Equestrian Monkey Business at Zoo Opening

Pontiac Press Photo

RIDING BAREBACK — A bareback riding act is among the new features of the Detroit Zoo's Chimpanzee Show which officials believe is the greatest production in the park's history. The act was a highlight of opening day today with over 5,000 persons expected to be on hand. Pansy, Julius, and Jazmo hop on and off and ride Prince in regular circus manner during this part of the show.

DANCE PARTNERS — A pair of talented Chimpanzees called Pansy and Albert are the dancing partners with Mike a piano player in the band in one of the highlights of the big 20-act Chimp Show which was staged for the first time as the Detroit Zoological Park opened today.

Animals Make Debut Today

5,000 Expected to Gather at Zoo for 1956 Opening

It was opening day at the Detroit Zoological Park in Royal Oak today with over 5,000 visitors expected to take part in a program beginning the 29th season. Director Frank G. McInnis predicts attendance will top the 30,000 mark Sunday if the weatherman cooperates.

"Our collection is the largest and finest we have ever had. It should be a great year," McInnis told visiting representatives of the press, radio, and television at the annual opening preview yesterday.

Greatly improved chimpanzee and elephant shows are expected to attract millions this year as will exhibits featuring apes, lions, tigers and a baby giraffe.

Other new "babies" to be found at the Zoo are "Harvey," the polar bear, a quartet of Kodiak bear cubs known as "Dot," "Ditto," "Daisy," and "Dandy," a two-toed sloth called "Sleepy," antelopes, kangaroos, llamas, baboons, and monkeys.

The leading newcomers on display for the first time today were a pair of Lesser Pandas named "Wynken" and "Blynken."

The addition of several new varieties of birds has given the zoo its largest collection of different species in history, McInnis said.

The Zoological Park leaders call the "Chimp Show" the greatest production in the zoo's history.

The cast headed by the frolicsome foursome of "Tarzan," "Mike," "Julius" and "Bobo," perform such stunts as walking the high wire, taking the "death slide" on an inclined wire, riding ponies bareback, and balancing on rubber balls, pogo sticks, ladders and bicycles.

Three new acts were to be seen for the first time today in a fast moving elephant show.

Visiting hours will be 10 a.m. to 6 p.m. on weekdays and from 9 a.m. to 6 p.m. on Sundays and holidays throughout the season.

Report Tonight on Hospital Bids

Architect Leo Heenan, Trustees Will Convene With City Commission

The City Commission meets tonight with the Pontiac General Hospital Board of Trustees to hear the final tabulation of bids for the $3 million hospital addition.

An official total of low bids submitted April 19 topped $4,000,000.

Since that date, architect Leo J. Heenan and his staff have been considering several possible alternates on each bid, which could possibly reduce the cost of the proposed wing.

These bids remain binding until June 19 according to Board Chairman William P. Babcock.

Heenan is expected to present the tabulation to the board and commission and report on his findings from the three-week study of the bids.

Cloudy, Cool Tonight, Warmer on Friday

The weatherman predicts cloudy and cooler for tonight. The low will be 38-40.

Tomorrow will be mostly cloudy and somewhat warmer. Showers and thunderstorms are expected by afternoon or evening. The high will be near 60 degrees.

The lowest thermometer reading preceding 8 p.m. was 54 degrees. The mercury rose to 54 at 1 p.m.

House Certain to OK 33 Billion for Defense Aid

No Opposition Indicated in New Allotments for Coming Fiscal Year

WASHINGTON (AP) — The House appeared certain today to pass without major changes a bill to give the Defense Department $33,665,066,000 in new money for the coming fiscal year.

A day of debate yesterday disclosed no major opposition to the allotments recommended by the Appropriations Committee for the Army, Navy and the Air Force.

A few members voiced belief that some of the $512,784,000 chopped by the committee from President Eisenhower's requests should be restored.

But Rep. Mahon (D-Tex.), floor manager of the bill, told newsmen he didn't believe the House would make any major alterations.

Mahon jolted his colleagues by his opening remark that the United States and Russia have "just about" reached the point where each has "the full capability to destroy the other."

It soon may be, he said, that both sides will realize that there can be no winner in war and "the argument as to which side is the stronger will be somewhat pointless."

But until then, he cautioned, the only answer to the present day situation appears to be to provide more and more money.

A soil bank bill saddled with further provisions to boost some farm price supports was ready for final inspection by the Senate Agricultural Committee today.

Although the committee voted 13-1 last night to send the House-passed bill on to the Senate, Chairman Ellender (D-La.) called the group back into closed session "to go over the complicated corn and feed grain sections."

State Legislators Tackle Unfinished Business Task

LANSING (AP)—After a month at home, Michigan lawmakers returned to the capitol today and plunged into 14 items of unfinished business, including three major appropriation bills.

The work they tackled had to be cleared away to wind up the 1956 legislative session. It was pushed beyond the nominal April 6 deadline when a late session snarl developed.

Under joint Senate-House rules, the legislators make a date to come back 34 days after "final" adjournment to act on vetoes and dispose of pending conference committee reports. Ordinarily, the meeting is merely a ritual, with a few members in attendance.

But this time the leftovers included better than 110 million dollars in money bills, one of them setting up a 35 million dollar capital improvement program.

The other appropriation bills would provide roughly 59 million dollars for mental health purposes and 17 millions for public health operations in the fiscal year starting July 1.

All three spending measures were stranded by Senate-House disputes and left in the hands of conference committees. So were 11 other issues still hanging fire.

In the non-money field, two of the major proposals caught in the deadlock would limit combined payments of state unemployment benefits and private supplemental layoff awards, and provide for flexible controls over state deer herds.

Neither appeared to have very good prospects for final approval.

The supplemental layoff pay restrictions were knocked for a loop in the House, but okayed by the Senate. The two chambers gave signs of sticking by their guns.

The deer bill would authorize the State Conservation Commission to set special seasons for deer hunting, something the Senate favors but which aroused stiff opposition in the House.

Ike Enters Hospital

WASHINGTON (AP) — President Eisenhower enters the Army's Walter Reed Hospital here this evening for a new physical examination.

Succumbs

W. RUSSELL EAMES

Plumbing Firm Founder Dies

W. Russell Eames, 70, Succumbs at His Home Following Long Illness

W. Russell Eames, 70, one of the founders of the plumbing and heating firm, Eames & Brown, died at his home, 233 W. Pike St. yesterday afternoon after several months illness.

He was born in Point Edward, Ont., Canada Nov. 2, 1885, the son of David and Emma Russell Eames, and was married Nov. 2, 1907 to Ada Beach in St. Catherines, Ont.

On Feb. 20, 1910, Eames and J. Lester Brown formed the firm

Nearly 2 Inches Hits Local Area; River Overflows

All-Day Downpour Pelts Most Parts of State; Detroiter Killed

Thunderstorms pelted rain down on Pontiac and the rest of Oakland County yesterday and last night and for the second time in two weeks caused flooded basements and covered many streets and highways.

Close to two inches of rain fell beginning early yesterday, flooding many basements in Pontiac. Some 100 calls were received by the Department of Public Works.

Streets throughout the city were covered by water as the steady rain over-taxed the mains.

The Pontiac Creek and Clinton River were overflowing their banks in many spots. Other county lakes and streams were dangerously near flood stage after the all-day downpour.

Some 50 homes in the Lake Orion area were surrounded by pools of water. Similar conditions were reported in southern Oakland County and Waterford Township.

ONLY MINOR WASHOUTS

Despite the steady rain, the Oakland County Road Commission reports only minor road washouts in county areas. No roads are closed as the result of the storm, an official reported.

Lightning last night was conducted through a radio aerial in a Birmingham home and narrowly missed striking a 15-year-old boy.

Mrs. A. R. Bottler, of 617 Tottenham St., said her son Jack had just gone to bed when a bolt of lightning bounced off a tree and hit radio set setting 18 inches from the boy's bed.

It scorched the side of the bed which the frightened boy had just rolled away from. It caused about $50 damages according to the Birmingham Fire Dept.

BALDWIN FLOODED

Water was reported up to door levels of automobiles passing on Baldwin avenue near Harris Lake. The Clinton River was overflowing at Beaudette street, Arthur Hill-

(Continued on Page 23, Col. 4)

Pontiac Creek Goes Wandering

Pontiac Press Photo

OVER THE BANKS — Rain all day yesterday and last night poured the Pontiac Creek in the vicinity of Pine street over its banks. The Clinton River in many parts of the city was near flood stage. The storm, the second that threatened floods in two weeks, flooded many basements throughout the city and spilled over many streets, slowing traffic.

French Attack Arabs in Algeria Reprisals

ALGIERS, Algeria (AP)—French troops on both sides of flaming Algeria battled nationalist rebels today in grim retaliation for continuing coordinated attacks on European farms and military posts.

* * *

Heavy rebel losses were claimed as French forces fanned out in counterstrikes against the raiders, but slashed communication lines hampered any accurate estimate of casualty totals.

* * *

In Western Algeria, where the rebels opened their concerted offensive Sunday, French authorities said strong counterattacks had taken the lives of at least 200 rebels. Twenty Europeans were reported killed and some 40 farms burned in the original nationalist assaults in that sector.

H-Bomb Drop Postponed for 4th Time

USS MT. MCKINLEY, Off Bikini (AP) — Bikini lay lonely and still this morning, waiting for the false sun of a hydrogen bomb to light the sky.

An off-and-on H-bomb test scheduled for dawn today was postponed again 8½ hours before blast time.

Adverse weather had caused three previous postponements from the original date of Monday, U.S. time.

Ships on their way to blast stations turned back.

Not Much Profit

GRAND RAPIDS (INS)—Thomas Connor, 21, of Grand Rapids sold his old car for $20 but he only netted $1.75. En route to the junk yard, Conner was stopped by police and given an $18.25 ticket for driving an automobile with defective parts.

"An Uncanny and Almost Terrifying Experience"

Air Force Shows Mighty Wallop in Precision Bombing

HAROLD A. FITZGERALD
Publisher, Pontiac Press

Perhaps the greatest aerial firepower demonstration in the history of aviation was held Tuesday at the Air Proving Ground Command at Eglin Air Force Base in Florida.

★ ★ ★

Your awe-struck reporter sat through two thrilling hours of aerial evolutions that outdid the Magic Carpet and Aladdin's Lamp rolled into one piece. More than 5,000 spectators from all sections of the United States including Senators, Congressmen and Governors sat spellbound as the greatest fliers in the world "poured it on" in a thrilling exhibit that left everyone limp and speechless.

★ ★ ★

Activities opened with an RF-84F flying at the grandstand at better than 500 miles an hour and taking a photograph just before the pilot whisked over the startled spectators' heads. What "stops" would you use on your personal Brownie if the camera were moving faster than eight miles a minute? Anyway, this disciple of Eastman got his picture, winged his way to a base 15 miles away (less than two minutes) and then returned with several large prints before the afternoon terminated.

★ ★ ★

Four crack American pilots known internationally as the Thunderbirds put on a demonstration of precision flying that no nation in the world can match or approach. This quartet did about everything that can be done with an airplane and they did it just a few feet apart at terrific speed. As a finale, they dove in front of the stands and then pulled up in a straight vertical climb for more than a mile, rolling only a few feet apart as they soared upward. At last they broke away in huge loops, traveling north, east, south and west respectively. They completed the loops in front of the stands and criss-crossed each other at five or six hundred miles an hour.

★ ★ ★

Remember, at this speed, you travel more than 700 feet every second. Now place four objects a scant few feet apart and it becomes apparent what tremendous mastery of an airplane is required to guarantee your own safety and that of your compatriots. It also takes the maximum judgment and moxie.

★ ★ ★

At one time several 4F-100's broke the celebrated sound barrier. Watching a plane a few feet off the ground, traveling 800 miles an hour right in front of your nose, is an uncanny and almost terrifying experience. The thing comes winging in from a distance and is on you before you comprehend.

It's awesome.

It's soundless like a shadow.

Yet, it's real. It has substance and someone is controlling it — yes, handling it beautifully. It flits past, ghostlike, in the barest winking of an eye. This Machiavellian conception is traveling more than 13 miles a minute — every minute.

That's a mile in less than five seconds.

Think of it.

Pontiac to Detroit — less than two minutes.

As one flashes past, suddenly the silence ends and you're besieged with sound. First there's the crackling "boom, boom, boom," which means the sound barrier has been broken. And then, of course, as the lightning monster rips away into the distance, you're assailed by the fearful roar of the motor. The combination simply scares the daylights out of everyone honest enough to confess.

And remember also, this thing packs deadly fire

(Continued on Page 2, Col. 1)

MAKE OVER PAGES

Air Force Packs Wallop in Special Bombing Show

(Continued From Page One)

power when it goes on the prowl. It's a great package to have on your side.

★ ★ ★

A magnificent exhibition saw fighters and bombers working over targets on the ground. They attacked four grounded planes with napalm bombs and regular bombs. They attacked a "factory" and air force "headquarters" which had been erected for the purpose and they attacked a machinegun emplacement with eight "guns" showing.

These napalm bombs burn the oxygen out of the air in the vicinity and the fire is a fearful sight. The flames leap with an intensity that commands the height of respect, followed by clouds of sickening smoke that billow and roll with the wind. Psychologically, this must be a fearful weapon in the hands of someone that doesn't have your best interests in mind.

In the rocket exhibition you can see the rockets as they leave the planes and watch them shoot out ahead, strike and explode. They're fired close to the grandstand. They are deadly, sinister and make you feel "uneasy." Most of the bombs and rockets purposely gave trails of smoke so the audience can follow them in the air. Aircraft cannons that fired 300 rounds in a few seconds were demonstrated on the ground and the empty brass casings flew out like water from a gigantic fire hose.

You blink involuntarily.

No one speaks.

★ ★ ★

At one time, the field was cut into the conversation between the planes in a formation far over head. Once the leader said casually: "We're at 42,000 feet and I see it's raining in Panama City (Florida.)"

Once a huge refueling plane in full flight had three fighters receiving gas at the same time. Two of them took from opposite wings and the third from the tail.

★ ★ ★

The boys dropped eleven 250 pound bombs at 2,000 feet from a B-57 and wound up with a terrific burst at the target from air cannons. Then they stepped up the cadence with seven 750-pound bombs from our newest tactical bomber, the B-66B. That's a right lethal load of death and destruction. And finally, they dropped several one thousand pound bombs. Every time a big one detonates, the grandstand actually shakes and you can feel your shirt move in the air disturbance. Some of these were handled by the C-F100's America's greatest and newest plane of this type.

★ ★ ★ ★

Finally, to close out the show, a B-36 appeared and gave the crowd a look-see at all its awe and majesty. This is probably the biggest war plane in the world. The wing span is better than 200 feet and it carries an unbelievable amount of weight. After "passing in review," this monarch of all its surveys, started a bombing run of a mile and a half.

That's a man size distance.

Step it off.

But this gigantic monster sailed along serenely, dropping 500 pound bombs in a continuous and uninterrupted stream. One such bomb is a fearful thing, but now a steady flow of these killers followed over a distance of a mile and a half. You see them plainly as they emerged from the plane and the entire route is a stream of bombs in endless precision.

★ ★ ★

Picture a strip a mile and a half long with bombs actually "overlapping" each other in their destruction. After the first one hits, the balance follow with a continuous roar as they strike the ground and detonate.

It made a profound and lasting impression. Probably each eye witness visualized this mile and a half in his own home town—or in New York—or Detroit—or, Washington—or—well, a lot of cities in Asia pop into your mind without half trying.

Then—and this is too terrible to contemplate—substitute H-bombs for the 500 pounds of TNT. And then add a whole fleet of these carriers in the sky, at the same moment, if you dare. Sobering and overpowering thoughts were in the minds of everyone.

