Lake Steals Children

GRIEF-STRIKEN FATHER — His features contorted in grief and anguish, and still clutching his sunglasses, Frank Koch of Muskegon collapses as the bodies of his twin 8-year-old sons and his 11-year-old daughter are removed from the Lake Michigan surf. All three children drowned simultaneously yesterday in Muskegon's worst beach tragedy. Both the father and mother were taken to the hospital and treated for shock.

Cooler Weather Arrives After Peak of Heat Wave

What a relief! After hitting a thermometer-busting 94 here Saturday, the mercury slid off yesterday to a high 86 and a low of 64 degrees.

The cooler, but still sunny weather was forecast to continue through today.

Sunday's breezes signaled the end of a torrid first-nine-days of July which saw the temperature in or near the 90s every afternoon.

Pontiac Airport to Get \$35,600 in State Funds

Money Will Be Used for Longer Runway, Other Improvements

The State Aeronautics Commission has allocated \$35,600 in state matching funds for improvements at Pontiac Municipal Airport, it was announced today.

The action apparently clears the way for construction of a new 3,700-foot runway, said Homer Hoskins, airport manager.

Some \$18,050 of the money will be matched by the city for clearing, draining and grading the 80-acre runway area.

The federal government will supply another \$5,901, said Hoskins.

The Aeronautics Commission will open contract bids for the initial project July 20 in Lansing, said Hoskins.

The remaining \$16,550 of state aid, if matched by the city, will be used to put a compacted gravel base on the new airstrip plus a prime and seal surface, he added.

The new runway will go from east to west and utilize city-owned land previously unused.

Hoskins said the longer landing strip would increase the safety factor for many twin-engine planes now operating from the airport.

"We have numerous twin-engine planes here now, but the runways are pretty short for them, especially for the larger ones," he stated.

The new project would also make the city airport a landing spot for many owners of larger planes who now shun it as too short, he concluded.

Turnpike Authority Meeting Tomorrow

Members of the Michigan Turnpike Authority will meet tomorrow at 1 p.m. in their Ann Arbor offices to elect a new chairman and secretary-treasurer.

The group's first chairman, William E. Slaughter Jr., was not re-named to the board by the Legislature. Former Oakland County Senator, George N. Higgins, of Ferndale, was appointed to Slaughter's position by Governor Williams.

Higgins is seen as the leading candidate for the chairmanship.

Other business scheduled by the turnpike commissioners includes reports on finances, court action involving the turnpike and meetings with city, village and township officials along the proposed toll road route.

Meeting Moved Up

The City Commission will meet tonight at 8 p.m. in the new City Hall, rather than tomorrow night, the usual meeting time.

Agnes the Charmer Gets Ready for a Long Lake Dip

DOWN FOR THE COUNT — Showing just what he would do if the famous Lower Long Lake alligator dared to rise to his challenge is Sarnia, Ontario 'gator wrestler Tuffy Truesdell. His sparring partner for the event, Agnes, takes the whole thing quietly. Truesdell made ready to do battle with the seldom-seen denizen of the lake Saturday,

but only a few frogs took up the challenge. Sleepy-eyed Agnes had visions of perhaps grabbing the leg of a fat newsman who ventured too near, to interview her. No such luck. However, one thing is sure, the 'gator in Lower Long Lake is female. What male alligator could resist the charms of Agnes?

'Gator Wrestler Arrives With Agnes, Long-Tailed Charmer From Sarnia

In steaming, jungle-like 95-degree heat, a Sarnia, Ont., alligator wrestler and a friend who plays football semi-professionally Saturday pulled up beside the murky channel connecting Lower Long Lake and Island Lake in Bloomfield Township.

From a shallow pool in the rear of the converted limousine owned by the wrestler, 37-year-old Tuffy Truesdell, emerged a 7-foot alligator, obviously unhappy.

It hissed quite loudly as Truesdell and his pal, John "Corky" DuChene, 26, halfback for the Sarnia Imperials, looped a clothesline harness around it.

As soon as Truesdell hopped off its back, the 'gator headed for channel, like an alligator to water.

