30 Killed in Missouri Plane Smashup

Temporary Heat Relief Seen Tonight

Cool Air Mass Due to Plunge Mercury Here

Hot Weather Probably Will Return by Sunday, However

8 a. m.	80	11 a. m.	92
9 a. m.	85	Noon	94
10 a. m.	90	1 p. m.	95

Temporary relief from the heat wave which has gripped the area since July was predicted for tonight. But the tropic temperatures are slated to return Sunday.

The U. S. Weather Bureau says it will be partly cloudy through tomorrow with scattered thundershowers tonight and tomorrow. The heat is to ease tomorrow after climbing into the 90s today for the 22nd day since July 1 and the seventh day in a row.

Saturday's high will be in the 84-88 degree range, the weather bureau says.

But the temperatures will go steaming back to the 90-degree mark 24 hours later. Sunday's outlook is for fair, hot and humid again, exactly like yesterday when the mercury hit 96 in downtown Pontiac.

The relief will be borne on a cool air mass moving down through the Northern Plains and just extending into the area from eastern Lake Superior southwest to northwestern Iowa.

WIDESPREAD HEAT

The long string of 90-plus days has covered the area extending from the interior valleys of California and Oregon eastward to the Atlantic coastal and southern New England states. At least 61 deaths across the nation have been attributed to the heat.

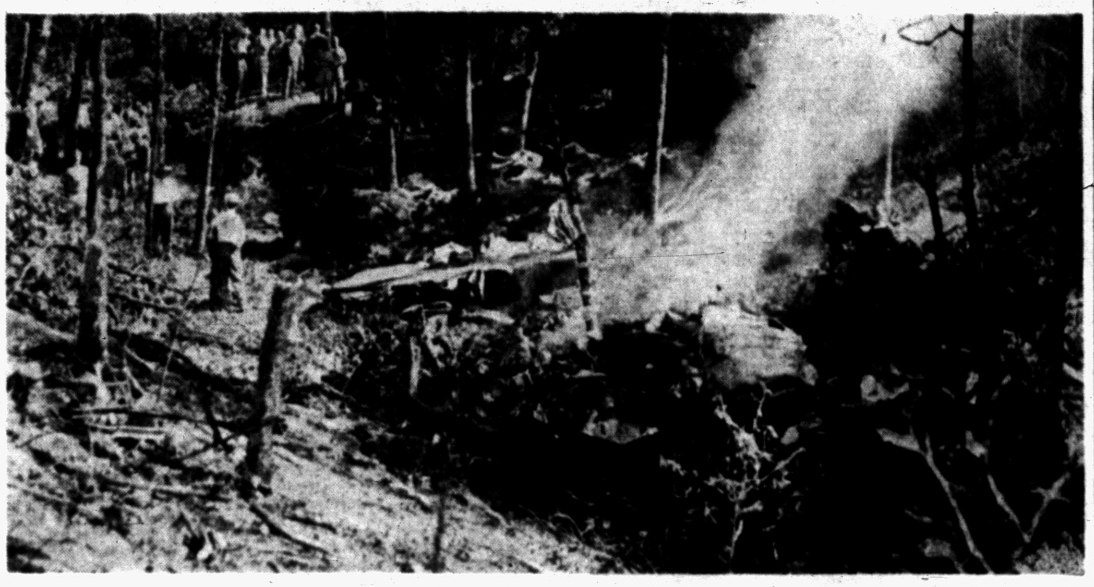
So prologed has been the heat wave that Lake Michigan water registered 81 degrees at Grand Haven yesterday. It was the warmest since a similar hot spell sent the usually cool water to 83 degrees in 1948.

Yesterday's low thermometer reading in downtown Pontiac was 76 degrees. At 8 a.m. the mercury stood at the 80-degree level, rising to 95 degrees by 1 p.m.

Downtown L.A. Busy

LOS ANGELES, (AP)—Nearly 1½ million persons enter and leave downtown Los Angeles daily, the City Traffic Department reports. The exact figure, determined by a check from 6 a.m. to 10 p.m., is 1,380,421.

Search Wreckage After Airliner Crashes in West



United Press Photo

THIRTY KILLED — General view above at Fort Leonard Wood, Mo., shows rescuers searching area surrounding wreckage of American Airlines Convair which crashed yesterday, killing 27 passengers and 3 crewmen. The plane crashed as it was attempting to make an emergency landing on a military landing strip.

Guard Units Leave Saturday

Two Pontiac Companies Heading for Training at Grayling

The nearly 200 officers and men of Pontiac's two National Guard units will leave tomorrow for Camp Grayling to join more than 8,700 other members of Michigan's "Iron Fist" Division for two weeks of intensive field and combat training.

Both Company M, 125th Infantry, and the 107th Ordnance Company will leave Pontiac during the early-morning hours in two convoys of five and 10 vehicles.

The 107th, commanded by Capt. Carl G. Yarling, will make up the first convoy while Company M, a heavy weapons unit led by Capt. A. J. Largent, will leave an hour later. Both units are scheduled to arrive at the northern Michigan camp by noon tomorrow.

While at camp, all units will receive training in all phases of warfare, including simulated combat conditions which will make up the main part of the million-dollar training program.

Recruits will be given training in basic Army requirements, including marching, drilling and practice on the rifle range

The units are scheduled to return home Aug. 20.

112 All A's at U. of M.

ANN ARBOR (AP)—Some 112 students earned all-A records at the University of Michigan in the spring semester. The Office of Registration and Records said that the all-A grades were made in eight of the university's 15 schools and colleges.

Need for Road Projects Shown in Traffic Study

Some 44 miles of expressway construction in South Oakland County are recommended in the findings of a 2-year Detroit Metropolitan Area Traffic Study, according to Oakland County Plan Commission Highway Engineer Robert A. Larson.

The survey included Oakland south from a line running between Long Lake Road on the east and Farmington Road on the west. Recommendations were made only for roads within the survey area.

State Highway Commissioner Charles M. Ziegler has said the survey, now completed, was necessary before future road building in Oakland could be planned.

The seven recommended expressway-sections include:

A connection from the Detroit expressway system to the Farmington-Brighton Expressway.

A section from the Lodge Ex-

It's Happy News

Sunny Smith is safe at home with his sea-shell collection. Pop has his son back, but he doesn't qualify in the Bonanzagram Contest. The correct answer to No. 21 is worth $700. And, the correct answer to the Bonanzagram is on Page 12.

This week's new puzzle, by the way, will be found on Page 14.

Why not figure it out—for the prize or just for fun.

Woman Killed in Auto Crash

Ten Others Are Injured in Headon Collision on M59 Last Night

One woman was killed and 10 other persons injured in a 2-car headon crash last night on M59 at Milford Road, 15 miles west of Pontiac.

Killed instantly was Mrs. Dora Bell, 66, a domestic servant.

She was in a car driven by her employer, Mrs. Merle W. Lybeck, 42, of Lower Straits Lake, Commerce Township. Mrs. Lybeck was admitted to Pontiac General Hospital with a broken leg, ankle and ribs.

Her son, Douglas, 13, was admitted with a broken nose and severe cuts. He is reported in fair condition and his mother's condition was satisfactory.

Also injured were the driver of the other car, Mrs. Rose Mary Caswell, 37, of Milford, her six children and a neighbor girl.

Mrs. Caswell was treated for a chest injury while her 14-year-old daughter, Patricia, was admitted with a broken pelvis bone. Her condition was reported as fair. Another child, Norwood, 7, was admitted with severe face cuts and is reported in poor condition.

The neighbor girl, Martha Small, 11, along with Mrs. Caswell's other children, Jan, 5, Jack, 2, Norene, 11 and Charlene, 8, were treated for cuts and bruises and released.

Oakland County Sheriff's deputies said Mrs. Caswell, driving a westbound station wagon, made a left turn onto Milford Road into the path of Mrs. Lybeck's westbound auto.

Both cars, heavily damaged, were impounded pending further investigation by deputies.

11 U.S. Airmen Tokyo-Bound

Fliers on Way Home Satisfy Appetites for Steak, Freedom

MANILA, (AP)—Eleven U.S. airmen, joyfully satisfying appetites for freedom and steaks, flew tonight to Tokyo on their way home after 2½ years as Red China captives.

* * *

The fliers, freed yesterday at Hong Kong, were scheduled to arrive this morning at Tachikawa Air Base near Tokyo.

In a news conference Sunday afternoon, Col. John Knox Arnold Jr., Silver Spring, Md., and his 10 B29 crew members are expected to give a fuller account of their ordeal of months of grim questioning in Red Chinese prisons. Far East Air Forces headquarters announced delay of the meeting originally set for tomorrow.

* * *

In a brief news conference at Hong Kong, Arnold emphatically declared the B29 was 35 to 40 miles south of Red China's borders when MIG fighters shot it down Jan. 12, 1953, in the Korean War.

Arnold spoke bitterly of the "trial" last November in which Red China convicted them as "spies" and asserted the leaflet dropping plane had "violated" Communist China's air. They were given 4 to 10-year sentences.

* * *

Of their life in the 21 months between capture and trial, Maj. Ralph Bryant, FEAF public information officer, said they reported it was questioning "for weeks and months on end."

In the overnight stay at Clark Field near Manila they relaxed happily in their new freedom, underwent medical checks and relished American-style food.

Sgt. Howard W. Brown, St. Paul, Minn., ate seven steaks within three hours.

Lt. Col. James N. Davis, St. Louis, said medical checks showed them "physically and mentally well—really doing fine."

Colombia Closes Paper

BOGOTA, Colombia (AP)—The government last night closed the opposition newspaper El Tiempo after it refused to publish an army-dictated corrective statement.

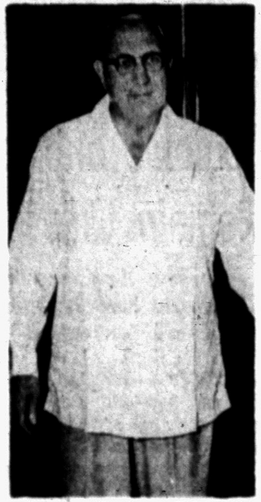
Chief Pontiac Speaks:

If Warriors Can Be Cool Squaws Can Stay Cooler

Attention, all males!

Questions have arisen in connection with Pontiac's new idea of going without neckties when the mercury passes 90.

With our usual zeal we referred these matters to Chief Pontiac. The Chief has just been unanimously elected president, executive vice president, secretary-treasurer and chairman of the administrative committee of the Necktie Emancipators. He is also chairman of the "We Ain't Gonna Sweat No More" Society.



George Taylor, Chief Assistant Prosecutor, goes for the new Pontiac fashion in a big way. George found this in Cuba and he swears you can wear it down there at night as a formal garment. (How in Sam Hill did Desi ever win Lucy in one of these?)

Here are some of the questions and his authentic rulings:

Query from Little Lord Fauntleroy of Auburn Heights: "May I leave off my necktie and unbutton a regular shirt?"

The Chief's Official Edict: "I favored that but one of my board, a Mr. A. Lapides, voted 'no.' Said Mr. Lapides (and I now quote from the minutes): 'We should make them buy sport shirts. That distinguishes the gentleman from the gentleman's gentleman. The fact I own a couple of clothing stores hasn't anything to do with it . . . well, not much'."

★ ★ ★

A query from the Rev. C. George Widdifield says: "Some of my most radical communicants (and we have very few radicals in the Episcopal parishes) want me to appear Sunday morning with an open throat. Should I comply? This is a dubious ecclesiastical precedent and I want to quote your reply at the next diocesan convention."

