"The Ins and Outs of ABA" February 11, 2009

Join us for an informal evening of discussion on Applied Behavioral Analysis.
During this presentation we will discuss:

- How ABA is implemented
- Who benefits from ABA
- The commitment involved in an ABA program
- How you can implement ABA at school and home and much more!

Speaker: Lori Warner, Ph.D BCBA, Director of the HOPE Center at William Beaumont Hospital.

Presented by OU Center for Autism Research, Education and Support (OUCARES). There is no cost to attend this presentation A generous donation was made by Humana Incorporated to support this presentation.

Time: 6:30 – 8:00 p.m.

Location: Oakland University, Oakland Center Bldg., Gold Room C, Rochester, MI 48309

Space is limited so please RSVP by calling 248-370-2424 or emailing oucares@oakland.edu
