Elementary Schools Pledge Cooperation in Vaccination Program

Plans for the expected immunization of some 31,000 Oakland County school children with a Salk-type polio vaccine were completed at a meeting of representatives of several participating health organizations at St. Joseph Mercy Hospital last month.

(See additional details on page 17)

Dr. John D. Monroe, county health director, told those present that all elementary schools in the county have been contacted.

The schools have pledged full cooperation in helping to set up clinics for the three-shot series when a go-ahead is received from the vaccine evaluation unit at Ann Arbor, Dr. Monroe said.

Dr. F. M. Adams of Birmingham, chairman of the polio committee of the Oakland County Medical Society, reported member physicians would volunteer their services to staff the clinics.

Others who reported on phases of the preparations were Dr. C. P. Mebas of Birmingham, chairman of the public health committee of the medical society; Mrs. Howard W. Riemann of Birmingham, volunteer chairman, and local representatives of the National Foundation for Infantile Paralysis.

Three Boys Admit Stealing Eight Cars

Three juvenile boys, seized in a stolen auto last night by Pontiac Police, admitted today they had stolen eight cars in the past few days here.

The youths were arrested on Chautauque avenue near Parkhurst street by police who noticed a broken window in the car.

Aged 13, 14 and 15, the youths told Sgt. Henry O. Hoyt, head of juvenile bureau, they had taken eight cars from various sections in the city. The boys said they had learned how to start the autos without keys.

Hoyt said the boys would be turned over to other juvenile authorities.

Cranbrook School Scholarships Awarded to Two

BLOOMFIELD HILLS — George E. Gary of 17 Prall St., Pontiac, and Francis William Duncan Jr. of Drayton Plains, have been named recipients of memorial scholarships awarded annually at Cranbrook School.

George, an 11th grader, was awarded the Dawson Beatty Brown Scholarship. He is the son of Mr. and Mrs. George E. Gary.

The scholarship is sponsored by Mr. and Mrs. Basil E. Brown in honor of their son, Dawson, Cranbrook '43, who was killed in World War II.

Son of Mr. and Mrs. F. W. Duncan, "Frank" is a senior and has received the Clay Doss Scholarship for the fifth year in a row. Mr. and Mrs. H. C. Doss of Detroit, sponsor the scholarship in memory of their son, Clay, who was killed shortly after his graduation in 1948.

Air Transport Plane Crashes, Killing 6

(Continued From Page One)

from Barbers Point, MATS said the plane apparently had developed engine trouble and had turned back for Hickam.

Visibility at the time was 5 miles.

Headquarters said the passengers included 20 Air Force personnel, 16 Navy, 15 Army and 3 dependents of military personnel.

Washington officials said that since January 1951, the Pacific division of MATS has carried over one million passengers and crossed the Pacific over 40,000 times without a passenger fatality.

FACING MAXIMUM LIFE SENTENCES—Four men (left to right), Oscar Chavers, 26, Joe Williams Jr., 22, Winston Johnson, 25, and Richard Chavers, 24, all charged with the March 6 kidnapping and raping of a young Pontiac mother, are shown as they appeared in court. They stood mute yesterday before Oakland County Circuit Judge George B. Hartrick, who entered an innocent plea for them. Chief Assistant Prosecutor George F. Taylor said the men face maximum life sentence upon conviction.

Statue of F.D.R. in London Square Gets Traitor Tag

LONDON (U)—"Traitor of Yalta" was scrawled in red paint across the base of a statue of President Roosevelt in London's Grosvenor Square early today.

The defacement was believed the work of an Englishman angered by the disclosure in the Yalta conference papers released in Washington last week that Roosevelt suggested handing over Hong Kong to China.

The towering bronze statue in a small park opposite the U.S. Embassy was erected out of funds contributed by thousands of Britons. It was unveiled by Mrs. Roosevelt March 12, 1948.

Ministry of Works officials sent out men to scrub off the paint.

There was an echo of Yalta in Parliament, too.

Prime Minister Churchill was called upon to give firm assurances that Britain has never considered—and never will consider—ceding Hong Kong to China.

Sir Ian Horobin, a conservative who was a Japanese prisoner in World War II, asked Churchill to tell the House of Commons Thursday that Britain has "never entertained and will in no circumstances entertain any such suggestion from whatever quarter."

County Deaths

Mrs. Caroline E. Kay
LAPEER—Service for Mrs. Caroline E. Kay, 68, of 307 Washington St., will be held at 2 p.m. Wednesday at the Presbyterian Church, with burial in Mt. Hope Cemetery. The body is at the residence, and Baird Funeral Home has charge of the services. She died Sunday.

Surviving are a daughter, Mrs. George W. Desjardins, two grandsons, Dr. B. K. White of Ann Arbor and Major W. J. White, USMC, and seven great-grandchildren, two sisters, Mrs. J. W. Treleven and Miss Elizabeth Gibbings, and a brother B. J. Gibbings, all of Clinton, Ont.

Frank Hamilton
ALMONT—Service for Frank Hamilton, 62, of East St. Clair street, was held this afternoon at Muir Brothers Funeral Home, with burial in Hough Cemetery. The Almont Lodge 51, F.&A.M., and American Legion Post 478, conducted a graveside service. He died suddenly Thursday at San Diego, Calif., while on a vacation trip.

