

President to Visit Michigan on Friday

Adenauer Meets With Ike, Dulles at White House

Trio Are Conferring on Political and Military Future of West Europe

WASHINGTON (INS) — German Chancellor Konrad Adenauer meets with President Eisenhower and Secretary of State John Foster Dulles today in a new atmosphere of confidence over the military and political future of western Europe.

This feeling was marked in statements by both Adenauer, who said "the U. S. has saved Europe from ruin and breakdown," and Dulles, who stated that by the success of the London and Paris conferences in unifying western Europe "a very black vista was changed to one of hope."

The secretary added that goals of the talks were "nothing less than the salvation of western civilization itself."

The issues to be discussed between the two foreign ministers—Adenauer also holds the portfolio of foreign minister—make the discussions among the most momentous held in Washington in recent times.

They are expected to talk about Russian reaction to the Paris accords which point the way to a new, in some ways better European Defense Community, and probable Soviet tactics to prevent the effectiveness of the Paris agreements.

In addition, the two leaders will discuss briefly the restoration of German sovereignty and interim measures to give Germany virtual independence until the Paris treaties are ratified.

Sources close to Adenauer say that he is convinced that the only chance of unifying Germany through free elections, and bringing about the withdrawal of the Red army from the eastern zone, lies in having West Germany tied firmly to a strong European military alliance.

These aspirations would be carried a long way to fruition if the Paris agreements are made firm and carried out. Today's talks were designed to contribute to this process.

It is considered doubtful that the three men will discuss U. S. military aid to Germany since the question was settled to a large degree last week.

Expect Flood Toll to Hit 400

Ruins of Italian Towns Yield More Dead; Hope for Missing Fades

SALERNO, Italy (UP)—The wreckage of towns along the ravaged Gulf of Salerno gave up still more bodies today and the final death toll from Italy's greatest flood disaster was expected to reach or exceed 400.

The known dead numbered 288 this morning when seven more bodies were dug from wrecked homes at Molina di Vietri and Ponte Romano.

Hope was abandoned for many of the 200 or more persons listed as missing. It was believed many were swept out to sea or buried beneath their broken stone homes.

State funeral services were held in Salerno's cathedral today for victims of the flash floods and landslides which hit a 10-mile stretch of shoreline late Monday and early Tuesday.

Property damage was estimated in the millions of dollars. Hundreds were injured and about 5,000 left homeless.

By last night beds had been found for all the homeless and blankets, food and medical supplies were arriving in a steady stream.

Lauds MSC Yearbook
EAST LANSING (UP)—The Michigan State College Wolverine student yearbook, has been judged one of the three best college yearbooks in the nation by the Associated Collegiate Press. It was announced today.

Ferguson Greeted by Chief Executive

SENATOR HERE TODAY — Senator Homer Ferguson, Republican candidate for re-election Nov. 2, made a campaign tour of Oakland County today and was guest of Pontiac Rotary Club at noon. He was accompanied today by Edward Wilson, chairman of the county Republican committee. Above the senator (left) is shown being greeted recently by President Eisenhower.

Arizona Doctor May Be Called

Defense Lawyer Says Physician May Testify on Sheppard's Injuries

CLEVELAND (UP) — Testimony from a medical doctor now living in Phoenix, Ariz., may play a major role in the defense of Dr. Samuel H. Sheppard, on trial for his life in the bludgeoning death of his pregnant wife.

This was reported yesterday by William J. Corrigan, chief defense attorney for the young Bay Village osteopath after the eighth day of the trial had passed with one jury seat still unfilled.

Corrigan, talking to reporters after the session, said he planned to call on Dr. Charles W. Elkins, formerly chief neurosurgeon at Lutheran Hospital here to "prove the extent of the injuries Sam Sheppard suffered at the hands of the man who killed his wife."

The defense lawyer said Elkins examined the 39-year-old Sheppard "a couple of days" after the osteopath's wife was found dead in her bed last July 4. Sheppard insisted his wife was killed by a bushy-haired man who invaded their lakeshore home and knocked him unconscious when he tried to go to her aid.

Another Cleveland physician who took part in an examination given Dr. Sheppard expressed doubt, however, that Dr. Elkins would be willing to return from Arizona to appear at the trial.

Dr. Sheppard was taken from his jail cell by a deputy sheriff last night for a brief visit at the bier of his dead wife's grandfather, Harry P. Blake.

Blake died Tuesday at the age of 84 and Dr. Sheppard had requested permission to attend his funeral today. The visit to the funeral home, conducted without advance notice, apparently was the sheriff's answer.

City Labor Leaders Back General Hospital Addition

After touring Pontiac General Hospital this week, eight Pontiac labor leaders promised to renew their efforts to get solid union backing for the hospital bond issue.

The Oakland County CIO Council in September endorsed the hospital bond issue and recommended passage of the measure, which would provide additional bed space at the city hospital.

When the labor delegation visited the hospital, it was 32 patients above its 198-bed capacity and the visitors had to make their way around hall beds and through bed-jammed sun parlors.

Hospital authorities reported today that there were 34 patients in hall beds. This totals 117 per cent over the hospital's 198-bed capacity.

"If we ever had any disaster or explosion at one of the plants or an epidemic in Pontiac, we wouldn't have any place to put people," said Fred Haggard, county CIO council president.

"And if there was a fire in the building, I don't know how they would get the people out of there," Haggard added.

"General conditions are poor," he said. "The doctors have no lounge or consulting rooms. There is no place for visitors. It certainly is not the hospital administration's fault. There is just no room."

Haggard added: "Industrial plants here in Pontiac are paying (Continued on Page 2, Col. 2)

To assist electors in becoming familiar with the ballots for Tuesday's general election The Pontiac Press today carries instructions for study before election day. They are on page 18.

Ann Arbor Fire Fatal to Student

U of M Graduate Dies in Flaming House Trying to Save Aged Landlady

ANN ARBOR (UP) — A University of Michigan student from Grand Rapids died early today in a heroic but unsuccessful attempt to save her landlady from a flaming student rooming house.

The victims were identified as Elizabeth Vandergrift, 36-year-old graduate student, and Mrs. Florence Hendrickson, about 70.

Thirteen other persons managed to flee the burning frame building, at 508 Monroe St.

Officer John Spaulding of the Ann Arbor Police Department said Miss Vandergrift ran down to the second floor in an effort to lead Mrs. Hendrickson out of the building when the blaze was discovered.

Falling debris prevented the pair from reaching a third-floor fire escape, Spaulding said.

The officer said the fire broke out shortly after 2 a.m. He said the local fire department rushed all its equipment and most of its personnel to the scene.

The three-story building, located just off the main campus, was a "mass of flames" by the time firemen reached it. Several married (Continued on Page 2, Col. 5)

\$331,079 Given as Current Total in UF Campaign

Lyndall Asks All-Out Effort in Last Week to Reach \$525,823 Goal

Gifts totaling \$331,079 were announced yesterday at the Pontiac Area United Fund report luncheon in the Elks Temple.

The campaign goal is \$525,823, with eight days left in the drive.

Campaign Manager Frank S. Lyndall expressed confidence that untiring efforts would put the drive over.

Commercial Division Chairman Ralph T. Norvell introduced "Miss Torch" for the day, Brenda Shelton, 2, of 546 Third Ave.

"Brenda is typical," said Norvell, "of youngsters receiving help from the United Fund."

"She has a fine home and is as healthy and happy as any youngster can expect to be. But should misfortune befall, it's comforting to know United Fund-supported agencies are available to help out."

Norvell then called up three youngsters representing UF organizations which Brenda, or her brother, might benefit by joining.

Introduced were Patricia Rainey, 8, of 4 Liberty St., a Girl Scout brownie; Carol Valenti, 8, of 241 S. Tilden Ave., a Camp Fire Girl bluebird, and Larry Rogers, 9, of Clairmont Place, a cub scout.

The breakdown of gifts to date shows \$1,509 from the Waterford Township residential division, 26.2 per cent of quota. Pontiac city residential has collected \$1,420, or 13.5 per cent. Pontiac Township has \$81, or 5.4 per cent.

The Waterford commercial total was \$345 or 10.4 per cent. Pontiac commercial has \$31,178, about 22 per cent of its quota.

The general manufacturers' division has \$1,990, or 32 per cent, some \$1,235 from employees and \$754 from firms.

Firms included in the Pontiac Manufacturers' Assn. have collected company gifts of 98 per cent of quota, totaling \$106,396. Employees of association industries have contributed \$188,682 or 88 per cent.

John Brady, solicitations chairman for firms in the Manufacturers' Assn., complimented American Forging & Socket Co., Fisher Body Division, Pontiac Varnish Co. and Universal Oil Seal Co. for exceeding their quotas.

Norvell expressed hope that citizens would realize the "splendid job" being done by volunteers in the UF drive "and open their hearts generously."

Huntsmen, 5, Bring Them Back Alive

GRAND RAPIDS (UP) — A pair of 5-year-old boys, armed with a broken toy shotgun, crowed happily over their hunting trophy—a live but dejected pheasant peering from an improvised coop.

The hunters, Jerry Lee Peck and Brian Maynard, surprised their parents when they brought home the bird, clutched in Jerry's arms.

The boys stoutly insist, "We shot it with our gun." Neither family has been able to solve the riddle.

Could Be 'Sweeper'

MANILA, P. I. (UP) — A new weekly tabloid-newspaper named "The Radar" announced today its motto is "Picks Up Everything."

Miss Torch at Luncheon

TORCH DRIVE SYMBOL—Brenda Shelton, 2, of 546 Third Ave. is held by Ralph T. Norvell, chairman of the Pontiac Area United Fund Commercial Division. Brenda represented "Little Miss Torch" yesterday at the UF report luncheon in the Elks Temple. Norvell cited Brenda as typical of youngsters who might benefit in later life from membership in UF supported agencies, such as the Girl Scout Brownies or Camp Fire Girl Bluebirds.

Heavier Penalty May Face Parmenter in Stock Deals

Eugene A. Parmenter, 54-year-old stockbroker being held on a larceny by conversion charge here, may face a stiffer charge of embezzlement, Oakland County Prosecutor Frederick C. Ziem said today.

The suspect is charged with manipulation and theft of investors' funds while employed at the W. H. Protiva investment company here.

Conviction of embezzlement calls for a 10-year maximum prison sentence and a \$5,000 fine while larceny by conversion carries a penalty of five years in prison and a \$2,500 fine.

Ziem explained that embezzlement is theft from an employer while larceny by conversion is theft from someone other than an employer, such as an investor.

Under questioning yesterday Parmenter admitted taking \$80,000 in investor's funds between 1943 and 1953 but claimed that all but \$20,000 has been used to cover his manipulations and much of it was lost on bad speculations in 1947. He said he spent the \$20,000 on himself and his family.

