

Two Children Die in Accident Here

Cabbit Contemplates Life

"WHAT AM I—CAT OR RABBIT?"—No ordinary cat could sit with front paws crossed like Buddha as this one is doing at Urbana, Ill. The freak feline, which is built as much like a rabbit as a cat, is called Cabbit by its owners, the Julian, Fellows family. Cabbit has only a 2½-inch tail like a rabbit, and her huge hind paws, one of which has six toes, look like those of a cottontail. The fore legs of the 2-year-old cat have an extra joint in them, and Cabbit walks in front on her whole "forearm." With her rabbit-like legs, Cabbit half-runs, half-hops and isn't much good at escaping dogs or climbing trees. Being a rarity, she's pretty well protected anyway and spends a lot of time just sitting cross-pawed in a contemplative pose.

United Press Photo

Experts Ponder Whether to OK Salk Polio Shots

Study Vaccine Data Today in New Effort to Reach Decision

WASHINGTON (AP) — A government-sponsored meeting today may provide the anxiously awaited word on when the program of inoculation against polio can get off dead center. Government scientists and representatives of firms making the Salk polio vaccine assembled to study evidence which may lead to (1) early clearance of existing supplies or (2) added time-consuming tests which might further delay clearance.

The group will advise Surgeon General Leonard A. Scheele, who will make the final decision—"as soon as possible," he promised.

Scheele said the session was called to go over the findings turned up by health service inspectors during a plant-by-plant study of testing and manufacturing processes.

A health service spokesman said Dr. Jonas E. Salk, the vaccine's developer who has sat in on previous discussions, had sent word he could not attend today.

A halt in the program was recommended 15 days ago. Since that time the U. S. Public Health Service has cleared the vaccine previously distributed by two makers, but much of that has been used.

The Senate Labor and Public Welfare Committee, meanwhile, arranged to meet in closed session to consider various proposals for federal controls over manufacture and distribution of the vaccine.

The Eisenhower administration has said there is no need for such controls. But Democratic leaders forecast the committee would approve a standby control bill.

Chairman Priest (D-Tenn.) of the House Commerce Committee announced plans to start hearings Wednesday on Eisenhower's request for 28 million dollars to assure vaccine shots for children whose families could not afford to pay for them.

There was no new report from the government yesterday on the number of postinjection polio cases.

Tells Story in Press Pole-Vaulting Champ

A new three-part series by the Rev. Bob Richards, world champion pole-vaulter and Olympic track star, will start today on page 22 of the Pontiac Press.

The Rev. Mr. Richards says he is "the only man in the world trying to pole vault his way to heaven." It was not always this way for only a few short years ago Bob was a tough teenager in Champaign, Ill.

Today at 29 he has first-hand knowledge of the juvenile delinquency problem in the nation. In this exclusive three part series, he tells of his experiences with delinquency and suggests ways to fight it.

Look for this down-to-earth series in today's Pontiac Press.

Michigan's New Class A Track Champions

CHIEF'S PREP TRACK TEAM SITS FOR PICTURE—Sitting for their pictures after Saturday's great Class A track victory at East Lansing, was no chore for the MHSAA champions. From left to right (front) Norris Jackson, Bill Douglas (880 champ), Herb Butler, Willie Wilson, E. J. Harris, George Thrasher, James Shorter, middle row—equipment manager Alfred Jones, Perry Williams, Hayes Jones (high hurdle, broad jump champion), Ray Lowery (coach) Wally Schloerke (head coach), Ed Graybiel (coach), Dean Wilson (coach), Charles Spann, Ted Munger; back row—Rod Treas, James Taylor, Archie Brooks, Alex Barge (shared high jump title), Hudson Ray (shared high jump title), Frank Whitlock, Charles Robinson, Eugene Cretal, manager Sam Karguleff.

See details and other pictures of the big meet on page 26.

Union Resumes Contract Talks

Hint GM Offer to Sell Stock to Workers on 'Thrift Plan'

DETROIT (INS) — The Ford Motor Co. and the General Motors Corp. returned to contract negotiations with the CIO-United Auto Workers today amid more rumors of counter offers and new proposals.

The latest rumor was that GM will offer the union a "thrift plan" similar to one announced by E. I. DuPont de Nemours & Co.

The Dupont plan calls for the company to pay every employee 25 cents toward the purchase of Dupont stock for every \$1 the worker invests in U. S. savings bonds.

The plan is voluntary and was estimated as the equivalent of about five cents an hour in fringe benefits. Dupont will put the plan into effect for its 73,500 workers about Sept. 1.

COMPANIES MUM

Neither GM nor the union would confirm or deny the rumor. They reacted in a similar fashion to a report Saturday that the company had offered the UAW a counter proposal hinging on another long-term contract.

Whether the alleged GM offer contained a form of the guaranteed annual wage was not known.

Both sides have consistently maintained secrecy concerning progress of the talks, which they pledged when negotiations began more than a month ago.

GM's contract with the UAW, which represents 325,000 company workers, expires June 7 as does its pact with the CIO-International Union of Electrical Workers, which bargains for approximately 35,000 employees. GM held its first talks with the IUE last Thursday.

Ford's pact expires June 1 and because of this, the company and union met Saturday in the first session on a week-end.

Press Will Banquet PHS State Champion Thinclads

The Pontiac Press has planned a banquet Thursday evening in Stevens Hall, All Saints Episcopal Church, to afford recognition of Pontiac High School's State Class A track championship.

Members of the fine track team, coached by Wally Schloerke, that has gone unbeaten in nine straight engagements, and their coaches will be guests of The Pontiac Press on this occasion. The time is 6:30 p.m.

No formal program has been planned but Charles E. Forsythe, state director of athletics will be guest speaker. Forsythe witnessed the sweeping victory the PHS team achieved at Ralph Young field, Michigan State College. He was greatly impressed at the brilliant performance of the Pontiac athletes.

Pontiac captured the state title by the overwhelming total of 51 13/14 points, more than the combined totals of the next three teams.

Flint Northern was 2nd with 17 points, a fraction less than the number scored by the Chiefs' No. 1 man, Hayes Jones, who won the high hurdles and broad jump and placed in two other events.

Coffee Prices Drop to Five-Year Low

NEW YORK (UP) — The price of coffee in retail stores dropped to its lowest price in five years today.

The latest price cuts brought some brands of coffee to as low as 75 cents a pound, a little more than half the price 10 months ago.

The new low price of coffee was due largely to the resistance of American housewives to last year's high prices, along with bumper Latin American coffee crops and rumors of a price war among producers.

The 75-cent price tag was announced by the A & P Food Stores, America's largest grocery chain, which will sell bagged coffee for from 75 to 81 cents a pound and vacuum packed coffee for 85 cents, effective today.

Vaccine Clinics Still Postponed

New Shipments of Salk Serum Haven't Arrived; Delay Said Beneficial

Dr. John D. Monroe, Oakland County health director, today reminded parents of first and second graders in 15 out-county areas that second-round anti-polio vaccine clinics originally set for last Tuesday and Wednesday are still postponed.

When announcing the delay because of a Salk vaccine shortage last week, Dr. Monroe said he hoped new supplies would enable authorities to conduct the clinics this week.

No new shipments have been received, however. A health department official said protection from the vaccine probably would be improved by the delay.

"Last year, we gave the first and second shots a week apart. Now it's recommended they be given three to six weeks apart," he said.

FIRST SHOTS APRIL 19

First shots of the Salk vaccine were administered in the county April 19, he said.

He added even if vaccine is not forthcoming within the six weeks recommended, the effectiveness will not be reduced by a week or two longer delay.

The second-round inoculations were to be given at the following locations:

Rochester, Avondale, Hickory Grove, Bloomfield, West Bloomfield, Carver, Clarenceville, Holly, Huron Valley-Dublin, Walled Lake, Madison, Orion-Oxford, Ortonville, South Lyon-Novi, Troy, and Farmington.

All county youngsters in the first and second grades have received the first shot in the series.

Three Others Hurt Critically in 2-Car Crash

Autos Collide Saturday Night at Scott Lake Road - Dixie Highway

Two children were killed and three others injured critically in a 2-car crash Saturday night at Scott Lake Rd. and the Dixie Highway.

The dead are: Janet Bailey, 3½, daughter of Mr. and Mrs. Carlton Bailey, of 8782 Sashabaw, Clarkston.

Kathleen Tibbitts, 7 weeks old, daughter of Mr. and Mrs. Robert E. Tibbitts, of 2971 Chrysler, Waterford Township.

Listed in critical condition at Pontiac General Hospital were three other Tibbitts children, Kenneth, 3, Virginia, 5, and Edwin, 1½.

All were passengers in the Tibbitts car when it collided with an auto driven by Charles Maxwell, 19, of 5840 Hatchery Rd., Drayton Plains, Tibbitts, 26, and his wife, Betty, 23, were treated and released for cuts and bruises.

IN GOOD CONDITION

Maxwell, who suffered a broken left leg, cuts and bruises, was listed in good condition by hospital authorities as was a passenger, James Sonnenberg, 20, of 5775 Dixie Highway, Waterford. Sonnenberg sustained face cuts and bruises.

Two other passengers with Maxwell, Charlotte Benac, 16, of Clarkston, and Thomas Brandon, 16, of Drayton Plains, were treated and released for cuts and bruises.

Tibbitts told Waterford Township Police Sgt. Charles Whitlock he was making a left turn from Scott Lake onto Dixie when the crash occurred. He stated he saw two cars in the right hand lane of the four lane highway with their right turn signals going and did not see Maxwell's car passing them.

TO MAKE STATEMENTS

Both drivers were scheduled to make statements at the Oakland County prosecutor's office later today.

Services for the Bailey child will be held at 2 p.m. Tuesday at Sharpe's Funeral Home, Clarkston, with burial in Lakeview Cemetery. Services for the Tibbitts infant will also be held at 2 p.m. tomorrow at Coats Funeral Home, Drayton Plains, with burial in White Chapel Memorial Cemetery.

SPEEDBOAT DRIVER HURT
A 48-year-old speedboat driver was hospitalized with injuries suffered Sunday when his craft overturned during a race at White Lake.

Joseph Olmstead, of Detroit, was listed in fairly good condition at Pontiac General Hospital with face cuts. Sheriff's deputies said Olmstead's boat capsized after striking another boat in a turn.

He was apparently struck by the propeller from his or another boat in the race, the deputies said. Olmstead was pulled from the water by members of a nearby crash boat.

