

Ike Aides Claim Farm Bill Victories

2,200 4-H Members Working on Fair

Blaze Razes 3 City Blocks

FIRE OF SUSPICIOUS ORIGIN—Enveloped in smoke, firemen pour water onto smoldering ruins of three business blocks destroyed by fire early today in central Beverly, Mass., 18 miles from Boston. The blaze, causing a million dollars damage including two banks in the area, is of suspicious origin.

Summerfield Hits House's 7 Pct. Postal Pay Boost

WASHINGTON (AP)—Postmaster General Summerfield says the House has failed to provide any way of meeting the 200 million dollar-a-year cost of a new 7 per cent postal workers' salary boost it voted yesterday.

Summerfield renewed his attack on the postal pay bill yesterday after the House had overridden administration objections and pried the measure out of the Rules Committee and had passed it by an overwhelming 351-29 roll-call tally.

The postmaster general pledged the administration to "continue this fight for justice for all postal employees."

He obviously was pinning his hopes on the Senate where there are indications the measure may boost to 5 per cent and to blanket civil service workers as well. The House bill would benefit half a million post office employees.

Summerfield has held that the postal pay raise should be limited to no more than 5 per cent and should be hooked to an increase in postal revenue, but the House has already voted down a mail rate boost proposal.

Summerfield also seeks to revamp the Post Office Department's pay and job structure.

Administration leaders have predicted that President Eisenhower would veto the postal pay bill, if it reached him in its present form.

Nations Dissolve Union

THE HAGUE, Netherlands (AP)—The Netherlands and Indonesia agreed today to end their uneasy union partnership, cutting the last loose ties between Holland and her former East Indies colony.

Proposed State Toll Turnpike Mapped East of Pontiac

The proposed route for Michigan's first turnpike from the Ohio line just west of Toledo to a terminus point near Bay City would skirt Pontiac on the east.

William E. Slaughter Jr., chairman of the Michigan Turnpike Authority, said today the \$225,000,000 toll road would probably bypass Royal Oak and Birmingham on the west, then cut eastward across Woodward avenue below Pontiac.

The road was originally planned to go west of Pontiac, but poor land conditions plus an already congested highway system forced the change, said Slaughter.

The J. E. Greiner Co., Baltimore consulting engineers, reported on the tentative route to the authority in Detroit yesterday, saying it would serve more than half the state's population.

The firm said the turnpike would relieve Michigan of some of its

Resort Area Hit by Freak Winds

Tornado-Like Storm Rips Section North of Oscoda Monday

OSCODA (UP)—A freak windstorm caused extensive property damage at a resort area eight miles north of here late Monday but the Weather Bureau denied early reports that the storm was a tornado.

The East Tawas State Police Post said eight cottages at the northeast end of Cedar Lake were damaged but no injuries were reported. Police said most of the damage was caused by trees which were uprooted and thrown onto roofs.

The freak wind circled in a half moon section, and then shrieked back onto Lake Huron. It downed power lines and leveled trees in a strip as wide as two city blocks. Cedar Lake is an inland body of water two miles south of Greenbush, a resort community in Alcona County.

Placing Exhibits for Week-Long County Events

Community Joins In to Help Young People Put On Successful Project

By HAZEL A. TRUMBLE

From every village and farm, they're converging today on the Oakland County 4-H Fairgrounds at Perry St. and Walton Blvd. for the annual 4-H Fair.

Twenty-two hundred boys and girls from the county are preparing today for the biggest fair in county history.

Members began placing their exhibits this morning and they will have these on display through Saturday.

More than 70 area dealers have moved in their exhibits to show the latest in home construction methods and materials, home furnishings, farm machinery and accessories and electrical equipment for the city as well as rural dweller.

Pontiac and Oakland County area automobile dealers have been assigned several hundred feet of space along the Perry St. side of the fairgrounds for their automobile exhibits. Overhead lighting has been installed to show off the cars to best advantage.

New facilities erected by the Oakland County 4-H Assn. this year include a new 90-foot horse barn, a stage for the arena center and more extensive lighting than they have had in previous years.

"Our 4-H Fair has grown into an all-community fair," said John H. Bray, fair manager. "Although primarily designed for the boys and girls in our club work, a well-balanced fair has been possible through the cooperation of merchants and dealers."

"This week on Thursday and Saturday mornings from 6 a.m. to 1 p.m. the Community Market will visit the fair with its fresh produce."

All exhibits are scheduled to be placed tonight by 7 p.m. They will not move out until 4 p.m. on Saturday when an all-day horse show climaxes the five-day fair.

The Pontiac Press has set up a booth to exhibit a teletype machine operating with a direct line from Associated Press headquarters in New York City. This will be located in the first quadrant.

Tonight at 7:45 a Fair Queen will be selected to reign for the duration of the event. Marilyn Voorheis, 1953 Fair Queen, of Davisburg, will crown this year's winner.

