U.S. Calls for Moratorium on Arms-Carrying Missiles

Radar Tickets Due

The honeymoon is over for Pontiac motorists.

Beginning tomorrow, speeders detected by the Pontiac Police Department's radar-equipped patrol car will be ticketed.

Since the radar car was put on the streets several days ago, warnings only were given motorists found violating speed laws.

★ ★ ★

The radar car will patrol the following streets during the next nine days:

TOMORROW

Tomorrow — Saginaw, Perry, Huron and Oakland.

Sunday—Orchard Lake Road, Telegraph, Elizabeth Lake and Saginaw.

Monday — Oakland, Telegraph, Huron and Saginaw. Tuesday — Walton, Joslyn, Baldwin and Mentcalm.

Wednesday—Mt. Clemens E. Boulevard, Paddock, Auburn.

Thursday — Franklin, Bagley, S. Boulevard and Golf Drive.

Friday — Perry, Huron, Saginaw and Baldwin.

Saturday — Woodward, Saginaw, Huron and Perry.

Sunday — Oakland, Saginaw, Huron and Perry.

The radar unit may be utilized on an unscheduled basis at other locations to answer complaints that need immediate attention, according to police.

Pontiac Press Photo

RADAR CAR — Pontiac police will begin issuing tickets tomorrow to speeders caught by radar. For the last several days violators have received only verbal warnings. Shown adjusting the radar transmitter-receiver is patrolman Robert Brown of the traffic bureau. The vehicle housing the radar instruments is a dark blue Pontiac marked "radar" and "Pontiac Police."

By Unanimous Vote

Commissioners Adopt Budget

The City Commission last night adopted a $6,879,495 city budget for 1964 by a unanimous vote.

Adoption came at a meeting called specifically to adopt a budget and swear in a new member of the commission, Samuel J. Whiters.

Whiters, 50, of 453 Harvey was appointed Tuesday night to succeed District 1 Commissioner Milton R. Henry, who resigned.

Major budget appropriations are set at $5,877,067 for operating, $316,028 for sanitation, $518,400 for capital improvements and $168,000 for debt retirement.

This is to be financed by a tax levy of $4,463,557 and income from other sources totaling $2,415,938.

REGISTERED OBJECTION

Commissioner William H. Taylor, while voting for adoption, registered an objection to budgets for the community relations, legal, building and plumbing inspection, police and sanitation departments.

City Attorney William A. Ewart said his budget allocation was higher this year due to a staff increase needed for legal work on urban renewal documents.

Mayor Robert A. Landry defended the need for a community relations bureau, which Taylor has opposed since it was established last April.

Commissioner Charles H. Harmon asked if a $64,203 cut in the engineering budget was due to the building and plumbing inspection divisions being separated from the engineering department by commission action last summer.

PARTLY TO THAT

City Engineer Joseph E. Neipling said the drop was due "partly to that and partly to staff reductions within the engineering department."

As adopted, the budget would require a tax rate of $15.92 to finance.

However, it is still subject to being amended anytime before July 1

Billy Graham Reported Eying the Presidency

NEW YORK (AP)—The Scripps-Howard newspapers said today that evangelist Billy Graham may run for president.

"Despite his frequent denials, he is giving 'earnest and prayerful consideration' to the idea," Scripps-Howard said in a dispatch from Houston, Tex.

According to the story, a sourse close to Dr. Graham said:

★ ★ ★

"He is deeply interested by the opportunity for service, and deeply distressed by other things that are inevitably involved in such a decision. He is giving earnest and prayerful consideration to the idea . . ."

Adjourn Court in Girl's Death

Boy's Attorney Ask Time to Eye Evidence

A Juvenile Court hearing in last week's slaying of a Birmingham school girl was adjourned today until Monday morning at the request of attorneys representing a 15-year-old boy held in the case.

The adjournment came after a three-hour morning session behind closed doors. Police witnesses were questioned by the boy's attorneys Walter R. Denison and Richard P. Condit of Birmingham.

Denison said they asked for the adjournment for time to consider whether or not they want to present witnesses or other evidence on behalf of their client, Daniel Lovaas of 1042 Smith, Birmingham.

FATAL STABBING

Daniel, a Seaholm High School sophomore, is being held in the county Childrens Center in connection with the fatal stabbing Friday morning—of 14-year-old Nancy Jean Jones.

The boy has denied knowing Nancy or being on Purdy Street in Birmingham where she was slain while walking to school.

He currently is under examination by a Detroit psychiatrist.

★ ★ ★

Nine witnesses, including a chemist from the Michigan State Police crime laboratory in Lansing, testified yesterday, the first day of the hearing, before Probate Court Judge Norman R. Barnard.

★ ★ ★

The lab technician's testimony concerned blood stains and fabric fibers found on the knife suspected of being the fatal weapon.

Stains on the knife were identified as human blood by the crime lab, but there was

Cyprus Rejects Plans for Joint Peace Force

Refusal Comes After Hopes Were Raised for End to Deadlock

LONDON (AP) — Greek and Turkish Cypriots today rejected plans for an international peace force —including U.S. troops— to police the torn island.

The development came after a diplomatic meeting had raised hopes that a break in the Cyprus deadlock was in sight.

The Cyprus Turks told Duncan Sandys, British Commonwealth Secretary, that the joint force proposal was unacceptable.

Diplomatic sources said the proposal also was rejected by the Greek Cypriots who favor a U. N.-controlled peace force.

★ ★ ★

Representatives of the Greek and Turkish governments also raised objections to the international peace force plan, composed of about 10,000, including 1,000-2,000 U. S. troops.

NEW EFFORTS

Diplomatic sources said new efforts must be undertaken, but no other meetings were arranged immediately.

U. S. Ambassador David Bruce, armed with instructions from President Johnson, told ministers of Britain, Greece and Turkey and the Cypriots that Washington would provide American troops under certain conditions:

- The international force must receive an invitation to enter the island from the bearded Cypriot President, Archbishop Makarios. There is no sign yet that Makarios will issue such an invitation.

★ ★ ★

- The stalemated London conference to work out a long-range settlement of the Cyprus problem must be brought back to life. That conference broke down shortly after beginning its work Jan. 15.

★ ★ ★

Thus, there are about 3,400 Leathernecks and two amphibious task forces available for use in Cyprus if the okay is given to send in a peace-keeping expedition representing the North Atlantic Treaty Organization.

Warmer Weather Seen for Pontiac; Chance of Rain

Comparatively mild weather for this time of year is forecast in the Pontiac area for the next few days.

Temperatures are expected to climb 4 to 9 degrees higher than the normal high of 30 to 34 and normal low of 15 to 10. Tomorrow will be partly cloudy with a high of 43.

There's a chance of a light rain or drizzle this evening, the low near 30.

Today's south-to-southwesterly winds at 8 to 16 miles per hour will become west to northwest at 8 to 15 m.p.h. late tonight and tomorrow.

Thirty was the low temperature prior to 8 a.m. today in the downtown area. By 2 p.m., the recording was 37.

Drive Mounts for Kennedy

Being Pushed for VP; Dismays Some Dems

CONCORD, N. H. (AP) — A write-in campaign boosting Atty. Gen. Robert Kennedy for vice president in New Hampshire's presidential preference primary gathered some steam today to the dismay of Democratic leaders.

The younger brother of the late president is being boomed as a running mate for President Lyndon Johnson.

Although the Republican side of the ballot for the March 10 preferential primary will be loaded with five presidential contenders, there will be no names on the Democratic side.

Johnson will be represented by a slate of convention delegates running in his behalf.

The lone contender for the vice presidential nomination, Mrs. Faye "Fifi" Carpenter-Swain of Cincinnati, Ohio, was taken off the ballot because her nominating petitions contained invalid signatures.

The write-in campaign for Robert Kennedy for vice president was launched yesterday by Joseph Myers, Democratic city chairman in Manchester.

He has been joined by Mayor Mario Vagge of Nashua and former Mayor Patrick J. Greene of Dover.

★ ★ ★

But in Laconia, Democratic national committeeman Hugh Bownes said he wanted no part of the campaign and urged that it be squelched.

AP Photofax

MAY BE A TREND — Mrs. Dorothy Huffman of Indianapolis, Ind., has a man-sized job as court reporter. She also has a man-sized liking for pipes. She only smoked one at home with her husband until the latest government report was issued. That smoked her out into the open.

U.S., Russia Watch New Feats in Space

MOSCOW (AP) — A Soviet expert on radio electronics told Tass today Electron 1 and 2, the mechanical space twins launched by a single rocket Thursday for a study of radiation belt, are still circling the earth. No progress report was issued.

Vladimir Siforov, a radio electronics expert, was quoted by the official news agency Tass as saying Electron-1 and Electron-2 were launched yesterday to study the earth's "inner and outer radiation belts."

"This study," he said, "is of fundamental importance for interplanetary flight, as manned expeditions to the moon, Venus and Mars and impossible without negotiating this dangerous zone."

The two satellites were hurled into separate orbits by a single, powerful carrier rocket. Some observers believed the feat was carried out to test a possible future space rendezvous by two or more spacemen.

Russia's newest space contribution was getting close scrutiny from U. S. tracking stations. There was no indication of the size and weight of the two space stations.

★ ★ ★

PASADENA, Calif. (AP) — Space scientists reaimed the off-course camera-carrying Ranger 6 by remote control early today and later said "we probably will hit the moon."

Dr. William Pickering, director of Jet Propulsion Laboratory, which is controlling the flight, said "the midcourse correction seemed normal."

"Everything continues to look very good," said Pickering. "On the basis of information radioed back by the spacecraft, I can say that we probably will hit the moon."

Signals pointing the spacecraft dead center at the moon and igniting its small booster rocket were flashed 101,000 miles across space at 12:30 a.m., almost 17 hours after the launching at Cape Kennedy, Fla.

HAD IGNITED

At 1 a.m., officials announced that the signals had been received by the spacecraft and that the 50-pound-thrust booster rocket had ignited.

Plans called for this to increase the spacecraft's 4,343-mile-an-hour-speed by 92 m.p.h. and thus pull the trajectory toward the center of the moon.

Prior to the maneuver, Ranger 6 was on a course that would have missed the moon by 600 miles.

Ranger 6 carried six television cameras designed to snap up to 3,000 close-up pictures of the moon in the final 10 minutes of its flight.

These would be the closest pictures yet taken of the moon's surface. The Soviet Lunik 3 photographed the back side of the moon in 1959, but from an altitude of 4,000 miles.

. . but Mousetronaut Is Trapped in Tree

ATLANTA (AP)— America has another space failure, and Jose the Mouse is caught in a tree.

A fickle wind foiled the landing of Jose's space capsule yesterday as a group of seventh grade pupils launched him with a gunpowder rocket that sent Jose half a mile high.

The capsule and its parachute drifted into a tree.

Mrs. Sarah Piassick, a teacher, said she doesn't think Jose survived, but no one was able to get the capsule out of the tree immediately.

"We went to a fire station for help," she said. "They said they would send some roses."

News Flash

INNSBRUCK, Austria (UPI) —The United States scored its first victory in the gold medal competition of the Olympic hockey tournament today by routing Germany, 8-0, (Earlier Story, Page 28).

Russia Mum on Proposal at Geneva Talks

Could Continue Tests Without Warheads to Insure Defense Power

GENEVA (AP) — The United States called on the Soviet Union today to join in freezing all development of military rockets and other means of delivering nuclear arms.

U.S. delegate, William C. Foster, explained the American proposal at the 17-nation disarmament conference.

It is one of several suggestions President Johnson made when the conference resumed on Jan. 21.

Foster said a freeze of nuclear weapons carriers "would be an accomplishment far beyond any 'confidence-building' measure in significance, yet one that could be achieved in a reasonable period of time."

★ ★ ★

It also would permit a significant cut of military budgets, reduce world tension and bring closer general disarmament, he added.

NO REACTION

There was no immediate reaction from the Soviet delegate, Semyon K. Tsarapkin.

Foster suggested that the nuclear powers carefully explore the American proposal in consultation with their allies before beginning detailed negotiations.

"For many years both sides have increased the number of their strategic nuclear vehicles by substantial amounts," Foster said.

"In so doing, both have simply added to the amounts of their materials of war which must be destroyed if disarmament is to be achieved.

'STOP INCREASES'

"To achieve it, we must stop the increases above present

(Continued on Page 2, Col. 1)

'Neutralization for SE Asia'

De Gaulle Explains Policy to Newsmen

PARIS (AP) — President Charles de Gaulle today advocated the neutralization of Southeast Asia and said relations with Red China are necessary to achieve it.

Speaking to a crowded news conference, de Gaulle thus defended his decision earlier this week to establish diplomatic relations with the Chinese Communist regime.

He declined to comment on the two-Chinas issue — that is recognizing both the Chinese Communist and Nationalist regimes.

★ ★ ★

In his news statement of more than an hour and a half he spent only about five minutes on the Chinese issue.

CAREFUL POINT

De Gaulle was careful, at two or three points, to describe the Chinese Communist regime as "Peking" or "Peoples' China."

Speaking of China in general, de Gaulle said it is impossible for France or the West to have any policy for Southeast Asia or even for the So-

QUEEN CANDIDATES — The selection of a Snow Queen from these six candidates will kick off Oakland University's annual Snow Carnival tonight. Queen candidates are (from left) Becky Hawkins, 895 Highwood, Birmingham; Barbara Beckhoff, 3206 W. Altadena, Royal Oak; Susan Hunt, 553 Bagley, Lake Orion; Sheryl Jones, 3696 Shaddick, Waterford Township; Tana Smith, 360 W. Brockton, Madison Heights; and Carolyn Bien, 8032 Bywater, Union Lake.

Viet Dictator Pledges Representative Rule

SAIGON, Viet Nam (AP) — South Viet Nam's new military strongman today promised a government of national union

See Story, Next Page

made up of representatives of all walks of life.

But Maj. Gen. Nguyen Khanh, who seized power yesterday from the junta which overthrew president Ngo Dinh Diem, warned he must "apply a large number of temporary measures aimed at effectively safeguarding public order."

Observers took this to mean Khanh and his 35-man military junta would be in no hurry to give up power to civilian authorities.

★ ★ ★

Khanh also announced at his first news conference that the leader of the junta he overthrew Maj. Gen. Duong Van (Big) Minh, had accepted the position of "an adviser" to the new military council.

WOULDN'T JOIN

Khanh said that all day yesterday the junta tried to persuade Minh to join it "but he put too much stress on his own feelings."

Khanh reportedly wanted Minh, because of his popularity, to serve as figurehead chief of the new junta.

Khanh also announced that he had received a letter from the U.S. Embassy stating there would be no problem of recognition of the new regime by the United States.

★ ★ ★

Khanh announced that the provisional civilian government, headed by Premier Nguyen Ngoc Tho, handed in its resignation today.

NO CABINET

There was no indication who would fill the cabinet's places in the government administration.

The junta chief, a 37-year-old Army Corps commander, said the four members of the old junta who were arrested were living in a "secure place." He promised them a fair trial.

The four are the former defense minister, Maj. Gen. Tran Van Don; Military Chief of State Maj. Gen. Le Van Kim; Saigon Police Chief, Maj. Gen. Mai Huu Xuan, and Interior Minister, Maj. Gen. Ton That Dinh.

The tanks and troops that helped overthrow the old junta disappeared from Saigon today.

Most people had paid scant attention to developments.

NEW COUNCIL

Khahn appointed 17 generals and 18 colonels to a new revolutionary council replacing the three-month-old junta of Maj. Gen. Duong Van Minh, provisional chief of state.

While the political maneuvering continued, U.S. military advisers feared the Communists would capitalize on the confusion to make major military gains, as they did after Diem's ouster.

At daybreak, a bomb exploded inside a U.S. military compound. Although such bombings are not unusual in Saigon, it could have been the first Communist reaction to the coup.

★ ★ ★

Two Vietnamese girls were slightly injured and an official U.S. car was damaged.

Besides the Communists, Khanh faces grave dangers from within South Viet Nam's army.

SUPPORTERS PURGED

In a statement to the nation, Khanh said the revolt was aimed at purging supporters of French President Charles de Gaulle's neutralization policy.

But most Americans in Saigon believe the coup was the result of a military power struggle.

The U.S. State Department disclaimed any responsibility for the coup. In Saigon, U.S. sources said Ambassador Henry Cabot Lodge had learned of Khanh's plans only on the night of the coup and urged him to avoid bloodshed.

Although U.S. Sources welcomed Khanh's strong pro-U.S. and anti-Communist stance, they were deeply concerned about the fate of a nation to which the United States has committed 14,000 troops.

Stock Option Called Key to Large Profits

(EDITOR'S NOTE: Corporations are reporting earnings higher than ever before. Various reasons are given. but management gives chief credit to executive incentives, such as bonuses and stock options. Here is a report on the bonus system.)

By ROGER LANE
AP Business News Writer

NEW YORK — Cash bonuses, stock options and other special incentives to executives play a role in generating record corporation profits like those now being reported.

Practically every big company offers incentive compensation to lure and hold able managers.

Rewards under most plans are geared to profits. For top executives, the incentive often is tailored to overcome the federal income tax rates on high bracket salaries.

General Motors Corp. awarded more than $100 million bonuses at the start of 1963, based on employe performance in 1962. Last Monday, GM reported 1963 earnings of $1,592,000,000 more money than any business has ever made in a year.

Stock options granted to Lynn Townsend, president, and six other officers of Chrysler Corp., a GM rival, stirred a demand by Sen. Albert Gore, D-Tenn., to outlaw such privileges.

★ ★ ★

The Chrysler group, which converted an ailing firm into a big money-maker, benefited more than $3 million recently through a preferential stock purchase-sale arrangement.

★ ★ ★

"This stock option privilege is a tax abuse which is growing," Gore said. He called it detrimental to stockholders and unfair to taxpayers.

★ ★ ★

Some companies have profit-sharing plans. Others have savings-investment funds in which the company matches the individual's contribution.

STEEL INCENTIVES

U.S. Steel Corp. has seven kinds of incentives, some available to blue collar as well as white collar employes—such as rewards for suggestions to improve efficiency.

Analysts credit the GM bonus plan, established in 1918, with an important part in the development and retention of GM's excellent management corps.

★ ★ ★

In all likelihood, bonuses will exceed $100 million again this year. They could amount to half again as much.

★ ★ ★

Awards granted last February—the so-called 1962-related bonus — were distributed to about 14,000 employes, most of them salaried men and women earning more than $9,600 a year.

SIZE OF BONUS

The size of the bonus — or whether an employe will get one — is determined anew each year, based in the first instance on a recommendation of his immediate superior.

Pontiac Press Photo

WORKSHOP PARTICIPANTS — Some 50 Waterford Township art teachers yesterday completed a three-day workshop in modern creative art education conducted by Mrs. Betty Dabbs of New York. Discussing simple craft techniques with paper and paste to gain three dimensional effects are (from left) teachers Mrs. Dale McIntyre and Harvey Hernandez; Mrs. M. J. Root, elementary art coordinator for the school system; and Mrs. Dabbs, art consultant for Binney & Smith, Inc.

U.S. Urges Freeze on Armed Rockets

(Continued From Page One)

levels, increases which seem inevitable in the absence of agreement."

The American proposal would freeze strategic missiles, aircraft and antimissile missiles.

No further technical development of these delivery vehicles would be allowed, and they would be kept at a constant numerical level.

★ ★ ★

East and West would agree to allow the testing of missiles—without warheads — to ensure continued reliability of the systems.

DESTROY MISSILES

Each missile taken out of operation after the freeze would be destroyed and replaced by a missile of exactly the same type.

'Neutralize SE Asians'

(Continued From Page One)

viet Union that does not take China's influence into account.

For Southeast Asia, he mentioned Viet Nam, Laos, Cambodia, India, Pakistan and Burma.

De Gaulle's previous advocacy of neutralization of Communist North Viet Nam and the U.S.-backed Republic of South Viet Nam was a factor in the Saigon coup executed by Maj. Gen. Nguyen Khanh yesterday.

De Gaulle recognized Mao Tze-tung's regime Monday and Paris and Peking announced they would exchange ambassadors within three months.

Though protesting bitterly, Nationalist China maintained its diplomatic ties with France.

De Gaulle sidestepped any direct comment on the Nationalist regime of President Chiang Kai-shek, or its possible place in a two-Chinas policy.

NATIONAL WEATHER — Rain will fall tonight from the middle Atlantic Coast states southward and into the Gulf states with snow to the north over most of New England. Snow will fall along the Pacific Northwest Coast with snow over the northern Rockies. It will be warmer along the Atlantic seaboard and colder in the Mississippi Valley and Plains States with little temperature change elsewhere.

Adjourn Court in Girl's Death

(Continued From Page One)

too little blood to establish its type for comparison with the victim's.

One of the witnesses was a Seaholm High School student who told police that Lovaas had given him the knife minutes after Nancy was slain.

Five of the witnesses were teen-agers who placed Daniel at or near the scene of the slaying on that morning.

One police officer and several of the young witnesses returned this morning for questioning by the boy's counsel.

★ ★ ★

County Senior Assistant Prosecutor Robert L. Templin said it has not yet been decided whether a waiver will be requested to permit the boy to be brought to trial as an adult.

Lone Bandit Robs Station

A lone bandit, who reportedly kept his right hand in his pocket as if he were holding a weapon, last night robbed the Tulsa Oil Co. station at 701 S. Saginaw of $74.14.

★ ★ ★

Station attendant Howard Robinson, 20, of 174 State said the man came to the station at 10 p.m. and told him he would get hurt if he didn't hand over all the money.

Democrats Try Dues for Finance

Starting tomorrow, Democrats in Oakland County will be trying to prove a point, while hoping to raise some cash for state and county party treasuries at the same time.

They would like to demonstrate that a political party can be supported financially through dues-paying memberships.

"It's never been completely successful anywhere," admits Deputy County Democratic Chairman James M. McNeely. "But I'm not ready to give up yet."

★ ★ ★

A 12-member steering committee, meeting last night to complete plans for the county's part in the statewide party membership drive, decided on a two-month pronged attack.

MAKE CONTACTS

February will be devoted to contacting some 3,000 persons who have been active in the county Democratic party or local Democratic clubs in the past, or who have attended party functions.

After this solid core of party faithful has been canvassed, March will be devoted to recruiting new members at $3 annual dues each.

Each of the 12 members of the committee directly associated with the drive has taken part of the county as his responsibility.

★ ★ ★

"The full potential of party financing by dues-paying members has never been realized despite all the hard work put into it in Oakland County and Michigan," McNeely said.

NOT TYPICAL

He said it was not considered a typical approach, like contributions and special fund drives, and that it has been tried in few other states.

The dues of $3 is up from last year's $2.50.

The increase will go toward reduction of the state party's past debt, McNeely said.

★ ★ ★

The state party organization will get $1.75 and the county party coffers $1.25.

Rep. Law Blasts Leniency in State Rape Sentences

A Pontiac legislator today cited leniency in the laws and the courts as his reason for introducing a bill in Lansing yesterday to set a 10-year minimum sentence for forcible rape.

State Rep. Arthur J. Law, D-Pontiac, also referred to "a big increase in rape cases" in the Pontiac and Detroit areas.

"Our laws dealing with rape and other sex crimes are far too lenient," Law said.

★ ★ ★

He said light sentences also have been a factor in the increase.

Statistics obtained from the State Corrections Commission showed that of 79 convictions for criminal assault in 1961, there were no life sentences and the majority went to prison for less than five years, according to Law.

Law said he obtained statistics from local police last fall that disclosed an increase in the incidence of rape cases.

"I am especially concerned that we have had so many, and there are probably a lot more that go unreported because the victims are afraid," he said.

This month, the Pontiac police department released crime figures for the year 1963 that showed that only rape and aggravated assault cases showed declines from the previous year.

There were five rape cases reported in 1963 compared with nine in 1962, the department said.

Law said the stiffer sentence he proposes might not deter rapists, "but it would keep them out of action for at least 10 years.

Michigan law provides for imprisonment for any number of years up to and including life at the discretion of the judge.

City Gazers Have Pick on Satellite Viewing

Pontiac satellite watchers can choose tomorrow morning between the Echo 2 and the newly launched Saturn I.

The Echo will make two appearances, the first at 4:25 a.m. in the east and the second at 6:12 a.m. in the west. Sandwiched in between will be a visit by the Saturn at 5:27 a.m. in the south sky.

Congress Hears LBJ

Asks Farm Aid Hike

WASHINGTON (AP) — President Johnson told Congress today the government should extend a bigger helping hand to the nation's farmers.

He called for broader federal payments and urged efforts for reducing rural poverty.

The President sent his views to Capitol Hill in a special farm message.

★ ★ ★

In taking a firm stand in support of federal intervention in agriculture, he may well have laid down the line for his party's election-year battle on the farm issue.

He asked for revival of part of the controversial Brannan Plan.

Many Republicans and some farm groups want the government to make a gradual withdrawal from government price, production and marketing control programs for agriculture.

Johnson's proposals for commodity programs contained no surprises for farm leaders.

★ ★ ★

They were in line with those advanced last year by President Kennedy and by Secretary of Agriculture Orville L. Freeman.

IMPROVING INCOME

Changes in the commodity programs for cotton, wheat, milk and potatoes are aimed at improving the income of the producers of these products and at strengthening the family farm.

A five-year extension of the Food for Peace program and an expansion of the domestic food stamp program were also requested.

The President urged greater use of human and material resources in rural America under programs aimed at combatting poverty, largely through greater emphasis on the agriculture department's rural areas development program.

★ ★ ★

He said he would be more specific in a later message on poverty.

COST OF PROGRAM?

How much would his farm program cost?

Johnson gave the figures 10 days ago in his budget message.

He asked $5.8 billion for overall farm program spending in the year starting next July 1—$1.1 billion below this year's total.

★ ★ ★

Of the new total, about $1.7 billion would be spent for farm aid programs — compared with $1.9 billion this year.

Birmingham Area News

Proposed Zoning Code Prompts Extra Meeting

BLOOMFIELD HILLS — City commissioners have called a special session Monday night to discuss the proposed new zoning ordinance and appoint a member to their group.

The zoning ordinance, the product of almost three years of controversy, survived a public hearing Jan. 15.

The approximately 125 residents attending indicated they feel much like the commission, supporting the code except for two areas in which opinion is split.

★ ★ ★

A three-man majority of the commissioners has supported provision for the construction of three-story town houses in multiple residence zones and allowing 4.5 families per acre there.

RECOMMENDATION

The more lenient restrictions were recommended by the city planning commission, itself split on the issue. Favoring them have been City Commissioners David W. Lee and James A. Beresford and Mayor Pro Tem Louis J. Colombo Jr.

The late Mayor Lyman J. Craig and Commissioner Henry L. Woolfenden were opposed to this portion of the proposed code.

Also on the agenda for Monday night's meeting is the appointment of a commissioner to serve for Craig, who died Sunday following a heart attack.

The appointee will hold office until the April 6 city election at which voters will choose someone to fill out the unexpired half of Craig's two-year term.

Challenged by a father who says he doesn't mind going to court, the Birmingham Board of Education will hold a Sunday night meeting on sororities.

Bethel Kelley of 640 Henley, Birmingham, said he is willing to make a test case out of his daughter's involvement in an unauthorized organization.

The Detroit attorney has encouraged his 16-year-old daughter Nancy, a Seaholm High School junior, to participate in Tau Alpha Epsilon.

★ ★ ★

The school board has ruled that TAE is illegal under state statute forbidding the existence of sororities, fraternities and secret groups in public high schools.

A board letter warned parents they were liable to be prosecuted if they allowed their children to participate in such groups.

Mrs. John E. Johansen

Service for Mrs. John E. (Wilhelmina) Johansen, 84, of 3889 Carriage, Birmingham, will be 10 a.m. tomorrow at St. James Episcopal Church. Cremation will follow in White Chapel Crematorium.

Mrs. Johansen died Wednesday.

Her body will be at Bell Chapel of the William R. Hamilton Co. until 9 a.m. tomorrow.

Surviving are a son, Edward L., with whom she made her home; a brother and a grandson.

EDWARD M. TURNER

Death Takes Rights Leader

Detroit NAACP Head Expires in Hospital

DETROIT (AP) — Edward M. Turner, soft spoken fighter for Michigan civil rights, died in a suburban River Rouge hospital Thursday.

★ ★ ★

Turner, 57, was president of the giant Detroit chapter of the National Association for the Advancement of Colored People (NAACP) for the past 13 years and the Michigan Conference of NAACP branches for the past 12.

Active in the NAACP since 1939, he was regarded by many in the Negro community as a leader of the conservative element in the organization.

A member of the organization's national board of directors, Turner was hospitalized last week for the fourth time this month. Doctors said he had cancer of the right arm.

He headed the largest NAACP chapter in the nation. The Detroit chapter has about 27,000 members. Turner also was a prime organizer last summer of the March for Freedom in Detroit, participated in by more than 100,000 persons, and the Washington Freedom March.

★ ★ ★

He was appointed to the Mayor's Interracial Committee in 1948, but resigned in 1954, apparently frustrated over its slow pace.

He served as chairman of the Michigan Coordinating Council for Civil Rights and as co-chairman of the Citizens Committee for Equal Opportunity. He was a member of the first Michigan Advisory Committee to the United States Commission on Civil Rights, the Wolverine Bar Association and the National Lawyers Guild.

U.S. Cause May Be Lost in SE Asia

By WILLIAM L. RYAN

The new military coup in South Viet Nam may be regarded in Southeast Asia, with some justification, as an indication that the U.S. cause in that strategic area is beginning to look hopeless.

When Southeast Asia begins to feel the Communists are winning the whole political picture can change. Ultimately the U.S. effort to save South Viet Nam—at a cost of many American lives and half a billion dollars a year—may fail.

News Analysis

* * *

The announced intention of those who mounted the new coup was to prevent neutralization of the country. They implied that President Charles de Gaulle's French government was plotting with ranking officers of the deposed military junta to bring this about and drive out the United States.

The fear may have been genuine enough to make de Gaulle the villain of the piece. He has advocated neutralization, and his recognition of Red China seems part of an attempt to reassert France's influence in her lost Indochinese empire. But hunger for power among Viet Nam's generals also seems to have played a major part.

PILE OF CONFUSION

The coup has piled confusion upon confusion. The impression is created that no one in South Viet Nam is really strong enough to rule. It raises critical morale problems which strike at the core of the U.S. effort.

Morale, civilian and military, was the biggest South Viet Nam problem before the military junta headed by Maj. Gen. Dumng Van Minh brought to a bloody end the rule of President Ngo Dinh Diem and his brother, Ngo Dinh Nhu.

* * *

There were hopes then that Big Minh's coup, welcomed by the United States, would permit the army to mount a serious drive against Communist guerrillas infesting the Mekong Delta area, the country's rice granary and most populous region.

Not much came of these hopes. Generals went in for politicking for power rather than for earnest warfare against the Communists.

HEAVY ATTACKS

Viet Cong guerrillas made the most of the confusion. They mounted heavy attacks, battered army outposts, overran strategic hamlets and reaped propaganda victories.

Now there is new confusion and the Communists will take full advantage again.

With de Gaulle taking an active role in attempting to shape the future of Southeast Asia, and with the fortunes of the United States in South Viet Nam looking shakier all the time, governments in the area fenses with Red China before it will be thinking of mending their is too late.

The battle in South Viet Nam has been uphill. Today the hill seems steeper than ever.

State Officials Eye Pollution

South Bend Sewage Flows Into Michigan

ST. JOSEPH (AP) — Michigan health authorities started testing the St. Joseph River for pollution Thursday after learning that raw sewage had flowed into the stream at South Bend, Ind.

A strike by South Bend municipal workers left the city's sewage treatment plant undermanned Wednesday and Thursday.

Michigan officials were concerned over the possible pollution effect of the St. Joseph River in Berrien County. The river flows through the county and empties into Lake Michigan at Benton Harbor - St. Joseph.

Most of Wednesday's sewage went through the South Bend treatment plant without processing, following north with the river the short distance into Michigan. Mayor Lloyd M. Allen of the Indiana city said, however, that by noon Thursday enough workers were on hand to bring the sewage treatment operation back almost to normal.

HIRE REPLACEMENTS

City departments at South Bend continued Thursday to hire replacements for striking unionized workers and Mayor Allen said every last striker would be replaced.

The sewage department was the hardest hit of the three city departments struck in the union dispute with the new Republican administration. Only one of its 32 sewage plant operators remained on the job in the strike that started Wednesday.

Did Terrorists Raid Armory?

Quebec Separatists Sought by Authorities

MONTREAL (UPI) — Four police forces today hunted 15 youthful terrorists who raided an armory yesterday and escaped with a huge stock of military weapons and ammunition.

City police, aided by federal, provincial and army investigators, scoured the city and eastern Quebec for the bandits who cleaned out the Fusiliers Mont Royal arms supply yesterday morning.

Suspected were members of a French Canadian separatist group calling itself the Mouvement Revolutionaire de Quebec (MRQ).

★ ★ ★

First word of the daylight robbery came in a telephone call to a French newspaper (La Presse) shortly after 9 a.m.

JUST THE FIRST

The anonymous caller, who said he was a member of the MRQ, said the raid was the first of many incidents that "signaled the rebirth of the active war on imperialism and the fight for the freedom of Quebec."

Police checked the armory to find the caretaker and eight workers bound and gagged in a storeroom. Most of the regiment's weapons and ammunition supply had been stolen.

A mild panic followed. In Ottawa, Defense Minister Paul Hellyer said his department had ordered a full investigation.

★ ★ ★

The first report to Ottawa listed the arms taken as three anti-tank bazookas, four mortar bomb launchers, 60 semi-automatic rifles, 30 machine guns, five pistols and thousands of rounds of ammunition.

ALSO RADIOS

The army said several walkie talkies and other military stores also were missing.

RCMP Deputy Commissioner J. R. Lemieux said the incident was "bad enough to start a small war," and pledged the full cooperation of the Mounties.

A spokesman of Prime Minister Lester B. Pearson's office said Pearson, vacationing in Florida, would be briefed on the raid during his daily telephone call to Ottawa.

NY Schools Threatened by Boycott

NEW YORK (AP) The city board of education called civil rights leaders to a meeting today in an attempt to avert a boycott of the nation's largest public school system, set for Monday.

The New York Citywide Committee for Integrated Schools notified members of the board today, but said: "We will not be caught in a time bomb of 11th-hour negotiations."

★ ★ ★

The Rev. Milton A. Galamison, head of the integration committee, said he could "not foresee any development of significance developing from such a meeting that would alter present boycott plans."

Bayard Rustin, organizer of last August's march on Washington and now working for the committee, said: "There is no means by which this boycott can be stopped. Although Mayor Robert F. Wagner has entered the picture, nothing the mayor can do will stop the boycott."

OPEN DISCUSSIONS

Wagner called for a frank and open discussion between the board and civil rights groups.

Civil rights groups have rejected as inadequate and deceptive a Board of Education plan which called for improving the racial balance over the next three years in about 30 of the city's 165 predominantly Negro and Puerto Rican schools. It does not provide for an immediate large-scale exchange of pupils between white and Negro schools, as demanded by civil rights groups.

Rustin said the boycott would "be the first of a series of one-day strikes against the school system" which has almost one million pupils. More than half of them are Negroes and Puerto Ricans.

United States railways operate 25,000 trucks, trailers and buses.

Robin Hood Hailed From Nottingham

NOTTINGHAM, England (AP)—The sheriff of Nottingham has sent congratulations to Robin Hood—of Monticello, Ark.

Robin, son of Mr. and Mrs. Mack Hood, is to marry on St. Valentine's Day (Feb. 14). The bride-to-be is Ruth, daughter of Mr. and Mrs. Truman Linn, of Monticello.

Glenn Martin, a friend of Robin's, wrote the sheriff, Alderman Percy Holland, telling him of the coming happy occasion. Holland wrote to Robin, sending "My cordial greetings and best wishes."

★ ★ ★

In a letter to Martin, the sheriff said: "The spirit of Robin Hood lives on. There are still plenty of people here who are willing to fight for a good cause."

Hearings Start on Rail Dispute

WASHINGTON (AP)—The prolonged railroad labor dispute, involving the fate of thousands of union members' jobs, takes another legal step today on its probable journey to the Supreme Court.

The U.S. Court of Appeals hears arguments on the attempt of four unions to upset the ruling of an arbitration board created by Congress.

A lower federal court earlier this month upheld the ruling to allow eventual eliminating of more than 30,000 firemen on nearly 200 railroads and open up approximately 19,000 train crewmen.

The railroads call the issue "featherbedding" and say the firemen they want to eliminate are unnecessary on modern freight and yard Diesel engines. Passenger trains are not involved in the firemen's issue but are included in the provision for review and possible elimination of other crewmen.

UNIONS CONTEND

The unions contend that safety and other working conditions would be jeopardized by elimination of the man.

The unions have said they will take the case to the Supreme Court if necessary. The four are the Independent Brotherhood of Locomotive Engineers and three AFL-CIO unions, the Brotherhood of Locomotive Firemen and Enginemen, the Brotherhood of Railway Trainmen and the Switchmen's Union of North America.

The railroads agreed to postpone the effective date of the arbitration ruling until after it is argued out in the courts.

All-White Jury Sworn In to Decide Fate of Beckwith

JACKSON, Miss. (AP) — The state will seek the death penalty for Byron De La Beckwith, a white man charged with murder in the slaying of Medgar Evers, a Negro civil rights leader.

Dist. Atty. William L. Waller, 37, said the state wants the death penalty in the case—one of the most controversial in Mississippi history.

Beckwith, 43, a segregationist, is accused of shooting Evers in the back with a high - powered rifle from ambush last June 12.

The all-white jury, plus an alternate juror in case one of the 12 falls ill, was sworn in Thursday. Choosing it took four days, plus three night sessions.

Beckwith's wife arrived at the Circuit Court shortly before the 12th juror was seated.

The Beckwiths showed no sign of past marital stresses and storms that led to divorces, remarriages and estrangement. He greeted her, during a court recess, with a hug and kisses.

The defendant's wife took a seat beside him at the defense table and watched the proceedings with interest.

Some of the questions asked prospective jurors provided a clear picture of what the district attorney refers to as the popular attitude toward the case.

QUESTION JURORS

"The victim carried on integration activities that were repulsive to you and me," said Waller. "Now, I'm asking that you consider him as just any Negro. But can you put these things out of your mind and consider only the evidence?"

