Find Man Linked to Torch Case Shot to Death

Trial Board Revision Plan May Be Snagged

Legal Opinion Sought on Whether Old Terms Are Still in Force

A special plan for revision of the city's Trial Board may have suffered a setback before it even got under way.

Mayor Philip E. Rowston conceded last night there is a possibility that appointments of the old seven-member Trial Board are still in effect and that new appointments are not possible until the old ones run out.

Rowston asked for a legal opinion from City Attorney William A. Ewart by next week.

Commissioner William W. Donaldson brought up the possibility before the City Commission meeting got started last night.

★ ★ ★

He figured that five of the seven appointments are still in effect, while the terms of two of the former board members expired during the two years the Trial Board was replaced by Civil Service.

TWO RECOMMENDED

One of the main recommendations of the mayor's special citizens committee to strengthen the Trial Board was that only two, or not more than three, of the old members be appointed to the new board.

This would prevent renewal of old frictions that existed between police and the former Trial Board, committee chairman Harvey M. Johns explained.

Rowston, meanwhile, asked commissioners to consider possible new nominees to the board in advance of definite appointments next week, perhaps.

He didn't broach the subject of Police Department nominees in Public, but mentioned the possibility before the meeting.

The study committee recommended that rank-and-file policemen be allowed to submit the name of at least one nominee for Commission consideration.

★ ★ ★

So far, the commission hasn't notified the Police Department that it will follow this recommendation.

Police officers successfully campaigned for civil service in 1957 on grounds the old Trial Board was politically controlled.

Want Another Probate Judge

County Supervisors Will Get Proposal for 2nd Post at Next Meeting

Steps to have a second probate judge in Oakland County by 1961 will be proposed to the Board of Supervisors at its meeting next Tuesday.

Supervisors will also be asked to appropriate $10,000 from a salaries reserve to pay for a lawyer-clerk and stenographer to assist Probate Judge Arthur E. Moore until a second probate judgeship is created.

The Ways and Means and Juvenile Committees of the Board, meeting yesterday, decided 1961 was the earliest a second judge could start work.

Both committees agreed to request that the Legislative Committee put in motion machinery for a countywide vote in the fall of 1960 asking for approval of the second judge.

GOVERNOR'S CHOICE

If approved, Gov. Williams would name the judge until another election can be held, probably in the spring of 1961.

Judge Moore today handles one of the heaviest case loads for a single judge in Michigan. His office last year processed 800 adoptions, he told the committees.

A second judge would receive a salary somewhere in the vicinity of Judge Moore's $22,500.

In agreement with the supervisors' plans is the Oakland County Bar Assn. which had appointed a special committee to seek help for Judge Moore.

Clarence K. Patterson, committee chairman, confirmed the interim appointment of the two assistants would be best until steps could be started for the new judge.

Boss and Top Choice

CHANCELLOR AND POSSIBLE SUCCESSOR — Chancellor Konrad Adenauer, left, is shown with Ludwig Erhard, right, his economics minister, who is considered the most likely choice to succeed him. Adenauer will run for the presidency of West Germany.

Adenauer's Policies Will Be Carried On

BONN (AP) — West German officials were generally agreed today that their country would follow the basic foreign policies shaped by Konrad Adenauer, who yesterday announced his coming retirement as chancellor.

Few expected the 83-year-old statesman to fade out of the political picture after he takes the normally figurehead post of president.

Many West German papers speculated that his advice would play a big part in his successor's decisions.

Adenauer's sudden decision to step down and seek election to the largely honorary job of president brought mixed reactions in Europe. The Communists, as expected, said he had been a failure.

Ludwig Erhard, the man who refused to become president of West Germany, now is considered the man most likely to succeed Adenauer.

★ ★ ★

He is a 63-year-old Bavarian-born economist and moves to the front line of candidates.

Erhard looks somewhat like a younger edition of Winston Churchill. He has a preference for cigars and colorful, persuasive speech.

However, it is not known whether Adenauer will support Erhard for the chancellory post.

NO BIG CHANGE

West Germans and persons in Allied capitals looked for a new approach to old problems by the new chancellor—but no startling revision in Adenauer's plicies.

Allied diplomats cautioned on expecting any major shift in overall Western policy to result.

"There really isn't very much room to maneuver," one ranking diplomat said.

Fence Jumping by Voters Brings Election Turmoil

BENSON, Ariz. (AP) — City election officials were still trying to figure out today who was elected what in the primary.

★ ★ ★

Voters were to choose nominees for five council seats Monday. Only 118 of about 700 eligible voters showed up. But here's what they did:

They voted for three Republicans on the Democratic ticket. Five Democrats got votes on the Republican ballot. One Democrat got 15 GOP votes, but none from his own party.

A Republican got 21 votes from Democrats, 19 from his party.

★ ★ ★

Officials agreed that the votes on the wrong ballot should not count. But they had no solution for the winning candidates who were reluctant to accept nomination.

Soldier Is Avid Fan

PLYMOUTH, England (UPI)—Army Cpl. Glen Davies was charged with breaking into the home of Vivienne Ellis, 17, a photographer's model. He is alleged to have stolen 157 photographs of Miss Ellis.

New GOP Idea for Vets Fund Is Sidetracked

Would Replace Dems' Proposal to Mortgage With Liquidation

LANSING (AP) — A Republican proposal for utilizing the 50 million dollar veterans trust fund was unveiled in the Senate today but immediately stalled in the Appropriations Committee.

In proposing the plan to meet the state's cash crisis, Sen. Frank Beadle of St. Clair, GOP majority leader, said he had been assured by veterans organization leaders that they preferred it to any alternative.

This is what Beadle proposed:

1. Immediate transfer of securities as needed, to the state general fund with authority vested in the State Treasurer, with State Administrative Board consent, to liquidate the bonds.

2. Under a time table starting July 1, 1965, to gradually restore the trust fund to its original condition by annual appropriations from the general fund starting with the sum of four million dollars, and increasing to 14 million dollars with the year 1970.

3. Provide for an annual direct continuing appropriation of $1,200,000 a year to finance benefits to indigent veterans heretofore supported out of trust fund income.

The time table for restoring the fund, Beadle explained, is keyed to the period when debt service on outstanding World War II and Koran bonus bond issues will be reduced, in effect freeing four million dollars a year in general fund resources for other purposes.

JOBLESS BILL PASSES

The bonus bond debt service schedule falls off an additional 10 million dollars a year in the fiscal year beginning July 1, 1970.

Last evening by the narrowest possible margin, the House approved extended unemployment benefits for Michigan workers and prepared for a tussle with the Senate.

Both Republicans and Democrats mustered their full forces for the first time in weeks to vote on a bill extension of the temporary federal to bring Michigan under a 13-week jobless pay program.

Two Republican rebels, Reps. George W. Sallade of Ann Arbor and Louis C. Cramton of Lapeer, sided with 54 Democrats to OK the proposal 56-52, the bare majority needed for passage. It then moved to the Senate.

Sallade, joined with Rep. Jo-

AP Wirephoto

MARCH IN WASHINGTON — The Grand Rapids contingent of Michigan jobless included these women who arrived to join others staging a "march on Washington" for action on reducing unemployment. Some 5,300 union officials and unemployed workers from 137 AFL-CIO units are taking part.

Demand Jobless Action

Union Marches on Capital

WASHINGTON (UPI) — Thousands of AFL-CIO unionists staged a "march" on Washington today for a militant mass rally demanding government action to reduce unemployment.

Delegations from 15 eastern and midwestern cities arrived throughout the morning by special trains, buses and auto caravans.

More than 1,300 unemployed workers boarded three trains in Detroit late yesterday and headed for the nation's capital. They were the hard core of the march on Washington by the unemployed.

About 300 Ohio union members were reported stricken with food poisoning while en route here for the unemployment conference.

A Lima, Ohio, union official estimated about half the 600-man delegation aboard a Toledo-Washington train became ill after eating turkey for dinner in a dining car last night.

"It hit some of us about two hours after dinner," UAW's Ralph Shadley said, "but it began to get really serious about two in the morning."

Stuart Stracher, an official of United Auto Workers Local 2, said, "We have a mission. We want to show the people of Washington we're human beings, not statistics, and we need help even if conditions are improving."

The march grew out of a remark by UAW President Walter P. Reuther in Lansing. Reuther told a labor conference, "We have to stage a massive and dramatic demonstration of our plight."

AFL-CIO President George Meany set the tone for the mammouth rally in an opening speech which assailed the President's economic policies.

About 5,300 union officials and unemployed workers from every one of the 137 AFL-CIO affiliated organizations were on hand for the mass conference on unemployment in the huge National Guard Armory here.

Their expenses were paid by their local unions.

MSUO Adult Education Seminar Calls Five Experts

Five nationally-known experts in the adult education field will participate in a seminar on continuing education at Michigan State University, Oakland, April 18.

Panel members will advise MSUO staff members on problems in setting up the new university's continuing education program.

The university will open its doors to a freshman class of 600 in September.

Panelists will include Dr. Paul A. McGhee, dean of the General Education Division, New York University; Mrs. Bonaro Overstreet and Dr. Harry Overstreet, authors and lecturers; Robert Blakely, vice president of the Fund for Adult Education; and Dr. Cyril Houle, professor of adult education at the University of Chicago.

Dr. McGhee is director of the Great Books Foundation, a trustee of the American Music Society, and was awarded the Charles Scribner Fellowship in English Literature by Princeton University in 1929.

Dr. and Mrs. Overstreet are well known for their many books, consistently on the best-seller lists. Among works they have coauthored are "The Mind Alive," "The Mind Goes Forth," and "What We Must Know About Communism," published last year.

A former editorial writer of the Des Moines (Ia.) Register and Tribune, Blakely served with the Office of War Information in 1942-43, and then joined the U.S. Marine Corps.

After the war he rejoined the staff of the Register and Tribune and later became chief editorial writer for the St. Louis Star Times.

He joined the staff of the Fund for Adult Education in 1951.

Dr. Houle served as director of the UNESCO seminar in 1950 in Sweden, has contributed numerous articles to professional journals and is the author of numerous books, including "The University, the Citizen and World Affairs."

Moderator of the day-long seminar in Meadow Brook Hall will be Mrs. William Gossett, chairman of the MSUO Continuing Education Committee.

59ers Split Over Wait to Find Land

HOMER, Alaska (AP) — Michigan's 59ers, once a tightly-knit group of pioneers bent on establishing homesteads in Alaska's Kenai Peninsula, apparently are beginning to break up.

The main body of the group still was established today at a lodge halfway between here and Anchorage and still planned on building a "Michigan City."

But some members of the group, who said they were "sick and tired of waiting around," pulled out yesterday and began looking around.

Mr. and Mrs. Lacy Bennett and Hugh Lynn drove off and began scouting the Homer area.

"We like it here," they said, "and we think we'll try to find some land in this area."

Twenty-two-year-old Yvonne Stevens, the only single woman in the group, was parked near downtown Anchorage. Miss Stevens said she planned to "sit tight until I find out what's going to happen."

Parked in the same area were George Irwin, his brother, Bill, and Ray Kalich. The trio said it hoped to get jobs in Anchorage because "we're not interested in digging in at a place 100 miles from nowhere."

★ ★ ★

The main group, headed by Marino Silk, sat and waited while its scouts continued to look for a good homestead site.

Willing to Eat His Hat

WASHINGTON (UPI) — Secretary of Labor James P. Mitchell told a giant labor rally today that he would eat his hat on the labor department steps if the job situation did not make a dramatic improvement by fall.

Clouds, Showers Forecast for Area

Mostly cloudy with possible scattered showers is the weatherman's forecast for the Pontiac area tonight through Thursday. Tonight's low will be about 35 degrees and tomorrow's high around 45-50.

★ ★ ★

The outlook for Friday calls for partly cloudy and continued rather cool with a chance of showers early Friday morning.

Temperatures for the next five days will range from a high of near 50 to a low of 28-33. Precipitation will average little, if any, as a few scattered light showers or snow flurries.

★ ★ ★

The lowest temperature in downtown Pontiac preceding 8 a.m. was 47 degrees. The reading was 56 at 2 p.m.

Religious Influence?

QUENEMO, Kan (AP) — The issue before the voters of Quenemo (pop. 391) was whether to legalize the sale of liquor. The only polling place was in the annex of the Quenemo Federated Church. Voters decided to keep the town dry — 147 to 54.

News Flash

WASHINGTON (AP)—The United States today lifted a travel ban imposed on Soviet officials, saying that the Russians had removed their temporary ban on travel by foreign officials.

Purchased Car of Kierdorf's Uncle Herman

Resident of Southfield Got Car Just Prior to Disappearance

A man connected with the sensational Frank Kierdorf torch death was found shot to death today.

Pavin Lassiter, a Southfield resident, was found shot through the head in a lonely spot on an estate near Ypsilanti.

Lt. Howard Whaley of the Redford State Police Post said the body was discovered in a ravine on the estate of H. F. Campbell, located near the junction of the Willow Run Expressway and Morton Taylor road, just east of Ypsilanti.

Whaley said Raymond Borusch, an employe of Campbell, discovered the body when he went to the estate to deliver a car.

It was Lassiter who purchased Herman Kierdorf's black Teamster Cadillac a few hours before Herman, uncle of the burned Frank disappeared for 13 days at the beginning of the Kierdorf case last August.

★ ★ ★

Suspecting Lassiter's death was connected with the Kierdorf mystery, Oakland County investigators went to Ypsilanti today.

Lassiter, who lives at 19690 Beverly Rd., had been reported missing since yesterday, Whaley said.

When found, the body was well dressed, lying half-concealed in the ravine.

Lassiter, 38, was identified from cards in his pocket.

He said the Ypsilanti Post reported Lassiter telephoned his wife, Nelle, Monday at 10:30 p.m. from nearby Willow Run Airport to inform her he was driving immediately home.

Mrs. Lassiter told police her husband said he was carrying a large sum of money, police said.

Madison Heights Police Chief Robert Richardson said he would attempt immediately to talk with Herman, who lives at 29068 Spoon St., Madison Heights.

"It would be a good idea to find out what Herman's been doing," the chief said, upon being notified of Lassiter's death.

But State Police Det. Charles A. Leaf of the Pontiac Post was dispatched to Ypsilanti immediately after Lassiter's body was identified.

Leaf figured as a key investigator in the Kierdorf case.

It was last Aug. 4 that Kierdorf, his body covered with burns, stumbled into St. Joseph Mercy Hospital, where he died four days later.

On Aug. 4, Herman, a former aide to Teamster boss James R. Hoffa, persuaded Frank to reveal his identity to authorities and tell how he was burned.

Then Herman left the hospital, sold his car, and dropped out of sight for 13 days.

★ ★ ★

Lassiter purchased the car from Herman on the afternoon of Aug. 4 for $1,700. The dead man owned the Detroit Car Co. at 2614 N. Woodward Ave., Royal Oak.

Lassiter never was the subject of any investigation following the Kierdorf case, said Jerome K. Barry, assistant Oakland County prosecutor who handled much of the Kierdorf probe.

However, the car purchase itself was subject to close scrutiny because the title to the Cadillac was in the name of Teamster Local 229 in Detroit, Herman's home local.

Herman, quizzed about the sale, claimed it was legal. He maintained the local had given him the car upon his retirement from the Teamsters the week before Frank got burned.

Although Lassiter's part in the Kierdorf case was brief, his testimony about the car purchase figured importantly.

It showed investigators how Herman financed his escape and indicated once and for all that Herman was definitely missing.

Lassiter was close-mouthed when asked by newsmen about the sale.

"It's my own business," he said. "I don't have to talk about my business deals."

He conceded, though, that he himself made a trip to the Detroit Teamster local to get the title transferred to Herman's name.

Fix Offer by Hoffa Told in Old County Mystery

James R. Hoffa's name was linked today with an old mystery in the Oakland County Prosecutor's Office.

★ ★ ★

It was testified before the Senate Rackets Committee in Washington that the Teamsters president once offered "to put the fix" on with former Oakland County Prosecutor Charles L. Wilson in 1943.

A few months later, Wilson shot himself to death under mysterious circumstances.

Details of the alleged episode came to light in testimony yesterday by Neil Holland, former jukebox unionist, who swore that Hoffa once tried to make him pay $5,000 to fix a framed extortion charge.

TRIED TO COLLECT

Holland, 51, now a studio engineer for the National Broadcasting Co. in New York, told the committee Hoffa tried to collect the money from him at the Oakland County Jail in September of 1943.

★ ★ ★

Holland testified he was being held incommunicado in jail on a false extortion charge. He claimed Hoffa came to the jail and told him the prosecutor was "money hungry," and he (Hoffa) could get him out for $5,000.

Holland, who was then an official in a Detroit jukebox local, testified that he did not pay the money and later was released.

★ ★ ★

After Holland testified, Committee counsel Robert F. Kennedy said Holland had been given a lie detector test on the same statements and the test showed Holland's testimony was true.

NEIL HOLLAND

The disclosures came as the committee probed Detroit jukebox operations and William Bufalino, president of Teamsters Local 985.

Records at the Pontiac Police and Oakland County Sheriff's Depts. showed that Pontiac police arrested Holland on a charge of extortion Sept. 22, 1943 and had him jailed on a warrant issued by Wilson.

★ ★ ★

Holland, then of 9940 E. Forest Ave., Detroit, was released under $5,000 bond five days later by former Municipal Judge Charles Webster.

The incident referred to in Holland's story apparently was supposed to have occurred during his five-day stay in jail.

There were two other members of the Detroit Music Box Employe's Local 361, CIO, arrested with Holland and they, too, were charged with extortion. Holland was the local president, the other two were business agents.

Later, the charges were reduced to conspiracy to extort and finally, on Nov. 24, 1943, Judge Webster dismissed all the charges.

Holland once served time in Jackson Prison, sentenced to a one- to five-year term stemming

(Continued on Page 2, Col. 2)

City Would Halt Pollution

Blames Pair of Neighbors

May Seek Court Steps Against Sylvan Lake, Waterford Township

Pontiac is eyeing steps to halt pollution of the Clinton River by communities west of the city limits.

★ ★ ★

Robert A. Stierer, assistant city manager, was authorized by the City Commission last night to begin an investigation leading to possible action.

Commissioner Milton R. Henry urged that the city go to Circuit Court for an injunction preventing pollution by the two communities he thought were to blame—Sylvan Lake and Waterford Township.

But Lewis Wrenn, city engineer, laid the blame for pollution squarely in the lap of Waterford Township alone.

FOLLOWS BOND DEFEAT

Steps to curb pollution will follow in the wake of the third defeat of a bond issue for more Pontiac sewage treatment facilities. Property owners turned down the $3,300,000 bond issue at the polls Monday.

Henry's main concern was Crystal Lake, fed by the Clinton on Pontiac's southwest side.

"This was a beautiful lake and once was a popular swimming place many years ago. It could and should be so again," he said.

★ ★ ★

Mayor Philip E. Rowston said that residential properties along James K. Boulevard on Sylvan Lake are affected by pollution in the lake. He represents that area.

Wrenn said the trouble was caused by two county storm drains that pick up overflow from poor septic tanks on the north side of Sylvan Lake.

One drain flows into Sylvan approximately at the foot of Lynn avenue in Waterford Township, he said.

The other drain runs into Pontiac to empty into the river at the Orchard Lake avenue bridge, he said. This is called the West End Drain.

COUNTY SAID AWARE

"The County Health Department is aware that septic tanks north of Sylvan Lake are not working, that they are leaking into the storm drains," Wrenn said.

★ ★ ★

He recalled that the Health Department tested Sylvan for pollution two years ago and found the lake satisfactory, except for the north shore near the Lynn avenue drain.

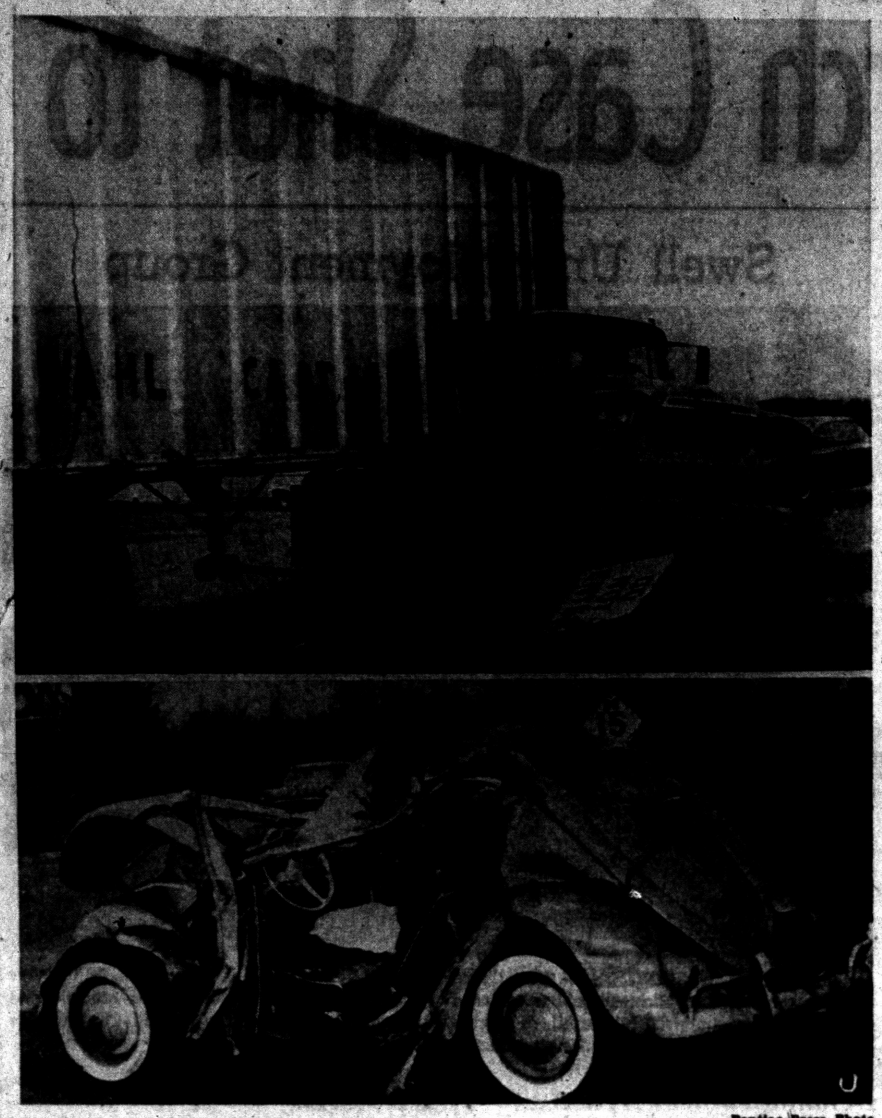

Commissioner William W. Donaldson gave hints that he might ask that the bond issue be put to voters a fourth time some day.

"Perhaps its defeat means only that the effects of the recent recession are still with us," he said.

Donaldson tentatively suggested that opponents of the city's treatment plant plans be invited to meet with the Commission to present their own views of how to finance treatment improvements.

★ ★ ★

One of the big reasons for the city's worries about treatment facilities is Clinton River pollution, and the State Health Department has threatened to take steps to curb it if Pontiac won't.

Pontiac Press Photo

HOUSEWIFE INJURED SERIOUSLY — A Waterford Township housewife was seriously injured shortly after 7 a.m. today when her German-made Volkswagen collided with this seven-ton truck and trailer at the intersection of U. S. 10 and M15, Independence Township. In the Pontiac General Hospital in fair condition is Mrs. Helen J. Chandanais, 29, of 6160 Sunnydale St. The truck, driven by Paul Standish, 45, of Detroit, skidded more than 300 feet before striking the car, Pontiac State Police said. Mrs. Chandanais was driving south on M15, troopers said.

Mayor Safety-Minded

COLUMBUS, Ohio (UPI) — Mayor Earl M. Roudebush of the tiny village of Canfield admitted yesterday he has fined motorists $202,000 in mayor's court in the past 30 months. "I don't do it for revenue," he told a legislative committee gravely. "It's for highway safety."

Tells of Hoffa Fix Offer in Old Mystery

(Continued From Page One)

from an arrest for auto theft in Detroit in 1927.

Holland and the other two business agents were accused of trying to extend slot machine operations into Pontiac and Oakland County.

At the time of their arrest, they claimed that Wilson had "trumped up" the charges.

"I was held incommunicado," Holland testified. "They wouldn't let me see my wife even."

Holland said that Hoffa appeared in his cell one day without any forewarning and said that he wouldn't be freed unless he paid Wilson the money.

"I told him I didn't have $5,000 and wouldn't pay it anyway. Hoffa told me that if I didn't pay, I'd have to spend 10 years in jail."