Mr. Hamilton, a retired rural mail carrier at Almont, is survived by his widow, Eunice, two sons, Norman of Almont, Ronald of Jackson; two daughters, Mrs. Dorothy Seltzer of Eugene, Ore., Mrs. Carolyn Albright of Monroeville, Ohio; three sisters, Mrs. Edith Ferguson of Detroit, Mrs. Stella Liddard of Rochester, Mrs. Florence Collett of Rochester; and five grandchildren.

Fights Hubby's Battles

MANILA (U)—Mrs. Ciriaca Ladera heard three men challenge her husband to a fist fight. And she saw hubby come in the house and go upstairs.

That was too much for Mrs. Ladera, an expectant mother. She grabbed up a bolo knife, sought out the three men and sent them all to a hospital with knife wounds.

Claims Remon Mistrusted Aide

Witness Tells Feelings of Slain Panama Chief Toward Successor

PANAMA (U)—A highly placed witness testified last night that assassinated President Jose Antonio Remon mistrusted Joe Ramon Guizado, his successor in the presidency. Guizado is on trial as an accomplice in Remon's slaying.

The wealthy 56-year-old ex-President pleaded innocent as his trial opened yesterday before the National Assembly sitting as a court of justice. The Assembly prosecutor called for a guilty verdict which could send Guizado to prison for as much as 10 years.

First vice president and foreign minister in Remon's Cabinet, Guizado was sworn in as president a few hours after Remon was cut down by machine-gun fire Jan. 2. He was impeached by the Assembly Jan. 16 and ordered to stand trial after a 43-year-old lawyer, Ruben Miro, confessed the slaying and said it was done with Guizado's full knowledge. Miro later repudiated his confession.

Asked by Assembly President Ernesto Estenoz how he pleaded to the charge, Guizado rose from his chair, faced the President and said in a voice that carried to the galleries without the aid of loudspeakers:

"I declare myself innocent."

Two Hurt, 5 Escape in Crash at Milford

MILFORD—Two people were seriously injured last night in an accident on West Huron street. A car driven by Duane Reno, 23, of 123 Round Lake Rd., failed to make a curve, and smashed into a taxi, according to police.

Driver of the taxi was Calvin Woodward, 24, of North Milford road, who was uninjured.

Injured were a passenger in the car, Ruby Neff of 2274 S. Milford Rd., with head and leg injuries; and Reno, who suffered chest and head injuries. Both were taken to Pontiac General Hospital by Milford police.

Although Reno's car was completely demolished, four seventeen-year-old passengers emerged unscathed. They are Edgar Perkins of 1745 Pershing Dr., Gene Woodward of 6750 Mather Dr., Marlene French of 9543 Mandon Lake Dr., and Jerry Noel, 605 Alberta Dr.

Detroit Area Barber Favor Higher Prices

DETROIT (U)—Detroit area barbers voted unofficially last night in favor of an increase in haircut prices.

A poll was taken of the 360 barbers who attended a meeting of Local 552 of the AFL Barbers and Beauticians Union.

About two-thirds of them favored a 25-cent increase—from \$1.50 to \$1.75 on weekdays. Most of the others voted for a 10-cent boost.

Only four favored no increase. Union officials said the poll would be used for study by the union's negotiating committee.

In Cleveland, the front of a downtown building was ripped off, leaving four floors exposed to the wind.

Heavy snow warnings were issued for Wisconsin, Northern Illinois and Upper Michigan.

A blizzard of new snow ranging in depth from just a trace to eight inches already covers the area from Northwestern Oklahoma and Arkansas across southeastern Oklahoma, most of Missouri, Northwestern Illinois, southeastern Iowa and Southwestern Wisconsin.

Chamute, Kas., had eight inches on the ground; Kansas City five inches; Quincy, Ill., six and Madison, Wis., two inches.

Blizzard conditions were forecast in Montana, with two to five inches of snow.

Elsewhere, rain and drizzle covered most of the eastern third of the nation, which yesterday was hit by a mixture of tornadoes, high winds and floods that caused one death, four injuries and heavy property damage.

Sixty-mile-an-hour winds and rain lashed the Shreveport, La., area, wrecking several homes, uprooting trees and causing the death of Frank H. Page of Minden, who was killed when his taxicab collided with a truck in the blinding rain.

The Little River was approaching flood stage in Oklahoma and Arkansas.

In Tennessee, the rain-swollen Cumberland River was expected to overflow today.

year Service store at 30 S. Cass Ave. Employees at the Hudson Studebaker showroom, at 25 W. Pike St., said a snow window was smashed along with one at the Corwin Lumber and Coal Co., at 377 S. Cass.

Pontiac Parks and Recreation Dept. said trees in the city were being uprooted and limbs torn off. City Public Works Dept. carpenters battled gales atop the main fire station as a section of the roof began ripping away. Crews also repaired several traffic signal lights loosened by the winds.

Similar conditions prevailed all over the southern portion of the state.

In Detroit, trees were blown down in several areas and ropes were strung outside many buildings as marquees and signs awayed dangerously in the gusts.

Power lines were reported down in Blissfield where electricity was off for an hour.

Michigan Bell, reporting only scattered damage here, said 13 toll circuits were out of order in Hillsdale and surrounding areas.

