

Curls Clipped

First Hair-Cut Found Hair-'Razing' Ordeal

Dennis Arthur, 2½-year-old son of Mr. and Mrs. Joseph M. Arthur 3320 S. Grant road, had his first encounter with a barber's shears last week.

Dennis looked somewhat apprehensive as his long, blond curls fell under barber Perc Secord's scissors, but he seemed satisfied with the final results. Dennis' reactions are shown in the accompanying pictures:

"Let's not rush into this thing..."

"Gee, me and Sanson..."

"Hey, Mom, I'm getting light-headed..."

Weekend Traffic Claims 18; 4 Drown, Fire Kills Cripple

By THE ASSOCIATED PRESS

At least 23 persons lost their lives in Michigan accidents over the sunny May Day weekend, 18 of them in traffic.

An elderly paralytic died when fire set his clothes ablaze as he sat helpless in a wheelchair. Four persons drowned.

Three persons were killed on U. S. 24 when two cars pulled out to pass at the same time and smashed head-on.

A boy and a girl, each 7, were killed in a collision of two cars near Howell Saturday morning.

The boy, Johnathan Otto, was the son of the Rev. Gilbert T. Otto, pastor of Trinity Lutheran Church of Detroit.

Killed with Johnathan was a schoolmate, Loren Anderson, of Detroit.

Ronald McCasary, 15, of Detroit, was killed Sunday when he was hit by a New York Central passenger

train near Dexter, west of Ann Arbor.

Eugene Krasne, 15, of Escanaba, drowned Sunday in Little Bay De Noc in a boat capsizing.

Millard Justice, 21, of St. Clair, was found dead at the wheel of his car after it careened off Mill west of St. Johns and hit a tree Sunday.

Killed in a head-on collision of two cars on U. S. 24 about two miles north of the Ohio line Saturday was a New York Central passenger

MTA Charges New Bill Will Kill Turnpike

State Lawmakers Urged to Oppose McCollough Proposal

Chairman William E. Slaughter of the Michigan Turnpike Authority said yesterday a bill giving municipalities and townships the right to keep toll roads outside their limits will kill the Rockwood-Saginaw turnpike.

He urged state legislators to vote against the measure introduced by Rep. Lucille McCollough (D-Deerborn).

"The bill would take the final decision on the route away from an unprejudiced commission and its independent engineers... and place it in the hands of local councilmen, every one of them subject to local pressures."

The present proposed north-south route is "far enough east to serve a maximum amount of traffic in the Detroit area and still do the least amount of property damage."

The MTA is attempting to arrange meetings to discuss the route, with all communities involved, he added. Only six of the 30 units have replied to letters mailed April 8 seeking meetings, said Slaughter.

"Before any final decision is made by the authority on the route, we intend to hear all objecting municipal units' suggestions and take their recommendations under advisement."

Over 2,000 miles of turnpike operating or under construction in the country, none were built where local units had veto power, Slaughter asserted.

He termed statements "false and misleading" that other turnpikes don't traverse cities, villages and built-up areas. The Pennsylvania East-West Turnpike goes through eight boroughs or cities and six highly developed areas near Philadelphia, he stated.

Unless some inconvenience is accepted by homeowners and municipalities, "then Michigan's growth will continue to be stunted by inadequate facilities."

Only court-validation of the turnpike act stands between issuance of bonds and completion of the road 30 months after the bonds are sold, the chairman said.

Austrian Treaty Talks Opened

Big Four Delegates Preparing Agreement to End Occupation

VIENNA, Austria (AP)—Big Four talks which may bring freedom to occupied Austria and big changes in Europe opened in Vienna this morning amid an air of optimism. The ambassadors of the United States, Britain, France and Russia began conferences in an effort to reach final agreement on Austria's long-delayed independence treaty.

Arriving for the first session U. S. Ambassador Llewellyn E. Thompson Jr. told newsmen:

"I expect the conference to be a short one and a successful one. We have much work to do, but with good will on all sides, this can be accomplished in a very short time."

"If the conference develops as I hope it will, we should be able to arrange a meeting of the Big Four foreign ministers in Vienna at a very early date."

They will bring the 30,000 words of the draft pact up to date so that their four foreign ministers can sign it at a later meeting here. After 10 years of deadlock, the Russians have said they now want to end the occupation of Austria.

The ambassadors' talks will show whether the Soviets mean it. Most Western diplomats here believe this time they may.

If the ambassadors agree and the foreign ministers approve, the 44,000 Russian and 25,000 Western occupation troops will have to leave the country within 30 days after ratification of the pact. This could come by fall.

Bride-to-Be

TO WED WELLES — American Actor Orson Welles announced last night in London that he and Paula Mori, 24-year-old Italian actress, plan to marry. Miss Mori is the Countess di Giralco. Welles, 40, was divorced from actress Rita Hayworth in 1947.

Envoys Report on Chiang Visit

Radford, Robertson Due at White House Today After Formosa Trip

WASHINGTON (AP)—Adm. Arthur W. Radford and Asst. Secretary of State Walter S. Robertson report today on what they learned first hand of Chinese Nationalist reaction to the current talk of a Formosa cease-fire.

There was no advance announcement of any appointment for the pair at the White House, but it seemed likely that they would be worked into President Eisenhower's schedule and would confer also with Secretary of State Dulles.

Robertson and Radford, the chairman of the Joint Chiefs of Staff, were gone about 10 days and while in Taipei talked over a variety of subjects with Nationalist President Chiang Kai-shek and other officials of his government.

They returned to Washington last night, having stopped for the weekend at Robertson's home in Richmond, Va.

Peiping radio, early today dropped mention of the cease-fire idea and spoke belligerently of "U. S. imperialism" it said is preparing "to unleash a new war."

Eisenhower was described by a highly placed administration official yesterday as being determined to pursue his quest for a cease-fire in the Formosa Strait despite the opposition of some senators.

Atom Bomb Test Postponed Again; May Be Tuesday

SURVIVAL CITY, Nev. (AP)—The atomic civil defense experiment, whose 5,800 participants and observers have dwindled to less than half because of repeated delays, has been postponed once again.

The elaborate test of a model town, tanks and weapons now cannot be held until tomorrow at the earliest, and the Atomic Energy Commission says the outlook for then is not good.

Originally set for last Tuesday, the big public show has been postponed by unfavorable winds and cloud conditions. The latest delay, announced at a weather conference last night, was because winds threatened to deposit radiation fallout on this model community, observers at News Nob, and the AEC control point at the Yucca Flat test site.

The company said a successor probably will be named tomorrow. Fairless, son of a Welsh coal miner, was born in Pigeon Run, Ohio, May 2, 1899.

After completing early schooling he taught school for two years to save money for his college education at Wooster College, Wooster, Ohio, and later Ohio Northern University.

Fairless became president of the United States Steel Corp. of Delaware, predecessor of the present United States Steel Corp., in 1927 after two years as president of Carnegie-Illinois Steel Corp.

He gave up the presidency of Big Steel in 1953 to Clifford F. Hood, but continued at the helm as chairman and chief executive officer.

WASHINGTON (UP)—The Defense Department announced today that it will permit enlisted servicemen to cut off allotments to pillaging wives. All the men have to do is prove their wives guilty of "moral misconduct."

Polio Vaccine Control Plans Being Studied

Second Idaho Child Dies After Receiving Cutter Serum

WASHINGTON (AP)—A government-sponsored committee worked today on details of a voluntary plan to allocate Salk polio vaccine amid demands from some quarters for rigid controls.

A second polio death was reported, meantime, among Idaho school children who had been inoculated.

The advisory committee was set up last week to recommend a system of priorities under which the scarce vaccine, when it becomes available for commercial use, would go first to those areas and age groups most in need of it. The group met under the chairmanship of Dr. Chester S. Keefer of the Department of Health, Education and Welfare.

Rep. Celler (D-NY), who has introduced a bill for federal control of the vaccine, renewed a demand for such action in a television appearance yesterday, and the New York Herald Tribune made a similar demand in a front-page editorial.

Rep. Roosevelt (D-Calif.) criticized federal handling of the vaccine, but Surgeon General Leonard Scheele told another TV audience he was confident American parents would cooperate voluntarily.

Scheele discounted the possibility that any substantial vaccine "black market" might develop. He renewed his insistence that the nationwide free vaccination of first and second-grade schoolchildren should continue despite the recall of vaccine produced by one of six makers—the Cutter Laboratories of Berkeley, Calif.

A panel of 11 medical experts including the vaccine's developer, Dr. Jonas E. Salk, of Pittsburgh, approved Saturday the withdrawal of the Cutter vaccine for further testing, but also urged that use of other brands be continued.

A Public Health Service statement after the Saturday session said 29 cases had been reported in which children had become ill of polio after receiving the shots. All but three of these cases, the service said, involved use of the Cutter vaccine. A half dozen other cases, not yet reported to the health service, have also come to light.

Fairless Quits U. S. Steel Job

Industrialist Resigns as Board Chairman on Reaching 65

PITTSBURGH, (AP)—Board Chairman Benjamin F. Fairless of U. S. Steel Corp. resigned today. He will remain a director and member of the finance committee.

The company made the announcement on the eve of Fairless' 65th birthday. The traditional retirement age at U. S. Steel is 65 although there is no compulsory retirement age at the company.

Fairless is attending the company's stockholder's meeting in Hoboken, N. J.

The company said a successor probably will be named tomorrow. Fairless, son of a Welsh coal miner, was born in Pigeon Run, Ohio, May 2, 1899.

After completing early schooling he taught school for two years to save money for his college education at Wooster College, Wooster, Ohio, and later Ohio Northern University.

Fairless became president of the United States Steel Corp. of Delaware, predecessor of the present United States Steel Corp., in 1927 after two years as president of Carnegie-Illinois Steel Corp.

He gave up the presidency of Big Steel in 1953 to Clifford F. Hood, but continued at the helm as chairman and chief executive officer.

WASHINGTON (UP)—The Defense Department announced today that it will permit enlisted servicemen to cut off allotments to pillaging wives. All the men have to do is prove their wives guilty of "moral misconduct."