Wednesday the judging of the exhibits will take place with the gala parade of clubs slated for 7:30 on that evening.

Beef showmanship will be staged on Thursday afternoon, with the annual dress review to take place at 8 p.m. in the evening of that day.

Plane Crash at Highland Injures Pilot, Passenger

Harlan to Head Seaway Group

Williams Names Man From Birmingham for State Commission

LANSING (AP)—C. Allen Harlan of Birmingham was appointed by Gov. Williams today to head the governor's St. Lawrence Seaway Commission.

The membership of the commission has not yet been appointed. Harlan, 47, is president of the Harlan Electric Co. which has 16 plants throughout the country. He is a native of Tennessee.

The governor said he was "impressed with his (Harlan's) driving energy, his ability to get things done and his rich background in business enterprise."

"I feel I am giving the state of Michigan the advantage of a person who already has shown his interest in state affairs by participating in numerous civic endeavors," Williams said.

Williams said he would meet with Harlan shortly to plan a program and select the commission. The new agency will be assigned by Williams to plan for the impact of the St. Lawrence Seaway on Michigan's economy.

Emperor Hirohito Sees Picketing for 1st Time

TOKYO (AP)—Emperor Hirohito has seen his first picket line, Kyodo News Service reported today.

The service said the emperor and empress were touring the industrial area in Murogan, when they came upon the line, which was the first they had ever seen. The agency failed to report why the pickets had been called out.

Shooting Reported at Berlin Borders

BERLIN (AP)—American officials reported separate, heavy outbursts of rifle fire today at the borders between the American and French sector borders of Berlin and the Soviet zone.

A spokesman said 8 to 10 shots were heard in the area where the U.S. sector meets East Germany and 10 or 15 shots at the French zone border.

Cause of the firing was not established but such outbursts usually are fired by East German or Russian guards attempting to thwart escapes from the Soviet zone into the West.

2 Injured as Plane Crashes at Oakland County Airport

A pilot and his passenger were injured last night when their plane crashed into the hangar of a private airport near Highland while coming in for a landing. The pilot, John Renrie, 50, of Highland, and his passenger, James Faust, 19, of Davisburg, are reported in good condition at St. Joseph Mercy Hospital. Another plane and three parked cars were damaged in the smashup.

Bishop Fears Racial Violence

Present Segregation May Bring Bloodshed to South Africa

MINNEAPOLIS (AP)—The bishop of Johannesburg, here for the World Anglican Congress, said today he fears that present government segregation policies in South Africa will end in bloodshed and violence.

The Rt. Rev. Richard A. Reeves said that legislative leaders believe they can reverse, by laws, the integration which is taking place there and place every ethnic group there back in its own kraal (village).

"Personally, I see no way out of the dilemma at present," Bishop Reeves said in his text, prepared for delivery before the Minnesota Governor's Commission on Interracial Relations.

"All we can do is to persevere with our work, making it quite plain where we disagree with present policies and why we opposed them. . . . The very fact that some leaders of the present policies admit they may require a century in which to carry them out gives some grounds for hope."

"What then? I dare not pretend to have an answer. All I can say is I fear that the end will be bloodshed and violence."

In an earlier talk today before the 600 congress delegates, Bishop Reeves said that public opinion against the breaking up of homes is relatively weak.

"In truth," his prepared text said, "polygamy by succession has become an accepted mode of conduct in some circles of society."

Dr. Kathleen Bliss of the Rochester diocese of the Church of England talked on "The Church and the Citizen," and the topic for an address by the Rt. Rev. John S. Moyes, bishop of Armidale, New South Wales, Australia, was "The Individual." The congress continues through Friday.

More Shoppers Each Week Use City Parking Lot

An income report from city finance Director Oscar Eckman indicates that more shoppers are using Pontiac's first municipal parking lot every week.

The total dimes, nickels and pennies collected from the 250-meter lot at E. Pike and Parke Sts. has increased each week since the July 15 opening.

On July 22 collections were \$187. Some \$193 was counted July 30 and \$237 on Aug. 6, said Eckman, making a total of \$617.

Legislators See Later Closing

House, Senate Sessions to Wind Up Next Week, Ike Is Informed

WASHINGTON (AP)—Republican congressional leaders told President Eisenhower today they now hope to wind up the legislative session some time next week. They had been trying previously to close up shop by Saturday.

James C. Hagerty, White House press secretary, said the President will defer his Colorado vacation as long as the Senate and the House remain in session.

Senate Republican Leader Knowland, House Speaker Martin of Massachusetts and other GOP congressional leaders held their regular weekly conference with Eisenhower today.

Afterward Knowland and Martin said the heavy docket which still confronts the Senate has virtually ruled out any possibility of concluding work on the legislative program by Saturday.