Hamtramck and Grosse Pointe residents reported winds of "terrific force." The Wayne County Road Patrol reported trees and utility poles blown down throughout the county.

In Ann Arbor, near gale force winds knocked out electrical power in the area around the University of Michigan stadium and in Clinton.

Tonight's low here is expected to range between 23 and 27 degrees, with a high tomorrow of 36-40. Yesterday in downtown Pontiac, the mercury climbed to a high of 32 after a low of 38.

Today the thermometer plunged from a 52-degree high at 8 a. m. to 28 degrees by 1 p.m.

(From Our Wire Services)

While a wide snow-and-cold area moved across north central states, tornadoes and damaging winds of lesser violence moved through the south central part of the nation striking as far north as Ohio.

Winds up to 85 miles an hour lashed Ohio today, killing at least one man, ripping off roofs and smashing plate glass and power lines across the state.

Hailstorms accompanied the gales which swept into the state on the leading edge of a cold wave and moved into Western Pennsylvania.

The Pittsburgh weather bureau warned residents to be on the alert for a tornado which ripped into the Massillon, Ohio, area, wrecking heavy damage to homes and business places, but causing no deaths or serious injuries.

Pellets of hail three-eighths of an inch in diameter peppered Youngstown, a Cincinnati green house was destroyed and a 100-foot chimney of a business firm leaned precariously, forcing a number of residents to evacuate their homes.

The roof of the old Columbus Post Office building ripped off and pedestrians were hustled off down town sidewalks as plate glass windows crashed into the street.

In Cleveland, the front of a downtown building was ripped off, leaving four floors exposed to the wind.

Pat Clams Up on Recent Past

Finishes Testimony by Using 5th Amendment to Duck Questions

NEW YORK (U)—Former call girl Pat Ward, the state's star witness in the Mimi F. (Mickey) Jelke trial, ended five days of intimate testimony with refusal to answer questions about her sex life in recent years.

The slim, dark-haired young woman had told about sex experiences before she met Jelke and about her life as a call girl after going to live with him. However, when the defense yesterday asked about her later life, she sought the protection of the Fifth Amendment.

She ducked the questions by saying any answers "might tend to degrade or disgrace me." Judge Francis L. Valente ruled she did not have to respond.

After she was finally dismissed from the witness stand, Miss Ward told newsmen outside the courtroom:

"I'm very happy it's over. It has been an ordeal."

Her lawyer said she plans to stay in New York. She has a fiancé, he said, and hopes to marry and raise a family.

Neither he nor Miss Ward, 21, would name the fiancé.

Jelke, 25, and heir to an oil-marine fortune, is on trial for a second time on charges that he induced Miss Ward to live the life of a prostitute and tried to do the same with another girl, Marguerite Cordova, now 25.

He was convicted on these counts in 1953, but that trial was upset by an appeals court because the judge had closed the courtroom during presentation of the state's case.

A long series of questions about a man identified only as Emanuel Trujillo also brought no answer from Miss Ward. She declined to say whether she knew him, had lived with him, was married to him or had asked him to deny any sex relations with her.

After Miss Ward declined to talk about Trujillo in court, a reporter questioned a man of that name who belongs to a motorcycle club that Miss Ward joined recently.

Trujillo, 24, also known as Manny Coyle, said he met Miss Ward last June when she asked him to give her a ride on his motorcycle. "We became good friends," he said. "I've continued to go with her ever since. We've been very friendly."

Trujillo said he is proud of his part Apache Indian blood, and on his leather motorcycle jacket he wears his favorite nickname, "Cochise," after an Apache chief.

He said he first met Miss Ward outside a Manhattan restaurant "where the wheelers used to get together."

He said Miss Ward later lent him \$150 for a down payment on a new cycle, and he paid her back.

Pontiac Deaths

Mrs. Edwin Lagerblade

Mrs. Edwin G. (Selma O.) Lagerblade, 78, a former Pontiac resident, died yesterday at the home of her daughter, Mrs. Ray Jewell of 4692 Rockcroft St. Waterford. She had been ill three months.

Born Aug. 15, 1876 in Stockholm, Sweden, she was the daughter of Olaf and Frederika Johnson. She was married in Moline, Ill. July 16, 1904.

Mrs. Lagerblade had lived in Pontiac and Waterford 18 years, coming here from Milwaukee, Wis.

Besides her daughter with whom she made her home, she is survived by another daughter, Mrs. Norma Schickamp of Milwaukee. A sister, Mrs. Teekle Malsh of Milwaukee also survives.

The funeral will be held Thursday at 2 p.m. from the Voorhees-Siple Chapel with the Rev. Robert Atkins of the Clarkson Methodist Church officiating. Burial will follow in Perry Mount Park Cemetery.

Auto Buildup Near New High

Inventories May Pass Record of 607,275 Units Set Last May

DETROIT (U)—New automobiles in dealers' hands and en route to them from the factory rose to 599,261 on March 1, Automotive News reported Monday.

A month earlier, revised tabulations show, the field stocks totaled 462,672.

The trade paper said:

"Before the current buildup has run its course, it is expected inventories will surpass the record 607,275 units of last May. However, heavy sales forecasts have taken the sting out of that possibility."

"With an unprecedented winter sales performance, dealers thus far this year have kept the new car stock pile below 1954 levels. Last March cars on the field totaled 573,122."

