

State Holiday Traffic Deaths Lower

Chinese Strike From Formosa at Red Shipping

Bombers Also Attack Coastal Points to Delay Feared Invasion

TAIPEH, Formosa (AP) — Chinese Nationalist warplanes struck at Communist shipping along the China Coast today and the Defense Ministry said a Red gunboat, more than 100 wooden military junks and five motorized vessels were damaged.

Identification of the junks as military craft could indicate the Reds were massing an invasion fleet for an attack on Quemoy, but there was no official confirmation.

Quemoy, Nationalist island outpost just off Amoy opposite Formosa, has been under intermittent Communist artillery attack since Friday, when the Reds bombed it for five hours.

The defense ministry said Nationalist bombers struck today at Wuyu Island and Chihmei on the mainland coast within artillery range of Quemoy and at nearby Amoy, a major Red base.

Warships joined in the attack for the second day, the announcement said, adding that Red firepower on Amoy was crippled. Intermittent anti-aircraft fire stopped entirely during the attack, the ministry said.

Pilots said dense clouds of smoke billowed for 40 minutes from White Stone fortress and for 25 minutes from East fortress, two major strongholds at Amoy.

Fires also were reported on Tantung, a small island within gun range of Quemoy.

All planes returned safely to the Ministry said.

There were new exchanges of artillery fire between Quemoy's defenders and the Communists in the night, the announcement said. Lt. Gen. Chang Yi-ling, Nationalist army spokesman, described the stepped-up Nationalist attacks as a major retaliation against the Reds for the bombardment of Quemoy.

Chang said Communist planes have not challenged Nationalist air or sea attacks.

Official U.S. sources here said there have been no additional American casualties on Quemoy. Two U.S. officers were killed in the bombardment Friday.

Hearing on Small's Insanity Wednesday

IONIA (UP)—A sanity hearing for Dr. Kenneth B. Small, acquitted lone triangle slayer, will be held in Circuit Court Wednesday and it may lead to his immediate release from the Ionia State Hospital for the Criminally Insane.

Leo W. Hoffman, who defended the 31-year-old Detroit dentist in his sensational murder trial at Allegan in July, predicted Small would be freed at the hearing.

Small was acquitted July 17 of the slaying of Jules Lack, 45, New York industrialist, by reason of temporary insanity. The shooting took place at a luxurious summer home on Lake Michigan where Lack and Small's attractive wife, Edith, 30, were spending the Memorial Day weekend with friends.

Relief on Way Holiday Weekend Weather Sets Temperature Record

Summer took a last holiday fling over the weekend when temperatures soared to a record 98 degrees but the weatherman says expected afternoon thundershowers may bring relief to the area today.

High temperatures and clear skies sent thousands of area residents flocking to beaches and parks in an effort to cool off.

The temperature climbed to 91 degrees in downtown Pontiac Monday following a low of 64. The sizzling 98 degree temperature was recorded Sunday.

While vacationists and other lovers of the outdoors were reveling in the warm, sunny weather, farm crops continued to suffer because of lack of moisture. August rain was well under ex-

5th Big Storm Gains Strength Near Bahamas

MIAMI (UP)—The fifth tropical storm of the season was expected to reach hurricane strength today as it drifted through the Bahamas Islands.

The U. S. Weather Bureau warned shipping and other interests in the storm's path in the Bahamas to use caution as the young storm picked up wind velocities estimated up to 70 miles per hour. The weather bureau predicted the big whirler, named Edna, would reach hurricane force of 75 miles per hour during the day.

Unless Storm Edna turns northward it may endanger the Florida Peninsula, the Weather Bureau said. The storm was watched closely for first indications of a trend in direction.

U.S. Takes Plane Attack to U.N.

Early Security Council Meeting Is Requested by Our Delegate

UNITED NATIONS, N.Y. (AP) — The United States put its latest cold war brush with Russia before the United Nations today.

U.S. Delegate Henry Cabot Lodge Jr. asked for an "early meeting" of the Security Council to take up the shooting down of a U.S. Navy plane off Siberia Saturday by Soviet jet fighters.

The Navy plane was the sixth U.S. military aircraft shot down by the Soviets either in Europe or over the Pacific, but this was the first time the United States has brought such an incident before the Security Council.

Lodge returned unexpectedly to New York from a holiday at his Beverly, Mass., home to make the surprise move. He telephoned his request for the council meeting last night to Francisco Urrutia of Columbia, the 11-nation group's president for September.

Aides on the U.S. delegation said he would follow up with a formal request by letter today.

Churches File Suit in Lottery Dispute

LANSING (AP) — Two church groups asked the State Supreme Court today to decide whether the "charity lottery" amendment was illegally placed on the November election ballot.

The suit was filed by the Michigan and Detroit Councils of Churches.

The court action asks that the form of the petition placing the issue on the ballot be passed upon by the court and that the clerks of political subdivisions check the signatures of petition signers against registration records.

James W. Williams, attorney for the church groups, sought a writ of mandamus to force election officials to check the sufficiency of the petitions and a writ of prohibition against placing the issue on the ballot.

Appendix Keeps Lansing Man Off Ill-Fated Plane

EAST LANSING (AP)—A ruptured appendix kept an East Lansing resident off the KLM Royal Dutch airliner that crashed Sunday at Shannon, Ireland, relatives here reported today.

Peter Vereecken, 50, had a reservation aboard the plane which crashed and claimed 28 lives. He was stricken just before the take-off time at Antwerp, Belgium, and rushed to the hospital.

