Albert Einstein Dies at 76 After Short Illness

Dulles Reveals Major Buildup by Red Chinese

Says Communists Now Better Able to Launch Attack on Chiang

AUGUSTA, Ga. (AP)—President Eisenhower has received intelligence information that the Chinese Communists are engaged in "an extensive buildup" of Red airpower opposite Formosa, which the United States is committed to defend.

Announcing this at Augusta yesterday after a conference with the President, Secretary of States Dulles told newsmen the buildup has "grave implications." He described it as:

1. "More intense and more broad in its scope" than the United States had been aware of until a few days ago.

2. A buildup which "indicates a higher degree of capability" on the part of the Communists to launch an attack "than we had been aware of a few weeks ago."

In a formal statement after a two-hour meeting with the President Dulles said:

"In relation to China, we discussed the grave implication of an extensive buildup, now in progress, by the Chinese Communists of offensive airpower on the China mainland opposite Formosa."

Dulles' elaboration on the buildup came at a brief news conference at a hotel after he had left the chief executive's vacation headquarters at the Augusta National Golf Club.

His remarks and his prepared statement, which was approved by Eisenhower, stirred new interest in a prediction attributed last month to Adm. Robert B. Carney that the Reds would be capable of launching an assault on the Chinese Nationalist Matsu Islands by April 15.

The prediction the Communists would be set for an attack on Quemoy, another off-shore island, about May 15 was also attributed to Carney.

Delay Is Urged in Road Action

Plan Commission Seeks Results of Two Surveys to Form Opinions

The Oakland County Plan Commission today recommended that public action which would affect plans of the Michigan Turnpike Authority or State Highway Department be delayed until results of road studies are complete..

A study will be completed this summer for which "the residents of this metropolitan area are currently paying $750,000," the commission told the Board of Supervisors. It will provide "information useful in evaluating the need and location of both free road and toll roads," the commission said.

A $50,000 survey of state highway needs also will be finished this year, it stated.

The metropolitan study is "perhaps the most complete traffic study ever undertaken in the United States." While the state project includes "a detailed review of the entire state, county and local road system.

"With nearly a million dollars involved in studies, it is only a matter of practical sense to use the results of these studies in opinion formation.

"Therefore, the . . . (commission) . . . urges withholding public action until after the results of our costly investment . . . have been thoroughly reviewed."

Walkouts Idle Thousands; More Strikes Threatened

By THE ASSOCIATED PRESS

Chances of settling the 36-day-old Louisville and Nashville Railroad strike looked a little brighter today, but the equally prolonged Southern Bell Telephone and Telegraph Co. walkout remained stalemated.

And in St. Louis a new strike was added to the national list early today by some 1,500 of the 1,800 employes at the John F. Queeny plant of Monsanto Chemical Co.

Midnight shift employes refused to cross picket lines set up by Local 16 International Chemical Workers Union after they said their contract had expired.

Observers in New England called it partial capitulation in the ranks, as workers in five Maine textile mills voted to accept reductions in fringe benefits contingent on agreement of other demands.

But management let a union-set midnight deadline go by without comment.

The textile workers are part of some 23,000 on strike in 24 New England mills over pay cuts and fringe benefits.

A walkout affecting 9,300 International Union of Electrical Workers (CIO) of Local 450 at the Sperry Gyroscope Co. was approved by a vote yesterday. The strike becomes effective at midnight tonight.

A union spokesman said the strike would close down Sperry's Lake Success, N.Y., plant which employs some 15,000 workers.

In other weekend labor developments, a temporary court order halted a wildcat railroad strike in Buffalo, N. Y., which had idled 19,400. Some 400 conductors and brakemen of the South Buffalo Railway, a freight switching line, had walked out Friday over a contract dispute.

The walkout forced the closing of the nearby Lackawanna plant of Bethlehem Steel Co., idling 18,000. An additional 1,000 railway workers were idled.

Graham Calls Scotland 'Harvest Field' for God

GLASGOW (INS) — Evangelist Billy Graham told a Scottish congregation yesterday that their country is a "harvest field for Christ."

The American minister said his all-Scotland crusade "has jolted people out of their indifference" with the result that "people talked about religion now."

Graham spoke at the Portland Church in Troon, Ayrshire.

Accidents Kill 22 Over Weekend

Four Perish in Smashup Sunday on U.S. 12 Near Battle Creek

Accidents claimed 22 lives, four of them in one traffic smashup, in Michigan over a warm, sunny weekend.

Traffic accounted for 18 deaths and drowning for four.

The four-death smashup occurred on U. S. 12, three miles east of Battle Creek Sunday. In addition to those killed, the two-car collision left a fifth person in critical condition. She is Lucille Hicks, 27, of Battle Creek.

State Trooper William Cram said the smashup was one of the worst he had seen. He said the two cars collided head-on on a two-lane, black top section of U. S. 12 which curves and dips slightly.

Those killed were Charles Edward Williams, 38; Roscoe Hughes, 30; Lawrence H. Buys, 20, and Joan Smith, 17, all of Battle Creek.

Other fatalities included:

Homer Bruneau, 41, of Hancock, and Joseph Sylvester, 41, of Houghton; Richard Sharrow, 26, of Houghton; Max J. Howland, 34, of Jackson; Elton Parks, 12, of Shepherd.

Darius Smith, 54, of Howard City; Mrs. Lucille Patterson, 47, of Kalamazoo; Charles L. Simon, 20, of Ionia; Carl J. Murray, 28, of Mount Morris; Leo J. Notenbaum, 17, of Grand Rapids.

Mrs. Bess Truba, 64, of Detroit; Clarence Parker, 30, of Willis;

Other weekend fatalities included:

Richard Sanderson Jr., 2, of Waterford Township, drowned Saturday while playing in a pond; Donn Scholl, 4, of Temperance, drowned Saturday when a motorboat capsized; Clark Jackson, 71, of Detroit, and his nephew, Lamont Brown, 4, drowned Sunday evening in the Huron River near Ypsilanti; Elmer Parks, 56, of Shepherd, who died after a two-car smashup near Alma. Parks' nephew, 12-year-old Elton, was killed in the crash.

Arrival of New Gnu Delights Officials of Zoo

SYDNEY, Australia (AP)—Keepers at Sydney zoo had some good news for lovers of gnus today. They proudly proclaimed the arrival of a new gnu.

Few gnus are born in zoos and fewer still grow into big gnus. Prospects for this newest gnu are good, keepers indicated.

Nagy 'Resigns' Premier's Post in Red Hungary

Ouster Expected Since He Dropped From View in February

VIENNA (INS) — Imre Nagy, champion of consumer production but accused of "rightwing deviationism," was ousted today as Premier of Hungary.

The official government announcement, broadcast by Budapest radio, said Nagy's "resignation" was accepted unanimously by the Hungarian Parliament.

Shortly thereafter, the Parliament named Andras Hegedues, first deputy premier, as the new Premier.

Hegedues had been acting Premier since Nagy disappeared from public life in February.

The 58-year-old Nagy also was expelled from the political committee of the Hungarian Workers (Communist) party along with Mihaly Farkas, a secretary of the party.

Joseph Mekis took Hegedues' place as first deputy premier as well as Farkas' position on the Politburo. Nagy was replaced on the Politburo by Istvan Kovacs.

The dismissal of Nagy was forecast as early as March 9, when the Communist Party published a resolution condemning him for "deviations to the right."

The resolution accused Nagy of "anti-Marxist and anti-Leninist policies" and said he had caused "serious damage" to the party and its efforts to "build up" communism.

Nagy was charged in the resolution with trying to "slow down the tempo of . . . industrialization."

The March attack was led by Matyas Rakosi, who was replaced as Premier by Nagy in 1953.

Last October, Nagy blasted Rakosi for "over industrializing" the country while failing to provide for consumer needs.

The theme of Rakosi's counter-attack was that heavy industry was being sacrificed at the expense of "bourgeois" consumer demand.

Nagy's dismissal follows the pattern set in the removal of Georgi Malenkov as Premier of the Soviet Union.

Soviet farm difficulties were blamed on Malenkov, and emphasis was placed by his successor, Marshal Nikolai Bulganin, on heavy industry.

Truman on Einstein: 'World's Loss Great'

WASHINGTON (INS) — Former President Harry S. Truman said today that the world and the U.S. "suffered a great loss" in the death of Dr. Albert Einstein.

Truman was informed of Einstein's death as he waited to testify before the Senate Foreign Relations Committee on United Nations charter revisions. The ex-president said:

"I am sorry as I can be to hear of it. His family has my sympathy. The world and the country has suffered a great loss."

Supervisors Tentatively OK County Budget

The Oakland County Board of Supervisors this morning gave tentative approval to a $7,826,763 county budget for 1956.

The figure is $1,136,354 higher than the sum allotted to cover this year's operations.

Some $6,063,512 is slated to be raised from taxation, with the remaining $1,763,251 expected from fees for county services.

It is now up to the Tax Allocation Board to decide what tax rate is required to bring in the needed amount.

The sum set aside for salaries is hiked from $3,203,677 this year to $3,743,321. This includes pay to new personnel and regular merit wage increases.

Expense, not including salaries, of operating 22 departments, 5 institutions and 10 special funds is set at $3,417,263, compared with $2,888,466 this year.

The budget will not receive final approval until the supervisors' September meeting.

Showers Expected in Area Tonight

That sunny weekend weather will give way to showers and thunderstorms tonight and tomorrow, but temperatures will remain high for the next couple of days.

The mercury ranged from 45 to 66 on Saturday and rose even higher yesterday, reaching 71 degrees at 3 p.m.

At 8 o'clock this morning the thermometer registered 51. By 2 p.m. the reading was 62 and is expected to hit a low of 52 tonight. Tomorrow's high will be near 70, followed by more scattered showers Wednesday with little change in temperature.

Polio Shots for Children Scheduled to Start Tuesday

Oakland County school children will get their polio shots as originally scheduled, starting with two clinics in Rochester School District tomorrow.

Dr. John D. Monroe, county health director, said this morning that supplies of the vaccine have been received here, and that the oft-changed program will proceed as planned.

"After all the confusion," Dr. Monroe said, "it seems we can finally begin the shots, just as we had planned. It's a relief to know we won't have to revise the whole schedule."

The shots for some 30,000 elementary school children in Oakland County had been postponed indefinitely after it was learned late Friday that supplies of the vaccine were being held up by manufacturers.

Parke, Davis & Co., Detroit pharmaceutical firm which produces most of the nation's supply at its biological unit outside Rochester, had suspended shipments of vaccine pending authority for its release from the National Foundation for Infantile Paralysis.

The foundation said that southern states, where polio seasons begin sooner and schools close earlier, would get the first supplies.

It was ascertained, however, that enough vaccine was on hand for the first of the two-shot series to be given this spring, and that enough for the second shot would be ready by the time it was needed.

Michigan's quota of the vaccine left Parke, Davis' Detroit warehouse late Saturday, and was tak-

Iraq Delegate Lambastes Reds

Chou, Nehru Silent as Rest of Conferees at Bandung Applaud

BANDUNG, Indonesia (AP) — Iraq's Foreign Minister Fadhil Jamali denounced international communism before the Asian-African conference today and drew prolonged applause from many of the 29 delegations.

Red China's Premier Chou En-lai and others from Peiping sat with set faces as Jamali charged "international communism is a materialistic religion that breeds hatred among classes and peoples." Prime Minister Nehru's Indian delegation also heard the speech in silence.

"Communism is a new form of colonialism much more dangerous to us than the old colonialism," declared Jamali, whose Arab country is linked indirectly with the North Atlantic powers through an alliance with Turkey. "No nation on earth is free from its effects."

Premier Mohammed Ali of Pakistan, which has a mutual aid treaty with the United States, walked across the conference room, shook hands with Jamali and congratulated him at the end of the speech.

Chief delegates were delivering 15-minute policy statements in a program which it appeared would go into tomorrow.

Indonesian President Soekarno opened the conference with a declaration that the population of Asia and Africa, totaling more than a billion, "can inject the voice of reason into world affairs."

Doctor Entered Hospital Friday; Death Surprise

Only Intimates Aware Physicist Was Suffering Gall Bladder Disorder

PRINCETON, N. J. (AP)—Albert Einstein, who became internationally famous at 26 for his theory of relativity, died today after a four-day illness.

The 76-year-old scientist died at Princeton Hospital at 1:15 a. m. of inflammation of the gall bladder. A man who shunned publicity, he had entered the hospital Friday with only his intimates knowing he was ill.

The shy, white-haired scholar was credited with making possible the atomic bomb by disclosing a small quantity of matter could produce vast amounts of energy.

Einstein stood as probably the foremost theoretical mathematician and physicist in the world.

As recently as 1950, he published a monumental mathematical treatise, the unified field theory. This was hailed as a daring type of mathematics which sought to describe the forces of the universe in a set of equations.

At the time of his death, Einstein was a professor emeritus at the Institute for Advanced Study, comprised of world-famous scholars and headed by Dr. Robert Oppenheimer.

During his late years, he was outspoken in many causes far removed from the realm of theoretical physics.

On several occasions he advised witnesses called before congressional subversive investigations committees that they had a duty to refuse to answer questions.

Einstein asked the President for commutation of the death sentence of Julius and Ethel Rosenberg, who were executed as atom spies. He said he had to take the stands because of "my passionate sense of social justice and social responsibilities."

The quiet, unpretentious wizard of mathematics and physics spent his lifetime searching for a unified mathematical concept of the laws that govern the universe.

Born in Ulm, Germany, March 14, 1879, of middle class Jewish parents, he was swept to international fame by the theory of relativity which he devised at the age of 26.

A revolutionary idea, it added a fourth dimension, time, to the trio — length, breadth and width — which had formed man's basic knowledge of the measurement of matter. It also astounded scientists by disputing Newton's law of gravitation.

It was Einstein's disclosure, many years ago, that a small quantity of matter could produce astronomical quantities of energy, which was so spectacularly proved when the first atomic bomb exploded.

He received the Nobel Prize in physics in 1921 and the world heaped honors and adulation upon the modest scientist, who pleaded:

"Let every man be respected as an individual and no man idolized. It is an irony of fate that I myself have been the recipient of excessive admiration and respect from my fellows through no fault of my own."

A professor emeritus of the Institute for Advanced Study at Princeton, Einstein spent the last

Waterford Township Tot Drowns in Pond

A 2½-year-old boy drowned Saturday night when he apparently fell into a large pond in the back yard of his home at 431 Hickory Lane, Waterford Township.

The victim, Richard Sanderson Jr., son of Mr. and Mrs. Richard Sanderson Sr., was dead on arrival at Pontiac General Hospital despite efforts by Waterford Township firemen to revive him with an inhalator.

Police Chief Frank Van Atta said the tot's father found him close to the water's edge at 7:15 p.m. The pond is about 3 feet deep, Van Atta estimated.

The boy, who was missing only a few minutes, was pronounced dead at the scene by Deputy Coroner Leon F. Cobb.

Funeral service will be held tomorrow at 3 p.m. at Huntoon Funeral Home with burial in Perry Mount Park Cemetery.

Solution Worth $600

Want to try for $600.00?

That's how much you can win with a correct solution to this week's Bonanzagram.

We are plumb bewildered by the fact that no correct solutions to the first five puzzles have been reported. We have the cash and are honestly seeking a winner.

The same puzzles we are running can be solved. Reports from Pittsburgh indicate they had more than 100 winners two weeks in a row.

Until noon today no correct answers had been presented. The deadline is 5 p.m. today for claim check No. 5 if brought to the Pontiac Press office. If mailed, it must be postmarked not later than 5 p.m. today.

Deadline for No. 6 entries is Tuesday at 5 p.m. or with a Tuesday midnight postmark. Turn to Bonanzagram No. 7 in today's paper on page 4.

Youngsters Get 1st Polio Shots

Lower Grades in South Line Up for Vaccine as Mass Assault Starts

Hundreds of thousands of youngsters received their first inoculations of Salk anti-polio vaccine today as the biggest mass assault on disease in history got under way.

The first and second graders from Tallahassee, Fla., to Los Angeles, Calif., trooped to distribution centers to begin the nationwide mass inoculation program.

But delayed shipments of the vaccine forced other states and cities to cancel plans to start giving their children protection against infantile paralysis this week.

Health Department officials explained that many areas, particularly in the north, would have to wait because first priority was being given to children in the southeast and southwest, where polio strikes earlier in the year.

Most officials received the news of delay without complaint. But in San Francisco, Health Director Ellis D. Sox said the National Foundation for Infantile Paralysis was handling the mass inoculation program "like a soap opera . . . changing the ground rules so you don't know where you stand."

In Washington, Sen. Lister Hill (D-Ala) asked President Eisenhower to take emergency action to make sure that short supply of the vaccine will not result in a black market.

The giant vaccination program was ordered by the foundation in order to provide the children whose ages make them most susceptible to polio with protection before summer weather ushers in the infantile paralysis season.

Parents, Sister Hit by Shotgun Wielder

TRAVERSE CITY (UP) — Glenn Ingersoll, 36, of Cedar Springs, was held today for investigation in the shotgun wounding of his father, mother and 11-year-old sister.

Police said the shooting occured Saturday night at the father's farm home in Kalkaska County, following a family arugment.

Wounded was the father, Henry, 56; the mother, Jennie, 52, and sister, Dorothy.

Police quoted Ingersoll as saying the gun discharged accidentally when he and his father tussled for the weapon.

Ingersoll got his gun and fired a warning shot into the ceiling when he believed his father was choking his mother, police said.

Two Drivers Are Hurt When Cars Collide

Two drivers were injured Sunday night when their autos collided on the Dixie highway just north of M15.

Treated for cuts and bruises at Pontiac General Hospital were Stewart Heard, 43, of 583 N. Perry St., and James Pelt, 40, of Bay City.

State Police of the Pontiac post quoted Pelt, who was driving south on US 10, as saying Heard's car was standing crosswise in the two southbound lanes as he came over a hill.

Pelt said as he started to pass in front of Heard in a northbound lane, Heard's car suddenly started. Heard's car struck Pelt's auto in the right front fender.

SUCCUMBS AT 76—World renowned physicist Dr. Albert Einstein was taking a stroll near his Princeton, N. J., home when this photo was taken last year. The German-born scientist died of a gall bladder disorder in Princeton Hospital this morning. He astounded the world with his theory of relativity when he was 26 and later was instrumental in developing of the first atomic bomb.

Sees Prolonged Atomic Warfare

Adm. Carney Scoffs at Idea That Fight Would Last Only Minutes

KANSAS CITY, Mo. (UP)—Adm. Robert B. Carney, chief of naval operations, said today he does not subscribe to the belief that in event of an atomic war "it would be all over in a few minutes."

In an address prepared for the Armed Forces Council here, Carney declared:

"I do not believe this is true no matter how terrible the destruction might be. I say this because I do not believe that tough people, on either side, are likely to give up as long as they have anything left to fight with. For that reason the possibility of a dragged-out conflict must be reckoned with.

"Consequently, I believe we must not let the initial phases of an atomic struggle becloud our thinking. Our plans must go beyond an atomic cataclysm with the strongest sense of emphasis and determination that even under those unthinkable conditions, free men still will fight to keep friendly territory and the seas from falling into the hands of an enemy."

Carney stressed it is the Navy's mission to keep open the sea lanes to U.S. allies and to American forces abroad. He said "nearly 25 per cent of our Army ground strength is deployed in Europe" and the Air Force has forces from Greenland to North Africa. If the Atlantic Sea chain ever was broken, Carney added, "NATO and the security of the Western Hemisphere would be gravely imperiled."

Pontiac Deaths

Jesse Hightower

Funeral service for Jesse Hightower, 69, of 82 Hess St., will be Wednesday at 2 p.m. from New Hope Baptist Church, the Rev. Ford B. Reed officiating. He died Saturday in Pontiac General Hospital after a year's illness.

The son of Mr. and Mrs. Charles Hightower, he was born in Marianna, Ark., and married Eula Pearl Tabbs in Pontiac in 1923. After attending schools in Arkansas, he came to Pontiac 38 years ago.

Surviving besides his widow are two daughters, Mrs. Rosie Lee Jenkins of Pontiac and Mrs. Leney Wiggins of Marianna. Also surviving is a sister, Mrs. Annie Johnson of St. Louis, Mo.

Burial will be in Oak Hill Cemetery.

Mrs. Earl D. Hull

Mrs. Earl D. (Maude M.) Hull, 71, of 1712 Cass Lake Rd., died yesterday in Pontiac General Hospital after a 2½-year illness.

Born and educated in Wales Township, she was the daughter of Robert and Marrietta Lashbrook Storey and was married March 24, 1913.

A Pontiac resident from 1913 to 1935, she had lived in Keego Harbor since then.

Surviving besides her husband are a son, James Storey Hull of Waterford, a brother, Nathan of Emmett, and a sister, Mrs. Orpha Bailey of Montana.

Service will be Wednesday at 1:30 p.m. from Huntoon Funeral Home. Burial will follow in Oak Hill Cemetery.

James Paramo

James Paramo, 39, 204 Franklin Rd., died Saturday in University Hospital at Ann Arbor after a three-month illness.

Born in Mexico, he was the son of Frank and Eulia Paramo and married Lue Rodriguez in Saginaw in 1936.

A member of St. Vincent de Paul Church, he attended schools in Saginaw before coming here 15 years ago. He was last employed as a barber and had served as seaman second class in the Navy during World War II. He belonged to Wilson School PTA and played on the Azepec baseball team.

Surviving besides his widow and parents are four children, Nefa, Dennis, Robert and Richard, all at home.

Also surviving are four sisters, Lolo of Mexico, Mrs. Mary Nerio and Mrs. Marceline Garcia of Saginaw, Mrs Pauline Zuniga of Berkley, and two brothers, Manuel of Pontiac and Cpl. Phillip, with the Army in Japan.

Rosary service will be Tuesday at Melvin A. Schutt Funeral Home at 8:30 p.m. Funeral service will be Wednesday at 10 a.m. from St. Vincent de Paul Church, with burial following in Mt. Hope Cemetery.

County Assessors Plan Meeting Wednesday

The Oakland County Assn. of Assessing Officers will hold its annual meeting April 20 at 6:30 p.m. in the Hotel Waldron here.

A four-man nominating committee will report a slate of officers for next year. Alger Zapf, Royal Oak assessor and president of the Michigan Municipal Assessors Assn., will be guest speaker.

Restrictions Lifted

The Oakland County Road Commission today lifted truck-load restrictions on all county blacktop and gravel roads. Normal loading is now allowed on all Oakland highways.

years of his life in the university community.

He came to Princeton as a lifetime member of the institute in 1933, a voluntary exile from his native Germany, where the Nazis listed him as "an enemy of the state."

During recent years, Einstein took stands on issues far removed from the realm of theoretical physics. He said he was compelled to do so by his "passionate sense of social justice and social responsibility."

An ardent Zionist, Einstein was among those, who, after World War II urged the free entry of Jews into Palestine and establishment of a democratic Jewish commonwealth in that country.

In a message to the World College of Intellects at Warsaw in 1948, Einstein advocated a "supranational organization" to own what he called "horrible weapons" devised in recent years.

In a foreword to a book by Henry Wallace, "Toward World Peace," Einstein described the 1948 presidential candidate as a man who "can save us from the threatening domestic and international situation."

* * *

The life of this amazing intellectual giant was simple and modest. His disdain for personal glory and material gain were almost a legend. His baggy-clad figure, a pipe perpetually in his mouth, and his long shaggy white hair and moustache, made him instantly recognizable almost anywhere in the world.

In his leisure Einstein loved to play the violin and to go sailing.

He was a familiar figure walking in the streets of Princeton where he made purchases in the local stores, and nodded "good mornings" as he went.

Einstein was married twice, first in 1903 to Mileva Marcic, a Serbian Catholic whom he later divorced. They had two sons, Albert and Edward. The second marriage, in 1915, was to Elsa Einstein, his first cousin, who bore him two daughters, Ilse, who died in 1934, and Margot.

After his second wife's death in 1936, Einstein lived a secluded life in Princeton with his daughter Margot, and his housekeeper-secretary, Miss Helen Dukas.

Three Persons Injured in Auto Collision Here

Three persons were injured Saturday in a 2-car collision at Huron and Johnson Sts., according to Pontiac Police.

Mrs. Margaret D. Parks, 57, of 87 Thorpe St., was admitted to Pontiac General Hospital after suffering a broken right leg. She had been a passenger in an auto driven by Mrs. Marjorie Hetherington, 48, of 91 Thorpe St., who suffered bruises. Carrie Stockman, 78, of 25 Cochran Pl., passenger with his son, Harry E., 54, of Freesoil, Mich., was treated for rib injury.

Pontiac Police quoted Stockman as saying he attempted a left turn in front of Mrs. Hetherington's auto.

GRAND RAPIDS (UP)—A Grand Rapids squad held the team events lead today in the 20th annual Michigan Kiwanis bowling tournament. Downtown No. 1, with 2,737, topped the list followed by Chelsea's 2,731.

Jack Ryan and Harry Baker, a Grand Rapids pair, topped the doubles with 1,224. R. Compton and A. Thorsbert of West Bloomfield, held secnd place with 1,165.

