

U. S. Senator Rotary Club Guest

POTTER SPEAKS HERE—With Sen. Charles E. Potter (center) at yesterday's Rotary Club luncheon were Dr. William H. Marbach (left) and Frank S. Lyndall, Rotary president. Potter's

appearance marked the second time in the club's history that it has been addressed by a U. S. Senator.

Potter Sees GOP Pitted Against Labor Politics

By PETE LOCHBILER

Organized labor is the force Republicans must beat in the coming state and national elections, Sen. Charles E. Potter predicted in Pontiac yesterday.

Potter warned that the Republican economic philosophy of free enterprise is pitted against union-favored socialism.

Calling the common workman "a pawn" used by politically ambitious labor leaders, Michigan's top GOP elective-officials said that a socialist-type national government is a possibility—perhaps by 1964—unless Republicans put a halt to organized labor's mushrooming victories in politics.

"And I definitely place Gov. Williams (a Democrat) as one of the figureheads in this movement," the senator added after an off-the-cuff speech before a turnout of about 75 members of the Pontiac Rotary Club.

Williams frequently is mentioned as a possible political contender next year against Potter, who was elected to his first term in the Senate five years ago.

MAY SEEK RE-ELECTION

Saying that he had never actually announced his intention to run for re-election, Potter let it be understood that he probably will be in the Senate race again next year.

The Cheboygan Republican told Rotarians that invasion of politics by such labor leaders as Walter Reuther, UAW president in Detroit and national AFL-CIO vice president, was a growing menace to business.

"Reuther decided he couldn't get what he wanted at the bargaining table, so he turned to power politics."

The labor leader, Potter said, is spending union dues of "hard working union members" on politics.

"It would cost Republicans \$750,000 a year to duplicate labor's political propaganda program in Michigan," he said.

"Reuther wants a socialist-type of government, and he'll get it, too, unless those who believe in free enterprise unite with at least an equal diligence," Potter added.

CHALLENGE FOR GOP
"Too many Republican businessmen want to be mere political spectators," he said. "I'm convinced that the business community of this nation must work together to meet this political challenge, and work hard."

He blamed Republican "apathy at the polls" for recent election defeats at the hands of Michigan's Democratic Party-organized labor coalition, which Williams heads.

Potter also spoke concerning the national budget and the invocation of the Fifth Amendment by wit-

nesses testifying in Congressional investigations.

Convinced the present budget will be trimmed by an additional \$3 to \$4.5 billion before it is approved by Congress, Potter pointed to the danger of underbudgeting for defense.

WANTS AID, NOT HANDOUT
Saying that U. S. military aid to foreign countries is a good investment, Potter added that direct grants, which amount to about one-quarter of the foreign aid program, are "of dubious value."

"Foreign nations don't think

very highly of our country in its role of big, rich uncle," he stated.

The Senator hoped that in the future the courts would "tighten up" their interpretations of the Fifth Amendment, by which witnesses are guaranteed the right to refuse to incriminate themselves.

"I think everyone has a right to assume that a witness who invokes the Fifth Amendment is trying to hide the truth," he said.

The 40-year-old Republican, who lost both his legs in France (Continued on Page 2, Col. 4)

Methodists Ask Veto on Tax Bill

Fight Associating Schools With Whisky, Cigarettes

DETROIT (AP)—Gov. Williams was asked by Michigan Methodist Church leaders yesterday to veto a school aid bill which would raise 24 million dollars in cigarette and whisky taxes.

The church people said they objected to the association of liquor and tobacco taxes with education.

The request came in the form of a resolution passed at the Detroit annual conference of the Methodist Church. The resolution read in part:

"While we are in full accord with the public school system and favor any necessary taxation for its support, and while we do not object to the recent taxes levied on cigarettes and alcoholic beverages, we regret that these taxes are associated with our schools and the education of our children."

The state legislature May 25 approved a bill which would increase the tax on cigarettes by two cents a pack and boost the tax on liquor by four per cent.

The money raised by the new taxes would be earmarked for school aid. The bill requires only the governor's signature to become law.

The conference also urged legislators to sustain a gubernatorial veto. The conference represents Methodist churches in eastern Michigan and the Upper Peninsula.

Ships to Seek Clues

TOKYO (AP)—Two Japanese government ships left Tokyo today for a 4,000-mile cross-country voyage in the Western Pacific, seeking clues to the reason for recent temperature rises of arctic waters. Two more small Japanese ships sail tomorrow for the month-long expedition, part of Japan's participation in the International Geophysical Year.

Put \$1,100 Prize From Pot-O-Gold Into Your Pocket

Even though a winner wasn't found for last week's Pot-O-Gold puzzle, you still have a chance at the prize money, which amounts to \$1,100 now. If you're interested in emptying the pot into your own

	1	3	6	8
10	11	13	15	
18	19		21	24

33	35	37	39	

pocket, turn to page 8 and try your luck at selecting the right numbers. Remember, only the numbers will be accepted. If words are written in the puzzle blanks, even though they may be correct, the entry will be disqualified. Read the clues carefully for help in selecting the right answers. Correct answers and explanations for last week's puzzle appear on page 40.

GI in Japan Denies Enticing Shooting Victim

Lawyer Readies Defense Despite Efforts in U.S. to Block Trial

CAMP WHITTINGTON, Japan (AP)—GI William Girard declared today Japanese charges that he enticed a woman scrap collector to her death were untrue. He said the fatal shooting was accidental.

The young GI added, however, that he expects a fair trial in Japanese courts.

Girard's Japanese lawyer and his U.S. Army legal adviser went ahead with plans to defend the 21-year-old soldier in the nearby Maebashi District Court despite legal moves by other lawyers in the United States to forestall the Japanese trial.

At the request of attorneys retained by Girard's family, a federal judge in Washington ordered the Army not to yield the soldier to foreign custody before a hearing Tuesday on an application for a writ of habeas corpus.

The Girard family's attorneys in the United States contended Girard shot a trespasser on a U.S. military base while he was on duty, and the U.S.-Japanese status of forces agreement provides only for the Japanese to try servicemen accused of offenses committed while off their bases and off duty.

U.S. authorities in Japan originally held a similar position, resisting Japanese demands to yield Girard for trial.

But a decision by Secretary of State Dulles and Secretary of Defense Wilson Tuesday to turn Girard over to Japanese jurisdiction in effect upheld the Japanese contention that while Girard was authorized to protect military property, he was not authorized to shoot.

Heard Half Mile Away

Violent Car Crash Kills 5

McKEESPORT, Pa. (AP)—An auto crash so violent it awakened residents half a mile away took the lives of five teen-agers near this mill town last night.

"We were just out for a ride, just out for a ride," sobbed the 16-year-old driver, Bruce Wessel, who was one of the two survivors. He told police his auto was forced from the highway by another machine.

The car plunged down a 50-foot embankment and smashed into three trees. The top of the car was sheared away and all seven occupants were thrown out.

The dead, all from East McKeesport, were William Forman, 15, and his twin brother Earl; James Ginter, 15; James Beswick, 14, and Joseph Jones, 15.

Wessel and Charles King, 15, also of East McKeesport, were hospitalized in serious condition.

Dallas Bunnies Take to Smoking a Pack a Day

DALLAS (AP)—If a big red rabbit with a New Zealand accent hops up to you on a street corner and says, "Buddy, can you spare a match?" call the nearest VA hospital. Not for yourself. For the bunny. He's an escapee.

If you're the be-kind-to-animals type, give him a couple of cigarettes before he's carried away. He probably is crazy about them.

The bunny has the nicotine habit pretty bad if he's one of the 40 at the Veterans Administration hospital here. His quota of smokes is a pack a day.

Dr. Robert H. Holland of the hospital's staff started the rabbits on their smoking binge about a year ago.

Dr. Holland said today that he and his staff hope to answer the question of whether cigarettes can cause lung cancer.

When a rabbit is put in his smoking box, a lighted cigarette is placed exactly two centimeters from its nose.

Shiver and Shake, Says Weatherman

The weather man has predicted cooler temperatures and scattered showers for this area tonight, ending tomorrow. Tonight's low will be 54 to 58 degrees.

Saturday will be somewhat warmer with the mercury expected to reach a high near 73.