Ziem said the accused man would probably be arraigned late this afternoon or Friday morning but more questioning and a check of the defunct firms books are planned.

Parmenter, who was the subject of a statewide manhunt last year (Continued on Page 2, Col. 3)

Saturday Is Deadline on Political Charges

In order that everyone will have an equal chance on local and national campaign issues the Press will observe the customary deadline on statements. No last minute charges about candidates or new arguments concerning special issues will be published in the Pontiac Press after Saturday, Oct. 30. This pertains to both news columns, Voice of the People, and political advertising.

2 Road Project Dates Are Given

Grade Separation Set for 1955; Perry Street Widening in '56

Pontiac City Manager Walter K. Willman has received a letter from the State Highway Department stating that the Orchard Lake avenue-Telegraph road grade separation is planned for construction in 1955.

The widening to four lanes of north Perry street from East Huron street north to the city limits is scheduled for 1956, said Willman.

Total cost of the grade separation is estimated at \$300,000, not including sums yet to be paid for right-of-way. The federal government will pay 50 per cent, the state 25 per cent and Pontiac 25 per cent, or \$125,000.

Pontiac's costs will probably increase slightly as more right-of-way is purchased, said Willman.

A new bridge over the Clinton River will be included in the loop around the Telegraph road intersection, Willman explained.

Cost of the Perry street widening is estimated at \$700,000, split on the same basis as those for the grade separation.

The city's share will be about \$175,000 plus additional right-of-way expense, said Willman.

Both projects can be built in one construction season, the city manager stated.

Ike Will Devote One-Hour Stop to GOP Cause

Plane Due to Arrive at Wayne Major Airport About Noon

By THE UNITED PRESS

Jubilant Michigan Republicans rushed preparations today to welcome President Eisenhower, who will fly to Detroit Friday for an hour of political charm aimed at swinging votes to GOP candidates in next Tuesday's election.

The President is scheduled to arrive at Wayne Major Airport about noon. During his one-hour stop, he will greet Sen. Homer Ferguson (R-Mich) and GOP governorship hopeful Donald S. Leonard and make a speech in their behalf.

The Detroit visit was one of four announced by the White House as the President prepared to throw his Sunday punch into the election which could give him neither a Republican - controlled Congress or one dominated by hostile Democrats.

Eisenhower's plane, the Columbine, will land in Detroit after a similar stop at Cleveland, Ohio. From Detroit, the President moves on to Louisville, Ky., and Wilmington, Del.

Ferguson, who faces a stiff reelection battle from Democrat Patrick V. McNamara, said the President's visit would "assure a wider margin of victory for the entire GOP ticket" in Michigan.

"His visit will show the extent of his interest in the composition of the next Congress," Ferguson said. "It will stimulate a surge of voter interest in this final week. He sees the importance of electing Republicans for peace and prosperity in America."

Democratic Gov. G. Mennen Williams, opposed by Leonard in his bid for a fourth term as Michigan's chief executive, termed Eisenhower's visit a "partisan errand" and said he would not be on hand to greet the President.

Although Williams said he felt it would be "inappropriate" for him to "intrude" on the President's visit, he urged Michigan citizens to turn out and give him "the welcome and courtesy which is due the nation's chief executive."

"To show Michigan's deep respect for the presidential office I am ordering the commanding general (Continued on Page 2, Col. 7)

Warmer With Rain Forecast for Pontiac

Frost hit Pontiac again last night as the mercury dipped to a low of 35 degrees. However, the U. S. Weather Bureau says it will be somewhat warmer tonight with a chance of showers tomorrow morning.

A low of 40 to 45 is expected tonight with partly cloudy skies continuing through Friday, when the mercury should reach a high of 46 to 50.

Yesterday the temperatures in downtown Pontiac hit a high of 55 early in the morning and kept dropping until the mercury registered 37 shortly before midnight.

At 8 o'clock this morning, the thermometer registered 36 degrees, but had risen to 52 by 1 p.m.

Tonight, 7:15 p.m. Top in Radio Station WWJ—Candidate for governor Socialist Labor Party.

Meanwhile John A. Streit, assistant director of the department, reported 35 youngsters are signed up for the window painting contest.

They are working on downtown merchant's store windows. Prize winners will be selected Saturday morning. Cooperating in the activity is the Pontiac Kiwanis Club.

Buzz said three changes have been made in the party program set for tomorrow night.

Wever Junior High School will have its dancing party right after school rather than in the evening, and the Lakeside Homes affair will be for high school age youths, rather than junior high school students.

The McConnell School program has been dropped.

Other parties and dances are scheduled at the following schools: Bagley, Hawthorne, Malkin, Owen, Whittier, Wilson, Emerson, Jefferson Junior High and Washington Junior High.

The elementary school parties will run from 7 to 8:15 p.m. and will feature movies, costume judging contests and refreshments.

The other affairs set for 8:30 to 10 p.m., will feature music by dance bands supplied by the Pontiac Federation of Musicians and the city.

Buzz said the police department has promised to put extra patrols in the party and dance areas.

Leading off the Halloween evening will be the traditional "Meet 'n' Treat" hour from 6 to 7 p.m.

when youngsters go ringing doorbells for "contributions."

The Halloween activities, which have grown in scope since their inception six years ago, are designed to keep vandalism to a minimum and provide good fun for youngsters on the holiday, said David R. Ewalt, department director.

"We don't have these planned activities because we know the kids will raise Cain," he said.

"We have them because it's a day for fun. Cutting down on vandalism and mischief is really secondary."

The Date in Birmingham Lathrop OKs Share in Cost of Evergreen Sewer Project

From Our Birmingham Bureau

BIRMINGHAM — Six Oakland County communities came a step closer to solving their sewage problems jointly when the City of Lathrup Village this week adopted a resolution approving its share of the tentative cost allocations for construction of the proposed \$2,740,000 Evergreen interceptor sewer.

The Lathrup council had held out in the project, claiming that its \$179,000 outlay would not be equitable.

Lathrup City Administrator Leonard Watchowski said yesterday the council still thought the ever amount we may be over-estimated, but added that "What-charge will be offset by combining with other communities."

"The interceptor is a fine solution to the problem in the Rouge basin," he said. The sewer would carry sewage into Detroit for treatment.

Birmingham, Bloomfield Hills, and Bloomfield, Southfield and Troy Townships are the other municipalities making up the district.

All but Troy were cited by the Michigan Water Resources Commission for pollution of the Upper Rouge Valley.

Southfield Township, which would bear the greatest share of the costs (\$1,700,000) will vote next Tuesday on a millage-increase to provide the necessary funds.

With only eight days gone in the Birmingham-Bloomfield-Franklin Torch Drive, Mrs. J. Rowland Quinn, campaign director, said today that solicitors have collected 48.9 per cent of the \$186,338 quota.

A total of \$90,746 has been turned in for the "give one for all" campaign. Mrs. Quinn added that a trend toward heavier personal contributions may be offset by the fact that this year's quota is also slightly higher.

She urged solicitors to continue their efforts since early returns always make the sum collected after the first week seem high. Housewives are being counted on heavily for their personal donations, Mrs. Quinn said.

United Foundation interest in the schools keeps mounting, according to Mrs. Quinn, who stated that winning posters in a UF-sponsored contest are now on display in local store windows.

A retirement dinner held last night honored Sgt. Leo A. Siers on his last day with the Police Department. Siers, who had over 25 years of service to his credit, was presented with two pieces of matched luggage.

At the same time, Police Chief Ralph W. Moxley announced the promotion of Patrolman Richard B. Brown to sergeant.

A reminder comes from City Clerk Irene Hanley that absentee ballots can be obtained from the clerk's office in the Municipal Building until 2 p. m. Saturday, for next Tuesday's election. Offices in Bloomfield Hills and Bloomfield Township will also remain open until that time.

Miss Hanley stressed that each request must bear the signature of the voter and not just any member of the family. A reason for the request and a mailing address are required.

Junior high school young people at the First Presbyterian Church will hold their Bazaar's Night party starting at 7 tomorrow, when they call on members of the parish for old clothing which will in turn be sent overseas for needy youngsters.

Final performances of "Season in the Sun" will be given at 9 p. m. tomorrow and Saturday night by the Village Players. Wolcott Gibbs comedy will be presented at the Village Playhouse, under the direction of Mrs. A. J. Daley.

Despite newly-arrived blustery weather, the audience will be transported via arm-chair seats

to the stage.

MRS. DAISY JEWETT

Former Teacher Dies at Home

Mrs. Daisy Jewett Was With City School System for 30 Years

Mrs. Daisy Jewett, a teacher in the Pontiac schools for 30 years died last night at her residence, 19 Boston Ave. She made her home with Jane Danton, Mrs. Jewett had been ill 11 months.

She was the daughter of Mark D. and Lucy Hall Billings and was born in Dryden, Dec. 3, 1883.

Mrs. Jewett received her B.A. Degree from Michigan State Normal College, her Masters Degree from Wayne University and also attended Clark University, Worcester, Mass.

Before coming to Pontiac, she was Dean of Girls at the Normal College, Aberdeen, S. D. For 30 years, Mrs. Jewett was a teacher at Eastern and Washington Jr. High Schools here. After retiring from her teaching profession, she served as Executive Secretary of the National Hairdressers' and Cosmetologists' Assn. of Michigan for more than two years.

Mrs. Jewett was a past state president of the Business and Professional Women's Club of Michigan, past president of the Pontiac Business and Professional Women's Club and past president of the American Association of University Women here.

She was a member of All Saints Episcopal Church and organized the Fleur D'Als Society (for girls). The funeral will be held Saturday at 3 p. m. from the Sparks-Griffin Chapel. The Rev. C. George Widdfield of her church will officiate with burial in White Chapel Memorial Cemetery.

The family requests that in lieu of flowers contributions be sent to the Oakland County Cancer Unit.

Mrs. Eugene Bond

Mrs. Eugene (Willie Mary) Bond, 62, of 261 Rockwell St. died Sunday at Pontiac General Hospital after an illness of six days.

Born in Arrington, Tenn. June 17, 1892, she was married to Eugene Bond in Franklin, Tenn. in 1919.

Mrs. Bond came to Pontiac from Fayetteville, Tenn. 39 years ago and was a member of the Providence Missionary Baptist Church. Surviving are two daughters, Velma Marie Broyles and Gladys Lee of Pontiac; a son, Eugene Walker and one granddaughter.

The funeral will be held Saturday at 2 p. m. from the Providence Missionary Baptist Church with the Rev. T. Walter Harris officiating. Burial will follow in Oak Hill Cemetery.

Parmenter May Face More Severe Penalty

after a \$175,000 shortage was found in his books, was arrested Monday night in Oklahoma City, Okla., where he was employed as a clerk.

