Congratulations!!! to Mr. Venkata K C Arumalla for winning the OU's First Time Graduate Award 2010 for his outstanding community services

ISSO at Oakland University gives an **International Student Scholarship** every semester to qualified international students. The Scholarship in the amount of **\$1500.00 & \$1000** is awarded to a qualified international student newly admitted to Oakland University. Applicants must demonstrate an active involvement in community service activities in their home country or previous institution; including, but not limited to, student leadership roles, student advocacy, involved in organizing and planning school or community programming, and improving the overall quality of life in their community.

ISSO feels immense pleasure to announce Mr. Venkata Arumalla as a second winner of the International Student Scholarship 1st time Graduate to O.U. award. While at Oakland Venkata is pursuing a degree in Electrical and Computer Science Engineering. Venkata received many awards in academics as well as for his extraordinary art work.
