CARY MIDDLECOFF

**PATIENT'S COMPLAINT: "I begin in a slump."**

**DIAGNOSIS: Let's check on your grip.**

**TREATMENT:** Nearly all golfers know that the grip with the right hand should be principally in the fingers, and the left hand is a combination palm and finger grip.

Nearly all of them know this, as I say, but a lot of them tend to forget it or ignore it from time to time. That's one reason why golfers in a slump often find their trouble lies in being careless about the grip.

An important point about the grip is that the two middle fingers of the right hand are the ones that should apply the major pressure.

**Too much pressure applied by the index finger and thumb tenses forearm muscles that should stay relaxed.**

Check your grip from time to time. That way you can often avoid getting into a slump right from the start.

# Backs Senate OK of Pact With Japan Before Visit

WASHINGTON (AP) — Sen. J. William Fulbright (D-Ark) voiced his full support today for Senate ratification of the new U.S.-Japanese security treaty in advance of President Eisenhowers visit to Japan.

He and other members of the Senate Foreign Relations Committee, of which Fulbright is chairman, said they are convinced Eisenhower will go to Tokyo June 19 unless the Japanese government should ask a delay.

★ ★ ★

The White House said Tuesday "no change is contemplated" in plans for the three-day visit.

**Japanese conservatives today made plans to rally 600,000 Japanese to give President Eisenhower a rousing welcome, countering leftist demonstrations against his visit.**

Prime Minister Nobusuke Kishi's Liberal - Democratic party and Japanese business leaders joined in a "National Welcome Ike Committee" to ensure a warm reception when the President arrives June 19.

★ ★ ★

An organized reception for the president was made necessary by mounting leftist opposition to the visit and student threats to stage a giant sit-down strike on the runways of Tokyo's International Airport to impede the President's landing.

Secretary of State Christian A. Herter gave the committee what Fulbright called a "persuasive case' in support of a trip now, despite left-wing demonstrations and riots in Japan.

Herter discussed the situation with the committee during a 30-minute closed door session. That followed his public appearance to urge Senate ratification of the new treaty.

★ ★ ★

But Fulbright said Herter still did not set entirely at rest his misgivings about the advisability of the trip now.

Sen. Russell B. Long (D-La) told a reporter "it is up to the President to decide,' but added: "I still hope he will not go unless he has reasonable assurance he will not be ubjected to the kind of indignities the Communist sympathizers heaped on Vice President Nixon in Venezuela.'

★ ★ ★

Fulbright said he will ask the committee to consider approval of the treaty next Tuesday with a view to speeding it to the Senate floor for ratification later in the week.

"I know of no opposition in the Senate to its ratification," he told reporters. "If there is, the treaty could run into a delay. But if it possible, I'd like to se it ratified before June 19, the date of the President's visit to Japan."

# OK Bill to Add 35 Judgeships

## New Jurist for State Is on List Approved by Judiciary Committee

WASHINGTON (UPI) — The House Judiciary Committee approved Tuesday a bill to create 35 new federal judgeships to relieve overcrowded courts, including another judge for the Eastern Michigan district.

★ ★ ★

The compromise bill calls for three new Appeals Court judges and 32 new judges for federal district courts.

**Chairman Emanuel Celler (D-NY) said he was "quite sure" the House will approve the measure. He said the compromise plan resulted from a pledge by Atty. Gen. William P. Rogers that the Republican administration would appoint "genuine" Democrats to half the new judgeships.**

The administration has been urging Congress for several years to provide more judges to reduce the backlog of cases in the federal courts. Lack of such assurance has blocked previous judgeship bills in the Democratic-controlled Congress.

Federal judges now are almost evenly divided between Republicans and Democrats.

★ ★ ★

Celler said appointment of the proposed new judges on a bipartisan basis would avoid an "imbalance" that occurred during previous Democratic administrations when 80 per cent of the federal judges were Democrats.

