

Where 2 Fell to Death

CABLE LAYING MISHAP — Bridgemen are shown laying a mesh-type catwalk on the cables of one of the 552 towers of the new Straits of Mackinac bridge. In a similar operation yesterday a cable of the type in the foreground broke and two men fell to their deaths. Three others scrambled to safety.

Workmen Deaths Halt Straits Bridge Work

ST. IGNACE (AP) — In keeping with a bridgeman's tradition, work on the giant Straits of Mackinac Bridge was halted today following the death of two workmen who fell from near the top of one of the bridge's 552-foot main towers.

The two were part of a five-man crew which was stringing catwalk mesh yesterday on cables running from the main north tower to an anchorage on the St. Ignace side of the Straits.

The mesh, similar to cyclone-type fence, broke loose from its moorings and slid down the 2 1/4-inch cable. Three of the bridgemen clung to the mesh. Two others plunged more than 500 feet into the water.

Both bodies were recovered. Coast Guardsmen, sheriff's deputies and State Police recovered the body of Jack C. Baker, 28, of Pagosa Springs, Colo., four hours later from 150 feet of water. Later they found the body of Robert Koppen, 28, of Plymouth.

IDENTIFICATION DELAYED — Identification was delayed several hours because the accident occurred during a change of shifts.

Officials of American bridge division of the U. S. Steel Corp., contractors for the superstructure of the 100-million-dollar span, said many of the bridgemen had just come to the Straits project and their newness on the job also hampered quick identification.

It was the first day on the job for both Baker and Koppen, although both were experienced bridgemen.

Their were the first two deaths since work on the superstructure began. During construction on the foundation one driver who surfaced too fast died and two other workmen were killed in falls.

Robert Anderson, foreman of the five-man crew, suffered a broken ankle when his foot became entangled in the wire mesh, which was being strung for the first time.

Fellow workmen rescued him and another rigger and the third scrambled to safety without help. The latter two were not immediately identified.

The bridge, second longest suspension span in the world, will link Michigan's Upper and Lower Peninsulas. It is scheduled for completion in September 1957.

Prentiss M. Brown, chairman of the bridge authority and a St. Ignace resident, said another bridgeman's tradition holds that one workman will be killed for every 10 million dollars of the bridge's cost.

Shows in Store, Tonight and Friday — The U. S. Weather Bureau's forecast for tonight is mostly cloudy and warmer with scattered showers and thunderstorms. The low will be 58-62.

The prediction for tomorrow is partly cloudy and cooler with showers likely in the morning. The high will be 74 to 78 degrees.

In downtown Pontiac, the lowest thermometer reading preceding 8 a.m. was 54 degrees. The mercury rose to 84 degrees at 1 p.m.

Courage Wins Out Against All His Handicaps — Ingerson attended classes in a wheel chair. He typed out all his papers. He dictated answers to his mother on examinations.

He cannot write—except on a typewriter at a tedious four or five words a minute.

His speech is so impeded only his mother can understand him well.

Ingerson, 26, is a victim of cerebral palsy.

His four-year grade point average is 3.81, just a shade under 4.0 for straight A's.

Close Vote Seen Over Reduction on Ike's Aid Bill

Party Lines Expected to Split Despite Pact of Rayburn and Martin

WASHINGTON (INS) — A "very close" vote was predicted today as House Democratic and GOP leaders joined forces to increase President Eisenhower's committee-reduced foreign aid bill.

Party lines were expected to split despite an alliance between speaker Sam Rayburn (D-Texas) and Republican leader Joseph W. Martin Jr. (Mass.).

The House convened today, two hours earlier than usual, in an effort to complete action by nightfall. Yesterday was devoted to general debate.

At issue was whether the House would back the President in his request for restoration of the funds which the foreign affairs committee cut from the four billion 700 million dollar bill. The funds are for the 1957 fiscal year which begins July 1.

Party leaders decided to put the "big push" behind an amendment restoring 600 million dollars of the one billion dollar cut in military aid. The committee also reduced economic and technical assistance by 109 millions.

The big fight was over restoration of the military aid cut, which the President told House leaders Tuesday night was "dangerous to national security."

Foreign affairs committee chairman James P. Richards (D-SC) led the opposition to the proposed amendment, pointing out that the administration already has five billion dollars in unspent military aid funds. It was Richards who predicted a "very close" vote.

The 600 million dollar amendment will be offered by Rep. Brooks Hays (D-Ark.) a committee member, in strategy worked out by the House leaders. Hays said cautiously that the amendment has "a chance" of adoption.

The decision to have a southern Democrat rather than a Republican, possibly Martin, offer the amendment was based on the strategy that to be successful it must obtain a large bloc of Democratic as well as GOP votes.

Hays was selected because southern members represented the hard core opposition to the Democratic side to restoring the funds.

Second only to this battle were proposals to bar further U. S. aid to Communist Yugoslavia. These two proposals generated the most heat.

Avon Youngster Killed by Auto

Gary D. Gibson Struck Crossing Auburn Road Near His Home

A 12-year-old Avon Township boy died last night of injuries suffered when struck by an auto about six blocks from home.

Gary D. Gibson, 2761 Vendome Rd. was dead on arrival at Pontiac General Hospital at 7:15 p.m. He had suffered a fractured skull, leg fractures and internal injuries, according to Deputy Coroner Dr. Leon F. Cobb.