Man Grateful as Co-Worker Finds Billfold

An inner glow made the day's chores seem easier today for a GMC Truck & Coach Division worker who knows what it is to lose a billfold full of money and how much its return is appreciated.

In a GMC washroom Saturday morning, Oris J. Hawkins, 38, 248 Clifford St., found a wallet containing $90.

He turned is ove rto plan protection men, who returned it to J. A. Felix, 59, of 104 Raeburn Ct., an employe of two weeks.

"I lost one with $126 in it once myself;," said Hawkins, a GM worker for 10 years. "And I'll tell you it's an awful feeling. I sure felt good when it was returned."

Hawkins said he refused a $10 reward offered by Felix.

en to Lansing for testing before being shipped to distribution centers.

Members of the Oakland County Medical Society who will donate their services to administer the shots, plus more than a thousand volunteer workers, will turn out as scheduled for the program here.

The two 9 a. m. clinics at Rochester and Brooklands will start the ball rolling tomorrow, and clinics are scheduled at most other rural county schools Wednesday. Children in the cities of south Oakland County will get their shots Saturday.

Clinics for children in Pontiac and Waterford Township schools will be held Saturday, May 7.

Getting the shots will be all first and second graders, plus more than 8,000 who participated in last year's field tests but received the inert control substance instead of the vaccine.

Two shots, the second scheduled approximately one month after the first, will be given free. The third, or booster shot, is due about seven months after the second, and presumably will be at the option, and expense, of parents.

These changes from last year, when the three-shot series was given in a six-week period, are in line with recommendations made by Dr. Jonas E. Salk, who developed the successful polio vaccine.

First and second grade children in 17 Michigan counties started receiving the vaccine today.

Dr. F. S. Leeder of the State Health Department said Genesee County was the first to receive the vaccine when it was made available at the State Health Department laboratories Sunday noon.

Top Brass Set for March Rites

High Military Officials to Pay Tribute Today at General's Funeral

WASHINGTON (INS)—Full military honors including a flight of jets overhead were scheduled today for the funeral of Gen. Peyton C. March, World War I chief of staff who died last week at the age of 90.

Vice President Richard Nixon was to represent President Eisenhower at the Arlington National Cemetery ceremonies, while House Speaker Sam Rayburn (D-Tex) was to head a congressional delegation at the service.

Generals Douglas MacArthur, George C. Marshall and Omar N. Bradley, officers who served under March in the first global conflict, and Gen. Robert Wood and Bernard Baruch, industrialist, were among the honorary pallbearers.

March, almost forgotten since his retirement in 1921, died Wednesday.

He was to be buried at 11 a.m. on a hilltop overlooking the Potomac, near the graves of President William Howard Taft, Air Force General Hoyt Vandenberg, Robert Todd Lincoln, Defense Secretary James Forrestal and other one-time national figures.

A flight of 14 F-84 jet fighters was to be made over the funeral cortege, which was to include a riderless horse with stirrups turned backwards and a horse-drawn caisson bearing the casket, in the tradition of military services.

A special honor guard including Army Gen. John E. Hull, just retired as commander-in-chief for the Far East, was to walk behind the caisson in an unusual Army - Navy - Air Force - Marine Corps tribute to March's World War I achievements.

Others named for the high-ranking honor guard were Gen. Lemuel C. Shepherd, commandant of the Marine Corps; Adm. D. B. Duncan, vice chief of naval operations; and Gen. Thomas D. White, vice chief of staff for the Air Force.

Two Motorcyclists Hurt in Separate Accidents

Two motorcycle drivers were treated at Pontiac General Hospital Sunday night after both were injured in separate accidents, according to Waterford Township Police.

Gordon W. Hogarth, 26, of Detroit, suffered cuts and bruises when his bike crashed into the side of an auto driven by Kathina C. Marages, 18, of 539 Union Lake Rd. Police said Hogarth attempted to pass Miss Marages' auto while she was making a turn at M59 and Wiliams Lake Rds.

Raymond J. Zoellner, 17, of Detroit, also suffered cuts and bruises after his motorcycle hit the rear of an auto driven by Arthur M. Nelson, 39, of Royal Oak, at M59 near Cass Lake road.

Jordan King, 20, to Wed New Kind of Arab Queen

AMMAN, Jordan (UP) — Young King Hussein is bringing something new in Arab queens to the Jordan throne.

Hussein, 20, is a king who pilots his own plane to troublespots in his desert country, or whizzes there behind the wheel of his own fast automobile. Tomorrow he marries Princess Dina Abdul Hamid, 25. She is a distant cousin and a teacher of English literature at the University of Cairo. She holds a master's degree from Cambridge University.

* * *

Dina and Hussein met while attending school in England.

Dina will be Jordan's first queen with an advanced education, the first to have had a career of her own and the first to appear in the country without the traditional veil.

A pretty black-eyed Egyptian girl, Dina's modern way of living is bound to have a powerful influence on social customs in Jordan, where last summer Moslem fanatics threw acid on women who wore short sleeves on the streets of Amman.

Hussein's marriage to a modern girl is in line with the principles he has followed since assuming the throne in 1952. Instead of wearing the Arab robes of his ancestors, Hussein sports a smart Arab Legion uniform or well-tailored Western suits.

His father, Talal, and his grandfather, the grizzled old desert warrior Abdullah, spoke mostly Arabic. Hussein speaks fluent English, mastered during his years in England.

Hussein has not been content to accept the passive role of a constitutional monarch. Bureaucrats accustomed to working only a half day and spending much of their time drinking Turkish coffee have been startled by unannounced inspection tours by the king.

Two Detroiters Held in Narcotics Death

DETROIT (INS) — Two Detroit men are held today in connection with the death of a dope peddler who homicide detectives think may have been killed in an underworld narcotics feud.

The body of Howard E. Helmick, 39, a known dope seller and addict, was found yesterday.

Held are Alfred Alvarez, 27, and Ronald Whittaker, 38, who told police Helmick came to their residence early last Saturday and that all three had taken a "shot" of narcotics.

The pair said Helmick passed out and they thought he was dead and didn't want to get involved so they wrapped him in a rug and took him to the spot where he was found.

The Day in Birmingham

City Dog Ruling Looms as Bait for Controversy

BIRMINGHAM—The city's dog ordinance, praised as often as it is criticized, may be up for spotlight discussion at tonight's City Commission meeting.

Bait for the lawmakers is a letter complaining of a discovery that "Birmingham (dog pond) is charging six times as much as anyone else" in the surrounding area, for release of an impounded dog.

Another issue to be taken up concerns the possible purchase of property on the west side of Eton road between Cole and Hazel streets, to serve as a screened area for separation of residential land and industrial property.

An average assessment of $400 per building site to benefit property owners will be the price estimated by City Manager Donald C. Egbert.

In a request from a citizens organization, the new commission will be asked to dedicate Shain Park as a permanent park.

* * *

General health problems and habits will be discussed by Dr. John B. Hassberger, local pediatrician, when Baldwin School PTA meets at the school auditorium at 8 tonight.

He will give factual information on polio serum, followed by a brief talk from Mrs. Howard Rieman on plans for administering the Salk polio vaccine.

While this ends regular meetings for the year, parents will put on the annual Baldwin School fair for children on May 6. Old and new PTA boards will meet May 16 for installation of new board members.

* * *

The Police Department's detective bureau will be sporting the latest thing in police cars from here on in. The two detectives are taking first crack at what is an innovation for the local deepartment, colored autos.

Two new cars, one green and one blue, have been selected by Police Chief Ralph W. Moxley. After the vehicles are broken in they will be used as patrol cars, he said.

* * *

Dr. S. P. Jesson, of 1063 E. Maple, is one of more than 3,000 members of the profession attending the 98th annual meeting of the Michigan State Dental Assn. being held today through Wednesday at the Hotel Statler in Detroit. Jesson is an officer of the association.

An organizational meeting of all young men interested in playing softball here this summer will be held at 7:30 tonight at the YMCA. Players and managers have been invited to attend.

Chairman of the session will be Warren Neville of the Y physical education committee. A six-team league, to play Monday and Thursday evenings, is planned.

Five-year-old Kathy Wild of 3637 Shallowbrook, Bloomfield Hills, was reported in satisfactory condition today at Ford Hospital, following an auto accident Sunday morning. She suffered head injuries after she apparently fell out of the family car and was struck by a wheel.

Police said Mrs. Vivian Wild had left the child in the car on Hunter boulevard while she stepped up to the Dairy Queen to make a purchase. Apparently the tot pressed the starter and put the car in motion, then tried to get out and fell to the street, police believed.

City Driver Accused of Leaving Accident

Arnett Fink, 28, of 444 E. Pike St., today was scheduled for Municipal Court arraignment on charges of leaving the scene of an accident and drunk driving after crashing into a police car and striking a parked car in an attempt to flee Saturday, according to Pontiac Police.

Fink was finally apprehended by Waterford Township Police Chief Frank J. VanAtta who was returning to Waterford after leaving a prisoner in the county jail.

Patrolman Joseph W. Swift, 26, said he was traveling south on Oakland avenue when Fink pulled out of a driveway near Clark street and smashed into the patrol car.

VanAtta said he saw Finks' car turn off a side street and strike an auto owned by Richard T. Dean of 78 Poplar St. VanAtta gave chase and apprehended Fink a block further after noticing the police car couldn't be driven.

Four Persons Injured in Two-Car Collision

Four persons were injured, none seriously, in a 2-car collision Saturday evening at Auburn and Adams Rds., in Auburn Heights, Oakland County Sheriff's deputies said.

Treated at St. Joseph Mercy Hospital for cuts and bruises were Harry L. Brown, 59, of 7075 Telegraph Rd.; and his passenger, Elford Brown, 49, of 505 Cameron Ave. Injured in the other car were Thomas Foster, 34, and his wife, Geneva, 32, of Rochester.

Foster stated he started across Adams after stopping and was struck by Brown's car. Brown said he was unable to stop in time after topping a rise in the road.

Man in Fair Condition After Car Strikes Tree

Richard Callahan, 34, of Oak Park, was listed in fair condition by St. Joseph Mercy Hospital authorities with injuries received when his car hit a tree early today on Adams road north of Long Lake road.

Oakland County Sheriff's deputies said Callahan apparently fell asleep at the wheel. His car ran off the right side of the road, careened to the left side and rammed the tree headon.

Believe Prayers Helping Sleeping Sickness Victim

CHICAGO (UP)—A young suburban couple believes the prayers of neighbors are helping their 6-year-old, brown-eyed daughter to recover from sleeping sickness.

The child, Gayle Russell, lies in a coma at Lutheran Deaconess Hospital. Eyes open, she stares at her parents but does not recognize them. She screams and cannot eat.

But she is beginning to move her arms and legs. Two weeks ago they were completely paralyzed. She was given a 50-50 chance to live. Now, the doctors say, the odds have improved.

* * *

Gayle's parents are Mr. and Mrs. Paul Russel of Morton Grove, just north of Chicago.

Russell said last night Gayle's improvement seemed to coincide with a call for prayers issued by spiritual leaders of three Catholic churches, three Jewish temples and several Protestant churches in Morton Grove and three neighboring communities.

Neighbors heard of Gayle's illness and reported it to their pastors. Several pastors asked their congregations a week ago to pray for Gayle's recovery. Others mentioned the child in prayers at church services last week and again yesterday.

* * *

The Skokie News, a neighborhood newspaper, said last week, "the entire community continues to pray for Gayle."

The Russells are Catholics.

Gayle has been in the hospital six weeks. She entered for an appendectomy. But two weeks after the operation she developed an ailment doctors diagnosed as encephalitis, commonly called sleeping sickness.

The doctors said she apparently developed peritonitis after her appendix was removed, and that this in turn caused toxic poisoning in her system which caused the encephalitis.

MAX FACTOR'S

GREAT NEW DISCOVERY

SECRET KEY

opens the way to new beauty for women with dry skin... oily skin... disturbed skin

WHY? Your skin is *dry*. You use rich creams faithfully, yet there's no relief from flakiness. *Why?*

WHY? Your skin is *oily*. You switch from one treatment preparation to another, yet blackheads and blemishes still persist. *Why?*

BECAUSE! The answer is the same in either case, as Max Factor scientists have now *proved*. There's a chemical barrier in the skin which keeps creams and lotions "on the outside looking in"—as though they were smoothed on glass! This barrier develops when skin lacks correct pH* balance and is either too acid or too alkaline.

WHAT? But now Max Factor has perfected the way to bring about normal acidity-alkaline balance characteristic of young skin . . . puts in your hands the SECRET KEY—a remarkable liquid which *prepares* your skin for treatment by breaking through the stubborn chemical barrier. The SECRET KEY now actually opens the way for treatment creams and lotions to do their beautifying work!

Having discovered the SECRET KEY, Max Factor has formulated exclusive corrective creams and lotions to follow right behind . . . complete beauty treatment groups for Dry Skin, for Oily Skin, for Disturbed Skin, for Normal Skin.

And we are proud to invite you to realize your skin's fullest beauty potential, beginning *here* and *now* with the SECRET KEY!

870 Gift Ships Sent by Navy

U. S. Supplies Vessels Enough to Make Fleet to Friendly Nations

By ELTON C. FAY

WASHINGTON (AP) — The United States has supplied enough ships to make a huge fleet to friendly nations, some of them former enemies.

With delivery next month of two more ships to Japan, the number of Navy vessels loaned or otherwise provided for big and little countries in both hemispheres the last six years will total at least 870, a check of Defense Department records indicated today.

* * *

But there is no danger of the U. S. Navy running short of ships.

The Navy now is operating about 1,100 ships, slightly over 400 of them combat craft. And it still has more than 1,300 in reserve, even after transferring the 870 vessels to foreign nations. This stockpile includes a dozen battleships, 68 carriers of various sizes, 105 destroyers, 165 patrol type ships including destroyer escorts, 57 submarines and hundreds of amphibious, auxiliary and minelaying craft.

* * *

Largest warship loaned under the foreign military aid program is a 14,000-ton carrier, turned over to France. That nation also received about 15 small ships and amphibious craft used during the fighting in Indochina.

Italy, an Axis power in World War II, is getting help from her former opponent, including the loan of an American submarine.

But one of the biggest recipients of naval help is Japan, the most powerful sea power among the enemy nations of World War II. The United States is helping Japan rebuild some of her former naval might to make her a strong link in the Western Pacific defenses.

U. S. May Want to See 'Em

Stash Away All Records

By ARTHUR EDSON

WASHINGTON (AP) — If there is anything this government is excessively fond of, it's record keeping.

Not only does the government keep records itself, by the Pentagon Building full, but it also expects each loyal citizen to do the same.

Suppose, for example, you should catch a whale. Reprt this fact promptly, by radio, to a whaling ship or land station. Legally, the record of your catch must be kept forever.

Or suppose you have been tinkering with the idea of putting up an interstate toll bridge. Keep all records, the law says, of its construction, financing and promotion until three years after the bridge is completed.

Or suppose you are a more modest operator, say, a filbert handler. The Agriculture Department expects you to keep a record of all filberts handled.

This information comes from the first list ever got up of all the records the government expects to be kept in case its officials become curious.

It took almost a year merely to draw up the list, which, when finished, filled 50 pages of the "Federal Register."

Every department of the government is on it, with the Treasury Department far out in front. Of the 977 different classifications, the Treasury has 369, or almost a third.

Many of the records to be kept are fairly obvious. People doing business with the Defense Department, or running radio stations, or operating banks that carry federal insurance would be expected to keep records.

But so must wholesale dealers who specialize in peddling adulterated butter, importers who fetch in patna rice to be used in canned soup and the secretary of the Klamath Tribal Loan Board. His job: To keep a complete record of all meetings of the board.

That strange language known as governmentese creeps into record keeping, of course.

What is required of the master of a vessel that will have a sanitary inspection at a Canal Zone port? The government's answer: He should "keep certificates covering deratization." This, as all well-read cats know, merely means he should hang on to the papers that show his ship is rid of rats.

Naturally federal officials know much of this is a pain in the bookkeeping department.

The General Service Administration got up the list. And its administrator, Edward F. Mansure, points out that it shows some rules are obsolete, many overlap and some leave everyone in the dark by not saying how long records should be kept.

Still, Mansure said hopefully: "It furnishes in one list at least some indication of what to keep and what to throw away."

And what about the ordinary taxpayer? We're there, on page 2248.

"Taxpayers. To keep such accounting records as will enable him to make a return of his true income.

"Retention period: Not specified."

So whether to keep or throw away remains a problem. Those records are mighty handy to have around, though, if the income tax man ever calls.

Treacherous TV Tells Spying Spouse Secret

PARIS (UP) — Jean Bouher's wife became ill and couldn't accompany him to a tennis match. He told her he would go alone.

But, when Madame Bouher turned on the television set to watch the play she saw her husband sitting in the grandstand with his secretary.

Madame Bouher won a divorce.

Tenors May Come, Go, but Met's Show Goes On

NEW YORK (AP)—The show must go on and the New York City Opera knows it.

Last night, John Crain, tenor singing Rodolfo in Puccini's La Boheme, reported sick with a cold. Tenor Rudolf Petrak, the Alfredo of the afternoon's "La Traviata," agreed to replace him.

But during the first two acts, Petrak became ill. The management put a call through to Crain who, despite his cold, showed up in time to replace Petrak before the final act.

School for Lawmakers?

WASHINGTON (UP)—Rep. Leo W. O'Brien, a New York Democrat who once was a newspaperman, thinks there ought to be a school for congressmen. He says freshmen lawmakers should be taught how the procedures of lawmaking go and "I for one would be glad to enroll."

State City to Get A-Plant

DETROIT (UP) — An atomic "pilot" plant designed to produce more fuel than it uses may be the fore-runner of nuclear electrical systems in major cities around the world, a utility executive said this week.

Charles Landrigan, vice president of the Detroit Edison Co., said the $45,000,000 experimental plant to be built "somewhere in Michigan" will be best suited for commercial purposes because of its economical operation.

The key to the power plant will be a neutron breeder reactor, which Landrigan said will "reduce operating costs to almost nothing."

"The difference between this project and other experimental power plants is the breeder reactor," he said. "It is more nearly feasible than other plans because the breeder will produce more power than the plant could use."

Detroit Edison, which has pledged $5,000,000 of its own money to the project, is working on it along with 32 other firms across the country.

A model of the plant already has been assembled. Landrigan said construction will start as soon as more money is pledged and the building application is approved by the Atomic Energy Commission.

Landrigan said the plant will have a capacity of 100,000 kilowatts. The power will be harnessed to provide electricity for a sizable Michigan city still to be chosen.

The reason for the experimental plant is to determine if the atom can provide cheaper electrical power than other means. If successful, Landrigan said he believes it eventually would mean rate reductions for consumers.

Electricity will be produced by huge steam turbines driving generators. The steam will come from "heat" given off by the fissionable material in the reactor.

During the process, certain nuclear by-products will be produced. One of them, plutonium, could be sold at a profit for use in atomic bombs or other reactors. The sale of the by-products is expected to off-set the cost of the original fuel fed into the breeder reactor.

A Detroit Edison consultant, Prof. Hans A. Bethe of Cornell University, said the proposed atom plant held "the greatest promise for industrial use" because of its economy.

Landrigan said he believes it will take four to five years to get the plant in operation. He said a steel and concrete shell enclosing the reactor will "contain" radiation and make the plant "perfectly safe" to operate.

"After all," he said, "it isn't going to be an atomic bomb."

73 Held in Plot to Slay Bolivia President April 9

LA PAZ, Bolivia (AP)—The Interior Ministry says 73 persons are being held in connection with a plot to slay Bolivian President Victor Paz Estenssoro and return the "oligarchy" to power.

A ministry statement last night charged that the abortive uprising had been planned to coincide with the April 9 celebration of the 1952 revolution which brought Paz Estenssoro's national Revolutionary Movement to power.

"Bonanzagram"

Have Fun! Win $100!

"Bonanzagram" is an exciting new puzzle in which the Pontiac Press offers both fun and a $100 cash prize. BUT before you try your hand at "Bonanzagram" **be sure and read the rules** at the bottom of this page. Solution will appear in the Press April 29.

Claim Check

Below is a duplicate of the "Bonanzagram" entry you send in to contest headquarters. It is ESSENTIAL that you fill it in and save it until the correct solution to "Bonanzagram" No. 7 is published Friday, April 29. Unless you do so, you will be unable to collect the prize if you should send in a winning solution. Check the rules below for further details.

Bonanzagram No. 7

Mrs. King liked to spend her holidays doing a round of the antique shops. One summer she purchased a beautiful old cherry desk. On getting it home, she discovered, clinging to the back of one of the drawers, a small sheet of paper, yellowed with age and covered with neat but spidery scrawls. It was hard to read, but by filling in the gaps Mrs. King got a dramatic glimpse of a time in the lives of the original owners of the desk. Can you, too, decipher the message?

How To Play 'Bonanzagram'

Solve the "Bonanzagram" by filling in all the missing letters, as indicated by the underscores, in the message. Insert only one letter above each underscore. Many clues to the missing letters are hidden in the story, or anecdote, accompanying the message. Clues may also be found in the message itself, and, in a few cases, the contestant's general knowledge should provide the correct letter. The contestant will note that the message is unpunctuated. **Punctuation as well as words must be correct for a winning solution.**

When properly filled in, the "Bonanzagram" will spell out a clear message that will conform in every way with the clues. In many cases it will seem that more than one word would be the correct one. That's part of the fun! You should weigh the clues and select the BEST possible word in each case.

How to Submit Entries

1. After solution is completed, "Bonanzagram" should be clipped and pasted to a two-cent postcard with your name and address.

2. Entries will be received at the Pontiac Press office, 48 W. Huron St., until 5 p. m. Tuesday, April 26. Mail entries must be postmarked before midnight Tuesday, April 26 for Bonanzagram No. 7. Address "Bonanzagram, %, Pontiac Press, Pontiac, Mich.

3. Entries may be mailed in envelope but contestant's full name and number of puzzle must be printed in upper left corner of address side of envelope.

4. Copies of the Press need not be purchased to enter. Facsimiles made by hand and corresponding as closely as possible to the original "Bonanzagram" printed in the Press will be accepted but are limited one to a family. Mimeograph, duplicator or other unofficial mechanical reproduction is forbidden.

How to Collect the Prize

The entrant must work out and keep duplicate solution as a claim check. When the solution is published in the Press, he should compare his "claim check" with the published solution, and, if his claim check is identical, he should call in person with his claim check at the Press office, 48 W. Huron St., before 5 p. m. on the Monday following publication of the solution.

If a winner cannot call at the Press office in person, he should mail his solution to "Bonanzagram Editor." Postmark on this letter must be not later than 5 p. m. the Monday after publication of the answer. Correct answers are void unless the contestant reports his claim by the deadlines listed here.

About Eligibility, Information, Etc.

1. Anyone is eligible for the "Bonanzagram" contest except employes of the Press and members of their immediate families. (Immediate family means all those living in an employe's household.)

2. No question as to winners will be answered by phone.

3. The Press will award a prize of $100 to the winner of each weekly "Bonanzagram." If more than one winning answer is received, the prize will be divided equally among the winners. If no correct solution is received, the $100 will be added to the next week's prize. If the winner is a subscriber of record to the Press a $20 bonus will be added to the $100.

4. Only one winning entry from a family will be eligible for the prize, but there is no limit on number of entries.

5. The Press retains the right to correct typographical errors.

6. Judges' decision will be final and contestant's submission of entries indicates acceptance of these rules.

7. No liability is accepted for entries that fail to reach us.

8. The Press reserves the right to alter rules and/or discontinue the contest at its discretion.

2nd Vice Trial Begins Today

Ex-Prosecutor Faces Court in Gun Death of A. L. Patterson

BIRMINGHAM, Ala. (AP)—Former Prosecuting Atty. Arch Ferrell's murder trial was called on schedule today, though the presiding judge still must rule on a defense motion for postponement.

Ferrell, who rose to power during the heyday of vice in wide-open Phenix City, is the second of three defendants to be summoned into court for the slaying of Alabama Atty. Gen. Nominee A. L. Patterson.

Defense attorneys filed a motion for continuance last week, complaining that the 38-year-old ousted public official cannot get a fair trial in Birmingham at this time.

Special Judge J. Russell McElroy heard witnesses for two days but delayed a decision until prospective jurors are questioned on that point today.

One defendant, former Chief Deputy Sheriff Albert Fuller, has already been convicted of the Patterson murder and sentenced to life imprisonment. A motion for a new trial has been filed.

Former Alabama Atty. Gen. Si Garrett also is under indictment for the slaying of the crippled ex-state senator who would have become attorney general at the expiration of Garrett's term in January his year.

Patterson won the Democratic nomination for attorney general on a pledge to drive gamblers and gangsters out of Phenix City. He was shot to death outside his law office there last June 18.

Oxford Girl Injured When Auto Overturns

After the car in which she was riding overturned on Indianwood road near Joslyn road Saturday evening, Miss Bernice Fernandez, 23, of Oxford, was treated for cuts and bruises at St. Joseph Mercy Hospital.

She was riding with Otis Caswell, 23, of 6595 Elizabeth Lake Rd., who told Oakland County Sheriff's deputies he lost control on a curve. Caswell was treated for an injured shoulder.

