Tanker Was Unloaded – Fortunately

STANDARD
STANDARD
STANDARD
MICH 67 RB 808

Pontiac Press Photo

ESCAPES INJURY — The driver of this unloaded gasoline tanker was unhurt yesterday when his rig crashed into a tree and scraped against a vacant house at 5859 Dixie Highway in Waterford. Wilfred A. Siggins, 57, of Detroit told state police a car cut in front of his truck, forcing him to veer off the road. The house was only slightly damaged. Waterford and Independence Township firemen hosed down the wreck scene to prevent fire. Witnesses of the crash said the driver of the car, a woman, kept going. She was not identified.

Voters Choose Incumbent by Big 3-1 Margin

Waterford Twp. Also Gives Its Approval to Library Issue

Waterford Township Board of Education incumbent Frederick Poole won another four-year term yesterday when voters in the district gave him almost a 3-1 margin over challenger Lewis B. Ruelle.

Unofficial totals show Poole received 952 votes, and Ruelle, 398 in light balloting which drew only 1,350 of 22,500 voters to the polls.

The library proposition on the ballot was approved, 1,222 to 129.

★ ★ ★

A township resident for the past 24 years, Poole, 37, operates the Poole Lumber Co., 151 Oakland Ave. The father of three children, he will begin his third term on the board.

"With the voters' support, I feel that the people have shown that they approve of the work done by the school board members," Poole said today. "I am privileged, once again, to serve the community of Waterford Township."

★ ★ ★

Poole lives at 1238 Heitch Drive. Ruelle, 42, of 5156 Farm Road, is employed in the engineering model shop of A.C. Spark Plug Division of General Motors in Flint.

For the first time, the school system has officially established a school library, and the district may continue to receive state reimbursement, about $10,000 annually.

★ ★ ★

Although the proposition specified one library, Superintendent William Shunck pointed out that it involves every library in the school system.

★ ★ ★

He added that establishment of the library will bring no increase in taxes.

FREDERICK POOLE

Severe Storms Are Forecast for Area Today

KANSAS CITY (AP) — A severe thunderstorm forecast was issued today for parts of Northern Illinois, Northern Indiana, extreme Northwestern Ohio and Southern Lower Michigan.

★ ★ ★

The Weather Bureau said: "Scattered severe thunderstorms are expected today during period noon to 6 p.m., CST., in area along and 60 miles either side of a line from 60 miles northwest of Rantoul, Ill., to Detroit, Mich. Some large hail and damaging windstorms may be expected in most intense thunderstorms." (The times given are 1 to 7 p.m. Pontiac time.)

20 Die, Many Hurt in 2-Train Crash

STUTTGART, Germany (AP) — Police said at least 20 persons were killed today when two trains collided head-on at Esslingen near here.

★ ★ ★

Rescuers said that many persons were also seriously injured and trapped in the wreckage.

The collision occurred at the entrance to Esslingen station.

★ ★ ★

The trains were locals traveling in opposite directions between Stuttgart and Esslingen.

Stevenson in Trouble

LIMA, Peru (UPI) — Anti-American students said today Adlai E. Stevenson will get a worse reception here Friday than the spitting, stone-throwing attack that greeted Vice President Richard M. Nixon in 1958.

News Flash

MONTREAL (UPI)—The New York Rangers today traded veteran defenseman Bill Gadsby to the Detroit Red Wings in exchange for rearguard Les Hunt and an undisclosed amount of cash.

New Member Tops Balloting at City Polls

Piles Up Majorities on the South Side in Average Turnout

Sutt	1,226
Anderson	1,139
Downes	974
Jenkins	951
Brown	884
Graham	459

★ ★ ★

Pontiac voters elected a new member and returned one incumbent to the board of education in yesterday's school election.

Winners were Victor P. Sutt, 41, of 2215 St. Joseph St., West Bloomfield Township, and William H. Anderson, 48, of 451 Lynch St.

Sutt, a superintendent of tooling and body engineering at Fisher Body Division, provided the big surprise as election returns came in last night.

In his first bid for a public office, he led the ballot of six candidates, with 1,226 votes, some 87 more than the 1,139 polled by incumbent Anderson.

★ ★ ★

Before the election, Anderson, vice president of the board, and James R. Jenkins, appointed to the board to fill a vacancy early this year, generally were regarded as favorites.

TWO PATTERNS

Anderson polled more votes than Sutt in 11 of the 19 school-district voting places.

★ ★ ★

Sutt, however, got a heavy majority of votes on the South Side of Pontiac. Where he won, he won big. At Jefferson Junior High School, Sutt got 179 votes.

His closest competitor there was Russell Brown, 51, of 483 Lynch St., with 129 votes. Anderson and Jenkins polled only 27 between them at Jefferson.

At Bagley school, Sutt got 221 votes. This time Willie S. Downes of 1801 Opdyke Road, Pontiac Township, was second with 148. Anderson got only 13 votes and Jenkins, 12.

At Whitfield, Sutt led with 111 votes. Although trailing Anderson

Most School Issues Fare Well in Area

Voting was comparatively light in yesterday's annual school elections due to the lack of issues in most area school districts.

However, special proposals were approved in the school districts of Rochester, Brandon, Oak Park, Farmington, Utica and Clarenceville while others were rejected by voters in Avondale, Novi and Huron Valley districts.

Incumbent board of education members were upset in several districts. Details of all area election results are on Pages 2 and 13 of today's Press.

JFK Would Add to Jobless Aid

Asks Congress for an Increase in Benefits, More Payroll Taxes

WASHINGTON (AP)—President Kennedy proposed to Congress today a broad expansion of the unemployment compensation system to increase the amount and duration of benefits and the payroll taxes to pay for them.

★ ★ ★

Kennedy called for the most extensive overhaul of the jobless insurance plan that has been proposed since it was enacted as part of Social Security during the Roosevelt New Deal.

Most of the suggested changes are long-range in character. They wouldn't go into effect for several years, some not until 1968. This gives Congress plenty of time to take a long, hard look at the proposals.

★ ★ ★

The program was accompanied by administration statements that the federal-state unemployment compensation system has long been in need of reform. It was stated that the system has proved its worth through the years, since enactment in 1935, not only in helping idled workers but in bolstering the economy in bad times.

NO FIGURES GIVEN

No cost figures were immediately announced, nor was there any estimate of the amount of additional revenue that would be raised by the proposed higher payroll taxes.

Here are the highlights of Kennedy's proposals:

★ ★ ★

1. The present temporary plan of extending an extra 13 weeks of benefits to out-of-job workers would be continued permanently for steady workers suddenly made unemployed.

2. The president would be empowered during recessions to extend the 13-week extra benefits to all workers, even those without a long work history.

★ ★ ★

These two provisions would go into effect in mid-1962 when the present temporary benefit extension legislation expires.

Accident Kills MSUO Teacher

Sports Car Overturns; Mrs. Caulkins Dies at Pontiac General

A young French teacher at Michigan State University Oakland was killed yesterday when her foreign sports car flipped on a curve on Pontiac Road, a half mile west of the campus.

★ ★ ★

Alone at the time, Mrs. Christiane Monique Caulkins, 26, of 1560 N. Woodward Ave., Bloomfield Hills, was pinned under her overturned Jaguar convertible.

Passing motorists were able to lift the car. They summoned an ambulance.

★ ★ ★

Mrs. Caulkins, who was expecting a child in two months, died at Pontiac General Hospital 15 minutes later, without regaining consciousness. She received internal and head injuries.

Sheriff's deputies said she had just left the university for the day.

Her husband David, is a research analyst for Vickers Corp. in Detroit.

Born in Treignac, France, Mrs. Caulkins came to this country in 1959 after receiving her masters degree in English and French literature at the University of Toulouse.

★ ★ ★

She taught at Bloomfield Hills High School, joining the MSUO faculty in September.

Sizzling 93 Hits Pontiac Twice; Storms Tonight

Ninety-three — the highest temperature of the year — hit downtown Pontiac shortly after noon and again at 5 p.m. yesterday.

Thunderstorms are on the agenda for tonight, with a low of 65.

★ ★ ★

The weatherman said residents may expect Wednesday to be a little cooler, the high will be about 82 with more thundershowers.

Morning southwesterly winds at 5 miles per hour will become 10-20 m.p.h. tonight and Wednesday.

Temperatures remained in the 70s throughout the night, the low before 8 a.m. was 75. The mercury haid climbed to 86 at 2 p.m.

Plan 'Summit' for 21

CAIRO, Egypt (UPI) — Representatives of 21 nonaligned countries agreed today to hold a summit conference in Yugoslavia starting Sept. 1.

To Discuss Berlin

LONDON (UPI) — British Foreign Secretary Lord Home took off for the United States today for a new round of talks with American officials on the touchy Berlin question.

Youngsters Plan Fun on Kids Day, June 22

School will be out, Centennial excitement will be at its peak and for the youngsters who want to celebrate with a "whoopie!" the time is "Youth Day," on Thursday, June 22.

A big morning parade on downtown Saginaw Street will lead off a full day of Centennial activities, with the accent on children.

During the day school children will participate in Pontiac and Oakland County governments and up to 2,500 youngsters are expected in athletic contests in four city parks.

All youngsters are welcomed in the parade, which forms at 9:30 a.m. at Auburn Avenue and South Parke Street. The route will be north on Saginaw Street, beginning at 10:30 a.m.

Centennial headquarters in the Pontiac Public Library is accepting advance registrations for parade participation, although youngsters may join in without prior registration.

PETS AND BIKES

Pets and decorated bicycles and wagons will highlight the parade.

Already lined up are the Land 'O Lakes Majorettes, the Miss Centennial float with Miss Centennial and her 10 Centennial princesses.

Also participating will be the Pontiac Boys Club with three floats, Girl Scout units with a float, Campfire Girls, the Pontiac Northern High School Band and the Washington Junior High School Band; Jim Forman's Dixielanders band; and the Boys Club drum and bugle corps.

★ ★ ★

In preparing the parade, alumni and seniors of the Boys Club are aiding the parade committee, consisting of Cressy Larson, chairman; Frank Cashman, James Skinner, George Mayes, Gordon Moats, Jack Cole and Lloyd Heimbecker.

FROM 2 TO 4 P.M.

The athletic contests will run from 2 to 4 p.m. that afternoon at Oakland, Murphy, Beaudette and Jaycee Parks.

Leonard T. Buzz, contest chairman, said about 1,000 ribbons will be awarded to winners. Contests will be staged for both boys and girls in four age brackets, 6-7 years, 8-10 years, 11-12 years and 13-15 years.

In a final salute to youth, the preperformance spotlight at Wisner Stadium that night will be on an all-city Youth Orchestra, directed by Robert Peterson.

Representatives from the city's youth organizations will be introduced before the thousands gathered at the Stadium for the fourth performance of "The Pontiac Story."

The preperformance program is scheduled to begin at 8:15 p.m. The Spectacle begins at 8:45 p.m.

447 Waterford Seniors Graduate Tomorrow at 8

More than 1,000 parents and friends are expected to see 447 Waterford Township seniors graduate at 8 p.m. tomorrow on the high school football field.

In case of inclement weather, the graduation ceremonies will be held in the gymnasium.

Main speaker will be Dr. Donald C. Weaver, professor of Education at Western Michigan University, who will be introduced by William A. Shunck, superintendent of the Waterford school system.

The top 10 seniors will receive recognition when Eldon Rosegart, board of education president, presents the diplomas.

High school sophomore Mary Hodges will play the processional and the recessional on an electric organ, and the invocation and benediction will be given by Rev. Edward A. Lowry, rector of St. Andrew's Episcopal church.

★ ★ ★

Sharon Sue Welch will present the valedictory message, and principal James Fry will present the class.

DR. DONALD C. WEAVER

Plan to Remain Two Days

Tractor Mission in Cuba

HAVANA (UPI) — Four American farm machinery experts arrived today to get the tractors-for-prisoners exchange rolling and were given a cool but correct reception by three-middle ranking Cuban officials.

The Americans then toured a naval hospital in eastern Havana where they saw the prisoners they are negotiating for—men Prime Minister Fidel Castro's forces captured in the abortive invasion last April.

Later, the Americans went to the government palace and met President Osvaldo Dorticos.

The four members of the mission were received at the airport by Maj. Luis Crespo of the Institute of Agrarian Reform; Enrique Cabre, chief of machinery of the institute, and Fernando Otero, aide to President Osvaldo Dorticos.

The group went from the airport to the Havana Riviera Hotel.

In a statement released to newsmen, Prof. Roy Bainer of the University of California said the group plans to remain in Havana two days. He added that the negotiations will be "of a technical nature."

Castro left for Oriente Province before the arrival of the mission.

Before leaving Miami the group declared its "humanitarian purpose" is to free 1,200 captured invaders by exchanging 500 tractors for them, as originally proposed by Castro.

The four-man team of technical experts departed at 5:26 a.m. on the hour's flight to Havana with the avowed hope of working out a satisfactory tractors for prisoners trade in the next couple of days.

A one-man protest demonstration greeted the U.S. negotiators as they went through final departure procedures at Miami International Airport.

Douglas R. Voorhees, a local real estate man known for his vocal advocacy of causes, loudly accused them of going to Cuba to "submit to ransom, to blackmail."

★ ★ ★

He charged that the nongovernmental team of experts was violating the Logan Act which bars negotiations by private citizens with foreign governments.

Voorhees demanded that the Dade County (Miami) police arrest the U.S. team. The police instead kept Voorhees to one side of the departing group but let him talk on.

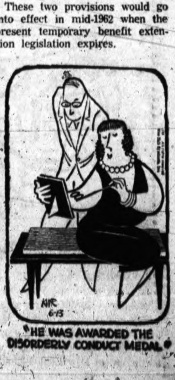
OBTAIN VISAS — Members of the bargaining team of the Tractors for Freedom Committee that landed in Cuba today pause outside the Czech Embassy in Washington Monday where they applied for visas to enter Cuba. From left are J. B. Liljedahl, Purdue University; Duane Greathouse, United Auto Workers Union; Hugo Pineda, American University, who will act as interpreter; Roy Bainer, University of California; and C. H. Hansen, Michigan State University.



"HE WAS AWARDED THE DISORDERLY CONDUCT MEDAL."

Hopes Ebb for Mental Health, Education Hikes

Swainson Is Reluctant to Extend Scope of Call

LANSING (UPI) — Gov. John B. Swainson today threw cold water on the hopes of Republican moderates to get appropriation increases for mental health and education in the special legislative session which starts Thursday.

* * *

"I would want a very strong indication that the legislature would take the action before expanding the call," Swainson said.

Though he would not say that he would demand assurance of the two-thirds vote necessary to give immediate effect to appropriations or tax measures, which the GOP moderates in the Senate want passed, Swainson indicated to newsmen that this would be desirable.

He admitted that if the budget increases were passed, opponents of the move would not be likely to block immediate effect.

Leaders of the Republican move to bring the money matters before the special session said they would ask Swainson to expand his call to include them.

CASH FOR PAY HIKE

Swainson said Democrats in the legislature would vote for the increases, but indicated he wanted money to pay the 3 per cent pay hike granted all state workers by the Civil Service Commission included.

Swainson called the special session to bring Michigan under two federal programs that would mean an estimated $25 million in federal funds to the state.

Enabling legislation to put Michigan in the federal Aid to Dependent Children program, passed by Congress this year, would mean $25 million to local welfare departments, and passage of an act to regulate the placing of billboards on interstate highways would mean a $5 million bonus in highway money.

Neither of the two issues cited in Swainson's call was assured of passage, but chances seemed good for ADC at least.

* * *

Meanwhile, Sen. Stanley G. Thayer, R-Ann Arbor, said he was attempting to round up support for extension of the penny-a-pack tax on cigarettes and the 4 per cent tax on telephone and telegraph service, both of which are slated to expire June 30.

Part of the estimated $11 million income from the two taxes would go to education and mental health with the remainder being used to help retire the state deficit, now at more than $60 million.

Nixon Praises Mustering Plan of County Man

If a new look in party reorganization, authored by John A. Gibbs of Oakland County, was invoked elsewhere "our prospects would go sky high," former vice president Richard M. Nixon told Gibbs in a letter yesterday.

* * *

Gibbs, executive secretary of the Republican Committee of Oakland County, said a copy of a 48-page analysis of the problems and future of the Michigan GOP had been forwarded to Nixon at the request of GOP State Chairman George Van Peursem.

Van Peursem is now using the report as a basis for possible state reorganization, Gibbs explained.

* * *

Nixon described the Michigan plan as "a real formula for party success."

"If every one of our party locals, nationwide, could read and study your report and then use it as a handbook for effective political action, I think our prospects would go sky high," Nixon said.

Nixon said the plan combines "utter candor and realism on the one hand with the missionary zeal of the true believer . . ."

* * *

"Your assessment of the available resources — good people and good principles, basically . . . comprise a real formula for party success," Nixon said.

Top Democratic Workers Give Prize to Party

Fifty dollars applied to a million dollar debt doesn't make much of a dent, but it's the thought behind the gift, believes Birmingham Democrats James C. Allen and Mrs. John A. Cooper.

Allen, an attorney, and Mrs. Cooper, a novelist and housewife, received a $50 Peace Bond at a party picnic for precinct delegates for achieving 419 per cent of the quota in their Precinct No. 1 in Birmingham in the April 3 election.

Members of the Birmingham Democratic Club thought it would be fitting to forward the bond to President John F. Kennedy to apply toward the reduction of the party debt.

Allen, 1108 W. Maple Road, is delegate and Mrs. Cooper, 383 Pilgrim St., is alternate delegate from the winning precinct, which has 873 registered voters. The pair got out 94 per cent of the total Democratic vote in their precinct.

Oakland Dems to Hear Collins and Woodcock

The subject will be the forthcoming constitutional convention and the speakers Joseph Collins, state Democratic chairman, and Leonard Woodcock, UAW vice-president, at tonight's quarterly meeting of the Oakland County Democratic Committee.

* * *

The state party leaders, as well as Democratic con-con candidates, will appear at the 8 p.m. meeting at the Pontiac Central High School auditorium, according to James M. Ginn, county chairman.

NEW WATERFORD JAYCEE HEADS — At an installation banquet last night at the Eagles Hall in Waterford Township, the Township's Junior Chamber of Commerce welcomed Donald Beedle as the new president. The Jaycees and their wives heard the main speaker, Peter Baldwin, talk about the Jaycees' influence on a community. Baldwin is former state president and former national vice president of the organization. Shown above are the new officers from left: Richard Schwab, treasurer; Norman Nelson, second vice president; Glenn Reynolds, first vice president; Beedle; Dean A. Salley, secretary; and Bill Sharp, corresponding secretary.

JFK Injury Not Grave, Irritated Salinger Says

WASHINGTON (AP) — The White House insisted today that President Kennedy's back strain is "a minor ailment" and said the President is putting in a normal work day.

* * *

Press Secretary Pierre Salinger gave that description of the President's condition at a news conference in which he showed some irritation when reporters prodded him for more details on the chief executive's injury.

Their questions were prompted in part by Kennedy's cancellation of an engagement to address luncheon of the U.S. Conference of Mayors at a downtown hotel.

Announcement of the concellation, Salinger said, did not indicate any worsening of the President's condition but that the reason was to speed recovery of his ailing back.

SAW SPECIALIST

It was disclosed that while Kennedy was in Palm Beach, Fla., last weekend, a specialist was called in to examine him. The specialist is Dr. Preston Wade, a New York orthopedic surgeon.

Dr. Janet Travell, the White House physician, asked Wade to see Kennedy and the specialist examined him for about 15 minutes on Sunday, Salinger said.

He declined to say just what Wade had told Dr. Travell about the President's strained back which has forced Kennedy to maneuver about on crutches.

* * *

As newsmen pressed for additional information, Salinger snapped:

"Nothing is being withheld in this matter whatever."

When a reporter suggested that no word had been given on Kennedy's ailment until last week despite the fact that it was attributed to a wrench while spading dirt at a ceremonial tree planting in Canada, last month, Salinger replied:

"I really have no control over what the President tells me."

Salinger said he had learned only this morning that Dr. Wade had been called into consultation on the case. He added that Asst. Press Secretary Andrew T. Hatcher also had been unaware of Wade's consultation.

Salinger remained in Washington last week while Hatcher accompanied the President to Palm Beach. Kennedy rested and swam there in a heated, outdoor pool—mild exercise prescribed by Dr. Travell for relief of his back pain.

* * *

Salinger rejected newsmen's requests for a conference with Dr. Travell. He said this was not common practice and would not be done in this case.

When a reporter recalled that Dr. Paul Dudley White had met with the press after former President Dwight D. Eisenhower's heart attack in 1955, Salinger replied crisply that "any attempt to equate the present problem of the President with a heart attack is farfetched."

U.S. Is Blamed by Gromyko for Laos Fighting

GENEVA (AP)—Soviet Foreign Minister Andrei A. Gromyko today blamed U.S. and royal Laotian forces for violations of the cease fire in Laos.

* * *

Speaking at the international conference on Laos, Gromyko declared flights by U.S. planes over rebel-held territory in the little jungle kingdom led to shooting by the rebels. The flights are made to supply royal Laotian detachments surrounded by pro-Communist troops.

* * *

Gromyko complained that U.S. chief delegate W. Averell Harriman made no references to Soviet proposals for neutralizing Laos in the statement Monday. Gromyko declared the conference should immediately discuss the proposals made for guaranteeing Laotian neutrality.

Sutt Leads Six in School Balloting

(Continued From Page One)

and Jenkins at Washington Junior High, Sutt still polled 162 votes.

John W. Graham, 38, of 275 Dick St., won one precinct, Owen school, where he beat Sutt by one vote, 56-55.

"I'm very appreciative of all the people who supported me," said Sutt. He admitted he was "a little surprised at the final count."

* * *

"I promise to do all in my power to contribute to a more democratic board and to initiate more active participation by the school board in all matters pertaining to our entire school system," he asserted this morning.

* * *

Anderson, who gained voter support over a wider area than any other candidate, was also pleased.

"It is a privilege again to have the opportunity to serve as a member of the Pontiac Board of Education," he said.

The voter turnout was regarded as "average" by school officials, although the total vote was less expected. Some 2,977 voted, compared to 4,000 last year.

* * *

Every candidate was top vote getter in at least one precinct. Of the 19 voting places, Anderson won won in eight and tied for the lead in another, Sutt won in four, Downes won two and tied in one, Brown won two, and Jenkins and Graham won one each.

Algerian Rebels, French Adjourn

No Date Set to Resume Talks on Peace for African Colony

EVIAN - LES - BAINS, France (AP) — Peace talks between the French and the Algerian rebels were adjourned today and no date was set for their resumption.

The French minister for Algerian affairs, Louis Joxe, who headed the French peace delegation, announced the adjournment after 13 meetings with leaders of the Moslem nationalist revolt.

Joxe said the French delegation "remains ready to seek new contacts" that would permit the negotiations to start again.

The session had been seen as the crucial one in the three-week-old peace conference.

* * *

So far neither side had shown any inclination to shoulder the responsibility for a formal breakoff, which would almost certainly bring on the resumption of large-scale fighting in Algeria.

U.S. Security Clerk Has Quit His Job

WASHINGTON (AP) —William H. Covington, the National Security Agency clerk who was found at a race track Monday after being missing four days, has quit his job, the Pentagon said today.

Covington, 28, resigned from the super secret agency—for personal reasons," a Pentagon spokesman said in answer to a question.

* * *

The Defense Department emphasized Monday, after Covington was located at the Delaware Park Race Track near Wilmington, no charges had been made against him.

Pontiac Area Officers Attending Conference

Four Pontiac area law enforcement officers are attending the three-day annual state conference of the Fraternal Order of Police.

The conference at Benton Harbor concludes today.

Attending from this area are Sgt. Lawrence LaBair, Sgt. Eugene Hendren and Patrolman Gerald Navarre of the Pontiac Police Department, and Deputy Jesse Whitlock of the Sheriff's Department.

Local Reservist Tops Graduates at Camp School

CAMP McCOY, Wis. — A Pontiac area reservist was the top graduate of the 70th Division noncommissioned officer academy here this week.

* * *

Pvt. Daryl Brezee, 3252 Baldwin Road, led his class of 59 students from various sections of the Midwest. Brezee is here during the annual two-weeks training period of Pontiac's 2nd Battalion of the 333rd Basic Combat Training Regiment.

Brezee is employed by the Engineering Department of GMC Truck & Coach Division.

Other Pontiac area reservists completing the rugged training course are Sgt. William J. Marcum, 721 E. Ypsilanti Ave.; Staff Sgt. Richard N. Lundren, 1005 Premont St., Waterord Township; Staff Sgt. William Geromette, 11060 Parton St., Utica; and Spec. 4 William Barnard, 4160 Foley St., Waterford ownship.

* * *

The graduates were addressed by Brig Gen. John Libke, divisional commanding general, and Brig. Gen. Beryl Pace, assistant commander.

* * *

Other members of Pontiac's 2nd Battalion are receiving field training with particular stress on proficiency on individual combat and small unit tactics.

To Seek Third Trailer Camp

Developers Will Ask for Rezoning in Area of Beaudette Park

City commissioners tonight will be asked to start rezoning for a third trailer camp within the city limits.

* * *

Before them will be a report from the planning commission recommending rezoning for the proposed trailer park on Telegraph Road in the Beaudette Park area.

Developers of the park won planners' approval after arguing for more than a year that their commercial site was virtually useless for anything other than a trailer park, now that it is bypassed by the Orchard Lake underpass.

They said that theirs would be a modern trailer park and an improvement to the city.

One of the city's two existing trailer parks is immediately north of the new one. The other is on Walton Boulevard.

* * *

Four hearings are scheduled. They involve plans for curbs and gutters on Bassett Avenue, Woodward to Basswood, and on Woodland Avenue, Dresden to Lakeside and Kenney; a combined sewer on Sheffield Avenue, Hollywood to Baldwin; and a sanitary sewer on the east side of Woodward Avenue, opposite St. Joseph Mercy Hospital.

JFK, Italy's Fanfani Agree on Policies

WASHINGTON (AP)—President Kennedy and Prime Minister Amintore Fanfani of Italy declared themselves agreed today on the need "for strengthening the Atlantic community both as an instrument of defense and in its political and economic aspects."

* * *

A joint communique issued after a two-hour White House conference—their second meeting in two days—stressed the cordial and constructive character of the talks.

* * *

Italian informants added that Fanfani was extremely satisfied with his meeting with Kennedy and members of the new administration.

2 Will Be Sentenced June 26 for Break-In

Sentence will be passed June 26 on two Pontiac youths who pleaded guilty yesterday in Circuit Court to the break-in of the Delmos Market, 186 Fisher St.

Gerald W. Hill, 17, 121 W. South Blvd., and Fritz M. Moss, 19, 376 Ditmar Ave., were allowed to remain free on $50 bonds pending sentence for the April 4 burglary.

Post for Newswoman

LANSING (AP)—Mrs. Doris Jarrell, staff writer for the Lansing State Journal, was appointed today as director of research for the Democratic State Central Committee, effective July 1.

The Day in Birmingham

No School Pool Bonds, Says Bloomfield Hills

BIRMINGHAM — A proposed $500,000 bond issue to finance the construction of a swimming pool was rejected yesterday by voters in the Bloomfield Hills school system.

Incumbent board of education members Mrs. Jean Martz and Max Miller were returned to office for three years, defeating Mrs. Christine Jones and Frederick Syme.

Mrs. Martz received 794 votes; Miller, 750; Mrs. Jones, 529; and Syme, 503.

The bond issue, defeated 760 to 581, would have cost school district property owners approximately $6 annually for a 25-year period had it been approved.

Bennett Root, unopposed incumbent on the Birmingham school board, polled 535 votes to retain his post.

Birmingham voters authorized the transfer of $39,500 from an old retired bond issue to a current building fund with a 513 to 23 vote.

Birmingham School Supt. Otis M. Dickey will award diplomas to 665 Seaholm graduates at 10 a.m. commencement exercises at the high school Thursday.

Dr. Louis Norris, president of Albion College, will give the main commencement address.

Portraits of the school's namesake, Ernest Seaholm, and Ross A. Wagner, Seaholm principal, will be presented to school officials as gifts of the graduating class by Mosby Harvey, senior class president.

Covaledictorians are Sally Elaine Ryden and Linda Elaine Wells. Cosalutatorians are Margaret Chamberlain and Jane Louise Griffith.

Bruce N. Coulter, English instructor at Cranbrook, has been named to the newly created Donner Chair at the school.

The presentation of the teaching grant, which provides an estimated $12,000 yearly salary to the recipient, was made by Edward H. Lerchen, chairman of the Cranbrook School Board of Directors.

Coulter, who has taught at Cranbrook since 1936 and is also director of student guidance, is a graduate of Brown University and received his M.A. degree at the University of Michigan.

Cranbrook is one of 15 independent secondary schools which share equally in $4½ million in teaching endowments awarded last year by the Donner Foundation of Philadelphia.

Mrs. Jean Ketchum, a delegate candidate for the Constitutional Convention, will be a guest speaker at a 12:30 p.m. meeting and luncheon tomorrow of the Birmingham chapter of the American Association of University Women at the Orchard Lake Country Club.

The Birmingham Rotary Anns will hold its final meeting of the year Monday at 1 p.m. at the home of Mrs. Charles R. Miller of 26255 Pembroke St., Pleasant Ridge.

New officers for coming year will be elected following the luncheon.

Boy Scout Troop 29 Plans Court Tonight

Boy Scout Troop 29 of the Hawthorne and Wever School areas will have an outdoor court of honor tonight at Hawthorne Park, beginning at 7 p.m.

Donald Maher is the new scoutmaster, with Woodrow Gray and James Hayes as assistants. They plan one outdoor activity each month this summer.

Talks on A-Ban Turn Gloomier

Russ Demand Veto of Inspection or Transfer of Conference

GENEVA (AP)—The future of the stalled nuclear test ban talks was cast in deeper doubt today by the Soviet Union's insistence that the West either accept an inspection veto or transfer negotiations to the impending general arms parley.

* * *

The United States and Britain rejected both proposals but said the proposal to transfer the talks would be studied carefully in Washington and London. They made clear previously they would never agree to a veto over the control machinery.

* * *

Semyon K. Tsarapkin, Soviet negotiator at the three-power talks, qualified his demands Monday by saying they were not to be considered an ultimatum or threat of a walkout.

* * *

"We are quite willing to continue meeting here as long as necessary," Tsarapkin told U.S. delegate Arthur H. Dean and Sir Michael Wright of Britain.

'THE ONLY WAY'

But Tsarapkin said unless the United States and Britain are willing to accept the Soviet proposal for a three-man board in charge of the test ban control machinery, the only way to get the talks going again is to merge them with the East-West negotiations on general disarmament.

Tractor Tips, Kills Brandon Farmer

A Brandon Township farmer was crushed to death yesterday when a heavy-duty tractor he was operating tipped and fell on top of him.

George Caine, 65, of 2150 Seymour Lake Road, was mowing grass beside his driveway when the tractor fell over the edge of a steep, bordering ditch.

He died almost instantly of a crushed chest and multiple bone fractures. A wrecker was used to lift the tractor off the victim's body.

Smith (left), president of the Pontiac Civitan Club, presents a $900 check on behalf of the club, to Cressy Larsen (center), executive director of the Pontiac Boys Club, for the establishment of a drum and bugle corps. Looking on is Joseph R. Herton, president-elect of Civitan.

It's On to Chile for Stevenson

Held Friendly Meeting With Paraguay Dictator He Had Criticized

ASUNCION, Paraguay (AP) — Adlai E. Stevenson today flies on to Chile after an overnight stop in South America's only dictatorship.

Touring South America as President Kennedy's special envoy, the chief U.S. delegate to the United Nations came to Paraguay after issuing a blast at dictators. But his meeting with Paraguay President Alfredo Stroessner considered the continent's only remaining dictator, was friendly and unstrained.

* * *

Their talk, sandwiched in before Stevenson dined with the foreign minister, was brief and details were not disclosed. But the Paraguayan government is known as one of the Americas' strongest supporters of U.S. policy.

'NOT BY PREFERENCE'

Leaving Rio de Janeiro Monday Stevenson told newsmen "we in the Americas don't like dictatorship." Asked why he was going to Paraguay, he replied his trip "was not arranged through personal preference but to visit all 10 capitals in South America."

* * *

In Asuncion Stevenson received the warmest public welcome of his tour. About 1,000 persons greeted him at the airport, and there was a military honor guard and band.

* * *

Stevenson's brief airport speech was marked by the absence of any mention of President Stroessner. He was applauded when he spoke of the spirit of independence among the Paraguayan people.

During part of the Revolutionary War, the Liberty bell was hidden in an Allentown, Pa., church.

'Community Activities' Deserves Consideration

Waterford Township Supervisor Elmer Johnson has proclaimed this week as Community Activities Inc., Week because "this organization has contributed materially to the betterment of this community throughout the year."

From June 12 to 18, the supervisor has urged that all citizens give full consideration to the future services of the Community Activities, Inc.

Air Support Needed for Invasions--Ike

By HAROLD HARRISON

CINCINNATI, Ohio (AP) — Old soldier Dwight D. Eisenhower still says no invasion can be successful without adequate air cover if there is opposing air power by the defense.

Gen. Eisenhower, who directed allied landings in World War II, made his statement Monday in commenting on the abortive invasion of Cuba by forces opposed to the regime of Fidel Castro.

* * *

The statement, at a news conference, came a day after new Republican National Chairman William E. Miller declared President Kennedy "rescinded and revoked the Eisenhower plan to have the Cuban freedom fighters protected by American air power."

'A-TESTS NEEDED'

The former president also said the United States cannot very much longer "keep on ice" the matter of resuming nuclear testing. He told the news conference "the time comes when we have to fix a date" beyond which the nation would not feel bound to abstain from testing.

* * *

"If we are just going to stand around talking," the Soviets could be testing without the United States knowing it, he asserted. Eisenhower said that before he left the White House "I told my people we definitely would take steps" toward fixing a date. So far as he knows, he said, no date has been set.