"It was awfully mean and I want to help catch the mean person who cut out Sandy's tongue two weeks ago," said the 4-year-old child, named Cheta. Sandy, wantonly maimed recently, has been returned to his owner, Mrs. Elizabeth Hodge of 112 Ogden Rd. The dog recovered sufficiently, according to Mrs. Davis, and is "progressing fine."

The dollar offered today by Larry, a Dohle School student, swells the reward to \$126.

The U. S. Weather Bureau predicted fair and cooler weather tonight and Wednesday with a high of 80 to 84 for tomorrow. A 55-60 degree low is expected tonight.

The temperature in downtown Pontiac today was 75 at 8 a.m. today and had climbed to 83 by 1 p.m.

5,000 Hear Governor at Labor Day Rally

Predict Dewey Will Withdraw

Governor of New York Expected to Endorse Sen. Ives for Post

ALBANY, N.Y. (AP)—Republican Gov. Thomas E. Dewey of New York will end the long speculation over his political plans tonight, and a source close to the governor says his announcement will be that he will not run for a fourth term.

Instead, according to the source, Dewey is expected to endorse Sen. Irving M. Ives for the Republican gubernatorial nomination.

The governor's office announced yesterday that Dewey would reveal his intentions in statewide television and radio broadcasts.

His speech, from New York City, will be carried over a CBS television network from 8 to 8:15 p. m., EDT, and re-broadcast over CBS radio from 10:15 to 10:30 p. m., EDT.

If the governor calls it a day, he is expected to say that he will return to law practice in Manhattan after he has completed his third term on Dec. 31.

Dewey, twice defeated in bids for the presidency, was elected governor in 1942 and was returned by large majorities in 1946 and 1950.

Ives has said repeatedly that he does not want to run for governor, but friends say that he will be available if Dewey bows out.

Boy's Birthday Dollar to Help Catch Dog Fiend

Eleven-year-old Larry Tracy, son of Mr. and Mrs. Ralph Tracy of 943 Myrtle Ave. was told he could spend a dollar, he received on his birthday Saturday, any way he pleased.

The youngster had received other gifts, but the dollar bill was the only money given to Larry on his birthday.

This morning Larry summoned Mrs. Martin J. Davis, of the Michigan Animal Rescue League, to his home.

"I'd been thinking about it since it happened," Larry told Mrs. Davis.

"It was awfully mean and I want to help catch the mean person who cut out Sandy's tongue two weeks ago."

"Would you please take this dollar and add it to the reward so we can catch them?" Larry said as he patting his 4-year-old Chihuahua, named Cheta.

Sandy, wantonly maimed recently, has been returned to his owner, Mrs. Elizabeth Hodge of 112 Ogden Rd. The dog recovered sufficiently, according to Mrs. Davis, and is "progressing fine."

The dollar offered today by Larry, a Dohle School student, swells the reward to \$126.

The U. S. Weather Bureau predicted fair and cooler weather tonight and Wednesday with a high of 80 to 84 for tomorrow. A 55-60 degree low is expected tonight.

The temperature in downtown Pontiac today was 75 at 8 a.m. today and had climbed to 83 by 1 p.m.

POLITICS HAIL LABOR — Following speeches by major Democratic party leaders and union trade members Monday at Murphy Park, Willis M. Brewer, Oakland County Democratic chairman and Philip A. Hart (right), nominee for lieutenant governor, joined hands with Gov. G. Mennen Williams as a sign of "confidence and solidarity" in the forthcoming November election. A crowd of over 5,000 persons heard labor leaders and party members dedicate themselves to American principles during Labor Day activities at the park.

Labor Day Speakers Score GOP State, National Record

By JOSEPH K. SPAHR
Labor and Democratic party leaders in Labor Day addresses at Murphy Park here charged the Eisenhower administration with causing high unemployment and unfair taxation.

Gov. G. Mennen Williams, principal speaker, scored shortages of schools and teachers, blaming Republican tactics in Lansing for the critical needs.

Housing Project to Be Reopened

Crystal Beach Site to Be Rented Pending Sale of Units

Crystal Beach federal wartime housing project here will be reopened for occupancy by families of distressed World War II and Korean War veterans, James N. Wiessner, project manager, announced today.

The government has decided to attempt to sell the project for continued use as housing, said Wiessner, and is reopening it to obtain rental income while steps are taken toward making the sale.

Located at the south end of Lake street, the development has 80 housing units. Applications will be accepted starting today.

Units in the Parkview project, at South and East Blvds., are now up for sale and removal from their present sites. Offers for the 22 buildings consisting of 92 dwelling units will be accepted through 2 p. m. Oct. 7, said Wiessner.

The government feels it may be possible to sell Crystal Beach for continued use on its present location, because its site is controlled by one owner, he explained. The land for both projects was taken over as a wartime emergency measure by the government.

Persons buying the Crystal Beach units would also have to secure the land they are located on in order to keep them there. The buildings would then have to be brought to city building code standards for continued occupancy.

Pontiac City Commission has passed a resolution stating the Crystal Beach units would be suitable for use on the present site if remedied to code requirements.

Wiessner asked that persons contact him who may be able to aid an unemployed widow with five children facing eviction from the Parkview project. "She has only social security and aid for dependent children to support her," he stated, "and has been unable to find proper housing."

Women's Town & Country Store for Men, Tel-Burn Shopping Center. Open every evening, 7-11 p.

Southeast Asia Pact Shaping Up

8-Nation Agreement Nears Completion at Manila Conference

MANILA (AP)—Two more articles of a proposed Southeast Asia security treaty were approved in secret negotiations here today, and a reliable source said foreign ministers of eight nations may have a pact ready for signing by Wednesday.