LANSING (AP) — The supervisor of a health and reducing studio has been convicted by an all-white Municipal Court jury of violating Michigan's antidiscrimination law by refusing service to a Negro woman.

★ ★ ★

Specifically, the prosecution alleged William Hubner of Flint, regional supervisor for Slender Form Figure Studios, declined to honor a coupon for free health treatments presented by Mrs. Ernestine Merritt.

The jury of three men and three women deliberated about 30 minutes at the end of a six-hour trial before returning its verdict yesterday.

★ ★ ★

Judge Charles Murphy sentenced Hubner to pay a minimum fine and costs of $129.60. The defendant's attorney asked a stay, presumably for a possible appeal, and Hubner was released on $100 bond.

## Wrong Address Given for Man in Assault Case

Earl Matteson Jr., 34, who faces arraignment in Macomb County Circuit Court on a charge of assault with a deadly weapon, lives at 49 James St., Pontiac, and not 46 James St. as stated in yesterday's edition.

★ ★ ★

Matteson is free on bond set in Macomb Justice Court at $1,500.

He is accused of threatening to kill a man he believed to be his wife's ex-husband with a shotgun.

## Selling Push Heavy in Corn, Soybeans

CHICAGO (AP) — Selling pressure was moderate to heavy in corn and soybean futures during early dealings today on the board of trade and those commodities led a continued downward price trend.

★ ★ ★

Soybeans were off major fractions during the first several minutes and corn was off about a half cent. Other changes were in minor fractions.

Reports that the government had begun selling loan-defaulted soybeans was a major factor in the liquidation along with the outlook for a rather large carryover of commercial stocks.

★ ★ ★

The setback dropped the July delivery to another low for the season.

## School Staffs at Utica Gain Raise in Pay

UTICA—The Board of Education of the Utica Community Schools has granted pay raises to teachers, administrators and other school employes totaling over $50,000 a year over and above regular increments.

Under the new salary schedule, starting salaries for teachers with bachelor's degrees were hiked from $4,700 to $4,750. The maximum, after 20 years, will be $8,237 with fringe benefits, school officials announced today.

★ ★ ★

The flat increment of $200 was changed to a 5 per cent pay raise for the teachers.

**If the raise is to continue, however, School Board members say that an increased operating millage will have to be approved by the district electorate.**

The present 3 per cent operating millage commitment is about to expire and will have to be placed on the ballot for renewal, they said.

Included in the school personnel whose pay was hiked are Supt. Fred Atkinson who will get $17,500 and assistant superintendent Floyd H. Ebeling, whose new salary is $13,500.

## Boys Republic Picks Executive Director

FARMINGTON — The appointment of Gordon K. Boring as executive director of Boys Republic here, was announced today by Don K. Harness, president of the board of directors.

Boring has been assistant executive director since 1953. He joined Boys Republic staff as a counselor in 1947 on his graduation from the University of Michigan.

Boys Republic is a residential treatment center for emotionally disturbed and socially maladjusted youths, about 70 of whom are enrolled at any one time.

In his new capacity, Boring will direct a staff of 45 persons.

**"A prime requisite for effectively helping boys resolve their problems," Mr. Boring said, "is a well-trained enthusiastic staff. Boys Republic is fortunate in having such a fine staff.**

"We are convinced," he added, "that the work we are able to do with the boys and their parents, in addition to the cooperation we are getting from public schools, courts and social agencies, will greatly insure the prospects of a happier and better adjusted boy when he leaves our program and returns to the community."

## Vandals Hit 2 Schools in Waterford Township

Vandals broke into Pierce Junior High School and the Waterford Center School and created extensive damage but nothing was taken, according to township police.

Desk drawers at Waterford Center were ransacked, and red ink had been poured throughout the main lobby of the junior high school.

# Profit Taking Hampers Rally

NEW YORK (AP) — The stock market pushed its rally into the third-straight session early today but was hindered by profit taking on some recent wide gainers.