Oakland County Sheriff's deputies said the boy was running across Auburn road towards home near Crooks road about 7 p.m. when struck by the auto driven by Gerald R. Hill, 37, a factory worker of 2904 St. Clair St., Auburn Heights.

Hill stated the boy darted out from in front of another car and he was unable to stop in time, skidding 90 feet, deputies said.

He was to make a full statement this morning, Prosecutor Frederick C. Zieman said.

Gary is survived by his parents, Wylie and Ruth Gibson; a brother, Richard, 17, and two sisters, Joanne, 15, and Nancy, 7.

Jap Airmen Tour U. S.

TOKYO (INS)—Five top-rating officers of Japan's air self-defense force will leave Tokyo Saturday for a tour of Air Force installations in the United States.

Adlai's Victory Ends Dreams of Williams

DETROIT (AP)—Democratic national committeeman Ernest J. Lacey of Michigan says Adlai Stevenson's victory in the California primary election "erases the political ambitions" of Gov. Williams.

Lacey, who faces removal from his post by the Williams faction in the Democratic party, said yesterday the governor "took a miscalculated risk opposing Stevenson." Williams has gone on record as opposing Stevenson's "moderate" stand.

Lacey said he hoped Stevenson and Estes Kefauver join forces for the nomination for president and vice president respectively.

"If they would team up, nothing could stop them," he said. "Not even Gov. Harriman (of New York)."

Williams had no comment on the Stevenson victory. His forces favor Atty. Gen. Thomas M. Kavanagh to replace Lacey as national committeeman.

Settle Walkout on City Project

Public Safety Building Steel Work Scheduled to Resume Friday

Steel workers are expected to return to work tomorrow on construction of the city's Public Safety Building, after a three week strike during which work was at a standstill.

The strike was settled yesterday, which will send general contractors and some 400 reinforced steelworkers in the Pontiac and Detroit areas back to jobs.

The agreement was reached by the Detroit chapter of the Associated General Contractors and Local 426 of the Reinforced Steelworkers Union.

William E. Stewart, assistant to the AGC secretary, said the major feature of the settlement was a 15-cent hourly wage boost in each of the two years of the contract.

A spokesman for the local building project said the men could not return to work until Friday as many were on vacation and could not be reached.

During the strike, work on the building fell four weeks behind, according to architect Leo J. Heenan.

GOP, Dem Berries Deluge White House

WASHINGTON (INS)—President Eisenhower was deluged today with both Republican and Democratic strawberries.

Former GOP Sen. John Townsend of Delaware arrived at the White House first with eight crates of plum-sized strawberries grown by his son, Julian E. Townsend, in Delaware's Sussex County.

Right on his heels came Sen. Albert Gore (D-Tenn.) with a crate of equally luscious Tennessee berries.

Gore conceded that the Delaware berries were larger but said they couldn't compare with the Tennessee product in taste.

The Tennessee strawberries came from Crossville, which Gore described as a "Republican stronghold." Small in size, they were developed from a native wild berry.

Both gifts were accepted for Eisenhower by White House aide Earl Chesney.

Admiring the Delaware strawberries, he quipped: "These are Republican berries—they're larger."

Chicago Starts Search for Killer of Consul Aide

Niles Police Release Friends of Secretary After Lie Tests

NILES (AP) — Search for the killer of Mrs. Marion Davenjay shifted today to Chicago where she worked as a secretary and office manager for the Canadian Consul General.

Niles Police Chief Arthur N. Pears said he had asked Chicago police to question friends and associates of the 27-year-old brunette and check her activities up to the time of her death.

All other leads in the killing have fizzled out, he said.

Two men and a woman, all magazine salespeople, were cleared of implication last night after they underwent lie detector tests at South Bend, Ind., Pears said.

State police in East Lansing said neither of two guns brought to state police laboratory for ballistic tests was the murder weapon.

Both were .22 caliber guns, the type that killed Mrs. Davenjay early Sunday on the steps of the Club 66, a Niles nightclub.

One of the guns was a rifle found along a Berrien County road. The other was a revolver owned by Gene McClane, 40-year-old magazine salesman from New York City and Mrs. Davenjay's escort the night of the killing.

TAKE LIE TESTS — McClane was one of the three given the lie test yesterday. The others were Rita McGraw, 23, of Greensburg, Pa., and Dan McClane, New York City.

Capt. John Forte of the South Bend police submitted McClane and McClane each to 45 minutes questioning with the lie detector. Miss McGraw was questioned for 4 1/2 hours but remained cheerful throughout the ordeal.

Pears released all three and they left immediately for Norfolk. (Continued on Page 2, Col. 4)

Aw, Come On, Fellahs! Someone's Got to Give

BURLINGTON, Vt. (AP) — The Burlington Board of Aldermen has taken 609 ballots and still is without a president.

The board tried 289 times Tuesday night and 320 times last night to reach a decision.

Every time the result was a deadlock—6-6.

The board is made up of six Republicans and six Democrats.

Trucker Rams Into Tree as Brakes Give Out on Hill

His heavily-loaded truck out of control when the brakes failed near the top of a Woodward avenue hill yesterday morning, a Detroit trucker deliberately rammed into a tree rather than risk striking another car.

Lucius Cresswell, 38, suffered a fractured hip when the truck turned over, spilling a load of lumber over two northbound lanes in Bloomfield Township, south of Long Lake road.

A helper with him, Sidney McCloud Jr., 41, of Detroit, was released from St. Joseph Mercy Hospital after treatment for elbow bruises.

