

Red China, U. S. to Talk Over Captives

Gyrations Don't Help

OOPS — HE MISSED! — Bending backwards, Shelley Mayfield just can't understand how he could possibly miss such a short putt in PGA round yesterday. However, the Westbury, N. Y., pro won his match and advances into semi-finals today.

Supervisors' Membership Must Be Cut by Aug. 2

Size of the Oakland County Board of Supervisors must be reduced from 91 to 68 by the time the group holds a special meeting Aug. 2. County Corporation Counsel Harry J. Merritt said today.

The cut is required under provisions of a state law signed June 28 by Governor Williams. Only city-supervisor strength will be reduced.

More Polio Vaccine Due for Michigan

LANSING (AP)—The State Health Department got word today it will receive another 153,000 doses of Salk polio vaccine this week—making almost enough to complete the second shots to first and second grade children.

Dr. Albert E. Heustis, state health commissioner, said 153,000 doses would be received not later than Wednesday to add to the 115,000 received last week and which is now being distributed to the counties.

As soon as the 325,000 first and second graders have received their second shots, Dr. Heustis said, the next supply of vaccine released to Michigan will be made available for children from five to nine years of age.

Bulls, Heifers Snarl Traffic on Stroll Here

A Sunday afternoon excursion by two bulls and five heifers briefly snarled traffic along busy M24 yesterday, and had the Oakland County Sheriff's Department off on a wild bull hunt.

The bulls wound up in front of the home of Harold Duggan, at 2480 Harmon, in Pontiac Township. He prodded them into his pasture.

This morning the herd has been returned to owner Gordon Ekstrom, of 3660 Giddings Road, nearly a mile away.

"They must have found a hole in the fence somewhere—but I can't find it," Ekstrom said this morning.

He didn't miss the animals until early this morning, because they are allowed to roam a wooded 80-acre pasture.

Neither the bulls nor the Sunday drivers on M24 suffered any injuries, but tempers were frayed on both sides.

Pope Sees Mrs. Luce

VATICAN CITY (AP)—Pope Pius XII yesterday received U.S. Ambassador Clare Boothe Luce for her first audience since she became envoy to Italy more than two years ago.

Mishaps Injure 49 People Here in Past 2 Days

No Traffic Fatalities Reported in County Over Weekend

Although 49 persons were treated at Pontiac hospitals over the weekend, no traffic deaths were recorded in Oakland County. Sixteen persons lost their lives by drowning and highway mishaps throughout the state.

Forty-two victims were released after treatment and seven were admitted, Pontiac General and St. Joseph Mercy Hospital authorities said.

They are: Cathy Hotary, 6 weeks, injured in a 4-car pileup Saturday evening at Middle Belt and West Maple Rds. Her condition was reported as fair by Pontiac General Hospital attendants. She suffered possible head injuries when the car driven by her father struck the rear of another at a stop light. The father, mother and two other children were treated for minor injuries.

IN GOOD CONDITION

Gerald Harenza, 18, of Detroit, reported in good condition at Pontiac General with a broken collar bone and ribs. His car skidded off Curtis road near Lakeville road Saturday evening.

Hazel Coleman, 35, of Goodiso and Linda Coleman, 12, of Lake Orion, both reported in good condition at Pontiac General. They suffered injuries Saturday night when the car in which they were riding rolled over on Milford road.

Frederick Richards, 30, and his wife, Lillian, 30, of Houghton, injured in a 2-car crash Saturday night at Woodward avenue and Square Lake road. They were admitted at St. Joseph Hospital but released Sunday. Four others injured in the broadside collision were treated and released after sustaining minor cuts and bruises.

J. B. Seay, 21, of Southfield Township, was admitted at St. Joseph with cuts Saturday but released Sunday. His car ran into the rear of another at Telegraph and Maple Rds., Bloomfield Township Police said.

Mrs. Wilamina Rapleje, 47, of Oak Park, was reported in fair condition at St. Joseph with a broken back suffered in a 2-car collision at Square Lake and Franklin Rds., Sunday. Her 14-year-old daughter was treated and released for minor injuries.

Ferry Strike Ends in Increased Fares

ST. IGNACE (INS)—Mackinac Straits ferries operated at full schedule over the weekend after workers had accepted a \$200,000 pay raise offer from the State Civil Service Commission.

Last weekend, a wage dispute had halted operations for 14 hours, but the 280 men operating the boats now are ready to accept the wage hikes for a two-year period.

The Civil Service Commission has announced plans to increase fares for ferry passage to meet the additional expense.

Charges Chiang Attack

HONG KONG (AP)—The captain of the 1,896-ton British cargo ship Inchwell charged last night that Nationalist Chinese Thunderjets riddled his ship's deck and bridge with bullets July 9 while it was in a Chinese Communist port opposite Formosa. There were no casualties. The Inchwells returned to Hong Kong last night.

REPRESENTATION CUT

Pontiac will have to cut its representation from 10 to 7.

Many cities have provisions in their charter making certain officials, such as the city assessor, city manager and city attorney board members by virtue of their office.

In Pontiac, the director of finance, city assessor and city attorney are automatically members by charter provision. The others are appointed by the City Commission.

The commission is expected to discuss a method of reducing the number of appointed members by three tomorrow night at its regular meeting.

PREFERENCE BY ORDER

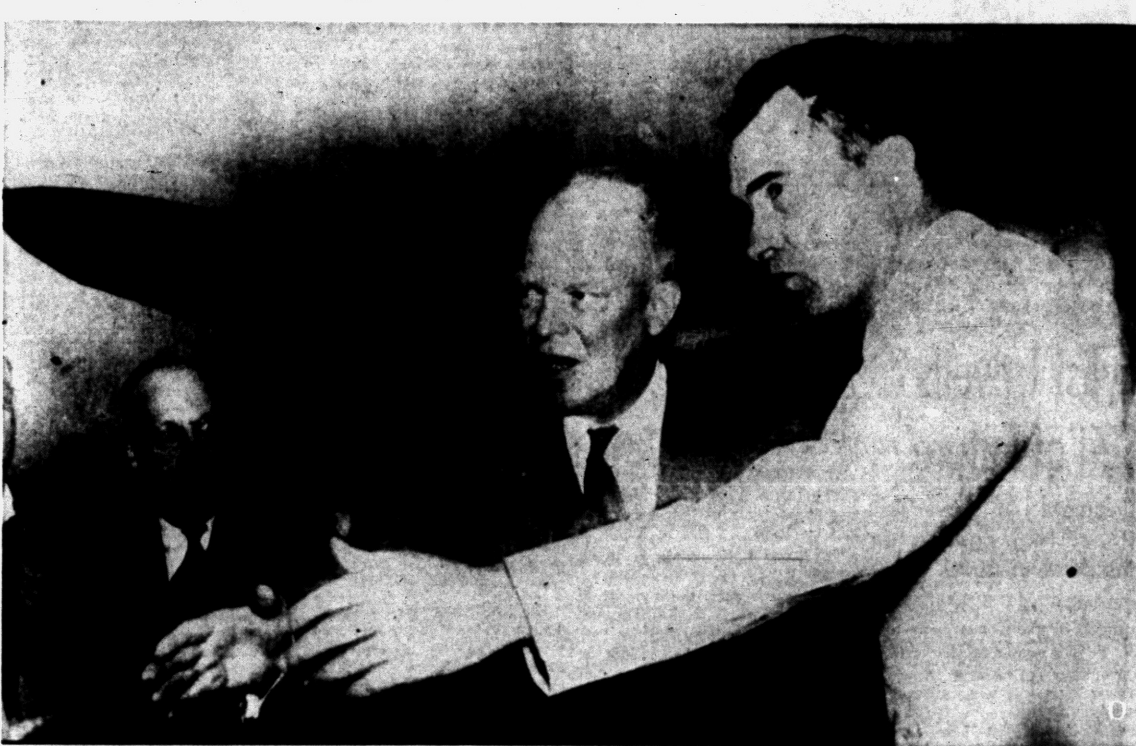

If a city has more officials named as supervisors in its charter than the new formula permits, they will be given preference for continued membership in the order listed in the charter, said Merritt.

For example, if the charter lists the city assessor, city attorney and city manager in that order and the new setup allows only two supervisors, the city manager will lose membership, he explained.

If it is necessary to cut members elected by a public vote, those who received the least votes will be dropped, unless the city decides to amend its charter to provide another method, Merritt added.

The law allows until Sept. 13 to make any charter amendment desired, the counsel stated. In the meantime, a city commission is allowed to appoint supervisors if necessary.

Hello, Ike! We're Glad to Have You Home

IKE GREETED ON RETURN FROM BIG FOUR MEETING — President Eisenhower reaches out to shake hands with a well-wisher as Vice President Richard M. Nixon walks along with the President following his arrival at National Airport yesterday. The President returned with his family from the Big Four summit talks at Geneva, Switzerland, and landed during a rainstorm.

Turncoats Start Last Lap Home

Trio Leaves Honolulu for Return to Country They Once Rejected

HONOLULU (AP)—Three former American prisoners of war, who once turned their backs on the United States, sailed late last night on the last leg of their journey home.

They had 14 hours of complete freedom on this beautiful American territorial island before the liner departed.

The trio told a news conference yesterday that it was a radio speech by President Eisenhower that prompted them to try to get the Chinese Reds to let them come home.

They said the speech, about five months ago, concerned international trade and that they were impressed by its emphasis on peace.

The three, sailing for home on the President Cleveland, are William C. Cowart, 22, Dalton, Ga.; Lewis W. Briggs, 22, Jacksonville, Tex.; and Otto G. Bell, 24, Hillsboro, Miss., and Olympia, Wash.

They had refused repatriation after the Korean armistice and went to Red China instead.

The three, on their first day on U.S. soil in nearly five years, acted pretty much as most tourists. They first went to church and then spent the day sightseeing. They are due in San Francisco Friday.

Griggs, in company with missionaries, visited the Punchbowl National Cemetery of the Pacific, where nearly 15,000 American war dead are buried. He said he went to the grave of Ernie Pyle, famous World War II columnist killed in action.

The three dishonorably discharged Korean veterans seemed relaxed. They told the shipboard press conference on their arrival yesterday they were ready to face the consequences for their decision to remain with the Reds. They said they were not afraid of the future and added: "If a trial is held it definitely will be fair."

Cool Weather Brings to End Long Heat Wave

Area residents learned what it's like to be cool again yesterday when the thermometer failed to reach the 80s for the first time this month.

The mercury started from a low of 60 and hit a peak 78 in mid-afternoon.

Today's high was forecast as a not-too-bad 80-84, dropping off to 62-66 tonight. The prediction was for fair today, partly cloudy with a chance of scattered showers tomorrow.

Thirsty crops and lawns were relieved by 29 inches of rain Friday and .05 inches Saturday.

Crops were termed in "remarkably" good shape considering the 90-degree heat which scorched Pontiac for 14 of July's first 22 days.

Next month will be critical, however, said Assistant Oakland County Agricultural Agent John K. Bray. "There is a low state of moisture in the ground now and if we don't get at least normal rainfall in August farmers will encounter trouble."

The downtown Pontiac temperature this morning at 8 a.m. was 66. The mercury had climbed to 82 by 1 p.m.

Cordell Hull's Body Lies in State Today

WASHINGTON (INS)—The body of former Secretary of State Cordell Hull lies in state today in Washington Cathedral's Bethlehem Chapel.