★ ★ ★ ★

Chief Pontiac says: "You can quote me at length and in complete detail. NO."

★ ★ ★ ★

A query comes in signed Bird Watcher, which asks: "How can I tell when I leave for the office whether it will be 90 that day? If I wear my sport shirt and it only gets up to 89.3 will I be subjected to social ostracism by my compatriots?

The Chief's ruling: "Whenever the Press says it will be 90 the next day, you can wear your sport shirt without jeopardy. Also if the morning radio report says 90, you are privileged."

★ ★ ★ ★

And the final question that we have selected out of the 32,865 that came in the first mail, says: "If my husband, Herman, wears an open throat down to his office, isn't it a feminine prerogative to wear one that is quite a bit more open." Signed, Anxious Annabelle.

And the Injine replies: "Yes, indeedy. If you haven't heard the latest on plunging necklines, call me. And how about a few frosty martinis and a spot of lunch tomorrow noon at some nearby wigwam."

★ ★ ★ ★

In the meantime the Press is threatened with a suit. "I want you to know," phones Monroe Osmun of Osmun's, "that the Amalgamated Necktie Association of the Greater Western Hemisphere is considering an all-out suit against you for restraint of trade."

Well, of course, we are scared to death, but we'll try and balance that off against the big check we confidently expect from the Sports Shirt Institute of Three Continents.

Royal Oak Man Listed Among Crash Victims

Fiery Convair Streaks Over Housing Area at Ft. Wood, Plunges

By THE ASSOCIATED PRESS

A Royal Oak man and two other Detroit area persons were among 30 who died yesterday afternoon in an American Airlines Convair crash near Ft. Leonard Wood in Missouri.

They were Tilson J. Garough, 206 N. Connecticut, Royal Oak; Herman Schmyser, Detroit, both employes of Vickers, Inc., and Mrs. Howard Rohleder, Garden City.

Mrs. Rohleder's husband, Dr. Howard Rohleder, was waiting for his wife at Willow Run airport when told of the crash.

The plane has a 40-passenger capacity and carries a crew of three.

The Missouri State Highway Patrol reported the Convair crashed in flames.

The pilot kept his crippled plane aloft for more than 30 miles in a desperate bid for a safe landing but crashed just short of his goal. All 30 persons aboard were killed.

"Just a little more and he would have made it," said an eyewitness, Lt. A. J. Brewster of Ft. Leonard Wood. "The plane came in very low over a housing area, then banked steeply and headed for the post airport.

* * *

"One engine was trailing flame and smoke. Then over a wooded area, the right wing fell off."

The airliner crashed on the edge of this sprawling Army post.

Most of the bodies in yesterday's crash were burned too badly for quick identification.

The twin-engine Convair, with 27 passengers and three crewmen, was only half a mile from the post's Forney Airport when it lost its right wing and plummeted into a heavily timbered gully. Hours later the wreckage was still smoldering.

Numerous eyewitnesses at Lieber Heights, where some 6,000 people live, saw the plane streak overhead in sunny weather at an altitude estimated variously at from 200 to 500 feet.

Babbish, Whiting and Dykstra Win Openers

Defending Detroit District Golf Association champion Bob Babbish this morning came through his 1st match test in the annual tournament with a 5 and 4 win. Babbish set down Dr. G. R. Schwarz of Lakepointe.

In other 1st round matches today at Orchard Lake CC, in the top flight, Don Dykstra of Lakepointe defeated Harold Brink of Blythefield when Brink became ill at the 9th with Dykstra 4-up; Dick Whiting, Red Run, defeated Tom McMahon of Country Club of Detroit, 5 and 4. Whiting was 5-under-par for the 14 holes played.

Farming in Russia Never Like This

AP Wirephoto

"HE LIKES IT"—Alexander Tulupnikov, a member of the Soviet farm delegation now touring South Dakota, receives a kiss from Kay Sevalius (left) and Sonya Kaye who star in an ice revue currently playing at Huron, S. D. The Russian delegation accepted an invitation to attend the show last night.

Chief Short Changes Force on Uniforms

ST. LOUIS (INS)—Police of St Louis — where humid 90 degree weather is common in the summer —agree with Mayor Raymond Tucker on the need for more appropriate hot weather uniforms. But they don't agree 100 per cent.

The mayor in a letter to Police Chief Jeremiah O'Connell suggested a sports shirt (open at the collar), a sun helmet and Bermuda shorts.

Only the sports shirt and the sun helmet have met the approval of the officers.

Meet Has Big Take-Off

BATTLE CREEK (AP) — Michigan's 90-plus temperatures were welcome in at least one spot yesterday. That was at Sunshine Gardens, where 200 midwest nudists opened a three-day meeting.

Drayton Firm Hoping to Construct Water Pipeline for Entire County

Nearly all Oakland County could be supplied water by a pipeline from Lake Huron which the Lafayette Engineering Co., of Drayton Plains, hopes to construct, the firm's assistant Treasurer Anthony W. Sulak said today.

"We would expect to serve 12,000,000 people within the next 12 years in Southeastern Michigan," he stated.

R. R. Stitt, vice president of the firm, outlined the scheme at a meeting of the Supervisors Inter-County Committee in Detroit yesterday.

The committee including Oakland, Wayne, Washtenaw, Macomb and Monroe Counties, was organized last September to launch a coordinated attack on region-wide problems such as water and highways.

SERVE 3 COUNTIES

The line would serve Macomb, St. Clair and Oakland Counties and perhaps areas to the south, Stitt stated.

Three 11-foot tubes would be built extending 55 to 65 miles along a 500-foot right-of-way to a point near Pontiac, Stitt explained.

He said his company already has a tentative agreement for use of 50 miles of right-of-way.

Stitt did not disclose what right-of-way would be used, but another source said the water line would parallel the Grand Trunk Railroad track from Port Huron to Pontiac.

He said engineering has been underway for two years on the project and is complete except for minor details. Stitt estimated the system would cost from $250,000,000 to $300,000,000 and could be built in about 30 months.

USE EXISTING SYSTEMS

The firm would contract with communities to bring water to local pumping stations for distribution by the communities through existing systems, said Sulak.

After the firm has operated the pipeline for 25 years it would revert to the communities it serviced, he added.

Bond issue financing from New York "is pretty well set and we expect a definite answer within a few days."

At least three investment and bonding firms are said to be interested in financing the project. All are reported to have hired engineering firms to study feasibility of the plan.

The firm will submit its proposal in writing to the Water Sub-Committee of the inter-county

Common Stocks Climb Upward

Average Yield Closing Spread Between Bonds in Risk Difference

By SAM DAWSON

NEW YORK (AP)—Weakness in the bond market after the long rise in stock prices leads many traders today to take a close look at yields in both markets.

The nervous remember 1929 when bond prices turned downward months before the break in stocks.

But others simply note that common stock prices have climbed to the point where their average yield is now only a little higher than the return on bonds—normally there is a considerable spread because of the difference in risk.

* * *

In some cases now common stocks are yielding less than the average for preferred stock.

Yield measures the percentage of return (in dividends or interest) you get on the money you pay for the stock or bond. The yield on common stocks falls if the price rises without a corresponding hike in the dividend rate. The yield on bonds or preferred stock, where the interest payment is fixed, rises when the price of the security falls.

The price of long term U. S. Treasury bonds has fallen enough to raise the yield above 3 percent for the first time in two years.

Several forms of investment compete for new money and savings. Mortgages with their higher interest rates have drawn the big institutional investors. The mortgage supply has increased greatly due to the housing boom.

* * *

Yields of stocks and bonds have now come close enough together for traders to start wondering: Where is the turning point?

Some brokerage houses are now saying: 1. Either people will turn from stocks to bonds, if the yield of stocks falls much further; or 2. The nation's prosperity will increase to the point that dividends can be smartly raised, restoring higher yields to stocks; or 3. People will decide that some stocks are priced so high that their yields are too low to be attractive, and get out of the market.

These brokers hold that stock yields can't go on falling and bond yields rising much longer.

* * *

Before the 1929 crash, the bond yield rose above the stock yield. But brokers see little chance that the 1929 experience will be repeated. They hold that money will not get tight enough this time to send Bond prices very much lower, nor is stock speculation likely this time to blind the trading public to the yield they can expect when they buy common stocks.

The money market is expected to tighten still more. So bond prices could slip a little further, pushing their yields a little higher.

Four Granted Scholarships at Cranbrook

A Canadian, Australian and two Americans were awarded Cranbrook Academy of Art scholarships today for a year's study at the academy.

The scholarships, each of $1,320, memoralize Mr. and Mrs. George G. Booth, founders of Cranbrook; Eliel Saarien, Finnish architect who was first head of the academy and James Scripps Booth, academy trustee.

Scholarships were given Jack W. Cross of Lansing, Robert W. Cremean of Toledo, Lois M. Etherington of Toronto and Peter S. Staughton of Melbourne.

Announce GMC Retail Sales Record for July

DETROIT (UP)—General Motors Corp. announced today record retail sales of 312,728 new passenger cars in the United States for the month of July.

The company also announced record seven-months sales of new and used cars totaling 2,259,522 new units and 2,915,844 used cars.

THIRST COME, THIRST SERVED — These New York Bronx Zoo hippos vie with one another for a thirst-quenching squirt of water that's just big enough to dampen their tonsils in the sweltering New York weather. It would take a fair-sized portion of Niagara Falls to satisfy this pair. United Press Photo

Legion Group Remains Quiet

American Legionnaires in Torrid Detroit Open Subdued Convention

DETROIT (AP) — Michigan's heat-subdued American Legionaires opened their 1955 convention today in a torrid motor city.

Only a smattering of Legionnaires sallied forth from air conditioned hotels for usual sidewalk high-jinx. And mostly the simulated locomotives and box cars of the fun-loving 40 & 8 stood parked at curbs, almost too hot to touch in 90-plus temperatures.

The Detroit News described Legion activities yesterday and last night as "One of the quietest preconvention rallies in its history."

Retired Maj. Gen. Charles W. Christenberry of New York, president of the American-Korean Foundation, got the convention under way formally with a speech at Veterans Memorial Building.

Delegates welcomed forecasts of cooler, mid-80's weather tomorrow. Their annual street parade is scheduled for 3 p.m.

Army Secretary Wilber M. Brucker, former Michigan Governor, is scheduled to ride in the parade and to address tomorrow's convention session.

Drayton Firm Hopes to Build Pipeline

(Continued From Page One)

ty group headed by Mayor Howard K. Kelley, of Royal Oak.

"The plan looks good upon first examination," said Kelley. "There are many legal problems involved, but I think they could be overcome."

TO STUDY PLANS

If the project is done with public funds, as the committee first planned, it would probably take at least five years, he added. "We will meet to study the plan as soon as full details are available." Kelly said.

Bernard Kalahar, chairman of the Macomb County Board of Supervisors, said "It seems like the only way to get an adequate supply of water.

"It shouldn't cost the public too much because the Public Utilities Commission will set the rates."

Ike Expects to Continue Talks With Soviet Russia

WASHINGTON (INS)—President Eisenhower held the door open today for continuing negotiations with Soviet Russia on an international aerial inspection system to control armaments.

The chief executive told his news conference yesterday that he did not believe Russian Premier Nikolai Bulganin had flatly rejected the U. S. Geneva "Summit" conference proposal for an inspection system.

Bulganin told the Supreme Soviet in Moscow that Mr. Eisenhower's "open skies" proposal for international air patrols was not acceptable. He also termed the plan for exchanging blueprints of military establishments of "no real important value."

President Eisenhower said he understood Bulganin was arguing that the Russian inspection plan was "more realistic."