Lost Flier Lands Jet on Turnpike

BEDFORD, Pa. (AP)—Air Force Maj. Leo Carboneau, lost and out of fuel in his F86D jet plane, badly needed a place to land yesterday and picked the Pennsylvania Turnpike.

Luckily he landed at a time when there was a lull in the usual heavy Sunday traffic. The major got his ship down in an eastbound lane near the Sideling Hill Tunnel in Fulton County about 30 miles east of here.

He was unhurt and the plane was only slightly damaged.

Maj. Carboneau is stationed at the Niagara Falls, N.Y., Air Force Base.

A couple swishes of its 100-pound tail sprayed muddy water on the pants of a police officer, who has been looking for the 'gator reported seen in the channel. Several onlookers, newsmen and neighbors of Mr. and Mrs. William O. Singleton, also got sprayed for their curiosity.

(It was the Singleton's 5-year-old son, Danny, you will recall, who first told of seeing an alligator in the channel.)

Truesdell left the 'gator in the water only a few minutes. He had planned originally to try to lure forth the mystery 'gator with his own reptile. But he changed his mind. "It's too muddy in there," he said.

After the 'gator, unappier than ever, was hauled out, Truesdell wrestled with the beast a bit, just to show what he would do if the mystery 'gator, sought for a week, were caught by him.

A reporter interviewed Truesdell beside the 'gator and nearly got nipped.

So did a photographer who passed too close to the scaly thing.

Truesdell didn't help things. He kept asking, "Want to hear him snap?" and annoying the 'gator till he cracked shut its teeth-loaded jaws with lightning speed.

The 'gator finally was trundled back into the car, and Truesdell and DuChene went up near the Singleton's big English-style home to wash the sand off themselves in the spray of the lawn sprinkler.

Later, the Canadians climbed into the auto, marked "Danger," and headed for another point on

2 Detroiters Die in Truck Crash

Telegraph Road Smash of Car, Steel Hauler Injures Two Others

A Detroit husband and wife were killed and their 2-year-old son was injured critically when their car collided with a semi-truck this morning on Telegraph road at 10 1/2 Mile road.

The dead, identified by Redford Post State Police were: Henry Johansen, 38, and his wife, Betty Ann, 31, of 1950 Salem. Their son, Kirk, about 2, was taken to Mt. Carmel Mercy Hospital in Detroit with critical injuries, as was the truck driver, Kenneth Roberts, 25, of Dearborn.

The victims were pinned inside their northbound car by the truck cab, which ripped from the trailer and smashed down on the auto.

Witnesses said the truck, carrying 33,000 pounds of sheet steel careened across the center line after sideswiping a smaller truck making a left turn. The trailer overturned into a ditch on the west side of the 4-lane highway.

A third truck, driven by Lonnie Thompson, of Ohio, which was following the Johansen car, was forced into the ditch to avoid the smashup.

Officers said Roberts' truck rammed the side of Johansen's car, rammed it into the ditch pinning the victims in the twisted wreckage.

Traffic was held up more than an hour while workmen, using a derrick and cable, removed the victims and cleared wreckage.

Says A-Bomb Could Finish New Orleans

WASHINGTON (AP)—Civil Defense Administrator Val Peterson says it's "entirely possible" that some American cities, once subjected to nuclear attack, could never be entered again.

In testimony released yesterday by a House Appropriations subcommittee, Peterson cited New Orleans as one city that might literally disappear if attacked from the air.

Because New Orleans is "built on only two or three feet of dirt resting on water," Peterson said, the crater caused by a nuclear bomb might transform the city into a lake.

Tax Collectors Strike Gives Japanese Respite

TOKYO (AP)—Here's one strike the tax payers aren't kicking about.

Taxation workers, demanding summer bonuses and pay raises right in the middle of mailing income tax notices, struck today with sit-downs and refusals to work overtime.

All Face Trial in U.S. Courts for Past Action

Trio Declares Living in Red China Is Hell, Plead Stupidity

HONG KONG (AP)—Three former U.S. soldiers who changed their minds about living under Chinese communism prepared for a midnight sailing tonight for home.

The three men—William A. Cowart, 23, of Dalton, Ga., Otto G. Bell, 24, of Hillsboro, Miss., and Lewis W. Griggs, 22, of Jacksonville, Tex. — said they expect to be prosecuted but are ready to face the consequences in order to tell what happened to them.