The flag-draped coffin will remain there until Tuesday morning when funeral service will be conducted at 11 a.m. (EDT) by The Very Rev. Francis B. Sayre Jr., dean of the cathedral.

Hull will be buried in the cathedral cemetery beside the body of his wife, who died in March, 1954. There will be no list of honorary or active pallbearers.

Hundreds of persons visited the chapel yesterday to pay their last respects to the venerable Tennesseean who died at 9 a.m. Saturday at the Bethesda Naval Hospital in nearby Maryland. He was 83.

West German Officers Take NATO Staff Posts

PARIS (AP)—The first group of West German officers will take up their duties at NATO's European headquarters Wednesday.

Gen. Alfred M. Gruenther, NATO's European commander, announced today the six will form a special staff group reporting directly to his chief of staff.

Vice President Nixon and 24 members of the Senate and House met with Eisenhower and Dulles for nearly 90 minutes in the White House Cabinet room.

Gen. Alfred M. Gruenther, NATO's European commander, announced today the six will form a special staff group reporting directly to his chief of staff.

Ernest Blendin gave the boy \$25 reward money, and offered him a new bike to ease his disappointment.

Blendin said if he had taken the road he usually travels into Walled Lake, he never would have seen David and the dog.

Fate was kind to the Blendins—but not to young David Markley. His new friend has gone.

David said "Rusty" came scratching on his door about two weeks ago and he couldn't be convinced the dog was not his.

He rode with them back to the kennels where the Blendins showed David the dog's license, along with photographs of the animal.

Heartbroken—David now was resigned to the fact that the dog was theirs.

Nation to Hear Ike Report on Geneva Talks Tonight

WASHINGTON (AP)—President Eisenhower and Secretary of State Dulles reported today to congressional leaders on the Big Four conference. The leaders said they were advised that "no secret agreements" of any kind were made at Geneva.

Tonight at 9:30 p.m. EST, Eisenhower will address the nation by radio and television on the summit meeting.

Congressional leaders of both parties were invited to the White House this morning to get a briefing from the President and secretary of state on the Geneva sessions.

Afterward, they spoke of the meeting in such terms as "very satisfactory," "helpful" and "hopeful."

Both House Speaker Rayburn (D-Tex) and Republican Senate Leader Knowland (Calif) said Eisenhower said he gave "no secret agreements" of any kind at Geneva.

"I think they made a helpful report," Rayburn told reporters. "It was a very satisfactory briefing."

Knowland said: "It was the most constructive bipartisan session, I believe, that we have had. The President and the secretary of state made a full report."

"The situation growing out of the conference is hopeful but the problems ahead are not discounted."

Vice President Nixon and 24 members of the Senate and House met with Eisenhower and Dulles for nearly 90 minutes in the White House Cabinet room.

Envoys to Air Repatriation of Civilians

Delegations to Meet Aug. 1 at Geneva to Discuss Issues

WASHINGTON (AP)—The United States and Red China will send ambassadors to Geneva next Monday to discuss "repatriation of civilians" who want to return to their own countries and "certain other practical matters now at issue."

The State Department said U. Alexis Johnson, ambassador to Czechoslovakia, would represent the United States.

Johnson is to fly to Washington for quick consultations with Secretary of State Dulles before the talks begin.

Press officer Henry Suydam of the State Department reported India and Burma had arranged for the meeting in backstage discussions with Red China and the United States.

The "major purpose" of the Geneva meeting from the American view, Suydam said, will be to obtain the release of some 51 Americans held in Red China, including 15 American fliers.

An announcement of the talks, agreed upon with Red China via diplomatic channels, said:

"As a result of communication between the United States and the Peoples' Republic of China through the diplomatic channels of the United Kingdom, it has been agreed that the talks held in the last year between consular representatives of both sides at Geneva should be conducted on ambassadorial level in order to aid in settling the matter of repatriation of civilians who desire to return to their respective countries and to facilitate further discussions and settlement of certain other practical matters now at issue between both sides."

"The first meeting of ambassadorial representatives of both sides will take place on Aug. 1, 1955, at Geneva."

The department in a separate announcement emphasized that keying the talks to the ambassadorial level does not in any way "involve diplomatic recognition" of Red China.

Peiping radio also reported the meeting would take place.

The United States and Red China have met some 15 times at Geneva on the consular level since June 1954.

Franklin Gowen, U. S. consul general in Geneva, has represented the United States in these talks. (Continued on Page 2, Col. 5)

House Considers Bill for Reserve

Compromise Proposal Would Modify Military Service Obligation

WASHINGTON (AP)—A military reserves program hailed by Rep. Vinson (D-Ga) as heralding "a new era in the defense of the nation" comes up today for almost certain House approval — its next-to-last legislative step.

Thus starts what was to have been the last week of the 1955 session of Congress.

Most congressional leaders had abandoned their July 30 adjournment target, although Sen. Clements of Kentucky, the acting Democratic leader, was sticking to it.

The reserves bill, a knotty issue in the House two months ago, seemed unlikely to cause much trouble.

A compromise between varying House and Senate versions, it requires also a final okay from the Senate to send it on to the White House.

It would give to President Eisenhower, who repeatedly described his reserves program as vital, considerably less than he asked.

The chief new feature is a plan to give special training for up to six months to as many as 250,000 youths annually who agree to serve 7½ years thereafter in the active reserve. Youths under 18½ could volunteer and in exchange they would be exempt from the draft, which now requires two years of active duty.

Finding Lost Dog Brings Joy, Grief

Joy and grief, like love and hate, are oftentimes the obverse of a coin.

And so it was this week—joy for Betty Blendin—grief for 11-year-old David Markley.

And the cause of it all—"Rusty"—a three-year-old female German shepherd dog.

Here's what happened, according to Mrs. Martin Davis, secretary of the Michigan Animal Rescue League.

A dog owned by Betty Blendin, 16, daughter of Mr. and Mrs. Ernest Blendin, 2330 S. Commerce Rd., Walled Lake, was taken to the kennels near their home recently while the Blendins went on vacation.

"Rusty" fled his strange con-

finer. When the family returned home and learned of their loss, they notified the Animal Rescue League and inserted a daily advertisement in the "Lost" column of the Pontiac Press.

Meanwhile, Mrs. A. Grosop, of Walled Lake, called the League to place another German shepherd—a female like "Rusty"—in someone's home.

Mrs. Davis then called the

Five Drowned

Grand Rapids Dentist
Object of Lake Hunt;
Boat Found Circling

By THE ASSOCIATED PRESS
Traffic accidents took 19 lives in Michigan during the weekend. Five drownings were reported and a Grand Rapids dentist was believed to have drowned in Lake Michigan.

A Saginaw couple, Frank Mikula, 63, and his wife, Anna, 61, died Sunday in a grade crossing accident. Their stalled station wagon was struck by a train at a crossing in Saginaw.

A Greenville couple, L. D. Harris, 43, and his wife, Wilma, 40, were killed Sunday in a two-car collision on M66, ten miles south of Kalkaska.

George Huizenga, 45, of Rothbury, Oceana County, was killed Sunday when he was struck by a car on M37 near Grand Rapids.

Mrs. Sheryl Lyons, 32, of Battle Creek, burned to death Sunday when the family car overturned and caught fire after colliding with another car 15 miles northwest of Charlotte.

RENEW SEARCH
Coast Guardsmen renewed their search today for D. Harold F. Giocheski, 42, of Grand Rapids, who was believed to have drowned in Lake Michigan near Grand Haven. His 18-foot inboard motorboat was found Sunday circling a mile offshore without a driver.

Killed in other highway mishaps were:
Elmer R. Windiate, 24, of Inkster, Sunday near Brighton.

Joan Howe, 17, of Eaton Rapids, Saturday near Jackson.

Mark Holst, 17 months, of Illinois, Saturday near Cedar Springs.

Charles W. Condon, 72, of Saginaw, Saturday in Roscommon County.

Joseph Watson, 21, of Detroit, Saturday in Ypsilanti.

Herbert Briggs, 47, of Detroit, Saturday near Jackson.

George Louis Reame, 27, of River Rouge, Friday night in Oakland County.

Mrs. Eula H. Wheatcroft, 30, of Detroit, Friday night in Oakland County.

Henry Blake, 87, of Charlevoix, Friday night near Reed City.

Mrs. Virginia Pinney, 35, of Berkeley, and her 2-year-old daughter, Martha, Saturday in Wayne County.

Charles Watson, 75, of Chicago, Sunday night in Detroit.

Thomas Aiken, 26, of Middleville, Saturday when struck by a car near Hastings.

Drowned were:
Robert Bloomfield, 14, of Waltz, Sunday in Wampers Lake, in Leawee County.

Minnie Marris, 35, of Saugatuck, Saturday in Hults Lake in Allegan County.

George Russell Fisher, 10, of Roseville, Saturday in Lake St. Clair off St. Clair Shores.

John W. Cuss, 35, of Detroit, Saturday in Lake Huron.

Levi Kitchen, 38, of Peninsula Township, was presumed drowned after his overturned boat was found floating in Grand Traverse Bay Saturday.

**Communist Leaders
Stop Off at Berlin**

BERLIN, (U)—Soviet Premier Bulganin and Communist party boss Nikita S. Khrushchev, Russia's two top leaders at the Big Four summit conference in Geneva, are spending several days in East Berlin on their way home.

The other two top-level Russians at the Geneva talks, Foreign Minister V.M. Molotov and Marshal Georgi Zhukov, the defense minister, flew on to Moscow last night.

Premier Otto Grotewohl of Communist-governed East Germany thanked Bulganin and Khrushchev for accepting an invitation "to spend several days." Bulganin, summing up the Geneva talks, said on his arrival yesterday the conference had succeeded in relaxing world tension.

The Weather

PONTIAC AND VICINITY—Mostly fair and a little warmer today and tonight. High today 80-84. Low tonight 65-69. Tomorrow partly cloudy and a little warmer with chance of scattered showers. High 80-84. Low 65-69. Windy becoming east to southeast 5-10 mph today and light variable tonight. Tomorrow night partly cloudy with little change in temperature.

BETTER THAN WALKING—It will be horsepower instead of footpower for these London "Bobbies" training on new lightweight motorcycles in familiar tall helmets.

Stylist Unveils 'Suit of Future'

Garment in Lavender
Called High Fashion for
the Man of 2055

CHICAGO (UP)—A Designer of men's clothing has come up with a "suit of the future," which may or may not be what the well-dressed man will wear 100 years from now.

Designer Carmen Duro chose lavender as the color. The suit is a "fitted" garment by comparison with today's standards. The hip-length jacket has narrow lapels, fastening high on the chest.

It has two breast pockets and the customary two side pockets. All are patch pockets, with pointed flaps.

The back is belted with three pleats from shoulder to waist. Black buttons run diagonally from elbow to cuff.

The trousers have box pleats inserted from knee to ankle. A black, turtle-neck sweater and black knitted hat complete the ensemble.

If all this seems nightmarish, consider the fact that Duro is trying to popularize the derby hat and the opera cape, not 100 years from now but today.

"Men's clothing is returning to the elegance and detail of the turn-of-the-century designs," he said.

The opera cape is of black cashmere with an iridescent red lining.

Duro said the garment combines the best features of both cape and coat. It has a cape collar, wide, gusset sleeves and a one-piece back, cut very full. The lapels, facings and cuffs are covered with mule black satin.

