Recommend Jet Service for City

Enraged Legislators Ready to Send Police After 47 Absentees

LANSING (AP)—Angry House members ordered 47 absentees returned to Lansing today—by State Police if necessary—for a climactic showdown on taxes.

Democratic and Republican House leaders launched a concerted drive for a 50 to 60 million dollar tax package—nearly double the size of a Senate-approved plan. Bills to implement the program were moved up to passage stage in debate this morning.

★ ★ ★

But a high rate of absenteeism stymied an early vote.

Thirty-three of 54 Democrats and 14 of 55 Republicans were missing from the seats for the opening roll call. Fourteen stragglers showed up later.

"It's a disgrace to this House when only 62 members show up when they know some important votes on taxes are coming up," said Rep. Allison Green of Kingston, GOP floor leader.

★ ★ ★

"It may well be the day of decision on whether we have any taxes in 1959."

Lawmakers directed Sergeant-at-Arms John Klingenberg to round up absentees and dispatch State Police for any who balked.

Rep. Clyde Cooper (R-White Cloud) was reported in Florida. Several Upper Peninsula lawmakers also were missing.

AGREE . . . DIFFER

House strategists in both parties agreed the 34-million dollar package of nuisance taxes passed last week by the Senate fell short of the figure needed to carry the state through next year.

But they differed on ways of beefing it up.

★ ★ ★

At the urging of a GOP caucus, Republican-controlled committees yesterday released bills which would add about 24 million dollars to the Senate package.

More than half the new money would come from a one-mill boost in the corporation franchise fee, good for 13 million dollars.

Corporations, in effect, would lend the money to the state for a year and collect a rebate through tax credits in 1961 and 1962.

★ ★ ★

Another bill would raise nearly 2½ million dollars by taxing motorists $2 for every moving traffic violation.

A third would shift 8½ million dollars from the motor vehicle fund to pay the cost of State Police traffic patrol.

The GOP plan also called for liquidation of the veterans trust fund to pour 40 million dollars in quick cash into the treasury.

Negotiate Here on Bus Strike

1 P. M. Talks Follow Yesterday's Vain Bid in Kalamazoo

Representatives of the struck National Bus Lines, Inc. and union officials were to meet at 1 p. m. today at the Waldron Hotel in an effort to settle the four-day-old strike by drivers and mechanics of the company.

★ ★ ★

No progress was reported in negotiations at Kalamazoo yesterday, the first of three meetings scheduled by the state Labor Mediation Board.

A similar session is scheduled in Saginaw tomorrow in an effort to settle the dispute which has tied up bus service at all three cities.

★ ★ ★

The union wants an increase in pay and fringe benefits for 110 drivers and mechanics in the three cities. The company has offered to continue the present pact.

M. R. Biddle, company operations manager, said at Kalamazoo yesterday his firm wants to negotiate separate but not joint contracts with the three locals of the AFL-CIO Amalgamated Assn. of Street, Electrical, Railway and Motor Coach Employes.

★ ★ ★

"That's the way we've been doing it for the past 25 years," Biddle said.

He said the company had not been officially informed until yesterday that the union hoped to sign a joint contract covering all three operations.

★ ★ ★

Walter Wall, union international representative, told newsmen at the end of yesterday's session:

"There's nothing new to report. We're still deadlocked and just where we started."

News Flashes

HAVANA (AP) — Frank Austin Young, American fugitive from the army barracks at Pinar del Rio was arrested today at a Havana hotel.

SOMBRA, Ont. (AP) — The shooting of former General Motors Corp. Vice President Harry W. Anderson by his friend and business associate, former GM President Harlow Curtice, was ruled accidental today by a coroner's jury.

Ike Waves to New Delhi Throng

AP Wirephoto

INDIAN SIGN — Wildly cheering throngs press near the car carrying President Eisenhower and Indian Prime Minister Jawaharlal Nehru through the streets of New Delhi as Ike arrives for a five-day visit. The crowd nearly surged out of control in their enthusiasm over the U. S. President's arrival. Flowers tossed by the multitude can be seen strewn over the car's hood.

To Ask Allies: Beef Up Support

NATO Defense Should Be Shared More Evenly, Herter Maintains

WASHINGTON (UPI)—Secretary of State Christian A. Herter said today the United States will ask its Allies at the NATO council meeting next week to take on a larger share of the over-all burden of defending the West.

He said the United States will carry out in full its share of the commitments, but believes that the growing strength of western European nations will enable them to take on a bigger share of the cost.

Herter expressed the views at a news conference two days before flying with other cabinet officials to Paris for the NATO council of ministers which begins Tuesday.

He declined to say what specific areas would be involved in the forthcoming discussions on burden-sharing.

They'll Take Big Step

TAIPEI (UPI)—Nationalist Chinese paratroop Capt. Cheng Ching-lien will observe his wedding Saturday by leaping from an airplane with his bride. The woman, Miss Feng Hsiu-ying, is a member of a Formosan mountain tribe and has completed basic parachute training.

Smuggle Struggle

JERSEY, Channel Islands (UPI)—A. F. Cumming, Jersey's customs chief, complained yesterday that visitors to the island were smuggling Scotch whisky in wine bottles. Not cricket, you know.

Ike Promises Aid to Friends

Warns India of Weakness

NEW DELHI, India (AP) — President Eisenhower reminded India today that weakness in arms invites aggression, and said a strong United States is ready to come to the aid of its friends.

★ ★ ★

He told the Indian Parliament the United States is committed to a search for genuine disarmament but is maintaining strong forces against aggression.

"They serve not only for ourself but our friends and allies, who, like us, have perceived this danger. They so serve for defensive purposes only," he said.

The members of Parliament applauded frequently. But there was not a sound when the President spoke of the fruits of weakness. With the threats of Red China in mind, it was possible they were shaken by his remarks.

★ ★ ★

Nor was there any audible reaction when the President made clear American determination to provide adequate forces to resist aggression, though it seemed plain he was referring to India from Red China.

Eisenhower spoke to a joint meeting of the Indian Parliament, which for weeks has been discussing what attitude India should take toward China. This week it upheld Prime Minister Nehru's policy, which is a go-slow attitude of firmness, preparedness.

There were 17 interruptions for applause but some were mere ripples. At the end the applause and desk thumping lasted only 20 seconds.

BIGGEST HAND

Eisenhower got his biggest hand when, his voice rising strongly, he declared:

"In the name of humanity can we not join in a 5-year or 50-year plan against mistrust and misgivings and fixation on the wrongs of the past? Can we not apply ourselves to the removal or reduction of the causes of tension that exist in the world?

"All these are creations of government, cherished and nourished by governments. Nations would never feel them if they were given freedom from propaganda and pressure."

The President declared the United States is committed to a ceaseless search for disarmament and that "controlled universal disarmament is the imperative of our time."

★ ★ ★

But, he said, "weakness in arms often invites aggression or subversion or externally manipulated revolution."

The speech, possibly the most important he will make on his 22,000-mile journey to 11 lands, was delivered after he had talked with Prime Minister Nehru for more than four hours.

White House press secretary James C. Hagerty and Indian spokesmen refused to disclose anything about the talks. Hagerty said there would be further talks and it is too early to say anything about them.

Exhilarated by the colossal welcome in New Delhi, the President appeared chipper as he began the rounds of a crowded day that started with a wreath laying and tree planting in honor of Mohandas K. Gandhi.

Indian authorities, alarmed by the overpowering demonstration by perhaps 1½ million people who turned out to greet the President Wednesday, called in thousands of extra police to handle crowds during the rest of the visit.

★ ★ ★

The President spoke in a strong, clear voice, often departing from his text.

He was most eloquent and unequivocal on the problem of disarmament.

"The demand for it by the hundreds of millions whose chief concern is the long future of themselves and their children will, I hope, become so universal and insistent that no man, no government can withstand it," he said.

Pontiac Airport Eyed as 2nd Major Facility

By PETE LOCHBILER

Pontiac has been authoritatively recommended for a prime role in the forthcoming jet age.

Pontiac Municipal Airport—or perhaps a choice spot near it—would make a good site for a major je t airfield, a kind of second Detroit Metropolitan Airport.

So said a group of experts today in outlining the main conclusion of the first teachnical study of the Southeastern Michigan metropolitan area's future air transportation needs.

The bombshell recommendation was revealed at an air-minded meeting called by the six-county Supervisors Inter-County Committee to present a cold, hard appraisal of the area's airport system.

The bombshell recommendation was revealed at an air-minded meeting called by the six-county Supervisors Inter-County Committee to present a cold, hard appraisal of the area's airport system.

Reverberations of the announcement promised to echo and re-echo across north Oakland County like the crack of a jet smashing, the sound barrier for a long time to come.

But the area will have a long time to get used to the idea, if it is adopted, said Paul Brown, a member of the aviation consultant firm of Landrum & Brown, which made the study.

The Pontiac jet airport won't be needed for about 10 years, he said.

About then, Brown told the meeting at Botsford Inn in Farmington, Metro Airport will be so busy that a second major airport will have to be developed in the area to help handle the load.

One that can handle jets, he said—perhaps one that could be dedicated mostly to airline service, but perhaps to corporate and cargo use, too.

DEPENDS ON DEMAND

Landrum & Brown estimated that the area's second big jet airfield would have to be developed between 1970 and 1975. The exact time depends on demand, the firm said.

Pontiac appeared to be the only likely place the area could build another big airport, it was indicated in a preliminary outline to today's report.

To handle jets safely, the second airport would have to be a good distance from Metro Airport so flying patterns wouldn't overlap, it was indicated.

The exact site—whether the airport itself or some nearby more adaptable place—could only be determined properly, Brown said, by a more detailed study of the area in advance of the construction date.

There are other good possible sites, but little likelihood that they could be used, it continued.

Selfridge Air Force Base or the general area of East Detroit in Macomb County were indicated as alternates to the Pontiac site.

There are objections, though, that tend to rule both sites out, it was noted.

If Selfridge continues to be used as a military jet base, any other Macomb County site would be too close for safety, it is figured. And past opposition to an airfield in the Warren area apparently makes chances of succeeding in the East Detroit area negligible.

And the Department of Defense, Brown said, has indicated that it intends to hold onto Selfridge indefinitely.

The preliminary outline gave this conclusiou:

"The new second major inter-area airline airport should be located in the general area of Pontiac, or in the East Detroit area pending a change in the military planning for Selfridge Air Force Base."

Although the major recommendation of the report was a long-range one, the current development at Pontiac Municipal Airport was not ignored.

For the next 10 years, the area

Michigan C. of C. in Action

LANSING (AP) — The Michigan State Chamber of Commerce set up shop today as the first unified voice of business in the state in more than 20 years. An ill-fated predecessor petered out in the 1930's.

Piloting the new organization after unanimous election yesterday as president was Robert P. Briggs, executive vice president of Consumers Power Co., aided by a 70-man board of directors.

Briggs, a former University of Michigan vice president, joined Consumers on the top executive level in 1951. He is a director of the Federal Reserve Bank of Chicago. He lives in Jackson.

The founders set their sights on improving the state's business climate, in part through improving Michigan itself — its government, laws, school structure and handling of the "urban sprawl."

"We're not anti anybody or anti any program. We just see a job to be done," Briggs told newsmen. "We propose to be a strong organization for the betterment of Michigan and its economy."

One employment goal mentioned was 100,000 new jobs a year.

An atmosphere of optimism pervaded the organizing session, which proceeded like clockwork along lines laid out by a 32-man steering committee.

Attendance, expected to be 500, swelled to nearly 700 with late arrivals among business and professional men and local Chamber

They've Given 559 Years to Pontiac

City Banquet Honors 19 Public Servants

The honor roll was long last night. It numbered 19 public servants who collectively have given 559 years of service to Pontiac.

The city employes — some of whom have already retired this year, others who will end their careers Dec. 31 — were honored in the Elks Temple at the first city-sponsored retirement banquet in three years.

Sixteen male retirees and one woman were present to accept certificates of appreciation from Mayor Philip E. Rowston. Two certificates were presented in memoriam to men whose careers were cut short by death this year.

"These certificates are only a small means for this city to thank you all for your loyal and faithful service," said the mayor.

City Manager Walter K. Willman rose to emphasize that "it is our pleasure to thank you."

"We are going to miss you tremendously at City Hall," he said. "Drop in sometimes and give us a helping hand and the benefit of your experience."

Almost 300 persons watched the presentations.

Among those honored were three department heads scheduled to retire at the end of the year—Joseph B. Jewell, superintendent of the Department of Public Works; W. Ray Ransom, city assessor and Lewis M. Wrenn, city engineer.

Other certificates were presented to the widows of the late Walter Baerwolf, Police Department sergeant, and the late Lain Lee, DPW worker.

The man with the most service was former Fire Chief John F. Schroeder, who retired after 48 years in the Fire Department.

Others honored:

Mrs. Ursula Skinner, 19 years, city nurse; Arthur B. Amsden, 38 years, and David Spivay, 17 years, both in the DPW; Max Bauman, 34 years; Peter Ange-

(Continued on Page 2, Col. 6)

Pontiac Press Photo

FETED AT PARTY — At last night's banquet for retired and retiring city employes were three department heads who have helped guide Pontiac affairs for many years. They are (from left) W. Ray Ransom, city assessor; Lewis M. Wrenn, city engineer, and Joseph B. Jewell, superintendent of the Department of Public Works.

Indict N.Y. Lawyer in Johansson Tiff

NEW YORK (AP) — Vincent J. Velella, a New York lawyer and head of a fight promotional firm, today was indicted by a New York County grand jury on a two-count charge of perjury.

★ ★ ★

The 45-year-old head of Rosensohn Enterprises, Inc., was alleged to have been a "front" for Anthony (Fat Tony) Salerno, an underworld figure and ex-convict, in the promotion of the heavyweight title fight between Sweden's Ingemar Johansson and Floyd Patterson at Yankee Stadium last June 26.

★ ★ ★

The grand jury and the New York State Athletic Commission investigated alleged irregularities in the promotion of the fight.

Casual Burglar

LONDON (UPI) — Michael Lewin discovered his gold watch and cuff links were missing last night after a strange man strolled through his parlor toward the front door and said: "Oh, it's all right. I'm just a burglar."

Yuletide Gift Suggestions

Little Things Mean a Lot

By JANET ODELL
Pontiac Press Home Editor

So you can't buy her a mink stole this year! Most women will settle for far less when the gift comes from YOU.

The big news in jewelry this Christmas is the tiny diamond pendant, which is replacing the little pearl pendant. Prices depend upon the size of the stone and the setting.

Brocaded satin blouses are wonderful teammates for velvet slacks or skirts. Don't know her size? Take a look inside one of her blouses in the closet; the label in back usually tells.

Other clothes that might receive a warm welcome are leopard belts; fur collars with pearl trim; matching sweater and skirt outfits; or a hairpin lace head scarf.

★ ★ ★

If she sews, why don't you get her a buttonhole attachment for her old machine? Of course, a brand new machine that does everything at the flick of a switch would be nice.

One store is showing soft little leather pouches for cigarettes. Attached to them is either a lighter or a key case. These colored pouches are to be used in another purse or as they are.

★ ★ ★

Does she play golf? Get her a golf bag cover or a cleaning and conditioning kit for her clubs.

We saw a complete set of dishes, glassware and silver in a matching pattern at a local shop. Clean out the shelves Christmas Eve and give the old dishes to the next rummage sale.

If she loves to eat by candlelight, buy her a set of multiple candlesticks. These break down to single sticks, if desired.

Then there's always perfume. Perfume companies outdo themselves at holiday time to put out fancy packages of their products. Include a beautiful glass or ceramic perfume bottle.

Mid-40s to Dominate Area Weather Scene

Friday will be mostly cloudy with high temperatures hitting the mid-40s. The U.S. Weather Bureau predicts a high of 47 for the Pontiac area.

Mostly fair with a low of 34 is tonight's forecast. Cloudy with occasional rain is the outlook for Saturday.

Westerly winds at 11 miles an hour at 10:15 a.m. will become light variable tonight and southeasterly at 8 - 14 miles an hour Friday.

Twenty-eight was the lowest recording in downtown Pontiac preceding 8 a.m. At 2 p.m. the mercury read 45.

County Legal Aid Unit Gets $12,000

Two grants totaling $12,000 have been pledged to help the new Oakland County Legal Aid Society go into business.

Yesterday the members of the Junior League of Birmingham voted $6,000 to finance the operations of the society for a year.

This will be matched by a $6,000 grant from the Ford Foundation, given as part of a larger grant to the Legal Aid Society of the American Bar Assn.

The local society, being developed by attorneys of the Oakland County Bar Assn., will offer free legal assistance to county residents unable to afford attorneys in civil cases. An office in the National Building in Pontiac is expected to be opened next month.

"We are very grateful to the Junior League members and the Ford Foundation for the community, not for ourselves," said Carl F. Ingraham, president of the young society here.

"It will be the community that will benefit," he said.

The $12,000 will be used to defray a $13,500 first year budget, mostly for salaries for a lawyer, a secretary and general operating expenses, he said. The Oakland Bar group will pay the balance of $1,500.

The funds will be for a one-year demonstration, Ingraham said, after which it is hoped the society will be supported by the Pontiac Area United Fund and United Community Services in Detroit.

Ingraham, a Birmingham attorney, said with the two grants the society's board of directors must now set up rules of eligibility for the free legal aid.

It will only apply to civil cases because those citizens involved in criminal cases and unable to afford an attorney, are provided one on request. The county pays for these services.

Pontiac Press Photo

SANTA REMEMBERS ALL—Santa Claus was the center of attraction yesterday at the Elks Temple when he dropped in at the annual Christmas party of the Oakland County Society for Crippled Children. More than 350 handicapped youngsters each received a hearty "Ho, ho, ho" and special gifts. Santa's welcome inspired mixed emotions (as can be seen above) — awe, shyness, laughter — but all were delighted by his presence.

Governor Calls Experts to Area

Williams Will Huddle With Top Educators at Highland Twp. Lodge

LANSING (UP) — A dozen high-ranking figures in education will thresh over problems in that field as guests of Gov. Williams this weekend at secluded Haven Hill Lodge in Highland Township.

It will be the second in a series of seminars arranged by the governor, who has national political ambitions in 1960. The first, last summer at Mackinac Island, was on inflation and economics issues.

Expenses are being underwritten by Williams.

Similar sessions on health and the aged, peace and disarmament and farm problems are planned for later on.

Announced as having accepted invitations to the Friday through Sunday education conference were:

William Benton of New York, an Encyclopedia Britannica official; Albert W. Dent, president of Dillard University, New Orleans; Edgar Fuller, secretary, National Council of State Education Officers, Washington, D. C.

John A. Hannah, Michigan State University president; Howard Jones, University of Michigan educational administration professor; Howard McCluskey, U. of M. education psychology professor; Carl J. Megel, Chicago, president of American Federation of Teachers.

Frederick D. Patterson, Phelps-Stokes Fund, New York; Howard E. Wilson of Los Angeles, education school dean, University of California; Lynn M. Bartlett, state superintendent of public instruction.

Miss Sarah Robinson, former Detroit school principal and a member of the Michigan Civil Service Commission, and U.S. Sen. Patrick V. McNamara (D-Mich), Senate Labor and Education Committee member.

Waterford Twp. Officer Traffic School Grad

Waterford Township Police Sgt. Frank Randolph yesterday was graduated from a traffic law enforcement course at Michigan State University Oakland.

Other Waterford Township police also are enrolled in the newly scheduled class for accident investigation training.

The Day in Birmingham

Welcome to the Banquet, Janus—but Fetch Thy Toga

BIRMINGHAM—"Don't forget to bring your toga tomorrow."

This is the watchword among the seventh grade students at the Bloomfield Hills Junior High School.

Excitement over the ancient-style garb stems from a Roman banquet to be held at 5 p.m. tomorrow in the school auditorium.

The banquet follows four weeks of planning and study by students of English and social studies teacher Mrs. Gloria Sproul.

She has planned this event with all the Roman customs in mind.

★ ★ ★

More than 50 students, all wearing Roman costumes, will eat "exotic" foods off low tables. They will be seated on cushions such as the Romans used.

The auditorium has been decorated to resemble a banquet hall with simulated marble pillars for added atmosphere.

After the banquet, two plays written by the students will be presented.

One depicts the founding of Rome, the other a story of Julius Caesar and Cleopatra.

The movie "Julius Caesar" will be shown following the skits.

A four-man committee has been appointed by the Bloomfield Hills City Commission to study bids on the proposed DPW building.

The committee was formed after the Commission was notified that bids were $4,000 more than the estimated cost of the one-story building.

Estimated cost by architects was $35,000. Low bid was $39,000.

★ ★ ★

The committee will meet with the architect to discuss the bids and possible changes in the plans.

Because of the annual Christmas rush, Birmingham Postmaster Roland W. Reese has announced a special schedule for stamps and parcel post windows.

The post office at 320 Martin St. will be open on Saturdays, Dec. 12 and 19, from 8 a.m. to 5 p.m. and Sundays, Dec. 13 and 20, from noon to 4 p.m.

★ ★ ★

On weekdays, Dec. 14 through 22, it will be open from 8 a.m. to 6 p.m.

★ ★ ★

The new post office at 2300 E. Cole St. will follow the same schedule, except for Sundays when it will be closed.

Chiropractors to Meet

Chiropractors of Pontiac will hold a business meeting and Christmas party Saturday at the home of Dr. Gerald Lowing on Roanoke drive, Oak Park.

Michigan C. of C. Elects Its Officers

(Continued From Page One)

of Commerce officials from all sections of the state.

The Pontiac delegation to the meeting consisted of John W. Hirtinger, manager of the Pontiac Area Chamber of Commerce; Harry J. Woodman of the GMTC Federal Credit Union; Albert W. Holcomb, vice president of the Community National Bank; William J. Hart, WPON manager; Edward E. Wilson, WPON president; Bruce J. Annett of Roy Annett Inc.; and L. Clare Utley of Cutting Tools & Supplies Inc.

Annett, president of the Pontiac Chamber in 1951, was elected director representing Oakland County's district. He lives at 2799 Sylvan Shores.

To head off possible friction, Detroit area representation on the board, carefully chosen from eight geographical districts, was restricted basically to 22 men, plus two members at large.

Bylaws were adopted to limit financial support of any one member company to protect against domination by big business interests. A precise dollar figure was to be worked out.

At a brief first meeting, the board set about recruiting a staff, properly to be headed by an executive vice president and situated in Lansing.

Subcommittees will report to the full board Jan. 12 in Lansing.

Reportedly, the initial budget, although still undecided, will top $100,000, with probable growth in a few years to $250,000 or more annually.

Briggs said cooperation has been pledged by the Citizens Research Council, the Michigan Manufacturers Assn. and other organizations.

"As for (George) Romney's group (Citizens for Michigan), if they can do a job we're all for it," he said.

Elected as top officers to serve with Briggs were Treasurer Travis W. Pearse of Jackson, president of the National Bank of Jackson, and these vice presidents:

B. W. Reeve, Iron Mountain engineer; Vincent Fochtman, Traverse City auto dealer; Stephen S. Nisbet, Fremont baby products executive; W. Tyrone Gillespie of Midland, Dow Chemical Co. executive; Kermit C. Krum, Battle Creek photographic firm head; M. T. Shaw Jr., Coldwater businessman; Kenneth R. Beardslee of Warren, consultant for General Electric Co., and Thomas R. Reid of Dearborn, Ford Motor Co. executive.

Curtice Sees Re-Enactment

Canada's Inquest Into Anderson Death Likely to Be Concluded Today

SOMBRA, Ont. (UPI) — An inquest into the fatal shooting of a retired General Motors vice president by ex-GM President Harlow H. Curtice was expected to be concluded today in this little Ontario community.

★ ★ ★

The opening session yesterday in the shotgun death of Harry W. Anderson before a jury of five men was concerned with details of the duck hunting accident.

Curtice watched Ontario authorities reconstruct events leading up to the accident on Nov. 18 in a duck blind off Ste. Anne Island in Lake St. Clair.

A replica of the blind Curtice and Anderson were in was brought before the jury and two officers re-enacted the fatal shooting in the mock blind.

★ ★ ★

Curtice then testified about the shooting in which he said his friend of 30 years "lurched" into his line of fire just as Curtice fired at some ducks.

Authorities emphasized they did not question that the shooting was not an accident, and made it clear the hearing was "just routine."

Deputy Attorney General Eric H. Silk of Toronto said he hoped to evolve from the testimony some guides to hunting safety.

Curtice suggested again that "there should be just one gun in a duck blind—maybe just one hunter." However, others disagreed and said they did not feel hunting laws needed changing because of the accident.

Still Hunt for Seven Escapees

IVY BLUFF, N. C. (AP)—Police in two states counted 12 of North Carolina's worst prisoners behind bars today, leaving seven still at large.

The 12 surrendered without a struggle in Virginia and Ohio after hardly 48 hours of freedom. They escaped Tuesday from the Ivy Bluff maximum security prison here.

★ ★ ★

A huge manhunt focused on an area 20 miles west of Roanoke, Va., where several of the escapees were believed surrounded. The FBI said Charles W. Stewart, one of the desperate ringleaders in the daring breakout, might be in the pocketed group.

Local officers and the FBI, corralled eight of the original 20 in Virginia.

Robert Lee Council, 30, Fayetteville, N. C. Negro serving 20-25 years for armed robbery, was taken as he walked along a highway near Rustburg, Va., this morning.

Earlier, four others were captured in Cambridge, Ohio. One was taken Tuesday in North Carolina.

Eye Jet-Age Airport Role

(Continued From Page One)

is going to need secondary airports, too — more or less the size that Pontiac's will be at the end of next year's improvements, the outline said.

★ ★ ★

Detroit City Airport and fields near Ann Arbor, Port Huron and Monroe are also counted on as secondary fields.

There were other moves recommended over the next 15 years to help the area meet the demands of the jet age — one of them affecting the Birmingham-Bloomfield Hills area.

A heliport should be located in this vicinity by 1965, the outline said, as well as in Grosse Pointe and northwest Detroit next year, Dearborn in 1965 and Ann Arbor in 1970.

The outline also suggested public acquisition of existing private airports and the creation of some new ones as small, inter-airport service centers.

Allen Airport in Orion Township should be acquired, the outline said, as well as Berz Airport and Big Beaver Airport in Troy and Spencer Airport in Lyon Township.

There should be a new public airfield centered in north Oakland County and a new one in south Oakland County, the outline said.

New public airports were recommended for all of the six counties represented by the Supervisors Inter-County Committee. Six in all were recommended for Oakland; four for Macomb; one for Monroe; one for St. Clair; three for Washtenaw; and four for Wayne. These figures include the five suggested heliports.

★ ★ ★

Specific recommendations may or may not become realities, Landrum & Brown said.

But the area should use this first study—plus any other data gathered as planning develops—as the basis for a master plan "to indicate clearly what new or improved air service is required and the appropriate means of obtaining it, the firm said.

"Each of the counties and major cities within the area should approve the recommended program with such amendments as are necessary.

"And each city and county should agree to be primarily responsible for the maintaining or developing of the facilities and services agreed to for their area in the initial phase of development."

There were no recommendations as to financing in today's report.

But as far as Pontiac is concerned, it already has been suggested by Delos Hamlin, chairman of the Oakland County Board of Supervisors, that the county step into the Pontiac Municipal Airport picture—both as a planner and as a financier.

Hamlin is chairman of the inter-county group's subcommittee on aviation. It was this body that sponsored the air transportation study.

The six-month study cost $30,000, split equally by the Inter-County Committee, the State Department of Aeronautics and the Detroit Board of Commerce.

Representatives from all these groups were at today's meeting, as were Pontiac's Mayor Philip E. Rowston, City Manager Walter K. Willman and Homer D. Hoskins, manager of Pontiac Municipal Airport.

Newsman Dies in Port Huron

Louis Weil, 82, Was Editor and Publisher of Times-Herald

PORT HURON (UP) — Louis A. Weil, editor and publisher of the Port Huron Times-Herald, died today following a long illness. He was 82.

★ ★ ★

The veteran Michigan newspaperman had been in Port Huron Hospital since 1953 when he suffered a stroke.

A native of Port Huron, he was active in professional journalism organizations and various civic activities and was the author of two books on travel abroad.

Weil founded the forerunner of the Times-Herald in 1900 when he and E. J. Ottaway bought two Port Huron weeklies and consolidated them into the Daily Herald.

★ ★ ★

Ottaway and Weil became partners after serving together on the staff of the Detroit Free Press where Weil was a police reporter and Ottaway city editor. Weil was on the staff of the Free Press two years. Previously, he was a police reporter on the old Detroit Tribune.

Weil and Ottaway purchased the Port Huron Times in 1910 and formed the Times-Herald.

Prior to suffering a heart ailment in 1950, Weil was vice president of Federated Publications Inc. which includes the Lansing State Journal, The Battle Creek Enquirer & News, the Lafayette (Ind) Journal and Courier and the Marion (Ind) Chronicle.

He was a former president of the Michigan Press Assn. and was a pioneer in helping to bring Associated Press service to smaller newspapers in Michigan.

★ ★ ★

A leader in Port Huron civic affairs, he was a past president of the city's community chest, past president of the Port Huron hospital board and headed other community activities.

He is survived by his wife Blanche; three sons, Louis A. Jr., general manager of Federated Publications and editor of the Lafayette and Marion papers; F. Granger, executive vice president of the Times Herald Co.; and William, sales manager of the Times-Herald's radio affiliate in Port Huron, WTTH; and 12 grandchildren.

Young GOP Club to Hold Party for Underprivileged

Santa Claus will come early tomorrow night for 13 underprivileged Keego Harbor area children who will be guests of the Oakland County Young Republican Club.

At the club's third annual Christmas party to be held at GOP headquarters in Birmingham, the youngsters will visit with Santa and receive gifts.

Miss Irene Giacobbi, newly elected chairman of the YRs, said the kids will be treated at the 7 p.m. party with candy-filled stockings, games, toys and a gaily decorated tree.

The children will be driven to and from their homes by club members, she said.

Calls Mistrial for Detroiters

Judge Says Questions in False Advertising Trial Are Confusing

Municipal Judge Maurice E. Finnegan declared a mistrial yesterday in the jury trial of two Detroit men on charges of false advertising.

Judge Finnegan said Assistant Oakland County Prosecutor Anthony Renne had "asked questions which would tend to confuse the jury."

Defendants in the case were Joseph and Alfred Buchsbaum, owners of three Super Bargain Centers at 1052 W. Huron St., 529 N. Perry St. and 140 Wayne St.

They are accused of charging more for some items than were advertised Oct. 29 in The Pontiac Press, not having other items in stock as advertised, and reneging on the granting of some door prizes.

A complaint against the two men was signed by Tull C. Lasswell, assistant manager of the Pontiac Area Chamber of Commerce. He said the day after the ad appeared numerous complaints were made to the Chamber by customers who went to the store.

A new trial has been tentatively scheduled for Jan. 15 by Judge Finnegan.

Student Center Rite Monday

Set Dedication at MSUO

The $700,000 student center at Michigan State University Oakland will be dedicated Monday afternoon, Chancellor D. B. Varner announced today.

The structure will be formally named the Oakland Student Center with the unveiling of an aluminum plaque in the lobby. The plaque will name the building in honor of the generosity of the Oakland County Board of Supervisors which made the center possible, according to Varner.

The supervisors voted an annual appropriation of $20,000 which has been carrying the cost of the construction bond issue.

Chancellor Varner will preside at the brief ceremonies which will follow a luncheon at 12:30 p.m. for the supervisors, members of the MSUO Foundation and other guests.

★ ★ ★

Delos Hamlin, chairman of the Board of Supervisors, will make the presentation talk and unveil the plaque. State. Sen. Harvey L. Lodge (R-Oakland County) will respond for the state; Harold A. Fitzgerald will thank Hamlin on behalf of the community and the Foundation, and Gary Wright of Avondale will respond for the student body.

Wright is chairman of an exploratory committee which will make proposals for a student government on the campus.

The invocation will be given by the Rev. William H. Marbach, pastor of the First Presbyterian Church, Pontiac, and the benediction will be given by Rabbi Nathan Hershfield of Temple Beth Jacob, Pontiac.

★ ★ ★

The student center now houses a cafeteria capable of feeding 1,200 students, a private dining room, and offices for student government, student publications and the physical education staff.

★ ★ ★

Furniture is now arriving to furnish a student lounge, and there will be a university bookstore and recreation area in the basement.

19 City Employes Lauded at Banquet

(Continued From Page One)

loff, 37 years; Clyde Townsend, 26 years, and Peter Toteff, 37 years, all in the Water Department; Lt. Claude Evans, 31 years; Sgt. Claude Hodges, 32 years, and Insp. Clark M. Wheaton, 37 years, all in the Police Department; Otto Mielke, 31 years, Fire Department and Robert Trim, 18 years, Accounting Department.

Jewell spoke briefly in behalf of the retirees, David R. Ewalt, director of the Parks and Recreation Department, acted as master of ceremonies, and prayers were offered by the Rev. Thompson P. Marcero, pastor of St. Vincent de Paul Church, and the Rev. M. R. Everett, pastor of Baldwin Evangelical United Brethren Church.

★ ★ ★

Among the special guests were nine former mayors of the city.

Teresa Wright to Wed Playwright Friday

SANTA MONICA, Calif. (AP) —Actress Teresa Wright and playwright Robert Woodruff Anderson say they'll be married in Los Angeles Friday.

★ ★ ★

The couple, who took out a marriage license Wednesday, met two years ago at the christening of a friend's baby.

It is the second marriage for each. Miss Wright, 41, was formerly married to writer Niven Busch. She has two children.

Anderson, 42, authored the play "Tea and Sympathy" and has written screenplays for MGM and other movie studios.

10 Children Told Tonsils Must Go —Brother Wistful

KANSAS CITY, Mo. (AP)—Ten-year-old Michael Sopher is unhappy. He has to go to school today while 10 brothers and sisters have their tonsils removed.

The family doctor, who delivered all 12 of the children of Mr. and Mrs. James Sopher, will perform the operations.

He examined the children when the oldest, 15-year-old Cheryl, came home with a sore throat a week ago and decided the tonsillectomies were needed.

"We could have strung the operations out until spring, but we decided it would be easier to do it all at once," said Mrs. Sopher.

Three-months old Pamela will be spared.

And Michael? "He had his tonsils out five years ago and he feels completely left out now.

"He told me he wished he could stay at the hospital with his brothers."

More Appeal Offered in Small Trade Fairs

The first world Agricultural Fair in New Delhi will be opened tomorrow by President Eisenhower and marks the sixth year of the United States international trade fair program.

★ ★ ★

An attendance of some 3 to 4 million persons is expected to view exhibits from 14 nations during the nine weeks the fair is open to the public. The U. S. 5-acre $2 million dollar pavilion will reflect the theme, "Food, Family, Friendship and Freedom." Our 4 display buildings with their 32 gilt domes, the fair's most spectacular, have been built with counterpart Indian rupees.

★ ★ ★

Every phase of American farm methods and farm life, except livestock production, will be shown. In addition, U.S. officials plan to display radiation developed, rust resistant cereal grains and stiff-stalked rice of great potential value to Asian farmers.

However, one wonders whether the very richness of our exhibit will have an adverse effect on people who can afford none of our big machines and who farm a few acres of overworked soil. Few Asians will be able to relate to their own way of life or to see an attainable goal in our 36 by 42 foot terrain model showing an American farm complete with house, barns, silos, crops, livestock, woodlot and poultry.

★ ★ ★

Reports from New Delhi indicate that Russia, in addition to showing Soviet moon rockets and space programs, will feature machinery much less advanced than that used by American farmers. This could appeal to Indians and other Asians as being more applicable to the realities of their lives.

★ ★ ★

This danger is being discussed by exhibition officials now meeting in Washington. When the small industries fair opens next February in Bombay, the U.S. will have on display tools and machines for small manufacturers. Similar exhibits will be featured in fairs scheduled in 1960 for Osaka, Casablanca, Milan, Poznan, Kubul, Zagreb, Izmir, Vienna, Berlin, Tunis and at Brno in Czechoslovakia.

Russia Tells Hungary Soldiers Must Remain

Contrary to rumors which held out hopes of Russia's withdrawal of its 60,000 troops after his visit to Hungary, Premier KHRUSHCHEV has reaffirmed that they will stay. No one really expected anything else.

In explaining this decision, Janos Kadar, first secretary of the Hungarian Communist Party, said "there are still open threats against the people's democracies. Soviet troops will remain in Hungary as long as this is required by the international situation."

★ ★ ★

Premier KHRUSHCHEV for his part blamed the 1956 revolt upon mistakes of the Stalinist regime of Hungary's MATYAS RAKOSI, now in Soviet exile. In defending Russia's cruel intervention, Mr. KHRUSHCHEV said it was to save the Communist system against overthrow by counterrevolutionary forces.

"They took it into their heads," he said, "that they could no no wrong; that everything was permitted them and that they could disregard the objective conditions and the opinions of the working people." In other words, they wanted more freedom.

★ ★ ★

Even without the pressure of Russian soldiers in their midst, Hungarians aren't likely to forget how quickly those troops crossed their borders to quell the revolt. Many are bitter against the West for failing to come to their aid. Some surely must understand that any help sent Hungary would have risked World War III. Liberation seems a long way off but it must remain the goal.

★ ★ ★

Surprisingly enough in those same speeches, Premier Khrushchev was quite conciliatory toward the West and even expressed his understanding of the delays in a summit meeting. This new attitude has been apparent ever since his talks with President Eisenhower and possibly makes him an even more dangerous and formidable opponent for the West.

"DRINK warps the judgment," says a physician. It's a pity that the person who warps his judgment by drinking is the type whose judgment was already poor, as shown by his drinking.

The Four Oliver Twists

David Lawrence Wonders:

Will McDonald Be Another Hoffa?

WASHINGTON — **Just as James R. Hoffa was unwittingly responsible for the antiracketeering legislation passed by Congress at its last session, so David McDonald, also unwittingly, may be responsible for the enactment of the most severe legislation in history to prevent America from being damaged again by another big strike.**

LAWRENCE

When a potential candidate for the presidency on the Democratic ticket — Adlai Stevenson — feels obliged to make a public plea for restrictive labor legislation, it is a sign that public opinion is aroused and that both political parties must pay attention to such sentiment.

★ ★ ★

Normally the Democratic candidates would be expected to pussyfoot on the issue or suppress their feelings on any labor question lest the union leaders be offended.

But it is apparent now that the rank and file of the union members and their wives, as well as the general public, are truly alarmed about the bungling way in which the steel negotiations have been handled.

Adlai Stevenson's speech Tuesday is the most significant utterance this year on labor issues by any political figure.

'END OF AN ERA'

He said:

"The steel strike has dramatized the fact that we are at the end of an era.

"Everybody is agreed that this cannot happen again; that the public interest is the paramount interest, and that irresponsible private power is an intolerable danger to our beleaguered society. . . .

"And if there are more stoppages, Congress may be expected to reflect the public temper in legislation, which would not only stop strikes but might stop or seriously cripple collective bargaining, too."

★ ★ ★

Stevenson reminded his listeners that he had made similar suggestions in 1952 for the amendment of existing labor laws, including a provision for arbitration, but he now adds this proposal:

"The President should have authority to convene a special public board—a board of public responsibility—well in advance of the strike date in any key industry, perhaps as listed by Congress.

"The board would meet with the parties to the dispute. It would express the public interest to the parties, keep the President advised and perform whatever mediation functions appeared advisable.

RECOMMEND ACTION

"Its effectiveness would be immeasurably enhanced by the parties' knowledge that the board's final responsibility—if its efforts at mediation fail — would recommend to the President what further action should be taken. . . .

"If the parties were unable or unwilling to resolve their dispute, to exercise responsibility consonant with their power—then I would see no reasonable objection to requiring that the dispute be taken out of their hands entirely; that the President be authorized in that case to require in one form or another that production be continued while the dispute was resolved by process of reason rather than by subjecting the economy to grievous injury."

Stevenson declared that, with development of industrywide bargaining, "decisions affecting the entire economy are made by a small group of men sitting at a single table, and the public has no alternative to accepting those decisions."

★ ★ ★

He added:

"I think it (the public) is entitled to be represented at that table in the restricted sense I have suggested."

This and other proposals now being advanced are symptomatic of the deep feeling aroused by the damage done in the steel strike.

Dr. William Brady Says:

All Who Live in Michigan Should Use Iodin as Food

A Michigan reader writes:

"I am 29 and already have many gray hairs."

Knowing that the reader lives in Michigan and is getting gray before middle age, both indicate that she may need the iodin ration.

Michigan soil, drinking water and hence home grown food is poor in iodin, so it is fair to say that every one who lives in Michigan needs a suitable iodin ration to supplement his food and water, whether he begins to turn gray before forty or not.

DR. BRADY

And if he takes only the quantity of iodin I advise in the free pamphlet, the Iodin Ration, it can do no harm in any circumstance. But permit me to say I do NOT advise any one to take iodine in medicinal doses.

★ ★ ★

A Milwaukee reader (Wisconsin, also, has soil and water that is poor in iodin) assured me:

"There is no doubt that the iodin ration restored color and life to my hair. In fact my sister, who hadn't seen me for years, refused to believe I had used no tint and have never had it dyed."

For many years readers have been telling me that the iodin ration has brought back more or less natural color to their graying or gray hair. Far be it from me to deny them the satisfaction of beliving this.

If the iodin ration makes them, let us say, a little more cheerful in outlook and less lugubrious about what they see in the mirror, I'm happy, although I am still from Missouri in regard to the iodin ration restoring natural color to gray hair. If you have a few gray hairs you see every one of them when you are in low spirits. On the other hand, when you're in fine fettle you scarcely notice the gray at all. I hav no doubt that the iodin ration brightens up many dull, dopey character.

CALLS IT

But all this has nothing to do with The Gray Sickness. The Gray Sickness is my name for hypochromic anemia, nutritional deficiency anemia, iron deficiency anemia.

I call it the gray sickness because in typical cases the complexion or general appearance is gray, not colorless, not pale, but distinctly gray. Since most persons with this type of anemia are women pushing forty, it is to be expected that they will have prematurely gray hair.

The gray sickness has taken the place of the green sickness, chlorosis, which was prevalent in the 19th century. The green sickness was so called because the patient's complexion had a characteristic greenish hue. Most persons with the green sickness were teen-age girls. Today, as already mentioned, the green sickness is rarely if ever seen. The gray sickness is more prevalent than the green sickness was a century ago, judging by medical records. The main cause of both in NUTRITIONAL DEFICIENCY, not merely insufficient iron but insufficient complete protein — the kind supplied by milk, meat and eggs, and insufficient vitamins, particularly vitamins B1, B12, and C.

Signed letters not more than one page or 100 words long pertaining to personal health and hygiene, not disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped, self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

(Copyright 1959)

The Country Parson

"I'm sorry when pressure groups place taboos on radio and television — I'm shocked when they do it to preachers."

Voice of the People

'It's About Time We Had a Crackdown on Drivers'

Does Overburdened Taxpayer think taxpayers shouldn't be ticketed? We've needed a crackdown on speeders and reckless drivers for a long time. Maybe this will reduce the number of needless accidents in our city. Hurray for our police force.