Life with the Reds was hell, they all agreed.

Captured in Korea, they and 20 other Americans refused repatriation. Four months ago, Cowart said, the trio and two Belgian deserters began demanding that the Reds let them go. The Chinese announced in June that all five would be released.

The Americans crossed the border into Hong Kong territory Sunday afternoon. British immigration officials turned them over to U.S.

U.S. citizenship and prepared travel documents permitting their direct return to the United States.

The consulate paid their passage home on the liner President Cleveland, due in San Francisco July 29 after a stop in Japan. A consular spokesman said they would be "expected to repay the passage money at such time as they can."

For the voyage home, the State Department ordered the men restricted to the ship until it docks in California.

The American government has not indicated what is in store for the trio, except to say that they will "be responsible for any acts they might have committed."

Because all three and 17 other former prisoners of war still in China have been given dishonorable discharges, Secretary of Defense Wilson said last month he did not think the three returning would be tried by court-martial.

Griggs told a news conference last night "others want to come out" of Red China but he would not name them. The Chinese, in announcing that the three Americans and two Belgians would be turned loose, said any of the others could leave if they desired.

Turncoats Drink on Newsmen, Say Little of Interest

By DAVID J. BOADS

HONG KONG (AP)—I took the three American turncoats out for \$40 worth of drinks last night in a room of dance halls.

I agree with one of them, 22-year-old Lewis W. Griggs, that they "aren't very smart." But what else they are I couldn't say.

I spent their first evening of freedom with Griggs, William A. Cowart and Otto G. Bell in the line of duty, hoping they would reveal more than they had in evasive answers during the news conference following their arrival in Hong Kong yesterday.

Helped along by mambo music, double scotches, beer, Manhattans and plenty of American cigarettes, they appeared to talk freely. But they committed themselves on little.

All three kept repeating that things were hell in Red China. Cowart, 23, of Dalton, Ga., was anxious to line up some "quick cash" and also talked vaguely about contacts with an anti-Communist underground in China.

Bell, 24, of Hillsboro, Miss., kept repeating that he couldn't wait to "see that beautiful little daughter of mine." The child, Paula, now 4, was born after he was sent to Korea. Her mother is working at a military base near Olympia, Wash.

Griggs, of Jacksonville, Tex., reckoned they had "outsmarted the Reds in getting out."

As the hours rolled on and the drinks went down, the talk boiled down to usual barroom chatter — sports, movie stars and sex. Finally everybody was yawning and I picked up the check.

Area Residents Flock to Beach for Cooling Breezes

THOUSANDS HIT BEACH — An estimated 26,000 persons headed for the cool, clear water Sunday at Dodge State park on Cass Lake to seek breezes, nearly equalling the 30,000 record for the year set on July 4. This past week has set an all-time record with 121,000 persons visiting the park from July 4 to 10 inclusive, says Paul Reurick, park manager. Parking facilities were crowded to overflowing and many spent an hour or more fighting the traffic only to find every available parking space filled. By three p.m. there was a steady stream of traffic leaving the park after having tried fruitlessly to find parking space. Shown above is a view of the huge crowd on the beach.

Pentagon Takes Fight to Senate

Defense Aides to Tell Why Reserve Program Should Be Okayed

WASHINGTON (AP)—Pentagon officials today carried their fight to the Senate today for an expanded military reserve, including compulsory training for peacetime veterans.

The Senate Armed Services Committee, which is considering the measure, arranged to hear the Defense Department's arguments as it started a final day of testimony.

Carl L. Burgess, assistant secretary of defense for manpower, was first on the list of civilian and military witnesses called from the Pentagon.

A prime point at issue is a proposal by Chairman Russell (D-Ga.) to eliminate compulsory training for veterans and offer instead a \$400 bonus to those who volunteer for duty in Army and Marine Corps reserve combat units.

Burgess made it clear in advance of his appearance that the administration does not favor Russell's proposal.

"It does not provide the insurance we need at this time," Burgess said in an interview.

That remark followed a statement, made by Secretary of Defense Wilson before Russell announced his plan, that "we cannot leave to chance the supply of experienced personnel who will provide the hard core of our reserve."