The host suit for home entertaining is another Duro creation. The jacket is made of silk brocade in a tan shade with a diamond-like pattern in darker brown woven throughout the fabric.

Duro said colors in sports clothes will be brighter than ever. He is featuring a sport jacket with gold and black stripes, no less, to be worn with cuffless silk trousers or with trousers of "a gold-metallic cloth."

**Canadian Yawl Wins
Mackinac Boat Race**

MACKINAC ISLAND (U)—The Canadian yawl Ivanhoe conquered a combination of damaging winds and dead calm to finish first in the 31st annual Port Huron-to-Mackinac yacht race today.

Bad winds, the worst in years, knocked out a third of the fleet of 68 early in the weekend haul up Lake Huron. The Coast Guard Cutter Mackinaw, herself a storm casualty, was busy helping crippled boats.

The 35-foot Ivanhoe, Class A entry owned by Ray Engholm of the Toronto Royal Canadian Yacht club, crossed the finish line at 6:08 a.m.

**Woman, 65, Has Date
at Old Soldiers' Home**

GREENVILLE, S. C. (U)—The Travelers Aid gave help to a 65-year-old woman who said she had never been out of South Carolina and had never ridden on a bus.

"Whom are you going to visit?" the society official asked.

"Oh, do you have to know that?" the woman asked.

"It's just a preliminary in case anything should happen on your trip," the case worker replied.

"Well, in that case, I'm going to the Old Soldiers' Home in Alabama to visit my boy friend."

Prefers Horsepower

BELFLOWER, Ill. (U)—Clifford Bradbury has for the past 40 years handled 50 acres of corn, 25 of beans and 20 of oats with a team of horses instead of a tractor.

Townsmen have joined him in his preference. They often call on him and his horse power for plowing vegetable gardens.

Says Financing Key to Roads

Highways Bill Author
States Measure Useless
Without Funding

WASHINGTON (INS)—The author of a multi-billion dollar road building bill said today congressional failure to approve higher taxes on highway use will kill the entire legislation.

Rep. George Fallon (D-Md), sponsor of the measure, said in an interview, "There's no sense in even passing the construction part of the bill unless the taxes are included to pay for it. We might as well start all over again next year and work something else out."

The Maryland congressman's bill would authorize a \$4½ billion dollar federal-state road construction program in the next 12 years. It would also raise present tax levies on gasoline, diesel fuel, trucks, busses, heavy tires and inner tubes and impose a new tax on re-treading material.

The tax increases would remain in effect almost 16 years to net the government an estimated 12½ billion dollars over that period.

Fallon emphasized that administration spokesmen have declared several times in testimony before the Public Works Committee that President Eisenhower will veto any highway bill which does not provide the money to do the job.

Strong support for highway legislation, including financing, came from 22 state governors and the American Automobile Assn. yesterday.

The 22 governors gave statements to the "Highways for Survival Committee" in an effort to obtain action before Congress adjourns. The privately sponsored committee said the governors differed over how new roads should be financed but were unanimous on one point: "They want highway legislation."

**X-Ray Fright Alayed
After Shirt Examination**

TAMPA, Fla. (U)—Tony Pizzo, unofficial goodwill ambassador for Ybor City, Tampa's Latin Quarter, wasn't his usual gay self at a banquet for visiting Cubans. He explained he had just received the result from the mass X-rays conducted by the tuberculosis association. He was advised to have a thorough medical examination.

The next day Tony was all smiles when he showed up to bid the visiting delegation goodbye.

When X-rayed, he wore a shirt with an elaborate design in metallic threads. The metal showed up on the plate as a large dark mass in the chest area, but his lungs were perfect.

**Despite Tornado Crisis
British Must Have Tea**

SCOTTSBLUFF, Neb. (U)—When a tornado struck Scottsbluff, Miss Phyllis Rutland of Harrow, England, was all alone in the home of T. L. Green where she was a guest.

She admitted she had no idea what Americans did under such circumstances so she reacted in British fashion and brewed a cup of tea.

Boon to Car Owners

DETROIT (U)—A new lacquer type automobile body finish that will require no polishing is being tested by engineers. The tests so far indicate that an average wash occasionally will preserve the original luster.

TIES ON TOP—Latest rage in Paris is the use of men's cravats as hair ribbons. Beauty expert Fernand Aubry thought of the idea and men may soon be tieless.

Red China, U.S. Set Talks on Captives

(Continued From Page One)
Communist China's representative was Shen Ping.

Suydam declined to say whether the ambassadors could talk about such problems as a cease-fire in the Formosa area. He cautioned reporters:

"I would not get very far out on any limb to suggest that these conversations will get on the question of Formosa and on matters affecting the Republic of China."

"The United States has said on numerous occasions it didn't intend to enter substantive discussions of a broad character behind the back of the Republic of China."

Suydam's answer did not rule out altogether cease-fire conversations at Geneva. Dulles has said the United States is willing to speak directly with Red China on this matter, without Nationalist China necessarily being represented.

Some 20 American civilians have been turned loose by Red China along with four fliers since the Geneva talks began more than a year ago.

The 51 Americans still held by the Chinese Reds include 40 civilians and 11 fliers. Of the civilians, 25 are reported in jail, 3 are under house arrest and 12 are refused exit visas.

The highest wind record, a gust of 231 miles an hour, was recorded in April, 1934 on New Hampshire's Mt. Washington.

Gung-Ho Spirit
JACKSONVILLE, Fla. (U)—Richard E. Laughner, 21, paid \$1,500 to get into the Marines. He was rejected four months ago because of a nasal defect but plastic surgery which cost him \$1,500 did the trick.

There are about 6,800 banks in the U.S. Federal Reserve system.

Russian Group Resuming Tour

Set More Farm Visits
Today After Hosting
Party Last Night

AMES, Ia. (INS)—The Russian farm delegation, which went to church and staged a dinner party Sunday, will resume its whirlwind tour of Iowa farms today.

The 12-man delegation last week traveled more than 500 miles in studying farming methods in Iowa. They will spend four more days in the state before going to Omaha, Neb., Friday night.

Last night, at the Sheldon-Munn Hotel at Ames, the Russians arranged a "vodka and caviar" dinner for newsmen and officials of the entourage. About 150 attended.

The caviar had been brought to Ames by a Russian embassy secretary from Washington who appeared unexpectedly Saturday.

However, the Russian-made vodka failed to arrive and the Soviet agricultural officials were forced to rely on domestic American vodka.

At the party, V. V. Matskevich, head of the delegation, expressed his gratitude for the assistance given the Russians in the warm welcome received in Iowa.

The Soviet first deputy minister of agriculture said he had been particularly impressed by the "high productivity" of the farms, the excellence of the corn crop, and the "active part scientific institutions play in carrying research and information to the farmers."

Earlier, six of the 12 Soviet delegates sat solemnly through a sermon on "International Brotherhood of Man" at the First Presbyterian Church in Jefferson, Mo.

**Ike Sends Thank-Yous
to Geneva Planners**

GENEVA (INS)—Swiss, United Nations and American officials who handled arrangements for the Big Four Geneva conference disclosed today they had received personal notes of thanks from President Eisenhower.

The warmth of the President's personality was credited with contributing much to the tension-relaxing agreement reached Saturday by the Big Four heads of government.

The Day in Birmingham Pollution Complaint Data on Commission Agenda

BIRMINGHAM—Nineteen pages of the agenda for tonight's City Commission meeting deal with the bill of complaint filed against Birmingham on July 15 by the Michigan Water Resources Commission.

The suit is the outcome of the failure of Birmingham and other Southeastern Oakland County communities to end pollution of the Upper Rouge River.

A revised cost estimate for the proposed Parking Lot No. 2, located in the northern portion of the block south of Shain Park, will be presented by City Engineer L. R. Gare.

Purchase of city-owned property on the north side of 14 Mile road at the city's western border will be put to the lawmakers, in the form of a request from the newly organized Birmingham Athletic Club. It is proposed to erect a \$125,000 clubhouse on the site.

Sidewalk construction on Woodward avenue from Lincoln to 14 Mile road will be recommended to the commission. A policy decision is expected to be made on whether the city should replace the grassed area between the sidewalk and newly constructed paving on Pierce street between Lincoln and Brown. Costs would not exceed the amount originally collected in assessments.

A hearing will be held to consider objections to a sewer extension on East Maple between Woodward and Brown. Another will be held for reviewing assessments for the Golfview Heights mat and seal road oiling program.

"The Fabulous Midget — the Transistor," is the title of a talk to be given by John Filkins, following tomorrow's 6:30 p.m. dinner meeting of the Kiwanis Club to be held at the Community House.

Filkins, service engineer for the Michigan Bell Telephone Co., will also demonstrate the recent Bell Laboratories development.

Youngsters attending tomorrow's 10:30 a.m. story hour at Baldwin Public Library will hear Kathleen Pickett, children's librarian, read, "The Fisherman and His Wife"

**Vandalism Total \$250
at Springdale Park**

BIRMINGHAM — Vandalism at Springdale Park totaling \$250 was reported to police yesterday by Robert Fauteck, park superintendent.

Fauteck said flag poles on the golf course had been broken in half Saturday night, and holes, some of which were six inches deep, were dug in the greens.

He estimated that 100 holes had been dug in one green alone.

Cagey Cats

SAN DIEGO, Calif. (U)—In hope of ending sleepless nights caused by a yowling cat, Wallace J. Wearling borrowed a box cat trap from the city pound. Next morning the cat trap was gone.

**Sunburn Pain Disappears
Smooth Tan Emerges
Without Peeling or Blistering**

Science Discovers New Ointment That Instantly Stops Pain of Sunburn... Turns Redness Into Comfortable Tan

New York, N. Y. (Special): A leading research institution has discovered a new medical substance that instantly stops pain of sunburn... and prevents blistering or peeling, so angry redness may turn to handsome, comfortable tan.

Doctors know that sunburn affects skin just as any ordinary burn does. They also know the body needs oxygen for healing burns. The secret of this new substance is its astonishing ability to draw healing oxygen and nutrients directly from the bloodstream into the sunburned area. Thus, the sunburned skin heals completely and, except in unusual cases, smooth tan emerges.

This substance is known as **Sperit® Ointment**. Sperit Ointment does not sting or stain. It is now sold at all drugstores for 98¢ a large tube. Buy Sperit Ointment with the amazing guarantee that your sunburn will turn to a handsome tan, or your money is refunded.

Bob Considine Says:

Russian Editor Is Big Problem to Soviets

GENEVA (INS)—There was one Russian newspaperman who didn't come over her to cheer for Comrades Bulganin, Khrushchev, etc. He is Mark Weinbaum, editor in chief of Novoye Russkoye Slovo, Russian language daily printed in New York. Weinbaum, a cheerful man but a doughty anti-Communist, hasn't seen eye to eye with the brethren since 1913 when he came to America before they reached power.

Weinbaum remains a key figure in one of the worst propaganda blows the Communists ever suffered.

One summer morning a few years ago Mark showed up as usual for work at 9 a.m. at his editorial office on West 56th street. He asked if anything was new and it turned out that the only thing an assistant had to report was that the previous night he had been called by a woman who was plainly agitated.

"I told her you'd be in at nine this morning and she said she'd be here," he reported, and left.

A few minutes later a plain middle-aged woman walked swiftly through Weinbaum's open door and said in a terrified manner, "I must speak to you. May I close the door?"

A gentlemanly soul, Mark shut the door for her and bowed her into a chair. She was trembling. "I am a Soviet woman," she said.