The bespectacled suspect who claimed to be broke when arrested, served two years in prison after he was convicted of embezzling \$25,000 from the First State Savings Bank at Birmingham in 1931.

Edison District Head H. J. Hall to Retire

BIRMINGHAM — After nearly 40 years with the Detroit Edison Co. Harold J. Hall, manager of Edison's Bloomfield district here since 1945, will retire Monday.

A native of Jackson, Hall joined the company in 1915 upon graduation from Rensselaer Polytechnic Institute. Before becoming district manager he had worked in the production, central heating, engineering and sales departments.

Active in civic affairs, Hall is a member of the Birmingham Exchange Club and the Ferndale Civil Defense Committee, and headed the local Netherlands Flood Relief Committee in 1933.

He has also participated in projects of the Chamber of Commerce here and Ferndale's Board of Commerce, and is a member of the Oakland County Engineering Society.

Harry Leighton Dies on Trip

Retired Veterinarian Suffers Heart Attack on Way to Florida

Dr. Harry F. Leighton, 79, widely known in Pontiac and Oakland County as a veterinarian, died suddenly Tuesday night. He suffered a heart attack in Gunterville, Ala., while en route with Mrs. Leighton to their winter home at 414 Fifth Ave., Zephyr Hills, Fla.

Dr. Leighton was born in January 1875, in Athens, Maine and was the son of Leonard and Mary Leighton.

While he was quite young the family moved to Mass. where he received his early education. He entered the Univ. of Pennsylvania in 1909 and was graduated as Doctor of Veterinary Medicine.

Before coming to Pontiac in 1923, Dr. Leighton practiced in Bradock, Pa. His first hospital here was on South Paddock St. In 1929, he built a larger animal hospital at 794 N. Perry St. He served the community there until his retirement in 1945.

He is survived by his widow, Rilla.

Dr. Leighton is being sent of the Funeral Home at Zephyr Hills, where service will be held Saturday.

Adenauer Meeting With Ike and Dulles

(Continued From Page One)

extent at the Paris Conference. Adenauer did not bring military advisers with him for his three-day visit to Washington.

The 78-year-old statesman's schedule called for him to talk with Dulles and his advisers during the morning before going to the White House at noon for more discussions with President Eisenhower.

The start of his visit yesterday was marked by a white-tie dinner at which Dulles, the host, called the German chancellor "one of the outstanding statesmen of our time, and indeed, I think it can be said, of all times."

Returning the compliment, Adenauer told the dinner group that "I think Secretary Dulles made the essential contribution to save Europe," at the London-Paris talks.

Ann Arbor Fire Fatal for U of M Student

(Continued From Page One)

student couples rented apartments there.

The freshly painted building was described as a "complete loss," Spaulding said he carried the bodies of the two victims from the smoldering house. He said Miss Vandergriff apparently was trapped by flames when she tried to rescue Mrs. Hendrickson.

It appeared, he said, that the women managed to get half-way up the stairs to the third floor fire escape but failed to reach it because the roof and chimney suddenly collapsed.

Firemen said Mrs. Hendrickson was pinned beneath the debris and was burned "almost beyond recognition." They said Miss Vandergriff apparently was overcome by smoke.

The fire was brought under control at 5:45 a. m. The cause was not immediately determined.

Commuter Injured Jumping for Train

BIRMINGHAM — Elliott E. Redies, 43, of 623 Hanna St., felt a taste of death this morning, as he fell between the wheels of a moving train and the Grand Trunk and Western Railroad Co. platform and lived to tell the tale.

Miraculously, he escaped with head and face cuts, and possible fractured ribs. He was treated at St. Joseph Mercy Hospital, Pontiac.

Mrs. Redies said her husband ran to catch the commuter train, which he believed was just beginning to move.

The train was evidently traveling at a faster rate of speed than he thought, she said, and he missed the train step. He threw himself to one side, and landed between the wheels and the platform.

President to Visit Michigan on Friday

(Continued From Page One)

eral of the Michigan National Guard to be present during the President's visit with an honor guard," Williams said.

Other Republicans joined Ferguson in hailing the President's visit as a sure-fire stimulant for the GOP cause.

GOP State Chairman John Feikens predicted a big crowd would be at the airport and said thousands more would hear the President's talk on radio and television.

Feikens called a Wednesday mid-night meeting of top party officials to make last-minute arrangements for the visit.

Meanwhile, it was politics-as-usual as the election deadline neared.

McNamara, in a blistering speech against Republican economic policies, assailed the federal tax reduction which helped General Motors roll up a \$385,000,000 profit during the first nine months of the year.

"While the economy of the country slumps to an alarming degree, we see further proof that the Republican administration is concerned only with a select group," McNamara said.

Williams hit at Republican charges of "statelism in Lansing" during his three terms in office.

Singling out his opponent for criticism, Williams said Leonard resigned as State Police commissioner because he failed to talk the

GOP-controlled Legislature into enlarging his force.

Ferguson, who spent Wednesday touring Monroe County, said in a Wednesday night television talk he did not approve of unions throwing their weight behind political machines.

He said he feels "the same way about it if the management of a corporation uses the funds entrusted to it for political purposes."

Leonard attended nearly a score of industrial plant meetings in Detroit Wednesday and told workers not to listen to "distorted facts" concerning unemployment. He said the situation was not as bad as the Democrats claim.

Leonard to Be Here After Meeting Ike

Republican candidate for governor, Donald S. Leonard, will make his scheduled talk here tomorrow at 12:45 p. m. in the Elks Temple after meeting President Eisenhower at the Wayne County Airport.

Leonard's meeting with the President will rule out a planned rally at Wesson and Bagley streets at 11 a. m., according to Richard J. Moore, assistant chairman of the Oakland County Leonard for Governor Committee.

The gubernatorial candidate will be accompanied to the airport to see the President by his county campaign chairman, Ben Jerome Jr., said Moore.

Leonard still plans to attend a rally from 9 to 10:30 a. m. at the Birmingham Community House.

U.S. Navy Equal to All the Rest, Book Reveals

LONDON (AP)—An authoritative naval publication says the fighting power of the U.S. Navy equals the combined strength of the other major navies of the world. The Americans also appear to be taking greater scientific strides than any other navy.

"Jane's Fighting Ships," a standard reference work on the world's navies, said in its latest edition yesterday the U.S. Navy of 5,000 vessels is the largest peacetime fleet ever maintained by any nation. Russia topped the United States only in numbers of submarines, Jane's said, but added that the Soviet Union is building up "substantial forces" of cruisers, destroyers and submarines.

Russia's underwater fleet was estimated at 370 to 400 vessels, as compared to 200 in the U.S. Navy.

Adlai Admits Selling Shares

Stevenson Tells Paper He Regrets Following Brokers' Advice

ROCHESTER, N.Y. (AP)—The Rochester Times-Union reported yesterday that Adlai E. Stevenson said here that he had sold a large part of his common stock holdings a year ago, on his brokers' advice and "much to my regret."

A Times-Union reporter showed the 1952 Democratic candidate for president an editorial in the New York Daily News that asked whether Stevenson had sold a number of "blue chip" stocks that he had listed in a report on his personal financial and tax status during the 1952 campaign.

The editorial said a Queens attorney, Ben Lieblein, had telephoned the Daily News to ask: "Has Stevenson held onto those stocks, or most of them, during the 21 months of Eisenhower when he says we've been flopping into a depression? Or has he sold them?"

Stevenson told the Rochester newspaper he sold stock a few months after the Eisenhower administration took office on the advice of brokers that included Robert Lovett, former defense secretary under President Truman, and Prescott Bush, Republican senator from Connecticut.

"I'd be a great deal better off

if I'd not sold the stocks," Stevenson said. "That's why I'm going to have to go to work."

He reportedly plans to open a law office in Chicago. He was here to campaign on behalf of Democratic candidates for election next week.

Earmarks Collection

LA JOLLA, Calif. (AP)—The note with the five cents which Bob Shroobree, treasurer of La Jolla's First Baptist Church, found in the collection plate read: "1 cent to bldg. fund, 1 cent to preacher, 3 cents to God. (Signed) Bobby."

Plan Housing Center

WASHINGTON, D. C. (AP)—A new national headquarters for the home building industry is going up here. The National Association of Home Builders is erecting a two million dollar, 8-story National Housing Center. It will be ready within a year. It will serve as a central source of information about the home building business.

Private industry spends an estimated 140 million dollars per year for research on agricultural products and machinery. Public expenditures total 107 million.

Feathered Stowaway

DARLINGTON, S. C. (AP)—Farmer Nelson Alford, after a five-mile ride into town noticed people staring and laughing. He looked around to see one of his white Leghorn hens sitting placidly atop several bales of hay on his pickup truck.

BUYERS ATTEND IMPORTANT MEETING IN NEW YORK CITY

Attending an important meeting of the Consolidated Clothiers in New York City recently were 194 buyers representing more than 250 major clothing stores in America, with a dollar volume estimated conservatively at 40 to 50 million dollars. Pictured above is a group

of some of the buyers from Chicago, Denver, Detroit, San Francisco, Miami, Baltimore, Raleigh, Los Angeles, Omaha and other vicinities. Third from the left in the front row is Sidney Barnett of Barnett's Clothes Shop of this city, long affiliated with Consolidated.

A resolution was passed commending Barnett's on their forthcoming 50th Anniversary with recognition of their high reputation and long standing as Pontiac's oldest men's clothing store. Plans were formulated to procure exceptional values from leading manufacturers for this event. Emphasis was stressed

on maintaining the policy of selling only first quality, high grade merchandise at lower prices with small profits to obtain Big Volume and fast turn-over. Barnett's opened in Pontiac in 1905 and announcement of their 50th Anniversary sale is on page 17 of today's Press.

The All-New '55 Pontiac

GOES ON DISPLAY

TOMORROW—FRIDAY, OCT. 29

Come in and see the exciting proof that it's Pontiac's year to star!

Tomorrow you'll see it—the All-New General Motors Masterpiece for 1955, the magnificent and mighty Pontiac with the Strato-Streak V-8 engine. Boldly different in style and power yet modestly low in price, this great car ushers in a new era in motoring. In everything it has and does, it is a preview of tomorrow's cars! Come in Friday and Saturday—see this All-New Pontiac and take a Strato-Streak ride. That's the quickest way to get up-to-date on all that's new in motoring!

SPECIAL SHOWING FOR PONTIAC OWNERS TONIGHT AT 7 P. M.

We're saying thank you to Pontiac customers with a private showing of the All-New '55 Pontiac tonight. Come in and make an unhurried inspection of the car that moves motoring years ahead!

Educator Believes Video Causes Mental Inactivity

PARIS (INS)—Dr. William S. Carlson, president of the State University of New York, urges America's universities to combat "passive listening" among TV audiences.