★ ★ ★

Major General Robert W. Burns, Commander of Eglin Field stated the purpose of the demonstration was "to give a greater understanding of the part played by the U. S. Air Force in maintaining a global air superiority in defense of the free world." The exhibition uncovered the eventualities that would result if any nation wanted to "get tough" and throw its weight around.

★ ★ ★

I hope there were quite a few Russians in the 5,000 spectators. Cameras were allowed. I hope they photographed some of the activities that were "just play" this time, but which could be "for keeps" at the drop of a hat. It was an eyeful.

★ ★ ★

For the first time in history, our government took "toss bombing" off from the secrecy list. Several planes demonstrated this new and unique technique.

It has a fearful purpose.

In toss bombing, the plane starts to climb at full speed and then releases the bomb which, of course, continues upward at several hundred miles an hour until gravity claims it and starts it earthward again. During this interval, the plane is streaking homeward with the accelerator wide open and all the horses unleashed.

★ ★ ★

That H-bomb is something.

The havoc and destruction are so far reaching, that we have to let our boys get completely out of the area of death and devastation.

Toss bombing is one answer.

Each of the bombs left trails for the spectators to watch as they soared on upward, slowed to a stop and turned towards the ground. These bombs were TNT. You fire the others on uninhabited atolls in big oceans.

★ ★ ★

Three dozen men went from South Eastern Michigan, leaving Selfridge Field with Major General Robert E. L. Eaton and Colonel Paul E. Todd as hosts. All of the Michigan party were very favorably impressed with the two Selfridge men and their handling of the trip.

I have just one piece of advice for our readers: Don't declare all-out war on the United States.

Police Arrest Motorist After Hit-Run Crash

English Wilson, 39, of 301 Harrison St., today faces arraignment on a charge of driving under the influence of liquor after his car reportedly rammed the rear of another at South Perry and Paddock Sts.

Pontiac Police said they arrested Wilson a few blocks away from the accident at 4 p.m. yesterday.

Probation Topic of Friday Talks

State, Local Officials to Discuss Officers for Area Justice Courts

Oakland County Prosecutor Frederick C. Ziem said yesterday he has scheduled a meeting with county probation officer Arthur P. McKenna and a state probation official Friday to discuss ways of providing probation officers in justice courts.

The problem stems from a Circuit Court ruling last month by Judge Clark J. Adams, whose written opinion said justices may place offenders on probation but must assign them to probation officers.

Previously, justices had issued probations but had not used probation officers. Some officials doubted they had legal authority for the move.

Ziem said Fred Bates, assistant director in charge of probations at the Michigan Department of Parole and Probation, will be here Friday for the conference.

Discussion will center on providing additional probation officers under McKenna, Ziem said. If no legal objections appear, he will ask the four County circuit judges to recommend hiring of additional officers, and ask the County Board of Auditors for funds for the purpose.

James C. Foster Jr. Seeking State Post

James C. Foster Jr., 27, of Birmingham, yesterday announced he would seek the State Representative seat from the Third District on the Republican ticket.

The post is presently held by Richard C. Van Dusen, of Birmingham, who said he would not seek re-election in the Aug. 7 primary.

Foster is a junior in the Wayne University Law School after completing his undergraduate work at the University of Michigan.

He is a charter member of the Young Republican Club of Oakland County and is active in the Wayne County GOP club.

Dondero, Wolcott Honored by Dems at Capital Dinner

George A. Dondero, retiring U.S representative from Royal Oak, joined with another veteran legislator, colleague Jesse Wolcott of Port Huron, in receiving special tribute from Michigan's Democratic House delegation at a luncheon in Washington, D.C., yesterday.

Dondero, 72, has been a House member since 1933. Wolcott, 63, is the dean of the Michigan Congressional delegation, having served continuously since 1931.

Both are Republicans, and neither plans to seek reelection.

Democratic Rep. Louis Rabaut struck the keynote during the event, saying Michigan legislators may split politically on legislation but always join in promoting the welfare of their state.

He added: "We'll feed you today but will lick you in the fall."

The Republican guests replied in kind.

Studebaker-Packard Deal With Airline in Final Stage

NEW YORK (INS)—A deal involving control of the $250,000,000 Studebaker-Packard Corp. and strengthening of the nation's fourth largest motor car company's financial position is in the final stages of negotiation.

* * *

The completion will insure the company's continuance as one of the two independents in the motor car field.

The negotiations are being carried on in New York and Washington and part of the agreement includes a commitment by the Defense Department on $200,000,000 military orders.

Curtiss-Wright Corp., one of the nation's leading aircraft companies, is to get an option on 7,000,000 Studebaker-Packard shares at a price of approximately $5 a share. Exercise of this option will give Curtiss-Wright control, as Studebaker presently has outstanding 6,440,000 shares of an authorized 15,000,000 shares.

Eventually, the two companies may merge, creating a $500,000,000 enterprise with $1,500,000,000 annual sales.

Under the financial part of the program, the commercial banks would extend an additional $15,000,000 in credit, making $45,000,000 in funds available to the motor car company.

NEED EXTRA MONIES

Insurance companies, which hold $25,000,000 in 4 per cent notes with maturities running from 1957 to 1973, will ease some of the provisions under the proposed financial plan.

Studebaker-Packard President James Nance at the annual meeting said the company needed $50,000,000 additional financing.

The exercise of the stock option to Curtiss-Wright would provide $35,000,000 and with $15,000,000 additional credit from the banks, the company would have the needed $50,000,000.

From Detroit, Studebaker-Packard Corp. announced today that losses of $14,511,173 for the first quarter of this year have reduced the working capital of the firm to $45,759,563.

Studebaker-Packard was formed in October, 1954, by a merger of two of the leading independents—Studebaker, with its major plant at South Bend, Ind., and Packard, centered in Detroit.

* * *

As part of the program to strengthen the company's position and increase the efficiency of operation the motor car assemblies would be centered in South Bend. Defense business would provide employment for workers now engaged in car production in Detroit.

The Day in Birmingham

Schools Planning to Offer Dental Fluoride Program

BIRMINGHAM—Fluoride application to the teeth of school students is being planned, according to Dr. Paul Carter, assistant superintendent of schools.

Requests from parents have brought about the plan, Dr. Carter says. The school health service will handle the dental treatments in the schools.

Cleaning and four applications of fluoride for each child participating will be given on a low-fee basis, he says. Second and fifth graders will be eligible.

The Oakland County Dental Society has approved of the fluoride program and promises its full support and cooperation, Dr. Carter reports.

Mr. and Mrs. Karly Yankee, 2115 W. Lincoln, are appealing the Justice Court decision that their dog, an Irish setter valued at about $750, should be destroyed.

They have hired Attorney John Manikoff, who will ask for a decision that the family may sell the dog, for study purposes, rather than have it killed by the city.

The family isn't questioning the court decision that the dog bit Edward J. Rodgers, 3, in a neighboring yard.

Manikoff field last weekend in city offices for appealing the case to Circuit Court. A decision on selling the dog will affect whether they continue pressing the case, he says.

City officials are planning to receive Village President A. Edward Moilanen of L'Anse on Mayor's Exchange Day, May 21. Mayor James Allen will fly to L'Anse, while Mr. and Mrs. Moilanen will drive to Birmingham.

The L'Anse couple will be met by City Commission and administration members. They will tour the Ford Tractor plant, city recreational facilities and Cranbrook Institute of Science, and will lunch with civic leaders at Northwood Inn.

Crash Injuries Kill Flint Man

Collision in Waterford Fatal Two Days Later, Autopsy Proves

An autopsy yesterday in Flint established that a Flint man involved in a Waterford Township accident Sunday died Tuesday night of peritonitis which apparently stemmed from three intestinal ruptures, township police said today.

Umberto Gallerani, 59, of 3513 Tiffin St., Flint, reported no injuries to Waterford police Sunday when his car was struck from behind by Andrew Vogt, 42, of 224 E. Court St., Flint.

But Waterford Township Police Chief Frank VanAtta said today Gallerani, who took a taxi to Flint with his wife after the accident, felt ill Sunday night and went to a Flint hospital for X-rays, which showed he had a fractured vertebra.

Gallerani remained in the hospital until Tuesday night, when he died.

VanAtta said today the accident happened at US10 and Williams Lake Road. Gallerani and three other drivers, he said, were waiting for the traffic light when Vogt's car plowed into the rear of Gallerani's, touching off a chain reaction accident which involved all four cars.

VanAtta is attempting to get statements from the other three drivers, he said.

Ike Appoints George to NATO Position

WASHINGTON (INS) — Sen Walter F. George (D-Ga.), 78, is leaving the Senate but will continue to work on the "long, hard job" of fashioning a stable, peaceful world.

* * *

George, who helped the Eisenhower Administration over many legislative hurdles as Senate foreign relations chairman, will become President Eisenhower's personal representative at NATO. He indicated he will get into his new assignment when Congress adjourns sometime in July.

* * *

The senator expects to undertake his NATO duties somewhat gradually, once his assignment has been formalized. As a personal ambassador of the president, his post will not require Senate confirmation and will not conflict with him retaining his Senate status for the remainder of this year.

'Survival of the Fittest' Cure for Safe Driving

RALEIGH, N.C. (AP)—North Carolina Motor Vehicle Dept. judges helping out in a traffic safety contest being conducted by a Raleigh radio station, came across this entry from a Chapel Hill listener:

"First remove all speed limits and second, raise engine horsepower to a minimum of 500.

"Then all the inferior (and therefore dangerous drivers) would be killed off in a 'survival of the fittest' period and the superior and safe driver would alone remain."

A stamp printed on aluminum foil has been used by Hungary to mark the 20th anniversary of her aluminum industry.

Pontiac Deaths

Roy J. McWhorter

Roy J. McWhorter, 65, of 40 Auburn Ave., was dead on arrival yesterday morning in Pontiac General Hospital.

Born in Hickman County, Ky. May 13, 1890, he was the son of Lee and Nancy Ann Stone McWhorter.

Coming here from Clinton, Ky. 35 years ago, he had been employed as a factory worker. He was formerly a railroad engineer.

Surviving are two children, Katherine McWhorter of Memphis, Tenn. and Enchel McWhorter of North Hollywood, Calif. Also surviving are two sisters and two brothers.

Service will be at 1 p.m. Friday from the Kirkby Funeral Home with the Rev. Wayne E. Welton of the Parkdale Church of the Nazarene officiating. Burial will be in Oak Hill Cemetery.

Thomas Michael White

Thomas Michael White, three-year-old son of Harry Jack and Myrtle Rowland White, died at 5 o'clock this morning in Children's Hospital, Detroit. He had been ill a year.

He was born here Nov. 15, 1952 and attended Emmanuel Baptist Church with his parents.

Besides his mother and father, Thomas is survived by a sister, Jacquelyn, and two brothers, Stephen and David, all at home.

Friends may call at the Pursley Funeral Home after 7 p.m. Friday. Funeral arrangements will be announced later.

22 AF Rockets Hit Home Areas

'Accident Firing' Sends Missiles Directly Into Mt. Clemens Suburbs

MOUNT CLEMENS (AP) — The Air Force said today 22 rockets were fired off by accident over a mile square area beyond Selfridge Air Force base today. Three reportedly exploded in residential sections.

One house was reported set afire by a rocket which shot into the South River Road area about a mile from the base.

Air Force officials warned people not to touch or handle any rockets they might find. Police sealed off a two-mile square area while officers attempted to retrieve the unexploded rockets.

The rockets were "inadvertently" ejected from their pods while being unloaded from Sabre Jet planes, the Air Force said.

A small girl found one of the unexploded rockets in front of the L'Anse Cruse school in Harrison Township and took it into the building. Air Force officers hastened to the scene to remove the firing mechanism.

Snake Medicine Backfires, Bites Vet 'Pharmacist'

BALTIMORE (AP) — An elderly Chinese who set out to make an arthritis remedy of seven rattlesnakes and a quantity of gin is recovering from snakebite.

Kom Sing, 74, told physicians at Johns Hopkins Hospital he planned to put the big diamondbacks—believed shipped from Texas — into jars, fill the jars with gin and leave the reptiles submerged for a year. Then, he said, he would drink the liquid in the hope it would relieve his arthritic pains. But he was bitten while handling one of the snakes.

Police and zoo snake-handlers found Sing's rattlers in jars, all of which had a small quantity of alcohol in them. Three of the snakes were dead. The rest, unconscious, were taken to the zoo.

School Chief Resigns

BENTON HARBOR (AP) — Sidney C. Mitchell has resigned after 33 years as superintendent of Benton Harbor schools. He won national attention in 1923 for his "Benton Harbor Plan" which he launched to provide vocational education for high school students by mail and classes.

Democrat Rivals Share Same Roof in Los Angeles

LOS ANGELES (AP) — Adlai Stevenson and Estes Kefauver, both busy chasing stray Democratic votes all over California, came to rest under the same roof last night.

Stevenson slept on the third floor, Kefauver on the second floor of the Ambassador Hotel. Tired after his major speech, Stevenson went to bed before Kefauver checked in.

There was no plan to meet at breakfast, either. Stevenson was scheduled to make an early TV appearance, Kefauver to move on to Bakersfield.

* * *

They'll get together Sunday at Los Banos where both are slated to appear in a parade and perhaps tangle in an informal discussion but no formal debate.

Delegate Nominees Must File Petitions

Voters who intend to run as precinct delegates to the August County convention must file their petitions by 4 p.m., May 29, County Clerk Lynn D. Allen said yesterday.

Allen said filing has been slow to date.

Petitions must bear signatures of not less than 10, nor more than 15 registered and qualified electors of the precinct in which the candidate intends to run, he said.

There are now 248 precincts in Oakland County.

Total Farm Assets

DES MOINES (AP) — Farm assets in the United States at present are estimated at 163 billion dollars, including real estate, cash and investments, and other property. By contrast, farm debt amounts to only 18 billion dollars.

Measles Increasing, Health Head Reports

The number of measles cases has again taken a sharp increase according to the weekly disease report from Dr. John D. Monroe, health director.

Rubella numbers 72 cases in Pontiac alone compared to none last week, the report continues.

A complete breakdown of reports from the health departments on communicable diseases follows:

Pontiac

	Past Week	Prev. Week	Year Ago
Chicken pox	7	3	13
Gonorrhoea	4	1	7
Measles	29	27	2
Mumps	4	1	4
Pneumonia	0	0	1
Rubella	72	0	0
Scarlet fever	2	3	17
Syphilis	0	0	0
Tuberculosis	1	0	0
Whooping cough	4	5	0
Impetigo	0	4	0

Oakland County

	Past Week	Prev Week	Year Ago
Chicken pox	78	45	141
Measles	420	247	60
Pneumonia (all forms)	1	2	0
Scarlet fever	14	22	72
Tuberculosis (all forms)	1	3	14
Whooping cough	0	0	1
Mumps	46	27	204
Impetigo	0	1	1
Rheumatic fever	1	0	0

Gets Fulbright Award

EAST LANSING (AP)—Dr. Mitchell L. Gray, assistant professor of animal pathology at Michigan State University, has received a Fulbright Award to conduct animal disease research at the Justus Liebig College of Veterinary Medicine and Agriculture at Giessen, Germany.

Fuel Supply Costs Rocket Record

WHITE SANDS PROVING GROUNDS, N.M. (INS)—A Navy scientist states he has determined why an Aerobee-Hi rocket climbed only 117 miles into the New Mexico sky this week instead of attaining a new record.

Lt. Cmdr. E. W. Diehl, Aerobee-Hi project officer at the White Sands proving ground, gave this explanation why the single-stage rocket failed to reach a predicted new altitude record of 185 miles:

"The reason for the premature burnout was because the Aerobee-Hi's fuel supply ceased burning at between 41 and 49 seconds after firing instead of the 55 seconds anticipated.

"Maximum altitude achieved was only 117 miles instead of the upwards of 185 miles as expected."

The rocket was in the air 393 seconds when the tail cone was automatically blown off some six miles above the earth.