"But record production rates are due to overcome this difference." In addition to preparing for the high level turnover that normally accompanies the advent of spring, factories are spurred by other incentives.

"No. 1 in the sudden hope, getting stronger all the time, that 1955 may prove to be the biggest year in automotive history."

"It would take a large selection of cars to meet the expected demand, particularly in view of the fact that one of the main influences in luring prospects to the showroom is the implied offer of a custom-equipped car. Color choices and optional equipment abound as never before."

"The shadow threat of a large scale strike is the No. 2 factor behind the manufacturers' eagerness to turn out cars. No matter which factory gets hit, when and if UAW-CIO members walk off the job in their drive for a guaranteed annual wage, the sales programs of all makers will be affected."

"Meanwhile, for the first time in months, some dealers are voicing complaint that the factories are building 'too many' cars."

"Significantly, there still are many on the retail side who dissent from this opinion. One popular dealer reports inability to accumulate a 30-day supply of new cars. Another, handling a rival make, says he'll run short in March."

"A few dealers declare they want more cars in stock as a hedge against an industry walkout."

Union Charges Federal Mogul With 'Sabotage'

DETROIT (U)—The CIO United Auto Workers (UAW) has accused the management of the Federal Mogul Corp. of "sabotaging" the security of its Detroit plant work force "in a financial chess game."

The union said in a statement yesterday that there are indications the 450 hourly rated and salaried workers are to be "victims of a management plot to sabotage the plant."

The company said Friday it planned to close the Detroit plant June 30 because "existing competitive conditions have made operations there economically unsound."

The union said the majority of workers at Federal Mogul are more than 50 years of age. Their average seniority with the company is more than 18 years, the union said.

"If the operation is economically unsound, as charged by Federal Mogul," the union said, "that is entirely the fault of the corporation."

Laid off workers will receive \$30 severance pay for each year of service, the union said.

The company has plants in Greenville and St. Johns, Mich.; Cleveland, Ohio and Mooreville, Ind., and a subsidiary in Lancaster, Pa.

Driver Stricken, Dies

OK Green Fee Increase at Springdale Golf Links

BIRMINGHAM (U)—A change in green fees for the 1955 season at the city's Springdale Park, was approved last night at a City Commission meeting. Newly added is a season membership for \$25, entitling the card holder to use the nine-hole course as often as he wishes.

Rather than the \$3 fee charged last year, which permitted a person three free rounds of golf, identification cards will be issued for \$1. There will be no free rounds, but the card will be used by those paying the daily fee each time they play.

Slightly increased rates call for a \$1 charge on week days and \$1.50 on weekends and holidays. The charge permits the player as many rounds of golf as desired during the same day. There will be a 50-cent charge after 6 p.m.

Under the junior program for 8 to 12 year olds, a 35 cent fee will be charged those playing Monday and Thursday mornings.

Lawmakers moved onto discussion of improved lighting and a new electric service for Baldwin Library, and approved a \$2,000 appropriation which will represent two thirds of the costs. Friends of the Baldwin Library group are contributing \$700 toward the lighting project.

A \$330 appropriation was approved for improving the Ground Observer Corps Post atop Baldwin School.

Discussions on the proposed Wilts street realignment and possible rezoning of a portion of the Porritt property now zoned for business, will be taken up at a joint session of the commission and Planning Board tonight.

At their meeting at 8 tonight Torrey School PTA members will hear Dr. Harold F. Powell, associate professor educational psychology at Wayne University, talk on juvenile delinquency. Powell will serve on the youth committee of the Birmingham-Bloomfield-Franklin Council on Community Services.

Oakland County Children's Home will be visited by the Junior League Musicals at 7 tonight. A program of singing, dancing and piano playing to popular music will be presented.

Family Income Moves Upward

41 Pct. Receive \$5,000 a Year or More; Rise Noted Since War

WASHINGTON (AP)—Some 41 per cent of the nation's families have incomes of \$5,000 a year or more, and 55 per cent get \$4,000 or more yearly, the Commerce Department said today.

A big upward switch in family income since the war was reported in a new study of family finances. It said that since 1947 the number of families living on less than \$4,000 a year has shrunk by 20 per cent, while the number of families with more than \$4,000 has increased by 70 per cent.

Families with \$10,000 or more increased by 100 per cent, and their total income before taxes has grown from 36 billion dollars a year to 70 billion.

The number of families with incomes between \$10,000 and \$15,000 was greater (2,300,000) than the number in either the \$5,000-\$10,000 (2,000,000) or the \$10,000-\$15,000 (1,300,000) brackets.

The study was based on income tax reports for 1953. But the Commerce Department said there had been little change since then in family income patterns.

The report said the average non-farm family had an income of \$6,390, compared with \$3,460 for the farm family.

Boy Late for School, but With Good Excuse

PASADENA, Calif. (AP)—Here is why 11-year-old Robert Allen was 30 minutes late for school yesterday:

On his way to school he found a pair of handcuffs and snapped them on. He found he couldn't reach the attached key to unlock them. He returned home, where his father John W. Allen tried to unlock the cuffs but broke off the key. Father and son sought out a locksmith. He freed Robert's hands by using a hacksaw, but by that time classes had started.