Eisenhower was here for a day of political activities. Several thousand persons sweltered in hot and humid weather to greet him at mid-day at Lunken Airport. He was showered with ticker tape and confetti as he rode in an open automobile to downtown Cincinnati.

* * *

Then came a series of conferences with Republican party leaders and workers and a news conference.

The windup was a $100-a-plate dinner at Cincinnati's Music Hall with a packed house of 1,500 on hand.

Blast Kills 5 in Spain

BARCELONA, Spain (AP) — Five workers were killed by an explosion in a fireworks factory here Monday. In an ensuing fire five others were seriously injured.

New Cuban Envoy

UNITED NATIONS, N.Y. (AP) —Ambassador Mario Garcia Inchaustegui, 34, former Cuban envoy to Uruguay, Monday presented his credentials to Secretary-General Dag Hammarskjold as Fidel Castro's new permanent representative to the United Nations.

Your hair never had it so soft in Pontiac's hard water!
Hard Water Shampoo
by Lanolin Plus

Naturally, you can't do a thing with your hair right after shampooing. Naturally, it lacks lustre. Because that ordinary shampoo you're using isn't meant for our hard water. There's just one *specifically made* for this kind of water, and that's Hard Water Shampoo by Lanolin Plus.

— LIMITED TIME ONLY —
$2.25 Value $1.75
FULL PINT SIZE

This gentle lotion's softening formula prevents the hard-water dulling film that won't rinse out with other shampoos. And Hard Water Shampoo contains the exclusive, rich moisturizer, Lanolin Plus *Liquid*. It's the only shampoo that replaces the natural oils of your hair in spite of our hard water.

For hair that's rain-water soft, instantly manageable, lovely with lustre, switch next time to Hard Water Shampoo by Lanolin Plus.

WINS EDISON AWARD — Miss Dorothy Kittner of 49 Edward St., division clerk for Detroit Edison's Oakland overhead lines division, has won $225 under the company's employe proposal plan. She is shown receiving an award certificate and congratulations from M. Leslie Ernst, general superintendent of overhead lines, while Robert M. Van Duzer, assistant manager of operations, looks on. The proposal, which simplifies the reporting of individual expenses, is expected to save nearly $900 a year.. Miss Kittner is one of some 2,800 Edison employes who have been awarded a total of $331,266 since the proposal plan was established in 1952.

Chrysler Over Hump of Bad Publicity

DETROIT (AP)—L. L. Colbert, president of Chrysler Corp., says the giant auto firm has weathered its storm.

* * *

"We have sustained one of the most severe attacks ever sustained by a business organization on its public reputation," said Colbert, "and we have weathered it."

* * *

Colbert, of Bloomfield Hills, took what he called a realistic look at Chrysler in a talk Monday before directors of the Bureau of Advertising of the American Newspaper Publishers Association.

He noted that in the first five months of this year the corporation has gathered 12.1 per cent of the market for U.S. built cars in comparison to 15.5 per cent in the same period last year.

Colbert explained the drop by referring to the "almost uninterrupted bombardment of adverse publicity" on Chrysler since June 30, 1960. That was the date William C. Newburg was ousted as president after only two months tenure.

* * *

Lawsuits followed and Chrysler's corporate management was assailed.

"There would be no point in burying our heads in the sand and pretending that this has not hurt our public reputation or our sales," Colbert said.

The Chrysler president said an outside committee of nonmanagement directors is studying the problem regarding his remaining as head of the firm. Colbert said he was "confident they will reach the correct decision."

"We met our problems with action, not with just words, and in the long run the power of the simple undisputed fact may work to our advantage," Colbert said.

Colbert said the company's assets rose from $800 million 10 years ago to $1.4 billion at the beginning of 1961. In the same time, he said, plant and equipment investment rose from $265 million to $500 million.

Reds Back Indonesia in New Guinea Claim

TOKYO (AP) — Communist China today joined the Soviet Union in supporting Indonesia's claim to Dutch New Guinea.

The announcements of support in the government-controlled Chinese press were timed for the arrival of Indonesian President Sukarno in Peiping, on his way home from another world tour.

* * *

Soviet backing was announced in a communique issue Monday night just after Sukarno ended his visit to the Soviet Union.

Awards Divorce to Architect's Wife of 20 Years

Circuit Judge Frederick C. Ziem yesterday granted Teruko Yamasaki, wife of the internationally-known Japanese architect, a divorce on grounds of extreme cruelty.

* * *

Judge Ziem granted Mrs. Yamasaki the custody of their two daughters and son and ordered Minoru Yamasaki to pay $294 a week through June 1970 unless Mrs. Yamasaki remarries. They had been married 20 years.

Yamasaki retains custody of their house at 3077 Livernois Ave., Troy.

* * *

James S. Thorburn, Mrs. Yamasaki's attorney from Royal Oak, said other details of the property settlement, relating to stocks and bonds, was confidential.

* * *

The divorce suit, filed in January, stated that Yamasaki has a yearly income ofabout $40,000 from his architectural business, Minoru Yamasaki and Associates, 1025 E. Maple Road, Birmingham, which is worth in excess of $100,000.

Hospital Ship Bound for Saigon, Repaired

HONG KONG (AP)—The American hospital ship Hope was bound for Saigon today, carrying its mercy mission to South Viet Nam after a five-day overhaul in a Hong Kong drydock.

* * *

The Hope, operated by the People-to-People Health Foundation, spent seven months in Indonesia treating patients and training doctors and nurses. The mission in South Viet Nam is expected to last several months.

Files Tax Lien in LA

LOS ANGELES (AP) — A lien filed Monday against singer Lena Horne and her husband, Lennie Hayton, charges the couple with owing $5,847 in federal income tax for 1958 and $5,588 for 1959.

Would Stop A-Weapons

BERLIN (AP) — East Germany's Communist regime said today a German peace treaty is needed in a hurry to stop West Germany from being equipped with atomic weapons.

Now you can buy PEACE-OF-MIND by the gallon
MARAFUEL HEATING OIL

PEACE-OF-MIND: NO EXPENSIVE HEATING

Laboratory tests at Marathon's Robinson Refinery prove that no heating oil sold in the Midwest gives more heat per gallon than Marafuel®. Result: you get more comfort for less money with Marafuel. Yet you get the best heating oil money can buy—specially refined, screened and filtered to flow freely and burn cleanly.

PEACE-OF-MIND: NO WORRY IN CASE OF SICKNESS OR DEATH

If you're under a doctor's care and can't work for more than 14 days, Marathon pays your heating oil bills for the length of your illness. This is the insured Marafuel Budget Plan.* No interest. No service charge. In fact, there are no hidden costs of any kind under this plan, which even pays your heating oil bills for the rest of the season in case of death.

PEACE-OF-MIND: NO HIGH MONTHLY BILLS

Your bills won't get out of hand when you burn extra oil during the coldest months of the year. With the insured Marathon Budget Plan, you pay the same low average amount monthly from September to June.

PEACE-OF-MIND: SUMMER FILL ENDS "RUST-OUT" WORRIES

Marafuel's special additives keep your burner system and tank free of deposits caused by condensation. Particularly important in the summer when this can "rust out" tanks. And with a Marafuel Summer Fill, you won't be billed until next Fall. Then you pay the lowest price of the summer season.

For year around peace-of-mind, call your Marafuel distributor. Sign up today for the insured Marafuel Budget Plan, or ask for a Summer Fill. Or both.

MARATHON

Marathon goes farther to make friends

**The insured Marafuel Budget Plan is underwritten by a legal reserve life insurance company.*

ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:

America's National "Open" champ is mighty like a Thunderbird!

One quick look at the beauty above . . . then one quick trick behind the wheel . . . and you'll know why the '61 Ford Sunliner is America's all-time, top-down, favorite convertible.

Here's a special brand of magic-in-motion that's a Ford exclusive . . . yours to command in the car that got its thunder from the fabulous Thunderbird. Caged under that sleek hood is a mighty Thunderbird V-8 engine . . . created by the world's foremost maker of V-8's. The Sunliner's road-ruling punch is equaled only by the famous Thunderbird itself.

And like all '61 Fords, the fun-loving Sunliner is beautifully built to take care of itself. It goes 30,000 miles between chassis lubrications—4,000 miles between oil changes, its brakes adjust automatically . . . because the '61 Ford gives you features *today* that most other cars can only plan for the future.

Got an urge to surge ahead this summer . . . but saddled with a sluggish car? Then, it's time to **STOP** wasting money on tired transportation. **SWAP** your present car for a bustling new '61 Ford (and do it now while sales are at a 32-year high and trade-ins are way up). Start to **SAVE** tomorrow with the car that's built to take care of itself—the '61 Ford!

Housing Bill Up for Crucial Test

WASHINGTON (AP)—A thumping 64-25 Senate passage for the $6.14-billion housing bill gave encouragement to the Kennedy administration today over the House floor fight expected in a few days.

The House Rules Committee is to meet on the legislation Thursday and is expected to clear it for debate starting next week.

Fifty-two Democrats and 12 Republicans supported the measure on final passage in the Senate Monday, with 17 Republicans and 8 Southern Democrats opposed.

This was the heaviest margin piled up in the Senate for any of the major items on President Kennedy's 1961 legislative program.

Sen. John Sparkman, D-Ala., chief sponsor of the bill, told a reporter he felt that with enactment of this measure there would be no need for omnibus housing legislation next year and perhaps for a longer time.

But Sparkman pointed out that in the 1961 bill for the first time such key programs as urban renewal, public housing, farm housing, college dormitories, and veterans' housing are being put on a long-term basis.

For about a decade Congress has been passing big housing bills almost every year.

Another Alabaman, Democratic Rep. Albert Rains, will serve as floor manager for the legislation in the House. The bill approved by the House Banking Committee is substantially similar to the Senate version.

Cruiser's Drunk Pilot Sent to Jail, Fined

KALAMAZOO (AP) — Fred N. Root, 36, of Kalamazoo, was sentenced to 10 days in jail and fined $100 Monday following the collision of his cabin cruiser with a motorized raft carrying 12 persons.

No one was injured in the crash.

★ ★ ★

Root pleaded guilty to operating a motor boat while under the influence of intoxicants in his appearance before Municipal Judge Clark M. Olsted. He immediately appealed the sentence to Circuit Court.

More Weddings Occur During Better Times

Demographers are watching the marriage rate in this month of June weddings. Just exactly how many brides there will be is not known, but according to MARJORIE EICHER, Women's Editor of The Pontiac PRESS, this year's crop is at an all-time high.

* * *

Marriages are inclined to keep pace with our national economy. We never quite figured that love and marriage would wait for better times, but actually the figures show this.

The national office of vital statistics report for the first three months of 1961 a provisional figure of 292,000 marriages, slightly higher than the 288,000 for the first three months of 1960, when the recession was setting in.

* * *

Brides and grooms in the United States, the Population Reference Bureau, Inc. reports, are younger and closer in age at first marriage than are those in any other urban-industrialized country in the world.

In 1960 the median age for the grooms was 22.8 years and for brides, 20.3. More women married — trembling and blushing and ever radiant —at 18 than at any other age.

Anyhow what we're leading up to is that this data is reasonably accurate economic harbinger, for good times generally foster weddings.

Parents' Duty to Screen Movies for Children

Occasionally, The PRESS receives a letter criticizing an advertisement for a certain movie or the film itself as undesirable for children.

BOSLEY CROWTHER has the following to say in The New York *Times*:

"The present stirrings about the seamy qualities of some films and the widespread attempts to revive the notion that censorship or some form of classification will maintain the 'purity' of the screen bring us back to the old question: What do we expect motion pictures to convey?

* * *

"Do we allow that motion pictures should be free to contemplate life as it is, such as infidelity, prostitution and treachery, as well as aspects of fine and noble nature, such as devotion, courage and self-sacrifice? Or do we expect motion pictures to be only about the good and cheerful things — about absent-minded professors, Swiss families and Dalmatian dogs?

* * *

"The old argument that the movies are patronized largely by persons under 21 is so thoroughly fatuous and phony that it is simply amazing to find it being used again.

"Little children go to movies. Teenagers go, too. But what sort of movies do they go to? Little children go to the movies their parents take them to see. If their parents choose 'Breathless' or 'Psycho' or 'Butterfield 8,' that's their parents' prerogative. And not many little children sneak away from home (with 85 cents or a dollar) to go to see such films. If they do the likelihood is the youngsters will be bored.

* * *

"Teen-agers see a lot of the films that convey gross and seamy observations and may be in questionable taste. The sometimes sensational promotion and lurid advertising is most likely to arouse the curiosity and prurient interest of the kids.

* * *

"But first, determine whether the youngsters are seeing such films without parental consent. Oftentimes parents who can't control their children profess a great concern for them —or for other people's children— put faith in censorship — or, in the presently much-touted variation, classification of films.

* * *

"Who can say that a modern youngster, exposed to all the stimuli and intrusions of sophistication is going to be corrupted or even startled by what he may see on the commercial screen?

* * *

"Is it any more harmful for a teen-age girl to see Elizabeth Taylor in 'Butterfield 8' than it was for that same girl's mother to see Vivien Leigh as a shameless adventuress and sexual opportunist in 'Gone With the Wind'?

* * *

"Of course, the ultimate absurdity is that the medium of motion pictures should be restrained from free expression, whether in good taste or not, simply to 'protect' those children who generally are not interested in the run of adult films, anyhow."

The Man About Town

Our Centennial

Some Briefs Concerning the Impending Big Event

Foliage: What many Pontiac men will come out from behind after the Centennial.

"Just before I moved away from Pontiac I got mad because they wouldn't let me tie my horse to a parking post," writes.

Burney Randall,

now living in Ann Arbor. He continues, "But I got over it, and am coming to the Centennial."

My Flint correspondent sends word that

Dr. Tom Malone

of Pontiac was the speaker in concluding the Victorious Christian Youth rally season there.

I now can test my whisky and other drinks, thanks to

Herman Willer

of 658 Mansfield St. He has given me an old-fashioned liquor thermometer, a relic of the "Two Freds" saloon, which did business on Saginaw Street, near the Water Street corner, early in this century. It is about 18 inches long and looks formidable. It is claimed it also can be used to test dynamite and TNT.

Returning to Pontiac for the Centennial,

Randall Otley

of Cleveland writes in wonderment if the courthouse clock, presented by the late

Daniel L. Davis,

still keeps time. Yes, it "keeps" it, no longer giving it away.

This column heartily joins with

Peter Sullavan

of Royal Oak, who wonders if the Pontiac area still has any of those old wooden highway bridges whose planks rattle as you drive over them. He says his grandfather told him about the "symphony" created in that manner when a vehicle crossed the bridge over the Clinton River on Pontiac's Saginaw Street.

Always coming forward with an idea to make life more worth living,

Mrs. Glydie Lawford

of Birmingham suggests that we make a deal with the mosquitoes — if they won't bite us, we won't bite them.

Thanks for that editorial on our officials appearing to be unfriendly to tourists coming to this country from

Mr. and Mrs. Randall Price

of Bloomfield Hills. They say the gross impudence and phony questions of our own customs men make it harder to get back into the USA than to enter a foreign country.

Assignment clerk in Oakland County Circuit Court for ten years before his retirement in 1959,

C. Richard Smith,

who now is a well-tanned tomato grower at Fort Lauderdale, Fla., has been renewing old friendships in Pontiac.

For several years the first farmer in this area to report the first cutting of alfalfa is

Harcourt Fellows

of White Lake, mowing down his initial 1961 crop on June 8.

"Your column likes to tell about record breaking growths, writes

Mrs. Blanch Ainsfield

of Waterford, who continues, "But did you ever before see the trees leaf out as they have during the last few days? It is truly marvelous."

Verbal Orchids to—

Mr. and Mrs. Garrett B. Stagg

of 4285 Bald Mountain Road; 51st wedding anniversary.

Bertrand Hammar

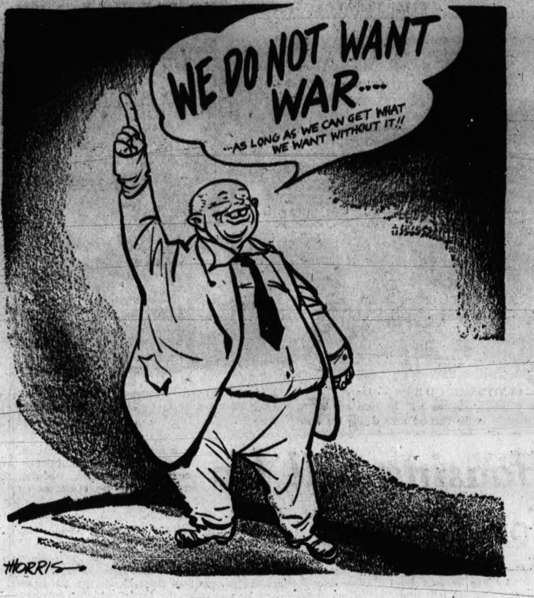
of Keego Harbor; 82nd birthday.

Mr. and Mrs. John L. Littleton

of Bloomfield Hills; 52nd wedding anniversary.

Mrs. Rachel Opperman

of Birmingham; 83rd birthday.



WE DO NOT WANT WAR....
—AS LONG AS WE CAN GET WHAT WE WANT WITHOUT IT!!

The Fine Print

David Lawrence Says:

U.S. Ignores Piracy Against Self

LAWRENCE

WASHINGTON — The Kennedy administration is likely to come in for some severe criticism because it is ignoring the right of American citizens, traveling on commercial planes, to be safeguarded against attack in the air by citizens of foreign governments.

The Department of Justice, which has been busily engaged in trying to get political favor by supporting the nonviolence crusades that provoke violence in the South, has not found time to do anything to secure the extradition of the Cuban pirate who attacked an American passenger plane in the middle of its flight, jeopardizing the lives of the other 10 passengers aboard, mostly Americans.

On May 9 the national airlines sent a letter to Atty. Gen. Kennedy which read as follows:

"National Airlines' Flight 337, a scheduled revenue Convair 440 flight between Miami and Key West by way of Marathon, Fla., departed Marathon Airport at 3:34 p.m. (EST), Monday, May 1, 1961, for Key West.

"Aboard th flight, in addition to the crew of three, were eight passengers.

* * *

"Shortly after takeoff, one of the passengers, carried on the manifest as Elpir Cofresi, forcibly entered the cockpit and ordered the pilot at gunpoint to overfly Key West and proceed to Havana, Cuba.

COPILOT OUSTED

"The copilot was ordered to leave his seat and take a place in the main cabin, while said Elpir Cofresi took over the copilot's seat and through continued threatening display of the gun required the pilot to proceed to Havana, Cuba, where a landing was subsequently effected at San Antonio de los Banos at approximately 4:30 p.m. (EST).

"The aircraft, of United States registry and flown by a scheduled United States carrier, with its passengers, was subjected to extreme hazard during the course of the flight into and subsequently out of Cuba.

"The pilot, at the command of military personnel, was required to shut the engines down and remain within the airplane with the passengers, except for a short period of time, for approximately three hours.

"Said Elpir Cofresi was ultimately deplaned with his baggage at the request of Cuban officials, and the flight released for a circuitous return to Key West, Fla. . . .

"It is respectfully requested that action be taken by the U.S. government to obtain extradition of said Elpir Cofresi to the United States that proper legal action may be taken for his unlawful actions."

The Department of Justice on May 18 replied that it would consider the extradition question only in the event that criminal charges are instituted in a federal court in this country.

BAD IMPRESSION

Nothing was said to indicate that the act of piracy complained of had been drawn to the attention of the State Department for action.

Plainly here is a case where the government of the United States, by failing to demand redress from Cuba, gives the impression today that it is not going to protect American lives and property abroad.

Here is a case, moreover, in which the lives of American citizens traveling in the air over their own territory were placed in danger by an act of "invasion" by a national of a foreign state. Piracy of this kind is not immunized by any treaty, and it is within the right of the United States to take steps to gain satisfaction.

A demand from his government to the Cuban government for the return of the criminal has not been made.

The Country Parson

"There can't be very much wrong with a man if his neighbors on both sides love him at the same time."

Dr. William Brady Says:

The Blood Pressure Meter Is Only Window Dressing

When I said here a little while ago that a doctor who knows his business learns considerably more than you may think when he takes your pulse — he learns how you feel, how your arteries feel, how your skin feels and how your muscles feel (tone of the muscle), and so he knows how old you are, etc. — no one filed a complaint.

DR. BRADY

But when I said here that a competent physician needs no sphygmomanometer (gadget for measuring blood pressure), this brought a complaint from a physician in Virginia. A complaint to the editor, not to me. The doctor told the editor my statement was "hogwash." The editor gave me the doctor's name and address and suggested that I might want to try to appease the doctor.

Had the doctor complained to me I'd be happy to answer him in kind. After all, there's enough Irish in me to demand courtesy or else.

A competent physician, for all practical purposes, learns all he needs to know about a patient's blood pressure by: (1) feeling the pulse and noting not just the pulse rate and the degree of hardness or softness of the artery, but how much pressure by the fourth and third fingers it takes to keep the beat from reaching the index finger; and (2) listening to the heart and noting the relative intensity of the second heart sound.

If this isn't quite clear, never mind. Any well-trained physician knows what I mean.

The sphygmomanometer is useful in the physiology laboratory. It should have been left there. Brandishing it before the eyes of unenlightened patients is a bit of quackery that has become repectable like prescribing outrageously expensive "wonder" drugs, because everybody's doing it.

MEASURING DEVICES

There are two kinds of blood pressure measuring devices, the standard or real manometer used in the laboratory — a mercury column similar to that of a barometer; and the toy or dial type which is good enough to impress credulous customers.

A good many persons with more money than brains are in the habit of going at regular intervals to have their blood pressure taken. They derive a morbid satisfaction from telling how many notches it was up this week.

A registerd nurse, a practical nurse, a nurse's aid or a smart office girl can measure blood pressure as well as the "specialist" himself. But, ah, customers are bound to feel disappointed if they don't see the chief in person now and then.

Use of a modification of the sphygmomanometer to register the patient's blood pressure constantly during an operation is an interesting bit of business on TV, but in real operation the doctor or doctors judge the patient's condition by (1) feeling the pulse and (2) listening to the heart.

The blood pressure meter is strictly for exploitation of the booby birds. If you're one, don't blame me.

* * *

Signed letters, not more than one page or 100 words long pertaining to personal health and hygiene, not disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped, self-addressed envelope is sent to the Pontiac Press, Pontiac, Michigan.

(Coypyright 1961)

Voice of the People:

Says U.S. Is Chief Target of Psychological Warfare

The continuing cold war against us reaches right into the United States, in spite of Khrushchev's deceitful talk of peaceful coexistence. We are the chief targets of their psychological warfare, because we are the only great power capable of blocking their expansion. The whole free world depends on us.

* * *

There will be no atomic war unless the Soviets are able to weaken us by increasing moral deterioration, by too much wild spending, by seducing the administration to give up our overseas bases. Even though President Kennedy speaks on his determination to reach an agreement with the Soviets on disarmament, who could trust any agreement with them without rigid inspection?

* * *

Don't the American people wish to save their country as ardently as the concealed Reds are working to help Khrushchev destroy it?

Mrs. Mary Walter

Lake Orion

'Celebration Won't Cover Eyesore'

No amount of brush raising and celebrating can cover Pontiac's sore-eye-sis. We like to be proud of our dignified whiskers and elegant dresses and pretty bonnets. But that's the way it was 100 years ago! Now we should blush as we parade up and down Saginaw Street. What do we see to give us that genuine feeling of civic pride?

From oxcart to that most beautiful thing on wheels in 100 years is some progress in locomotion. Pontiac built many thousands of smooth-riding, sleek-looking cars, trucks and buses, but it failed in substantial housing and smooth streets.

William Mihay

591 Bradford St.

Help on the New Frontier

By JACK BELL

WASHINGTON (AP) — Liberal Republicans got some of the credit today from Senate Democratic Leader Mike Mansfield of Montana for the advance through Congress of the administration's New Frontiers program.

The senate's 64-25 passage of a $6.14-billion housing bill marked another victory Monday for President Kennedy in getting the kind of legislation he wants and in almost the form he wants it.

The House has yet to act on the housing measure. Leaders there are only cautiously optimistic about the bill's final fate.

But in the House, as in the Senate, the old coalition of Republicans with Southern Democrats appears to be crumbling. In the Senate, in Mansfield's view, the coalition has been reversed.

"We must give credit where credit is due, to the 8 to 13 liberal Republicans who have gone along with many of President Kennedy's proposals," the Democratic leader said. "In several instances their votes have decided close issues in our flavor."

Mansfield said he thinks the GOP liberals have become more independent because they are on their own, without the responsibility they had during the Eisenhower administration to uphold the program of a Republican president.

Senate Republican Leader Everett M. Dirksen of Illinois said in a separate interview that this factor obviously is playing a part in the failure of the GOP-Southern Democratic coalition to prevent the passage of measures its members regard as extravagant, inflationary and unsound.

From his standpoint, Dirksen said the unlikelihood of presidential vetoes has hit the coalition hardest.

He said that in the past the coalition's ability to produce the votes necessary to uphold a Republican presidential veto of a bill passed by the Democratic-controlled Congress helped "hold our lines for us."

The Almanac

By United Press International

Today is Tuesday, June 13, the 164th day of the year with 201 more in 1961.

The moon is in its new quarter.

The morning stars are Venus, Jupiter and Saturn.

The evening star is Mars.

On this day in history:

In 1789, Mrs. Alexander Hamilton gave a dinner party for Gen. George Washington and delighted her guests by serving ice cream for dessert.

* * *

In 1877, the Russo-Turkish War began.

In 1917, Gen. John J. Pershing and his headquarters staff arrived in Paris.

In 1935, Jim Braddock won the heavyweight boxing title from Max Baer in a 15-round decision.

In 1944, Germany dropped its secret weapon, the flying bomb, on English targets for the first time.

Thought for today: Statesman Daniel Webster said: "God grants liberty only to those who love it and are always ready to guard and defend it."

Portraits

By JOHN C. METCALFE

A picnic is a lot of fun . . . For restless tots can jump and run . . . And in the cool and restful shade . . . The old can sip on lemonade . . . And if its held along the shore . . . The fun for all is all the more . . . Since youngsters have the chance to swim . . . And oldsters wade the lower limb . . . Though you must climb a mountain top . . . No picnic ought to be a flop . . . For there you get a dandy view . . . While on the sandwiches you chew . . . And even in the nearby park . . . A picnic can become a lark . . . If you will quietly skip out . . . With destination left in doubt . . . A picnic brings a lot of joy . . . To every little girl or boy . . . So adults never should complain . . . Of sand and sun or cold and rain.

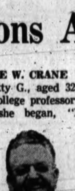
Case Records of a Psychologist:

Opinions Aren't Necessarily Facts

By DR. GEORGE W. CRANE

CASE J-414: Betty G., aged 32, is the wife of a college professor.

"Dr. Crane," she began, "I agree with Madame 'X,' whom you quoted yesterday.



DR. CRANE

"For I am sure I have a much greater erotic appetite than does my husband.

"He is a quiet, unassuming man and very devoted to me. But I am sure I feel far more romantic than he does.

"So why do you say the average husband has a much greater sex hunger than the average wife?"

SEX DIFFERENCES

Many of the women reported in the Kinsey survey also argued that they had much greater ardor than their mates.

And all of us doctors encounter many wives who make the same protest.

But they are wrong! Kinsey's big mistake was in taking a woman's opinion and then treating it as a fact.

We doctors don't rely solely on our patients' statement that they have appendicitis or other surgical ailments. Not at all.

Their opinions are not necessarily medical facts!

You women freely admit that the average husband needs more food calories per day for his stomach than does the average wife, don't you?

* * *

Thus, he probably requires 3,500 while you need only 2,500.

What would happen, however, if we gave him his 3,500 but limited you wives to only 500 calories at the table per 24 hours?

If a Dr. Kinsey interviewer then knocked at your door and said he was taking a poll as regards food hunger, you can guess the results.

"Do you have as great a need for food as your husband?" he might inquire.

"Oh yes," such a starved wife would reply, "I even have a much greater food appetite, for I am hungry all the time!"

If this Kinsey interviewer then tabulated such an opinion, would it be a fact?

Certainly not! It would not mean that such a woman needed 4,000 or 5,000 calories per day but would simply indicate she was on a rigid diet of the near-starvation type.

TRUE SEX FACTS

The average wife likewise has much less sexual appetite than the average husband.

Alas, however, the usual husband fails to understand the medical fact that the male and female bodies are not created anatomically so they will satisfy each other in the erotic realm.

* * *

So the great majority of wives ever since Eve have been frustrated. If they have children, however, plus social, PTA and church duties to sublimate their limited sexual energy, they get along pretty well, even though short rationed in erotic calories.

Occasionally, however, we encounter the sex-mad female who is called a nymphomaniac (see tomorrow's follow-up), but her supposedly abnormal hunger is a ruse or camouflage.

Women are created primarily to be maternal creatures and only secondarily to be sweethearts.

So when you husbands tend to get jealous about your wife, just realize her indifference is a normal trait in married women.

Send for my booklet "Sex Differences Between Men and Women," enclosing a stamped, return envelope plus 20 cents.

* * *

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4 cent stamped, self-addressed envelope and 20 cents to cover typing and printing costs when you send for psychological charts and pamphlets.

LAKEPORT, Calif. (AP)—Lydia Sleeper, an Omo Idian reported to be 108 years old, died of natural causes Monday night in a rest home.

June Car Mark to Match May

Current Schedules of Month Call for 542,000 Autos to Be Produced

DETROIT (AP) — Auto production this month apparently will be almost a carbon copy of May when 542,303 cars were built.

May and June a year ago were almost twins although the historical production pattern of the industry is to build slightly fewer cars in June than in May.

Current June schedules call for 542,000 cars with General Motors, Chrysler and American Motors up slightly from May and Ford and Studebaker-Packard down slightly.

May production equalled 88.7 per cent of May 1960, while June is pegged at 88.5 per cent of last June.

This is the final month of full production for the 1961 model year. Industry sources say Studebaker will end its model run late this month. Chrysler's divisions will wind up early next month with the other makers not far behind.

TO TOP ESTIMATES

Ward's Automotive Reports estimated production for the second quarter at 1,531,400 cars, up slightly from original estimates of 1,478,600. In the first quarter 1,187,200 cars were built.

★ ★ ★

Among the five manufacturers Ford will come the closest to matching its output of the first half of 1960. Ford's estimated total of 1,386,000 cars this year is about 88 per cent of a year ago.

General Motors is next best at 75 per cent, followed by American Motors, 66 per cent; Chrysler, 48 per cent and Studebaker-Packard, 46 per cent.

Industry production for the calendar year is now estimated at around 5.5 million, or very similar to 1959. Last year the total was about 6.1 million.

Production last week bounced back from the Memorial Day shutdowns and totaled 128,476 cars and 24,015 trucks. In the comparable week last year 139,557 cars and 24,914 trucks were built.

WYATTE F. DE LOACHE

Du Pont Official Will Speak on Flag Day at Elks

"The Menace of the Misinformed" is the topic to be discussed by Wyatte F. De Loache, midwest manager of Du Pont Co.'s Extension Division as guest speaker at an annual Flag Day program at the Pontiac Elks Temple tomorrow evening.

★ ★ ★

De Loache, a former newspaperman, has been with Du Pont since 1940 in the public relations field. His headquarters are in Chicago.

Before joining the Extension Division in 1953 he was a plant personnel superintendent, a community relations specialist, and a consultant on industrial journalism.

★ ★ ★

He has traveled extensively throughout the United States, making frequency appearances as a public speakers before civic groups, industrial meetings, educational gatherings and technical societies.

About 2,000 persons per square mile live in India's Ganges valley.

Fears, Tension Cause Disease, Doctor Reports

ATLANTIC CITY, N.J. (AP)—Fears, threats and tensions can lead to diseases of all kinds, says the president of the American Neurological Association.

Dr. Harold G. Wolff, who is also a professor of neurology at the Cornell University Medical College, said Monday overwhelming evidence has been gathered during 30 years of studies to show that nearly all disease involves the nervous system.

He told the annual meeting of the neurological association that researchers believe even such diseases as measles, whooping cough and colds have a psychosomatic basis.

NO. 1 ON THE HEAT PARADE
GAS HEAT

AND FOR VERY GOOD REASONS!

NATURAL GAS IS CLEAN HEAT!

NATURAL GAS IS AUTOMATIC HEAT!

NATURAL GAS IS DEPENDABLE HEAT!

NATURAL GAS IS ECONOMICAL HEAT!

More people than ever are heating with Gas because it is an ideal fuel! Clean-burning Natural Gas makes no smoke or soot, leaves no ashes, and never deposits greasy grime on walls and furnishings.

Silently and automatically, with just a flick of the thermostat, Natural Gas provides wonderful, work-free warmth for home heating. It is a constant, faithful fuel—no storage problems, no worry about running out of fuel. You can't see it, you can't hear it, but it's always there.

The cost of Natural Gas is low and the equipment long-lived with minimum maintenance requirements. With Natural Gas as your automatic heating fuel, you get more for your money. No wonder Natural Gas is the Nation's *Number 1* fuel for heating homes!

Congratulations!

It is with sincere pride that we at The Pontiac Press take this means to express our best wishes to these Newspaper Boys who will graduate from high school and The Press with the "Class of '61."

These young men have attained at this early age two of life's finest possessions. Each has operated a business of his own, profitably, efficiently, completely. Each has recognized the importance of education in his life and in attaining his future objectives and chosen industriously to complete his education through the high school level.

Commendable too, and worthy of note, is the fact that all but five of these young men have plans to continue their education at college or equivalent institutions.

Death Ruled a Suicide for High School Grad

VICKSBURG (AP)—The death of a star high school athlete-musician who was found asphyxiated in his father's car Monday was attributed to a broken romance.

* * *

Maurice (Mike) Maher, 18, who graduated Thursday from Vicksburg High School, was found in the car parked near Sunset Lake two miles south of here Sunday. A hose ran from the exhaust pipe into the car.