Scientists estimated the Aerobee-Hi reached 20,000 feet in 16 seconds and 100,000 feet in 44 seconds.

It fell to earth 35 miles almost directly north of the launching site.

Officials reported that unusual rotational gravitational pull had held part of the rocket's fuel supply against the sides of the spinning missile, preventing it being ejected into the firing chamber.

Cmdr. Diehl said: "This problem presents more new frontiers to conquer."

Scientists were happy over the launching even though no new record was obtained. They said it validates the entire Navy Aerobee-Hi rocket program. Six more will be fired before July 15.

The Aerobee-Hi is related to the United States' earth satellite program during the International Geophysical Year, during which many nations will exchange and share scientific research data.

Instruments in the nose of the rocket radioed back to earth information on propulsion, aerodynamics and structural performance. A motion picture camera in the nose recorded more information.

A similar rocket crashed last week after being airborne only 10,000 feet.

BUY BRINGS BONUS — This buffalo cow was purchased by Kip Hale as a promotion stunt in suburban Minneapolis, and paid a dividend last month with birth of a calf.

Group to Give Dance

The Knights of Guadalupe are sponsoring a dance in the Knights of Columbus Hall Saturday night from 9 to 2 a.m.

Music will be furnished by Steve Guerrero of Toledo, Ohio. Refreshments will be served and prizes given.

Judge Picard Named

BAY CITY (AP) — Federal Judge Frank A. Picard has been elected Michigan chairman of the American Christian Palestine Committee.

Firemen Fight Blaze in Bottom of a Well

LANDRUM, S. C. (AP)—The fire department found that it takes more than water to put out a fire at the bottom of a well.

* * *

The well, 96 feet deep, was dry and the family of Mrs. Ruth Jones used it for garbage disposal. Someone dumped a mattress into it and then another member of the family threw in ashes from the coal heater.

The fire department was called but failed to extinguish the flames with about 250 gallons of water. Finally, a building contractor was sent for and got the blaze out by dumping in six truckloads of sand.

New Students Lack Decision

UM Dean Says Many Who Enter College Alter Studies in 1st Two Years

Many of today's high school seniors will be starting the great adventure of college next fall. To acquaint them and their parents with some things they might expect and to provide some thought on the training they might want to take this second in five articles has been prepared.

By JOHN BARBOUR

ANN ARBOR (AP)—Most of the students going to college today enter the college of literature, science and the arts. It's probably a very good thing.

Dean James Robertson, who heads that college at the University of Michigan, explains, "over half of those who come to college with a preconceived notion of what they want to be, change their minds in the first two years."

The literaary college, he adds, gives them a chance to explore around, taste several different fields and, then make up their minds.

As members of the literary college, students have to take a two-year general course before they can begin to think about specializing in any particular field.

MUST TAKE ENGLISH

He must take certain English courses, a certain number of hours in social science, physical science and language. The aim is to give him a good basis for any field he chooses.

In the social sciences he can study history, economics, sociology or other fields. There are also a certain number of extra hours in which he can take anything he wants.

Dean Robertson says, "within this college at least, there is the custom building of an education."

BIG SCHOOLS BETTER

There are all sorts of folk lore, he says, on which is better, the big university or the small college. There are many advantages to both. But, he points out, small schools are necessarily restrictive in what they ca noffer. Even in a big university, he says, there is "ample opportunity for students to identify themselves with small manageable groups."

Too many students put the cart before the horse in emphasizing extra-curricular work, he adds.

"If a student can do both, all the better," Dean Robertson says, "but he should take his academic program seriously first."

Foreign languages are invaluable," he adds.

Literary scohol, or "Lit" school, as it's called serves also to prepare professional students for their specialiaztion. If a student decides he wants to be a doctor, Dean Robertson says, "it gives him the opportunity to put to a test what it takes to become a doctor."

Area Officials Meet on Drainage Problem

A possible temporary dike to prevent surface water draining from Southfield Township and from flooding municipalities to the east was discussed at a meeting in Oak Park City Hall yesterday. County Drain Commissioner Ralph A. Main said today.

Officials of Berkley, Huntington Woods and Oak Park met with Southfield Township officials and Main.

"Southfield was left out of the 12 Towns Relief Drain project," Main explained yesterday, "since they have found it more economical, by millions of dollars, to drain off water to the west. They have planned three drains to give the southern County cities permanent relief from the flood threat, but while they are being built, the temporary dikes seemed feasible."

He said Oak Park and Berkley yesterday volunteered the services of their engineering departments to aid in studies of the project, but no decisions were made at the meeting.

Earthworms have been found over 15,000 feet above sea level.

Hills High School Plans Summer Choral Clinic

BLOOMFIELD HILLS — Don Large, Detroit choral director, and Haydn Morgan, head of the Michigan State Normal Colege Music Department, will help conduct a high school choral clinic in Bloomfield Hills this summer.

Large is choral director at University of Detroit and directs a youth chorus on a Detroit radio station. He, Morgan, and Clarence Luchtman, Bloomfield Hills High School choir director, will share conducting duties.

The clinic, to be held July 11 to 20 at Bloomfield Hills High School, is believed to be unique in its type.

Also in the school system's summer program, instrumental music, taught by Bruce Warnock, will include band school for four weeks.

Other regular and special summer school work, will be including a four-week typing class will be offered starting June 25.

W. Russell Eames Dies in His Home

(Continued From Page One)

of Eames & Brown in Flint. Brown came to Pontiac in 1911 and in 1912 Eames moved here.

The Pontiac Kiwanis Club, of which he was a charter member, honored Mr. and Mrs. Eames Dec. 8, 1948 on one of the "Flowers to the Living" programs.

A member of the First Presbyterian Church, Mr. Eames served as a director of the Community National Bank and the Pontiac Federal Savings and Loan Co.

He was a life member of Roosevelt Masonic Lodge, life member of Knights Templar, the Shrine, Pine Lake Country Club, Lost Lake Woods Club and Canada Creek Ranch. For many years, he was a director of the Clinton Valley Boy Scout Council and of the Y.M.C.A. Board.

Besides his wife, Ada, he leaves two children, Mrs. W. Ross Thompson and D. B. Eames, both of Pontiac, and two grandchildren.

Other survivors include five sisters, Mrs. George McFarlane of Toronto, Ont., Mrs. Harvey Moyer of Oshawa, Ont., Mrs. Roy Walker of Niagara Falls, Ont., Mrs. Ross Anderson of Brantford, Ont. and Mrs. Roderick Cole of Brandon, Manitoba, Canada.

Service will be at 2 p.m. Saturday from the Sparks - Griffin Chapel with his pastor, Dr. William H. Marbach officiating. Burial will follow in Perry Mt. Park Cemetery.

Seamen, Carrier Chiefs Meet to Avert Strike

MONTREAL (AP) — Seamen and shipping company representatives met with a federal government mediator today amid appeals from Western farmers for a last-minute effort to avert a Great Lakes strike scheduled for noon.

* * *

Some 2,000 seamen aboard 63 ships operated by two companies involved in a wage dispute were scheduled to walk off their jobs.

A united front pledged by the seven-company association of lake carriers prompted some predictions that failure to reach a settlement today could tie up 280 vessels strung along the Great Lakes and St. Lawrence River transportation system.

2-Inch Rain Pelts Most Parts of State

(Continued From Page One)

iker, officer manager of the Pontiac DPW, reported.

Neither Oakland County Sheriff's Dept., Pontiac State Police Post or Watertord Township Police reported any calls of assistance during the night.

The rain pelted most other parts of the state. Four inches of rain flooded the Grand Rapids area cutting off part of the city's water supply and darkened street and traffic lights.

A 65-year-old Detroit man Anthony Krolik, died of injuries after his car swerved out of control on a flooded Detroit street and crashed head-on with another auto.

Although no tornadoes were officially reported, a farmer and 18 farm workers in Grand Rapids said they had to lay flat on the ground as a funnel-shaped cloud roared overhead.

By what Oakland County Drain Commissioner Ralph A. Main calls "a timely coincidence," the Drain Committee of the County Board of Supervisors today are touring the southern part of the county viewing flood damage done in the past two weeks.

Still on Critical List After Scaffold Fall

A Detroit construction worker, 28, today remained in critical condition in St. Joseph Mercy Hospital following a fall from a scaffold May 1.

Robert Young suffered head injuries in the 18-foot drop while at work in a new auto assembly plant in Novi.

His physician, Dr. Edward Gates, said the injuries were "very severe."

TREE-MENDOUS TASK — Think mowing the grass is work, eh? How would you like a chore like these Belgian Congo natives have — whittling away at a giant trunk with the equivalent of Boy Scout axes? The tree, a giant limba, is one of the riches of the Leopoldville region.

Atomic Energy Electricity to Flow in Detroit Homes

GRAND RAPIDS (AP) — John F. Anderson of the Power Reactor Development Co. of Detroit, said today electricity generated from atomic energy will flow through Detroit homes within four years.

Anderson, assistant secretary-treasurer of the 26-member corporation to further industrial use of atomic energy, made his statement in advance of an address to the Michigan Engineering Society Saturday.

"The electricity will be no different from its present form," said Anderson. He said it will be generated at a nuclear power plant at a site proposed on the shore of Lake Erie some 30 miles downriver from Detroit.

• • •

Anderson said the plant, now being designed by Atomic Power Development Associates, Inc., a similar nonprofit Detroit group formed by 44 companies, will be completed by July of 1960.

• • •

He said atomic power will be used to produce steam which will be sold to the Detroit Edison Co. The steam, in turn, will be used to run generators to produce electricity.

"A quarter of a pound of uranium would supply the electrical needs of the average home for 500 years if completely converted to energy," said Anderson, who is employed by the Edison Co.

He said his company's "breeder" reactor design actually produces more atomic fuel than it consumes to make power. Anderson said it includes a blanket of normally inert material around the core that is converted to fuel by the absorption of neutrons produced in making atomic power. "These neutrons are partially 'soaked up' by the blanket in the process of making fuel," he said.

Complete Field Work on 12 Towns Drain

Most regular field work on the Twelve Towns Relief Drain now has been completed, coordinator Anton J. Berst has reported, and design and detail work is proceeding satisfactorily.

Test borings now have been completed, Berst said, and negotiations with Grand Trunk Western Railroad for approval of four branch crossings are being conducted.

Parents to Visit MSU

EAST LANSING (AP) — An estimated 2,000 parents and friends will attend the annual Parents Weekend Saturday and Sunday at Michigan State University. Features of the weekend will include the International Festival staged by foreign students and the eighth annual Engineering Exposition.

The Chinese discovered the art of making an oyster produce a pearl, during the 13th century. The Japanese, however, first began commercializaiton of the idea in 1890.

$10,000 for Olympics

EAST LANSING (AP) — A telethon and ice show staged May 5 at Michigan State University is expected to bring at least $10,000 to the fund to send U.S. athletes to the Olympics. Early returns showed cash on hand at $8,860 and mail donations are still being received from the marathon television appeal.

Despite opposition from non-Moslems, Pakistan's coalition party expects to make that country an "Islamic Federal Republic," Karachi reports.

White Upholstery!

LONDON (INS) — New British stainproof upholstery is expected to create a color revolution in the home. White upholstery will be fashionable. Some of the first chairs upholstered with silicone-treated fabric are now reaching the shops. Stains can be wiped of this fabric leaving the material untouched.

With motorcars increasing rapidly (there are now 7,074) Hondu-ras' most pressing need is more and better roads, traffic experts in Tegucigalpa say.

Rural Library Bill Approved

House OKs 7.5 Million Per Year to Create New Book Sources in U.S.

WASHINGTON (INS)—The House has authorized spending seven and one-half million dollars annually for five years for expansion of library services in rural areas.

* * *

It has approved and sent to the Senate a bill sponsored by Rep. Edith Green (D-Ore), which would give each state a basic allotment of $40,000, and the Virgin Islands $10,000.

The balance of the money would be divided among the states on the basis of rural population.

Each state would submit to the U. S. Commissioner of Education a plan for extension of public library services. The plan could include any method for accomplishing this purpose and each state would have complete authority in the selection of books, materials and personnel.

The House Education and Labor Committee said testimony on the bill disclosed there are about 27 million people in the U. S. who are without access to local public library services of any kind. Of this group, it was stated, 90 per cent live in rural areas.

* * *

The committee added that of the approximately 3,000 counties in the U. S., 404 do not have a single library and in only three states — Delaware, Massachusetts and Rhode Island — does local library service reach every resident.

Fights Flight by Night

LANSING (AP)—The Lansing City Council has been asked to create an ordinance to prevent merchants from fleeing the city at night to duck payment of taxes. City Treasurer John F. Webb told the Council that one clothing store, which owes $2,973 in back taxes, moved its stock of clothing out at night to keep the city from seizing it for back taxes.

Michigan Garden Clubs Convening in Birmingham

The opening meeting of the 30th annual conference of the Michigan Division, Women's National Farm and Garden Association, was held Wednesday at Birmingham Community House. Four members photographed arranging corsages were (left to right) Mrs. Floyd Blakeslee of West Iroquois road, Mrs. John Plassey of Rochester, Mrs. R. A. Armstrong of Cherokee road and Mrs. Seymour Voorhees of Romeo.

Newly elected president of the Michigan Division, Women's National Farm and Garden Association, is Mrs. H. Earl Hanson (right) of Birmingham. She is shown admiring one of the floral ararngements with Mrs. Lyle Slaybaugh of Climax, immediate past president. Mrs. Slaybaugh is a member of the Battle Creek Branch of the association and Mrs. Hanson is a member of the Detroit Branch.

Attendants for Wedding Announced

Mary A. Pickering Will Become Bride on Saturday

Mary Ann Pickering has revealed attendants for her wedding to Vincent J. Raymond Jr. Saturday in St. Hugo of the Hills Church.

Matron of honor will be Mrs. Albert P. Herzog Jr. and bridesmaids will be Kay Justin and Gerrie Godin of Grosse Pointe.

Vincent has asked his cousin, Leo J. Elbert Jr. of Phoenix, to be best man. Ushers will be Lucien Elbert of Butler, Pa., another cousin; Jerome W. Kelly and Paul Klebba of Detroit, and Robert Guiman of Chicago.

Mary Ann's parents are Mr. and Mrs. Frederick Pickering of Alice avenue, and his parents are Mr. and Mrs. Vincent J. Raymond of Detroit.

* * *

A spinster dinner was given Tuesday evening by Mrs. Herzog at her home in Farmington.

Guests were Mrs. Frederick Randall, Patricia Detloff of Grosse Pointe, Miss Godin, Miss Justin, Donna Dilworth of Detroit and Mrs. John Panelli of Birmingham.

Others were Mrs. Louis Basso Jr. of Lake Orion and Mrs. John J. O'Brien of Royal Oak.

A rehearsal dinner will be hosted by the Raymonds Friday evening at Rotunda Inn.

Yomar Group Gathers With Mrs. Hilderly

Mrs. Harlan Mathews was a guest of the Yomar Group of First Presbyterian Church Tuesday evening at the home of Mrs. William Hilderly on Joy road.

* * *

Mrs. William Underhill, Mrs. L. V. Ostrander and Mrs. Steve White Jr. assisted the hostess.

The missionary study of the American Indian was continued by Mrs. Eldred Mathes and the Bible study was led by Mrs. George Tremper. Plans for summer projects were outlined by Mrs. Gene Feneley.

Refreshments were served from a lace-covered table centered with a tiny Maypole and spring flowers. Mrs. Wilfred Beebe and Mrs. Earl Vandyke presided at the tea table.

The group will meet June 12 at the church.

Mrs. J. C. Roberts (right) of Birmingham pins a completed corsage on Mrs. Frank Webb, also of Birmingham, at the Wednesday meeting of the Michigan Division, Women's National Farm and Garden Association, held in the Birmingham Community House.