LET'S HAVE A PICNIC Three Merry Picnickers

Everyone should help to set the picnic in order—and Sue, John and Betty are doing their part. Sue brings a thermos bottle of lemonade and Betty has a basket filled with home-made cookies. John has picked up some small sticks of wood to help build a fire.

You can set this cut-out near the one you made yesterday so you will have the complete picture of a picnic by the end of the week.

Give the three picnickers brightly colored clothes, perhaps a red dress for Sue and a yellow one for Betty. Paste the picture on stiff paper and cut it out carefully along the outside dark lines.

Fold the two side panels and the three bottom tabs forward along the dotted lines. Then the figure will stand up as in the small drawing and Sue, John and Betty can hurry to the picnic.

Tomorrow: The feast is on.

Air Book Authored by Pro-Red POWs

TOKYO (AP)—Peiping radio today broadcast a review of a book, "Thinking Soldiers," and said it was edited by three Allied prisoners who refused to leave the Communists after the Korean War. Peiping named as editors Lawrence B. Sullivan, Santa Barbara, Calif.; Richard G. Corden, Providence, R. I.; and Andrew Condon, Scotland. All refused repatriation in Operation Big Switch. The book is reported to relate experiences of 30 American and British soldiers captured in Korea.

Police, Firemen Get Pay Raise

Waterford OKs Annual Boosts of \$150 to \$550 With \$4,350 to Start

WATERFORD TOWNSHIP—Salaries of the police and fire department employees were raised and equalized by the township board of trustees last night.

Firemen, who previously received less than the police officers, gained an approximate \$550 boost, and the police were awarded an approximate \$150 pay hike.

The new salary range for both departments is \$4,350 to start; \$4,500 after a six-month probationary period, and \$4,750 at the end of the first year.

Raises on this basis, it was pointed out, are made at the discretion of the police and fire chiefs and are not automatic.

During the meeting, other department employees' salaries were discussed and final action on raises for the several positions was delayed for further study.

A proposed plat for Colgate subdivision at Pontiac Lake and Scott Lake roads received temporary approval and final approval was given a reprint of the Ramseyer subdivision No. 1 at M59 and Irwin Drive.

James B. Boaz was appointed insurance agent of record for the township.

Postpone Hearing on Carver Issue

On the request of a defense attorney, the Oakland County Circuit Court hearing on a requested recall election in the George Washington Carver district of Royal Oak Township was postponed yesterday.

All three circuit judges sat together on the hearing, and Judge George B. Hartwick said this would be the last postponement in the case, which has seen several others.

A March 31 date was set to take up the hearing again.

The petition seeking the recall election to unseat school board members Mrs. Loretta Baker and Chester Carter was filed by school board member James E. Harrison.

Harrison heads a group which claims to be seeking reforms in the management and running of the school district, torn by violence since its formation in 1945.

Missionary to Speak

NEW HUDSON—Speaker at the New Hudson Methodist Church at 8 p.m. today will be Lester Fogle of South Bend, Ind. He will tell of his experience during 12 years in the mission field in Africa.

ATTEND PLAN SESSION—More than 50 representatives of farm organizations of Oakland County attended a Rural Planning meeting yesterday in Pontiac, and reviewed the program of the Oakland County office of the Michigan State College Extension Service. Gathered to complete last minute plans before the conference got under way were

County Agricultural Agent Lyle Abel, Ralph Norvell of the Pontiac Chamber of Commerce, which co-sponsored the event, Dr. Paul Miller of Michigan State College, and Milford Township Supervisor Howard J. Reid, representing the Farm Bureau. Dr. Miller addressed the group on the topic, "Challenge of Extension Service."

South Lyon Pair Marks 62 Years of Wedded Life

SOUTH LYON—Mr. and Mrs. Ambrose Everett, both 80 years old, marked their 62nd wedding anniversary recently with a quiet celebration in their Milford road home.

The two were married March 16, 1893, and have lived in Lyon Township for 62 years. They have owned their present farm home for over 33 years.

Mrs. Everett was born in Novi Township, the daughter of Edward and Maria Holmes. Mr. Everett was born in England, and came to Michigan as a child.

The couple has one daughter, Mrs. Gertrude Bourns of South Lyon.

In spite of their advanced age, Mr. Everett still drives his automobile and Mrs. Everett currently is making herself a new dress.

School Bus Drivers to Attend Safety Class

SOUTHFIELD TOWNSHIP—Southfield Township School bus drivers and St. Michael's parochial school from 7-10 p.m. today at school from 7-14 p.m. today at Southfield High School. The class is one of a series sponsored by Michigan State College.

Four new buses have been added to the township fleet this year.

Citizens Group to Discuss Law

Committee Plans Talks on Housing Ordinance in Pontiac Township

The Pontiac Township Citizens Committee will meet Thursday to discuss an appeal by the Township Board of a housing ordinance voided Oct. 31, 1953, by Circuit Judge H. Russell Holland.

The meeting, with all township residents and interested outsiders invited, is slated for the fire hall at Opdyke and Pontiac roads at 8 p.m., according to Freeman L. Clark, committee chairman.

The ordinance adopted July 27, 1951, required owners of sub-standard homes to bring them to par within six months. The standards were set up in the ordinance, said Clark.

Owners of house trailers, not located in licensed parks, were required to "make them over into permanent homes, or leave," Clark stated.