The U. S. Weather Bureau has reported temperatures will average 4 to 8 degrees below the normal high of 74 to 78 and normal low of 52 to 57 for the next five days. A warming trend is expected Monday, followed by cooler temperatures on Wednesday.

Downtown Pontiac's lowest temperature preceding 8 a.m. was 50 at 1 p.m. the temperature was 61.

Texas Flood Rundown

DALLAS, Tex. (INS)—Flood waters were reported subsiding in the Southwest despite more rain today, but record crests were forecast for rampaging rivers in the Rocky Mountain region.

To Fill McCarthy Seat

MADISON, Wis. (AP)—Wisconsin voters will vote in a special election Aug. 27 to fill the U. S. Senate vacancy caused by the death of Sen. Joseph McCarthy. The term will expire in January 1959.

He Refuses to Talk

GEORGE STUART

Bakers' Union Chief Asked to Explain Gifts, Favors

WASHINGTON (AP)—James G. Cross, international president of the Bakers Union, was summoned before Senate Rackets probes today to explain gifts and other favors he received from his union.

But first the committee headed by Sen. McClellan (D-Ark.) planned to question other witnesses about allegations of misuse of funds of a Bakers local in Los Angeles, and about dealings between union officials and employer groups in New York City.

Repeated Fifth Amendment pleas by George Stuart, resigned first vice president of the international union, halted efforts by the committee to question him yesterday about testimony that he had misused more than \$40,000 of union money.

Stuart, who said he is now unemployed, used the amendment's protection against self-incrimination 23 times in 10 minutes.

Stuart paled and closed his eyes when Robert F. Kennedy, the committee counsel, read off to him an Illinois statute which defines embezzlement under trust as larceny.

IMPROPER USE

Kennedy said that case after case of what he termed unauthorized and improper use of union funds by Stuart had occurred in Chicago. He said the money came from two now defunct locals when Stuart headed them as a union trustee.

With Stuart refusing to answer, the committee turned to other sources in presenting evidence that union cash was used to buy Cadillac automobiles for both Cross and Stuart.

Subpoenaed documents and staff investigators pictured Stuart as getting also a Chevrolet Corvair, a \$375 cocktail set, \$95 cuff links, a \$790 pearl necklace-bracelet-carrying set, clothing for (Continued on Page 2, Col. 3)

Double Crash of Navy Planes

Sea Search Cuts Short Demonstrations Planned for President

ABOARD USS SARATOGA (INS)—President Eisenhower's task force carried out a dramatic air-sea rescue today of a Navy pilot whose jet plane crashed off the coast of Florida.

The pilot, Cmdr. J. E. Tefft, commander of Fighter Squadron 31 at Cecil Field, Fla., was picked up from a life raft 120 miles northeast of Mayport, Fla. He was reported in "very good condition" despite the ordeal of his night at sea.

Tefft was plucked from his life raft by a helicopter from the carrier Valley Forge, one of the ships detached—for rescue purposes—from the task force conducting special exercises for Eisenhower.

Sixteen ships from the task group continued to search, meanwhile, for the remaining flir whose faster-than-sound Demon jet also crashed into the Atlantic.

The supercarrier Saratoga, serving as Eisenhower's flagship, sent a number of her planes to join the massive air-sea rescue operation shortly after dawn.

The President looked on from the flag deck this morning as the Saratoga launched a medium-range guided missile which could be used with atomic warheads against surface targets several hundred miles away.

TO BE DOWNED
The missile, which looked like a midjet jet plane, was to be shot down later by smaller anti-aircraft missiles.

The rescue of the Navy pilot came after the guided missile cruiser Boston had informed the Valley Forge by radio that "we have a man in a life raft who is waving."

The twin crash cast a shadow over the Navy's big air show for Eisenhower and top brass and caused cancellation of three of the five items on this morning's wind-up program.

SHIPS STAY

Only two ships, the light cruiser Northampton and the destroyer Fox, remained with the Saratoga, which was circling on the fringe of the search area.

Just how much of the show planned for the President today would still go on was a question—since both the Boston and Valley Forge among the ships participating in the search were to have played major roles in demonstrations scheduled for this morning.

The fact that the two missing jets and a third which crashed near the Saratoga had flown near the highly touted Crusaders added an ironic twist to the tragedy.

It had been a proud moment for the Navy yesterday when two of the swept-wing Crusaders landed on the Saratoga after streaking across the country from San Diego in three hours and 28 minutes.

The President personally congratulated the pilots and the Saratoga's loudspeaker hailed the Crusaders, flown exclusively by the Navy, as "the world's fastest operational planes."

The jets which landed on the Saratoga had flown non-stop from the carrier Bon Homme Richard in the Pacific, a transcontinental "first." They averaged more than 650 miles per hour and hit a peak speed of over 1000 miles per hour. The President's naval aide, Capt. E. P. Aurnand, suggested it might have been a faulty batch of gasoline which caused the three planes from the same fighter squadron at Cecil Field, Fla., to crash on the same day.

Auto Industry Calls 'Speed' Dirty Word

DETROIT (AP)—The auto industry says that from now on speed is a dirty word.

It is to be replaced in the trade's vocabulary by safety, reliability and comfort.

This is a decision of the directors of the Automobile Manufacturers Assn.

These directors include the presidents of the Big Three in the industry—General Motors, Ford and Chrysler—as well as top executives from every other volume producer of passenger cars.

OLD TIMES GONE

If the decision is adhered to rigidly, the days probably are gone when car A will claim it won the Pike's Peak Race while car B says it swept the field at Daytona Beach.

The manufacturers have made wide use of race and contests results in their advertising.

The emphasis in postwar years has been on speed and increasing horsepower.

ENGINES JUMP

Engines have jumped from a mere 80 horsepower before World

War II to 300 plus in luxury models. Acceleration tests have been ballooned.

But at its annual meeting yesterday the association took action.

Its strongly worded resolution said that the manufacturers shouldn't take part, in any event even suggesting racing or speed.

And it barred the use of actual or comparative ratings of cars for speed, specific engine size, torque, horsepower or ability to accelerate or perform "in any contest that suggests speed."

CARS SAFE

Instead, the industry wants to

emphasize that cars provide "safe reliable and comfortable transportation."

The automobile industry has come under heavy fire in recent years for increasing horsepower.

It has replied that much of the criticism has been unjust, that a lot more power is needed to run the heavier, gadget-laden cars of 1957 than it took to operate their counterparts of 10 years ago.

The board's resolution noted that it shares "the public interest in increasing the safety of highway travel."

Board Sets Up Polling Places

Voters to Name Two to City Education Group in Monday's Balloting

Polling places for Monday's school board election were announced today by the Pontiac Board of Education.

The school precincts are designated by letters and are given below followed by the corresponding city precincts in Pontiac and a general boundary description outside the city:

School Precinct	City Precinct
A-Bagley	2-3-24-38
B-Webster	6-31-41
C-Croft	6-7-9-10
D-County Office Bldg.	12-13-14
E-Lincoln Junior	15-22-42
F-Queen	15-22-42
G-LeBaron	16-28-43
H-Eaton	17-18
I-Baldwin	18-19-20-44
J-Longfellow	24-33
K-Wilson	27-28-29
L-McConnell	25-26
M-Eastern Junior	21-22
N-Central	23-24
O-Stawthorne	21-22
P-Jefferson	1-36-37
Q-Wills	4-5-30-39-40
R-Washington Jr.	4-5-30-39-40

*Includes areas outside city of Pontiac.
Precinct F—Pontiac Township north of the city limits bounded on the East by the Pontiac, Oxford and Northern Railroad. Vote at the Owen School.

Precinct G—Pontiac Township north of the city limits bounded on the west and adjacent to precinct F and on the east by the east section line of section 9 and on the north by Lake Angelus Road. Vote at the LeBaron School.

Precinct J—East of the city limits and south of Featherstone Road. Vote at Longfellow School.

Precinct O—Waterford Township in the Dixie Highway area. Vote at Hawthorne School.

Precinct P—South of the city limits bounded on the west by Wrenn Street. Vote at Jefferson School.

Precinct Q—Pontiac Township east of the city limits and north of the city limits adjacent to precinct G and including that portion of Orion Township in the district. Also bounded on the south by Featherstone Road. Vote at Willis School.

Precinct S—Daniel Whitfield School area outside the city of Pontiac.