Golf Committee of Forest Lake Has Breakfast

The Ladies' Golf Committee at Forest Lake Country Club held a get-acquainted golf breakfast Friday followed by the spring meeting. At noon, the group paired off for the first golf event of the season.

* * *

Every Friday will be Ladies Golf Day throughout the season, followed by bridge in the afternoon. Mrs. W. J. Egensperger of Birmingham is chairman of the golf committee. Mrs. R. M. Downey is assistant chairman with Mrs. E. A. Goyeau as secretary-treasurer.

Mrs. Albert C. Yost is cochairman with George E. Jaquillard for the Ladies Professional Golf Association Championship Tournament being held June 20-24.

An activity planned by the club was the mother and daughter banquet Wednesday. A style show for the youngsters was followed by a magic show. Mrs. Charles W. Suchner, women's social chairman, and her committee planned the event.

* * *

Youngsters modeling were Cathy Bodine, Susan Voss and Pixie Lilley.

Maccabees Gather

Seventeen members of the Pontiac Maccabees were guests of the Lake Orion Chapter Tuesday evening. The program was a skit on "This Is Your Life" honoring Mrs. Bell Anderson of Lake Orion. A cooperative dinner was held preceding the program.

Women's Section

THURSDAY, MAY 10, 1956 — PAGES 45-51

Personal News of Interest in Area

Mrs. Doris Otter Graham of North Woodward avenue, Bloomfield Hills, will sail on June 16 on the French liner Liberte for Europe, where she will attend three-day meetings of the International Council on Museums, at Basle, Zurick and Geneva, Switzerland.

She will visit Austria and France before returning home on July 16.

* * *

Attending the dinner honoring Mr. and Mrs. Bartlet Wager at Hi-Land Manor Tuesday evening were members of the Budget Division of the state of Michigan, including Grace B. Murray, chief examiner, Donna M. Werback and Jane Piatt.

Others attending were Lawrence I. Scott from Mount Pleasant and Mrs. Edward Perkins (Elaine Wagley).

* * *

Mr. and Mrs. Richard F. Wells of Buchanan and children, Debora, Marjorie and Garry, are visiting her parents, Dr. and Mrs. Robert H. Baker of Fairfax road, Birmingham, for several days.

* * *

Mrs. Edwin R. Bayer and children, Roderick, Henry and Linda Jane, who have been making their home with her parents, Mr. and Mrs. Robert D. Waggoner of Waldo avenue, are leaving by plane Monday for Elmendorf Air Force Base, Alaska. They will join Capt. Bayer who is stationed there.

* * *

Warren Temple, son of Mr. and Mrs. Floyd Temple of Beach street, was a discussion leader in the Vocations Day activities at Hillsdale College. Mr. Temple moderated the panel on "Business."

* * *

Joyce Hocking of Hartland avenue, Birmingham, appeared in the spring concert given by the members of the Olivet College Chorus and Choral Ensemble Sunday evening at Olivet Church. Joyce and Donald Smith of Detroit introduced a bit of humor to the concert by singing several "country-style" ballads.

* * *

Mr. and Mrs. John W. Manning (nee Patricia Eddy) of Lynne lane are receiving congratulations on the birth of a daughter, Robyn Diane, May 1 at Pontiac General Hospital.

Grandparents are Mrs. D. J. Anderson of Mary Day avenue, Floyd E. Eddy of East Pike street and Mr. and Mrs. Charles Pederson of Spokane, Wash.

* * *

Mr. and Mrs. Leon J. Cobb of Silver Bell road are announcing the birth of a son, Daniel Paul, April 25 at Pontiac General Hospital.

Grandparents of the infant are Dr. and Mrs. Leon F. Cobb of Maplewood drive and Mr. and Mrs. Frank M. Covert of Clarkston.

Circle Players Plan Melodrama at Elks Temple

The Circle Players of the Pontiac Parks and Recreation Department will present an old-fashioned "The Curse of an Aching Heart."

* * *

The spring production of three acts is being sponsored by the Panhellenic Association.

The play will be presented at the Elks Temple on a circular stage with the audience seated around the novel setting.

The tickets for the production are available from Circle Players, Panhellenic members or the Pontiac Parks and Recreation Department in the City Hall.

* * *

Eleven members will be in the cast directed by Joe and Shirley Medrano.

There are seven pages in today's Women's Section

Pontioak Chapter Marks 3rd Anniversary

Secretaries Hold Election of Officers

Pontioak Chapter members of the National Secretaries Association, International, met for a third anniversary dinner and election of officers Wednesday evening at the Nurses' Home of St. Joseph Mercy Hospital.

* * *

Elected were Edythe Perry, president; Mrs. William Robinson, vice president; Mrs. Warren Trevethan, corresponding secretary; Mrs. John Duncan, recording secretary, and Mrs. Loretta Collins, treasurer.

Miss Perry gave the invocation and Mary Eleanor Lockman conducted the meeting at which plans were made to attend the state convention at Port Huron May 18, 19 and 20.

Knight Johnson of Detroit was speaker for the evening. His topic was "Insurance." Honored during the evening was Pontiac's Secretary of the Year, Mrs. William Robinson, who was presented with an award by Miss Lockman, outgoing president.

* * *

Mrs. Robinson and Mrs. Duncan gave Career Day talks at Walled Lake High School Tuesday.

The next meeting will be June 6 at Hotel Waldron, with installation of officers and initiation of new members.

Hostesses Wednesday evening were Mrs. Robinson and Mrs. Russell Brackett.

Meetings Held by Musicale's Junior Groups

Junior Tuesday Musicale groups met Sunday afternoon in the homes of members.

* * *

Mrs. Richard Fisher, Mrs. Arthur Tapp and Mrs. Charles Griesbach were hostesses to members of the Matinee Group at the home of Mrs. E. L. Windeler on Hatchery road. The program was presented by members of the Student League.

Carol Petroff entertained members of the Junior League at her home on Cherokee road. Hostesses were Mrs. Don P. Thomas and Mrs. George Petroff.

Appearing on the program were Julie Slowik, Diane Beach, Adrienne Ressler, Sharon Neville and Melvin Melzer.

* * *

Student League members were entertained at the home of Barbara and Mary Shadley on Ottawa drive. Mrs. Joe Atwell, Mrs. M. A. Kissick and Mrs. Maxwell Shadley were hostesses for the meeting.

November Group Meets Wednesday

The November Group of First Presbyterian Church met Wednesday with Mrs. William DeRoo of Pioneer drive. Mrs. Richard Ferris was cohostess.

* * *

Mrs. Lester Carlsen led the group study on the Book of the Ephesians. Slides taken of the Apache Indians in Arizona were shown by Mrs. Carlos Johnson.

* * *

Plans were formulated for a fashion show May 22. Mrs. James Morris and Marion Laturneau were guests for the evening and Mrs. Horton Southworth was received as a new member.

Betrothal Revealed

Charles Koroiden of Willard street announces the engagement of his daughter, Mary Ellen, to Sidney H. Gregory, son of Mr. and Mrs. William W. Gregory of South Marshall street. A June 30 wedding is planned.

Mr. and Mrs. Kenneth Newcomb of Flushing announce the engagement of their daughter, Evangeline Mae, to Robert Stedman Chase, son of Stedman F. Chase of Fiddle avenue. An early summer wedding is planned. She will graduate in June from Michigan State University

EVANGELINE MAE NEWCOMB

Pontiac Press Photo

The Players Group of the Junior League of Birmingham has been rehearsing for this year's production of "Snow-White and Rose-Red," to be presented Saturday at the Birmingham Community House. Four members of the cast (left to right) are Mrs. Robert Koch, Mrs. Franklin Butler, Mrs. Helmut Heuser, Mrs. Francis Loud and Mrs. Newton Skillman Jr.

Pontiac Press Photo

Just an old-fashioned quilting bee is what senior and intermediate Girl Scouts call the project they are working on. Called "Americana," the quilt which depicts the history of Oakland County will be sent to the national headquarters in New York City for judging upon completion. It also may be on display at the National Round-up to be held June 29 to July 11 at Highland Recreation Area. Members of the local council are hoping that the quilt will be accepted for display at the Juliette Low Home in Savannah, Ga. Girl Scouts photographed at work were (left to right) Lynne McCoy, Gale Murray, Mary Ann Stanker, Sonja Johnson and Barbara Smith.

The Jordan River Valley is so warmer than that of the surrounddeep that its climate is much ing country.

Mrs. Miller Re-elected President

Mrs. P. Eugene Miller was re-elected president of the Women's Auxiliary to Pontiac General Hospital at the annual meeting Wednesday afternoon.

Her slate of officers includes Mrs. Charles Barrett, first vice president; Mrs. W. A. Kennedy, second vice president; Mrs. Mel Werdon, third vice president; Mrs. L. J. Heenan, recording secretary, and Mrs. Sadie G. Williams, corresponding secretary. Mrs. Harold Tripp is treasurer and Mrs. R. E. Springer is parliamentarian.

Auditofs are Laura Cobb and Mrs. Harold V. Lankey and board members are Mrs. William B. Dean, Mrs. Forrest Glennie and Mrs. Lloyd F. Finder.

The group completed plans for the annual "Florence Nightingale Tea" being held Friday from 2 to 4:30 p.m. in the hospital dining room. Giving the tea every May in celebration of Florence Nightingale's birthday, the auxiliary takes this occasion to thank hospital employes for their cooperation regarding auxiliary work.

Mrs. Miller named Mrs. C. N. Steffey and Mrs. W. Arthur Vernon as cochairmen of the affair, with members of the executive board serving as hostesses.

Mrs. Tripp was named chairman of the pediatric scrapbook to be submitted in a contest at the American Hospital Association meeting Sept. 17 in Chicago. The scrapbook will cover activities of the hospital's Play Ladies and Storybook Ladies.

Lauretta Paul, director of the hospital, announced that the Awards Dinner for members of the auxiliary will be held June 13. The date for the Fellowship Tea with St. Joseph Mercy Hospital Auxiliary is Oct. 3.

Program Planned by Weavers' Guild

Berta Frey, noted lecturer, writer, designer and weaver, will be guest speaker at the May 17 meeting of the Michigan Weavers' Guild. The meeting will be held in the Founders' Room of the Detroit Institute of Arts.

Miss Frey will demonsfrate four harness loom techniques at the 10 o'clock meeting. Following the 1 o'clock lecture, tea will be served.

Kirk-in-Hills Group Schedules Project

Mrs. Kenneth Raymond, president of the Women's Association of Kirk in the Hills, has announced a money-making project Friday at the Lakehouse. Cochairmen for the event are Mrs. Ralph Tweedale and Mrs. Russell Strickland.

Mrs. G. Thurber Woolson is handling publicity for the 9 a.m. to 2 p.m. event. Other committee members are Mrs. Franklin Dowling, Mrs. Roy Pahl, Mrs. William Beresford, Mrs. Karl Scott, Mrs. Murray Kennedy, Mrs. Francis Phelps, Mrs. Donald Neal and Marion McCracken.

Foytack Goes Route as Tigers Win, 7-3

WASHINGTON (AP) — The Detroit Tigers finally have taken some classic baseball advice: "Don't leave 'em die on base." and in doing so they ran their modest victory string to two games with a 7-3 triumph over the Washington Senators last night.

Eight Detroit batters became base runners and seven of them came around to score. You can't ask for much more.

It was a satisfying victory in many ways. First of all, young Paul Foytack went the distance for his first Major League victory. He gave up just five hits.

Second, Al Kaline, held hitless in six times at bat Tuesday night, belted a tremendous home run into the bleachers with a man aboard in the 5th inning.

And third, it moved the cellar-dwelling Tigers back to within striking distance of 7th place. The Senators are half a game ahead of the Tigers and a Detroit victory in the final game of the series today would lift the Bengals out of the basement.

Washington starter Camilo Pascual breezed through the Detroit batting order without a fault in the first three innings but Harvey Kuenn greeted him with a scratch single to open the 4th.

Wayne Belardi drew a walk. Kaline hit into a force play and Ray Boone lined out but Bill Tuttle drew a walk, loading the bases, and Frank House drilled a tremendous triple into the center field bull pen.

Charlie Maxwell followed with his 3rd homer in two nights and the Tigers had five runs.

* * *

Their other two came in the 5th. With one out Kuenn walked and stole second as Belardi fanned. Then Kaline unloaded his 4th homer of the season into the deep left field seats.

The only other Tiger hit was a wasted single by Buddy Hicks in the 7th.

Foytack found himself behind early. He walked Eddie Yost, the leadoff man, in the first inning and with one out Pete Runnels drove him home on a triple. But Foytack bore down to strike out Roy Sievers and Jim Lemon lined to Kaline.

* * *

In the 5th Sievers homered into the left field bull pen with the bases empty and in the 8th Runnels doubled with a man on second for the final run.

Maxwell's homer was his 6th of the season and his batting average is now .377, third best in the league.

Billy Hoeft was due today against Chuck Stobbs.

* * *

The Tigers return to Detroit tomorrow night against Chicago.

COSTLY PLAY—This play cost the Yankees a ball game against the Cleveland Indians yesterday. It allowed the winning run to score and gave the Indians a 6-5 victory. Cleveland outfielder Jim Busby (31) tapped the ball in front of the plate and on the throw by pitcher Tom Morgan he was hit in the back allowing Chico Carrasquel to score. Umpire is Hank Soar.

Patterson Will Box 'Hurricane'

Winner of June 8 Bout Takes On Archie Moore for Heavyweight Title

NEW YORK (AP) — The master plan calls for Floyd Patterson to box Tommy (Hurricane) Jackson June 8 with the winner fighting Archie Moore for the vacant heavyweight title in September.

The Patterson - Jackson match was signed yesterday for Madison Square Garden as part of the Usual Friday night radio - television (NBC) series.

* * *

Unless something startling pops out of the other elimination bouts around the country, the Patterson-Jackson winner probably will go against Moore in the fall. Of course, Archie still has his June 5 date in London where he must defend his light-heavyweight title against Yolande Pompey.

It remains to be seen how the various boxing commissions will react as the tournament progresses. Perhaps New York may see fit to recognize one champion and the National Boxing Assn. another. With the animosities stirred up by recent investigations, it is hardly to be expected that the path will be calm and peaceful.

Course Soaked So Pro-Am Test Is Canceled

Due to heavy rains which put the Red Run golf course in bad playing condition, the Michigan PGA pro-am tournament scheduled for May 14 has been canceled, according to pro Frank Metzger yesterday.

Metzger said it would be impossible to get the course in condition in time for the tournament.

Detroit Metro Golf Circuit Announced

The Metropolitan Detroit Golf Assn. announced a 10-team circuit which will open activities May 27 with four matches scheduled.

The tournament committee is composed of Roy Iceberg, Tex Ellison and Joe Peak.

Included in the league's east division are Beverly Hills, Sylvan Glen, Sunnybrook, Hillcrest and Riverbank.

In the west division are Brae Burn, Idyl Wyld, Highlands, Hickory Hills and Plymouth.

AP Wirephoto

ONE HEAVYWEIGHT ELIMINATED — John Holman (left) 4th ranking heavyweight was supposedly eliminated in the race for Rocky Marciano's vacated crown yesterday when he lost a unanimous decision to Bob Baker of Pittsburgh, the third-ranking contender, in a Miami Beach fight last night. The 12-rounder was nationally televised. Here one of Holman's punches glances off Baker's shoulder.

Phils Drop 7th Straight; Tribe, Bosox Score Wins

NEW YORK (INS) — Philadelphia's last link with baseball is beginning to rust and unless some overhauling is done soon, the faltering Phillies will drop clear out of the National League standings.

The Phillies haven't won a ball game since April 29, losing seven in a row to plunge to within .027 percentage points of last place.

They've won only five in all — three by Robin Roberts and two by Jack Meyer in relief — while losing 12, the latest by a 3-to-0 score last night at St. Louis.

Everybody knows Mayo Smith's Quakers aren't hitting, managing only 44 hits to 65 for the opposition since leaving town, but few know why.