King of the Wild Frontier

United Press Photo

COONSKIN KID — Four-year-old Robert Maloney is willing to shed his shirt, but not his Davy Crockett cap, during a medical checkup in New York City by Dr. Walter Warbasse. The buckskin buccaneer and other youngsters are being examined at the Children's Aid Society in connection with a "King of Health" contest. If Robert wins, the society may have to crown him right over the coonskin.

Ohio Fights Blood Theory in Sheppard Trial Appeal

CLEVELAND (INS)—The state of Ohio filed five affidavits today attacking Dr. Sam Sheppard's motion for a new trial on the basis of newly found evidence.

Most important of the affidavits was signed by blood specialist Dr. Roger W. Marsters, who hit a defense contention that a one-inch spatter of blood—belonging neither to Dr. Sam or his murdered wife, Marilyn—was found on a closet door next to the bed where Mrs. Sheppard was murdered.

The written testimony of Dr. Marsters, in charge of the R-H clinical laboratory at Cleveland's University Hospital, hit squarely at the affidavit of California criminologist Dr. Paul Kirk, who made an investigation of Dr. Sam's Bay Village murder home after he was convicted of his wife's slaying.

Dr. Kirk had said that analysis proved the blood spot was not the blood either of the victim or her husband and that it could not have come from the impact of blows because of its shape and size.

Dr. Marsters said the contention by Dr. Kirk that the blood was not that of Dr. Sam or Marilyn was "unjustified and unwarranted."

He stated: "Dr. Kirk is postulating different qualities of type-O blood characteristics. Even under ideal conditions of fresh blood reactions, sub groups of type-O are unknown."

Therefore, to assume the existence of another quality of type-O and especially another individual source on the basis of some quantitative difference in reaction and solubility, employing an admittedly complex difference, cannot be justified."

Judge Edward Rhylin, who sentenced Dr. Sam to life imprisonment after he was convicted of second degree murder last Dec. 21, took the affidavits under advisement and will return a decision Wednesday.

This has not satisfied foes of the measure. Sen. George W. Malone (R-Nev.), denounced the bill as an effort "to help the foreign producer and work injury on the American producer here at home."

Nevertheless, Republican Floor Leader William F. Knowland told newsmen: "I am inclined to believe the bill will be passed substantially in the form it was reported out of the Finance Committee."

The Californian said he expects to support the measure, barring any key changes, and that he "would hope action can be completed in a week's time."

In an effort to obtain a final vote this week, Democratic Leader Lyndon Johnson announced he will keep the Senate in session daily until 7 or 7:30 p.m. (EDT).

WASHINGTON (INS)—President Eisenhower asked Congress today for five million dollars to enlarge the U. S. Capitol.

The building is to be enlarged to provide a new restaurant and other facilities for the lawmakers under proposed plans.

Renews Attacks After Assurance of U. S. Support

South Viet Nam Chief Says Assembly to Vote on Bao Dai Ouster

SAIGON, South Viet Nam (AP)—Reassured of American support, Premier Ngo Dinh Diem struck anew today at the shrinking private army of his foes at home and at Chief of State Bao Dai, who is watching the Vietnamese turmoil from the French Riviera.

Four battalions of National army troops stormed over three bridges leading to areas of the Chinese suburb of Cho Lon where two battalions of the Bien Xuyen held out in civil warfare that flared last week.

The government objective was to mop up those men and permit five battalions which have deserted the Binh Xuyen, a commercial society which seeks to oust Diem, to switch to the army's side.

A mortar barrage that shook the city heralded the attack after 48 hours of relative quiet.

The government troops quickly captured the old headquarters of the Bien Xuyen commander, Gen. Le Van Vien. Then they moved southwestward to the Nhi Thien Duong Bridge, two miles away, where a bitter battle was joined.

Diem beat down an attempted coup at the weekend and launched a fresh offensive against Bao Dai.

The premier's office announced a national assembly would meet here Wednesday to depose the absentee ex-emperor who tried unsuccessfully to oust Diem last week.

Diem issued the announcement after conferring with U. S. Gen. J. Lawton Collins, President Eisenhower's special envoy who returned by plane from Washington today. Shortly after the general's arrival, U. S. Charge d'Affaires Randolph Kidder told newsmen at the airport American backing for the anti-Communist premier still stands.

The French were expected to oppose strongly any move to oust Bao Dai. They had reinstated him as chief of state in 1949. Rarely a resident of the country since the end of World War II, the ex-ruler has been at his chateau on the French Riviera the past year.

(The French News Agency in a dispatch from Saigon reported today that remnants of the rebel Binh Xuyen private army, which in a two-day civil war last week tried unsuccessfully to overthrow Diem, had reopened fire with mortars today on national army posts near Cho Lon, the Chinese suburb of Saigon. A later French dispatch to Paris said Diem's army at 5:45 p.m. Saigon time attacked "several hundred" Binh Xuyen troops in Cho Lon.)

Three-Year-Old Boy Is Drowned

White Lake Township Tot Falls From Dock Into Pontiac Lake

Three-year-old Gene Bellus drowned Sunday afternoon when he fell off a dock at Pontiac Lake. The tot, son of Mr. and Mrs. Morris Bellus, of 2070 Kingston, White Lake Township, was found in about three feet of water by Mr. and Mrs. Albert Callender, of Wayne.

They attempted to revive the boy by artificial respiration while awaiting the White Lake Township Fire Dept. He was pronounced dead at the scene by Deputy Coroner Dr. L. C. Provette after the fire department worked for 45 minutes with an inhalator.

The boy, according to Deputy Sheriff Herbert Cross, was in the water about eight minutes. He had been playing in a neighbor's yard.

Service will be held Wednesday at 2 p.m. at the Coats Funeral Home, with burial at Perry Mount Cemetery.

The latest drowning brings the season total in Oakland County to four. Earlier another small boy drowned in a pond near Lake Waterford Township, and two youths drowned in Round Lake near Lakeville last week.

The latest drowning brings the season total in Oakland County to four. Earlier another small boy drowned in a pond near Lake Waterford Township, and two youths drowned in Round Lake near Lakeville last week.

Ice Cream Law Is Ruled Invalid

Peddler's Appeal After Conviction Results in Decision

A Pontiac city ordinance has been ruled invalid by Circuit Judge Frank L. Doty in the case of Sol Greenwald, 35, of Detroit, arrested last Aug. 27 and later convicted in Municipal Court of illegally peddling ice cream.

He appealed the conviction to Oakland County Circuit Court.

The ordinance made unlawful "the peddling, selling, vending or giving away of wrapped, frozen ice cream novelties... either in paper containers or frozen on sticks from push carts, trucks... or any other type of vehicle."

The city deemed the law necessary for traffic safety and beneficial to public health by stopping streets and sidewalks from being littered with "ice cream wrappers, ice cream cones and so-called confection sticks."

Greenwald's Detroit attorney, Paul W. Hart, claimed the ordinance prevented his client from making a living. A city can regulate, but not prohibit business, he asserted.

Testimony showed that when arrested the defendant was creating no traffic hazard, said Judge Doty. There was no littering of streets involved, he added.

The judge cited an attorney general's opinion permitting a veteran licensed by the state "to sell anywhere else in the state without further licensing by local authorities."

A state-licensed veteran, such as Greenwald, can conduct his business subject to only reasonable police regulation by a city, Judge Doty stated.

The ordinance "is unreasonable as far as defendant is concerned and therefore invalid," the judge ruled. "However, he is still subject to police regulations."

Welles Will Marry Italian Actress, 24

LONDON (INS)—Actor Orson Welles was reported today to have announced he will marry Paolina Mori, 24-year-old Italian countess-actress.

The London Daily Express said the date of the wedding has not been set between the American actor and the attractive, dark-haired actress.

Welles was quoted as saying "I take marriage seriously. That may sound strange coming from a divorced man but I am not happy about divorce. For that reason I have kept myself away from marriage until now."

The 40-year old actor was married for the second and last time to actress Rita Hayworth. They had one child, a daughter, and were divorced in 1947.

2 Breakins Reported in Bloomfield Area

BLOOMFIELD TOWNSHIP—Two gas stations were broken into and a cement mixer valued at \$370 was stolen from Henry Bergman, 1708 Burnett, Milford, over the weekend, police reported today.

Township Police Chief Clark Green said a cash register containing \$24 was stolen from the Will-O-Way service station at Long Lake and Telegraph Rd. yesterday.

Thieves also broke into the Dick Walls service station at 4016 S. Telegraph and stole a case of motor oil yesterday, Green said.

Bergman's mixer was taken from a vacant lot on Burning Tree Rd. where he had parked it Friday.

Tavern Patrons Flee as Building Blazes

BIG RAPIDS (U)—A fire flared out at a tavern here early Sunday. Twenty persons fled the blaze, which caused an estimated \$25,000 damage.

The fire was in a building which contained both the tavern and two apartments. One tenant in the building at the time also escaped. Firemen fought the blaze four hours.

David Kampner Taken by Death

City Businessman Dies at Home of Daughter Yesterday

Local businessman David Kampner, 82, of 67 Ottawa Dr., died yesterday at the home of his daughter.

One of the original partners of the Pontiac Hide Company, he had been in business here since 1921 until he retired in 1945.

Born in Latvia, he was the son of Ella and Isadore Kampner. He was a charter member of Congregation B'nai Israel of Pontiac, B'nai Brith and Pontiac Zionist Organization.

Surviving are seven children; Mrs. Morris Blumens, Irwin, Morris and Beatrice Kampner of Pontiac, Sam Kampner, Mrs. Nora Rose and Mrs. Fred Abramson of Detroit. Also surviving are 13 grandchildren and three great grandchildren.

Funeral service will be Tuesday at 2 p.m. from the Ira Kaufman Funeral Home in Detroit. Burial will follow in Machpelah Cemetery.

Mrs. Elizabeth Musgrove

Mrs. Elizabeth Musgrove, 67, formerly of Pontiac, died at 2:30 a.m. today at the Manistiquette Hospital.

Mrs. Musgrove was born Dec. 20, 1887, in Manistiquette. She married the late Roy Musgrove of Manistiquette in 1905 and moved to Pontiac in 1949.

Surviving are a brother, Michael Osterberg of Manistiquette, a sister, Mrs. Ann MacInnes of Chicago, a son, Jack Musgrove of Pontiac, and two daughters, Mrs. Marjorie Bergman and Mrs. Melba McKenzie, both of Pontiac.