Hospital authorities said Cresswell was in good condition prior to his transfer yesterday to a Detroit hospital.

Township police directed traffic from 9:30 a. m. to 3 p. m., while the truck and lumber were removed.

The driver noticed the failure as he first started to brake in descending the hill, they said.

Pair Reveal Marriage

WED MAY 31 — Film starlet Janet Lake and actor Robert Dix are pictured in Hollywood last night after the bride revealed their marriage May 31 at Las Vegas, Nev. They were married by a Nevada justice under their real names of Robert Brimmer and Janet Linkey. Both are members of the Bahai religious sect, and plan a ceremony under that faith at a later date.

Sen. Russell Says Visits May Prevent World War

WASHINGTON (INS) — Senate Armed Services Chairman Richard B. Russell (D-Ga.) said today an exchange of visits by top U.S. and Soviet defense officials could help prevent a world war.

President Eisenhower told his news conference Wednesday that he will invite Russia's air chief to visit this country. He said also that if the Soviets invite defense secretary Charles E. Wilson to Moscow, "I will invite... Marshal Zhukov."

Russell said in an interview that he see no objection to the President extending an invitation to Zhukov, the Soviet defense minister.

Mammoth Sea Turtle Threatens Navigation — CHATHAM, Mass. (AP) — There's a new "sea monster" loose in the North Atlantic.

The Liberian freighter Rhapsody last night reported the presence of a 45-foot, white-spotted sea turtle in the ocean south of Nova Scotia.

The Coast Guard warned all navigation to be on the alert for the giant reptile which, said the Coast Guard, has 15-foot long flippers and can rise eight feet above the surface of the sea.

Blind Take Exams — DETROIT (INS)—Civil Service examinations which may lead to possible Wayne County government jobs were given to 12 blind persons yesterday. It was the first time a group of blind applicants had been given the tests.

TWING OPENS DOOR — The door for exchanges was opened when Eisenhower approved acceptance by Gen. Nathan F. Twining, U.S. Air Force Chief of Staff, of a Soviet invitation to the Russian air show this month.

The President said he knew he would be expected to reciprocate with a bid to the Soviet air chief and he will do so.

Sen. Russell Long (D-La.) said that U.S.-Soviet exchanges may present some problems but he said that "obviously the situation is changing behind the Iron Curtain and we should encourage Russia to change its previous policy."

Long added in an interview that the change "has to be for the better because it couldn't get worse."

But he warned that if top Communists come to this country, there may be "difficulties in avoiding unpleasant incidents and protecting them physically."

Best Dressed Stars — LOS ANGELES (AP)—Cyd Charisse and Jack Webb have been voted the best dressed stars in the entertainment world by the California Fashion Creators. Miniature golden scissors, symbols of the award, were presented to the stars last night by Emanuel H. Fineman, president of the organization.

Auditor Asserts Highway Chief Blinks at Rules

Says Inspectors Found Serious Breach in Office Control Procedures

LANSING (AP) — Democratic and Republican state officials exchanged verbal blasts today in a pre-election tangle of words involving a mixup in highway bonds and a charge of poor bookkeeping in the State Highway Department.

Involved were Gov. Williams, Aud. Gen. Victor Targonski, a Democrat, and Charles M. Ziegler, Republican State Highway Commissioner.

Targonski told reporters his auditors had found a "serious breach of sound internal control procedures" in the State Highway Department.

He said Ziegler had instructed his employees they do not have to comply with a state regulation requiring them to fill out daily logs of trips in state-owned cars.

"He told them they could fill out the reports every month, just listing the total mileage traveled," Targonski said.

This practice, Targonski alleged, would encourage the use of state-owned cars for personal trips.

HAVEN'T HEARD YET — Involved are some 460 department-assigned cars which are driven about five and a half million miles a year, Targonski said.

"We asked Ziegler to correct this situation in a letter dated April 17," he said. "We still haven't heard from him."

Targonski added his auditors also complained highway department cars are not marked with decals identifying them as state vehicles.

This, he said, would also encourage illegal use of state automobiles.

INTENTION TO CORRECT — Ziegler contended his assistants have been working with Targonski since April, with every intention of correcting the practices with the start of a new fiscal year July 1.

He said the streamlined method of accounting for state car travels was instituted three years ago for "convenience."

Ziegler insisted that his cars do not veer while, Ziegler and Williams argued about who was responsible for the mixup over highway bonds.

WHATEVER POLEMICS — Ziegler said the Governor should carry proper identification. Meanwhile, Ziegler and Williams take the responsibility for the mixup because he is an attorney and signed the bill. Williams replied (Continued on Page 2, Col. 2)

Science Is Progressing — We Do Want to Know

ALBANY, N.Y. (AP)—What makes a flea tick?

Dr. Allen H. Benton, assistant professor of biology at Albany State College for Teachers, has been given a three-year grant to study the standards of fleas.

A flea needs regular transfusions of blood to survive. Dr. Benton says some fleas are born on one animal and never leave that species during their entire life cycle. Other fleas are promiscuous.

Dr. Benton says he wants to find out what governs the flea's choice of victims—whim or wisdom.

Search On for Complete Khrushchev Speech

WASHINGTON (AP)—U.S. officials believe a big chunk is missing from the version of Nikita Khrushchev's attack on Joseph Stalin which the State Department released this week.