"A displaced person?" he asked sympathetically.

FAMED KASENKINA

"No," she answered. "I am a teacher in the Soviet consulate here. Please help me. My name is Oksana Kasenkina."

She had been stealthily reading Novoye Russkoye Slovo since her arrival in the country, after the death of her husband and son. It had played a role in her brave decision.

Weinbaum arranged for her to find haven at the Tolstoy farm at Valley Cottage, N. Y., and there in what she felt was the fresh climate of freedom, Madam Kasenkina made an understandable mistake. Her heart was so filled with a hatred of the life

she had passed through in the Communist world that she wrote to the Soviet Consul General telling him of her feelings and reasons why she had fled. He quickly sent a good squad to the Tolstoy camp and kidnapped her.

Back in the hands of the Reds, the frightened woman was forced to give what amounts to a news conference. She dazedly told New York reporters that it was the Tolstoy group which actually had done the kidnapping and that she was happy to be back with her true friends.

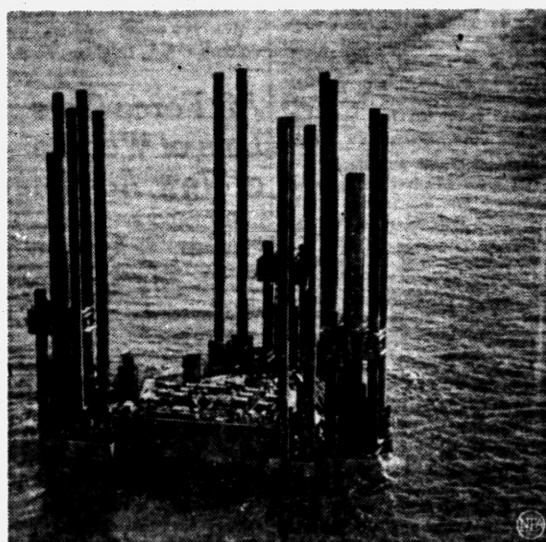

The next day she jumped from her window, a move as symbolic as it was daring. Battered and bruised, she found herself in the custody of New York police, who

wouldn't permit the Reds to drag her back in the consulate, and through that curious avenue she found freedom at last.

IN HIDING

Today she lives quietly, writing her second book. And Weinbaum is one of the few who knows just where, so certain is she that the secret police would still like to dispose of her for the heavy blow she struck at their way of life.

The Swiss, a proper race, were intensely eager to see that no harm befell their distinguished guests at the summit meeting. Every reporter and camera-wielder admitted within yards of the door used by the world leaders was given the most thorough frisk-

FIRST OF ITS KIND—Nearing its permanent location off the New England coast is the first of a series of offshore radar stations which will form a part of the U. S. continental defense system. The 6000-ton Texas-tower-type structure was anchored on George's Bank, some 100 miles out in the Atlantic. The man-made "island" is being pulled by a tug.

Of the 52 species of fur-bearing animals in the Great Smoky mountains, those most frequently found are black bear, white-tailed deer, red and grey foxes, raccoon and bobcats.

Apartment Issue Faces Residents' Petitioned Protest

SUE ELLEN BEASLEY

Parents Announcing Daughter's Engagement

DRAYTON PLAINS — Mr. and Mrs. Willie Beasley of Drayton Plains have announced the engagement of their daughter, Sue Ellen to John J. Hess. He is the son of Mr. and Mrs. Gerald Hess of Clarkston.

The wedding will take place next year.

Area Tree-Trimmer Injured in Mishap

ROCHESTER — Clarence Gardner of 2875 26 Mile Road was taken to St. Joseph Mercy Hospital at noon Sunday after falling from a tree and receiving compound fractures of the right ankle.

Gardner, a professional tree-trimmer was digging a well at his home when he tried to retrieve a rigging rope from a tree which he had looped over top branches.

Gardner reached the rope and had started down when he fell from 15 to 20 feet.

Band Sates Rehearsal

MARLETTE — Plans for the summer program will be discussed at the first summer rehearsal of the Marlette Community School Band this evening at 8:30. Alumnae are asked to attend.

TO BUY A GOOD CAR read the Want Ads! That's where bargains are!

Elvira Sickler Is Wed

CLIFFORD — Elvira Sickler and John McCready exchanged marriage vows in a ceremony performed recently in the home of the bride's mother.

Elvira is the daughter of Mrs. Mary Sickler of Silverwood, and he is the son of Mr. and Mrs. Ernest McCready of Clifford.

The bride wore a rose mauve

silk shantung suit with a corsage of white roses and lily of the valley.

Mrs. Verlin Morgan served as matron of honor and John Sharp was best man.

A reception followed the ceremony in the Clifford Methodist Church.

The newlyweds will reside in Silverwood.

Deaths in Nearby Communities

John Betts

OXFORD — Service for John Betts, 64, will be held at 2 p.m. Tuesday at the Mabley Funeral Home, with burial in Oxford Cemetery. He died Friday.

Surviving are four sisters, Mrs. Vera Hemstreet of Eaton Rapids, Eleanor Wright of Eaton Rapids, Mrs. Gerturde Howard of Millington, and Mrs. Grace Klingsmith, of Oxford, and a brother, James, of Eaton Rapids.

Mrs. Malcolm Lawrence

OXFORD — Service for Mrs. Malcolm (E. Grace) Lawrence, 75, of 16 Pontiac St., will be held at 2 p.m. Wednesday at the Flumerfelt Funeral Home, with burial in Rochester. She died Sunday.

Surviving besides her husband is a daughter, Mrs. Charles Cole, of Toledo, Ohio.

Pamela Ann Marshall

MILFORD — Graveside service for Pamela Ann Marshall, day-old daughter of Mr. and Mrs. Charles H. Marshall, of 2889 Central Blvd., was held today at 3 p.m. at the Milford Memorial Cemetery. Arrangements were by the Richardson-Bird Funeral Home.

Pamela, who died Saturday at the Detroit Osteopathic Hospital, is survived by her parents; her grandparents, Mr. and Mrs. Philip Wardlaw of Milford and Mr. and Mrs. John Marshall, also of Milford, and a great-grandmother, Mrs. Bert Wardlaw, of Milford, and a great-grandfather, John W. Marshall of Ontario, Canada.

Mrs. Myrtle Neeley

IMLAY CITY — Service for Mrs. Myrtle Neeley, 70, were held Sunday afternoon from the Lester Smith and Son Funeral Home, Imlay City, with burial in Forest

Lawn Cemetery, Saginaw. She died Friday.

Surviving are two sisters, Mrs. Edith Thourby, St. Clair, and Mrs. Ethel Carr, Bay City; a brother, Harold Arthur, Rochester, and a cousin, Mrs. Irene Smith of Imlay City.

Robert A. Shoup

LAKE ORION — Graveside service for Robert Arthur Shoup, infant son of Mr. and Mrs. Harry Shoup, of 111 Grandview, was at 1 p.m. today at the Evergreen Cemetery. He died Friday.

Surviving are his parents.

OPERA NEXT? — Ann Blyth's vocal coach has her training for grand opera. Her successful career in pictures has convinced him that, if she works hard enough, there are great things, musically, in her future.

Councilmen OK Dwelling Plans

Hazel Park Owners' Signatures to Reach Council Tonight

HAZEL PARK — The Hazel Park controversial issue over multiple dwellings will face a showdown when the City Council meets tonight.

One hundred protesting residents heard councilmen at last Friday's special meeting approve the buildings by a three-to-two vote.

Secretary of the Hazel Park City Planning Commission, Mrs. Elizabeth R. Grant, and members of the Hazel Park Home-owners Assn. have been circulating petitions during the week-end to have the law repealed, feeling the apartments would attract desirable tenants.

The issue involves land recently zoned for apartment use on Woodward Heights near the race track.

Mrs. Grant said this morning she expects to have more than the 295 names of registered voters required and would present the petitions to the council tonight.

The City Council then will be forced to repeal the law or put it to a city-wide vote said Mrs. Grant.

Mayor Sigmund J. Nipark, when contacted, said he would not change his vote, "that the 300 units involved would bring more money in taxes and the building itself act as a buffer, separating the race track from the residential district."

Elect Officers During D'Arcy Family Reunion

ALMONT — The D'Arcy family reunion was held recently at the home of Mr. and Mrs. Ben C. D'Arcy.

William D'Arcy was elected president, Frank D'Arcy, vice president, and Mrs. Lee D'Arcy, secretary-treasurer.

County Births

Imlay City — A daughter, Michele Marie, was born to Mr. and Mrs. Bernard Malburg, Mr. and Mrs. Martin Frega are the parents of a son, Terry Duane.

SWELL HEAD — With heads together are 5-year-old Charles Enoch and a 134-pound cabbage. The giant head was grown by Charles' Columbia, Mo., neighbor, N. B. Proffer, a high school teacher.

Air Force Gets Lots of Weather at New Academy

COLORADO SPRINGS, Colo. — Air Force weathermen are having a part in deciding the locations of buildings for the Air Force Academy on the 17,000 acre site north of here.

Experts at Ent Air Force Base in Colorado Springs advised architects on building locations to reduce heating costs in winter and insure the coolest temperatures possible in summer.

"The site is so large there are considerable climatic differences within the tract," explains Capt. Richard C. Burris, climatic consultant in the Continental Air Defense Command's Third Weather Group.

Burris said a 10 degree slope that faces southeast will have a

month longer growing season than the same slope facing north.

"Sometimes during the year you will find as much as 15 degrees difference in temperature between one part of the Academy site and another," he added. "You can even encounter this phenomenon by walking 100 yards or less. On a clear night with no wind you may find that much temperature variation in a dip in the ground."

The academy site is along the foothills of the Rocky Mountains, with rolling terrain that accounts largely for the varying climatic conditions.

Injured in Collision

ALMONT — Dr. H. P. Swaze suffered minor injuries when his car collided with a train last Friday in Lapeer.

RESOLVE TO RELY on Classified ads to solve your every day problems. Phone FE 2-8181 for friendly, helpful ad-takers.

Ceremony Unites Doris Hildebrandt and C. V. Rains

TROY TOWNSHIP — Doris Ann Hildebrandt was married to Charles Virgil Rains in an evening ceremony performed recently in the Big Beaver Methodist Church. She is the daughter of Mr. and Mrs. Fred Hildebrandt of Troy Township and he is the son of Mr. and Mrs. Virgil Rains of Birmingham.

For her wedding, the bride chose a bouffant gown of lace and tulle fashioned with a scalloped neckline and fitted basque bodice. A headpiece of sequins and pearls secured her fingertip length veil of net. She carried a white Bible mounted with white orchids.

Mrs. Alvin Ballard was matron of honor and bridesmaids were Janet Robertson, Mrs. Phyllis Stewart and Mrs. Louise Kintner. Joel Garrett served as best man.

and ushers were Tom Stewart, Bill McQuarter, and Richard Hildebrandt.

A reception for 400 guests was held at the Royal Oak Veteran's Memorial Hall, following the ceremony.

After a wedding trip to Florida the newlyweds will make their home in Troy Township.

Two Homes Being Built

ALMONT — Two new homes are being built in the area. Mr. and Mrs. Robert Bowman and Mr. and Mrs. Robert Strout both have residences under construction.

Sexual Development Rate Differs

By MURIEL LAWRENCE

Dear "Worried":
I have your letter telling me of your great fear that you have not made the proper sexual development for a girl of 15.