During the fourth day in jail, Holland testified, Hoffa revisited him and made the offer again.

"He said, 'if you can't raise $5,000 you deserve to spend 10 years in jail.'"

Holland said he refused Hoffa the second time and the next day was freed by Judge Webster.

He said that Hoffa appeared to be representing the interests of one of two waring jukebox factions.

Holland testified that he was arrested by a Pontiac police officer and a representative from the Prosecutor's Office when he visited Pontiac to collect dues from a local member.

Wilson committed suicide in early February 1944, just before the start of a state rackets investigation of his activities in Oakland County. He was 43.

A full explanation of his death was never developed.

Wilson had been a chief assistant prosecutor up to 1938, when he was elected prosecutor for the first time. He was re-elected in 1940 and 1942.

★ ★ ★

A free-wheeling official, his name was brought up in a number of controversies during his career. At one point, there was a move to ask Gov. Lauren Dickinson to institute removal proceedings against him. That was in 1940, when Wilson was accused with failure to prosecute two Holly Village officials indicted by a grand jury.

In 1939, Wilson was involved in a quarrel with the AFL and the CIO unions. He claimed they were behind racketeering and involved in inter-union friction that resulted, sometimes, in criminal sabatoge of each other's property.

The unions, in turn, bitterly attacked Wilson for interfering in union activities.

Yesterday was not the first time the Oakland County Prosecutor's Office has been mentioned in a committee meeting.

In the fall of 1957, Robert P. Scott testified that William Hoffa, Jimmy's brother, had once asked him to "put the fix" on the Prosecutor's Office so that he (William Hoffa) could run gambling operations in Oakland County without hindrance by law enforcement agencies.

Scott, a former official of Pontiac Teamster Local 614, said his hands were clean, and that he attempted no "fix."

The incident referred to in Scott's testimony happened after Wilson's death.

Earlier yesterday, Joseph Brilliant, former jukebox operators' association official, swore that companies he believed had underworld backing muscled in on a quarter of Detroit's 4,000 jukebox locations with help from some teamster union officials.

Brilliant told the committee that rival jukebox firms were helped by exclusive rights granted to them to distribute jukeboxes produced by the Wurlitzer Co.

He said the big muscling-in operation came in 1946 and 1947 when Wurlitzer was the only manufacturer able to make immediate delivery of jukeboxes after the World War II shutdown of such manufacturing.

Brilliant testified he was present at a meeting attended by Hoffa when Bufalino took over command of Local 985 from Eugene (Jimmy) James in 1947.

He said Hoffa told Bufalino not to favor his relatives.

'HE SURE DID'

Robert F. Kennedy, committee counsel, asked:

"Did Mr. Bufalino favor his relatives?"

"He sure did," Brilliant replyed.

Brilliant said Bufalino had been an official of the Bilvin Distributing Co., a distributor of Wurlitzer jukeboxes, before taking over Local 985.

He said the Bilvin firm gave Wurlitzer distributorships to the T. D. Music Co., which he said was run by "Sparks" Corrado, a nephew of the late Pete Corrado; the Jay-Cee Music Co., which Brilliant said was run by Pete Tocco, "a relative of Black Bill Tocco," Sam's Music Co., run by a man he identified only as a former employe of gangster Angelo Meli; and the Meltone Music Co., which he said was run by Vincent Meli, a nephew of Angelo Meli.

Kennedy described the companies as "run by gangster figures."

Question Status of Board Members

(Continued From Page One)

Voters repealed civil service Monday and put police back under the Trial Board provisions of the City Charter.

As a selling point to get civil service repealed, commissioners set up the special committee two months ago to find ways of making the Trial Board more agreeable to rank-and-file policemen.

In the meantime, echoes of the quarrel between former police chief Herbert W. Straley and George D. Eastman, public safety director, were still reverberating in the commission chambers.

Two pro-Straley commissioners had more harsh words about Eastman.

Commissioner Milton R. Henry complained that the police recently had staged more, though minor, raids in his district, main scene of the giant raid last December.

"I warn Eastman not to pick on my district," he threatened.

Commissioner Robert A. Landry, whose district was also hit by the December raid, said he would take drastic action "if constitutional rights are violated in my district again."

Landry said he would go "straight to the governor's office in Lansing."

Henry demanded a report on the bill for attorney Floyd A. Blakeslee's services as special prosecutor against Straley at the chief's ouster hearing that ended with his dismissal by the Civil Service Commission Saturday.

The bill hasn't been turned in yet, said Marvin Alward, city finance director.

Landry also asked for an itemized accounting of Eastman's expenses since Jan. 1, and all expenses incurred by the city during the ouster hearing.

★ ★ ★

Both commissioners voted last February against spending money for legal assistance in prosecuting the Straley case, although both joined the rest of the commission in saying that civil service commissioners, at least, should have some legal help.

Arrest Husband of Area Woman

Charged With Threats to Detroit Trucker Over Telephone

The ex-husband of a West Bloomfield Township woman has been arrested on a charge of threatening a Detroit truck driver in a telephone call, the FBI reported yesterday.

Dr. Wesley M. Staton, 39, was picked up by the FBI at Greeley, Colo. where he is professor of health education at Colorado State College. He is being held at Denver on a Federal warrant issued in Detroit.

Staton, the father of two children, is accused by Detroiter Eugene Holstin of threatening him with bodily harm over his attentions to Staton's former wife Jean, 37, of 5402 Cambourne Rd., West Bloomfield Township.

The accused educator appeared yesterday before a U.S. Commissioner in Denver, charged with violation of the Federal extortion act. He is to be brought to Detroit for trial, according to the FBI.

★ ★ ★

Staton went to the Greeley school from Wayne State University in Detroit last September. He is a graduate of the University of Alabama and has master's and doctor's degrees from Boston University.

★ ★ ★

Last week he was elected chairman of the secondary school health section of the American Assn. for Health, Physical Education and Recreation at its convention in Portland, Ore.

Family in Court Over Eviction Case

A Waterford Township family of seven are protesting removal from their home at 6456 Harriet St.

Frank Allen pleaded not guilty in Justice of the Peace Patrick Daly's court yesterday on a charge of entering without break-

In his arraignment, Allen was accused of moving his furniture back into the house he was buying after the owner, Milton Silverman of Detroit had Allen, his wife and four children evicted for non-payment.

Allen's furniture was moved out March 26 and when the movers left, Allen and his neighbors promptly transferred the furniture back into the house.

Allen furnished personal bond and his examination has been set for 1:30 p.m. April 15.

Have 'Compulsory Right'

UNITED NATIONS, N. Y. (UPI)—Despite an objection from a Belgian delegate on an apparent confusion in terminology, the commission on human rights declared yesterday that every child has the right to "compulsory education."

GEORGE W. SALLADE

County Young GOP to Hear Rep. Sallade

George W. Sallade, Republican state representative from Ann Arbor and a backer of New York Gov. Nelson Rockefeller for president, will talk to Young Republicans of Oakland County at a meeting Thursday in Birmingham.

Salade, a young Turk himself in the State Legislature, will speak on "The Young Turk Movement."

New members of the club will gather at 7 p.m. at GOP headquarters, 351 N. Woodward Ave.

The speaker is national chairman for Citizens for Rockefeller for President Committee.

GOP Has New Plan for Veterans Fund

seph J. Kowalski (D-Detroit), Democratic floor leader, to introduce a proposal substituting simple extension of jobless pay benefits for a controversial Senate-approved bill.

★ ★ ★

Beadle offered his proposal as a substitute for trust fund mortgaging bills approved March 24 by the House and backed by Gov. Williams.

★ ★ ★

Six Republicans on the Appropriations Committee agreed to the substitution, but only two of them —Beadle and Sen. Lynn O. Francis of Midland—supported Beadle's urging for quick action on the substitute.

Sen. Edward Hutchison (R-Fennville), who spoke in opposition, said he still was unconvinced that the state is imminently threatened by payless paydays.

Hutchinson suggested keeping the Beadle plan on the shelf in committee until it was apparent that a payroll could not otherwise be met, and then speeding the plan to final enactment.

Beadle said he felt deeply about the cash emergency and prospects of financial disaster.

★ ★ ★

"Already we've had enough black eyes nationally," he said. "I can't see us just not doing anything."

Group Will Intervene in Bus Strike Threat

A three-member committee, headed by Mayor Philip E. Rowston, was authorized by the City Commission last night to intervene in the threatened bus strike in Pontiac.

★ ★ ★

Bus drivers, who authorized a strike after their contract with Pontiac City Lines, Inc. expired March 31, have promised to stay on the job at least through tomorrow, date of the first post-contract negotiating session with management.

Rowston said Commissioner William W. Donaldson and Robert A. Stierer, assistant city manager, (would join him on a special committee which hopes to meet with drivers and management.

Donaldson called for the committee after the Pontiac Area Chamber of Commerce called upon the Commission to avert a strike.

MUST KEEP RUNNING

"We must impress on the bus drivers the necessity of keeping the buses running," said Donalson. "It is our duty to try to delay any possibility of a strike."

Commissioner John A. Dugan supported the move.

In an urgent letter to the Commission, John W. Hirlinger, Chamber of Commerce manager, urged both sides "to avoid a cessation of bus line service in Pontiac.

"If once stopped, the buses may never roll again in Pontiac," Hirlinger feared. "This would be a vital blow to the community and would result in immediate loss of jobs to all who are now employed by the bus company."

★ ★ ★

The 37 drivers and maintenance men who would be affected by the strike are represented by Railway and Coach Employes Local 1097, AFL-CIO.

The local is demanding a wage increase, paid holidays and other benefits. John Sytsma, local president, said top salary for drivers was $1.72 and that the union wants at least $2.25.

To help bolster the bus firm's falling revenues, the Chamber of Commerce recently inaugurated the "Ride and Shop" plan under which 55 downtown merchants and businessmen are distributing free bus tokens to shoppers who make purchases of $2 or more.

★ ★ ★

Bus patronage has dropped 60 per cent in the past four years and is still declining, the chamber noted.

UNIVERSITY SCIENTIST — Shown in front of some of the equipment he uses in high voltage research at the Randall laboratory at the University of Michigan is Dr. Robert Pidd. A professor of physics, he announced yesterday that a way has been discovered to produce electricity directly from atomic power.

The Day in Birmingham

Police Department Plans Public Auction Saturday

BIRMINGHAM — Police departments, like housekeepers, fill odd corners with odd items.

Unlike housekeepers, however, they are forced by law to get rid of their collections periodically.

Birmingham Police Department will clean house Saturday morning when a public auction is held in the Municipal Building garage. Starting at 10 a.m., 85 items will be offered for sale.

The list includes a duffel bag, an assortment of hubcaps, tires, wheels, tools, clothing, sports equipment and a typewriter. All of the items have remained unclaimed at police headquarters for at least 90 days.

A second sale will be held at 10 a.m. April 16 at Parmaley's Collision Shop, 1577 S. Woodward Ave. and at the DPW garage on Eton road. Two abandoned automobiles will be auctioned off.

No fire losses were recorded in the City of Birmingham last month, according to Fire Chief Park H. Smith.

The department answered 23 calls to investigate fires, eight first aid runs and four of a miscellaneous nature, he reported.

Murder Charge May Be Brought

Death of Commerce Wife Possibly Caused by Husband's Shot

Oakland County Sheriff's Deputies today were considering seeking a murder or manslaughter charge against a Commerce Township man who allegedly shot his wife accidentally last Feb. 15.

The woman, Mrs. Mabel Marshall, 44, died Monday afternoon after complications had worsened her condition. Her husband, Elmo, 47, had been charged with careless use of firearms in the shooting at their home, 1841 Point Dr.

Marshall waived examination when first appearing before West Bloomfield Justice Elmer C. Dieterle on the charge. When arraigned before Circuit Court Judge H. Russel Holland on March 2, he stood mute.

A plea of innocent was entered by the judge and Marshall's case was remanded back to justice court for examination at the request of his lawyer, Birnard Girard.

Mrs. Marshall was pronounced dead Monday by Oakland County Deputy Coroner Dr. M. G. Prosser. He listed the cause of death as meningitis.

CHECKING CAUSE

Detectives Leo Hazen and Harry Maur are investigating the case further to establish whether the shooting was accidental and if the meningitis was legally a direct result of the bullet wound in the woman's abdomen.

Hospital authorities had taken Mrs. Marshall off the critical list about a week or so after the shooting. Marshall was also hospitalized at the time, suffering from an overdose of heart medicine, deputies said.

Dr. Prosser today said that "meningitis alone can't be caused by a bullet wound like this. But this particular type of meningitis could be the result of such a wound."

Hospital authorities said the bullet wounds in the abdomen "are usually quite serious and, in this part of the body, complications arise more easily from wounds than in most other parts."

Marshall is free on a $1,000 bond.

Members of the University of Michigan Alumnae of Birmingham, and their guests will hear Jim R. Stephenson speak next Tuesday at a luncheon meeting set for 12:30 p.m. at the Kingsley Inn. Reservations must be made by Friday with Mrs. Robert Von Maur of 3287 Bradway Blvd., or Mrs. Robert Wyatt of 231 S. Glenhurst Rd.

★ ★ ★

Stephenson, a member of the Speech Department at the university, will speak on "New York Drama Reviews." He has done dramatic work for radio at the university and while in the Army Signal Intelligence Division, acted with Thornton Wilder, author of "Our Town."

Director of the U. of M. Gilbert and Sullivan Society, Stephenson has spent four years directing plays at high school level with the National Music Camp at Interlochen.

A joint meeting of the officers of the Franklin Cemetery Assn. and its auxiliary will be held at 6:30 p.m. Thursday at the home of Mr. and Mrs. Norman Currin, 26630 Captain's Lane, Franklin. Following the potluck dinner, reports of the year will be discussed.

Elliott Slocum Nichols

Service for Elliot Slocum Nichols, 75, will be held at his home, 1755 Tiverton Rd., Bloomfield Hills, at 11 a.m. tomorrow.

Mr. Nichols, a prominent Detroit broker and club member, died Monday at St. Joseph Mercy Hospital in Pontiac after a long illness.

An Army major in World War I, he was a member of the American Legion Alger Post, Military Order of World Wars, the World Brotherhood, Detroit Patriotic Council, United World Federalists, Detroit Round Table of Christians and Jews, Bloomfield Open Hunt Club, Metamora Hunt Club, Grosse Pointe Hunt Club, the Detroit Club and the Country Club of Detroit.

He was also active in the Episcopal Student Foundation at the University of Michigan.

Surviving besides his wife, Anne, are three daughters, Mrs. Elizabeth N. McEneaney, Mrs. Anne Foley and Mrs. Charlotte Allen; a son, Elliott Jr., and two sisters.

Burial will be under the direction of the Bell Chapel, William R. Hamilton Co. at Woodmere Cemetery, Detroit.

Mrs. Charles Tompkins

Service for Mrs. Charles Tompkins, 77, of 556 W. Frank St. will be at 1 p.m. tomorrow from Manley Bailey Funeral Home. Burial will follow in Roseland Park Cemetery, Royal Oak.

Mrs. Tompkins died Monday in William Beaumont Hospital, Royal Oak, after a brief illness.

She is survived by her husband, two sisters, Mrs. Howard Lowe of Birmingham, Miss Eva Walker of Fenton and three brothers, Will of Hadley, Elmer of Saginaw and Clyde of Royal Oak.

Robbers Pick Wrong Victim; He Was Broke

Two unarmed bandits picked the wrong man to rob last night. Their victim didn't have any money.

Walter Messer, 48, of 95 Pinegrove St., reported to police he was strongarmed by two men in hs car after leaving the Chief Pontiac Bar, 78 Baldwin Ave.

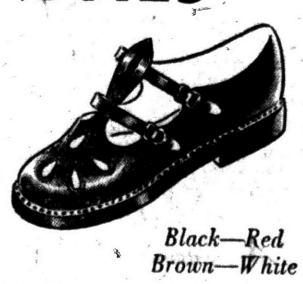

While one of the bandits pinned him down, the other went through his pockets. The bandits found Messer's wallet, but it was empty.

"Not a cent!" one said in disgust.

They then fled, Messer, a milkman, told police.

End Featherbedding, Rail Official Urges

DETROIT (AP)—A spokesman for the Assn. of American Railroads says 1959 is a "year of decision" on so-called work featherbedding which he said costs the public 500 million dollars a year.

Albert R. Beatty, assistant vice president of the railway management group, said in a talk last night this is an important year because a three-year suspension on work rule changes expires this fall.

Beatty, addressing a businessmen's group, said if the 500 million dollars could be invested in the industry there would be more jobs and security for employes.

His reference to work rules dealt with regulations provided for in railway union contracts. "Featherbedding" is a term used to describe non-productive practices.

He contended that "unnecessary" crewmen on trains alone cost the railroads about 300 million dollars a year.

Romps to 2nd Term as Chicago Mayor

Daley Works Hard, Wins Easily

CHICAGO (AP) — If the reason for Mayor Richard J. Daley's success could be boiled down to a single word, it would be: work.

★ ★ ★

Daley romped to an easy predicted victory in Tuesday's municipal election, strengthening the stranglehold the Democrats have held on City Hall for 28 years.

The mayor strides into his office between 8:30 and 9 and usually works until 6. Three nights a week on the average, he attends banquets and meetings.

Daley bustled through the four years of his first term without benefit of a vacation of more than a few days. The toll took no visible toll.

56 YEARS OLD

He is 56 now. His slick hair is dark. He is an erect 5 feet, 8. He weighs about 200 —a plump testimonial to his wife's cooking.

Daley's work habits probably have their roots in necessity as well as nature. He had to support Mrs. Daley and their seven children.

The eldest child, Patricia, is a nun. Mary Carol, 20, is away at college. The others—Eleanor, 18, Richard, 17, Michael, 15, John 12, and William, 10—are in school.

★ ★ ★

The Daley's live in a plain house at 3536 Lowe Ave., in the same block of the back-of-the-yards neighborhood where Daley was born May 15, 1902.

While he didn't go very far geographically, he went places politically. He spent the 1936-46 period in the Illinois Legislature, worked as state director of revenue 1948-50, and served as Cook County (Chicago) clerk from 1950 until he was elected mayor in 1955.

During his first term there has been an expansion of expressways, thousands of new street lights, a buildup of the police department and other improvements.

CRIME PERSISTS

But crime has been a persisting problem, documented by daily newspaper accounts of robbers, burglars, musclemen or gunslingers at work.

Daley has been Democratic county chairman since 1953. His Democrats won 27 of the 30 county races in the November 1958 election. They took 45 of the 50 seats in the City Council in the February 1959 aldermanic election — a record sweep.

Victory doesn't prompt him to live it up. He takes an occasional drink, but doesn't smoke. He makes short, simple speeches couched in short, simple words.

★ ★ ★

Duty requires him to speak frequently. He tries to limit his participation to events that will further Chicago's interests or, in the case of many distinguished foreign visitors, the nation's good will.

Daley has his petulant moments. He was nettled recently when a man in his audience asked about his dual role of mayor and Democratic chief.

"An individual is not worth his salt as mayor, governor or president," Daley snapped, "if he is not a political leader."

Kidnaps Nurse, Car to Get Transportation

DETROIT (AP) — Willie Jones told police he took a nurse's car and forced her to accompany him at gunpoint last night because he was stranded at Wayne County General Hospital and needed transportation to Detroit.

★ ★ ★

Jones, 45, was held for investigation of kidnaping and armed robbery.

Mrs. Delores Adams, 29, a nurse and mother of three children, told police she was entering her car after finishing work at the hospital when Jones approached with a gun, took 36 cents from her and made her get in the car.

She said he drove and made her keep her head below the window level so she could not be seen.

Detroit police stopped the car when they noticed it was driving erratically down the Edsel Ford Expressway.

Officers said Jones told them he planned to release Mrs. Adams and return her auto when he reached his Detroit destination.

A dog can hear a sound at 80 feet that cannot be heard at 20 feet by a man.

Aussie Official Here to Protest to Benson

NEW YORK (AP) — John McEwen, Australian trade minister, arrived here today for a conference with Secretary of Agriculture Ezra Taft Benson on the disposal of surplus U.S. wheat in Southeast Asia.

★ ★ ★

The disposal, McEwen said, is seriously reducing the market for Australian wheat. He plans to go to Washington Thursday.

Australia's leading automobile-manufacturing firm is exporting its motor vehicles to 24 Asian, African and Pacific countries.

Using Seaway Lots Cheaper

Dow Chemical Finds Big Savings Per Ton in Overseas Shipping

COLUMBUS, Ohio (AP) — Recent experiences show it's a lot cheaper to send products overseas via the St. Lawrence Seaway, a geography professor says.

Eugene Van Cleef, professor emeritus at Ohio State University, gave this example yesterday in a speech before the 13th annual Ohio Highway Engineering Conference here:

"The Dow Chemical Co. of Midland, Mich., reports the following average saving in freight costs per ton on chemicals and plastics shipped overseas (by an all-water route) via Detroit, versus rail and water via New York—on shipments to Rotterdam the savings is $25 per ton; to London $25; to Genoa $3.50, and to other ports proportional amounts."

Prof. Van Cleef pointed out that these savings were obtained under less favorable shipping conditions than will be available starting next June when the seaway will be opened to larger vessels.

★ ★ ★

He also said foreign buyers are more interested in economy than in time, since the seaway route takes longer than overseas shipments via Atlantic seaboard ports.

Of all Great Lakes ports, he added, Chicago seems destined to grab the "lion's share" of seaway trade because of its high degree of accessibility and its importance as a business center.

About half the American tourists traveling abroad go alone, one third travel with family groups, and the rest with friends or business associates.

Deaths in Pontiac and Nearby Areas

WYNETTE J. AGELINK

Prayers were offered at Brace-Smith Funeral Home today for Wynette J. Agelink, two-day old daughter of Mr. and Mrs. Everett Agelink of 2101 Opdyke Rd. Burial was in Perry Mt. Park Cemetery.

Surviving besides the parents is a brother, Jeffrey at home.

The baby died yesterday at St. Joseph Mercy Hospital.

FREDERICK J. HAYWARD

Frederick J. Hayward, 68, of 4040 S. Shore Dr., Watkins Lake, suffered a heart attack at 11:45 p.m. yesterday and was dead on arrival at Pontiac General Hospital.

Mr. Hayward's body is at the Donelson-Johns Funeral home.

MRS. ELMO MARSHALL

COMMERCE TOWNSHIP—Service for Mrs. Elmo (Mable C.) Marshall, 45, of 1841 Point Dr., will be held at 10 a.m. Thursday at St. Patrick Church, Oxbow Lake. Burial will follow in Holy Sepulchre Cemetery.

The Rosary will be recited at 8 p.m. tonight at the Richardson-Bird Chapel, Walled Lake.

Mrs. Marshall died Monday in Pontiac General Hospital following a two-month-illness. She was a member of St. Patrick Church, Oxbow Lake.

Surviving are her husband, Elmo; mother, Mrs. Ben Rayburn of Howard Lake; three daughters, Mrs. Caroline Brandt of Madison Heights, Mrs. Hazel Fishell of Pontiac and Shirley Jean, at home; a sister and a brother and three grandchildren.

CLAIRE E. MIGAN

CLARKSTON — Prayer Service for Claire E. Migan, the 18-month-old daughter of Cornelius Migan of Korea and his wife of 46 Miller Rd., will be held at 10 a.m. Saturday at the Sharpe-Goyette Funeral Home. Burial will follow in Lakeview Cemetery.

The child died Tuesday in St. Joseph Mercy Hospital following a four-day illness.

Surviving are her parents, Cornelius, who is working under civil service in Korea and Mary Ann of Clarkston; two brothers, Michael and Christopher, both at home and a sister, Patricia, at home.

Deaths Elsewhere

ST. PAUL, Minn. (AP)—Mabel Blake Kohlsaat, 98, widow of a Chicago newspaper publisher and mother of the late Mrs. Potter Palmer II, died Monday. Her husband, edited and published at various times the Chicago Inter Ocean, Post, Times Herald and Record Herald. Mrs. Palmer, who died in 1956, was a Chicago society leader. Mrs. Kohlsaat was born in Boston.

KARACHI, Pakistan (AP)—Attorney General Fayyaz Ali died of heart failure today. He was 62 and had been attorney general since 1951, retaining his post even after Gen. Mohammed Ayub Khan took over the government in a military coup last October.

DETROIT (AP)—John C. Cahalan, former state official and newspaperman, died yesterday. He was 73. Cahalan served as manager of the state Department of Revenue's Detroit office before his retirement. He once worked as a reporter on the Detroit Free Press.

Vandalia Not Interested

GREENVILLE (AP) — There'll be no Michigan Week mayor's exchanged day luncheon and dinner at Greenville this year. Chamber of Commerce Secretary Arch Dayton says it results in disinterest by Vandalia in swapping mayors with Greenville as scheduled. Vandalia is located in Cass County. Greenville is a Montcalm County community.