* * *

The death was ruled a suicide by Ivor Berry Jr., deputy Kalamazoo County medical examiner.

Chandler Gains Slowly

CULVER CITY, Calif. (AP)—Actor Jeff Chandler, 42, fighting a third setback after spinal surgery May 13, is recovering "very slowly," his secretary said Monday.

AP Photofax

SCHOOLROOM IN RED CHINA — The children sing a song at a school in the peoples' commune on the outskirts of Shanghai in Communist China.

U.S. Births Exceed Deaths by 2.59 Million in 1960

WASHINGTON (UPI) — Births in this country are estimated to have exceeded deaths in 1960 by 2,593,000, the Public Health Service reports.

* * *

This represented a rate of natural increase of 14.4 per thousand population, down slightly from the rate of 14.9 in 1959.

* * *

Summarizing estimated 1960 births, marriages, divorces and deaths, the service's National Office of Vital Statistics came up with these data:

The birth rate per 1,000 population decreased in 1960, compared with 1959, by 2.1

There were an estimated 4,247,000 babies registered during 1960, about 2,000 fewer than in 1959, and an estimated total of 4,295,000 babies, including those not registered, were born in 1960.

MARRIAGE RATE SAME

The marriage rate was unchanged at 8.5 per 1,000 population, with a total of 1,527,000 marriages in 1960 and 1,494,000 in 1959.

The death rate increased by 1.1 to 9.5 per thousand population. by numbers there was an increase from 1,656,814 in 1959 to 1,702,000 in 1960.

There were an estimated 199,633 divorces during 1960 in 34 reporting areas, 4.8 per cent more than the 189,884 in 1959.

The increase was primarily due to improved reporting of divorces in certain states, the service said.

Colombia is the only South American nation which has seaboards on both the Atlantic and Pacific.

Letter Carriers Assn. Plans Retirement Village

LAKE WALES, Fla. (AP)—The National Letter Carriers Association has announced plans for a $4.5-million 500-apartment retirement village.

* * *

The village is to be located on 300 acres of land bordering a lake eight miles east of Lake Wales. Apartments will be rented only to retired letter carriers.

MICHIGAN IS INDUSTRY

What has developed a multi-billion dollar automobile industry in Michigan? The very same advantages that have attracted many other industries to this state—abundant sources of raw materials, a limitless supply of water, unmatched transportation facilities, and a labor force with an average employee productivity that is 18.3 percent above the national average.

Michigan has manufacturing operations in over 80 per cent of the 453 separate industry groups recognized by the U. S. Bureau of Census. A good percentage of these are only remotely related to the auto industry, such as the manufacture of concrete products, office furniture, food products, machinery, transmission equipment, cereal breakfast foods, refrigeration machinery and pharmaceutical preparations. Michigan is Industry—truly diversified Industry.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your comment. Let's talk up Michigan and its advantages for industry. Together we can assure a greater future for all of us.

MICHIGAN IS EVERYTHING FOR INDUSTRY

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

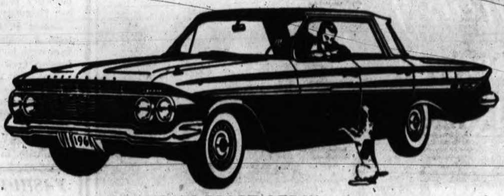
YOU'LL FIND JUST THE CAR YOU'VE GOT IN MIND AT YOUR CHEVY DEALER'S ONE-STOP SHOPPING CENTER

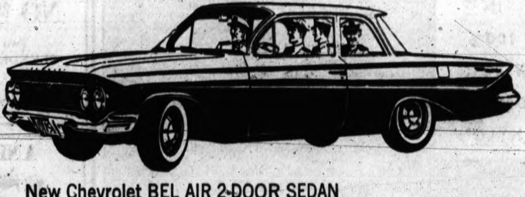
Thirty-one models to pick and choose from! Jet-smooth Chevrolets, fleet-footed Corvairs, the one-of-its-kind Corvette—just name your pleasure. Then stop in for a pleasant visit with your Chevrolet dealer. For full-sized fun, take a look at Chevy's budget-lovin' Biscaynes, ever-popular Bel Airs and always-elegant Impalas. (A tip for top-downers: The Impala Convertible is the liveliest, loveliest ever.) For king-sized wagon fans there are six happy-hauling, vacation-minded Chevrolet wagons. And, for a thrift-car treat, don't miss the nifty selection of easy-handling Corvairs—sedans, coupes, Monzas, and Lakewood and Greenbrier wagons. Take your pick—the easy way. Just one stop at your Chevrolet dealer's does it.

JET-SMOOTH RIDE
CHEVROLET



New Chevrolet IMPALA SPORT SEDAN

One of five delightful Impala models with just about everything anyone could want in a car. Here's top-of-the-line luxury *and* practical features like Chevrolet's handy deep-well trunk —at a sensible Chevy price.



New Chevrolet BEL AIR 2-DOOR SEDAN

Like all Chevrolets, this family favorite brings you Body by Fisher craftsmanship and a road-gentling Jet-smooth ride with Full Coil suspension . . . priced just above the thriftiest full-sized Chevrolets.

CHEVY'S traditionally high resale† means it costs less in the long run

People who've owned Chevrolets will tell you it's almost like having your cake and eating it, too. It's because these people-pleasing Chevies keep on bringing more trade-in money than any other full-sized car in their field. One more built-in reason for going Jet-smooth Chevrolet. Happy motoring. And many happy returns!

†Based on prices in the National Automobile Dealers Association official USED CAR GUIDE, recent-model Chevrolets are now bringing a higher percentage of their original price than any other full-sized car in their field.

See the new Chevrolets at your local authorized Chevrolet dealer's One-Stop Shopping Center

Vallad-Cliff Wedding

Say Vows in Owosso

Areca palms, white gladioli, snapdragons and pompons decked the chancel in Pilgrim Holiness Church in Owosso, for the Saturday evening vows of Janet Kay Cliff to Robert E. Vallad. Dr. Floyd McCallum read the candlelight ceremony assisted by Rev. M. L. Goodman.

Daughter of the Forest Cliffs of Owosso, the bride wore bouffant white Chantilly lace and an illusion veil held by a jeweled lace crown. A lavender orchid, combined with stephanotis and mist ivy, rested on her lace-covered white Bible.

Mrs. George Bailey of East Lansing, honor matron, appeared in orchid chiffon and carried matching carnations, sweetheart rosebuds and silvered ivy in a plateau basket. In identical dresses were bridesmaids Kathleen Cliff and Naomi Sandberg of Owosso, Beverly Cliff of Applegate and Eleanor Vallad. Their Dior head bows were of chiffon and they carried baby pink carnations, white pompons and natural ivy.

* * *

Flower girl Shannon Cox of Owosso wore white chiffon.

Richard Vallad stood as best man for his brother. They are the sons of the Ervin Vallads of Pompey Drive, Waterford Township. Ushering were Jerry North, Clarkston; Robert Nettleman, Eaton Rapids, Gary Root and Richard Taylor.

* * *

Leaving on a Canadian honeymoon, the new Mrs. Vallad was wearing an Italian silk print sheath dress. She is a graduate of Owosso College where her husband is enrolled. He served four years with the U.S. Marines.

MRS. ROBERT E. VALLAD

* * *

Susan Ellen Voorheis Says Vows

Dr. Harold C. DeWindt officiated at the candlelight vows of Susan Ellen Voorheis to Siegfried Lahm of Mansfield, Ohio, Sunday afternoon at Kirk in the Hills, Bloomfield Hills.

Joining the bride's parents Mr. and Mrs. Frank E. Voorheis at a reception in their home on Bennington Drive, Bloomfield Hills, were the Rev. and Mrs. Karl Lahm of Mansfield, parents of the bridegroom.

* * *

Chantilly lace, accenting the bride's bouffant gown of white silk organza styled with chapel sweep, was repeated in a crown of pearl blossoms which held illusion veiling. A green cymbidium orchid centered her bouquet of white roses, stephanotis and ivy.

Joan Lahm, sister of the bridegroom and Barbara Breien of Birmingham serving as bridesmaids, wore moss-green silk organza. Maid of honor Hannah Holiday of Detroit was in lavender. They wore ivy wreaths and carried pink rosebuds with stephanotis.

On the esquire side were best man Jack Gugotos of Mansfield, groomsmen John Mann of Springfield, Ohio, and Robert Johnson of Alva, Pa., with ushers William Steckler of Indianapolis and George Fisher of Newcastle, Ind.

The bride is a graduate of Kingswood School Cranbrook and Wittenburg College, Springfield, Ohio, where Mr. Lahm is a senior. The honeymoon destination was Mackinac Island.

* * *

White cymbidium orchids complemented Mrs. Voorheis' ensemble of bittersweet pink Chantilly lace over taffeta. Mrs. Lahm pinned pink rosebuds to her costume suit of grey silk print.

MRS. SIEGFRIED LAHM

Past Grands Meet Tonight

The Past Noble Grand Club of Welcome Rebekah Lodge No. 246, IOOF, will meet at 6:30 tonight in the home of Mrs. Richard Young on Hummingbird Street, Clarkston.

* * *

The lodge's sewing circle will meet at 12:30 p.m. Thursday in the North Jessie Street home of Mrs. Lawton Gallaway.

Fifty-six members attended Thursday's lodge meeting in Malta Temple. Mrs. Richard James was elected lodge deputy. Initiates were Mrs. Beulah Anderson and Mrs. Robert James.

'Fur' Below Waist

(UPI)—Women's Wear Daily reports the dropped waistline is one of the new themes New York commercial fur stylists are showing for fall.

Generally, it is hinted at, rather than definitely marked, with low placement of belts and pockets.

* * *

William H. Thomases on Honeymoon in East

Cape Cod is the honeymoon destination for William H. Thomas of Waterford and his bride, the former Helen Elaine Iliades, who pledged vows before Rev. Gus Tsompanas Sunday afternoon in St. George Greek Orthodox Church.

The couple, with their parents, Mr. and Mrs. Elias Iliades of South Genesee Avenue and the Glenford Thomases of Waterford, greeted friends at Glen Oaks Country Club.

Triple tiers of silk illusion fell from a jeweled crown over the bridal gown of white Chantilly lace and pleated nylon ruffles. A purple-throated white orchid centered the cascade bouquet of white butterfly roses and stephanotis.

White lace fans topped with orchid carnations complemented lavender silk organza over pink Chantilly lace for the bridesmaids.

Mrs. Sam Iliades attended her sister-in-law with Maria Cosma and Mrs. John Glove of Troy. Maria and Dellena Iliades served their aunt as junior bridesmaid and flower girl.

Mary Iliades, her sister's honor maid, wore lavender organza and held matching carnations atop a large fan. Georgiana Anargyros of Detroit, in purple organza, was koumbare. Her flowers were white orchids.

Glenn Thomas was best man for his brother. Sam and Mike Iliades, Zacky Athanas and Demetri Asim ushered. Louis Iliades, nephew of the bride, carried the crowns Sammy Ilides, the bride's nephew was ring bearer.

White cymbidium orchids accented Mrs. Iliades' powder blue silk organza dress and havy organza for the mother of the bridegroom.

MRS. WILLIAM H. THOMAS

Don't Drag Feet

To be light on your feet, you must pick them up and put them down again. The girl who shuffles through the school halls and classrooms will probably shuffle on the dance floor, too.

St. Joseph Auxiliary in Election

Mrs. John S. Mahony was elected president of the St. Joseph Mercy Hospital Auxiliary at the group's annual meeting and election of officers Monday morning. Members met in the McAuley School of Practical Nursing.

* * *

Serving with Mrs. Mahony will be vice presidents Mrs. John R. Davis, Mrs. Peter Davidson, Mrs. H. Guy Moats, Mrs. Ralph L. Polk, Mrs. Henry M. Simpson and Mrs. John Wood.

Other new officers are Mrs. John C. Maddox, recording secretary; Mrs. Harwood Bacon, corresponding secretary; Mrs. John Reid, treasurer; and Mrs. Herbert N. Watson, parliamentarian.

Mrs. Ralph L. Polk was nominating committee chairman, assisted by Mrs. E. A. Christie and Mrs. H. Guy Moats.

An honorary life membership was granted the retiring president Mrs. Walter Williams.

Mrs. Christie presided as tea hostess at the social hour which followed the business session.

Message From U. of Michigan

By SHARON WARREN

The "Diag," the Brown Jug, the fish bowl, the tennis courts, the dormitories — all of the familiar places on the university campus which are usually teeming with students are beginning to look deserted. The last day of the final examination period is June 13, but many students completed their exams early and have left to spend a summer at work, at play, and/or at school. Approximately 3,700 degrees will be granted at the 117th Commencement on June 17. Edward R. Murrow, United States Information Agency chief, will be the principal speaker.

* * *

Two-thirds of the June graduating class of the University of Michigan Medical School will take internship training at Michigan hospitals. The university expects to award the doctor of medicine degree to 178 men and women. Senior students from Birmingham include Martin M. Abbrecht, Martin J. Albion, Alice Basford, Ross D. Fletcher, Willis H. Stephens Jr.

Ralph E. Cadger of Bloomfield Hills and William Simpson of Lancaster Street also are taking medical degrees and have found hospital positions. Simpson will intern in St. Petersburg, Fla.

* * *

Thirty-four students in the University of Michigan Department of Journalism were recognized at an honors and awards assembly. They received honors for high scholastic achievement, scholarships, and membership in Kappa Tau Alpha, national honorary professional journalism fraternity.

James P. Cattey and Victoria A. Nunneley of Birmingham were both awarded membership in Kappa Tau Alpha.

Jim also received a cash award to pay a part of summer internship tuition. Victoria was granted a McNaught Award, given for excellence in the field. She was also given a Certificate in Journalism for high scholastic achievement. Gordon Dropps of West Brooklyn Avenue also earned a Certificate in Journalism.

* * *

Sandra Hilderly of Joy Road and Carol Petroff of Cherokee Road worked as student director-composers of dance routines used by the Michifish in a public swimming exhibition. Michifish was one of several mermaid organizations appearing in the program.

More than 1,500 University of Michigan students have signed a 15-foot letter, supporting United States Department of Justice action in the racial turmoil arising from the south "freedom rides."

* * *

Written by student, Michael Zweig of Birmingham for the Ann Arbor chapter of the Congress on Racial Equality, it will be mailed to Atty. Gen. Robert F. Kennedy, with another letter, prepared by the Detroit CORE group.

Emeritus Club Sets Initiation

The University of Michigan Emeritus Club will initiate 200 new members at Ann Arbor Saturday.

* * *

The club honors alumni whose classes graduated 50 or more years ago, together with emeritus professors at the university.

* * *

Pontiac honorees are Dr. Harvey Campbell, Edwin A. Hollister, John E. Linabury and Rev. John C. Sullivan.

* * *

Augusta M. Bookmyer, William A. Da Lee and Pauline A. Wittwer (Mrs. Da Lee), all of Birmingham, also will be inducted by the club.

Sutherlands Honeymoon After Saturday Wedding

Motoring in the midwestern states on their honeymoon are the junior Frank J. Sutherlands who were married Saturday afternoon at St. George's Romanian Orthodox Church. Rev. Niculea Savulescu officiated.

Mr. and Mrs. C. N. Baba of Fernbarry Drive, Waterford Township, were hosts at the church reception for her daughter, the former Sandra Joyce Richman. The bridegroom is the son of Mrs. Frank Sutherland of Drayton Plains and the late Mr. Sutherland.

* * *

Fashioned of white nylon sheer over satin, the bride's gown featured a molded bodice, bouffant skirt and chapel train. Pure silk illusion veiling was caught by a crown of pearls and crystals. She held a semicascade of white roses, carnations and Baker's fern.

Magdalene Dura acted as nasa, wearing deep olive pleated organza over a matching organza sheath. Her flowers were yellow roses and carnations, John Dura acted as nasu.

* * *

Attending their cousin as bridesmaids were Violet and Julie Baba and Andrea Tynan. They wore bouffant aqua lace over matching silk taffeta sheaths and carried pale pink carnations. Brenda Sue Baba was her sister's flower girl and Timothy Tynan carried the rings.

Guests were seated by James Dean and J. L. Bigelow both of Drayton Plains and Donald Minton of Waterford.

* * *

Mrs. Baba wore white lace, pink accessories and pink carnations. Dark brown accessories accented Mrs. Sutherland's beige silk eyelet organza. Her corsage was yellow and white carnations.

MRS. F. J. SUTHERLAND JR.

Try Short Jacket

(UPI)—Don't spoil the effect of a full skirt by putting a full jacket over it. Instead, try a neat, waist-length jacket.

OES to Attend Degree Rite in Canada

Seventy members and guests of Pontiac Chapter 288, Order of the Eastern Star, met at the Masonic Temple on East Lawrence Street Monday evening.

Mrs. Clarence D. Curry, worthy matron, reminded officers of the exemplification of the degrees on June 21 at London, Ont. Members have been invited to attend the meeting, for which buses will be chartered.

* * *

Mrs. Ruby Cummings will be a guest as Electa at the Areme Chapter meeting June 19, and Mrs. Clayton Randolph will be guest chaplain at Birmingham Chapter's meeting June 21. Mrs. Joseph Minton, associate matron, and Sylvan Clark, associate patron, will be guests of Farmington Chapter on June 27.

A proficiency class of two members, Mrs. Ray Howard and Mrs. Agnes Stinson, was presented by Charles H. Moore, worthy patron.

Mrs. A. J. Latoza, chairman of refreshments, was assisted by Mrs. Ray Howard, Mrs. John Tieken, Mrs. Sylvan Clark, Mrs. Mabel Reynolds and Mr. Clark.

At St. Trinity Church

Karen Lavery Married

MRS. JOHN E. SMITH

Before an altar banked with white snapdragons, pompons and carnations in St. Trinity Lutheran Church, Karen Annette Lavery pledged vows to John E. Smith in a Saturday evening ceremony. Rev. Ralph C. Claus officiating.

The Galen Laverys of Pioneer Drive were hosts at their daughter's reception in the Knights of Columbus Hall.

Illusion veiling held by a queen's crown of sequins and pearls billowed over the bridal gown of white Chantilly lace and tulle. Seed pearls and sequins accented the sabrina neckline and tiered ruffled skirt that cascaded into a chapel train. White roses and stephanotis rested on the bride's prayer book.

Barbara Atwell attended her cousin as maid of honor, wearing ballerina-length blue and white taffeta. She held a semicascade of pink roses.

James Smith was best man for his brother and Joel Smith ushered. They are the sons of the Elbert W. Smiths of South Marshall Street. Also seating guests was George Caverly.

The new Mrs. Smith attended Kalamazoo College and her husband studied at Lawrence Institute of Technology. Returning from a motor trip along the Lake Superior Drive, the couple will occupy a new home in Drayton Woods.

Gardenias complemented Mrs. Lavery's pink silk linen sheath dress and a peacock blue silk sheath for the mother of the bridegroom.

BPW Hears Program

The Pontiac Business and Professional Women's Club held its June program meeting Sunday at the Rotunda Inn.

Mrs. Harry Randall presided at the initiation of new members, introducing Mrs. Hazel MacGirr, who read the history of BPW clubs, their purpose and aims.

Vera Bassett and Mary Eleanor Lockman presented the emblem ceremony before installation of officers by Mrs. Norman Dyer.

The group's new leaders are Mrs. M. D. Stapp, president; Mrs. Leo McDonald, first vice president; Marguerite Buckley, second vice president; Mrs. E. C. Carlson, recording secretary; Bernice Berger, corresponding secretary; Mary Pauli, treasurer; and Vera Bassett, auditor.

Board of directors members are Mrs. Harry Randall, Mrs. Fritzi Stoddard and Rosamond Haeberle.

Miss Haeberle was presented a past presidents' pin.

SEVERAL GUESTS

Special guests were Mrs. Harry Campbell, past chairman of District 10, and Karen Kessler, of the club's scholarship, with her mother Mrs. Frances Zalants.

Other guests were Mrs. Frances Crosby, Mrs. Thomas McCleary, Mrs. Harry Locke, Mary and Janet Heitsch, Lola Kemp and Marsha Stapp.

A welcome was extended to Mrs. William E. Todd, 93, a life member. Mrs. Todd, who wore an old-fashioned white gown in keeping with Pontiac's Centennial theme, presented a message in verse for the club.

Members initiated were Mrs. G. A. Flessland, Dr. Mary Guthrie, Margaret Harths, Bonnie Davidson, Lucinda Wykoff and Clara Disbrow.

Members and guests saw a display of the club's scrapbook during the evening. The committee in charge of the event was composed of Mrs. Harry Randall, Mrs. George Pudduck, Mrs. John Dow and Mary Eleanor Lockman.

TBI Women Select Workers

Members of the TBI Women's Club (graduates of The Pontiac Business Institute) were guests of Mrs. William Kovin of Knollwood Drive Saturday afternoon.

In the absence of the president, the vice president, Mrs. J. Frank Coad conducted the business meeting. Committee chairmen and workers named were Mrs. Charles Van Trease, telephone, assisted by Mrs. Charles H. Garman and Mrs. Don Beutler; Betty Whitson, membership, with Betty Upchurch and Patricia Wagner assisting; Mrs. Coad, publicity, assisted by Mrs. Sol Lomerson and Mrs. Lillian Quayle; and Mary Parker, house, working with Mrs. Max Clymer and Mrs. Walter Gingell.

Others appointed were Mrs. Beutler, ways and means, assisted by Mrs. William Kovin and Mrs. Adeline Reeder; and Mrs. Coad, program chairman, whose assistants are Mildred Gingell and Marie Schimmel.

The club's guest speaker was Hetty Knippen from the Netherlands, an exchange student who was graduated with Avondale High School's 1961 June class. Miss Knippen, who has been staying with Mr. and Mrs. Robert E. Runser of Rochester, compared the youth in her country with American teen-agers and explained some of her native customs. She will return to her home in August.

Pupils Give Recital on Piano and Organ

Piano and organ pupils of Mrs. Ruth Kelly were presented in a recital at Gallagher Music Studio Sunday.

Piano selections were played by Linda Shelton, James Shelton, Pamela Crowder, Dennis Farnsworth, Richard Chidester, Tony Merschell and Billy Betts.

Others playing the piano were Theresa Hunt, Donna Straton, Tom Rais, Cecelia Hunt and Mari Hampartzoomian.

Organ solos were offered by Ann McLean, Wendy Hall, Rosalie Coulson, Janette Kuhn and Neisa Ferrier.

SHARON KAY BAIN

Sharon Kay Bain, daughter of the Kenneth Bains of Middle Belt Road, was graduated from Central Michigan University with a bachelor of arts degree. She was affiliated with Alpha Xi Delta Sorority.

Know Your Knees

Coming in for summer: the beach dress, cut short and straight just to the knees. But if your knees aren't pretty, stay away from this one. It's meant to call attention to your legs.

Abby's Wise to Foxy Spouse

You Don't Need an Excuse! Tell Your Hubby She Goes

By ABIGAIL VAN BUREN

DEAR ABBY: About a year ago my husband started bringing a woman home from his office to do extra work. Then he asked me to make the den into a bedroom for her as he thought it was dangerous for her to drive home alone at night.

ABBY

I did this, thinking it would last only a little while. Now the woman is making her home with us. She bosses the children around, and has practically taken over my house.

My husband said she is smart and I should listen to her ideas.

Last night when he suggested I take the children and spend the summer with my parents (600 miles away), I realized I had been a big fool.

Abby, I want that woman out of my house. I love my husband and don't want to lose him. What excuse can I use?

TOO TRUSTING

DEAR TRUSTING: You don't need an "excuse"—you have good reasons. Without pointing an accusing finger, tell your husband you want that woman OUT of your home immediately.

Don't threaten him and don't make a scene. Explain that it is your love for him and your family that makes it impossible to tolerate a "live-in" guest at your home.

★ ★ ★

DEAR ABBY: Won't you please say something about people who buy birds as pets and mistreat them?

I have actually had people say to me, "Our canary fell in the dishwater and was drowned." Or, "Our parakeet flew into the open fireplace and got burned up." Or, "The cat got it," Or, "The dog got it."

I once knew a man who used to give his parakeet vodka just to see how it would act. This same man is big and strong and, just because the bird pecked him on the ear, he knocked the bird down and broke its wing. Can you tell me why birds are the most abused of all pets?

BIRD LOVER

DEAR LOVER: Not all pet birds are abused—only those unfortunate enough to belong to people who belong in cages.

★ ★ ★

DEAR ABBY: I hope this settles your argument about the Southerners who say "you all." They never use it to address ONE person.

For example: In Act Two of Shakespeare's "Julius Caesar" Anthony said, "Friends, I am with you all and love you all." Also in his famous funeral speech, Anthony said over Caesar's body, "You all did love him."

And in the Holy Bible, Paul, writing to the Philippians, said, "I thank my God upon every remembrance of you all . . . always in every prayer of mine for you all."

Crystal clean, isn't it? Now, if anyone from Brooklyn, who thinks it is proper to say "youse guys" will write to me, I'll straighten him out.

SOUTH CAROLINA

CONFIDENTIAL TO "NEVER ON TIME:" "Better late than never. But better never late."

★ ★ ★

Everybody has a problem. What's yours? For a personal reply, write to Abby, Box 3365, Beverly Hills, Calif. Be sure to enclose a stamped, self-ddressed envelope.

★ ★ ★

A lovely wedding need not be expensive. For Abby's pamphlet on "How to Have A Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.

Bluing's Cosmetic

Bluing is a "cosmetic" which makes yellowed fablics look white. It does not clean the clothes. This can be done only with plenty of soap or detergent suds.

Bringing Up Baby.

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

June may be the time when croon and moon make a pretty rhyme, but practically speaking, it's the time for mothers to think of energy-saving tips during heat waves.

- No-iron fabrics for baby will lessen your ironing load. Baby does best with a minimum of duds.
- Try to get your big chores done in the cool of the morning. Catch a cat nap while baby's a-snooze.
- Plan simpler meals for both baby and the family.

Summer sextette in the key of C. Easy way to take some of the sizzle out of summer; give baby his daily ration of vitamin C. Serve any one of 6 refreshing Gerber Juices: Orange, Apple, Apple-Cherry, Orange-Pineapple, Pineapple-Grapefruit and Orange-Apple—all rich in vitamin C for sound gums and body tissues. Wonderful when served as a solo snack—extra special when served to toddlers with Gerber Junior Cookies in the new animal shapes.

Travelogue. Traveling to a vacation destination by car this summer? If you're in the vicinity of Fremont, Michigan, Oakland, California, Asheville, N. C., Rochester, N. Y., or Niagara Falls, Canada, why not visit one of the Gerber plants and get the grand, guided tour? The welcome mat is always out.

Summertime suppers or lunches are especially lip-smacking when topped off with Gerber Strained or Junior Fruit. Flavors are sun-kissed good, colors eye-appealing. And, of course, they're prepared to preserve the utmost in nutritive values. Gerber Baby Foods now come in the new Wide-Top* jars with Quick-Twist* caps and Shop-Easy labels with the variety name right at the top. Gerber Baby Foods, Fremont, Mich. *T.M. ©PC

Come On, Fido! Get Into Contest at Miracle Mile

After the Centennial parade Saturday afternoon, Pontiac youngsters can enter their dogs in a big contest at Miracle Mile Shopping Center, sponsored by the Miracle Mile Association and the Ken-L-Ration Division of Quaker Oats Co.

The program, including a demonstration by the Southern Michigan Obedience Training Club, will begin at 6:30 p.m. in the parking area at the J. C. Penney Store.

There'll be numerous prizes and ribbons, including a watch as the grand prize, a flash camera for the runner-up and a "Paint-a-Dog" kit for third place.

Contests will determine which dog has the longest tail, or the most spots, or is the best groomed, or performs the best trick or wears the best Centennial decorations.

Any dog, mongrels included, is welcome in the contest.

State Jobless Down 130,000

Figure Below 10 Pct. of Labor Force First Time This Year

DETROIT (UPI)—Unemployment in Michigan fell off 130,000 within a two-month period up to May 15, the Michigan Employment Security Commission said today.

The MESC unemployment as of May 15 was 292,000 as compared with 422,000 on March 15, a fall of 36 per cent. It was the first time this year unemployment had dropped below 300,000, or 10 per cent of the labor market.

The greatest number of returning workers were in the automotive industry, MESC Director Max M. Horton said.

The 292,000 unemployment of May 15 was 9.8 per cent of the labor force. The 422,000 of March 15 was 14 per cent.

In the metropolitan Detroit area jobless workers were reduced by 58,000 over the 60-day period.

Horton attributed the upturn to three factors: (1) the spring increase in automotive production; (2) a substantial improvement in construction and other nonmanufacturing industries; and (3) the effects of the MESC's "hire now" campaign.

Lady of the Lakes Team to Use Waterford Field

The Waterford Township Board of Education has granted a request of Our Lady of the Lakes High School to use the Waterford High football field Sundays, Sept. 17 and Oct. 1, 15 and 29.

The parochial school's football team has home games scheduled on those days.

To Buy 4 Cars for Patrol Use

Waterford Twp. Board to Open Bids on Autos; Also on Insurance

Four new patrol cars will replace worn out vehicles in the Waterford Township police department, by Township Board action last night.

* * *

Bids will have two alternatives, one, out-right bids and the other to take the older cars as trade-ins. Bids will be received June 26.

Sealed bids for workmen's liability compensation insurance policies will also be opened June 26.

Clerk James E. Seeterlin was authorized to present cost estimates and date for blacktopping Tyron Street. Township engineers Johnson & Anderson presented an estimate of $12,310 for the project and July 3 was set for the public hearing date.

The township will match $4,900 in funds with the Oakland County Road Commission for the extension of a sewer drain on Exmoor Street from Lakeside Drive to Elizabeth Lake Road.

The low bidder in quotations for nine gate wells for the water department, Ray L. Welch was awarded a contract for $2,925.

A special meeting was scheduled with Seeterlin and Fire Chief Elmer R. Fangboner today to set up specifications for purchase of a new fire chief's car.

* * *

The board approved purchase of 500 feet of 2½-inch fire hose at a cost of $1,000, and Police Chief Tyron Street. Township engineers liam Stokes were authorized to attend the Michigan Police Chiefs Convention at Charlevoix June 26, 27, and 28.

Township attorney Paul Mandel will present a redraft of the Waterford Township traffic violations ordinance within the next two meetings.

Lana's Daughter Vanishes After Trouble With Law

BEVERLY HILLS, Calif. (AP)—Actress Lana Turner's teen-age daughter Cheryl Crane, who fatally stabbed playboy Johnny Stompanato in her mother's home here in 1958, is missing.

Police say Cheryl, now 17, failed to appear before juvenile officials to explain her arrest early Sunday morning. Police had found her with two drunken teen-agers.

* * *

Authorities said Cheryl left a note at the Malibu Beach ranch home of her stepfather, Fred May, indicating she had disappeared "for a few days to think things over."

* * *

Miss Turner said Monday night she hadn't seen Cheryl since finding the note.

* * *

Cheryl was booked Sunday under juvenile laws when patrolmen answered a prowler call at the home of her grandmother, who wasn't home. The officers said Cheryl was entertaining two other girls, Rachel Sanchez, 18, of North Hollywood, and a 16-year-old minor.

Bolted Rodeo Bull Strangles Itself

A 1,400-pound rodeo bull that fled into the Highland Recreation Area in White Lake Township over the weekend died of strangulation yesterday during efforts to recapture it.

The owner of the Brahma bull, Duke Dennison, who operates a ranch and rodeo at 5500 Highland Road in the township, said he managed to lasso the bull in the park but that the animal tangled the rope around a tree and was strangled before they could release it.

* * *

Dennison said the bull, used for bucking contests in rodeos, was worth $2,000. The bull had escaped its enclosure on the ranch and took refuge in the heavily wooded state park when pursued.

Drop in Wind Saves Villages

Newfoundlanders Use Pails of Water to Keep Fire From Cottages

HARE BAY, Nfld. (UPI) — A forest fire that threatened to destroy two tiny Newfoundland fishing villages appeared to be under control today.

* * *

Fire officials said the battle against the blaze could be considered won if no sudden wind blows up.

The fire destroyed six miles of timberland before encircling Hare Bay and nearby Dover, forcing the evacuation of all women and children — more than 100 persons altogether.

Sheer determination by more than 1,000 tough Newfoundland fishermen and firemen was credited with halting the inferno as it edged toward the town's homes and shops.

* * *

Many of the townspeople used buckets of water to fight the blaze and save their cottages.

The women and children removed to Gander 10 miles away last night began to return at dawn.

Fire officials said the men were about to give up their battle when there was a drop in the wind and they began to make headway in halting the flames.

* * *

Twenty-one pumps still were playing water on the fire and many of the men dropped to the ground exhausted and slept where they fell.

Drowns in Gravel Pit

FLINT (UPI) — Bernard Williams, 17, of Flint, drowned Monday in a gravel pit in nearby Genesee Township. Friends said Williams, a nonswimmer, got into water over his head.

Oakland County Area School Vote Sees Upsets

Several upsets of incumbent board of education members were recorded in yesterday's annual school elections in the Oakland County area.

In most cases, however, the balloting was light with usually no more than two candidates running for the one or two posts open.

Following is a roundup of the elections where the races were small and no major issues were at stake:

Troy

Richard C. Snoad was successful in his initial bid yesterday to win one of the two seats available on the Troy Board of Education.

He polled 175 votes to beat incumbent Robert A. Meade who was only two votes behind with 173.

The other incumbent seeking re-election was Robert W. Dolmage who led the field with 213 votes. He and Snoad will serve four year.

Oxford Area

A comparatively small turnout of voters yesterday elected Robert L. McWilliams and Roe E. Sausser to the two four-year posts open on the Oxford Area Board of Education.

McWilliams received 155 and Sausser, 129, to outdistance board appointee James N. Woon, who also was a candidate. Woon polled 110 votes. A total of 206 votes was cast.