Less Language, More Meaning Government Aim

WASHINGTON (INS)—The government is cracking down on its own monster—"gobbledegook."

"Gobbledegook," known to all who have ever done business with the government, is misuse and over-use of language beyond all hope of comprehension.

A new publication called "Plain Letters" is to guide all federal employes.

Some tips, for example, are: say "trouble" instead of "encounter difficulty"; "hurry" rather than "expedite," and let's just forget "predicated on the assumption."

Fishing Boat Sunk, 5 Saved by Cruiser

DETROIT (AP) — A 35-foot cabin cruiser rammed and sank a 16-foot fishing boat on Lake St. Clair yesterday dunking five persons in the chill water. No one was injured.

The five were Mrs. Mary Bacarella, 40; her three sons, Joseph 19, Peter Jr., 14, and John, 13, and Miss Beverly Eblen, 19. All are of Detroit.

Police said the cruiser was owned and operated by Wallace S. Gerlacff, a Mount Clemens insurance broker. They quoted Gerlach as saying he was heading into the sun and failed to see the smaller craft.

The five were pulled from the lake into Gerlach's cruiser.

Edwin Ketterer, 28, of Rochester, was treated at Pontiac General Hospital Sunday morning after his car rolled over on Walton boulevard near Squirrel road, Oakland County Sheriff's deputies said. He stated he lost control on a curve.

Residents of Keego Harbor to Ballot on Incorporation

KEEGO HARBOR — A final decision on the incorporation of a portion of West Bloomfield Township called Keego Harbor is in the hands of the voters who will go to the polls there tomorrow.

They will face a city charter, and a slate of candidates seeking election to newly-created city offices.

A favorable vote on the charter will complete the incorporation of the area, which began Dec. 14, 1954, when residents elected a charter commission.

If the charter is not approved in tomorrow's voting, no candidates will be elected to office.

Nine residents have filed petitions seeking the five city council posts. They are George Harris, Benjamin E. Covey, Joseph Nichols, Wilma Webb, Chester Wolfe, Samuel Whitmore, Russell Greig, John Loveland, and John Sellman.

Arnold W. Soper and James Southart are seeking the position of justice of the peace, and Glen Munger and Glen E. Smith are both running for the single constable post.

In change there is opportunity

$4,200 per family—that's the average amount that American families now have in savings accounts, savings bonds and life insurance.

You're helping America set new records for thrift!

Good wages and high employment have given millions of families a better opportunity to build up their security through their own initiative:

- *43 million people own U. S. Savings Bonds*
- *75 million people now have savings in banks and other savings institutions*
- *93 million people own life insurance.* That's 22 million more than in 1945. And the average amount of life insurance owned per family has almost doubled.

Of these and other forms of thrift, the most popular is life insurance, now owned by four out of five families.

These families find that life insurance gives them two basic advantages: it is the *only* way to create an estate instantly, and it is a sound way to build up a cash reserve for emergencies.

Life insurance can help support the family in case of the father's death . . . cover the mortgage . . . help pay for the children's education . . . provide retirement income.

Today, more than half of all life insurance benefits are paid to the *policyholders themselves.* Through these "living benefits," life insurance brings America's families opportunity—as well as security.

Detroit Red Wings Again World Champs

Just as almost everybody hoped, Detroit's Red Wings again are the undisputed kings of the professional hockey world.

By defeating the valiant but outgunned Montreal Canadiens in the seventh play-off game, they completed an unusual achievement in this fastest of all spectator sports. Their accomplishment is the more remarkable because of the Wings' slow start and injuries early in the season.

★ ★ ★

With the last game now history their record indeed is impressive. It includes two successive Stanley Cup triumphs making the seventh time the Wings have captured this oldest of athletic trophies. The only other team to have won the cup that often is the Toronto Maple Leafs.

★ ★ ★

Besides winning the National Hockey League championship for the seventh consecutive year, Jack Adams', boys established and unprecedented record of 24 consecutive victories on Olympia ice.

We salute the Red Wings.

They are true world champions.

Bandung Conference Challenge to West

Communists obviously hope to score a smashing propaganda victory at the Afro-Asian conference at Bandung, Indonesia, April 18-24.

There are solid indications, however, that they may suffer severe disappointment long before the 29 nation gathering has run its course. Not only will friends of the West be present like the two Manila Pact powers, Pakistan and the Philippines, but the conference roster is anything but predominantly pro-Red.

★ ★ ★

In fact only two of the attending nations, which incidentally represent half the world's population, have outright Communist governments. Six are neutralist, eight can be classed as anti-Soviet and 12 are openly and positively pro-Western. It is from this latter group that important support will come for democratic policies in Asia and Africa.

★ ★ ★

After the conference opens there naturally will be a great deal of Red shouting about U. S. "warmongering," the menace of our atom bomb and the grinding inhumanity of the capitalist system.

Fortunately for us, in addition to our friends, 65 U.S. correspondents will be present. They can be counted on to keep the conference news in full and truthful perspective. The story they tell can be expected to counter the inevitable flood of Red poison.

★ ★ ★

Bandung is a real challenge to the West. We want to save the uncommitted Afro-Asian peoples from Red slavery. The conference offers a chance to strip away the false front of communism and to show the strength, substance and humanity of the world's free democratic peoples.

Sell 'em What They Want

International trade was given a boost in two situations emphasizing the wisdom of that old adage — the customer is always right.

It was at the international trade fair in Seattle, says the *Wall Street Journal*, that a representative of India learned some valuable facts about Americans' buying habits.

★ ★ ★

For example, he found out that a certain cigaret box wouldn't sell here but that a bracelet with the same design would. He learned also that certain colorful Indian skirts were too high priced to sell here. At the same time he was told that this material made into cocktail aprons would have a ready market.

★ ★ ★

Another exhibitor was told that his rugs would sell better without fringe. Fringes carry tariffs and raise rug prices.

In Madrid advice given by an American tripled the sales of an outlet for handmade articles. He convinced the artisans that they must make what the Americans wanted to buy. That means the end of beautiful but fragile lace on tablecloths which our housewives wouldn't buy because it would not stand up in electric washing machines.

★ ★ ★

Workers also were urged to abandon somber colors and ornate designs on their tiles and to brighten and simplify them. The artisans thought Ed Kreisler was crazy until they woke up to the fact that they were making many more sales.

In other words, knowing how to make beautiful things isn't enough. There must be that all important knowledge of what the buyers want.

Nothing is so firmly believed as what we least know.

The Meeting Could Break Up Any Minute

David Lawrence Says:

U. S. Awaits Word China Has Released 15 Airmen

WASHINGTON — Now that the United States government has announced that it will give permission to the 76 Chinese students to go back to Red China if they wish, it may be expected at any time that Red China will release the 15 American airmen held in violation of the Korean armistice.

No "deal" has been made, and it will be officially denied that any "exchange" has been proposed by either side.

The key is to be found, however, in the words of the secretary-general of the United Nations, Dag Hammarskjold, when he said on Jan. 13 to a press conference in New York on his return from Red China:

"It is not really a question of negotiations. It is a question of where the ground is prepared by negotiations — that ground having partly been prepared and partly by negotiations conducted by this or that national government.

"But the final decisions, I think, will necessarily emerge as unilateral decisions in all those various ticklish cases. They will emerge as unilateral decisions and as part of a general development, more than as the result of any kind of settlement.

"When you talk about negotiation in the sense you (the newsmen) indicate now, you seem to have in mind this give-and-take kind of situation, which is a typical one. I have already indicated that this has not been discussed in terms of a deal, nor with any link between different problems."

Those are the carefully chosen words which a diplomat is accustomed to employ in very delicate situations. Certainly neither the Peiping government nor the United States government would wish to be placed in the position of making any kind of trade or deal. Yet if each side makes its own decision to do a certain thing—it's called a "unilateral" decision.

What difference does it make so far as the end result is concerned if one government acts ahead of the other? That's the way the diplomats look at it, and, of course, the relatives of the 15 American airmen will not waste much time analyzing the words used, or the procedures, so long as the boys come back home safe and sound.

But the world may witness something significant if the American airmen are released. It will be apparent that the Red Chinese withheld these Americans from those prisoners who were ordered to be returned under the provisions of the Korean armistice just to use them as pawns in an international propaganda game.

There is, of course, no comparison between the status of the Chinese students now being allowed to take a boat home and the airmen. The students have not been held in any jail. They have been free to come and go and live a normal life except for periodic reports to the immigration service.

The only reason for detaining them was that they had acquired a knowledge of atomic physics and it was thought desirable to delay their return at least until there was an armistice in Korea and it could be determined what their status should be.

It is a fact that the Chinese students have been released to go home without exacting any conditions from the Peiping government. This may seem to be taking a long chance, as there is no obligation arising as a result of their release. If the Red Chinese wish to earn at least one mark on the score card of good behavior in the international sense, they will seize the opportunity to do exactly what the American government did and release the airmen as a "unilateral" act.

It may be assumed that the secretary-general of the United Nations is banking on such a development. Significantly the State Department didn't even formally notify the United Nations that it had granted permission to the Chinese students to leave the country, as it was doubtless desired not to tie up the problem of the students with that of the airmen.

But the Red Chinese learn about these things over the radio and, when the students have arrived back home and there is a quiet day without an incident of international tension in the headlines, Red China's radio may reveal that the airmen have been released.

Certainly the American authorities are waiting patiently for some such development to occur before long.

Give Surplus Wheat to Hungry People Everywhere, Is Ross Wade's Suggestion

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests unless the letter is critical in its nature.

"We have nearly a two-year supply of wheat on hand," says the April, 1955, Farm Journal. It's by far the biggest surplus ever known, and the frightening thing is that it isn't getting smaller.

The "normal" carry over of 20 per cent on July 1 as defined by law would be 185 million bushels. But we'll have more than five times that much piled upright at a billion bushels when elevators start taking this year's crop.

The government holds most of it, two and one-half billion dollars worth or about a third of the CCC's record seven billion dollar investment in farm price supports. The storage bill on wheat alone totals about three million a week and that doesn't include interest on the money, nor depreciation on the wheat.

I suggest the following program to move out or get rid of at least one and one-half billion dollars worth of this surplus wheat. Ship it to all countries that are in need of food, even to Russia if we can be sure the Russian people get the wheat. Grind it, give it to the schools, state hospitals, in fact to everyone who needs food anywhere in the world. Give it away.

Writer Answers Letters About Keego Harbor

In answer to Miss Kay Loveland and "Property Owner", every citizen should be urging his neighbor to take an active interest in his government.

What is a better approach than financial to arouse interest?

I stated it cost the Township $22,000 annually for police protection. Is there any guarantee in the charter that states it is impossible to have a police force for the city costing that much? The other facts of expense should be realized by everyone and they can get that information from other incorporated areas in the county.

It costs plenty to set up an election and draw up charters.

The specific area has positively no room for expansion. There are no new subdivisions on the north in the intended area for the incorporation. Those new subdivisions are in Waterford Township and that township is in the process of incorporating itself. The incoming taxpayers spoken of would be new residents or property owners developing in unoccupied space in the incorporated area, of which there isn't any.

Interested in All the People

Why wasn't the Charter discussed at the meeting scheduled for such discussion so the people interested could learn the contents of the city jurisdiction they are to vote on accepting.

The Charter was not referred to anytime by the charter committee or attorney. Isn't it important that the electors know what they are voting to accept or not accept?

I thought people moved out of cities to get away from city taxes. Something must be wrong when any public issue does not have both pros and cons by the voters. Also why wasn't the charter published in a more widely circulated paper such as the Pontiac Press.

Rubbish in Churchyard Distresses 'A Reader'

What's the matter with the City that they can't clean up around the churches? It was such a beautiful Easter Sunday and everybody was in his best attire and outside the church, was nothing but rubbish.

'Dog Lover's' Letter Recalls Incident

This isn't a reply to "Dog Lover's" letter however, I did find it and the replies to it rather amusing and they made me recall an incident that happened several years ago.

A lady dog tax collector was canvassing the neighborhood in one of the hot, sultry months when there is usually a dog quarantine in the county which is enforced in most of the townships.

She approached a man in his yard to ask if he had a license for a small dog in an enclosure. He usually bought dog licenses early in the year when he paid property tax but since the hunting dog was always properly penned up, he never bothered to keep the tag on it.

I suppose the lady doubted his word, so he had to come in the house for his receipt or the dog's tag. Anyway she followed so closely behind him that when she stepped inside the door he roughly told her to stay outside. She explained she merely wanted to step out of the hot sun. He said, masterfully, "Well, I don't care, this is my house!"

I wouldn't claim that I love dogs or even hate cats, but I sure do love a masterful man.

Vandalism Needless, Says Reader

Just how blind can some people be to destruction and vandalism?

In the past month, I have seen, while passing by, a respectable boarded-up house on West Kennett made into a skeleton by children, 6 to 8 years old.

Very recently they were wrecking the garage. Next, it may be your house!

Federal judge heaved the book at an influence commissioner and called him a termite. In that case he should be out soon.

Been termiting in the political woodwork of 1956 platforms. The squirrels on the White House lawn have not spoiled Ike's game. He's still getting plenty of distance with his slice.

This department had decided the person Chiang Kai-shek would rather take on an island is himself.

He's setting prettier than a bee on a flower. With America footing the bills.

That's why we advise the Democrats to lay off Ike's personal affairs and go out and get themselves a 1956 candidate with a reliable case of yellow jaundice.

The logistics of the Matsu-Quemoy axis is you can't stretch a spider's web across a wash-tub. Nobody on our general staff of second guessers is much good on a propositon that has niether an echo chamber nor a status quo.

Don't forget Congress has given Ike the blank cart in the Orient. He is finding out Lincoln was right when he said you cannot please all the people one at a time.

The political situation is strictly yes and no. It's like the sixteen-cylinder car at the gasoline pump with its motor running.

We would say the 1956 campaign has been officially opened. It's a banquet with only one oyster.

But there is a low tide in the affairs of men when there's plenty of mud.

There is but one rule for great men to follow. If you're not a hero to your valet answer the telephone yourself.

An old lady at the Zoo was sitting on a camel, while the keeper was trying in vain to make it move. At last the old lady got off and started to pet it, but still it would not budge. Suddenly however it got up and went running off at top speed. The keeper turned to the old lady. "Madam," he said, "what did you do to him?"

"I only tickled his back!" she replied.

"Well," said the keeper, "you'd better tickle mine. I've got to catch him!"

Shouldn't Be

"Ladies and gentlemen," shouted the street performer, "in a few moments I will astonish you by eating coal, stones and nails. I also will swallow a sword, then I will come around with a hat, trusting to get enough for a crust of bread."

"What!" came a voice from the crowd. "Still hungry?"

Case Records of a Psychologist

Wife's Apparent Indifference to Husband Causes Him to Try to Tear Her Down

Teresa was told by a prominent woman columnist to get a divorce at once. But we psychologists would veto that peremptory advice. Teresa's problem can be solved very simply by going to its basic cause. No "advice" columnist should flippantly urge divorce on a good family like Teresa's. That's inexcusable.

By DR. GEORGE W. CRANE

Case 0-307: Theresa J., aged 29, offers a very common wifely problem.

"Dr. Crane, last month I wrote a letter to a woman advice columnist," she began.

"I told her that I have been married for 8 years and have two wonderful children—a boy of 7 and a girl aged 6.

"My husband is generous enough with us as regards money and even admits that he loves me.

"But he gets so angry at times that he calls me names and belittles me, even before the children.

"Lately, he has also started criticizing my parents, too. When he is on a tirade, there's nothing I can do to stop him.

"But I love him and the children are crazy about him. What should I do in this dilemma?

"Well, Dr. Crane, this woman columnist wrote back and told me if I had even average intelligence, I should divorce him at once.

"But that isn't what I want. So could you give me some psychological help that would salvage our marriage? I don't want a broken home."

Modern physicians are trained above all else to get an accurate diagnosis of the problem and its cause.

Psychologists likewise don't flippantly recommend divorce in a case like Teresa's.

And that is why I told you last week that conducting an advice column demands a lot of scientific training in medicine and psychology, plus a great deal of horse sense or practical judgment.

We psychologists, therefore, would focus Teresa's attention on the basic cause for her husband's fits of anger.

Some excessively jittery people have an excess secretion of the thyroid gland of the neck. Thus, they fly off the handle on very slight provocation.

Others have simply developed as spoiled brats ever since childhood and try to alibi their tantrums by calling it "temperament."

But Teresa's husband didn't fit into either one of those two types. His sex ego had been wounded by his wife's apparent

indifference, so he grew caustic and tried to whittle down her pride to an even lower point than his own.

This is a common psychological device. For instance, a bed-wetting boy feels babyish in his own sight. So he will often become a bully at school and tease other boys, as well as girls, till he makes them cry. Why?

Because their tears label them as babyish, so then feels somewhat superior and thus helps offset his secret belief that he is still at the diaper age.

There are two marriage secrets that all new brides should realize. First, feed your husband when he is hungry. Don't make him wait till you get the extra frills ready, such as salad or whipped cream for the pie.

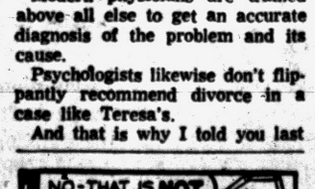

If he is ravenous, let him start eating bread and butter or anything that will stave off his hunger pangs! For it's a hungry male that becomes snarlish!

But the second basic hunger in the male is romantic. And wives are relatively frigid as measured by the average male's sex appetite. So wives often are indifferent or reluctant.

And this attitude makes a husband irate. He may feel that his wife doesn't love him.

And in the resulting bitterness, he snarls and calls her names, and even belittles her parents. See tomorrow's follow-up.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped, self-addressed envelope and a dime to cover typing and printing costs when you send for one of his psychological charts.

2 Seafood Meals a Week Supply Iodin Requirement

By WILLIAM BRADY, M.D.

Mrs. W. L. C. says she is 40, always tired, has absolutely no pep, has to force herself to do her housework. . .

That last symptom has become widely prevalent since TV became epidemic.

. . .she is always the one who has to wear her coat, when everyone else thinks the room is comfortably warm. Her bones actually shiver, although the weather is nice as it can be. Her hemoglobin, the doctor says, is above average. . .

That chilliness when everyone else is comfortable is a common manifestation of a new mink coat. Miaow.

But did the lady ask for the international quack's No. 1 routine! Forty, always chilly where normal persons are comfortable, no "pep"—everything except the tendency to nod or actually drop off asleep and a change from former cheerful disposition to pensive or glum.

What the lady needs, and for that matter what every man, woman and child needs and generally does not get, is an adequate daily ration of iodin.

In the pamphlet "The Iodin Ration" I tell you how to do so. For the pamphlet send me a stamped, self-addressed envelope. It is free. But if you ask for other pamphlets in addition, inclose 10 cents for each additional one.

The quantity of iodin that is required by every man, woman and child to maintain good nutrition is minute, far less than the minimum medicinal dose, but nevertheless it is indispensable for good health.

Statistics show that the practice of iodizing salt (adding a wee bit of iodide of potash to the salt sold for table and cooking use has at least alleviated iodine deficiency throughout the country, especially in the Great Lakes basin. For one thing there is much less simple goitre in children and hospital records show there are not so many operations for exophthalmic goitre since iodized salt became popular in the region.

Of course this doesn't prove anything, for at the same time improved transportation, cold storage, refrigeration, improved canning and improved marketing methods have made seafood much more available than it was before iodized salt. In my opinion two seafood meals a week would supply an adequate iodin ration. By seafood I mean any fish or shellfish from the sea, fresh, frozen, dried, salted or canned.

Signed letters, not more than one page or 500 words long, pertaining to personal health and hygiene, not to disease, diagnosis or treatment, will be answered by Dr. William Brady if a stamped, self-addressed envelope is sent to the Pontiac Press, Pontiac, Mich.

Salk Had Drive to Find Vaccine

(EDITOR'S NOTE: This is the third of four articles describing the long battle against polio that preceded the announcement that the Salk vaccine is safe and effective).

By EDWIN DIAMOND

ANN ARBOR (INS)—A brilliant scientific experiment has been completed, leading to a workable vaccine against crippling polio and making the manresponsible a celebrity overnight.

How did it happen? Why did this researcher succeed where others before him had failed?

The researcher is Dr. Jonas E. Salk, the 40-year-old scientist who developed the polio vaccine that bears his name.

In 1953, less than two years after he became interested in the challenging problems presented by polio, he succeeded in producing a vaccine believed capable of bringing crippling polio under complete control.

One explanation of Dr. Salk's success is that he is a "good technician." The phrase carries the implication that all he did was build from someone else's blueprint.

While Dr. Salk himself would be the last person to quarrel with this somewhat slighting description, he nevertheless was the first to develop a vaccine judged good enough to be used in medical history's greatest mass experiment.

His friends and colleagues at the University of Pittsburgh's virus research laboratory shrug off the "technician" tag. Dr. P. L. Bazely says:

"Certainly Dr. Salk built on the knowledge and experience of others. But he was the one who combined their advances with his own background.

"He was the one who had the insight and drive to organize and carry out the project."

Exactly what was the state of polio knowledge when this young and intensely determined researcher became interested in the complicated problem of an immunity-granting vaccine?

Thanks to Dr. John F. Enders and his associates, there was a safe way to build large numbers of viruses. Thanks to Dr. William McD. Hammon, there was knowledge that antibodies in the blood could stop the virus.

Thanks to Drs. Howard A. Howe and Isabel Morgan, there was a technique for killing potent virus without ruining its ability to stimulate antibodies.

Here then was Dr. Salk's task as he set it for himself: Make a vaccine usable against all three polio types; make it good enough to stimulate sufficient antibodies and safe enough to administer without bring on polio or side effects.

How did he do it?

Under Dr. Salk's procedures, the way to make a suitable vaccine to protect children from polio requires first of all a large number of monkeys, which are expensive.

The vaccine factory system starts with the monkey as Dr. L. James Lewis, a Salk research associate, puts it:

"The monkey is indispensable for making polio vaccine. We will need a continuing supply of them for both testing and serum production."

The monkeys are obtained for $42 postpaid from India, Burma or the Philippines. After tests, their kidney tissue is used for the food upon which the polio virus feeds.

Dr. Lewis estimates one set of monkey kidneys produces enough food to make vaccine in sufficient quantities to immunize 500 children. Here is what happens then:

1—The kidney is ground up, chemicaly treated with tripsin and placed in a test tube.

2—Polio virus is placed in the tube to feed and grow at the tissue's expense. Also added is a "soup" of nutrient materials called "mixture 199."

3—The chemical formalin is added to the live and feeding virus to destroy its polio-causing potency.

4—The now killed virus is safety tested first on laboratory animals.

5—After being checked and approved for human use, an inoculation is given and blood tests are taken to determine how effective the vaccine was.

Again the ease of explanation does not do justice to the many hours of careful preparation and calculations that must be made in the expensive, time-consuming and demanding job.

Dr. Salk, a devoted husband and the affectionate father of three small boys, drove himself unceasingly because, he says, "There was a job to do."

Asked how many hours a week he worked, he replied:

"As many as are necessary."

Much as he enjoyed being with his family and relaxing at home to good music or on the tennis court, he cut out all activities.

"My work is my hobby," he once told a newsman.

It seems likely that history will single out two men in particular from the scores who contributed to the prospective conquest of polio—Dr. Enders and Dr. Salk.

But neither Dr. Enders nor Dr. Salk is resting on his laurels.

At this moment, they are working on new and improved techniques to combat disease.

(Tomorrow: A look ahead in the polio fight.)

Bale of Hay Contains Wallet Lost in 1953

REXBURG, Idaho (AP)—It wasn't a needle but a wallet Thomas Hancock found in a haystack.

Hancock's nephew, 16-year-old Monty Blackburn, had lost his billfold while pheasant hunting in 1953 on the ranch near Rexburg of J.M. Anderson.

Hancock recently bought some of the hay harvested last fal by Anderson. In the first bale Hancock opened was his nephew's wallet, good as new.

MAX FACTOR'S new discovery, SECRET KEY throws open the barrier in your skin that's been holding back your creams and lotions!

"WHY is it that women with dry skin—women with oily skin—and women with the problems of blackheads and blemishes, never seem to get the help they long for—even when the strictest beauty routine is followed with expensive treatment preparations?"

. . . For years, we at Max Factor searched for the answer to this puzzling question. And this search revealed the startling fact that there is a chemical barrier in the skin itself that keeps creams and lotions "on the outside looking in"—as though they were smoothed on glass!

This barrier develops when skin lacks correct pH* balance. Meaning, it is either too acid or too alkaline. And very few women do have correct skin balance.

We set out to discover a way to break through the barrier—to enable creams and lotions to *get through* to bring needed help to parched or oil-clogged skin cells.

We found the way—discovered the SECRET KEY—a remarkable liquid formulation which returns the skin to correct acidity-alkalinity *balance*. . . and by so doing opens the way through for creams and lotions to do their beautifying work.

We followed with exactly the right corrective treatment groups for the dry, the oily, the disturbed and the normal skin . . . Each group formulated to follow right behind the Secret Key and help the skin to help itself.