He told newsmen: "Speaking informally at Geneva, I said if they trusted that kind of an inspection system, it was all right with us; we would adopt both. And I proposed, let's take them both."

The chief executive indicated that talks on the problem are only in the preliminnary stage.

He declared: "Now, these are matters that take long examination by experts. I don't understand that the Premier (Bulganin) closed the door, and I merely say we are ready to accept and examine any kind of system that looks fair to us and to both sides."

The President also told newsmen that he plans to spend next week at his Gettysburg farm signing the flood of bills passed by Congress in its adjournment rush. When that chore is finished he will make a brief visit to Washington before flying to Denver on Aug. 14 or 15 for an extended work and play vacation.

He has to return to the east coast for a speaking engagement in Philadelphia on Aug. 24 before the American Bar Assn., but after that he will return to Denver.

The chief executive will again maintain his office at Lowry Air Force Base, putting in several hours of work each day there before taking off for the golf links or a fishing stream.

Pontiac Auto Sales Smash 10-Day Marks

Pontiac dealers sold more new cars during the last 10-day period of July than in any 10-day period in the history of the division, R. M. Critchfield, Pontiac general manager, announced today.

A high daily rate of sales, which exceeded Pontiac's daily production rate by 27 per cent during the period, brought new car sales for July 21-31 to a record-breaking total of 21,626.

Deliveries of new Pontiacs during the last 10 days of July this year, 209 per cent of salesfor the July total to 50,003 new units. Pontiac produced only 48,298 cars for domestic sales during July, Critchfield said.

Used car sales by Pontiac dealers hit a new high for the month of July. The total of 83,066 used cars which were delivered, surpassed any previous used car sales record by Pontiac dealers.

Farmers Price Index Sees 2-Point Rise

LANSING (AP) — The index of prices received by Michigan Farmers rose two points during the month ending in mid-July, the Federal - State Crop Reporting Service said today.

Higher prices for milk, eggs, cattle and some vegetables more than offset declines reported for hogs, small grains, potatoes and sour cherries.

The livestock and products index was up three points while the all-crop index was the same as a month earlier.

Compared with mid-July of 1954, the all farm products, all crops and all livestock indexes were down 10, three and 20 points, respectively.

City Officials See Shopping Area Plans

Mayor William W. Donaldson and two city commissioners flew to Columbus, Ohio, yesterday to view the model of a proposed multi-million dollar shopping center at Telegraph and Square Lake Rds.

Donaldson, Commissioner Floyd P. Miles and Commissioner John E. Carry flew to the Ohio capital and back with Bernard Edelman, developer of the local center. The city paid the three official's fare although Edelman offered free transportation.

"I was very much impressed," Donaldson said, "and I think the others were too." Columbus has three identical shopping centers, he said, and a fourth is under construction. All are like the proposed one here.

Gas Tax Boost Nets $3,425,571

State Secretary Says $9,210,787 Is Realized From Regular Levy

LANSING, (AP) — Michigan's cent and one half gas tax increase, which became effective June 1, has yielded $3,425,571 so far, Secy. of State James M. Hare said today.

The amount is credited to a special highway construction fund to be used in building a network of four lane arterial highways and state trunklines.

In addition, the state collected $9,210,787 from the regular four and one half cent a gallon gas tax during Juy. This compares with $8,718,149 collected in July of last year, Hare said.

Hare said 3,148,806 vehicles were registered in the state during the first six months of 1955 compared with 2,957,289 during the same period of 1954.

He said it is apparent that the state will have registered some 3,565,000 vehicles by the end of the year—729,000 more than in 1952, only three years ago.

Study Discloses Need for 44 Roads

(Continued From Page One)

pressway on Northwestern Highway north to Southfield Road.

An extension of Livernois along Ridge Road to Woodward Avenue.

Extension of Stephenson High way up M150 to East Long Lake Road.

Ten Mile Road made an expressway from Southfield Road to M97 in Macomb County.

An expressway up Southfield bypassing Lathrup Village to the east and hitting Woodward.

Another near Thirteen Mile Road between Southfield and Stephenson.

The report also suggests that Twelve Mile Road be made a major four-lane, divided highway and that Telegraph Road, within the survey area, be completely divided.

It sees Northwestern as four-lane-divided from Southfield to Maple Roads.

A centrifugal refrigeration machine made (by Carrier) to cool the new U.S. Rubber building in Rockefeller Center, New York City, has a daily capacity equivalent to the melting of one million tons of ice.

Chrysler Sales Best in History

Sell More Cars in First Half of '55; Dividend to Stay 75 Cents Share

NEW YORK (AP)—Chrysler Corp. fighting hard to overcome a 1954 slump sold more cars and trucks in the first six months this year than in any other first half in company history. Its profits for the first six months were more than 3½ times larger than in all of 1954.

Progress of Chrysler's 1955 comeback was recounted by K. T. Keller, chairman, and L. L. Colbert, president, after a quarterly meeting of the board of directors yesterday. Despite the glowing sales and earnings reports, the directors failed to raise the dividend. They declared the same dividend of 75 cents a share that had been paid in the four previous quarters.

These were the report's highlights:

Earnings —$70,010,642 for the first half, equal to a whopping $8.04 a share. That compares with $15,791,660, or $1.81 a share, for the first six months of '54. It's more than 3½ times the $18,517,000 Chrysler earned in all of last year.

Sales — $1,884,638,006 against $1,085,382,902 in the first half of 1954. The gain of nearly 800 million dollars was achieved despite a sharp drop in government defense work from 155 millions to 70 millions.

Auto and truck shipments—an all-time high for any first half-year at 900,546 units. That's nearly double the 471,036 vehicles shipped out of Chrysler Corp. factories in the first six months last year. Including those built last fall, the company by mid-year had delivered more than 1,100,000 of its re-styled 1955 Plymouth, Dodge, Desoto, Chrysler and Imperial passenger models.

The 75-cent dividend is payable Sept. 13 to stockholders of record Aug. 15. There had been some expectation in financial circles that the dividend might be raised. It was cut to 75 cents just a year ago when Chrysler sales were ebbing. The previous rate had been $1.50 a share.

The report stressed the improved ratio of profits to sales volume. Earnings in the first six months this year amounted to 3.71 per cent of sales; a year earlier the percentage was only 1.45.

It also laid heavy emphasis on the big capital outlays Chrysler has budgeted for new plant and equipment. Such expenditures for the first six months totaled nearly 53½ millions. New plants, new machinery and new facilities will have to be coordinated into the corporation's production planning this fall, and as a result some Chrysler Corp. plants may shut down longer than usual while changing over to production of 1956 models, the report said. It specifically mentioned a new Plymouth engine plant, plus new equipment at plants of its Chrysler, Dodge, Desoto and automotive body divisions.

As a further expansion move, the report noted, Chrysler Corp. is going ahead with plans to acquire the plants, equipment and invenotries of Universal Products Co, of Dearborn, Mich., an important supplier of drive shafts, universal joints and other purchased parts. The sale depends upon approval by Universal stockholders "and certain other conditions," the report said. Purchase price is estimated between 3 and 3½ million dollars.

No mention was made of published reports that Chrysler Corp. was negotiating for the purchase of Electric Auto-Lite Co., big manufacturer of ignition systems and other automotive components.

Anxious Woman Causes Postal Clerk Confusion

OMAHA, (AP)—Postal clerk Joe Weber says nobody has to believe it but it did happen to him.

A woman walked up to his counter yesterday and tendered a $5 savings certificate to be cashed in. Weber told her it would cost a dime because the certificate hadn't been held for a month.

* * *

"I don't have a dime," the lady exclaimed and hurried away before Weber could tell her he could take it out of the $5.

Soon she was back with a dime. "I borrowed it," she smiled.

Weber took the certificate and the dime and pushed out a $5 bill.

"Please change it. I have to pay back the loan," the lady said.

Cool Jobs Wait, New York Told

NEW YORK (INS)—Hot weather note: The New York State Employment Service advertised today seven real cool jobs open in Iceland, Greenland and Labrador. The vacancies are for civil, mechanical and construction engineers and superintendents. Temperature during August ranges from 45 to 50 degrees.

Tourist Trade Is Sited

ESCANABA (AP) — The tourist trade accounts for 10 to 18 per cent of the retail business of some Escanaba stores during peak vacation months, Secretary Hugh Grow of the Escanaba Chamber of Commerce said after a survey.

The Day in Birmingham

Recreation Board Plans Three-Way Co-ordination

BIRMINGHAM—In the only formal action taken at a special meeting last night, the Recreation Board re-elected its slate of officers, and took steps to help determine future operation of the city's recreation program.

Members agreed to invite the City Commission and the Board of Education to attend a joint session probably to be held in the fall, to bring about a closer co-operation in the expanding program.

Meanwhile, a three-man committee appointed by Mrs. William Jackson, recreation board chairman, was named to plan the future meeting. The group will explore the board's history and its current standing.

Roland W. Reese will head the committee, with William Spence and W. Coit Allee.

POINTS TO GROWTH

"It is only natural with our great growth that periodic revisions should be made to provide ultimately for a more efficient operation of the program," said Mrs. Jackson.

Some form of a recreation program has existed here for about 20 years, Mrs. Jackson said, and the present setup had its beginning in 1947.

Appointment of a recreation director by the recreation board, to work with two advisers appointed respectively by the city commission and the school board, was suggested recently as a possible step forward by City Manager Donald C. Egbert.

The suggestion was contained in a committee report sent to all parties inyolved.

10 YEARS IN OFFICE

Now serving her 10th year on the board, Mrs. Jackson was last night re-elected as chairman, a post she has held for the past three years. Reese again will be vice chairman, and Spence retains his job as secretary.

* * *

All but two portions of the Recreation Board's summer program will end today, with the closing of the day camp at Springdale Park and the Adams, Pembroke, Torry, Pierce and Quarton School playground activities. The junior sports program at Birmingham High School also is finished.

Still in action until Aug. 12 are the swimming and music lessons.

* * *

Home from their first camping trip at the D-Bar-A Ranch near Metamora are 22 members of Holy Name's Boy Scout Troop B-12.

A high point of their week's stay came over the weekend, when the boys held an evening ceremonial and presented Scoutmaster Joseph R. Beckley with a plaque commemorating the occasion. They branded the plaque in his presence.

Scout awards also were presented. The boys made strides in first and second class advancement. B-12 is one of the city's newer troops.

* * *

Assessments were reviewed and approved by the City Commission this week for mat and seal road oil treatment for portions of Cedar, Catalpa, Southlawn, Westchester Way and Purdy streets.

The same method was approved to be done on parts of Arden Lane, Hillside, Fairway and Golfview and Greenlawn boulevards, all in Golfview Heights Subdivision.

Says Future Space Travel Will Be Easy

COPENHAGEN, Denmark (AP). — Traveling through space 50 years from now will be easy — "just like changing trains at Times Square."

* * *

A scientist at the International Astronautical Congress made that prediction today and explained how it will be done:

"First, we establish manned space stations above the earth. That will be easy. Then rocket ships designed to push through the earth's atmosphere land on the space station which is traveling around the earth at 15,625 miles an hour.

* * *

"The rocket ship, besides carrying passengers in specially designed suits, will carry prefabricated space ship parts and the space ship will be assembled near the space station.

The passengers get off the rocket ship and into the assembled space ship, which will take off at the same speed as the whirling space station. It will be the same thing coming back."

Ferndale Man Waives Exam in Breakin Case

Cleo Burton, 30, of Ferndale appeared before Royal Oak Township Justice Maurice Tripp yesterday and waived examination on a charge of breaking and entering during the nighttime. He was held on a $500 bond.