★ ★ ★

Steels, the pacemakers of the comeback by cyclical stocks, were mostly lower in active dealings. Motors also faltered, Chrysler dropping about a point of recent gains in brisk selling.

**The space age defense issues continued their advance of late yesterday on news of added defense expenditures voted by a Senate subcommittee.**

Rails were virtually unchanged and oils edged off. Airlines, nonferrous metals and chemicals were generally higher but their gains were limited.

★ ★ ★

Some selling was in order, brokers said, after the vigorous recovery which put averages back at their levels of late January.

**U.S. Steel lost about a point. Bethlehem and Republic Steel were down fractions, General Motors and Ford traded about unchanged.**

Thiokol, the rocket stock, continued to rise, adding about a point. Similar gains were posted for General Dynamics and Boeing. Raytheon gained well over a point.

★ ★ ★

NAFT met renewed demand, adding a couple of points.

The ticker tape was late for a 15-minute period as initial transactions were cleared, including some large blocks.

G. W. STARK

**Other new officers to be installed are Roland Smith, first vice president; Glenn Rundell, second vice president; Julius Galan, secretary - treasurer; and George Tuson, sergeant-at-arms.**

The 1960-61 board members elected were Ray Brasch, Palmer Burns, Glen Harding, Tom Hruska and Bob Lark.

The installation dinner will take place at the Pontiac Elks Temple with cocktails at 6:30 and dinner at 8.

## Varner Attending Talks for Heads of Universities

Chancellor D. B. Varner of Michigan State University Oakland is one of 20 American university presidents attending the first invitational Washington Seminar for College and University Presidents.

**The conclave began yesterday in Washington, D.C., and will continue through June 17 under the auspices of the Assn. for Higher Education of the National Education Assn.**

Made possible by a grant from the Danforth Foundation, the seminar will deal with national aspects of higher education.

Topics to be discussed will include higher education research programs, the impact on higher education of national programs in science and other fields, federal legislation and higher educational, nationwide associations of colleges and universities, international education programs, and goals in higher education.

## Crashes Into Tree With Motor Scooter

A 15-year-old Waterford Township youth attempting to pass a car waiting to make a turn from Hatchery road onto Crescent Lake road, lost control of his motor scooter early today and crashed into a tree.

Larry D. Newmarch, of 762 Pickering St., told township police he was attempting to pass a stopped car, driven by Mrs. Clarence M. Dodge of 2361 Silver Circle, on the right shoulder of the road, when he skidded on the gravel and was thrown against a small tree.

He was taken to Pontiac General Hospital with lacerations on the face and head, treated and released.

## News in Brief

**Stanley Coddington, 2585 Sunhill** Dr., Waterford Township, reported to township police that someone stole a $100 portable radio from his unlocked car in his garage sometime after 10 p.m. yesterday.

**Approximately $60 was stolen** from the cash register at Tiny's Pure Oil Service Station, 5 N. Telegraph Rd., Waterford Township, sometime after 6 p.m. yesterday, it was reported to township police.

**Marvin O. Skelton, owner of the** Silver Lake Septic Tank Company at 3872 Elizabeth Lake Rd., Waterford Township told police that two tires and wheels valued at $30 and 34 gallons of gasoline in two tractors was stolen sometime last night.

**Harry E. Cameron, 57, of Port** Huron, pleaded guilty to a reduced charge of reckless driving before Municipal Judge Cecil McCallum yesterday. He was placed on three months probation, ordered to pay $90 court costs and a $10 probation fee.

**Mrs. Ralph Swinehart of 4540** Oakwood Rd., Brandon Township, told sheriff's deputies yesterday that someone stole a chain saw worth about $200 from the back porch of her home.

**A roof fire caused by a short** in wiring of a neon sign caused an estimated $150 damage early today at the McDonald Tire Co., 370 S. Saginaw St., according to Pontiac firemen.

