Rusk Home, Hopeful Over Laos

Over 150 for 70 Par

AP Photofax

CASTRO SINKS A PUTT — Wearing the uniform he makes do for all his activities, Cuban Prime Minister Fidel Castro cans a short putt on the sixth green of the Villareal Golf Club at Havana Thursday. The Cuban chieftain fired "over 150" according to caddies, on the 6,692-yard, par 70 course. He played with Ernesto Guevara, who won with a 127, and a military officer.

To Phone JFK in Palm Beach About SEATO

Stresses Allies Stand Solid to Take Action if Red Peace Flops

From Our News Wires

WASHINGTON — Secretary of State Dean Rusk returned here from key allied conferences on Laos today with a declaration he was "much encouraged" by recent developments in the crisis.

But Rusk stressed anew that the Southeast Asia Treaty Organization allies would take "appropriate action" if peaceful negotiations with the Communists fail.

★ ★ ★

Rusk immediately prepared to report to President Kennedy.

Rusk's jet plane touched down at noon, E.S.T., completing a round-the-world flight during which Rusk attended a three-day meeting of SEATO foreign ministers at Bangkok, Thailand, and conferred with Prime Minister Nehru in India.

The secretary of state arranged to report to Kennedy by telephone from the State Department. The President is on an Easter vacation in Palm Beach, Fla.

Related Story, Page 2

Rusk indicated the United States might accept an unofficial cease fire in Laos rather than a formal pledge from the Kremlin.

"What is important," Rusk said, "is the cessation of hostilities. If the fighting is stopped and it is clear the fighting has stopped, an opportunity would be afforded for negotiations and discussions."

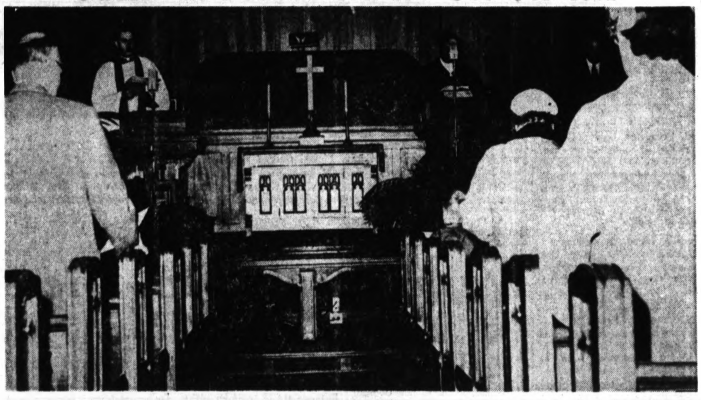
In advance of Rusk's arrival, high official sources said this country is standing firm on its condition that a halt in the shooting must precede any international conference.

These sources said "a good hard look" would be given any proposal by the Soviet Union to delay a cease fire until after a 14-nation conference is called.

Reporting on the SEATO meeting, Rusk said in an airport statement:

"The meeting of the council of ministers of SEATO in Bangkok was highly productive. We were much encouraged by the discussions there and by the unity achieved.

Gather in Pontiac for Tre Ore Services



Pontiac Press Photo

GOOD FRIDAY SERVICES — Christians throughout the world gathered in churches, theaters and civic halls today for the traditional 3-hour services commemorating Christ's Crucifixion. Under the auspices of the Pontiac Pastor's Association, hundreds gathered in Central Methodist Church at noon today. Services were also held in Roman Catholic, Episcopal, Lutheran and many neighborhood churches.

Household Bills to Double, but Softener Can Go

New Service Would Up Cost to City Industry by $400,000

City Manager Walter K. Willman today had the green light to draw up contracts with Detroit for water for Pontiac.

City commissioners gave the signal after a review with engineers that disclosed:

1. Water bills for the average household, as anticipated, will more than double.

2. But because Detroit water is soft, householders now using water softeners may actually save on their total water expenses through elimination of the softeners.

3. Pontiac industry has agreed to the switch at a reported cost of $400,000 or more annually.

4. The changeover from well water to Detroit water will require a $3.5 million revamping of the city's water lines, to be financed mostly by revenue bonds.

5. If the commission and the Detroit Water Board approve the contracts, it will take about 18 months of pipeline construction before Pontiac becomes the biggest user of Detroit water outside the Detroit city limits.

Willman, who has been negotiating with Detroit for several years, said the contracts could be in shape for the commission within a short time.

END IN SIGHT

The move toward contracts indicated an end to the long search for a new water supply which began in earnest after the city's water-table reached a startling low in the summer of 1955.

It dipped even further the past two years and is now headed towards an all-time low, engineers predict.

This warning came from Harold Kelley and Thomas Henry of the city's engineering consultants of Jones, Henry and Williams, who met with Willman and commissioners at an informal meeting last night.

They said the base price of Detroit water, pumped northward to Auburn and Opdyke roads through a 56-inch line that Detroit would build and pay for, would come to $1.51 a thousand cubic feet on present estimates of the city's minimum daily usage.

According to the plan discussed last night, the city would add operating costs and charges to pay off revenue bonds in computing household bills.

The exact rate has not yet been determined but according to one estimate the costs might mount like this:

A quarterly bill of $3.70 at today's rates would rise to about $10.45 on the new charges, or an increase of $6.75.

But water-softening charges, es-

Nature on Rampage; 5,000 Lose Homes

FROM OUR NEWS WIRES

Tornadoes cut destructive swaths across Georgia today and floodwaters made almost 5,000 persons homeless at embattled Cedar Rapids, Iowa.

A 10-to-14-inch snowfall played havoc with communications and travel in the Southern Plains. Torrential rains—up to 8 inches in 2½ hours at Seminary, Miss. — washed Dixie from Southeastern Oklahoma to the Georgia coastline.

A severe flood warning was hoisted along the Pearl, Leaf and Chickasawhay rivers in Southern Mississippi—areas hard hit in the big February floods.

A tornado killed one person and injured several others at Unadilla, Ga., 40 miles south of Macon. Three homes were demolished, all communications lines were downed and there was extensive property damage.

Twisters also were reported at Centerville, Goretta and Browndale, Ga., but there were no immediate reports on injuries or damage.

★ ★ ★

At Cedar Rapids the swollen Cedar River's turbulent downstream race apparently reached its peak this morning.

But vigilance and watchful waiting were the next steps as the river was expected to hold its crest stage for as long as 12 hours. This would exert terrific pressure on temporary levees.

At 8:30 a.m., the river level reached 19.54 feet—6½ feet above flood stage—but the rate of rise has slowed appreciably.

SETS UP SHELTERS

The Red Cross estimated that 5,000 persons moved from their homes.

The relief agency set up emergency shelters in two

(Continued on Page 2, Col. 6)

Deadline Near to Obtain Your Absentee Ballot

County Clerk-Register Daniel T. Murphy Jr. said the rush for absentee ballots for Monday's statewide election has been great.

"They have been going like wildfire in some places," he said.

Tomorrow at 2 p.m. is the deadline for receiving the absentee ballots, which are only available for those voters in Oakland County who will not be able to visit the polls personally on Monday.

★ ★ ★

They can be obtained in person or by mail, and returned either way. But they must be in election workers' hands in your respective city or township by the 8 p.m. poll closing time Monday.

★ ★ ★

Murphy said the extra heavy demand for the absentee ballots was because the election is the day after Easter when some voters will still be away from home, and many persons will be on spring vacations in the South.

Burma Rebels Active

RANGOON, Burma (AP)—A Burmese army spokesman said today about 12,000 rebels in various insurgent groups are still active in remote regions of Burma.

Final Sigh Was a Triumph

Jesus a Victor on Cross

(Editor's Note—In an unadorned statement of fact, St. Luke put on public record one of the most significant events of human history. In this last of a series of Christ's last words by nationally prominent clergymen, a Roman Catholic archbishop shows how Christ's final sigh was "a triumph of failure.")

By THE MOST REV. KARL J. ALTER
Written for Associated Press

★ ★ ★

"It is consummated."

St. Luke described the climactic moment of Christ's death on the cross in terse but vivid language:

"It was about the sixth hour and there was darkness over the whole land, and the curtain of the temple was torn in the middle. And Jesus cried out with a loud voice and said, 'Father, into thy hands I commend my spirit.'"

St. John reminds us of further details, as foreshadowed in the sixty-eighth psalm:

"There was standing there a vessel full of common wine; and having put a sponge soaked with the wine on a stalk of hyssop, they put it to his mouth. Therefore, when Jesus had taken the wine, he said, 'It is consummated!' And bowing his head, he gave up his spirit."

In this simple, unadorned statement of fact, the most significant event of all human history is put on public record. The ineffable mystery of the Redemption is summed up in a phrase:

"It is consummated."

Christian people have always looked upon Christ's death on the cross as a triumph of failure. To the immediate witnesses of his crucifixion, Christ's life seemed to end in defeat and disaster. To succeeding generations, however, the cross spells a spiritual victory over the force of violence; it represents the triumph of good over evil, of love over hatred.

REV. ALTER

MISSION ACHIEVED

When Christ spoke his final words from the cross, "It is consummated," his sojourn on earth seemed to be prematurely ended; but his sublime mission had been gloriously achieved.

★ ★ ★

It was a mission meant to portray divine truth, goodness and beauty — not in the abstract phrases of philosophy, but in the concrete form of a living personality.

It was a mission of infinite mercy, by which, in a divine paradox, the Son of God invested himself with human weakness, in order to lift up man to the

(Continued on Page 2, Col. 4)

By All the Odds, Easter Weekend Will Be Cloudy

If the odds mean anything, cloudy weather may last through Easter Sunday. In the period since 1900, Easter has been clear 14 times, partly cloudy 17 times and cloudy 30 times.

Tonight's low is expected to be 35. Saturday we'll have variable cloudiness and colder temperatures with a high of 44 degrees.

Morning easterly winds at 3 miles per hour will become northeast to northerly tonight and northwesterly Saturday.

★ ★ ★

The lowest temperature in downtown Pontiac preceding 8 a.m. was 29. At 2 p.m. the temperature reading in downtown Pontiac was 47.

Week's Output of Cars Is Up

Best Since January, With 17 Pct. Increase Estimated

DETROIT (AP)—U.S. production of passenger cars for the week was estimated at 102,960 today by Ward's Automotive Reports.

This would be a 17 per cent increase over last week's 87,808 and would be the highest for any week this year since mid-January.

The gain, Ward's said, was registered despite the absence of production on six assembly lines shut down for inventory adjustments. Car production in the comparable week a year ago was 147,830 units.

Ward's said this week's production would bring March assemblies to 407,050 and give the first quarter a production of 1,187,250 units, compared with 2,002,100 cars built in last year's first quarter.

Of March's output, the statistical agency said 141,700, or 34.8 per cent, were compact cars.

Truck production this week held steady at 21,430, compared with 21,513 last week and 29,017 in the same week a year ago.

Algerian Rebels Call Off Talks

Claim France Wrecks Conference in Advance by Offers to Rivals

From Our News Wires

PARIS — The Algerian rebels today announced they will cancel peace talks with France, scheduled to start next Friday in Evian where extremists assassinated the mayor with two bomb explosions.

★ ★ ★

A rebel spokesman in Tunis did not refer to the bomb murder of Mayor Camille Blanc but said Switzerland would be informed the talks were off because France had torpedoed them in advance by offering to talk with rival rebel groups.

★ ★ ★

The rebels said they would send Taleb Boulahrouf, who has been taking part in preliminary discussions, to Switzerland to explain to authorities there "the motives which have provoked our decision."

Switzerland is involved because the rebel negotiators would live there while engaged in talks across the border in Evian.

★ ★ ★

The two explosions which shattered the quiet of the sleeping town across Lake Geneva from Switzerland at 3 a.m. came 15 seconds apart and shattered the front of Evian's Hotel Beau Rivage, home of the mayor.

Extra Idle Pay April 10

DETROIT (AP) — Michigan will start receiving applications for its estimated $93-million share of federal unemployment compensation April 10, the State Employment Security Commission announced today.

News Flashes

WASHINGTON (AP)—The Army said today it will award a $56,-million contract to Chrysler Corp. for assembling of 660 medium tanks at the Detroit Tank Arsenal.

NEW YORK (AP)—An unexplained radio signal, on a frequency used by Russian space probes, touched off speculation today that it might have come from a manned satellite. However, American officials discounted the idea.

GOP Seeking to Unseat Dems

Full Ballot Awaits Waterford Twp. Voters

A good turnout is expected at the polls in Waterford Township Monday as a full ballot of candidates and propositions face the voters.

The crucial question will be whether a strong Republican slate will be able to end the four-year rule of the Democratic incumbents led by Supervisor Elmer R. Johnson.

The voting places in the 18 precincts will be open from 7 a.m. to 8 p.m.

Hard fought contests for both short and long terms as justice of the peace also highlight the election.

★ ★ ★

In addition, two important local propositions will be up for the decision of the voters. One asks for the establishment of a planning commission, and the other authority to purchase two sites for fire stations.

In the supervisors' race, Elmer R. Johnson, 57, of 3320 Seeholdt St., faces Republican John D. Boardman, 54, of 4413 Forest Drive. Boardman now serves on the board of education as did Johnson for six years before being elected supervisor.

ELMER R. JOHNSON

Boardman is married, has two daughters and is a member of St. Andrew Episcopal Church. He attended Pontiac schools and has lived in the area most of his life.

Johnson is married, has two sons and is a member of Christ Lutheran Church, the Masons, Waterford-Drayton Rotary and the Oakland County Planning Commission.

Seeking a third term as township clerk is James E. Seeterlin, 34, of 4597 Walton Boulevard. He is being opposed by Republican Leo F. Kampsen, 38, of 4097 Baybrook Drive.

A lifelong resident of Waterford Township, Seeterlin was graduated from Pontiac Central High School, and is currently working toward a degree at Wayne State University. He is married, has five children, and is a member of Our Lady of the Lakes Catholic Church.

Kampsen, his wife and four children are members of the same church. Kampsen is a new car salesman for Matthews - Hargreaves Inc. He is a member of Elk's Lodge No. 810, the Cooley PTA and a trustee of the Watkins Hills Civic Association.

★ ★ ★

Aiming for election as township treasurer, Republican Michael G. Patterson, 23, of 6329 Grace K. Court is challenging incumbent Mrs. Dorothy W. Olson of 4990 Sherbourne Drive.

Patterson, after his graduation from Waterford Township High School, attended Ohio Wesleyan and Wayne State universities.

He owns the Patterson Bookkeeping Service, where he serves as accountant and tax consultant, and is active in the Michigan Historical Society. Patterson is married and has one daughter.

Mrs. Olson was graduated from Northwestern High School in Detroit. For seven years prior to her present position, she was employed as supervisor of the Detroit District Disbursing Section, Corps of Engineers, U.S. Army.

Mrs. Olson has been active in the United Fund, and is a member of the Oakland County Association of Township, City and Village Treasurers.

JOHN D. BOARDMAN

Voters pick two of four candidates for township trustees. Republicans Byron L. Cole, 34, of 2775 Sylvan Shores Drive and Loren D. Anderson, 41, of 2361 Edinburgh St., will oppose incumbents Lewis B. Reulle of 5651 Farm Road, and John E. Verhey, 34, of 4434 Cheeseman St.

★ ★ ★

Cole has been with the Standard Oil Co. for 34 years and now serves as a sales supervisor. He is married, and attends All Saints Episcopal Church. He is a member of Roosevelt Lodge, F. & A.M. and of the Safety Committee, Pontiac Area Chamber of Commerce.

Anderson works for Michigan Mutual Liability Co., is married and has three children. This is

(Continued on Page 2, Col. 3)

Calls for Halt in Military Shipments to Laos

Prince Says He'll Retract Request for Soviet Help

FROM OUR NEWS WIRES

LONDON—Laos "neutralist" ex-Premier Prince Souvanna Phouma called on the United States and Russia today to halt shipments of military aid to opposing forces in his embattled homeland.

Souvanna told a news conference that if the United States would stop shipping arms to the forces of pro-Western Premier Prince Boun Oum he would retract his request for Soviet aid to the Communist rebels.

He solicited Soviet aid late last year, shortly before his government was overthrown by pro-Western forces.

The prince pledged he would not permit Communists to control Laos and said he would be the first to fight them if they tried to take over the country.

He said Hanoi and Peiping had agreed that Laos should be neutral.

At Prestwick, Scotland, U.S. Secretary of State Dean Rusk said the SEATO allies want to see a broad-based, truly neutral government established in Laos and he has "no doubt that Prince Souvanna Phouma will play an important role."

Rusk repeated his statement in New Delhi Thursday that the United States and its allies hope prospective peace negotiations will produce "an Austrian-type neutral

VIENTIANE, Laos (UPI) — Premier Boun Oum and defense chief Gen. Phoumi Nosavan flew hurriedly to Southern Laos today to make a personal check of reports invading Communist forces had scored major victories there, authoritative sources said.

Laos and that this can be established by international agreement."

★ ★ ★

In Moscow, Europe's Communist leaders focused their attention on Germany as the next world trouble-spot and warned they were strengthening the military power of the eight-nation Warsaw Treaty Alliance to meet Western preparedness.

But a communique issued early today at the end of a two-day Communist summit conference was so moderately worded that Western diplomats believed the Communists were not planning to step up the cold war and would pursue a policy of negotiation.

The communique skipped lightly over such issues as disarmament, Laos, the Congo, Cuba and other world trouble spots with a one-paragraph summation accusing the West of continuing to foster colonialism and trying to suppress nationalist liberation movements.

★ ★ ★

Prince Souvanna also proposed modification of the U.S.-supported British peace plan for Laos, saying the Canadian-Indian-Polish supervisory commission should be recalled to the landlocked jungle kingdom before instead of after a cease fire.

★ ★ ★

He said a proposed international conference for Laos should meet "within a few days" after the cease fire.

Detroit Water Pact Go-Ahead Received

(Continued From Page One)

timated at $3.75 a month, could be eliminated. This would be a savings of $11.25 a quarter, meaning that there would be over-all savings of $4.50 a quarter.

These figures are not hypothetical, it was pointed out. They are based on the actual water expenses of Robert A. Stierer, assistant city manager, during his last quarterly billing.

The figures are based on one of several methods of paying for water softening and do not take into account quarterly sewage treatment charges.

★ ★ ★

For households not using softeners at present there would be no savings.

Pontiac industry now gets about half its water for the city and half from its own wells.

★ ★ ★

Willman said that General Motors Corp. officials had agreed to continue buying from the city in the same proportion at first, perhaps buying more as time goes on.

With industry accounted for, the city can now determine its minimum daily needs, said Willman.

The city would sell only Detroit water, he said, but would keep several of its present wells in shape "as a safeguard."

Revamping of the distribution system, already discussed in public, was designed several years ago by Jones, Henry and Williams.

The plan calls for new mains of 46 inches, 36 inches and 24 inches to take the water from Auburn and Opdyke through the central business district to the north end of town.

"Now our water comes from wells scattered over the city," explained Willman. "To handle water from a single source requires adjustment of our lines."

Also included in the proposed $3.5 expansion program are two new storage tanks, of two-million and three-million gallons capacity, to replace the million gallon tank on Baldwin Avenue.

★ ★ ★

A 20-year study by the Pontiac Water Department showed the city's water level has dropped from a high of 63 feet underground level in 1940 to a low of 122 feet in July of 1959.

It was at 123.5 feet last summer.

MEET GEORGE WASHINGTON — That's what this Easter bunny answers to at the Pontiac YMCA. George will have a new home after tomorrow when he'll leave the "Y" with the boy or girl who wins the first annual YMCA Easter Egg Hunt. Admiring George are (from left): Dennis Womack, 12, 104 Seneca St.; Gayla Simpkins, 8, 184 Mt. Clemens St.; Barbara McClure, 16, 368 W. Iroquois Rd.; Steven Rhodes, 10, 38 Liberty St.; Deborah Spitler, 10, 794 Orlando Ave.; and Douglas Siggins, 11, 64 Kemp St. Miss McClure is president of the YMCA Teen Board which is sponsoring the egg hunt.

Pontiac Press Photo

By George, It's the Easter Bunny

Washington Slept Here

By MAX E. SIMON

George Washington slept here—at the Pontiac YMCA.

Not George Washington, the father of our country, but George Washington, the Easter bunny.

★ ★ ★

He moved into the "Y" several days ago, and he'll remain until tomorrow afternoon when he moves out — cage and all.

George, whose quarters are in the YMCA lobby, will leave with the boy or girl who finds the special "golden egg" at the first annual YMCA Easter Egg Hunt.

★ ★ ★

"The program is open to all boys and girls in Pontiac — provided they get their 'hunting licenses' before noon tomorrow," said Barbara McClure, president of the YMCA Teen Board, sponsoring organization.

Licenses are 10 cents for members, 15 cents for guests.

The bunny-winning egg will be among 500 eggs obtained for the hunt.

The hunt will run from 1 to 2:45 p.m. tomorrow — outside the "Y" building, 131 Mt. Clemens if the weather permits. The hunt will be indoors in the event of inclement weather.

★ ★ ★

Following the hunt, the Rev. Galen E. Hershey, associate pastor of the First Presbyterian Church, will informally discuss "What Is the Real Meaning of Easter."

John Miller, youth director, urged parents to sign their children up at the "Y" today if possible, but no later than noon tomorrow.

Ballot Full at Waterford

(Continued From Page One)

his second try for a political position. In 1959 he ran for supervisor. The family attends Grace Lutheran Church.

Ruelle and his wife have three children. He is employed in the model shop of AC Spark Plug Division, General Motors Corp., Flint; is a member of the Waterford Township Recreation Board; and attends St. Andrews Episcopal church.

Verhey has been an inspector for the Detroit Edison Co. for 17 years, is married and has two children. He was graduated from Pontiac Central High School and is a past commander of Post 4102 VFW, a member of Cedar Lodge and secretary of the township's Democratic Club.

★ ★ ★

Democratic incumbent Patrick K. Daly, 31, of 1158 Lynsue Lane, hopes to defeat Republican Richard D. Kuhn, 31, of 205 Gateway Drive, for the full term as justice of the peace.

A graduate of Pontiac Central High School and Eastern Michigan University, Daly worked for the Ford Motor Co. before his election as JP four years ago. He is a member of St. Benedict's Catholic Church, is married and has three sons.

Kuhn, a practicing lawyer, was graduated from Michigan State University and the Detroit College of Law. Married, he has one son. They attend Central Methodist Church. Kuhn is a member of Community Activities, Inc., as well as the Oakland County, Michigan and American bar associations.

★ ★ ★

He is on the Kiwanis board of directors, the Pontiac Area Chamber of Commerce and is chairman of the Central Oakland Planning Council.

SEEKS ADAMS' POST

Democratic Paul M. Mandel, 31, is married, has two sons, and lives at 2211 Elizabeth Lake Road. He is seeking the two-year unexpired term for JP left vacant by the resignation of Donald E. Adams earlier this year.

Mandel was graduated from Wayne State University and has been admitted to the Michigan and Federal bars and the U.S. Court of Military Appeals. He has served both Waterford and Independence as Township attorney.

Mandel, who is acting justice, will be opposed by Republican John E. McGrath, 35, of 1311 Edgeorge Drive.

A graduate of Pontiac Central High School, McGrath attended Michigan State University and received his bachelor and law degrees from the University of Denver. He is a practicing attorney. A charter member of the Lakeland Optimist Club, McGrath is currently its vice president. He is married and has two daughters.

Democrat A. B. White is unopposed as a member of the Board of Review.

★ ★ ★

Republican constables seeking four positions are Lloyd E. Gidley, William H. Healy, Ben T. Lowell and G. William Quine.

Also running for the four positions on the Democratic ticket are Andrew W. Carruth, Arlo G. Flesher, Floyd A. Tonkin and Roy J. Wegman.

Christ's Final Sigh Is Called a Triumph

(Continued From Page One)

majestic stature of the divine likeness.

It was a mission of reconciliation, whereby the wall of separation between heaven and earth would be broken down, and the indictment of guilt, as St. Paul calls it, be blotted out. It was an act of sublime self-surrender to the will of his heavenly Father to atone for the willful disobedience of his brothers in the flesh.

It was not a manifestation of impotent weakness, as his enemies charged. It was a voluntary surrender unto death, in order that we who were dead in sin might live unto justice. Christ made this clear in his own words:

"I lay down my life that I may take it up again. No one takes it from me, but I lay it down of myself." (John 10:17-18).

When we contemplate the bitter agony of Christ in the garden of Gethsemane, his bloody scourging in the court of Pilate, his cruel death on the cross, we become aware that sin has its price. It is assumed all too often that the violation of the moral order does not carry with it a penalty, as in the violation of the physical order.

The consequences may be different, less immediate, and less apparent; but they are no less certain.

Treason, lust, gluttony, deceit and hypocrisy impose penalties, as surely as fire burns and poisoned food destroys life.

Personal sins lead to personal disaster, and social crimes end in social misery.

It was the composite sins of all mankind that led to the cross; but the cross in turn led to victory over sin and death.

No wonder, when the deed was done, Christ could cry out with exultant voice but with a sigh of relief:

"It is consummated."

(The End)

Mrs. Frick Is Winner in Losers Club Contest

The "Good Losers Club" in Clarkston last night finished a six weeks' weight-losing contest, and Mrs. Robert Frick was named the winner. She lost 11 pounds during the contest period.

A new contest got under way immediately with Mrs. John Kriss and Mrs. Frick elected captains heading two competing teams.

The winner receives a large trophy and several other prizes.

Anyone wishing to join the group may do so any Thursday at 7:30 p.m. when the club meets at the Clarkston Junior High school.

Committee of Two Set for Election Complaints

A Pontiac man and Birmingham woman will be the Oakland County representatives on the Republican State Central Committee's "Clean Elections Committee" operating for the first time in Monday's election.

Charles Harris, 437 Moore St., FE 5-3365, and Mrs. Allen Strom, 1130 Wakefield St., MI 4-9293, will be available on election day to receive any complaints of voting irregularities and take proper action, the committee said.

Nature on Rampage 5,000 Lose Homes

(Continued From Page One)

schools, but only 75 persons took advantage of them Thursday night. The other evacuees apparently moved in with friends or relatives.

★ ★ ★

The tornadoes that whipped Georgia apparently were an eastward extension of the same violent, pre-Easter storm that damaged 85 per cent of the buildings in Plaucheville, La., Thursday night.

★ ★ ★

Only one person, an 80-year-old woman, was injured in the Central Louisiana community of 1,000 population.

In Mississippi, about 150 persons fled lowland areas near the juncture of the Bouie and Leaf rivers at Hattiesburg and today's flood warning was expected to prod others to safer ground.

The spring snowstorm piled a 14-inch fall on Arnett, in Northwestern Okalhoma, and 10 inches across the Okalhoma panhandle.

★ ★ ★

The snow was so heavy that it snapped power lines and poles and toppled them across highways.

★ ★ ★

Power failures hit Arnett, Gage, Shattuck and Woodward, Okla., and telephone lines were out of service in the Woodward area.

Tool Theft Set at $235

The theft of tools valued at $235 from Woods Laundromat, 238 Baldwin Ave., was reported to Pontiac police yesterday.

The Day in Birmingham

City Posts to Be Filled; Lathrup Votes on Bonds

BIRMINGHAM — Large turnouts at the polls are expected Monday in Birmingham and Bloomfield Hills where there are local races and in Lathrup Village where voters will decide a $525,000 bond issue.

★ ★ ★

Bloomfield Township's Republican incumbents are unopposed for re-election.

Voters in Birmingham and Bloomfield Hills, along with deciding state offices, will elect a number of city officials.

Lathrup voters are being asked to approve the bond issue to finance the construction of a storm sewer as well as re-elect three incumbent councilmen who have no opposition.

Two council seats are to be filled in Birmingham in addition to a like number on the library board.

★ ★ ★

Three candidates, including one incumbent, will vie for the council posts. They are Incumbent Robert W. Page, Ralph A. Main, former Birmingham mayor, and Carl F. Fischer.

★ ★ ★

The two 3-year-terms on the library board are being sought by Charles B. Kass and Edwin S. Snyder, incumbents, and Arthur J. Underwood.

3 ARE INCUMBENTS

Bloomfield Hills electors will name three councilmen out of a field of four seeking the offices. Three of the candidates are incumbents. They are John S. Bugas, Dominick Vettraino and Lyman J. Craig. Their opposition comes from Robert A. Frye, a Detroit attorney.

Bloomfield Hills Justice of the Peace Alva M. Richardson and incumbent constable Homer J. Murphy are unopposed for re-election.

Virtually assured of re-election are three Lathrup Village councilmen. Without challengers are Mayor Richard N. Cogger, H. Earl Hanson and Vincent Zatell.

Voters approval of the $525,000 Lathrup bond issue will mean an estimated $4 tax increase for each $1,000 of assessed valuation.

Even though Bloomfield Township voters haven't a choice of local candidates, it has been estimated by Clerk Delores Little that some 4,000 electors will turn out at the polls.

More than 300 absentee ballots have been taken out, she said.

★ ★ ★

The unchallenged township incumbents are Supervisor Arno Hulet, Clerk Delores Little, Treasurer Homer Case and Trustees Gordon T. Getsinger and Samuel Reeves.

Also unopposed are Fred A. Chapman, highway commissioner; Alice L. Gilbert, justice of the peace; Maurice Morey and Karl E. Rhodes, constables; and Jamie Martin, board of review.

An upset debate victory by two Birmingham Seaholm girls has won them a place in the state championship finals to be held in Ann Arbor April 22.

Going after new honors for the high school after defeating the University of Detroit High School debate team are Linda Wells, 17, daughter of Mr. and Mrs. William Wells of 1055 Arden Drive, and Lorraine Shafer, 17, daughter of Mr. and Mrs. Lloyd Shafer of 1820 Birmingham Blvd.

The victory oyer the U. of D. team came after a mediocre season for the Birmingham debaters. They had been given only an outside chance for a win.

Three Appointed to MSUO Staff

Dr. John E. Maher, 35; Dr. Pauline M. Mahar; Norman Roseman

DR. PAULINE MAHAR

Dr. John E. Maher, a former economist with the United States Department of Labor Wage Stabilization Board, has been appointed an associate professor of economics at Michigan State University Oakland.

Maher, 35, is now assistant professor of economics at Wesleyan University. Before accepting appointment there in 1957, he was an instructor and assistant professor at DePauw University.

Appointment of Maher was one of three approved today by the Michigan State University Board of Trustees, meeting in East Lansing. The others were Dr. Pauline M. Mahar, 33, as assistant professor of sociology and anthropology, and Norman Roseman, 34, as assistant professor of teacher education.

Maher, a native of Utica, N.Y., received his doctor of philosophy and bachelor of arts degrees from Harvard University. He holds a master of science degree from the University of Wisconsin.

Dr. Mahar, presently instructor of sociology and anthropology at the University of Arizona, is a graduate of Wellesley College and received her doctor of philosophy degree from Cornell University.

She was a postdoctoral fellow of the American Association of University Women, 1958-59, and did research on field data collected in India.

Prior to that she was a research associate at Cornell and worked on a mental health study in Nova Scotia. Her teaching experience includes a post at Elmira (N.Y.) College.

Roseman, now at the University of Illinois, is assistant state chairman of the North Central Association of Colleges and Secondary Schools and Illinois coordinator of public school facilities.

He holds a bachelor of arts degree from Queens College, New York, and a master of arts degree from Columbia University. He has completed course work for the Ph.D. degree which he expects to receive this year from Illinois.

Prior to his appointment at Illinois, Roseman was with the Overseas American Schools from 1[illegible] to 1958 and served, his last [illegible] with the system, as prin[illegible] the Greenham Common [illegible] Newbury, Eng.

The appointments are [illegible] Aug. 15.

U. of M. Out in Fron[t] for Defense Research

CLEVELAND, Ohio (AP) — The University of Michigan is conducting more research in development of national defense than any other American school, considering that it is not one of the institutions operating laboratories of the government, its president says.

Dr. Harlan Hatcher made that observation Thursday night to the Cleveland chapter of the University's Alumni Association.

It Strengthens His Faith

GMTC Man Wants to Serve

JEROME B. PARLE

(Editor's Note: It seems appropriate during Holy Week to single out a few of the many lay persons who do honor to Christ by their devotion to the churches of their choice. The Pontiac Press asked these persons, all successful in secular pursuits, why they voluntarily give countless hours each year to religious concerns. One man's answer appears today, the fifth in a series of six.)

"During Holy Week, we recall more vividly than at any other time, the events that led to the establishment of Christianity. In the Catholic Church the liturgy expresses great joy on Holy Thursday because Christ instituted the Sacracent of Holy Eucharist at the Last Supper," said Jerome B. Parle, who helped establish St. Benedict's Catholic parish.

Mr. Parle said the historic events of Good Friday and Easter make him aware of his own inadequacies and shortcomings; and how little he has to put himself out for acceptance of faith.

He asks himself: "Had I been on the streets of Jerusalem on that momentous day, would I have had unswerving faith in Christ? Against a backdrop of seeming evidence to the contrary, would I have insisted He was the Son of God? Could I have possibly known that He was actually choosing to suffer and die for all mankind? Would I have changed places with Simon of Cyrene?"

★ ★ ★

"As a Catholic layman, I must realize that in the church and market place, I must put something into my faith. And if these efforts seem stumbling I know that God, but for the asking, will give me the grace and strength to serve Him the best way I can," he added.

★ ★ ★

A former parishioner of St. Vincent de Paul Church, he attended the University of Detroit and is currently in the production office of General Motors Truck & Coach Division. He has been with the company 21 years.

Mr. Parle has been assistant editor of the Michigan Councillor, a weekly Catholic paper; and founded St. Vincent's Parish News.

★ ★ ★

A member of the Holy Name Soicety and Men's Club of St. Benedict's, he has worked for 13 years in the Catholic layman's retreat movement as secretary of Pontiac Retreat League. Annually he arranges for 100 men to go to St. Paul's Monastery in Detroit for weekend spiritual retreats.

The Parles of South Tilden Avenue have a daughter Mary; and two sons, Dennis, and John.

NATIONAL WEATHER — Scattered showers and thundershowers are forecast for tonight for most of the South Atlantic states with scattered showers and snow flurries in parts of the Great Lakes and Montana. A cooling trend is foreseen for the upper Mississippi, the Lakes and the southern Gulf coast with warmer weather in the western part of the central Plains and southeast Plateau.

JOSEPH A. PEEL JR.

Peel Convicted, Waits Sentence

Found Guilty in Murder of Judge; May Face Trial in Wife's Death

FORT PIERCE, Fla. (AP) — Joseph A. Peel Jr., convicted of masterminding the sensational 1955 slaying of a prominent judge, remained in jail today to await sentencing and word on whether he will be tried for the death of the victim's wife.

★ ★ ★

A Circuit Court jury ended Florida's most-publicized murder trial Thursday by convicting Peel, 37, of plotting the slaying of Judge C. E. Chillingworth. The verdict came after 5 hours 24 minutes of deliberation.

★ ★ ★

It was accompanied by a recommendation of mercy, making a sentence of life in prison mandatory, and saving Peel from the electric chair.

PLAN APPEAL

Defense counsel served notice of appeal. A hearing on the motion was tentatively set for April 26 before Circuit Court Judge D. C. Smith. Formal sentencing was set for the same day.

Peel was brought to trial March 6, several months after officers broke open the secret of the Chillingworth's disappearance.

★ ★ ★

Two witnesses at the trial testified that they kidnaped the judge and his wife, Marjorie, from their waterfront home near Palm Beach, June 15, 1955; took the couple about one mile off-shore in the Atlantic Ocean, weighted their bodies and pushed them out of a boat. Neither of the bodies has been found.

City Tax Bill Revived Again

Would Prohibit Levy on Nonresidents Who Work in Big Towns

LANSING (AP)—Rescued from an early grave, legislation to prohibit cities from levying income taxes on nonresidents will get a second test next week.

★ ★ ★

So will an offshoot move to prevent cities from passing any kind of an income tax.

The proposals triggered some of the noisiest debate of the year in the house Thursday, with the votes cutting sharply across party lines.

The measure to ban income taxes on nonresidents drew a 50-49 vote, six votes short of passage, and was revived for another approval try next Tuesday. The total ban missed approval by only three votes.

★ ★ ★

Rep. John T. Bowman, D-Roseville, aimed it at Detroit, which last year considered adoption of an income tax as a solution to its financial troubles.

Generally, Democrats from suburban areas joined rural Republicans to support the bill; Detroit Democrats and Republicans from cities joined forces against it.

Bowman argued that taxes on nonresidents would amount to "taxation without representation." Rep. Raymond Apley, D-Mount Clemens, branded it "a right to work law."

★ ★ ★

"They want to tax us for the simple privilege of working in the City of Detroit, whether we use their services or not," he said.

Leading the opposition, Rep. Michael J. O'Brien, D-Detroit, warned that the measure would strip Detroit and more than 30 other cities of taxing powers written into their charters.

★ ★ ★

"This would put a pair of handcuffs on us that we would never get out of," he said.

Police Numbers Change

Browsing Through the Telephone Book

By DICK HANSON

A casual glance through the new telephone directory currently being distributed to some 68,000 Michigan Bell Telephone Co. customers in the Pontiac area reveals some interesting bits of information.

★ ★ ★

Due to the forthcoming change-over of about 3,700 of these customers in Oakland County from the FEderal exchange to the new Pontiac West Exchange Sunday, they have been reassigned all-numeral telephone numbers, such as 682-3030 for instance, which will be the new number of the Keego Harbor Police Department after tomorrow.

Also being changed are the numbers of the West Bloomfield Township Fire Department to (682-1111), West Bloomfield Township Police (682-1555), the Orchard Lake Police (682-2400), Sylvan Lake Police (682-1440), Shelby Township Police (731-2121), Shelby Township Fire Department (731-3473), and the Novi, Wixom and Commerce Township police (MA 4-1111 for all three departments).

The latest phone directory has added six more pages, indicating the continued growth in the county. The book now has 400 pages.

★ ★ ★

As an added feature in the latest edition, Michigan Bell has explained that telephone users now may talk to someone in Argentina, Australia, the British Isles, Italy, Japan or the Philippine Islands for three minutes at a cost of $12 plus 10 per cent federal excise tax.

Or, if you are looking for even a better bargain, you can call someone in Panama, Bermuda, Puerto Rico, Hawaii or Alaska for less than $10 plus tax, providing you don't talk more than three minutes.

Another point of interest in this book — one of the best-read in the area — is that the Smiths are having no trouble keeping up with the Browns, at least locally. Actually the Smiths are ahead.

HATFIELDS OUTNUMBERED

There are 1,486 Smiths listed in the new directory and 736 Browns. (Count 'em. I may be wrong but not by much, I'll wager.)

★ ★ ★

Did you ever wonder what became of the Hatfields and the McCoys since they started feudin'? Well, the McCoys are winning hereabouts. There are 45 of them listed, and, only 12 Hatfields.

★ ★ ★

The new book also lists three Boozers, one Boor, six Bulls, 26 Beards and 58 Bushes. There are seven Crooks and seven Angels but no Coppers; two Coins and a Halfpenny; two Inches, four Feet, three Miles and two Halfacres.

Two Hoots and seven Hollers. Twelve Links, none missing. Five Mousers and no Mice.

★ ★ ★

Twelve Riddles, 13 Robins, three Fiddlers, 10 Hamburgers, five Tom Collins, eight John Collins, one Horsey, three Icebergs, 11 Locks, seven Keys (?), four Chicks, 50 Birds, 25 Fish, and 102 Saints, including many you've never heard of.

★ ★ ★

There are also 58 Pages in the directory and the last name listed is that of Henry A. Zywiol, who lives at 382 Decker Road, Walled Lake.

★ ★ ★

He won't necessarily get his new directory last. It should arrive before Wednesday same as everybody else's.

Delay Chess Tourney Here Till April 17

The Pontiac Chess and Checkers Club annual chess tournament, originally slated to get under way Monday, has been postponed until April 17, Donald Rofe, director, announced today.

★ ★ ★

Plans are to still hold the tourney in the Adah Shelly Branch Library, 251 E. Rundell St., starting at 7 p.m. Play will be divided into three classes, senior, amateur, and novice (for those players 14 years of age and younger.) Prices will be awarded in each class.

★ ★ ★

Entry fees of $3 for seniors, $1 for amateurs, and 50 cents for novices will be charged to cover expenses, Rofe said. The fees will be collected upon registering for the tournament with the Parks and Recreation Department at City Hall.

The contest is open to all Oakland County residents.

Firemen Fight Back

KAWANO, Japan (UPI)—Angered by city officials' plans to reduce fire department personnel, 150 firemen turned hoses from 11 pumping trucks on City Hall last night, drenching assemblymen and flooding the telephone exchange, the mayor's office and other rooms.

Transit Official Denies Charge

GM Buses Not Favored, Testifies Manager in Antitrust Suit

DETROIT (AP)—The government, through an exchange of letters between sales executives of General Motors Corp., had in U.S. District Court records today a picture purporting to show that the Cleveland (Ohio) Transit System had shown favoritism toward GM buses.

Along with this, however, went heated denials by General Manager Donald C. Hyde, of Cleveland Transit, that he or his company ever had shown favoritism toward GM.

All this came about Thursday in the government's five-year-old antitrust suit against General Motors charging GM monopolizes manufacture and sale of what the government terms city and intercity types of buses.

Following Hyde's testimony, Judge Theodore Levin adjourned the case over the Easter holidays until next Tuesday. Then Leo Nowicki, chief of Detroit's municipally-owned bus system, is to take the stand.

* * *

In a letter from GM's Cleveland sales representative, Harry Archer, to E. P. Crenshaw, general sales manager of the General Motors Coach and Truck Division, Hyde was reported to have suggested that "he would do a selling job" for GM equipment.

Hyde denied it and suggested Arthur even had erred in the name of the man he supposedly was to "sell."

* * *

Hyde said Cleveland Transit's operating records for various vehicles were available to all comers if they asked for them.

He also denied that any cocktail parties he might have attended at Arthur's home had any influence on Cleveland Transit purchases.

North Central Announces New State Air Routes

LANSING (AP) — New airline service for the Manistee-Ludington area will start Saturday, the Michigan Department of Aeronautics has announced.

North Central Airlines has scheduled daily flights between Manistee and Chicago, with connections in Grand Rapids for Detroit and Cleveland, the department said.

Court to Hear Arguments on Return of Straley

Arguments in the legal battle of two city commissioners to return ex-Police Chief Herbert W. Straley to office will be heard by the State Supreme Court April 5.

* * *

Commissioners Milton R. Henry and Robert A. Landry have appealed the dismissal last spring of a suit in which they contend a 1960 city charter amendment under which Straley was fired was improperly presented to voters.

Oakland Circuit Court Judge Frederick C. Ziem ruled otherwise.

The amendment provided for the re-establishment of the Police Trial Board and removed Straley from its jurisdiction.

City Manager Walter K. Willman fired the chief in April of last year after the amendment passed.

Red Skipped Confab for Fear of His Life

BELGRADE, Yugoslavia (AP)—Enver Hoxha, secretary-general of Albania's Communist party, refused to attend a Warsaw Pact conference in Moscow this week because he feared for his life, a foreign diplomatic source said Thursday.

The head of the tiny Communist outpost on the Mediterranean was said to have shunned the conference because of a bitter fight with Premier Khrushchev in Moscow last November.

$1.6 Billion for JFK Programs

OK Funds to Fight Slump

WASHINGTON (UPI)—The Senate Thursday passed and sent to the White House a $1.6-billion money bill providing funds to get several of President Kennedy's antirecession programs rolling.

The bill was stripped of nearly $2.9 billion in a Senate-House conference committee. The money would have gone to the Commodity Credit Corporation for price support losses.

The bill carried half of the $1 billion needed to finance the administration's program for extending jobless pay to workers whose benefits have run out, and $20 million for a similar program for workers under the Railroad Retirement Act.

It also advanced $20 million for federal aid to needy children of jobless parents.

Promoted to VP Post at Williams Corp.

John F. Jones, chief engineer of Williams Research Corp. Walled Lake, today was named engineering vice president by Sam Williams, company president.

Williams said Jones has been associated with the company for the past six and a half years and "has been a principal factor in the company's successful development of gas turbine engines."

These developments include the world's smallest aircraft torbojet engine, a 75 HP turbine, currently being installed in an Army Jeep, a 400 HP truck and industrial turbine to be manufactured by the Waukesha Motor Co., and the world's first gas turbine outboard motor which is being manufactured by the Outboard Marine Corp. for use in small craft by the U.S. Navy.

Jones received his bachelor of science degree in mechanical engineering from Case Institute of Technology in 1941 and masters degree in automotive engineering from Chrysler Institute of Technology in 1943. Jones spent 13½ years with the Chrysler engineering division.

Committee Gets Strikebreak Bill

Seek Compromise on Amendment's Wording Aimed at Picketing

LANSING (AP)—A proposal to bar the use of strikebreakers in labor disputes was back in the State Affairs Committee of the Senate today for clarification of an amendment.

The lawmakers voted 23-9 Thursday to recommit the bill after action had been delayed several days while a compromise was sought on the wording of the amendment, which was aimed at so-called goons on picket lines.

Some observers felt that if agreement could not be reached in the committee, the measure probably would not come out again on the floor.

The Senate passed and sent to the House by a 25-6 vote a bill affecting second class school districts in Flint and Grand Rapids.

The bill would remove from the law a provision that says the school districts and cities in which they are located must have coterminus (identical) boundaries.

Under the present law, when a city takes over a township territory by political annexation, the territory automatically becomes part of the school district without further voting.

Tempest Tops 4 Models in Compact Car Sales

Pontiac's Tempest—one of the newer entries among the compacts—is making its impact felt quickly in the sales field.

January registration figures show the Tempest ahead of the Lark, Special, F85 and Lancer.

R. L. Polk & Co. reported 7,767 Tempest registrations as market penetration of the 10 compact cars reached a record 30.3 per cent of January's 413,563 registrations.

For the fourth month in a row, Falcon headed the compact field with 29,963 registrations. Also ahead of the Tempest were Rambler, 25,344 registrations; Corvair, 20,060; Comet, 11,885; and Valiant, 9,140.

* * *

Trailing the Tempest's 7,767 registrations were the Lark, 6,441; Special, 5,301; F85, 5,118; and Lancer, 4,246.

* * *

Automotive News, weekly trade publication, reported the Tempest one of the compacts showing greater market strength in January at the expense of the Comet, F85, Rambler and Valiant.

Printed plastic bags can be made from the raw resin at the rate of 120 per minute by a series of new integrated machines.

Proponents Call It Easy Solution to Urban Problems

Annexation Continues On Despite Bitter Opposition

By HOMER DOWDY
Staff Writer, Flint Journal
Written for the AP

Several Michigan communities have more than doubled their size since 1950 by annexing nearby areas.

Annexation was but one of the solutions suggested by various government and private study groups which looked into the problems of suburban growth.

Of many suggestions, perhaps most dramatic was one which would have abolished the governments of Flint, Grand Blanc and Mount Morris and all or parts of eight townships and joined the whole under a brand new government, drawn up from scratch by those living in "new Flint."

None of these proposals came about. All met suburban resistance and some legal setbacks. Each also met the skepticism of friends of city expansion who asked why untried theories should be used when a time-honored and tested method was still on the books.

★ ★ ★

They spoke of annexation, the means whereby a suburban area becomes by one of several methods a part of an existing city.

If a city government, with its ability to provide city services, is extended to include the urban area of a community, the tools are at hand to solve urban problems simply and fairly, say the advocates of annexation.

★ ★ ★

"Annexation gets the job of sewerage done," says Milton G. Adams, executive secretary of the Michigan Water Resources Commission.

Annexation stirs bitter opposition in the townships. On the other hand, city people object that under ordinary annexation laws, whether the city is allowed to expand is up to noncity voters. Despite loud wails that Michigan law hamstrings city growth, annexation in this state is not dead.

Coming up on the April 3 ballot are these annexation proposals:

Grand Rapids — of 12 areas to be voted on, nine contain industry but no residents and success requires only a majority of the combined ballots of the city and the township from which territory is to be taken. The others are peopled and require separate majorities of those to be annexed and the vote of city people and those living in the remainder of the township.

TO DECIDE ON AREAS

Battle Creek — Battle Creek Township is up for annexation. If it carries, 20,000 persons and 29 square miles would be added to the city.

St. Joseph — the issue is on adding 400 acres to the city.

Holland — three areas are to be voted on, as is a disannexation of 3.5 square miles acquired in the 1950's.

Muskegon — this city is seeking addition of 400 acres containing one industry and vacant land.

Saginaw — two proposals are on the ballot here, one an industrial area in Buena Vista Township and the other a 400-acre tract in Spaulding Township.

Forthcoming annexation actions filed too late for next week's balloting include three Summit Township areas to Jackson, the whole of Flint Township to Flint and four parcels containing valuable industry to Essexville, a suburb of Bay City.

These proposals come on the heels of an annexation record that has soared in recent years:

Midland nearly tripled its territory, going from 8.5 square miles to 23 in one action in 1953.

Ann Arbor has undergone an expansion of 145 per cent.

Hotel Owner Gets Room With a Bath

PALM SPRINGS, Calif. (AP)—Two youths who came to the desert for their Easter vacation were irked when hotel owner Stanley Spiegelman turned down their request for a room.

Spiegelman told police the teenagers threw him, fully clothed, into the hotel swimming pool, then drove off.

Delay African Meeting

ACCRA, Ghana (AP)—President Sekou Toure of Guinea and President Modibo Keita of Mali failed to show up Thursday and the first meeting of the Ghana-Guinea-Mali Union was postponed.

Pontiac Rises to 3rd in New-Car Figures

New-car registration figures for January showed Pontiac in third place among major models, compared with fifth place for the first month in 1960.

The registration count of R. L. Polk & Co. showed 27,484 Pontiac registrations in January, up from 24,663 for the comparable month a year ago.

Chevrolet's January registrations totaled 108,287 to lead the field, followed by Ford with 92,624 registrations. The two models held the same places in the January 1960 tally.

Trailing Pontiac were Rambler with 25,344 registrations and Oldsmobile, 24,361.

★ ★ ★

Plymouth, which led Pontiac in January 1960, slipped to sixth place the first month of this year with 22,199 registrations.

6.65 PER CENT

Rambler held fourth place in registrations for January of both years.

Automotive News reported Pontiac penetration of the new car market at 6.65 per cent for both December of last year and this January.

The 6.65 per cent penetration of the market was up from Pontiac's penetration in January of 1960 — 5.73 per cent.

January's new-car registrations totaled 413,563 in January, according to the Polk tally.

Automotive News reported that although total registrations showed January trailing both 1960 and 1959, much of the setback was accounted for by a sharp reduction in imported-car registrations.