Found Dead in Canal

SAULT STE. MARIE (U)—The body of Mike Pine, 28, of nearby Garden River, Ont., was found in the Michigan-Northern-Power Co. canal Thursday. Pine had been missing since March 29.

By E. H. RIMS

Do tornadoes occur over the ocean? Why is it that seamen seldom encounter vicious tornadoes? Tornadoes do occur over the ocean. However, they are usually smaller than their land-bred cousins and they last only a few minutes, in most cases. The reason you do not hear sailors talking of tornadoes is that they refer to what actually is a water tornado by another name—waterspout.

The waterspout was once a great mystery to seafarers. Even today much of the ignorance which still prevails concerning tornadoes also prevails in connection with the waterspout. But it is pretty well established that waterspouts do not suck ocean water up into their funnels (except for a few feet) and that they are, in reality, ocean-going tornadoes.

Thus, the funnel, if it contains water, contains water from the clouds above, not from the ocean. And the old idea that a "spout" from the ocean was involved is completely erroneous.

Waterspouts, or ocean tornadoes, are sometimes awesome sights, to be sure, but they seem to be less vicious than the midwestern plains type and do little damage on the water.

Oakland Judge Will Head Pontiac Advisory Council

At the annual meeting of the Greater Pontiac Community Advisory Council held last night, Oakland County Circuit Judge Clark J. Adams was unanimously elected president of the organization for 1957-58.

He will succeed Fred V. Haggard, the council's first president, who was honored preceding the business meeting at a testimonial dinner held at Waldron Hotel.

The Executive Committee of the council presented Haggard with an engraved desk set and pocket secretary, for his service as president.

Other officers elected by some 70 delegates were: Mrs. Socrates W. Sekles, vice president; Mrs. Neil Wasserberger, recording secretary; and Carroll Osmun, treasurer.

NAMED DIRECTORS

The following were elected to the council's Board of Directors: George Watson, with term expiring in 1958; Smith Falconer, 1958; Maurice J. Croteau, Mrs. George W. Gray, Sr., Mrs. Barney W. Habel, James Speche, Mrs. William Wright, Robert Stierer, and Haggard, 1960.

Other 1957-58 officers stepping down last evening were Mrs. William Wright, vice president; Mrs. Forrest Brown, secretary; and Dr. George N. Petroff, treasurer.

Following a preview of Pontiac's proposed civic auditorium, Mrs. Sekles, president of the Pontiac Foundation, accepted a \$2,500 check from Mrs. Marian K. Jacobs, Mrs. Lillian K. Brenner, and Mrs. Ester K. Goldberg, daughters of the late Jacob Kovinsky.

The check was presented by Mayor William W. Donaldson, and earmarked for the auditorium.

Haggard told delegates that the 1956 "Outstanding Citizen" trophy went to Rabbi Sanford E. Saperstein. It was awarded last week as Saperstein was leaving Pontiac.

In other business, William Wright, chairman of the council's Handicapped Rehabilitation Committee, announced that additional space must be found if Goodwill Industries activities here were to be expanded.

Hits Police Probe by Outside Groups

(Continued From Page One)

LAWYER CLEAR
The civil service laws are clear as to what we as a commission and they (members of the police department) can and cannot do including a code of ethics, Carlson said.

Although no formal charges and demands have been brought to the commission by the association, Carlson said if such an investigation was deemed necessary, the three men on the commission should be the ones to do it.

One of the five powers and duties of the civil service commission listed in Act 78, under which the police and fire departments are ruled, requires the commission to make investigations, "concerning all matters touching the enforcement and effect . . . of rules and regulations" of the two departments.

POWER TO SUBPOENA
The act also gives the commission the power to subpoena witnesses and take testimony during the investigations.

Gerald Guinan, who represents the City Commission on the Civil Service Commission, said "the civil service commission was in no shape to make any statements regarding Leonard because nothing has been presented to or asked of us."

"I don't think the charges are too serious . . . but we will get to the bottom of the thing if the association bring the problem to us," he added.

The third member of the commission, Stuart Austin, said the commission had not met about the problem and was "letting it hang until the charges are presented to us."

City Manager Walter K. Williams commented on the proposed investigation by Leonard by saying:

"If and when any charges are brought out—and none have been to date—and they prove serious enough to warrant an outside investigation, I personally would have no objection."

Williams said that the proposed charges have been tried in the newspapers and not yet brought to the proper channels.

He added he has "the highest regard for Donald Leonard."

Man Crushed to Death by Oncoming DSR Bus

DETROIT (INS)—A factory worker in Detroit was crushed to death yesterday when he stepped off one DSR bus and dashed into the path of another at Van Dyke and Eight Mile.

Witnesses said Nick Stark, 64, of 11316 Paige, Warren, ran into the path of the bus. Driver of the coach was released after giving a statement to police.

JUDGE ADAMS

Bakers' Union Chief Quizzed About Gifts

(Continued From Page One)

himself, furniture for his home, and money that the staff investigators said they traced into his bank account.

Most of this money allegedly came from Locals 100 and 300, which have been merged into the big Chicago Local 1.

The committee also traced some funds of the international union which the staff investigators said were used on instructions by Cross for benefit of a woman named as Mrs. Kay Lower.

Staff investigator James Munde testified that a \$200 money order listed in union records as a strike donation for Los Angeles actually went to a Mrs. E. K. Thorpe of Los Angeles, who, he said, also is known as Kay Lower.

Munde said union records showed this transaction was marked "OK J.G.C."—the initials of the union president.

Anthony Conforti, president of Chicago Local 1, acknowledged that he received some of the cameras and other costly gifts he said were bought for union officials with funds of the Chicago Locals 300 and 100. Stuart then was running the locals as a trustee appointed by Cross, and Conforti was secretary-treasurer of Local 300 under Stuart.

Conforti said he was afraid to protest, because he feared he would be fired.

Meanwhile, in Tacoma, Wash., Federal Judge George Boldt is hearing arguments today on a petition of Teamster union President Dave Beck for permission to go to Europe next month.

Beck, under federal grand jury indictment for income tax evasion, has asked the court if he may leave its jurisdiction to attend an international transport meeting in Paris.

Day Camp Spaces Completely Filled

All spaces in this year's Frog Follow Day Camp for boys and girls, seven through 13, have been filled, Leonard T. Buzz, recreation supervisor of the Parks and Recreation Dept., has announced.

He said 504 registrations have been received for the seven camping periods sponsored annually by the department and the Board of Education.

Buzz said there was a waiting list of 100 children for the camp which opens June 24.

City Sailor Shows Some Improvement

Pontiac sailor John R. Cooper, 23, of 122 Glenwood Ave., injured Wednesday in an auto crash in Seattle, Wash., that killed another sailor, has been removed from the critical list.

Pipefitter I.C. Cooper showed some improvement, a doctor said, but still was not "in satisfactory condition."

Three other shipmates of the hydrographic ship Requisite were injured in the crash.

Rochester Boy Injured, Run Over by Truck

A 1½-year-old Rochester boy, Allen DeLong, son of Mr. and Mrs. George DeLong, of 1774 School Rd., was injured yesterday when he was run over by a truck driven by Leo Rochaden, of 5550 Van Dyke Rd., Disco.

The child was playing near his home where Rochaden and DeLong were using the truck. They both told Oakland county deputies that they did not see the boy around them when they backed the truck up, but the child had crawled under the truck and was run over by a front wheel.

He is officially listed as "fair" but improving" by officials at the Avon Center Hospital, after his case was diagnosed as "three broken ribs, internal injuries, and the remote possibility of a fractured spine."

Of American adults who wear eyeglasses 56.4 per cent are women, 43.6 per cent men.

Find 2nd Knife in Waterford

Dump Yields Weapon; Warrant Order Possible for One Suspect

Waterford Township Police yesterday searched the Cooley Lake road public dump and found a second knife reportedly involved in the fatal stabbing Saturday night of Joseph Compeau, 27-year-old West Bloomfield Township laborer.

Prosecutor Frederick C. Ziem said that a warrant may be ordered today against one of two men being held for investigation. They are Elmer F. Martin, 33, of 264 N. Saginaw St. and Ollie Byrd, 37, of 2584 Eleven Mile road, Southfield Township.

Martin has admitted stabbing Compeau, 6850 Aeroview St., in self-defense during an argument at the dump, Ziem said.