C. M.

'Better to Close City Than Give In to That'

This nation would be better off in the long run if the steel strike dragged six months longer and closed up Pontiac and other cities all over again, rather than give in to the featherbedding that's disorganized the railroad business. And the general public is the one that pays for the work that isn't done and I'm one of the general public and I kick on doing it.

Small Lady

'They Don't Know Their Good Luck'

There are some employed people that don't know about all their good luck and I'm talking about city employes and county employes, most downtown retail clerks, teachers and others who draw steady pay.

★ ★ ★

They're not put out of a job when there are things like the steel strike as many of us are, and even the businessmen feel it just like we do, but these lucky people ride along on top of the wave as usual.

★ ★ ★

I hope they know how well off they are and when they are figuring their annual wage, why, they might also figure that they get it very steady and the rest of us do not and that goes for business also.

Hourly GMC Truck

'Why Does He Mince Words?'

McDonald said in a nationwide message that industry was not prepared to bargain and compromise. When McDonald says "bargain and compromise," he means "give up and surrender," and why doesn't he say so?

Realist

'No Wonder Budget Has Been Sky High'

So Mr. Johnson is all upset because Eisenhower is "cutting peonie's dreams out of the budget." Well, now, isn't that just too bad.

★ ★ ★

Since when has the function of government been dream-fulfillment? Some of us poor fools who've always thought we had to carve out our own dreams are getting a little sick and tired of paving the way to Utopia for the ne'er-do-wells. Those who do the least to support government are always the ones with the longest reach in the handout line.

★ ★ ★

It's a sad reflection on American ambition when a man runs for election on a something-for-nothing platform. And even though it may get votes, I gave Johnson more credit than that.

Discouraged

'Ban That Book, Burn All Copies'

Lady Chatterly's Lover should be banned forever and all copies in existence collected and burned.

Shocked

'They All Turn Out for Rosy Shindig'

That was a great love feast they held in New York for Eleanor Roosevelt. Henry Wallace, who ran for President a dozen years ago on the Progressive ticket that got all the Communist vote, was there.

★ ★ ★

Then that pink Cyrus Eaton was on hand. And so was Tallulah Bankhead. And they had the other misfits who aren't sure they are Democrats first and Socialists second or the other way around, and they probably qozed socialism all over each other.

★ ★ ★

A select group of the nation's destructive elements was on hand to yip and yell for Eleanor and she loved it — and them.

U.S. American

The Almanac

By United Press International

Today is Thursday, Dec. 10, the 344th day of the year, with 21 more days to follow in 1959.

The moon is approaching its full phase.

The morning stars are Mercury and Venus.

On this date in history:

In 1817, Mississippi was admitted to the Union as the 20th state.

In 1830, American poetess Emily Dickinson was born.

In 1898, Spain signed a treaty officially ending the Spanish-American War and ceded to the United States The Philippines, Puerto Rico and Guam.

In 1941, Japanese planes sank the British battleships "Repulse" and "Prince of Wales" in the South China Sea.

In 1948, the United Nations adopted the universal declaration of human rights.

Here's a thought for today: American poetess Emily Dickinson said: "If I can stop one heart from breaking, I shall not live in vain . . ."

Portraits

By JAMES J. METCALFE

It still is not too late to send . . . Those Christmas cards to all . . . The many friends so many times . . . You promised you would call . . . But you should get them in the mail . . . Without the least delay . . . So they will be delivered well . . . In time for Christmas Day . . . Because if you should wait too long . . . To sign, address and blot them . . . Some folks may get the notion that . . . You mighty near forgot them . . . It takes such little effort and . . . It costs so little too . . . And once a year it surely is . . . The least that you can do . . . Each greeting is a handshake warm . . . That shows you really care . . . Bestowing Christmas blessings on . . . Your friendships everywhere.

Case Records of a Psychologist:

Misunderstanding Causes Jealousy

Laura's husband was so jealous he almost went completely berserk. But sometimes the shoe is on the other foot and it is the wife who is a slave to the Green-Eyed Monster. Scrapbook this case and send for the helpful booklet below if any evidence of unwarranted jealousy occurs in your family.

By DR. GEORGE W. CRANE

Case D-422: Laura B., aged 29, is a very attractive young wife.

★ ★ ★

"Dr. Crane," her husband confessed, "I am very jealous of Laura.

"Maybe it is because I am a shy, introvert, while Laura is popular and sociable by temperament. At parties, men like to talk to her, so she is always the center of male attention.

DR. CRANE

"She laughs with them and when they kid her, she kids back again, but I get so irate I chew her out when we get home.

★ ★ ★

"Last night we had a real fight and she threatened to leave me.

"Although I have no proof that she has ever been unfaithful, I eat my heart out with jealousy. If I am wrong, how can I get rid of this terrible thing?"

WHY JEALOUSY?

Jealousy usually indicates an inferiority complex, generally in the sexual realm.

Many husbands have absorbed a false notion about a woman's erotic hunger. The Kinsey Report helped abet this delusion.

So when their wives show no great eagerness for erotic caresses, the husbands immediately grow suspicious.

"All women must be wildly passionate," is their reasoning, "but my wife isn't! Ergo, she must be having an outside affair which explains her lack of hunger for romance with me."

This subconscious reasoning then may launch that husband on a jealous tantrum. He accuses his wife and makes all sorts of outlandish charges.

She may be reduced to tears and feel so confused and unhappy she even suggests a divorce.

Yet they may be otherwise compatible and wonderful folks. So it is high time the two sexes got a better understanding of each other's sex outlook.

★ ★ ★

Despite the Kinsey Report, women are notoriously under-sexed, as measured by the masculine standard.

Kinsey's supposedly sex-mad females weren't unduly passionate but simply thought they were. We psychiatrists often encounter such women who glibly say they are far more erotic than their mates. They aren't!

When we teach them how to conduct their marriage relations, they report back to us doctors that they were mistaken.

★ ★ ★

"Dr. Crane," is their invariable comment, "I was wrong. I didn't know what erotic compatibility really meant.

"Previously, I was just mildly aroused and left continually unsatisfied, so I misconstrued my dissatisfaction and thought I was ultra erotic.

"Now that I have learned the difference, I realize my husband is much more interested in sex than I am." The chief error in the Kinsey Report was the fact that the opinion of the subjects was accepted as a physiological fact.

We medics never let a patient's opinion of her ailment be used as our scientific diagnosis unless we double check and concur.

★ ★ ★

Laura's natural frigidity is thus causing her husband unnecessary anguish and inner torment. It can drive a good husband berserk.

So send for the booklet "Sex Differences Between Men & Women," enclosing a stamped, return envelope, plus 20 cents (non-profit).

Use it to banish unwarranted jealousy in both sexes. It solved Laura's problem. See tomorow's follow-up.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

New Products

Your Feet Tired? . . . Spray Leather

NEW YORK (AP)—Tight shoes bothering you when you get home from Christmas shopping these nights? Crocker Industries of Chicago has a new, pushbutton aerosol spray that's supposed to stretch any type leather, including suede and reptile, without damage. Spray the chemical where the shoe pinches and it should be comfortable after you've walked about for 15 minutes or so.

Just in time for Christmas, if a little late for the football season, is a stadium case made by U.S. Luggage & Leather Products Co. of New York.

The case has zippered pockets, sturdy handles and capacity for a 50 by 60-inch plaid blanket, two inflatable seat cushions and two plastic flasks (empty) with jigger caps. There's room, too, for programs and other paraphernalia of a football afternoon.

Tired of board games depending on some element of chance such as dice, wheels or cards? Here's a new game called Diplomacy which depends on human psychology for its action.

Three to seven can play, each to represent one of the great powers of Europe in 1914, with the action consisting of shifting playing pieces representing armies and fleets on a board map of Europe at that time. Players plan moves, write them on a pad and all expose their plans at the same time.

Two or more players may form secret alliances and plan their moves jointly. The human element enters in the individual's decision whether to cooperate with his or her ally.

That familiar cartoon and comic strip character, the wife who goes through her husband's pockets while he's asleep, would have a tough time with a coin bank made by Swank, Inc. of New York. Designed as a handy place to keep loose change overnight, the bank has a regular padlock and key.

Do-it-yourselfers and home gardeners may get some use from a new plastic gasoline tank cap that's said to eliminate fuel leakage and reduce fire hazards. Produced by Clinton Engines Corp. for its line of small motors, the cap is engineered to fit on a specially-machined metal lip of the gas tank. Gasoline that normally would spill from a full, or nearly full tank, is forced to run along the lip and drain back into the tank.

What is believed to be the world's most ancient theater was unearthed recently in the Basra El Sham area of Syria.

Started in Industry's Infancy

New CBS-TV President On Top at 40

By United Press International

James T. Aubrey Jr. joined a young industry in its young years. Today, at 40, he is president of the Columbia Broadcasting System television network.

Aubrey had been CBS-TV executive vice president for less than six months when he was catapulted into the presidency by the resignation Tuesday of Louis G. Cowan, originator of "The $64,000 Question."

But the former Air Force major has spent most of his business life in radio and TV—and with CBS.

He started as sales manager for CBS-owned TV station KNXT in Los Angeles and by 1956 was general manager of CBS-TV programming in Hollywood.

WITH ABC AWHILE

Aubrey left CBS in December 1956 to join the rival American Broadcasting Co. as vice president in charge of programming and talent.

In April 1958 he returned to CBS as vice president—creative services.

He was made executive vice president of the CBS-TV network June 1, 1959.

Aubrey graduated with honors from Princeton University in 1941 and immediately enlisted in the Air Force. He was stationed in Alaska as a cold weather test pilot and rose to the rank of major.

* * *

When he left the service, Aubrey worked with Street and Smith publications and Conde Nast Publications before joining KNXT.

In rapid succession he was made account executive for both the TV station and its sister radio station, KNX, and then general manager of KNXT and of the entire Columbia Pacific network. He held that post from October 1952 to June 1956.

FATHER AD EXECUTIVE

He is the son of the board chairman of a Chicago advertising agency, Aubrey, Finley, Marley and Hodgson, and his three brothers.

One, Stever, is in advertising. Another, George, is an oil operator. His youngest brother, David is an account executive in Detroit with CBS's rival, NBC TV.

Aubrey is married to actress Phyllis Thaxter. They have two children, Susan, 13, and James, 6.

Lichfield grammar school in England, founded in 1495, listed writers Samuel Johnson and Joseph Addison and actor David Garrick among its students.

FEDERAL DEPT. STORES

Ohio Girl, 10, to Reign Over Santa Claus

SANTA CLAUS, Ind. (AP) — "It is the greatest honor to be born on Christ's birthday, the happiest day in the year," says a 10-year-old Ohio girl.

★ ★ ★

Those are the words of Sharon Gentner of Akron, Ohio. She penned them in a letter which brought her the title of honorary mayor of Santa Claus.

★ ★ ★

The fourth-grade student said in her request to the Santa Claus chamber of commerce: "It would be a great honor because Santa Claus town must be a town of love — because Santa loves all children so much."

Her entry was one of some 500 coming from all over the nation and foreign countries, asking for the unique yule present. And she received it — possibly because she added, ". . . That's all I would ask for Christmas and my birthday."

★ ★ ★

And so, Sharon, her mother, Mary Gentner, and her 13-year-old brother, Kenneth, will reign over her tiny domain Saturday. And she'll have the necessary things that all mayors should have.

The letter contest was for children 6 to 12 who were born on Christmas Day. Many entrants complained of the holiday timing that prevented them from having a separate birthday.

MASSAGE AND HEAT combine to rest weary bones during holidays. This cyclopad is compact relaxer.

Widow Donates Mt. Vernon Type Home for Girls

MARLBORO, N. J. (AP)—A large mansion designed after George Washington's homestead in Mt. Vernon stands in rolling countryside here on a 345-acre estate.

★ ★ ★

Mrs. Sara S. Collier, widow of the late magazine publisher, decided to put its beauty and utility to good use in 1927 by giving the estate to the Sisters of the Good Shepherd, a Roman Catholic community of nuns.

★ ★ ★

Today emotionally disturbed girls, many from broken homes, are helped toward proper life adjustment in the big mansion, called Collier School of the Good Shepherd Convent.

Poland, Yugoslavia Sign Big Trade Pact

WARSAW (UPI) — A 66-million-dollar trade agreement has been signed by Poland and Yugoslavia for 1960 under which Poland will export industrial equipment, coal, coke, rolled products, chemicals, drugs, synthetic rubber, textiles, sugar and household articles.

In return, Yugoslavia will deliver concentrated zinc ore and pyrites, colored metals and products made of them, rolled products, cellulose, leather, synthetic fiber and food products.

PRESENT WITHIN a present is favorite cake in polyethylene canister.

University of Pennsylvania was founded in 1740.

Parents Report 4 of Their Sons Now Are Priests

LOUISVILLE, Ky. (UPI) — For the first time in 20 years, Mr. and Mrs. Vincent Dentinger have no son studying for the priesthood.

"It's going to seem funny not to be sending Christmas packages off to the seminary," says Mrs. Dentinger.

★ ★ ★

Father Gerald Dentinger, 26, the youngest of four sons to become priests, recently celebrated his first solemn high mass in St. Francis of Assisi Church, the family parish.

★ ★ ★

The occasion inspired a family reunion. Others present included Father Roy, 33; Father Vincent, 31, and Father Donald, 27.

Mrs. Dentinger was named Kentucky's "Catholic Mother of the Year" for 1959. She and her husband have four other sons and a daughter.

$1,500,000 a Day to Store Surplus Grain

NEW YORK (UPI)—Uncle Sam is spending $1,500,000 a day just to store the surplus grain that keeps piling higher in the nation's storage bins.

★ ★ ★

The U.S. already has more than $9 billion invested in price-supported farm products, and the cost is climbing at the rate of some $3 billion annually, according to the Committee for Constitutional Government.

DOWNTOWN AND DRAYTON PLAINS

Better Outlook for Collegians

Survey Reveals Pay and Job Prospects Are Up From Last Year

EVANSTON, Ill. (UPI)—Job and pay prospects for the 1960 college graduate are brighter than a year ago, a survey showed Wednesday.

★ ★ ★

Northwestern University's 14th annual college employment survey indicated that business and industrial firms will hire about 19 per cent more graduates next spring and offer them salaries about 4 per cent higher than 1959 levels.

Frank S. Endicott, director of placement, said the survey covered 211 companies which actively recruit graduates throughout the nation.

The survey indicated that the average company will offer $515 a month for beginning engineers, $450 for accountants, $434 for salesmen and $424 for general business trainees.

★ ★ ★

Endicott said 46 per cent of the companies plan to visit more schools in stepped-up recruiting drives. Only 19 per cent plan to curtail recruiting.

Cones of the sugar pine tree range from 12 to 18 inches in length.

India's President Prasad an Old Disciple of Gandhi

By United Press International

At 75, President Rajendra Prasad of India is one of the oldest living lieutenants of Mohandas K. Gandhi. And like Gandhi he was in and out of British jails during the struggle for independence.

As is true of many of the men who followed Gandhi, Prasad came from an aristocratic family and was a highly successful lawyer before he joined in the fight for freedom.

★ ★ ★

Prasad was the first president of India's constituent assembly when the battle was won. Later he became minister of food and agriculture. When India became a republic he was the first president. He was re-elected to the post twice, in 1952 and 1957.

Prasad is a plain man with plain tastes and habits. He is a strict vegetarian. He does not drink alcohol and spends two hours in the morning and one hour in the evening at prayer.

Prasad has written several books, including his autobiography. He enjoys wide respect in India.

Prasad's wife is seldom seen in public, but occasionally attends extremely formal state occasions. She and Prasad have several grandchildren.

Hit by the Book

MIDDLETOWN, Conn. (UPI) — Mrs. Alma Schofield was arrested on 977 counts of embezzlement. Authorities estimated it would take a whole day just to read the charges.

Stranded Greek Seamen to Seek Jobs in N.Y.

DETROIT (UPI)—Stranded crew members of the Greek-owned ship Theodoros-A were to leave here Wednesday for New York in search of new jobs.

If they don't find jobs by Saturday the men will be sent back to their own countries by immigration authorities.

The ship was seized in Lake St. Clair on Nov. 8 by U.S. deputy marshals for nonpayment of bills.

Last year advertisers spent approximately $4.00 in national newspaper advertising for each person in the United States to acquaint them with their products.

Three Russian A-Subs Reported in Pacific

HONOLULU (UPI)—Three Soviet atomic submarines are operating in the Pacific, the Honolulu Advertiser reported Wednesday.

★ ★ ★

The newspaper quoted a reliable military source as saying the three A-subs represent half of the Soviet nuclear submarine fleet. Three others are reported to be with the Soviet Atlantic fleet, it said.

To Be Museum

GREAT BARDFIELD, England (UPI) — The Historical Society here is going to restore its oldest and smallest cottage as a museum piece.

PARK BEHIND STORE—IT'S FREE!

S. Saginaw at Orchard Lake Ave.

AN OLD-FASHIONED TREE: This young lady is decorating an old-fashioned tree with gay red candles and sparkling snow. Natural looking as it is, the snow will not melt. It is made of soapsuds and water, whipped to the consistency of thick dough.

Old-Time Tree Needs Candles

Then Trim It With Suds to Look Like Snow on Green Pine

If you have a hankering for the good old days, you might wish to create in miniature a traditional Christmas tree — a red and green tree that glows with candles and sparkles with snow.

Either a natural evergreen or an artificial green tree will do, just as long as it is full and shapely.

Ornamentation should be simple: no more than small red candles and make-believe snow.

The candles may be purchased at the birthday party counter of the dime store. An effective size is about three inches.

To produce snow, pour two or three cups of packaged soap or detergent in a mixing bowl, add a little water, and stir with a spoon until the texture is dense and dough-like.

If additional suds are required, another batch may be prepared easily. It is better to prepare the snow in small quantities because it dries rapidly.

★ ★ ★

This suds-dough performs a double service — it provides both glittering adornment, and also the base to hold the candles.

Start at the top of the tree. Take a small quantity of the suds mixture and roll it about in your hands until a ball is formed about the size of a large marble. You might wish to mold the contours in a swirling, sculptured form.

Imbed a candle firmly in the center of the suds-ball and press the ornament on the top branch. The suds will be adhesive enough to stay in place as it dries to form a permanent seal.

Continue this process until the whole tree has been decorated. For an added frosty effect, drift some suds-snow on the branches with your fingers or a spoon.

Preparing this kind of snow requires a slightly different technique: add a bit more water to the soap or detergent and whip it with an electric mixer or rotary beater to produce a frothier texture like whipped cream or meringue.

Set your old-time tree on a hall table or television cabinet, in a window or use it as a table centerpiece.

Milk-Radiation Link Called Unjust Criticism

URBANA, Ill. (UPI) — Milk has been unjustly criticized as a main source of strontium-90 from nuclear fallout, according to a University of Illinois biological chemist.

Drinking more milk is instead the most logical way to reduce radioactive strontium-90 buildup in the body, Dr. Bruce Larson wrote in a research article slated for publication in the Journal of Dairy Science.

He said that Americans need not be alarmed about the level of strontium-90 in any of their food.

Panama Zone 10 Miles Wide

U.S. Holds Perpetual Lease on Canal Area but Fact Is Disliked

WASHINGTON — The Panama Canal Zone, target of a recent march by nationalist demonstrators, is a 10-mile-wide strip of land bisecting the Republic of Panama.

The United States holds a perpetual lease on the Zone to guard and administer the Canal. The marchers attempted to plant a Panamanian flag in the Zone to symbolize their view that Panama has sovereignty over the territory.

The 553-square-mile zone, however, is North American in character. Surrounded by Spanish-speaking people with a Latin culture, Zone residents cling to ways of their old home towns.

Family and social life, churches, clubs, sports, and jokes are North American in flavor. Children of the Zone often are educated in the United States.

RESIDENCE LIMITED

Zone residence is limited to civilian employes and their families, members of the armed forces, and those who work for business firms linked to the Canal. The population is about 55,000, including servicemen, the National Geographic Society says.

Personal ownership of land and private enterprise are not permitted in the Zone. The United States Government acts as employer, landlord, doctor, butcher, baker, hotel-keeper, recreational director and laundryman.

The area is, in effect, a government reservation where every activity must further the Canal's operation and defense.

The Canal is highly important to the Republic of Panama. About a third of the Republic's income stems from the wages of Panamanians working in the Canal Zone, from money spent by United States personnel, and from the annual fee the United States pays for use of the Zone.

★ ★ ★

This fee was increased from $430,000 to $1,930,000 by a treaty negotiated in 1955. The demonstrators who marched on the Zone want the Republic to get 50 per cent of the Canal tolls, which average about $40 million a year.

★ ★ ★

Agriculture takes second place to the Canal in Panama's economy. The principal products are abaca figer used in making rope, bananas, cacao, coconuts, coffee, cattle, rice, and sugar. Light industries contribute a small amount to the national income.

Bark Beetles Have Usual Family Life

CORVALLIS, Ore. (AP)— Scientists at the Oregon Forest Lands Research Center eaves-dropped on the Douglas fir bark beetle with microphones and discovered a story of beetle family life.

At 9:10 p.m. the first day, papa arrived home and a rhythmic cricket-like chirping began, mixed with irregular, sharp staccato noises.

★ ★ ★

The scientists could not determine if it was a family fight because Mr. Beetle got home late or if it was the usual beetle welcome.

★ ★ ★

At 9:38 all sound stopped.

At 9:55 there was some occasional scratching, which researchers said could have been the female excavating or preparing dinner.

At 10:19 vigorous chewing began, indicating the family had sat down to dinner.

Next day sounds like lusty singing as the beetles cleaned house were heard by the scientists. The mike picked up the noise of sweeping and every now and then bark dust was pitched out of a hole in the log.

★ ★ ★

The scientists said they knew the difference between male and female bark beetles because the one doing all the housework was always the female. As might be expected, the one making all the grumbling noises was invariably the male.

Last of the Empire! Was 109 Years Old

GRASS VALLEY, Calif. (AP)—The last traces of the famed Empire Mine have finally disappeared, 109 years after the day in 1850 when it began California's first mining operation.

★ ★ ★

A total 136 million dollars in gold was brought up from the Empire's 367 miles of underground workings until 1956 when the veins went dry and the mine was closed.

★ ★ ★

Recently the remaining equipment was either auctioned off or demolished.

How About Seder Lain?

OKMULGEE, Okla. (AP) — Residents on Napolein Street won city approval to change the name to Cedar Lane. They said nobody could ever spell Napoleon correctly.

536 Unused Sick Days Get Him 90 Paid Ones

HACKENSACK, N.J. (AP)—By not missing a day in 36 years, Angelo Pirrotta piled up a year and a half of unused sick leave when he retired recently from the Bergen County Road Department.

The 63-year-old worker was given 90 days paid leave by the county in appreciation for his 536 unused sick days.

More than 80 per cent of the world's merchant shipping tonnage was launched by the United Kingdom during the 1890's.

Service Man on Call Saves Life of Baby

TULSA, Okla. (AP)—Refrigerator repairman Norman Gibson went to the home of Mrs. Gaynell Durham on a routine call and was credited with saving the life of Mrs. Durham's 7-month-old baby.

Mrs. Durham said the infant girl quit breathing. Gibson gave her mouth-to-mouth artificial respiration and restored her breath.

Andorra, a 1130-square mile republic in the Pyrenees Mountains, has been a sovereign nation since the year 1278.

Consumption of Paper Quadruples Since 1899

PORTLAND, Ore. (UPI)—If you weigh 122 pounds, you read your weight in paper each year, according to the American Paper and Pulp Assn.

Total per capita paper consumption last year amounted to 405 pounds, nearly four times as much as the 58 pounds used in 1899.

The favorite musical instrument among Austrians is the piano, followed by the accordion, guitar, zither and violin.

Make It, Play It

CANTON, Ohio (AP)—Chess is a two-way hobby for 59-year-old Charles W. Corbett, president of the local chess club. Besides playing regularly for 30 years, he makes chess boards, spending up to 200 hours on each one.

Santa Claus OK With Mitchell

Labor Secretary Says Yule Gift Exchanges Not Against New Law

WASHINGTON (AP)—Secretary of Labor James P. Mitchell issued an opinion Wednesday to the effect that the new anticorruption labor law didn't abolish Santa Claus in the labor-management field.

Mitchell said in a statement he could find nothing in the law to discourage or prohibit "the traditional exchange of Christmas presents by employers and labor organizations."

By traditional, aides of Mitchell said, the secretary meant regular, usual and moderate gifts — not, for example, a fat diamond ring or an automobile.

Mitchell said traditional practices — such as holiday parties for employes where gifts and entertainment are provided — are still okay. So are charitable gifts by labor organizations.

★ ★ ★

The secretary said he had received several letters from reputable charities reporting that some labor organizations may be withholding customary donations in an erroneous belief they are now prohibited. The new law makes labor union officials more personally responsible for misuse of union funds.

LITTLE GABE AND THE GOLDEN STARS — A Christmas Story — By Walt Scott

Union Will Argue Great Lakes Firings

DETROIT (UPI) — Thomas Shane, district director of the United Steelworkers Union, said Wednesday grievances will be filed in the firing of three Local 299 officials by Great Lakes Steel Corp.

Shane accused the company of having a "contemptible attitude toward labor" after Local Vice President Martin Tarlowicz and George Kenyon and Frank Badalamente, chairman and vice chairman of the local grievance committee, were dismissed.

Shane said that under the USW contract with Great Lakes Steel only the Union can discipline a Union representative.

The dismissals came after the three local officials disrupted a management-called meeting to discuss charges of a slowdown at the company's roll shop.

Shane said that even though the three local officials have seniority rights at Great Lakes Steel they are full-time employes of the local and hence subject to discipline by only the union.

Detroit Attorney Heads Michigan Auto Club

DETROIT (UPI)—Detroit Attorney Howard C. Baldwin was elected president of the Automobile Club of Michigan Tuesday night at a board of directors' meeting.

Baldwin succeeds Frank J. Howlett as head of the world's largest auto club. The new president has been a director of the club for eight years and a member of the AAA's policy-making executive committee.

Helicopter Grabs Altitude Record at 29,770 Feet

BLOOMFIELD, Conn. (AP)—A helicopter record was unofficially established Wednesday by the Air Force.

★ ★ ★

A Kaman H43B crash-rescue turbine-powered helicopter reached 29,770 feet in altitude, a little under an hour after it took off from the Bloomfield plant grounds.

★ ★ ★

The record is far higher than the previous one established by a Soviet helicopter on March 12 this year. Its altitude was 21,932 feet.

★ ★ ★

The climb will not be official until instruments sealed in the aircraft are checked.

Red China Again Warns Against U.S. 'Penetration'

LONDON (UPI) — Communist China Wednesday again warned against alleged penetration of its territory by American planes and warships.

A Peiping radio broadcast monitored here said the Communist Chinese foreign ministry issued "the 77th serious warning in relation to the military provocation by the U.S. warship."

It alleged a warship intruded into Chinese territorial waters off Fukien Province Wednesday morning.

Firemen to the Rescue

NORMAN, Okla. (AP) — Two-year-old Rosemary Offutt wiggled her thumb and the fire department came to her rescue. She had caught the digit in a tin can.

Grand Rapids Will Have Drive-In Stamp Booth

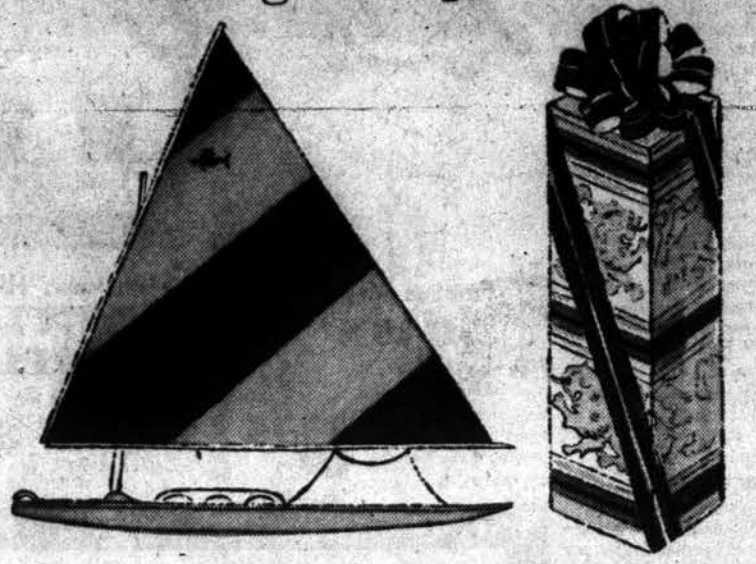
GRAND RAPIDS (AP) — The main Grand Rapids post office will set up a drive-in stamp booth Dec. 14. Postmaster H. Wayne Parker said it will be operated through the Christmas season "if it proves popular."

He urged patrons to have correct change ready for three and 4-cent stamps to eliminate possible traffic congestion. A similar downtown booth for pedestrians last year drew little interest, Parker said.

On to the End

AUGUSTA, Maine (UPI) — Maine's Inland Fisheries and Game Department recently issued this list of "symptoms" of so-called moose sickness: loss of weight, drowsiness, loss of balance and death.

Great gift inspirations!



Perhaps you can't delight everyone on your list with a Sailfish (a fast, unsinkable craft for sailing or racing fun at about $400) but you can give the world's most wanted gift whisky—Canadian Club—"The Best In The House" in 87 lands. Beautifully foil-wrapped and ribboned in a variety of colorful holiday packages.

If Steel Strike Resumes . . .

There's a Shiver in Carmakers' Optimism

By BEN PHLEGAR
AP Automotive Writer

DETROIT — The auto industry plans to build almost one million cars between now and Jan. 26 when the "Taft-Hartley injunction" runs out in the steel strike.

Production beyond that date will depend strictly on the steel negotiations.

If the strike resumes, car building will grind to a halt—not immediately but considerably sooner than it did when the strike first started.

If the strike is settled, the automakers under current plans will continue to build at or near record rates through March.

PREFERS BRIGHT SIDE

Publicly at least, the auto industry much prefers to look on the bright side—that steel will be available.

It feels some of the sales lost due to shortage of cars in the final quarter of 1959 never will be made up in the 1960 model year.

And it is fearful another production shutdown might put a permanent blight on the year.

★ ★ ★

This was supposed to be one of the greatest years in the history of the auto industry. Executives were highly confident as they unveiled their new models.

They spoke brightly of the new markets they expected the compact cars to create. Buyers who had been absent since the industry's record year, 1955, were sure to be back this time.

Public reaction when the models went on sale in October appeared to justify the high hopes. Dealers almost unanimously told the factories of increased consumer interest. Sales boomed.

BRIEF BOOM

The boom was brief. In came November and out went the would-be buyers. Sales dropped to half of October's figures. General Motors shut down all its carmaking divisions for lack of steel.

Chrysler began cutting back toward eventual shutdowns. Dealers complained the factories dropped promotion and curtailed advertising.

Word got around that if you wanted a car you'd better be prepared to pay the full list price.

Some dealers who had cars maintained they were as ready as ever to deal if they could find the customers.

The pendulum is swinging again and optimism once more is the fashion. General Motors is back in business. Chrysler is on the way back, having resumed Valiant and Imperial production yesterday.

Last weekend the Department of Commerce issued a glowing 1960 prediction. It estimated sales for the next year at 6,700,000 cars, somewhat higher than what the industry itself predicted at model introduction time.

William C. Newberg, executive vice president of Chrysler, says these industry estimates "are getting a careful second look, and generally speaking, they are being revised upward."

Can Eliminate Strontium From Animal Bodies

BALTIMORE, Md. (AP)—Three Baltimore doctors have found a way to flush radioactive strontium from the bodies of animals.

Injections of harmless sulfates, common salts of sulfuric acid, do the trick, according to the three researchers at Johns Hopkins medical school.

★ ★ ★

If the sulfates work the same way in humans, the discovery could help save persons exposed to strontium radioactivity in laboratories, bomb tests or nuclear warfare.

★ ★ ★

The doctors say the injections boost excretion of strontium by 5 to 20 times the normal rate—before the strontium enters the bones. Strontium is one of the radioactive ashes in nuclear fallout.

Radio and television station invested $20,857,000 in daily newspapers in 1958 — 16 per cent more than in 1957 — to tell the public about their programs and personalities.

It's a Swell Fine

NORFOLK, Va. (AP)—An oysterman here was fined $1,000 for washing oysters too long. A federal agent testified in federal court that he washed them more than 30 minutes, which causes the oysters to swell. Result, customer is short changed.

Cardinals-Elect Arrive in Rome for Investiture

VATICAN CITY (UPI) — The cardinals-elect of the Roman Catholic Church began arriving in Rome Wednesday for formal investiture next week.

The Vatican City newspaper Osservatore Romano published the "Intimatio" of Msgr. Enrico Dante, papal master of ceremonies, setting next Monday as the date for a secret consistory by Pope John XXIII.

The announcement said the public consistory would be held Dec. 17.

Algeria has an area of 852,600 square miles.

Use Right Way to String Lights

Check 'Em Over Early; for 4-Foot Tree About 3 Dozen Needed

It pays off to string Christmas tree lights properly. The result is more effective and the task is easier.

★ ★ ★

With these objectives in mind, Myrtle Fahsbender, a director of home lighting, says, as a starter, give a careful once-over to strings of lights on hand from previous Christmases. Straighten out the kinks and check for frayed cords or damaged sockets.

Arrange lights on the tree, beginning at the top and work down. Place lights on the inside boughs first and work from the trunk outward toward the tips of the boughs.

However, for another effect wind the strings from the tree top down and around in a spiral design.

Keep tinsel roping and metallic icicles away from the light bulbs and sockets.

To help estimate how many lights are needed for trees of varying heights, use this rule of thumb:

Height, in feet	Lights
4	35
5	56
6	77
7	102
8	140
10	210

HERE'S that man again. Cut bottle topper Santa Claus from felt. Eyes and nose are cover-your-own buttons as is fur hat tassle.

Brazil, Soviet Agree on $200 Million Pact

MOSCOW (AP)—Brazil and the Soviet Union agreed Wednesday to exchange goods worth 200 million dollars in the coming three years.

Russia will take 18 million dollars worth of Brazilian coffee in the first year.

★ ★ ★

Brazil will get oil and wheat from Russia but in an amount not immediately specified.

Meantime, tentative agreement also was reached under which Brazil hopes to build here a "Hall of Brazil," to promote coffee-drinking in this country, now given over heavily to tea.

New Delhi Cleans Up for President

Sleepy Beggars in India Fret at Having to 'Beat It'

By B. K. TIWARI

NEW DELHI (UPI) — "Why should I like Ike?" asked Ram Singh, one of New Delhi's thousands of beggars. "Because of him I am deprived of sleep."

Ram Singh and a host of other homeless persons were hustled from their favorite sleeping places in public squares and the arcades of downtown business buildings by police under orders to make the city more presentable for President Eisenhower.

Driving from Palam Airport to the magnificent home of President Rajendra Prasad, the former viceroy's palace atop Raisina Hill, Eisenhower saw some of India's most fashionable real estate—the imposing homes of top government officials set in pleasant gardens on broad, tree-shaded avenues and the turreted former "town palaces" of maharajas.

But the President would have seen a very different picture if he had slipped away from his official party and visited some of the poorer sections of New Delhi and the fetid slums of adjoining Old Delhi.

★ ★ ★

The teaming area around Old Delhi's Red fort, one of the architectural wonders of the world built by the Moghul emperors, Eisenhower could ride through streets littered with filth and rotting fruit, peoples with leprous mendicants, panhandling in defiance of police regulations, haggard women, and naked children. Here he could smell some of the most pungent odors in the world.

New Delhi has been "Off Limits" to sacred cows for several years, but the ailing, underfed beasts still roam the streets of Old Delhi unchecked, blocking traffic and nuzzling at fruit and vegetable stalls. Bullock carts help to block the narrow streets.

Hundreds of tramps have been told to find sidewalk camping places away from midtown New Delhi while Eisenhower is in the city. Many of them are bitter about it. The comings and goings of presidents, kings and dictators disturb the only peace they know—sleep.

Urban Renewal Eyed in Grand Rapids Move

GRAND RAPIDS (UPI)—A 1½-million-dollar urban renewal project for a blighted area near downtown Grand Rapids was a step closer today with city commission action to hire appraisers.

City Planning Director Keith M. Honey has completed paperwork with the federal government on the site along the Grand River on the near west side.

The Cathedral of the Assumption Catholic cathedral in the United in Baltimore is the oldest Roman States.

Hal Boyle's Letter to Santa

Be a Saint, Nick, and Bring 'Em These

NEW YORK (AP)—An open letter to Santa Claus:

Dear Santa:

★ ★ ★

Again it is time to make up your Christmas list of presents for all the good and naughty children of the world.

There isn't much you can do for a cantankerous middle-aged columnist, so all I'm asking for myself is a bottle of feel-younger pills and a sure cure for baldness. Last year I asked for something to keep my hair from falling out, and all you brought me was a jar of glue.

BOYLE

★ ★ ★

But I thought you might need some help in making out your list for other people. So here are some suggestions on what you might bring some well-known names or institutions in the news:

Manager Casey Stengel of the New York Yankees—a new ball club.

Adlai E. Stevenson—A guided tour of the White House.

Sen. John F. Kennedy—A crew cut.

Vice President Richard M. Nixon—A cat named Chess, to play with his dog, Checkers.

Poet Ogden Nash—A rhyme for orange.

A LONG SHOT

President Eisenhower—At least one 300-yard drive.

Ingemar Johansson—The check from his last fight, and another opponent before his 40th birthday.

CBS President Frank Stanton—A fix-proof quiz show in which the contestants receive the answer and try to figure out the question.

NBC Chairman Robert Sarnoff—Ditto.

Ex-President Harry S. Truman

★ ★ ★

—A player piano with a recording of "The Missouri Waltz" by Van Cliburn.

Rock 'n' roll music—A year's rest.

Dave Garroway — An evening show.

Jack Paar—A morning show.

Eleanor Roosevelt—A post as Den Mother for the brawling Democrats.

Gov. Nelson A. Rockefeller—a good issue.

★ ★ ★

The U. S. dollar—A shot in the arm.

The cost of living — A tranquilizer.

Ernest Hemingway—An electric razor.

Prime Minister Nehru of India—A new overseas cap.

Winston Churchill—A Texas hat and a box of cowboy-sized cigars.

The whole world—A year of warmer peace.

Your little friend,
Hal Boyle

High Court May Get State BAT Hassle

DETROIT (AP) — United States Gypsum Co. is considering a possible appeal to the Michigan Supreme Court on dismissal of the firm's suit challenging the validity of the state's business activities tax.

The levy has dumped 50 million dollars a year into state coffers.

Wayne County Circuit Judge Chester P. O'Hara found "no cause for action" in the suit in which U.S. Gypsum contended the manner in which the tax was adopted in 1953 did not follow state constitutional procedures.

The firm had sought to regain $40,000 it had paid under protest in the form of a business activities tax, a levy on "value added" by business. Michigan is the only state which has such a law.

★ ★ ★

Commenting on the judge's action at Lansing, Atty. Gen. Paul L. Adams said:

"Michigan's tax structure would have been dealt a staggering blow" had the company's challenge been upheld.

2 Grand Rapids Firms Get Airport Contracts

GRAND RAPIDS (AP)—Two Grand Rapids firms have received engineering and architectural contracts worth approximately $5,302,000 for development of the proposed new Kent County airport in suburban Cascade Township.

The move is subject to board of supervisors approval. The County Board of Aeronautics Tuesday awarded the prime contracts which exclude land costs.

Readers see more color ads in daily newspapers every day. Over 1,000 newspapers with a combined circulation of over 47,000,000 in the U. S. and Canada now offer ROP color to advertisers.

Ford Xway Stretch Will Open Dec. 16

LANSING (AP)—A 4.9 mile stretch of the Edsel Ford Expressway in Wayne County, costing 40 million dollars, will be opened to traffic Dec. 16, the State Highway Department said Wednesday.

The new section, connecting on the east end of the present expressway, runs through Harper Woods to within 1,000 feet of the Wayne-Macomb County line.

The opening will raise the length of the expressway in use to 15½ miles.

State, county and city officials will take part in dedication ceremonies.

COWPOKE sights his target, then lets go with a new repeater gun. It shoots two table tennis balls.

Yule Tree Law Called Success

Tightened for Schools to Reduce Danger of Disastrous Fire

EAST LANSING (UPI) — The head of the State Police Fire Marshal Division today cautioned against use of Christmas trees in schools.

★ ★ ★

"Our aim," said Capt. Glenroy Walker, chief of the division, "is to reduce the number of trees in schools."

Walker said a modification of public assemblage regulations for the state as it pertained to schools was in the second year of effect and so far was working well.

The regulations call for only one tree in any room in a school and ban the trees from all classrooms except for kindergarten rooms.

Single trees may be erected in gymnasiums, auditoriums and multi-purpose rooms also, Walker explained.

★ ★ ★

The tree is allowed in kindergartens because a study showed it was most desirable for children that age, Walker said.

Trees must have approved lighting, be in water, have sufficient moisture to cut down danger of fire and cannot be put up any more than 10 days before Christmas vacations begin, Walker said.

The trees must be removed as soon as vacations begin and can be lighted only when supervised.

Tiny Bug Contributes to India's Economy

NEW DELHI (UP)—A tiny bug — the lac — contributes an average of 20 million dollars to India's foreign exchange each year.

That is the value of exports of natural resin left by the lac on trees throughout upper east India. The resin is used in dyes, paints and varnishes throughout the world.

The lac gets its name from the Indian expression for $100,000 — lac or lakh.

Officials Say U.S. Could Support War Economy

BATTLE CREEK (UPI) — Armed Forces officials told a resources conference here Tuesday that the United States, although it is using raw materials at a record pace, has the materials and productive capacity to support a war economy.

Navy Capt. Carleton E. Mott said U.S. raw materials consumption between 1940 and 1950 passed production "and probably will never catch up."

Air Force Col. Ernest Williams said, however, that this country could produce enough food and other agricultural products to supply this country during a war and provide a surplus for allies.

Beats His Elders

RICHMOND, Va. (AP) — It is not silver threads among the gold but just the opposite at the Richmond Chess Club. The gold is the blonde hair of Robin Church, 11, who is not only a regular player but a regular winner. Oldsters, who do most of the playing, say the youngster wins three fourths of his games.

About 60 percent of Mexico's population is said to be of mixed Indian and European descent.

He Was on the Air

MARIETTA, Okla. (AP) — An inebriated entertainer provided a private show for Love County officers. He entered the unlocked sheriff's office — left open for highway patrolmen's use — and gave out with song and chatter over the two-way radio. The happy fellow paid a $62 fine.

A recent survey indicated that the United States will have fewer engineers in 1965 than it does today.

Wrong Number, Sorry

RICHMOND, Va. (AP) — There is no telephone listed for J. G. Henning Elementary School here and there won't be. But there is a telephone listed for J. G. Hening and he and his wife are tired of answering "Sorry, wrong number." The school was named for his late father.

"Hot logging" was a phrase once used in the timberlands of the West many years ago to mean "cut as fast as possible."