And I am glad you've asked me for direction. Certainly, a motherless person living with a "heavy drinking" father and a grandparent who seems "narrow-minded" to her can't ask it of them.

Here's what to do: Sit down tonight and write a letter to the National Association for Mental Health, 1730 Broadway, New York. First, ask for the address of the mental hygiene clinic nearest your town. Second, ask for the name of its directing psychiatrist. When you get this information, write and tell him what you have told me. He will find a way to get you the competent reassurance for your fear.

In the meantime, let's see if we can't quiet it a little.

Sexual development, my dear, is not like school promotions. Nature doesn't promote us from childish sexual feelings into adolescent ones as a teacher passes us from grammar school to high school. She gives us no diploma to mark our graduation into full sexual maturity. In nature, all sexual changes interfuse each other.

There's nothing unusual about this. Though people like everything clear and definite, Nature doesn't. She mingles day and night in what we call "dusk." She makes changing tides inter-

flow each other. She makes winter chill penetrate a day that belongs to April on human calendars—and deals with sexual seasons in exactly the same way.

She projects childish sexual feel-

ings into adolescence and makes adolescence linger on in adults until she's ready to complete the change.

If adolescent people understood this, they would be more patient with their uncertain bodies.

As it is, boys feel terribly humiliated when their voices begin a sentence with a child's voice—and end it with the booming baritone of a man. If fat hasn't appeared where a girl thinks it should, she tortures herself with suspicion that her body has betrayed her. Yet, as this uncertainty of the body is the right thing, impatience with it is most unreasonable.

Nearly always, this anxiety about the body's development is just an excuse for anxiety about other problems. For example, your father's interest in the divorcee you mention could have aroused a good deal of uncertainty about his feelings for you. It could be very easy to imagine that your body had betrayed you if you hadn't looked at your fear that your father might have betrayed in mind.

That's why I want you to take your fear to some one who understands these things.

MRS. JOHN C. XENOS

Diane Sandra Charboneau became the bride of John C. Xenos Saturday evening in a ceremony at Grace Lutheran Church. She is the daughter of Mr. and Mrs. Robert Strzeszynski of Liberty street, and he is the son of Mr. and Mrs. Samuel Xenos of West New York.

Diane Charboneau Wed Saturday to John C. Xenos

Before an altar banked with white gladioli, Diane Sandra Charboneau exchanged vows with John C. Xenos in Grace Lutheran Church Saturday evening at seven o'clock. The Rev. Otto G. Schultz performed the double ring ceremony in the presence of 150 guests.

Mrs. Maynard Oesterle sang "O Perfect Love" and "The Lord's Prayer."

The bride is the daughter of Mr. and Mrs. Robert Strzeszynski of Liberty street, and the bridegroom's parents are Mr. and Mrs. Samuel Xenos of West New York avenue.

A floor length gown of nylon net and Chantilly lace over satin was worn by the bride. A Juliet cap studded with seed pearls held her fingertip veil. Wearing a single strand of pearls, the gift of the bridegroom, she also carried a cascade arrangement of white roses and feathered carnations.

HONOR MAID WEARS BLUE
Carol Ann Thompson, maid of honor, was gowned in blue crystal and nylon net. The fitted

bodice, torso length, was of crystal and the full waltz length skirt was of nylon net. A cascade bouquet of pink gladioli completed her costume.

Robert Pickett served the bridegroom as best man and the ushers were Howard Guelker, the bridegroom's brother-in-law, and William Rose.

A reception was held at the home of the bride's parents on Liberty street immediately following the ceremony.

French blue lace with white accessories and a corsage of pink roses and feathered carnations was worn by the bride's mother and the bridegroom's mother chose a gown of dusty rose lace with which she wore white accessories, pink carnations and Better Time roses.

Wearing an orchid linen suit with white accessories and the corsage from her bridal bouquet, Mrs. Xenos left with her husband for a wedding trip to Northern Michigan.

When they return, Mr. and Mrs. Xenos will make their home in Kalamazoo. The bridegroom will return to Western Michigan College to complete his studies.

IF fashion conscious—

If you feel uncomfortable in pastels now, try dark cotton suits, dresses or blouse until it's cool enough for wool.

For transition to fall, fine cottons, silk-and-cotton mixtures, and many synthetic-and-natural fiber mixtures, come in a wide scope of browns, black, and greens, attractive, particularly in mixtures and all are comfortable on cool summer days.

It takes 65 to 100 mink skins to make a coat.

Booster Class Fetes Parsons'

Thirty members of the Booster Class of First Methodist Church met for an evening picnic and bon voyage party Sunday evening honoring Mr. and Mrs. Perc Parsons who will be leaving soon to visit in England.

The gathering was held at the Parsons' summer home on Buckhorn Lake. Devotions entitled, "Bible Promises," were presented by Mrs. E. E. Proffitt. The August meeting will be a picnic at the home of Mr. and Mrs. Raymond Blevins.

Hobby Helps Banish Drab Drudgery

By ANNE HEYWOOD

Here is a problem which more and more young mothers seem to be facing:

"I have two children, both in school for a half day."

"We live in a six-room ranch type house which has most of the necessary labor-saving devices. Yet try though I will, I seem never to have any time for myself. I know I ought to be planning some hobby or interest for after the children have grown, and that this is the time to begin it. But how can I, when my housework just takes the whole day?"

"Please give me some suggestions for a household routine which is more efficient, or some idea of how I can get a couple of hours a day for myself. Help is out of the question, because our budget is too small."

It's a difficult problem. And yet, we all know women in the same circumstances who do arrange things so they have time for themselves. What is the answer?

NEEDS INCENTIVE

Well, I think this woman is putting the cart before the horse. It is almost impossible to race through the day when you have not yet found a real interest, a real use for the time you are

going to save. My experience has been that the woman who manages starts off with some glowing interest, some activity she really wants to engage in. With this as an incentive, she is able to do her work in half the time.

To this young woman, and all others facing this problem, I would say:

Try to figure out what you really like to do, what you want to engage in as a hobby or outside activity. If you have trouble determining it, send me six cents in postage and I will send you my housewives' career guide, which will help you decide.

Then, make a small beginning, if only reading up on the subject of your main interest. Little by little, from this small beginning you will find your interest growing by leaps and bounds.

REAL INTEREST

More than that, once you have a real interest, your work will tire you less. That dragging-through-the-day feeling will vanish and you'll have pep and enthusiasm that you never dreamed possible.

Maxine A. Schroeder Wed Sunday

Grace Lutheran Church was the setting Sunday evening for the marriage of Maxine A. Schroeder and Richard O. Garnett IV.

The Rev. Otto G. Schultz performed the eight o'clock ceremony in the presence of 250 guests.

The bride is the daughter of Mr. and Mrs. Max B. Schroeder of Dwight Avenue, and he is the son of Mr. and Mrs. Richard O. Garnett of Hobson Avenue.

MRS. RICHARD GARNETT IV

Honeymooning in Northern Michigan and Canada will be Mr. and Mrs. Richard O. Garnett IV.

The bride is the former Maxine A. Schroeder, daughter of Mr. and Mrs. Max B. Schroeder of Dwight Avenue. He is the son of Mr. and Mrs. Richard O. Garnett of Hobson Avenue.

WEARS BRIDEGROOM'S GIFT

A lace cap secured her finger tip veil, and she wore the bridegroom's gift of a pearl necklace and pearl earrings. The bridal bouquet was composed of white roses, stephanotis and scattered pink feathered carnations.

Mrs. Grant Campbell attended the bride as matron of honor, and Patricia Zielinski and Mary Elizabeth Schroeder, sister of the bride, were bridesmaids.

Mrs. Campbell and Miss Zielinski wore waltz length dresses of white lace. They were fashioned with scoop necklines and short sleeves. Miss Schroeder, a junior bridesmaid, wore a waltz length dress of white dotted Swiss.

A pink sash was tied around the waist of each attendant, and they wore white gauntlets and pink velvet half hats. They carried bouquets of pink Esther Reid daisies.

Robert McCallum served as best man and seating the guests were Richard Ellis and David Schroeder, brother of the bride. David Garnett, brother of the bridegroom, was acolyte.

Henry Elling was organist for the ceremony and Kenneth Ish was soloist.

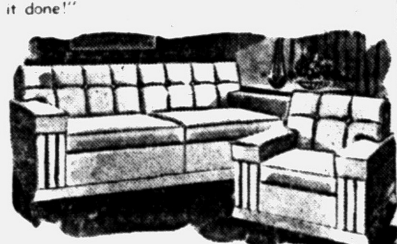

A reception was held following the ceremony in the church parlors. Mrs. Schroeder greeted her guests wearing a gown of navy silk, embroidered with pink flowers. She wore pink and white accessories, and a corsage of pink tea roses and stephanotis.

Mrs. Garnett wore a dress of gray lace over pink taffeta. She wore white accessories and a corsage of white tea roses and pink feathered carnations.

When the couple left for a honeymoon in northern Michigan and Canada, the bride was wearing a light blue and white dress of dotted Swiss with blue velvet trim. She chose white accessories and a white rose corsage.

SO LOVELY... and inexpensive, too!

"I'm the envy of all my friends since having my living room furniture beautifully restyled and reupholstered by William Wright. And my husband calls me 'smart girl' because it cost him so much less than new furniture. My only regret is that I waited so long to have it done!"

Baby Hippo Arrives to Gladden Bronx Zoo

NEW YORK (AP)—The Bronx Zoo has a new arrival—a baby hippopotamus that tips the scales at 40 pounds.

Rose, the mother, had been expected to give birth in May, but nothing happened. Skeptics doubted that she was pregnant. With hippos it's kind of hard to tell.

Burma is about the size of Texas.

THE BERRYS

Seek Four Missing on Delaware Bay

LEWES, Del., (AP)—Four persons on a fishing trip in Delaware Bay were reported missing today. The Coast Guard said it could find no signs of their 14-foot boat.

The missing were identified as Mr. and Mrs. Chance T. Keene and Mr. and Mrs. James Bennett, all residents of suburban Wilmington. Relatives reported the two couples left on the fishing trip from Pickering Beach, north of here, yesterday morning and were expected home in the afternoon. When they failed to appear the Coast Guard was notified.

Heavy rains and near zero visibility occurred in the afternoon over the bay.

Korea Veteran Freed on Charge He Aided Reds

FT. BRAGG, N.C. (AP)—A Ft. Bragg sergeant charged with aiding the enemy while a prisoner of war in Korea was acquitted here Saturday on the two remaining counts against him.

When the general court-martial opened last week, Sgt. John L. Tyler, 25, of Moundsville, W. Va., was charged on nine counts of collaboration.

The major charge of collaboration against Tyler, a POW from June 1951 to August 1953, was dismissed when the trial opened. Two other charges were dismissed because of lack of evidence.

The trial officer, Maj. C. E. Noell, directed a verdict of innocent Saturday for the following charges against Tyler: writing pro-Communist articles, attempting to convert fellow prisoners to communism, circulating peace petitions and informing on fellow prisoners who were planning an escape.

Red China Reactivates Plans for U.N. Berth

TOKYO, (AP)—Red China plans to step up immediately its drive to get into the United Nations, a Kyodo news agency dispatch from Peiping reported today.

Masaki Nagamine, Peiping correspondent for Kyodo, cabled that the Peiping regime "plans to cash in on the trend of international cooperation that developed at the Big Four summit talks at Geneva."