"The ordinance was too severe," he stated, "and would have worked an undue hardship on a number of residents."

Judge Holland voided it, Clark explained, and township attorney Robert W. Hodge appealed. The case is scheduled for a Supreme Court hearing April 4, but the citizens committee has asked an adjournment.

Gala School Festival Planned at Clarkston

CLARKSTON—Clarkston High School students are making final preparations for a gala school carnival, to be held from 7-9 p.m. Thursday at the school.

Students from the seventh through twelfth grades will participate in the annual event which is sponsored by the Student Council.

A variety show, style show, various side shows and booths, as well as door prizes, will spark the festivities. There will be a Dunk the Dope game, a rifle range, fish pond, dart throw and cakewalk.

Highlight of the evening will be the crowning of a king and queen from the senior high, and a prince and princess from the junior high.

Proceeds from the carnival will help purchase lights for the athletic field.

Would Finance 40-Room School

3.5 Mill Tax Increase Would Pay for Structure on 42-Acre Site

MILFORD—Elected of the Huron Valley School District face a \$1,250,000 bond issue for a new high school at the polls today.

A 3.5 mill increase in taxes is sought to finance the construction of the new 40-room building.

Condemnation proceedings have been authorized to secure a 42-acre site between Milford and Highland, in the event the bond issue is approved.

Voters at the June board of education election will have a hand in naming the proposed structure. Whether to continue the name "Milford High School" or change it to "Huron Valley High School" will be on the ballot at that time.

If approved and constructed, the new high school would release 22 rooms in the present high school, easing the pressure of crowded elementary grades, according to school officials.

Included in the plans for the proposed high school is a gymnasium of 1,700 seating capacity.

Due to higher income because of increased valuations, the \$500,000 bond issue voted Sept. 29, 1952, will be paid off April 1, 1958, instead of 1964 as originally planned.

According to school officials, the 3.5 mills would be levied in 1955, 1956 and 1957. Beginning with 1958 the total debt retirement millage would drop from 13.5 mills to 8.

Slate Home Club Leaders Classes in Four Districts

Lessons on cleaning rugs, upholstery and other materials will continue through next Tuesday by Oakland County Home Demonstrators Frieda Bennett and Mary Hixon.

Demonstrations are for leaders of area home demonstration groups and will be held from 9:30 a.m. to noon under the following schedule:

Tomorrow, Pontiac district, VFW Hall; and Rochester district, Avon Township Hall; next Tuesday, Royal Oak district at T & B Hall, and Holly district at Davisburg Town Hall.

Funeral Service Set for Accident Victim

HOLLY—Service for David W. Widing, 16, of 3431 Fenton Rd., will be held at 2 p.m. Wednesday at the Adventist Church with burial in Crestwood Cemetery, Grand Blanc. He is at the Bendle Funeral Home.

Widing died Sunday in a head-on collision with a car driven by Silverside D. Thorne, 29, also of Holly, on M57. Thorne was critically injured, and five other teenagers riding with Widing were also hurt.

Surviving are his parents, Mr. and Mrs. Henry Widing; and four brothers, Albert, LeRoy, Patrick, all of Holly, and Henry of Ft. Sil, Oklahoma.

Royal Oak OKs Vickers Sewer

Will Offer Facilities to Troy Plant Regardless of Annexation

ROYAL OAK—The Royal Oak City Commission last night approved allowing the Vickers Corp. of Detroit to use the Royal Oak sewage facilities whether the Vickers property in Troy Township is annexed to Royal Oak or not.

Permission to extend water facilities will require an approval from Detroit, where Royal Oak gets its water.

Currently a three-way tug of war is on concerning the proposed \$2,000,000 Vickers plant at the southwest corner of Crooks and Maple roads in Troy Township.

The Chamber of Commerce in Royal Oak is circulating petitions to have the land annexed to Royal Oak.

Residents of Troy have filed incorporation petitions for the township, including the proposed 76-acre plant site. This move was made to prevent the loss of the valuable tax base the industry will provide.

The city of Clawson also has its eye on the tax revenue of the land.

TO CUT DEBT—The Waterford branch of the Women's National Farm and Garden Association is sponsoring a spring fashion show Wednesday to raise funds for paying the mortgage on the Waterford Community Activities building. Given by Alvin's of Pontiac, the show will begin at 8 p.m. in the CAI building. Here Mrs. F. S. Jennings, center, chairman of the event, adjusts the cuff on a dress being modeled by Mrs. Bengt Puls of Pontiac, as Virla Lee Landon of Lake Orion looks on. The youngster will do a novelty dance at the show.

DUMPED ON ROAD—Alert police work by two West Bloomfield Township police officers located the man who dumped the load of rubbish partially blocking Drake Road Saturday, leading to his conviction for violation of the township ordinance forbidding dumping rubbish on a road. Officers R. G. Helgemo and C. C. Baxter traced a license plate in the rubbish to find the man responsible. He is currently spending 30 days in Oakland County Jail.

License Plate Clue in Pile of Rubble Leads Township Police to Detrouiter

WEST BLOOMFIELD TOWNSHIP—A little police junk-collecting led a Detrouiter to a term in the Oakland County Jail yesterday.

Called to investigate a pile of rubbish on Drake Road north of Maple, officers R. G. Helgemo and C. C. Baxter found a pile of debris—oil cans, gaskets, rags, which appeared to have come from a gas station.