Voters Repeal Prohibition in Oklahoma

OKLAHOMA CITY (AP)—Oklahomans struck prohibition from their constitution Tuesday.

With all but 13 of the state's 3,234 precincts in, repeal carried 395,242 to 313,574.

The state still isn't off the wagon. Legal liquor is at least two months away.

★ ★ ★

A constitutional amendment substituting privately owned package stores for prohibition was approved by a margin of more than 80,000 votes in a record-breaking special election called at the urging of Gov. J. Howard Edmondson.

Edmonson called on state residents to use "good judgment and common sense in the days ahead."

★ ★ ★

The Legislature must validate the amendment and repeal anti-whisky laws before liquor can be sold legally. This probably will take 60 to 90 days.

Oklahoma then will emerge from 51 years of prohibition. Mississippi will be the only dry state left in the union.

Granite Staters Rock Boston in Tax Protest

BOSTON (AP) — Massachusetts today refused to budge from its stand that out-of-state residents who work in Massachusetts should pay this state's income taxes.

The Bay State appears to have the upper hand. At least, she has one resident of adjacent New Hampshire in custody.

★ ★ ★

He is Annis A. Vautier, 41, of Pelham, N.H., now in residence at Charles Street jail. Pelham is about 30 miles from Boston.

Vautier was arrested at a Boston engineering office, which employs him as a designer, on an allegation he owes the state $140 on earnings he is presumed to have commuted back to New Hampshire. Vautier brushed aside the right to bail. He said he preferred to be a test case.

★ ★ ★

Back in Pelham, his wife Charlotte, 30, a former tax collector, said she would stand by Vautier. They have three children.

A motorcade of 35 cars brought 150 irate New Hampshire residents to Boston Tuesday night. They picketed an hour and a half outside the jail.

★ ★ ★

In New Hampshire, the Legislature was working on a bill to petition Congress to draft an amendment to the federal Constitution which would prohibit taxation of nonresidents of any state on their incomes. The Senate passed it promptly and sent it to the House.

New School Is Started

MUSKEGON (AP)—Ground-breaking Tuesday cleared the way for a construction start on Orchard View District's new $1,970,000 high school. Ten of the building's 38 classrooms are expected to be ready for use next fall. The entire project is scheduled for completion by September 1960.

an important message to our readers

During the next two weeks you'll be seeing the above symbol displayed throughout this newspaper, in the showrooms of our local car dealers and other places in town.

This symbol identifies a movement by the newspaper industry on behalf of the automotive manufacturers and their local dealers to dramatize one of the significant achievements of your life — buying and owning a new car.

Buying a new car is not an ordinary, everyday act. It requires deliberate analysis, a weighing of preferences, tastes and values. You study the ads — like the ones in this newspaper — you pore over the brochures, you test the various models and discuss features with the dealer. You ask your neighbor's opinion and review the whole affair within the family circle.

Then you make the great decision. And after you've signed the contract, been handed the keys and drive off, you get one of the biggest thrills of your life. You suddenly realize that this gleaming, purring mechanical marvel belongs to you! And you know that no other car can touch it for looks, performance and value.

Your local car dealers will be making a special effort April 6-18 to give you the opportunity to make this major decision of your life — to help you live better by far with a brand new car. Look for their announcements in this newspaper. Talk it over with the family — and see your dealer soon.

Elections in City, County Follow Expected Trend

Oakland County and Pontiac city politics followed a reasonably orderly trend in Monday's election.

★ ★ ★

Three incumbent judges were returned to the Circuit Bench and Prosecutor Frederick C. Ziem and Stanton Dondero were added to this distinguished panel. These five led in the primary. This was a "non-partisan" election (so the ballot said) but three Republicans and two Democrats were safely ensconced in the flowing robes. Other good men were beaten in this race and the voters were offered an unusually impressive group of qualified candidates. This happens all too infrequently now days.

★ ★ ★

Locally, Pontiac citizens turned down the bond issue for more sewage treatment. Frankly, it is difficult to see why people reject necessary sanitation, but that's what happened. Perhaps this local situation is sufficiently acute by now to justify State action. The State of Michigan can order Pontiac to do the work in the interests of public health and for the sake of the community's safety. Sewers aren't glamorous or picturesque but they're more essential than many things that are.

★ ★ ★

City voters decided they had enough of the current police setup and the type of "civil service" that we found unsatisfactory was dropped. What effect this will have on the current Straley trial is problematical, and cannot be determined until the matter is studied anew under the situation as it presently obtains.

★ ★ ★

While the vote was "larger than expected," it still is tragic that so few people are sufficiently interested in their government to get out. We can only have a representative rule when the people go to the polls. Government by minority groups is a farce in a democracy. And yet that's accepted procedure.

Perhaps those that stay home argue to themselves that part of self expression in a democracy lies in remaining away from the polls if that's what you prefer to do.

★ ★ ★

Where party lines were defined, Oakland County went Republican by a small majority and Pontiac city voted Democratic. This follows the trends of the past few years. It was a heartening showing for the Republicans statewide as they reclaimed some offices they had lost and their general showing was the best in the past four years.

Hart Opens Expenses for Public Inspection

Democratic Senator PHILIP A. HART, a long time resident of Oakland County, is to be commended for revealing to the public the payroll data of his office employes.

★ ★ ★

Recently Hart released a lengthy summation giving complete details of members of his office staff. By his willingness to allow the public to read of his expenses connected with his office, he placed himself in an unequivocal position with voters back home.

Senator HART'S entire career has been open and above board. He has never avoided questions, and will not now allow his office to be a part of any furor concerning Congressional employment of relatives or expenses.

★ ★ ★

On March 27 THE PONTIAC PRESS printed an editorial in which we said, "A simple method would be a report to their local newspaper of office expense."

HART'S public release on April 2 is proof that this Oakland County Democrat tends to carry on the duties of United States Senator in a most exemplary fashion.

LIBERTY and freedom are being eased away from us continually. The other day a man was fined $50 for kicking his own wife out of his own bed in his own house. Imagine! Whither are we drifting?

MANY a person never really worried much until his physician told him to take it easy and by all means to avoid worrying.

The Man About Town

Only 2 Days Left

Baseball Contest Ends on the Day After Tomorrow

$250: What's worth spending a minute to earn; or isn't it?

That $250 beckons you. Will you ignore its call? You can kick it away if you wish. Any further delay will do it. You've put off your chance long enough. Your favorite player will do his part. Will you?

That's the prize in our baseball contest. Your entry must be RECEIVED by FRIDAY NOON. And that's only DAY AFTER TOMORROW. There's still time.

The prize goes to the person who names the player, who has been at bat at least 25 times, will be leading the American League on the night of April 23, and makes the nearest guess on his batting average.

Immediate action is necessary, if you have not already sent in your entry. Every member of your family is eligible to compete, but each entry must be on a separate piece of paper.

Any further delay will eliminate your chance for that $250, and may place you in position to see your neighbor win it. He probably already has made entries for all his family. Would you rather see him win it?

Can you imagine any easier way to make $250? Now it's all up to you.

Word comes to me from its Secretary,

Albert Wilson,

that the Pontiac Coin Club will be host to the Michigan State Numismatics Society at a spring bourse and show on April 11 and 12. The event takes place at the Pontiac Federal Savings and Loan Building, 761 West Huron St., from ten o'clock through each day.

Up at our suburban Fenton Village they're talking of disposing of their swaddling clothes. After serving as Village President for over 20 years, my good friend

Harry Lemen

has been instructed by his council to appoint a committee to look into the advantages and disadvantages of becoming a city.

Getting somewhat facetious,

Norman Lancaster,

formerly of Pontiac, writes me from his present home at Anchorage, Alaska: "The 49th state and Michigan have two things in common—their 1959 auto plates are the same color combination — and the past winter."

Firemen at the Waterford Township Station No. 2 are doing their best to help out a damsel in distress. Fireman

Clayton Soncrainte,

says a fat robin who each year makes her nest in the same limbs beside the station is once again looking for material for her nest, and the men are throwing out pieces of string and straw to help the real estate developer along.

My Lansing correspondent sends word that

Pontiac's Rae-Vens

have been booked to show their marching ability and baton twirling in a big centennial parade in the capital city on May 23. I'm pulling them for the blue ribbon.

— and Out Like a Lamb!

David Lawrence Says:

Supreme Court Backs Segregation

WASHINGTON — Segregation of men or women in schools controlled by state authority has just been upheld, in effect, by the Supreme Court of the United States.

LAWRENCE

Two white women were denied enrollment in an all-male state college in Texas.

This ruling would not have occasioned any surprise five years ago, because the states previously were allowed to use their own discretion in deciding what pupils should be admitted to public educational institutions.

But, in view of the fact that the Supreme Court in 1954 said that discrimination on account of race or color could produce a feeling of "inferiority" and that mixed classes are beneficial from an educational standpoint, the query now is whether women haven't just as much right to use that argument with respect to discrimination against them because of sex.

★ ★ ★

In fact, in appealing the current case of the Supreme Court, the two women cited the 1954 decision and argued that a woman is a "person" just as much as is a Negro.

They pointed out that the Fourteenth Amendment says "all persons born or naturalized in the United States" are citizens.

"Are Women People?" was the heading of a weekly column by the late Alice Duer Miller, famous novelist, more than 40 years ago in what was then the New York "Tribune."

★ ★ ★

The question was finally answered by adoption in 1920 of the Nineteenth Amendment to the Constitution of the United States, which declares:

"The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any state on account of sex."

Many of us true liberals—or "progressives," as we were known in those days—had not thought an amendment was necessary because the Fourteenth Amendment had already forbidden the states to deny the "equal protection of the laws" and had said the "privileges or immunities of citizens of the United States" cannot be abridged by any state. Certainly women were entitled to be classified as citizens.

★ ★ ★

But, since neither voting nor sex nor color nor education was mentioned in the Fourteenth Amendment, the Supreme Court of the United States by its decisions indicated that these subjects would have to be treated separately in other amendments.

In fact, the Fifteenth Amendment—which declares that voting rights shall not be denied or abridged on account of race or color—was adopted a year later than the Fourteenth because it was desired by Congress to make clear that voting rights, usually prescribed by the states, should not be abridged because of race or color.

So, inasmuch as there was no tendency in those days to rely on the Supreme Court to amend the Constitution to give women the "equal protection of the laws" in respect to voting rights, even though they are citizens, many of us enthusiastically supported the adoption of the Nineteenth Amendment that would at last—as we thought—put women on a basis of equality with men.

★ ★ ★

But the Supreme Court this week has dashed our hopes once more. Evidently, because discrimination in educational institutions of a public character by reason of sex was not mentioned in the Fourteenth Amendment, it will be necessary to seek a new amendment that will forbid the exclusion of any female citizen from such schools.

It is, to be sure, the principle of the thing which is bothersome. Many women prefer to go to separate schools—in fact, some believe their opportunities for an education are much better when what they consider the lower intelligence quotient of the male sex is not present in the classroom.

But even those women who may feel that way about their superiority will not relish any court ruling which says, in effect, that they can be barred by law from associating in the schoolroom with members of the opposite sex.

They have never believed that any physical characteristic should diminish their rights as citizens.

(Copyright, 1959)

Dr. William Brady Says:

Be Cautious in Using Formaldehyde Solutions

The use of formaldehyde solution to prevent excessive sweating of the feet has two drawbacks. First, the official 37 per cent formaldehyde solution (liquor formaldehyde USP) is caustic and should never come into contact with the skin. Second, even diluted solutions (one part of the commercial 35-to-37½ per cent liquor formaldehydi in seven parts of water) may prove too irritating for the skin.

DR. BRADY

So it is better to use a very dilute solution the first time—say one part of the standard liquor in 15 or 16 of water, or an ounce in a pint. If this doesn't prove fairly effective, then next time use a solution of one part of the 37 per cent formaldehyde in seven parts water—or a fluid ounce in the half pint.

The same dilute solution may be used once a week to mop the skin of the palms and palmar surfaces of fingers and thumbs to correct excessive sweating of the hands. But proceed with caution. It would be wise to try it on one hand only the first time, and wait a few days to see whether your skin can take it. Mop the skin once over, using a bit of cotton or cloth on a stick, and let it dry on.

The second drawback in the use of formaldehyde is—well, don't be embarrassed if an impudent clerk implies you are crazy. In recent years readers of this column have been getting that routine from some drugstores, not just about formaldehyde, but when they asked for such plain old household items as boric acid iron-and-ammonium citrates (for making their own blood tonic) and potassium citrate (for whipping up a batch of cough medicine.)

TREAT SHOPS

For control of moderate sweating of the feet most persons prefer to treat the insides or insoles of the shoes say once a fortnight by pouring from one shoe to the next an ounce or two of one-to-eight solution of formaldehyde and letting the shoe dry in the open air or sun for 24 hours before wearing. Or treat the feet or socks in the same way.

★ ★ ★

One with sweaty feet should (1) go barefoot as much as possible, (2) avoid tight shoes, (3) avoid hot water—and in fact avoid all bathing of the feet.

Do not use formaldehye on the feet of children. Instead apply borated talcum powder freely inside the shoes and stockings every day.

Signed letters, not more than one page or 100 words long pertaining to personal health and hygiene, not disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

(Copyright 1959)

The Country Parson

"A farmer doesn't reap a harvest because he decided it would be a good idea to plant corn—but because he planted it."

Voice of the People

Prospect of Cutting Bands Inspires Readers' Letters

It saddened me to read of Royal Oak cutting out grade school bands because people voted against the necessary millage for the budget. It would be tragic to start sliding backwards to the time when there was not public school music and only wealthy children could afford music lessons.

★ ★ ★

Music teaches a child to think. It takes mental gymnastics to read music, to observe all the markings, etc. At the same time the student is keeping one eye on the conductor and trying to use the correct position, embouchure and fingering. Practicing at home is profitable use of leisure time.

★ ★ ★

I enjoy the quality of music the Pontiac High School Bands present. After they master such difficult music they can always play the popular music of their own. Congratulations to our music departments. May they continue.

Music Lover and Mother

A determined group in the school system intends to do away with our great Pontiac Central band. Many weak reasons have been given, but the band is one of the few things Pontiac has to be proud of. People should investigate.

★ ★ ★

There has been ridiculous talk about a large band, but there's no chance to learn to be a musician in a setup like that. Our band has been known and admired for 30 years, throughout the state and nation. Why take this source of pride and enjoyment away?

★ ★ ★

If you're proud of our band, help stop this shameful waste. The school board meets April 9 and this is on the agenda for that meeting.

Concerned Band Parent

'That Man Should Run for President'

That General that brought the colonel's plane back when he was taking his family on a vacation after bumping off the boys with important trips could be elected President if the GIs did the voting.

One of Them

'Hold Steel Prices to Stop Inflation'

Unless we all want printing press money with bread at a dollar a loaf and going higher every year and wages and everything else in proportion, why don't we stand still in the steel industry and hold the line? Sometime someone has got to take the step and others will have to follow, or automobiles will sell for $25,000, ranch type houses will be $100,000 and we'll carry our wages home in trucks. That ruined the economy of Germany and many other countries and it probably can this one if that's what the labor leaders want and they're fighting to make it come true.

Just an Old Lady

Reader Disagrees on Bias Charge

Enclosed is an editorial about Southern white families agreeing to sell homes to Negroes and allowing them to obtain FHA financing in a top-notch approved project.

The article is true, but I resent the way it starts off saying that a Northern paper wouldn't print it. As a former Michigan resident, I always found your paper to be very fair.

It would be nice if newspapers could swap correspondents like the Government is doing with different countries. Maybe we'd all have a better understanding of the issues on "mix."

Mrs. Nettie Tilton
Orlando, Fla.

'Don't We Deserve Police Protection?'

Why is it that as soon as property becomes vacant the malicious element of the neighborhood is allowed to tear it apart immediately? Within three hours after tenants had vacated a house I own on Calvert street last weekend, nearly every window had been broken. I estimate damage at $100 which isn't covered by my insurance.

Most people agree Straley was a poor excuse for a police chief. Now how about the policemen? We read some of them are upset because they aren't promoted on schedule. Yet in the next column we read about vice and vandalism flourishing in our city.

I wasn't born in Pontiac, but have lived here and paid taxes (of recent years very high) for 20 years, which should classify me as a bonafide resident and entitle me to proper police protection for my family and myself and our property, also.

Those gifts of friendship true . . . Yet even more do I enjoy . . . The favors I can do . . . Whenever I can be of help . . . In any way at all . . . I am prepared and eager to . . . Respond to every call . . . For I have learned throughout my years . . . Of struggles to achieve . . . It is far greater happiness . . . To give than to receive . . . It brings a warm glow to my heart . . . Whenever I can be . . . Of any service to the ones . . . Who are so good to me.

THOUGHTS FOR TODAY

It's a great relief when a fellow finally finishes filling out his income tax blankety-blank.

★ ★ ★

Come spring and it will be hard to keep on working even on a soft job.

Case Records of a Psychologist:

Parents Aren't Always to Blame

Polly is a feminine version of the famous "Dr. Jekyll and Mr. Hyde." So don't always blame the parents when teenagers grow intoxicated with the thrill of their first romance, and then act stupidly. But parents should see that their children use the Rating Scales below.

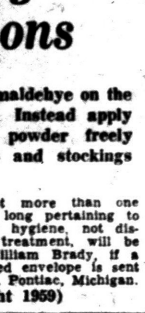

By DR. GEORGE W. CRANE

Case B-403: Polly P., aged 17, had planned to go on to college to be with her older sister next term.

"But Polly has suddenly changed her entire personality," her mother began.

"She used to be a fun-loving girl, dependable and truthful. In fact, we had always been a happy family and their daddy was a pal to the girls, at least till last year.

"Then Polly met a boy who had graduated from her high school the year before. He had made low grades and was of a shiftless nature, so when she started dating him, we hoped it would be a passing fancy.

DR. CRANE

"But they kept going steady and the boy finally demanded that Polly run away and get married. We found out in time to stop the elopement.

"Three months ago he left for military service. Now he writes to Polly telling her they'll elope for sure when he comes home next month.

"Meanwhile, she has begun to tell fibs and has even stolen money from us to telephone him almost every chance she gets.

★ ★ ★

"She insists he is wonderful and that she loves him truly and that they will be divinely happy together, etc.

"But he hasn't any trade and can't even support himself, let alone a wife and children. Dr. Crane what makes a girl forsake her former personality as Polly has done?"

GIRLS, GET HEP

Polly had never dated any other boys before. So she became intoxicated with the novelty thrills of this first infatuation.

Girls, you should date many boys before you marry or you may not be able to distinguish between true love vs. sexual infatuation.

Polly was so thrilled by the "butterflies" in her stomach and the other novelty sensations of her first romance, that she ignored the wise moral advice of her parents.

She even let this boy use her as an experimental sexual "guinea pig" so for the past two months she's been worried lest she be pregnant.

Subconsciously, such a girl may then begin to realize she has been a stupid fool. But that is a very deflating thought to any human ego.

So such a girl becomes almost frenzied in her protests that her romance is true love and her boy friend is wonderful, etc.

This is "whistling in the dark" but a very common swing of the psychological pendulum.

★ ★ ★

For the girl vainly tries to "sell" herself by her own vigorous protests of love and devotion, because she subconsciously knows she must otherwise admit the sorry fact that she has been a fool.

WHISTLING IN DARK

Girls, face up to the facts. If you have imitated Biblical Esau and sold out for a "mess," quit whistling in the dark and get hep to reality.

If you marry a boy at 18, when the fellow has no trade and is a poor marital risk, you are actually selling out your future unborn babies!

For you cast the proxy votes of your future children when you marry!

They certainly will want a father who can bring home a good pay check regularly and who will enjoy

the admiration and respect of othert adults in your neighborhood.

City girls nowadays marry at about the age of 22, so why jump into a messy marriage at 18?

Otherwise, your parents will probably have to bail you out financially by the time your first baby is born and you'll very likely be filing suit for divorce within 2 or 3 years.

Send for my 200-point "Tests for Sweethearts," enclosing a stamped return envelope, plus 20 cents (non-profit).

Use them to insure your future babies a father of whom they can be proud (or a mother, too, of that class).

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

Science Starts Biological War

Spreading Disease to Kill or Sicken Enemy —Leaf-Eating Insects

By ALTON BLAKESLEE
Associated Press Science Writer

BOSTON, Mass (AP)—Scientists are launching biological warfare—spreading a disease to kill or sicken the enemy.

The enemy is some costly insects, not human beings.

A new biological warfare weapon aimed at insects was described Tuesday to the American Chemical Society by Robert Fisher of Biotherm Corp., Wasco, Calif., and Lawrence Rosner of Rosner-Hixon Laboratories, Chicago.

★ ★ ★

This insect-killer is made of living spores from germs known as Bacillus Thuringiensis. It's designed to give leafe-eating insects a quick, fatal disease if they eat enough of the spores sprayed on plant leaves.

Fisher and Rosner said the insecticide — tradename Thuricide —had passed tests showing it is not harmful or toxic to humans, other animals, and plants.

★ ★ ★

The insecticide now is being tested against some insects damaging a number of plants, including alfalfa, cabbages, celery, cotton, peas, beans, corn, tomatoes, and tobacco.

In another report, two Indianapolis chemists described a new fast-acting anesthetic, methohexital, which they said would be most valuable during brief operations.

It produces quick, brief anesthesia, said Drs. Robert E. McMahon and Wilbur J. Doran of Lilly Research Laboratories.

★ ★ ★

A barbiturate, methohexital is two to five times as potent, on weight basis, as other short-acting barbiturates and is effective only about half as long, McMahon said. Still under test, it has been used on more than 10,000 patients so far.

California Plates Come in Wide Variety

SAN FRANCISCO (UPI) — California issues 34 types of automobile registration plates.

Included are special tags for U.S. Senators, Congressmen, state legislators, members of the consular corps, officials of public institutions, federal, state, county and city governments, and disabled veterans.

However, plates are not issued very often. Current prison-made tags were stamped in 1956 and are updated with annual stickers.

Most children quietly take No for an answer without letting it disturb their plans . . . A Texan who wasn't too good a driver, and was always being yelled at by other motorists, did the only sensible thing—he bought his own coast-to-coast highway. —Earl Wilson.

But Why the Teeth, Asks Victim of Subway Theft

NEWARK, N.J. (AP) — They gave William Bolton, 47, a hard time when he fell asleep in the subway with a soldering iron under his arm.

Two hoodlums tried to steal the iron and this awakened Bolton.

One hoodlum hit him in the face and his upper plate fell out.

The thieves fled with Bolton's false teeth, his wallet and the iron.

"I don't know why they wanted the teeth," said Bolton. "They didn't even fit me right."

A cornstalk can grow as much as six inches in one day.

Some Wish Michiko Were Real Commoner

By PHYLLIS BATTELLE

TOKYO—Jane Sakamoto is one of those exquisite Japanese with a face of pure porcelain and the voice of muted trombones.

* * *

She lived in Tokyo during the war, and mentions it quickly then talks on, as though someone might growl at her.

After her country's humiliating defeat, she moved to the United States. There are various kinds of humiliation and, like most pretty ladies of the new Japan, she preferred to wow, rather than bow to the other sex.

For the last four years, she has been a stewardess for Pan-American World Airways on their luxurious West Coast-Orient run.

Pan-Am makes it a custom to hire at least one Jane-like lovely for each flight—to make the Oriental traveler feel at home, and make the playboy of the Western world feel pampered. Like he already has one foot in the Geisha house.

"I think is very wonderful, that Crown Prince Akihito has been educated more in democracy, so he will marry out of the royal family," Jane said softly, pouring champagne with a tenderness worthy of molten gold.

"There is only one thing we could have wished—silly, it is—and that is the Prince could have picked a young lady who is really a commoner."

* * *

"That would have been a large story for you, wouldn't it?" Jane is married to a Japan news service agency reporter, and understands head and dedalines. "But Miss (Michika) Shoda is not really a commoner at all. Not to the common people. She is only the second class below the throne. To the younger people—to the women—it would make more difference if the Prince had decided to marry lower class."

Most people laugh; Jane tinkles. "But that is asking more than is reasonable, eh?"

"That is asking of the cherry tree to grow potatoes."

Stewardess Sakamoto said "simi masen," which meant she was sorry and went on about her business of patting pillows and heads, and returned presently with a small frown. She said she would like to explain that she does not speak for all the girls in Japan. Only for her own circle of friends and relatives.

* * *

"You see, the majority of people are very happy about this, because it brings a closeness between the Emperor and them. But there are some, particularly old people, who may think it is going too far to the 'Western world' ways."