Another question was: "Do you think the law ought to be upheld, regardless of who the parties involved might be?"

Evers, 37, was state field secretary for the National Association for the Advancement of Colored People.

He was killed as he stepped from his car at his Jackson home. It happened during an NAACP drive to crack rigid racial barriers in Jackson.

Estimates were that it would be at least four days before the jury gets the case—and perhaps more than a week.

Southern Editor Dies

CUMBERLAND, Md. (AP) — Paul Martin-Dillon, 80, associate editor of the Cumberland Evening Times and the Sunday Times, died Thursday. He joined the paper in 1940 after serving as director of the Bureau of Information of the National Catholic Welfare Conference in Washington. Martin-Dillon, who also had worked for several other newspapers, was born in Chicago.

Frightened Fawn Destroys Dish in Escape Effort

BLOOMSBURG, Pa. (AP) — It wasn't as destructive as a bull in a china shop, but the fawn browsing in a main street electrical appliance store did cause some damage when it became frightened and tried to escape.

The animal, which apparently entered unnoticed through the rear loading door, was spotted nosing quietly around the merchandise displays.

Becoming agitated at the interest it aroused, it bounded toward a plate glass window and broke a glass dish.

★ ★ ★

Employes captured the fawn and released it in a nearby wooded area.

Minister Jailed; Will Not Serve Even as Civilian

DETROIT (AP)—A 24-year-old Jehovah's Witnesses minister has been sentenced to federal prison for refusing to serve in the army or accept civilian duty in its place.

U.S. District Judge Wade H. McCree Jr., Thursday sentenced Eugene C. Vargo to two years in prison. He said Vargo went beyond the bounds of a conscientious objector when he refused to accept civilian duty at a Detroit hospital.

★ ★ ★

After the sentencing, McCree gave Vargo an opportunity to set the conviction aside by reconsidering, but the defendant said: "I would rather let things stand as they are."

Man Found Guilty in Passenger Death

Circuit Court Judge Stanton G. Dondero yesterday found a Commerce Township man guilty of negligent homicide in the auto crash death of a passenger in a car the defendant was driving.

Convicted was Walter R. Meadows, 30, of 1702 Birchton. Judge Dondero will pass sentence on Meadows Feb. 18.

Meadows was charged in the death of 28-year-old Richard M. Langforth of the same Commerce Township address.

Langforth died of injuries suffered when a car in which he was riding crashed into the rear of a truck on the I-96 freeway in Wixom Oct. 28.

Meadows was driving the car.

McCormick Kin Dies

CHICAGO (AP)—Leander J. McCormick, 76, grandson of one of the founders of the International Harvester Co., died Wednesday in St. Tropez, France, where he has lived since 1947. His grandfather, Leander J., founded the firm with a brother, Cyrus Hall McCormick, who developed the reaper and established the family fortune. He was born in Chicago.

Falls Asleep, Misses TV

KANSAS CITY (AP) — Mrs. Yetta Czarlinsky fell asleep and missed the end of the late, late show. She also missed her television set when she awakened in the morning.

★ ★ ★

Settling down on a couch in the recreation room to watch her portable TV set, Mrs. Czarlinsky dozed off.

Police said the thief must have entered the room from a door leading onto the patio no more than a foot from where she slept.

Federal - state public assistance payments to the needy cost each person in the U.S. an average of $20.49 in the year ended last June 30.

The ocean's version of a waterfall is a sandfall, formed when currents push sand down the steep sides of underwater canyons.

Governor's Aid Plea Merits U.S. Approval

Gov. ROMNEY'S recent move to qualify Michigan for greater Federal aid in the area of social welfare merits full commendation and speedy action by the legislature to implement his recommendations.

Under his proposals $14.9 million would become available for:

- **Expanded assistance to dependent children of unemployed parents.**
- **Increased compensation to nursing homes for care of old-age assistance clients.**
- **Liberalized eligibility standards for medical assistance to the indigent aged.**
- **Transfer of some 2,000 disabled persons from relief rolls to the Federally-financed program under a change in qualifying definition.**

★ ★ ★

Other benefits would come from related broadening of the State program for teaching work skills to the blind, and easing the mandatory maximum tax millage on Detroit property for direct relief, savings therefrom leading toward greater Federal participation.

Present Michigan welfare programs involved are currently costing State and local governments $36.1 million and the Federal government $28 million. Under the proposed changes, $33.8 million would be borne by the first category and $41.6 by the latter.

In advocating greater use of available Federal programs, the Governor points out that Michigan is now number one in the Nation in state and local relief costs.

★ ★ ★

"Michigan is paying twice for many of its welfare programs, while contributing far more tax dollars to the national government than does the average state. On the other hand," he said, "we receive far less than the average state in Federal grants-in-aid available for those same programs."

Air World Observes 50 Years of Service

This month the air world celebrates the 50th anniversary of scheduled airline service.

★ ★ ★

In January 1914, just 10 years after the Wrights flew at Kitty Hawk, pilot Tony Jannus took off in a Benoist Airboat with one passenger from St. Petersburg, Fla., and flew across the bay to Tampa. The St. Petersburg-Tampa Airboat Line carried 1,200 passengers during the three months it was in operation.

In 1963, reports the Air Transport Association of America, the Nation's scheduled airlines carried almost 70 million passengers.

★ ★ ★

That's a lot of people to let themselves get up in the air over a single idea: To get from here to there as speedily as possible.

DO LIVE IT UP – But With What???

So you've kicked the cigarette habit. You no longer automatically reach for a pack that isn't there every time you sit down to a cup of coffee.

Brother, you're still abusing your system. Better dump that steaming cup of dark, delicious delight down the drain.

★ ★ ★

The American Heart Association reports that a long-term study of over 1,000 men who participated in a heart disease experiment indicates that coffee intake and heart disease are related. There was "a significant correlation between the use of coffee and the later discovery of coronary disease."

So stop smoking. Stop drinking coffee. Stop eating foods high in saturated fats. Cut down your caloric intake, meaning candy, butter, potatoes — all the goodies.

Better yet, stop eating entirely, for with every bite you're taking in traces of chemical pesticides which, like radioactive elements, accumulate and accumulate.

(By the way, do you REALLY know how much strontium-90 is concentrated in your bone marrow?)

★ ★ ★

Most important of all, stop breathing, because the air over our cities is simply loaded with pollutants that are corroding away your lungs and related innards like crazy.

Above all, enjoy life.

Will Rusk Do More Talking?

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON — That President Johnson has a high regard for Secretary of State Dean Rusk is known. Not known is how much he will let Rusk talk. At this point, perhaps Johnson doesn't know.

MARLOW

Under President John F. Kennedy, Rusk was a secondary and almost shadowy figure who played second fiddle. He was an expert technician in the highly complex foreign affairs field where he had specialized since school days.

But he stayed in the background, letting Kennedy make all the important announcements and pronouncements. Rusk seemed highly satisfied to leave it that way.

This was a switch from the days of President Dwight D. Eisenhower. He often sounded like an echo of his older, forceful, sometimes belligerent and always colorful secretary, John Foster Dulles, who died of cancer in 1959.

★ ★ ★

Dulles asserted himself from the beginning, apparently with Eisenhower's full blessing. Dulles was foreign policy. He was in office only seven days when he talked to the nation on television.

It was a harsh, flamboyant, and in a way undiplomatic talk. But it set the tone for his six years in office.

WORKED EXTREMELY HARD

Dulles worked extremely hard. So does Rusk, but differently. The public was far more aware of Dulles with his record-breaking travels and sometimes unfortunate comments.

The change under Kennedy was so complete it had to be deliberate. Rusk's statements, never as memorable as Dulles', were almost invariably the obvious ones. Or he simply repeated a position already taken by Kennedy.

As a result, his place in the history books won't be as vivid as Dulles'. But from the standpoint of day-to-day living, it was easier on him. His low-key observations had a special benefit for him.

★ ★ ★

He has never been criticized as Dulles was. If you doubt it, just try to remember when Rusk has been criticized for anything, even in Congress by Republicans.

LOT OF REBUKES

Dulles made headlines but exposed himself and the Eisenhower administration to a lot of rebukes, although Dulles always seemed to be getting them because it was he, more than Eisenhower, who stuck his neck out.

In his Senate years, Kennedy seemed to pay more attention to foreign affairs than Johnson, who made his fame as an operator on domestic problems.

Therefore, Kennedy had some positive ideas of his own when he took office. For this reason it won't be surprising that if for a while at least Johnson lets Rusk do more talking than Kennedy did.

★ ★ ★

This is unlikely to last long. Johnson likes to talk, perhaps more than Kennedy. In the end he probably will, like Kennedy, do the main talking on foreign policy while, like Kennedy, getting advice from Rusk.

More Stereo!

David Lawrence Says:

U.S. Won't Tread on Red Toes

WASHINGTON—Troubles are multiplying all over the world for the United States government, which still refuses to look facts in the face and instead follows a policy of wishful thinking and avoidance of realistic truths.

LAWRENCE

For the biggest single fact is that, whether in South Viet Nam or Cyprus or Berlin or Africa or Cuba or Panama, the hand of evil is Communistic and is directed by the Kremlin.

But as the Communist apparatus spreads its operations throughout the world and meddles in Cuba, in Panama, and in other Latin American countries, as well as in Africa and Asia, the main culprit — the Soviet government — is treated as if no crime has been committed anywhere.

Subversion by the Communists is denounced and infiltration condemned, but the United States continues futile talkfests in Geneva on the subject of "disarmament," even as the Russians themselves refuse to take the word of the American government that an unarmed training plane strayed across a boundary.

There is not the slightest sign of the mutual trust and good faith so essential to any successful negotiation between civilized governments.

★ ★ ★

The Soviet government, which is responsible for the provocation of trouble on every continent, maintains an innocent posture, and the free world selfishly and foolishly consents to furnish economic aid to the Communist side in the cold war.

MUCH BLAME

It is a tragic situation for which the peoples of the West must take much of the blame. Many leaders, moreover, and many segments of the press — in Europe, especially — are adopting a course of appeasement toward the Soviets.

Despite all the mischief being wrought by the Moscow government, the sending of goods — including the sale of wheat — and the lending of money to the Cold War enemy are considered legitimate. This is vigorously defended in London, Paris and Washington, as well as in other capitals of this hemisphere.

★ ★ ★

What is the answer?

It is to sever commercial and eventually, if necessary, diplomatic relations with any government that cannot be trusted to keep its word and that refuses to cease violating the oldest principles of international law and the words of the United Nations charter which condemn any interference by an outside power in the internal affairs of any other country.

If, as alleged by Secretary of Defense Robert McNamara, the United States is militarily stronger than Russia, then the existence of such strength ought to be sufficient to cause the Kremlin to stop meddling in the internal affairs of other countries.

But there is doubt whether this armed power means anything, because the free governments of the world continue pussyfoot policies.

Resoluteness has become an obsolete word.

The appeasement at Munich is scornfully referred to nowadays as ancient history because it happened 25 years ago. But it cannot be forgotten that less than 12 months afterward the most destructive war of all times broke out.

(Copyright 1964, New York Herald Tribune Syndicate, Inc.)

Bob Considine Asks:

What Is the Justification in 'Putting Away' Horse?

NEW YORK — The "mercy killing" of the million-dollar filly Lamb Chop after she snapped an ankle in the big race at Santa Anita last Saturday was couched in the customary unctuous terms.

CONSIDINE

She was "put to sleep," one announcement said. "She suffered no pain," a veterinarian commented.

He produced no evidence to support his claim, of course.

I took my questions to Sammy Renick, the scholarly former jockey.

"Sure it makes a person feel bad to hear about a thing like that," he said. "I suppose you want to know why a beautiful animal like that couldn't have been saved — as dogs with broken legs are saved.

"Well, soon as I heard about Lamb Chop the whole memory of Good Gamble came back.

★ ★ ★

"I loved Good Gamble, and she liked me, too," the courtly little man said.

TALK TO HER

"When we'd do the half mile I'd loosen my hold a little and talk to her. I'd say, 'Whoa, Honey . . . Whoa, Baby,' and she'd ease down. I'd always keep her head low during this time.

"Well, one morning I had a smashup driving to Sagamore and didn't get there until after both sets were over. The place was a funeral parlor.

"What happened was that they put Lloyd Knapp on her, when I didn't show up.

★ ★ ★

"When he finished whatever distance the work was he did what you do to most horses. He simply pulled her up. No 'Whoa, Honey,' no keeping her head down.

EASES PRESSURE

"Her head came up and she spun it to the right, to ease the pressure on the bit. It caused her to swerve. She hit the fence and broke her left hip.

"Everybody wanted to save Good Gamble. She was so special.

"So they built a big latticed hammock, suspended it from the stable room with eight ropes, and lifted Good Gamble until just the tips of her hooves could touch the flooring — to give her confidence.

★ ★ ★

"I stayed with her, talking to her. I could see her dying right before my eyes. You could almost hear the weight drop from her bones. She had to be in excruciating pain.

CAN'T CRY

"They tell me animals cannot cry. Good Gamble could cry, by God. She'd look at me and after a time I couldn't look at her any longer. She seemed to be saying, 'Sammy, do something for me . . . do something.' "

★ ★ ★

Sammy paused. "So she was 'put away,' " he said, resignedly. "Someday we'll find a way to take care of these things."

Voice of the People:

Mudholes on South Blvd. Dismay City Taxpayer

Between the new perimeter road and the new and beautiful city hall, the new library, the new fire hall and the great and famous truck plant, there are those ugly mudholes two blocks long, right off South Boulevard. As a world-famous city, we cannot do away with this long-standing nuisance because the city is in a no-money dilemma.

★ ★ ★

As an individual taxpayer, I don't count much. You all can tell me to fly a kite or get stuck in those mudholes, get lost or if I don't like it, I can shut-up and get out. But I feel sorry for those beautiful things on wheels that are driven through those messy deep mudholes on the way to and from work.

How about it, citizens? Isn't this a case of taxation and segregation without accommodation?

591 Bradford — **William Mihay**

Another Complains of Garbage Setup

That was a wonderful protest Mrs. Hill voiced about lugging garbage. We were told it would save money if we hauled our garbage to the curb, but how could it unless they laid off men who need the work? I am ill and my 75-year-old wife must perform this man's job. It's too bad the trucks leave so much litter behind.

18 Chamberlain — **Roy J. Bennett**

'Should Investigate Other Dangers, Too'

The recent scare concerning cigarettes and cancer bothers me very much. I agree that it is of considerable danger, but what about alcohol, unsafe cars, drugs, etc.? Why pick on this one item and forget about the others? Let's get something done about these things, too!

Drayton Plains — **C. Campbell**

(Editor's Note: If the writer of the letter signed "Summit St." will submit his name and address for our files, we will be glad to publish the letter.)

'Leave Money to Probe Smoke Problem'

I read in The Press where Walter Reuther's UAW will try to relieve General Motors "of those heavy money bags that are breaking their backs." Please, Mr. Reuther, leave a small bag and ask the Pontiac foundry if they can do something about the smoke and debris that float around us. Maybe they can donate gas masks if their engineers can't come up with a solution.

"Smokey" the Northsider

Against Firemen Flooding Skating Rinks

In reply to "Skater's" letter regarding the fire department flooding rinks, maybe he should ask Parkside Apartment tenants what their opinions would be. If the firefighters had been flooding rinks, instead of being at the station two blocks away when the alarm came in, valuable time would have been lost.

Since the city is unable to flood the rinks one solution would be for fathers in each PTA to be responsible for flooding an area at their school.

We pay taxes for our fighters to protect lives and property, not to flood skating rinks.

425 E. Beverly — **Mrs. Barbara DeHaven**

'Good Traits Ignored in Peace Time'

Why do we admire heroism, self-sacrifice, devotion to duty in time of war, and in days of peace declare these to be feminine virtues? Why do we in time of war commend the soldier for obedience, and in peace have such little respect for that obedience to authority that we outlaw it from our homes and schools and produce a race of juvenile delinquents?

★ ★ ★

Shall we ask our soldiers to give their lives to save our country and in time of peace say that it is a destruction of liberty to ask a man to give an answer to the question: Are you a loyal American or are you a Communist? There is no Fifth Amendment on the battlefield behind which soldiers may hide.

True Executive

The Austin (Ill.) Austinite

A successful executive is someone who delegates all the responsibility . . . shifts all the blame . . . and appropriates all the credit.

Student Engineers

The Flint Journal

Educators and others are noting a strange phenomenon in this country. While for the past five years the demand for engineers has steadily risen, the number of students enrolling in engineering has just as steadily declined.

In 1960, U.S. universities graduated 38,000 engineers. In 1961, the figure dropped to 36,000. And the drop is continuing.

This downward trend is especially puzzling at a time when industry and government are devoting more and more energy to space and defense and many other technological research programs.

All signs indicate the demand for engineers will continue indefinitely—at least 48,000 openings a year, at starting salaries currently averaging $7,000.

Why then are students shunning engineering, or dropping out after a year or two?

The National Academy of Sciences has appointed a top-level committee to consider the problem. Another group, the Engineering Manpower Commission, is trying to find answers.

★ ★ ★

Some suggestions indicate that there is a lack of dedication among would-be engineers; that they are not adequately prepared in high schools for the difficult college engineering courses; that colleges do not work hard enough at discouraging engineering school students from transferring to other courses.

Whatever the reasons, it seems to be a matter of some urgency that the answers be found.

Government Spending

Grit

Our federal government probably spends as much accidentally now as it did on purpose 30 years ago.

Strange Reasoning

The Adrian Daily Telegram

Some strange reasoning is coming out of Panama these days. It was United States "aggression," it seems, when rioting Panamanians began burning American-owned automobiles in the streets, sacking and burning the offices of American-owned companies and attacking guards around a high school in the U.S.-controlled Canal Zone.

Now it is adding a new charge against the United States. It calls it "economic aggression." Its basis is this. Panama has been getting foreign aid from the United states and argues it has every right to expect it will be continued, come what may.

★ ★ ★

But, so The Panama argument runs, this flow of aid has to continue and it cannot be reduced or cut off. It cannot be cut even though Panama has broken off diplomatic relations with the United States and ordered American officials out of the country.

And it rejects completely our State Department's explanation that we cannot provide aid for the practical reason that the American administering personnel got out of the country coincident with Panama's suspension of diplomatic relations.

OU Sets Book Review Service

Oakland University has added a unique book review service — Oakland Reading Review — to its program for graduates.

Issued this week as a semi-annual publication, the Oakland Reading Review consists of book reviews by faculty members, who select books purely on the basis of personal choice.

Gary A. Woditsch, director of the alumni education program and editor of the review, said instructors are able to convey their present interests to past students.

★ ★ ★

The review, which has also been sent to adults who have been students in OU's Division of Continuing Education, is a small portion of a program to stimulate the educational development of students beyond graduation.

FIRST EDITION

Woditsch said 11 reviewers participated in the first edition.

The initial issue carries reviews of James Baldwin's "The Fire Next Time," "Great Teaching" by Houston Peterson, and "Man-Made Transuranium Elements" by Glenn T. Seaborg.

Oakland's alumni education program, founded by the Kellogg Foundation, is designed to provide college graduates assistance in meeting their life-long education needs.

★ ★ ★

The program encourages alumni to use educational institutions most accessible to them, not necessarily Oakland University.

Sgt. York Is Better, but Still Seriously Ill

JAMESTOWN, Tenn. (AP) — Sgt. Alvin York, 76, showed some improvement today, but he still is in serious condition, hospital authorities said.

The World War I hero was taken to the hospital Wednesday. York's physician said his life was not in danger but he needed to restore body liquids.

California has 2,361,000 former servicemen and women, giving it the highest number of veterans in the nation. Alaska, with 24,000, has the fewest of any state.

Rights Bill Before House

Vote Is Expected After Week's Debate

WASHINGTON (AP) — The civil rights bill launched last summer at the height of Negro demonstrations reaches the House floor today.

At least a week of debate and wrangling over amendments faces the House before a vote is taken on the omnibus measure aimed at strengthening federal authority to deal with racial discrimination wherever it exists.

★ ★ ★

Shaped by a bipartisan group and strongly backed by Democratic and Republican House leaders, it is expected to emerge from the House in fairly good shape, ready for the tougher struggle awaiting it in the Senate.

Ten hours have been set aside for general debate and the House will meet again Saturday in hopes of using them all up by Saturday night and starting on the amendments Monday. Under House rules each member is entitled to speak for five minutes on any amendment.

PLAN FINAL VOTE

The Republicans, most of whom plan to leave town to attend Lincoln Day rallies the week starting Feb. 9, would like to complete action on the bill by next Friday. The leadership has said only that a final vote will come by Feb. 11.

The bill is the most sweeping in the field of civil rights to come before Congress in a century and Southerners are prepared to mount the oratorical and as "the greatest grasp fo breastworks to oppose it.

★ ★ ★

Three provisions in particular are certain to draw the heaviest fire, and with many Republicans also having reservations about them, are the most susceptible to amendment.

These provisions would ban racial discrimination in hotels, motels, restaurants, theaters, sports arenas and other places generally open to the public; create an equal employment opportunity commission to investigate complaints of racial discrimination in employment practices and seek redress in the courts for violations; and empower federal agencies to cut off funds for programs or activities in which states discriminate among the recipients on the basis of race.

'Ripper' to Die for Ax Murders

MOSCOW (UPI) — Vladimir Ionesyan, the "Ivan the Ripper" who once held Moscow in a grip of terror, has been sentenced to death for five ax murders and the rape of a teen-age girl, Soviet sources reported today.

The news, following a two-day trial behind closed doors, spread through the capital with a speed matched only by the lurid stories that preceded his capture.

Crime news normally is not reported here, but even Premier Nikita S. Khrushchev once referred to this case. He called it a "hangover" from the past.

★ ★ ★

The sources said that Ionesyan's girlfriend, Alvetina Dmitrieva, was sentenced to 15 years in jail as an accomplice to one of his crimes.

HELPED POLICE

They also said that indirectly, she helped police trap "the Ripper."

Both were tried by the Soviet Supreme Court. There is no appeal, but under Communist law, prisoners condemned to die have a right to ask for clemency. Usually such requests are refused, however.

The trial was barred to Western reporters, and spectators were allowed by invitation only.

★ ★ ★

Russian authorities, who do not like to admit crime can exist under communism, rarely permit crime stories to be published in the controlled press.

WARN RESIDENTS

During the New Year's holidays, Soviet authorities suddenly began warning people not to open their doors to strangers.

The sources said Ionesyan, 27 and personable, would pose as a gas meter reader to get inside an apartment and then pull an ax from his briefcase and kill his victim.

★ ★ ★

The press has said his motive was money.

★ ★ ★

Although the "Ripper's" murders have been marked by what appears to have been sadistic brutality, the official Communist organs have claimed he was sane.

Woman Loses Life in Ski Tow Accident

ALTA, Utah (AP) — Evelyn Rothman, 24, Los Angeles, was killed Thursday when her scarf became entangled in a ski tow rope.

Officials said she and her husband, Dr. Ronald Rothman, were guests at a lodge at this ski resort near Salt Lake City.

Army Private Electrocuted

Pontiac Youth Dies in Florida Accident

A 19-year-old Army private from Pontiac was electrocuted yesterday at MacDill Air Force Base, Fla., when he accidentally touched a 13,000-volt wire.

Pfc. Walter Blevins, son of Mr. and Mrs. Robert Blevins, 192 W. Kennett, was working on communications lines when the accident occurred.

He was a communications technician assigned to a paratrooper unit.

The victim had completed 16 parachute jumps without a scratch before he was killed, according to a member of his family.

Blevins enlisted in the Army in 1961 after attending Pontiac Northern High School.

Besides his parents, he is survived by two sisters, Nancy and Lola, and two brothers, Wayne and Estel, all of Pontiac.

He was a member of Hillcrest Nazarene Church in Pontiac.

Funeral service will be held Tuesday in Arlington National Cemetery, Arlington, Va.

Famed Botanist Dies

PITTSBURGH, Pa. (AP) — Dr. Otto Emery Jennings, 86, a botanist and retired director of Carnegie Museum, died Wednesday. Jennings became custodian at Carnegie Museum in 1904, later became curator and in 1945 was named director. He was born near Olena, Ohio.

700 Newspapers at Convention in East Lansing

EAST LANSING (AP) — An automotive official, an advertising executive, a scientist and a cartoonist will be among the speakers today and Saturday at the 96th annual convention of the Michigan Press Association at Michigan State University.

Nearly 700 daily and weekly newspaper editors and publishers and their wives planned to attend the sessions to discuss problems, latest techniques and new ideas.

★ ★ ★

President-elect Vidian Roe of the Fremont Times-Indicator is slated to succeed John Batdorff of the Traverse City Record-Eagle as president.

The convention's opening was on the light side with cartoonist Virgil Partch the noon luncheon speaker today. Lee Iacocca, general manager of the Ford Division of Ford Motor Co., will report on the automobile market and how it affects Michigan economy at the evening dinner. Delegates will be guests of the MSU Board of Trustees.

No. 1 In A Series of reports by Blue Shield designed to acquaint you with the Blue Shield Benefits and the ways in which Blue Shield Serves You.

YOU SHOULD KNOW—

THERE ARE VERY BIG DIFFERENCES BETWEEN BLUE SHIELD AND MEDICAL-SURGICAL INSURERS

Because there are a number of medical insurance companies today some people may think they are all pretty much alike. But Blue Shield, the plan which pays your doctor bills, differs from most others in four ways that can be extremely important in serving your best interests.

FIRST

When you enroll in Blue Shield you become a "subscriber" in a non-profit corporation which was organized for the purpose set forth in an Enabling Act passed by the Legislature of the State of Michigan in 1939. Section 1 of this Enabling Act, which clearly states the purpose of Blue Shield, is reproduced herewith.

So Blue Shield is concerned only with providing the best of Medical-Surgical care — at the lowest cost to subscribers.

THE DIFFERENCE When you seek Medical-Surgical care protection under most other plans you become a "policy-holder" in a profit-making company which does not operate under the Enabling Act referred to above. Other companies operate on an entirely different concept than that of Blue Shield.

HOW BLUE SHIELD CAME INTO BEING:

The People of the State of Michigan enact: *Section 1.* "It is the purpose and intent of this act, and the policy of the legislature, to promote a wider distribution of medical care and to maintain the standing and promote the progress of the science and art of medicine in this state."

An excerpt from the Enabling Act (M.P.A. 108-1939)

SECOND

When you are hospitalized, for illness or surgery, Blue Shield pays your doctor for the contract services he performs for you while you are in the hospital. Talk to your doctor about "paid-in-full" benefits. If your doctor is "fully participating" with Blue Shield, he agrees to accept the Blue Shield fees paid him as full payment, if your annual income is $7,500 or less.* You pay your doctor nothing more for these contract services.

THE DIFFERENCE Most insurance company health care plans pay you a fixed amount, which may or may not cover the doctor's fee. When it doesn't, you must make up the difference.

It is important to note that Blue Shield pays only for those services performed by your doctor, or directly supervised by him. Blue Cross, a companion but separate health care plan, pays your hospital bills.

THIRD

Even when your doctor's fees for necessary medical care or surgery may run into thousands of dollars, due to prolonged treatment, Blue Shield continues to protect you. This is because, in compliance with the spirit of the Enabling Act, Blue Shield is dedicated to protecting its subscribers against the tremendous financial burden of long, costly Medical-Surgical treatment.

THE DIFFERENCE Most other medical care or health insurance policies have definite limits as to the amounts that will be paid, regardless of the doctor's normal charge, and the length of time your protection is in force.

FOURTH

You do not have to be hospitalized in order to benefit from Blue Shield payments to your doctor. Many services, Surgery and Anesthesia for example, are paid for by Blue Shield when performed in a doctor's office. Thus, you do not have to be hospitalized in order to have your Medical-Surgical bills covered by Blue Shield.

THE DIFFERENCE Many health care companies combine provision for payment for doctor's fees and hospitalization coverages in a single policy or contract. Some require that you be hospitalized in order for you to collect.

*SUBSCRIBER GROUP "A" limited to those with incomes under $2,500
SUBSCRIBER GROUP "B" limited to those with incomes under $5,000
SUBSCRIBER GROUP "C" limited to those with incomes under $7,500
SUBSCRIBER GROUP "D" limited to those with incomes over $7,500

There are, of course, other ways in which Blue Shield Protection differs from that offered by other companies. All of these differences add-up, we believe, to the fact, that Blue Shield provides the finest, most comprehensive protection—at the lowest possible cost.

So that you may understand more fully how Blue Shield serves you we will, at regular intervals, publish additional factual reports. The subject matter of these reports to be issued is listed below. Should you, as a Blue Shield subscriber, or prospective subscriber, be interested in having these reports mailed directly to you, as they appear, you need only send us your name and address.

Change of Perspective

Poets Like Misunderstanding

By DICK WEST

WASHINGTON (UPI)—Every now and then the Library of Congress invites me to come over to its place and sit at the feet of a poet.

WEST

I almost always go, for I have found that it gives me a change of perspective. Ordinarily, I spend my time in the press gallery sitting over the heads of congressmen.

This week the poet at whose feet I sat was Karl Shapiro, a former consultant in poetry at the library who had returned to his old haunts to deliver a lecture.

Poets, as you know, are almost universally misunderstood. They like it that way. If a poet suspects that someone is understanding him, it makes him nervous.

I won't do Shapiro the injustice of pretending that I understand his poetry, but I do feel that I understand his reasons for having become a poet.

★ ★ ★

Among the things that led him into this field were "a lack of interest in study," "boredom," "self-pity," "bad memory" and "fear of lightning and dogs."

SAME THINGS

Oddly enough, these are the very same things that caused me to become a newspaperman.

Shapiro, who won the Pulitzer Prize for poetry in 1945, began his career at the age of 17 by stealing a rhyming dictionary from a high school in Baltimore.

Had he stolen a hammer, he presumably would have become a carpenter and the world would have lost a fine poet.

His poetic instincts were further sharpened by the depression of the 1930's. Shapiro said that was a fine time for him because it kept him from getting a job.

IN MEDICAL CORPS

The next great influence was World War II. He served as a company clerk in the Medical Corps and became "something of an adept at goofing off to write poems."

For several years after the war, Shapiro edited a poetry magazine in Chicago. In that capacity, his main job was to find enough money to keep it afloat.

"Once I passed Tony Accardo on the street, and the thought flashed through my mind that perhaps the syndicate would help support poetry," he said.

★ ★ ★

"I didn't follow that up, but in the end we founded a drinking club on the premises that promised a solution until the whole thing unaccountably blew up."

RATHER PROSAIC

Shapiro is now a teacher at the University of Nebraska, which is a rather prosaic thing for a poet to be doing. Had he approached Accardo that day in Chicago he might now be poet laureate of the Cosa Nostra.

Road Survey Begun

LANSING (AP) — State Highway Department crews have started surveying for 10 miles of modernzation in on M95 north of Iron Mountain in Dickinson County. The project, to cost $900,000, will go under contract early in 1966.

Conversation Is Preventive

Potential Suicides Can Be Dissuaded

(Editor's Note: This is the fifth and last dispatch on suicide by the national reporter of United Press International.)

By HARRY FERGUSON

WASHINGTON (UPI) — One day Harry M. Warren Jr., president of the national Save a Life League in New York, and Hans Gross, a teen-age Jewish boy, started a deadly game that was to last for weeks.

A bottle of poison stood on the desk between them. Gross wanted to drink it. Warren was trying to talk him out of it.

"Give me your word that you will postpone it until tomorrow," Warren urged. "I want you back here at the same time. I'm asking you to give me a chance."

Gross put the bottle of poison back in his pocket and walked out. The next day he was back and for many days thereafter he returned, always carrying the bottle of poison.

DON'T NEED IT

Then came the day when Gross handed the bottle to Warren and said: "I won't need this. I'm sure now."

The Save a Life League has lived up to its name by preventing more than 60,000 suicides. It is nonprofit, nonsectarian and, in a sense, nonscientific.

Warren is a former minister, not a psychiatrist, but his work has enlisted the interest and assistance of many scientists.

"I know from experience," Warren says, "that nearly everybody who comtemplates suicide can be persuaded not to do it."

BELIEF CONFIRMED

The experience of other organizations confirms his belief.

The Suicide Prevention Center in Los Angeles has a record of saving more than 99 per cent of the potential suicides who seek its aid.

But every year about 20,000 Americans take their own lives —twice the number of persons who commit homicides — and compared to other killers suicide is almost an unknown, unmapped area of death. Scientists have been slow to attack the problem.

★ ★ ★

People who succeed in suicide do so because they either haven't anybody to talk to about it or they can't bring themselves to discuss it.

NO FRIENDS

Gross (which is not his real name) wanted to kill himself because his parents were under persecution in Nazi Germany. He had no friends in New York to talk to and if he hadn't gone to see Warren he would be dead today.

The most trivial event can prevent a suicide. A friendly phone call at the right moment, the arrival of a letter, an invitation to attend a movie.

In some cases Warren relies heavily on handing the person a $5 bill or buying a good meal.

★ ★ ★

He tells of one case where just a snatch of conversation with a stranger saved a life.

ASKS QUESTION

A young man, lonely and broke, was preparing to jump in front of a New York subway train. A man sitting next to him in the subway car asked, "Does this train stop at Chambers Street?" The young man replied, "Yes, it does," got off at the next station and decided not to kill himself. He had been in communication with another human being.

Even members of the family of a potential suicide are not always aware he is planning self destruction because he doesn't talk about it. But he betrays his intentions by certain attitudes and actions:

• A more than normal interest in the provisions of his insurance policies or a sudden decision to take out insurance which he cannot afford.

★ ★ ★

• Outward signs of an inner conflict. He will say he is going to do something and then not do it, or he will say he is not going to do something and then do it.

GRAVE OFFENSE

• He will take grave offense over trival things — minor disappointments, casual or humorous criticisms, fancied neglect.

Then there are persons who announce they are going to kill themsives, usually with such comments as "You won't have to put up with me much longer" or "I think I am too much of a burden on you."

The dangerous thing to do here is to ignore such comments or to try to laugh them off.

★ ★ ★

Eight out of 10 persons who kill themselves make some statement that indicates their intentions. They should be placed in the care of a physician or psychiatrist immediately.

OBSCURE REASON

Somethimes the real reason for suicide is so obscure that even a psychiatrist cannot get to the root of the trouble.

Dr. Louis Gay Balsam tells about a man who inherited a prosperous business from his father. The business began to deteriorate and the man told friends "I have failed my wife, my daughter and my employes." Then he killed himself.

"But only after he was dead did the real reason come out," writes Balsam. "The man for years had day dreamed, thinking of himself as another Somerset Maugham, surrounded by brilliant friends, writers apd artists.

★ ★ ★

"For the first few years before he took over the business, his wife disclosed later, he had submitted about two short stories a year. They were merely fragments of experience without any creative touch or integration. He got them all back. Finally he gave up and sent in no more.

'INEXCUSABLE SHAM'

Six years before he killed himself he told his wife that his writings were 'an inexcusable sham.'"

★ ★ ★

Worry about his failure as a writer caused him to neglect his business, but he might have survived even if he hadn't sold any of his fiction.

★ ★ ★

It might have been enough if friends had read his stories and discussed them with him.

Mercury:
The look, the feel, the ride of a great road car
. . . and a championship record to back it up

Daytona . . . Pikes Peak . . . wherever the competition-modified big cars meet . . . the consistent winner in the medium-price class is Mercury. And, for the same reasons, you'll find it a great road car. A solider, more substantial ride. Easier handling. Up to 319 pounds more heft than other medium-price cars. Example: the big 390 cu. in. V-8 that's standard equipment. Yet, for all its extra muscle, Mercury's look is trim, lithe, elegant. And so luxurious! Great road car? Yes. At your Mercury dealer's.

Science Quiz

By BOB BROWN

PROBLEM: Freeze with the Fingers.

NEEDED: Two ice cubes.

DO THIS: Press the ice cubes tightly together, pressing one flat surface against another. The cubes will freeze together.

WHY? The increase in pressure lowers the melting point and some of the ice melts at the place of contact.

Then the water freezes again when the pressure is reduced.

COMMENT: Glaciers flow because of this principle. Where there is great pressure against the ice it melts a little, then freezes again after the pressure is lessened.

This continual thawing and freezing may let a glacier move a few inches a day downward toward the sea.

Get the new collection of these science tricks. Look for it in bookstores under the name "Science Circus No. 2." Fleet of New York is the publisher.

(Copyright 1964, General Features Corp.)

A flexible phonograph needle is said to reduce wear on records.

Solon Asks Lottery, Legal Bookmaking

LANSING (AP) — Michigan's number one advocate of off-track betting and a state lottery has put his favorite proposals before the legislature again.

Rep. E. A. Fitzpatrick, D-Detroit, introduced a bill to permit legal bookmaking and a resolution to amend the constitution to permit sweepstakes, lotteries and bingo.

He said the combination of both proposals, if approved, could bring $200 million in new money into state coffers and possibly a tax cut.

Fire Damage Is Up

LANSING (AP) — Forest and grass fires cost Michigan property owners some $135,700 in damages last year, about $17,000 more than the previous year, reports the State Conservation Department.

Two Men Find 'Highly Secret' Boxes of Sand

NASHVILLE, Tenn. (AP)—Albert Holland and Frank Osbar found a small package marked "Top Secret — Cape Kennedy" in a Nashville street yesterday

"Rocket fuel — keep off hands—will burn," read a warning on the side of the 12-inch-square box.

Prying open the box, the men found sand. A smaller box was buried in it. They gingerly opened that box and found—more sand.

"A guy offered me two dollars for my share of it," Osbar said. "I wish I'd taken it."

Vacation homes now constitute about 6 per cent of the home construction market.

Cement Freighter Sets Lakes Mark for Early Sailing

DETROIT (AP) — A Great Lakes freighter set a record for early sailing Thursday when it steamed out of Detroit for Alpena. But it didn't have smooth sailing.

The 350-foot cement carrier John W. Boardman, of the Huron Portland Cement Co., radioed the Coast Guard for assistance when it became stuck in an ice jam in the St. Clair River near Algonac.

★ ★ ★

Unseasonably warm temperatures had cleared Lake Huron of ice from Port Huron to Alpena, and the ice in Lake St. Clair, which was 15 inches thick last week, was only a three inch crust Thursday.

The vessel followed a path cleared by the ice breaker Mackinaw. But in the river, the ice shifted so that the clear path was no longer over the deep channel.