Underwater Eruption Taking Place in the Fijis

SUVA, Fiji (AP) — An underwater eruption is occurring in Savusavu Bay, off Vanua Levu, second largest island in the Fiji group.

★ ★ ★

Columns of water are being hurled 100 feet in the air. No solid matter has been reported in the eruption.

5,700 Diseased Trees Removed in State Drive

LANSING (AP)—The State Highway Department reports 5,700 diseased trees have been removed so far in an emergency program started this spring.

Of these, 3,200 were diseased Dutch elms, all found below the Muskegon-Bay City line. A 67-man work force was assigned to the temporary program.

President Plans to Push Rights

Will Use His Executive Power to Get Action; Congress Too Slow

DETROIT (AP)—One of President Kennedy's press aides says the President plans to use executive authority to effect civil rights legislation.

Andrew Hatcher, the President's associate press secretary, said here Thursday Kennedy will use his executive powers instead of leaving the initiative to Congress.

"He is determined that civil rights can be improved more effectively by executive administration rather than risking congressional approval," Hatcher told high school and college newspaper editors at a meeting of the Michigan Fair Employment Practices Commission.

Hatcher said the President's action in the civil rights field has created fears among some congressmen.

"There are some congressmen who would rather see a civil rights measure defeated loudly on the floor of Congress than have progress made quietly," Hatcher, a Negro, said.

Black was once the standard color for automobiles. Now only a small percentage of passenger cars are black.

It Seems to Me . . . .

1961 Spring Election Produces Very Important Candidates

"It Seems to Me" and "And in Conclusion" will run today instead of Saturday, since "It Seems to Me" is about the April 3 election. On Saturday we will run a guest editorial for Easter by Rev. LYAL H. HOWISON, pastor of First Free Methodist Church.

Altogether too often Michigan's spring election receives a cursory "lick and a promise" from the voters.

That's wrong.

There are especially important selections this year.

★ ★ ★

The Press strongly recommends James C. Zeder (R) and Paul G. Goebel (R) as Regents for the University at Ann Arbor. The first is a staunch Oakland County citizen. His record in industry leaves him superbly qualified to face the perplexing problems that are accumulating in the laps of all educators, everywhere.

★ ★ ★

The University of Michigan represents an investment that begins to approximate a quarter of a billion dollars and it does $100 million dollars annually. This is "Big Business" with a capital "B." It requires men with experience and knowledge in handling gigantic problems. ZEDER is amply qualified and capable.

★ ★ ★

I have also known Paul Goebel, Grand Rapids, for many years and here we face an unusually public spirited citizen who has served his home community as mayor and in a hundred other important capacities. Goebel is tried and proven. He won his spurs in commerce many years ago and is a devoted lifetime Michigander. And just in passing, he was one of the greatest ends in Michigan football history.

★ ★ ★

MSU at East Lansing is about as large as the University of Michigan and so again we face business on a titanic scale. The PRESS feels C. ALLEN HARLAN (D), already a member of the board, deserves re-election. Oakland voters possess another "home product" and a man of great capabilities and capacity. We recommend ALLEN HARLAN as a Trustee of Michigan State Univeristy.

★ ★ ★

JOHN S. PINGEL (R) also merits support of those who are anxious to place MSU in the best possible hands. He has made a splendid personal record in advertising. Friends and associates declare that he would become an outstandfng trustee at East Lansing. As in the case of PAUL GOEBEL, here we have another fine football player who achieved great success in later life. PINGEL was an All-American on the East Lansing campus.

★ ★ ★

The Press endorses John C. Mackie (D) for State Highway Commissioner because of his progressive attitude and general grasp of the Michigan road situation. Further, Oakland County has a great stake in Mackie as he has evinced a definite interest in the bottleneck that grips our section. John C. Mackie is a sound citizen in another "big business" situation.

★ ★ ★

The post of Superintendent of Public Instruction is filled now by LYNN M. BARTLETT (D), and The PRESS believes he deserves re-election to continue the programs he is currently undertaking.

★ ★ ★

At Wayne University, there is an outstanding candidate in Thomas B. Adams (R) who has a rich background of business success and who is prepared to step in at a moment when Wayne needs top level management because of its spectacular growth and expansion. Here again we are favored with another capable Oakland County citizen.

★ ★ ★

With courts on all levels subject to increasing criticism, it is doubly essential that our Michigan Supreme bench receives the attention it deserves. The PRESS strongly endorses HARRY F. KELLY and JOHN R. DETHMERS as the best qualified candidates for these posts. KELLY and DETHMERS are incumbents and are two of the wise and experienced heads on the bench. The PRESS feels it is important to see that they are returned.

★ ★ ★

We have discussed con-con before and I believe it will do more harm than good.

But get out and vote.

This is YOUR country.

And in Conclusion . . . .

Jottings from the well-thumbed notebook of your peripatetic reporter.

A New York City eighth grader standing six-feet-seven is the greatest grammar school basketball prospect in the country. And he's just a shade shy of a straight "A" average . . . . Absolutely the easiest way on this earth to make $250 in savings bonds is to forecast the leading American League batter on a postal card to the Man About Town, and his average on the night of May 11th . . . . Area individual who's doing a good job without fuss or fireworks: Sheriff FRANK W. IRONS . . . . Yes, sir, it was THOMAS FULLER who said: "I'd rather have a hen tomorrow than an egg today." . . . . Young Democrats are urging young FARLEY (33) to toss his hat into the mayoralty ring in New York.

★ ★ ★

Trustworthy scouts advise me that Margaret Selvala is one of the area's most attractive young women. I submit proof . . . . The University of Michigan band is a sensation in Russia. The S.R.O. sign is out everywhere and "The Victors" tops the Russian hit parade . . . . Secretary of State Dean Rusk came to the line in his official form reading: "Have any of your relatives ever plotted to overthrow the government?" He answered truthfully: "Two. My grandfathers." (Both were in the Confederate Army) . . . . It's becoming almost too official that Bruce Norvell and Ben Donaldson are going to Indiana.

MARGARET

★ ★ ★

Space project headquarters in Great Britain are swamped with applicants who want to rush off into the wild blue yonder. The list totals 25,000 . . . . Travel agencies say the number of children going to Europe with parents is smashing all known marks. They advise against younger ages than nine or ten . . . . One of those sweet young things who was gushing in public concluded: "And what a shame we had to have this slump just when so many people are out of jobs." . . . . Florida is worried over the rumor that several big league teams won't be back in 1962. The integration problem is Florida's *bete noire* . . . . Dept. of Cheers and Jeers: the C's — that Los Angeles jury: the J's—those students at Fort Lauderdale. —HAROLD A. FITZGERALD

The Rising Tide

David Lawrence Asks:

What About U.S. Prestige Now?

WASHINGTON — Not so long ago much was heard about the so-called decline in America's "prestige" abroad. The Kennedy administration has been in office now a little more than two months, and it is doubtful whether any polls are being taken to measure America's "prestige" in at least two countries — Portugal and Holland — both of which are members of the North Atlantic Treaty Organization.

LAWRENCE

For the anti-American demonstrations around the U.S. Embassy in Lisbon in the last few days — with crowds estimated at 50,000 — have emphasized the bitter feeling that has arisen in Portugal over the fateful vote that Adlai Stevenson, with the approval of President Kennedy, cast recently in the United Nations.

★ ★ ★

By that vote, this country took a position at the side of Soviet Russia in calling for an inquiry into the affairs of Portuguese Angola. Great Britain and France abstained from voting.

Within the last 24 hours comes a Reuters News Service dispatch from the Hague, quoting a Dutch newspaper's report that "competent circles" there are holding Undersecretary of State Chester Bowles responsible for America's refusal to attend the installation of the first representative council in the Dutch colony of New Guinea.

This was to mark a step toward self-government but evidently displeases Indonesia, which has demanded that it be permitted to annex Dutch New Guinea outright, though the island is 2,000 miles away from the capital of Indonesia.

★ ★ ★

The liberal morning newspaper Algemeen Dagblad said that it appeared the United States was "unwilling to tread on the toes of an immature, stupid, unbalanced and dictatorial regime like that of (Indonesian President) Sukarno and is at the same time willing . . . to treat an ally crudely, discourteously and offensively."

CAUSES CONCERN

So far as world policies are concerned, it is true that Sukarno has been playing the Communist game, and hence a preference in Washington for the Indonesian government above Holland, an old ally, is certainly cause for concern.

There can be no disputing the delicate position the United States is in today as it tries to show that it is against "colonialism." This, however, means taking risks with the older countries whose friendship for the United States has by no means been wavering or "neutralist."

But, unfortunately, other peoples are not always likely to sympathize with such a viewpoint. Instead, they develop feelings of antagonism and unfriendliness.

Thus America's intervention in the Suez dispute in 1956 on the side of Nasser of Egypt, and against Great Britain, France and Israel, may have saved all three countries from guerrilla warfare of costly proportions but the public-opinion polls in Britain, for instance, during the Eisenhower administration undoubtedly registered a drop of several points because of that action of the United States.

Also, there's no telling why President De Gaulle today is so uncooperative with American policies.

★ ★ ★

But this is being speculated on abroad as one of the unfortunate results of Mr. Kennedy's letter about Algeria, written during the campaign, which was interpreted abroad as anti-French.

There was a time when major governments confined their diplomacy to external affairs and when these governments did not interfere in the internal affairs of other countries unless a threat to international peace was involved.

★ ★ ★

What's happening in Angola or in New Guinea is hardly a threat to the peace of the United States, and that's why it seems difficult to understand why President Kennedy is permitting his subordinate officials to mess up relations with allied governments, thus considerably reducing the prestige of the United States among peoples hitherto friendly to this country.

(Copyright, 1961)

The Country Parson

"I don't see how members of a church can expect it to take a stand against evil when they don't."

Dr. William Brady Insists:

Old Gentleman's Curse Need Not Be Too Bad

A pastor who read an observation in this column to the effect that only a few of those whom I had advised as to the modern method of treating prostic obstruction — transurethral resection — troubled to write later and report their experience for the benefit of other sufferers from the same condition, unburdens his conscience by describing his experience.

DR. BRADY

Here it is, and I hope it may be helpful to many patients as well as their physicians:

★ ★ ★

"Dear Doctor:

"Having read your article on the modern method of removing the prostate by transurethral or electrosurgical operation, I decided to discard the advice of three other doctors who warned me under no circumstances to submit to it, painting a very dark picture of the dire results and the great danger to which I would expose myself; of course, they all recommended the old way of removing the prostate gland thru an external incision.

"I consulted the doctor whom you had suggested to me on my request. After a thorough examination I entered the hospital he designated. On the third day the operation took place. I was fully conscious during it all and followed every move and step with great interest.

"I would have been able to leave the hospital two weeks after the operation had it not been for an attack of pleurisy which set in and kept me another week in bed.

★ ★ ★

"Though I am in my 74th year I feel like a new man, work all day and every day in the week and sleep soundly all night without any disturbance.

"For all this I thank God and shall always be deeply grateful to you and to the surgeon who performed the operation."

In a monograph available on request for readers afflicted with or better for those just developing the old gentleman's curse (send a stamped envelope bearing your address, but do not send a clipping in lieu of your request), I mention that the average stay in hospital when the modern method is employed is seven or eight days, compared with three weeks or longer when the perineal or suprapubic route is selected.

★ ★ ★

Men past middle age developing bladder trouble must watch out lest they drift into a childish weakness, not of the bladder merely but of the mind, avoiding proper medical advice because of fear.

The symptoms produced by enlargement or hypertrophy of the prostate, as this condition occurs in one in every 10 men past 50, one in every four past 60, without known cause, may duplicate the symptoms of stone in the bladder, cancer, stricture; only examination by the physician can definitely determine the condition in any case.

Signed letters, not more than one page or 100 words long pertaining to personal health and hygiene, not disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped, self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

(Copyright 1961)

Voice of the People:

Tells of Dangers Behind Cuba's Sugar Production

Cuban sugar production might well surpass the 6 million ton goal set up by the Cuban Communist government. It is the purpose of communism to leave Cuba in a state of ruin.

Word will go to the powerful outlets of propaganda to play up the fact that, under the Communist system, Cuban sugar production has risen, to prove that a totalitarian life can produce more than free enterprise.

★ ★ ★

Cubans of all classes, including government employes and white-collar workers, have been forced to spend their weekends cutting cane as cane-cutters refused to work overtime for insignificant wages and longer hours. Cuba is carrying a surplus of over 1.5 million tons of the 1960 crop, which will add to her woes in disposing of an aggregate of over 7.5 million tons of sugar this year.

★ ★ ★

It is the intention of the Communists — knowing that the game has been played out in Cuba — to leave the sugar industry in a total state of havoc and disintegration. Naturally, the United States will be forced to contribute goodly sums toward the reconstruction and anything that makes the United States spend hundreds of millions of dollars is grist for the Communist mills.

Carlos Todd

More About Con-Con as Election Nears

If the con-con passes we may lose the 15-mill amendment. Our constitution has been amended 69 times and any part we don't like we can amend.

If we vote out our whole constitution we won't have anything to say about a new one except to vote for or against whatever is dished out. Don't make our constitution a grab bag and pork barrel for the do-gooders. This program will cost millions and do you think it will be for our benefit?

Avoid the uncertainty and confusion by voting "no." Who can guess what sort of a document would be developed.

A "No" Vote

Would you want the U.S. Constitution destroyed and a new one written by politicians? What would happen to our many protections? I feel the same in regard to our state constitution. Michigan's constitution is basically sound. If any minor change is needed, submit it to the people.

One of the reasons certain groups wish to do away with our constitution is the fact certain funds are "earmarked" for special use. Gas tax money is "earmarked" for roads. Before the gas tax amendment, the gas tax money was used for whatever purpose they wished. Then heavy road special assessments were made against the farm property through which the road passed.

I heard a young dairy farmer tell in court about a $5,000 road tax assessed against his farm—equivalent to a sudden $5,000 mortgage and close to the amount for which he could sell it. Another protection is the 15-mill tax limitation.

What happened to the $50-million veterans' fund which the state took over last year? We voted an additional one cent sales tax which brings in millions every month.

Each state, regardless of size, has two senators. This is to protect smaller states. In Michigan the election of the governor is controlled by Detroit and a few counties. This same group will control delegates to a constitutional convention.

Vote "no" on con-con for your own protection.

Mary Chapman
14 Mark Ave.

Thank goodness The Press hasn't been fooled by all the "vote yes for con-con" propaganda. Everywhere I go someone hands me another piece of it, and 9 out of 10 times it's someone who has everything to lose and nothing to gain if it passes.

As for the letter saying we should vote "yes" because Wayne County has more people and should have more votes—let's worry about our own problems. Wayne controls most state votes as it is now. We're the losers if con-con passes, so vote "no" if you want to retain a voice in your own government.

Citizen

If you want good government vote April 3. Many good causes are lost because "good people do nothing."

Professors of political science in our universities say that our constitution needs revision and that the convention method is the best way. Public spirited citizens who have studied the matter say the same

A few self-interest groups seem to have no faith that we can choose delegates of intelligence and integrity. They also have no faith in our elected legislators. They urge a "no" vote. They won't let bad weather keep them from the polls.

M. M.

(Editor's Note to Thomas Belton: The Voice of the People is unable to print endorsements of local candidates. If this gate were opened, the rising tide might flood two counties.)

'Whisker Growers Are Good Sports'

I agree with Charles Snyder regarding the centennial beards. Why should the men who are good enough sports to grow them be ridiculed? The ones making fun are usually ones who can't or will not grow one. We do not live in Pontiac, but my husband works there and we shop there and we are going all out to celebrate.

I enjoyed the pictures of Fred Haggard, president of Oakland County AFL-CIO Council, and Otis Lawrence, CIO official, showing off their centennial beards.

Mrs. A. Stieve
Auburn Heights

Smiles

It's better to live within your income than within your credit.

Case Records of a Psychologist:

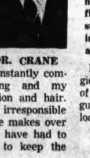
Let Wife Control Family Budget

By DR. GEORGE W. CRANE

CASE H-447: Sam B., aged 30, is a machinist.

"Dr. Crane, he makes good wages and is a likeable person," his attractive wife smilingly informed me.

"I love him, I admit. He is devoted to me and very thoughtful in most of those ways that the average husband seems to overlook.



DR. CRANE

"For example, he takes me to shows at least twice per week, and kisses me as if he means it. He constantly compliments my cooking and my clothes, my complexion and hair.

"But he is totally irresponsible as regards money. He makes over $100 per week, but I have had to get a job in order to keep the wolf from the door.

LOW FINANCIAL I.Q.

"Recently you described such a person as having a low financial I.Q. Well, that fits Sam perfectly.

"He gambles his money away and then begs me for a five spot to last him till pay day. He even pawned my jewelry without my knowledge and I lost that.

"Then he borrowed on his life insurance and now his policies have lapsed. For he never pays back loans. My friends and family have also been 'touched' for sums from $10 upwards, but he never repays them.

"Without my salary, we couldn't even have food to eat. But he always promises to change and to save his money. He has such a winning way that I can't stay angry with him long.

"But I don't want to rear children in this kind of an environment.

"Dr. Crane, I think I shall have to make a decision soon, for I simply can't go on much longer, hounded by bill collectors and uncertainty over my next meal."

In this age of keen economic competition, one of the essential marks of a he-man is the ability to bring a regular pay check home to one's family.

A man who is so juvenile that he cannot budget his income and finance his necessary purchases, such as rent, groceries, clothing, etc., should not be accepted as a husband.

Let Sam be a lesson to you giddy girls who think the thrill of a man's kisses is enough guarantee for entering into wedlock with him.

★ ★ ★

Don't be such a sap! Pick a man who has a trade or profession, for a successful marriage must be based on economic security for yourself and your future babies.

Remember, it isn't enough that a man earn a good wage. No, he must also bring it home and let his wife budget it for the household needs.

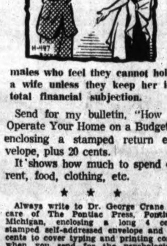
LET WIVES HANDLE MONEY

The average wife is a better bargain hunter than her husband and can stretch his pay check farther than he can, so the modern American husband gives his pay check to his bride.

She then allots him an allowance each week to cover lunch money, carfare and a few incidentals.

But the typical American husband generously hands the check to the wife and thereby frees himself from the responsibility of having to make ends meet.

I have twice used the phrase "American husband" for there are still many penny-pinching males who feel they cannot hold a wife unless they keep her in total financial subjection.



Send for my bulletin, "How to Operate Your Home on a Budget," enclosing a stamped return envelope, plus 20 cents.

It shows how much to spend on rent, food, clothing, etc.

★ ★ ★

Always write to Dr. George Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4 cent stamped self-addressed envelope and 20 cents to cover typing and printing costs when you send for the psychological charts and phamplets.

All mail subscriptions payable in advance. Postage has been paid at the 2nd class rate at Pontiac, Michigan. Member of ABC.

Man in Space

Missiles Go Up OK...but How to Get Them Back?

By EVERETT R. IRWIN

CHICAGO (UPI)—The research brains that brought the pioneering monkeys Able and Baker back from space now are tackling two more sophisticated bring-'em-down projects.

One is pointed eventually at bringing down gently a mighty hunk of missile "hardware," the 100,000-pound-plus Saturn booster now under development.

The other is development of a shirt-sleeved, working rocket that will bring down to more earthly figures the cost of studying problems man faces in space.

Alton D. Anderson, director of research for Cook Technological Laboratories, told about the studies—one well along, the other awaiting a government green light—in a conference room in the research establishment in suburban Morton Grove.

★ ★ ★

The Cook labs were the birthplace of the Rube Goldberg-type recovery package that brought the first recovered Jupiter missile nose cone back to eager Army search parties in 1958 and gave the two space monkeys a gentle ride to immortality in 1959.

KEEPS HAND IN SPACE

Cook wasn't dealt in on the current Mercury astronaut program designed to put a man in space and bring him back. But it has kept a talented hand in space—perfecting recovery systems for the Atlas and Thor, manufacturing components for many rockets and fabricating the triple-nosed Cree missile used in deceleration tests at supersonic velocities.

Newest member of the Cook rocket family is the Chicago III, a four-stage Slim-Jim 61 feet tall and 31 inches in diameter. Anderson said the rocket, which so far exists only on the drawing board, will send a 100-pound payload orbiting around the world at a 200-mile altitude and transmitting data for at least a year.

Raymond Fredette, associate director of the laboratories, said the rocket would be built using only off-the-shelf components already proven in government weapons systems.

Cook can assemble the rocket at launch site at a comparatively low price of $400 000 each in lots of 10, Fredette said. The cost of the Scout, the so-called "poor man's rocket," has been put at between $500,000 and $900,000.

RETURN TO LAND

Engineers said the Chicago III is suitable for performing many study assignments for government agencies. They see the day, too, when some private industries and foreign governments may buy the vehicle.

★ ★ ★

Anderson said contracts now are being written with the National Aeronautics and Space Administration (NASA) under which Cook will study the "paraglider concept" of bringing a missile booster back from space and setting it down—not at sea, but on land.

The concept envisages use of a parachute so modified that it becomes, in effect, a glider with maneuverability—a device with control lift as well as control drag, a recovery vehicle that can set a multiton booster down on a prepared, designated landing spot.

"The study is pointed toward the recovery of Saturn," Anderson said. "Out of it we hope will come analyzed concepts — concepts that will point the direction for hardware design."

If the study shows the idea to be feasible, Anderson said, the next step will be design of a recovery system incorporating it and modification of the booster to carry the system.

COSTS MILLIONS

Why recover the Saturn booster? One reason is to permit examination of the spent booster to learn how to build the next one better.

"But the best reason is to enable us to use the booster, or at least parts of it, again," Anderson said. "Each Saturn will cost many millions of dollars. Hundreds of millions will be spent in development before the first one is fired."

Allowing the booster to drop into the ocean and recovering it from the water is undesirable for two reasons, Anderson said. Salt water has a damaging corrosive effect. And the bolted-together booster may not have sufficient structural strength to withstand the strain of flotation and hoisting from the sea.

The Cook research head said contemplated studies would cover deployment of paraglider equipment from a speeding booster, methods of slowing the plummeting vehicle and, finally, landing it.

★ ★ ★

How does the problem shape up alongside the one Cook solved with its Buck Rogers recovery package for the Jupiter nose cone and the monkeys?

"Technically, the problem looks more difficult," Anderson said. "Remember, when we attacked the first nose cone problem, no one knew whether we could recover. Now we know we can."

Weather Landmark to Be Torn Down

CHARLESTON, S.C. (UPI)—A 200-plus-year-old clapboard building, which is said to have housed the country's first weather bureau, is going to be torn down. A new building may be erected on the site.

A plaque on the side of the building describes it as "Home of Doctor John Lining, who made the first systematic weather observations with instruments in America January, 1738 — February, 1753, in this building, which probably antedates the year 1715. . . ."

Texas and Florida are the major producers of cabbage for fresh market use.

Deaths in Pontiac and Nearby Areas

MRS. MINNIE SALTZER

Mrs. Minnie Saltzer, 85, formerly of 42 Augusta Ave., died yesterday following an illness of several years.

She had been a member of Central Methodist Church.

Survivors include a son, Charles of Grosse Pointe; a daughter, Mrs. Grace R. Christie of Buffalo, N.Y.; two grandchildren and three great-grandchildren.

Service will be held Saturday at 2 p.m. from the DeWitt C. Davis Funeral Home with burial in Greenwood Cemetery, Birmingham.

* * *

PETER A. SERRA

Peter A. Serra, 67, of 221 Judson St., died Thursday at St. Joseph Mercy Hospital following a brief illness.

A member of St. Vincent de Paul Church, he was retired from Pontiac Mills.

Survivors include his wife, Rose; three sons, Vincent, Hector and Albert, all of Pontiac; and a daughter, Mrs. Carl Mauro of Pontiac.

Service will be held at 10 a.m. Monday from St. Vincent de Paul Church with burial in Mount Hope Cemetery.

The rosary will be said Sunday at 8 p.m. at the Melvin A. Schutt Funeral Home.

MRS. WILFRED TAYLOR

Word has been received of the death of former Pontiac resident Mrs. Wilfred Taylor, 44, of Redwood City, Calif. She died after a long illness.

A member of St. Vincent de Paul Church, she had been active in Girl Scout activities.

Surviving are her husband; a son Wilfred Jr.; six brothers, Edmund, Frances, Joseph and Leonard Dionne all of Pontiac, Henry and George Dionne, both of Marquette; and three sisters.

Mrs. Taylor's body will be taken to the Tonnella Funeral Home in Marquette for service and burial Monday.

JOHN M. BARCLAY

IMLAY CITY — Service for John M. Barclay, 95, of 6280 Imlay City Road, will be at 10 a.m. tomorrow at the Muir Brothers Funeral Home. Burial will be in Elbridge Cemetery, Hart.

Mr. Barclay died Wednesday after a long illness.

Surviving are a daughter, Mrs. Marie McGinnis of Almont; three sons, Renan and Eldon, both of Almont, and Frank of Romeo; seven grandchildren; and 15 great-grandchildren.

EDMUND SHINMAN

AVON TOWNSHIP — Edmund Shinman, 65, of 3078 Melvin Road, died today at Pontiac General Hospital following an illness of one month. His body is at the Moore Chapel of the Sparks-Griffin Funeral Home, Auburn Heights.

Surviving besides his wife Mary are his mother Mrs. Hilda Shinman of Ohio; a daughter, Mrs. Violet Dailey of San Diego, Calif.; four sisters; and three brothers.

FRED L. SMITH

ORION TOWNSHIP — Service for Fred L. Smith, 61, of 2765 Buckner Road, will be at 2 p.m. tomorrow at the Pursley Funeral Home, Pontiac. Masonic graveside services will follow at White Chapel Memorial Cemetery, Troy.

Mr. Smith, a member of Lake Orion Lodge No. 46, F&AM, and Lake Orion Chapter No. 340, OES, died yesterday after a one-day illness at St. Joseph Mercy Hospital, Pontiac. He also was a member of the Lake Orion Community Bible Church.

Surviving besides his wife Elsie are two sons, Budette of Lake Orion and Budell of Wish Ram, Wash.; four sisters, Mrs. Alice Davis of Lake Orion, Helen Smith of East Alton, Ill., Mrs. Dolly Rhinhart of West Palm Beach, Fla., and Mrs. Ethel Burke of Pleasant Hill, Ill.; a brother; and 11 grandchildren.

New Type Juice From Apples Uses Vitamin C

GENEVA, N.Y. (UPI)—A new-type "natural" apple juice has been developed at the New York State Agricultural Experiment Station.

According to food scientists there, the product "is a cloudy juice which retains the body of the freshly pressed fruit and, because it is pasteurized soon after pressing, it keeps well on the shelf so that it can be had the year around."

The new-type juice is made by adding ascorbic acid or vitamin C to the apples as they are ground up and just before they are pressed. The ascorbic acid protects the juice from discoloration and change in flavor due to the action of oxygen in the air.

Apple juice produced by this method also is said to be much more nutritious than ordinary apple juice or cider, comparing favorably in vitamin C content with citrus juices.

Rocket Called SLAM Now Being Studied

CAPE CANAVERIAL, Fla. (AP)—Several companies have begun design studies for a nuclear-powered global range rocket called SLAM, capable of hitting targets anywhere in the world from mobile U.S. launching sites.

* * *

SLAM, not expected to be ready for several years, would carry multiple hydrogen warheads at supersonic speed.

It would be able to maneuver in space to avoid enemy defense measures and could approach targets from several different altitudes and directions.

His Bad Cold Stretched Out Into Long Deal

PULLMAN, Wash. (UPI) — Think a cold causes you trouble? Then how would you like to have four-and-a-half feet of lung trouble?

* * *

That was what ailed a patient named "Crud" at the Washington State University College of Veterinary Medicine Clinic.

The patient was an eight-foot, three-inch boa constrictor owned by Dick Parr, a student at the University of Idaho nine miles from here.

A wonder drug did wonders for "Crud," but he had to do his recuperating at Parr's boarding house. The WSU clinic just doesn't have facilities for housing sick boa constrictors.

* * *

Not that he gave anybody any trouble. Explained Dr. Hugh Butler, "he was too sick."

Can't Get Out of the Rut

GENEVA, N.Y. (UPI) — Dora Hoban is a consistent bowler. She rolled games of 147, 146 and 147 on one occasion and 138, 139 and 138 on another in league competition.

Exchange Club Marks 50 Years of U.S. Movement

The Pontiac Exchange Club marked the 50th anniversary of Exchange Clubs in America at a noon luncheon meeting at the Waldron Hotel today.

* * *

The first exchange club was founded in March, 1911, by a group of Detroit businessmen. The Pontiac club was chartered in 1924.

Chairman of the anniversary celebration was John C. Cowe. President of the local club is Donald W. Porter.

Highlight of the luncheon was a huge birthday cake. The club's purpose is to exchange ideas with others and plan projects for community betterment.

* * *

"The idea, which began right here in the Detroit area, has come a long way," said Porter.

* * *

"Today, Exchange Clubs are to be found in hundreds of communities in the United States and Puerto Rico."

Tax Tips Are Boon to March of Dimes

CLIFTON, Ariz. (AP)—Frank B. Alvidrez, a bartender, has achieved a reputation as a specialist in figuring income taxes.

Each year rich and poor line up for his advice. He gives it free, but some of Frank's friends drop tokens of thanks into a gallon whisky bottle placed on the bar.

Once a year, Alvidrez tips the jug and pours several hundred dollars into the March of Dimes campaign.

Pays Her $80 Tax Bill by the Quart in Maine

MACHIAS, Maine (UPI) — To cover an $80 tax bill, a former Machias woman handed tax collector Robert Smith 4 two-quart containers of pennies.

A count showed that there were 8,001 of them. The town is holding the extra penny for the woman because it would cost more than one cent to mail it to her.

More Tips for That April 17 Date

Pensions, Gifts: Some Taxed and Others Not

(Editor's Note: Just what does the government consider income for tax purposes? Its definition is quite a bit different from the general usage of the word. This, the last of five articles, explains the income you must remember and the income you can forget when tax time rolls around.)

By FRANK CORMIER
AP Staff Writer

Here's an income tax tip that might prove more worthwhile than any other: If you've got a refund coming, don't vanish.

Sounds foolish? Maybe so, but that's exactly what happens to thousands of cases each year.

The Treasury is currently trying to locate $8,340 taxpayers who are due refunds totaling $2.7 million.

Many of these people didn't write legibly on their returns. Others moved without giving the post office a forwarding address.

Another mistake some people make is to report income that is

exempt from tax. Types of exempt income include:

* * *

Social Security benefits, unemployment compensation and payments under the Railroad Retirement law.

Inheritance and death benefits from life insurance policies.

All government payments to veterans and their families, except retirement pay not connected with a disability and interest on terminal leave bonds.

Gifts of cash or things of value for which you perform NO service whatever. However, contest or quiz show winnings are taxed.

Interest on state and municipal bonds, subsistence and rental allowances for members of the armed forces and dividends on GI life insurance policies.

SICK PAY EXEMPT

Pay received from your employer while you were sick, within strict limits spelled out in the instruction booklets distributed with tax forms.

Some income from pensions and annuities, also explained in the instructions.

Prizes and awards recognizing past accomplishments in civic, literary, artistic, educational, scientific, charitable or religious fields.

Scholarships if the recipient is a candidate for a degree; if not, the maximum amount exempted is $300 a month for 36 months provided certain other requirements are met.

* * *

The first $50 of dividends on most stock ($100 if you file a joint return and own the shares jointly with your wife). You may also be eligible for a special tax credit if you had more than $50 of dividend income. Rules are given in the official instructions.

* * *

Taxable income includes wages, salary, bonuses, commissions, fees, tips, interest, dividends, profits from the sale or exchange of property, rents and royalties, income from estates and trusts and profits from farm, business or profession.

Alimony and separate maintenance payments are taxed if received from someone entitled to deduct them on his or her tax return.

You also must pay taxes on any expense money provided by your employer if you collected more than you actually spent on the job. You pay tax on the excess.

If you spent more than you collected from your boss, you may be able to deduct the excess. Deductible on page 1 of tax forms 1040 and 1040W are:

* * *

1. Expenses of overnight business trips, but not including entertainment and personal outlays.

2. Transportation expenses, but not including the cost of getting to and from work.

3. All necessary and ordinary expenses of outside salesmen.

Other job-connected expenses are deducted among "miscellaneous" items on page 2 of the tax forms.

You may also deduct in some cases, the cost of education connected with your job. The rules and procedures are given in the IRS instructions.

If you have any questions about any tax matter, IRS is the place to go.

You may reach the agency by phone or in person and there is no charge for its help. If you take up a problem with IRS now, you may save yourself trouble in the future.

(The End)

Alaska's current population is about 185,000.

Asks for Examination in the Theft of $625

A Pontiac man faces prosecution in the theft of $625 from a trunk in the home of an 86-year-old woman.

Elmer Yardbrough, 39, 328 Chrystal Lake Drive, Wednesday demanded examination in Municipal Court on a charge of grand larceny in the theft reported to Pontiac police by Jeanette B. Smith, 48 Hibbard Court.

She told officers the money was stolen on March 24. Yarbrough had been working for her that day.

* * *

Municipal Court Judge Maurice E. Finnegan released Yarbrough on $200 bond pending the pretrial hearing April 5.

Any Fringe Benefits?

FORT WORTH, Tex. (UPI) — The Weather Bureau is advertising a job with free room and board. It's at the North Pole and pays $6,505 plus a $322 bonus. The requirements? Experience in electronics and no wife or family.

Locked a Getaway Car

OLEAN, N. Y. (UPI) — Maynard Tompkins, 39, was sentenced to three months in the Cattaraugus County Jail after admitting that he rolled a $39 power lawnmower from in front of a supply store and took it home by taxie.

Reservist Finds April 1 Is Just Not His Day

ST. LOUIS, Mo. (AP)—Joseph C. Schardt Jr., of suburban Berkeley, an Air Force reservist, is looking with some apprehension to April Fool's Day in 1971.

★ ★ ★

Here's why:

On April 1, 1941, Schardt was drafted.

On April 1, 1951, he was recalled for duty in the Korean War.

Saturday he starts a special month-long assignment at Scott Air Force Base, Ill.

Forsees Pickup of Work Force in Near Future

NEW YORK (AP) — A pickup in orders is causing some manufacturers to plan a gradual buildup of their work forces, the Wall Street Journal reported today.

The Journal said a survey it made of 66 major companies throughout the country showed nearly one-half of them plan to add employes in the next two months.

For some industries and companies it may mark the first job increase in several months.

A new alarm system uses Western Union wires to carry signals from 100 strategic air force installations to six centers automatically reporting a nuclear explosion.

Pontiac Press Photo

DO UNTO OTHERS — Yesterday on Maundy Thursday men of the Pike Street Church of God observed the rite of washing of the feet which Jesus instituted on the night in which he was betrayed. Christ washed the disciples' feet giving the example, that to follow Him, one must be willing to serve another. The Rev. Estel Moore (right) kneels to wash the feet of Robert King of 432 Squirrel Road, Auburn Heights (left) and George D. Williamson of 451 N. East Blvd. United Good Friday services were held at Central Methodist Church and many neighborhood churches at noon today in commemoration of the death of Christ on the Cross.

Will Fight Cut in Missile Jobs

Broomfield Says State Can't Stand to Lose Any Chrysler Work

Congressman William S. Broomfield, R-Oakland County, said he would fight any attempts to slice the production of parts for the Minuteman missiles at the Chrysler plant in Sterling Township.

★ ★ ★

"We can't stand to lose one more contract at Chrysler," Broomfield said from his Washington office.

He said many county residents are employed at the plant and any cutbacks, as the result of President Kennedy's order revising missile production, would "seriously affect the employment there."

★ ★ ★

He said he had received a letter from Maj. Gen. Thomas C. Musgrave Jr., director of the legislative liaison for the Air Force, stating that soon reviewing teams would be visiting plants in the country which hold contracts for the production of the Minuteman missile.

★ ★ ★

Broomfield said the offical stated that the purpose of the visits will be to determine whether present contracts will be canceled or a portion of them changed to other areas.

★ ★ ★

"There's a great possibility that the Air Force will cut back quite severely the production of this missile," the congressman said, "and this will hurt our employment situation in the state and Oakland County, which is already hurting."

Average U.S. Citizen Is 29½ Years of Age

WASHINGTON (UPI)—The average age of U.S. citizens is 29½ years, according to the Census Bureau's 1960 census figures.

In the 1950 census the median was 30.2 years. The decline shown in the 1960 census was the first recorded since the first federal head-counting in 1790, the bureau said.

Dance Date to Be Kept After Wait of 18 Years

By STU GROSS
Staff Writer, Saginaw News
Written for the (AP)

SAGINAW — The story starts with the sadness of war, but it has stardust sprinkled on it and the ending has the happiness and gaiety of youth.

On April 18, 1942, in New London, Conn., there was a pretty wedding in which Dorothy Nuechterlein of Frankenmuth, became the bride of Ensign William Cuthbertson Jr.

The best man and matron of honor were Lt. and Mrs. J. M. McMahon, parents of two boys, Mike, 3, and James, then a baby. Their lives were to be intertwined in death and in events that make this story possible.

Shortly after the wedding, the young ensign and lieutenant were assigned duty on the submarine Grunion.

It sailed from New London, through the Panama Canal and into the waters of the Aleutians. There on Aug. 2, 1942, the sub was lost with all hands on board.

Mrs. Cuthbertson came back to Frankenmuth to live with her parents, Mr. and Mrs. Carl Nuechterlein. Mrs. McMahon and her two sons also left New London. They never saw each other again, but kept in contact by letters.

Mrs. Cuthbertson gave birth to a baby girl, Nancy Lee, Jan. 27, 1943, and on Feb. 1 a telegram was delivered to Nancy at Saginaw's St. Mary's Hospital.

It said: "Don't forget our date for Annapolis hop in 1961. If you like rugged men count on Jim or curly-headed Mike." It was signed "Jim and Mike."

KEEPS PROMISE

Both boys tried for Annapolis. Jim's eyesight kept him out. Now he's studying in a university in Germany. Mike made it, and is a senior at Annapolis.

★ ★ ★

The date which was arranged for them in infancy is being kept in maturity. Nancy and her mother fly to Washington to meet Mrs. McMahon. Nancy will dance Saturday night at the annual midshipmen's Easter ball with Mike as her partner.

Deportation Orders Started for Costello

WASHINGTON (UPI) — The Department of Justice today announced it has launched formal deportation proceedings against Frank Costello, reputed Mafia underworld kingpin.

Costello is serving a five-year sentence for income tax evasion at Atlanta Federal Penitentiary. He is due to be released in June.

The Justice Department said the U.S. Immigration Service ordered him to register as an alien today and prepare to show cause at an April 10 hearing why he should not be deported.

Send Planes to France

WASHINGTON (AP) — The Air Force said today 16 C130 jetprop transport planes are being sent to France to strengthen the U.S. airlift force in Europe. The aircraft will start flying Saturday to Evereux Air Base in France and from Sewart Air Force Base in Tennessee.

Hoffa Is Saying Reuther Wants Teamsters Back

BOSTON (AP) — The Boston Globe today quoted Teamsters Union President James R. Hoffa as saying Walter Reuther has interceded for return of the teamsters to the AFL-CIO.

The teamsters Union was expelled from the AFL-CIO shortly after Hoffa's re-election, on grounds it was dominated by corrupt influences.

The account quotes Hoffa as saying that Reuther, president of the United Auto Workers Union, recently called AFL-CIO President George Meany in an effort to reinstate the Teamsters. Meany was against it, Hoffa said.

Hoffa, according to the Globe said Emil Mazey, also a UAW official, was present when Reuther made the call but in Detroit a UAW spokesman quoted Mazey as saying no such call was made in his presence.

Seeks to Prove Insanity in Murder of Woman

Accused murderess Sarah Sue Lawrence denied before an all-women jury yesterday she killed an Independence Township woman in a fit of jealousy and hoped to evade punishment by reason of insanity.

Under cross-examination by Senior Assistant Prosecutor Jerome K. Barry Jr., Mrs. Lawrence, 35, of Berkley, also denied faking a blackmail plot.

The 12 jurors, impaneled Tuesday to hear the first-degree murder trial of the former beautician, were excused at noon today from further duty until Tuesday when defense attorney James Renfrew might conclude his case.

TELLS OF ACCIDENT

Renfrew attempted to show by today's brief testimony — cut short by Good Friday church services — that Mrs. Lawrence sustained severe head injuries in a 1957 auto accident, and this led to a mental disturbance. Renfrew seeks to prove Mrs. Lawrence was insane when she allegedly shot Mrs. Wyvona Delores Crenshaw, 32, of 6230 Snow Apple Drive.

Mrs. Lawrence dated Mrs. Crenshaw's husband, Donald, 28, of 28 W. Colgate Ave., before the Crenshaws were married four months before the April 18, 1959 shooting.

She was judged insane and committed to Ionia State Hospital. She was released to face trial.

★ ★ ★

Barry questioned Mrs. Lawrence in an attempt to break down her story that she had been receiving threatening phone calls and that Crenshaw had given her the murder weapon as protection against her husband Wayne, who was seeking a divorce from her.

Earlier, Mrs. Lawrence admitted reading a book entitled "Blackmail" because "when I was giving Don money it was sort of like blackmail and I wanted to read about it."

Crenshaw has denied blackmailing Mrs. Lawrence. He said he asked for the money because of financial difficulties.

ALL'S WELL THAT ENDS WELL—Test pilot Joe Walker is a most happy fellow as he tells his tale of a trip to the edge of space. Walker piloted an X15 to a record altitude of 31 miles and returned the rocket ship to Edwards Air Force Base, Calif. It was a harrowing trip. He lost his cabin pressure 7 minutes before being dropped from the mother ship; his engine stalled just after drop; and he was buffeted by a mysterious vibration on the way down.

Pilot of X15 Describes Flight to Edge of Space

EDWARDS AIR FORCE BASE, Calif. (AP) — Joe Walker, X15 pilot who rode the rocket ship higher than man has ever flown before, describes the sensation 31 miles up this way:

"You feel like you're beginning to get out there where some day you'll see both sides of the old ball."

* * *

Too much cloud cover hampered Walker's view on Thursday's record flight, but it was still a thrill.

"I'm almost positive," he said, "that I could see all of the California coastline and portions of the Baja California (Mexico) coast."

* * *

Walker achieved the peak altitude of 165,000 feet with the X15's powerful new engine at three-quarter throttle. An X15 with a smaller engine set the old record of 136,500 feet last year.

GREMLINS AT WORK

A series of mishaps caused Walker some anxious moments.

First, he lost his cabin pressure seven minutes before the rocket ship was due to be dropped from the wing of the B52 mother ship.

Then the rocket engine stalled and it was several seconds before Walker was able to get it started again.

* * *

"It felt like five hours," he said.

On the way down he ran into mysterious buffeting at about 80,000 feet.

* * *

"I've never experienced anything like it," the pilot said.

The craft stopped vibrating after a short period, and Walker glided in for a landing without further incident.

His top speed was mach 3.9, or 2,590 miles per hour and the X15's fuel burned for only 79 seconds. The entire flight lasted 10 minutes.

* * *

At the top of his arc, Walker was weightless for two minutes—twice as long as man had previously experienced.

Walker, strapped to his seat, still felt unsupported.

"You feel like you're falling through the air," he said. "But there was no problem. I could handle the ship the way I was supposed to."

An X15 is expected eventually to reach an altitude of 100 miles and speeds up to 4,000 m.p.h.

Wife's Murder Is Blamed on Her Cooking

CAMDEN, N.J. (AP)— An elderly man walked into police headquarters Thursday, officers said, and told the sergeant on duty, "I just killed my wife."

"What did you do that for?" the sergeant asked.

"Everytime I ate her food, I got sick," the sergeant quoted Nish Torrence, 71, a retired freight handler, as having said.

The police went to his home and found his wife, Mary, 67, shot to death.

Three doctors whom Torrence had consulted told the police there was nothing wrong with the man's stomach. Torrence was held on a homicide charge.

'We Want Freedom'

CAIRO (AP)—The third All-African People's Congress closed Thursday with more than 200 delegates from 34 countries demanding immediate independence for all Africa. Resolutions denounced Western aid but made no bid for Communist help.

Discoverer Fails to Climb Into Orbit

VANDENBERG AIR FORCE Base, Calif. (AP) — Discoverer XXII, the first of its kind equipped to take directions from the earth, failed to go into orbit after a smooth launching Thursday.

It was the first failure in the last six shots of the Discoverer satellite series. The Air Force said only that there was a mechanical malfunction.

* * *

Discoverer XXII carried the heart of an embryo chick, human bone joint cells and live brain tissues from embryo chicks. They were to be part of a continuing test of radiation effects on living matter. The plan was to eject and try to recover the satellite's capsule.

Negro College Month

LANSING (AP)—Gov. Swainson has proclaimed April as United Negro College Fund Month in Michigan. The governor urged all citizens to recognize the essential contributions made by Negro colleges and to contribute to the fund for their support.

4 Basic Steps Will Complete Your Ballot

This is the ballot you will see Monday when you walk into the voting machine.

County Clerk Daniel T. Murphy Jr. has suggested to all voters that they follow the four basic steps outlined in this drawing "to make sure the entire ballot is voted."

There are often complaints that voters overlook certain portions of the ballot.

The Pontiac Press presents this drawing, identical to Monday's ballot with the exception of some local questions and section (4) on local offices which varies by the area.

★ ★ ★

First step will be to vote the two state questions — they will be printed in pink — at the top of the machine. Any local questions up for a vote Monday will follow along this same strip.

Next move down is to step No. 2 (white) to vote on the statewide educational and administrative board positions.

Step number 3 (in blue) will allow you to vote on two nonpartisan positions on the State Supreme Court. This is often skipped — by mistake.

Now down in the right-hand corner — further to the right than shown on this sample ballot — will be the election of local officers for either your township or city. No names are shown here but will, naturally, be listed on your Monday ballot.

Not all cities will have this step but all 24 townships will. However, the first three steps will be on all ballots throughout Oakland County and the rest of the state.

350 Students Arrested at Coastal Resorts

PALM SPRINGS, Calif. (UPI)— The biggest and wildest invasion of vacationing high school and college students in history has hit Southern California's resorts, resulting in almost 350 arrests.

Palm Springs police, confronted by the influx of students, have been forced to call for help from the California Highway Patrol and other enforcement agencies.

Since Friday 94 rampaging youths have been arrested in the Palm Springs area on charges ranging from disorderly conduct to drunkenness. More than 400 traffic violations have been issued.

Two Michigan Teens Die as Car Hits Train

CARLETON (UPI) — Two teenagers were killed early today when their automobile crashed into the side of a Chesapeake & Ohio freight train near this Southeastern Michigan town.

The victims were Karen Fargo, 16, of Dearborn and Richard Souders, 18, of Inkster.

Norma Olesko, 17, of Dearborn, one of four other occupants of the car, was injured. She was treated at Wayne County General Hospital for shock.

A spokesman for the railroad said the crew of the freight train, bound from Toledo to Detroit, did not know of the accident until reaching Detroit.

Police said the youths' automobile struck the train's 32nd car.

Six Die in Head-On Crash

WELLINGTON, Tex. (UPI) — Two cars crashed headlight to headlight early today and killed six persons, four of them members of one family. There were no survivors.

Asks City's Aid in Youth Plan

McGregor Fund Runs Dry; Agree Education Board Should Help

City commissioners, meeting informally last night, heard a proposal that the city share in the expense of operating the youth assistance program, started in the fall of 1959.

★ ★ ★

It was agreed that the board of education should be asked to carry a share of the $14,000- to $18,000-a-year cost as well.

Operating monies from the McGregor Fund in Detroit ran out the first of the year. Since then, Oakland County Probate Court's Juvenile Division has been paying George Carronis, executive director of the youth assistance program, and his small staff to continue their work.

Carronis and the staff, operating out of a City Hall office, were signed up as county employes when Probate Judge Arthur E. Moore won city backing of the assistance program.

★ ★ ★

Working only with Pontiac children, the social workers handled 171 problem cases last year, referring them to various social groups and governmental agencies for help under a widespread cooperative program.

The General Citizens Committee overseeing the program recommends now that the city pick up the tab.

Priest Gets Jail Term in Fatal Auto Crash

ANN ARBOR (UPI) — Rev. Andrew Pawelczak, 59, a Roman Catholic priest of Warren, was given a 6-month jail term Thursday in a traffic death. He was also ordered to pay a fine and costs of $300.

Father Pawelczak, who pleaded guilty to manslaughter, also was placed on probation for five years.

Judge James Breakey handed down the sentence in Washtenaw County Circuit Court in the death last Aug. 6 of Edward McBain, 91, of Jonesville.

McBain was a passenger in a car with which Father Pawelczak's car collided on U.S. 112 southeast of Ann Arbor. Police said the priest's car had crossed the highway center line before the collision.

To Resign as Chairman of Kent County Dems

GRAND RAPIDS (UPI)—Albert G. Salter will resign as chairman of Kent County's Democratic organization April 10.

Salter, in announcing his resignation, called an executive committee meeting for next Tuesday so that a new chairman may be chosen.

Salter said he is resigning because he has accepted a position as director of a new business for W. B. Doner & Co., a Detroit advertising firm.

Largest denomination of U.S. currency is the $10,000 bill.

Continental Motors Gets $17.4 Million Contract

DETROIT (UPI)—Award of a $17,412,370 contract to Continental Motors Corp. at Muskegon for continued production of tank engines was announced today by the Detroit Army Ordinance District.

Col. J. E. Johnston, district commander, said the contract assures continued employment of approximately 1,000 persons at the army-owned Muskegon ordnance plant until at least August 1962.

Personal injury accidents usually hit a peak in July, August and September and a low in January, February and March.

Eyes Information Center

LANSING (UPI) — The State Highway Department says a highway information center will be built in Gogebic County in 1963 "if the legislature approves."

About 5,000 Americans are drowning victims each year.

Report on Lake Surprises City

Commissioners Learn State Thinks Pollution in Crystal 'Minor'

Pollution in Pontiac lakes continues to be a headache at City Hall.

On the subject of Crystal Lake on the west side of the city, city commissioners learned during an informal meeting last night that the water resources commission considers pollution there "minor" and not significant enough for legal action.

This was the verdict on the basis of tests last fall, reported Loring F. Oeming, chief engineer for the commission, in a letter to Pontiac officials.

Surprised at the report, commissioners decided to have Charles Cohen, city sanitarian, ask the state board if the lake is considered safe for swimming. They anticipate a negative answer.

DRAIN DRIED UP

Oeming conceded that at the time of the tests, the Ward Orchard's country drain from Bloomfield Township was dried up, although the West End county-drain from Waterford Township wasn't.