Dr. Carlson says he believes television is hypnotizing people into mental inactivity.

"American higher education must take this to heart," he said.

The university president contends TV is making Americans

"passive listeners" who unconsciously accept many things they are told without reservation.

"The whole phase of visual aid is reaching a danger point," Dr. Carlson declared.

"Too many TV viewers are losing a normal desire to think out personal and national problems for themselves. They are letting TV programs do it for them."

Dr. Carlson, in Paris on a Euro-

pean survey of his university's study tours, said there are things more important than TV shows, modern comforts and leisure time.

"Americans must acquire a better appreciation of America's domestic and foreign problems or they can't gain a real understanding of what's happening in Europe and the rest of the world," he said.

The educator believes the American TV public should have

opportunities to discuss freely the country's problems on TV forums or at similar meetings.

He said Americans must be awakened to a "questioning mood" with open minds concerning European and Asiatic problems. He believes America's universities could aid greatly toward this end.

Dr. Carlson said that liberal thinking and freedom of expression in the United States "has probably been dampened" by

recent "witch-hunting, book-burning and teacher-purging attempts." But he doesn't think it is serious.

"Book-burning and attempts at teacher-purging were deplorable and totally unnecessary," Dr. Carlson said.

"People must be given the basic truths of communism to understand it. How can anyone know the facts if they are denied them? And the tendency in the United States has been to deny the facts."

However, Dr. Carlson does not believe the so-called "Red hy-

steria" that swept America has altered American educational methods.

United States educators are "very alert" to any possibility of Red "infiltration" in the educational system, he said, and would do everything to prevent it.

Dr. Carlson added the control and survey of America's educational methods can be left safely in the hands of its educational institutions.

THE DAY DRAWS NEAR—Although Christmas is some two months away Santa's helpers are busy getting ready for the holiday season. This woman is baling trees near Tacoma, Wash.

621 Killed in 25 Years

Careless State Nimrods Draw Fire From Lansing

LANSING (UP)—Michigan hunters—who have killed 621 and injured 2,645 of their own species in the past 25 years—are drawing sharp fire from the two men responsible for gunproofing Michigan's outdoors.

Conservation Director Gerald E. Eddy and State Police Commissioner Joseph A. Childs said measures to prevent "irresponsible" hunters from toting firearms will be brought before the 1955 legislature in an effort to curb mounting accidents.

Most drastic change in hunting statutes would be a provision, permitting the Conservation Department to refuse licenses to hunters who have wounded others.

"Our hands are tied now," Eddy said. "We feel hunters should be kept out of the field if it is determined by a Board of Review they are careless."

"Only through carelessness and negligence is it possible for a hunter to shoot himself or another hunter," Eddy said. "More consideration of the 10 commandments of gun safety and a little common sense will go a long way in cutting accidents."

Childs said police records show Oct. 1-28 hunting accidents claimed nine lives and injured 77. Of the fatalities, six were from self-inflicted wounds. Five teenagers were killed and 24 minors injured.

"There is no reason why good

British Star Spurns Bid to Royal Variety

LONDON (AP)—British movie star Susan Stephen stunned the theatrical world today by announcing that she has withdrawn from the annual

royal variety show.

Too busy making a movie, she explained.

The yearly extravaganza staged especially for Queen Elizabeth II is to be held next Monday at the Palladium Theater. Bids to take part are treasured by the grease-paint set. Comedian Bob Hope, for

instance, has flown here all the way from Hollywood.

"It is not really correct to say that I refused to appear," the 22-year-old Miss Stephen told newsmen. "I just felt I could not do justice to the occasion by going on unrehearsed."

Motorcycle Honeymoon Covers 55,000 Miles

KEY WEST, Fla. (AP)—Keith and Joan McDonald, who started a honeymoon trip in March 1953 from Christ Church, New Zealand, by motorcycle, arrived here yesterday aboard a ferry from Cuba.

The McDonalds said they have covered 55,000 miles in 40 countries on six continents. They plan to continue to Miami, thence to New York, Montreal, Alaska and back to New Zealand.

Texas is the leading rice-producing state in the nation.

Sparrow Plot Backfires

LINCOLN, Neb. (AP)—Art Van Sickle, 42, a flight instructor told 20 feet from a hangar after while placing poison for sparrows. He broke his wrist and ankle.

California claims to maintain the largest vineyard area in the world.

Great Voice Is Heard as Concert Season Opens

By DONNA ANDERSON

One great voice spoke to Pontiac Wednesday evening. Francesco DiBlasi stepped from the wings and commanded the oneness of purpose that makes a symphony orchestra.

Pontiac Symphony Orchestra's 1954-55 concert season has begun. Musicians on the stage of Lincoln Junior High School looked out onto a sell-out audience—and opened their program.

And one of the men who shook hands with the Pontiac Symphony concertmaster was Mischa Mischakoff, concertmaster of the Detroit Symphony Orchestra.

The guest artist's warm smile of welcome greeted concert-goers as he begun the ever-loved Mendelssohn Concerto in E Minor for violin and orchestra.

Anyone who has ever held the tenderness of the concerto's andante movement close to his heart was certainly overwhelmed by this performance.

And perhaps that heart pounded a little harder because it was Pontiac's own symphony playing accompaniment for the master.

In opening its concert the orchestra stepped back 100 years before J. S. Bach. A toccata and fugue by Frescobaldi, greatest of 17th century organists showed that Pontiac Symphony has powers to explore all that the world of music has to offer.

Mr. DiBlasi and his musicians kept their promise as they showed Mozart's masterpiece, Symphony 35 in D Major (Haffner) to Pontiac.

The moods of Debussy's famous piano piece "Clair de Lune" lost none of their haunting fragrances with orchestral interpretation.

Opening measures bowed by a few strings soon commanded entrance of other instruments. With the in-

FRANCESCO DIBLASI

New Shades Sought for Fall Hose

Checking your fall wardrobe, you'll probably find you've overlooked one item that's gone all out for color harmony this fall—hosiery. The new stocking shades are keyed to new fall colors in order to achieve that much-desired, all-one-color costume look.

For evening wear, you'll find cobwebby-sheer sandalfoot hosiery in delicate tinges of pink, gold, blue or gray to wear with your pastel-colored dressy clothes.

To wear with all-black costumes, there are smoky off-black tones or dramatically black stockings to flatter the legs with shadowy color.

Decorative figures in new fall stockings, too. Some are trimmed with a fine thread of sterling silver sewn into the seam, adding shimmering highlights to the sheer, dark nylon.

There are very pale pink stockings trimmed at the top with a four-inch band of black lace sewn around the welt.

And many of the evening sheers have tiny black velvet bows sewn at the back for feminine glamor. The bows are detachable, too; they can be snapped off before laundering.

For sportswear, there are textured stockings to provide the costume link. There are shadow-check textured nylons to give the effect of tweedy mixtures and blend in with tweed or textured woolen sportswear.

Shower Is Given for Mrs. Mickel

A cradle cake flanked by tapers and flowers was an attraction at a pink and blue shower given in honor of Mrs. Hollis Mickel of North Paddock street, Tuesday evening.

Twenty-one employees of St. Joseph Mercy Hospital gathered at the shower, which was given by Mrs. James Wilson and Mrs. Leon Wolverton in the latter's Ivy street home, to honor their former fellow worker.

tangible thread of moonlight interwoven by muted strings, oboe and flute solos, "Clair de Lune" emerged, as usual, an entrancing offering.

Brilliant programming, encompassing as complete a show of forms as one would find in any concert hall embraced the laughter and effervescence of the man who once said, "Give me a laundry list and I'll set it to music."

The rollicking and martial Overture to "La Gazza Ladra" by the "character" of opera greats, Rossini, concluded the program.

But the story doesn't end there. Men and women who care about Pontiac; who consider the man who builds a symphony as ingenious and important as the man who designs a great bridge or cures an intolerable ill, looked happy—and a little more relaxed Wednesday evening.

They are members of the Pontiac Symphony Orchestra Association and its auxiliary, the Women's Association who have stood behind orchestra personnel with selfless determination since the comparatively recent reorganization.

These tireless workers, with the orchestra's conductor and associate conductor, Cella Merrill Turner, have joined the orchestra to be one great cultural spokesman for Pontiac.

Your reporter couldn't resist a hesitant step to eavesdrop on a pre-concert conversation.

"Isn't it wonderful," one woman said, "that we can find great music so close to home—and all this free, supervised parking?"

That is Pontiac speaking. It wants its orchestra. Pontiac Symphony, now, is like a child with a brilliant mind—we can expect great things from him if his environment will give him a chance.

Sue Dennison Becomes Bride

Sue Carroll Dennison, became the bride of Paul B. Thacker in a ceremony performed Sept. 5 in the home of the bridegroom's parents, Mr. and Mrs. N. B. Thacker of Auburn avenue.

She is the daughter of Mr. and Mrs. Arth Dennison of Newton place. The Rev. Perry Horton performed the rites.

Program Given by Music Guild Tuesday Evening

Mrs. Hazel Gessinger's Rochester home was the meeting place for the Tuesday meeting of Pontiac Music Guild.

Mrs. Don Derragon, program chairman introduced Mrs. Carl Clifford who gave a resume of her experiences while studying at the Mozarteum during the Music Festival at Salzburg, Austria this past summer.

Colored slides of a western trip were shown by the hostess and by Mrs. Roy Wright, a guest. Oscar Schmidt showed slides of a trip to Banff, Lake Louise and Jasper National Park.

Mr. Schmidt, guild president, will be a delegate to the Michigan Music Teacher's Convention to be held at Michigan State College on Nov. 1 and 2.

Others attending this convention will be Mrs. Carl Clifford, Mrs. William Heitsch, Mrs. Lester Snell, Mrs. Schmidt and Mrs. Martin Wager.

BETTY CLARK

Mr. and Mrs. Emory Clark of Clarkston are announcing the engagement of their daughter, Betty, to Ken Squires, son of Mr. and Mrs. Dayl Squires of Omar street. The couple are planning a spring wedding.

Coming Events

Navy Mothers' Club 355 will meet at the Naval Training Center this evening at 7:30.

Ladies Auxiliary 1230 of the Eagles will observe birthday night this evening at 8 in the hall at 389 West Montcalm.

Mapleleaf Club will meet Friday at 1 p.m. in Hotel Waldron. Visitors are welcome.

Pontiac City Panhellenic will meet with Mrs. Maxwell Doerr, 174 Ottawa Dr., Monday at 8 p.m. Mrs. Charles Allen will be hostess. Program will be a talk on How to Decorate with Christmas Greens.