With the Secret Key and *your* corrective treatment group—suddenly you will begin to notice a real improvement!

Today, I am happy to be able to turn over to you the Secret Key that can open the way to the skin beauty you have longed for.

Loss Hits $300,000 in High School Fire

THREE RIVERS (UP)—Fire of undetermined origin caused an estimated $300,000 damage to the 22-room Three Rivers High School yesterday, school officials said today.

The officials said classes would be recessed today but would resume tomorrow.

The fire, discovered by a passing motorist, was battled by fire units from Three Rivers, Sturgis and Centreville for 90 minutes before it was brought under control. But the roof and the top floor of the 50-year-old school collapsed onto the first floor before firemen were able to control the blaze.

Supt. of Schools Walter Horst said sections of the school erected in 1920 and 1953 were not damaged by the blaze.

Wixom Man Arrested After 2-Car Accident

William H. Thompson, 65, of Wixom, was arrested on a drunk driving charge Saturday night after his car was involved in a head-on crash on M218 near Walled Lake.

Driver of the other car, Olaf W. Carlson, 58, of Wolverine Lake, told Oakland County Sheriff's deputies that Thompson's car crossed the center line and struck his. Thompson was treated for face cuts at Pontiac General Hospital.

Vandals Wreck Autos

IONIA (UP) — Sheriff Peter Van Vleck reported vandals smashed windows and dented fenders of 15 new cars stored in a fairgrounds building over the weekend. He said damage was estimated at several thousand dollars to the autos and show cases in an adjoining building.

Ruth E. Hamlin Becomes Bride of Richard Clark

MRS. DAVID R. CLARK

FARMINGTON—Ruth Ernestine Hamlin and David Richard Clark repeated their wedding vows in the Salem Evangelican and Reformed Church Saturday.

The doublering ceremony was performed by Rev. Richard A. Geiger at 4 p.m.

Mr. and Mrs. Delos F. Hamlin Sr. are the parents of the bride. The bridegroom's parents are Mr. and Mrs. Glenn D. Clark of St. Joseph.

A floor-length gown with a bodice and skirt of white Chantilly lace over nylon tulle was the bride's choice for the event. It had a boat neckline, and long pointed sleeves of lace.

Sister of the bride Jane Hamlin was maid of honor, with Mrs. Fred Hamlin and Mrs. William Evans as bridesmaids.

William Evans served the bridegroom as best man, and Arnold Newman and Lt. Fred Hamlin Jr. seated the guests.

After a reception in the church parlors, the couple left for a trip to Northern Michigan.

PTA Planning Group to Begin Workshops

WATERFORD TOWNSHIP—The third annual series of workshops for program chairmen, sponsored by the PTA Program Planning Committee, begins tonight at 8 p.m. in the homemaking room of the Waterford Township High School.

O. W. Crissman, of the adult education department of the University of Michigan, will be guest discussant of the meeting, which is also open to study group and mental health chairmen.

The three other workshops of the series are slated for May, September, and October.

Youth Badly Hurt in Head-On Crash

A 19-year-old Detroiter was reported in critical condition at Pontiac General Hospital today following a head-on crash on M59 in White Lake Township yesterday.

The youth, Donald Noel, was a passenger in an auto driven by Eugene Furgerson, 35, also of Detroit.

According to witnesses quoted by Brighton Post State Police, Furgerson's car smashed head-on with one driven by Herman Albert, 34, of Rives Junction.

Witnesses said Albert swerved from the eastbound lane to avoid crashing into two slow-moving cars in his own lane.

Furgerson is in fair condition and Albert is in good condition, according to the hospital. A passenger in Albert's car, Jacqueline Hrisca, 22, of Port Huron, is also reported in good condition.

Phosphorus needs are critical on more than half of Ohio's farms, an Ohio State University study indicates.

Insane Asylum Rioting Quelled

Patient Beaten Up by Crazed Inmates Still in Critical Condition

RUSK, Tex. (AP)—A Negro patient who tried to save a ward attendant from a brutal beating in Saturday's riot by 80 criminally insane inmates lingered near death today at Rusk State Hospital.

Four other persons of 13 injured in the bloody uprising remained hospitalized.

Pharo Tilley, near death from multiple skull fractures, was beaten when he tried to help H. B. Taylor, a ward attendant also hospitalized from severe blows on the head and body from a baseball bat.

In Ward 7, where a sadistic murderer and a sex fiend led the riot, an uneasy calm prevailed.

"I think we've got this thing licked," Dr. James A. Bethea, executive director of the state hospital system, said yesterday.

The 80 rioted Saturday morning and held Hospital Supt. Dr. James Castner and two others hostage six hours.

Texas Ranger Capt. Bob Crowder persuaded Ben Riley, 22, the riot's "brain", to call it off.

Riley and Joe Murphy, the other ringleader, rattled off a long list of complaints as the reason for the riot.

Yesterday, Casner conducted a 3½-hour investigation into the complain of brutality.

"I found no evidence of brutality by attendants," Bethea said, "but I did find evidence that some patients had mistreated other patients."

Parisian Priest Who Aided Poor Coming to U. S.

PARIS (AP) — Abbe Pierre, who became a national figure through his stirring battle against poverty in France, is leaving tomorrow for the United States and a lecture tour.

The abbe, a frail Catholic priest, says he is going "not as a Frenchman to talk about France; not as a priest to talk about religion; not as a beggar to ask money; but as a man wanting to speak to other men about human problems."

Such discussions come easily to the abbe—the Rev. Henri Groues. He succeeded last year almost singlehanded in arousing a wave of help for homeless down and outers freezing to death beneath Paris in enough official and private aid Pierre's spirited appeals brought bridges. Within a few days Abbe to start the building of lodgings.

The abbe was invited to the United States by groups of personalities and organizations of all denominations. During his fortnight's stay he will visit New York, Washington, Chicago, Los Angeles, San Francisco and possibly Boston or Philadelphia.

Pittsburgh Sees the Sun

By PHYLLIS BATTELLE

PITTSBURGH (INS—Look alive, you city dwellers who are biting the dust (or absorbing the smog, or inhaling the monoxide), and turn your smarting eyes toward Pittsburgh.

This is the spot that got religion.

Ten years ago, it was a grimy-faced gargoyle of a city. It was dark as a saloon, at midday. Its citizens were susceptible to TB and silicosis and imflamed eyes. The neatest of housewives had tattle-tale curtains. The millionaires had soiled bills by lunchtime.

Suddenly civic pride stepped in, by firm official order. A strong-willed group of residents formed a "United Smoke Council of the Allegheny Conference on Community Development," and demanded that Pittsburgh's billion-dollar industries, its railroads, even its households, cease and desist burning soft coal.

A few choice squawk-words echoed through the surrounding hills, because gas is a comparatively costly fuel and because bituminous coal was one of the region's vital industries. But by Oct. 1, 1947, the deed was done.

Today Pittsburgh, unlike some other cities I could mention, is smog-free (there, there, Los Angeles, don't be so touchy!) . . . and it is the fastest-growing fairyland in the East.

I looked down upon it from one of the high hills across the Monongahela River from the center of the 197-year-old city. It was night, and the lights were sharp in the spanking-clean air over Pittsburgh. They made splotches of currugated color in the Monongahela and the Allegheny rivers, as these two swept past the city on either side, then churned together to form the Ohio River in the form of a great, watery "Y."

"The air is almost as pure as it was when George Washington came here in 1758," said Stefan Lorant, the Austrian writer-historian who has been fetched here by the Allegheny Development Board to write a book about Pittsburgh and its renaissance.

"In fact," and he squinted down at the big point of land where the rivers merge, "you can just about see Washington's ghost, if you try."

I tried but my retinae are not extra-sensory, it seems, so Lorant described how Washington found this spot—a rolling, tree-covered plot—and how it became the center of French, Indian and British warfare till the end of the American Revolution.

Then, beginning in the 1790's with a ship-building business, it expanded to become the great industrial center. Oil, steel, coal, aluminum—all were discovered, developed and shipped from Pittsburgh. Great family fortunes were piled up and stowed away. Dollar bills were a dime a dozen here. And everyone was so busy they scarcely noticed. . . .

With success came darkness. Fog, smoke and ugliness swept over the wealthy community. Andrew Mellon, the city's most powerful industrialist, is said to have lost at least one wife because flowers wouldn't grow in her gardens.

For more than a century, the filth compounded until citizens scarcely remembered there was such a thing as sunshine. Then, almost overnight in one clean-up sweep, it was blown away.

Pittsburghers now are almost deliriously civic-minded. They contribute money and ideas to the reconstruction of their town and watch, with delicious amazement, the building of dozens of new structures, the side-scrubbing of of soiled ones, the laying out of real, genuine parks in mid-town.

I don't know what courage and money and heartache it took for the men who crusaded to make Pittsburgh sunlit once more; but the fact that it was accomplished, with such magic swiftness, is encouraging.

It can—ye unclean communities—be done!

350 Autos Trapped in California Snow

SACRAMENTO, Calif. (AP)—A late season snow storm marooned an estimated 350 automobiles on two trans-Sierra highways and forced the closing of one of the routes, California highway patrolmen reported early today.

At least 200 cars were stranded on U. S. 40 by heavy snows that began falling early yesterday and by midafternoon had reached 18 inches. None of the motorists was reported to be in danger.

To the south, 100 to 150 vehicles were reported stuck briefly on higher elevations of U. S. 50. Howroad crews were making fast progress in clearing the highway and freeing the stranded cars.

Housework Easy Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

An average American man walks about nine miles each day in the course of his work and recreation, while an average woman covers about 10 miles a day, mostly in household chores.

Hal Boyle Says:

Bullfight Fans Are Violent

MADRID (AP)—The safest costume to wear to a bullfight is a suit of armor.

It comes in handy to protect you from the wrath of the fans, or aficionados, if things go wrong.

Your typical Spanish bullfight aficionado is a rabid individualist who makes even the most leather-lunged American baseball fan seem like a wax statue of Casper Milquetoast.

He is a perfectionist. The deadly ballet of a bullfight is more of an art form than a sport. Everything must go strictly according to Hoyle, or the aficionado takes it as a personal affront, and his howls can be heard from here to Seville.

If he thinks the performance is too lousy, he may even go down into the ring himself to show the matador how a bull really should be fought.

This actually happened last Easter Sunday at a bull stabbing I attended out of curiosity along with some 24,000 regular patrons of this cultural medium.

A bullfight follows a classic pattern. Ideally it is held on a hot bright windless day.

The bull comes loping in, fierce and surging with power, and is dragged out dead and bleeding by mules less than half an hour later.

In those few moments he is run until he is partly winded, methodically weakened by a man on horseback who lances his shoulder muscles until he can hardly lift his head. Three daring men on foot then run up and stick brightly colored darts in his wound to goad him to the limit.

The bloody pageant reaches its climax when the matador, after flagging the beast back and forth with a cape like a maddened railroad locomotive, leans forward on tiptoe and drives his sword over the lowered horns into the confused bull's eary heart.

Each part of the ceremony is a ritual. Every graceful movement of body and cape by the matador is as meaningful to the true aficionado as a jitterbug step to a teen-ager in America. The bull must be blindly brave, the matador skillfully courageous in toying with the horned death.

But on this Easter Sunday everything went wrong. The sky was gray. A sharp breeze made it hard for the matadors to handle their capes.

In the first event a gay caballero fought from horseback, dismounting only to be handed a sword for the actual kill. The bull promptly butted him sprawling. The whistling began at once. A whistle in Spain is the equivalent of a Bronx cheer, only more insulting.

Humiliated, the gay caballero regained his feet and after a couple of muffed stabs, at last dispatched his bull. His eyes streaming tears, he held out his hands pleading to the stands. But all he heard were jeers and whistles.

Nothing went right from then on. The aficionados jeered the picadores for punishing the bulls too much. They jeered a bull every time he paused to try to figure what kind of a strange pasture fate had landed him in. They jeered the president of the bull ring. They jeered the matadors for being too cautious. Some of them even began to jeer each other.

As the seventh and last bull of the day was being worn down, a young aficionado leaped into the ring. He took off his coat, and waving it like a cape, fancy-stepped three times out of the way of the charging bull before attendants hustled him out.

It took the disconcerted matador three swords to finish off the bull.

* * *

Then the aficionados erupted. They howled, hollered, whistled and stomped their feet in disdain. Pop bottles and hundreds of seat cushions began to rain down into the arena. A hard Spanish seat cushion is enough to snap your neck if it catches you from the right angle. I ducked out the nearest exit.

Later I heard that 50 fans had been arrested during the rioting. When I expressed surprise at the outbreak to an acquaintance who lives here, he explained:

"You don't understand. Some of these fans save up half a year to go to a bullfight. They're like a baseball fan back home who expects to see a no-hit, no-run game every time he buys a ticket."

When I asked what would happen to the young fan who had danced his brief impromptu fandango with the bull, my acquaintance said:

"He'll probably get 15 days in the hoosegow. But if he showed enough talent, some manager may take him over and turn him into a real matador. Every once in a while a bull-crazy kid gets his start that way."

If I ever go to another bullfight I'm going to show up wearing a helmet and a catcher's mask. The brave bulls don't seem nearly as dangerous as the angry aficionados.

Snake Hops Ride in Plane Controls

JACKSON, Tenn. (AP)—Just as Lt. Harry Scott of Jackson climbed to 1,500 feet in a National Guard plane for a 500-mile cross-country flight, a snake stuck his head out of the instrument panel.

"I didn't ask his pedigree," said Scott. "At 1,500 feet snakes are snakes to me."

Scott and his companion, Sgt. Bedford Lasley, were back on the ground five minutes after takeoff. Guardsmen had to take the instrument panel out to remove the snake, a 42-inch chicken snake. They killed it.

There is no substitute!

You can't duplicate the "3 Plus" advantages of Blue Cross-Blue Shield!

1 HOSPITAL SERVICES, NOT LIMITED CASH! No other state-wide plan gives you basic services the way Blue Cross does, through its contract with the hospitals! Other plans give you fixed cash payments, which may pay only a small part of your hospital bill . . . the big part to be paid by you!

2 DOCTOR SERVICES, NOT LIMITED CASH!—with a choice of a $2,500 or $5,000 family income ceiling medical-surgical contract. You get service benefits if your family income meets the requirements of the contract you choose. The service benefits provision is offered only by your Blue Shield Plan.

3 YOUR BLUE CROSS-BLUE SHIELD CARD CUTS RED TAPE! Eliminates need for making a hospital deposit! No forms to fill out on admission to the hospital . . . no claims to file . . . no wait for payment. Blue Cross - Blue Shield Plans are the only plans that contract directly with your hospital and doctor.

Nothing can replace . . . or come close to replacing . . . the "3-PLUS" advantages of Blue Cross - Blue Shield protection against the cost of hospital and doctor care!

And—with hospital care something that 1 in 3 families need every year, think how important it is that *your family be protected!*

Chances are, your family *is* protected . . . and protected by Blue Cross - Blue Shield (*nearly half the people in Michigan have it!*).

And granted, you may think Blue Cross - Blue Shield protection is good. But it's far more than "good." It's so good that millions of Michigan people have found they just can't afford to be without it. *There is no substitute* . . . and here's why—

HOSPITAL SERVICES . . . NOT CASH!

Unlike plans that provide you with fixed cash benefits to cover the cost of hospital services (and rarely do you get *enough* cash!), the Blue Cross Comprehensive Contract gives you all the basic hospital *services* themselves . . . regardless of the cost.

This protection provides up to 120 days at a time . . . at almost *any* general hospital in Michigan, and at Blue Cross member hospitals all over the country! Every enrolled member of your family gets this very same protection, too.

DOCTOR SERVICES . . . NOT CASH!

Any time you need hospital care, you'll surely need a *doctor's* care, too . . . and it's against the cost of in-hospital *doctor* care that Blue Shield protects you.

Just as it's possible to get *hospital services* through Blue Cross, it's possible to get *doctor services* through Blue Shield.

Blue Shield offers you a choice of a $2,500 or $5,000 family income medical-surgical contract. If your family income meets the requirements of the contract you choose, the cost of your participating doctor's in-hospital *services* will be covered by Blue Shield. This *service benefit* provision is made available to you *only* through Blue Shield. In any event, regardless of your income, liberal amounts will be paid to the doctor of your choice.

NON-PROFIT ORGANIZATIONS

Blue Cross and Blue Shield are *non-profit* organizations . . . sponsored by Michigan hospitals and doctors so that Michigan people can have the kind of protection they *need*, and at a cost they can afford. Together, these plans offer *more protection for the money than you can get through any other organization.*

Compare other plans with your Blue Cross - Blue Shield. Look for the "3-PLUS" advantages. You won't find them offered by any other state-wide protection plan. That's why *there is no substitute* for Blue Cross - Blue Shield.

If you do not already have Blue Cross - Blue Shield, ask your employer or your union representative how you can get low-cost group coverage for you and *your* family. (A company with as few as *five* employees may qualify as a group.) Or, call or write the Blue Cross - Blue Shield office listed in your telephone book.

Bob Considine Says:

Doolittle Hit Japan 13 Years Ago

NEW YORK (INS)—This morning, 13 years ago, a lookout on one of the ships escorting the carrier Hornet toward Japan espied a Japanese trawler wallowing in stormy seas 800 miles off the enemy coast.

The trawler had every right to be there. The Americans were softshoeing in, bent upon what still remains one of the great military maneuvers in history: The Doolittle raid on Tokyo and several other Japanese cities.

Alarms were sounded, Halsey's guns swung on their mounts and in an estimated three minutes the Japanese ship was plunging to the bottom. But had its radio been quicker than its death pangs? That was the question Jimmy Doolittle had to answer.

All the training had been directed with a night-time raid in mind. A submarine had slipped into Tokyo Bay and slyly taken notes on the position of such obstacles to the planned low-level bombing as barrage balloons. This information had been radioed back to the advancing Hornet. The planning die had been cast. Doolittle would go in first over Tokyo with four 500 pound incendiaries to find and then light up the industrial targets to be struck by subsequent bombers.

But now the wayward trawler, and the threat of its radio, changed things. Hornet and her guardians were supposed to steam all that day before launching the 16 B25s huddled uncomfortably on her deck. A dusk launching would then bring them over their targets before the moon helped the anti-aircraft gunners. But now it was barely dawn.

Not unmindful of what land-based Japanese bombers had done to Britain's battleships the Prince of Wales and the Repulse, the year before, Doolittle ordered his men to take off and let the carriers (the Enterprise was there for protection) and other ships get out of there.

You know the rest: All the planes got off the deck, all but one crashed (it went on to Vladivostok and the crew was interned), Japanese warlords were startled that the U.S. could throw such a daring counterpunch so soon after Pearl Harbor and they withdrew some of their fighter forces from the tips of their aggressive tentacles, in order to protect main islands which had seemed absolutely inviolate.

I talked with General Doolittle the other night just before he took off from New York for Los Angeles to attend the 13th reunion of the Tokyo raiders. He gave this report on the clan:

"Forty of the original eighty boys will be at the Cocoanut Grove in the Ambassador for this reunion. Sixty are still alive, 32 are still in the Air Force, and 28 are in civil life.

"We haven't got a general yet, but we're getting close," said the greatest natural flier the country ever developed. Main reason is that most of the boys were lieutenants at that time, and it takes time. But we've got some chicken colonels: Jack Hilger, my second in command, Ross Greening, now our air attache at the embassy in Australia, Ski York, Davey Jones, who wound up as a prisoner of the Germans, and one or two other. Col. Greening, incidentally, designed the two-dollar bomb sight we used on the mission."

I asked him how the whole thing came up.

"I really don't know to this day," Doolittle said, scratching his jaw.

"Hap (Arnold) called me one day and said 'What airplane can go 2,400 miles and carry 2,000 pounds of bombs and take off a short runway?' I looked around and decided the B25 was the only plane that had a chance of doing it. I reported back to Hap and he said, 'Okay, get some ready.' Far as I know the whole idea came out of the Navy.

"I sure stay proud of those men," Doolittle said. "We picked 24 crews out of the 27th bomb group, and then thrice picked over them to get the bunch down to size, for the carrier could only hold 16. There's never been a bunch like that . . . before or since."

Farmers in Great Britain are now able to purchase strings of firecrackers which will explode at intervals to scare off birds from their fields.

Repatriate Reveals Siberia Prison Riot

MAIZURU, Japan (AP)—More than 150,000 slave laborers revolted against their Russian guards in Siberian forced labor camps last May, a Japanese repatriate said today.

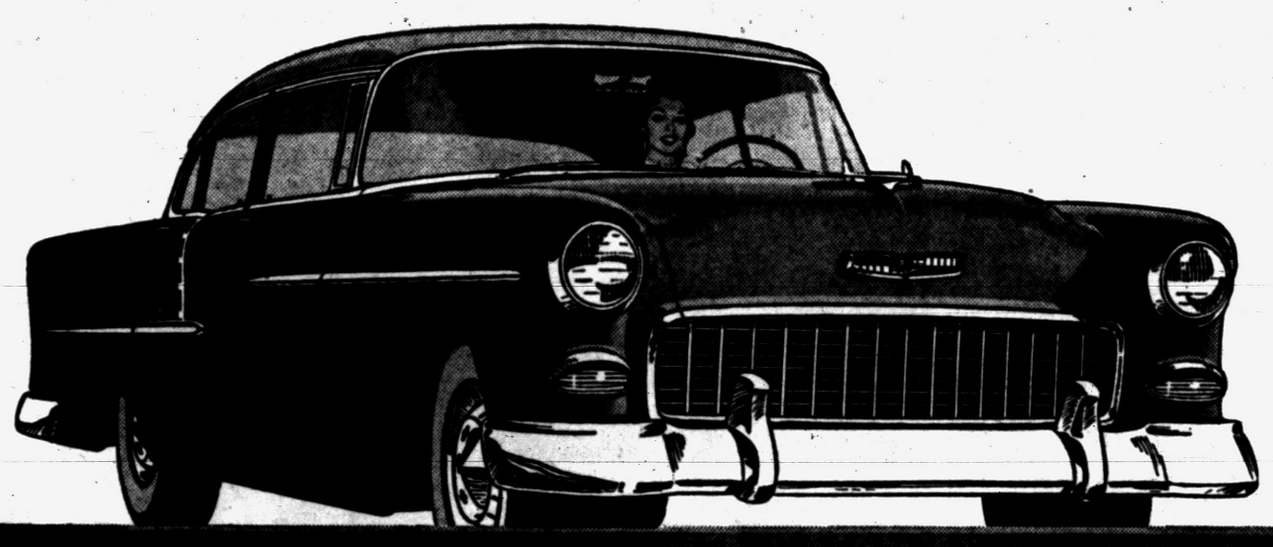

The Russians restored order "only after machine gunning many of the protesting laborers," the newspaper Tokyo Shimbun quoted Minoru Okada, 43.

Okada was one of 88 Japanese who returned today aboard the repatriation ship Koan Maru from Soviet ports.

Driving a new Chevrolet
can help you win one!

WIN ONE OF 102 CHEVROLETS
Enter Chevrolet's Big Miracle Mile Contest
You can win a new Chevrolet plus a $1,000 U.S. Savings Bond
What you learn on a demonstration drive can help you win
Here's the happiest invitation a motorist ever received. For not only are you being invited to drive the smoothest, liveliest, loveliest car in the low-price field . . . but you also get a chance to win a brand-new Chevrolet, plus a $1,000 U.S. Savings Bond!
That's the story behind our Miracle Mile Contest. It gives you a chance to see for yourself the wonderful advances that Chevrolet designers have built into the Motoramic models. And while you are testing, you'll be picking up a whole headful of information that can help you be a winner.
The fact is, we've put so many advances in the 1955 Chevrolet that no one entry could cover them all. But here are some things to look for particularly:
Glide-Ride Front Suspension
Here's the unique spherical-joint suspension that is sheathed against grit with non-metallic liners and self-adjusting for wear . . . is so beautifully flexible it sops up even the tiniest road ripples and glides over the big bumps.
Anti-Dive Braking Control
You'll learn that the Motoramic Chevrolet doesn't dip sharply down in front when you jam the brakes on! Only Chevrolet has Anti-Dive Braking Control to give "heads-up" stops.
High-Level Ventilation
Another Chevrolet exclusive in its field, to draw in air above the level of road dust and exhaust fumes, to turn wind gusts into a smooth flow of low-velocity air.
"Horses" to Suit Your Needs
You'll want to explore Chevrolet's full range of engines, from the "Turbo-Fire V8" through the ultra-efficiency of the two "Blue-Flame" 6's. And there's the "Super Turbo-Fire V8," too . . . 180 horsepower for really blazing performance. And Chevrolet is the only car in its field with a 12-volt electrical system.
Why don't you sample these pleasures yourself at the wheel of a 1955 Chevrolet. Enter our Big Miracle Mile Contest . . . without cost or obligation . . . and you may win a 1955 Chevrolet of your own, with a $1,000 bond to sweeten the pot!

Camping Program, Scholarships Benefit from Sales Mrs. Donald Redmond Reveals

More than 4,000 of the most charming personalities ever to break down your sales resistance are making calls . . . and sales . . . in Northern Oakland County this week.