United States steel imports in 1963 exceeded an estimated 5 million tons for the first time.

Tense Nerves Block Bowels

Your colon has nerves that control regularity. When you are tense or nervous, normal bowel impulses may be blocked—and you become constipated. New COLONAID tablets relieve this misery with a new principle—a unique colonic nerve stimulant plus special bulking action as recommended by many doctors. Result? COLONAID puts your colon back to work—gently relieves constipation overnight. You feel great! Get clinically-proved COLONAID today. Introductory size 43¢

Labor Warm, Solons Split on Overtime Pay Proposal

WASHINGTON (AP) — President Johnson's proposal to create more jobs in some industries by imposing double overtime pay rates won warm labor support today, but reaction in Congress was split.

★ ★ ★

Speedy hearings were promised in the House, but chairman Lister Hill of the Senate Labor Committee expressed doubt the proposed legislation would boost employment.

The Johnson proposal would be a long step toward labor's demands for double overtime and a 35-hour work week as measures to reduce chronic unemployment that now stands at 4 million.

MAJOR ATTACK

Johnson opposes the 35 - hour week, but an AFL-CIO spokesman said his overtime proposal was a major attack on a principal cause of the high jobless rate.

Secretary of Labor W. Willard Wirtz estimates more than 900,000 jobs could be created by discouraging overtime and encouraging the hiring of new employes.

★ ★ ★

Johnson's proposal would authorize the secretary of labor to set up tripartite labor-management-public commitees to recommend which industries and conditions would require the double overtime rates.

Johnson also sent to Congress legislation to extend overtime and minimum wage protection to more than 2 million additional workers. The proposals were in the form of amendments to tht Fair Labor Standards Act.

START IMMEDIATELY

Chairman Adam Clayton Powell, D-NY, of the House Labor Committee said, "I hope we can start work immediately" on the Johnson proposals, "if possible, this week."

He said that while 5.8 per cent of the nation's work force is unemployed, another 7.2 per cent either hold down two jobs or work overtime.

★ ★ ★

The idea behind raising overtime rates is to make it so expensive for employers to use present workers for overtime that they will hire new employes.

But Hill said: "We all want more jobs for more people but there's a question in my mind whether this would provide them."

DAMPENED HOPES

The Alabama Democrat dampened administration hopes for early Senate hearings on the overtime bill. He said hearings probably could not start until after the Senate disposes of tax and civil rights legislation, and that may take weeks.

The argument advanced by those who claim higher overtime rates won't create jobs is that employers often find it cheaper to pay overtime than to take on new men. Rush jobs can always be anticipated, and the cost of hiring new men is spiraling with increased fringe benefits and higher Social Security taxes.

Crash Kills Flint Man

ENID, Miss. (AP) — Mrs. James Alcorn of Flint, Mich., was killed Thursday in a station wagon-truck collision near here.

Not Counting Coast Votes Yet—Rocky

NEW YORK (AP)—Gov. Nelson A. Rockefeller is enthusiastic about his reception during a three-day campaign tour of California but he says he's not counting convention delegates yet.

Rockefeller returned to New York Thursday night from California, where he has entered the June 2 Republican presidential primary. He said he got an excellent reception on the trip, his first to California as a 1964 presidential candidate.

Rockefeller returns to New Hampshire today to seek support for the state's first-in-the nation primary on March 10.

At Long Beach, Calif., Rockefeller cited the latest coup in South Viet Nam and said the American people "still have not been told the facts."

Rockefeller will open his national campaign headquarters in New York City next Wednesday. He will speak to a U.S. Chamber of Commerce luncheon in Washington the next day and then leave for Oregon to open his campaign in that state's presidential primary.

Youth Convicted on Auto Charge

A 17-year-old Independence Township youth was convicted by a Circuit Court jury yesterday of possessing a stolen car.

Robert E. VanKleek of 4555 Rettek was found guilty after a trial before Judge Philip Pratt. VanKleek is to be sentenced Feb. 25.

He was accused of having in his possession Nov. 2 a car stolen from the parking lot of a Pontiac tavern.

The youth was on probation for burglary when he was arrested.

Dr. Wayne G. Brandstadt Says:

Number of Diabetes Cases Is Growing

Diabetes, like the motor car, is here to stay. This is because it is definitely an inherited disease.

BRANDSTADT

The number of persons who are capable of passing it on to their offspring is increasing.

The underlying cause is a deficiency in the ability of the pancreas to manufacture a sufficient amount of insulin.

★ ★ ★

This is the hormone that enables the tissues, especially muscles, to transform the glucose in the blood into energy.

When insulin is lacking, the level of glucose in the blood rises. When it exceeds a certain level it is eliminated in the urine.

Thus the carbohydrates and sugars in the diet are wasted and the muscles, deprived of nourishment, become weak.

★ ★ ★

High blood-sugar levels favor an increase in the acidity of the blood (acidosis). This acts as a poison and may result in a diabetic coma.

Obese persons run a greater risk of developing diabetes than slender persons. Often all that is necessary to control a mild diabetes in an obese person is to bring his weight down.

In any diabetic a strict dietary control is important because an increase in calories from any source will cause an increase in the blood sugar.

★ ★ ★

If diet alone will not control the disease, a diabetic must take either insulin or one of the drugs such as tolbutamide that lowers the blood sugar level.

NOT ALWAYS WORKS

Tolbutamide can be taken by mouth but it is not effective in all diabetics.

The number of calories in the diet is adjusted to the individual needs of a diabetic and the amount of either type of drug is carefully balanced.

The reason the diabetic should not increase his desserts and then make a corresponding increase in his medicine is that this will cause him to gain weight again and make his diabetes harder to control.

★ ★ ★

Diabetics frequently are warned not to sit with their legs crossed because this impedes the circulation in one leg and anything that impedes the circulation also invites gangrene.

Other complications include degenerative changes in the retina, kidneys and arteries of the heart and brain.

$55,000 to Widow for Seaman's Death

DETROIT (AP)—The widow of a Rogers City seaman has been awarded $55,000 for his death on Lake Erie in June, 1959.

A Federal District Court jury made the award Thursday to Mrs. Jean M. Vallee, 45, for the death of her husband Victor, 41. The verdict was against the American Steamship Co. of Buffalo.

The suit charged that Vallee fell on the deck of a coal ship, and that a doctor who was summoned failed to diagnose that his skull had been fractured. It said the doctor ordered him to bed. Vallee died six hours later.

Two State Women Rescued in Congo

KIKWIT, The Congo (AP) — Two Michigan women were among 19 Americans rescued Thursday from a mission at the town of Idiofa, scene of a pro-Communist terrorist attack.

They were identified as Betty Parks, 32, of Grand Rapids, and Clarissa Barton, 32, of Fremont.

They were evacuated by U.N. helicopters.

Singer Wins Award

DETROI (AP) — Rodney E. Stenborg, 26, Detroit baritone, Thursday won the annual Grinnell Scholarship competition and a chance to compete in the Feb. 2 Metropolitan Opera Regional finals in Cleveland. He received a $2,500 scholarship.

Slow Start in Senate on Tax Cut Bill

WASHINGTON (AP) — Senate debate on the $11.6-billion tax cut bill is off to a slow start, but its supporters expect voting on the top-priority administration measure to start early next week.

Sen. George A. Smathers, D-Fla., planned to continue the case for the bill with a floor speech today. But leaders said an expected heavy quota of absentees would prevent any decisions on the measure.

Echoing administration arguments in his prepared remarks, Smathers declared the tax bill "will breathe new life into our private economy."

★ ★ ★

"It is a bill that will give our economy new weapons and new responsibilities to help it move with maximum momentum far closer to its enormous potential," he said.

PRESSING PROBLEMS

"It is a bill that will contribute far more to the solution of our most pressing economic problems — unemployment, idle industrial capacity, persistent deficits in our budget and our international accounts."

Sen. Russell B. Long, D-La., floor manager for the bill, made the opening speech in its behalf yesterday.

Long centered most of his remarks on four controversial issues expected to be settled on the floor.

Two of these are the provision to repeal the 4 per cent credit allowed on stock dividend income and the action of the Senate Finance Committee in knocking out a cut in capital gains tax rates inserted by the House.

Yanks' Bodies in West Berlin

Brief Ceremony Held for 3 Dead Airmen

BERLIN (AP) — The bodies of three U.S. Air Force officers shot down over Communist East Germany were brought to West Berlin today.

A brief ceremony was held at West Berlin's Tempelhof Airport before the bodies were loaded aboard a U.S. Air Force transport to be flown to Wiesbaden, in West Germany.

The fliers were stationed at Wiesbaden and their widows and children live there.

★ ★ ★

The officers, whose unarmed jet trainer was shot down Tuesday by Soviet fighters, were Lt. Col. Gerald Hannaford, 41, of Austin, Tex.; Capt. Donald Millard, 33, Ukiah, Calif.; and Capt. John Lorraine, 34, Jacksonville, Fla.

UNTIL TONIGHT

The bodies and the wreckage of the twin-engine T39 trainer were to have been brought out of East Germany together. But recovery of the wreckage apparently proved more difficult than expected. Air Force authorities said it would not arrive in West Berlin until tonight.

The Russians agreed yesterday to release the bodies and the wreckage. A U.S. military convoy left Berlin yesterday afternoon.

But because of intermittent heavy snow or sleet and bad roads, the convoy did not reach the crash site 125 miles southwest of Berlin until midnight.

A U.S. Army ambulance brought the remains of the three fliers through the Dreilinden checkpoint on the autobahn and, without stopping, drove to Templehof.

Blue Grass Causes Cussin'

ALBUQUERQUE, N.M. (AP) — "We might not be able to spell it, but we sure can cuss it," says Ed Banks, Los Altos Golf Course manager.

The "it" is poa annua, a coarse blue grass which has invaded the greens at the golf course.

In a letter of complaint attached to the November financial report of the golf course, Banks misspelled the name of the grass. Parks director Robert Burgan and parks horticulturist Roy Sooter didn't know how to spell it either.

Banks said that the invading grass threw an extra burden on his work crews because "many sections of the banks of the greens had to be completely resodded."

Just Lion Around

LAKELAND, Fla. (AP)—Mrs. Jim Wellman didn't stretch the truth too much when she told friends she'd been bitten by a lion.

She stumbled over the head of a lion-skin rug and hurt her toe on one of the teeth of its open mouth.

To Stony Creek Park

Home Owners Block Sewer Work

AVON TOWNSHIP — A handful of home owners on Washington Road have forestalled —at least for a while — work in their area on the sewer line between Stony Creek Metropolitan Park and Rochester.

They've done it because they don't want the trees in front of their homes damaged.

Ironically, Kenneth L. Hallenbeck, director of the Huron-Clinton Metropolitan Authority, says the construction workers won't have to chop down the old trees.

★ ★ ★

"We believe the people are excited more about what it looks like," Hallenbeck says. "We haven't taken any trees down and don't think we'll have to, as we can tunnel under the root systems."

DON'T AGREE

About 10 residents on the northwest side of Washington Road don't think so.

Two of the families have retained Wilson Severance, a Rochester attorney, and have had a court injunction served stopping the work. Louis Garavaglia Contractors, Inc., Warren, is the firm laying the sewer line.

The injunction only prohibits the firm from trenching on two properties. However, Ray Breederlin, the Metropolitan Authority's project engineer, is going to have the crews move within the park limits after they reach the intersection near that area.

★ ★ ★

The people on Washington want assurance that the sewage line will be put in far enough toward the center of the road to prevent damage to their trees.

BE PROHIBITIED

In their complaint, the residents requested that the firm be prohibited from destroying trees which they said would cause irreparable damage that "cannot be measured in money."

An injunction was served by Circuit Court Judge Arthur Moore, halting all work on Washington. However, after reviewing the injunction, Judge Moore ordered it modified. Now only the two families signing the complaint are protected by court order.

They are Mr. and Mrs. David E. Andrews, 1815 Washington, and Mr. and Mrs. Frederick J. Westgate, 1775 Washington.

Pontiac Press Photo

HEADING NORTH — Construction men laying sewer lines between Rochester and Stony Creek Metropolitan Park are progressing northward on Washington Road, to a point. When they reach Runyon, the crews will switch over to work in the park. Dissident home owners on Washington, north of Runyon, have obtained an injunction to halt the sewer line installation in an attempt to prohibit damage to the trees in their front yards.

Severance said that after hearing of Judge Moore's position, seven other neighboring home owners contacted the attorney and said they too would like to make a formal complaint.

WRAPPING UP

Yesterday, diggers were wrapping up work south of Runyon. Breederlin said they will finish that piece and then move their equipment into the park limits, where additional work is waiting to be done.

The dissident home owners live on the portion of Washington north of Runyon.

While completing work in the park the authority will be watching Circuit Court to see if any more of the people file complaints.

★ ★ ★

Hallenbeck said the engineers have studied the matter thoroughly.

WHAT ATTITUDE?

"If the work is moved from one side of the road to the other, what's going to be the attitude of the other property owners?" he asked.

He said the Oakland County Road Commission approved the proposed location of the lines and issued a construction permit.

The road commission and the Huron - Clinton Metropolitan Authority are listed as defendants on the injunction.

Board Eyes Utica Structure

Can Convert Building for 3-Community Use

Members of the board working toward a community house for the Utica-Shelby-Sterling area have their eyes on a building they could convert into the facility.

However they're not telling where or what the building is until they wrap up negotiations, sometime within two weeks.

John Seibel, chairman of the community house board, said today the structure is in Utica, and could be converted into a community house.

★ ★ ★

Last night, the board met and heard a report from the site committee, as well as an outline of the current fund-raising progress.

FUND DRIVE

Presently workers are beginning the merchants and corporate phase of the fund drive. A total of some $6,000 was raised by resident contributions.

★ ★ ★

Although an original goal of $50,000 was set for the facility, this estimate has been revised to $20,000. The campaign will wind up next month.

MSU Week Will Examine Changing Forces on Farm

Many forces are at work which affect Michigan agriculture. Some can be controlled by the farmer. Others cannot be.

Regardless, Michigan State University agricultural economists feel that all these forces must be recognized if the farmer is to adjust to them or change them.

★ ★ ★

Recognizing these forces is the general concern of the agricultural economists in their Farmers' Week program on the MSU campus Monday through Friday.

MORNING PROGRAM

The program for the morning of Tuesday, the second day of Farmers' Week, will be entitled "Manpower, Food and Markets." Job opportunities for farm boys in the 1970's and the value of education for the farm will be one aspect of the program.

Other aspects will be the changing farm markets both in the United States and abroad. State legislation to improve markets, along with a talk on the pros and cons on trading with Communist Russia and her satellites, will highlight the program.

This program will be repeated Wednesday afternoon.

★ ★ ★

"Starting Tomorrow's Farmers Today" is the theme for Tuesday afternoon. Speakers who have had opportunities to observe young families getting started on the way to a farm of their own will present both the pitfalls and the successful features.

MAY BE START

Partnership arrangements with a set of parents may be the start for some young families. Credit may be the start of capital formation for others. Both these and other alternatives will be discussed by those who have seen them in action.

Labor and management discussions are slated for Wednesday morning. A look at the entire labor picture will be presented by an MSU agricultural economist. Applied aspects of farm labor will be discussed by two farmers.

Everything from price prospects for the coming year to the making of a will are suitable subjects the Thursday morning's program "Short Snorts."

★ ★ ★

The latest information for the farmer who wants to stay on top of the heap is available in the 10 hot tips delivered by the economists.

COMPUTERS STAR

In the afternoon, electronic computers will do everything but the talking in a demonstration showing applications for computers in modern agriculture. Speakers will describe what computers are and what they do. The computer will do the rest.

Any farmer can have the 1620 computer look at his own farm figures to uncover the strong and weak points of his business.

★ ★ ★

The computer exhibit will operate from 8:30 a.m. to 5 p.m. on Tuesday, Wednesday and Thursday. Farmers wishing to have their farms analyzed may fill out the sheet on the premises in a few minutes when they come to this year's Farmers' Week.

They should bring along their accurate figures on farm operations.

Rites in Holly

Monty-Doty Marriage

HOLLY—A gown of silk-faced peau de soie was chosen by Mary Doty for her recent marriage to Douglas Monty in the First Presbyterian Church.

The bride's floor-length gown was styled with a fitted bodice, bateau neckline and three-quarter length sleeves. A pearl headpiece held her elbow-length veil.

She carried pink chrysanthemums for the double ring ceremony.

Parents of the bride are Mr. and Mrs. Earl Doty, 205 Grant. The bridegroom is the son of Mr. and Mrs. George Monty of 11397 Martin, Holly Township.

MAID OF HONOR

Janet Doty was maid of honor for her sister's wedding and Diana Luther was bridesmaid.

Best man was John Adams with Edward McKinley and Michael Bird serving as ushers.

Completing the wedding party were Martin Howle of Howell and Barbara Potter of Clawson, cousins of the bride who served as ring bearer and flower girl.

A reception was held in the church parlors immediately after the ceremony.

EVABELLE WALKER

Mr. and Mrs. David A. Walker, 253 Church, Ortonville, announce the engagement of their daughter, Evabelle, to Ralph E. Hall, son of Mr. and Mrs. Gene Hall of Flint. A June wedding is planned.

Dance Class Is Considered

ROCHESTER—The local "Y" is looking for young teen-agers who like to dance, but don't know all the steps.

If sufficient interest is shown, a beginners' class for round and square dancing will be scheduled, under sponsorship of the local YMCA.

Students in grades 6-9 interested in joining a dancing class should contact Mrs. Frank Strubler, 1390 Sycamore.

Joint Meeting on Sewer Plan

Walled Lake, Novi Officials to Gather

WALLED LAKE — Officials of Walled Lake and Novi are going to get together next month to work on plans for their proposed joint sewerage system.

The Feb. 19 meeting resulted from a study session the Walled Lake City Council held last night with principals involved in the project.

Attending the meeting were city councilmen; the Walled Lake Sewer Study Committee; project engineers from Johnson and Anderson, Inc., Oakland County Department of Public Works representatives; and Novi Manager Harold Ackley.

Cost breakdowns for the estimated $1,715,000 project were expected from the executive meeting.

HOW IT FITS

"But we have to see how it fits into both communities," Walled Lake Manager Frank C. Derby said. "We can't commit ourselves if we don't know what Novi is going to do."

The meeting of the two councils probably will be held in Novi, although final arrangements have not been made, Derby said.

Officials have not decided whether the meeting will be open to the public.

Church Series to End in Commerce Twp.

COMMERCE TOWNSHIP — The final mission study in a series entitled "The Changing City" is scheduled for Sunday afternoon at the Commerce Methodist Church.

Rev. Lewis Redmond of Cass Community Church in Detroit will speak at 3:15 p.m. at the church, 1155 W. Commerce.

Area-State News

10 Eye Charter Posts in Cityhood Election

ORCHARD LAKE — Ten residents are ready to write a new charter for Orchard Lake.

If village voters decide they want the job done, they will pick nine of the candidates to sit on the commission responsible for drawing up a city charter.

The question of whether Orchard Lake should incorporate as a city will appear on the March 3 ballot. So will the names of candidates for the charter commission.

★ ★ ★

Among them are John C. Hall, 4121 Pontiac Trail; Sylvester Leahy, 5271 Elmgate; Everett R. Casey, 5845 Old Orchard Trail; Kenneth Treacy, 4695 Commerce; and Frederick S. Strong Jr., 4375 Pontiac Trail.

OTHER CANDIDATES

Others are Edwin M. Douglas, 4680 Dow Ridge; Mrs. Katherine M. Baker, 5581 Park; Theodore Bloom, 4875 Old Orchard Trail; Harold Knisley, 3212 Erie; and Herbert Cooley, 3500 Ward Pointe.

With a favorable vote on the cityhood question, the nine charter commissioners would have 90 days in which to prepare the new document.

Those backing cityhood for Orchard Lake have said that in such a short time the commission could make few changes and would have to rely to a large extent on the present charter.

★ ★ ★

This was the intent of the committee which drew up the proposal — to keep Orchard Lake's residential character intact while maintaining it as a separate entity.

ON BALLOT

The group last October gathered 146 signatures on a petition to place the question on the ballot. Just 100 were needed.

The response came after a meeting at which the group explained its plan to the public.

With cityhood, the group said, Orchard Lake could add to its income the $15,000 now being paid by village residents to West Bloomfield Township.

★ ★ ★

Presently, the village is receiving $73,000 in taxes on property valuated at about $3.5 million plus $25,000 in state refunds.

4-H Club to Show Film on Rockies

ORTONVILLE — "Rocky Mountain Adventure," a Howard Shelley travelogue about the Canadian Rockies, will be presented tomorrow in Brandon High School auditorium.

★ ★ ★

The 8 p. m. event is being sponsored by the Ortonville 4-H Club. It is open to the public.

★ ★ ★

The film was taken last July near Banff National Park in Alberta. It features all types of big game and picturesque waterfalls, lakes and mountain streams.

Time to Register for Yoga Class at Rochester 'Y'

ROCHESTER —Registrations still are being accepted for the 10-week "Hatha Yoga" course which begins Monday at the Rochester YMCA.

Mr. and Mrs. Paul Alexander of Troy will be instructors for the beginning Yoga classes.

The Alexanders are authorized instructors of Self-Realization Fellowship, Detroit Yoga Center.

★ ★ ★

Preregistration for classes, to be held every Monday at 8 p.m., is a must. Those taking part should eat at least three hours before each session.

Only equipment necessary is a small rug or blanket. Comfortable loose clothing — such as slacks — is recommended.

Brandon Twp. Girl Is Married in Flint

BRANDON TOWNSHIP—Mr. and Mrs. Leo S. Munsil, 1753 Perry Lake, announce the recent marriage of their daughter Dana Allyne to Ronald James Ballard in Flint.

The bridegroom is the son of Mrs. Beulah Ballard, 2549 Leach, Auburn Heights, and George Ballard of Leesburg, Fla. He is stationed at Fort Benning, Ga.

Lutherans to Present Film Feature in Troy

TROY—"A Letter to Nancy," an 80-minute film, will be shown at 3 and 7 p.m. Sunday in the St. Augustine Lutheran Church, Livernois at McKinley.

The story in this first full-length color movie made by the Lutheran Church, Missouri Synod, revolves around sharing Christian convictions. Admission is free.

Safety Talk in Milford

MILFORD—Robert V. Cullen, Automobile Club of Michigan safety education consultant, will speak to the Parent - Teacher Association at Johnson Elementary School, Monday at 7:30 p.m. His topic will be "Elementary School Safety Education."

Adult Courses at Walled Lake

WALLED LAKE — Registration for winter term adult education courses will be held from 7 to 9 p.m. Tuesday at Walled Lake High School.

The 28 courses offered will begin the following week, with late registrations accepted during the first and second meetings.

Monday classes scheduled at the high school are driver education, 7-9 p.m.; machine shop, 7:30-9:30 p.m.; upholstery, 7-10 p.m.; and beginning shorthand, 7:30-9:30 p.m.

★ ★ ★

Clifford H. Smart Junior High School will house the following Monday classes: beginning ballroom dancing, 8-9 p.m.; intermediate ballroom dancing, 9-10 p.m.; and beginning sewing, 7:30-10:30 p.m.

TUESDAY CLASSES

All but one of the Tuesday classes will be held at the high school. Among them are oil painting, 7-10 p.m.; upholstery, 7-10 p.m.; beginning sewing, 7-10 p.m.; and typing I, 7:30-9:30 p.m.

Others are intermediate knitting, 7:30-9:30 p.m.; advanced cake decorating, 7:30-9:30 p.m.; millinery, 7-9 p.m.; driver education, 7-9 p.m.; office machines, 7:30-9:30 p.m.; china painting, 7-9 p.m.

A Tuesday dog obedience course is scheduled for 7:30-9:30 p.m. at Walled Lake Junior High School.

★ ★ ★

The four Wednesday classes at the high school will be driver education, 7-9 p.m.; beginning cake decorating, 7:30-9:30 p.m.; beginning knitting, 7:30-9:30 p.m.; and beginning bookkeeping, 7:30-9:30 p.m.

GREAT BOOKS

Smart Junior High will be the scene of a 7:30-9:30 p.m. women's gym class and an 8-10 p.m. great books session Wednesdays.

Thursday classes at the high school include advanced sewing, 7-10 p.m.; refresher shorthand, 7:30-9:30 p.m.; ceramics and sculpture, 7-10 p.m.; beginning bridge, 7:30-9:30 p.m.; and intermediate bridge, 7:30-9:30 p.m.

Other Thursday classes are intermediate sewing from 8 to 11 p.m. a Smart Junior High and men's gym from 7:30 to 9:30 p.m. at Keith Elementary School.

★ ★ ★

Registration for the dog obedience course will be taken at 8 p.m. Tuesday at Walled Lake Junior High.

EDUCATION COURSE

A course entitled "Backgrounds in Mental Retardation" sponsored by the special education department of the Oakland County Board of Education also is planned.

Further information can be obtained from Mrs. Herbert Belhke, 3670 Benstein, Commerce Township.

Tuition will be charged for all but the great books and mental retardation classes.

Wait 'Til April Ballot

No Space for Primary Write-In

What are the chances of a write-in candidate winning nomination in the upcoming City Commission primary?

There's no chance at all, according to City Clerk Olga Barkeley. But it could happen in the final election April 20.

"There is no space on a primary ballot for a write - in, or sticker candidate," she said. "Only those persons who file nominating petitions are eligible to win a primary."

However, law requires a space to be left on the final election ballot in April for a write-in from each district.

COULD WIN

Thus, it is possible a write-in candidate could win over two nominees from any one district in the April election.

Victory for a write-in candidate is rare, but not unheard of.

In 1944, Pontiac's mayor was defeated by a sticker candidate.

★ ★ ★

When Nelse S. Knudsen's name was taken from the ballot because it was charged his nominating petition had been notarized illegally, Knudsen campaigned anyway as a sticker candidate from District 2.

He beat the incumbent, Philip R. Sauer, by a margin of 597 votes, providing one of the biggest election surprises in Pontiac's history.

★ ★ ★

While Knudsen had filed a petition and then later announced he'd run as a sticker candidate, this isn't necessary.

★ ★ ★

"Actually, a voter can write in the name of anyone he or she wants to in the space provided," said the clerk.

Junior Editors Quiz on DEER

QUESTION: — When do deer shed their horns?

ANSWER: There are two main types of "horns" on hoofed animals. Cattle, sheep, goats and antelope have hollow horns, made of the material horn, which is like our fingernails or the shell of a turtle.

But deer's horns are different — they are properly called "antlers" and are solid, made of bone. The true horns of cattle remain with them all the time, but the deer sheds his antlers every year.

It is in the winter that the male deer loses his antlers, (the does, or females, are without them). Missing his great antlers, which are formidable weapons, the male deer become shy and retiring.

As spring begins to come, new antlers start growing, but these are mere stumps at first, tender and covered with soft, velvety hair.

As the summer comes, the antlers are much larger, have begun to develop different points and have become harder.

By August they begin to look like the real thing but still have the velvety covering. When, in the fall, this is finally rubbed off, the solid antlers emerge in their grandeur.

Now the buck deer becomes aggressive. He's the boss of his herd, and will fight fiercely to protect it.

★ ★ ★

FOR YOU TO DO: Color the picture; there are two main color effects you might use. In a daylight one, you could make the deer tawny red against a bright blue sky; but for a night effect, make the deer much darker, and the sky a faint bluish green; leave a big white circle behind the antlers for a moon.

16 Motorists Lose Licenses

Ordered Off Road by State Agency

Sixteen area motorists recently had their drivers license either suspended or revoked by the Michigan Department of State.

Ordered to show proof of financial responsibility due to convictions of drunk driving were:

Thomas C. Hoover, 23 Prospect; James T. Johnson, 133 E. Howard; Maxwell L. Persinger, 2467 Pine Lake, Keego Harbor; and Alvin M. Whistle, 45300 Eleven Mile, Novi.

★ ★ ★

Unsatisfactory driving records caused the following to be ordered off the road:

William D. Bass, 5731 Savory; Gary L. Blickenstaff, 1253 Bramble; Henry A. Grady, 115 Henderson; Thomas L. Gregory, 5901 Wright, Troy; and Rudrick G. Otto, 1250 Redding, Birmingham.

SHOW PROOF

Ordered to show proof of financial responsibility due to unsatisfactory financial judgments against them were:

Charles D. Clark, 222 Franklin Road; Phillip Spears, 591 Wyoming; Wiley Trice, 322 Howard McNeill; Hollis A. Cole, 1940 Lakeville, Oxford; and Ronald G. Bell, 768 Davis, Birmingham.

Richard P. Molina, 259 Raeburn, was ordered off the road for driving with a suspended license.

★ ★ ★

Phillip L. Graves, 33725 Harlow, Farmington, was ordered to show proof of financial responsibility after conviction of leaving the scene of an accident.

2 Ex-Commissioners File, Bringing Candidate Total to 8

By DICK SAUNDERS

Two former city commissioners have filed nominating petitions at the city clerk's office, bringing the total to eight who have officially filed to be candidates in the spring election.

The deadline for filing is Feb. 11.

John A. Dugan, 55, of 363 Nelson has filed in District 5 and Wesley J. Wood, 57, of 11 N. Sanford has filed in District 6.

Both had previously announced they planned to seek district nomination.

★ ★ ★

Dugan, seeking his fifth term as city commissioner, was defeated by Commissioner Loy L. Ledford in 1962. The same election saw Wood defeated by Dick M. Kirby in his bid for a third term.

NOT INCUMBENTS

In addition, two others have announced their candidacy but have yet to file petitions. Most of the candidates so far are not incumbents.

Only one incumbent, William H. Taylor from District 3, has filed for reelection. Two have announced they plan to run — Mayor Robert A. Landry (Dist. 7) and Samuel J. Whiters, who was just appointed to fill out the term of District 1 Commissioner Milton R. Henry.

Assuming Whiters and Landry will file, that assures a primary in only one district so far.

There must be more than two candidates filed in a district to necessitate a primary there. Two have filed to oppose Landry in District 7.

NO ELECTION

Since the city was districted in 1940, there has never been an election where primaries were needed in all seven districts.

The closest was 1954 when a record 28 candidates filed and 26 of them were involved in primary runoffs in six districts.

There were 25 petitions filed in 1960 but the official total was 23 candidates after two withdrew from the race. That year there were primaries in only four districts.

★ ★ ★

The number of candidates filing is normally a yardstick for measuring interest in an election, and in city government in general.

MANY CANDIDATES?

Figures over the past 24 years also show a definite pattern which, if it continues, indicates there will be a large number of candidates this year.

In the last election, there were fewer nominating petitions filed than for any city commission election in a decade.

In the past, every time the number of candidates dropped below 19 or 20, the next election year saw a sharp increase in the number filing for nomination.

For example, only 14 filed in the 1942 election, but 22 filed to run in the next election (1944). Again in 1948 only 14 filed, but 21 filed in 1950.

RECORD HIGH

Again there were only 14 candidates in 1952, but two years later the total hit a record high.

The pattern seems to indicate that apathy breeds interest.

In 1962 were 17 candidates, 10 of them involved in primaries in three districts. This followed four consecutive biennial elections in which the number of candidates had remained over 20.

Past trends, coupled with the first at-large vote in 24 years, could produce a bumper crop of nominees this year.

ONE CANDIDATE

Still, there are five districts to date where only one candidate has filed a petition. However, as of now, only two incumbents — Whiters and Taylor — have no opposition.

Incumbents Charles H. Harmon (Dist. 2), Winford E. Bottom (Dist. 4) and Loy L. Ledford (Dist. 5) will face opposition if and when they run for reelections.

There's one candidate already filed in each of those districts.

If Dick M. Kirby seeks reelection in District 6, he will first have to survive a primary since two other candidates have filed already in his district.

Landry, too, faces two challengers to date in the primary.

While the total of 10 candidates either filed or announced is considerably short of a bumper crop, it is a big start compared to prior years.

★ ★ ★

Usually, the flood of petitions comes in during the last few days before deadline. Two years ago, nearly half the 17 candidates filed their petitions on the last day.

30 PETITIONS

Also, there were more than 30 nominating petitions issued to interested parties by the clerk this year: eight have been filed and two are going to be filed as announced.

Various sources throughout the city report that at least six other petitions are being circulated, three of them by incumbents.

★ ★ ★

While it's too early to accurately predict how many primaries will be needed March 2, it appears unlikely that any candidate will be unopposed.

Driver Bills Aimed at Teen

Color of License, Point System Use

LANSING (AP) — Two bills aimed at young drivers in Michigan will be ready for a vote in the House when the legislature returns to work next week.

One of the proposals is the so-called "green license" bill, which provides that drivers licenses issued to persons under 21 be a different color from adult licenses.

The bill, sponsored by Rep. John F. Toepp, R-Cadillac, is intended to curb the use of doctored drivers licenses by minors as identification for obtaining alcoholic beverages.

The secretary of state's office has recommended green as a color choice in the event the bill is approved. Michigan drivers licenses now are gray.

POINT SYSTEM

The other bill, also sponsored by Toepp, would make persons 16 and 17 years of age subject to the state's point system, under which the accumulation of 12 points in two years can cost a driver his license.

Juvenile traffic violators are now subject to Probate Court jurisdiction.

★ ★ ★

Both bills were moved into position for a vote before lawmakers recessed Thursday for the weekend.

In the Senate, a new version of the "long truck" bill of 1963 was introduced by Sen. Kent Lundgren, R - Menominee.

INCREASE LENGTH

The proposal would increase the legal length of trucks on Michigan highways from 55 to 60 feet, plus a three-foot overhang front or rear.

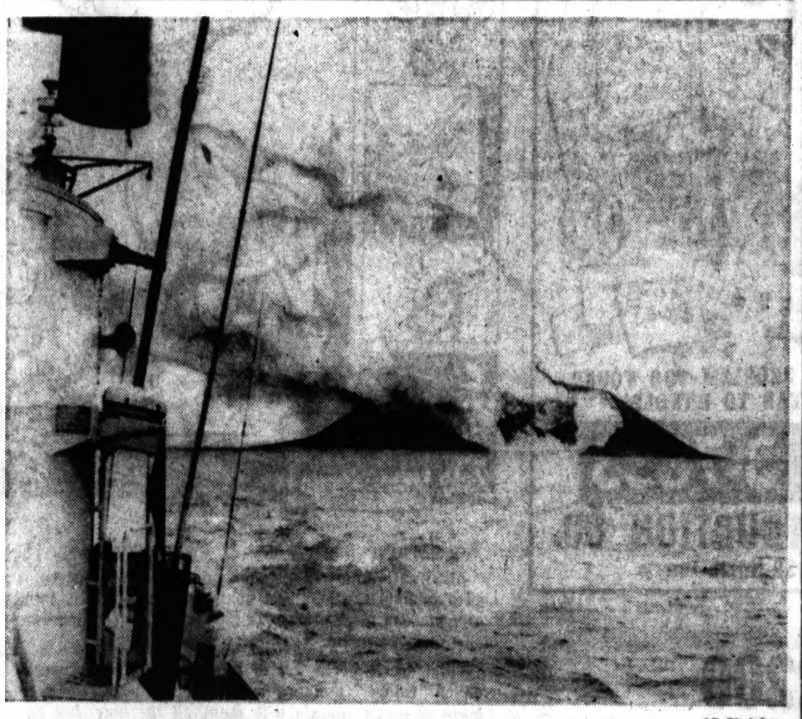
The bill's purpose is to allow auto haulaway trucks capable of carrying one extra vehicle to use Michigan highways. Truckers could gain an estimated 20 per cent in revenue, Lundgren said.

Michigan Trucking Association, which supports the proposal, said some states around Michigan have approved laws allowing 60- 63- or 64 - foot trucks.

Mexican Train Collides With Bus, Killing Ten

CUERNAVACA, Mexico (AP) —A freight train collided with a bus near Cuernavaca Thursday, killing 10 and injuring 32 of the persons aboard the bus.

All the victims were Mexicans.



AP Photofax

BUILDING AN ISLAND — Clouds of dust and steam pour from a volcano forming a new island off the coast of Iceland yesterday. The volcano, which first appeared in mid-November, has formed an island about a half-mile in diameter and nearly 480 feet high.

New Book Records Death of President

One of the most tragic events in the nation's history—the assassination of President Kennedy—is faithfully recorded in a book titled "The Torch Is Passed," now available to readers of The Pontiac Press.

Prepared by skilled writers of the Associated Press, many of whom were at the scene, this book even goes beyond the assassination.

It delves into the effect the late president's own words have had on his fellow Americans.

"The Torch Is Passed" depicts the transfer of authority to President Johnson. It tells of the many others who suddenly were plunged into new roles on the stage of history.

Bound in a hard cover, with both color and many black-and-white photographs, this book makes a handsome and important addition to any library.

LBJ Floral Wreath Put on FDR Grave

HYDE PARK, N.Y. (AP) — A floral wreath from President Johnson was placed Thursday on the grave of President Franklin D. Roosevelt during an observance of Roosevelt's 82nd birthday anniversary.

More than 100 persons attended the brief ceremony. Brig. Gen. Michael S. Davison, commandant of cadets at the U.S. Military Academy at West Point, placed the wreath on behalf of Johnson.

Modern Gypsies Set Pattern for Living

The broad smile shows that Sally Jean Wright of Keego Harbor is doing what she likes most . . . modeling. The skirt is actual 'technicolor' needlepoint and is topped with avocado green velvet and matching sash.

Pontiac Press Photos

By MIRIAM NEAL

There is a new breed of gypsy in the modern world. Members of the species work hard for salaries and answer to bosses, but they're still gypsies.

The jobs they have are never permanent and rarely the same. They work when they want, at what they want, where they want.

Where can be anyplace in the United States, or even, with a little maneuvering and luck, in foreign lands.

★ ★ ★

Unlike the old breed of gypsies, they are respected, trusted, well liked and usually welcomed into any community and occupation.

TRUE STORY

This is no fairy tale. One of these "gypsies" is Sally Jean Wright of Keego Harbor, professional model. She has worked in Miami Beach, Fla.; Milwaukee, Wis.; Detroit and Pontiac and is currently making plans to work in New York.

★ ★ ★

Succeeding in the world of modeling isn't easy and to fill the gaps between assignments, Sally needed good, but temporary jobs.

