Feb 18-20, 2010

Dear Participants, Fans, Family Members and Friends,

Welcome to the 2010 Summit League Swimming & Diving Championships. The staff at IUPUI has done a wonderful job preparing for this event, which should be the pinnacle of the season for the competing student-athletes and coaches from each Summit League institution.

Approximately 2,500 individuals will compete on behalf of the 10 Summit League institutions this year in a total of 19 sports. The championships that will be contested today represent just two of the 19 that The Summit League will sponsor during the 2009-10 school year. The Summit League and its member institutions recognize the importance of each of these competitions for the student-athletes, coaches and fans alike, and the league makes it a priority for each championship to be a first-class event.

On behalf of the entire league staff, I wish all of today's competitors the best of luck as they battle for the 2010 Men's and Women's Summit Swimming & Diving titles.

Tom Douple
Commissioner

THE SUMMIT LEAGUE

North Dakota State defeated a pair of nationally-ranked teams at the 2009 Norman Softball Regional and became the Summit League's first regional champion in a decade and the first-ever to reach the Super Regional round.

Now in its 28th year as an NCAA Division I athletics conference, The Summit League continues its renaissance and ascent both on the playing field and in the classroom. The 2008-09 academic year saw the league reach numerous milestones among its 10 member institutions and 19 championship sports.

The Summit League made history during its 2009 Basketball Championships with record crowds and sponsorship totals in its first season in Sioux Falls, S.D. New attendance standards were established for the entire tournament, the women's tournament and several individual sessions. On the court, the North Dakota State men and South Dakota State women both achieved the rare feat of earning an automatic NCAA bid in their first season of eligibility.

Netting the NCAA's largest men's basketball attendance increase during the 2008-09 season further illustrated the growth and excitement surrounding Summit League basketball. The league ranked 16th nationally, up six spots over the previous year, and increased its crowds at a rate of 30 percent per game.

While basketball played a major part of the league's success, significant Summit League achievements spanned beyond the hardwood.

An unprecedented total of three Summit League teams ended their 2008-09 seasons with a national ranking. North Dakota State's softball team ended the year ranked No. 18 in the ESPN.com/USA Softball poll after capturing the league's first NCAA Regional title in a decade and becoming the first Summit League team to reach the Super Regional round. South Dakota State's women's basketball team earned a No. 19 ranking in the final USA Today/ESPN Coaches' poll after peaking at No. 14 during the season and posting a first-round victory in the NCAA Tournament. The Oakland men's soccer team finished at No. 30 in the College Soccer News poll after reaching the No. 24 position earlier in the season and becoming The Summit League's first top-25 soccer squad.

The NDSU softball and SDSU women's basketball teams were just part of The Summit League's postseason success that saw a combined seven NCAA Tournament wins. SDSU notched the league's first NCAA women's soccer tournament victory with a first-round win. Oral Roberts claimed a pair of baseball victories in the Tempe Regional to finish as runner-up.

The Summit League sent two teams to the NCAA Men's Soccer Tournament for the first time since 2003, and the third time in history. Additionally, Oakland's men's basketball team hosted and won its first round game in the inaugural CollegeInsider.com Postseason Tournament.

Individually, North Dakota State's Laura Hermanson recorded the league's best women's track and field finish with a runner-up performance in the 800 meters at the NCAA Outdoor Championships. Also in June, Western Illinois' golfer Kyle Peterman won a qualifying playoff to earn an amateur spot in the 2009 U.S. Open. During the basketball season, Oakland's Johnathon Jones was the NCAA assists leader and became the fourth player in league history, and first in 10 years, to lead the nation in a major statistical category.

In the classroom, a Summit League record 13 student-athletes were recognized as Academic All-Americans, including North Dakota State basketball player Brett Winkelman, who was selected as the University Division Academic All-American of the Year. Oakland basketball player Jessica Pike also garnered a top academic honor for her sport and was named the Division I-AAA Athletics Directors Association Scholar-Athlete of the Year.

Six Summit League teams were bestowed with the NCAA Public Recognition Award, an honor given to teams that have a Division I Academic Progress Rate (APR) in the top 10 percent of all squads in their respective sports. Receiving the accolade was IPFW's men's cross country and volleyball teams, UMKC's volleyball and women's tennis teams, Oakland's women's golf team and South Dakota State's men's golf team.

The achievements during the 2008-09 academic year carried over from the summer when a pair of former Summit League student-athletes gained individual acclaim on the world stage. Former Oral Roberts student-athlete Andretti Bain won a silver medal at the 2008 Beijing Olympics as a member of the Bahamas' 4x400-meter relay team after having claimed both the NCAA Indoor and Outdoor 400-meter titles earlier in the year. Former IUPUI standout George Hill became The Summit League's second NBA first round draft pick when he was selected 26th by the San Antonio Spurs after garnering Summit League Player of the Year honors.

Originally formed in 1982 as the Association of Mid-Continent Universities and later known as the Mid-Continent Conference, The Summit League is in its third year of a rebranding that followed its 25th anniversary and coincided with the Summit Plan, a strategic plan that places a renewed emphasis on improving the academic and athletic performances of all league student-athletes. Included in the plan was the league's new name, the creation of a new image and the addition of three member institutions.

One of the Summit League's most iconic moments came when Valparaiso's Bryce Drew hit "the shot", a game-winning three-pointer at the buzzer, to top Mississippi in the first round of the 1998 NCAA Tournament. Valpo's story captivated the nation as they became the league's second team to reach the "Sweet 16."