The wiles of the irresistible sales force include braids, grins, curls, lisps and a few freckles. They'll come calling from now through April 28th in their 1955 Cookie Sale. Some 350 Brownie, intermediate and senior troops will provide the sales crews. Door to door salesmen of all items might well take a hint from this ambitious lot of young girls.

They've more than doubled their sales power by enlisting aid from their mothers, fathers, brothers and sisters, who have succumbed to constant requests ranging from serving as pack horses to counting and keeping track of cartons and individual boxes.

The girls are ready and willing to "sell with a smile" because they are sold on their own product. They believe in the organization they serve and are fully aware of its worth and its deeds, so they face their project "always prepared".

In an effort to augment sales, cookie cupboards have been set up in downtown areas and neighborhood stores. Adult supervision will be on hand at all times during this public sale. All the troops selling from door-to-door are vying for top honors in the county.

All proceeds go to the Girl Scout camping program, and camp scholarships, Camp Sherwood receives the larger share, while a lesser share of these profits are used for equipment to be used by individual troops for two or more days of camping at approved camp sites.

Mrs. Donald Redmond, general chairman for the Cookie Sale urged residents to "buy two, not just one, box of Girl Scout cookies from that little girl down the street. That eighty cents from you is worth many-fold that to her . . . and the cookies are good, too!"

SYLVIA J. ROUSE

James Rouse of Draper avenue and Mrs. LeRoy Garner of Lincoln Park are announcing the engagement of their daughter, Sylvia J., to Dale Hampshire. He is the son of Mr. and Mrs. Charles E. Hampshire of Dexter road. The wedding will take place June 14.

Birthday Party Held for William Coffing

A surprise birthday party honored William Coffing Thursday evening when senior choir members of Oakland Avenue United Presbyterian Church paid tribute to their choir director.

Refreshments were served and a gift was presented following choir practice at the church.

Mary Lou McLaughlin of Mohawk road keeps track of the records as Monita Calhoun of Spokane drive comes to one of the district cookie depots to receive cartons for her troop to sell.

Intermediate and senior Scouts join forces to sell Girl Scout cookies at one of the downtown cookie cupboards. Left to right are Edwina Palmer, of Cadillac street, Nancy Mize of Menominee road, Cathy Hunter of West Iroquois road and Carol Asher of Gingell court.

Shirley Ann Devine Wears Heirloom Jewelry for Rite

Honeymooning in Canada are Mr. and Mrs. William G. Dunston. The bride is the former Shirley Ann Devine, daughter of Mr. and Mrs. Thomas E. Devine of Lindsay road. He is the son of Mr. and Mrs. William E. Dunston of Clarkston.

The Rev. Barney D. Roepcke performed the eight o'clock ceremony Saturday evening at Orchard Lake Presbyterian Church.

MRS. WILLIAM G. DUNSTON

The bride wore a lavaliere which is a family heirloom for her marriage. The floor length skirt of her white satin gown ended in a train.

Her headpiece secured a lace finger tip veil, and she carried an arrangement of white roses, hyacinths and stephanotis.

Mrs. Homer Beasley wore a lilac ballerina length gown for her duties as matron of honor. Other attendants were Mrs. Raymond Devine, Mrs. Robert Devine, and Carol Devine. They wore yellow gowns.

Roger Johnson of Clarkston served as best man. Seating the guests were James, Raymond and Robert Devine, brothers of the bride, and Ronald Schebor of Clarkston.

A reception was held following the ceremony in the church parlors.

The bride's mother wore a gray and yellow print dress and the bridegroom's mother chose a dusty rose dress.

As the couple left for their honeymoon the bride was wearing a beige linen box suit with brown accessories. Upon their return the couple will reside on North Paddock street.

Vegetables Are Starred in Casserole

Mrs. Knoll Mixes Ripe Olive Pieces With Corn, Celery

By JANET ODELL
Pontiac Press Food Editor

Even though Lent is a thing of the past for this year, there will still be days when you want a meatless dish to serve. We think you'll like Mrs. William R. Knoll's recipe for a corn and celery casserole.

For the past year Mrs. Knoll has been settling down to homemaking in one place, after being with her husband while he was in service. A six-months old son keeps her days busy. She finds as much time as possible for her hobbies of piano playing and sewing.

CORN, CELERY CASSEROLE
By Mrs. William R. Knoll

2 cups canned corn
1½ cups diced cooked celery
½ cup minced ripe olives
½ cup minced green pepper
½ teaspoon pepper
¼ teaspoon salt
4 tablespoons butter or margarine
½ cup milk
¼ cup dry bread crumbs

Arrange corn, celery, olives and green pepper in alternate layers in greased baking dish, add seasonings, half the butter or margarine and milk. Cover with crumbs, dot with remaining butter and bake in moderate oven (350 degrees) about 45 minutes. Serves 6-8.

Druzinsky is Soloist for Wednesday Concert

EDWARD DRUZINSKY

Soloist for the final concert of the Pontiac Symphony Orchestra Wednesday is Edward Druzinsky, harpist. Conducting the program to be held at Lincoln Junior High School is Francesco Di Blasi. Tickets will be on sale at the door. The program will begin at 8:30 p.m.

Symphony to Present Harpist

Will be Featured in Final Concert Wednesday

By GOLDA M. HOGUE

The final concert of the 1954-1955 Pontiac Symphony Season presents as soloist Edward Druzinsky, first harpist of the Detroit Symphony Orchestra.

Born of parents who were professional musicians, he started studying piano before he was old enough to go to school and at twelve he began the harp. After graduating from High School at St. Louis he studied music at Curtis Institute.

When World War II broke, feeling he should be trained for something beside music, he entered Washington University as a chemical engineering student. After serving in the army he enrolled at New York Univeristy as a mathematics and physics major intending to finish his degree.

However, a good job opened with the Pittsburg Symphony so he returned to his music.

This is Druzinsky's third year with the Detroit Symphony Orchestra, playing his harp between symphony seasons in Broadway musicals and on radio and television. An interesting experience enjoyed last summer was in a new field—that of playing jazz in the Sauter-Finegan Orchestra.

He says "It's the only orchestra I know that uses the harp as an integral part of the arrangement instead of just for flourishes. Playing a dance band is a nice change of pace."

Although of great antiquity, being associated with the psalms and rhapsodies of the Hebrew prophets, and pictured in the vase paintings of the ancient Greeks, the harp has only recently attracted the attention of serious musicians.

Its adoption as an art instrument dates from the year 1810 when Sebastian Erard invented the double-action harp which is practically the same as that used today.

The harp is still not thought of as a regular member of the orchestral family but one or more harps are frequently called for in modern music.

Their brilliant scintillating effect is too well known to require description. Harmonics are possible and are of etheral beauty in soft passages.

The final concert April 30 will give listeners a chance to hear the possibilities of the harp as a solo instrument in the hands of a master harpist. He will play "Introduction and Allegro" by Maurice Ravel, one of the few composers in whose hands the harp truly emerges as a solo instrument.

Dust or some other minute foreign body is necessary for the formation of a raindrop.

Any Tom, Dick or Harry can get along better if he has jack with him.

Ado About Identical Dresses Considered Absurd

By MARY MARGARET McBRIDE

Maybe it's because I have a blind spot where clothes are concerned that I find rather absurd all the fuss about two women (one our First Lady) who turned up at a Washington, D.C., reception wearing identical dresses.

In view of the miracle of mass-produced clothes and the American female's well-known dedication to the latest style, what really surprises me is that such carbon-copy encounters aren't more frequent.

The only time a woman would have reason to be outraged, it seems to me, would be if she's paid far too much money for some chic garment with the understanding that the pattern would then be torn up.

Mrs. Eisenhower is reported to have said sunnily to the other wearer, "I just love it, don't you?"

Which reminds me of another story. A woman I know went somewhere wrapped in a coat that had done good service for three years. At this event she met Mrs. Franklin Delano Roosevelt, who had on the same model.

Mrs. Roosevelt, noting the other woman's embarrassed recognition of the situation, smiled and remarked cosily: "It's worn well, hasn't it?" which seems to me a nice experience to tell at the dinner fable.

So was that of a young friend of mine in Pasadena who recently worked hard and long sewing reasonably exact facsimilies of the costumes worn by the hero and heroine in a film, "The Egyptian," for her husband and herself to wear to the Bachelor's Ball.

She even darkened her skin, stitched up a wig of red wool hair and painted her nails and toes green. At the party, Connie and Harcourt were a great success.

"And then," said Constance wryly, "in walked Irene Dunne — looking perfectly beautiful and in the ORIGINAL costume. For a moment I felt absolutely crushed and then that wonderful Miss Dunne, whom I'd never met, walked right over and said, 'Yours is wonderful. I was lazy and persuaded the wardrobe department to loan me the costume. Yours is FUN!' "

Finally, on more or less the same subject, there was the suburban matron in town for a day's shopping who stopped at a tearoom for a sandwich. Suddenly she noticed that a woman facing her across the room was wearing a flower-trimmed straw hat exactly like her own.

She waited until she caught the woman's eye, then gestured to her own hat, smiled and nodded. The woman looked startled and glanced nervousy away. Undaunted, the matron kept trying, in a friendly fashion to call attention to the similarity in headgear.

The woman across the way grew more and more agitated and finally gathered up her wraps and fled, leaving a particularly toothsome dessert practically untouched.

The suburban lady, in the powder room later, looking at herself in the mirror discovered she was wearing a plain sailor, not the flower-trimmed straw at all.

One would travel about 50 miles in going through the Panama Canal.

Huthwaite Is President of Children's Aid Society

W. E. C. Huthwaite was elected president of the Oakland County Branch of the Michigan Childrens' Aid Society at a meeting held at Hotel Waldron.

Others elected to the board were Mrs. R. W. Steere, vice president; William MacDonouth, secretary; Mrs. Earl Braid, assistant secretary and Milo Cross, treasurer.

Presiding at the session was Mrs. Bert E. Norton.

Executive secretary Oriel Endelman commented on some interesting adoptive placements of older children which had taken place during the year.

She stated that the agency keeps in touch with adoptive parents for one year before final papers are given. Reports show these children have been making good adjustments.

Miss Endleman also reported that 26,980 days of care were given to 171 children during 1954.

She described the group meetings of 10 prospective parents, saying that because there was never enough children for placement, the agency holds these meetings to explain to them the policy and procedure of the adoptive program.

The annual dinner for foster parents of children under the care of the agency will be held May 25 at Hotel Waldron.

Chairman of the committee in charge is Mrs. Syver Thingstad. Assisting her is Mrs. B. W. Habel, Dr. Richard Galpin and L. Harvey Lodge.

Robert Barstow, general secretary of the state organization will be a guest at the June meeting of the Oakland County Chapter.

W. E. C. HUTHWAITE

Mrs. Henry S. Booth, a member of the state board of trustees attended the Friday meeting.

IF fur companion for long-jacketed suit—

The scarf is smartest. Fur capes or jackets shorter than suit jacket can create an un-chic break over these new long suits.

Miss L. S.—Looking forward to fall when the question of tunic dresses to wear under fur jackets, as now with the long jacketed suit, the scarf is smart. Or other hand, to cover the long jacket, loom large in fashion.

Be Casual in Explaining to Neighbors

Give Simple Truth of Questioned Trip, Girl Is Advised

By EMILY POST

A very unhappy situation is described in the following letter:

"I love the theater but unfortunately the town I live in does not have a legitimate theater and except for an occasional play put on at the town hall, I have little opportunity to see any plays.

"As a surprise, my boy friend sent to New York for tickets to two of the hit shows and when he told me he had received them I was delighted and saw no harm in going to New York with him for the weekend. We stayed at separate hotels and it never occurred to me that anything could possibly come of this.

"However, while in New York we ran into someone from home and apparently she could not get home fast enough to spread the news that John and I were in New York together.

"I have been meeting lifted eyebrows and cool looks from my neighbors ever since my return and I am beginning to feel down right immoral.

"I am much hurt and dismayed by their attitude and feel that if I don't say something my reputation will be ruined. Will you help me?"

Unhappily you have put yourself into a very unfortunate position, but whatever you do, take the situation casually.

If your friends say anything to you, tell them frankly how you happened to go and the names of the hotels where you each stayed and that you can't see how anyone can think anything but the truth. Don't elaborate as though it were important, and don't make excuses.

Rember the French proverb that says: "He who excuses himself, accuses himself!"

Show Opens Tuesday at All Saints

Pontiac Press Photo

Members of Guild 11, All Saints Episcopal Church unload antiques which will be displayed Tuesday, Wednesday and Thursday at the church. From left to right are Mrs. Charles Sanft of Mohawk road, Mrs. Marshall Smith of Elizabeth Lake road, Mrs. Dawson Baer of Sylvan Lake and Mrs. Harold A. Cousins of Erie drive.

Mrs. G. Stanley Warne, general chairman of the antique show to be held at All Saints Episcopal Church Tuesday, Wednesday and Thursday has announced that a portion of the proceeds from the sale will go towards the church kitchen.

The vestry has authorized extensive remodeling of the church kitchen, plans are now being considered, and the work is expected to be done this summer.

With dinners for 200 or more prepared by the women of the church, and with the number served sometimes reaching 400, a modernized kitchen has long been a dream of the guilds.

Sponsored by Guild 11, the show will open at 10 o'clock Tuesday morning in the gymnasium of Stevens Hall.

The sixteen collectors who have reserved booths will feature early American and primitive antiques in collections that range from silver, china and glass to pine and cherry furniture.

Mrs. Clarence Smith and Mrs. Edward Silk are planning menus for lunch and tea that will again feature home prepared specialities of guild members.

In addition to salads and sandwiches, such favorites as lemon fluff, cheese cake, pecan pie and lemon chiffon pie will again be served on the balcony overlooking the show.

Assisting on the food committee are: Mrs. J. A. MacDonald, Mrs. Charles Kistner, Mrs. L. E. Manning, Mrs. H. V. Phipps, Mrs. Charles Sanft, Mrs. Marshall Smith, Mrs. Mel Werden, Mrs. Frank Stull, Mrs. Marshall Smith, Mrs. C. Bryan Kinney, Mrs. Gregg Dunlap and Mrs. Charles Evans.

Serving tables will be Mrs. Corliss Armstrong, Mrs. Gilford Every, Mrs. Horace Hall, Mrs. Earl Knapp, Mrs. Monroe Osmun, Mrs. George Schroeder, Mrs. Charles Whitfield, Mrs. L. J. Whitfield, Mrs. Russell Cutler, Mrs. Theodore Van der Stempel, Mrs. Duane Hamilton, Mrs. Felix Wotila, Mrs. Gerald Kirkby, Mrs. Larmon Smith, Mrs. Charles Bonner, Mrs. Kenneth VandenBerg, and Mrs. N. E. Durocher.

Selling tickets at the door will be Mrs. Dawson Baer, Mrs. Harold Cousins and Mrs. H. F. Brodie. Taking tickets will be Mrs. R. R. Anglemier, Mrs. Robert Campbell, Mrs. Russell Thurston, Mrs. Ralph Derragon and Mrs. W. H. Heller.

Headed by Mrs. Cousins, all members of Guild 11 have been selling tickets. Mrs. Vernon Abbott has asked representatives of other guilds of All Saints to help with sales.

They are: Guild one, Mrs. Orville Moll; Guild two, Mrs. A. R. Young; Guild three, Mrs. Bruce Hubbard; Guild four, Mrs. Merle McManus; Guild five, Mrs. Raymond Reeves; Guild six, Mrs. Albert Kimball; Guild seven, Mrs. Robert Nienstedt; Guild eight and Mrs. Clarence Chamberlain; Guild nine, Mrs. Walter Herreman; Guild 10, Mrs. Don Harrison and Guild 12, Mrs. Raymond Fixel.

Mrs. George Higgins of Charlston represents St. Andrews Episcopal church, Drayton Plains. The women's guild of St. George Mission, Milford, is also helping.

Publicity has been handled by Mrs. C. R. Gatley, Mrs. Marshall Smith and Mrs. Maxwell Shadley.

A benefit luncheon has been planned by Oakland County Chapter 34, American Gold Star Mothers, and will be held April 29 from 11 a.m. to 2 p.m. at Wilson Avenue Methodist Church.

The women worked out plans for the function when Mrs. Luisa Mayotte opened her home on Mechanic street to members on Thursday evening.

Discussion also centered around the Department of Michigan convention scheduled for April 20 to 23. Two members will attend.

Mrs. Barbara Cornell was a guest.

Mrs. Fotis Takis is Zonta President

Mrs. Fotis Takis is the new president of the Zonta Club of Pontiac for the coming year.

Other officers elected to assist her are Mrs. Charles Wait, vice president; Mrs. Chad Mellinger, 2nd vice president; Mrs. Lois Ellis, recording secretary; Mrs. Thomas Horowitz, corresponding secretary and Mrs. Harold Owens, treasurer.

Members of the Board of Directors include, Mrs. Lloyd Burnes, Mrs. Mellinger, Mrs. Howard Brooks, Helen Travis, Mrs. Fotis Takis and Mary Ellen Wyngarden.

Club representatives will attend a charter dinner at Devon Gables April 30 for the new Zonta club of Birmingham and Bloomfield Hills.

The International Zonta Club president, Dr. Dorothea Radusch, will present the charter.

Mrs. Silas Wattles who is leaving soon for a three-weeks trip to Europe, read a letter from Jutta Forwerk of Germany. Mrs. Wattles hopes to visit Jutta while she is in Europe.

The Pontiac Zonta club sponsored Jutta while she was an exchange student at Pontiac High School.

The president announced recent donations of the club to the Pontiac Day Nursery, the Camp Fire Girls, Camp Oakland and the Child Psychiatry Fund of Pontiac State Hospital.

Sarah Van Hoosen Jones will be the speaker at the meeting on Thursday.

The club is invited to attend the April 21 meeting of the Detroit Zonta Club. The speaker at the luncheon will be Dr. Hannah Keit who is on a diplomatic mission from the Federal Republic of West Germany.

Others were Mrs. Hal LeMonde, Mrs. William LeMonde, Sallie Hawkins, Mrs. Wayne Stricklin, Barbara Stricklin, Mrs. Paul Breininger, Mrs. Tom Fulton and Mrs. Virginia Hawkins.

Sorority Entertains Husbands at Party

Forty persons attended a party Saturday evening when Epsilon Sigma Alpha sorority entertained their husbands at the Westacres Community Clubhouse.

Mrs. Edward Hummel Jr., president of the sorority, presented scrolls to the husbands, making them honorary members of the group and thanking them for their help and cooperation during the past year.

Mrs. L. L. Schiefler, social chairman, was assisted by Mrs. Benjamin Sweeney, Dorothy Brim, Ann Tierney and Maxine Miller.

If someone pays you a compliment it is better to accept it with a pleased "Thank you" than to deny it. The denial demands another compliment, and that can get embarrassing.

Modesty is a good quality, but it needn't be overdone.

Laura Marjorie Thorn, Philip J. Kent Are Wed

BIRMINGHAM—A wedding of interest in Birmingham Saturday afternoon was that of Laura Marjorie Thorn, daughter of Mr. and Mrs. Harry D. Thorn of Minneapolis, Minn. to Richard Edmund Kent, son of Mr. and Mrs. Philip J. Kent of Arlington drive, Birmingham.

The ceremony took place in Gethsemane Episcopal Church in Minneapolis and a reception was given at the College Women's Club.

The bride wore traditional white satin, lace trimmed with a cathedral train, and she wore a fingertip veil. Her flowers were white orchids.

Her sister, Mrs. Robert W. Johnston of Rochester, Minn., was matron of honor, and bridesmaids were Lynne Davidson of Birmingham, Jane Geret of Minneapolis, Lucy Landers of Philadelphia and Nancy Sayler of Fargo, N. D.

They wore ice blue satin waltz length dresses and carried bouquets of violets.

William R. Kent of Birmingham was his brother's best man and ushers were Richard L. Halsted and John W. Power of Birmingham, William R. Nuey of Swarthmore, Pa. and Robert W. Johnston.

Square Dancers to Elect Officers

Campaign posters were used as the decorative theme when the Do-C-Do Square Dance Club met at Webster School.

It was announced that election of officers will be held on April 28.

Callers for the recent event were Sam Joan, John Streit, Rex Lawrence, Gordon McLeod, George Harkless, Stan Hutchinson and Charles Uligian.

Mr. McLeod, Mr. Joan and Carl Donelson also provided refreshments.

Decorations for the evening were handled by Mr. and Mrs. Stan Hutchinson, Mr. and Mrs. Philip Rowston, Mr. and Mrs. McLeod, Mr. and Mrs. Lawrence and Mr. and Mrs. Streit.

New Sheriff Runs Short of Stogies

WAUPACA, Wis. (UP) — Tradition and progress collided at the opening session of the Waupaca County Board to cause the newly elected sheriff, Floyd Taylor, one of his "most embarrassing moments."

Taylor, following custom, presented the board members with a box of cigars.

The 50 cigars were enough to go around when the board numbered 48 supervisors. But Taylor was short one cigar because he forgot about three newly elected supervisors from the new city of Manawa, who were seated for the first time.

Thankful Kept the Home Fires Burning

When the Pilgrims first arrived on the bleak New England coast and settled at Plymouth, they had to keep their home fires burning. The fire was very important. Without it they could not cook their food and their homes would be cold.

But they could not buy matches as we do and they had to make their fires from flint and tinder, which was not easy to do. If the fire went out, it was a serious matter for the family.

If a fire was burning in one house, the settlers there were always willing to let a neighbor take a few hot coals to start his own fire. Thankful, the little girl in the picture, is carrying some coals in a brass kettle to her home through the woods. The kettle is not very heavy, but it is hot and must be carried carefully.

Thankful is almost home, and soon the coals will be settled on her family's fireplace so the evening meal can be cooked.

Romance Fails to Blossom for Two Sets of Twins, 92

NEWPORT, Ky. (AP)—The four rocking chairs creaked, creaked again . . . and nobody said anything.

Maybe it was shyness or just nervousness that kept the 92-year-old twins silent most of the afternoon.

After all, it was the first time Mrs. Mary Cullen and her twin, Mrs. Eva Bwman, had seen Fred and August Schulze, twins from Brussels, Ill.

The brothers, who suggested the meeting, flew here yesterday with relatives and were escorted to Mrs. Bowman's home.

"Get the preacher, we're ready," quipped Mrs. Cullen as she was introduced. Wives and husbands of all four died years ago.

"I'm glad to meet you," said August as he and Mrs. Cullen held hands.

"How are you feeling?" she asked.

"Pretty well for my age," he replied.

Fred was quiet as was Mrs. Bowman, who hadn't been "dressed up in 11 months. I usually wear a housecoat." She has been in poor health.

All moved to the front porch and the rockers where the subject of age came up. It has brought on the meeting since each set of twins claimed to be the older.

But it turned out the Schulzes were born Aug. 5, 1862, and the Kentucky women on Jan. 11, 1863, at Maysville.

Following more rocking and more silence, the party broke up and the brothers departed—without the glass of wine the women had planned to offer them.

Told the Schulzes drink nothing stronger than water, Mrs. Cullen came back with this remark:

"If we had met them 30 years ago, we might have made better men of them."

GOP Hits Back at Truman Blast

Brand Ex-President's Remarks Vicious Attack on Eisenhower

WASHINGTON (AP) — Former President Truman's accusation that the Eisenhower administration is guilty of political trickery with serious foreign and domestic issues brought heated retorts yesterday from GOP ranks.

"Neither vicious personal attacks on the President nor the ridiculous efforts to undermine his oustanding record in office will succeed," chairman Leonard W. Hall of the Republican National Committee said.

Truman did not mention Eisenhower by name, but delivered a blistering attack on his administration Saturday night at a big Democratic dinner honoring Speaker of the House Sam Rayburn.

The dinner, which attracted some 3,600 Democrats from all over the country, climaxed a two-day party rally during which the national committee discussed plans for the 1956 campaign.

The sessions produced no new word on the intentions of Adlai E. Stevenson, the former Illinois governor who lost to Eisenhower in 1952. Stevenson has made it clear it will be several months before he makes any decision. He leaves from New York today on a month-long business trip to Africa.

Stevenson rivalled Rayburn and Truman in applause at the $100-a-plate dinner for the speaker.

Truman, lauding Rayburn as "a great American," asked his hearers not to "forget how soundly and securely we have built this country so that it has even been able to withstand some pretty bad management of the country during the last two years."

He said the present administration "has been playing politics with our security, our foreign policy, with our civil service and with our nation's resources."

Raiders Blast Home Near Israeli Border

JERUSALEM, Israeli Sector (AP) —Dynamiters blew up a house in a Jordan frontier village 15 miles from Jerusalem last night, burying a family of six. All escaped death, including a six-month-old baby.

Israeli officials said the raiders came from Jordan and went back over the border, five miles south of the village, after blasting the house.

the New **PACKARD**

with Torsion-Level Ride

Smooths the Road ...Levels the Load *Automatically*

Here's comfort you've dreamed of . . . and a ride to set you dreaming! It's the new Packard Torsion-Level Ride—a new system of suspension eliminating conventional coil and leaf springs to give you comfort unequaled by any car, on any road.