American diplomats and agents abroad have been ordered to hunt for any missing portion — which may run between 10,000 and 15,000 words—and get it to Washington at once if they find it. The search has been assigned the highest priority.

What is missing, authorities here feel, is a long section believed to have dealt with a denunciation of Stalin's conduct of foreign affairs.

It could be especially significant for the free nations to know what Communist party boss Khrushchev said about these matters because it would indicate Khrushchev's own thinking.

LIKE'S OPINION — President Eisenhower told his news conference yesterday he thinks the Khrushchev speech was designed primarily for Soviet domestic purposes. If this appraisal is correct, whatever Khrushchev said on foreign policy would be written not for foreign but for Soviet ears. The speech was delivered in late February to a secret meeting of the Soviet Communist Party Congress.

Subjects not covered in the text given out Monday by the State Department include Stalin's handling of Russia's relations with Red China, the Korean War, Soviet pressures against Iran

and Turkey, Western formation of the Atlantic Alliance, postwar treatment of Germany, the Marshall Plan for European recovery and the anti-NATO Warsaw Pact.

All these are matters which might logically be expected to appear in such a speech.

The State Department said its version of Khrushchev's denunciation of the dead dictator had been prepared for the guidance of Communist party leaders in some country outside Russia.

DID FRENCH HELP — It is understood this was one of the Eastern European satellites

and not Yugoslavia. There have been reports that the speech reached Washington through the French government. It is possible also that it fell into non-Communist hands from the Communist party leadership of some country in Western Europe.

His speech has been reputed to have run six hours or more. In that time, he might have spoken 10,000 to 15,000 words more than was released. And he might have discussed—and the belief here is that he did discuss—the whole range of Soviet foreign policy in the bitter years of the cold war.

Vote of Two Thwarts Annexation

TROY — Though Troy is the largest city in Oakland County, a 500th to incorporate in the state, its plans can still be thwarted by the votes of two people.

When Troy incorporated a year ago, it did not include two mile-square sections in the northern part of Troy Township. The plan of officials then, according to Norman Barnard, was to take in the area later.

Its population of only 34 per-

sons kept officials from taking the area in originally. City requirements of 500 persons per square mile were cited, Barnard recalls, in discussions when he was supervisor of the township before most of it incorporated into a city.

Tuesday, two voters in Troy Township voted against adding the areas to Troy City. Two voters voted for the annexation to Troy. The annexation won 409 to 31 in

the city, but doesn't carry without approval by both areas.

Their 20 votes also kept out a small area on 14 Mile road, where eight persons live in the Parmenter home.

The 34 residents of the two mile-square sections, bounded by Crooks, Cooley, 17 and 19 Mile roads, along with the eight residents of a small section on 14 Mile road remain in the township.

The supervisor, Lyle Walker, and four of the five members of the township's board of trustees reside in the area that voted to join the city of Troy. It leaves only one board member.

The Township Board will meet next Wednesday night to consider how to continue. After the two areas that voted to join Birmingham and the others to Troy City on Tuesday, are annexed 30 days from the vote-canvassing set for today, little land remains.

of 15,500, 423 persons are being added.

Taking in the secessions that were held away by a tie vote may be possible, according to City Clerk Lawson Lockhart, if 35 per cent of the residents sign petitions. A vote then could be held either at the primary or regular election this fall.

To Receive Bids for School Bonds

Rochester, Lake Orion Districts to Sell Bonds Totalling \$1,900,000

Two school districts—Rochester and Lake Orion—have set deadlines for receiving bids for the purchase of school district bonds.

Scaled bids on \$1,500,000 for the Rochester Community School District will be received by the school board at 8 p.m. Monday in Rochester High School and publicly opened.

The bonds will be coupon bonds in denominations of \$1,000 each, with interest not to exceed 4 per cent.

Lake Orion Community School District will receive bids for the purchase of Series 2 bonds on \$750,000 at 8 p.m. Wednesday in the Blanche Sims Elementary School. These also will be coupon bonds in denominations of \$1,000 each, and are part of a total issue of \$1,500,000. Maximum interest is 4 per cent annually.

MSU Staff Takes Babes Orphaned by Cruel Stoning

EAST LANSING — Members of the poultry department at Michigan State University are substituting as foster parents for a pair of Canadian wild geese, driven off their nests by a cruel stoning.

The wild geese are part of a small flock that has made its home on the Red Cedar River for a number of years.

Campus police, who are investigating the incident, said both geese suffered neck and body injuries from the stoning. The gander was blinded in both eyes and the goose in one eye.

The geese are being cared for at the MSU Veterinary Hospital. Six eggs found in their nest were taken to the poultry incubator for hatching.

Clawson to Build School Additions

CLAWSON — A school-building program of \$1,250,000 has been approved by the school board here.

School taxes will remain the same as last year—\$40.50 on each \$1,000 of local assessed valuation.

School superintendent Paul Schalm said it was possible to keep the tax rate the same because of a \$3 million increase in valuation.

The money will cover the cost of a 12-room addition to Kenwood School and a five-room addition to McDonald School.

Bids have been accepted for the building of the additions.

Richard Smith to Speak at Drayton Plains Sunday

DRAYTON PLAINS—Richard C. Smith will preach at the 11 a.m. service Sunday at the Drayton Plains Community United Presbyterian Church. Former assistant to the pastor of the church, the Rev. Mr. Smith recently returned from Omdurman, Africa, where he was a teacher in the boys school for the past three years.