According to Royal Oak Township detectives, Burton entered a Royal Oak Township garage on July 21 and stole $190 worth of garage tools.

Willman on Vacation

City Manager Walter K. Willman left yesterday for a 10-day Northern Michigan vacation.

Lewis M. Wrenn, city engineer, will be acting city manager until Willman returns Aug. 15.

NOTICE OF TAXES
CITY OF PONTIAC

1955 City and School taxes will be due and payable at the office of the City Treasurer, August 8, 1955, through September 9, 1955, without fees.

Payments made by mail must be postmarked not later than September 9, 1955, to avoid penalty.

September 10, 1955, a collection charge of one per cent (1%) will be added and one per cent (1%) additional each month thereafter any unpaid City and School Taxes.

All 1955 City and School Taxes remaining unpaid as of March 1, 1956, will be payable at the County Treasurer's Office, subject to additional penalties as provided by State Law.

WALTER A. GIDDINGS
City Treasurer

DON'T LET YOUR TAXES GO DELINQUENT!

SIMMS BIRTHDAY BARGAINS

Russia Trails U. S. in Development of Nuclear Arms

By LEON DENNEN
NEA Staff Correspondent

Rejection of President Eisenhower's dramatic disarmament proposal by Soviet Russia was a foregone conclusion even before the Big Four chiefs of states broke camp at Geneva.

That was the opinion of Soviet experts who attended the summit meetings in advisory capacities.

It is now clear, they say, that Russia trails far behind the United States in nuclear weapon developments. Delegates Nikolai Bulganin, Nikita Khrushchev and Marshal Georgi Zhukov could not agree to any proposal which would bare this weakness to the instruments of reconnaisance aircraft.

The President's offer to trade military blueprints and permit mutual air inspection of military establishments will likely remain the highlights of the Geneva "conference of smiles and toasts." But as the conference fades into history it is likely to be listed as one more international effort to relax East-West tensions.

REDS NEED H-BOMBS

Experts on Russia are convinced the Soviets do not have an H-bomb actually in production. They believe the Reds are playing for time while Soviet scientists reorganize their atomic and hydrogen bomb programs to catch up with the United States.

This view was confirmed by an outstanding Western atomic physicist who said that while there is good reason to doubt the Russians have an H-bomb, there is no secret in Russia as to thermo-nuclear theory.

This physicist cautioned: "Russia, with her own eminent nuclear physicists and those who came to Russia from Germany after the war, and with the further aid of spies like Klaus Fuchs and Bruno Pontecorvo, might one day develop an effective nuclear weapon."

That Russian skill in this line cannot be discounted is indicated by some hundreds of papers submitted by Russians to the "Atoms for Peace" conference opening at Geneva Aug. 8 under United Nations sponsorship. If the Russians are not bluffing, they show that they are experimenting successfully with peacetime uses for atomic energy which the free world has not even suspected they were researching.

Since the foregoing facts were available to Eisenhower, it is clear that he made his historic proposal out of a profound and sincere hope to prevent an eventual nuclear Armageddon.

He took Bulganin by complete surprise and shook the propaganda wind out of Khrushchev's sails.

PRACTICAL GAINS

Nevertheless, while the United States scored an unprecedented moral victory, a survey shows that the Russians made a number of practical gains. For one thing, they won a breathing spell in which to concentrate on the Far East. They won agreement to a new round of conferences below the summit where technical gains may be scored, in particular the easing of East-West trade restrictions.

The Russians blocked German unity — and now the elderly Konrad Adenauer, our staunch friend, will have to make a wearying trek to Moscow if he is to remain in power and achieve a united Germany within his dwindling years.

West German observers at Geneva believe the Reds fear to withdraw their troops from East Germany because of the lack of any real hard core Communist strength in that zone. The uprisings of June, 1953, showed them that once Soviet forces retired to the East any Red puppets probably would be submerged swiftly in a tide of anti-communism.

'Bonanzagram'

Have Fun! Win $100!

"Bonanzagram" is an exciting new puzzle in which the Pontiac Press offers both fun and a $100 cash prize. BUT before you try your hand at "Bonanzagram" **be sure and read the rules** at the bottom of this page. Solution will appear in the Press Aug. 12.

CLAIM CHECK

Below is a duplicate of the "Bonanzagram" entry you send in to contest headquarters. It is ESSENTIAL that you fill it in and save it until the correct solution to "Bonanzagram" No 22 is published Friday, Aug. 12. Unless you do so, you will be unable to collect the prize if you should send in a winning solution. Check the rules below for further details.

Bonanzagram No. 22

Story Clues

Charles H. Ecker was president of General Conveyances, one of the Big Three manufacturers of special automotive vehicles. While vacationing in the White Mountains, he heard that Metropolitan Motors was developing a sensational new competitive design, and he promptly dispatched Bruce Mifflin, his trusted personal assistant, to Metropolitan's home city with instructions to get the lowdown on the new design at any cost. Mifflin, a husky young man not long out of Cambridge Tech, was both resourceful and enterprising, and soon had acquired some interesting information. He dictated a preliminary report by long distance phone to the office, but the connection was not a good one. The substitute secretary, when she had hung up, realized to her dismay that she had not gotten all the words. Knowing the importance of the matter, she sent the message along to C. H., explaining that this was all she could get. The president was able to piece it together from his knowledge of the details of Mifflin's mission. Can you, too, fill in the missing letters and complete the message?

How to Play 'Bonanzagram'

Solve the "Bonanzagram" by filling in all the missing letters, as indicated by the underscores, in the message. Insert only one letter above each underscore. Many clues to the missing letters are hidden in the story, or anecdote, accompanying the message itself, and, in a few cases, the contestant's general knowledge should provide the correct letter. The contestant will note that the message is unpunctuated. Punctuation will help solve the message but is not necessary to win.

All missing letters must be correctly inserted to win a Bonzagram prize. Punctuation will not be considered in judging a correct answer.

When properly filled in, the "Bonanzagram" will spell out a clear message that will conform in every way with the clues. In many cases it will seem that more than one word would be the correct one. That's part of the fun! You should weigh the clues and select the BEST possible word in each case.

How to Submit

1. After solution is ompleted, "Bonanzagram" should be clipped and pasted to a two-cent postcard with your name and address.

2. Entries will be received at the Pontiac Press office, 48 W. Huron St., until 5 p.m. Tuesday, Aug. 9. Mail entries must be postmarked before midnight Tuesday, Aug. 9 for Bonanzagram No. 22. Address "Bonanzagram, % Pontiac Press, Pontiac, Mich.

3. Entries may be mailed in envelope but contestant's full name and number of puzzle must be printed in upper left corner of address side of envelope.

4. Copies of the Press need not be purchased to enter. Facsimiles made by hand and corresponding as closely as possible to the original "Bonanzagram" printed in the Press will be accepted but are limited one to a family. Mimeograph, duplicator or other unofficial mechanical reproduc- [illegible] is forbidden.

How to Collect the Prize

The entrant must work out and keep duplicate solution as a claim check. When the solution is published in the Press, he should compare his "claim check" with the published solution, and if his claim check is identical, he should call in person with his claim check at the Press office, 48 W. Huron St., before 5 p.m. on the Monday following publication of the solution.

If a winner cannot call at the Press office in person he should mail his solution to "Bonanzagram Editor." This letter must reach the Press not later than 5 p.m. the Monday after publication of the answer. Correct answers are void unless the contestant reports his claim by the deadlines listed here.

About Eligibility, Information, Etc.

1. Anyone is eligible for the "Bonanzagram" contest except employes of the Press and members of their immediate families. (Immediate family means all those living in an employe's household.)

2. No question as to winners will be answered by phone.

3. The Press will award a prize of $100 to the winner of each weekly Bonanzagram. If more than one winning answer is received, the prize will be divided equally among the winners. If no correct solution is received, the $100 will be added to the next week's prize. If the winner is a subscriber of record to the Press a $20 bonus will be added to the $100.

4. Only one winning entry from a family will be eligible for the prize, but there is no limit on number of entries.

5. The Press retains the right to correct typographical errors.

6. Judges' decision will be final and contestant's submission of entries indicates acceptance of these rules.

7. No liability is accepted for entries that fail to reach us.

8. The Press reserves the right to alter rules and/or discontinue the contest at its discretion.

China Students Free to Return

State Department Says Paid Plane Ticket Will Take All to Hong Kong

WASHINGTON (INS) — The U.S. has assured Red China that any Chinese student in this country may return — simply by buying an airline ticket to Hong Kong.

Officials said that all obstacles barring any Chinese citizen from leaving for home have been removed. Such assurances have been given Wang Ping-Nan, Communist representative at the Geneva talks, by U.S. Ambassador U. Alexis Johnson.

Some of the students have already returned to Red China.

However, although some 5,000 are in the U.S., only about 50 have indicated any current desire to return to China.

State Department officials are now beginning a new check of the entire group to determine again whether any wish to return. This is an attempt to satisfy the Peiping government demand that India—as a third party nation—should be permitted to determine the students' willingness to go home.

One reason is that when they left China to study in the U.S., their homeland was ruled by the Nationalists. Many fear that reprisals might be taken against them if they return now.

Found along the Atlantic seaboard, horseshoe crabs are more closely related to scorpions and spiders than to true crabs.

The cape buffaloes of Africa are noted for their even disposition—always angry—says the National Geographic Society.

Couple Hosts Rehearsal Bridal Dinner

Honor Bride-Elect, Lynn M. McCallum at Parties

Mr. and Mrs. Morris J. Green of Lansing were hosts at the rehearsal dinner Thursday evening for Lynn Mildred McCallum and Edward Morris Green who are exchanging nuptial vows Saturday evening at Christ Church Cranbrook. The dinner was held at Carrie Lee's in Birmingham.

* * *

Guests were Judge and Mrs. Cecil McCallum, C. Leland McCallum, Mrs. William McCallum of Birmingham; Mr. and Mrs. Donald Lyon of Ferndale, Mr. and Mrs. Robert S. Morley of Saginaw and Mr. and Mrs. Michael J. Ashley.

Mrs. A. J. Wittenbach Jr. of Wichita, Kansas, Thomas Randall, Mr. and Mrs. Richard Hewes and Mr. and Mrs. George Van Buren Jr. of Lansing completed the list.

On Wednesday, Mrs. William McCallum entertained at a spinster luncheon in Lynn's honor. A miniature bride surrounded with corsages of pink roses and carnations centered the luncheon table.

The corsages were later presented to the guests who included Lynn's mother, Mrs. McCallum, Mrs. Lyon, Mrs. Ashley and Mrs. Wittenbach.

A swimming party and luncheon was given Sunday for Lynn and Ed at the home of Mr. and Mrs. Lyon in Ferndale. Four couples were guests.

Patti McInnes Announces Bridal Date, August 13

Patti McInnes, daughter of Mr. and Mrs. William McInnes of Birmingham, has announced that Aug. 13 will be the date of her marriage to Gerald Neil Moody.

* * *

The prospective bridegroom is the son of Mr. and Mrs. Carleton Johnston of Lester court.

Among the recent parties given for Miss McInnes have been a supper and linen shower given by Arlene Verville of Berkley, a miscellaneous shower given by Mrs. David Sharkey of Royal Oak, and a kitchen shower hostessed by Mrs. Ernest Cuthbertson of Detroit.

Mrs. Richard Hindley and Mrs. Charles F. McCarthy of Birmingham will honor Patti with a luncheon and around-the-clock shower Tuesday afternoon.

