Waterford Passes $10.8 Million in Bonds

Anderson, Mihalek Win in Local Vote

By PAT McCARTY

Pontiac School District voters yesterday handed William H. Anderson a four-year term on the board of education while returning incumbent Mrs. Elsie Mihalek to office for a third term.

Five per cent of the district's estimated 40,000 registered voters went to the polls to elect two board members and approve a transfer-of-funds proposition.

A total of 2,073 ballots were cast.

According to the unofficial tally, Anderson won 1,074 votes and Mrs. Mihalek 1,049.

★ ★ ★

Unsuccessful candidates for the two four-year terms were James R. Stelt, 40, of 261 Ottawa, 862 votes; Mrs. Susan L. Miller, 26, of 900 S. East Blvd., 745; and Victor L. Smothers, 47, of 203 Wolfe, 268.

OK TRANSFER

The board of education was given the authority to transfer some $57,200 from debt retirement funds to its building and site fund by a 851-236 vote.

Anderson, 53 of 2281 Ostrum, Waterford Township, is a former Pontiac School Board president.

Last year he was beaten in his bid for a third term on the board by Dr. Robert R. Turpin.

Anderson is owner and operator of the C & W Pattern Manufacturing Co.

Levy to Run New Schools Is Defeated

Proposals to Build Auditorium and Pool Also Voted Down

By JOE MULLEN

Waterford Township School District voters yesterday approved bond issues to construct a new high school, elementary school and numerous school additions, but left school administrators without funds to operate the two new schools.

In addition, school board incumbents Eldon C. Rosegart and Norman L. Cheal were returned to office as a third candidate, Lewis S. Long, failed in a bid for one of the two seats at stake on the board.

★ ★ ★

Approved was a $5,975,000 bond issue for additions and improvements to existing buildings as well as furniture and equipment for these new facilities.

Also approved was a $4.8 million proposition to erect, furnish and equip a new high school and elementary school and to acquire and improve school sites and site additions.

Rejected by the voters were a $625,000 bonding proposal to erect, furnish and equip an auditorium as part of the new high school building and a $400,000 issue to build, furnish and equip a swimming pool in the same building.

Also turned down was a one-mill tax limitation increase for a six year period from 1968 through 1973 for operating the new high school and elementary school.

RETURNED TO VOTERS

Since these schools would not be ready until 1968, the millage proposal could be returned to the voters either next June or early in 1968 and still provide

5 School Bond Issues Pass

Four Districts Okay Operating Tax Hike

By JAN KLOUSER

Bond issues totaling $23,913,100 were approved in separate ballot issues in five area school districts yesterday.

★ ★ ★

Voters in four of the districts —Huron Valley, West Bloomfield, Clarkston and Farmington — also voted in operating tax increases.

Tax renewals were approved in Huron Valley, West Bloomfield and Avondale.

Swimming pool proposals were turned down in Huron Valley and Clarkston.

Huron Valley

The largest bond issue, $7,633,100, was approved by Huron Valley voters, 1,412 to 1,114.

The money will be used to build two 20-room elementary schools, two 22-room elementary schools, an addition to the high school, a central administrative office, to develop existing school sites and to purchase new junior high school equipment.

It will also pay for additional school sites, renovations and additions to Highland Junior High, heating system improvements at Duck Lake Elementary School, refunding of a 1957 bond issue and contingencies.

★ ★ ★

In order to pay off the bonds, taxpayers will pay a total of 7 mills for bonded indebtedness—an increase of 1.94 mills or $1.94 per $1,000 of assessed valuation over the present levy.

ADDITIONAL MONEY

If the district needs additional money to pay off the bond issue, it can borrow from the State School Bond Loan Fund.

The 7-mill operating tax increase for three years was approved, 1,434 to 1,144. It brings the total operating levy to 23.70 mills or $23.70 per $1,000 of assessed valuation.

Voters approved renewal of a 3-mill operating tax, 1,459 to 1,127. The 3 mills will expire in 1968.

★ ★ ★

A $650,000 swimming pool at the high school was turned down, 1,357 to 1,173.

980 to Receive Diplomas

Diplomas will be awarded to 980 graduates in commencement ceremonies at Pontiac's two public high schools tomorrow and Thursday.

An 8 p.m. commencement tomorrow is scheduled for the 438 students graduating from Pontiac Northern High School.

MOLYNEAUX SPONBERG

Pontiac Central High School's class of June 1966—numbering 542—will graduate at 8 p.m. Thursday.

Dr. Harold E. Sponberg, Eastern Michigan University president, will deliver the Pontiac Northern commencement address in the auditorium of the school. His topic will be "The Becoming Journey."

Speaker for Pontiac Central's commencement at Wisner Memorial Stadium will be Dr. David E. Molyneaux, pastor of the First Presbyterian Church of Flint. His address is entitled "Barbarians At the Gates."

BOYS' GYMNASIUM

In case of rain, the Central ceremony will be held in the boys' gymnasium of the school.

Each speaker will be introduced by Monroe M. Osmun president of the Pontiac Board of Education.

Schools Supt. Dr. Dana P. Whitmer will present diplomas to graduates of both schools.

2 New Members Elected to OCC Board

Two new members were elected to the Oakland Community College Board of Trustees and one incumbent was defeated in a reelection bid in yesterday's school balloting.

★ ★ ★

Taking seats on the board for the first time will be Ralph F. Tyndall of Royal Oak, who won a 4-year term, and Gordon Henderson of Beverly Hills, who took a 2-year term.

Board Treasurer Vernon M. Fitch, 43, of 2950 Middlebury, Bloomfield Township, was the only incumbent candidate not returned to the board.

All of the six trusteeships were put on the ballot yesterday for two 2-year terms, two 4-year terms and two 6-year terms.

★ ★ ★

The board was organized two years ago when Oakland County voters approved a one-mill tax to operate the college.

Five of the six original members yesterday were among the 14 candidates for new terms. The sixth, Frederick A. Chapman, said he would not seek reelection because he was moving to New York.

The unofficial tally gave incumbents George R. Mosher and Mrs. Lila R. Johnson the two 6-year terms by healthy margins over the single challenger, Thomas J. McGee.

★ ★ ★

Masher received 15,683 votes, Mrs. Johnson 14,616 and McGee 12,518.

BOARD CHAIRMAN

Chairman of the board since its inception, Mosher has been a General Motors Corp. attorney for 12 years.

He lives at 551 Mohegan, Birmingham. Mosher, 44, is a graduate of Columbia Law School and was a law instructor at New York University before joining General Motors.

Mrs. Johnson, 39, of 12725 La-Salle, Huntington Woods, is secretary of the board.

A graduate of the University of Illinois, she is employed as editor and publicity director of the Women's City Club of Detroit.

WOMEN VOTERS

Mrs. Johnson is a member of the Oak Park-Huntington Woods League of Women Voters.

Elected to 4-year terms were Tyndall and incumbent Earl M. Anderson, 52, of 30159 Palmer, Madison Heights.

Anderson won 10,730 votes and Tyndall 9,489. Unsuccessful candidates were Thomas W. Fowler Jr., 40, of 421 Lynch, 8,218; Harside, Royal Oak, 8,919; and Fitch, 7,556.

Anderson is a former employe of the AFL-CIO Council who presently is unemployed. A high school graduate, he attended college for two years.

Tyndall, 64, of 2436 Shenandoah, Royal Oak, retired last July as assistant superintendent of Berkley Public Schools.

A University of Michigan summa cum laude graduate, he previously held administrative posts with three other school systems.

The two-year terms went to Henderson and incumbent David W. Hackett.

Hackett pulled 11,252 votes and Henderson 10,868.

Their competitors were C. Ray Ballard, 65, of 10160 Kingston, Huntington Woods, 9,699; Dr.

5 Indictments Handed Down

Township Supervisor Faces Two Charges

The Oakland County Grand Jury this morning issued five indictments charging 10 men, Royal Oak Township Supervisor Edward Kennedy twice, with crimes ranging from bribery to furnishing alcoholic beverages to a minor.

★ ★ ★

All were to be arraigned today before Bloomfield Hills Justice of the Peace Jack Baldwin.

In one warrant, Kennedy is accused with four others of bribery and conspiring to commit bribery, while in the other, Grand Juror Philip Pratt has charged him with three counts of perjury.

The indictment says that Kennedy, former Royal Oak Township Trustee Marshall Taylor; Patum Eason, now an official in the war on poverty in Detroit, and two officers of the Atlas Sand Co., Carmen Jacoboni and Angelo Delesanto, both of Detroit, were involved in the bribery conspiracy.

★ ★ ★

The charges allege that Jacoboni and Delesanto paid $2,650 to four township officials between August, 1964 and December, 1965 in return for the purchase and removal of sand from the township by their company, and the extension of their contract.

FALSE DENIAL

On the perjury issue, Kennedy is accused of falsely denying that he knew anything about alleged payoffs to township board members when he testified before the grand jury twice in January and once last June.

Suspended Township Justice of the Peace Lonnie C. Cash was charged with billing and receiving excessive fees from the county in amounts greater than allowed by law.

He also is accused of charg-

"Let's not tell Dad it's broke. He'll try to fix it."

Trouble Is Steep for Steeplejack

EAST LANSING (AP) — A steeplejack, who spent five hours overnight in a rainstorm trapped in a barrel attached to a guy wire 250 feet above ground, said today he is going back up as soon as he dries out.

"It was a lousy way to spend the night," said Sam Schieber, 58, of nearby Leslie. "I'm cold and wet."

He was not injured.

In a dramatic rescue, hampered by rain, wind and communications problems, fellow steeplejack Bob Finley, 30, of Eaton Rapids, climbed the tower and freed Schieber's tangled hoist ropes. Both men descended safely in barrels designed to take them up and down the guy wires.

The two self-employed steeplejacks were hired to clean and repair the tower at radio station WKAR, educational broadcasting outlet of Michigan State University.

★ ★ ★

Schieber, hired by Tower Builders Co. of Angola, Ind., for the three-week maintenance job, said he would be back on the tower today.

GOT A LIFT

Schieber climbed into the barrel and was lifted up the guy wire about 2 p.m. yesterday. It was 9 p.m. when he learned he was trapped. Other lines used to hoist the barrel had become entangled with the guy line.

Newton said Schieber was unable to free the lines because of grease on the guy wire, buffeting winds and rain, which made everything slick.

Schieber had a radio, Newton said, but it was too large to operate in the storm.

★ ★ ★

"They communicated by hand signals for awhile," said Newton, "but communications were difficult."

★ ★ ★

Finally, Finley climbed 600 feet up the 1,000-foot tower and lowered himself, in another barrel, down the guy line to Schieber's side. The two men were able to free Schieber's barrel by 2 a.m. and both men were lowered to safety.

Power Project Bill Is Signed

WASHINGTON (AP) — President Johnson signed today a bill designed to make Grand Coulee Dam on the Columbia River the largest hydroelectric power project in the world.

The $390-million authorization measure provides for a third power plant that eventually will add 3.6 million kilowatts to the two-million kilowatt capacity of the present installations.

★ ★ ★

At the same time, Johnson sent Congress a request for $3 million to start construction at once.

At a ceremony in the White House rose garden, Johnson brought together representatives of Canada, the private and public power industry, members of Congress, and administration officals.

Landlocked Moscow is sometimes called the "Port of Five Seas." Canals and rivers link the Soviet capital with the Caspian, Azov, Baltic, Black and White Seas.

Senator Sees Action Today on Safety Bill

WASHINGTON (AP)—Sen. Warren G. Magnuson says he hopes for Senate Commerce Committee approval today of a bill requiring establishment of mandatory federal safety standards for cars.

However, other committee sources said such action today is extremely doubtful, if not impossible. "There are just too many issues still to be discussed," one said.

The committee, headed by Magnuson, completed its hearings April 6 and is considering a revised version of part of the safety legislation urged by President Johnson.

The Washington Democrat said he expects the committee to approve a bill requiring establishment of safety standards. Johnson asked only that the secretary of commerce be given authority to act.

Magnuson said the committee had reached tentative agreement on the general outlines of the proposed legislation but last-minute work was being done on details of the revised draft.

Ky Gets Tough With Buddhists

Guns, Gas, Arrests Quell Demonstrations

SAIGON, South Viet Nam (AP) — Government security forces, with orders to give no quarter, laid virtual siege to the Buddhist Institute today. With pistol shots and tear gas charges they choked off dozens of demonstrations after a mob burned three Jeeps and grabbed two submachine guns from American Military Police.

One of the vehicles destroyed in Saigon was a U.S. Military Police Jeep. It was burned by an angry mob of 3,000 Buddhists. Rangers and riot police beat them back.

Told to arrest draft-aged demonstrators on the spot and send them off to military service, troops and riot police carted away scores. Some were clubbed, kicked and beaten.

★ ★ ★

Four hundred miles away to the north, the chief of Premier Nguyen Cao Ky's Buddhist antagonists, Thich Tri Quang, was in the seventh day of an anti-American, antigovernment hunger strike. An aide said his condition was "weakening and very serious." A clandestine Buddhist radio, believed to be in a Hue pagoda, said Quang's heart beat had become irregular.

KONTUM PLATEAU

On the military front, chief interest remained centered on the battle of American and South Vietnamese troops against North Vietnamese regulars on the Kontum plateau of the central highlands. A U.S. spokesman said 465 of the enemy were known dead. The U.S. toll was reported to be less than a tenth that.

Using radar guidance, two U.S. Navy F4 Phantom jets intercepted two Communist propeller planes over the North Vietnamese coast before dawn today and possibly shot one down with a Sparrow missile, a Navy spokesman reported. He said the pilots observed an explosion after the missile was fired and only one enemy contact remained on the radar screen of the guided missile frigate Coontz patroling in the Gulf of Tonkin.

★ ★ ★

Intelligence sources said another North Vietnamese regiment had crossed from Laos into the central highlands where U.S. paratroopers combed jungled ridges for other North Vietnamese regulars they have battled for a week.

The reports said the estimated 1,000 fresh troops could be trying to reinforce the battered remnants of North Viet Nam's 24th Regiment or about to begin an offensive of their own under cover of the monsoon rains. One theory was that the Communists were planning to seize a provincial capital such as Kontum City to provide a showplace base for the National Liberation Front, the Viet Cong's political arm.

U. S. planes scattered 80,000 surrender leaflets over the battle area and one of the six prisoners taken in Operation Hawthorne had a leaflet on him.

'Reds Hope to Win With Aid of Dissent'

DENVER, Colo. (AP) — Secretary of State Dean Rusk said today the Communists are relying on dissent within the United States and in allied countries to force a change in American policy and bring them victory in Viet Nam.

But Rusk said "they will find that they are mistaken. When Hanoi realizes that its aggression will not be allowed to succeed, there will be peace."

★ ★ ★

In a talk prepared for the 57th convention of Rotary International, Rusk also called again for unity among members of the North Atlantic Treaty Organization.

STRONG LANGUAGE

Using stronger than usual language, Rusk said "there is no prospect for resolving ultimately the problems that divide Europe if Western Europe is once again to break up into a large number of free wheeling independent states with each nation clawing for advantage at the expense of its neighbors."

Rusk noted that at last week's Brussels meeting of NATO foreign ministers "there was some feeling that the danger of war has receded somewhat and that intensified efforts should be made to improve East-West relations and to solve the grave disputes left over from the second World War."

★ ★ ★

But Rusk quoted Paul Vanden Boeynants, Belgian prime minister, as telling the NATO meeting that beyond the Iron Curtain lie "130 divisions on a war footing supported by 6,000 aircraft and 700 missiles."

GRIM REMINDER

Rusk reminded the Rotarians that when one thinks of reduced tensions "we must not forget that five years ago this month we were threatened with war if allied forces were not withdrawn from Berlin."

★ ★ ★

"The facts of the world situation," Rusk said, "require that NATO remains strong and alert. They require that free nations not repeat the tragic errors of the past—that they not make one-sided reductions in defense that tempt adversaries to resort once again to force or threats.

★ ★ ★

"That they not impair the security which the members of NATO have achieved for themselves and other free nations by their collective exertions, including the investment of more than one trillion dollars in defense since 1947."

Rusk said there should be negotiations between East and West, but "the NATO ministers—at least 14—agreed that there must be a common Western policy."

'OBSTACLE' TO ACCORD

He said there is some feeling in Europe—and in the United States—that the war in Viet Nam is an obstacle to new accords with the Soviet Union.

O'Brien Files for Reelection

Seeks 2nd Term as 17th District Senator

State Sen. Carl W. O'Brien of Pontiac announced today he will run for a second term in the 17th Senatorial District, which includes Pontiac, part of Oakland County and all of Lapeer County.

O'BRIEN

O'Brien of 513 Moore, filed the $100 fee rather than petitions with the secretary of state in order to run in the Aug. 2 primary, he said.

A Democrat, O'Brien, chairman of the Senate Conservation Committee, said he would run an "independent" campaign based on his Senate record.

In addition, he said if reelected he would continue to be a full-time legislator with no other outside interests.

★ ★ ★

"Only two senators can boast that," said O'Brien.

'INDEPENDENT RECORD'

In making his announcement, O'Brien said, "I will run again independent of party support or the endorsement of any major labor group."

"In 1964 I made the race without the help of the Democratic party bosses and without the aid of Gus Scholle," said O'Brien. "This permitted me to maintain the most independent voting record in the state Senate."

O'Brien cited as first-term achievements: a successful battle against indiscriminate cancellation of automobile insurance policies; passage of more than a dozen pieces of major conservation legislation, including some $10 million in extra outdoor funds and a general strengthening of the department; a fight against water pollution; increased appropriations for Oakland University; and increased state aid to education.

★ ★ ★

He was chiefly responsible for pushing the anti-pollution act of 1965. This year, he sponsored a strengthening amendment to the pollution law to make it easier to bring violators into court.

He and his wife Marie have seven children.

Abandon Hope for Boy Lost in Nevada Region

LAS VEGAS, Nev. (AP) — The search for 6-year-old Larry Jeffrey, missing for 17 days on snow-capped Mt. Charleston, 35 miles northwest of Las Vegas, has been abandoned.

Sheriff Ralph Lamb said calling off the search for young Jeffrey was "one of the hardest decisions I have ever been forced to make."

Larry, who was hard of hearing, was dressed only in blue jeans and a short-sleeved shirt when he wandered away from two brothers during a family picnic on the 12,000-foot mountain.

Lamb said several doctors told him the boy could not have lived more than 10 days on the mountain. More than 300 persons participated in the hunt.

Arms Pact Ultimatum Issued by Soviet Union

GENEVA (UPI) — The Soviet Union today demanded withdrawal of American forces from Viet Nam as the price for any agreement on disarmament.

The Russians made the demand as disarmament negotiations resumed after a six-week recess.

Strive to End Chicago Riots

CHICAGO (AP) — Community leaders strove today to bring peace to a Puerto Rican neighborhood where a second night of rioting left seven persons wounded.

Hundreds of police poured into the mile-square area on Chicago's Northwest Side at dusk Monday to quell renewed violence that began Sunday night.

★ ★ ★

Leaders in the Spanish-speaking area along Division Street near Humboldt Park said the rioting resulted from police brutality to residents of the neighborhood. Police denied any brutality.

★ ★ ★

Thirty-seven arrests were made Monday night and early today, making a total of 81 seized during the two nights of violence.

All seven of the wounded wer Puerto Ricans.

★ ★ ★

Police said one of the wounded was shot by a policeman, the others by stray shots fired by rioters.

★ ★ ★

After Monday night's violence was brought under control, leaders in the community met and appointed a committee to seek a meeting with Mayor Richard Daley.

Pop Bottle Hunt Proves Fatal to Orion Twp. Boy

Hunt Port Huron Area for Missing AF Plane

Port Huron (UPI)—Searchers combed an area of the Lake Huron shoreline early today for a missing Air Force F106 interceptor.

A search party, spearheaded by helicopters and planes from Selfridge Air Force Base and Coast Guard boats, covered the "thumb" area about 15 miles north of Port Huron where the last communication from the pilot originated late yesterday.

Crackdown Is Promised on Traffic Sign Violators

BIRMINGHAM — Increased enforcement of traffic sign violations throughout the city was promised by the City Commission last night after it rejected a suggestion to concentrate on one particular area.

★ ★ ★

Commissioner Ruth McNamee proposed that the northeast section be given top priority, in lieu of additional traffic controls which the police department say are not needed in the area at this time.

In a report to the commission, Police Chief Ralph W. Moxley said two surveys of traffic taken recently in the area of Adams School indicate that conditions are under reasonable control and similar to other residential areas in the city.

The studies were made after area residents complained that a traffic hazard had been created for children playing in the area of the school because of the closing of Oakland between Worth and Adams.

★ ★ ★

Moxley said that it was found in both surveys that 85 per cent of the drivers were traveling well under the legal speed limit.

HIGHEST SPEED

"Out of approximately 457 vehicles checked, only 21 exceeded the speed limit, with the highest speed being 30 miles per hour," Moxley reported.

"The "stop" violations that were serious enough to warrant enforcement action, the report noted, were also within reasonable limits.

It was found that only 52 of 472 drivers committed a definite violation of the stop signs during the survey.

★ ★ ★

Opposed to intensifying police traffic patrols in one area were Commissioners Carl Ingraham and Charles Clippert.

CITY TO SUFFER

"The whole city has these traffic problems," said Ingraham. "By concentrating on one area the entire city will suffer."

Clippert agreed, saying that the problems should be "vigorously enforced" all over. "We can't single out one area."

Ingraham also took issue with complaints that "No Through Traffic" violations for westbound traffic through the area were not being fully enforced.

★ ★ ★

"The signs are just intended as a deterrent," said Ingraham. "I defy anyone to give me a ticket for using a public right of way."

School district voters reelected incumbent Pell Hollingshead with 1,923 votes and Elaine Wessels with 1,689 votes to four-year terms in yesterday's annual school election.

Other candidates were incumbent Louise C. Adams with 1537 votes; Herbt L. Ring, 533 votes; and Rose Mary Schneider, 344 votes.

BLOOMFIELD HILLS — Philip Bartlett was elected to a four-year term on the school board yesterday with 554 votes.

His opponent, Daniel C. DeGraff Jr., received 260 votes in the annual school election.

