HIGHT TALKS IN RUSSIA, ELECTED TO U.S. SOCIETY

Mary Etta Hight, assistant professor of biological sciences, presented a paper "Immunological Relationships of Ground Squirrels, Genus *Spermophilus*" at the American Society of Mammalogists on May 31 - June 4 in Binghamton, New York.

Dr. Hight was elected to a 3-year term on the Board of Directors of the society. She is the third woman in the history of the society elected to office.

Dr. Hight also attended the First International Theriological Congress held June 6 - 12 in Moscow, Russia. She presented a paper "Serologic Affinities Among Ground Squirrels, Genus *Spermophilus*, of North America and Russia, and the Implications for Biogeography." Plans were developed for research collaboration with Russian mammalogists at the Far Eastern Scientific Center in Siberia.

TRUSTEES APPROVE LABOR RATES, COMPENSATION, GIFTS

Approval to allow qualified non-faculty employees compensation for overload teaching, adjustment of student labor rates to meet Federal guidelines, a foundation contribution for the purchase of noted sculptures, a resolution supporting Oakland

Prep School and acceptance of gifts and grants were highlights of the June 26, Oakland University Board of Trustees meeting.

Gifts and grants totaling \$730,306 were approved and accepted by the Board of Trustees.

Three U.S. Office of Education grants for 1974-75, totaling \$296,185, and under the direction of Manuel Pierson, dean for Student Services are: Special Services for Disadvantaged Students, \$120,000; Project Upward Bound, \$127,604; and a pilot program for Project Upward Bound, the Fine Arts Institute, \$48,581.

University Year for ACTION program received its second year funding of \$162,703 and will be under the direction of Dr. Harvey Hohausser, program manager and coordinator. Funding will support 40 full-time student interns working with 19 area agencies in Wayne and Oakland Counties on manpower development, educational support and crime prevention.

Four grants were received from the National Institutes of Health totaling \$186,762. Two NIH grants support eye research conducted by V. E. Kinsey, biology, "Intraocular Fluid Dynamics," totaling \$169,084; and one by Michael Riley, biology, "Control of Corneal Hydration and Transparency" for \$9,778. Ronald DeVore, mathematics, received an NIH grant of \$7,900 for his project "Degree of Constrained Approximation."

Gifts and grants for Meadow Brook Theatre and/or Festival received since the last board meeting total \$42,479 and bring the 1974-75 fund raising effort to \$99,000. The target objective of \$125,000 is expected to be reached by late July, 1974, according to a status report submitted to the trustees.

A separate donation of \$100,000 was accepted by the board from the Josephine E. Gordon Foundation for the purchase of the Marshall Fredericks sculptures "Saints and Sinners." The board also authorized the expenditure of funds from the Oakland University Foundation for appropriate installation on campus. The board voted unanimously for the preparation of a resolution from the president publicly thanking the foundation for this contribution.

In other business before the board, a resolution was unanimously passed supporting the continuation of the Oakland Prep School program, a return-to-school plan of intensive academic training and counseling for Detroit area high school drop-outs. O.P.S. is federally funded and administered by the Michigan Criminal Justice Program.

Approval was granted by the board, permitting properly qualified 12-month administrative personnel, to receive compensation for teaching credit courses outside their normal work assignment on and off campus. Earlier rulings limited such compensation to 10-month faculty.

The board adopted a resolution raising full-and part-time student labor rates to \$1.90 in accordance with Federal guidelines on minimum wage. This is retroactive to May 1, 1974. The resolution also specified the rate is to be increased to \$2.00/hour on January 1, 1975.

The Board also approved the candidates for diplomas for bachelor's and master's degrees as of April 23, 1974, according to the procedures of certification by the University Senate and following the June 2 commencement ceremonies.

The Board approved Schultz Electrical, Inc., Pontiac for the Library Mall lighting project with a low bid of \$34,770.

BRYANT DISCUSSES THEATRE AT PANELS IN MEXICO CITY

William C. Bryant, associate professor, modern languages, attended a series of panel discussions in Mexico City in May which dealt with the Mexican theatre. He also participated on a panel which discussed "The Mexican Theatre of the Twentieth Century."