* * *

The rehearsal dinner will be given at Jeri's in Detroit by Mr. and Mrs. Johnston on Thursday evening.

Both Patti and Gerald attended Michigan State University.

Avoid Unhealthy Fad Gimmicks

Hair styles go wild among the teen-agers in many towns. If the boys aren't cutting their hair like Indians or completely flat on top, the girls are bleaching theirs or operating with kitchen shears.

* * *

Being in the crowd is a good feeling. And fortunately, expressing in-ness by hair styles is never too permanent.

Parents who are horrified by white "skunk locks" in the middle of their daughter's bangs often forget how quickly hair grows.

Even the disastrous results that some teeners obtain by trying to bleach certain shades of brunette hair and having it turn green won't last forever.

There are other ways of expressing in-ness, however, that are not so transient. Adhesive tape in the boy friend's initials can come to be quite embarrassing by September, when the tan won't fade and the boy has.

* * *

A most unhealthy habit is popular in some towns, that of scratching initials in the skin.

As soon as a scab grows, it's scratched again and pretty soon there's a scar spelling the current flame's initials.

Perspective is something to keep in mind if this unappetizing habit takes hold in your town. Just imagine trying to explain to your own child who "J. H." was, when the child knows you've always loved his father.

Rayon Is Often Used in Blends

Spun rayon takes many forms in children's clothing fabrics. Blended with acetate, for example, it is woven into the soft flannels that are so popular in girls' overblouse and pleated skirt styles.

* * *

In lustrous gabardine weaves, it is especially adaptable to the fashionable shirtwaist dress style. The simplicity of the princess style dress plays up the elegance of novelty weaves of spun rayon-and-cotton, enlivened with brightly colored silk slubs.

* * *

Boys' worsted and tweed-type suiting fabrics are popular uses of spun rayon, too. Many of these fabrics boast complete washability. And spun rayon's characteristic affinity for dyes makes possible color depth and luster impossible to duplicate in any other man-made fiber.

Young campers at the Girl Scout Day Camp love popping corn over an open fire. Lorraine Buffmeyer of Walled Lake, (left to right) Lou Ann De Young of Commerce and Diane Engivis of Union Lake gathered the wood and started their own fire. The girls are taught to do everything for themselves at the camp.

Pontiac Press Photos

Beneath a unit sign reading "Twig Pines" Shirley Jeffries, (left to right) of Going street, Judy Elmore of Highland and Sandra Volz of Milford hang up their nose-bag lunches. This is a precaution against insects and roving animals at the Proud Lake Girl Scout Camp.

It's Vital to Say What We Mean

By MURIEL LAWRENCE

A traveler who had mistaken his way met an aged Quaker. He stopped to ask in his careless way, "This is the right road to St. Ives, isn't it?"

The disciplined old Quaker said, "Young man, first thee tells a lie: then thee asks a question." And without further comment, moved quietly on.

* * *

The traveler, who had grown used to making other people decode his meanings for him, ran after the Quaker. This time, he made his meaning clear. He said, "How can I find the road to St. Ives?"—and got his information.

As crooked talkers abound in this world, it's a fine idea to teach children early use of the phrase, "What do you mean?"

Just before a young friend of ours left college for this summer's vacation, her English teacher gave her some news. She told Ann that the English faculty had chosen her to write next year's Senior Address. Then she said, "I insisted that you deserved this honor."

Ann did not say, "What do you mean, Miss Parsons?" Instead, she spent a resentful week trying to decode Miss Parsons' meaning. Then she asked me to unravel it. She said, "Did Miss Parsons mean that she had to fight all the other faculty members to get me this honor? If she did, I don't want it. It will be a lot of extra work as well as honor. What do you think Miss Parsons could have meant, Mrs. Lawrence?"

DECODING LENGTHY

I said, "I have no time to give to decoding Miss Parsons' meaning, Ann. As you've earned the right to relax this summer, I see no reason why you should be bothered with its mystery, either. Miss Parsons is an adult as responsible for her own meanings as she is for keeping her face washed. So I suggest that you write her a letter asking her to decode this one for you . . ."

Crooked talkers are the bane of young life. They say, "There's your bike in the drive again" when they mean "Put your bike away." They say, "Don't you think your mother may be worrying about you?" when they mean, "Go home now; we want to eat supper."

* * *

What happens is what happened to Ann—resentment at our fear—or laziness—that demands "figure out what I mean for me."

So we must teach children to learn to ask, "What do you mean?" The fact that the scared or lazy talker may not come through with his honest meaning is not important. What matters is that Joe and Nancy know that it is right to hand back the muddled meaning to the person it belongs to—and happily refuse to fuss over it themselves.

There is brotherly love in asking the crooked talker to take responsibility for his own straightness—as the wise and disciplined old Quaker well knew.

Suzanne Daly Heads Club

SUZANNE DALY

Suzanne Daly was elected president of Keloa Klub when the group met Wednesday evening at the home of Joyce Whitfield on Oakwood street.

Others elected were Deanna Bradley, vice president; Joyce Whitfield, recording secretary; Nancy Nicholson, corresponding secretary; Betsy Bradley, treasurer; Judy Learned, historian; Marsha Stapp and Chris Selden, publicity.

Named to the telephone committee were Frank Gilsky, Jill Maneck, Sally Maier, Ann MacDonald and Chris Selden.

Duties of sergeant at arms will be the responsibilitiees of Fran Glisky, Judy Learned and Marilyn McLain.

Jobs Daughters Meet for Picnic

Pontiac Bethel 40, International Order of Jobs Daughters, were guests of Sandra Clark, Wednesday evening.

Members and their parents gathered at the private beach at Elizabeth lake estates, for a annual picnic.

Couple Married in Kentucky

Clayton McIlhargie of Markle street and Mrs. Everett Fisher of Joyce road announce the marriage of their daughter, Nancy Irene McIlhargie, to Corporal John Ivan Copeman, son of Mrs. Walter Copeman of East Tennyson street.

The couple exchanged vows in a military wedding July 15 in the First Presbyterian Church, Fort Campbell, Ky.

Chaplain James Coleman performed the evening ceremony.

Picnic Honors Carter Family

Mr. and Mrs. Herbert Carter and son, Dean of Fullerton, Calif. was entertained at a picnic dinner given by the Berean Fellowship class of the Oakland avenue Presbyterian church Wednesday. The picnic was held at the summer home of Mr. and Mrs. Omar MacNutt on Elizabeth lake.

* * *

Former members of Pontiac, the Carters have been visiting here for several days.

During the evening swimming boating and movies of the class activities were enjoyed.

Making arrangements for the gathering were Mrs. MacNutt, Mrs. Herman Reeder, Mrs. Donald Wilson and Mrs. Stanton Levely.

Entertainment was planned by Orval Robb, Mrs. Floyd Levely and Mrs. Vernon Wait.

Suds Out Mascara

Since mascara is soluble in water, such stains usually come out of towels during the regular hot sudsing routine recommended for all towels.

Oily rags and those used in painting are fire hazards when thrown into uncovered piles. Spontaneous ignition can result. For safety, place such rags in a galvanized steel pail.

Tammy Tressler is holding the pail while Jane Granback pumps water for the Brownie Unit at camp. Both girls from Milford are attending the Northern Oakland County Girl Scout Day Camp at Proud Lake.

Even the youngest camper must learn how to handle a one-man saw in the process of cutting and gathering firewood. Here Donna Anderson of Middle Straits Lake demonstrates her skill as she takes her turn at the Girl Scout Day Camp at Proud Lake.

in the Girl Scout Day Camp at Proud Lake. in the Girl Scout Dap Camp at Proud Lake. Dorothy Stratman (left) of Wixom turns the crank while Leta Carpenter of Commerce keeps the ice coming. Ice-cream is the highlight of the day.

Personal Shower Fetes Bride-Elect

Former classmates and friends of Gail Putnam, bride-elect of Robert Squire, honored her at a personal shower Wednesday evening at the home of Jerry Simpson on Orchard Lake road. Assisting the hostess were Mrs. Lynn Rickel and Marlene West.

* * *

Gail, daughter of Mr. and Mrs. Carl E. Putnam of Grassland avenue, and Robert, son of Mrs. Blanche Coggins of Voorheis road, will exchange nuptial vows Aug. 20 at Orchard Lake Presbyterian Church.

The bride-elect chose this occasion to announce her wedding attendants. Ruth Ann Putnam will serve her sister as maid of honor. Bridesmaids will be Ruth Render, Marlene West and Nancy Coggins, sister of the bridegroom. Jeree Bachelor and Mary Colette Hamlin will act as flower girls with Carl Putnam Jr., ringbearer.

Robert Collins will serve as best man and seating the guests will be Harold Render and Dale Richmond.

Invited guests for the Wednesday party were Jackie Garbin, Nancy Lubow, Loretta MacIntosh, Nancy Hauver, Shirlee Hauver, Shirley Strong, Shirley Ferris, Shelia Kelly, Virginia Spear, Mrs. Robert Collins, Mrs. D. L. Fortino, Nancy Coggins, Ruth Ann Putnam and Mrs. Robert Hobson.

BIG COOLING JOB — With temperatures rising high in the 90's in this area a lot of humans would appreciate the same kind of hosing down this elephant is receiving at the St. Louis Zoo. Hoses are being liberally applied on animals that need or will tolerate them.

Barkley Challenges Chandler's Fitness

LOUISVILLE, Ky. (AP)—Sen. Alben W. Barkley, making a belated appearance in the Democratic primary fight, has accused A. B. (Happy) Chandler of deserting him when Barkley sought the presidential nomination.

Barkley also challenged Chandler's fitness to run for governor on the party's ticket, claiming he frequently deserted the Democrats to support other candidates and other causes.

Returning to his home state from Washington last night, Barkley spoke in behalf of Bert T. Combs, who is battling Chandler for the gubernatorial nomination.

Kentucky holds its primary election tomorrow.

The Belgian Congo is the world's largest source of diamonds, but only about 2 per cent are suitable for gems, with all others going into industrial uses.

Dems Assail Dam Approval

FPC's OK on Private Hydro Financing Is Hit by Senators

By JACK BELL

WASHINGTON (AP)— Democratic senators assailed bitterly today the Federal Power Commission's action in approving a privately financed hydroelectric project in the Hell's C[illegible]n area.

The Democrats indicated they intend to make a national issue, if possible, of the commission's grant to the Idaho Power Co. of authority to build three power dams. These would flood the site of a proposed federal Hell's Canyon dam on the Snake River border between Idaho and Oregon.

* * *

Public power advocates have been trying unsuccessfully for years to have Congress authorize a single, high-level dam in the canyon as a federal project. They have contended the private development would not make full use of the potential.

Sen. Kerr (D-Okla) predicted that by the time the Democratic-controlled Congress gets through with it the commission's order "will be corroding in the same graveyard where the Dixon-Yates contract reposes."

Sen. Magnusen (D-Wash) called it "a complete sell-out of God-given resources to the private power lobby."

Sen. Humphrey (D-Minn) said in a separate interview the FPC action announced yesterday "is just another example of the fact that this administration waits until Congress is away to uncork its special interests packages."

Democrat on GOP Group to Suggest Poll Topics

WASHINGTON (AP)—Outgoing Undersecretary of Defense Robert B. Anderson, an Eisenhower Democrat in 1952, has taken on a chore for the Republican National Committee.

He was listed by GOP headquarters today as one of six on a committee to suggest topics and draft questions on public issues to be used in opinion polls beginning this fall.

Anderson officially leaves his government position Friday when his successor Reuben S. Robertson Jr., Cincinnati, is sworn in.