Authorities had been working on the assumption, Ziem said, that a pen knife found in Martin's possession was the death weapon. But Martin yesterday explained he had used a larger knife, which he threw away at the scene, Ziem added.

Martin was to be asked to identify the larger knife before the prosecutor's office decides on a formal charge, Ziem said.

Byrd reportedly was with Martin and Compeau when the two men quarreled. Martin claims Compeau struck at him with a heavy instrument.

South's Leaders Predict Victory

Expect Enough Support in House for Passage of Jury Amendment

WASHINGTON (U)—Leaders of the Southern bloc in the House today predicted victory in their effort to attach a jury trial amendment to the civil rights bill.

Passage of the bill next week is tacitly conceded. But a bitter fight is ahead in the Senate, where previous civil rights measures have fared.

The big House fight is over the Southern attempt to amend the bill to provide mandatory jury trials for people accused of violating federal court orders issued in support of voting or other rights.

"I think we've got it," Rep. Willis (D-La.) told a newsmen. Willis concentrated on the jury trial issue yesterday in delivering what amounted to the keynote speech for the Southerners.

Rep. John Bell Williams (D-Miss) said, "It looks pretty favorable."

Rep. Abernethy (D-Miss.) said an actual count showed 240 votes in the House—22 more than an absolute majority—for the amendment. But he conceded it might not be possible to hold all the Republicans the Southerners are counting on. President Eisenhower and the Republican House leadership opposed the amendment.

Margaret's Baby Inherits Truman and Middle Name

NEW YORK (U)—The baby's name is Clifton Truman Daniel. Newsmen Clifton Daniel announced last night that his first child would be named for the grandfathers—Harry S. Truman of Independence, Mo., and E. Clifton Daniel of Zebulon, N.C.

Daniel said he and his wife, the former Margaret Truman, were "in perfect agreement" on the name.

He said they had held up the announcement until after former President Truman and his wife Bess arrived here yesterday to see their first grandchild.

Daniel, a member of the staff of the New York Times, said he had informed his parents by telephone about the decision on naming the baby, born early Wednesday at Doctors Hospital. The paternal grandparents are coming here later to see the child.

Truman has said he did not want the child named entirely after him—because it would be a handicap.

Potter Sees GOP Pitted Against Labor

(Continued From Page One)

during World War II, said the Rotary Club's invitation yesterday to speak on politics was a "highly unusual offer that I'm glad to take advantage of."

The senator was introduced by Harold A. Fitzgerald, Pontiac Press publisher, who cited Potter's "outstanding job" as a junior Senator.

Fitzgerald, who arranged Potter's visit here, said it was the second time in the club's history that it was honored by the appearance of a U. S. senator.

The Day in Birmingham

Area Psychiatrist Starts Family Study Program

BIRMINGHAM—Dr. J. Clark Moloney, Birmingham psychiatrist and active in the founding of the Cornelian Corner of Detroit, Inc., has urged early reservations for the seminar scheduled for June 15 and 16. Limited to 100, seminars will be held from 2 to 4 p.m. at Christ Church Cranbrook. Dr. Hyman S. Lippman, will conduct the seminar, speaking on "The Family Milieu of the Delinquent Child."

GI Denies Luring Japanese to Death

(Continued From Page One)

Hayashi, his chief counsel, said the legal action in the United States would not halt preparation for the Japanese trial. They described the habeas corpus request as a test of the constitutionality of the U.S.-Japan agreement allowing Japanese courts to try servicemen.

Hayashi said the case probably would not go to court for two months because of the time needed to prepare the defense. In the meantime, Girard remains in U.S. Army custody at this camp of the 1st Cavalry Division. He has been restricted to camp more than four months while the case developed into a hot international issue.

In a news conference arranged by Levin and Hayashi, Girard denied the accusation that he enticed Mrs. Naka Sakai, 46, onto an Army firing range last Jan. 30 before firing a blank rifle cartridge from a grenade launcher. Japanese newspapers have asserted Girard threw shells to the ground for Mrs. Sakai to retrieve and then shot her.

"I did not scatter any shells," Girard said.

"I don't know if I can express the right words," the soldier continued. "I was pretty well shook up and very sorry" at the death of Mrs. Sakai.

Girard said he hoped to visit the dead woman's husband to pay his condolences.

Asked how he felt about the possibility that he might be imprisoned in a Japanese jail, Girard said: "I'll worry about that if the time comes."

The charge against him, equivalent to manslaughter, carries a maximum penalty of 15 years imprisonment.

Except for the denial that he scattered empty cartridges to lure Mrs. Sakai, Levin advised Girard not to answer other questions about details of the shooting.

The GI said he thinks Japanese "are very nice people."

He praised the loyalty of his Japanese fiancée Haru (Candy) Sueyama, and said he hopes to marry her "when this is all over with."

Levin said both he and Hayashi "are fully satisfied that there will be a completely fair and open trial in Japan, and so is Girard."

WESLEY D. JOHNSON

Named as Assistant at Children's Home

Wesley D. Johnson, an employee of Oakland County Children's Home four years, has been named assistant superintendent.

Johnson, 30, will take over the job held since last October by Gordon L. Morrison, who has resigned to return to university studies. Superintendent William O. Moulton Jr. announced.

head boys' supervisor since October 1954.

An undergraduate student at Wayne State University, Johnson is married and lives at 45 Johnson Ave.

OPTIMIST CLUB HONORED — Harold Davis (left), president of the Pontiac Optimist Club, yesterday received a citation from the National Recreation Assn. in recognition of the 13 years the club has provided leadership and funds for

recreation facilities here. Making the presentation at the Elks Temple was David R. Ewalt, director of the city Parks and Recreation Dept., which nominated the club for this national award.

Pontiac Press Photo

National Safety Council Reports:

Alcohol, Accidents Go Hand-in-Hand

From the National Safety Council

Alcohol and accidents go hand-in-hand, the National Safety Council said today.

More than a fourth of the drivers or adult pedestrians killed in traffic had been drinking, a study by the council has revealed.

DRINKING DRIVERS

Further, the council observed, six of every 100 motorists involved in fatal accidents were "under the influence of alcohol," the most serious violation included in the general category "had been drinking."

Drink was a major factor in adult pedestrian deaths, too. Twenty-five of every 100 pedestrians killed had been drinking, according to reports from 20 states.

Delaware, which has given special attention to the problem of the drinking driver, whenever possible took blood tests of persons injured in traffic mishaps.

TESTS GIVEN

Intoximeter tests were given, if permission was obtained. If injuries were too severe to permit tests or if drivers refused to take them, police recorded their opinion of the motorist's condition.

Results were that 40.6 per cent of all drivers involved in traffic fatalities had been drinking.

"But a few drinks never hurt anybody—nor his driving," some will say. Tests indicate that isn't so.

FIFTY TESTS

Fifty men and women were tested before drinking. Then they downed an ounce of whiskey for every 30 pounds of body weight. That means a 150-pound man consumed five drinks, taking from 15-30 minutes.

After a 45-minute wait, the 35 men and 15 women were retested, with these results:

1. Nearly all suffered loss of visual sharpness.
2. Thirty per cent showed a significant drop in depth perception.
3. More than half were unable to judge distances well.
4. More than half were affected adversely by glare.

Drinking impairs judgment and reaction time, the tests showed. When quick thinking is vital to survival, the drinking driver is handicapped.

While whisky was used in this

test, physicians point out that a 12-ounce bottle of beer contains about the same amount of alcohol as an ounce of whiskey.

"If we're to pull down the national traffic death toll, we have to stop motorists from driving after drinking," the council said.

Reds Shell Quemoy

TAIPEI (AP) — The Chinese Nationalist Defense Ministry said Chinese Communist batteries fired 38 shells at the Nationalist offshore island of Quemoy today but caused no casualties or damage.

You have to live with a woman! Peroxide is the non-alcoholic liquid. With so many TV shows switching from live to film, Arthur Canter negative. —Earl Wilson

Driver Pays \$100 Fine on Reduced Charge

A drunk driving charge against James E. Hartwick, 26, of 180 Mo-

hawk St. was reduced to reckless driving yesterday by Municipal Judge Maurice E. Finnegan. Hartwick pleaded guilty to the reduced charge and paid a \$100 fine instead of 10 days in jail.