A check into the ownership of an expired commercial license, plate found in the junk, led the officers to Roy Bell.

Gas station owner at 32561 Northwestern Highway, Farmington Township, Roy Bell, pointed out the man who he had paid to haul his trash away.

Arrested, Detroit junkman

Willie Bee Wells admitted dumping the load, and was sentenced to \$100 or 30 days in jail. He pleaded guilty before Justice.

Elmer C. Dieterle, and was sentenced to \$100 or 30 days in jail. Wells chose the jail term.

Frank Lary Bids for Spot as Tiger Regular

By THE ASSOCIATED PRESS
It was a couple of weeks ago that Bucky Harris, manager of the Detroit Tigers, said, "I'm looking for this kid Frank Lary to take his turn as a starting pitcher this year." And Bucky's been taking

a good look at the 24-year-old right-hander ever since.

Lary, like a few other youngsters in the Tigers' Lakeland, Fla., camp, is one of those "maybes" in Detroit's hopes for the first division this season. He's not a big guy, only 5-11, but he packs 180 pounds and he appears to be strong.

Thus far, Lary has worked 11 innings for the Tigers, more than any other hurler in camp. He's up from Buffalo, where he had a 15-11 record last season, including a seven-inning no-hitter, before winding up the year with the Tigers at 0-0.

Harris figures that Lary, whose brother Al is trying to hang on with the Chicago Cubs, and perhaps lefty Bob Miller, a 19-year-

old, should be able to take their turn with the likes of Ned Garver, Al Aber, Steve Gromek and Billy Hoelt. If so, the Tigers would have some pitching depth to support a pretty set lineup that lagged just one game out of fourth place last season.

Lary gave up just one hit—and a run—in his first three innings against Boston. But next time out, he was tagged for six runs in three frames by Kansas City.

Yesterday, however, he popped back to blank Baltimore through five innings. Two other rookies, Paul Foytack and Babe Birrer, continued the whitewash and Detroit won 4-0.

It was the Tigers' fifth victory in 12 spring decisions and first shutout.

The Milwaukee Braves defeated the Chicago White Sox 5-2 yesterday. Andy Pafko, Billy Bruton and Joe Adcock uncorked homers to boost the Braves atop the grapefruit standings with an 8-4 record. The Cleveland Indians beat the New York Giants 3-2. Al Rosen's two-run single in the ninth broke up a 1-1 tie.

The Indians, incidentally, also came up with a signed contract from Bobby Avila, the Tribe's holdout batting champion. Avila finally consented to the same contract he snubbed last week, reportedly calling for \$27,000 and possibly \$2,000 in bonuses. He got about \$18,000 last season.

Ted Kluszewski hit a home run to put Cincinnati back into the ball game at 3-3 in the eighth, and

Johnny Temple singled home the winning run with two out in the ninth as Pittsburgh lost 4-3.

St. Louis not only lost to Philadelphia 3-2, but rookie first baseman Joe Cunningham was booted by Tom Casagrande. X-rays failed to disclose a fracture, but Cunningham will be lost for two or three days.

The New York Yankees, finally warming up at the plate, clubbed the Brooklyn Dodgers 19-5 with Bill Skowron and Bob Cerv each getting four hits. Don Zimmer had three hits, including a home run, for the Yankees, but by the fourth inning, the Yanks had an 11-3 lead off Russ Meyer and Pete Wojcik. Ewell Blackwell started for New York and was wild, walking seven.

Dayton Boxer Next Opponent for Linscott

Gene Linscott, colorful Pontiac middleweight, will return to the scene of his only professional defeat on Thursday night, March 24, to meet Eddie Troy in a special four round bout.

Jack Stejs of the Capital City Boxing Club who is promoting Linscott's first boxing show in more than a year in cooperation with Motor City Fights Promoter Julius Piazza, announced the signing.

The bout will be one of six to be held at Pruden Auditorium. Stejs said that Linscott was to have met the rugged Jasper Hall of Detroit in a scheduled March 22 show, but that show was cancelled when the Auditorium was made available for the March 24 date.

Troy, a Dayton, Ohio, Golden Gloves champion in 1950, has a more impressive record than Hall and is expected to provide a real battle for the popular Linscott.

The Ohioan won his first six pro fights before moving to Michigan. He went into voluntary retirement for a time and resumed his career last year. He now has a 11 win and three loss record.

Linscott lost to Allie Gronik in his last Lansing appearance.

Shindorf in Dual Bid

Russ Shindorf, former St. Michael's High School athlete, is a candidate for 2 spring sports teams at Adrian College this year. The ex-Shamrock, a freshman, is out for both track and golf. John Antico, Royal Oak senior, is a member of the Bulldog baseball team.

New Leaders Appear in State Pin Tourney

BAY CITY — New leaders emerged in the handicap singles and doubles of the Men's State Bowling Tournament in weekend competition.

Vern Miller of Cadillac rolled 761, counting a 63 handicap, to take over 1st in singles.

Orrie Lauretti and Larry Kowalski of Muskegon came up with 1,371, including an 81 handicap, to go into 1st place in the doubles.

All actual leaders stood firm.