## Ronnie Burns Out on His Own

### Debuts Tonight Without Mom and Dad to Take Up the Slack

HOLLYWOOD (UPI)—If George Burns and Gracie Allen didn't set aside a nest egg during their salad days, who cares?

Their son Ronnie can pick up the tab.

The tall, quiet sprout has a TV show of his own now, which is more than can be said for mom and pop.

**Ronnie makes his debut tonight in Happy, a situation comedy series scheduled as a 13-week summer replacement. If young (24) Burns cuts the mustard he'll stay on the air next fall.**

But going it alone is a rough assignment. For years Ronnie played a somewhat bumbling adolescent on his parents' enormously popular show.

His role was well-written, but if he wasn't a three-alarm Brando in every scene, it didn't matter. George and Gracie were there to take over.

★ ★ ★

How does Ronnie think he will fare now that he's been weaned?

**"I gotta go it alone, and I've gotta be good," he said.**

"It's not going to be easy carrying the program on my own shoulders, but we've got a fine crew. And my leading lady, Yvonne Lime, is mighty pretty and a darned good little actress."

Ronnie's new role is that of a young husband and father who runs a hotel in Palm Springs.

## TV Features

**By United Press International**

**WAGON TRAIN**, 7:30 p.m., (4). The orphaned daughter of a woman believed to have died of bubonic plague is kidnaped and the search leads to Major Adams' (Ward Bond's) wagon train.

**BOY SCOUT JAMBOREE**, 8 p.m., (7). This 50th birthday tribute will cover all phases of scouting.

**NELSON FAMILY**, 8:30 p.m., (7). Ozzie is talked into spicing his account of his day in order to quiet Harriet's complaint that he never brings home any interesting news.

**HAPPY**, 9 p.m., (4). Debut of family situation comedy series about the adventures of a young married couple (Yvonne Lime and Ronnie Burns) as seen through the eyes of their "talking" baby.

**WEDNESDAY NIGHT FIGHT**, 9 p.m., (7). Heavyweight contender Eddie Machen takes on Alonzo Johnson at Chicago Stadium in a scheduled 10-rounder.

**CIRCLE THEATER**, 10 p.m., (2). A drama based on the operations of the U.S. Immigration and Naturalization Service.

**HARNESS RACING**, 10:30 p.m., (4). Seven harness races will be presented from the Hazel Park Raceway, the last two will be seen live.

**JACK PAAR SHOW**, 11:30 p.m., (4). Jack's guests include Hans Conried and Virginia Graham.

## Abortion Conspiracy Charge for Women

MOUNT CLEMENS (UPI) — Circuit Judge Howard R. Carroll Tuesday ruled that women principals testifying in illegal operation cases cannot be prosecuted for conspiracy.

Carroll's decision overruled an April ruling by Judge Francis Castellucci of Macomb County Justice Court which upheld the right of several witnesses in an abortion conspiracy case to refuse to testify on Fifth Amendment grounds.

**Justice Carroll handed down his 13-page decision after studying 150 similar cases in 25 states, basing his opinion on majority rule.**

There is no Michigan law under which women can be prosecuted for undergoing an abortion. They can, however, be prosecuted for abortion conspiracy.

The Macomb examination of nine members of an alleged abortion ring was held up for the higher court's ruling.

## Kennedy, Johnson Squeezing Symington, Stevenson Out

WASHINGTON (AP)—A pincers movement aimed at squeezing Sen. Stuart Symington (D-Mo) and Adlai E. Stevenson out of the Democratic presidential nomination race was under way today. Kennedy (D-Mass) and Lyndon B. Johnson (D-Tex) worked independently to chop what support they could away from their two rivals.

★ ★ ★

Johnson's strategists said some Symington delegates had made overtures to them. Kennedy's camp claimed some success in wooing Stevenson backers, including endorsement of Kennedy by three men who had been close advisers of Stevenson in his 1952 and 1956 presidential campaigns.