★ ★ ★

She got them. She has worked as a file clerk, a demonstrator of new products, a convention greeter, and petition signature collector — between modeling assignments.

MANPOWER, INC.

Sally is neither enchanted nor owner of a magic wand and the closest thing she has to a fairy godmother is Phyllis Flint of Manpower, Inc.

Unfortunately for romantics, the godmother's office started out looking more like a pumpkin than a palace. Phyllis and her husband Jack opened Pontiac's Manpower office on Cass Avenue in September.

There were no floors laid and paint buckets were scenting the atmosphere. Calls had to be taken under ladders and clients interviewed leaning against walls. But within a week construction was finished and the office could begin to function normally.

★ ★ ★

Normal functioning entails supplying workers for everything from mill work and typing to playing Santa Claus. Or, as Mrs. Flint says "anything that's legal."

The company supplies temporary help to clients, corporations or individuals, who pay them a set fee as well as the helper's regular salary.

BROKE PRECEDENT

Sally was the first, and remains the only model ever to appear in Mrs. Flint's office and neither one of them knew what they were doing. Mrs. Flint, who lives on Shimmons Road, had never found a job for a model and Sally had never applied for temporary employment.

They were both willing, however and before long were profiting from the experience:

The Manpower office was able to fill more jobs from the ranks of Sally's friends.

And Sally is able to remain a modern gypsy.

"Would you care for a potato chip?" asks Sally Jean Wright. She's demonstrating a product between modeling assignments. Jobs like this, provided by Manpower, Inc., enable her to choose the assignments she wants and even where she wants to work.

Women's Section

Verdi's Life Story Heard at Opera Luncheon

By SIGNE KARLSTROM

The life story of Verdi, one of the world's greatest composers, was the highlight of Thursday's opera luncheon.

★ ★ ★

It was told by Francis Robinson, assistant manager of the Metropolitan opera whose visit is always anticipated when the company arrives in Detroit.

★ ★ ★

The Detroit Grand Opera Association sponsors the Metropolitan's visit here and the strong Women's Committee has from the beginning, been a vital part of all the work involved.

★ ★ ★

Mrs. Theodore O. Yntema, general chairman, presided at the luncheon with Mrs. Lynn Townsend as her co-chairman.

★ ★ ★

Others at the speakers' table were: Wilber Mack, president of DGOA, Frank Donovan, chairman of the board, Mrs. John French, Mrs. Paul Shine and Mrs. Walker A. Williams, scholarship chairman, who returned from her home in Florida to take charge of the Grinnell's scholarship auditions.

NEW YORKER

Many were happy to greet New Yorker, Jean Dalrymple, who in 1958, received from the Belgium government, the Order of The Crown Of Belgium for her work in connection with the World's Fair.

★ ★ ★

She was the director of the U.S. performing Arts and Director of the American Theatre. Jean Dalrymple is very much the inspiration of the New York City Center and director of its drama department.

★ ★ ★

Judges for the final auditions were Miss Dalrymple, Mrs. Carolina Segrera Holden, Miss Kate Ireland, director of regional auditions for the Metropolitan Opera National Council together with John Magro.

AREA PARTICIPANTS

Among those attending the luncheon were: Mesdames: Henry Whiting Jr., Sam B. Williams, LeRoy Dahlberg, Ernest Jones, Carson Dalton, Roy Hawkinson, Richard O'Reilly, George McClellan, Richard Muir, L. T. Dickson, J. Roberts, Edward Proctor, Hanley Dawson Jr., Phillip Flanders and Arthur E. Moore.

★ ★ ★

Others were Mesdames: Raymond T. Perring, Robert Fisher, Benjamin Brewster, Douglas Brown, H. Hoyt, Kenneth Cunningham, Matthew Cammareri, Howard Hallas, Kenneth Manuel and Mrs. Fritz Oliver now of Grosse Ile, formerly of Birmingham.

Branch Views Slides

Lorraine Manor Branch, Woman's National Farm and Garden Club, viewed slides showing "What Seeds Can Do for You," Tuesday evening.

Mrs. Warren Cleven presented the program in the home of Mrs. Robert Humphreys on Fernbarry Court. Mrs. Frank Milmine was a guest.

The group will be guests of Holiday Farms Branch, WNF&G, Feb. 5, in the Della Lutes School. Speakers from the International Farm Youth Exchange will be featured.

The CAI has been reserved for a benefit sale, Feb. 7.

Don't Give Gift Away Too Soon

By The Emily Post Institute

Q: A friend of mine recently returned from a trip to the West Coast and brought me a pair of earrings for a present. They are quite large and rather unusual.

I am a very conservative person and will have little or no use for these earrings. When I showed them to my niece she fell in love with them and said if I wasn't going to wear them, she would like to have them.

I would be happy to give them to her but would it be the right thing to do, or could the giver take offense at this?

★ ★ ★

A: She might very easily be offended. However, a diplomatic solution would be to wear the earrings once or twice when your friend can see them, and later quietly give them to your niece.

If your friend ever learns of this, the explanation that your niece tried them on and was so crazy about them that you simply had to let her have them, should satisfy her pleasantly.

Q: When applying for employment or for membership in a club it is usually necessary to list several personal references. I would like to know if courtesy exacts that permission be asked of these people before giving their names for references.

★ ★ ★

A: Permission should be asked before using anyone's name for a reference.

Q: I received a friendship ring from my boy friend and would like to know on which finger of which hand I should wear it.

A: You wear it on the ring finger of your right hand, keeping your third finger of your left hand for your engagement and wedding rings.

The clothes of the bride's and groom's parents as well as those of the wedding guests are described in the Emily Post Institute booklet entitled, "Correct Clothes for a Wedding Reception."

To obtain a copy, send 10 cents in coin and a self-addressed, stamped envelope to Emily Post Institute, in care of The Pontiac Press.

The Emily Post Institute cannot answer personal mail, but all questions of general interest are answered in this column.

Miss Frederick Describes UN Job

By JEANMARIE ELKINS

"Exciting, challenging and exhausting." This is how Pauline Frederick describes her job as an official United Nations reporter.

In an interview immediately following Thursday's Birmingham Town Hall, Miss Frederick was emphatic about the fact that those with whom she worked accepted her simply as a reporter. Being a woman is no hindrance.

Having achieved eminence in a field traditionally dominated by men, she has learned to cope with such situations as a recent United Nations dinner at which she was the only woman among 73 men.

On hand to cover the crises in Korea, Suez, Hungary, the Middle East, Laos and the Congo, Miss Frederick was most affected by the recent Cuban crisis, possibly because it was so close to home.

However, she did mention that, at the time, each crisis had seemed to be the worst.

OLD PRO

When quizzed on current world developments, Miss Frederick displayed the insight of one long familia. with the political scene.

Now that France has recognized Chinese Communists, Miss Frederick feels it will be easier to have them admitted to the UN.

Certainly, some of the African colonies which were once French would follow suit, as well as other smaller nations.

The effect on the UN as a whole would not be momentous, according to Miss Frederick, with the possible exception of what to do about Nationalist China.

Contrary to current United States policy, Miss Frederick feels that admittance of Red China to the UN would be beneficial. It could possibly cause a dissolution of the Soviet leadership of the Communist block.

★ ★ ★

As she pointed out in her lecture, Miss Frederick stressed that "the UN was created as a conference table where it was hoped that nations would bring their problems. It was not meant to be an exclusive club of friends."

To a packed Town Hall audience, Miss Frederick appealed for an objective point of view and for people to bring their political thinking up to date.

★ ★ ★

Enumerating on the modern advances of our time, she pointed out that "human relationships create the hardest problems. History is the story of breaking with the past to meet the present."

DISCARD PAST

Urging us "to cast off the chains of the past," Miss Frederick also pleaded for more understanding among the peoples of the world.

"Children are leaky receptacles into which the world pours. Adults are locked doors against which the world pounds."

Baking Powder

Another error has turned up in a recipe from the Jan. 27 cookbook. On page 2, in the recipe for Mayonnaise Cocoa Cake, add 2½ teaspoons baking powder.

June vows are planned by Deborah Anne Herman, daughter of the Laurence T. Hermans of Pon Valley Road and David Leon Drury, son of the Asa L. Drurys of Mount Vernon Drive. She attends University of Michigan where her fiance received his master's degree.

DEBORAH ANNE HERMAN

Housewives Just Answer 3 Questions

Have you ever wondered if you are a typical food shopper? The Consumer Marketing Information Program of Michigan State University's Cooperative Extension Service is sponsoring a contest to locate homemakers who most nearly resemble the average food shopper.

Just answer these three questions on a postcard.

How old are you?

What are the ages of your children?

How much do you spend per week on food alone?

Send the card to Shopping, Box 7085, Detroit, Michigan—48202. All entries on cards postmarked before midnight February 16 will be considered.

★ ★ ★

If you resemble a typical food shopper (based on national statistics reviewed by Michigan State University), you will be mailed a questionnaire to further test your knowledge of food and food buying. Final questionnaires must be postmarked before midnight, March 15.

PRIZES

Prizes will include savings bonds of $100, $50, and $25 denominations and seven small appliances and pieces of household equipment. Judges will be home economists and members of the food trade.

Announcements of winners will be made the week of March 23. Winners will be spotlighted during food information week, April 5-11.

Church Group Hears Speech on New Role

Dr. John Hall spoke on the subject "The Church Speaks . . . or Dies" at the Tuesday luncheon meeting of the Woman's Society of Christian Service of the First Methodish Church.

The Grace Otto circle was hostess for the day. Mrs. John Hall was in charge of the music and Mrs. Carl Tehorin in charge of devotions.

About Adoption

Child Has Bad Attitude

By ABIGAIL VAN BUREN

DEAR ABBY: I wish they had a law against people adopting a child when they already have one of their own.

I am a 13-year-old adopted boy. My parents got me when I was first born.

ABBY

They already had one boy of their own. He was 4 and they wanted a companion for him.

Well, I was suppose to be it, but I never was. My brother and I never got along. He's a good student and a good athlete and I am neither.

★ ★ ★

I am a big disappointment to my parents and I wish I was dead. It wouldn't be so bad if my brother was adopted, too, but he is their real son and I am not.

I don't think adopted kids and flesh and blood kids belong in the same family, do you?

ADOPTED

★ ★ ★

DEAR ADOPTED: Adopted kids belong in any family that wants them.

If you are different from your "brother," don't blame it on the fact that you are adopted.

You are probably the only one who ever gives it a second thought.

DEAR ABBY: My husband and I got a telephone call at 11 at night from his kid sister, who lives 200 miles from here.

She said, "Dick and I are getting married tomorrow. I don't suppose you and Pat (that's me) can drive down for the wedding, huh?"

Neither of us had made any arrangements at work so we told her we couldn't make it, wished her luck on the phone and said goodbye.

★ ★ ★

Our first free week-end, we drove down to his home town and his mother was mad at ME. She had the idea it was MY fault we missed the wedding.

When I went into her house she had cut our wedding picture in half and my husband was in a frame all by himself! What would you do?

PAT

★ ★ ★

DEAR PAT: I'd say You were the one who was framed. Skip it.

DEAR ABBY: Our 4-year-old son is not left-handed except when it comes to eating. My husband says for me to leave him alone, but I am trying to encourage him to eat with his right hand because I think it looks so clumsy for a person to eat with his left hand. What do you think?

A MOTHER

★ ★ ★

DEAR MOTHER: Leave him alone. What's the difference? His MOUTH is in the middle.

★ ★ ★

CONFIDENTIAL TO "FIGHTING IRISHMAN": There are two kinds of women in the world. The kind a man would die for, and the kind he'd like to outlive.

★ ★ ★

Get it off your chest. For a personal, unpublished reply, write to ABBY, care of The Pontiac Press. Enclose a stamped, self-addressed envelope.

★ ★ ★

Hate to write letters? Send one dollar to ABBY, care of The Pontiac Press for Abby's new booklet, "HOW TO WRITE LETTERS FOR ALL OCCASIONS."

School Gets Fresh Paint, New Look

Proving that many hands make light work, members of the St. Frederick's Parents Club have assumed the task of painting three floors of 25 classrooms in St. Frederick School.

Under the chairmanship of Charles Dean, some 100 volunteers have offered their time and talent for Saturday.

★ ★ ★

Room captains are Victor Smothers, Albert Peoples, Michael Schwanitz, Charles Biegun, Leo Thompson and James Gatton.

Others are Gerald Mason, Joseph Guillean, Lloyd Hearns, Edward Gallagher, Charles Dean Jr., Paul Miller, Clifford Schmansky, Robert Shearer, Frank Ochoa, Sam Roselli and Roland Larson.

YOUTHFUL HELP

High school boys and girls will follow the painters, cleaning light fixtures, windows and putting the rooms back in order.

Mrs. Roland Larson and Mrs. Charles Dean are chairmen of the mothers' group, who will serve coffee and lunch to painters.

★ ★ ★

Mrs. Adolph Baxter's girl scout troop No. 7 will also be assisting as their service project of the month.

University Women Planning to Start Waterford Branch

Plans are being made to organize a Waterford branch of the American Association of University Women.

★ ★ ★

The purpose of the group "is to unite the alumnae of colleges and universities . . . for practical educational work.

"To concentrate and increase their influence in the community for the solution of social and civic problems.

"To participate in the development and promotion of the policies and programs of the American Association of University Women.

"To contribute to its growth and influence, and to cooperate in its state division and regional work."

★ ★ ★

A woman holding a Bachelor's, or higher degree from a qualified American institution or a degree from a foreign institution recognized by the International Federation of University Women is eligible for membership.

★ ★ ★

Anyone meeting these qualifications who is interested in becoming a charter member of the branch may contact Mrs. John M. Bills, Forest, Waterford Township.

Pontiac Press Photo

Amateur painters are likely to need a large number of cleaning rags. Members of St. Frederick's Parents Club will be using old sheets, dad's old trousers and anything available to accommodate the 100 men who will paint the classrooms at St. Frederick School. Mrs. Charles Dean (left) and Mrs. R. E. Larson, both of Sylvan Lake, are among the many women searching for rags.

Forty per cent of the nation's paper and 60 per cent of its pulp are made of Southern pine.

Silk Shantung Ties in Spring

According to the American Institute of Men's and Boys' Wear, it looks like a strong spring for silk shantung in ties—in bright colors. Oranges and yellows are typical of the shades being shown.

The highly-practical wash and wear shirts of man-made fibers in a tricot construction are also becoming fashion leaders with some of the new, smart patterns that are constantly being introduced.

Joanne Dembinski, daughter of Mr. and Mrs. Henry Dembinski of Third Avenue received a bachelor of science degree in education recently at Central Michigan University. She was graduated on the Dean's list for academic honors.

Will to Live

Mental Attitude on Death

By DR. GEORGE W. CRANE

CASE R-468: Kathy M., 47, had been a vivacious wife.

But cancer became so extensive in her abdomen that she now lay dying in the hospital.

DR. CRANE

In her childhood, however, Kathy had been alone in the house when her favorite aunt had died.

Kathy had been so upset by the cries and anguish of her aunt's final minutes, that she vowed she never wanted anybody near her when she died.

Later she married a fine young man and they had three children, all of whom were now grown and married.

Her husband always stopped at the hospital to visit with her en route to his office.

★ ★ ★

Both of them knew her case was hopeless. But Kathy seemed as cheery as usual on this particular morning.

READS PAPER

Her husband sat down beside her bed to read the Journal Gazette.

"Oh, put your paper down and let's talk," Kathy protested.

He ignored her a couple of times until she finally pulled the newspaper away from him.

They talked for a few minutes and he patted her hand.

SHOULD TELEPHONE

"By the way," Kathy said, "you were supposed to telephone the Browns today."

"Well, I'll do that when I get to the office," her husband replied.

"No, go and do it right now," Kathy protested.

★ ★ ★

He still argued that he could phone them from the office but when Kathy kept insisting, he finally got up and went out to a pay phone booth in the corridor.

GONE 3 MINUTES

"Dr. Crane," her husband told me later, "I wasn't out of Kathy's room more than 3 minutes.

"Yet, when I got back, she was dead!

"Apparently, she knew she could let go and drift off into the next world as soon as she could get me out of the room.

"But she didn't look any worse today than for the past week. And she chatted as cheerfully as ever.

LET LOOSE

"So how could she let loose from the thin thread of life so quickly?

"And what is it that permits people to die when they want to do so?

"How could she know that within a couple of minutes she could be dead while I was trying to put through that phone call just down the corridor from her room?"

Many people feel an "all gone" sensation deep inside when they are very low in physical health.

In fact, they almost teeter on the brink of eternity and can go either way, depending on their mental outlook.

If they give up and let go, they can be dead in a few minutes, as was Kathy's case.

If her son had been coming home from the Army and she knew he was due the next day or even the next week, she might have forced herself to hang on.

★ ★ ★

For many people cling to life as long as they feel needed. Others give up and die because they lack incentive to live!

Write to Dr. George W. Crane in care of the Pontiac Press, Pontiac, Michigan, enclosing a long, 5 cent stamped, self-addressed envelope and 20 cents to cover typing and printing costs when you send for one of his booklets.

(Copyright, 1964)

Early spring vows are planned by Cynthia Ann Raney, daughter of the Edward Raneys of Huntington Woods and USN Gunner's Mate 3.C. Lanny Ross Hatman, son of Mrs. Flavia Hatman of First Avenue. She attended Le Manior School in Switzerland. Her fiance is stationed on the USS Yorktown, Long Beach, Calif.

Mr. and Mrs. Edward W. Taube Jr. of Grosse Pointe Woods announce the engagement of their daughter Janice Ann to Ensign Robert Allen Wheeler, USN, son of the Carl B. Wheelers of Lamplighter Lane. She is majoring in retailing at Michigan State University and is a member of Alpha Gamma Delta sorority. An April wedding is planned.

Two Tricks for Saving Things

There's an old trick for men of hooking your umbrella into the armhole inside your outercoat. Until and unless it rains, it's the simple way to carry it. When you hang the coat, or even check it, there's little chance you'll forget to take the umbrella.

★ ★ ★

Hundreds of mufflers are lost daily by being stuffed in a sleeve (from which they can easily fall out). Now, if you have a sturdy hanger loop inside your coat collar, run the muffler through this loop and leave it there—when your coat is parked and when your wearing it.

Area College Students Active in Campus Life

Ann M. Phillips, daughter of Mr. and Mrs. Cecil Phillips of LeBaron Street will direct William Inge's play "A Social Event" at Mercy College of Detroit.

The play is part of an evening of five one-acts to be presented Monday through Wednesday in McAuley Auditorium on the campus at West Outer Drive and Southfield. Curtain time is 8:00 p.m.

Miss Phillips is a junior in the speech and drama department.

ACADEMY HONORS

Three area Air Force Cadets were named to the Dean's list, last semester at the Air Force Academy near Denver, Colo. They are:

Michael I. Miller of Golfside Drive, Robert B. Rottiers of Franklin and Lewis G. Benham of Rochester.

Juliane E. Kruger, daughter of the Thomas E. Krugers of De Guise Court is doing honors work this semester at Mount Holyoke College, South Hadley, Mass.

She has elected to study the works of the French novelist Francois Mauriac. During her junior year at Mount Holyoke, Miss Kruger was awarded a Mary Vance Young scholarship for study at the Sorbonne in Paris.

UPPER PENINSULA

Donald J. Gore, son of the Alford Gores of Walled Lake, a student at Michigan Technological University, Sault Ste. Marie branch, has been elected president of the Circle K Club for the current school year.

He is a sophomore enrolled in mechanical engineering.

A capping ceremony for new Gray Ladies was held recently at Murray State College, Murray, Ky.

Wanda Vaughn, Pontiac freshman, was among those who received caps from the head of the department of nursing education.

Tom Davis, son of Mrs. John Davis of West Square Lake Road, was named to the Dean's list for academic excellence during the past term at Northwood Institute, Alma. He is a student in liberal arts.

Donald L. Tomkinson plans to attend Wheaton graduate school, Wheaton, Ill., toward the bachelor of divinity degree.

He was awarded the B.A. degree in Bible at the recent winter convocation. He is the son of Mrs. Dorothy E. Tomkinson of Keithdale Lane.

Elizabeth A. Conner of Littletell Street, a senior student nurse at Michigan State University, has been assigned to the Pontiac State Hospital for her resident study in psychiatric nursing.

Pontiac freshmen currently enrolled in the school of nursing at MSU are Karen J. Conlon, daughter of the Gene Conlons of North Roslyn street; Judith E. Pickett, daughter of Mr. and Mrs. Lafayette Wiley of Highland Avenue; Theresa M. Tovar, daughter of the Julian Tovars of Vernon Drive; Trina L. Schutt, daughter of the Melvin Schutts of Auburn Avenue.

Cynthia Rush, a sophomore, is the daughter of Mr. and Mrs. Robert Rush of Nebraska Avenue.

Card Party to Benefit Girls' Group

The local Camp Fire Girls' summer program will benefit from a card party sponsored by Gamma chapter, Beta Theta Phi sorority on Wednesday.

Mrs. William K. Baer, president, will welcome patrons at the affair which begins at 8 p.m. in the First Federal Savings of Oakland civic room.

Committee heads assisting, Mrs. Paul Van Roekel, chairman, include Mrs. George E. Lewer and Mrs. Ralph Behler, prizes; Mrs. William Ford Jr., favors, and Mrs. William Brace, tickets.

Mrs. Burt Rockwell, Mrs. William Doerr and Mrs. Roscoe Lund will serve cookies baked from members' recipes, at a table decorated by Mrs. Joshua Madden.

NEW WORKERS

New pledges are Mrs. John Goodwin, Mrs. William Freyermuth and Mrs. Robert E. Brown.

The four Beta Theta Phi chapters will gather for the annual banquet, Feb. 18 in the Hotel Waldron.

The John V. Noonans of Lawrence Street announce the engagement of their daughter Carole Beth to William Arthur Havel, son of the Arthur W. Havels of Golfside Drive. He is a graduate of General Motors Institute and is working on his master's degree at Wayne State University.

Re-Season Skillets for Better Results

Detergents can remove every bit of oil from a skillet, and cause food cooked later to stick. If you have this problem, try re-seasoning the skillet by heating it with a small amount of fat or oil, as with a new skillet.

Pontiac Press Photo

Mrs. Paul Van Roekel of Adlake Drive and Mrs. George Lewer of Sylvan Lake are among members of Gamma chapter, Beta Theta Phi sorority who are baking cookies for the benefit card party Wednesday in First Federal Savings of Oakland club rooms.

Polly's Pointers

Curtains Slide Easily

By POLLY CRAMER

DEAR POLLY—Before hanging matchstick curtains, my mother sews bone rings in back of the loops on the tape.

These rings make the curtains slide more easily and relieve the weight of the curtains on the cotton tape.—MARSHA.

DEAR POLLY — I often receive an SOS from one of my daughters when the grandchildren are ill.

To save time and a mad rush, I keep a complete change of underclothes, including a nightgown and housecoat, packed in a small overnight bag all ready to go.

I also leave an extra nightie at each daughter's home in case I am needed to stay overnight while there visiting.

OUNCE OF HELP

When I see that my daughters are getting snowed under with darning or mending, I pack a large box and take it home to do while watching television. I feel an ounce of help is worth a pound of sympathy. —F.M.C.

DEAR POLLY — An old revolving piano stool is the best seat one can find to use when ironing.

Enamel it to match the other things in the kitchen, laundry room or wherever you iron.

Without getting up you can turn to the left, pick up garments to be ironed, swing around and iron and then turn to the right to hang finished work on the clothes rack.

• Large shag rugs are pretty but some of them are awkward to handle when laundering. To achieve the appearance of a large rug, fasten several small ones together with zippers or snaps.

They can be taken apart quickly and easily and put in the washing machine for more convenient laundering. — MRS. E. DeM.

Share your favorite homemaking ideas . . . send them to Polly in care of The Pontiac Press. You'll receive a bright, new silver dollar if Polly uses your idea in Polly's Pointers.

To Keep Your Suit Spotless

Splashes on men's clothes from passing cars on rainy days are usually mudspots. If allowed to dry, they can generally be brushed off. If not, then rub with cool water . . . If you order a suit hand-pressed, and it comes back with deep indentations on the fabric under the buttons—you'll know it was machine pressed.

Old Salt Surge Into Springtime

The big men's shade for spring in sportswear is called "Old Salt"—the natural, off-white color used as ground and mixing shade—and the deep-sea accent colors such as Bottle Green, Spanish Sherry, Dark Rum and Weathered Blue . . .

Stretch business shirts are beginning to be available—eliminating binding and supplying great comfort. And the new shoes for spring are lighter and softer—yet as durable as the heavier models.

Are Your School's Activities Now Appearing in The Press?

Thespian Troop Installs 10 Students at Kettering

By JOY McREYNOLDS

In a recent candlelight ceremony, 10 Waterford Kettering High School students were installed in Troop 2244 of the National Thespian Society.

Highlights of the Monday evening activity included a dinner and presentation of a one-act play, "Aria de Caop."

Participants in the initiation were Thespian officers Sharon Huffman, president; Judy Jones, vice president; Patricia Godoshian, secretary-treasurer; and John Slade, pledgemaster.

★ ★ ★

Also assisting were sponsors Duward Chaffee, Patty Looman and Robert Seeburger.

INCOMING MEMBERS

Incoming members included Andrew Blain, Donald Douglas, Robert Dustman, Connie Griesbach, Judy Hoffmann, Steve Maxwell, Thomas Ojay, John Peterson, Florence Shultz and Penelope Young.

Waterford Kettering senior Virginia Fry was recent recipient of a $25 savings bond awarded as third place prize in the annual Elks Leadership Contest.

Entry requirement for the area contest was a notebook containing letters of recommendation, a letter from the contestant's family, a written composition illustrating how the contestant's leadership qualities are exhibited, plus newspaper clippings and pictures further illustrating leadership participation of the entrant.

Music ranging from sacred chants of the 1300's to pulsating rhythms of spirituals will fill the WKHS gym tonight as the a cappella choir presents "Sing '64," the annual winter concert.

OTHERS FEATURED

Also featured will be several soloists and The Gleemen, a 16-voice ensemble. Their selections will add a light touch containing popular and wintry melodies.

Respective program chairmen include Shirley Arams, Sharon Loftness, Tony McCarty and Sharon Moon.

Open to the public, admission has been set at $1 for adults and 50 cents for students, with children under 12 admitted free.

Following a recent poll of the student body, student council announced acceptance of "Raise the Colors" as official fight song for Kettering.

The song was composed by WKHS junior Dick Sies and alumnus Robert Pleznac.

Lake Orion Homecoming, Queen Selection on Feb. 7

By NANCY GREENHILL

Feb. 7 has been set aside as the day on which Lake Orion High School will celebrate its annual basketball homecoming.

The homecoming queen is to be crowned at the halftime ceremonies of that evening's basketball game.

The queen will be chosen by the student body and she will be a representative of the junior or senior class.

Her court will be composed of the three other queen candidates, plus one representative each from the sophmore and freshman classes.

★ ★ ★

The senior representatives are Pamela Kochanowski and Mary Ann Gilmore and Cindy Trim, who were tied.

JUNIOR CANDIDATE

Junior queen candidates are Nancy Johnson and Phyllis Bird. Those who will represent the sophomore and freshman classes are yet to be chosen from the finalists.

★ ★ ★

The 1964 queen will be crowned by last year's queen, Elaine Cudnohufsky. Following the game, a dance will be held at which the queen will reign.

Pontiac Press Photo

ONE WILL WIN — Competing for title of Lake Orion High School basketball homecoming queen are (clockwise, from center foreground) Phyllis Bird, 130 Orion Trail; Pam Kochanowski, 118 Highland; Melaine Kelly, 311 N. Shore; Nancy Johnson, 542 Knollwood; and Barb Shields, 3045 Indianwood.

Activities Start Again at Central

By DIANE OLSEN

Activities at Pontiac Central High School are resuming after the semester break last week.

The cheerleaders, under direction of Mrs. Charles Smith of the art department, will attend a clinic at Birmingham Groves High School tomorrow.

Each squad will teach and learn new cheers and chants. The girls will also present pep assembly skits in competition.

★ ★ ★

Dean Wilson, driver education instructor, headed the first meeting of the varsity club last week. The following boys have been chosen as representatives from each of nine sports to act on a nominating committee for officers of the club:

★ ★ ★

Niel Roberts, baseball; Alvin Keel, basketball; Dave Houts, football; Harold Whitting, and Bill Roach, wrestling; Jim Howard, swimming; Paul Wine, golf; Mitchell, track; Tom Smith, tennis; and Mike Mumby, cross country.

Other School News Throughout Week

COMPUTER WORK

Central's advanced mathematics class is pioneering in the use of computer work for high school students. Teacher of the class is Joyce Sweet.

The program, to begin in Febuary, will entail work with the computer at the County Board of Education.

Chemistry laboratory assistants for this semester are Carole Rapaport, Tim Schroeder, Jim Howard, Donna Darrow, Ralph Koprince, Bob Heathman, Tom Smith and Bob Irwin.

★ ★ ★

Concluding the list are Carolyn Morris, Candy Girst, Stephannie Bennett, Moniat Calhoun, Chuck Hubbard, Bruce Kesslering, Floretta Killian, and Steve Lamboris. The group is sponsored by Lester Mack of the science department.

New Terms Bring Plans

Activities at Other Schools in the Area

BLOOMFIELD HILLS

By KAREN TRIMMER

Fifteen students from Bloomfield Hills High School have been selected to participate in the Wayne-Oakland County All League Band.

They will play Feb. 6 at Milford High School, Feb. 11 at BHHS and Brighton High School, and Feb. 13 at Holly High School.

Members are Beverly Sturgis, Lynn Warburton, Marilyn Anderson, John Bird, Craig Halverson, Sherryl Tilton, Robert Booth Kirk Falvey, Charles Schwartzenberg, Paul Kelcourse, Ronald Matheny, William Hargett, Patricia Parott, David Smith and Michael Ware.

Latin II students will visit a money museum in Detroit Tuesday.

"Harvey," a three-act comedy by Mary Chase, is the play chosen by the junior class. It will be prsented March 13 and 14.

WALLED LAKE

By SUE GERVAIS

Walled Lake High School's spring musical "Guys and Dolls" has been cast, and rehearsals are in progress.

This musical tale of Broadway, based on a story and characters by Damon Runyon, will be presented in the gym April 9, 10 and 11.

It will be produced and directed by Alexander Zerban head of the vocal music department. Instrumental music will be provided by the high school orchestra, under direction of Helmut Holland-Moritz.

A group of ski club members spent last weekend at Boyne Mountain, where they were welcomed by a cover of newly fallen snow.

OUR LADY OF THE LAKES

By LYNNE SPRINGER

Students at Our Lady of the Lakes High School received their grades for the second quarter this week.

Listed on the honor roll were seniors Wes Borys, Kathy Donnelly, Mary LaBrie, Patricia Presby, Marie Steele and Marcia Wolosiewicz.

JUNIORS

Juniors were Ruth Ann Fitzgerald Anthony Troy and Lynne Springer.

Those sophomores were Sandra Casstevens, Suzanne Livingston, Elvie Mauro, Storm Slavin, Sandra Smith and John Shaughnessy.

Freshmen were Karen Hartman, Dennis Brosseau and Katherine Chaud.

ROCHESTER

Plans are under way for the annual J-Hop, entitled "Showboat," presented by the junior class of Rochester High School.

According to High Wilder, chairman of the decoration committee, the dance floor will resemble an old time showboat.

Following the Warren-Cousino-RHS game, the sophomore class will sponsor a dance.

According to junior class president Dave Flanigan, the class will hold a car wash Feb. 15. Facilities have been obtained through the Cities Service station on Walton and Pontiac roads.

"World Tour" was the theme of the RHS concert band's annual winter concert last night.

W. BLOOMFIELD

By SUE GOTSHALL

Activities at West Bloomfield High Schol have shifted into high gear with the beginning of the second semester.

At a Thursday meeting of the American Field Service it was decided that ten foreign exchange students from area schools will attend classes at WBHS some time in February.

Officers were elected at a meeting of the newly organized pep club held last Wednesday. Sponsor of the club is math instructor Penelope Pell.

★ ★ ★

The future homemakers association of West Bloomfield High School is holding a candy sale to earn money to send delegates to the state convention of the FHA in Grand Rapids this April.

Delegates who will be going are Kathy Asher, state vice president in charge of evaluation, Joyce Murphy, Jenny Persinger, and four other delegates who have not as yet been chosen.

Ricki Ann Hoxie, a senior, has been chosen as the 1964 Betty Crocker Homemaker of Tomorrow for WBHS. She achieved the highest score in a written knowledge and attitude examination given Dec. 3.

St. Michael Is in Full Swing

By MICHAEL OMANS

St. Michael High School bustled with activity as the first week of the new semester got ino full swing.

A new instructor was added to St. Michael's staff for the forthcoming semester. Joseph Kavanagh will teach economics and English during the second semester.

Male members of the junior class have been incorporated in the senior boys' choir. This was done so the juniors could acclstom themselves to choir work in preparation for choir next year.

★ ★ ★

A day of recollection was scheduled yesterday for boys from the junior, sophomore and freshman classes. Under direction of Fathers David Britz and Herbert Mansfield, two groups journeyed to the Manresa Retreat House, at the corner of Quarton and Woodward.

5 HOURS

One group went from 9 a.m. to 2 p.m. and the other from 4 p.m. to 9 p.m.

The senior boys had a guest speaker today, J. A. Miller, general supervisor, personnel department, GMC Truck & Coach Division.

Miller talked to the boys on how to obtain a job. He spoke on one's appearance and the way a person should "sell himself" in trying to obtain a job.

★ ★ ★

New techniques concerning greater participation in the Mass were gone over in today's assembly for the student body.

Ready for Coming School Year

Class Data Is Received at WTHS

By MARY BARNINGHAM

Preenrollment for the 1964-65 school year is under way at Waterford Township High School. Students received information on new classes and preenrollment procedures today during homeroom period.

Several new courses, such as Spanish I andf II, a third language at WTHS, engineering physics and general biology will be offered next year.

Crafts will be offered for one or two semesters and physical education classes will meet every day for one semester rather than every other day for the entire year.

★ ★ ★

Both boys and girls chorus will be offered. Instead of trigonometry and solid gometry, fourth-year math students will be offered senior mathematics.

New editor-in-chief of the WTHS newspaper, The Anchor, will be Helen Carrick, formerly associate editor of the paper.

On Feb. 6, she will replace Rhonda Trzos, editor of the paper for the past year.

★ ★ ★

Carol Willis will become the new associate editor for the second semester.

OTHER POSITIONS

Jean Perry and George Ballingall will retain their positions as business manager and sports editor, respectively.

Fourteen issues of The Anchor will be publiched this semester.

Ground was broken Jan. 23 for the addition to WTHS, which is scheduled for completion next fall.

★ ★ ★

The addition will include new classrooms, a lobby, a new auto shop and additional science labs. The cafeteria and lobby will also be enlarged.

At Pontiac Northern

Second Semester Activity Up

By SUSAN KILLEN

Various clubs and organizations in Pontiac Northern High School are becoming more active during this, the second semester of the 1963-64 school year.

The girls' recreation association, under leadership of Mary Lou Lackie, has been participating in various sporting events.

On Tuesday and Wednesday, members of the group play basketball. Every Friday, they play badminton.

★ ★ ★

The club recently traveled to Rochester High School to compete in a basketball game.

A family night was recently held where members and their families took part in an evening of swimming, basketball and volleyball.

A moms' night is to be held shortly. The girls will invite their mothers and will join them playing sports. A dads' night is also in the planning stage.

★ ★ ★

Members of the PNH ski club have their fingers crossed for good snow conditions, since as they plan their trip to Caberfae in Cadillac.

FEBUARY TRIP

The trip will be taken the last weekend in Febuary. Thunderbird Lodge will be home base for Northern skiers as they travel to the slopes on Saturday and Sunday morning.

Madeline McConnell and Anne Sheppard, the club's advisors, hope to have 40 members of the student body participating in this event, the first of its kind in Northern's history.

The girls' synchronized swimming team, the Catalinas, is continuing in their participation in the nation's physical fitness program, instituted by President John F. Kennedy. The girls are all working their way toward a 50-mile swim.

Eighteen lengths of the PNH pool must be completed in each try to boost the mileage.

These lengths are equal to a quarter mile. At present, the girls swim a half mile during each practice session. The average girl has attained her first ten miles.

New Term Begins

St. Frederick Posts Honor Roll

By KATHY CARRY

Students at St. Frederick High School began this week by receiving second quarter report cards. This event also saw a new honor roll posted in the school.

Students who achieved the honor of being inscribed on this list included seniors Linda Novotney, Robert Peoples, Rose Marie Skibicki and Barbara Staszkiewicz.

Juniors on honor roll were Sharon Fitzgerald, Candice Lease, Kathleen Kalush, Linda Mitchell, Frank O'Neil, Janis Quarles, Mary Lou Tyrrell, Julie Valier, Michael Vosburg, Mary Webster and Patricia Yarnold.

★ ★ ★

Those in the sophomore class include Mark Brasch, John Carry, Mary Culloty, Margaret Fitzgerald, Marilyn Hiller, Mary Lou Manion, Ernestine Moore, Senta Pavlinac, John Rebholtz, Nancy St. Clair, Mary Smith, Mary Schmansky and William Webster.

FRESHMEN

Concluding the list are freshmen Kathy Culloty, Gregory Gallagher, Timothy Hall, Steven Hamilton, Maria Landry, Larry Mason, Peter Miller and Tom Quarles.

Very recently 12 members of the future nurses club registered at Pontiac General Hospital to become Candy Stripers.

Here the girls will do voluntary work on the floors which will help them decide upon nursing as a career.

★ ★ ★

The library will soon receive a new file cabinet for material concerning careers and counseling.

The juniors are putting on their first dance of the year tonight. The dance, set to the style of a hootenanny, will feature special guest singers.

First Concert Set at Milford

By BOB GORSLINE

Milford High School will host the year's first evening concert of the Wayne-Oakland County Band on Feb. 6 in the high school Little Theater.

There will be a nominal charge for the concert, which will begin at 8 p.m.

Selections of the group will include both light and serious types, including a selection of Cole Porter songs, the theme from "Romeo and Juliet," by Tschaikovsky and a Sousa March.

Last Night for Class Play at Avondale

By PAT KLEIN

"January Thaw," written by James Roos, will be presented for the last time tonight at 8 p.m. in the Avondale High School auditorium.