As passed by the House, the bill would permit recall for 45 days of active duty of any reservist who failed to carry out the training requirements.

Kin Talk Pair Into Giving Up

2 Fugitives Surrender Peacefully in Tuscola as Relatives Join Hunt

CARO, Mich. (AP)—Two fugitives from the Tuscola County Jail were back in custody today after relatives of one of the escapees hunted down and captured the pair and talked them into surrendering to State Police.

The surrender ended a 48-hour police hunt through the brush area eight miles southeast of Caro for James Putnam, 17, and Donald Doyle, 21.

SLUG TURNKEY They broke out of jail last Tuesday after slugging a turnkey.

Police were tipped by Putnam's grandmother, Mrs. Claude Putnam, that the pair had visited her farm home late Friday night.

By the time police got to the farm the fugitives had fled. They hid near the house while police, aided by a plane from Flint, combed the area.

Then, early yesterday, seven of Putnam's relatives drove up to a roadblock and asked for permission to hunt for the two.

Less than an hour later police got word to come and pick them up at Mrs. Putnam's home. Both surrendered peacefully.

Doyle was under a 7 to 15-year prison sentence for breaking and entering. Putnam was serving 60 days for parole violation.

'Greatest Airlift' Half Accomplished

ASHIYA AIR BASE, Japan. (AP)—History's greatest airborne movement of troops from America to Asia was half completed today and a massive lift back to the United States was about to start.

By Monday, 24 C124 Globemasters had brought more than 2,000 men of the 3,900-man 508th airborne regiment to Japan.

Nineteen more Globemasters, flying back across the Pacific, were hauling the rest from Ft. Campbell, Ky.

The first-arrived C124s were serviced, inspected and ready to launch the second half of Operation Gyroscope—the return to the United States of the Korean War-tested 187th.

night that the two Belgians, Roger Devriendt and Louis Verdyk, would be released as soon as arrangements were completed with the Indian Red Cross.

After being questioned by consular officials, the Americans held a news conference. Then they made a drinking tour of Hong Kong dance halls.

All three returnees admitted at their news conference that while war prisoners they had committed acts which made them afraid to return home in the prisoner exchange after the Korean fighting. None would say specifically what they had done, although Griggs spoke vaguely of writing an article hostile to America.

The three also pleaded youth, stupidity and the appeal of clever Communist propaganda. "A child decided not to go home—a man decided to go home," said Cowart, who earlier had been reported anxious to return to Japan rather than to the United States.

Oak Park Lad Dies in New York Mishap

A 10-year old Oak Park boy was killed Saturday near Utica, N. Y., when he was struck by a fast freight while standing on the track watching a troop train pass on another line.

John Jakina, 1250 Oak Park Blvd., was thrown 75 feet against a telephone pole by the impact.

He was the only child of Mr. and Mrs. Stanley Jakina, who had been in the Utica area four days while visiting relatives.

John's cousin, 10-year old Peter Cary of nearby Whitesboro, said he heard the train at the last minute and yelled, throwing himself to safety down an embankment.

The engineer on the freight said he blew his whistle when he saw the boys, but the youngsters had their hands over their ears, apparently to shut out noise from the passing troop train.

Funeral services for the boy will be held at 10:00 Thursday from the Jakina home, with burial in Holy Sepulchre Cemetery.

New Blood-Saving Tool Used in Heart Operation

BALTIMORE (AP)—Using an ingenious new blood-saving tool, surgeons at University of Maryland Hospital here have relieved a man of a deadly condition in which the body's main artery balloons near the heart like a defective inner tube.

Dr. R. Adams Cowley, who performed the rare operation, reported today the patient was discharged from the hospital exactly two weeks later.

A laborer from Cambridge, Md., he is one of the extremely few persons known to have undergone successful surgery for aneurysm, or infected swelling of the ascending aorta.

The new instrument, used in this operation for the first time, was developed by Cowley and Dr. John M. Allen, working with him as a fellow in the Cardio-Pulmonary Department he heads.

It is a clamp which enables blood to continue flowing through the aorta even while doctors are removing the damaged section. In its first use during the six-

hour operation, it helped keep the patient's blood loss down to three pints, compared with a usual loss of about 12 pints in four similar operations Cowley performed previously. The loss in one of the only other two known cases of this type was 30 pints.