One more article was provisionally approved today, the source said.

A Philippines delegate said the final session of the conference has been scheduled for Wednesday evening.

He said only the extent of military commitments to be made and the treaty preamble remain to be agreed upon.

T. Giffon Webb, minister of external affairs for New Zealand, told newsmen: "We hope to sign the document Wednesday at 4 p.m."

The biggest controversy still to be ironed out involves military commitments to be made by the United States, Britain, France, Australia, New Zealand, Thailand, Pakistan and the Philippines.

Thailand and the Philippines were reported holding out for a NATO-type agreement under which all members would come instantly to the defense of any member attacked.

The United States is arguing for a pact under which each member would react to an attack on another within its own constitutional framework.

The back-to-work movement started last week and was marked by mass picketing by members of Local 957 of the Independent United Electrical Workers.

Union officials have agreed to place no more than five pickets at each of the plant's three gates today following a court order banning mass picketing.

The back-to-work movement begun last week by scores of production workers was the first break in a strike which has lasted 12 weeks. The company has notified its employees that they will be replaced if they fail to return to work by tomorrow.

Arthur Stiel, 42-year-old Charlevoix professional trapper, was fatally wounded Monday when his 38 caliber pistol fell from a holster and fired a bullet into his chest. (Continued on Page 2, Col. 2)

Traffic Deaths in County Held to 3 Over Holidays

Despite heavy traffic over the three-day Labor Day weekend, the Oakland County traffic death toll was held to three, according to latest police tallies.

Michigan State Police of the Pontiac Post and Oakland County Sheriff's Department listed only six injury accidents over the long weekend, and counted another eight property damage collisions.

Pontiac Police recorded only one injury accident and added five more property damage crashes to the state totals. Waterford Township police chief Frank Van Atta said today that his department did not handle a single accident complaint during the three-day auto migration.

There were no traffic fatalities in the county during the Fourth of July holiday weekend this year and only one traffic death, was recorded here during the 1953 Labor day holiday.

In expressing the gratitude of the Pontiac Police for the light accident tally, Lt. Joseph Koren, head of the traffic and accident bureau said, "It seems that Pontiac motorists are responsive to all precautionary measures suggested by police for a safe holiday period."

St. Joseph Mercy and Pontiac General hospitals reported a light run on their facilities. St. Joseph Mercy Hospital handled only four (Continued on Page 2, Col. 7)

Accident Toll in Nation Over 500 for Weekend

21 Die on Michigan Roads; Safety Drive Holds Totals Under 31 of Year Ago

By THE ASSOCIATED PRESS
The nation's accidental death toll over the Labor Day weekend mounted to more than 500 today but traffic fatalities were below the predicted 390 and the lowest in six years.

The latest figures show 347 persons lost their lives in motor mishaps during the period from 6 p. m. Friday to last midnight. It was the smallest total for the Labor Day holiday since 1948, when 293 were killed in traffic accidents.

The traffic toll compared with 405 killed on the highways last Labor Day, 432 in 1952 and the Labor Day record of 461 in 1951.

President Eisenhower's appeal to motorists to "fool the experts" by careful driving was attributed by safety officials as partially responsible for holding down the traffic deaths below the estimate by the National Safety Council.

The council's preholiday estimate of 390 traffic deaths was termed a "grim forecast" by the President in appealing for careful driving.

In addition to the traffic deaths, 36 persons lost their lives by drowning and 79 others were killed in miscellaneous accidents. The total of 516 compared with 574 last year and the record over-all Labor Day toll of 668 in 1951.

An Associated Press survey over a nonholiday period of 78 hours, from 6 p. m. Friday, Aug. 20, to midnight, Aug. 23, showed 346 persons killed in traffic accidents, 43 drowned and 104 killed in various types of accidents. The total was 493.

Several states took extra precautions to hold down the traffic death toll over the long weekend. National Guardsmen on highway patrol duty in some states. In Maryland, where all state police were on highway patrol, the two traffic fatalities compared with 18 last Labor Day weekend.

The worst single accident occurred near Tipton, Ind., 36 miles (Continued on Page 2, Col. 8)

Michigan led the nation in highway fatalities over the Fourth of July weekend. The increased road patrol, aided by nine air-patrol units, were credited for the reduced toll which placed Michigan third in the nation-wide fatality count. Both Texas and California were ahead of Michigan for the Labor Day holiday.

The latest reported fatalities: Joseph McCauley, of Gladstone, fatally injured Monday when struck by a car while crossing U. S. 2 near Gladstone.

Bert McCall, 80, of Otsego, grocery store operator, was killed when his car collided with another on U. S. 131, north of Plainwell Monday.

Albert Stevenson, 22, of Farmdale, drowned in the Huron river south of Ypsilanti Monday afternoon. His wife and three children stood helplessly on the bank as Stevenson went down in 18 feet of water after falling.

Gilbert Bunn, 16, of Flint, died in Flint's Hurley Hospital Monday afternoon of injuries suffered Sunday night when struck by a car while riding a bicycle.

Mrs. Lotie Sheppard, 57, of Adrian, died Sunday of injuries suffered Friday evening when struck by a car on an Adrian street.

Twelve-year-old Catherine Dupuis died and two 12-year-olds were overcome by smoke in a house fire at Roseville Monday afternoon. The girl was found suffocated in the flaming attic bedroom. The parents and three other children escaped, not realizing the girl was trapped.