Hits 'Padding' in 'Copter Seats

Senator Says \$100,000 Spent to Make VIPs More Comfortable

WASHINGTON (AP)—Sen. Ellender (D-La.) said today the Defense Department "has spent \$100,000 for plush seats in helicopters to carry VIPs (very important persons) around."

"They did it without even consulting Congress," Ellender said in an interview. "It's just an example of what the military does when it has all these billions to play around with."

Ellender is a member of a Senate Appropriations subcommittee now considering Defense Department requests to restore 1 1/2 billion of the more than 2 1/2 billion dollars cut out by the House when it passed the biggest annual money bill.

"I am convinced that we could cut another two billions out of the bill without jeopardizing our national security," Ellender said.

Ellender said he has obtained information from the Defense Department that the \$100,000 was spent for special seats for nine helicopters.

"These were not the two special helicopters ordered for the White House," Ellender said. "I expect to get into details on them and the plush seats when we resume hearings next week."

Aussie Lottery Winner Felled by Heart Failure

SYDNEY (AP)—Herb Chun, who won 30,000 pounds (\$67,200) in a recent lottery, died of heart failure today. He was the fourth winner of a big Australian lottery to die this year.

William Lane, a bush country wanderer, died of cancer six weeks after he collected 100,000 pounds (\$224,000).

Arthur Dyer was knocked down and killed by an automobile in Sydney three weeks after winning 12,000 pounds (\$26,880).

The fourth victim was Harold Richards, who won 78,000 pounds (\$174,720), moved to a new house and died suddenly.

Man Is Found Innocent of Causing 5-Car Crash

Municipal Judge Cecil B. McCallum found a Pontiac man innocent yesterday of failing to yield right-of-way to a funeral procession and causing a five-car accident May 13.

James T. Crump, 36, of 251 Earlmore St., was released after trial in Municipal Court.

Two persons, a passenger and a driver, received minor injuries in the collision at Huron St. and Cass Ave.

Seminole Indians in the Florida Everglades can predict hurricanes as much as a month in advance. They can't explain it, but weather bureau records show they are mostly correct.

Main Library Lists New Books, Records

Couple's 'Dates at Home' Keep Romance Blooming

Pair Tied Down With Two Children Still Enjoys Moonlight and Roses

By RUTH MILLETT

Just because a young married couple is tied down with small children doesn't mean they can't manage to keep some moonlight and roses in their marriage.

★ ★ ★

A wife writes to tell me how she and her husband contrive candlelit dinners for two, even though they can't afford a babysitter.

She says: "When we were first married it wasn't hard to manage an evening out at least once a week."

"But with our budget stretched to cover two children, there isn't enough money for us to hire a sitter and have dinner at a nice restaurant more than a few times a year."

★ ★ ★

"But we didn't want to give up those 'dates' we enjoyed so much. So once a week we set the stage for a date at home."

"We give the children their supper and put them to bed and then together we cook a wonderful dinner, served on a small table in the living room, by candlelight, of course, and with dreamy dance music playing."

★ ★ ★

"During these evenings we save for ourselves we don't talk about anything unpleasant or any serious problems. But we do a lot of talking—the kind we never seem to have time for during the rest of our hectic week."

"The reason I am telling you about it is because I know a lot of young couples think they can't have any fun or gaiety if they can't afford to get away from home."

"Maybe some of them would like to try our 'date-night-at-home' plan. It's amazing how much it does, keep a married couple feeling close together and very much in love."

★ ★ ★

Some young couples complain about being "tied down." Others discover that any period of marriage can be romantic if a couple has a little imagination and a zest for living in the present.

Bran Cereal Is New in Fruit Bread

Mrs. Kinkle Makes 2 Loaves at Once to Satisfy Demand

By JANET ODELL

We have given you recipes for banana bread before. But this one is really different for it includes bran. Mrs. Francis Kinkle who is today's cook says she usually makes two loaves at one time, so popular has it become.

Mrs. Kinkle helps at the Waterford library and belongs to a book review group. Her hobby is crocheting. She is happy to have one granddaughter (and a grandson), since she herself has three boys.

BRAN BANANA BREAD

By Mrs. Francis Kinkle

1/2 cup lard or other shortening
1/2 cup sugar
1 egg
1 cup bran
1 1/2 cups mashed bananas
1 teaspoon vanilla
1 1/2 cups sifted flour
2 teaspoons baking powder
1/2 teaspoon salt
1/2 teaspoon soda
1/2 cup chopped nut meats

Cream shortening and sugar. Add egg and beat well. Add bran, bananas and flavoring. Sift flour, baking powder, soda and salt. Add to first mixture with nut meats. Line loaf pan with waxed paper. Pour in batter and bake about one hour at 375 degrees. Makes one loaf.

Chatting just before the cooperative picnic dinner at the Crutchfield home Thursday afternoon are (left to right) Mrs. Paul Rohl of Franklin, Mrs. George Wright and Mrs. Charles W.

Hester of Birmingham and Mrs. Earl Brumblitt of Bloomfield Hills. Mrs. Crutchfield is hostess each spring to the women's unions of the church at their final joint meeting.

Pontiac Press Photos

Four-month-old Erix Macoskey is the center of attraction at the annual final meeting of the women's unions of First Baptist Church, Birmingham. Pictured (left to right) are Mrs. A. E. Fauley of Bir-

mingham, Mrs. R. M. Crutchfield of Lake Angelus, hostess to the group, and Mrs. Robert Macoskey. Dr. Macoskey, pastor of the church, is shown holding his son.

Little Bo-Peep has lost her sheep and doesn't know where to find them. If she's a smart little gal, and uses her head . . . she'll walk down Woodward and find them at Ted's . . .

Two Birthdays Are Celebrated by Golden Age

Mrs. Karl Schultz opened her Opdyke road home Wednesday to members and guests of the Golden Age Group of YWCA. Mrs. William Hurlburt assisted the hostess.

The birthdays of Mrs. Sarah O'Donnell and Mrs. Nettie Carr were observed. Welcomed as new members were Mrs. Anna Creager and Mrs. Fanny Spees. Mrs. Barbara Cornell was a guest of the group.

During the program portion of the meeting, Mrs. Elva Ashley presented a solo and Mrs. F. N. Hilton played the piano for group singing. Readings were given by Mrs. M. E. Murray, Mrs. William Todd, Mrs. Carrie Heath and Mrs. Amelia Ball.

Queen Mary Unit Conducts Meeting

Mrs. Charles Craighead was hostess in her home on Calgar road, Thursday to members of Queen Mary Section of Needlework Guild.

The business meeting was conducted by Mrs. Charles Clarke, who reported that all articles have been completed for the layettes which members have been sewing for needy families.

Permanent Alteration Made Gradually

Electrolysis Can Change Hairline

By JOSEPHINE LOWMAN
(The Friday Question Box)

Q. "I have a very ugly hairline. It comes so far down on my forehead that it makes me look like an idiot. This has been a source of great embarrassment to me and has even affected my life because it has made me shy."

A. "I have not made friends or gone out as I would have. I am not bad looking. I do not mean to be conceited but I do have nice features. What can I do, if anything, about this?"

A. Hairlines can be changed with electrolysis. The hair is permanently removed. You can have any hairline you wish. The nice part of this is that it is done gradually and on both sides of your forehead so that the change is so slow people hardly notice it until you are near the result you wish.

Since this is affecting your life so drastically, I hope you will have it done. It is fairly expensive but you can have it done a little at a time.

Q. "Why is it bad for the hair to wash it in hard water?"

A. This sort of water is much more alkaline. It is difficult to get a good lather and also to rinse the soap off the hair.

Q. "What can I do to get rid of bunions? What causes them?"

A. Bunions usually come from the habit of wearing incorrectly fitted shoes for years. They may also come from weak arches. You should see a chiropodist or podiatrist.

Q. "What are the most becoming colors for a woman who has blue eyes and fair skin but fairly dark hair? Mine is not black but dark brown."

A. You will be able to wear most colors. However, you will find blues, gray-blues, periwinkle, red, soft pink, melon and some yellows most flattering.

Q. "I do not like my figure but it is mostly my bone structure. I don't suppose there is any way to change the bones."

A. No, your bones are with you for life, except that you can change them over the years with poor posture. The person who slumps habitually will have an

abnormally curved spine, for instance. Stand up straight and tall.

To avoid an abnormally curved spine, always stand up straight and tall.