Seven-Point Buck Killed by Car South of Bad Axe

BAD AXE (AP)—Arnold Ackerman, Harbor Beach, struck and killed a 7-point buck that wandered onto M 53 about 17 miles south of Bad Axe early yesterday.

The deer flew up and landed on the hood of Ackerman's car, causing extensive damage.

Ackerman was not hurt. The deer's body was claimed by State Conservation Department agents.

Fourth of July fireworks cause four deaths in 1954, one in 1953 compared to 466 in the United States in 1903, says the National Geographic Society.

THE precise meaning of the name Pontiac has never been determined. The name was pronounced in the Ottawa language as Bwon-diac. The French wrote it as Pondiac and the English as Pontiac or Pontiack.

Tribe Trails White Sox 2 Points in Title Race

By THE ASSOCIATED PRESS

The surging Cleveland Indians, battling to retain their American League title, today were only two percentage points back of the pace setting Chicago White Sox today after attaining their highest rating since they held the lead on May 20.

The New York Yankees seeking their sixth pennant in seven years, are only a game out of first place, but since July 4 they have been marching steadily backward while the other contenders have been advancing in near-perfect unison.

* * *

On the morning of July 4, a little more than a month ago, the Yanks had a 6½-game lead. Today, in third place, they not only are looking up to the White Sox and Indians but have only a one-game bulge over the fourth place Boston Red Sox and 5½ over the fifth place Detroit Tigers.

* * *

Cleveland's 6-3 victory over the Yankees yesterday left the New Yorkers with a sickly 11-18 record since Independence Day. The Red Sox, who started the Yanks' slide with a doubleheader victory on July 4, have a 20-9 record since then after a 7-3 romp over the White Sox. Jackie Jensen, discarded by the Yankees in 1952, drove in four runs with a triple, single and sacrifice fly.

* * *

Despite the loss, Chicago has a 20-12 record since July 4, while Cleveland is 20-11 and Detroit 21-13 even though they goofed yesterday by dropping a 9-6 verdict to Washington.

Adding to Stengel's cup of woe, ex-Yankee Ed Lopat whipped Kansas City 8-1 yesterday in his first start since leaving New York.

Most of the noise in the National League came from the booming bat of Chicago shortstop Ernie Banks, who walloped three home runs in the Cubs' 11-10 victory over Pittsburgh.

* * *

Catcher Roy Campanella relieved Snider of the home run hitting burden as he walloped a ninth-inning three-run homer that brought the Brooks an 11-10 victory over Milwaukee and a lead of 15½ games over the Braves, their biggest margin of the season.

Relief pitcher Joe Nuxhall of the Cincinnati Redlegs started a double play with the bases loaded to preserve a 4-3 victory over Philadelphia and Tom Poholsky of St. Louis stopped New York on only four hits for a 3-0 victory.

* * *

Vic Wertz put over the crusher for Cleveland with a three-run homer, while Al Rosen blasted four hits in as many times at bat. Mickey Mantle of the Yanks took the league lead with his 24th home run in the ninth but the slugger, who had struck out twice previously, was booed as he trotted around the bases.

Jimmy Piersall, the third man in Boston's outfield with Jensen and Ted Williams, contributed a home run, double and single, while Norm Zauchin also had a homer. Ancient Ellis Kinder, making his 30th relief appearance of the season, retired the final five batters on 13 pitches.

* * *

Eight home runs were hit in the Chicago-Pittsburgh game, which had 30 hits. Eight pitchers toiled in that game. Banks won it with his last homer, which came off Dick Littlefield with a man on base in the last half of the eighth.

Nuxhall's pitching, and fielding, gave the Redlegs their eighth victory in nine games. Wally Post chipped in his 26th homer and later scored the winning run on Bob Thurman's single.

AP Wirephoto

MICKEY KNOWS — Mickey Mantle, right, poses at Yankee Stadium with 19-year-old Bobby Richardson, second baseman bought by the Yanks from Denver of the American Association in a deal that saw shortstop Billy Hunter optioned to Denver. Mantle was just a kid himself when he hit the big time of baseball. Richardson has been batting .302 for Denver.

Yanks Face Chance of Loss of Series

NEW YORK, (AP)—For the first time since Casey Stengel took over as manager in 1949, the New York Yankees are faced with the possibility of losing a season's series.

The Indians lead the Yanks 10-7 with three games remaining to be played in Cleveland two in New York. With the White Sox they stand 9-9 with two remaining at Yankee Stadium and two in Chicago.

They lead the Boston Red Sox 6-4 with 12 games to be played and with Detroit they have split 14 games.

Eddie Arcaro at 40 is having one of his best years as a jockey. He led the Aqueduct riders with 25 victories.

Sugar, 3 Aides Out Under Ban

Must Pay for Bout Canceled March 5 at Boston Garden

BOSTON, (AP)—The Massachusetts Boxing Commission has suspended Sugar Ray Robinson and three of his managers until they reimburse the Callahan AC for expense money in a March 5 canceled bout, scheduled for Boston Garden.

The commission took action Thursday. The expenses totaled $2,500 when Robinson made a last-minute withdrawal from a match with Georgie Small of Brooklyn. The managers include George Gainford, Ernie Bracca and Vic Maarsala.

Though Robinson said he was ill when he canceled, the commission doctor said he found no evidence of sickness or injury.

THURSDAY'S STARS

BATTING — Ernie Banks, Cubs, walloped three home runs and a single, batting in seven runs in Cubs' 11-10 victory over Pittsburgh.

PITCHING — Tom Poholsky, Carinals, shut out New York 3-0 allowing only four hits.

3 Tied for Lead in Tam's 2nd

CHICAGO (AP)—The weather may switch on Tam O'Shanter's sun-scorched acres today, but lower temperatures or not, a wide-open second-round scrap looms in the $25,000 All-American Golf tourney.

The weather prediction is for a little cooler weather. A prediction on who will break the three-way tie for first between Wally Ulrich, Arnold Palmer and Ted Kroll was much harder to get.

They were deadlocked at 68, four under par. Only a stroke behind were seven players, including 1955 PGA champion Doug Ford. Other 69 openers were Al Mengert, Tom Talkington, Jay Hebert, Bo Winninger, George Bolesta and Walker Inman Jr.

* * *

Two strokes off the pace in the chase for the $3,420 first prize were eight players knotted at 70. In all 43 players betered or matched Tam's 6,915-yard par 72.

Withering 96-degree temperature browned the fairways and made the greens bumpy yesterday. Yet, the pace was fast, not only in the men's pro division, but also in the concurrent men's amateur and women's pro and amateur competition.

Doug Sanders, University of Florida star from Cedartown, Ga., took a three-stroke lead among the men amateurs.

The top feminine shooter, in either pro or amateur play, was 18-year-old Wiffi Smith, two under women's par.

* * *

The women's pro leadership was shared at 75 by Patty Berg and Carol Bowman. The top prize in this $5,000 feature is $1,000.

Actually, the All-American battling is merely a warmup for the $100,000 "World" tournament — with a $50,000 cash first prize—coming up here next weekend.

That may explain why defending All-American champion Jerry Barber eased off to an opening 71; why Slammin' Sammy Snead took a 72; why 1954 "World" winner, Bob Toski, placed at 73, and why the 1955 U.S. Open champ, Jack Fleck, produced an anemic 77.

* * *

Fleck's wobbly start may even bounce him out of the All-American after today's second round. Only the top 76 scorers, plus ties, will be eligible for the final 36 holes Saturday and Sunday.

Among nine players notched at 71, three strokes off the pace, were such name shooters as Peter Thomson of Australia, British Open champ; Robert de Vicenzo, the Argentine now registered from Mexico City, and flamboyant Jimmy Demaret.

Pennsylvania's Governor Retains Ban on Pro Fights

HARRISBURG, Pa., (AP) —Gov. George M. Leader Thursday announced he would continue his 90-day ban on professional boxing in Pennsylvania until a new athletic code has been written into law.

The governor's action could extend the ban, originally scheduled to end Monday, until Aug. 29.

The measure has been approved by the House and is expected to be approved by the state Senate late tonight.

* * *

The ban grew out of the Harold Johnson-Julio Mederos fight of May 6 in Philadelphia. The state athletic commission said Johnson, who was unable to answer the bell for the third round, had been drugged prior to the fight.

Leader ordered the ban several days after the fight and directed the state athletic commission to investigate the bout and draw up a new boxing code.

The commission subsequently suspended Johnson's license for six months.

Johnson Thursday appealed to the Dauphin County Court here for a lifting of the ban.

Major Leagues Lack Heckler Like This One

HOBBS, N. M. (AP)—This southeastern New Mexico oil community claims utter superiority in the field of baseball heckling.

Jim Winslow, a cafe operator, uses what players call "steady chatter and razzing."

Visiting players regularly tip their hats, bow politely or growl at him.

Thurman Tucker, manager of the Carlsbad Potashers in the Class C. Longhorn League, says there is no better rider than Hobbs in the major leagues.

3-Way Battle for Army Golf Title

FT. MEADE, Md., (AP)—Three, possibly four, servicemen appeared in position to capture the open division championship of the All-Army Golf Tournament today as the final 18 holes began.

Pfc. Dick Goerlich, 4th Army representative from Beaumont, Texas, and Spec. 3.C. W. J. Williamson, a 3rd Army golfer from Charlotte, N.C., were tied for the lead with scores of 215.

Pfc. Dan Sikes of Jacksonville, Fla., representing 2nd Army, had a 217 total and Sgt. 1-C Murray Jacobs of Baton Rouge, La., 2nd Army golfer, had 219.

Boston Whips Chicago, 7 to 3, to Stun League

White Sox Percentage Lead Cut to 2 Points as Bosox Pull Up

BOSTON (AP)—The insaltable Boston Red Sox have the American League agog and first place Chicago groggy after pulling to within two games of the top.

Boston's well-balanced unit, which has proved it can belt the opposition from any direction, whipped the White Sox 7-3 yesterday in the rubber game of their three-game set and cut Chicago's AL lead to two percentage points.

* * *

Boston's 42nd victory in its last 56 games put it closer to first place than at any time since the first two weeks of the season.

"Beating the Indians two out of three, the Tigers three out of four and the White Sox two out of three is just the proper pace for this stage of the race," commented Boston Pilot Mike Higgins after yesterday's conquest."

That makes the current home stand record 7-3 with Kansas City on the menu tonight.

Balance and desire are the secrets.

* * *

The Red Sox want to beat the best there is and yesterday the incentive was terrific to pin a defeat on Chicago's All-Star pitcher, lefty Billy Pierce.

In three innings Boston had three earned runs against a guy who had yielded only one earned run in his previous 35 2-3 frames.

Jackie Jensen, his right arm heavily bandaged from a slide last week, drove in four runs with a triple, a single and a sacrifice fly. His two-run double had beaten Chicago the preceding day, 6-4.

Filly Stakes Finale for Grand Circuit

GOSHEN, N. Y. (AP)—The Grand Circuit winds up a 5-day stand at Good Time Park today with 3-year-old filly trotters and pacers clashing in the two divisions of the Breeders Filly Stake.

The equine Misses, who were not considered good enough for last Wednesday's Hambletonian or Geers Stake, will have to step to keep up with the fast times turned in the first four days by other Grand Circuit performers.

Set Aug. 13 as Qualifying Day for Medal Test

City Men's Tourney Fixes New Rule for Medalist Award

Pontiac area's top amateur golfing contenders are expected to line up for the 1955 City Medal Play Championships, Aug. 20-21 at the 18-hole Municipal Course.