Cement Stock Good Buy

COLUMBUS, Ohio (AP)—A new runway for jet bombers and aerial refueling planes at the Strategic Air Command's Lockbourne base here has enough concrete to pave a four-lane highway, 27 inches thick, from Columbus to Chicago. That's more than 300 miles.

Uncle Sam Takes Over

LANCASTER, Wis. (AP) — Sign on a large barn near here: "The Weittenhiller Farm. Uncle Sam, Operator."

U.S. Owns 70 Per Cent of All World's Cars

NEW YORK (UPI)—The United States, with less than 7 per cent of the world's population, owns 70 per cent of all the world's cars, according to the American Finance Conference.

★ ★ ★

There are about 55 million passenger cars in the U.S. today, while the world figure is said to stand at about 83 million.

Monkeys to Africa?

SAN DIEGO, Calif. (AP) — The zoo, in sending a pair of monkeys to Africa, admitted that it might seem like sending snowballs to Alaska. But they were Central American spider monkeys, going to the Leopoldville Zoo under an exchange program.

Bird of Many Names

The Canada jay bird is also known as the moose-bird, whisky jack and camp robber.

India's National Income Rose 6.8 in One Year

NEW YORK (UPI)—India's national income rose 6.8 per cent over the preceding 12 months during the 1958-59 fiscal year, according to the Indian monthly economic newsletter.

Spokesmen said of the overall national rise, 5 per cent was contributed by agriculture.

Campbell Hill, 1,550 feet, is the highest point in Ohio.

His Slip in Legibility Cause of His Arrest

TUCSON, Ariz. (AP)—Irving Davis, 28-year-old salesman, pleaded guilty of forging a narcotics prescription after making a fundamental error.

A druggist said he became suspicious because the doctor's signature was too easy to read.

There are more than 30,000 hotels and inns and about 2,000 mountain huts in the Alpine area of Europe.

Bank Makes Costly Mistake in Its Silver

RIVERTON, Wyo. (UP) — A new "silver strike" was reported in Riverton recently.

But it wasn't a new mine — just an accident.

The First National Bank began circulating 10,000 silver dollars minted in Philadelphia in 1886.

Coin collectors snapped them up. Prior to the Riverton "silver rush," collectors were paying up to $12.50 for one of the dollars.

★ ★ ★

Bank officials said the shipment of old dollars was received from the federal reserve branch bank in Omaha and put into circulation before they realized their value as a collector's item.

New York ranks first in the production of talc and gypsum.

New York to Serve British-Type Lunch

LONDON (UPI) — "Cheap luncheons," British style, are due to appear on New York restaurant menus next year, according to the London Daily Mirror.

★ ★ ★

Its food writer, without naming them, said two New York restaurateurs had been in London studying inexpensive menu items, with a view of making British tourists feel at home when eating out in New York.

★ ★ ★

Dishes that reportedly made their list: sausage and mash; shepherd's pie, and chips and dumplings.

Interest on the U.S. national debt comes to about eight billion dollars a year.

Wyoming Court Upholds Validity of Carbon Will

CHEYENNE, Wyo. (UP) — The validity of a signed and witnessed carbon copy of a man's will has been upheld by the Wyoming Supreme Court.

★ ★ ★

The court overruled a district court decision that wills executed by Charles L. Stringer of Gillette in 1952 and 1954 were invalid because they were carbon copies, although duly signed and witnessed.

"There is no special virtue in typing by imprint through inked ribbon than through a piece of carbon paper," Justice Harry Harnsberger ruled.

Cleopatra is said to have applied castor oil to her skin as protection against mosquitoes.

He Has an Answer; It's Well-Deserved

CASPER, Wyo. (UP) — A woman complained a city employe abused her with vile language after giving her car a good whack with a broom.

City Manager Henry Rolfes investigated and found a street employe who confessed "cussing" the woman.

But he told Rolfes he lost his temper only after the woman drove around a "do not enter" sign, drove over freshly painted stripes, struck him from behind and knocked him to the pavement. He said his broom flew into the air and landed on the car.

Youth Grabs the Type

FREDERICK, Okla. (UP)—Editor of the daily Frederick Leader, Bob E. Cull, is only 21. His city editor, Miss Juriee George, is 18.

450,000 Cars Month's Outlook

Five Assembly Lines Go Back Into Operation as Comeback Grows

DETROIT (UP) — The auto industry expects to assemble about 450,000 cars or about two-thirds of normal production in December as the carmakers head back toward full operation following shutdowns caused by the steel strike.

★ ★ ★

Five car lines returned to production yesterday after some of them had been idled nearly six weeks for lack of steel.

They were Pontiac, Oldsmobile and Buick of General Motors Corp. and Valiant and Imperial of Chrysler.

GM now has some assembly lines rolling in all its five auto divisions. Full production is expected next week.

Dodge, DeSoto, Plymouth and Chrysler plants are idle. But they, too, hope to resume production sometime next week.

Studebaker - Packard reports enough steel to continue production into the new year.

★ ★ ★

Ford, American Motors and Studebaker-Packard have been working steadily, although Ford resorted to two short weeks last month to stretch out steel supplies.

U.S., Britain Agree on Foreign Aid Link

LONDON (UPI) — U. S. Undersecretary of State Douglas Dillon and British economic officials ended two days of talks today agreed on closer coordination of Allied aid to under developed countries.

No communique was issued. A spokesman merely said they had "useful business talks of an informal character."

But informed sources said they agreed that the West European nations, which have benefited from the recent economic boom, should cooperate more closely in helping the needy nations of Africa and Asia.

But Last China Emperor Unrewarded

History Selfishly Uses Henry

By PHIL NEWSOM
UPI Foreign Editor

Henry Pu Yi has atoned for his crimes.

History never will record great deeds of derring-do by Henry Pu Yi.

But he must rate at least a paragraph as the last of a dynasty, a pathetic figure swept along throughout his 54 years by events in which he was forced to play a part but over which he had no control.

In his lifetime, he sat upon two thrones and was ousted from both.

He was the last of the Manchu emperors who ruled China for nearly 300 years.

And he was the puppet whom Japanese set upon the throne of Manchurian state which they renamed Manchukuo.

In the meantime, he lived in the North China city of Tientsin simply as Henry Pu Yi.

The name cropped up last week in a list of nearly 60 others granted amnesty by the Red Chinese for various offenses ranging from political unreliables to war criminal.

Henry Pu Yi was in the latter category.

Henry Pu Yi ascended the crumbling throne of China in 1908 when he was two years old.

He succeeded the dowager Empress Tsu Hsi who made Peiping a forbidden city to foreigners and whose hatred of all outsiders finally exploded in the Boxer Rebellion.

Her extravagances and prejudices already had brought the country to ruin.

For four years Pu Yi ruled through a regency, finally being forced to abdicate in 1912 with establishment of the republic under Sun Yat-Sen.

He returned briefly five years later but again was forced to abdicate, this time within a month.

For nearly 20 years thereafter he lived the obscure life of plain Henry Pu Yi.

But in 1934 a militant Japan had overrun Manchuria, which had the coal, minerals and expansion room the Japanese needed.

They also needed some form of legality to mask their outright steal of a huge chunk of Chinese territory.

HE WAS THE ANSWER

Henry Pu Yi was their answer and they placed him on the puppet throne while they proceeded to build their railroads and dams and a great industrial complex in preparation for World War II.

★ ★ ★

At the end of the war, the Russians found him and took him to Tokyo to testify in the war crimes trials and then turned him over to their Red Chinese allies.

Reports say Henry Pu Yi has been brainwashed now. There are no more thrones for him to sit upon and he can go back to obscurity as plain Henry Pu Yi.

But in his lifetime he has served as a bridge for history, through nearly 50 years of turmoil in China, and in a way has seen history repeat stself.

The dowager empress whom he succeeded had made Peiping a forbidden city.

"At long last, I learned the error of my ways!"

Still wrapping my own, too proud to quit. *Then I became knowledgeable!* Imperial Whiskey comes beautifully gift-wrapped, *free*. Definitely impressive. Always in good taste. So solve your gift and wrapping problems the easy way. Give Imperial!

Titan Missile Fails to Get Off Ground

CAPE CANAVERAL, Fla. (AP) —A powerful engine of a Titan intercontinental range missile ignited today, but the giant failed to get off the ground in an attempt to fire its second stage for the first time.

When the countdown reached zero, flashes of flame burst from the base of the rocket. They died quickly and the 98-foot rocket remained locked on its pad engulfed in billows of black smoke.

The missile probably was saved from destruction by an automatic sequence system that signaled engine cut off when it detected technical difficulties. Ballistic missiles fired here usually are held on the pad a few seconds after ignition in case last-second trouble develops.

McDonald Urges Steel to Put Forth Retroactive Offer

WASHINGTON (AP) — The Steelworkers Union asked the industry today to make strike settlement terms retroactive and to pay before Christmas a cost of living wage increase expected Jan. 1.

★ ★ ★

An interim agreement to that effect now "would contribute to the collective bargaining climate of the final settlement," President David J. McDonald said in a letter to heads of the various companies.

He made the letter public as union and company negotiators were summoned to another joint afternoon meeting with federal mediators.

There was no immediate comment from industry sources.

McDonald asked that whatever settlement terms are agreed to be made retroactive to Nov. 7, when a Taft-Hartley law injunction sent the men back to work after a 116-day strike.

ASKS TIT FOR TAT

Contending the men have helped the industry return to quick production, he said "we trust that the industry does not wish to reap the sole benefit of this period of enforced production."

The contract which expired last June 30 provided for cost of living adjustments as of each July 1 and Jan. 1 and McDonald said that under the court order, terms of that contract remain in effect.

★ ★ ★

The January adjustment would be based on the November living cost figures due about Dec. 21, McDonald said. A wage increase of several cents an hour may be indicated. The industry has not indicated whether it considers that part of the contract still in effect.

ARBITRATION REJECTED

The industry meantime turned down a suggestion by Secretary of Labor James P. Mitchell that outsiders be invited to recommend a solution in the dispute.

The secretary had proposed Monday that the strike issues be put up to a fact-finding board or to the Federal Mediation and Conciliation Service for a suggested solution, or to binding arbitration of points on which there was no agreement.

The union agreed to either method of outsider recommendations, but opposed arbitration.

R. Conrad Cooper, head of the steel negotiators, said third party intervention in past steel disputes always has produced "a highly inflationary result" and the industry is unwilling to have it happen again.

Mitchell's Name Up and Coming

Oakland's Broomfield Sees Him as Balance Against Kennedy

Should Democrats tap Massachusetts' Catholic Sen. John F. Kennedy for the 1960 presidency nomination, Republicans might match him with a Catholic presidential contender of their own — Labor Secretary James Mitchell.

★ ★ ★

Congressman William S. Broomfield (R-Oakland County) said there was "considerable talk" in this direction in Washington.

"Don't count out Mitchell. He is extremely able and he is a Catholic and from Massachusetts, which would prove a nice balance against Sen. Kennedy," Broomfield said.

But Broomfield said he hoped religion would have no part in picking the next president.

★ ★ ★

Although he said Ford was his first choice, Broomfield predicted Rep. Gerald R. Ford Jr. of Grand Rapids would be a dark horse for the vice presidency nomination.

★ ★ ★

He agreed with most forecasters that the strongest GOP ticket appeared to be Richard Nixon for president and New York Gov. Nelson Rockefeller for the vice presidency.

"But I don't believe Rockefeller will take the second spot," Broomfield said.

Tebaldi Reigns at La Scala; Has 15 Calls

MILAN, Italy (UPI) — Soprano Renata Tebaldi reigned today as queen of the Milan operatic realm once ruled by the lovely voice and shrill temperament of Maria Callas.

Tebaldi ascended the throne on the La Scala Opera House stage last night over the half-hearted protests of the Callas clique, the same group whose hisses and catcalls sent her fleeing in tears from the same stage four years ago.

★ ★ ★

The Neapolitan soprano's comeback appearance at La Scala, in Puccini's Tosca, won her 15 curtain calls and tumultuous applause that drowned out the feeble boos of the "Callasians."

Tebaldi fans jubilantly flung 2,000 pink carnations onto the stage.

Admits Carrying Unregistered Gun

Norris B. Sells, 34, of 125 N. Perry St., yesterday pleaded guilty to a charge of carrying an unregistered gun.

He paid a $90 fine, $10 costs and was put on two years probation by Waterford Township Justice of the Peace Patrick Daly.

Sells was picked up by Waterford Township police Nov. 23 at the Huron Bowling Alley, when owner of the Alley, Joe Bonfiglio, reported the man had a gun.

Actor Henri Vidal of France Passes

PARIS (AP)—French movie actor Henri Vidal, husky husband of actress Michele Morgan, died today.

Vidal, 40, had appeared in more than 30 French movies. Physicians called to his home about 6 a. m. said that he died of a heart attack.

Joe (Moon) Harris Dies at 68; Had Long Illness

PITTSBURGH, Pa. (AP) — Joe (Moon) Harris, a former major league ball player, died today at his nearby Plum Borough home after a long illness. He was 68.

Harris started his big league career with the New York Yankees in 1914 as an outfielder. In the next 14 years, he saw duty both in the outfield and at first base with the Cleveland Indians, Boston Red Sox, Washington Senators, Pittsburgh Pirates and Brooklyn Dodgers.

There are over 68,000,000 passenger cars, traveling on the nation's highways today. Automotive advertisers, who invest more money in daily newspapers than any other group of advertisers, spent $159,227,000 in newspapers in 1958 to reach the drivers of these cars.

Wants Free Vote in North Korea

U.N. Once More Asks End to Repression in Hungary

UNITED NATIONS, N.Y., (AP) —The United Nations has called once more for an end to acts of repression against anti-Soviet Hungarians and for free elections in Communist North Korea.

The 82-nation General Assembly overwhelmingly approved resolutions Wednesday containing the appeals. The Communist bloc voted against both resolutions, which the Reds are sure to disregard as they have similar ones in the past.

★ ★ ★

The mildly worded resolution on Hungary, approved 53-10 with 17 abstentions, deplored the "continued disregard by the Soviet Union and the present Hungarian regime of the General Assembly's resolutions" adopted after the Soviet army crushed the 1956 Hungarian revolt.

★ ★ ★

It asked Sir Leslie Munro of New Zealand, U.N. special representative on Hungary, to continue seeking implementation of the earlier resolutions. These demanded withdrawal of Soviet military forces from Hungary and restoration of political freedom for the Hungarian people.

It also requested the Soviet Union and the Hungarian government to cooperate with Munro.

★ ★ ★

Not voting on the resolution were Finland and 16 nations of the Asian-African bloc: Afghanistan, Ceylon, Ethiopia, Ghana, Guinea, India, Indonesia, Iraq, Israel, Jordan, Lebanon, Libya, Sudan, Saudi Arabia, the United Arab Republic and Yemen. Morocco and Haiti were absent.

Meanwhile, the assembly's nine-nation credentials committee voted 7-2 for a U.S. proposal that the committee take no action on credentials presented by the Hungarian U.N. delegation.

The resolution urging free elections in North Korea was approved by a 54-9 vote, also with 17 abstentions. It was similar to appeals that have been issued by the U.N. and ignored by the Communists since 1954.

★ ★ ★

The assembly also gave three more years of life to the U.N. Relief and Works Agency. The agency is responsible for the care of a million Palestine Arab refugees.

Local advertisers agree that newspaper advertising pays off more than any other medium. Last year they invested over three times as much money in newspaper than in all other measured media combined.

Will Stage 1st Effort Tonight

Lakeland Players to Debut

The stage is all set for the curtain to rise at 8 p.m. Friday and Saturday, on the Lakeland Players' first production "Arsenic and Old Lace" at the Community Center in Waterford Township.

Newly organized, the group has some 50 members.

The mystery comedy in which two old ladies serve poisoned elderberry wine to 13 victims includes a cast of eleven men and three women.

Some 70 members have helped produce the show, under the direction of junior high school teacher Duke Chaffee.

Written by Joseph Kesserling, the plot deals with two charming and innocent ladies who populate the cellar with the remains of socially and religiously "acceptable" roomers.

The antics of a brother who thinks he is Teddy Roosevelt, and the actions of the other brother will keep the audience in suspense and laughter constantly, Chaffee said.

Township area people included in the cast include Mrs. George Foran, William Beaudoin, Mrs. Ralph Ellsworth, Gregory Peck, George Foran, William Salley, James Starnes, Robert Munro, Richard Thompson, James Tolfa, Gloria Hartman, Paul Ripley, James McMahon and Douglas Foran.

The production will be presented both on the stage and on the main floor, in a "horseshoe" effect, Chaffee said. Tickets will be available at the door, and all proceeds will be used to further other productions by the Lakeland Players.

Upswing Usually Follows Sales for Tax Losses

December Rule Calls for Stock Rally

By SAM DAWSON
AP Business News Analyst

NEW YORK—The time is near for the year end rally in stock prices—if this December follows the tradition.

The upswing usually follows the end of the period of selling to establish losses for tax purposes, which depresses stock prices. That should be over soon, if it isn't already.

★ ★ ★

The optimistic are looking for the rally this year for several reasons:

Chief is the reviving of confidence after the gloomy last weeks of the steel work stoppage. Almost without exception the predictions now pouring forth in volume call for booming months of industrial activity ahead. And there is growing belief that labor problems can and will be solved.

Steel's fast rebound is a big pepper-upper. The mills expect this week to see the greatest output of tonnage in their history.

And one result of that is that the auto companies are calling their workers back. Most auto payrolls are expected to be well fattened out in time for Christmas shopping.

★ ★ ★

And that, in turn, is one of the reasons that merchants as a whole look for the biggest Christmas trade ever.

The auto companies also are planning their greatest rate of production for the first months of 1960. If sales live up to expectations—helped along by the trend of Americans more and more toward installment buying—general prosperity seems certain for the winter and spring.

Wall Street bulls even take courage from the record high interest rates the U.S. Treasury is having to pay for short term borrowing. While many interpret that as evidence the drive to keep money tight is still strong, most bulls see it as evidence of the inflationary pressure which usually spells rising stock prices.

Other such pressures are the increasing wage scales in labor pacts already signed, the expectations of more to come.

Nearer home, Wall Street notes that corporate profits seem sure to rise in the final weeks of this year and the early months of 1960.

★ ★ ★

Dividend payments are running well ahead of last year. Many year end extras and increased dividend rates have been declared in recent weeks—and Wall Street sentiment responds quickly to that.

All the talk about the Golden Sixties has its psychological effect on the public and investors.

The Nile, which runs more than 4,000 miles from Lake Victoria to the Mediterranean, is the longest river in the world.

Smoke, Smog and Cancer

Scientists Explain Test

NEW YORK (AP)—Two new scientific reports say cigarette smoke and air pollutants in smog may contribute to development of lung cancer by interfering with fluids and minute hair-like structures in the respiratory tract.

The reports, issued by scientists at the University of Southern California School of Medicine, appear in the November edition of The Journal of the National Cancer Institute.

★ ★ ★

The reports said natural and artificial smog and their components, as well as smoke from both filtered and non-filtered cigarettes, affect the respiratory tract's defense mechanism in three ways.

They said they slow the flow of the mucous stream, change the physical properties of the mucous, and decrease the whip-like action of the fine structures, called cilia.

Normal functioning of the mucous and cilia prevent accumulation of foreign matter on the lining of the respiratory tract.

The scientists suggested that impairment of this function by smoke and cigarette smoke may permit abnormal retention of cancer-causing chemicals there.

★ ★ ★

They used the ciliated lining of the esophagus and adjoining portions of the intestional tract of frogs as representative of similar tissue in the respiratory tract of mammals such as man.

'Best County Physician' Passes in Kalamazoo

KALAMAZOO (AP) — Dr. Ralph Gilmore Cook, named Michigan's "foremost county physician of 1956," died Wednesday at a Kalamazoo hospital of a heart ailment. He was 78.

★ ★ ★

Dr. Cook, honored by the Michigan Medical Assn. in 1956, continued consultations at home until illness forced him to give up the practice of medicine altogether.

Dr. Cook held public office longer than any man in Kalmazoo County history, having been elected coroner for consecutive terms from 1916 to 1958, when he did not seek re-election.

★ ★ ★

He also was noted for his "Cook's tours" that he conducted for 28 years. Annually he organized trips, by Kalmazoo business and professional men to northern and southern hunting and fishing grounds.

Must Outstrip Reds' New Common Market

Vision Looks to Atlantic Trade Bloc

By K. C. THALER

LONDON (UPI)—The threat of an inter-Allied trade war has set off suggestions for an Atlantic super market linking Europe, Britain with the United States and Canada.

The vision looks to a giant free-nations trade bloc that would outstrip by a wide margin the Communist common market now in the making.

★ ★ ★

At the back of the visionary plan are growing fears in European government quarters that current inter-European trade conflicts and America's own economic problems could spark off a rift in Europe and, an even more dangerous cleavage between the United States and Europe.

Europe currently is faced with the problem of two major trade blocs and the question of how to link them up.

Germany, France, Italy and the Benelux countries are resolved to tighten their links of the European community both ecomically and politically.

Britain, the Scandinavian nations, Austria, Portugal and Switzerland have banded together in the so-called "Outer Seven" Club — the European free trade area.

U.S. KEEPS OUT

But the latter's efforts for a close link-up with the six-member European community have thus far failed. The United States has kept out of this development altogether though it has in the past come out strongly in favor of the European community.

Britain and the Outer Seven Club are looking for some support from the United States which they hope might be more feasible now that the United States is itself anxious to obtain a commitment from the European trade blocs liberalized policies.

American policy points to a pressing desire to safeguard U.S. outlets everywhere, notably in Europe, now that the European economy has made such an astonishing recovery.

The United States is already loosely linked with the rest of free Europe in OEEC, the Organization for Economic European Cooperation of which she is a member with Canada.

In the search for a joint solution to the economic problems facing all the countries of the West the question of a common approach to the problems of economic aid to the underdeveloped countries was expected, therefore to be linked also with the wider aspect of a possible Atlantic supermarket.

★ ★ ★

Apart from the immediate economic pressures in the United States and those between the two European trade blocs diplomats see the growing economic challenge from the Communist bloc as the most powerful incentive for broader Western pooling of resources as well as of opportunities.

India Adding Extra Police

Near Disaster as Ike Arrival Prompts Move for Safety Measure

NEW DELHI, India (AP)—The Indian government called in thousands of extra police from areas near New Delhi today to help keep future Eisenhower-admiring crowds under control.

There had been a near disaster when spectators swarmed around the motorcade carrying President Eisenhower and Prime Minister Nehru on the epochal ride from the airport to the Indian capital Wednesday.

★ ★ ★

Officials declined to say just how many reinforcements are being called in. But they confirmed that thousands will be added.

Another huge throng is expected Friday when Eisenhower opens the American exhibit at the World Agriculture Fair. Then on Sunday the President will have a mass audience for a speech he is to deliver in a public square.

Crosbys Will Renew Their Act in January

HOLLYWOOD (AP)—The four Crosby brothers will put their singing act together again in January, says Lindsay Crosby.

★ ★ ★

Bing's sons broke up their act in Montreal last week and canceled an engagement tonight at Palm Springs. Lindsay denied they were feuding. He concluded they had a "beef in Canada, but nothing serious."

★ ★ ★

He said the reason for tonight's cancellation is that Gary, oldest of the four, has a throat ailment. The brothers plan to open in Miami Beach, Fla., in January, he said.

There about 2,000 known species of mosquitoes belonging to the Culicidae family, according to the National Geographic Society.

AP Wirephoto

IKE'S HOST — India's first President, Rajendra Prasad, 75, is President Eisenhower's official host on the current visit in India during Ike's 11-nation tour.

Cranberry Sauce Load Seized in Baltimore

BALTIMORE, Md., (AP) — A shipment of 59 cases of cranberry sauce, traced after an investigation in other cities, was seized here Wednesday by the Food and Drug Administration.

The seizure was the first in Baltimore since the federal government issued a warning last month about tainted cranberries.

Says He Didn't Beat Wife Helen O'Connell

LOS ANGELES (AP)—Novelist Thomas Chamales has pleaded innocent to charges that he beat his wife, singer Helen O'Connell, and threw a milk bottle at her.

He goes on trial in municipal court Dec. 30. Chamales twice has been fined and put on probation for allegedly beating his wife during their 2¼-year marriage.

He Knew His Time

The first clock made entirely in America was constructed in 1754 by Benjamin Banneker, a Negro who had never seen a clock. It performed accurately for 20 years.

Four Children Die in Night Home Fire

CHESTER, Pa. (AP) — Four children perished Wednesday night in a fire which destroyed their home.

★ ★ ★

Police Sgt. Stanley Rogozinski said the blaze apparently was caused by an overheated oil stove.

He identified the victims as the children of Dolores Waites, 26.

They were Diane Wright, 9; Don Wright, 8; Keith Waites, 3; and Gregory Waites, 2.

Mrs. Waites escaped through a window she smashed. She was treated at Chester Hospital for a laceration of the arm.

Her husband, Philip, 38, a welder, was at work at the Sun Shipbuilding and Drydock Co.

The daily newspaper is the community's servant. It informs, entertains, advises, teaches. No two newspapers are ever alike. That's why over 100 million Americans look forward to reading their local newspapers every day.

AP Wirephoto

NAMED SUB SKIPPER — Lt. Cmdr. Norman Bessac Wednesday was named skipper of the Scorpion nuclear powered submarine to be launched Dec. 19 at Groton, Conn.

Bring World Up to U.S. Standard, Johnson Urges

DES MOINES, Iowa (UPI) — Sen. Lyndon Johnson (D-Tex) appealed today for the creation of an economic general staff to direct a monetary counter-offensive against the Soviet Union.

★ ★ ★

Johnson, speaking at a Lions Club luncheon here, said the Communists have decided to wage economic war on a principle of cheapening the products of the world by "cheapening the values the world places on human labor and management."

★ ★ ★

"There are only two ways we can go," said Johnson. "Either we bring the world to our standards. Or else we shall be brought down with the world to the standards of communism."

Ready in 2 Years

Space Observatory U. of M. Challenge

ANN ARBOR (AP)—A miniature space observatory which will circle the globe at an altitude of some 400 miles to measure ultraviolet rays, x-rays and radio waves, is being designed at the University of Michigan.

★ ★ ★

Prof. Leo Goldberg, chairman of the Department of Astronomy, said the 300-pound payload should be ready for launching from Cape Canaveral within two years.

"At a later date, a few years off, payloads of several thousand pounds are planned," he said.

Though work on the satellite observatory only recently got under way in the Astronomy Department, the first piece of hardware for the project—a vacuum tank—already is nearing completion, Goldberg said.

40 ON PROJECT

About 40 persons at the university will work on the project. Some of the work will be subcontracted to industry. The entire effort is financed by the National Aeronautics and Space Administration.

"We expect to be operating very extensively after the first of the year," Goldberg said.

Two separate NASA contracts are involved in the project. Goldberg and Prof. William Liller are working on equipment designed to measure ultravviolet rays and x-rays and Prof. Fred T. Haddock and his associates are developing devices to record radio waves.

★ ★ ★

"Both contracts call for preliminary design studies for equipping a satellite as an astronomical observatory," Goldberg said.

He explained that research is needed in both areas because "the earth's atmosphere acts as a solid wall as far as ultraviolet rays, x-rays and radio waves are concerned.

"Constituents such as ozone (a form of oxygen found in minute quantities in the air) absorb short waves and act as a mirror reflecting long radio waves back into space," he said.

2 EXPERIMENT TYPES

Radio wave experiments will be of two types, Goldberg said—one to record bursts of low frequency radio waves that can't be observed from the ground, and another to detect low frequency radiation from other solar systems in the universe.

"The whole program is designed primarily to advance our knowledge of the universe," he said.

"However, it has been amply demonstrated from years of research in the past that investigations of this type have a habit of being transalted into practical application."

One of these down-to-earth uses, he said, would be to relate weather forecasting asd radio communications.

The university's satellite, Goldberg hopes, will tell scientists more about "bursts of radio waves from the sun that appear to signal ejection of particles from that body which generate magnetic storms in the earth's atmosphere."

Restore Relations

CAIRO, Egypt (AP) — Diplomatic relations between Britain and the United Arab Republic were formally restored here Wednesday. British Charge D'Affaires Colin Crowe presented his credentials to the foreign ministry. Relations were severed during the 1956 Suez War.

Sells Service Stations

ADRIAN (UPI) — Richard M. Camburn, manager of Williams Oil Corp., today announced sale of the firm and its 12 Lenawee County service stations to Gulf Oil Co. Camburn also announced formation of the Camburn Oil Co. for distribution of Gulf products to the stations.

Deaths in Pontiac and Nearby Areas

MRS. JOHN BRUSTICK

The Rosary will be recited at 8:30 tonight at the Huntoon Funeral Home for Mrs. John (Rose A.) Brustick of 29 Allen St. Service will be held at 10 a.m. Friday at St. Vincent de Paul Church with burial in Mt. Hope Cemetery.

Mrs. Brustick, 70, died Tuesday morning of a heart ailment at her home.

LAURA ANN HANNA

Word has been received of the death of Laura Ann Hanna, infant daughter of former Pontiac residents Mr. and Mrs. Kenneth E. Hanna of Great Lakes, Ill. She died a few hours after birth yesterday at Great Lakes Naval Hospital.

Surviving beside her parents are a brother and sister at home; and grandparents, Mr. and Mrs. George E. Schroeder of Pontiac, and Mrs. Charles Irons of Lake Orion.

MRS. FRANK JACQUES

Mrs. Frank (Jennie) Jacques of 3777 Lake Front St., Sylvan Lake, died yesterday after an illness of two years. She was 97.

A native of Woodstock, Ont. she is survived by three daughters, Mrs. Pauline Gibbons of Pontiac, Mrs. Agnes Rath of Phoenix, Ariz. and Mrs. Dona Coffey of Detroit; two sons, D'Arcy of Pontiac and Leo of Detroit; 10 grandchildren; and 13 great-grandchilrden.

Her body is at the Farmer-Snover Funeral Home.

MRS. TASE RISTICH

Mrs. Tase (Sirma) Ristich, 67, of 101 S. Johnson Ave., died yesterday at Pontiac General Hospital after an illness of several months.

She leaves her husband; a daughter, Mrs. Lubica Lazarevska in Yugoslavia; two sons, John of Pontiac and Nikola in Yugoslavia; and six grandchildren.

Mrs. Ristich's body will be at the Sparks - Griffin Funeral Home until noon Saturday when it will be taken to the St. George Greek Orthodox Church for service at 2 p.m. Burial will be in Perry Mount Park Cemetery.

HORACE E. VINAL

Service for Horace E. Vinal, 82, of 50 E. Kennett Rd., will be held at 1 p.m. Saturday at the Pursley Funeral Home. Burial will be in Brookdale Memorial Park Cemetery.

Surviving are three daughters, Mrs. Evelyn Eagan of Rockland, Me., Mrs. Ruth Ambicki of Dunellen, N. J. and Mrs. Sarah Johnson of Pontiac; and three sons, Henry of Old Town, Me., Lewis of Lewiston, Me. and Horace Jr. of Norwick, N. Y.

Mr. Vinal, a retired gardner, died Dec. 3 at his home after an illness of several weeks.

OTTO R. HARDT

ORCHARD LAKE — Service for Otto R. Hardt, 76, of 5760 Lake Shore Dr., will be held at 2 p.m. Saturday at C. J. Godhardt Funeral Home, Rochester. Burial will follow in Cadillac Memorial Gardens.

Mr. Shider died yesterday after a brief illness. He was a member of the David L. Kimball Camp, VFW.

Surviving are his wife, Susan M.; a daughter, Mrs. C. H. Calanaham of Avon Township; two grandchildren and four great-grandchildren.

JOHN H. PETERS

ROCHESTER—Service for John H. Peters, 70, of 1386 Maplepoint Rd. will be held at 11 a.m. tomorrow at William R. Potere Funeral Home here. Burial will follow in Mount Avon Cemetery under the auspices of Rochester Lodge 5, F & AM.

Mr. Peters died yesterday at Pontiac General Hospital after a lengthy illness.

In addition to membership in the Masons, he also belonged to the Senior Citizens Club of Rochester.

Surviving are his wife, Louise; and three daughters, Mrs. Wilfred Berry of Rochester, Mrs. Norine Ballentine of Pontiac and Mrs. William Lorenzen of Waltham, Mass.

Two brothers, Charles of Rochester and Sam of Lewiston; three sisters, Mrs. George Krohn of Oxford, Mrs. Mame Layton of Lake Orion and Mrs. Ella Findlay of Hesperia; and seven grandchildren also survive.

MRS. FLOYD ROBBINS

METAMORA TOWNSHIP—Service for Mrs. Floyd Robins, 60, of 53 W. Sutton Rd., will be at 1:30 p.m. Saturday from West Deerfield Church. Burial will follow in West Deerfield Cemetery.

Mrs. Robbins died yesterday at her home after a lengthy illness.

Surviving besides her husband, are a daughter, Mrs. Donald Leonard, of the same address, two sisters and a grandson.

The body is at Baird Funeral Home in Lapeer.

MRS. JOHN SCHOOF

ROMEO—Service for Mrs. John (Mary) Schoof, 74, of 8200 W. St. Clair St. will be held at 2 p.m. Saturday at Roth's Home for Funerals. Burial will follow in Romeo Cemetery.

Mrs. Schoof died yesterday at her home after a prolonged illness.

Surviving are two daughters, Mrs. August Vanker and Mrs. Howard Brabb, both of Romeo; a son, Ervin of St. Clair Shores; a sister, Mrs. Robert Kegler of Royal Oak; three brothers, Herman, Arthur and Louis See, all of Romeo; seven grandchildren and four great-grandchildren.

ELMER W. SNIDER

AVON TOWNSHIP — Service for Elmer W. Snider, 88, of 490 Willard Rd. will be held at 11 a.m. Saturday at the Pixley Funeral

House Today Probing Car Accessory Deals

WASHINGTON (UPI) — House investigators questioned more witnesses today about charges that major oil companies used "unfair trade practices" to force service stations to stock their tires, batteries and auto accessories.

★ ★ ★

There were indications that the House small business subcommittee, headed by Rep. James Roosevelt Jr. (D-Calif), might devote the session to the accessories field.

★ ★ ★

A New Jersey realtor complained at the opening hearing of the inquiry yesterday that he was forced out of the service station business by the "harassment" of Sun Oil Co. which insisted he sell its line of auto accessories.

Jumping Fleas Hop Out From Antarctic Rocks

WASHINGTON (UPI) — Scientists have found high jumping fleas under rocks in the Antarctic, the first living insects discovered on the South Pole continent.

★ ★ ★

The insects — called "snows fleas" or "springtails" because of their ability to jump several inches by using their tails — were discovered by Dr. George Meyer under dry rocks at Hallett station in the Antarctic.

The Navy announced the find yesterday.

★ ★ ★

Meyer, a bacteriologist, said he scooped up 60 specimens in 15 minutes. The fleas, black and wingless, are about an eighth of an inch long.

Grosse Pointe Woman Dies While in London

LONDON (AP) — Martha Daniloff, about 50, of Grosse Pointe, Mich., president of the International Social Service, a worldwide case work agency, died Wednesday of a heart attack.

Moisture Proof Canape Cracker

To celebrate the holidays and to say "season's greetings," at your home, why not have a gala open house? It is a simple and informal way to entertain many of your friends.

★ ★ ★

Make this occasion a festive one —and serve your guests tempting holiday canapes, a delicious dip and a refreshing punch.

★ ★ ★

There are many appetizing spreads — cheese, ham, chicken which can be combined with real mayonnaise and served on new shapes and textures of snack crackers to make tasty canapes.

For your Holiday Canape Tray, we're going to let you in on a secret and give you a recipe for making canapes ahead of time—and still have the crackers crisp and crunchy to serve when the guests arrive.

Canape Mayonnaise

Soften ¼ teaspoon of unflavored gelatine in 1 teaspoon cold water . . . then stir over hot water until the mixture is all liquid, and the gelatine is completely dissolved. Stir this mixture into ½ cup of real mayonnaise.

★ ★ ★

Now place on a cookie sheet thin rye crackers, shredded wheat wafers or your other favorite snack crackers . . . and spread all these crackers with a thin layer of your Canape Mayonnaise. Then put in the refrigerator for a few minutes to chill.

This Canape Mayonnaise will "moisture proof" your crisp crackers and will form a canape base for anything more moist or dry. Now you are ready to top with a sliced stuffed olive or a rolled anchovy fillet — and in a jiffy the canapes are ready to serve.

For variety, serve on shredded wheat wafers mashed avocado topped with an onion ring and red caviar.

Party Dip Is Full of Raw Vegetables

Here's a simple party dip which should be made ahead of time, so that the flavors can blend.

Party Dip

¼ cup real mayonnaise
1 3-oz. package cream cheese, softened
3 tablespoons sour cream
¾ teaspoon grated onion
¼ teaspoon dry mustard
2 tablespoons grated cucumber
2 tablespoons grated radishes
Salt and pepper to taste

Combine all ingredients. Chill. Makes about 1 cup. Serve with potato snack crackers and thin triangle crackers.

Bake in Sheet, Roll in Balls When Cooled

Bake these cookies just before your children come home from school, then they can help you roll them into small balls.

Cookie Chews

2 eggs
1¼ cups sugar
¼ teaspoon salt
¾ teaspoon vanilla
½ teaspoon grated lemon rind
2 tablespoons flour
1½ teaspoons baking powder
½ cup quick-cooking rolled oats
1 cup finely chopped dates
1 cup finely chopped pecans

Beat eggs slightly; add sugar, salt, vanilla and lemon rind; beat until blended. Sift together flour and baking powder; stir into egg mixture. Add oats, dates and pecans; stir well.

Turn into greased and floured 10½ by 15½ by ½ inch pan. Bake in slow (325 degrees) oven 15 to 20 minutes. Cool about 2 minutes.

Cut into 2-inch squares. Shape into balls and roll in confectioners' sugar. Makes 3½ dozen.

Came From England

Try Mrs. Solley's Plum Pudding

By JANET ODELL
Pontiac Press Home Editor

From the time we learn our nursery rhymes we know about plum pudding. Little does it matter that the actual plum in the Little Jack Horner rhyme was an especially valuable plot of ground — everyone knows about pulling out a plum.

For a pudding recipe originated in England we contacted Mrs. Alex R. Solley of Oak Hill road. Born in England, Mrs. Solley came to this country after she was grown. She wouldn't consider it Christmas if the menu didn't include her traditional pudding.

★ ★ ★

As most of our readers well know, Alex Solley is supervisor of Brandon township. The Solleys have three grown children and eight grandchildren. All will join them for Christmas dinner.

★ ★ ★

We might mention that only a few weeks ago Mrs. Solley was Michigan winner in the annual Grange baking contest. We're giving you her prize-winning cookie recipe as well as her plum pudding recipe.

PLUM PUDDING
By Mrs. Alex R. Solley

1 cup sifted flour
½ cup sugar
1 cup seeded raisins
1 cup seedless raisins
1 cup light raisins
1 cup mixed candied fruit peel
1 cup milk
4 eggs
1 cup suet, chopped or ground fine
1 cup bread crumbs
1½ teaspoons salt
1 teaspoon nutmeg
1 teaspoon cinnamon
½ teaspoon cloves

★ ★ ★

Sift together flour, sugar, salt and spices. Mix with fruits. Combine bread crumbs, milk and beaten eggs. Add suet. Stir in sifted dry ingredients and fruits.

★ ★ ★

Turn into a large ovenproof bowl. Cover tightly and steam 5 hours. Serve with your favorite pudding sauce.

These are the cookies that took top honors.

Coconut Cornflake Cookies

1¼ cups vegetable shortening
1 cup sugar
1 cup brown sugar
2 eggs, well beaten
2 cups shredded coconut
2 cups cornflakes
2 cups sifted flour
1 teaspoon baking soda
½ teaspoon baking powder
1 teaspoon salt
1 teaspoon vanilla

Mix ingredients in order named. Drop two inches apart on cookie sheet. Bake 12 minutes in 350 degree oven, or until delicately browned.

Pontiac Press Photo

A BIG JOB — Mrs. Alex R. Solley of Oak Hill road pours her plum pudding into the large bowl in which she steams it. She brought the recipe from her native England. There will be eight grandchildren on hand to eat this pudding on Christmas day.

Filling Casserole Ideal for Cold Weather Meal

Easier than pie, this **TURKEY-STUFFING PIE.** Alternate thin layers of cooked turkey, baked bread stuffing and cooked peas and carrots. Pour a generous amount of turkey gravy and undiluted condensed cream of chicken soup over the vegetable layer. Repeat the three layers.

★ ★ ★

Bake in a moderate oven (350 degrees F.) for 30 minutes. Split Brown 'n' Serve rolls in half and place on top of casserole, cut side down. Increase the temperature to 400 degrees F. and bake 10 minutes longer, or until rolls are brown.

Sour Cream Added Last to Chicken

A most delicious skillet dish!

Skillet Chicken With Paprika

1 broiler-fryer (about 2½ pounds ready-to-cook weight)
1½ teaspoons salt
⅛ teaspoon pepper
2 teaspoons paprika
3 tablespoons butter or margarine
2 or 3 small cloves garlic (crushed)
1 cup (3 small) thin onion rings
1 cup (8 ounces) cultured sour cream

★ ★ ★

Have chicken cut in 10 pieces; wash and dry. Mix salt, pepper and paprika; sprinkle over and rub into chicken. Melt butter in 10-inch skillet until very hot; add chicken and brown well on both sides. Add garlic and onion rings; cover skillet and cook until chicken is tender — about 25 minutes.

Have sour cream at room temperature; stir in; heat but do not boil. Makes 4 servings.

It's Different

Winter salad: Cook a package of mixed vegetables; drain and marinate in French dressing to which a little curry powder has been added. Chill and serve on crisp salad greens.

Any maple sugar in the house? It's wonderful grated fine and used in a butter-rich hard sauce to serve with apple dumplings.

Pork Still on Bargain List Holiday Specials Appear

Wholesale prices of many kinds of livestock and poultry are generally on the upgrade this week, but many of the features of a week ago in pork and beef are still available. The period of low-low prices on frying chickens is believed to be past. Better supplies of fish are in many markets.

PORK: The trade believes that last week's pork prices were the low of the year due to extremely heavy receipts. However, again this week all fresh and smoked cuts may be found at unusually thrifty prices. All roasts, chops, steaks, bacon and some hams are low in cost. Gradual increases are expected to continue until about the middle of the month.

BEEF: Against this week ground beef, corned beef and chuck roasts are the budget buys. However, some exceptional values are also available in standing rib roasts and beef tenderloins. Some stores are even featuring suet for holiday baking.

FISH: For the next few months weather conditions will determine the supplies of fresh fish from all sources. Lake perch are still ample, though fractionally higher in price this week. More fresh whitefish is beginning to appear from northwest Canada as ice conditions have improved and several varieties of ocean fish are also lower in price this week. Shrimp is still economical—though higher in price than a few weeks ago due to slightly depleted supplies.

EGGS AND DAIRY: This is the time of year to take advantage of the lower prices on Grade B eggs which are perfectly satisfactory for holiday baking—or for scrambling. The primary difference between Grade A and B eggs is in the shape of the broken egg.