Because of the Waterford High School baccalaureate service there will be no Sunday evening church service here.

Avon School District Votes in 2 Elections Next Week

AVON TOWNSHIP—Two days of voting are in store for the voters of Avondale School District next Monday and Tuesday. Two school board members will be elected Monday, and an \$850,000 bond issue election will take place Tuesday.

The Avondale School District includes a good portion of Avon and Pontiac Townships and smaller portions of Troy and Bloomfield Townships.

Superintendent Raymond Baker pointed out that one grade in the district will be on half-day sessions next year and the situation will grow worse.

Millage for school taxes will drop from 28.6 mills in 1955 to 19 mills in 1956 due to the retirement of a portion of the high school bond debt. The requested money would bring the tax to approximately 24 mills.

Merry Makers Barn Dance Slated Saturday

LAKE ORION — The Merry Makers Square Dance Club will hold its annual barn dance Saturday at Hal Brown's barn, 6040 Fleming Lake Rd., from 9 p.m. to midnight for members and guests.

A wiener roast will follow the dance, for which couples should bring their own wieners and rolls.

The unexpired director's term has been filled by the appointment of Bruce Trimble.

Hollywood Headlines
Publicity Spells Success for Marilyn's 'Bus Stop'
By BOB THOMAS
HOLLYWOOD (AP) — "Bus Stop" is just about wheezing to the end of the line.

Principal photography on the picture is finished and a few odds and ends are being put together this week. This intelligence is offered for those who want to keep tabs on the movements of Marilyn Monroe. Judging from the deluge of propaganda in the national magazines, their number is legion.

BIZARRE PROJECT
"Bus Stop" has been one of the more bizarre of film projects, partly because of the changed status of Monroe. She left the lot a year ago a contract player and returned a corporation.

Being incorporated, she naturally needs officers. Most notable is Milton Greene, a magazine photographer who now acts as buffer for president Monroe. Vice president Greene is in constant attendance to sift requests and messages for Monroe. He in turn has his own buffer, who sifts requests and messages for Greene.

Getting to Monroe is as easy as reaching Howard Hughes, though not as hard as seeking out Greta Garbo. One Hollywood columnist traveled all the way to Phoenix without seeing her. Since her illness, which was genuine, she has been incommunicado to the press.

BIGGEST SPLASH
The picture is presold by the biggest magazine splash in recent memory. Besides, you don't have

to publicize Monroe. She seems to have an uncommon knack for attracting the headlines, no matter what she does.

According to various of her buffers, Marilyn will be leaving for New York as soon as she finishes up her work in the picture. She is working on dubbing this week, and that should end her chores. She plans to leave for London around July 15 to begin her project with Sir Laurence Olivier, "The Sleeping Prince."

"What a combination!" rhapsodized a publicity man. "And you know how excitable the British press can be. I can see the headlines already. Wow!"

Wow, indeed. Little Norma Jean Baker has come a long, long way.

Dad, Son Both Running
— but on Rival Tickets
HELENA, Mont. (AP) — A father and son were nominated in Montana's primary election — on opposite tickets.

John C. Harrison was renominated as a Democrat for Lewis and Clark County attorney in Helena.

His father, Dr. Francis R. Harrison, won nomination for state senator from Wheatland County as a Republican.

Lanza Will Pay \$9,000 for Property Damage
LOS ANGELES (AP) — Singer Mario Lanza has settled for \$9,000 a \$40,000 suit filed against him for damage to an estate he leased.

A stipulation provides that Lanza will make full payment within 180 days to Mrs. Norman Kaiser, owner of the Bel-Air property.

Mrs. Kaiser said the Lanzas marred and scarred wall and floor coverings and ceilings, besides damaging the grounds.

Treasure Hunters Die

Jan Peerce Encores in Moscow Concert
MOSCOW (INS) — American Tenor Jan Peerce received an enthusiastic reception and sang eight encores last night in the first concert by a Metropolitan Opera star in Russia since World War II.

More than 2,000 persons attended the performance at Tchaikovsky Hall in Moscow.

Peerce's regular 17-song program included selections by Brahms, Schubert, Faure, Handel, Bach and Carissimi.

Peerce is on a one-month visit to the Soviet Union during an extensive concert tour under State Department auspices.

He is accompanied on the trip by his wife, Alice, and his accompanist, Warner Bass.

Flightless, Tailless Birds
New Zealand's kiwi bird is flightless, tailless, and sprouts whiskers in front of its eyes. It is the only bird with nostrils at the tip of its bill. For its size, the kiwi lays the largest egg known. A four-pound bird may lay a one-pound egg.

Chocolate Nut Makes Fine Pie for Dessert

A substantial pie for dessert!

Chocolate Nut Pie

2 cups milk
1 tablespoon instant coffee
1/2 teaspoon salt
1-16 teaspoon cinnamon
2 tablespoons granulated rice cereal
2 squares (2 ounces) unsweetened chocolate (coarsely shaved)
2 eggs (separated)
1/2 cup sugar
1 teaspoon vanilla
1/2 cup chopped walnuts
8-inch unbaked pastry shell with high fluted rim
Heat milk, instant coffee, salt and cinnamon in top of double boiler. Sprinkle in rice cereal and cook, stirring constantly, until thickened.
Cover and continue cooking slowly for 10 minutes. Remove from heat, stir in chocolate and allow to cool slightly.
Blend together soft butter, egg yolks, 1/2 cup of the sugar, and vanilla. Combine with slightly cooled rice mixture. Stir in nuts.
Beat egg whites until frothy; gradually beat in remaining one-fourth cup sugar, continue beating until glossy and stiff. Fold egg whites into rice mixture. Pour into unbaked pastry shell.
Bake in moderate (375 degrees) oven 1 hour. Cool to room temperature before serving. Note: Top of pie will crack.