Officials at St. Joseph Mercy Hospital and Pontiac General each listed more than 20 minor injuries treated after a rash of auto crashes over the weekend.

Queen Elizabeth, Family Hear Billy Graham Preach

WINDSOR, England (AP)—American evangelist Billy Graham's prestige rose to new heights in Britain today after his first sermon for Queen Elizabeth and the royal family.

The 36-year-old American preached at the Queen's invitation for 25 minutes yesterday in the private chapel at Windsor's royal lodge, 20 miles west of London.

Afterward he and his wife, Ruth, were luncheon with the Queen and the Duke of Edinburgh.

The Queen and the duke drove over from nearby Windsor Castle for the private service, which was attended also by the Queen Mother and Princess Margaret. It was Graham's first meeting with the Queen.

"I can only say that it was a great privilege to be at Windsor today and that the Queen was very charming and gracious to us," he told reporters.

Queen Elizabeth is titular head of the Church of England. Although

Sunday Rain Ends Drought, Eases Crop Situation Here

Nearly an inch of badly needed rain splashed down on arid Oakland County yesterday, ending a 3½-week drought which threatened farm crops.

But, although the crop crisis has been temporarily alleviated, experts today said much more rain is still needed.

Tomorrow's forecast is for occasional showers and thundershowers.

"The rain has been of great benefit to all the fruit crops which survived the May 9 frost," said Karl D. Bailey, district horticultural agent. The hay crop has been greatly reduced by the freeze and drought, he added.

Bailey pointed out the 37 of an inch which fell yesterday was the first rain of consequence since April 24. The normal rainfall for May is approximately 3½ inches.

NEED MORE RAIN

"It takes a lot of rainfall to moisten the sub-soil," Bailey said. "Area farmers still need a lot more rain."

Yesterday's torrent helped ease the water shortage which forced several communities to impose lawn sprinkling bans Saturday.

Some county roads were flooded by the downpour. In Birmingham last night, 20 to 25 cars were stalled in both the north and south-bound lanes of Hunter boulevard north of Wimbledon as water flooded higher than the center parkway.

Michigan Bell Telephone Co. reported service was cut-off to 360 customers in scattered sections as the rain affected 16 cables. Phones were out in parts of Oxford, Lake Orion, Drayton Plains, Commerce and Pontiac.

Accompanying yesterday's rainfall were temperatures ranging from a high of 80 to a low of 45.

A high of 80 degrees is expected tomorrow. At 8 a.m. today the mercury in downtown Pontiac stood at 66 degrees, rising to 76 at 1 p.m.

House May Reject Postal Pay Veto

WASHINGTON (AP) — House Majority Leader McCormack (D-Mass) said today there is a "good chance" the House will override President Eisenhower's veto of the postal pay hike if it gets a chance.

Eisenhower turned down a compromise 8.5 per cent average pay boost for the half million postal workers Thursday, saying the bill was too expensive and not fair to some groups it would have affected.

The veto comes up for a Senate test tomorrow, and Eisenhower supporters say they've got enough votes to uphold the veto; there, if they fail, the bill goes to the House for final action.

Open Sheppard Appeal Battle

Defense Attorney Calls Convicted Wife Slayer 'Typical American Boy'

CLEVELAND (INS)—Convicted wife-killer Dr. Sam Sheppard was characterized today as a "typical American boy" as attorneys opened their battle in Cuyahoga County Court of Appeals to upset the osteopath's second-degree conviction.

In his opening statements to the three judge appellate court, chief defense council William Corrigan said "Dr. Sheppard had an excellent background, fine reputation, and fine character" as he began relating the oft-told "background for murder."

Dr. Sheppard was convicted last Dec. 21 of the bludgeon slaying of his pregnant wife, Marilyn, in their suburban Bay Village home last July 4.

In supporting the defense contention that a "bushy-haired" intruder invaded the Sheppard home and beat the life out of Marilyn, Corrigan cited several instances aimed at showing the Sheppard home was an "open house" with doors rarely locked in the daylight or night time hours.

Before Corrigan began his arguments the court informed him that he would have "reasonable time" to present his side of the case. Dr. Sheppard's brothers, Drs. Steven and Richard, and their wives were present in the courtroom for the hearing, but the convicted wife-killer remained in his county jail cell to await the outcome of his appeal.

Following the arguments the judges, Lee E. Skeel, Joseph Kovacy and Joy Seth Hurd, will take the matter under advisement with a decision expected to be reached late in June or early in July.

House Trailer Overturns Here

TOTAL WRECK — This 35-foot house trailer was reduced to kindling wood and twisted aluminum after it overturned on Opdyke road near M-39 Sunday afternoon. The trailer was being pulled by a truck driven by Delos Bloor, 42, of Barbo, Wis., who told Sheriff's Deputies Steve Navarre and William Smith that he lost control when strong winds began whipping the trailer. Trailer and truck overturned in the ditch after crossing the road but Bloor was not injured seriously.

STORM HEAD MAKE

Rain Postpones JC Road-E-O

Event to Be Completed Here Tuesday Evening at Shopping Center

Yesterday's afternoon rain threw the Jaycee Teenage Road-E-O off schedule, but the annual event was immediately rescheduled for Tuesday at 6 p. m. after two hours of exhibitions.

Some 350 persons who turned out to view the affair at the Tel-Huron Shopping Center parking lot fled for cover at the onset of the downpour.

"Weather permitting," said Clyde R. Haskill, chairman, the Road-E-O will continue Tuesday night in the parking lot. We were unable to test about 50 in the contest."

Rescheduling of the event will make it possible for more contest entrants, said Haskill.

"Although only 10 were run through the test, we hope everyone interested in competing will be there Tuesday night for awarding of the three trophies," Haskill explained. "We're confident we can complete the contest and take in at least 50 more applications."

Trophy winners will have the opportunity to compete in a statewide and national Jaycee Road-E-O, in which final champs will be awarded scholarships valued up to \$3,000.

Tommy Foster and his prize winning \$5,000 "hot-rod" highlighted entertainment during yesterday's 2-hour show. Also on hand were hot-rod clubs, Pistol Poppers, Road Lords and Rod Benders.

Applications for Tuesday night's Road-E-O will be available at the center's parking area.

PTA Is Opening National Meeting in Chicago Today

CHICAGO (INS) — The National Congress of Parents and Teachers opened its 59th annual convention in Chicago today with the focus on "absentee delegates"—the nation's children.

The three-day convention will revolve around a theme of "better homes, better schools and better communities"—all of which affect the welfare and education of children.

More than 3,000 delegates are on hand for the convention.

Mrs. Newton P. Leonard of Providence, R. I., who is retiring as president after a three-year term, reported that PTA membership in the United States, Alaska and Hawaii has risen to an all-time high of 9,462,282 men and women.

This represents an increase of more than 500,000 members in the past year.

British Official Marvels at U. S. Traffic Controls

GRAND RAPIDS (AP)—Sir Gilbert Lathwaite, says America's system of traffic control "is something marvelous."

"The stops, lanes and yellow lines are astonishing," he said yesterday on a visit to Grand Rapids.

Sir Gilbert is permanent under-secretary of state for commonwealth relations in the United Kingdom.

Murdered UP Newsmen Given Military Rites

DAYTON, Ohio (UP)—Gene D. Symonds, United Press correspondent, was buried beside his mother at Lima, Ohio, today, halfway around the world from Singapore where he was beaten to death by a Communist-inspired mob while covering a bus strike.

Funeral service was held at Grace Methodist Church here and burial was in Woodlawn Cemetery at Lima.

A veteran of World War II, the 28-year-old United Press manager for Southeast Asia received military honors from the American Legion at the graveside.

Asphalt is an ancient Greek word meaning firm, stable or secure.

LIEUT. NORMAN DOLSEN

Pontiac Flier Dies in Crash

Lieut. Norman Dolsen Killed on First Mission After Flight School

Lieut. Norman M. Dolsen, 28, a native of Pontiac, was killed on his first assigned mission last week, after graduation from Flight School, Corpus Christi, Texas.

The Marine Corps pilot will be buried Saturday, May 28, in Hillman, Mich., just one month from the date of his military wedding, April 28, which took place in Florida. Service will be in Hillman Catholic Church.

Lt. Dolsen piloted a fighter bomber in a four-plane formation last Thursday in a sweep over the Florida Everglades. About 27 miles north of the Marine airfield near Miami, his plane suddenly went out of control and plummeted to earth. He was reported killed instantly.

A Marine Corps board is investigating the crash.

Surviving Lieut. Dolsen are his bride, Rhea, of Hillman; his mother, Mrs. Lottie Dolsen, also of Hillman; a brother, Clarence Dolsen of Pontiac and three sisters, Mrs. Alma Edgar of Pontiac, Mrs. Lillian Rehburg of Chicago and Jean Dolsen of Hillman.

Joseph J. Bildstein

Service for Joseph J. Bildstein, 69, of Grayling, a former Pontiac resident, will be held at 10 a. m. Tuesday, in St. Vincent de Paul Church, with burial in Oakland Hills Memorial Gardens, Walled Lake.

Rosary service will take place tonight at 8:30 in the Dudley Moore Funeral Home, Auburn Heights.

Mr. Bildstein, who died Saturday afternoon in Pontiac General Hospital, was born July 19, 1885 in Gagetown, the son of Joseph and Magdalen Weller. He attended Gagetown Schools and married Maude Diers in Proctor, Minn., in June, 1913.

He was a member of St. Vincent de Paul Church and had been employed at General Motors Truck and Coach Division.

Surviving besides his widow are two sons, Charles of Pontiac and Joseph Jr. of Avon Township; six daughters, Mrs. Florence Case of Rochester, Mrs. Barbara Bone and Mrs. Josephine Rihard, both of Pontiac; Mrs. Helen Turner of Auburn Heights, Miss Shirley Bildstein and Mrs. Margaret Dean of Grayling; 16 grandchildren and four sisters, Mrs. Lane Maxwell and Miss Catherine Bildstein, both of Detroit, Mrs. L. J. Van Hoff, Minneapolis, Minn., and Mrs. R. A. Kain of Saginaw.

Mrs. Carrie I. Collins

Mrs. Carrie I. Collins, 79, of 371 Elizabeth Lake Rd., died yesterday morning at her home, after three years of illness.

Mrs. Collins was born in Pierceville, Ind., the daughter of Henry and Isabella Bruntmeyer. She came to Pontiac 55 years ago from Indiana and was married to the now late Harvey Collins.