★ ★ ★

Outside of Symington's supporters, there was a general consensus that Kennedy and Johnson, the Senate's Democratic leader, have come close to making it a two-man affair with the odds pointing to one or the other as the eventual nominee.

The Symington camp contended that the Missouri senator will be the man most available if the two leaders bump into a stalemate.

They hope former President Harry S. Truman, now openly supporting Symington, will be able to help maneuver the Missouri senator into position at the proper time.

★ ★ ★

Stevenson's backers in Congress are inclined to count Symington out of the running. Their view is that if there is a voting deadlock, the delegates will turn again to Stevenson. They concede the odds are strongly against any such result.

Stevenson, who has said he isn't seeking the nomination and doesn't expect to get it, is reportedly preparing a statement to clarify his position.

It could come as a reply to Sen. Hubert H. Humphrey (D-Minn), who recently wired the former Illinois governor asking when he was going to "make a direct move for the nomination."

It was the general expectation that Stevenson would say he is prepared to campaign in the general election for any of the active candidates who gains the nomination.

**This would mark defeat of efforts by Kennedy's backers to get endorsement from the former nominee. They apparently would have to be content with the public backing of some of Stevenson's advisers in previous campaigns.**

Henry Steele Commager, Amherst College historian, said Tuesday he and Harvard professors John K. Galbraith and Arthur M. Schlesinger Jr. are endorsing Kennedy. All were active Stevenson advisers in 1952 and 1956.

## NY Works to Avert New Subway Terror

NEW YORK (AP) — Subway workers combed through New York City's miles of underground train tunnels today, seeking to prevent a repetition of the fire that trapped thousands in a smoke-clogged nightmare.

★ ★ ★

A third rail flash at 9:25 a.m. Tuesday set aflame a pile of refuse in a subway tunnel under Grand Central Terminal, stalling 14 rush hour trains. Hundreds of passengers were overcome by smoke.

Mayor Robert F. Wagner ordered a complete cleanup and a safety inspection of the entire subway system.

The order came after Transit Authority Chairman Charles L. Patterson said a private contractor on a repair job had left the trash several weeks ago and ignored a warning to clear it away.

**MINOR FIRES COMMON**

Minor fires in the system are a common occurrence. More than 2,500 were reported in the past year. But the drama of Tuesday's blaze was unprecedented.

Below the surface of Manhattan, dense clouds of acrid smoke billowed into crowded subway cars. Some passengers were trapped in the heat and subterranean darkness for three hours.

Above ground, thousands rushed to the Grand Central area—police, firemen, sightseers—and a massive traffic jam clogged the streets.

★ ★ ★

The sidewalks became emergency wards as passengers staggered from smoke-spewing entrances.

About 150 were taken to hospitals. Most left after emergency treatment.

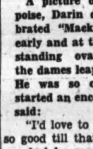
Passengers sat quietly awaiting aid or groped their way through the stifling cars. Nearly all made their way out alone, following directions shouted by policemen and subway workers.

## Bobby Darin's Opening a Big Hit at the Copa

**By EARL WILSON**

NEW YORK—Broadway's bouncing!

The Copacabana was so crowded the other morning at Bobby Darin's opening, that when Louis Prima attempted to smooch his wife Keely Smith, he missed and kissed composer Jule Styne.



WILSON

Maybe that's an exaggeration — but only one more male could have squeezed in: Eddie Arcaro.

**Jan Murray at the same early hour jampacked the Latin Quarter and Benny Goodman attracted a flock to the Basin St. East that included Rex Harrison squiring Tina Onassis. The Broadway blackout sparked a cafe comeback.**

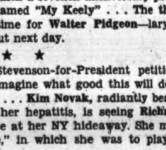
"I've been after my agent for years to get me any kind of a part in a Broadway show," said comic Larry Best at the Copa, "And just this morning I got the call.

"I was signed to three days' picket duty."