In other cars, twisting forces due to wheel shocks are transmitted to the frame. You submit to the resulting pitch and bounce . . . the car is subjected to wracking of frame and body. But with Packard Torsion-Level Suspension, these same twisting forces are transmitted along the new torsion bar system, and absorbed *before* they can reach either frame or passengers. And an ingenious power-controlled levelizer automatically compensates for changes in passenger and luggage load.

All this is yours *plus* the tremendous power of the new "free-breathing" V-8 engine developing 275 horsepower in the Caribbean and 260 in all other models. Plus, too, the smooth response of the new Packard Twin Ultramatic—actually two transmissions in one. All this in a setting of magnificent luxury and beauty. See and drive this *one* new car in the fine car field. "Ask the Man Who Owns One."

Aly in Los Angeles, Hopes to See Rita

LOS ANGELES (UP) — Moslem Prince Aly Khan is in Los Angeles today and says he hopes to meet his former wife, Rita Hayworth, to discuss a vacation for their daughter, Yasmin.

The prince, who arrived yesterday by air from a South American tour, said he hopes to take 5-year-old Yasmin to Paris with him.

A divorce settlement approved in Reno, Nev., last November allows the Prince to have his daughter's custody at least six weeks a year. Miss Hayworth is now married to Dick Haymes.

Psychiatry a Big Joke to Broadway Comics

By EARL WILSON

NEW YORK—Texas has a big rival now in the joke derby . . . psychiatry.

"Everybody goes to psychiatrists now—judges, politicians, even psychiatrists go to psychiatrists," Playwright Leslie Stevens has his characters say in the new farce "Champagne Complex."

"A psychotic is somebody really out of this world," while a neurotic "is here, but is nervous about it," is another observation.

Miss Polly Bergen of Hollywood and TV—also of Circleville, O., Richmond, Ind., and Pittsburgh—undertakes her first "straight acting" role. She does a strip-tease and tries to make love to her psychiatrist (Donald Cook) who says, "I'm trying to keep this a treatment instead of a treat."

Polly, 24, daughter of a construction engineer named William Burgin, explained to me why she spells her name "Bergen." She said: "Simply because you press fellows always loused up 'Burgin' and made it 'Bergen.' I decided to make it easy for you."

Ava Gardner to Do Remake of Garbo Film

By LOUELLA O. PARSONS

HOLLYWOOD (INS)—Ava (Hit-the-Road) Gardner is in for another jaunt when she starts the remake of "The Painted Veil," just announced by Dore Schary as Ava's next.

Years ago MGM made Somerset Maugham's book with Greta Garbo. It is the tale of one woman's search for love, with London and Hong Kong backgrounds. Might be a story about Ava herself, as she's the gal who has searched for real love all her life and all over the world.

David Lewis will produce "The Painted Veil" and it will start so soon after La Gardner completes her present location tour with "Bhowani Junction" that she may not even return to Hollywood between pictures. What happens to "St. Louis Woman" which she was to make with Frankie Sinatra?"

Paul Douglas has been cautioned by Actors Equity against making any public remarks ("sowbelly and segregation," to you) which may be injurious to the welfare of any production with which he is connected.

If Paul is not a good boy, he will be suspended from membership in Actors Equity for a period of one year.

He was also warned against taking to court his suit against Paul Gregory, and Gregory was requested to drop any action he might have in mind against Douglas.

The question of whether Douglas was guilty of misconduct which resulted in the closing of "Caine Mutiny Court Martial" will be submitted to arbitration.

The attractive stepsister of Leslie Caron in "The Glass Slipper" whose name is Lisa Daniels, is marrying a Brazilian newspaper man, Fabio Ramos.

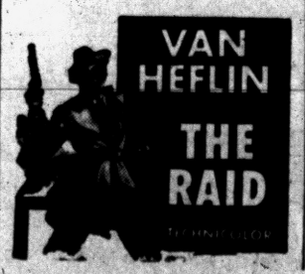

Lisa, who played Serafino and is really a beauty, will fly to Sao Paulo in two weeks to marry Ramos. She expects to return here in a couple of months to resume her acting career.

The young couple met in Hollywood ten months ago when Fabio came here to write about Hollywood for his newspaper.

I'm glad to say that the motion picture version of "Mister Roberts" has captured all the comedy of the stage play plus its dramatic moments.

After seeing William Powell's kept thinking that we see him too seldom. And James Cagney, another of the solid old-timers, is great as the sadistic, but childish captain. Jack Lemmon seems to get better with each picture. He's one of the best young comedians on the screen.

Senators Start Prisoner Probe

Investigators to Study Problem of Americans Held by Reds

WASHINGTON (UP)—The Senate Investigations subcommittee sets out today to find out what is being done and what can be done to free U.S. fliers and other Americans trapped behind the Iron Curtain.

"I think it's time some committee of Congress took a look-see at the situation," Chairman McClellan (D-Ark) said.

He said a closed-door conference of the subcommittee with State Department and Air Force representatives was to be exploratory in nature. He said he did not know what course the inquiry would take or whether public hearings would be held later.

The subcommittee's immediate concern is the release of 15 American airmen held by Red China. Eleven of these have been jailed on "spy" charges denounced by this country as false.

McClellan said the subcommittee staff has been gathering information, not only about the imprisoned airmen, but about other American military personnel and civilians held captive

One purpose of the inquiry, he said, is to find out how many Americans are being held in Red China and behind the Iron Curtain generally.

McClellan said he wanted to learn what is being done and what further steps should be taken to free Americans now in Communist hands.

Truman Giving Senate His Ideas on U. N. Charter

WASHINGTON (UP)—Sen. George (D-Ga) said today "it's very fitting" that former President Truman leads off testimony here today on proposed revision of the U.N. charter.

The former president, here for Saturday Night's Democratic testimonial dinner for speaker of the House Rayburn, was scheduled to testify before the Senate Foreign Relations Committee of which George is chairman.

Herbert Hoover, the only other living former president, is due to testify Thursday. Friday the committee will hear Mrs. Franklin D. Roosevelt, widow of the late president and a frequent representative of this country at U.N. sessions.

Duplicate Dresses Disrupt Protocol

By MARGARET LATROBE

It happens in Sidatook, in Oswego Falls and Roseville but did it have to happen at the White House? The shame of it, the red-faced embarrassment of it!—identical dresses right in the reception line at a tea party where Mrs. Eisenhower was honored guest of senatorial wives! Mrs. Durries Crane of Washington turned up in the exact dress worn by the First Lady.

Mamie, with her inherent fine manners, put a good face on the episode, and is quoted as saying—"Oh, you've got the same dress on! I just love it, don't you?"

But Mrs. Crane at this point was not loving much of anything, particularly the green figured, bouffant taffeta number. And from the look of it (far from slenderizing) you couldn't blame her. "I was so embarrassed I could die," she murmured later, taking her wrap and staying as far from the other dress as possible.

Which is just what any of us would have done—and I wonder why. We know perfectly well, in buying a dress and picking through the racks, that there are about 500 of them ranging from size 10 to 16. That's what the advertisement said. That's what the saleslady said, in peering at your waistline, doubtful that you will fit in this size range. Not only a good spread of sizes, the store has the dress in two or three colors.

So you buy it.

A curious reaction then takes place in the little woman's mind. Once the creation is hers (guaranteed to be slimming, youthful and to do something as yet unspecified "for her") she straightaway assumes that no other female in town could possibly own the identical dress.

When her bridge partner shows up in the same rig, great is the outrage amongst the no-trumps. Both ladies put on Bad Queen scowls, resembling each other even further. And one of them is apt to leave the party early in order to stamp her pretty foot in the emporium which dared to sell a copy of her original to that horrid woman who wears a dress several sizes smaller.

Girls—either we must accept this as one of life's lighter unpleasantnesses or get back to the sewing machine. It appears that there ain't no bona fide originals—even in a top designer's salon. Mollie Parnis, the New York dressmaker responsible for the recent White House faux pas, was awfully cut up about it. She vowed that such a thing would never happen again to a First Lady.

All I can add is: "Look out, Smithsonian Institution, established at Washington, D. C., in 1846 by Congressional act and governed by a board of regents. Those favorite dresses of former Presidents' wives, displayed in glass cases, may not be so 'original' as you make out!"

Kalamazoo Begins Vote Machine Drive

KALAMAZOO (UP) — The Kalamazoo County Republican and Democratic committees today planned a joint drive for installation of voting machines throughout the county in time for the August primary election next year.

A recommendation for the machines will be presented to the county board of supervisors at its next meeting. The petition will be presented by Thomas Clark, Republican county chairman, and Justin Brocato, his Democratic counterpart.

A joint statement released by the two parties said the machines would be more accurate, more economical and much faster.

Detroit Colonel Elected

DETROIT (UP) — Lt. Col. Joseph A. Gillis of Detroit, was elected president of the Department of Michigan Reserve Officers Assn. yesterday at the group's annual convention.

More Delinquency Laid to Improved Reporting

LANSING (UP)—Michigan authorities say one reason juvenile delinquency appears to be increasing at such a rapid rate is that efforts to report and record it also have increased.

Manfred Lillefors, consultant for the state social welfare department, says Michigan is above the national average in juvenile delinquency "partly because our courts have a better system of reporting youthful crime than most other states."

Kaline's Two Homers Tie Majors' Mark

DETROIT (AP)—Young Al Kaline combined 20 pounds of muscle, 33 ounces of wood and "the same old swing" to smash two home runs in one inning and tie a major league record.

The 20 - year - old outfielder slammed three home runs yesterday—two of them in the 6th inning — as the Detroit Tigers trounced the Kansas City A's, 16-0.

Tigers also won Saturday, 8-3, over the A's.

Kaline thus became the 13th major leaguer since 1880—or the 8th in modern times if you go back only to 1900—to hit two homers in one inning.

The muscle was new—20 pounds he picked up in the off-season to boost his weight from 155 to 175.

The wood was new—a 33-ounce bat which he had borrowed from a teammate.

"But it was the same old swing," Kaline explained in the Tigers' dressing room. "I hit a curve, fast ball and slider but was swinging the same as always—just trying to get on base."

Kaline warmed up with a two-run homer off starter John Gray in the 3rd inning. He really broke loose in the 6th inning, starting and ending a nine-run outburst with home runs.

Leading off in the 6th, Kaline thumped a 400-foot home run into the lower left centerfield stands. It came off rookie Bob Spicer.

Kaline wound up the Tigers' big rally by driving a two-run homer into the left field seats off Bob Trice.

He was the 1st player in Detroit history to hit two in one inning. The last major leaguer to do it was Sid Gordon, who walloped a pair in the 2nd inning of a doubleheader for the New York Giants on July 31, 1949.

Last American leaguer to do it was Joe DiMaggio of the New York Yankees. He slammed two in the 5th inning of a game on June 24, 1936.

Kaline also had a single to boost his early season average to .560—best in the American League for players in majority of teams games. He has 14 hits in 25 at bats, including a double, two triples and three home runs. He has batted in 12 runs.

Until yesterday, Kaline had hit only five home runs—one in 1953, when the Tigers signed him as a bonus player for $35,000 and four last season.

A newsman kidded the youngster after the game, asking him if he was going to try for Babe Ruth's record of 60 homers.

"I'll just keep swinging," Kaline said. "The same old swing."

The Tigers had a real picnic at the expense of five Kansas City pitchers. They piled up 15 hits, including four by Harvey Kuenn, who had a single and three doubles while driving in three runs.

Frank House belted a three-run homer and drove in a 4th run with a sacrifice fly. House also had a single.

Steve Gromek, 34-year-old righthander, beat the A's for the 2nd time this season with a route-going performance. He allowed seven hits and walked only one batter.

After Kaline put the Tigers into a 2-0 lead in the 1st inning, they added four more in the 4th. A single by Ray Boone, plus walks to Jim Delsing and Bill Tuttle filled the bases. One run crossed on House's fly to center.

After Gromek was walked filling the bases, Kuenn promptly knocked in two with a line double into the right field corner. Kaline batted in the 4th run of the inning with a bloop single which fell in front of rightfielder Elmer Valo.

A trio of singles by House, Gromek and Kuenn produced a run in the 5th. Then the roof crashed down in the 6th, with Kaline leading the way with his two round-trippers.

Hit-Happy Bosox Rated .330

By THE ASSOCIATED PRESS

Ted Williams was still some 2,000 miles away from Fenway Park today but could it be that the Boston Red Sox have been using the power-laden bats he left behind?

The end of the first week of the infant baseball season finds the Red Sox not only leading the American League with five victories in six games but they also are on top with an astonishing .330 team batting average and 11 home runs.

The Red Sox yesterday pounded eight Baltimore pitchers for 30 hits, sweeping both ends of a doubleheader 14-5 and 12-9 to leap past Cleveland and New York and grab a full-game lead on the field.

Faye Throneberry, 23-year-old ex-GI filling in for Williams in left field, has done the most toward easing the big guy's absence. The Memphis, Tenn., sophomore, clubbing at a torrid .400, is tied for the league lead with 12 runs batted in. His 10 hits include four doubles and three home runs. He rapped four hits yesterday including a double and home run, drove in four and scored six times.

Catcher Sammy White, another .400 hitter so far, drove home seven runs with five hits including a double and home run. Jackie Jensen, batting .455, knocked in four runs with six hits including a double, triple and homer. Ted Lepcio collected four hits to boost his average to .348—and Billy Goodman is hitting .364.

Boston shared Sunday's spotlight with the Brooklyn Dodgers who continued their unbeaten ways with a sweep of a doubleheader from Pittsburgh 10-3 and 3-2.

Philadelphia's Phillies stunned the Giants with a pair of 4-2 victories to drop New York into a sixth place tie with Cincinnati.

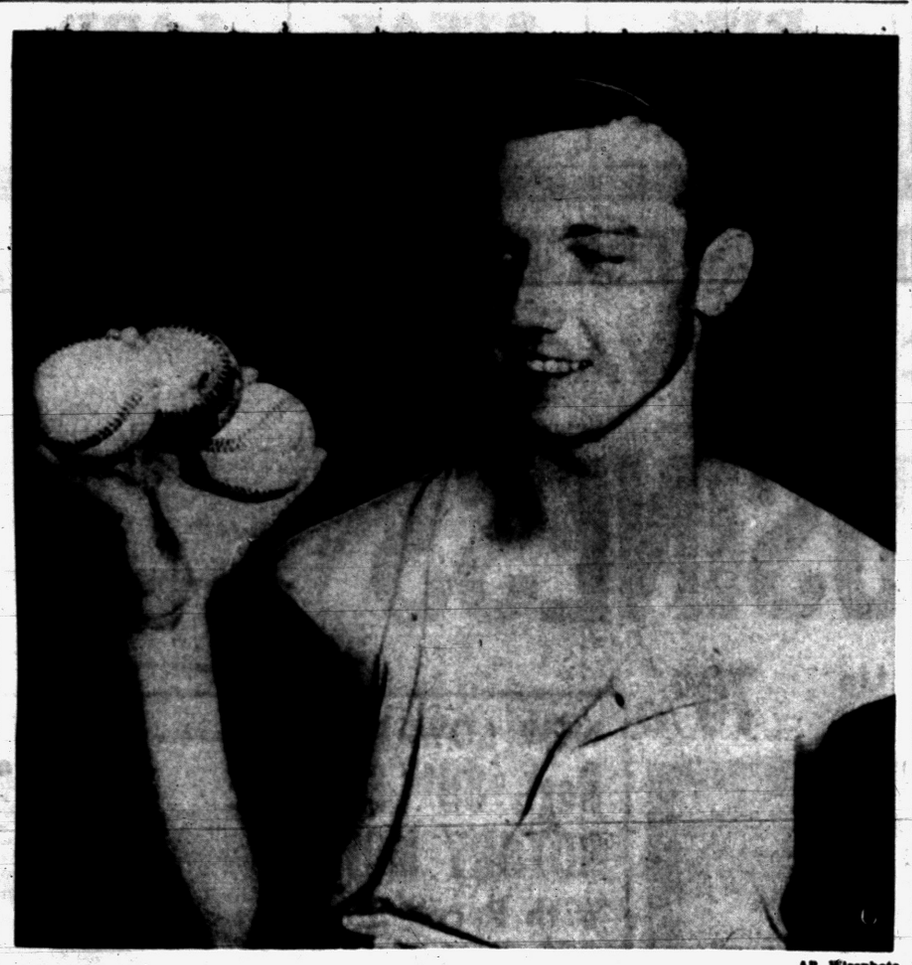

* * *

A 10-run first inning started St. Louis off to a 14-1 runaway over Chicago after the Cubs had nipped the Cards in the opener 6-5 with two runs in the ninth. Cincinnati also pulled out a ninth inning 6-5 victory to gain a split with Milwaukee after the Braves had run off with the opener 10-1. It was the Reds' first victory after five straight defeats.

Cleveland and Chicago split a doubleheader, the Indians winning 4-2 behind Bob Lemon's five-hitter after southpaw Jack Harshman had pitched the White Sox to a 3-1 triumph in the opener. Johnny Schmitz and Spec Shea combined to pitch Washington to a 7-3 victory over their former New York Yankee teammates as Mickey Vernon and Roy Sievers hammered homers against Eddie Lopat.

Young Al Kaline hammered three home runs, two of them in the sixth inning to tie a major league record, as Detroit romped to a 16-0 rout of Kansas City.

Eccentric Nashua Clashes With Summer Tan in Important Wood Memorial Race

NEW YORK (AP)—They call him a playboy, an eccentric Dizzy Dean of racing who loves to ham it up on the track. But few will deny that Nashua has the equipment to become one of the great horses in American racing history.

The big bay from Belair Stud, trained by the famous Sunny Jim Fitzsimmons and ridden by Eddie Arcaro, rules the hot favorite for the 81st Kentucky Derby May 7. If he pays attention to the business at hand, and doesn't start gawking around at the crowd and scenery, both Mr. Fitz and Eddie agree Nashua can do the job.

* * *

Nashua, like Native Dancer and other horses of note, often will pull himself up after taking the lead, apparently assuming the race is over. In Florida last winter Nashua won the Flamingo at Hialeah and the Florida Derby at Gulfstream, but only after giving Arcaro and the Belair backers some anxious moments.

Last October Nashua barely beat Summer Tan in the Hopeful Stakes and then the Belmont Futurity. It was enough to give Nashua the 2-year-old championship, and some more grey hairs for Mr. Fitz.

"If he'd been willing to give his best," said Arcaro, "I'm sure he would have won the Futurity all by himself, but he just wouldn't do any more than he had to."

* * *

Nashua gets his first major eastern test as a 3-year-old next Saturday in the $100,000 Wood Memorial at Jamaica, and Summer Tan will be there to try him out for size. This shapes up as one of the most important duels in years, just two weeks before the derby, and New York fans already are licking their chops in anticipation. Nashua and Summer Tan are the 1-2 Derby choices of the moment.

* * *

Belair and Mr. Fitz have won three derbies—Gallant Fox in 1930, Omaha in 1935 and Johnstown in 1939. Nashua is a son of Nasrullah-Segula, by Johnstown.

Sammy Snead Opens Series of Golfing Lessons Today

First of a summer-long series of golfing lessons by the great slammer himself, Samuel Jackson Snead, begins today in these pages.

Snead yesterday won the Greensboro Open Tournament at Greensboro, N. C. with a 278 for the 72-hole event. He edged Art Wall by a single stroke with a birdie on the final hole.

Sam will give the area's golfers the benefit of his long and complete tournament experience in this fine series.

* * *

SAM SNEAD'S GOLF SCHOOL

As we start this new season, Fairway Friends, let's review the grip. An old story with practiced golfers, but very interesting to new ones. And 70-90 shooters can't be harmed. For all clubs, in normal shots the grip is the same—except

the putter. With all other clubs the left hand grasps the club about an inch from the top. Let the shaft lie diagonally across the palm from the second joint of the forefinger to the heel of the palm. The thumb then will oppose, or exert its pressure, against the second joint of the first finger.

Now, take a look at the drawing. Notice the little finger of the right hand lays over the first finger of the left hand. This is very important for it binds the two hands together and makes them work as one. This is the overlapping grip. Some golfers prefer the interlocking grip in which the little finger interlocks between the first two fingers. The picture shows the rest. As these lessons unfold we'll talk more about the grip.

Orioles Scoring Plenty of Runs, Hurlers Punk

Baltimore 9 Averaging Five Tallies Per Game, Still Winless

BALTIMORE (AP) — Scoring runs at a pace that would have made last year's low-flying birds a first division threat hasn't done much to improve the standing of the 1955 Baltimore Orioles.

The Orioles have chased home 25 runs in their first five games, including 14 in Sunday's double loss to the Boston Red Sox, but find themselves anchored at the bottom of the American League with a winless slate.

An average of five runs a game last year would have caused dancing in the streets here. The Birds had to struggle in 1954 to score 483 runs, the lowest in the majors, for an average of 3.1 a game.

* * *

The attack was so bad, the Orioles didn't score more than four runs in any one try until their 19th game and they went 42 games before reaching the "astronomical" total of nine (which they scored Sunday).

Only brilliant pitching kept Baltimore from losing more than the 100 games it dropped last season. In 74 of the team's 154 games, the opposition was held to three runs or less.

To bolster the offense, Manager Paul Richards had to give up a pair of promising pitchers, Bob Turley and Don Larsen, to the New York Yankees in an 18-player swap.

The men Richards got in return have been hitting well, with catcher Hal Smith (.429) and first baseman Gus Triandos (.385) pacing the club. Outfielder Gene Woodling is hitting only .158 but has driven in six runs.

* * *

But the new found scoring ability has been accompanied by sour pitching. Boston and Washington have pounded Orio ullerrhs es have pounded Oriole hurlers for 51 runs in the five games to date, with no pitcher going more than 5 1-3 innings.

Young, Gibson Win Pin Title

Detroit Pair Claims $1,500 for National Doubles Crown

LOUISVILLE, Ky. (AP) — George Young and Therm Gibson, veteran Detroit team, won the national doubles bowling championship and 1st prize of $1,500 last night.

They finished 24 games with a total of 9,783 to regain the crown they held eight years ago.

Buzz Fazio and Tony Lindeman, defending champions from Detroit, finished 2nd with 9,622 points. They collected $1,000 for two days of rolling.

Another Detroit pair, Bill Lillard and Fred Bujack, landed in 3rd place with 9,613 points. Their playoff was $750.

Other finishers in the top 10, their scores and prize money; Wally Plambeck and Joe Dimichele, Chicago, 9,572, $500; Ray Bluth and Billy Welu, St. Louis, 9,565, $400; Ed Kawolics and Harry Lippe, Chicago, 9,473, $350; Lou Sielaff and Bill Bunetta, Detroit, 9,467, $300; Joe Wilman and Carmen Salvino, Chicago, 9,443, $265; Ed Lubanski and Pete Carter, Detroit, 9,409, $230; and Steve Nagy and Harry Smith, Cleveland, 9,406, $210.

SUNDAY'S HOME RUNS

Lopata, Phillies; Hofman, Giants; Snider, Campanella, Dodgers; Logan, Bruton, Aaron, Braves; Bailey, Post, Klussewski, Redlegs; Moon, Cards; Vernon, Sievers, Senators; Evers, Cox, Orioles; Lepcio, Jensen, Throneberry, White, Red Sox; Nieman, White Sox; Wertz, Indians; Kaline 3, House, Tigers.

Trabert Easy Tennis Winner

Vic Seixas Is Beaten in Straight Sets in Dallas Tourney

HOUSTON (AP) — Tony Trabert, looking more each day like the heir apparent to Vic Seixas' national tennis championship, says he won't turn pro at least before the next Davis Cup challenge round.

Trabert was top-seeded for the 21st annual River Oaks Country Club tournament which started today. He won his fifth straight tournament over Seixas at Dallas Sunday.

The husky young star from Cincinnati with the slashing game took out the nationally ranked No. 1 man from Philadelphia in straight sets in the finals of the Dallas Country Club Invitational Tournament. 5

Veteran of ABC Action Features Today's Rolling

Harry Steers in 50th Tourney, Seeking 4th Championship

FORT WAYNE, Ind. (AP) — A man who has missed only two of the 51 previous American Bowling Congress Tournament will highlight action tonight in the 52nd ABC at Memorial Coliseum.

Harry Steers of Elmhurst, Ill., will help open ABC convention week by competing in his 50th tournament. Steers has won three ABC championships, the all-events once, and the doubles title twice.

High-scoring teams will continue to make bids all week. The Detroit E and B Beer quintent and the Pepsi-Cola team from Detroit, the 1950 champs, both are scheduled for action tonight.

The annual ABC convention will be held this week with selection of the 1957 tournament city the top order of business.

Fort Worth, Tex., and Miami, Fla., have both been mentioned for the 1957 site. The 1956 tourney will be in Rochester, N.Y.

Only two changes took place during action Sunday. Ken Kreger of Tonawanda, N.Y., moved into 10th spot in the all-events with a 1,904 total. Ed Markulis of Cuyahoga Falls, Ohio, leads the division with 1,960.