Mrs. Collins was a member of the First Methodist Church here and of the Deborah Circle.

She is survived by one son, Earl R., of Cincinnati; two daughters, Mrs. Ralph Hale and Mrs. Nat Morrison of Pontiac and two grandchildren.

Service will be held at 2 p. m. Wednesday from the Grace-Smith Funeral Home, with the Rev. Paul Havens officiating. Burial will be in Perry Mt. Park Cemetery.

Cranberries have been used in the form of sauce in the German and Scandinavian countries for centuries.

Presbyterians Voting Today

Ordaining Women and Catholic Marian Trend Issues Before Council

LOS ANGELES (AP)—Presbyterians vote today on proposals to ordain women as ministers and to criticize what the church terms a progressive trend by Roman Catholics to exalt the Virgin Mother.

The two issues come before the 167th General Assembly of the Presbyterian Church in the United States of America as it resumes business sessions continuing through Wednesday.

The lengthy statement on "the Marian cult in relation to the lordship of Christ and the unity of the church" was offered by the Presbyterians' Permanent Commission on Interchurch Relations.

The commission asked the assembly's 880 lay and clerical delegates representing 2,658,903 church members to approve the statement.

After noting that last year's assembly asked the commission "to study the significance of the Marian Year in relation to Christ's place in the Christian religion and to the unity of the church which we founded," the commission reported in part:

"The development of the Marian cult has widened the breach between the Roman Catholic Church and all other Christian communions.

"In the figure of the Virgin the church of Rome has created a semidivine female being who becomes virtual head of the church, the hope of all who are distressed and the sovereign overlord of all that occurs in history. The devotion to Mary now equals, and even exceeds, the devotion to Christ himself."

The Committee on the Ordination of Women to the Gospel Ministry proposed that the church's constitution be amended to read: "Both men and women may be called to this office."

Princess Visits British Troops on Duty in Bonn

BONN, Germany (AP)—Princess Margaret arrived here by plane today for a brief visit to British troops in West Germany. Because of a typhoid epidemic in the Ruhr, she will stay only one day instead of until Wednesday as originally planned.

The princess landed at nearby Wahn Airport. After brief ceremonies at the airfield, she drove to Wuppertal to present new colors to the 1st Battalion of the Suffolk Regiment. The princess is colonel in chief of the regiment.

Margaret also had been scheduled to visit the 3rd Hussars, but it is stationed in Isenlohn, near Hagen, the center of the typhoid epidemic. The number of stricken in the southern Ruhr rose to 420 yesterday and the first death, of a 60-year-old woman, was reported.

Holly Man Asks Exam on Manslaughter Charge

Charged with manslaughter, Sibersie D. Thorne, 29, of Holly, demanded examination when he was arraigned Saturday before Springfield Township Justice Emmett J. Leib.

Thorne, held on \$5,000 bond, was driving a car which crashed head-on with another on M87 near Holly March 19, causing the death of 16-year-old David Widing, of Holly. Examination date was not set.

Thomas Sarnoff, Bride Leaving for Honolulu

BEVERLY HILLS, Calif. (AP)—Broadcasting executive Thomas Warren Sarnoff, 28, and his bride plan to sail next Friday for a Honolulu honeymoon.

Sarnoff, son of Brig. Gen. David Sarnoff, and Janice London, 26, of Dubuque, Iowa, were married here Saturday.

Sarnoff is director of business affairs for the Pacific Division of the National Broadcasting Co. Gen Sarnoff is chairman of the board of NBC and the Radio Corporation of America.

Clinton Valley Council's Achievements Rank High

By JOE HAAS
Pontiac Press Staff Writer

ST. LOUIS, Mo.—When the 45th annual meeting of the National Council of the Boy Scouts of America closed here Saturday, the accomplishments of Clinton Valley Council during the past year were found to be among the nation's leaders.

The local Council, which comprises most of Oakland and Macomb Counties, including Pontiac and Mt. Clemens, was one of a select group among the hundreds of councils in the United States to exceed its quota in enrolling Explorer Scouts during 1954.

Here to accept the honor plaque for the council and honor certificates for its units who went over the top was Kenneth H. Sanderson.

Among the 800 council-operated Boy Scout summer camps in the nation, that of Clinton Valley Council, Camp Agawam, just northeast of Pontiac, is one of the largest, and is closing its 1955 bookings with a capacity enrollment at a much earlier date than most of the others.

The annual report shows that more than four million now are enrolled in Boy Scout work. This includes nearly three million boys of scouting age and over a million adults.

The increase in boys enrolled during 1954 showed a 13 per cent gain over the previous year. During the past year the boys have earned 1,041,008 merit badges and 12,239 were advanced to the coveted Eagle rank.

In the big upsurge in the Cub Scout movement, more than a million families are participating. This is called America's largest and most dynamic parent and boy program. Clinton Valley Council also is among the nation's leaders in promoting cubbing.

In fact, there now are so many Cub Scouts enrolled here that the local council management is concerned about the near future years when the Cub Scouts will graduate into regular Boy Scouts. They will tax its present facilities to the utmost.

In the nation there now are more than a million and a quarter Cub Scouts, scattered through 35,000 packs, a large percentage of which were organized during the past year.

Active in the scouting program are nearly 70,000 sponsoring organizations, such as churches, service clubs and fraternal orders. It is estimated that they give at least 10 million more people some interest in the work.

Since the Boy Scout program was started 45 years ago, over 30 million people have had direct contact with it, either through actual membership as scoutmasters or other offices.

Elected to his fifth term as National President of the Boy Scouts of America, John M. Schiff of Oyster Bay, N. Y., sends the following message to the Clinton Valley Council: "Located in the very heart of the world's greatest in-

dustrial section, your position is unique. We are watching you and congratulate you on your progress in an area that without doubt has the most cosmopolitan population in the entire nation."

LARGEST ENROLLMENT
Region Seven, of which Clinton Valley Council is a member, had the largest enrollment at the national meeting. Of the four states, Illinois, Indiana, Wisconsin and Michigan, in the region, Illinois, just across the river, from St. Louis, was the only one to exceed its quota in enrollment.

The closing luncheon Saturday brought out 1,700, the largest number to be served on such an occasion in the history of the National Council. It also was the largest number ever served in the new Kiel auditorium—which modest St. Louisans claim is the largest in the nation.

The national scout program includes plans for another "get out the vote" campaign. The 1952 work of the Clinton Valley scouts was so outstanding in this respect that it was given special notice in "Scouting" Magazine.

The 1956 National meeting goes to Cincinnati.

Skeets Gallagher Dies After Heart Attack

SANTA MONICA (AP)—Rosary will be recited today with requiem mass tomorrow morning in St. Victor's Catholic Church for former stage and film comedian Richard S. (Skeets) Gallagher who died yesterday.

Gallagher, 64, succumbed after a short illness. He had retired from acting four years ago and recently suffered a heart attack.

Very Concise Address

HOUSTON, Tex. (AP)—President Lou Witt of the Gulf Coast Photographers Assn. was pretty weary of speeches when it came his turn. After the announcement, "We will now have Mr. Witt's address," he responded: "5418 Timber Creek Dr." and sat down.

Indian Stealer, Maybe

SHERMAN, Tex. (AP)—Somebody stole two diamond rings and a wristwatch one night from the home of Mrs. W. T. Redden. Next night, somebody put them back.

The Day in Birmingham

BIRMINGHAM — Murray Rasmussen, 31, of 15 Bloomfield Terrace, Pontiac, was fined \$125 today after admitting he was driver of a car which sliced across the island separating north and south bound lanes of Woodward in Bloomfield Hills, and crashed into a south-bound vehicle. Two persons were injured.

Rasmussen, a bartender, was fined by Peace Justice A. J. Richardson.

The injured, identified as Mr. and Mrs. Thomas Lynch, Detroit, were released from St. Joseph Mercy Hospital after receiving first aid treatment for minor injuries.

Police said Rasmussen, driving under the influence of alcohol, was driving north on Woodward Sunday morning without headlights. He wheeled across the island, just south of Long Lake Road, into the south-bound lane where his car collided with the Lynch vehicle, police said.

Donald McKee, Birmingham, was one of nearly a score of Democratic precinct workers honored Saturday for "outstanding work" at the annual Jefferson-Jackson banquet in Detroit. McKee was honored at the banquet attended by some 1,500 Michigan Democrats.

Mrs. Ina Dandison, formerly Mrs. Ina Dandison, 86, died Friday afternoon at Star Lake, N. Y., after 13 months of illness.

Born in Oakland County April 28, 1869, Mrs. Dandison was the daughter of Matthew and Sarah Bristow King. Married to the late Levi Dandison in Pontiac in 1895, she was a member of the Central Methodist Church here.

Surviving Mrs. Dandison are two nieces, Mrs. Clarence Pagels of Detroit and Mrs. Robert Persson of Star Lake.

Service will be held at 2 p. m. Tuesday from the Kirkby Funeral Home, with Dr. Milton H. Bank officiating. Burial will follow in Oak Hill Cemetery.

Short Agenda for Supervisors

Oakland County Board Will Meet on Tuesday Morning

A short agenda faces the Oakland County Board of Supervisors when it meets at 9:30 a. m. tomorrow in the County Office Building at 1 Lafayette St.

A report is expected from the Building and Grounds Committee on planned modernization of the kitchen and construction of an elevator at the Tuberculosis Sanatorium.

Consideration is scheduled of a plan to provide social security for Road Commission employees.

A resolution is expected from the Ways and Means Committee asking that the 1956 appropriation to the Huron-Clinton Metropolitan Authority be slightly increased.

Another planned resolution would approve hiring four more sheriff's deputies.

The Agricultural and Equalization Committee also are scheduled to report.

Driver Gets Fine of \$125 After Crash Injures Two

BIRMINGHAM — Murray Rasmussen, 31, of 15 Bloomfield Terrace, Pontiac, was fined \$125 today after admitting he was driver of a car which sliced across the island separating north and south bound lanes of Woodward in Bloomfield Hills, and crashed into a south-bound vehicle. Two persons were injured.

Rasmussen, a bartender, was fined by Peace Justice A. J. Richardson.

The injured, identified as Mr. and Mrs. Thomas Lynch, Detroit, were released from St. Joseph Mercy Hospital after receiving first aid treatment for minor injuries.

