COMMITTEE SEEKS INPUT ON TITLE IX EVALUATION

President Donald D. O'Dowd has appointed a committee to complete the institutional self-evaluation which is required under Title IX Regulations. The following areas are being reviewed to identify any discriminatory policies or practices which may exist and to take whatever remedial action is needed: admissions and recruitment, education programs and activities, assistance for foreign studies awards, affiliated agencies programs, housing, campus physical facilities, access to course offerings, counseling and use of appraisal and counseling materials, financial assistance, employment practices, health and insurance benefits, and athletics and inter-mural activities programs.

The Title IX Self-Evaluation Committee invites faculty, staff, and students who have any concerns in the above areas and would like to bring them before the committee to contact Patricia Houtz, chairperson, room 101, North Foundation Hall.

FUND DRIVE PARTICIPATION URGED

The Oakland University faculty-staff Fund Drive has received 49 pledges and cash gifts totaling \$6,721 since the kick-off on February 26. The contributions came from 27 members of the faculty, 12 administrative-professionals, and 10 academic administrators.

Those who have not as yet signed up are asked to pick up a pledge card from Donald Morse, room 515, Wilson Hall; from Lewis Pino, room 212, Varner Hall; or from Jeannie Kirsch-Sullivan, room 106, North Foundation Hall. Not only do contributions carry substantial tax advantages, but funds given to the university may be earmarked for specific departmental purposes.

IMPROVEMENTS ADD TO SWIM CLUB VALUE

For the first time ever, there is a possibility of a waiting list for membership in the University Employees' Swim Club, director Bill Pfaff reports, as early results of a mailing to former members indicate a record early enrollment.

Substantial improvements in the facility itself and a sizeable increase in operating hours give added value to club memberships. The pool will be heated this year, and it will be open seven days a week from 1 to 7:30 p.m.

Membership in the swim club is open to any Oakland University employee and the employee's family for six or twelve-week periods within the season beginning June 13. The pool and surrounding area are part of the original Dodge estate and lie adjacent to and east of the new university golf course. Access is by the Meadow Brook estate gate on Adams Road.