Also surviving are five grandchildren and one great-grandchild.

Harry Smale

Service for Harry Smale, 88, of 200 Washington St., will be held at 2 p.m. tomorrow at the Sparks-Griffin Chapel. Burial will be at Oxford, with the Rev. Paul Havens of the First Methodist Church officiating.

Mr. Smale, who died Sunday after a five-month illness, was born in Exeter, Ont., on Nov. 17, 1866, the son of Isaac and Elizabeth Dunsford Smale.

For 35 years, he was in the hardware business in Oxford. Upon retiring he moved to Pontiac, where he lived 38 years. He was a member of the Methodist Church.

Mr. Smale is survived by a daughter, Mrs. Gertrude Lake, of Pontiac.

George James White

Service for George James White, 73, formerly of West Huron street, will be held at 3:30 p.m. tomorrow at Grace-Smith Funeral Home, with burial in Pine Lake Cemetery.

A Pontiac resident for 15 years, Mr. White died Friday. He was born here on Aug. 12, 1881.

Mr. White, a chemical engineer, designed the first gas street lights for the city in 1906. He was a member of All Saints Episcopal Church, a Mason and a University of Michigan graduate.

Surviving are two brothers, George R., of Baltimore, Md., and James H., of Denver, Colo.

White Lake Group Seeks to Oust Trailer Camp

A group of 23 White Lake Township citizens living in the Highland road-Meade lane area are seeking an Oakland County Circuit Court order stopping Robert Amos from operating a trailer camp near their homes.

They claim Amos has not been granted a permit in accordance with a township zoning ordinance passed Aug. 11, 1954. They ask the township be restrained from issuing a permit. No hearing date has been set.

Man to Be Sentenced in Negligent Homicide

A Ferndale man who pleaded guilty to negligent homicide in the death last Feb. 20 of Mrs. Ella Rhodes, 62, wife of former Pontiac Police Chief Charles F. Rhodes, will be sentenced May 9.

Weekend Accidents Kill 23 in Michigan

(Continued From Page One)

day night wrecks Mr. and Mrs. Irving I. Berman of Detroit and Franklin A. Davis, 37, of Toledo. Witnesses said the cars collided as they both pulled out to pass.

Robert Anderson, 28, of Iron River was fatally hurt Sunday when his car overturned and caught fire on U. S. 2 eight miles east of Iron River.

Raymond McComb, 34, and Merritt Frederick Kell, 44, both of Hartford, were killed Saturday when their car missed a bridge at the foot of a hill and plunged into Blue Creek off U. S. 12, east of Benton Harbor.

Denis D. Veit Jr., 3, of Flint, was killed Friday night when his father's car overturned.

Martin Eukrens, 70, of Grand Rapids, was struck and killed by a railroad switch engine Friday night.

Clifford David, 50, a paralytic, died of burns suffered Saturday at the Jackson County Home. David, paralyzed from the hips down, was found with his clothes ablaze as he sat helpless in a chair. Officials said the fire might have been caused from ash spillings from his pipe or a dropped match.

Clarence Sammons, 56, was killed Saturday in a collision in front of his home in Davison, 10 miles east of Flint.

Gene Beilfus, 3, of White Lake Township fell off a dock and drowned in Pontiac Lake Sunday.

James Walker, 2, of Garden City, was struck and killed by a car Sunday near his home.

David W. Rumery, 19, of Durand, was killed Sunday in the collision of his car with another on M 78 three miles west of Flint.

John Chapman, 17, died in Grand Rapids Sunday of injuries suffered in a crash on M 66 eight miles south of Stanton.

Richard E. Schiewe, 21, of Sand Lake, died Sunday night in United Memorial Hospital, Greenville, of injuries received earlier Sunday in a two-car crash one mile south of Greenville.

Frederick J. Johnson, 58, of Muskegon, drowned late Saturday after stepping into deep water while fishing in Duffie Creek, Newaygo County.

Four-year-old Michael Saghy of Lansing was killed Sunday night in a two-car collision on U. S. 16 two miles west of Williamston.

Workers Around World March in May Day Parade

By THE ASSOCIATED PRESS
Workers throughout the world marched in traditional May Day celebrations yesterday. Religious and political leaders on both sides of the Iron Curtain took grim notes of East-West tensions.

Violence broke out in France. Algerian nationalists took the occasion to stage independence demonstrations and wound up in scuffles with the police. At least 41 persons were injured and 70 demonstrators were arrested.

The day, established as labor day by the International Socialist Congress in 1889, was observed by Communists and non-Reds alike.

In Moscow, President Eisenhower's wartime friend Marshal Georgi Zhukov stood in drenching rain reviewing a parade of Russia's military might. But the rain forced cancellation of the usual mammoth march by "spontaneous" civilian demonstrators. The customary air force fly-past also was canceled.

Later Zhukov, the Soviet defense minister, blasted "imperialists' threats and provocations" in a speech and said the Paris agreements to free and rearm West Germany increased world tensions.

Peiping radio said Red China's leader Mao Tse-tung observed the day watching a "seemingly endless parade" down Peiping's Central Boulevard. Peiping Mayor Peng Chen made the May Day speech with a call for strengthened defenses and "liberation" for Formosa.

At Vatican City, Pope Pius XII addressed hundreds of thousands of workers assembled from all parts of Italy in St. Peter's Square.

The 79-year-old pontiff urged modern society to achieve social peace and delivered stern words against communism, although he did not mention it by name.

The Pope concluded his 25-minute speech by proclaiming the liturgical feast of St. Joseph the Workman to be celebrated each May Day.

British celebrations were marred by the death of one of the nation's top labor leaders, anti-Communist Arthur Deakin. He succumbed to a heart attack suffered while addressing a May Day rally.

The Day in Birmingham

Commission to Consider \$1,395,929 City Budget

BIRMINGHAM—The City Commission tonight will be presented with a preliminary budget for the 1955-56 fiscal year. It calls for \$1,395,929 in appropriations, some \$74,500 over total expenditures during fiscal 1954-55.

Figures contained in the tentative budget, prepared by City Manager Donald C. Egbert, estimate revenue during the period will be \$1,380,780, or about \$15,000 less than anticipated expenditures.

The biggest hikes are in departmental appropriations and other city expenses. The departmental appropriations are \$53,886 over total expenditures during the 1954-55 fiscal year, which were \$848,511. Appropriations for other city expenses tentatively call for increase of \$13,736 over the \$149,544 expenditure for 1954-55.

The departmental increases amount to about \$38,000 in the Police, Fire and Public Works Departments alone, with the largest increase, \$20,000, for the Fire Department.

One of the significant appropriation increases is in Civil Defense. The appropriation in the preliminary budgets calls for \$1,400 or double the size of the 1954-55 expenditure.

The Commission might consider possible changes in the budget. But, a budget for the city must be adopted before June 13.

Egbert said anticipated revenue for fiscal 1955-56 as detailed in the preliminary budget doesn't include possible increases from

The increases—1½ cents in the state gas tax and 10 per cent in weight tax—are contained in the highway bill which already has received approval in the Michigan Senate and presently is under consideration in the House. The governor's office has indicated it would approve the measure.

The bill provides that the added highway revenue would be split on a 75-25 basis, 75 per cent to the state and 25 per cent to counties and cities.

Other items the commission is scheduled to consider at its weekly meeting include:

A recommendation that a bid of \$2,421 by the Call-Ferguson Electric Co. for installation of fluorescent

lights at the Baldwin Library be approved.

That a bid of \$3,174.20 by the J. C. Barney Co., for construction of curbs and gutters at Springdale Park be approved.

The preliminary draft of a resolution for the dedication of Shain Park from City Attorney Forbes Hascall.

Two residents in the Birmingham-Bloomfield Hills area literally hit the jackpot over the weekend by winning prizes totaling thousands of dollars in contests.

Pvt. Adolph Mangus Jr., of 3955 Brookside, Bloomfield Hills, won a home and property valued at \$15,000 for 54,000 other entries in one contest. In another, 30-year-old Clifford McClish, 1470 Cole, Birmingham, won a 955 model car.

Mrs. Howard B. Green has been elected president of the Birmingham Association of University Women. She succeeds Mrs. Burley Laurimore.

U. S. Scores One Point Before Austrian Talks

VIENNA (INS)—The U.S. scored a minor strategy victory even before the opening of talks on an Austrian state treaty by the big four ambassadors.

An American official disclosed that U.S. authorities got rid of a bright red cloth hanging behind the conference table where it covered a portrait of former Austrian Emperor Franz Joseph the first.

The red cloth was replaced with a green material.

"Bonanzagram" is an exciting new puzzle in which the Pontiac Press offers both fun and a \$100 cash prize. BUT before you try your hand at "Bonanzagram" be sure and read the rules at the bottom of this page. Solution will appear in the Press May 13.

Claim Check

Below is a duplicate of the "Bonanzagram" entry you send in to contest headquarters. It is ESSENTIAL that you fill it in and save it until the correct solution to "Bonanzagram" No. 9 is published Friday, May 13. Unless you do so, you will be unable to collect the prize if you should send in a winning solution. Check the rules below for further details.

Bonanzagram No. 9

During the war, a strange letter came across the censor's desk. It bore the postmark of a city in North Africa and had been neatly written on a type-writer. However, holes had been cut out in certain places, and the paper appeared to be a grille into which letters could be fitted by the recipient. By deciding what letters to insert in the spaces, the censor was able to reproduce the message of a spy at work. Can you, too, fill in the gaps in the mysterious message?

How To Play 'Bonanzagram'

Solve the "Bonanzagram" by filling in all the missing letters, as indicated by the underscores, in the message. Insert only one letter above each underscore. Many clues to the missing letters are hidden in the story, or anecdote, accompanying the message. Clues may also be found in the message itself, and, in a few cases, the contestant's general knowledge should provide the correct letter. The contestant will note that the message is unpunctuated. Punctuation as well as words must be correct for a perfect solution.

However, if no perfect solution (all missing letters and punctuation) is submitted, a solution with all letters correct and only one punctuation error will be declared a prize winner.