The Phils made the first division last year by winning 27 of 40 decisions with lefthanded pitchers, and rival managers have learned to keep their southpaws away from the Phils' predominance of right-handed power.

The Cardinals started another righty, Tom Poholsky, against the Phils last night and the big Missourian did not permit a runner past first base as he doled out four hits.

Cincinnati edged New York, 6 to 5, in another night game. Pittsburgh was rained out at Milwaukee and Brooklyn was washed out at Chicago.

Cleveland trimmed New York's American League advantage to 2½ games, 6 to 5, as Boston was beating Chicago, 7 to 5, in another daylight contest. Kansas City's Art Ditmar blanked Baltimore, 4 to 0, in one night game and Detroit topped Washington, 7 to 3, in the other.

Giant catcher Ray Katt doubled home two runs in the second inning but his error in the 7th enabled the Redlegs to register their 11th win in the last 13 games.

The Indians squared their series with the Yankees when they scored an unearned run on two ninth-inning errors. Mickey Mantle's two-base muff of Chico Carrasquel's fly ball set the stage.

Chico advanced on Gene Woodling's grounder and scored when Jim Busby hit a slow bounder to the mound but knocked pitcher Tom Morgan's throw out of first-baseman Moose Skowron's glove.

Cleveland strikeout artist Herb Score gave up ten hits, including Yogi Berra's 9th homerun, and fanned only five but recorded his second win in five decisions.

Billy Goodman rapped three doubles and a single to pace Boston's 13-hit assault against six Chicago pitchers. Successive singles by Jim Piersall, Don Buddin, Sammy White and winning pitcher Tommy Hurd scored three runs and settled the issue in the 6th inning. Sherm Lollar starred for the White Sox with a homer, double and two singles.

Ditmar struck out five and spaced seven hits for his shutout over Baltimore.

Saturday at Motor Arena

City Boxers on Ring Card

Buddy Harris and Ronnie O'Berry, a pair of Pontiac fistic hopefuls, re-enter the professional fight picture Saturday night in two bouts at Detroit's Motor City Arena.

Harris, no stranger to Pontiac boxing fans, will meet Chuck Taylor of Detroit in a six-round semi-final match. This will be Buddy's 1st outing since he dropped a close, unpopular decision to Eli Leggett in the Motor City ring.

The aggressive lightweight has been working out at Ray Monett's gym in Pontiac. Harris has completed more than 100 miles of road work and sparred 75 rounds in preparation for Saturday's bout.

O'Berry, a welterweight, resumes his boxing career after a six-year layoff. He will face Jack Sakiger of Toledo, Ohio, in a four-rounder.

Ronnie, who has also been training at Monett's, last fought in 1950 when a cut eye brought defeat in his only professional start. Prior to that he whipped six amateur foes.

Tickets for Saturday night's card are available at Monett's gym, 90 West Howard Street.

Buddy Sutton 14th Gridder on Colts' List

BALTIMORE (AP)—A signed contract received today from Air Force Lt. Buddy Sutton provided the Baltimore Colts with enough candidates to field one all-military team next season in the National Football League.

Sutton is the 14th player to be signed this year upon the verge of being discharged from military service.

Other top-notch draft choices of the Colts coming out of service are Billy Vessels and Buck McPhail of Oklahoma, Don Chelf of Iowa, Jack Allessandrini of Notre Dame and Glenn Turner of Georgia Tech.

Moose Bowlers Close Season With Banquet

Moose Lodge Bowling League wrapped up its season's activities first of the week with the annual banquet, election of officers and award of trophies. Affair was held in the Moose hall, with Della LaBarge and the women of the Moose handling the dinner arrangements.

Goodman's team was tops. Larry Norman won the high average, high single and season's average trophy. Ten individual perfect attendances were rewarded.

New officers are: president, Augie Penette; secretary Al Ravenscroft.

Fishing Permits Up, Trout Stamps Down

LANSING (AP) — The state conservation department reported today the latest fishing license sale reports show a four per cent increase in resident permits but a 15 per cent decline in trout stamps.

Sales through the end of last month totaled 164,000 resident fishing licenses as against 158,000 in the corresponding period of 1955. Trout stamp sales were 4,700 compared with 5,500 in the like period a year ago.

Williams May Return

BOSTON (AP)—Ted Williams, Boston slugger out of the starting lineup since April 18 with a sore foot, may return to full-time action within a few days.

A close friend of Ted's says it won't be long now—possibly next Tuesday, when the Red Sox open their first Western trip in Detroit.

AP Wirephoto

CARD STAR — Detroiter Tom Poholsky is one of the reasons for the St. Louis Cardinals winning ways. Yesterday he won his 3rd straight game by shutting out the Phillies 3-0 at St. Louis.

To Use 8-Ouncers

Size of Gloves Argued

LOS ANGELES (AP) — The small army of Sugar Ray Robinson marched up the hill, made a stand, spoke a piece and marched down again.

* * *

The middleweight champion of the world, through his managers, Ernie Draca, Harold Johnson and George Gainsford, vigorously protested yesterday the use of 8-ounce gloves for the 15-round title fight May 18 at Wrigley Field with Carl Bobo Olson.

The middleweight champion on George Gainsford, vigorously protested hestrday the use of 8-ounce gloves for th 15-roind title fight May 18 at Wrigley Fild with Carl Bobo Olson.

At one point Gainsford, a huge man with a booming voice, declared:

"If we have to use 8-ounce gloves instead of 6 there will be no fight."

He sounded like he meant it, but 10 minutes later big George returned to the room in the Hollywood Stadium and announced:

"We have decided to cooperate with the State Athletic Commission. I rescind my previous statement."

* * *

Robinson and Olson, each of whom had been approved in a physical examination by the club's physician, Dr. John Fahey, took no part in the glove debate.

Olson and his manager, Sid Flaherty, indicated they preferred 8-ounce gloves. In either case, there was no alternative. The law in California says any fighter weighing over 147 must wear the 8-ouncers.

Ford Favored

St. Louis Open Starts

ST. LOUIS (AP) — Doug Ford of Kiamesha Lake, N.Y., is certain to have a tough time defending his title in the $25,000 St. Louis Open which started today but it is foolhardy trying to pick the man to beat him.

Top pros are shooting for the $5,000 first prize and some of them have been "hot" lately.

* * *

Gene Littler, who seems to have shaken the slump which hit him after his blazing start last year, is one. The 25-year-old Palm Springs, Calif., player, master of the greens, won the Tournament of Champions at Las Vegas, Nev., 10 days ago.

Some of the others are Jack Burke Jr., of Kiamesha Lake, the Masters champion, Ted Kroll of Fort Lauderdale, Fla., who won at Tucson and Houston; Julis Boros of Mid Pines, N.C., leading money winner last year, and Tommy Bolt of Chattanooga, Tenn., who has been controlling his hot temper and finishing high in the money.

Other standouts in the field of 129 players include colorful Jimmy Demaret of Kiamesha Lake; Walter Burkemo of Franklin, Mich.; Ed Furgol and E. J. (Dutch) Harrison of St. Louis; Fred Haas Jr. of Claremont, Calif.; Chandler Harper of Portsmouth, Va.; Frank Stranahan of Toledo, Ohio; and Bob Toski of Holyoke, Mass., leading money winner in 1954.

* * *

Mike Souchak, who became the year's leading money winner with his victory over Bolt in the Colonial Invitation at Fort Worth, Tex., Sunday, will be playing at White Sulphur Springs, W. Va. Cary Middlecoff of Dallas, No.2 money winner, is taking the week off.

* * *

Sunset Country Club's par 72 (34-38) course, which plays 6,277 yards, holds memories for Masters titlist Burke. It was in the Western Open at Sunset 10 years ago this month that Burke shot 42-43—85 and wasn't around for the finish.

Upsets Scored in Tennis Meet

LOS ANGELES (AP) —Sixth seeded Bill Quilhan of Seattle scored a major upset in the quarterfinals of the southern California tennis championships, knocking out Peru Alex Olmedo in straight sets, 8-6, 6-2, yesterday.

Another Seattle entrant, Janet Hopps, contributed a surprising performance in knocking off third-seeded Mrs. Dorthy Cheney of Santa Monica, 2-6, 63- 6-4.

Miss Hopps showed a devastating net attack in the closing stages of her match, in the third set took a 3-1 lead, and from 3-all went out in front 5-3 and held service in the 10th game.

* * *

Miss Hopps opposes top seeded Beverly Fleitz of Belmont Shore today and Quillian probably will face Tom Brown of San Francisco.

THE POWERHOUSE By Jimmy Powers

There is certainly food for thought and searching self-analysis in the excitement stirred by the Kentucky Derby. I don't know how many parlor pools, office or factory sweepstakes revolved merrily on the result at Churchill Downs. The number must have been in the millions. There were innumerable off-the-cuff parlor wagers staged in front of almost every TV set.

★ ★ ★ ★

If you scan your sport pages, you will see the scores, also, of the Colonial Open staged on that magnificent millionaire's course at Fort Worth. Here, they tell you with a sort of rakish grin at the nearest United States Golf Association "badger," there is no betting.

★ ★ ★ ★

A man who had a dollar bill going on Needles; a hausfrau who had "an ice cream soda" riding on her boy, Eddie Arcaro; a big, easy-going, royalty-and-lease man from San Antonio who had a quiet side bet of $1,000 on Ben Hogan in the Colonial, are all gamblers under the skin.

★ ★ ★ ★

They are wagering on a pet, be it horse or birdie-shooter, and their kick comes not necessarily from pocketing the profit, but from that indefinable thrill of correctly forecasting the future and being "right."

212 AMATEURS BOYCOTT CALCUTTA POOLS

There are many misconceptions about gambling. In the current wave of petty Puritanism sweeping over sports, grim-lipped Blue Noses are riding so high some 212 amateur golfers (male) self-righteously signed a pledge they would never again tee up a little white golf ball in any tournament that carried a Calcutta Pool.

★ ★ ★ ★

I was wondering whether each signer, like a man who took a temperance pledge back in the McKinley administration, intended to wear a fluttering white bow of silk on his left arm.

★ ★ ★ ★

Stop now and reflect on just how many millions of wagers rode on the Derby. Junior promised to cut the grass if his choice did not finish in front of Pop's. Little Sis agreed to wash the dishes for a week if Dave Erb, her favorite jockey, didn't come galloping down in front. A case of beer here, a free trip to the movies . . . the wagers started modestly and zoomed to the $1,000 level.

Baker Eliminates Holman

MIAMI BEACH, Fla. (AP)— The heavyweight title picture was slightly less clouded today after Bob Baker's slashing victory over John Holman, but what will happens next appears to be anybody's guess.

* * *

Baker, the Pittsburgh giant, pounded out a unanimous decision over Holman, the slow-motion Chicago boxer, last night in a 12-round bout billed as the first in a tournament to determine the successor to the retired heavyweight champion, Rocky Marciano.

Later, Baker's manager, Dusty Bettor, said he had a promise from the International Boxing Club that his fighter would be matched in the second round of the eliminations with the winner of a Floyd Patterson-Hurricane Jackson bout scheduled for June 8 in Madison Square Garden.

* * *

Reports from New York, however, indicated that the Patterson-Jackson winner might meet Archie Moore for the championship.

Moore, the ancient ruler of the light-heavyweight division, is listed as the No. 1 heavy in the current ring ratings. Jackson is ranked second, Baker third, Holman fourth and Patterson fifth.

If it accomplished nothing else, last night's fight eased the traffic jam of title contenders by eliminating Holman.

Bleeding heavily from a cut over the left eye, Holman was almost a pathetic figure as he plodded after Baker in the late rounds, trying to land a blow that could overcome Baker's mounting margin of superiority.

Referee Jimmy Peerless gave Baker the fight, 119-114, under a point system that awards 10 to the winner of each round and 9 or less to the loser. Judge Ed Thal voted it 117-114, Judge Stu Winston 117-112, and The Associated Press 118-113.

From The PRESS BOX

The Huron Bowl team rolled this season's high game and series in the West Side Senior House League. The five - man squad bowled games of 1012, 1099, and 987 for a series total of 3098.

Bob Kelley led the way with a 675 series as his team won four points to finish the season in 2nd place in the league. The other members of the team were Dick Knapp, Jay Lovett, Ed Stemmer, and Wally Johnson.

* * *

Isaac Crary's 7th and 8th grade track team defeated Redford Union in a dual meet, 40½-36½. Crary won four out of seven events. James Hoke and Roger Myers paced the winners with nine and eight points respectively.

* * *

The Detroit Tigers will be host to 4,000 high school baseball players and their coaches from all over the state of Michigan Saturday afternoon in a clinic run in conjunction with the State Health and Physical Education department.

The teams will be the guests of the management for the Chicago White Sox game in the afternoon.

* * *

Glen Burgett, junior left halfback at Michigan State from Sparta, Michigan, has been given an appropriate alias, "the Spartan from Sparta."

* * *

An issue of a national publication hitting the stands today has a story on Major League baseball by Duke Snider, in which the Dodger star says, "I play ball for money—not fun."

* * *

Lloyd Syron, son of Frank Syron, owner and pro of Pontiac Country Club, is a regular on the Notre Dame golf team which won four of its first five matches. Lloyd, a sophomore, shot a 71 in his first round with the Irish links team.

* * *

Tommy Watrous, son of Oakland Hills pro Al Watrous, is rated one of the leading contenders in the 54-hole Missouri Valley Conference golf championships Friday and Saturday at Tulsa. He plays for the U of D golf squad.

* * *

Mike Slivensky, a letter winner in four sports at St. Michael and one of the finest all-around athletes in the school's history, made a favorable impression on the Michigan State University coaching staff in spring football drills.

Burt Smith, MSU line coach who spoke at St. Mike's all-sports banquet Tuesday night, said Mike almost went unnoticed on the 'B' squad until freshman coach Doug Weaver brought the husky end to his attention.

Smith liked what he saw well enough to bring him up for action in the Green and White intra-squad game, which concluded spring camp. Slivensky, a 1952 graduate at St. Michael, may be shifted to guard when practice opens in the fall, Smith said.

The Tigers played five consecutive extra inning games in 1908, a record.

Mantle Unconcerned Over Slugging Spree

NEW YORK (AP)—Mickey Mantle is unconcerned, almost bored, by all this talk of his being baseball's next .400 hitter and the guy most likely to break Babe Ruth's home run record.

* * *

The dynamic slugger of the New York yankees tells you with a poker face that goals, records or personal ambitions never enter his his mind as he goes about his duties day after day. He must be aware of the stir he has created by his spectacular early slugging feats but if he is, he has given no indication of it.

"Yes, I've read all those stories, too," Mantle murmured almost inaudibly. "But I pay no attention to them. Let them compare me with anyone they please. That doesn't bother me a bit. It certainly doesn't affect my playing. I just go out there every day and try to do the best I can."

* * *

Mantle was sitting in front of his locker before yesterday's game busily engaged in bandaging his left thigh when he was interrupted by an inquisitive reporter. The right leg, from below the knee clear up near the groin, already was encased in yards of tape and bandages. Below the calf on the right leg there was a big, ugly welt and the big toe was discolored and puffed up alarmingly.

Mantle's obvious physical handicaps make his record thus far all the more amazing. In the club's first 20 games, he's banged out 33 hits in 74 times at bat for a sensational .446 batting mark. Mickey got three singles yesterday as Cleveland beat New York 6-5. He has driven in 24 runs and has hammered 10 home runs to put him 13 games ahead of Ruth's record pace when the Babe got his 60 in 1927. Mickey's slugging percentage is a phenomenal .919.

Chiefs Aim for Year's 5th Major Title

By H. GUY MOATS

Pontiac High School's all-time finest track team this weekend makes its fourth defense of a title won a year ago. At the same time it shoots for its fifth major meet victory of the year, plus its 17th consecutive overall victory.