Arthur Stiel, 42-year-old Charlevoix professional trapper, was fatally wounded Monday when his 38 caliber pistol fell from a holster and fired a bullet into his chest. (Continued on Page 2, Col. 2)

The Day in Birmingham

New Telephone Exchange Starts Here in November

From Our Birmingham Bureau
BIRMINGHAM — Birmingham telephone users will really have to watch their numbers in another two months.

Albert H. Warner, local Bell Telephone Co. manager, has announced that starting in November, just about two years after the advent of Midwest 7 exchange will be available.

The latest move will "make available a total of 4,000 telephone numbers in the office," Warner said, in allowing them to expand the Midwest and Liberty groups. It will mean an initial supply of 1,700, he said.

Warner said some of the progress being made in telephone equipment is now on display at the local office. One is an illuminated dial set, where a light flips on when the receiver is picked up.

To be added to the display in the next few days is a telephone

instrument equipped with a built-in microphone. The user may talk without lifting the receiver, thus enabling anyone to continue his normal operations with the use of both hands.

Last is the automatic answering set, which tape-records messages "phoned" in to closed offices.

To acquaint users with the machine the Pontiac Press, which has installed such a set in its Birmingham office, for the convenience of customers, is printing a brief explanation.

A recorded voice will issue instructions for using the machine in a message similar to this one:

"This is the Pontiac Press Birmingham office. Your call is being answered mechanically. If you wish to have an ad or news item in tomorrow's paper call Federal 2-8181. Otherwise, leave your name, phone number and a message. We will call you."

"Talk at the first tone signal. Continue until the second tone signal. You have 28 seconds to record your message."

A recent survey shows that 97.3 per cent of the 1934 graduating class from Cranbrook School went on to receive further schooling at college level.

Ranking topmost on the list of colleges and universities selected by the graduates was the University of Michigan. Harvard University placed second, with Dartmouth College the choice of the third largest group of graduates.

School will start for Holy Name students this Thursday. The buses will run as scheduled.

In other Holy Name news, the women's church bowling league gets under way tomorrow, while the men's team will begin on Sept. 14. New or prospective team members are asked to call Mrs. Robert E. Suda or Robert L. Partlan.

Meeting back at the Community House for the first time since July, the Kiwanis Club will gather for dinner and a program at 6:30 tonight. Paul L. Gillette is slated to speak to the group on the Big Brother movement and reports will be received on proceeds from last week's polo game, with all profits turned over to the club for charity work.

A board meeting will follow the regular meeting.

With the Baptist Weekday Nursery School scheduled to open officially next Monday at 9 a.m., a "Fall Roundup" for "little buccaroos" will be held at the church Friday, from 1 p.m. to 4 p.m. and 7 p.m. to 9 p.m.

Parents may then inspect a handwork display, new equipment and expanded facilities. The school will be in session from 9 a.m. to 12 noon weekdays, for children aged 3 to 6. Included daily are games, musical play, rhythm routines, Bible stories and songs, prayer and rest time.

Of special interest this year is a new outdoor playground area. Mrs. C. Holger Johnson will be the director of the school, assisted by Mrs. Frank Frowse. Both have had specialized training and experience and both are regular staff members of the First Baptist Church School.

The school is open to all children in the community and registration will be made on a "first come, first served" basis.

Mrs. Charles D. Dooley

Service was held today at Aurora, Ind., for Mrs. Charles D. (Maude Bots) Dooley, 85, of Green Lake Rest Haven. The body was taken to Aurora from Bell Chapel Sunday. Burial will be in Mt. Moriah Cemetery, Kansas City, Mo. She died Friday following a long illness.

Mrs. Dooley is survived by four daughters, Mrs. Paul R. Pickens of Birmingham, Mrs. Tom Mahoney of Bronxville, N. Y., Gertrude Dooley of Los Angeles, Calif., and Virginia Dooley of Palm Springs, Calif.; two sisters, Mrs. Charles Cox and Mrs. Edward Lewis, both of Aurora, Ind.; and a brother, Ray Bots of Boone County, Ky.

State Traffic Toll 21 During Weekend (Continued From Page One)

Steel was trapping coyotes on Beaver Island in Lake Michigan. James Frazier Jr., 13, of Romulus Township, was killed Monday when a car in which he was riding slammed into a tree.

Robert Curriston, 26, of Twining in Arenac County, was killed Monday when a car in which he was riding plunged over a 10-foot drop two miles north of Sterling on M70.

Douglas J. Begole, 13, of Bay City, died last night at University Hospital at Ann Arbor of an accidental gunshot wound suffered Sunday while he was target practicing during a family picnic near Sanford Lake in Midland County. Sheriff's deputies said a bullet fired by the boy ricocheted from a tree target and hit him.

Vicar Seeking Letters Missing Off Weathervane

BOSTON (U-P)—The vicar of the Old North Church, which lost its Revere steeple during last week's hurricane, appealed for help today in his search for parts of a weathervane made in 1740.

The Rev. Charles Russell Peck said the big letters N-E-W-S, spelling the points of the compass, were part of a copper and lead weathervane set in place 35 years before the lanterns were hung that sent Paul Revere on his famous midnight ride.

The weathervane was found otherwise intact after it crashed to the ground with the steeple.

Speakers Here Rap GOP Party Record

(Continued From Page One)

nation in the 20th century on 19th century ideas.

"For the first time in many years, I am facing a Labor Day gathering which, unfortunately, includes a great many unemployed," he said.

Pointing to the unemployed in Michigan, McNamara said: "My Republican opponent has done nothing to correct the situation."