Plastic Keep Car Clean

The blissful days are here when everybody climbs in the car and sets out for somewhere.

That also means little feet on car seats to smudge the upholstery, more sticky fingers en route, more dust on the roads. So look quick at the new types of washable plastic seat cover materials. Some resemble expensive

quilted coverings, and they look lovely. Others are to wash with comfortably. And the upkeep? Just a sudsy cloth!

Hollywood Headlines

Audrey Hepburn to Star in 'Diary of Anne Frank'

By LOUELLA O. PARSONS

HOLLYWOOD (INS) — Audrey Hepburn will star in "The Diary of Anne Frank" for George Stevens. George has a one-track mind and has always held out for her through thick and thin.

She will certainly bring a real knowledge to this role because she was in Holland during part of the Nazi occupation.

"The Nun's Story" won't go until January so Audrey will have time to play in "The Diary

of Anne Frank" before she reports at Warners for "Nun."

I suppose that George, who has been in Holland scouting locations, will get Joseph Schildkraut for the father. Joe played it on the Broadway stage with Susan Strassburg.

Best news I've heard in a long time is that Anna Kashfi, the East Indian girl who has been sick for so long, is well enough to have an important role in "Reminiscences of a Cowboy."

She was supposed to go into "Don't Go Near the Water" at MGM when she was taken sick. Now she has been borrowed from MGM by Columbia.

And, I always say if you try hard enough anything is possible. Jack Lemmon made up his mind that he wanted to play the role of the author, Frank Harris, in "Reminiscences of a Cowboy." (Glenn Ford has the other top role). And now producer Julian Blaustein and director Delmer Daves have decided Jack is okay.

TO TRY NITERIES

Wanda Hendrix, who gave up her career when she married wealthy Jim Stack, brother of Bob Stack, will invade the nitery field. She has been preparing her act with Vick Knight, president of Key Records, for months.

Wanda will sing as well as dance, and she plans to break in her act when she and Jim go to their summer place at Lake Tahoe next month.

Vick is credited with giving Dinah Shore her first big break when he was producing the Eddie Cantor radio show. He also produced "Halls of Ivy" and brought out "Flat Foot Floogie with a Floy Floy" years ago.

The most ardent twosome in town, Liliane Montecchi and Dr. Rex Ross, will be separated for a month. Liliane leaves for Paris June 18 to join Marlon Brando and Montgomery Clift in "The Young Lions." She will play Françoise.

Marlon and Monty are already in Paris, and I'm told that Monty, who greatly admires Marlon, is working like a beaver and has lost all of his old nervousness which was so difficult for the cast while he was making "Raintree County."

ALLENS EXPECTING

Snapshots of Hollywood collected at random: A telegram from Jayne Meadows and Steve Allen confirms they are expecting their first child early in October. They lost a baby last year.

Dorothy Lamour sends words from New Orleans that despite her broken ankle she's going to New York to start rehearsals for the Broadway show "Roger Sixth."

Terry Moore's husband, Eugene McGrath, was decorated by the president of the Republic of Panama. And why do you think he received this honor? Because he was able to borrow two million dollars from Uncle Sam to build waterworks and sanitation!

This is one session I'd love to be in on. Elvis Presley has accepted Yul Brynner's invitation to come to the Brynner house

and play a guitar duet. "The Brothers Karamazov Rock" maybe?

The friends of Donna Atwood and John Harris are trying to bring them to three children.

The James Masons gave a very fair party at the Interlude for Ann ("My Fair Lady") Rogers and her husband, Michael Hall.

Lawyer Disagrees

Lawyer Calls Yankee Fines Illegal

NEW YORK — Prominent constitutional attorneys took opposite points of view today regarding the legality of fines imposed by baseball club owners and officials upon the players.

Frederic A. Johnson, New York lawyer who represented player Danny Gardella in his suit against baseball several years ago, believes that baseball fines are illegal, violating the due process clause of the federal and state constitutions.

Louis Carroll, attorney for Baseball Commissioner Ford Frick and the National League, asserts the fines are perfectly legal, emphasizing provisions for such are

stated plainly in the owner-player contract.

Rep. Emanuel Celler (D-N.Y.), head of the House Judiciary subcommittee scheduled to open its congressional probe of sports a week from next Monday, thinks fining of players by owners is legal but "deplorable."

Commissioner Frick and player's attorney J. Norman Lewis declined to comment, as did other prominent baseball officials contacted.

Anyway, whether it's legal or not, the players have no intention of challenging it.

Speaking for the six members of the New York Yankees who

were fined a total of \$5,500 by club owner Dan Topping for their part in a night club fracas a month ago, team player representative Jerry Coleman said: "The players have accepted the fines as part of the proper baseball procedure."

"I do not know personally whether they feel the fines were exorbitant but I'm certain our fellows are willing to let the matter drop without the slightest thought in mind of bringing it to court."

Five of the Yankees, Mickey Mantle, Yogi Berra, Billy Martin, Whitey Ford and Hank Bauer, were assessed \$1,000 each. Johnny Kucks was assessed only \$500 presumably because his earnings are not as high as the others.

"Baseball has no right whatsoever to impose fines on players," asserted Johnson. "It is entirely in arbitrary action. To impose a penalty without a hearing violates the due process clause of the federal and state constitutions. This is the clause that protects an individual from losing his life or his property without the due process of law."

"I think it is part of the baseball structure to permit an owner to fine the players," said Rep. Celler. "However, this is another illustration that the players are just pawns for the owners. Why the players allow themselves to be tossed about is beyond my comprehension."

I don't know a better way of being a friend to so many as to give them so much for so little.

That's why my J. W. Dant has so many friends!

Big Inning Wins for Tavern Nine

Richard's Gets 7 Runs in 7th to Nip Eddie's for Softball Victory

Richard's Tavern staged a seven-run rally in the bottom of the 7th inning to nose out Eddie's Bar, 10-9, in a hectic City League softball game last night at Beaudette Park.

Only one hit was made in the wild inning, a single by Marv Caswell, and 11 men batted. Fred Foster scored the winning run on an infield error, the 4th miscue of the inning.

Five walks, a hit batsman, a wild pitch, a passed ball and a balk by pitcher Wilbur Wright were other features of the stanza. Kenneth Fall, who relieved Wright, was charged with the loss. Lloyd Harper pitched the distance for Richard's.

Elmo Burgess hurried a nifty three-hit shutout as the Pontiac Police defeated Deni's Corner, 7-0. It was Deni's 1st setback.

Franklin Products banged out 15 hits to trounce Pontiac State Hospital, 14-6, and Louie's Tavern scored early and hung on to down the CIO Local 633 by a 5-3 score.

Local All-Star Votes Gives Tigers Support

Win or lose, the Detroit Tigers still have the hearts of baseball's younger set.

According to the all-star balloting being conducted by the Press for the July 9th classic, Tiger players are getting strong support in the voting.

On the first day's balloting, Tiger shortstop Harvey Kuenn walked off with the honors by getting 17 first place votes of the 18 counted.

Teammate Al Kaline in right field and Chicago's great second baseman Nellie Fox were the next best vote getters with 16 each.

The American League outfield appears strong with Kaline, Ted Williams and Mickey Mantle getting most support.

Local fans appear to be split in the Ray Boone-Vic Wertz battle at first base, and also locally Reno Bertoia is pushing George Kell at third base.

National League's strongest vote getters on the first ballots were Stan Musial at first, Willie Mays in center field and Redleg Ed Bailey the catcher.

The National statistics will come out of Commissioner Ford Frick's office. Positions of players who often are used at several spots, will be those positions played at as of the game June 2nd.

Here are the results of the first ballots:

AMERICAN LEAGUE
1st Base—Boone (7), Wertz (6), Power

(2) Skowron (2) and Robinson (1); 2nd Base—Fox (16) and Bolling (2); 3rd Base—Kell (6), Bertoia (5), Yost (2) and Skizas (1); Shortstop—Kuenn (17), McDougald (1); Left Field—Williams (14), Maxwell (2); Centerfield—Mantle (13), Piersall (1); Tittle (1), Doby (1), Usher (1); Rightfield—Kaline (17), Bauer (1); Catchers—Berra (12), House (2), Triandos (2) and Lollar (2).