Southfield

Will J. Oliver, a veteran of 13 years on the Southfield Board of Education, was soundly defeated in yesterday's annual school election running a poor fourth in a field of five.

Elected to the two four-year terms were Kenneth Larsen, who polled 1,047, just one vote more than incumbent board member Theodore E. Minke, who received 1,046.

Other results were S. S. Zwiren, 580; Oliver, 475; and Mrs. Irene E. Gase, 222. Oliver is currently serving as board treasurer.

Only 20 per cent of the registered electorate went to the polls, or approximately 3,500 out of 15,000.

Walled Lake

Richard S. Miles won a four-year term on the Walled Lake Board of Education, upsetting incumbent Walter Horstman in his bid for re-election.

Miles polled 240 votes with Horstman receiving 100.

NEWS OF THE AREA

Clarkston

Four-year terms on the Clarkston School Board were won by Keith L. Leak, incumbent, and Harold L. Hicks.

Leak and Hicks received 196 and 173 votes, respectively against 160 garnered by their opponent, Mrs. Lucia Wilford.

Mrs. Wilford was the first woman to run for school board office in Clarkston in 20 years.

Holly

Unopposed incumbent John C. Fisher polled 38 votes to retain his seat on the Holly Board of Education. His new term is for four years.

Jack Bennett, also unchallenged, was named to the one-year term on the school board. He received 36 votes.

Dublin

Re-elected to a three-year term on the Dublin Board of Education was Frederick T. Corliss. He received 42 votes against 20 polled by his lone opponent, Eric L. Spitler.

W. Bloomfield

The two four-year terms on the West Bloomfield Board of Education went to Jack Shuler, incumbent, and Mrs. Kathleen Kjolhede. Shuler and Mrs. Kjolhede received 131 and 137 votes, respectively. They were unopposed.

Lyon

Incumbent J. W. Erwin retained his post on the Lyon Board of Education by polling 216 votes, the highest tally among a field of eight candidates seeking two four-year terms.

Winning the other school board post was Donald Riddering. He received 204 votes.

The unsuccessful candidates and their votes were Rita Chenoweth, 181; C. F. Grimes, 160; Alfred B. Ueker, 150; Josephine A. Allen, 85; Gordon Bunn, 76; and Elsie F. Kitter, 20.

Farmington

Farmington Board of Education posts were won by incumbent Patricia Dates and Herbert R. Neal. In winning the four-year terms the incumbent received 1,072 votes and Neal 1,058.

The unsuccessful challengers, Michael J. Hand and Richard F. Hug, polled 562 and 544 votes, respectively.

The reclassification from a fourth-class to a third-class school district was approved by Farmington School District voters by a vote of 1,067 to 351.

The change had been requested because of increased population in the school district.

Lake Orion

A one-vote margin yesterday gave challenger Ernest N. Shagnea a victory over incumbent Charles Carpenter in the race for a single four-year term on the Lake Orion Board of Education.

Shagnea won his first term on the board by collecting 145 votes to Carpenter's total of 144. A third candidate, Robert Fetterly, polled 67 votes.

Clarenceville

Fred T. Bailey retained his seat on the Clarenceville Board of Education, defeating Melvin Kuehn by a vote of 292 to 173. Bailey won a four-year term.

Dr. Samuel Prisk, unopposed incumbent, was named to a two-year post on the school board. He received 420 votes.

Clarenceville voters gave approval for the establishment of a Community College with a vote of 344 to 166 and named Paul Mutnick to the college board of trustees.

Mutnick, unopposed, tallied 317 votes.

North Oxford

Mrs. Belle Place, who was appointed president of the tiny North Oxford School District last year, was elected to that position at the district's annual meeting last night.

Mrs. Place was unchallenged for the post. She will serve three years.

Romeo

Philip A. Berthiaume, the present secretary of the Romeo Board of Education, won re-election to his third term on the board yesterday by defeating Thomas J. Schultz.

Berthiaume totaled 256 votes to win the single four-year vacancy on the school board. Schultz, who was making his first bid for school office, lost out with 218 votes.

Reject Millage, Tenure Return Ex-Superintendent

Avondale School District voters yesterday turned down requests for operational millage and teacher tenure while electing the district's former school superintendent to the board of education.

* * *

The election of Raymond N. Baker, who was ousted in 1959 after serving 13 years as superintendent, was one of the biggest upsets in Oakland County.

Baker, an unsuccessful candidate last year, totaled 270 votes yesterday to lead all candidates seeking the two vacancies on the board.

Baker and David W. Hackett both won four-year terms. Hackett, who will be serving for the first time, received 267 votes.

* * *

Incumbent Robert C. Sipperly failed to win re-election and finished last in a field of six candidates with 173 votes. Other defeated school board hopefuls and their totals were James E. Fehlberg, 200; Raymond R. Connors, 196; and Herman C. Douglas, 176.

The proposition which asked permission to levy a 6.5-mill operational tax for five years was rejected by 383 voters and supported by only 259.

School Supt. Leroy R. Watt said the defeat of the proposal will mean a loss of $160,000 in millage and state aid in next year's budget.

TO MAP NEXT STEP

Watt said he expected the board of education would meet soon to decide its next step now that the millage is defeated He explained that the 1961-62 budget was based on acceptance of the millage request by the district's electorate.

The school board stated prior to the election that the millage proposal, if approved, would have increased the voted tax rate in the district by 2.6 mills over the 1960-61 levy.

The district's rate for debt retirement would have been reduced by nine-tenths of a mill. Three mills of the total on the ballot would have continued operational millage approved five years ago which expired in December.

* * *

The proposition which would have established teacher tenure in the district came within one vote of being passed last year, but it was soundly defeated yesterday.

The tenure issue, supported by Avondale teachers and the Michigan Education Assocation, lost out by 128 votes, 390 to 262.

SHIRLEY E. WOODCOCK

An Aug. 26 wedding is planned by Shirley E. Woodcock and Earl C. Gottschalk Jr., whose engagement is announced by the bride-elect's parents, Mr. and Mrs. Gilbert T. Woodcock of 317 Park St., Lake Orion. The prospective bridegroom is the son of Mr. and Mrs. Earl C. Gottschalk of Saginaw.

Oak Park District OKs $3.5 Million School Bond

OAK PARK — Voters in the Oak Park School District yesterday approved a $3.5 million bond issue for school construction and expansion by a substantial margin of 209 votes.

The total tally was 1,021 yes to 812 no.

The money raised by the bond issue will be used to build a 55-room junior high school and additions to two elementary schools.

This is the tenth time in as many years that voters in this school district have approved funds for educational facilities and operation.

In the race for the 2 four-year posts on the Oak Park Board of Education winners were Leland Smith who garnered 1,108 votes a Selma Shargel with 969.

Julius Passerman was out of the running with 813 votes trailed by Lionel E. Spoon with 493 and Seymour Smelsey with 358.

Union Lake Club to Meet Saturday

UNION LAKE — The annual dinner and installation of the Union Lake Business and Professional Women's Club will be held 7:30 p. m. Saturday at the LaViean Dining Room in Waterford Township.

Taking office that night will be Marian Fraser, president; Pat Ouellette, vice president; Carolyn Embree, recording secretary; Sarah Paklaian, corresponding secretary; and Christine Reasor, treasurer.

Fran Leaf of the Keego Harbor Business and Professional Women's Club will be the installing officer.

Capt. Charles Leaf of the Michigan State Police will be the guest speaker.

Defeat Pay and Union

MUSKEGON (AP) — Voters have backed a City Commission stand with defeats of two proposals involving holiday pay for all salaried city employes and union organization for municipal workers.

Half-Mill Tax Okayed for Handicapped Kids

LAPEER — A permanent half-mill tax which will be levied in all Lapeer County school districts was approved by a margin of 523 votes in the annual school elections yesterday.

A light turnout of voters yesterday passed the issue, 1,615 to 1,092. The special levy will raise about $38,000 per year in the county for education of mentally and physically handicapped children.

Voters Approve Issue of Bonds

Brandon District OKs $395,000 Project by 24-Ballot Margin

ORTONVILLE — A $395,000 bond issue to finance extensive construction and remodeling projects in the Brandon School District was approved by a 24-vote margin in yesterday's school election.

The second issue on the ballot, a request to set salaries for board of education members at $240 per year, passed by 114 votes, 292 to 178.

Incumbent Harold Webb, who was unchallenged for a single four-year term on the Brandon Board of Education, won re-election with 424 votes.

The bond issue received 239 yes votes to 215 no.

Approval by the district's electorate will allow school officials to go ahead with plans for adding 11 new classrooms and a library at Brandon High School and three new classrooms, a library and extra storage space at Belle Ann Elementary School.

* * *

The 51-year-old junior high school in Ortonville will be closed and students attending classes there will be transferred to the new additions when the work is completed.

Both the high school and elementary school will be remodeled with funds available from the sale of bonds.

* * *

School officials say the new method of paying board members will cut costs in the district. Board members received $10 per meeting under the old system and often attended more than 24 meetings a year, according to School Supt. Burl Glendening.

Bride Designs Her Gown

Wed in Milford Church

MILFORD TOWNSHIP — White gladioli and pink carnations were used to decorate the altar of the Milford Presbyterian Church for the double-ring wedding Saturday of Charlene Baird and Gary Norman Hoyt.

Rev. Frank Williams performed the ceremony.

The bride, daughter of Mr. and Mrs. Raymond Baird of 3672 S. Milford Road, made her own wedding gown of white embroidered nylon over taffeta. Ballerina length, it featured a scoop neckline, fitted bodice and long sleeves ending in points over her wrists.

MRS. GARY N. HOYT

A white seed pearl tiara held her shoulder length veil of silk illusion, and she carried a colonial bouquet of pink carnations surrounded by white carnations.

* * *

Her accessories were a pearl pendant with earrings to match, gifts of the bridegroom. He is the son of Mr. and Mrs. Robert D. Hoyt of 1714 N. Hickory Ridge Road, Highland Township.

Matron of honor for her sister was Mrs. Peter Harrigan. Mrs. Robert L. Hoyt, sister-in-law of the bridegroom, was bridesmaid.

Assisting his brother as best man was Robert L. Hoyt. Ushers were Harold Book and Richard Hoyt, cousin of the groom, with Ray Clinard serving as groomsman.

* * *

A reception was held at the church immediately following the nuptials. Upon their return from a one-week honeymoon in the South, the newlyweds will live at 204 John St., Highland.

Reclassified by One Vote Margin

Harvey, Dinger Elected to Utica School Board

Incumbent Jack Harvey and Howard A. Dinger were elected out of a field of nine candidates to four-year terms on the Utica Board of Education yesterday.

A proposition which asked that the Utica Community District be reclassified from a fourth- to a third-class district was approved by a one-vote margin, 489 to 488.

A proposal which would have increased board members salaries from $300 to $400 per year was defeated, receiving only 382 yes votes to 592 no.

Board members took salary cuts last year so that new board members could receive some compensation until the classification of the district was changed.

* * *

Utica district voters approved a third proposition which will transfer $228 from debt retirement service to the general fund. It was approved, 806 to 214.

Harvey, the current board president and the only incumbent in the race, easily won re-election with 666 votes while Dinger won the other school board post with 466 votes.

Unsuccessful candidates and their vote totals were Gene Pini, 272; Edward A. Bogdan, 206; Charles W. Cooper, 199; Theodore J. Huerth, 140; Harry L. Burkhart, 115; Erwin D. Doan, 72; and Dr. John J. Dina, 60.

The race for the two board of education seats in the Utica district drew the largest field of candidates in the area.

Troy OKs Start of Sewer Plans

Approves the Details of Payment for Work on Engineering

TROY — The City Commission last night took action which will allow the Oakland County Department of Public Works to start engineering work on an $11-million sewer construction project here.

The commission adopted a two-

* * *

page resolution which spelled out the method of payment for the engineering work and other preliminary details on the huge sewer program.

Under the resolution, the county will not be able to exceed $2,000 for the engineering work until final agreement is reached on the 12-Town Drain and Dequindre Interceptor.

If either of these projects is blocked again, the sanitary sewer program in Troy may be delayed indefinitely.

HEARING JUNE 28

A public hearing on the 12-Town is slated for June 28 in Royal Oak. If no suit is filed by July 18, construction on the 12-Town will begin.

Legal groundwork for the project was laid by the commission April 15 when it levied a special 1.6-mill tax for 1960-61 to help pay off existing sewer debts.

Commissioners adopted another resolution at that time which authorized the city to enter into contract negotiations with the county for installation of a system of sanitary sewer trunk lines throughout Troy.

The contract has not been signed, but last night's resolution will allow the DPW to start engineering plans for the sewer project.

SPECIAL MEETINGS

In other business, the commission set dates for two important meetings. On Monday commissioners will hold a special session at City Hall to discuss a contract which would bring Detroit water into the city.

* * *

Commissioners scheduled a meeting for July 17, when they will discuss details of the proposed Chrysler Expressway, with State Highway Department officials.

The July meeting will be held in the auditorium of Troy High School to accommodate the expected large crowd.

Pleas of Innocent Entered for Five in Burglary

SOUTH LYON — Circuit Judge Stanton G. Dondero entered pleas of innocent yesterday for five Ypsilanti youths when they stood mute at their arraignment for the alleged burglary of an auto dealership.

No trial date was set for Eldon Cole, 17, Robert G. Crank, 19, Emmett E. Gentry, 21, Ronald L. Parks, 20, and James D. Shepard, 22.

All but Cole were returned to the county jail unable to furnish bonds. Cole has posted his $2,000 bond.

* * *

Police last week spotted Crank, Cole and Parks removing a safe containing about $100 from the Spitler-Demner Ford showroom. Shepard and Gentry were picked up later.

OES at Commerce to Honor Counselor

COMMERCE TOWNSHIP—Mrs. Elsie Chynoweth, grand counselor of District 5 of the Grand Chapter of Michigan, will be honored by Commerce Chapter 301, Order of the Eastern Star, at a June 20 reception.

Mrs. Chynoweth, appointed grand counselor by Worthy Grand Matron Mabel Shaw at the last session of the grand chapter, served as worthy matron of the Commerce chapter in 1948-49.

The 7 p.m. reception at the Commerce Masonic Temple will be followed with exemplification of the degrees of the order by Mrs. Chynoweth.

The candidates for initiation are Hazel Bailey, Donna May York and Lou Nell York.

Little Boy Drowns

HOLLAND (AP) — Robert Sanchez, 5, went on a bathing party with his three sisters — the first of his life — and drowned Monday.

Loses His Post in Huron Valley

Harry Porter Beaten, Board President Wins Re-Election

HURON VALLEY — Harry Porter was defeated in his attempt to win re-election to the Huron Valley Board of Education. He will be replaced by Eugene E. Russell.

Board President Donald M. Hackbardt, however, retained his position by winning the other four-year term on the school board.

The other unsuccessful candidate was Robert H. Gorsline.

Hackbardt received 482 votes; Russell, 340; Porter, 320; and Gorsline, 311.

* * *

Huron Valley voters turned down a request to increase the salaries of board members $500 by a 575 to 141 vote.

Board members currently received $100 annually while the president and secretary get $150.

The increased salaries would only have been received this year by the board members elected yesterday.

Authorization was given, however, to transfer $5,000 received in delinquent taxes on a retired bond issue to the building and site fund. The vote was 424 to 293.

Jack E. Perry Chosen for Language Institute

ORCHARD LAKE — Jack E. Perry of 3178 Winterberry Road will attend a seven-week modern language institute for secondary school teachers of French and Spanish at the College of Saint Teresa, Winona, Minn., from June 19 to Aug. 4.

Perry, a teacher in the Waterford school system, is one of 70 selected from more than 600 applicants that will attend the institute.

Burianek-Small

Rochester Girl Weds

ROCHESTER—Suzanne L. Small became the bride of Laddie J. Burianek Saturday at the First Baptist Church here in a ceremony performed by Rev. Donald Olsen.

The bride is the daughter of Mr. and Mrs. R. E. Small of 1136 Sycamore St. The bridegroom's parents are Mr. and Mrs. Frank Bone of Warren.

For her wedding the bride chose a floor-length gown of chantilly lace over satin with long sleeves and a sweetheart neckline trimmed in pearls.

A crown of seed pearls and sequins held her shoulder-length veil of illusion which was edged with chantilly lace. She carried a bouquet of white roses and lilies-of-the valley.

* * *

Matron of honor for her sister was Mrs. William Toureau of Warren while another of the bride's sisters, Elaine Ann Small of Rochester, served as a bridesmaid with Patricia Reid of Rochester.

* * *

The bride's brother-in-law William Toureau was best man. Wayne Niles of Lansing and Gordon Fisher of Warren seated the guests.

Following the afternoon rites, a reception was held in the church parlors. The newlyweds now live in Roseville.

MRS. LADDIE J. BURIANEK

Purdy and Chandler, School Tax Okayed

ROCHESTER—Voters in the Rochester Community School District elected Henry Purdy and Robert E. Chandler to the board of education and approved a five-mill operational tax for five years.

Purdy, incumbent school board president, topped all candidates in yesterday's election with 855 votes. Chandler won his first term on the board with 725 votes.

Both will serve for four years.

The millage request was supported by 808 voters while 539 voted against it. Voting was heavier yesterday than it was in last year's annual school election when rain and apathy were blamed for the small turnout.

Still only 17 per cent of the district's registered electorate went to the polls this year.

School officials say the millage approved yesterday will bring $250,000 into the district's operating fund next year without raising the tax rate over the 1960-61 total.

* * *

Two mills for operation which expired this year will be continued under the new millage. Three mills formerly levied for debt retirement will not be collected in the 1961-62 school year.

Unsuccessful candidates for the school board and their vote totals were Mrs. Virginia K. Allured, 618; John H. Patterson, 438; and Charles A. Ferry, 115. Ferry filed nominating petitions for the board race but later withdrew because of the press of business. His name was on the ballot, however.

* * *

The extra operational millage will be used to staff and maintain new school facilities now under construction.

OK 2-Mill Tax to Pay Off New School Facilities

DRYDEN — A two-mill tax levy needed to finish paying for equipment for the new high school was approved by Dryden School District voters yesterday.

The total was 70 for the proposal and 12 against, the same as for the special education proposal in the county.

The one-year tax will raise approximately $8,500, but even with the levy, taxes will be lower in the 1961-62 school year than they are now.

A 2.5 mill tax was approved last year to pay off the bond issue for the high school addition built in 1958. The two mills expired this year so that the levy now passed will be one-half mill lower than in 1960-61.

After the polls closed on the millage election, the annual school board meeting was held with present Board President William Thorman Jr. and Mrs. Lawrence Hadley winning the two posts open by acclamation.

Mrs. Hadley replaces Board Treasurer Raymond Stevens, a veteran of 14 years on the board, who declined to seek re-election. She and Thorman will serve for four years.

Swainson Is Honored

WINDSOR (AP) — Michigan's Gov. John B. Swainson and Premier Leslie Frost of Ontario were made honorary citizens of Windsor Monday at an international dinner.

GWENDOLYN B. BRILLS

Mr. and Mrs. Arvel A. Brills of 35734 W. 14 Mile Road, Bloomfield Township, announce the engagement of their daughter Gwendolyn Beth to Robert Arthur Korthas. He is the son of Mr. and Mrs. Herbert Korthas of 1318 Flamingo Road, Commerce Township. No date has been set for the wedding.

Extra School Millage Rejected by Novi

NOVI — A request for an additional six mills for school operation was rejected and an incumbent board of education member ousted in the Novi School District.

Incumbent Edward Erwin failed in his bid for re-election, losing out to David Fried. The new board member received 374 votes to 356 polled by Erwin.

The proposed tax increase was defeated 565 to 160.

* * *

The millage would have been in addition to 9½ mills currently being levied in the school district; 2½ mills for operation and seven mills for debt retirement.

The extra funds would have been used to increase teacher's salaries and establish music, art and remedial reading classes.

Gets Jackson Term for Bludgeon Slaying

Richard L. Young must serve a term of 2½ to 15 years in Jackson Prison for the bludgeon slaying in March of his drinking partner.

* * *

Circuit Judge Stanton G. Dondero sentenced Young, 22, of 7593 Pontiac Lake Road, Waterford Township, yesterday.

As he was awaiting trial for second-degree murder in the March 12 beating of Floyd Rowley, 47, of Independence Township, Young went before Judge Dondero and pleaded guilty to a second count of manslaughter.

* * *

The murder took place after the two men had been drinking together earlier in Rowley's cabin home. Young's wife told deputies her husband suddenly went berserk.

Enters Plea of Guilty in Orion Twp. Break-In

George W. Thayer, 19, of Pontiac Township, yesterday pleaded guilty to the daytime break-in of a service station in Orion Township.

* * *

Circuit Judge Stantion G. Dondero ordered Thayer, of 2906 Adams Road, held on $2,000 bond pending sentence June 26.

Tigers Find Idleness Doesn't Always Pay

Slip to Third During Day Off as Yankees Win

Mossi Slated to Open Series Against Bosox in Night Game

DETROIT—(UPI) — The Detroit Tigers slipped ignominiously into third place last night without even swinging a bat or picking up a baseball.

The idle Tigers saw the New York Yankees creep into second place by four percentage points as they clipped Los Angeles, 3-1.

However, the rapidly failing Tigers also gained a half-game on the league-leading Cleveland Indians who suffered defeat at the hands of the Kansas City Athletics in a 10-inning contest, 7-5.

Tonight the Tigers face the mediocre Boston Red Sox who are not without their woes either. Nowadays people don't miss the boat — they miss planes. And Sox outfielder Jackie Jensen did just that — he missed the plane to Detroit.

★ ★ ★

Jensen has no great love for air travel. As a matter of fact he walked out on the Red Sox earlier this season partly because of his intense dislike of planes.

However, after undergoing several sessions with a hypnotist Jensen had supposedly overcome his fear. Jensen's wife said the outfielder had decided to drive the 850 miles to Detroit, and was bringing his hypnotist along.

Jensen was expected to arrive in Detroit in time for the scheduled contest between the Beantown team and the Motortown club.

On the mound for Detroit will be Don Mossi (6-1) who'll try to best Sox hurler Gene Conley (2-3).

They'll all be there tonight, pellet pushers, missile mashers, acrophobic (fear of high places) outfielders, hypnotists and inevitably — spectators.

Manager Bob Scheffing thinks the Tigers will fare even better in the second part of the season. "We've got a solid ballclub. I can't really think of any glaring weaknesses," he said.

The Bengal boss feels the additions of Hal Woodeschick and Jerry Casale and improved arms of Bob Bruce and Terry Fox will strengthen the mound department.

SPORTS

Cleveland Tripped by Kansas City in 10 Innings

Yanks Collide With Tribe

The New York Yankees, apparently squared away after getting fat on second division clubs, put the show on the road in their bid for the American League lead tonight with the opener of a three-game series at Cleveland against the first place Indians.

It's the start of a 16-game tour for the Yankees, who are in a virtual second place tie with Detroit, both a game behind the Indians. And they have a three-game set with the Tigers this weekend after leaving Cleveland.

The Yankees, winning 11 of their last 12 games, moved past idle Detroit by .004 percentage points when they won their fifth in a row and closed a 10-1 home stand with a 3-1 victory over the Los Angeles Angels Monday night.

New York and Detroit closed in on the lead when Kansas City sliced Cleveland's edge in half with a 7-5, 10-inning decision over the Injuns.

Fourth place Baltimore stayed eight games behind in what has become a three-way scrap when the Orioles blew a 5-1 lead and lost 9-8 to the Chicago White Sox. Boston out-lasted Minnesota 10-8 in the only other AL game scheduled.

In the lone National League game, San Francisco beat Los Angeles 7-4, leaving the Dodgers a half-game behind first place Cincinnati.

The Yankees, working behind the four-hit pitching of right-hander Bill Stafford, broke up a two-hit shutout by losing lefty Ted Bowsfield (2-2) and came from behind with three runs in the sixth inning. Singles by Tony Kubek, Mickey Mantle and Elston Howard, a force out by Bill Skowron and a double by Hector Lopez did it.

Stafford (4-2), winning his fourth in a row, held the A's hitless until the fifth inning, when Leroy Thomas opened with a single and scored on a double by Ken Hunt, who was cut down trying for a triple. Stafford walked two and struck out seven for his third complete game—the eighth in 14 games by the Yankee staff, which had produced only six in its first 42 games.

The A's tagged the Indians with only their third defeat in 16 games when Heywood Sullivan singled for his fourth hit in the 10th and pinch hitter Leo Posada followed with a two-run, two-out homer off relief ace Frank Funk (7-4). The Indians, getting a 1-1 tie on Willie Kirkland's home run in the fifth inning, twice blew two-run leads. Kansas City tied it 5-all with two runs in the ninth as Cleveland missed double plays. Jerry Walker, seventh Kansas City pitcher, saved it for reliever Jim Archer (4-1) when Vic Power bunted into a force out and Kirkland and Woodie Held flied out with two men on base in the 10th.

Roy Sievers drove in three runs with a pair of homers for the White Sox, who nailed it on Al Smith's solo homer in the eighth off relief ace Hoyt Wilhelm. Dick Hyde (1-1) was the loser, coming in as the Sox came from behind with five runs in the fourth inning, Don Larsen (2-0), acquired Saturday from Kansas City, was the winner in relief.

A walk and Chuck Schilling's two-out single gave Boston the deciding run in the seventh. The Twins out-hit the Red Sox 15-1., and slugged three home runs, but left 17 on base, just three shy of the record. Ike Delock (4-2) won it with relief help while Jerry Arrigo, a left-hander making his major debut on his 20th birthday, took the loss.

The Giants, beating right-hander Roger Craig (3-4) for the first time in nine decisions since 1955, dropped the Dodgers with three runs in the fifth inning for a 7-2 lead. Orlando Cepeda's double scored the clincher. Billy O'Dell (2-3) was the winner. He walked none and struck out 10 in 5 2-3 innings of relief, but needed help from Stu Miller in the ninth.

Supposed to List Trades

Is Braves' Worksheet Real or Just Fancy?

CHICAGO (AP)—Because of a lost worksheet, Milwaukee Braves players are aware of the team's top trade secrets according to a report Monday in the Chicago American.

The American said the worksheet, covering trades and player movements, was found by one of the players during a recent road trip in the team's hotel.

However, Braves General Manager John McHale said in Milwaukee that no such worksheet exists, and "if anybody knows what trades we may try to make, they've been reading my mind. The only place you can find that information is in my head."

★ ★ ★

According to the American the worksheet showed:

Such players as shortstop Johnny Logan, outfielder Johnny DeMerit and catcher-infielder Bob Taylor and possibly catcher Charlie Lau are available for immediate trades.

Pitcher Frederico Olivo will be out to make room for pitcher Tony Cloninger whose recall from Louisville was announced Sunday night.

The availability of first baseman Dale Long of the Washington Senators via a waiver deal will be explored.

Scouts will take another look at pitchers Cecil Buter and Bobby Hendley both at Louisville.

Catcher Del Crandall inactive since April 20 because of a shoulder injury will take another physical examination immediately to determine whether Lau will be offered for trade. (Crandall will make the Western trip to work himself back into condition.)

★ ★ ★

The sheet also told of the already completed purchase of first baseman Bob Boyd from Kansas City on waivers and the release of pitcher Moe Drabowsky to Louisville to make room for Boyd.

Dempsey Eliminates Self From Czar Post

NEWARK, N.J. (AP)—Former heavyweight champion Jack Dempsey knocked himself out as a candidate for National boxing commissioner today, and at the same time, nominated Judge Robert Cannon of Milwaukee for the post.

★ ★ ★

"I would not take the job if it was offered to me," Dempsey told Anthony Marenghi, Newark Star-Ledger sports columnist. "I am too occupied with my own business. I would not have time."

New Rose Bowl Pact Possible

Big Five Would Seek Renewal of Agreement With Big Ten

PASADENA, Calif. (UPI) — A move is under way for a new Big Ten Rose Bowl agreement and preliminary steps may come this week at a Big Five meeting in Seattle, a Pasadena newspaper reported yesterday.

Rube Samuelson of the Pasadena Independent and Star-News said the move toward a new Rose Bowl agreement would primarily be at the faculty level.

He said his sources of information also indicated there is a possibility the former Pacific Coast Conference members, Oregon, Oregon State and Washington State would be drawn into the Athletic Association of Western Universities (AAWU).

The three schools were left out of the new AAWU after the Pacific Coast Conference breakup, at a time of bad feeling over recruiting penalties.

The AAWU after conclusion of the Big Ten rose bowl agreement indicated it would seek the strongest opponents for the winner of the Big Five crown. Last year, that turned out to be the 1960 Minnesota team. Minnesota last week expressed sanction of future Rose Bowl play.

A strong point in favor of a new alliance, it was indicated, is the existence of many regular season rivalries between the two conferences.

Broken Axle Ousts Fair

Joy Fair, Pontiac stock car racer, decided to drive in the Dixie Speedway races Sunday, but after breaking an axle in the 6th lap he was eliminated from the feature race.

Bill Wiltse of Grand Rapids won the feature which saw a 10 car pile up. Mickey Katlin of Howell took the semi-feature and Don Irish of Pontiac won in the pursuit.

AP Photofax

BONUS SMILES — Stewart MacDonald, 18, Seattle high school pitcher, hugs his mother as he holds contract signed with Boston Red Sox yesterday for a bonus estimated at from $80,000 to $100,000.

From The PRESS BOX

Former Cleveland manager Joe Gordon is convinced the Indians will be in the pennant race all the way because of their pitching depth. "The Yankees have the edge in hitting but Cleveland can scare you at the plate, too. It looks like those two teams will go down the wire," said the Kansas City skipper.

★ ★ ★

All interested managers and coaches are urged to attend the final organizational meeting for junior baseball teams in the Waterford Township Recreation Department's summer leagues Thursday at 7:30 p.m. in the CAI building. Current plans call for loops for boys 18-and-under, 15-and-under and 13-and-under to start play next week.

★ ★ ★

A tired Herb Elliott will skip his mile specialty tonight and run only the 880 for the combined Oxford and Cambridge teams of England who will meet a Harvard-Yale contingent in the annual International track meet in Massachusetts.

★ ★ ★

George Lee and Don Ohl have signed Detroit Piston contracts. Added baseball inkings include California outfielder Augie Garrido by Cleveland, Kansas City grabbed Arizona 2nd sacker Charles Shoemaker, Washington landed two Hot Springs, Va. stars and New York Mets have signed 12 players.

★ ★ ★

Kenny Sears is free to play basketball for San Francisco of the new American Basketball League until a suit against him by the New York Knickerbockers is settled, it wss ruled by a Federal Judge Monday.

Western Michigan Out of NCAA Play

OMAHA, Neb. (UPI) — Dave Guisti, master of the dancing fastball, struck out 14 and allowed only four hits as he shutout Western Michigan, 6-0, for Syracuse last night and eliminated the Broncs from the NCAA National Baseball Tournament.

Guisti, a 21-year-old senior who is now unbeaten in 10 decisions this season, handed the usually lusty hitting Western Michigan crew its first shutout of the season.

In the other contests Boston College combined alert base running and a pinch hit single to drive Duke out of the tournament, 4-3.

In the nightcap Art Ersapke, the old man of the meet at 27 lashed a two-run single in the top of the ninth to boost Southern California past Oklahoma State, 3-2, and into a favored position for winning an unprecedented third championship.

The Trojans became the only team still undefeated after three rounds in the double elimination tourney.

Six Pontiac Golfers Survive Publinx Play

By BILL CORNWELL

Six Pontiac golfers, spearheaded by Mike Andonian, passed their first qualifying hurdles for the USGA Amateur Public Links Golf Championship in local 18-hole trials Monday at Meadowbrook and Farmington country clubs.

Joe Burgdorf, Jerry Kruskie, Wally Smith, Ron Rothbarth, Roy Iceberg and Andonian were among 100 players surviving the so-called pre-qualifiers and gaining a berth in next Monday's final qualifiers at Rackham, site of the nationaal tournament July 10-15.

Those same 100 players will go 36 holes over the Rackham course in a bid to enter the national tourney. The USGA has not yet specified the number of places at stake in next Monday's trials, but local MPGA officials belief it will be somewhere between 12 and 15.

Yesterday's medalist was Bill Heyn of Rochester, who rifled 37-35 — 72 at Meadowbrook where par is 35-36—71. The best anyone could do over the par 37-35—72 Farmington layout was a pair of 74s by Alan Thompson of Pleasant Ridge (39-35) and Flint's Larry McMillan (38-36).

Andonian, 35-year-old publinx veteran who went to the semi-finals of the national event last year, reached the final qualifying rounds by firing 38-35—73 at Meadowbrook. Andonian failed to card a birdie until the 18th hole where he dropped a seven-foot putt for a three.

Smith, the Royal Oak policeman, and Rothbarth, 1956 city champion, qualified with 79s at Meadowbrook. Iceberg, ex-State Publinx champ, made the grade with an 81, also at Meadowbrook. Kruskie, former Waterford High athlete, and Burgdorf survived at Farmington with 81s.

★ ★ ★

Nobody was able to equal or better par at either links and since the low 40 shooters plus ties qualified at each site, 82s were good enough to pass at Meadowbrook and 82s qualified at Farmington. Farmington put 54 in the Rackham finals while Meadowbrook placed 46.

★ ★ ★

MEADOWBROOK QUALIFIERS	
William Heyn	37-35—72
Mike Andonian	38-35—73

Major League Crowds Down

NEW YORK (AP) — Major league baseball attendance for 1961 continues 10 per cent under last season despite the addition of the two new American League teams, the latest figures disclosed today.

★ ★ ★

Through Sunday's games, this season's total was 5,845,453 compared to 6,501,438 for the 16 teams in 1960.

The National League, which has played to 2,892,682 customers, is 693,000 behind last year. The American League's aggregate of 2,952,771 is 36,000 ahead of 1960, but includes the combined 548,000 gate of the new franchises Minnesota (340,000) and Los Angeles (208,000).

★ ★ ★

Cincinnati and Washington are the only clubs showing increases. The Reds are up 29,000 and the Senators a mere 239.