3 Swiss Climbers Dead, 10 Still Missing in Alps

CHAMONIX, France (AP)—Search parties today found three Swiss mountain climbers dead on 15,781-foot Mont Blanc. Ten others still are missing.

Many climbers set out last Saturday and were caught Sunday when a snowstorm swept over the Alps.

Hoover Serving America With Devotion, Writes Ike

WASHINGTON (INS)—President Eisenhower said in a birthday message to Herbert Hoover today that no man has served America with "greater brilliance and devotion" than the former Republican President.

He wrote the only living Republican ex-President, who celebrated his 80th birthday today: "Your party and your country are proud of you; Americans know that you have ever used your great talents in the interests of all."

Following is Eisenhower's letter:

"Dear Mr. President:

"As you celebrate your 80th birthday this August 10th, I look anew, and with ever increasing admiration, upon your distinguished career. Few men in our country's history have been privileged to serve the nation in so many important capacities as have you, and certainly none has done so with greater brilliance and devotion."

"To me, it is also remarkable that after so many years given to the public service, you still cheerfully accept new assignments involving government responsibilities of the most burdensome character. To justify my own part in asking you to assume some of these additional duties, I merely

Push for Final Senate Action to Cut Supports

Solons Favor Flexible Props, Continuation of Dairy Program

WASHINGTON (AP)—Eisenhower administration lieutenants claimed victories on the two major price support issues and pushed for final Senate action today on a controversial new farm bill.

"We're off to a good start," said Sen. Alben (R-Vt.), chairman of the Senate Agriculture Committee, referring to these Senate decisions during a session of more than 10 hours yesterday:

1. A 49-44 vote in favor of flexible farm price supports between 82% and 90 per cent of parity on cotton, wheat, corn, rice and peanuts for next year. This is the same compromise voted by the House in what President Eisenhower termed a satisfactory victory.

The President had recommended originally flexible supports ranging from 75 to 90 per cent of parity, a legal standard said to give a farm product a fair price in relation to grower's costs.

2. A 49-43 vote that would give Secretary of Agriculture Benson authority to continue price supports on such dairy products as butter and cheese at the reduced level of 75 per cent of parity. This was below the 90 per cent level effective Sept. 1, voted by the House and the 85 per cent recommended 8-7 by the Senate Agriculture Committee.

"The dairy provision should be pleasing to President Eisenhower," Alben said in an interview. "He had expressed very strong opposition to any increase that would have provided millions of dollars of profits to processors."

More than a score of proposed amendments still were pending as the Senate was recalled to continue work on the big bill to (Continued on Page 2, Col. 2)

Wednesday Pleasant but Cloudy Tonight

Cloudy skies expected tonight in the Pontiac area are due to give way to fair and pleasant weather Wednesday.

A low of 56 to 60 degrees is predicted for tonight, with a high of 76 to 80 due tomorrow.

According to the U. S. Weather Bureau, temperatures will average about five degrees below the normal mean of 69 degrees within the next five days. Showers are expected Thursday and again Sunday.

Monday a high of 80 and a low of 63 degrees were recorded in downtown Pontiac.

At 8 a. m. this morning the mercury stood at 65 degrees, and by 1 p. m. it had risen to 75.

Birmingham's Forester Asks City Sponsorship for Dutch Elm Spraying

From Our Birmingham Bureau
BIRMINGHAM—Reporting to the City Commission last night on the seriousness of the tree-killing Dutch Elm disease here, City Forester William Lebold asked that the city take measures to sponsor a spraying program for private property next year.

Because of the financial and personnel problems involved, commissioners asked that City Attorney Forbes Hascall and other city officials work on an ordinance which would force residents to have their own elm trees sprayed. Failure to do so would result in a fine.

Spraying of all public elms has shown its effectiveness, Lebold said.

Because it was found that trees responded to heavier sprays than originally called for, Lebold said additional appropriations would be needed to continue the program next spring.

Finances were again involved when the lawmakers discussed a Planning Board recommendation that property on the north side of Bowers between Elm and Adams be acquired for park purposes, countering a request from property owners that three parcels there be rezoned from single-family residences to business B zoning.

A park, said the board, would "provide a permanent buffer between the business use south of Bowers and the residential area north of Bowers."

The suggestion was referred to the city manager and assessor, who will seek a solution on how the land can be acquired.

Planning Director Robert Boatman said residents of the Bowers area favor the move. He felt they might approve a special assessment in order to obtain the property.

In a final discussion it was reported that Oscar Gunderson, traffic consultant, will have a report ready in time for next week's agenda, bringing up to date a traffic survey made some years ago.

A hearing on the proposed off-street parking lot near the Detroit Edison Co. building will not be set until commissioners have had time to study the survey.

The Rev. Stefan Nischik, recently liberated from behind the Iron Curtain and now living with his family in Detroit, will speak at a public meeting to be held at the First Baptist Church at 8 p.m. tomorrow.