Mt. Etna Volcano Lava Flows Toward Fornazzo

CATANIA, Sicily, (AP)—Two fiery rivers of molten lava still oozed slowly today from Mt. Etna, continuing the volcanic activity that started nearly a month ago.

Experts watching the erupting northeast crater of Europe's highest, 10,000-foot volcano said as yet there was no imminent danger to villages in the path of the burning lava. The closest, Fornazzo, was far below the head of the streams coursing very slowly down the Valley of the Lion.

New Mexico has 2,475 miles of railroad.

2 Army Officers Facing Charges

Pair May Be Tried for Aiding Enemy While Prisoners

FT. LEWIS, Wash., (AP)—Two more Army officers face possible court-martial on charges of giving aid and comfort to the enemy while prisoners of war in Korea.

Lt. Col. Paul V. Liles and Maj. Harold L. Kaschko disclosed Saturday the Army is bringing the charges against them. While the Army made no announcement, Liles and Kaschko confirmed they have been investigated and said their case is now before the commanding general of the 6th Army at the Presidio, San Francisco, for a decision as to whether they will be tried by court-martial.

The Army earlier brought similar charges against a third officer, Lt. Jefferson D. Erwin, 37, Blanchard, Okla., also stationed here. He will be tried Aug. 2.

Kaschko, executive officer for the 15th Field Artillery, declined to discuss his case but Liles told newsmen he expects to be court-martialed as part of Army routine, although a pretrial examiner has recommended no trial.

Liles, a West Point graduate and onetime general staff intelligence officer in the Pentagon, said he was innocent of the charges.

"I did nothing wrong and should not be treated as a criminal," he said.

Liles, a native of Birmingham, Ala., said he was senior officer at a POW camp in Korea and as such pleaded with his captors for food, clothing and medicine to save American soldiers.

Japan Plans Reactor

TOKYO (AP)—Japan is planning to build a multipurpose 10,000-kilowatt experimental atomic reactor at a cost of \$200,000 to \$250,000, the Economic Planning Board said today.

Bear Is Object of Search After Clawing Campers

SPRINGVILLE, Ariz., (AP)—Bloodhounds today were on the trail of a marauding bear which attacked two campers several miles from each other in the White Mountains near here.

J. T. Elliott, of Phoenix, and Warren Magnuson, of Casa Grande were clawed by apparently the same beast yesterday, the Apache County sheriff's office reported.

Elliott said his wife and another couple moved into their car after he felt a bear's paw strike his head, but "I'd be dogged if any bear was going to drive me into a car."

Then, he said, "we went back to sleep and the next thing I knew the bear grabbed my head in his mouth. I guess the only thing that saved me was that my head was covered to keep off the rain." The animal fled when the car's headlights were turned on, he said.

Transit Strike Ends on Coast

Public Transportation Tie-Up Unsnarls After 34-Day Deadlock in LA

LOS ANGELES, (AP)—The clang of trolleys and the roar of buses echoed through this city's streets today for the first time in 34 days as the longest transit strike in local history ended.

Operators voted 1,152-493 at a mass meeting yesterday to terminate Los Angeles' costliest transportation tieup.

The strike, which forced 900,000 daily riders to find other transportation, cost bus and trolley operators an estimated \$710,000 in lost pay, and the Los Angeles Transit Lines \$2,345,000 in lost revenue.

Twice during the tieup members

of Division 1277, AFL Amalgamated Assn. of Street, Electric Railway and Motor Coach Employees of America rejected offers of 12 cents more an hour.

Yesterday they approved a boost of 14 cents an hour in three steps within a year. There is also an escalator clause, effective the second year; paid holidays, four weeks vacation after 25 years, paid life insurance and minor changes in working conditions. The pact is for two years.

Operators, who have been receiving \$1.91 hourly, return to work at \$1.97.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!"

And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment* form called *Preparation H*. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

THE PONTIAC PRESS, MONDAY, JULY 25, 1955

Middlecoff Victor in Dramatic Comeback Battle

By H. GUY MOATS
Pontiac Press Sports Editor

Dr. Cary Middlecoff won a spot Sunday in the National PGA golf tournament semifinals.

This is a bare statement of facts. What the good Memphis, Tenn., dentist did was to turn in one of the greatest comebacks seen on this area's courses in many a year. He was forced to work off a 5-hole deficit set up early in his match with steady, brilliant Jackie Burke, and to which Burke hung doggedly up to the start of the last nine holes of the 40-hole encounter.

Cary caught the tiring Burke on the 36th green, to square the match. The pair, accompanied by about half the 12,500 fans who had swarmed over Meadowbrook Country Club at Northville,

went on to the 40th green before the doctor got his victory.

The match was one of the longest on record in the PGA event, veteran observers say.

The Middlecoff-Burke marathon stole most of the day's spotlight from the other matches, in the quarter-finals. Two resulted in easy victories, Tommy Bolt defeating Lew (The Jaw) Worsham (8 and 7) and Doug Ford taking Freddie Hawkins (5 and 4). The other semifinal berth went to Shelley Mayfield who turned back Don Fairfield 3 and 2.

Promise of another terrific encounter today was held in the pairings which sent Middlecoff against Bolt. Ford was favored to retire Mayfield, but there were few who would venture a guess as to

the probable winner of the first match.

Bolt has played some great golf, so has the doctor. Tommy is aggressive, a terrific competitor with a game capable of taking it all. However, because Middlecoff seems to get better under pressure, and because of his tremendous "stretch drives," this observer will string along with him.

Burke jumped off to a 1-hole lead on the 1st green. He added two more birdies while Cary was carding par of 35, to be 3-up at the nine, with a card of 32.

Cary's putter still wasn't hot enough as he dropped two more holes to Jackie, to go 5-down at the halfway mark. Cary had 36, Burke 34, to give them 18-hole marks of par 71 and 66 (5-under-

par), respectively. At 27 holes the margin had been whittled to 3-up for Burke, then to 2-up on the 28th, back to 3 on the 30th and to 2 again, on the 32nd.

Burke's putter weakened and Cary halved the next two, and won the 35th and 36th to square the match, as a tremendous ovation came from the humanity-ringed home green. His "skyline," curling putt was good for a birdie 3.

The pair matched stroke for stroke for the 1st three extra holes. Then Middlecoff got the break that won for him.

Both hit good drives into the sun at the fourth extra hole. Cary then banged a 4-iron 50 feet from the cup. Burke was short on his iron and his ball slipped into bad rough below a 10-foot ridge. Jackie pitched his recovery out and across the green.

Middlecoff putted close up and Burke's try went by the pin a half dozen feet. Jackie's fifth shot, (his second putt) hung on the edge of the cup and he conceded the 2-footer to Middlecoff.

Bolt, despite a gallery that obviously was a bit hostile, put out National Open Champion Jack Fleck, 3 and 2 in Saturday's round. This match drew the biggest crowd of the day—estimated at about 5,000—more than half of the 8,000 on hand. Fleck drew applause, but at times Tommy was cheered for a missed putt. He didn't like it, but kept his much-publicized temper under control.

In other Saturday rounds Doug Ford smothered Wally Ulrich by the tourney's biggest margin, 12 and 10 for one of the worst lickings in the PGA history; Lew Worsham turned the morning round in par figures against Johnny Palmer,

then fired enough birdies to be 4-under for the match that ended on the 31st hole; tightest match of the day, closing out on the 36th saw Mayfield upset Claude Harmon.

Saturday's round:
Ford defeated Ulrich 12 and 10; Hawkins defeated Ed Furgol 6 and 5; Lew Worsham defeated Johnny Palmer 6 and 5; Don Fairfield defeated Brian Charlton 3 and 1; Dr. Cary Middlecoff defeated Mike Paveia 3 and 2; Shelley Mayfield defeated Claude Harmon, 1-up; Jackie Burke defeated Marty Furgol, 3 and 1; Tommy Bolt defeated Jack Fleck, 3 and 2.

Sunday's (quarter-final) round:
Dr. Middlecoff defeated Burke, 1 up in 40 holes; Bolt defeated Worsham 5 and 7; Mayfield defeated Fairfield 3 and 2; Ford defeated Hawkins 5 and 4; Bolt vs Middlecoff and Mayfield vs Ford. Matches are over 36 holes, morning rounds starting at 10 and 10:30; 2 p.m. and 2:30 p.m.

'Chips Shots' From PGA Bolt - Middlecoff Match Sure to Be Slow One

By JACK SAYLOR

NORTHVILLE — The outcome may be in doubt, but there is one thing for certain about today's semi-final match between Tommy Bolt and Dr. Cary Middlecoff in the National PGA golf tournament at Meadowbrook Country Club.

This match undoubtedly will be the slowest in the tournament. Both take lots of time sizing up shots of all types, but the waiting is often agonizing for them to finish their work on the greens.

Middlecoff's deliberate surveying of shots paid off in his great comeback 40-hole quarter-final victory over Jackie Burke Sunday.

Putter trouble put the Memphis dentist 5-down at the halfway point and Burke seemingly had Doc over the barrel when he birdied the 30th hole to hold a 3-up lead with 6 holes to play.

Middlecoff got one back with a birdie on the 32nd, but still was down 2 at the 35th (17th) tee. By this time, most of the huge gallery, which had been riding with underdog Burke, switched to the Middlecoff bandwagon as it sensed that a remarkable comeback was in the making.

Burke looked like a whipped man when the last of his once big lead melted with Middlecoff's birdies on the last 2 holes. There was drama on the 1st 3 playoff holes as both players had long putts stop just short on the 1st green, and Burke rimmed the cup with an 8-footer on the 3rd.

The finish itself was anticlimactic as the ex-tooth puller pulled his win out of the fire when Burke's 2nd putt missed by an inch.

Many observers feel there will be no halting Doug Ford, who blazed to the qualifying medal and has never stopped his relentless barrage of pars and birdies.

He was on virtually every green in regulation and his putting has been phenomenal. He cannaed a 25-footer on the 1st hole of the afternoon round to start Hawkins' downfall after a close morning match.

There are very few "Doubling

Thomas' about Jack Fleck's ability despite his Saturday loss to Bolt. Any thoughts that his National Open victory over Ben Hogan was a fluke were dispelled by his play here.

He gave Bolt a terrific match as they were even at the end of 28 holes. A bad tee shot on the 11th and a 3-putt green on the 12th cracked the match, though, and when "Thunder" holed a 14-footer on the 14th (32nd) green to go 3-up, Fleck's minutes were numbered.

Shelley Mayfield, who tackles the red-hot Ford today, thrilled a big gathering around the 6th green Saturday by barely missing a hole-in-one. His tee shot took one hop, bumped the pin and fell 2 inches away.

THIS IS IT! — A dog-tired Dr. Cary Middlecoff points a weary finger at the "1-up" card in the match marker Sunday as he won a 40-hole marathon from Jackie Burke. The thrilling PGA tournament (at Meadowbrook CC) match went into the late afternoon and ended on the 4th extra hole to send Cary into today's semifinals against Tommy Bolt.

LIFE SAVER — A "downed" 8-footer on the crucial 36th (18th) green of Meadowbrook's course, yesterday afternoon kept Dr. Cary Middlecoff in the battle with Jackie Burke, for a semifinals spot today. And Cary got the "life" as the shot above shows him picking his ball from the cup for a birdie 3 to square the match at that point. He went on to win on the 4th extra hole.