When properly filled in, the "Bonanzagram" will spell out a clear message that will conform in every way with the clues. In many cases it will seem that more than one word would be the correct one. That's part of the fun! You should weigh the clues and select the BEST possible word in each case.

How to Submit Entries

1. After solution is completed, "Bonanzagram" should be clipped and pasted to a two-cent postcard with your name and address.

2. Entries will be received at the Pontiac Press office, 48 W. Huron St., until 5 p.m. Tuesday, May 10. Mail entries must be postmarked before midnight Tuesday, May 10 for Bonanzagram No. 9. Address "Bonanzagram, % Pontiac Press, Pontiac, Mich."

3. Entries may be mailed in envelope but contestant's full name and number of puzzle must be printed in upper left corner of address side of envelope.

4. Copies of the Press need not be purchased to enter. Facsimiles made by hand and corresponding as closely as possible to the original "Bonanzagram" printed in the Press will be accepted but are limited one to a family. Mimeograph, duplicator or other unofficial mechanical reproduction is forbidden.

How to Collect the Prize

The entrant must work out and keep duplicate solution as a claim check. When the solution is published in the Press, he should compare his "claim check" with the published solution, and, if his claim check is identical, he should call in person with his claim check at the Press office, 48 W. Huron St., before 5 p.m. on the Monday following publication of the solution.

If a winner cannot call at the Press office in person, he should mail his solution to "Bonanzagram Editor." Postmark on this letter must be not later than 5 p.m. the Monday after publication of the answer. Correct answers are void unless the contestant reports his claim by the deadline listed here.

About Eligibility, Information, Etc.

1. Anyone is eligible for the "Bonanzagram" contest except employees of the Press and members of their immediate families (immediate family means all those living in an employee's household).

2. No question as to winners will be answered by phone.

3. The Press will award a prize of \$100 to the winner of each weekly "Bonanzagram." If more than one winning answer

4. Only one winning entry from a family will be eligible for the prize, but there is no limit on number of entries.

5. The Press retains the right to correct typographical errors.

6. Judges' decision will be final and contestant's submission of entries indicates acceptance of these rules.

Late Snowstorm Strands Scores

Motorists, Fishermen Rescued From Roads in California

LOS ANGELES (AP) — Sunny weather is due in southern California today after a weekend storm of rain, snow and hail that stranded scores of fishermen and motorists and indirectly caused two deaths.

Snow in some mountain areas as deep as 30 inches.

Twenty-nine automobiles carrying 81 men, women and children were stranded in the Santa Ana Canyon area 15 miles northeast of Redlands and 60 miles east of here in the San Bernardino Mountains.

The cars got stuck late Saturday. Sheriff's rescue parties had to tow them out one by one because of impassable roads. All were freed by last night. Sgt. Richard Seavey said none of the persons were in serious danger because rescue teams could get food and blankets to them but nearly all suffered from cold and hunger.

The rescuers used bulldozers, trucks, graders and two weapons carriers from March and Norton Air Force bases. They worked in knee deep mud in some places in the deep canyon.

Forty-one fishermen were sim-

ilarly stranded for a time in the Santa Paula-Fillmore area of Ventura County north of here. They were led out or towed out by sheriff's parties aided by Navy crewmen from Point Hueneme.

The body of Walter J. Jones, 35, La Habra, was found 18 miles north of Fillmore. The coroner said he apparently had been hiking and had died of exposure. The body of a fisherman, Richard K. Neale, 38, La Crescenta, was brought out of the San Gabriel Mountains. A companion reported that Neale collapsed, apparently from a heart attack, while struggling through a snowstorm along a trail.

Facts About Polio Vaccine Show No Cause for Alarm

By ALTON L. BLAKESLEE
AP Science Reporter

LAS VEGAS, Nev. (AP) — A few scientific facts can be helpful guideposts to parents worried about the polio vaccine.

There are two main worries:

1. Is any of the vaccine CAUSING polio?
2. Is it FAILING to prevent polio?

The scientific facts give no reason to jump to conclusions that either worry is justified. Here's why:

The vaccine is made of killed virus. Dead virus cannot cause polio. Vaccine is first tested for this safety.

It is possible that some lots of vaccine might contain living virus, and be missed in the tests. With the precautions used in making vaccine, this is very unlikely.

But the possibility is the reason why vaccine made by the Cutter Laboratories was withdrawn, for rechecking, after some children vaccinated with it developed polio. The answer from the rechecks and various tests should be forthcoming soon.

Polio also developed in a Columbus, Ga., child given one shot of vaccine prepared by Eli Lilly Co.

There is a far better reason than faulty vaccine why some children developed polio after getting only one shot of vaccine. It is that they got the shot too late.

If you've been out in the sun for two hours on your first day of sunning, and begin to turn pink, it is already too late for suntan

oil to prevent development of the burn you've already received.

Similarly, it takes time for a vaccine to get into action, and create protective antibodies in a child's bloodstream.

This may be a matter of a few weeks time. If the polio virus already had invaded the child, the vaccine couldn't throw up a defensive fence soon enough.

It is significant to health officers that many if not all cases of polio occurred within five to seven days after the first shot of vaccine. This could mean it didn't have time to become effective.

West German Freedom Due

Occupation by France, Britain Slated to End on Thursday

By BRACK CURRY

BONN, Germany (AP)—France and Britain are scheduled to take the last step to end the occupation of West Germany Thursday.

Winding up two days of talks with French Foreign Minister Antoine Pinay, Chancellor Konrad Adenauer announced yesterday the Paris and London governments on that day would deposit in Bonn their instruments of ratification of the Paris treaty restoring sovereignty to West Germany.

The United States and West Germany already have deposited their ratification instruments.

Adenauer and Pinay announced to a news conference they had agreed on "all outstanding questions" between their two governments. Until the early hours yesterday the French had threatened to postpone German sovereignty.

The day after deposit of the last sovereignty instruments, Adenauer will go to Paris for the ceremony admitting West Germany to the seven-nation West European Union. It is as a member of this alliance that the Bonn government will be allowed to rearm.

Next week in Paris West Germany will become the 15th member of the North Atlantic Treaty Organization.

The two officials conferred here to settle differences over the Saar border territory, a settlement the French government had promised the National Assembly it would obtain before depositing the ratification instrument.

Labor Leader Dies at May Day Rally

LEICESTER, England (AP)—One of Britain's top labor leaders, militant anti-Communist Arthur Deakin, died of a heart attack yesterday. He collapsed while addressing a May Day rally.

Deakin since 1945 had headed the world's largest labor union, the 1,300,000-member Transport and General Workers Union. He was 64. He had planned to retire on his next birthday, in November.

Deakin started work in a south Wales steel mill at 13 but studied economics and industrial history in night classes. At 18 he formed a local union and had been a labor organizer ever since.

Warns Against More Fires in Florida Woods

LAKE CITY, Fla. (AP)—The Florida Forest Service warned today that still more forest fires may follow blazes that destroyed more than 30,000 acres of timberland during the weekend.

The fires ranged from Columbia and Baker counties on the Georgia line to Lee County in south Florida. In between, big fires were going on in Flagler, Marion, Dixie and Volusia counties.

Lake City, a town of about 8,000 population 50 miles west of Jacksonville, was showered yesterday by cinders and ashes from the 7,500-acre Columbia County fire, which burned to within 10 miles of the city limits. A shift in the wind caused the shower to stop.

The Lee County fires burned over more than 10,000 acres, including 8,000 acres just south of Fort Myers. Fifteen houses were threatened for a while but crews managed to divert the blaze.

A sawmill and four small buildings were destroyed at Bonita Springs, 15 miles south of Fort Myers.

And Who'll Get Off?

NEW YORK (AP) — Subway trains equipped with television sets, slot machines and beautiful hostesses? Michael J. Quill, president of the CIO Transport Workers Union, suggests that such attractions would lure more passengers and make subway operations profitable.

(Some people think the subways are crowded enough as it is.)

Metamora State Branch Closes

First National Continues in Village That Knew No Bank for 23 Years

DRYDEN — Another fluctuation in the bank situation in Dryden has reduced the total for the community to one.

For 23 years, residents of the small village did their banking in neighboring towns or an old sock. Then early in March, the 476 villagers suddenly woke up to find it had not one, but two bank branches gracing its Main Street.

Business was brisk at both the First National Bank of Lapeer branch, and also the Metamora State Savings Bank branch.

However, Saturday marked the final day of transactions for the Metamora Savings Bank branch.

"Due to circumstances beyond our control, the Board of Directors of the Metamora State Savings Bank has decided to discontinue our branch bank operation in Dryden, effective April 30," a statement said.

"Since only one branch bank office will be legally permitted in Dryden, the settlement of the issue would no doubt involve extensive litigation through the courts to say nothing about the strong possibility of involving a great number of our friends and customers in the proceedings," the statement continued.

"The outcome of such unpleasant proceedings would still be uncertain. This decision has been reached in the interest of harmony and goodwill in the community, and also for the good of banking in general," it concluded.

The Metamora branch had leased quarters in the Parker building. Still waiting to move into its offices is the Lapeer branch. It will occupy a former tavern on Main street.

At the time of the opening, Irving Welton, in charge of the First National Branch, said the permission to open a branch in Dryden came from the comptroller of currency in Washington, D.C. Lyle Allen, running the Metamora branch, said his bank had received the authority to open its doors from the Michigan Banking Commission.

Dryden had been without a bank since 1912 when the Dryden State Bank was closed.

First Air Course to Start at Stringham School

WATERFORD TOWNSHIP—The Stringham School PTA is sponsoring a Red Cross first aid course, as the first step in its civil defense program.

The class will begin at 7:30 p.m. Tuesday at the school.

Former Personnel Head Succumbs in Southfield

SOUTHFIELD TOWNSHIP—Walter G. Kent, 72, former personnel manager of the Pontiac Motor Division died Saturday, after an illness of several years.

A Southfield resident 35 years, living at 20969 Indian St., he was formerly a floor manager with the J. L. Hudson Co. of Detroit. He was also employed with the Sterling Secret Service of Detroit, the Orchard Lake Police Department, and the Cogswell Twist Drill Co.