Houseguest Entertained by Family

Mrs. Drouillard Visits W. E. Cashins Before Florida Trip

Mrs. Alice Drouillard of Hastings, formerly of Pontiac, has been visiting for one week with the family of her son-in-law and daughter, Mr. and Mrs. William E. Cashin Jr. of Chippewa road. Mrs. Drouillard left Tuesday to spend the winter at Daytona Beach.

Mrs. Charles Little, has returned to her home on Seminole avenue after a three week visit with her aunt, Mrs. Agnes Howell of Rochester, N. Y.

Mr. and Mrs. Charles N. Ball of Island Park drive have had as their houseguests for the past month, their aunt, Mrs. Frank Hopson of Eastern, Conn. During her stay Mrs. Hopson visited with many friends and relatives in the area.

Mr. and Mrs. James C. Clarke Jr. of Avondale avenue are announcing the birth of a daughter, Anne Millicent, born Oct. 22 at St. Joseph Mercy Hospital. Grandparents are Mr. and Mrs. Orion Shaw of Royal Oak and Mr. and Mrs. James C. Clarke of Holly, formerly of Pontiac.

Mr. and Mrs. Russell Bridges (nee Yvonne Scott) of Morganton, N. C., are announcing the birth of a son, Larry Russell, born Oct. 4. The grandparents, Mr. and Mrs. Larry Ramos of Oakland avenue, recently returned after a 10 day trip to Morganton.

Suede Takes Steam

Treat your suede shoes and bag to a kettle-steaming and brush cleaning, rather than suede dressing which might rub off on your ankles and hands.

Mother Singers Meet in Rochester

The Pontiac Mother Singers met Tuesday evening with Mrs. Everett Monroe of Rochester, for their October dinner and business session. Mrs. Milton Reddeman assisted the hostess.

Plans were made to attend an operetta and also for a Christmas party. Mrs. Harry Dickie will entertain the group Nov. 18 for a dinner meeting.

Keep Things Handy

If the baby's clothes are in the bedroom and he's bathed in the kitchen, you're wearing yourself out going back and forth. Set aside a drawer or space for his towels and soap and clothes that's near the sink.

Donations Made, Reports Given

Mrs. Hazel Burns and Mrs. J. Donald Moore gave reports for the members of VFW Post 1370 auxiliary who attended the Tuesday meeting held in the South Saginaw Street club rooms.

Donations were made to the National Home in Eaton Rapids, Cerebral Palsy fund and Americanism. Members also doubled their proposed hospital gift and United Fund contribution.

It was announced that a district rally will be held Nov. 21 at Walled Lake. The group sent a gift to the national president and to the department president. New members welcomed were Mrs. Lynn Poole, Mrs. B. L. Jones and Mrs. Howard Kelch.

Friday Game 24th in PHS-RO Series

Navy Eager to Get at Irish

By GEORGE BOWEN
ANNAPOLIS, Md. (P)—"I feel we have the best chance to beat Notre Dame Saturday since I've been here," said Navy Football Coach Eddie Erdelatz Thursday.

The Middles undoubtedly are eager to get at the Irish. Several upon being congratulated for playing a good game after last Saturday's 52-7 victory over Penn re-

plied, "wait until you see next week's." . . . Navy hasn't beaten Notre Dame since 1944 and Erdelatz has coached the last four losers. This year the Middles are off to victories in four of their first five games and threaten the Academy's

best football record of 7-1-1 since 1945. That Navy team tied Notre Dame 6-6 and lost to Army in the last game.

Notre Dame Coach Terry Brennan called Navy "great" in a telephone interview from Coach Erdelatz's office. The Navy coach winced at such high praise but he too has declared this is his best eleven from the standpoint of hustle and desire.

The Irish, too, have lost only once in four games. Purdue was their conqueror while Texas, Pitt and Michigan State fell by the wayside. Pitt took Navy's measure by two points and the victims were William & Mary, Dartmouth, and Stanford besides Penn.

Frank Foster, Navy scout, has informed Erdelatz to expect to meet most of the same players and type of offense he encountered from Notre Dame last season. Notre Dame won 38-7.

Nine of the 11 first stringers played against the Navy last year, Foster said. "Their type of play hasn't changed a great deal either," he said. "Their backs drive hard and they go for short yardage."

Chiefs' Eleven in Unusual Role of 'Underdogs'

Acorns Come Here With Impressive Record for Season's Play

By BILL MARTIN
Football teams of Oakland County's two largest Class A schools will clash here Friday, when Pontiac High's Chiefs entertain Royal Oak.

The meeting, 24th between the two teams since 1913, will find Pontiac in the unusual (for this series) role of underdog. Chiefs have won 14 of the encounters, lost seven and tied two.

This year, however, Coach Jim Manilla's Acorns come into the contest with an impressive record of four victories and one loss. PHS squad has dropped four straight decisions after winning its last two starts.

Last season's game resulted in a 21-7 victory for Royal Oak to snap a Pontiac 3-year winning string in the series.

The two teams have met only one common foe, Wyandotte, this year and both beat the Bears by nearly identical margins. Pontiac took a 27-13 victory while Royal Oak came away with a 27-12 triumph.

Chiefs will face one of the biggest lines they have opposed all year against the Oaks. Big Ed Bartz, 6-foot 2-inch 230 pound tackle, anchors a forward wall that averages 183 pounds per man.

Manilla lost Dick Nash and Jack Drawbaugh, his 1953 "touch down twins" by graduation, but appears to have capable replacements in fullback Darrell Harper and fullback Roy Soldan.

The latter leads the team in scoring with four touchdowns, while Harper and quarterback Frank Finney have three apiece.

Acorns run from both a single-wing and straight T behind an unbalanced line. The attack has paid off with a total of 79 points for Royal Oak against 33 for its opponents.

Evans to Meet N.Y. Medalist

Former Open, Amateur Champ in Quarterfinal Round Play

PINEHURST, N. C. (P)—Medalist Thomas C. Robbins of Larchmont, N.Y. was pitted against Chick Evans of Chicago, former U.S. Open and Amateur champion in Thursday's quarter-finals of the annual North and South Seniors Golf tournament here.

Robbins defeated J.H. Ackerman of Princeton, N.J., 5 and 4 Wednesday, while Evans edged Maurice Smith, Kansas City, 1 up.

Spencer Overton, Baltimore, who edged Paul Hyde of Buffalo, N.Y., 3 and 2, was paired against Ray Robinson, Indianapolis, who stopped Jack Brittain, Woodhaven, Long Island, N.Y., 2 and 1.

Other pairings had defending champion O. V. Russell of Pinehurst vs. J. W. Roberts, Columbus, Ohio, and Col. C. D. McAllister, Orlando, Fla., vs. Douglas Hill of Cincinnati, last year's runner-up.

Cain Hoy Stable Is Given High Position

CHARLESTON, S. C. (P)—The Cain Hoy racing stable of South Carolina plantation owner and New York philanthropist Harry F. Guggenheim has become a top name in racing circles.

The name is a phrase in Gullah, the language of old-time Negroes that dates from slave-holding days. Cain means "grass," while "Hoy" is the Gullah word for "tall" or "high."

And the Cain Hoy stable the last year has been riding high in the tall grass.

Varona, Andrews Sign for Nov. 10 Contest

CHICAGO (P)—Welterweights Chief Varona of Havana and Al Andrews, Superior, Wis., have signed to meet in a 10-round bout at Chicago Stadium, Nov. 10.

Varona defeated Johnny Bratton in New York Monday night and Andrews recently scored a third-round knockout over Gil Turner in Chicago.

Brothers Share Marks

CHARLESTON, S. C. (P)—Both the professional, and amateur records for the Charleston Country Club are shared by two sets of brothers. Henry and George Picard set the record for the pros with scores of 62, Frank and Drayton Ford, Charleston amateurs, each has netted a ribbon winning 65.

FINE SOPHOMORE END—There's considerable talk at Ann Arbor over the future of Ron Kramer (above), Michigan's fine sophomore end. Kramer is being mentioned frequently as a future All-America possibility. The 6-3, 19-year-old 210-pounder from East Detroit has been a standout, offensively and defensively with Michigan's Big 10 current co-leaders.

Taking Golf Clubs Along 'Babe' Zaharias Has Dinner Date With Ike

FORT WORTH, Tex. (P)—The mighty Babe, caught here by an unexpected White House invitation minus her \$10,000 wardrobe, had a dinner date with Ike and the Missus today.

But Mrs. Babe Didrikson Zaharias boarded an American Airlines plane Wednesday night with a hurriedly-bought bag of clothes and a claim she had no idea why President Eisenhower asked her to Washington.

The Associated Press' Woman Athlete of the Half-Century added: "I'm taking along my golf clubs, though." Speculation here is that the President is either to give her an award or just wants to play a

round of golf with his friend, the Babe.

Mrs. Zaharias' courageous comeback in golf after an operation for cancer was one of 1953's most heart-warming stories. Last April she helped the President open a drive against cancer.

She withdrew from the Women's Texas Open golf tournament here when she got the President's engraved invitation. Talking like any thrilled housewife she vaulted over an airlines counter like a teen-ager at International Airport here to pose for a picture with her golf clubs.

She said she had \$10,000 worth of new dresses at her Tampa, Fla., home "but had to do some quick shopping in Fort Worth" for her Washington trip.

Manager Mickey Finley admits her girls wouldn't stand much chance against a top-notch men's team but she says the Houstonettes have notched victories over some better than average guys in the sport.

Wayne Faces Indians; Animals in '54 Slate

Indians and animals have the lead in the list of team nicknames of the 194 Wayne Football opponents. Michigan Normal is known as the Hurons, Bradley as the Braves and Omaha as the Indians.

The Bisons of North Dakota State, the Bears of Washington and the Bulldogs of Drake are also represented. Others are the Dales of Hillsdale, Blue Streaks of John Carroll and the Cardinals of Louisville.

Luppino already has accomplished what no major college football player was able to do all last season—score 100 points.

The 21 points Luppino tallied against New Mexico last Saturday gave the sophomore speedster exactly 100 points according to NCAA Service Bureau statistics released Thursday. He has five games remaining.

Luppino, who also is the No. 1 ball carrier in the country, has scored 15 touchdowns and added 10 extra points. At that rate he'll far surpass the fewer than a dozen who have scored 150 in a season of major competition.

His pace has wiped out all semblance of competition in the scoring race. The second man, Denver's Rusty Fairly, has only 60 points on 8 touchdowns and 12 conversions.

Luppino also is the national leader in kickoff returns even though he hasn't had a try for two weeks. He has covered 356 yards compared to 329 by North Carolina State's George Marinikov, the runner-up.

Other leaders are California's Jim Hanifan in pass receiving, Colorado's Carroll Hardy in punting, UCLA's Sam Brown in punt returns and Washington State's Bob Iverson in interceptions.

Hanifan has caught 26 passes to lead Stanford's John Stewart, who has grabbed 22. Oregon's Dick James has 19 and Columbia's George Seitz and California's Jim Carmichael 17 each.