Medical records show doctors have sought 1,900 years for a successful method of treating aneurysm of the major blood vessels. The aorta, sweeping up out of the heart and toward the left shoulder before it arches and runs down to the small vessels in the neck, is the biggest vessel of all.

In later life, after four or five decades of feeding tons of blood to the smaller vessels throughout the body, it may develop weak spots through infection or sheer wear and tear.

Davison Police Hold Lake Orion Youths

Two Lake Orion youths, implicated in a Genesee County break-in by two admitted safe thieves, have been turned over to Davison Police on charges of breaking and entering.

The pair, Donald Bostwick, 18, and Darwin Buhl, 19, are accused of breaking into an auto salesroom there July 1.

They were implicated by Jack V. Young, 25, and Robert Jackson, 22, both of Lake Orion, who have admitted safe thefts from auto agencies at Lapeer, Lake Orion, Rochester, Oxford and Davison.

Young and Jackson were arrested Thursday during an attempt to steal a safe from a Holly auto agency. Both are being held at the Oakland County Jail under \$2,500 bonds.

The Day in Birmingham

To Discuss Elm Disease, Reduction of Supervisors

BIRMINGHAM — Discussion at tonight's City Commission meeting will turn to Dutch Elm disease which is taking a high toll among Birmingham's elm trees, and to reappointment on the Oakland County Board of Supervisors.

Junior member, Clarence W. Blennan, will submit his resignation, due to Birmingham's cutback from five to four supervisors.

City Engineer L. E. Gare will recommend that the lone bid received for concrete construction work on Municipal Parking Lot No. 1 be turned down.

As an alternate proposal, he will recommend that the city ask for new bids which would also include the asphalt surfacing work and possible construction of a brick wall on three sides of the lot.

ACT ON APPOINTMENTS

Planning Board appointments are expected to be approved along with those to the Electrical Examining Board.

A hearing will be held to confirm the assessment roll for a pavement construction on Bird from Pierce to Edgewood, and Edgewood from Bird to Fourteen Mile road.

Talk also will turn to sidewalk construction on the north side of Bowers Street, between Elm and Adams. A request will be received asking that the Planning Board rezone a lot behind property fronting on Maple, at the southwest corner of Larchlea, to parking classification.

Birmingham resident Harry R. Walsh, 1354 Glengarry Rd. has been named chairman of the Retail Promotion committee of the 1955 Detroit United Foundation campaign. It will run from Oct. 18-Nov. 10.

The return trip will see youngsters docking in Detroit at 4 p.m.

Service for Henry B. Royce, 56, of 1155 Quanton Rd., will be at

3 p.m. Wednesday at Bell Chapel of the William R. Hamilton Co., with burial in Holy Sepulchre Cemetery.

Ziem, Taylor Attending School in New York

Oakland County Prosecutor Frederick C. Ziem and his chief assistant, George F. Taylor, are in New York City this week attending a school for public prosecutors.

Teacher Being Held in Husband's Death

Ferndale Police today held an ex-Pontiac school teacher, Mrs. Doris Noland, for investigation in the death of her husband who was found dead in their home yesterday.

Police said George Noland, 25, apparently shot himself. Doris, 24, said her husband beat her about the head and arms with a pistol after she told him she wanted a divorce. They had been married a year.

Noland apologized after the beating, then asked a telephone operator to call the police. He walked to a rear bedroom where he shot himself in the head with a German Luger pistol, Mrs. Noland said.

She was ordered held as a police prisoner in William Beaumont Hospital, where she was treated for cuts on her head and arms.

For the past two years, Mrs. Noland taught at Weaver school and was known there by her maiden name, Doris Oliver. She resigned this year and plans on teaching in the Royal Oak school system, Pontiac Board of Education officials said.

Find Oxford Man
Dead in CarBusiness Leader, Former
Township Treasurer, Is
Victim of Heart Attack

OXFORD — Carl William Smith, 53, manager of a Lake Orion real estate office and former Oxford businessman, was found dead in his car parked off M24 just north of Indianwood Road in Orion Township Saturday afternoon.