Cohen, in a previous test, had said pollution enters the lake through both drains.

Meantime, City Engineer James N. Carlisle has promised to report on progress in rehabilitating drains leading into Harris Lake near Fisher Body and Pontiac Motor divisions. He said there is pollution there, too.

Neither of the lakes is considered suitable or safe for swimming, although there are hopes that Crystal Lake could be used for swimming if the pollution is ever cleared up.

Plan Spacecraft for All-Out Assault on Moon

CAPE CANAVERAL, Fla. (UPI)—U. S. space scientists plan an all-out assault on the moon, Mars and Venus starting in 1962 with a series of spacecraft bearing the names Ranger, Surveyor, Prospector, Mariner and Voyager.

Ranger will be a lunar impacter launched by an Atlas-Agema B. Surveyor will be a lunar soft-lander launched by a Centaur rocket.

Prospector will be launched by a Saturday to land a mobile laboratory on the moon with a traveling radius of 50 miles.

Mariner will include several planetary probes launched by Atlas-Agena B, to the vicinity of Mars and Venus.

Voyager will be a series of later planetary probes, launched by Saturn rockets to orbit Mars and Venus and probably to eject instrumented capsules for landing on these planets.

Liz Will Try to Make Oscar Presentations

LOS ANGELES (UPI) — Elizabeth Taylor, whose recovery from a close brush with dead in London is expected to take from two to four months, will do her best to attend the Academy Award presentations.

This was a promise made by her husband, singer Eddie Fisher. "She'll be at the Oscar presentation April 17 if she can make it," he said Thursday in an interview.

End to Air Dispute Eyed

WASHINGTON (UPI) — President Kennedy's special commission to study the flight engineers' dispute will begin closed meetings April 11 to try to settle the engineers' dispute with airline pilots.

Tanned Students May Find It Hot Back at MSU

EAST LANSING (AP) — Any student with a fresh tan will have to explain himself if he applies for a loan after the spring vacation at Michigan State University.

★ ★ ★

If the student had money enough to go to Florida for a vacation, the loan will be denied, says Dean of Students Tom King.

★ ★ ★

King also said any MSU students arrested during recent Florida beach riots probably will be asked to appear before the MSU student judiciary.

All-Day Parking to Cost 25 Cents

City Okays Plan for Lot With 109 Meters on West Lawrence

City commissioners have given the okay to the first all-day parking within the municipal parking system.

A plan for parking priced at 25 cents for 10 hours will be officially adopted Tuesday.

★ ★ ★

Commissioners learned at an informal meeting last night that legal counsel for owners of the parking revenue bonds had approved the change.

★ ★ ★

The all-day parking will be instituted at the 109-meter lot on West Lawrence Street, opposite the Salvation Army social service center west of Cass Avenue.

The rate will be five cents for two hours, from 8 a.m. to 6 p.m., or 25 cents for the whole eight hours. The meters will take from one to five nickels.

City Commissioners had decided on the change earlier this year, not only to boost revenues from the lot, but also as the first step to provide all-day municipal parking for downtown employes.

★ ★ ★

It is hoped that the all-day lot will open up more parking for downtown shoppers in the other municipal lots.

Grandma Steps Out in Flashy Sports Car

TOPEKA, Kan. (UPI) — Grandma's a resident of the Methodist Home for the Aged, but you wouldn't know it to see her driving her car.

★ ★ ★

Mrs. Marie Stadel, 73, is the proud owner and driver of a flashy, red, foreign-made sports car.

She purchased the car and explained.

"I simply took a look at the 23-year-old blue Ford I had driven since 1937 and decided it was time for a change."

Women Prefer Stores Chaotic . . . Like Home

CHICAGO (UPI)—Supermarkets are getting too efficient for women, in the opinion of Mrs. Marie Kiefer, executive director of the National Association of Retail Grocers of the United States.

Mrs. Kiefer, writing in the association's National Bulletin, blamed it all on men.

"The male architects, engineers and owners of grocery stores like things logical, orderly and organized," she said, while women are accustomed to the chaos of child rearing, meal preparation and general family life.

"Women feel more at home in stores where there's a little happy confusion," Mrs. Kiefer said.

ALL IN ONE PILE — You're looking at one million dollars. Seated behind the currency, ranging from dollar bills to a ten thousand dollar bill, is Mrs. Marie Reed, teller of a Linden, N.J., bank which displayed the money under guard to encourage savings.

Russian Landslide Kills 145 Near Kiev

MOSCOW (AP)—An earthslide near Kiev killed 145 people and caused millions of dollars in damage on March 13, the Kiev newspaper Pravda of the Ukraine announced today.

Another 143 persons were hospitalized, but by Thursday 84 had been released.

It was one of the worst natural disasters reported in the history of the Soviet Union.

The slide occurred near Babiyar, the tragic ground where the Nazis massacred tens of thousands of Jews and Ukrainians during World War II.

Minor Party Vote Count to Get Special Attention

LANSING (UPI) — The elections division of the secretary of state's office says it is going to make sure that the vote for all minor party candidates is properly tallied in Monday's spring election.

A recent check showed votes for minor party candidates were improperly or carelessly tallied in the last election, the division said.

Korean to Visit U.S.

WASHINGTON (AP) — Kwak Sang Hoon, speaker of the Korea House of Representatives will pay an informal visit to the U.S. in May or June, the State Department announced today. He will spend about two weeks in Washington and then tour the country.

Don't Dismiss Minor Suit, Chrysler Asks Judge

Chrysler Corp. yesterday asked Circuit Judge Clark J. Adams to protect its interests in its lawsuit here against former official Jack W. Minor and not dismiss the suit as requested by Minor's attorneys.

In a 15-page brief submitted to the judge by R. W. Rogers of the Detroit law firm of Dickinson, Wright, McKean & Cudlip, the corporation said the lawsuit filed in Oakland County Feb. 3 against Minor is not similar to two lawsuits filed by Minor in Wayne County Circuit Court.

The corporation filed suit against Minor, of 1536 Dorchester Road, Birmingham, asking that the former director of the Plymouth-DeSoto-Valiant Division submit an accounting of the assets he received with four subsidiary companies he owned interest in and with which Chrysler did business.

Minor sued the corporation in the Detroit court Jan. 9 asking $200,000 for damages to his reputation and job chances because of his ouster, and another $25,000 as his share in a Chrysler stock ownership program in which he participated while working for the corporation.

★ ★ ★

The reply from Minor's attorney, Edward P. Echlin, to the corporation's brief is due around April 14.

Briefs are merely preliminary to when the original Oakland County lawsuit will be heard.

Rogers asked Judge Adams to hear the corporation's suit, claiming this court has "inherent jurisdiction" and the no other relief from Minor's participation in the four firms is available.

★ ★ ★

"Minor's employment with Chrysler burdened him with fiduciary duties which he breached," the brief said.

"Chrysler urges this court in chancery to try Chrysler's claims, irrespective of the prior pendency of Minor's actions at law," it said further.

Chinese Priest Dies in Shanghai Prison

HONG KONG (UPI)—The Rev. Aloysius Wang Jen-Shen, one of 13 Chinese Roman Catholic clergymen sentenced with an American bishop to long prison terms in Communist China a year ago, was reported today to have died in a Shanghai jail.

The Catholic newspaper Sunday Examiner said it had received word Father Wang, 53, had died Jan. 20.

Mammals first emerged in the world during the Age of Reptiles. The first ones were little insect eaters, many of them living in trees.

Okays Inquires Into Ambulance Service for City

City commissioners last night authorized City Manager Walter K. Willman to make inquiries into proposals to begin ambulance service in Pontiac.

Willman said offers have come from one source to handle police department calls without a city subsidy and from two others with subsidies.

The manager said that the ambulance situation is still under control with the fire department inhalator crews answering almost all the calls for help.

"The number of calls have fallen off since the old outfit pulled out," Willman told commissioners at an informal session.

On Feb. 24, Superior Ambulance Service quit taking police department calls and virtually went out of business, saying it had lost $3,000 in unpaid service bills in six months and could only continue operating through a city subsidy.

Since then, Pontiac funeral directors have offered to make runs on an emergency basis, but not on a regular basis.

Meetings Are Fun to 80-Year-Old Man

JOHNSTOWN, Pa. (UPI)—Irvin G. Hildebrand, 80, probably holds some sort of record for attendance at school board meetings.

Since 1910 Hildebrand has attended some 595 monthly sessions of the Conemaugh Township School Board, missing only about five times.

A retired steelworker, Hildebrand explains that "Besides keeping up on school business, I just like to go to the meetings." He has eight children, 12 grandchildren and nine great-grandchildren.

AEC Calls 1960 Year Its Safest in History

WASHINGTON (UPI) — The Atomic Energy Commission said today that 1960 was the safest in its 13-year history.

But it noted that there have already been twice as many accidental deaths in 1961 as occurred all of last year.

In 1960, four men were killed in AEC operations. The 1961 total thus far is eight.

The status symbol afong East African tribesmen is the cow. The larger a man's herd of cattle, the wealthier he is.

Jungle Rises Inside Dome

Study Climate Control Inside of Geodesic St. Louis Structure

ST. LOUIS (UPI)—All the features of the steaming Amazon and a Panamanian rain forest, save wildlife, are available to visitors at the Missouri Botanical Garden's new Climatron.

This adaptation of Buckminster Fuller's geodesic dome, which is the world's first display greenhouse completely air conditioned and moisture-controlled, permits botanists to reproduce steaming jungles and the thick vapors of a rain forest without the use of partitioning.

The first impression a visitor has after entering the plastic dome is that of a completely foreign surrounding. Breezes, created by giant fans and air vents, together with the almost shadowless enclosure provide the sensation of spaciousness and the outdoors.

Located in what is known to St. Louisans as Shaw's Garden, the Climatron is the outgrowth of Dr. Fritz W. Went's studies in climate control systems.

Temperatures ranging from 75 to 100 degrees are created by advanced developments in air conditioning inside the 70-foot high, 175-foot wide enclosure.

The interior is divided into two levels. The upper level contains replicas of coffee, tea and rubber plantations.

In the near future, when the young plants mature, officials plan to cut paths into the thicket to allow visitors to walk through the dense plant life common to a jungle.

Jail and Fine Awaits Shipper of Arms to Congo

WASHINGTON (UPI) — The State Department has announced that any American plane or ship captain caught carrying arms to the Congo would face a year in prison and a $1,000 fine.

★ ★ ★

The order, announced Thursday, applies to weapons, ammunition, bayonets, planes and parts, trucks, buses and jeep-like vehicles. The State Department said it would not matter where the arms were being shipped from if the shipper was an American citizen.

★

Officials said the Commerce Department, which approved the order, would approve arms shipments to the Congo requested by the United Nations.

India Second to U. S. as Movie Producer

NEW DELHI (UPI)—India is the world's second largest film producer country, beaten only by the United States.

★ ★ ★

In 1959, India produced 402 full length films, 310 feature films, 112 documentaries and 52 newsreels.

These were shown in the country's 4,200 movie houses with an estimated 700 million attendance.

There are 63 film studios, mostly concentrated around Bombay, Madras and Calcutta. They employ more than 100,000 people.

Over Half of County's 22 Townships Have Races

Expect 100,000 Voters to Invade Polls on Monday

Over 100,000 residents of 22 Oakland County townships are expected to turn out at the polls Monday to cast their ballots in the biennial spring election.

Aside from choosing their favorite candidates for public office, voters in Oxford, White Lake, Farmington, West Bloomfield, Holly and Independence townships also will decide local propositions.

In over half of the townships there are races for most offices while in the other half only the incumbents, with a few exceptions, are seeking re-election to their present posts.

★ ★ ★

The polls will be open from 7 a.m. to 8 p.m. All those in line at 8 will be allowed to vote.

Following is a roundup of candidates and issues to appear on Monday's ballots:

Royal Oak

Supervisor: Incumbent Elwood C. Dickens; Clerk: Incumbent Mrs. Artie Gray; Treasurer: Frank Miles; Trustees (2): Ernest Wilson, W. C. Chambliss and James White.

Constables (4): Elijah Burt, Marshall Taylor and incumbents Square McNeal and Lonnie Thomas; Justice of the Peace: Incumbent Lonnie C. Cash; Board of Review (1): Ruth Edmundson.

White is the only Republican challenger on the otherwise all-Democratic slate.

Independence

Supervisor: Incumbent Duane Hursfall (R) and Carl K. Golding (D); Clerk: Howard P. Altman (R); Treasurer: Incumbent Kenneth L. Johnson (D); Trustee: Merle Bennett (R) and Donald DeWald (D); Justice of the Peace: James C. Russell Sr. (D) and John N. Evans (R).

Constables (3): Ferris P. Holcomb, Robert G. Phillips and Everett M. Fredericks, all Republicans.

Also on the ballot will be request for a tax increase not to exceed one-half mill to establish a free, public library in the township.

Southfield

Supervisor: Hugh G. Allerton Jr.; Clerk: Fannie Adams; Treasurer: Audrey S. Leach; Trustees (2): Richard O. Speir and Neil E. Warren; Justice of the Peace, Orland H. Ellis; Board of Review (1): Orrin S. Gulley; and constable: Robert B. Bell.

All of the candidates are Republican incumbents.

Milford

Supervisor: Incumbent Mayon Hoard (R) and Martin L. Boyle (D); Clerk: Incumbent Elizabeth S. Hubbell (R) and Mary E. Klepser (D); Treasurer: Janet Kingsbury (R) and Judith A. Konarski (D).

Trustee: Incumbent Guy L. Whitman (R) and Hugh P. Davies (D); Justice of the Peace: Benjamin R. Threloff (R) and Archie J. Noon (D); Board of Review: Howard J. Reid (R) and Floyd Fands (D).

Constables (2): Thomas F. Sutton (R), Leslie R. Geary (R) and George S. Martin (D); Library Board (2): Incumbents Mae Lovejoy (R) and Frances Smith (R).

Commerce

Supervisor: Incumbent Thomas C. Tiley (R) and Thomas Montgomery (D); Clerk: Incumbent Harry H. Helvey (R); Treasurer: Incumbent Blanche H. Cummins (R) and Barbara Liss (D); Trustee: Incumbent Claude Garvey (R) and Nelson Nedeau (D).

Justice of the Peace: Incumbent John C. Weick (R); Justice of the Peace (2-year-term): Lester Erickson (R) and William S. Munger (D); Board of Review: Incumbent Ferdinand Bowden (D).

Constables (2): John F. Miller (R) and Harold Small (R), A. F. Schwartz (D) and Richard McLennan (D).

Pontiac

Supervisor: Incumbent Leroy Davis (D) and Leonard F. Terry (R); Clerk: Incumbent Greta V. Block (R) and Dorothy Rotrink (D); Treasurer: Incumbent Goldie B. Mailahn (R) and Carmen Collins (D).

Trustees (2): Incumbent Richard Avery (D), Emery L. Mitchell (D), Kenneth E. Gidley (R) and Wayne Dever (R); Justice of the Peace: Incumbent R. Grant Graham (R).

Constables (4): Harold F. Van Housen (R), Ramon C. Block (R), Charles W. Wilson (R), incumbent Leonard B. Thompson (R), incumbent Arthur Peterson (D), Ward Rowden (D) and Melvin Jurva (D); Board of Review (1): Forist Cotcher (D) and Francis J. Evon (R).

White Lake

Supervisor: Incumbent Edward Cheya (D) and Richard O. Paschke (R); Clerk: Fred Vetter (D) and James L. Reid (R); Treasurer: Incumbent Ronald C. Voorheis (R) and Edward E. Mollencopf (D).

Trustee: Walter Weinman (D) and David Ryckman (R); Justice of the Peace: Martin C. Fitzgerald (R) and Charles H. Chill (D); Board of Review: Incumbent Lyle M. Hutchins (R) and Elizabeth Modica (D).

Constables (4): Incumbent Raymond E. Kurnz (D), Carl Shelford (D), Jerry Opdyke (D) and Jack Rose (D) and Incumbents Dollege Powers Jr. (R), and Arthur O'Hare (R) and George Chapel (R) and Thomas P. Carl (R); Highway Commissioner: Incumbent R. Brooks North (D) and James M. Niemchak (R).

★ ★ ★

Three proposals also will be decided by White Lake Township voters. The propositions seek the establishment of a planning board, a one-mill tax increase for the purchase of equipment for the police and fire departments and permission to exceed the 15-mill limitation for the additional one mill.

Approval of the planning board issue would dissolve the Township Zoning Board and permit more authority in developing a master plan for the township.

The one-mill tax hike would bring approximately $14,000 into the township and provide the police and fire departments funds to purchase and maintain equipment.

The proposition to go over the 15-mill tax limit needs to be approved if the money for fire and police equipment is to be allocated.

Springfield

Supervisor: John L. Carey; Clerk: Oscar Walz; Treasurer: Eva M. Walters; Trustee: Lloyd E. Miller; Justice of the Peace: Emmett J. Leib.

Board of Review: Glenn N. Ellis; Constables (2): Francis W. Sommers and Elwyn C. Hillman.

All candidates are incumbents, with the exception of Elwyn C. Hillman, and Republicans.

Oxford

Supervisor: Lee H. Clack; Clerk: Herbert V. Rahm; Treasurer: Mrs. Luella Francis; Trustee (1): Stanley J. Allen; Justice of the Peace: Incumbent appointee Dr. George E. Meads.

Board of Review (1): Lee B. Valentine; Constables (4): Albert E. Roberts, Lavern N. Robinson, Ray H. Westphal and Harold E. Sites; Library Board (2): Mrs. Freda Torry and Mrs. Eileen Gensley. Each candidate is running on the Republican ticket. All but Torry and Mrs. Gensley are incumbents.

A local proposition to abolish the annual township meeting also will appear on the ballot.

Addison

Supervisor: Frank F. Webber; Clerk Robert A. McCallum; Treasurer: Donald Hickmott; Trustee (1): John Dunn; Justice of the Peace: Robert C. Inwood. Board of Review (1): Peter Brewer.

Constables (4): Milward Strong; Lawson Sheik; Theodore Jarrett; and Francis Westphal. All candidates are Republican incumbents.

West Bloomfield

Supervisor: John C. Rehard; Clerk: Dorothy M. Chamberlain; Treasurer: Lillian S. Warner; Trustee (2): John F. Warren and Emmett C. DeCnick.

Justice of the Peace: Elmer C. Dieterle; Board of Review: Richard H. McClurge; Constables (2): Joseph Nephew and Edwin N. Heiron; Library Board (Two 6-year-terms): Laurette Murray and A. Finley France, (2-year-term) William E. Miller.

The unopposed candidates, all incumbents, are running on the Citizens party ticket.

West Bloomfield Township voters will be asked to approve a tax increase up to 2 mills to provide funds to meet the township financial obligation with the county for payment of the Farmington interceptor sewer.

Rose

Supervisor: Incumbent J. Wesley Duncan (R) and George Sutton (Citizens party); Clerk: Incumbent Mildred Jones (C) and Lillian Bruder (R); Treasurer: Incumbent Esther R. Downing (C) and Leroy Buah (R).

★ ★ ★

Trustee: Incumbent Ray Anton (R) and Harvey Dumas (C); Justice of the Peace: Incumbent Robert Baker (R) and Arthur Blakemore (C); Board of Review: Incumbent Allen Hill (R) and Wilbur Bigelow (C); Constable: Incumbent Jack Thorshy (R) and Harry Jones (C).

Groveland

Supervisor: Incumbent Earl B. Rhinevault (R) and Raymond Norman (D); Clerk: Donald Titsworth (R) and Alice Brooks (D); Treasurer: Incumbent Bill C. Brondige (R) and Robert Newton (D).

Trustee: Incumbent Carl R. Lozier (R) and Verta McKay (D); Justice of the Peace; Incumbent Claude M. Slater (R); Board of Review; Incumbent Arthur Stack (R) and Ernestine Webb (D).

Constables (2); Incumbents Fred Hauer (R) and James A. Algoe (R), and John L. Grovesteen (D) and Donald McKay (D).

Avon

Supervisor; Incumbent Cyril E. Miller; Clerk: Mrs. Thelma G. Spencer; Trustees (2): Incumbents Wayne Y. Holman and Lyle R. Knapp, Treasurer: Incumbent Helen V. Allen.

Justice of the Peace: Earl W. Dean; Board of Review (1): Incumbent Charles J. Sibert; Library Board (3): Incumbents Mrs. Myrese Taylor and Howard I. McGregor Jr.; Highway Commissioner: Incumbent Charles E. Bratton.

Constables (4): John F. O'Donnell and incumbents Samuel A. Howlett, Robert E. Bolinger and Garfield J. Franklin. All candidates are running on the Republican ticket.

Lyon

Supervisor: Incumbent William K. Smith (R); Clerk: Incumbent F. Lyman Joslin (R) and Dan Fo-Haack (R); Trustee: Incumbent Allen McCrory (R).

Justice of the Peace: Incumbent Edward Bourns (R); Constable; Incumbent Charles Mackey (R); Board of Review: Incumbent L. K. Shuman (R).

Holly

Supervisor: Seeley Tinsman; Clerk: Jess E. Furbush; Treasurer: Madeline Lockwood; Trustee: Russell Barrett; Justice of the Peace: Ival Paulsen; Board of Review: William Wheeler.

Constables (2): Paul Gazetti and Mrs. Catherine Allen; Recreation Board (3): Jack Montgomery, James Wheeler and Theodore Owens; Library Board (3); Mildred Montgomery, Marian Freeman and Betty Niles.

All candidates for office are incumbents, with the exception of Jack Montgomery, and all are Republicans.

Local voters will decide three questions, the sale of liquor by the glass and two proposals which would provide the continuation of funds for the park commission.

Highland

Supervisor: Incumbent Louis F. Oldenburg (R) and C. William Prince (D); Clerk: Incumbent Normagean Waters (R) and Morgan Collins (D); Treasurer: Milo DeGarmo (R) and George A. Schnitzhofer (D).

Trustee: Incumbent George A. Volkert (R); Justice of the Peace: Incumbent Roy J. Carl (R) and Paul H. Biller (D); Board of Review: Incumbent LeRoy Dean (R); Constables (4): Incumbent Henry R. Jones (R), Clarence Carlson (R), Harold J. Kinney (R), and Homer Hay (R) and Ora E. Jones (D), Homer R. Crockerham (D), Donald McGrain (D); Library Board: Incumbent Arlene A. Maynard (R), Ruth Pollack (R) and Arlone M. Hoggard (D), and Fedelis Schnitzhofer (D).

Farmington

Supervisor: Incumbent Curtis H. Hall (R) and Harold E. Shpiece (D); Clerk: Incumbent Floyd A. Cairns (R) and Ronald Hilton (D); Treasurer: Incumbent Elsie P. Avery (R); Trustee (2): Incumbent Richard Hug (D) and Arthur F. Leland (D) and Floyd R. Jaye (R) and Floyd A. Duke (R).

Justice of the Peace: Incumbent James P. Lawson (D) and Allen C. Ingle (R); Constables (4): Incumbents Frank E. Furlong (D) and Richard Salvaggio (D), Ralph Evert (R) and Bill Hicks (R); Board of Review: Incumbent Robert Harris (R).

The only local proposition Farmington Township voters will decide is a request for one-half mill for the operation of the public library. The tax levy is proposed for four years.

Novi

Supervisor: Incumbent Frazer Staman (R) and Herbert Koester (D); Clerk: Incumbent Hadley J. Bachert (R); Treasurer: Duane E. Bell (R); Trustee; Emery Jacques (R) and Harvey M. Milford (D).

Justice of the Peace: Incumbent Robert K. Anderson (R); Board of Review: Incumbent Kenneth Cook (R; Constables (2): Incumbents Leon Dochot (R) and Roger Curtis (R).

Brandon

Supervisor: Incumbent Alex R. Solley (D) and Charles B. Merrell (R); Clerk: Incumbent Galen H. Whipple (R) and Mrs. H. Lucille Sanders (D); Treasurer: Incumbent Donald J. Tucker (R) and Mrs. Wanda Crossman (D).

Trustee (1): Incumbent William McFeely (R) and Martin R. Engler (D); Justice of the Peace: Incumbent Lawrence E. Follis (D) and Charles E. Pangus (R); Board of Review (1): George Keester (R) and Glenn Kler (D).

Highway Commissioner: Incumbent Albert Primas (R) and A. William Solley (D); Constables (4): Edward F. Rettig (R); James E. Walters (R), Early J. Rowley (D), John E. Snyder (D), Leroy Bartle (D), and incumbents Glenn C. Vincent (R) and Verne G. Mills (R).

Oakland

Supervisor: Incumbent Frank J. Voll Sr. (R) and Orrin Huntoon Jr. (D); Clerk: Incumbent Lucy M. Alt (D) and Mrs. Frances Fogler (R); Treasurer: Robert W. Barkham (D) and Mrs. Muriel Bird (R).

Trustee (1): John T. McDonald (D) and George Lyon (R); Justice of the Peace (unexpired term): George E. Gels (R) and James H. Hunt (D); Justice of the Peace (4 years): Mrs. Gertrude Crane (D).

Board of Review (1): Incumbent Clarence Kramer (R) and Stuart Braid (D); Constables (2): Robert N. Williams (D) and Lester Robbins (D).

Orion

Supervisor: Incumbent Ferris B. Clark (R) and John Lessiter (D); Clerk: Incumbent Mrs. Margaret Stephen (R) and Mrs. Myrle Longpre (D); Treasurer: Incumbent William D. O'Brien (R) and Waldo C. Leipprandt (D).

Trustees (3): Incumbent appointee George Collingwood (R), Harold Van Camp (R), Daniel Abbey (R), John W. Chittick (D), Harold Gingell (D) and Kenneth Ferguson (D).

Constables (4): Wilson E. Church (R), Loren F. Clark (R), Fred Favre (R), Harold Page (D), Ray Taylor (D) and incumbents Neal E. Leonard (R), Alfred A. Crandall (D) and Lyle S. MacDermaid (D).

Justice of the Peace (unexpired and 4-year terms): Francis E. Bellville (D) and Wallace C. Crane (R); Board of Review (1): Incumbent Ernest R. Crawford; Library Board (2): Mrs. Aldona Dunaskis (D), Mrs. Lorraine Stokes (D) and incumbents Mrs. Aurora Robinson (R) and Mrs. Maude Becker (R).

EXPLAINS ABSENTEE BALLOT — Two teachers in the Lake Orion Community School System learned something new yesterday from Orion Township Clerk Margaret Stephen. The teachers, (from left) Leona and Dortha Smith, both of 442 N. Washington St. The Smith sisters, who will be out of town when the biennial spring election is held Monday, are shown receiving instructions from Mrs. Stephen on filling out an absentee ballot. Voters throughout Oakland County may obtain absentee ballots from township or city offices until 2 p.m. tomorrow.

Pontiac Press Photo

Candidates Get Nod in Caucuses

Dryden and Metamora Hopefuls Were Picked by Parties Last Month

In the Lapeer County townships of Dryden and Metamora, candidates for office were named in party caucuses last month.

Running for supervisor in Metamora Township are Republican Harold Best and Democrat William Hainds. Vying for election as clerk are incumbent Doris Hobbins (R) and Ingabord Maslin (D).

Republican incumbent Mark Kurek is opposed for re-election as treasurer by Democrat Grove C. Morse.

Other GOP candidates are incumbents Lawrence W. Smith, trustee; Mark Russell, justice of the peace; Donald Travis, board of review; Frank Best, highway commissioner; and Paul A. Tripp, Richard DeBeaubien and Albert Brauer, all Township party aspirants.

Also running for office on the Democratic ticket are Harrison Morse, trustee; Irvin Palmer, board of review; Richard York, constable; and township committee candidates Grove C. Morse, Charles Flower and Guy Russell.

Margaret Gray is the only nonincumbent seeking election in the Dryden Township balloting Monday. She is running for the treasurer's post.

The other Dryden candidates, all incumbents, are William Pickelman, supervisor; Oliver Braidwood, clerk; Dike Miller, trustee; Frank Foe, board of review member; and Rosswell Reynolds Jr., constable. All are Republicans.

Baseball Season Set, Thanks to UF Check

INDEPENDENCE TOWNSHIP—The presentation of a United Fund check for $856 to the township recreation board has assured Little League baseball for local boys next summer.

The check presentation was made by Merle Bennett, advance gifts chairman of last year's UF drive, to Leo Admstrong, recreation board chairman.

Because of the check, plans for the township's Little League were completed. This is the main activity sponsored by the recreation board.

NEWS OF THE AREA

Voting Interest High in 2 Macomb Areas

Interest is reportedly high in two of the three township elections in nearby Macomb County Monday.

★ ★ ★

They are in Shelby Township where there are races for supervisor and two trustee vacancies and a local proposition and in Bruce where the clerk post is open.

In Washington Township only the incumbents are seeking election to their present positions. All are Republicans.

Challenging Lorin E. Evans (D) for re-election as Shelby Township supervisor is Republican Joseph H. Wolf.

Bidding for the two trustee posts are Democrats Thomas Dunn and Walter Oshinsky and Republicans Lewis Malo and Donald F. Miller.

Unopposed for election as clerk is Mrs. Mae Stecker, secretary to present township clerk William R. Peper. She is a Democrat.

Running for justice of the peace is Edward S. Hancik; for highway commissioner, Jesse W. Bennett; and for the four constable vacancies, Howard Parrott, Joseph H. Moore, Charley Wallace and William G. Rogers.

All are Democrats.

★ ★ ★

Also on the ballot will be a proposition seeking 2½ mills for maintenance and operation of the township police department.

Since only the Republican incumbents filed for office in Bruce Township, no primary election was held there. But since then a vacancy has been created with the recent death of Township Clerk Conrad Turrell.

This necessitates filling the post with a write-in or sticker candidate Monday. Mrs. Velma McKeough and Edward Sutherland are campaigning for the office.

Up for re-election are Supervisor and Assessor John M. Bailey, Treasurer Hazel Kohlhagen, Trustee Wilbert G. Donaldson, Justice of the Peace Francis Castellucci, Constables Charles Meeker, Herbert Trieloff and James Reynolds and Board of Review member Hugh Stepnitz.

★ ★ ★

The full Republican slate of officers in Washington Township is unchallenged for re-election.

Running again are Supervisor R. Eugene Inwood, Clerk Alton G. Donaldson; Treasurer Mrs. Hazel M. Stone; Trustee Charles Curtis; Justice of the Peace Charles Bock; Constables Warren Spence and Barton Verellen and Board of Review member Clyde Hotchkiss.

Vote to Decide Troy Zone Plan

Men Elected Will Give Balance of Power for Against Controversy

TROY — The future of Troy's master zoning plan and control of the City Commission will be decided following the election of two city commissioners by voters here Monday.

Incumbent City Commissioner Louis Yanich, who is attempting to retain his commission seat in the election, is the cnndidate who injected the zoning issue into the campaign.

Following a controversy ,over a court case involving zoning restrictions in the northwestern section of Troy, Yanich said he was in favor of rezoning all ½-and ¾-acre lots in the city.

Yanich and another commission candidate, George T. Yeokum, are running as a team. Opposing them for the two commission vacancies are James Carly and Robert Bargert.

Carey, 36, and Bargerth 35, are in favor of taking the zoning case which started the controversy to the State Supreme Court.

They are of the same opinion as Mayor Robert J. Huber and Commissioners Wallace B. Hudson and Vincent J. McAvoy that the city should get a high court decision on the case in order to find out if Troy's zoning is valid.

Commissioners Roy L. Duncan, Clifford Sutermeister Jr., Stanley Smith and Yanich do not want to take the case to the Supreme Court. They contend that a compromise should be worked out so ½- and ¾-acre lots could be cut down to more "reasonable" sizes.

If Bargert and Carey are elected, the balance of power on the commission is expected to shift to the group which includes Huber, Hudson and McAvoy.

Control of the commission by the "old guard" probaly would remain intact if Yeokum and Yanich win Monday.

Council Has 5 Aspirants

FARMINGTON — Three council posts are being sought by five candidates, two of them incumbents.

Seeking re-election are Robert Lindbert, who has served as mayor since 1955, and Wilbur Brotherton. They will be opposed by Henry Forrest, Virgil Cornwell and W. Allen Nelson.

Incumbents Face Uphill Battle in Utica Vote

UTICA—Close races are forecast for mayor and assessor in Utica Monday with the incumbents trying to gain the votes they need to win after trailing in the March 3 primary election.

★ ★ ★

Mayor Edward Church is seeking re-election to a third term. Running against him is Fred Beck who polled the most votes for the office a month ago.

Opposing Assessor Louis Ruby is the candidate who beat him by a wide margin in the primary, Earl Sipperly.

Incumbent Treasurer Mrs. Leona Morrison, victorious in the earlier election, is being challenged by Pauline Kraft.

★ ★ ★

Running for the four-year council terms are Henry F. Schefer, Kenneth Titsworth, William J. Hirth and incumbents Walter Kiekbusch, W. Frank Chapoton and Leonard F. Morrison.

Omar K. Helferich and incumbent John W. Havel are in the race for the single two-year post.

Justice of the Peace incumbent Richard C. Stavoe for whom voters amended the city charter in the primary to permit him to run for election is a candidate for the office he now holds by appointment. His opponent is Marvin J. Priehs.

Swanson vs. Clarkson

Mayor Race to Highlight Elections in Southfield

SOUTHFIELD — A whole slate of city officials will be voted into office Monday in the 3-year-old city of Southfield.

Highlighting the contest is the race for mayor between incumbent Donald L. Swanson, general manager of the Michigan State Fair, and S. James Clarkson, a former Democratic state representative.

While serving his current term in office, Swanson has had many legal controversies with the present City Council. But the incumbent mayor outpolled Clarkson in the primary by better than a 2- to -1 margin.

Also to be elected Monday are seven councilmen, a city clerk, treasurer, municipal judge and associate judge.

★ ★ ★

Incumbent City Clerk Patrick J. Flannery, who led the field of candidates in the primary with 3,002 votes, will be opposed for re-election by June M. Curtis.

Council incumbents seeking re-election are Emmanuel Christensen, Clarence A. Durbin, O. David Edwards, John J. Hollywood, Jean McDonnell and C. Hugh Dohany, the present council president.

Thomas M. Costello, now a councilman, is retiring from his present post in order to run for the associate municipal judgeship against Sol Seigel.

★ ★ ★

The current associate judge, Alexander C. Perinoff, will face incumbent Clarence A. Reid Jr., for the municipal judge's post.

★ ★ ★

Other council candidates in order of their vote totals in the primary include Phillip B. Peterson, Howard Coleman, Robert G. Landers, Leiv Larson, Thomas Rowley, Leonard J. Blaszak, Thomas J. Grady and Donald W. Hanford.

Clara Lass, incumbent treasurer, will be opposed for re-election by Philip A. Maloney.

Walled Lake to Vote on Council, Millage

WALLED LAKE—Five expiring council posts will be filled and a request for a half-mill tax levy decided by voters here Monday.

Eight candidates, including four incumbents, are seeking the council seats. The top three vote getters will receive two-year terms, the other two, one-year terms.

★ ★ ★

Seeking re-election are E. V. Mercer, Harold Ackley, Marshall Taylor and Mayor Waldo Proctor. Bidding to unseat the incumbents are Wendell Kellogg, Louis James, Clyde Mottor and Richard Watkins.

The one-half mill levy being sought will be for the operation of the public library and the purchase of books.

Councilman Seeks Berkley Post

3-Way Scramble on Tap for Clawson Mayor's Job

Voters in Clawson and Berkley will decide two races for mayor in South Oakland County elections Monday while incumbent Mayor R. J. Alexander will be unchallenged in Oak Park.

★ ★ ★

The most interesting contest in the three cities will be a three-way race for mayor of Clawson between present Councilmen J. Albert Thomas, A. Shannon Dreon and Albert F. Szabo.

All three candidates are attempting to succeed incumbent Mayor Duncan L. Gillis, who is stepping down from his post this spring.

Eleven candidates are seeking the five vacancies on the city council. The large number of candidates for both mayor and council is due to the fact that no primary election is held in Clawson.

★ ★ ★

David P. Wood and A. Douglas Brown are the incumbent councilmen seeking re-election.

Other candidates for the Clawson Council are Napoleon H. Roberts, Charles Miller, Harry McQuinn, Charles J. Maly, Lavern T. Anderson, Clifford E. Williams, Edward M. Brennan, William A. O'Brien and Frank W. Burke.

Candidates for the one constable opening are William D. Lamb and John E. Stickney.

George W. Kuhn, Berkley mayor for the past two years, is opposed by two - term Councilman Lawrence C. Widmayer.

Seeking the three Berkley council seats are Clayton E. Johnson, John J. Stakley, Mrs. Ruth R. Julian and incumbents William T. Duncan, Clarence N. MacDonald and Kenneth E. Roth.

★ ★ ★

Incumbent Justice of the Peace Ralph F. Finley will be challenged for re-election by John E. Holmes.

Incumbent Oak Park Councilmen Joseph M. Sulter and David H. Shepherd are opposed by Donald Y. Morrison and Sidney L. Shayne.

Municipal Judge Burton R. Shifman will attempt to retain his position against the challenge of Isadore Goldbaum in Oak Park's only other contest.

Also on the ballot in Clawson is a $590,000 bond issue for construction of a combined city hall and police and fire department headquarters. The issue was defeated in an earlier election.

4 to Battle for 2 Seats

KEEGO HARBOR —Four candidates, including two incumbents, will vie Monday for the two council openings here.

Incumbents Joseph Weischsel and Howard Avery, Robert F. Smith and Vernon B. Edwards are seeking election to the three-year terms.

26th Season on Lakes

DETROIT (AP) — The auto carrier George H. Ingalls leaves Detroit Saturday for Buffalo with a load of new cars. The T. J. McCarthy Steamship Co. said departure of the Ingalls would mark the firm's 26th season on the Great Lakes.

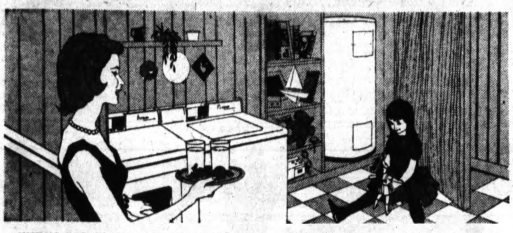
A rich source of iron ore has been discovered in the Romi Hills of Liberia.

Ram Car, Grab Cash

LONDON (AP) — Four bandits rammed their car into a payroll truck here today, fought off four bank guards and escaped with 5,000 pounds ($14,000).

why there's no water heater like an

ELECTRIC WATER HEATER



INSTALL ONE WHERE YOU LIKE—EVEN IN AN AIR-TIGHT CLOSET. When it's an electric water heater, there's no flame, so no air is needed to support combustion. There are no fumes to be vented. An electric water heater is completely safe.

BUILT-IN QUALITY MAKES A BIG DIFFERENCE. Every electric water heater installed on Detroit Edison lines must meet Edison's exacting specifications. Result: long life, high performance for every water heater.

HAVE YOU SEEN THE TABLE TOP MODELS? They're compact, go beneath counters or alongside laundry equipment. Other possibilities—in the kitchen next to sink or dishwasher or in that hard-to-use corner. Upright or table top model, put an electric water heater where you want it.

HOTTER WATER—PLENTY OF IT! An electric water heater is capable of going on and on, delivering really hot water—160° hot—without burning out. And heavy insulation all around keeps the outside shell of the water heater cool to the touch from top to bottom. There's no hot metal anywhere.

8 OUT OF 10 FAMILIES USE THE 50-GALLON SIZE. For less than 15¢ a day (estimated operating cost for this size) you can have hot water for all the family's needs. There are also 80- and 110-gallon sizes for the few families who use more water and may require greater capacity.

Narcotics Treaty Signed at U.N.

73-Nation Pact Means 10 Years Work on Worl Control of Habit Drugs

UNITED NATIONS, N.Y. (UPI) —A milestone in worldwide efforts to control drug addiction was passed today when delegates signed an international narcotics treaty which a U.S. official described as an "utterly remarkable achievement."

* * *

The treaty completes a decade of work by the United Nations, and climaxes collective efforts by individual governments since the end of the 19th century to bring narcotics under international control.

The accord, worked out by representatives of 73 countries in nine weeks' discussion, is designed to control the production and use of habit-forming drugs. Its aim is to provide enough narcotics to relieve suffering, but to prevent addiction.

Called "the single convention on narcotics drugs of 1961," the treaty, when ratified by participating nations, will replace nine existing multilateral agreements concluded between 1912 and 1953.

It will go into effect one month after 40 of the governments signify ratification.

Slavs, Russ Up Trade

BELGRADE, Yugoslavia (AP) — Yugoslavia and the Soviet Union agreed today to more than double their trade with each other, the official news agency Tanjug reported. Soviet and Yugoslav officials signed a five-year agreement providing for a trade increase of about 2½ times over 1960 levels.

A portable machine makes welded spiral pipe up to 120 inches in diameter.

Job's Daughters Plan 'Fools Frolic'

"Fools Frolic", a dance sponsored by Pontiac Chapter Order of DeMolay, Job's Daughters Bethel 5, and Job's Daughters Bethel 40, will be held Saturday in the Roosevelt Masonic Temple, 22 State Street.

The affair will feature music by the 'Blue Notes,' beginning at 9 p.m. and concluding at 12.

The dance is being held during the Easter season so that college and high school students will be able to get together.

Door prizes will be given, and free refreshments will be provided. Tickets may be reserved by calling Ron Mapley, master councilor, 157 Murphy St.

Have FUN This Easter

Easter decorations that are handmade have an appeal that is as unique as the inspiration of the maker. A new and interesting trend this year is decorating just the shells of eggs. A basket filled with bright eggshell flowers, pussy willows and an eggheaded fan doll will be a conversation piece wherever it is displayed. And, what's more, it can be carefully packed away for another year.

* * *

For the flowers you will need to "blow" about nine eggs, that is, make a hole the size of a small pea in each end of an egg and blow the contents into a bowl. Plan to save the shells beforehand when making scrambled eggs or other egg dishes and store shells in an egg carton until ready to decorate.

Then twist two pipe cleaners together and glue into the hole in the rounded end of the egg using clear household cement. Put aside until thoroughly dry.

Dye the eggs, holding them by the stems and dipping the eggs into the dye bath. Drain well. Glue a large sequin to the top of the egg to cover the hole and wrap the pipe cleaner stem with floral tape or narrow strips of green crepe paper.

Add in long, slender, green leaves at the bottom. Anchor in a pin-type flower holder or in a base of modeling clay and arrange with pussy willows in a basket or other container.

MAKE A DOLL

For the doll, glue an egg onto two pipe cleaners (same manner as for the flowers) and dye light orange or pale pink. Fasten to a thin dowel stick or piece of heavy wire about 15 inches long, by wrapping all together with a narrow strip of crepe paper to match the dress, or with floral tape.

Decorate face with fancy sequins for eyes and mouth and strips of narrow, curled, crepe paper for hair.

The dress is made of shelf, gift wrapping or light construction paper cut 7 by 16 inches and pleated in ½-inch pleats. Tape loosely to stick about 2 inches down for the waist. Tie ribbon at waist (to cover tape) with bow at back. Cut one long strip for arms, pasting ends in back and pinching center front together to shape hands. add to basket arrangement.

* * *

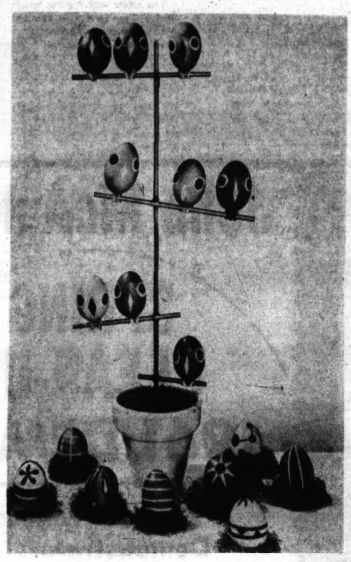
The chicks on the golden tree are equally easy to assemble.

The chicks' eyes are large round dots cut from white plastic tape with smaller circles cut from green tape. Their beaks are diamond shaped pieces of yellow plastic tape.

To make the egg tree, cut a 20-inch dowel for the trunk and four shorter pieces for the branches: 8, 7, 6, and 4 inches. Space them horizontally on the trunk and bind them in place with string or thin wire. Insert the bottom end of the tree in a piece of clay, and paint the entire tree gold. Then place in a 5-inch white flower pot and cover the clay with green paper grass.

Attach the birds to the tree branches with feet made from colored pipe cleaners. Bend the cleaner into a hairpin shape and insert center into the hole you made to blow the egg. Then bend the two ends of the pipe cleaner around the branch and secure with a small strip of transparent tape.

A basket full of bright eggshell flowers can brighten your springtime breakfast table. This handwork is only one of the many clever things that can be done with just the shells of eggs.



Wide-eyed chicks perch on the gold painted branches of this egg tree, a sophisticated decoration with a hint of humor. The eggs nesting beneath the tree are decorated with designs cut from plastic tape in the new shock colors.

Pontiac Press Photo

Newborn babies at Pontiac General Hospital will be presented to their mothers this weekend in special Easter blankets in pink, yellow and blue. Nestling like little chicks in their gaily appliqued wraps, these babies give a preview of the youngest Easter fashion parade in the area. From left are Mrs. Charles Hipsherd with Baby Hattie Herron, Mrs. Rudy Giglio with Baby Bradley Ejley and Mrs. Christine Albert with Baby Girl Rogers.

Trips, Babies and Guests in the News

From Keflavik/Iceland, comes announcement of the birth of a daughter, Mary Alice, on March 22 to Mr. and Mrs. Lee E. Goodwin (Claire Steele). Mr. Goodwin is formerly of Pontiac.

Grandparents are Mr. and Mrs. Fredrick Steele of Rumford, Maine and former Pontiac resident Mrs. Commodore Goodwin of Lake Orion.

* * *

Judi Stickney of Marquette Drive left Willow Run Airport Wednesday morning for Los Angeles, Calif. She will visit her sister Donna who has been living in Santa Barbara for the past six months and will return by automobile about April 10.

* * *

A son, Kirk Douglas, was born to Mr. and Mrs. Milburn Brown (Arlene Guilds) of Marion Street, Waterford Township, March 17 at St. Joseph Mercy Hospital.

The grandparents are Mr. and Mrs. Warren Guilds of the Waterford address and the Morten L. Browns of Cedar Street. Great-grandparents are Mr. and Mrs. Joseph Windy of Cass City and Mrs. Levi Morgan of St. Clair Shores.

* * *

Returned from a 12-day vacation at the Gulfstream Hotel, Fort Lauderdale, Fla., are Bonnie Marlowe, daughter of Philip V. Marlowe of Mohawk Road, and Mary Wood, daughter of the William Woods of Owego Drive. Miss Wood attends Michigan State University, East Lansing.

The vacationers also spent two days at Miami Beach.

* * *

Dinner guests of Mr. and Mrs. Glyn Stone of South Sanford Street on Easter Sunday will be their son and daughter-in-law, the Glyn R. Stones of Henbert Road, West Bloomfield Township, and their daughter and son-in-law, Mr. and Mrs. James McIlrath Jr. of Clarkston.

Their daughter Mrs. Jack Peck (Mary Jean Stone), will leave Monday morning with her husband's parents, Mr. and Mrs. Kenneth Peck of Clarkston, to join her husband Airman 2C Jack Peck, in San Antonio, Tex. The Pecks were married in January.

* * *

Lillian H. Davidson of Camley Drive, Waterford Township and Edith Lane O'Dell of Ionia left Thursday for Amarillo, Tex., where they will join friends for a six-week motor tour of the Southern states along the Azalea trail.

* * *

Rep. and Mrs. Lloyd L. Anderson of Lincolnshire Drive, Waterford Township, will be Easter Sunday guests of her sister and brother-in-law, the George Eldreds of Flint.

Also honoring their aunt on her birthday will be Karen Anderson of Michigan State University, East Lansing, and the Gerald L. Andersons of Clarkston.

* * *

Dr. and Mrs. W. L. Green of Kirkway Drive, Bloomfield Hills, will have as their Easter weekend house guests Mrs. Green's nephew and niece, Dr. and Mrs. Lewis N. Little and children Sharon and David of Ottawa, Ont.

* * *

Mr. and Mrs. Fred J. Cohassey of Exmoor Road, Waterford Township, have returned from a two-week vacation in Florida.

* * *

Easter dinner guests of the Joseph L. Bennetts of Illinois Avenue will be their sons and daughters-in-law, the Brooke Bennetts of Clarkston, with Anne and Ricky, and the Donald J. Bennetts of Rochester.

Pick a Flower

(UPI(— Picking blouses this spring will be like picking flowers in a garden. Some spring color schemes: flower box print with squares of myriad colored blossoms forming a striped paattern on a front-buttoned blouse; the "big apple" print.

"Fun and Charity" is the motto for Club 20. Meeting Thursday at the Maines Street home of Mrs. Walter Jeffreys (second from right) members spent an enjoyable evening working on their annual project, filling Easter baskets for Pontiac State Hospital patients. From left are Mrs. S. Royal Gammage Jr., president; Mrs. Alvin Heft, the hostess' daughter; Mrs. Jeffreys; and Mrs. James G. Weaver, treasurer.

Campus News

At Kalamazoo College, Carol Kratt, junior, was recently elected president of the Mary Trowbridge House Council which creates and administers policies of the women's dormitory. Her parents are the William P. Kratts of Foley Street, Waterford.

* * *

Freshman, Karen Kassner, daughter of the William Kassners of Burleigh Street, has been initiated into the Alpha Sigma Delta Society, one of the three women's literary societies on campus.

Tom O'Brien, son of the Ward L. O'Briens of Hamilton Street is spending his spring vacation in Tampa, Fla. He is a sophomore at Michigan State University, East Lansing.

* * *

Richard W. Thompson, of Bedwick Boulevard, is among 14 winners of National Science Foundation summer fellowships for graduate teaching assistants for 1961 at Michigan State University, East Lansing.

Baskets Prepared

Club 20 members met Thursday evening at the Maines Street home of Mrs. Walter Jeffreys to prepare Easter baskets for Pontiac State Hospital patients.

Organized in 1938, the club's motto is "Fun and Charity." In addition to their annual distribution of Easter baskets, members provide Thanksgiving and Christmas treats for Dearborn Veterans' Hospital, Oakland Society for Crippled Children and the Pontiac State Hospital. The group also sews cancer dressings.

Fundraising is accomplished through sales of ribbon, dish towels, baked goods and other items.

Or You'll Be Sorry, Says Abby

Open Up Your Eyes, Friend

By ABIGAIL VAN BUREN

DEAR ABBY: I need help with an important decision. I am 44, have never been married and can give a woman a first-class home with no money worries. I have been seeing a good-looking divorcee of 46. She has a 12-year-old daughter who is spoiled, moody and hard to handle.