MAKE OVER PAUL Adams Praises Rangers After 5-2 Wing Loss

Camille Henry Paces NY Win as Blueshirts Tie Detroit for 2nd

By The Associated Press
It's been a long time since anybody has had some kind words for the New York Rangers.

So it comes in the nature of a surprise when Jack Adams, general manager of the champion Detroit Red Wings calls the Rangers "the most improved club" in the six-team National Hockey League.

"Based on what I've seen of them so far," Adams said, "This may turn out to be the best team the Rangers have had since before the war."

Adams' praise came after the Rangers had thrashed the Red Wings 5-2 last night to move them into a 2nd place tie with Detroit.

Camille Henry, league's outstanding rookie last season, tallied two goals. Larry Popein and Ron Murphy got one each and Lorne Worley was magnificent in the nets as he held the champion Wings scoreless until the final period.

"It's a young, spirited, speedy team, perhaps the fastest in the league," Adams said of the Rangers. "What's made this possible is the fine showing of their youngsters."

Earl "Dutch" Reibel and Ted Lindsay scored Detroit's goals on fast shots past Worley in the final period.

Spartans 'Mad' for Minnesota

Wilson Running First String Backs; Bolden May Go at Fullback

By ROBERT E. VOGES
EAST LANSING (P)—"We're real mad," said coach Duffy Daugherty as his Michigan State team prepared to leave today for Minnesota.

But the trouble is there must be some ruffled feelings at Minneapolis too after the Gophers took a 34-0 pasting from Michigan.

"I'm awfully tired of getting beat," Daugherty admitted. "We're real mad and will do all we can to get the squad mad too. We want to win so badly it hurts. We'll do anything inside the rules to win this one."

One of the things Daugherty has been doing is restuffing his backfield.

Pat Wilson, sophomore quarterback from Lapeer, has been getting a crack at directing the 1st backfield.

Gary Lowe, junior from Trenton, Mich., has been running at fullback, where depth is needed since Jerry Plautius has been carrying the load despite a hip injury.

LeRoy Bolden also has appeared at fullback in the signal drills and may be used at the position as a change of pace.

49ers' McElhenny, Perry Pacing NFL in Rushing

PHILADELPHIA (P)—Two hard-running San Francisco backs—Hugh McElhenny and Joe Perry—are battling for the ground-gaining leadership, while Los Angeles' great passing ace, Norman Van Brocklin, tops the passers in the National Football League.

The latest league statistics show that McElhenny has wrested first place in the running department from teammate Perry as the league heads into its sixth week of the campaign.

McElhenny, former University of Washington star who finished seventh among the ball carriers last year, has gained 457 yards on 52 carries, an average of 8.8 per run. Perry is second with 407 yards on 63 attempts, an average of 6.5.

Bob Boyd of Los Angeles is tied with Pete Pihos of Philadelphia for pass-receiving honors, each having snared 28 passes. Boyd has gained 696 yards to 428 for Pihos.

In other departments: Bob Boyd of Los Angeles is tied with Pete Pihos of Philadelphia for pass-receiving honors, each having snared 28 passes. Boyd has gained 696 yards to 428 for Pihos.

Bob Walston of the Eagles, who will be sidelined for about three weeks with a broken jaw, scored only one point last week but held on to his scoring leadership with 71 points—8 touchdowns, 20 extra points and 1 field goal.

Hardy moved ahead among the kickers by averaging 48.5 yards on four kicks against Nebraska. That brought his season average to 44.3 yards for 12 attempts.

VERSATILE—This group of 2-way stars perform a variety of jobs for the undefeated Avondale High School football team. Marvin Evans (hitting the dummy) is the team's top offensive threat from halfback and plays linebacker or halfback on defense. Watching from the left are Jack Greenlees, offensive center-defensive tackle; Ray Boyl, offensive end-defensive halfback; Toby Aldrich, quarterback on offense and-linebacker on defense; and Bill Johnson, offensive guard-defensive end. 'Jackets meet unbeaten Fitzgerald Friday.

Better Than Last Year

West Virginia's Football 'Orphans' Seem Headed for Unbeaten Record, Bowl Bid

MORGANTOWN, W. Va. (P)—They feel they're the "orphans" of college football and West Virginia's big, tough Mountaineers are out to prove Saturday they rightfully belong among the sports heavyweights.

Unbeaten and seventh-ranked nationally, they play rebounding Pittsburgh Saturday in their top traditional rivalry. If they win, the Mountaineers appear headed for a certain perfect season and a post-season bowl bid.

No one would be happier than Coach Art Lewis, a rawboned son of a West Virginia coal miner, who must be fed up at hearing that his football team is overrated.

"They say we got our national ranking because we don't have a tough schedule," he said today, "and we still haven't heard the last of that 42-19 shelling we took from Georgia Tech in the Sugar Bowl last year."

"But we're sort of orphans in this football business anyhow, I guess. When we play in the South,

they call us Northerners, and when we play in the North we're Rebels. We're neither West nor East. We're in the Southern Conference but they list us with Eastern teams."

"All I know is we had a good team last year and we have a better one this year—win or lose against Pittsburgh. We have a bunch of boys I wouldn't be ashamed to put against anybody."

"As for the schedule, we have beaten South Carolina, which licked Army, and we have taken Penn State, which beat Illinois. This week we play Pitt which has

beaten Navy and Northwestern on successive Saturdays.

"We play the best schedule possible. We'd make it tougher if we could. But do you think Ohio State would play us? Or Michigan? Or those schools? They won't because they figure they have nothing to gain."

Kramer is 4th in scoring in the Big 10, with 19 points, seven of them coming on extra points.

Kramer has also caught two touchdown passes.

Another sophomore end, Mike Rotundo, leads the conference in interceptions. He has picked off two enemy passes in two conference games and has run them back 67 yards.

Left halfback Danny Cline is 2nd in returning kickoffs, behind Michigan State's John Matsock, and 5th in returning punts. Cline has returned four kickoffs for 100 yards, an even 25-yard average. He has returned five punts for 48 yards—a 9.6-yard average.

But you have to look long and far in the Big 10 statistics to find one Michigan player ranked among the offensive leaders.

Only fullback Fred Baer, with a 4.1-yard average per play in conference games, is in the rankings at all. He is 15th in total offense and eighth in rushing.

This is an indication of why the Wolverines are the 6th-rated offensive team in the conference. Ohio State is first.

But it does show an amazing improvement from last week, because of Michigan's 34-0 upset of Minnesota. Wolverines were 9th in offense and 5th in defense going into the Minnesota game.

Actually Michigan players showed in the other statistical departments. Sophomore end Ron

Michigan Is Top Defensive '11' in Western Conference

By JOHN BARBOUR
ANN ARBOR (P)—Michigan's Wolverines, tied with Ohio State for the Big 10 football lead, rate as the best defensive team in the Western Conference.

Big 10 statistics, released today, show that the Wolverines have held two conference opponents to no score at all. Only one conference opponent, Iowa, has scored against Michigan. Hawkeyes' 13 points were not good enough to win and Michigan has a perfect record of 3-0.

In five games this season, only two teams—Army and Iowa—have scored against the Wolverines. Army beat Michigan, 26-7.

But you have to look long and far in the Big 10 statistics to find one Michigan player ranked among the offensive leaders.

Only fullback Fred Baer, with a 4.1-yard average per play in conference games, is in the rankings at all. He is 15th in total offense and eighth in rushing.

Washington '11' Collects Third Unbeaten Title

Tramples Lincoln, 25-0, Yesterday to Conclude Perfect Season

Washington wrapped up its 3rd consecutive undefeated junior high league championship yesterday with a 25-0 trouncing of Lincoln.

Victory gave the Braves a 4-0 mark for the season and concluded their 1954 schedule. The circuit's four other teams have one game each left to play.

Coach Em Ghiami's champs packed all their scoring into the last two periods. Alex Whitlock started the rout when he scooped up a Lincoln fumble in the 1st few minutes and raced 65 yards to the Rail-splitters' 10. Bill Lamson cracked for the final yards to the 1st TD.

Willie Shaw added two more 1st-quarter scores, dashing 30 yards on a sweep and returning a punt 45 yards. He passed to John Phlegm for one extra point.

Richard Moss went 15 yards for Washington's final tally in the 2nd period.

Washington . . . 19 0 0 0-25
Lincoln . . . 0 0 0 0-0

Bowling Clinic

By BILLY SIXTY
CASE—Abbreviated Swing

In golf the pro stresses a firm left arm to groove the swing for both power and direction. In bowling, the right arm must be straight for timing and control.

No kinking at the elbow; no changing the swing from a natural length to a cut-off, abbreviated one. With this possible

exception, though not recommended: When shooting across-alley at the Nos. 3, 6, 9 or 10 pins.

At right hand pins, some bowlers find that a shortened stride and shorter swing works out best. Practice alone can determine what to do.

In the regular first (strike ball) delivery, however, concentrate on a free swing, after the push-away, so that the arm is straight at the top of the backswing when the third step is being completed, as in the sketch. The free swing lends itself readily to sound footwork, swing and accurate release of the ball.

166-Average Bowler Hits Near-Perfect 290

Jack Orders, a 166-average bowler for the Union Store team in the Superior Merchants League, turned in the highest game in the 34-year history of the Land O'Lakes Recreation Monday night.

Orders got "9 pins and a wiggle" in the 1st frame, spared out, then tossed 11 straight strikes for a 290 game. He lives at 6812 Saline in Windgate Park, Waterford.

Orders got "9 pins and a wiggle" in the 1st frame, spared out, then tossed 11 straight strikes for a 290 game. He lives at 6812 Saline in Windgate Park, Waterford.

Albion Golf Pros Play Game at Night

ALBION (P)—Some golf addicts have played in snow, sleet, rain and against other forces of the elements. But two golf pros at Albion took a whack at the game at night.

And they didn't lose a ball. Flashlights spotted the shots while caddies, down the fairways, spotted the balls by ear.

Ken White, pro at Battle Creek Marywood, shot a four-over-par 30, losing to Harold Quebbeman, the home pro, who had a 38 on the unlighted Duck Lake Golf Course here.

Mexican Race Field Cut to Half of 1953's Size

MEXICO CITY (P)—Mexico's fifth annual road race, longest in the world, promises to be only half the size of last year's record entry.

The 1,908 mile race, to be held Nov. 19-23, will run across Mexico from the south to the north. The prizes total 1,456,000 pesos, equivalent to \$117,200 in U.S. currency, for the five classes.

So far only 105 cars have been entered and the entry fee paid.

Pontiac Horse Winner

Pastime Ellen, a 6-year-old mare owned by Henry Lobeck of Pontiac, won the 4th race at the Jackson Raceway last night. Ellen negotiated the C Trot mile in 2 minutes 13.3 seconds.