★ ★ ★

Bartlett will replace David W. Lee, a board member for 13 years, who decided not to seek reelection.

Voters also approved the transfer of $1,146 from the debt retirement fund to the building fund by a vote of 484 to 37.

the needed operating funds if it passes.

It lost by only 65 votes in yesterday's election, 2,411 to 2,476.

Supt. of Schools Dr. Don O. Tatroe expressed mixed emotions on the voting.

"We are pleased with the voters' decision to construct the two schools to meet immediate responsibilities and to improve and add to existing facilities," he said.

ACCEPT DECISION

"We accept the decision of the electorate on the auditorium and swimming pool proposals," he added.

"As for the millage proposition, we will try again."

None of the four bonding proposals was close.

★ ★ ★

The one for the new building construction won by a 2,683 to 2,193 count and the proposition for additions and improvements received 2,704 affirmative votes to 2,177 negative.

AUDITORIUM PROPOSAL

The auditorium proposition was defeated 2,814 to 1,977 and the swimming pool proposal lost 2,962 to 1,818.

The four bonding proposals offered to yesterday's voters represented a slightly trimmed-down version of a single $13 million bonding proposition rejected last March 28 by a margin of 333 votes.

A millage proposal asking one-mill over a five year period accompanied the $13 million bonding proposal in the March election and it also was defeated.

Approximately 4,900 of the school district's estimated 23,000 registered voters went to the polls yesterday. This represents a 21.3 per cent turnout.

MOST VOTES

Rosegart, 47, of 2983 Shawnee, outpolled the three trustee candidates with a total tally of 2,671 votes.

Cheal, 46, of 2751 North Lake, garnered 2,627 votes and Long, 39, of 5657 Brunswick, received 2,124 votes.

Rosegart has been a member of the board of education since 1959 and he served as board president from 1960 to 1962.

Married and the father of two, Rosegart has been an administrative assistant in the Pontiac School System but will join Oakland County Schools July 1 as an assistant superintendent.

FIRST ELECTED

Cheal was first elected to the school board in the June 1962 voting.

Married and the father of six, Cheal holds a degree in chemical engineering and heads the experimental department of Pontiac Motor Division's engineering department.

Both men won four-year terms.

ing the county for services not rendered.

It was the third indictment and the second in a week leveled at Cash.

He was ordered by the Circuit Court to refrain from performing his judicial duties after he was charged the first time last month.

In two other warrants, three Royal Oak Township policemen, and a John Doe were charged with providing whisky to a 15-year-old girl.

Named in the warrants were patrolman Elijah Burt, Vantris Ridout, the dog warden, and Sgt. Herman Tuck.

Investigators indicated they would probably name the John Doe at a later date but that it was necessary to include the anonymous name because the inquiry is ending this week.

Veto Asked on Tuition Bill for Colleges

LANSING (AP) — Protestant and Jewish leaders Monday asked Gov. George Romney to veto a bill which would help pay the tuition of needy students attending private colleges and universities, including schools with religious affiliations.

Already approved by the Senate, it won 87-14 House passage this week.

★ ★ ★

In its original form, the bill would have applied only to those students choosing private over public schools. But a House amendment provides that the same grants be given students attending public colleges. The amendment, along with several others tacked on by the House, now has gone back to the Senate for concurrence.

The plan would cost an estimated $3.3 million the first year; $16 million annually when a four-year phase-in is completed.

BACKED PROTEST

Spokesmen for the Jewish Community Council of Metropolitan Detroit and the Metropolitan Detroit Council of Churches backed a previous statement of the Michigan Council of Churches in condemning the measure.

The dissenting groups issued a statement sent to Romney saying "historic experience impresses upon us the lesson that involvement of government with religion is good for neither."

★ ★ ★

However, leaders of private Michigan colleges, both Catholic and Protestant, are on record as saying the legislation is essential to preserve a dual system of higher education in Michigan. They argue the proposed law would prevent a monopoly of state schools. Without the law, some have said, some private schools would be forced to close.

Romney Answers Critic of Maine Ad

LANSING (UPI) — Gov. George Romney said yesterday a political advertisement he made for Maine Gov. John H. Reed was not an endorsement for Reed's reelection.

Romney, in a telegram sent to Reed's GOP opponent, State Rep. James Erwin, said, "The people of Maine should make their own free primary choice for a Republican gubernatorial candidate."

★ ★ ★

Erwin last week accused Romney of "arrogance" by an "unprecedented interference" in the Maine primary.

Romney told Erwin, "The filmed statement I made had reference to Governor Reed's past record and did not involve endorsement which would have been presumptuous on my part."

4th Century Romans Liked Lots of Water

NEW YORK (AP) — Fourth century Romans used an average of 300 gallons of water a day per capita, in contrast to an average American's use of 150 gallons a day.

Much of a Roman's daily water consumption was used during his bath. The public ceramic tile tubs in which he bathed often exceeded 1,000 square feet and could accommodate well over 1,000 persons.

News of the Area

Classes Slated in Swimming

AVON TOWNSHIP — Swimming instruction will be provided for township children this summer at the Oakland University pool on Saturday mornings.

The program will begin June 25 and continue until July 23.

Registrations will be taken this week at the Avon Township park or at the Rochester Board of Education building.

If openings are still available, registrations will be taken June 25 at the pool.

★ ★ ★

The program, jointly sponsored by Avon Youth Service Recreation Association and the Rochester Community Schools, is open to both later elementary and secondary pupils.

Each group will be divided into subgroups of beginners, advanced beginners, intermediate and advanced swimmers.

Board Okays Teacher Pact in Rochester

ROCHESTER — Teachers here will start work in September with a new contract ratified both by the teachers and board of education.

The board voted unanimously last night to accept the contract, which grants raises ranging from $450 to more than $1,000.

The teachers ratified the 1966-67 contract last Friday after four months of negotiations with the board.

Under the new contract, salaries will range from $5,550 to $8,995 for a bachelor's degree and from $5,900 to $9,600 for a master's degree. The total cost of the package is about $132,000.

The present salary schedule ranges from $5,100 to $8,085 for a bachelor's degree and from $5,400 to $8,560 for a master's degree.

Teacher Gets Honor Award

FARMINGTON TOWNSHIP — Maynard H. Harris, a teacher at Longacre School, has received a Valley Forge Freedom Foundation's honor certificate award.

The Economic Club of Detroit hosted the awards presentation ceremonies over which Gov. George Romney presided.

Harris was cited for his classroom program last school year entitled "What Being an American Means to Me."

His was the only award given to an elementary schoolteacher in Michigan.

Lapeer Church to Hold Auction Sale June 25

LAPEER — The Immaculate Conception Church will hold an auction sale of household and antique furniture and articles at 10 a.m. June 25.

The sale will be held on the church grounds, 816 Franklin.

1 Vote Defeats Holly Tax Hike

Troy Approves Big Program

A $2.5-million bond issue and a 2-mill operating tax were approved in two districts while operating levies were defeated in two others in yesterday's annual school elections.

Here are the unofficial results of voting on proposals in the Troy, Holly, Novi and Imlay City districts:

TROY — Voters approved a $2.5-million bond issue for the purchase of 25 new school sites by a count of 517 to 491.

Seventeen new elementary school sites, three new high school sites and five new junior high sites will be purchased with the money.

The proposal will not increase the current 7-mill tax levy and the district can borrow from the state if necessary to pay off the bonds, said Schools Supt. Dr. Rex B. Smith.

HOLLY — A 5-mill tax increase for four years for operating purposes was defeated by one vote, 364 to 363.

The proposal would have raised taxes to 29.70 mills.

The 5 mills were proposed to help offset a budget deficit, improve curriculum and to add 11 teachers, one clerk, one custodian and one vocational guidance director.

Schools Supt. Russel G. Haddon said the board of education plans to meet tomorrow to determine the earliest possible date for another millage election.

NOVI — Voters approved a renewal of 4.5 extra operating mills for five years by a vote of 271 to 131.

★ ★ ★

The present tax rate is 18.60 mills, or $18.60 per $1,000 of assessed valuation. The 4.5 mills expired with the 1965 collection.

IMLAY CITY — Voters defeated both a 2-mill operating tax levy and a pay increase for board members.

★ ★ ★

The present operating levy is 13.35 mills. Schools Supt. Alvin Norlin said the 2-mill increase was needed to help balance the 1966-67 budget.

Board members were seeking a pay increase from $4 per meeting to $10.

Bond Issues Are Passed by Five School Districts

(Continued From Page One)

trict voters approved a $7-million bond issue, 763 to 484.

They also approved a 7-mill operating tax increase and renewal of a 2-mill operating levy, 725 to 549.

The building program will be financed with no increase in taxes by borrowing money from the state and extending the bond retirement over a longer period of time.

★ ★ ★

Included in the building program is a new high school, a 24-room addition to the junior high school, a 14-room elementary school, new classrooms in the Scotch Elementary School area and purchase of four to six new school sites.

The 7-mill tax increase brings the total operating levy to 26.3 mills or $26.30 per $1,000 of assessed valuation. This includes the two mills which were renewed.

Clarkston

Voters in the Clarkston School District voted 741 to 356 in favor of a $2.5-million bond issue.

The money will be used to acquire additional sites, for site improvements, to build new schools, erect additions to existing schools and furnish and equip present buildings.

They also approved a 5-mill operating tax increase to be spread over 10 years, 697 to 408. Schools Supt. Dr. L. F. Greene said the increase in operating revenue means a boost of only 1 mill in the district's tax rate over the period.

He explains that while the operating millage is gradually increased, the debt retirement levy will be lowered at the same pace until 1971, when the additional mill would probably have to be levied.

The current tax rate is $27.38 per $1,000 of state-equalized valuation. Of this 16.38 mills are for operating.

A $600,000 bonding proposal to build and equip an indoor swimming pool at the high school was turned down, 601 to 509.

Voters also approved, 658 to 232, transfer of the $37,224 remaining in the 1954 debt retirement fund to the building and site fund.

RUNNING TRACK

This money will be used to construct a physical education running track around the existing football field and blacktopping parking lots and driveways at Sashabaw and Bailey Lake elementary schools.

Avondale

Avondale voters approved a $3.1 million bond issue, 697 to 559, and renewal of 3.9 operating mills, 824 to 459.

The bond issue will increase the debt levy by $3.90 per $1,000 of assessed valuation to meet the 7-mill debt requirement for borrowing from the state.

The money will provide the district with a new elementary school, a new high school, a high school site, three 12-acre elementary school sites, remodeling of the present elementary schools, instructional material centers at each elementary school, and a new administration building and bus garage.

The 3.9 mills which were renewed expired after the 1965 tax collection.

Farmington

A $3-million bond issue to equip Farmington School District's two existing high schools and a new senior high school now under construction with swimming pools and auditoriums was approved, 1,954 to 1,378.

A proposal to increase the operating tax levy by 1 mill was also approved, 1,901 to 1,344.

The three pools and three 800-seat auditoriums are intended for community use as well as for use by the schools. They will allow expansion in academic areas and school sports.

★ ★ ★

Approval of the bonding proposal does not increase the district's tax levy for bonded indebtedness.

LONGER PERIOD

The district can borrow funds from the state and spread the present 7-mill debt levy over a longer period of time.

The 1-mill tax increase brings the total tax levy to 32.50 mills or $32.50 per $1,000 of state-equalized valuation.

The money will be used to operate the new swimming pools and auditoriums.

Utica Teachers Get Raises; 20 Picket

Area News

UTICA — The board of education last night granted teachers raises ranging from $350 to $720, considerably less than they requested.

About 20 teachers picketed the board of education office prior to the board meeting, demanding "living wages."

The teachers, all members of the Utica Federation of Teachers, were "very orderly," according to Thomas Breen, director of school-community relations.

The salary schedule approved by the board ranges from $5,600 on $9,120 for a bachelor's degree and from $6,000 to $9,773 for a master's degree.

* * *

The Utica Federation of Teachers and the Utica Education Association asked for starting salaries of $6,000 and $6,500, respectively, for teachers with a bachelor's degree.

TOP SALARIES

Breen said that based on the 5 per cent annual increments, this would have brought the top salaries to more than $11,000.

The present schedule ranges from $5,250 to $8,400 for a bachelor's degree and from $5,650 to $9,100 for a master's degree.

Unlike most other school districts, the raises were granted without benefit of negotiating sessions. The teachers have been without a bargaining agent because the UFT and the UEA were unable to come to terms at a hearing in March before the labor relations board.

* * *

An election to select a bargaining agent is also being held up at least until November because of charges brought against the administration by the UFT.

POSTED 60 DAYS

The charges must be posted for 60 days while school is in session.

Breen said that if, after a bargaining agent is elected, higher salaries are agreed upon, they will be retroactive to the beginning of the school year.

Schools Supt. Philip E. Runkel said the board's action "indicates concern for the teaching staff that few other boards have shown."

"The schedule reflects the board's concern for the continuation of the fine educational program in Utica," he said, "and will help us to hold our excellent staff and help attract new teachers."

TO EXPAND PROGRAM

In other action last night the board approved expanding its community schools program to include activities at the high school and Shelby Junior High School. Last year the program was conducted only at Sterling Junior High.

Joseph Riyard, who has been part-time director of the program, was appointed full-time director. Three part-time directors will be hired to conduct the separate programs.

Sewerage Contract Is Topic for Board

WEST BLOOMFIELD TOWNSHIP — The Township Board will meet Thursday at 8 p.m. to discuss the Clinton-Oakland Sewage Disposal System contract which involves eight communities, including a portion of Pontiac.

If the board approves, West Bloomfield will pay 6.1 per cent of the total cost of $16.5 million.

Other townships included in the proposed sewer system are Avon, Pontiac, Waterford, Independence, Orion and the cities of Pontiac and Orchard Lake.

It would connect to the Dequindre Interceptor which the city of Detroit will extend from 14 Mile Road to 23½ Mile Road.

Besides sharing the cost of the main trunkline, each community will also have to stand the cost of their individual internal sewer systems.

FIVE METHODS

According to Department of Public Works officials, communities could finance their share of the sewer system in five different ways or a combination of them:

- Ad valorem taxes.
- Special assessment districts.
- Connection charges.
- Revenue from sewage service bills.
- Other funds which municipalities can legally use for this purpose.

Challenging Outlook for Graduates

With mortarboard tassels a-twitch thousands of area young men and women will tread the scholastic "last mile" soon. They will peck their way through the educational eggshell and emerge to the world.

★ ★ ★

They couldn't do it at a worse or better time.

This nation is beset with internal and external problems of staggering proportions. That's the worst.

★ ★ ★

The job market today is wide open. That's the best. Our new graduates will get some of the best, and some of the worst, as they should expect.

★ ★ ★

As new members of the adult society, they are expected to shoulder a share of the responsibilities, seek answers for the problems, and get involved. Civic responsibility is a way of life which must be formed early, or it may never be.

As far as entering the labor force, we would hope our graduates look beyond the size of the paycheck and consider the personal satisfaction to be gained from the employment. Plan on giving your employer a good day's work for a good day's pay, and take pride in the quality of the product.

We would hope that leaving the formal education process will not preclude continuing education which is widely available in night courses locally.

Leaving school, whether high school or college, is one of the big moments in anyone's life. It ranks with getting married, having children, and later assuming the role of grandparent.

To the Pontiac area graduates, our best wishes for a prosperous and fruitful adult life.

Presidents' Popularity Difficult to Maintain

Current Gallup Poll figures point out that President JOHNSON is at a new low according to the survey they make each month. The question asked is: "Do you approve or disapprove of the way the President is handling his job?"

Figures put JOHNSON at 46 per cent approval, which is the lowest point since taking over the top job in the White House. It is interesting to note that his popularity was highest in 1964 when he had 80 per cent approval.

★ ★ ★

The survey shows that on the most recent check, 46 per cent approved, 34 per cent disapproved and 20 per cent had no opinion. Gallup has been making this presidential survey for some time and it is interesting to see how other presidents stacked up during their terms of office.

President JOHN F. KENNEDY had a range from a high of 83 to a low of 57. President DWIGHT D. EISENHOWER had a high of 79 and a low of 49. President HARRY TRUMAN rated a high of 83 to a low of 23. President FRANKLIN D. ROOSEVELT had a high of 84 and a low of 80.

★ ★ ★

In fairness, it is clear to see that all of our last presidents could not hold popular approval during their entire term of office. International and national affairs have a great bearing on the public's acceptance of our chief executive.

Two words, "Viet Nam," explain the disapproval facing Mr. Johnson.

Unless our position in Viet Nam changes in the next few months, JOHNSON'S Gallup rating may well slip considerably lower.

Canada Is a Haven for American Traitors

Several hundred young Americans —using the term loosely—are now living in Canada as U. S. draft dodgers and loudly and proudly thumbing their noses at their draft boards and their country.

★ ★ ★

The Canadian government refuses to extradite these fugitives. And when they become 31 years old they can, if they wish, return to the United States and, without fear of loss of citizenship or other punishment, be footloose and free to brag about how they outsmarted Uncle Sam.

There must be some way to discourage these characters from coming back to the Country they refuse to defend.

Then Canada can have them for keeps—with our compliments.

Being Alive Is K's Victory

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON — A chunky, bald man, showing his 72 years, drove up to a Moscow voting place in a chauffeur-driven car with his wife and a bodyguard, cast his ballot, and left without cheers or catcalls.

MARLOW

Sunday was the first time Nikita Khrushchev, living on a pension now, had appeared in public since he voted last year.

He is as close to being anonymous as the present Soviet leaders can make him.

Being forced to live out his life in obscurity, since the new bosses bounced him as the No. 1 man in October, 1964, may seem harsh.

★ ★ ★

But almost certainly it is more than Stalin would have permitted.

GOOD TESTIMONY

That he can go on living at all after losing in the Soviet power struggle is as good testimony as any to the change he wrought in the Soviet Union and, as a result, in the world.

Thus, his present obscurity is only temporary, even though it lasts his lifetime.

But his exact place in history is not at all certain since it will depend upon what eventually happens to communism.

★ ★ ★

He was not an innovator in the field of tangibles, like Stalin who drove and dragged the Soviet Union into the atomic and space age, and, at frightful cost in lives and luxury, gave it industry.

Khrushchev's contribution, over the 10 years in which he dominated most of communism, was in the field of the spirit, which may seem an odd word to associate with a man so earthy, tempestuous and unpredictable.

Stalin was totally dedicated to the triumph of the Communist state, no matter the cost to the people in it.

Khrushchev rendered such Red fanaticism ludicruous and obscene when he revealed Stalin as a monster and murderer.

★ ★ ★

Khrushchev didn't lessen the importance of the state. But he made life and people more important than Stalin could have imagined or tolerated in the Soviet Union.

BREATHE EASIER

Inside, the people, harassed less by the secret police, could breathe a little freer, could express a little discontent, even though mildly, while the state paid more attention to their needs and their comforts.

They accused him of mishandling the dispute with China, of mismanaging the Soviet economy, of bungling the Cuban crisis and even of supporting a "cult of personality."

He probably was a poor manager but, at his particular moment in Russian history, he gave his people something that would have been inevitable sooner or later after the bleak homicidal years of Stalin.

He gave them a strong change of spirit which his successors inherited. The Russian people are better off than they ever were, the split with China is deeper, and the cold war is still muted.

David Lawrence Says:

Effort to Help Poor Is Negated

WASHINGTON — Contradictions in the news are sometimes significant.

One branch of the government says that the poor are paying more for food than are other people in the same town or city, and that something should be done to encourage the chain stores and supermarkets to do business in low-income neighborhoods. But six justices of the Supreme Court of the United States have just decreed that a merger of two chains doing only 7½ per cent of the total sales in the Los Angeles area is a violation of the antitrust laws and constitutes an "incipient" monopoly.

LAWRENCE

The Bureau of Labor Statistics sent out its agents to do comparative shopping in poor and higher-income neighborhoods in six big cities, and has just made public a report urging that special steps be taken to persuade the chain-store companies to open up more supermarkets in the low-income sections.

A checkup of the prices of 18 commodities showed that the poor are being subjected to higher costs.

The chains, of course, are reluctant to enter the poor areas with individual stores which would make little profit.

REEXAMINATION

But Mrs. Esther Peterson, President Johnson's special assistant for consumer affairs, declares that "each food chain should immediately reexamine its expansion plans, on a city-by-city basis, in the light of the Bureau of Labor Statistics study," and says also that, if supermarkets can't make a profit in poor neighborhoods, the government should consider taking "positive steps" to improve the situation.

But all of this is surprising after one reads the opinion handed down by the Supreme Court on May 31, which reversed a lower court that had upheld a merger in California.

The combined sales of the two chains amounted to only 7½ per cent of the total of the retail groceries sold in the Los Angeles market. But the high court said that the consolidation was nevertheless a violation of the antimerger law, and that it was therefore prohibited.

Justices Stewart and Harlan, who dissented, noted that the court had previously declared that every corporate acquisition should be judged in the light of the contemporary economic context of the industry concerned, and then added that the court has turned its back on basic principles and on all the decisions of recent years that have followed those principles.

The question of whether any monopoly actually was threatened is discussed in the dissenting opinion, which argued that the top 20 firms in the Los Angeles area have a combined share of only 57 per cent of the market.

The number of chain-store firms has risen in the area, particularly among those of small size.

Also, the merger which the majority of the court struck down happened to be between two local concerns, largely family-owned, each of which had less than 5 per cent of the market.

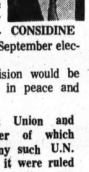
U.N. Should Supervise Elections in S. Viet Nam

NEW YORK — Charter of the U.N. claims as its primary objective the maintenance of international peace and security.

But two of its veto-powers members, plus a sprinkling of class B nations on the Security Council and the organization's influential secretary general, oppose the plea of South Viet Nam that the U.N. supply impartial observers for its September elections.



CONSIDINE

Such supervision would be an investment in peace and security.

The Soviet Union and France, either of which could kill any such U.N. supervision if it were ruled a substantive matter, are joined in their opposition by council nations which — like the U.S.S.R. — would never permit the kind of free vote South Viet Nam proposes: Bulgaria, Nigeria, Uganda and Mali.