The Los Angeles Dodgers, who lead both leagues, moved close to the 800,000 mark over the week-end. But they are 158,000 under last year.

Pontiac Driver Wins Dragstrip Battle

Jim Wagner, driving a 1961 Pontiac, turned in the best time among stock cars with an elapsed time of 13:56 seconds and a speed of 105 m.p.h in MHRA dragstrip races Sunday.

Jack Ostrander of Pontiac, in his Dragster, turned in an elapsed time of 10:19 with a speed of 138 m.p.h but he did not win the top eliminator because his engine stalled at the start and the trophy went to Mike Palazola.

Starting July 2, a 4-week competition to determine the best stock will be held each Sunday.

Times for Sunday June 11:

STOCK CAR CLASS

s/s Glen Shurrell, '61 Ford, 14:76; a/sa Al Desell, '59 Pontiac, 14:30; a/s Ray Farkas, '61 Chev. 14:32; a/sa Dick Jesse, '61 Pontiac nt.; b/s Gus Vitale, '60 Chev., 14:61; b/sa Noel Thoel, '60 Pontiac, 15:16; c/sa Ed Laramie, '56 Pontiac, 15:20; d/sa Art Schoinvock, '60 Chev., 16:44; e/s Bruce Remmefield, '61 Chev., 19:95;; e/sa Jerry Regan, '57 De Soto, 16:60; f/s Dick Sheppard, '61 Chev., nt.; g/s M. Bennett, '55 Chev., nt.; g/sa Earl Girard, '58 Olds, 19:38; h/s Vincent Lynch, '61 Valiant, 17:02; i/s Niel Ellis, '56 Chev., 16:37; i/s Ray Light, '61 Corvair, 17:72; k/s Dan Lagrov, '53 Chev., 18:39; o/s Bob Amoe, '57 Chev., 14:67.

SPORT CAR CLASS

a/v Gene Korth, Corvette, 13:49; b/v Ron Tryban, Corvette, 15:62; c/ms Ron Leverich, Corvette (Modified) 13:18; b/ms Tom Le Vitt Thunderbird (Chrysler engine) 14:23; d/ps Pete Burrows, Spright, 20:00.

COMPETITION CAR CLASS

a/g Jerry Sobczynski, Henry J (Olds. eng.) 15:22; b/g Ron Farkas, '61 Chev., 14:65; c/g Hahn/Bigelow, '55 Chev., 13:37; g/g James Kuhl, '61 Lancer (modified) 15:50; b/a Porton/Garber '32 Ford (Chev. eng.) 13:84; a/mr Ron Goff, '28 Ford (Olds eng.) 14:34.

Casey Tries the Mound

SAN FRANCISCO (AP)—Casey Stengel will throw out the first ball at the All-Star Game at Candlestick Park July 11.

Nicklaus Threat to Pros in Open

Almost Bested Palmer in '61 Play at Denver

Last Amateur Winner Was Goodman in 1933 Tournament

By BILL CORNWELL

In 1933 at North Shore Golf Club in Glen View, Ill., a handsome young amateur named Johnny Goodman won the U.S. Open Golf Championship.

No amateur has won it since.

What are the chances of a Simon-pure winning the 61st U.S. Open, which runs Thursday through Saturday at Oakland Hills Country Club?

Not too good, perhaps, but they look much better than they once did because of a beefy collegian who socks 'em out of sight.

* * *

His name, of course, is Jack Nicklaus, the Ohio State belter who last year came mighty close to ending the amateur famine in the 60th National Open at Denver's Cherry Hills.

The husky Nicklaus was in contention all the way and bid strongly to join some real select company before Arnold Palmer came storming home in 65 blows to win the crown.

When everything was tabulated, Nicklaus had to be content with 2nd place on a 284 scorecard, which was even par and only two strokes behind Palmer.

Nicklaus certainly rates as the No. 1 amateur threat in the "big show" at Oakland Hills. He has worlds of power and a surprisingly delicate touch around the greens.

If he can place his shots, which host pro Al Watrous believes is all-important at Oakland Hills, he could be just as big a title threat this time as he was a year ago.

* * *

Only five amateurs have won the U.S. Open and there has been a 27-year period of starvation since Goodman rang the bell in Illinois.

Incomparable Bobby Jones won it four times, a feat matched only by pros Ben Hogan and Willie Anderson. Other amateur winners of the Open include Chick Evans, Jerome D. Travers and unheralded Francis Ouimet, who was only 20 years old when he turned the trick.

The 150-man starting field Thursday lists just 23 amateurs and how many of them will survive Friday's 36-hole cut is anybody's guess.

But there are at least six amateurs in the field who could go the full 72-hole distance and even make a run for the championship.

Based on their past tournament performances, the top six Simon-pures stack up as defending National Amateur champion Deane Beman, current North and South Amateur champ Bill Hyndman III, 1960 North and South winner Charles Smith, Dale Morey, Coby Ware and Nicklaus, U.S. Amateur king two years ago.

* * *

Michigan has entered six amateur golfers, four from Oakland County, and even though all are talented players, none is expected to make a serious bid.

County amateurs include Pontiac's Mike Andonian, Pete Green of Orchard Lake, John Miles of Birmingham and Joe Grace Jr. of Lathrup Village. Other state amateurs entered are Western's Bud Stevens and Glenn Johnson of Grosse Ile.

The touring pros — and just about everyone else, for that matter — invaded Oakland Hills yesterday for the official start of practice rounds.

A torrential downpour drenched the 6,937-yard course in mid-afternoon, but players and spectators alike survived the showers and firing continued. The greens, reportedly slow, were even slower after the rain.

Defending U.S. Open champion Arnold Palmer and four-time Open champ Ben Hogan were attracting the biggest galleries in hot, humid weather.

Trade Talk Steals Meeting Spotlight

MONTREAL (AP)—Trade talks always the juicy part of any league get-together sprung up in every nook and cranny in the National Hockey League's annual meeting threatening to overshadow the drafting of players today from the Western Hockey League and the Eastern Professional League.

The Montreal Canadiens already involved in three deals since the close of the season were reported ready for further trading and it was rumored that the Chicago Black Hawks were directly interested.

Muzz Patrick, general manager of the New York Rangers, said he had been trying to make a deal with the Detroit Red Wings, but "was getting nowhere."

* * *

Is Oakland Hills Losing Reputation?

They don't start playing for keeps until Thursday, but the Oakland Hills golf course where the 61st U.S. Open championship will be played, appeared today to be losing its reputation as "a fairway monster."

For the field of 150 who will tee off Thursday has been breaking par in practice rounds and while that doesn't mean too much with favorable pin placements it indicates that there probably will be more subpar rounds than there were when the open was played on the same course 10 years ago.

Ben Hogan won it then, the second of his four open titles, with a closing round of 67 for a total of 287. The late Clayton Haefner was the only other golfer to break par, a 69, also shot on the final round.

Hogan still feels that was the greatest round he ever played. He calls it "the time I brought the monster to its knees."

* * *

But it isn't playing that tough now—always remember, of course, that this is only practice and that the course will play harder when the bell rings Thursday and they start hiding the pins on the greens.

Hogan, who has confided to friends that he is putting better now than he has for the past five years, believes a four-round total of 284 or 285 will win it this time. That means he figures the course, which measures 6,907 yards, will play from two to three strokes easier this time around.

Former PGA champion Walter Burkemo, who has turned in four practice rounds of 68, 69 and two 70s, agrees with him.

* * *

"Taking the bunkers out of the 10th and 11th fairways and the bunker from the left of the 18th green makes a big difference," Burkemo said.

"But that doesn't mean this is an easy course. It's still one where the payoff will be on accuracy."

Although the rough is not too tough—former U. S. Open champion Jack Fleck believes it does not penalize the spray hitter enough—Burkemo insisted that any golfer who missed the fairway on his drive will have to settle for a bogey.

* * *

"You can't put your second shots on the par four holes if you miss the fairway," he insisted.

Joining Burkemo among those who have been breaking par in practice rounds are amateur Jack Nicklaus, who had a 69 yesterday to go with a 68 Sunday; Sammy Snead, who has turned in two 69s prior to yesterday's par 70; Bob Rosburg with a 68, despite missing three four-foot putts; defending champion Arnold Palmer and Masters champion Gary Player, each with 69s. On Sunday Player shot the front nine in four under par 31, playing only nine holes.

Player said he was "playing real well." Palmer complained that his driving and putting were off, and grinned when asked what he expected to shoot if he got those two department of his game sharpened up.

"Well, he said, "I guess with a 69 I couldn't have been hitting the ball or putting too badly. But I wish I didn't feel so good. Even though I flew 1,200 miles Sunday and didn't get here until 1 a.m. on Monday, I feel fine.

"Usually I do better when I feel tired."

The field has been scoring a number of eagles on the 510-yard par-five second hole and Nicklaus has put his second shot on the green of the 566-yard par-five 12th in both of his practice rounds.

The amateur star, who only carries two woods in his bag, used his driver for a second shot the first time and his spoon for the second the next. The first time he three-putted from the fringe of the green, the second time he got home in two putts for a birdie.

Asked if he planned attacking the hole like that when tournament play starts, he smiled:

"I attack every hole. That's the only way I know how to play golf."

Nicklaus was among those who noted an improvement in Hogan's putting.

"I played with him Sunday and he putted well," Nicklaus said.

* * *

Yesterday, despite a 72, Hogan's putting was excellent. The loss of his touch on the greens has cost him his chances to win an unprecedented fifth Open crown, but if his putter behaves again he may finally achieve the feat.

From tee to green he still is as good as they come. More important, he is accurate and accuracy off the tee is as vital as putting on the long, narrowed fairway course with its wealth of bunkers, traps and undulating greens.

That's why the straight hitters are favored over the power hitters. In the first class along with Hogan are such as Doug Sanders, Snead, Bill Collins, Gene Littler, Jay Hebert, Tommy Bolt, Billy Casper, Art Wall, Don January and Peter Thomson.

* * *

Palmer and Nicklaus are among those rated in the power class along with Mike Souchak, Rosburg, Paul Harney, Chick Harbert, Lionel Hebert, British Open champion Kel Nagel and Julius Boros.

Unless a driver can keep the ball straight he will get into trouble on drives of more than 250 yards.

So for the first time in years, power is going to take a back seat to accuracy in this one.

* * *

"If a guy doesn't hit the rough or a trap in this course for 18 holes, he will have one hell of a round," said Hogan.

"I would think so," laughed Dow Finsterwald, who is known to spray his tee shots.

No player is likely to stay on the fairway through the run of 18 holes, but even so the Oakland Hills par doesn't figure to be as hard to crack as it was 10 years ago.

Halted by Bad Leg

LONDON (AP) — Brian Hewson, Britain's European 1,500-meter champion, announced Monday night that he will never race again.

A leg injury, which kept him off Britain's Olympic team last summer, has not yielded to treatment.

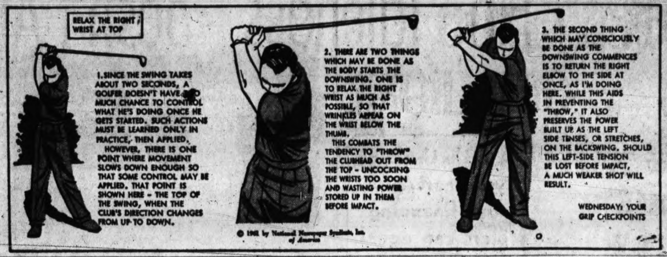
THE PALMER METHOD

by Arnold Palmer



RELAX THE RIGHT WRIST AT TOP

1. SINCE THE SWING TAKES ABOUT TWO SECONDS, A GOLFER DOESN'T HAVE TOO MUCH CHANCE TO CONTROL WHAT HE'S DOING ONCE HE GETS STARTED. SUCH ACTIONS MUST BE LEARNED ONLY IN PRACTICE, THEN APPLIED.

HOWEVER, THERE IS ONE POINT WHERE MOVEMENT SLOWS DOWN ENOUGH SO THAT SOME CONTROL MAY BE APPLIED. THAT POINT IS SHOWN HERE - THE TOP OF THE SWING, WHEN THE CLUB'S DIRECTION CHANGES FROM UP TO DOWN.

2. THERE ARE TWO THINGS WHICH MAY BE DONE AS THE BODY STARTS THE DOWNSWING. ONE IS TO RELAX THE RIGHT WRIST AS MUCH AS POSSIBLE, SO THAT WRINKLES APPEAR ON THE WRIST BELOW THE THUMB.

THIS COMBATS THE TENDENCY TO "THROW" THE CLUBHEAD OUT FROM THE TOP - UNCOCKING THE WRISTS TOO SOON AND WASTING POWER STORED UP IN THEM BEFORE IMPACT.

3. THE SECOND THING WHICH MAY CONSCIOUSLY BE DONE AS THE DOWNSWING COMMENCES IS TO RETURN THE RIGHT ELBOW TO THE SIDE AT ONCE, AS I'M DOING HERE. WHILE THIS AIDS IN PREVENTING THE "THROW," IT ALSO PRESERVES THE POWER BUILT UP AS THE LEFT SIDE TENSES, OR STRETCHES, ON THE BACKSWING. SHOULD THIS LEFT-SIDE TENSION BE LOST BEFORE IMPACT, A MUCH WEAKER SHOT WILL RESULT.

O'Neil Finally Wins One

Keith One-Hits Arro Nine

Sno-Bol, Elks and O'Neil Realty won tight games and Fisher 596 romped in softball last night.

"Fat" Keith one-hit Arro Realty in a 2-0 Sno-Bol win. He had 12 strikeouts. Gary Boe and Linus Grant of Elks bested Rog Reynolds of Hi-Way Collision 3-1 in a battle of four-hitters.

O'Neil, a team that specializes in hits but gets few runs, finally broke the victory ice by scoring all its runs in the sixth to trip Smith Silo 4-2. Jim Glynn doubled; Dan Dropps, Sid Gregory and Ed Atkinson had singles in the successful rally. Glen Johnson hurled shutout ball after the first for the triumph.

Fisher broke a 1-1 deadlock with 4 in the third and went on to bomb Metro Club 13-1. Bob Wilson slammed four singles and walked once to pace a 16-hit, 3-walk spree. Five of his mates had two safeties including Jim Patterson with a homer and single and Chuck graves with two doubles.

In Avondale Church play, St. Paul Methodist scored eight times in the sixth to wallop Lake Orion RLDS 12-4. Bart Bartholomew homered. Pontiac RLDS broke up its game the same way, taking First Church of God by 12-2. United Presbyterian easily took Elmwood Methodist 10-4 despite homers by Gary Acker and Don Barnhart.

Cage Bribe Trial Set for Carolina

RALEIGH, N.C. (AP)—Former Alabama basketball player Jerry Vogel will be tried in Wake County Superior Court here on charges that he offered a University of North Carolina player $1,000 to shave points in a basketball game.

Vogel, who surrendered voluntarily Monday, waived preliminary hearing on the charges that he offered the money to Lou Brown, a former basketball player at North Carolina. Bond for Vogel was placed at $5,000.

Lester V. Chalmers Jr., district solicitor (prosecutor), said Brown and Vogel came to his office Monday and surrendered. He said the State Bureau of Investigation took Vogel into custody.

Callison Hits, Pitches Orion to 7-6 Victory

A run scoring single by Dean Callison in the eighth inning gave Don's Used Cars of Lake Orion a 7-6 victory over Don Nicholie in city Class B baseball yesterday at Wisner Field.

The game between Pontiac Merchants and CIO Local 594 was postponed because of wet grounds.

Lake Orion forced the game into overtime by scoring three unearned runs in the last of the seventh to deadlock the score at 6-6.

The winners ripped 13 hits, including three by Callison who was the winning pitcher in relief. Doug Trueman, Gary Hunter, Jack Lemmon and Dick Merwyn each had two safeties for Lake Orion.

Dan Graham's two singles were half the losers' hit total. Relief hurler Hugh Remely took the loss.

Bid Made to Purchase Washington Redskins

WASHINGTON (AP)—A Cleveland group has offered about $3 million for the Washington Redskins, an official of the National Football League club said Monday.

SAVE YOUR HAIR
Tomorrow Only, Scalp Specialists In Pontiac Will Show How to Save Hair and Prevent Baldness
FREE SCALP EXAMINATIONS GIVEN AT THE
Hotel Waldron, 36 E. Pike, on Wednesday, June 14, District Director, Mr. T. R. Stonier will give free hair and scalp examinations between 12:00 M. and 8:00 P.M. to hair-worried men and women. Phone FE 5-6168.
You can join the happy family of satisfied Erickson Hair and Scalp clients like those pictured below:

All of the people in this unretouched photograph heeded the warning signals: dandruff, itchy scalp, excessive oiliness or dryness, excessive hair fall or thinning at the temples or crown; and saved their hair. Erickson Hair & Scalp Specialists have satisfied 95 per cent of their clients; why not let them help you?

HOPELESS CASES REFUSED
This man has male pattern baldness. Erickson Specialists will accept only clients whose hair will respond to treatment. They cannot help individuals who are slick-bald after years of hair loss or in that great majority of cases of baldness and excessive hair loss, called male pattern baldness, where no treatment including the Erickson method, is of any value. Therefore Erickson will continue their policy of refusing all hopeless cases.
Written Guarantee
Individuals accepted are given a written guarantee that they must be satisfied with results or money will be refunded on a pro-rated basis.
Free Hair Clinic Tomorrow Only
For your free hair and scalp examination, go to the Hotel Waldron between 12:00 M. and 8:00 P.M. on Wednesday, June 14, and ask the room clerk for Mr. Stonier's room number. You may phone for an appointment or just come in at your convenience. Examinations are given in private. You will not be embarrassed or obligated in any way.

RECEPTIVE!
Readers Welcome Newspaper Advertising . . . It's Not an Intrusion!
People really want newspaper advertising and have said so. Surveys usually show well over 80% in favor of newspaper advertising; less than 70% for magazines; and under 40% in favor of advertising on radio and TV.
Your advertising's first job is to win a friendly feeling for your product. It stands to reason you will win more friends by running your advertising where most people want it.
If you want to sell more people you have to *reach* them when they are *receptive*. Newspapers *reach* more of the most *receptive* people.

Stops Constipation Due to "Aging Colon"

New laxative discovery re-creates 3 essentials for normal regularity

As you grow older, the internal muscles of your colon wall also age, lose the strength that propels waste from the body. Stagnant bowel contents become so dry and shrunken that they fail to stimulate the urge to purge.

Relief, doctors say, lies in a new laxative principle. Old-style bulks and moisteners may create gas, take 3 or 4 days for relief. Old-style salts and drugs cramp and gripe the entire system. Of all laxatives, only new COLONAID gives you its special 3-way relief that works only on the lower colon (area of constipation).

(1) COLONAID moisturizes dry, hardened waste for easy passage without pain or strain. (2) COLONAID's unequalled rebulking action helps retone flabby colon muscles. (3) And COLONAID acts gently, on the nerve reflexes that stimulate the vital "mass movement" of your lower colon.

COLONAID relieves even chronic constipation overnight; is so gentle it was hospital proved safe even for expectant mothers. And COLONAID won't interfere with absorption of vitamins or other food nutrients. Get COLONAID today! INTRODUCTORY SIZE 43¢

SPECTACLE STAGE — They're hard at work this week erecting the special staging in Wisner Stadium for the giant Spectacle "The Pontiac Story" next week. Some of the runways and the foundation for a revolving stage in the middle have already been installed. The Spectacle will be performed in its entirety on each of six nights, June 19, 20, 21, 22, 23 and 24. A different pre-performance program begins each night at 8:15 p.m., and the two-hour Spectacle gets under way at 8:45 p.m. Added bleachers will put seating capacity at over 8,000 for each performance.

Pontiac Press Photo

Urban Options Hit 100 Mark

Value Over $1 Million With 220 Pieces Still to Be Acquired

Urban renewal options today reached the 100 mark and the city gave assurances that a speedup is desired.

The 100 properties optioned by city negotiators so far carry a total option value of $1,073,123, reported Robert A. Stierer. There are 320 parcels to be acquired altogether.

* * *

Owners of the 220 properties still to be optioned will be contacted by negotiators "within a few weeks," said Stierer.

* * *

"We hope property owners are impressed by the fact that we want to acquire land as soon as possible," said Stierer.

"We hope they enter into conversation with our negotiators seriously. Whether they like our initial offers or not, we hope they realize we're serious about them."

The negotiators are William Knudsen, Carl Bird and Arthur Nicholie. Nicholie was added last week to speed up the program.

* * *

In a few weeks the city will move to borrow more money to continue property acquisitions. This second loan may be as high as several million dollars. The first loan came when the urban renewal project started.

State Men Vote for Bill

WASHINGTON (AP) — Michigan Sens. Hart and McNamara, both Democrats, voted with the majority Monday when the Senate passed 64-25 the Kennedy administration's $6.1-billion housing bill.

Pontiac's Problems Start in '79

(Editor's note: This is the third in a series of articles about early times in Pontiac, based on old records at City Hall. More accounts will follow in The Pontiac Press during the Centennial celebration.)

In the latter part of the 19th Century, some of the problems of today's world were already beginning to develop in Pontiac.

From old records at City Hall, David S. Teel, assistant to City Manager Walter K. Willman, has compiled centennial notes indicating that pollution was one of these concerns.

In 1879, for instance, Common Council was determined to halt the pollution of streams and passed an ordinance "to prevent the deposition of filth in the mill pond."

This move provided that "all privies which are now or may hereafter be built immediately over or near the mill pond or the river leading thereto are hereby determined to be nuisances and shall be removed."

* * *

This was a big step against pollution, but just a drop in the bucket compared to today's big expansion of the sewage treatment plant.

In the same year, 1879, common council found that the traffic problem was growing. An ordinance was passed providing that "no person shall ride or drive over any bridge in Pontiac at a speed greater than a walk."

ANIMAL PLAGUE!

In 1882, council was once again plagued by animals. A new law on the subject specified:

"On or after July 1, 1882, it shall not be lawful for geese to go at large within the corporate limits of the City of Pontiac and if any such fowl or fowls be trespassing upon any premises within said city, it shall be lawful for any citizen and the duty of the marshal to restrain or take up such fowl or fowls and drive or convey them to the city pound."

It looks, in retrospect, as if that firm measure might have contributed to some neighborly feuding.

In the same year, 1882, after much discussion, the city government (now called a city commission) decided the rush of modern life demanded a better sense of the passing hours than could be determined by noting the position of the sun.

For the benefit of the hurried public, two town clocks were erected in the tower of the Crofoot Block downtown.

* * *

As the century ran out, it was running out on wheels.

The year 1895 found the City Commission prohibiting the riding, running or use of bicycles and velocipedes on the streets and walks in the downtown area.

Dublin Crowd Rough on Princess Grace

DUBLIN (AP) — The police guard on Princess Grace and Prince Rainier of Monaco was doubled today after wildly enthusiastic crowds broke cordons and frightened the princess to tears.

Reinforcements also were added to the motorcycle escort around the limousine of the princess, former movie star Grace Kelly. Some of the outriders were swept off their machines as a crowd of 20,000 surged round the princess in Dublin Monday night.

* * *

Twelve people were hospitalized and more than 100 were treated for cuts and bruises. The prince and princess sat helpless in their car for 20 minutes while the crowd milled around them on O'Connell Street.

Twice before the crowds had swept the cordons aside—outside a convent in North Dublin and again as she left a concert opening the International Music Festival. As the Monacan couple arrived at a hotel for a banquet and ball, their car broke down from too much running in low gear.

* * *

Cheering teen-agers and women pressed against the car windows. Some were sent sprawling over the hood. Civic guards and official aides from other cars struggled to push the royal car up to the hotel entrance.

* * *

The princess was weeping as police finally forced a way for her through the mob and into the hotel. Outside the crowd was yelling, "We want Grace," and after 15 minutes to compose herself, she walked out on a balcony and waved to throng.

1,082 Will Join for Rehearsal

Huge Centennial Cast to Practice at Wisner on Friday Night

Only two more days of routine rehearsals at Wisner Stadium and then the entire cast of 1,082 persons will be called to a dress rehearsal of "The Pontiac Story."

* * *

The only dress rehearsal of the giant Centenial Spectacle is scheduled begin at 7 p.m. Friday at Wisner Stadium, where the two-hour extravaganza will be played in its entirety on each of six nights, beginning Monday, June 19.

If it rains Friday night, the dress rehearsal will be postponed until 7 p.m. Sunday, said Harry Miller, Spectacle director.

There were afternoon and evening rehearsals of groups in the Spectacle daily last week.

* * *

There will continue today, tomorrow and Thursday, leading into the big practice session Friday.

Tickets to the Spectacle are on sale at Centennial Headquarters in the Pontiac Public Library.

The only soil in which minerals can be fully utilized by plants is the topsoil where organic matter and decayed plant humus are found.

Will Try Ex-Minister in Trujillo's Death

CIUDAD TRUJILLO, Dominican Republic (AP) — Ex-Defense Minister Jose Roman Fernandez will be tried by a court-martial for complicity in the assassination of dictator Rafael Trujillo. It is generally expected he will be executed.

★ ★ ★

The gray-haired, much-decorated major general who owed his high position to Trujillo has been accused of hoping to take over the government after Trujillo's death.

A communique from the office of Gen. Rafael Trujillo Jr., chief of the armed forces, said Roman, whose wife is the niece of Trujillo's widow, had confessed complicity in the slaying of the dictator May 30.

NOTICE OF SALE OF $3,031,000 PRELIMINARY Loan Notes of City of Pontiac, Michigan.

June 13, 1961.

Sealed Proposals will be received by the above-identified local public body corporate (hereinafter called the "Local Public Agency") at City Hall, 35 S. Parke Street in the City of Pontiac, Mich., until, and publicly opened at one o'clock, p.m., Eastern Daylight Savings Time, on June 27, 1961 for the purchase of $3,031,000 of notes of the Local Public Agency to be known as "Preliminary Loan Notes (Second Series, A)," being issued to aid in financing its Urban Renewal Project, designated Project No. Mich. R-20. The United States of America, acting by and through the Housing and Home Finance Agency, has agreed to make a loan under Title I of the Housing Act of 1949, as amended (42 U.S.C. 1450 et seq.), to the Loan Public Agency to assist the latter in undertaking and carrying out such Project. By authority of said Act and with the agreement of the Local Public Agency, the said Notes are to be unconditionally secured as to the payment of both principal and interest by the United States of America in the manner set forth herein.

The notes will be dated July 25, 1961, will be payable to bearer on January 26, 1962, will bear interest from their date to their maturity at the rate or rates per annum fixed in the proposal or proposals accepted for the purchase of such Notes, will be issued in such denominations, and both principal and interest thereof will be payable at such incorporated Bank having trust powers or incorporated Trust Company, as the purchaser designates in the proposal. Such Bank or Trust Company must be a member of the Federal Reserve System, or of the Federal Deposit Insurance Corporation, and must have an unimpaired capital and surplus of not less than the aggregate principal amount of Notes designated in the proposal or proposals submitted by the purchaser; provided, however, that such unimpaired capital and surplus need not exceed One Million Dollars. The Notes will provide that they are not valid until after such Bank or Trust Company has signed the agreement, appearing on each Note, to act as paying agent. The Notes will be transmitted to such Bank or Trust Company for delivery to the purchaser upon receipt and disbursement by such Bank or Trust Company of the purchase price thereof in accordance with instructions from the Local Public Agency. After taking delivery of the Notes, the purchaser shall obtain the signature of such Bank or Trust Company upon the Notes as aforesaid. All fees or charges, if any, of such Bank or Trust Company shall be paid by such purchaser.

Said Notes will be special obligations of the Local Public Agency and will be secured by a requisition agreement between the Local Public Agency and the United States of America under the terms of which agreement the United States of America agrees to lend the Local Public Agency prior to the maturity of said Notes an amount sufficient to pay the principal and interest of all said Notes and agrees to cause so much of the proceeds of such loan as shall be sufficient to pay the principal of and interest upon any of said Notes to be deposited at the respective Bank or Trust Company at which said Notes are payable for the benefit of the holder or holders thereof. Under the proceedings authorizing said Notes, the proceeds of such loan payment will be irrevocably pledged first to the payment, at maturity, of the principal of and interest on said Notes.

The Validity of the Preliminary Loan Notes and of said requisition agreement will be approved by Messrs. Dickinson, Wright, McKean and Cudlip, 800 First National Building, Detroit 26, Michigan, and such attorney's opinion will be furnished to the successful purchaser without charge.

All Proposals for the purchase of said Notes shall be submitted in a form approved by the Local Public Agency and shall be enclosed in a sealed envelope, addressed to the Local Public Agency, which should be marked on the outside "Proposal for Preliminary Loan Notes." Copies of such form of proposal may be obtained from the Local Public Agency at the address indicated above. Proposals may be submitted subject to completion pursuant to telegraphic instructions which must be received by the Local Public Agency at or before the time above specified for the opening of proposals. In view of certain statutory and policy limitations, no award of the Notes will be made at an interest rate per annum which is no less than Four and Five Eighths per centum (4⅝%).

Proposals may be for all or any part of the Notes, and separate proposals will be required for each part of said Notes for which a separate interest rate is bid. Said Notes will be awarded at the lowest interest rate or rates offered in the proposals, without reference to premium; provided, however, that, as among proposals specifying the same lowest interest rate, award will be made on the basis of the highest premium per dollar principal amount of Notes specified in such proposals. No bid for less than $50,000 principal amount of said Notes or for less than par and accrued interest (which interest shall be computed on a 360-day basis) will be entertained, and the Local Public Agency reserves the right to award to any bidder all or any part of the Notes which such bidder offers to purchase in his proposal, upon the basis of such proposal; provided, that if less than $50,000 principal amount of Notes is to be awarded to any bidder, such bidder will be relieved of the obligation to purchase such Notes upon written notice to the Local Public Agency within two days after notification of such proposed award. If only a part of the Notes bid for in a proposal are awarded by the Local Public Agency, the premium, if any, offered in such proposal shall be prorated, and said Notes will be issued in denominations in the order of the lowest denominations specified in such proposal; provided that one Note may be issued in a smaller denomination than is otherwise specified. The further right is reserved to reject any or all proposals.

Section 102 (g) of the Housing Act of 1949, as amended (42 U.S.C. 1452), provides as follows: "Obligations, including interest thereon, issued by local public agencies for projects assisted pursuant to this title, and income derived by such agencies from such projects, shall be exempt from all taxation now or hereafter imposed by the United States." In the event that prior to the delivery of any of the Notes to the successful bidder therefor the income received by private holders from obligations of the same type and character shall be taxable by the terms of any Federal income tax law hereafter enacted, the successful bidder may, at his election, be relieved of his obligations under the contract to purchase said Notes.

May Behaves Better in Year '61

May has improved a lot.

It goes to show what a difference a year makes.

Remember May in 1960?

Not a week went by that she didn't behave like a weepy bride —every week marred by tears.

She split the rainy and sunny days 12 and 12, was morose and cloudy five days, drizzled once and became absolutely misty on Friday the 13th.

How May's disposition has changed!

This year there were 23 sunny days, seven rainy and partly-rainy days, and one day when she turned cold, rained and snowed.

WEE BIT CHILLY!

All in all, May will be remembered for her sunny disposition.

She could still warm up more, however.

The weatherman said that May's temperatures were two degrees above the average.

The range of her behavior fluctuated from a chilling low of 27 on the 27th (naturally) to a high of 83 on the 14th.

Like the flighty month she is, May could change her mood quickly enough.

★ ★ ★

On the 26th Pontiac residents arose to find 15-mile-an-hour winds whipping in from the north bringing snow flurries and near freezing temperatures.

From a high of 70 the previous afternoon the temperature plunged to 37 on the 26th, just four degrees above the record set for that date back in 1913.

Precipitation last month totaled 2.54 inches, which the weatherman said was 1.07 inches below normal for May.

The month's average high temperature was 66 degrees, the average low 44.5 and the average median 55.4 degrees.

Forests in Brazil cover about one billion acres.

Dominicans Live Again Without Their Trujillo

CIUDAD TRUJULLO, Dominican Republic (AP) — The Dominican Republic has begun to relax as people adjust themselves to life without the man who ruled them for more than three decades.

Flags are flying full staff again ater nine days of official mourning for dictator Rafael L. Trujillo, who was gunned down by assassins.

Nightclubs that shut down during the mourning period are once more doing a thriving business.

One of the most popular spots is the Tiano, where you can get a bottle of Dominican rum for two dollars without cover charge.

The usual round of Sunday sports resumed also. Three special races were staged at the pearl of Antilles race tracks and cockfighting started up again in the republic's numerous arenas. The sport is legal in this country and draws large crowds.

TALK BASEBALL

The baseball season here is in the winter, but sandlot games are going all the time and baseball is a favorite topic of bar conversation, in contrast with other Latin American countries where everyone talks politics.

Dominicans are avid followers of the U.S. major leagues and many can tell you right away how many games Whitey Ford has won and Mickey Mantle's batting average.

The favorite American team is the San Francisco Giants, which has Dominican players Felipe Alou and Juan Marichal. Fans here also follow the St. Louis Cardinals, with Dominican Julian Javier on the team. The New York Yankees are American League favorites here for no apparent reason.

Food appears plentiful here with native grown rice and red beans a standby on most menus. For variety there is sancocho, a vegetable soup, and a half dozen kinds of meat.

★ ★ ★

Lottery tickets are selling briskly again. You can win $2,000 with a 50-cent ticket. Tickets still bear the words "Era of Trujillo."

★ ★ ★

The New York Times and Herald Tribune are back on the newsstands for the first time since Trujillo's death May 30. Since then no outside papers had been arriving.

Illustrative of the changed mood is a taxi driver who took a correspondent to Trujillo's funeral. As he drove the 23 miles to San Cristobal Church, he wept openly, declaring, "He was the only one we had. Without him we are lost."

Today the driver is cheerful, jokes with his passengers and talks about baseball.