ABBY

This woman claims she loves me and wants to marry me. She knows her daughter resents me but she's offered to send the girl to live with her grandmother during the week and we will keep her on the weekends.

I don't think I could stand her on weekends, but I do want to marry this woman. What do you think of this deal?

WAITING

DEAR WAITING: This woman appears to be looking for a "deal" for herself. She has offered to shift the responsibility of raising her daughter to the child's grandmother. In my opinion, a woman who treats her own daughter this way would probably treat her husband worse. Wait a little longer.

DEAR ABBY: We have on our farm a cow that hates women. This is a beautiful cow with soft brown eyes and a gentle manner, but she won't let a woman come within 30 feet of her. She is very friendly to men whether she has seen them before or not.

When we have company, we have to warn all the women about her. Is there an explanation for this?

Maybe one of your readers who knows about farm animals can explain it to me and help me out.

FARMER

DEAR FARMER: Perhaps a local veterinarian can psycho-animalize her for you. In the meantime, I will print your letter and milk my readers for any information I can get about psy-cow-logy. (Forgive me? I couldn't resist it.)

★ ★

DEAR ABBY: Have you or any of your readers ever heard that it was bad luck to be married on an odd-numbered date such as the 5th, 7th or 9th? My daughter plans to be married Sept. 9, and my mother is all up in the air about it. She says we should change the date to an even number or we'll have bad luck.

The date is set and the church is spoken for. I wonder if we should go to all that trouble to change the date and all the arrangements just because of what my mother says?

MRS. M.

★ ★ ★

DEAR MRS. M.: Stick to the date you originally selected. I have never heard of the superstition about odd-numbered wedding dates—but I HAVE heard of one about changing the wedding date once it's set.

★ ★ ★

CONFIDENTIAL TO "MODERN MOTHER": Granted your daughter CAN be trusted, but why place such temptations in the path of a healthy, lovely 18-year-old girl? She has no business on an overnight ski trip with her "steady"—unchaperoned.

Group Meets; Plans Sale

The Marbach Group of First Presbyterian Church met Thursday evening with Mrs. Richard Kieft on Wenonah Drive. Mrs. William Stoutenberg and Mrs. E. Lowell Good were cohostesses.

★ ★ ★

Mrs. Donald McCandless presented the Bible lesson and Mrs. Robert Anderson gave devotions. Plans were completed for the May 20 rummage sale at the church.

★ ★

The April meeting will be at the home of Mrs. Gordon Doule on South Hammond Lake Drive.

Guess What?

(NEA) — Guess what fabric has appeared for spring in blouses? Silk pongee, that's what. This favorite of the 1930s has made a comeback in such stunning shades as shocking pink and turquoise.

Gals Love 'em

Those mink-trimmed cashmere cardigans have turned into classics. Women love them as little evening wraps.

Fluid Lines Bow

(UPI)—Fluid silhouettes are newest in dresses. Bias-cut and full skirts are prominent for late day. Bulk is developed at the hemline with godets, flounces and ripples. Wide bands in contrasting color or fabric accent hemline width.

Russian is taught in public high schools in 26 states and the District of Columbia.

'Peek-a-Boo!'

The dress with one covered shoulder is showing up in resort wear. This means that it's likely to appear again as a summer fashion.

* * *

Others are Paul C. Robertson, Franklin, Lambda Chi Alpha; Richard N. Day, Rochester, Delta Sigman Phi; Frank V. Strothers, Clarkston, Zeta Psi; and James T. Havel, Union Lake, Phi Sigma Kappa.

Gamma Chapter Discusses Plans for Luncheon

Gamma Chapter of Beta Theta Phi Sorority discussed plans for the annual presidents' luncheon at a meeting Tuesday in the home of Mrs. William Ford.

* * *

Mrs. Joshua Madden, chairman, will investigate possible locations for the luncheon.

Thirty Easter baskets, prepared by members for the Oakland County Children's Home, will be delivered this week by Mrs. William Brace and Mrs. Ford.

Mrs. Jerry Martin announced that plans are nearing completion for the annual trichapter party April 13 at Pontiac Federal Savings and Loan Building. The affair will feature a centennial theme.

* * *

Mrs. Robert Clark will arrange for refreshments and Mrs. Robert Lohff will be in charge of the center table.

Surprisingly Enough, They're Popular

Teens Give Report Card Good Grade

By EUGENE GILBERT
President of the Gilbert Youth Research Co.

Maybe teen-agers wouldn't like this to get around too much, but report cards are a good deal more popular with them than adults, particularly parents and teachers, might suspect.

Not as popular, perhaps, as birthday cards, Christmas greetings and similar seasonal visitations, but popular enough to defeat any move toward abolishing them.

We put the question directly to 973 high school students across the country:

Should report cards be abolished?

No, answered 70 per cent of the participants in this survey, with the girls (76 per cent) slightly more emphatic about it than the boys (64 per cent).

* * *

Most of the youngsters agreed with 18-year-old Ann Rogers of Lawrenceburg, Ind., that report cards "make students work harder."

"They create competition, which is sometimes undesirable," said 17-year-old Arlene Fromchuck of Brooklyn, N.Y., "but they are a necessary incentive to a great number of people."

DEFEND CARDS

A few defended report cards on the grounds that they help relieve parental anxiety about the progress in school of their teen-age offspring.

"Your parents want to know how you do in school," offered 15-year-old Steven Bergen of New York City. "They couldn't get along without report cards, even if we could."

Most of those in favor of abolition suggested some kind of alternative, such as a personal letter from the teacher or an oral evaluation given in the privacy of a teacher-parent-student conference.

"A cumulative report by individual teachers as to the characteristics of the student might be the answer," suggested 17-year-old Keith Silliman of Eugene, Ore.

* * *

There was a mixed reaction toward the essay type report card now in use in quite a few schools across the country. This substitutes evaluating remarks by the teachers for the traditional scale of grades.

'NOT PRACTICAL'

"Better than report cards, more personalized, but not practical" was the verdict of 17-year-old Albertina Fernandez of Brooklyn, N.Y.

Others found the essay reports revealing enough about themselves but not sufficiently informative about the rest of the class.

"I would much rather know how I am doing in comparison with my classmates, so I can strive to improve," commented 16-year-old Judy Burk of Waterloo, Iowa.

And a 15-year-old Newark, N.J., boy, who didn't give his name, had this to say about the new wrinkle in report cards: "If I want to be psychoanalyzed, I'll go to a head shrinker."

The days when a bad report card meant a trip to the woodshed are gone forever. And so too, apparently, are the days when a good report earned the bearer a silver dollar or a trip to the movies.

* * *

Only 17 per cent of those who came home with a poor report card received any punishment at home and only 26 per cent of those who came home with a good report card were rewarded for their efforts.

DENIED PRIVILEGES

In rare cases when punishment was meted out, it took the form of being deprived of the family car, denied free use of the television set or kept home from the weekend hop or bowling session.

* * *

"I was grounded," confided Donna Mattox, 17, of Eugene, Ore. In the vulgate, this means she was denied the keys of the family car.

"I got lectured," reported 16-year old Rita Rosenblum of Brooklyn, N.Y.

Only one teen-ager, among the more than 900 interviewed, said he "got a beating."

Rewards, when given, usually took the form of extra privileges at home, a dinner out with the family, tickets to a show or sporting event or a slight increase in the weekly allowance.

An overwhelming majority of teen-agers were opposed to both rewards and punishments for report card verdicts. Surprisingly, however, those who favored punishments for bad marks (18 per cent) outnumbered those marks cent) outnumbered those who sought reward for good marks (10 per cent).

* * *

"The sparkle in my parents' eyes is reward enough," commented 15-year-old Miriam Sloan of New York City.

And, at the opposite side of the coin — or perhaps at the bottom end of the report card — came this comment from 19-year-old Beverly Conquest of Seymoud, Ind., "bad marks are punishment enough."

$42,000 for Foundation

State Nurses Start Fund Drive

Registered nurses in Michigan will launch a campaign to raise $42,000 as their share of a nationwide fund-raising drive by the American Nurses Foundation to support its program for better health through nursing research.

Patricia Walsh, R. N., president Michigan State Nurses' Association, has appointed Mrs. Gilbert B. Pingree of Grosse Pointe as lay cochairman for the campaign, with Mrs. Ethel P. MacLennan, R. N., of Flint as nurse cochairman.

Mrs. Pingree points out that this drive will be the foundation's only campaign for public support. "In the future," she says, "the foundation hopes to obtain research financing through grants and endowments."

The ANF, a nonprofit organization, has sponsored and guided a number of significant nursing research projects since its founding in 1955. Professional nurses hope to raise $1 million this year for nursing and health care research.

The research program will include an intensive study of safe nursing practices, effects of nursing shortages on patient care, new drugs and changing patterns in health fields. Individual needs of acute, convalescent and ambulatory patients also will be studied.

QUOTA OF $5

Michigan's share of the drive will entail a quota of approximately $5 for each MSNA member, plus contributions from business, industry and other groups.

Known throughout the state for civic leadership and interest in nursing and health, Mrs. Pingree is an investment counselor with the first of Michigan Corporation, Detroit. She is currently serving on the National committee and on the board of Michigan Cancer Foundation, Detroit Visiting Nurse Association, Metropolitan and Woman's Hospitals.

Her activities also include the United Community Services of Detroit, Board of Wayne County TB and Health Society. She is treasurer of the Rehabilitation Institute of Metropolitan Detroit.

* * *

Mrs. MacLennan, director of Hurley Hospital School of Nursing, Fint, is a graduate of Wesley Memorial Hospital School of Nursing, Chicago, past treasurer of MSNA and president, Southeastern Michigan League of Nursing Education and the Detroit and Northeastern Michigan League of Nursing Education.

The number of nurses in the United States has increased from about 50,000 in 1910 to approximately a half-million. These nurses serve more than 25 million sick and injured Americans annually.

The foundation believes that intensive research will provide nurses with better tools for maintaining and improving the nation's health.

Just 'Drop' in

Fashion-mates for spring: bracelets and earrings. The drop earring — ranging from the single long drop to shower drops, looped drops and pear-shaped drops — is worn with bracelets that match in texture, twisted design, color.

Have You Tried This?

Use Crushed Pineapple for Upside-Down Cake

By JANET ODELL
Pontiac Press Home Editor

Pineapple Upside-Down Cake isn't new, but using crushed pineapple for it is different. Mrs. Ralph Brown says her family prefers it to any other kind.

* * *

Mrs. Brown is busy remodeling her 50-year-old house. She likes to crochet and to embroider pictures.

UPSIDE-DOWN CAKE
By Mrs. Ralph Brown

1 flat can crushed pineapple, drained
½ cup butter or margarine
1 cup brown sugar
2 eggs, beaten
½ cup water
1 cup sugar
1 cup flour
2 teaspoons baking powder

Melt butter or margarine in an iron skillet. Add brown sugar and stir until sugar is dissolved and mixture is smooth. Stir in drained crushed pineapple. Remove from stove.

Beat together eggs, water and sugar. Stir in flour and baking powder. Pour over mixture in skillet. Bake 25-30 minutes in 350-degree oven, or until cake is browned on top. Flip out onto a plate.

Birmingham Folk Busy on Easter

By RUTH SAUNDERS

Among Birmingham residents away for the Easter season is Mrs. H. J. Stringham who flew the first of the week to Santa Barbara, Calif., where she is visiting her brother-in-law and sister, Mr. and Mrs. Robert Benedict.

* * *

In Colorado Springs there is a family get-together at the home of Mr. and Mrs. Henry Duffield who moved there last fall. With them Sunday will be Mrs. Vincent Anderson and her family who live nearby.

* * *

Mrs. George A. Beecher is spending Easter in Fayetteville, N. Y., with her son-in-law and daughter, Mr. and Mrs. William B. Graham and their four daughters. She will go to New York where she sails Wednesday on the SS Liberte for two months in Europe.

* * *

Fun is in store for the Village Woman's Club. Members and their husbands will hear a talk by Capt. James Calvert, skipper of the nuclear submarine "Skate," at the Club's annual dinner meeting next Wednesday at Bloomfield Hills Country Club.

Capt. Calvert, author of the best-selling "Surface at the Pole," now commands Submarine Division 102, which includes all the Atlantic Fleet nuclear submarines.

And next Friday, the 7th, the Junior Auxiliary of the Village Woman's Club will hold its annual dinner dance at Birmingham Country Club.

WCTU Branch Holds Meeting

The Loyal Temperance Legion, junior branch of the Women's Christian Temperance Union, met Tuesday afternoon at the Community Bible Baptist Church.

Mrs. Sophia P. Suiz gave the lesson on "Fermented Wine" and "The Blood of the Grape." Her text was "Man's Vainglory."

Boys and girls from grades 3 to 12 are invited to attend these weekly meetings at 3:45 p.m. Tuesdays at the church.

Governor John B. Swainson has issued a proclamation designating April 16-22 as "Youth Temperance Education Week."

Les Filles Plans 'Rainbow Rhapsody'

Plans for a spring dance "Rainbow Rhapsody" were made at the Les Filles Club meeting Wednesday in the Ottawa Drive home of Jill Dearing.

* * *

Miss Dearing is chairman for the dance. Committee heads are Susan Brooks, tickets; Margaret Cockle, decorations; Cindy Mitchell, records; and Nancy Tripp, refreshments.

Try These Exercises

Want Slimmer Waistline?

By JOSEPHINE LOWMAN

Q. "Would it be possible to print some waist-reducing exercises? We are a group of women who are dieting and exercising according to your instructions, but we do not have any waist-slimming exercises."

A. I don't know why more women don't exercise together. It is not laborious, but fun, when you have several, or even one companion working with you. Here are two waist-reducing exercises.

1. Stand tall, with your feet comfortably separated. Bend both elbows and place your hands on top of your head. Now bend to the left trying to touch your left elbow to your left leg. Raise your trunk.

This time bend to the right and try to touch your right elbow to your right leg. Raise trunk. Continue, alternating left and right.

* * *

You probably will be unable to touch elbows to legs at first, but bend as far over as you can without bending your knees. Keep these straight even if you cannot come near the leg. Later on you will be able to do so.

* * *

2. Take the same starting position. Bend forward trying to touch the floor with your fingertips, or coming as near the floor as possible while keeping your knees stiff. Raise the trunk and move the arms out at the sides, shoulder-height position, palms facing forward. The arms are relaxed.

Now lift the rib cage UP as high as possible. Hold while you count to eight. Again bend forward and continue. Do this slowly, taking plenty of time for the upward stretch the rib cage lift gives you.

If any of my readers would like to have my tested, waist-slimming exercises, send a stamped, self-addressed envelope with your request for leaflet No. 6. Address Josephine Lowman in care of The Pontiac Press.

* * *

Q. "I am five feet tall and weigh 120 pounds. My measurements are bust 35 inches, waist 27 and hips 36. I am 25 years old and have three children. Please tell me how much overweight I am and what my measurements should be. My abdomen is flabby. How many exercises a day should I take for it?"

* * *

A. If you have a medium build your weight is just right. If you have a very small build, you are about 10 pounds overweight. However, I imagine that your weight is correct. For a better figure you should lose an inch or so from your waistline. I imagine that the larger waist is due to lax or stretched abdominal muscles.

So, a few waist and abdominal exercises done regularly should help slim the waist as well as decrease the flabbiness you mention. Two or three exercises are sufficient. Start doing each exercise 10 times a day and gradually work up to 30 or 35 times daily.

* * *

If any of my readers would like to have my tested abdominal exercises, send a stamped, self-addressed envelope with your request for leaflet No. 2. Address Josephine Lowman in care of The Pontiac Press.

Don't go to waist. Try this waist-reducing exercise described in today's column. Josephine Lowman suggests that women exercise together. "It is not laborious, but fun, when you have several, or even one companion working with you."

Hats, Mittens Are Displayed at Meeting

The Queen Mary section of the Needlework Guild of America, Inc., met Thursday afternoon at the home of Mrs. Charles Clarke on Parke Street.

* * *

Mrs. Alex Joss, vice president and knitting chairman, who conducted the meeting, displayed hats and mittens made by the members. Garments for layettes were cut out and sewed as plans for fund-raising were discussed.

Mrs. Jean Harper of South Shirley Street will be hostess for the April 13 meeting.

A process for preserving whale meat without refrigeration has been patented.

Families Attend Square Dance

The Do-C-Do Square Dance Club sponsored its first annual family night Thursday in the Sarah McCarroll School.

Robert Futrell and Dennis Waring presented "Peter Cottontail" in pantomime as Eugene L. Shaw Jr., master of ceremonies, impersonated the Easter bunny.

The children danced several squares with their parents. The "Bunny Hop," "Hokey Pokey" and "Grand March" numbers were featured.

Callers were Charles Futrell, Martin Loch, George Newton, Melvin Hall and Robert Newill.

A method of transmitting radio through the ground is being studied. Such a communication system could not be jammed or destroyed.

Mark 63rd Year of Chapter No. 228

The 63rd birthday of Pontiac Chapter No. 228, Order of the Eastern Star, was observed at a dinner honoring past matrons and past patrons Monday in Roosevelt Temple.

A 50-year membership pin was presented to Mrs. Walter Drake.

An Old Favorite

Three New Cars Out Today: Gyron, Skylark and Special

By ROBERT IRVIN
UPI Automotive Editor

DETROIT — The auto industry introduced three new cars today, including one with only two wheels.

The two-wheeler is the Gyron, a delta-shaped dream car developed by Ford Motor Co. It would have a gyroscope for stability and might be powered by fuel cells instead of a regular engine.

The other two cars unveiled today, both coupes, were introduced by the Buick Division of General Motors Corp. unlike the Gyron, the two Buick cars are production models.

One is the Skylark, a sports model with a high performance engine, a luxury interior and a $2,621 price tag. The second, which costs $2,330, is a standard two-door coupe in the Special series of compact cars.

SKYLARK SAME BASE

The Skylark has the same wheelbase, length and dashboard as the Special. But it has a different grille, new rear quarter panels and redesigned Buick ventiports on the front panels.

As optional equipment the Skylark has front bucket seats and a white vinyl top cover. The car is powered by a 185 horsepower aluminum V-8 engine.

Edward D. Rollert, Buick general manager and a GM vice president, said, "We are very optimistic about the place these two cars will have in today's market." He said the Skylark "will be the finest little car on the road" when it is introduced in May.

As for the Gyron, George W. Walker, Ford vice president and director of styling, said it severs "another link between automobiles and the carriages that preceded them" because it has only two wheels instead of four.

★ ★ ★

The Gyron is the same length as a standard Ford but is 10 inches lower and 6 inches wider. The car will hold two people in contoured seats which support not only the head and back but the upper part of the legs as well.

It has no steering wheel. Instead it uses a steering dial with separate rings for automatic speed and steering control. The car could be steered from either seat because the dial is located in a console between the seats and the car has dual accelerator and brake pads.

A 10-button panel, also located in the console, supposedly would control a built-in computer to help a motorist of the future "program" a trip on a nonstop expressway.

AP Photofax
SHINER FOR EASTER—Little Diane Pesetski tries on her Easter hat with an unscheduled addition to her ensemble. She got the shiner after a collision with a picnic table at her home in suburban West Chicago, Ill.

AP Photofax
GOOD LISTENER — Former New York model Elizabeth Green didn't let her husband upset her too much when he asked for a divorce last December. She still listened to his advice. He told her to get herself a smart lawyer. She showed up in court with two of them and Thursday won approval of a financial settlement that will pay her an estimated $187,000.

There are 4,016 miles of railroad in Colorado.

Mom, 3 Children Die

RENNES, France (AP)—Louise Giot and three of her eight children died when leaking gas was ignited by a wood fire Thursday. When she rushed upstairs to save her 5-months-old baby, two of the other children followed her. They were all cut off when the stairs caught fire.

Slate First Talent Show at Clarkston

By JANET TISCH

An announcement of the first annual talent show to be held in the Clarkston High School Little Theater was made to the student body Tuesday.

Chorus groups, under the direction of vocal music instructor Martha Jetter, provided background music while an announcement was read telling of the talent show which will be presented May 11 and 12.

Any student having a talent for singing, dancing, pantomimes, acting, speaking, baton twirling or other type of act is eligible for a audition on April 24 and April 27.

Audition forms must be completed and returned to the high school office by April 14.

All funds received from the show will be used to provide aid to needy students planning to attend advanced training programs, and to provide for recognition and development of talent in the Clarkston Community Schools.

In order that the talent show be presented more successfully to the student body, it will be directed entirely by high school students.

Linda Chapman has been chosen as student director and Sharon Gotschall, assistant director. Neil Norgrove is director of the stage crew and Earl Pearson will direct lighting. Pete Wilford will be assistant to the lighting director.

Suzanne Valentine will be director of costumes and make-up and Janet Tisch, publicity and tickets.

Directors of the art committee will be Denby Smith and Adele Lynady, while Edith McLard will direct the intermission committee. Tim Jockwig will be the music director.

School clubs and other organizations have also pledged their help. They are the industrial arts club, dramatics class, art club, chorus class, and the home economics club.

Terry Thomas, assistant principal and Martha Jetter, are the faculty advisors and Doris Wilkinson, girls' counselor, is director of faculty groups.

Full student cooperation is necessary to make the talent show a complete success, so everyone with any talent will be asked to participate.

The show will offer students not only enjoyment and recognition, but also bring forth the elements which make a well organized and cooperative student body.

Three Pupils Win Speech Honors for W. Bloomfield

By CAROLYN MAVIS

Three West Bloomfield High School students emerged as winners in the District Forensics Contest at Clarkston last weekend.

June Peyette was the district first place winner in the humorous reading classification.

Second place winners were Rick Kelly in extemporaneous speaking and John Kern in declamation.

From the 56 original students in the forensics program, two students for each of the five contest groups were chosen to represent our school in the district contest.

The two winners in each division will go to the regional contests in Farmington later in the spring.

Aside from the three winners, there were seven West Bloomfield speakers entered in the contest. John Devers was the other student in humorous reading.

He and June memorized and presented a piece of humorous literature of their choice.

In the interpretive reading section, Sandy Kuyper and Doug Hoxie prepared five selections and one hour before they read, one selection was drawn for the contest.

The original oration consisted of giving a 1,200-word speech written and memorized by the students. Bonnie Distel and Joanne Gnida were W. Bloomfield orators.

Pat Ringe was the other student who memorized a serious speech for the declamation section.

In extemporaneous speaking five topics on current events were given to the student and he selected one to speak on. He then had one hour to prepare a 4-6 minute speech. The other student in this section was Rick Kelly.

FOUR WINNERS

Four Clarkston students won recognition for their public speaking talents in the District Forensic Contests, which were held at Clarkston March 24.

Linda Chapman, with a speech on "The Challenge of the Times," won first place in original oratory.

Another participant from Clarkston, Carolyn Ruggles took second place honors in Original Oratory with her speech, "A Man in the Balcony."

Interpretive Reading first place honor was also won by Clarkston when Sally Moore recited "Silence."

Janet Tisch also won first place with her speech, "The Despondent and the Dedicated," in Declamation. These students will now participate in the Regional Contests in Farmington.

First Bells Ring, Then Horns Sing for Milford Pupils

By LEE MORGAN

Alarm clocks were ringing steadily in the homes of many Milford High School musicians last Saturday morning, so that they might be up and on their way to Jackson, to participate in the State Solo and Ensemble Festival.

Once there, these hard-working musicians earned very high ratings as they played their various selections.

Soloists who did outstandingly well and who received a first division rating are Brenda Gee, flute; Karen Haddrill, French horn; Bob Phillips, clarinet; and Dave Bourns, oboe. These people will be awarded a blue ribbon.

Others who did well are Gladys Parker, trombone, and Gene Hansen, bassoon. They will receive a red ribbon.

Ensembles which did extremely well were a woodwind duet of Gene Hansen and Dave Bourns; a piano trio of Bob Phillips, Jim Cutty, and Kay Hamilton; a woodwind quintet of Brenda Gee, Karen Haddrill, Dave Bourns, Bob Phillips, and Gene Hansen; and a woodwind octet of Laura Goodell, Pat Abbott, Leslie Thomas, Bonney Schuett, Louisa Edwards, Agnes Canzemius, Kathy Buell, and Connie Dobson.

People playing in these groups will be given blue ribbons.

Those ensembles to receive red ribbons were a flute duet by Brenda Gee and Karn Bourns, and a brass octet consisting of Mike Robb, Dan Phillips, Karen Haddrill, Agnes Couzemius, Gladys Parker, Alan Heauner, Jim Cutty, and Connie Dobson.

People playing in these groups will be awarded red ribbons.

The hard work and determination of these young musicians and their conductor, Paul Miller, have paid off well and they deserve to be congratulated.

Pontiac Junior Achievers to Wash Cars Tomorrow

Junior Achievers from four local high schools will be out in force tomorrow to put an Easter shine on automobiles.

They are members of BANC Industries, a Junior Achievement Company, sponsored by Baldwin Rubber Company.

The JA firm is sponsoring a pre-Easter Car Wash Saturday from 10 a.m. to 5 p.m. at McGill's Speedway Service Station, 605 S. Saginaw St.

The teen-agers will be charging $1.25 per wash with all proceeds going to support of their JA firm. So far this year, these Junior Achievers have sold holiday corsages, framed pictures, rubber door mats and stationery.

* * *

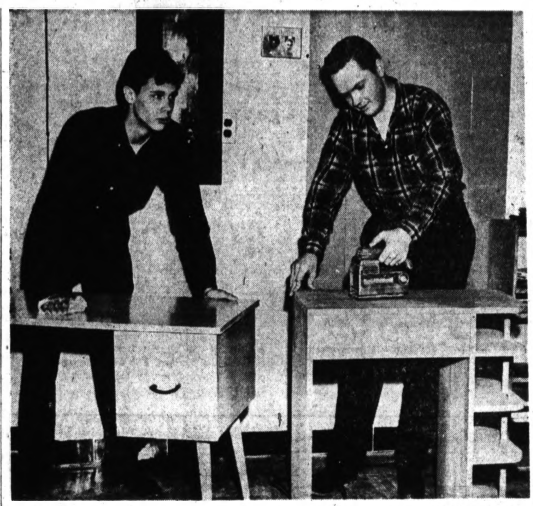
The car wash will be their final JA project before liquidation and will give them experience in selling a service.

Members of BANC Industries are juniors and seniors from Pontiac Northern, Pontiac Central, St. Frederick High School, and Bloomfield Hills High School.

All JA companies must finish up their year with enough money in the bank to redeem its outstanding stock at face value plus a 10 per cent dividend return from profits.

Pontiac Press Photo

CHECKING PROJECTS — When they return to school next Wednesday, Waterford Township students will have their annual Science Fair staring them in the face. The fair is to be held April 6-8 at the high school and is open to the public. Looking over a project are (from left) Mary Harding of 495 Scott Lake Road, Joe Neussendorfer of 2432 Denby Drive and Bill Schroff of 3282 Pirrin St. All are seniors. Mary is chairman of the Science Fair Committee. Projects may be entered by students in grades 7-12. On display will be projects in the fields of biology, engineering, chemistry, physics and general science.



Pontiac Press Photo

TOPPING TABLES — Students with a flair for woodworking get some first rate training at Pontiac Northern High School. The training of future carpenters takes place in William Sturgeon's woodshop class. Working on their woodshop projects, Jim Sisk, a junior, (left) and Dewey Rees, a senior, are developing valuable talents. Dewey is busy sanding his desk while Jim, a step ahead on his project, rubs a fine, gleaming finish into his table top. This is only one of eight projects required of them during a year in the woodshop course.

At Pontiac Northern

Wood Shop Trains Future Carpenters

By BILL RAMSEY

Any day at Pontiac Northern you can see boys who will be among the best trained wood workers of tomorrow. They are woodshop and pattern making classes.

* * *

In woodshop the boys receive two semesters of training in the art of turning raw materials into beautiful, finished products.

They must complete five projects in the first semester before tackling one of their own choosing. The second term, they make only two. Desks are one of the favored projects for skillful students.

Pattern-making classes also give the boys basic footing in an industrial trade.

These two elective courses are part of Northern's industrial arts program.

Students gain experience working with lathes, jigsaws, drill presses; and other power tools of all kinds. In addition the boys learn safety procedures which will help them throughout life.

High journalistic honors have been conferred upon a Northern student. Pam Morris, a junior and editor of Polaris, the school paper, has been awarded a gold medal in the 1961 Quill and Scroll National Writing Contest.

She is one of 40 national winners in the feature division, with entries from the 50 states and Japan.

One of the judges was Jeff Clark, professor of journalism at Bowling Green University in Ohio. In a long distance call he complimented Pam on her article, a feature interview, saying he was much impressed with the handling of it and the quality of writing.

Pam says she plans a career in journalism after high school and college.

PLAN BAND CONCERT

Two performing groups at Northern are readying themselves for shows in the same week. On April 12 the band will present its first spring concert. It will be in the auditorium at 7 p.m.

April 13-15 the girls synchronized swimming group, the Catalinas, directed by Miss Madeline McConnell, will present "the Catalinas on Broadway."

Band tickets are on sale from band members, director Eldon Rosegart, and at various music shops in Pontiac. Catalina tickets may be purchased from the girls.

Before embarking on the spring holiday, we at Northern wish a happy Easter to all our friends in Pontiac and the surrounding areas.

'Carousel' to Open at PCH Next Week

By BARB GRIFFIN

"Carousel" is coming! The Rodgers and Hammerstein musical will be presented April 6-8 and 13-15 in the Pontiac Central High School auditorium.

Matinee performances will be presented April 6 and 13 and the evening shows, April 7, 8, 14, and 15.

"Carousel" is directed by Stuart Packard, with Michael Dempsey and Jerry Libby assisting as musical directors.

The principal characters are Deanna Relyea, as Carrie; Marlene Beale, Julie; Ed Haroutunian, Billy Bigelow; Karen Kessler, Mrs. Mullin; Dave Austin, Mr. Snow; John Hunt, Jigger; and Mitzie Schroeder, Nettie.

Members of the chorus are Gary Alan, Julian Spires, Judy Whitmer, Karen Bronnel, Peggy Warren, Floyd Morris, Dick Levine, Tom Murphy, Tom Schellenberg, Mark Berg, Sue Putnam, and Kathy Jackson.

Others are Jeanette Wright, Kathy O'Brien, Bill Smith, Minnie Churchwell, Sue Dunlap, Edwina Skelley, Barb Griffin, Betty Boone, Jill Hicks, Irene Perkins, Cynthia Rush, Phil Weber, and John Kimball.

Also in the "Carousel" chorus are Bill Morford, Tom Lewis, Larry Taylor, Linda Freet, Margaret Melzer, Willie Prentis, Jim Baker, Ivery McDaniel, Wade Wilkinson, Doug Sheffield, Henry Manning, and Art Branner.

Other members of the cast are George Sarros, Ron Boyce, Rusli Maisa, Juanita Graham, Jim Bank, Nadine Morris, Colleen Springer, Jim Dawson, and Bill Adler.

* * *

Shirley Zikewich, PCHS graduate of 1959, is handling all choreography. The dance soloists are Pat Weld and Jim Hinojosa and the dance chorus consists of Bernadette Johnson, Judy Whitmer, Sue Alderson, Joan Grahek, Deborah Cooper, and Rosie Brown.

Student committee heads are Judy Prevette, publicity; Pat Wilkinson and Helen Thams, tickets; Sherry Drinkwater, costumes; Sue Douglas, props; Dave Hunt and Mark Berg, stage; and Brian Orser, lights.

Coni Nickols is assistant director and Kaye Gaddes is serving as production assistant.

Michael Dempsey will conduct the orchestra, with help from orchestral advisors Robert Peterson and Richard Morse. Faculty members assisting in the production are Ted Carlson, printing, and Jean Smith, art.

Junior art student Chris Lauckner designed the program and poster design.

Tickets for "Carousel" are $1.25 for evenings and 50 cents for matinees. Seats may be reserved at the Central box office.

ENJOY ASSEMBLY

Wednesday morning Pontiac Central students and faculty enjoyed the annual Easter assembly, presented by the vocal music department.

This year the program featured the Selective Girls' Glee Club and the Senior Girls' and Junior Girls' Ensembles.

Michaelites Get Report Cards

Third Quarter Closes; 35 Make Honor Roll for Period

By PAT BURNS

At the close of the third quarter this week, students at St. Michael High School received their report cards and looked forward to Easter Vacation before settling down for the new work ahead.

Thirty-five students received recognition on the roll of honor for maintaining excellent qualities in academic and personal traits this quarter.

Seniors who are privileged to be on the honor roll are Dave Baumgartner, Kathleen Daugherty, Michael Halfpenny, Robert Linsenman, Carol Piante, Judi Stickney, Anna Rita Massacesi, Pat Burns, Russell Greenlees, Tonya Hurst, Monica Maddox, Margaret Steck and Sally Taylor.

The juniors are Ludy Lamphere, Jacqueline Vess and Sharon Rodden. Sophomores are Richard Drake, Richard Ghasten, Susan Hunt, Gary Bisoghi, Diana Schneider and Donnita Hawes.

The freshmen are James Felix, Pat Lamphere, Deborah Linsenman, Dennis Loviska, Robert Patch, and Robert Vanover, George Henretty, John Hurren, Raymond Kent, Darlene Piche, Nancy Rindfusz, Joan Schneider and Richard Steinhelper.

Congratulations are also in order to seniors Al Tunny and Art Robak who were chosen on the All County Class C, second basketball team.

Cream of Senior Class Named at Oxford High

By LINDA JACOB

The highest scholastic honors to be achieved at Oxford High School have recently been earned by two senior girls, Ellen Ludwig and Nancy Griffin.

Ellen has earned the honor of being valedictorian. She has a grade-point average of 3.914 for seven semesters. Ellen, born in the Africa in 1943, has spent 14 years there with her parents who are missionaries.

Expressing the happiness she felt, Ellen said, "For four years I have worked for this but I feel most of the praise belongs to the Lord."

Ellen will attend Michigan State University in the fall. She plans on enrolling in the four year nursing course.

Upon concluding her formal education she plans to begin missionary work and follow in the footsteps of her parents.

PLANS TO TEACH

Nancy Griffin has achieved the honor of salutatorian. Her point average is 3.839.

Nancy plans on furthering her education by attending Michigan State University. French and English are her majors and she plans on a career in teaching upon receiving her degree.

"I have planned and worked for this honor for a long time," she said upon learning of the award.

Other high ranking Oxford students, who have all maintained a B average throughout high school include Janet Ziemann, Linda Porter, Peggy Rich, Terrie Fujioka, Karen Douglas, Vera Sutherby, Paul Koerner, and Joanne Bloecker.

Also on the list are Linda Smith, Laura Pearce, Janet Radloff, Jerome Quigley, Nathan Hall, John Sandor, and Sue Maguire.

Rounding out the list are Linda McWilliams, Richard Miller, Sam Booker, and Linda Jacob.

Bloomfield Hills Seniors Get Big Spring Vacation

By DICK NETTKE

With the coming of the spring vacation, the seniors at Bloomfield Hills High School are planning their annual senior trip. This year, a new plan is being used.

Past years have seen the trip planned and organized by the entire senior class. This year the seniors have formed a trip club which makes all the arrangements and plans the trip.

The seniors are going to Washington, D.C. and New York City. They will leave Sunday and return next Friday.

* * *

The first edition of The Kid, a satire on the Bloomfield Hills student newspaper, The Shield, was a complete success this week.

Coeditors Bob Pike and Jeff Jones did a fine job in the creation of a paper that had the entire student body of the school rolling with laughter.

The music department presented its annual spring concert, "Spring Is Here," last Friday. The choir, under the direction of Clarence Luchtman, and the band, under the direction of H. Wayne Tilton, performed excellently.

* * *

The program opened with "A Prelude to Spring" by the band, and followed with "The Glory of Easter," featuring Karen Sundberg in a solo of "Lamb of God." Featured also was a fine ballet by Judi Rai, Christine Fassnacht and Sharon Snyder.

Judi, who has been dancing for seven years, is a member of the Severo Ballet and has danced the role of the Snow Queen in the Detroit Symphony Orchestra's presentation of the "Nutcracker Suite."

All in attendance had a treat in fine music.

Hi-Y Members Attend Conference in Detroit

Attending the 59th Older Boys Conference in Detroit recently were four Waterford High School Hi-Y members—Charles Leneschmidt, Kurt Kuhne, Michael Dorman and Charles Bailey.

This meeting is sponsored each year by the Michigan YMCA.

During the two-day session, informative and inspirational talks were given by Robert McCoy, of the Wolverine Tube Company; the Rev. Carl Steiner, pastor of the Lutheran Church of St. Mark in St. Clair Shores; Dr. Owen Morgan, of Merrill-Palmer Institute; and Mr. Sanford M. Reece, of the National Board of YMCAs.

THE "300" BOWL

— welcomes —

School Bowlers and Bowlerettes

Young America loves to bowl and we are happy to say we offer the finest facilities available for this wholesome sport in a refined atmosphere.

The "300" Bowl Pledges:

1. All activities shall be in accordance with school approved programs including the athletic eligibility code.
2. The American Junior Bowling Congress Rules and code of ethics shall be observed at all times.
3. Competent, certified coaching personnel on the lanes with bowlers during league play. (The "300" Bowl will sponsor the training of interested teachers and parents in an A.J.B.C. school for coaches).
4. Free bus transportation from school to the "300" and back to the school.
5. An adequate supply of lightweight balls and shoes of proper sizes.
6. A snack shop designed for junior bowlers.
7. Leagues may bowl two or three games each league session.
8. Teams may be composed of three, four or five members.
9. League schedules to fit your time.
10. To cooperate fully on reduced bowling rates, procuring bowling shirts and blouses, providing trophies, banquets and special events.

Ask About Our:

1. Revolving Trophy Award
2. The Senior Hi Major League
3. The "300" Coed League

2-Month Toll Is 11-Year Low

U.S. Traffic Deaths Dip

CHICAGO (AP)— The nation's traffic deaths in the first two months of 1961 were the lowest for a comparable period in 11 years, says the National Safety Council.

The two-month toll of 4,970 was 5 per cent lower than the 5,250 fatalities on the highways in January and February last year and compared with the previous low of 4,719 for the first two months of 1950. Council officials said severe snowstorms in the east in January contributed to this year's low toll.

* * *

Traffic accidents killed 2,320 in February, 2 per cent lower than in February last year, and 2,650 in January. The council estimated 200,000 persons suffered disabling injuries in the first two months this year and said 468 of 728 cities reporting had no traffic deaths.

Record City Budget Submitted for New York

NEW YORK (UPI) — Mayor Robert F. Wagner Thursday submitted a record city budget of $2,543,120,936 for the next fiscal year—the highest city budget in the nation.

The 43-pound, 3,276 page document called for an outlay that was second only to the federal government ($83,550,000,000 and the State of California ($2,392,000,000). The New York state budget is $2.4 billion.

Tests Back Salk Vaccine

CHICAGO (UPI)—A Baylor University research team has reported results of 3-year tests indicating polio could be "virtually eliminated" with adequate inoculations of Salk vaccine.

AP Photofax

THE BAND IN RUSSIA — Here are some of the members of the University of Michigan Symphonic Band before the "Golden Gate" at Kiev in Russia which was constructed in the 11th century. It was largely ruined in the 13th century by the Tartars. The band is touring the country. There were 12,000 applications for two concerts in Kharkov.

Predicts Some Photo Finishes

Bacon Gauges Oscar Derby

HOLLYWOOD (AP)—Movie reporter James Bacon, a poor but reformed horseplayer, long has seen Hollywood's annual academy awards as a horse race among humans—a sort of Oscar derby. Herewith follows his 12th annual selections in the manner of the turf experts.

* * *

He lists the entry, comment and probable odds.

James Bacon's Oscar Handicap, for Monday, April 17, post time, 8 p.m., PST.

Selections, for fast track, are in order of handicapper's preference.

First race; Top Actress Stakes, fillies; purse $100,000 added to winner.

Elizabeth Taylor, classy filly long overdue, 6-5.

Shirley MacLaine, long legs will help in stretch, 2-1.

Deborah Kerr, ran well English, Aussie tracks, 3-1.

Greer Garson, looked good Roosevelt Raceway, 5-1.

Melina Mercouri, tab now for future starts, 7-1.

SECOND RACE

Second race: Top Actor Derby, 40 year olds and up; purse $100,000 net.

Jack Lemmon, will breeze wire to wire, 6-5.

Burt Lancaster, likes sawdust on muddy track, 7-5.

Trevor Howard, once won Bourbon Sweepstakes, 2-1.

* * *

Laurence Olivier, Her Majesty's favorite at Ascot, 3-1.

Spencer Tracy, Runs wide on turns; needs blinkers, 5-1.

THIRD RACE

Third race: Best Picture Sweepstakes; purse worth million added at gate.

The Apartment, Figures on previous wins, 7-5.

The Sundowners, Watch this Aussie entry; could cop, 9-5.

Elmer Gantry, Runs well Brimstone turf, 3-1.

The Alamo, Texas big bettors may bring down odds, 5-1.

Sons and Lovers, British entry figures longshot at best, 7-1.

FOURTH RACE

Fourth Race: Supporting Actress Sweepstakes; purse $50,000, claiming.

Shirley Jones, Filly runs fast and loose now; shoo-in, 7-5.

Janet Leigh, Could scream through at wire, 2-1.

Glynnis Johns, English filly always in contention, 3-1.

Mary Ure, Maiden run Western tracks; Tab, 5-1.

Shirley Knight, Untested stakes competition; not now, 7-1.

FIFTH RACE

Fifth race: Supporting Actor Maturity, turf, $50,000 added.

Peter Ustinov, Carries most weight field but has stamina, 2-1.

Sal Mineo, Classy Italian colt wears Israeli silks, 3-1.

* * *

Peter Falk, Could murder them all at wire, 4-1.

Jack Kruschen, If Lemmon entry, could share pot, 7-1.

Chill Wills, Bad handling by trainers wrecked chances, 10-1.

Katanga Forces Marching North

Capture Town Easily With Opposing Troops Just Standing By

ELISABETHVILLE, the Congo (AP) — Units of the Katanga army, spearheaded by white mercenary troops, captured the North Katanga town of Manono Thursday and routed some 600 troops of Antoine Gizenga's Stanleyville regime.

The Katanga Province vice president, Jean Marie Kibwe, said seven Gizengist troops were killed south of Manono when they opposed the advance of the Katanga force but hardly a shot was fired in the town, an important tin mining center 300 miles north of Elisabethville.

* * *

Kibwe said he had no news of any prisoners being taken nor of the self-styled Lualaba government that leaders of the Lualaba tribe opposed to Katanga President Moise Tshombe proclaimed in Manono after the Stanleyville force captured it on Jan. 9.

Interior Minister Godefroid Munongo said there had been no deaths among the Katanga army or among the civilian population.

The U.N. garrison in the area, some 200 Nigerian troops, stood clear of the action, Munongo said, just as they did when the Stanleyville troops seized it. Because most of the white mercenaries in the invasion force were believed to be South Africans, the Irish commander of the U.N. force, Gen. Sean McKeown, had expressed fears on Tuesday that they would attack the Nigerians.

Detroit's Center of Population to Move Further

It is estimated that the Metropolitan Detroit population center by 1970 will be somewhere in the vicinity of Nine Mile Road and Evergreen Road, Southfield.

Presently, the Detroit Metropolitan Area Regional Planning Commission reports, the center is in the vicinity of Seven Mile Road and Greenfield Road, Detroit.

The net result since 1930 has been for the population center to move more than five miles west and four miles north from its location at Hamilton and Elmhurst.

Receives Promotion at Lawrence Tech

Prof. James R. Richardson has been promoted to Chairman of the Civil Engineering Department at the Lawrence Institute of Technology.

Richardson, who received his bachelor's degree from the United States Military Academy and a master's degree from Harvard, retired from active duty in the Army Corps of Engineers with the rank of major.

Married and the father of four children, he lives at 764 W. Lincoln Ave., Birmingham.

Slaps Lien on Astaire

LOS ANGELES (AP) — Fred Astaire owes an additional $6,449 on his 1958 income tax, the Internal Revenue Service said Thursday. It filed a tax lien against Astaire for the sum.

FRED D. MONDIN

Ex-Pontiac Man Wins Award

Fred Mondin of Oregon Gains National Honor From Engineer Society

A former prominent Pontiac resident, Fred D. Mondin, has won the National Award of Merit of the American Society of Tool and Manufacturing Engineers for 1961.

Mondin, who moved to Portland, Ore., in 1951, is now general superintendent of the commercial division of Willamette Iron & Steel Co., in Portland.

The award was presented to only 10 men from a membership of more than 4,100 in Canada and the United States, and was the first such award won by a member of the Portland chapter in its 18-year history.

★ ★ ★

Mondin came to Pontiac in 1937 to take over machining at Jig Bushing Co. and was a central figure in the development of children's recreation facilities in Pontiac.

ORGANIZES ACTIVITIES

As director of the Northside Community Club for eight years, he organized softball and bowling leagues, summer dances at Oakland Park, kite-flying contests and many other sports events.

He was also a director of the American Baseball Federation's Pontiac Chapter and a member of the LeBaron Neighborhood Club.

Mondin is best known here as a member and vice president of the Pontiac Board of Education. He and his wife and their four children formerly lived at 959 Spence St.

He has been a member of ASTME for 24 years, is a past president of the Portland Chapter and currently a member of its board of directors.

Heads Forces Week

DETROIT (UPI) — Ray R. Eppert, president of Burroughs Corp., has been named general chairman of the 12th annual Armed Forces Week celebration in the Metropolitan Detroit area. Armed Forces Week will be held May 14 through May 21.

Scouts Get Awards at Special Ceremony

A court of honor and family night was held Tuesday by Boy Scout Troop 28 at the Owens School.

★ ★ ★

In a candlelight ceremony the following boys were presented tenderfoot badges: Tommy Hernandez, Dennes Leones, Keith Parker, Michael Raymond, Mike Tessman, Terry Warden, Bill Davis and Charles Leek.

Robert Johnson and Eddie Nelson were presented first class badges, Merit badges went to Robert Johnson and Eddie Nelson. Other awards were: Sidney Baker, tenderfoot; Joseph F. Ashley, first class; and Robert Johnson, merit badge.

The annual presentation of the troop charter was made by Mr. Kitchen, neighborhood commissioner, to Mrs. John Newman, school PTA president. Scoutmaster Robert L. Johnson accepted the charter from Mrs. Newman in behalf of the troop.

Mrs. Johnson handled refreshments. Sidney Baker is assistant scoutmaster.

JFK Close-Down Order to Erase Naval District

WASHINGTON (UPI) — President Kennedy's order closing down military installations throughout the world resulted today in plans to eliminate an entire continental Naval district.

The 8th Naval District, headquartered in New Orleans, will pass out of existence under the order.

The defense department said it will divide up the district between the 6th Naval District at Charleston, S. C., and the 11th Naval District at San Diego, Calif.

Pontiac Sales Rise in 1960

New Car Purchases Increase Over 1959; Highest Since '55

Pontiac new-car sales per dealer last year showed an increase over 1959 and were at their highest level since 1955, according to a survey by Automotive News, weekly trade publication.

The average number of sales per dealer in 1960 was 112 cars, up from 105 the previous year. (In 1955, sales by Pontiac dealers averaged 133 autos.)

Pontiac was one of nine makes averaging more sales per franchise in 1960 than in 1959. Six lost ground.

Gainers in addition to Pontiac, were Chevrolet, Rambler, Dodge, Plymouth, Oldsmobile, Buick, Cadillac and Chrysler.

The losers were Ford, Mercury, Studebaker, Lincoln, DeSoto and Imperial.

Pontiac finished in sixth place in sales per dealer among the models in 1960.

Chevrolet walked off with the 1960 sales-per-dealer title with an average of 240 new-car sales per franchise, with Ford in second place with an average of 210 sales per dealer.

Other dealers fared as follows: Rambler, 142; Dodge, 130; Plymouth, 125; Pontiac, 112; Oldsmobile, 100; Comet, 97; Buick, 86; Cadillac, 85; Mercury, 59; Studebaker, 47; Chrysler, 33; Lincoln, 20; DeSoto, 14; and Imperial, 13.

Pontiac's 105 sales-per-dealer average in 1959 placed it in fourth place among the models that year.

Ship in Service Again

LE HAVRE, France (AP)—The French Line freighter La Coubre, heavily damaged when its munitions cargo blew up at Havana March 4, 1960, arrived Thursday night to resume service. The ship, with general cargo for the West Indies and French Guiana.

Army, Tribesmen, Farmers Wield Arms

Laos Wars Limp Along on 3 Levels

VIENTIANE (UPI) — There is more than one war in Laos.

Guerrilla war is fought equally hard by both sides. While Radio Hanoi and other Red propaganda organs cheerfully publicize Pathet Lao raids on convoys, delayed and sketchy reports trickle down from the hills and tell of heavy damage wreaked on Communist motorcades by Meo tribesmen on the progovernment warpath.

* * *

"Meo armed with flintlock muskets don't hesitate to attack Red troop convoys," a U.S. diplomatic source said. "They are the best fighters in Laos."

* * *

Like most Laotians, Meo does not look at civil war as a political or cold war battle. They want to be left alone in their hilltop villages and the government is less interfering than the Communists.

* * *

Below the Meo tribesmen's lofty perches are scattered and little-known "battlefields" of unorthodox village warfare.

This war is a conflict of militia backing the government against part-time Pathet Lao irregulars serving the Communists between the harvest and planting seasons.

It is these irregulars on both sides who take and retake many small towns mentioned over and over in war communiques.

Their jockeying back and forth leads to premature claims of victory such as Communist boasts of capturing Tha Thoma, which was always in government hands.

IT'S MISLEADING

It also leads to government reports of its own strong resistance in some towns, like the Lak Sao border community, which previously was conceded lost.

When "armed populace" government units battle the reds, fighting does not go on in towns. The key to each small struggle lies in the hilltops where a single mortar can make a town useless for the enemy.

* * *

Frequent reports of government evacuation do not always mean rebel occupation. Often it means the government merely pulled out of the City Hall for more strategic positions in the hills.

The rebels rarely occupy towns, even after successful fighting, because towns are too hard to hold.

* * *

It is this kind of warfare that leads western observers to divide the armies of both sides into Class One, Class Two and Class Three.

* * *

Class Three for the government is Meo tribesmen, hit and run fighters, and for the Pathet Lao night raiders who are farmers during the day.

Class Two for the government is the militia who defend their own province against Class Two Pathet Lao, who are recruited for a single season of fighting in their home territory.

Class One is the regulars.

This hodgepodge of uniformed soldiers and civilian night fighters is complicated by local warlords who defend themselves and the neighborhood opium trade.