In addition to bargains in cottage cheese and oleomargarine, a number of holiday items have made their appearance on the dairy counters. Eggnog is now in all markets—use the buy-and-try test to determine the brand which has the most rich full flavor for your use. Christmas cheese boxes, weighing from one pound to three pounds, are made up of both domestic and imported cheese varieties. Peppermint candy, pistaschio and ice cream slices with holiday centers are also being featured.

FRUITS: Shipments of citrus are still increasing and prices on most varieties are substantially lower than a year ago. Tangerines are the nearest to last year in price. Although navel oranges are in excellent quality, the market is slightly higher this week under heavy demand.

More grapefruit has been shipped in the fresh form than the amount shipped to the same date last year.

★ ★ ★

However, supplies are expected to level off and prices are expected to be at their low point now. The medium-large sizes seem to be in heavier supply.

Cranberries are in heavy supply and an excellent chance for freezer storage for year round use. All berries now arriving in this market are now certified so that you may now buy them with full assurance of their safety. The green-when-ripe Anjou pears are also abundant.

VEGETABLES: Both Michigan and Maine potatoes are a shade lower in price this week as more markets are featuring them. Movement in onions has picked up and there are also some good values in this vegetable. The 10-ounce bags of spinach are being featured in some stores because many areas are now shipping and this is one vegetable which is more hardy to cold weather. There are a few lower prices on repacked tomatoes although considerable damage was done to the crop by the recent cold.

★ ★ ★

The rains and cold slowed the harvest of many other Florida crops but price declines are also expected in eastern cauliflower. The retail lettuce picture is relatively unchanged, although the wholesale market has jumped up and down all week.

Familiar Vegetables Turn Up in New Form

Fresh autumn vegetables can appear at table in new and tempting dishes. Let's look at a few delicious examples:

SKILLET TURKEY AND VEGETABLES: Cut leftover turkey into slivers. Saute in butter or margarine with sliced onion, mushrooms, green pepper and diced tomatoes. Season to taste with salt, ground black pepper and soya sauce if desired.

DICED RUTABAGAS AND POTATOES IN SOUR CREAM: Heat 2 cups each, diced rutabagas and potatoes together, only until hot. Add ½ cup sour cream and 2 tablespoons finely chopped onion. Cook only until cream is hot. Season with salt and ground black pepper to taste.

FRENCH FRIED FRESH CAULIFLOWERETS: Dip uncooked cauliflowerets in fritter batter or in fine dry bread crumbs and then in beaten egg and fry in hot deep fat preheated to 360 degrees F. Serve as a vegetable.

FRESH CRANBERRY GINGER RELISH: Add chopped candied ginger to taste to fresh cranberry sauce. Serve with poultry, pork, ham or veal.

FRESH CRANBERRY SWEET POTATO AND PORK CHOP CASSEROLE: Place a layer of raw cranberries in a casserole and top with a layer of sliced raw sweet potatoes. Sprinkle with brown sugar over which place pork chops seasoned with salt and ground black pepper to taste. Cover and bake in a preheated moderate oven (350 degrees F.) 1½ hours. Remove cover 30 minutes before baking time is up to brown chops.

Colorful Fruit Sauce Tops Holiday Treat

This attractive and delicious sauce for your Christmas sundaes will draw "ahs" and "ohs" from all who eat it.

Pineapple Mint Delights

1½ cups granulated sugar
½ cup pineapple juice
1 cup diced pineapple
½ cup green cherries
1 cup diced oranges
2 3 drops peppermint
6 pineapple rings
1 quart vanilla ice cream

Cook sugar and pineapple juice in saucepan, over low heat, until thick syrup, about 8 to 10 minutes. Add diced pineapple, green cherries and orange. Flavor with peppermint. Chill.

Arrange pineapple rings on individual serving plates. Top each with a scoop of ice cream. Serve with sauce. Makes 6 servings.

Budget Lamb Roast Stuffed and Roasted

You might place this recipe in a budget meal or banquet spread category. Why? The cut of meat is considered among the less demanded cuts yet it is prepared in such a way that it might be said that it's a meal fit for a king!

For the homemaker who might have to describe to the meat retailer exactly what she wants when asking for a cushion-style lamb shoulder, simply explain that it can be made by boning the square cut shoulder. The shoulder is usually sewed on two sides, one side being left open for stuffing.

After stuffing is inserted in the pocket, the side is sewed or skewered shut and roasted in a slow oven.

Stuffed Lamb Shoulder

3 to 5-pound cushion-style lamb shoulder
Salt
Pepper
Carrot-Raisin Stuffing

Season the lamb shoulder with salt and pepper. Prepare the Carrot-Raisin Stuffing. Fill the pocket with stuffing. Sew or skewer edges together. Place roast, fat side up, on rack in open roasting pan. Do not add water. Do not cover. Roast in a slow oven (300 degrees) for 3 to 3½ hours or until done.

Carrot-Raisin Stuffing

1 cup grated carrots
¼ cup finely chopped celery
¼ cup finely chopped onion
2 tablespoons raisins
1½ cups soft bread crumbs
½ teaspoon salt
⅛ teaspoon pepper

Combine all ingredients and mix lightly.

So Old It's New Again

Make-ahead dinner course for guests: chicken stew. This old-fashioned dish is not come upon every day and it reheats well. You can fancy it up with mushrooms!

Just the Dish for Luncheon Before Bridge

A delightful rolled sandwich!

Oven Mushroom Rolls

¼ pound medium-sized mushrooms
2 tablespoons butter or margarine
2 tablespoons mayonnaise (not sweet mayonnaise-type dressing)
¼ teaspoon onion salt, pepper
6 slices regular soft baker's bread (crusts removed)
Soft butter

Wipe mushrooms with a damp cloth; cut off a thin slice from ends. Slice and chop fine both mushroom caps and stems.

Cook mushrooms in 2 tablespoons butter in 9 or 10-inch skillet, stirring often, until soft. Mix with mayonnaise, salt and onion salt, add pepper to taste. (Makes about ¾ cup.) Spread about 2 tablespoons of mushroom mixture on each slice of bread; roll up.

Spread tops of rolls lightly with soft butter. Bake on a cookie sheet in hot (425 degrees) oven until lightly toasted — about 10 minutes. Serve at once. Makes 3 servings — 2 rolls for each portion.

Tomatoes for Flavor

Want good Swiss steak? Choose chuck or round beef that is one or two inches thick. For extra flavor use stewed tomatoes instead of regular canned tomatoes for the liquid needed during the braising.

For a clean cut, slice angel food cake with a thread.

Inexpensive Beef Star of Casserole

Tonight for a change, treat the family to a new type casserole . . . one featuring chipped beef in combination with chopped green pepper and onion, seasonings, grated American cheese, chopped ripe olive and cooked macaroni.

★ ★ ★

More and more, homemakers are learning to use such versatile meat items as canned meats, sausages and dried beef, more commonly known as chipped beef, in everyday dishes.

★ ★ ★

Often these meats were reserved for emergency use only. Chipped beef has become a favorite when creamed and served over toast points.

Chipped Beef Macaroni Casserole

5 ounces chipped beef, cut in strips
2 tablespoons chopped green pepper
1 tablespoon chopped onion
2 tablespoons butter or margarine
2 tablespoons flour
2 cups milk
¼ teaspoon thyme
¼ teaspoon marjoram
1 cup grated American cheese
½ cup chopped ripe olives
2 cups cooked macaroni

Cook green pepper and onion in butter or margarine until tender, about 5 minutes. Stir in flour and gradually add milk. Cook, stirring constantly, until thickened. Add thyme, marjoram and cheese.

★ ★ ★

Mix sauce with chipped beef, olives and macaroni. Pour into a greased 1½-quart casserole. Bake in a moderate oven (350 degrees) 20 to 30 minutes. Yield: 4 servings.

Prefab Tendency Grows

Although prefab or factory-built homes account for approximately 10 per cent of new home construction, the influence of factory techniques in home building is even greater. Even contractors who build in the traditional manner are using pre-fab techniques in individual operations and cite the growing use of ready-to-install roof trusses and ready-to-nail gypsum wallboard as examples.

Veteran Administrator Chosen

To Head Government Trouble Shooters

WASHINGTON (AP) — A man with a national knowledge of state governments will head a commission to consider common problems of federal, state and local governments.

★ ★ ★

He is Frank Bane of Washington and Chicago, 66, a widower who for 20 years was executive director of the Council of State Governments. The White House announced Tuesday President Eisenhower's selection of Bane to head the new 26-member commission.

★ ★ ★

Bane is a native of Smithfield, Va., home of the famous Smithfield hams. Governors introducing him at their annual gatherings made a point of that, he likes to recall.

★ ★ ★

It was in Virginia that Bane got started in state administration after studying at Randolph Macon College and Columbia University.

He was secretary of the Virginia State Board of Charities and Corrections and commissioner of public welfare for the state back in the 1920s. He also taught sociology and public administration at the University of Virginia.

After serving in Washington as executive director of the Social Security Administration, Bane became executive director of the Council of State Governments in 1938. He was in that post and the related one with the Governors' Conference until he retired in June 1958.

An amiable go-getter, he won a wide friendship among newsmen as well as the officials attending and covering the annual meetings of the governors.

★ ★ ★

Bane was asked today what stood out in his mind as important changes in state administration.

★ ★ ★

"The enormous expansion of state government as it took on more public services in the realms of education, highways, public welfare, mental and public health, and conservation development," he replied.

FUN COMES in all forms. New modeling compound is refinement of play-doh. Children's sculpting efforts become permanent if desired. Meanwhile, modern version of the magic lantern captures printed page, needs no slides.

Claims Rebel Yell Can't Be Imitated

NEW YORK (UPI) — A Columbia University English professor believes it is impossible nowadays for anyone to imitate the famous "rebel yell" of the Civil War.

★ ★ ★

Allen Walker Read describes the yell as "a mixture of fright, pent-up nervousness, exultation, hatred and a pinch of pure deviltry."

★ ★ ★

While related to the Indian war whoop, the rebel yell "occurred only under the excitement and tension of the battlefield and therefore the real thing has not been heard since 1865," says Read.

PENNSYLVANIA Dutch motifs continue as favorite touches in homes. Electric Dutch Treat clock makes good family gift for any room.

Color Tells the Type for Fast Locomotive

BERLIN (UPI) — Of you see a blue streak go by in West Germany, chances are it's an electric locomotive traveling a blue streak.

★ ★ ★

That's because German locomotives are being painted different colors according to type and blue is reserved for those which do 75 miles an hour or better.

★ ★ ★

Electric switch locomotives are getting a coat of red, while cool green has been assigned to other engines. Steam locomotives will remain black.

SAGE Will Not Down Missiles

Research Head York Says It's Intended for Use Against Planes

OTTAWA (UPI)—The SAGE missile control system will operate only against aircraft and not against missiles, U. S. Defense Department Research Director H. F. York said Wednesday.

★ ★ ★

In principle, SAGE could be used in a counter missile system, he told a news conference. In practice, however, it has been designed to operate only against aircraft, he said.

York, here to address a Canadian - American - British symposium on defense research, said the Nike-Zeus missile was the principal counter-missile system under development and the only one which could be operational by the mid-1960s.

"About all I can say about it is that it has sufficient promise that we are continuing with a sizable development program," he said. "We've made no commitment, however, to put it into production."

★ ★ ★

Other possibilities in this field, including various "kill" systems and the idea of an armed satellite, were being looked into, he said.

N.Y. Farmers Aim for Friendly Soviet Exchange

UTICA, N.Y. (UPI) — Robert Timian, president of the Oneida County Farm Bureau, said Wednesday his organization wants to carry on the "milk yield project" with dairy farmers of Russia's Krasnoye district "not as a competition but on a friendly basis."

★ ★ ★

"There is enough competition between officials of the two countries and there should be no need for it to be carried on between the farmers," Timian said. He said there was a great deal of interest in the project but the feeling was that it should be "friendly."

Timian said he spoke with a reporter representing the Russian newspaper Izvestia who wanted to know the feeling of Oneida County farmers and whether they desired information about Russian farmers.

Moscow radio said the yield per cow in the Krasnoye district this year was 6,160 pounds, an increase of 880 pounds over the previous year.

★ ★ ★

The average in Oneida County was 8,700 pounds per cow, based on production figures from September 1958 to August of this year, the county agricultural agency said.

Urge State Drop Tax on Federal Projects

LANSING (UPI) — Two State Highway Department officials urged the Legislature Tuesday to wipe out Michigan's four per cent use tax on materials used on government construction projects.

★ ★ ★

Frederick E. Tripp, director of administration for the department told the House Tax Committee road builders would pass the cost on to the state.

Tripp estimated it would cost the state as much as $3,500,000. Howard E. Hill, managing director of the department, said the tax dollars would be enough to build seven miles of limited access highway.

★ ★ ★

The Senate has passed a bill to reduce the tax from four to three per cent. The Highway Department wants the entire tax eliminated.

Pet Shop Altercated

CORONADO, Calif. (AP)—Peter Conrad, who sells cats, dogs, guinea pigs, hamsters and turtles at his pet shop, ran an advertisement in the newspaper. The ad came out this way: Business as Usual During Altercations.

Hurricane Gracie Settles Tree Debate

SAVANNAH, Ga. (UP)—Hurricane Gracie settled an argument for county officials about whether to take down an ancient oak.

Some folks differed with county commissioners about it, saying the tree did not stand in the way of a paving program and they wanted to save the beautiful oak.

Gracie decided the question, snapping the huge tree near its roots. The oak was chopped up for stove wood.

John Adams, the second president, was the first chief executive to live in the White House.

Squaw Valley? The Post Office Doesn't Agree

OLYMPIC VALLEY, Calif. (UP)—Or Squaw Village, Calif. Or even Tahoe City, Calif. But no Squaw Valley, Calif. At least not on United States mail postmarks.

That's the story from this Sierra site of the 1960 Winter Olympic games.

The post office can't approve the use of a Squaw Valley postmark because another California community has used that name for years, although it no longer has a post office.

So Squaw Valley will be known on the postmarks as Squaw Village. And to help keep things clear, mail from the Olympic Village in the valley will be postmarked Olympic Valley.

The news stories, of course, will be flowing from Squaw Valley.

Traffic Toll on Deer?

WESTBROOK, Conn. (UP)—Deer had a bad time in this area within a space of six hours. A train killed two and injured another. Two others were killed on highways. State troopers said it was an unusually high toll and probably was brought about by the mating season.

Industry studies show that the number of taxicabs in most big cities of the U.S. is down 10 per cent since 1956.

Fishing Vessels Do Double Duty to Help Romance

POINT PLEASANT, N.J. (UP)—Many party fishing boats are getting double use these days as skippers take advantage of the popularity of the romantic moonlight cruise.

After the daylight sportsman has departed, the boats are washed down and the scaling knives put away. All is made ready for a boatload of hand-holding couples, with the skipper serving as chaperone.

One skipper remarked, "There's some similarity in our day and night experiences. The only strike some unlucky Lotharios get is a slap from the unmelting girl friend.

★ ★ ★

"They look almost as sad," he said, "as the fisherman who hasn't had a nibble all day."

Cheater Cheats Self by Using Rare Coin

MARION, Ill. (UP) — This cheater cheated himself.

★ ★ ★

Someone dropped a penny into a slot in payment for a five-cent copy of the Carbondale Southern Illinoisan.

★ ★ ★

Jack Edwards, the newspaper's circulation adviser, noted it was a 1914D penny . . . worth $5 to coin collectors.

Teacher, 82, Goes Back to Her Job

VANDALIA (UPI) — Eighty-year-old Mrs. Nellie O'Dell doesn't believe in retirement.

Mrs. O'Dell, a great grandmother, tried it once two years ago after serving more than a half-century in the teaching profession. But now she is back on the job teaching eighth graders at Vandalia school on a half-day basis.

Mrs. O'Dell believes that being active and associated with young people helps keep her young too.

The first governor of Indiana Territory was William Henry Harrison.

Per capita consumption of candy in the U.S. is over 16 pounds a year. Candy manufacturers placed $4,673,000 in daily newspaper advertising last year to reach more of their best customers.

Asks About India's Health

Barbara Whips Along on Tour

NEW DELHI, India (AP) — Barbara Eisenhower today said she is whipping through the whirlwind schedule of her father-in-law's 11-nation good will tour by "not even thinking about being tired."

"It works, too," she commented during a tour of the Indian Red Cross center. It was the second stop during a busy day for Barbara.

VISITS GANDHI SHRINE

She joined President Eisenhower and her husband, Maj. John Eisenhower, in an early morning visit to the shrine of Indian independence leader Mohandas K. Gandhi.

Then she appeared at the Red Cross building snappily outfitted in a salt-and-pepper tweed dress with a short jacket, black cummerbund and a black grosgrain bandeau.

The attractive, 33-year-old American showed keen interest in the services and facilities — she's a member of the board of directors of the American Red Cross chapter in Gettysburg, Pa.

Looking over the exhibit of ambulance services, she asked if there were any accidents during the tumultuous turnout for the President's arrival Wednesday.

NO ACCIDENTS

"We were afraid there might be because of the way the people crowded into the road," she said. Indian officials assured her there were no accidents although a number of persons used Red Cross aid stations.

"The welcome was the most amazing thing I have ever seen," Barbara commented.

★ ★ ★

Barbara showed particular interest in the Red Cross midwife training program here. She asked, "Is it fashionable for women to have children in hospitals?"

She was told that the great mass of India's millions had to rely on midwives since they were unable to afford hospital facilities.

The first talking motion picture was demonstrated in New York City in 1928.

DAVID F. TASTARD

David F. Tastard of 10 Valley Row, Bloomfield Hills, is to be installed as High Priest of Trenton Chapter 173, Royal Arch Masons tomorrow at the Masonic Temple in Trenton.

Satellite May Aid Forecaster

Project Tiros Will Start by Sending Up TV Test Vehicles

CAPE CANAVARAL, Fla (AP) —U. S. weathermen may soon be able to make forecasts by studying pictures taken by a satellite whirling 400 miles in space.

In mid-January, the National Aeronautics and Space Administration is scheduled to launch the first of two experimental meteorological satellites containing cloud-scanning television cameras. The second will be sent up later next year.

★ ★ ★

The operation is known as project Tiros.

If successful, the Tiros satellites will provide meteorologists with enough pictures to reconstruct cloud patterns over a large portion of the earth. This will enable them to detect quickly developing storms and cold fronts.

The first satellite, to be launched by a Thor-Able rocket, will be a 40-inch sphere weighing 150 pounds.

Japanese Abandon U. S. Protest March

TOKYO (AP)—Ultra-leftist Japanese students today abandoned a march on the Japanese Parliament to protest Japan's military alliance with the United States.

★ ★ ★

The demonstration collapsed after other leftist organizations boycotted it because of public indignation over a similar march Nov. 27 in which 700 persons were injured.

★ ★ ★

Anti-American forces suffered another defeat today. The leftist-led Sohyo Labor Federation called on 4½ million workers across the country to hold workshop rallies denouncing ties with the United States. But police said only 325,000 stayed off the job.

Ludington Leader Dies

LUDINGTON (AP) — Funeral service will be held Friday for Arthur J. Reinberg, 52, wholesale fruit firm executive and civic leader, who died Tuesday at Paulina Stearns Hospital after a short illness. He was owner-operator of the Northern Fruit Co. and active in formation of the Ludington Yacht Club.

But Don't Be Fooled . . . '60 Office Is at 528 So. Grand

Williams' Pitch Still in Low Key

By ROGER LANE

LANSING (AP) — The quest of G. Mennen (Soapy) Williams, Michigan's six-term governor, for a brighter place in the national political sun goes resolutely onward.

Adversity at home certainly has hurt his national prospects. But if it has killed them, as some of Soapy's critics believe, the word hasn't been delivered to 529 S. Grand Ave.

★ ★ ★

There, in a rambling gray frame house, converted into an office, four full-time personal employes staff a small Lansing operation to promote his chances.

A sober, professional atmosphere—no rah-rah stuff, no heavy gloom—prevails in the tastefully decorated suite abutting Democratic State Headquarters, just a block from Williams' residence.

Largely, it is a communications, research and speech-writing center suitably removed from the Capitol, half a mile away, where the governor wears his Michigan's chief executive hat.

The strategy shots, of course, are called by Williams, with counsel of professionals in the state Democratic hierarchy and a small ring of dedicated friends.

The word is received at 529 S. Grand and translated into action by John William Murray, 39, politically astute former newsman and public relations chief for the State Central Committee.

HAS MILLSTONE

At this juncture, Democratic leaders around the country are watching the Williams effort to see how much of a dent a candidate running with a millstone around his neck can make in the 1960 Democratic Convention.

The millstone is the state's widely publicized, hard-to-shake financial crisis, now rounding out a full year.

Hamstrung by its weight, the 48-year-old governor nevertheless doggedly plows ahead like a floored prizefighter hoping for a 15th round knockout.

As circumstances permit, Williams toils at casting a spell on party leaders and liberal groups across the land.

Last month he made it to Toledo, Ohio, Oklahoma City, to Houston and San Antonio in Texas, and to Philadelphia, all in weekend sorties. He appeared in New York with other hopefuls last weekend.

The state's money woes tie him down on regular work days.

Besides the paid staff, a few volunteers and top Democratic state officials are lending a hand —notably State Chairman Neil Staebler, National Committeeman Thomas H. E. Quimby, and Adelaide Hart, state vice chairman.

Williams opened a listening post a few months ago in Washington manned by India Edwards, a political old pro who was a vice chairman of the Democratic National Committee in Truman days.

★ ★ ★

Thus far, it has been a low key effort. But all hands are thinking ahead, ready to expand the operation if Dame Fortune smiles.

As Williams strategists see it, the governor has been hurt nationally in two ways by Michigan's prolonged financial troubles.

First, they relatively have pinned him to his desk in Lansing while rivals for convention recognition busily pursue delegate votes.

And perhaps more important, aides feel, the state's fiscal ills have tended to lend credence to an unfavorable image of Williams which friends have been trying to erase.

The image is what is described as a "caricature" of Soapy as a lightweight, undependable spendthrift who is tied to the apron strings of union leader Walter P. Reuther.

WHAT IS PITCH?

What, then, is the pitch of the present national effort?

Briefly, it is to project Williams as the leading serious spokesman for Democratic liberals, and to influence the entire party and its 1960 convention in the liberal direction that is vital to Williams' success.

★ ★ ★

As a means to this end, one aim is to cultivate existing sources of his political strength, most notably the nationality groups, Negro voters and labor.

"We are trying to maintain the Williams appeal in these groups which he always has had with him," an aide explained. "We realize they do not in themselves swing a convention but they are an important reserve influence."

Williams strategists are convinced that in working for a liberal program, rather than for "Williams, the Liberal," they are helping his cause—and admittedly those of some other candidates.

As they analyze it, the next phase of pre-convention campaigning will find U. S. Sens. Hubert H. Humphrey (D-Minn) and John F. Kennedy (D-Mass) slugging it out in state presidential primaries.

They see U. S. Sens. Stuart Symington (D-Mo) and Lyndon Johnson (D-Tex) each standing back a step, and Williams a step farther in the rear, ready to rush ahead if the first two falter.

As the din of candidate competition rises, the script calls for Williams to emerge as the No. 1 "neutral" spokesman for Democratic liberal elements, increasingly in demand for speaking dates in states nervous about Humphrey-Kennedy frictions.

WILL BEGIN TO MOVE

When this time arrives, they figure, he will begin to move front and center.

"We are trying to work out a strategy suited to the facts, taking into account the damage to the governor from the state's cash crisis," summarized one cog in the Williams machinery.

Probably the most important direct push by the Williams forces is being made through the Midwest Democratic Conference, a bloc of 14 delegate-rich states.

★ ★ ★

In cooperation particularly with Wisconsin and Humphrey's Minnesota, Williams and Michigan Democrats have engineered an ascendancy of liberals in the conference.

A conference steering committee will meet in Detroit in March, hopefully to draft proposed liberal platform planks the states will join in supporting at the national convention.

Party professionals credit Staebler, Williams' organizational chief in Michigan since 1950, as an especially valuable ace-in-the-hole.

As chairman of the national party's program committee, Staebler has worked with Democrats across the nation since 1954 on perfecting state party setups.

NEATLY CATALOGUED

His knowledge of secrets of Democratic political strength, state by state, is enormous—and neatly catalogued at 529 S. Grand Ave.

If things break Williams' way, he is taking care not to be caught short on issues.

First preparations along this line were made on Mackinac Island last summer in a kind of seminar of leading economists on the issues of inflation and national economic growth—staged by Williams for his own benefit and that of Minnesota's Gov. Orville Freeman.

Starting Friday at the state-owned Haven Hill retreat in Oakland County, Williams will get together with a dozen nationally prominent figures in education to be brought up to date on problems in that area.

Later sessions are being planned on health and the aged, on peace and disarmament and possibly on farm problems.

So don't be misled by the absence of Williams-for-President banners waving across the country. Whatever his chances, Soapy is in there pitching.

Have You Ever Truly Met 'Has Everything' Person?

By PHYLLIS BATTELLE

NEW YORK — I am one of millions of women in America whose personal prosperity, at Christmas time, is grossly overrated.

★ ★ ★

Just because I have a job, a husband and two pairs of white gloves, my friends presume that I am "the woman who has everything."

The result: in the gift exchanges I wind up with sequins in my bathroom and mink tails in my mops. And those mink tails do a pretty inefficient job of dusting up those sequined soap dishes, I can tell you.

I think I speak for a good segment of American society when I say, heavens to Betsy, this feeling that everybody has everything has gone far enough.

3 NASTY WORDS

Those three nasty little words, "who has everything," were dreamed up by investors who had nothing—except a surplus supply of beer can openers, some mink manipulator's rejects and an idea.

And by now, it has become such an easy solution to the problems involved in the commercial aspect of Christmas . . . we used to stew and puzzle and ponder a present to be given to a dear friend.

It was a strain, but when the stewing was over, we would give a well-thought-out token of our affection or regard.

★ ★ ★

Today, we tend to toss off the problem with that easy, crafty, meaningless little phrase, "He's a man who has everything"—and we are, in our own minds, forgiven for giving up quickly.

Our dilemma is tossed aside with the purchase of a golden toothpick, or a four-foot-tall pepper grinder, or a sterling-and-ruby case for his tranquilizers.

A man who wants these things is a man who has only a very small piece of everything.

CREDIT-CARD ECONOMY

Undoubtedly at the root of this trend toward novel nothingness in gifts is our wealthy, commercial, credit-card economy which inspires people to send gifts to other people they scarcely know.

This is considered good business. Delight the client, or the prospective client, with a token of your spirit; at Christmas, who could misconstrue it as a bribe or payola?

This revered system of objective, impersonal giving in business somehow has carried over into personal giving. I guess it's logical.

TOTS SHARE in Christmas fun with special baby caddy. It holds small dolls, baby toiletries, linens. Use quilted plastic fabric for back, sew on patterned diaper pockets.

Everybody is so busy these days; everybody is so relatively well-paid; everybody has a television set and a car; so what can everybody possibly — really — use except a gold-plated sink-stop?

As the possessor of such a stopper (it's unused—we're waiting till we get a coordinated sink) I must insist there are other things I really need more.

I do not want to look a gift horse in the mouth that picks its teeth with an 18-karat pick, and perhaps I am just being nostalgic, but whatever became of Christmas fudge?

OH, FOR A COOKIE

Have handkerchiefs gone out? A homemade cookie would taste marvelous. And just because I've got a book and a library card, it doesn't mean I'm satiated with learning.

But like thousands of other Americans whose everythingness is taken for granted, I expect again this year to exchange gold-plated clutteries, for mink-trimmed uselessnesses.

There will be lots of laughs, because after all, it's the investment, not the thought behind it, that counts.

★ ★ ★

And after all, if you live long enough, you may have enough mink patches to work yourself up a stole—at which time you really WILL have everything.

Won't you?

McNamara Proposes Help for the Aged

DETROIT (UPI)—Sen. Pat McNamara (D-Mich) Wednesday outlined a 10-point "Declaration of Rights for Older Americans" which he will present to Congress.

His program calls for adequate retirement income, the right to share equally in physical and mental health facilities, protection against increased medical and hospital costs, earlier benefits from geriatrics research, decent housing, institutional care at a reasonable price, the right to retire comfortably, community retirement activity for the aged, help in obtaining social services and the right to free personal choice.

Bass Lure-Conscious

Bass are by far the most selective fresh-water fish as to which lure they'll take best at a given time.

Total expenditure for advertising in the U. S. last year passed $10,000,000,000. Approximately one-third of this amount—$3,192,800,000—was placed in daily newspapers.

LOOK VERY FEW LEFT!

Remember last year? Even then you were amazed that we would dare to sell these NATIONALLY ADVERTISED WATER SOFTENERS for so low a price. Honestly . . . the original price was $329.95 . . . but in spite of the steel shortage the manufacturer got caught with his softeners down. We sold them last year at $98.50 . . . this year for even less. BUT . . . VERY FEW LEFT . . . then NO MORE.

Santa and the ICE KING

by LUCRECE HUDGINS BEALE

OONIK crawled out and saw ice blocks piled like toys.

(SYNOPSIS: Heading across the frozen sea to ask Santa to help talk the Ice King into ending the continuous winter, Oonik and Keotuk are caught in a fierce storm. The storm collapsed the snow cave where Oonik was sleeping and he awoke to find himself sliding down a piece of ice.)

Chapter Four

Down, down, down Oonik slid on the huge slab of ice upended by the storm. Ahead of him was the black churning sea. Oonik threw himself back and dug in his heels but he could not stop sliding.

Just as he was about to zoom into the water there was a terrible screech and the ice slab suddenly reversed itself like a see saw and Oonik began rocketing back in the other direction.

With a whoosh he shot off the far end and landed head first in a snow drift. There he rolled himself up into a tight little ball and lay trembling with teeth chattering and hands over his ears.

WIND DIES DOWN

But even the Ice King seemed to have had enough. The wind died down and the ice no longer groaned and creaked.

Oonik crawled out of the snowdrift. Blinking, he stared at the world. It was peaceful and quiet. Great piles of ice blocks lay about like forgotten toys. Where there had been open water there was now a solid ridge of ice.

There was no sing of Keotuk or the sled. "Keotuk!" called Oonik. "Keotuk, come!"

He ran from ridge to ridge, calling and clapping his hands. Suddenly he saw a snowdrift rise up from the ice. The drift heaved and shook itself and there was Keotuk stepping sleepily out. Covered by the drift he had been safe and warm as the storm died out.

"Oh, Keotuk!" cried Oonik embracing the dog. "I knew you would be all right! But where is the sled?"

Alas, it was gone. Together with Oonik's spear and the remainder of his food, the sled was buried beneath the ice or, perhaps at the bottom of the sea.

★ ★ ★

Oonik stared at the mountains on the distant shore. There, nestled in those mountains, was Santa Land.

"We can make it," Oonik told himself bravely. "Come, Keotuk, it isn't too far. We're almost there."

Together they started off. Trudging slowly, Oonik often slipped and fell. Keotuk stayed at his side and when they came to an ice hill Keotuk caught Oonik's parka in his teeth and helped drag him up and over.

On and on they went in the never ending daylight and little by little the snow covered mountains grew closer. Then, when it seemed they were almost there Keotuk suddenly lay down.

KEOTUK WHIMPERS

"Come on," begged Oonik. "We can't rest now. We'll freeze or starve if we don't get there soon."

But Keotuk only whimpered softly. Oonik kneeled down and rubbed his hands through Keotuk's fur. "What is it?" he murmered gently.

Keotuk whimpered again and held up one of his front paws. Oonik gasped with dismay. The paw was cut and torn by ice splinters.

Oonik picked out the splinters. "Oh, Keotuk, if only you had shoes!" he moaned. Then he had an idea. "I will make you some shoes!"

With his knife he cut four strips of seal skin from his own coat, wrapped the pieces of skin around Keotuk's paws and tied them with lacing from his own hood.

"There," he said. "Ice splinters can't hurt you now."

Keotuk rose uncertainly to his feet. At first he limped but the soft skin shoes actually made his bruised paw feel better and after a while he was able to walk quite well.

On they trudged until at last they came to the shore and Oonik saw smoke curling up from behind the hills.

Everything will be all right now," cried Oonik starting to run, "For that is surely smoke from Santa's very own chimney!"

Next: Oonik in Santa Land

B. F. Goodrich Gives Cash Gift to Cadillac

CADILLAC (UPI) — The B. F. Goodrich Co. has given the city of Cadillac a $9,664 Christmas present.

Goodrich, which abandoned its operations here in June and deeded its vacant plant to the city in August, still paid the city the regular sum of its taxes for the June-to-December period.

City officials said the gift was welcomed and will be added to a $25,000 loan to keep Cadillac solvent for the rest of the year because of unpaid and overdue state and federal tax returns of $35,000 still owed the city.

Calls for Help Against Buck

Wayland Man Chased by Frisky Deer and He Yells for Police

WAYLAND (UPI) — Floyd Hall of nearby Green Lake had to pass the buck to state police when they answered his emergency call.

It all started when Hall heard his dog chasing a large buck deer in the front yard of his cottage. When he went out to investigate, the deer turned on him and he headed back for the house.

The buck followed him into the cottage but calmed down when he offered the animal some sugar. But the buck grew frisky again after Hall slipped a rope around his neck and tied the other end to a tree outside.

Hall said he made the mistake of leaving the rope too long and the buck chased him back into the cottage. That's when he put in his call for help.

By the time police arrived, they found Hall hanging on to the antlers of the buck. The animal shook himself loose, snapped the rope and headed for safety in the woods before the officers could do anything about it.

Lowell Police Chief to Retire After 30 Years

LOWELL (UPI) — Frank L. Stephens, 65, who has served as Lowell chief of police for more than 30 years, will give up the post at the end of the year as soon as a successor is named.

Stephens said he wanted to "take some time off for myself." He will continue his duties as a deputy sheriff, driver's license clerk and local civil defense official.

Cherries Grow in U.S.

The United States produces about 20 per cent of the world's cherry crop.

Nowadays when you see a father and son having a man-to-man talk, says Maurice Seitter, chances are the one with the beard is the son . . . A pretty young job-seeker told an employment service interviewer: "Well, I can't type very fast, but I can erase up to 60 mistakes a minute."—Earl Wilson.

According to Gilbert Youth Research, newspaper ads generate more belief among teenagers than do magazine ads or broadcast commercials. They say newspaper ads are more factual, and give them guidance in making buying decisions.

THE TV INFLUENCE — Boon companions for the nursery crowd are stuffed animals from the air show, Huckleberry Hound.

Ike's Trip On Page 5 of Pravda

MOSCOW (UPI) — The Soviet press and radio have been giving dutiful but minimum coverage of the bare facts of the Eisenhower trip and radio comment has been brief and only mildly critical.

In comparison to the frontpage photographs and headlines in the western press, the stories here are brief Tass agency reports on the back page of Soviet papers with no accompanying comment.

For example, the communique issued at the end of Eisenhower's stay in Karachi was limited to a five-paragraph straight news story on page five of both Pravda and Izvestia.

White Stripes to Edge Roads in Pennsylvania

HARRISBURG, Pa. (UPI) — White stripes are going to be painted on the edges of all three and four-lane highways in Pennsylvania.

The action is designed as a safety measure. It is provided for in a measure signed into law Tuesday by Gov. David Lawrence.

Food Firms Sell Out

WASHINGTON (UPI) — The mortality rate among food firms has been high in the past seven years, according to the Agriculture Department. One out of every four food companies in the U.S. was gobbled up by bigger competitors with the highest acquisition rate being among grocery stores and dairy firms.

Still Seething With Hate

Cyprus Elects First President Sunday

By PHIL NEWSOM
UPI Foreign Editor

A black-bearded priest of the Greek Orthodox Church becomes the newly elected president of a newly born state Sunday.

★ ★ ★

He is Archbishop Makarios II. The new state is Cyprus, an island about the size of New Jersey containing approximately a half million people of whom four-fifths are of Greek origin.

The new vice president will be Fazil Katchuk, a man of Turkish origin.

The constitution of the new republic provides that the president be Greek, the vice president Turkish. Both Makarios and Katchuk are assured of election.

The elections Sunday are a prelude to the actual date when Cyprus is supposed to take over its own destiny, which is Feb. 19.

It will be a state with a bloody past and an uncertain future.

★ ★ ★

Cyprus' strategic location, 40 miles off Turkey in the eastern Mediterranean, has made it a favorite target of conquerors for more than 2,000 years, beginning with Alexander the Great.

ENOSIS DEMAND BRED HATE

Its most recent history of violence began with demands of the Greek majority for "Enosis" (union) with Greece, a proposal violently opposed by the Turkish minority, as well as by Turkey.

In the resulting dispute involving Britain, Greece and Turkey in addition to Cyprus itself, Makarios became the political firebrand and a man named Col. George Grivas, the leader of the fighting underground.

In 1955, the underground declared war on the British and the shooting began.

Hundreds were killed and thousands wounded in the fighting which raged with no holds barred for the next four years, and the scars still run deep.

Greece and Turkey, allies in NATO, came to the verge of war.

Greek and Turkish Cypriot battled each other and outrages against each still burn in memory.

★ ★ ★

Early this year, Britain, Turkey and Greece, with Makarios sitting in for the Cypriots, agreed that Cyprus should become an independent state.

It was an agreement satisfactory to no one.

Grivas and Makarios had a falling out which threatened to start the strife all over again. The quarrel later was stilled but it was an uneasy truce at best.

Makarios' Greek Cypriot Party split between right and left.

Negotiations looking toward a government administered by both Greeks and Turks almost collapsed on a charge of gun-running against the Turks.

Greek Cypriots still sought revenge on "informers" they suspected of working for the British.

★ ★ ★

A Cyprus newspaper this week felt it necessary to warn that "unless it is universally recognized that democracy implies complete freedom of choice, past sacrifices will have been in vain."

★ ★ ★

The new government is bound by agreement not to seek union with any other state. Built-in guarantees have been written to assure the rights of all individuals. But words on paper cannot wipe out the hatreds which still are a part of Cyprus.

Damage Insurance Issue May Stall Bridge Bow

LANSING (UPI) — The 11-million-dollar vertical lift bridge connecting the Keweenaw Peninsula with the Upper Peninsula may officially open Tuesday.

★ ★ ★

Highway officials today checked the Coast Guard to find out if the shipping season would be ended by then.

If it does not end by Tuesday, the opening will be delayed. The department would need $10,000 in insurance in case a ship should be damaged by the bridge.

Officials said it would not be necessary to insure the bridge when it was turned over to the Highway Department because the state cannot be sued. However, for a brief period this month, there is some question whether the state or the contractor owns the bridge.

10 DAYS TO CHRISTMAS AT Sanders

December 15 the fun begins. This exciting Sanders "Christmas Cookie Count-down" was very popular last year—and again this year your children can count the days 'til Christmas in a delicious, fun-filled way.

"Hansel and Gretel Doll Kits"—available now, and only at Sanders—do the counting for you! Each kit consists of 10 colorful Hansel and Gretel paper dolls—each eight inches tall—which can be arranged to hang vertically, or to stand in a row on the mantel or table. Every doll has a numbered pocket—to hold a sparkling Sanders Tree Cookie. December 15 your child removes doll number 10 and eats the cookie, and continues eating a cookie a day 'til—suddenly it's Christmas!

Be ready for the "Christmas Cookie Count-down" at your house! Today, get the "Hansel and Gretel Dolls" and special Tree Cookies (with individual see-thru bags) at your nearby Sanders store.

Decked in boughs of Christmas greens are members of Pontiac Central High School's vocal music department. From top are, Tom Cate of West Huron street; Gary Bowes, left, of Chamberlain street; Elvin King of High street, and Phyllis Burt of Baldwin avenue.

Pontiac's annual community Christmas concert will be presented Sunday in the Pontiac Central High School gymnasium at 3 p.m.

★ ★ ★

The special yuletide program will feature the Pontiac Central Music Department, the Pontiac Women's Chorus and the MacDowell Male Chorus in a variety of sacred and secular Christmas music.

A sequence of carols from many lands has been planned to present the story of the nativity.

Under the direction of Doreen Voltmann, the combined girls glee clubs will sing "The Snow Lay on the Ground" and "When Christ Was Born of Mary Free," traditional English carols.

BOYS' NUMBERS

A. Michael Dempsey and the combined boys glee clubs are working on "Lo, How a Rose E'er Blooming" by Praetorius and "Carol, Brothers Carol" by Roy Ringwald.

The MacDowell Male Chorus has chosen "Christmas Eve" by Hagemann and Clay Warnick's special arrangement of "White Christmas."

Melvin Larimer is director and Jerry Libby accompanist of this civic chorus.

★ ★ ★

The Pontiac Women's Chorus, directed by George Scott, is preparing a group of Polish carols arranged by E. H. Greer.

"Today Is Born Immanuel" by Praetorius will complete their group. Accompanist is Dorothy McKibben.

The audience will have an opportunity to join in singing familiar carols with Jerry Libby directing.

ALL 800 IN FINALE

Climax will be the final three selections in which all 800 singers of the combined choruses as well as all former vocal department students will join in singing the Bach chorales and the "Hallelujah Chorus" from Handel's "Messiah."

Other special groups appearing will be the Song Spinners and the Junior Girls Ensemble under the direction of A. Michael Dempsey; the selective Girls Glee Club and the Senior Girls Ensemble, directed by Mrs. Voltmann; and the Pontiac Central High School A Capella Choir under the direction of George H. Putnam.

★ ★ ★

The public has been invited. No admission will be charged.

Festive Christmas ribbon will be worn by the combined girls glee clubs when they join with other vocal department songsters, the Pontiac Women's Chorus and MacDowell Male Chorus in their annual Christmas gift to the community—a free concert of Christmas song. From left are Phyllis Suhr of Pineview drive, Kay Jerome of West Iroquois road and Mitzie Schroeder of Dwight avenue.

Kitchen Art Watched

"Holiday Cookery" was demonstrated by Mary Jackson of Consumers Power Company home service department to the Opti-Mrs. Club Tuesday evening. Assisted by Mary Lou LaBrie, department home economist, Miss Jackson cooked a Christmas dinner.

★ ★ ★

Menu shortcuts featured were canned cream soups in sauces, and refrigerator biscuits to make a variety of rolls.

Dinner highlights were flaming plum pudding and a mystery fruitcake made without baking.

★ ★ ★

Miss Jackson also suggested Christmas gifts from the kitchen presented in inexpensive and re-usable containers.

Mrs. Harold Davis conducted a brief business meeting. Mrs. T. V. Hruska, outlined the club's Christmas project.

Society Convenes

The Women's Society of Christian Service of the Aldersgate Methodist Church (formerly Balwin Avenue Methodist) will meet tonight at the church.

★ ★ ★

Under the leadership of Mrs. Cordie Hereim and Mrs. C. Warren Wilson, a "Christmas Around the World" program will be presented.

The Wever School Glee Club will sing. There will be a Christmas party featuring a gift grab-bag.

★ ★ ★

Hostesses will be Mrs. Ronald Carr and Mrs. Byford Laur.

Pontiac Women's Chorus members will be among the 800 singers at Sunday afternoon's annual Community Christmas Concert. Pictured from left are Arlene Butler of Green road, Mrs. John Lupear of Roseberry court and Mrs. John Keinert of Loberta Lane.