Pontiac 'D' Champs Win in I-C Test

Elks Bump Hamtramck Quintet, 54-29, Gain Tonight's Semis

Pontiac's Class D City League champs won their 1st start in the Inter-City Recreation Association tournament at Pontiac High School Monday night by drubbing Perry's Bandits of Hamtramck, 54-29.

Semi-finals of the tourney will be played tonight with Pontiac's entry, Elks 725, meeting Highland Park at 8:30 p.m. Dearborn and Detroit play at 7 o'clock.

Elks turned on the steam in the 2nd half after trailing 12-6 at the quarter, and 20-19 at halftime. The Pontiac club racked up a 15-4 advantage in the 3rd quarter, and 20-5 in the last stanza to win going away.

Felix Brooks paced the Elks with 13 points, including 10 in the last quarter. Ernest Harris had 12 points and Perry Williams 11.

Wants to Beat Zatopek

Aussies Have Successor to John Landy in Colorful Distance Star, Stephens

MELBOURNE — Australian track fanatics, saddened by the retirement of Miracle Miller John Landy, have found a new idol in Dave Stephens, the "Flying Milkman" of Melbourne, who runs barefoot and turns out strings of sensational times like a butcher producing sausages.

Stephens, an "unknown" only five months ago, isn't threatening Landy's 3:58 world record for the mile. He runs longer distances.

But he resembles Landy in many ways and Aussies are confident that the 24-year-old milkman will climb to the same athletic heights.

Like Landy, Dave is a complete athletic fanatic who covers enormous distances by himself and trains without a coach. Again like Landy, he can perform sensationally on bad tracks, in shocking

weather and with virtually no competition.

But unlike the serious-minded Landy, Stephens has abundant natural color, a carefree, happy-go-lucky nature. He's a born showman and an outspoken critic of official bungling. The crowds love him.

Stephens first drew real attention Jan. 13, when he set new Australian records for five and six miles in a Victorian selection trial run. Racing on a grass surface, he was timed in 24:01.8 for five miles and 28:38 for six miles, cutting 48.2 seconds off the old 6-mile record.

His best personal six miles before then had been "about 32 minutes" and actually he seldom had lasted the distance. Since that time he has broken the 2-mile and 3-mile national records.

Dave has three main ambitions: To win either the 5,000 or 10,000 meters at the 1956 Melbourne Olympic games; to repay, by succeeding, the interest shown in him by Czech "Human Locomotive" Emil Zatopek in 1952; to beat Zatopek.

After he has achieved these ambitions, he hopes to become a schoolteacher.

Marbara Hammett Holds 3 Leads in PWBA's Tourney

Several changes in leaders among the various divisions of the 22nd annual Pontiac Women's Bowling association's tournament at the Colonial lanes in Utica were effected in the 3rd weekend of activity.

Marbara Hammett of Pontiac has accumulated three leading scores, taking the actual top game of 233, the tourney series (hdcp) with 600 and the all-events (hdcp) with 1828.

Hazel Clark of Oxford fired the best actual series, a fine 585, and also grabbed the actual all-events total of 2612.

Elizabeth Robinson of Pontiac rolled a 290 with handicap, to top the individual game (hdcp) division. She also teamed with Pat McGinnis of Pontiac to take the doubles lead with 1310, and 529.

Bernice Layov of Milford had 684-263 in singles.

Leaders at end of 3rd week:

Team—Schick Appliances (LO) 3111-1011; Eagle's Chevrolet (Utica) 3018; Sportmen's Inn (West) 2920; Fleet Carriers (Pont) 2827; Ward's (Pont) 2818.

Doubles—McGinnis/Robinson (Pont) 1310; Marbara Hammett-Bessie Rolfe

21 different 1955 cars in gruelling Mobilgas Economy Run average

21.56 Miles Per Gallon with Mobilgas Special

Toughest Course in Mobilgas Economy Run History

Starting from Los Angeles, contestants in the Mobilgas Economy Run were required to travel the tortuous route selected by the American Automobile Association, through the extremes of conditions likely to be encountered in 12 months of ordinary driving. Within the run from California to Colorado Springs the cars went from a low of 218 feet below sea level to a high of 9382 feet at La Veta Pass—encountered over 100 miles of restricted city driving—competed in extreme desert heat and freezing mountain cold.

1323-mile run in 3 days duplicated year's average driving conditions in all weather

Here is dramatic proof of the amazing mileage that can be obtained with cars kept in top shape and carefully driven—powered by gasoline from the Mobilgas pumps.

Here is convincing evidence of the extraordinary performance and economy possible when your gasoline is powered two ways—with high octane and the three gas-saving ad-

ditives known as "Mobil Power Compound."

Here is a graphic demonstration that if your car has a modern, high-compression engine and, like all those competing, automatic transmission, you can have maximum power and greater mileage for your gasoline dollar—more miles per gallon—with Mobilgas Special.

Add to all this the advantages of New Mobiloil Special—the all-weather motor oil—that has increased gasoline mileage up to 23%—and you can see why you should stop at the sign of the Flying Red Horse.

Fill up at the Mobilgas pumps. You'll be way ahead of past performances in power—and economy!

WHICH SHOULD YOU USE? If you have a '55 model 8-cylinder car, chances are you need Special. If a pre-1955 car with horsepower rating over 160, you probably need Special, regardless of make or year. These are generalities, to be sure, but fairly reliable guides.