Queen's Horse to Arrive in Maryland Today

LAUREL, Md. (P)—Four more horses, including Queen Elizabeth's Landau, were due to arrive here today for the \$65,000 Washington International.

Two French horses and one American racer were already on the grounds for the colorful Nov. 3 event.

An Army band from Ft. Meade, Md., was slated to be on hand to greet Landau and the other thoroughbreds as they arrived by air Thursday. Television and movie cameramen planned coverage of the arrival.

Another English horse, King of Tudors, and Ireland's Northern Gleam were scheduled to land at Baltimore's Friendship International Airport this morning.

King Ranch's High Gun was the American entry due here for the race.

King Ranch's High Gun was the American entry due here for the race.

King Ranch's High Gun was the American entry due here for the race.

400 Teenagers

Waterford CAI Ready for Masquerade on Saturday Night

WATERFORD TOWNSHIP — More than 400 teenagers are expected at the masquerade dance and Halloween party at the CAI building Saturday night.

The evening of dancing, games, and contests with prizes galore will be sponsored by the Community Activities Center and the Waterford Township Recreation Department. A costume grand march at 9:30 p.m. will be featured.

All township teenagers from grades 9-12 have been invited, and a band will furnish dance music from 8-11 p.m.

The Drayton Rotary Club is sponsoring an elementary school Halloween party at the Drayton Plains school, for children from 8-11 years old. This party will feature a costume parade, movies, refreshments and games, and will be held from 7-8:30 p.m.

The Township Recreation Department has suggested that parents limit their children's "meet and treat" door-to-door campaign to from 6:30-7:30 p.m. Friday, and encouraged "subdivision groups" to cooperate with this plan.

Baptist Young People Pick Officers at Drayton

DRAYTON PLAINS — Thelma Caverley has been named president of the Young People's group of the First Baptist Church of Drayton Plains.

Other officers are Beverly Whitney, treasurer, Ada Taubee, secretary, and Karen Patton as social publicity chairman.

MRS. ROBERT BIRD

Elinor Knapp Is Married in Milford Church Rite

MILFORD — St. Mary's Church was the scene of the wedding of Dorothy Elinor Knapp of Milford and Robert Mervyn Bird of Elmira, N. Y. Saturday.

Northville Banker Dies at Wheel of Car

NORTHVILLE — John A. Boyce, 62, president of the Depositors State Bank here, collapsed and died while driving his car Wednesday night.

Oakland County Deputy Coroner Theodore W. Lind said Mr. Boyce suffered a heart attack and probably died before his car went off the road and struck a tree about 7:30 p.m. on Novi road near Eight Mile road.

Mr. Boyce, who lived at 204 Randolph St., had headed the bank 22 years, becoming president when two Northville banks merged. Before that he had been an attorney in Redford.

He was a member of the Northville Rotary Club and of several Masonic organizations in Detroit. Two brothers and a sister, all living in California, survive.

County Deaths

Matie M. Sherman
NORTHVILLE — Service for Matie M. Sherman, 87, of Pontiac Trail, Wixom, will be held at 2 p.m. Saturday from the Casterline Funeral Home, with burial in Oakwood Cemetery, Farmington. She died Wednesday.

Surviving is a daughter, Mrs. Maude Randall of Birmingham, three grandchildren, Mrs. Kenneth Rucker of Wixom, Mrs. Kenneth Posey of Romeo, and Ralph Hopkins of Royal Oak, and eight great-grandchildren.

Ernest Kurz
ROYAL OAK — Service for Ernest Kurz, 53, of 1039 Longfellow Ave. will be at 2:30 p.m. Friday at Sullivan and Son Funeral Home with burial in Oakview Cemetery. He died Tuesday.

Surviving are his widow, Helen; his father, William G. Kurz of Bay City; two brothers, Russell of Pontiac, Grant of Royal Oak; and a sister, Mrs. Jay Foutch of Milan.

South Oakland Set to Vote on Liquor, Taxes, Zoning

Local issues in seven South Oakland County cities will be decided by voters at November 2 election. The sale of liquor-by-the-glass which has been defeated four times in Clawson again will be on the ballot. If approved it would permit three Class C licenses, but if it fails it cannot legally be placed on the ballot again until 1958.

Liquor-by-the-glass is also an issue in Oak Park. The city council can award three more Class C liquor licenses if approved by the voters. If the issue is defeated the one bar in the city will lose its license.

Two other proposals will be on the ballot in Oak Park. One is

to amend the zoning ordinance to abolish future multiple zoning and the other is to rezone all land from multiple zoning to single residence.

Hazel Park voters will be asked to approve a charter amendment to raise the pay of the mayor, councilmen and justice of the peace. If approved the mayor would receive \$2,500 per year and each of the five councilmen \$1,500. The justice of the peace would receive \$6,000. The mayor now receives \$750 per meeting and councilmen \$5 each.

Four proposed amendments to the city charter will be decided on in Royal Oak. The first pertains to the election of three members to the Board of Review. The second would require a refund to special assessment taxpayers when special assessments collected exceed the full cost of the improvement by more than five per cent.

The third is to permit payment of taxes within 30 days of filing the tax roll and the payment of special assessments and penalties involved for non-payment. Fourth is the payment of the city employee's retirement fund and allowance to a beneficiary.

In Pleasant Ridge is a charter amendment permitting the resurfacing of streets when needed with the cost to be levied as a special assessment against the adjacent property.

In Southfield Township, voters will ballot on a \$1,707,772 township share of the proposed Evergreen Interceptor Sewer, which will serve Birmingham, Bloomfield Hills, the city of Lathrup Village, and Bloomfield, Troy and Southfield Townships. If approved, the money will be raised by a one-mill tax increase in 1955-59, and a two-mill increase in 1960-74.

Troy Township voters have before them a two-mill tax increase, for five years, to provide \$36,000 for police, fire and year-round recreation work.

Both the proposal to increase the tax limitation and one to spread the tax goes into effect. It would increase the average resident's payment about \$9 annually, according to Township Supervisor Norman Barnard.

Halloween Activities Planned in Romeo

ROMEO — The Lions Club will stage its annual Halloween party for youngsters in Memorial Stadium Saturday evening. The party will begin at 6:30 p.m. and last until 8 p.m. There will be games and contests for all ages and prizes will be awarded for the best costumes in each grade from first to the eighth.

Joseph Rymill, chairman of the party committee for the Lions Club, reports that doughnuts, cider and apples will be served.

In the meantime, the junior class of Romeo High School is going ahead with its plans to light up the town with railroad flares on Halloween night. The time has been set for 8:30 p.m. and arrangements have been made for the fire siren to be blown once at that time, as a signal for all local citizens who have purchased flares to light them. This will mark the end of the Halloween celebration and the close of the party at the Stadium.

Egyptian to Speak

DRAYTON PLAINS — Mrs. A. Dunlap of Assuit, Egypt will speak to the combined meeting of the Kellersberger and Teenage Missionary Groups of the Community United Presbyterian Church at 7:30 p.m. today in the church.

Mr. and Mrs. John Hagan of Melrose drive have announced the birth of a son, John Mark.

Teachers Seen as Peace Hope

Greek Editor Charges MEA With Mission to Uphold Freedom

By HAZEL A. TRUMBLE

Two hundred teacher members of the Oakland County Michigan Education Association were told Wednesday night that "the road to peace is being built in the school classrooms of today."

Spyros Sellinas, Greek newspaper editor visiting the Pontiac Press, told of the educational system of his country at the first annual meeting of the MEA held in Madison High School near Royal Oak.

Gowned in a white lace over net ballerina-length dress, the bride carried a bouquet of white mums and carnations in a cascade formation. A fingertip veil was held in place by a tiara of seed pearls and flowers.

Carol Knapp was her sister's attendant. Emmett Conklin of Milford was best man, and ushers were Henry Valli and Don Culbertson of Davisburg.

Following the ceremony, a reception for 200 guests took place at the Legion Hall in Milford.

After the honeymoon in Northern Ontario, the couple will reside at 629 Pennsylvania Ave. Elmira, N. Y.

2 School PTAs Plan Fall Fairs Friday

WALLED LAKE — Both Wall Lake Elementary and Commerce PTAs are sponsoring fairs this week. Wall Lake Elementary's Fall Carnival will begin Friday at 6:30 p.m.

A talent show, movies, and a modern hayride will be offered as entertainment. Other features include a baby sitting service, hobby displays, floral and baked goods booths, and several door prizes for children. Ben Matteson is general chairman of the carnival.

At Commerce the fair will be open from 2 to 8 p.m. on Saturday, under the chairmanship of Mrs. Arthur Hazen. Booths will include white elephant articles, potted plants, jewelry, baked goods, needlework, and dolls.

Entertainment will consist of movies and a hayride and there will be refreshments.

Invite Parents of First Graders to Open House

WATERFORD TOWNSHIP — Parents of all first grade students of the Donelson School have been invited to an open house on the school Monday. Principal Mrs. Iva O'Dell will comment on a movie to be shown, entitled "Skiy and the Three R's," depicting the adjustments a young boy must make in school life.

Three of the first grade teachers, Mrs. Marie Walsh, Mrs. Ruth Starkweather and Mrs. Ella Kirby will give a reading demonstration, and explain the children's workbooks. They will also answer questions on teaching methods in the first grade.

County Calendar

Armada
The monthly meeting of the Richmond-Columbus Farmer's Club will be held this evening at the home of Mr. and Mrs. Louis Smiley, Columbus township, at 8 p.m.

Almont
The Almont Rebekah Lodge No. 405 will meet at 8 p.m. today in the IOOF hall.

MR. AND MRS. LAWRENCE BEACH JR.

Ortonville Girl Becomes Bride of Clarkston Man

CLARKSTON — Waterford Community Church was the setting Saturday for the wedding of Florence Yvonne McGaughey and Lawrence Thomas Beach Jr.

The bride is the daughter of Mr. and Mrs. Rufus McGaughey, of Ortonville. Clarkston residents Mr. and Mrs. Lawrence T. Beach are the parents of the bridegroom.

The bride was dressed in a white floor-length gown of nylon tulle over satin, with a lace pained skirt and a Peter Pan collar. She carried a white prayer book with white roses and carnations.

Maid of honor was the bride's sister, Joan McGaughey, with Evelyn Austin of Ortonville as bridesmaid.

Harold Baldwin of Pontiac was best man, with Chuck Rose, also of Pontiac, as attendant. George Kostin and Stan Thompson were ushers.

A reception followed at the Auburn Heights Community Club.

Annual Meeting Set for Scout District 1

BERKLEY — Approximately 1,000 parents and leaders of Boy Scouts are expected to gather at 8 p.m. today in the auditorium of the Berkley High School for the annual meeting of Scout District One.