SKILLET CLUB FOR MEN

By Frank Kohler

SAUCE JIMMY HARRIS is one of the finest cocktail sauces for shrimp we've ever met, and incidentally, elegant elsewhere. Tired of tomatoes on shrimp? We will ever be grateful to the manager of our favorite Kalamazoo hotel for this one.

This will serve from six to ten, depending on how everybody likes it. We serve it over shrimp placed atop a generous quantity of fine shredded lettuce. Serve extra sauce on the side, and the lettuce will disappear along with the shrimp.

6 hardboiled eggs, chopped very fine
3 cloves garlic, mashed fine
1/2 cup prepared mustard
1/2 teaspoon black pepper
1 tablespoon chopped chives
2 teaspoons capers, mixed (with liquid)
1 cup olive oil
1/2 teaspoon salt
1/2 teaspoon Worcestershire
Mix everything together, chill, stir thoroughly again and serve over shrimp, cold lobster, crab meat, or whatever.

CORN ON THE COB. Ralph Clark of Kalamazoo taught us this fine idea which is excellent for corn that is not "just picked," or

corn and trim ends. Dip each sheet of parchment paper in water until thoroughly soaked, then wrap and soak again, then wrap the ears tightly in the wet paper, wet ears in foil, crimping tightly. Bake 15 minutes in a 450 degree oven and serve wrapped in the paper and foil. They'll keep hot and are they ever something!

FOUR STAR COLESLAW is with-out a doubt the most delicious thing we've ever done with a head of cabbage. We've seen "light eaters" take four helpings of this elegant stuff. We commend it unhesitatingly to you.
4 cups finely shredded cabbage
1 cup seedless green grapes
1/2 cup blanched almonds, halved and toasted
1/2 teaspoon salt

Use Aluminum Foil
With everyone's thoughts turning to delicious ice cream desserts, it's important that you know how to store ice cream correctly.
If you have a freezer, you'll probably buy ice cream in the economical half gallon containers. At service time, dip the ice cream across the surface uniformly, but not too deep in spots. Then smooth off the surface and cover with aluminum foil pressed against the ice cream to prevent air contact which produces a waxy surface.
Use ice cream which is stored in the freezer, within 3 to 4 weeks of purchase. You can't expect even the best freezer to keep the original quality of ice cream stored over 30 days.

By ANNE HEYWOOD
Do you believe in luck? Really believe in it, I mean, and not just consider it an ephemeral kind of magic that other people have and you don't have?

The way you feel about luck is really one of the most decisive factors in your life.

I remember discussing this with a very "lucky" real estate man, who made a fortune when others were losing theirs.

"I don't 'get' lucky breaks," he told me. "I manufacture my own lucky breaks!"

How did he do it?

"Well," he said, "It's hard to explain, but what it amounts to is, when some crazy thing is in the air, I figure I might as well get in on it and take a chance. 'If I were more sensible, maybe I'd see all the good reasons why it couldn't work for me. But then, I'd rather be lucky than sensible.'"

SAME SYSTEM

A radio announcer, Dave Estes, in a station in Springfield, Mo.,

got into radio much the same way. He had always thought it would be fun, and had done some amateur theatrical work, but radio seemed a far-off and impossible goal. But then, as he told me: "One day I overheard a friend telling somebody of an opening, so I decided to try my hand at

auditioning. I did so, in the basement of a funeral home on the public address system.

"I got the job and have been in radio now for seven years.

"Unlucky" people would over-hear that remark and think, "Oh well, what's the use? They probably want somebody with experience. Besides, I have no contacts and they might not even let me audition."

But not Dave Estes—Dave figured, "Why not give it a try?"

MIGHT HESITATE

"Unlucky" people might hesitate to audition on any old PA system. They would feel it might not do justice to their voice and so on. Or they would insist on preparing and preparing, until the chance had vanished.

But Dave Estes just hied himself over, gave it the best he had on the spur of the moment and got the job!

Young people are always writing me, asking how to get into radio and TV, asking for lists of books on the subject.

I always send them my list, but I always wish I could send them, along with it, a tiny slice of the "lucky touch" which people like Dave Estes were born with!

News From Bloomfield

Fly to Sweden for Olympic Games

By RUTH SAUNDERS

BLOOMFIELD HILLS — Mrs. Irving A. Duffy and Mrs. J. Philip Moses flew to Stockholm, Sweden, last Friday to attend the Olympic Games.

Mrs. Duffy's son, Frank, is a member of the U. S. Equestrian Team competing June 10 through the 17. Col. Duffy will join his family before this weekend is over.

The Duffys will remain in Europe during the rest of June and all of July, but Mrs. Moses will come back for the June 20 opening of the Detroit Horse Show at Bloomfield Open Hunt Club. She is chairman of junior activities at the club.

Saturday will see the opening of the pool at Bloomfield Open Hunt Club, and hosts will be mem-

bers of the club's Swimming and Tennis Club, Mrs. Everett E. Fisher, Jack R. Davis, Harold Havermale and Joseph Monaghan.