In lifting the "chrysanthemum curtain" between the imperial family and the people, the old-order sees a deliberate attempt to cozy up to an old and hated enemy. The few remaining militarist souls in Japan, nostalgic for the grand old pre-war days when the "warrior class" was second to the throne in the caste system and first in actual power, are smoking like a dying dragon.

The other unhappy observers to the coming nuptials, Jane said, are "a very few people who might be Communist." They are called "shimpa," the Nippon nickname for self-declared Commies and fellow-travelers, whose strength and prestige has gradually weakened in the 1950s.

* * *

The "shimpa" believe in commoners, of course. They do not believe, however, in princes marrying commoners. It is all too Grace Kelly, too Jerome Kern, too democratic.

The easiest way to resist temptation is temporarily . . . A second grade school teacher (relates Quote) got a complaint from a little boy in her class: "The girls want to put up curtains in our space ship!" —Earl Wilson.

How To Hold FALSE TEETH More Firmly in Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, gooey, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at drug counters everywhere.

Ex-Congressman Isn't Missing

Friend Comes Across Burdick While Driving Along Highway

ST. CLOUD, Minn. (AP)—A report that Usher Burdick, 80, former North Dakota Congressman, might be missing was erased last night when the touring rancher was recognized here by a salesman acquaintance.

★ ★ ★

Wes Wahlin, 41, of St. Cloud, said he saw Burdick as their cars halted for a stop sign and that Burdick joined him shortly afterward for a cup of coffee before continuing his long drive from Washington.

Burdick told the salesman that he had lost some horses from his Williston, N. D., ranch and was returning there to try to identify some that had been found.

Mrs. Burdick, 31-year-old wife of the former representative, had told Washington authorities she found him missing upon returning from church Sunday. She said he had mentioned going to Williston on business and wanted her to accompany him. But she said she couldn't on such short notice.

★ ★ ★

Wahlin said he telephoned Mrs. Burdick at the former Congressman's request, to tell her that Burdick was fine and had been taking his medicine. He suffers from diabetes. She was surprised he had driven such a long distance since Sunday.

New British Budget Slashes Many Taxes

LONDON (UPI)—The laborite opposition was hard-pressed today to find fault with Britain's new, tax-cutting budget, which carries a virtual guarantee of another year of booming prosperity.

★ ★ ★

After overnight scrutiny, the most the laborites could find to complain about was alleged favoritism for bachelors and neglect of old-age pensioners in the new schedule of expenditures.

★ ★ ★

Most Britons, however, took little notice, they were happily quaffing beer (tax reduced 2½ cents a pint) and contemplating the other tax cuts which are expected to give the average Britisher the equivalent of a $5-a-week raise.

Rabbi Can't Marry Eddie, Liz in Nevada

LAS VEGAS, Nev. (AP)—Rabbi Max Nussbaum of Temple Israel, Hollywood, Calif., cannot marry Elizabeth Taylor and Eddie Fisher in Nevada.

★ ★ ★

He is Miss Taylor's selection but three Las Vegas judges informed her Tuesday the rabbi isn't qualified to perform marriages in this state because he doesn't have a congregation in Nevada.

Rabbi Nussbaum instructed Miss Taylor in the history and beliefs of Judaism and then officiated at the ceremony in which she accepted it as her faith. She formerly was a Christian Scientist.

★ ★ ★

Fisher is establishing six weeks residence in Nevada prior to filing for a quickie divorce from Debbie Reynolds.

Why "Good-Time" Charlie Suffers Uneasy Bladder

Unwise eating or drinking may be a source of mild, but annoying bladder irritations—making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills.

Doan's Pills act 3 ways for speedy relief. 1—They have a soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, headaches, muscular aches and pains. 3—A wonderfully mild diuretic action thru the kidneys, tending to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. New, large, economy size saves money. Get Doan's Pills today!

Speakers, Elections Due

4 PTA Meetings Slated for Waterford Tomorrow

Four Parent-Teacher Associations in Waterford Township have scheduled meetings for tomorrow night.

From 7:30 to 7:45 p.m., parents of Drayton Plains School children will register in various rooms, and the room with the greatest percentage attendance will receive a prize.

Following the registration, Jerome Breen, special education teacher at Fairlawn School of the Pontiac State Hospital, will speak on "Mental Health and Emotional Disturbances."

Two speakers have been scheduled at the Lambert School PTA meeting. Day Camp Director Mrs. Warren Allen and playground coordinator Paul Atkins of the Waterford Township Recreation Department will tell the present and future programs for area children. There will be a short film on the summer Day Camp.

The Waterford Girl's Chorus will present several musical numbers and before the meeting teachers will be in their rooms from 7:30 to 8 p.m.

After election of officers at the McVittie PTA meeting at 7:45 p.m. Mrs. Velma Hughes, elementary teacher at the Drayton Plains school, will describe her trip through Europe last summer.

Brownie Scouts will have charge of the opening ceremonies, and will demonstrate activities learned this year.

A play concerning mental health and titled "Random Target" will be presented at the Monteith PTA meeting at 8 p.m. Miss Freda Huggett will conduct an audience participation discussion on the play following the presentation.

During the business meeting, there will be an election of officers for the 1959-60 term.

Up to 8 Inches of Spring Snow Due in Midwest

By The Associated Press

Wet, clinging snow fell in portions of Kansas, Missouri and Iowa Wednesday.

Heavy snow warnings from the Weather Bureau forecast pile-ups of from two to four inches in eastern Kansas to six to eight inches in northwest Missouri and southeast Iowa.

The spring snow is expected to push into northwestern and extreme northern Illinois.

Moderate temperatures brought some melting, but roads are expected to be slick and hazardous in places.

South of the snow belt, heavy rain hit parts of Texas and Oklahome. San Angelo, Tex., measured 1.69 inches overnight; Oklahoma City had .83; Wichita, Kan., 1.12 inches.

Snow also blew along the rockies from Montana south, with five inches at Denver and Alamosa, Colo. Snow also fell in Maine.

Rain was light but general from Missouri northeastward to upper New York State.

Skies were clear in most of the Far West and in the Southeast third of the country.

Teel Trial Halts as Clerk Dies

Break Leaves Connie on Emotional Cliff in Her Testimony

INDIANAPOLIS (AP) — The murder trial of Mrs. Minnie B. (Connie) Nicholas was left hanging on an emotional cliff today—adjourned until Thursday morning by the death of the Marion County clerk.

The unexpected break came just as the attractive, 44-year-old defendant was ready to tell her version of how wealthy drug executive Forrest Teel had been shot to death in his white Cadillac.

A bewildered all-husband jury was sent home for the day. Disappointed newsmen found themselves with much blank note paper, and an overflow audience of close to 200 spectators grumbled as the decision was announced.

The move sharply reduced chances of the murder case going to the jury by the end of the week.

★ ★ ★

The prosecution claims it already has proved a case of first-degree murder—that Mrs. Nicholas killed Teel rather than lose him to a younger woman.

Everyone was left in suspense Tuesday as Judge Thomas J. Faulconer adjourned court immediately after the jury inspected a farewell letter Mrs. Nicholas wrote Teel but left unmailed nine days before the shooting.

The placid composure Mrs. Nicholas had presented during the trial vanished in tears as defense lawyer Charles W. Symmes read aloud the sorrowful two-page typewritten note.

★ ★ ★

"I know now that we can never go back and mean to one another the things that we have for the past 15 years," the letter said.

Mrs. Nicholas covered her face with a handkerchief as she sat on the witness stand and sobbed.

"I still love you," Symmes read on, "I am still not angry with you, just hurt and heartbroken. I am sorry that you failed me after all this time."

The jurors glanced uneasily at the weeping defendant. Two elderly women in the audience slowly shook their heads.

"Life without you would have no meaning. I still love you with all my heart. There is no half way point for me when I truly feel as I do about you," Symmes read.

★ ★ ★

Introduction of the letter over prosecution objections was aimed at proving Mrs. Nicholas meant to commit suicide and had no intention of killing Teel.

Drainage Plans OK'd by Waterford Board

In a brief meeting last night, the Waterford Township Board approved drainage plans for Holiday Farms Subdivision No. 4 and appointed Trustees Charls Pappas and John Coleman as the liaison committee between the zoning and township boards.

There was a discussion on recommendations made by the township attorney that the clerk and constables arrange their own surity bonds for board approval.

March building reports showed construction in the township was up some $2,000 over the same period last year.

There were 90 permits totaling $731,971 last month as compared to the March 1958 figure of $596,061.

The board decided to continue policy and dispense with building fees for construction of Calvary Baptist Church in Waterford Township.

Same Name and Street Cause for Confusion

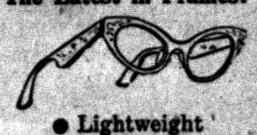

There are two people named Everett Wilson who live in Commerce Township but they are not related. They each have a Walled Lake mailing address and each live on Pontiac Trail.

In the Feb. 24 issue of The Pontiac Press it was reported that Everett Wilson of 4550 Pontiac Trail had his driver's license suspended because of an unsatisfactory driving record and for failure to appear for re-examination.

★ ★ ★

The other Everett Wilson, of 2280 Pontiac Trail, is still entitled to drive.

150,000 FAMILIES HAVE ALREADY MADE THE MAGNIFICENT CHANGE TO

THE CLEAN WINGED STYLE OF BUICK '59!

Next time you look through your windshield at the unmistakably clean, sleek tail of a Buick '59 . . . take a moment to envy its owner . . .

He owns THE Car . . . "hottest" thing on wheels today.

He owns THE style that's farthest ahead *both* in public notice *and* in future trade-in worth.

He commands *the most efficient* automobile power plant in America today. (Buick's new Wildcat engines not only deliver an important increase in actual miles per gallon . . . but when you take car weight and performance into account, they get more out of each gallon of gas than any others.)

He stops with Buick's *exclusive* braking system. (Fin-cooled, front and rear, aluminum drums in front.)

When he wants to speed up or slow down, he feels the quick answers of the smoothest transmissions of all . . . (only Buick combines Twin Turbine* or Triple Turbine* transmission smoothness with Wildcat getaway).

But why not find out for yourself? This car's *quietness* of motion. Its *comfort* of roominess and ride. Its *willingness* to do exactly what you wish of it.

You'll *live* so much better in a Buick '59. Let your Quality Buick Dealer show you *why* . . . and how *easily* the man in the Buick could be . . . *YOU!*

Visit your Quality Buick Dealer soon. He's anxious to show you why your family belongs in the NEXT 150,000 to make the magnificent change to Buick '59!

*Optional at extra cost on some models.

• • •

TO OWNERS OF CARS IN "THE LEADING LOW-PRICED 3" . . . You'll be surprised how easily you can own a Buick Le Sabre instead! Be sure to ask your Buick dealer about "THE MOST IMPORTANT $200 IN THE AUTOMOBILE WORLD"!

Chief to End 48 Years With Fire Department

By MAX E. SIMON

John F. Schroeder was only 19 in the depression year of 1911, a lanky, handsome youth looking for work with a steady income.

A fireman's job was far from popular then, but firefighting offered security.

★ ★ ★

Schroeder applied for a job with the Pontiac Fire Dept. in the summer of that year and was hired.

When he retires April 22, Schroeder, now the city's fire chief, will have set a record hard to match.

He has worked for the city almost 48 years, longer than any other full-time employe in Pontiac history.

Schroeder rose through the ranks until he was appointed chief of the department on July 1, 1951.

He had no such lofty ambitions when he became a fireman. His marriage to the Fire Department at first was dictated by the economic facts of life.

GOT $2 A DAY

After attending public schools, he went to work as a youth at the Beaudette buggy factory on Walnut street.

As a sailer he considered $2 a day "pretty good wage" for a youngster in the industrial field. When the plant switched to the manufacture of wood auto bodies, young John shared in the change.

Then came the depression and things began to look a little dark.

For a while he passed groceries across the counter, then got another factory job.

★ ★ ★

"Walking across town to earn 40 cents a day didn't seem like much of a future," Schroeder said. "One day I passed the fire station and had a big idea. Why not become a fireman and have a permanent income?"

The late Fire Chief John Austin hesitated in hiring Schroeder because of his age.

But the new man proved he could take everything the 12-man department had to offer, from "horseplay" initiations to real work. And work was plentiful then.

A fireman worked seven days a week, 21 hours a day, the three hours off being for meals with his family.

All equipment was horse drawn and many a night firemen spent all of their scheduled sleeping hours cooling off the animals with light exercises after hard runs.

Pontiac, then only a fraction of its present size, had only two fire stations, the present central station, and another on Walnut street which has since been demolished.

★ ★ ★

At first, older firemen looked down on the young recruit.

But gradually he earned their respect and became known as one of the "smoke-eaters."

Wasn't it a bit slow getting to fires via horse-drawn trucks?

"We got there faster than you'd think," Schroeder chuckled.

He was made Chief Austin's driver, and chauffered the Fire Department head to blazes at then high speeds—up to 35 m.p.h.

Sometimes, however, the chief's horse proved uncooperative. "It liked to jump over its shadow and there was somewhat of a problem in keeping old 'Cap' on the road," Schroeder recalled.

But the horse wasn't any harder to steer than the first chief's car," Schroeder said. "It went down the street like a snake, zig-zagging its way all over the place. It wasn't much faster than the horses either."

ARMY FIREMAN

The young fireman was made lieutenant in 1916 and the following year became a captain.

When the United States entered World War I, Schroeder answered the call to arms and marched off to Camp Custer. For 21 months he learned about the infantry, next a machine gun company and finally a "real job" with a fire truck company.

His previous experience proved so valuable to the Army that Schroeder was retained at Custer while other firemen from his company were shipped over to Europe.

He was mustered out as a sergeant on May 30, 1919, and returned to the fire department.

★ ★ ★

On Aug. 1, 1926, he was promoted to an assistant fire chief—a post he accepted with misgivings.

"I've always been happiest where the action is," Schroeder explained. "Each new fire presents a challenge."

After his retirement, Chief Schroeder is planning on a long vacation.

He will be honored at a testimonial banquet April 22 at the Elks Temple.

He lives with his wife Hazel at 81 N. Johnson Ave. They have two children, David, 24, and Lynda, 21. Born Oct. 23, 1891, Chief Schroeder is a lifelong resident of Pontiac.

READY TO DASH OFF — Behind the wheel of the Pontiac fire chief's car is rookie firefighter John F. Schroeder. On the right is the late Fire Chief John Austin. This photo of one of the first motorized vehicles in the Pontiac Fire Dept. was taken in September, 1915.

Pontiac Press Photo

TURNING IN THE KEYS — Fire Chief Schroeder (right) hands over the keys of the chief's car to Assistant Chief James White. Schroeder will retire after almost 48 years of service on April 22. He will be succeeded by White.

Truman Is Puzzled by Nixon News Lag

LOS ANGELES (AP) — Former President Harry S. Truman says he's puzzled why Vice President Richard M. Nixon seems to have dropped out of the news recently, but:

★ ★ ★

"I hope they (the Republicans) don't bury him until after the next election. He'll be the easiest to lick."

The former chief executive, now 74, declined at a luncheon meeting Tuesday to indicate whom he will back as the Democratic nominee in 1960, but, he said:

★ ★ ★

"The man who will be nominated will not divide the country by race, religion or foreign policy. We'll need leadership and we must be sure that the affairs of the world are in the hands of an executive who knows what he's doing and where he's going."

Jackson Woman Dies in Georgia Accident

UNADILLA, Ga. (AP)—A Michigan woman was injured fatally yesterday when a truck sideswiped a car and caused it to overturn. State Patrol officers said the accident was a hit-and-run case.

Dear is Mrs. Joseph F. Smith of Jackson, Mich., who was riding in a car driven by her husband when the accident occurred on U.S. 41. Smith was injured and admitted to a hospital.

Billy Graham Talks at New Zealand Jail

CHRISTCHURCH, New Zealand (AP) — Evangelist Billy Graham addressed 108 prisoners in Paparua jail today, and six of them made "decisions for Christ."

Twenty-five other prisoners took the step Tuesday night after hearing Graham over a telephoned broadcast of his public meeting.

★ ★ ★

Graham addressed 50,000 persons at Christchurch's Lancaster Park. There were 2,000 decisions.

Since he launched his New Zealand crusade five nights ago, Graham has addressed more than 215,000 persons. Decisions total about 12,000.

Bob Considine Says:

Sheen to Newsmen—Is Story Worth a Tree?

NEW YORK — Bishop Fulton J. Sheen, the finest speaker in the land, paused to consider the responsibility of the newspaperman at the recent Waldorf dinner of the Overseas Press Club. He gave a thousand newsmen and their guests pause, too, by concluding:

"It has been said that the two great injuries that any man can do to civilization is to cut down a tree and to poison a well.

"To serve you in print, hundreds and hundreds of acres of trees had to be cut down. No longer (do they) offer shade for men, prevent sandstorms, fertilize the earth, bring forth seed into progency.

"They are cut down for pulp, and the pulp for paper. And whenever then there is a word to be made print, the newsman has to ask himself, 'Is it worth cutting down that tree?' That's the responsibility we owe to nature, the responsibility we owe to men."

One of the healthiest elections of our time is that of John Drupa, age 15, as the Boys' Club of America's Boy of the Year for 1959.

Drupa was born in Latvia, escaped with his mother, another brother and sister. His father and brother were imprisoned by the Russians and sent to Siberia. The escapees arrived in this country in 1951, unable to speak a word of English.

They settled in Binghamton, N.Y., and after undergoing traditional hardships — many of them brought on by the language barrier — the little family was able to steer John to the Binghamton Boys' Club. It helped him grow up, and he in turn, helped it too.

He became an honor student in school in this strange land, participated in crusades such as "Get Out the Vote," for which he earned a trip to Washington, received the Binghamton Good Citizenship Award, galvanized the "Hitch Horse Sense to Horse Power" safety drive, raised money for various juvenile charities through the organized sale of Christmas trees, became an expert skier, skin diver, swimmer, electronics buff and so forth.

By his eager acceptance of the wondrous opportunities of this land, young Drupa has taught many a home-bred boy and girl that he/she has been taking too many things for granted.

Missile War I is well under way at a famed aircraft and missile manufacturing company, but not a drop of blood has been shed. The Aircraft Industries Association of America reports:

"The fuel for this phantom war (which is saving the company hundreds of missiles and the taxpayer millions of dollars) is a stack of punched cards which represent all the operations in the air defense missile's ground guidance equipment and all the performance characteristics of the missile and the target aircraft.

When the cards are fed into an electronic data processing machine, the flight of a missile can be duplicated to within 200 feet of an actual flight path . . . the stimulation is so accurate and precise that it is considered the standard against which actual missile flights are compared."

Fine . . . let's stack IBM and Remington Rand against the Russians, the winner taking possession of all unpunched cards.

Students of the life and times of Bernard Law Montgomery, viscount and field marshal (ret.), are generally of the opinion that his impending visit to the Kremlin—rather than the summit meeting—will decide whether the West will have war or peace with the Russians.

Though he concurred in the Roosevelt-Churchill decision to keep the Allied armies from plunging into Berlin, in order to permit the Red army to take it from the East, Montgomery has since been quite critical of Russian practices. It is possible that he may ask Khrushchev for an unconditional surrender, when they meet.

If not, he is certain to tell the leader of all the Russkies, as well as Defense Minister Marshal Malinovsky, that the Russian general staff botched that whole defense of Stalingrad, should have stopped Hitler at the border, and played the Hungarian thing wrong from the start. The Red bosses will also be startled to learn that he, Montgomery, won World War II—not the Red army. They will agree on only one point: That the U. S. paid for it.

Bartender's Shot Bars Freeloader From His Drink

DETROIT (AP)—Frank Holmes, 41, felt slighted Tuesday when all the customers but he got a drink on the house at a downtown bar.

Holmes started behind the bar to get his own. He went down with a bullet in the shoulder.

Bartender William Howard, 36, who is held for investigation of assault with intent to kill, told police he fired one shot into the floor to warn Holmes and then one at the man when he failed to stop. Howard said Holmes was left out of the free round as a joke.

'Lost' Weekend

BRIGHTON, England (AP) — A 62-year-old man arrested on the beach of this Sussex seaside resort for being drunk and disorderly told police: "If you charge me I won't come to Southend again." Southend, another resort, is more than 70 miles away in Essex.

GOOD-BYE CORNS

Attorney General Deplores 'Shocking' Congestion

Court Backlog Denies Justice to Thousands

(Thousands of Americans are being denied their constitutional right to prompt justice because the courts are unable to handle all the cases that come before them. Following is the first of three dispatches telling what the problem of court congestion means in human terms).

By LOUIS CASSELS

WASHINGTON (UPI) — Timmy was 2 years old when he was hit by a truck that swerved carelessly into the driveway of his home.

Now Timmy is 5, and walks with the aid of crutches. His father, who earns $120 a week as a salesman, is $6,000 in debt for Timmy's medical bills.

Why doesn't he sue the operator of the truck for damages? He did —three years ago. But the case still hasn't come to trial.

★ ★ ★

Timmy's father, who told his story in a letter to Attorney General William P. Rogers, is one of thousands of Americans who are being denied their constitutional right to prompt justice.

They are victims of congestion in the courts. Today there are more than 80,000 cases awaiting trial in federal district courts. This is the biggest backlog in history and it is getting bigger every day.

★ ★ ★

Lawyers and judges say it should never take longer than six months to bring a civil case to trial. But out of 91 federal district courts in the nation, there are only 7 in which a plaintiff has an even chance of getting his case tried within that length of time.

YEAR'S DELAY AVERAGE

The average delay in Federal courts is one year. And in some heavily populated urban districts of the East and Midwest, it is much longer.

For example, the usual waiting period in Brooklyn is 42 months; in Pittsburgh, 33 months; in Cleveland, 30 months; in New York City, 26 months; in Philadelphia, 26 months; in Milwaukee, 26 months; in Denver, 20 months; and in Chicago, 18 months.

Congested dockets also are slowing justice to a crawl in many state, county and municipal courts. In 1958, it took an average of 9½ months to bring a personal injury case to jury trial in non-federal courts. This national average is deceptive, however, because it includes many small-town courts where justice is still relatively swift.

★ ★ ★

In big cities, the average wait in lower courts of general jurisdiction is about 19 months.

Chicago's Cook County has the dubious distinction of dispensing the slowest justice in America. If you filed a suit there today, you could reasonably expect to have it reach a jury in 1964.

According to Attorney General Rogers, these figures are "shocking."

In a statement to United Press International, Rogers recalled the ancient legal axiom that justice delayed is justice denied.

"The major shortcoming in our judicial systems today, both Federal and state, is that it takes too long to get a case tried in court," Rogers said.

CAN'T AFFORD WAIT

"Most people cannot afford to wait two, three and in some instances four or more years in order to have their day in court.

"As a result, many legitimate claims are settled at a fraction of their true worth. Others become worthless through the passage of time."

★ ★ ★

Chief Justice Earl Warren emphatically agrees.

"Delay in the courts is bad," he said recently, "because it deprives citizens of a basic public service.

"It is bad because the lapse of time frequently causes deterioration of evidence and makes it less likely that justice will be done when the case is finally tried.

"It is bad because delay may cause several hardships t oindividuals, to families, to businesses operating with only a margin of capital, and to other parties similarly vulnerable when faced with unusual delay.

★ ★ ★

"And it is bad because it brings to the entire court system a loss of public confidence, respect and pride."

(Next: How Did It Happen?)

Thunderous Boom Rocks 'Frisco Again

SAN FRANCISCO (AP) — For the second straight day the bay area was rocked Tuesday by a thunderous boom.

★ ★ ★

Both were commonly blamed on jet planes breaking the sonic barrier but Air Force and Navy authorities denied their planes could have caused it. One said a transient jet might have produced the shock wave which broke windows over an area 35 miles wide.

★ ★ ★

Tuesday's boom generally was called the city's heaviest. It opened a bank door for a lady, triggered fire alarms and even set off a sprinkling system in a warehouse.

Your PTA Is Planning

Elementary Groups Will Meet Together

CLARKSTON — A joint meeting of all Clarkston Community Elementary School Parent Teacher Associations will be held in the Clarkston High School auditorium tomorrow night beginning at 7:30.

Arthur Ruhl, administrative assistant of Wayne County Juvenile Court, will be guest speaker of the evening. He will explain the purpose and functions of the court.

A musical program will be presented by the fifth and sixth grade choir of Clarkston Elementary School, directed by Beverly Bell.

Officers for Clarkston Elementary School PTA elected for 1959-60 are Mrs. William Mansfield, president; Mrs. William Race, vice president; Mrs. Richard Kroninger, recording secretary, and Mrs. Bruce Heatherington, treasurer.