He charged the Republican administration with "murder" of small business by its money policies, and of "setting the country's conservation policies back three-quarters of a century in the great give-away in the history of the country."

In asking for immediate removal of the excise tax on automobiles, he stressed that the resulting stimulation of sales would mean more jobs and that increased personal income tax exemptions would put purchasing power in the hands of the "92 per cent of the people who have no tax relief."

Sharply critical of the administration, Mazy, charged that the GOP has created the Republican theory of establishing "government of big business, by big business and for big business."

He added that labor's biggest challenge in coming months is the fight to restore jobs for some five million people in the U. S.

Hart told the huge crowd, that Communism's great enemy is union members with patriotic aims.

"We are on the road to routing out all the evils of communism," he said. He charged that the Republicans are missing the target by siding big business with current tax policies.

"They should understand where the fight is really needed," Hart added.

Hundreds of spectators, who previously watched a half-hour Labor Day parade, went to the park for the talks.

Other speakers on the platform were Paul Sutton, Democratic candidate for Cokkris from the 18th District, and Leslie Hudson, Democratic candidate for the state legislature.

Pontiac Mayor William Donaldson also spoke briefly and Walter (Spike) O. Briggs, president of the Briggs Mfg. Co., Detroit, was a guest at the affair.

The parade included the Pontiac High School Band, CIO and AFL union locals, city officials and veterans groups the 703 rd Tank Bn. and out-of-town groups.

Oakland County UAW-CIO Council won first place in the float contest. Locals 594 and 653 won second and third places, respectively.

Woman Again Foils Restaurant Bandits

ST. LOUIS (U-P)—Mrs. Irene Pemrick, a 140-pound brunette, foiled her second holdup attempt today at a sandwich shop where she serves as night manager.

Mrs. Pemrick, 32, said two men, handkerchiefs over their faces and one armed with a gun, entered and said it was a holdup. She grabbed the smaller of the pair and "kept the little fellow between me and the man with the gun, I knew he wouldn't shoot his buddy."

Then she grabbed a clothes rack and started swinging. The bandits fled empty-handed.

Police shortly afterward arrested two men. Both were booked on suspicion of attempted robbery.

Girl Put On Probation for Cashing Bad Check

Marion Royster, 18, of 17120 Moran, Detroit, was placed on two years probation, assessed \$50 costs and ordered to make \$18 restitution on a bad check by Circuit Judge Frank L. Doty today.

Miss Royster pleaded guilty to cashing a check from a Birmingham home where she was employed and cashing it at a local grocery store.

CIO Official to Speak at Civitan Meeting Here

Herbert T. McGreevy, director of the CIO Michigan - Indiana region will speak Wednesday at the Pontiac Civitan Club meeting in Hotel Pontiac.

His topic will be, "Purpose and Aims of American Labor." McGreevy, of Detroit, served as assistant regional director for Michigan during the past ten years and is a former vice president of the Michigan CIO Council.

PULCHRITUDE IN TRIPPLICATE—The Pennsylvania State University's lion shrine gets a three-way pat from the first set of triplets ever to enroll in the 100-year history of the school at State College, Pa. The 17-year-old redheads, who live in State College, are natives of Washington, D. C., and lived in Richmond, Va. Left to right: Joyce, Julie and Jean McCloskey.

Oakland County Boat Inspection Job Finished

A summer-long boat inspection job was completed recently by the Oakland County sheriff's deputies who reported that 1,920 rental boats at 116 liveries were approved and licensed.

Oakland County Sheriff's Deputy Ferris Holcomb, who checked out the bulk of the boats said \$960 in fees was collected.

Sixteen boats were rejected as unsafe because of dry-rot, Holcomb said, and three boat rentals that were in operation last year went out of business.

However, 18 new liveries this year raised last year's figure of 101 by 15. A 50c fee per boat is charged for anyone who has more than two boats for hire, according to Holcomb.

Pontiac Deaths

James Davis-Ferguson

Prayer service was held today at 1:30 p. m. from the Hulton Funeral Home, for James Davis Ferguson, infant son of Bruce and Mary Houshine Ferguson of 463 Raeburn Court. The Rev. Lawrence Dickens of the Baptist Church in Auburn Heights officiated with burial in Perry Mount Park Cemetery.

Perley L. Leighton

Perley L. Leighton, 82, of 21 Jacques St. died at 7:30 p. m. Sunday, after an illness of five months. He was born in Maine Oct. 22, 1871 and married to Rosamond Goodson.

Mr. Leighton, who lived most of his life in Oakland County, was a member of the Oddfellows Lodge and last employed by the National Trust Drill, Rochester.

Besides his widow, he is survived by one son, Lionel of San Diego, Calif.; three daughters, Flora Zonick of Attleboro, Mass., Thelma Holland of Crystal Lake, Conn. and Mrs. Charles Jackson of Barnesboro, Pa.; 44 grandchildren and several great-grandchildren.

The funeral will be held Wednesday at 10 a. m. from Richardson-Bird Chapel at Walled Lake with the Rev. Clayton Oliver of the Walled Lake Methodist Church officiating. Burial will follow in Parkview Memorial Cemetery at Livonia.

Two Are Injured in Auto Accident

Two persons were injured Monday night when their auto went out of control on Haven Hill Road in the Highland Recreation Area and skidded sideways into guard rails.

Jack D. Thornton, 22, of 66 N. Sanford St., the driver, was treated at St. Joseph Mercy Hospital for face and hand cuts.

A passenger with Thornton, Miss Bernice Fernandez, 23, of 8 Dayton, Oxford, was admitted to the hospital with hip and shoulder injuries. Her condition today is listed as satisfactory.