Veterans Take Hand in Coaching Elks 9

Pontiac Lodge No. 810 Elks Class A softball squad, which practices Tuesdays and Thursdays, has the benefit of some veteran coaching in its pre-season drills. The staff, headed by Ed Baker, includes Buhl Burt, Jack Bender, and Don Long. Baker is the manager. Workout starts at 5 p.m.

Betty Jameson Wins Babe Zaharias Open

BEAUMONT, Tex. (AP) — Betty Jameson, the San Antonio miss who's been winning golf championships 20 years, led the gals of the links toward Carrollton, Ga., today and the next stop on the winter tour.

* * *

She had a check for $1,000 in her purse, the reward for winning the $5,000 Babe Zaharias Open with a record score.

* * *

Miss Jameson, the graying Texas veteran, played an easy round of one-over-par 74 Sunday to win the Zaharias Open by eight strokes.

'Like Winning Pennant'

5,000 Greet Kaycee Nine Despite Losses on Road

KANSAS CITY (AP) — The Kansas City Athletics who haven't won a game since the season opener wound up their first road trip Sunday with a 16-0 loss to Detroit.

But when the players stepped off the plane at Kansas City's municipal airport Sunday night, an estimated 5,000 persons gave them a wild ovation.

The crowd was so enthusiastic the players had to struggle through it to reach buses taking them to their hotel.

* * *

"What the heck would they have done if we had won?" asked Bobby Shantz, the A's diminutive pitcher.

There were tears in Coach Oscar Melillo's eyes. Brushing a hand across his face, he said:

"Gee, it's like winning the pennant. These people are the greatest."

Gus Zernial, the outfielder who had one of his poorest seasons last year at Philadelphia before Arnold Johnson obtained the American League franchise and moved the club here, asked, "why couldn't we have won just one for these people?"

* * *

"Why if this had been Philadelphia," he added, "I would have been afraid to get off the plane. We've just got to start winning."

The Athletics' opponent tonight and tomorrow is Cleveland, the American League champion. Parke Carroll, the Athletics' business manager, said he expected a capacity crowd of 32,000 for tonight's game.

Manager Lou Boudreau looked at the crowd in astonishment.

Land O'Lakes Racing Group Meets Tonight

The Land O'Lakes Racing Association has scheduled an important meeting at 8 p.m. tonight at Butch's Collision Service, 2528 Elizabeth Lake Road.

Gene (Red) Chidester of Drayton Plains, LLRA president, reports that plans will be announced for hardtop and old model stock car racing facilities in the Pontiac area.

Members of the Lake O'Lakes Association and Michigan Modified Stock Car Racing Association are welcome to attend and owners or promoters of tracks in the area are also invited.

Drivers and owners are expected from Saginaw, Flint, Mt. Clemens and Detroit, as well as the Oakland County area. Refreshments will be served.

In addition to Chidester, the officers of the LLRA include George Chapel of Pontiac, vice-president; John McComb of Lake Orion, secretary; and Dick Dewey of Pontiac, treasurer.

Night Harness Track Proposed for Niles

DETROIT (AP)—Plans for construction of a night harness track at Niles have been proposed to James H. Inglis, state racing commissioner.

Tom Woodworth, Kalamazoo trucking company executive and harness horseman, told Inglis Saturday he had options on 329 acres of land in Niles and would like to build a track there next season.

He was given forms to make formal application.

Judge Assails Wild Life Men Who Broke Law

DETROIT (AP) — An Ohio conservation official and a companion were fined $500 each and placed on two years probation last week end for using bait to lure wild ducks within shooting distance.

Federal Judge Ralph M. Freeman first imposed six months prison sentences but suspended them for Maurice Kocher of Toledo, a member of the Ohio Wild Life Council, and Fred LaPointe of Dearborn.

The judge, a hunter himself, assailed Kocher, who was appointed in February, 1952, to an eight-year term on the Wild Life Council which is comparable to the Michigan Conservation Commission.

"Your actions show your unfitness to be a member of the council," he said.

Kelley Carries US Hopes in Marathon

BOSTON (AP)—Hopes to end a foreign monopoly of the Boston A.A. Marathon rested today upon John J. Kelley, ex-Boston University student now in the Army, Nick Costes of Farrell, Pa., and Ted Corbitt of the New York Pioneer Club.

The last American winner of the gruelling grind was John A. Kelley in 1945.

Tuesday will be the 59th running over the 26 mile, 385-yard course from Hopkinton to Boston.

Sports Show Proceeds to Aid Injured Skier

LOS ANGELES (AP) — Proceeds of Sunday night's 10th annual Sportsmen's Show are going to plucky Jill Kinmont, the Bishop, Calif., skiier whose 1956 Olympic hopes were blasted when she fell and broke her back at Alta, Utah, Jan. 31.

Miss Kinmont was hospitalized at Salt Lake City after the accident, then was brought to Santa Monica, Calif., for further treatment of paralysis.

Budge Defeats Riggs in Pro Tennis Meet

FORT LAUDERDALE, Fla. (AP) —Don Budge, the aging redhaired ace, has displaced Bobby Riggs as tennis champion.

Budge called on his powerhouse serve and aggressive game to defeat Rigg 6-4, 6-4, 8-6, in the finals Sunday. Budge has been top-seeded over Riggs, the defending champion.

They teamed to defeat Mitch Gornto of Palm Beach and Jimmy Voight of Minneapolis for the doubles championship 6-2, 6-3, 6-3. The finalists split a purse of $1,500.

'M' Gridders Open Spring Drills Today

ANN ARBOR (AP)—With some of the best-known names working out in other sports, University of Michigan football teams opens spring practice today.

Missing, among others because of spring sports, will be Ron Kramer, Tony Branoff and Tom Hendricks.

Coach Bennie Oosterbaan expects 25 of last season's regulars back. From another 75 players, mostly sophomores, he will have to plug some gaping backfield holes, left by departing lettermen.

Spring practice ends May 14.

The 1956 American Bowling Congress tournament will be held in Rochester, N. Y.

Kennedy Wins 8-Rounder

TRAVERSE CITY (UP)—Alan Kennedy, up-and-coming Bay City welterweight, was prepared for more feature bouts today after winning his 1st eight-round bout as a professional by a split decision.

Kennedy pounded out a decision over Jerry Fowler of Chicago before 1,800 fans Saturday night.

EVEN STEVEN!—Norris Jackson and Charley Robinson, ace quarter-milers with the PHS track team show a dead-heat finish similar to a near tie they ran last week in the Flint Central meet here. They're two of the many good reasons why PHS is being boomed for a Saginaw Valley track title this spring.

Zulueta Given Non-Title Shot at Carter Wednesday

This is the week Orlando Zulueta hopes his luck turns. The 26-year-old Cuban takes on lightweight champion Jimmy Carter in a non-title 10 at Washington Wednesday night and if he upsets the 135-pound boss he might get a shot at the title.

* * *

There were a few years when the fast-jabbing Zully was either the No. 1 contender or high up in the division and he never got close to a chance at the champ. Now, after three straight losses and one draw, he's meeting the lightweight king in the ring. Two of the defeats—to Kid Howard and Kenny Lane—were highly controversial but they read the same as the other losses in the record books.

So just getting the payday against Carter for the coast-to-coast television bout in the Uline Arena (CBS-TV, 10 p.m., EST) was an indication that Orlando's luck was turning.

* * *

Monday's network TV fights feature middleweights and welterweights, boxing's two busiest divisions.

Salt Lake City's Milo Savage, another crowd-pleasing 160-pounder, meets Bobby Boyd of Chicago in a 10 at New York's St. Nicholas Arena (10 p.m., EST, Dumont-TV). In the rival show at Brooklyn's Eastern Parkway Arena (10 p.m., EST, ABC-TV), welters Johnny Busso of New York and Gene Poirer of Niagara Falls, N.Y., collide in the top 10.

Show Attracts 10,000

An estimated 10,000 people attended the three-day Pontiac Sportsmen's Show from Thursday night through Saturday at the Pontiac Retail Store. Retail Store manager Henry Gotham termed the venture very successful and plans to expand the show next year.

Last-Hole Birdie Wins for Sammy Snead

GREENSBORO, N. C. (AP) — Sam Snead, an infrequent tournament player in view of his approaching 43rd birthday, is still the old master as far as the Greater Greensboro Open Golf Tournament is concerned. The slamming man from White Sulphur Springs, W.Va., who won the inaugural tournament here in 1938, came through with a last-hole birdie Sunday to take his fifth Greensboro tournament.

* * *

Sam needed a lucky bounce to the fringe of the green after apparently missing his second shot, but he got it and chipped up to about 18 inches for the birdie four he needed to edge Art Wall Jr., of Pocono Manor, Pa., and Julius Boros, of Southern Pines, N.C., by one stroke with a 273 total.

* * *

Wall, leader through each of the first three rounds, just missed his birdie try from five feet and had to settle for $1,335 in his second place deadlock with Boros. Snead earned $2,200 in the $12,500 event.

Each of the three had scored a 69 in the first of Sunday's two rounds, leaving Wall still one shot ahead of Boros and Snead starting the afternoon round with most of the gallery of about 10,000 following the Wall - Snead - Ted Kroll threesome.

In the afternoon Snead was off and running with a 33 against Wall's 35 and 37 for the tiring Boros, who was married a week ago today. But Boros found new life to come back in 33 and force the leaders to go for the birdie on the last hole to win.

Sharing fourth place at 277 were Bob Rosburg, San Francisco; Ted Kroll, Bethesda, Md., and Billy Maxwell, Odessa, Tex. Each won $853.33.

Sharing seventh place at 278 for $595 each were Jerry Barber, Los Angeles, and Marty Furgol, Lemont, Ill.

Mike Souchak, Durham, N.C., ran his year's top money total to $14,448 with a fine 70-69 finish for 282 and $415 in a tie with Ed Furgol, St. Louis; Ed Oliver, Lemont, Ill., and Mike Fetchick, Mahopac, N.Y.

Snead was always under par 70 in four trips around the 6,000-yard Sedgefield Country Club course with rounds of 68-67-69-69.

Irish Setter Field Trial Draws Its Biggest Gallery

Largest crowd in the history of the Irish Setter Club of Michigan attended the 4th annual AKC licensed field trial Sunday at Highland Recreation area.

"Askew's Carolina Lady" owned and handled by Ned LeGrande of Philadelphia placed 1st in the open all-age stake. LeGrande's "Willow Wins Kathy" was second; "Robinette O'Dea" and "Robin O'Dea," 3rd and 4th and were handled by owner Fred Tetreau of Farmington.

In the open gun dog series "Ike Jack Kendrick," was the winner and "Askew's Carolina Lady," also a LeGrande dog was second. "Red Rover of Kinsginton" owned by Joseph Frydryck of Warren was 3rd and "Robinette O'Dea" took 4th place.

Derby dog winner was "Willow Wins Kathy." "The Dude" owned by Herm David of Cleveland was next; "Ivor Glen's Red Hellion," owned and handled by Ed McIvor of Dearborn was third and "Argo Lane's Fancy Feathers" owned by Ed VanTassel of Detroit, fourth.

Moffat's Red Flame, owned and handled by Tom Moffat of Watkins Lake was first in the puppy series; LeGrande's "O'Leary," second; "Hogan of Riverrouge," owned by John Mehoke of Farmington and handled by Ed McIvor was third and "Maple Ridge Nina," owned and handled by James Lynch of Clawson was fourth.

Cash C. Patterson of Hazel Park and Norm Ellis of Birmingham were judges.

Field trial chairman was Mr. Tetreau; field marshall, Ted Stronski, and field secretary Robert Baringer of Detroit.

Ed McIvor, president of the club; Frank Wheatley, Chuck Benton, Bill Law and Charles Ford served as committeemen for the all-Irish trial.

Final Eliminations Held at Rolladium

Final races of the fifth period roller skating racing at Pontiac's Rolladium rink were held during the weekend, and the next events on this season's race program will be the last of the year.

On Saturday night the final race will be followed by award of trophies and medals to winners. Champions also will be determined at this time by the highest-points system. Points compiled during the entire racing period will decide.

This weekend's winners were:

Juvenile "A" boys—Richard Hamlin

Juvenile "B"—Dale Anderson and Paulette Macabee.

Juvenile "C"—Micky Dion and Kathleen LaLone.

Close Title Race

Social Katz team, employes of the Social Welfare Board, clinched the Oakland County Employes bowling league title in its last time out, with only one more night to roll. It took one point from Stardusters while runnersup lost one. Katz took the lead last November and were never headed, according to Agnes W. Cobb, secretary.

New Secretary

Independent Ladies bowling league has completed its 1954-55 season and has just selected a new secretary for the coming year, Mary Hillman, president, reports. She is Mabel Lane.

Ring Injuries Are Fatal to Boxer From Philadelphia

TRENTON, N.J. (AP) — The State Athletic Commission will make a formal report Thursday on the boxing bout in which middleweight Bryan Thompson received fatal injuries.

Thompson, 23-year-old Philadelphian, died Sunday in St. Francis Hospital, where he had been unconscious most of the time since he collapsed in the ring two and a half weeks ago.

* * *

He had been struck three times on the chin in succession by Jerry Leudee of New Haven, Conn., in his first professional fight here March 29.

The fatality was the first in boxing in 1955.

Thompson had been National AAU 165-pound champion in 1953 and won the All-Air Force middleweight title last year.

State Athletic Director Joseph Walker in an interim report 10 days ago termed the fight "100 per cent" in order and said Thompson's injury was "an unfortunate accident."

* * *

Thompson "definitely was not overmatched or mismatched," Walker added.

Under a special insurance policy taken out in 1952 by the state athletic commission, Thompson's family will be the first to receive a $5,000 death benefit payment.

The young Negro boxer had won 104 of his 115 amateur fights before he turned pro.

Broderick Boys Make Big Noise in Pin Test

BAY CITY (AP) — The Broderick Boys of Monroe slammed into 1st place in the team handicap division of the state men's bowling tournament over the weekend.

The Monroe team had 3146, including a handicap of 625, and displaced Service Oil, of Cassopolis, which had 3144, including a 408 handicap.

Two other Monroe bowlers broke into the 1st 10 in other divisions. Merlyn Clark took over 3rd place in the actual singles with 683 and Miles Kehres took over the all-events handicap lead with 2044.

Durocher Says His Giants Are Not Complacent

NEW YORK (AP)—What's wrong with the New York Giants?

Have the defending world champions become complacent?

Are they overconfident?

Are they too fat and rich and self-satisfied?

The answer to these questions is an emphatic "no" according to Manager Leo Durocher, whose outfit now has lost all three of its games.

"There's nothing wrong with the club that a couple of quick victories couldn't cure," Durocher said. "The fellows are hustling, eager and determined. Sure we haven't won a game but it certainly isn't because of the lack of trying.

MSC 9 Wins Opener Over Detroit Titans

EAST LANSING (AP) — Michigan State College collected 10 runs in the 1st inning and then went on to defeat the University of Detroit, 16-6, in he Spartan baseball opener Saturday.

MSC, defending Big Ten baseball champion, opens its conference season here next Friday against Wisconsin.

County Gridders on UM Spring Squad

Four Oakland County athletes are listed on the spring football practice roster of the University of Michigan.

Heading the list is Edgar Meads of Oxford, regular guard last year and captain of the 1955 Wolverine varsity. Jim Bates, veteran center from Farmington, also is included.

Others are junior Mike Basford, a fullback who lives in Birmingham, but played high school ball at UD High in Detroit, and Tom Bullen, a sophomore from Clarkston. Bullen, former four-sport star at Clarkston High, is playing end.

Max Evans Wins $190 in Greensboro Tourney

GREENSBORO, N. H. (AP)—Max Evans of Utica, Mich., won $190 of the $12,500 prize money in the greater Greensboro Open golf tournament over the weekend. Evans had a 285 and tied Doug Ford, of Miamesha Lake, N. Y., for 16th place. Sam Snead, White Sulphur Springs, W. Va., won with a 273 and pocketed top prize of $2,200.

Major Homers Are On Rise

Sunday Four-Baggers Only 2 Shy of Record for Single Day

NEW YORK (AP)—What's all this talk about a new outbreak of home runs?

The American League and National League combined to swat a total of 28 homers Saturday, two short of the record for a full slate of eight games.

A look at the records, please.

* * *

In the first week of last season, the American League hit exactly 43 home runs. In the first week of this season, the American League hit exactly 43 home runs.

The National League at this time a year ago had 55 homers. There's an increase of eight — (63) — after a week of the current campaign.

Township Softball Loop Signs 5 Teams

Five teams have registered, to date, for competition in the Waterford Township Recreation Softball League. The deadline for entries has been set as May 1 and any other interested teams should contact the Waterford Recreation department before that time.

League play will begin May 16 with teams playing an average of 3 games each 2 weeks. A Little League and Junior League meeting is slated April 25 at 7:30 p.m. at the Community Activities Building with all players and potential managers interested urged to attend.

These leagues will begin play June 20. All Township league game are played at the township's softball park just off Dixie Highway in Drayton Plains.

Giants Getting Tired of Phils and 4-2 Scores

NEW YORK (AP) — You can't blame the world champion New York Giants if they are already a little tired of the Philadelphia Phillies and 4-2 scores.

The Giants and Phils have met four times. Three times the Phils have won and each time the score was 4-2, including both games of yesterday's doubleheader. The Giants won the other 8-3.

Two of the 4-2 victories were turned in by Robin Roberts and Johnny Antonelli was the loser in each.

Purdue Takes Golf Test

LAFAYETTE, Ind. (AP)—The Purdue golf team defeated Wisconsin, 23½-12½, Michigan State, 29-7 and Detroit, 30-6, in a quadrangular golf meet Saturday.

Wisconsin was runnerup, defeated Michigan State 20½-15½.

Dulles' Warning Nudges Grains

CHICAGO (AP) — Secretary of State Dulles' statement that Red China is building up its military potential for a possible attack on Formosa caused buying and short covering in grain and soybean futures on the Board of Trade today.

Wheat and soybeans showed the most strength, claiming more than two cents a bushel at times.

Corn and oats were somewhat neglected in the buying movement. Corn receipts were fairly substantial at 241 cars, and traders said shipping demand out of Chicago is limited.

Near the end of the first hour wheat was 1⅛ to 1¾ higher, May $2.09½; corn was unchanged to ¾ higher, May $1.46; oats were up ⅛ to ⅜, May 72¼; rye was unchanged to 1¼ higher, May 98¾; soybeans were ahead 1 to 2 cents, May $2.52; and lard was unchanged to 10 cents a hundred pounds lower, May $13.17.

Car Inventories at Postwar Peak

Dealers Have 624,277 Units on Hand April 1, Trade Paper Says

DETROIT (AP)—Dealer inventories of new automobiles hit a postwar record high mark of 624,277 units on April 1, Automotive News reported today.

The trade paper said, however, that in the current new car sales situation the record inventory total falls short of a month's supply.

"Thus," the paper added, "This April 1 stockpile fails to take on the burdensome aspect of the last cars-on-hand record — the 602,275 units counted May 1, 1954, when sales were slower.

"The latest census represented a rise from the revised total of 562,655 cars noted as of March 1. A year ago in April there were 605,911 units in stock nationally."

The inventory includes cars on display in dealership showrooms, warehoused by dealers and factories, used as demonstrators, and still in transit.

The present inventory situation, Automotive News said, is the "culmination of a steady climb since a postwar low of 156,607 was established last November, and is markedly free of dealer criticism."

The trade paper also noted that new car registrations for January and February of this year numbered 916,278. The figures for two months showed Ford leading Chevrolet 197,572 to 176,064 in the race for first place. For third place Buick topped Plymouth 102,216 to 93,882.

Air Policeman Saves Woman From River

MOUNT CLEMENS (UP)—Two Selfridge Air Force Base policemen today were credited with saving the life of a 19-year-old mother who apaprently tried to commit suiside.

Air 2.C. Terrance K. Jensen and S.Sgt. William J. Melton rushed to the woman's aid when they heard her screams while on courtesy patrol duty at the Mount Clemens police station.

Jensen stripped off his clothing and jumped in the chilly Clinton River after the woman, and Melton pulled them both ashore with a life preserver.

The woman told police she had argued with her husband and was despondent because he had taken their daughter and left her.

Col. William A. Tape, Selfridge commander, said he would seek a soldier's medal for Jensen for his part in the rescue.

Youth Accused of Taking Liberties With 3 Girls

Pontiac Police ordered a 16-year-old boy held in the Oakland County Children's Home yesterday after the youth was accused of taking indecent liberties with a 6-year-old and two 4-year-old girls.

Capt. Clark M. Wheaton, chief of detectives, said the youth lured the three girls into his home while his parents were away. The parents and neighbors in the area began a search for the girls after they were missed an hour later. The 6-year-old girl told her parents, according to Wheaton, she fled from the house while the youth was molesting her sister.

Man Struck by Car

George McIver, 44, of 290 N. Paddock St., suffered leg bruises yesterday after he was struck by a hit-run auto on Baldwin avenue near Kennett Rd., according to Pontiac Police. He was treated at Pontiac General Hospital.

To Invite Big Four for Austrian Talks

VIENNA (INS)—The Big Four powers will be invited as soon as possible to start negotiations aimed at final settlement of an Austrian state treaty.

Chancellor Julius Raab made the announcement yesterday and said the Austrian question was "relatively easy to solve."

He said the recently-concluded Moscow agreement on terms of an Austria state treaty should make a German peace treaty easier to settle.

Raab, speaking at an election rally near Vienna, said the Moscow talks convinced him that an East-West "compromise" can be achieved with Austria in the role of "mediator."

Texas Police Holding Barbara Case Suspect

EL PASO, Tex., (AP)—El Paso police continued to hold today without formal charge James Dairy, 40, of Detroit, for questioning by Detroit authorities in the Barbara Gaca rape-slaying.

Dairy was arrested Friday shortly before he was to leave for Mexico. He has not been questioned by El Paso police but has denied to newsmen any connection with the disappearance and death of the 7-year-old Detroit girl.

Dairy, twice convicted on morals charges involving minor girls in Detroit, now is on parole from the Ionia Hospital for the Criminally Insane.

U. S. Foreign Aid Hit $4.6 Billion Last Year

WASHINGTON (AP) — U. S. foreign aid came to $4,669,000,000 last year, most of it for building up the military power of this country's allies.

The commerce department said yesterday this net total of gifts and loans — after subtracting loan repayments—was about one-fourth lower than in 1953.

Defense Stocks Higher Today

NEW YORK (AP)—Aircrafts and some other defense stocks were in demand today in a higher market.

Buyers bid up such issues as reports indicated the Chinese Reds were building up their air power opposite Formosa.

General Dynamics opened on 7,000 shares up 3⅛ at 71, Douglas Aircraft 1,400 shares up 2¾ at 80, Bath Iron Works 1,500 up 3 at 58½, Being 1,800 up 1¼ at 73¼, and Westinghouse Electric 1,500 up 1 at 79¾.

Aveo Mfg., which is getting into defense work more heavily, opened on 10,000 shares up ⅛ at 8. It was Friday's most active issue unchanged. Chrysler, up 1¾ Friday, started today on 4,500 shares up 1⅜ at 81⅜.

Higher with the aircrafts were the steels, motors, radio-televisions, coppers, chemicals, building materials, motion pictures, and railroads.

Higher stocks included New York Central, Paramount Pictures, U.S. Gypsum, Western Union, Phelps Dodge, Air Reduction, American Tobacco, Baldwin-Lima-Hamilton, U.S. Steel, General Motors, United Aircraft, and RCA.

Friday's stock market was higher with the Associated Press average of 60 stocks up $1.00 at $164.80. That put the average at its highest level.

Air Force to Probe Detroit Man's Case

DETROIT (AP) — The discharge of a Detroit airman as a security risk has been held up by the Air Force on the appeal of Rep. Diggs (D-Mich).

Sgt. Willie Davis, 30, who holds a Bronze Star for heroism in World War II, had been scheduled for an undesirable discharge last Tuesday.

His ouster was appealed to Air Force Secretary Talbott by Diggs who termed the discharge "an injustice."

Diggs said yesterday that Talbott had agreed to hold up action on the case pending further investigation.

The congressman said Davis' discharge order stemmed from charges "of Communist affiliations" brought against him in "a letter from his wife's employer."

Firemen Seek Youngster Who Set $14,800 Blaze

GRAND RAPIDS (AP)—Firemen sought a youngster today believed responsible for setting a fire which caused $14,800 damage yesterday to a house two garages and three trailer trucks.

Fire Marshal Adrian P. Rigney said a boy, about 8 or 10 years old, is believed to have started the blaze in a motor freight garage. Nearby residents reported having seen a small boy playing with matches in the area before the fire broke out.

No one was injured in the blaze.

Autopsy Fails to Reveal Why GI Suddenly Died

FT. CARON, Colo. (AP) — Preliminary results of an autopsy have failed to determine the cause of death of PFC. George M. Fountain, 32, of Detroit.

Fountain died suddenly yesterday while reading in his bunk.

Post officials said there was no evidence of poison or foul play. Clinical tests are being conducted.

Fountain was the son of Mr. and Mrs. Charles A. Fountain of Detroit.

CHATHAM, Ont. (AP) — Henry Hamlin, 37, of Detroit drowned yesterday in an irrigation ditch near Chatham, Ont. He slipped from a bridge while fishing.