NATIONAL LEAGUE
1st Base—Musial (11), Hodges (3), Kluwe (2), Long (1), Ponder (1) and Adcock (1); 2nd Base—Schoendienst (10), Temple (5) and O'Connell (1); 3rd Base—Mathews (6), Boyer (6), Banks (2), Jones (2), Hoak (1) and Neal (1); Shortstop—Dark (4), McMillan (3); Scofield (1); Leftfield—Robinson (8), Moon (3); Gilliam (2) and Thomas (2); Centerfield—Mays (11), Snider (4); Bell (3) and Ashburn (1); Rightfield—Aaron (9), Furillo (3) and Ennis (1); Catchers—Bailey (10), Campanella (4), Lopata (1), Crandall (1) and Katt (1).

Dodgers' Choice—Fog or Smog

NEW YORK (INS)—The Brooklyn Dodgers, who are considering moving to Los Angeles with its smog, had their Thursday night game at Ebbets Field with Chicago called off because of fog—the first such postponement in Major League history.

With the Dodgers at bat in the second inning, the umpires halted play when Chicago left fielder Bob Speake lost Charley Neal's ordinary fly ball in the heavy haze for a double.

The umpires waited for one hour and 26 minutes before officially calling the contest.

Grand Slam by Wood Wins Church Battle

A grand slam home run by pinch-hitter Jerry Wood paced Central Christian to a 9-5 victory over First Presbyterian in Church League games last night. Liberty Baptist Christian Missionary Alliance and St. Luke Methodist were other winners.

Don Kak swatted a 3-run homer to aid the Central Christian cause. Jim Stewart hurled a three-hitter as Liberty Baptist' walloped Columbia Ave. Baptist 12-2. D. Badder allowed only 2 safeties as Missionary downed Oakland Ave. U. P. by 9-2 and St. Lukes tripped the Salvation Army 9-5. Russ Poole hurled the victory.

Senior Golfers Tied

RYE, N.Y. (AP)—W. Hamilton Gardiner of Buffalo, N.Y., needed a one-under-par today to tie the defending champion for the lead in the 53rd annual U.S. Seniors Golf Assn. championship.

Gardiner shot a 36-39-75 yesterday to lead the second section. He will be shooting at the 146 posted by Franklin G. (Fritz) Clement of Lake Forest, Ill., who had two rounds of 73, playing in the first contingent Tuesday and Wednesday.

NO STIRRING! NO DRIPPING!

with new JELLED MAGIC PAINT

No Stirring
...because it's homogenized

Now you can avoid all the tedious work of stirring, and—even more important—you escape the pitfalls of inadequate stirring. Jelled Magic gives you a beautiful, smooth job every time.

No Dripping
...because it's jelled

Jelled Magic just can't drip or run like ordinary paint. It comes to you jelled—stays jelled on brush or roller—yet becomes liquid instantly when applied in the usual way.

It's perfect for every room in your home—including kitchens and bathrooms.

Inkster Road Quarters Sold to Builder

Boys Republic Moves to \$1 Million Home

FARMINGTON TOWNSHIP — Boys Republic is observing its 50th anniversary by moving from its historic quarters at 2205 Inkster Rd. here to a new, million-dollar home at 2800 Nine Mile Rd.

There are 13 new buildings, including three resident cottages on

the new, 80 acre-tract. These will accommodate 70 boys, which will be capacity for the school.

In addition to the three resident cottages, new buildings include an administrative and clini-

cal building; infirmary; three staff houses; three dining rooms; a school building including four class and four vocational rooms and a remedial classroom and library.

There is also a gymnasium and

outdoor swimming pool. A maintenance building and a garage are included on the grounds.

Vocational training facilities will include arts and crafts, auto mechanics, printing and woodwork.

The new buildings, to be form-

ally dedicated in late September, were financed by a grant of \$513,000 from the Metropolitan Detroit Fund. Added to this was \$225,000 received from the sale of the old property to Slavik Builders of Detroit, and money from the Boys Republic Endowment Fund.

Avondale Group Sets Production

Players Elect Heads
Mrs. Albert Stokes,
Paul Grosse

AVON TOWNSHIP — The Avondale Community Players, recent producers of "Pilate," are now planning their next production, "Abie's Irish Rose," which will be presented in early fall.

Matthew A. Vance will have charge of this production.

New officers recently elected for the coming year are Mrs. Albert Stokes, president; Paul Grosse, vice president; Janie LeVigne, secretary; Amy Cooper, assistant secretary, and Mrs. Grant Graham, treasurer.

A drive for members and patrons will be conducted during the summer months from Avon and Pontiac Townships and surrounding areas.

The two-fold purpose of this organization is to provide social opportunities and cultural values through its activities and to serve as a medium through which drama in its various phases will be presented in the community.

The next meeting will be held Monday at Avondale High School on Auburn road.

42 Receive Diplomas From Orion School

LAKE ORION — Diplomas were presented to 42 eighth grade graduates from St. Joseph Catholic School following Mass and Holy Communion at 9 a.m. today.

Yesterday the group was treated to a trip to Bob-Lo and were accompanied by the altar boys of the church. Last Sunday a special Mass was offered for these and graduates of the various high schools who are members of St. Joseph.

Vacation School Starting Monday at Dixie Baptist

CLARKSTON — The Dixie Baptist Church will conduct a vacation Bible School June 10-14, from 9 to 11:30 a.m. Classes for children from the age of four through 14 will be taught.

"The Second Coming of Christ" is the theme for this season's lesson. The Rev. Paul S. Vanaman, pastor, has scheduled the following bus runs from the church:

Eastlawn, 8 a.m.; Clarkston Gardens, 8:10 a.m.; Orion road, 8:20; Clarkston Villa, 8:25; Northview, 8:30; Tappan and Felix, 8:40. For other transportation, parents may call MA 5-5911.

Lapeer Youth Earns Notre Dame Honors

LAPEER — The College of Arts and Letters of the University of Notre Dame bestowed the degree of Bachelor of Arts, Magna Cum Laude on Daniel Paul Sullivan of Lapeer at Notre Dame, Ind.

He graduated in 1953 from Lapeer High School as president of the class and was awarded the University of Michigan plaque for leadership, scholarship and athletics.

WEST BLOOMFIELD TOWNSHIP — Pine Lake Art Club will resume classes after Sept. 15. Those interested have been asked to make note and call Mr. Malcolm C. Sweezy, FE 5-5607, or Mrs. John Bell, FE 5-3333, before above date.

Art Club Ends Season
WEST BLOOMFIELD TOWNSHIP — Pine Lake Art Club will resume classes after Sept. 15. Those interested have been asked to make note and call Mr. Malcolm C. Sweezy, FE 5-5607, or Mrs. John Bell, FE 5-3333, before above date.

Set Annual Breakfast and Fashion Show
ORCHARD LAKE — The annual Mother and Daughter Breakfast of Our Lady of Refuge Parish will be held Sunday after the 8:30 Mass, in the church hall. Program will consist of a fashion show of hand made clothes modeled by the daughters.

Reservations may be made by calling Mrs. William Logie, FE 3-7462 or Mrs. William Webster, FE 8-0000.

State to Widen M-90 to Aid North Branch
NORTH BRANCH — To obtain a wider highway through the village from M53 to M24, the Michigan Highway Department is preparing M30 from the intersection of Huron and Lincoln streets to Huron and John streets an additional four feet on each side. East from the latter point to the village limits, additional curbing and sewer facilities will be added.

Approve Annexation
NORTH BRANCH — The Kings Mill-Arcadia Township School District, No. 2 fractional, has voted to annex to the North Branch Area Schools.

Romeo Board to Award on Tuesday
The Board of Education opened bids for the new Romeo High School last night and found them "within or below" the estimates, according to the architects of the Detroit firm Eberle M. Smith Associates.

A cafeteria, lobby, gymnasium, boiler room and parking area were also included in the plans.

The bids had been referred to the architects for recommendations. The board will meet again next Tuesday evening to award the bids and canvass Monday's annual election.

As near as we can figure the cost ran between \$14 and \$14.50 per square foot for base bids," they said.

The specifications called for 16

teaching stations which will include the two additional classrooms which had been listed as an alternate.

A cafeteria, lobby, gymnasium, boiler room and parking area were also included in the plans.

Dairy Farmers Meeting in Owosso 1st Convention Slated

The first convention of the Dairy Farmers' Cooperative Assn. of Michigan will be held June 11 in the National Guard Armory in Owosso.