Qualifying rounds will be played Aug. 13, over an 18-hole distance. Top 20 and ties will join past champions and last year's five top players who are exempt from the preliminary test, in the title race.

The final rounds on Aug. 20-21 will be 36 holes.

Parks & Recreation Department, directing the championships, has announced a change in rules concerning award of honors for low scorer in the qualifying test.

"We have felt that in the past permitting former champions and the top 5 from the previous to play for the medal, has kept many others out. So, this year, none of the top players, as mentioned, will take part in the qualifying. They qualify automatically."

It is expected that last year's champion, Paul Bada, and runner-up Joe Gaines will be back. Gaines was medalist, Bada runner-up in qualifying. But Paul won the title after losing to Gaines in the medal playoff. They tied at 71. Last year's field had 56 players.

When Klu's on 1st, Skip Photo Finish

NEW YORK—Sandy Amoros of Brooklyn hit a ground ball wide of first base.

Tedd Kluszewski, Cincinnati's tree-sized first baseman, fielded the ball and raced to the bag. Little Amoros was clearly out by a half step.

"Had Amoros wound up in a tie with that guy," remarked an observer, "It would have been the costliest photo finish in history."

Archie Changes Diet

NEW YORK—Archie Moore is a vegetarian when not training, but with Rocky Marciano on tap, he is eating steak.

Balanced
Everything it takes to be "TOPS"

STANDARD
GASOLINES

...balanced for top power, economy, and all 'round performance ... and raised to the Highest Octane levels in our history

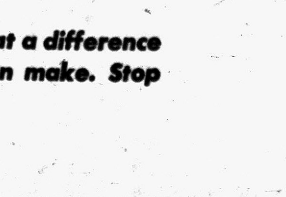
Most modern high compression automobile engines call for increased octane to assure smooth, efficient, knock-free operation . . . and that's what they get with STANDARD WHITE CROWN and RED CROWN Gasolines, raised to the highest octane ratings in our sixty-six year history. But octane alone is not the whole answer. Good gasolines must be carefully *balanced* too—to take care of all the requirements of your car's engine, regardless of age or type. Standard Gasolines *are* balanced to give you controlled volatility—the right gasoline for the right season with no vapor lock even in the hottest weather; and to give you all 'round smooth, efficient, economical performance.

Fill up and find out what a difference these fine gasolines can make. Stop at Standard today!

Are all gasolines pretty much the same?

NO, THEY'RE NOT. Standard's research brings you the best in gasolines. And we guard their quality from refinery to your car through exclusive terminals, lake tankers, river barges, pipelines, tank cars and trucks. No gasolines arrive at or go out of our terminals but Standard Gasolines. That's why they are distinctly different!

You expect more from STANDARD and get it!



Pontiac Deaths

Mrs. W. Guy Countryman

Word has been received here of the death of Mrs. W. Guy (Clara) Countryman, 65, in St. Petersburg on Thursday.

Mr. and Mrs. Countryman moved to Florida about four years ago when he retired. They lived at 59 Pingree for many years.

She was a life member of Eastern Star.

She is survived by her husband, and two sons, Charles in Los Angeles and Walter in Waterbury, Conn.

Funeral will be in St Petersburg Saturday.

Mrs. Mark R. Fisher Jr.

Funeral for Mrs. Mark R. (Amy P.) Fisher, Jr. of 765 Coolidge Rd. will be Saturday at 11 a.m. from the Bell Chapel of William R. Hamilton Co. in Birmingham. Burial will be in White Chapel Memorial Cemetery.

Mrs. Fisher died after a brief illness at University Hospital in Ann Arbor on Tuesday.

Harold C. Herbert

Graveside service for Harold C. Herbert, 70, of 57 Whittemore St. was held today in Maple Grove Cemetery at North Branch. Arrangements were by the Pursley Funeral Home.

Mr. Herbert died Wednesday in St. Joseph Mercy Hospital.

Born in England Oct. 1, 1884 he was the son of Mr. and Mrs. Charles Herbert. He came to Pontiac from Detroit 18 years ago and was an automobile mechanic.

His only survivor is a son, Walter S. Sheffield of Pontiac.

Clarence Hockey

Funeral for Clarence Hockey, 52, of 413 Broadway Ave. will be Saturday at 1:30 p.m. from the Huntoon Funeral Home.

Besides his widow, the former Lorene Bastedo, whom he married in Saginaw in 1932, he is survived by his mother; two daughters and a son, Mrs. Carolyn Whitehead of Livonia, Jerry in the U.S. Navy, and Mrs. Alida Douglas of Clarkston. Also surviving are two sisters and two brothers, Mrs. Vivian Hetzman of Dearborn, Mrs. Mary Snover of Highland Park, George of Merritt and Chester in Arizona.

Mr. Hockey died suddenly Wednesday.

Stanley J. Nivelt

Stanley John Nivelt, 61, of 9358 Waltham Rd. died Thursday forenoon in St. Joseph Mercy Hospital. He had been ill two years.

Born in Austria April 24, 1894 he came to Pontiac from Detroit eight years ago and was last employed as tool and die maker for Advance Stamping Co. at Brighton.

Surviving are two sons, Stanley J. of Pontiac and Henry Nivelt of Detroit; a brother Joseph in Europe and two grandchildren.

Funeral will be Saturday at 11 a.m, from Farmer-Snover Funeral Home. Burial will follow in Mt. Hope Cemetery.

News in Brief

Albert Lee Bryant, 43, of 250 Nebraska Ave., pleaded guilty yesterday before Municipal Court Judge Cecil B. McCallum and paid a fine of $100 for illegal possession of betting slips.

After pleading guilty to reckless driving yesterday, Wesley Lash, 32, of Walled Lake, paid a $35 fine and $15 costs assessed by West Bloomfield Township Justice Elmer C. Dieterle.

Dr. George N. Petroff of 219 Cherokee Rd., reported to Pontiac Police last night that his daughter's bicyle was removed sometime Wednesday night from in front of the Petroff residence. Value of the bicycle was placed at $50.

Pontiac Police received a report last night from H. C. Cites of 55 Illinois St., that while he was driving on North Perry Street someone through a rock at his car which caused $150 damage to the windshield.

Open Chemical Plant

WHITE PLAINS, N. Y. (AP) — Reichhold Chemicals, Inc. has announced the opening of a new plant on an eight-acre site in Kansas City, Kan.

Grains Dip Low on Trade Board

CHICAGO (AP) — Most grains headed lower in fairly active dealings on the board of trade today. Wheat again was under considerable pressure, selling at the lowest prices of the week.

Soybeans acted better than anything else. While mostly lower at the start, they quickly reversed their trend. The September future, primarily an old crop month, led this upturn. New crop months followed.

Wheat near the end of the first hour was ⅛ to ⅝ lower; September $1.96¾; corn ¼ to 1⅛ lower, September $1.36¼; oats ⅛ to ¼ lower, September 60½; rye unchanged to ¾ higher, September $1.01; soybeans ¼ to ¾ higher, September $2.29¼, and lard 8 to 10 cents a hundred pounds higher, September $10.55.

Mixed Market Turns Higher

NEW YORK (AP)—The stock market recovered from a mixed start today and moved higher in early dealings.

The turn ahead carried prices up between 1 and 3 points while losses were small.

Strength in the market was lodged largely in individual stocks rather than in groups. Aircrafts, a strong point in yesterday's weak market, were active and higher today.

Du Pont, off 6 points yesterday, regained nearly half that amount today in early trading. Standard Oil (NJ), also down 6 points yesterday, was able to regain around a point today.

Chrysler, off sharply yesterday and down abruptly today at the opening on disappointing dividend news, steadied itself quickly and began to climb up from its low.

Yesterday's market dropped sharply, but in an orderly manner, after the federal reserve and commercial banks tightened up on credit by raising interest rates. It was a slap at inflation.

At the start today, prices were up around a point at the best while losses were fractional.

County Deaths

Mrs. Edgar Bird

WALLED LAKE—Service for Mrs. Edgar (Henrietta) Bird, 88, will be held at 2 p.m. Sunday at the Richarson-Bird Chapel in Walled Lake, with burial in Richardson Cemetery. She died Thursday.

Surviving are her husband, two daughters, Miss Inez Bird of Indianapolis, Ind. and Miss Verna Bird of Walled Lake.

Plans Shopping Center

BATTLE CREEK (AP)—Plans for a $500,000 shopping center in adjacent Bedford Township were announced Thursday by Dr. Warren M. Dodge, Battle Creek physician. The Kalamazoo construction firm of Miller-Davis Co. last Tuesday announced plans for a similar million dollar center in suburban Urbandale.

ADVERTISEMENT FOR BIDS
BOARD OF EDUCATION
WATERFORD TOWNSHIP SCHOOL DISTRICT

The Board of Education for Waterford Township School District, Waterford Township, Oakland County, Michigan, Superintendent of Schools' office at 3101 West Walton Boulevard, Pontiac, Michigan, will receive sealed bids for the complete installation of a deep drilled well, in connection with an Elementary School, located on Midland drive near Sashabaw road.

Bids will be received until 8:00 p.m. E.S.T., August 25, 1955, at which time and place they will be publicly opened and read aloud.

The completion date for the installation of the well shall be designated by the contractors in their proposals.

The accepted bidder will be required to furnish satisfactory performance bond and labor and material bonds.

Plans and specifications may be obtained at the office of the Architects, George D. Mason & Co., 409 Griswold Street, Detroit 26, Michigan.

Proposals must be submitted on forms furnished by the Architects, supplemented by a bid bond in the amount of 5% of the bid submitted. In the event the successful bidder fails to enter into contract with the Board of Education, the amount of the bid bond must be forfeited to the Board of Education.

All proposals submitted shall remain firm for a period of 30 days after official opening of bids.

A check made out to George D. Mason & Co., in the sum of $10.00 must be submitted as a deposit for each set of plans and specifications, same to be refunded when plans and specifications are returned.

The Board of Education reserves the right to reject any or all bids in whole or in part, and waive any informalities therein.

MARSHALL E. SMITH,
Secretary, Board of Education
Aug. 5, 12, 1955

NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held by the Pontiac City Commission in the Commission Chamber, City Hall, 35 S. Parke Street on Tuesday, August 30, 1955 at 8 o'clock p.m. Eastern Standard Time on the proposed vacating of portions of Vernon Drive, Crescent Drive, Court Drive and Pontiac Drive in Assessor's Plat 13, in accordance with resolution adopted by the City Commission July 26, 1955 as follows:

"By Comm. Dugan, supported by Comm. Lutz. Whereas, the City Engineer and Secretary of the City Plan Commission have recommended the vacating of the following described streets,

Therefore be it resolved, that a public notice be given in accordance with Section 2, Chapter XIII of the City Charter of the proposed vacating of portions of Vernon Drive, Crescent Drive, Court Drive and Pontiac Drive, more particularly described as:

1—Vernon Drive from Crescent Drive to Victory Drive

2—Crescent Drive from Court Drive to West line Assessor's Plat 13

3—Court Drive from Delco Drive to Pontiac Drive

4—Pontiac Drive from West line Court Drive to Victory Drive

Be it further resolved, that a public hearing be held on the proposed vacating of the above mentioned portions of streets on Tuesday, August 30, 1955, and

Be it further resolved, that final action on the vacating of the aforementioned streets be withheld until the streets in the proposed plat of "Pontiac Knolls Subdivision" have been deeded to the City of Pontiac, with a stipulation that all streets on the plat of Pontiac Knolls Subdivision will be dedicated with the plat."

By order of the City Commission
Dated: August 1, 1955.