Master Plumbers Dine

A family-style dinner with lighted Christmas tree and carols was the setting when Pontiac Master Plumbing Contractors and their Women's Auxiliary gathered for their annual Christmas party Tuesday evening at Rotunda Inn.

★ ★ ★

Decorations were under the chairmanship of Mrs. Curtis Thompson assisted by Mrs. Wilfred Thompson and Mrs. William Williams.

★ ★ ★

Music was provided by Mrs. Bud Temple.

★ ★ ★

Attending the affair were Mr. and Mrs. Ted Cook, Mr. and Mrs. Lloyd Thorton, Mr. and Mrs. Floyd Temple, Mr. and Mrs. William Williams, Bill Fleming, Mr. and Mrs. Wilfred Thompson and Mrs. E. J. Duffy.

★ ★ ★

Others present were Mr. and Mrs. Ezra Mason, Mr. and Mrs. Glenn P. Seeley, Mr. and Mrs. Ezra Mason Jr., Mr. and Mrs. Bud Temple, Mrs. Donald Williams, Mr. and Mrs. Jerry Williams, Mr. and Mrs. Donald E. Williams, Mr. and Mrs. Curtis Thompson, Mr. and Mrs. Elmer Conrad and Mr. and Mrs. Ernest Campion.

ANASTASIA SAVVAS

Mr. and Mrs. Azarias Savvas of Liberty street announce the engagement of their daughter Anastasia to George Mulopulos, son of Mr. and Mrs. John Mulopulos of Toledo, Ohio. A late summer wedding is planned.

Secretaries Exchange Gifts

The Pontiac Educational Secretaries Assn. held the annual Christmas party at a dinner meeting Tuesday in Devon Gables.

The 35 members present exchanged gifts.

Gifts Shown at Yule Fete

A Christmas party for the Lorraine Manor branch of the Woman's National Farm and Garden Assn. was held at the home of Mrs. James G. Schultz of Fernbarry drive Wednesday evening.

Mrs. Schultz displayed clothing and toys purchased for boys at the Lapeer Home.

Members voted a contribution to the Michigan division toward the purchase of Wagner Falls in the Upper Peninsula. The site would be presented to the state as a part of the Michigan Park System.

Proceeds Go for Scholarship

Garden Greens Market Friday

For the past several months members of the Waterford Branch of the Woman's National Farm and Garden Assn. have been gathering materials and making articles for Friday's annual Greens Market at the Community Activities Building on Williams Lake road.

Mrs. Robert Materna is chairman, assisted by Mrs. Alton Banfield.

Mrs. Gil Every, chairman of a group making Della Robbia wreaths, will have additional wreaths freshly made for the event. Members of Mrs. Norman Hill's committee are making net tablecloths, while Mrs. Ashton Emery is handling candles and Mrs. Garret Prible, table arrangements.

★ ★ ★

Victorian stockings have been completed by association members on Mrs. Ralph Bump's committee. Others contributing are Mrs. Richard Gorman, do-it-yourself items; Mrs. Andrew Adams, Santa Claus aprons; Mrs. Fred Bohlman and Mrs. Donald Gilchrist, corsages; Mrs. Gerald Lewis, calendars; and Mrs. Mark Stewart, fruit cake and candy.

Mrs. Dalton Ettinger has a supply of cocktail aprons; Mrs. Charles Harrison will sell Santa Claus door knob covers; and Mrs. Donald Hoyt will preside at the tea talbe.

Booths will be in operation all day. Proceeds will go for a student scholarship to a Michigan college or university. John Saum is the current scholarship recipient.

Pontiac Press Photos

Readying materials for their Annual Greens Market slated Friday at the Community Activities Building on Williams Lake road are several members of the Waterford Branch of the Woman's National Farm and Garden Assn. From left are Mrs. Ralph Dikeman, Mrs. G. L. Prible, Mrs. Norman Hill and Mrs. Andrew L. Adams.

Mrs. Dalton Ettinger, center, adjusts a cheery pine cone wreath which will adorn the entrance, welcoming visitors to the Waterford Farm and Garden greens market Friday. Mrs. William Cobb, left, and Mrs. Robert Materna, chairman of the undertaking, take time out from arranging displays to admire the decoration.

Dorcas Class Collects Gifts for Patients

Twenty-two members and friends of the Dorcas Class of Oakland Avenue Presbyterian Church met at the home of Mrs. Ada Mortensen on South Tasmania street for a Christmas party Tuesday.

★ ★ ★

After singing of carols, a program was presented under the direction of Mrs. Howard Hall, Mrs. Edward Schultz, Mrs. Alex Joss and Mrs. Clarence Failing.

Members gave gifts for patients at Pontiac State Hospital and the Oakland County Medical Care Facility.

★ ★ ★

Hostesses were Mrs. William Bradley and Mrs. Edna Matheny.

Scout Party This Monday

The Mother's Auxiliary to Boy Scout Troop 120 met Monday evening at the Christ Lutheran Church.

The troop family Christmas party at the church is slated for Monday. Donations will be made for a gift basket for a needy scout family.

All scout mothers are invited to the Jan. 18 meeting.

Pontiac Press Photo

Wihla Hutson, center, lyricist of the Alfred Burt carols and former organist of All Saints Episcopal Church was honored guest at Tuesday afternoon's Tuesday Musicale Christmas concert. Greeting her at the tea table, set in brass with samovars, are at left: Mrs. J. K. Kelvey of West Iroquois road, chorus member; and Mrs. J. L. Bennett of Illinois avenue, program chairman.

Builders Club Throws Joyful, Toyful Tot Fest

Forty youngsters from the Oakland County Children's Home enjoyed a Christmas party and an "inside" talk with Santa Claus at Waite's Department Store Wednesday morning.

★ ★ ★

The group was hosted by the Builders Club, a group of Waite's executives who paid for the party.

Santa greeted each child and gave them stockings full of candy, gum, fruit and other tasty tidbits.

They got a real thrill when they were turned loose in Waite's toy department. Each was given his pick of two free toys.

★ ★ ★

Ending the festivities, the children stepped up to the lunch counter for a round of hot chocolate and doughnuts.

Did you know that one of the early signs of schizophrenia (split personality) is likely to be carelessness about cleanliness?

When good habits of cleanliness break down, the cause may be a mental health problem, which requires treatment.

Daily newspapers appeal to all members of the family all year long. Circulation remains constant —unlike TV's audience which drops as much as 29 per cent in summer.

Amateur Can Wrap Elegantly

Are you a fumble-fisted amateur when it comes to wrapping Christmas presents?

If, so, you can take heart from two recent advances in the gift wrapping field — revolutionary new ribbons and an inexpensive book that describes in understandable terms how to tie pretty bows and wrap elegant gifts.

★ ★ ★

The new ribbons stick together when moistened, eliminating the problem of tying knots.

The book, by a gift wrapping stylist, tells how to select gift wraps and ribbons, and how to tie bows and other ribbon decorations. The book is available at greeting card and stationery departments.

Guests were Marion Bunce of Rochester, George Webb of Ferndale, G. H. Curnne, Rochester, and Mrs. Edith Boaks, Detroit.

The bicycle was introduced into the U. S. from Europe in the early 1800s.

'Beale Calling: Drop Over for Dinner—Tonight'

Australians Spurn Washington's Protocol

(This is the fourth of a series of articles in which Washington's best-known hostesses reveal the techniques and tricks that make a party successful—and recount some times when even the best-made plants went wrong.)

By RUTH MONTGOMERY

WASHINGTON — Perhaps one reason why the Australian embassy is the scene of some of the most scintillating parties in our free world capital is because Ambassador Howard Beale believes that the keynote should be "laughter."

★ ★ ★

The gregarious envoy and his petite, witty wife Marjorie can and do give elegant seated dinners for 24, with gold-crested invitations dispatched three weeks in advance.

They vastly prefer, however, to whip up spur-of-the-moment supper parties for "12 kindred souls," who afterwards sit around a crackling fire in the library and swap "intelligent" conversation about any subject from quiz scandals to the state of the world.

"We're a bit naughty, you know," Beale grinned, "because Marjorie and I like to ring up friends on a day's notice and ask them over to dine."

In protocol-worshipping Washington, this can sometimes prove hazardous, since the invited guest is apt to believe that he is a last minute fill-in for someone else; but friends who have come to know the informal Australian couple well in the past year realize that it simply means they are wanted.

Food is superb at the Beale table, thanks to the capable ambassadress, and to the enviable Greek chef who delights the palate with Australian crayfish tails, whole salmon flown from the West Coast, and soft shell crabs in season.

"Food and good wines are important to the success of any party," Beale said, "but the real secret is laughter — among congenial people.

★ ★ ★

"We never have entertainment at parties, because matching intellects is far more fascinating. Frankly, the trouble with music is that it raises the noise level, and we like to keep it down."

An Australian embassy soiree is no place for a bore who stands on formality.

No sooner have the guests arrived than a brown streak whizzes past and George Washington, a 60-pound springer spaniel, hurls himself into the ambassador's lap. One kind word to George, and your lap is next.

When the Beales set sail for their new diplomatic assignment in Washington 20 months ago, both were exhausted from the ordeal of bon voyage parties.

The former minister of defense production had to leave the boat in Sidney for a few days of official calls, but rejoined it at Perth.

'I'LL HAVE ONE TOO'

Marjorie, greeting her husband from her berth, sighed: "Howard, I've been having a nervous breakdown for a week."

The new ambassador, wearily dropping his briefcase, murmured: "Roll over. I'm going to have one beside you."

They relaxed on the boat for nearly two weeks before they could muster the energy to join the gay crowds in the salon, but no sooner had they reached America than Beale observed:

"I'm lonely. I don't know a soul. Let's get a dog."

And they did.

★ ★ ★

When a friend asked why he had christened the new addition to the family George Washington, the ambassador quipped:

"Because he has a good English lineage, and he cannot tell a lie."

Unfortunately, George also cannot confess, and once when he had chewed through the bell cord under the dining room table, Mrs. Beale spent an uncomfortable few minutes pressing the button for service, and wondering why the waiters failed to come in and clear away the soup course for the diplomatic dinner.

George had nothing to do with another fluff at their party, when a bartender accidentally used salt instead of sugar to make old-fashioneds.

But it takes more than that to rattle the fun-loving Beales.

(Tomorrow: Entertaining on a smaller scale.)

Panhellenic Club Meets

The December dinner meeting of the Pontiac Panhellenic Association Monday at the Fox and Hounds Inn was under the chairmanship of Mrs. William J. Freyermuth.

Mrs. Milton H. Bank gave a reading entitled "Shared Miracle."

Guests were Patricia Hott and Mrs. William L. Kish.

Mrs. William Belaney will be hostess to the Jan. 4 meeting at her Chippewa road home. The guest speaker will be from the Prosecuting Attorney's office.

Any alumna of a Nation Panhellenic Conference fraternity is invited to join the local group.

Yomar Group Hears Readings

The Yomar Group of the First Presbyterian Church met Tuesday evening at the Iroquois road home of Mrs. Earle Van Dyke Jr. Assisting the hostess were Mrs. Harry Wood, Mrs. Neil Gray and Mrs. Howard White.

Mrs. Richard Wright led devotions and read "The Christmas Sky." Christmas thoughts were read by Mrs. Eldred Mathes, Mrs. Marvin Hillman, Mrs. George Tremper, Mrs. Emil Bruestle and Mrs. William Hilderly.

Mrs. Fred Hoenstine, Mrs. Keen Haddad and Mrs. Tremper planned the social hour and gift exchange. A gift was presented to Mrs. Wright, outgoing president.

A white and gold miniature Christmas tree flanked by tall pink tapers centered the refreshment table. At the tea service were Mrs. James Graybiel, new group chairman, and Mrs. Wright.

Calendars Fill Up With Gay Parties

By RUTH SAUNDERS

BLOOMFIELD HILLS — Many lovely holiday parties will take place over the coming weekend . . . perhaps the largest will be the dinner dance Saturday evening at Bloomfield Hills Country Club, with hosts Mr. and Mrs. Louis G. Goad and Mr. and Mrs. J. Thomas Smith. The lovely white sparkling branches covering the ballroom ceiling and great white trees in each corner will form a beautiful background for the colorful gowns of the guests.

★ ★ ★

On Sunday Mr. and Mrs. Louis S. Morse Jr. will be "at home" to about 70 guests in their Rudgate home and the same afternoon Mr. and Mrs. Charles W. Taylor will serve cocktails in their West Valley road home.

★ ★ ★

Also on Sunday Mr. and Mrs. Carl Bradt and Mr. and Mrs. F. H. Mott will give a "brunch" at Orchard Lake Country Club.

★ ★ ★

Friday evening, Mr. and Mrs. Edward A. Purman will entertain at cocktails, as will also Mr. and Mrs. F. H. Phelps.

★ ★ ★

Mrs. M. M. Burgess arrived home Monday from a week in New York City to find many invitations awaiting her. She is planning a dinner party for Dec. 27 in her home.

★ ★ ★

Mrs. John G. Wood has planned several dinners for the holidays, the first will be Friday evening in her home on Hills drive.

★ ★ ★

Still another open house will be given Saturday by Mr. and Mrs. Robert H. Flint in their home on Island Lake lane.

★ ★ ★

Mr. and Mrs. William B. Saunders (Sally Selover) announce the birth of a son, Frederick Anthony, on Thanksgiving Day, Nov. 26.

Mrs. Basil Manly will come early next week from her home in Washington, D.C., to spend the holiday season with her son-in-law and daughter, Mr. and Mrs. Walter O. Briggs Jr.

★ ★ ★

Mrs. Theodore O. Yntema has invited friends for luncheon Wednesday in her home on West Long Lake road.

★ ★ ★

Mr. and Mrs. Judson Decker (Jane Bopp) announce the birth of a daughter, Susan Marie, Nov. 17.

★ ★ ★

Alumni of Kingswood and Cranbrook schools have chosen the evening of Dec. 26 for their annual dance to be given at Orchard Lake Country Club.

Marilyn Martin and Sarah McQuigg are taking reservations for the dance.

Among hosts for cocktails before the dance will be Mr. and Mrs. Bruce H. Smith, Mr. and Mrs. Peter C. Hoffman, Mr. and Mrs. Frank P. McCartney, Mr. and Mrs. Michael B. Redfield and Mr. and Mrs. Charles Gilbert.

JOANN C. KITCHEN

Mr. and Mrs. Glenn H. Kitchen of Kimball street announce the engagement of their daughter JoAnn Carolyn to Seaman Gerald C. Crossman, son of the Clifford Crossmans of Stanley avenue. The bride-elect is in nurses' training at Hurley Hospital, Flint. Her fiance is in the unit band on the U.S.S. Foresstal.

Witness Play

Alumnae Gather

The University of Michigan Alumnae met Tuesday evening at the home of Mrs. T. E. Wiersema on West Iroquois road.

Mrs. W. O. Roeser, social chairman for the evening, was assisted by Mrs. R. Grant Graham, Mrs. Frank Allen, Mrs. George Roberts, Hazel Potts and Mrs. Katherine Quick.

Program chairman, Iama C. Hook, introduced Vera Mae Adams who presented the Pontiac Central High School Radio Workshop Group and a chorus of elementary school pupils from Owen and Malkim schools. Together they presented "The Shoemaker and the Elves" with Mrs. Royal Exline director and accompanist.

★ ★ ★

Participating in the workshop group were: Adrienne Ressler, Steve Gordon, Evelyn Kerr, David Austin, Priscilla Dawe, Douglas Spurlock, Judy Kenney, Nancy Walker, Dan Taylor and Norman O'Neil.

Engineers were Roger Riley and John Hunt; sound effects, David Cozart; music, Judy Hinkley.

From the Owen School were: Margaret Frank, Deborah Tabor, John Newman, David McSkulin and Jo Ann Johnson. From Malkim school were Kathleen Ball, Karen DeHaven, Darlene Hayes, Gale Pintamo and Ronald Darnell.

Susan Sanderson of Roosevelt School told the story "Why the Chimes Rang" by Alden. Her rendition was directed by Mrs. Harry Richards.

Doris Haynes, president of the club, presided at the refreshment table for adults. Mrs. Wiersema served punch to the young people.

Straighten Plastic

(UPI)—To remove folds and creases from a plastic fabric, hang it evenly over an open door, say clothing specialists.

The weight of the plastic will help remove the wrinkles. Then smooth the fabric with the palm of your hand.

She Lacks Eat-Iquette

By EMILY POST

Dear Mrs. Post: A woman and her son and daughter, aged 21 and 24, were having dinner in a restaurant when an acquaintance came up to their table and lingered more than 10 minutes chatting, but refused to take the offered seat.

The son remained standing while his dinner grew cold.

Under the circumstances, don't you think the young man could, with propriety, have sat down? Even if the visitor did not ask him to do so, could not the mother say to the visitor, "I am sure you will excuse my son if he sits down."

Answer: In the first place, the behavior of the acquaintance was inexcusable because, even with permission, the young man could not sit down for as long as she remained standing at the table.

If he had sat down, no one in the restaurant would have known that he had been asked to do so, and they would have thought him either ignorant or ill-mannered.

Dear Mrs. Post: A boy friend of mine always calls me up and asks for a date the night before he wants to go out. I don't mind these last minute dates once in a while, but when it is done regularly I think it is very impolite and shows lack of consideration for the girl. I would like your opinion on the matter.

Answer: I do not think that asking you 24 hours ahead of time is showing lack of consideration. There are many young men who rarely know even that far in advance if they will be free to go out for an evening.

Chorus of 60 Will Perform

A silver tea will follow the meeting of the Pontiac Woman's Club Monday at the Bethany Baptist Church.

★ ★ ★

The Eastern Junior High School Girls' Glee Club of 60 voices will offer several numbers.

Guests are welcome.

Complete Plans for Grand Opera Scholarships

Plans have been completed for the 1959-60 Opera Scholarship competition administered by the Detroit Grand Opera Assn.

Awards total $2500, one of the largest and most sought-after prizes for America's aspiring young singers.

★ ★ ★

Contestants must be between the ages of 21 and 35 with a mature voice well grounded in the technique of singing. They should possess musicianship adequate for the finest art songs as well as dramatic ability in voice, physique and personality.

Auditions are scheduled for Jan. 29 and Feb. 2 and 3 in Detroit. Applications are available from Mrs. Walker A. Williams, chairman of the scholarship committee, Book Building, Detroit.

★ ★ ★

Both opera and art songs must be presented in audition. The competition is financed by Grinnell Brothers. Judging will be under the chairmanship of a Metropolitan Opera conductor.

World Service Unit in Annual Yule Meeting

The Woman's Society of World Service of Baldwin Evangelical United Brethren Church held the annual Christmas meeting Tuesday at the church. Women from Trinity Baptist Church were guests.

Mrs. Kenneth Walker led the group in carol-singing. Mrs. Myron Everett gave the devotions.

Mrs. Ronald Carter of Flint showed pictures of Cuba and told of experiences in Havana. With Mrs. Carter were Mrs. Melvin Wedow of Auburn Heights and Mrs. Norman Hovis.

Presiding at the red and silver tea table were Mrs. Harold Bell and Mrs. Jerry Frederiksen.

Mrs. Leslie Bell was assisted by Mrs. George Hollis and Mrs. Earl Metz.

Child Study Club Gathers for Yule Fete

Mrs. Robert I. Knight opened her home on Frankel Lane, Bloomfield Hills, Tuesday for the annual sandwich luncheon and Christmas program of the Child Study Club. Assisting the hostess were Mrs. Robert E. Bego, Mrs. William Burder and Mrs. Bruce F. Hubbard.

Each member brought a gift box of cookies to be given to the aged at Oakland County Infirmary.

Mrs. William Wright introduced the guest speaker, Mrs. G. Harmon Gillen, who showed part of her collection of 250 dolls.

Duo Decum Club Elects Its Officers

Twelve members comprise the Duo Decum Club which recently elected Ann Fritz president. Other officers are: Jean Hubbell, secretary-treasurer, and Rita Flicker, telephone secretary.

Other members of the club are: Rose Anna Blades, Mary Ann Crites, Pat Mackie, Betty Meredith, Marlene McKinnon, Lois Nelson, Pat Newlin, Joyce Sowter and Gwen Wilton.

Marlene McKinnon of Midrow street, Drayton Plains, was hostess for the election and Christmas party. After a gift exchange, secret pal names were disclosed.

Tip to Travelers

(NEA) — Going on a trip Don't be trapped into buying something to wear just as a souvenir. It will probably look out of place back home and throw your clothes budget out of line for six months. Save your travel enthusiasm for small souvenirs unless money is no object.

Dry Cleaning Best

(NEA) — If you don't have a neat hand with washing sweaters, send yours to the dry cleaner. Never mind all the hang tags and instructions; some of us can manage the matter and others can't. Far better to pay a cleaning bill and get years of service from your sweaters.

For the Tall Girl

For the extra tall figure, choose a dress with a short waistline, high in front, dropping to normal at the back.

We're PRIVATE EYE for the ladies!

You're invited to cross examine the men back of our counters. You'll get the facts about what that man wants for Christmas. Nothing but the facts, ma'am, and a lot of fine service.

OPEN EVERY NIGHT 'TIL CHRISTMAS

WHERE QUALITY COUNTS

Privately of Course . . . Abby

Lecture Wife on Crime of Improper Punishment

By ABIGAIL VAN BUREN

DEAR ABBY: I am the father of three boys, ages 6, 7 and 9. Like most boys, they need a firm hand to keep them in line.

ABBY

My wife seems to think it is the father's duty to punish the children. When I come home at night I find them standing in a corner waiting for the whipping promised by their mother "when Daddy comes home."

Not wishing to contradict my wife in front of the children, I spank them. This puts a damper on the entire evening.

I am tired of being the "bad guy." Your advice will be appreciated.

"CHIEF WHIPPER"

DEAR "CHIEF": Advise your wife (in private, of course) that (a) punishment loses its effectiveness when delayed; (b) a more effective method of punishing children is to deprive them of something they enjoy; (c) the responsibility of disciplining children should be shared equally by both parents.

DEAR ABBY: What do you think of a woman age 46 having a big church wedding with a veil, white gown and all the trimmings?

If she looked young for her age it wouldn't be so bad. But she's gray-haired and looks like a grandmother. She is a maiden lady. He was married twice before and looks older than she does. His hair is also gray. People are laughing behind their backs. They are having old women for bridesmaids and old men for ushers. Folks who don't even know them will go to the church just to look at these old gray-haired fools. It will be like going to see a couple of freaks at a side show. How can I discourage this thing?

DEAR FRIEND

DEAR FRIEND: If the bride wants this kind of wedding, inappropriate as it is, she's entitled to it. (P.S. How old are YOU?)

DEAR ABBY: Please tell me what to do. I went to a lawyer and he said, "Go to a doctor." I went to a doctor and he said, "Go to a lawyer."

I have been married 22 years to a man who treats me like dirt. He calls me all kinds of names and laughs at me when I cry. He won't give me any money to live on. I had to take him to court when the kids were little because he was so stingy and mean.

When I worked he made me give him all my earnings. I can't work any more because I have high blood pressure, colitis, diabetes and arthritis. Also, if my husband feels like leaving for two or three days, he walks out and when I ask him where he is going he tells me it is none of my business. I know he has other women. Please help me because no matter how bad he treats me I still love him.

TEARS

DEAR TEARS: I think the lawyer is right. You should see a doctor.

CONFIDENTIAL TO "SUCKER": Next time give him bus fare and tell him to go home and get his wallet. This gag is older than Methuselah.

What's your problem? For a personal reply, write to ABBY, care of this paper. Enclose a stamped, self-addressed envelope.

Steppers Step Out

The Style Stepper's Square Dance Club held a dance Saturday evening at the Willis School.

Randolph May was the caller. "Stepping Out" and "Three Penny Waltz" were the dances other than square dancing.

Among the guests were Mr. and Mrs. Kenneth Cooper, Mr. and Mrs. Melvin Gell, the Elmer Warrens and Mr. and Mrs. Adolph Engler of Lake Orion.

Guatemala City is the capital of Guatemala.

Martin-Sawdon Nuptials Followed by Reception

A reception at Pontiac Country Club followed the marriage of Marlene Kay Sawdon and Harold Raymond Martin Saturday in the Central Methodist Church.

Dr. Milton Bank read the candlelight service in the presence of 200.

The parents of the couple are Mr. and Mrs. Frank A. Sawdon of Oakshire avenue and the Michael Martins of Second Avenue.

The bouffant bridal gown of white silk organza styled with lace bodice, swept into a chapel train. A tiara of sequins and pearls secured the fingertip veil of illusion.

Miniature chrysanthemums and white roses arranged in a cascade were held by the bride.

Honor maid Patricia Lichvar, wearing turquoise taffeta, carried pink baby roses and pink carnations. Mrs. Robert Sawdon, sister-in-law of the bride, and Karen Martin, the bridegroom's sister, appeared in aqua taffeta. Their flowers were baby pink roses and pale pink carnations.

Flower girl Michele Martin, in white organza over turquoise scattered rose petals from a basket. Dean Martin, young brother of the bridegroom, was ring-bearer.

Gerald Henderson was best man for his nephew. Robert Sawdon and Allen Nagengast of New Haven seated the guests.

For motoring to New York City, the new Mrs. Martin changed to a sheath dress of navy sheer wool with red accessories.

Mrs. Sawdon received guests in a sheath of beige lace and chiffon with pink accents.

MRS. HAROLD R. MARTIN

Teal green lace with brown accessories was Mrs. Martin's selection.

Mrs. Cook Is Hostess

Christmas toys were collected for reconditioning and distribution by the Waterford Township Fire Dept. when the Extensionists met Tuesday at the home of Mrs. Wayne Cook on Riviera street.

"Good Design" was the subject of a lesson given by Mrs. H. D. Nicholie. Mrs. Ralph DeGraff was luncheon cohostess.

Announcement was made that Mrs. J. H. Trietsch, community chairman, will present handkerchiefs donated by members to Oakland County Medical Care Facility patients.

Mrs. William Miller was program chairman. Guest was Mrs. Ralph Smith.

Webster PTA Plans for 1960

Mrs. George Watters presided at the executive board meeting of Webster School PTA Monday evening.

The board will entertain staff members at a tea following the Christmas program Dec. 18 at 2 p.m.

★ ★ ★

Harry Avesian announced the 1960 recreation program from Jan. 19 through Mar. 7 will provide programs for parents and children two evenings each week.

Cake decorating, art, metal work, physical conditioning, golf instructions and gym activities will be available on Tuesday evenings. Family roller-skating will be Wednesday evenings.

An occasional square dance will be listed, also swimming sessions at Pontiac Northern when the pool is available.

★ ★ ★

Fundraising project for the purchase of roller skates will be under the chairmanship of Mrs. B. R. Sweeney. The skates will be available for Wednesday evenings and for school youth groups in after-school activities.

★ ★ ★

Mrs. John Rothschild and Les urging PTA groups to stress the Langford, safety chairmen, are wearing of identification tags by all pupils in event of a major disaster.

Mrs. Neil Gray reported for the scholarship committee and Ralph Markowitz on the Fair returns.

Hostesses were Mrs. Rothschild, Mrs. Herbert Ketchum and Mrs. Mildred Hobbs.

Americans bought more new books last year than were owned by all mankind before the 20th century. Book publishers spent nearly $10 million in newspaper advertising in 1958 to whet the literary appetites of the public.

Pontiac Press Photo

"A jeweled delight," says Mrs. William H. Pettibone of Epping lane, left, of Cranbrook Branch, Woman's National Farm and Garden Association. Looking on are, left to right: Mrs. Robert D. Holbrook of Windingwood; Mrs. Laurence T. Herman of Pon Valley road and Mrs. Ben F. Glowacki of Jonathan lane.

Branch Has Subscription Luncheon

Cranbrook Branch of the Woman's National Farm and Garden Assn. held a subscription luncheon Monday at the Epping lane home of Mrs. William H. Pettibone in Bloomfield Hills.

★ ★ ★

Committee members who decorated the 'Treasure Tree' pictured are: Mrs. Charles W. Taylor, president; Mrs. George H. Glover, Mrs. Lawrence T. Herman, Mrs. Harold Tanner, Mrs. George McCormick Jr., Mrs. Clark Andreae, Mrs. Edwin O. George, Mrs. William L. Mosher Jr., Mrs. Robert E. Klintworth, Mrs. Ben F. Glowacki, Mrs. Robert D. Holbrook, Mrs. Lloyd Sherwood, Mrs. P. H. Hamley and Mrs. Pettibone.

Proceeds are tagged for scholarships and horticultural therapy.

Gifts for Pontiac State Hospital patients were collected.

Make Your Own Gifts

(UPI) — Unpainted wooden gadgets make handy Christmas gifts which can be made at home.

Make a cheese board out of a bread board. Decorate the board with stencils and wax it. Place a box of crackers and packages of gourmet cheese spreads and possibly a spreader on the board and wrap it with cellophane.

Unpainted hangers can be painted, stenciled, waxed and monogrammed.

Hold Christmas Tea

Pontiac Women's club members were guests of the Women's Literary Club at a Christmas tea Monday at the Adah Shelley Library.

★ ★ ★

A cloth of Queen Anne lace made by Mrs. Fred Jackson, daughter of Mrs. J. H. Slaybaugh, covered the tea table. White and red candles flanked the centerpiece of holly sprigs.

Presiding at the coffee service was Mrs. Harry Vernon. Mrs. P. G. Latimer served the tea. Hostesses were Mrs. J. H. Slaybaugh, Mrs. Lulu Luby and Mrs. A. O. Carmer.

Mrs. Raymond Swaney, international program chairman, introduced Marilyn Vernon who sang "The Holy City" accompanied by Mrs. Earl Hunt.

★ ★ ★

Slides of European countries visited by Miss Vernon last summer illustrated her talk: "Traveling With the Michigan Chorale."

The Women's Literary Club will give the Christmas party for the Library Club of Pontiac State Hospital on Dec. 22.

Mrs. Hopkins Wed Recently to Mr. McCallum

Mrs. Pearl Lillian MacCuaig Hopkins of Scott Lake road and Laverne Clinton McCallum of Harper Woods were married Nov. 28 in Grosse Pointe Baptist Church.

Dr. Dale Ihrie read the service in the presence of 100 guests.

The bride wore a toast brown suit and corsage of golden rapture roses.

Attendants were the bridegroom's daughter, Mrs. Marvin Toepler, and his son, Allan.

★ ★ ★

Following a church reception, the couple left for a week in Ontario. They are at home on Scott Lake road.

WCTU Fellowships

The Frances Willard Unit of WCTU held its annual Fellowship Dinner Monday at Church of the Brethren. The meeting opened with song and prayer.

★ ★ ★

Pledges to the National Christian and Temperance flags were led by Mrs. Sadie Patton. Devotions were given by the Rev. Lola P. Marion.

Special music was rendered by a group of the "Mary Morton" unit. Mr. and Mrs. George Perkins sang a duet, with accordion accompaniment by Mrs. Perkins.

Mrs. Charles Green, honorary district president, spoke on "Crimes Classified and Crime Builders Advertised."

Legislation of a bill concerning prohibiting serving alcoholic beverages on aircraft in flight was discussed by Mrs. L. G. Rowley, state president.

Federation President, Mrs. Nellie Monroe spoke on "UNEIEF and Its Principles."

A reading, "The Master's Touch" followed a talk on "Preparing Children for God" by Mrs. Perkins, district president.

Eight WCTU units including six local groups were present.

There are over nine million teenagers in U.S. secondary schools—an increase of over 43 per cent in the past decade. Last year, local advertisers invested 56 per cent more dollars in newspaper advertising during the fall back-to-school months than they did in 1950.

PENDLETON®

gifts bear your warmest wishes

Many of our customers have told us it's almost as heart-warming to *give* as to receive Pendleton sportswear. They know the Pendleton label means *quality*, and they know how men feel about receiving a new Pendleton shirt or jacket, or even a muffler. The Pendleton label has become synonymous with quality because every Pendleton is dyed, spun and woven of pure virgin wool to an Oregon formula that goes back over 90 years.
This year, bring your gift list in to our Pendleton department and guarantee that those favorite names on your list have a truly "Merry Christmas".

Doctor Says Such Chatter Only a Fad

Quit Talking 'Stress of Job'

NEW YORK (UPI)—Once more the science of epidemiology has failed to find a mass-scale connection between stress and disease, and a well-known practitioner of the science wonders if the holders of high-stress jobs shouldn't be told to stop moaning about their pressures.

Perhaps science should encourage the business executive in particular "to welcome the pressure of his work as an index of his proven ability and toughness," said Dr. P. A. B. Raffle.

He went further — he suggested all the talk of stress and disease may be a "fashion" rather than factual.

Until epidemiology dispelled the notion in 1951, many fine medical minds believed bus drivers were more susceptible to peptic ulcer than others because of the stress of their work. Now everyone knows men in much less stressful work are just as susceptible, he continued.

Raffle's new contribution was an epidemiological demonstration that the stress of working on public buses doesn't increase the chances of the workers having heart attacks or nervous disorders or disabling upsets of the digestive tract.

★ ★ ★

Epidemiology deals in the statistics of diseases and of the people who have them. Bus workers are good epidemiologic meat because in general they work and live in the same ways and their environmental strains for large numbers are the same.

Raffles compared the sickness records of drivers, who are presumed to be under the greatest stress, with those of conductors with their presumably lesser stresses, and finally with those of bus maintenance workers who comparatively have no occupational stress at all.

ACCURATE STATISTICS

He used the statistics of the London transport system of which he is senior medical officer. These statistics have been used in many epidemiologic studies because they are well kept and cover long periods of time.

This talk of stress and disease grows out of doctors realizing that in some of their patients, psychological factors can be disturbing enough to cause mental or physical illness.

These doctors get the impression from this that occupational stress can do it. And this impression epidemiology does not support, he said in a recent lecture.

Men are not likely to take a job they know they'll find stressful, he said. If they do take the job, they're more likely to quit it than the men who don't find the work stressful. "In the end, therefore, each occupation group would tend to consist of those men who can do the job or jobs without showing strain," he continued.

"In occupations which need successive promotions, the additional effect of the employer's selection has to be taken into account.

"The employer generally promotes only the able man and is unlikely to promote the man who reacts unfavorably to the pressure of work. The men at the top are, therefore, doubly selected. Only those who know that they can and have shown that they can withstand stress reach the heights."

TWO THINK as one and stuff stockings with companion electric shavers. His new shaver adjusts to beard or skin.

There are nearly 700 islands and more than 2,000 cays and rocks in the Bahama Island group.

Magazine Article Author Leaves TV Probe Group

WASHINGTON (AP) — Richard N. Goodwin is leaving the staff of the House subcommittee which he helped expose rigged TV quiz shows.

Chairman Oren Harris (D-Ark.) refused to say whether Goodwin is departing at the subcommittee's request.

After the public hearings ended, Goodwin wrote an article for Life magazine telling about the investigation and personalities concerned.

He was paid for the article but neither he nor the magazine has disclosed how much.

Smiths Have Landed

BIRMINGHAM (AP) — Pretty soon the Marines will be saying the Smiths have landed. Sgt. Charles F. Smith in the recruiting office here signed up three of them in two days — Richard C. Smith, Richard H. Smith, and Charles E. Smith.

Damascus, Syria, is said to be the oldest city in the world.

PCH Cagers Open Defense of Valley Title Friday

SPORTS

From the Press Box

BY BRUNO L. KEARNS
Sports Editor, Pontiac Press

Gus Stager, University of Michigan's personable swimming coach, had some nice things to say about the crowd and the Pontiac Northern pool during the recent visit of the Wolverine swimmers to the city.

"This is one of the finest high school pools we've had the privilege to use, and this crowd is the best in many exhibitions we've put on," said Stager.

The Swim Festival drew a standing-only crowd to the PNH pool and everyone was completely satisfied with the great show of competitive swimming and pool humor put on by the NCAA champions from Michigan.

"We don't have a regular practice session for our comedy acts, the guys do some practice on their own and we decide in the car on our way to our destination what we will do," Stager said.

★ ★ ★

Stager, who was recently named coach for the U.S. Olympic swim team, which will again conduct its trials in Detroit next summer, has another team which should walk off with NCAA championship for the 4th straight year.

★ ★ ★

DITTOS FROM THE PRESS BOX

Many school officials and parents complain about the late finishes of athletic events, yet very often the games never start until 9:00 p.m.

As example, last Friday night the game at Pontiac Central ended at 9:10, but at Waterford it was still in the second quarter at this time.

We can say this for PCH coach Art Van Ryzin—when he says 8:00 p.m., it starts at 8:00 p.m., give or take a couple minutes.

Majority of customers pay to see the varsity game, so why start jayvee games so late that it causes an hour delay for everyone?

★ ★ ★

CAGEY CHARLEY SEZ:

Ole Cagey Charley had himself a field day with last Friday's picks.

His expanded chest shows he picked seven out of seven, and in basketball that's an accomplishment.

Ole Charley should have been a member of our Swami Association in football the past season.

His record to date is 9 right, two wrong.

Tomorrow Cagey Charley Sez:

Rochester over Utica, Milford over Bloomfield Hills, Lake Orion over Madison, Clarkston over Holly, Pontiac Northern over Southfield, St. Michael over RO St. Mary, St. Fred over OL St. Mary, Avondale over Troy, Clarenceville over West Bloomfield and Pontiac Central over Arthur Hill.

★ ★ ★

THE BLUE PLATE SPECIAL:
Waterford over Walled Lake.

Pontiac Press Photo

FOOTBALL TALENT ASSEMBLED — Members of the 1959 Pontiac Press All-County football squad line up with Jesse MacLeay of Pontiac Central, Oakland's Coach of the Year, at last night's MSU Oakland County Alumni Club grid bust in Devon Gables. Front row, left to right: End Herb Harris, Avondale; tackle Phil Isbell, Birmingham; guard Stuart King, Ferndale; center Gerry Root, Royal Oak Kimball; guard Charley Brown, Pontiac Central; tackle Jerry Rush, Pontiac Central; end John Meadows, Royal Oak Dondero. Back row, left to right: Defensive lineman Jim Teddy, Walled Lake; back Bob LeZotte, Royal Oak Dondero; back Bob Hocking, Pontiac Northern; MacLeay; quarterback Ron Bishop, Royal Oak Shrine; back Bob Christian, Walled Lake; defensive back George Graves, Pontiac Northern.

Chiefs Engage Arthur Hill on Central Court

Two Other Loop Games Slated as 1959-60 SVC Campaign Begins

By BILL CORNWELL

The preliminaries are over and the main show is about to begin for the Pontiac Central basketball team.

★ ★ ★

A rangy Saginaw Arthur Hill quintet invades Pontiac, Friday evening to meet the Chiefs in a Saginaw Valley Conference battle at the PCH gymnasium.

It will be the first Saginaw Valley engagement of the season for coach Art Van Ryzin's PCH cagers as they open defense of their league crown.

Two other Valley games are scheduled tomorrow night as the 1959-60 SVC campaign officially gets under way.

★ ★ ★

Bay City Central, minus tall center Larry Piotrowski who decided to leave the squad, visits Flint Central as Bill Ullenbruch, former Walled Lake cage boss, starts his 3rd year as coach of the Bay Wolfpack.

Flint Northern, which gave state Class A champion Lansing Sexton a whale of a battle Tuesday night before dropping a 53-48 decision, plays host to Saginaw High to complete the Valley card.

Arthur Hill will be the first of several stiff tests on the PCH slate and the unbeaten Chiefs will find out just how good they really are this season during the next four weeks or so.

★ ★ ★

Following their tussle with the Hillites, the Chiefs go to Flint Central for a Dec. 18 engagement, return home to meet Bay City on Jan. 8, then take to the road again for a Jan. 15 duel at Flint Northern and a Jan. 22 contest at Saginaw to complete the first round of the Valley schedule.

Arthur Hill was unimpressive last Saturday in the season opener, losing to Ann Arbor on the Ann Arbor court. But the Hillites improved considerably Tuesday when they defeated visiting Bay City Handy to square their record at 1-1.

There are seven returning letter winners on the Arthur Hill roster, led by six-foot Tom Dawson and 6-2 Dave Tingler. Pete Datema, 6-foot-6 center, gives the Hillites a strong rebounding threat.

★ ★ ★

The Hillites like to gang the backboards under coach Chuck Fowler's style of attack and this will provide a workout for Central's two top rebounders, 6-4 Bill Pritchett and 6-2 George Fed.

Arthur Hill will be gunning for the Chiefs with all barrels. The Hillites are regarded as one of Central's leading threats in the Valley race and Fowler has high hopes of bringing the championship back to Arthur Hill after a long absence.

Central has conquered two opponents thus far. The Chiefs had trouble disposing of Dearborn Edsel Ford, 52-44, in their opening game, but found easy sailing in a 61-35 rout of city rival Northern.

★ ★ ★

Tomorrow night's preliminary game between the PCH and Arthur Hill reserves will start at 6:30 with the main event beginning about 8 o'clock.

Expect George Wilson to Get 1960 Contract

DETROIT (UPI) — George Wilson will be retained as head coach of the Detroit Lions for the 1960 season.

★ ★ ★

Club President Edwin J. Anderson, who was reported on the way out along with Wilson only last week, said "the shooting is over."

He said the club's executive committee will meet at noon Friday and the committee has the power to recommend that a coach be retained or dismissed.

In Wilon's case, the recommendation will be that he receive a new one-year contract. And there is a strong possibility that Wilson might be handed the new contract against the Bears at Chicago.

★ ★ ★

It would be good strategy to extend Wilson's contract through the 1960 season prior to the meeting with the Bears. Such a move would give the team a psychological lift.

"Giving the coach a new contract late in the season is quite common," Anderson said. "We extended George's 1958 contract for a year just before the end of the season last year."

Anderson said as far as the Lions' owners are concerned "there never was any shooting."

★ ★ ★

He said "we think it was a planted story," referring to the reports of last week that he and Wilson were faced with dismissal.

Club vice president and executive committee chairman William D. Downey made it clear today that no thought was ever given to ousting Anderson.

★ ★ ★

"Anderson's record as president and general manager is the best of any in the league," Downey said. "The Lions have prospered under his rule and we'd be foolish to change now."

★ ★ ★

The club has earned more than $800,000 after taxes since acquiring the franchise a dozen years ago.

Pontiac Press Photo

TOGETHER AGAIN — Pontiac Central guard Charley Brown (left) and his coach, Jesse MacLeay, were together once more at last night's annual MSU Oakland County Alumni Club football banquet in Devon Gables. MacLeay, voted County Coach-of-the-Year in his 3rd season at PCH, holds the ball and Brown prepares to toe it with his bronze shoe. The Pontiac Press award he won for being named Oakland's top gridder this year. The 1959 Press All-County team was honored at the bust.

Goals for Howe, Ullman

Wings Triumph, 2-0

CHICAGO (UPI) — The Detroit Red Wings scored twice while Chicago was short handed last night for a 2-0 victory to break the Black Hawks' unbeaten streak at five games.

★ ★ ★

It was Detroit's 12th win in 27 games and the triumph lifted the Wings within one-half game of second place Toronto and moved them four games ahead of fourth place Boston.