Michigan State Police of the Pontiac Post said Thornton started his car traveling 35 miles-per-hour when he came upon a sharp curve in the road. Skid marks were visible for 60 feet, police said.

Millard Will Ask FPC to OK New Pipeline

LANSING (U-P)—Atty. Gen. Frank G. Millard said today he will personally appear before the Federal Power Commission on the American Louisiana Pipeline Co. case.

The commission is being asked to act by Oct. 1 on the company's petition for a certificate to do business.

If the new line is approved, Millard said, the "drastic shortage of natural gas" existing in the Detroit metropolitan area will be ended by June of 1935.

Ancient Mystery Nears Solution

200-Year-Old Freighter Yields Russian Kopecs Offering Good Clue

COPENHAGEN (U-P)—The 200-year-old mysteries of the armed freighter on the sea bottom off the Danish coast of Skagen are nearing solution.

The recent finding of a Russian kopec coin from 1757 indicates, according to experts, that the ship was of Swedish or Russian origin.

A professional wreck-hunter, Sigurd Damgaard, 56, is doing a detective job on board his ship, Sankt Georg, assisted by his son, Sigurd, 24, and a diver, Berge Bohm. Beside his investigation on behalf of the museums and historians, he runs his business, fishing from wrecked ships along the Danish coast tons of iron and other metals for sale.

Damgaard, known among fishermen as "the pirate" because, they say, he looks like one, is spending his life exploring wrecks. He knows them all and all about them, and he has made a living out of them for 44 years.

Every day when weather permits, he is fishing materials from the more than 100 wrecks on his list.

"I shall never be out of work," he said. "The sea bottom is almost oak-planked by shipwrecks."

The armed freighter now under investigation was hidden for 200 years while the sandy land tongue, belabored by wind and sea, was moving about 1,500 meters from east to west, thus passing over the ship which appeared on the other side.

The ship is not yet identified, but its secrets are being wrested from it, one by one. The kopec coin is one of the clues that might lead to identification. The 1757 coin, worth about half a cent, bears the initials of Empress Elizabeth of Russia, who reigned 1741-62.

In the earlier part of her reign she made war against Sweden, and as the load of the wrecked ship mainly consists of water materials, experts indicate the ship was Swedish or Russian, probably the latter. It was, however, no warship; more likely a transport carrying fortress equipment.

The shipment includes, besides tons of gun ammunition, dozens of iron-made fire bombs that have much in common with fire-bombs used by the British Navy during the bombardment of Copenhagen in 1807.

Damgaard has picked up a gun marked "anno 1735" and several other things, all sent to the arms museum of Copenhagen, which wish he cooperates without compensation.

This summer he hopes to go after a big treasure in gold, supposed to have been on the British ship St. George which was wrecked and sank with 1,700 men on Christmas night, 1812, off the western coast of Denmark.

More than 16 years ago, after having checked with the British Admiralty, which confirmed his information, he found the vessel, half buried in the sand.

According to a story told by several survivors a chest containing gold went down with the ship. Every year Damgaard has inspected the St. George wreck, and this summer he will make an attempt to get into its cabins to seek the chest.

Killed in Indiana Crash

VINCENNES, Ind. (U-P)—Joseph L. Cavethorn, 44, Detroit, was killed Monday night in a one-car accident on U. S. 41 six miles south of Vincennes. State police said his car left the road at high speed and careened more than 500 feet before stopping in a creek.

Yale Resident Killed

PECK (U-P)—John Harden, 21, of Yale, was killed today as his car went out of control two miles south of Peck on M19, hit a culvert abutment and turned end-over-end. The Sanilac County accident happened at 2:20 a. m.

Check Fraud Brings Youth Prison Term

The passing of a \$40 forged check and the withdrawal of \$75 from someone else's bank account resulted in a sentence of one-and-a-half to 14 years in prison today for David L. Carey, 17, of 1936 Paris St.

The youth was sentenced to Southern Michigan Prison at Jackson by Circuit Judge Frank L. Doty after pleading guilty to uttering and publishing Aug. 30.

Carey admitted breaking into the home of Richard Greig at 1736 Point Dr., Milford, Aug. 4, and stealing a bankbook and 25 checks. He told authorities he withdrew the money from Greig's account using the stolen book as identification.

Three Die in County Weekend Traffic

(Continued From Page One)

injury accidents, since Saturday morning.

Pontiac General, while its total ran closer to a dozen, reported today that no one was treated for auto accident injuries since early Monday.

Mobile American Red Cross radio-equipped cars, which put in 2,400 man-hours during the holiday, handled only one injury accident because of the light toll.

Police throughout the county handled a heavy traffic load, much of it northbound during the early part of the holiday. Southbound traffic increased through yesterday and was still heavy earlier today, police reported.

Oakland County Sheriff Clare L. Hubbell said today that some of the danger was taken off the highway with a dozen arrests since Saturday for drunk driving and half as many arrests for reckless driving.

Deputy Ferris Holcomb reported that deputies during the holiday picked up 57 persons for traffic violations.

Holiday traffic victims in this county were:

Elroy Jove, 46, of Plymouth, who died when his parked car was hit by another auto on Farmington Road near Colfax Road in Farmington Township Saturday.

James E. Goodman of 5411 U. S. 23, Brighton, who was killed when his car struck a bridge abutment on Commerce road about three miles east of Milford. Goodman was the father of 10 children.

Rudolph W. Schurg, 29, of Royal Oak, who died from injuries he suffered when he was hit by a car near his home Sunday.