Still More Refugees

A NEW SALES CAREER . . .
Intelligence, good character and energy qualify you for a permanent position with a well-known sales organization, specializing in Mutual Investment Fund Shares.
Mutual Funds represent a simple plan for participating in the earnings and growth of successful American industry through Planned Investment Programs.
Public acceptance of Mutual Funds is growing rapidly . . . over $1,000,000.00 a day. This should enable you, by rendering a valuable service to others, to earn a regular above-average income, and to enter a professional lifetime career. Ages 30 to 60 desirable.
Previous investment or sales experience helpful but not required; thorough training and cooperation supplied. Saleswomen are also invited to apply.
No travel. This is not insurance but trained insurance people should be interested. Possible earnings $7,500 to $15,000 or more yearly.

Stock Market Dragging Heels

NEW YORK (AP)—The stock market continued to drag its heels early this afternoon as prices declined in extremely slow trading.

Losses of key stocks went from fractions to a point or so. A scattering of stocks bucked the trend, making minor gains.

Turnover was at a slower rate than Monday when total volume was the lightest since Jan. 3, the first 1961 market session.

Some analysts regarded the sluggish market performance as a reaction preceding a summer rally while others were not so convinced that an advance was coming.

Meanwhile, the government reported a strong pickup in working hours and employment in heavy industry last month, particularly in autos and steel. Steels were dampened, however, by indications of further price reductions by U.S. Steel because of lack of demand.

U.S. Steel, Bethlehem and Republic Steel lost fractions while Jones & Laughlin fell a point.

An early declining pattern among motors improved somewhat as Chrysler gained a fraction, American Motors was about unchanged and General Motors was firm. Ford was off a bit.

JOHN F. BRADY JR.

Pontiac Motor Official Dies

John F. Brady Jr., 50, Suffers Heart Attack; Funeral Thursday

John F. Brady Jr., assistant director of salaried personnel at Pontiac Motor Division, died unexpectedly of a heart ailment at St. Joseph Mercy Hospital yesterday afternoon. He was 50.

His home was at 172 East Iroquois Road.

A graduate of Ferris Institute, he attended New York University and Detroit College of Law.

Prior to coming to Pontiac Motor Division where he has also served as supervisor of labor relations, Mr. Brady was with General Motors Truck & Coach Division.

A member of St. Benedict Catholic Church, he had served as vice chairman of the Pontiac United Fund industrial group in charge of salaried employe solicitation in 1951.

★ ★ ★

Surviving are his wife Elizabeth; his mother, Mrs. John F. Brady of Deford; a son, John F. II; and five daughters, Patricia, Mary Jo, Sharon, Bertha and Barbara, all at home.

★ ★ ★

The Rosary will be recited at 8 p.m. Wednesday at the Donelson-Johns Funeral Home. Service will be held at 10 a.m. Thursday at St. Benedict's Church with burial following in Mt. Hope Cemetery.

MRS. EVIE B. ALLEN

Service for former Pontiac resident Mrs. Evie B. Allen of 125 W. Pine Bluff, Edgewater, Fla., will be held at 11 a.m. Thursday at Grand Lawn Cemetery, Detroit.

Her body will be brought from Florida to the Voorhees-Siple Funeral Home at 3 p.m. Wednesday.

Surviving are two brothers. Mrs. Allen, 76, died unexpectedly Sunday at Fish Memorial Hospital, New Smyrna Beach, Fla.

ROBERT BANNON

Service for Robert Bannon, 46, of 39 McKinley St. will be held at 1:30 p.m. Wednesday at the Huntoon Funeral Home with burial in Perry Mount Park Cemetery.

Mr. Bannon died Sunday at Pontiac General Hospital after a brief illness.

JOHN J. GILLIS

John J. Gillis of 22421 Kendall, Detroit, a former Pontiac resident, died yesterday at Veterans Hospital, Dearborn after a short illness. He was 43.

A member of St. Benedict's Church in Detroit, he leaves his wife, Claire; and son, Thomas; his father, Joseph; two brothers and a sister.

Prayers will be offered at 8:30 Thursday morning at the McKinnes-Desmond Funeral Home, 16111 Woodward Ave., Highland Park. Requiem High Mass will follow at 9 a.m. at St. Benedict Church in Highland Park. Burial will be in Holy Sepulchre Cemetery, Southfield.

SYLVESTER H. JOHNSON

Service for Sylvester H. Johnson, 28, of 48 Lorraine Court will be held at 2:30 p.m. Friday at the Macedonia Baptist Church. Burial will be in Oak Hill Cemetery by the Frank Carruthers Funeral Home.

An employe of Fisher Body Division, he was a member of Bowling Sport League and the Macedonia Church.

Surviving besides his wife, Alice, are his parents, Archie Johnson and Mrs. Elizabeth Alexander of Pontiac; a daughter, Sylvia at home; and three sisters, Mrs. Delorce White, Mrs. Gloria De Baes and Lillie Johnson, all of Pontiac.

Mr. Johnson died Saturday at Pontiac General Hospital after an illness of eight months.

GEORGE H. CAINE

BRANDON TOWNSHIP — Service for George H. Caine, 66, of 2150 Seymour Lake Road, will be at 2 p.m. Thursday at the C. F. Sherman Funeral Home, Ortonville. Burial will be in Sashabaw Plains Cemetery, Independence Township.

Mr. Caine, a member of the Seymour Lake Methodist Church, died yesterday in a tractor accident on his farm.

Surviving besides his wife Alice are two sons, Louis of Ortonville and Larry of Peru, Ind.; three daughters, Mrs. Lola Finley of Drayton Plains, Mrs. Laura Smithling of Keego Harbor and Mrs. Louella Robinson of North Branch; 10 grandchildren; and nine great-grandchildren.

MRS. JAMES COOKE

IMLAY CITY — Service for Mrs. James (Emma) Cooke, 74, of 272 Borland Road, will be held at 2 p.m. Thursday at the Imlay City Congregational Church. Burial will be in Imlay Township Cemetery.

Mrs. Cooke died yesterday at Community Hospital near Almont following a long illness. Her body will be taken from the Muir Brothers Funeral Home to the church at noon Thursday.

She is survived by her husband.

HIGH-STYLE TABLES AT UNBELIEVABLE LOW PRICES
Don't let that low price fool you . . . these are famous Tonk tables, and that means they're built of fine materials to give you years of beauty and service. These are generous in scale, too, that big cocktail table is almost 4-feet long. Tops are high-pressure laminated plastic with the beauty of natural wood, but many times tougher. Choose yours in warm-toned light walnut or rich dark walnut, but come early, they won't last long at these prices.
NO MONEY DOWN
THESE ARE BARGAINS TOO!
29½-inch square corner table $29.95
34-in. round cocktail table $29.95

An additional charge of 50c will be made for use of Pontiac Press box numbers.

In Memoriam 2

IN LOVING MEMORY OF MY dear husband, Roy Foote.
Roy dear, you took so much with you when you went
Our happiness together, pleasures and content,
Companionship, your presence in our home
Now, no more gladness, I'm so alone.
And yet, dear, you left so much behind,
Generosity, loyality, goodness of every kind.
And in memories, loneliness, sadness and tears,
These long, lonesome days, weeks, months and years.
If only there could be a word and a smile
To help me on the rest of the while.
For you were my home, my all, my life
Love always and always, your wife.

IN MEMORY OF HUBERT Mc Donald who passed away one year ago, June 11.
Our dearly beloved husband and father who we miss so much and our friends and loved ones since we moved away. God bless you 'til we meet again some day. Mrs. Hubert McDonald and children.

O'NEIL
MULTIPLE LISTING SERVICE

A GENTLEMAN FARMERS DREAM COME TRUE. We'd love to conduct you on a tour through all ten of the beautiful big rooms. Two living rooms, each large enough for a Grand Piano, 2 gorgeous country kitchens, 4 master bedrooms, a library and an 18 x 15 formal dining room that would delight any woman who has longed for a place to entertain royally. Of course, there are two full baths plus the stool and shower in the basement. There's a rumpus room with a fireplace for very informal get togethers and childrens parties. This sumptuous residence sets high on a rolling 3 acre site. The gentleman owner needn't work too hard, but he can have a few dogs, or even a riding horse for his children. Could not be duplicated for $50,000 But will be sacrificed at $35,900, just $10,000 down to that certain gentleman. By appointment, please; ask for Mrs. Bette.

GIVE YOUR CHILDREN ROOMS OF THEIR OWN. Here's a real family home; has 5 bedrooms, 3 up and 2 down! There's an extra half bath upstairs also. Gas heat. 2 car garage. One of the finest locations in town, near Madison and Northern High Schools. Price $10,900. Only $1,500 down and $90 per month. REMEMBER, FIVE BEDROOMS!

YOU DON'T NEED TO GO NORTH, MOVE INTO THE "VILLAGE." Enjoy the summer swimming, boating and fishing and yet have all the advantages of sewer, water and city schools. This dandy 2 bedroom home is offered at $9,950. Large living room, full dining room and a heated sun porch are so comfortable and clean. Dry basement finished for recreation and has an almost new Janitrol gas furnace. 2 car garage. Cool, shaded lot. See it and compare; you'll agree with us. It's a buy!

HERE'S A SHARPIE, decorated to a queen's taste, matching cornices all through this lovely home. It is a large 3 bedroom ranch type with an attached carport. Gas heat and hot water. 95 ft. frontage, landscaped beautifully and the fencing really sets it off to perfection. Approximately $2,000 down and assume a 4½ per cent mortgage at a low $81 inc. all taxes and insurance. Let's look!

Report Pickup in Work Hours

Heavy Industry Jobs Show Gains Greater Than Seasonal

WASHINGTON (AP)—The government reported today a strong pickup in working hours and employment in heavy industry in May, particularly in autos and steel.

* * *

A Labor Department report amplifying earlier May job totals said the economy is continuing to show extra-seasonal gains.

The work week of the average factory worker moved up more than seasonally from 39.3 hours in April to 39.6 hours in May—the fourth increase in working hours in as many months. The work week has increased nearly a full hour since January, but is still a bit less than a year ago.

GOOD INDICATION

Ray Larson, a Labor Department manpower statistics expert, said the steady increase in the work week is a strong indication that employers will continue adding to payrolls.

* * *

The number of workers on nonfarm payrolls rose by 500,000 to 52.5 million, almost double the usual rise for May. This included a 150,000 job increase in durable goods industries, an area in which employment had fallen by nearly 900,000 from 1960.

The largest gains from April were in steel and auto industries and in plants fabricating metal parts for the auto manufacturers. Job increases were reported, however, throughout hard goods manufacturing.

The vast swampy plain known as the tundra, bordering on the Arctic ocean, has been called an Arctic desert.

'Democracy Not for Every Land'

U.S. Shouldn't Seek to Impose It Upon New Nations, Says Murrow

BALTIMORE, Md. (AP) — Edward R. Murrow, director of the U.S. Information Agency, today cautioned against trying to impose American institutions on the emerging countries.

"We must not fall into what I call the 'fallacy of forms,'" Murrow warned in speech prepared for delivery at the Johns Hopkins University commencement ceremonies.

* * *

Imitation, Murrow said, may be flattery, but in politics it may also be foolish.

"We must neither impose our forms and methods nor expect others to imitate us in every respect. We cannot afford the folly of believing that our way is the only way for the multiple world of nations."

'CONCEPT OUTMODED'

Murrow, former radio and television commentator, objected to the phrase that the world is divided. This, he warned, may be misleading.

"Division implies duality—a bipolar word divided between two nation states. I suggest this thinking is outmoded."

The world, he said, is divided—but into many camps.

"It is no longer us versus them," Murrow said. He advised speed in dealing with the rapidly changing world.

* * *

"The demand for results is timed today—not for tomorrow or next week, but for now. The continents will no longer respond to a call for moderation," he said.

The Western world, Murrow said, is at a disadvantage in its competition with the Soviets.

* * *

"To an emerging society shopping for a ready-made philosophy in the market place of ideas, democracy appears difficult to operate," he added.

"And indeed it is. Diversity is its virtue, dissent is its hallmark. It is complex and confusing. It is often slow to act, its respect for the individual may restrain government, its multivaried character defies labels and categories."

2-Year Probation, $100 Sentence Given to Two

Two years probation and $100 court costs were the identical terms handed down yesterday by Circuit Judge Stanton G. Dondero for two men who admitted stealing from a house under construction in the city.

* * *

Richard G. Dory, 30, of Detroit, and Clyde H. Buckner, 36, of 115 Maudlin St., Novi Township, pleaded guilty May 29 when arraigned on a charge of larceny in a building.

They stole five doors and trim from the house at 149 Beverly Ave.

Pontiac Press Photo

CENTENNIAL PLAYMATES — These chums decided on identical costumes to wear during the June 17-24 Greater Pontiac Centennial. They are Lucille Brunch (left), 7, of 719 E. Tennyson Ave. and Susan Cowdrey, 10 of 718 E. Tennyson.

Crime in City Rises in May

Report 274 Offenses in Seven Major Area — Only 251 in April

The amount of crime reported in Pontiac for May was up from the previous month, according to the month-end report of the Pontiac Police Department.

In all, 274 offenses were reported in seven major crime categories, ranging from murder to auto theft, up from 251 in April.

One homicide and one rape case were reported in May.

There were also nine robberies, 17 aggravated assaults, 58 burglaries, 172 larcenies and 16 auto thefts.

* * *

The April crime breakdown showed no murders or rapes, 2 robberies, 19 aggravated assaults, 46 burglaries, 167 larcenies and 17 auto thefts.

For the year, crime in the city is up from the comparable period of 1960.

There have been 1,346 major crimes reported through May, an increase from 1,245 for the same period a year ago.

* * *

Police reported 29 per cent clearance of major crimes in May, up from 22 per cent in April.

The U.S. has one-third the world's improved highways.

Block Cass Ave. to Make Room for Carnival

Police barricades blocked Cass Avenue between West Huron and Patterson Streets today in anticipation that the Greater Pontiac Centennial carnival will move into downtown Pontiac shortly.

Operated by King Rides, the carnival will run June 16 through June 24. Another King Rides carnival will be at Miracle Mile Shopping Center.

The barricades went up after City Hall administrators got permission from the State Highway Department to block off a portion of the M59 state trunkline for the Centennial.

Robert A. Stierer, assistant city manager, said the City Commission won't have to pass an official resolution or the highway commission.

He said the highway commission also gave belated approval to the stringing of Centennial signs across downtown Saginaw Street (U.S.10).

Padgett's Trial Set in Hit-Run Accident

Trial is next for Spencer E. Padgett after the 21-year-old Highland Township man stood mute yesterday when arraigned in Circuit Court for leaving the scene of an injury accident in Pontiac.

No date was set, however, for Stanton G. Dondero.

Bond was continued at $2,000 and Padgett, 9650 Highland Road, was returned to the county jail. He also asked for an attorney to be appointed to represent him.

Police say Padgett continued on after knowing his car had struck Roger McClintock, 21, of Bloomfield Township, on May 20 at Water and Mill streets. McClintock suffered a fractured wrist. Another youth was also injured.

Boy Survives Crash With Bus on Bicycle

An 8-year-old Waterford Township boy escaped serious injury yesterday when he was hit by a school bus while riding his bicycle on Dill Road near Walton Boulevard.

* * *

The bus driver, Charles Allen, 72 of 2735 Watkins Lake Road told township police he was driving south on Dill Road, and as the boy, Ward Hayes, was approaching on his bike, the boy suddenly swerved head-on into the bus.

He was taken to Pontiac General Hospital with lacerations to the face, and is in satisfactory condition today.

Enters Plea of Guilty in Break-In Case

Collis J. Russell, a 20-year-old Pontiac youth, appeared before Circuit Judge Stanton G. Dondero yesterday and pleaded guilty to the June 1 break-in of Dave's Barber Shop, 607 Franklin Road.

Judge Dondero set sentence for June 26 for Russell, of 66 Earlmoor Blvd.

Wayne, Schuster Began Careers in High School

BY EARL WILSON

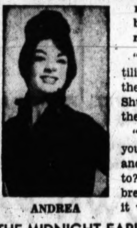
NEW YORK — "We're Harbord men," comedians Wayne and Shuster, Jack Benny's summer TV replacements, have been bragging lately.

"Not Harvard," they explain. "HARBORD—Harbord Collegiate High School, Toronto, Class of 1940."

WILSON

Eddie Cantor once said that with the death of vaudeville, there's no place for young entertainers to be lousy in. Wayne and Shuster, argue, however, that they can be lousy in high school as they were, or in college (University College, Toronto) as they were.

Having done 30 Ed Sullivan shows since '57, they're starring in "Holiday Lodge" in the Jack Benny CBS spot June 25. They're living in Beverly Hills where nobody has asked them for an autography. They haven't been given the best table in restaurants—fact is, they haven't been able to get in the best restaurants.



ANDREA

"We have 21 years of undeclared hostility between us," Wayne was saying the other day—or it may have been Shuster — it's hard to remember and they're of no help.

"We may have a contest titled 'Can you tell the difference between Wayne and Shuster and why should you want to? Why not hate them together? Why break up the set?" Wayne (or maybe it was Shuster) said.

THE MIDNIGHT EARL . . .

Denise Darcel was suddenly signed by 20th Century-Fox to film "Escape to Hell" in Honolulu . . . **Joe Louis** said he'll tour the midwest opening branches of his milk company . . . **Tom Poston** may snare a featured role in the Cary Grant film, "Touch of Mink" . . . Leggy actress **Andrea Jaffe'll** be in the movie "Greenwich Village."

Shelly Berman told Chicago disk jock **Jack Eigen** he's weary of other comics finding fault with his style, challenged 'em to get more laughs than he does . . . **Van Heflin's** returning from Italy to resume movie-making here.

* * *

EARL'S PEARLS: Every movie needs some love interest. In other words, a chicken in every plot.

TODAY'S BEST LAUGH: "There's only one thing wrong with those curvy Italian actresses," said a local fellow, "—most of them are in Italy."

WISH I'D SAID THAT: A woman will buy anything she thinks the store is losing money on. . . . That's earl, brother.

(Copyright, 1961)

Pontiac Area's CAP to Sponsor Outdoors Show

A presentation of the Mort Neff Michigan Outdoors show will be sponsored by the Pontiac area Civil Air Patrol June 21 in Pontiac Northern High School, beginning at 7 p.m.

A feature of the two-hour show on wildlife and fishing will be the Michigan Outdoors Zoo, including Rudolph the Red-Nosed Reindeer, pet porcupines, a skunk, badger, racoon and other animals.

Paul Allen will demonstrate and discuss snakes, and Neff and Howard Shelley will present a new film on fishing.

Arrest Officer on Spy Charge

U.S. Foreign Service Employe Said to Have Given Data to Poland

WASHINGTON (AP) — Irvin Chambers Scarbeck, an American foreign service officer, was arrested here today on charges of turning over national security information to the Communist government of Poland.

Atty. Gen. Robert F. Kennedy, who announced the arrest, said FBI agents took Scarbeck into custody on a Washington street.

Scarbeck, a long-time employe of the State Department, has been serving as second secretary in the American Embassy at Warsaw. He returned here a week ago.

Scarbeck, 41, is a native of Brooklyn, N.Y. He attended the College of the City of New York and New York University from 1936 to 1939.

Twice married, he has four children.

TO POLISH AGENT

FBI Director J. Edgar Hoover said Scarbeck was arrested on a warrant charging that from January through May of this year he transmitted classified information "affecting the security of the United States" to an agent of the Peoples Republic of Poland.

The FBI investigation, Hoover said, was based on information initially developed by the security office of the American Embassy in Warsaw.

* * *

The Justice Department did not disclose the nature of the information Scarbeck is accused of passing to the Poles.

Arrangements were made for a prompt arraignment before U.S. Commissioner Sam Wertleb here.

Conviction under the charges lodged against Scarbeck carries a fine of $10,000, 10 years imprisonment or both.

Scarbeck was first employed by the State Department in July 1952 and was assigned here until 1954 when he was transferred to San Francisco. He was commissioned as a foreign service officer in late 1956. He received his assignment to Warsaw in December 1958.

Robbery Blamed in Death of Widow

ROGERS CITY (AP)—The bound body of a 79-year-old widow was found in her home near here Monday night.

Presque Ile County Prosecutor Elmer Radka said Mrs. George L. Kent apparently was the victim of a robber. The woman's home was ransacked. Mrs. Kent lived alone in her home three miles southwest of Rogers City.

A neighbor, Mrs. Malcolm Kowalewski, found Mrs. Kent when she went to call on the woman.

The cause of death has not been determined.

New CD Plan Up for Approval

Commissioners Will Be Asked to OK Document for Survival

City commissioners tonight will be asked to approve a new, streamlined version of the city's 1957 civil defense plan.

* * *

Although the new, 60-page document doesn't differ in content much from its predecessor, it does differ in format, said Robert A. Stierer, assistant city manager.

The plan prescribes recommended methods by which city employes, acting as the main Civil Defense team, would help the general population in event of a nuclear attack.

In its new format, the plan fits in with the Michigan State Survival Plan, said Stierer. All local Civil Defense groups in Michigan have been called on to file acceptable copies of Civil Defense plans with the Michigan Office of Civil Defense, he said.

* * *

With commission and state approval of the plan, the city will once again be eligible for matching funds from the state for the purchase of such Civil Defense materials as mobile radios and an emergency gasoline tank at the Public Safety Building. These are now on the city's acquisition list, said Stierer.

* * *

To spur streamlining of local civil defense plans, the Federal Office of Civil and Defense Mobilization has held up matching funds from most cities for several months.

Burglary Nets Term in Jackson Prison

For their part in burglarizing the Multi-Lakes Conservation Club, Richard L. Dockstader, 23, and Harry Medaris, 19, were sentenced to 2 to 15 years and 3 to 15 years, respectively, in Jackson Prison.

Sentencing them yesterday in Circuit Court was Judge Stanton G. Dondero.

* * *

After having originally demanded a jury trial, Dockstader, 569 E. Lake Drive, Walled Lake, and Medaris of 2510 Buno Road, Milford, appeared before Judge Dondero May 29 and changed their pleas to guilty.

* * *

Two companions received 30-day jail sentences as part of their probation for the theft of liquor, cigars and cigarettes from the recreation clubhouse, 3860 Newton Road, Commerce Township, on April 6.

Pair Led to Kill by False Belief

Had Thought the First Victim Was Dead — So Slew Seven Others

SALT LAKE CITY, Utah (AP) —Two teen-agers, in a tale of tragic irony, say they embarked on seven slayings in five states because as long as they had killed one "we might as well keep on."

But the man they thought they had killed didn't die. Had they quit there, they wouldn't be facing murder charges.

There's another irony. Both James Douglas Latham, 19, Mauriceville, Tex., and George Ronald York, 18, Jacksonville, Fla., say they want to die. They'd prefer the electric chair. But the states with seemingly the strongest cases execute by other means —Kansas by hanging and Colorado by the gas chamber.

What started it? The Army, they claimed at a news conference in Salt Lake County jail Monday. They complained about army harassment. They objected to racial integration in the Army and to serving under Negro officers.

'NO PITY FOR NEGRO'

Though they expressed some offhand regret for some of the killings, they didn't for the slaying of John A. Whitaker, an elderly Negro railroad porter in Tullahoma, Tenn., who was robbed and shot to death.

"He was black," York explained. And Latham added. "We don't feel bad about killing a nigger."

Both are AWOL from the Army. They fled a disciplinary unit at Fort Hood, Tex., May 24. Latham was serving six months and was to get a bad-conduct discharge for taking $40 from a fellow soldier. York had been given six months for being AWOL.

NCA Will Add Cleveland Flight

Evening Connection to Result in a New Link With Chicago as Well

North Central Airlines will add an evening connection from Cleveland to Pontiac July 1 through Oct. 31.

The new flight will result in evening connections from Chicago as well, according to J. O. Edwards, North Central stationmaster at Pontiac Municipal Airport.

Both connections will be with a flight that leaves Willow Run Airport at 9:15 p. m., arriving in Pontiac at 9:33 p. m., later reaching Port Huron at 10 p. m., Edwards said.

An earlier flight at 8:45 p. m. (EDT) from Cleveland will arrive at Willow Run in time to make the connection, he said. A North Central flight from Chicago at 6:45 (CDT) will reach Willow Run in time, too, Edwards said.

The airlines this month began one-plane service between Pontiac and Cleveland in the evening and two-plane service between Cleveland and Pontiac in the morning.

Forest Means Jobs

NEW YORK (UPI) — The 350-year-old forest industry currently provides full-time jobs to more than one-and a-half million employes with an annual payroll of nearly $7 billion. Products are valued at $21 billion a year.

American Bargaining Team

AP Photofax

OBTAIN VISAS — Members of the bargaining team of the Tractors for Freedom Committee that landed in Cuba today pause outside the Czech Embassy in Washington Monday where they applied for visas to enter Cuba. From left are J. B. Liljedahl, Purdue University; Duane Greathouse, United Auto Workers Union; Hugo Pineda, American University, who will act as interpreter; Roy Bainer, University of California; and C. H. Hansen, Michigan State University.

Plan to Remain Two Days

Tractor Mission in Cuba

HAVANA (AP)—The American mission to exchange tractors for prisoners arrived by air today and was greeted by middle-ranking officials of Prime Minister Fidel Castro's government.

The four members of the mission were received at the airport by Maj. Luis Crespo of the Institute of Agrarian Reform; Enrique Cabre, chief of machinery of the institute, and Fernando Otero, aide to President Osvaldo Dorticos.

The group went from the airport to the Havana Riviera Hotel.

In a statement released to newsmen, Prof. Roy Banier of the University of California said the group plans to remain in Havana two days. He added that the negotiations will be "of a technical nature."

Castro left for Oriente Province before the arrival of the mission.

Before leaving Miami the group declared its "humanitarian purpose" is to free 1,200 captured invaders by exchanging 500 tractors for them, as originally proposed by Castro.

The four-man team of technical experts departed at 5:26 a.m. on the hour's flight to Havana with the avowed hope of working out a satisfactory tractors for prisoners trade in the next couple of days.

A one-man protest demonstration greeted the U.S. negotiators as they went through final departure procedures at Miami International Airport.

Douglas R. Voorhees, a local real estate man known for his vocal advocacy of causes, loudly accused them of going to Cuba to "submit to ransom, to blackmail."

★ ★ ★

He charged that the nongovernmental team of experts was violating the Logan Act which bars negotiations by private citizens with foreign governments.

Voorhees demanded that the Dade County (Miami) police arrest the U.S. team. The police instead kept Voorhees to one side of the departing group but let him talk on.

The Kennedy administration, which supports the Tractors-for-Freedom drive, has told the group it is not violating the Logan Act.

★ ★ ★

The technical team, while hopeful Castro would quickly agree to a swap because he needs tractors, was apprehensive that the unpredictable prime minister might demand terms unacceptable to the American committee.

★ ★ ★

Voorhees was the only protestor to show up at the airport though there had been rumors there might be trouble.

447 Waterford Seniors Graduate Tomorrow at 8

More than 1,000 parents and friends are expected to see 447 Waterford Township seniors graduate at 8 p.m. tomorrow on the high school football field.

In case of inclement weather, the graduation ceremonies will be held in the gymnasium.

DR. DONALD C. WEAVER

★ ★ ★

Main speaker will be Dr. Donald C. Weaver, professor of Education at Western Michigan University, who will be introduced by William A. Shunck, superintendent of the Waterford school system.

The top 10 seniors will receive recognition when Eldon Rosegart, board of education president, presents the diplomas.

High school sophomore Mary Hodges will play the processional and the recessional on an electric organ, and the invocation and benediction will be given by Rev. Edward A. Lowry, rector of St. Andrew's Episcopal church.

★ ★ ★

Sharon Sue Welch will present the valedictory message, and principal James Fry will present the class.

Sizzling 93 Hits Pontiac Twice; Storms Tonight

Ninety-three — the highest temperature of the year — hit downtown Pontiac shortly after noon and again at 5 p.m. yesterday.

Thunderstorms are on the agenda for tonight, with a low of 65.

★ ★ ★

The weatherman said residents may expect Wednesday to be a little cooler, the high will be about 82 with more thundershowers.

Morning southwesterly winds at 5 miles per hour will become 10-20 m.p.h. tonight and Wednesday.

★ ★ ★

Temperatures remained in the 70s throughout the night, the low before 8 a.m. was 75. The mercury had climbed to 89 at 1 p.m.

New Police in the Congo

LEOPOLDVILLE, the Congo (AP) — The United Nations announced today it has reached agreement with the Congolese government for 100 Nigerian policemen to take up guard duties at the key supply port of Matadi this week.

To Discuss Berlin

LONDON (UPI) — British Foreign Secretary Lord Home took off for the United States today for a new round of talks with American officials on the touchy Berlin question.

Poole Named to Third Term in Waterford

Margin Is Almost 3-1; Voters Give 1,222-129 Library Approval

FREDERICK POOLE

Waterford Township Board of Education incumbent Frederick Poole won another four-year term yesterday when voters in the district gave him almost a 3-1 margin over challenger Lewis B. Ruelle.

Unofficial totals show Poole received 952 votes, and Ruelle, 398 in light balloting which drew only 1,350 of 22,500 voters to the polls.

The library proposition on the ballot was approved, 1,222 to 129.

A township resident for the past 24 years, Poole, 37, operates the Poole Lumber Co., 151 Oakland Ave. The father of three children, he will begin his third term on the board.

"With the voters' support, I feel that the people have shown that they approve of the work done by the school board members," Poole said today. "I am privileged, once again, to serve the community of Waterford Township."

★ ★ ★

Poole lives at 1238 Heitch Drive. Ruelle, 42, of 5156 Farm Road, is employed in the engineering model shop of A.C. Spark Plug Division of General Motors in Flint.

For the first time, the school system has officially established a school library, and the district may continue to receive state reimbursement, about $10,000 annually.

Although the proposition specified one library, Superintendent William Shunck pointed out that it involves every library in the school system.

He added that establishment of the library will bring no increase in taxes.

★ ★ ★

Most School Issues Fare Well in Area

Voting was comparatively light in yesterday's annual school elections due to the lack of issues in most area school districts.

However, special proposals were approved in the school districts of Rochester, Brandon, Oak Park, Farmington, Utica and Clarenceville while others were rejected by voters in Avondale, Novi and Huron Valley districts.

Incumbent board of education members were upset in several districts. Details of all area election results are on pages two and eleven of today's Press.

Stevenson in Trouble

LIMA, Peru (UPI) — Anti-American students said today Adlai E. Stevenson will get a worse reception here Friday than the spitting, stone-throwing attack that greeted Vice President Richard M. Nixon in 1958.

Arrest Officer on Spy Charge

U.S. Foreign Service Employe Said to Have Given Data to Poland

WASHINGTON (AP) — Irvin Chambers Scarbeck, an American foreign service officer, was arrested here today on charges of turning over national security information to the Communist government of Poland.

Atty. Gen. Robert F. Kennedy, who announced the arrest, said FBI agents took Scarbeck into custody on a Washington street.

Scarbeck, a long-time employe of the State Department, has been serving as second secretary in the American Embassy at Warsaw. He returned here a week ago.

Scarbeck, 41, is a native of Brooklyn, N.Y. He attended the College of the City of New York and New York University from 1936 to 1939.

Twice married, he has four children.

TO POLISH AGENT

FBI Director J. Edgar Hoover said Scarbeck was arrested on a warrant charging that from January through May of this year he transmitted classified information "affecting the security of the United States" to an agent of the Peoples Republic of Poland.

The FBI investigation, Hoover said, was based on information initially developed by the security office of the American Embassy in Warsaw.

★ ★ ★

The Justice Department did not disclose the nature of the information Scarbeck is accused of passing to the Poles.

Arrangements were made for a prompt arraignment before U.S. Commissioner Sam Wertleb here.

Conviction under the charges lodged against Scarbeck carries a fine of $10,000, 10 years imprisonment or both.

Scarbeck was first employed by the State Department in July 1952 and was assigned here until 1954 when he was transferred to San Francisco. He was commissioned as a foreign service officer in late 1956. He received his assignment to Warsaw in December 1958.

Stay Home, Ikeda!

TOKYO (UPI) — The ultraleftist Zengakuren Students Federation today called for a mass demonstration at Tokyo International Airport next Monday to block Prime Minister Hayato Ikeda's departure to the United States.

Victor P. Sutt Leads Balloting in Pontiac Race

Wins in His First Bid; William H. Anderson Is Re-Elected

Sutt	1,226
Anderson	1,139
Downes	974
Jenkins	951
Brown	884
Graham	459

★ ★ ★

VICTOR P. SUTT

WILLIAM H. ANDERSON

Pontiac voters elected a new member and returned one incumbent to the Board of Education in yesterday's school election.

Winners were Victor P. Sutt, 41, of 2215 St. Joseph St., West Bloomfield, and William H. Anderson, 48, of 451 Lynch St.

Sutt, a superintendent of tooling and body engineering at Fisher Body Division, provided the big surprise as election returns came in last night.

In his first bid for a public office, he led the ballot of six candidates, with 1,226 votes, some 87 more than the 1,139 polled by incumbent Anderson.

Before the election, Anderson, vice president of the board, and James R. Jenkins, appointed to the board to fill a vacancy early this year, generally were regarded as favorites.

TWO PATTERNS

Anderson polled more votes than Sutt in 11 of the 19 school-district voting places.

★ ★ ★

Sutt, however, got a heavy majority of votes on the South side of Pontiac. Where he won, he won big. At Jefferson Junior High School, Sutt got 179 votes.

His closest competitor there was Russell Brown, 51, of 483 Lynch St., with 129 votes. Anderson and Jenkins polled only 27 between them at Jefferson.

At Bagley school, Sutt got 221 votes. This time Willie S. Downes of 1801 Opdyke Road, Pontiac Township, was second with 148. Anderson got only 13 votes and Jenkins, 12.

★ ★ ★

At Whitfield, Sutt led with 111 votes. Although trailing Anderson and Jenkins at Weshington Junior High, Sutt still polled 162 votes.