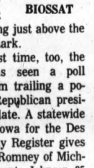
LBJ Plows Ahead Despite Polls

By BRUCE BIOSSAT

WASHINGTON (NEA)—The continuing decline in popular support for President Johnson's Viet Nam war policies is not altering in the slightest degree his resolve to keep on the same course.



BIOSSAT

The latest public opinion polls show that support now is hovering just above the 40 per cent mark.

For the first time, too, the President has seen a poll which has him trailing a potential 1968 Republican presidential candidate. A statewide sampling in Iowa for the Des Moines Sunday Register gives Gov. George Romney of Michigan 46 per cent, Johnson 35 per cent.

The President won Iowa by 284,000 votes in 1964, though Richard Nixon had taken it from the late John F. Kennedy by 172,000. The same Iowa poll, incidentally, puts Johnson ahead of Nixon, 44 to 39, in a trial heat.

It is no surprise to bear presidential associates say that LBJ is not thinking about 1968 right now. The evidences of slipping support on Viet Nam ARE of real concern to him.

He does not want to see the present huge Democratic margins in the House and Senate diminished this fall to the point where he might have trouble getting major programs approved in the second half of his term. The fear of big Republican gains has grown.

But beyond this, friends say, the President simply refuses to be shaken from a Viet Nam course he believes to be right and necessary for the country. More troops are said to be due in South Viet Nam in the next few months.

★ ★ ★

The adverse polls could hardly make him happy. Yet there is considerable testimony that he takes criticism and bad news a good deal more calmly than he once did.

"I think he has really adjusted to the job," says an associate.

Sensitivity to criticism is an occupational ailment of presidents. Even some of Johnson's friends think he took longer than most to learn to live with it. His preoccupation with work, his refusal to seek rewarding distractions probably contributed to the slowness of his adjustment.

Having apparently managed it, he is represented as determined not to govern by the weathervane of the opinion polls, nor to tinker with what he considers sound programs and policies merely to court higher favor with the people.

He is perhaps tired of reading, as he did through much of 1964 and 1965, that he wants to be loved and will do almost anything to be loved. One aide suggests that, more than ever, he is thinking these days about his place in the history books.

★ ★ ★

In the specific case of Viet Nam, his conviction as to the rightness of his policies has been greatly underscored by his judgment that the celebrated Fulbright hearings neither demonstrated the folly of those policies nor offered the faintest sign of a reasonable alternative.

His intellectual critics sound to him in 1966 about as they sounded in 1965. He did not think they had a case then.

So Lyndon Johnson is just plowing ahead as before on Viet Nam. He would like to see poll trends reversed on that issue, since a turn-around would signal fresh hope of his party holding its own in the November elections.

★ ★ ★

Yet, no matter how comforting it might be, he no longer needs the reassurance he once got from his famous collection of favorable polls—dog-eared as they were from being hauled from his pocket at the slightest pretext.

Unless controlling events intervene, the people who dislike the President's Viet Nam policies may have to try to vote him out in 1968. Even if that were done, any plausible successor in GOP circles might pursue much the same course.

Voice of the People:

'Church Must Speak Up on Government Policies'

The church in the United States has too long refrained from taking a stand on issues in which our government is concerned, be they national or local in scope.

★ ★ ★

It is now time for the church to unite in vigorously protesting the mass slaughter of human beings in Viet Nam, whether American, North or South Vietnamese. The United States policy of continuing this conflict in the name of freedom while taking thousands of human lives can in no way be justified in the eyes of God or in the teachings of Christian principles. This is not a war in which the defense of our country is concerned and in no way can it be defended as a necessary conflict, and so we could hardly hope that God would be on our side.

★ ★ ★

The church should rise up and be heard. It should insist that this conflict be ended now and peaceful means be found for its settlement even at the cost of losing face. Pride can be a very small price to pay for thousands of human lives.

Reader Comments on Edison Strike

Detroit Edison can afford to put big ads in the paper supporting their claims, but the union doesn't have the money to do so.

★ ★ ★

The company realizes the embarrassment caused by the fact that they haven't had a strike in 63 years. They claim that the majority of linemen made over $11,000 last year but do they state how many hours overtime each lineman had to work?

I am the oldest of seven children. If my father is in favor of the strike, then I have every confidence in him, to know that what he is doing is right. I feel that if he is risking his life for my brothers, sisters and me, a slight raise is not asking too much.

I don't mind eating hot dogs every night for dinner, if it means that eventually my father's life will mean more than $4.02 an hour.

Question and Answer

When the big expressway is built from Pontiac to Oakland University's campus, will that unsightly junk yard stay there as a permanent eyesore? Must we inflict this mess on the huge traffic from the city, the county, the state and the nation? This will become a very heavily traveled road.

OAKLAND U. STUDENT

REPLY

The County Road Commission says it has no jurisdiction over adjacent property along county roads unless it buys right-of-way, and there are no plans to do that when Mt. Clemens is widened. The present owner of the junk yard bought the property just five months ago and did not know there are plans to widen the road. He says "It's all news to me" and has no plans to move the junk yard.

License Transfer Rejected

Bar Relocation Is Blocked

The State Liquor Control Commission has rejected a request to transfer a Class C resort and SDM license from White Lake to Waterford Township, according to Waterford Supervisor Dorothy W. Olsen.

The applicants had sought to relocate a bar and lounge business to 7605 M59.

To accomplish the proposed move would have required approval by both the liquor control commission and township board.

Township board members were told last night that the liquor control commission denied the application because of strong opposition from residents of nearby Tull Acres Subdivision.

A previous requist by the applicants to rezone the property from local business (C-1) to general business (C-2) had been granted by the township board.

AMENDMENT OK'D

In other business, the board approved adoption of an amendment to a township ordinance, establishing increases in building and plumbing permit fees.

Also approved last night was the introduction of a proposed amendment which would boost the cost of electrical permit fees.

Wage increases, totaling $1,352 a year, were approved by a 4-3 vote for two employes of the township cemetery and parks department.

Waterford News

Robert Snyder, department superintendent, was given an annual pay boost from $7,030 to $7,758.

ADS AUTHORIZED

In still other business, the board authorized advertising of bids for workmen's compensation for township employes and approved a lot split for property on Hospital Road near Wade as requested by Conrad Kohn.

A water department report indicated that 45,540,200 gallons of water were pumped through the township system last month, compared with 53,-393,230 in May 1965.

For the first five months this year, 192,145,700 gallons of water have been pumped. There were 49 new service connections made last month against 14 the previous May.

2 GWCC Requests Aired

Waterford Township Board members last night discussed two requests of the Greater Waterford Community Council made in conjunction with the GWCC's beautification program.

The GWCC has requested the board to inform state legislators that the community is opposed to throw-away beverage containers and to require builders to place their trash in containers by ordinance.

Township Attorney Paul Mandel offered a written opinion that "the Township Board cannot discriminate against any class of people, such as builders, and require them to handle trash and rubbish differently than other people.

"It would seem that trash and rubbish are annoying and harmful regardless of the source from which they eminate."

★ ★ ★

Mandel pointed out that the township has a regulation in effect, which concerns the burning and disposal of rubbish.

COULD BE AMENDED

He said that although the regulation, as presently drafted, would not solve the area of enforcement sought by the GWCC, it could be amended to possibly alleviate some of the areas concerned.

★ ★ ★

Although board members saw merit to both GWCC requests, they foresaw problems in enforcing them.

Youth Suffers Minor Burns

A Springfield Township youth suffered minor burns last night when his sister poured gasoline on a burning rag he was using to keep bugs away as he worked on his car.

★ ★ ★

Treated at St. Joseph Mercy Hospital and then released was Paul Martin, 17, of 8512 Claridge.

★ ★ ★

Martin's sister, Yvetta, 13, poured gas on the rag causing the fire to flare up, according to sheriff's deputies.

The youth suffered burns on the right arm, deputies said.

145 Permits for Building Issued in May

The Waterford Township Building Department last month issued 145 building permits for construction estimated to cost $969,990.

This compares with issuance of 141 building permits for construction estimated to cost $1,-268,828 in May 1965.

However, estimated valuation for the first five months this year is about $1 million more than the same period in 1965—$5,130,082 to $4,130,737.

Last month, permits were granted for 45 new homes, estimated to cost $769,764.

★ ★ ★

In comparison, 41 permits were issued for new home construction estimated to cost $717,-805 in May 1965.

Other permits issued last month were for seven commercial buildings, $42,580; 33 garages, $39,613; 32 home remodelings, $36,003; 12 home additions, $29,230; seven commercial remodelings, $25,000; four garages, breezeways and family rooms, $16,300; one school service garage, $6,000; one home completion, $4,000; and one swimming pool, $1,500.

Subdivision Sewer Project Given Go-Ahead by Board

The Waterford Township Board last night gave the green light to a special assessment district sanitary sewer project for Jeffrey Manor Subdivision, authorizing township consulting engineers Johnson and Anderson, Inc., to prepare construction plans and make a cost estimate.

Residents of the subdivision had petitioned the township board to initiate the project.

Petitions were signed by 56 per cent of the residents. Fifty-one per cent is required, according to township officials.

Involved in the proposed project are 41 homes — 38 on the west side of Scott Lake Road between Elizabeth Lake Road and Pontiac Lake Road and three on Elizabeth Lake Road.

The sewers would be hooked to the Lorraine Manor Subdivision sewer system at Herbell and Fernbarry and, subsequently, be processed at a treatment plant located on Lorberta.

The undertaking would require construction of approximately 3,250 feet of lateral sewers and 675 feet of pipe leads to homes.

Residents would be assessed 90 per cent of the cost, with the township payitg the balance. A public hearing will be scheduled in the near future.

Both the state and county health departments have sanctioned the move to abate pollution which they contend is a hazard to public health in the area.

Several failures have occurred in septic tank drainage systems in the subdivision, it was pointed out.

To handle the additional sewage, another pump would be needed in the treatment plant, according to township officals.

Red Bid for Control of Rome Smashed in Italian Vote

ROME (AP) — Premier Aldo Moro's Catholic-Socialist coalition emerged from scattered local elections with a prestige boost today after smashing Communist hopes of becoming the strongest party in the city of Rome. It was the last extensive election before the parliamentary elections in 1968.

The Communists lost ground in the nation's capital for the first time since the war in a major election. Backers of the center-left coalition claimed the growth of the Communist party — second largest in Italy — had been arrested.

Although the coalition partners — Christian Democrats, Socialists, Democratic Socialists and Republicans — gained support in Rome and elsewhere, the Communists showed they were still formidable vote-getters. Their votes continued to rise in areas where they have become the single biggest party but where they sometimes lack controlling majorities because of the center-left alliance.

The Reds lost badly in Rome, where they were within 18,000 votes of the dominant Christian Democrats two years ago. They trailed the Christian Democrats by more than 78,000 votes—437,945 to 359,571 — and the center-left won assured control of the 80-man Municipal Council with 41 seats.

HAD 40 SEATS

Previously, the four parties had 40 seats and governed with the support of a defector from the Fascist party.

The coalition partners won majorities for the first time in two of the three provinces where new provincial councils were chosen.

* * *

The Communists gained in Florence and Genoa, where they had been the strongest party, but failed to take council seats away from the coalition.

In Genoa, Italy's fifth-largest city and major seaport, the center-left parties picked up one seat to win a 41-seat majority on the 80-man council. In Florence they won only 28 seats, three short of a majority. The Communists held their 22 seats, and a commission from the national government will continue to run the city.

The campaign had been dominated by national rather than local issues, and the Communists tried hard to draw Catholic voters away from the Christian Democrats. The Vatican exhorted the Catholics to remain with Moro's party, which has dominated the Italian government since the war.

Postal Problems—1

U. S. Mails More Now, Enjoys It Less

(EDITOR'S NOTE—The nation's postal system, struggling to cope with the "mail explosion" of the 60s, is coming under some of the heaviest fire of its recent history. The following story, first of two, examines how the nations mailmen are measuring up to their problems.)

By DAVID SMOTHERS
United Press International

CHICAGO—Neither snow, nor rain, nor heat nor gloom of night may stay the nation's mailmen from the swift completion of their appointed rounds.

But maybe, many Americans are complaining, automation does.

Harassed by zip codes, bugged by area codes, badgered by junk mail, and hankering for that really important letter which doesn't seem to come in time, Americans are peppering their mailmen with more complaints than at any time in the nation's recent postal history.

To which the Post Office Department reports, thing are not as bad as they seem.

* * *

And if they are, postal authorities say, they're doing something about it.

NEW GIMMICK

One of the things they're doing is a test this spring of one of their newest gimmicks, a child of zip code called the "sectional center" program.

The test is simple: The Post Office Department is mailing letters to itself to see how fast they get there.

United Press International anticipated the postal department by asking news bureaus around the country and abroad to mail letters to a certain man in Illinois.

* * *

The man was Sam Hancock, manager of UPI's bureau in the town of Marion.

NOON LOCAL TIME

All the letters to Hancock were mailed at noon local time last April 18. Some were sent air special, some airmail, some by zip code, some regular without zip code.

Hancock came up with these findings:

- **Airmail special and straight airmail letters mailed from Anchorage, Alaska, arrived at the same time on April 20 as did letters mailed the same way in Atlanta, Ga.**
- **A straight airmail letter from Charleston, S. C., arrived 20 hours ahead of airmail special, zip code, and regular mail. The last three showed up in a dead heat at 8 a. m. April 20.**
- **A zip code letter from Providence, R. I., came in the day after a letter from Providence without zip code.**
- **A straight airmail letter from Springfield, Mass., was checked in on April 19, 4½ hours ahead of an airmail special.**
- **An airmail special from Miami breezed in on the 19th. Airmail zip code and regular limped in at 9 a. m. on the 21st.**

* * *

These were the quirks in Hancock's accounting. Generally, the mail performed as advertised.

San Francisco Postmaster Lim Poon Lee conceded that almost all first class mail goes out of his city by air.

The letter mailed from San Francisco to Hancock in Marion, he said, would have gone to Chicago for rerouting if it had no zip code. Zip coded, it would have gone to the sectional center at Carbondale, Ill., just 17 miles from Hancock's office.

Hancock's records showed, however, that the zip code and regular mail letters, from San Francisco arrived at exactly the same time, three days after mailing.

* * *

The San Francisco-to-Carbondale-to-Hancock route, via zip code and sectional center, is one tactic in the Post Office department's fight to get out from under the mail. There will be others, including:

- Luminescent ink on stamps which will enable letters to be tagged and canceled at a rate of 30,000 an hour.
- The automated letter sorters which can "read" zip code addresses at speeds up to 36,000 an hour.
- Teletype letter sorters which can sort mail to 279 separate destinations at 36,000 an hour.
- Increased use of zip code and other digital combinations to help speed the computers on their appointed tasks.

* * *

Meanwhile, mailmen stoutly endure the brickbats and insist that the 5-cent stamp is still the best buy for the money in the country.

Spring Remodeling Tip:

Eliminate Old Troublesome House Windows With Low-Cost Nu-Sash

Unique New Replacement Unit is Installed Easily and Economically to Modernize Home

Costly problems caused by old-fashioned, troublesome, hard-to-wash house windows are quickly and economically answered for homeowners who need to modernize. Nu-Sash, a unique new product that has gained fantastic success in thousands of homes, provides the easy solution.

Nu-Sash is an aluminum unit specifically designed to replace old windows — at about 40% in savings over other methods of replacing.

One Low Price

One low-price includes complete installation. The reason Nu-Sash are so economically priced is due to the unique and exact method of installation.

No outside work or renovating is required. Plaster and woodwork are never disturbed. The old sash are removed, new side jamb liners are fitted into place, then the Nu-Sash units are inserted. The average window can be converted in about 20 minutes.

Nu-Sash replace most all types of house windows. Picture window models are available to replace old-fashioned twin and triple units. A heavy duty model is available for schools, apartments, and commercial buildings.

Nu-Sash replacements are so sturdy that test results show the window superior to standards set up by FHA for new-house construction requirements.

Nu-Sash Pays For Itself

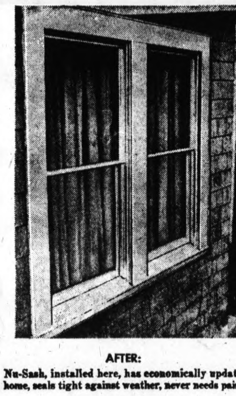
Savings in heating bills and air conditioning will pay for a Nu-Sash conversion. Other costly painting, puttying, and constant maintenance are eliminated.

The windows are constructed entirely of rigid vinyl and aluminum. A satin-like anodized protective coating keeps the aluminum finish bright and new looking for years.

Complete fiberglas insulation all around the window, as well as complete full weatherstripping, seals out cold, dust, dirt, drafts, and air.

As an important and permanent addition to the home, Nu-Sash qualify for low interest home improvement loans. Additional details and free literature about this replacement window are available by mailing the coupon.

BEFORE:
These old unsightly wood windows were rotted, hard to open, let in dirt and air.



AFTER:
Nu-Sash, installed here, has economically updated home, seals tight against weather, never needs paint.

National Praise For Nu-Sash Inspires New Branch In Pontiac

Nu-Sash, a unique window designed to replace old drafty outdated house windows, is now for the first time, available to Pontiac and area homeowners.

This home improvement product has been sold in over 100 cities in the midwest and eastern states but never before has it been available in the Oakland County area.

Nu-Sash windows have been installed in thousands of homes, saving each homeowner hundreds of dollars in remodeling costs and hours of labor.

Nu-Sash replacement windows are distributed locally through a new branch of Weather-Seal, Inc., 1004 Joslyn, in Pontiac. In addition to the new Pontiac outlet, other branches in Michigan for Nu-Sash are located in Saginaw, Flint, Adrian, Grand Rapids and Detroit with some other major cities of Pittsburgh, Cincinnati, Chicago, Buffalo, Nashville, Rochester and Philadelphia. All these cities have experienced sizable economical growth and development in urban renewal and modernization programs.

SAVE 40% ON INSTALLATION

One of the oustanding cost-saving features of Nu-Sash is that it can be installed without interior home alterations. Woodwork and plaster are never disturbed. The average window can be replaced in about 20 minutes. Moreover, installation can save approximately 40% over any other method of remodeling.

Nu-Sash is a division of Weather-Seal, Inc., which has executive offices and factories in Barberton, O. In 1934, Weather-Seal founded the combination window industry. In these 31 years, the corporation has become one of the largest manufacturers of combination storm-screen windows and doors and other home building products.

Weather-Seal developed Nu-Sash 5 years ago when the firm realized homeowners, decorators, and architects were faced with expensive major remodeling problems in replacing old deteriorated wood windows. Nu-Sash paved the way for the most scientific way to replace old windows. Weather - Seal also realized that an important factor in high heat loss was due to inferior inside house windows.

ANY TYPE WINDOW REPLACED

Sherman J. Williams, manager of the new Pontiac branch, has been with Weather-Seal 3 years as a national field representative. Williams relates that most any type window can be replaced with Nu-Sash. Installation, by expert Nu-Sash mechanics, can be made in any season or weather and installation is included with purchases.

Along with Nu-Sash, the new branch will carry the Weather-Seal combination storm-screen windows and doors. These units feature the roll-away "disappearing screen" which eliminates seasonal storm window changeovers. Also, a year 'round sliding storm-coverage for patio doors is being marketed.

Free literature and information from the manufacturer regarding Nu-Sash and all other products is available from the Pontiac office by a phone request.

March Participants Warned on Behavior

GRENADA, Miss. (AP) — Men and women of the Mississippi march, warned that hostile eyes are alert for scandalous behavior, spent another night on a grassy campsite. Nine miles of walking and another voter registration demonstration are on today's schedule.

They bedded down in two huge revivalist-style tents, in sleeping bags or on blankets spread on grass after Floyd B. McKissick, a march leader, admonished them.

"Remember Selma? A man got up in Congress after that and said civil rights people are immoral, that they were doing very personal things in the presence of each other," McKissick said.

McKissick, national director of the Congress of Racial Equality, referred to accusations by segregationist groups after the Alabama march from Selma to Montgomery last year. His talk drew laughs from the crowd, some of whom had been on that march.

COVER 81 MILES

The Mississippi march, started in Memphis, Tenn., by James H. Meredith June 5, had covered 81 of the 225 miles to Jackson, the state capital. Meredith was shot June 6 near Hernando and is recuperating in New York. He had planned the march as a demonstration that Negroes should not fear to register as voters.

Aubrey James Norvell, 40, the white man from Memphis accused of shooting him, was scheduled for a hearing today in Ripley on his petition to have his $25,000 bond reduced. Norvell has been jailed in Hernando since the shooting.

McKissick addressed the campsite crowd from atop an oil drum after the 250 marchers ate their evening meal. He briefed them on the plan for Grenada.

Asks $3 Million for Lion Attack

NEW YORK (AP) — Model Nell Theobald, who was mauled by a lion during a publicity stunt in New York City, has filed a $3-million damage suit.

Miss Theobald, 22, charged in the New York State Supreme Court yesterday that the attack by the lion at the International Automobile Show caused permanent injuries.

She named a number of defendants, including the owner of the lion, the auto show and the Coliseum where the show was held last April.

Strikers Stop Deliveries by 3 Biscuit Firms

DETROIT (AP) — A strike by 75 Teamsters Union members stopped deliveries Monday of cookies, crackers and other foodstuffs manufactured by three biscuit companies.

However, a spot check of area markets indicated no shortage of supplies although some brands may be unavailable.

The strike against National Biscuit Co., Sunshine Biscuits Inc. and Hekman Supreme Bakers by Teamsters Local 51 followed a breakdown of negotiations on a new contract, a union spokesman said.

Search Is Conducted for Boa Constrictor

Petitions Are Filed in Lansing by Romney, Cavanagh Forces

LANSING (AP) — Republican Gov. George Romney, who seeks reelection, and Detroit Mayor Jerome Cavanagh, who is running for the U.S. Senate, made their official bids yesterday to get their names on the ballot.

Members of Cavanagh's family filed petitions bearing about 37,500 signatures.

No sooner had the Cavauagh delegation left state election offices than Romney and his oldest son, Scott, 25, came in with petitions bearing 38,903 signatures.

Democrat Zolton Ferency, Romney's probable opponent in November, said he planned to file his petitions today before the 4 p.m. deadline.