Police said Rasmussen, driving under the influence of alcohol, was driving north on Woodward Sunday morning without headlights. He wheeled across the island, just south of Long Lake Road, into the south-bound lane where his car collided with the Lynch vehicle, police said.

Donald McKee, Birmingham, was one of nearly a score of Democratic precinct workers honored Saturday for "outstanding work" at the annual Jefferson-Jackson banquet in Detroit. McKee was honored at the banquet attended by some 1,500 Michigan Democrats.

Mrs. Ina Dandison, formerly Mrs. Ina Dandison, 86, died Friday afternoon at Star Lake, N. Y., after 13 months of illness.

Born in Oakland County April 28, 1869, Mrs. Dandison was the daughter of Matthew and Sarah Bristow King. Married to the late Levi Dandison in Pontiac in 1895, she was a member of the Central Methodist Church here.

Surviving Mrs. Dandison are two nieces, Mrs. Clarence Pagels of Detroit and Mrs. Robert Persson of Star Lake.

Service will be held at 2 p. m. Tuesday from the Kirkby Funeral Home, with Dr. Milton H. Bank officiating. Burial will follow in Oak Hill Cemetery.

Sells 2 1-2-Millionth Series E Bond Here

Community National Bank today sold its 2 1/2 millionth Series E bond for Uncle Sam.

In the exactly 14 years the bank has been issuing defense and savings certificates for the federal government, Pontiac-area residents have purchased bonds with a maturity value of \$108,301,850, according to Mrs. R. S. Craft Jr., bond department supervisor.

The bank's bond sales are divided about equally between factory payroll savings plans and over-the-counter customers, Mrs. Craft said.

Clarkston High Junior Wins Waterford Road-E-O

Bud Volberding Is High Scorer

8 Teenagers Qualify for Final Trials in Jaycee Competition

WATERFORD TOWNSHIP—Bud Volberding, 17, a Clarkston High School junior took top honors at the Waterford Township Road-E-O held Sunday afternoon in Drayton Plains.

This was Volberding's first year in competition, and he totaled 377 points out of a possible 500. He is the son of Mr. and Mrs. Leroy Volberding of 7130 Deer Lake Rd., Clarkston.

Eight teenagers from Clarkston and Waterford Township met at the preliminary tests and qualified to the final trials in the Jaycee-sponsored event.

James Mickle, 17, of 9283 Eve Rd., Clarkston, placed second. The son of Mr. and Mrs. Francis Mickle, James had tried out in last year's contest but failed to win. He also is a junior at Clarkston High School.

TORR PLACES 3RD

Bernard Torr, son of Mr. and Mrs. Bernard Torr of 3445 Fremont Ave., Drayton Plains, was third-place winner. This was his first year in competition, and he is a junior at Waterford Township High School.

Entrants in the contest were given a written exam. The driving test included parking, maneuvering between pylons, and several other situations designed to test the ability of the drivers.

Keego Group Slates Mother-Child Dinner

KEEGO HARBOR—The Business and Professional Women's Club will hold the annual Mother-Child Dinner at the Rotunda Inn at 6:30 p.m. Monday, Mrs. H. H. Savage of Pontiac will be the guest speaker.

The banquet is open to the public. Mrs. Claude Kimler is reservation chairman. About ten members of the club will journey to Grand Rapids this weekend to attend the BPW annual state convention being held at the Pindlin Hotel.

Milford Breaks Ground for Post Office Building

MILFORD — Ground has been broken for the new Milford post office. It will be built next to the Detroit Edison Co. on the corner of Union and Liberty Sts. The present post office will be moved into the new quarters about the first of August, according to Postmaster Vincent Boyle.

Bride Turns 21

Katherine Lynch Marries William Hill on Birthday

HOLLY—On her 21st birthday Saturday, Katherine L. Lynch became the bride of William R. Hill. The rites were spoken before the Rev. Louis Sutton at Calvary Methodist Church with 200 guests in attendance.

The bride wore a gown of Chantilly lace and tulle over satin for the ceremony, and for travel a beige costume with brown accessories.

Barbara Lynch, sister of the bride, was maid of honor, and attendants were Mrs. Thomas E. Seavey, another sister, and Mrs. Donald Fern.

Best man was Frederick Sutton, and ushers were Thomas E. Seavey and Robert W. Lynch, the latter a brother of the bride.

Following a reception the new Mr. and Mrs. Hill left for a trip to northern Michigan, after which they will live at 305 College St.

The bride is the daughter of Mr. and Mrs. William B. Lynch of Holly, and the groom is the son of Mr. and Mrs. Henry L. Hill of Flint.

Joanne Korte Engaged to Ortonville Airman

ORTONVILLE — Mr. and Mrs. Bernard Korte of Grange Hall road have announced the engagement of their daughter, Joanne, to Airman 3c Arnold Vandewalker. He is the son of Mr. and Mrs. Glenn Vandewalker of South street, Ortonville. No wedding plans have been made.

WINNER IN WASHINGTON—A thrilling moment for Mary Lou Munding, South Lyon Citizenship Essay Contest winner, came when she met her Congressman from the 18th District, George A. Dondero (right) during an award visit to Washington, D. C. With them is Edwin D. Phillips, chairman of

the South Lyon Kiwanis Club that sponsored the contest. Mary Lou attended a luncheon in the Capitol as the congressman's guest and toured the historic public buildings, monuments and memorials in Washington during her four-day all-expense trip.

Brandon Sophomore Off to Summer Musical Camp Benefit Is Scheduled at Sashabaw Church

ORTONVILLE — A pretty Brandon Township High School sophomore, Carol Burt of 241 Mill St., will leave June 2 for Interlochen Music Camp, where she will study two weeks. She is the daughter of Mr. and Mrs. Howard Burt.

An advanced student of the tenor saxophone, Carol received first place ratings in the recent district and state contest. She also placed

first as a vocalist in the last state contest.

The young musician has had one year of junior band and three years of senior band.

In addition to serving with the Baptist Church choir, Carol has presented vocal selections before many local organizations and group meetings.

When she reaches college age, she plans to study for a major in music.

SASHABAW PLAINS—The Pontiac Women's Chorus will be presented at 7:30 Tuesday in a benefit program at the Sashabaw Presbyterian Church, 5331 Maybee Rd.

Charles E. Hutton will direct the chorus in four groups of numbers—sacred, secular, popular and comic selections. Mrs. Dorothy McKibben is accompanist for the group. A freewill offering will be taken, with the proceeds being used to help buy an organ for the church.

Myles Watkins Places 2nd in State Speech Competition

WATERFORD TOWNSHIP — Myles Watkins, Waterford Township High School senior, took second place in the state finals of the Knights of Pythias Speech Contest held Saturday in East Lansing.

In the Tower Room of the Union Building, three contestants vied for the state honors with speeches on "What You Can Do for Highway Safety."

John Warner of Cass Technical High School, Detroit, placed first.

Last year Myles won both the state and regional K. of P. competition and placed second in the national.

Friday Myles returned from Albany, N. Y., where he captured second place in the Hearst National Tournament of Orators.

Accompanied by Miss Patty Looman, Waterford High School speech instructor, Myles and his three rivals were feted at banquets and introduced to New York.

Church Plans Supper

ORION TOWNSHIP — A supper will be served at the Howarth Church on Silverbell Road, beginning at 5 p.m. Wednesday. The supper is open to the public.

PTA Meeting Slated

SOUTHFIELD TOWNSHIP—East Southfield PTA will meet at 8 p.m. Tuesday at the school. Mrs. Theodore Boschma is the newly elected president.

City Mayor Erastus Corning and Governor Averill Harriman.

They toured Albany and New York and were taken on a one-day bus trip through upper New York State.

Romeo Raises Principals' Pay

District Educators Get Second Wage Boost in Three Months

ROMEO—Principals of the Romeo Community School District were granted their second pay raise in three months by the Board of Education at a special meeting last weekend.

Salaries of elementary school principals Robert Reid and Bruce Lindsay were increased \$250 each and high school principal Harold Barr received a \$100 increase. The grade school principals had been awarded \$450 pay increases at a meeting on March 10, and the high school principal was voted a \$200 raise at that time.

All the raises become effective July 1. Reid will receive \$5,900, Lindsay \$6,200, and Barr \$6,800.80 for the 55-56 school year.

Raises also were authorized for the school clerks and secretaries, effective on the same date.

IT'S A PSYCHOLOGICAL FACT: PLEASURE HELPS YOUR DISPOSITION

How's your disposition today?

FEEL LIKE ROARING? That's only human. Little annoyances pile up... you're cross and edgy — Grrrr! That's why, psychology says, everyday pleasures are so important. For pleasure takes the edge off annoyances... helps your disposition. So, if you're a smoker, you should choose a cigarette that gives you the most pleasure. And that means Camels!

For more pure pleasure... have a Camel

CAMELS are not only the choice of pleasure... they are the choice of wisdom! It's wise to get all the pleasure there is when you smoke. Because everyday pleasures are important. And "all the pleasure there is" means CAMELS, known the world over for their rich flavor and mildness! No wonder Camels agree with more people than any other cigarette! Remember—the cigarette that's stingy with flavor won't give you CAMELS' pure pleasure. So... have a CAMEL!

No other cigarette is so rich-tasting, yet so mild!

Strike Shadows British Election

**Voters More Worried
Over Epsom Derby,
Transport Walkout**

LONDON (AP)—Predictions of Conservative victory mounted in Britain's press today as the quietest election campaign the country has seen since World War II went into its last three days.

Newspapers gave the election Thursday of a new Parliament only secondary attention. Public interest centered on the running of the Epsom Derby Wednesday and the threat of port and rail strikes.

The 17,000 member Amalgamated Stevedore and Workers Union called its men off the job today in four major British ports—London, Liverpool, Manchester and Hull. Effectiveness of the strike, however, depended on how many men of the giant Transport and General Workers Union observed the picket line. The TGWU said its men could continue to work in the ports if they wanted to.

Of greater import was the threatened strike of the Associated Society of Locomotive Engineers and Firemen. Next Saturday 70,000 members of the society are scheduled to stage a walkout which would tie up Britain's state-run railroad system.

Some Labor party campaigners seized on the strike issue to pre-

dict that continuance of a Tory government would result in even more walkouts. But party officials expressed private misgivings since the Socialists are closely identified with the unions and paralyzing walkouts at this time are not expected to sit well with strike-weary Britons.