A minister for over 25 years and pastor in several Eastern European countries, the Rev. Mr. Nischik is a native of the Ukraine.

He was forced to work under Nazi rule as a slave laborer and worked for almost the same length of time under the Communist regime, in a slave labor camp.

For the past three years he has been pastor of the Ukrainian Baptist Church in Detroit. The meeting is being sponsored by the Board of Deacons of the church.

He will be introduced by the Rev. Emil Kontz, pastor at First Baptist.

Playoffs in the YMCA Intramural League softball championship continue at 6:40 tonight at Pembroke Park and Poppleton Field.

Electronics Service and Albans Food Service, winners in that order during regular play, will meet again, after last week's game ended in a tie.

Also scheduled to play are Detroit Edison Co. versus Sam Reeves Service.

A full fall schedule was planned when retired and newly appointed board members of the Newcomers Club met recently.

Mrs. Grant Harold, past president, was introduced as consultant adviser for the October Blood Bank which the club will sponsor. President Mrs. Allen Ott and Mrs. Lon King, vice president, will be co-captain of the event.

Monthly meetings were set up to include afternoon bridge, first Thursday; board meeting, second Thursday; and general luncheon meeting, third Thursday.

The Weather

PONTIAC AND VICINITY — Partly cloudy and a bit cooler tonight, low 56-60. Wednesday fair and pleasant, high 76-80. Northerly winds tonight becoming northeast to east 10-15 miles Wednesday.

Report Jelke Married in N.Y.

Oleo Heir Settles Down in Bronx With Blonde Sylvia Eder

NEW YORK — Minot F. (Mickey) Jelke has reportedly married and settled down to a domestic life in the Bronx while awaiting outcome of the state's efforts to make his vice conviction stick.

The bride is identified as Sylvia Eder, 25, the blonde model who was in Jelke's apartment two years ago when he was arrested there and held for trial on compulsory prostitution charges. The couple are said to have married in Georgia six weeks ago.

New York newspapers quoted friends as saying the newlyweds were living a quiet life in a four-room Bronx apartment. Their address was not given, however, and neither Jelke, his reported bride nor her parents could be reached for comment.

Jelke, 23-year-old heir to an oleomargarine fortune, was convicted of pandering after a sensational trial, part of which was closed to the press and public. The appellate division of the state supreme court later upset this conviction, saying the judge erred in closing the trial during presentation of the prosecution's case.

Jelke is free on bail while the state carries the case to the Court of Appeals in an attempt to have this reversal ruled out. If the reversal stands, Jelke will be entitled to a new trial.

Miss Eder was arrested with Jelke and held for a time as a material witness. She was later released, however, and took no part in the trial. The state's star witness in the case was Pat Ward, a confessed prostitute.

3 Recent Fires in Southfield Twp. Called Intentional

FRANKLIN — Three recent fires in the Southfield Township area have been set intentionally, Franklin Fire Chief William W. Jones said today.

Investigation is continuing in the most recent, a blaze which razed a \$25,000 ranch home under construction on North Cromwell, near Telegraph road, Friday.

Jones said the two other fires were set in a vacant farmhouse at Inkster and 16-Mile Rds. Five small fires were extinguished in the house by firemen the first time they were called.

The house was completely gutted when the department was called to assist Southfield Township in the second fire a month ago.

Det. Glen Tamer of the State Police Fire Marshal's Bureau said that agency is also investigating Friday's fire, along with several smaller ones in the surrounding vicinity.

Lumber Town Sold to Highest Bidder

LITTLE VALLEY, Calif. — Bidding on this little lumber town started yesterday with a bang—and there wasn't much left of the town's physical assets today.

More than 300 people bid on and bought the general store, the post office, lumber company, administration building, school, tools, truck equipment and supplies.

The remainder of the town—60 houses—will be sold today.

The sawmill burned down here in April and the Indian Head Lumber Co. decided it would be easier to liquidate than rebuild.

Envoy En Route Home

NEW DELHI — U.S. Ambassador George V. Allen and his wife left New Delhi by plane early today for a two-month leave in the United States.

GIRAFFES FROM GERMANY—It was quite a scene when seven giraffes arrived in New York City from Hamburg, Germany, recently. Of the eight animals originally sent, consigned to various U. S. zoos, seven arrived. One died at sea. Colorado City will get two of them, as will St. Louis, San Antonio, Tex., Fresno, Calif., and Sacramento, Calif., will get one each.

CHARLES MANZ
General chairman for the 18th annual Chamber of Commerce-Retail Merchants Assn. Frolic is Charles Manz. The event is set for Aug. 18 at Indianwood Country Club, Lake Orion. Committee members are Richard L. McPartlin, Raymond N. Rapaport, Robert M. Glenn and Ronald Tuscany. Tickets are available from the C. of C. office.