★ ★ ★

Meanwhile, there was a flurry of announcements at the Capitol of men who planned to run for Congress and the Legislature.

OPPOSITION

Cavanagh faces Democratic primary opposition from former Gov. G. Mennen Williams, who already has filed petitions with 41,600 signatures.

Romney is unopposed in the primary, as is Ferency, who acknowledged some problems in assembling petitions because of a shortage of help.

But, said Ferency, plenty of petitions were scattered around the state, waiting to be picked up.

★ ★ ★

Romney said he was pleased that for the first time in recent years, the Republican party had candidates for all races in Michigan.

BIG TURNOUT

Robert Montgomery, state elections director, said he looked for a heavy turnout for the Aug. 2 primary because of the number of contested races.

Medicare—1

U.S. Hospitals Brace for Increase in Elderly Patients

(EDITOR'S NOTE — There are some 19 million elderly Americans lined up to take advantage of the provisions of Medicare when it goes into effect July 1. The following first of four articles tells what this will mean to hospitals and hospital facilities throughout the country.)

By JOHN BARBOUR
AP Science Writer

Many of the nation's hospitals, some of them already crowded, are braced for an expected increase in elderly patients July 1 when Medicare goes into effect.

In short, elderly Americans will be able to compete for hospital beds on a large scale for the first time — and private patients may find it tougher to get into the hospitals they want in some areas.

★ ★ ★

Across the nation, an Associated Press survey shows doctors are telling hospital administrators that patients 65 and over have been saving up their ailments until the bills could be paid by Medicare.

But no one agrees on how large an increase there will be — and as yet hard evidence, such as room and bed reservations, is lacking to back up the predictions.

LAND RUSH

To some experts, it harkens to the land rush days of the early West, with more than 19 million elderly Americans at the starting line, ready to dash to the nearest hospital to stake out a bed.

★ ★ ★

To others, the picture includes the nation's medical force cowering like a department store sales staff on Dollar Day, waiting for the crush of oldsters eager for bargain medical services they always wanted but never could afford.

Neither picture is true, but both betray some of the emotions still at play about the Medicare program the medical profession long fought.

★ ★ ★

July brings only the first of two Medicare deadlines. On that day hospital insurance begins for all who have signed up, and optional medical insurance becomes effective for those who decided to pay the $36 a year it will cost. So far 17.2 million, or 90 per cent, of those eligible have signed up for the doctor-bill, medical-service insurance.

The second Medicare deadline comes Jan. 1, 1967, when nursing home benefits begin.

The immediate problem is July 1. Have people saved up their ills to be treated under Medicare? Will there be enough hospital beds to hold them? If there aren't, who gets priority?

SECOND DEADLINE

President Johnson received a report from the Department of Health, Education and Welfare which will operate Medicare, and that report cited what will be local shortages in hospital beds and facilities.

It is not expected, the department said, that hospital loads would be increased more than some 5 per cent over the nation.

'OVERCROWDING'

"However, there is already overcrowding of hospital facilities in some areas, and some of the best hospitals in certain parts of the country are overcrowded even though other facilities in the same area are not," the report said.

There are two essential facts behind whatever happens July 1. First, summertime is the slow period in most hospitals, with people putting off surgery when possible until after vacation periods. Second, most medical problems of the elderly require more or less immediate care. Doctors often point out that elective operations before the age of 50 or 55 becoming operations of necessity afterward.

Still there are some ailments that some of the elderly have lived with, which though not critical, can now be treated and paid for under Medicare — things like cataracts, varicose veins, hemorrhoids, hernias, ear trouble.

That leads some hospital administrators like Richard J. Hancock of Lawrence & Memorial Hospital, New London, Conn., to anticipate that the increased demands will be in terms of elective surgery and treatment.

Hearing Slated for Deaf-Mute

REED CITY (AP) — Carl E. Wineman, 24, of Evart, demanded examination Monday through his court-appointed attorney on a charge of murder in the fatal shooting of George Seman, 35, an Evart policeman.

Justice Bertha Stafford ordered the defendant jailed without bond to await a hearing June 28.

★ ★ ★

Wineman, a deaf-mute who had worked at a variety of jobs, was arrested Sunday at the Evart apartment of his father-in-law, William Youngs, after the shooting of Seman. The Evart police officer died Monday in a Grand Rapids hospital. A State Police expert from Detroit was brought in to communicate with Wineman after the shooting.

MARITAL STRIFE

Authorities said Wineman and his wife, Rachel, had encountered marital problems and she had been staying with her parents. A family disturbance call brought Seman to the Youngs' home shortly after midnight Saturday.

Seman reported by radio that he had arrested Wineman and was taking his prisoner to the Osceola County jail. He failed to arrive. Passing motorists found Seman lying wounded along U. S. 10 just west of Evart, his patrol car and service pistol missing.

★ ★ ★

State Police said Wineman returned to Youngs' apartment where Youngs subdued him and took the gun away. Youngs held Wineman for State Police.

Debate Won by Patrolman

CHAMPAIGN, Ill. (AP) — Two youths who held a public debate by writing on the sidewalks outside the nurses' quarters near Burnham Hospital were charged with damaging public property.

★ ★ ★

Said Patrolman Maurice Wileaver in his written report: "The two admitted writing on the sidewalk 'I Believe in Nurses,' 'I Believe in Kangaroos' and 'I Believe in Penguins.' They were brought to the station and booked because 'I Believe in Clean Sidewalks.'"

Sweat Cause Is Examined

Perspiration Linked to Nerve Stimulation

By Science Service

WASHINGTON—The perspiration that shortened astronaut Eugene Cernan's Gemini 9 spacewalk by fogging his faceplate could have been due to nerves instead of the heat of his exertions alone.

Nerve stimulation can cause sweating even if the body's temperature remains normal, two scientists at Indiana University, Bloomfington, Ind., report.

Proof that this is true was found in experiments with three healthy young men who volunteered to perform isometric contractions against a stiff elastic cord while the circulation to and from their working muscles was arrested by an inflated pneumatic cuff placed high around the upper arm.

Sweating was markedly increased when warmed venous blood was prevented from reaching the heat-loss center in the hypothalamus at the base of the brain.

★ ★ ★

This discovery tends to refute the existing idea that an elevation of the hypothalamic temperature is essential for increased sweating during all physical work in a warm environment.

OBSTRUCTION

In other experiments, the researchers obstructed the blood supply of the left arm 30 seconds before three volunteers began pedaling a bicycle ergometer.

The sweating responses of this arm were compared with responses of the same arm during exercise without obstruction of the blood supply, and with sweat rates recorded simultaneously on the opposite arm and lower leg.

Recordings showed that an immediate moderate or great increase in sweating could be evoked on the left arm in spite of the fact that the circulation was arrested.

★ ★ ★

While these results suggest that the stimulation of sweating is strictly nerve-induced, the investigators said it has been found that four minutes of circulatory arrest before exercise reduces the immediate sweating responses of the occluded arm by about 50 per cent.

Because rapid and large variations in sweating can be observed during arterial occlusion, it seems doubtful that the sweating responses during exercise are dependent on higher concentrations of adrenalin or other body fluids in the circulating blood.

However, it is doubtful whether enough heat can be liberated within two seconds after the beginning of muscular work to produce the highly increased sweat responses found.

Drs. W. van Beaumont and Robert W. Bullard of the department of anatomy and psysiology, Indiana University, reported the study.

Sentiment for Release of Rudolf Hess Is Growing

By TOM A. CULLEN
Newspaper Enterprise Assn.

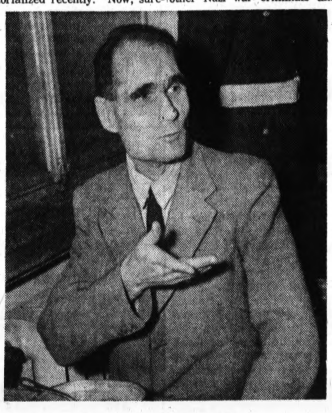
LONDON — Rudolf Hess, onetime deputy fuehrer of Nazi Germany, is now a gaunt, half-crazed wreck of 72. Soon he will be the only prisoner left in the Spandau prison of West Berlin, and there is a growing feeling here that he should be released.

★ ★ ★

"Has Hess been a murderer he would long ago have been released under present British law," the Sunday Express editorialized recently. "Now, surely, if the word has any meaning, is a time for mercy."

Bushy-browed Hess, who was then Hitler's right-hand man, electrified the world in May, 1941, when he dropped by parachute from the skies over Scotland on a lunatic "peace" mission to Britain. His plea to Britons: Join Hitler in a crusade against Russia.

The deputy fuehrer was locked up in the Tower of London for his pains, later brought to trial at Nuremberg with the other Nazi war criminals and sentenced to life imprisonment.



Rudolf Hess---A 4-Power Prisoner

Since then American, British, French and Russian soldiers have taken turns in guarding Hess and two other Nazi prisoners at Spandau on a monthly rota basis. It is one of the few remaining instances of four-power cooperation in Germany.

UNEASY CONSCIENCE

But the world's conscience has also been slightly uneasy about Hess. The feeling is that Hess is crazy, and should therefore be cared for in a mental hospital.

Even if he were not crazy back in 1941, his subsequent imprisonment in conditions that amount to solitary confinement would have driven him mad, it is argued. But all signs point to Hess being an advanced schizophrenic.

His lawyer, Dr. Alfred Seidl, based his plea on legal, rather than medical grounds, in recently appealing to the four heads of state for Hess' immediate release. Hess was given an illegal life sentence under a retrospective law, according to Dr. Seidl.

★ ★ ★

What makes the situation urgent is that the only other Nazi war criminals at Spandau — Baldur von Schirach and Alfred Speer — are due for release on Sept. 30, having served their 20-year sentences.

This means that Hess will soon be the only prisoner in a red-brick fortress that was built to house 750. It means also that he will be the world's most expensive jailbird.

The Russians are blamed here for keeping Hess in prison, not so much from anti-Nazi conviction as from the desire to maintain a foothold in West Berlin.

As one of the last vestiges of four-power rule, Spandau is important to the Russians, and they are not expected to relinquish it willingly as long as Hess lives, which may be for another 10 or 15 years.

★ ★ ★

Originally Spandau housed seven Nazi war criminals who were flown there in 1947 from Nuremberg in an Allied aircraft.

GO FREE

Since then the two admirals—Karl Doenitz and Erich Raeder — have been released, as have Hitler's Economics Minister Walther Funk, and Foreign Minister Baron von Neurath.

For the remaining three prisoners living conditions have gradually improved over the years. The trio are still addressed by their prison numbers, rather than their names, but they may talk to each other.

They are allowed to receive newspapers, and a Dutch barber shaves them every other day.

Albert Speer, Hitler's minister for rearmament, has weathered prison life the best. Now 60 years old, he gardens busily and designs holiday bungalows on a drawing board in his cell.

Bad luck has dogged Baldur von Schirach, 58, the Hitler youth leader. Last year he had an eye operation and is now nearly blind. Before that he was divorced by his wife, who has since changed her name.

As Nazi governor of Vienna, Von Schirach once boasted that he would replace all Christian crosses with swastikas. A crucifix is now prominently displayed in his cell.

But Rudolf Hess is the real problem. The former deputy fuehrer refuses to get up some mornings, complains constantly of aches and pains.

Even before the war, Hess reportedly was a hypochondriac.

In the 19 years he has been at Spandau, Hess has steadily refused to see his wife or his son, though he writes to them every week.

His reason: the parting after such visits would be too painful. His wife, Ilse, runs a small guest house in the Bavarian mountains and claims to be in telepathic contact with her husband.

After Sept. 30, when his two Nazi cronies are released from Spandau, Rudolf Hess will be the loneliest man in the world. Many Britons feel that his punishment has gone on long enough.

As Oxford historian A. J. P. Taylor expresses it, "We have modelled our behavior on the Nazis. We have turned a human being into a plaything of political calculation."

Soroptimists Close Year at Installation Dinner

Officers for the Soroptimist Club of Pontiac were installed in a candlelight ceremony at the annual banquet, Monday, in Bedell's.

Mrs. Vera Todd of Dearborn Heights, director of District III, Midwestern Region, installing officer, reviewed the service ideals of Soroptimism.

As a teacher in the Lost Decibels program at Willis School, Mrs. Marvin Edelson spoke of speech reading and the manual signs used in teaching the deaf.

"The parental attitude toward a deaf child is very important" she said. "The child absorbs the treatment he receives and thereby forms his own image. Parental love should not 'smother' him to the extent of making him too dependent."

Checks were presented to Mrs. Edelson for the Lost Decibels and Mrs. Arnold P. Hillerman for the Pontiac Youth Assistance program.

Mrs. Richard O. Paschke was general chairman and Mrs. Russell Perkins, mistress of ceremonies.

Among the guests were Arlin Lowe, past president, Soroptimist Club of Lincoln Park; also former members of the Pontiac club, Mrs. Kenneth Wright, now of St. Petersburg, Fla. and Mrs. Frank Anderson.

Others were Mrs. Effie McNaughton of South Bend, Ind. and Janet Duncan.

Area Writers Attend Class

Several area members of the Detroit Women Writers attended the first combined summer workshop today in the McGregor Memorial Building, Wayne State University.

Mrs. Joseph E. Smith Jr. will host the June 28 workshop in her home in Bloomfield Village.

Others will be July 12, in the Veterans' Memorial Building, Detroit; July 26 with Mrs. Michael Jones of Dearborn, and the closing session, Aug. 9 in the Pick-Fort Shelby Hotel, Detroit.

Hours for all meetings are 10 a.m. to 2:30 p.m.

Red-Blooded American Boy of 77 Needs Dose of Slow-Down Pills

By ABIGAIL VAN BUREN

DEAR ABBY: After living with an impulsive kisser for 50 years I have decided that kissing is for the birds. There is supposed to be a time and place for everything, but this big knucklehead of mine can't tell time, and the place doesn't make any difference to him.

ABBY

No matter what I'm doing, counting stitches, cooking, reading, or watching a tense situation on TV, this 77-year-old "kid" leaps at me and says, "I've got to have a kiss."

He has cut my lip, bent my bridgework and knocked off my glasses. There are times when I could cheerfully send him to Viet Nam. I am no beauty . . . Sign me . . .

"75 AND DUMPY"

DEAR "75": If there's anything they don't need in Viet Nam right now it's a 77-year-old red-blooded American "boy" who is kiss happy. It's your patriotic duty to keep him home. If you can't train him, tranquilize him.

★ ★ ★

DEAR ABBY: Our neighborhood has a "birthday club" for the gals. We meet once a month in the homes. This month I was to be on the receiving end.

Imagine my shock and hurt when I received, instead of a gift, "credit" for all the little penny ante items I had borrowed from a neighbor during the last year, but had not returned. The total of the borrowed items (one lemon, spool of thread, two eggs, etc.) was more than the price designated for the gift, according to her figures.

I feel she is petty, expecting such items to be returned. I would think she'd be insulted to be offered them. I am willing to forgo her gift, but don't you think she owes me an apology before the club?

HURT

DEAR HURT: No. Your neighbor, tasteless as she was, gave you something of inestimable value. A lesson. When you borrow something, be it a needle or a teaspoon of baking soda, pay it back.

Twins' Moms Elect Heads for Autumn

Mrs. Donald Hawes was elected president of the Twins' Mothers' Club of Oakland county at a recent meeting at Pontiac State Hospital.

Other newly elected officers are Mrs. Milton Porter, first vice president; Mrs. Harrie Quinn, Walled Lake, second vice president; Mrs. Gerald Moore, recording secretary; Mrs. Keith Cole, Commerce, treasurer; and Mrs. Ronald Tremblay, Berkley, coresponding secretary.

★ ★ ★

Mrs. Jerry Hockey, president of the Michigan Organization of Mothers' of Twins' Clubs and an Oakland chapter member, gave a brief resume of state-wide goals for the organization.

Reports were given by delegates to the recent convention in Dearbon.

The annual picnic was held Sunday at Marshbank Park.

Membership is open to all mothers or guardians of multiple birth children. Interested parties may call Mrs. Quinn of Palmoor Street.

Women Take New Offices

When Theta Sigma Phi, national honorary fraternity for women in journalism, meets Monday for installation and initiation, six area women will be involved.

Among the new officers are Mrs. Janet Odell, women's editor of The Pontiac Press, first vice president; Mrs. Lee Olsen, Oakland University, second vice president; and Mrs. Margaret DeGrace of Birmingham, recording secretary.

★ ★ ★

Among the new initiates are Mrs. John Bryant, Birmingham; Beverly A. Peck, Royal Oak; and Mrs. Jody Headlee, home editor, The Pontiac Press.

Margaret Hendrix, editorial associate for Writer's Digest, will speak on "The State of the Markets," following dinner at the Detroit Press Club.

What-to-Do When Cook Takes Bottle

By ELIZABETH L. POST

Another excellent pet peeve was received today and I hasten to publish it.

Dear Mrs. Post: This letter may sound funny now, but it didn't make me laugh at the time. I felt more like crying.

I had a dinner party a week ago, and I hired a woman who had worked for us before to come in to cook and wash up. I noticed a couple of times when I went to the kitchen that she wasn't there, but didn't think much about it.

★ ★ ★

While we were having dinner, I heard loud singing from that direction. After dinner we started to play some parlor games, and she came and stood and watched, giggling, and finally she made a remark about the "outlandish outfit" of one of the guests.

I realized that she had been drinking, but I didn't know what to do about it. She had been very satisfactory on other occasions, but I couldn't let her ruin the party by insulting my friends. What do you do in a situation like this? — M.W.

★ ★ ★

Details concerning the announcement of an engagement are described in the booklet, "Announcing the Engagement."

★ ★ ★

If you would like a copy, send 10 cents in coin and a stamped, self-addressed envelope to Elizabeth L. Post, in care of The Pontiac Press.

Some Get Quite Realistic

Fake Nudes Steal Show

By JEAN SPRAIN WILSON

NEW YORK (AP) — For girl-watchers the supper party held by the Shakespeare Festival Committee was a midsummer night's dream.

★ ★ ★

Although it was not quite summer, and really not that warm in the Plaza Hotel ballroom, rich and beautiful women usually on the best dressed lists were less dressed than usual Monday night.

★ ★ ★

The women on the mayor's committee for the festival, headed by Susan Stein, daughter of composer Jules Stein, and Amanda (Mrs. S. Carter) Burden Jr., decided to give femininity as much exposure as possible.

SEE THROUGHS

See through costumes over flesh-colored tights, the ones everybody once swore nobody would dare to wear, were the fashion order of the evening.

★ ★ ★

The pink curves of beauteous Gloria Steinem were clearly visible between the bands of chinchilla on her black sheer dress.

Gold lattice work cluttered the body view only slightly on Mimi Cushing's diaphanous tent dress. Silver embroidered lace was the eye distractor for Baroness Von Meyern Hohenberg.

Topsy Taylor wore white lace pajamas over seemingly nothing. Linda, Mrs. Montague Hackett posed for photographers in white silk harem pants with a plunging neckline that nearly severed the costume.

★ ★ ★

With her was Italian designer Marquis Emilio Pucci. Since he also made the rock 'n' roll band's dazzling blue shirts, they serenaded him with "Pucci Girl," and Emilio gyrated to the noise.

REAL THING

Instead of wearing a teaser see-through, actress Pamela Tiffin bared some of herself with a pink jeweled bra and a one-shoulder crepe toga that draped low to naked hipbone.

★ ★ ★

Countess Christina Paolozzi, who was ahead of her time with the nude vogue by posing semi-so for a fashion magazine a few years ago, was covered modestly from chin to chin in black and white geometric print Monday night.

★ ★ ★

A nonparticipant in the shape show was Gloria Vanderbilt, who sat quietly elegant in white long formal by her favorite designer, Mainbocher.

★ ★ ★

Also modestly on the sidelines was Anne Ford in a white short empire line dress, keeping company with a toy chow dog in a hand bag, and her attentive husband Gianni Uzielli.

★ ★ ★

Among the party's girl watchers were Henry Fonda with his pretty young wife at his side; Karim Kahn, the late Aga's brother; Sen. Jacob Javits, table-hopping; George Delacorte, who gave Central Park its theater for its Shakespearean productions; Larry Rivers, contemporary artist; Earl Blackwell, who made a career out of providing celebrities to glamorize occasions; and dozens of fashion designers.

★ ★ ★

Most of the stylists had created the socialites' nude-like costumes to make $100 a-person a reasonable price indeed for a few noodles, wine and music, considering the view.

INSPIRATION

Characters from the Bard's plays were inspirations for the dress designs.

★ ★ ★

The party was to have been the gala celebration of the first production in Central Park, "All's Well That Ends Well."

★ ★ ★

But nearly everyone there had been notified that the play was to be canceled. Actually, it did go on at the last minute to a handful of people in the dewy park.

Newlywed Mr. and Mrs. Terry Lee Brookens (Susan Diane Plassey) left for a northern honeymoon after Saturday vows and reception in the Lake Orion Methodist church. Parents are the Richard Plasseys, Hi-Crest Drive and Mr. and Mrs. Merle L. Brookens, Cardigan Drive. Her mother's wedding necklace of pearls from Japan highlighted the bride's gown of Rochelle lace over taffeta. Attendants at the rite performed by Rev. R. J. Hudgins were Phyllis Bird, Susie McMaken, Florence Burns, Maureen Espland; Dennis Wink, Rick Plassey, Donald McNutt and James Weaver.

Sally Ann Farnsworth became Mrs. Phillip Lee Scott before Rev. Lloyd Barger, Saturday, in the First Social Brethren Church. Reception followed in the Fisher Body Union Hall. Parents are the Clarence A. Farnsworths, Maines Avenue, Mrs. Billy R. Putnam, Cherrylawn Avenue, and the late Jackson G. Scott. Attending the bride, gowned in white organza, were her cousins Sandra, Betty and Barbara Farnsworth, with Jacqueline Scott. With Richard Strahan, best man, were ushers Stephen Scott, Gerald Miracle and Alan Scribner.

After recent vows and reception in the Marimont Baptist Church, the Robert Allen Smiths (Wilma Ann Lane) left for a Florida honeymoon. Their parents are the George E. Lanes of Maybee Road and the Louis Smiths, East Ann Arbor Avenue. Attending the bride who chose white chiffon over taffeta, were Mrs. Richard Reynolds of Dryden, Mrs. Michael Womack and Mrs. Joseph Spencer. With Richard Reynolds, best man, were Paul Smith and Douglas Inglemells. Rev. Philip Somers officiated.