Other officers are, Mrs. Chester Adams, corresponding secretary; John Reabe, teacher vice president; Curtis Bishop, father vice president, and Mrs. William Porritt, historian.

At Sashabaw Elementary School, Gerald Tafel, Michigan state trooper from the Pontiac post, will show a film, "The Case of Tommy Tucker," at the PTA group's annual fathers' night tomorrow.

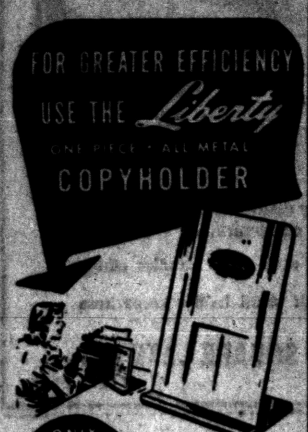

The meeting will begin at 8 p.m. under the chairmanship of LeRoy W. Davis, father vice president. Refreshments will be furnished by first grade mothers and served by the fathers.

FOUR TOWNS—Ray Herrington will be guest speaker at Four Towns School PTA meeting at 8 p.m. tomorrow in the school. The civilian defense worker will show a film of a tornado.

Between 7:30 and 8 p.m. parents will be given the opportunity of meeting their children's teachers.

At the business meeting, election of officers will be held. Refreshments will be served by the first grade.

ROCHESTER — Brooklands-Avon PTA will be entertained by the choir and band of Brooklands Elementary School tonight at the group's April meeting in the school at 8 p.m.

PLAN BIG EVENT — Members of the Oxford Child Study Club today are completing arrangements for the spring planning meeting of the Michigan Child Study Assn. which they will host Saturday. Pictured with a poster publicizing the event are, from left: Mrs. Ted Pearson Jr., decorations and favors chairman; Mrs. Ralph Curtis, general chairman; and Mrs. Earl Irwin, publicity chairman.

State Child Study Unit at Oxford High Saturday

OXFORD — The Oxford Child Study Club will be host club for the spring planning meeting of the Michigan Child Study Assn. Saturday with over 200 women expected to attend, Mrs. Harold Houck, club president, announced today.

All of the meetings during the day-long session will be held at the new Oxford Area Community High School with the exception of the luncheon which will be served in the Daniel Axford School cafeteria.

Registration and a coffee hour will take place between 8:30 and 9:30 a.m. with discussion groups to follow during the next hour.

A special feature of the general meeting to be held between 10:30 a.m. and noon will be a review of Ellenwood's book, "There's No Place Like Home" by Mrs. Roy Schramm.

Luncheon will be served from 12:15 to 12:45 p.m. by the Congregational Church Ladies' Guild.

Speaker during the afternoon session, which will get under way at 1 p.m., will be Miss Roberta Hershey, extension specialist in foods and nutrition from Michigan State University.

The meeting will adjourn at 3 p.m.

Every woman attending will receive a plastic container filled with gravel from the American Aggregates Corp., Oxford. The place card attached will read, "Take home a bit of our town —Oxford—The Gravel Capital of the World."

Other favors from local merchants will include plastic containers which will hold a plastic fruit knife, kitchen scoop and measuring cup from the Oxford Savings Bank and place mats, notebook and pencil from Homer Hight Motors Inc.

Michigan Bell Telephone Co. will furnish miniature phone books and the Detroit Edison Co., lifesavers. Baldwin's Party Shop will give napkins; the Oxford Greenhouse, the centerpiece for the guest table; and Harold Cleaners, match folders.

The coffee hour will be through the courtesy of Cadillac Market and Parkside Restaurant.

General chairman of the event is Mrs. Ralph Curtis. Her committee chairmen are Mrs. Harry Hall and Mrs. Harrison Specht, tickets and badges; Mrs. Floyd Brown, registration; Mrs. Robert Brower, program and music; and Mrs. Preston Yost, hospitality.

Aiding Families of Blast Victims

Over $530 Collected to Assist 7 Fatherless in Troy

TROY — Over $530 has been deposited in the Rochester branch of the National Bank of Detroit for the two families left fatherless by an explosion here on Good Friday, a fund spokesman reported today.

The blast that ripped through a two-room garage-home killed Harry Fogus, 25, of 6910 Montclair St. at the time and later claimed the life of Ralph LaBarge, 31, of 6735 Montclair.

The men's wives were also seriously injured in the explosion.

Since the tragedy, friends, neighbors and others in the area have started campaigns to add to the Fogus-LaBarge Fund.

Among contributors to date are two teenage boys who rang doorbells and collected $130 for the two families. They are Pat Laughlin, 16, of 350 Grace St., Avon Township, and Don Wrathell, 17, of 6580 Norton St., Troy.

In addition, the Troy Lions Club has given $25, and DeWolf-Dreon VFW Post 4037, Troy and Clawson, and its auxiliary, $25 apiece. Two hundred dollars has been deposited by the Troy Exchange Club.

Other contributors were members of Battery B, 3rd Missile Battalion at the Nike base near Utica. The men took up a collection which totaled $37.50.

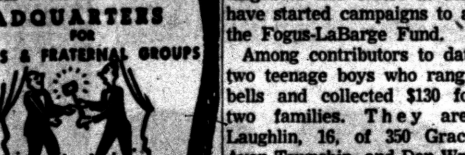

There are seven children in the two families. Fogus was the father of two and LaBarge of five.

The fund is being administered by a representative from both the Troy-Clawson VFW post and its auxiliary.

Church Women Plan Dinner on Thursday

LAKE ORION — The women's department of the Lake Orion congregation of the Reorganized Church of Jesus Christ of Latter Day Saints will sponsor a baked ham dinner, served family style, at the church, 531 E. Flint St. Thursday evening. Serving will be from 5 to 7 p.m.

Proceeds will go toward the new addition on the church.

Desk Drawer Adding Machine

Scouts to Begin Sale of Cookies

Girls in County Will Employ Proceeds for Camp Improvement

Tomorrow is cookie sale day for Girl Scouts in Oakland County.

That's the first day the cookies will be offered to the public in a campaign to support Camp Sherwood. Sales will continue through April 23.

Proceeds will be used to further equip the Girl Scouts' summer campsite at Lapeer, which is visited each year by several hundred members from Oakland County.

The cookie sale is the sole source of revenue for maintaining the camp.

★ ★ ★

Thirty years ago, or over 100,000 boxes of cookies ago, area Girl Scouts purchased the first land for the camp.

Today they have over 180 acres of rolling woodland, about 30 buildings and frontage on two lakes.

The girls will really have to hustle with their cookie sales.

★ ★ ★

They have it figured like this: Eight boxes of cookies will buy a pair of tongs for outdoor cooking, 10 boxes will purchase a canteen for hikes, 25 boxes a lantern, 40 boxes a reflector oven, 45 boxes a pack basket, and 162 boxes a pup tent.

Youth Fails to Pay, Lands Back in Jail

ROCHESTER — A 19-year-old Keego Harbor youth is back in Oakland County Jail today after failing to pay the fine assessed against him yesterday when he pleaded guilty to a charge of illegal possession of beer, Rochester police reported today.

Ross A. Fockler of 2959 Glenbroke St. was arrested Saturday night by Rochester police at the intersection of Fifth and Main streets for making an improper turn. Officers found several bottles of beer in his car, they said.

Justice Luther C. Green sentenced the youth to pay a $10 fine plus $10 in court costs or to spend 10 days in jail.

Bentley-Rockwell Vows Exchanged at Clarkston

MRS. ROBERT E. BENTLEY

CLARKSTON — Barbara Sue Rockwell became the bride of Robert E. Bentley at a double-ring candlelight ceremony at First Methodist Church here Saturday evening.

The couple was wed by the Rev. William Richards the church sanctuary which was decorated with bouquets of white roses, snapdragons and mums.

Mr. and Mrs. Charles Rockwell of 11 S. Holcomb St. are the bride's parents. The bridegroom's parents are Mr. and Mrs. Oscar Haaland of Charlotte.

For her wedding, the bride wore a white chiffon gown with a chapel train and iridescent sequins on alencon lace. Her veil was held by a cap of pearls and sequins. She carried a bouquet of white roses, carnations and stephanotis.

★ ★ ★

Gail Weston of Clarkston served as maid of honor. Attendants of the bride were Nancy Curtis and Janee Eisenlohr, both of Clarkston, and Mary Ann Lynch of Holly.

Beth Ann Eisenlohr was flower girl and David Lawrence Jr., also of Clarkston, was ringbearer.

Duties as best man were performed by Ray Dawley. Ushers were Jim Jensen, John Holser and Leonard Bentley. All are from Clarkston.

A reception was held in the church parlors following the ceremony. Then the bridal couple left on their honeymoon for Niagara Falls. They will reside in Clarkston upon their return.

Plan Reunion of Keego Harbor School Alumnae

KEEGO HARBOR — Plans are under way for an alumnae-teacher reunion for those attending Roosevelt High School here any time from 1929 through 1954, Mrs. Ralph Marriott, Publicity Chairman for the newly-formed alumnae group, announced today.

★ ★ ★

The reunion is scheduled for June 6 with a reception to be held at the Roosevelt School. A banquet is planned for that evening at the West Bloomfield Township High School with a dance to follow.

Reservations can be made by contacting Sam Whitmore, 2368 Willow Beach Dr. and Mrs. Charles Leaf, 1998 Cass Lake Rd.

Mrs. William Guesses is registration chairman, Mrs. Frank Marriott is in charge of invitations, and Mrs. Milton Patton is historian for the group.

Garden Club to Meet

ROYAL OAK — The Organic Farm and Garden Club of Royal Oak will meet at 7:45 p.m. tomorrow in the church house of the First Baptist Church of Royal Oak, 309 N. Main St. Charles Renn, one of the club's foremost gardeners, will speak on "The Preparation of the Soil for Planting."

Walled Lake Streets Given New Names

WALLED LAKE — The city council passed a resolution at last night's meeting to change the names of two streets. This would rename Commodore street, an extension of Quinif street, to Quinif drive and Milan street would be changed to Common street.

Councilmen also passed an ordinance setting the annual salary of the justice of the peace at $1,800. It is to be effective July 4, 1960.

The council will meet on April 20 to begin work on the budget. Members have also set April 13 as the date for a special meting a mayor and a mayor pro tem.

SEATO Council Ministers Meet

Raising Living Levels in Southeast Asia Is Goal of Group

WELLINGTON, New Zealand (AP)—The SEATO Council of Ministers opened its fifth meeting today with emphasis on improving economic conditions in Southeast Asia to combat communism.

Several speakers stressed that military strength alone was not enough to protect the area from the Red menace.

Prime Minister Walter Nash of New Zealand, elected to preside over the sessions, described hunger and poverty as the greatest threats to the security of the members of the Southeast Asia Treay Organization and their neighbors.

★ ★ ★

"Conditions of security can be of lasting value only if they are accompanied by orderly economic and social progress," he said.

Secretary General Pote Sarasin gave the eight-nation alliance a confident report and said SEATO has "given ample notice that any aggression or use of force will be met with equal determination."

"I believe," he said, "that this clear voice has been largely responsible for the fact that the whole area has been able to enjoy peace."

★ ★ ★

Members of the alliance are the United States, Britain, France, Pakistan, the Philippines, Thailand, Australia and New Zealand.

The theme of raising living standards in Southeast Asia ran through most of the opening speeches.

Georgia's Sun Gladdens Ike and His Doctor

AUGUSTA, Ga. (AP)—President Eisenhower is happy and so is his doctor.

The President is pleased because he is back for another visit at his favorite vacation spot—the Augusta National Golf Club.

★ ★ ★

His physician, Maj. Gen. Howard M. Snyder, is happy because Eisenhower is getting the outdoor exercise and warm sunshine the doctor prescribed.

"This is the first summer I've felt in a long time," the President exclaimed with a chuckle as he arrived here from Washington Tuesday.

Snyder couldn't have arranged it better if he were in charge of the weather. The temperature was 80 degrees and the sun was a Chamber of Commerce dream.

★ ★ ★

"This is marvelous," remarked Mrs. Eisenhower as she came down the ramp from the President's private plane, Columbine III.

Eisenhower and the first lady motored directly to the golf club. Five minutes after arrival he was out on the famed course where Art Wall Jr. won the Masters Tournament Sunday.

★ ★ ★

The President played 18 holes with Byron Nelson, a former Masters champion; Clifford J. Roberts, New York investment banker and board chairman of the golf club; and William E. Robinson, also of New York and board chairman of Coca Cla.

Six hundred and sixty-nine newspapers are purchased in the United States every second of every minute of every hour of every day, when total daily circulation of 58,000,000 copies is averaged out over a twenty-four hour period.

Jailed After Rioting at His Ku Klux Rally

LUMBERTON, N.C. (AP) — James W. (Catfish) Cole went to jail here Tuesday to begin serving an 18 to 24-month prison term for inciting a riot at a Ku Klux Klan rally.

Cole, former Klan leader, will be transferred to central prison at Raleigh next week for assignment to a work camp.

The inciting-to-riot charge stemmed from his Klan rally neat Maxton Jan. 18, 1958, which was broken up by Lumbee Indians.

Great Britain's coal industry employs about 722,000.

Actress Says Husband Preferred Older Woman

LOS ANGELES (AP)—Actress-singer Gloria Grey, 25, says her husband preferred the company of a 55-year-old woman friend to hers.

He was cold to her and went through long silences, she told a judge Tuesday.

Miss Grey was granted an uncontested divorce from her husband of eight months, Stanley Herman, 25, Beverly Hills real estate salesman.

Injections of tranquilizing drugs are now being used to calm cows frightened by milking machines.

The Republic of India, covering an area of 1,269,640 square miles, embraces one fifteenth of the earth's surface. The country extends 2,000 miles from north to south and has a coastline 3,535 miles long.

Machines Eyed to Speed Totals

Murphy Urges County to Obtain Tabulators for Counting Votes

Electronic tabulating machines to speed up the returns from Oakland County's 295 voting precincts were being envisioned today by County Clerk-Register Daniel T. Murphy Jr. in the wake of Monday's election.

★ ★ ★

Although Murphy said he had no criticism of the way returns came in, he did say "improvements could be made."

★ ★ ★

He said he was thinking about asking the Board of Supervisors to appropriate extra funds to lease electronic machines for use in presidential elections "so people can know the trend by about 1 or 2 a.m."

★ ★ ★

This could be done, Murphy figured, by machines in his office which would tabulate totals immediately as township and city clerks called in rather than waiting until they brought returns to the courthouse in Pontiac.

CHECKING RETURNS

The three-member Board of Canvassers were in their second day today checking Monday's returns, the heaviest in the county's history for a biennial spring election.

Murphy predicted that when the canvassing is completed in about a week, it will show that more than 90,000 cast ballots Monday. In 1957 there were 75,000.

Murphy noted that the last precincts reporting Tuesday morning were the five still using paper ballots. While the machine-operated precinct in Wixom was the first in at around 11:30 p.m., South Lyon's one paper precinct held up complete tabulation until 7:50 a.m. yesterday.

If the canvass shows more than 800 — the statutory limit for using paper ballots in a single precinct — voted in South Lyon, the clerk said he would recommend purchase of a voting machine or splitting it into two precincts.

Six years ago, only 4 per cent of all U.S. families owned a second car. Today, the figure stands at 17 per cent. During the last six years, automotive advertisers have increased their investment in daily newspapers 104 per cent.

All 4 City Representatives Renamed

Reappoint Delegates to County Board

Pontiac's four representatives on the Oakland County Board of Supervisors were reappointed to one-year terms last night by the City Commission.

Serving on the board are R. C. Cummings, 205 E. Iroquois Rd.; Robert R. Boyer, 240 Pioneer St.; Mrs. Lee Hill, 35 Carter St., and Maurice Croteau, 112 Marquette St.

Cummings, Boyer and Mrs. Hill are veteran members of the board, while Croteau was first appointed last year.

Cummings has been on the board 12 years, Boyer 2½ years, and Mrs. Hill four years.

★ ★ ★

Commissioners, in other business, held hearings on five blacktopping projects with no objections noted. Assessment rolls were ordered for blacktopping West Ann Arbor avenue, Carlisle to Stanley; Cornell street, Baldwin to Carlisle; Gladstone place, Cooper to Edison; South Jessie street, Wilson to Prospect; and Longfellow avenue, University to the Pontiac, Oxford & Northern Railroad.

Hearings were scheduled next week on four other blacktopping projects, after cost estimates were accepted.

Scheduled are Pensacola avenue, Oakland to Monticello — assessed cost, $4,917; city cost, $1,535; cost for a 40-foot lot, $92. Roselawn drive, Fiddis to Maines—assessed cost, $875; city cost, cost for a 40-foot lot, $92.

Stanley avenue, Kinney to Kennett—assessed cost, $8,428; city cost, $1,959; cost for a 40-foot lot, $92. Wyoming avenue, Bagley to Franklin road—assessed cost, $7,370; city cost, $507; cost for a 40-foot lot, $92.

★ ★ ★

Also scheduled for hearings next Tuesday are assessment rolls on four other blacktopping projects and three curb and gutter jobs. Scheduled for blacktopping are Adelaide street, between Oakland and Baldwin; Euclid avenue, between High and Jefferson; Harriett street, Cadillac to Adelaide; and LeGrande avenue, Baldwin to Euclid.

Scheduled for curbs and gutters are Carlisle street, Walton to Chicago; Carr street, Mt. Clemens to Pontiac Knolls subdivision; and Colgate avenue, Baldwin to Carlisle.

Adjourned one week was a resolution to accept the special assessment roll for blacktopping Kinney road, Oakland to Stanley. A protest petition, signed by 33 per cent of the affected residents, has been placed on file.

Commissioners approved one-year renewal of the U. S. Government's lease of city land on which the Naval Reserve Training Center is located. There is no money involved in the lease.

In the absence of City Manager Walter K. Willman, who is on vacation, Robert A. Stierer, assistant city manager, said the city plans to keep the city dump open until 6 p.m. every day, extending the present 4 p.m. closing by two hours.

The Montcalm Bowling Center, 30 E. Montcalm St., got approval to open at 10 a.m. Sunday, April 19, for a tournament.

Approval was given for LeRoy and Mary Goldsworthy to transfer their tavern and SDM licenses from 419 to 417 Auburn Ave.

Nevada Town Hopes Its Name Will Hit Jackpot

JACKPOT, Nev. (AP) — This hamlet of 100 people just south of the Idaho border shook off "Unincorporated Town No. 1" Tuesday and started life as Jackpot.

The name was deemed just right for a string of slot machine clubs eager to oblige would-be gamblers from Idaho.

At first the clubs couldn't agree on a name, and bickered over such proposals as Paradise, Cactus Pete's and Horseshoe. Elko County commissioners settled the dispute by calling it "Unincorporated Town No. 1."

Jackpot was an easy compromise.

OK Port on St. Clair

PORT HURON (AP) — Voters in Port Huron have approved a $300,000 bond issue for construction of a ship port on the St. Clair River to handle shipping from the St. Lawrence Seaway. The measure, needing a 60 per cent favorable vote, received a 4-1 margin of approval in Monday's election.

CREDITORS DEMAND CASH!

I MUST RAISE $50,000 CASH AT ONCE

THE TRUTH!

Yes, I am embarrassed. I have to be so blunt as to say CREDITORS DEMAND CASH. But I have no alternative . . . I bought too much . . . business has been slow, considering the volume I must do and now I must raise cash . . . I can't urge you enough to be sure and be at my store for these amazing bargains in suits, topcoats, jackets, pants, sportswear. These are the facts and facts don't lie.

Hal Boyle Says:

She Spends $25,000 to Build Night Club Act

NEW YORK (AP)—Jane Morgan, who has 300 hats and spends up to $2,500 for a single gown, was paid $25 a week for singing in a ballroom here in 1946.

★ ★ ★

Right now Jane, known as "The Fascination Girl," is spending exactly one thousand times that to create a new night club act.

"You don't just get up and sing a few songs," she said. "You have to put on a small revue. A new act costs $25,000—enough to produce an off-Broadway drama.

"But that kind of show has angels to back it. A night club performer has to put up his own dough."

SUIT LIKE MONEY

This interesting behind-the-scenes peek at show world finance was given by Miss Morgan over a steak sandwich luncheon. Blonde, blue-eyed and beautiful, she showed up wearing a striking Christian Dior suit the color of mellow old money.

★ ★ ★

Where will her $25,000 go?

"Half of it will go for getting material for the show," she said. "I have six writers working on it.

"The other half will go for the wardrobe. Sometimes I envy movie stars. The studio supplies their gowns. We have to buy our own."

In addition to the six writers, Jane's 45-minute act will require the services of a producer, a musical director, a choreographer, a dress maker, a lighting expert, two song and dance lads and 10 fiddle players.

Then, of course, there are also her personal manager and her maid-secretary.

All this money and talent is being spent for a four-week engagement beginning late this month in the Hotel Plaza's Persian Room, a top showcase for the national supper club circuit.

"You hope you can make it back on the road," said Jane a bit grimly, "but if the reviews are bad, there may be no road.

"You never really know."

SPARE TO SPARE—This "continental spare tire" is really a mobile billboard for a farm tire dealer in Scottsbluff, Neb. He rigged it up to the rear of his pickup truck. In the cab there's a spare that fits.

It is unlikely Miss Morgan will meet with this particular disaster. She is a top star in one of the most elite circles in show business. It is made up of fewer than a dozen girls who can average $3,000 a week in swank supper clubs across the country.

GOOD ONLY YEAR

But her $25,000 investment is good only for about a year. Last year's night club act is as dead as yesterday's newspaper.

Jane shows no sign of strain. She worked 52 weeks last year. Besides her supper club warbling she is also a popular recording artist and one of the busiest guest stars on television.

She turned down an offer to have her own TV network show this summer.

"It sounded wonderful," she said. "But what happens to these summer replacement shows, no matter how much the public likes them? As soon as the first cold wind blows, they disappear and are forgotten."

"Sometimes I want to do a real Broadway musical," she said. "And I want to work in the theater. That is my real interest.

"I hate night clubs!"

ASHLAND OIL & REFINING COMPANY

Pontiac Press Photos

Mrs. Robert Tricker, general chairman of the Seventh annual Pontiac Antique Show and Sale, is shown with a handmade primitive walnut cupboard. The dishes are iron stone in the tea leaf pattern. The show is sponsored by the women of All Saints Episcopal Church.

Show to Feature Choice Antiques

From points east and south, from Europe and the Orient, from mansion, barn and attic, come the cherished household articles that make an antique show.

★ ★ ★ ★

Harder to find each year as the demand outstrips the supply, professional collectors still manage to assemble exhibits of beautiful old pieces and quaint relics, tempting to every homemaker with a taste for individuality.

WIDE CHOICE

A pine chest, a cherry table, a pair of old candle sconces, a primitive painting, a pair of Royal Vienna vases — all in demand as decorative accessories — will be found at Pontiac's 1959 Antique Show and Sale April 14 through 16 at All Saints Episcopal Church.

Old prints, clocks and figurines make attractive wall decorations for the smallest home, as do fans, canes, plaques, cameos and coins — framed or grouped.

★ ★ ★

A large pine or walnut cupboard or a harvest table would be equally at home in a beamed ceiling ranch home or a remodeled farm house.

An old Franklin stove makes a charming substitute for a fireplace in home or cottage. A buggy seat adapted for a bench will fit in a family room, an informal living room or a breakfast nook. A milk bench is equally adaptable, and a wooden yoke is a clever accent to playroom or cabin.

Other articles useful in another era and now eagerly sought as decorative accessories are the coffee mills, scales, tea kettles and tin and copper molds. Or how about a tin cranberry picker, a Meissen kraut cutter, a painted tin coal hod or a pewter maple-sugar mold?

SHAKER MIRROR?

If these are not unusual enough, how about a Shaker mirror with a wooden cover? Vanity was a sin and the Shaker miss or matron was not allowed to primp, so the mirror was covered up when not in actual use.

★ ★ ★

There will be dolls, doll carriages, cradles and tea sets, treasures of little girls of another age, now precious to collectors.

Other collections offered will include sugar shakers, Wedgewood, music boxes, inkwells, Royal Beyreuth china, Staffordshire dogs, Bennington ware, Dresden, Delft, Haviland and Majolica.

★ ★ ★

Fiddleback chairs, chicken coop chairs, comb back rockers, hanging lamps, coverlets—the list is long. These and many more will be offered at the show.

★ ★ ★

A revival of an old craft will be featured in the collection of handwoven articles made by members of the Michigan Weavers' Guild. Stoles, table linens, towels, aprons, hand bags, rugs, and baby blankets, bibs and hoods will be included in the exhibit and sale.

