Approval of Honorary Degrees

Trustee Jay B. Shah supported the named candidates for receipt of honorary degrees.

In response to a question from Chair Kramer regarding the nomination process, Interim President Betty J. Youngblood stated that nominations are submitted by various individuals to an honorary degree committee that is currently chaired by Associate Provost Michelle Piskulich.

Dr. Piskulich explained that the honorary degree committee is a Senate committee; members of the committee are nominated and appointed each year; the committee sends out a call in the fall semester; the committee receives nominations for honorary degree recipients from both the internal and external community; the committee then meets, discusses the candidates and then makes a recommendation to the Provost who then makes recommendations to the President. In response to a question from Trustee Shah, she expounded briefly on the selection criteria contained in the Board's Bylaws and as noted in the agenda item.

Trustee Mark E. Schluskel offered his opinion that the University needs to look at evaluating what the criteria should be and categorizing the criteria and the individual so that the University can begin to channel people into specific areas so that the idea of an honorary degree has within it a set of definable criteria and not this amorphous approach.

RESOLVED, that AHP will report the results of its annual examination of Oakland University's financial statements in draft form to the Board of Trustees' Audit Committee and in final form to the Board of Trustees; and, be it further

RESOLVED, that the engagement letter that has been reviewed and approved by the Office of the Vice President for Legal Affairs and General Counsel, and is in compliance with the law and University policies and regulations, and conforms to legal standards and policies of the Vice President for Legal Affairs and General Counsel, be approved for signature by the Chair of the Audit Committee, and the Vice President for Finance and Administration.

Trustee Robinson stated that the Audit Committee met earlier in the day and unanimously recommends that the Board approves Andrews Hooper and Pavlik as the Board's independent public accounting firm for this coming year in accordance with the agenda item as so stated.

In response to a question from Chair Kramer, Mr. Beaghan explained that the Audit Committee charter calls for a bidding process every six years or less if the Audit Committee chooses to do so. The University last bid independent public accounting services in 2011.

After discussion, Trustee Robinson, seconded by Trustee Schluskel, moved approval of the recommendation, and the motion was unanimously approved by those present.

RESOLVED, that the Vice President for Finance and Administration be authorized to negotiate and execute an Engineering Center furniture contract with Interior Systems Contract Group (ISCG) for an amount not to exceed \$2,202,208; and, be it further

RESOLVED, that the contract be reviewed and approved by the Office of the Vice President for Legal Affairs and General Counsel prior to execution, and be in compliance with the law and University policies and regulations, and conform to the legal standards and policies of the Vice President for Legal Affairs and General Counsel.

In response to a question from Chair Kramer, Mr. Stollsteimer stated the University received four bids and that ISCG was the best lowest and most qualified bidder.

In response to a question from Trustee Emerson, Mr. Stollsteimer confirmed that in addition to the low cost he believed that ISCG would provide the best service and quality of furniture needed for the facility.

In response to a question from Trustee Richard L. DeVore, Mr. Stollsteimer noted that, to-date, the Engineering Center project is close to 50% complete.

Both Trustees Shah and DeVore commented that ISCG is a Michigan company.

After discussion, Trustee Shah, seconded by Trustee Scott G. Kunselman, moved approval of the recommendation, and the motion was unanimously approved by those present.

After discussion, Trustee Flynn, seconded by Trustee Shah, moved approval of the recommendation, and the motion was unanimously approved by those present.

F. Other Items for Consideration/Action that May Come Before the Board

Chair Kramer then gave a brief update regarding the presidential search, noting that William Funk & Associates have been hired as a consultant; they have made an initial visit to the campus; they are planning additional visits; and the Board will try to keep the University community advised as to what's going on in that process.

Trustee Emerson then commented about the items in the Personnel Actions typically contained in the Consent Agenda. She offered that unlike most other items that come before the Board, many if not all of these actions have already taken place, and often times the people are already in the positions. In that regard, Trustee Emerson requested that the administration consider ways in which those items could be presented to the Board prior to the appointments or other personnel actions being taken.

Trustee Shah complimented Mr. Eric D. Barritt on the success of the University's Winter College program, which Trustee Shah attended. He encouraged other Trustees to attend in the future.

Chair Kramer complimented men's basketball player Travis Bader, who established himself as the all-time three point shot leader in the NCAA.

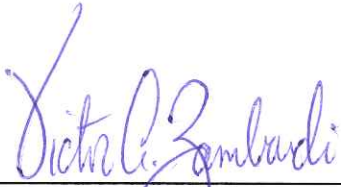

Trustee Emerson concluded by complimenting Dr. James P. Lentini and Dr. Susan M. Awbrey for the wonderful student success conference, noting that it is a state-wide conference focused on student retention which is critically important to the University.

G. Adjournment

Chair Kramer then adjourned the meeting at 2:22 p.m.