Behan Is Rallying and 'Raring to Go'

TORONTO (UPI) — Irish playwright Brendan Behan was reported rallying today and raring to go to New York where "he feels at home."

Mrs. Behan said her hard-drinking husband, hospitalized here after a binge that cost him his job as master of ceremonies for a jazz revue, was making good progress in a private hospital.

He had been reported in serious condition Thursday.

Top Dem 'Proud Pop'

JACKSON (AP)—Mrs. Joe Collins, wife of the Democratic state chairman, gave birth today to an 8 pound 9½ ounce boy at Jackson Mercy Hospital. No name has been chosen yet for the baby. The Collinses have another child, 19-month-old Joseph Michael.

AP Photofax

REDS TAKE A BREAK—The exercise break takes the place of a coffee break in Russia as women workers at a watch factory in Penza perform these compulsory calisthenics. The exercises, which are held daily at 11 a.m., are required in all Soviet offices and factories.

Cost of Living Pinches Farmers a Little Harder

WASHINGTON (UPI) — The cost-price squeeze on the nation's farmers grew a bit tighter in the month ending March 15.

The Agriculture Department reported Thursday that farm costs remained at their all-time high level during the month — 302 per cent of the 1910-1914 base period. At the same time, a seasonal decline in egg and milk prices brought the average prices of farm commodities down almost one-half of 1 per cent for the month.

As a result, farm prices slipped back to 80 per cent of parity. In mid-February, prices had been at 81 per cent of parity.

Colleges Ask $70.77 Million

Solons Eye Requests by Presidents of MSU and U. of M.

LANSING (AP) — Budbet - conscious senators pondered today requests by the presidents of Michigan's two largest universities for $70.77 million in next year's appropriations to provide for expanding enrollments and maintain the quality of education.

University of Michigan President Harlan Hatcher and Michigan State University President John Hannah explained to the Senate Appropriations Committee Thursday why they were seeking a $12-million combined increase in their budgets.

Hatcher said U. of M. needs $6.44 million more due to pressing needs that have accumulated in recent years when the legislature cut down on appropriations because of the state economic difficulties.

He said the university has to meet the problem of a growing enrollment while keeping at a high level the quality of its research and instruction.

MSU is asking a $5.56-million increase, and Hannah told the lawmakers that part of the university's needs were to provide better salaries for its faculty because of the competitive bidding for teaching talent.

He said the problem of increased enrollment has hit MSU harder than most other institutions.

U. of M. has requested a total legislative appropriation of $41.67 million and MSU wants $29.09 million.

At Township Meeting

Will Ask Salary Boosts for Waterford Officials

At tomorrow's Waterford Township annual meeting which convenes at 1 p.m., the Township Board will ask that salaries of the supervisor, clerk and treasurer be raised a total some $2,000 annually.

* * *

The proposed salary hikes would raise the supervisor from $10,500 to $11,000; treasurer from $7,400 to $8,000; and clerk from $8,700 to $9,500.

The increases were approved by the Township Board at its Jan. 31 meeting, but will become effective only if residents approve them tomorrow.

This is the first time in four years that a salary increase will be considered for township officials.

* * *

In other business, the Township Board will present a tentative annual budget for the residents' approval. A township attorney, engineer and auditor will be appointed, and depositories designated for all township funds.

At an annual meeting, a citizen is a "member of the board" so to speak, as he may make and support motions and exercise duties and powers which no other citizen enjoys except under the township form of government.

This is the one meeting in the year that an individual may vote for or reject any township policy, law, budget, or governmental operation.

* * *

The merits of this form of government have been the subject of controversy ever since the State Legislature passed a law allowing townships with more than 5,000 voters to do away with what officials generally agree is a "horse and buggy" procedure—the annual township meeting.

* * *

Waterford Township has twice turned down the proposition to abolish the "one remaining true form of democracy," as one resident put it.

* * *

However, township officials are strictly against this type of meeting as a small group could—for selfish purposes — make policies that would effect some 50,000 Waterford Township residents.

Farm and Garden News

Dieffenbachia Grows Well

Do you have a corner or a wall near a window that needs something exciting in the way of decoration? The answer is DIEFFENBACHIA or dumb cane. Big, bold, luxuriant foliage is the outstanding characteristic of dumb cane. It is so called because it will paralyze the vocal chords if the stem is eaten.

★ ★ ★

Easy to grow indoors, its only requirements are diffuse light, warm temperatures, and an occasional feeding of fish tablets. It grows best in a coarse organic planting mix, without soil. Too much water causes the leaves to turn brown and fall off.

If the plant grows too tall it may be cut off 6 inches from the level of the planter mix. Side shoots will develop making bushier and rejuvenated areas in their leaves, and those with the least white or light green are generally the easiest to grow.

The variety shown is a new one, Dieffenbachia exotica. Diffused light such as provided by a curtain between the plant and the sun will give the best growing results.

EASY TO GROW — This Dieffenbachia or Dumb Cane is easy to grow inside. It doesn't want direct sun, but likes a warm temperature. Because it is large and luxuriant, it is excellent to use in that spot where you need some kind of decoration.

Name's Unknown

A magnesium ammonium phosphate fertilizer that will not burn or injure roots or foliage has been developed. Especially adaptable for fertilization of tree seedlings, the manufacturer recommends its use for turf, shrubbery and truck farm crops. Because plant nutrients are released slowly, they are available over an entire growing season.

Rose Fragrance Gains Attention

If you point out a prized rose bloom in your garden to a visitor, invariably, he or she will lean forward to sniff it. This instinctive human reaction has been carefully noted by the leading rose growers of America.

These days, rose hybridizers are endeavoring to stress the fragrance factor in breeding new varieties for beauty of color tones and floral form. In the forefront of this effort is All-American Rose Selections.

★ ★ ★

[illegible] organization impartially selects the finest rose or roses from those presented every year for [illegible] and judging in every [illegible] and soil condition, according to a checklist of thirteen selection factors.

Generally, according to AARS, the lighter the rose color, the fainter the aroma. Deep red roses are most fragrant, while white roses impart a far lesser scent.

Smoe great modern rose varieties that have a strong fragrance are: (hybrid teas): Crimson Glory, Chrysler Imperial, Mirandy and Nocturn. All are reds. Charlotte Armstrong, Rubaiyat, Tallyho and Tiffany. All are pinks or salmons; and Sutter's Gold, yellow.

★ ★ ★

In floribundas, World's Fair, deep red; Fashion, Jiminy Cricket and Ma Perkins, pink to coral; and Gold Cup, yellow. All but one of these roses have won the coveted AARS award as top rose in the year of their introduction.

Rose Growers Account for High Plant Sale

American home gardeners will spend more money on rose plants in 1961 than at any time since the passage of the U.S. Plant Patent Act in the 1930's, which was the first legal measure to protect rose hybridizers in this country.

J. Awdry Armstrong, president of Armstrong Nurseries, Inc., Ontario, Calif., world's leading hybridizers of All-America garden rose varieties, estimates the nursery industry will sell more than 50,000,000 rose plants in 1961 for a total sales of approximately $150,000,000.

Colorful and Helpful

Gardening tools won't be easily misplaced or lost if they are painted in bright, easy-to-see color. They add that aluminum protective coating not only brightens trowels, pruning shears, rakes and other tools, but it also helps retard rust and corrosion.

Plants Prefer Home Soil

The idea of bringing a little bit of the South with you may be strictly from Dixie, if you're toting plantings northward. Many people do it, but the exotic greenery rarely thrives outside its geographical limits.

The thought of magnificent magnolia blossoms, camellias and azaleas gracing the home property is irresistible to the sunshine tourist. The shrubs are placed in the family bus and then taken on a leisurely jaunt to cooler climes.

Even the method of transportation makes plant survival questionable, says D. F. Hayman, field representative of The Davey Tree Expert Co. If what you like about the South includes its flora, buy plants from reliable dealers. At least plants will be packed professionally and presumably shipped by express or other fast delivery. Chances are if you haul your own plantings, they'll rest in an overheated car trunk for a week or more before finding a home on the home grounds.

Some greenery has a fighting possibility, but the extra care it needs can be a giant annual headache. Consider the requirements: before next winter's arrival, a heavy mulch will have to be laid to keep the soil temperature as high as possible. There will also have to be wrappings of straw and burlap and perhaps in some cases entire plant coverings of plastic to offer shelter from frigid winds.

Most Southern plants will grow during the Northern summer, but that will be it. Less than hardy plants are almost sure to fail in more northerly climes. The situation works in reverse, too. Even the common apple tree refuses to flourish in Florida.

Hotbeds, Cold Frames Mean Earlier Plants

It's easy to get the jump on spring when you start plants in your own cold frame or hotbed. Now is the time to build one.

A plant-starting bed can be as simple and effective as a glass-covered box in a south window. If you have the room, you may want to build a larger, electrically heated hotbed that will produce a mass of plants for earlier gardening.

The simple window box should be fitted snugly between window jambs. Heat comes from the sun and your house.

Use two layers of tempered Masonite or marine plywood for the base. Fill the space between with insulation for better temperature control. You might also place an inexpensive heating cable in this box to guard against sudden cold snaps. A one-inch layer of sand provides a firm base for pots and flats.

An excellent location for an outdoor cold frame or hotbed is attached to a basement window that gets lots of direct sunlight. Heat can be supplied directly from the basement. In southern areas, a simple wooden frame with window sash on top can be placed in a sheltered garden spot away from the house if you like.

An economical cold frame can be built with boards or cinder blocks.

Standard sash coverings are three by six feet. If you or a neighbor has recently converted from old-type storm windows, these make ideal frame covers. Simply vary your cold frame size to suit the windows you have available. Polyethylene film also can be used for covering. It usually lasts several years if given proper care.

Construct the front of the frame at least six inches lower than the back for drainage. Make sure the ends are properly sloped so that the sash fits snugly and holds in the heat built up during sunny days. A double wall offers extra protection against drafts and extreme temperature fluctuations.

How elaborate your heating system depends on your budget. Thermostatic controls and soil heating cables are available from most garden or hardware stores.

First remove six to eight inches of soil. Wind the cable as indicated by the manufacturer for the size area you wish to heat. Add an inch of gravel to protect the cable, and a covering of one-quarter inch galvanized wire hardware cloth.

Replace the topsoil and you're ready to plant. Sterilizing or fumigating soil before planting eliminates weeds and soil pest problems. Your local garden center can give you details on cold frame construction and care to guide you to better earlier gardening.

Give New Owner a Garden Sketch

One regret many people have about moving to a new home is leaving behind the flower beds, shrubs, and plantings they have pampered and developed over the years.

It's usually impossible to take along a favorite evergreen, flowering crab apple tree, or rose bush. Moving counsellors also remind that plants and shrubs cannot be shipped via moving van and therefore, must be left to the new owner of the home.

As a result, it would be best to go over your planting plan with the new owner before you leave. In the winter, fall, and early spring, it's often difficult to tell what will come up where. You might even want to draw a sketch of your lot, marking in the rose beds, chrysanthmums, and all the rest.

You'll want to make your buyer at home in his new neighborhood and little things such as this will help a great deal.

After a home handyman installs mineral wool insulation, any left over can be utilized as an excellent mulch in a garden.

Colleges have certainly changed in the past decade. We remember when it was tough getting out — now it's tough getting in . . . .

If a poor man tells a joke it's just a dull gag; if a rich man tells one it's a bon mot. — Earl Wilson.

The first substantial immigration from Russia to Canada was when 6,000 Mennonites were settled in Manitoba from 1874 to 1880.

Doom crabgrass the day you seed

One-day way to improve your lawn

It doesn't take hard work or expert skill to transform a frustrating lawn into a satisfying one. It doesn't even take a lot of time. In just one afternoon you can keep crabgrass from plaguing you again this year, and plant that better lawn you want. The answer to crabgrass is HALTS®. It lies in wait, kills crabgrass as it sprouts. Yet HALTS lets good grass sprout unharmed, so you can sow all-perennial Scotts seed the same day. Non-burning TURF BUILDER® completes the job, gives new and established grass the protein-building nutrition it needs to thrive.

TURF BUILDER	HALTS	LAWN SEED
For 5,000 Sq. Ft.	For 2,500 Sq. Ft.	For 1,250 Sq. Ft.
4.95	9.95	5.95

SPREADER BARGAINS! When purchased with any of the above items, we can sell you a big, accurate $16.95 Scotts Spreader (as illustrated) for only $11.95.

Lawn 'Pro' Gives Tips on Grass Care

If you think you have a problem yard, with turf that's hard to keep a velvety, rich green, then you haven't heard about Jack Lair.

Lair, whose "lawn" is the Cotton Bowl, is a pro at keeping gridiron turf strong and perfect.

Try following his tips and your lawn will soon attain grandstand viewing perfection.

Choose grass carefully, and match it to the climate and rainfall in your section of the country. Feed and water your lawn carefully. Lair, at Dallas, has grass food spread over the Cotton Bowl turf in late August. Early next March he will feed again and repeat feedings every thirty to forty days.

Mow grass often. Grass on the Cotton Bowl is mowed about twice a week. His weed problem depends on specific needs, and is either done by hand or through chemicals — as it would be on your own lawn. Insect control, aeration and a workable program of your own will also help to insure quality and strength for your yard.

Coffee Grounds Harmful

Grandmother was wrong: The old custom of applying coffee grounds to house plants does not do good and may do harm. Coffee contains a toxic chemical that may injure them. Grounds can be dumped on the compost heap where they are a source of humus. Here, soil bacteria destroy the toxic element so it does no harm.

Mend Your Hose Now

Damaged couplers on your garden hose can be replaced with new plastic or nylon ones. Breaks can be spliced with new type menders designed for repairing a plastic hose. To stop leaks in a plastic hose, you should use special patches and solvents.

Maple Trees Get Infested With Harmful Gall Mites

There are several common types of galls that hit various maples. You can tell which one is afflicting your maple by the form and color of the gall.

The galls mites are more prevalent some years and hurt the appearance of ornamental maples. They cause the foliage to drop prematurely. Generally, the injury is temporary and the health of the tree isn't affected seriously.

The most unpopular gall mite is called maple bladder. It causes a globular pouch-like or bladder-like gall about a fifth of an inch in size. The silver or soft maple usually is hit hardest by this insect of the tick and red spider order.

Most of the swellings appear on the upper surface of the leaf. They are light yellowish-green at first, turning to pink or rose, and dark gray when the mites leave them late in the season.

In some cases galls may be on lower branches only, or on only one side of a tree, or, if the tree is small, on virtually every leaf.

The mites hibernate under bark scales in winter. They become active in spring as buds begin to open. As the leaves expand, the mites penetrate the plant tissue and galls appear.

There are several generations of mites during the summer. They live and feed in the galls. The population reaches its peak late in June or early in July. In the next month they begin the migration to winter homes. At the New York State University College of Forestry, the belief is that the mites also may hibernate in the bud scales.

For control of this pest—and relatives we wil mention—spray with liquid lime-sulphur (one pint to one gallon of water) before leaf buds start to open, or after the blossom period. Sprays applied after galls have formed are quite ineffective.

Malathion also is a safe control. It should be applied late in April or early in May in climate similar to that of New York. Use four tablespoons of 25 per cent Malathion wettable powder or two tablespoons of liquid 50 per cent Malathion emulsion concentrate in a gallon of water.

Other gall mites are: The maple spindle, similar in form and appearance to the maple gall. It attacks soft maples, sugar and white-bark maples. The galls are erect, about one-fifth of an inch long and as thick as a pencil lead; the Crimson Erineum gall mite, which causes a glossy crimson coating or felt-like patch on the upper surface of sugar maple leaves; the Norway maple gall, which causes hairy growths in vein and axils on the under surface of leaves in summer.

Another is the box elder gall mite which causes wart-like swellings on the under surface of the foliage.

Make Special Mixture to Feed Rhododendrons

Rhododendrons must have a gravelly, humusy, acid soil. While they want ample moisture the soil should not be soggy, hence the need of a well drained location. Feeding in early spring and late summer with an organic commercial fertilizer made especially for rhododendrons, azaleas and other acid-soil plants is recommended.

You can make your own by mixing one part superphosphate and six parts cottonseed meal, applying it at the rate of 3½ pounds per 100 sq. ft. of area. Cultivate it lightly into the soil and then water.

The average American family earned $6,520 before taxes in 1959, 4 per cent more than in 1958.

Plant Everlastings for Winter Bouquet

There's a nice group of annuals that are known as everlasting flowers. Each of them is a good garden subject, and each may be dried simply by cutting the blooms, stripping the leaves, and hanging them upside down by their stems until they are dry.

They hold both their color and their form amazingly well, and give you one up on the pseudo gardener who has artificial flowers in her vase. Good, reliable everlastings include Acroclinium, Helichrysum (Strawflower), Statice, and Xeranthemum (Everlasting Cornflower).

Self-service seed racks and mail order catalogs spare you the pain of pronouncing these names, and you can airily designate them all as everlastings to your garden visitors.

Try Nicotine Sulphate to Chase Animals

If you're tired of chasing cats and dogs out of your garden try using pipe cleaners. What do you think of when you see pipe cleaners? Pipe smokers probably would say nicotine. The right answer is nicotine sulphate.

Dip several pipe cleaners in nicotine sulphate and hang them as you would canes on low branches of evergreens — about nose level to a dog.

You can protect your tree trunks by wrapping around them narrow strips of cloth saturated in the same preparation. This is quite discouraging to your pet cat or dog, who finds the stuff obnoxious.

To get rid of more determined, or more selective animals, mix two tablespoons of nicotine sulphate in a gallon of water and spray your shrubbery and lower regions of buildings periodically. There are other good preparations that will do the same job.

There is a less odorous way to protect trees from bark-nibbling rabbits in the late fall or winter when food is scarce. Wrap ordinary household aluminum foil around the tree as high as a rabbit can reach.

Strawberries Will Cover

Are you looking for a dual-purpose ground cover? Strawberries may be your answer. Strawberry plants are excellent for border covers, and the result is an effective cover as well as a good crop of fruit.

The coot, or mud hen, is a medium-sized duck-like bird in the marshes of southern central Canada.

There are 1,755 English language daily newspapers in the United States with a combined circulation of 58,299,723.

Rockne Among 8 Victims

Plane Crash 30 Years Ago Stunned Nation

SOUTH BEND, Ind. (AP)—Thirty years ago today a westbound airline plane, shortly after leaving Kansas City, crashed in a wheat field near the Kansas hill town of Bazaar. Knute Rockne was among the eight persons aboard who perished.

Every year since then, his friends, associates and former players under his tutelage have gathered to pay tribute to Notre Dame's pug-nose football strategist who made the Fighting Irish as well as his own name a household word.

A group of 250 attended memorial mass in the Alumni Hall chapel last Sunday. Jack Cannon of Columbus, Ohio, who was one of Rockne's greatest linemen in 1927-1929, later addressed the group. Cannon and the present football coach, Joe Kuharich, then placed a wreath on Rock's grave in Highland Cemetery on the outskirts of town.

★ ★ ★

There are no special services today. The campus is quiet because of Easter vacation.

Rockne, who had just turned 43, was en route to Los Angeles for a business meeting when he was killed. The previous fall his Fighting Irish were national champions, capping Rockne's 13-year coaching tenure at Notre Dame in which his teams compiled a 105-12-5 record.

His most famous team was made up of the Four Horsemen—Elmer Layden, Harry Stuhldreher, Don Miller and Jim Crowley—and Seven Mules in the middle 1920s. But, perhaps, his most brilliant was his last 1930 outfit which rolled over Southern Methodist, Navy, Carnegie Tech, Pittsburgh, Indiana, Pennsylvania, Drake, Northwestern, Army and Southern California.

In the Southern Cal game the little Norwegian immigrant pulled one of his master strokes of psychology by making the Trojans think he had no fullback. Larry Mullins, last of the experienced regulars in that position, was injured in the Army game.

Rock switched Paul (Bucky) O'Connor to fullback, fired him up with the "big chance" thoughts, and sprung him against the unsuspecting Trojans. The great USC team was mauled 27-0.

Rockne, a star pass-snagging end at Notre Dame in his playing days and voted the all-time All-America coach in a 1951 nationwide Associated Press poll, was credited with creating the backfield shift. He, personally, always gave the credit to Amos Alonzo Stagg at Chicago.

The story goes that Rockne attended a musical in Chicago and was impressed by the precision of the dancing girls. The next day he instituted the backfield shift.

His death stunned the nation.

They say that in Atlanta, a weeping newsboy looked at the headlines and pushed his pile of papers into the gutter.

"I don't want anybody to read about the Rock," he sobbed.

Jim Champlin, a junior from Birmingham, received double honors from his Tufts College Swimming teammates. The sprint star was named most valuable in swimming and elected captain for the 1961-62 season.

★ ★ ★

Cheboygan High School is looking for a basketball and track coach. John Winter has resigned, effective at the close of the school year.

★ ★ ★

Four members of Michigan State's 1959 Big Ten championship basketball team are back on campus completing work toward degrees. They are All-American John Green, Horace Walker, Lance Olson and Tom Rand.

Mid-Season Form Shown by Tigers

LAKELAND, Fla. (AP) — The Tigers are in mid-season form.

The American League's champions of one-run defeats and blown leads lost a three-run advantage and a 5-4 exhibition decision to the New York Yankees yesterday.

★ ★ ★

It was the second straight loss to the Yankees, who were staggering until their two-game set with the Tigers.

The Tigers, early leaders of the Grapefruit League race, now have fallen to third and are just two games above the .500 mark.

It all sounds so familiar, doesn't it?

Manager Bob Scheffing reinserted his regulars into the lineup for yesterday's exhibition after the junior varsity had lost to the Yanks Wednesday.

★ ★ ★

So Ralph Houk benched Roger Maris, Hector Lopez and Yogi Berra and still the Yankees won by that old one-run margin.

The Tigers touched up Bob Turley for four runs in the second and were rolling toward their first victory over the champs until the seventh.

Then the Tiger relief pitching collapsed. The Yanks erupted for three runs in the seventh and changed a 4-2 deficit into their 5-4 victory.

Hank Aguirre, the southpaw leader of the Tigers' bullpen corps, was the victim of the Yankees' booming bats. The big blow was rookie Deron Johnson's center field home run with a man on that tied it 4-4.

★ ★ ★

Then Aguirre lost it on Clete Boyer's single, a sacrifice and Bobby Richardson's base hit.

Bill Stafford, the young right-hander who beat the Tigers in a crucial game down the stretch last September, was the winner.

The best news for Scheffing was the hitting of Billy Bruton and Steve Boros. Bruton had a double, a single and three runs batted in. Boros had two singles.

★ ★ ★

Bruton's double came in the big second after Turley had loaded the bases with walks. The new center fielder dropped his hit down the left field foul line and the three baserunners scampered home. Bob Bruce, the Tigers' starting pitcher, drove in Boros with the other run with a single.

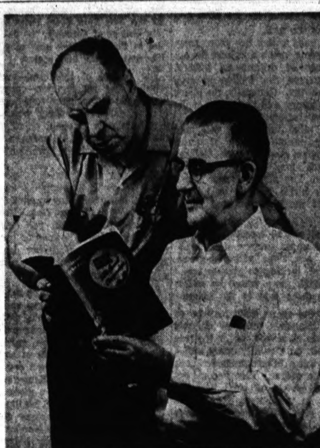
★ ★ ★

Bruce, who had a slightly sore arm, worked the first six innings and pitched well. The strapping right hander surrendered five hits and two runs, one coming on rookie Jesse Gonder's third inning homer.

Scheffing said after the game Aguirre hadn't been too impressive in his last few outings and promised the left-hander added work. Aguirre was the Tigers' best reliever last year and is being counted on heavily this season because of the loss of Dave Sisler and Pete Burnside to the new Washington Club.

★ ★ ★

The Tigers travel to Miami today for a night game with the Baltimore Orioles.



Pontiac Press Photo

CHECKING SCHEDULE — Rudy Shaltz, standing, and Sam Johnson look over the ABC schedule book to see how the 40 teams on their Pontiac Motor booster squad will lineup tomorrow night at Cobo Hall. The group organizers promise there will be beards, shoestring ties and other hints of the coming city centennial among the bowlers.

Was Seeking Restoration to Club Roster

Termination of Ray's Baseball Insurance Caused Trouble

LAKELAND, Fla. (AP) — R. Narleski, who possibly could solve the Detroit Tigers' relief pitching woes, has quit the club in a huff and gone home to Haddonfield, N.J.

The veteran right-hander stalked out of the Tigers' spring camp Thursday after a dispute with Personnel Director Rick Ferrell.

At issue was Narleski's request that he be restored to the Tigers' roster and be given a major league contract. The one-time relief ace, idled with a bad back all last season, is on the roster of Detroit's Denver American Association farm club while being allowed to train with the parent club.

★ ★ ★

Narleski said he wanted a major league contract by Saturday so he could be covered by insurance in the players' pension fund. His insurance expires at midnight today. He has had concern over medical bills if his back troubles him again.

"I've been here seven weeks and that should be time enough for them to decide whether or not I'm going to make the club," he said.

Ferrell had no comment about Narleski's insurance problem. But the Tiger front office said the club paid Narleski's entire salary last season plus his medical bills although he didn't pitch a game. His 1960 salary was reported at $18,000.

★ ★ ★

Narleski claimed the Tigers want him to pitch a month at Denver to see if his back is better and whether he has recaptured the form that once made him the ace reliever in the American League.

Ferrell said the Tigers had not decided where Narleski would pitch.

"Who's he trying to ... stormed the 32-year-old ... "He had talked quite a bit ... me going to the minors.

"If I signed a Denver ... that means I'd get just half of what I made last ... That isn't enough."

Narleski said he would ... to return to the minors under any conditions.

★ ★ ★

"I've only got so many games left in my arm and I don't want to waste them in the minors," he said, "I'd quit right now if I I knew I couldn't pitch for some of the teams in the American League."

Narleski had a brilliant career in five seasons as a reliever with the Cleveland Indians. He came to the Tigers after the 1958 season and won only four games in 1959. A ruptured disc sidelined him last season but he came to camp early in February and worked hard on a comeback.

Expects 'No Trouble' Signing Lions

DETROIT (UPI) — Edwin J. Anderson, general manager of the Detroit Lions, said yesterday he anticipates "no real trouble" in signing his players for the 1961 season.

Reports have been circulating for several weeks that the Lions, along with other National Football League clubs, may run into salary difficulties this year because of the league's schedule expansion.

The addition of the Minnesota Vikings to the NFL has forced league officials to boost the regular season slate from 12 to 14 games per team.

"Our salaries are paid on a yearly basis," said Anderson, "and there is no stipulation for a per-game basis."

"Besides, we've cut our pre-season exhibition schedule to five games this year making a total of 19 games as compared to 18 a year ago. And in 1959 we played seven exhibition games which added up to 19, the same as this year."

Anderson said that all the Lion rookies, including number one draft choice Dan LaRose, are already in the fold and nine veterans are bound by two-year contracts signed last year.

★ ★ ★

Negotiations with the rest of the team will not begin until May and if there are any serious holdout problems, they will probably not become apparent until shortly before training camp opens in July.

"I'd certainly hate to see something like salary problems interfere with the excellent frame of mind that marked the Lions' strong finish last season," said Anderson.

"Most of the players I've talked to feel we have a terrific chance of winning the world championship and we expect them all to be on hand and rarin' to go when training camp opens," he added.

★ ★ ★

"There are always a few difficulties to overcome in salary negotiations," Anderson admitted, "but we don't expect the schedule change to give us any additional headaches."

The Lions, after losing their first three games of the 1960 campaign, bounced back to win seven of their remaining nine and came within one game of capturing the western division title.

They capped the comeback by defeating the Cleveland Browns in a post-season battle of runners-up at Miami.

Pontiac Motor Squad at ABC Tomorrow

The 9:30 squad at the American Bowling Congress tournament tomorrow night will abound with beards, shoestring ties and hats. It will be the Pontiac Motor Division Booster group competing for national honors.

Auto plant teams will fill 36 of the 40 alleys at Cobo Hall. A trio of Clarkston entries and one from Ortonville will fill out lineup.

A large local following is expected to be on hand for the occasion. It will be the only time a large number of area keglers compete in the annual event at the same time.

Saturday's schedule will have several others from Oakland County in action. On other squads will be contestants from Rochester, Troy, Ferndale, Royal Oak and Hazel Park.

Part of the big Pontiac delegation will make the trip by chartered bus tomorrow while others will go in cars.

There were no changes among the leaders at the American Bowling Congress tournament last night as booster teams occupied the lanes throughout the evening.

The booster squads will be the only active bowlers at the tourney until Sunday night when regular team play resumes. The classic teams will not be back in action until Monday.

Earlier in the day, Rich Schmitt, a 29-year-old packing house brander from Waterloo, Iowa, wore the label as top star in minor events play.

Schmitt took over 10th place in regular all-events with a total of 1876.

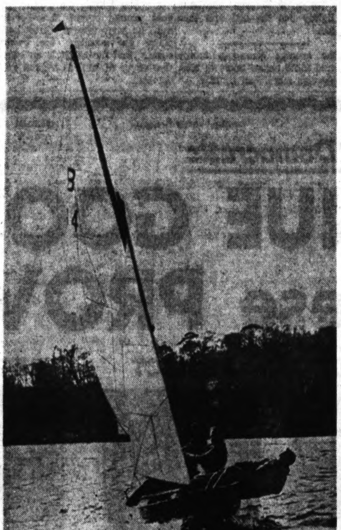
The teams and their captains on the 9:30 part of the program are as follows:

Tempest Gear & Axle (Bill Remley), Plant 9 Machine Repair (Herb Arthur), Time Office (Harold Johnson), Motor Assembly (Julian Grimes), Foundry Millrights (Ray Ball), 654 Pattern Makers (Ralph Armstrong), Foundry Mechanics (Andy Heimbring), Plant 9 Labor Gang (Vin Rodgers), Plant 6 Cupolas (Albert Rucks), Local 653 (Sam Morgan).

Tool Room Bench (Tom Cappell), Plant 9 Pipefitters (Marion Fisher), Laboratory (Harold Jenson), Nickel Plate (Albert Bennett), Plant 9 Supervision (Ray Warren), Suggestion Committee (Floyd Sinkler), Plant 8 Inspection (Bob Fisher), Plant 14 Inspection (C. Judson Phillips), Fire Prevention (Rudy Shaltz), Bench Men (Sam Johnson).

Plant 14 Mech. Handling (Clare Frenzel), Plant 14 Die Room Machinists (Joe Hogan), Die Room Machines Tool (Charles Morris), Die Makers (Ed Plummer), Plant 15 Die Room (Augustin Genereaux), Dept. 797 (G. Eugene Thompson), Plant 14 Night Die Makers (Bill McConnell), Plant 14 Patternmakers (Vern Rains), Die Room Night Machinists (Lloyd Hottman), Day Tool Inspection (George Kipp).

Also, Tool Room Night Machinists (George Strebe), Tempest Tooling (Leo Boe), Plant 9 Tool Room (Jim Wellington), Plant 9 Night Machine Repair (Chester Elliott), Acme Heating (Charles Simpson) and GMC Ramblers (Bob Rebennack). The Clarkston teams will be the All Stars (Leo Roy), Drewrys (Art Crebassa) and Howe's Lanes (Ivan Norgrove). Owen Sunoco of Ortonville completes the field. John Husted is captain.



AP Photofax

NAUTICAL ILLUSION — Quick now, how many yachts are there in this picture? It really looks like one well-manned craft but actually there are three boats in a row, each with a two-man crew. The last craft in line is hidden by the sails of the lead boat as it scuds before the breeze in the Frostbite race on River Yare near Norwich, England.

Missed Only 3 Since '40

Russo Enters '500' Again

INDIANAPOLIS, Ind. — Paul Russo of Fortville, Ind., the popular veteran who has driven in all but three of the annual Indianapolis 500-Mile races since 1940, will make another bid for victory in the golden anniversary "500" on May 30.

★ ★ ★

He will be at the wheel of the Stearly Motor Freight Special entered today by Douglas Stearly of Collegeville, Pa.

Gene Force of Richmond, Ind., another experienced driver, also is assured of a car for this year's race if he recovers in time from the ailment which required his hospitalization several weeks ago.

His services are desired for the Bell Lines Trucking Special owned by Sclavi, Inc., of Charleston, W. Va., but it will be necessary for him to pass a strict medical examination prior to the start of practice on May 1.

With the addition of these two entries, the official list now numbers 25 and Speedway President Tony Hulman expects approximately 35 more before the deadline at midnight of April 15.

Russo, who has driven 3,922.5 miles in actual competition at the Indianapolis Speedway, placed among the first 10 on six occasions. He made his best showing in 1957, leading the race for many laps and finishing fourth with one of the rear-drive Novi Specials.

The Stearly Special assigned to him this year is the car Rodger Ward drove to victory in 1959 at an average speed of 135.857 miles an hour after qualifying at 144.035. Chuck Stevens qualified it last year at 144.665.

★ ★ ★

Force, who finished 11th in the 1951 Speedway Classic, earned a starting position in the "500" for the second time last May—after an absence of eight years—but failed to finish because of mechanical trouble.

No-Hit Veteran Dead

LOUISVILLE, Ky. (AP)—John T. Roddy, who played in the longest no-hit game in organized baseball, died Thursday. He was 75.

Roddy was a second baseman for Lexington, Ky., in the old Bluegrass League when Fred Toney pitched Winchester to a no-hit victory in 17 innings on May 10, 1909.

South Golfers Lead Collegians

HOUSTON, Tex. (AP)—Homero Blancas of Houston and Downing Gray of Florida State moved into the third round of the 72-hole All-America Intercollegiate Golf Tournament today sharing a two-stroke lead.

Blancas, a Houston junior who was a strong pre-tournament favorite, fired a par 72 Thursday for a 36-hole 143 that permitted him to catch the surprising Gray, who remained 1-under par despite a second-round 75.

★ ★ ★

Houston also moved into the championship team match semi-finals by defeating Texas A&M 5-1. North Texas defeated Florida 5-1 and Louisiana State defeated Alabama 4½-1½. Oklahoma State edged Florida State on medal scores, 302-306, while playing to a 3-3 tie.

★ ★ ★

North Texas State and Texas A&M shared second place in team medal play with 598. Next in order were Louisiana State 606, Oklahoma State and Florida State 607, Florida 612, New Mexico 616, Texas Tech and Oklahoma 624, Alabama and Baylor 626, Southern Methodist 629, Texas Wesleyan 632, Western Illinois 634, S. F. Austin 644, Hardin-Simmons 650, Rice 651 and Yale 700.

Sorry, CIO Boys Only

The CIO Local 594 City League softball team, which is restricted to union membership, will hold tryouts Saturday on the Northside Park field at 1 p.m. Only union members are eligible. Wednesday The Pontiac Press erroneously said that non-union persons were allowed to play.

DeWitt Handed Full Operation of Redleg Nine

CINCINNATI (UPI) — Bill DeWitt, who has been banging around major league front offices since the old St. Louis Browns folded, was given complete charge of the Cincinnati Reds today.

★ ★ ★

DeWitt, the chief executive officer of the Reds as vice president and general manger, was given full control of the club's operations following a meeting yesterday of the board of trustees of the Crosley team.

The delegation of authority, which means that all decisions concerning the Reds will be handled by DeWitt, was handed down in accordance with the wishes of the late Powel Crosley Jr., who died Tuesday at the age of 74 and was buried yesterday at Spring Grove Cemetery.

Spartan Tossers Win Pair, End Tour Today

FT. LEE, Va. (UPI) — Bill Sinks pitched a one-hitter for Michigan State last night as the Spartans blanked the Ft. Lee Travellers, 4-0, for their ... victory on the spring training tour.

Michigan State won the opener of the day-night doubleheader by pushing across a run in the final inning to defeat Rhode Island, 3-2. Ron Henderson laid down a perfect squeeze bunt to score Bill Schudlich from third with the winning run.

Michigan State, now 8-2-1 on the Southern tour, meets Rhode Island again this morning before returning home.

Leafs, Montreal Host 5th Playoff Games Saturday

Toronto Coach Blasts Team, Lauds Wings

Rocket Says 'Dirtiest Series He Has Seen' Caused by Hawks

By THE ASSOCIATED PRESS

The semifinal series in the National Hockey League's Stanley Cup playoffs resume in Toronto and Montreal Saturday night with consternation in Canada over the play of the Maple Leafs and Chicago's bruising Black Hawks.

★ ★ ★

The Hawks, who have split four games with Montreal's Cup champs of the last five years, were singled out today by former Canadiens' great Maurice (Rocket) Richard for a major contribution in making the current series "the dirtiest I've ever seen or played in."

★ ★ ★

The Maple Leafs, trailing Detroit 3-1 in the other semifinal, were roasted by Coach Punch Imlach for their "atrocious" shooting and their inability to keep the Wings from beating them to the puck in the corners.

★ ★ ★

This, plus the play of Detroit goalie Terry Sawchuk and Detroit ace Gordie Howe, says Imlach, is the explanation for the Leafs flop so far in the semifinals. The Leafs dueled Montreal all season for first place in the league, while Detroit finished fourth after a woeful start.

★ ★ ★

"I'm not talking about rough series," said Richard in Montreal. "I've played in plenty of rough ones. But this one is the dirtiest."

★ ★ ★

Richard, who played in a record 133 Stanley Cup playoff games, has been a spectator at all four Montreal-Chicago semifinal matches this year. He cited the injuries suffered by Boom Boom Geoffrion, Billy Hicke, Ralph Backstrom, Doug Harvey and Marcel Bonin. All except Geoffrion are expected to play Saturday.

Coach Toe Blake of the Canadiens thinks the injuries may hurt the Black Hawks more than his team.

★ ★ ★

"This club is like a lion when he's wounded—just twice as dangerous," he said. "It goes without saying that this is the key game for both of us. I hope I can get the boys up to the pitch they showed in Chicago on Tuesday."

The Canadiens, their backs to the wall, played their best game of the series then and won 5-2.

The sixth game of the Montreal-Chicago semifinal will be played in Chicago next Tuesday with the seventh, if needed, in Montreal on Thursday.

★ ★ ★

Although Imlach talks of Toronto bouncing back against Detroit, the Red Wings have been made 3-1 favorites to advance to the finals. If Toronto wins the fifth game, the teams go to Detroit for No. 6 Sunday night and, if necessary, return to Toronto for the seventh on Wednesday.

★ ★ ★

The Leafs went through an hour and a half workout Thursday and Imlach said:

"Sure, Sawchuk has played great games but we've been atrocious in front of their nets and they've continually beaten us to the puck in the corner, something that shouldn't happen to this team."

★ ★ ★

"Still the game next Wednesday is the sudden-death game," he added, assuming the Leafs will win Saturday and Sunday to get the series even.

AP Photofax

SMILING WINNER — Murray Rose of the University of Southern California, left, smiles with his arm around Alan Somers of Bloomington, Ind. whom he defeated in the 1500 meters freestyle heat of the Senior Men's National A. A. U. National Indoor Championships at Yale University, New Haven, Conn., yesterday. Rose beat Somers in 17:43.7 for a new meet and pool record.

Records Shattered in AAU Swimming

NEW HAVEN, Conn. (AP) — Two events and two records. That's the sizzling pace being set so far in the National Amateur Athletic Union (AAU) Indoor Swimming and Diving Championships.

Charley Bittick and Murray Rose, the Southern California water whizzes, got the three-day classic off Thursday night as if they were being shot out of jet engines.

★ ★ ★

Bittick cracked the American standard in the 400-yard individual medley race with a brilliant 4:23.7 shaving nearly five seconds off the mark recorded in Yale's 25-yard pool here last year by Stanford's George Harrison. The 21-year-old Bittick beat Ted Stickles, Indiana freshman, by about 5 yards as both finished under the listed standard. Stickles was clocked in 4:26.9.

Australian Olympic champion Rose broke the meet record in the 1,500-meter grind held in Yale's 50-meter tank. The 22-year-old blond touched the finish line in 17:43.7, chopping more than 17 seconds off the 18:00.8 which George Breen registered over the long course a year ago. Rose won by 15 meters over Alan Somers of Indiana, who barely finished in front of Roy Saari of El Segundo, Calif.

★ ★ ★

What's new todayc

Both Rose and Bittick shoot for a second crown in determined battles for triples, and they could do it although it might be rough and tough. The Australian makes his bid in the 220-yard sprint and Bittick in the 220-yard backstroke, which the Trojan leader is defending.

In other highlights, Olympic champion Mike Troy of Indiana is favored to retain his 220-yard butterfly title, but could get an argument from Southern California's Lance Larson; and defending champion Bill Mulliken of Oxford, Ohio, faces danger in the 220-yard breaststroke.

Some 250 swimmers and divers are competing for qualifying places in six events this afternoon for a whack at the titles tonight.

400-yard individual medley—1. Charles Bittick, Southern California, 4:23.7 (American and meet record, old record 4:28.6 by George Harrison, 1960) 2. Ted Stickles, Bloomington, Ind., 4:26.9. 3. Dennis Rounsavelle, Southern California, 4:29.9. 4. Gary Heinrich, Cincinnati 4:31.4. 5. John House, Southern California, 4:33.3. 6. John Roethke, Bloomington, Ind. 4:44.5.

1500-meter (places decided on time)—1. Murray Rose, Southern California, 17:43.7 (meet record, old record 18:00.8 by George Breen, 1960) 2. Alan Somers, Bloomington, Ind., 17:55. 3. Roy Saarida, El Segundo, Calif., 17:55.2. 4. Brian Foss, Southern California freshman, 18:00. 5. Bill Chase, New Haven Swim Club, 18:17.5 6. Eddie Kin, Rimiera Club, 18:42.6.

Broglio Is Winner Over Nine Innings

Trades Helping Cardinals

By The Associated Press

Three Trades the St. Louis Cardinals made with the San Francisco Giants are starting to prove beneficial for the Red Birds with pitcher Ernie Broglio, first baseman Bill White and shortstop Daryl Spencer all figuring prominently in their 1961 National League pennant plans.

The trio starred in the Cards' 2-1 exhibition baseball victory over the Los Angeles Dodgers Thursday when Broglio, a 21-game winner last season, just about clinched the opening day assignment by becoming the first St. Louis pitcher to go nine innings this spring.

★ ★ ★

The big right-hander allowed 4 hits, struck out 4 and walked 4. The lone run off him came on Duke Snider's fourth inning homer.

White, who batted .283 and slammed 16 home runs in 1960, collected two of the Red Birds' six hits as he continued his steady spring swinging. He boosted his Grapefruit League average to .421, tops on the club.

Spencer broke up the game with a ninth inning home run off veteran Don Newcombe, who is attempting a comeback with his old team. The lanky infielder, who also belted 16 round-trippers last season while compiling a .258 average, was the first batter to face big Newk in the ninth. Newcombe, who relieved starter Larry Sherry, gave up three hits in his three-inning stint.

★ ★ ★

Broglio was acquired in October 1958 in the deal that sent Hobie Landrith to the Giants. White was involved in the swap that saw San Francisco get Sam Jones in March 1959. The Cards gave up Don Blasingame in order to obtain Spencer in December 1959.

In other games Thursday, Minnesota edged the Chicago White Sox 4-3, New York nipped Detroit 5-4, Milwaukee trimmed Kansas City 8-2, Pittsburgh posted a 6-4 victory over Philadelphia, San Francisco turned back Boston 7-5, the Los Angeles Angels shaded Vancouver of the Pacific Coast League 3-2 and the Baltimore B squad edged Richmond of the International League 6-5. The Chicago Cubs and Cleveland game was canceled by wet grounds at Tucson.

★ ★ ★

Hal Naragon's three-run homer and Bob Allison's solo four-bagger triggered the Twins' conquest of the White Sox. Home runs by Deron Johnson and Jesse Gonder were the key blasts in the Yanks' win at the expense of the Tigers.

Billy Martin batted in five runs with a homer and two singles in the Braves' success over the A's. Joe Adcock also homered for Milwaukee. Dick Schofield's two-run homer in the eighth provided the winning margin for the Pirates against the Phils. Pitcher Vernon Law, who went the route, aided his cause with a circuit-clout as the Bucs won their 14th in 20 tries.

Willie Mays and rookie Tom Haller produced homers in the Giants' win over the Red Sox. Jackie Jensen of Boston was forced to retire with a pulled muscle in his right leg. Faye Throneberry and Ted Kluszewski homered to power the Angels in their triumph over Vancouver.

★ ★ ★

Earl Robinson's three-run homer enabled the Orioles' B squad to gain their victory at the expense of Richmond as Chuck Estrada went the distance. Baltimore's regularly scheduled game with Cincinnati was canceled out of respect for Powel Crosley Jr., the late owner of the Reds who died Tuesday. Crosley's funeral was held Thursday.

Setting Up 42 Vote Machines

Addresses Listed for 18 Precincts in Waterford Township

Waterford Township employes are busy setting up and transporting 42 automatic voting machines to the 18 precincts for Monday's biennial election.

From 7 a.m. until 8 p.m., some 22,500 registered voters will have the privilege of choosing state, county and township officials plus deciding on two state and two Waterford Township propositions.

★ ★ ★

This year there will be an additional voting machine placed in six of the precincts giving them three machines. The remaining precincts will have two each.

There will be 114 election inspectors on hand to assist voters, and tabulate votes.

★ ★ ★

Township residents will vote at the following places:

Precinct No. 1, Jayno Adams School, 3810 Clintonville Road; No. 2, Fire Station No. 2, 4596 W. Walton Boulevard; No. 3, Waterford Village Scrol, 4241 Steffens St.; No. 4, Williams Lake School, 2525 Airport Road; No. 5, Waterford Township Hall, 4995 W. Huron St.; and No. 6, Hudson Covert School, 1150 Scott Lake Road.

Also, No. 7, Donelson School, 1200 W. Huron St.; No. 8 Stringham School, 4350 Elizabeth Lake Road; No. 9, William Beaumont School, 6532 Elizabeth Lake Road; No. 10, Lambert School, 3576 Cass Elizabeth Road; No. 11, Knights of Pythias No. 277 Hall, 962 Voorheis Road; No. 12, Henry Schoolcraft School, 6400 Maceday Drive.

And, No. 13, Pontiac Lake School, 2515 North Williams Lake Road; No. 14, Drayton Plains School, 3000 Sashabaw Road; No. 15, John Monteith School, 2303 Crescent Lake Road; No. 16, Leggitt School, 3621 Pontiac Lake Road; No. 17, William Austin Burt School, 581 S. Winding Drive; and No. 18, Waterford Center School, 1021 Airport Road.

Bucking Trend, Residents Want to Disannex

HOLLAND (UP) — Amid numerous annexation questions to be decided in Michigan city elections Monday Holland faces a reverse action that could deprive it of 3.5 of its 13.2 square miles.

★ ★ ★

Some 200 south-side persons brought into the city through annexation in the 1950s are seeking to disannex their property and revert to township status.

★ ★ ★

As far as Holland officials know, this is the only city in Michigan ever faced with possible disannexation.

The residents involved in the current effort tried to pull out of the city almost a year ago, but they lost in a close vote.

Rattler Misses Boy and Loses His Head

TAMPA, FLA. (UP)—A 5-foot rattlesnake lashed out at Roger Briggs but missed and became entangled in he boy's bicycle.

★ ★ ★

Roger, 12, son of Major and Mrs. A. D. Briggs, told police he was walking his bike across the street near his home in a residential area Thursday when the rattler appeared out of nowhere and struck.

The snake became entangled in the wheel of the bicycle and one of the spokes severed its head.

Cubs, Den Mothers Honored at School

David Danielson won the silver trophy, presented by Cubmaster Jack Stepleton, in the Pinewood Derby held Monday night by Cub Pack 8 at the Crofoot School. The Hooligan badge went to George Kazarian.

★ ★ ★

Tony Johnson became a bobcat. Stephen Sutherland, John Cole and George Kazarian received wolf badges. Ricky Goff and Donnie Trarop got silver arrows; and David Sutherland received a bear badge and gold arrow.

Appreciation certificates were presented to Mrs. Jerry Buckley, Mrs. Eric Danielson, Mrs. Harry Jones, Mrs. Harry Rhodes, Mrs. Ray Sutherland and Mrs. Donald Trarop, den mothers.

Housing Scandal Rocks Soviet City (No Roofs)

MOSCOW (UP) — A housing scandal rocked the Urals City of Chelyabinsk today. The first secretary of the city's Communist party and Chelyabinsk's mayor were fired. The first secretary, K. Voronin, also was expelled from the party.

The Communist party newspaper Pravda reported that of 562 apartment buildings erected in 1959, 292 were defective.

Tenants complained the buildings had no floors, no plaster on the walls, no water pipes, no heating systems, no electricity.

Some had no roofs.

News of Service Personnel

Army Pvt. Thomas G. Seyler whose wife, the former Virginia Darling and son Thomas G. Jr. reside in Ortonville, recently was home on leave from Ft. Hood, Tex. His parents Mr. and Mrs. Kenneth Seyler live at 7730 Eston Rd., Clarkston.

A former Clarkston High School student, Pvt. Seyler expects to be discharged next March. Friends may address mail: Pvt. Thomas G. Seyler, U.S. 55688999, H.Q. Co., 2nd Med. Tk. Bn. Patton, 37th Armor, 2nd Armed Div., Fort Hood, Tex.

SEYLER

O'BRIEN

Serving with the U. S. Army at Fort Sill in Oklahoma is Pvt. David F. O'Brien, son of Mr. and Mrs. Frank O'Brien, 7242 Richardson St., Walled Lake. A Walled Lake High School graduate, he entered the service Jan 6 and underwent basic training at Ft. Leonard Wood, Mo.

Pvt. O'Brien is receiving training in missile construction and heavy artillery at Fort Sill. He is a former employe of Walled Lake's A&P Food Store.

Four area airmen have completed the initial course of Air Force basic military training at Lackland Air Force Base in Texas.

They are Frank P. Dickerson, son of Frank P. Dickerson, 3990 Perkins St., Waterford; Carson E. Cascaddan, son of Mr. and Mrs. Carson F. Cascaddan, 1029 Northfield St.; Kenneth J. West, son of Mrs. Hope I. West, 37 W. Columbia Ave.; and Jerome R. Dumanois Jr., son of Mr. and Mrs. Jerome R. Dumanois, 3250 Silver Lake Rd., Fenton.

DICKERSON

CASCADDAN

Airmen Dickerson and Cascaddan have been selected to attend the technical training course for aircraft and missile maintenance at Sheppard Air Force Base, Texas, and Airmen West and Dumanois will be stationed at Lowry AFB in Colorado.

WEST

DUMANOIS

Air Force T. Sgt. Richard G. Whitaker, son of Mr. and Mrs. Orval R. Whitaker, 5877 Winslow St., Waterford Township recently was graduated from the 35-week electronic analog data processing equipment repairman course at Keesler AFB, Mississippi.