Little Margaret Widdifield, daughter of the Rev. and Mrs. C. George Widdifield, poses by a pine doll's cradle. She is holding a doll about 50 years old that belongs to Mrs. Percy Berry of E. Howard street. It has a china head, arms and feet and a kid body. The Rev. Mr. Widdifield is rector of All Saints Episcopal Church.

Women's Section

St. Benedict Guilds Plan May Party

St. Benedict Guild and Altar Society met Tuesday evening at St. Benedict Hall for a cooperative dinner.

Mrs. Michael Glisky, chairman of the annual Altar Society card party and fashion show to be held May 6 at the hall, announced committees.

Mrs. Ralph Spadafore is co-chairman for the affair which will begin at 8 p.m. and feature women's hats and children's fashions by Arthur's Women's Apparel.

★ ★ ★

Other committee heads are Mrs. Neil Crandall, publicity; Mrs. Joseph R. Smith, prizes; Mrs. Vern Crake, refreshments; Mrs. Darwin Simpson, card and tallies; Mrs. Richard Fox and Mrs. Anthony Maytiniak, models; Mrs. John Bale, tables; Mrs. Bernard Stone, decorations; and Mrs. Raymond Zimmerman, tickets.

Willis Program Set

Members of the staff at Willis School will present a program entitled "The Teaching of Arithmetic" at a PTA meeting to be held at 1:30 p.m. Thursday in the school's multipurpose room. Perry Ninotti, principal, is chairman of the program.

Missionary Conference Opens Tonight in City

The Rev. H. H. Savage, pastor of First Baptist Church, has announced the opening session of the church's 24th annual Missionary Conference will be held at 7:30 this evening at the church. The convention will be observed through April 12.

Speakers tonight will be Mrs. Mary Danielson from Rhodesia, who is a missionary of the Evangelical Alliance Mission, and Harry Zemmer, M.D., missionary under the Berean Mission in the Belgian Congo.

PANEL TALK SET

At 1:30 p.m. Thursday afternoon a panel discussion will be led by the missionary men of the church at Barnett Chapel. Subject will be "Missionary Outlook in the Light of World Conditions."

★ ★ ★

Thursday evening speakers will be the Rev. George Dee, also a missionary of the Evangelical Alliance Mission, and Everett Fuller, M.D., medical missionary from Quito, Equador.

On Friday afternoon at the chapel the church's missionary women will discuss "A Woman's View of Missionary Activity" at 1:30 p.m.

★ ★ ★

The Rev. Glenn Crumley of the Berean Mission and the Rev. Robert Hart of the Gospel Missionary Union of South America will speak Friday evening.

The public has been invited to attend these meetings.

Called to Cleveland

Mr. and Mrs. John Niggeman of Sylvan Lake were called to Cleveland, Ohio, Tuesday by the death of Mrs. Niggeman's brother, Archie McCallum. Funeral arrangements will be made later.

OES Sees Movies

Mr. and Mrs. James Householder showed movies of their trip through the South and Florida at the meeting of Griffin Proficiency Club, OES 228, held at the Hudson street home of Mrs. Joseph Minton.

High Fashion Robes

Robes with marabou and swansdown trim are back in fashion favor. Some are done in velvet and some in gold or silver lame.

Four pages today in Women's Section

24 to Attend Music Club Junior Day

Event Is Slated at Detroit Parley Saturday

Twenty-four members of Pontiac Junior Music Clubs will attend Junior Day of the Michigan Federation of Music Clubs Convention Saturday at Hotel Sheraton-Cadillac, Detroit.

Mrs. Wellington Relyea of Washington street, State Junior Club chairman, will preside at the morning business meeting and musical program and at the panel for Junior Club counselors.

TAKE ACTIVE PART

President of Pontiac Senior League, Marcia Cameron, will be acting secretary for the day. Deanna and Gary Relyea will accompany the massed chorus performance at the noon luncheon.

★ ★ ★

Karen and David Eicher of Orchard Lake, members of Michigan Youth Orchestra, will present a program in the afternoon under the direction of Orien Dalley of Ann Arbor. Karen plays viola and David, cello.

Assisting with registration and as hostess will be Mrs. William Furlong, Pontiac Junior League counselor.

PLANNING TO ATTEND

Other Pontiac Club members attending will be Carol Norvell, Nancy Burgdorf, Dianne LaBair, Barbara Cheal, Barbara and Pamela Griffin, Jackie and Pamela Morris, Nancy Norberg, Katherine LaCore, John Gracheck, Susan Brodie and Diane Woolcock.

Others will be Susan Putnam, Barbara Atwell, Susanne Douglas, Victor Schramm, Jane Bigler and Larry Reynells.

Shower Fetes Bride-to-Be Judith L. Smith

A kitchen shower honoring Judith L. Smith, bride-elect of David R. Tarr, was given Sunday by Mrs. Clarence H. Smith and Mrs. Clyde T. Smith at the latter's home on Mark avenue.

Judith, the daughter of Mr. and Mrs. Hugh C. Smith of Draper avenue, and David, son of Mrs. Robert B. Tarr of West Iroquois road and the late Mr. Tarr, will be married June 12 in Ann Arbor.

★ ★ ★

Refreshments were served from a table featuring a white Italian linen cloth with yellow chrysanthemums and snapdragons and yellow tapers in silver candlesticks.

★ ★ ★

Guests included Mrs. Smith, Mrs. Tarr, Mrs. Byron E. Davidson, Mrs. Eleanor Stoltenberg, Mrs. Morris S. Coleman, Mrs. Wilfred Bowman, Mrs. Clarence H. Smith Jr., Mrs. Calvin J. Rhodes and Mrs. Vern Hartung.

★ ★ ★

Also present were Mrs. Manley Walmsley, Mrs. H. Malcolm Kahn, Mrs. James W. Smith, Mrs. J. K. Helvey, Mrs. Theodore Johnson, Mrs. Milton Kimball, Norma Jones, Violet Johnson, Mildred Johnson, Patricia Smith, Kay Bowman, Susan Johnson, and Edith Goldstein of Cleveland Heights, Ohio.

Philathea Class Holds Program

First Philathea Class of First Baptist Church met Tuesday afternoon at the church. Gertrude Williams was in charge of the program. Taking part in the program were the Rev. Walter Ballagh, Mrs. Watson H. Bryan and Mrs. Melvin Strader.

Mrs. Howden was hostess and Mrs. J. R. Howell served refreshments.

Dinner Meeting Held by Club

Members of the Child Culture Club, their husbands and guests met for dinner Tuesday evening at Greenfield's Restaurant in Birmingham.

★ ★ ★

Howard Shelley, official photographer of "Michigan Outdoors," was guest speaker. He showed movies of Alaska.

★ ★ ★

Five members will attend the spring planning meeting at Oxford Saturday. The next meeting will be at the home of Mrs. Charles Brooks of Auburn Heights on April 23.

City Panhellenic Makes Toys; Plans May Tea

Members of Pontiac City Panhellenic Association met at the Alice avenue home of Mrs. William McGovern Monday evening for a toy-making party to benefit Oakland County Society for Crippled Children.

★ ★ ★

Plans were made for a tea to be held at Pontiac Federal Savings and Loan Building at 3 p. m. May 3, to acquaint area high school seniors with college and sorority life. Mrs. Richard D. Kuhn appointed Mrs. John Collison and Rosamond Haeberle cochairmen of the annual event.

★ ★ ★

Hostesses for the evening were Mrs. George Yansen and Mrs. Enor West.

Phi Epsilon Nu Accepts 3 Members

Phi Epsilon Nu Sorority met Tuesday evening at the home of Mrs. Charles Furlong of Sashabaw road. Mrs. Larry Feneley, Mrs. Thomas Fluent and Mrs. Claire Blades were accepted as new members.

★ ★ ★

The May meeting will be held at the Drayton Plains home of Mrs. A. R. Bartlebaugh.

Mrs. Clayton McCoy, left, and Mrs. Russell Cutler stand by Mrs. William Isgrigg, who is seated on an antique buggy seat that has been adapted for a bench. This, too, will be on sale at the Antique Show April 14-16.

Pontiac Press Photo

Zeta Zeta Omega Sorority held an initiation tea Monday evening at the North Avery street home of Mrs. Gordon Booker. Left to right, Mrs. Joseph A. Ullom chats with two new members, Mrs. Dean Parmenter and Mrs. Sam Savas. Mrs. Dean Hetherington is the other new member. Cohostesses were Mrs. Russell Gee and Mrs. Kenneth Squires.

Says Beautician

A Big Year Is Ahead for Blondes

By VIVIAN BROWN

We'll see more blondes in 1959, says Nancy Mace, a leading hair colorist.

"More than half my clientele is now blonde," Nancy says. "The secret of the success of being blonde is due in part to the new processes in hair dyes that make a girl look like she was born with her golden topknot."

Another thing that helps is the quicker dye process, less than two hours, and the range of natural colors available.

One of the most popular shades at the New York salon where Nancy is stylist and fashion coordinator, is a claret blonde shade that is blonde with just a slight cast of pink in it. Beige blonde has a slight gray cast that is flattering to most women, and mutation blonde, another popular shade, is a mixture of gradual shadings of blonde, lighter towards the face and darkening toward the back of the head.

SOFTENING EFFECT

Blonde hair faded out years ago because it made some women look older than their years. But now all harshness has disappeared from the color, and these new shades have a softening effect on the face, in fact making a woman look younger, says Nancy.

★ ★ ★

There will be more than usual emphasis on the hair this year. Ladies who own important jeweled clips will transfer them to the hair. Tiaras will be worn. Any flattering ornament that may enhance a girl's crowning glory without hiding the coiffure, plain or fancy, will serve the purpose.

Where a center part is used a jewel may serve as a "widow's peak," advises Nancy.

Sleep Needs Vary

Sleep requirements vary in individuals. Don't rely on your friends for how many hours you need to sleep each night. Your complexion and hair as well as disposition will be tops after you follow good sleeping habits.

Thursday will mark the opening of Northern Oakland County Girl Scouts' annual cookie sale. Proceeds from the sale, which will run through April 23, will go to the Girl Scouts' Camp Sherwood. Sheriff Frank W. Irons receives the first box of cookies from, left to right, Dianne Harshbarger and Debra Davidson.

Girl Scouts Set to Start Cookie Sale

Northern Oakland County Girl Scouts will hold their annual cookie sale beginning Thursday through April 23.

The goal this year is to sell 100,000 boxes of the three different kinds of cookies—assorted sandwich, mint and a new vanilla butter-flavored cookie. The trefoil shaped cookies will represent the different merit badges.

Camp Sherwood, the Girl Scout camp near Lapeer, is supported and maintained only by the proceeds from the cookie sale. Eighty-five per cent of the proceeds goes to the camp, 10 per cent to troop camping and 5 per cent is used for camp scholarships.

Eight boxes of cookies sold will buy a pair of tongs for outdoor cooking, 10 boxes will purchase a canteen, 24 boxes a lantern; 40 boxes a reflector oven or unit-sized water carrier, 80 boxes a small pup tent, 162 boxes a large pup tent and 230 boxes will purchase a mixer for the camp.

Thirty years ago Pontiac Girl Scouts purchased the first land for the camp. Today there are over 180 acres with some 30 buildings and frontage on two lakes.

Eleanor Roosevelt 'Not Really Tireless'

LONDON (AP)—Mrs. Franklin D. Roosevelt is not tireless after all. At the age of 74, she sometime falls asleep in company.

Authority for this is Nina Roosevelt, 16, daughter of Mrs. Roosevelt's son John.

There had ben a general impression that Mrs. Roosevelt was chaperoning Nina on their recent trip to the Middle East. The girl dispelled this in an interview at a book store where the President's widow was autographing copies of her book "Only My Own."

"Grandmama's absolutely marvelous," said Nina.

TAKES CATNAPS

"I know you think she never tires. Well, one of the reasons is that she's got the knack of falling off to sleep wherever she is, even on her feet.

"It can be awkward if she's in company. She did it in Iran and Egypt when people were talking shibble-de-hi that did not really interest her.

★ ★ ★

"I keep a very close watch. If I can catch her just as her head is nodding, one tap on the ankle is enough. But once her head reaches her chest, it takes a good old-fashioned shake.

FORGET SHE'S 74

"People forget that she's 74. They'd have her climbing any number of stairs or walking miles over cobblestones unless I put my foot down."

★ ★ ★

Nina said her own ambition is to get into the U.S. State Department's Foreign Service and have a diplomatic carer in the Middle East. To this end she is studying Arabic and Hebrew.

At this point grandma joined the group.

"You've been talking to my granddaughter?" she said. "Well in that case I guess there's nothing left to say."

Preserve Manicure

Nail polish is less likely to chip if you allow plenty of time between coats and if you do not submerge your hands in water for a few hours after finishing.

Dear Abby . . .

Beat This Fellow's System by Getting Out of the Game

By ABIGAIL VAN BUREN

"DEAR ABBY: I have a friend who never loses when he gambles. He says he's got a system and I believe it. He will play Black Jack, shoot craps and tell me in advance that he will win $500 and quit, and sure enough, that is what happens. I have watched him and cannot figure it out. Could he have a 'system' or how can this be explained?"

ABBY

BYSTANDER

DEAR BYSTANDER: Anyone who has a "system" that never fails in a game of "chance" must be getting a little cooperation. He knows something about the cards (or dice) he is handling that you don't know.

★ ★ ★

"DEAR ABBY: I am 17 and a junior in high school. I am 5 ft. 2, weigh 110 and measure 35-24-35. I have blonde hair and wear glasses. I am a better than average student and take part in many school activities. I don't dress or act loud and have plenty of nice clothes. People say I have a nice personality. Everyone comes to me for advice about mother troubles and boy friends and girl friends. You're probably wondering what my problem is. Well, I don't have a boy friend. Nobody ever asks me for a date. What can I do, Abby?"

LONESOME

DEAR LONESOME: You are doing everything possible to make yourself date bait. The problem is "the boys." They are afraid to get "involved" by asking for a date. (Expense, no car, etc.) When boys realize that there are dozens of girls (nice ones) who'd love to spend a quiet evening at home (hers) just talking and listening to records, they'll wake up and get off the dime.

★ ★ ★

"DEAR ABBY: We have been having a big discussion about something very serious and would like your opinion. What is the difference between sex and love?

THE INQUIRERS

DEAR INQUIRERS: In a nutshell: Sex is satisfaction with just anybody while Love can find fulfillment with only "the" person.

★ ★ ★

"DEAR ABBY: I am very much interested in a man who is stationed at the Navy Base where I work. He takes me out and says he respects me and enjoys my company. He asked me what I would say if somebody proposed to me. Was he kidding, I wonder? I could really love this man."

JUANITA

DEAR JUANITA: Tell him he can only find out what you'd say after you hear the proposal.

★ ★ ★

CONFIDENTIAL TO MARRIED LIFE: He may be heir-minded . . . but is he heir-conditioned?

★ ★ ★

"How can I get him to notice me?" Get ABBY's booklet, "What Every Teenager Wants to Know." Send 25 cents and a large, self-addressed, stamped envelope to ABBY, in care of this newspaper.

★ ★ ★

For a personal reply, write to ABBY in care of this paper. Enclose a self-addressed, stamped envelope.

Women's Party Wins Control in Fulton, Kan.

FULTON, Kan. (AP)—The men of Fulton thought the Ladies Citizens ticket was the funniest joke in town—until Tuesday.

That's when women won control of the town government.

The voters turned out in record numbers (total vote: 88) and elected Mabel Austin, 72, mayor. Three Ladies Citizens' candidates were elected to the 5-member City Council.

JOKE BOOMERANGED

"They (the men) were joking and kidding us about it when we first started talking about running for office," Miss Austin said. "We just wanted to show the men we could do it."

★ ★ ★

Miss Austin, a retired employe of the U.S. Internal Revenue Service, defeated Mayor Howard Post, a grocer, 46 votes to 35.

Elected to the council were Margaret Delano, who admits to being older than 70; Esther Watson, 65, and Lois Erie, 40.

★ ★ ★

Incumbent councilman Bowen Ballah withstood the feminine challenge, and the fifth council seat also will be held by a man. Just which one isn't known yet. John Clayton and Arthur Johnson tied for the job with 36 votes, and the city mothers haven't decided how to resolve the issue.

RECORD VOTE

A record vote apparently contributed to the ladies' victory.

"We had an unusually good turnout," said City Clerk Howard Coleman. "We haven't had this many voters out in history."

Fulton is 85 miles south of Kansas City on U.S. Highway 69. It has a population of 231.

Orchard Lake Women Sailors Gather

By RUTH SAUNDERS

BLOOMFIELD HILLS—At a recent tea given by Mrs. Benjamin Brewster, plans were made for the coming season of Orchard Lake Country Club Women Sailors.

Mrs. Brewster is chairman, assisted by Mrs. Walter A. Kleinert and Mrs. Howard B. Green. Also assisting will be Mrs. Eric Sommer, crew director; Mrs. John G. Slater, finances; Dee Dee Miller, prizes, and Mrs. Basil Brown, social chairman.

Sailing season will open May 22 when the group will meet at the club for luncheon.

Mrs. Edward S. Reid Jr., Mrs. Berrien C. Ketchum and Mrs. George D. Miller are in charge of the first, second and third sailing series, respectively.

Mrs. Carson Bingham is publicity director.

Mrs. Brewster left today for New York and will sail Friday for Italy for a visit with her son-in-law and daughter, Lt. and Mrs. Richard A. Jones, and their small daughter Leslie.

Mr. Brewster will join her there next month, and after a few weeks of European travel they will return home together.

Members of the Junior League of Birmingham (and Bloomfield Hills) Inc. will meet at Bloomfield Hills Country Club next Wednesday morning to hear Mrs. Harold Boenman speak on Oakland County's organization for Friends and Relatives of Retarded Children.

After luncheon at the club, several new officers will be elected. Nominated for vice presidents are Mrs. William B. Bachman Jr. and Mrs. Robert D. Seiler; Mrs. Frederick C. Booth, recording secretary; and Mary Taylor, treasurer.

New provisional members to begin training in the fall are Mrs. John Bennett, Mrs. Robert McGregor, Mrs. James Coulter, Mrs. Richard W. Miner, Mrs. Bruce Emmert, Mrs. James C. Nordlie, Mrs. Clayton Gordon, Mrs. Joseph L. Hardig, Mrs. Jon Hendrikson, Mrs. F. C. Shorey, Mrs. Peter Hoffman, Mrs. James Holmes, Mrs. Jerrain Van Tuyl, Mrs. Lawrence Williams, Mrs. Donald Parsons, Patricia Hummel, Sally Blanchard, Sarah Ann Osburn, Mary Proctor, Virginia Penrose and Jane and Barbara Underhill.

The last dance of the season for the Cotillion Club will be given Friday evening, April 17, at Bloomfield Hills Country Club.

Greeting the teenage group will be Mr. and Mrs. Ernst F. Kern, Mr. and Mrs. Glen R. Miller, Mr. and Mrs. R. Jamison Williams, Mr. and Mrs. Semon Knudsen and Mr. and Mrs. Russell Strickland.

★ ★ ★

Mr. and Mrs. Charles Gale Welch who have spent most of the winter at Montego Bay, Jamaica, and in Nassau are on their way home.

They are at present visiting their son-in-law and daughter, Mr. and Mrs. Prince de Bardeleben in Birmingham, Ala.

★ ★ ★

Mrs. John R. Davis will entertain 16 friends at luncheon Wednesday in her Lakecrest drive home. The affair will be in honor of Mrs. R. C. Cunningham Jr.

★ ★ ★

Mr. and Mrs. Holland Sperry of Chapel Hill, N.C., formerly of Cranbrook, are spending two weeks with their son-in-law and daughter, Mr. and Mrs. Jervis B. McMechan.

★ ★ ★

Mr. and Mrs. Robert H. Flint will entertain at dinner Saturday evening, April 18, to welcome Mr. and Mrs. Walter Brown who are moving to Birmingham from Old Greenwich, Conn.

Since cleanliness is the first law of beauty, the daily bath should be regarded as an indispensable feature of every woman's toilette.

LEG CRAMPS?

One of the most common causes of painful muscle cramps in legs, feet, toes, arms and hands is a prolonged deficiency of calcium. So says a famous doctor and widely-read newspaper columnist, formerly with the Mayo Clinic, and other well-known health authorities.

When meals, consistently deficient in calcium, are fortified with DYNA-CAL Calcium Tablets, tormenting calcium-deficient muscle cramps can be promptly relieved. But don't confuse DYNA-CAL Tablets with ordinary calcium-phosphorus products. DYNA-CAL Tablets contain no phosphorus which frequently interferes with the absorption of calcium. And DYNA-CAL Tablets contain a special ingredient which helps to put calcium into the blood stream quicker — bringing faster relief to cramping, calcium-starved muscles.

Pleasant-to-take DYNA-CAL Tablets with calcium, betaine hydrochloride, and vitamins D and C contain no drugs. They are safe, harmless, calcium food supplements. If you are suffering miserable muscle cramps, and suspect you are not getting enough calcium, ask for DYNA-CAL Tablets, today. Bottles of 90 tablets, $1.39.

*Other causes for muscle cramps are entirely unrelated to calcium deficiency.

Pink and White Pie Good Spring Dessert

By JANET ODELL
Pontiac Press Home Editor

Spring is the time for committee meetings, it seems. When refreshments are in order, serve this easy Strawberry Cheese Pie. The cheese layer cuts the sweetness of the filling a bit.

★ ★ ★

Mrs. G. A. Greathouse, today's cook is secretary of the Clarkston Child Study Club. She enjoys a number of leisure time activities like cards, sewing, painting and gardening.

STRAWBERRY CHEESE PIE
By Mrs. G. A. Greathouse

1 package strawberry gelatin
1 cup boiling water
1 package (16 oz.) frozen strawberries
1 package (6 oz.) cream cheese
2 tablespoons milk
1 baked pie shell

Dissolve gelatin in water and add frozen berries. Let stand until partially congealed. Beat cheese with milk until fluffy. Spread on baked pie shell. Pour gelatin mixture over cheese mixture and chill until firm. Garnish with whipped cream.

Daughters Can Get Values From Mom

By RUTH MILLETT

In rearing children a mother has to know in her own mind what is important and what is unimportant, and take a stand only on the important things.

Someone once said that the ready concession of minor points is a part of the grace of life. It's a big part of rearing children, too.

The mother who is constantly after her children to go wash their faces, come back and shut the door quietly, fold the newspaper neatly, speak more slowly, stop biting their nails, stand up straight, and on and on is wasting her breath.

The children get so used to mama's nagging commands and reminders that they make little or no impression, except to prompt them to get out of the house and stay out of hearing distance of all the do's and don'ts.

Furthermore, when mama does try to impress them with a really important pointer, the children think it's just more of mama's making a mountain out of a molehill. And they aren't impressed.

But the mother who can overlook some of the things that her children do which annoy or displease her, leave some faults to be corrected by time, is willing to settle for less than perfection in her children, can usually put across the ideas that are really important.

The children listen when she speaks, because she isn't yammering at them all the time. They take criticism in good grace if they aren't forever being criticized. They are more inclined to try to please if pleasing doesn't seem such an impossible job.

So, if you are having trouble getting your children to do what they are told, listen to the commands, suggestions and critical comments you make in the course of just one day. Perhaps you are confounding the trite with the important.

Most Teenagers Listen to Mother

Adolescent girls think mother knows best after all. Studies at Cornell University suggest that most teenaged girls tend to follow mother's directions rather than do what their friends do.

The research, carried out by Virginia S. Bersohn under direction of associate professor Harry Levin, also indicated that older girls take their mothers' advice more often than younger girls.

Unless you have a definite allergy, your skin will respond to a mild soap-and-water cleansing every day.

It looks like modern women would rather be breadwinners than bread bakers.

It's Good Therapy, Says Psychoanalyst

Go Right Ahead and Dream

By MARY PRIME

NEW YORK (UPI)—The man of your dreams can be a built-in doctor, says a psychoanalyst, Dr. Kilton Stewart.

He believes that through dreams, we can solve problems, regulate mental and physical health, aid creativity and generally let off steam.

"Dreaming is thinking while you're asleep. We take half a million snapshots with our eyes every day and build models in our minds from these snapshots. These models or images make up our personalities.

"Dreaming, therefore, represents an effort to organize the personality and keep the images from breaking up our inner harmony. If we cannot relieve tensions, we get a neurosis.

"Seventy per cent of hospitals are filled with patients with psychosomatic illnesses," Stewart continued. "Dream therapy can help them. We have proved you can dream away headaches, arthritis and warts, and can help cure cancer."

Stewart, a bearded man who does not believe dreams are wish fulfillments, has spent 30 years researching the dream life of primitive and modern societies in China, Japan, India, the Philippines, Africa, and North and South America.