The 10 Summit League member institutions include Centenary College of Louisiana, IPFW (Indiana University-Purdue University-Fort Wayne), IUPUI (Indiana University-Purdue University-Indianapolis), UMKC (University of Missouri-Kansas City), North Dakota State University, Oakland University, Oral Roberts University, South Dakota State University, Southern Utah University and Western Illinois University.

In April 2009, the University of South Dakota accepted an invitation to join the league with full membership during the 2011-12 academic year and will begin as an associate member for swimming and diving in 2009-10. The league has one other associate member, Eastern Illinois University, which competes in swimming and diving.

These member institutions pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

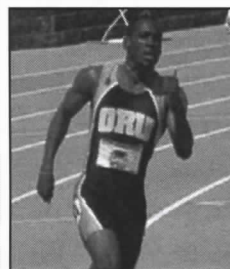

The Summit League sponsors 19 championship sports, which include: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming and diving, men's and women's indoor track and field, men's and women's outdoor track and field, men's and women's tennis, and volleyball. The league champion receives automatic bids to the NCAA Tournament in all applicable sports.

Since its inception in 1982, The Summit League has had several transcendent moments on the national stage. In 1986, Cleveland State upset third-seeded Indiana in the first round of the NCAA Men's Basketball Tournament on its way to a berth in the Sweet 16. A decade later, Valparaiso captured the nation's attention when Bryce Drew hit "the shot" to defeat No. 4 seed Mississippi in an NCAA first-round game and spark its Sweet 16 run. More recently, Oral Roberts' baseball program finished the 2004 campaign with a national-ranking and became the first Summit League school to reach the NCAA Super Regionals in 2006.

The league has produced four Olympic athletes, four NCAA champions and several All-Americans in the sports of track and field, swimming and diving and cross country. Numerous professionals and several draft choices have come directly from The Summit League, including three Major League Baseball first round picks, a pair of NBA first rounders and one WNBA selection. Former Summit Leaguers Kevin Duckworth (NBA) and Kevin Seitzer (MLB) each were two-time all-stars during their professional careers.

Recent and historical success coupled with an increased growth among its membership base gives The Summit League a promising future on the landscape of college athletics.

NOTES

THE SUMMIT LEAGUE

ON CAMPUS

A GLANCE AT THE 10 MEMBER INSTITUTIONS

CENTENARY

Founded in 1825, Centenary College is the oldest liberal arts college west of the Mississippi River. Located in Shreveport, La., Centenary proudly boasts the smallest enrollment of any NCAA Division I institution, with under 1,000 undergraduate students.

IPFW

In 1964, Indiana University and Purdue University opened the combined campus of IPFW. As the most comprehensive university in northeast Indiana, IPFW offers more than 190 programs in the areas of associate, baccalaureate and master's degrees or certificates. University life has become an important contributor to the Fort Wayne region's cultural growth.

IUPUI

Located in the heart of Indianapolis, IUPUI offers the best of both Indiana University and Purdue University, but with an urban feel. More than 30,000 students comprise the institution's enrollment, making it the league's largest school. IUPUI is home to the Indiana University Schools of Dentistry, Law and Medicine.

UMKC

The only NCAA Division I athletics program in a 40-mile radius of Kansas City can be found on campus at UMKC. A member of the University of Missouri system for 40 years, it is a well-respected research university whose programs are focused on the visual and performing arts, health sciences and urban affairs.

NORTH DAKOTA STATE

Located on the state's eastern border in Fargo, North Dakota State University was founded in 1890 and has a current enrollment of more than 13,000 students. NDSU strives to be a leader in information systems, technology, economic development and lifelong learning; and encompasses a broad spectrum of curricular offerings, scholarly activities and services.

OAKLAND

With its undergraduate enrollment at an all-time high of more than 18,000 students, Oakland University continues to grow at a rapid pace. Located in Rochester, Mich., just outside Detroit, Oakland continues its status as a top-rated academic institution and one of the top public universities in the Midwest.

ORAL ROBERTS

Founded by its namesake in 1963, Oral Roberts University is one of the Midwest's top religiously affiliated schools, and prides itself on placing an equal emphasis on developing students' minds, bodies and spirits. A culturally diverse institution based in Tulsa, Okla., Oral Roberts' enrollment comes from all 50 states and more than 50 foreign countries.

SOUTH DAKOTA STATE

As the largest institution of higher education in the state with an enrollment of more than 11,000 students, South Dakota State University was founded in 1881 as a land-grant college. Located in the small but lively town of Brookings, S.D. (population 19,000), SDSU boasts a diverse campus experience, with more than 200 majors and minors.

SOUTHERN UTAH

Founded in Cedar City, Utah, in 1897 amidst some spectacular landscapes, Southern Utah University has grown from a community college to a comprehensive institution offering programs for students with many interests and goals. Home to the Tony Award-winning Utah Shakespearean Festival, it offers 120 major areas of study.

WESTERN ILLINOIS

Students at Western Illinois University enjoy life in a true "college town," as the school is located in Macomb, Ill. (population 20,000). Western Illinois has grown from its roots (a teacher's training school) to become a comprehensive major public university that boasts top programs in both law enforcement and agriculture. The Fighting Leathernecks were founding members of The Summit League in 1982.