District Chairman Edward E. Wilson will outline the progress of scouting in the populous district which extends from Baseline to Bloomfield Hills, and Inkster Road to Dequindre Road.

District One is the largest of all the districts in the Detroit Area Council, and is believed to have the largest boy and adult membership of any scout district in the world.

Dr. Charles E. Irvin, professor of communication skills at Michigan State College, is scheduled as the speaker.

Will H. Connelly, district public relations chairman, will deliver the annual report, and unit leaders will be recognized in special ceremonies. Training awards will be given and two trophies are to be awarded for service to scouting in the field of organization and extension.

Climax of the meeting will be the awarding of the Silver Beaver to two leaders for outstanding achievements and contributions to scouting.

Early Shoppers Asked to Bazaar by Parish Guild

WATERFORD TOWNSHIP — A two day Christmas bazaar which has been in the planning stage for the past several months by the General Guild of Our Lady of the Lakes parish will be given Nov. 6-7 in the church hall.

A chance to do some early Christmas shopping will be given to those attending, with numerous booths with a variety of gifts prepared.

To Elect First Officers

ARMADA — A new Farm Bureau group in the process of organizing will meet tonight at the home of Mr. Howard Crull, Ridge road, to complete plans and elect officers.

Plan Queen Crowning

SOUTHFIELD TOWNSHIP — Crowning of Football Queen will take place during the Home-Coming dance Friday evening at the Southfield High School.

The Territory of Hawaii consists of 20 islands, of which nine are inhabited.

Grains Sell Off in Early Trade

CHICAGO (AP)—Grains sold off in early dealings on the board of trade today.

There was a little hedging pressure in corn, reflecting cash corn receipts of 249 cars. This was the first cereal to head downward.

Weather was mostly favorable for completion of the soybean harvest, creating a cautious attitude among potential buyers in beans. July wheat was under pressure in view of an improving outlook for next year's winter wheat crop.

Wheat near the end of the first hour was 1/4 to 1/2 lower, December \$2.22 1/2, corn 1/4 to 1/2 lower, December \$1.55 1/2, oats unchanged to 1/4 lower, December \$1.37 1/2, soybeans 1/4 to 1/2 lower, November \$2.82 1/2 and 10 to 15 cents a hundred pounds lower, November \$14.95.

First Disney Show Has Promise, at Least

ALL OUT FOR SHAKESPEARE—A celebrity night program in Stamford, Conn., for the benefit of the American Shakespeare Festival Theater and Academy brought out (front row, left to right) Eva Gabor, Jean Dalrymple, Faye Emerson and Nina Foch; (rear row) Hermione Gingold, Peggy Wood and Mrs. John Lodge, wife of the governor of Connecticut. The Festival Theater and Academy hopes to establish a Shakespeare festival in this country similar to that at Stratford-on-Avon, to build an adaptation of the Globe Theater and to establish an acting company.

Ran Too Slow Till Second Half

Program Combination of Live Host, Cartoons Looks to Color TV

By C. E. BUTTERFIELD
NEW YORK (AP)—After it gets a couple weeks older the new Walt Disney Show, all on film, should be going great.

But the opening show in the TV series seemed rather slow. Too much time—exactly one-half of the hour—was used in presenting the Disney studios, some of the equipment used there and members of the staff.

It wasn't until the second half, when Mickey Mouse—the character who sent Disney on his way—showed up, that things began to hum.

These were my observations after a special preview of the new show.

The hour, all filmed in color in anticipation of future TV re-runs when color-TV is more universal, is one of the most expensive regular weekly series yet. The \$100,000 talked of as the cost of production is declared to be the minimum, with indications that some programs will run higher. While the films are in color, the transmission was in normal black and white.

The plan is to use approximately 60 per cent old material and 40 per cent new the first year, reversing the process for the second season.

Both animated and live characters are woven together, with Disney serving as his own host. The animated images help on some of the commercials.

Disney said his intention is to divide the programs into four sections, covering stories of frontier days, of adventure, of fantasy and of tomorrow.

Kennedy Land Fraud Trial Now Under Way

GRAND HAVEN (AP)—Opening statements were made yesterday in the conspiracy trial of Ronald V. Kennedy, 43, ousted State Highway Department land buyer.

Kennedy is charged with conspiracy to defraud the state of \$600 in right-of-way purchases for M 21 near Hudsonville.

A jury of 10 men and two women is hearing the case in the court of Circuit Judge Raymond L. Smith.

The prosecution indicated G. Palmer Seeley, former chief right-of-way buyer for the highway department's Grand Rapids district, will testify during the trial.

Seeley is serving a 2½ to 5 year prison term at Southern Michigan Prison for a similar conspiracy charge.

Waukegan Fisherman Predicts Mild Winter

WAUKEGAN (INS)—A Waukegan fisherman, who makes a "fishy" annual weather prediction, said the winter will be mild—at least until Jan. 1.

Mathon Kyrtis said he found perch in his nets four to six miles off shore, but none were caught in nets 10 to 13 miles off shore. Kyrtis says perch know—when they stay near shore the winter is going to be mild.

Plan Soo Locks Stamp

WASHINGTON (AP)—Postmaster General Arthur Summerfield Wednesday announced the post office plans to issue a 1955 stamp honoring the observance of the Soo Locks centennial next year at Sault Ste. Marie. The date of issue for the stamp will be set later. Summerfield said another commemorative stamp will be issued for centennial celebrations at Michigan State College and Pennsylvania State University.

Prince Charles' Boxing Lesson Today Canceled

LONDON (AP)—Maybe Buckingham Palace figures Prince Charles needs a couple of warmup fights before they toss him in there with that featherweight champion from America.

Anyway, a scheduled boxing bout at the palace today between the prince, who is almost 6, and Stephen Rutter, who already is, has been canceled.

"I had a call from the palace to tell me that Stephen would not be needed," said the Yank battler's father, Peter, who is second secretary at the U.S. Embassy. "I don't know why."

The Duke of Edinburgh, polo-playing husband of Queen Elizabeth II and father of the prince, reportedly decided the future king should learn to box.

Draft-Dodging Family All in Jail

Last of Middlers Taken Hiding in Home; Parents Face Contempt Charge

DETROIT (INS)—The last of the draft-dodging Middler family wound up in jail yesterday along with his parents in a surprise raid staged by federal authorities in Detroit yesterday.

Edward Middler, 29, is scheduled to appear in federal court today on draft evasion charges and his parents, James, 74, and Jessie, 68, are accused of contempt of a grand jury indictment ordering that they reveal their son's whereabouts.

Middler was trapped yesterday when deputy marshals scaled a seven-foot cyclone fence around the family home and found Edward hiding in a 6-by-8-foot space beneath the basement stairway.

Edward is not the only Middler son to become entangled with draft laws. David, 41, served two years in a federal penitentiary for failing to register for the draft in World War II. He also received a \$10,000 fine which is unpaid.

Other Middler boys, Patrick, 39, and Paul, 33, were handed 3½ year prison terms in 1942 as draft dodgers.

The senior Middler settled in Detroit in 1925 and was also cited for failing to register during World War I.

Senator Asks Account of U.N. Expense Tabs

UNITED NATIONS, N. Y. (INS)—The United States criticized today excessive salaries and expense allowances for top U. N. officials and urged an accounting of all compensations for living and entertainment.

Sen. J. William Fulbright (D-Ark.), speaking in the U. N. administrative and budgetary committee, warned that payment of "unvouchered" allowances was "an invitation to abuse."

Seeley is serving a 2½ to 5 year prison term at Southern Michigan Prison for a similar conspiracy charge.

Mathon Kyrtis said he found perch in his nets four to six miles off shore, but none were caught in nets 10 to 13 miles off shore. Kyrtis says perch know—when they stay near shore the winter is going to be mild.

Plan Soo Locks Stamp

WASHINGTON (AP)—Postmaster General Arthur Summerfield Wednesday announced the post office plans to issue a 1955 stamp honoring the observance of the Soo Locks centennial next year at Sault Ste. Marie. The date of issue for the stamp will be set later. Summerfield said another commemorative stamp will be issued for centennial celebrations at Michigan State College and Pennsylvania State University.

3 Firemen Die, 23 Hurt in Blast

4,000-Gallon Chemical Tank Explodes in Philly Factory Yard

PHILADELPHIA (UP)—Three firemen were killed and 23 were injured, five of them seriously, today when a 4,000-gallon chemical tank exploded in the rear of a North Philadelphia factory.

The dead included Battalion Chief John J. News who headed the firemen summoned to the scene when neighbors in the area complained of chemical fumes.

Deputy Fire Commissioner George Hink said that the firemen responding to the alarm approached the two-story brick plant of the Charles W. Berg Laboratories, manufacturers of chemicals and oils, from the rear.

Hink said the fumes were so heavy that the firemen could not determine their origin immediately. News dispatched half of his men to the front of the building and led the remainder into a rear yard about 150 feet long and 60 feet wide.

The firemen were approaching a rear door of the building when the huge tank, about 15 yards away from them exploded.

The tank, which had been set on a concrete base at one side of the yard, was hurled nearly completely across the yard and crashed against one of the other buildings which surrounded the enclosure.

The group of firemen and several policemen were enveloped in the blast. Windows in the area were shattered and drums of solvents stored in the yard were hurled about the enclosure.

Another huge chemical tank in the yard, similar to the one which exploded, was not damaged, however. One of two trees nearby was toppled by the blast.

5-Day Week Restored

MUSKEGON (AP)—J. O. Ostergren, president of the Lakey Foundry Corp. of Muskegon, said Wednesday his company has resumed a five-day-a-week operation schedule for the first time in many months. He said the plant's present 500-man work force will be expanded to 1,500 by Dec. 15. The company manufactures engine heads and blocks for automobiles and trucks.

Seaway Plans Call for Opening in Spring of '59

BUFFALO, N. Y. (INS)—Lewis G. Castle, administrator for the St. Lawrence Seaway Development Corp., disclosed today that plans call for the opening of the 182-mile waterway for shipping by the spring of 1959.

Speaking at a Buffalo Chamber of Commerce luncheon, Castle said completion of all navigation work is scheduled for late in 1958.

The first contract will be let next month for initial navigation projects. The corporation is under the U. S. department of Defense.

The seaway, which will cost upward of 600 million dollars, will run from the Atlantic Ocean to the Great Lakes.

Castle predicted that 36 million tons of cargo will pass through St. Lawrence River channels and locks the first year of operation. Toll rates will be fixed on a "reasonable" basis, he said.

Drive Exceeds Goal

PORT HURON (AP)—The Port Huron-Marysville Community Chest drive ended Wednesday with contributions and pledges totaling \$208,250. Drive officials said it was the third straight year the cam-