Coach Wally Schloerke's Chief thinclads are unbeaten in two years of competition.

The PHS squad travels to Ypsilanti's Michigan Normal College Saturday to defend the MHSAA regional championship, won last spring by a record 92 points. A full squad will make the trip, and winners there will qualify for the big state meet in Ann Arbor the following Saturday. Chiefs will also be the defending titlists in the MHSAA finale.

Five Pontiac individuals, and both relay teams will seek to repeat as champions in eight events. Pontiac's ace, Hayes Jones, is just about certain to keep his high hurdles and broad jump crowns, and in all probability set new records. He has surpassed the 14.8 second 120-yard high stick mark of last year (regional record). He has consistently bettered the jump mark of 22 feet set by Jesse Thomas of Flint Central in 1946. Only last week at Saginaw Jones hung up a new Valley and state mark of 23 feet 3 inches.

Hayes also is a good bet to beat the 180 low hurdle mark of 20.2, held jointly by Pontiac's Willie Wilson (1955) and Ed Ringgold (1954). He has run the event consistently under 20 seconds. Hayes ran 2nd last year to Wilson, now graduated, but has lost only one race this year in the event.

With Rod Treais showing a remarkable improvement in his finishing kick and defending champ Bill Douglas in fine shape, PHS should be all right in the 880.

Chiefs should again score heavily in the high jump, with defending champ Hud (Goose) Ray, little Alex Barge (SVC champion) and Jimmy (Sonny) Taylor all capable of better than 6 feet. In both 880 and medley relays PHS is the heavy favorite again. Pontiac holds records in both, setting a 2:30.2 mark in the medley last year.

Perry Williams, 1955 champion in the mile, Jimmy (Sugarcane) Shorter and Charley Robinson in the quarter-mile, are rated highly. Freeman Watkins in the century, and 220, and Charley Spann, Lon Humphrey (220), Dave Payne and Joe Hill (100) should add some important points.

Others listed for the meet include Mike Hardiman, Spann and Cocking in the shot; Ken Beattie and Charley Seyler in the pole vault; Celester Boykins in the 440; Gene Cretal and either Barge or Pete Cox in the mile (latter two are possible entries in the 880 also);

Preliminaries get under way at 9:30 with finals in the afternoon.

Run Tonight

Trotters Will Try Again

Because of the heavy downpour Wednesday, the opening of the Wolverine Raceway for the trotters will get under way tonight at the Schoolcraft and Middlebelt track.

It was the first postponement at the track since 1950, and the first time the track was forced to set aside the "rain or shine" policy.

The program originally scheduled for tonight will be run with the opening night activities canceled all together.

General Fedor, the aged trotter who started a streak at Magnolia Downs in New Orleans, will highlight tonight's program.

* * *

He went to the post eight times at Magnolia and took four firsts, three seconds and a third.

His challengers will come from Elby Hanover, Rasmatz and Blazing Bill.

A secondary feature matches a field of eight pacers headed by Ann Goshen and Laurel Scott, recent winners at Santa Anita and Magnolia Downs.

Post time is 8:30 p.m.

Fallstaff Still Leading ABC by Wide Margin

ROCHESTER, N.Y. (AP) — The leaders in the American Bowling Congress Tournament were as unruffled today as if all the balls had been rolled into the gutters last night.

The Lawandus Floor Covering team of Buffalo, N.Y., generated the most excitement when they racked up games of 1,014 and 945 only to slip to 870 for a three-game total of 2,829.

It was the best effort of the night, but not good enough to break into the first five and far behind the leading 3,092 posted by Falstaff Beer of Chicago.

Hole-in-One a Habit

DENVER (AP)—Mrs. Katie Fiorella scored a hole in one on the 158-yard No. 10 hole at Willis Case Golf course yesterday morning.

Then, playing in a foursome that included her husband, she returned for an afternoon round and dropped another hole-in-one, this time on the 158-yard No. 4 hole.

Death Takes Turf Writer

DETROIT (AP)—George Krehbiel, veteran turf writer for the Detroit News, died today at Louisville, Ky. He was 64.

Krehbiel suffered a cerebral hemorrhage Sunday as he was about to return to Detroit after covering the Kentucky Derby. He had been a member of the News staff since 1923.

Survivors include his widow, the former Leonora Robinson of Cincinnati, daughter of the founder of the Robinson Circus; his brother, Franklin, and a sister, Mrs. Lillian Coles of Cincinnati.

Wade in Ram Fold

LOS ANGELES (AP)—Quarterback Billy Wade was safely in the fold of the Los Angeles Rams football squad today, signed to a contract for the 1956 season.

The development, said the club, should end speculation that the ex-Vanderbilt star might leave the Rams and play in Canada, or be used as an expensive talent for trading purposes.

AP Wirephoto

MY, WHAT A DRIVE — David Eisenhower, 8, looks down the fairway after a drive during a golfing session with his grandfather President Eisenhower at the Gettysburg (Pa.) Country Club near Ike's farm home. David picked up a few pointers from the President.

Young Dave Sisler Looms as Boston's Top Reliefer

BOSTON (AP) — Coolness under pressure must have been one of the first things young Dave Sisler learned from his famous father.

* * *

Boston's rookie pitcher has mastered it so well he's threatening to take over the No. 1 relief job, vacated when Ellis Kinder was sold to the St. Louis Cardinals in the off season.

* * *

Dependable Dave is a 24-year-old Princeton graduate and youngest son of Hall of Fame first baseman George Sisler.

* * *

The bespectacled righthander made his seventh appearance in 17 games yesterday when he was asked to preserve a two-run Red Sox lead in the eighth inning with the bases loaded and only one out against Chicago.

Five pitches later the inning was over.

Veteran Nellie Fox fouled off two fast balls, then missed a swing at a changeup. Usually restrained Red Sox Manager Mike Higgins jumped to his feet in the dugout as Fox fanned.

* * *

On the second pitch to dangerous Minnie Minoso, Sisler got his adversary to hit a high, shallow fly to right.

* * *

Dave got through the ninth, too, to save a 7-5 verdict for Tommy Hurd.

Sisler, who had only brief minor league experience with Albany of the Eastern League but learned much from two years playing in the Army, has an 0.82 earned run average.

Bruised Ribs Kept Maentz on Sidelines

ANN ARBOR (AP) — Tom Maentz, captain and 1st string end on the University of Michigan football team, has been sidelined during spring practice by a set of bruised ribs.

Coach Bennie Oosterbaan says the injury to the 210-pound 6-foot-2 lineman from Holland, Mich., is not serious. He expects Maentz to be fully recovered by the time fall practice begins.

A back injury held Maentz' playing time last season to only 295 minutes.

Secrets of Better Golf

20th of a Series
By PATTY BERG

Putting is a highly personal part of an individual's golf game, and many professionals use varying stances. I have experimented with different stances but have generally narrowed it down to one of two—square or slightly open.

In the past few years I have used mostly a slightly open stance in my putting. While I cannot advocate it for all players, I can only say it has worked well and feels the most comfortable for me.

Comfort at the ball is very important to a smooth and well-executed putting stroke.

In using a slightly open stance, draw the left foot back slightly from the line of your putt. Play the ball a little off the left heel.

Your position at the ball should be fairly erect with a little bend at the waist. Your knees should be flexed with your weight evenly distributed or just a trifle more on the left foot.

Your arms and hands should be close in toward your body with the right elbow close to your right hip.

I try to keep my shoulders and hips as square as possible to the line along which I intend the ball to roll. This gives me a pendulum-like stroke with the body staying square at all times throughout the swing.

Some players hit the ball off the end of the putter, but I feel better results are made by aiming for the center of the putter blade. However, the important thing is to hit the ball at the same place on the club face as when it is addressed.

When addressing your putt, have a feeling of ease and comfort. You should be ready to hit the ball when you have confidence in your grip, stance, and your decision as to the line of the putt. There should be no hesitation or tensing over the ball. Just hit it.

(Copyright 1956)

STANCE FOR PUTTING HIGHLY INDIVIDUAL

Assume a slightly open stance with the arms and hands close in toward the body. Bring the head and eyes slowly back to the ball after studying the line of flight.

'Kids' Hold Spotlight

FRESNO, Calif. (AP)—Australian miler John Landy may be the big attraction but the "kids" will be kings at the 30th West Coast Relays Saturday.

And with good reason, in the opinion of relays originator and director J. Flint Hanner. He believes the meet has been directly responsible for the development of many of the world's greatest track and field athletes.

Hanner points to Bob Mathias, Cornielius (Dutch) Warmerdam, Sim Iness, Cy Young and Rafer Johnson as five champions who got their first taste of the big time in the Fresno meet.

* * *

The event, which started as a replacement for a defunct automobile race and grew into one of the nation's biggest sports carnivals, has been criticized as rambling, too cumbersome and too big, all because high school and even grammar school kids are given a place on the program. "But it always will be this way if I have anything to say," Hanner contends, adding:

"The youngsters are the reason it was established. We will never ignore them. After all, the high school freshman this year might be a Mathias or a Warmerdam in a few seasons."

Since its founding 29 world American and national interscholastic records—more than any other track meet can claim—have fallen before the thousands of athletes who have given the one-day meet its slogan—"where world records are broken."

Most of the 18 world marks set here have been eclipsed, but two—the 100-yard dash and the 120 high hurdles—still are rated the best ever.

Test 'Goal Within a Goal'

MORGANTOWN, W.Va. (AP)—An experimental type of goal post designed to return kicking to its one-time significance in the game of football will be tried out here Saturday.

* * *

The new design, featuring a goal post within a goal post, will be used in connection with West Virginia University's annual spring intrasquad game, Coach Art Lewis said.

* * *

The arrangement, devised by Charles Simmons, a wholesale meat dealer from Elkins, will have the goal posts imbedded behind the end zones, but with the cross bar extended forward to the goal line.

The normal side bars on the goal will be raised an extra 20 feet into the air, with the cross bar 18 feet, 6 inches in length.

A small goal, with a width of 6 feet, 2 inches, will be centered with the lower cross bar, but will be 10 feet higher.

* * *

Simmons has explained that kicks through the normal goal posts would bring 1 point for each conversion and 3 points for a field goal, as is the case under present rules and with standard goal posts.

* * *

Kicks through the smaller and higher goals would be good for 2 and 4 points, respectively.

17 Athletes Compete in Pentathlon Games

SAN ANTONIO, Tex. (AP)—Seventeen athletes from Brazil, Mexico and the United States will compete here next week in the modern pentathlon as a stepping stone toward the Olympic Games.

* * *

Starting Sunday and continuing for five days, eight men from the United States, five from Brazil and four from Mexico will run off the five-event meet. The events are the 4,000-meter cross-country run, epee fencing, 300-meter free style swimming, 25-meter timed fire pistol shooting and a 2,400-meter cross country ride.

* * *

The international competition was designed to develop service athletes of the three countries for the Olympics and was arranged at the suggestion of Maj. Gen. Wilson Brown, chairman of the U.S. Olympic Modern Pentathlon Committee.

Buckeyes Lead in Hits, Scores

OSU Only Unbeaten 9 in Big 10; MSU's Jim Sack Top Batter

CHICAGO (AP) — Ohio State, only unbeaten team in the Big Ten baseball race, also leads the league in batting and in runs scored.

The Buckeyes, defending champions, have a 4-0 record on a .283 batting average and with 26 runs scored, tops in the circuit.

Official statistics released yesterday showed runner-up Minnesota (5-1) trailing the Bucks in batting with a .244 mark. But the Gophers have two of the league's four two-game winners.

Gopher's Jerry Thomas has compiled an earned run average of below 1.0. The other Minnesota hurler sporting a 2-0 record is Rod Oistad. Other 2-0 pitchers in the conference are Galen Cisco of Ohio State and Dick Vorreyer of Illinois.

* * *

Jim Sack of Michigan State is the Big Ten's leading batter with 7 hits in 11 at bats for a .636 mark. His hits include three doubles and a triple. Minnesota, which has pulled off five double plays, is the top defensive team with .976.

RACING

NEW YORK—Searching ($17.10) came on fast in the stretch to capture the $22,500 Correction Handicap at Jamaica.

CHICAGO—Streaking ($10.40) gained a length and a half victory in the $6,500 Endurance Handicap No. 3 at Sportsman's Park.

LINCOLN, R.I.—Rockie ($4.20) won the Wickford Purse at Lincoln Downs.

CAMDEN, N.J.—Balaklava 2nd ($17.80) scored a 3-length verdict in the William Penn Stakes at Garden State Park.

LEXINGTON, Ky. — On The Bit ($9.60) took a length and a half victory in the feature at Churchill Downs.

BALTIMORE — Ricci Tavi ($5.80) whipped to an easy 8-length triumph in the Calvert Purse at Pimlico.

SAN BRUNO, Calif.—Gran Vino ($9.00) gained a head victory in the feature at Tanforan.

Grand Rapids Amateur Files Western Entry

NASHVILLE, Tenn. (AP) — Harold Brink of Grand Rapids, Mich., will compete in the western amateur golf championship starting in Nashville May 28.

Brink, who finished in the top 10 in last year's 72-hole qualifying at Rockport, Ill., is the first name player to file an entry.

Other entries include Glenn H. Johnson of Grosse Ile, Mich., 1955 Detroit amateur champion.

MVC Athletes Begin Carnival

TULSA, Okla. (AP) — Golf and tennis competition opens three-day Missouri Valley Conference spring sports carnival today.

The track and field meet, dominated by Oklahoma A & M the past 16 years, is set for Saturday.

Houston is favored to retain its tennis title, aided by the return of last year's singles champion John Been.

A & M, with 1955 medalist Bob Goetz on hand, is likely to hang onto its links crown but Houston, runnerup last year, is a strong contender.

* * *

The golf play will be 54 holes over the 6,513-yard, 72 par Indian Hills Country Club course.

Spartans Get Beefier

Michigan State's starting line in the spring football game averaged 195 pounds, a slight increase over the 191-pound average for the starting line during the 1955 season.

Troy Now in Throes of Zoning, Rezoning

AP Wirephoto

STATE DAIRY PRINCESS — A blonde, 19-year-old Michigan State University sophomore, Louise Lagoy, has been named Dairy Princess for 1956. The princess' father operates a 220 acre dairy farm near Albion.

Planners Both Okay and Deny

Decisions to Be Final After Vote of City Commission

TROY—Planning Commission approval has been given here to build a gas station and light industrial buildings, but a second industrial zoning request was denied.

The commission, whose votes have to win City Commission approval to be final, would allow Manuel and Mary Guerrero, gas station operators at 15 Mile and John R, to build another station at John R and South Boulevard.

A strip of 30 acres on Dequindre north of 14 Mile may be the site of light industrial buildings, planners decided at a meeting Tuesday night. The land, for which Jervis J. Wattles of Skira Real Estate Co., Royal Oak, asked rezoning, will be zoned industrial, provided a ten-acre site alongside be redrawn.

"I've never seen such a complicated subdivision proposal," said Lawson Lockhart, city clerk, of the 42-home plan submitted for the ten acres. "There are four courts off the 660-foot-long street, and lots are cut up in angles, triangles and all shapes.

The planners asked that only 20 lots be formed.

Mrs. Grace Yancer, 376 Minnesota, as president of the Southeast Homeowners Improvement Assn., objected strenuously to the light industry zoning so close to home areas.

Light industry zoning was denied in another area, when eight property owners on East 15 Mile Road made requests. Spot zoning was undesirable, planners decided.

A nursery stock business will have to stop operations if the planners' decision is endorsed by the city commission. R. A. Pickett and L. J. Selmlee, who have been operating the nursery stock business at Lamb Road and Rochester Road for two years, without a commercial zoning, asked planners last night for the commercial zoning.

Three plots near the proposed shopping center at 15 Mile and Livernois were rezoned commercial last night. Requests were by the Thomas Basco, Dr. Fred H. Gasow, and Victor Richard families.