A Makeshift Vise

DEAR POLLY — Today I was attempting to mend my little grandson's broken toy. I applied the glue to both pieces and then realized I needed a vise to hold them tightly together while the glue set.

Suddenly a bright idea hit me so I got out my meat grinder and used the part that fastens to the table as a vise. It worked perfectly. — PAT

DEAR POLLY — A piece of nylon net folded and slipped over the head of my sponge mop before fastening the sponge into the mop makes a great scrubber for the kitchen linoleum.

DEAR POLLY — And you mothers who have sick children. I have a few tried and true hints to keep a child happy when in bed. I have given mine a button box to keep him busy. He can make himself a button belt by sewing or pinning buttons on the wide soft pieces of elastic from old pajamas or underpants.

Also magazines and empty boxes are a wonderful combination. The boxes can be houses, garages, hospitals and are furnished with appropriate equipment clipped from magazines and pasted to the walls and floors.

Seaman, Wife Adopt Frisco for New Home

Seaman Appren. and Mrs. Charles Thomas Johnson (Marilyn Sue Swansey) left for northern Michigan and their future home in San Francisco after recent vows and reception in the Waterford Community Church.

Chantilly lace over white tissue taffeta fashioned a tiered gown and train for the daughter of the Kenneth D. Swanseys of West Yale Avenue.

Her veil was imported illusion and she carried white rosebuds, carnations and ivy.

Handy Holder

An ordinary shoebag is a handy holder for a lot of things besides shoes.

The National Cotton Council suggests you use sturdy, washable cotton shoebags to hold cleaning supplies, household tools, or toys.

You can make shoebags in attractive cotton prints or solids that will coordinate with the room's color scheme. The basic pattern for a shoebag is simply a rectangle of fabric. Attach rows of side-pleated pockets for holders. Cotton iron-tape can be used to make labels designating contents of each pocket.

Water-repellent vinyl-coated cotton is a good choice for a kitchen or bathroom shoebag. Use rugged denim or duck for bags that will hold tools or garden supplies.

POLICE GET BUM STEER — Chicago policemen head for safety yesterday as a footloose steer clears a fence. The steer, on way to the Union stockyards, broke loose and a number of Chicago police were diverted to get the animal back into the corral and off the streets of the Windy City.

Utility Workers Authorize Strike at Detroit Edison

DETROIT (AP) — Members of the Utility Workers union Monday rejected a new contract offer made by Detroit Edison Co. setting the stage for a midnight Wednesday strike of the giant utility firm.

The vote was 1,905 to 471, more than the three-fourths majority needed to authorize the strike. Union officials said 2,382 members of the 3,000-member union voted.

★ ★ ★

Local 223 President Robert Reynolds said he would contact state and federal labor mediators today to try and arrange a bargaining session in an effort to avert the walkout.

A Detroit Edison spokesman said before the election that a strike by utility workers would not interrupt service.

STILL ON STRIKE

Last week, some 750 overhead linemen, members of Local 17, International Brotherhood of Electrical Workers, walked out. They were still on strike today.

A strike by Local 223 would bring the number of striking employes to 3,750 out of a total work force of 9,500.

★ ★ ★

The company spokesman said supervisory personnel have already been pressed into service to repair damage caused by recent storms.

"Our chief problem will be in expanding existing service," the spokesman said. "we will make every effort to continue normal service to our present customers."

Crash Injuries Fatal

ST. JOSEPH (AP) — Anthony Ellis, 21, of Niles died Monday in St. Joseph Memorial Hospital from injuries suffered Saturday in a head-on collision with another auto in St. Joseph.

State Phone Rates Will Be Cut

LANSING (AP) — The Michigan Bell Telephone Co. will reduce rates $3.5 million for a variety of services, the Michigan Public Service Commission announced yesterday.

★ ★ ★

The commission has negotiated the rate cuts, which will be in force at the time of the July billing or be retroactive to July 1, said Chairman Peter Spivak.

They bring Bell's total rate decreases in the past two years to $21.5 million, he said.

Major cuts include:

● A decrease of 15 cents a month for extension phone for all flatrate residence customers, a saving of $1.35 million for 600,000 homes.

★ ★ ★

● Elimination of service connection charges on the installation of extension phones. Eliminating the $2.25 and $2.50 charge will save customers an estimated $112,000 a year.

● A reduction in the cost of voluntary suspension of phone service — saving about $18,400.

★ ★ ★

● A reduction of the charge for speech amplifier equipment for the hard of hearing from $1.25 to $1 per month, saving $28,500.

● Offering of a new "Call Pak" service, permitting customers to call up to 20 rate miles for a total of 60 minutes each month-for-one-time flat-rate charge.

★ ★ ★

"Studies indicate the average residence service customer now spends $3.20 per month on toll charges for calls within 20 miles," Spivak said. "It is anticipated subscription to this optional service will save 19,000 customers about $400,000 annually.

Detroiter Is Charged With Murder of Cousin

DETROIT (AP)—Mirko Smilkovich, 26, of Detroit was held for trial Monday on a charge of first degree murder in the killing of a cousin with whom he reportedly has quarreled for many years. The daughter of Juro Smilkovski, 41, of Dearborn, accused the defendant in court of shooting her father May 30 after refusing to shake hands and end an argument which began in Yugoslavia.

Hannah Answers Critic

EAST LANSING (UPI) — U.S. Civil Rights Commission Chairman John A. Hannah said yesterday the man who accused him of "morally indefensible actions" in a local civil rights case "doesn't know what he's talking about."

Hannah, president of Michigan State University, said no one asked him to support an antidiscrimination ordinance which was defeated in the East Lansing City Council last week.

James A. Harrison, editor of a state Democratic party publication, "The Michigan Democrat," made the attack on Hannah in a letter to President Johnson.

Harrison called on Johnson to dismiss Hannah from the civil rights post he has held under three presidents.

Hannah said, "No one asked me to appear before the council. If they had asked me to as a citizen, I would have done so. But it would have been inappropriate for me to take over."

GREETED BY CAMERAS — Jack Ruby is the target of photographers as he makes his way into court in Dallas, Tex., yesterday. Ruby was found to be sane by a jury which reported its findings in 10 minutes. Ruby calmly told the jury, "I never tried to make anyone believe that I was of unsound mind."

Ruby Case Seen Nearing Appeals Court

DALLAS, Tex. (AP)—The Jack Ruby murder case, plagued by legal complications and wrangles among defense lawyers, appears finally to be on its way to the Texas Court of Criminal Appeals.

★ ★ ★

Ruby's conviction and death sentence for the Nov. 24, 1963, killing of Lee Harvey Oswald has not yet technically progressed beyond the trial court level. Oswald was named by the Warren Commission as the assassin of President John F. Kennedy. Kennedy was shot Nov. 22, 1963.

OBSTACLE REMOVED

But one major obstacle to the movement of Ruby's trial was removed Monday when a Dallas District Court jury ruled that the 55-year-old former strip joint operator was legally sane.

The Texas Court of Criminal Appeals—the highest court in the state for noncivil cases—had indicated that it would not take up the appeal of the murder conviction until the sanity issue was settled.

★ ★ ★

Ruby was convicted of murder March 14, 1964, in the same court — Criminal District Court No. 3—that adjudged him sane.

The defense, claiming that Ruby was insane, had requested a sanity hearing a month after the conviction. It was repeatedly delayed for various reasons.

The Texas appeals court, ordered May 18 that Ruby's sanity be judicially determined without delay.

It took a seven-man five-woman jury only 10 minutes Monday to rule that Ruby was sane.

SOUGHT DELAY

The defense last Friday had asked that the sanity trial be put off. Reasons given were that such a proceeding at this time would violate Ruby's constitutional rights and would only serve to slow the appeal of the murder conviction.

But Judge Louis Holland denied formal motions to that effect Monday and the jury panel was selected and sworn in 42 minutes.

★ ★ ★

The state chose 12 jurors and put on five witnesses—four jailers and the jail doctor—to back up its contention that Ruby is of sound mind.

★ ★ ★

Ruby himself took the witness stand for one minute during the trial to say: "Never at any time have I tried to make anyone believe that I was of unsound mind. I never tried to camouflage my mental capacities."

Trial Ordered After 'Black Book' Probe

DETROIT (AP) — Two Detroit restaurant operators have been ordered to stand trial on grand jury charges of bribery and conspiracy to bribe police officers.

Recorder's Judge Vincent Brennan ruled Monday that Costas Colacasides, owner of the Grecian Gardens, and Peter Vitale, the night manager, must be tried on the charges.

★ ★ ★

Vitale was named in U.S. Senate testimony as a member of the Detroit Mafia, a criminal syndicate.

Colacasides and Vitale were arrested in a grand jury raid on the restaurant last January during which police seized a "black book" containing three documents listing names and telephone numbers. Some of the home phone numbers were those of police officers.

Both men were continued free on $5,000 bond each.

Files for Judgeship

DEARBORN (AP)—Municipal Judge George T. Martin has filed petitions as a candidate for one of three new Wayne County Circuit Court judgeships. Martin is president of the National Association of Municipal Judges.

KIDNAPING SUSPECT — Police at Fort Lauderdale take Morris Montford, a paroled convict, into custody after a high-speed chase. He was charged with kidnaping a businessman and ordering him to drive an escape car. Police said Montford told them he had been unable to get drugs. A tourist was shot prior to the alleged kidnaping.

Officials Hit Confession Ruling

WASHINGTON (AP) — Law enforcement officials fired a salvo of criticism today at the Supreme Court's new decision riveting down strict rules on the questioning of suspects.

The ruling by the high court Monday covers every police station and sheriff's office in the land.

★ ★ ★

"It's the damndest thing I ever heard off," said Police Chief Henry C. Ashley of Garland, Tex., when news of the ruling in four confession cases reached the Texas Police Association convention at Odessa. "We may as well close up shop."

What the court did in a 5-4 decision announced by Chief Justice Earl Warren was ruled out of bounds in trials all incriminating statements made by a suspect whose constitutional right against possible self-incrimination are not safeguarded by the police.

2 CAMPS

The ruling split the justices into two camps, and the dissenters fired angry words at the majority.

His face visibly flushed, Justice John M. Harlan accused Warren and the four justices who lined up with him of "a hazardous experiment at a time when the crime rate in this country is a problem of growing concern."

"The court is taking a real risk with society's welfare in imposing its new regime on the country," Harlan said in a dissenting opinion joined by Justices Potter Stewart and Byron R. White.

Then White, in a dissent joined by Harlan and Stewart, said "in some unknown number of cases the court's rule will return a killer, a rapist or other criminal to the streets and to the environment which produced him, to repeat his crime whenever it pleases him."

"As a consequence," the former deputy attorney general added, "there will not be a gain, but a loss, in human dignity."

The Supreme Court already has been on the receiving end of criticism from some quarters that it has not been as avid in protecting society in general as it has been in ensuring the rights of individuals in the grips of the law.

BYPRODUCT

Warren sought to dispel any notion that Tuesday's ruling will snag law enforcement officials. The decision, he said, "is not intended to hamper the traditional function of police officers investigating crime."

Still, an obvious byproduct of the decision is that confessions will have to meet a strict test of voluntariness to be of any use in court. This may mean police will have to put greater stress on investigations to solve crimes.

"We do not purport to find all confessions inadmissible," Warren said in his 61-page opinion. Confessions remain a proper element in law enforcement, he said, and any statement given freely and voluntarily "without any compelling influences" is admissible in evidence.

Yet, in Reno, Nev., Washoe County Sheriff C. W. Young declared: "It's getting to the point where we can't even use a confession if a person wants to confess."

Young and Reno Police Chief Elmer Briscoe said the high court already had hampered law enforcement and, Briscoe added, "This decision emphasizes it more."

'GREATLY HINDERED'

In Houston, Tex., Assistant Police Chief George Seber said police "will be greatly hindered in solving crimes where there have been no witnesses. You might as well burn up the books on the science of police interrogation."

The city's district attorney, Carol Vance, said the decision "certainly would appear to hamper the job the police have."

E. L. Giles, Fort Worth deputy police chief, said "it seems to me the courts are making it impossible for a person to plead guilty."

Illinois Primary in the Spotlight

WASHINGTON (AP)—With backing from some civil rights leaders, challengers are trying in the Illinois primary today to end the congressional careers of two veteran House members allied with the Chicago Democratic organization.

In South Carolina, a former governor, Ernest F. Hollings, is seeking to sideline Democratic Sen. Donald S. Russell.

★ ★

The top office nominally involved in the Illinois primary is that of picking a Republican candidate to run against Democratic Sen. Paul Douglas, who has no opposition for renomination.

But industrialist Charles H. Percy is regarded as such a certain winner of the GOP nomination against weak opposition that attention has centered on the Chicago contests for Democratic nominations to House seats.

ON DALEY TEAM

The congressional veterans confronted with challenges are Reps. Barratt O'Hara and William L. Dawson. Defeat for either would damage the prestige of Mayor Richard J. Daley's organization with which they are associated.

O'Hara, 84, was first elected to Congress in 1948. Dawson, 80, a Negro, is rounding out his 22nd year in the House.

Both incumbents are longtime advocates of civil rights legislation. So it has been particularly painful to them that some civil rights leaders have lined up with their opponents.

Dawson is opposed by Fred D. Hubbard, 36, a Negro social worker. O'Hara's opponent is Abner Mikva, 40, who as a state legislator has advocated open occupancy legislation.

SENATE NOMINEES

South Carolina Democrats are picking two Senate nominees in today's primary. In addition to the Russell-Hollings race, there is a contest between P. Bradley Morrah and John B. Culbertson, both Greenville attorneys, for the nomination to oppose Republican Sen. Strom Thurmond for a six-year Senate term.

★ ★

Russell and Hollings are seeking the nomination for the remaining two years of the term of the late Sen. Olin D. Johnston.

This spread is brand new.
It tastes exactly like peanut butter and bacon... but there's no bacon in it.

Until now, when you wanted a peanut butter and bacon sandwich you had to fry the bacon until it crisped, drain off the fat, blot up excess drippings with paper towels, crumble the bacon in a mixing bowl, and add a generous amount of Skippy® Peanut Butter. Then you got a large spoon and stirred until it was well mixed and reasonably easy to spread.

Skippy has changed all that. New Skippy Peanut Butter with Smoky Crisps has taken the work and the mess and the cleaning-up out of making a peanut butter and bacon sandwich.

New Skippy Peanut Butter with Smoky Crisps has all the crunch, crackle and old-fashioned smokehouse flavor of bacon. But instead of bacon, Skippy has created little crisps of vegetable protein with remarkably true bacon flavor. These, mixed with Skippy, make a tasty spread—perfect for snacks, canapes, and sandwiches, even on meatless days.

So, for all you people who like the *taste* of a bacon and Skippy sandwich, try them together in new Skippy Peanut Butter with Smoky Crisps.

Try some and Skippy will send you 25 cents in cash!

We're so sure you'll like the exciting taste of new Skippy Peanut Butter with Smoky Crisps that we'll send you 25 cents in cash for just buying a jar—any size!

Simply send the label from a jar of Skippy Peanut Butter with Smoky Crisps, and the coupon provided here to Skippy Smoky Crisps, Box 57A, Brooklyn, New York 11202. By return mail, Skippy will send you 25 cents in cash.

This offer is limited to one cash return per family.

Cold, Dark Period Starts for Surveyor

PASADENA, Calif. (AP) — Surveyor 1 begins two weeks of minus 250-degree cold and darkness today after the sun sets in the moon's Sea of Storms.

★ ★ ★

The moon robot, which has taken 9,000 pictures since landing on the moon June 1, will be without power for the period of darkness since its batteries are recharged by sunlight.

★ ★ ★

Scientists at the Jet Propulsion Laboratory here say they hope that when the sun rises again June 28, there will be enough power left in the batteries to start picture-taking again.

Ecorse Proposal

Teachers Nix Return to Jobs

DETROIT (AP) — A strike by Ecorse teachers entered its eighth day today after rejection of a proposal that they return to work while a new contract was being negotiated.

The Ecorse walkout is the last of a recent rash of teacher strikes in seven Detroit suburbs and Flint.

The back-to-work proposal was rejected Monday by about 180 of the 194 Ecorse teachers.

Negotiations between the Ecorse School Board and the Ecorse Federation of Teachers broke off Sunday when the teachers refused to discuss a two-year contract.

Meanwhile, a two-year contract for Livonia teachers won narrow approval Monday. The vote was 618-555.

Striking teachers went back to work Monday in Wayne and the Crestwood district of Dearborn Heights. Settlements were reached with school boards in those communities over the weekend. They covered some 800 teachers in Wayne and 200 in Crestwood.

International Starlet Has Familiar Name

By BOB THOMAS
AP Movie-Television Writer

HOLLYWOOD — "My father is Belgian, I was born in France, and now I live in Italy," says Catherine Spaak. "People don't know what I am."

Chances are, they will. The blonde, willowy actress may well be the next international star in the tradition of Gina Lollobrigida, Sophia Loren and Claudia Cardinale, all of whom are her friends.

THOMAS

Such are the hopes of Warner Bros., which has signed Miss Spaak for a film a year for five years, starting with "Hotel." She plays "the enigmatic French mistress of an unscrupulous businessman" (Kevin McCarthy) in the film version of the best-selling novel.

★ ★ ★

Does the name Spaak sound familiar? Uncle Paul-Henri was famous in an entirely different field: as premier and minister of foreign affairs for Belgium, first president of the General Assembly of the United Nations and secretary general of the North Atlantic Treaty Organization.

FILM CLASSICS

Catherine's father is Charles Spaak, auhor of the French film classics "Grand Illusion" and "Carnival in Flanders." But it wasn't papa's pull that landed her in films, she said.

"I started when I was 13, quite by accident," she related. "I had a friend who was going to try out for a role in a documentary film. I went along with her. At the end of the interview, the director said, 'I want you for the role,' meaning me."

★ ★ ★

End of friendship. Beginning of career.

Miss Spaak continued in French films through her teens, later switched to Italy, where she married Fabrizio Capucci and became the mother of a girl, now 3. The actress is now separated; an Italian millionaire is reportedly the current interest in her life.

KNOWN HERE

She is best known to American audiences by "The Empty Canvas," which was notable for a scene she played with Bette Davis. Miss Spaak was reclining in bed covered only by a few pieces of paper currency.

She remains clothed in "Hotel," and strikingly so: ace designer Edith Head created the outfits.

★ ★ ★

Miss Spaak, 21, arrived in this country scarcely able to string together a sentence in English. Now she can converse with ease. How did she learn so fast?

"I'm a genius," she said. "Also, the Beatles helped me."

The Beatles?

★ ★ ★

"Yes, I listen to their records, which I love. And I heard other records and listened to television and just studied how people talk. It wasn't difficult."

Report Tonight on Golf Course

Commissioners Focus on Pontiac Facility

City Commissioners tonight will take a look on paper at the city-owned golf course, its revenue, fee schedule, and needed improvements.

David Ewalt, superintendent of the Department of Parks and Recreation, is slated to present one of two reports.

Meantime, City Finance Director Marvin Alward is to present a five-year look outlining the expenditure - revenue aspects of the golf course.

In other business, City Engineer Joseph E. Neipling is to report on two street projects, proposed at a total cost of $51,980.

★ ★ ★

Neipling will present a proposal to rebuild the intersections of Osmun and Paddock and South Boulevard and Franklin Road.

Total cost of the improvements would be from the city's rebate on state gas and weight taxes. Thus, there would be no special assessments involved.

Several public hearings are also scheduled for tonight's meeting at 8 on proposed street paving projects.

Bosch's Fraud Charges Not Expected to Trigger Violence

SANTO DOMINGO, Dominican Republic (AP) — Dominican security forces were on the alert today for the anniversary of the Castroite 14th of June Movement, but Juan Bosch's charge of election fraud was not expected to provoke major violence from his supporters.

* * *

Political observers believe that Bosch chose to concede his loss in the June 1 presidential election on the day before the anniversary to remove one possible source of friction that left-wing extremists could utilize to exploit the still-fevered political scene.

WANT REJECTION

Radicals in Bosch's Dominican Revolutionary party wanted a general rejection of the election on grounds of fraud although more than 70 election watchers sent by the Organization of American States agreed that they saw no evidence of fraud or coercion. Some of the observers, including U. S. Socialist Norman Thomas, were openly pro-Bosch.

* * *

Other foreign observers attributed Bosch's defeat by conservative Joaquin Balaguer to the basic conservatism of the Dominican peasants, their weariness of the violence resulting from the pro-Bosch revolution last April, and Bosch's refusal to leave his guarded home in Santo Domingo to campaign.

MARKS INVASION

The anniversary today marks an abortive invasion launched from Cuba seven years ago against dictator Rafael Leonidas Trujillo. The movement which took the date from its name was once mildly left but Communists took it over in 1962.

Although Bosch in his statement Monday attributed his defeat to "fraud and coercion" and fired one brief but bristling volley at American intervention, he said irregularities he cited could not change the final result. And though he rejected Balaguer's invitation to join him in a coalition government, he stressed that his party now would become a "creative, democratic" opposition working for the country's welfare.

All this appeared designed to take much of the heat out of charges which Bosch had to make to satisfy his more militant supporters and protect himself from the charge that he had "sold out to the Yankees."

Balaguer, leader of the Reformist party, defeated Bosch 766,137 votes to 525,529. He will be inaugurated as the country's 70th chief of state July 1 for a four-year term.

There was no immediate reaction to Bosch's statement from Balaguer, who is resting at the Jarabacoa Mountain resort after losing 29 of his 160 pounds during the campaign.

Tigers Trade Don Demeter to Red Sox for Pitcher Wilson

Right-Hander Is Added to Mound Staff

New Bengals' Starter Owns 5-5 Record in 15 Games to Date

DETROIT (AP)—The Detroit Tigers today traded outfielder Don Demeter to the Boston Red Sox for right-handed pitcher Earl Wilson.