At least one pro-Labor newspaper joined Conservative publications and public opinion polls in predicting that Prime Minister Eden would return for a five-year term to head the government he inherited on Winston Churchill's retirement last month.

Forest Fires Raging Through 2 Provinces

HALIFAX, N.S. (AP)—Unchecked forest fires burned through two Canadian provinces today, leveling more than 100 buildings in Nova Scotia and eating through 15,000 acres of rich Ontario timber land.

Three thousand volunteers ringed the southwest Nova Scotia ports of Liverpool and Bridgewater as winds whipped the spreading flames, which already have caused hundreds of thousands of dollars damage.

In northern Ontario 67 fires raged. Two small communities were threatened.

Dash Ends in Crash

CHARLOTTE, N.C. (AP)—Albert Freeman made a dash for the marquee of a department store yesterday when it began to rain. He slipped on the tile under the marquee, fell flat on his back and slid through a plate glass door. He was uninjured.

DAV 16, Auxiliary Elect New Officers

New officers of Disabled American Veterans Chapter 16 and its auxiliary will be installed in the chapter home, 199 Auburn Ave., Wednesday evening.

Morris Cucksey, incumbent, will be re-installed as commander, and another incumbent, Luther J. Keys, will be re-installed as adjutant.

Other officers are Ray C. Jewell, senior vice-commander; Robert R. Copeman, junior vice-commander; Bobbie Smith, treasurer; Orvin M. Weaver, chaplain, and John A. Tuson, executive committeeman.

Auxiliary officers to be installed are: Mrs. Paul Chancey, president; Mrs. Irvin George, senior vice president; Mrs. Troy Marcum, junior vice president; Mrs. Joseph Hicks, treasurer, and Mrs. Lisle Smith, chaplain.

All of Virginia's power plants are coal burning.

2 B52s Turn Back After Seven Hours

EDWARDS AIR FORCE BASE, Calif. (AP)—Two of the new B52 Stratofortresses started out yesterday for a military show in Washington but came back because they could not have been seen from the ground.

They had planned to fly coast to coast and back without stopping or refueling.

Officers here said the exact distance and times could not be given as the B52 performance figures are classified information.

Officials at Bolling AFB, Washington, told the planes to turn around because of poor visibility from the ground.

Farmers are 83 per cent of the population in Thailand, only 5 per cent in the United Kingdom and 11 per cent in the United States.

About three million Americans play the violin, viola or cello.

Dynamite Cap Blasts Crippled Boy's Hand

PAW PAW (AP)—Already crippled by polio and a heart disease, 12-year-old Ken Wright was in Fairview Hospital here today for treatment of injuries suffered when a dynamite cap exploded in his hand. The boy found the cap yesterday near his home in Bloomingdale. Curious, he scratched it with a nail. It exploded, blowing off a thumb and finger. Bits of copper were buried in his face, chest and neck.

'You're Goin' to Wear Out My Drum'

Shy, Taciturn Heros Not Fun to Interview

By PHYLIS BATTELLE
NEW YORK (INS) — The toughest task God's prying newspaper chills ever have to face is the interviewing of heroes.

A hero is a man of notable courage, but un-notable dialogue. He's a Gary Cooper for real, a man who likes plenty of action and little as possible talk. So when you ask a silly question like "How does it feel to be a hero?" you get exactly the answer you deserve.

"I feel," drawled Capt. Jack Woodard, "like if you people don't stop beatin' on my drum, you're goin' to wear it out."

Roanoke-born Capt. Woodard is not only like Cooper in drawl and modesty, but he has the stature (6-foot-4) and dark good looks of Gregory Peck.

He is the prototype of the shy man of courage, but this has nothing to do with why he was flown, suddenly, from Clark Air Force Base in the Philippines to New York City.

TO RECEIVE MEDAL

He was rushed here to receive the third annual "Aviators' Valor

Medal" award by the United States Air Force.

The citation that goes with the medal and ribbon reads: "For extreme valor, courage and fortitude in the successful rescue of the survivors of the Cathay Pacific airliner which was shot down by Communist aircraft."

It says further that his "courage, coolness and skill in the face of possible Communist intervention on this occasion reflects the highest credit upon himself and the United States Air Force."

Childs Named to Post in Police Chiefs Unit

LANSING (AP)—State Police Commissioner Joseph A. Childs has been appointed chairman of the state and provincial section of the International Assn. of chiefs of Police.

The section is composed of state police and highway patrols in the United States and law officers in Canada. Childs will preside at a meeting of the group during an association convention in Philadelphia this October.

"That's all very nice," he said, lounging in unaccustomed luxury at the hotel Lexington, "but I'll argue with 'em to the end that there was anything I did that my whole crew didn't do. Let me tell you the story . . ."

TELLS HIS STORY

On July 23rd, 1954, he explained, he and his crew (from the 31st Air Rescue Squadron at Clark Field) were planning a routine flight in their twin-engine Albatross, when a hot message came from the control tower.

It was an SOS from a Cathay Pacific DC4 airliner, which reported one engine was on fire and the plane was losing altitude. The craft was a few miles south of Communist-held Hainan Island on the airline's route from Bangkok to Hong Kong.

Woodard and crew leaped to action, were airborne within minutes. It took more than three hours to fly to the area where the distressed plane was presumed to have ditched, and when the rescue plane finally spotted a raft with survivors, there were two major dangers involved that

might have made less courageous men pause — or fail.

The raft was pitching in Chinese territorial waters (in fact, by this time a broadcast from Peiping had warned that any U. S. aircraft sighted in this area would be shot down), and the swells were 8 to 10 feet high, making a landing seem virtually impossible.

'EVERYTHING RIGHT'

But "this was the sort of day when everything goes just right," Capt. Woodard remembers. So by careful manipulation he landed the Albatross in the calmer water near

shore, then taxied through the violent swells to the side of the raft.

Altogether there were nine survivors, including two little girls. But one of the girls died on the flight back to Hong Kong.

The pilot of the ditched plane confided to Woodard that he had been knocked out of the air by two Chinese Communist planes. The truth would never have been known if it were not for the captain and his crew.

But of course Capt. Jack, being a hero, refuses to concede the rescue was anything more than a mission — "a mission that justified all the time and trainin' we put in on it."

"We were a little shook up," he admits, "but I imagine the Communists were more so, when their murder was disclosed."

Williams Signs Bill for Flint UM Branch

LANSING (AP)—Gov. Williams has signing \$37,000 to organize a two-year branch of the University of Michigan at Flint.

The branch, which would furnish the last two years' of instruction for students of the Flint Junior College, would be ready to enroll students in the fall of 1956 under present plans.

The bill requires the university requirements for presentation to the 1956 session of the Legislature.

Cup of Coffee Is Reward

DUNBAR, W. Va. (UP) — Gene Trail found a purse containing \$2,400 in cash and a check for \$300 and took the time to find the owner of the purse. The owner bought Gene a cup of coffee as a reward.

DIFFERENCE

We honestly believe that there has never been such a difference between low-priced cars as there is today. Driving them will quickly show you that it isn't even fair to compare other low-priced cars with the Motoramic Chevrolet. Driving will show you that Chevrolet is actually stealing the thunder from the *high-priced* cars. So won't you come in and try out a new Chevrolet? We'll rest our case on what the car itself can tell you.

Bride-Elect Is Honored at Shower

Feted at a miscellaneous shower
was Christine Harrison, bride-
elect of Richard McMahon. Par-
ents of the couple are Mr. and Mrs.
Ralph Harrison of Mansfield ave-
nue and Orval McMahon of Third
street.

They will be married June 17
at Joslyn Avenue Presbyterian
Church.

The joint shower, given by
Mrs. Harry Blust and Barbara
Daniels, was held at Mrs. Blust's
home on Winthrop drive.

Guests attending the recent
gathering were Barbara Fred-
ericks, Mrs. Margaret Fredericks,
Mrs. Gladys Morris, Mrs. Cleo
Slater, Mrs. Tommy Brimhall, De-
lores Hylia, Mrs. Donald Harrison
and Mrs. Norman Hall.

OTHERS LISTED

Others were Norma McGothin,
Mrs. Harry Stonehouse, Mrs. Ernie
Melone, Beth McEvoy, Mrs. Roy
Polasek, Mrs. Jim Conway, Mrs.
Leamon Furgurson, Joan Bowhall,
Mrs. Archie Bartlebaugh, Mrs.
Joseph Koren, Mrs. Robert Dun-
ham and Sharon Daniels.

Completing the guest list were
Mrs. Claud Daniels, Mrs. Ralph
Hickerson, Mrs. Carl Huston, Mrs.
Shirley Currie, Mrs. Ralph Har-
rison, Judy Harrison and Mrs.
Henry Godin.

Adult Conference Slated at Cranbrook

"Does Your Life Make Sense?"
will be the theme of a Diocesan
Adult Conference to take place at
Cranbrook School from June 14 to
18.

This was the announcement made
by Jessie Brewer when Guild Ten
of All Saints Episcopal Church met
for a buffet dinner at the Oxbow
Lake home of Mrs. Guy Shotwell.

The Rev. C. George Widdfield
of the church, will be director of
the conference. Miss Brewer also
gave the Christian education lesson
and reported on the May Break-
fast.

Guests of the group were Mrs.

Isabel Tiltman, Mrs. Susan Tice
and Mrs. Amy Harper.

Sound waves move four miles
a second through steel, but slow
down to one mile a second through
fresh water.

The annual banquet sponsored by the men
of Central Methodist Church will be held
Tuesday evening at 6:30 p. m. at the church.
Going over plans for the final meeting at
which guests are invited are Richard C.
Poole (left), incoming president of Watkins
Lake, and George Yansen, outgoing presi-
dent, of Chippewa road. Ralph Beehler
(right) of West Iroquois road is a member
of the board of directors.

Red Cross Workers to Meet Tuesday

Mrs. Mildred Bennett, Executive
Secretary, Oakland County Chap-
ter of the American Red Cross,
will review progress in the Blood
Recruitment program at a lunch-
eon meeting Tuesday in Birming-
ham.

Residents of Oakland County
who have supported the Red Cross
Blood Program for the past four
years will lunch together at Re-
deemer Lutheran Church.

Mrs. John Blanchard of Bloom-
field Hills, vice chairman of the
advisory committee sponsoring
the luncheon, and representing
Dr. Ernest Bauer, will welcome
the group and introduce the var-
ious chairmen.