Police Patrol Plants in Bavarian Strikes

FRANKFURT, Germany — Armed police patrolled Bavaria's biggest factories today as a strike involving 220,000 metal workers crippled production the second straight day.

In Munich, pickets and non-strikers frequently came to blows. Police intervened and offered armed protection to any employee seeking to enter the plants.

Picket lines were reinforced in Nuernberg to bar nonstrikers from work.

So far, 49 firms employing 26,000 workers have given in to union demands for a wage increase of 3 cents an hour. Other employers are sticking to their offer of half that much.

The average wage for metal workers is about \$95 a month.

Saldias Is New Premier in Peru Cabinet Shakeup

LIMA, Peru — President Manuel Odría has named Adm. Roque Saldias, former Navy minister, to serve as premier following a major cabinet shakeup.

The new government chief replaces Gen. Zenon Noriega, who resigned yesterday. Seven of the 12 men in Noriega's Cabinet were reappointed.

Wall of Cave Collapses, Kills Denver Youth, 12

DENVER — A 12-year-old Denver boy died last night when the cave he was digging collapsed on him.

The victim was Paul Gordon, son of Mr. and Mrs. Arthur Gordon.

Police said they were not notified of the accident for three hours because of apparent panic on the part of a playmate who witnessed the cave-in.

3 Young Eisenhowers Go Cruising -- as Ike Promised

WASHINGTON — President Eisenhower had promised his grandchildren a boat ride.

Kids never forget a promise like that. So last night he took them on a 4½-hour cruise down the Potomac River to George Washington's historic home at Mount Vernon.

When the trip ended at 10 p.m., grinning grandfather Eisenhower led the three small and sleepy children ashore, looking every bit as though he had as much fun as they did.

Five-year-old Barbara Anne walked across the gangplank at the Naval Gun Factory pier wearing a nightgown under a robe. A

Soviet Greet British Group

Attlee and Seven Other Laborites in Moscow on Way to China

MOSCOW — Former British Prime Minister Clement Attlee and seven other British Labor leaders arrived in a chartreuse-colored Soviet army plane today for a two-day visit. They expect to have talks here with Premier Georgi Malenkov and other Soviet officials.

The Labor party delegation, which includes left-winger Aneurin Bevan, will attend a Soviet reception tonight at which Malenkov and other top Soviet leaders are expected to be present.

The Britishers are en route to Communist China for a three week stay.

Attlee and the others declined to comment upon arrival, saying only they had a pleasant trip. They stopped in Helsinki, where they boarded the Soviet army plane a two engine IL12 with the chartreuse paint job.

British Ambassador Sir William Hayter greeted Attlee and the others. Sir William introduced the Soviet government chief of protocol, the vice mayor of Moscow and the ambassador to the Chinese Peoples Republic.

After posing for pictures the Britishers drove off with Sir William to the British Embassy directly across the river from the Kremlin.

The British ambassador has invited Foreign Minister V. M. Molotov, Deputy Minister Andrei Vishinsky and other top men of the Soviet Foreign Ministry to a British Embassy dinner in the visitors' honor tomorrow night.

Aud. Gen. Martin Seeks Renomination

LANSING — Aud. Gen. John B. Martin of Grand Rapids announced today that he would seek renomination to his present state post at the Republican State Convention Aug. 21.

Thus Martin put to rest reports that he would make a bid to shift to the secretary of state race. Martin said "the main job ahead is the election of a Republican governor of Michigan to work with the Republican Legislature for the good of the whole state."

"With this object in mind I shall ask the delegates in the coming state Republican convention for renomination as auditor general. It is my hope that this will contribute both to party unity and to the election of Don Leonard as governor."

Girl Held in Slaying

GRAND RAPIDS — Mary Thomas, 17, who police said had admitted fatally stabbing 24-year-old Herbert Beane Saturday night after a quarrel, was being held today for Superior Court on a murder charge.

Albert La Duke

Recitation of the Rosary will be held for Albert La Duke this evening at 8 p.m. at the Voorhes-Siple Funeral Home.

Besides his parents, he is survived by a daughter, Elizabeth of Pontiac; two sisters, Mrs. William Beauregard of Detroit and Mrs. Josephine Caswell of McMillan.

The funeral will be held at St. Michael Catholic Church Wednesday at 8 a.m. with burial in Mt. Olivet Cemetery in Saginaw.

Judge Not Sure Wife Beater Is Really So Tough

DETROIT — Recorder's Judge Paul E. Krause decided yesterday that Booker Houseworth might not be the wife beater his 21-year-old wife Rosa said he was.

The 21-year-old Houseworth had just been convicted of assault and battery after Rosa claimed he beat her with a souvenir-sized baseball bat and threatened her with exhibit A—a jagged neck of a bottle.