Italy Orders Janitors to Stop Tipping Police

ROME (U-P)—Italian janitors and building superintendents are going to have to look for some sideline other than tattering to the police on their tenants.

The Italian Interior Ministry has ordered an end to such informing, especially lucrative during Fascist days, as part of a program to improve relations between citizens and their government.

Placed on Probation

Circuit Judge Frank L. Doty today placed Robert J. Sanders, 64, on three years probation, with the first 15 days to be spent in Oakland County Jail, for gross indecency with an 11-year-old boy Aug. 16. Sanders, of 47 Water St., pleaded guilty to the charge Aug. 30.

National Accident Toll Goes Above 500

(Continued From Page One)

south of Indianapolis, when two cars collided head on, killing six persons.

FOR WHOM THE BELL TOLLS!

Right now it's calling the children back to school. But it should warn us, too, that America's schools are more over- than under- And by 1960-enroll- t will have reached 25%.

To solve this, we must plan wisely and act boldly. We must have a long-range school plan that looks at least ten years ahead!

The school bell tells this warning -It's later than you think!

Vacationers Put Summer Activities Aside as They Return to City

By Rosary Altar Society

Annual Fun Show Slated at St. Benedict Church

Women of St. Benedict Parish are busy making final preparations for the annual fun fashion show and card party of the St. Benedict Rosary Altar Society.

Thursday is the date for the show which will feature fall and winter fashions. Proceeds will be used to furnish the new convent chapel.

Mrs. Frank Tette is general chairman and is being assisted by Mrs. Wayne Miller.

Committee chairman and their helpers include Mrs. Ralph Cotcher tickets, assisted by Mrs. William Brandt and Mrs. Robert Winowicki; Mrs. John Gottschalk, models; and Mrs. William Ford, refreshments, with Mrs. Margaret Hall, Mrs. Noel Derocher and Mrs. John Fromley assisting.

Others are Mrs. Michael Gitsky, prizes, aided by Mrs. Joseph R. Smith and Mrs. Herman Charboneau and Mrs. Arthur Perrin, decorations. Her assistant is Mrs. Bernard Stone.

Mrs. Sam Hoffman heads tables and tallies along with Mrs. Donald Raymond, Mrs. Fred Slavik, Mrs. Clarence Sears and Mrs. Joseph Zelesnik.

Chairman of serving tables is Mrs. Allen Neville assisted by Mrs. Vern Cregg, Mrs. Ivan Herr, Mrs. James Kinsley, Mrs. Edward Smith and Mrs. D. H. Johnson.

On the clean-up committee are Mrs. Edgar A. Zimmer, chairman, and Mrs. Norn Eald, Mrs. Leon Thomas, Mrs. Arthur Kirken, Mrs. Roy Jones, Mrs. Paul Saghy and Mrs. H. J. Mallory.

Cruises Call for Wisdom in Packing

Even if your vacation is one of those budget cruises which are becoming so popular, wise packing can increase your travel pleasure no matter how little time or money you have to spend.

If your ship is your hotel, a trunk is a good choice. There are large ones which hold dresses on hangers, provide drawers and compartments for accessories.

A traveling garment bag will keep the wrinkles out of tussy party-dresses and hold coats as well. Flat packing trunks are also widely used for ship travel; a removable tray handles shoes and small items.

If you're planning stop-over visits to several different places, a big pullman case, a hatbox and duffle bag or cosmetic case should be adequate. Porter problems and expenses are solved when you add luggage wheels to the largest piece and wheel your own.

A one-stop cruise will call for a different luggage "wardrobe." The trunk is still a good idea — with a piece or two of hand luggage or a duffle bag for going to the beach, shopping, or all-day sight-seeing excursions.

Joan Quiggan Davis and David Hart Locklin were married Saturday in West Shore Unitarian Church at Rocky River, Ohio. He is the son of the A. L. Locklins of Oneida road and her parents are Mr. and Mrs. Paul C. Davis of Medina, Ohio.

MRS. DAVID HARTT LOCKLIN

Joan Davis Wears Satin for Rite

Pontiac Resident Travels to Ohio for His Bride

Joan Quiggan Davis of Medina, Ohio, and David Hart Locklin were married Saturday afternoon at the West Shore Unitarian church at Rocky River, Ohio.

The bride is the daughter of the Paul C. Davis of Medina and David is the son of Mr. and Mrs. A. L. Locklin of Oneida Rd.

Joan chose a gown of candle-light satin covered with imported Maltese lace. Her floor length veil was antique rose-pointe lace over silk illusion and she carried a colonial bouquet of white roses, delphinium and pink sweetheart roses. She wore an heirloom crystal necklace, a gift of the bridegroom.

Bebe Dodworth of Pittsburgh, Pa. as maid of honor, wore an aqua chiffon waist length gown and the other attendants, wearing similar gowns in shades of coral and moss green, were Judy Wade of Fort Wayne, Ind. and Yvonne Fox, a cousin of the bride, of Schenectady, N. Y. They carried colonial bouquets of Tallman roses.

Bruce Jacobsen of Pontiac served as best man and seating the guests were Richard Davis, a brother of the bride, and James Tarr of East Lansing.

The bride's mother wore blue gray taffeta with blue accessories and her corsage was of Tallman roses and blue delphinium. The mother of the bridegroom was gowned in black and lavender taffeta with lavender accessories and wore a corsage of orchid Fuji chrysanthemums and pompons.

A reception at the church followed the ceremony. Joan chose a black and white check taffeta dress with matching coat and wore black accessories for her wedding trip through the East.

