Thank you, Amy-

Good afternoon,

To disband the committee the Chair will need to come to Senate Steering and explain why it needs to be disbanded (basically your memo) and answer any questions that they have. It will then be a motion that you will present at the April Senate meeting. This will require a vote of the Senate. Please watch for an email from Kathy Dailey with an invitation to the Senate Steering Committee meeting.

best wishes,
Amy

Dear Kate,

Thank you for the memo. I agree with the Committee's decision. I will let Amy answer the question of what else might be required, if anything, to carry this forward.

Best,
Polly

Good afternoon Amy and Polly-

Based on the feedback from the group, it has been recommended that the Senate Library Committee disbands following the Winter 2025 semester.

Please let me know if there is anything else you need from me and/or if the memo is not sufficient.

Thank you,  
Kate