After complaining that Houseworth would beat her again now that he was placed on probation, she grabbed exhibit A from a desk and lunged at Booker with it. A court officer grabbed and disarmed her.

Judge Krause then dismissed the conviction against Booker and sent Mrs. Houseworth to the county psychopathic clinic on contempt of court charges.

NOTICE of TAXES CITY OF PONTIAC

1954 City and School taxes will be due and payable at the office of the City Treasurer August 16, 1954 through September 18, 1954 without fees.

Payments made by mail must be postmarked not later than September 18, 1954 to avoid penalty.

September 19, 1954 a collection charge of one per cent (1%) will be added and one per cent (1%) additional each month thereafter on any unpaid City and School taxes.

All 1954 City and School Taxes remaining unpaid as of March 1, 1955 will be payable at the County Treasurer's Office, subject to additional penalties as provided by State Law.

M. M. ASHBAUGH
City Treasurer

ON DUTY AGAIN—Waterford Township Supervisor Floyd L. Anderson greets Frank J. Van Atta as he returned to his post as police chief this morning. Van Atta, fired by the township board 23 days ago, was reinstated by the board at a meeting yesterday. (See story on page 22.)

Pontiac Deaths

Seth Newman Allen

Set Newman Allen, 59, of 88 Hill Circle, died yesterday at St. Joseph Mercy Hospital.

Born Oct. 27, 1894, in Oakland County, he was the son of Will and Dora Bailey Allen. He married Mabel Moses in Metamora Dec. 9, 1914, and came here from Dryden 33 years ago.

He was last employed as a machinist.

Surviving besides his widow are a daughter, Mrs. Dale Swanson of Auburn Heights; a son, Bill of Royal Oak, and six grandchildren.

Mr. Allen was a member of F&AM 150, Dryden.

The funeral will be held Thursday at 2 p.m. from the Voorhes-Siple Chapel with the Rev. James W. Deeg of Oakland Park Methodist Church officiating. Burial will be in Ottawa Park Cemetery.

Mrs. Elliott Barling

Mrs. Elliott (Lillian) Barling, 82, of 23 Evelyn Ct., died this morning in Pontiac General Hospital.

She was born here Sept. 30, 1871, and lived her entire life in Pontiac.

She was the daughter of William and Mary Phelps Leverton. She married the late Mr. Barling Jan. 25, 1896, in Pontiac.

Mrs. Barling was a member of the October Group of the First Presbyterian Church, and was second oldest member of the church.

Surviving are two daughters, Mrs. Estelle Dexter of Pontiac and Mrs. Agnes Hall at home; eight grandchildren and eight great-grandchildren. Also surviving is a sister, Mrs. Cora Judson of Tustin, Calif.

Service will be held Friday at 2 p.m. from the Davis Funeral Home with the Rev. Edward E. Auchard, associate pastor of her church, officiating. Burial will be in Oak Hill Cemetery.

30 Drown in India

NEW DELHI, India — Reports reaching here today said 30 persons drowned when a river ferry capsized south of Indore. Thirty-one persons were reported rescued.

3 Shotguns Worth \$265 Stolen From City Store

Three 12-gauge automatic shotguns, valued at \$265, were taken by thieves last night from the Spiggle Department Store at 115 N. Saginaw St., Pontiac Police said.

Manager Richard Davis of 39 Ivy St. said nothing else has been determined taken by the burglars who broke a rear window to gain entry.

Heads Muskegon GOP

MUSKEGON — Robert A. Carr Jr., a member of the Young Republican Organization, has been elected Muskegon County Republican chairman, continuing the young Republican group's leadership in party affairs established two years ago.

Teamster Trial Delayed 1 Week

Keating, Lintean and 3 Others Face Charges of Shakedowns

DETROIT — At a defense attorney's request, the trial of five AFL Teamsters officials, indicted in the alleged shakedown of Detroit area contractors, has been postponed until Aug. 16.

Defense Counsel James E. Haggerty requested the adjournment yesterday. He told Recorder's Judge Joseph A. Gillis he needed more time to prepare his case.

The five unionists are Mike E. Nicoletti, 33, president and business agent of Teamsters Local 247; Samuel J. Marrozzo, 39, business agent for Local 247; Daniel J. Keating, 31, president and business agent for Local 614, Pontiac; Frank E. Fitzsimmons, 45, vice president of Local 289 and Louis C. Lintean, 35, secretary-treasurer of Local 614.

They face charges of extortion, conspiracy to extort, conspiracy to defraud and accept gratuities, and accepting gifts and gratuities.

The five men were indicted 11 months ago by Circuit Judge Miles N. Culehan, who was at that time serving as a one-man labor racket grand jury.

The contractors said to be involved were handling major construction work, such as the Detroit City-County Building, the John C. Lodge and Edsel Ford expressways and defense plants in the Detroit area.