There will be swimming events during the afternoon followed by a cocktail party (Cokes for juniors) and picnic supper with dancing in the evening.

On Sunday a morning ride with Edward E. Wilson in the lead will end in a picnic luncheon on the Koch estate.

SHOWER PLANNED

Mrs. John A. Reid, Mrs. Charles J. O'Connor, Mrs. Edward A. Christie and Mrs. Alvin Lambert will give a tea and shower Tuesday at Bloomfield Hills Country Club for bride-elect Elaine "Trixie" Darden.

On Wednesday, Mrs. Charles Richert and her daughter, Mrs. Frederick M. Darden, will be

hostesses at luncheon for "Trixie" at Bloomfield Open Hunt Club.

Orchard Lake Country Club will be the setting Saturday for a swimming party for JoAnne Wellman and her fiancé, James Nelson, whose wedding will take place June 23.

The following Saturday Mrs. L. L. Colbert and Mrs. Richard L. Campbell will give a luncheon in the Colbert home for JoAnne, and on June 17, Mr. and Mrs. S. Gordon Saunders will give a picnic supper for the couple in their home on Orchard Ridge road.

Mr. and Mrs. L. L. Colbert will have as their guests for dinner Friday evening Dr. and Mrs. Harvey Bell and son, Brian, of Palestine, Tex.

Ensign L. L. Colbert Jr. arrived

home Wednesday for a week's leave from the Navy. His ship is in drydock at Boston Harbor.

Musical Recital Given at Church

Students presented in Monday's recital were Susan Woodman, Margaret McCarthar, Tamzin Rose-gart, Loretta Waara, Donald Rosie Sharon Lee Shaw, JANET White, Cheryl Wilton, Barbara Smith, Mona Richie and Karen Erickson.

Joan Grahek, Ray Oxender, Susan Pill, Elaine Hockstead, Marcia Holt, Janice Abel, Ray Hedding, Jim Felix, Paul Grahek, Bruce Van Alstine, Marlene Beale, Tom Evans, Kerry Dougherty, Anita Simoneau, Pat Felix, Jane Moss, Mary Moss, and Sharon Simoneau were presented in Tuesday's program.

To Get Degree at Yale Monday

Samuel Edwards of Fisher street, son of the Rev. and Mrs. S. M. Edwards, will receive his bachelor of divinity degree at Yale University's 255th Commencement to be held Monday.

The commencement exercises will be held outdoors on the university's historic Old Campus in New Haven, Conn., with 10,000 persons expected to witness the traditional ceremonies.

Mrs. Edwards will attend the activities, which begin on Sunday when President A. Whitney Griswold of Yale delivers the annual Baccalaureate address in Woolsey Hall.

MSU Social Events Rival Studies

By BARBARA JOHNSON

EAST LANSING — Students at MSU have been concentrating on studying this past week since final exams are not too far away. However, many events have distracted the minds of bookworms momentarily.

Last week 23 coed living units were serenaded by Mortar Board and Tower Guard members in honor of the seniors. The singers carried lighted lanterns which were very effective and seemed to add warmth to the singing.

The annual yearbook of MSU, The Wolverine, is being distributed in the Union. On the first day of distribution approximately 2,300 books were purchased.

Highlighting social events have been term parties held by sororities and fraternities. Decorations at all of the parties were reported to be original and very impressive. Some of the themes were South Sea Islands, Hernandez's Hide-away, and Diamond Shadows.

Pontiac junior Jim Panks of Sherbourne road was photographed in the State News this week garbed in Bermuda shorts. The picture preceded an article on the pros and cons of Bermuda shorts for men and women.

Varying opinions were expressed by students. Jerry Hughes of Bloomfield Hills feels

that they are the most comfortable and functional apparel available.

KATHRYN A. KRAMP

To be graduated Sunday from Michigan State University is Kathryn A. Kramp, daughter of Mr. and Mrs. Clare Kramp of Auburn road. She is a member of Kappa Delta Pi, educational honorary fraternity, and Delta Delta Delta sorority. She will receive her degree from the College of Science and Arts.

However, some students were quite emphatic in stating that the shorts are "ridiculous." But, despite shighting remarks, it is certain that Bermudas are here to stay!

On Tuesday night seniors were attired in their caps and gowns for the annual "Senior Swingout." The marching band led the class officers in a procession to various buildings where they picked up more seniors.

The destination was Fairchild Theater where a program was held. Commencement exercises will be held on Sunday.

Whittier, Willis Tops in Junior Olympics

A total of 554 boys representing 18 Pontiac elementary schools participated in the city's annual Junior Olympics yesterday at Wisner Field.

No records were broken as winners were determined in five events—the 50-yard dash, broad jump, high jump, football throw and the 200-yard shuttle relay. Based on age, height and weight, all youngsters competed in two groups in classes A, B and C.

Whittier School was the Group 1 champion with a total of 69½ points, followed by Bagley with 48, by Willis with 55½ points while McCarroll was runner-up with 32 1-3.

Harold Dyer, a husky youth from Whittier, heaved the football 133 feet 2 inches for one of the day's top individual efforts. McDaniel of Whittier clocked 6.7 seconds in the 50-yard dash to turn in the best time in that event.

Knox of Bagley leaped 13 feet

12 inches for the No. 1 broad jump effort and Williams of Whittier led all high jumpers by clearing 4 feet 4 inches. Wilson and Willis schools won the shuttle relay in their respective groups.