★ ★ ★

Born a Mormon in Salt Lake City in 1902, he studied medicine at the University of Utah and received a bachelor of science degree there after three years on a Mormon mission and a year in Paris and Vienna, working in analytical psychology.

STUDIED ABROAD

He also studied at the Pekin Union Medical College in China, the University of Hawaii, and New York University and received a Ph. D. in anthropology from the University of London, England. He has practiced psychotherapy in Pekin, Singapore and London, and now has a private practice in Philadelphia and New York. He has written one book, "Pygmies and Dream Giants," and will have a second published in the fall.

Stewart figures we spent one-quarter of our sleeping time in dreams, or about two hours a night. Everybody dreams, as soon as he learns to talk. The higher the I.Q., the more we dream, and women dream more than men because women have more emotional energy to carry bigger emotional burdens, he said.

How can we practice good "dream hygiene?"

"Tell your dreams at the breakfast table," Stewart said. "Practice remembering your dreams. If you have an unpleasant one, redream it the next night. You can direct your dreams, and the more control you have, the better.

★ ★ ★

"It's especially important to listen to children's dreams. Not caring about a child's dreams is frustrating to him and leads to hatred, because he feels you don't care, don't want to help him. If he wants to fight or run away, tell him to do it in his dreams. If he dreams he kills his brother, tell him he is killing his bad Inner Brother so he can love his real brother better when he's awake," Stewart explained.

What do our dreams mean? Here's a sample:

"If your husband dreams he met an old girl, that's a compliment. He's discovering a more feminine force in himself which lets him appreciate your feminine aspects. He's learning to love you more.

"And if you dream your children get lost or killed, you are relieving tensions that accumulated while caring for them during the day," Stewart said.

MR. and MRS. HILAND H. THATCHER

Pontiac Couple to Mark 69 Years of Marriage

Mr. and Mrs. Hiland H. Thatcher of Cherokee road will mark their 69th wedding anniversary quietly at home this year.

★ ★ ★

Sunday will be the anniversary of that April day in 1890, when Grace Blakeslee, daughter of Mr. and Mrs. David Blakeslee, spoke her marriage vows before Dr. L. S. Stevens, then rector of All Saints Episcopal Church.

CAREER WOMAN, TOO

The young couple set up housekeeping in a double house on Mt. Clemens street. Mr. Thatcher had bought an insurance business and, while he was traveling, Mrs. Thatcher took over the office routine for him and became a career woman as well as a homemaker—a rarity in those days. She was a business partner with her husband for 29 years.

★ ★ ★

The Thatchers have been active in civic affairs throughout their lives. Mr. Thatcher was first president of the Rotary Club and one of its co-organizers. Mrs. Thatcher was an enthusiastic member of the Business and Professional Women's Club and a member of the Monday Bridge Club.

★ ★ ★

The Thatchers have been lifelong workers and members of All Saints Episcopal Church.

Fidgety Hands Are Detriment to Self, Others

Any well-groomed teenager will have well-kept hands. But does she know what to do with them?

Your hands can be smooth and soft, your nails beautifully manicured, but if you cannot use your hands in a gracefully relaxed manner, you'll find they're unattractive.

There's nothing attractive about a girl who is always picking at her clother or patting her hair. And there's nothing more annoying to watch than someone who is constantly drumming her fingers on the nearest table top.

When you're seated, hold your hands lightly in your lap, fingers relaxed, or keep one hand in your lap and the other on a chair arm. But don't fidget!

If your hands become tense and moist, squeeze them tightly into fists, then let them go limp. When you are alone, shake your hands until they become less tense.

★ ★ ★

Well-groomed relaxed hands give you a feeling of poise. If you have them, you'll forget yourself and enjoy your conversation with others.

Have Dental Work Done Early in Life

Only those who have had sad experiences themselves know that it is less expensive to have dental work done early in life.

Corrective and preventive measures for children will probably save them numerous cavities and other dental problems as they grow older.

Opti-Mrs. Club Elects Officers, Plans Installation

New officers of Opti-Mrs. Club are Mrs. Harold Davis, president; Mrs. Roland Smith, first vice president; Mrs. Orrin Huntoon Jr., second vice president; Mrs. Ray Brasch, secretary; and Mrs. Richard Wolfe, treasurer.

Officers will be installed May 5 at Sylvan Glen Country Club, with husbands as guests.

Mrs. Ralph Becker was hostess to the group on Tuesday evening at her Motorway drive home.

Edward Leland of Pontiac Area United Foundation, who is also associated with Clinton Valley Boy Scouts, spoke to the group about the 53 agencies in the foundation, national as well as local.

Assisting the hostess with refreshments were Mrs. Gay Herrington, Mrs. Roland Smith and Mrs. Pat Schooley.

Hawaii grows about 25 per cent of the United States supply of sugar.

U.S. men spend about $150 million a year for hats.

Better Not Offend Any Relatives

By EMILY POST

"Dear Mrs. Post: My son is going to be confirmed shortly and I am planning to have a reception for him at one of the social halls here in town. I intend to invite my daughter's fiance's mother and also one of the mother's sisters whom I have met on several occasions and like very much.

"My daughter's fiance's mother has three other sisters whom I know only slightly. I had not planned to invite them to the reception but my daughter thinks I should as it would be very slighting to ask one and not the others. Will you please tell me if it is necessary to invite all four sisters?"

Answer: Your daughter is right, it will be better to invite the other three sisters too. Not to do so might cause hurt feelings.

"Dear Mrs. Post: My sister was 'going steady' with a young soldier who was stationed in Germany. He sent her many lovely things from there. The young man is home now and soon will be discharged, but my sister no longer sees him as she has found someone else.

"Mother and I think she should return all the gifts she received from the first young man but she refuses to do so, saying that they were given to her and she has a right to keep them. Will you please give us your opinion?"

Answer: As your sister was not engaged to the soldier and his gifts to her cannot be considered as objects for their future home, she is right in keeping them.

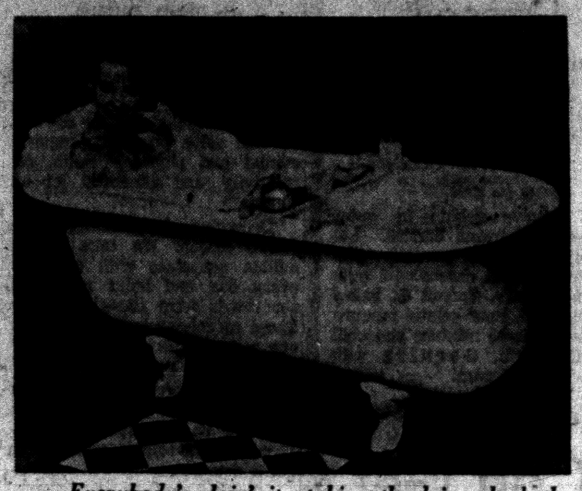

"Dear Mrs. Post: I've been married for almost two months and the marriage has not yet been announced. I am in the mid-thirties and would like to send formal announcements myself, if this is possible. My parents do not approve of my marriage and refuse to send announcements."

Answer: You may quite properly announce the marriage yourselves. The announcements would read:

Miss Mary Smith
and
Mr. Henry Wadsworth
announce their marriage
on Saturday,
the first of February
one thousand nine hundred
and fifty-eight
at Del Monte, California

Greeks Began It

Be Stylish in Daily Bath

Everybody's doin' it—taking the leisurely bath for relaxation as well as cleanliness.

By JOSEPHINE LOWMAN

Whoever took the first bath certainly started something! This business of bathing has caused a stir right down through the ages. After the splendor and artistry of the old Greeks, Egyptians and Babylonians, bathing became a fine orgy for the Romans and finally a gentlemanly delight for the Edwardians.

Later on, bathing was recognized as an obligation to society, although in the 1800s it was a subject of bitter controversy. Certain legislators were convinced that it was dangerous, that there should be laws to prohibit it. Some wit summed it up with, "Bathtubs have been used for reading, shaving, making gin and sailing boats." However, down the ages the main objective has been cleanliness and relaxation.

Even before the correlation between cleanliness and health and good looks was fully grasped, it dawned on the populace that bathing was a nicety. Word got around that ladies and gentlemen were more acceptable to society if they were clean. The first public bathtub known to exist in the United States was in a Kansas hotel.

It was a wood-lined copper tub about six feet long. Guests of the hotel were asked to register in two books—one for accommodations, the other for the privilege of taking a bath. Public tubs became an accepted part of living in many communities.

How different that is from today! The revival of the glamorous bath probably got its flying send-off from Hollywood. Movies showing beauties lolling shoulder-deep in soapsuds made bathing look like fun; and there was always the suspicion that if we did the same we might look like them.

GETTING FANCY

Why settle today for an ugly bathroom and a quick dip? Nowadays home planners and decorators speak casually of sunken tubs, contour tubs, and walls of colored stones. We are urged to dig up rare antiques to use as soap dishes or towel racks.

In some more elaborate bathrooms statuary has taken the place of the clothes hamper and tropical plants grow luxuriantly.

The idea of the luxurious bath seems to have even crept into U.S.S.R. A recent cartoon in a Soviet humor magazine shows the bather in a tub equipped with mechanical devices—one to scrub the feet, the other to scrub the head. This probably leaves the bather freeer to mull over the dangers of capitalism.

The leisurely bath today is used not only for cleanliness and as a beauty routine but is an important aid in learning to relax.

As the Code De La Toilette, a French book published in 1829, declared, "A bath produces a sort of sweet languor, an agreeable state of weakness that has a charm of its own."

Tomorrow: "To Add to Appearance, Be Kind to Complexion."

Donald Shaw Elected Head of Hoedowners

Officers elected by the Hoedowners at a dance held Saturday evening in Owen school are Donald Shaw, president; John Pritcher, vice president; Ralph Weir, secretary, and Mrs. Weir, treasurer.

Board of governors elected are Leonard Buzz, Howard Hatfield, Doris Froede and George Beauchamp.

Guests at the dance were Mr. and Mrs. William L. Dayner, Mr. and Mrs. Carl Matheny, Mr. and Mrs. Richard Wilton, Mr. and Mrs. Gerald Rood, Mr. and Mrs. Ted Hoyt and Jacqueline Rowe.

George Beauchamp was master of ceremonies.

The last dance of the year will be held April 18 at Malta Temple. Reservations may be made by contacting George Beauchamp.

Treat your suede shoes and bag to a kettle-steaming and brush cleaning, rather than suede dressing which might rub off on your ankles and hands.

About 43 per cent of American stockholders are women.

Beauty Clinic

by Edythe McCulloch

CURVES—NOT ANGLES

There are many ways to avoid the sharp angular look to make way for a graceful appearance.

Instead of walking around with your arms tensely bent at the elbow, let them fall relaxed, gently curved at elbow, wrist and fingers.

Long thin arms may be disguised by a round or slightly caped sleeve and gloves in the wrist band length. Give your arms a start and finish point. Sleeves may be cuffed or accented by braid trim and at the wrist: a pretty bracelet for balance.

Phone Edythe McCulloch Beauty Shoppe, FE 2-7431 606 Pontiac State Bank

Webster PTA Sets Dad's Night

Thursday Meeting to Include Movie, Magic Show

Webster School PTA will have its annual Dad's Night program at 7 p.m. Thursday at the school. Featured will be singing, a movie and magic acts, with fathers in charge of the work. All Webster School families are invited.

★ ★ ★

Cochairmen for the affair are Robert Quinn and Mrs. Howard Waider. James Donaldson will lead singing and Mr. Quinn will act as master of ceremonies.

Elwood Bigler has arranged for a movie on Camp Mahn-Go-Tak-See and there will be a half-hour magic show.

Passing out refreshments will be Norman Todd, Richard Frys, Dr. Gerald Walker, Raymond Wilson, Donald McMillen and Truman Autry.

★ ★ ★

Officers for 1959-1960 will be elected at the meeting.

Students at Webster will be able to buy U. S. Savings Stamps from 8:50 to 9:15 a.m. every Wednesday beginning this morning.

Beta Sigma Phi Chapter Elects New Officers

Mrs. Clyle Haskill was elected president of Zeta Eta Chapter of Beta Sigma Phi at its Tuesday meeting held at the Telegraph road home of Mrs. John Ward.

Serving with her will be Mrs. Joseph Galardi, vice president; Mrs. William Debniak, recording secretary; Mrs. Gene Richter, corresponding secretary, and Mrs. Duane LaTurneau, treasurer.

Final arrangements for Founder's Day were made, and the annual mother-and-daughter banquet was planned for May 19 to be held at the home of Mrs. Debniak.

Duplicate Bridge Winners Named

Pontiac Duplicate Bridge Club met Monday evening at Elks Temple with 12 tables in play.

Winners were Mrs. Perry Brunk, Ernest Guy, Sidney Smith, Frank Murphy, Joseph Nouse, Al Wallace and Mr. and Mrs. Frank Kennedy.

Institute Set at East Lansing for Librarians

The annual School and Children's Librarians Spring Institute will be held April 17-18 at Kellogg Center for Continuing Education, East Lansing.

Dr. Elizabeth Drews of Michigan State University, department of foundations of education, will speak April 17 on "The Role of Fantasy in Children's Readings." Talks April 18 will deal with art in children's libraries, enjoyment of poetry and books of fantasy from the past.

★ ★ ★

The event is a continuing education project of the MSU College of Education in cooperation with the Michigan Library Association.

PTA Council Plans April Events

Pontiac PTA Council held its April meeting Tuesday evening at Emerson School. Special guests were Dr. Phillip Proud and William McCarthy who explained the recommendation about child and family protection and youth assistance.

Members of the Pontiac PTA Council approved the following recommendations:

1. Child and family protection and youth assistance program.
2. To support the use of a mobile chest X ray unit in the southern part of the city.

There will be a meeting for convention delegates April 21 at 1:30 p.m. at Malkim School.

Mrs. Wayne Weaver, chairman, announced the President's Breakfast will be held April 14 at 9:30 a.m. at the First Congregational Church. Helping with arrangemnts are Mrs. Walter Hubner, reservations; Mrs. Howard McConnell, corsages; Mrs. Albert Stevens, publicity.

CONFERENCE SET

The annual spring conference of District 7 of Michigan Congress of Parents and Teachers is designed to give more than 55,000 members in Oakland County an opportunity to learn more about the working of PTA. The theme is "Let's Learn Together PTA Techniques". It will be held at Lamphere High School April 15, at 7:30 p.m.

The 42nd annual convention of the Michigan Congress of PTA will be held in Bay City April 27-29.

The next Board of Education meeting will be April 9 at 40 Patterson street.

★ ★ ★

Emerson PTA acted as host for the council meeting and the social hour that followed. Mrs. Laura Wait's sixth grade made miniature umbrellas of pastel colors to carry out the theme of spring flowers and umbrellas. Cupcakes were furnished by the Emerson Executive Committee.

★ ★ ★

Those assisting Mrs. Lawrence Curtis were Mrs. Lloyd Clancy, Mrs. Wayne Wightman and Mrs. Warren Waldbillig. Presiding at the refreshment table were Mrs. William Anderson, president of the council, and Mrs. Weaver.

All 16 Major League Managers Call Their Clubs 'Greatly Improved'

Optimism Prevails as Baseball Openers Near

NEW YORK (AP)—Unbounded optimism was the keynote today as the 16 major league managers, to a man, hailed their clubs as "greatly improved" on the eve of the opening of the season tomorrow and Friday.

MIKE HIGGINS
We Are Improved

Two of them — defending champions Casey Stengel of New York and Fred Haney of Milwaukee — stated flatly their teams should win again. Others like Bill Rigney of San Francisco, Danny Murtaugh of Pittsburgh and Al Lopez of Chicago's White Sox, said their teams "could" win the pennant.

Harry Craft of Kansas City and Cookie Lavagetto of Washington, boldly predicted their teams would win more games than they did in 1958. Paul Richards called his Orioles the best club that has represented Baltimore since its re-entry into the majors in 1954.

The most succinct comment was made by Stengel, who will be trying to nail down his fifth consecutive championship and tenth in 11 years with the Yankees.

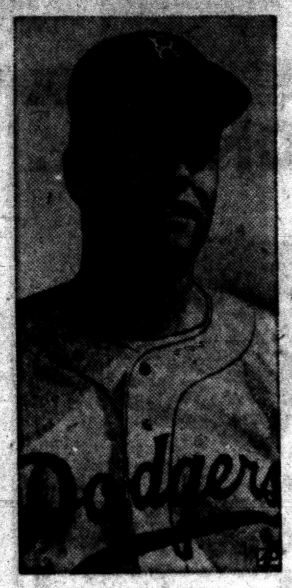

★ ★ ★

"I've got the American League by the tail," he said. "I can throw two teams at 'em if I have to. That is, I can play a right-handed and a left-handed team."

Haney's comment was equally definitive.

"We've got the best players, the best pitching," he said. "We've got the experience and the confidence. I see no reason why we can't win again."

Stengel's appraisal of the rest of the American League

WALTER ALSTON
We're Better Than 7th

notwithstanding, the seven other AL managers agreed the race will be closer this year although they concede the Yankees are still the team to beat.

Sample comment:

"The Red Sox are an improved club this spring," said Boston manager Mike Higgins, "I know the Yankees still have to be beaten. I think they can be beaten. They are only human.

"The Red Sox might do it. We have added power with Vic Wertz in the lineup. Ted Williams will be back with us and we have some good looking youngsters on the squad. If we get some help from our young pitchers we have more than a fighting chance. It looks like a great race from first to sixth. It will be close all the way."

Lopez, Chicago: "The Yankees are still the team to beat but I believe the White Sox have to be considered a chance to win the pennant. We're improved with the addition of outfielder Johnny Callison and pitcher Barry Latman and because Bubba Phillips and Al Smith are healthy again."

Bill Norman, Detroit: "I know we've improved our pitching and we've helped our infield because of the trades for Ray Narleski, Don Mossi, Eddie Yost and Rocky Bridges. I'm not changing what I've said before, I think the Tigers are good enough for the first division."

Harry Craft, Kansas City: "I think the Athletics will be a better ball club. Our aim is to reach the .500 mark. The Yankees are still the team to beat but it should be a better race because the other clubs have improved while the Yankees have more or less stood still."

CASEY STENGEL
Got the League by the Tail

Richards, Baltimore: "We have added a great deal of punch to the infield with the addition of Billy Klaus, Cico Carrasquel and the improvement of Billy Gardner. The showing of Willie Tasby makes it appear as though our search for a center fielder who can hit, run, throw and field has ended. Our pitching should be among the best in the league."

The feeling among the National League managers is that no club is going to run away with the race.

Walter Alston, Los Angeles: "I've got to think we're better than the seventh place club we were last year. Our pitching staff was shot with injuries last year. I can't help but feel it is greatly improved."

Bob Scheffing, Chicago: "We won 10 games more last year than in 19. We'll win more games this year. Our pitching is better and newcomers Earl Averill and rookie George Altman will help us in the power department."

Rigney, whose Giants finished a surprising third last year, thought his team could win "if everything clicks."

"Our strength is going to be in the fact that we'll be able to score no matter who we use in our lineup," he said. "We're much better than last year's third place finishers."

Murtaugh, Pittsburgh: "I think this team will win a pennant but I can't say if it will be this year. I know we have a good team and we have more or less of a set lineup. We've got a well balanced club with fine pitching and a tight defense. I know we're going to be all right."

Mayo Smith, Cincinnati: "If the pitching is as good as it looked the final two weeks of training, we'll be tough. Yes, real tough. That's the only 'if' on the club at this time.'"

Williams Leaving Hospital

BOSTON (AP)—Ted Williams, the amazing 40-year-old slugger of the Boston Red Sox, was due to leave New England Baptist Hospital today but when he will be ready to get into the lineup remained uncertain.

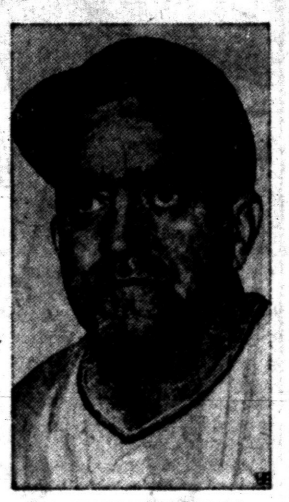

Williams has been hospitalized since March 30 for treatment of a pinched nerve in his right shoulder and kink in his neck.

AL LOPEZ
Have to Be Considered

PAUL RICHARDS
Our Pitching Is Good

DANNY MURTAUGH
Pennant, but When?

From The Press Box

A freak hotel room accident may force a change in the Baltimore Orioles' starting lineup tomorrow at Washington. Infielder Billy Klaus suffered a hairline rib fracture Monday night when he slipped on a bathroom floor and jammed his side against a wash basin. X-rays yesterday revealed the fracture.

★ ★ ★

Ross A. Jewell, 53, former official scorer for the Detroit Red Wings of the National Hockey League, died at his home in East Lansing Tuesday after an illness of five months. Jewell retired last year after 10 years as official Red Wing scorekeeper.

★ ★ ★

The first organizational meetings for the Pontiac Parks and Recreation Department's 1959 summer programs in men's baseball and women's softball will be held early next week. A meeting for baseball managers is scheduled Monday night and women's softball representatives are slated to meet Tuesday, both at City Hall.

★ ★ ★

Today's scheduled dual high school track meet at Pontiac Northern between the Huskies and Walled Lake has been postponed due to a flooded track. Northern track coach Dick Marsh announced this morning. Marsh said the meet will be held tomorrow afternoon at 4 o'clock, conditions permitting.

★ ★ ★

The Thunderbirds Motorcycle Club of Detroit will hold the area's first scramble races this Sunday at 2 p.m. at the club's new Indianwood circuit on Coats road 10 miles north of Pontiac. Competition will be held in three classes — lightweights, heavyweights and novice.

Toronto Confidently Eyes Montreal

SPORTS

JUBILANT LEAFS — Johnny Bower, Toronto Maple Leaf goalie, raises his arm in jubilation in the dressing room after the Leafs defeated the Boston Bruins, 3-2, in the final game of the semi-final playoff series. Others are (left to right) Ron Stewart, Brian Cullen, Gerry Ehman and Frank Mahovlich.

AP Wirephoto

Ehman's Goal Provides 3-2 Win for Leafs

Boston Drops 7th Game to Create All-Canadian Stanley Cup Finals

BOSTON (AP)—Toronto's deadline kids, bent on becoming a team of destiny, confidently eyed powerful Montreal today for a showdown for hockey's coveted Stanley Cup in the first all-Canadian championship playoff since 1951.

"We're going to win the whole thing," said cheer-leading Coach Punch Imlach. "I have no doubt about it."

★ ★ ★

The Maple Leafs capped their tremendous drive which has shocked the hockey world by edging the Boston Bruins 3-2 last night to capture their semifinal series which went the limit of seven games.

★ ★ ★

"When we beat the Bruins we beat the best," Imlach shouted. "Now bring on Montreal. This gang of mine is tops."

Imlach, who left a post with the Boston organization to take over as manager of Toronto a year ago, assured a dual role as coach in mid-season when the Leafs were going nowhere as the National Hockey League doormat.

★ ★ ★

Under his guidance, the club finally found itself, winning five straight games to sneak past the New York Rangers and into the playoffs on the last day of the regular season.

"We hadn't been able to put a few victories together and that winning streak did it," Imlach said. "That gave us the old confidence. Now everyone is looking for the old cup."

★ ★ ★

"People didn't think we could do it—but we knew," said veteran defenseman Allan Stanley traded by the Bruins to Toronto. "They wrote us off when we were in last place and now we've got a chance at taking it all."

★ ★ ★

Rookie Gerry Ehman, cast off by Detroit earlier in the season, provided the series' clinching goal at 17:27 of the final period to stun a packed Boston Garden crowd of 13,909.

Ehman, who eluded the Bruins while a member of Boston's Springfield farm in the American Hockey League, hit the far corner with a 20-foot angle shot for his sixth goal in the bone-jarring competition between the clubs.

★ ★ ★

Another Boston castoff, Larry Regan, scored the first Toronto goal after Vic Stasiuk had tallied for the Bruins. Leo Boivin sent Boston ahead with a solo dash in the second period. But the Leafs' Bob Pulford scored in the third period to set the stage for Ehman.

The Leafs will meet Montreal on the Canadiens' home ice in their best-of-seven series opener Thursday.

Celtics Make It Three Straight Over Lakers

ST. PAUL, Minn. (AP) — The Boston Celtics, perhaps the greatest basketball team ever assembled, were on the threshold today of a precedent-breaking sweep of the National Basketball Assn. title playoffs.

The Celts whipped the Minneapolis Lakers 123-110 here last night for their third straight victory. A repeat in Minneapolis tomorrow night would make Boston the first team in the NBA's nine-year history to win the championship series in four straight.