Japan Textile Strike Ends—Without Pact

TOKYO — Japan's strange "human rights" strike ended today, as peacefully as it began two months ago.

Most of the 12,000 employees of the Omi Textile Mill walked out two months ago in protest over what the union called violation of basic human rights. The union said management was opening personal mail, forcing the workers to attend Buddhist services and interfered with romance.

Union leaders yesterday accused the management of stalling in government-backed peace talks and ordered work resumed—but management said it would take time to get the 12 mills back in working order.

The workers went back anyway—without a contract. There was no indication when a formal agreement would be reached.

Yankee Thieves Sully Hospitality

RICHMOND, Va. — The facts, ma'am, are that the men were from Brooklyn. Detective Chief John Wright hopes this takes Richmond off the hook.

Wright came into the case when Mrs. Norman Mann of Ontario, Canada, reported she and two friends lost more than \$1,000 in luggage, clothing and jewelry when thieves in Richmond rifled their car. Subsequently, Mrs. Mann wrote the local chamber of commerce to note that the robbery seemed a poor advertisement for southern hospitality.

The detective bureau had news for Mrs. Mann. Her property had been recovered in Washington and was hers for the identification. Two men were arrested. Brooklyn boys, Ma'am.

No room charge for children under 14!

This plan is in effect every day of the week, every week of the year at Statler

★ If one or more children under 14 occupy the same room with both parents, the regular two-person rate applies for the room. If one or more children under 14 occupy a room with only one parent, the one-person rate applies for the room.

★ If one or more children under 14 occupy a room without a parent—that is, if more than one room is needed for a family—the one-person rate applies for the second room.

Bring the family for weekend of fun at the Detroit Statler

SPECIAL STATLER FEATURES FOR TRAVELING FAMILIES

Hoover Returns to His Birthplace

Iowa Town Host Today on Ex-President's 80th Birthday

WEST BRANCH, Iowa (AP)—Former President Hoover returned today to the white clapboard cottage in West Branch where he was born to receive a round of official honors celebrating his 80th birthday and to deliver a major speech on foreign and domestic policies.

West Branch — population 769—bedecked itself with flags and banners, loaded up with fried chicken and potato salad, nailed unfamiliar "one-way street" signs to the trees and light poles, and happily prepared for an expected army of 50,000 visitors.

Hoover's sons, Herbert Jr. and Allan and their families were with him. The delegation of Iowans meeting him included Gov. William S. Beardsley, Dr. James H. Hilton, president of Iowa State College; Virgil M. Hancher, president of the University of Iowa and other officials.

Vice President Nixon, originally scheduled to represent President Eisenhower, telegraphed his regrets last night that he would not be able to attend because of close votes on farm legislation scheduled today.

Wilbur M. Bruckner, representing the Department of Defense, will speak in Nixon's place.

Hoover himself is the main speaker.

His prepared address was largely devoted to the 20-year period between the end of his own administration in 1932 and the election of Dwight D. Eisenhower. Much of it discussed the foreign policies pursued during those years by the United States, especially with respect to Soviet Russia.

Other major sections set forth Hoover's views on what he called "Socialism" and on his contention that the original pattern of American government—the separation of powers between the three main branches—have suffered dangerous changes.

Prior to his speech he first visited the three-room cottage where he was born, a tiny dwelling, gleaming with whitewash and shaded by ancient trees.

Hoover lived here until he was nearly six years old. His father was the village blacksmith, his mother a Quaker schoolteacher. Both died before he was 10, and he then went to live on a nearby farm with one of his uncles.

On the now-spacious grounds, tents were erected for an old fashioned picnic at noon. Hoover was to receive an honorary degree of doctor of laws prior to delivering his speech.

South Korean Rally Protests Division

SEOUL (AP)—Some 30,000 South Koreans gathered at Seoul City Stadium today to demonstrate for "unification by force."

The banner waving crowd, which included hundreds of school children, applauded loudly when rally leaders shouted, "We cannot live in a divided country... we must unify our fatherland by force."

The hour long rally passed a resolution to send messages to Presidents Eisenhower and Syngman Rhee and to Dag Hammarskjöld, secretary general of the United Nations, asking for support of unification by force.

The rally was the first in a series of mass demonstrations supporting Korean unification and bigger South Korean army.

Urge California Barbers Extend Training Period

LOS ANGELES (AP)—More men are asking for finger waves and fancy haircuts, and so barbers need longer training, says the president of the Associated Master Barbers and Beauticians of California.

George Timme of Sacramento urged the association's annual convention yesterday to pass a resolution proposing extension of the eight-month training and 18-month apprenticeship periods.

Driver Not Appreciative of Stiff Traffic Sentence

DETROIT (AP)—Frank Serafini pleaded guilty to drunk driving in Detroit Traffic Court and was asked by a prosecutor: "You appreciate that by pleading guilty

you may go to jail and lose your driving privilege?" "I understand what you mean," came the reply, "but don't think for a minute that I appreciate it."