Death was attributed to a heart attack. Smith, of 70 Pontiac St., Oxford, operated a hardware store here for 20 years and later a gas station.

He was a former Oxford Township treasurer. Smith was a member of St. Mary of the Hills Episcopal Church, the Knights of Pythias and held life membership in the Oakland County Sportsman's Club.

He was born in Addison Township, the son of Thomas D. and Nettie Nash Smith.

Don't Let Friend Do Your Talking for You

By ELIZABETH WOODWARD
"Dear Miss Woodward: I travel around a lot with this girl—but she acts as if I'm a little child that she has to take care of. Every time we meet a boy that I'm interested in, and I start talking to him, she soon takes over the conversation."
"When a question is asked of me, she answers for me. It looks as if she's making sure I don't get into the conversation. Will you please give me some advice?"

Answer: If the two of you girls bumped into a boy (whether you liked him particularly or not) and kept mum while you did all the talking, you'd think something was wrong, wouldn't you? In any threesome, each has his own share of talking to do. So speak up for yourself.

You can't conduct a strictly private conversation with a boy when your girl friend is along. Any more than you can talk solely to her and ignore him. Things have to be fairly general.

So if your girl friend is better at general conversation than you are, let her get things started, while you add to the subject, comment on what she says, and bounce from there to something else.

If she answers for you, say brightly, "That may go for you, but here's what I think." Make a point of answering for yourself.

There's no good in talking the thing over with her—or making an issue of it. Concentrate on making your own presence felt no matter how much she tries to do your talking for you.

"Dear Miss Woodward: My boy friend and I have been going together for two years and we like each other very much. My big trouble is my sister and her husband who also happens to be my boy friend's brother.

"Last summer the four of us were together a lot. My sister would start fussing at me and telling me I was childish and a poor sport because I couldn't take their teasing.

"I wouldn't talk back to her, I'd just keep quiet, then she'd say I was mad. Then she'd tease harder, saying that she couldn't see what my boy friend could see in a girl who got mad all the time.

Flora Shelly Group Holds July Meeting
The July meeting of the Flora Shelly Group of the First Presbyterian Church was held at the summer home of Mrs. Allan H. Monroe at Watkins Lake recently.

Dinner was served to 21 members and three guests, Mrs. William H. Marbach, Mrs. Gelston V. Poole and Mrs. Hugh A. Little.

Assisting the hostess were Jessie Axford, Florence Day and Amy Brackstone.

"I want to keep away from her as much as possible 'cause I'm not going to have her treating me like that again. Do you think we should go with them this summer, or keep our distance?"

Answer: It's going to be hard to avoid family dates this summer, so you may as well make up your mind to face the teasing and weather the storm. Your trouble

is that you take yourself very seriously and you're concerned about the impression you're making on your boy friend.

So why not relax and ride along with the wave? Snap back cheerfully when you're teased instead of sulking in silence. Do a little harmless teasing of your own.

And don't forget that you're a year older—and just that much farther away from being a child. (Copyright, 1955)

Sara L. Bridson Weds Donald H. Ball

Honeymooning for two weeks at Canada Creek Ranch in northern Michigan are Mr. and Mrs. Donald Harry Ball.

The bride is the former Sara Louise Bridson, daughter of Mr. and Mrs. Leo James Bridson of Oliver street. The bridegroom is the son of Harry E. Ball of Gladstone Place and the late Mrs. Ball.

First Congregational Church was the setting for the Saturday evening wedding ceremony performed at eight o'clock by the Rev. Malcolm K. Burton. Candelabra and arrangements of white flowers and palms decorated the altar.

A gown of Chantilly lace over satin was worn by the bride. The gown was fashioned in princess lines with empire waistline, sculptured "V" neckline and short, sweep train.

Seed pearls formed the headpiece which secured her illusion veil, edged with Chantilly lace. A cascade arrangement of white gladioli and variegated ivy, centered with Cavalier rosebuds, was carried by the bride.

Housewife Finds Her Niche in Art

By ANNE HEYWOOD
"I have a fascinating hobby," a young mother writes, "and, while I am not yet making money out of it, it looks as though I will before I am finished."