The Junior Olympics are sponsored by the Board of Education in conjunction with the Kiwanis Club. Junior high schools did not take part in the Olympics this year for the first time in the history of the event.

GROUP 1

Class A
50-yard dash—Shaw, Wilson, 7.0; broad jump—Knox, Bagley, 13.2; high jump—Brown and Douglas, Whittier, 4-2 (tie); football throw—Dyer, Whittier, 133-2.

Class B
50-yard dash—McDaniel, Whittier, 6.7; broad jump—Williams, Whittier, 13-1½; high jump—Williams, Whittier, 4-4; football throw—Gracey, Whittier, 91-8.

Class C
50-yard dash—Williams, Bagley, 6.9; broad jump—Williams, Bagley, 12-8; high jump—Coleman, Whittier, 4-2; football throw—Tinkis, Baldwin, 70-9.

Class A
50-yard dash—Shields, LeBaron, 7.1; broad jump—Shields, LeBaron, 13 feet; high jump—Snead, McCarroll, 3-10; football throw—Mirovsky, Malkin, 89-10.

Class B
broad jump—Anderson, McCarroll, 12-1½; high jump—Maynard, Hawthorne, 3-11; football throw—Anderson, Central, 84-9.

Class C
50-yard dash—Procter, Willis, 7.2; broad jump—Procter, Willis, 12-3; high jump—Davis, Wever, 3-10; football throw—Wever, Owen, 76-10.

Group 1 200-yard shuttle relay—won by Wilson School (Martin, Henry, Kellar and Allison), 27.3.

Group 2 200-yard shuttle relay—won by Willis School (Doan, Himeck, Sadler and Bealer).

School team scores: 69½, Bagley 48, Wilson 57½, Whittier 15½, Baldwin 10, Crofoot 8½, Longfellow and Whitfield 5, McCarroll 3½, and Webster 2½.

Group 2—Willis 55½, McCarroll 32½, Central 25½, LeBaron 22½, Hawthorne 20, Wever 18, Owen 15, and Malkin 6.

Connelly Denies Fix Actions in Tax Case

ST. LOUIS (AP)—Matthew J. Connelly, White House appointments secretary under former President Truman, testified at his tax-fixing trial that he "never discussed the Sachs (tax evasion) case with T. Lamar Caudle or anyone else at any time."

Connelly also said Harry M. Schwimmer, attorney for Sachs, "never asked me to do anything improper."

Connelly and Caudle, former head of the Justice Department's Tax Division, are charged with conspiring to defraud the government by fixing the tax evasion case of Irving Sachs, St. Louis shoe manufacturer.

If convicted, they face a maximum penalty of five years in prison and a \$10,000 fine.

Oldest MSU Graduate to Preside at Festivity

EAST LANSING (AP)—Elwyn T. Gardner, 96, of Calhan, Colo., will be a special guest of honor at Michigan State University this weekend.

Gardner, who received his B.S. degree in 1885, is the oldest living graduate of Michigan State. He will preside at a Patriarch's Club dinner Friday for alumni of more than 50 years standing and honoring the golden anniversary class of 1906.

Campus tours, the annual stu-

dent water carnival opening tonight and the 98th annual commencement exercises Sunday are other major events of the MSU weekend.

Only Shag Crawford, imported from the American Assn. circuit, is new this year among the 16 umpires who officiate in the National League games.

Redleg Hal Jeffcoat broke into the majors as an outfielder with the Cubs in 1948 after he had starred for the Nashville, Tenn., club.

Detroit Captures State Seniors Golf Championship

PORT HURON (AP)—Clarence J. Hacquoil, a "youngster" of under 55 who plays out of the Detroit Golf Club, today held the Michigan Seniors Golf Assn. championship.

Hacquoil fired a 159 for 36 holes in play yesterday and Tuesday over the Black River Country Club course. The annual spring tournament for players over 50 drew 156 entrants.

Hacquoil also won the Class F title for entrants between 50 and 55 years of age. Rudy J. Inman of Port Huron carded the low handicap score with a 141.

Other class winner (actual and handicap):

Class A, Players over 74—(limited to 18 holes)—Richard Doughty, Detroit, 89, William E. Lear, Detroit 84.

Class B, Age 69-74—Fred L.

Tartars' Top Athlete

DETROIT—Senior Donald Halverson of Stambaugh, Michigan has been named Wayne University's "Athlete of the Year" by the Wayne Collegian, the campus daily. Halverson, who lettered in football, basketball and baseball while at Wayne, receives his degree in Physical Education on June 14.

Sport Briefs

Stan Musial, 37, wants at least three more playing years.

There are about 14,500 moose in the United States.

Michigan has won the NCAA hockey title five times.

NEW ATTIRE—Retired heavyweight champion Rocky Marciano has made a switch from sweat clothes of training to this swank attire for his social days.

Pulling All Stoppers

CHICAGO (AP)—Manager Bobby Bragan, pulling out all the stops to give his league-leading Pittsburgh Pirates more power, yesterday put slugging outfielder Frank Thomas on third base. It worked wonders as Thomas had 3-for-3, including a home run. Thomas last started a game at the hot corner in 1949 when he played for Davenport, Iowa, of the three-I league.

Giants Aren't Owls

NEW YORK (AP)—Day or night, the New York Giants don't seem to be playing good ball. But the truth is they're 14-14 in day action. Their record under the arcs? It's a dismal 3-12.