A founder of the Southfield Community Church, he was an Odd-fellow, and a member of the United Commercial Travelers. Surviving are his widow, Marion, two daughters, Mrs. Marion Gell of Utica and Mrs. Abbie Kucera of Southfield, two sons, Hudson E. Kent of Rumford, Maine and Edward R. Kent of Detroit, and 14 grandchildren.

Services will be held at the Spencer J. Heeny Funeral Home, Farmington, at 2 p.m. Tuesday, with burial in Oakland Hills Memorial Gardens.

Special Meeting Called at Avon

Public Explanation Set May 4 on Proposed Water System

AVON TOWNSHIP — A special meeting to discuss the proposed new water system for the southwestern part of the township has been called for 7:30 p.m. Wednesday at the township hall.

Residents of sections 34 and 35 have been urged to attend. Engineer Felix Anderson and his will be present to discuss the plans and cost of the system.

Large groups of home owners from two sections have been attending the regular meetings of the township board, seeking a cost figure on the proposed water system.

The township board has increased its contribution to the Avon Youth Recreation Assn. from \$200 to \$600. Others participating are the Avon Community Chest, \$600; the village of Rochester, \$600; and the Lions Club, \$25.

The board has also approved \$150 to send Avondale Fire Department's Harry Godin to Davenport, Iowa, for a training course in civilian defense.

Old Linens Needed

DRAYTON PLAINS — The Ladies Aid of the Community United Presbyterian Church will meet at 1 p.m. Wednesday in the church to work on cancer pads. The group is asking for old white shirts, sheets and linens.

Drayton Group Plans Smorgasbord Dinner

DRAYTON PLAINS — A Smorgasbord dinner will be held Saturday at St. Andrew Episcopal Church. Sponsored by the women's auxiliary, the dinner will be served from 5:30 to 7:30 p.m. and will feature salmon, ham and turkey dishes.

Mrs. George Higgins and Mrs. J. B. Boardman are co-chairmen for the event.

Hit on Woodward, Boy, 8, Succumbs

FERNDALE — An 8-year-old boy died this morning of injuries received when he was struck by a car Sunday at Woodward and 10 Mile Road.

Richard LaBardche, son of Mr. and Mrs. Eugene LaBardche of 420 E. Breckenridge, succumbed in Beaumont General Hospital.

Milton Pritchard, 20, of 85 Broadacre, Clawson, told police he was driving south on Woodward in the right hand lane, when the boy darted out in front of his car. Pritchard said he applied his brakes, but was unable to stop before hitting the youth.

Pritchard was not held.

Musical to Honor Past Presidents

ROCHESTER — Past Presidents Night will be observed by the Tuesday Musicales tomorrow evening, at the Woodward Memorial Library. The past presidents have arranged a dinner to precede the program at 6:30.

This is also the annual meeting. The annual election of officers will be held and yearly reports will be given.

Mrs. Leonard Harding, pianist, will be the guest artist. The Tuesday Musicales Chorus under the direction of Mrs. Stowell Collins will sing several numbers.

Ortonville Church Group to Make Cancer Pads

ORTONVILLE — The Christian Crusaders of the Baptist Church will meet at 10 a.m. Tuesday for an all-day session at the home of Mrs. Clyde Hartwig.

Cancer pads will be made, and a business meeting and worship period will be held.

Mrs. Earl Floyd Slated Speaker at South Lyon

Mrs. Earl Floyd will be the guest speaker at the 12:15 p.m. Tuesday meeting of the Oakland County Farm Bureau Womens Committee.

Mrs. Floyd is the police woman of the Oakland County Sheriff's Department. The meeting will be held at the home of Mrs. Lyman Joslin, 54299 Nine Mile Rd., South Lyon.

Subject of her speech will be police work, her duties with the sheriff's department, and how the sheriff's department works with other organizations.

To Attend Convention

WATERFORD TOWNSHIP — Members of the Bible Class of the Waterford Community Church will attend the convention of the National Independent Fundamental Churches of America at 7:30 p.m. Tuesday at the Berkeley Community Church.

Drayton Group Plans Smorgasbord Dinner

DRAYTON PLAINS — A Smorgasbord dinner will be held Saturday at St. Andrew Episcopal Church. Sponsored by the women's auxiliary, the dinner will be served from 5:30 to 7:30 p.m. and will feature salmon, ham and turkey dishes.

Mrs. George Higgins and Mrs. J. B. Boardman are co-chairmen for the event.

3 Years Needed to Arm

Bonn Preparedness Is Still Long Way Off

BONN, Germany (U)—German and Allied military experts calculate it will take at least three years to make West German armed forces ready for combat. Some German sources think that, for political reasons, it may take until 1960.

The three main factors affecting the speed of rearmament are:

1. The Germans have to start from scratch to create modern forces for the atom age. There's a serious shortage of qualified young officers and noncoms.

2. A mass of legislation is required to legalize the raising of armed forces.

3. The public is so reluctant to rearm that it will be politically impossible to put too much steam behind the drive until all possibility of a settlement with Russia has clearly disappeared.

The top limit for the West German forces is 500,000 men. They will be divided into 350,000 soldiers in 12 divisions, 85,000 airmen in a 1,300-plane tactical air force, and 65,000 sailors in a small coastal navy.

At least nine major laws will be necessary to implement the Paris treaties in Germany.

The first will be a "volunteer law" to establish a 150,000-man cadre for the armed forces. A conscription law will be needed to enable 350,000 men to be called up for 18 months training and then kept on reserve.

A new democratic military code is to replace the strict Prussian-style regulations of the past.

Powers to requisition land and property and raise funds for military purposes must be granted by Parliament.

Parliament must decide the question of who is to be commander in chief, which is sure to stir controversy.

Parliamentary sources doubt this process can be completed much before the end of this year. That means the first recruits would be taken into service in January 1956.

For all their services, there will be a cadre of 22,000 officers, 40,000 noncommissioned officers and 88,000 enlisted men. There is already doubt whether so many volunteers can be found.

Present plans for the army call for the creation of 12 skeleton divisions at first. In emergency these could be combined to make four full-strength divisions.

After about 18 months training, these divisions will be ready to take on strength through the draft.

Initial air force training, especially of pilots, is expected to be carried out in American and British establishments.

The service commanders as well as the commander in chief have yet to be named. The leaders chosen, the cadre trained, the forces will be ready for the draft.

The day when the summonses go out to the nation's young men is also subject to political influence.

Federal elections are due in September 1957. Political observers believe the government would not risk its election chances by calling the draft just before the vote. They speculate that this might delay the draft until late 1957 or even January 1958.

On that basis the divisions would not be fully trained and ready for battle until 1960.

On the other hand, if the nation became convinced there is no hope of a deal with Russia over reunification, the program could be speeded up to put trained divisions in the Western lines early in 1958.

Hal Boyle Says:

Join Polar Bear Milking Contest

NEW YORK (AP)—America today is contest-crazy.

For every person trying to get rich quick by buying wildcat oil or uranium stock, there must be 10,000 seeking to end all their money problems by winning a big national prize contest.

There are scores of these contests going on all the time, and the prizes are getting so magnificent the sponsors are scratching their heads trying to think up bigger and better ones. So far neither the Statue of Liberty nor the New York Yankee baseball club have been put up as contest prizes, but don't bet they won't be.

Remember the dear dead days when college boys swallowed goldfish and men nosed peanuts up Pike's Peak for pure glory? Not any more. Contests now have to pay off in hard cash.

The Horatio Alger hero of yesterday got ahead by hard work.

But the hero of the modern contest world is the guy who in a single evening wins a world tour, a furnished home and a life income of \$500 a month. He does it by sending in a boxtop on which he has scribbled in 25 words why he likes "Blotto," the new wonder-absorbent breakfast food.

The goal no longer is to strive and succeed. Why save up for a trip to Paris when it is so much easier to win it by breaking the bank, identifying the mystery tune, solving the puzzle, or entering a contest to name a new seductive perfume?

Personally, I entered one of

these contests to name a perfume, got nowhere, and now have sworn off being a contestant for life.

(Editor's note: What name did you suggest for the perfume?)

(Boyle's note: "Snooty"—and I still can't see why I didn't win.) But the contest mania has become so widespread it is ruining social life in this country. People are so busy filling out box tops they no longer have time to talk.

The craze also has infected the business world. In some offices the white collar dreamers are so busy filling in boxtops or contest labels they have no time for their regular tasks. I heard of one annoyed employee who put up a sign on his bulletin board: "A prize of \$1 will be paid this week to the first employee found working at the job he's being paid to do."

After a week he removed the sign. There had been no takers. The prize was too small.

This grabbing philosophy has divided the land into two new classes—those who sponsor contests, those who enter them.

Since I now am too proud to enter any more contests, I have decided to sponsor one of my own—an exciting contest that demands both skill and dexterity and will add to any entrant's education by improving his understanding of nature.

So I hereby announce it—an international competition to see who will become the first person in history to milk a live lady polar bear.

To the best of my knowledge it has never been tried before but we can't let the Russians beat us to the punch in this, can we?

The rules of the contest are simple:

1. The polar bear must be awake and undrugged at the milking hour.
2. All milking efforts must be attempted in an atmosphere of mutual good will—that is, as mutual as the polar bear will allow.
3. Each entrant will assume personal responsibility for all medical expenses entailed, including any claims for damages registered by the polar bear.
4. Entrants will provide their own polar bears.
5. The winner will receive international recognition but no cash prizes—although he will be allowed to retain the milk if he chooses.

Entrants may object that this doesn't sound like much of a contest. But our main purpose here is to put contests back on a sound, commonsense basis of good old-fashioned fun. They have another consolation. They won't have to

Million-Dollar Earners Getting Fewer in U. S.

WASHINGTON (AP)—There were 148 Americans with incomes over a million dollars in 1952, Internal Revenue Service records show. This was 23 fewer than the year before.

A revenue service study of 1952 tax returns made public yesterday disclosed that the 148 millionaires reported income totaling \$289,224,000. On this, they paid federal income taxes totaling \$180,198,000. Personal income tax collections that year reached a record level of 28 billion dollars.

Don't Know Dope Sheet

TUCSON, Ariz. (AP)—Students at the University of Arizona may spend a lot of time reading—but one publication they apparently miss is the racing form. Not one of the 36 who took the annual vocabulary test at the university could define the word "parlay."