Mrs. Norman McQuater of Roy-
al Oak is chairman for South Oak-
land; Mrs. E. Lerehen for Bir-
mingham; Mrs. O. E. Koskinen of
West Bloomfield for out-county vil-
lages and towns; and Mrs. A. H.
Magnus of Bloomfield Hills for
Pontiac.

CHAIRMEN TO MEET

Also present will be dozens of

local recruiting chairmen rep-
resenting industrial, social, church
and civic groups who sponsor mo-
bile visits throughout the year.
In order to fill its quota of eight
hundred pints a month, the county
must recruit one hundred mobile
visits.

Other reports will be given by
Mrs. Dalton F. Sifton on Mobile
Recruitment in the county; Mrs.
John Logan on Volunteer Service;

Area WSCS Elects Mrs. Garrison

MIDLAND (AP)—Mrs. Edward H.
Stahly of Saginaw was re-elected
president of the Detroit Confer-
ence of the Women's Society of
Christian Service Friday at the
group's annual convention.

Other officers elected were Mrs.
John Garrison, Pontiac, vice
president; Mrs. William Devoe,
Detroit, recording secretary; Mrs.
Russell Steinger, Wayne, treas-
urer.

'Michigan' Wisner Theme; Central PTA Hears Band

"Know Your Michigan" was the
theme of a program enjoyed by
members of the Wisner School
PTA who gathered recently for
their last meeting of the season.
The program in song and story
was presented by Mrs. Ralph
Gardner's and Mrs. Roy Wood's
fourth grade pupils.

New officers were installed dur-
ing the meeting by Mrs. Donald
North, president of Pontiac High
School PTA. Mrs. William J.
Thomas is president; Mrs. Mor-
ris Cucksey, vice president;
Howard Morgan, father vice
president and Mrs. Claude Cook,
recording secretary.

Completing the slate will be Mrs.
Ervin Christie, treasurer and Mrs.
Fred Froede, corresponding sec-
retary. Council delegates are Mrs.
Lawrence LaBair, Mrs. Paul Web-
ster and Mrs. Donald North.

Mrs. Lester Lyons, Mary Mit-
chell and Geraldine Gibbs were
named to serve on the auditing
committee. An annual teacher's
luncheon will be held June 16 in
the school gymnasium.

CENTRAL PROGRAM

Central School PTA members
were entertained by the school
band under the direction of Ray-

mond Young when they met re-
cently.

Mrs. Dale Rolfe was installed
as president; Mrs. Charles
Farmer, vice president; Douglas
Martin, father vice president;
and Mrs. Donald McKee, sec-
retary.

Mrs. Junior Horral is treasurer;
Mrs. James Marinos, historian and
council delegates are Mrs. Loen
Johnston, Mrs. Harold Paide and
Mrs. Leon Putman.

Mrs. Stuart Galbraith, principal,
announced a family picnic to be
held early in June.

MR. and MRS. GLENFORD HAVILAND

Celebrating their 50th wedding anniversary Tuesday
will be Mr. and Mrs. Glenford Haviland of Elizabeth Lake
avenue. The 250 guests who gather at Bethany Baptist
Church for a reception will also help Mr. Haviland cele-
brate his birthday.

Celebration Is Planned

A repetition of marriage vows
will highlight the golden wedding
anniversary of Mr. and Mrs. Glen-
ford Haviland of Elizabeth Lake
avenue.

The couple has invited 250
friends to attend a reception to be
held Tuesday evening at Bethany
Baptist Church. Tuesday is not
only the Havilands' wedding anni-
versary, but is also Mr. Havil-
and's birthday.

The wedding ceremony will be
performed by Dr. Rufus Traver,
the pastor who married them 50
years ago in Pontiac at the home
of her parents, Mr. and Mrs. A. A.
Rich.

The couple will be attended at
Tuesday's ceremony by their orig-
inal attendants, Mrs. Alan Green,
niece of Mr. Haviland; and Ralph
Aich, brother of Mrs. Haviland.

The couple has two sons. Del-
bert of Voorheis road and Max of
Royal Oak, as well as four
grandchildren.

Urges Wilson End Air Power Confusion

PARADE DRAWS CROWD — Shown at the left are a few of the estimated 20,000 persons who lined Saginaw street in downtown Pontiac Saturday for the annual Armed Forces Day parade. Above is the convertible carrying Beverly Jean Doud, 18-year-old Drayton Plains secretary who was named Miss Pontiac Naval Reserve by local reservists this week. Riding in the auto with Miss Doud are her two assistants, Frankie Russell, 17, of Waterford, and Marcie Hill, 18, of Pontiac. Also in the parade were tanks from the 703rd Reserve Tank Battalion, Company M, 125th Infantry, of Pontiac's National Guard, area high school bands, various veterans' organizations, Red Cross, Civil Defense and Boy Scout marchers.

Sen. Johnson Seeking Truth

Rash of Statements About Russian Planes Differ Widely

WASHINGTON (AP) — Sen Lyndon B. Johnson (D-Tex) called on Secretary of Defense Wilson today to "step in and stop the confusion" he said exists about the national defense program.

The Senate Democratic leader said congressional committees are going to try to find out the "true story" of whether Russia is threatening to gain air superiority over the United States.

In the meantime, he said Wilson has the responsibility for seeing to it that "the generals and secretaries get together so that the right hand knows what the left is doing."

"The people and Congress don't know who to pay attention to now," he said. "There has been a new rash of confusing statements and there should be clarification as to what is the true story."

LEADERS 'SHOCKED'
The magazine Aviation Week, joining in a controversy which has raged during the last week, said yesterday that Russian air developments have shocked "even the top level and the most knowledgeable military aviation leaders in the Pentagon."

It criticized what it said "appears to be a deliberate deception practiced against them (the American people) by some of the highest civilian officials in their government."

A brief Pentagon report of Russian air developments 10 days ago led Sen. Symington (D-Mo) to suggest last Tuesday that Russia may have gained air superiority over the West. President Eisenhower told his news conference Wednesday such a statement "is just not true."

A prepared speech which Lt. Gen. Thomas S. Power was to have delivered in Boston Friday said Russia now has the world's largest air force and "resources in manpower and material we could not possibly match."

CHANGES TEXT
As Power made the speech, however, he changed the text to say only that the Soviets have "a large air force" and "impressive resources in manpower and material," without saying whether this country could match them.

The change followed news reports of a speech by Brig. Gen. Woodbury M. Burgess in Detroit, quoting him that "the Russian air force is currently at least as good as ours, possibly better."

Although Detroit newsmen said they would stick by the stories they wrote, Burgess told the Senate Armed Services Committee, of which Johnson is a member, that he was misquoted. Secretary of the Air Force Talbot backed this up, saying that statements about Russian air superiority were made "by people who just don't know."

Burgess is chief of intelligence for the Continental Air Command, and Power is commanding general of the Air Force Research and Development Command.

ADDS TO CONFUSION
Johnson said all of this just added to the confusion. He said the armed services and appropriations committees will want all the facts available.

"In view of the billions of dollars we are spending on defense, we have a right to have these people weigh their words," he said. "We have a right to know that when they speak the truth is being accurately stated."

Sen. George (D-Ga) said he is confident that the gap of relative strength between the Russian and U.S. air forces "still is wide."

He said the Senate Foreign Relations Committee, which he heads, might want to hear Gen. Alfred M. Gruenther, NATO commander, on the subject again if there have been developments in recent weeks since Gruenther testified.

He said Gruenther "didn't seem alarmed" about the Russian air buildup. He added that Gruenther "ought to know as much about it as anybody."

Gruenther said in a New York speech Friday that Russia's long range bomber program is "quite a long way behind ours."

That's Not So High

BELLEVILLE, Ohio (AP) — Crew cuts cost \$1.25 here, a quarter more than the standard job which leaves more hair. President Emerson Beers of the local barbers union said crew cuts take more time.

In the Good Old (BAM!) Summer (CRASH) Time

Going into the summer touring season, the auto driver should study his insurance policies. There are many fallacies in circulation about accident coverage. Damages, for instance, depend entirely on who was negligent and caused the accident. Sometimes contributing negligence makes the case even more complicated. Advance knowledge of what your auto policies cover can save embarrassment and anguish. Read your policies! Pictured are a few oddities about insurance with which a policy holder should be familiar.

YOU CAN COLLECT if an irate neighbor takes a sledge hammer to your windshield. (The company will try to collect from him.) But if you get mad and bash in your own . . . unh-unh, brother.

You can't collect for personal effects stolen from the car, under ordinary auto insurance. This includes clothing, suitcases or cameras left in the seat or unlocked trunk.

You can collect when attached equipment is stolen off a car. This includes radiator ornament or spotlight. Spare tires, when they are bolted to car, also are covered.

You can't collect, under comprehensive coverage, if you do this. But if a windstorm rips off the canvas top, you can. Comprehensive covers accidental damage other than collision.

Big-4 Talks Boon to Eden

WASHINGTON (UP) — Sir Anthony Eden's vigorous claim that he persuaded the Eisenhower administration to agree to Big Four talks at the summit has been afloat now for some days.

The administration does not deny it and the claim is accepted as a practical political fact. Neither is there any disposition here seriously to challenge another political fact:

That the administration was very considerably swayed in agreeing to Big Four talks by the argument that they surely would help Sir Anthony's Conservatives to continue in power in Great Britain.

EDEN DULLES-KE
Sir Anthony convinced Secretary of State John Foster Dulles, then in Great Britain, and Dulles convinced President Eisenhower. It seems fair to assume that the President and Dulles were and are far more certain of the effect of their Big Four agreement on British politics than on world peace.

Eisenhower does not like socialism. But he was not meddling in British politics when he agreed at a moment most advantageous for the British Conservative party to meet with the other principal chiefs of state. He simply was maneuvering in support of announced United States foreign policy.

Substitution of a Socialist government in London for the Conservative government of Sir Winston Churchill and, now, of Sir Anthony, would be a reverse for basic American foreign policy in the Pacific. Here is the British Socialist party's platform plank on the China dispute:

"In the Far East the war crisis centers in Formosa. Labor (the Socialist party) has constantly urged that this crisis can only be overcome by the evacuation of the

offshore islands, now held by Chiang Kai-shek's forces; by the long-overdue admission of Communist China to the United Nations; and by the neutralization of Formosa under the United Nations to enable its inhabitants to make their own choice."