Jameson-Faulk Win Tournament at Hot Springs

**Hanson - Wright Team
Is 3 Strokes Behind in
4-Ball Test**

HOT SPRINGS, Va. — Betty Jameson of San Antonio, Tex., and Mary Lena Faulk, of Thomasville, Ga., posted a two-under-par 72 here yesterday to win top prize money in the \$6,500 four-ball Hot Springs Women's golf tournament.

Their 72-hole total of 280 was three strokes better than that scored by the second place team of Beverly Hanson of Indio, Calif., and Mickey Wright, of LaJolla, Calif.

Third-place money went to Fay Crocker of Montevideo, Uruguay, and Marilyn Smith of Wichita, Kan., who posted a 72-hole total of 284.

Louise Suggs of Sea Island, Ga., and Betty Hicks of Palm Springs, Calif., rated as pre-tournament favorites, turned in a brilliant seven-under-par 67 in the final round yesterday but could do no better than fourth place in the four-days play.

The top prize money awarded the Jameson - Faulk team was \$1,450. The ninth-place team drew low money of \$325.

Waterford Nine Bows to Flint in Zone Test

**Fine Comeback Falls
Inning Short in Legion
Baseball Tourney**

A great comeback bid for the American Legion junior baseball zone tournament championship fell one inning short for Waterford Post-431 Sunday as Flint Buick Post captured the 2-game knockout title.

Beaten in its 1st game Friday morning the Waterford nine fought its way back by eliminating Imlay City Friday afternoon, and ousting Livonia Saturday morning, 5-3, as Jerry Kruskie scattered 7 hits and struck out 12.

Flint whipped Saginaw, 7-0, then eliminated the upstarters 3-0. Saturday afternoon while Waterford received a bye.

In Sunday morning's game, Chuck Gillis spun a 7-hit shutout as Waterford handed Flint its 1st loss, 3-0. The Waterford southpaw fanned 16, while Leroy Nicholas led the attack with a double and 2 singles.

In the title game Sunday afternoon, Waterford's Kruskie and Flint ace Jim Moore hooked up in a scoreless duel, which was scoreless for 7 1/2 innings.

In Flint's 8th, 2 walks and a single loaded the sacks and Jerry Radenbaugh and Larry Sargent unloaded 2-run singles, and an error brought in another.

Waterford rallied in the 9th as singles by Dave Latta, Tom Bryce and Kruskie, scored 1 run and another came in on a sacrifice fly, but the uprising died with the bases loaded, so Flint will represent the 3rd Zone in Department (state) finals at Ypsilanti this weekend.

Livonia..... 100 000 002-3 7 4

Merrins Wins Western Test

ROCKFORD, Ill. — Eddie Merrins of Meridian, Miss., went into the Western Golf Assn. record books today as the player making one of the most brilliant comebacks in the 56-year history of the Western Amateur tournament.

Merrins, 22, a cool, methodical player, yesterday defeated Hillman Robbins of Memphis State, 1-up on the 37th hole with a sensational trap shot.

Robbins had blown a 3-foot putt on the 36th hole which would have meant victory.

On the 45th-yard 37th, Merrins hooked his second shot into a trap while Robbins was short of the green in two. Robbins, 23-year-old National Intercollegiate champion of 1954, chipped seven feet short of the hole.

Merrins blasted from the sand to within two feet of the cup. Robbins missed his putt, taking a 5, and Merrins tapped his in to cap a sensational rally.

Hoad Upset, but Australians Win

**Unknown Brazilian Tops
Aussie Ace, but Team
Moves Ahead**

LOUISVILLE, Ky. — Australia's crack tennis team moved on to Montreal today, still hot in pursuit of the Davis Cup despite a surprise of top-drawer stature that saw Lew Hoad tumbled by a virtual unknown.

The strange entry in tennis records was provided by tiny Ronald Moreira of Brazil, who pulled the rari feat of taking the powerful Hoad in straight sets, 6-4, 6-4, 6-4, in yesterday's windup of the American Zone cup semifinals.

Australia's final margin in the semifinals was 4-1 after Ken Rosewall of the Aussies blasted Brazilian Capt. Bob Falkenberg, 6-2, 6-2, 6-3.

Canada is the next opponent for Australia this weekend at Montreal. If victorious, it then meets Japan and finally the European champs before going against the United States.

Relief Hurlers Bolster Tribe

The Associated Press

Cleveland's defending champion Indians, supported by baseball's best bullpen, appear to be poised for the stretch run which they hope will bring them their second successive American League pennant.

Eight games off the pace three weeks ago, the stubborn Redmen were within one game of the top today following a streak that has produced 15 victories in their last 22 games, the last five of them in a row.

Cleveland won two from Baltimore yesterday 5-1 and 5-2 and once again it was the brilliant relief pitching of Ray Narleski and Don Mossi that cemented the victories.

Bob Feller won his third of the season and 26th of his career in the opener, but it took three scoreless relief innings by Narleski to save the victory. Early Wynn registered his 12th of the year and 196th of his career, but he needed help from Narleski and Mossi in the nightcap.

Narleski, who has now been in 35 games, has a 6-0 record. In his last 18 appearances, the Indians have won 15. Mossi has only a 2-1 record in 34 games but owns

a spectacular 1.71 earned run average, best on the club.

The New York Yankees regained first place with a 7-3 and 2-0 doubleheader victory over Kansas City to end an alarming downhill slide that had brought 13 defeats in the last 18 games. The twin triumphs boosted them to a full game lead over the Indians and Chicago White Sox, who were held to a split by the fourth place Boston Red Sox.

The White Sox, who started the day in first place, three percentage points above the Yankees, shut out the Red Sox 4-0 in the opener behind the seven-hit pitching of Billy Pierce but Boston struck back with a 2-1 victory behind Willard Nixon to stay right in there, only four games off the pace.

Detroit's fifth place Tigers, who also have pennant ambitions, remained 7 1/2 games behind the front-runner despite a split with Washington.

Brooklyn's runaway Dodgers still owned their comfortable 13 1/2 bulge over runner-up Milwaukee and their 15-game margin over the third place New York Giants.

Although outlit 29 to 12 in the twin bill, the Dodgers got away with a split against the Braves, winning by 9-7 and losing 9-2.

Late inning home runs by Bobby Hofman and Willie Mays (No. 30) earned Johnny Antonelli and the Giants a 4-1 decision after Cincinnati had won the opener 6-4 to snap a seven-game losing streak.

Philadelphia's onrushing Phillies made it 15 wins in their last 16 games, sweeping a pair from St. Louis 6-5 and 3-0. Rain ended the second game after six innings.

The Yankees combined effective pitching by Whitey Ford and rookie Johnny Kucks together with timely hitting by Mickey Mantle and Yogi Berra for their victories.

Chico Carrasquel's homer with two on base featured a four-run sixth that gave the White Sox all their runs against George Susce in the first game.

3-Way Shootoff Wins Top Gun Event for Easterner

It took a 3-way shootoff Sunday to decide the all-gauge championship for the 3rd annual Chief Pontiac Skeet tourney at Oakland County Sportsman's Club fields.

The event, one of the state's top skeet tests, is a tuneup for the big National Skeet Shooting Association title shoot here next month. More than 200 top shotguns of the midwest area took part in the 2-day event.

George Deyoe of Washington, D.C. won the 12-gauge with 75 straight after he, Mrs. Carola Mandell of Chicago and Hamp Curry of Caro had tied. Mrs. Mandell went 75-75. Curry dropped out on the 1st round.

Other champions named in the event included:

12 gauge—George Deyoe, 100x100
Class AA—Mrs. Mandell, 100x100

Heavy Scoring in Exhibitions

**Chuck & Louie, Ashland
and Giles Girls Post
Softball Victories**

Chuck & Louie's Market, Ashland Flying Octane and the girls of Giles Realty posted exhibition wins and Avondale's girls won a re-scheduled league game in softball action Sunday night at Beaudette and North Side parks.

Chuck & Louie's pounded out 10 hits off two opposing pitchers to trim Sylvan Center of the Waterford League, 8-4, in the opener at North Side. The winners broke a 4-all deadlock with two runs in each of the 4th and 8th innings.

In the North Side nightcap, the American League's Ashland nine trounced Louie's Tavern of the National loop, 9-2, behind the combined three-hit pitching of John Geiger and Ed McNamara. Three tavern moundsmen were unable to hold Ashland.

Giles Realty collected 13 hits to score an easy 12-5 decision over the visiting Flint Queens in the 1st contest at Beaudette. Effie Seay homered for Giles' girls.

Avondale's girls tallied five times in the 5th stanza, then managed to check Shaw's Jewelers in the late innings to hang up a 9-8 verdict at Beaudette in a league make-up game.

Robbins Blows 3-Foot Putt on 36th, Loses in Playoff

ROCKFORD, Ill. — Eddie Merrins of Meridian, Miss., went into the Western Golf Assn. record books today as the player making one of the most brilliant comebacks in the 56-year history of the Western Amateur tournament.

Merrins, 22, a cool, methodical player, yesterday defeated Hillman Robbins of Memphis State, 1-up on the 37th hole with a sensational trap shot.

Robbins had blown a 3-foot putt on the 36th hole which would have meant victory.

On the 45th-yard 37th, Merrins hooked his second shot into a trap while Robbins was short of the green in two. Robbins, 23-year-old National Intercollegiate champion of 1954, chipped seven feet short of the hole.

Merrins blasted from the sand to within two feet of the cup. Robbins missed his putt, taking a 5, and Merrins tapped his in to cap a sensational rally.

Ex-Tigers Kell, Droppo Are Key Figures in Chisox Drive to Pennant Contention in American League

CHICAGO — George Kell and Walto Droppo, a couple of guys who once switched uniforms in the same player deal, have Chicago White Sox fans buzzing about a pennant.

The mere mention of the two who have been instrumental in Chicago's surge to second place, one game behind the New York Yankees, brings a quick smile to the face of Manager Marty Marion.

Not too long ago, both Kell and Droppo were questionable starters with batting averages in the low .200s.

"All he needed was a little confidence. One day he went up there and got a couple of hits and he's been going like that ever since," said Marion.

Kell came to the Sox from Boston last year for Grady Hatton and an estimated \$100,000. Droppo was acquired from Detroit in a five player deal last winter.

Kell went to Boston and Droppo to Detroit in 1952 in the same deal which also involved six other players.

Droppo, benched for weak hitting earlier in the season, has hoisted his average to .286 and has been moved into the cleanup spot.

"Those two," says Marion, "have been 50 per cent of our offense. We always expected Kell to come through but Walt had us worried."

"That's where I like to bat," says Droppo, "I haven't been doing

anything different. I'm just meeting the ball and everything up there looks big. I've been getting a lot of hits to right because they're pitching me outside to keep me from putting the ball into the seats."

Droppo leads the White Sox in home runs with 13 and has 50 runs batted in. Only Kell, with 53, has more RBIs on the team.

Kell, currently hitting .311, hopes to keep his average around the .300 mark. Last year he dropped to .278, the first time he has hit under .300 since 1946.

"I feel real good," says Kell who was hampered last year with a bad knee. "I'm having a fine year on all I really need is four-for-four one of these days."

"I feel real good," says Kell who was hampered last year with a bad knee. "I'm having a fine year on all I really need is four-for-four one of these days."

Poirier Meets Perez in Tonight's TV Ring Fare

By THE ASSOCIATED PRESS

Gene Poirier, who was making a strong run for "Rookie of the Year" honors until he was knocked out by Argentina's Oscar Pita in a sensational fight in June, starts all over again Monday night against Danny Jo Perez.