The three-act comedy which opened last night is based on the life of a big-city family that moves to a small New England town.

Lead parts in the play are held by Eric Vogel, Norine Blake, Ed Granger and Jill Tasker.

JUNIOR PROM

The junior class has announced the date of its prom, "Carousel." The dance will be tomorrow evening from 9 to midnight. Dress is semiformal.

The United Nations club is preparing a trip to Hillsdale College for the annual model U. N. assembly March 13 and 14.

Delegates will represent Malaysia and Colombia. A test based on structure and history of the U.N. will be given any student who wishes to take it March 3 at 1:30 p.m.

★ ★ ★

Prizes will be awarded to the two best papers which will then be considered for state and national recognition.

Pontiac Press Photo

PLAY REHEARSAL — Avondale High School junior and senior classes are presenting "January Thaw" for the last time tonight at 8 p.m. in the school auditorium. Rehearsing their parts in the production are (from left) Eric Vogel of 129 Booth, Troy; Rodney Ash of 2865 Devondale, Avon Twp.; Judy Graham of 2821 Auburn, Avon Twp.; and Norine Blake of 1614 Ledburry, Birmingham.

Red Hungary Military Receives Expense Cut

BUDAPEST (AP)—Lajos Czinege, defense minister of communist - ruled Hungary, announced a $40-million cut in military expenditures Thursday.

Speaking on the opening day of the Hungarian Parliament's session, Czinege said the cut would not affect "the readiness and strength of the Hungarian army." Czinege also announced the minimum military age was lowered from 19 to 18.

There are about 18,700 motion picture theaters in the United States.

AP Photofax

VACUUM CLEANER? — Nope! It's a gas leak tracker under lease to Consumers Power Co. in Kalamazoo. Owned by Century Geophysical Corp., the unit has been used this week to find gas leaks on city streets. Traveling at 4 m.p.h., the unit requires about 9 seconds to analyze a given quantity of air for gas content.

Except on grain farms in the corn belt where it is a cash crop, corn is generally considered a feed crop.

But Official Says Threat Exists

Claims Violence Rare in City Schools

By L. GARY THORNE

Shakedowns, violence and extortion attempts — currently under investigation in Detroit schools — are rare if not nonexistent in Pontiac public schools, William J. Lacy, assistant superintendent, said today.

However, the threat is always there and constant vigilance is necessary to prevent trouble, a high school official said.

Pontiac schools are not bothered by clashes between students.

School officials point to what they term a remarkably clean record.

★ ★ ★

Nevertheless, local officials have a continuing problem with nonstudents who visit schools while classes are in session.

DISCOURAGE BORROWING

While not denying that a rare extortion or shakedown attempt might occur, Lacy said that teachers and administrators discourage students even from borrowing from each other.

"Of course, this type of thing might happen and remain unreported," he said. "We want students and parents to have confidence in us, and if anything does happen we will take definite action."

The big problem is keeping outsiders — older youths or dropout students — out of school buildings. They return to see friends or pick them up after school.

Students monitor the halls. Teachers do similar duty during critical periods such as lunch hours, when hundreds of students are coming and going.

CHECK STUDENTS

Hall permits are issued students who are in the halls during class periods. The monitors check out anyone they think is not legitimately in the halls.

The schools take a "no nonsense" policy toward nonstudent visitors. An outsider is warned against trespassing.

If there is a repeat performance, a trespassing complaint is apt to be signed under a city ordinance.

★ ★ ★

"I guess we're pretty tough on this business of outsiders," said Lacy, "but we just don't permit youths who are not enrolled to loiter around our buildings."

MUST REPORT

Lacy said that if shakedown attempts are not reported, action cannot be taken.

He admitted that, realistically, local schools might not be "lily-white, but there is no problem the magnitude of Detroit's."

Scout Pow Wow Set for Tomorrow

The Clinton Valley Council's annual Cub Scout Pow Wow will be held tomorrow at Madison Junior High School, Pontiac.

The Pow Wow is a training session for den mothers, cub masters, committeemen and others interested in working with the young scouts. It will begin at 1 p.m.

A midway will open the program with a display of games and contests of skill designed to appeal to cub scouts and their parents.

★ ★ ★

The afternoon will be spent in a series of sessions on handicrafts, games, skits, puppets and ceremonies.

Purpose of the pow wow is to give cubbers new ideas and methods that they can take back to their packs to give direction and enthusiasm to the year-around program, said Kenneth Sanderson, pow wow chairman.

Actor's Will Leaves Most of Estate to Wife

SANTA MONICA, Calif. (AP) — Actor Joseph Schildkraut willed most of his estate to his wife of less than a year, Leonora Rogers Schildkraut, 31.

The will was admitted to probate in Superior Court Thursday. The estate was valued in excess of $50,000.

Some Tips on Surviving

Leap Year: Open Season on Bachelors

By HOWARD HELDENBRAND

There is scientific reason for Leap Year. It gives our calendar a periodic chance to catch up with the solar passage of time.

But there's an even better reason for it, romantic and functional. It gives single ladies a chance to catch up with unclaimed males.

But formalizing a quadrennial open season on men merely gives social sanction for what women do naturally.

Heldenbrand

Because the number of any eligible male is always up in the matrimonial draft, we feel a duty to redress in slight degree the odds against him by pointing out certain flashing danger signals marking his unsuspecting course along the path to the altar.

The first of these is a sudden display of frugality on the part of the gal.

★ ★ ★

Instead of happily reveling in the aura of posh restaurants where once she thought the figures at the right of the menu were nothing more than recipe references, she begins pointing out small, homey, inexpensive eateries where quiet and seclusion reign.

There is warning for the footloose bachelor intent on eluding the nuptial noose when proprietary interest in his appearance is shown by the party of the second part.

This is epitomized by lint lifting, and at the first pluck of a particle — real or imaginary— from his coat, our man should be off—like the lint.

★ ★ ★

Unless boy wants to continue meeting girl—for the rest of his life, that is—time's running out when the cutie unsuspectedly turns out to be a great sports devotee.

When she begins talking gliby about batting averages, he's on his way to striking out.

Beware, me lad, when the lady starts quoting you to others.

If she attributes great profundity to pronouncements having such depth as "The cat sees the mouse; does the mouse see the cat?" the odds are long that you've already been cast in one of these two roles — and it's not the cat's.

You should be able to sniff rose petals when made aware of how skillful in needlework is the lady fair—and how inexpensively a lady can be clothed on a do-it-herself basis.

★ ★ ★

At this point, your single state of blessedness hangs by a thread.

GETTING THE LAUGH

Some believe that women are pretty thin in the sense of humor department. So, when one of the distaff division begins laughing long and loudly at her prey's stories, anecdotes and quips, she's merely in rehearsal for what she is planning on as a lifetime exercise.

Thus, at the first tinkle of rippling girlish laughter, son, you'd better run, not walk, to the nearest exit.

But the main menace, the dire danger, is the invitation to SUNDAY DINNER AT HOME, which presumably the girl had a big hand in readying—even if cynics doubt that she had anything more to do with it than setting the oven timer.

★ ★ ★

Actually, there is little a male fugitive from wedlock can do to avert his impending fate. As with the Royal Canadian Mounted Police, the credo of womankind is: They Always Get Their Man.

Another Hat in the Ring

Race Assured for County No. 2 Spot

A race for vice chairmanship of the Oakland County Board of Supervisors was assured today when Independence Township Supervisor Duane Hursfall announced his candidacy for the county post.

Upon learning of Hursfall's decision, the incumbent vice chairman, Frank Webber, said he hoped to be reelected by the 85-member board to a second term.

The annual board election is scheduled for some time in April.

★ ★ ★

Webber, 64-year-old supervisor of Addison Township, said he didn't plan to do much campaigning for the county post.

EYES CHAIRMANSHIP

Hursfall, 46, said he would be running for vice chairman with an eye on the chairmanship next year.

"I think the vice chairman should be a candidate for chairman the next time around," he said.

He referred to an earlier pattern where the vice chairman invariably was elected chairman of the board the following year.

★ ★ ★

In this manner the chairmanship always rotated between township and city supervisors. If a city supervisor was chairman, he was certain to be succeeded the following year by a township supervisor and so on.

BROKEN PATTERN

The pattern was broken seven years ago when the current chairman, Delos Hamlin, 60-year-old supervisor from Farmington, was reelected.

And, at this time, it doesn't look like Hamlin will be facing any opposition to extend his unbroken incumbency to nine years.

No supervisor has announced to run against Hamlin for the chairmanship. He was unopposed last year.

Webber said he isn't interested in vying with Hamlin for the chair.

STATUS QUO

"There are certain advantages in maintaining the status quo," said Webber. "We have a good operation and there isn't much point in upsetting it.

"If anything should ever happen to Delos, I am prepared to take over the job."

Hursfall said he doesn't think it's right for the chair to be always filled by a city supervisor, and that a change would be stimulating for the board and county government as a whole.

Hursfall was an unsuccessful candidate for vice chairman last year. He said he announced too late to campaign effectively.

WON'T WAIT

"This year I won't have to wait until I'm elected supervisor to run for county vice chairman," he added.

His term as supervisor runs for another year.

Webber succeeded Arno Hulet as vice chairman. Hulet became ineligible when he resigned as supervisor of Bloomfield Township to become township clerk.

'Wine of Adultery'

Teens Picket Liz

TORONTO (UPI) — Three teen-age boys, picketing the hotel last night where movie stars Elizabeth Taylor and Richard Burton are staying, carried placards warning the "Cleopatra lovers" to "drink not the wine of adultery."

However, the couple, staying in the $65-a-day vice - regal suite of the Kind Edward Hotel, did not notice the pickets.

The high school students carried handpainted signs that declared:

"Drink not the wine of adultery; daughter of the flesh: she walks among your children."

It was believed to be the first recorded incident of open public disdain over the behavior of the movie stars who have been together since making the movie "Cleopatra" two years ago.

AFTER ARRIVAL

Touching on the liaison shortly after their arrival here from Hollywood, Burton said:

"Well, you can't blame us. We've been trying to get married for two years now. It's not our fault."

The couple arrived here Tuesday night. The Welsh actor is rehearsing the lead role for the Broadway - bound "Hamlet," scheduled to open here Feb. 26 and in New York in April.

★ ★ ★

While the three pickets, Geoffrey Stutz, Allen Rubin and Denny Schachter, all 17, carried out their "moral" campaign outside the hotel, teen-age girls inside the lobby squealed with delight when they spotted the stars going into a main floor dining for dinner.

WERE REWARDED

Three girls about 13 years of age were rewarded by Miss Taylor with a flashing smile, a handshake and a few words.

Raise Vetoed by Employes in Muskegon

MUSKEGON (AP) — For the second time in three years, workers at the Continental Motor Corp. voluntarily have passed up a wage increase.

Some 5,000 members of United Auto Workers Local 113 voted almost unanimously Thursday to pass up the wage hike, to which they were entitled, to keep the aircraft and automotive engine firm competitive.

★ ★ ★

Under an improvement factor in the present contract, production workers were entitled to a four - cent hourly hike. Semi-skilled employes were to gain six cents and skilled workers eight cents.

★ ★ ★

In 1961 the firm asked employes to pass up an automatic two-cent hourly cost of living raise on the promise that the firm would remain competitive —insuring steadier employment.

LOST CONTRACTS

Continental, however, has lost a number of contracts to other engine manufacturers recently —among them a $24 million Army contract which was lost to the Hercules Engine Division, Canton, Ohio.

U.S. Athletes Lagging Far Behind

Soviet Skaters, British Sledders Steal Olympic Show

INNSBRUCK, Austria (AP) — The Soviet Union's fantastic Lidia Skoblikova completed a gold medal double by winning the women's 1,500-meter speed skating event in record time today, while a pair of darkhorse Britons stole the thunder from Italy's favored bobsledders in the ninth Winter Olympic Games.

★ ★ ★

Anthony Nash and Robin Dixon, daredevils from the British Isles, shot their sled down the icy Igls chute in two record runs and bolted ahead of Italy's favored Sergio Zardini and world champion Eugenio Monti after the first two of four two-man bobsled runs.

The final two runs are scheduled Saturday, with the championship to be decided on the total times of the four.

USA BLANKED

It was another bleak day for the medal-less Americans.

The Yanks failed to make a serious challenge in the bobsled competition, couldn't pick up ground on Holland's Sjoukje Dijkstra in the women's figure skating and were completely outclassed in the speed skating.

The only encouraging development for Uncle Sam saw Peggy Fleming, the 15-year-old U.S. women's figure skating champion from Pasadena, Calif., rise from eighth to sixth on the third of five compulsory figures.

★ ★ ★

If she can hold her own in the final two figures, she becomes a definite medal threat. The competition climaxes with free skating Sunday, and free skating is the California schoolgirl's specialty.

The U.S. bobsled teams were fifth and sixth at the halfway point of the bobsled races, but there appeared litle hope of their overtaking the leaders.

The sled driven by Charles McDonald, Malone, N.Y., electrical contractor, and braked by Charles Pandolph, Saranac Lake N.Y., restauranteur, was fifth. In sixth place came the sled of lumberman Larry McKillip and salesman James Lamy, both of Saranac Lake.

There was another sad note in the disheartened American camp.

SKATER INJURED

Janice Smith of Rochester, N.Y., was shaken up in the 1,-500-meter women's speed skating and had to be carried from the arena on a stretcher. The extent of her injuries was not immediately determined.

Mrs. Skoblikova, blonde, 24-year-old Siberian school teacher, skated the metric mile — 120 yards less than a mile—in 2 minutes, 22.6 seconds, taking almost three seconds off the old mark set in the Games at Squaw Valley, Calif., four years ago.

She previously had won the 500 in 45 flat, also an Olympic record.

The gold medal was the third picked up in three days by the powerful Russian squad, which also has one silver and three bronze medals. No other country has more than two medals. The United States has none.

The British sledders, Nash and Dixon plummeted down the 1,640-yard bobsled run in 1 minute, 5.53 seconds on their first try and followed this with a dazzling 1:05.10 clocking for 2:10.63.

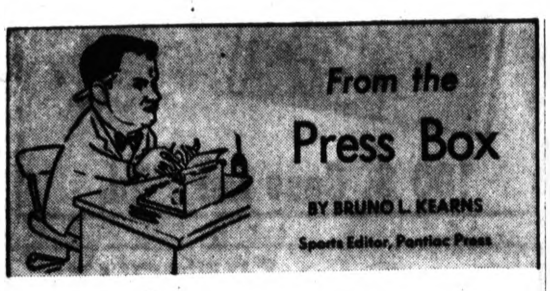
This left the highly-rated Italians gaping.

Italy's No. 2 sled of Zardini and Romano Bonagura was second with runs of 1:05.15 and 1:05.13 for 2:10.76, and then came the fabulous mountain man, Eugenio Monti, winner of eight world championships, with 1:05.94 and 1:04.90 for 2:10.84.

★ ★ ★

A couple of surprise Canadians, Vic Emery and Peter Kirby had taken the lead on the first run with 1:05.15, but

(Continued on Page 30, Col. 3)



Red Jones, who was once defined by a Major League player, as "the tomato faced umpire with the potato eyes," often gives banquet audiences the impression that he was once the blindest umpire who ever called balls and strikes in the American League.

"I never could make the grade as a player, so I decided to be an umpire," said Jones.

"That's because you had the prime requisite for being an umpire — bad eyesight," Art Houtteman heckled silently.

"They used to say I wore curve ball glasses sometimes and once in awhile I'd wear fast ball glasses," Jones proceeded to tell his audience of more than 700 at the Father and Son banquet at the Elks last night, "but that wasn't really true."

★ ★ ★

"That certainly was not true," said Hal Newhouser," I knew you umpired by sound all the time."

"Thanks a lot, Harold," Jones retorted, "I remember it used to cost money to see you guys."

POPULAR SPEAKER

The plump-faced Jones, whose after-dinner speeches are probably more widely known and certainly more popular than his decisions at the plate, said "it is a shame the way players treat umpires and especially in view of the fact that in order to become an umpire, one has to forfeit his citizenship."

"It got so bad," Jones continued, "that one player said umpires should be strangled in their cribs."

The highest caliber of baseball Jones ever reached as player was class C ball, and "that's as low as anyone can go, whether player, manager or umpire."

★ ★ ★

"I remember I waited day after day for a chance to play when one day the manager yelled, 'Jones go in at first base.'"

At the same time the manager asked, "What's the score and what inning is it?"

"It's 10-2 for the other team and it's the 8th inning came the reply."

"Never mind Jones, sit down, we haven't given up yet," the manager then yelled.

"Finally the day came when I heard I was being traded. I was happy," Jones said. "Traded, for whom?"

"For nobody," came the reply, and this strengthened Jones' decision to enter the umpiring ranks.

One thing is certain, the umpiring experience has given Jones enough stories to fill the guest programs of many, many such occasions and his popularity on the banquet circuit never seems to die.

HUGE SUCCESS

For co-chairmen Jim Hanes, Hal Newhouser and Olin LaBarge, it was one of the most successful affairs in the 25 years of its existence.

Those who could not purchase dinner tickets were content in standing alongside the walls of the huge dining area to see and hear the many sports celebrities on hand.

Earl Morrall, Ron Kramer, Gordie Howe, Tom Tracy, Gene Bone, Monroe Moore, Bob Miller, Jim Gibbons, Aldo Forte, Don Lund, Bob Swift, Art Houtteman, Dan Litwhiler, Mobey Benedict, Chuck Davey, Al Luplow and Newhouser provided the fathers and sons the pleasure that sports brings into our daily lives.

ABSENCE NOTICED

One notable absence was noticed. Hayes Jones was not present. Probably the most renown name Pontiac has had in recent years was missing when the young autograph seekers made their lines across the guest tables.

★ ★ ★

Where was Hayes? No one ventured to say. Our guess was he had the Boston games on his track agenda for this weekend and would be aiming for his 50th straight indoor hurdles victory.

The question which was most difficult to answer came from several of the visiting guests.

"If Hayes Jones is Pontiac's most famous native son, why is he Detroit's most famous track star?"

He works with the city of Detroit youth bureau and he will probably become known as Detroit's great Olympic gold medal winner in the World games next fall.

Maybe there's someone in Pontiac who can answer the above question. We certainly wish they would before too long.

AP Photofax

GROWING ANTLERS — Tom Anderson of Fort Dodge (Iowa) St. Edmond High appears to be growing human horns. But, it's just the angle of the camera as a player from Kuemper tries to block Craig Balm's shot. The action took place at Algona, Iowa.

Home Games for Local Quints

SPORTS

3 Birmingham Teams Play Important Tilts

Three Birmingham quintets will see action on the high school basketball schedule Friday night but the top game of interest in the area will be the Royal Oak Kimball-Mount Clemens clash.

Birmingham Seaholm, tied for second in the Eastern Michigan League, will travel to Port Huron; while sixth place Mount Clemens will attempt to play a poor host to first place Kimball.

Kimball is 6-2, Seaholm 5-3 and Mount Clemens 4-3. Ferndale and East Detroit are also 5-3 and will clash on the latter's court.

The other second place sharer in the EML, Hazel Park, will entertain winless Roseville.

In the hot battle for central division honors in the Detroit Catholic League, pace setting Birmingham Brother Rice will seek its ninth straight when Detroit Austin invades.

EYES UPSET

The third Birmingham school, Groves, can climb above .500 in the Northwest Suburban League race by upsetting first place Detroit Thurston in a home game.

North Farmington fell from a tie with Thurston last week when the latter stopped the Raiders, and will now attempt to regain its winning touch against visiting Oak Park.

Kimball has only lost to Hazel Park (twice). It's first meeting with Mount Clemens led to a 69-61 victory that started a seven-game winning streak for the Knights.

The Battling Bathers from Mount Clemens could move into a tie for first place with an upset victory Friday and then a follow-up triumph Saturday night against Port Huron.

Seaholm beat Port Huron only by nine in their first meeting but the Maples appear to have shaken their recent slump with last week's thrilling win at Ferndale.

The Eagles handed East Detroit a 20-point pasting in their first meeting but the latter has won five of its last six starts and should be troublesome at home.

★ ★ ★

In the suburban circuit, Groves was a 16-point victim of Thurston in their first meeting and does not appear strong enough to defeat, the visitors this time, either.

Brother Rice made Austin its second victim in the Warriors' current eight-game success string.

PCH, Huskies, Waterford in Loop Games

Lake Orion to Meet Oakland-A Leaders in Key Contest

Pontiac Northern and Pontiac Central will share the spotlight on tonight's basketball card with key league clashes on the home courts.

PCH entertains Flint Southwestern, and the Chiefs need a win to keep their hopes of a Saginaw Valley Conference title alive.

The Huskies play host to Berkley in an Inter-Lakes League bout. Other I-L games have Southfield at Waterford and Farmington at Walled Lake.

An important scrap in the Oakland A loop will find Lake Orion invading the domain of Fitzgerald's league-leading Spartans.

★ ★ ★

Elsewhere on the O-A slate, Rochester has a home date with Warren Cousino, Clawson visits Madison and Troy entertains Avondale.

ORION MEETS LEADERS

Lake Orion suffered through its worst performance of the season Tuesday in dropping a 43-31 decision to Troy, but the Dragons are expected to bounce back against Fitzgerald.

The Spartans top the loop with an 8-0 mark with Troy running second at 7-1.

Lake Orion could knot the race with a triumph over the Spartans, providing Troy can get past an improving Avondale quintet.

South Central League leader Imlay City (8-3) will be bidding for its fourth loop win in a game at Millington. North Branch plays host to Deckerville in the other loop game.

In other games, Ortonville travels to Linden, South Lyon entertains Cherry Hill, Warren Lincoln is at Utica, Chippewa Valley at Lamphere and Monroe at Royal Oak Dondero.

M-MSU to Play Rematch Saturday

2 Big Games in Michigan

Titans Meet Ranked Villanova Quint

By The Associated Press

Michigan and Michigan State meet Saturday afternoon at Ann Arbor for their second and final meeting of the 1963-64 Big Ten basketball campaign, and all indications are that another hard-fought contest can be expected.

The tussle beween the two arch-rivals is the top game on the state's collegiate schedule his weekend.

Albion is at Lake Forest, Ill., and Michigan Tech at St. Cloud, Minn., in tonight's only games.

Michigan beat the Spartans by a 14-point margin in their game at East Lansing last Saturday. But, the second-ranked Wolverines are not about to take MSU lightly after the Spartans beat Ohio State Monday.

Michigan State, which outrebounded the Big Ten leaders in their game last week, once again will be faced with the problem that only one team has been able to solve this season—how to stop Bill Buntin and Cazzie Russel.

PACED WIN

Russell, who paced last week's victory with a 34-point performance, is averaging 23.5 points a game to top the Wolverines. He has pulled down 143 rebounds, 30 less than Buntin.

Buntin is second among the team scorers with 22.1 points a game.

Michigan coach Dave Strack said earlier this week the previous meeting would have little effect on the rematch except that the Wolverines will have the home court advantage.

Illinois, at 2-0 the only other Big Ten team with an unbeaten conference record, resumes league play at home against Northwestern, while Indiana is at Purdue and Wisconsin at Minnesota in the other Big Ten games Saturday.

In another big game Saturday night, the University of Detroit will play host to sixth-ranked Villanova. The Titans brushed off St. Bonaventure earlier this week, but expect to have their hands full.

In Millrose Games

Loyola Ace Loafs in Mile Win

NEW YORK (AP)—Chicago's Tom O'Hara didn't run a sub-four minute mile. But he could have. In fact, he can anytime he really wants to.

★ ★ ★

Or at least so says his coach, Jerry Weiland.

"We're running just well enough to win," Weiland said after the little Loyola red-head swept to a 4:00.6 victory in the Wanamaker mile Thursday night in the Millrose Games.

"He's a lot stronger this year than last," Weiland said, "and his mental attitude is excellent. He can break four minutes any time he's challenged.

"But it's going to be a long year. We don't want to rush things too much."

MAJOR GOALS

Both Weiland and O'Hara pointed to two major goals in this Olympic year—the Chicago Relays and the Olympic trials. And they talked in times of 3:57 to 3:54.

"Outdoors, he should do a 3:54," Weiland said.

O'Hara said he was gunning for the world indoor record 3:58.6, in the Chicago meet. "I'd like to do a 3:57," he said.

★ ★ ★

He loafed through a relatively slow 3:05.6 three-quarters mile, running second or third most of the way, then bolted to a 55 second final quarter for the best effort of the indoor season.

"It was a little faster than I thought," Weiland said. "I didn't want him to press. He could have gone much faster."

As it was, it was more than enough for a meet record, one of four set before the enthusiastic crowd of 16,004.

John Thomas of Boston soared 7 feet 2¼ inches, a quarter-inch better than Russian Valery Brumel's mark of a year ago, and Toronto's Bruce Kidd and Bill Crothers set records in the three-mile and half mile. Crothers outlasted Villanova's Noel Carroll in 1:50 flat and Kidd hustled to a 13:32.4 time in the three-mile.

Bob Hayes of Florida A&M twice equaled the meet record of 6.1 in the 60-yard dash, in the semifinals and in his paperthin victory over Fordham's Sam Perry in the finals.

Hayes Jones, the veteran Detroit hurdler who missed the Millrose, will gun for his 50th consecutive indoor hurdle championship.

AP Photofax

WINS BY A NOSE—Robert Hayes of Florida A&M lunges forward and hits the tape with his nose to escape an upset loss in the 60-yard dash of the Millrose Games in New York last night. Sam Perry, second from right, of Fordham beat Hayes out of the blocks, but was caught at the finish and placed second. Hayes equaled the meet record of 6.1 seconds. Mel Pander, right, of Army was third and Gerald Ashworth of Boston was fourth.

Lead in PTTA Only 1 Point

Anita Lettering's lead in the Pontiac Table Tennis League was shaved to one point last night when Clark's Drive-In toppled the frontrunner, 5-1.

Second place Dorris & Son Realty took advantage of the leader's lapse and gained five points with a 6-0 decision over Kennerly's Service.

Anita's record now stands at 64-26. Dorris & Son own a 63-27 mark.

Pine Knob moved within nine points of the top spot by splitting 3-3 with Crocker Candy.

In other matches, Country Kitchen defeated A & W Root Beer, 4-2, Francis Fuel downed Pepsi Cola, 4-2, Club 99 split with Buettner's Cleaners, 3-3, and Frostop Drive-In bumped Harvey's Colonial House, 5-1.

Light Heavyweights Plan

NEW ORLEANS (AP)—Willie Pastrano will bring boxing back to his native New Orleans on April 10 when he makes the first defense of his light heavyweight title.

The 15-round nationally televised match against Gregorio Peralta of Argentina will be the first bout here in months. The last title event was in 1963 when Ralph Dupas beat Denny Moyer for the junior middleweight crown.

The 28-year-old Pastrano, who now fights out of Miami Beach, Fla., won the title on a 15-round decision over Harold Johnson of Philadelphia at Las Vegas, Nev., last June 1.

Peralta, 28, dropped his first professional match but has gone on to build up an impressive 45-1-2 record, including 16 knockouts. The World Boxing Association ranked the handsome Argentine third.

Pastrano will be guaranteed $50,000. Both fighters will share in $60,000 television money with Pastrano getting 45 per cent and Peralta 15 per cent. They will get the same percentage of the gate receipts.

The modern gate record of $46,000 for a New Orleans fight was set in the 1950s for the Dupas-Frankie Ryff bout. The John L. Sullivan-Jim Corbett fight in 1982 grossed $62,000.

Parochials Shifting for Lower Positions

The race in the Northwest Parochial League is over but a bit of maneuvering for the lower rungs on the loop ladder will take place tonight.

Two games are on tonight's slate with St. Michael entertaining Waterford Our Lady of Lakes at Madison Junior High, and Orchard Lake St. Mary playing host to Farmington Our Lady of Sorrows.

Royal Oak St. Mary has a Saturday night engagement at home against Detroit St. Agatha. The Irish are 10-0 in league play and have already locked up the parochial crown. St. Frederick is idle.

St. Michael and OLSM share second place with 6-4 records. FOLS holds down the fourth spot with a 5-5 mark.

★ ★ ★

In other parochial games, Servite travels to Royal Oak Shrine and Ferndale St. James has a road game at Detroit St. Andrew. Detroit Austin is at Birmingham Brother Rice.

Three State Cage Teams Are Losers

By The Associated Press

Eastern Michigan and Alma won and Wayne State lost in Michigan college basketball action Thursday night.

Eastern toppled Adrian, 81-74, in overtime, and Alma clobbered Chicago, 70-46, while Washington University of St. Louis turned back Wayne State, 83-71.

Ed Gallup, an Adrian High graduate, counted six of his 32 points in overtime to lead the Hurons past Adrian.

★ ★ ★

Gallup and Rusty Lyke, who missed the first quarter but scored 25 points thereafter, brought Eastern back from a 39-29 halftime deficit to knot the score at 63-63 halfway through the second half. Dick Seagert scored 20 points for Adrian before fouling out with 20 seconds to go.

Alma built up a 35-20 halftime lead and went on to gain its seventh victory in 10 starts at Chicago. Bud Acton scored 22 points and teammate Ray Moore added 18 to pace the onslaught. Chicago's Bruce Lubitz had 18 points.

★ ★ ★

Washington ended Wayne State's four-game winning streak with a second half spurt for its 10th victory in 15 games. Ed Dancey topped Washington with 20 points. Jim Hall collected 17 for the Tartars as they dropped their fifth game this season. They have won four.

Four Bouts Slated Saturday at Armory

Leaping Larry Chene will duel Ricky 'Crusher' Cortez in one of four bouts on the Saturday night professional wrestling card.

The matches will get under way at 8:30 p.m. at the National Guard Armory.

Other pairings have the Great Mephisto meeting The Hillbilly, Gino Britto battling Ivan Kalmikoff and Lord Anthony Lansdowne grappling with the Black Orchid.

AP Photofax

LATEST ADDITION—Howard Komives of Bowling Green, the nation's top college basketball scorer, adds 43 to his chain of totals which gives him an average of 33.6 points for 11 games. The 43 points, a personal high, were scored against Findlay. Assisting the 6-1 senior is BGSU cheerleader Valerie Smith.

Hart Endorses Bill

Exemptions Asked for Pro Sports

WASHINGTON (AP) — Professional basketball and hockey appealed to Congress today for the same exemptions from antitrust law now permitted baseball.

J. Walter Kennedy, president of the National Basketball Association, and Clarence S. Campbell, president of the National Hockey League, made their pitch in testimony prepared for the Senate antitrust and monopoly subcommittee. Campbell said he also spoke for the American, Western and Central Hockey Leagues.

★ ★ ★

Both endorsed a bill sponsored by the subcommittee's chairman, Sen. Philip A. Hart, D-Mich., to spell out the exemptions for pro baseball, basketball hockey and football.

The subcommittee received a chorus of approving testimony Thursday for the bill from major and minor league baseball executives.

FINLEY CALLS

The subcommittee also was told that Charles O. Finley, owner of the Kansas City Athletics, wants a chance to be heard by the subcommittee.

"He will be heard," Hart said in announcing that Finley has asked for the right to state his case.

Finley is in hot water with the American League and threatening to sue it over his thus far unsuccessful efforts to move the Athletics to either Louisville, Ky., or Oakland, Calif.

★ ★ ★

Hart announced that American League President Joe Cronin and National League President Warren Giles will be heard along with Finley, but the senator announced no date. Senate debates on taxes and civil rights are expected to immobilize most committees from holding further hearings for a period of weeks starting Monday.

Sen. Edward V. Long, D-Mo., in a statement endorsing the pending bill, told the subcommittee that among other things the measure would "protect the game of baseball from irresponsible club owners." Long declared he meant Finley when he said this. Long also is opposing Finley's efforts to pull the Athletics out of Kansas City.

Hornung Trade Rumor Silenced by Lombardi

MIAMI BEACH, Fla. (AP)—Paul Hornung will play for the Green Bay Packers and nobody else if he is re-instated. Vince Lombardi, coach-general manager of the Packers, is very definite about this.

"Once again I will say that Paul Hornung will not be traded," said Lombardi at the close of the annual meetings of the National Football League. "I can not emphasize that too much. Any trade talk is ridiculous. I postively have no thought of trading him. If Hornung plays he will play for us."

You can't be more definite than that. All that remains now is for Commissioner Pete Rozelle to take action on Hornung and Alex Karras, Detroit's defensive tackle, who were suspended indefinitely a year ago for betting on pro football games.

IN '64 PLANS

The Detroit Lions, like the Packers, are including their suspended star in their plans for 1964 in the hope that he will be re-instated.

There has been no indication from Rozelle about the course of action he will follow. When the two were suspended, Rozelle said the indefinite suspension could be construed to mean at least one year.

★ ★ ★

"I will not start looking into the Hornung and Karras situation until late February," Rozelle told newsmen Thursday.

Both the Packers and Lions, of course, can make no definite moves until Rozelle makes up his mind.

"You know as much as I do about whether Hornung will be back," said Lombardi. "It is up to the commissioner. But we are including Paul in our plans if we get him.

"The year long layoff could hurt him. We'll have to wait and see about that. But don't forget he came back strong after spending most of the 1962 season in the Army. I am not concerned about his old knee injury. I do not think that will be a factor."

TWO GAPS

Lombardi may have to fill two gaps in his starting line-up. Forest Greg, consistently named to the All-League team at offensive tackle, has quit to become an assistant coach at Tennessee. Bill Forrester, veteran linebacker, has said he will retire to sell sporting goods.

The Lions' coach, George Wilson, is hoping for the return of Karras, a defensive bulwark, although Floyd Peters did a solid job as his replacement last season.

Any way you look at it, the big news for the 1964 NFL offseason will be the story of Rozelle's action on Hornung and Karras.

Sifford Stays Tied for Lead

PALM SPRINGS, Calif. (AP) —After the first round of the $50,000 Palm Springs Golf Classic, Charlie Sifford was in a first - place tie with Tommy Jacobs.

After the second round, Sifford was tied for the lead with Doug Sanders.

★ ★ ★

Visiting the press room, as tournament leaders customarily do at the end of each round, Sifford announced Thursday that he didn't feel fit to be tied again.

"I'll be back by myself tomorrow," Sifford promised newsmen after reviewing his one-under-par 71 in round two of the 90-hole event.

With 36-hole scores of 137, Sifford and Sanders were two shots ahead of their nearest rivals. Sifford shot a six-under-par 66 Wednesday and Sanders had rounds of 69 and 68. The tournament is being played on four different desert courses simultaneously. Par at each is 72.

FOUR-WAY TIE

There was a four-way tie at 139 among Bob Goalby, Bob Charles, Dean Refram and Gene Littler. Littler shot a 68 Thursday, Refram had a 69 and Goalby and Charles shot 72s.

Jacobs, Zell Eaton and Don January were tied at 140. A stroke farther back were Bob Adamson, Dick Hart, Dave Marr, George Knudson and Art Wall Jr.

★ ★ ★

Arnold Palmer, who shot a 78 Wednesday, had a 71 Thursday and was a doen strokes behind the leaders going into today's round. Jack Nicklaus wasn't much better off. He was 73-72—145.

Doug Sanders	69-68—137
Charlie Sifford	66-71—137
Bob Goalby	67-72—139

Seniors Lead in PGA Meet

John Barnum in Front With 137 Total

PALM BEACH, Fla. (AP) — The younger golfers will have to card some fine scores today to overtake the senior leaders in the PGA National Medal Play Tournament.

In the first two rounds of qualifying, the over-50 set collected a handful of below-par cards, including a new course record of seven-under-par 65. That was shot Thursday by defending champion John Barnum of Belmont, Mich., and gave him a total of 137. His 65 was carded on the 6,310-yard west course at Palm Beach Gardens, new home of the PGA.

★ ★ ★

The best score among those under 50 was a 69 by Ken Yount of Niagara Falls, N.Y., Wednesday. After today's second round of qualifying by the younger golfers, the low 125 from both fields will play 18 holes Saturday and Sunday for the title.

Sam Snead of Boca Raton and Pete Cooper of Lake Worth, playing in the older division, tied for second with 138. Leland Gibson of Kansas City and Clarence Doser of Gaithersburg, Md., tied for fourth with 139.

Spencer Close to Waterford Cage Crown

Spencer Floor Covering moved within one game of clinching the Waterford Township Class A recreation basketball title last night.

★ ★ ★

Spencer's earned a share of the championship by trimming Bill's Towing Service 93-62, then watched runner-up Lakeland Pharmacy rally for a 78-74 verdict over Five R's Construction Co.

The latter led, 64-51 with 7:21 to play when it found itself with only three players left in the game. The lack of personnel was too much to overcome and Lakeland caught up four minutes later.

Jim Poteet led the winners with 21, while Bill Kennedy had 24 and John Keller 20 for the losers. Spencer's win was led by John Herrington's 23.

Joe Umphrey hit 22 and Ron Hetherington 21 for the losing Towing squad.

★ ★ ★

In city league action, the Bachelors' Club won its first game, 76-67, over 300 Bowl; and Southwest Community Club stayed in the American League Race by beating Corr's Fuel and Oil, 72-63.

A National League contest saw Town & Country slip by the Pontiac Police, 49-42.

Larry Blackburn hit 28 points in leading the Bachelors Club victory as four of the five winning players were in double figures. For 300 Bowl, George Ratledge hit 20 and Chuck Johnson 15.

One Point Behind Wings

Rangers Keep Surge Going

BOSTON (AP)—New York is racing headlong toward a Stanley Cup playoff berth on the flying skates of its "French Line"—Camille Henry, Phillipe Goyette and Rodrigue Gilbert.

There's a goaltender named Jacques Plante playing a major role in this tremendous Ranger National Hockey League surge, too.

★ ★ ★

The foursome combined for a 3-1 victory over Boston Thursday night which hauled New York to within a single point of idle fourth place Detroit.

New York has a 9-3-1 record in its last 13 games.

The Goyette-Henry-Gilbert line is now one of the league's top scoring units with 58 goals and 133 points.

Henry rallied the Rangers from a 1-0 deficit by scoring his 22nd and 23rd goals of the season, then he and Gilbert both helped Goyette get his 16th. Gilbert had assists on all three.

NINE GOALS

The fifth-place Rangers now have a 6-2-2 season's record against the last-place Bruins. Goyette is the chief contributor in this one-sided affair, having scored nine times at Boston expense.