★ ★ ★

Pat Boone, a "veteran" now — not quite as old as Daniel Boone — sat there up against the orchestra snapping his fingers.

**A picture of perfect poise, Darin did his celebrated "Mack the Knife" early and at the end got a standing ovation — with the dames leaping up first. He was so confident he started an encore and then said:**



DARIN

"I'd love to finish it but I'm sure somebody's say 'He was so good till that last song'—so, good night."

And he ran off—after a memorable debut.

★ ★ ★

### THE MIDNIGHT EARL . . .

**Louis Prima gave Keely Smith a seventh anniversary present—a plush $155,000 yacht named "My Keely" . . . The theater closing arrived just in time for Walter Pidgeon—laryngitis would have forced him out next day.**

She may have to cancel "The Interne," in which she was to play a woman doctor.**

## George Burns Into Song Despite His Busy Guests

**By FRED DANZIG**

NEW YORK (UPI)—I had an awful feeling during the first 50 minutes of "The George Burns Show" last night.

★ ★ ★

I was afraid George's guests on the NBC-TV special—Jack Benny, Betty Grable, Polly Bergen and Bobby Darin—were going to succeed in their wicked scheme to keep their amiable host from singing.

**Fortunately, George managed to squeeze in a couple of numbers, or reasonable facsimiles, during the final 10 minutes and this made it all worthwhile.**

George's snatches of "Grizzly Bear," "Love Is Like the Mumps" and "Red Rose Rag," came during a monologue in which he told of his early pre-Gracie Allen vaudeville days, when he changed his name more often than his short collar.

**TEXTURE OF ASHES**

George's voice has the texture of the ashes on his ever-present cigar, but the flavor is pure Havana.

**Actually, this segment of the show was a digest of warm, wonderful stories I first heard him tell on a Jack Paar show late last year.**

I flipped over that visit at the time and, during last night's reprise, did it again.

Another segment in the show that was enjoyable offered some quiet, modest walk-dancing to "Anything Goes," by Burns, Betty and Bergen.

**The stage sets by Ed Stephenson imparted clean, adventurous and spritely backings to the proceedings. Hermes Pan's crisp choreography was another asset.**

As indicated earlier, the format had to do with George wanting to sing with his guests and his guests devising little strategems to put him off.

**FAMILIAR LAUGHS**

This gimmick has become a trademark for Burns.

There weren't enough new twists to this old pretzel yesterday, however, and so the laughs had to travel around those familiar, well-worn circles.

**Bobby Darin's rendition of "Bill Bailey" indicated that he has a lot of rhythm in his hands and feet. When, and if, this rhythm filters into his vocal equipment, his work may acquire more meaning.**

(By coincidence, Eydie Gorme turned up on "The Garry Moore Show" less than an hour later and sang the same song. She made it move a little better.)

Darins singing of "My Funny Valentine" was a powerful argument for prerecording.

★ ★ ★

Betty Grable, who wore a hat that looked like a flying saucer after a collision with an airborne ostrich, did an inane bump-and-grind number about rock 'n' roll being beneath her dignity.

I got the idea of the so-called spoof but Betty's execution of it was capital punishment.

**Polly Bergen did well with her ballad. Jack Benny was unable to do much with the woeful material he was handed although the intensity of his effort was evident.**

But — there was George Burns' 10-minute closing spot. They can't take that away from us.

**THE CHANNEL SWIM:** In booking Ken Murray and Marie Wilson for two appearances on his CBS-TV hour next season, Ed Sullivan apparently touched off rumors that Murray would become alternate-week host on the show. Sullivan's office calls the report untrue.

"Surfside Six," a full-hour private eye series that is set in Miami Beach, Fla., has lined up sponsors and will debut on ABC-TV Oct. 3 in "Bourbon Street Beat's" time slot.

NBC-TV's "Project 20" unit is preparing a program that tells, through great art works, the story of the coming of Christ. Air date is Dec. 21.