"It came about in the most peculiar way. I always wanted to be an artist, a painter, so when I finished high school, I entered an art class."

"After the first year, I was told, in a nice way, that I wasn't particularly talented. 'I had dreamed of doing very modernistic paintings. I adore them. In the museum, they look so easy, but I learned, fast enough, that painting them isn't as easy as it looks.'"

"I gave up trying, but, in the back of my mind, I still thought I had the makings of a good modern painter."

HUSBAND, CHILDREN

"I soon married a wonderful guy and had two children. The youngest is now just 8 months old. And still the idea of painting didn't leave me."

"Once a week, John's mother comes over to look after the children and gives me a day to myself. Instead of going to a movie or shopping, I would haunt the museums. John kidded me about it, but I still couldn't get it out of my system."

"Then," she continues "one day I saw a wonderful collection of mobiles. They were so colorful, so modern looking, and they were just made out of plastics, wood, cork and metals."

"I decided then and there that I would make a mobile for the baby's room. I got odds and ends of materials around the house and sketched a design. Then I made it up—not too skillfully, but the effect was terrific."

"We hung it over the baby's crib and he adores it. It is a kind of modernistic circus, with silly looking animals, the like of which has

yet to be seen. But the colors are good, if I say so myself, and everybody thinks it's exceptionally attractive."

"Next, I began collecting materials from all over and making more mobiles. I gave my sister's

child one for her birthday. She loved it, too. My friends are beginning to ask for them for their children's rooms."

MOBILE SPECIALIST

"I know it sounds silly, but I'm beginning to be a specialist in mo-

biles for children and I love doing it."

"They can be as wildly modernistic as you want and the effects are charming. And I bet before long, somebody will be buying my mobiles for children's shops!"

MRS. ELMO C. JONES

Joyce Elaine Perry became the bride of Elmo C. Jones Saturday evening in the First Presbyterian Church. The bride is the daughter of Mr. and Mrs. Arthur H. Perry of State street and Mr. and Mrs. Frank Jones Sr. of Collingwood avenue are the parents of the bridegroom.

Presbyterian Rite Unites Joyce Perry, Elmo Jones

Before an altar banked with bouquets of white flowers, palms and greens, Joyce Elaine Perry became the bride of Elmo C. Jones at the First Presbyterian Church Saturday evening.

Dr. William H. Marbach performed the ceremony at 7:30 in the presence of 200 guests.

The bride is the daughter of Mr. and Mrs. Arthur H. Perry of State avenue, and the bridegroom's parents are Mr. and Mrs. Frank Jones Sr. of Collingwood avenue.

The bride's floor length gown was of French lace over a voluminous skirt of nylon tulle. Shirred nylon tulle with scalloped lace motif fashioned the neckline. Her fingertip nylon veil was held in place by a Juliet cap of tulle and seed pearls.

Wearing pearl necklace and earrings, the bride carried a prayer book with a white orchid, ivy and Stephanotis.

ATTEND BRIDE

Mrs. Bruce Ferguson was matron of honor and other attendants were Patricia Campbell and Cecil Harper, of Cleveland, Ohio. They were all in blue net, floor length gowns, with bouffant skirts, lace jackets and short white gloves. They carried carnations and roses in nosegay arrangements.

Robert C. Kelley was best man and the ushers were William F. Hook of Flint, Raymond Campbell, Robert Terry and Layne Vanderhook.

Immediately following the wedding a reception was held in the church parlors.

CHANGES TO NAVY

Navy blue cotton with white accessories was chosen by the bride for a going-away costume. She was also wearing the corsage from her wedding bouquet.

The bride's mother wore a cocktail length gown of gray lace over pink taffeta and a pink carnation corsage. A white dress and pink carnations were worn by the bridegroom's mother.

Men Callers May Visit Sitting Room

Woman Residing in Hotel Asks Where to Receive Guests

By EMILY POST

A question of propriety is asked in this letter: "May an unmarried businesswoman of middle age, living in an apartment hotel, receive a man of her own age and station, with whom she has long been acquainted, in her own sitting room, and visit and have tea with him there, no one else being present, or should she receive him only in the public sitting room of the hotel, and dine or have tea with him only in the public dining room or restaurant?"