★ ★ ★

In addition, Boston assigned outfielder Joe Christopher to the Tigers' Triple-A farm club at Syracuse. Detroit will assign a player later to Boston's minor league team in Toronto.

Tiger spokesmen said the trades involved no money.

SAME AGE

Both players are 30-years-old.

Red Sox vice president Haywood Sullivan said "although we regret giving up Earl Wilson, we think we have obtained a great outfielder in Demeter, who has always hit well in Fenway Park.

We believe Rollie Sheldon, obtained Monday night from Kansas City will fill Wilson's place in our starting rotation."

Wilson, 30, had a 5-5 record with the Sox in 16 games this year. Christopher, used almost entirely as a pinch hitter, had only one hit in 13 appearances.

Wilson is expected to report to the Tigers tonight for the game with Washington in Detroit.

FIVE HOMERS

Demeter, 30, also played first and third base in his career. In 32 games with Detroit this year, he batted .212 and had five home runs and 12 RBIs.

He will report to Boston Wednesday.

The trade announced in Boston came in the wake of a six-player swap with Kansas City Monday night.

Wilson is the second front-line pitcher traded to Detroit within a year. Right-hander Bill Monboquette went to the Tigers last year.

Cliff Richey Leads U.S. Tennis Field

LONDON (UPI) — Cliff Richey of Dallas, seeking his second straight international victory, led a contingent of nine Americans into today's second round of the London lawn tennis championships.

The Texas schoolboy opened his bid Monday with a 7-5, 6-8, 6-4, first round triumph over Daniel Content of France in this final prep before the all-England championships at Wimbledon on June 20.

Dennis Ralston of Bakersfield, Calif., whom observers say is playing below his best form, defeated Osamu Ishiguro of Japan 6-3, 7-5 and fellow Davis Cupper Marty Riessen of Evanston, Ill., stopped Clay Iles of England 6-4, 4-6, 6-3 in opening matches.

Safe Landing at 19th Hole

BELLE MEAD, N. J. (AP) — When Dick Burdick of East Brunswick, N.J., an airline captain, plunked a five-iron into a par-three 183-yard hole Sunday at the Pike Brook Country Club he was worried because he didn't have hole-in-one insurance to cover the drinks.

Burdick didn't have to worry long. Les Cronk of Bound Brook, N.J., playing in the next foursome, followed with another hole-in-one on the same hole. Cronk used a No. 4 iron.

The drinks were on Cronk.

British Open Champ Out of USGA Field

SAN FRANCISCO (AP)—Peter Thomson, five-time British Open champion from Melbourne, Australia, withdrew from the U. S. Open Golf Tournament Monday because of an injured hand.

Thomson cabled U. S. Golf Association officials from London that he would be unable to compete in the event, starting Thursday at the Olympic Country Club.

Tiger Assist for Sandlot Ballplayers

The Detroit Tigers will join the Detroit Amateur Baseball Federation in conducting two baseball clinics for boys on local sandlots the last two Saturdays of the month.

★ ★ ★

The first will be held at Butzel Field, located at Lyndon and Meyers, Saturday and the second at Manz Field, Mack and Connor, June 25.

All boys, their parents and friends are invited to attend the clinics.

51 Publinxers Added to Qualifying Round

In a pre-qualifying round to determine the field of 101 who will go into the USGA Publinx sectional qualifying round next Monday at Burroughs Golf Club in Brighton, a total of 51 players made the cutoff yesterday at Fox Hills Golf Club.

The 51 Publinx golfers will join another 50 seeded players at Burroughs to vie for nine spots in the U. S. Public Links championship at Milwaukee, July 11-16.

Fred King of Salem Hills Golf Club and James Walker of Detroit shared medal honors when each posted 35-37—72.

One stroke behind was Timo Kelpelainen of Detroit with 36-37—73.

The cutoff of players was at 79.

★ ★ ★

One player who failed to make the cut, but stole the show with a hole-in-one was Ted Jawor, Jr.

Jawor used a 4-wood and aced the 221 yard 12th hole. It was the first hole-in-one on the hole at Fox Hills since 1927. He finished with a 38-42—80.

No Positions Specified in All-Star Vote

NEW YORK (UPI) — Minnesota's Tony Oliva and Baltimore's Frank Robinson will both be able to make the American League All-Star first team this season—thanks to a last-minute change of the voting rules announced Monday by Commissioner William D. Eckert.

Eckert announced that in the balloting for the July 12 classic in St. Louis, players will be asked to vote for three outfielders, regardless of position.

★ ★ ★

Previously they had voted for the one they thought best at each of the three outfield positions.

Since Oliva and Robinson, the top two hitters in the American League, both play right field, one of them would have failed to make the first team if the voting had followed the old procedure.

Eckert also announced the second change that deals with coaches. Managers of the opposing All-Star teams will have to name the managers of the second and third place teams last as their coaches.

OWN CHOICES

In the past, All-Star managers made their own choices, usually taking their own coaches.

Minnesota Manager Sam Mele, who will direct the American League All-Stars, will have to choose between the thrid and fourth place managers to fill his coaching ranks since Al Lopez, who piloted the Chicago White Sox to second place has retired.

The manager of last year's fourth place team, Charley Dressen, is recuperating from a heart attack and Bob Swift is handling the Tigers in his absence.

Gary Player Lacks Desire

SAN FRANCISCO (AP)—Gary Player is a subdued, slightly fretful little warrior as he prepares for defense of his U.S. Open Golf title, the sharp edge of his desire dulled by his fantastic successes in 1965.

★ ★ ★

"I just haven't been playing enough golf," the black-clad little South African said Monday after a practice round over the tight, tough Olympic Country Club.

"No, I don't have the desire," he admitted. "Certainly not the desire I had last year. Last year I wanted it so badly. I was so keyed up—more so than I have ever been in my life.

DESIRE MISSING

"Now, this year, it's all different. I have achieved my ambition. The desire isn't there, certainly isn't so intense.

★ ★ ★

"I'm not playing well. But that's because I'm not playing enough. There are so many other things I have to do now. There was this department store tour. Five cities in five days. Try that some time.

★ ★ ★

"It's just that I'm not getting enough golf. I haven't played a tournament since the Memphis Open. That hurts the desire, too. The more you play, the more you want to win. The less you play, the less you care."

★ ★ ★

Player's victory in the Open last year made him the third man in history to win golf's big four — the Open, the Masters, the British Open and the PGA. The others were Gene Sarazen and Ben Hogan. Player also copped the Australian Open, the World Series of Golf, and the Canada Cup—both team and individual—for one of the most spectacular showings in years.

He played his fourth round over hilly, tree-lined, 6,727-yard Olympic Club course Monday and was far from satisfied.

★ ★ ★

"I really don't know what's wrong," he said. "But I'm playing very poorly."

None of the other top choices in the 151-man field would admit to good rounds, either.

Three Down—but, Oh, That Last One Hole

YOUNGSTOWN, Ohio (AP) — The par 71 Hubbard Golf Course has four par-three holes on it, and all but one gave up an ace to different golfers Monday.

Anthony Popio of Youngstown fired a hole-in-one on the 165-yard sixth hole, Phil McKee of Youngstown did it on the 135-yard 16th hole, and Phil Uhlin, Poland, Ohio, got his on the 135-yard third hole.

Joe Vitullo, club pro, headed for the 14th green — the only remaining par three hole — and said he was going to try to make it a grand slam.

Vitullo was still swinging at last report.

Veep to Meet 5-Man Board of AAU-NCAA

NEW YORK (AP) — The five-man arbitration board appointed by Vice President Hubert Humphrey meets here Wednesday and hopes to resolve the latest flareup between the Amateur Athletic Union and the National Collegiate Athletic Association.

★ ★ ★

The latest fuss between the AAU and the NCAA erupted last Thursday on the eve of the NCAA-backed U.S. Track and Field Federation national meet at Terre Haute, Ind.

★ ★ ★

Clifford Buck, president of the AAU, declared that unless the USTFF applied for an AAU sanction the athletes competing at Terre Haute would become ineligible for the AAU national championships in New York June 25-26. The AAU championships serve as the basis of qualification of the United States team that will oppose Russia in a dual meet at Los Angeles July 23-24.

PISTONS' PICK — The No. 1 draft choice of the Detroit Pistons, Syracuse's Dave Bing, signed a one-year contract with the team Monday. Bing was the nation's fifth leading major college scorer last winter and the 6-3 versatile performer will be worked into the Pistons' backcourt.

No Three-Minute Mile

Says Trackmen Near Limits

HANNOVER, Germany (AP) — Human ability to perform record feats in track events is reaching its outer limits, a leading German sports physician said Monday.

Dr. Herbert Reindell, president of the 16th World Congress for Sports Medicine, said he did not expect anyone ever would run a three-minute mile.

The present world record, held by France's Michael Jazy, is 3:53.60.

He did predict some slight improvements in current records and a broadening of the field of athletes able to reach standing records.

Reindell, a member of the medical faculty at Freiburg University and a heart specialist, told newsmen that the record-breaking trend of recent years was brought about by improvements in training techniques.

MAXIMUMS

These techniques, he said, have enabled athletes to reach their maximum capabilities, which would have been impossible under old, unimaginative methods.

But, Reindell added, the point is being reached where training techniques will not be able to overcome human biological limitations.

★ ★ ★

Better track design, he said, may lead to some improvements in performances, "but by present standards the improvement will not be considerable."

Reindell also said he doubted that medical science ever would be able to devise ways for athletes to overcome their physical limitations.

State Seniors Tee Off Today

A field of 310 Michigan Senior golfers teed off today at two Jackson golf courses in the 36th annual spring championship covering 36 holes.

Six divisions ranging at ages from 55 to 84 will tour Arbor Hills Country Club and the Country Club of Jackson today and Wednesday.

The annual Seniors' spring banquet is also being held tonight at Arbor Hills.

Leading players in the field are Joel Shepherd, a 2-handicap golfer from Kalamazoo Country Club and George Haggerty, veteran Detroit national senior golfer from Country Club of Detroit with a handicap of five.

John Hanson of Detroit Golf Club and Lew Smead of Oakland Hills are 6-handicap golfers, and among the 7-stroke handicap players are Lou Batterson of Washtenaw, C. B. Harman of Orchard Lake, Doug King of Barton Hills, George Wilson of Red Run, John O'Brien of Plum Hollow, and R. O. Artner of Lochmoor.

Among area low handicap senior golfers in the tournament are Pine Lake golfers F. W. Wright, V. C. Abbott, Harold Cregar and P. H. Pope; Edward Marley, Chester Cahn, Orra Crego, Jesse Judd, William Daniels, Marvin Morris, Fred Rollins, John McCurry, Clarence Kramer, Edward Sampson, Lou McGowan and Cliff Rugg, all of Oakland Hills.

OTHER AREA ENTRIES

From Bloomfield Hills Country Club entries include D. Lyle Fife, Paul Ackerman, Howard Giles, C. H. Whitelaw, J. E. Wellman, Austin Harmon, Kenneth Reames and Samuel Lang.

James Milford, Arthur Wittlifi, Floyd Heineman and George Westlake are Indianwood entries, while Alvin Shankster and L. B. Stevens Jr. hail from Forest Lake.

Neil Marshal Sr., Walter Bihler, Dr. Frank Lovell and Fred Missal are from Birmingham CC, with senior golfers from Orchard Lake, Dwight L. Dickinson, A. O. Thalacker, Taylor Paisley, Reilly Bird, Elmer Sylvester, Kenneth Herman, C. B. Harman, Fred Broock, Edward Proctor, Burt Shurly Jr., Robert Leland and Martin Archangeli.

Trusty Putter Aids Medalist

FORT SMITH, Ark. (AP) — A trusty putter, strong play off the tees and three practice rounds over a tough course have paid off for Mrs. Donna Gilliam of Whittier, Calif.

The wife of a Pasadena golf pro needed only 25 putts Monday while shooting a 71 to take medalist honors in the 36th annual Trans-Mississippi Women's Golf Tournament.

She led the top 32 scorers into today's first round of match play in the championship flight, meeting Dorothy Germain of Blytheville, Ark.

Joyce Kazmierski of Detroit fired a 38-41—79 and Patti Shook of Saginaw had 42-39—81.

10 Hockey Stars for Hall-of-Fame

MONTREAL (AP) — Ten new members will be inducted into hockey's Hall of Fame Aug. 27.

Frank Selke, chairman of the selection committee, released the names of nine players and one builder who will be honored by induction to the shrine this summer.

Clarence Campbell, in his 20th year as president of the NHL, was the only new member named in the builder's category.

The players named were goaltender Frankie Brimsek, defensemen Bage Pratt, Kenny Reardon and Butch Bouchard and forwards Ted Kennedy, Max Bentley, Elmer Lach, Hector (Toe) Blake and Ted Lindsay.

Orchard Lake Aide Wins Best Ball Event

Orchard Lake assistant pro Dick Brooks and member Bob Wattrick fired a best-ball 61 to win the weekly pro-am golf event at Monroe Golf Club yesterday.

Brooks also teammed with Dick Ernst with a 63 for second place.

Tom Deaton, assistant at CC of Detroit and John Grace followed with a 64.

STORM CENTER — 'Diamond' Jim Gentile, former star slugging first baseman, was described as a bad influence on the Houston Astros Monday when manager Grady Hatton sent Gentile to Oklahoma City of the Pacific Coast League. But Gentile, who drew a five-day suspension from National League president Warren Giles for a bat-throwing incident Sunday, says he may quit baseball.

Buckeye Mound Ace Tests Southern Cal

OMAHA, Neb. (AP) — Ohio State Coach Marty Karow gambled and won, saving ace pitcher Steve Arlin for the starting job against Southern California tonight in an early showdown involving the nation's two top teams at the 20th NCAA basball tournament.

Arlin pitched to the last three batters in wrapping up Ohio State's 4-2 first-round victory over Oklahoma State. The big right-hander with a 9-1 record and 103 strikeouts in 83 1-3 innings will start for the second-ranked Big Ten champs against Top-ranked USC, however.

BIG SOPH

Mike Swain, a big sophomore, turned in a five-hit 11 strikeout job for Karow.

Southern Cal, 6-2 winner over North Carolina behind John Stewart, will start either lefty John Herbst, 11-3, or right-hander Ray Lamb, 8-5.

Ohio State stands 23-5 and has 18 straight games without a loss, only a scoreless tie marring the record since its last defeat April 2. USC, 43-7 against college foes, has won 12 straight since its last defeat April 26.

Jim Northrup Keys 4-3 Win Over Senators

Wickersham Whiffs 11; Bullpen Saves His Third Conquest

DETROIT (AP) — Heads-up base running by Jim Northrup and a season-high strikeout performance from the least likely source — Dave Wickersham—kept the Tigers in the thick of the pennant race Monday night.

Northrup hesitated, then continued on to third on Bill Freehan's single in the eighth inning and scored the winning run on Gates Brown's sacrifice fly in a 4-3 triumph over the Washington Senators.

★ ★ ★

Wickersham, who upped his record to 3-0, was the most surprised person in the clubhouse when informed that his 11 strikeouts in the eight innings he worked were the most for a Tiger hurler this year.

Northrup said wet grass and the fact that Washington left fielder Frank Howard does not have a strong throwing arm prompted him to continue on to third in the eighth.

"I stopped for a while to see where the ball was, and when I saw it was in front of him I felt I could beat his throw," Northrup explained.

★ ★ ★

Brown's run-scoring fly was not deep, but again the Senators were hampered by Howard's weak arm.

"You can run on a guy like Howard," acting Manager Bob Swift said. "But it takes a smart player to take advantage of a known weakness."

★ ★ ★

The game was delayed for 24 minutes by rain in the Washington ninth. When play resumed, Doug Camilli singled and Don Lock, whose pinch two-run homer in the seventh tied the score, was hit by an Orlando Pena pitch.

Johnny Podres came on to retire the last batter.

Wickersham's double in the third inning scored Ray Oyler with the first Detroit run and the Tigers added two more in the fifth on a single by Oyler, a sacrifice and singles by Dick McAuliffe and Norm Cash.

★ ★ ★

The Senators, who have lost eight straight games, got a solo homer in the sixth inning from Don Blasingame.

Astros Oust Dodgers From Top Spot

By The Associated Press

The Houston Astors knocked Los Angeles out of first place in the tight National League race with a 9-6 victory over the Dodgers in 11 innings Monday night. San Francisco took over the top rung with an 8-0 shutout over the Chicago Cubs.

Joe Morgan's two-run triple followed by Sonny Jackson's single gave the Astors their winning margin in the 11th.

Gaylord Perry hurled seven innings of shutout ball and Lindy McDaniel finished up as San Francisco blanked the Cubs.

Willie McCovey homered for the Giants.

St. Louis and New York split a doubleheader, the Mets winning the opener 5-2 on Bob Shaw's five-hitter and the Cardinals taking the second game 4-1.

The Mets got a three-run homer from Bob Taylor and a solo from Billy Murphy for the opening game triumph. Lou Brock had three hits as the Cards gained the split.

Los Angeles lost a 4-1 lead when the Astors erupted for six runs in the eighth inning, but Tommy Davis homered in the bottom of the eighth for the Dodgers, and they tied it in the ninth on Willie Davis' run-scoring single.

★ ★ ★

Don Sutton blanked Houston on three hits through seven innings, then ran into trouble. He walked Bob Aspromonte, and John Bateman followed with a smash off Sutton's right forearm for a single.

★ ★ ★

Ron Perranoski replaced Sutton, and pinch hitter Felix Mantilla homered. Singles by Morgan, Jackson and Jim Wynn tied the game 4-4, Dave Nicholson's sacrifice fly put Houston ahead and Aspromonte drove in another run with a single.

WELCOME TO NEW ORIOLE — Veteran pitcher Stu Miller (left) helps new reliefer Eddie Fisher, obtained from the Chicago White Sox in exchange for infielder Jerry Adair, with his Baltimore Orioles hat. The two teams made the deal Monday.

Teamsters' 9 Has Share of Lead in 'A' League

A veteran making a comeback and a newcomer in his first league game carried Teamsters 614 to a share of the city men's baseball loop lead last night at Jaycee Park.

★ ★ ★

Don Sackett, once the Class A circuit's premier pitcher, tossed a four-hitter and Dave Gottschalk, a transfer from the Detroit Class A league, drove in two runs as the union squad nudged Booth Homes, 3-1, for its fourth straight victory.

The triumph ties the Teamsters with the R. T. Clippers and the two will have a first-place showdown under the lights Saturday night.

Sackett whiffed 11 batters and walked only one. He was touched for an unearned run in the fourth inning on an error, stolen base and John Kaspar's single. Kaspar had two singles off Sackett.

Gottschalk promptly tied it with a two-out single in the last of the frame following an error. It remained 1-1 until the sixth.

Sackett led off with a single against Bob Readler (who allowed only four singles and one earned run). A force out an infield out followed before Readler permitted his only walk.

Gottschalk then singled in the tie-breaking run and an insurance marker followed when the center fielder mishandled the ball.

Winless Talbott Lumber and Evans Equipment meet at 8 p.m. today with a share of sixth place at stake.

Church Leader Rallies to Win

Judah Lake Baptist had to wait until the last of the seventh to put down a strong challenge from winless Donelson Baptist last night.

★ ★ ★

The Waterford Township Men's Church Softball League leader squeaked out a 9-8 win with a three-run rally. Ron Chaffee, the winning hurler, had a three-run double earlier.

Crescent Lake Reorganized Latter Day Saints' 12-4 upset of Christ Lutheran was paced by Bill Curtis' 5 RBIs on a homer and a triple, and Wayne Jenks' pitching.

GETS WISH—The Philadelphia Phillies sent 'Bo' Belinsky to San Diego of the Pacific Coast League on 24-hour recall Monday, fulfilling the infrequently used southpaw's desire to be traded or farmed out.

Atlanta Pilot Given Proof for His Theory

PHILADELPHIA (AP) — One night last April Bobby Bragan stood behind the batting cage before a game against the Philadelphia Phillies and observed: "That John Quinn never sits still."

Bragan, the manager of the Atlanta Braves, had just heard about the deal in which the Phillies obtained pitchers Bob Buhl and Larry Jackson from the Chicago Cubs for three players.

"That might just give them the pennant," Bragan mumbled.

Monday night, those words came back to haunt Bragan as his Braves bumped against the Phillies in an twi-night doubleheader. The Phillies won both games, 6-2 and 6-4

The winning pitchers: Jackson and Buhl.

Quinn, the Phillies' general manager, sat in his private box looking like the cat who ate the canary.

AGED STAFF

He has been accused of starting a home for aged with Jackson, 35; Buhl, 37; Ray Herbert, 36, and just Sunday added Ed Roebuck, 37. Jim Bunning is a lively 34.

★ ★ ★

Looking at the standings which show the Phillies in the thick of the National League pennant race, Quinn is quite happy with his aged pitchers.

Jackson, who has been sidelined with a muscle pull in his right leg since May 29, made his first start since May 27, and hurled his third straight complete game victory.

The right-hander didn't allow a hit for 5⅓ innings, and gave up two runs in the seventh after the Phillies posted a 6-0 lead.

Clay Dalrymple led the first game attack on four Braves' pitchers, including starter and loser Tony Cloninger. He slammed a home run and single good for three runs. Cloninger last 2⅓ innings and now is 5-7.

Buhl tamed Atlanta for 8⅓ innings. He needed help from Roger Craig and Terry Fox for his second victory against four losses.

In the second game, another unlikely hitting hero emerged for the Phillies, who have won 15 of their last 21 games. Jackie Brandt socked a home run and triple to trigger the 6-4 triumph over Wade Blasingame.

Pirates' Clemente Filling Gap

By The Associated Press

Now that National League pitchers have turned Donn Clendenon's power off, they've turned Roberto Clemente's on.

It's proved a shocking experience for them.

Billy McCool was the latest victim of the Clemente explosion as the Pittsburgh star lashed a three-run homer that gave the Pirates a 5-4 victory over Cincinnati Monday night.

The homer was the ninth for the flashy right fielder this season, just one short of his total last year, and the runs batted in gave him 36 for the season, fifth best in the league and more than half as many as the 65 he had in 1965.

POWER SURGE

Why the sudden power surge for Clemente who has built three batting championships on hits that stay inside the park?