Textile Mill Ends Walkout in Maine

LEWISTON, Maine (AP)—Spindles that ran down April 15 at the outset of a cotton textile strike began whirling again today in mills of the Bates Mfg. Co., the first major firm to reach settlement in a three-state work stoppage.

Workers in five Bates mills—members of the CIO Textile Workers Union—ratified a three-year contract yesterday under which they will get the same benefits, or cuts, agreed on by other major New England mills where strikes exist.

The new contract, meanwhile, continues the average \$1.30 hourly wage which the workers received before they went on strike.

Bates originally sought to impose a four-cent pay cut while the union wanted the old contract continued.

They Lit in Light

LOS ANGELES (AP)—A sparrow family, Papa, Mama and four fledglings, have taken up residence on R. E. States' porch light. Mr. and Mrs. Sparrow have become expert dive bombers in protecting their young. The States family is taking it calmly, and warning visitors in advance, if possible.

A grown mountain lion weighs about 180 pounds.

Spectacular Luck

Current Young Tigers Recall Team of 1950

By GAYLE TALBOT
NEW YORK (AP)—It is difficult to recall another big league club which has had as great luck as the Detroit Tigers in coming up with spectacular young outfield units. The one which is causing American League eyes to bug these days is the second such to burst upon the Motor City since the war.

It seems only yesterday, and it actually was only six and seven years ago, that a youthful Tiger

outfield trio of Hoot Evers, Vic Wertz and Johnny Groth was the hottest thing in the game. They had hit Briggs Stadium almost together and in no time at all were being fitted for immortality.

In 1950, the second year they played together as a unit, Evers hit .323, Wertz .308 and Groth .306. Largely due to their collective clubbing, the Tigers won 95 games and finished an exciting second, only three games back of the Yankees. There seemed no limit to what heights the trio might eventually carry the club.

But it wasn't to be. The next season Evers' batting average plummeted to .224, that of Wertz to .285. Only Groth stayed close with .299. Within two more years the terrible trio was scattered through the league. You may recall that Wertz did a bit of hitting for Cleveland in the last World Series. Evers is hanging on with Baltimore. Groth with the Chicago White Sox.

And now the Tigers have Al Kaline, Bill Tuttle and J. W. Porter. The latter, just out of the Army, has yet to prove that he is quite in the class with the other two, but everything in the background of the bonus beauty indicates that he will, given time.

No Changes in State Pin Test

Over 3,000 Games Are Rolled, Women Fail to Dislodge Leaders

JACKSON (AP)—Bowlers from more than 15 Michigan cities and towns rolled 3,168 games in the Women's State Bowling Tournament over the week-end but failed to move in on the 10 leaders in the team, doubles or singles events.

The tournament has five more weekends to run. Detroit entries hold the leads in seven of the eight divisions. Detroit Acar Broach leads the team handicap with 2,929 and the actual list with 2,818.

Wanda Kozuch and Eileen Crimmins pace the handicap doubles with 1,285 and Dot Aldred and Helen Shablis of the Motor City have the best actual series of 1,136.

Alveta Kessler of Ann Arbor, tops the handicap singles at 689 and Dolores Wroblewski of Detroit the singles actual with 635. Irene Monger of Detroit, is the handicap all-events pacesetter with 1,920 and Doris Knechtges of Detroit, the actual all-events with a record 1,906.

Pontiac Angler Has Lucky Day Trout Fishing

Saturday's opening round of trout fishing proved very profitable for one Pontiac man, J. R. Warren, 86 Seneca, and his partner, John Koenig, of Highland Park.

Fishing in Sheldon Creek, located west of Northville at the state fishing grounds, the pair landed 15 brook trout averaging 9 1/2 to 10 inches in length. Bamboo fly rods and gold spinners were used, with night crawlers for bait.

Warren, who has been trout fishing in Oakland County since 1941, said that this was the 1st time he had ever met with any success in this area.

Crane Nine Winner of 1st League Game

Cranbrook's baseball team won its first Inter-State Prep School league game of the season and boosted its overall record back to victory over Cleveland University School at Cranbrook.

Steve Hayes worked until the 4th inning and didn't yield a hit, but was replaced by Dave Morris due to wildness. Morris continued to a 2-hitter. The Cranbrook team came in the 4th with 2 outs on single by Joe Prendergast, Pete Dawkins and Chuck Grube, along with a balk and an error.

That and his other performances won him 20 votes among sports writers as outstanding athlete of the meet.

GMC 9 Sates Practice

General Motors' softball team, an entry in the City Softball League, will practice tonight and Wednesday at 6 o'clock on the Beaudette Park diamond. All players are invited to try out.

Chiefs Outdistance Field in Record CMC Relays Win

By H. GUY MOATS

Scoring in 14 out of 16 events in the Central Michigan College outdoors relays, Saturday, at Mt. Pleasant, Pontiac High School's great track squad rolled up a record 101 1-5 points to win the event.

It was the Chiefs' 1st victory in many years in the outdoors test, although the PHS squad has been in there trying for a long time.

Saturday's great victory, over

many of the state's best prep squads, simply adds additional credence to a belief that the team coached by Wally Schloerke and staff of aides, who know their jobs, is the best in the school's history.

And what's more, it's the opinion of competent observers in the Valley conference, who've seen the Chiefs in action, that they are state-title bound.

Chiefs' coach probably won't go that far, but he's delighted and proud of the team's achievement.

The win, by more than 60 points in front of the next squad—Flint Northern (40 3-5 points) was the 5th straight this year for PHS. It was the 2nd meet victory for the West Huron crew at Central Michigan College this spring. Pontiac won the indoor relays also by a large margin, over many of the

same opponents as in Saturday's test.

The triumph now makes Pontiac an overwhelming favorite to take the Saginaw Valley crown Saturday as another gem in what is on its way to being the finest PHS track season in the school's history.

On its way to the resounding success, Pontiac set two new meet records, compiled seven 1st, sev-

en 2nds and two 3rd places. The team brought back one big meet trophy, four smaller relay awards and a total of 43 medals.

First new meet record was a surprise. On Friday afternoon PHS had no 120 yard shuttle hurdles relay team. Saturday afternoon Hayes Jones, Jim Taylor, Norris Jackson and Willie Wilson hung up a 59.3 seconds time to erase Saginaw's 1954 mark of 1:01. In a trial run Friday at suggestion of Ray Lowry, the quartet equalled the CMC mark, running on the Wisner track.

Setting up this team weakened Pontiac in one other event. But as it turned out it helped produce 18 points.

Other record was a middle-distance relay with Rod Treas in the 1st 880, Charles Robinson and Norris Jackson in the two 440s and Bill Douglas in the anchor 880, setting a 5:59.6 mark to beat Detroit St. Joe's 1954 mark of 6:00.2. Douglas hit a fine 2:04 in the anchor lap.

A new PHS school record was also set. The 2:34 mark set in 1947 was wiped out when Archie Brooks, Freeman Watkins, Charles Spahn and Jim Shorter hit 2:33.9 in the sprint medley.

Jones, with 15 points was top man for the Chiefs. E. J. Harris turned in 12 and Wilson had 10. Schloerke and Lowry were in

Saginaw today to attend the draws for this Saturday's Saginaw Valley meet.

Unless some unexpected power develops in the western part of the state, observers here give Pontiac a fine chance at the state title. Just now there doesn't appear to be any other Class A outfit with better balance and all-around scoring power.

Schloerke and his aides today gave strong credit to the junior high school and Junior Olympic programs. "Saturday's success," said Schloerke, "showed the result of the training and coaching these boys have had, beginning down in the grades, and coming up through the Junior High program. It's that program paying off in great style. 'We're proud of that fact,' Wally added.

"As a team, without a doubt, this is the finest all-around squad we've coached up here at PHS. Ray (Lowry) told me that he believes it's the best in his 14 years of coaching here."

Here's the Class A order of finish:

Meetstandings—Pontiac 101 1-5; North-ern 40 3-5; Saginaw (defending champs) 29; Lansing Section 25; Bay City Central 12 1/2; Flint Central 10 1/2; St. Joseph (Det.) 20; Arthur Hill 19 1/2; Muskegon 11 1/2; Birmingham 11 1/2; others figured in the scoring, but were far down the list.

Class B—(1st 5 places) tie for 1st by River Rouge and Inkster, 50; Mount Pleasant 42; St. Louis 34 and Ecorse 32. Nine Class B records were set.

Here's Record of PHS Victory

Central relay—Won by Bay City Central; 2nd Pontiac; 3rd Lansing Section; 4th Ann Arbor; 5th Saginaw High. Time 1:09.1.

Two Mile Relay—Won by Muskegon; 2nd Midland; 3rd Waterford; 4th North-ern; 5th (2-way tie) Grand Rapids CC and Saginaw High. Time 12:47.

Sprint Medley Relay—Won by Pontiac (Brooks, Watkins, Spahn, Shorter); 2nd Flint Central; 3rd Detroit St. Joe; 4th Muskegon; 5th Arthur Hill. Time 2:33.9.

Shot—Won by Tom Joswiak (Det. CC); 2nd Bill Greiss (BC Cent.); 3rd HERB BUTLER (P); 4th Theophilus Wiesnecke (ARI); 5th Pat Wightman (Lans. E). Distance 49 feet.

High Jump—3-way tie. HAYES JONES (P) and HUDSON RAY (P); 3rd (2-way tie) Randy Schob (ARI); Mike Ellison (Lans. E); 5th (5-way tie) Tom Otto (Lans. E); Bob Olson (BC Cent.); Mike Byrnie (Mus.); Tom Wilson (Lapeer) and Ron Lich (Lapeer). Height 5 feet 10.

120 Yard Hurdles—Won by Bill Chesney (Sag. HS); 2nd HAYES JONES (P); 3rd Kelly Thompson (FN); 4th Gordon Pade (BHM); 5th Roger Pillus (Mus.). Time 1:15.1 (new record—old, Bob Schmerhorn 1:15.1 in 1951).

Mile—Won by Roy Pellerin (Det. St. Joe); 2nd Charles Gavrilin (FN); 3rd FERRY WILLIAMS (P); 4th Tony Smith (Lans. E); 5th Dan Stock (ARI). Time 4:38.5 (new record—old by Pete Drey (FC) 4:44.7 in 1949).