"If he may be received in her apartment, may he take the elevator and go directly there, if he knows that she is at home, or should he go first to the desk and have the clerk announce him on the telephone?"

Answer: If you have a sitting room of your own you can receive both women and men friends in it, taking it for granted that your friends are proper. You cannot receive a man very late at night, but in the afternoon or early evening it is quite all right. He takes the elevator and goes directly there.

"Dear Mrs. Post: When two couples are in an automobile, is it not bad manners for the couple in the back seat to carry on a private conversation? Shouldn't the conversation at all times be general and loud enough for both couples to hear?"

Answer: No, as it is often difficult for those in the back to hear what those in the front are saying—and vice versa.

"Dear Mrs. Post: Is it improper for the mothers of the bride and bridegroom to wear the same color dresses? I have bought a very pretty blue dress for the wedding, and I understand from my son that the bride also is planning to wear blue. He seems to think that I should choose another color."

Answer: No, each mother wears whatever color she prefers. If the same, it doesn't make any difference as they never sit together at church and rarely stand together at the reception.

Chisox and Tiger Chances Poor

By THE ASSOCIATED PRESS
No one won the American League pennant in the last 10 days, but it could be that the Chicago White Sox and Detroit Tigers lost it in that span.

With the All-Star game break at hand, the New York Yankees hold a five-game lead over the Cleveland Indians, who are a length in front of the White Sox. Ten days ago, the Yanks were 5½ games to the good with the White Sox second—1½ up on the Indians. Detroit, fourth when the 10 days started and 9½ games behind, now is fifth, victim of the onrushing Boston Red Sox. The Sox, with the incomparable Ted Williams, had a 9-1 record for the 10 days, taking over fourth place 7 games behind the Yanks and 5½ ahead of the Tigers.

The Yanks played .500 ball, meeting mostly second division clubs, for the 10 days. Cleveland won eight of 12. The White Sox and Tigers, who faded at the same time last season, lost six of 11 and nine of 12, respectively. New York played at the same 50-50 pace Sunday, beating Washington 8-3 after losing the first game of the twin bill 6-4. Cleveland defeated Chicago 5-2, but lost the nightcap 4-2. Boston beat Baltimore 10-7 before rain washed out the second game. Detroit whipped Kansas City 10-1 after the A's had won 9-5.

In the National, Brooklyn's lead was trimmed to 11½ games in a 3-2 defeat by New York as second place Milwaukee split with Cincinnati. The Braves won 7-4, then lost 7-6. St. Louis whipped Chicago 7-3 and Philadelphia trimmed Pittsburgh 4-1 before losing 3-1. The Yankees were beaten in a six-run fifth by the Nats that chased Whitey Ford. Carlos Paula homered to open the rally. In the

nightcap, Mickey Mantle—whose two homers had gone to waste in the first game—whacked his 21st with a man on in the fourth as New York waltzed off to a 7-1 lead.

Virgil Trucks saved the day for Chicago, giving Cleveland four hits in eight innings of the second game. Bobby Avila's bases-loaded triple wrapped up the opener as Ray Narleski and Don Mossi protected Art Houtteman's sixth victory.

Bennett, Howell Capture Week End Racing Honors

Versatile Harry Bennett of St. Clair Shores won the 50-lap mid-season sprint car-roadster championship of the Central State Racing Association, while Benny Howell of Pontiac was having a field day in hardtops over the weekend.

Bennett, a successful driver in all types of auto racing, took the CSRA title test at Pontiac Speedway Sunday by touring the 50 laps in 16 minutes, 7.35 seconds. Johnny White was 2nd and Ron Duman, 3rd.

Glen Rocky of Muskegon held the lead for 44 laps, but developed car trouble, finally dropped out and was awarded 6th place. Jack Goodwin, who was challenging the leaders early in the race, spun out of competition.

Meanwhile, at Gay-Day Speedway, Howell was winning his 3rd hardtop feature within 24 hours. The Pontiac driver took both ends of Saturday's "double feature" at Pontiac Speedway, then repeated Sunday at Gay-Day. Vic Seixas, another Davis Cupper from Philadelphia to capture the men's doubles title.

Miss Hart took three titles—the singles, the women's doubles and the mixed doubles.