Poirier's knockout by Pita at St. Nicholas Arena June 20 was called "fight of the year" by many writers. The Niagara Falls, N.Y., writer led on all scorecards and had only to finish the 10 rounds to be the winner. Instead he wore himself out and was unable to stand up under Pita's heavy return fire in the eighth round.

In Monday's show at St. Nick's (Dumont-TV), Poirier meets Perez a New Yorker who fought a draw with Orlando Zulueta and lost a decision to Frankie Ryff in 1955 starts.

After Sugar Ray Robinson's split-decision victory over Rocky Castellani in San Francisco, many boxing fans are wondering why Robinson doesn't box Ralph (Tiger) Jones before he talks about a middleweight title bout with Bobo Olson.

Sugar Ray never looked worse than he did against Jones in their Chicago match, won by the Tiger from Yonkers, N.Y.

Gossip from the Coast sets Olson-Robinson for the title in October.

Willie Pastrano, recent winner over Joey Maxim, meets Chuck Speiser, former Michigan State boxer, in the Wednesday show (Radio-TV-ABC) at Chicago.

On the strength of the Maxim decision, Pastrano is favored over the former collegian.

Butte, Montana gets one of the best bouts of the week Tuesday, a catch-weight match between Gene Fullmer of West Jordan, Utah, the No. 8 middleweight, and Del Flanagan of St. Paul, the No. 6 welter.

Trabert's Play Makes Tennis 'Fathers' Happy

Tony Drubs Seixas in Finals of Quaker Test, 6-1, 6-2, 6-3

PHILADELPHIA (UP)—U.S. Davis Cup leaders were broad smiles today after another superlative performance by Tony Trabert and his strong hint that he'd like to remain in the amateur tennis ranks.

The 24-year-old Cincinnati resident needed only 53 minutes yesterday to dispose of cup teammate Vic Seixas 6-1, 6-2, 6-3, in winning the Pennsylvania Lawn Tennis championship. He appeared in top form for the upcoming U.S. championship and Davis Cup competitions.

In accepting the championship cup at the Merion Cricket Club, Tony announced, "One of these days I hope to come back to play at Merion again." The club hosts only amateur tournaments.

But if Trabert's performance brought smiles to the Davis Cup fathers, they must have been at least a little worried with the play of Seixas, defending U.S. titlist and the probable second U.S. representative against the Australian challenge for the cup.

Seixas was constantly outmaneuvered, outguessed and outshot by Trabert. He showed little that would make him a serious threat against Aussies Ken Rosewall, Lew Hoad or Rex Hartwig.

Vic still is likely to appear at least in the doubles against the Australians. He and Trabert won the Merion doubles title 6-2, 6-3, 6-4 over Hal Burrows and Straight Clark.

Louise Brough, Wimbledon women's champ, from Beverly Hills, Calif., won the women's finals at Merion Saturday from Althea Gibson, New York, 1-6, 6-2, 6-1.

Garden State Purse May Hit \$270,000

CAMDEN, N.J. (UP)—The Garden State Stakes, world's richest horse race, promises to be wealthier than ever this year and may hit a gross purse of more than \$270,000.

That was the word today as the Garden State Park management reported 241 two-year-olds had been kept eligible in the July 15 payment, 22 more than a year ago.

The winner of this gold mine gallop will probably wind up as the Kentucky Derby winter book favorite, and perhaps the 2-year-old champion of 1955. The mile and one sixteenth race is set for Oct. 29.

Heading this year's list of eligibles are two unbeaten colts, the Barclay Stable's Polly's Jet and the River Divide Farm's Decathlon.

Sam Sneed's Golf Clinic

In every unusual golf shot the professional's idea is to adjust his stance, modify his usual grip and even change his club in order to re-create, as far as possible, the situation he faces in a normal, everyday shot. To do this on a downhill lie take your normal stance but position the ball back toward your right foot. Now bend

your right knee until your hips are level and your shoulders are level. See how we're making a normal shot of this?

A simple, old fairway shot, huh? Now take a club with more lofted face than an ordinary fairway shot would call for. Why? Well, because you are swinging down at the ball which you position nearer your right foot than usual, and the club face will make contact sooner than if the ball were in normal position. Now swing as usual. See? There goes the ball—upward and onward! Easy, wasn't it?

(Copyright 1955)

Home Run Blasts Help Tigers to Split

DETROIT (UP)—A burst of home run power in the opener that was stopped cold in the nightcap gave the Detroit Tigers a 7-3, 0-3, split in a doubleheader yesterday with the Washington Nationals.

Al Kaline and Earl Torgeson hit back-to-back homers with nobody on in the 4th inning of the 1st game and Jim Delsing connected for another round-tripper with Torgeson aboard in the 6th to help give

rookie pitcher Jim Bunning his 1st major league victory. Rookie Ted Abernathy held Detroit to seven hits in blanking the Tigers in the 2nd game. It was Detroit's 5th shutout of the season.

Frank Lary gave up three National runs in the nightcap on six hits in the 1st six innings in going down to his 11th loss against nine victories.

Kaline's homer, his 22nd of the season, gave him a margin of one over Mickey Mantle of the New York Yankees in the American League home run race. Kaline leads league batting with .365.

Yesterday's twin bill was scheduled after Saturday's 2nd game with the Senators was rained out. Detroit took the opener Saturday, 10-4, with Kaline, Ray Boone, Bill Tuttle and Harvey Kuenn swatting home runs.

Washington's Pedro Ramos and Bob Chakales were battered for 12 hits in yesterday's opener. Ramos gave up the three home runs

Only Three Rookies Miss 1st Lion Drill

YPSILANTI (UP)—Only three rookies were missing today as the Detroit Lions prepared for physicals before taking to the field for their 1st pro football drill.

Twenty-nine of the 32 rookies expected at the camp showed up yesterday and drew equipment before sitting in on a chalk talk by Coach Buddy Parker.

Missing players were fullback George Galuska of Wyoming, defensive halfback Marvin Johnson and defensive tackle Jim Walters, former University of Michigan player.

Helioscope, Outcast Bid for '55 Handicap Honors

By THE ASSOCIATED PRESS Helioscope, a 4-year-old owned by William G. Helis of New Orleans and Jobstown, N.J., looks like the No. 1 contender for the 1955 handicap division title, but

he'll probably have to settle with Social Outcast before the season is over.

The Helis colt, winner of six of his eight starts this year, apparently has High Gun's number, at least until the racing secretaries stop loading the King Ranch 4-year old with so much weight. But with Social Outcast it is a different matter.

While Helioscope was beating High Gun in the \$83,550 Monmouth Handicap at Monmouth Park last Saturday, Social Outcast came from far back to edge another King Ranch color bearer, Rejected, in the \$110,500 Sunset Handicap at Hollywood Park.

Helioscope and the Alfred Vanderbilt 5-year-old can settle matters in the \$100,000 added Arlington Handicap at Arlington Park Saturday. Both are eligible, along with High Gun.

Perc's No-Hitter Not Enough to Win for Shaw's

Percy McConner hurled a no-hitter and lost as Shaw's Jewelers finished runner-up in the Metropolitan Beach Invitational softball tournament Sunday.

McConner's masterpiece was to no avail as Shaw's bowed to Model Cleaners of Highland Park, 1-0, in the championship final. McConner walked none and struck out 10, but an error in the 1st inning resulted in a costly, unearned run. Wiping pitcher, Wambeck, allowed only one hit.

Shaw's fought its way to the final with victories over Hubarth-Schott of Mt. Clemens, 2-0, and Pfeiffer's of Roseville, 2-1. Clell Morse did the pitching against the Mt. Clemens team and Glenn Johnson saw mound duty against Roseville.

Howell Still Master of Gay-Day Track

Benny Howell continues to run the Gay-Day Speedway as though he was the only entry.

The Pontiac hardtopper racked up his 5th straight victory on the Lake Angelus track Sunday night as he raced home in the 25-lap feature ahead of Bill Schultz and Chuck Partello.

Howell also won the dash, pursuit and his heat race. Chuck Allen captured the semi-finals, while the other heat winners included George Rhyndress, Ross Heichel, Partello and Bill Gabert.

Boston College football roster lists seven tackles of 210 to 250 pounds.

Kathmar Leads Yachting Race

PORT HURON (UP)—Beset by winds ranging from fresh gale force to dead calm, 42 yachts of a starting fleet of 68 remained today in the Port Huron-to-Mackinac race.

The 47-foot yawl Kathmar out of Detroit's Bayview Yacht Club held the lead as it passed Middle Straits Island, 20 miles north of Alpena and 70 miles from the finish line.

Sighted off Thunder Bay Island south of Alpena were Falcon, Last Straw, Glory Bea, Happi-Ness, Tigress and Albacore in that order.

Race officials at Mackinac Island said a finish wasn't expected before 8 a.m. (EST) today.

Twenty-six vessels were forced to quit the race after 40-mile-an-hour winds battered the fleet Saturday night and early Sunday morning.

38th for Rangers

Ivory Rangers trounced Strawberry Hill, 8-3, at Ivory Field Sunday, for their 38th straight outdoor polo victory. Jack Stefani led the Rangers with four goals.

A GYNEC tablet used in past 20 years proves safety and success. Ask druggist for GYNEC under money-back guarantee. See how much better you feel tomorrow.

PEEPING TOM—That's "Peanuts" peeping through the venetian blinds at the Medford, Ore., home of his owner, Mrs. L. E. Kennedy. Unlike other peeping Toms, he doesn't seem to care who knows what he's up to.

Nehru Asks Portugal to Close Legation

NEW DELHI, (AP)—Prime Minister Nehru asked Portugal today to close its legation in New Delhi by Aug. 8 because of the European country's "persistent refusal" to negotiate India's claim to Portuguese India.

Closing of the legation would mean virtual suspension of diplomatic relations between the two countries.

India closed her legation in Lisbon in July 1953 because, Nehru told Parliament today, his government felt "there was no advantage in keeping it open."

Sisters Feel at Home

—All in Maternity Ward

COVINGTON, Ky. (AP)—Mrs. Anna Durr, 24, felt "right at home" yesterday when she gave birth to her third child.

In the same hospital were two more sisters: Mrs. Julia Blackburn, 25, and Mrs. Loretta Geiger, 22.

Mrs. Blackburn's third child was born last Thursday and Mrs. Geiger's first-born, a girl, was delivered Saturday.

Death or divorce disrupted 1,076,000 U.S. families in 1954.

Ever Feel Like This When Fuel Bills Unexpectedly Rocket Up?

YOU CAN AVOID IT NOW WITH Our New Budget Plan!

Remember those times when the winter thermometer went down . . . and suddenly your fuel bill soared up? It's hard to plan for unexpected expenses like that! But now—thanks to GEE's New Budget Plan—you can actually spread your fuel costs evenly across the whole heating season. It doesn't cost you a penny more but it DOES let you plan on making KNOWN payments to assure your family's comfort, month by month, throughout the cold weather period.

We'd like to tell you more about this convenient GEE Budget Plan, and the kind of service we render to so many of your neighbors . . . So Call Federal 5-5151—or drop in next time you're passing by!

And, remember—that in addition to getting the best, the most economical fuel oil obtainable, YOU ALSO WILL RECEIVE

VALUABLE HOLDENS RED STAMPS
with every fuel oil purchase!