"Clendenon isn't like he was last year," the 31-year-old Puerto Rican explained after helping the Reds to their 14th loss in 18 games. "If he comes back again, I'll start punching the ball again. But I've been taking a good cut and swinging hard."

★ ★ ★

Clendenon was the Pirates' second leading slugger last year but has gotten off to a slow start with only four homers and 22 runs driven in.

Clemente, meanwhile, is headed for his best slugging year. In 11 major league seasons he's averaged 11 homers and 66 rbi while batting .309.

★ ★ ★

His latest effort was a dramatic performance. McCool had just relieved starter Joey Jay in the eighth inning, coming on with two men aboard and the Reds leading 4-2.

ORIOLE IN FLIGHT — Baltimore's Luis Aparicio (top) leaps above the New York Yankees' sliding Bobby Richardson to complete double play during the Orioles' 8-0 victory last night. Roger Maris grounded to second baseman Dave Johnson to initiate play.

Orioles Pound Yankees

Another 'New Year' Looms

BALTIMORE (AP) — Back in 1958 when the Baltimore Orioles were leading the New York Yankees in a pre-game home run hitting contest, Baltimore shortstop Willie Miranda yelled from the Orioles dugout:

"It's a new year, you blankety-blank Yankees."

The wisecrack got a good laugh, but it really wasn't a new year for Yankee opponents.

The Yanks were still the Bronx Bombers in 1958, winning their fourth consecutive American League pennant. And after a third-place finish in 1959, they reeled off five more league titles in a row.

END OF ERA

But New York slumped to a sixth-place finish last season, and is currently seventh with a 24-29 record. It is indeed a new year, and perhaps the end of an era.

Since the start of last season, the Orioles hold an 18-6 edge over New York in head-to-head competition. But even when the Yanks were champs, the Orioles didn't succumb easily. Dating back to the start of the 1959 season, Baltimore has a 76-64 edge.

★ ★ ★

Baltimore walloped New York 8-0 Monday night in what used to be called typical Yankee fashion. The Orioles got the long ball, good pitching and defense, and took advantage of enemy errors.

The Robinson boys, Frank and Brooks, supplied the long ball. Frank hit a three-run homer off loser Al Downing in the third inning and Brooks connected with one runner aboard in the seventh off Pedro Ramos.

Jim Palmer and Eddie Watt stopped the Yanks on three hits.

New York made three errors, with a three-base throwing error by Downing in the sixth providing Baltimore with two unearned runs.

Mexicans Take Lead in Caribbean Events

SAN JUAN (AP) — Mexico snatched the lead from Puerto Rico in the Central American and Caribbean Games by winning two out of three events at the Olympic Pool Monday night.

Puerto Rico made a clean sweep of the third event. However, this was not enough to prevent the Mexicans from going into first place with 33 points to Puerto Rico's 31 in the unofficial tally of total points.

3-METER DIVING

Berta Baraldi of Mexico won the three meter diving competition and took the fifth gold medal for her country so far in the two days of competition. Another Mexican girl, Dora Hernandez, was second, and a Colombian, Marta Manzon, third.

★ ★ ★

Guillermo Echevarria of Mexico had previously won the men's 1500 meter free style event in a record 17:15.3. He was followed by two Colombians, Julio Arango and Juan Alanis, who gave their country its first silver and bronze medals.

In the other event at the Olympic Pool the Puerto Rican girls made a clean sweep of the 400 meters medley. Margie Harding took first place, Tina Moir second and Anne Lallande third.

In other events Monday night, Venezuela defeated the powerful Cuban baseball team 1-0, dashing the Cubans' hopes of winning the baseball title undefeated.

The unofficial tally at the end of the day was Mexico 33 points, Puerto Rico 31, Venezuela 15, Colombia 10, and Trinidad 3.

Golf Champ Won't Defend Women's Title

SPRING LAKE (AP) — The 45th running of the Spring Lake Women's Open Golf Tournament begins June 20 without its defending champion in the field.

Sharon Miller, 25, coach of the Boys' golf team at Pennfield High School in Battle Creek where she is a physical education instructor, decided last week to join the professional golfing ranks. She's shooting first for the Milwaukee open.

★ ★ ★

Miss Miller, twice Michigan women's amateur champion, won the Spring Lake crown last year with a 1-up victory in 19 holes over Sharon Wilder.

The runner-up, a physical education instructor for girls at Grand Rapids West Catholic High School, was Spring Lake champion in 1964. She has signed for the 1966 competition.

The tournament, oldest established golf event in Michigan for women, expects approximately 70 entries. The championship flight will include some 16 players.

★ ★ ★

Qualifying rounds are set June 20. The first round of match play begins June 21 and continues through the finals June 23.

Minnie Rojas' Pitch Teases AL Batters

By The Associated Press

Minnie Rojas' "come out and get it" pitch has American League hitters biting off more then they can chew.

The rookie California pitcher, who has been accused of showing up Stu Miller as a speed-merchant, blanked Chicago for six innings Monday night as the Angels salvaged a doubleheader split by edging the White Sox 2-1.

Rojas has started two games and won both since his call-up from the Angels' Seattle farm club last month while compiling a sharp 1.35 earned run average in seven appearance over-all. He also has alienated opposing hitters with his teasing delivery.

The White Sox, who had won the rain-delayed first game 5-1, reached Rojas for only four hits.

Bob Lee then replaced Rojas and got out of the jam when left fielder Willie Smith grabbed John Romano's liner and doubled Adair at the plate with a rifle throw.

SPLIT TWIN BILL

Minnesota divided a twi-night twin bill with Kansas City, losing 5-2 and then winning 6-1.

Red Sox, A's Swing Deal at Deadline

BOSTON (AP) — The lowly Boston Red Sox and the Kansas City Athletics, striving to trade their way up in the American League standings, have completed a six-player swap which involved an outfielder and two pitchers from each team.

★ ★ ★

The Red Sox, seeking a starting pitcher, acquired right-hander Rollie Sheldon, relief pitcher John Wyatt and outfielder Jose Tartabull in Monday night's trade which came just 48 hours before the Wednesday midnight trading deadline.

RELIEF PITCHERS

The Athletics received outfielder Jim Gosger and a pair of relief pitchers—Ken Sanders, who was drafted from Kansas City last winter, and Guido Grilli, a left-hander who boasts a 3-0 record with Boston's Toronto farm team in the International League.

Elementary Champs Slated for Decision

The Waterford Township Elementary School softball boys' title will be decided at 5 p.m. tomorrow when Grayson and Monteith play the last of their three-game series.

Jayno Adams won the girls' title in two games by nipping Stringham, 9-8, Saturday in a 10-inning contest. Grayson, meanwhile, squared the boys' series with a 14-3 romp the same evening.

City Leaders Triumph

Spencer Floor Covering and Motorcar Transport remained atop the city American League and National League men's softball standings with victories last night.

Motorcar nipped Idletime Bar in a battle for the NL lead when Paul Davis' two-out single in the ninth produced a 3-2 victory for Gary Achenbach who outdueled Charlie Johnson at Northside Park.

The nightcap saw Local 653 square its record with a 15-5 four-inning rout of Ray White's team.

At Beaudette, Spencer's trimmed Bob-Ken's Bar, 8-3, after L&S Standard outhit Timberlanes Lounge, 5-2, to tie for second in the NL.

Achenbach held Idletime Bar scoreless after the first inning. He rapped a triple and scored the tying run in the seventh on Bob Wilson's sacrifice fly. Les Smith's triple plated the first Motorcar run.

Wildness helped Local 653 to 13 runs in the first two innings. Dan Sefa of L&S and Timberlanes' Rich Meager each rapped inside-the-park homers but the loungemen could only muster three other hits off Burley Monday.

Spencer's boosted its mark to 6-1 in the AL as Jim Long homered, doubled and singled to account for four runs. Earl McKee had his second round tripp in two days for Bob-Ken's.

Opening lead—♦ Q

By JACOBY & SON

According to Gen. Jeb Stuart the way to win a battle was to "get there fustest with the mostest."

JACOBY

Many a bridge hand is won or lost the same way. Get there first with a low card trick as declarer and you will make a doubtful contract. Get there first as defender and you chalk up a penalty.

West has a very tempting club lead. Not only does he hold the ace and king but his partner has bid the suit. Of course his partner did bid under duress after West made a takeout double. But the club lead would give West a chance to take a look at dummy before continuing his defense.

That look would also be a trifle too late. He could shift to a diamond but South would win and be able to set up dummy's queen of clubs for a diamond discard before West could establish a diamond trick. In other words the club lead would lose the timing of the hand.

The correct lead with the West hand is the queen of diamonds. He doesn't need to look over dummy. He is looking at his own hand and can see that his ace and king of clubs are not going away. If they are tricks at trick one, they will be tricks later on.

With the queen of diamonds lead West is going to get there first. He will be able to establish and collect his diamond trick before South has a chance to do anything about a discard.

Incidentally, if North had tried a no-trump bid instead of four spades, his side would have gotten there first against any defense. He would only need nine tricks and there is no way for the defense to pick up five tricks first.

CARD Sense

Q—The bidding has been:

West	North	East	South
		1♣	1♠
2♣	Pass	3♣	?

You, South, hold: ♠A Q J 8 7 6 ♥2 ♦K Q 10 8 7 ♣2

What do you do?

A—Bid some number of diamonds. We favor a mere three diamond call but a jump to four diamonds has considerable appeal.

TODAY'S QUESTION

You bid three diamonds. West bids four clubs and your partner bids four diamonds. East passes. What do you do now?

Answer Tomorrow.

Judge Surprised to Get U.S. Post on Appeal Court

CINCINNATI, Ohio (AP) — "It came as a complete surprise to me," said Judge John W. Peck upon learning he was nominated Monday by President Johnson for a judgeship on the 6th U. S. Circuit Court of Appeals.

"I know my name was presented three months ago by Ohio's senators, but Monday's announcement for a seat on the second highest court in the country came out of a clear blue sky," he said.

★ ★ ★

The nomination will have to be confirmed by the Senate.

Peck, 52, has been U. S. District Court judge here since 1961. He received that appointment from the late President Kennedy.

The court sits in Cincinnati and handles cases from Ohio, Kentucky, Michigan and Tennessee.

Held on Drug Counts

BATTLE CREEK (AP) — James Steel, 26, and John Kaiser, 25, both of Detroit, were arraigned Monday on charges of possessing dangerous drugs. Bond was set at $5,000 each.

There were about 56 registered English language newspapers being published in India in 1964.

Astrological Forecast

By SYDNEY OMARR
For Wednesday

"The wise man controls his destiny . . . Astrology paints the way."

ARIES (Mar. 21 - Apr. 19): Inaugurate savings program. Find ways of getting most from abilities, assets. Don't waste money, energy, emotions. Key is maturity, handling of responsibility.

TAURUS (Apr. 20 - May 20): Your sense of accomplishment rings true. Gain indicated because your personality now attracts success. Cycle high. New contacts, challenges just over horizon.

GEMINI (May 21 - June 20): Be aware of possessions. Don't tell all you know. When shrewd persons try to pick your brain . . . be tactful, but keep your own counsel. Be sophisticated!

CANCER (June 21 - July 22): Temptation could arise. You may have to be wary lest extravagance rules. Not wise to mix business with pleasure. Cultivate friends . . . but handle one project at a time.

LEO (July 23 - Aug. 22): You may be reaching for too much at once. Key now is balance, maturity. You can advance if you don't attempt to skip basics. Means be practical to impress authorities.

VIRGO (Aug. 23 - Sept. 22): Avoid tendency to brood. Realize thorough plans are necessary for building toward future. Express yourself. Don't bottle up emotions. Be free, willing to change and IMPROVE.

LIBRA (Sept. 23 - Oct. 22). Change indicated concerning money, security. Be sure your program does not step out of legal bounds. You CAN advance, gain — and make associates, loved ones proud.

SCORPIO (Oct. 23 - Nov. 21): Key is being COOPERATIVE . . . otherwise you create needless conflicts. Family members figure prominently in day's activity. Be giving, show appreciation for aid.

SAGITTARIUS (Nov. 22 - Dec. 21): Avoid extremes. Utilize abilities along intelligent lines. Don't try to be something you're not. Take one step at a time. Bring aspirations into line with reality.

CAPRICORN (Dec. 22 - Jan. 19): You can gain if you act with confidence. Be assured, accent poise. Romance continues in picture . . . but don't wear heart on sleeve. Your emotions are touched . . . and you respond.

AQUARIUS (Jan. 20 - Feb. 18): You may appear fixed in your ways. Fine line exists between dedication and stubbornness. Let others know you have job to do . . . but let them know in PLEASANT manner.

PISCES (Feb. 19 - Mar. 20): Express independence of thought, action. Be versatile . . . but avoid trying to do too much at once. Deal diplomatically with in-laws, relatives. Ignore gossip. There's no substance to it!

★ ★

IF WEDNESDAY IS YOUR BIRTHDAY . . . you have deep love of home, are intensely loyal to family. You are a passionate individual for your beliefs are never watered down.

★ ★ ★

GENERAL TENDENCIES: Cycle high for TAURUS, GEMINI, CANCER. Special word to AQUARIUS: Get family on your side!

Stock Trading Lags

Profit Taking Sets Mart Back

NEW YORK (AP) — The stock market was lower late this afternoon as prices were depressed by mild profit taking. Trading lagged.

The downtrend began shortly after the opening. Traders were cashing-in gains made in a strong, two-day rally. Losses widened until late morning when there was scattered recovery.

Airlines, color televisions and other electronics — which had already undergone some profit taking late yesterday — apparently were able to absorb the additional selling with no trouble. Several of them wiped out losses and moved to the plus side again.

BLUE CHIPS FIRM UP

Blue chips, recently recovered from long neglect, were fairly steady in early dealings. Some of these wilted in the afternoon, but not by much.

The Associated Press average of 60 stocks at noon was off 1.5 at 321.9 with industrials off 2.1, rails off .7 and utilities off .8.

The Dow Jones industrial average at noon was off .83 at 896.77.

General Motors and American Telephone, two of the biggest and mostly badly battered blue chips in the Spring decline, held their own stubbornly for most of the morning, then GM eased and AT&T dropped a fraction. Du Pont held unchanged.

★ ★ ★

Prices on the American Stock Exchange declined in moderate trading. Solitron Devices lost 3, Syntex and TWA warrants about 2.

Zoning Score: 3 Win, 2 Lose

Apartment-Complex in Waterford OK'd

In accord with previous recommendations of the Township Planning Commission and Oakland County Coordinating Zoning and Planning Committee, the Waterford Township Board last night approved three rezoning requests and rejected two others.

★ ★ ★

Among zoning change proposals granted was a request to rezone from small farm (AG-2) to multiple dwelling residential (R-2) and general business (C-2) a parcel at Hospital and Cooley Lake Roads for construction of a $3½ to $4-million apartment and retail shop development.

Adjacent to Oakland Community College's Highland Lakes campus, the 23-acre property is earmarked for 210 apartment units, a recreation area, a swimming pool, a putting green and approximately 90,000 square feet of commercial development.

Also approved was a request to rezone from single family residential (R-1A) to R-2 a parcel of land off Crescent Lake Road north of M59 for construction of apartment units.

★ ★ ★

The board also okayed a request to rezone from agricultural (AG-1) to R-2 property on Elizabeth Lake Road near Doremus for construction of apartment complexes.

REQUEST DENIED

Rejected was a request to rezone from AG-2 to extensive business (C-3) two lots on the southwest corner of Lochaven and Elizabeth Lake Road for establishment of a coin-operated car wash.

The board also denied a request to change the zoning from light industrial (M-1) to general industrial (M-2) five lots on Warren Drive in Fairplains Subdivision.

The applicant George Beechum, sought to operate a junk yard on the property. "All I want to do is to disassemble automobiles," he said.

★ ★ ★

In recommending denial of the request, the county coordinating zoning and planning committee had asserted that a junk yard would be detrimental to the people's health and safety.

★ ★ ★

Petitions against the proposed rezoning had been signed by 67 nearby residents and by 86 members of a new church in the area — the Waterford Township Church of Christ.

ROBERT C. PATERSON

Fisher Body Post for Area Resident

The appointment of Robert C. Paterson as manager of the service parts activity for Fisher Body has been announced by Keith B. Willoughby, general director of Fisher Body quality standards and service.

Paterson succeeds John J. Flaharty who has been transferred to the General Motors financial staff.

★ ★ ★

An Alfred P. Sloan Fellowship winner, Paterson, of 2595 Depew, West Bloomfield Township joined Fisher Body in 1942 as cooperative student at General Motors Institute. He was previously administrator of service parts activitiy.

Same Figures Lead to Opposing Views

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP) —Current perplexing business trends are at least letting you separate the pessimists from the optimists. Mostly they use the same sets of figures and come up with different interpretations or presentations.

The pessimist says the economy is slowing down. The optimist says it is still growing but at a more moderate and therefore healthier pace.

DAWSON

★ ★ ★

The pessimist says retail sales turned down in April and May. The optimist says consumers still are buying more than a year ago.

The worrier points to a drop in auto sales and production. The booster says sales are still higher than in most previous years —and another model year is just around the corner.

DIFFERENT VIEWS

The same division in attitude determines how you view the latest unemployment estimates. You can take alarm that the jobless rate rose in May. Or you can take comfort in the still rising total of those with jobs.

The stock market's steep drop and then its uncertain backing and filling can be viewed as a barometer of stormy weather ahead for the economy. Or it can be accepted as a healthy cooling of speculative fever.

★ ★ ★

The more conservative-minded will tell you that inflation is here and that the threat of still more is as strong as ever. Others will tell you that the inflation threat has been curbed by the healthier pace the economy is now setting.

Steel orders have been falling. Some see this as a forerunner of a dull summer for the mills. But others say that while auto companies have cut back on orders, other industries are still ordering at a fast clip. And the auto companies are expected to come back to the mills soon with new orders for production of the 1967 model cars.

TIGHT MONEY?

The pessimist points to tight money as a cause for the 'doldrums in the housing industry. But the optimist thinks that home building has been following a normal course of adjusting to family formations—with the latter scheduled to rise fast in the remaining years of this decade.

★ ★ ★

High interest rates are seen as hurting borrowers, especially smaller businesses. But another view of the tightness of credit is that this curtails some dangerous risk taking and thus helps keep the economy on an even keel. And the man giving to look on the bright side of things is sure to stress that the savers are profiting from higher interest rates—and furnishing the capital funds that will finance future economic growth.

The pessimist points to the roadblocks that are beginning to trouble business expansion. He cites rising prices, skilled labor shortages, and competition of defense demands with civilian demands.

But the optimist views this with less alarm. He notes that business is still planning to spend more this year for plant and equipment that it did last. And he adds that any slowdown in the big expansion boom in the period just ahead will be just that more helpful in warding off federal tax increases.

May Go to Jail

Hoffa Says 'I Shall Return'

WASHINGTON (AP) — Teamsters Union President James R. Hoffa confirmed today that if he goes to prison he intends to resume control of the world's largest union when he gets out.

Without commenting directly on his two federal convictions, Hoffa said he plans to rewrite the union's constitution to restore himself to power if he be comes "unavailable" for a while.

★ ★ ★

Hoffa chatted amiably and frankly like a man without a worry in the world, despite 13 years in pending prison sentences, in an interview outlining plans for the Teamsters' July 4 convention in Miami Beach.

"It will be a very important convention," Hoffa said — perhaps the most crucial in his nine stormy years as head of the giant union.

EXPECTS REELECTION

Hoffa is expected to be reelected to a new five-year term by acclamation when the 2,200 convention delegates meet.

He spelled out fully for the first time the proposed constitutional change to create a new post of general vice president, or executive vice president.

The general vice president would automatically succeed Hoffa if he lost his appeals and went to prison, or became unavailable for any other reason.

If Hoffa again became "available" before the end of his regular five-year term as president, the vice president automatically would step back down for Hoffa to resume his post as union chief — all without a special convention or election.

2 GOOD REASONS

"There are two good reasons for this," Hoffa said.

"First, it costs $2.5 million to $3 million to hold a convention. Second, a special convention would create the program that you might not have fair representation," because some union locals might not have the money to send delegates.

★ ★ ★

"For instance, it costs my own home local (Detroit) $50,000 to go to a convention," Hoffa said.

With Hoffa's eight-year jury tampering sentence under review by the Supreme Court, and his five-year mail fraud sentence still to go before the U.S. Court of Appeals, Hoffa, 53, is still a long way from prison.

Even if his appeals fail he could be eligible for parole after serving one-third of his sentences and could be free again before his five-year term as Teamsters' chief expires.

New Jewish Unit May Pick Rabbi Conrad

According to Kenneth Solomon, a member of the organizing committee of a new reform congregation in southern Oakland County, Rabbi Ernst J. Conrad of Temple Beth Jacob in Pontiac, will be considered to become spiritual leader of the new congregation.

★ ★ ★

The rabbi's contract at the Pontiac synagogue expires in August and will not be renewed.

Earlier this month, Rabbi Conrad claimed one reason he was being dismissed from the local synagogue was because of his speaking out on racial issues.

Commenting on Solomon's announcement, Rabbi Conrad said, "When this new congregation is ready to consider the appointment of a rabbi and if it is dedicated to the liberal ideals to which I am committed, I should certainly be interested in accepting such a pulpit."

★ ★ ★

The congregation is to be drawn from suburban Oakland County communities especially Bloomfield Hills, Birmingham and Southfield, the rabbi said.

INCREASING NUMBER

Solomon, 29360 Bermuda Lane, Southfield, said that an increasing number of Jews live in the southern part of the county and there is need for another temple.

★ ★ ★

More than 30 families are organizing the temple, which expects to rent a meeting place within a month.

The new temple, which has not been named, will begin operation this fall, Solomon said.

Longshoremen to Vote on Pact

Quebec Strike Snags Shipping on Seaway

OTTAWA (AP) — Quebec Province's 4,250 striking longshoremen vote Wednesday on a new two-year contract ending the walkout which has crippled shipping on the St. Lawrence River since May 9.

Leaders of the striking locals of the International Longshoremen's Association and the Shipping Federation of Canada agreed early today to the contract after talks with Prime Minister Lester B. Pearson lasting 3½ hours.

The agreement must also be ratified by the companies in the federation.