Plante, with solid support from a hard - hitting defense, made 33 saves in the triumph and was unbeatable after Murray Oliver got one shot past him at 13:32 of the first period.

Henry tied the game less than two minutes later when he deflected in Andy Bathgate's 40-footer on the power play. That score broke a scoreless string of 144 minutes, 30 seconds by Boston goalie Ed Johnston.

FINISHED RACE — Mrs. Dorothy Ann Hirschland of Closter, N. J., laughs after finishing 17th in the Ladies Singles Toboggan Race at the Winter Olympics. She covered some 60 yards of the course without her toboggan after hitting an ice wall and being tossed off. She and the toboggan finally got together again and Mrs. Hirschland finished the race.

Tigers Improved--Dressen

By CHARLIE DRESSEN
Manager, Detroit Tigers

LOS ANGELES (AP) — I firmly believe the Tigers will have the most improved team in the American League in 1964. We've done more with our club than anyone else.

Through winter trades we have strengthened three departments—infield, outfield and pitching. We're quite pleased with the trade that brought Jerry Lumpe to play second base for us.

★ ★ ★

Lumpe, whom we got from Kansas City in the Rocky Colavito deal, should stabilize our infield. He's as good a second baseman as there is in baseball today, and he ought to increase our double play output. We were weak there last season with only 124, ninth in the league.

Don Demeter, whom we acquired from Philadelphia in the Jim Bunning trade, should help our outfield as much as Lumpe does the infield. Demeter adds speed and defense without any sacrifice in hitting. I'm looking forward to seeing Demeter, Al Kaline and Bill Bruton perform in the same outfield. It could be the best in the league.

NEED REST

Everybody knows how great Kaline is and what he can do at the plate. Bruton is dangerous when he's rested a little, as we plan to do. Demeter should hit for a higher average than Colavito, and last year he hit as many home runs as Colavito. Demeter will be in center field and Bruton in left.

Behind the three regulars we have George Thomas and Jake Wood, whom we are converting from a second baseman into an outfielder. I also like the chances of Willie Horton, as impressive as any rookie hitter I've seen in a long time.

I like my infield now. Dick McAuliffe at shortstop is my kind of ball player. He's a hard-nosed player, a good hitter and is improving as a fielder all the time. Norm Cash at first base came along real fast after a slow start last year. I look for him to continue that late season pace. At third, I'm going to give Don Wert a real shot to make it. Bubba Phillips will back him up.

★ ★ ★

I look for our catching to be improved. Bill Freehan is going to be our No. 1 catcher and he'll be a good one. We traded Gus Triandos because we have confidence in Freehan. He could develop into one of the outstanding players in the league.

I'm happy with my pitching. Ed Rakow and Dave Wickersham, whom we got from Kansas City, are bound to help. Rakow, I think, can be a big winner. Wickersham might be a terrific relief pitcher. Young Jack Hamilton, who came with Demeter, has a good arm.

★ ★ ★

I'm planning on Hank Aguirre, Phil Regan, Frank Lary, Mickey Lolich and Rakow in the starting rotation with Don Mossi and Wickersham doubling between spot starts and relief. There might be some changes, however. We've got several good looking young pitchers I'm anxious to see again. They are Dennis McLain, Fritz Fisher and Joe Sparma. Also Bill Faul, who was with us last year, has developed fast. Then there's Alan Koch, who had a fine record last year.

IN RELIEF

I'm counting on Terry Fox and Fred Gladding for right-handed relief. Fisher, who came out of the University of Michigan last summer, might be just the left-handed reliever I'm looking for. He has a good sinker and gets the ball over. My biggest need, outside of a good relief pitcher, is a left-handed pinch hitter.

★ ★ ★

The Yankees, of course, are still the team to beat. The boys think they can do it and so do I. After us come Chicago, Baltimore and Minnesota. What I hope to do is get the boys in real good physical condition in spring training so we can get off to a good start. If we do, there's no telling what will happen.

U.S. Is Far Behind in Winter Olympics

(Continued from Page 28)

slumped to 1:05.93 for fourth place at 2:11.08.

The No. 1 U.S. sled, piloted by McDonald, registered 1:05.97 and 1:05.85 for 2:11.82, and fifth place. The No. 2 sled, with McKillip at the controls, did 1:06.17 and 1:06.34 for 2:12.51.

Mrs. Skoblikova, the dimpled, curly-haired world champion, threatened to become the individual standout of these Games. She is entered in all four speed skating events, had already won two, and is given a good chance for a sweep.

After she had streaked to victory in the 1,500-meter event, in which contestants skate in pairs against the clock, the big red Russian flag with hammer and sickle was raised and members of the Russian team began chanting:

"Lee-dah, Lee-dah."

She smiled broadly while her teammates flocked around her, kissing her on both cheeks.

Kaija Mustonen of Finland was second in the race in 2:25.5 and Berta Kolokoltseva of the Soviet Union was third in 2:27.1.

LAST FIGURES

At the Ice Stadium, where the ladies were tracing the last of their intricate figures, a three-way battle developed for the women's singles crown, won four years ago by America's Carol Heiss.

However, the 22-year-old Miss Dijkstra remained a firm favorite, leading after three figures with a total of 598.4 points.

Regine Heitzer of Austria was second with 581 points,follow by Petra Burka of Canada, 563.

★ ★ ★

Miss Fleming, surprise winner of the U.S. crown, moved from eighth to sixth on the third figure, replacing Christine Haigler of Colorado Springs, Colo., who dropped to eighth. They had 533.6 and 526.9 points, respectively. Albertina Noyes of Arlington, Mass., was 12th with 506.1.

After two months without snow, there was a two-inch fall in this Olympic citadel overnight and Austrian police had to shovel the bobsled track at Igls to put it into proper condition.

★ ★ ★ ★ ★ ★ ★ ★ ★

U.S. Skiers Dejected

INNSBRUCK, Austria (AP) — Chuck Ferries of Houghton, Mich., and two U. S. Olympic skiing teammates hid their disappointment over poor showings in the men's downhill race Thursday behind a police barricade.

But their display of temperament was assuaged somewhat by news that American skiers will get better seedings in the slalom and giant slalom races next week.

The U. S. team won an earlier seeding battle when the ISF agreed to give added weight to American events in determining places, but Ferries and teammates Billy Kidd of Stove Stowe, Vt., and Bud Werner of Steamboat Springs, Colo., were shutout in the men's downhill.

FLED SCENE

The three Olympians ignored reporters' questions and fled behind a protective barrier of Austrian police.

Kidd and Werner finished 16th and 17th in the event, won by Austrian Egon Zimmerman in two minutes, 16 seconds. Ferries finished 20th in 2:23. The leading American was smiling 19-year-old Nick Orsi, of Stockton, Calif., who negotiated the testing downhill course in 2:21:59.

Ferries' sister, Barbara, drew the number 12 starting place in Saturday's Olympic women's slalom race. America's Jean Saubert, a co-favorite in the event with France's Marielle Goitschel, drew the eighth spot. Miss Goitschel will start first.

30 Teams to Run in Michigan Relays

ANN ARBOR (AP) — Entries from more than 30 universities, colleges, high schools and track clubs are expected to compete in the Michigan Relays in Yost Field House today and tonight.

★ ★ ★

Preliminaries on the 32-event program were to begin at 1 p.m. with the finals set for 7:30 p. m.

Included in the program are six events for women as well as special relays for high school teams.

Besides the host school, Michigan State, Western Michigan, Miami (Ohio), Bowling Green, Wayne State and Toledo are entered among the colleges and universities competing.

★ ★ ★

The sprint field features such speedsters as Michigan State's Sherman Lewis and Bob Moreland, Dorie Reed of Michigan, John Gregg, a former U-M thinclad now with the Ann Arbor Track Club; Steve Schriefer of Western Michigan and Scott Tyler of Miami.

Valencia Nine Takes Playoff Series Opener

CARACAS, Venezuela (AP)—Valencia's Industrials edged Caracas 6-5 in the first game of their seven-game Veneuelan League baseball playoffs Thursday night, with Teo Acosta and Hector Martinez rapping vital ninth-inning hits.

Acosta singled in one run in the ninth, took second on a wild pitch and scored the clincher on a single by Martinez.

Vic Davalillo of the Cleveland Indians homered for Caracas.

Davey's Post Official

LANSING (UPI) — Former Golden Glove and professional boxer Chuck Davey was confirmed as a member of the Michigan athletic board of control by the state Senate yesterday.

At Shelton's Winter Carnival You Can Have

immediate delivery

ON A NEW PONTIAC

All models and colors of the sparkling new Catalinas, StarChiefs, Bonnevilles, Broughams, 2+2's are yours at a famous Shelton Deal.

A HOT NEW TEMPEST

Here is the really all new car for '64. Choose it in Custom, LeMans or GTO models. Six or eight power with automatic or stick transmissions, all unbelievably smooth. We say take the time to test drive a Tempest.

AN ALL NEW BUICK

The car that had the smoothest transmission made even smoother, more economical with faster action. Choose from LeSabre, Wildcat, Electra, Riviera, Special or Skylark models.

OR A NEW BUICK SPORTS CAR

If you want to be in the middle of the action choose a Buick Sports Car. Three sizes cover a wide range of power, the Skylark, the Wildcat or the fabulous Riviera.

Conservation Officer Retires

By DON VOGEL

Southeastern Michigan's fox and rabbit populations can expect the pressure of unofficial checks to increase after today.

★ ★ ★

Howard Johnson is making his final official tour of Oakland County's southwestern corner today as a conservation officer. Tomorrow he retires to a life of pursuing fox and rabbits to the music of his hounds.

The 70-year-old Union Lake resident has been a Conservation officer since 1937 and has been covering Oakland County for almost 19 years.

"There's at least one fox in every section of this county," said Johnson as he looked out of the window of the department's fire station on Williams Lake Road.

"I'll bet there's one over along those runways," he commented while gesturing toward the Pontiac airport across the road.

RABBITS DOWN

Like most nimrods, Johnson has found the rabbit population down this winter.

"I've only taken two down here. I don't know why they are down this season."

Johnson usually hunts fox south of Plymouth.

"We stir them up pretty good," he grinned.

A veteran of World War I, Johnson moved into the conservation field in 1937 after working for the Rickenbacker Aeronautical firm in Detroit.

★ ★ ★

"I joined the department Oct. 1, 1937 and was sent to Sanilac County for nine days training with another officer. Then I was transferred to the duck patrol in Huron County for 45 days."

After 24 days of working with experienced officers, he was assigned the southern half of Tuscola County "on my own."

★ ★ ★

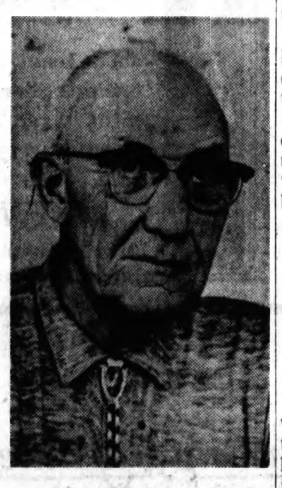
He later served in Wayne and Monroe Counties before taking over Oakland in May of 1945 after Bob McClure retired.

"I was the only conservation officer in the county at that time," he said. "The department did send in special boat patrols, but I was in charge."

The county is now quartered with an officer in charge of each section.

Johnson used to do quite a bit of fishing, but "I haven't been ice fishing since they caught those big bluegills in Kent Lake five or six years ago."

"Why should I go. I'm the world's worst fisherman and, checking the lakes, I can see how poor the fishing is."



HOWARD JOHNSON

He blames pike spearing for the overpopulations of stunted panfish in area lakes.

"I don't know whether I'm right, and the biologists probably won't agree with me, but that's how I see it."

CRASH PROGRAM

The department started a crash program for raising pike and muskies two years ago.

"I can remember sitting on a stump at night along that outlet at Walled Lake waiting for the harpooners to come out with gunny sacks full of pike," he related, "and hearing the fish thrash the water to a foam trying to spawn.

spawn.

"You go back and sit on the same stump this spring and you might hear one or two splashes."

He said violations are down since he came to Oakland County.

In the first eight months of his stay here, he wrote 388 tickets. Last year he arrested 42 violators.

"There is the base, or number of pheasants and rabbits, there used to be," he explained. "Most of the violations now are by fishermen."

League Leading 5 Meets Rochester

Pontiac Midwestern Baptist will be looking for its sixth victory of the season when it plays host to Michigan Christian Junior College of Rochester Saturday at 7:30 p.m. in the Emmanuel Chritian gymnasium.

The Falcons lead the Michigan Christian College Athletic Association (MCCAA) with a mark of 5-0. The Rochester five owns a 1-4 record.

THURSDAY'S FIGHTS
By The Associated Press

MIAMI, Fla.—Tony Mamarelli, 145, Pittsburgh, knocked out Lou Bowman, 137½, Philadelphia, 2.

WORCESTER, Mass.—Joe Gomes, 158, Providence, R.I., outpointed Domingo Ortiz, 153, Hoboken, N.J., 10.

Berkley Hands PNH Matmen First Setback

Vikings, Waterford Post Wins; PCH Tops Arthur Hill

Berkley's wrestling team scored 13 points in the final four bouts Thursday to hand Pontiac Northern its first defeat of the season, 24-16.

★ ★ ★

The defeat tossed the Huskies into a three-way tie for the lead in the Inter-Lakes League race with Berkley and Walled Lake. All sport 3-1 marks.

In other I-L matches, Walled Lake turned back Farmington, 29-17, and Waterford evened its league record at 2-2 with a 22-18 decision over Southfield.

PNH held a 14-11 lead going into the final four matches with the Bears, but Berkley won three of the events and settled for a draw in the fourth to gain the decision.

The win boosted Berkley's season record to 8-1. PNH is now 9-1.

Waterford's Skippers won six events in handing Southfield its third loss in league competition.

★ ★ ★

The Skippers held a slim, 19-18, lead going into the final match, and Gerry Gebrowsky provided the margin of victory with a 5-0 decision over Mark Kuffner in the heavyweight division.

SLOW START

Walled Lake lost four of the five opening events but came back strong in the heavier weight classes to run its season mark to 5-2.

The defeat was the Falcons seventh of the season and left them on the bottom of the J-L ladder with an 0-4 record.

Pontiac Central rolled to an easy 41-7 win over Saginaw Arthur Hill on the Lumber Jacks' mat Thursday.

The Chiefs, evened their record at 4-4-1, won nine events and drew in two others.

Kettering won nine of 12 events enroute to a 39-6 triumph over Utica. The victory upped the Captains record to 5-3-1.

(Summaries on Page 32)

Pistons Spurt Wins, 109-100

DETROIT (AP) — The Detroit Pistons blew a 19-point lead, then regained their poise with a last minute spurt from guard Don Ohl to trip the San Francisco Warriors, 109-100, Thursday night before the largest crowd to attend a National Basketball Association game in Cobo Arena this season.

★ ★ ★

The 8,649 fans were dazzled in the opener by Oscar Robertson,, who crumpled two arena playmaking records in leading the Cincinnati Royals to a 133-110 victory over New York's Knicks.

The setback scotched Warrior chances of gaining on the slumping Los Angeles Lakers in the Western Division race. San Francisco remained 1½ games behind LA as the Lakers dropped their third game in a row without injured guard Jerry West, losing to the Baltimore Bullets, 107-89.

★ ★ ★

Ohl sank three straight baskets to bring Detroit from a 98-96 deficit into a 105-99 lead with less than two minutes to go. The fourth basket in the surge came on an Ohl pass to Willie Jones as Detroit matched its longest winning streak this season at two games.

BIG LEAD

Detroit raced to a 49-30 lead in the second quarter, but the Warriors' Wilt Chamberlain, who led all scorers with 42 points, slowly chopped the margin, until he put his club in front with 2:35 remaining. The lead changed hands three times before Ohl took charge.

Ohl led Detroit with 29 points, and teammate Bailey Howell added 25.

★ ★ ★

In the first game, Robertson's 18 assists clipped the arena mark previously held by San Francisco's Guy Rodgers. Oscar had 11 in the first half to set another new mark.

The Royals pulled within 3½ games of the Eastern Division leading Boston Celtics in ending the Knicks' hopes of winning three in a row for the first time this winter. Jack Twyman and Robertson, who shared 21 points in a third-period surge which put the game out of reach, paced the Royals with 29 and 28 points respectively. New York's John Egan had 22 to top the Knicks.

Another record crowd of 12,145 —largest in Baltimore's brief NBA history—watched the Bullets bomb the Lakers behind Walt Bellamy's 29 points. It was the Bullets' eighth victory in their last 10 games and gave them an outside chance to make the western playoffs.

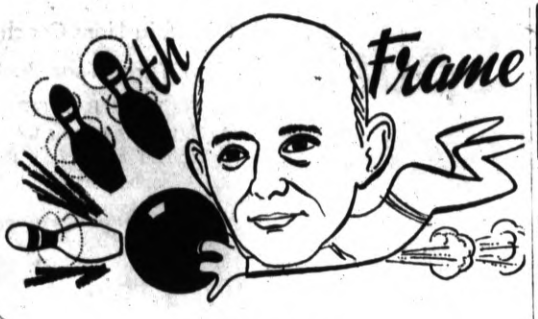
SUCCESS STREAK — Mrs. Winnifred Stader concluded a seven-day success string in bowling with a 261 game Tuesday at Huron Bowl. She had nine straight strikes in the game. Her string began the preceding Wednesday with a 200 her first of the season.



By JERE CRAIG

Jerry Harnack wanted to make sure, and it cost him perfection.

The young Huron Bowl Classic performer put 11 strikes together last Friday, most of which were good solid hits. The 11th one, in fact, really swept the alley clean.

When he went for No. 12, he later revealed, all he could think was to be sure to hit the head pin.

He did.

But the ball came in a little high and the six and ten pins were left standing. Harnack settled for a 298, for which makes him eligible for an American Bowling Congress award.

★ ★ ★

Had he gotten the 300, it would have been the third one in the league this year. Previously Bill Kirkland and Joe Foster had posted perfect scores.

Harnack had a 722 series for the night, which also included a 243 game.

Mike Smaardzija, Jr. continued his fine bowling in the circuit with another 700. He had 244—704 Friday which will not hurt his 226 average.

The Pontiac Window Cleaning team had 1101—3222 last week for the best five-man efforts.

ENTRY RUSH

The 118 pro spots in the Professional Bowlers' Association North American Open at 300 Bowl went in a hurry.

Some of the better professional bowlers from Detroit reportedly will miss out on this year's tournament because they did not get their requests in soon enough.

One of those who didn't miss out was Bob Strampe, the National All-Star champion. The response for berths was one of the fastest in the PBA history.

Could it have been the $28,000 prize fund?

SPARE PINS

The Don Nicholie Insurance team fell from the top five of the standings in the state women's tournament at Cadillac following last weekend's action.

No local or county entries are among the leaders now.

At the 44th annual State Elks Bowling Tournament in Bay City, Saul Wagman of Royal Oak leads the handicap singles, and the Dennis Geralds-Tom Hallock, Jr. duo from there lead the handicap doubles with 1278.

Woman Kegler Has 261 Game in 77th Year

Age puts no limits on competitiveness.

Mrs. Winnifred (Winnie) Stader is 77, and bowls in three leagues. During the summer months she golfs regularly — she was the first woman to have a golf courtesy card at the Pontiac Municipal course — and bowls twice a week.

Mrs. Stader, who lives at 1085 LaSalle, hasn't been satisfied with her efforts in the Rolling Pin League at Huron Bowl, however.

This week she confided to league secretary Viola Roise that "she just had to do something" since she was carrying a 130 average. Her other two league averages are 140 and 134.

★ ★ ★

She fulfilled her vow Tuesday afternoon with a string of nine straight strikes and a 261 game, the highest of her 11-year bowling career.

The Banner Linen team member, not knowing she need a 155 follow-up game for her first 600 series, suffered a letdown after her big game and settled for a 561 series.

Her 567 total just edged Jeanette Hetzer (561) for top honors in the league this week. The 261 game entitled Mrs. Stader to the Women's International Bowling Congress 100-plus award.

PBA Pro-Am Champ Qualifies Again

Last year's winner in the Pro-Am event of the Professional Bowlers' Association tournament at 300 Bowl has qualified for this year's affair.

Al Gauld bowled a 694 (with 100 per cent handicap) last weekend at Howe's Lanes to begin his bid for some of the $5,000 prize money offered in this year's Pro-Am.

The North American PBA Open sponsored by North American Van Lines is scheduled for Pontiac March 24-28 with 118 professional bowlers to compete in the field of 128.

Preceding the PBA Open will be the Pro-Am. The 118 pros will be paired with an amateur, although the pros will not share in the prize fund.

★ ★ ★

Joining Gauld as Howe's qualifiers last weekend were George Atkinson, Don Bilbey, and John Bradford. A total of nine local bowlers are in the Pro-Am to date. Statewide qualifying is taking place.

SITES ADDED

Added to the list of sites for the pro-Am qualifying are Jefferson Club Recreation, Oakwood Blue Jackets Bowlodrome and Riverside Recreation of Detroit, Dearborn's Mercury Lanes, and Windsor's Golden Mile Bowling Lanes.

Jerry Harnack's 786 for four games leads the PBA Open Eliminations. There are ten amateur spots for the PBA Open which will be filled through the eliminations.

Competition for the Open and the Pro-Am continue this weekend at 300 Bowl, Howe's, Auburn, Collier's and North Hill.

300 Bowl Qualifiers: Walt Zumbrunnen, Robbie Roberts, Al Urbaniak.
Colliers Lanes: Kleth Lester
Howe's Lanes: Al Gauld, George Atkinson, Don Bilbey, John Bradford, Jack Topham.

Pontiac Ladies' Duo Continues Elks' Lead

Pontiac's Mabel Fields and Maxine Smith held onto their Handicap Doubles lead last weekend in the Elks Ladies National Invitational Bowling Tournament.

They'll be watching the efforts of Mary O'Shust and Evelyn Shoener of Pontiac. The former teamed with Lorraine Lenz of Chicago to post the top doubles total.

A Hammond, Ind. duo, Pearl Bapst and Clara Krupa, made a strong run at the current leaders last weekend but fell nine pins short, 1186-1177.

They did post the high doubles game with handicap, however, a 434. There was a new leader in the team event also where Regional Vending of Hammond rolled a 2874 handicap series.

★ ★ ★

This is seven pins above the previous leader from Ann Arbor. No other leaders tumbled in the second week's action at the seventh annual tournament.

BOWLING

Lee Luenberger was tops with the series and game efforts Monday night in the West Side Classic. He had 275—652 totals among the 17 "600" series and the 74 games of 200 or better.

Colonial Lounge lost ground on league leader 300 Bowl, but did put more distance between itself and third place Sport Centen Trophies.

The runner-up is now 13 games off the pace but has a six-point cushion from the rest of the 16-team league. Other top scorers were Les Rothbarth's 646, Ray Giroux's 645 and "Chico" Chicovsky's 644.

Bowlers in the Collier Lanes Monday night House League are boasting about the balance of the league race after this week's activity.

Westside Mobil and Maguire Service entered Monday's competition tied for first place. Both took eight-point beatings and now Western Auto has the top spot.

Only eight points separate the top eight teams with position night on next week's schedule. Dixie Cream whipped the Maguire keglers while Westside Mobil was victimized by Borst Service.

Gerry Hight's 235-237 — 657 bowling led the individual scores.

MOVES CLOSER

The Dixie All Star League at Howe's Lanes had only a one-point spread between Standard Oil and Berg Cleaners last week.

Joe Roerink had a poor start (143) in the Howe's Senior Classic Friday but he rebounded with a 289 in his second game. Gene Morin hit 247—647 and Don Kuehnle had 234— 634.

★ ★ ★

Davisburg Golf holds a one-point lead over Ferrell Heating & and Plumbing thanks to a four-point sweep from the Ferrell squad last week.

Saturday night's Moon Lite Doubles at Howe's saw Peg Carter record 222-232-226—680 scores. Nick Nicholas bowled a 215 game in the Sunday Night Foursomes loop.

Ione (Sami) Samuel led the Ladies Doubles Classic again last week with a 210 game. She had a 546 series; Jo Gohl rolled a 554 and Pauline Welch a 547.

The Waterford Merchants League recorded a 238 for Max Siegers as Heads Barber Shop saw its league lead trimmed to three and a half points.

Eileen (Ike) Oerkfitz bowled a 239 in the Clarkston Women League; while Thursday's Morning Men's League had a 241 by Bill Keeth and 237—633 by Bob Garrett.

Frank Smrcina had 204 in Monday's Bucks & Does League at Howe's.

The Airway Lanes Guys & Dolls League last week was paced by Ron Hopp's 226-204—610 bowling, and Mary Kilbourn had 207—512 among the women.

Fran McCallum and Phil Stein both recorded 210s in the Airway Queens league, and Crystal Bigelow had 200, her first one. Bev Filka's 554 was the top series.

A 247 game by L.D. McLaughlin easily topped the American Legion No. 377 Mixed League Sunday at 300 Bowl; and Virginia and Rey Brancheau teamed to pace the Saturday Ins & Outers.

She had 230—598 and he 215—583. Mrs. Brancheau also had 232 in the Sunday Nite Owls at "300". Dick Saunders rolled a 223, although a 127 average bowler.

The Lake Oakland Heights Monday night action had Grace Mowry bowling 204; Marion Thorton posted 201—500 figures in the GMC Girls League that night; and Jo Schmidt made the 2-7-10 split in the 300 Mixed League.

There Are Telltale Signs

Watch for Signs of Tension in Student

By LESLIE J. NASON, Ed. D.

Give a child too much responsibility and tensions develop. Give him too little responsibility and he becomes dependent!

DR. NASON

Between these two paths is a broad area where children are happy, successful and relaxed. This is the relationship for which parents should strive.

Parents need to exert enough discipline and control to help a child learn to make decisions. At the same time, every child should become responsible for the cleanliness of his own person, for the care of his room and his belongings.

He should also be largely responsible for his success in school. But he is still a child and often needs special little boosts from his parents. Small tensions can become serious.

★ ★ ★

Here are some of the telltale signs. The earlier they are recognized, the less damage will have been done.

- Reports of behavior problems at school, particularly on the playground.
- **Lack of talking about school; mother's questions about school happenings producing irritation.**
- Signs of nervousness or belligerence on the part of a child either at school or at home—or both.
- **Shutting out the family, tending to escape into the reading of books or to other activities.**
- Showing rowdiness, occasional swearing, bullying of younger children.

★ ★ ★

Neglected, these behaviors build up to a crisis, often before parents even recognize that something is wrong.

HARD TO FIND

Finding the cause of tension in a child is not easy, there are so many places to look. Perhaps he feels too much responsibility for seeing that his younger brother or sister gets to and from school.

A second or third child often builds up tensions when confronted at home or at school with the success of an older child.

There is lack of consistent discipline; for example, when one parent is strict and the other lenient.

The child may think his parents expect more of him than he feels capable of achieving. Not being able to live up to parental expectation is a serious problem for any child.

This is true whether it pertains to reading, writing, arithmetic, grades in school or behavior, such as meeting a guest.

Parents can be successful in reducing a child's tensions. They must first listen to the child and try to understand how he thinks about himself.

These problems are not resolved through punishment, although firmer control is often a necessary element in the solution.

★ ★ ★

Frequently, at least once a day, a parent must give a tense child some extra time and individual consideration. Once the underlying causes of the tension are discovered, they can be diminished.

BEHAVIOR PERSISTS

Even after the source of tension is eliminated, the troublesome behavior patterns sometimes persist through habit.

As a final step the parent must help the child plan and control his behavior.

Opening lead—♠K

By OSWALD JACOBY

When you refer to someone as a "book" player you mean that he knows all the basic rules and follows them blindly.

JACOBY

A "book" player will do better in the long run than a man who plays catch-as-catch-can bridge, but he will never be a really great player unless he knows when to throw the book away and follow his own best judgment.

Now take a look at the West hand. Your opponents reach five clubs after your partner's opening spade bid and your raise. What do you lead?

The "book" player will open the three of spades because all the books tell you to open the fourth best of your partner's suit unless you hold either the ace or touching honors such as king-queen, queen-jack or jack-ten. The "book" player will also watch South chalk up game and rubber. His partner will win the first trick and will not take any more tricks unless he promptly cashes the ace of hearts.

The reasoning player will open the king of spades. He will hope to hold the trick with the king and then be able to tell which red suit to shift to.

He will also manage to set the hand because he will see that proper shift is to hearts and that heart shift will produce two heart tricks for East.

♥♣CARD Sense♠♦

Q—The bidding has been:

West	North	East	South
1♥	Pass	Pass	Dble
Pass	2♣	Pass	2♥
Pass	2♠	Pass	?

You, South, hold: ♠KJ1087 ♥A ♦K543 ♣AQ8

What do you do?

A—Bid four spades. Even if your partner only has three spades you should have a play for this contract.

TODAY'S QUESTION

You bid four spades and your partner goes to five clubs. What do you do now?

Answer Tomorrow

Astrological Forecast

By SYDNEY OMARR
For Saturday

"The wise man controls his destiny . . . Astrology points the way."

ARIES (Mar. 21 to Apr. 19): Emphasis on harmony, "quiet entertainment." Means avoid crowded, noisy parties. Be with close friends. Remain close to home. Confide aspirations to one who has displayed wisdom.

TAURUS (Apr. 20 to May 20): Utilize LOGIC. Don't imagine persons or situations to be different from the way they exist. Base actions on KNOWLEDGE. Demand proof before committing yourself.

GEMINI (May 21 to June 21): Avoid one who puts on "airs." Key is frankness, honesty. TRUTH is your greatest ally. Admit mistakes. If you make them. But also take credit for correct judgment.

CANCER (June 22 to July 21): Attend to details early — includes straightening out of domestic problem. Later, relax by dining out, attending party — theater. Avoid those who promote gloom.

LEO (July 22 to Aug. 21): Pounce on opportunity. Be aware, alert. Stress versatile approach. Permit marvelous sense of humor to show itself. Turn on charm; personal magnetism. Fine for writing, visiting.

VIRGO (Aug. 22 to Sept. 22): Check budget. Find out how to get the most for your money. Read features by experts in your paper. Intuitive flash later could present solution to major problem.

LIBRA (Sept. 23 to Oct. 22): Cycle high. You can accomplish much through PERSONAL CONTACTS. Means do the job yourself. Make inquiries. Display curiosity. Others will find joy in helping!

SCORPIO (Oct. 23 to Nov. 21): Visit those who are confined. Show compassion. Improve personal "image." Build for future — plan ahead. Wonderful for work in connection with community projects.

SAGITTARIUS (Nov. 22 to Dec. 21): You have earned a day of RELAXATION. Be a guest rather than a host. Enjoy company of fine friends. Evening favors romance, dining out, attending theater. Forget cares!

CAPRICORN (Dec. 22 to Jan. 20): Use first day of month for making career plans. Timing is of utmost importance. Enhance standing in community. Do so by volunteering services in worthwhile cause.

AQUARIUS (Jan. 21 to Feb. 19): Emphasize simplicity. Real knowledge is not expressed by fancy words. Fine for catching up on reading, correspondence. Also good for visits, family reunions.

PISCES (Feb. 20 to Mar. 20): Be your most captivating self! Share success, joy with others. Your charm wins the day — and evening. Don't permit financial worries to mar enjoyable day.

IF SATURDAY IS YOUR BIRTHDAY . . . you are original, naturally independent . . . and can obtain much if you learn to be PATIENT.

GENERAL TENDENCIES: Cycle high for LIBRA, SCORPIO, SAGITTARIUS. Special word to ARIES: Moderation should be your key word today.

News in Brief

Alberta Robinson, 485 Alton, told police yesterday that a record player and records valued at $120 were stolen from her house.

A cash box containing from $140 to $160 was reported stolen yesterday in a break-in at Bingley Sunoco service station, 1153 N. Perry.

Benjamin Collins, 3270 Rochester, Leonard, told sheriff's deputies yesterday that tools valued at about $90 were stolen from his house.

Rummage Sale: Friday and Saturday, 9 a.m. to 2 p.m. 595 N. Perry. —adv.

Rummage Sale, bargains galore, Thursday-Saturday 10-1, 204 W. Hopkins, off Baldwin.

Business Background Good

Mixed Mart Breeds Caution

NEW YORK (AP) — Caution prevailed in a mixed stock market early this afternoon. Trading slackened.

Movements of most key stocks were fractional.

Although the business and economic background to the market remained encouraging, precautionary advice on the current level of stock market prices was fairly general.

In spite of pessimism in some quarters, stocks held up pretty well. Steels and motors were a hodge-podge of small gains and losses. Rails were generally steady. Cigarette stocks moved higher on balance.

IRREGULAR PATTERN

The pattern was irregular among chemicals, electrical equipments and building materials.

The Associated Press average of 60 stocks at noon was up .3 at 290.8 with industrials up .7, rails up .1 and utilities off .1.

★ ★ ★

As trading wore into the afternoon, Sears, Roebuck slipped about 2 points. Steadiness in other blue chips, however, seemed to counterbalance this.

General Electric was up a full point. Fractional gains were held by du Pont, American Telephone, Standard Oil (New Jersey) and Kennecott. American Smelting was up a full point.

AM EX MIXED

Prices were mixed in moderate trading on the American Stock Exchange. Syntex opened late and fell 3½ points, later showing a 1-point net gain.

Deaths in Pontiac Area

MRS. ALFRED L. SMITH

A service of Holy Communion for Mrs. Alfred L. (Grace S.) Smith of 100 Mark will be observed at 10 a.m. Monday in All Saints Episcopal Church.

The funeral service will follow at 11 a.m. with burial in Oak Hill Cemetery. Her body is at the Sparks-Griffin Funeral Home.

Mrs. Smith, 82, died yesterday after a long illness. She was a member of All Saints Church and Guild No. 1 of her church, and had served as State Regent of the Daughters of the American Revolution.

Mrs. Smith, an active member of the Oakland County Pioneer & Historical Society, was the daughter of Elmer Stowell whose father had been an early pioneer farmer in the Watkins Lake area.

Surviving are a daughter, Mrs. Alice Blanck of Hohokus, N. J.; a son Philip S. of Denver, Colo.; two sisters, Mrs. George Broders of Pontiac and Mrs. Paul Moody of Watkins Lake, Waterford Township; and several grandchildren.

The family suggests any memorials be made to All Saints Church or the Michigan Cancer Foundation.

CLARENCE A. BIDLEMAN

LAPEER — Service for Clarence A. Bidleman, 64, of 134 Madison will be 2 p.m. tomorrow at Muir Brothers Funeral Home. Burial will follow in Attica Cemetery.

Mr. Bidleman, a retired farmer, died yesterday after a brief illness.

Surviving are a foster sister and a granddaughter.

ALICE E. KETCHAM

LAKEVILLE — Service for Miss Alice E. Ketcham, 75, of 1168 Lakeville will be 2 p.m. Sunday at Bossardet Funeral Home, Oxford. Burial will follow in Woodlawn Cemetery, Detroit.

Miss Ketcham, a retired Detroit school principal, died yesterday after an illness of several weeks.

She was a member of the Detroit Women Principals' Club, the Detroit Symphony Society, the Detroit Audubon Society and the Columbia University Club.

A sister, Mrs. Ernestine Sheill of Romeo, survives.

MAX F. LUCYSZYN

COMMERCE TOWNSHIP — Service for former resident Max F. Lucyszyn (Lanson), 50, of Detroit will be 2:30 p.m. tomorrow at Richardson-Bird Funeral Home, Milford. Burial will follow in Lakeside Cemetery, Oxbow Lake.

Mr. Lucyszyn, a commercial artist, died Wednesday.

Surviving are two brothers, Joseph Lucyson of Union Lake and Theodore Lucyszyn of Detroit, and a sister, Mrs. Cass Deigert of Flint.

MAURICE E. MAHAFFY

UNION LAKE — Service for Maurice E. Mahaffy, 76, of 1565 Mercedes, will be 2 p.m. Sunday at Muir Brothers Funeral Home, Imlay City. Burial will follow in Mount Pleasant Cemetery, Dryden.

Mr. Mahaffy died yesterday after a long illness.

Surviving are two brothers Paul of California and Russell of Pontiac and a sister, Mrs. Fernie Jenkinson of Union Lake.

WILLIAM J. MASON

KEEGO HARBOR — William J. Mason, 79, of 2895 Knowlson died yesterday after a prolonged illness.

His body is at C. J. Godhardt Funeral Home.

Mr. Mason was a retired employe of the General Motors Truck and Coach Division, Pontiac.

Surviving are four sons, William H. of Keego Harbor, Melvin of Davisburg, Howard of California and Robert of Pontiac; two daughters, Mrs. Helen Bowler and Mrs. Harold Harmon, both of Pontiac; two sisters, Mrs. Laura Anderson and Mrs. Cora Jenson, both of Pontiac; 15 grandchildren and 13 great-grandchildren.

ARTHUR J. NILES

ORTONVILLE — Service for former resident Arthur J. Niles, 75, of Flint will be 2 p.m. tomorrow at C. F. Sherman Funeral Home. Burial will follow in Ortonville Cemetery.

Mr. Niles, a retired farmer, died yesterday after a long illness.

A sister survives.

GEORGE E. PATTERSON

ROSE TOWNSHIP — George E. Patterson, 59, of 2286 Houser died early today.

His body is at the Dryer Funeral Home, Holly.

WILLIAM H. SMITH

WIXOM — Service for William H. Smith, 74, of 2718 Lakeridge will be 1 p.m. Monday at Walled Lake Methodist Church. Burial will follow in Oakview Cemetery, Royal Oak.

Mr. Smith died this morning after a lengthy illness. The body will be at the Richardson-Bird Funeral Home in Walled Lake after 7 p.m.

A retired engineer for the federal government, Mr. Smith was a member of the Walled Lake Farm Bureau, Walled Lake Rotary Club and the Hickory Hill Civic Association.

Surviving are his wife, Anna; two sons, Stanley and Wilbur of Detroit; his daughter, Mrs. Gertrude Walker of Wixom; 12 grandchildren; and 10 great-grandchildren.

Universal Ordainment

LONDON (AP) — A Hungarian pastor, Jeno Weisz, who will serve in England in the Swedish Lutheran Church, was ordained by a German bishop with pastors of Estonian, Latvian, Finish and American backgrounds participating.