At Hancock Field, New York Sgt. Whitaker will operate, adjust, inspect, maintain and repair radar course directing equipment and related test equipment.

He is married to the former Margit Rother of Neisse, Oberslesia, Germany; they have a three-year-old son Richard H.

★ ★ ★

Ten weeks of basic training at Recruit Training-Women, United States Naval Training Center, Bainbridge, Md., have been completed by Patricia J. Villella, daughter of Mr. and Mrs. T. T. Villella, 4730 Elizabeth Lake Rd. She is spending a 14-day leave here before reporting to the U.S. Naval Hospital at Bethesda, Md., for on-the-job training. S.A. Villella is a St. Frederick's High School graduate.

VILLELLA

★ ★ ★

Airman 3.C. Thomas D. Lien, son of Mr. and Mrs. George Lien, 46100 12-Mile Rd., Walled Lake, recently was graduated from the aircraft mechanic course at Sheppard AFB, Texas.

Airman Lien came to the Sheppard base from Lackland AFB, Texas where he began basic training.

$200,000 Suit Filed Against Gas Company

DETROIT (UPI) — Seven insurance companies have filed a $200,000 damage suit against Michigan Consolidated Gas Co.

The suit, filed in Federal Court, grew out of a May 2, 1960, explosion at the Tri-Part Manufacturing Co. in which one person was killed and seven others were injured.

The insurance companies said they have already paid out $125,751 in claims as a result of the explosion.

Bed wetting corrected, ages 5 to 40. FE 5-2311. —Adv.

Two in South Lyon Seek Mayor's Post

SOUTH LYON — A justice of the peace here and a former police chief will oppose one another Monday in the race for the mayor's post.

★ ★ ★

Two council seats also are to be filled. Six candidates, including the two incumbents, are seeking the positions.

The candidates for mayor are Justice of the Peace John Alley and John Noel, who held the police chief post here 18 years until last April.

★ ★ ★

Seeking to regain their council posts are Donald Scheel and Reynold Sweet. They are being opposed by Ralph Lloyd, Vince Wineburger, Delbert E. Curry and Robert Pollack.

Fire at Waterford Home Does $3,850 Damage

Waterford Township firemen were called to the home of James Wagner at 393 Cederlawn at noon yesterday to extinguish a blaze which caused an estimated $3,850 damage to the $10,000 frame home and contents.

Firemen said the fire was started in the living room by possibly careless cigarette smoking, however they are still investigating today. No one was injured.

Vealers—Salable 25. Not enough to make a market.

Sheep—Salable 100. Not enough to set up quotations.

Hogs—Salable 100. Not enough butchers under 230 lbs. in early to set up quotations; limited trade on available supply steady to 25c higher; sows steady; compared last week butchers mostly steady, instances 25c lower; sows steady to 25c lower decline on weights under 400 lbs.

Exchanges Close Today

NEW YORK (AP) — Major stock and commodity exchanges in the United States, Canada and Europe are closed today because of the Good Friday holiday.

Manufacturing Shows Upturn

February Sees Factory Inventories Down and Shipments, Orders Up

WASHINGTON (AP)—Business, as measured by manufacturing, shows signs of improvement.

The Commerce Department reported yesterday that:

Shipments from factories rose 1 per cent from January to February, allowing for seasonal trends;

★ ★ ★

New orders to factories rose by 2 per cent with the gain mainly in durable goods, and the backlog of unfilled orders rose during February by nearly $300 million after declining for more than a year;

Book values of inventories held by manufacturers were reduced by $100 million in February, a slower rate of liquidation than in late 1960, and

★ ★ ★

Merchandise exports in February totaled $1.7 billion, up 7 per cent from January after seasonal adjustment.

★ ★ ★

There were negative signs, too. The department said factory sales were 10 per cent below February 1960, and orders were 7 per cent below February of last year.

Builder Faces Lesser Charge in Macomb County

MOUNT CLEMENS (UPI) — A Detroit building firm official saw two charges against him dismissed, but today faces a lesser one by the Macomb County prosecutor's office.

Leonard Watson Jr., 37, of Royal Oak, waived examination Thursday on a charge of acting as a residential builder without a proper license.

He was freed on $500 bond by Justice Francis A. Castellucci.

Watson, a former secretary-treasurer of Jay Schultz Inc., and its sales outlet, New Homes Sales Inc., had been charged with larceny by conversion over $100 and violation of the Builders Trust Fund Act.

Thieves Steal Drugs From Area Pharmacy

Thieves who broke into an Oxford drugstore early today escaped with large quantities of cocaine and morphine in addition to $150 in cash and 10 wristwatches.

Oxford police said burglars entered Mitchell's Drug Store at 8 S. Washington St. by forcing a lock on a rear door of the building. Police believe the break-in occured at about 4 a.m.

The owner, Charles Mitchell of 455 Drahner Road, Oxford Township, said 455 morphine tablets and 150 grains of cocaine powder were missing.

Boy, 3, Killed in Detroit

A 3-year-old Avon Township boy was struck by a car and killed in front of a home his parents were visiting in Detroit yesterday.

★ ★ ★

The victim was Tipton Jay, son of Mr. and Mrs. Alfons Jay of 1332 Crooks Road.

★ ★ ★

Police said the boy ran from between parked cars and into the path of a passing car. The driver was not held.

Thugs Jump City Man in Auburn Parking Lot

A Pontiac man reported to police last night that he was strong-armed and robbed by four men in a municipal parking lot on Auburn Avenue.

Matias Armendarez, 40, 749 Featherstone St., told officers the robbers took his wallet containing an undetermined amount of money, then fled in a car.

Armendarez was treated for cuts and bruises at St. Joseph Mercy Hospital, and released. The robbery occurred at 8:50 p.m.

Buick Reveals Price of New Sports Coupe

FLINT (AP)—Buick Motor Division announced today that its new Skylark sports coupe, a deluxe version of its compact special, will carry a factory list price of $2,395.

The regular two-door model in the Special series will list at $2,125, $50 less than the standard special four-door sedan. The Skylark and the standard two-door model will be introduced May 15.

Detroit Store Sales Dip

DETROIT (AP)—Store sales in the Detroit metropolitan area declined from 2 per cent at men's clothing stores to 26 per cent at furniture stores during February, the Federal Reserve Bank of Chicago reported Thursday.

Birch Society Worries Capital

Leader Tags Warren, Eisenhower as Reds; Some Defend Group

WASHINGTON (AP) — There was increasing agitation in Congress today for action against the John Birch society, an ultraright-ist organization whose leader has tagged former President Eisenhower and Chief Justice Earl Warren as Reds.

★ ★ ★

And a Justice Department spokesman said activities of the society have become "a matter of concern to the Justice Department."

Some critics have called the society, whose avowed aim is fighting communism, a dictatorial and Fascist group.

BELMONT, Mass. (UPI)—The John Birch Society had no comment today on a series of critical reports. A spokesman for Robert Welch, founder and leader of the arch-conservative anti-Communist organization headquartered at his home here, said he was "not available" to newsmen and would have "no comment at this time."

But even in high Washington circles the organization has defenders. Rep. Edgar W. Hiestand, R-Calif., disclosed he is a member, and said without naming them that there are others in Congress who also belong.

★ ★ ★

Hiestand denied the organization is dictatorial or Fascist or operates in a semisecret manner.

The organization came into existence in 1948 through efforts of Robert Welch, a retired candy manufacturer of Belmont, Mass. Recent attacks on some Congress members, carried out chiefly through letter writing, rocketed it into concern at the Capitol.

★ ★ ★

The public denunciations of the group by Congress members have tended to focus, however, on Welch's expressed suspicions of the patriotism of Dwight D. Eisenhower, Earl Warren and numerous other national figures.

The statement that the group's activities are a matter of concern to Atty. Gen. Robert F. Kennedy was made by the Justice Department spokesman in response to an inquiry as to whether the department planned any action. He would not elaborate and there was no direct statement from Kennedy.

Three Burglaries Reported to Sheriff's Men

Three burglaries were reported to sheriff's deputies yesterday.

A summer cottage owned by Darrel Lantzky of Detroit at 1734 Thorndale St., Commerce Township, was burglarized. Fishing rods and reels, plus a tackle box, were taken.

Burglars took a .22-caliber rifle, shells and household articles from the home of Ronald Violette, 1828 Lakeview Dr., Highland Township.

Tools valued at $50 were taken from the garage of Morris Adams, 1895 Big Trail, Commerce Township.

Young Cousins Quarrel, Older One Gets Stabbed

A 19-year-old youth was stabbed in the left hip by his 15-year-old cousin during an argument yesterday at the home of Sanford Granberry, 215 Osmun St.

Thomas E. Holland, 19, of the Osmun street address, was taken to Pontiac General Hospital for treatment and released.

The case was turned over to juvenile authorities.

Pontiac Press Photo

STOPPING SPEEDERS—Phillip E. Pettes of Traffic House, Inc., at Marshall, demonstrates the Speed-watch to Sylvan Lake Police Chief George McTavish (center) and Earle D. Knapp, Sylvan superintendent of public works and acting city manager. The city, prompted by complaints about "hot-rodders" will begin a crackdown tomorrow, using the electric timing device. Pettes trained the city's police in proper use of the apparatus yesterday.

No Trap, Just a Slower-Downer

To Time Sylvan Hot Rodders

The party's over for speeders in Sylvan Lake. From now on they'll be electrically timed.

Last year the Sylvan Lake City Council began black-topping the city's gravel streets to cut maintenance costs and to better the streets.

With one problem behind them, councilmen were suddenly faced with another. The streets were, in some cases, too smooth.

Reports of hot rodders speeding up and down the black-topped roads began increasing last fall.

Aside from a 15 miles per hour speed limit on the lakeshore in the park area and 35 m.p.h. on Orchard Lake Road, the limit is 25 everywhere in the city, and too many drivers have forgotten this.

Beginning tomorrow, the city will start timing speed electrically on selected streets.

"We don't want people to misunderstand this," said Earle D. Knapp, acting city manager. "It's not a 'trap.' We have posted warning signs at the city limits."

Police Chief George McTavish agreed. "All we want to do is stop the speeding and this device should help us."

The device is a Speed-watch, manufactured by Traffic House, Inc., of Marshall.

"We'll start using it anytime after April 1 and we'll move it from one street to another at random," said Knapp.

The city is renting the device for six months with an option to buy it. Rental is $40 per month and the complete sale price is $495.

★ ★ ★

"It takes only one man to operate and results have been consistently upheld in court. It's almost foolproof," said McTavish.

City officials said they planned to use the device on Orchard Lake as well as residential streets.

Asks Examination in Pontiac Burglary

A West Bloomfield Township man has demanded examination on charges of breaking and entering in the nighttime and attempted safe robbery in the burglary of the Socony Mobile Oil Co., 521 S. Telegraph Road, last summer.

Jack V. Young, 30, 2248 Willow Beach Ave., demanded examination on the charges before Municipal Court Judge Maurice E. Finnegan after Pontiac police arrested him on a tip.

Young is free on $500 bond pending the examination April 12.

A $50 wristwatch was the only loot taken in the break-in. Attempts to open a floor safe were unsuccessful.

They're Beautiful, Cries Mother, Looking at Quads

HOLYOKE, Mass. (AP)—"Oh!" exclaimed a slim, little mother glimpsing her quadruplets for the first time today, "I didn't think they'd look so good. They're beautiful!"

★ ★ ★

Mrs. Raymond J. Feyre, 35, mother of six other children, rose from the chair in which she had been wheeled from her room to the Providence Hospital "Premy"—premature baby—nursery and gasped her delight.

★ ★ ★

"It looks as if it wouldn't be too long before they could come home," she said hopefully. But the babies must gain considerably before that wish can come true, for all are less than four pounds now. And they must be over five pounds before they can be discharged.

Slate Full Production at Chrysler Facility

DETROIT (AP) — Chrysler Corp. has scheduled full production at its vast Jefferson plant here through April 21 to meet the pace set by increased sales.

Chrysler announced Thursday that production at the Jefferson plant would then be shut down the last week in April to allow Imperial manufacture to transfer there from the plant in suburban Warren.

A collapsible trailer for camping will sleep two and can be towed by a motor scooter.

Guilty of Robbery of Retired Barber

Donald L. Turner, a 51-year-old Pontiac man, appeared before Circuit Judge Frederick C. Ziem yesterday and pleaded guilty to a second count of unarmed robbery of a retired city barber last month.

★ ★ ★

Judge Ziem set sentencing for April 10 and ordered Turner of 36 Norton St. returned to the county jail. He was unable to furnish a $10,000 bond.

★ ★ ★

Turner, accused of robbing John W. Stevenson, 66, of 100 Norton Ave., of his billfold containing $15, had stood mute to a first charge of armed robbery when arraigned Feb. 20.

2 Die, 4 Missing When Bomber Blows Up in Air

LEXINGTON (AP) — An Air Force B52G jet bomber failed in an aerial refueling rendezvous and apparently disintegrated in flight near here Thursday night. Two men parachuted safely, two men were killed, and four of the eight-man crew are missing.

★ ★ ★

One body was found in the wreckage of the $8-million plane from Dow Air Force Base, Maine. A second body was found by searchers today about a mile and a half from the crash scene near Denton, about 15 miles southeast of here.

★ ★ ★

The big ship, the second B52G to crash in North Carolina this year, developed trouble during a rendezvous with a tanker plane at more than 30,000 feet.

Pontiac Press Photo

INSURANCE BANQUET—Highlight of a Kingsley Inn banquet celebrating the 50th anniversary of the J. L. Van Wagoner Insurance Agency, Inc., last night was the presentation of a plaque from the London & Lancashire Insurance Co., Ltd. Here Jack Brannack (left) and Roy Wilton (right), co-owners of the Pontiac agency, accept the tribute from Robert Ferbend, secretary and assistant manager of the London & Lancashire Group. The agency has been at 18 E. Lawrence Street for a quarter century and is believed to be the oldest business in Pontiac continuously operating under the same name and with the founder still active in it.

PUBLIC NOTICE

Michigan State University Oakland is accepting separate sealed bids until 2:00 p.m. April 7, 1961 for the purchase and removal of two barns:

(1) Frame two-story horse barn (80'x40') located at 2100 Squirrel Road, marked as No. 1, and

(2) Frame one-story piggery (18'x100') located on Lonedale Road, marked as No. 2.

Bids must be addressed to the Purchasing Department, Room 147, Administration Building, Michigan State University Oakland, Rochester, Michigan, and be plainly marked: "Sealed Bid Bldg. No. 1" and/or "Sealed Bid Bldg. No. 2."

Bids are to be submitted on either or both of the following proposals:

A. Removal of the barn completely to the foundation wall and to the floor within the foundation wall.

B. Removal of the barn completely including the foundation wall, footings and the floor.

Removal must be made no later than sixty (60) days from the date of the contract and the site must be left free of all debris. No burning of material will be permitted. MSUO will turn off and cap all utilities.

A 10% deposit of amount bid by certified check or money order, made payable to Michigan State University Oakland, must accompany all bids. The successful bidder must complete purchase details within seven (7) days from notification or will forfeit the deposit.

MSUO reserves the right to accept or reject any or all bids and to waive any irregularities in bidding.

March 31 and April 1, 1961

NOTICE OF SPECIAL MEETING

A Special Meeting of the members of the Pontiac Federal Savings and Loan Association, Pontiac, Michigan, will be held at the main office of the Association, 761 West Huron Street, Pontiac, Michigan, on Friday, April 14, 1961, at 4 p.m., E.S.T. for the purpose of considering changing the name of the Association to First Federal Savings and Loan Association of Oakland, in accordance with the action of the Board of Directors of the Association as approved by the Federal Home Loan Bank Board.

JAMES CLARKSON,
Executive Vice President and Secretary
March 31, April 7, 1961

The Pontiac Press

FOR WANT ADS
DIAL FE 2-8181

From 8 a.m. to 5 p.m.

All errors should be reported immediately. The Press assumes no responsibility for errors other than to cancel the charges for that portion of the first insertion of the advertisement which has been rendered valueless through the error. When cancellations are made be sure to get your "kill number." No adjustments will be given without it.

Closing time for advertisements containing type sizes larger than regular agate type is 12 o'clock noon the day previous to publication.

NOTICE TO ADVERTISERS

The deadline for cancellation of transient Want Ads is 9 a.m. the day of publication after the first insertion.

CASH WANT AD RATES

Lines	1-Day	3-Days	6-Days
2	$1.75	$2.22	$3.48
3	1.75	3.24	5.04
4	2.20	4.20	6.24
5	2.75	4.95	7.50
6	3.30	5.94	9.00
7	3.85	6.93	10.50
8	4.40	7.92	12.00
9	4.95	8.91	13.50
10	5.50	9.90	15.00

An additional charge of 50c will be made for use of Pontiac Press box numbers.

Help Wanted Male 6

2 MEN NEEDED IMMEDIATELY for evening work. Call Mr. Benny MA 4-3411.

ATTENTION SALESMAN
When you plan a permanent career, you want to be sure you are entering:
A GROWING BUSINESS
Here are some of the things we offer to you for the rest of your life. 1. More money than you are now earning. 2. Pleasant, dignified work. 3. Association with a sound, stable, successful company. 4. Steady year around income month after month. 5 Security regardless of general business conditions. 6. Permanent and independent. 7 Continual re-order business.
This opportunity is dedicated to people who wish to earn a better than average living. $150 to $300 a week and up for salesmen. You do no collecting . . . make no deliveries . . . carry no samples . . . and keep no books. You use all your time for just one purpose: making money for yourself. This association with our company is open to reliable people who are looking for a permanent career in which they may be prosperous, happy, and secure. Must have car and be ready to start immediately. Call FE 8-0438 for interview.
T & C FOOD CO INC.

DOWN IN CENTRAL PARK — A policeman beckons showgirl Marlene Virginia Pendleton ashore after she drove an imported amphibious car into a lake in Manhattan's Central Park ordinarily reserved for rowboats. Miss Pendleton received two summonses after her cruise around the lake, one for driving a motor vehicle on a footpath and the other for operating a power launch in a park lake. But she achieved her purpose — lots of attention was drawn to the new amphibious vehicle.

AP Photofax

NEW AMBASSADOR — Theodoro Moscoso of Puerto Rico is President Kennedy's selection for the post of U.S. ambassador to Venezuela.

Gas Co. Asks to Borrow

LANSING (AP) — Michigan Consolidated Gas Co. has asked the State Public Service Commission for permission to borrow $30 million to complete new construction planned for the remainder of the year.

To Get Double Benefits

DETROIT (AP) — Idle auto workers at the Ford Motor Co. will receive extended supplementary unemployment benefits along with the extended unemployment compensation approved by Congress, the United Auto Workers union said today.

January Births Set a Record for the Month

WASHINGTON (AP) — More babies were born in January in this country than in any previous January.

* * *

Reporting this Thursday, the Public Health Service put the estimated figure for January at 358,000 live births.

* * *

This was 59.9 per cent more than the January 1960 total and represented the largest January gain over the preceding year during the past decade.

* * *

The January total was 1.7 per cent higher than the previous January record set in 1959.

The birth rate during January was 23.2 per 1,000 population, an increase of 4 per cent over the 22.3 rate for January 1960.

Says Africa Nations Aiming at Socialism

BELGRADE, Yugoslavia (AP)—President Tito declared Thursday the aim of African countries is to build socialism.

* * *

He made the statement to a group of Yugoslav newspapermen after winding up his tour of Ghana, Togo, Liberia, Guinea and Mali.

* * *

He said Yugoslavia enjoys great sympathy in the countries he visited "because of its foreign political conceptions and consistency in struggling against colonialism."

Double Names for Plane Stops OK, Says CAB

WASHINGTON (AP) — The Civil Aeronautics Board defended its practice of designating some stops on air schedules by more than one name in a ruling concerning the twin cities of Iron Mountain and Kingsford, Mich.

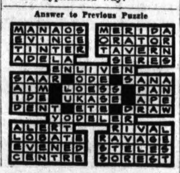
* * *

The CAB ruled Thursday that on North Central Airlines schedules Iron Mountain shall henceforth be known as Iron Mountain-Kingsford.

* * *

North Central had objected that granting Kingsford's application might induce other communities on its system to seek recognition in this hyphenated way.

Answer to Previous Puzzle



Oh, That British Pride — Earl Learns Lesson

By EARL WILSON

LONDON-to-PARIS-to N.Y. — The British pride grows these troubled days. I discovered this in my kingly suite at the London Westbury.

WILSON

A maid, puttering about, praised American TV cowboys. I said, "But we have better entertainment—I'm sure you've heard of Bob Hope."

"Heard of him, sir!" exclaimed the maid. "He's British!"

Embarrassed, I switched to Liz Taylor. And the maid said "English girl, you know . . ."

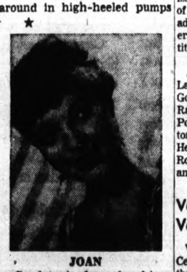
N.Y. Flash: Marguerite Piazza's suite at the Hotel Plaza was burgled of $10,000 worth of rings, necklaces and furs Saturday afternoon. Miss Piazza, wife of snuff tycoon Bill Condon, found her door jimmied. The burglars were evidently scared; they passed up a drawer with even lusher loot.

I flew into N.Y. a few hours ahead of Liz Taylor and Eddie Fisher — and I learned that Liz had a heart-to-heart talk at the International Hotel with Mrs. Katie Stupp of Philadelphia, her mother-in-law.

Eddie's mother sat on the side of Liz' bed — then after almost an hour (during which a doctor attended Liz), Mrs. Stupp visited with Liz' parents. She was persuaded to remain overnight. Liz walked bravely around in high-heeled pumps without cane or crutches.

* * *

London: Dining at the famous Mirabelle: beautiful Joan Collins and Warren Beatty, still much in love after two years' romancing, perhaps because they didn't get married.



JOAN

THE MIDNIGHT EARL . . .

Gary Crosby may add wife **Barbara** to his cafe act . . . Embers duo: the **Clifton Daniels (Margaret Truman)** . . . **Ed Sullivan's** already taping his summer TV shows . . . Young ringsiders at Basin St. East to hear **Benny Goodman:** Goodman's four daughters, **Anthony Quinn's** two sons . . . Ex-Korean President Syngman **Rhee's** having his poems published here.

* * *

TODAY'S BEST LAUGH: A TV rating service recently phoned 1,000 men and asked "To whom are you listening at this moment?" And 967 of them answered: "To my wife."

WISH I'D SAID THAT: All of us are working for the government. The trick is to get paid for it.—Max Kosiba.

* * *

EARL'S PEARLS: Too many people today think that being a devoted parent consists of checking the baby-sitter's references.—Hal Holbrook . . . That's earl, brother.

Eichmann Trial to Get Coverage

Major Networks Plan Background, Old Films on Hitler's Man

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK — A two-week epidemic of special television programs about Hitler's chief executioner, Adolf Eichmann, and the incredible suffering and death he brought about is soon to start.

* * *

All three major networks are planning to give the impending trial of Eichmann in Israel—to start April 11—intensive coverage on their news programs and in special news programs as courtroom proceedings develop. But they are also going to prepare the viewing audiences for it with the background of the case against the man charged with responsibility for exterminating millions of Jews in Hitler's Germany.

* * *

The briefing sessions start this Sunday with an ABC show, "The Other Adolf."

DEBATE LEGALITY

NBC will kick off its coverage with a debate on Saturday, April 8, on the legal aspects of the trial. Dr. Herbert Wechsler of Columbia University and Dr. Milton Katz of Harvard, both law experts, will take sides on the question whether the trial will serve the cause of international justice.

On April 9 both NBC and ABC have special shows. ABC's is called "Israel and Eichmann" while NBC's is "The Trial of Adolf Eichmann."

* * *

CBS on April 12 has a Circle Theatre dramatization of Eichmann's career. And there's an ABC "Close Up" on April 14 based on the recollections of a Jew who survived eight concentration camps, as well as a background program on CBS' "Eyewitness to History."

Name Area Envoys to Education Parley

Ten educators from the Pontiac area have been named special delegates to the 40th annual Representative Assembly of the Michigan Education Association (MEA) to be held in Lansing, April 14-15.

Scheduled for the Lansing Civic Center, the two-day session of the MEA's governing body will attract more than 500 teachers and administrators from throughout Michigan. Each of the association's 168 districts will send representatives to the policy-making assembly.

They will concentrate on such issues as establishing a program of action for the MEA in 1961-62, adopting a budget, electing officers, and amending the MEA constitution and bylaws.

* * *

Attending from the area will be: Lawrence Rogers, Mrs. Hazel Gordon, Margaret Snyder, David Randall, and Art Lake, all of Pontiac; Robert Gavette and Clinton Galbraith, both of Waterford; Helen Harding, Orchard Lake; Rosco Crowell, Auburn Heights; and Carmin Ginter, Walled Lake.

Vanishing Americans Very Much in Evidence

WASHINGTON (AP) — The U.S. Census Bureau Thursday reported that the American Indian population of the United States increased more than 46 per cent in the last 10 years.

According to the 1960 census, Indians in the United States numbered 523,591, compared to 357,499 in 1950.

A sharp increase was reported also in the Asian population. People were classified as belonging to the nationality they reported themselves to be, so the figures include both native and foreign-born.

TV News and Reviews

CBS Updates Americans on Changes in Britain

By FRED DANZIG

NEW YORK (UPI)—The month of March, which is supposed to go out like a lamb, went out with the somewhat muted roar of the British lion, thanks to "CBS Reports."

* * *

Last night's documentary, "Britain—Blood, Sweat and Tears Plus 20 Years," brought impressive clarity, imagination and force to the task of updating Americans on the economic, political and cultural changes now taking place throughout the island.

Guided by Eric Sevareid's resolute commentary, the hour was at its best, not when it rehashed international issues, but when it focused on more personal concerns.

Interviews with anonymous but outspoken men and women and such writers as Malcolm Bradbury, Shelagh Delaney, Alan Sillitoe and Arnold Wesker peppered vigorous, unmellowed flavors into the report.

* * *

The report, produced by William McClure, also contained such distinctive passages as a jet plane ride across the English Channel (demonstrating proximity to the inner six common market) and a rigged interview between Sevareid and Bradbury (demonstrating an angry young man's rebellious spirit). This interview, though stilted at times, served to puncture a number of dearly held attitudes.

Sevareid summed up by saying Britain is "testing the wind from every quarter" while deciding its future course and is slipping behind a booming Europe as it procrastinates.

He ended affirmatively, however, noting that the British will muddle through because it would be completely out of character if they didn't. Hear, hear.

* * *

I watched CBS-TV's "Zane Grey Theater" last night with Wednesday's special, "The Real West," still fresh in my mind. Naturally, the "Zane Grey" episode never had a chance. The set and the characters might have come out of Monte Carlo instead of a frontier town. But the real test must be the script and the acting.

Here again, "Zane Grey" loses points. Have you the feeling that my exposure to "The Real West" has soured me completely and irrevocably on the assembly line product that rolls out of the TV western factories? I hope so.

16 Extension Classes Offered

Variety of Courses to Select From at MSUO for Spring Term

International relations, juvenile delinquency, the contemporary family and the science of clothing consumption are among the subjects in 16 extension courses being offered by Michigan State University (East Lansing) on the Michigan State University Oakland campus during the spring term.

Classes meet from 7 to 10 p.m. evenings with most beginning the first week of April.

The courses include: "Psychological Problems of the Classroom"; "Seminars in Social and Philosophical Foundations of Education — Education and Community Development"; "Basis of Guidance and Personnel Work—Guidance Practices in the Schools"; "Adult Education: A General Survey"; and "Special Methods and Materials of Teaching Social Studies in the Elementary Grades."

Others are: "Foundations of Administrative Theory and Practice — Local School Systems"; "Clothing Consumption"; "Seminar and Readings in Curriculum, Methods and Materials of Driver Education"; "Problems of Art Education"; "The Novel"; and "History of the Foreign Relations of the United States".

* * *

Also scheduled are "The Family in Contemporary America" and "Normal and Delinquent Behavior of Youth."

Further information on these and other courses may be obtained from Dr. Daniel R. McLaughlin, director of the regional MSU extension program at his office at MSUO.

Disturbance Probed at Trial of Negroes

By THE ASSOCIATED PRESS

The Justice Department has launched an investigation into a disturbance at Jackson, Miss., in which police used clubs and German shepherd dogs to disperse about 100 Negroes outside a courtroom.

* * *

The crowd was awaiting trial of nine Negro college students charged with breach of the peace during the first sit-in demonstration at a Mississippi public library. The students were convicted, fined $100 each and given 30-day suspended jail sentences. An appeal is planned.

NEGRO BEATEN

A Justice Department statement issued in Washington Thursday said reports from the FBI and local leaders in Jackson indicated one Negro was beaten by a civilian, not a police officer, and that the civilian was arrested and charged with assault and battery.

* * *

"We have received assurances from responsible leaders in Jackson that no unnecessary force will be used," the department said. The statement added city officials had been asked for further facts on Wednesday's incident.

Ex-City Lawyer Puts Out Shingle at Florida Office

A former Pontiac attorney, John L. Estes, has opened law offices in the Legal Building in Clearwater, Fla.

Estes, a Pontiac attorney for 25 years, moved to Clearwater three years ago. He is a member of the Michigan and Florida bar associations.

* * *

Estes was formerly vice president and director of the Clarkston State Bank, Clarkston; mayor and city attorney of the City of Sylvan Lake, and was connected with the legal department of Ford Motor Company.

MSU Enrollment Sets Spring Record of 20,437

EAST LANSING (AP)—Enrollment at Michigan State University set a spring quarter record of 20,437, Registrar Kermit Smith announced.

The figure topped the previous spring record set last year by more than 1,800. The all-time high was set last fall when 23,615 students enrolled.

The total does not include MSUO where students will register next week for spring term.

Judge Is Sympathetic

TAMPA, Fla. (UPI)—Two Englishmen involved in a restaurant fracas over a 73-cent tab for Spanish bean soup were given suspended sentences Thursday by a city judge who remarked he didn't think much of the service himself.

Hot piston test reveals the ash-free secret of Shell X-100 Premium. Here's how Shell scientists can prove that Shell X-100 Premium leaves no additive ash. A simulated aluminum piston is heated and a few drops of conventional multi-grade motor oil dropped on it. As the picture on left shows, this oil leaves a deposit. This deposit is additive ash. When the test is repeated, as at right, with Shell X-100 Premium, all the oil vaporizes. It leaves no additive ash. This is important, because additive ash can contribute to engine knock and uneven performance.

BREAKTHROUGH:

Suddenly Shell makes every other motor oil obsolete —with a revolutionary new formula which fights the five internal troubles that can shorten engine life

Shell's research on engine behavior discloses five common internal troubles that can shorten the life of your car.

These troubles are additive ash, crankcase dirt, temperature changes, engine acid, and cooling system leaks. They all act silently and unseen.

Read how new Shell X-100* Premium Motor Oil prolongs engine life by fighting all five troubles—and why Shell scientists can make this unique promise.

TODAY, every Shell dealer in America has new Shell X-100 Premium Motor Oil ready for your Spring oil change.

New Shell X-100 Premium is a genuine scientific breakthrough because it is the only motor oil available that helps protect your car simultaneously against these five internal troubles that can shorten engine life.

Do you know what these troubles are? If not, you owe it to your engine to read this advertisement. Ten minutes' time *now* can save you hours of trouble in the future.

Trouble #1—additive ash

Up to now, even the best premium motor oils were powerless to guard against additive ash—*because they actually created it.* While endeavoring to keep your crankcase shipshape, some of the ingredients in these oils contributed to the hard crust of ash inside your combustion chamber.

All other premium motor oils still have the same snag.

The trouble stems from the *metallic additives* used to prevent scuffing, dirt deposits, oxidation and so forth. These additives do what's expected of them, but with each stroke of the piston, they can leave a tiny amount of metallic salts in the combustion chamber where they burn and form additive ash.

This hard crusty ash, when allowed to build up, can seriously affect your car's performance—and can make it knock and run roughly.

New Shell X-100 Premium doesn't add to this problem—because it doesn't contain a single metallic additive.

No metal additives. No additive ash from motor oil. It's as simple as that.

Trouble #2—crankcase dirt

All engines accumulate crankcase dirt no matter how well they are protected by filters. The problem is to stop this dirt from getting together and forming sticky sludge which can clog your engine.

Most premium oils use a detergent additive to do the job. And they perform well. But, like other additives, most detergents are metallic and cause that old devil—ash.

Shell's solution is to replace detergent with a remarkable new ingredient known as a *dispersant.* Shell scientists call it Alkadine.*

Alkadine in new Shell X-100 Premium helps keep your engine clean by holding dirt particles apart. Thus they don't form sticky sludge. Some particles can be trapped by the oil filter; most are drained out when you change your oil.

Oddly enough, nobody yet knows exactly how Alkadine works. But the proof of the pudding is in the testing. After 1,200,000 miles of city driving, engines of test cars lubricated with Shell X-100 Premium showed so little sludge that it could hardly be measured.

Trouble #3—temperature changes

Many motor oils tend to become too thick when cold and too thin when hot.

New Shell X-100 Premium is an all-year oil. Here's how it works. Alkadine has a molecular structure that resembles a basket of eels.

This is new Shell X-100 Premium. Look for the white can with red letters. Your Shell service station now has it.

When the oil is *cold,* Alkadine's eel-like molecules curl up as if for comfort. In effect, they take up less space in the oil—and the oil flows freely through the tightest bearing, even on cold nights.

Conversely, when the Alkadine in new Shell X-100 Premium is hot, its molecules uncurl. They take up more room. And the oil resists thinning.

Thus, new Shell X-100 Premium eliminates trouble from sudden temperature changes. It lubricates just as efficiently in June as it does in January.

Trouble #4—engine acid

All automobile engines manufacture acid. This acid can do far more damage than friction. It can eat away at engine parts in much the way stomach acid can cause ulcers. Then you're really in trouble.

One way to combat engine acid is to make the oil alkaline. Many oils use this method. But here's what happens.

The neutralizing effect of alkaline oil inevitably gets weaker and weaker as engine acid eats up the alkalinity—till it eventually stops working completely. When this happens, your oil no longer gives you anti-acid protection.

Shell tackles this troublesome acid problem in a new and better way.

Shell X-100 Premium actually *plates* all engine surfaces with a thin chemical film. The metal literally *adsorbs* some of Shell X-100 Premium's protective qualities. Chemists call this phenomenon "chemisorption."

"Chemisorption" offers a longer-lasting protection against acid attack than any other method yet invented.

Trouble #5—cooling system leaks

Tiny anti-freeze leaks can play nasty tricks with many motor oils.

These oils can react chemically with permanent anti-freeze and form a horrible sludge which can actually bring an otherwise healthy engine to a standstill. Then you're on the way to a major repair bill.

New Shell X-100 Premium sets all such fears at rest. It resists reaction with any sort of anti-freeze. It shrugs it off. (Better get that leak fixed, anyhow, to keep your cooling system working.)

The additives in Shell X-100 Premium resist washing out with water, too. In some oils, additives can be lost to water leaks. In Shell X-100 Premium, they stay in the oil to protect your engine.

Astounding results from 5½ million-mile road test

Professional drivers put Shell X-100 Premium to a brutal test. They took $270,000 worth of automobiles and drove them relentlessly for 5½ million miles. Over highways, up mountain grades, around test tracks, over turnpikes—and through city traffic.

When Shell technicians tore the engines apart for inspection, here's what they found.

1. **Wear** was incredibly low. One car lubricated with Shell X-100 Premium still revealed the original tool markings on its rings—*even after 70,000 miles* at speeds of 60 to 100 mph.

The low wear with Shell X-100 Premium was verified over and over. In fact, when nine cars were driven at test track speeds for 70,000 to 100,000 miles, it was found that, from the standpoint of cylinder wear, the engines were good for another 100,000 miles.

2. **Cleanliness** ratings were tops. Pistons removed from a car lubricated with Shell X-100 Premium scored a rating of 9.5 out of a possible 10. A score of 9 is considered excellent.
3. **Sludge** was reduced to almost *half* the amount that lubrication experts consider to be acceptable.
4. **Oil consumption** records caused cheers. Cars lubricated with Shell X-100 Premium were driven at race track speeds for 100,000 miles, yet used only one quart every 1,800 miles.

On some tests, Shell X-100 Premium even out-performed expensive laboratory "reference oils." Shell X-100 Premium, fortunately, is neither expensive nor a laboratory oddity.

How much does Shell X-100 Premium cost?

If you drive the national average of 10,000 miles per year, the switch to Shell X-100 Premium (with regular oil changes) will cost you only $3.60 more than ordinary oil—give or take a nickel. *And probably nothing extra if you already use a premium grade.*

Drive to your Shell service station and ask the dealer to change your oil while the engine is still hot. Be sure to ask for Shell X-100 Premium in the white can. It protects your engine from all five internal troubles listed above.

Contract Go-Ahead Given

Detroit Water Nearer

Would Up Cost to City Industry by $400,000

Normal Household Bill to Double, but Softener Expense Unnecessary

City Manager Walter K. Willman today had the green light to draw up contracts with Detroit for water for Pontiac.

City commissioners gave the signal after a review with engineers that disclosed:

1. Water bills for the average household, as anticipated, will more than double.

2. But because Detroit water is soft, householders now using water softeners may actually save on their total water expenses through elimination of the softeners.

3. Pontiac industry has agreed to the switch at a reported cost of $400,000 or more annually.

4. The changeover from well water to Detroit water will require city's water lines, to be financed mostly by revenue bonds.

5. If the commission and the Detroit Water Board approve the contracts, it will take about 18 months of pipeline construction before Pontiac becomes the biggest user of Detroit water outside the Detroit city limits.

Willman, who has been negotiating with Detroit for several years, said the contracts could be in shape for the commission within a short time.

END IN SIGHT

The move toward contracts indicated an end to the long search for a new water supply which began in earnest after the city's water table reached a startling low in the summer of 1955.

It dipped even further the past two years and is now headed towards an all-time low, engineers predict.

This warning came from Harold Kelley and Thomas Henry of the city's engineering consultants of Jones, Henry and Williams, who met with Willman and commissioners at an informal meeting last night.

★ ★ ★

They said the base price of Detroit water, pumped northward to Auburn and Opdyke roads through a 56-inch line that Detroit would build and pay for, would come to $1.51 a thousand cubic feet on present estimates of the city's minimum daily usage.

According to the plan discussed last night, the city would add operating costs and charges to pay off revenue bonds in computing household bills.

The exact rate has not yet been determined but according to one estimate the costs might mount like this:

A quarterly bill of $3.70 at today's rates would rise to about $10.45 on

Stop Arms Influx, Asks Laos Prince

FROM OUR NEWS WIRES

LONDON—Laos "neutralist" ex-Premier Prince Souvanna Phouma called on the United States and Russia today to halt shipments of military aid to opposing forces in his embattled homeland.

Souvanna told a news conference that if the United States would stop shipping arms to the forces of pro-Western Premier Prince Boun Oum he would retract his request for Soviet aid to the Communist rebels.

He solicited Soviet aid late last year, shortly before his government was overthrown by pro-Western forces.

The prince pledged he would not permit Communists to control Laos and said he would be the first to fight them if they tried to take over the country.

He said Hanoi and Peiping had agreed that Laos should be neutral.

At Prestwick, Scotland, U.S. Secretary of State Dean Rusk said the SEATO allies want to see a broad-based, truly neutral government established in Laos and he has "no doubt that Prince Souvanna Phouma will play an important role."

Rusk repeated his statement in New Delhi Thursday that the United States and its allies hope prospective peace negotiations will produce "an Austrian-type neutral

VIENTIANE, Laos (UPI) — Premier Boun Oum and defense chief Gen. Phoumi Nosavan flew hurriedly to Southern Laos today to make a personal check of reports invading Communist forces had scored major victories there, authoritative sources said.

Laos and that this can be established by international agreement."

In Moscow, Europe's Communist leaders focused their attention on Germany as the next world trouble-spot and warned they were strengthening the military power of the eight-nation Warsaw Treaty Alliance to meet Western preparedness.

But a communique issued early today at the end of a two-day Communist summit conference was so moderately worded that Western diplomats believed the Communists were not planning to step up the cold war and would pursue a policy of negotiation.

The communique skipped lightly over such issues as disarmament, Laos, the Congo, Cuba and other world trouble spots with a one-paragraph summation accusing the West of continuing to foster colonialism and trying to suppress nationalist liberation movements.

Prince Souvanna also proposed modification of the U.S.-supported British peace plan for Laos, saying the Canadian-Indian-Polish supervisory commission should be recalled to the landlocked jungle kingdom before instead of after a cease fire.

He said a proposed international conference for Laos should meet "within a few days" after the cease fire.

★ ★ ★

U.S. Holds Fast to Laos Stand

Says Shooting Must Stop Before Peace Talks Begin

WASHINGTON (AP) — The United States is standing firm on its condition that the shooting first must stop in Laos before any international conference can be convened to neutralize the war-riddled Southeast Asian kingdom.

★

High official sources made this known today and said "a good hard look" would be given any proposal by the Soviet Union to delay a cease-fire until after an 14-nation conference on Laos is called.

Secretary of State Dean Rusk was due to return at noon from his talks at New Delhi with India's Prime Minister Nehru and the Bangkok conference of foreign ministers of the eight-nation Southeast Asia Treaty Organization.

Rusk will give President Kennedy a first hand report of his talks with Nehru and the SEATO ministers over the Laos crisis.

★ ★ ★

The vacationing President instructed aides to notify him instantly if the Soviet Union finally comes up with a reply to British proposals for a cease fire and a settlement formula.

Pierre Salinger, White House press secretary, said the President is expecting a telephone report from Rusk on the SEATO conference.

★ ★ ★

Salinger declined comment on reports from Moscow that the Soviet Union, in its reply to the British, would reject the idea of a quick cease fire in Laos—a step also urged by Kennedy—and insist on other steps first.

★ ★ ★

In reply to questions at a news conference, Salinger said the President had had no indication from diplomatic sources as to the likely content of the Soviet reply or when the reply could be expected.

Over 150 for 70 Par

AP Photofax

CASTRO SINKS A PUTT — Wearing the uniform he makes do for all his activities, Cuban Prime Minister Fidel Castro cans a short putt on the sixth green of the Villareal Golf Club at Havana Thursday. The Cuban chieftain fired "over 150" according to caddies, on the 6,692-yard, par 70 course. He played with Ernesto Guevara, who won with a 127, and a military officer.

Follow Rite Instituted by Christ

Pontiac Press Photo

DO UNTO OTHERS — Yesterday on Maundy Thursday men of the Pike Street Church of God observed the rite of washing of the feet which Jesus instituted on the night in which he was betrayed. Christ washed the disciples' feet giving the example, that to follow Him, one must be willing to serve another. The Rev. Estel Moore (right) kneels to wash the feet of Robert King of 432 Squirrel Road, Auburn Heights (left) and George D. Williamson of 451 N. East Blvd. United Good Friday services were held at Central Methodist Church and many neighborhood churches at noon today in commemoration of the death of Christ on the Cross.

Final Sigh Was a Triumph

Jesus a Victor on Cross

(Editor's Note—In an unadorned statement of fact, St. Luke put on public record one of the most significant events of human history. In this last of a series of Christ's last words by nationally prominent clergymen, a Roman Catholic archbishop shows how Christ's final sigh was "a triumph of failure.")

By THE MOST REV. KARL J. ALTER
Written for Associated Press

★ ★ ★

"It is consummated."

St. Luke described the climactic moment of Christ's death on the cross in terse but vivid language:

"It was about the sixth hour and there was darkness over the whole land, and the curtain of the temple was torn in the middle. And Jesus cried out with a loud voice and said, 'Father, into thy hands I commend my spirit.'"

St. John reminds us of further details, as foreshadowed in the sixty-eighth psalm:

"There was standing there a vessel full of common wine; and having put a sponge soaked with the wine on a stalk of hyssop, they put it to his mouth. Therefore, when Jesus had taken the wine, he said, 'It is consummated!' And bowing his head, he gave up his spirit."

In this simple, unadorned statement of fact, the most significant event of all human history is put on public record. The ineffable mystery of the Redemption is summed up in a phrase:

"It is consummated."

Christian people have always looked upon Christ's death on the cross as a triumph of failure. To the immediate witnesses of his crucifixion, Christ's life seemed to end in defeat and disaster. To succeeding generations, however, the cross spells a spiritual victory over the force of violence; it represents the triumph of good over evil, of love over hatred.

REV. ALTER

MISSION ACHIEVED

When Christ spoke his final words from the cross, "It is consummated," his sojourn on earth seemed to be prematurely ended; but his sublime mission had been gloriously achieved.

It was a mission meant to portray divine truth, goodness and beauty — not in the abstract phrases of philosophy, but in the concrete form of a living personality.

It was a mission of infinite mercy, by which, in a divine paradox, the Son of God invested himself with human weakness, in order to lift up man to the

Dance Date to Be Kept After Wait of 18 Years

By STU GROSS
Staff Writer, Saginaw News
Written for the (AP)

SAGINAW — The story starts with the sadness of war, but it has stardust springled on it and the ending has the happiness and gaiety of youth.

On April 18, 1942, in New London, Conn., there was a pretty wedding in which Dorothy Nuechterlein of Frankenmuth, became the bride of Ensign William Cuthbertson Jr.

★ ★ ★

The best man and matron of honor were Lt. and Mrs. J. M. McMahon, parents of two boys, Mike, 3, and James, then a baby. Their lives were to be intertwined in death and in events that make this story possible.

Shortly after the wedding, the young ensign and lieutenant were assigned duty on the submarine Grunion.

SINKS OFF ALEUTIANS

It sailed from New London, through the Panama Canal and into the waters of the Aleutians. There on Aug. 2, 1942, the sub was lost with all hands on board.

Mrs. Cuthbertson came back to Frankenmuth to live with her parents, Mr. and Mrs. Carl Nuechterlein. Mrs. McMahon and her two sons also left New London. They never saw each other again, but kept in contact by letters.

Mrs. Cuthbertson gave birth to a baby girl, Nancy Lee, Jan. 27, 1943, and on Feb. 1 a telegram was delivered to Nancy at Saginaw's St. Mary's Hospital.

It said: "Don't forget our date for Annapolis hop in 1961. If you like rugged men count on Jim or curly-headed Mike." It was signed "Jim and Mike."

KEEPS PROMISE

Both boys tried for Annapolis. Jim's eyesight kept him out. Now he's studying in a university in Germany. Mike made it, and is a senior at Annapolis.

The date which was arranged for them in infancy is being kept in maturity. Nancy and her mother fly to Washington to meet Mrs. McMahon. Nancy will dance Saturday night at the annual midshipmen's Easter ball with Mike as her partner.

Ruler's Condition Poor

ADEN (AP) — The condition of Imam Ahmed, 67, absolute ruler of Yemen, is reported deteriorating. Ahmed, one of the world's last absolute monarchs, was wounded in an assassination attempt four days ago.

Floods Pose New Crises in the Midwest and South

FROM OUR NEWS WIRES

Floods in the Midwest and South today threatened a near-record crest in Iowa and a new outbreak of damage in the river rich Gulf States. Weather created these crises as the Easter weekend began:

—Thunderstorms, accompanied by damaging winds, hail and possible tornadoes, hovered over central Alabama and Georgia. The U.S. Weather Bureau predicted the severest onslaught in an area stretching 140 miles north of a line from Evergreen, Ala., to 70 miles southeast of Macon, Ga.

—Oklahoma measured 10 inches of new snow in the Panhandle and highway patrolmen closed a road between Guymon and Fort Supply, Okla.

—Seminary, Miss., reported 8 inches of rain in 2½ hours during the night. A tornado ripped through Plaucheville, La., and Gov. Jimmie H. Davis wired President Kennedy for emergency aid for flood-besieged cattlemen in East Central Louisiana.

—Cedar Rapids, Iowa's second-largest city, braced for a crest on the Cedar River at 19½ feet, inches short of an all-time record in 1929. Iowa flood damages were set at $70 million and total homeless soared into the thousands.

CITY JITTERY

At emergency headquarters at City Hall came a jittery shortwave report at midnight that the rampaging Cedar River which had struck a multimillion-dollar blow at Waterloo 75 miles upstream was breaching the dike above the dam.

Flashes

PARIS, (UPI)—The Algerian rebels announced today they are canceling the Evian peace talks with France. (Earlier story, Page 2.)

DETROIT (UPI) — U.S. Passenger car production this week climbed to 102,960 units, highest for any week since mid-January, Ward's Automotive reports said today.

By All the Odds, Easter Weekend Will Be Cloudy

If the odds mean anything, cloudy weather may last through Easter Sunday. In the period since 1900, Easter has been clear 14 times, partly cloudy 17 times and cloudy 30 times.

Tonight's low is expected to be 35. Saturday we'll have variable cloudiness and colder temperatures with a high of 44 degrees.

Morning easterly winds at 3 miles per hour will become northeast to northerly tonight and northwesterly Saturday.

★ ★ ★

The lowest temperature in downtown Pontiac preceding 8 a.m. was 29. At 1 p.m. the temperature reading in downtown Pontiac was 42.

Elect Dick Kuhn Justice of the Peace. Republican. Only Candidate for Full Term who is a Lawyer.

GOP Seeking to Unseat Dems

Full Ballot Awaits Waterford Twp. Voters

A good turnout is expected at the polls in Waterford Township Monday as a full ballot of candidates and propositions face the voters.

The crucial question will be whether a strong Republican slate will be able to end the four-year rule of the Democratic incumbents led by Supervisor Elmer R. Johnson.

The voting places in the 18 precincts will be open from 7 a.m. to 8 p.m.

Hard fought contests for both short and long terms as justice of the peace also highlight the election.

★ ★ ★

In addition, two important local propositions will be up for the decision of the voters. One asks for the establishment of a planning commission, and the other authority to purchase two sites for fire stations.

In the supervisors' race, Elmer R. Johnson, 57, of 3320 Seeholdt St., faces Republican John D. Boardman, 54, of 4413 Forest Drive. Boardman now serves on the board of education as did Johnson for six years before being elected supervisor.

ELMER R. JOHNSON

Boardman is married, has two daughters and is a member of St. Andrew Episcopal Church. He attended Pontiac schools and has lived in the area most of his life.

Johnson is married, has two sons and is a member of Christ Lutheran Church, the Masons, Waterford-Drayton Rotary and the Oakland County Planning Commission.

A lifelong resident of Waterford Township, Seeterlin was graduated from Pontiac Central High School, and is currently working toward a degree at Wayne State University. He is married, has five children, and is a member of Our Lady of the Lakes Catholic Church.