100 Yard Dash—Won by Dick Moren-tee (Det. CC); 2nd E. H. HARRIS (P); 3rd Alton Nickola (Sag. HS); 4th Bill Dove (BHM); 5th Russ Pickel (Mus.). Time 10.4 seconds.

180 Low Hurdles—Won by WILLIE WILSON (P); 2nd HAYES JONES (P); 3rd Chesney (Sag.); 4th Joe Kueval (BHM); 5th Cleveland Harrington (FN). Time 20.3 seconds.

Broad Jump—Won by FREEMAN WATKINS (P); 2nd E. H. HARRIS (P); 3rd Don Othysen (Det. St. Joe); 4th Ernie Lansdowne (FN); 5th Glenn Powell (BHM). Distance 21 feet 3 1/2.

Middle Distance Relay—Won by PONTIAC (Treas, Chuck Robinson, Norris Jackson and Bill Douglas); 2nd Birmingham; 3rd Detroit St. Joe; 4th Lansing East; 5th Arthur Hill. Time 5:59.6 (new record).

440 Relay—Won by Flint Central; 2nd (2-way tie) PONTIAC and BC Cent.; 4th Flint Northern; 5th Det. CC. Time 44.8 seconds.

Shuttle Hurdle Relay—Won by PONTIAC; 2nd Flint Northern; 3rd Saginaw; 4th Arthur Hill; 5th Flint Central. Time 39.38 seconds (new record).

Mile Relay—Won by Lansing Section; 2nd Flint Northern; 3rd Ann Arbor; 4th Sag. hs.; 5th Bay City Cent. Time 4:47.1.

Pole Vault—Won by Jerry Hamling, Sag.; 2nd GEORGE THERRASHER (P); 3rd (3-way tie) TED MUNGER (P); Dick Crampton (BHM); Jim Fitzgerald (Det. St. Joe); 5th Jim Collins (FN). Height 11 feet 8.

880 Relay—Won by PONTIAC; 2nd Lansing Section; 3rd Arthur Hill; 4th Flint Northern; 5th Det. CC. Time 1:13.

PERFECT DAY'S FISHING — A perfect trout opening day was enjoyed by at least one Pontiac angler. Above, Floyd Schell, 599 First avenue, displays a limit creek of brookies, taken early Saturday in Paint Creek, near Bald Mt. Recreational Area. The big one went 12 inches in length. Others averaged about 8 to 9 inches. All were fine specimens.

Schell is a veteran trout with about 20 years experience. He used light fly tackle, but his terminal lure was the good old, time-tested "garden hackle." Weather and stream conditions both were ideal.

Experience on Side of Nashua Saturday

By ORLO ROBERTSON

LOUISVILLE, Ky. (AP)—If experience alone spells victory in the 51st Kentucky Derby Saturday, then the blanket of roses can be tossed on the back of favored Nashua without a moment's thought.

For there is no owner-trainer-jockey combination in the \$125,000 added turf classic for 3-year-olds to challenge Nashua's triumphant Belair Stud-Sunny Jim Fitzsim-

mons and Eddie Arcaro in the winning of America's most famous horse race.

Belair's famous white and red polka silks have appeared in six Derbies and on three occasions they were carried home first—in 1930 by Gallant Fox, in 1935 by Omaha and in 1939 by Johnstown. But this will be the first attempt for the present 34-year-old master

of Belair, William Woodward Jr. He took over following the death of his father in 1953.

Each time a Belair colt paraded into the winner's circle to be blanketed with red roses, Sunny Jim Fitzsimmons, the grand old man of the sport, was there as the trainer. There is some doubt if Mr. Fitz, now close to 81, will be on hand Saturday but to him goes all the credit for developing the son of Nasrullah. If Sunny Jim decides the trip and excitement too much, his son John will represent him. Mr. Fitz has saddled nine Derby starters, including two in 1936.

As for Arcaro he is almost Mr. Derby himself among the jockeys. The little 40-year-old Italian-American, called "Banana Nose" and rated America's premier stakes rider, has an unmatched Derby record of five victories in 15 trips to the Downs since 1935. Curiously enough, he never has ridden a Fitzsimmons-trained Derby horse. His victories were aboard Lawrin, 1938; Whirlaway, 1941; Hoop, Jr., 1945; Citation, 1948 and Hill Gail, 1952.

Seven other colts are expected to answer the word "go" at 4:30 p.m. Eastern Standard Time Saturday and for their owners and trainers it will be a new thrill—an even greater one should their colors finish on the front end before the estimated crowd of 100,000.

Fish, Fishermen Plentiful as Trout Season Starts

An abundance of fishermen and loaded creels featured the 1st week-end of trout fishing in the Oakland County area, according to reports of conservation officers.

Turnout was so heavy at Union Lake that parking facilities were unable to accommodate all the cars, forcing many anglers to park elsewhere, officers report.

Nearly everyone was reported catching his limit at Union Lake and anglers were equally successful at Oxbow and Orchard lakes. Howard Johnson said today, Trout were less abundant in streams like the Clinton and Huron rivers, however, due to shallow water, conservation men said.

Fishing was apparently more rewarding around Union, Oxbow, and Orchard waters than it was at Square, Little Silver, Big Silver, and Lion lakes. Area conserva-

tion officers believed most anglers were having some luck, though, and that this year's 1st week-end turnout surpassed 1954.

White Skies Breaks Leg, Is Destroyed

NEW YORK (AP)—White Skies, generally regarded as the best sprinter in thoroughbred racing last season, suffered a broken hind leg in a workout at Belmont early today and was destroyed.

The five-year-old chestnut, owned by William Wickham of Lexington, Ky., won four stakes last year and had 1954 earnings of \$118,100. In two appearances this spring White Skies had finished third in each race.

Aggies' Mashburn Named Standout of Drake Relays

DES MOINES (AP)—J. W. Mashburn of the Oklahoma Aggies has few individual track honors to his credit but he was good enough to be named outstanding athlete of the Drake Relays last weekend.

Mashburn, who likes to be called by his initials rather than his name, Jesse, was the anchor man who sparked the Aggies to a new university mile relay mark Saturday.

That and his other performances won him 20 votes among sports writers as outstanding athlete of the meet.

Swaps Gains Favor for Fine Showing, but Nashua, Summer Tan Remain Heavy Choices for Derby

LOUISVILLE (INS)—The 51st running of the Kentucky Derby Saturday, billed as a two-horse race between Nashua and Summer Tan, may develop into a hot three-cornered one.

Swaps, a California bred colt, is getting increasing consideration because of his fine showing in his last outing.

The Rex Ellsworth colt gave "something to talk about" last Saturday by scoring an 8 1/2 length victory over Trim Destiny in his final prep for Saturday's \$125,000 added classic.

His impressive showing in an allowance race at the Louisville track, has boosted his chances considerably for the mile and one quarter derby run—a stern test for any horse.

Swaps is one of eight horses expected to be in the gate when starter Ruby White springs the barrier in the Run for the Roses. Tuesday Derby Trial at one mile may produce an unexpected starter or it may also eliminate some of the eight from consideration.

Whatever the case, it almost surely will be the smallest Derby field since the 1948 classic when Calumet's famed duo—Citation and Countdown—ran one, two, in a six horse field.

Swaps, winner of the Santa Anita derby on Feb. 19, made his first appearance in over two months last Saturday as he left four other opponents staggering behind him to capture the six-furlong dash.

The Ellsworth colt, which will bid to become California's second straight derby winner (Andy

Campbell Good Despite Loss

Walker Cup Captain Beaten by Youngster Bisplinghoff in N-S

PINEHURST, N. C. (AP)—Although Walker Cup captain Bill Campbell was trounced, 5 and 4, in the finals of the North and South Amateur Golf tournament by 20-year-old Don Bisplinghoff, the outlook is by no means bleak for the U.S. when it engages the British.

"From what I saw here this week I know there is no question but that Bill Campbell will be a playing captain against the British."

Bisplinghoff of Orlando, Fla., had fired the back nine in the morning round of the 36-hole finals in one under par 35 to take a three up lead. He swept the 1st there in the afternoon to shoot six up before Campbell began to play.

Babe Zaharias Wins Peach Blossom Test

SPARTANBURG, S. C. (AP)—Babe Zaharias, whose comeback after the effects of cancer stirred the sports world, was \$1,000 richer today thanks to a comeback victory yesterday in the third annual Peach Blossom-Betsy Rawls Women's Golf Tournament.

Mrs. Zaharias, who either led or shared the lead during the entire 72 holes of play, went into yesterday's final 18-hole round over the Spartanburg Country Club course tied at 217 with Marilyn Smith of Wichita, Kan.

Crevolin's tiny grey Determine won in 1954) covered the distance in 1:16-1-5, just a fifth of a second off the track record.

Veteran jockey Willie Shoemaker who will ride the California sprinter in the Run for the Roses, worked Swaps out an additional eighth in 1:25-3-5, equalling the track record for that distance, then was standing up in the stirrups as Swaps galloped out the mile in 1:35-2-5.

While nobody expects Swaps to take the favorite's role from Nashua or even to supplant Summer Tan as the strong second choice, it was generally agreed that there would be plenty of support for the Swaps-Shoemaker combination.

Odds makers now list Nashua at even money, Summer Tan at 3 to 1, and the others "any price."

Three Factors Make Turley Much Improved Pitcher

DETROIT (AP)—Bob Turley, strong-armed right-hander of the New York Yankees, says he's an improved pitcher because:

1. "I don't have to keep throwing my fast ball all the time."
2. "I've got Coach Jim Turner on my side."
3. "I don't have to face the Yankees any more."

Most significantly, Turley seems to be licking his control problem—the remaining barrier, many believe, between greatness and mediocrity.

He walked only four batters, while fanning six, as he pitched the Yankees to a 6-1 victory over the Detroit Tigers yesterday. It gave him a 4-0 record for the season.

Turley allowed only four hits—all singles—in ending the Tigers' winning streak at seven games. "My fast ball is still my best pitch," he said, "but I don't have to keep using it all the time. "But Turner has been working hard with me. He has taught me variety—to use my curve ball more often. Now I throw a slow curve and a fast curve, as well as my fast ball."