Ford Breaks Up Major Division

Lincoln - Mercury Split; 2 New Vice Presidents Named in Expansion

DETROIT (UP) — Ernest R. Breech, Ford Motor Co. board chairman, today announced the election of two new vice presidents of the firm in a "major organizational and management expansion."

* * *

The expansion includes the establishment of separate Lincoln and Mercury divisions and the formation of a new special products division.

* * *

Benson Ford, who has been vice president and general manager of the Lincoln-Mercury divisions, assumes increased responsibilities in the new position of vice president and group director of Mercury and special products divisions.

William Clay Ford, who continues as vice president and general manager of the Continental division, will assume the added responsibilities of vice president and group director of Lincoln and Continental divisions.

F. C. Reith has been elected vice president and general manager of the Mercury Division to help Benson Ford.

Ben D. Mills has been elected vice president and geenral manager of Lincoln division. He also will continue as assistant general manager of the Continental Division.

* * *

R. E. Krafve, who was assistant general manager of the Lincoln-Mercury division, will be general manager of the special products division.

A Lincoln division field sales force will be established in the future. Meanwhile the Mercury division field sales organizations will represent both divisions.

The appointments were effective immediately.

Deported Hoodlums to March on Rome

NAPLES (INS) — Five hundred American "undesirables" who were deported to Italy made plans today for a "hunger march" on Rome to "underline the tragic situation."

Frank Frigenti, a hoodlum of the Al Capone era, said the deportees had become "men without hope and can be dangerous."

He added simply, "You get what I mean."

Frigenti said the march on Rome was for the purpose of seeing U.S. Ambassador Clare Blith Luce and Italian Premier Mario Scelba.

The hoodlum explained:

"We intend to underline the tragic situation of 500 and more deportees send to Italy as 'undesirables' after serving long prison sentences in America and now wthout work, money and often food."

Insurance Firm Marks Start of Its 25th Year

Employes of Allstate Insurance Company, Detroit, today celebrated the start of the company's 25th year of operation with a "Silver Jubilee" buffet luncheon.

A feature of the luncheon was the showing of a sound movie in which Calvin Fentress Jr., president of Allstate, reviewed the company's history from its start in 1931 wtih a staff of 20 in a one-room office to its present position as the largest writer of direct automobile insurance premiums with a staff of nearly 10,000.

George C. Powell, office manager, outlined company plans for its "Silver Jubilee" year.

ANN ARBOR (AP) — University of Michigan Geiger counters recorded passage early Sunday of a radioactive cloud from last Friday's atomic blast in the Nevada desert.

Dr. Gerald M. Ridenour, radiological safety officer for the University, reported a slight increase in normal background radiation occurred between 3 and 4 a.m.

Avery Favored

Wolfson May Get Foot in Ward's Door Friday

By MERRYLE STANLEY RUKEYSER
International News Service
Economic Commentator

With the day of decision scheduled for next Friday in the Montgomery Ward & Co. proxy battle, present indications are that Louis E. Wolfson, the challenger, may get his foot a little way into the door.

However, it is unlikely that the Florida financier will oust the veteran Sewell L. Avery and his group this year.

Reliable spokesmen for the Avery contingent soberly claim a majority of stockholder support, and will go no further than to concede that the Wolfson forces may achieve minority representation.

As to this, Wolfson, in his public statements, has repeatedly indiciated that, if he does not attain control of the world's second largest mail order house this time, he will never give up the struggle for the rest of his life. Some of Wolfson's outside supporters predict the Wolfson group will elect three directors.

Apart from this one company, the implications of the struggle are far-reaching.

If corporate management has in some instances developed its own type of bureaucracy, the reassertion of the right of owners to exercise their latent authority may help to keep hired men executives on their toes.

Certainly the change of control last year in three railroads and in other corporate situations shows that free enterprise potentially is ever freer than some of those who give lip service to the slogan realized.

While it is important to get a reorientation on the dignity of ownership, the fair-minded observer should resist any demagogic tendency to blame corporate executives for trends which they did not originate.

Certainly, during the prolonged ideological agitation in the direction of a mixed economy, the institution of private enterprise was taking a long term beating.

The corporate executives were the victims, not the causes, of the emotional surge in the direction of glorifying a trend toward collectivization and away from individual freedom of choice.

Specifically, if the national mores tended to belittle the rights of the shareowner—the capitalist, whether big or petty—to a fair return, it is desirable to explore the reasons behind the trend.

Unprecedentedly heavy demands on corporate receipts were made by groups and segments other than the owners. With the owners as the residual claimants to net income, they were taking a beating relatively when the labor unions, aided by political allies and by favorable legislation, were becoming increasingly powerful and inflexible claimants on corporate receipts.

On top of this, during there years of social experimentation, political schemes to soak the rich, and to finance wars and related international projects, the tax collectors, national, state and local, were becoming increasingly exacting claimants on corporate income.

On top of this, the budgets of typical American families were affected by inflation and the ups and downs of the business cycle. Accordingly, in many periods, competition for a share in the customer's dollar has been exceedingly keen, and there was at times resistance to passing on to the customers added costs forced on business by outside legislation, taxation and union pressure.

If, to any degree, the stockholder became the forgotten man, forces are now at work to correct this.

Tomorrow: A Closeup of Louis Wolfson.

Girl, 17, Found Shot in Florida

Victim Last Seen With Man Who Later Killed Self, Wounded Wife

CRESTVIEW, Fla. (AP)—The body of a 17-year-old high school girl who had been missing four days was found face down in a wooded area about three miles from this northwest Florida town yesterday.

Walton County Sheriff Aubrey McDonald said Margie Paul of Paxton, about 25 miles north of Crestview, had been shot three times through the head with a .22-caliber pistol.

* * ½*

The officer reported Margie had not been seen since leaving home Wednesday night with Curry C. Carter, 39, of Defuniak Springs. Carter critically wounded his 32-year-old wife, Stella, and shot himself to death Thursday with a .22-caliber pistol.

McDonald said Carter had been "going with" Margie's sister, Edna Paul, about 32. The teen-ager left home with Carter, the officer said, to show him where her sister worked.

Carter left three letters, one addressed to Walton County Judge Dan Trotman and the others to his four children. Trotman said the letter he received mentioned 'family trouble."

May Halt Production of Willys Auto Line

TOLEDO, Ohio (AP) — A spokesman for Willys Motors here has confirmed as "substantially correct" a report that the firm may stop making passenger vehicles under the name of Willys.

Under current plans, however, the firm would resume production of cars under the name of Kaiser, Willys' parent company, the spokesman added.

Details of the plan were first disclosed last Friday by Richard T. Gosser, vice president of the CIO United Auto Workers, at a meeting of Willys workers here. Gosser said the transition would be made without any immediate cuts in the work force, "at least until August 1."

Recover Bodies of Trio Killed in Ocean Crash

SAINT GEORGE, Bermuda (UP) — The bodies of all three airmen killed in the crash of an American B-47 jet bomber have been recovered, U. S. Air Force officials said yesterday.

They were identified as Maj. M. D. Lowry of McDill Air Force Base, Fla., Maj. George Melching Jr., of Wellsburg, W. Va., also from McDill Field and 1st Lt. Patrick Riley of Elgin Air Force Base, Fla.

The plane crashed into the ocean shortly after taking off from Kindley Air Force Base Friday morning.

City Woman Injured in Three-Car Collision

Ruby Oen, 20, of 7 Foster St., was treated at Pontiac General Hospital last night for cuts and bruises suffered in a 3-car accident on Howard near Edison St.

Pontiac Police said she was a passenger in an auto driven by LaVenna L. Lash, 21, of 101 Mechanic St., which struck the rear of a stopped auto driven by Millard E. Christain, 20, of 283 S. Jessie St. Christain's auto was pushed into another forward car, driven by Dallas E. Stickney, 79, of 2460 Dutton, Rochester, said police.

Can't Stop GAW Reuther Pledges

Union, Ford Resuming Talks Today; GM Meet Slated Wednesday

DETROIT (UP) — CIO United Auto Workers negotiators resumed talks with Ford Motor Co. officials today with a renewed promise that their guaranteed annual wage drive could not be stopped.

The confident promise was made Saturday night by CIO and UAW President Walter P. Reuther in a speech before the Cook County (Ill.) CIO organization.

"The forces fighting the guaranteed annual wage," Reuther said, "are the same ones that fought such things as pensions. They can't stop the guaranteed annual wage, just as they couldn't stop pensions."

Reuther also repeated his charge that the National Association of Manufacturers was raising a $30,000,000 fund to conduct a campaign against the GAW.

He said the NAM had denied the charge when he made it previously but he had photostaic evidence of the drive.

Ford negotiators had no comment on Reuther's remarks as they entered the negotiations. They also refused comment on how far the negotiations had progressed.

Preliminary talks with American Motors Corp. are expected to be resumed tomorrow and General Motors officials were expected to resume talks with the CIO negotiators Wednesday.

Ford and GM are conducting "full-scale talks" with the union while American Motors still is in the preparatory stage.

Similar talks with Chrysler Corp. and two smaller auto producers are expected to begin at a later date.

Named Pancake Queen

GLENN (AP) — Joan Kwiatkowski, 17-year-old Fennville High School senior, has been named 1955 pancake queen. She will rule over the seventh annual Glenn Pancake Festival June 24-26. The festival, originated in 1937, was suspended during World War II but revived in 1952 to raise funds for a community recreation center.

Hospital Addition Asked

GRAND RAPIDS (AP)—A 500-bed addition to the Michigan veterans facility was proposed Saturday at a meeting of the facility board of managers. No action was taken on appointment of a commandant to succeed Walter J. Baker who resigned last November.

In Memoriam 2

IN LOVING MEMORY OF MICHael Laschinesky who passed away 1 year ago April 16.
We who loved you sadly miss you,
As it dawns another year
In our lonely hours of thinking
Thoughts of you are ever near.
Sadly missed by wife, children and grandchildren.

IN LOVING MEMORY OF OUR dear Father and husband, George R. Brown, who passed away 2 years ago, April 18th, 1953.
Loving memories never die.
As years roll on and days pass by.
In our hearts a memory is kept,
Of one we loved and will never forget.
Sadly missed by wife, children and grandchildren.

IN FOND AND LOVING MEMORY of my husband, James Beck, who passed away April 18, 1954. Ever remembered by his wife, Lillian.

WHILE SHE RESTS IN PEACEful sleep,
Her memory we shall always keep.

Film Substitute at Last Minute

Edgy Nervous Systems and Extra Caution Mark Tonight's Production

By SAUL PETT

NEW YORK (AP)—It would be quite understandable if a truck loaded with penicillin backed up today at the studio where actors will be rehearsing for tonight's Robert Montgomery show.

It's not that anyone is ill, they're just cautious. The reason for the apprehension is that the people connected with the show haven't quite recovered yet from the virus that hit Montgomery last week.

* * *

Montgomery's virus turned out to be a $12,000 virus. It cost at least that much, maybe more. The cost to assorted nervous systems, however, was even greater because at the last minute the show had to be canceled, after almost two weeks of rehearsal, and a film of an old program had to be substituted.

A quick examination of old kinescopes, and it was decided to repeat a program about the problems of the aged, which was quite apropos since all hands were aging rapidly that Monday.

Joe Bailey, a co-producer, found the film. But two films are required to run simultaneously during a TV film showing in case one breaks. Where do we get the second film?

* * *

Somebody remembered they had donated a film copy to a day center up in the Bronx for the aged. But being a day center, it was now closed. Somebody had to find somebody else to unlock the building.

With a second film in hand, came a series of frantic calls to get clearances from the American Federation of Radio Artists, the actors' union, and from the authors. The actors, the authors and the technicians who made the show originally would have to be paid again, at least a portion of their original take. That came to $12,000.

Brings Plane in on Busy Road

Lost Pilot Picks Spot Between Cars to Land After Dark

HUNTSVILLE, Tex. (AP)—How do you land an airplane at night on a busy highway?

"When I saw an opening in the traffic I just put her down," said crop duster pilot W. A. Fowler.

Hopelessly lost in a new four-place Piper cruiser, Fowler landed last night on a busy trunk highway in the Huntsville suburbs—five blocks from the business district.

Police arrived in time to help him push the plane from the highway.

* * *

"I was the most lost guy you ever met in your life," said Fowler, 30, of San Antonio.

He was flying from Knoxville, Tenn., where he got the plane, to San Antonio. He plans to convert it into a duster. After leaving Shreveport, La., his radio went dead.

His next stop was Bryan Air Force Base, Tex. When he failed to arrive on schedule, the base put out an alert for him.

Two Huntsville policemen spotted Fowler's plane. It was circling town. They decided to turn on the airport runway lights.

But Fowler didn't even know what town he was over, much less where the airport is.

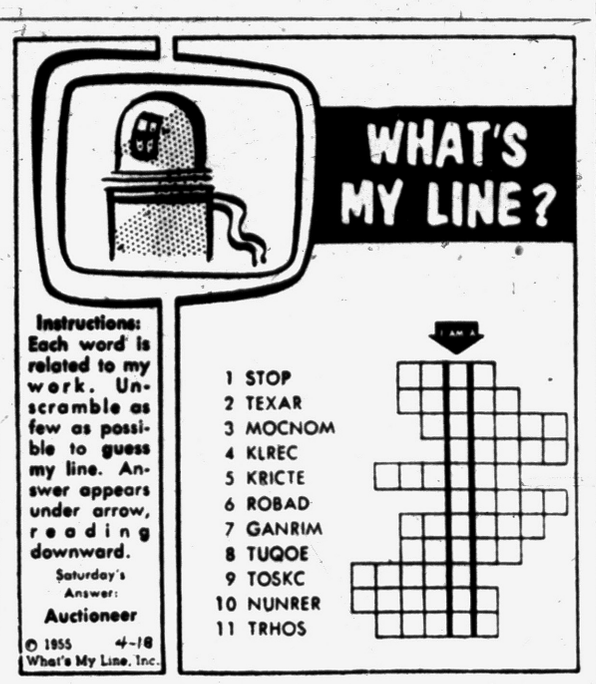

Before the policemen reached the airport, he set his plane down on the north-bound lane of US 75, the main Dallas-Houston highway.

He explained:

"I could see the lights of the cars. I knew about where the power lines were. So when I saw an opening in the traffic I just put her down."

Minister Now Bouncer

BOLLNAES, Sweden (UP)—The new Saturday night bouncer at the local dance may be expected to use plenty of tact. He is a Protestant minister, the Rev. Carl-Davis Othzen. Rev. Othezen said he took the job because no one else would work for the low wage offered.

Corsi Believes He Is Coverup

Charges Scott McLeod Is 'Thoroughly Unfit' to Run Refugee Program

WASHINGTON (AP)—Edward Corsi, ousted State Department adviser, says he thinks a department official tried to use him "as a piece of window dressing" to cover up what Corsi terms bad handling of the refugee relief program.

Corsi said yesterday he believes R. W. Scott McLeod, the department's administrator of the program, "thought he could have me as a smokescreen, as a piece of window dressing, so I might appeal to large groups of people who believe as I do."

* * *

Interviewed on a CBS television program, Corsi said McLeod "is thoroughly unfit to run this program."

A Senate Judiciary subcommittee is looking into Corsi's charges that McLeod and others were "sabotaging" the emergency program to admit aliens outside the regular immigration quotas.

Corsi repeated a belief that he was fired 10 days ago because of attacks made on him by Rep. Walter (D-Pa). McLeod testified Friday that Corsi was ousted because he assumed too much authority, not because of Walter's statements.

Walter has accused Corsi of joining organizations later labeled as subversive. Corsi denies this and the State Department has said security matters were not a factor in his firing.

Carol Haney, Actor Wed, Say Goodby

LAS VEGAS, Nev. (AP) — It was a short honeymoon for actress-dancer Carol Haney and actor Larry Blyden.

The couple, married yesterday in the chapel of the new Frontier Hotel, leave today, in different directions.

Miss Haney returns to "The Pajama Game" on Broadway, the show in which she is a featured dancer. Blyden returns to San Francisco where he is appearing in "O, Men, O, Women."

Rabbi Arthur Lebowitz performed the ceremony and actor Lloyd Bridges was best man. Bridges' wife, Dorothy, acted as matron of honor.

Women Saddle Up

PARIS (UP)—The French Sport Society has announced that women jockeys will be permitted on a French race track next month for the first time. The occasion will be a special "Prix des Amazones" race at a Fontainbleau track May 1.

Americans use about 17 billion gallons of water daily for domestic purposes.

Cows drink up to five pounds of water for every pound of milk they produce.

Dr. Salk to Get New Car, Plow Given by Texans

AMARILLO, Tex. (AP) — Folks around here shelled out $22,251.29 yesterday to fight cancer — but they didn't forget Dr. Jonas Salk, who developed the polio vaccine.

They plan to send the University of Pittsburgh researcher a new car and a plow.

A "telethon" by radio and TV was held 6½ hours to raise cancer funds. Among many items donated was a new Oldsmobile. A listener, Jim Pearson, suggested the car to Salk as an appreciation gesture.

KGNC and KGNC-TV announcers asked the public's reaction. Viewers and listeners said they liked the idea.

Then a farm equipment company donated a plow to Salk. However, it was learned from Pittsburgh that he does not have a farm.

Bomb Planter Still at Large

Offer $25,000 Reward for Lead to Dynamiter of Seattle Store

PORTLAND, Ore. (AP) — The person who exploded an extortion bomb in a busy Portland department store still was at large Monday.

But police hoped that a $25,000 reward offer for information leading to conviction of the bomber, would result in a quick arrest in the case.

Authorities reported they had questioned "eight or ten persons who might have knowledge" of the explosion that rattled the Meier and Frank Co. store Friday afternoon, slightly injuring two persons.

* * *

The blast, in a third floor rest room, came minutes after Aaron Frank had read a note demanding $50,000. The note said a bigger explosion was set to go off before Saturday noon unless the money was paid.

Frank, president and general manager of the firm, closed the 12-story building Saturday after police said efforts to make contact with the extortionist had failed. A search of the store by 50 police failed to turn up any hidden explosives.

Det. Capt. Wiliam Browne said he knew of no further efforts by the extortionist to reach Frank.

Frank made the reward offer late last night.

Plans were for the store to open this morning as usual but with extra police on duty.

Traffic Cop Fined

WESTMORELAND, Calif. (UP) —Municipal Judge D. S. Saund fined Traffic Officer H. R. Yturralde $100 for lecturing a motorist too strongly. The motorist, T. H. Hamilton of Brawley, Calif., complained that the officer used "loud and profane language" when Hamilton refused to sign a speeding citation. Hamilton contended he was not speeding.

Blast Reported in Plane Crash

Surviving Crewmen on Red Death Flight Claim They Heard Explosion.

BOMBAY, India (AP)—Surviving Air India crewmen say a "muffled explosion" preceded the crash of their four-engined plane which carried 11 Bandung-bound Communists to death in the China Sea last Monday.

The government-owned airline quoted the three rescued crewmen yesterday as saying the "explosion" was followed by fire "emanating from an extraneous source wholly unconnected with the structure of the aircraft."

* * *

The statement was issued as Britain and Red China swapped counter-charges over the plane incident which has grown into an international dispute. Investigators from Red China, India and Indonesia were scheduled to fly to the crash scene today.

Fifteen persons perished in the crash including the 11 Reds — eight Chinese, two Poles and a North Vietnamese — en route to the Asian-African conference at Bandung, Indonesia. The survivors were the co-pilot, M. C. Dixit, ground engineer Karnik and navigator Pathak.

* * *

Peiping radio charged the plane was sabotaged in an attempt to "assassinate our beloved Premier Chou En-lai and the entire Chinese delegation to the Asian-African conference." Chou reached Bandung yesterday after a flight marked by super security precautions.

The British government accused Red China in a note made public yesterday of trying to make political propaganda out of the crash without first investigating the cause.

Mother Involved in Poison Case Is Found Dead

SYDNEY, Australia (AP) — Mrs. Veronica Mabel Monty, who won acquittal of a charge of trying to murder her son-in-law lover but lost a divorce suit based on the adultery, was found shot to death in her bedroom in a North Sydney hotel last night.

Police said they believed the 48-year-old woman took her own life.

Mrs. Monty was acquitted in 1953 on charges of giving milk spiked with thallium poison to her son-in-law, Bobby Lulham, 28. The woman contended the drink had been intended for her but had been taken by Lulham by mistake.

Last February Lulham's wife Judith, 22, won a divorce after Judge Wilfred R. Dovey found that her mother and Lulham had committed adultery together. The judge also granted a divorce to Judith's father, Alfred Joseph Monty, because of the adultery.

Polio Catches Up With Fearful Family

CHICAGO (AP) — An advertising agency executive who fled a Mexican resort to keep his young daughter from being exposed to polio, died of the disease yesterday.

The victim was John C. Wheatley, 41. His physician said death was caused by bulbar polio.

Wheatley, his wife Alice and their daughter, Suzanne, 5, were vacationing in Acapulco, Mexico when they heard of a death from polio in the resort city.

They left the next day, completed their vacation in Florida and returned to suburban Barrington Easter Sunday. Wheatley was hospitalized Thursday.

Doctors are giving the wife and daughter gamma globulin and say they haven't shown any polio symptoms.

Nine U.S. presidents were Episcopalian, six Presbyterian, five Unitarian, four Methodist, two Dutch Reformed Church, two Baptist, one Disciples of Christ, one Congregationalist, one Quaker and two no church.

30,000 Catholics Protest Subsidy Cut

ANTWERP, Belgium (AP)—Some 30,000 Catholics demonstrated here yesterday against the government's proposed cut in school subsidies. Their leaders announced plans to seek King Baudouin's support.

Yesterday's demonstration—held with official sanction—went off peacefully. Protesting Catholics from Antwerp Province marched through the streets and held a rally in the city stadium.

The issue came to a head March 26 when an estimated 60,000 Catholics defied government warnings and staged a turbulent demonstration in Brussels. About 40 persons were injured and 64 others, including four Catholic members of parliament, were arrested.

Manhattan Arrests 387 in 'Undesirable' Cleanup

NEW YORK (AP)—Manhattan police arrested 387 persons in the sixth weekend of this year's renewed campaign to rid the streets of "undesirables," it was announced today.

Most of the arrests were on disorderly conduct charges. Among other charges were prostitution, playing dice, peddling and panhandling.

The 433 arrests in the preceding weekend were the largest total so far this year.

Deaths Last Night

PHILADELPHIA (AP) — George Howe, 68, former supervising architect of the U.S. government and for five years chairman of the Department of Architecture at Yale University.

Builder to Supply School at No Cost to Township

MADISON TOWNSHIP, N.J. (AP)—Hard-pressed township officials are going to get a new six-room school—and it won't cost them a cent.

This was revealed last night by the builder of a large housing development here, Hyman Segal of South Orange. He said he would construct the new school as a gift to handle the children living in his development.

And, he added, he would build additional school facilities at just what it costs him.

The planning board, to whom his request was made, quickly endorsed the idea.

Children who are not farsighted when they start school are apt to become nearsighted in the fourth or fifth grade, says the Better Vision Institute.

Beatification Conferred on 56 in Boxer Rebellion

VATICAN CITY (AP) — Beatification was conferred yesterday in St. Peter's Basilica on 56 Roman Catholic victims of the Boxer Rebellion. Later Pope Pius XII appeared personally to venerate the martyrs.

The Boxers, a nationalist society of old imperial China, made a series of bloody attacks on foreigners at the turn of the century.

Only 2441 of the 7083 islands in the Philippine group have been named.

Iran's New Reform Slate Given Confidence Vote

TEHRAN, Iran (AP)—Iran's Parliament, the Majlis, gave a resounding 92-2 vote of confidence yesterday to Premier Hussein Ala's new crusading government.

When Ala took over from ailing Gen. Fazollah Zahedi April 8, he promised to clean house of "dishonest officials."

Today's Distinctive

Dark Flannels

Make a Clean Break with the Past

Traditionally, flannel suits have been favorites with men who dress well. Today's new fashion and better function give them even greater appeal. The narrowed-down lines of contemporary fashion result in an exceptionally neat look. Dark tones add an element of true distinction. And modern fibers give the flannels the ability to keep a just-pressed look through to the end of your busiest day. Compelling reasons for you to enjoy flannels as up-to-date as today's headlines.

114 BETTER MADE MEN'S SUITS

$23

BEGINNING MONDAY APRIL 18th

Here's some plain talk... no ballyhoo... no exaggerated claims... no nonsense... just an old fashioned statement of truth. We have 114 men's better made suits that have been stock for one or two seasons. There is nothing wrong with the quality of these suits... there are no imperfects! There are none that are damaged! Frankly, some are in colors that have not proven popular during the last two seasons. Some are in patterns that many of our regular customers do not seem to care for! But every one is well tailored! You see men wearing suits like these every day, suits they have had a season or two. We thought these were nice looking suits when we bought them! Some of our customers have not agreed with us: So, that's the story, that is why these suits are being offered at one-third and one-quarter of their original price.

A word to the wise: If this sincere advertising attracts a reasonable response, we feel that these suits will not last long at this price. It would be best to shop early to avoid disappointment.

Certainly You May Charge Them