Kampsen, his wife and four children are members of the same church. Kampsen is a new car salesman for Matthews - Hargreaves Inc. He also is a member of Elk's Lodge No. 810, the Cooley PTA and a trustee of the Watkins Hills Civic Association.

★ ★ ★

Aiming for election as township treasurer, Republican Michael G. Patterson, 23, of 6329 Grace K. Court is challenging incumbent Mrs. Dorothy W. Olson of 4990 Sherbourne Drive.

Patterson, after his graduation from Waterford Township High School, attended Ohio Wesleyan and Wayne State universities.

Seeking a third term as township clerk is James E. Seeterlin, 34, of 4597 Walton Boulevard. He is being opposed by Republican Leo F. Kampsen, 38, of 4097 Baybrook Drive.

He owns the Patterson Bookkeeping Service, where he serves as accountant and tax consultant, and is active in the Michigan Historical Society. Patterson is married and has one daughter.

Mrs. Olson was graduated from Northwestern High School in Detroit. For seven years prior to her present position, she was employed as supervisor of the Detroit District Disbursing Section, Corps of Engineers, U.S. Army.

Mrs. Olson has been active in the United Fund, and is a member of the Oakland County Association of Township, City and Village Treasurers.

JOHN D. BOARDMAN

Voters pick two of four candidates for township trustees. Republicans Byron L. Cole, 34, of 2775 Sylvan Shores Drive and Lorren D. Anderson, 41, of 2361 Edinburgh St., will oppose incumbents Lewis B. Reulle of 5651 Farm Road, and John E. Verhey, 34, of 4434 Cheeseman St.

★ ★ ★

Cole has been with the Standard Oil Co. for 34 years and now serves as a sales supervisor. He is married, and attends All Saints Episcopal Church. He is a member of Roosevelt Lodge, F. & A.M. and of the Safety Committee, Pontiac Area Chamber of Commerce.

Anderson works for Michigan Mutual Liability Co., is married and has three children. This is

Bomb Killing Threatens Algerian Peace Talks

Mayor of French City Dies in Explosion at Home

From Our News Wires

PARIS — Two bombs apparently set by anti-De Gaulle extremists today killed Mayor Camille Blanc of Evian and jeopardized the Algerian peace talks scheduled to start in that resort city on Lake Geneva next Friday.

Both French and Algerian leaders said the talks would open in Evian as planned despite the blasts but almost immediately officials of the Algerian rebel government in exile announced in Tunis they would call off the talks if France insisted on holding parallel negotiations with rival Algerian groups.

The French replied they would be on hand to negotiate April as planned.

France said the rebels were aware when they accepted negotiations that France planned to maintain contact with the rival Algerian nationalist movement, the MNA.

"We plan to go ahead as scheduled," a French spokesman said. "We have received no official word of any changes in their plans."

The two explosions which shattered the quiet of the sleeping town across Lake Geneva from Switzerland at 3 a.m. came 15 seconds apart and shattered the front of Evian's Hotel Beau Rivage, home of the mayor.

WARN AGAINST SITE

Jean Combet, secretary general of Evian's city government, said rightwing Frenchmen who fear President Charles de Gaulle was about to "sell out" Algeria to the Moslem rebels had warned the popular resistance here against letting Evian be used for the peace talks.

Combet said the mayor, after hearing the explosion of the first bomb under his parked car, apparently had rushed from his bedroom to the living room to telephone police.

The second blast caught him from only a few feet away as he reached for the telephone.

The rebel government in Tunis, which is staffed by the National Liberation Front (FLN), said the prospect for the peace talks had been clouded by French Algerian Minister Louis Joxe's announcement Thursday in Oran that he intended to negotiate also with the MNA on the future of the North African territory.

Detroit Water Pact Go-Ahead Received

(Continued From Page One)

the new charges, or an increase of $6.75.

SAVING FIGURED

But water-softening charges, estimated at $3.75 a month, could be eliminated. This would be a savings of $11.25 a quarter, meaning that there would be over-all savings of $4.50 a quarter.

These figures are not hypothetical, it was pointed out. They are based on the actual water expenses of Robert A. Stierer, assistant city manager, during his last quarterly billing.

For households not using softeners at present there would be no savings.

Pontiac industry now gets about half its water for the city and half from its own wells.

Willman said that General Motors Corp. officials had agreed to continue buying from the city in the same proportion at first, perhaps buying more as time goes on.

With industry accounted for, the city can now determine its minimum daily needs, said Willman.

The city would sell only Detroit water, he said, but would keep several of its present wells in shape "as a safeguard."

Revamping of the distribution system, already discussed in public, was designed several years ago by Jones, Henry and Williams.

3 SIZES OF MAINS

The plan calls for new mains of 46 inches, 36 inches and 24 inches to take the water from Auburn and Opdyke through the central business district to the north end of town.

"Now our water comes from wells scattered over the city," explained Willman. "To handle water from a single source requires adjustment of our lines."

Also included in the proposed $3.5 expansion program are two new storage tanks, of two-million and three-million gallons capacity, to replace the million gallon tank on Baldwin Avenue.

If $200,000 accumulated in the water kitty is put into expansion, only $3.3 million in revnue bonds will have to be issued, said Willman.

A 20-year study by the Pontiac Water Department showed the city's water level has dropped from a high of 63 feet under ground level in 1940 to a low of 122 feet in July of 1959.

It was at 123.5 feet last summer. The July, 1955 low was 129 feet.

MEET GEORGE WASHINGTON — That's what this Easter bunny answers to at the Pontiac YMCA. George will have a new home after tomorrow when he'll leave the "Y" with the boy or girl who wins the first annual YMCA Easter Egg Hunt. Admiring George are (from left): Dennis Womack, 12, 104 Seneca St.; Gayla Simpkins, 8, 184 Mt. Clemens St.; Barbara McClure, 16, 368 W. Iroquois Rd.; Steven Rhodes, 10, 38 Liberty St.; Deborah Spitler, 10, 794 Orlando Ave.; and Douglas Siggins, 11, 64 Kemp St. Miss McClure is president of the YMCA Teen Board which is sponsoring the egg hunt. (Pontiac Press Photo)

By George, It's the Easter Bunny

Washington Slept Here

By MAX E. SIMON

George Washington slept here—at the Pontiac YMCA.

Not George Washington, the father of our country, but George Washington, the Easter bunny.

★ ★ ★

He moved into the "Y" several days ago, and he'll remain until tomorrow afternoon when he moves out — cage and all.

George, whose quarters are in the YMCA lobby, will leave with the boy or girl who finds the special "golden egg" at the first annual YMCA Easter Egg Hunt.

★ ★ ★

"The program is open to all boys and girls in Pontiac — provided they get their hunting licenses before noon tomorrow," said Barbara McClure, president of the YMCA Teen Board, sponsoring organization.

Licenses are 10 cents for members, 15 cents for guests.

The bunny-winning egg will be among 500 eggs obtained for the hunt.

The hunt will run from 1 to 2:45 p.m. tomorrow — outside the "Y" building, 131 Mt. Clemens if the weather permits. The hunt will be indoors in the event of inclement weather.

★ ★ ★

Following the hunt, the Rev. Galen E. Hershey, associate pastor of the First Presbyterian Church, will informally discuss "What Is the Real Meaning of Easter."

John Miller, youth director, urged parents to sign their children up at the "Y" today if possible, but no later than noon tomorrow.

Mrs. Frick Is Winner in Losers Club Contest

The "Good Losers Club" in Clarkston last night finished a six weeks' weight-losing contest, and Mrs. Robert Frick was named the winner. She lost 11 pounds during the contest period.

A new contest got under way immediately with Mrs. John Kriss and Mrs. Frick elected captains heading two competing teams.

The winner receives a large trophy and several other prizes.

Anyone wishing to join the group may do so any Thursday at 7:30 p.m. when the club meets at the Clarkston Junior High school.

Committee of Two Set for Election Complaints

A Pontiac man and Birmingham woman will be the Oakland County representatives on the Republican State Central Committee's "Clean Elections Committee" operating for the first time in Monday's election.

Charles Harris, 437 Moore St., FE 5-3365, and Mrs. Allen Strom, 1130 Wakefield St., MI 4-9293, will be available on election day to receive any complaints of voting irregularities and take proper action, the committee said.

Anti-Red Group Stirs Concern

Members of Senate and House Denounce John Birch Society

WASHINGTON (AP)—The John Birch Society, a conservative anti-Communist organization, has become "a matter of concern to the attorney general," a Justice Department spokesman said today.

★ ★ ★

Asked if the department planned any action, the spokesman said, "A growing number of inquiries which the Justice Department has received about the John Birch Society has made it a matter of concern to the attorney general." He declined to go beyond that brief statement.

★ ★ ★

There was no direct comment from Atty. Gen. Robert F. Kennedy, brother of the President.

CALL FOR PROBE

Members of both the House and Senate denounced the organization Thursday and called for investigations of its leaders. Several senators have been attacked in letter writing campaigns by society members.

The most caustic criticism centered around the society's founder, Robert Welch, who is said to have called former President Dwight D. Eisenhower and others Communists.

FBI Director J. Edgar Hoover spoke out today against "reckless charges" and "vigilante action" in a signed editorial in the FBI law enforcement bulletin.

The Day in Birmingham

City Posts to Be Filled; Lathrup Votes on Bonds

BIRMINGHAM — Large turnouts at the polls are expected Monday in Birmingham and Bloomfield Hills where there are local races and in Lathrup Village where voters will decide a $525,000 bond issue.

★ ★ ★

Bloomfield Township's Republican incumbents are unopposed for re-election.

Voters in Birmingham and Bloomfield Hills, along with deciding state offices, will elect a number of city officials.

Lathrup voters are being asked to approve the bond issue to finance the construction of a storm sewer as well as re-elect three incumbent councilmen who have no opposition.

Two council seats are to be filled in Birmingham in addition to a like number on the library board.

★ ★ ★

Three candidates, including one incumbent, will vie for the council posts. They are Incumbent Robert W. Page, Ralph A. Main, former Birmingham mayor, and Carl F. Fischer.

★ ★ ★

The two 3-year-terms on the library board are being sought by Charles B. Kass and Edwin S. Snyder, incumbents, and Arthur J. Underwood.

3 ARE INCUMBENTS

Bloomfield Hills electors will name three councilmen out of a field of four seeking the offices. Three of the candidates are incumbents. They are John S. Bugas, Dominick Vettraino and Lyman J. Craig. Their opposition comes from Robert A. Frye, a Detroit attorney.

Bloomfield Hills Justice of the Peace Alva M. Richardson and incumbent constable Homer J. Murphy are unopposed for re-election.

Virtually assured of re-election are three Lathrup Village councilmen. Without challengers are Mayor Richard N. Cogger, H. Earl Hanson and Vincent Zatell.

Voters approval of the $525,000 Lathrup bond issue will mean an estimated $4 tax increase for each $1,000 of assessed valuation.

Even though Bloomfield Township voters haven't a choice of local candidates, it has been estimated by Clerk Delores Little that some 4,000 electors will turn out at the polls.

More than 300 absentee ballots have been taken out, she said.

★ ★ ★

The unchallenged township incumbents are Supervisor Arno Hulet, Clerk Delores Little, Treasurer Homer Case and Trustees Gordon T. Getsinger and Samuel Reeves.

Also unopposed are Fred A. Chapman, highway commissioner; Alice L. Gilbert, justice of the peace; Maurice Morey and Karl E. Rhodes, constables; and Jamie Martin, board of review.

An upset debate victory by two Birmingham Seaholm girls has won them a place in the state championship finals to be held in Ann Arbor April 22.

Going after new honors for the high school after defeating the University of Detroit High School debate team are Linda Wells, 17, daughter of Mr. and Mrs. William Wells of 1055 Arden Drive, and Lorraine Shafer, 17, daughter of Mr. and Mrs. Lloyd Shafer of 1820 Birmingham Blvd.

The victory over the U. of D. team came after a mediocre season for the Birmingham debaters. They had been given only an outside chance for a win.

Hoffa Is Saying Reuther Wants Teamsters Back

BOSTON (AP) — The Boston Globe today quoted Teamsters Union President James R. Hoffa as saying Walter Reuther has interceded for return of the teamsters to the AFL-CIO.

The teamsters Union was expelled from the AFL-CIO shortly after Hoffa's re-election, on grounds it was dominated by corrupt influences.

The account quotes Hoffa as saying that Reuther, president of the United Auto Workers Union, recently called AFL-CIO President George Meany in an effort to reinstate the Teamsters. Meany was against it, Hoffa said.

★ ★ ★

Hoffa, according to the Globe, said Emil Mazey, also a UAW official, was present when Reuther made the call but in Detroit a UAW spokesman quoted Mazey as saying no such call was made in his presence.

Ballot Full at Waterford

(Continued From Page One)

his second try for a political position. In 1959 he ran for supervisor. The family attends Grace Lutheran Church.

Ruelle and his wife have three children. He is employed in the model shop of AC Spark Plug Division, General Motors Corp., Flint; is a member of the Waterford Township Recreation Board; and attends St. Andrews Episcopal church.

Verhey has been an inspector for the Detroit Edison Co. for 17 years, is married and has two children. He was graduated from Pontiac Central High School and is a past commander of Post 4102 VFW, a member of Cedar Lodge and secretary of the township's Democratic Club.

★ ★ ★

Democratic incumbent Patrick K. Daly, 31, of 1158 Lynsue Lane, hopes to defeat Republican Richard D. Kuhn, 31, of 205 Gateway Drive, for the full term as justice of the peace.

A graduate of Pontiac Central High School and Eastern Michigan University, Daly worked for the Ford Motor Co. before his election as JP four years ago. He is a member of St. Benedict's Catholic Church, is married and has three sons.

Kuhn, a practicing lawyer, was graduated from Michigan State University and the Detroit College of Law. Married, he has one son. They attend Central Methodist Church. Kuhn is a member of Community Activities, Inc., as well as the Oakland County, Michigan and American bar associations.

★ ★ ★

He is on the Kiwanis board of directors, the Pontiac Area Chamber of Commerce and is chairman of the Central Oakland Planning Council.

SEEKS ADAMS' POST

Democratic Paul M. Mandel, 31, is married, has two sons, and lives at 2211 Elizabeth Lake Road. He is seeking the two-year unexpired term for JP left vacant by the resignation of Donald E. Adams earlier this year.

Mandel was graduated from Wayne State University and has been admitted to the Michigan and Federal bars and the U.S. Court of Military Appeals. He has served both Waterford and Independence as Township attorney.

Mandel, who is acting justice, will be opposed by Republican John E. McGrath, 35, of 1311 Edgeorge Drive.

A graduate of Pontiac Central High School, McGrath attended Michigan State University and received his bachelor and law degrees from the University of Denver. He is a practicing attorney. A charter member of the Lakeland Optimist Club, McGrath is currently its vice president. He is married and has two daughters.

Democrat A. B. White is unopposed as a member of the Board of Review.

★ ★ ★

Republican constables seeking four positions are Lloyd E. Gidley, William H. Healy, Ben T. Lowell and G. William Quine.

Also running for the four positions on the Democratic ticket are Andrew W. Carruth, Arlo G. Flesher, Floyd A. Tonkin and Roy J. Wegman.

Christ's Final Sigh Is Called a Triumph

(Continued From Page One)

majestic stature of the divine likeness.

It was a mission of reconciliation, whereby the wall of separation between heaven and earth would be broken down, and the indictment of guilt, as St. Paul calls it, be blotted out. It was an act of sublime self-surrender to the will of his heavenly Father to atone for the willful disobedience of his brothers in the flesh.

It was not a manifestation of impotent weakness, as his enemies charged. It was a voluntary surrender unto death, in order that we who were dead in sin might live unto justice. Christ made this clear in his own words:

"I lay down my life that I may take it up again. No one takes it from me, but I lay it down of myself." (John 10:17-18).

When we contemplate the bitter agony of Christ in the garden of Gethsemane, his bloody scourging in the court of Pilate, his cruel death on the cross, we become aware that sin has its price. It is assumed all too often that the violation of the moral order does not carry with it a penalty, as in the violation of the physical order. The consequences may be different, less immediate, and less apparent; but they are no less certain.

Treason, lust, gluttony, deceit and hypocrisy impose penalties, as surely as fire burns and poisoned food destroys life.

Personal sins lead to personal disaster, and social crimes end in social misery.

It was the composite sins of all mankind that led to the cross; but the cross in turn led to victory over sin and death.

No wonder, when the deed was done, Christ could cry out with exultant voice but with a sigh of relief:

"It is consummated."

(The End)

Three Appointed to MSUO Staff

Dr. John E. Maher, 35; Dr. Pauline M. Mahar; Norman Roseman

DR. PAULINE M. MAHR

Dr. John E. Maher, a former economist with the United States Department of Labor Wage Stabilization Board, has been appointed an associate professor of economics at Michigan State University Oakland.

Maher, 35, is now assistant professor of economics at Wesleyan University. Before accepting appointment there in 1957, he was an instructor and assistant professor at DePauw University.

Appointment of Maher was one of three approved today by the Michigan State University Board of Trustees, meeting in East Lansing. The others were Dr. Pauline M. Mahar, 33, as assistant professor of sociology and anthropology, and Norman Roseman, 34, as assistant professor of teacher education.

Maher, a native of Utica, N.Y., received his doctor of philosophy and bachelor of arts degrees from Harvard University. He holds a master of science degree from the University of Wisconsin.

Dr. Mahar, presently instructor of sociology and anthropology at the University of Arizona, is a graduate of Wellesley College and received her doctor of philosophy degree from Cornell University.

She was a postdoctoral fellow of the American Association of University Women, 1958-59, and did research on field data collected in India.

Prior to that she was a research associate at Cornell and worked on a mental health study in Nova Scotia. Her teaching experience includes a post at Elmira (N.Y.) College.

Roseman, now at the University of Illinois, is assistant state chairman of the North Central Association of Colleges and Secondary Schools and Illinois coordinator of public school facilities.

He holds a bachelor of arts degree from Queens College, New York, and a master of arts degree from Columbia University. He has completed course work for the Ph.D. degree which he expects to receive this year from Illinois.

Prior to his appointment at Illinois, Roseman was with the Overseas American Schools from 1953 to 1958 and served, his last year with the system, as principal of the Greenham Common School, Newbury, Eng.

The appointments are effective Aug. 15.

NATIONAL WEATHER — Scattered showers and thundershowers are forecast for tonight for most of the South Atlantic states with scattered showers and snow flurries in parts of the Great Lakes and Montana. A cooling trend is foreseen for the upper Mississippi, the Lakes and the southern Gulf coast with warmer weather in the western part of the central Plains and southeast Plateau.

It Strengthens His Faith

GMTC Man Wants to Serve

JEROME B. PARLE

(Editor's Note: It seems appropriate during Holy Week to single out a few of the many lay persons who do honor to Christ by their devotion to the churches of their choice. The Pontiac Press asked these persons, all successful in secular pursuits, why they voluntarily give countless hours each year to religious concerns. One man's answer appears today, the fifth in a series of six.)

"During Holy Week, we recall more vividly than at any other time, the events that led to the establishment of Christianity. In the Catholic Church the liturgy expresses great joy on Holy Thursday because Christ instituted the Sacracent of Holy Eucharist at the Last Supper," said Jerome B. Parle, who helped establish St. Benedict's Catholic parish.

Mr. Parle said the historic events of Good Friday and Easter make him aware of his own inadequacies and shortcomings; and how little he has to put himself out for acceptance of faith.

He asks himself: "Had I been on the streets of Jerusalem on that momentous day, would I have had unswerving faith in Christ? Against a backdrop of seeming evidence to the contrary, would I have insisted He was the Son of God? Could I have possibly known that He was actually choosing to suffer and die for all mankind? Would I have changed places with Simon of Cyrene?"

★ ★ ★

"As a Catholic layman, I must realize that in the church and market place, I must put something into my faith. And if these efforts seem stumbling I know that God, but for the asking, will give me the grace and strength to serve Him the best way I can," he added.

★ ★ ★

A former parishioner of St. Vincent de Paul Church, he attended the University of Detroit and is currently in the production office of General Motors Truck & Coach Division. He has been with the company 21 years.

Mr. Parle has been assistant editor of the Michigan Councillor, a weekly Catholic paper; and founded St. Vincent's Parish News.

★ ★ ★

A member of the Holy Name Solcety and Men's Club of St. Benedict's, he has worked for 13 years in the Catholic layman's retreat movement as secretary of Pontiac Retreat League. Annually he arranges for 100 men to go to St. Paul's Monastery in Detroit for weekend spiritual retreats.

The Parles of South Tilden Avenue have a daughter Mary; and two sons, Dennis, and John.

U. of M. Out in Front for Defense Research

CLEVELAND, Ohio (UPI) — The University of Michigan is conducting more research in development of national defense than any other American school, considering that it is not one of the institutions operating laboratories of the government, its president says.

Dr. Harlan Hatcher made that observation Thursday night to the Cleveland chapter of the University's Alumni Association.

JOSEPH A. PEEL JR.

Peel Convicted, Waits Sentence

Found Guilty in Murder of Judge; May Face Trial in Wife's Death

FORT PIERCE, Fla. (AP) — Joseph A. Peel Jr., convicted of masterminding the sensational 1955 slaying of a prominent judge, remained in jail today to await sentencing and word on whether he will be tried for the death of the victim's wife.

★ ★ ★

A Circuit Court jury ended Florida's most-publicized murder trial Thursday by convicting Peel, 37, of plotting the slaying of Judge C. E. Chillingworth. The verdict came after 5 hours 24 minutes of deliberation.

★ ★ ★

It was accompanied by a recommendation of mercy, making a sentence of life in prison mandatory, and saving Peel from the electric chair.

PLAN APPEAL

Defense counsel served notice of appeal. A hearing on the motion was tentatively set for April 26 before Circuit Court Judge D. C. Smith. Formal sentencing was set for the same day.

Peel was brought to trial March 6, several months after officers broke open the secret of the Chillingworth's disappearance.

★ ★ ★

Two witnesses at the trial testified that they kidnaped the judge and his wife, Marjorie, from their waterfront home near Palm Beach, June 15, 1955; took the couple about one mile off-shore in the Atlantic Ocean, weighted their bodies and pushed them out of a boat. Neither of the bodies has been found.

City Tax Bill Revived Again

Would Prohibit Levy on Nonresidents Who Work in Big Towns

LANSING (AP)—Rescued from an early grave, legislation to prohibit cities from levying income taxes on nonresidents will get a second test next week.

★ ★ ★

So will an offshoot move to prevent cities from passing any kind of an income tax.

The proposals triggered some of the noisiest debate of the year in the house Thursday, with the votes cutting sharply across party lines.

The measure to ban income taxes on nonresidents drew a 50-49 vote, six votes short of passage, and was revived for another approval try next Tuesday. The total ban missed approval by only three votes.

★ ★ ★

Rep. John T. Bowman, D-Roseville, aimed it at Detroit, which last year considered adoption of an income tax as a solution to its financial troubles.

Generally, Democrats from suburban areas joined rural Republicans to support the bill; Detroit Democrats and Republicans from cities joined forces against it.

Bowman argued that taxes on nonresidents would amount to "taxation without representation." Rep. Raymond Apley, D-Mount Clemens, branded it "a right to work law."

★ ★ ★

"They want to tax us for the simple privilege of working in the City of Detroit, whether we use their services or not," he said.

Leading the opposition, Rep. Michael J O'Brien, D-Detroit, warned that the measure would strip Detroit and more than 30 other cities of taxing powers written into their charters.

★ ★ ★

"This would put a pair of handcuffs on us that we would never get out of," he said.

Police Numbers Change

Browsing Through the Telephone Book

By DICK HANSON

A casual glance through the new telephone directory currently being distributed to some 68,000 Michigan Bell Telephone Co. customers in the Pontiac area reveals some interesting bits of information.

★ ★ ★

Due to the forthcoming changeover of about 3,700 of these customers in Oakland County from the FEderal exchange to the new Pontiac West Exchange Sunday, they have been reassigned all-numeral telephone numbers, such as 682-3030 for instance, which will be the new number of the Keego Harbor Police Department after tomorrow.

Also being changed are the numbers of the West Bloomfield Township Fire Department to (682-1111), West Bloomfield Township Police (682-1555), the Orchard Lake Police (682-2400), Sylvan Lake Police (682-1440), Shelby Township Police (731-2121), Shelby Township Fire Department (731-3473), and the Novi, Wixom and Commerce Township police (MA 4-1111 for all three departments).

The latest phone directory has added six more pages, indicating the continued growth in the county. The book now has 400 pages.

★ ★ ★

As an added feature in the latest edition, Michigan Bell has explained that telephone users now may talk to someone in Argentina, Australia, the British Isles, Italy, Japan or the Philippine Islands for three minutes at a cost of $12 plus 10 per cent federal excise tax.

Or, if you are looking for even a better bargain, you can call someone in Panama, Bermuda, Puerto Rico, Hawaii or Alaska for less than $10 plus tax, providing you don't talk more than three minutes.

Another point of interest in this book — one of the best-read in the area — is that the Smiths are having no trouble keeping up with the Browns, at least locally. Actually the Smiths are ahead.

HATFIELDS OUTNUMBERED

There are 1,486 Smiths listed in the new directory and 736 Browns. (Count 'em. I may be wrong but not by much, I'll wager.)

★ ★ ★

Did you ever wonder what became of the Hatfields and the McCoys since they started feudin'? Well, the McCoys are winning hereabouts. There are 45 of them listed, and, only 12 Hatfields.

★ ★ ★

The new book also lists three Boozers, one Boor, six Bulls, 26 Beards and 58 Bushes. There are seven Crooks and seven Angels but no Coppers; two Coins and a Halfpenny; two Inches, four Feet, three Miles and two Halfacres.

Two Hoots and seven Hollers, Twelve Links, none missing. Five Mousers and no Mice.

★ ★ ★

Twelve Riddles, 13 Robins, three Fiddlers, 10 Hamburgers, five Tom Collins, eight John Collins, one Horsey, three Icebergs, 11 Locks, seven Keys (?), four Chicks, 50 Birds, 25 Fish, and 102 Saints, including many you've never heard of.

★ ★ ★

There are also 58 Pages in the directory and the last name listed is that of Henry A. Zywiol, who lives at 382 Decker Road, Walled Lake.

★ ★ ★

He won't necessarily get his new directory last. It should arrive before Wednesday same as everybody else's.

Delay Chess Tourney Here Till April 17

The Pontiac Chess and Checkers Club annual chess tournament, originally slated to get under way Monday, has been postponed until April 17, Donald Rofe, director, announced today.

★ ★ ★

Plans are to still hold the tourney in the Adah Shelly Branch Library, 251 E. Rundell St., starting at 7 p.m. Play will be divided into three classes, senior, amateur, and novice (for those players 14 years of age and younger.) Prices will be awarded in each class.

★ ★ ★

Entry fees of $3 for seniors, $1 for amateurs, and 50 cents for novices will be charged to cover expenses, Rofe said. The fees will be collected upon registering for the tournament with the Parks and Recreation Department at City Hall.

The contest is open to all Oakland County residents.

Firemen Fight Back

KAWANO, Japan (UPI)—Angered by city officials' plans to reduce fire department personnel, 150 firemen turned hoses from 11 pumping trucks on City Hall last night, drenching assemblymen and flooding the telephone exchange, the mayor's office and other rooms.

Transit Official Denies Charge

GM Buses Not Favored, Testifies Manager in Antitrust Suit

DETROIT (AP)—The government, through an exchange of letters between sales executives of General Motors Corp., had in U.S. District Court records today a picture purporting to show that the Cleveland (Ohio) Transit System had shown favoritism toward GM buses.

Along with this, however, went heated denials by General Manager Donald C. Hyde, of Cleveland Transit, that he or his company ever had shown favoritism toward GM.

All this came about Thursday in the government's five-year-old antitrust suit against General Motors charging GM monopolizes manufacture and sale of what the government terms city and intercity types of buses.

Following Hyde's testimony, Judge Theodore Levin adjourned the case over the Easter holidays until next Tuesday. Then Leo Nowicki, chief of Detroit's municipally-owned bus system, is to take the stand.

* * *

In a letter from GM's Cleveland sales representative, Harry Archer, to E. P. Crenshaw, general sales manager of the General Motors Coach and Truck Division, Hyde was reported to have suggested that "he would do a selling job" for GM equipment.

Hyde denied it and suggested Arthur even had erred in the name of the man he supposedly was to "sell."

* * *

Hyde said Cleveland Transit's operating records for various vehicles were available to all comers if they asked for them.

He also denied that any cocktail parties he might have attended at Arthur's home had any influence on Cleveland Transit purchases.

North Central Announces New State Air Routes

LANSING (AP) — New airline service for the Manistee-Ludington area will start Saturday, the Michigan Department of Aeronautics has announced.

North Central Airlines has scheduled daily flights between Manistee and Chicago, with connections in Grand Rapids for Detroit and Cleveland, the department said.

Court to Hear Arguments on Return of Straley

Arguments in the legal battle of two city commissioners to return ex-Police Chief Herbert W. Straley to office will be heard by the State Supreme Court April 5.

* * *

Commissioners Milton R. Henry and Robert A. Landry have appealed the dismissal last spring of a suit in which they contend a 1960 city charter amendment under which Straley was fired was improperly presented to voters.

Oakland Circuit Court Judge Frederick C. Ziem ruled otherwise.

The amendment provided for the re-establishment of the Police Trial Board and removed Straley from its jurisdiction.

City Manager Walter K. Willman fired the chief in April of last year after the amendment passed.

Red Skipped Confab for Fear of His Life

BELGRADE, Yugoslavia (AP)—Enver Hoxha, secretary-general of Albania's Communist party, refused to attend a Warsaw Pact conference in Moscow this week because he feared for his life, a foreign diplomatic source said Thursday.

The head of the tiny Communist outpost on the Mediterranean was said to have shunned the conference because of a bitter fight with Premier Khrushchev in Moscow last November.

Tempest Tops 4 Models in Compact Car Sales

Pontiac's Tempest—one of the newer entries among the compacts—is making its impact felt quickly in the sales field.

January registration figures show the Tempest ahead of the Lark, Special, F85 and Lancer.

R. L. Polk & Co. reported 7,767 Tempest registrations as market penetration of the 10 compact cars reached a record 30.3 per cent of January's 413,563 registrations.

For the fourth month in a row, Falcon headed the compact field with 29,963 registrations. Also ahead of the Tempest were Rambler, 25,344 registrations; Corvair, 20,060; Comet, 11,895; and Valiant, 9,140.

* * *

Trailing the Tempest's 7,767 registrations were the Lark, 6,444; Special, 5,301; F85, 5,318; and Lancer, 4,246.

* * *

Automotive News, weekly trade publication, reported the Tempest one of the compacts showing greater market strength in January at the expense of the Comet, F85, Rambler and Valiant.

$1.6 Billion for JFK Programs

OK Funds to Fight Slump

WASHINGTON (UPI)—The Senate Thursday passed and sent to the White House a $1.6-billion money bill providing funds to get several of President Kennedy's antirecession programs rolling.

The bill was stripped of nearly $2.9 billion in a Senate-House conference committee. The money would have gone to the Commodity Credit Corporation for price support losses.

The bill carried half of the $1 billion needed to finance the administration's program for extending jobless pay to workers whose benefits have run out, and $20 million for a similar program for workers under the Railroad Retirement Act.

It also advanced $20 million for federal aid to needy children of jobless parents.

Promoted to VP Post at Williams Corp.

John F. Jones, chief engineer of Williams Research Corp. Walled Lake, today was named engineering vice president by Sam Williams, company president.

Williams said Jones has been associated with the company for the past six and a half years and "has been a principal factor in the company's successful development of gas turbine engines."

These developments include the world's smallest aircraft turbojet engine, a 75 HP turbine, currently being installed in an Army Jeep, a 400 HP truck and industrial turbine to be manufactured by the Waukesha Motor Co., and the world's first gas turbine outboard motor which is being manufactured by the Outboard Marine Corp. for use in small craft by the U.S. Navy.

Jones received his bachelor of science degree in mechanical engineering from Case Institute of Technology in 1941 and masters degree in automotive engineering from Chrysler Institute of Technology in 1943. Jones spent 13½ years with the Chrysler engineering division.

Committee Gets Strikebreak Bill

Seek Compromise on Amendment's Wording Aimed at Picketing

LANSING (AP)—A proposal to bar the use of strikebreakers in labor disputes was back in the State Affairs Committee of the Senate today for clarification of an amendment.

The lawmakers voted 23-9 Thursday to recommit the bill after action had been delayed several days while a compromise was sought on the wording of the amendment, which was aimed at so-called goons on picket lines.

Some observers felt that if agreement could not be reached in the committee, the measure probably would not come out again on the floor.

The Senate passed and sent to the House by a 25-6 vote a bill affecting second class school districts in Flint and Grand Rapids.

The bill would remove from the law a provision that says the school districts and cities in which they are located must have coterminus (identical) boundaries.

Under the present law, when a city takes over a township territory by political "annexation," the territory automatically becomes part of the school district without further voting.

Printed plastic bags can be made 120 per minute by a series of new from the raw resin at the rate of integrated machines.

Deaths in Pontiac and Nearby Areas

MRS. MINNIE SALTZER

Mrs. Minnie Saltzer, 85, formerly of 42 Augusta Ave., died yesterday following an illness of several years.

She had been a member of Central Methodist Church.

Survivors include a son, Charles of Grosse Pointe; a daughter, Mrs. Grace R. Christie of Buffalo, N.Y.; two grandchildren and three great-grandchildren.

Service will be held Saturday at 2 p.m. from the DeWitt C. Davis Funeral Home with burial in Greenwood Cemetery, Birmingham.

PETER A. SERRA

Peter A. Serra, 67, of 221 Judson St., died Thursday at St. Joseph Mercy Hospital following a brief illness.

A member of St. Vincent de Paul Church, he was retired from Pontiac Mills.

Survivors include his wife, Rose; three sons, Vincent, Hector and Albert, all of Pontiac; and a daughter, Mrs. Carl Mauro of Pontiac.

Service will be held at 10 a.m. Monday from St. Vincent de Paul Church with burial in Mount Hope Cemetery.

The rosary will be said Sunday at 8 p.m. at the Melvin A. Schutt Funeral Home.

MRS. WILFRED TAYLOR

Word has been received of the death of former Pontiac resident Mrs. Wilfred Taylor, 44, of Redwood City, Calif. She died after a long illness.

A member of St. Vincent de Paul Church, she had been active in Girl Scout activities.

Surviving are her husband; a son Wilfred Jr.; six brothers, Edmund, Frances, Joseph and Leonard Dionne all of Pontiac, Henry and George Dionne, both of Marquette; and three sisters.

Mrs. Taylor's body will be taken to the Tonnella Funeral Home in Marquette for service and burial Monday.

JOHN M. BARCLAY

IMLAY CITY — Service for John M. Barclay, 95, of 6280 Imlay City Road, will be at 10 a.m. tomorrow at the Muir Brothers Funeral Home. Burial will be in Elbridge Cemetery, Hart.

Mr. Barclay died Wednesday after a long illness.

Surviving are a daughter, Mrs. Marie McGinnis of Almont; three sons, Renan and Eldon, both of Almont, and Frank of Romeo; seven grandchildren; and 15 great-grandchildren.

EDMUND SHINMAN

AVON TOWNSHIP — Edmund Shinman, 65, of 3078 Melvin Road, died today at Pontiac General Hospital following an illness of one month. His body is at the Moore Chapel of the Sparks-Griffin Funeral Home, Auburn Heights.

Surviving besides his wife Mary are his mother Mrs. Hilda Shinman of Ohio; a daughter, Mrs. Violet Dalley of San Diego, Calif.; four sisters; and three brothers.

FRED L. SMITH

ORION TOWNSHIP — Service for Fred L. Smith, 61, of 2765 Buckner Road, will be at 2 p.m. tomorrow at the Pursley Funeral Home, Pontiac. Masonic graveside services will follow at White Chapel Memorial Cemetery, Troy.

Mr. Smith, a member of Lake Orion Lodge No. 46, F&AM, and Lake Orion Chapter No. 340, OES, died yesterday after a one-day illness at St. Joseph Mercy Hospital, Pontiac. He also was a member of the Lake Orion Community Bible Church.

Surviving besides his wife Elsie are two sons, Budette of Lake Orion and Budell of Wish Ram, Wash.; four sisters, Mrs. Alice Davis of Lake Orion, Helen Smith of East Alton, Ill., Mrs. Dolly Rhinhart of West Palm Beach, Fla., and Mrs. Ethel Burke of Pleasant Hill, Ill.; a brother; and 11 grandchildren.

New Type Juice From Apples Uses Vitamin C

GENEVA, N.Y. (UPI)—A new-type "natural" apple juice has been developed at the New York State Agricultural Experiment Station.

According to food scientists there, the product "is a cloudy juice which retains the body of the freshly pressed fruit and, because it is pasteurized soon after pressing, it keeps well on the shelf so that it can be had the year around."

The new-type juice is made by adding ascorbic acid or vitamin C to the apples as they are ground up and just before they are pressed. The ascorbic acid protects the juice from discoloration and change in flavor due to the action of oxygen in the air.

Apple juice produced by this method also is said to be much more nutritious than ordinary apple juice or cider, comparing favorably in vitamin C content with citrus juices.

Rocket Called SLAM Now Being Studied

CAPE CANAVERIAL, Fla. (UP—Several companies have begun design studies for a nuclear-powered global range rocket called SLAM, capable of hitting targets anywhere in the world from mobile U.S. lanuching sites.

★ ★ ★

SLAM, not expected to be ready for several years, would carry multiple hydrogen warheads at supersonic speed.

It would be able to maneuver in space to avoid enemy defense measures and could approach targets from several different altitudes and directions.

His Bad Cold Stretched Out Into Long Deal

PULLMAN, Wash. (UPI) — Think a cold causes you trouble? Then how would you like to have four-and-a-half feet of lung trouble?

★ ★ ★

That was what ailed a patient named "Crud" at the Washington State University College of Veterinary Medicine Clinic.

The patient was an eight-foot, three-inch boa constrictor owned by Dick Parr, a student at the University of Idaho nine miles from here.

A wonder drug did wonders for "Crud," but he had to do his recuperating at Parr's boarding house. The WSU clinic just doesn't have facilities for housing sick boa constrictors.

★ ★ ★

Not that he gave anybody any trouble. Explained Dr. Hugh Butler, "he was too sick."

Can't Get Out of the Rut

GENEVA, N.Y. (UPI) — Dora Hoban is a consistent bowler. She rolled games of 147, 146 and 147 on one occasion and 138, 139 and 138 on another in league competition.

Exchange Club Marks 50 Years of U.S. Movement

The Pontiac Exchange Club marked the 50th anniversary of Exchange Clubs in America at a noon luncheon meeting at the Waldron Hotel today.

★ ★ ★

The first exchange club was founded in March, 1911 by a group of Detroit businessmen. The Pontiac club was chartered in 1924.

Chairman of the anniversary celebration was John C. Cowe. President of the local club is Donald W. Porter.

Highlight of the luncheon was a huge birthday cake. The club's purpose is to exchange ideas with others and plan projects for community betterment.

★ ★ ★

"The idea, which began right here in the Detroit area, has come a long way," said Porter.

★ ★ ★

"Today, Exchange Clubs are to be found in hundreds of communities in the United States and Puerto Rico."

Tax Tips Are Boon to March of Dimes

CLIFTON, Ariz. (UP—Frank B. Alvidrez, a bartender, has achieved a reputation as a specialist in figuring income taxes.

Each year rich and poor line up for his advice. He gives it free, but some of Frank's friends drop tokens of thanks into a gallon whisky bottle placed on the bar.

Once a year, Alvidrez tips the jug and pours several hundred dollars into the March of Dimes campaign.

Pays Her $80 Tax Bill by the Quart in Maine

MACHIAS, Maine (UPI) — To cover an $80 tax bill, a former Machias woman handed tax collector Robert Smith 4 two-quart containers of pennies.

A count showed that there were 8,001 of them. The town is holding the extra penny for the woman because it would cost more than one cent to mail it to her.

Reservist Finds April 1 Is Just Not His Day

ST. LOUIS, Mo. (AP)—Joseph C. Schardt Jr., of suburban Berkeley, an Air Force reservist, is looking with some apprehension to April Fool's Day in 1971.

★ ★ ★

Here's why:

On April 1, 1941, Schardt was drafted.

On April 1, 1951, he was recalled for duty in the Korean War.

Saturday he starts a special month-long assignment at Scott Air Force Base, Ill.

... to Take Part in JFK Interviews

DETROIT (AP) — Andrew Hatcher, President Kennedy's assistant press secretary, says college editors in the Washington area will be invited to attend future presidential news conferences.

Hatcher told 267 Michigan college and high school editors attending a conference on civil rights Thursday that the president wanted to foster ideas among college students. He said two college editors would be invited to each conference.

Full White House correspondents' privileges will be granted to the collegians, Hatcher said. The students will vie for recognition with other White House reporters during the conferences, he added.

U.N. Closes on Good Friday

Doesn't Usually Mark Religious Days, but All Agree

UNITED NATIONS, N. Y. (UPI) —The General Assembly, with the postponement of a disarmament debate lightening its work load, canceled all meetings today in observance of Good Friday.

★ ★ ★

The United Nations normally does not observe religious holidays.

★ ★ ★

The assembly's main political committee unanimously and without a vote late Thursday approved a United States-Soviet agreement to put off disarmament debate here until its 16th session, scheduled to start next Sept. 19.

The agreement was the result of negotiations carried on with the Russians by U. S. Ambassador Adlai E. Stevenson since his appointment as Washington's permanent representative here last Jan. 20.

President Kennedy's administration made it clear it would not be ready for real arms talks until it had completed, by midsummer, a reappraisal of the U. S. disarmament position.

★ ★ ★

The assembly scheduled debate for four days beginning Monday on the Congo situation. Some 30 countries awaited a hearing.

The 99-nation budgetary committee will resume debate on the financing of the U. N. Congo operation on Monday also.

In Washington, the State Department has announced it won't "stand by silently" while a few nations refuse to help pay the bill for U. N. efforts in the Congo.

In a bluntly worded statement Thursday, the department said "we expect to do our share toward meeting this cost and we fully expect other responsible governments to meet their obligations."

★ ★ ★

It directly mentioned the Soviet bloc, which has refused to chip in, and although it did not mention France, officials made clear it was also indirectly aimed at that country. France has balked at paying its 1960 share.

1962—This is an artist's concept of the 550-foot "Space Needle observation tower which will symbolize the Century 21 Exposition in Seattle, Wash., in 1962. The 2½-million dollar structure will carry tourists to the top on two high-speed elevators.

Four Boys Born in '60 Someday May Be Rulers

By United Press International

Four boys who were born in 1960 could someday rule the four countries of their births. A fifth baby is the son of the president-elect of the United States.

★ ★ ★

The infants whose births made headlines were:

Prince Andrew Albert Christian Edward, born Feb. 19 to Queen Elizabeth and Prince Philip of Britain, second in line of succession to the throne, after his brother Prince Charles.

Prince Naruhito Hironomiya of Japan, born Feb. 23 to Crown Prince Akihito and Princess Michiko, second in line of succession, following his father.

★ ★ ★

Prince Philippe Leopold Louis Marie of Belgium, born April 15 to Prince Albert and Princess Paola, second in line of succession to King Baduoin, following his father who is the king's brother.

Crown Prince Reza Pahlevi, born Oct. 31 to the Shah of Iran and his third wife, Princess Farah Diba, heir to the Peacock Throne of Iran.

★ ★ ★

John Fitzgerald Kennedy Jr., born Nov. 25 to President-Elect John F. Kennedy and his wife, Jacqueline.

Planning Space Radio Satellite

$200-Million Project to Bring Communications of Army Up to Date

WASHINGTON (UPI)—In its 100-year history, the U.S. Army Signal Corps has used everything from carrier pigeons to semaphore flags to transmit military messages.

★ ★ ★

Now it's working on a $200-million project to bring military communications into the space age, with messages flashed to almost any spot on the globe from satellite vehicles which seem to hang stationary in space.

"Project Advent," as it's called, is intended to realize a dream that has intrigued man since the days of Jules Verne.

The communications satellites will seem to be permanently suspended in one spot, 22,300 miles above the Equator, because their rotation period in orbit will be precisely the same as the earth's approximately 24 hours.

IN ORBIT BY '64

The Signal Corps hopes to have three of the communications satellites in orbit by the end of 1964. Preliminary test shots will begin at Cape Canaveral, Fla., in mid-1962.

★ ★ ★

Instead of circling the earth like the moon and present-day artificial satellites, the "Advent" satellites will remain overhead for 24-hour duty.

From their great height, their line-of-sight communications range will reach out more than 5,000 miles in all directions from a point directly below them.

★ ★ ★

Thus, a Signal Corps station 5,650 miles south of the Equator could send a short-wave radio message to a point 5,650 miles north of the equator through one of the satellites.

SPAN WORLD

Three of them, spaced about equally around the earth's 25,000-mile waist, would provide world-wide short-wave and television communications, except for the extreme Arctic and Antarctic regions.

Present plans call for satellites weighing about 1,000 pounds each and capable of receiving and transmitting simultaneously at a rate of 120,000 words per minute.

Although test shots will be fired from Cape Canaveral, the point from which the "Advent" satellites will be hurled into space is still uncertain.

Burma-China Relations Better During 1960

RANGOON, Burma (UPI) — An election and a border agreement with Communist China highlighted Burma's events in 1960.

Neutralist U Nu won a landslide victory and became premier for the third time when his "clean" faction of the Anti-Fascist Peoples Freedom League (AFPFL) won 161 seats in the 250-seat chamber of deputies.

There was a definite improvement during the year of relations with Communist China.

Gen. Ne Win went to Peiping in January and signed a treaty of friendship and mutual non-aggression and also an agreement leading to final settlement of the border question, an issue dating since before World War II.

The agreement brought relief to Burmese who worried about Red China's gradual encroachment along the northeast frontier.

★ ★ ★

There was a general improvement in Burma's economy during the year. There was also a swing toward a "Burma first" policy. Almost all imports from foreign countries were "Burmaized" or placed in the hands of Burmese nationals.

Efficient Hen Delivers Eggs

ALBEMARLE, N.C. (AP)—Blackie, a bantam hen, has achieved the maximum in production efficiency at the C. S. Honeycutt farm.

Mrs. Honeycutt says Blackie slips into the house through a small hole in the screen door, lays her eggs in an old churn in the kitchen, then scoots back out again without any fuss.

"It's real handy to the frying pan," says Mrs. Honeycutt.

Average U.S. Citizen Is 29½ Years of Age

WASHINGTON (UPI)—The average age of U.S. citizens is 29½ years, according to the Census Bureau's 1960 census figures.

In the 1950 census the median was 30.2 years. The decline shown in the 1960 census was the first recorded since the first federal head-counting in 1790, the bureau said.

MADISON, Wis. (AP) — Tom Barlet, photographer for the Capital Times of Madison, was assigned to take a picture of a boxer dog for his newspaper.

L. J. Kinney of Madison wanted to find a new master for the four-year-old pet.

"I couldn't resist that soulful look . . ." Barlet sheepishly explained to his wife as he brought the dog to his seven children, who are owners of two cats, three pet mice, four pairs of hamsters, some goldfish and a canary.

Macmillan in Jamaica

KINGSTON, Jamaica (AP) — Prime Minister Harold Macmilan of Britain was greeted by a demonstration by the Rastafarian Back-to-Africa Movement on his arrival Thursday on his tour of the West Indies Federation. Members of the movement stood along the road with banners reading "Africa is our home" and "Macmillan send us back to "Africa."

for Woman Traveler

SOLANA BEACH, Calif. (AP)—A woman seeking funds for a plane ticket to her mother's funeral back East recalled a savings account that her mother had opened jointly in their names.

★ ★ ★

She withdrew the entire amount —$251.59. Her plane ticket came to $251.79.

Letter From Camp: Send Some Socks

CHAPEL HILL, N.C. (AP)—The Chapel Hill Weekly published this letter from a 7-year-old lad, away at camp, to his parents:

★ ★ ★

"Dear Mummy and Daddy:

"Today we went on a hike and I learned that catterpillers done't bite and 2 times 9 is 17 and you can not swim after lunch because lunch makes you sink. Please send me some socks because my counselers dog ate all mine except two and I lended one to Jacky because his itch."

Gets Even With U.S.

CAIRO (AP) — Saudi Arabia's finance minister, Prince Talal Ben Abdel Aziz, said Thursday his government terminated the American concession at Dhahran Air Base because of loans the United States is giving Israel and a "hostile" U. S. attitude toward Arab causes. The minister held a news conference while on a visit to Cairo.

Transports Tractors to the Wrong Town

CALUMET (AP) — A trailer truck driver didn't learn until he stopped at state police headquarters here that the onetime mining community of Fulton, now a tiny village in Upper Michigan, was not his destination.

★ ★ ★

The driver, transporting four tractors from Iowa, had passed Fulton in the lower peninsula, because it wasn't listed in his map index.

The error took him 600 miles out of his way.

Over Half of County's 22 Townships Have Races

Expect 100,000 Voters to Invade Polls on Monday

Over 100,000 residents of 22 Oakland County townships are expected to turn out at the polls Monday to cast their ballots in the biennial spring election.

Aside from choosing their favorite candidates for public office, voters in Oxford, White Lake, Farmington, West Bloomfield, Holly and Independence townships also will decide local propositions.

In over half of the townships there are races for most offices while in the other half only the incumbents, with a few exceptions, are seeking re-election to their present posts.

★ ★ ★

The polls will be open from 7 a.m. to 8 p.m. All those in line at 8 will be allowed to vote.

Following is a roundup of candidates and issues to appear on Monday's ballots:

Royal Oak

Supervisor: Incumbent Elwood C. Dickens; Clerk, Incumbent Mrs. Artie Gray; Treasurer: Frank Miles; Trustees (2): Ernest Wilson, W. C. Chambliss and James White.

Constables (4): Elijah Burt, Marshall Taylor and incumbents Square McNeal and Lonnie Thomas; Justice of the Peace: Incumbent Lonnie C. Cash; Board of Review (1): Ruth Edmundson.

White is the only Republican challenger on the otherwise all-Democratic slate.

Independence

Supervisor: Incumbent Duane Hursfall (R) and Carl K. Golding (D); Clerk: Howard P. Altman (R); Treasurer: Incumbent Kenneth L. Johnson (D); Trustee: Merle Bennett (R) and Donald DeWald (D); Justice of the Peace: James C. Russell Sr. (D) and John N. Evans (R).

Constables (3): Ferris P. Holcomb, Robert G. Phillips and Everett M. Fredericks, all Republicans.

Also on the ballot will be request for a tax increase not to exceed one-half mill to establish a free public library in the township.