Following registration, scheduled to start at 9:30 a.m., the agenda for the all-day session will include election of county and state officers and presentation of the organization's constitution, by-laws and amendments to the membership.

DFCA President Arnold Wyss of Capac will be the presiding officer. He will also welcome the president, secretary and treasurer of the recently formed National Dairymen's Assn., who are expected to be present.

Sam Bailo of South Lyon is DFCA secretary and is currently

Cornerstone Service Slated for Sunday

ROCHESTER — Members and friends of Gethsemane Lutheran Church in Brooklands will gather Sunday for the cornerstone-laying ceremony, scheduled to start at 3 p.m. Speaker for the occasion will be the Rev. Edward Schulte of Good Shepherd Church, Detroit. The ceremony will be conducted by the Rev. Norman Kuck.

Norman Helm, parish school principal and choirmaster, will direct the church choir in a special selection.

The new Gethsemane church will occupy the site of the original structure razed in April.

Tops in Politics, He's a Flop Down on Farm

LANSING — Gov. Williams, unbeaten politically, wound up a poor fourth yesterday in a cow milking contest on the statehouse lawn.

The governor got his Guernsey to yield only one-tenth of a pound of milk.

Meanwhile, Mayor Ralph Crego of Lansing pumped two and four-tenths pounds from a Holstein to walk off with top honors.

Mayor Max Strother of East Lansing collected one and one-tenth pounds from a Guernsey, and Annetta Stamm, 17, Michigan Dairy princess, placed third by draining a Holstein of one pound even.

The competition was arranged by the June Dairy Month Committee of metropolitan Lansing.

Decrease Asked at Walled Lake

Will Propose \$2.42 Cut in School Tax Rate Monday

By ELEANOR DUCKWITZ
Walled Lake Correspondent

WALLED LAKE — At a time when most school districts are asking for increases in taxes, the Walled Lake Board of Education is asking its electors to go to the polls on Monday and approve a decrease in the school tax rate of \$2.42 per thousand of equalized valuation.

On the ballot it will look as if an increase is being sought, as voters are being asked to vote four mills for operating and to rescind a two mills for operating levy which was passed a year ago.

The decrease has been pledged by Board resolution when, if the operating millage is passed, the Board will reduce the levy for debt from the present 13 mills to less than nine.

This debt reduction is possible because the indebtedness is being reduced faster than anticipated due to the increased valuation in the district, officials explain. However, since construction funds cannot be used for any other purpose according to state law, the electors must approve operating funds before the reduction can take place.

Supt. Clifford H. Smart, the Board, and the Save Our Schools Committee have urged a large turn-out at the polls which will be open from 7 a.m. to 8 p.m. and that residents vote "yes."

About 12 per cent of the total working population in the U. S. are engaged in agriculture.

Here Are Right Puzzle Answers

The following are correct answers and explanations for the Pot-O-Gold puzzle which appeared in last week's Pontiac Press.

A. (1) **REGULAR**. Even experienced builders have difficulty in laying REGULAR, or even, floors. Regular, or tiled, floors are simple to do with do-it-yourself tiles, ready to lay.

B. (2) **DEARTH**. The hearth, or fireplace, has been giving way to other heating methods over a long period of years. DEARTH, or scarcity of food, is decreasing due to present-day prosperity. While the hearth is less prevalent, it is not as directly connected with "present-day" economy as DEARTH is.

C. (6) **DOGGISH**. Good-natured people avoid the DOGGISH, or ill-tempered, because they would find it difficult to escape arguments and unpleasantness. Doggish people are generally granted their way by the good-natured, and are endured for other qualities.

D. (8) **WIGWAG**. To Zigzag while rolling down a hill may do more harm than good, unless the other drivers know the reason for it. Hence, to WIGWAG or signal and thus notify the others of the danger, would be the better procedure.

E. (10) **GUERRILLAS**. Guerrillas are difficult to capture mainly because of their agility and strength. GUERRILLAS, usually fighting near their homes, naturally select terrain where they can maneuver to their advantage, and know the best spots for hiding. Hence they can avoid capture for unlimited periods.

F. (11) **SONORIFEROUS**. A man with a highly sensitive nervous system would find noises bothersome. Hence, SONORIFEROUS is the choice. He would react well to the right sort of sedation, and sedatives are of course *Sonoriferous* or sleep-inducing.

G. (13) **VAPID**. The introductory word "even," used to suggest that something mentioned as a possibility constitutes an extreme case, points toward VAPID or extremely tasteless food which can certainly be improved by spices. Sapid dishes already have strong and agreeable flavor, so that the statement about improvement would not have the same force.

H. (15) **HAGGARD**. If one is worn with anxiety, or HAGGARD, he cannot keep his mind on so frivolous a sport as a scavenger hunt and would be a wet blanket to the rest of the group. The *Laggard* may very well fit, since speed is not so essential as agility of mind in determining where to find the curious objects.

I. (18) **LEOTARD**. *Leopard* is associated mainly with one type of performer—the strong man. LEOTARDS are one-piece garments worn by dancers, acrobats, aerialists, etc. Thus, "many circus performers" indicates LEOTARD.

J. (19) **BUCKBOARD**. The BUCKBOARD, or carriage, would find deep mud difficult to traverse for its wheels would sink in the mire. The *Duckboard*, a plank used to cross over muddy places, would not be affected by the depth of the mud. Only a great expense of mud would be hard to cover by a duckboard.

K. (21) **CINCTURE**. A Tincture, such as iodine, is used for curative purposes or to prevent infection. For relief in certain physical discomfort, the CINCTURE or girdle is used.

L. (24) **STOCKADE**. A Blockade is a military operation in itself, designed to isolate the enemy. A STOCKADE is a fort used for defensive operations, and is thus a "factor."

M. (25) **FORGONE**. Foregone ambitions, those which merely have passed with time, are rarely regretted since they were only the dreams that go with youth. However, FORGONE (relinquished or renounced) ambitions might be regretted as too hasty decisions.

N. (27) **LADRONE**. The *Padrone* or exploiter of immigrant labor, is not difficult to arrest once the illegality of his acts is suspected. The LADRONE, or highwayman, is harder to arrest, for he is in hiding as a fugitive from the law.

O. (29) **ISOLATION**. Most people enjoy being alone at times, find peace in short periods of ISOLATION. *Insolation*, or treatment of disease by sunbaths, is medical therapy not synonymous with "sun-bathing" and not a "normal desire."

P. (32) **HACKBUT**. The blast from a HACKBUT—an old type of firearm—is bound to startle. The blast from a *Sackbut*—an old type of trebuchet—is to be expected, since "blast" is the term for the sound made by blowing a wind instrument and does not necessarily indicate a loud noise.

Q. (33) **HE-MAN**. The adulation of admirers frequently makes the virile and often egotistic HE-MAN evaluate his talents too highly. The ordinary *Human* more frequently knows the extent of his powers—despite his sometimes vain talk.

R. (35) **GRANDSTAND**. *Bandstand* indicates only one type of entertainment—music—too narrow an interpretation for "people who prefer outdoor entertainment." The GRANDSTAND offers possibility of many more outdoor amusements.

S. (37) **HIGH-BLOWN**. Bombastic and flowery orators are *High-Flown*, and as such do not underestimate their audiences at all. In fact they expect them to understand some pretty difficult language. It is the HIGH-BLOWN, or conceited speaker who looks down upon and underestimates his audience. A BANDAGE "may serve" to restrict freedom of action, as when it is applied to a leg or arm.

T. (39) **BANDAGE**. Bandage is arm. The very act of restricting freedom

Woman in Store Outsmarts Bandit for Fourth Time

CHICAGO (U)—Mrs. Helen Rejek, a clerk in a Loop candy store, disobeyed her boss again last night, resisting a holdup by a young man, the fourth time she has outsmarted bandits in five years.

Mrs. Rejek described last night's attempted holdup: The young man ordered a box of candy, pulled a gun from his pocket and said: "Try nervous. Give me the money."

"Put that away," Mrs. Rejek told the robber. "It's not real. It's real," he yelled. "Give me the money!"

"Put that away and get out of here," Mrs. Rejek insisted. "Okay, I'm going," the man said, and left.

She said there was "only \$26 in the register. I've been ordered by the boss not to resist bandits. But it seems I always do."