Goalie Terry Sawchuk kicked aside 26 Chicago shots to rack up his fourth shutout of the season while Detroit, after a slow start, besieged Glenn Hall in the Chicago net.

Hall, who made 36 stops during the game, made 18 saves in the second period. It was the 80th shutout of Sawchuk's National Hockey League career and his second this season over the Hawks.

Gordie Howe, the league's second-leading scorer, notched his 15th goal of the season for the first Detroit score, driving a 30-footer past Hall only 52 seconds after Dollar St. Laurent was penalized.

★ ★ ★

The second Detroit score was by Norm Ullman, on a rebound which he fired over Hall after the latter had fallen to the ice to block a shot by Jim Morrison. The score came 23 seconds after John McKenzie returned to action after a penalty and 41 seconds before Elmer Vasko was due to return for Chicago.

It was Detroit's fifth win in six games with Chicago this season and the defeat left the Hawks tied with New York for last place, each with identical records of five wins and six ties in 26 games. St. Laurent and Vasko were the only players penalized for Chicago and Detroit had three penalties.

Badgers Won't Open Practice Until Monday

MADISON, Wis. (AP) — Coach Milt Bruhn said Wednesday night he would not call his Wisconsin football team back for practice for the Rose Bowl game at Pasadena until next Monday.

The Badgers, Big Ten champs who will meet Washington in the New Year's Day classic, had planned to resume practice Thursday.

Bruhn said he planned extensive drills from Monday through Friday of next week. The 44-man player squad will leave for the West Coast on Sat., Dec. 19. About 10 or 11 workouts are planned at Pasadena, Bruhn said.

Nixon Presents Heisman Trophy

Cannon Takes Award

NEW YORK (AP)—Billy Cannon, Louisiana State's All America halfback, heads back to Baton Rouge today taking with him the accolades of Vice President Richard M. Nixon who presented him with the Heisman Trophy last night.

"He may not be the best runner, kicker, passer, tackler or pass receiver," Nixon told a nationwide radio audience and hundreds assembled at the Downtown Athletic Club, "but Billy Cannon is the best football player in the United States today."

★ ★ ★

Nixon described him as "not an ordinary Cannon, but an atomic Cannon—the ultimate weapon in the arsenal of Paul Dietzel (LSU coach)."

One LSU official wondered aloud if Cannon will now be allowed to settle down and prepare for the Sugar Bowl game against Mississippi on New Year's Day.

He has already been honored as an All America halfback on the Associated Press' 1959 eleven, the second year in a row he made the first team, and was picked as the nation's outstanding back in a poll of writers and broadcasters.

★ ★ ★

The Heisman Trophy is given each year to the outstanding football player in the nation by a vote of sportswriters and broadcasters in conjunction with the Downtown A.C. here. Cannon is the 25th recipient of the award. Pete Dawkins, the Army All America who has turned into a rugby sensation in England, won last year.

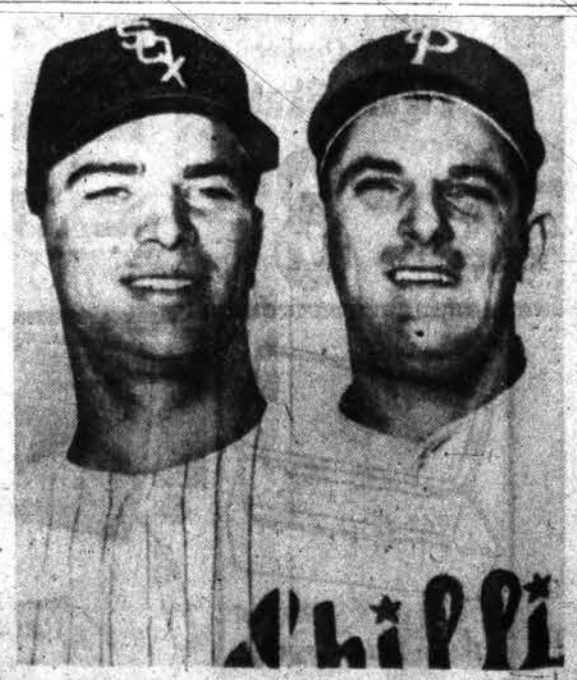
North, South Add One

MIAMI, Fla. (AP)—The North and South squads each picked up a player Wednesday for the College All-Star Game in the Orange Bowl Dec. 26.

★ ★ ★

Bill Lopasky, 223-pound West Virginia guard, signed to bolster the North's line and Jack Westbrook, Florida halfback and leading scorer with 36 points, was placed on the South roster.



AP Wirephoto

TRADE FIGURES — White Sox outfielder John Callison (left) and Philadelphia Phillie third baseman Gene Freese were the key figures in the trade between the two teams in an Inter-League deal. Callison is 20 years old. Freese is 25.

Duffy Is Still a Charmer of Prep Football Talent

Duffy Daugherty, Michigan State University's genial head football coach, is still a master at the art of charming talented high school grid prospects.

★ ★ ★

Duffy almost didn't make it to the annual MSU Oakland County Alumni Club football banquet last night at Devon Gables because of missed plane connections in Chicago.

Daugherty was in the Windy City for the Big Ten meetings now taking place and he got caught in a taxi jam on the way to the airport and missed his plane. He waited and hopped a later flight and just dashed into the Gables in time for the bust.

When he arrived, one soon became convinced that his belated arrival was well worth the wait.

★ ★ ★

Members of the 1959 Pontiac Press All-Oakland County football team and their coaches were guests of honor on this occasion and each boy was held in rapt attention by Duffy's oratory.

He told the boys of his trip to San Francisco last year to coach the East All-Stars in the annual East-West Shrine game and the effect the visit to the crippled children's hospital had upon the personnel of his squad.

Of course, amidst all the seriousness of the topic were Duffy's inevitable bits of humor and every prep gridder on the premises was enchanted by the whole address.

Bud Erickson, Detroit Lions' publicist, was toastmaster for the banquet.

Bill Cornwell, Pontiac Press sports writer, presented trophies to each member of the All-County team.

The presentation was climaxed with the Coach-of-the-Year trophy to Pontiac Central's Jesse MacLeay and the bronze shoe award to guard Charley Brown, also of PCH, as the county's outstanding player for 1959.

★ ★ ★

The Class A squad was also on the honor roll and Doug Stott, Oakland County scoring king, and his coach, Dick Figg, were special guests of the MSU alumni group.

Members of Duffy's coaching staff in attendance at the banquet were Danny Boisture, Burt Smith and Bill Yeoman.

YMCA Community Cage League Starts Action

Waterford Hi-Y defeated Clarkston Hi-Y 26-24 in the Pontiac YMCA Community League last night with Mullen hitting for 14 for the winners.

In another game, the PCH Gladiators whipped the PCH Pistons, 78-17 with White taking scoring honors with 20 points.

Another game between Rochester and the First Christian Church was postponed.

LEAGUE STANDINGS

Waterford	1 0	Rochester	0 0
PCH Gladiators	1 0	First Christian	0 0
PCH Pistons	0 1	Lake Orion	0 0
Clarkston	0 1		

SCHEDULE FOR DEC. 16

6:30—PCH Pistons vs First Christian
7:30—Rochester Hi-Y vs Clarkston Hi-Y
8:30—Waterford Hi-Y vs Lake Orion Hi-Y

Mueller Named Manager

READING, Pa. (AP) — Ray Mueller, former National League catcher with Boston, Pittsburgh, Cincinnati and New York, Wednesday was named manager of Reading's entry in the Class A Eastern Baseball League for 1960.

All-Star Pin Points

SPOT SHOT — Billy Welu focuses his attention on a spot.

By BILLY WELU

HITTING SPOT

I am a spot bowler. So are the majority of superior bowlers, although many are not.

Two great ones, Lee Jouglard and Lou Campi, are pin bowlers like a lot of others.

There are quite a number of line bowlers.

Spot bowling allows for little, if any, margin of error. One mistake along the line of approach to the point of release and follow through and that's it. You've lost your spot and you've wasted a throw.

The spot bowler must learn to throw every ball alike. He must start and finish at the same place. The pure spot bowler picks the spot on the alley where he feels his ball should hit and never changes.

Modern alleys have range-finder spots and arrows. On old alleys, it is a particular board. The spot bowler never changes the spot although he makes adjustments by changing the starting point on the approach, or by speeding or slowing up a delivery.

Some use more than one spot as a safety factor. They select one spot to hit, another over which the ball should roll.

Most spot bowlers pick a spot or a board from eight to 12 inches from the second range-finder from the right-hand side of the alley. The spot may be six inches or as much as two feet beyond the foul line. Don't drop the ball on the spot. Roll it.

Remember, if you want to be a spot bowler, that is the most difficult way to aim. You keep your spot once you've found it. Change the angle, not the spot.

Use the range-finders.

AP Wirephoto

WHAT, NO SKIS? — Gene Kotlarek, America's No. 1 Winter Olympics' ski jumping hope, keeps his legs in shape by running two miles as part of his daily training routine. Kotlarek, a sophomore at the University of Minnesota, Duluth Branch, is aiming for the games at Squaw Valley, Feb. 28.

Miss. State, Without Howell, Ends Streak; Dayton Romps

Irish Nip Northwestern in 2 Overtimes

Associated Press Sports Writer

No more All America Bailey Howell and no more winning streak for Mississippi State in major college basketball.

With Howell, the 6-7 scoring ace who led the way to a Southeastern Conference crown, now graduated and playing pro ball, State's unbeaten string ended at 18 games with a 71-62 upset by little Louisiana Tech last night.

★ ★ ★

A tight zone defense and a hot, 43-point second half did it for Louisiana Tech, which had three-way scoring punch in Ray Germany, with 17 points, and Jackie Moreland and Joe Daigle, each with 16. State, playing a slow, deliberate game, but unable to move through the zone or hit from the outside, was led by Jerry Graves, who scored 19 points. State led 30-28 at the half.

★ ★ ★

It was only the second defeat in 34 games, stretching back to the 1957-58 campaign, for the Maroons, who had a 24-1 record last season but passed up the NCAA tournament because of racial issues. State won its last 15 games last season, after a 97-66 defeat by Auburn, and breezed through its first three games this season.

Mississippi State wasn't the only team jolted with a first defeat last night, however. Once-beaten New Mexico State, trailing by 10 at halftime, spilled Colorado (3-1) from the unbeaten list 77-69 with 6-7 George Knighton scoring 20 points. And little Hofstra spoiled things for Army 58-56 on Stan Einbender's driving layup at the final buzzer.

Among unbeatens who stayed that way, Dayton whipped Miami (Ohio) 61-45, with 6-6 Gary Roggenburk, a soph, setting a Flyer record with 32 rebounds and leading scorers with 21 points; Oklahoma defeated Texas Tech 56-43, touring Miami of Florida rapped Houston 72-63 and Maryland beat Virginia 70-62 in an Atlantic Coast Conference game. The East's top-flight four, at least in early season selections, also rolled with NYU whipping Rutgers 82-56, Dartmouth defeating Rhode Island 74-65, St. Joseph's (Pa.) smacking Gettysburg 74-54 and Providence beating Brown 84-53.

Once-beaten Notre Dame defeated Northwestern 93-88 in double-overtime on the Wildcats' court. Three baskets by John Tully did it for the Irish in the final extra period. Mike Graney's jump shot tied it 82-all for Notre Dame in the first overtime after Chuck Brandt's tip-in had given the visitors a 75-75 tie in regulation play. Graney and Northwestern's Floyd Campbell each scored 30 points.

★ ★ ★

Oklahoma ended Tech's home court winnig streak, dating back to February, 1958, at 14 games with four players matching the Texans' total. Dennis Price, Darrell Heidebrecht and Brian Ethridge each scored 11 points and Buddy Hudson added 10 for the Sooners, who led by only two, 29-27, at the half.

Al Bunge, 6-8, hit on 12 of 21 shots from the field and scored 34 points for Maryland. The Terps, tied 31-31 at the half, dominated the boards in the second half, outrebounding Virginia 26-5 with Bob McDonald snaring 14 and Bunge 11.

Miami's 6-4 Ron Godfrey, who scored 28 points, and 6-7 Harry Manushaw controlled the boards and made it easy against Houston. St. Joseph's, led by Bobby McNeill's 24 points, shook loose from Gettysburg in the second half. Tom Sanders counted 22 points for NYU, which led Rutgers by 21 at the half. Dartmouth was a bit erratic, but led 40-31 at halftime and overcame a 23-point job by Rhode Island's Tom Harrington. Jim Hadnot, a 6-10 sophomore from Oakland, Calif., scored 10 points and had 16 rebounds for Providence in his 24 minutes against Brown.

Texas Christian walloped winless Tulsa 99-77, an all-time high by a Tulsa foe and TCU's top total since scoring 101 against Abilene Christian four years ago.

In other games, Temple defeated Princeton 68-65, Yale beat Fordham 82-65, Columbia defeated Baltimore U. 69-62, Connecticut whipped New Hampshire 73-51 in a Yankee Conference game, and Harverd held off Williams 69-67. Oklahoma State cracked Texas Western 68-41, Denver beat Air Force 56-53, Marshall hit touring Pepperdine 82-76 and Boston U. beat Massachusetts 71-57.

Colts NFL Offense Leaders

PHILADELPHIA (AP) —The defending champion Baltimore Colts, who have clinched a tie for the Western Conference crown, are headed for a host of team offense honors in the National Football League.

NFL statistics released Wednesday show th Colts with comfortable leads in total offense, passing and scoring.

★ ★ ★

The Colts have piled up a total of 4,176 yards in 11 games compared to 3,827 for second-place Los Angeles. New York, which already has won the Eastern title, is third with 3,766 yards followed by Philadelphia with 3,590 and Cleveland with 3,565.

Baltimore led the league in total offense last year.

★ ★ ★

Sparked by quarterback Johnny Unitas, who last week broke by one Sid Luckman's touchdown pass record of 28 for a single season, the Colts have grabbed off 2,654 yards through the air and have scored 329 points. They have gained 1,522 yards—eighth best—on the ground.

Cleveland, powered by fullback Jimmy Brown, is No. 1 in rushing with 1,853 yards—64 more than Washington.

Marines Favored in Shrimp Bowl

GALVESTON, Tex. (AP)—The Quantico, Va., Marines are expected to be the favorites here Sunday in the annual Shrimp Bowl game that matches them with McClellan Air Force Base of Sacramento, Calif.

★ ★ ★

The main reason is the gaudy Marine record of 10 victories without defeat, compared to 9-2 for the Jets of McClellan.

It is billed as a battle for the national service championship.

★ ★ ★

Both boast balanced offenses. Among the Marine stars are halfback King Dixon, ex-South Carolina ace, and linemen Tony Stremic of Navy and Clifford McGraw of Rice.

Honor for Chappius

TOLEDO, Ohio (UPI) — Bob Chappius, former De Vilbiss High and University of Michigan football star, will be one of the six new members installed tonight in the Toledo Hall of Fame.

THE STYLE CORNER OF PONTIAC

Drivers Begin Practice Saturday's Grand Prix

SEBRING, Fla. (AP) — Practice begins today for the Grand Prix of the United States, Saturday's road race that will decide the driving championship of the world. It is one of the most coveted of all sports titles.

Jack Brbham of Australia and two Englishmen—Stirling Moss and Tony Brooks—are in the running for the big crown in this ninth and last Grand Prix race of the 1959 season. The battle for the title has been the closest ever.

All the drivers registered yesterday and took their physical examinations. Today, there will be three hours of practice and qualifying trials around the 5½-mile Sebring course.

It will be Brabham and Brooks' first look at the course, but Moss has driven here several times in the annual 12-hour sports car endurance races.

Phil Hill of Santa Monica, Calif., who ranks fourth in the world standings and has a chance to move up to second by winning here Saturday, also knows every foot of the course. He has been the co-driver of the winning car in the 12-hour race the past two years.

Grand Prix cars are different than sports cars. They're stripped down, single seat machines built primarily for speed and road holding. Generally, they are faster than sports cars.

For safety's sake, engine sizes are imited to 2½ liters.

Rodger Ward of Speedway, Ind., winner of this year's Indianapolis 500, will attempt to beat the foreign aces in an American-made Offenhauser midget of 1.8 leters.

Ward is a new comer to Grand Prix racing.

★ ★ ★

Jim Rathmann of Miami, runner-up at Indianapolis, will give the United States another strong representative. He'll be at the wheel of a Maserati.

Brabham and Moss each will drive a Cooper Climax. Brooks and Hill will drive Ferraris.

Another three hours of practice are scheduled Friday. The 42-lap, 218.4 mile main event will start at 1:30 p.m. Saturday.

Northern Away, Vikings at Waterford as I-L Opens

Yankees May Offer 3 Vets for Maris

KANSAS CITY (AP)—It looks as if the Kansas City Athletics and the New York Yankees are about to do business again with Roger Maris moving his locker to Yankee Stadium.

The popular left-handed outfielder is coveted by Manager Casey Stengel of the Yanks.

The Yankees and the A's didn't announce any barter agreement at the major league meeting just ended but the signs are unmistakable. Casey is lamenting the fact that no one in either league will offer enough for some Yank veterans. He wants a left-handed pitcher, he says, as well as a left-handed-hitting outfielder.

★ ★ ★

"We didn't make a deal," Casey told newsmen yesterday. "But we certainly tried. We talked with every club in the two leagues. We made some pretty good offers but you should have seen the players the other clubs wanted to give us in return."

This state of affairs isn't new to Casey and his employers. They haven't made a trade with any major league club except the Kansas City A's since September, 1957.

The two clubs have made at least one big deal each of the last five years, shuttling some 70 or 80 players.

★ ★ ★

Ernest Mehl, sports editor of the Kansas City Star, who was at the winter meetings, reported both the Yanks and the A's had been probing other sources of supply. The Yanks haven't found anything. The A's had only limited success in deals with Cincinnati, Pittsburgh and Boston.

★ ★ ★

In their latest swap, the Athletics yesterday sent veteran catcher - infielder Hal Smith to Pittsburgh for two minor leaguers, pitcher Dick Hall and shortstop Ken Hamlin.

★ ★ ★

"It is entirely possible that the Yanks are prepared to make the A's a strong bid for Maris, who would fit in ideally with their plans of regaining prestige next year," Mehl wrote.

★ ★ ★

Mehl speculated that the Yanks would trade pitcher Don Larsen and outfielders Hank Bauer and Norm Siebern for Maris.

Mehl's predictions have been almost 100 per cent accurate in the trading department. He reported Stengel as saying the A's and Yanks, having exhausted all other channels, may turn to each other for a big swap.

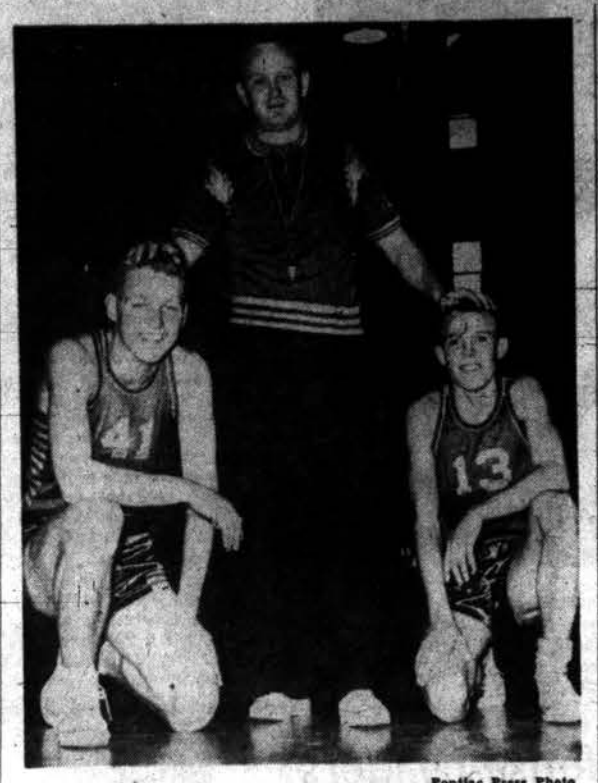
★ ★ ★

The Athletics also might have the answer for Stengel's pinings for a good left-handed pitcher in Bud Daley, the knuckleballer who led the Kansas City staff last year with 16 victories.

Whether owner Arnold Johnson would turn loose of Daley is problematical since the club's greatest weakness is its pitching.

Elsewhere, John McHale, Milwaukee general manager, went home yesterday after failing to land a topflight second baseman. But he still has hopes of getting either Frank Bolling, Gil McDougald or Don Blasingame. The Giants and Indians also want the latter. Besides Maris, the Yanks have shown interest in Charley Maxwell and Phillie Harry Anderson. Cal Griffith says he will hold on to Roy Sievers unless the Dodgers or others better their offers.

Cleveland boss Frank Lane said he was shocked to learn the Chisox had landed slugger Gene Freese after failing to do so himself. "They made a great deal there," he stated.



Pontiac Press Photo

AHOY SKIPPERS — Rugged Bill Bryce, left, and little Ed Stigers are given the nod here by Waterford coach Jerry Wallace to handle two of the starting positions when the Skippers open Inter-Lakes play against Walled Lake at home tomorrow night.

Friday's Hoop Slate Biggest of New Season

Rochester and Clarkston Host Old Rivals; Avon in Key Tilt at Troy

By CHUCK ABAIR

An expected dogfight for the Inter-Lakes League championship begins tomorrow night with a full slate of games featuring the biggest program of the new prep basketball season.

One contest will launch play in the Eastern Michigan and a pair in the South Central Conference will leave the Tri-County the only area loop not under way after Friday.

Several interesting non-league games are also on the calendar in this full evening of court action.

Pontiac Northern, beaten twice in as many starts, takes to the road again to meet Southfield in one of the I-L lidlifters. The Huskies have yet to play at home. Southfield is 1-1 with a win over Hazel Park, the latest PNH conqueror.

★ ★ ★

Northern skipper Dick Hall saw his charges bow Tuesday because of one bad quarter. Mike Fedynik, Jim Capistrant & Co. will have to be more steady to avoid setback No. 3.

Anything is liable to happen when Walled Lake and Waterford clash and tomorrow should be no exception as they tangle on the Skipper floor.

The Vikings have bowed to Milford and downed Cranbrook showing improvement the 2nd time out. Waterford edged Wayne a week ago looking good in spots.

Defending champion Berkley visits Farmington rounding out the loop trio. Farmington is a slight title favorite this year so it should be interesting. Each team is 0-1.

Mt. Clemens travels to Royal Oak Kimball starting the EML. High-riding Ortonville entertains Millington and Oxford, minus ailing big gun Doug Stott, begins its season at home against North Branch, 1-2, launching the SCC.

Avondale was rated a slight favorite for Oakland B honors in a pre-season poll. The Jackets have dumped Fitzgerald and get a big chance to live up to the billing at Troy. The Colts are defending champs and picked up where they left off last week.

★ ★ ★

Lake Orion should make it two straight at home against weak Madison while Clawson is at Fitzgerald.

The Wayne-Oakland has a full schedule with Clarkston trying again to win one without John Parks hosting Ron Morian and his Holly mates. Defending titlist Brighton goes to Northville.

West Bloomfield seeks its 2nd in a row at Clarenceville while Milford and Bloomfield Hills clash at the home of the Barons.

In the Southern Thumb, Memphis vs. Anchor Bay, Almont is at Brown City, Armada is home against Capac and Dryden travels to New Haven.

Royals Stomp Pistons; Celts Win Despite Wilt

BOSTON (AP) — The Cincinnati Royals got even with Detroit last night for the way the Pistons have been pushing them around. And they did it in a romp.

The Royals probably wondered how they managed to drop three straight to the Pistons after galloping to an easy 129-119 victory over the hapless Detroiters in the first half of a national Basketball Assn. doubleheader.

Boston defeated Philadelphia 137-116 in the second game.

Although the final score was fairly close, the Pistons were never in the contest, committing numerous mistakes.

The Royals took over the ball game after some four minutes of the second period. From then on, Detroit never threatened.

Practically every player who got into the game for Cincinnati scored in double figures, with Jack Twyman's 38 points tops for both teams.

Detroit made its only serious bid in the second quarter. Dick McGuire's field goal put the Pistons out in front 34-31. But the Royals charged back to a 45-40 margin, Twyman scoring six straight points.

Gene Shue was high man for Detroit with 26 points.

Philadelphia's Wilt Chamberlain still leads Boston's Bill Russell in their personal duel. But the standings show Boston with a four-game bulge over Philadelphia in the National Basketball Assn.'s Eastern division.

Chamberlain, obviously handicapped by an injured foot, outscored Russell 39-23 and out rebounded the Boston ace 20-19 last night.

Syracuse moved within a game of Philadelphia by beating Minneapolis 93-89 at Seattle.

★ ★ ★

While Chamberlain was exceeding his average point production, the Celtics got another top performance from the brilliant Bob Cousy. With Boston trailing 71-69 in the third period the incomparable Cousy set the Celtics off on a string of 11 straight points. Cousy ended up with 18 points but was topped by Frank Ramsey 29, Tommy Heinsohn 20 and Russell.

ICY WARMUP — Penn State University ball carriers clown around with snowballs during frigid warmup drills. The Nittany Lions are preparing for their Liberty Bowl game, Dec. 19th with Alabama at Philadelphia. Left to right are quarterback Galen Hall, linebacker Tom Mulraney and halfback Dick Hoak.

Detroiter Leads 'World' Into Finals

CHICAGO (AP) — The World Invitational Bowling Tournament moved into the last half of the final rounds today with Billy Golembiewski, a 30-year-old pro, in the top spot.

The slender Golembiewski, a member of the ABC champion Pfeiffers team of Detroit, was the big gun in yesterday's firing in the $30,000 tourney in the Chicago Coliseum.

★ ★ ★

Sixteen more games are scheduled today and the final 16 on Friday, with part of the shooting to be nationally televised tomorrow night. (9 p.m. CST, NBC).

Golembiewski vaulted from third place into the lead with spectacular shooting. He averaged nearly 240 as he won 12 of 16 games in the second day of match competition. He was the leader in all categories, games won, pinfall and points.

★ ★ ★

Bily G., as the fans call him, was red-hot in the final four games last night, sweeping the series from Billy Welu of St. Louis with a 903 series on games of 215, 237, 224 and 227. Welu, All-Star champion from St. Louis, posted 736.

Golembiewski, with 21½ games won and 10½ lost, had 161.40 Petersen points. In the first 32 games he knocked down 7,015 pins for an average of 219 per game.

★ ★ ★

In second place, not too far behind, was Ray Bluth of St. Louis who also shot brilliantly yesterday. He won 12 of 16 games as he moved from eighth place to runnerup. He had 21 wins and 11 losses and 159.33 points.

Lou Frantz of Louisville, Ky., the leader after the first 16 games dropped to third with a 20-12 won-lost record and 154.41 points. He won 7 games and lost 9 yesterday.

Bluth copped individual scoring honors during yesterday's shooting, rolling a towering 278 game and a 953 series on games of 236, 225, 278 and 214.

★ ★ ★

Defending champion Ed Lubanski of Detroit advanced from 10th to fifth place as he won 10 of 16 games. Don Carter former world champion and four-time All-Star titleholder, also moved up in the standings. The St. Louis star, who won 10 of 16 games yesterday, moved from 13th to 6th place.

Petersen points are given as follows: one point for each game won; one point for each 50 pins knocked down and one-half point for outscoring an opponent while losing the majority of games.

★ ★ ★

In the women's division, Mrs. Olga Gloor, 39-year-old Chicago housewife, held her lead as she continued her sensational shooting. She has won 12 games and lost four, has 79.03 points and has averaged 209 for 16 games. The women bowl only eight games a day.

Closest to Mrs. Gloor was Donna Zimmerman, a 26-year-old typist from Akron, Ohio, who had 74.35 points and was averaging a shade under 203, and Robbie Frey, an attractive 35-year-old redhead from Dallas, who was third with 73.40 points.

★ ★ ★

Charlotte Grubic of Steelton, Pa., the 1958 women's winner, was in 11th with 68.19 points. Marion Ladewig, of Grand Rapids, Mich., long-time All-Star women's champ was in 13th place.

Twinbill in New York

Titans Play in Gardens

NEW YORK (AP) — A sore toe may have a big effect on the University of Detroit's first major test of the basketball season tonight at Madison Square Garden.

The Titans, who have run up big victory margins in two straight triumphs, face Iona College, an upstate New York school for men which has been a power in eastern basketball circles for some time and a frequent visitor to the garden.

Detroit coach Bob Calihan is optimistic although the effectiveness of Dave DeBusschere, one of the two highly touted sophomores, may be hampered by a sore toe.

The injury was first thought to have been a fracture. But Dr. Joseph A. Drazek, team physician, called it a strained ligament.

However, the injury could affect DeBusschere's push-off on shots and rebounds. He and sophomore Charlie North have been Detroit's big guns in scoring and rebounding. Both are about 6-feet-5.

Debuscherre and North have scored 91 of Detroit's 200 points in two games.

The other half of the Titans-Gaels doubleheader sends Seton Hall, a future Detroit opponent, against Western Kentucky.

Very-Much-Alive Musial Laughing at Death Report

RAYMONDVILLE, Tex. (AP)—A very much alive Stan Musial laughed Wednesday night at a rumor that the St. Louis Cardinals' slugger had died on a hunting trip to Texas' Lower Rio Grande Valley.

The report apparently started in the St. Louis area. For a time it had newsmen and peace officers on the jump trying to locate the National League first baseman.

"I called my folks in St. Louis and the rumor had me dying twice," Musial said. "The first time I had died of a heart attack and the next time I had been shot to death.

"It's a shame these things get started and cause so much concern among a person's family and friends."

Dawkins Gets Praises for Oxford's Victory

LONDON (AP) — Pete Dawkins, the former Army All-America from Royal Oak, Mich., is receiving accolades from British Rugby Circles today because of his passing arm.

Dawkins used his one-handed throw in Oxford's 9-3 victory over Cambridge earlier this week in one of Britain's top Rugby matches of the year.

He threw the ball about 30 yards into the hands of a waiting teammate twice during the game. For millions watching the game on television it was their first contact with an American Football pass used in rugby. It came naturally to Dawkins, but to Britons it was something approaching a revolution in the sport.

In a front page story, the Daily Express said:

"The Yank at Oxford, All-America footballer 'Cowboy Pete' Dawkins, had the crowd hopping with his torpedo throw in . . ."

The newspaper said the crowd gasped in admiration as Dawkins, who picked up an oval-shaped Rugby Union ball for the first time 10 weeks ago, threw the ball halfway across the width of the field from a line-out.

★ ★ ★

A line-out takes place after the ball has gone over the sidelines.

Then players from both teams line up and the thrower-in has to toss the ball straight down the middle of the line. British players, mostly erratic with long tosses, rely on short throws for accuracy.

The Daily Herald said Dawkins never made a wrong move. "His dead-eye throwing-in should start a revolution among Englishmen who have long neglected the art," it added.

The London Times also admired Dawkins' passing. "His left-handed torpedo throw-in, as people call it, was more like a rocket and might have been learned at Cape Canaveral," the newspaper said. "Twice it caught Cambridge dangerously napping."

Dawkins was able to use his long throw only at the line-outs. Forward passing is prohibited in rugby union.

Dawkins won a spot on Oxford's team after only 11 rugby union games. No other American ever got such a nod so quickly.

"Too little and too late. Will it be said of you?"

Big 10 Reviews Rose Bowl Situation Again

Pig Chased Ball, Coin Got Loss

Referee's TD Error Top Oddity of 1959

By The Associated Press

The live pig which chased an inflated pigskin at Evanston, Ill., the flipped coin which got lost in a captain's jersey and the Georgia back who blocked a teammate's punt took a back seat to a Texas controversy Thursday as football's oddity of the year.

Sports writers and broadcasters voting in The Associated Press' post-season poll decided that the strangest occurrence on college fields this year was the winning Southern Methodist touchdown which wasn't a touchdown.

★ ★ ★

It happened like this at Houston, Tex.:

SMU and Rice were tied 13-13 and the clock was ticking off the final minutes of the game. Don Meredith, SMU's star quarterback, launched a passing attack which covered 77 yards and in the fading seconds threw a completed pass into the end zone for the apparent winning touchdown.

Referee Nappy Davis nullified the play. He said Meredith was beyond the line of scrimmage when he cut loose. There was a loud cry from SMU partisans.

The next day pictures were studied and showed conclusively that Meredith was behind the line of scrimmage. Davis acknowledged he had booted one and said he was sorry. There were bitter demands that Rice forfeit the game.

But Rice didn't. It was ruled the snap judgment of an official could not be reversed. Jess Neely, Rice coach, refused to concede anything. "The film probably showed a lot of other mistakes," he said. So the tie remained a tie.

The curious porker made a surprise appearance during the Wisconsin - Northern game. He apparently was looking for a departed relative.

The game was held up only a few minutes—not as long as the start of the Middlebury-Vermont game where the referee tossed up a halfbuck and the coin fell inside the neck and shoulder pads of the Vermont captain. It took a semi-striptease and 10 minutes to find the coin.

Angie Coia of Southern California pulled another "Roy Riegels" in running backward with a kickoff. He was tackled in his own end zone by Notre Dame for a safety. Joe Suffield of Monmouth College leaped off the bench and tackled a Cornell (Iowa) player racing for a touchdown.

"I was making $10,000 a year, but was all thumbs!"

Contract With Coast Expires New Year's Day

Conference Financial Aid Program Is Also on Agenda

CHICAGO (AP) — Rose Bowl controls, a review of the financial aid program and perusal of conference voting machinery are on the agenda of the Big Ten annual business meetings today.

The Rose Bowl contract with the Pacific Coast expires after the Wisconsin-Washington New Year's Day game and a 5-5 Big Ten vote last May killed hopes of renewal.

But another 5-5 stalemate kept a conference rule in the books permitting Rose Bowl participation. That means any Big Ten school could accept an invitation without conference sanction.

Athletic directors and faculty representatives now must consider Rose Bowl controls so no single team could hog the trips if an invitation is extended and also decide on a split of the money.

Stu Holcomb of Northwestern will report on the financial aid program and is expected to urge that the need factor for such aid be eliminated. He maintains that aid based on need has invited stepped-up outside recruiting.

A re-examination of the rules for voting is expected after each school's vote was expanded from one to two ballots at a private meeting Nov. 3.

Previously, only the faculty representatives' vote prevailed, accounting for 10 ballots on any question, but now athletic directors also have a vote.

★ ★ ★

The 5-5 deadlock that scrambled the Rose Bowl picture was largely responsible for the new rule change. But faculty men still hold veto power and only their vote will prevail on matters of eligibility.

The annual meetings will run through Saturday against a backdrop of a 3 million dollar offer for televising Big Ten football, basketball and other sports events under a 3-year contract.

The offer was turned over to the TV committee last night for study and could become a wedge in the Big Ten's crusade to have the NCAA adopt more liberal TV regulations.

Pontiac Press Photo

STARTER MISSING — The empty shoes in this photo show clearly what has been wrong with the Clarkston cage team thus far. The brogans belong to injured sparkplug John Parks who may miss the entire season. Looking lost without the little senior are, left to right, Dick Lundy, Larry Landon, Bill Powell and Dick Caverly. The Wolves, now 0-2, host Holly Friday.

Liston Awarded 7th-Round TKO Over Besmanoff

CLEVELAND (AP) — Sonny Liston, who wants a shot at the heavyweight title, isn't too satisfied with his decisive defeat of Willi Besmanoff last night.

★ ★ ★

"I wasn't too sharp," he said in his dressing room after the nationally televised fight. It was his 19th straight victory.

★ ★ ★

Besmanoff absorbed a barrage of punches in the sixth and was bleeding from several bad gashes over his eyes. The referee stopped the bout between rounds and it was scored a seventh-round technical knockout.

★ ★ ★

Liston, 27, of Philadelphia, started slowly, relying on sharp left-hand punches which caught Besmanoff with regularity. The 210-pound Liston, taller and nine pounds heavier than Besmanoff, started using his right hand in the third round.

★ ★ ★

Pete Rademacher, who started his professional fighting career in an unsuccessful bid for the heavyweight title, easily bested Johnny York of Norristown, Pa. in an eight-round prelim. He won a unanimous decision.

Winnipeg Fullback Returns to Hockey

WINNIPEG (AP) — Fullback Gerry James of the football Grey Cup champion Winnipeg Blue Bombers said Wednesday he will leave Sunday for Toronto to sign a contract with the Toronto Maple Leafs of the National Hockey League.

★ ★ ★

James, a former Leaf winger, said he will play for Toronto's American Hockey League team in Rochester, but "I hope to be up with the Leafs by February." In Boston, Leafs' General Manager Punch Imlach said he would sign James in Toronto on Monday.

★ ★ ★

James broke his leg in two places during the fall of 1958 and missed the remainder of the football season and also sat out the 1958-59 hockey season.

Same Goal for Both

PORTLAND, Ore. (AP) — Both Virgil Akins and young Denny Moyer will aim for another match with present welterweight champion Don Jordan when they battle here tonight. Tonight's bout is scheduled for 10 rounds.

PNH Matmen Open

Pontiac Northern opens its 1959-60 wrestling season in a home match against Farmington. The varsity teams will meet at 7:30 following a 6 p.m. Jayvee event. Walled Lake also starts its season at Dearborn.

Atkins Wins 2 Major Crowns

New Mexico St. Ace Top Scorer, Rusher; Maher 8th in Points

By The Associated Press

A big final splurge against the University of Mexico carried Pervis Atkins of New Mexico State to two major college individual football championships — scoring and rushing.

The fleet, junior halfback rolled up four touchdowns and 237 yards in a 55-0 rout of a poor Mexican team and wound up the season with 107 points and 971 yards.

Atkins, a transfer from Santa Ana Junior College, also scored the most touchdowns (17) and had the highest rushing average per game (97.1 yards), according to final NCAA Service Bureau statistics released Thursday.

Atkins' rushing mark was the lowest winning total in 15 years, however, and it's the first time in 2 years the rushing leader failed to average at least 100 yards a game.

In scoring, three tied for the runner-up post with 100 points apiece. They were Skip Face of Stanford, Nolan Jones of Arizona State and Ger Schwedes of Syracuse's national champion Orangemen. Bruce Maher of Detroit tied for 8th.

AHL Leaders Play Stars

SPRINGFIELD, Mass. (AP)—The American Hockey League leading Springfield Indians, fresh from a 5-2 triumph last night at Hershey, take on the league all stars tonight in the Eastern States Coliseum.

This will be the first time the all stars have played in Springfield.

The stars have Bobby Perreault of Hershey and Bill Chadwick of Rochester in goal.

Gillman's Job on Line Saturday

Triumph Over Colts by Underdog Rams Might Save Him

LOS ANGELES (AP) — Coach Sid Gillman of the Los Angeles Rams has several grave problems to face, the most immediate being the Baltimore Colts here Saturday.

The Rams have a miserable record of nine defeats and only two victories, and are 10-point underdogs to lose their eighth straight when the Colts move into Memorial Coliseum in the final game of the National Football League's regular schedule.

Gillman is also fully aware that his job may vanish with the Rams but he is working as hard as ever for this one coming up.

He isn't the type to concede a win to any team but he does suspect that the Colts as the defending NFL champions are the best team in the league and will so reign for another year.

"The Colts," said Gillman today, "have too many guns. And in Johnny Unitas, well, to my mind, he is as great as any quarterback the NFL ever had."

★ ★ ★

Baltimore shellacked the erstwhile pace-setting San Francisco 49ers last Sunday, 34-14. Victory here will sew up the Western Conference title and send the Colts into the championship with the already Eastern winners, the New York Giants.

A loss, coupled with a 49er triumph over Green Bay at San Francisco, would necessitate a 49er-Colt playoff.

Saturday's game will be nationally televised via the Columbia Broadcasting System.

Eaglets, Rams at PNH; Mikes, ROSM at Madison

Big Night Friday for Parochials

Pontiac's parochial cagers engage in a big night of action Friday, with St. Frederick, St. Michael and Orchard Lake St. Mary, all involved in two games to be played within a stone's throw of one another.

★ ★ ★

This unusual — and unprecedented — situation is brought about by the fact that both the Rams and Shamrocks are playing their first Suburban Catholic League home tilts of the season and will occupy Northern High School's gymnasium and the adjoining Madison Junior High floor.

The Rams and Eaglets collide on Northern's hardwoods, while the Huskies are at Southfield.

Pontiac Press Photo

EAGLET ACE—Teaming with top point-getter, Glen Hass, against St. Frederick, on Friday, will be shifty, able shooter Don Duszynski, above. Don fired 19 points for the Eaglets' smashing opening win (62-38) over St. Rita.

Pontiac Press Photo

SHOOTS FOR RAMS — Phil Bieri, who hit 18 points in last week's St. Frederick opening victory (56-46) over St. James, is one of the Rams' hopes against OL St. Mary, Friday night at PNH gymnasium.

Shamrock followers will watch their club try conclusions with RO St. Mary's five that lost its opener to St. Benedict 56-31. All three area crews won their openers a week ago. Both varsity games start at 8 p.m., following jayvee contests.

Top interest is focused on the Rams-Eaglets setto.

In the last meeting between the clubs, Gene Wright's boys edged Rev. John Rakoczy's team in a district, overtime thriller. Prior to that game, Eaglets defeated the Rams in league action. In the SCL season's finale, Rams defeated St. Benedict to project Eaglets into the championship. In four encounters in three years, Rams have clipped the Eaglets' wings just once.

Friday's test will afford opportunity to rate the two teams' chances in what looks like a red-hot title campaign.

Shamrocks also met a test of ability, against Tom Nutt's outfit. North Siders had a so-so effort at St. Clement, when they ran into a man-to-man defense that slowed the scoring almost to a walk. Coach Jim Niebauer doesn't expect to run into a similar situation this time.

All but two Shamrock home tilts will be at Madison this winter. The Jan. 9 and Feb. 9 contests, both with St. Frederick, will take place on Pontiac Central's big floor.

St. James is at St. Clement tonight and St. Benedict faces St. Rita on Friday, in other SCL 2nd-round tests.

Rams have lost big Jack O'Rielly for 8 to 10 weeks. Jack fell in a collision with a St. James player, last week, hurting his left elbow. Monday the injury was found to be a fracture. Chuck Guibord will take over the pivot job. Other Ram starters will be Phil Bieri and Ted Dobski at forwards, high-scoring Mike Reed and Jim Kennedy, guards.

For the Eaglets it will be Glen Hass and Don Duszynski at forward, Stan Krogulecki and Ed Sissen, guards, and Tom Tomaszewicz at the pivot.

Niebauer said he would start the same five that dumped the Crusaders last weekend; forwards, Art Robak and Don Mountain, George Drake at center, Dom Dabbs and Pat Campbell at guards.

PNH Tankers Dunked, 60-36

Huskie Swimming Team Beaten at Southfield in League Meet

Pontiac Northern lost its first swimming meet of the season, and evened its record to 1-1 in the North Suburban Swim League, by losing 60-36 at Southfield.

Bill Ratliff was the lone double winner for the Huskies and he managed a varsity record in the breastroke in 1:15.5. He also took diving honors.

As was expected, Jerry Carley of Southfield took the honors in the sprints. He won the 50 yard freestyle in :26.1 and did the 100 in :59.6.