The couple was graduated from Allegheny College, Meadville, Pa., where the bride was a member of Alpha Xi Delta sorority.

They will reside in New Haven, Conn., where David will attend Yale University, majoring in technical production and design in the School of Drama.

Match With Care
Bracelet, necklace and earrings that match are too much — look posed, not poised. Coordination has its limits.

Wake Up Tired Veil
A tired veil is inexcusable. Press it between layers of waxed paper, or replace it with new veiling from the five-and-ten.

MR. and MRS. JOHN S. SHANKS

Shirley Mix Speaks Vows

Honeymooning in Canada are Shirley Catherine Mix and John S. Shanks, who were married at 12 o'clock Saturday in St. Michael Church.

The bride is the daughter of Mr. and Mrs. Allen J. Mix of East Beverly avenue and Mr. and Mrs. George Shanks of North Marshall street are the bridegroom's parents.

A gown of white imported Hungarian lace and net with matching bolero jacket and gauntlets was worn by the bride. A bonnet studded with seed pearls secured her shoulder-length veil of French illusion. She carried a white prayer book with a rosary entwined, topped with a white orchid, pompons and stephanotis.

Betty Mix attended her sister as maid of honor wearing a ballerina length gown of orchid French nylon with darker orchid jacket in velvet and a matching corsage of orchids.

Storage Hint Given for Vacuum

If you wrestle with the hose of your tank vacuum cleaner to get it in the bottom of the closet, try this.

Tie a strong string around the middle of the hose and make a loop. Hang loop of the string on a stout hook installed about five feet up inside the closet door.

Sunset Club Meets

Oakland Park was the setting recently for the last outdoor meeting of the year for Sunset Club. The group, sponsored by the Pontiac Department of Parks and Recreation, will meet at Wilson School Thursday at 1 p.m.

Pontiac Families Are Home

Mrs. M. J. Cloonan Returns After Visit With Family

Mrs. Martin J. Cloonan has returned to her home on Ottawa drive after spending the weekend in Port Austin at the summer home of her son-in-law and daughter, the Arthur Blakeslees of Birmingham.

Mr. and Mrs. William Knudsen of Navajo road and Mr. and Mrs. J. A. Rammes of Sylvan Lake spent Labor Day weekend at Hidden Valley. They were accompanied by the Knudsen's daughter, Patricia, and Mary Jane Redwine, a friend from Detroit.

Mr. and Mrs. Donald B. Hogue will return to their Fairgrove avenue home Thursday after spending some time at their summer home on the north shore of Sand Point, near Cassville.

Dr. and Mrs. Donald B. Hogue Jr., Oscar Anderson and Mrs. Gunnar Anderson of Holland; Lilian Hogue of Grosse Pointe and R. Walton Hogue of New York City were their guests over the weekend.

Dorothy Sodergren of Grand Rapids was a weekend guest of E. James Kitson and the C. H. Kitsons in their Parkhurst street home. Dorothy and James are students at Michigan State Normal College.

Shirley Dobson of South Francis street and Norman McClothlin of First street returned to their home Sunday after a week in New Rochelle, N. Y. and New York City. Diane Cameron of New Rochelle returned to Pontiac with them to spend two weeks visiting with relatives and friends.

Mr. and Mrs. William H. Bedard of Crescent Lake road returned Saturday to their home after a three week tour in Canada. Visits to the Thousand Islands, Peterboro, Birdwell and Havelock, Ont. were highlights of their trip.

Mr. and Mrs. Carl Clifford returned to their North Telegraph road home Sunday after spending the Labor Day weekend in Carthage, N. Y.

Mrs. George Clifford of Carthage returned to their home after having spent the summer in Pontiac.

First Warden of Alcatraz Dies of Illness at 79

SAN FRANCISCO (UP)—James A. Johnston, 79, first warden of Alcatraz, died last night. Johnston had a long career in penology, taking his first warden's job at California's Folsom Prison in 1912. The next year he took over as head of San Quentin Prison and resigned in 1925 to enter the banking business. In 1934, when the government converted the island in San Francisco Bay from a military to a federal prison where the toughest

federal convicts are sent, Johnston was named warden. He held the job until 1948. President Eisenhower recently reappointed him to the Federal Pardon and Parole Board. Johnston had been ill since December.

Lee, Grant in Uniform

CAMP GORDON, Ga. (UP)—Robert E. Lee and Ulysses S. Grant are back in uniform. Two privates bearing the names of the great generals are assigned to the same company at the Southeastern Signal School here. Lee is from Washington, N. C. Grant hails from Tallahoma, Tenn.

Business Planes Now Outnumber Airliners in U.S.

WASHINGTON (UP)—American business has taken to the skies in such numbers that today's fleet of business planes is almost 17 times larger than that operated by the nation's fleet of domestic airlines. In fact, according to Planes, official publication of the Aircraft Industries Association, U. S. businesses own almost twice as many large, multi-engine transport planes as do the scheduled domestic airlines.

Latest figures show that business planes now number 21,500—of which 1,437 are multi-engine and 19,063 are single-engine. Aircraft on scheduled airlines total 1,260.

The industry publication says the sharp rise in use of aircraft by corporations and professional men, as well as by small businesses, has made this type of flying one of the major factors in the U. S. civil aviation picture.

Last year, these business planes spent an estimated 6,450,000 hours in the air, covering approximately 903,000,000 miles on business trips. This compares with a total of about 525,000,000 plane miles flown by the scheduled airlines, although the commercial airlines carry tremendously larger numbers of passengers.