## Russia Unchanged, Lodge Tells Ensigns

ANNAPOLIS, Md. (AP) — U.S. Ambassador Henry Cabot Lodge told graduates of the U.S. Naval Academy today Premier Nikita Khrushchev's attacks on President Eisenhower serve as a healthy reminder that basic Soviet aims have never changed.

In a speech prepared for delivery at the 120th commencement exercises at the academy, Lodge said: "We strive for our ideals and for a world at peace. Yet we know the road is difficult and dangerous. We know there can be misunderstandings, that our ideals can be distorted and that the possibility of violence is a familiar fact of our time."

## Teach Investment to Wife? She Can Bank on That

**LOS ANGELES (AP)—It's more important to leave your wife with a course in business than a fur coat says probate court examiner Marjorie Brown.**

**In a speech Tuesday she advised married men:**

**"Teach your wife to budget, so in case you die first, she will be an efficient executrix of your estate.**

**"Teach her about business, stocks and bonds.**

**"Give her lots of wonderful memories to dwell on.**

**"She'll appreciate your personal attention now a great deal more than she will a yacht or fur coat when you're dead."**

**TO GET VISA** —South African Negro leader Oliver Tambo will be given a U.S. visa for a speaking tour, his sponsor group says. The American Committee on Africa says it has been informed the visa will be issued. Earlier the State Department had listed Tambo as ineligible. He fled South Africa during the crackdown on persons protesting the apartheid policy.

## Supervisors Act on Courthouse

### OK Storm Sewers, Moving W. Boulevard and Another Well

Steps toward construction of storm sewers; vacating and relocating of bisecting West boulevard; and drilling an additional well at the new courthouse site were approved yesterday by the Board of Supervisors.

★ ★ ★

All approvals were unanimous.

**A $55,233 contract was approved for the storm sewers with the Trenton firm of Ray L. Welch. The company submitted the lowest bid among eight companies.**

The county engineer had made an estimate of $70,000 for the work.

**ESCROW FUNDS TO HELP**

Tax funds held in escrow especially for the storm sewers and an additional well, to cost $14,000, will pay for both projects, Robert Y. Moore, chairman of the Board of Auditors said.

**The addition of the new courthouse necessitates the new well, supervisors learned.**

With the city granting its approval, the Board of Supervisors yesterday agreed to the vacation and relocation of West boulevard through the building project farther to the east.

The county agreed to construct and maintain this relocated portion.

## Finch Disobeys Order; Is Put in Isolation Cell

LOS ANGELES (UPI) — Dr. R. Bernard Finch, wealthy physician accused with his young mistress of slaying his wife, was ordered confined in an isolation cell at county jail for disobeying a guard.

**Finch, 43, confined at the jail since shortly after his wife Barbara, 33, was found slain last July 18, was denied smoking privileges, visitors or mail on May 20 and 21, it was revealed. He had changed his clothes for a court appearance in his cell instead of a dressing room as ordered.**

Chief jailer Joseph M. Gaalkens said Finch generally had been a "model prisoner."

Gaalken said Finch's co-defendant, Carole Tregoff, 22, has been to see him only three times since her release on bail after their first murder trial ended in a hung jury in March.

"This fact, plus the delay in his second trial, may be weighing heavily on Finch's emotions and nerves," said Gaalken.

## Sees Industry Spurt Along Interstate 94

BRIDGMAN (AP) — Highway Commissioner John Mackie says he looks for tremendous industrial development near interchange points on the Detroit-Chicago expressway.

"I predict that within five years from the day Interstate 94 is completed, more than a million dollars a mile in new industry, warehousing and commercial development, as well as residential development, will be attracted to areas near interchange points," he said.

★ ★ ★

Mackie spoke yesterday at ground-breaking ceremonies for start of construction of the last section of the toll-free expressway scheduled to be completed in 1961.

The expressway will stretch across southern Michigan from Detroit to New Buffalo near the Indiana Line.
