TRANSFER STUDENTS

A student's class level is based on the number of credits they have accumulated. Most freshmen come straight from high school, but some are actually transfer students.

Most of the students in 100 and 200 level courses are a first-time in-any-college (FTIAC) student. But more than half of the students in upper level courses are transfer students.

PROPORTION OF TRANSFER STUDENTS BY CLASS STANDING

41%

of current students
started their OU journey
as a transfer student