Maple, Skipper Crews Do OK

Birmingham Finished in 10th Place, Waterford at 15th, in CMC Event

Birmingham and Waterford track teams were among the point-scoring in the wake of Pontiac's blazing victory in Saturday's Central Michigan College Relays at Mt. Pleasant.

Kermit Ambrose's Maples finished 10th with 15 1-5 points, while Jack Hackett's Waterford outfit was 15th with 6 points. Lapeer scored 2-5 of a point for 17th place.

In Class B, Oxford's only place was a 3rd in the middle distance relay.

Gordon Pade, Birmingham's fine hurdler, won his heat and finished 4th in the finals of the 120-yard high hurdles. Bill Love won his heat and finished 4th in the 100-yard dash.

Joe Kidwell was 4th in the finals of the 180-yard low hurdles. Fitzgerald tied for 3rd in the pole vault, and the Maple middle distance relay team was 2nd to Pontiac.

Waterford dashman Gary Wide-man was 2nd in his heat, then finished 6th in the 100-yard dash. The skippers also took 3rd in the 2-mile relay. Tommy Wilson of Lapeer was involved in the 5-way tie for 5th in the high jump.

Redlegs Escape Injury

THORNDALE, Pa. (AP)—Cincinnati Redleg baseball players escape injury yesterday when their train was sideswiped by a westbound train and they were sprayed with glass.

Moore, Valdes Meet Tonight in Las Vegas

LAS VEGAS, Nev. (INS)—Light heavyweight champion Archie Moore and heavyweight Nino Valdes weigh in this morning for their scheduled 15-round bout tonight at Cashman Field in Las Vegas.

Moore is expected to tip in at about 180 and Valdes at about 208. Moore, who had to make the rounds with a series of heart specialists before he was able to pass his physical for the fight, is a 5 to 12 choice.

Pitt Star Fails to Figure, Ran 1 Event; Manhattan on Top

PHILADELPHIA (AP)—Arnie Sowell headed back for his classes at the University of Pittsburgh today with nothing more than empty memories of what was to be his shining hour.

The versatile junior—already the favorite to win the 800 meters in next year's Olympics—wound up running in just one race in the Penn Relays Saturday and that was for a hopeless cause.

With Sowell handling the baton, the Panthers were figured to win both the distance medley and sprint medley relays. As it was, through wretched luck, Pitt drew a big blank, while Manhattan trotted off with three titles, and Villanova—which never had won one before in the 61-year history of the event—wrapped up two.

Here is what happened in the two races:

In the distance medley, one of Sowell's mates was spiked and the team had to drop out. Arnie, warming up on the sidelines, didn't even get a chance to run.

In the sprint medley, Ed Saunders, Pitt leadoff man, collided with another runner and dropped the stick. By the time he retrieved it, Pitt was out of the race. Sowell, on the anchor leg, was clocked in 1:49.1 for the half, fastest ever run in the carnival.

Manhattan had the depth and also the luck to win the 880, four-mile and shuttle hurdles.

Villanova's two victories were engineered mainly by Charlie Jenkins, who anchored both the mile and spring medley teams. He had to come from behind in both to bring his team the titles.

Skippers Win Third

Waterford High School's golf record was leveled at 3 wins and 3 losses Friday as the Skippers edged Royal Oak, 161-170 over the Pontiac Country Club course. Jack Reynolds of Waterford and RO's Lech each shot 79s.

Jack Benny Serious About His Own Talent

By PHYLIS BATTLE

NEW YORK (INS)—Expecting Jack Benny to be funny in the privacy of his hotel suite is something like expecting Marilyn Monroe to quote Tolstoy with accuracy . . . It is a vain hope. Just as Marilyn is too shall-we-say busy to make mental notes on the classics, so Jack is too serious to make light of his million-dollar talent.

"You take the long-standing

Bricker Foes Eye Dulles' Aid

Secretary Will Testify
Today on Treaty Power
Before Senate Group

WASHINGTON (U)—Opponents of the Bricker amendment to limit the treaty power looked to Secretary of State Dulles today to line the administration up solidly on their side.

Some of them had voiced suspicions that the administration might be trying to compromise the controversial issue when the White House intervened to call off Dulles' appearance before a Senate Judiciary subcommittee at the start of its hearings last Wednesday.

Since then, however, both President Eisenhower and Dulles have spoken out in opposition to the proposed constitution change, sponsored by Sen. Bricker (R-Ohio) and rejected by the Senate last year after six weeks of debate.

After Chairman Kefauver (D-Tenn) said he might have to suspend the subcommittee's hearings until the administration was ready to present its views, Dulles sent word he would be on hand this afternoon to testify.

First, however, the subcommittee plans to hear from Frank Holman, a past president of the American Assn. and a staunch advocate of the Bricker amendment.

Gets False Teeth at 5

LOS ANGELES (U)—Five-year-old Henry Cerner is smiling today—with a brand new set of false teeth. Little Henry has only four "real" teeth. A medical condition caused his teeth to decay and the new dentures installed recently at Mt. Sinai Hospital ended his diet of strained baby food.

gags about me," he said genially, arms folded solemnly over his plaid smoking jacket, "the ones about my being stingy, and about wearing a toupee, and about my feud with Fred Allen. Those were each stumbled upon by accident, but since they caught on a lot of hard work has gone into them."

"People still want those gags now, but it gets tougher every time—the variations. We've kept these subjects alive for so long (Jack's stinginess, 23 years; the Allen feud, 17) that whenever we mention them now they must be either very subtly done, or they must be so wild that we seem almost to be parodying our own jokes."

This was typical Jack Benny talk, off-screen and off-mike. He was once known as a man who dined on coffee and fingernails, but now that he is getting a trifle older he is no longer the No. 1 worrier among comedians.

"That other gag about my being 39," he said, and his deep-dimpled chin trembled with droll emotion. "It is not true at all. I am 61. I no longer worry as much as most comedians do. I have, instead, a mere anxiety complex."

Benny, who was in New York for a rare business-pleasure jaunt, still looks at life and his career, however, with the respect of a man who was a poor plumber and an unheralded violinist before he located Easy Street.

"To remain an individual star for 25 years is not easy," he went on, demonstrating why the life

of the clown is serious business. "Especially not now, with television. People are getting so sophisticated, there isn't a small town in the U. S. that doesn't know exactly what the heck is going on."

"You can't just be a gagster any more. You've got to be an actor, a perfectionist. You've got to be as sharp as the people watching you."

He, himself, is a perfectionist "of the worst kind," Benny says. His sense of dramatic timing, which is legend in radio and screen worlds, causes him to flare up when an actor reads a line without a sense of the rhythm of it.

"I despise myself, and try to hold it in. But I feel like firing people on the spot. It's most unreasonable of me, but I've spent years—with the writers, Rochester, Mary and others—going over every line, to make sure the timing is just right," he remembers.

Possible Polio Victim Really Has the Mumps

SACRAMENTO, Calif. (U)—An 8-year-old boy who made news by becoming ill two days after being inoculated with polio vaccine turned out to be a victim of the mumps.

The boy, son of a couple stationed at nearby Mather Air Force Base, was placed in isolation at the Sacramento County Hospital last week as a possible polio case.

But City-County Health Officer I. O. Church announced last night the boy has mumps.

"With practice like that, you get to know that the addition of one apparently harmless word in a line will completely kill a gag!"

Jack, who looks slim and trim ("I play a round of golf every day, and never eat kadota figs or broiled scrod for breakfast") and who does not wear a toupee ("but since people find the idea funny, I don't mind if they think I do"), is returning to the West Coast this week.

But he will be back in Manhattan in mid-July, with wife Mary, to spend his vacation. Their adopted daughter, Joan, is expecting a baby to arrive here then.

"Imagine spending July in New York," he says, grinning and grunting simultaneously, which is

no mean feat. "If Joan weren't mine, I'd fire her . . . Timing is lousy."

Short Cut for Skiers

MT. SUNAPEE, N.-H. (UP)—The Mt. Sunapee State Park ski shop provides skis with the boots already attached, eliminating the time spent in adjusting toe plates to the boots.

Left Survives 2nd Inning Jam to Win No. 3

DETROIT (UP)—Southpaw Billy Hoelt beat the heat, a stomach disorder and the Boston Red Sox yesterday to keep the Detroit Tigers only a half-game out of the American League lead.

The 22-year-old lefty notched his 3rd victory of the season 4-2 by shacking the Red Sox with only

six hits while teammate Al Kaline tossed a two-run homer, his 6th of the year, to lead the punch from the plate.

Hoelt revealed in the locker room that he had been bothered with stomach trouble the morning of the game but didn't tell Tiger manager Bucky Harris

because "I didn't want to miss my turn."

He added that his stuff wasn't working against the Red Sox, but you'd have a hard time convincing them of it.

They collected five of their six hits in the 3rd and 4th innings but

were held to one single in the seven other frames. Boston scored both of its runs in the 3rd on a double by Ted Lepcio, a single by pitcher Ivan Delock and another two-bagger by Jim Piersall.

Their advantage lasted only until the bottom of the 3th after the Tigers got one run back in the 4th when Bill Tuttle's double scored the walking Jim Deling.

Leadoff man Harvey Kuenn opened the 5th with a single and waltzed in ahead of Kaline, who clouted one of Delock's offerings into the left field upper deck.

Tigers added their final run in the 8th off George Suss Jr., on a walk and singles by Ray Boone and Deling.

The victory, played under a record-breaking 88-degrees temperature, gave Detroit a temporary share of 1st place but they lapsed

back a half-game off the pace when Cleveland beat New York 7-4 last night.

Kuenn hit two for three to draw within 12 points of Kaline's .409 average which is 3rd in American League. Kuenn leads the league in this with 29, two more than the other half of the "K-Kids" has made, but has been at bat 73 times compared with 66 for Kaline.

Rookie Frank Lary will try to end Willard Nixon's domination over the Tigers tonight in the 2nd game of a three-game series against the Red Sox. Nixon won only 11 games last year, but five of those victories were at the expense of Detroit.

Lary will be seeking to fatten his 2-1 record and keep his starting role with the Tigers. Boston is riding a six-game losing streak going into today's contest and is holding down 6th place, five and

one-half games off the pace of front-running Cleveland.