England's fishing fleet in 1580 needed warships to drive off pirates.

Farm Tractor Accident Claims Life of Youth

PORT HURON (AP)—A 16-year-old youth from nearby Goodells was killed Monday when a farm tractor he was driving flipped over and pinned him beneath it. The

victim was identified as Ronald Schuler. A neighbor, William McCue, 11, also riding the tractor at the time was thrown clear. He was not hurt.

The tips of a propeller at top speed often surpass the speed of sound.

Courthouse Stays Put

BEULAH (AP)—The Benzie County Courthouse will remain in Beulah. The Board of Supervisors voted 9-5 in favor of accepting a new site offer from the Beulah-Benzonia Chamber of Commerce and turned down by a tie vote an

offer of a \$100,000 location in Frankfort.

The ratio of suitable farming land to total area is highest in Europe where it runs to 37 per cent. In North and Middle America the average is only about 10 per cent.

Grains Open Low but Rally

CHICAGO (AP)—Grains rallied on the board of trade today after opening lower following overnight rains in parts of the Midwest and Senate approval of flexible price supports on basic crops.

The initial selling was not heavy. Prices dipped around 1 to 2 cents at and immediately after the opening. Then the rally started. In many cases all the early losses were canceled and small gains substituted.

Wiretap Legalizing

WASHINGTON (INS.)—The Senate Judiciary Committee has tentatively voted to pigeonhole the

administration's bill to legalize use of wiretapped evidence in trials of subversives and kidnapers. The action was taken yesterday on a motion by Sen. Pat McCarran (D-Nev.), but is subject to possible reversal later. The measure would be killed for this year if the

committee finally decides to table it. The wiretap bill already has been approved in a modified form by the House. Before voting to put off action on the bill, the Senate group agreed to a House-passed provision requiring that a

federal court order be obtained before a wiretap could be used. The Senate bill also contains a provision approved by the House which allows the attorney general to use wiretap information already obtained for prosecution of subversives without a court order.

Brooklyn Cat Causes Delay for Bus Driver

NEW YORK (AP)—When a bus halted for a Brooklyn traffic light, a passerby shouted to the driver that a cat had leaped under the machine. The driver got out and could hear meowing, but couldn't

see the cat. He unloaded his passengers and called police. Two patrolmen and an agent of the Society for Prevention of Cruelty to Animals found the cat. But it took 55 minutes of maneuvering to induce the animal to leave the bus. Then the driver continued his trip.

KIDNAP VICTIM—Bruce Parker, 4, has been missing since August 5, when the family car, with Bruce asleep in the back seat, was stolen in Bethlehem, Pa. A state-wide search is on for the boy, son of Mr. and Mrs. Albert Parker of Bethlehem.

Both Senators OK Farm Plan

Ferguson, Potter Vote for Lower Supports on Five Basic Crops

WASHINGTON (AP)—Sen. Ferguson and Potter, Michigan Republicans, Monday voted for a farm bill amendment by Sen. Schoepel (R-Kan.) providing for price supports at from 82½ to 90 per cent of parity for five basic crops. The Senate adopted the amendment.

The Michigan senators voted against an amendment by Sen. McCarthy (R-Wis.) to the farm bill which would have ordered supports at 90 to 100 per cent of parity on cotton, wheat, corn, peanuts and rice. The Senate defeated the amendment.

Ferguson and Potter voted with the majority as the Senate adopted 49-44 an amendment by Sen. Aiken (R-Vt.) fixing price supports, after it had been amended to provide for 82½ to 90 per cent price supports. Aiken's original proposal permitted a slightly lower floor of 80 to 90 per cent.

The 82½ to 90 proposal was offered by Sen. Schoepel and was adopted by a similar 49-44 vote.

After the first test, the Aiken amendment as revised was approved by a second 49-44 vote. Although the two roll call totals were identical, six senators switched sides.

The Michigan senators also voted with the majority as the Senate adopted 49-43 an amendment by Sen. Aiken which would allow the continuance of dairy price supports at present levels.

Sens. Ferguson and Potter voted against an amendment by Sen. Thyne (R-Minn.) which sought to substitute an 80 per cent parity price support on dairy products for the 75 per cent support proposed by Sen. Aiken. The Senate rejected the amendment 44-48.

Man Paid to Buy Dope Spends Money on Self

PHOENIX, Ariz. (AP)—Federal narcotics agents said they gave Ralph M. Ochoa \$40 a month ago to buy narcotics from "the underground" as a help in rounding up peddlers.

But he spent the money on himself, the officers claim. He was free under \$400 bond today on a charge of embezzling government funds.

The Kremlin in Moscow covers about 63 acres.