Accept Grant for Library

With Trustee Loren Anderson the only objector, the Waterford Township Board yesterday accepted a $30,000 federal grant for construction of a new library building.

Notification of acceptance will be sent today to the Community Facilities Administration's Chicago office.

Anderson said he voted against acceptance of the grant because he has felt from the start that a project of this size should be put to a vote of the people.

"I don't feel we have been fair with the public on this," Anderson said. "I think they should have a choice in the matter."

MUST BEGIN

Construction on the $62,000 project must begin within 120 days after the government has acknowledged the township's acceptance of the grant.

Federal Grant Accepted for Sewer in Area

The Oakland County Board of Supervisors at a special meeting today accepted a $375,000 federal grant toward sewer construction in Farmington Township by a 70-0 vote.

The board also approved the $403,000 bond issue by the county to finance the remaining cost of the project expected to total $778,000 by a similar majority vote.

The federal grant totals about half the project's cost. It is under the Accelerated Public Works Act.

Construction of the sewage system should begin in April with completion due six months later.

OPEN 700 ACRES

The system — Tarabussi Arm — will open approximately 700 acres in the southwest corner of the township for new industrial development.

The arm will tie into the Farmington Sewage Disposal System on Eight Mile. Sewage will be carried by the system into Detroit for treatment.

Castro Is Quite Alive; Visits Sugar Operation

MIAMI, Fla. (AP) — Cuban Prime Minister Fidel Castro, whose death has been persistently rumored in the exile colony, has visited a Cuban sugar cane mill, Havana Radio reported today.

A broadcast heard here said Castro and President Osvaldo Dorticos witnessed first tests of Soviet-made cane cutting and lifting machines in a Havana province sugar mill.

Reds Helped Organize Panama Riots

(EDITOR'S NOTE: A key question in the Panamanian riots of Jan. 10-15 was whether Communist and Castroites were involved. U. S. Army Secretary Cyrus R. Vance said at least 10 Cuba-trained Communists had been arrested by the Panama National Guard. In the following exclusive dispatch, UPI Latin American News Editor Francis L. McCarthy discloses details of the rioting.)

By FRANCIS L. McCARTHY

NEW YORK (UPI) — Communists and Castroites helped organize the anti-American rioting in Panama in which 21 persons were killed and several hundred wounded earlier this month, authoritative sources told the UPI today.

These sources supplied several photographs and identifications of participants.

About 70 known Communists and Fidelistas (Castro sympathizers) seized on an incident to spark and develop the outbreaks.

★ ★ ★

Some 40 of these, who played leading roles, were said to have been recent visitors to Cuba, Soviet Russia and Red China.

REDS WERE ARMED

The Reds who led the demonstrations all were armed.

Panama authorities were reported to have arrested some of the better known subversives after American complaints.

These were reported to have been released quickly because of their leading roles in student affairs and government fears of adverse public reaction in Panama.

★ ★ ★

A palace guard spokesman in Panama said he did not know anything about such arrests.

LONG AWAITED INCIDENT

The sources said a flag-raising incident at the Balboa High School in the canal zone, for which American students were to blame, gave the Communists and Castroites the incident they long had been seeking to provoke violence.

Their subsequent actions responded to appeals from Havana for riots and disorders throughout Latin America.

It was hoped these would divert world opinion from formal Venezuelan charges to the Organization of American States (OAS) that Communist Cuba supplied arms to the terrorist underground armed forces for national liberation (FALN).

★ ★ ★

The appeals were intercepted in Caracas and from part of the Venezuelan case against Cuba.

UPI's sources traced organized agitation in the days immediately preceding and following the flag-raising incident as follows:

On Jan. 9, Communist speakers interrupted a student rally at the National Institute in Panama City to announce a march on the Balboa High School.

The Communist orators at this rally were identified as Floyd Britton, Carlos Nunez and the leader of a women's affiliate, Virginia Ramirez.

★ ★ ★

The sources said they openly called for violence to follow the march.

AS SPARKPLUG

Britton, 26, was described as the sparkplug at the Jan. 9 rally.

A card-carrying Communist since 1960, he instigated demonstrations against the U. S. Embassy in Panama City in 1955, participated in the Cuban-sponsored guerrilla activity in the Panamanian interior in 1959, and in student riots against the Panama Canal.

He was a Castro guest in Cuba in late 1961 and early 1962.

On Jan. 10, following a night of rioting, Panamanian Communist leaders appeared at the national institute to distribute arms to demonstrators.

MEN IDENTIFIED

Identified and reported to the Panamanian National Guard were Cleto Souza, Ruben Dario Souza, Jorge Turner and Cesar Carrasquilla.

Carrasquilla, the ring leader, was identified as a Communist cell leader in the science faculty at the University of Panama.

Speakers were heard urging the crowd to "Kill Americans" and keep up the disorders "until all Americans have left Panama."

★ ★ ★

Later the same day, a deputy in the national assembly, Thelma King, a close friend of Fidel Castro and a frequent visitor to Communist Cuba, personally led a mob of about 1,000 persons to National Guard headquarters to demand weapons.

RADIO APPEAL

At the same time, Radio Tribuna, a transmitter partly owned by Miss King, openly broadcast appeals for mob violence.

A subsequent meeting at Panama University, which led to further violence, was organized by Victor Avila, 24, Communist student leader.

He was described as a Communist since 1960 and a former secretary general of the Panamanian Students Federation.

Avila, like Britton, was trained in Cuba. After the meeting, Britton was observed leading the demonstrations along the zone border.

Other Panamanaian Communists linked to active roles in the four days of anti-American sniping, rioting, looting and sabotage, were said to include David Turner, Samuel Gutierrez and Alvaro Menendez Franco.

They were photographed provoking violence.

One Communist leader was seen and identified as a sniper firing into the Canal Zone Jan. 11 from the Johnny Waler Building in Cristobal, on the Atlantic side of Panama.

The sources also identified Andres Galvan Loreno, a leader of the Communist group, National Action Vanguard. He was seen during the Colon fighting with several other armed members of the party.

WERE RELEASED

They were among those arrested and released by the Panama National Guard. (The guard said subsequently it "knew nothing" of such arrests.)

Galvan Lorenzo trained for six months in Cuba in 1962.

Other known radicals identified in photographs by the sources included Alberto Calvo, 25, and Eligio Salas, Communist leaders in the law school, and Ausgto Arosemena, 23, who visited Cuba in 1960, an active Communist and former student federation secretary - general.

★ ★

Also Humberto Bruggiay, 22, a militant Communist in the school of sciences and Pedro Rivera, a Communist student leader and member of the central committee of the University students union.

For 6-Man Party

Police Buy Booze

HOUSTON (UPI) — Six men will deliberately guzzle beer and hard liquor for four and a half hours tomorrow in an attempt to see how much time it takes to get tipsy.

But their elbow-bending will be in the interest of law enforcement.

Police Capt. J. M. Devrier picked six volunteers to do the drinking while a test team, made up of a policeman, a reporter and three district attorney's staff members, checks their reflexes.

Devrier said the tests are for prosecutors and accident investigators to prove a person does not have to be "staggering drunk" before drinking affects his reflexes.

During the tests, the men will be checked for depth perception, coordination, brake reaction time, recovery time and visual recovery from glare.

They will also breathe into bags to measure the alcohol content in their breaths.

Waterford System Gets State Permit

Construction permits for Waterford Township's $7.3-million water system were issued yesterday by the State Health Department.

Any water project of $500 or more must be approved by Health Department engineers, Kenneth Squiers, superintendent of the Waterford Township water department, explained.

The construction program slated to begin by May 5 will interconnect the township's existing 10 water systems and provide three storage tanks.

★ ★ ★

Completion is scheduled a year from the starting date, Squiers said.

PRESENT SYSTEM

The township's water systems presently serve approximately 15,000 persons. The completed system will provide service to an estimated 28,000 by 1970.

Financed by revenue from connecting fees and from the sale of water, the water system will be selfsustaining.

Masked Men Carry Off $46 in Hotel Theft

Two bandits wearing stocking masks and armed with knives robbed the Auburin Hotel, 464 Auburn, of $46 early today.

John Zendali, night clerk at the hotel told police one of the men, brandishing a kitchen knife, entered a side door at 1:20 a.m. and demanded money.

The other bandit appeared at the same door moments later with a pocket knife, Zendali said.

★ ★ ★

Zendali said he threatened to hit the first man with a nearby stool but yielded to his demands when the partner appeared.

★ ★ ★

Zendali said the pair fled through the rear door after he unlocked the cash drawer and gave them money.

MINIATURE MODEL OF NEW HEARING AID GIVEN

A unique free offer of special interest to those who hear but do not understand words has just been announced by Qualitone Co.

A true life, actual size, inactive replica of the smallest Qualitone ever made will be given absolutely free to anyone sending in this advertisement. Try it on in the privacy of your home, without cost or obligation of any kind. It's yours to keep free.

The size of this Qualitone is only one of its many features. It weighs less than a third of an ounce, and it's all at ear level, in one unit. No wires lead from body to head. Here is truly new hope for the hard of hearing.

These replicas are free while the limited supply lasts, so we suggest you write for yours now. Again, we repeat, there is no cost and certainly no obligation.

Manpower Center at OU

State May Help Support Analysis Unit

State funds to help finance a Manpower Information and Analysis Center at Oakland University might result from a meeting today in Lansing.

The meeting—the first of the new Manpower Development Committee—was to be chaired by Gov. George Romney.

Created by Gov. Romney, the select committee is made up of department heads and top aides. The group is concerned with manpower development and retraining of workers.

★ ★ ★

A proposal to establish the OU manpower analysis center is slated to be the first topic before the group, according to James Dickerson, assistant to the chancellor of the university.

STATE FUNDS

Dickerson held out the possibility of state funds to help finance the proposed center. A two-year pilot project carries a $341,000 price tag, he said.

Conceived by the Oakland County Planning Commission and OU, the center—through the school's data processing facilities — would provide a continual up-to-date manpower file for use by government agencies, educational institutions and industry.

The center would fill in existing gaps in manpower information, Dickerson said.

★ ★ ★

Information on the county's high school dropout rate, the skill and composition of the work force, seasonal variations in employment, location of new industries, and similar items would be available for the asking, he explained.

COSTLY SURVEYS

Such data, now gathered through costly surveys and research projects, would improve job training and retraining programs for the unemployed.

The center would be installed in an existing building at the university—where an electronic computer is available.

Dickerson said federal funds are also being sought for the project. An application will be made under the Area Redevelopment Act.

★ ★ ★

A proposal for state funds was considered after Gov. Romney created his select Manpower Development Committee.

SENT TO COMMITTEE

The OU administrator said that the idea for a manpower analysis center was referred to the Department of Economic Expansion, which in turn sent it to the governor's committee.

Although the original proposal covers only Oakland County, Dickerson said a center for the tri-county area it is hoped will eventually result.

ORDINANCE NO. 90

An Ordinance to Amend Ordinance No. 87 Entitled "An Ordinance Establishing Rates and Charges for Water Service Provided by the Bloomfield Township Water System."

The Township of Bloomfield Ordains:

Section 1.01. That Ordinance No. 87 be amended by amending Section 9.01 and the addition of a new section to be known as Section 23.01, reading as follows:

Section 9.01. Direct Connection Charge. Subject to the provisions of Section 23.01, there shall be a connection charge of $500.00, payable at the time the application is approved, for the direct connection of any premises to the water supply system, except for those vacant lots located in subdivisions where any water main has been constructed to and is serving the lots within that subdivision, provided, however, that this exception shall not apply to those vacant lots which are located upon off-site water main.

Section 23.01. Payment in Lieu of Special Assessment. In those instances, wherein the owner elects to connect his premises in accordance with Section 9.01 hereof, said applicant shall pay the additional sum of $250.00, payable at the time the application is approved. Any and all sums collected hereunder, may be used at the discretion of the Township Board, to reduce the cost of any special assessment district, when and if a special assessment district is created wherein said properties would be included were it not for the fact that said premises were already directly connected to the water supply system.

Section 2.01. Pursuant to the provisions of Act 191 of the Public Acts of 1939, as amended, the previsions of this Ordinance shall take effect upon its publication as required by law.

Made and passed by the Township Board of the Township of Bloomfield, this 27th day of January, A.D. 1964.

DELORIS V. LITTLE
Township Clerk
January 31, 1964

SERVING PONTIAC SINCE 1937

NEW TRI-LEVEL. This new three-level home has everything to offer; three large bedrooms, 1½ ceramic tile baths, family room, spacious 24-foot living room, good sized lot, 2½-car garage. Located in a nice West Suburban area. Full price only $15,000 with $1,500 down or your present home in trade.

CASS LAKE AREA. The location of this home is beautiful, an all wooded lot 240 feet deep in area of homes ranging as high as $35,000. The home is a three-bedroom brick and frame RANCHER with full basement, recreation room, two brick fireplaces, large living room and dining area, completely carpeted. This home is exceptionally well planned and is decorated to perfection. Attached garage. Full price, $17,500.

TEN ACRES . . . RANCH . . . BASEMENT . . . SMALL BARN . . . the house is an older home but very sound. With very little work it would be in A-1 condition. Only a 20-minute drive to downtown Pontiac. Full price only $14,500 with $3,500 down or your present home in trade.

BLOOMFIELD. Large CUSTOM-BUILT RANCHER, all brick exterior, three bedrooms, two full ceramic baths, full basement, lovely recreation room with a fireplace. The living room is very spacious and expertly decorated and also contains a beautiful fireplace. There is a pleasant sun porch, 2½-car garage and a large wooded lot. The construction and decor of this home are both perfect. Full price $26,900. Please look at this one before you decide on a home.

LAKE FRONT on Oxbow Lake. The living room in this home is perfect. It has a large picture window from floor to ceiling and wall to wall overlooking the lake, and a built-up brick fireplace. There is a tile bath, full walk-out basement leading to a large patio overlooking the lake with one of the most scenic views around. All brick with attached garage.

NORTHWAY STREET. Cute, cozy three-bedroom bungalow. All aluminum exterior, gas heat, full basement, 1½-car garage, plastered walls, oak floors. Everything is in like-new condition. Only $300 down and real easy payments. Full price only $9,500.

Chrysler-Plymouth-Rambler-Jeep
6473 Dixie Hwy.
CLARKSTON MA 5-5861

1963 CROWN IMPERIAL "CONvertible" most luxurious of all Chrysler Built sports cars. Soft riding! Easy handling! Powerful performance! Take the wheel and feel the thrill of being "King of the Highway." Tops in styling too, as the Classic lines of this prestige car attract glances of admiration where ever you go. Cars such as these are not often available and will be especially scarce come spring. They'll cost more too! Make your choice now of either a jet black one or a light glazier blue. Both have white tops and white wall tires. The interiors are fully carpeted and are beautifully tailored with soft genuine leather. Equipped with full power, automatic transmission, radio, tinted glass and many other accessories. We can arrange payments to fit your budget using low new car terms. And our winter discount price is only $3,777.

WE FINANCE WHEN OTHERS CANNOT

Anyone can buy a car from us. Our finance Co. has had a good year, so they have a surplus of money, money, money. For a limited time only they lowered their loan requirements, so — you can buy a car from Estate Storage Co.

EVEN IF:

YOU HAVE BEEN BANKRUPT
YOU HAVE BEEN GARNISHEED
YOU ARE NEW IN TOWN
YOU HAVE HAD A REPOSSESSION
YOU HAVE BEEN IN RECEIVERSHIP
YOU HAVE BEEN TURNED DOWN BY OTHERS

ALL WE REQUIRE IS A STEADY JOB

While others waste time checking your credit, we deliver you a Car.

OVER 100 CARS TO CHOOSE FROM. ALL THIS PLUS PRICE. LISTED BELOW ARE A FEW OF THE 100 CARS THAT HAVE BEEN RELEASED FOR IMMEDIATE SALE

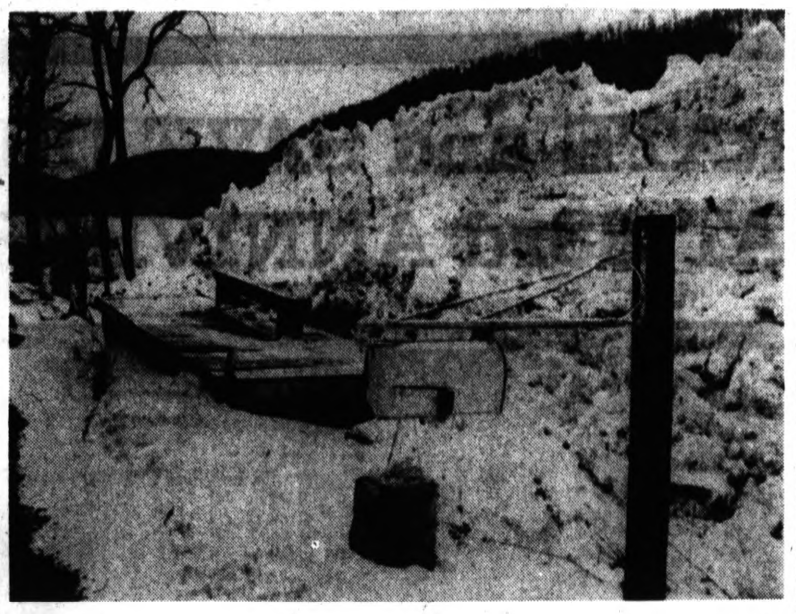
Answer to Previous Puzzle

Library Aid Measure Goes to President

WASHINGTON (AP) — The Senate sent to President Johnson on Thursday a bill boosting federal aid to libraries from $7.5 million a year to $45 million.

The bill also removes a limitation that confines the aid to rural areas with less than 10,000 population.



AP Photofax

COULD BE TROUBLE — Ice is piling up on the Allegheny River near Rimer, Pa. and has clogged this lock. The frozen material has climbed up to more than 20 feet in some places. Authorities are worried that a sudden thaw would increase the flow in the river and the ice blockade will cause flooding.

Priests Jeered by White Crowd

Cleveland Police Quell Race Disorder

By The Associated Press

Police using billy clubs and assisted by officers on horseback yesterday turned back an unruly crowd of more than 400 white persons during Cleveland's worst racial disorder in recent years.

★ ★ ★

At least 10 priests and civic leaders in the "Little Italy" district on the city's East Side were jeered when they attempted to calm the demonstrators.

Two Negro men and four photographers were beaten before relative quiet was restored in the area Thursday.

The violence erupted in an area near a grade school picketed by integrationists the past several days.

MORE INTEGRATION

The civil rights groups sought more complete integration of 800 Negro pupils transported by bus from overcrowded Hazeldell School to three schools in the East Side area. Parents of some white children objected.

About 200 womtn and children on relief picketed officials at Chicago in protest of recent relief cuts. The pickets said they do not have enough to eat.

TWO FAINT

Two women fainted during the demonstrations and the Rev. Henry Mitchell, organizer of the march, said they were hungry. Most of the demonstrators were Negroes.

Fifty of the women and children sat in at the State of Illinois building while the rest trooped a block to the City Hall, chanting: "We want food. We want jobs."

★ ★ ★

In Alabama, the state board of education ordered the immediate closing of previously white Tuskegee High School, where only 12 Negroes now attend classes.

The 250 white pupils who went to the school before it was desegregated under court order refused to go to classes with the Negroes. They enrolled in a new private school across the street or transferred to other high schools.

NONRESIDENT PUPILS

The Alabama board also adopted a rule requiring approval of a local school board and the state board before any nonresident pupil can be enrolled in any public school in the state. This rule would hit hardest at areas near military installations.

Demonstrations against segregated facilities were discontinued temporarily in Atlanta, where nearly 300 arrests were made in a five-day period.

★ ★ ★

Elsewhere on the racial scene:

Hattiesburg, Miss — A minister was fined and given a 30-day jail sentence on a charge of disobeying an officer during a civil rights demonstration.

★ ★ ★

Ann Arbor, Mich. — A barber was charged with violating Michigan's equal accommodations law by allegedly refusing to cut a Negro's hair.

Cary For Lady President; Voice Thrills Secretary

By EARL WILSON

NEW YORK—Cary Grant's suavely silver voice tinkled across the wires from Hollywood. He'd phoned me to discuss the possibility of women Presidents . . . he's in favor of a "Mrs. President" sometime.

My secretary, who heard him and spoke to him personally, has been a disaster area since his wondrous tones.

WILSON

The Mrs. President idea may be gaining.

Vaughn Meader at the Blue Angel: "I'd vote for a woman . . . but my wife wouldn't let me."

Mrs. Phil Foster, the comedian's wife, at Danny's Hideaway: "I wouldn't trust a woman President."

Comedian Orson Bean of the cast of "Never Too Late," celebrating its 14th month at a party at Sardi's swore to me that he lived in the White House at the age of 1 year. His great-grandmother, he said, was a sister of President Calvin Coolidge's mother.

"My mother did 'press' for Coolidge," said Orson. "We came from Burlington, Vt. I was Coolidge's second cousin. I'd vote for a woman President. It would be a welcome relief."

★ ★ ★

Cary Grant had said in his phone call, "I wrote out something. Could you have somebody take it down?"

Could I? Barbara Bergstrom, from Clifton, N.J., was introduced over the phone. "Hello, Barbara," trilled Cary . . . Barbara's pencil quivered in her trembling fingers.

★ ★ ★

THE MIDNIGHT EARL . . .

All the jokers were kissing the bridegroom at the **Red Buttons-Alicia Pratt Pagan** wedding reception, except **Hugh O'Brian:** he was kissing the bridesmaids . . . The elegant new Wilshire House in Beverly Hills, operated by young **Yale Wexler,** husband of lovely Argentine star **Linda Cristal,** is already a big hit.

At El Morocco: **Aristotle Onassis and Countess Crespi . . . Frank Sinatra** goes to Washington to discuss the kidnaping with **Bobby Kennedy** and **J. Edgar Hoover . . . Tina Robin** subbed extra-capably at the Copacobana for ailing **Kay Stevens.**

Judy Garland's brain trust wants her remaining TV'ers to be simple, minus production numbers, comics, etc. . . . **Kirk Douglas** left for L.A. so suddenly he missed his big "Seven Days in May" screening, and forgot a lunch date with **Tony Curtis . . . Peter Sellers,** in London, is running up a $5-a-minute tab doing hour-long interviews to the U.S. for "Dr. Strangelove."

★ ★ ★

WISH I'D SAID THAT: Every woman likes a bargain—but hates to be told she's wearing one.

REMEMBERED QUOTE: "A gossip is one who talks to you about others. A bore is one who talks to you about himself. A brilliant conversationalist is one who talks to you about you."

EARL'S PEARLS: Some say that even in the Stone Age, when a woman wrote down her age, she chiseled a little.

Jerry Collins admits that he hates to make decisions: "For example, I have an 11-year-old daughter I haven't named yet." . . . **That's earl, brother.**

(The Hall Syndicate, Inc.)

State Selling Pines

LANSING (AP) — Orders are being taken for young pines for the spring planting season, reports the State Conservation Department. Some 4.5 million seedlings and transplants will go on sale to meet reforestation needs on private lands. Red pines make up more than half of the supply.

Radio, TV Threatened by Strike

SAN DIEGO, Calif. (AP)—Negotiators worked against a midnight strike deadline today to avert a nationwide strike against two major radio and television networks.

Members of the National Association of Broadcast Employers and Technicians have authorized their representatives to call a strike if necessary at midnight, EST. The networks involved are the American Broadcasting Co. and the National Broadcasting Co.

★ ★ ★

A union source said Thursday: "We are miles apart on issues of wages and jurisdictions."

Spokesmen for ABC and NBC say there are enough trained supervisory employes to keep programs on the air as scheduled if they are struck.

Most of the NBC union members are technicians. ABC membership includes white collar workers, switchboard operators, publicists, secretaries, janitors, wardrobe and makeup personnel.

The strike would start simultaneously in New York, Washington, Philadelphia, Chicago, San Francisco and Los Angeles.

The union said it is seeking job security provisions and a wage increase to bring salaries in line with those of employes at Columbia Broadcasting System, which is represented by another union.

Son of Tyrone Power Must Keep His Name

LOS ANGELES (AP)—Tyrone Power Loew, 5, born nine weeks after the death of his father, actor Tyrone Power, must continue to use his adopted father's surname.

Superior Court Judge Ben Koenig denied on Thursday an appeal by the child's mother, Deborah Power Loew, to drop the surname, pending a hearing on her petition to invalidate the child's adoption by her now divorced husband, Arthur M. Loew Jr.

CELEBRATE and SAVE DURING SEALY'S GREAT 83rd ANNIVERSARY SALE!

NOW...A SEALY MATTRESS with our $59.50 guarantee selling for only $39.88

SAME 15 YEAR GUARANTEE AS FOUND ON SEALY'S $69.50 MATTRESS

NOW ONLY... $49.88 FULL OR TWIN SIZE, box spring $49.88

Sealy's Extra Firm

Anniversary Supreme

The Set Guaranteed 'til 1979

Great buy! A mattress with our $69.50 guarantee selling for only $49.88! Has more features for extra luxury and durability . . . to make it command the guarantee of mattresses costing $20 more.

- Sealon cover is smart panel print
- 312 coils . . . EXTRA FIRM
- Quilted to luxurious Sealyfoam®
- Exclusive Sealy Edge Gards®

SET GUARANTEED 15 YEARS / If structurally defective, free repair first year. Proportionate annual use charges thereafter.

Firm 83rd Anniversary Mattress

THE SET GUARANTEED 'TIL 1974

Leave it to Sealy to celebrate their 83rd Anniversary by offering an outstanding buy like this! Sealy's button-free 83rd Anniversary mattress, with many extra quality features merits the guarantee of mattresses costing almost $20 more! It's a fact; it carries the same guarantee as a Sealy mattress priced at $59.50. Come in, see it today while this limited time sale lasts!

This combination of features makes a 10 year guarantee possible:

- Heavy 8-oz. woven stripe cover
- Sealy FIRM construction
- Exclusive Sealy Edge Gards®
- Smooth button-free top

SET GUARANTEED 10 YEARS

If structurally defective, free repair first year. Proportionate annual use charges thereafter.

By the makers of the famous **POSTUREPEDIC® MATTRESS** "No morning backache" from sleeping on a too soft mattress

SEALY 4-PC. TWIN BED SET — ONLY $69.95

Your choice of plastic headboards

Deep tufted Sealy mattress and matching box spring covered in durable woven stripe fabric. Your choice of handsome white washable plastic headboards. Complete with sturdy wood legs.

4-pc. set

SEALY BUTTON-FREE TWIN BED SET — ONLY $79.95

Your choice of brass headboards

Fine, firm Sealy mattress and matching box spring. Choose gleaming brass or decorator-fresh brass and wood headboard. Button-free surface covered in smart damask fabric. Sturdy metal frame.

4-pc. set

3 STYLES OF SEALY TWIN BEDS — ONLY $89.95

Your choice of wood headboards

Extra firm quilt top Sealy mattress and matching box spring. Handsomely covered in panel print design. Choose from 3 styles of wood headboards in gleaming maple finish. Sturdy metal frame.

4-pc. set

SEALY BOOKCASE ENSEMBLE — ONLY $99.95

Choose maple or walnut headboard

Firm Sealy mattress and matching box spring covered in rich damask fabric. Smooth button-free top. Choose maple or walnut finish bookcase headboard with specious sliding door compartments. Includes sturdy metal frame.

4-pc. set

SEALY REST-GARD MATTRESS — ONLY $59.88

Extra quality and sleeping luxury

This *luxury firm* sleep set has 624 coils for outstanding comfort and support. Covered in beautiful golden woven damask, deeply quilted-to-foam. Plus Edge Gards® to prevent sagging edges.

Mattress or box spring, twin or full size

SEALY 6-PC. WOOD BED — ONLY $79.95

Your choice: 3 styles of headboards

Deep tufted Sealy mattress and matching box spring. Long wearing woven stripe cover. Choose maple paneled, maple bed or Jenny Lind spool-type head and footboard. Steel side rails.

for all 6 pieces

U.S. Asks N-Rocket Freeze

AP Photofax

MAY BE A TREND — Mrs. Dorothy Huffman of Indianapolis, Ind., has a man-sized job as court reporter. She also has a man-sized liking for pipes. She only smoked one at home with her husband until the latest government report was issued. That smoked her out into the open.

U.S. Willing to Help NATO Cyprus Force

Will Send Troops if 3 Involved Nations Agree to Peace Try

WASHINGTON (AP) — The United States informed Britain, Greece and Turkey today that it is prepared to contribute troops to a peace-keeping force in Cyprus if they will agree to terms for an attempt at settlement of the basic Cypriot political crisis.

U.S. officials said the total proposed force, which would be drawn from several North Atlantic Treaty Organization countries, should be about 10,000 men — of which the U.S. contingent would be between 1,000 and 2,000 men.

Some officials said the U.S. contribution would be around battalion size.

But informants said there is no agreement yet on the package proposed by the United States. If it is not accepted, the deal is off, officials said.

★ ★ ★

The chief obstacle was Archbishop Makarios, Greek Cypriot president of Cyprus, who gave every indication of vetoing the plan unless the force is answerable to the United Nations.

NOT LIKELY

The allies are not likely to approve this because it would involve the Soviet Union.

Diplomatic sources said the archbishop's objection might be overcome if U.N. Secretary-General U Thant endorsed the NATO force. Whether Thant would run the risk of Soviet anger by doing this was questionable.

British Foreign Secretary R. A. Butler, Commonwealth Secretary Duncan Sandys and U.S. Ambassador David Bruce outlined the plan at a Marlborough

QUEEN CANDIDATES — The selection of a Snow Queen from these six candidates will kick off Oakland University's annual Snow Carnival tonight. Queen candidates are (from left) Becky Hawkins, 895 Highwood, Birmingham; Barbara Beckhoff, 3206 W. Altadena, Royal Oak; Susan Hunt, 553 Bagley, Lake Orion; Sheryl Jones, 3696 Shaddick, Waterford Township; Tana Smith, 360 W. Brockton, Madison Heights; and Carolyn Bien, 8032 Bywater, Union Lake.

City Budget Adoption Is Unanimous

The City Commission last night adopted a $6,879,495 city budget for 1964 by a unanimous vote.

Adoption came at a meeting called specifically to adopt a budget and swear in a new member of the commission, Samuel J. Whiters.

Whiters, 50, of 453 Harvey was appointed Tuesday night to succeed District 1 Commissioner Milton R. Henry, who resigned.

Major budget appropriations are set at $5,877,067 for operating, $316,028 for sanitation, $518,400 for capital improvements and $168,000 for debt retirement.

★ ★ ★

This is to be financed by a tax levy of $4,463,557 and income from other sources totaling $2,415,938.

REGISTERED OBJECTION

Commissioner William H. Taylor, while voting for adoption, registered an objection to budgets for the community relations, legal, building and plumbing inspection, police and sanitation departments.

City Attorney William A. Ewart said his budget allocation was higher this year due to a staff increase needed for legal work on urban renewal documents.

Mayor Robert A. Landry defended the need for a community relations bureau, which Taylor has opposed since it was established last April.

★ ★ ★

Commissioner Charles H. Harmon asked if a $64,203 cut in the engineering budget was due to the building and plumbing inspection divisions being separated from the engineering department by commission action last summer.

PARTLY TO THAT

City Engineer Joseph E. Neipling said the drop was due "partly to that and partly to staff reductions within the engineering department."

As adopted, the budget would require a tax rate of $15.92 to finance.

However, it is still subject to being amended anytime before July 1

Hope to Halt Development of Missiles

Disarmament Chief Says Plan Would Ease World Tension

GENEVA (AP) — The United States called on the Soviet Union today to join in freezing all development of military rockets and other means of delivering nuclear arms.

U.S. delegate, William C. Foster, explained the American proposal at the 17-nation disarmament conference.

It is one of several suggestions President Johnson made when the conference resumed on Jan. 21.

Foster said a freeze of nuclear weapons carriers "would be an accomplishment far beyond any 'confidence-building' measure in significance, yet one that could be achieved in a reasonable period of time."

★ ★ ★

It also would permit a significant cut of military budgets, reduce world tension and bring closer general disarmament, he added.

NO REACTION

There was no immediate reaction from the Soviet delegate, Semyon K. Tsarapkin.

Foster suggested that the nuclear powers carefully explore the American proposal in consultation with their allies before beginning detailed negotiations.

"For many years both sides have increased the number of their strategic nuclear vehicles by substantial amounts," Foster said.

"In so doing, both have simply added to the amounts of their materials of war which must be destroyed if disarmament is to be achieved.

'STOP INCREASES'

"To achieve it, we must stop the increases above present levels, increases which seem inevitable in the absence of agreement."

The American proposal would freeze strategic missiles, aircraft and antimissile missiles.

No further technical development of these delivery vehicles would be allowed, and they would be kept at a constant numerical level.

★ ★ ★

East and West would agree to allow the testing of missiles—without warheads — to ensure continued reliability of the systems.

DESTROY MISSILES

Each missile taken out of operation after the freeze would be destroyed and replaced by a missile of exactly the same type.

U.S., Russia Watch New Feats in Space

MOSCOW (UPI) — The Soviet Union launched two unmanned space stations into separate orbits around the earth to learn basic information for manned flights to the moon, Venus and Mars, a Soviet scientist said today.

Vladimir Siforov, a radio electronics expert, was quoted by the official news agency Tass as saying Electron-1 and Electron-2 were launched yesterday to study the earth's "inner and outer radiation belts."

"This study," he said, "is of fundamental importance for interplanetary flight, as manned expeditions to the moon, Venus and Mars and impossible without negotiating this dangerous zone."

The two satellites were hurled into separate orbits by a single, powerful carrier rocket. Some observers believed the feat was carried out to test a possible future space rendezvous by two or more spacemen.

Russia's newest space contribution was getting close scrutiny from U. S. tracking stations. There was no indication of the size and weight of the two space stations.

PASADENA, Calif. (AP) — Space scientists reaimed the off-course camera-carrying Ranger 6 by remote control early today and later said "we probably will hit the moon."

Dr. William Pickering, director of Jet Propulsion Laboratory, which is controlling the flight, said "the midcourse correction seemed normal."

"Everything continues to look very good," said Pickering. "On the basis of information radioed back by the spacecraft, I can say that we probably will hit the moon."

Signals pointing the spacecraft dead center at the moon and igniting its small booster rocket were flashed 101,000 miles across space at 12:30 a.m., almost 17 hours after the launching at Cape Kennedy, Fla.

HAD IGNITED

At 1 a.m., officials announced that the signals had been received by the spacecraft and that the 50-pound-thrust booster rocket had ignited.

Plans called for this to increase the spacecraft's 4,343-mile-an-hour-speed by 92 m.p.h. and thus pull the trajectory toward the center of the moon.

Prior to the maneuver, Ranger 6 was on a course that would have missed the moon by 600 miles.

Ranger 6 carried six television cameras designed to snap up to 3,000 close-up pictures of the moon in the final 10 minutes of its flight.

CLOSEST YET

These would be the closest pictures yet taken of the moon's surface. The Soviet Lunik 3 photographed the back side of the moon in 1959, but from an altitude of 4,000 miles.

Earthbound telescopes have been unable to see even objects as large as aircraft carriers on the moon.

Asks Broader Federal Role

LBJ Urges Farm Poverty End

WASHINGTON (AP) — President Johnson told Congress today the government should extend a bigger helping hand to the nation's farmers.

He called for broader federal payments and urged efforts for reducing rural poverty.

The President sent his views to Capitol Hill in a special farm message.

★ ★ ★

In taking a firm stand in support of federal intervention in agriculture, he may well have laid down the line for his party's election-year battle on the farm issue.

He asked for revival of part of the controversial Brannan Plan.

Many Republicans and some farm groups want the government to make a gradual withdrawal from government price, production and marketing control programs for agriculture.

Johnson's proposals for commodity programs contained no surprises for farm leaders.

★ ★ ★

They were in line with those advanced last year by President Kennedy and by Secretary of Agriculture Orville L. Freeman.

IMPROVING INCOME

Changes in the commodity programs for cotton, wheat, milk and potatoes are aimed at improving the income of the producers of these products and at strengthening the family farm.

A five-year extension of the Food for Peace program and an expansion of the domestic food stamp program were also requested.

The President urged greater use of human and material resources in rural America under programs aimed at combatting poverty, largely through greater emphasis on the agriculture department's rural areas development program.

★ ★ ★

He said he would be more specific in a later message on poverty.

COST OF PROGRAM?

How much would his farm program cost?

Johnson gave the figures 10 days ago in his budget message.

He asked $5.8 billion for overall farm program spending in the year starting next July 1—$1.1 billion below this year's total.

★ ★ ★

Of the new total, about $1.7 billion would be spent for farm aid programs — compared with $1.9 billion this year.

REMAINDER

The rest would be spent on research, Food for Peace and other programs not providing direct payments to farmers.

'Neutralization for SE Asia'

De Gaulle Explains Policy to Newsmen

PARIS (AP) — President Charles de Gaulle today advocated the neutralization of Southeast Asia and said relations with Red China are necessary to achieve it.

Speaking to a crowded news conference, de Gaulle thus defended his decision earlier this week to establish diplomatic relations with the Chinese Communist regime.

He declined to comment on the two-Chinas issue — that is recognizing both the Chinese Communist and Nationalist regimes.

★ ★ ★

In his news statement of more than an hour and a half he spent only about five minutes on the Chinese issue.

CAREFUL POINT

De Gaulle was careful, at two or three points, to describe the Chinese Communist regime as "Peking" or "Peoples' China."

Speaking of China in general, de Gaulle said it is impossible for France or the West to have any policy for Southeast Asia or even for the Soviet Union that does not take China's influence into account.

For Southeast Asia, he mentioned Viet Nam, Laos, Cambodia, India, Pakistan and Burma.

The president first began talking about French domestic questions, particularly the Constitution of the Fifth Republic — which Gaullists wrote and which de Gaulle said is working very well.

ALL AT PEACE

De Gaulle began with a brief preliminary statement in which he observed that France today is completely at peace. He said that internally, France is also relatively at peace, on the political, labor and industrial fronts.

Court Hearing Continues in Girl's Slaying

A Juvenile Court hearing in last week's slaying of a Birmingham school girl was still in session at 11 a.m. today.

Attorneys for Daniel Lovaas of 1042 Smith, Birmingham, who is being held in the fatal stabbing, were questioning police witnesses in a closed-door hearing.