John W. Graham, 38, of 275 Dick St., won one precinct, Owen school, where he beat Sutt by one vote, 56-55.

"I'm very appreciative of all the people who supported me," said Sutt. He admitted he was "a little surprised at the final count."

★ ★ ★

"I promise to do all in my power to contribute to a more democratic board and to initiate more active participation by the school board in all matters pertaining to our entire school system," he asserted this morning.

Anderson, who gained voter support over a wider area than any other candidate, was also pleased.

"It is a privilege again to have the opportunity to serve as a member of the Pontiac Board of Education," he said.

Tanker Was Unloaded – Fortunately

Pontiac Press Photo

ESCAPES INJURY — The driver of this unloaded gasoline tanker was unhurt yesterday when his rig crashed into a tree and scraped against a vacant house at 5859 Dixie Highway in Waterford. Wilfred A. Siggins, 57, of Detroit told state police a car cut in front of his truck, forcing him to veer off the road. The house was only slightly damaged. Waterford and Independence Township firemen hosed down the wreck scene to prevent fire. Witnesses of the crash said the driver of the car, a woman, kept going. She was not identified.

Youngsters Plan Fun on Kids Day, June 22

School will be out, Centennial excitement will be at its peak and for the youngsters who want to celebrate with a "whoopie!" the time is "Youth Day," on Thursday, June 22.

A big morning parade on downtown Saginaw Street will lead off a full day of Centennial activities, with the accent on children.

During the day school children will participate in Pontiac and Oakland County governments and up to 2,500 youngsters are expected in athletic contests in four city parks.

All youngsters are welcomed in the parade, which forms at 9:30 a.m. at Auburn Avenue and South Parke Street. The route will be north on Saginaw Street, beginning at 10:30 a.m.

Centennial headquarters in the Pontiac Public Library is accepting advance registrations for parade participation, although youngsters may join in without prior registration.

PETS AND BIKES

Pets and decorated bicycles and wagons will highlight the parade.

Already lined up are the Land 'O Lakes Majorettes, the Miss Centennial float with Miss Centennial and her 10 Centennial princesses.

Also participating will be the Pontiac Boys Club with three floats, Girl Scout units with a float, Campfire Girls, the Pontiac Northern High School Band and the Washington Junior High School Band; Jim Forman's Dixielanders band; and the Boys Club drum and bugle corp.

In preparing the parade, alumni and seniors of the Boys Club are aiding the parade committee, consisting of Cressy Larson, chairman; Frank Cashman, James Skinner, George Mayes, Gordon Moats, Jack Cole and Lloyd Heimbecker.

FROM 2 TO 4 P.M.

The athletic contests will run from 2 to 4 p.m. that afternoon at Oakland, Murphy, Beaudette and Jaycee Parks.

Leonard T. Buzz, contest chairman, said about 1,000 ribbons will be awarded to winners. Contests will be staged for both boys and girls in four age brackets, 6-7 years, 8-10 years, 11-12 years and 13-15 years.

In a final salute to youth, the preperformance spotlight at Wisner Stadium that night will be on an all-city Youth Orchestra, directed by Robert Peterson.

Representatives from the city's youth organizations will be introduced before the thousands gathered at the Stadium for the fourth performance of "The Pontiac Story."

The preperformance program is scheduled to begin at 8:15 p.m. The Spectacle begins at 8:45 p.m.

Accident Kills MSUO Teacher

Sports Car Overturns; Mrs. Caulkins Dies at Pontiac General

MRS. CHRISTIANE CAULKINS

A young French teacher at Michigan State University Oakland was killed yesterday when her foreign sports car flipped on a curve on Pontiac Road, a half mile west of the campus.

★ ★ ★

Oakland Highway Toll in '61
38
Last Year to Date: 49

Alone at the time, Mrs. Christiane Monique Caulkins, 26, of 1560 N. Woodward Ave., Bloomfield Hills, was pinned under her overturned Jaguar convertible.

Passing motorists were able to lift the car. They summoned an ambulance.

★ ★ ★

Mrs. Caulkins, who was expecting a child in two months, died at Pontiac General Hospital 15 minutes later, without regaining consciousness. She received internal and head injuries.

Sheriff's deputies said she had just left the university for the day.

Her husband David, is a research analyst for Vickers Corp. in Detroit.

Born in Treignac, France, Mrs. Caulkins came to this country in 1959 after receiving her masters degree in English and French literature at the University of Toulouse.

She taught at Bloomfield Hills High School, joining the MSUO faculty in September.

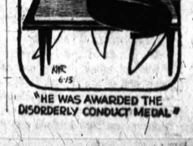
News Flashes

WASHINGTON (AP) — President Kennedy today picked Mayor Delesseps Morrison of New Orleans to be U.S. ambassador to the Organization of American States. Morrison said he would resign as mayor to accept the post.

WASHINGTON (AP) — President Kennedy proposed to Congress today a broad expansion of the unemployment compensation system to increase the amount and duration of benefits and the payroll taxes to pay for them.

Plan 'Summit' for 21

CAIRO, Egypt (AP) — Representatives of 21 nonaligned countries agreed today to hold a summit conference in Yugoslavia starting Sept. 1.



"HE WAS AWARDED THE DISORDERLY CONDUCT MEDAL"

Hopes Ebb for Mental Health, Education Hikes

Swainson Is Reluctant to Extend Scope of Call

LANSING (UPI) — Gov. John B. Swainson today threw cold water on the hopes of Republican moderates to get appropriation increases for mental health and education in the special legislative session which starts Thursday.

* * *

"I would want a very strong indication that the legislature would take the action before expanding the call," Swainson said.

Though he would not say that he would demand assurance of the two-thirds vote necessary to give immediate effect to appropriations or tax measures, which the GOP moderates in the Senate want passed, Swainson indicated to newsmen that this would be desirable.

He admitted that if the budget increases were passed, opponents of the move would not be likely to block immediate effect.

Leaders of the Republican move to bring the money matters before the special session said they would ask Swainson to expand his call to include them.

CASH FOR PAY HIKE

Swainson said Democrats in the legislature would vote for the increases, but indicated he wanted money to pay the 3 per cent pay hike granted all state workers by the Civil Service Commission included.

Swainson called the special session to bring Michigan under two federal programs that would mean an estimated $25 million in federal funds to the state.

Enabling legislation to put Michigan in the federal Aid to Dependent Children program, passed by Congress this year, would mean $25 million to local welfare departments, and passage of an act to regulate the placing of billboards on interstate highways would mean a $5 million bonus in highway money.

Neither of the two issues cited in Swainson's call was assured of passage, but chances seemed good for ADC at least.

Meanwhile, Sen. Stanley G. Thayer, R-Ann Arbor, said he was attempting to round up support for extension of the penny-a-pack tax on cigarettes and the 4 per cent tax on telephone and telegraph service, both of which are slated to expire June 30.

Part of the estimated $11 million income from the two taxes would go to education and mental health with the remainder being used to help retire the state deficit, now at more than $60 million.

State Jobless Down 130,000

Figure Below 10 Pct. of Labor Force First Time This Year

DETROIT (AP)—Unemployment in Michigan fell off 130,000 within a two-month period up to May 15, the Michigan Employment Security Commission said today.

The MESC unemployment as of May 15 was 292,000 as compared with 422,000 on March 15, a fall of 36 per cent. It was the first time this year unemployment had dropped below 300,000, or 10 per cent of the labor market.

The greatest number of returning workers were in the automotive industry, MESC Director Max M. Horton said.

The 292,000 unemployment of May 15 was 9.8 per cent of the labor force. The 422,000 of March 15 was 14 per cent.

In the metropolitan Detroit area jobless workers were reduced by 58,000 over the 60-day period.

Horton attributed the upturn to three factors: (1) the spring increase in automotive production; (2) a substantial improvement in construction and other nonmanufacturing industries; and (3) the effects of the MESC's "hire now" campaign.

Tractor Tips, Kills Brandon Farmer

A Brandon Township farmer was crushed to death yesterday when a heavy-duty tractor he was operating tipped and fell on top of him.

George Caine, 65, of 2150 Seymour Lake Road, was mowing grass beside his driveway when the tractor fell over the edge of a steep, bordering ditch.

He died almost instantly of a crushed chest and multiple bone fractures. A wrecker was used to lift the tractor off the victim's body.

Post for Newswoman

LANSING (AP)—Mrs. Doris Jarrell, staff writer for the Lansing State Journal, was appointed today as director of research for the Democratic State Central Committee, effective July 1.

Cool Air Drifts Across Border to Temper Heat

By The Associated Press

Some relief appeared on the way from a late spring heat-wave in the eastern half of the nation today, as cool air from Canada drifted into northern sections.

* * *

More warm and humid weather was the outlook for the major part of the muggy belt. Temperatures in the 80s and 90s with high humidity were again in prospect for much of the mid-continent, the East and the South.

* * *

The cooler air headed in to northern sections of the Plains, Great Lakes region, New England and the upper Mississippi Valley.

Kennedy Cancels Talk to Speed His Recovery

WASHINGTON (AP) — President Kennedy cancelled a speaking engagement today to speed recovery of his ailing back.

Pierre Salinger, White House press secretary, emphasized in announcing that Kennedy had called off his speech that the decision indicated no worsening of his condition.

"It is just a question of allowing the improvement to continue and not doing anything to delay the improvement," Salinger told newsmen.

Kennedy had been scheduled to address the U.S. Conference of Mayors at a luncheon in a downtown Washington hotel.

The engagement would have required him to drive about a half-mile from the White House and, despite the crutches he is using, to put additional pressure on his back.

Before Salinger announced the change in Kennedy's program, Democratic congressional leaders had reported the President seemed to be in excellent condition.

SAYS HE LOOKS GOOD

"I never saw him look better," House Speaker Sam Rayburn, D-Tex., said after he and other Democratic congressional leaders held their weekly breakfast meeting with Kennedy.

Rayburn told reporters Kennedy did not seem tired or give any evidence of pain. The President told them, Rayburn added, that he expects to be able to discard his crutches within a few days.

Vice President Lyndon B. Johnson echoed Rayburn's view on Kennedy's appearance and manner.

Kennedy asked Johnson to substitute for him before the Conference of Mayors. Salinger said Johnson would express the thoughts Kennedy had planned to present in an extemporaneous speech.

'NOT A RECURRENCE'

Salinger scoffed at reports that Kennedy's ailment could be a recurrence of previous back injuries—suffered while playing football and later during World War II—that led to a serious operation in 1954.

* * *

Salinger repeated a previous statement by Dr. Janet Travell, White House physician, that the present injury is not related to any previous condition.

The White House said last week that Kennedy strained his back while shoveling dirty in a ceremonial tree planting while visiting Canada last month.

* * *

Salinger revealed that another doctor, whose name he could not immediately provide, had examined Kennedy while the President was resting at Palm Beach, Fla., last week. He gave no report on the second doctor's diagnosis.

FULL SCHEDULE

Kennedy offered some support to the Democratic leaders' view of his condition by getting out his crutches and walking from his White House living quarters to his office in the working section of the mansion today. He planned to keep his appointments there—unlike Monday when he received callers in a study in White House living quarters.

* * *

Kennedy has a full schedule laid out for the next several days but has decided against holding a news conference this week. Salinger said Kennedy's back injury was not a reason for skipping the conference.

* * *

Other than the question and answer session with newsmen that followed a speech in Paris 10 days ago, Kennedy has not held a press conference since May 5.

In addition to the session with the congressional leaders, Kennedy held a final meeting with Italian Prime Minister Amintore Fanfani in his office.

Nixon Praises Mustering Plan of County Man

If a new look in party reorganization, authored by John A. Gibbs of Oakland County, was invoked elsewhere "our prospects would go sky high," former vice president Richard M. Nixon told Gibbs in a letter yesterday.

* * *

Gibbs, executive secretary of the Republican Committee of Oakland County, said a copy of a 48-page analysis of the problems and future of the Michigan GOP had been forwarded to Nixon at the request of GOP State Chairman George Van Peursem.

Van Peursem is now using the report as a basis for possible state reorganization, Gibbs explained.

* * *

Nixon described the Michigan plan as "a real formula for party success."

"If every one of our party locals, nationwide, could read and study your report and then use it as a handbook for effective political action, I think our prospects would go sky high," Nixon said.

Nixon said the plan combines "utter candor and realism on the one hand with the missionary zeal of the true believer . . ."

* * *

"Your assessment of the available resources — good people and good principles, basically . . . comprise a real formula for party success," Nixon said.

Robbery Blamed in Death of Widow

ROGERS CITY (AP)—The bound body of a 79-year-old widow was found in her home near here Monday night.

* * *

Presque Ile County Prosecutor Elmer Radka said Mrs. George L. Kent apparently was the victim of a robber. The woman's home was ransacked. Mrs. Kent lived alone in her home three miles southwest of Rogers City.

A neighbor, Mrs. Malcolm Kowalewski, found Mrs. Kent when she went to call on the woman.

* * *

The cause of death has not been determined.

'Democracy Not for Every Land'

U.S. Shouldn't Seek to Impose It Upon New Nations, Says Murrow

BALTIMORE, Md. (AP) — Edward R. Murrow, director of the U.S. Information Agency, today cautioned against trying to impose American institutions on the emerging countries.

"We must not fall into what I call the 'fallacy of forms,'" Murrow warned in speech prepared for delivery at the Johns Hopkins University commencement ceremonies.

Imitation, Murrow said, may be flattery, but in politics it may also be foolish.

"We must neither impose our forms and methods nor expect others to imitate us in every respect. We cannot afford the folly of believing that our way is the only way for the multiple world of nations."

'CONCEPT OUTMODED'

Murrow, former radio and television commentator, objected to the phrase that the world is divided. This, he warned, may be misleading.

"Division implies duality—a bipolar word divided between two nation states. I suggest this thinking is outmoded."

The world, he said, is divided—but into many camps.

"It is no longer us versus them," Murrow said. He advised speed in dealing with the rapidly changing world.

* * *

"The demand for results is timed today—not for tomorrow or next week, but for now. The continents will no longer respond to a call for moderation," he said.

The Western world, Murrow said, is at a disadvantage in its competition with the Soviets.

* * *

"To an emerging society shopping for a ready-made philosophy in the market place of ideas, democracy appears difficult to operate," he added.

"And indeed it is. Diversity is its virtue, dissent is its hallmark. It is complex and confusing. It is often slow to act, its respect for the individual may restrain government, its multivaried character defies labels and categories."

Lana's Daughter Vanishes After Trouble With Law

BEVERLY HILLS, Calif. (AP) —Actress Lana Turner's teen-age daughter Cheryl Crane, who fatally stabbed playboy Johnny Stompanato in her mother's home here in 1958, is missing.

Police say Cheryl, now 17, failed to appear before juvenile officials to explain her arrest early Sunday morning. Police had found her with two drunken teen-agers.

* * *

Authorities said Cheryl left a note at the Malibu Beach ranch home of her stepfather, Fred May, indicating she had disappeared "for a few days to think things over."

* * *

Miss Turner said Monday night she hadn't seen Cheryl since finding the note.

* * *

Cheryl was booked Sunday under juvenile laws when patrolmen answered a prowler call at the home of her grandmother, who wasn't home. The officers said Cheryl was entertaining two other girls, Rachel Sanchez, 18, of North Hollywood, and a 16-year-old minor.

Drop in Wind Saves Villages

Newfoundlanders Use Pails of Water to Keep Fire From Cottages

HARE BAY, Nfld. (UPI) — A forest fire that threatened to destroy two tiny Newfoundland fishing villages appeared to be under control today.

* * *

Fire officials said the battle against the blaze could be considered won if no sudden wind blows up.

The fire destroyed six miles of timberland before encircling Hare Bay and nearby Dover, forcing the evacuation of all women and children — more than 100 persons altogether.

Sheer determination by more than 1,000 tough Newfoundland fishermen and firemen was credited with halting the inferno as it edged toward the towns' homes and shops.

* * *

Many of the townspeople used buckets of water to fight the blaze and save their cottages.

The women and children removed to Gander 10 miles away last night began to return at dawn.

Fire officials said the men were about to give up their battle when there was a drop in the wind and they began to make headway in halting the flames.

* * *

Twenty-one pumps still were playing water on the fire and many of the men dropped to the ground exhausted and slept where they fell.

Communist Tirades Blame U.S. in Laos

GENEVA (UPI) — The Communist camp plunged today into an all-out propaganda offensive designed to soften Western demands for effective guarantees of a peaceful, neutral Laos.

* * *

Communist Chinese Foreign Minister Chen Yi began the maneuver Monday with a bristling, bitter speech blaming the United States for all the troubles in Laos.

* * *

Tass News Agency quickly followed up Monday night with a charge that the United States is "doing everything to postpone and perhaps even sabotage the conference altogether."

Other Communist delegates were expected to take the floor today and continue the tirade against the United States and its allies.

The 15th session opened with Thailand's delegation maintaining the boycott it started Monday. The Thai group walked out in a dispute over who is to represent Laos at this conference.

* * *

U.S. Ambassador Averell Harriman arranged to have lunch with Soviet Foreign Minister Andrei Gromyko before the start of today's session, possibly to see if the Communist side would be willing to skip the oratory and get down to business.

The Day in Birmingham

No School Pool Bonds, Says Bloomfield Hills

BIRMINGHAM — A proposed $500,000 bond issue to finance the construction of a swimming pool was rejected yesterday by voters in the Bloomfield Hills school system.

Incumbent board of education members Mrs. Jean Martz and Max Miller were returned to office for three years, defeating Mrs. Christine Jones and Frederick Syme.

Mrs. Martz received 794 votes; Miller, 750; Mrs. Jones, 529; and Syme, 503.

The bond issue, defeated 760 to 581, would have cost school district property owners approximately $6 annually for a 25-year period had it been approved.

Bennett Root, unopposed incumbent on the Birmingham school board, polled 535 votes to retain his post.

Birmingham voters authorized the transfer of $39,500 from an old retired bond issue to a current building fund with a 513 to 23 vote.

Birmingham School Supt. Otis M. Dickey will award diplomas to 665 Seaholm graduates at 10 a.m. commencement exercises at the high school Thursday.

Dr. Louis Norris, president of Albion College, will give the main commencement address.

Portraits of the school's namesake, Ernest Seaholm, and Ross A. Wagner, Seaholm principal, will be presented to school officials as gifts of the graduating class by Mosby Harvey, senior class president.

Covaledictorians are Sally Elaine Ryden and Linda Elaine Wells. Cosalutatorians are Margaret Chamberlain and Jane Louise Griffith.

Bruce N. Coulter, English instructor at Cranbrook, has been named to the newly created Donner Chair at the school.

The presentation of the teaching grant, which provides an estimated $12,000 yearly salary to the recipient, was made by Edward H. Lerchen, chairman of the Cranbrook School Board of Directors.

Coulter, who has taught at Cranbrook since 1936 and is also director of student guidance, is a graduate of Brown University and received his M.A. degree at the University of Michigan.

Cranbrook is one of 15 independent secondary schools which share equally in $4½ million in teaching endowments awarded last year by the Donner Foundation of Philadelphia.

Mrs. Jean Ketchum, a delegate candidate for the Constitutional Convention, will be a guest speaker at a 12:30 p.m. meeting and luncheon tomorrow of the Birmingham chapter of the American Association of University Women at the Orchard Lake Country Club.

The Birmingham Rotary Anns will hold its final meeting of the year Monday at 1 p.m. at the home of Mrs. Charles R. Miller of 26255 Pembroke St., Pleasant Ridge.

New officers for coming year will be elected following the luncheon.

Boy Scout Troop 29 Plans Court Tonight

Boy Scout Troop 29 of the Hawthorne and Wever School areas will have an outdoor court of honor tonight at Hawthorne Park, beginning at 7 p.m.

Donald Maher is the new scoutmaster, with Woodrow Gray and James Hayes as assistants. They plan one outdoor activity each month this summer.

Report Pickup in Work Hours

Heavy Industry Jobs Show Gains Greater Than Seasonal

WASHINGTON (AP)—The government reported today a strong pickup in working hours and employment in heavy industry in May, particularly in autos and steel.

* * *

A Labor Department report amplifying earlier May job totals said the economy is continuing to show extra-seasonal gains.

The work week of the average factory worker moved up more than seasonally from 39.3 hours in April to 39.6 hours in May—the fourth increase in working hours in as many months. The work week has increased nearly a full hour since January, but is still a bit less than a year ago.

GOOD INDICATION

Ray Larson, a Labor Department manpower statistics expert, said the steady increase in the work week is a strong indication that employers will continue adding to payrolls.

* * *

The number of workers on nonfarm payrolls rose by 500,000 to 52.5 million, almost double the usual rise for May. This included a 150,000 job increase in durable goods industries, an area in which employment had fallen by nearly 900,000 from 1960.

The largest gains from April were in steel and auto industries and in plants fabricating metal parts for the auto manufacturers. Job increases were reported, however, throughout hard goods manufacturing.

Oakland Dems to Hear Collins and Woodcock

The subject will be the forthcoming constitutional convention and the speakers Joseph Collins, state Democratic chairman, and Leonard Woodcock, UAW vice-president, at tonight's quarterly meeting of the Oakland County Democratic Committee.

* * *

The state party leaders, as well as Democratic con-con candidates, will appear at the 8 p.m. meeting at the Pontiac Central High School auditorium, according to James M. Ginn, county chairman.

HAIRLINE FRACAS — Stanley E. Moore still has his handlebar moustache, but he had to shave off a full beard when the Pittsfield, Mass., Western Union office said it didn't want its night manager looking like a beatnik. Now a bicentennial group has asked the telegraph firm's president to rescind the order.

Will Seek Authority to Operate A-Plant

WASHINGTON (AP) — Authority to operate the atomic energy plant near Monroe, Mich., now is to be sought by its builders.

This will be the next step in the wake of Monday's U. S. Supreme Court's approval of the nuclear plant's construction.

The court, in a 7-2 decision, reversed a lower court's ruling of last year that the Atomic Energy Commission (AEC) was at fault in approving construction by the Power Reactor Development Co., a utilities group.

Unions had fought the AEC's approval on grounds of public safety.

Monday's decision upheld the Atomic Energy Commission's approval of construction of the plant.

2-Year Probation, $100 Sentence Given to Two

Two years probation and $100 court costs were the identical terms handed down yesterday by Circuit Judge Stanton G. Dondero for two men who admitted stealing from a house under construction in the city.

Richard G. Dory, 30, of Detroit, and Clyde H. Buckner, 36, of 115 Maudlin St., Novi Township, pleaded guilty May 29 when arraigned on a charge of larceny in a building.

They stole five doors and trim from the house at 149 Beverly Ave.

Drowns in Gravel Pit

FLINT (AP) — Bernard Williams, 17, of Flint, drowned Monday in a gravel pit in nearby Genesee Township. Friends said Williams, a nonswimmer, got into water over his head.

Algerian Peace Talks Gloomy Over Battles

EVIAN - LES - BAINS, France (AP) — French negotiators and representatives of the Algerian rebel government met today for what may be the crucial session of their three-week-old peace conference.

The tone and approach of today's session in Evian's Hotel Du Parc could decide whether the talks continue or break down. So far neither side has shown an inclination to break off the talks and take the responsibility for the resumption of large-scale fighting in Algeria.

The tense, gloomy atmosphere in which the parley recessed Saturday was further clouded over the weekend when Moslem terrorists struck with new fury throughout Algeria. Thirteen persons were killed and 54 wounded.

Five persons—four of them Europeans—were killed in terrorist attacks in Oran Monday. In Algiers a European and a Moslem were killed and six Moslems were wounded when a grenade was tossed into a crowded cafe.

USE PLASTIC BOMBS

French extremists retaliated with three plastic bombs in front of Moslem stores, wounding three persons.

Five persons were injured in a similar incident in Constantine, where a French captain was also shot and gravely wounded.

In Paris, 16 persons were wounded, three seriously, by the explosion of a plastic bomb in a hotel in an area housing many African workers. The bombing was blamed on French extremists opposing President Charles de Gaulle's Algerian policy.

The French have ordered their forces in Algeria to hold their fire unless attacked, but the rebel command has refused to halt terrorism, the nationalists' most effective weapon.

The French view has been that, in order to have a political agreement, fighting had to stop first.

★ ★ ★

The two sides differ sharply on all major issues ranging from Algeria's territorial limits to the status of the country's one million Europeans.

The thorniest problem is the future status of the oil and mineral-rich Sahara. At this stage, no compromise appeared in the making on any single issue.

Come On, Fido! Get Into Contest at Miracle Mile

After the Centennial parade Saturday afternoon, Pontiac youngsters can enter their dogs in a big contest at Miracle Mile Shopping Center, sponsored by the Miracle Mile Association and the Ken-L-Ration Division of Quaker Oats Co.

The program, including a demonstration by the Southern Michigan Obedience Training Club, will begin at 6:30 p.m. in the parking area at the J. C. Penney Store.

There'll be numerous prizes and ribbons, including a watch as the grand prize, a flash camera for the runner-up and a "Paint-a-Dog" kit for third place.

Contests will determine which dog has the longest tail, or the most spots, or is the best groomed, or performs the best trick or wears the best Centennial decorations.

Any dog, mongrels included, is welcome in the contest.

Plans Overhaul for Jobless Pay

JFK to Propose Today Boost in Amounts and Longer Time Limit

WASHINGTON (AP) — President Kennedy is expected to propose to Congress today a broad overhaul of the unemployment compensation system.

The White House gave no advance hint of details.

★ ★ ★

However, the administration for some time has been reported contemplating seeking a boost in the amount and duration of benefits paid to idled workers as well as an increase in the payroll taxes paid by employers to finance the insurance plan.

Kennedy has been working since he took office in January on a permanent revision of the unemployment compensation program—part of the Social Security System enacted during the Roosevelt New Deal.

★ ★ ★

Federal action to raise the amount of benefits would be a departure from tradition. Until now the level of benefits has been left to the states to fix, with the result that benefits vary widely from state to state. The nationwide average is about $32 per week.

Boy Survives Crash With Bus on Bicycle

An 8-year-old Waterford Township boy escaped serious injury yesterday when he was hit by a school bus while riding his bicycle on Dill Road near Walton Boulevard.

★ ★ ★

The bus driver, Charles Allen, 72 of 2735 Watkins Lake Road told township police he was driving south on Dill Road, and as the boy, Ward Hayes, was approaching on his bike, the boy suddenly swerved head-on into the bus.

He was taken to Pontiac General Hospital with lacerations to the face, and is in satisfactory condition today.

To Buy 4 Cars for Patrol Use

Waterford Twp. Board to Open Bids on Autos; Also on Insurance

Four new patrol cars will replace worn out vehicles in the Waterford Township police department, by Township Board action last night.

Bids will have two alternatives, one, out-right bids and the other to take the older cars as trade-ins. Bids will be received June 26.

Sealed bids for workmen's liability compensation insurance policies will also be opened June 26.

Clerk James E. Seeterlin was authorized to present cost estimates and date for blacktopping Tyron Street. Townsihp engineers Johnson & Anderson presented an estimate of $12,310 for the project and July 3 was set for the public hearing date.

The township will match $4,900 in funds with the Oakland County Road Commission for the extension of a sewer drain on Exmoor Street from Lakeside Drive to Elizabeth Lake Road.

The low bidder in quotations for nine gate wells for the water department, Ray L. Welch was awarded a contract for $2,925.

A special meeting was scheduled with Seeterlin and Fire Chief Elmer R. Fangboner today to set up specifications for purchase of a new fire chief's car.

The board approved purchase of 500 feet of 2½-inch fire hose at a cost of $1,000, and Police Chief Tyron Street. Township engineers liam Stokes were authorized to attend the Michigan Police Chiefs Convention at Charlevoix June 26, 27, and 28.

Township attorney Paul Mandel will present a redraft of the Waterford Township traffic violations ordinance within the next two meetings.

Bolted Rodeo Bull Strangles Itself

A 1,400-pound rodeo bull that fled into the Highland Recreation Area in White Lake Township over the weekend died of strangulation yesterday during efforts to recapture it.

The owner of the Brahma bull, Duke Dennison, who operates a ranch and rodeo at 5500 Highland Road in the township, said he managed to lasso the bull in the park but that the animal tangled the rope around a tree and was strangled before they could release it.

★ ★ ★

Dennison said the bull, used for bucking contests in rodeos, was worth $2,000. The bull had escaped its enclosure on the ranch and took refuge in the heavily wooded state park when pursued.

Oakland County Area School Vote Sees Upsets

Several upsets of incumbent board of education members were recorded in yesterday's annual school elections in the Oakland County area.

In most cases, however, the balloting was light with usually no more than two candidates running for the one or two posts open.

Following is a roundup of the elections where the races were small and no major issues were at stake:

Troy

Richard C. Snoad was successful in his initial bid yesterday to win one of the two seats available on the Troy Board of Education.

He polled 175 votes to beat incumbent Robert A. Meade who was only two votes behind with 173.

The other incumbent seeking re-election was Robert W. Dolmage who led the field with 213 votes. He and Snoad will serve four year.

Oxford Area

A comparatively small turnout of voters yesterday elected Robert L. McWilliams and Roe E. Sausser to the two four-year posts open on the Oxford Area Board of Education.

McWilliams received 155 and Sausser, 129, to outdistance board appointee James N. Woon, who also was a candidate. Woon polled 110 votes. A total of 206 votes was cast.

Southfield

Will J. Oliver, a veteran of 13 years on the Southfield Board of Education, was soundly defeated in yesterday's annual school election running a poor fourth in a field of five.

Elected to the two four-year terms were Kenneth Larsen, who polled 1,047, just one vote more than incumbent board member Theodore E. Minke, who received 1,046.

Other results were S. S. Zwiren, 580; Oliver, 475; and Mrs. Irene E. Gase, 222. Oliver is currently serving as board treasurer.

Only 20 per cent of the registered electorate went to the polls, or approximately 3,500 out of 15,000.

Walled Lake

Richard S. Miles won a four-year term on the Walled Lake Board of Education, upsetting incumbent Walter Horstman in his bid for re-election.

Miles polled 240 votes with Horstman receiving 100.

NEWS OF THE AREA

Clarkston

Four-year terms on the Clarkston School Board were won by Keith L. Leak, incumbent, and Harold L. Hicks.

Leak and Hicks received 196 and 173 votes, respectively against 160 garnered by their opponent, Mrs. Lucia Wilford.

Mrs. Wilford was the first woman to run for school board office in Clarkston in 20 years.

Holly

Unopposed incumbent John C. Fisher polled 38 votes to retain his seat on the Holly Board of Education. His new term is for four years.

Jack Bennett, also unchallenged, was named to the one-year term on the school board. He received 36 votes.

Dublin

Re-elected to a three-year term on the Dublin Board of Education was Frederick T. Corliss. He received 42 votes against 20 polled by his lone opponent, Eric L. Spitler.

W. Bloomfield

The two four-year terms on the West Bloomfield Board of Education went to Jack Shuler, incumbent, and Mrs. Kathleen Kjolhede. Shuler and Mrs. Kjolhede received 131 and 137 votes, respectively. They were unopposed.

Lyon

Incumbent J. W. Erwin retained his post on the Lyon Board of Education by polling 216 votes, the highest tally among a field of eight candidates seeking two four-year terms.

Winning the other school board post was Donald Riddering. He received 204 votes.

The unsuccessful candidates and their votes were Rita Chenoweth, 181; C. F. Grimes, 160; Alfred B. Ueker, 150; Josephine A. Allen, 85; Gordon Bunn, 76; and Elsie F. Kitter, 20.

Farmington

Farmington Board of Education posts were won by incumbent Patricia Dates and Herbert R. Neal. In winning the four-year terms the incumbent received 1,072 votes and Neal 1,058.

The unsuccessful challengers, Michael J. Hand and Richard F. Hug, polled 562 and 544 votes, respectively.

The reclassification from a fourth-class to a third-class school district was approved by Farmington School District voters by a vote of 1,067 to 351.

The change had been requested because of increased population in the school district.

Lake Orion

A one-vote margin yesterday gave challenger Ernest N. Shagnea a victory over incumbent Charles Carpenter in the race for a single four-year term on the Lake Orion Board of Education.

Shagnea won his first term on the board by collecting 145 votes to Carpenter's total of 144. A third candidate, Robert Fetterly, polled 67 votes.

Clarenceville

Fred T. Bailey retained his seat on the Clarenceville Board of Education, defeating Melvin Kuehn by a vote of 292 to 173. Bailey won a four-year term.

Dr. Samuel Prisk, unopposed incumbent, was named to a two-year post on the school board. He received 420 votes.

Clarenceville voters gave approval for the establishment of a Community College with a vote of 344 to 166 and named Paul Mutnick to the college board of trustees.

Mutnick, unopposed, tallied 317 votes.

North Oxford

Mrs. Belle Place, who was appointed president of the tiny North Oxford School District last year, was elected to that position at the district's annual meeting last night.

Mrs. Place was unchallenged for the post. She will serve three years.

Romeo

Philip A. Berthiaume, the present secretary of the Romeo Board of Education, won re-election to his third term on the board yesterday by defeating Thomas J. Schultz.

Berthiaume totaled 256 votes to win the single four-year vacancy on the school board. Schultz, who was making his first bid for school office, lost out with 218 votes.

Reject Millage, Tenure Return Ex-Superintendent

Avondale School District voters yesterday turned down requests for operational millage and teacher tenure while electing the district's former school superintendent to the board of education.

* * *

The election of Raymond N. Baker, who was ousted in 1959 after serving 13 years as superintendent, was one of the biggest upsets in Oakland County.

Baker, an unsuccessful candidate last year, totaled 270 votes yesterday to lead all candidates seeking the two vacancies on the board.

Baker and David W. Hackett both won four-year terms. Hackett, who will be serving for the first time, received 267 votes.

* * *

Incumbent Robert C. Sipperly failed to win re-election and finished last in a field of six candidates with 173 votes. Other defeated school board hopefuls and their totals were James E. Fehlberg, 200; Raymond R. Connors, 196; and Herman C. Douglas, 176.