★ ★ ★

Northern's 200 yard freestyle relay team made up of Barrie, TerMarsch, Eley and Gould won in 1:15.8.

PNH-SOUTHFIELD SUMMARY:

50 freestyle—Carly (S), :26.1, Wahl (S), Kern (N).
butterfly—Gatewski (S) 1:03.8, Nelden (S), Johnson (N).
200 freestyle—Spear (S) 2:14.3, Barrie (N), Gould (N).
100 backstroke—McIntosh (S) 1:02.3, Mowers (S), Lambert (N).
100 breaststroke—Ratliff (N), 1:15.5, Jardon (S), Winklebauer (S).
100 freestyle—Carly (S) :59.6, Kern (N), Mathison (N).
Diving—Ratliff (N), Raupp (S), Buddemier (S).
200 medley—Spear (S) 2:35.1, Johnson (N), McIntosh (S).
Medley relay—Southfield — Lawton, Marshall, Moore, McGaffey 2:15.6.
200 freestyle relay—Northern—Barrie, TerMarsch, Eley, and Gould, 1:15.8.

Jackie Parker MVP for Canadian Pros

WINNIPEG (AP) — Jackie Parker, who alternated at halfback and quarterback for the Edmonton Eskimos this season, Wednesday was named the 1959 winner of the Jeff Nicklin Memorial Trophy as the most valuable player in the Western Interprovincial Football Union.

★ ★ ★

A vote of Western football writers and broadcasters gave the former Mississippi State star the award for the fourth consecutive year and for the fifth time in six years.

★ ★ ★

Teammate Johnny Bright, Drake star who was named Canada's outstanding player last month, was runner-up with 25 points. Quarterback Jim Van Pelt of the Grey Cup champion Winnipeg Blue Bombers and ex-Michigan ace was third with 20 points.

PGA Considering New Headquarters

CLEARWATER, Fla. (AP) — Delegates to the 43rd annual Professional Golfers Assn. meeting have voted to consider moving PGA headquarters from Dunedin, Fla., to another Florida City.

A spokesman said St. Petersburg, Sarasota, Naples and Fort Lauderdale have been mentioned as a possible site for a new home for the PGA.

★ ★ ★

Action on the move will not be taken until the next annual meeting.

Delegates agreed to continue a national golf club but said new facilities should be owned by the PGA. The present headquarters are leased from the city of Dunedin.

★ ★ ★

Harold Sargent of Atlanta was reelected to a third one-year term as president. Delegates also reelected Lou Strong of Chicago secretary and Warren Cantrell of Lubbock, Tex., treasurer.

95 Districts, 19 Regional Locations

Cage Tourney Sites Listed

LANSING (UPI) — Sites for a record 95 district and 19 regional high school basketball tournaments were announced today by Charles E. Forsythe, State Director of Athletics.

Forsythe said the Michigan High School Athletic Association selected March 1-5 as the dates for the 1960 district tournaments. Regionals will be March 8-12, quarterfinals March 16 and semi-finals and finals March 18-19.

The district tournaments and entertaining schools by classes:

Stanford End Is Signed by Dallas

DALLAS, Tex. (AP) — Chris Burford, Stanford University end, has signed a contract with the Dallas Texans of the American Football League.

Don Rossi, the club's general manager, made the announcement Wednesday after returning from Palo Alto and his first round in the fight with the National League for players. The 6-foot-3, 200-pound Stanford captain had been drafted also by the Cleveland Browns of the NFL.

"It wasn't a case of outbidding Cleveland insofar as money was concerned," Rossi declared. "He signed for the same salary Cleveland offered him but he was convinced that he had a better future with Dallas."

GRAND RAPIDS (AP) — Rebounding was the difference last night as Aquinas pinned a 64-47 basketball loss on Assumption (Ont.) in a non-conference game.

Kazoo Needs Double Overtime to Triumph

KALAMAZOO (AP) — Kalamazoo's Dave Southworth scored two field goals in the second overtime as Kalamazoo posted a 69-62 MIAA basketball victory over Alma here last night.

It was Kalamazoo's third win in four games this season. Alma has lost four straight.

High scorer for Kalamazoo was Atis Grinbergs, with 21. Alma's Dave Peters and Dalton Cantrell split scoring honors with 14 each.

The score was tied at 57-57 after regulation play and 61-61 after one overtime.

Chips Defeat Ferris

BIG RAPIDS (AP) — Guards Gary Lee and Dean Adams accounted for 33 points as Central Michigan defeated Ferris 57-50 last night in a non - conference basketball game here.

But Ferris' forward Dan Dobryczynski captured high point honors with 22. Lee led Central with 18.

Detroit Boxers Rank High

Brown, Fullmer Honored

NEW YORK (AP) — Lightweight champion Joe Brown and NBA middleweight king Gene Fullmer today were named to share "fighter of the month" honors by Ring Magazine for their successful title defenses.

Brown, of New Orleans, stopped England's Dave Charnley on a sixth round technical knockout. Fullmer, of West Jordan, Utah, won a unanimous decision in 15 rounds over Spider Webb of Chicago.

★ ★ ★

The monthly Ring ratings showed changes in every division except the featherweight class.

Carlos Ortiz of New York was dropped from the No. 1 lightweight contender's position for inactivity and replaced by Paolo Rosi, Italian-born New Yorker.

Former welterweight and middleweight champion Carmen Basilio also was demoted for idleness, the Chittanango, N.Y., clouter was shifted from third to fifth among the middleweights in an exchange of positions with Germany's Gustav Scholz.

★ ★ ★

Billy Hunter of Detroit made the biggest jump among the heavyweights.

In the light-heavyweight class, the retirement of Canadian Yvon Durelle and Jesse Bowdry's loss to Henry Hank of Detroit resulted in several shifts. Bowdry, of St. Louis, fell from fourth to fifth. Mike Holt of South Africa was promoted from fifth to third and Von Clay of Philadelphia jumped from sixth to fourth. Hank, a middleweight, leaped from ninth to sixth among the 160-pounders.

New York, add ratings

Ring Promoter Ruled in Debt to Uncle Sam

WASHINGTON (AP) —The U.S. Tax Court ruled Wednesday that Babe McCoy, Los Angeles boxing and wrestling promoter, short changed Uncle Sam's tax collectors for 1953.

★ ★ ★

McCoy, whose real name is Harry E. Rudolph, reported he received $27,847.88 as matchmaker for the Olympic club that year. He also reported receipt of "miscellaneous boxing and wrestling income" of $5,078.

★ ★ ★

The Internal Revenue Service claimed McCoy failed to report additional income of $10,004.56. In its decision Wednesday, the tax court held that McCoy had $8,000 of income which he failed to include in his return. The court left it up to tax experts to figure out how much the tax will be.

WE'VE GOT THEM -- NEW 1960 Chevrolets!

Al Serra

Numerous Ski Events on Michigan Winter Calender

AP Wirephoto

OLYMPIC HOPEFUL — Specialist 4th class Jon St. Andre of Ishpeming is the only service skier to qualify for the 1960 Olympic ski jump training team. St. Andre has been the Army ski instructor at Fort Greely in Alaska until his return to Ishpeming recently.

California Highway Patrol Set for Winter Olympics

SQUAW VALLEY, Calif. (AP) — "What's the weather like up ahead?"

"Will I need chains?"

"Is the road open?"

These and a multitude of questions like them will face California Highway Patrolmen at the Feb. 18-28 Olympic Winter Games . . . and the questions are expected in a variety of languages.

To prepare for the tasks of handling crowds estimated at 35,000 a day, the CHP has asked its employes about their language abilities.

★ ★ ★

Ninety-six officers and other aides were found who were multilingual. The tongues they know include Russian, Spanish, French, German, Italian, Portuguese, Greek, Dutch, Yugoslavian, Swiss-Italian, Finnish, Danish, Polish, Chinese, Croatian, Serbian, Hindustani, Flemish, Armenian and sign language.

Thus the CHP hopes to be able to summon aid within a reasonable length of time to any non-English speaking motorist who runs into trouble.

The Patrol says it will have on duty 24 hours a day the highest concentration of men ever to police California's highways. They will patrol all the main roads leading to the valley in February. Sixty-six patrol cars will operate in the area during days and evenings.

The Olympic site is 200 miles east of San Francisco off transcontinental U.S. 40. The highway except for about 35 miles, is four-lane.

★ ★ ★

The big bottleneck, if there is one, will come at 7,000-foot Donner Summit, a steep and scary four-mile two-lane stretch.

To equip, feed and house the 206 patrol staff — 164 officers and 42 non-uniformed personnel — the CHP drafted its training academy personnel from Sacramento.

Everyone will be housed in the Tahoe-Truckee High School gym.

Items collected in advance include:

One hundred and sixty pairs of skid chains, 78 windshield ice breakers, 78 short shovels, 158 mud and snow tires, 91 tow cables, 184 cases of emergency flares, 100 parkas and 232 pairs of arctic overshoes.

The big job wil be regulating traffic, but CHP Commissioner Bradford Crittenden cautions that his men will carry plenty of ticket books with them.

"Motorists should be aware," he says, "that there will be a concentration of patrolmen in the area, and while they will be extremely busy, it is highly improbable that traffic violations will go unnoticed."

St. Louis to Be Tested as Future Hockey Site

ST. LOUIS (AP)—In a move designed to determine St. Louis interest in returning pro hockey to the city, Toledo of the International Hockey League will play five regular season games in the St. Louis arena next month.

★ ★ ★

The announcement was made yesterday by Andy Mulligan of the Toledo club and Emory Jones of the Arena. St. Louis had an entry in the American Hockey League for several years but the club folded in 1953.

Local Slopes List Several Dates of Note

Kandahar, Grampian Meets Feature Area Activities

Several area events are listed on the Michigan calendar winter scnedule for 1960.

The annual Kandahar ski jumping meet at Pontiac Lake recreation area is scheduled for January 10th.

Mt. Holly's annual ski races are set for January 17th and the downhill slalom races at Grampian Mt. are listed for January 30-31.

Here is the complete winter sports calendar as released by the Michigan Tourist Council for the 1960 season.

JANUARY EVENTS

Pontiac Press Photo

ANYONE FOR SKIING? — Waterford High school's ski club, one of 25 schools entered in the high school program jointly held at Mt. Holly and Grampian Mt., was one of the first in action last week. Joel Kruskie of Cooley Lake Road has an interested onlooker, Marilyn Meyers of Cass Lake Road, as he puts on the skis at Mt. Holly.

Winter Resort Operators Hold Meeting Today

MANISTEE (UPI) — Winter sports area operators of the West Michigan Tourist and Resort Asso. today held a pre-season meeting at the Manistee Ski area.

The operators were considering taking up a proposal for liability insurance for winter sports areas.

The meeting agenda also included reports on the Grand Rapids, Detroit and Chicago winter sports shows, an advertising report, area snow report for skiers and a January tour of winter sports areas by Midwest newsmen.

Ski Talk

CHRISTIE — Fast swing turn with skis remaining parallel.

HERRINGBONE — Climbing uphill with the skis in "V" position.

KICK TURN — Reversing direction while standing in one place.

SCHUSS BOOMER — Skiing's equivalent of the "hot rod" driver.

SIDE-STEP — Climbing uphill with skis at right angles to the slope.

SITZMARK — Hole left in snow by fallen skier (please fill).

SKI PATROL — It supervises skiing and administers first aid.

SLALOM — Racing against time on special, flag-marked course.

SNOW PLOW — Fundamental maneuver to control rate of descent.

New Ski Group Meets Saturday

Oakland Hills Club to Hold Session at Grampian Mt.

ROCHESTER—Oakland Hills Ski Club, newly formed in Rochester, will hold a meeting at 2 p.m., Saturday, December 12, at Grampian Mountain Ski Area.

According to Carl Markle, secretary of the club, a group ski lesson will be on the agenda for the club if snow is available.

In the event there is not sufficient snow, a clothing and equipment exchange will be held between the members. Joe Kosik, owner of Grampian, will also conduct a tour of the area.

Organized only a month ago, the Oakland Hills Ski Club has members from Rochester, Pontiac, Richmond, Birmingham, Lake Orion and Orchard Lake.

The meeting on Saturday will be open to all persons interested in joining the new ski club.

Lives in Area

Irwin Head Pro at MIO

Jack Irwin is the new head pro at the Mio Mountain Ski School.

Irwin, who celebrates his 21st year of ski teaching, formerly taught at Teeple Hill and Mt. Holly.

He takes over the teaching duties at Charlie Budesky's ski spread on the Au Sable immediately.

★ ★ ★

During the weekdays, Jack is an English teacher at Redford High School. He lives in Farmington.

During the week nights, he heads the Ski Patrol unit at Mt. Christie in Oxford.

Mio Mountain is in its 6th year of operation, with many improvements. It boasts a new clubhouse this year.

MIO PRO—Jack Irwin, known to many area skiers primarily at Teeple Hill and Mt. Holly, is the new ski pro at Mio Mountain. Irwin is a resident of Farmington.

West Michigan Set for Action

GRAND RAPIDS (AP)—Artificial snow between 10 and 28 inches on two runs each and skiing good was the report today from two of West Michigan's 28 winter sports centers.

The West Michigan Tourist and Resort Assn. said the reports from Caberfae at Cadillac and Boyne Mountain Lodge at Boyne Falls indicated a dearth of snow elsewhere in the area. Caberfae planned to be open Saturday and Sunday. Boyne Mountain reported it was open daily.

Jordan Valley Lodge at East Jordan also informed the WMTRA it would not operate as planned for the 1959-60 season. It listed delays in obtaining ski tow equipment caused by the recent steel strike as the reason for postponing its debut.

Michigan Ski Map Free at Request

LANSING — Michigan's annual ski map and winter sports guide is just off the presses and is ready for free distribution, the state tourist council announced today.

Some 50,000 copies of the "Fun in the Snow" publication will be distributed throughout Michigan and the Midwest during the winter season, council spokesmen said.

This year's guide — the fifth annual edition — lists 71 skiing, skating and tobogganing centers throughout Michigan's two peninsulas. Listings include locations of winter sports centers and the facilities offered by each.

Single copies or quantity supplies of "Fun in the Snow" are available on request, without charge, from: Michigan Tourist Council, Lansing 26.

Late Snow Conditions

DETROIT (UPI) — Snow conditions.

EAST MICHIGAN

Snowsnake Mt. — open this weekend.
Sylvan Knob — 4 inch base, 1 inch new snow. Skiing good.

WEST MICHIGAN

Caberfae — two runs open with artificial snow — skiing good.
Boyne Mt. — open daily. 10-20 inches artificial snow on two runs.

Mt. Summit Opens Dec. 19

Snow, snow, please, Mr. Weatherman, the skiers want snow.

Unless there is a sudden barrage of the white fluff, it looks like most area ski slopes will postpone their openings for another weekend.

Mt. Holly will continue to make snow as long as the temperature drops to freezing at night.

Mt. Summit plans its grand opening Dec. 19, with its 10 runs and seven electric tows.

★ ★ ★

The Summit Club, which is located on Foley road in Fenton, has one of the largest skiing areas on this side of Bay City.

It can be reached from Pontiac by taking M59 west 18 miles to Fenton road. A right turn and another 7½ miles will reach Foley road.

Grampian Mt. has also changed its plans for opening this weekend because the weather report calls for above average temperatures.

The club is almost certain to get started next week as colder weather is expected.

A new pomalift wil be installed at Grampian. Imported from France, installation of the lift will begin tomorrow.

Area 4-H Livestock Takes Prizes

Pontiac Press Photos

TOP SHOWMAN — Winner of the special award for beef showmanship at the Junior Livestock Show yesterday in Detroit was Philip Smith Jr., 17, of Merrie Meadow Farm, South Lyon. He is pictured here with his prize-winning Aberdeen Angus steer which placed first in that class' heavyweight division. It was young Smith's final show as a 4-H exhibitor.

South Lyon Youth Wins Two Major Steer Awards

By LEE WINBORN

Months of hard work preparing their animals for the Junior Livestock Show in Detroit paid big dividends for three Oakland County area 4-Hers yesterday. Several others also recieved prizes.

One of the exhibitors, Philip Smith Jr., 17, of South Lyon, won two major awards.

His prize Aberdeen Angus steer was named first place winner in the heavyweight class. And in the final event of the day, Smith's expert handling of his animal earned him the top prize for beef showmanship.

For the second straight year seventeen-year-old Faye Walker's shorthorn steer was picked grand champion of breed. Faye, who is from Metamora, also was runner-up to Philip for the top showmanship award.

Another hot contender in several classes was Jay Tuggle, 19, of Dryden. His middleweight Hereford steer was reserve champion of breed.

The three 4-Hers, as top winners, were entitled to enter their animals in competition for grand champion steer of the show. An Aberdeen angus, owned by 16-year-old Tom Partridge of Swartz Creek won this coveted trophy.

★ ★ ★

Smith is the son of Mr. and Mrs. Philip Smith of 28318 Dixboro Rd. It was his final show as a 4-H exhibitor.

Faye is the daughter of Mr. and Mrs. Ronald Walker of 266 Sutton Rd., Metamora.

Jay Tuggle's parents are Mr. and Mrs. Charles Tuggle, of 5566 Hough Rd., Dryden.

There were some 750 entries in the 30th annual show from 28 counties in the Lower Peninsula of the state. Scores of exhibitors were from the Oakland County area, mainly with animals in the cattle class. Only a few had swine or sheep entries.

Another youth from this area who placed high in the beef judging was Robert Rush, 19, of 64510 Dequindre Rd., Washington Township. He was fourth in the showmanship competition, and his steer was named second place winner in the light Hereford class.

A Hampshire-Oxford lamb, owned by Curtiss Gnepper, 14, who lives near Leonard, placed second in that class. Curtiss's home is at 1981 Mack Rd.

★ ★ ★

After a full day that started at 8 a.m. the exhibitors gathered again in the evening at the Sheraton-Cadillac Hotel for their awards banquet.

★ ★ ★

Today the animals are put on the auction block, and the youngsters say they expect better prices than last year.

RAISES CHAMPION — Faye Walker, 17, of Metamora, poses with her shorthorn steer, "Spats," which won top honors as grand champion of his breed in the Junior Livestock Show yesterday in Detroit. Faye also was runnerup for the special showmanship award. It was the second year in a row that her animal led his class.

Leaves 109 Dead
Worst European Storm in 23 Years Finally Eases

LONDON (AP)—Europe's worst storm in 23 years was blowing itself out today, leaving shattered ships and 109 dead in its wake.

But coastguardsmen, weary after a five-day battle, warned the tempest might still have a deadly sting in its tail.

★ ★ ★

A little Dutch motor freighter sank in a collision in the Elbe estuary, some seamen remained in trouble and blinding blizzards blanketed parts of Scandinavia.

The toll in lives and shipping was the heaviest since the great storm of February 1936, in which more than 200 died.

The 44-ton Dutch freighter Flamingo went down after a collision with the 3,128-ton German freighter Brunswick. All members of the Dutch crew were rescued.

★ ★ ★

In all, a half dozen vessels have gone down.

Four others flashed distress calls today.

A flooded engineroom forced abandonment of the British trawler Janet Helen in the North Sea. Its crew was taken off by another British fishing vessel.

★ ★ ★

In the Baltic the Finnish Vessel Borneo, 348 tons, reported it was drifting with a 25-degree list. It called urgently for a tug.

The Danish fishing cutter Stornoway, wallowing in North Sea swells with a broken rudder, called for assistance. Then its radio went dead.

In the Baltic, rescue ships put out to aid the crippled Swedish motorship Birgitta. That 850-ton craft, with nine men aboard, had engine and propeller trouble, but reported it was in no immediate danger.

★ ★ ★

Snowy gales whipped across Sweden for the sixth straight day.

The air-sea hunt for crewmen of the Norwegian freighter Elfrida and the German ship Merkur was abandoned when darkness closed in Wednesday night. All 20 men aboard the Elfrida and the seven who manned the Merkur were assumed lost.

Special Edition for Needy to Be Sold Saturday

Special Goodfellow editions of The Pontiac Press will be sold in four Oakland County communities tomorrow.

★ ★ ★

They include Oxford, Lake Orion, Gingellville, Auburn Heights and the rest of Pontiac Township.

Proceeds will go to assure a merry Christmas for needy families and to sponsor children's parties.

★ ★ ★

Saturday, Goodfellow editions will again be sold in Pontiac Township, Oxford, Lake Orion and West Bloomfield Township, including Keego Harbor, and White Lake Township.

State's Priority Mental Trouble?

County Legislators Still Wonder What It Is After Meeting With Chapter

Oakland County state legislators yesterday heard a discussion of the problems of mental health and wanted to know "which has priority?"

The question went unaswered.

The occasion was the annual "Legislators Luncheon of the Oakland County Chapter of the Michigan Society for Mental Health."

The legislators in attendance were State Sen. L. Harvey Lodge (R-Oakland County), Rep. Arthur J. Law (D-Pontiac), Rep. Lloyd L. Anderson (R-Waterford Township), Rep. James Clarkson (D-Southfield) and Rep. John C. Hitchcock (D-Hazel Park).

During a question and answer period, Lodge addressed guest speaker Dr. Jacques Gottlieb, director of Detroit's Lafayette Clinic:

"We now spend $70,000,000 for mental health in Michigan and the new budget calls for $85,000,000. We legislators all are interested in mental health.

"Maybe we could take care of the old people (being housed in state mental institutions) in some way and make room in the state hospitals.

"The percentage of elderly people over 65 in Michigan is nine per cent and increasing."

★ ★ ★

Gottlieb's suggestion was that foster homes be established for the aged and also the "adolescent who can't be released from the state hospital because nobody will take him."

'MUST IMPROVE'

Lodge also asked what could be done in the way of a preventive mental health program "instead of waiting for the problems."

Gottlieb answered, "We must improve the solidarity of the family. This means we have got to change our cultural pattern."

Chief among Gottlieb's proposals was for psychiatric units to be established in general hospitals as affiliates to Lafayette Clinic to take some of the burden from overcrowded state hospitals.

Such a unit, he said, would have to meet the standards of the clinic which would provide resident physicians to staff it. The hospital would have to provide a full time senior man to head the unit. Gottlieb proposed the county should pay for such a facility.

Another guest speaker at yesterday's luncheon was Dr. Saul Harrison, associate director of the Children's Psychiatric Hospital in Ann Arbor.

Rochester's Schools Face $30,000 Deficit

ROCHESTER — Despite the fact that voters in the Rochester Community School District approved a two-mill tax increase for operation last June, the Board of Education faces a $30,000 deficit.

Members learned last night that the money raised by the millage-hike has been erased by a drop in property valuations in Avon Township. Approximately 40 million dollars of the district's 45 million dollar valuation is located there.

This one township's drop in equalized valuation has eliminated the district's major source of local revenue, members learned during their budget study.

"The condition of state finances has made it necessary for the Board to borrow $300,000 against future taxes," said Schools Superintendent Donald C. Baldwin.

He added that depending on what happens on the state level in the next few months, the district might have to borrow further by June 30 — probably in February.

"We were just 5 million dollars off in our estimate of what our valuation would be during the 1959-60 school year," Baldwin stated.

He stressed, however, that the Rochester district is no harder hit by the valuation drop than others in the area. Most have been borrowing periodically to keep abreast of current expenses.

Rochester Group Sets Roller Rink Gathering

ROCHESTER — The Luther League of the Abiding Presence Lutheran Church are planning a roller skating party for Sunday afternoon at the Utica Roller Rink.

Members of the League will leave North Hill Elementary School at 1:30 p.m. The party will last from 2 to 4 p.m.

The skaters will return to the Frank Siesielski home at 416 Winry Rd. here for refreshments and their Christmas devotional program.

Last Civil War Vet Listed as Critical

HOUSTON, Tex. (AP) — Walter W. Williams, last surviving veteran of the Civil War, was in critical condition today.

It was the first time the 117-year-old confederate veteran's doctor has used the word critical.

Says Straley Wants Job Back

Former Chief's Lawyer Claims Petition Asking Reinstatement in Works

The opinion of Herbert W. Straley's attorney is that the former Pontiac police chief will seek his job back.

"And I don't think that my opinion is far off," said Clarence L. Smith, who represented Straley at his hearing on ouster charges before the Pontiac Civil Service Commission.

Smith said he had talked with Straley yesterday. Straley has not disclosed his future plans.

Smith said that a petition is being prepared for Ionia County Circuit Judge Morris K. Davis seeking an order to reinstate the chief.

Judge Davis Tuesday reversed Straley's firing by the Civil Service Commission April 4. He said Straley had committed no acts of "misfeasance or nonfeasance" within 90 days prior to the time the charges were put before the Commission.

The Civil Service Act under which Straley was fired imposed a 90-day statute of limitations on filing of charges. Two days after the Commission's decision Pontiac voters repealed civil service for the police department.

"I believe that Straley feels he owes it to his supporters in the department to return," Smith said. "He doesn't want anyone to feel that he's selling out after the battle.

BEST IN SHOW — Posing proudly with the Aberdeen Angus steer named Grand Champion of the Junior Livestock Show in Detroit yesterday is Tom Partridge, 16, of Swartz Creek. Prior to the final judging Tom's steer was picked as the best in the middleweight division for that breed. The middleweight class is open to animals weighing between 995 and 1,060 pounds.

Newly Married Moehlmans Live on Bellevue

LAKE ORION — Newlyweds Mr. and Mrs. Robert E. Moehlman are residing at 425 Bellevue St. following their honeymoon trip to Chicago.

★ ★ ★

They were married by the Rev. Albert B. Johns in the Lake Orion Methodist Church.

The bride is the former Sue Ann Simms, daughter of Mr. and Mrs. James R. Simms, 43 Axford St. Parents of the bridegroom are Mr. and Mrs. Robert F. Moehlman, 252 Atwater St.

For her wedding the bride chose a floor-length gown with a fitted bodice and basque waistline. Her bouffant skirt had ruffled tiers.

A small cap decorated with pearls secured a fingertip veil. She carried a bouquet of white roses with pompons and mums.

★ ★ ★

Mrs. Don Cole of Royal Oak was matron of honor. Bridesmaids were Bonnalee Simms and Linda Moehlman.

Rod Granger of Birmingham served as best man. Seating the guests were Howard Moehlman of Algonac and Don Cole of Royal Oak.

A reception was held in the church house.

MRS. ROBERT E. MOEHLMAN

Utica Scout Chosen Chippewa's Chief

Larry Elzerman of 12470 21-Mile Rd., Utica, has been elected chief of Chippewa Lodge 29, Order of the Arrow, highest unit of the Boys Scouts of America.

Others elected to the Clinton Valley Council lodge were Bill Poffenberger of 408 Fernbarry St., Pontiac, vice chief in charge of chapters and Mike Russell of 527 Harrison St., Rochester, vice chief in charge of committee operations.

Also, Mike Marshall of 222 Tanview St. view St., near Oxford, secretary, and Fred Hiel of 524 General Motors Rd., Milford, treasurer.

In U.S. District Court
Gets Third Suit Trial

DETROIT (AP) — Carl E. Hess Jr., 19, of Walled Lake, told U.S. District Court yesterday of alleged police mistreatment when arrested on a drunkenness charge Dec. 21, 1957. Two previous trials ended in mistrials.

★ ★ ★

In a $15,000 damage suit, Hess claims he was mistreated by two Oakland County deputies and a former deputy and suffered aggravation of an earlier brain injury.

The youth testified that former deputy Gordon Misener "struck me in the face with his fist" while taking him to jail in a patrol car.

Misener and his partner, deputy Robert W. LaLonde, deny striking Hess. The men said the youth was disorderly in the patrol car, but all they did was knock his legs down to keep him from pushing against the back of the front seat with his feet.

★ ★ ★

Deputy Earl Beason testified that when he was taking Hess to the cell block the youth tried to punch him. Beason said he grabbed Hess' arm and slapped his face.

The deputy said Hess appeared to faint and to prevent him from rolling off his bunk he laid the youth on the cell floor. When he checked later, Beason said, Hess had gone to bed.

Hess, who said he had suffered a brain injury in August 1957 pleaded guilty in the case and was sentenced to 10 days in jail.

He is now serving 1½ to 15 years in Ionia State Reformatory for safe robbery.

Fewer than 25,000 foreigners enter Honduras each year — compared with the 600,000 Americans alone who visit Mexico as tourists.

Boy, 11, Found Unconscious
'Bullies Got Me Drunk'

HAZEL PARK — Police here are trying to unravel the weird story of an 11-year-old boy who told them that a group of older boys "beat me up and forced me to drink a large amount of whisky."

The boy was admitted to William Beaumont Hospital, Royal Oak, suffering from head injuries, body bruises and extreme inebriation. Hospital authorities reported his condition as "satisfactory" this morning.

The boy left his home early Tuesday evening to visit the home of a 15-year-old friend. He had got permission from his mother to stay there overnight.

★ ★ ★

Later in the evening he left the friend's house to go to a nearby store and failed to return.

His friend became alarmed at about 9 p.m. and went out to look for the missing boy. He found him lying in the snow on the front yard of a home several doors away.

When the older boy told his mother what had happened she called Hazel Park police.

★ ★ ★

Juvenile officer James Nolan said the inebriated boy was incoherent and only partially conscious when picked up by police.

The boy was to be questioned further today.

U.S. Will Withdraw Troops From Iceland

WASHINGTON (AP) — The Defense Department announced today that all U.S. Army troops will be withdrawn from Iceland. Some 4,000 U. S. Air Force and Navy men will remain.

The force to be pulled out consists of an Army battalion combat team of about 1,200 men. The Army troops will be redeployed during the first six months of 1960.

"Army units stationed in the United States will continue to maintain their capability for immediate deployment to Iceland in case of emergency," the headquarters said.

The Army said the transfer is part of the normal redistribution of forces, and has been under consideration for 2½ years.

Church Dinner Tonight

LAKE ORION — The Women's Department of the Church of Jesus Christ of Latter Day Saints here will serve a family - style, baked ham dinner from 5 until 7 p.m. today. The public is invited.

Oh, Chute, Santa Won't Use Sleigh

WALLED LAKE—"But don't get me wrong. Come Christmas Eve I'll be using reindeer."

Explaining why he will parachute into this village instead of using the normal mode of travel with reindeer and sleigh, Santa said he was "just keeping up with progress."

Santa will jump into the heart of Walled Lake Saturday at 2 p.m. from his own plane flown by one of his helpers.

When he drops to the earth, Walled Lake Police Chief James A. Decker will pick Santa up and take him to the Walled Lake Junior High School.

★ ★ ★

At the school he will meet each child personally and pass out candy.

Santa will be officially welcomed by Walled Lake Mayor Waldo C. Proctor and Benjamin Z. Schneider of the Walled Lake Chamber of Commerce in the school yard.

In the past several years Santa has been arriving by helicopter, but he said he thought he would try something different this year.

★ ★ ★

"I haven't any worries now," Santa said, "but I have seen the size of the lake, and I hope there is no wind tomorrow."

DR. R. BERNARD FINCH

Final Arguments Due on Moving Trial

LOS ANGELES (UPI)—The trial of wealthy Dr. R. Bernard Finch and his paramour Carole Tregoff moves to a large courtroom today for windup arguments on taking the trial out of Los Angeles.

District Attorney William B. McKesson was to be one of the last witnesses in the change of venue plea by Finch's attorney.

Finch, 42, an dhis 22-year-old admitted mistress are charged with the fatal shooting of Finch's wife Barbara, 33, last July 18.

An attempt to seat a jury will be made after final arguments for moving the trial are made.

★ ★ ★

Grant B. Cooper, attorney for Finch, said he planned to show when the selection of jurors begins that widespread publicity given the love triangle case has prejudiced prospective jurors. Superior Judge Walter R. Evans was expected to rule on Cooper's change of venue motion after the attempt to seat a jury.

★ ★ ★

The couple sat quietly yesterday studiously avoiding looking at each other.

Sylvan Employes to Get Higher Pay This Month

The City of Sylvan Lake gave away money last night as Christmas spirit prevailed at the monthly Council meeting.

Councilmen voted to pay the yearly cost of living adjustment to city employes this month.

The adjustment will be $25 for all employes except those who have not yet completed their six-month probationary period under the city charter. They will receive $10 each.

It was agreed that the city would donate $25 to the West Bloomfield Township Goodfellows sale which takes place Saturday.

INSURANCE EXTENDED

The Council also moved to extend the City's liability insurance to streets and sidewalks.

Coverage will be up to $100,000 at a cost of about $400 annually.

A disorderly conduct ordinance was adopted.

The new ordinance will update and clarify regulations and consolidate old ones.

★ ★ ★

The Council discussed a list of possible candidates for the justice of the peace post vacated by the death of Joseph J. Leavy. No decision was made last night.

A new justice must be named by Dec. 25 The present term runs until July 4, 1961. The next election for justice of the peace in the city will be next November.

City Manager David E. Firestone announced that all city employes would be off work from noon Dec. 24 and 31 until the Monday following each date.

A public hearing on a proposed zoning change has been scheduled for Monday, Dec. 21, at 8 p.m.

LILLIAN HENDERSON

A Jan. 30 wedding is planned by Lillian Henderson and Charles Creamer. She is the daughter of Mr. and Mrs. Jesse J. Henderson of Pickbourne street, Milford, and he is the son of Mr. and Mrs. Henry Creamer of Phoenix, Ariz.

Commissioners Postpone Troy Liquor Action

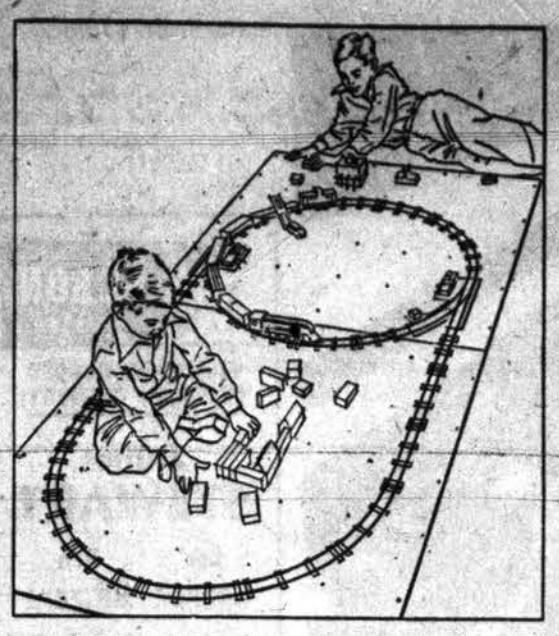
TROY — At a special session called last night to review applications for SDD licenses in Troy, city commissioners referred the matter back to the local liquor committee for a recommendation by Jan. 15.

★ ★ ★

The commission was studying the lists of applicants with a view to making recommendations to the State Liquor Control Commission.

Three applicants are entitled to licenses to sell packaged liquor according to the city's present population.

It was also decided that the Parks and Recreation Committee will review its ordinance before making minor changes to clarify authorization of expenditures.



PORTABLE TRAINBOARD gives ample space for rolling stock. Stores in closet with tracks attached. Of one four-foot by eight-foot panel of quarter-inch tempered hardboard with support strips underneath.

Make Floorboard to Be Stored in Closet

Men of All Ages Get Big Kick Out of Trains

Men of all ages get a kick out of trains, whether they make them or borrow their sons' sets. Avoid clutter with a trainboard that stores easily in a closet, with the tracks attached.

★ ★ ★

This can be made before Santa Claus delivers more rolling stock at Christmastime. You may make the board of one 4-foot by 8-foot panel of quarter-inch tempered hardboard. Support it underneath with 1-inch by 1-inch strips of lumber.

★ ★ ★

First saw the hardboard in half to provide two squares. Nail to the underside of each square a perimeter of framing, leaving unframed the edges which later will be joined to form an eight-foot board.

Fasten them with contact cement and then apply one-inch screws from the hardboard side through countersunk holes at intervals of 6 inches.

★ ★ ★

Under one of the squares add five intermediate strips of wood spaced 8 inches apart and extending 12 inches beyond the point at which the panel will be joined to the other panel. Frame the other square in a similar manner but make the intermediate supports just long enough to meet the ones extending from the other one.

★ ★ ★

When joined, the extended framework of one section slips right under the adjoining half. Tracks and accessories are held in place by small track bolts, available at hobby shops. The tracks should be snug when the two sections are joined.

★ ★ ★

Wiring for the train and accessories is concealed underneath, with ends running up to tracks, transformer and other units through drilled holes.

By using contrasting colored wires, the operators can distinguish one set from another.

To assure a solid joint between the two sections, insert two countersunk machine bolts into drilled holes in the tempered hardboard and the framework after the sections have been fitted. This prevents the sections from working loose during operation of the train.

TRICYCLE: With fringe on top, just imagine this new bike, but it looks so old-fashioned.

U.S. Urged to Buy From Small Firms

WASHINGTON (UPI) — Sen. George A. Smathers (D-Fla) Wednesday urged the Defense Department to spend more of its money with small business firms.

★ ★ ★

Smathers, Chairman of the Senate Small Business Subcommittee on Government Procurement, called for a "greater emphasis" on the Defense Department's small business program.

★ ★ ★

The senator, in a letter to Defense Secretary Thomas S. Gates Jr., said small firms received only 16.6 per cent of defense contracts during fiscal 1959, the lowest percentage ever recorded.

On the other hand, he said, 20 large firms received more than 50 per cent of the total defense spending, totaling about 11-billion dollars.

★ ★ ★

Smathers said the reason small firms are getting less of the defense dollar was "declining use of competitive procurement methods."

Death Takes Founder of Biology Institute

DETROIT (UP)—William C. Hicks, 61, founder of the Hicks Foundation of Biological Research, died of a heart attack Monday.

★ ★ ★

A native of Benton Harbor, Hicks headed laboratories of the Department of Pediatrics and Infectious Diseases at University Hospital in Ann Arbor from 1928 to 1936. He established his foundation here in 1936.

Legal in Alabama

Alabama in 1836 was the first state to make Christmas a legal holiday.

Auto Industry Flexes Muscles

Moving Closer to Full Production After Steel Shortage Shutdowns

DETROIT (UP) — The auto industry quickened its pace toward early full production today with five lines scheduled to return to carmaking after shutdowns caused by the steel strike.

General Motors Corp. has Buick, Oldsmobile and Pontiac back in operation today, while Chrysler Corp. started production again of Valiants, Imperials and Dodge trucks.

General Motors now has some production in all its automotive divisions. The corporation, hardest hit by steel shortages, is recalling 60 000 workers this week.

By Friday it will have only 31,000 remaining on the furlough list from a peak of 215 000.

Chrysler planned recalls for 6,000 today, leaving the corporation with about 26,000 idle. Chrysler had 38,000 idle at one time.

A Chrysler spokesman said the firm hopes to resume assemblies of Dodges, Plymouths and DeSotos sometime next week.

Ford, American Motors and Studebaker-Packard, relatively unaffected by steel shortages, are operating at a normal pace.

'Round World in 59 Hours

NEW YORK (UPI)—Pan American World Airways announced last night it will triple jet schedules this month making a 59-hour New York to New York round-the-world trip a timetable possibility.

In 1781 Duncan Phyfe, one of the most famous of American furniture makers, set up shop in New York. Furniture and furnishings manufacturing today is big business—as shown by the fact that over $11½ million worth of national advertising was placed in newspapers in 1958.

Despite Riots and Flag Trouble

Panama Canal Busy Moving Ships

PANAMA (AP) — Anti-American riot or no riot, the Panama Canal keeps busy every day.

Twenty-seven ships laden with freight and passengers are lifted and lowered 85 feet from one ocean to another on a daily average.

Fifty million tons of cargo go through the locks between the Atlantic and the Pacific every year.

That is what the short-cut waterway means in trade 45 years after its building.

★ ★ ★

What does it mean to Panama? What more does Panama want?

In money the U.S.-operated Canal Zone means more than 71 million dollars yearly to the country it divides. This is some 12 million dollars more than the national budget.

It makes up Panama's own foreign trade deficit, the difference between what it sells and what it buys.

Yet some of Panama's million poverty stricken inhabitants are unhappy. They want more money from the "colossus of the North" in return for use of the strip 10 miles wide across their country. Most of all, they say, they want their flag to fly over it.

Panamanians feel their sovereign rights were sold out to the United States by the French engineer, Philippe Buneau-Varilla, when the fledging government of Panama sent him to Washington in 1903 to sign a treaty with Secretary of State John Hay.

The U.S. in its urge to build the Canal had encouraged Panama to cut off from Colombia. French private enterests having failed at the loss of 22,000 men to dig a big ditch across the isthmus, the United States bought their property and rights for 40 million dollars in 1904.

'FOR ALL TIME'

The treaty Buneau-Varilla signed granted the United States the right to govern the zone for all time "as if it were sovereign."

Panamanians say Buneau-Varilla did it to get back some of the money the French had sunk in the swampy jungles.

The United States paid the infant republic 10 million dollars outright and began paying a yearly rent of $230,000. It finished the lock-type canal in 10 years at a cost of 425 million dollars. At the same time, it made tropical Panama a healthy place to live.

Exercising sovereign rights through the Canal Zone government and operating the waterway through the Panama Canal Company, the United States signed further treaties with Panama in 1936 and 1955. These, among other things, granted certain commercial concessions to this rapidly growing country.

★ ★ ★

Canal Zone authorities say direct benefits to Panama now amount to $24,600,000 a year. This is paid in wages to 16,000 Panamanians who work in the zone, in contracts for construction and services, for food and supplies.

In addition, they estimate that 47 million dollars are pumped into the economy of Panama through the payrolls and purchases of other U.S. agencies, the spending of Canal Zone families and the U.S. armed forces on guard over the canal, disability relief payments to former employes and the spending of U.S. tourists.

★ ★ ★

This compares with the Panama government's budget for 1959 of approximately 58 million dollars. The total equals the deficit between Panama's imports of $92,800,000 in 1958 and its exports of about $21,200,000, mainly of bananas and cocoa beans.

U.S. authorities say that Panama thus lives largely off the canal. Yet many Panamanians resent the 11,000 Americans who live and work in the zone, look enviously at the way they live.

They think much of the money finds its way into the wealth of the "first families" who form one of Latin America's last remaining oligarchies.

They resent different wage scales for Panamanian and U.S. employes of the canal. Authorities say the wages of Panamanian employes in the zone run from 20 to 150 per cent higher than in Panama, where only now a minimum wage of 40 cents an hour is under consideration.

★ ★ ★

A U.S. agreement that the zone would buy food and supplies from Panama if feasible is interpreted differently on opposite sides of the boundary. Panamanians seem to feel that "feasible" means "available." Americans say products available in Panama are not always up to the quality zone residents want.

Some Panamanian politicians are demanding half of the gross revenue from the canal tolls, which was $83,100,000 in 1958. The net revenue last year was $2,700,000. Panama has been collecting a rent of $1,930,000 yearly since 1955.

★ ★ ★

Throughout its 45 years, the canal's tolls have remained the same. Some Panamanians propose an increase to provide more money for Panama. Canal authorities, on the other hand, say their aim is to serve shipping of the world on the most economic basis possible.

"The canal still plays a role in Uncle Sam's defense picture but modern war techniques have diminished its importance for the movement of combat vessels," says Maj. Gen. William E. Potter, the zone's governor. "Its primary mission is in the world trade, providing safe and expeditious transit for vessels of all nations from one one nto another."