CONSERVATIVE VIEW
The Conservative position is

Learns to Use Soroban

Pontiac Soldier in Far East Finds Japs' 'Adding Machine' Big Help in His Work

YOKOHAMA, Japan—When clients walk into the Pontiac law firm of Howlett, Hartman and Beier next year they're liable to see a young associate attorney rattling beads similar to those found on a baby's play pen.

Playing with the beads, a Japanese, adding machine called a soroban, will be James L. Howlett who's now a private first class in the army's Yokohama Transportation Depot located in this port city.

Although every Japanese school child can handle a soroban with lightning-like fingers, few Americans have the patience or the initiative to learn how to use one.

MATTER OF NECESSITY
In Howlett's case it was a mat-

TIME-SAVING GADGET—Pfc. James L. Howlett of Pontiac works with his Japanese soroban while his boss, Capt. Ardie Davis, wonders how he does it. The desk nameplate has Howlett's name spelled in Japanese "katakana" the simplest of Japan's three types of written characters. Howlett, stationed with the army's Yokohama Transportation Depot in Japan, finds the Japanese adding machine a big help in his work.

consideration at an appropriate moment both of Chinese representation in the United Nations and the future status of Formosa.

As between the two, Eisenhower much prefers the latter plank. Moreover, the Socialists are pledged to reduce the British period of compulsory military service if they get in, thereby weakening the western defense front.

The army is completely revising its occupation classification system and Howlett is one of the men charged with converting old personal history forms to the new system by July 1.

To do the job requires a lot of mathematics. After sizing up his job, Howlett decided to learn to use a soroban. It took him 15 hours of concentrated practice to build his skill to a point where it would pay off in time dividends.

Now Howlett has the system down to the point where he's doing twice as much work as any other man in the office in the same amount of time. One of his fellow office workers commented:

"With that gadget, Jim is doing twice the work I can. It certainly streamlines operations around here."

Manipulating the abacus-like beads is only one of the skills 25-year-old Howlett has picked up during his short three months of duty in Japan. He's also learned enough about "shogi" (Japanese chess) to win an occasional game from native friends.

When he's not busy playing shogi or converting personnel records, Howlett spends his time reading about Japanese literature and roaming around the country on his recently purchased Japanese motorcycle.

Howlett, the son of Mr. and Mrs. Harold E. Howlett of 104 E. Iroquois, is a 1954 graduate of the University of Michigan Law School. Before college he attended Cranbrook, graduating from there in 1947, and Oberlin College for two years before transferring to U. of M.

Following graduation he worked for three months in the Probate Court before joining his father's law firm as an associate prior to being drafted last July.

After his release from the army, scheduled for July, 1955, Howlett says he intends to return to Pontiac to rejoin the firm.

Returning with him will be his soroban, his books on Japanese literature, a shogi set, the Japanese motorcycle and an understanding of life in the Far East.

Coal Boat Aground Off Bob-Lo Island
DETROIT (AP) — Tugs worked today to free the 550-foot freighter E.A.S. Clark, which ran aground on rocks last night off Bob-Lo Island near the mouth of the Detroit River. The Clark reported its steering mechanism failed.

Quiz Six Teenagers About 35 Robberies

DETROIT (UP)—Six teenagers who admitted 20 burglaries, including 13 from churches "because they're the easiest," were questioned today about 15 other robberies for which police believe they may be responsible.

Police said the six, including two juveniles, admitted the 20 robberies after they were arrested on a tip to two detectives. They were questioned about 15 other robberies, including seven other churches, because police said the methods used in all the crimes were similar.

The loot from the 35 robberies totals more than \$2,400. Police said the youths said they chose mostly churches in their robberies because "they're the easiest. No one guards churches."

Pressing Questions: Readers Tell What They Like in Press

What do you like most about the Pontiac Press? Editors and reporters often wonder if the fruits of their daily labors please the average reader. Wonder if their work can be improved.

In an effort to find what Mr. and Mrs. Pontiac think of their home town newspaper, the above question was asked.

Mrs. James W. Hunt, of 2315 Ostrum St., says the society pages and beauty editor's articles are her first choice. Said Mrs. Hunt, store clerk "My husband usually turns right to the sports pages while I go right to the comics. Also, I believe the Press is unbiased and gives a good representation of the news," she concluded.

Mrs. Maxwell Lucas, a downtown department store employee who lives at 15 pörtage St., had this answer: "I like the way the Press handles news. It never seems to capitalize on the more lurid type of news. I think this shows consideration for peoples' feelings."

"I also like the way the paper fairly presents both sides of a controversial question," she concluded.

"I like the Press because the news coverage is good—I only wish you had a Sunday paper," was Homer C. Axford, of 40 Blaine Ave., Oakland County Circuit Court officer, said he's been reading the Press since 1912 and he likes it better than any other paper he's seen.

Edward Sutherland, a downtown Pontiac photographer who

Sees Color Video for Ike, Newsmen

WASHINGTON (INS) — When it becomes practicable, President Eisenhower's news conferences will be televised in color.

Presidential News Secretary James C. Hagerty, who said this last night, noted that there are still relatively few color TV sets in homes. He added that a number of technical problems remain to be overcome before Eisenhower's conferences are televised in color.

Hagerty discussed plans for eventual color TV of the President's weekly question and answer sessions with newsmen in accepting an award for his contributions to television.

The White House aide received the Sponsor magazine award for his part in arranging television coverage of all presidential news conferences. The award was made at a dinner of the National Assn. of Radio and Television Broadcasters.

Education Aid Near Decision

House Committee Also May Reach Showdown on Minimum Wage

WASHINGTON (INS)—The politically explosive issues of federal aid to education and increased minimum wages may reach a showdown this week in the House Labor Committee.

The 30-member committee is tentatively slated to complete almost three months of public hearings tomorrow on a school construction bill. Then it is scheduled to meet behind closed doors to decide upon its next step.

There were reports that attempts may be made to vote out both the education and minimum wage bills without further delay, and without holding hearings on the latter.

Rep. Cleveland M. Bailey (D-WVa) predicted the committee will approve this week a measure sponsored by him and Rep. Carroll D. Kearns (R-Pa). It provides federal grants to the states for expanding school facilities on a 50-50 matching basis over a six-year period. Congress would determine how much to appropriate.

MEASURE DIFFERS
The measure differs from the Eisenhower administration program under which most funds for new school construction would come from states and local school districts.

Bailey said there were enough votes in favor of the bill to report it out, but some other members, including those favoring federal aid, were less optimistic. Some predicted the committee would take no action this year on schools.

The school-aid hearings have dragged on so long—they began March 2—that members who favor increasing the 75-cent hourly minimum wage fear it will get no place this year.

They are suggesting that the committee go ahead without any hearings. Those favoring this course would like to report out without further delay a bill sponsored by Rep. Stewart Udall (D-Ariz), to boost the minimum wage to one dollar an hour. President Eisenhower has recommended 90 cents.

Nevada Police Official,
Wife Shot Dead in Bed

RENO, Nev. (U)—William McKenzie, second in command of the Nevada highway patrol, was shot to death yesterday by his wife, who then took her own life, Corner William Beemer reported.

The bodies of the couple were found side by side in their bed behind a locked door at their home.

McKenzie, 43, had been with the highway patrol and the State Public Service Commission for 17 years. His wife was 42. Beemer said relatives could give no reason for the shooting.

The so-called love birds are small parrots.

Rain Threatens
Alabama TownNew Downpour Looms
as Geneva Mops Up
After Flood Yesterday

GENEVA, Ala. (U)—The threat of more rain hung over this south Alabama community today as townspeople began mopping up flood damage brought by a 12½-inch downpour yesterday.

Many streets were still under water early today. City officials warned that Geneva's dike and drainage system might overflow seriously if the rains begin again.

The swollen rivers and streams which surround Geneva were expected to crest at between 20 and 22 feet today, at least a foot below flood stage.

Geneva, a town of 3,500 persons, is located at a fork formed by the Choctawhatchee and the Pea rivers and Double Bridges Creek. The town is protected from high water by a dike.

National Guard troops pitched in with the cleanup work today. Despite hastily constructed sandbag barricades, Mayor Wilbur Pridgen estimated 50 per cent of Geneva's business offices and many homes suffered heavy damage when the flood lapped over floor levels.

Twelve families, forced to evacuate their homes, were housed in the community building.

Military 'Waste'
on Senate Agenda

Washington (U)—Chairman McClellan (D-Ark) says the Senate Investigations subcommittee plans to study reports of "terrific waste" in the armed forces after it completes an inquiry into alleged graft in military spending.

McClellan said yesterday he hopes the present investigation—which he said has revealed "a nest of small grafts"—will be completed by the end of the week. Public hearings will be resumed tomorrow.

As for the planned new inquiry, McClellan said it would not necessarily involve any charges of graft. But he declined to give details.

Bats Once, Game Over

MAYSVILLE, Ky. (U)—In a school play scene, Larry Jones, 13, was to deal Will Perry, also 13, a "soft" blow over the head with a baseball bat, Larry swung. The bat hit Will between the eyes and sent him to the hospital with a cut that required four stitches. It also brought the play to a sudden end.

From 10 to 15 per cent of all deaths in the world are caused by cancer.

Chiefs Crush Statewide Opposition, Win MHSAA Track Title

NO. 1 CHIEF IN ACTION — A championship in the making was caught by the Pontiac Press camera, Saturday as Hayes Jones (above) sailed over the high hurdles for a new MHSAA record. Hayes was just clearing the last hurdle and went on to the finish in 14.5 seconds. His time erased a mark set in 1941 by brilliant Horace Smith of Jackson. Jones also won the broad jump, at 22 feet 5 inches. Jones has been the top scorer all season, averaging 15 points each meet.

HIGH FLIERS—MHSAA state track meet fans, athletes, and coaches saw some great high jumping Saturday at MSC's field, when 2 PHS thrills was the spectacular leaping of little Alex Barge (right above). Thrill was the spectacular leaping of little Alex Barge (right above). Alex had to go nearly a foot above his head to keep pace with teammate Hudson Ray, at left.

Total of 51 13-14 Points Brings Pontiac School 1st Championship in This Sport

Saturday's Biggest Victory, at East Lansing, Leaves PHS Squad Unbeaten in 9 Engagements This Season; Chiefs' Ace Hayes Jones Collects 2 Championships, 18-Plus Points; Little Alex Barge Steals Show With 6 Feet 3.5 Inch High Jump

State Class A Meet Results

EAST LANSING—Summaries of final events in the Class A high school track meet:

BROAD JUMP—Won by HAYES JONES, Pontiac, 22 feet 5 inches; 2nd David Howell, Muskegon Heights, 22-2 1/2; 3rd Ernest Landow, Flint Northern, 21-11 1/2; 4th Dave McClain, Saginaw, 21-7 1/2; 5th Fran Wanagashik, Traverse City, 21-6 1/2; 6th Dick Osman, Grand Rapids South, 21-3 1/2.