The proposition which asked permission to levy a 6.5-mill operational tax for five years was rejected by 383 voters and supported by only 259.

School Supt. Leroy R. Watt said the defeat of the proposal will mean a loss of $160,000 in millage and state aid in next year's budget.

TO MAP NEXT STEP

Watt said he expected the board of education would meet soon to decide its next step now that the millage is defeated He explained that the 1961-62 budget was based on acceptance of the millage request by the district's electorate.

The school board stated prior to the election that the millage proposal, if approved, would have increased the voted tax rate in the district by 2.6 mills over the 1960-61 levy.

The district's rate for debt retirement would have been reduced by nine-tenths of a mill. Three mills of the total on the ballot would have continued operational millage approved five years ago which expired in December.

* * *

The proposition which would have established teacher tenure in the district came within one vote of being passed last year, but it was soundly defeated yesterday.

The tenure issue, supported by Avondale teachers and the Michigan Education Assocation, lost out by 128 votes, 390 to 262.

SHIRLEY E. WOODCOCK

An Aug. 26 wedding is planned by Shirley E. Woodcock and Earl C. Gottschalk Jr., whose engagement is announced by the bride-elect's parents, Mr. and Mrs. Gilbert T. Woodcock of 317 Park St., Lake Orion. The prospective bridegroom is the son of Mr. and Mrs. Earl C. Gottschalk of Saginaw.

Oak Park District OKs $3.5 Million School Bond

OAK PARK — Voters in the Oak Park School District yesterday approved a $3.5 million bond issue for school construction and expansion by a substantial margin of 209 votes.

The total tally was 1,021 yes to 812 no.

The money raised by the bond issue will be used to build a 55-room junior high school and additions to two elementary schools.

This is the tenth time in as many years that voters in this school district have approved funds for educational facilities and operation.

In the race for the 2 four-year posts on the Oak Park Board of Education winners were Leland Smith who garnered 1,108 votes a Selma Shargel with 969.

Julius Passerman was out of the running with 813 votes trailed by Lionel E. Spoon with 493 and Seymour Smelsey with 358.

Union Lake Club to Meet Saturday

UNION LAKE — The annual dinner and installation of the Union Lake Business and Professional Women's Club will be held 7:30 p. m. Saturday at the LaViean Dining Room in Waterford Township.

Taking office that night will be Marian Fraser, president; Pat Ouellette, vice president; Carolyn Embree, recording secretary; Sarah Paklaian, corresponding secretary; and Christine Reasor, treasurer.

Fran Leaf of the Keego Harbor Business and Professional Women's Club will be the installing officer.

Capt. Charles Leaf of the Michigan State Police will be the guest speaker.

Defeat Pay and Union

MUSKEGON (AP) — Voters have backed a City Commission stand with defeats of two proposals involving holiday pay for all salaried city employes and union organization for municipal workers.

Half-Mill Tax Okayed for Handicapped Kids

LAPEER — A permanent half-mill tax which will be levied in all Lapeer County school districts was approved by a margin of 523 votes in the annual school elections yesterday.

A light turnout of voters yesterday passed the issue, 1,615 to 1,092. The special levy will raise about $38,000 per year in the county for education of mentally and physically handicapped children.

Voters Approve Issue of Bonds

Brandon District OKs $395,000 Project by 24-Ballot Margin

ORTONVILLE — A $395,000 bond issue to finance extensive construction and remodeling projects in the Brandon School District was approved by a 24-vote margin in yesterday's school election.

The second issue on the ballot, a request to set salaries for board of education members at $240 per year, passed by 114 votes, 292 to 178.

Incumbent Harold Webb, who was unchallenged for a single four-year term on the Brandon Board of Education, won re-election with 424 votes.

The bond issue received 239 yes votes to 215 no.

Approval by the district's electorate will allow school officials to go ahead with plans for adding 11 new classrooms and a library at Brandon High School and three new classrooms, a library and extra storage space at Belle Ann Elementary School.

* * *

The 51-year-old junior high school in Ortonville will be closed and students attending classes there will be transferred to the new additions when the work is completed.

Both the high school and elementary school will be remodeled with funds available from the sale of bonds.

* * *

School officials say the new method of paying board members will cut costs in the district. Board members received $10 per meeting under the old system and often attended more than 24 meetings a year, according to School Supt. Burl Glendening.

Reclassified by One Vote Margin

Harvey, Dinger Elected to Utica School Board

Incumbent Jack Harvey and Howard A. Dinger were elected out of a field of nine candidates to four-year terms on the Utica Board of Education yesterday.

A proposition which asked that the Utica Community District be reclassified from a fourth- to a third-class district was approved by a one-vote margin, 489 to 488.

A proposal which would have increased board members salaries from $300 to $400 per year was defeated, receiving only 382 yes votes to 592 no.

Board members took salary cuts last year so that new board members could receive some compensation until the classification of the district was changed.

* * *

Utica district voters approved a third proposition which will transfer $228 from debt retirement service to the general fund. It was approved, 806 to 214.

Harvey, the current board president and the only incumbent in the race, easily won re-election with 666 votes while Dinger won the other school board post with 466 votes.

Unsuccessful candidates and their vote totals were Gene Pini, 272; Edward A. Bogdan, 206; Charles W. Cooper, 199; Theodore J. Huerth, 140; Harry L. Burkhart, 115; Erwin D. Doan, 72; and Dr. John J. Dina, 60.

The race for the two board of education seats in the Utica district drew the largest field of candidates in the area.

Troy OKs Start of Sewer Plans

Approves the Details of Payment for Work on Engineering

TROY — The City Commission last night took action which will allow the Oakland County Department of Public Works to start engineering work on an $11-million sewer construction project here.

The commission adopted a two-page resolution which spelled out the method of payment for the engineering work and other preliminary details on the huge sewer program.

* * *

Under the resolution, the county will not be able to exceed $2,000 for the engineering work until final agreement is reached on the 12-Town Drain and Dequindre Interceptor.

If either of these projects is blocked again, the sanitary sewer program in Troy may be delayed indefinitely.

HEARING JUNE 28

A public hearing on the 12-Town is slated for June 28 in Royal Oak. If no suit is filed by July 18, construction on the 12-Town will begin.

Legal groundwork for the project was laid by the commission April 15 when it levied a special 1.6-mill tax for 1960-61 to help pay off existing sewer debts.

Commissioners adopted another resolution at that time which authorized the city to enter into contract negotiations with the county for installation of a system of sanitary sewer trunk lines throughout Troy.

The contract has not been signed, but last night's resolution will allow the DPW to start engineering plans for the sewer project.

SPECIAL MEETINGS

In other business, the commission set dates for two important meetings. On Monday commissioners will hold a special session at City Hall to discuss a contract which would bring Detroit water into the city.

* * *

Commissioners scheduled a meeting for July 17, when they will discuss details of the proposed Chrysler Expressway with State Highway Department officials.

The July meeting will be held in the auditorium of Troy High School to accommodate the expected large crowd.

Pleas of Innocent Entered for Five in Burglary

SOUTH LYON — Circuit Judge Stanton G. Dondero entered pleas of innocent yesterday for five Ypsilanti youths when they stood mute at their arraignment for the alleged burglary of an auto dealership.

No trial date was set for Eldon Cole, 17, Robert G. Crank, 19, Emmett E. Gentry, 21, Ronald L. Parks, 20, and James D. Shepard, 22.

All but Cole were returned to the county jail unable to furnish bonds. Cole has posted his $2,000 bond.

* * *

Police last week spotted Crank, Cole and Parks removing a safe containing about $100 from the Spitler-Demner Ford showroom. Shepard and Gentry were picked up later.

OES at Commerce to Honor Counselor

COMMERCE TOWNSHIP—Mrs. Elsie Chynoweth, grand counselor of District 5 of the Grand Chapter of Michigan, will be honored by Commerce Chapter 301, Order of the Eastern Star, at a June 20 reception.

Mrs. Chynoweth, appointed grand counselor by Worthy Grand Matron Mabel Shaw at the last session of the grand chapter, served as worthy matron of the Commerce chapter in 1948-49.

The 7 p.m. reception at the Commerce Masonic Temple will be followed with exemplification of the degrees of the order by Mrs. Chynoweth.

The candidates for initiation are Hazel Bailey, Donna May York and Lou Nell York.

Little Boy Drowns

HOLLAND (AP) — Robert Sanchez, 5, went on a bathing party with his three sisters — the first of his life — and drowned Monday.

Bride Designs Her Gown

Wed in Milford Church

MILFORD TOWNSHIP — White gladioli and pink carnations were used to decorate the altar of the Milford Presbyterian Church for the double-ring wedding Saturday of Charlene Baird and Gary Norman Hoyt.

Rev. Frank Williams performed the ceremony.

The bride, daughter of Mr. and Mrs. Raymond Baird of 3672 S. Milford Road, made her own wedding gown of white embroidered nylon over taffeta. Ballerina length, it featured a scoop neckline, fitted bodice and long sleeves ending in points over her wrists.

MRS. GARY N. HOYT

A white seed pearl tiara held her shoulder length veil of silk illusion, and she carried a colonial bouquet of pink carnations surrounded by white carnations.

* * *

Her accessories were a pearl pendant with earrings to match, gifts of the bridegroom. He is the son of Mr. and Mrs. Robert D. Hoyt of 1714 N. Hickory Ridge Road, Highland Township.

Matron of honor for her sister was Mrs. Peter Harrigan. Mrs. Robert L. Hoyt, sister-in-law of the bridegroom, was bridesmaid.

Assisting his brother as best man was Robert L. Hoyt. Ushers were Harold Book and Richard Hoyt, cousin of the groom, with Ray Clinard serving as groomsman.

* * *

A reception was held at the church immediately following the nuptials. Upon their return from a one-week honeymoon in the South, the newlyweds will live at 204 John St., Highland.

Loses His Post in Huron Valley

Harry Porter Beaten, Board President Wins Re-Election

HURON VALLEY — Harry Porter was defeated in his attempt to win re-election to the Huron Valley Board of Education. He will be replaced by Eugene E. Russell.

Board President Donald M. Hackbardt, however, retained his position by winning the other four-year term on the school board.

The other unsuccessful candidate was Robert H. Gorsline.

Hackbardt received 482 votes; Russell, 340; Porter, 320; and Gorsline, 311.

* * *

Huron Valley voters turned down a request to increase the salaries of board members $500 by a 575 to 141 vote.

Board members currently received $100 annually while the president and secretary get $150.

The increased salaries would only have been received this year by the board members elected yesterday.

Authorization was given, however, to transfer $5,000 received in delinquent taxes on a retired bond issue to the building and site fund. The vote was 424 to 293.

Jack E. Perry Chosen for Language Institute

ORCHARD LAKE — Jack E. Perry of 3178 Winterberry Road will attend a seven-week modern language institute for secondary school teachers of French and Spanish at the College of Saint Teresa, Winona, Minn., from June 19 to Aug. 4.

Perry, a teacher in the Waterford school system, is one of 70 selected from more than 600 applicants that will attend the institute.

Burianek-Small

Rochester Girl Weds

ROCHESTER—Suzanne L. Small became the bride of Laddie J. Burianek Saturday at the First Baptist Church here in a ceremony performed by Rev. Donald Olsen.

The bride is the daughter of Mr. and Mrs. R. E. Small of 1136 Sycamore St. The bridegroom's parents are Mr. and Mrs. Frank Bone of Warren.

For her wedding the bride chose a floor-length gown of chantilly lace over satin with long sleeves and a sweetheart neckline trimmed in pearls.

A crown of seed pearls and sequins held her shoulder-length veil of illusion which was edged with chantilly lace. She carried a bouquet of white roses and lilies-of-the valley.

* * *

Matron of honor for her sister was Mrs. William Toureau of Warren while another of the bride's sisters, Elaine Ann Small of Rochester, served as a bridesmaid with Patricia Reid of Rochester.

* * *

The bride's brother-in-law William Toureau was best man. Wayne Niles of Lansing and Gordon Fisher of Warren seated the guests.

Following the afternoon rites, a reception was held in the church parlors. The newlyweds now live in Roseville.

MRS. LADDIE J. BURIANEK

Purdy and Chandler, School Tax Okayed

ROCHESTER—Voters in the Rochester Community School District elected Henry Purdy and Robert E. Chandler to the board of education and approved a five-mill operational tax for five years.

Purdy, incumbent school board president, topped all candidates in yesterday's election with 855 votes. Chandler won his first term on the board with 725 votes.

Both will serve for four years.

The millage request was supported by 808 voters while 539 voted against it. Voting was heavier yesterday than it was in last year's annual school election when rain and apathy were blamed for the small turnout.

Still only 17 per cent of the district's registered electorate went to the polls this year.

School officials say the millage approved yesterday will bring $250,000 into the district's operating fund next year without raising the tax rate over the 1960-61 total.

* * *

Two mills for operation which expired this year will be continued under the new millage. Three mills formerly levied for debt retirement will not be collected in the 1961-62 school year.

Unsuccessful candidates for the school board and their vote totals were Mrs. Virginia K. Allured, 618; John H. Patterson, 438; and Charles A. Ferry, 115. Ferry filed nominating petitions for the board race but later withdrew because of the press of business. His name was on the ballot, however.

* * *

The extra operational millage will be used to staff and maintain new school facilities now under construction.

OK 2-Mill Tax to Pay Off New School Facilities

DRYDEN — A two-mill tax levy needed to finish paying for equipment for the new high school was approved by Dryden School District voters yesterday.

The total was 70 for the proposal and 12 against, the same as for the special education proposal in the county.

The one-year tax will raise approximately $8,500, but even with the levy, taxes will be lower in the 1961-62 school year than they are now.

A 2.5 mill tax was approved last year to pay off the bond issue for the high school addition built in 1958. The two mills expired this year so that the levy now passed will be one-half mill lower than in 1960-61.

After the polls closed on the millage election, the annual school board meeting was held with present Board President William Thorman Jr. and Mrs. Lawrence Hadley winning the two posts open by acclamation.

Mrs. Hadley replaces Board Treasurer Raymond Stevens, a veteran of 14 years on the board, who declined to seek re-election. She and Thorman will serve for four years.

Swainson Is Honored

WINDSOR (AP) — Michigan's Gov. John B. Swainson and Premier Leslie Frost of Ontario were made honorary citizens of Windsor Monday at an international dinner.

GWENDOLYN B. BRILLS

Mr. and Mrs. Arvel A. Brills of 35734 W. 14 Mile Road, Bloomfield Township, announce the engagement of their daughter Gwendolyn Beth to Robert Arthur Korthas. He is the son of Mr. and Mrs. Herbert Korthas of 1318 Flamingo Road, Commerce Township. No date has been set for the wedding.

Extra School Millage Rejected by Novi

NOVI — A request for an additional six mills for school operation was rejected and an incumbent board of education member ousted in the Novi School District.

Incumbent Edward Erwin failed in his bid for re-election, losing out to David Fried. The new board member received 374 votes to 356 polled by Erwin.

The proposed tax increase was defeated 565 to 160.

* * *

The millage would have been in addition to 9½ mills currently being levied in the school district, 2½ mills for operation and seven mills for debt retirement.

The extra funds would have been used to increase teacher's salaries and establish music, art and remedial reading classes.

Gets Jackson Term for Bludgeon Slaying

Richard L. Young must serve a term of 2½ to 15 years in Jackson Prison for the bludgeon slaying in March of his drinking partner.

* * *

Circuit Judge Stanton G. Dondero sentenced Young, 22, of 7593 Pontiac Lake Road, Waterford Township, yesterday.

As he was awaiting trial for second-degree murder in the March 12 beating of Floyd Rowley, 47, of Independence Township, Young went before Judge Dondero and pleaded guilty to a second count of manslaughter.

* * *

The murder took place after the two men had been drinking together earlier in Rowley's cabin home. Young's wife told deputies her husband suddenly went berserk.

Enters Plea of Guilty in Orion Twp. Break-In

George W. Thayer, 19, of Pontiac Township, yesterday pleaded guilty to the daytime break-in of a service station in Orion Township.

* * *

Circuit Judge Stantion G. Dondero ordered Thayer, of 2906 Adams Road, held on $2,000 bond pending sentence June 26.

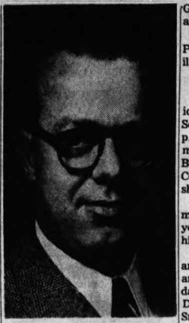
Electrical eels have an unusual location ability. They have little eyesight and live in murky waters but are able to locate their prey easily.



JOHN F. BRADY JR.

Pontiac Motor Official Dies

John F. Brady Jr., 50, Suffers Heart Attack; Funeral Thursday

John F. Brady Jr., assistant director of salaried personnel at Pontiac Motor Division, died unexpectedly of a heart ailment at St. Joseph Mercy Hospital yesterday afternoon. He was 50.

His home was at 172 East Iroquois Road.

A graduate of Ferris Institute, he attended New York University and Detroit College of Law.

Prior to coming to Pontiac Motor Division where he has also served as supervisor of labor relations, Mr. Brady was with General Motors Truck & Coach Division.

A member of St. Benedict Catholic Church, he had served as vice chairman of the Pontiac United Fund industrial group in charge of salaried employe solicitation in 1951.

★ ★ ★

Surviving are his wife Elizabeth; his mother, Mrs. John F. Brady of Deford; a son, John F. II; and five daughters, Patricia, Mary Jo, Sharon, Bertha and Barbara, all at home.

★ ★ ★

The Rosary will be recited at 8 p.m. Wednesday at the Donelson-Johns Funeral Home. Service will be held at 10 a.m. Thursday at St. Benedict's Church with burial following in Mt. Hope Cemetery.

MRS. EVIE B. ALLEN

Service for former Pontiac resident Mrs. Evie B. Allen of 125 W. Pine Bluff, Edgewater, Fla., will be held at 11 a.m. Thursday at Grand Lawn Cemetery, Detroit.

Her body will be brought from Florida to the Voorhees-Siple Funeral Home at 3 p.m. Wednesday.

Surviving are two brothers. Mrs. Allen, 76, died unexpectedly Sunday at Fish Memorial Hospital, New Smyrna Beach, Fla.

ROBERT BANNON

Service for Robert Bannon, 46, of 39 McKinley St. will be held at 1:30 p.m. Wednesday at the Huntoon Funeral Home with burial in Perry Mount Park Cemetery.

Mr. Bannon died Sunday at Pontiac General Hospital after a brief illness.

JOHN J. GILLIS

John J. Gillis of 22421 Kendall, Detroit, a former Pontiac resident, died yesterday at Veterans Hospital, Dearborn after a short illness. He was 43.

A member of St. Benedict's Church in Detroit, he leaves his wife, Claire; and son, Thomas; his father, Joseph; two brothers and a sister.

Prayers will be offered at 8:30 Thursday morning at the McKinnes-Desmond Funeral Home, 16111 Woodward Ave., Highland Park. Requiem High Mass will follow at 9 a.m. at St. Benedict Church in Highland Park. Burial will be in Holy Sepulchre Cemetery, Southfield.

SYLVESTER H. JOHNSON

Service for Sylvester H. Johnson, 28, of 48 Lorraine Court will be held at 2:30 p.m. Friday at the Macedonia Baptist Church. Burial will be in Oak Hill Cemetery by the Frank Carruthers Funeral Home.

An employe of Fisher Body Division, he was a member of Bowling Sport League and the Macedonia Church.

Surviving besides his wife, Alice, are his parents, Archie Johnson and Mrs. Elizabeth Alexander of Pontiac; a daughter, Sylvia at home; and three sisters, Mrs. Delorce White, Mrs. Gloria De Baes and Lillie Johnson, all of Pontiac.

Mr. Johnson died Saturday at Pontiac General Hospital after an illness of eight months.

GEORGE H. CAINE

BRANDON TOWNSHIP — Service for George H. Caine, 66, of 2150 Seymour Lake Road, will be at 2 p.m. Thursday at the C. F. Sherman Funeral Home, Ortonville. Burial will be in Sashabaw Plains Cemetery, Independence Township.

Mr. Caine, a member of the Seymour Lake Methodist Church, died yesterday in a tractor accident on his farm.

Surviving besides his wife Alice are two sons, Louis of Ortonville and Larry of Peru, Ind.; three daughters, Mrs. Lola Finley of Drayton Plains, Mrs. Laura Smithling of Keego Harbor and Mrs. Louella Robinson of North Branch; 10 grandchildren; and nine great-grandchildren.

MRS. JAMES COOKE

IMLAY CITY — Service for Mrs. James (Emma) Cooke, 74, of 272 Borland Road, will be held at 2 p.m. Thursday at the Imlay City Congregational Church. Burial will be in Imlay Township Cemetery.

Mrs. Cooke died yesterday at Community Hospital near Almont following a long illness. Her body will be taken from the Muir Brothers Funeral Home to the church at noon Thursday.

She is survived by her husband.

Intelligence, good character and energy qualify you for a permanent position with a well-known sales organization, specializing in Mutual Investment Fund Shares.

Mutual Funds represent a simple plan for participating in the earnings and growth of successful American industry through Planned Investment Programs.

Public acceptance of Mutual Funds is growing rapidly . . . over $1,000,000.00 a day. This should enable you, by rendering a valuable service to others, to earn a regular above-average income, and to enter a professional lifetime career. Ages 30 to 60 desirable.

Previous investment or sales experience helpful but not required; thorough training and cooperation supplied. Saleswomen are also invited to apply.

No travel. This is not insurance but trained insurance people should be interested. Possible earnings $7,500 to $15,000 or more yearly.

GM Seeks to Halt Antitrust Probe by Houston Jury

HOUSTON, Tex. (AP) — General Motors Corp. is trying to stop a far-reaching government probe into possible antitrust violations to be made by a federal grand jury in Houston.

The corporation Monday filed a motion to quash a subpoena of its AC Spark Plug Division records and to stop the grand jury investigation.

Federal District Judge Allen B. Hannay set a hearing on the motion for 10 a.m. Wednesday. The grand jury is to be sworn in at 10 a.m. Thursday.

★ ★ ★

General Motors contends the government will only be reinvestigating matters which were brought before a New York City federal grand jury. That investigation started in February 1959 and still continues, the company claimed in its petition.

Pontiac Area Officers Attending Conference

Four Pontiac area law enforcement officers are attending the three-day annual state conference of the Fraternal Order of Police.

The conference at Benton Harbor concludes today.

Attending from this area are Sgt. Lawrence LaBair, Sgt. Eugene Hendren and Patrolman Gerald Navarre of the Pontiac Police Department, and Deputy Jesse Whitlock of the Sheriff's Department.

Lady of the Lakes Team to Use Waterford Field

The Waterford Township Board of Education has granted a request of Our Lady of the Lakes High School to use the Waterford High football field Sundays, Sept. 17 and Oct. 1, 15 and 29.

The parochial school's football team has home games scheduled on those days.

Crime in City Rises in May

Report 274 Offenses in Seven Major Area — Only 251 in April

The amount of crime reported in Pontiac for May was up from the previous month, according to the month-end report of the Pontiac Police Department.

In all, 274 offenses were reported in seven major crime categories, ranging from murder to auto theft, up from 251 in April.

One homicide and one rape case were reported in May.

There were also nine robberies, 17 aggravated assaults, 58 burglaries, 172 larcenies and 16 auto thefts.

★ ★ ★

The April crime breakdown showed no murders or rapes, 2 robberies, 19 aggravated assaults, 46 burglaries, 167 larcenies and 17 auto thefts.

For the year, crime in the city is up from the comparable period of 1960.

There have been 1,346 major crimes reported through May, an increase from 1,245 for the same period a year ago.

Police reported 29 per cent clearance of major crimes in May, up from 22 per cent in April.

U.S. Security Clerk Has Quit His Job

WASHINGTON (AP) —William H. Covington, the National Security Agency clerk who was found at a race track Monday after being missing four days, has quit his job, the Pentagon said today.

Covington, 28, resigned from the super secret agency—for personal reasons," a Pentagon spokesman said in answer to a question.

★ ★ ★

The Defense Department emphasized Monday, after Covington was located at the Delaware Park Race Track near Wilmington, no charges had been made against him.

Whose On a Diet? Sales of Candy Hit New Record

WASHINGTON (AP) — The average American may be talking diet but he's eating his words. He ate more candy last year than ever before.

On the average, each person—man, woman and child—ate 16.9 pounds of candy in 1960, the Commerce Department reported Monday. In 1959, the figure was 16.8.

Chocolate sales increased 2.5 per cent to a record of about 3 billion pounds.

There was no breakdown on calories.

Pontiac Press Photo

Senate Thumbs Down Show--Ratings Up

By FRED DANZIG

NEW YORK (UPI)—The Senate subcommittee on juvenile delinquency may be down on "Whispering Smith," but the show's rating is up.

★ ★ ★

So "Whispering Smith" continues to flourish on NBC-TV despite the fact that the subcommittee fingered it as one gamy example of TV trash and some of the men responsible for putting the series on the air admitted that they're still holding their noses.

This isn't contempt of Congress. It's contempt of TV content.

I went back to "Whispering Smith" last night to see if it has shown any improvement. It's still a mighty uninspired production. But it's not alone. There are too many expendable filmed series that have nothing to offer.

As for the juvenile delinquency "issue," I'm not really bugged on it because I happen to think we'll have juvenile — and adult — delinquency long after "Whispering Smith" fades from earshot, or pistol shot. I say take the show off not for what it might do to young minds, but for what it is doing to TV creativity.

★ ★ ★

The series is said to have been viewed by 2,500,000 youngsters when it had its premier. Permit me, by means of the following fictional letter, to offer my thoughts on how the recent events may have affected one young mind:

Dear Senator:

My old lady won't let me and my old man watch "Whispering Smith" anymore after all that fuss at the juvenile delinquency hearing. At first, I was plenty sore.

So was my old man. Especially at 9 o'clock, when the other channels were showing repeats and we had nothing to do but talk to each other for a half-hour.

My old man put aside the detective magazine, let me take a quick sip from his glass of beer, and started talking about himself. He filled me in on how to cheat on my finals and I learned a lot from him.

★ ★ ★

Then he told me not to worry about keeping up my school marks next term because he knows somebody in the admission's office of his college.

When I asked how much he was fined on that ticket he got the other day, my pop broke up laughing and told me he got it fixed. He said, in fact, that he's still driving the wrong way down that one-way street just to show those cops they can't push him around. What a guy. It was a great talk.

★ ★ ★

So thanks, senator, for blowing the whistle on "Whispering Smith" and helping to keep me away from evil influences.

Newsman to Tell of Years With Ike

GAYLORD (AP) — Marvin Arrowsmith, veteran White House correspondent, will describe eight years of covering Dwight D. Eisenhower and John F. Kennedy in a luncheon talk before the Michigan Associated Press Editorial Association Saturday.

★ ★ ★

Earlier Dr. Armon Yanders of Michigan State University will hold a panel discussion with the editors and publishers on the problems of reporting space age developments.

★ ★ ★

More than 70 publishers, editors and their wives are registered for the two-day meeting.

During the day-long business session Saturday the newsmen also will discuss problems of covering and presenting Michigan news developments through the Associated Press.

Reporter Finds Answer —Police Are Waiting

FORT LAUDERDALE, Fla. (AP)—A Mexican-born reporter for the Fort Lauderdale News wanted to know how easy it would be for a Fidel Castro agent to land on the south Florida shore.

Wearing Cuban-type army fatigues and a two-day beard, Hector Morales went out in a rented boat, then swam ashore.

Two Fort Lauderdale policemen pounced on Morales as he hit the beach. He was released when his identity was established.

Wayne, Schuster Began Carrers in High School

BY EARL WILSON

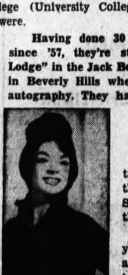
NEW YORK — "We're Harbord men," comedians Wayne and Shuster, Jack Benny's summer TV replacements, have been bragging lately.

"Not Harvard," they explain. "HARBORD—Harbord Collegiate High School, Toronto, Class of 1940."

WILSON

Eddie Cantor once said that with the death of vaudeville, there's no place for young entertainers to be lousy in. Wayne and Shuster, argue, however, that they can be lousy in high school as they were, or in college (University College, Toronto) as they were.

Having done 30 Ed Sullivan shows since '57, they're starring in "Holiday Lodge" in the Jack Benny CBS spot June 25. They're living in Beverly Hills where nobody has asked them for an autography. They haven't been given the best table in restaurants—fact is, they haven't been able to get in the best restaurants.



ANDREA

"We have 21 years of undeclared hostility between us," Wayne was saying the other day—or it may have been Shuster — it's hard to remember and they're of no help.

"We may have a contest titled 'Can you tell the difference between Wayne and Shuster and why should you want to? Why not hate them together? Why break up the set?" Wayne (or maybe it was Shuster) said.

THE MIDNIGHT EARL . . .

Denise Darcel was suddenly signed by 20th Century-Fox to film "Escape to Hell" in Honolulu . . . **Joe Louis** said he'll tour the midwest opening branches of his milk company . . . **Tom Poston** may snare a featured role in the Cary Grant film, "Touch of Mink" . . . Leggy actress **Andrea Jaffe'll** be in the movie "Greenwich Village."

Shelly Berman told Chicago disk jock **Jack Eigen** he's weary of other comics finding fault with his style, challenged 'em to get more laughs than he does . . . **Van Heflin's** returning from Italy to resume movie-making here.

★ ★ ★

EARL'S PEARLS: Every movie needs some love interest. In other words, a chicken in every plot.

TODAY'S BEST LAUGH: "There's only one thing wrong with those curvy Italian actresses," said a local fellow, "—most of them are in Italy."

WISH I'D SAID THAT: A woman will buy anything she thinks the store is losing money on. . . . That's earl, brother.

(Copyright, 1961)

Old Glory to Fly All Day Long at Memorial

WASHINGTON (AP) — President Kennedy has ordered the U.S. flag flown 24 hours a day at the Marine Corps Memorial.

★ ★ ★

The proclamation Monday raised to five the number of places where the flag is flown permanently. The others are the in Arlington National Cemetery, the Capitol, Ft. McHenry near Baltimore, where Francis Scott Key wrote "The Star-Spangled Banner," and at Key's grave in Frederick, Md.

★ ★ ★

The Marine Corps Memorial, across the Potomac River from Washington, portrays the raising of the Stars and Stripes over Mt. Suribachi during the battle of Iwo Jima in World War II. It depicts action caught by photographer Joe Rosenthal, then with The Associated Press, as a group of Marines raised the flag under fire.

★ ★ ★

Kennedy said the incident symbolizes the "courage and valor of the American fighting forces."

Wanted in Baltimore as Well as Jackson

BALTIMORE, Md. (AP)—The FBI announced Monday the capture of one of two fugitives from the Southern Michigan State Prison at Jackson. The two also are wanted here for questioning about a bank robbery.

The arrested escapee Lester L. Wathen, 35, was taken into custody at Phoenix, Ariz. He will be arraigned on a charge of transporting a stolen car.

The auto, rented from an agency in Escanaba, Mich., was found abandoned here last Thursday after a $3,531 robbery of a branch bank.

The second man, identified as Stanley D. Spencer, 26, was not found. The FBI has charged him with robbing the bank.

Blockade Cuba to Halt Arms, Ex-Envoy Asks

WASHINGTON (AP)—A former ambassador says the United States must throw a blockade around Fidel Castro's Cuba.

The ex-envoy, Robert C. Hill, told the Senate Internal Security subcommittee Monday that the United States should ask other hemisphere nations to join the blockade but should do it alone—with military force—if it has to.

★ ★ ★

Hill, a political appointee who served as ambassador to Costa Rica, El Salvador and Mexico as well as serving a stint as assistant secretary of state for congressional liaison, said Iron Curtain countries are shipping arms into Cuba that "will be used against other Latin-American areas."

★ ★ ★

Hill contended that State Department policy favored Castro "even after our own government's intelligence reports" showed the Cuban regime was under Communist influence or domination.

Union Founder Dead

PHILADELPHIA (AP) — Clinton S. Golden, 72, one of the founders of the Steelworkers Union and a long-time expert in the labor-management field, died Monday. He suffered a stroke about six weeks ago. Golden, who resigned as vice president of the Steelworkers Union in 1946, served as vice chairman of both the War Production Board and War Manpower Commission during World War II.

Can Put Riders in Penitentiary

Sheriff in Mississippi Says Regular Jail Is Crowded; Gets OK

JACKSON, Miss. (AP) — Hinds County Sheriff J. R. Gilroy, whose jail is overcrowded with "Freedom Riders" had authority today to transfer them to the spacious 16,000-acre state penitentiary.

The authority was granted after a dozen more segregation-testers were convicted Monday to raise the total to 96 in city and county jails.

★ ★ ★

The arrests began May 24, three days before Diane Nash of Nashville, Tenn., coordinating secretary for the Nashville Student Non-Violent Movement said the riders "plan to fill up the jail" in Jackson and Montgomery, Ala. Twenty-six others have paid fines or posted bond.

'LACKING FACILITIES'

The Board of Supervisors said in their order that "by reason of such overcrowding, Hinds County is unable with its own facilities to provide necessary housing and work as required by statute for its prisoners."

★ ★ ★

The board said that at Parchman, the sprawling prison farm 150 miles northwest of Jackson, "adequate public work may be made available to them so they may lawfully receive credit for time spent in confinement."

★ ★ ★

The prisoners have been "sitting out" their fines at the rate of $3 per day. If they were transferred to Parchman, work on cotton or other crops could be provided.

Mongolia and U. S. Worrying Chinese

TAIPEI, Formosa (AP) — The possibility of United States recognition of Outer Mongolia touched off angry scenes in the Chinese Nationalist Parliament today.

★ ★ ★

Impassioned lawmakers demanded that Chiang Kai-shek's government firmly request Washington to halt any further talks on the subject.

The United States was reported earlier this year to be planning to set up a permanent diplomatic mission in Ulan Bator, capital of Outer Mongolia.

But U.S. officials were said to doubt that Outer Mongolia is free enough to exchange diplomatic representatives. The United States has opposed the country's admission to the United Nations.