Negotiators on both sides predicted approval. Union spokesman said they expected the men to be back at work late Wednesday or Thursday.

A union spokesman said the contract was retroactive to Jan. 1 and included these main points:

—A 40-cent hourly wage increase and applied to overtime as well as to regular time worked since then.

★ ★ ★

—A 20-cent boost next Jan. 1 and another 20-cent increase the following June 1.

—The shipping firms' plan to reduce work gangs from 18 to 16 men will be shelved at least until Dec. 31, 1967. Automation on the docks would have wiped out about 600 jobs.

Labor Minister John Nicholson was expected to propose an industrial inquiry into automation and its effects on the work force.

The prospect of an end to the strike in the ports of Montreal, Quebec City and Trois-Rivieres did not mean an end to the government's labor troubles, however.

JOHN M. HANSON

New Mayor Elected in Sylvan Lake

The Sylvan Lake City Council has elected John M. Hanson as mayor, succeeding Donald A. Tews who resigned in April.

★ ★ ★

A councilman since 1962, Hanson, 45, of 2440 Garland, had been serving as mayor pro tem.

Named mayor pro tem was Stanley J. Filkins, 1474 Benvenue.

Filkins had been appointed to the council to fill the vacancy created by Tews.

★ ★ ★

Hanson is president of the Michigan Credit Counselors, 702 Pontiac State Bank Building.

When he was elected to his second three year term last November, Hanson led the field of three candidates.

Train Toll in India Now Set at 52 Dead

BOMBAY, India (UPI) — One of the worst train crashes in India's history claimed at least 52 lives yesterday. Officials ordered an immediate investigation of the collision of two suburban trains in driving rain on an automated section of track near here.

★ ★ ★

Officials of the Central Railway said 52 persons were killed and 106 others injured. Police on the scene, however, placed the toll at 60 dead. Earlier, police reported as many as 100 had been killed.

★ ★ ★

An estimated 2,500 passengers —most of them schoolchildren and workmen — were aboard the two trains when the collision occurred at a grade crossing nine miles from Bombay.

Will Seek Clarification of Authority

The human relations committee of the Oakland County Board of Supervisors last night decided to seek clarification of its scope of authority.

The action resulted from the committee's inability to obtain directly from county officials the ratio of white and nonwhite county employes.

County officials have maintained that providing such information would violate the very intent of the civil rights movement by singling out the minority races.

They have suggested that the commitee compile its required information by contacting the various county department heads.

The committee will submit a letter to the board of supervisors asking for a definition of its authority.

Some members indicated that the committee should disband if it hasn't authority to receive employe information directly from the board of auditors.

New Landslide Danger Seen in Hong Kong

HONG KONG (AP) — Rain-weakened hillsides posed new landslide dangers to Hong Kong today as 3,000 rescue workers continued to dig for more bodies buried under tons of mud, boulders and other debris from Sunday's disastrous deluge.

Fifty-four bodies had been recovered. Thirty were listed as missing and search headquarters said many of those are feared dead.

Motorcyclist, Hurt in Crash, Listed as Good

Peter Leo Allen, 18, f 6216 Worlington, Bloomfield Township, is listed in good condition at St. Joweph Mercy Hospital today with a broken leg suffered in an accident early this morning.

★ ★ ★

Bloomfield Hills police said Allen's motorcycle hit the back of a car driven by Marguerite E. Kohnke of 3465 Whitfield, Waterford Township, when she stopped on W. Long Lake in front of Wlson's Drug Store.

★ ★ ★

Police said Allen had taken his brother's motorcyle wth 1965 plates and driver's license without permission.

★ ★ ★

Army officials will pick up Allen who has been AWOL for five months, according to police.

2,300 Battling Timber Blaze

More Help Rushed to California Area

SANTA BARBARA, Calif. (UPI) — Some 2,300 fire fighters—including 500 Indians from Arizona and New Mexico—battled today to halt a raging three-day-old timber fire in the rugged Los Padres National Forest.

By this morning, the blaze had blackened more than 40,000 acres since it was ignited Saturday by the crash of a small plane in which two men died.

The seven-mile long fire is located about 35 miles northwest of this costal city in one of the few primitive areas in the nation.

There are no roads in the area nor any man-made structures.

★ ★ ★

The site is so inaccessible that two U.S. Forest Service DC3's had to fly in needed food and supplies yesterday to set up four base camps.

SAILORS HELP

Among the fire fighters were sailors from the Pt. Mugu Naval Station.

Eight aerial tankers were being used to drop fire retardant on the flames.

The fire crews spent most of last night trying to stop the flames before they spilled over a ridge into the Cuyama Valley about 10 miles south of the nearest inhabited area.

★ ★ ★

"There still isn't much danger to the ranches or any buildings," a Forest Service official said. "But if it breaks through our lines and over the ridge, there could be trouble."

Indian smoke jumpers were parachuted into the area yesterday to strengthen fire lines and helicopters shuttled hundreds of other personnel as "hot spots" developed.

Sixty Fires in Waterford During May

Waterford Township firemen extinguished 60 fires last month —five more than in April and one more than the previous May.

Twenty-nine of the fires were brush and grass, 11 were in buildings and 8 in cars, according to the monthly report.

Fire damage for the month was estimated at $10,600, compared with only $1,885 in April and $5,330 in May 1965.

For the first five months this year, fire damage was estimated at $80,220, compared with $109,375 for the same period last year.

Through May this year, 216 fires have been reported, five less than the same period in 1965.

Ann Sheridan Wed to Actor on June 5

HOLLYWOOD (UPI) — Film and television actress Ann Sheridan and actor Scott McKay were married June 5, a spokesman announced yesterday.

The wedding took place at the home of television writer Robert Shaw and was attended only by personal friends, the spokesman said.

The couple currently is honeymooning in Hawaii.

It was the third marriage for Miss Sheridan and the second for McKay. Both are 51.

$100 Holdup at Cleaners

A masked gunman last night robbed the Betty Brite Laundry and Dry Cleaners in the Glenwood Plaza of $100.

The night manager, Beulah Stevens, 53, of 462 Cameron, told police that she was locking the door about 11:30 p.m. when the bandit ordered her back inside.

★ ★ ★

She said he was wearing a nylon stocking over his head.

She described him as between 30-35 years of age, stocky, and having blond hair.

There were 250,000 unwed mothers in the nation last year, three-quarters of them teenagers.

The Oakland County visit will be the only stop in Michigan for Gaositwe K. T. Chiepe, deputy director, Bechaunaland Department of Education, Gaberones, Bechuanaland, Africa.

Miss Chiepe will visit 18 communities in the United States during her tour as a guest of the U. S. State Department.

She specifically requested that a visit to Oakland Community College be included in her itinerary, according to college officials.

The British Bechuanaland Protectorate will become the Republic of Botswana this fall. It is located in southern Africa, between Rhodesia and South Africa.

Truman Given Honorary Post for Ike Festivity

NEW YORK (UPI) — Former President Harry S. Truman will serve as honorary chairman of the Eisenhower Golden Wedding Committee, it was announced Monday.

Former president and Mrs. Dwight D. Eisenhower will celebrate their 50th wedding anniversary July 1.

★ ★ ★

Comedian Bob Hope and former Treasury secretary Robert B. Anderson, cochairmen of the committee, said Truman had agreed to serve as honorary chairman and had called the planned tribute "wonderful."

The committee is suggesting tributes to the Eisenhowers take the form of gifts to Eisenhower College in Seneca Falls, N.Y., scheduled to open in the fall of 1967.

County Officials Act

4 Pay Increases Withdrawn

Salary hikes for four medical positions approved last month by the newly established personnel policies committee of the Oakland County Board of Supervisors were dissolved yesterday.

★ ★ ★

Basis for removing the pay hikes was an opinion by Corporation Counsel Robert P. Allen that no salary adjutment can be granted a county officer during the current budget year.

County Health Director Dr. Bernard D. Berman, who is considered a county officer, was granted an increase from his budgeted $22,500 salary to $26,000 by the committee.

After receiving the corporation counsel's opinion, county officials decided to withdraw proposed pay hikes for this position as well as for the deputy director of the health department and two medical positions at the County Sanitorium.

★ ★ ★

A salary of $22,000 was set, however, for the sanatorium's chief of staff instead of the proposed $24,000.

This position now is full time. It previously had been a $13,500 part-time post.

Pontiac DAV Personnel Due at State Convention

Local members of the Disabled American Veterans (DAV) will help commemorate the 34th anniversary of their congressional charter at the DAV state convention in Muskegon, Thursday through Sunday.

Edington, 690 Sterling.

Billy Graham to Dine With Lord Mayor

LONDON (UPI) — American evangelist Dr. Billy Graham neared the midway point of his month-long crusade today and planned to attend a luncheon in his honor given by the Lord Mayor of London.

★ ★ ★

The luncheon was scheduled at the Mansion House, official residence of the lord mayor. Graham was to be accompanied by his wife, Ruth.

The giant Earl's Court Arena, where Graham has been preaching nightly except Sundays, was filled nearly to capacity yesterday by a crowd estimated at 19,000. Mondays and Thursdays have been set aside as "Youth Nights."

A total of 1,123 persons—most of them youths—made "Decisions for Christ," the second largest number in the campaign here so far, according to the Graham organization. The largest number was 1,234 recorded last Thursday.

★ ★ ★

Graham, elated by the turnout, said there were more people attending his services than there were 12 years ago on his last crusade here.

★ ★ ★

In his sermon, the North Carolina evangelist told his youthful audience that theirs was a more religious generation than his was.

★ ★ ★

He said his generation lived in the "afterglow" of their parents religion but young people today make their own religion.

Wounds Take Teacher's Life

BAY SHORE, N.Y. (AP) — A Long Island teacher has died of shotgun wounds inflicted, police say, by a pupil.

The teacher, John Lane, 48, of West Babylon, was shot April 27 when he tried to stop the youth in the halls of Bay Shore High School. He died Monday in Southside Hospital here.

★ ★ ★

Police said his assailant was James Frampton, 16, of Bay Shore, who had been enrolled in the school two weeks before the shooting. He had been discharged from a state training school for boys.

★ ★ ★

When Lane ordered Frampton to drop the gun, Frampton wheeled and fired, police said, shooting Lane in the stomach.

Major Boeing Expansion
Opens New Career
Opportunities

Call (Collect) the Boeing Detroit Employment
Office (313) 962-5850

The Boeing Company in Seattle is engaged in a major expansion program. Unprecedented jetliner sales, and development of the new 747, have created a record backlog. Ground-floor opportunities are now available for advancement minded engineers and skilled personnel.

Positions at all levels of experience, responsibility and income are open now, in engineering, management, office staff, skilled and semi-skilled career fields. Boeing's regional employment office is now taking applications for these openings, which are with the Commercial Airplane and Supersonic Transport divisions in Seattle. Call — collect calls are welcome — or visit this convenient office to see how Boeing's rapid expansion can help you move ahead faster.

In addition to on-the-job advantages, you and your family will enjoy living in the friendly, evergreen Pacific Northwest. The area is noted for unlimited recreational, entertainment and cultural facilities. Climats is so mild that golf, boating and fishing—both fresh and salt water—are enjoyed the year around. Seattle-area schools are top-ranked, and the city's Opera House, Symphony, Repertory Theater and Pacific Science Center have gained national acclaim.

Other Boeing assignments are available with Aerospace Group facilities at Cape Kennedy, Huntsville, New Orleans, Bay St. Louis (Mississippi) and Seattle, as well as with Vertol Division at Morton (Philadelphia) and Wichita Division at Wichita.

BETTER THAN NEW
Because the grass is in and growing, the shrubs have survived the first few years, all the equipment has been family tested under actual living conditions — and it works. Let us show you this pretty one floor plan brick home that has 3 bedrooms, 1½ baths, marvelous family styled kitchen, fireplace with built-in barbecue, large 2½ car garage. Quick possession, as owner now moving out of town. $28,500. We Will Trade! No. 2-21.
PERHAPS YOU'VE CONSIDERED
An apartment for your retirement days but rejected this because of a lack of yard and privacy? If so, perhaps you folks are the couple we're looking for. This compact, Indiana ledgerock rancher needs absolutely no outside maintenance, ever. Inside is a spacious, living room and a gorgeous adjoining bedroom, lavishly carpeted, the windows all draped to match. Tile bath. Hot water base ray heat. Two car attached heated garage, each with it's own electric door opener. Full price $18,900 and we'll trade, up or down. No. 1-22.
QUIET STREET
You won't have to worry about the safety of your children when you live on this quiet street away from the noise and danger of thru traffic. Let us show you this comfortable 2 bedroom home with large living room that has a huge picture window overlooking the No. 1 and 2 fairways of Silver Lake Golf Club. It's an all brick home with 2 lots and plenty of play area for the children. See it today at only $18,500. We can easily arrange financing. No. SM-7
Here's a nice 3 bedroom, aluminum sided home with breezeway and attached 2 car garage on large corner lot near Pierce Jr. Hi. This home needs redecorating inside but this has been considered in the low asking price of only $14,900. No. 0-22

Hope Shows at 'Music Box' Only to Smooch Edie Adams

By EARL WILSON

NEW YORK — Bob Hope dropped into the Americana Royal Box to see Edie Adams who's doing the most exciting act in town and got up on the floor briefly to kiss Edie after which he said.

"That's all I came up here on the floor for."

WILSON

Bob (traveling around town with El Morocco Boss John Bills) told Edie also: "Wait'll Lady Bird gets a load of you" — a reference to a rather devastating impersonation. The gals in the audience were also amused at Edie's impressions of Zsa Zsa Gabor, especially when she said she had a drip-dry wedding gown.

Hope was here briefly to promote his picture, "Boy, Did I Get a Wrong Number!" Bob explained: "There are two girls in the film, Elke Sommer and Phyllis Diller, and you know which I get." Bob was off to Northwestern to pick up a doctor's degree. "I've got so many honorary doctors' degrees," he said, "I'm beginning to resent Medicare."

Will Renounce Citizenship

Artist Ties Decision to Viet Nam Policy

TOKYO (AP) — William R. Christensen, a 37-year-old artist from Hartford, Conn., announced today he will renounce his American citizenship in protest against U.S. policy in Viet Nam.

"I am sorry to admit," the painter and sculptor told a news conference, "that the majority of the American people feel righteous and just in supporting a cruel, brutal and cowardly massacre of the small country of Viet Nam."

★ ★ ★

He read an open letter to the Japanese people and government requesting that he be allowed to stay and work in Japan and a cable to President Johnson calling for a halt to the bombing of Viet Nam.

Christensen has been in Tokyo with his 5-year-old son Eric for two months, working for a Japanese export-import firm with its French and English correspondence. His wife, a native of Paris, lives with their two other children, Anne, 8, and Eva, 7, in Albany, Calif. Christensen worked there as a typewriter repairman before coming to Japan. He said he hopes to have his family join him in the fall.

GETS SPONSOR

A Socialist member of Parliament, Kanichi Nishimura, told the newsmen he would sponsor the artist's stay in Japan "for as long as he likes." The Socialists also oppose American participation in the Viet Nam war as well as the Japanese government's defense alliance with the United States.

The New Englander came to Japan under the sponsorship of Tadashi Abe, a company president he met in Paris while Christensen was a student at the Beaux Arts Aacdemy. Abe was reported upset about the American's decision to renounce his citizenship and to have indicated he would no longer sponsor him.

The U.S. Embassy said Christensen, to renounce his citizenship, would have to appear before a consular office, state his wishes in writing and have his passport invalidated. He then would become a stateless person. Normally, he would then face deportation.

Order Coed to Tell Names in Drug Story

EUGENE, Ore. (AP) — Circuit Judge Edward Leavy has ordered a student journalist to reveal to a grand jury the names of students quoted in an article on marijuana use at the University of Oregon.

Annett Buchanan, 20, managing editor of the student newspaper, the Oregon Daily Emerald, last month refused to disclose the names of the students to the grand jury.

★ ★ ★

Judge Leavy's order was issued Monday after a two-hour hearing. Miss Buchanan is scheduled to appear before the grand jury again Wednesday.

Her attorney, Arthur Johnson, said he would appeal to the State Supreme Court. Judge Leavy said if notice of appeal is filed, he will hear it Wednesday morning before the grand jury session.

FEELS A DUTY

After the hearing the judge's order, Miss Buchanan said: "I feel I still have duty to myself and to those who trusted me, to fulfill their trust."

She contends the grand jury's request is beyond the scope of its authority and that to reveal the names would be a violation of journalistic ethics and freedom of the press.

Measure Ratified in New Hampshire

CONCORD, N.H. (AP) — New Hampshire is the 28th state to ratify the 25th Amendment to the U. S. Constitution, which provides for succession by the vice president in the event a president becomes disabled.

The amendment also would allow Congress to set up a line of succession in the event both were disabled.

★ ★ ★

The approval of 38 states is required to make the amendment official. The New Hampshire Legislature approved the amendment at a special session Monday.

Now Chief Attorney

DETROIT (AP) — Robert F. Ritzenhein of Belleville, an assistant United States attorney since 1961, has been appointed chief attorney for the Midwestern area office of the Economic Development Administration.

Reenlistees Won't Be Able to Pick Station

WASHINGTON (AP) — The Army is suspending regulations which give a soldier the opportunity to reenlist for a U.S. station of his choosing.

New men entering the service no longer will be guaranteed specific assignments abroad under the overseas command enlistment option. These two changes take effect July 1 — a result of Viet Nam requirements.

★ ★ ★

A spokesman said that with the buildup in Southeast Asia more and more replacements are needed for servicemen ending tours of duty.

With more slots to fill in Viet Nam, the Army has less flexibility in where it can send men.

Yank's Private War Earns Bronze Star

WASHINGTON (NUI)—Every soldier goes to war with his own measure of the odds he will return.

Each tries to make his own peace with the prospect he will not.

Except for Sgt. 1C. Phillip A. Hesse, most must fight this battle in terms of the bullets, bombs, fear and pain that are his tools and companions.

For Hesse, the war and the odds are even more personal.

He has cancer.

He knew it last September when he volunteered for Viet Nam.

The doctors said he had no more than five years to live, and probably only two.

BRONZE STAR

Hesse was awarded the Bronze Star yesterday on President Johnson's orders simply for serving in the Viet Nam conflict.

The tall, blond paratrooper from Fayetteville, N. C., emerged unscathed from mortar attacks on Pleiku and from jungle sorties.

Yet on May 16, visibly unmarked to his buddies in the Special Forces, Hesse was medically evacuated as a casualty of the private war he carried to Viet Nam.

★ ★ ★

The 29-year-old soldier now is in Walter Reed Army Medical Center and faces almost certain amputation of his right leg, probably next week.

QUESTIONABLE

The odds for survival are questionable, but Hesse said he is determined to stay in the Army and return to Viet Nam, even on one leg.

Yesterday, Maj. Gen. Philip W. Mallory, commanding general of Walter Reed, pinned the nation's fourth highest military decoration on Hesse in a special hospital ceremony.

"Sgt. Hesse's strong motivation, meritorious service and outstanding performance of duty under adverse circumstances reflect the utmost credit upon himself, the U.S. Army and the armed forces of his country," his citation read, in part.

Hesse, a father of two who is married to the former Marion Johnson of Lakewood, N.J., joined the Army in 1958, jumped with the 101st Airborne and joined the Special Forces in 1961.

LAOS, GERMANY

He served in Laos and in Germany, where in 1964 he contracted a form of cancer, chondrosarcoma.

After three operations, he was offered retirement with a 100 per cent medical disability rating. He refused.

With part of a hip gone, he went to Ft. Bragg, N.C., and trained arduously until he could use his right leg again. Then to Viet Nam.

Hesse denies any heroism. "I want to go there," he told anxious friends and relatives.

Spain's Granada became the last refuge of the Moors who fled south after the Christian reconquest.

Junior Editors Quiz on MARBLES

QUESTION: How are marbles played?

★ ★ ★

ANSWER: Boys have played marbles since Greek and Roman days—and there have been many variations of the game in that time. But American children, nowadays, generally play "ringer."

For this, one marks a circle about 10 feet across. There is a "lag line" and a "pitch line," as our diagram shows.

You put a marble in the center of the circle and arrange a dozen more in the shape of a cross, three on each side of the center.

Then the two to six players "lag" for turns by throwing or shooting their large "shooter" marbles from the pitch line toward the lag line. The nearest shot wins first turn for its owner, the next nearest, next turn and so on.

Then the players shoot their "taws," or "monnies" (shooters) at the "migs," "ducks" or "hoodles" (ring marbles), trying to knock these last out of the ring. If you shoot out the most marbles, you win.

Except for lagging for turns, marbles are shot by "knuckling down"—One knuckle touching the ground as the thumb snaps the marble out.

You're not supposed to "hist"—raise your hand from the ground—or "hunch," which means moving your hand forward.

★ ★ ★

FOR YOU TO DO: Check your marbles know-how by seeing if you understand these terms: "lofting," arcing through the air to hit a marble; "for fair," playing for fun, giving the marbles won back; "for keeps," keeping marbles you win; "bowling," rolling a shot.

House Records Subpoenaed for Klan Leader's Contempt Trial

WASHINGTON (AP) — A federal court has subpoenaed the chairman of the House Committee on Un-American Activities to appear at the contempt of Congress trial of the Ku Klux Klan leader Robert M. Shelton.

At Shelton's request, Rep. Edwin E. Willis, D-La., the committee chairman, was subpoenaed along with the committee's staff director, Francis J. McNamara.

They were told to bring along all committee records on the Klan. The House group held hearings last fall into the Klan's activities. Shelton was called as a witness but refused to testify.

The subpoenas ordered Willis and McNamara to appear as witnesses for Shelton when he goes on trial in U.S. District Court here Sept. 12.

Willis said the subpoena was served at his home last Sunday night shortly before midnight.

"It's kind of unusual — I would say nervy rather than unusual," Willis said in an interview. He added: "You can't ignore a court order if it's valid. But I don't think I can do him much good."

The subpoenas requested by attorney Lester V. Chalmers Jr. in behalf of his client, Shelton, call for Willis and McNamara to present "all books, records, correspondence, transcripts and memoranda relating to the organization and conduct and affairs of the Klan."

McNamara described Shelton's petition as "a kind of fantastic move."