Nine witnesses, including a chemist from the Michigan State Police crime laboratory in Lansing, testified yesterday, the first day of the hearing, before Probate Court Judge Norman R. Barnard.

★ ★ ★

The lab technician's testimony concerned blood stains and fabric fibers found on the knife suspected of being the fatal weapon in the killing of 14-year-old Nancy Jean Jones.

GIVEN KNIFE

One of the witnesses was a Seaholm High School student who told police that Lovaas had given him the knife minutes after Nancy was slain as she walked to school.

Five of the witnesses were teen-agers who placed Daniel at or near the scene of the slaying on that morning.

Daniel has denied ever knowing the girl or being on Purdy Street, where she was slain, that morning.

County Senior Assistant Prosecutor Robert L. Templin said it has not yet been decided whether a waiver will be requested to permit the boy to be brought to trial for murder as an adult.

Radar Tickets Due

The honeymoon is over for Pontiac motorists.

Beginning tomorrow, speeders detected by the Pontiac Police Department's radar-equipped patrol car will be ticketed.

Since the radar car was put on the streets three weeks ago, warnings only were given motorists found violating speed laws.

★ ★ ★

The radar car will patrol the following streets during the next nine days:

TOMORROW

Tomorrow — Saginaw, Perry, Huron and Oakland.

Sunday—Orchard Lake Road, Telegraph, Elizabeth Lake and Saginaw.

Monday — Oakland, Telegraph, Huron and Saginaw. Tuesday — Walton, Joslyn, Baldwin and Montcalm.

Wednesday—Mt. Cleemns, E. Boulevard, Paddock, Auburn.

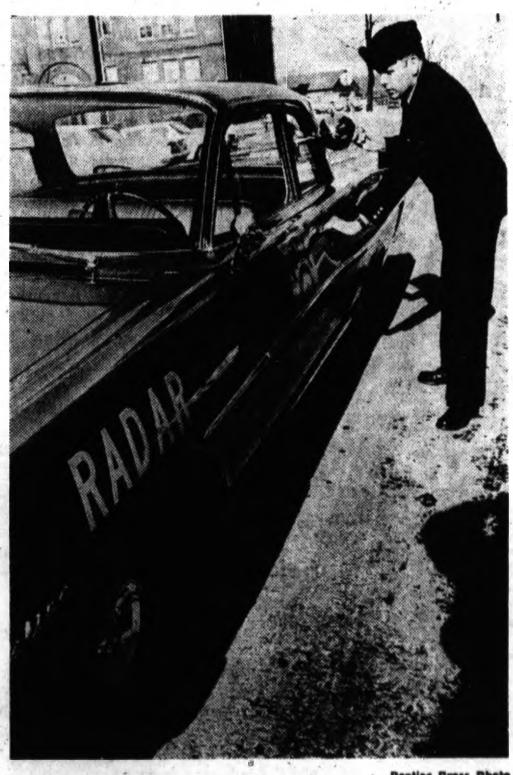
Thursday — Franklin, Bagley, S. Boulevard and Golf Drive.

Friday — Perry, Huron, Saginaw and Baldwin.

Saturday — Woodward, Saginaw, Huron and Perry.

Sunday — Oakland, Saginaw, Huron and Perry.

The radar unit may be utilized on an unscheduled basis at other locations to answer complaints that need immediate attention, according to police.



Pontiac Press Photo

RADAR CAR — Pontiac police will begin issuing tickets tomorrow to speeders caught by radar. For the last two weeks, violators have received only verbal warnings. Shown adjusting the radar transmitter-receiver is patrolman Robert Brown of the traffic bureau. The vehicle housing the radar instruments is a dark blue Pontiac marked "radar" and "Pontiac Police."

Warmer Weather Seen for Weekend

Comparatively mild weather for this time of year is forecast in the Pontiac area for the next few days.

Temperatures are expected to climb 4 to 9 degrees higher than the normal high of 30 to 34 and normal low of 15 to 10. Tomorrow will be partly cloudy with a high of 43.

There's a chance of a light rain or drizzle this evening, the low near 30.

★ ★ ★

Today's south-to-southwesterly winds at 8 to 16 miles per hour will become west to northwest at 8 to 15 m.p.h. late tonight and tomorrow.

Thirty was the low temperature prior to 8 a.m. today in the downtown area. By 1 p.m., the recording was 39.

State Road Toll Is 134

EAST LANSING (AP)—Traffic accidents have killed 134 persons in Michigan so far this year, provisional figures compiled by state police showed today. The highway death toll at this date last year was 103.

. . but Mousetronaut Is Trapped in Tree

ATLANTA (AP)— America has another space failure, and Jose the Mouse is caught in a tree.

A fickle wind foiled the landing of Jose's space capsule yesterday as a group of seventh grade pupils launched him with a gunpowder rocket that sent Jose half a mile high.

The capsule and its parachute drifted into a tree.

Mrs. Sarah Piassick, a teacher, said she doesn't think Jose survived, but no one was able to get the capsule out of the tree immediately.

"We went to a fire station for help," she said. "They said they would send some roses."

Viet Dictator Pledges Representative Rule

SAIGON, Viet Nam (AP) — South Viet Nam's new military strongman today promised a government of national union

See Story, Next Page

made up of representatives of all walks of life.

But Maj. Gen. Nguyen Khanh, who seized power yesterday from the junta which overthrew president Ngo Dinh Diem, warned he must "apply a large number of temporary measures aimed at effectively safeguarding public order."

Observers took this to mean Khanh and his 35-man military junta would be in no hurry to give up power to civilian authorities.

★ ★ ★

Khanh also announced at his first news conference that the leader of the junta he overthrew Maj. Gen. Duong Van (Big) Minh, had accepted the position of "an adviser" to the new military council.

WOULDN'T JOIN

Khanh said that all day yesterday the junta tried to persuade Minh to join it "but he put too much stress on his own feelings."

Khanh reportedly wanted Minh, because of his popularity, to serve as figurehead chief of the new junta.

Khanh also announeed that he had received a letter from the U.S. Embassy stating there would be no problem of recognition of the new regime by the United States.

★ ★ ★

Khanh announced that the provisional civilian government, headed by Premier Nguyen Ngoc Tho, handed in its resignation today.

NO CABINET

There was no indication who would fill the cabinet's places in the government administration.

The junta chief, a 37-year-old Army Corps commander, said the four members of the old junta who were arrested were living in a "secure place." He promised them a fair trial.

The four are the former defense minister, Maj. Gen. Tran Van Don; Military Chief of State Maj. Gen. Le Van Kim; Saigon Police Chief, Maj. Gen. Mai Huu Xuan, and Interior Minister, Maj. Gen. Ton That Dinh.

The tanks and troops that helped overthrow the old junta disappeared from Saigon today.

Most people had paid scant attention to developments.

NEW COUNCIL

Khahn appointed 17 generals and 18 colonels to a new revolutionary council replacing the three-month-old junta of Maj. Gen. Duong Van Minh, provisional chief of state.

While the political maneuvering continued, U.S. military advisers feared the Communists would capitalize on the confusion to make major military gains, as they did after Diem's ouster.

At daybreak, a bomb exploded inside a U.S. military compound. Although such bombings are not unusual in Saigon, it could have been the first Communist reaction to the coup.

★ ★ ★

Two Vietnamese girls were slightly injured and an official U.S. car was damaged.

Besides the Communists, Khanh faces grave dangers from within South Viet Nam's army.

SUPPORTERS PURGED

In a statement to the nation, Khanh said the revolt was aimed at purging supporters of French President Charles de Gaulle's neutralization policy.

But most Americans in Saigon believe the coup was the result of a military power struggle.

The U.S. State Department disclaimed any responsibility for the coup. In Saigon, U.S. sources said Ambassador Henry Cabot Lodge had learned of Khanh's plans only on the night of the coup and urged him to avoid bloodshed.

Although U.S. Sources welcomed Khanh's strong pro-U.S. and anti-Communist stance, they were deeply concerned about the fate of a nation to which the United States has committed 14,000 troops.

Stock Option Called Key to Large Profits

(EDITOR'S NOTE: Corporations are reporting earnings higher than ever before. Various reasons are given, but management gives chief credit to executive incentives, such as bonuses and stock options. Here is a report on the bonus system.)

By ROGER LANE
AP Business News Writer

NEW YORK — Cash bonuses, stock options and other special incentives to executives play a role in generating record corporation profits like those now being reported.

Practically every big company offers incentive compensation to lure and hold able managers.

★ ★ ★

Rewards under most plans are geared to profits. For top executives, the incentive often is tailored to overcome the federal income tax rates on high bracket salaries.

General Motors Corp. awarded more than $100 million bonuses at the start of 1963, based on employe performance in 1962. Last Monday, GM reported 1963 earnings of $1,592,000,000 more money than any business has ever made in a year.

DEMAND OUTLAW

Stock options granted to Lynn Townsend, president, and six other officers of Chrysler Corp., a GM rival, stirred a demand by Sen. Albert Gore, D-Tenn., to outlaw such privileges.

★ ★ ★

The Chrysler group, which converted an ailing firm into a big money-maker, benefited more than $3 million recently through a preferential stock purchase-sale arrangement.

"This stock option privilege is a tax abuse which is growing," Gore said. He called it detrimental to stockholders and unfair to taxpayers.

Some companies have profit-sharing plans. Others have savings-investment funds in which the company matches the individual's contribution.

STEEL INCENTIVES

U.S. Steel Corp. has seven kinds of incentives, some available to blue collar as well as white collar employes—such as rewards for suggestions to improve efficiency.

Analysts credit the GM bonus plan, established in 1918, with an important part in the development and retention of GM's excellent management corps.

★ ★ ★

In all likelihood, bonuses will exceed $100 million again this year. They could amount to half again as much.

★ ★ ★

Awards granted last February—the so-called 1962-related bonus — were distributed to about 14,000 employes, most of them salaried men and women earning more than $9,600 a year.

SIZE OF BONUS

The size of the bonus — or whether an employe will get one — is determined anew each year, based in the first instance on a recommendation of his immediate superior.

WORKSHOP PARTICIPANTS — Some 50 Waterford Township art teachers yesterday completed a three-day workshop in modern creative art education conducted by Mrs. Betty Dabbs of New York. Discussing simple craft techniques with paper and paste to gain three dimensional effects are (from left) teachers Mrs. Dale McIntyre and Harvey Hernandez; Mrs. M. J. Root, elementary art coordinator for the school system; and Mrs. Dabbs, art consultant for Binney & Smith, Inc.

Birmingham Area News

New Zoning Ordinance Prompts Extra Meeting

BLOOMFIELD HILLS — City commissioners have called a special session Monday night to discuss the proposed new zoning ordinance and appoint a member to their group.

The zoning ordinance, the product of almost three years of controversy, survived a public hearing Jan. 15.

The approximately 125 residents attending indicated they feel much like the commission, supporting the code except for two areas in which opinion is split.

★ ★ ★

A three-man majority of the commissioners has supported provision for the construction of three-story town houses in multiple residence zones and allowing 4.5 families per acre there.

RECOMMENDATION

The more lenient restrictions were recommended by the city planning commission, itself split on the issue. Favoring them have been City Commissioners David W. Lee and James A. Beresford and Mayor Pro Tem Louis J. Colombo Jr.

The late Mayor Lyman J. Craig and Commissioner Henry L. Woolfenden were opposed to this portion of the proposed code.

Also on the agenda for Monday night's meeting is the appointment of a commissioner to serve for Craig, who died Sunday following a heart attack.

★ ★ ★

The appointee will hold office until the April 6 city election at which voters will choose someone to fill out the unexpired half of Craig's two-year term.

Challenged by a father who says he doesn't mind going to court, the Birmingham Board of Education will hold a Sunday night meeting on sororities.

Bethel Kelley of 640 Henley, Birmingham, said he is willing to make a test case out of his daughter's involvement in an unauthorized organization.

The Detroit attorney has encouraged his 16-year-old daughter Nancy, a Seaholm High School junior, to participate in Tau Alpha Epsilon.

★ ★ ★

The school board has ruled that TAE is illegal under state statute forbidding the existence of sororities, fraternities and secret groups in public high schools.

A board letter warned parents they were liable to be prosecuted if they allowed their children to participate in such groups.

Mrs. John E. Johansen

Service for Mrs. John E. (Wilhelmina) Johansen, 84, of 3889 Carriage, Birmingham, will be 10 a.m. tomorrow at St. James Episcopal Church. Cremation will follow in White Chapel Crematorium.

Mrs. Johansen died Wednesday.

Her body will be at Bell Chapel of the William R. Hamilton Co. until 9 a.m. tomorrow.

Surviving are a son, Edward L., with whom she made her home; a brother and a grandson.

EDWARD M. TURNER

Death Takes Rights Leader

Detroit NAACP Head Expires in Hospital

DETROIT (AP) — Edward M. Turner, soft spoken fighter for Michigan civil rights, died in a suburban River Rouge hospital Thursday.

★ ★ ★

Turner, 57, was president of the giant Detroit chapter of the National Association for the Advancement of Colored People (NAACP) for the past 13 years and the Michigan Conference of NAACP branches for the past 12.

Active in the NAACP since 1939, he was regarded by many in the Negro community as a leader of the conservative element in the organization.

A member of the organization's national board of directors, Turner was hospitalized last week for the fourth time this month. Doctors said he had cancer of the right arm.

He headed the largest NAACP chapter in the nation. The Detroit chapter has about 27,000 members. Turner also was a prime organizer last summer of the March for Freedom in Detroit, participated in by more than 100,000 persons, and the Washington Freedom March.

★ ★ ★

He was appointed to the Mayor's Interracial Committee in 1948, but resigned in 1954, apparently frustrated over its slow pace.

He served as chairman of the Michigan Coordinating Council for Civil Rights and as co-chairman of the Citizens Committee for Equal Opportunity. He was a member of the first Michigan Advisory Committee to the United States Commission on Civil Rights, the Wolverine Bar Association and the National Lawyers Guild.

U.S. to Aid NATO Force

(Continued From Page One)

conference table to the Greek and Turkish foreign ministers.

★ ★ ★

Bruce left the meeting after less than an hour, saying any American comment would have to come from Washington. Then Butler and Sandys discussed the plan with Cypriot Foreign Minister Spyros Kyprianou, a Greek Cypriot; and other leaders of the Greek and Turkish Cypriot communities.

It was reported today that the United States has twice as many Marines as usual in the Mediterranean.

★ ★ ★

Thus, there are about 3,400 Leathernecks and two amphibious task forces available for use in Cyprus if a decision is made to send in a peace-keeping expedition representing the North Atlantic Treaty Organization.

'NOT NECESSARY'

Archbishop Makarios said yesterday that the stationing of North Atlantic Treaty Organization or any other troops in Cyprus to prevent a renewal of intercommunal fighting between Greek and Turkish Cypriots is in no way necessary.

"If there is a need for the presence of troops on the island, these must be troops of the United Nations whose main objective should be repulsion of outside intervention," he said in a statement.

Additions Due Road Patrols

State police and sheriff department cars will supplement township police road patrols near Waterford Township schools where traffic has increased due to the M59 detour.

Township Supervisor James E. Seeterlins said today that state police will furnish a patrol car each day during the 2:30 to 5 p.m. rush period. The sheriff's department will assist whenever possible, he added.

Traffic diverted from M59 has resulted in a much heavier than normal flow on adjacent main roads as well as on some residential streets, Seeterlin said.

★ ★ ★

The added patrol will be aimed mainly at enforcing speed limits in school areas where children must walk along the roadside because of no sidewalks, according to Seeterlin.

TEMPORARY SIGNALS

Seeterlin also has requested the Oakland County Road Commission to install temporary traffic signals at two intersections bearing much of the diverted M59 traffic.

★ ★ ★

Specified in the request are Pontiac Lake and Crescent Lake roads and Pontiac Lake and Cass Lake roads.

★ ★ ★

The 3.4-mile construction zone on M59 from Elizabeth Lake Road to Airport Road is open to local traffic only.

City Gazers Have Pick on Satellite Viewing

Pontiac satellite watchers can choose tomorrow morning between the Echo 2 and the newly launched Saturn I.

The Echo will make two appearances, the first at 4:25 a.m. in the east and the second at 6:12 a.m. in the west. Sandwiched in between will be a visit by the Saturn at 5:27 a.m. in the south sky.

Democrats Try Dues for Finance

Starting tomorrow, Democrats in Oakland County will be trying to prove a point, while hoping to raise some cash for state and county party treasuries at the same time.

They would like to demonstrate that a political party can be supported financially through dues-paying memberships.

It's never been completely successful anywhere," admits Deputy County Democratic Chairman James M. McNeely. "But I'm not ready to give up yet."

★ ★ ★

A 12-member steering committee, meeting last night to complete plans for the county's part in the statewide party membership drive, decided on a two-month pronged attack.

MAKE CONTACTS

February will be devoted to contacting some 3,000 persons who have been active in the county Democratic party or local Democratic clubs in the past, or who have attended party functions.

After this solid core of party faithful has been canvassed, March will be devoted to recruiting new members at $3 annual dues each.

Each of the 12 members of the committee directly associated with the drive has taken part of the county as his responsibility.

★ ★ ★

"The full potential of party financing by dues-paying members has never been realized despite all the hard work put into it in Oakland County and Michigan," McNeely said.

NOT TYPICAL

He said it was not considered a typical approach, like contributions and special fund drives, and that it has been tried in few other states.

The dues of $3 is up from last year's $2.50.

The increase will go toward reduction of the state party's past debt, McNeely said.

★ ★ ★

The state party organization will get $1.75 and the county party coffers $1.25.

Rep. Law Blasts Leniency in State Rape Sentences

A Pontiac legislator today cited leniency in the laws and the courts as his reason for introducing a bill in Lansing yesterday to set a 10-year minimum sentence for forcible rape.

State Rep. Arthur J. Law, D-Pontiac, also referred to "a big increase in rape cases" in the Pontiac and Detroit areas.

"Our laws dealing with rape and other sex crimes are far too lenient," Law said.

★ ★ ★

He said light sentences also have been a factor in the increase.

NO LIFE TERMS

Statistics obtained from the State Corrections Commission showed that of 79 convictions for criminal assault in 1961, there were no life sentences and the majority went to prison for less than five years, according to Law.

Law said he obtained statistics from local police last fall that disclosed an increase in the incidence of rape cases.

"I am especially concerned that we have had so many, and there are probably a lot more that go unreported because the victims are afraid," he said.

This month, the Pontiac police department released crime figures for the year 1963 that showed that only rape and aggravated assault cases showed declines from the previous year.

There were five rape cases reported in 1963 compared with nine in 1962, the department said.

Law said the stiffer sentence he proposes might not deter rapists, "but it would keep them out of action for at least 10 years.

"We have to do something to protect the public."

Michigan law provides for imprisonment for any number of years up to and including life at the discretion of the judge.

Million Tons of Relief

NEW YORK (AP)—Figures indicate that the shipment of food, clothing and medicine abroad by the Catholic Relief Services this year will exceed the million-ton mark for the first time in its 21 years of operation, the agency said.

Fugitive in Rafters

Hid Out in Church

FORT WAYNE, Ind. (UPI) — Police sought a Michigan youth today who hid away in the rafters of a Catholic church and shaved with holy water during a dash from the law.

During his stay in St. Patrick's Church, which may have lasted as long as two weeks, police said the youth, James Green, 18, of Allen Park, Mich., used choir robes and other vestments for a bed.

He turned the holy water font into a shaving basin, carved a diary on the back of a pew and operated the church heating system to suit himself.

★ ★ ★

Police said the youth escaped from Allen County deputies Jan. 13 while being taken from jail to Allen County Circuit Court for trial in connection with a series of burglaries in the Fort Wayne area.

Authorities were without a clue to his whereabouts today.

The case was reminiscent of strange tale of Cheng Guan Lim, 28, of Singapore, who spent four years in the loft of the First Methodist Church at Ann Arbor, Mich.

The first sign of the visitor came when the organist smelled stale smoke and found cigar butts in the choir loft.

Then parishioners noticed that the holy water font contained whiskers instead of water, and the janitor reported that the thermostat, set at 55 degrees when he closed the church at night, was set at 80 degrees when he opened it in the morning.

Officers set up a watch on the church for almost two weeks but never spotted Green.

UNCOVER CACHE

It was not until this week that searchers finally found his cubbyhole "apartment" and the books—ranging from mystery novels to a condensed New Testament—which he left behind.

The Rev. Edward Miller, pastor of the church, said that, in a way, he was glad Green was not captured in the church.

"This young lad sought a haven here and, although we cannot condone him using our vestments for a bed, still it is better that the police did not find him, for violence might have followed," Father Miller said.

One Point Behind Wings

Rangers Keep Surge Going

BOSTON (AP)—New York is racing headlong toward a Stanley Cup playoff berth on the flying skates of its "French Line"—Camille Henry, Phillipe Goyette and Rodrigue Gilbert.

There's a goaltender named Jacques Plante playing a major role in this tremendous Ranger National Hockey League surge, too.

★ ★ ★

The foursome combined for a 3-1 victory over Boston Thursday night which hauled New York to within a single point of idle fourth place Detroit.

New York has a 9-3-1 record in its last 13 games.

The Goyette-Henry-Gilbert line is now one of the league's top scoring units with 58 goals and 133 points.

Henry rallied the Rangers from a 1-0 deficit by scoring his 22nd and 23rd goals of the season, then he and Gilbert both helped Goyette get his 16th. Gilbert had assists on all three.

NINE GOALS

The fifth-place Rangers now have a 6-2-2 season's record against the last-place Bruins. Goyette is the chief contributor in this one-sided affair, having scored nine times at Boston expense.

Plante, with solid support from a hard - hitting defense, made 33 saves in the triumph and was unbeatable after Murray Oliver got one shot past him at 13:32 of the first period.

Henry tied the game less than two minutes later when he deflected in Andy Bathgate's 40-footer on the power play. That score broke a scoreless string of 144 minutes, 30 seconds by Boston goalie Ed Johnston.

AP Photofax

FINISHED RACE — Mrs. Dorothy Ann Hirschland of Closter, N. J., laughs after finishing 17th in the Ladies Singles Toboggan Race at the Winter Olympics. She covered some 60 yards of the course without her toboggan after hitting an ice wall and being tossed off. She and the toboggan finally got together again and Mrs. Hirschland finished the race.

Tigers Improved--Dressen

By CHARLIE DRESSEN
Manager, Detroit Tigers

LOS ANGELES (AP) — I firmly believe the Tigers will have the most improved team in the American League in 1964. We've done more with our club than anyone else.

Through winter trades we have strengthened three departments—infield, outfield and pitching. We're quite pleased with the trade that brought Jerry Lumpe to play second base for us.

★ ★ ★

Lumpe, whom we got from Kansas City in the Rocky Colavito deal, should stabilize our infield. He's as good a second baseman as there is in baseball today, and he ought to increase our double play output. We were weak there last season with only 124, ninth in the league.

Don Demeter, whom we acquired from Philadelphia in the Jim Bunning trade, should help our outfield as much as Lumpe does the infield. Demeter adds speed and defense without any sacrifice in hitting. I'm looking forward to seeing Demeter, Al Kaline and Bill Bruton perform in the same outfield. It could be the best in the league.

NEED REST

Everybody knows how great Kaline is and what he can do at the plate. Bruton is dangerous when he's rested a little, as we plan to do. Demeter should hit for a higher average than Colavito, and last year he hit as many home runs as Colavito. Demeter will be in center field and Bruton in left.

Behind the three regulars we have George Thomas and Jake Wood, whom we are converting from a second baseman into an outfielder. I also like the chances of Willie Horton, as impressive as any rookie hitter I've seen in a long time.

I like my infield now. Dick McAuliffe at shortstop is my kind of ball player. He's a hard-nosed player, a good hitter and is improving as a fielder all the time. Norm Cash at first base came along real fast after a slow start last year. I look for him to continue that late season pace. At third, I'm going to give Don Wert a real shot to make it. Bubba Phillips will back him up.

★ ★ ★

I look for our catching to be improved. Bill Freehan is going to be our No. 1 catcher and he'll be a good one. We traded Gus Triandos because we have confidence in Freehan. He could develop into one of the outstanding players in the league.

I'm happy with my pitching. Ed Rakow and Dave Wickersham, whom we got from Kansas City, are bound to help. Rakow, I think, can be a big winner. Wickersham might be a terrific relief pitcher. Young Jack Hamilton, who came with Demeter, has a good arm.

★ ★ ★

I'm planning on Hank Aguirre, Phil Regan, Frank Lary, Mickey Lolich and Rakow in the starting rotation with Don Mossi and Wickersham doubling between spot starts and relief. There might be some changes, however. We've got several good looking young pitchers I'm anxious to see again. They are Dennis McLain, Fritz Fisher and Joe Sparma. Also Bill Faul, who was with us last year, has developed fast. Then there's Alan Koch, who had a fine record last year.

IN RELIEF

I'm counting on Terry Fox and Fred Gladding for right-handed relief. Fisher, who came out of the University of Michigan last summer, might be just the left-handed reliever I'm looking for. He has a good sinker and gets the ball over. My biggest need, outside of a good relief pitcher, is a left-handed pinch hitter.

★ ★ ★

The Yankees, of course, are still the team to beat. The boys think they can do it and so do I. After us come Chicago, Baltimore and Minnesota. What I hope to do is get the boys in real good physical condition in spring training so we can get off to a good start. If we do, there's no telling what will happen.

U.S. Is Far Behind in Winter Olympics

slumped to 1:05.93 for fourth place at 2:11.08.

The No. 1 U.S. sled, piloted by McDonald, registered 1:05.97 and 1:05.85 for 2:11.82, and fifth place. The No. 2 sled, with McKillip at the controls, did 1:06.17 and 1:06.34 for 2:12.51.

★ ★ ★

Mrs. Skoblikova, the dimpled, curly-haired world champion, threatened to become the individual standout of these Games. She is entered in all four speed skating events, had already won two, and is given a good chance for a sweep.

After she had streaked to victory in the 1,500-meter event, in which contestants skate in pairs against the clock, the big red Russian flag with hammer and sickle was raised and members of the Russian team began chanting:

"Lee-dah, Lee-dah."

She smiled broadly while her teammates flocked around her, kissing her on both cheeks.

Kaija Mustonen of Finland was second in the race in 2:25.5 and Berta Kolokoltseva of the Soviet Union was third in 2:27.1.

LAST FIGURES

At the Ice Stadium, where the ladies were tracing the last of their intricate figures, a three-way battle developed for the women's singles crown, won four years ago by America's Carol Heiss.

However, the 22-year-old Miss Dijkstra remained a firm favorite, leading after three figures with a total of 598.4 points.

Regine Heitzer of Austria was second with 581 poin ts,follow by Petra Burka of Canada, 563.

★ ★ ★

Miss Fleming, surprise winner of the U.S. crown, moved from eighth to sixth on the third figure, replacing Christine Haigler of Colorado Springs, Colo., who dropped to eighth. They had 533.6 and 526.9 points, respectively. Albertina Noyes of Arlington, Mass., was 12th with 506.1.

After two months without snow, there was a two-inch fall in this Olympic citadel overnight and Austrian police had to shovel the bobsled track at Igls to put it into proper condition.

★ ★ ★ ★ ★ ★ ★ ★ ★

U.S. Skiers Dejected

INNSBRUCK, Austria (AP) — Chuck Ferries of Houghton, Mich., and two U. S. Olympic skiing teammates hid their disappointment over poor showings in the men's downhill race Thursday behind a police barricade.

But their display of temperament was assuaged somewhat by news that American skiers will get better seedings in the slalom and giant slalom races next week.

The U. S. team won an earlier seeding battle when the ISF agreed to give added weight to American events in determining places, but Ferries and teammates Billy Kidd of Stove Stowe, Vt., and Bud Werner of Steamboat Springs, Colo., were shutout in the men's downhill.

FLED SCENE

The three Olympians ignored reporters' questions and fled behind a protective barrier of Austrian police.

Kidd and Werner finished 16th and 17th in the event, won by Austrian Egon Zimmerman in two minutes, 16 seconds. Ferries finished 20th in 2:23. The leading American was smiling 19-year-old Nick Orsi, of Stockton, Calif., who negotiated the testing downhill course in 2:21:59.

Ferries' sister, Barbara, drew the number 12 starting place in Saturday's Olympic women's slalom race. America's Jean Saubert, a co-favorite in the event with France's Marielle Goitschel, drew the eighth spot. Miss Goitschel will start first.

30 Teams to Run in Michigan Relays

ANN ARBOR (AP) — Entries from more than 30 universities, colleges, high schools and track clubs are expected to compete in the Michigan Relays in Yost Field House today and tonight.

★ ★ ★

Preliminaries on the 32-event program were to begin at 1 p.m. with the finals set for 7:30 p. m.

Included in the program are six events for women as well as special relays for high school teams.

Besides the host school, Michigan State, Western Michigan, Miami (Ohio), Bowling Green, Wayne State and Toledo are entered among the colleges and universities competing.

★ ★ ★

The sprint field features such speedsters as Michigan State's Sherman Lewis and Bob Moreland, Dorie Reed of Michigan, John Gregg, a former U-M thinclad now with the Ann Arbor Track Club; Steve Schriefer of Western Michigan and Scott Tyler of Miami.

Valencia Nine Takes Playoff Series Opener

CARACAS, Venezuela (AP)—Valencia's Industrials edged Caracas 6-5 in the first game of their seven-game Veneuelan League baseball playoffs Thursday night, with Teo Acosta and Hector Martinez rapping vital ninth-inning hits.

Acosta singled in one run in the ninth, took second on a wild pitch and scored the clincher on a single by Martinez.

Vic Davalillo of the Cleveland Indians homered for Caracas.

Davey's Post Official

LANSING (UPI) — Former Golden Glove and professional boxer Chuck Davey was confirmed as a member of the Michigan athletic board of control by the state Senate yesterday.

Get $250,000 in Gems as Shoppers Look On

CHICAGO (AP)—Two masked bandits scooped up an estimated $250,000 in jewelry from a display window of a downtown jewelry store in less than a minute Thursday night while shoppers watched from the sidewalk.

★ ★ ★

The two robbers barged into the store at State and Washington streets while hundreds of shoppers walked along.

Gains, Losses Fractional

Stock Mart Stays Irregular

NEW YORK (AP)—The stock market continued irregular in fairly active trading early today.

Fractional gains and losses were the rule among most key stocks.

★ ★ ★

Brokers saw the list as still going through a consolidation phase following its recent advance to successive new highs. Pre-weekend caution was a factor.

Among the wider moves, IBM snapped back 3 points from recent losses, Xerox slumped 2 points and Union Carbide rose more than a point.

UNCHANGED

The cigarette stocks were unchanged to higher. R. J. Reynolds, which announced a pay increase for hourly and piece work employes, gained a fraction. American Tobacco also was fractionally higher.

★ ★ ★

Thursday the Associated Press average of 60 stocks rose .2 to 290.5.

Prices advanced on the American Stock Exchange. Small gains were posted for Scurry-Rainbow Oil, Data-Control Systems, Molybdenum and Pyle National.

Corporate bonds were mixed.

PALM SPRINGS GOLF CLASSIC, 5:00 p.m. (2) 100 pros, including Arnold Palmer, Julius Boros, defending champ Jack Nicklaus, go into fourth round which winds up the professional-amateur division.

AP Photofax

COULD BE TROUBLE — Ice is piling up on the Allegheny River near Rimer, Pa. and has clogged this lock. The frozen material has climbed up to more than 20 feet in some places. Authorities are worried that a sudden thaw would increase the flow in the river and the ice blockade will cause flooding.

The Beatles Hop to the Top

Library Aid Measure Goes to President

WASHINGTON (AP) — The Senate sent to President Johnson on Thursday a bill boosting federal aid to libraries from $7.5 million a year to $45 million.

The bill also removes a limitation that confines the aid to rural areas with less than 10,000 population.

Priests Jeered by White Crowd

Cleveland Police Quell Race Disorder

By The Associated Press

Police using billy clubs and assisted by officers on horseback yesterday turned back an unruly crowd of more than 400 white persons during Cleveland's worst racial disorder in recent years.

★ ★ ★

At least 10 priests and civic leaders in the "Little Italy" district on the city's East Side were jeered when they attempted to calm the demonstrators.

Two Negro men and four photographers were beaten before relative quiet was restored in the area Thursday.

The violence erupted in an area near a grade school picketed by integrationists the past several days.

MORE INTEGRATION

The civil rights groups sought more complete integration of 800 Negro pupils transported by bus from overcrowded Hazeldell School to three schools in the East Side area. Parents of some white children objected.

About 200 womtn and children on relief picketed officials at Chicago in protest of recent relief cuts. The pickets said they do not have enough to eat.

TWO FAINT

Two women fainted during the demonstrations and the Rev. Henry Mitchell, organizer of the march, said they were hungry. Most of the demonstrators were Negroes.

Fifty of the women and children sat in at the State of Illinois building while the rest trooped a block to the City Hall, chanting: "We want food. We want jobs."

★ ★ ★

In Alabama, the state board of education ordered the immediate closing of previously white Tuskegee High School, where only 12 Negroes now attend classes.

The 250 white pupils who went to the school before it was desegregated under court order refused to go to classes with the Negroes. They enrolled in a new private school across the street or transferred to other high schools.

NONRESIDENT PUPILS

The Alabama board also adopted a rule requiring approval of a local school board and the state board before any nonresident pupil can be enrolled in any public school in the state. This rule would hit hardest at areas near military installations.

Demonstrations against segregated facilities were discontinued temporarily in Atlanta, where nearly 300 arrests were made in a five-day period.

★ ★ ★

Elsewhere on the racial scene:

Hattiesburg, Miss — A minister was fined and given a 30-day jail sentence on a charge of disobeying an officer during a civil rights demonstration.

★ ★ ★

Ann Arbor, Mich. — A barber was charged with violating Michigan's equal accommodations law by allegedly refusing to cut a Negro's hair.

Cary for Lady President; Voice Thrills Secretary

By EARL WILSON

NEW YORK—Cary Grant's suavely silver voice tinkled across the wires from Hollywood. He'd phoned me to discuss the possibility of women Presidents . . . he's in favor of a "Mrs. President" sometime.

WILSON

My secretary, who heard him and spoke to him personally, has been a disaster area since his wondrous tones.

The Mrs. President idea may be gaining.

Vaughn Meader at the Blue Angel: "I'd vote for a woman . . . but my wife wouldn't let me."

Mrs. Phil Foster, the comedian's wife, at Danny's Hideaway: "I wouldn't trust a woman President."

Comedian Orson Bean of the cast of "Never Too Late," celebrating its 14th month at a party at Sardi's swore to me that he lived in the White House at the age of 1 year. His great-grandmother, he said, was a sister of President Calvin Coolidge's mother.

"My mother did 'press' for Coolidge," said Orson. "We came from Burlington, Vt. I was Coolidge's second cousin. I'd vote for a woman President. It would be a welcome relief."

★ ★ ★

Cary Grant had said in his phone call, "I wrote out something. Could you have somebody take it down?"

Could I? Barbara Bergstrom, from Clifton, N.J., was introduced over the phone. "Hello, Barbara," trilled Cary . . . Barbara's pencil quivered in her trembling fingers.

★ ★ ★

THE MIDNIGHT EARL . . .

All the jokers were kissing the bridegroom at the **Red Buttons-Alicia Pratt Pagan** wedding reception, except **Hugh O'Brian:** he was kissing the bridesmaids . . . The elegant new Wilshire House in Beverly Hills, operated by young **Yale Wexler,** husband of lovely Argentine star **Linda Cristal,** is already a big hit.

At El Morocco: **Aristotle Onassis and Countess Crespi . . . Frank Sinatra** goes to Washington to discuss the kidnaping with **Bobby Kennedy** and **J. Edgar Hoover . . . Tina Robin** subbed extra-capably at the Copacobana for ailing **Kay Stevens.**

Judy Garland's brain trust wants her remaining TV'ers to be simple, minus production numbers, comics, etc. . . . **Kirk Douglas** left for L.A. so suddenly he missed his big "Seven Days in May" screening, and forgot a lunch date with **Tony Curtis . . . Peter Sellers,** in London, is running up a $5-a-minute tab doing hour-long interviews to the U.S. for "Dr. Strangelove."

★ ★ ★

WISH I'D SAID THAT: Every woman likes a bargain—but hates to be told she's wearing one.

REMEMBERED QUOTE: "A gossip is one who talks to you about others. A bore is one who talks to you about himself. A brilliant conversationalist is one who talks to you about you."

EARL'S PEARLS: Some say that even in the Stone Age, when a woman wrote down her age, she chiseled a little.

Jerry Collins admits that he hates to make decisions: "For example, I have an 11-year-old daughter I haven't named yet." . . . That's earl, brother.

(The Hall Syndicate, Inc.)

Son of Tyrone Power Must Keep His Name

LOS ANGELES (AP)—Tyrone Power, Loew, 5, born nine weeks after the death of his father, actor Tyrone Power, must continue to use his adopted father's surname.

Superior Court Judge Ben Koenig denied on Thursday an appeal by the child's mother, Deborah Power Loew, to drop the surname, pending a hearing on her petition to invalidate the child's adoption by her now divorced husband, Arthur M. Loew Jr.

State Selling Pines

LANSING (AP) — Orders are being taken for young pines for the spring planting season, reports the State Conservation Department. Some 4.5 million seedlings and transplants will go on sale to meet reforestation needs on private lands. Red pines make up more than half of the supply.

Radio, TV Threatened by Strike

SAN DIEGO, Calif. (AP)—Negotiators worked against a midnight strike deadline today to avert a nationwide strike against two major radio and television networks.

Members of the National Association of Broadcast Employers and Technicians have authorized their representatives to call a strike if necessary at midnight, EST. The networks involved are the American Broadcasting Co. and the Na-

★ ★ ★

A union source said Thursday: "We are miles apart on issues of wages and jurisdictions."

Spokesmen for ABC and NBC say there are enough trained supervisory employes to keep programs on the air as scheduled if they are struck.

Most of the NBC union members are technicians. ABC membership includes white collar workers, switchboard operators, publicists, secretaries, janitors, wardrobe and makeup personnel.

The strike would start simultaneously in New York, Washington, Philadelphia, Chicago, San Francisco and Los Angeles.

The union said it is seeking job security provisions and a wage increase to bring salaries in line with those of employes at Columbia Broadcasting System, which is represented by another union.