Plans for the shopping center, to be on land owned by Elmer Wentworth, are now in litigation. The three lots have been residential, with one home involved.

Festive Banquets to Honor Mothers, Daughters, Sons

With May designated as the official month of mothers, a rush of mother-daughter and mother-son banquets continued to be scheduled throughout the Oakland County area.

Rochester

Three Rochester churches are sponsoring banquets.

Tonight at 7 p.m. St. Philip Episcopal Church Mens Club will serve a dinner for 150 mothers and daughters.

Friday night at 6:30 at St. John Lutheran Church, 250 mothers and sons will have their annual banquet served by the Pricilla and the Mary Guilds. Erwin Schilke will be the toastmaster. A puppet show will furnish entertainment.

Sunday, following the 8:30 a.m. Mass in St. Anrew Catholic Church, 300 mothers and daughters will attend a breakfast. Mrs. Richard Wright will be toastmistress and the 7th grades of St. Andrew School will furnish a musical program.

Dryden

The WSCS will be the sponsors of the mother-daughter banquet Friday night at Dryden Methodist Church.

According to program chairman Mrs. George Ellsworth, entertainment will include music by the Dryden School Pep Band, songs by the Sunday School children, toasts and other surprises.

A ham dinner will be served.

Metamora

The Pilgrim Club has arranged for Metamora's annual mother-daughter affair to begin at 7 p.m. Friday in the Masoniq Temple. This will be a potluck supper, with a silver collection taken to defray expenses. Those attending have been asked to bring their own table service.

* * *

A special program will follow the dinner.

W. Bloomfield Asks Bond Issue

High School Addition and New Elementary Planned

WEST BLOOMFIELD — More classrooms was a main concern of the West Bloomfield Board of Education at its business meeting this week.

The board voted to ask for a $960,000 bond issue in the school election on Monday, June 11.

This issue, they said, would cover an addition to the West Bloomfield high School, an elementary school in the south end of the district and an addition to the present Scotch school or a new building in that area.

The $60,000 amount would cover both sites and equipment.

* * *

The board approved a new salary schedule for the teaching staff. Starting salary for teachers with a bachelors degree will be $4,200, with a maximum of $5,850 after 12 years.

Teachers with a masters degree will start at $4,400 with a maximum of $6,150 after 13 years. The yearly increment will be $150.

There will be one vacancy on the Board of Education this year officials said, the candidates must have petitions filed on or before Saturday, May 12.

Dr. Leif Hougen, superintendent of schools stated that the annual school census will be taken here during the rest of the month.

Plan Fire Unit at Walled Lake

Seeks Own Department as Commerce Increases Cost of Protection

WALLED LAKE — Following receipt of a notification from Commerce Township of an increase in the cost of fire protection which the township has been furnishing the city, plans are being stepped up to establish a fire department for the city.

The plan has been under consideration for some time, but actual costs are now under investigation, according to Councilman Charles Riffenburg, chairman of the committee for the council.

One step which has already been taken at the request of the state inspection bureau which determines fire insurance rates was the purchase and installation of a siren to call volunteer firemen.

The bureau had said the phone method which had been in operation was too slow.

The council had proposed a budget of $90,016 for the coming year. A public hearing on this budget is scheduled for May 21. If approved a 12-mill levy will be adopted for the year.

Lake Orion Band Awards Banquet Slated Tonight

LAKE ORION—The Band Boosters Club is sponsoring an Awards Banquet for the Lake Orion High School Band, at 6:30 tonight in Blanche Sims School cafeteria.

Mrs. John Lesiter will be mistress of ceremonies. Presentations of letters and pins will be made by David Leith, band instructor. Four scholarships to Interlochen Music Camps will be presented by Mrs. John Ingraham.

Parents of band members are also among the guests, and may remain for the social hour featuring dancing for the students if they desire.

Buy C. of C. Land for New Holly School

HOLLY — The acquisition of land for the new Holly area high school building has been completed, with the purchase of the Chamber of Commerce baseball field at the east village limits.

* * *

It contains nearly four acres and the price agreed upon is $3,750. The land adjoins that already optioned from private owners. The new building is to be erected from funds derived from the $1,200,000 bond issue sanctioned at an election a few weeks ago.

Rochester Car Check Gets Good Response

ROCHESTER—Rochester's Car Safety Check, being held this week, is following through on Monday's good start, it was reported today.

Chairman Al Crandall announced that the first day 487 cars were checked with 116 violations. He said local people are continuing to respond very well to the program.

44 Firms Enter Show Planned at Rochester

ROCHESTER — Forty four different firms have already contracted for exhibition space in the Rochester Builder's Show to be held at Halbach Field on Friday, Saturday, and Sunday, May 25-27, it was announced today by the Rochester Lions Club, sponsor. Several of these firms have taken two and three show spaces it was added.

This will be the second year for the show which last year attracted thousands daily.

Exhibits will be many and varied, including building materials, home furnishings, "do it yourself" equipment, and many marvels of today's scientific world. One feature will be a "Kitchen Of the Future" which will demonstrate an electronic oven and the boiling of water in ten seconds, among other advances in science.

Lions Club officials state that over $1000 in cash and merchandise will be given away during the three day show. This will include at least $100 in cash daily, and a Hamilton watch daily. It will not be necessary for winners to be present at time of the drawings, they stated.

Lions Club committees in charge of the show are: General chairmen, Frank Firnschild and Fred Maynard; publicity, W. M. O'Brien and Alex Young; space sales, Clinton Smith and Walter Michelson; housing, Harold Smith and Clifton Nunn; setup and parking, Wayne Michelson; cleanup and police, George Sargent; utilities, Clarence Kremer and Francis Voll; tickets, Robert Skibowski and George Hoskeith Jr. and refreshments, Martin Stemmer.

Schools Closing for Summer

Imlay Pupils Graduate; Metamora, Marlette List May Dates

Eighth grade pupils from 15 schools in the Imlay City area graduated in exercises held last night in Imlay City High School. Speaker for the occasion was William E. Knight.

At Metamora, eighth graders from four elementary schools will graduate in exercises held at Pilgrim Congregational Church at 8 p.m., May 16.

Marlette Community School will close for summer vacation on May 25.

Activity dates scheduled for the school until that time are as follows:

May 12 will be the J-Hop; May 14, the Senior Tea; May 15, examinations; May 16, the Seniors leave on their trip to Washington, returning the morning of May 20. That evening Baccalaureate service will take place with Rev. George Hoeflinger bringing the message.

May 21 will be Class day. Wednesday evening, May 23, Graduation exercises, with Dr. Harold E. Sponberg, of MSU speaking.

Romantic Mood at Senior Prom to Prevail

WATERFORD TOWNSHIP—"La Lune Reverie," Waterford Township High School's ninth annual senior prom, will be held by the senior class Saturday from 9 p.m. to 1 a.m. in the high school gymnasium.

Decorations for the gala affair have been created around a romantic "moonlight" theme.

More than 200 tickets have been sold to WTHS students and alumni, according to Bob Lippert, general chairman.

Some 270 graduating seniors are expected to receive their diplomas at outdoor graduation exercises June 13.

School Census Canvass Begins

17 Enumerators to Take Waterford Area Count, Four at Avondale

Census takers today began knocking on doors in the Oakland County area as a house-to-house count of pre-school and school-age residents began. A report of all persons ages one day through 19 will be taken. Deadline for completion of the project is May 31.

So far, both Waterford Township and Avondale School Districts have announced that census taking is under way.

Seventeen enumerators have been employed to take the census of Waterford Township.

Last year there were 14,951 youngsters in the Waterford School Census, of which 9,672 were in the 5 to 19 years bracket. The school district's allotment from the state primary fund is determined by the census.

Four women will canvass all homes in Avondale District's four elementary school areas.

Mrs. Elmer Dancey will cover Auburn Heights School area; Mrs. Carl Grusnick, the Stone school; Mrs. Howard Carpenter, Elmwood School, and Mrs. Henry Bobek, Stiles School district.

Mission for Youth Starts Friday at Lake Orion

LAKE ORION — A "Mission for Youth" will be held at the Lake Orion Methodist church Friday through Sunday, with services at 7:30 each night.

The Rev. Joe Kennedy will preach. He has served as a Methodist missionary to the youth of Malaya and Sumatra.

* * *

The Rev. Mr. Kennedy has preached in Lake Orion before and is returning by popular request. The public is invited.

County Calendar

Lake Orion

The St. Alfred's Episcopal Auxiliary will meet at 8 tonight at the home of Mrs. Eugene Wyman, 222 Broadway for a program of Bible study. The meeting Fenton.

MacKenzie Clinic to Elect Officers

WALLED LAKE — The board of directors of the Dr. O. R. MacKenzie Memorial Clinic will hold its annual meeting at 8 p.m. tonight at Stonecrest.

The terms of three of the directors are expiring. They are Waldo Proctor, Mrs. Marion Murray, and James Farley. An election will be held to fill these places on the board and select officers.

The clinic, built from contributions of money, land, materials and labor, opened last fall as a tribute to the doctor who had served the area for many years prior to his death in an automobile accident in September, 1953. Located on Ladd road, it houses the offices of Drs. Harry Munson and W. R. Rech as well as the dental office of Dr. Conrad Speck.

Church Passes Goal in Building Drive

ALMONT—Almont First Congregational Church passed its goal by more than $8,000, with a total of over $38,000 in cash and pledges collected in its recent fund drive.

More than 60 men of the church went out in teams in a 1-day campaign to procure money to build an addition to the church.

The plan is to build an educational unit including several Sunday School rooms, a pastor's study, church office and kitchen. Currently the building committee is conferring with the architect on final plans, with work to begin in the immediate future.

Dublin School to Present Music Festival Tonight

WHITE LAKE TOWNSHIP — Elementary students at Dublin School will present their Spring Music Festival at 7:30 tonight at the school.

Parents will hear two operettas performed — "Dream Bags" and "Dude Ranch." Fourth graders will perform several dances complete with costume.

The Junior High Chorus will sing.

Star Concert Set for Friday at St. Mary's

ORCHARD LAKE — Saint Mary College at Orchard Lake is sponsoring the "Four Star Concert" at Saint Mary's College Auditorium at 7:30 p.m. Friday.

Featured in this concert will be Joan Walker, soprano; Severin Turel, pianist-composer; Matthew Reilly, tenor; and Frances Flanagan, violinist.

These featured personalities of radio, television and the concert stage will present a varied program of song and music which has met with success throughout their tour of the nation.

Garden Lectures Open Tonight at Farmington

The Adult Education Department of Farmington Public Schools, in conjunction with the Farmington Garden Club, are inviting all area residents to attend a series of two lectures and discussions concerning home gardens on tonight and Friday at 7:30 in the library of the Senior High School on Schawas see.

Horticulture specialist H. L. R. Chapman, of Michigan State University and an associate will speak on "Hedges and Ground Corners" tonight. Their topic for Friday evening will be "Home Vegetable Gardens."

Following the talks, time will be allowed for discussion, questions and answers.

Petitions for Water Due at Farmington

FARMINGTON TOWNSHIP — Mrs. Philip J. Newberg, secretary of the Water Department Committee, has announced that petitioning of the dry areas of the township has been completed. Those who circulated petitions have been requested to take their petitions to Town Hall to be notarized and turned in to the township clerk by Friday.

* * *

Since last November, residents have been circulating petitions in the south and east sections of the township to obtain signatures of property owners, in an effort to convince bonding companies that a water system in the "dry" areas is needed, wanted and can be paid for.

Bake Sale Saturday at Union Lake Corners

COMMERCE TOWNSHIP — The Catherine Booth Circle of the Commerce Methodist church WSCS will stage a bake sale from 10 a.m. until 1 p.m., Saturday, at the Union Lake Corners.

The group will meet at 8 tonight in the home of Mrs. Martin for final arrangements for this sale.

Holly Students to Stage Comedy Play Two Nights

HOLLY — "Mumbo Jumbo," a three-act farce, will be presented by the junior class of Holly Area High School Thursday and Friday nights at 8 p.m. in the high school auditorium.

A capacity crowd is expected to turn out for the comedy play. Cast includes 16 students.

MR. AND MRS. RAYMOND W. BECKER

Couple Wed in Novi Rite

NOVI TOWNSHIP — Margaret L. Russell and Raymond Wayne Becker, both of Novi Township, were married recently in an evening ceremony at Novi Baptist Church.

* *

Margaret, known to her friends as Peggy, is the daughter of Mr. and Mrs. Leo Russell of 42201 Twelve Mile Rd. Raymond is the son of Mr. and Mrs. Fred Becker of 43500 Grand River Ave.

Margaret wore a gown of white nylon net over satin, with scooped neckline and fitted lace bodice. Her veil was shoulder length, and she carried a bouquet of white carnations centered on a white Bible.

Barbara Russell was maid of honor for her sister, and Gerald Becker, the bridegroom's brother, served as best man.

A reception for 60 guests was held in the church parlors following the ceremony. The newlyweds are now in their new home in East Highland.

Grains Score Small Advances

CHICAGO (AP) — Grains stabilized on the Board of Trade today, scoring small gains on reduced volume after the sharp selling waves which have been knocking down price sin recent sessions.

* * *

Old crop soybeans managed to rally several cents at the opening, reflecting an extension in buying orders following yesterday's 10 cent break. They were not able to continue their opening advance, however.

Firmness is soybean oil and meal futures helped soybeans.

Best showing among other cereals was turned in by wheat, largely reflecting a letup in the liquidation and short selling which have been entering this cereal in recent weeks. Oats had the weakest undertone.

* * *

Wheat near the end of the first hour was ½ to ⅞ hihger, May $2.26½; corn ¼ lower to ¼ higher, May $1.49¾; oats ⅛ to ½ lower, May 66½; rye ¾ to 1 cent higher, May $1.27¼; soybeans 1¾ to 4¼ higher, May $3.11½, and lard 10 to 18 cents a hundred pounds higher, May $12.90.

Rhubarb, hothouse, fancy, .90 5-lb. box; No. 1, .65-.75 5-lb. box; Rhubarb, hothouse, No. 1, 1.00-1.50 doz. bchs. Rutabagas, No. 1, 1.25-1.50 bu. Turnip, topped, No. 1, 2.00-2.50 bu.

Eggs: Large, 15.00-16.00 30-doz. case; medium, 13.00-14.00; small, 9.00-11.00.

DETROIT EGGS

DETROIT, May 9 (AP)—Eggs, f.o.b. Detroit, cases included, federal-state grades:

Whites—Grade A, jumbo 47-49, weighted average 47½; extra large 47; large 41½-44, wtd avg 44; medium 39-40½, wtd avg 40. Grade B, large 42.

Browns—Grade A, jumbo 45, large 42-43½, wtd avg 43½; medium 39-40, wtd avg 39½. Grade B, large 38-41, wtd avg 40. Grade C, large 37.

Checks 34½-36, wtd avg 36.

Commercially graded:

Whites—Grade A, large 39-41; medium 37-39. Grade B, large 38.

Browns—Grade A, large 39-41; medium 36-39½. Grade B, large 37.

Market steady to firm. Supplies fairly well balanced with current fair demand, although in some quarters nearby receipts cleared readily upon arrival and short of full needs.

CHICAGO BUTTER AND EGGS

CHICAGO, May 9 (AP)—Chicago Mercantile Exchange: Butter nervous; receipts 737,000; wholesaleb uying prices unchanged to ½ lower; 93 score AA 59; 92 A 59; 90 B 56.5; 89 C 55.25; cars 93 B 57; 89 C 56.

Eggs steady to firm; receipts 24,400; wholesale buying prices unchanged to ½ higher; U.S. large whites 70 per cent and over A 40.5; 60-69 per cent A 40; mixed 40; mediums 38; U.S. standards, 30 dirties 37; checks 36; current receipts 38.5.