Southfield

Supervisor: Hugh G. Allerton Jr.; Clerk: Fannie Adams; Treasurer: Audrey S. Leach; Trustees (2): Richard O. Speir and Neil E. Warren; Justice of the Peace, Orland H. Ellis; Board of Review (1): Orrin S. Gulley; and constable: Robert B. Bell.

All of the candidates are Republican incumbents.

Milford

Supervisor: Incumbent Mayon Hoard (R) and Martin L. Boyle (D); Clerk: Incumbent Elizabeth S. Hubbell (R) and Mary E. Klepser (D); Treasurer: Janet Kingsbury (R) and Judith A. Konarski (D).

Trustee: Incumbent Guy L. Whitman (R) and Hugh P. Davies (D); Justice of the Peace: Benjamin R. Threloff (R) and Archie J. Noon (D); Board of Review: Howard J. Reid (R) and Floyd Fands (D).

Constables (2): Thomas F. Sutton (R), Leslie R. Geary (R) and George S. Martin (D); Library Board (2): Incumbents Mae Lovejoy (R) and Frances Smith (R).

Commerce

Supervisor: Incumbent Thomas C. Tiley (R) and Thomas Montgomery (D); Clerk: Incumbent Harry H. Helvey (R); Treasurer: Incumbent Blanche H. Cummins (R) and Barbara Liss (D); Trustee: Incumbent Claude Garvey (R) and Nelson Nedeau (D).

Justice of the Peace: Incumbent John C. Weick (R); Justice of the Peace (2-year-term): Lester Erickson (R) and William S. Munger (D); Board of Review: Incumbent Ferdinand Bowden (D).

Constables (2): John F. Miller (R) and Harold Smail (R), A. F. Schwartz (D) and Richard McLennan (D).

Pontiac

Supervisor: Incumbent Leroy Davis (D) and Leonard F. Terry (R); Clerk: Incumbent Greta V. Block (R) and Dorothy Roerink (D); Treasurer. Incumbent Goldie B. Mailahn (R) and Carmen Collins (D).

Trustees (2): Incumbent Richard Avery (D), Emery L. Mitchell (D), Kenneth E. Gidley (R) and Wayne Dever (R); Justice of the Peace: Incumbent R. Grant Graham (R).

Constables (4): Harold F. Van Housen (R), Ramon C. Block (R), Charles W. Wilson (R), incumbent Leonard B. Thompson (R), incumbent Arthur Peterson (D), Ward Rowden (D) and Melvin Jurva (D); Board of Review (1): Forist Cotcher (D) and Francis J. Evon (R).

White Lake

Supervisor: Incumbent Edward Cheyz (D) and Richard O. Paschke (R); Clerk: Fred Vetter (D) and James L. Reid (R); Treasurer: Incumbent Ronald C. Voorheis (R) and Edward E. Mollencopf (D).

Trustee: Walter Weinman (D) and David Ryckman (R); Justice of the Peace: Martin C. Fitzgerald (R) and Charles H. Chill (D); Board of Review: Incumbent Lyle M. Hutchins (R) and Elizabeth Modica (D).

Constables (4): Incumbent Raymond E. Kurnz (D), Carl Shelford (D), Jerry Opdyke (D) and Jack Rose (D) and Incumbents Dollege Powers Jr. (R), and Arthur O'Hare (R) and George Chapel (R) and Thomas P. Carl (R); Highway Commissioner: Incumbent R. Brooks North (D) and James M. Niemchak (R).

★ ★ ★

Three proposals also will be decided by White Lake Township voters. The propositions seek the establishment of a planning board, a one-mill tax increase for the purchase of equipment for the police and fire departments and permission to exceed the 15-mill limitation for the additional one mill.

Approval of the planning board issue would dissolve the Township Zoning Board and permit more authority in developing a master plan for the township.

The one-mill tax hike would bring approximately $14,000 into the township and provide the police and fire departments funds to purchase and maintain equipment.

The proposition to go over the 15-mill tax limit needs to be approved if the money for fire and police equipment is to be allocated.

Springfield

Supervisor: John L. Carey; Clerk: Oscar Walz; Treasurer: Eva M. Walters; Trustee: Lloyd E. Miller; Justice of the Peace: Emmett J. Leib.

Board of Review: Glenn N. Ellis; Constables (2): Francis W. Sommers and Elwyn C. Hillman.

All candidates are incumbents, with the exception of Elwyn C. Hillman, and Republicans.

Oxford

Supervisor: Lee H. Clack; Clerk: Herbert V. Rahm; Treasurer: Mrs. Luella Francis; Trustee (1): Stanley J. Allen; Justice of the Peace: Incumbent appointee Dr. George E. Meads.

Board of Review (1): Lee B. Valentine; Constables (4): Albert E. Roberts, Lavern N. Robinson, Ray H. Westphal and Harold E. Sites; Library Board (2): Mrs. Freda Torry and Mrs. Eileen Gensley. Each candidate is running on the Republican ticket. All but Torry and Mrs. Gensley are incumbents.

A local proposition to abolish the annual township meeting also will appear on the ballot.

Addison

Supervisor: Frank F. Webber; Clerk Robert A. McCallum; Treasurer: Donald Hickmott; Trustee (1): John Dunn; Justice of the Peace: Robert C. Inwood. Board of Review (1): Peter Brewer.

Constables (4): Milward Strong; Lawson Sheik; Theodore Jarrett; and Francis Westphal. All candidates are Republican incumbents.

West Bloomfield

Supervisor: John C. Rehard; Clerk: Dorothy M. Chamberlain; Treasurer: Lillian S. Warner; Trustee (2): John F. Warren and Emmett C. DeConick.

Justice of the Peace: Elmer C. Dieterle; Board of Review: Richard H. McClurge; Constables (2): Joseph Nephew and Edwin N. Heiron; Library Board (Two 6-year-terms): Laurette Murray and A. Finley France, (2-year-term) William E. Miller.

The unopposed candidates, all incumbents, are running on the Citizens party ticket.

West Bloomfield Township voters will be asked to approve a tax increase up to 2 mills to provide funds to meet the township financial obligation with the county for payment of the Farmington interceptor sewer.

Rose

Supervisor: Incumbent J. Wesley Duncan (R) and George Sutton (Citizens party); Clerk: Incumbent Mildred Jones (C) and Lillian Bruder (R); Treasurer: Incumbent Esther R. Downing (C) and Leroy Bush (R).

★ ★ ★

Trustee: Incumbent Ray Anton (R) and Harvey Dumas (C); Justice of the Peace: Incumbent Robert Baker (R) and Arthur Blakemore (C); Board of Review: Incumbent Allen Hill (R) and Wilbur Bigelow (C); Constable: Incumbent Jack Thorsby (R) and Harry Jones (C).

Groveland

Supervisor: Incumbent Earl B. Rhinevault (R) and Raymond Norman (D); Clerk: Donald Titsworth (R) and Alice Brooks (D); Treasurer: Incumbent Bill C. Brondige (R) and Robert Newton (D).

Trustee: Incumbent Carl R. Lozier (R) and Verta McKay (D); Justice of the Peace: Incumbent Claude M. Slater (R); Board of Review: Incumbent Arthur Stack (R) and Ernestine Webb (D).

Constables (2); Incumbents Fred Hauer (R) and James A. Algoe (R), and John L. Grovesteen (D) and Donald McKay (D).

Avon

Supervisor: Incumbent Cyril E. Miller; Clerk: Mrs. Thelma G. Spencer; Trustees (2): Incumbents Wayne Y. Holman and Lyle R. Knapp. Treasurer: Incumbent Helen V. Allen.

Justice of the Peace: Earl W. Dean; Board of Review (1): Incumbent Charles J. Sibert; Library Board (2): Incumbents Mrs. Myrene Taylor and Howard L. McGregor Jr.; Highway Commissioner: Incumbent Charles E. Bratton.

Constables (4): John F. O'Donnell and incumbents Samuel A. Howlett, Robert E. Bolinger and Garfield J. Franklin. All candidates are running on the Republican ticket.

Lyon

Supervisor: Incumbent William K. Smith (R); Clerk: Incumbent F. Lyman Joslin (R) and Dan Foley Jr. (D); Treasurer: Alfred W. Haack (R); Trustee: Incumbent Allen McCrory (R).

Justice of the Peace: Incumbent Edward Bourns (R); Constable; Incumbent Charles Mackey (R); Board of Review: Incumbent L. K. Shuman (R).

Holly

Supervisor: Seeley Tinsman; Clerk: Jess E. Furbush; Treasurer: Madeline Lockwood; Trustee: Russell Barrett; Justice of the Peace: Ival Paulsen; Board of Review: William Wheeler.

Constables (2): Paul Gazetti and Mrs. Catherine Allen; Recreation Board (3): Jack Montgomery, James Wheeler and Theodore Owens; Library Board (3); Mildred Montgomery, Marian Freeman and Betty Niles.

All candidates for office are incumbents, with the exception of Jack Montgomery, and all are Republicans.

Local voters will decide three questions, the sale of liquor by the glass and two proposals which would provide the continuation of funds for the park commission.

Highland

Supervisor: Incumbent Louis F. Oldenburg (R) and C. William Prince (D); Clerk: Incumbent Normagean Waters (R) and Morgan Collins (D); Treasurer: Milo DeGarmo (R) and George A. Schnitzhofer (D).

Trustee: Incumbent George A. Volkert (R); Justice of the Peace: Incumbent Roy J. Carl (R) and Paul H. Biller (D); Board of Review: Incumbent LeRoy Dean (R); Constables (4): Incumbent Henry R. Jones (R), Clarence Carlson (R), Harold J. Kinney (R), and Homer Hay (R) and Ora E. Jones (D), Homer R. Crockerham (D), Donald McGrain (D); Library Board: Incumbent Arlene A. Maynard (R), Ruth Pollack (R) and Arlone M. Hoggard (D), and Fedelis Schnitzhofer (D).

Farmington

Supervisor: Incumbent Curtis H. Hall (R) and Harold E. Shpiece (D); Clerk: Incumbent Floyd A. Cairns (R) and Ronald Hilton (D); Treasurer: Incumbent Elsie P. Avery (R); Trustee (2): Incumbent Richard Hug (D) and Arthur F. Leland (D) and Floyd R. Jaye (R) and Floyd A. Duke (R).

Justice of the Peace: Incumbent James P. Lawson (D) and Allen C. Ingle (R); Constables (4): Incumbents Frank E. Furlong (D) and Richard Salvaggio (D), Ralph Evert (R) and Bill Hicks (R); Board of Review: Incumbent Robert Harris (R).

The only local proposition Farmington Township voters will decide is a request for one-half mill for the operation of the public library. The tax levy is proposed for four years.

Novi

Supervisor: Incumbent Frazer Staman (R) and Herbert Koester (D); Clerk: Incumbent Hadley J. Bachert (R); Treasurer: Duane E. Bell (R); Trustee: Emery Jacques (R) and Harvey M. Milford (D).

Justice of the Peace: Incumbent Robert K. Anderson (R); Board of Review: Incumbent Kenneth Cook (R; Constables (2): Incumbents Leon Dochot (R) and Roger Curtis (R).

Brandon

Supervisor: Incumbent Alex R. Solley (D) and Charles B. Merrell (R); Clerk: Incumbent Galen H. Whipple (R) and Mrs. H. Lucille Sanders (D); Treasurer: Incumbent Donald J. Tucker (R) and Mrs. Wanda Crossman (D).

Trustee (1): Incumbent William McFeely (R) and Martin R. Engler (D); Justice of the Peace: Incumbent Lawrence E. Follis (D) and Charles E. Pangus (R); Board of Review (1): George Keester (R) and Glenn Kier (D).

Highway Commissioner: Incumbent Albert Primas (R) and A. William Solley (D); Constables (4): Edward F. Rettig (R); James E. Walters (R), Early J. Rowley (D), John E. Snyder (D), Leroy Bartle (D), and incumbents Glenn C. Vincent (R) and Verne G. Mills (R).

Oakland

Supervisor: Incumbent Frank J. Voll Sr. (R) and Orrin Huntoon Jr. (D); Clerk: Incumbent Lucy M. Alt (D) and Mrs. Frances Fogler (R); Treasurer: Robert W. Barkham (D) and Mrs. Muriel Bird (R).

Trustee (1): John T. McDonald (D) and George Lyon (R); Justice of the Peace (unexpired term): George E. Geis (R) and James H. Hunt (D); Justice of the Peace (4 years): Mrs. Gertrude Crane (D).

Board of Review (1): Incumbent Clarence Kramer (R) and Stuart Braid (D); Constables (2): Robert N. Williams (D) and Lester Robbins (D).

Orion

Supervisor: Incumbent Ferris B. Clark (R) and John Lessiter (D); Clerk: Incumbent Mrs. Margaret Stephen (R) and Mrs. Myrle Longpre (D); Treasurer: Incumbent William D. O'Brien (R) and Waldo C. Leipprandt (D).

Trustees (3): Incumbent appointee George Collingwood (R); Harold Van Camp (R), Daniel Abbey (R), John W. Chittick (D), Harold Gingell (D) and Kenneth Ferguson (D).

Constables (4): Wilson E. Church (R), Loren F. Clark (R), Fred Favre (R), Harold Page (D), Ray Taylor (D) and incumbents Neal E. Leonard (R), Alfred A. Crandall (D) and Lyle S. MacDermaid (D).

Justice of the Peace (unexpired and 4-year terms): Francis E. Bellville (D) and Wallace C. Crane (R); Board of Review (1): Incumbent Ernest R. Crawford; Library Board (2): Mrs. Aldona Dunaskis (D), Mrs. Lorraine Stokes (D) and incumbents Mrs. Aurora Robinson (R) and Mrs. Maude Becker (R).

EXPLAINS ABSENTEE BALLOT — Two teachers in the Lake Orion Community School System learned something new yesterday from Orion Township Clerk Margaret Stephen. The teachers, (from left) Leona and Dortha Smith, both of 442 N. Washington St. The Smith sisters, who will be out of town when the biennial spring election is held Monday, are shown receiving instructions from Mrs. Stephen on filling out an absentee ballot. Voters throughout Oakland County may obtain absentee ballots from township or city offices until 2 p.m. tomorrow.

NEWS OF THE AREA

Candidates Get Nod in Caucuses

Dryden and Metamora Hopefuls Were Picked by Parties Last Month

In the Lapeer County townships of Dryden and Metamora, candidates for office were named in party caucuses last month.

Running for supervisor in Metamora Township are Republican Harold Best and Democrat William Hainds. Vying for election as clerk are incumbent Doris Hobbins (R) and Ingabord Maslin (D).

Republican incumbent Mark Kurek is opposed for re-election as treasurer by Democrat Grove C. Morse.

Other GOP candidates are incumbents Lawrence W. Smith, trustee; Mark Russell, justice of the peace; Donald Travis, board of review; Frank Best, highway commissioner; and Paul A. Tripp, Richard DeBeaubien and Albert Brauer, all Township party aspirants.

Also running for office on the Democratic ticket are Harrison Morse, trustee; Irvin Palmer, board of review; Richard York, constable; and township committee candidates Grove C. Morse, Charles Flower and Guy Russell.

Margaret Gray is the only non-incumbent seeking election in the Dryden Township balloting Monday. She is running for the treasurer's post.

The other Dryden candidates, all incumbents, are William Pickelman, supervisor; Oliver Braidwood, clerk; Dike Miller, trustee; Frank Foe, board of review member; and Rosswell Reynolds Jr., constable. All are Republicans.

Baseball Season Set, Thanks to UF Check

INDEPENDENCE TOWNSHIP—The presentation of a United Fund check for $856 to the township recreation board has assured Little League baseball for local boys next summer.

The check presentation was made by Merle Bennett, advance gifts chairman of last year's UF drive, to Leo Admstrong, recreation board chairman.

Because of the check, plans for the township's Little League were completed. This is the main activity sponsored by the recreation board.

Voting Interest High in 2 Macomb Areas

Interest is reportedly high in two of the three township elections in nearby Macomb County Monday.

★ ★ ★

They are in Shelby Township where there are races for supervisor and two trustee vacancies and a local proposition and in Bruce where the clerk post is open.

In Washington Township only the incumbents are seeking election to their present positions. All are Republicans.

Challenging Lorin E. Evans (D) for re-election as Shelby Township supervisor is Republican Joseph H. Wolf.

Bidding for the two trustee posts are Democrats Thomas Dunn and Walter Oshinsky and Republicans Lewis Malo and Donald F. Miller.

Unopposed for election as clerk is Mrs. Mae Stecker, secretary to present township clerk William R. Peper. She is a Democrat.

Running for justice of the peace is Edward S. Hancik; for highway commissioner, Jesse W. Bennett; and for the four constable vacancies, Howard Parrott, Joseph H. Moore, Charley Wallace and William G. Rogers.

All are Democrats.

★ ★ ★

Also on the ballot will be a proposition seeking $2\frac{1}{2}$ mills for maintenance and operation of the township police department.

Since only the Republican incumbents filed for office in Bruce Township, no primary election was held there. But since then a vacancy has been created with the recent death of Township Clerk Conrad Turrell.

This necessitates filling the post with a write-in or sticker candidate Monday. Mrs. Velma McKeough and Edward Sutherland are campaigning for the office.

Up for re-election are Supervisor and Assessor John M. Bailey, Treasurer Hazel Kohlhagen, Trustee Wilbert G. Donaldson, Justice of the Peace Francis Castellucci, Constables Charles Meeker, Herbert Trieloff and James Reynolds and Board of Review member Hugh Stepnitz.

★ ★ ★

The full Republican slate of officers in Washington Township is unchallenged for re-election.

Running again are Supervisor R. Eugene Inwood, Clerk Alton G. Donaldson; Treasurer Mrs. Hazel M. Stone; Trustee Charles Curtis; Justice of the Peace Charles Bock; Constables Warren Spence and Barton Verellen and Board of Review member Clyde Hotchkiss.

Incumbents Face Uphill Battle in Utica Vote

UTICA—Close races are forecast for mayor and assessor in Utica Monday with the incumbents trying to gain the votes they need to win after trailing in the March 3 primary election.

★ ★ ★

Mayor Edward Church is seeking re-election to a third term. Running against him is Fred Beck who polled the most votes for the office a month ago.

Opposing Assessor Louis Ruby is the candidate who beat him by a wide margin in the primary, Earl Sipperly.

Incumbent Treasurer Mrs. Leona Morrison, victorious in the earlier election, is being challenged by Pauline Kraft.

★ ★ ★

Running for the four-year council terms are Henry F. Schefer, Kenneth Titsworth, William J. Hirth and incumbents Walter Kiekbusch, W. Frank Chapoton and Leonard F. Morrison.

Omar K. Helferich and incumbent John W. Havel are in the race for the single two-year post.

Justice of the Peace incumbent Richard C. Stayoe for whom voters amended the city charter in the primary to permit him to run for election is a candidate for the office he now holds by appointment. His opponent is Marvin J. Priehs.

Vote to Decide Troy Zone Plan

Men Elected Will Give Balance of Power for, Against Controversy

TROY — The future of Troy's master zoning plan and control of the City Commission will be decided following the election of two city commissioners by voters here Monday.

Incumbent City Commissioner Louis Yanich, who is attempting to retain his commission seat in the election, is the cnndidate who injected the zoning issue into the campaign.

Following a controversy over a court case involving zoning restrictions in the northwestern section of Troy, Yanich said he was in favor of rezoning all ½-and ¾-acre lots in the city.

Yanich and another commission candidate, George T. Yeokum, are running as a team. Opposing them for the two commission vacancies are James Carly and Robert Bargert.

Carey, 36, and Bargert, 35, are in favor of taking the zoning case which started the controversy to the State Supreme Court.

They are of the same opinion as Mayor Robert J. Huber and Commissioners Wallace B. Hudson and Vincent J. McAvoy that the city should get a high court decision on the case in order to find out if Troy's zoning is valid.

Commissioners Roy L. Duncan, Clifford Sutermeister Jr., Stanley Smith and Yanich do not want to take the case to the Supreme Court. They contend that a compromise should be worked out so ½- and ¾-acre lots could be cut down to more "reasonable" sizes.

If Bargert and Carey are elected, the balance of power on the commission is expected to shift to the group which includes Huber, Hudson and McAvoy.

Control of the commission by the "old guard" probaly would remain intact if Yeokum and Yanich win Monday.

Council Has 5 Aspirants

FARMINGTON — Three council posts are being sought by five candidates, two of them incumbents.

Seeking re-election are Robert Lindbert, who has served as mayor since 1955, and Wilbur Brotherton. They will be opposed by Henry Forrest, Virgil Cornwell and W. Allen Nelson.

Councilman Seeks Berkley Post

3-Way Scramble on Tap for Clawson Mayor's Job

Voters in Clawson and Berkley will decide two races for mayor in South Oakland County elections Monday while incumbent Mayor R. J. Alexander will be unchallenged in Oak Park.

★ ★ ★

The most interesting contest in the three cities will be a three-way race for mayor of Clawson between present Councilmen J. Albert Thomas, A. Shannon Dreon and Albert F. Szabo.

All three candidates are attempting to succeed incumbent Mayor Duncan L. Gillis, who is stepping down from his post this spring.

Eleven candidates are seeking the five vacancies on the city council. The large number of candidates for both mayor and council is due to the fact that no primary election is held in Clawson.

★ ★ ★

David P. Wood and A. Douglas Brown are the incumbent councilmen seeking re-election.

Other candidates for the Clawson Council are Napoleon H. Roberts, Charles Miller, Harry McQuinn, Charles J. Maly, Lavern T. Anderson, Clifford E. Williams, Edward M. Brennan, William A. O'Brien and Frank W. Burke.

Candidates for the one constable opening are William D. Lamb and John E. Stickney.

George W. Kuhn, Berkley mayor for the past two years, is opposed by two-term Councilman Lawrence C. Widmayer.

Seeking the three Berkley council seats are Clayton E. Johnson, John J. Stakley, Mrs. Ruth R. Julian and incumbents William T. Duncan, Clarence N. MacDonald and Kenneth E. Roth.

★ ★ ★

Incumbent Justice of the Peace Ralph F. Finley will be challenged for re-election by John E. Holmes.

Incumbent Oak Park Councilmen Joseph M. Suiter and David H. Shepherd are opposed by Donald Y. Morrison and Sidney L. Shayne.

Municipal Judge Burton R. Shifman will attempt to retain his position against the challenge of Isadore Goldbaum in Oak Park's only other contest.

Also on the ballot in Clawson is a $590,000 bond issue for construction of a combined city hall and police and fire department headquarters. The issue was defeated in an earlier election.

4 to Battle for 2 Seats

KEEGO HARBOR—Four candidates, including two incumbents, will vie Monday for the two council openings here.

Incumbents Joseph Weischsel and Howard Avery, Robert F. Smith and Vernon B. Edwards are seeking election to the three-year terms.

Swanson vs. Clarkson

Mayor Race to Highlight Elections in Southfield

SOUTHFIELD — A whole slate of city officials will be voted into office Monday in the 3-year-old city of Southfield.

Highlighting the contest is the race for mayor between incumbent Donald L. Swanson, general manager of the Michigan State Fair, and S. James Clarkson, a former Democratic state representative.

While serving his current term in office, Swanson has had many legal controversies with the present City Council. But the incumbent mayor outpolled Clarkson in the primary by better than a 2- to -1 margin.

Also to be elected Monday are seven councilmen, a city clerk, treasurer, municipal judge and associate judge.

★ ★ ★

Incumbent City Clerk Patrick J. Flannery, who led the field of candidates in the primary with 3,002 votes, will be opposed for re-election by June M. Curtis.

Council incumbents seeking reelection are Emmanuel Christensen, Clarence A. Durbin, O. David Edwards, John J. Hollywood, Jean McDonnell and C. Hugh Dohany, the present council president.

Thomas M. Costello, now a councilman, is retiring from his present post in order to run for the associate municipal judgeship agains Sol Seigel.

★ ★ ★

The current associate judge, Alexander C. Perinoff, will face incumbent Clarence A. Reid Jr., for the municipal judge's post.

★ ★ ★

Other council candidates in order of their vote totals in the primary include Phillip B. Peterson, Howard Coleman, Robert G. Landers, Leiv Larson, Thomas Rowley, Leonard J. Blaszak, Thomas J. Grady and Donald W. Hanford.

Clara Lane, incumbent treasurer, will be opposed for re-election by Philip A. Maloney.

Walled Lake to Vote on Council, Millage

WALLED LAKE—Five expiring council posts will be filled and a request for a half-mill tax levy decided by voters here Monday.

Eight candidates, including four incumbents, are seeking the council seats. The top three vote getters will receive two-year terms, the other two, one-year terms.

Seeking re-election are E. V. Mercer, Harold Ackley, Marshall Taylor and Mayor Waldo Proctor. Bidding to unseat the incumbents are Wendell Kellogg, Louis James, Clyde Mottor and Richard Watkins.

The one-half mill levy being sought will be for the operation of the public library and the purchase of books.

Numerous Fraternity Pledges

Some 454 University of Michigan men may have pledged membership in 43 campus social fraternities.

From the Pontiac area are Stephen C. Fairbanks, Niagara Avenue, and William A. Heider, Chippewa Road, Delta Sigma Phi; Richard H. Jackson, James K Boulevard, Chi Psi; Kenneth O. Shaw, Delaware Drive, Sigma Alpha Epsilon; and Russel L. Edker Elizabeth Lake Road, Sigma Chi.

* * *

Delta Tau Delta pledges from Bloomfield Hills include Gordon T. Walker, Thetford Lane; Dave T. Arnoldi, Franklin Road; Frederick B. Clark, Apple Lane; and Howard W. Schuneman, Inwoods Court.

Timothy Casey, Lone Pine Road, has pledged Phi Delta Theta; Bruce Geyman, Apple Lane, Sigma Alpha Epsilon; and Richard B. Lundy, Sodon Lake Drive, Chi Phi.

From Birmingham are James C. Codner, Glencoe Road, Chi Psi; James E. Donaldson, North Greenbriar Road, Delta Upsilon; George H. Forrest Heathfield Road, Sigma Chi; Curtis A. Harrison, Breezewood Court, Lambda Chi Alpha; Thomas C. Morton, Waddington Road, Sigma Alpha Epsilon; Frederick H. Neu, North Woodward Avenue, Phi Delta Theta; Kenneth H. Senteney, Lenox Street, Tau Kappa Epsilon; Paul B. Simmons, Bates Street, Lambda Chi Alpha; Donald Wehe, Verona Circle, Theta Chi; and James C. Weston, Forman Street, Phi Gamma Delta.

* * *

Jon C. Whiteman, Southlawn Boulevard, Gordon J. West, Oakland Drive and Louis B. D'Agostino, Riveroak Street, have pledged Sigma Nu.

* * *

Others are Paul C. Robertson, Franklin, Lambda Chi Alpha; Richard N. Day, Rochester, Delta Sigman Phi; Frank V. Strothers, Clarkston, Zeta Psi; and James T. Havel, Union Lake, Phi Sigma Kappa.

Gamma Chapter Discusses Plans for Luncheon

Gamma Chapter of Beta Theta Phi Sorority discussed plans for the annual presidents' luncheon at a meeting Tuesday in the home of Mrs. William Ford.

* * *

Mrs. Joshua Madden, chairman, will investigate possible locations for the luncheon.

Thirty Easter baskets, prepared by members for the Oakland County Children's Home, will be delivered this week by Mrs. William Brace and Mrs. Ford.

Mrs. Jerry Martin announced that plans are nearing completion for the annual trichapter party April 13 at Pontiac Federal Savings and Loan Building. The affair will feature a centennial theme.

* * *

Mrs. Robert Clark will arrange for refreshments and Mrs. Robert Lohff will be in charge of the center table.

Surprisingly Enough, They're Popular

Teens Give Report Card Good Grade

By EUGENE GILBERT
President of the
Gilbert Youth Research Co.

Maybe teen-agers wouldn't like this to get around too much, but report cards are a good deal more popular with them than adults, particularly parents and teachers, might suspect.

Not as popular, perhaps, as birthday cards, Christmas greetings and similar seasonal visitations, but popular enough to defeat any move toward abolishing them.

We put the question directly to 973 high school students across the country:

Should report cards be abolished?

No, answered 70 per cent of the participants in this survey, with the girls (76 per cent) slightly more emphatic about it than the boys (64 per cent).

* * *

Most of the youngsters agreed with 18-year-old Ann Rogers of Lawrenceburg, Ind., that report cards "make students work harder."

"They create competition, which is sometimes undesirable," said 17-year-old Arlene Fromchuck of Brooklyn, N.Y., "but they are a necessary incentive to a great number of people."

DEFEND CARDS

A few defended report cards on the grounds that they help relieve parental anxiety about the progress in school of their teen-age offspring.

"Your parents want to know how you do in school," offered 15-year-old Steven Bergen of New York City. "They couldn't get along without report cards, even if we could."

Most of those in favor of abolition suggested some kind of alternative, such as a personal letter from the teacher or an oral evaluation given in the privacy of a teacher-parent-student conference.

"A cumulative report by individual teachers as to the characteristics of the student might be the answer," suggested 17-year-old Keith Silliman of Eugene, Ore.

* * *

There was a mixed reaction toward the essay type report card now in use in quite a few schools across the country. This substitutes evaluating remarks by the teachers for the traditional scale of grades.

'NOT PRACTICAL'

"Better than report cards, more personalized, but not practical" was the verdict of 17-year-old Albertina Fernandez of Brooklyn, N.Y.

Others found the essay reports revealing enough about themselves but not sufficiently informative about the rest of the class.

"I would much rather know how I am doing in comparison with my classmates, so I can strive to improve," commented 16-year-old Judy Burk of Waterloo, Iowa.

And a 15-year-old Newark, N.J., boy, who didn't give his name, had this to say about the new wrinkle in report cards: "If I want to be psychoanalyzed, I'll go to a head shrinker."

The days when a bad report card meant a trip to the woodshed are gone forever. And so too, apparently, are the days when a good report earned the bearer a silver dollar or a trip to the movies.

* * *

Only 17 per cent of those who came home with a poor report card received any punishment at home and only 26 per cent of those who came home with a good report card were rewarded for their efforts.

DENIED PRIVILEGES

In rare cases when punishment was meted out, it took the form of being deprived of the family car, denied free use of the television set or kept home from the weekend hop or bowling session.

* * *

"I was grounded," confided Donna Mattox, 17, of Eugene, Ore. In the vulgate, this means she was denied the keys of the family car.

"I got lectured," reported 16-year old Rita Rosenblum of Brooklyn, N.Y.

Only one teen-ager, among the more than 900 interviewed, said he "got a beating."

Rewards, when given, usually took the form of extra privileges at home, a dinner out with the family, tickets to a show or sporting event or a slight increase in the weekly allowance.

An overwhelming majority of teen-agers were opposed to both rewards and punishments for report card verdicts. Surprisingly, however, those who favored punishments for bad marks (18 per cent) outnumbered those marks cent) outnumbered those who sought reward for good marks (10 per cent).

* * *

"The sparkle in my parents' eyes is reward enough," commented 15-year-old Miriam Sloan of New York City.

And, at the opposite side of the coin — or perhaps at the bottom end of the report card — came this comment from 19-year-old Beverly Conquest of Seymoud, Ind., "bad marks are punishment enough."

$42,000 for Foundation

State Nurses Start Fund Drive

Registered nurses in Michigan will launch a campaign to raise $42,000 as their share of a nationwide fund-raising drive by the American Nurses Foundation to support its program for better health through nursing research.

Patricia Walsh, R. N., president Michigan State Nurses' Association, has appointed Mrs. Gilbert B. Pingree of Grosse Pointe as lay cochairman for the campaign, with Mrs. Ethel P. MacLennan, R. N., of Flint as nurse cochairman.

Mrs. Pingree points out that this drive will be the foundation's only campaign for public support. "In the future," she says, "the foundation hopes to obtain research financing through grants and endowments."

The ANF, a nonprofit organization, has sponsored and guided a number of significant nursing research projects since its founding, in 1955. Professional nurses hope to raise $1 million this year for nursing and health care research.

The research program will include an intensive study of safe nursing practices, effects of nursing shortages on patient care, new drugs and changing patterns in health fields. Individual needs of acute, convalescent and ambulatory patients also will be studied.

QUOTA OF $5

Michigan's share of the drive will entail a quota of approximately $5 for each MSNA member, plus contributions from business, industry and other groups.

Known throughout the state for civic leadership and interest in nursing and health, Mrs. Pingree is an investment counselor with the first of Michigan Corporation, Detroit. She is currently serving on the National committee and on the board of Michigan Cancer Foundation, Detroit Visiting Nurse Association, Metropolitan and Woman's Hospitals.

Her activities also include the United Community Services of Detroit, Board of Wayne County TB and Health Society. She is treasurer of the Rehabilitation Institute of Metropolitan Detroit.

* * *

Mrs. MacLennan, director of Hurley Hospital School of Nursing, Fint, is a graduate of Wesley Memorial Hospital School of Nursing, Chicago, past treasurer of MSNA and president, Southeastern Michigan League of Nursing Education and the Detroit and Northeastern Michigan League of Nursing Education.

The number of nurses in the United States has increased from about 50,000 in 1910 to approximately a half-million. These nurses serve more than 25 million sick and injured Americans annually.

The foundation believes that intensive research will provide nurses with better tools for maintaining and improving the nation's health.

Just 'Drop' in

Fashion mates for spring: bracelets and earrings. The drop earring — ranging from the single long drop to shower drops, looped drops and pear-shaped drops — is worn with bracelets that match in texture, twisted design, color.

Birmingham Folk Busy on Easter

By RUTH SAUNDERS

Among Birmingham residents away for the Easter season is Mrs. H. J. Stringham who flew the first of the week to Santa Barbara, Calif., where she is visiting her brother-in-law and sister, Mr. and Mrs. Robert Benedict.

* * *

In Colorado Springs there is a family get-together at the home of Mr. and Mrs. Henry Duffield who moved there last fall. With them Sunday will be Mrs. Vincent Anderson and her family who live nearby.

* * *

Mrs. George A. Beecher is spending Easter in Fayetteville, N. Y., with her son-in-law and daughter, Mr. and Mrs. William B. Graham and their four daughters. She will go to New York where she sails Wednesday on the SS Liberte for two months in Europe.

* * *

Fun is in store for the Village Woman's Club. Members and their husbands will hear a talk by Capt. James Calvert, skipper of the nuclear submarine "Skate," at the Club's annual dinner meeting next Wednesday at Bloomfield Hills Country Club.

Capt. Calvert, author of the best-selling "Surface at the Pole," now commands Submarine Division 102, which includes all the Atlantic Fleet nuclear submarines.

And next Friday, the 7th, the Junior Auxiliary of the Village Woman's Club will hold its annual dinner dance at Birmingham Country Club.

Have You Tried This?

Use Crushed Pineapple for Upside-Down Cake

By JANET ODELL
Pontiac Press Home Editor

Pineapple Upside - Down Cake isn't new, but using crushed pineapple for it is different. Mrs. Ralph Brown says her family prefers it to any other kind.

* * *

Mrs. Brown is busy remodeling her 50-year-old house. She likes to crochet and to embroider pictures.

UPSIDE-DOWN CAKE
By Mrs. Ralph Brown

1 flat can crushed pineapple, drained
½ cup butter or margarine
1 cup brown sugar
2 eggs, beaten
½ cup water
1 cup sugar
1 cup flour
2 teaspoons baking powder

Melt butter or margarine in an iron skillet. Add brown sugar and stir until sugar is dissolved and mixture is smooth. Stir in drained crushed pineapple. Remove from stove.

Beat together eggs, water and sugar. Stir in flour and baking powder. Pour over mixture in skillet. Bake 25-30 minutes in 350-degree oven, or until cake is browned on top. Flip out onto a plate.

Two in South Lyon Seek Mayor's Post

SOUTH LYON — A justice of the peace here and a former police chief will oppose one another Monday in the race for the mayor's post.

★ ★ ★

Two council seats also are to be filled. Six candidates, including the two incumbents, are seeking the positions.

The candidates for mayor are Justice of the Peace John Alley and John Noel, who held the police chief post here 18 years until last April.

★ ★ ★

Seeking to regain their council posts are Donald Scheel and Reynold Sweet. They are being opposed by Ralph Lloyd, Vince Wineburger, Delbert E. Curry and Robert Pollack.

Fire at Waterford Home Does $3,850 Damage

Waterford Township firemen were called to the home of James Wagner at 393 Cederlawn at noon yesterday to extinguish a blaze which caused an estimated $3,850 damage to the $10,000 frame home and contents.

Firemen said the fire was started in the living room by possibly careless cigarette smoking, however they are still investigating today. No one was injured.

Vealers—Compared last week, vealers 1.00 lower; prime vealers 35.00-38.00; good and choice 27.00-35.00; standard 23.00-27.00; cull and utility 14.00-23.00.

Sheep—Compared last week slaughter lambs 100 lbs. down steady to weak; weights over 100 lbs. 50c to mostly 1.00 lower; slaughter ewes steady; most choice and prime shorn lambs No. 1 pelts 85-100 lbs. 17.50-18.60; choice and prime shorn lambs 100-110 lbs. 16.50-18.00; 110-120 lbs. 15.00-16.50; cull to choice slaughter ewes 6.50-10.00.

Cattle—Salable 150. Trade steady on limited supply slaughter classes; few small lots choice steers 26.00-26.50; scattering standard and good steers 21.00-25.00; utility steers and heifers 17.50-20.50; few utility cows 16.00-17.00; canners and cutters 13.00-16.00.

Vealers—Salable 25. Not enough to make a market.

Sheep—Salable 100. Not enough to set up quotations.

Hogs—Salable 100. Not enough butchers under 230 lbs. in early to set up quotations; limited trade on available supply steady to 25c higher; sows steady; compared last week butchers mostly steady, instances 25c lower; sows steady to 25c lower decline on weights under 400 lbs.

Exchanges Close Today

NEW YORK (AP) — Major stock and commodity exchanges in the United States, Canada and Europe are closed today because of the Good Friday holiday.

Trade Shotguns for Canine Help

Alabama State Prison Guards to Be Assisted by Patrolling Dogs

MONTGOMERY, Ala (UPI)—Alabama state prison guards will exchange their shotguns for four-legged assistants soon.

Deputy state prisons director Frank Lee said guards at Kilby Prison, Atmore Prison Farm and Draper Correctional Center would be getting dogs as their assistants.

"By using dogs, we hope to remove the necessity of having the guards carry firearms," Lee said.

"Although we aren't going to use the dogs in the cell blocks or where they might come in too close a contact with the prisoners, they will patrol the inside of the walls at night and other places where the only prisoners the dogs will come in contact with will be trying to escape."

★ ★ ★

Thomas McGinn, director of the Canine Protective Service of Brielle, N. J., who will train the dogs and their human companions, said the trained dogs "can capture a prisoner as well as a guard with a shotgun — and they inspire as much respect."

The dogs will undergo five or six months of intensive training before actually taking over their guard duties, McGinn said.

Each dog will be assigned a permanent guard who will act as his handler and the pair will go through the training together, he said.

McGinn said the correction department already has a training course set up near the prison — three acres of jumps, obstacle courses and obedience areas.

During the training period, the dogs will learn how to bring down and hold an escaped prisoner without doing bodily harm to him.

"A big dog — and we'll be using German shepherds and Doberman Pinschers — can bring down a full-grown man by jumping on his back," McGinn said.

"We'll also teach the dogs how to disarm a man of a gun or knife without hurting him. This training is similar to the training given dogs in the K9 corps."

McGinn said he believes Alabama is the first state in the nation to use dogs as assistants for prison guards although "it's been done for some time in Europe and Canada and in most of the Army prison camps in the United States."

Builder Faces Lesser Charge in Macomb County

MOUNT CLEMENS (UPI) — A Detroit building firm official saw two charges against him dismissed, but today faces a lesser one by the Macomb County prosecutor's office.

Leonard Watson Jr., 37, of Royal Oak, waived examination Thursday on a charge of acting as a residential builder without a proper license.

He was freed on $500 bond by Justice Francis A. Castellucci.

Watson, a former secretary-treasurer of Jay Schultz Inc., and its sales outlet, New Homes Sales Inc., had been charged with larceny by conversion over $100 and violation of the Builders Trust Fund Act.

Boy, 3, Killed in Detroit

A 3-year-old Avon Township boy was struck by a car and killed in front of a home his parents were visiting in Detroit yesterday.

★ ★ ★

The victim was Tipton Jay, son of Mr. and Mrs. Alfons Jay of 1332 Crooks Road.

Police said the boy ran from between parked cars and into the path of a passing car. The driver was not held.

Thugs Jump City Man in Auburn Parking Lot

A Pontiac man reported to police last night that he was strong-armed and robbed by four men in a municipal parking lot on Auburn Avenue.

Matias Armendarez, 40, 749 Featherstone St., told officers the robbers took his wallet containing an undetermined amount of money, then fled in a car.

Armendarez was treated for cuts and bruises at St. Joseph Mercy Hospital, and released. The robbery occurred at 8:50 p.m.

Buick Reveals Price of New Sports Coupe

FLINT (AP)—Buick Motor Division announced today that its new Skylark sports coupe, a deluxe version of its compact special, will carry a factory list price of $2,395.

The regular two-door model in the Special series will list at $2,125, $50 less than the standard special four-door sedan. The Skylark and the standard two-door model will be introduced May 15.

Deadline Near to Obtain Your Absentee Ballot

County Clerk-Register Daniel T. Murphy Jr. said the rush for absentee ballots for Monday's statewide election has been great.

"They have been going like wildfire in some places," he said.

Tomorrow at 2 p.m. is the deadline for receiving the absentee ballots, which are only available for those voters in Oakland County who will not be able to visit the polls personally on Monday.

★ ★ ★

They can be obtained in person or by mail, and returned either way. But they must be in election workers' hands in your respective city or township by the 8 p.m. poll closing time Monday.

Murphy said the extra heavy demand for the absentee ballots was because the election is the day after Easter when some voters will still be away from home, and many persons will be on spring vacations in the South.

Apes Are Used to Test Swings

Central Park Puts In Equipment That Stands Rough Abuse

WASHINGTON — New York City's Central Park is using gorillas to test playground equipment on the theory that if a 350-pound ape can't break up a swing, neither will a 50-pound child.

★ ★ ★

The anthropoid bureau of standards is described by the National Geographic Magazine in an article on "Central Park: New York's Big Outdoors."

Author Stuart E. Jones says, "The abiding miracle of Central Park is the simple fact that it exists. There it lies — 840 verdant acres a maharaja could not buy.

"Around it roars the busiest, richest, maddest, gayest city the world has ever known. On all sides, wreckers tear New York apart and builders put it together again, reaching ever higher with brick and stone, steel and glass.

REFUGE FROM TENSIONS

"Unruffled by all this noisy hustle and bustle, the park goes the way it has gone for about a century."

★ ★ ★

But park officials have their problems.

Maintenance men found children were breaking up playground swings within a few months.

When a new type of swing made of heavy-gauge aluminum reinforced with steel was developed, park officials decided to use two 20-year-old lowland gorillas in the Central Park Zoo to test it.

Zoo Supt. John Galm told Jones that the gorillas began by inspecting the swings carefully. Then they went to work.

"They banged the swings against the walls," said Mr. Galm. "They tried to chew them to pieces. They twisted them on their chains, then stood back to watch them spin. They twisted the chains so tight that the eyebolts pulled out of the seats.

"We installed stronger fittings. Finally they gave up. They couldn't do any more damage."

As wages for a job well done, the two gorillas, Carolyn and Jo-Ann, were allowed to keep a swing.

Besides children, park officials must contend with the apartment gardener who stealthily helps himself to the rich top soil, bearing it away in boxes and baskets and leaving large holes.

When caught, such offenders are rebuked and made to replace their divots.

STOPPING SPEEDERS—Phillip E. Pettes of Traffic House, Inc., at Marshall, demonstrates the Speed-watch to Sylvan Lake Police Chief George McTavish (center) and Earle D. Knapp, Sylvan superintendent of public works and acting city manager. The city, prompted by complaints about "hot-rodders" will begin a crackdown tomorrow, using the electric timing device. Pettes trained the city's police in proper use of the apparatus yesterday.

No Trap, Just a Slower-Downer

To Time Sylvan Hot Rodders

The party's over for speeders in Sylvan Lake. From now on they'll be electrically timed.

Last year the Sylvan Lake City Council began black-topping the city's gravel streets to cut maintenance costs and to better the streets.

★ ★ ★

With one problem behind them, councilmen were suddenly faced with another. The streets were, in some cases, too smooth.

Reports of hot rodders speeding up and down the black-topped roads began increasing last fall.

Aside from a 15 miles per hour speed limit on the lakeshore in the park area and 35 m.p.h. on Orchard Lake Road, the limit is 25 everywhere in the city, and too many drivers have forgotten this.

Beginning tomorrow, the city will start timing speed electrically on selected streets.

"We don't want people to misunderstand this," said Earle D. Knapp, acting city manager. "It's not a 'trap.' We have posted warning signs at the city limits."

Police Chief George McTavish agreed. "All we want to do is stop the speeding and this device should help us."

The device is a Speed-watch, manufactured by Traffic House, Inc., of Marshall.

★ ★ ★

"We'll start using it anytime after April 1 and we'll move it from one street to another at random," said Knapp.

The city is renting the device for six months with an option to buy it. Rental is $40 per month and the complete sale price is $495.

★ ★ ★

"It takes only one man to operate and results have been consistently upheld in court. It's almost foolproof," said McTavish.

City officials said they planned to use the device on Orchard Lake as well as residential streets.

Seeks to Prove Insanity in Murder of Woman

Accused murderess Sarah Sue Lawrence denied before an all-women jury yesterday she killed an Independence Township woman in a fit of jealousy and hoped to evade punishment by reason of insanity.

Under cross-examination by Senior Assistant Prosecutor Jerome K. Barry Jr., Mrs. Lawrence, 35, of Berkley, also denied faking a blackmail plot.

The 12 jurors, impaneled Tuesday to hear the first-degree murder trial of the former beautician, were excused at noon today from further duty until Tuesday when defense attorney James Renfrew might conclude his case.

TELLS OF ACCIDENT

Renfrew attempted to show by today's brief testimony — cut short by Good Friday church services — that Mrs. Lawrence sustained severe head injuries in a 1957 auto accident, and this led to a mental disturbance. Renfrew seeks to prove Mrs. Lawrence was insane when she allegedly shot Mrs. Wyvona Delores Crenshaw, 32, of 6230 Snow Apple Drive.

Mrs. Lawrence dated Mrs. Crenshaw's husband, Donald, 28, of 28 W. Colgate Ave., before the Crenshaws were married four months before the April 18, 1959 shooting.

She was judged insane and committed to Ionia State Hospital. She was released to face trial.

★ ★ ★

Barry questioned Mrs. Lawrence in an attempt to break down her story that she had been receiving threatening phone calls and that Crenshaw had given her the murder weapon as protection against her husband Wayne, who was seeking a divorce from her.

Earlier, Mrs. Lawrence admitted reading a book entitled "Blackmail" because "when I was giving Don money it was sort of like blackmail and I wanted to read about it."

Crenshaw has denied blackmailing Mrs. Lawrence. He said he asked for the money because of financial difficulties.

INSURANCE BANQUET—Highlight of a Kingsley Inn banquet celebrating the 50th anniversary of the J. L. Van Wagoner Insurance Agency, Inc., last night was the presentation of a plaque from the London & Lancashire Insurance Co., Ltd. Here Jack Brannack (right) and Roy Wilton (left), co-owners of the Pontiac agency, accept the tribute from Robert Ferbend, secretary and assistant manager of the London & Lancashire Group. The agency has been at 18 E. Lawrence Street for a quarter century and is believed to be the oldest business in Pontiac continuously operating under the same name and with the founder still active in it.

2 Die, 4 Missing When Bomber Blows Up in Air

LEXINGTON (AP) — An Air Force B52G jet bomber failed in an aerial refueling rendezvous and apparently disintegrated in flight near here Thursday night. Two men parachuted safely, two men were killed, and four of the eight-man crew are missing.

One body was found in the wreckage of the $8-million plane from Dow Air Force Base, Maine. A second body was found by searchers today about a mile and a half from the crash scene near Denton, about 15 miles southeast of here.

The big ship, the second B52G to crash in North Carolina this year, developed trouble during a rendezvous with a tanker plane at more than 30,000 feet.

Guilty of Robbery of Retired Barber

Donald L. Turner, a 51-year-old Pontiac man, appeared before Circuit Judge Frederick C. Ziem yesterday and pleaded guilty to a second count of unarmed robbery of a retired city barber last month.

★ ★ ★

Judge Ziem set sentencing for April 10 and ordered Turner of 36 Norton St. returned to the county jail. He was unable to furnish a $10,000 bond.

Turner, accused of robbing John W. Stevenson, 66, of 100 Norton Ave., of his billfold containing $15, had stood mute to a first charge of armed robbery when arraigned Feb. 20.

PUBLIC NOTICE

Michigan State University Oakland is accepting separate sealed bids until 2:00 p.m. April 7, 1961 for the purchase and removal of two barns:

(1) Frame two-story horse barn (80'x40') located at 2100 Squirrel Road, marked as No. 1, and

(2) Frame one-story piggery (18'x100') located on Lonedale Road; marked as No. 2.

Bids must be addressed to the Purchasing Department, Room 147, Administration Building, Michigan State University Oakland, Rochester, Michigan, and be plainly marked: "Sealed Bid Bldg. No. 1" and/or "Sealed Bid Bldg. No. 2."

Bids are to be submitted on either or both of the following proposals:

A. Removal of the barn completely to the foundation wall and to the floor within the foundation wall.

B. Removal of the barn completely including the foundation wall, footings and the floor.

Removal must be made no later than sixty (60) days from the date of the contract and the site must be left free of all debris. No burning of material will be permitted. MSUO will turn off and cap all utilities.

A 10% deposit of amount bid by certified check or money order, made payable to Michigan State University Oakland, must accompany all bids. The successful bidder must complete purchase details within seven (7) days from notification or will forfeit the deposit.

MSUO reserves the right to accept or reject any or all bids and to waive any irregularities in bidding.

March 31 and April 1, 1961

NOTICE OF SPECIAL MEETING

A Special Meeting of the members of the Pontiac Federal Savings and Loan Association, Pontiac, Michigan, will be held at the main office of the Association, 761 West Huron Street, Pontiac, Michigan, on Friday, April 14, 1961, at 4 p.m., E.S.T. for the purpose of considering changing the name of the Association to First Federal Savings and Loan Association of Oakland, in accordance with the action of the Board of Directors of the Association as approved by the Federal Home Loan Bank Board.

JAMES CLARKSON,
Executive Vice President and Secretary
March 31, April 7, 1961