Windsor Wary of Harbor Plan

Sees Legal Troubles in a Suggested Link With Port of Detroit

WINDSOR, Ont. (AP) — A suggestion that a "great two-nation port" be developed in Windsor and Detroit has met with a mixed reaction from Windsor civvic and port officials.

Harry Meisner, a member of the five-man Port of Detroit commission, made the suggestion Tuesday at a Florida convention of port authority officers.

★ ★ ★

Mayor Michael Patrick welcomed the proposal, which he termed "a natural for Windsor and Detroit."

The Windsor mayor said the idea was discussed here a few years ago, but was dropped when Detroit showed no interest.

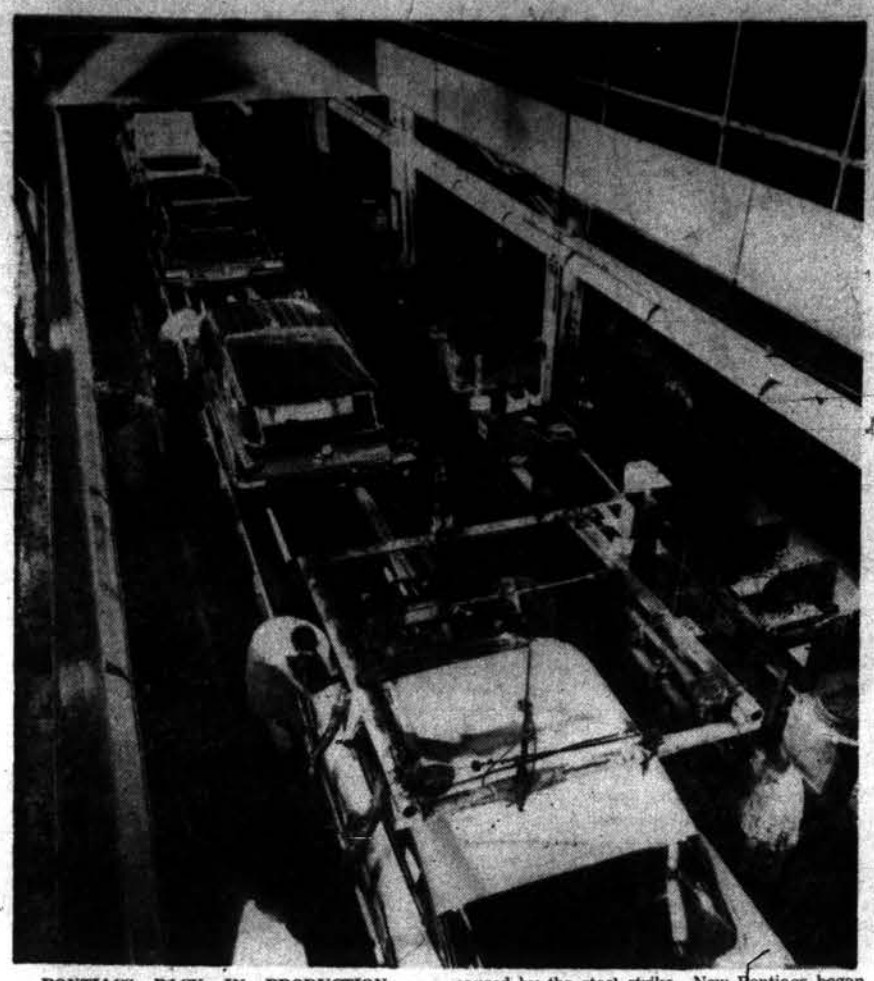
"If Detroit is interested now," he said, "it is something that should be pursued very quickly."

★ ★ ★

However, S. E. Dinsmore, chairman of the Windsor Harbor Commission, said he believes Mr. Meisner was referring to a "free port" proposal discussed in Windsor several years ago.

Dinsmore said the harbor commissioners have discussed the free port idea with Canadian customs officials in Ottawa. "I don't think it is possible," he added.

He said the harbor commission is studying an alternative in the establishment of bonded warehouses in Windsor to store Detroit-bound cargo from ships unloaded here.



PONTIACS BACK IN PRODUCTION — Assembly lines were back in full swing today at Pontiac Motor following a six-week shutdown caused by the steel strike. New Pontiacs began rolling off the line shortly after the afternoon shift reported for work yesterday.

Suffers Heart Attack

SAGINAW (UPI) — Saginaw County Coroner William Shea was reported in fair condition today at St. Mary Hospital. He suffered a heart attack at his home early yesterday.

Titus Haffa Files Suits for $20 Million

CHICAGO (UPI) — Suits totaling $20,000,000 have been filed by Chicago industrialist Titus Haffa on charges he was libeled in the St. Valentine's Day massacre presentation on CBS-EV's "Playhouse 90."

★ ★ ★

A Haffa spokesman said yesterday a $10,000,000 suit was filed in U.S. District Court because of "an intolerable six to seven-year delay in getting a trial in the Cook County courts."

Haffa, last Sept. 24, had sued the Columbia Broadcasting System, CBS television and eight sponsors for an equal sum.

★ ★ ★

He objected to a headline reading "Titus Haffa Gets Two Years" shown during the program, which his lawyers said defamed him and unnecessarily exposed him to public embarrassment.

Called Greatest Expense

Turn to Drug Firm Payoffs of Doctors

WASHINGTON (AP) — A Senate investigation of drug prices turns today to the costs incurred by drug firms in persuading doctors to prescribe their products.

Rand Dixon, chief counsel of the Senate antitrust and monopoly subcommittee, told newsmen in advance of today's hearings that drug companies have called this their greatest expense.

Further testimony was scheduled today from John T. Connor, president of Merck & Co. Inc., and other officials of the big Rahway, N.J., pharmaceutical house.

★ ★ ★

Sen Estes Kefauver (D-Tenn), the subcommittee chairman, said he was "not at all satisfied" with Connor's explanation of the different prices at which Merck's prednisone antiarthritis tablets are sold in this country and abroad.

Figures cited by the subcommittee Wednesday listed 100 tablets of Merck's prednisone being sold to druggists in London for $7.53, or less than half the $17.90 charged druggists in this country.

However, the price to druggists in Tokyo was listed as $27.78 a hundred.

John Blair, the subcommittee's chief economist, testified the prices were for 1958 and came from a survey made by the State Department at the subcommittee's request.

Connor said he was not willing to accept the figures as correct even though they were obtained from the State Department.

But in any event, he said, many different factors have to be taken into account in comparing drug prices in this country and abroad.

Dr. Austin Smith, president of the Pharmaceutical Manufacturers Assn., said Wednesday in a New York speech that the public is getting "a distorted picture of drug prices, production costs and drug company profits."

Smith said he believed the industry "has done a good job in serving the people; has done so at a reasonable cost to the people, and that the industry's profits are in line with other industries having similar risks and problems."

Mail Obscenity Topic for Group

Grand Rapids Woman, Mrs. James Parker, Is Chosen by Summerfield

WASHINGTON (UPI) — Mrs. James Parker, Grand Rapids, Mich., was among appointees to a nine-man citizens advisory committee named by Postmaster General Arthur E. Summerfield to help him in a war against obscene mail.

★ ★ ★

Summerfield said the advisory group "will in no sense of the word be a censorship body."

He said "none of the distinguished citizens invited to serve as a member would accept if censorship were involved."

The government official said his new committee would help him reach decisions "in matters relating to the mailability of books where questions of obscenity arise."

Mrs. Parker is president of the National Congress of Parents and Teachers.

★ ★ ★

Others named to the committee, selected because Summerfield said it represented a "cross section of American life," were Douglas Black, president of Doubleday Co., Inc.; Dr. Erwin D. Canham, president of the U. S. Chamber of Commerce; the Most Rev. William E. Cousins, archbishop of Milwaukee; Roscoe Drummond, New York Herald Tribune columnist; Miss Chloe Gifford, president of the General Federation of Women's Clubs; Dr. Shane McCarthy, executive director of the President's council on youth fitness; Dr. Julius Mark, senior rabbi of Temple Emanu-El, New York City, and Dr. Daniel Poling, editor of the Christian Herald.

Jack Benny's Adopted Daughter Asks Divorce

SANTA MONICA, Calif. (AP)—Jack Benny's adopted daughter is seeking a divorce from her second husband.

Joan Benny Rudolph, 24, filed suit Wednesday, charging Alan M. (Buddy) Rudolph, 34, TV producer, with cruelty.

The couple was wed in 1956 and separated last Oct. 31. There are two children—Michael, 4, and Maria, 2. Michael was born to Mrs. Rudolph by her first husband, stockbroker Seth Baker, but was adopted by Rudolph. This was Rudolph's first marriage.

Kovacs Komedienne Kool

Cuts a Pretty Caper

By VERNON SCOTT

HOLLYWOOD (UPI)—Candidate for the zaniest job-holder in movietown is pretty Peggy Connelly, curvesome foil for comedian Ernie Kovacs on his new television panel show.

Peggy is the cutie who climbs into ridiculous costumes, spouts offbeat lines and risks life and limb for laughs.

"We've only been on the air four weeks," the brunette said, "and Ernie's dreamed up some of the darndest stunts I've ever seen. So far, I've worn a blonde fright wig underwater and an Indian squaw outfit, gone 'sailing' through the air on a magic carpet and done other weird stunts.

"Even on normal nights I have to change costumes six or seven times to give clues to the panel."

Normally, Peggy is a singer, but as Kovac's Girl Friday on ABC-TV's "Take a Good Look," she has had only one opportunity to exercise her pipes.

"That was last week," she grimaced, "and I had to sing 'Jeannie with the Light Brown Hair'—off key. It was followed by an offstage gunshot. That's how bad it was."

IT'S FIXED—FOR LAUGHS

Peggy cheerfully admits the show is fixed—for laughs.

"It's not so much a panel show as it is a comedy program," she explained. "The idea is to make the panel look as stupid as possible, which Ernie is very good at doing.

"Not long ago his wife, Edie Adams, was a panelist, and Ernie told her, 'You're great with the pots and pans at home, but as a panelist you're nothing. You ought to get out of show business.'"

There's nothing easy about getting laughs when you're a pretty girl, but Peggy, who's married to comedian Dick Martin of the Rowan and Martin comedy team, is learning fast.

"The more attractive a girl is, the harder it is to be funny. The scripts and sketches have to be as humorous as possible," she said. "I never know what Ernie will have me doing from week to week.

★ ★ ★

"In a way it's thrilling for me to play comedy. Before I joined the show I was forced to rely on my voice and face.

"I've always been a secret nut, but I've had to keep my sense of humor hidden.

"Now I can be as crazy as I want. I realize, of course, that it takes years to learn timing and other elements of comedy. But I'm going to keep trying."

The first real laugh Peggy ever collected occurred a few years back while on a date with Frank Sinatra. When asked who his companion was, Sinatra introduced her to one and all as Ezzard Charles.

"I'm still trying to live that down," Peggy sighed.

Reviving Relations Touchy

Bonn Debates Poland Tie

BONN (UPI)—West Germany having resolved its quarrels with its Western neighbors, is now caught up in a great debate as to whether and how it should attempt to restore relations with Eastern Europe.

The debate is complicated by the fact that four former German provinces are part of Poland and seven million Germans expelled from them at the end of World War II now live, and vote, in West Germany.

Moribund for years, the question of possible diplomatic relations with Poland and other Communist East European countries was revived during this summer's Big Four foreign ministers conference in Geneva.

The West German foreign ministry, in preparing for all possible developments, drew up a paper on the Polish matter which was brought before the federal cabinet.

THREE POSSIBLE COURSES

It suggested three possible courses — maintenance of the status quo, meaning no relations between Poland and West Germany; an offer to sign a non-aggression pact with Poland; or a bid offer to establish diplomatic relations with Warsaw.

The cabinet chose the status quo for the time being. But the cabinet discussion sparked a national uproar. The Socialist opposition, always against simply marking time, demanded diplomatic relations with Poland.

To this idea, the refugee organizations objected loudly. To restore diplomatic relations with Poland, they argued, would mean abdicating all claims on the former German provinces of Silesia, Pomerania, West Prussia and the southern half of East Prussia.

The Allies agreed at the 1941 Potsdam conference to place these provinces under Polish administration pending the determination of a final frontier in the peace treaty, but a peace treaty has never been signed.

Last month, a leading member of the foreign ministry named Friedrich Von Kessel resigned because of opposition to the government's do-nothing policies.

Since then, he has engaged in a bitter exchange of letters with refugee leaders, who have also demanded the dismissal of at least one more foreign ministry under secretary believed to support the idea of diplomatic relations with Poland.

ADENAUER DOWN MIDDLE

Chancellor Konrad Adenauer has publicly and privately walked the middle path.

On the 20th anniversary of the German attack on Poland, the Chancellor made a radio speech in which he said he and most Germans sympathize with the Poles for the suffering they endured and want to be good neighbors again.

But he did not touch specifically on the border question.

Adenauer remembers well how he burned his political fingers in 1953 when he suggested Poland and Germany sometime establish joint control over the former German territories.

The refugee organizations reacted so furiously that Adenauer had to take it back.

The refugees—the 7,000,000 from what is now part of Poland plus another 4,000,000 from other areas of Eastern Europe make up one-fifth of West Germany's total population. They represent a potent political force.

REFUGEE PARTY DIES

When the Republic of West Germany was founded 10 years ago, the refugees had their own political party with a comfortable block of seats in Parliament.

That party has since withered away and doesn't even hold one parliamentary seat.

But its representatives have wandered into the other parties where they make their strength felt.

Adenauer and his advisers have long assumed that even if it were possible for the refugees to return to their former homes, few would wish to uproot themselves and do so.

But that belief was badly shaken last August when an independent survey showed that 60 per cent of the refugees want to return to their homes.

More significant, 70 per cent of those under 21 years of age want to go back.

The end result probably will be to further delay the establishment of Polish-West German relations.

Too Fast, Mr. Quick

HARTFORD, Conn. (UPI)—John W. Quick was acquitted on a speeding charge.

Cuban Theater Chief, Anti-Red, Is Ousted

HAVANA (AP)—Manuel Fernandez, one of the few openly anti-Communist leaders in Cuba's labor movement, has been ousted as president of the Assn. of Cuban Theatrical Artists.

An announcement by the Cuban Confederation of Labor Wednesday said he was removed because he had associated in the past with pro-Batista elements and because he was not a member of any revolutionary group during Fidel Castro's revolt against Dictator Fulgencio Batista.

Fernandez also lost his job as secretary general of the National Federation of Public Spectacles.

The theatrical union chief has been under almost daily attack in the Communist party newspaper, Hoy.

Drugs and Steels Post Recovery

NEW YORK (AP)—Drugs and steels recovered in an irregular stock market early today. Trading was fairly active.

Key stocks showed gains or losses ranging generally from fractions to about a point.

★ ★ ★

Motors were briskly traded but showed a list to the downside except for American Motors which rebounded a point or so from its loss of 3¾ yesterday.

The three top steelmakers, U. S. Steel, Bethlehem and Republic all gained fractions while Jones & Laughlin cut its gain of yesterday by dropping a fraction.

Brokers saw the market as going through another consolidation phase following the recent day-to-day strength in industrials.

★ ★ ★

News that business plans increased capital spending in 1960 was an encouraging note.

Some leading chemicals made good progress. Union Carbide, Du Pont and Eastman Kodak advanced a point or more.

Merck recovered a point of recent losses while Schering edged ahead and Pfizer was firm.

★ ★ ★

General Motors traded about unchanged. Chrysler eased. Ford was off slightly.

Curtiss-Wright posted a 1-point gain in an aircraft group which showed slight change otherwise. General Dynamics was off about a point.

Rails were narrowly mixed, as were oils. Most electronics steadied although Radio Corp. was down about a point.

The ticker tape was a minute behind transactions for a five-minute spell at the start. Then trading slowed.

Opening blocks included: American Telephone off ⅛ at 76½ on 5,000 shares; Studebaker-Packard off ⅜ at 20⅞ on 5,000; and General Motors unchanged at 52¾ on 3,500.

Wayne Doctors Score Health Plan for Aged

DETROIT (AP) — A Blue Cross official's plan to seek federal financing of part of a retired person's health bills has drawn the fire of some Wayne County doctors.

William S. McNary, Michigan Blue Cross executive president, was to submit the plan tomorrow to a Senate subcommittee in Detroit to hear about the problems of the aged.

The three-point plan also called for "strong government support of prepaid health care" and payment by the state government for the education of hospital employes.

News in Brief

Steven Dodge, 3325 Angelus Dr., Waterford Township, today reported to police that vandals smashed a door in his garage with an axe and entered his home, ransacking every room in the house. The axe was found in an upstairs bedroom. Nothing appeared to be taken.

Rummage sale, 252 Wesson, Fri. & Sat., 9:30 a.m.

Subcommittee Eyes Likely Payola Probe

WASHINGTON (AP) — House investigators have all but formally announced they will conduct hearings early next year on "payola" gratuities to disc jockeys and others for plugging music.

★ ★ ★

The House Legislative Oversight subcommittee, which has had investigators looking into payola, discussed the future of its inquiry at a closed-door session Wednesday.

★ ★ ★

Afterward Chairman Oren Harris (D-Ark) told newsmen five or six weeks of further investigation will be needed before the subcommittee makes its final plans.

Soybeans Leading Market Setbacks

CHICAGO (AP) — Soybean futures were under fairly heavy selling pressure today in early dealings on the Board of Trade and led the setbacks in a generally weak market.

Wheat held small plus signs during the first several minutes of buying which brokers said appeared to be related to an improved bakery demand.

However, brokers noted with considerable disappointment a report that Brazil has reached an agreement with Russia for an exchange of about 200 million dollars worth of goods in which Brazil will take a large volume of Russian wheat. It had long been expected that Brazil would be a good U. S. customer this year.

Wheat was unchanged to ⅜ a bushel higher after about an hour. December $1.96⅝; corn ⅛ higher to ⅛ lower, December $1.09⅝; oats unchanged to ⅛ higher, December 77¼; rye 1 cent lower to ⅛ higher, December $1.30¼ and soybeans ⅜ to ⅞ lower, January $2.18⅛.

Suggests Indian Smoke Signals After Attack

SAN FRANCISCO (AP) — James A. Rork, Arizona employment service director, suggests Indian smoke signals as the answer should nuclear attack wipe out all modern communications.

Rork made the proposal at an emergency manpower conference of civil defense officials Wednesday.

"In Arizona we use smoke signals to reach Hopi Indian firefighters in an emergency," he said. "We burn old automobile tires to make good black smoke."

Santa Claus to Bring Rudolph to Hospital

More than 300 adult and children patients at Pontiac State Hospital tonight will be visited during their Christmas party by Mr. and Mrs. Santa Claus and a real live "Rudolph the Red Nosed Reindeer."

Friends of the Monroe County Zoo Assn. are bringing the little deer to the party and will give candy to the patients.

Host for the Christmas party is Dorothy Roe, director of recreational therapy.

Castro Peasants Hunt Flint Man

Frank Young Probably Hiding in Hills After Cuban Prison Escape

PINAR DEL RIO, Cuba (AP) —Hundreds of soldiers and pro-Castro peasants searched mountainous western Cuba today for American fugitive Frank Austin Young, formerly of Flint, Mich.

Young escaped from the Pinar Del Rio army headquarters prison on Wednesday less than 24 hours after a military tribunal gave him a 30-year sentence for counter-revolutionary activity against Fidel Castro's government.

★ ★ ★

The 38-year-old flier-of-fortune had boasted he would not serve more than 30 weeks of his sentence.

★ ★ ★

Sergio Hernandez Reyes, a former Cuban soldier awaiting trial, made the break with the Miamian. They got away by cutting a hole in their jail cell.

The pair presumably made a dash for the mountains in hopes of contacting anti-Castro elements active there.

Police also were reported watching the U.S. Embassy in Havana to prevent any attempt by Young to take refuge there.

★ ★ ★

Young, a native of Indianapolis, was among 38 persons tried by a military tribunal for operating in an armed band opposing Castro's regime.

He was sentenced Tuesday along with Peter John Lambton, a 24-year-old American national from Nassau, who received a 25-year prison term. The military prosecutor had asked the death sentence for Young.

Young's wife, who works in Miami as a waitress to support their three children, said she had no idea he would try to escape.

Zoning Posts Sought in Waterford Twp.

Waterford Township officials are considering several candidates to fill three xpired terms on the Township Zoning Board, according to Supervisor Elmer R. Johnson.

★ ★ ★

Relinquishing the $10-a-meeting positions are Adsit Stewart, Burton Hilliker and James Devereaux.

The seven-member Zoning Board appointed by the Township Board meets every month to consider petitions for zoning changes.

★ ★ ★

The chairman of the Zoning Board is automatically the chairman of three-member Board of Appeals. Present two members are John Coleman and Carl Bird.

Business Notes

Edward A. Maier, in charge of the Pontiac office of the Abstract & Title Guaranty Company, was one of seven officers to receive promotions, according to an announcement by Frank I. Kennedy, chairman of the board of directors of the Company. Maier, formerly a vice president, was elected a senior vice president.

Cranbrook Teacher Says

Big Cities Overgrown

DETROIT (AP)—"The big cities are just too big. There isn't enough room for all the people who live there."

Those were the words of Robert H. Snyder, head of the architecture department at Cranbrook Academy of Arts in Birmingham.

"The squalid, teeming areas of the great cities are ideally adapted for just one thing—spawning all manner of antisocial behavior, including crime and violence," Snyder told members of Alpha Kappa Psi fraternity here last night.

"Based on its economic potential," the architect-educator said, "the East Coast should have a population of about five million. It actually has a population of 33 million, and it is growing every day.

★ ★ ★

"This is what happens—and will continue to happen— when a country just grows without any over-all plan. It means confusion compounded and wastefulness multiplied without end."

Snyder contended the federal government "is pouring millions of dollars down a rat hole in its urban renewal program."

Communities may obtain two-thirds of the cost in federal aid for redeveloping blighted areas.

"The whole process is extravagantly inefficient," Snyder said. "It represents a shocking, shameful waste of human resources.

"This is what happens when political expediency dictates the spending of money in an area where it will get the most votes, rather than where it will do the most good."

★ ★ ★

Snyder said the nation builds "bigger and better roads so people can continue to concentrate in super-metropolitan areas, when what we should do is provide for the orderly decentralization of our population."

ROBERT H. SNYDER

State Industrial Envoys to Convene

LANSING (AP) — Detoit area Michigan industrial ambassadors will meet at noon Friday in the McGregor Memorial Conference Center at Wayne State University.

Merritt Hill, Ford Motor Co. Vice President and chairman of the executive committee of the group pledged to promote the industrial potential of Michigan, will conduct the salesmanship training meeting.

The State Department of Economic Development, meanwhile, reported about 8,000 copies of its winter edition of the Michigan available plant summary now are ready for mailing. The listing of available manufacturing plants in the state is mailed out to industrial realtors, manufacturers and other prospects for a Michigan plant site.

In Memoriam 2

IN LOVING MEMORY OF OUR mother, Mrs. Anna Harbin, who died 11 December 7, 1953.
The depths of sorrow, we cannot tell
Of the loss of one we loved so well
And while she sleeps a peaceful sleep,
Her memory we shall always keep.
Sorrowfully missed by daughters, Florence and Mary Agnes. Grandchildren, Dorothy and Burton.

IN LOVING MEMORY OF FLOYD Schell who left us December 10, 1958.
Do not ask us if we miss him
Life for us is not the same
All the world would be like heaven
Just to see him once again.
Sadly missed by his loving wife Mary and children Don, Jim, Marilyn, Bill and families.

Develop Theme to Beat Nixon

Rooters for Rockefeller to Use 'Need for Man Economics-Minded'

WASHINGTON (AP) — Gov. Nelson A. Rockefeller's rooters have come up with a new appeal they hope will offset Vice President Richard M. Nixon's identification with the peace issue.

As it was spelled out by Sen. Jacob K. Javits (R-NY), the new challenge boils down to the contention that the New York governor is better equipped than the vice president to deal with the Soviet Union's economic threat to the West.

★ ★ ★

Javits told a news conference Wednesday he expects Rockefeller to develop the economic theme in speeches during a midwestern tour beginning Saturday. If the public reaction is good, Javits indicated this might be a compelling factor in getting Rockefeller into the race against Nixon for the 1960 Republican presidential nomination.

★ ★ ★

Rockefeller's supporters regard the economic issue not only as an attractive one but as very nearly foolproof politically.

It is founded on the assumption that the infiltration and military aggression stage of the cold war is over — a condition Javits said he is confident has been attained. It accepts military peace as an accomplished fact and something the voter doesn't have to worry about any more.

This peace, of course, would be credited directly to the efforts of President Eisenhower, thus establishing a link to the administration and its record. Nor would Nixon's part in helping attain the peace be demeaned in any way.

★ ★ ★

The Rockefeller people would simply be saying in effect: Look, the Republicans have worked hard and brought you out from under the threat of military attack. Eisenhower and Nixon have done a fine job, but now you need a man who — in the words of Javits — has "a special capability" of dealing with an even more serious threat.

AP Wirephoto

ROYAL QUANDARY — The annual Christmas shopping problems face Prince Rainier and Princess Grace of Monaco — just as they do everyone else. Shown in a London store this week they pause for a moment in their quest for something suitable to fill the two little stockings that will hang in the palace this Christmas Eve.

Has Delayed Earache

TOLEDO, Ohio (AP)—When a physician probed in her right ear for a suspected blood clot and pulled out a watermelon seed, Mrs. Mattie Alexander recalled she had stuffed it there 23 years ago when she was 6 years old.

Did NBC Pull Plugs and Gag Bob Hope?

HOLLYWOOD (AP)—Did NBC pull some of the plugs out of Bob Hope's TV skit? Tune in Friday night. But you won't learn the answer.

A row over Hope's sketch with Ernie Kovacs developed Wednesday. NBC and the comedian have different versions of the outcome.

★ ★ ★

But one thing's fairly certain: Hope's viewing audience probably will be larger because of the fuss.

The comedian says NBC tried to eliminate a payola skit from his Friday night show. The network denies this. It says it simply eliminated a few gag references to commercial lines. Hope denies this. He says the filmed sketch was shot as originally planned.

ROUND AND ROUND

Payola, for the uninitiated, is show business slang for bribing disc jockeys to play certain records. In Hope's skit, Kovacs plays a senator investigating Hope. The latter portrays a low salaried disc jockey who owns a yacht—Herman Payola of station KLIP.

Was it necessary to use product names in identifying payola gifts received by disc jockeys?

"That's a hard thing to explain," Hope replied. "But you have to use them to get the point over."

"In the skit," he says, "Kovacs finally pounds his gavel on the desk, picks up this watch and says: 'My Timex is still running'."

Hope said NBC "went to everybody on the show and tried to get the payola spot off. They put the pressure on the producer and everybody else to get if off. They went through the (sponsor's) agency—but the sponsor okayed it. They have backed down since."

★ ★ ★

Hal Kemp, an NBC program director, denied the network tried to delete the skit.

"It was just that there were more plugs than were good for the show," he said. "Our general policy always has been that if there are plugs unrelated to any comedy incident we want them out."

Nixon to Sub for Ike at Security Meeting

WASHINGTON (UPI) — Vice President Richard M. Nixon substitutes for President Eisenhower today by presiding over the regular weekly meeting of the National Security Council.

★ ★ ★

Mrs. Ann Wheaton, associate White House press secretary, said Nixon also would preside over the regular cabinet meeting tomorrow.

Nixon, an all-but-announced candidate for the 1960 GOP presidential nomination, has stepped up his official duties considerably since the President left on his 11-nation good will tour Dec. 3.

★ ★ ★

Nixon has kept his out-of-town appearances to a minimum

'Pillow Talk' Woos Award for Hudson

MIAMI BEACH, Fla. (AP) — Rock Hudson, the movie star, was here Wednesday night to receive the first actor of the year award given by the Allied States Assn. of Motion Picture Exhibitors.

★ ★ ★

His performances in "Pillow Talk" and "This Earth Is Mine" were cited by the national independent movie-house group.

★ ★ ★

Doris Day, named actress of the year for her performance in "Pillow Talk," was not present to receive the group's citation.

Nine of the national parks are in New Mexico.

Ike Coverage No Cinch

Trip Giving TV Headaches

By CYNTHIA LOWRY

NEW YORK (AP) — In Rome, the rain poured steadily, fogging the cameras' lenses, washing out yards of film, reducing crowd sizes and putting President Eisenhower — most of the time — inside a closed limousine from which only a waving hand showed.

★ ★ ★

In Ankara the weather cleared for the cameras but the transAtlantic weather was stubborn, delaying jet planes speeding videotape back to the United States. At all points, the President was on a hurry-up schedule; talks were conducted behind closed doors, and communiques carried little meat for commentators.

These are typical of the problems over which television news men are losing sleep during the 11-country goodwill tour of our President.

Both NBC and CBS scheduled in advance a number of special 30-minute shows on Ike's progress and these are the ones that are giving the networks their headaches. This became evident when the first "Journey to Understanding" (NBC) and "Eyewitness to History" (CBS) programs were shown earlier this week.

★ ★ ★

The regular news shows are able to handle the story with more journalistic flexibility.

The Eisenhower tour, unfortunately for the TV men, is turning out to be more like Queen Elizabeth's state visit to the United States than like Khrushchev's. So far, the news shots have been Ike waving from the back of a limousine, wreath-laying, inspecting lines of soldiers, watching local pageants and shaking assorted hands. It has been formal, scheduled and, frankly, not as exciting viewing as the trip of the unpredictable Soviet.

★ ★ ★

As William McAndrews, NBC vice president of news and public affairs, said, "You shoot what you can shoot — the crowds and the people, because the hard diplomatic news just isn't there.

"But I think the American public is interested in seeing the President and the reaction to his being there. For the last five or six years we've had our brains beaten out by people telling us how much we were disliked abroad. This proves at least that it ain't necessarily so. But by comparison, the coverage of the Khrushchev trip was a breeze."

Dr. Schweitzer Sails for African Hospital

BORDEAUX (AP) — Dr. Albert Schweitzer sailed Wednesday for his hospital in Africa after a European vacation, and he told newsmen at the dockside, "I'll be back in two years."

"My vacation was almost nonexistent I traveled so much," the 84-year-old humanitarian added. He said he was carrying back stores of medicines and other supplies and would be able to add 30 beds to his hospital for lepers at Lamberene.

Five State Policemen Assigned, Transferred

EAST LANSING (AP)—The assignment of one State Police trooper and transfer of four others was announced today.

Richard C. O'Neil, returned from military duty, was assigned to the Sandusky post.

Transfers included: Larry L. McRoberts from Battle Creek to Ypsilanti, Stanley W. Smith from Ypsilanti to Battle Creek, Carlton E. Patterson from Marquette to Gladstone and John V. Trombly from Gladstone to Marquette.

Harry Has No Trouble Getting Votes for This

By EARL WILSON

NEW YORK—Harry Truman's voice came crashing through the Waldorf Grand Ballroom after we'd heard Mischa Elman with the violin.

★ ★ ★

WILSON

"When you listen to that kind of music," shouted the former President of the United States, "how the hell can you stand rock 'n' roll?"

The cheering for his pronouncement showed that some of the top names in N.Y.—attending the Cardiac Center banquet for Mayor and Mrs. Robert Wagner are hoping rock 'n' roll dies. Harry Truman himself had pounded out Paderewski's Minuet on the piano a few minutes before in tribute to Mayor Wagner—and then exclaimed:

"Mischa Elman is one of the greats. He just admitted to me that 50 years ago I heard him play in my old home town, with Melba.

★ ★ ★

I bolted the dais where Harry Hershfield was toastmaster when Truman left, to ask of a rumor that he might be a candidate for the U.S. Senate.

Truman had said, earlier, that he liked the Senate "better than anything I ever did . . . I wanted to stay there, but I got myself in trouble" (grin) "I would sit there when I first got to the Senate and wonder how I ever arrived there."

But about running for the Senate now, he told me: "No, no, positively no!"

"You're not interested?" I asked.

'Of course I'm interested!" he shot back. "But I'm too old to run." (But I wondered if he was, and I wondered if he wondered if he was.)

TRUMAN

Nicky Hilton couldn't go along with Conrad Hilton and guests to San Juan for the 10th anniversary of the Caribe-Hilton: the baby's due . . . Jan Murray's relaxing in Puerto Rico, too . . .

THE MIDNIGHT EARL . . .

Ed Sullivan's trying to land Sam, the space monkey, for TV . . . **Gregory Peck was** served here with a $100,000 lawsuit by a film property man . . . **Charlton Heston'll** do Bible readings at Carnegie Hall . . .

Att'y Greg Bautzer flew in to set the details of Eddie Fisher's new recording company . . . **Shirley Temple** said she's resuming her singing lessons . . . **Ricky Nelson** says he's through with glamor girls who date him "just to get their names in the papers." When **Danny Thomas** does his wailing Syrian routine he calls himself "the Arabian Fabian."

★ ★ ★

TODAY'S BEST LAUGH: Singer Jerry Vale put a big sign on the rear of his tiny sports car: "Don't Honk—I'm Pedaling As Fast As I Can!"

WISH I'D SAID THAT: A kid in Texas bought his father a pipe for Christmas. It's the pipe that carries gas from Dallas to New York. . . . **That's earl, brother.**

TV News and Reviews

NBC Special Artistic Flop — Maybe OK for Children

By FRED DANZIG

NEW YORK (UPI)—Last night's NBC-TV special, designed as it was for the enjoyment of children, was probably a household success. But it was a long way from being an artistic success.

★ ★ ★

"Once Upon a Christmas Time," A. J. Russell's adaptation of a Paul Gallico story, dealt with 13 orphans who faced a bleak yuletide until the villagers of Green Hill, Vt., snatched them away from an unfeeling caretaker.

If the hour had been devoted entirely to a series of pretty production numbers by the "toy" dancers, the ice skating artistry of Ronnie Robertson and Kate Smith's Christmas caroling, it might have been a complete success.

But the frail plot, told with sledge-hammer subtlety, had to intrude. The "orphans," incidentally, had among them some "show-businessy" hard-working scene-stealers.

★ ★ ★

Fortunately, young Patty Duke had the good manners and taste to behave like a good actress should.

The cloying plot and kids were only part of it. The stage was too often cluttered with people. (There was even a horse running around.) The "new" songs by Robert Allen and Al Stillman were uninspired.

I'll let you in on a secret. I thought, beneath all this determinedly old-fashioned New England Christmas exterior, I detected the hand of the hipster.

★ ★ ★

I heard talk of "Cloud 9," saw some leggy chicks dancing around and caught the reference to "Santaville." Like crazy, daddy-o.

"Operation Moonshine," the Armstrong Circle Theater's story on CBS-TV, uncoiled another good story last night to show how a U.S. Treasury Department's undercover man helped smash an illegal still.

The suspense story by Art Wallace had an authentic ring to it. The finish was made more effective by being underplayed, a technique too rarely used on TV.

Anyhow, justice triumphed without a gun being seen or a shot being fired.

It's never too late for a rave, is it? I believe George Burns, with his visit to Jack Paar's Tuesday night show, gave one of TV's all-time golden performances.

★ ★ ★

Paar, to his credit, wisely let Burns go and George unreeled hilarious, clean, apt, perfectly-timed and magnificently-told anecdotes about show people. It was an awe-inspiring half-hour.

THE CHANNEL SWIM: The replacement for CBS-TV's Lineup next month may turn out to be a one-hour low-key get-together of celebrities and "civilians." Called Be Our Guest, the party would have George De Witt as host.

★ ★ ★

Dick Powell's Four Star Productions is putting together a new half-hour situation comedy, the Tom Ewell Show . . . Perry Como's office has denied a published report that Josephine Baker would appear on Como's NBC-TV show . . . That Red Skelton-Mae West sketch has been moved up to Tuesday, Feb 2 instead of March 1 by CBS-TV.

Goes to Court for Martha Raye's Nassau Home

MINEOLA, N. Y. (AP)—The ex-cop who married Martha Raye last year has gone to court in a case against her. He wants her $60,000 Nassau County Home.

Robert O'Shea said in State Supreme Court Wednesday that the comedienne promised it to him if he married her.

★ ★ ★

The 31-year-old former policeman from Westport, Conn., did marry her after abandoning his first wife and child to become Miss Raye's bodyguard.

After nine months of marriage, Miss Raye, 42, called it quits and said she was considering divorce. O'Shea subsequently brought a separation suit.

Decision was reserved in Wednesday's action.

Coeds Gaining on College Men in Campus Race

ANN ARBOR (AP)—Here's good news for Michigan's male college students.

★ ★ ★

Although men outnumber women nearly two to one in the state's colleges and universities, the coeds are gaining ground.

This fall 95,557 men and 51,798 women enrolled in Michigan's institutions of higher learning, according to figures released by Edward G. Groesbeck, University of Michigan director of registration and records.

Enrollment of women this year was up 5,457—nearly double the increase recorded among male students.

★ ★ ★

Four years ago, the U. S. Office of Education reported there were 1.6 freshmen enrolled for every coed starting college in Michigan. The ratio dipped to 1.4 this fall.

A high percentage of the freshmen classes enrolled in the state's three universities this fall was made up of women.

★ ★ ★

At the University of Michigan 1,505 of 3,216 freshmen were females . . . at Michigan State University women numbered 1,901 of 4,300, while Wayne State's yearling class of 1,500 was divided evenly at 750 each.

There are about 100,000 attempted suicides in the United States each year, according to the Catholic Digest.

Name Rigging Task Force

Broadcasters Mount Own Offensive Aimed at Abuses

WASHINGTON (UPI)—The National Assn. of Broadcasters (NAB) appointed a 12-member task force Wednesday to deal with ethical and legal issues arising from investigation of payola, rigged quiz shows and deceptive advertising.

The team is headed by NAB President Harold E. Fellows, who appointed the other 11 members. The association represents about half the nation's radio and television stations.

Fellows said the task force "will cooperate wholeheartedly" with current broadcasting investigations by the Federal Communications Commission (FCC) and the Federal Trade Commission (FTC).

The FTC is studying advertising practices in the industry, and has filed complaints against three record producers and six distributors on payola charges.

★ ★ ★

The FCC is holding hearings on what powers it has to deal with broadcasting abuses. It also has ordered all radio and television stations to present sworn reports on their sources of income.

"We welcome these investigations," Fellows said. "We know they will bring out the full story of broadcasting's tremendous service to the American public which far transcends the misdeeds of a few individuals."

★ ★ ★

The NAB task force was authorized by the association's board of directors at a special meeting here last Friday. The directors instructed the special committee "to devote its attention and expertise to the immediate regulatory issues and problems faced by the industry."

That Little Town of Bethlehem Tells Yule's Tale

BETHLEHEM, Conn. (UPI) — Christmas always comes early to this little town of Bethlehem (pop. 1,300) tucked away in the foothills of the Berkshires.

Loads of mail arrives hourly at the general store-post office of Earl Johnson. All of it is to be remailed from this town.

Letters and cards leave this tiny post office for the far reaches of the world.

About 3,000 pieces of mail were cleared by Johnson and his one clerk this past weekend.

"We're adding 11 part-time clerks this coming Saturday," he said, "because the mail seems to be moving earlier this year."

Last year just under 200,000 pieces of mail bore the Bethlehem cancellation. Johnson expected this figure would easily be topped.

The total reached 250,000 several years ago and all of it cleared within two weeks.

★ ★ ★

Johnson likes the one big rush of the year. "It leaves one with a feeling of having done something real good," he said.

Gas Heater Deaths Scare Trailer Firms

ELKHART, Ind. (UPI) — Trailer manufacturers, alarmed by 16 deaths traced to gas heater installations, were warned Tuesday they must conform to industry code standards by March.

★ ★ ★

Edward L. Wilson of Chicago, managing director of the Mobile Homes Manufacturers Assn., said manufacturers will be dropped from MHMA membership unless they follow the "blue book" code by March.

★ ★ ★

By that time, Wilson said, his group hopes to have the code approved by the American Standards Assn., along with a code for gas appliance installation requirements. He said a separate code also is being prepared for travel trailers. The smaller vehicles commonly moved on the highways.

Dow Chemical Official Retires From Affiliate

MIDLAND (UPI) — Clayton S. Shoemaker, 61, retired Wednesday as president of Dow Chemical Inter-American Ltd., a subsidiary of Dow Chemical Co. He had been with Dow 22 years and also formerly headed Dow International Ltd. S.A.

★ ★ ★

A successor was not announced immediately.

Dow said that while Shoemaker was retiring as Inter-American president he would devote about 25 per cent of his time over the next year to "investigating new investment opportunities for Dow in Central and South America."

They Have Their Own

ASHLEY, Ohio (AP)—This is a blue ribbon community. Prize ribbons awarded at fairs, flower shows, horse shows and similar events in the United States and abroad are manufactured here.

Old Fire Bell Tolls Curfew for Children

WATKINS GLEN, N. Y. (UPI)—A new use has been found for the old fire bell atop the municipal building in Watkins Glen.

★ ★ ★

Its original purpose was to summon volunteer firemen. When a siren was installed, the bell was rung only for fire department meetings. Now, it tolls the curfew for village children 16 and under.

★ ★ ★

In a move to keep the youngsters closer to home, the trustees of Watkins Glen recently decided to reestablish a curfew ordinance that had been in effect years ago.

The bell is sounded at 9:45 p.m. each night as a first warning. When it rings again at 10, all children must be off the streets.

Several gallons of sap are required to produce one gallon of maple syrup.

Second Police Court Near for Grand Rapids

GRAND RAPIDS (UPI) — A second police court for Grand Rapids is nearing reality after more than two years of search for suitable quarters. City commissioners Tuesday approved a $2,579 contract for alterations of the former matron's quarters at police headquarters for the court annex which is sought to help handle a heavy backlog of cases.

De-Irritant Invention Keeps You in Tune

OKLAHOMA CITY (UPI) — Oklahoma's two toll roads don't make music but it takes a lot of piano wire to keep the customers happy.

★ ★ ★

Turnpike Manager W. D. Hoback explained it when he was questioned about a $35 expenditure for piano wire.

"We use it to make those little rods that stick up from the pavement when you roll into a toll booth," he said. "They touch the bumper and cut static electricity so you won't get shocked when you hand the attendant your money.

"It's an invention of our own — I'd call it a de-irritant."

Body Needs Water

Animals may lose nearly all the fat and about half the protein of the body and survive. But a loss of about one-tenth of the water will cause death.

Army Chief in Berlin in Routine Transference

BERLIN (UPI)—The U. S. Army Tuesday announced the reassignment of its Berlin troop commander, Brig. Gen. Charles S. D'Orsa, to Ft. Ord, Calif., the second change in the Berlin command in a month.

Maj. Gen. Barksdale Hamlett, the city's over-all American commandant, will be replaced next week by Maj. Gen. Ralph Osborne. D'Orsa's replacement is Brig. Gen. Charles E. Johnson. Both changes are routine ones but were delayed several months by Soviet pressure on the city.

Borrowers Can Breathe

NEW YORK (UPI) — Kelvinator dealers, through the facilities of Redisco, Inc., a subsidiary of American Motors Corp., have set up a new credit policy under which a moratorium on installment payments is declared during the holiday season in December and January.