CHICAGO POTATOES

CHICAGO, May 9 (AP)—Potatoes: Arrivals old stock 38; on track 31; total U.S. shipments 481; supplies very light, demand moderate, market firm; carlot track sales old stock: Washed, 100 lb sacks, Idaho russets 6.00-15; bakers 6.40. New stock arrivals 28, on track 98; supplies moderate, demand moderate, market stronger; carlot track sales new stock: Washed, 100 lb sacks, Alabama Triumphs 6.70-75; California long whites 6.25. Florida round red, washed and waxed, 50 lb sacks 3.40.

Poultry

DETROIT POULTRY

DETROIT, May 9 (AP)—Prices paid per pound f.o.b. Detroit for No. 1 quality live poultry up to 10 a.m.

Heavy hens 28-30; light type 19-20. Heavy broilers or fryers (3-4 lbs) Whites 25, gray crosses 24-25. Barred Rocks 25½-27. Caponettes (4-4½ lbs) 28, (5-6 lbs) 30-31. Breeder turkeys, heavy type hens 39, toms 31.

Market about steady. Heavy morning rains restricted normal market activity and over-all trade generally slow. Liberal supplies of hens more than adequate for a very selected demand, although in some instances the more desirable medium sizes were short of requirements. Fryers in fair demand with Barred Rocks clearing readily. A fair to good demand existed for caponettes. Tom and hen turkeys in only fair movement.

CHICAGO POULTRY

CHICAGO, May 9 (AP)—Live poultry: Steady on hens and young stock; fully steady on caponettes; receipts in coops 716. Tuesday 837 coops, 106,000 lb); f.o.b. paying prices unchanged to ½ higher, light hens 18.5-19.5; broilers or fryers 24-25, old roosters 15-16; caponettes under 4½ lb 25-26; over 4½ lb 28-29, (heavy hens, turkeys unquoted).

Waterford Man Waives Hearing on Theft Count

Charged in an auto theft April 8 in which four wheels and tires were stolen, Jack W. Rivers, 18, of 1004 Boston St., Waterford Township yesterday waived examination before Pontiac Municipal Judge Cecil McCallum.

Rivers was bound over for arraignment Monday in Oakland County Circuit Court and freed under $100 bond set by McCallum.

Market Quiet and Irregular

NEW YORK (AP)—The stock market was irregular and quiet in early trading today after fairly brisk start.

* * *

Gains in leading issues ran from fractions to around a point for the most part and losses were held generally within fractional limits.

The rail division was uniformly higher in a follow-up to yesterday's performance when the railroad division hit a new high on average.

* * *

Steels were firm for the most part as Bethlehem advanced 1½ at 195¼ on an opening block of 1,000 shares and held most of this in subsequent trading.

U.S. Steel and Republic Steel were ahead fractionally but Youngstown Sheet & Tube dipped almost a point.

* * *

Among the rails, Santa Fe, Pennsylvania Railroad, Southern Railway, Baltimore & Ohio and Southern Pacific gained fractionally.

Studebaker-Packard was off slightly while Curtiss-Wright gained a fraction following denial of merger rumors concerning the two companies.

* * *

Ananconda gained ⅝ following announcement of a cut in copper product prices by its fabricating subsidiary, American Brass Co. Warner Brothers dropped 1⅜ to 23 on news that working stock control of the firm had been bought by a group of investors.

Thieves Invade Store, Overlook Cash Register

A Commerce Township variety store was entered last night, Oaklan dCounty Sheriff's deputies said, but thieves apparently missed $17 in the cash register.

The owner, Arthur Marohn, 7750 Cooley Lake Rd. reported several inexpensive articles of clothing were missing. The store was entered through an open side window, he said.

The store is located at the Union Lake Shopping Center, 1585 Union Lake Rd.

TOP SALES EFFORT — Victory in a recent selling contest conducted by P. I. P., local Junior Achievement firm, brings an exchange of congratulations between Janis Paquette (left), captain of the winning team, and Jackie Dubay, who led the losing team. Miss Paquette, top saleswoman in the Pontiac Motor Division company, holds an ivy planter which the JA unit produced and marketed. Prize for the winning team's efforts was a chicken dinner, eaten at a banquet which also featured another menu item — a bean meal for the losers.

Studebaker-Packard to Shut Down Plant

DETROIT (AP)—Studebaker-Packard Corp. says it will stop auto production at its Conner Assembly Plant in Detroit late next month while it retools for 1957 production.

The company, announcing the move yesterday, said it would be a routine shutdown idling an undetermined number of workers.

The United Auto Workers said its records show current layoffs at Studebaker-Packard plants total 7,800.

The Conner Plant, where Packard Clippers are assembled, has a work force of about 7,000.

State Employes Honored

LAPEER — Miss Charlotte Holcomb and Mrs. Myrtle Dempsey of the Lapeer State Home and Training School were among the 21 employes honored for 40 years or more of service to the state at a recent banquet in Lansing. Sponsor was the Michigan State Employes Assn.

Food Market Opening

ORTONVILLE — The Modern Food Center on South street here day through Saturday. Formerly the LeLaunder and Borst Food Market, the store has changed hands and is now owned by LaVern Borst and James Leece.

Livestock

DETROIT LIVESTOCK

DETROIT, May 10 (AP)—Hogs—Salable 150. Market not established, asking 25 cents or more higher.

Cattle—Salable 150. Market mostly steady today. Compared last Thursday, steers and heifers moderately active, uneven, but generally steady, narrow outlet for utility cows, weak to mostly 50 cents lower, canners and cutters fairly active, steady to weak bulls fully 50 cents lower, stockers and feeders slow, steady, bulk mostly choice fed steers 20.00-21.50, around four loads high choice 1013-1173 lb steers 22.00, bulk good fed steers 18.00-19.50, some commercial and good steers 16.50-18.00, small lots high choice 894 lb and 899 lb heifers 20.00, load choice 891 lb heifers 19.25, limited supply good and choice 684-908 lb fed heifers 17.50-19.00, most utility and commercial steers and heifers unevenly 13.00-16.50, utility cows mostly 11.00-13.00, mainly 12.50 down, canners arnd cutters mostly 10.00-12.00, some lightweights 9.50 down, late bulk utility and commercial bulls 13.50-15.50, small lots choice 518 lb and 465 lb stock steer calves 20.50 and 21.00, short load mostly choice around 500 lb 20.00, bulk good and choice 600-700 lb yearling stockers 18.00-19.50.

Calves—Salable 25. Today's market about steady. Compared last Thursday, Vealers fairly active, generally steady, most good and choice 20.00-26.00, limited supply high choice and prime 27.00-30.00, few individuals higher, most utility and commercial 16.00-20.00, cull and low utility very active, 12.00-16.00, cull and low utility very active, 12.00-16.00, not many below 14.00.

Sheep—Salable 25. Today's market nominally unchanged, compared last Thursday. Highly aggressive demand for slaughter lambs, final prices fully $1.00 higher, sheep fully steady, few small lots about 50 head in all, good and choice 71-92 lb native spring lambs 25.25-28.75, 55 head mostly choice 83 lb shorn lambs number 1 pelts 26.50 highest for shorn lambs since June 1952, bulk good to prime mostly good and choice shorn lambs number 1 pelts 23.00-26.00, utility to choice mostly utility and good 18.00-23.00, light culls down to 10.00, cull to choice shorn slaughter sheep unevenly 3.00-8.00.

CHICAGO LIVESTOCK

CHICAGO, May 9 (AP)—Salable hogs 9,500, market active, firm to 25 higher, closed mostly 15-25 higher on butchers, sows steady to 25 higher, estimated 2,500 hogs sold on order buyer account and all local packers in, trade early clearance, bulk mixed grade No. 1, 2 and 3 200-260 lb 15.25-60, a few lots No. 1 and 2 190-220 lb 15.65-75, but such hogs scarce, weights over 260 lb scarce, a few No. 2 and 3 270-300 lb 14.75-15.25, a few lots 310-350 lb 14.00-75, a few 170-190 lb 14.25-15.25 larer lots sows 350-600 lb 11.75-13.75, a few selected lots 300-330 lb 14.00-25.

Salable cattle 13,000, salable calves 300, steers steady to 50 higher, mostly steady to 25 higher with kinds grading true choice and better over 1,350 lb closing slow and only steady, general trade on steers fairly active, heifers active, strong to mostly 25 higher, cows strong to 25 higher, bulls active, vealers strong, stockers and feeders scarce, slow, about steady, load high prime 1,202 lb steers 27.00, most next highest price 24.00 for three loads prime 1,300-1,475 lb, two loads prime near 1,500 lb steers 22.00, high choice and mixed choice and prime steers under 1,400 lb 21.50-23.00, most choice steers 20.00-21.25, good to low choice 17.00-19.75, a load prime 1,143 lb mixed steers and heifers 23.00, most choice and prime heifers 19.00-21.25, a load held above 21.50, good to low choice 17.00-19.00, utility and commercial cows 11.25-13.50, canners and cutters 9.50-12.00, most utility and commercial bulls 14.00-16.00, good and choice vealers 22.00-26.00, cull to commercial 12.00-22.00, a few medium and good 425-550 lb steer calves and yearling stock steers 16.00-18.00.

Salable sheep 700, slaughter lambs active, mostly around 50 higher, spring quality considered, slaughter sheep steady, good and choice shorn lambs 101 lb down 24.25-50, latter price for a load with fall shorn pelts, a load 95 lb No. 2 and 3 pelts 24.50, a few small lots cull to low good shorn wooled and shorn lambs 16.50-22.50, light culls down to 12.00, good to prime native spring lambs 25.00-30.00, with some around 110 lb averages 29.50, cull to choice shorn slaughter ewes 4.00-6.00.

VFW Carnival Sets Matinees for Children

ROCHESTER—The Auxiliary of Jack Mason Post 3908, VFW, is holding its annual carnival all this week through Sunday on Woodward street across from Halback Field. The project is to raise money for the post's building fund.

There will bea special 10 a.m. matinee for children on Saturday and Sunday.

JA Sales Unit Eats Fowl; Losers—Beans

To the victors go the spoils.

And so it was last night when six triumphant members of the Junior Achievement firm P.I.P. sat down to chicken dinners. Across the table half a dozen others put their forks into a far different fare—beans, stark and unfancy.

The contrast was provided by the fact that the chicken-eaters marked up the highest score in a recent sales contest during which P.I.P. members sold ivy planters in a year-end "clearance sale."

The top unit, one-half of the Pontiac Motor Division sponsored firm, was headed by Janis Paquette who also is the company's top saleswoman. The losing team was headed by Jackie Dubay.

Financed by the group, the banquet also featured the presntation of gifts to sponsors F. E. Mapley, R. T. Sheardy and B. M. Pitchford, of the Pontiac Motor staff.

Business Notes

Three Pontiac area truck drivers, who share a total of 22 years of driving without an accident, were among 135 honored for safety by Associated Truck Lines, Inc. at a recent banquet in Grand Rapids.

The trio includes Lawrence Hanke, 10 years; Charles Trombley, seven years, and John Carpenter, five years. Altogether the top 135 have driven 39 million miles without an accident.

Frank R. Chapel, former Pontiac resident, has been appointed industrial relations manager of the new Chrysler plant in Kokomo, Ind., according to Plant Manager James R. Cypher.

Associated with the corporation since 1933, he formerly served as budget supervisor at the Kokomo plant. He is a graduate of Pontiac High School and Michigan State Normal College, and at one time was a carrier of The Pontiac Press.

He is the son of Mrs. Viola Chapel, of 1509 Yorkshire St. Birmingham.

Earnings

ST. PAUL, Minn. (INS) — Brown & Bigelow, Inc. announced net income for the quarter ended March 31 of $598,789 equal to 47 cents a common share. This compared with $413,273 or 31 cents a common share in the same period last year. Sales increased to $12,946,572 from $11,229,641 in the initial three months of 1955. President Charles A. Ward said business prospects for the current year are very good.

NEW YORK (AP) — International Paper Co. achieved record first-quarter net profits of $21,443,021 equal to $1.94 a share compared with $18,284,499 or $1.66 a share for the first three months of 1955. John H. Hinman, board chairman, told the annual meeting today. First quarter sales soared to $216,617,803 compared with the year ago total of $191,475,319 for the same period he said.

NEW YORK (INS) — Curtiss Wright Corp. announced net income for the quarter ended March 31 of $9,196,100 equal to $1.24 a common share. This compared with $6,820,707 or 91 cents a common share in the same period last year. Sales increased to $132,641,53 from $123,496,571 in the initial quarter of 1955. Roy T. Hurley, chairman and president, noted that approximately 50 per cent of the earnings in the January-March period were derived from commercial business.

NEW YORK (INS) — Columbia Broadcasting System Inc. reported net income for the quarter ended March 31 of $4,462,783 equal to 60 cents a common share. This compared with $3,892,677 or 53 cents a common share in the same period last year. Revenues established a new record at $88,406,663 as against $77,776,463 in the initial three months of 1955.

On the day it was settled, Oklahoma City had a population of 10,000. Opened for settlement on April 22, 1889, it had a population of 10,000 under tents by nightfall.

Burroughs Gets Contract to Build Missile 'Brain'

DETROIT (AP)—An Air Force contract to develop an electric computer that would control guided missiles as they soar into outer space was announced yesterday by Burroughs Corp.

The first models are under construction of an electric brain such as one that will guide the new Atlas missile in its 5,000 mile flight. Burroughs said the computer would direct the missiles close enough to a target area "to accomplish its purpose."

The computer can control the speed and direction of the missile by "ordering" the changes necessary to keep it on a predetermined target course even beyond the earth's atmosphere.

County Deaths

Mrs. Mary Adler

SOUTHFIELD TOWNSHIP — Servile for Mrs. Mary Adler, 72, of 21690 Beech Rd. here, was held at 10:30 a.m. today in the Ira Kaufman Funeral Home, 9419 Dexter, with burial in Clover Hill Park Cemetery. Mrs. Adler died Tuesday in Harper Hospital.

She is survived by four sons, Dr. Sidney Adler, Charles S., Nathan S. and John; one daughter, Mrs. Herbert White; a brother, three sisters and six grandchildren.

John L. Hicks

LAKE ORION—Service for John Lewis Hicks, 82, of 565 Mayer Ct., will be at 2 p.m. Saturday, from the Flumerfelt Funeral Home, with burial in Ottawa Park Cemetery. Mr. Hicks, former farmer and grocery operator, and county resident for 26 years, died suddenly at his home yesterday.

The former Oakland County Road Commissioner is survived by his wife, Daisy Lee; seven sons, Harry of Fostoria, Herman of Oxford, Homer, of Clio, Harold of Drayton Plains, Herbert of Waterford, Hialmer of Toledo, Ohio and Harlan of Holly, five daughters, Mrs. Hazel Davis of Pontiac, Mrs. Hilda Weeden of Oxford, Mrs. Helen Shapiro of Milwaukee, Mrs. Helma Bernardi of Detroit and Mrs. Herma Snider of Washington (Mich.); also a sister, Mrs. Dora Dodson and a brother, Joab Hicks, both of Ramsey, Ill. There are 18 grandchildren and 29 great-grandchildren.

Pay Disputes Loom at Steel Companies

NEW YORK (AP) — One of the toughest steel industry labor bargaining sessions in years lies immediately ahead. The Iron Age, national metalworking weekly, said yesterday.

The United Steelworkers have some big and expensive demands but management is determined to hold the line on wages and fringe benefits, the weekly said.

It forecast that sparks will fly when these two opposites crash head-on. All talk of a cut-and-dried settlement has gone by the boards, said Iron Age.

The question of a peaceful settlement depends on how seriously labor will push for its more expensive demands, particularly premium pay for weekend work which would be costly in terms of both money and in rescheduling of plant operations, the magazine added.

To Pick Church Officers

WATERFORD — The Church Council, the Board of Trustees, and the Mission Board of the Waterford Community Church will meet at 7:30 tonight at the church and will hold their annual election of officers.