SHOT—Won by Tom Jorwak, Detroit Catholic Central, 83 feet 1/2 inch; 2nd Tom Jett, Lincoln Park, 80-4 1/2; 3rd Eugene Sistrak, Monroe, 48-4 1/2; 4th Rodney Balk, Monroe, 48-4 1/2; 5th Ed Barta, Royal Oak, 48-4 1/2; 6th Thelma Wietke, Saginaw Arthur Hill, 48-4 1/2.

HIGH HURDLES—120 yards—Won by HAYES JONES, Pontiac, 2nd Bill Chesney, Saginaw, 3rd Don Arend, Benton Harbor, 4th Gordon Pade, Birmingham; 5th Bill Thompson, Flint Northern; 6th Bill Thompson, Flint Northern; 7th Bill Thompson, Flint Northern; 8th Bill Thompson, Flint Northern; 9th Bill Thompson, Flint Northern; 10th Bill Thompson, Flint Northern.

Clemens; 7th Bill Thompson, Mt. Clemens; 8th Bill Thompson, Mt. Clemens; 9th Bill Thompson, Mt. Clemens; 10th Bill Thompson, Mt. Clemens.

EAST LANSING — Pontiac High School's unbeaten track team Saturday afternoon capped its most successful season in the school's modern history with an overwhelming victory in the MHSAA 1955 state championships. Chiefs operated much in the same pattern that has shaped their season-long action—collecting points all down the line of events, for a smashing 51 13/14 total. But for an unexpected mishap in the half mile relay, the count would have been bigger.

Chiefs' reputation had preceded them. Every event brought the comment, "now what's the Pontiac team going to do?" Usually it was a real try for leading places, and if a PHS athlete wasn't in front he might be close up.

Before the meet had gone two-thirds of the way, Pontiac was generally conceded the victory. With five of 13 events still to be run, Pontiac had amassed a 31-13 edge over the nearest competitor. Detroit Catholic Central later gave way to Flint Northern, which had given PHS its most determined opposition in four meets this season. But Vikings could add only four points to that early total for 17, as runnerup.

Pontiac's total was more than the combined figures of the three next best schools. Officials pointed out that the winning count was the largest in the last 10 years.

Of the three new Class A records hung up, Pontiac's brilliant little hurdler and jumper, Hayes Jones, set one and tied another, while 2 other Chiefs barely failed in tries to break the high jump mark.

Dearborn Fordson's medley relay team edged Pontiac in a terrific finish drive that brought a new mark of 2:28.1. But Lansing Sexton's time in the first section of the event was also under the record of 2:29.7, and Chiefs had to be content with third place. It was the first time the speedy PHS quartet had been headed this year.

Chiefs didn't waste any time going after points. Jones sped to a 14.6 mark in the high hurdles preliminary, day's opening event. Mark was not allowed because of a light wind. That didn't stop Hayes, for in the final, he hung up a 14.5 mark. He cut a tenth of a second off Horace Smith's 1941 record. Smith witnessed the new mark. Smith is a Flint junior high coach.

Before noon Jones had won the broad jump with his best leap, a 22 foot 5 inch mark.

Altogether Pontiac collected four 1sts, a 2nd, and four 3rds.

Bill Douglas shaved nearly three seconds off his previous best time to grab the 1st half mile race in a brilliant 2:00.4. He laid back in the pack until the last 70 yards then put on a burst of speed that took him out.

One more meet remains on the PHS schedule, the Saginaw Valley Undergrad event Tuesday afternoon at Flint. All but five of the 32-man squad will take part, with Chiefs the big favorite.

Schloerke and the three PHS coaches, Ray Lowery, Dean Wilson, and Ed Graybill were all delighted with the grand performance of the 19 boys who made up the qualifying squad from the Ypsilanti regional.

Two of MSC's leading jumpers spent a half hour with Alex, after the event was over, complimenting him on his fine approach and lift. They offered some pointers that should help Alex to better his jumping.

Baltimore Hurling 'Soft'

Yogi Berra's Slugging Paces Yankees to 7-Game Win Streak, League Lead

By THE ASSOCIATED PRESS

Here's a free tip to American League managers. Junk that strategy that calls for putting Mickey Mantle on base to get at Yogi Berra. Although Yogi is batting only .286, his home run spurt has lifted the New York Yankees into the American League lead on a seven-game winning spurt.

Berra hit five home runs in four games against Baltimore over the weekend and four times Mantle

was sitting on first base when he connected. When Baltimore came to town, Berra was hitting only .252. He picked up 34 points, 5 homers and 11 runs batted in, thanks to that "soft touch" Baltimore pitching.

In yesterday's double-header he hit three homers and drove in six runs while the Yanks clouted Baltimore 5-0 and 7-5. This boosted their lead over Cleveland to one full game, despite Early Wynn's

one-hitter against Detroit for a 4-0 Tribe victory.

Third-place Chicago split a pair with Kansas City, dropping the opener to Alex Kellner, 7-2 but bouncing back with 15 hits and a 10-6 edge in the second game. The Boston-Washington game was rained out.

Although Brooklyn clipped Philadelphia again 8-3, the Dodgers lost half a game of their National League lead that now measures six games ahead of the Giants. Roy Campanella's 10th homer with a man on and Carl Erskine's two-run double were the big blows of a five-run spurt by the Dodgers in the sixth inning.

Gene Conley, the towering Milwaukee right-hander, held Chicago to three hits and struck out eight while fashioning his sixth victory 5-1.

Luis Arroyo, little St. Louis pitcher, held Cincinnati to five hits as the Cardinals won the second game of a double-header 5-2 and in the process snapped the Redlegs' winning streak at six games. The Redlegs had to rally in the ninth to win the opener 4-3.

Writing the new records were Franklin (Bud) Held with a whistling toss of 268 feet, 2 1/2 inches in the javelin, the University of Texas' 440-yard relay team with a sizzling 40.2 seconds clocking, and miler Wes Santee, who ripped off an 880 in 1 minute, 48.5 seconds.

Santee, the ex-Kansas cowboy, is unlikely to get recognition in the record book although he bettered Mal Whitfield's recognized 1:48.6. The man he beat by 20 yards, Lon Spurrier of Lackland Air Force Base, Tex., has a recent 1:47.5 dual meet clocking which is virtually a cinch to stand.

The brilliant Longhorn sprint team of Dean Smith, Alvin Freiden, Jerry Prewitt and Bobby Whilden announced before taking the track that it was making a final bid for the 40.5 seconds record set by the University of Southern California in 1938. Sophomore Whilden's anchor leg, on which he ran the University of Houston's Larry McBride into the ground, did the business.

Held, one-time Stanford star now competing for the San Francisco Olympic Club and already the

Central Michigan wound up with 59 11/15 points to runnerup Michigan Normal's 39 3/15. The only other serious challenger among the five Illinois members of the conference was Eastern Illinois which took third with 45 points.

Podoley, Olympic decathlon candidate, accounted for 27 of his team's total points. He finished first in the 100, 220, low hurdles and the broad jump; took a second in the high hurdles and tied for second in the high jump.

Michigan Normal set records in the mile relay and the two-mile run.

Don Freeland of Los Angeles paced the last day's qualifiers with a 10-mile run at 139.866 in the Bob Estes Series, his seventh place car of last year.

Al Keller, a rookie from Lodi, N.J., had the second-best speed, 139.551 in the Traylor Special.

The 36-year-old slugger plans to don his familiar No. 9, participate in a home run hitting contest and then take his old post in front of Fenway Park's chummy left field fence.

The game will mark Williams' first competitive appearance since the end of last season when he reaffirmed his decision to retire from baseball with the statement: "I've had enough. This is the end of it."

The unpredictable star's "retirement" lasted only about 7 1/2 months. On May 11, he changed his mind and two days later he flew into Boston, signed a 1955 contract for a reported \$75,000 and began getting into playing shape.

Williams figures he needs a little more time to condition himself and plans to use tonight's exhibition as a measure to determine how well his training program is going. He has been bothered by the usual aches and pains, but is concerned chiefly with a hand blister which hampers his bat grip.

The best estimate for Williams' official return to competition is next weekend when the Red Sox meet the Washington Senators at Fenway Park. Williams' name still is on the

Javelin, 440-Yard Relay, 880 Marks Fall in Cal Meet

MODESTO, Calif. (U)—An unhappy javelin thrower, a cocky relay team and a thwarted miler today are the toasts of the track and field world.

The six men combined forces Saturday night to make the 14th annual California Relays the outstanding meet of 1955, with three world record performances on the baked clay Modesto track.

Writing the new records were Franklin (Bud) Held with a whistling toss of 268 feet, 2 1/2 inches in the javelin, the University of Texas' 440-yard relay team with a sizzling 40.2 seconds clocking, and miler Wes Santee, who ripped off an 880 in 1 minute, 48.5 seconds.

PHS Tankers on National Squad List

Medley Relay Team is 1st to Be Honored in Five Years

Pontiac High School's medley relay swimming team has been named to the 1955 All-America schoolboys swimming squad, PHS swim coach Robert Boyce has announced.

Chiefs' trio of Tom Cross, Bob Keavy, and Bob Lamson received the honor after a medley relay effort of 1:22.6 seconds. Cross missed the All-America 100-yard back stroke team by a slim 2-10 of a second, coach Boyce reports.

Boyce says this is the 1st swimming honor accorded the Chiefs 1950 when Ron Weaver made the All-America team in the 100-yard breast stroke.

Carolyn Wikoff, of Middletown, O., and Hamtramck's Joyce Pniwski, seeded 1st and 2nd respectively, will decide the Michigan Open girls tennis tournament title at Middletown sometime in late July. Sunday afternoon's scheduled final at Kingswood School was postponed because of rain.

SUNDAY'S HOME RUNS
Power, Athletics: Jackson, White Sox; Berra, Yankees; Abrams, Orioles; Smalley, Gorbous, Donis, Phillies; Campanella, Dodgers; Post, Bluebirds; Cincinnati: Schoendienst, Boyer, Cardinals.