ADA R. EVANS,
City Clerk.
Aug. 5, 1955

ORDINANCE NO. 1284
Adopted August 2, 1955
Effective August 2, 1955

An ordinance to Amend Ordinance No. 722 Entitled "An Ordinance Regulating the Adoption and Approval of Plats" by Adding to Said Ordinance Section 7C.

The City of Pontiac Ordains:

Section 1.

That Section 7C be added to Ordinance No. 722 entitled "An Ordinance Regulating the Adoption and Approval of Plats or Subdivisions in the City of Pontiac, Oakland County, Michigan" said added and amended section to read as follows:

Section 7C. The City Commission is hereby authorized, in addition to the procedures specified in Sections 7A and 7B of Ordinance No. 722, to accept a cash deposit or negotiable United States Government Bonds to be held as a guarantee for the installation of such improvements and conditioned that such deposit shall be irrevocably set aside for the improvements required under Ordinance No. 722 in the Subdivision for which the Plat has been approved. The owner or owners making such cash deposits as above provided shall enter into an Agreement with the City of Pontiac covering such improvements and such Agreement shall provide the time of installation, the method of paying for the cost of said improvements and any other provisions necessary to the protection of the City of Pontiac and the owners of said Subdivision. After the above deposit has been made and the agreement accepted the plat may be approved by the City Commission.

Section 2.

All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 3.

This ordinance shall take immediate effect as it is hereby deemed to be an emergency ordinance within the meaning of Section 2, Chapter 3 of the Charter of the City of Pontiac.

Made and passed by the Commission of the City of Pontiac on this 2nd day of August, A.D. 1955.

WM. W. DONALDSON,
Mayor.
ADA R. EVANS,
City Clerk.

Aug. 4, 5, 1955

ORDINANCE NO. 1285
Adopted August 2, 1955
Effective August 12, 1955

An Ordinance to Add Section 8A and to Amend Section 13 of Ordinance No. 1119 Entitled "An Ordinance to License and Regulate Hawking and Peddling in the City of Pontiac and to Prohibit the Peddling of Certain Food Products.

The City of Pontiac Ordains:

Section 1.

That Section 8A be added to Ordinance No. 1119, said added and amended Section to read as follows:

Section 8A. It shall be unlawful for any person peddling wrapped frozen ice cream bars, frozen ices known as popsicles or other forms of ice cream products from vehicles to make sales to minors under the age of sixteen (16) years unless such person so peddling and vending is accompanied by an assistant eighteen (18) years of age or over whose principal duty shall be the protection of small children from traffic hazards who are attracted to such vehicle.

Section 2.

That Section 13 of Ordinance No. 1119 be and the same is hereby amended to read as follows:

Section 13. It shall be unlawful for any licensee to vend or peddle any merchandise in the City of Pontiac when such licensee has attached to his vehicle, from which the peddling is carried on, any bell, chime or other noise making device for the purpose of attracting persons to buy the merchandise said licensee has for sale provided that this prohibition shall not be construed to exclude the customary horn required under the Motor Vehicle Law of the State of Michigan. It shall be unlawful for any licensee to call out or make any noise of any kind whatsoever, or to use a bell, horn or other noise making device with a view of attracting persons to buy the goods said licensee has for sale.

Section 3.

All Ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 4.

This Ordinance shall take effect ten days from and after its final passage by the City Commission of the City of Pontiac.

Made and passed by the City Commission of the City of Pontiac this 2nd day of August, 1955.

WM. W. DONALDSON,
Mayor.
ADA R. EVANS,
City Clerk.

ADVERTISEMENT FOR BIDS

The Board of Education of the Bloomfield Hills School District No. 2 of the City of Bloomfield Hills, Michigan will receive bids on the materials, labor and related items for landscape and site improvement work for the Bloomfield Hills High School, West Long Lake Road at Andover, Bloomfield Township, Michigan until 12:00 o'clock noon E.S.T. Monday, August 22, 1955 at the office of the Board of Education, Bloomfield Hills School District No. 2, Bloomfield Hills, Michigan, Vaughan Road.

Proposed forms of contract documents, including plans and specifications, are on file at the office of Wilcox and Laird, 355 Henrietta Street, Birmingham, Michigan.

Copies of the documents may be obtained on or after Tuesday, August 9, 1955, by depositing twenty ($20.00) dollars, with the office of Wilcox and Laird for each set of documents so obtained. The amount of the deposit will be refunded to each person who returns the plans and documents in good condition within 10 days after the opening of bids.

Bids will be opened at 8 p.m. E.S.T. August 22, 1955 in the office of the Board of Education, Vaughan School, Vaughan Road. The Board of Education, of the Bloomfield Hills School District No. 2, Bloomfield Hills, Michigan reserves the right to reject any or all bids and to waive any informalities in bidding.

No bid shall be withdrawn for a period of twenty (20) days subsequent to the opening of the bids without the consent of the Board of Education, Bloomfield Hills School District No. 2, Bloomfield Hills, Michigan.

BROAD OF EDUCATION,
BLOOMFIELD HILLS
SCHOOL DISTRICT
DOUGLAS L. JOCELYN,
Secretary.
Aug. 5, 6, 8, 1955

NOTICE TO BIDDERS

Sealed proposals will be received by the Board of County Road Commissioners of the County of Oakland at their offices, 550 S. Telegraph Road, Pontiac, Michigan, until 11:00 a.m., Eastern Standard Time, August 15, 1955, at which time and place they will be publicly opened and read for furnishing season's requirements of the following:

Bulk Rock Salt

100 lb. Sacks of Rock Salt

Information, bidding blanks and specifications may be obtained upon request.

All proposals must be plainly marked as to their contents.

The Board reserves the right to reject any or all proposals or to waive defects and to accept the proposals that, in the opinion of the Board, is to the best interest and to the advantage of the Board of County Road Commissioners of the County of Oakland, Michigan, and of the County of Oakland, Michigan.

Mr. Shafer is at the Donelson-Johns Funeral Home, where he may be viewed after 7 p.m. tonight.

Card of Thanks 1

WE WISH TO THANK OUR friends, neighbors and relatives for their acts of kindness and floral offerings during our recent bereavement in the loss of our beloved wife and mother, June Maxwell. Special thanks to Rev. Tom Malone, Voorhees-Siple Funeral Home, GMC Truck and Coach and employes. Husband and Son.

WE WISH TO EXTEND OUR heartfelt thanks and appreciation for the acts of kindness, messages of sympathy, and beautiful floral offerings received from our kind relatives, friends and neighbors during our recent bereavement in the loss of our beloved baby. We especially thank the Rev. Perry Thomas for his comforting words, and also C. J. Godhardt, Mr. and Mrs. Kenneth Maybee and sons.

Communities to Get Help in Luring New Industry

LANSING (AP) — The State Economic Development Department today announced a series of industrial development workshops to help community leaders attract new industry.

The first will be held at Mount Pleasant Aug. 17. Others will be held Aug. 23 at Ludington, Aug. 24 at Traverse City, Aug. 25 at Petoskey, Aug. 30 at Alpena and Aug. 31 at Standish.

Others will be held later in other parts of the state.

Grand Jury Recalled

GRAND RAPIDS (AP) — Federal Judge W. Wallace Kent has signed an order reconvening a Federal Grand Jury Aug. 30. United States Attorney Wendell Miles said the jury probably will sit for a session of two or three days.

160 Acres for Only $10

Why Don't More Yanks Settle in Alaska?

By PHYLLIS BATTELLE

FAIRBANKS (INS) — Considering that Americans are lovers of beauty, freedom and bargains, it seems incredible that more people are not snapping up the no-charge, no-strings-attached real estate in Alaska.

* * *

What do they want, anyway—uranium in their free front yard?

The remarkable fact is that Alaska, which is roughly one-fifth the area of the U.S., has a population of less than 250,000. Which is fewer people than trundle the uncrowded streets of my home town of Dayton, Ohio.

That leaves something like 360-million acres of Alaskan territory just lying there untended, with nobody to water the flowers and herd the potential reindeer steaks.

Anyone with $10 and a sincere desire to build himself a life in Alaska can take up to 160 acres of this spectacular mountain view lawn and call it his.

TAXES SMALL

Under the homesteading provisions of the U.S. government, all he needs is to give up $10 (this is the fee for recording a notice of settlement), and prove he can improve his property and make a living on it. After three years of proving himself, the land-lubber takes complete ownership of the land, and starts to pay taxes on it.

* * *

There's always a catch . . . but the taxes are small.

"I honestly don't know what you crazy city people are waitin' for," muses a homesteader here for two years. "But I'm not complainin' either. Too many cooks, or whatever it is, spoils the broth." And too many wandering newcomers from the States might spoil the carefree, live-and-let-live disposition of Alaska.

On the surface, this homesteading business looks like the greatest bargain since bank night at the "Bijou." However, to get the straight facts, we went to the territory's Bureau of Land Management, and a spokesman clarified the puzzle of why more Americans haven't more enthusiastically taken the territory up on its offer of free squatting.

"Alaska has vast natural resources—minerals, fish, game, water power," he explained, 'but you can't take it for granted you'll be a successful settler simply because these resources exist. You also need a pioneering spirit—and that isn't said poetically, but rather literally."

PROBLEMS LISTED

Among the problems are these:

1) A prospective homesteader needs money aplenty to take care of clearing and preparing his land, constructing necessary roads and buildings and equipment to make it pay off, and feeding himself and family. Costs for food, equipment and labor are higher in Alaska than in the States.

* * *

2) Extreme care is needed in selecting land which might prove productve in cultivation. A "few soil surveys" have been made—but not nearly enough.

And even these are inconclusive. "There is no single indicator of good land" in Alaska, the bureau states.

3) The weather requires flexible good nature. Depending on what section the territory a settler selects, he—and his business—may suffer from 70-below cold up to 100-above heat. In any case, he must face short, agreeable summers and long, often disagreeable winters.

4) It is not a woman's world. Even in the "big cities" of Fairbanks, Anchorage and Juneau, the bridge clubs are rare, the plush hotels are non-existent, the shopping centers dull and costly.

So look the situation over carefully before selecting a free site, warns the bureau. It's the most beautiful land in the world—if you like it. It can be the grimmest—if you love the soft life.

This must be the reason more Americans haven't headed here. Even more than bargains, the American hunts ease, luxury, the push-button life . . . and Alaska hasn't one-square mile's worth of these things to sell. Much less to give away!

Inject Two Names to Succeed Talbott

WASHINGTON (AP) — Two new names were injected today into the speculation over a successor to Harold E. Talbott as secretary of the Air Force.

* * *

The Kansas City Star said in a dispatch from Washington that David S. Ingalls' appointment to the post is expected before President Eisenhower leaves for a Colorado vacation about 10 days hence.

The Rocky Mountain News, published at Denver, said in a copyrighted story that former Colorado Gov. Dan Thornton, 44, can have the position "if he wants it."

* * *

Neither newspaper named the sources of its information.

Talbott resigned Monday, effective a week from tomorrow. He said he did so lest the Eisenhower administration be embarrassed by publicity about his outside business interests.

Driver Faces 6 Counts

Arrested on six traffic warrants by Pontiac Police Wednesday was Hubert L. Hanserd, 26, of 330 Franklin Rd.

Police charge that Hanserd had no operator's license, was blocking traffic, ran a stop street and was speeding 40 m.p.h. in a 25 m.p.h. zone.

Union Leader Dead

GRAND RAPIDS (AP) — John A. Roberts, president of AFL Plaster & Cement Finishers Local 115 the past eight years, died Wednesday morning at Butterworth Hospital after a lingering illness. He was 67.