★ ★ ★

"Why be modest about it," smiled Celtic Coach Red Auerbach, "this is a great team."

He got no argument on that from the Lakers after the Celtics breath-taking show of power last night.

There was glory in it for all of the Celtic reliables but especially Bill Sharman, Bob Cousy and Bill Russell.

Sharman, the 32-year-old mechanical man, flicked six foul shots in as many tries and thus ran his consecutive free throw mark to 56, breaking the NBA record of 55 he set three years ago.

★ ★ ★

Sharman started the string in the first game of the Eastern division playoffs against Syracuse and hasn't missed since. "Its a tremendous performance under pressure," said Auerbach.

Cousy once more was the whirlwind playmaker, steering the Celtics fast break with spectacular dribbling, passing and headwork. And he found time to bag 23 points, second only to Tommy Heinsohn's 26 for the Celts.

★ ★ ★

"Cousy never ceases to amaze me," said Laker Coach Johnny Kundla. "He had 19 assists and played like a demon. Maybe I've seen him look better once before, but I can't remember exactly when it was.

★ ★ ★

"For all that, I think it was Russell who beat us. We just can't do anything about that man. He's all arms. We'll see them in our sleep. He grabs that ball off the board, wings it to Cousy and Boston has got three men breaking against our one back before we know what hits us."

Russell hauled in 30 rebounds, bringing his total for the three games to 88.

BOSTON	G	F	T	MINNEAPOLIS	G	F	T

Hockey's Senior Referee Quits After Criticism

Red Storey Resigns

BOSTON (AP) — The National Hockey League was minus its senior referee and had another unhappy arbiter on the payroll today with Montreal and Toronto set to meet for the Stanley Cup, emblematic of the world's championship.

Red Storey, who has spent nine years as a whistle-tooter in the rugged league, quit yesterday because of criticism from NHL brass. Storey walked out shortly before the Toronto-Boston windup and was replaced by Eddie Powers.

★ ★ ★

Several hours after Toronto edged the Bruins 3-2 to gain the championship series against Montreal, Powers backed Storey to the hilt.

"I'm 100 per cent behind Red," Powers told The Associated Press. "Red is 100 per cent right in this deal. The front office has not backed up the officials this year. We don't work under an ideal situation. Let the record this year talk for itself. There has been criticism of our work and nothing has been done about it."

★ ★ ★

Storey, unnerved by criticism of his officiating in last Saturday's Montreal-Chicago playoff game, resigned and flew home to Montreal.

"I'm sick," Storey said. "This thing is like a three-ring circus and the officials are being made the clowns."

NHL President Clarence Campbell was quoted by an Ottawa writer as saying that Storey "froze" as Montreal edged Chicago 5-4 on a goal with a minute and a half remaining for a berth in the championship round.

The basis apparently was Storey's refusal to call two alleged tripping infractions by Montreal when the score was deadlocked at 4-4.

"No penalty was called for," Storey said. "Both Chicago players deliberately took dives (looking for a Montreal penalty). The ice was so soft that even the officials were falling down."

Campbell called Storey "a good referee" and expressed regrets that Red had resigned.

"If I said I blasted him for his officiating in Chicago it's far from the truth," the league president said. "I told him he called a good game for 55 minutes."

Detroit Keglers Still in Charge

No Team Appears Able to Overhaul Pfeiffers in ABC Tournament

ST. LOUIS (AP)—The Detroit Pfeiffers have been on top of the American Bowling Congress tournament since Feb. 25, and it's beginning to look as though no team is going to catch them.

Another array of challengers fell yesterday. The best score in the open team division was the 2,985 rolled by the George London Bowling Shirts of Mineola, N.Y. This wasn't even good enough for a place in the top 10. Frank Varipapa paced the Mineola quintet with a 667 series and his famed father, Andy, rolled 544.

The Pfeiffers lead the race for the major title of the tournament with a record high 3,243 series.

Best of today's challengers appears to be the Southwest Sports Center of Dallas, Tex., led by 20-year-old Jimmy Carman. Carman gained bowling prominence two years ago when he won the qualifying trophy of the masters tournament.

A bright spot in yesterday's play was the 287 game rolled by Richard McClintock of Macomb, Ill. It was the fourth highest game of the tournament. Three bowlers have rolled 289.

McClintock's score came in the doubles, but he and his brother, Roger, had a total of only 1,137, far off the pace of the top 10.

Plans Weekend Stay

Cronin to Watch Tigers

DETROIT (AP)—Joe Cronin, new president of the American League, will attend the opening game at Briggs Stadium Friday between the Detroit Tigers and the Chicago White Sox.

Cronin and Joe McKenney, new head of the league's service bureau, will remain here through Sunday and watch the entire three-game Detroit-Chicago series.

★ ★ ★

The Tigers have not had an opening day visit from an American League official in more than a decade.

"We are honored that Mr. Cronin has elected to visit Detroit for our opening series," said Harvey M. Sisson, Tiger executive vice president. "It will be his first appearance in Detroit since he was elected president of the American League and we hope he will visit Detroit often."

Cronin, former field manager and general manager of the Boston Red Sox and field manager of the Washington Senators, succeeded Will Harridge as president Jan. 31. He was a star shortstop in his playing days and was elected to the Hall of Fame after his career ended.

125 Golfers Play in Greensboro Meet

GREENSBORO, N.C. (UPI)—A parade of some 125 professional and amateur golfers will tee off here tomorrow in the $15,000 greater Greensboro Open Golf Tournament, including Art Wall, the new Masters champion who will be looking for his fourth big win of the year.

The 22nd annual Greensboro will be played over the Starmount Forest Country Club par 71 layout, with the front side calling for a 36 and a back side 35. The course record on the 6,630-yard spread is a 62 held by host pro Charlie Farlow.

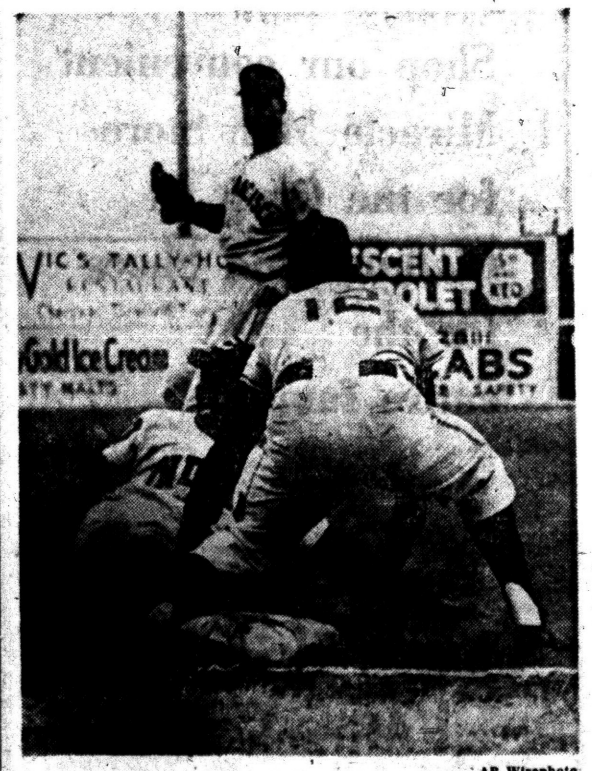

Back again will be the incomparable Sammy Snead, six-time tourney champ who ran off of the money in the Masters last week at Augusta, Ga.

Raiders to Play 9-Game Schedule

DETROIT (AP)—The Detroit Raiders of the Canadian Professional Football League today announced a nine-game schedule for 1959.

The Raiders, coached by ex-Detroit Lion star Gus Cifelli, will open at the University of Detroit Stadium Aug. 22 with a charity battle against the Sarnia (Ont.) Golden Bears. The Sarnia team is coached by Fran Rogell, former Pittsburgh Steeler back.

The other home games will be held Sept. 19, with the Kitchener Dutchmen furnishing the opposition, and on Oct. 16 when the Raiders meet the London (Ont.) Lords.

AP Wirephoto

TAGGED BY A GIANT — Cleveland's Vic Power is tagged at third base by San Francisco Giant Jim Davenport in their exhibition game at Des Moines, Iowa, yesterday. Giant pitcher Johnny Antonelli watches. The Tribe scored three runs in the 9th inning to win, 3-2.

Hopeful Bengals Bid Florida Adieu

Detroit Record in Exhibitions Best Since '53

Tigers' 28-Man Squad Due to Arrive Home This Afternoon

LAKELAND, Fla. (AP) — Hopeful and hearty, the Detroit Tigers break camp today to head for home and the start of the American League season in Briggs Stadium Friday.

The Tigers were due to hop on a chartered plane leaving here in time to arrive at Willow Run Airport this afternoon.

Manager Bill Norman, who left yesterday by way of St. Louis, was scheduled to get into Detroit about the same time.

Like the Tigers' Grapefruit League record, the manner of the trip home was on the historic side.

★ ★ ★

Detroit's 13-10 record for exhibition games was its first winning performance in spring play since 1953.

The non-stop trip home marked the abandonment of the traditional playing trip of one-day and half-day stopovers via train in a continuance of the exhibition season.

The Tigers, like other Major League teams this year, gave all that up on grounds that it didn't pay off financially and couldn't help much in conditioning.

★ ★ ★

The team will go through its last practice tomorrow morning in tuning up for the opener Friday with the Chicago White Sox.

Barring unexpected changes, Jim Bunning will start for Detroit against Billy Pierce of the Sox. Starting time is 1:30 p.m.

Except for pitcher Bill Hoeft's sore knee, the Tigers all appeared in top form as they waited to start the drive aimed at a first division finish.

Hoeft came up with the sore knee over the weekend. It wasn't fully explained.

But judging at least from his excellent showing in spring games, Billy's two-year-old sore shoulder may be repaired.

Norman, in one of his last acts in spring camp, cut the squad down to the legal 28-man traveling limit by disposing of two men, Don Lee and Earl Hersh.

Doesn't Want to Go to Charleston

Tigers Have Lee 'Confused'

LAKELAND, Fla. (UPI)—A very confused Don Lee, tagged for stardom three years ago and seemingly on the verge of making it this year, is washed up with the Detroit Tigers and he can't figure out why.

The husky 6-foot, 4-inch right-handed son of ex-Chicago White Sox lefty Thornton Lee, sat at Tigertown today while the Tigers flew back to Detroit for their Friday American League opener against the Chicago White Sox.

General manager Rick Ferrell told Lee and infielder-first baseman Earl Hersh to stay at the Minor League base until he could figure out what to do with them. They were dropped to set the roster at the 28-man limit.

"I don't want to go back to Charleston," Lee said. "I think I can pitch for a Major League team. There are at least four or five teams that need pitching and I think I could help them."

When Lee was signed three years ago, former Detroit general manager John McHale called him a "can't miss" pitcher. This spring, Lee has been in manager Bill Norman's doghouse.

Since all three of Lee's options have been used, he is almost certain to be lost to Detroit despite the fact that the other major league clubs have waived on his return to the minors. Ferrell wouldn't confirm that they were so-called courtesy waivers; whereby the club will pass up the player in return for a similar favor at some future date.

With so many clubs so desperately in need of pitching, Lee said he didn't see why he couldn't be with one of them, but he added, "they have ways of getting around those waivers, and a ballplayer doesn't have a chance.

★ ★ ★

Lee has a good minor league record. He was 7-3 in his rookie year for class "A" Augusta but fell victim to tonsilitis in 1957.

McHale called Lee a hypochondriac since he spent a lot of time in the training room. Finally his tonsils were taken out in midsummer and found to be dead.

★ ★ ★

"That was the reason for the bad season," Don said. "I wasn't then nor have I ever been a hypochondriac. I think my record last year proves that."

★ ★ ★

Lee bounced back from the tonsilectomy to win 14 games for the American Association champion Charleston senators against seven defeats. He had a top-notch 2.95 earned run average and good control. In 226 innings he walked only 70 men.

But this spring he got the cold shoulder.

★ ★ ★

"Just because I live in Arizona they seem to think I can come right into camp and hum the ball on the first day. I worked the afternoon shift during the winter and didn't have anyone to pitch to in the morning when I was free," Lee said.

★ ★ ★

"When I got to Lakeland it was cold and my arm stiffened up a bit. When I got my contract during the winter Rick wrote and told me to consider myself a regular, but then they only pitched me seven innings in "A" games in six weeks. I pitched on March 13 and Norman chewed me out for not throwing hard enough. Then he didn't pitch me until three weeks later."

★ ★ ★

Disposition of Lee and Hersh will have to be made by midnight tomorrow. The Milwaukee Braves, from whose system Hersh was drafted, want him back. He'll return to the Braves unless Detroit can swing a deal. If Lee goes back to Charleston he'll be subject to the draft for $25,000. Detroit can't keep him unless all the other clubs pass on him and with his Minor League record, that isn't likely.

CONFUSED — Don Lee, who has been trying to get into the majors for three years as a pitcher with the Tigers was upset over being cut by Detroit. He says he does not want to go to Charleston and figures he can pitch major league ball. There was no decision as to what the Tigers will do with Lee who was left behind as the team made the trip to Detroit today.

Grid Drills Monday

MSU Has 8 QB Hopefuls

EAST LANSING (AP) — Michigan State will have eight quarterback candidates running around when spring football practice opens next Monday.

But it's likely that none of the eight will be running the team by the time the Spartans get into play this fall.

Top choice for signal-caller is Dean Look, the senior left half from Lansing.

Look, who already has turned down a reported $50,000 pro baseball offer, is out with the baseball team this spring and won't get into football togs until the fall workouts. He hit a fancy .394 in the southern training trip.

★ ★ ★

Look was leading MSU groundgainer with 328 yards last season and leading scorer with four touchdowns.

He had some high school quarterbacking experience but never has run the team at Michigan State.

Lack of a take-charge quarterback was one of the main reasons for the sad five lost, three won, one tied record last year.

★ ★ ★

Coaches started out with Mike Panitch, the stubby senior who was handicapped by lack of height. Panitch got the call the first four games.

Coaches next switched to Greg Montgomery, a junior converted from end. Tommy Wilson, a sophomore, then was given a try.

The reshuffling of signal-callers became more frantic as the Spartans continued losing. Larry Bielat, Jim Chesney and Ike Grimsley all were given a shot at running the team but coaches never did come up with what looked like the right answer.

Montgomery, Wilson, Bielat, Chesney and Grimsley all will be back this spring. Added starters at the position will be three new recruits from the freshman ranks, eligible as sophomores by the fall.

Coaches will take a long look at the three—Leroy Laudermilk, Paul Hrisko and Don Stewart.

But the long range plan is to look to Look to pull the Spartan football fortunes up again this fall.

Lightweights on TV

CHICAGO (AP)—Eddie Perkins of Chicago and Paulie Armstead of Los Angeles, a pair of young lightweights hoping to earn a shot at champion Joe Brown, clash tonight in Chicago Stadium.

The 10-round bout will be scored under the five-point-must system and televised by ABC, 10 p.m. EST.

Druggists Win Cage Title

Drayton Drug nailed down the men's Waterford Township Recreation League Class A basketball championship last night at Crary Junior High with a thrilling 56-54 sudden-death overtime conquest of Johnson & Anderson in the finals of the annual post-season playoffs.

Bob Pickett's field goal in the final 32 seconds of the second overtime period brought Drayton its hard-earned victory after the two teams ended regulation play at 52-52 and were 54-54 following the first extra session.

The Druggists also won the Waterford loop crown in the regular season schedule to make a clean sweep of "A" honors. The Waterford Faculty previously annexed both the regular season and playoff titles in the Class B circuit.

Drayton's Lynus Grant and Mike Ashley of J&A matched baskets in the first overtime period to set the stage for Pickett's game-ending fielder in the sudden-death stanza.

The Drug quintet led at halftime, 31-23, and had a 10-point lead early in the 3rd quarter, but the J&A cagers rallied strongly to tie the score at 48-48 with 2:15 left in the game.

J&A took a four-point lead in the last 40 seconds, but Drug bounced back to deadlock the count and Morey Larson missed a chance to end the game in regulation time by missing a foul shot after the clock had run out.

Pickett scored 16 points, 10 in the 2nd half, and Grant added 10 to lead the Drayton offense. Doug Treais led J&A's well-balanced attack with 10 points.

Defending Champ Wins in Handball Tournament

LOS ANGELES (AP)—Defending champion John Sloan of Chicago defeated Oscar Obert of New York 21-9, 21-5, in the quarter-finals of the National Handball Assn. tournament Tuesday.

★ ★ ★

In other matches, Paul Haber of San Jose, Calif., defeated Joe Galante of Bakersfield, Calif., 21-9, 21-16; Vic Hershkowitz of Brooklyn defeated Walt Cryer of Chicago 21-10, 21-6, and Bob Brady of San Francisco defeated Phil Collins of Chicago 21-20, 19-21, 21-12.

Holland Joins New League

HOLLAND (AP) — Holland High School has joined the new Lake Michigan Athletic Conference, now a six-member Class A high school league.

The league was formed by members of the defunct Southwestern Conference, plus Traverse City of the Arrowhead Conference.

★ ★ ★

Officials agreed to five conditions laid down last night by Holland principal Jay Formsma and athletic director Joe Moran.

Contained in a resolution, the conditions sought:

1. Unanimous approval of members schools on the league constitution; 2. Unanimous approval of members for admittance of new schools; 3. Arrangement of suitable schedules for junior high high school athletic contests; 4. Development of suitable athletic schedules so that competition with the largest schools in football be separated by at least one playing date, and, 5. Approval of Holland High School on any deviation from the preceding articles.

The new league also includes Grand Haven, Benton Harbor, Traverse City, Muskegon and Muskegon Heights.

Officials of the six schools are scheduled to meet again April 20. Tentative league competition starts in the 1960-61 season of basketball. Football competition is set for a start in 1961.

New Speedway Out of Racing

DAYTONA BEACH, Fla. (AP)—The Daytona International Speedway is so fast it is already out of competitive racing for speedway type cars after its first race—and two deaths.

Bill France, president of the speedway, said yesterday the extremely high speeds of a 100-mile race Saturday prompted track officials to conclude that race car engineering and driver know-how are not ready for this modern racing plant.

Jim Rathmann of Miami won the 100-miler at an average of 170.262 miles an hour—a world record for a closed course speedway.

France said the 250-mile stock car race is being moved here from Raleigh, N.C., and a speedway car race may be held at Raleigh in its place.

Want Money for Stadium

WASHINGTON (AP) — The Air Force was asked Tuesday to approve a three-million-dollar fund raising campaign to build a 40,000 seat stadium on the Air Academy site northwest of Colorado Springs, Colo.

The request was presented by Denver oilman Jack E. Manning, president of the Air Force Foundation, and W. J. Kirn of Colorado Springs, treasurer.

Bisons in Cup Finals

BUFFALO, N.Y. (AP) — The Buffalo Bisons looked forward today to their first final Calder Cup playoff berth in five years after eliminating Rochester 3-2 last night. The Bisons won the best-of-seven American Hockey League semifinal competition 4-3.

7 Teams Dueling at Land-O-Lakes

Few bowling leagues can match the tight standings of the 10-team Waterford Eagles loop which competes weekly at Land-O-Lakes.

Don Coffey's Garage is 1st with 61 wins, Surplus Lumber has 59½, Pabst has 59, Frenchy's Landing 57, Lakeland Glass 56, White Swan 54 and Drewry's 53.

Three others are out of the running with play continuing through May 7.

Oklahoma Adds Navy

NORMAN, Okla. (AP)—Oklahoma has added Navy to its 1965 football schedule Coach Bud Wilkinson announced yesterday.

The Middies will play at Owen Field Oct. 2, Wilkinson said.

JUNIOR WINNERS — The Waterford Knockers won the district version of the Mailographic Handicap Bowling Tournament staged each year by the American Junior Bowling Congress. They hit 2956. Seated, left to right, are Gary Kulich and Jim Patterson. Standing, left to right, are Tom Holtsley, capt. Bob Scott and Jerry Caldwell. Patterson's 584 and a 226 by Scott topped the tourney.

11th Frame

By CHUCK ABAIR

The official beginning of Pontiac's 700 Bowling Chapter could turn out to be the greatest thing that has ever happened for the sport in this sector.

This writer learned first hand at the charter banquet that this was no group just out looking for the prestige which goes with having rolled a 700. These star keglers want to improve the game on the local level in every way possible.

One major move in the right direction which could someday come about if this organization got behind it would be the establishment of a Pontiac Bowling Association. Bowling has grown too fast in this sector to continue forever under the present setup of having to check with Detroit every-time something comes up.

Many more advantages for keglers are expected to be established by the local unit of the national chapter which numbers over 11,000 members. Ironically, 200 of those members are from Detroit, yet the Motor City does not have its own organization.

The Chapter 31 boys have already set up a tournament for their 57 members to be held April 26 at West Side Recreation. It will be an annual affair at different alleys.

Future plans call for the representing of Pontiac in big events on the national, state and regional levels which will boost this sector as a bowling hot spot. There will also be the possibility that such major tourneys could be brought to this area someday.

It's over a year away but the Pontiac men have started making plans for entering a big 32-man squad in the huge Peterson Classic at Chicago June 18, 1960.

★ ★ ★

Organizer Clark Balch, the secretary, and top officers Bill Bull and Jay Lovett are hard to beat as terrific workers for the good of bowling. With all-out cooperation from the proprietors and everyone else concerned this group could go a long way.

SKIPPING AROUND

Monroe Moore of Auburn Lanes is picking up some valuable experience as a sub on Ed Lubanski's Pfeiffers team. That's equal to a rookie getting a shot with the Tigers. . . . Joe's Coney Island (Automotive) and Mercy Ambulance (Catholic Women) lead by only ½ point.

★ ★ ★

Jim Long, a former local keg and baseball star, paced the 15th Infantry bowling league in Germany with a 176 average and starred in a tourney at Garmisch. He competes in a meet at Wurzburg this week . . .

Add scores: M. Young 241 (Cooley), Mrs. Donna Grissom 264 (Walled Lake), Jim McHone 156 triplicate (Pontiac Motor Inter-Office), Leo Spalla 647 (Hazel Park).

Ike's Substitute

Nixon Is 'Relief Pitcher'

WASHINGTON (UPI)—The first "relief pitcher" of the 1959 baseball season — Richard M. Nixon.

The Washington Senators baseball team announced yesterday that vice-president Nixon will substitute for vacationing President Eisenhower in throwing out the first ball at tomorrow's opening game of the baseball season here between the Senators and the Baltimore Orioles.

It will be the first "pitching assignment" for Nixon, a baseball fan who attends games several times a year.

Once before, in 1953, Nixon had been slated to sub for Ike. But the opening game was rained out and the president himself was on hand for the delayed inaugural. This time Ike is on a golfing vacation in Augusta, Ga.

Mr. Nixon's wife, Pat, and daughters Patricia and Julie plan to accompany the vice-president to the game.

State Matmen Best Touring Japanese

YPSILANTI (AP)—An all-star Michigan wrestling team got the better of a touring Japanese team last night. The Michigan team won four of the nine matches, lost three and tied two.

★ ★ ★

The Japanese are in the United States to compete in the National AAU tournament at Stillwater, Okla., later this month. They appear in an exhibition at Lansing tonight.

★ ★ ★

Kenji Shigeska, Japanese heavyweight, was injured in a match with Ken Mardlow of Michigan State and was forced to forfeit. Earlier he wrestled to a draw with Mal Rasmussen of Eastern Michigan.

Zora Folley Defeats Besmanoff in Denver

DENVER (AP) — Third-ranked heavyweight Zora Folley is looking overseas for his next opponent after dusting off willing Willi Besmanoff in a 10-rounder last night.

★ ★ ★

Manager Bill Swift said today he wants Folley to meet next Britain's Henry Cooper, who marred the Chandler, Ariz., stylist's record on a referee's decision last October in London.

★ ★ ★

Folley won a unanimous decision from the two judges and referee. He weighed 194 and Besmanoff 198.

★ ★ ★

Some in the Coliseum crowd of 3,975, who paid a gross gate of $15,884 started booing for action in the seventh and eighth rounds. Folley stepped up the pace in the ninth and capped the fight with his furious closing attack.

RIFLE FOR LEFTIES — The new Savage 110 left-handed rifle (foreground) is the first hunting rifle ever made in quantity for left-handed shooters. There are an estimated 1,000,000 southpaw hunters. Conventional right-handed rifle is in the background.

Along the Outdoor Trail

With H. GUY MOATS

Outdoor Editor, Pontiac Press

Ice, Snow to Delay Smelt Runs

Early April Is Usual Time for Big Migrations

Lingering Effects of Cold Weather Prevent Desired Temperature

LANSING — Spring's lingering mementoes of winter — ice and snow — may very likely delay the beginning of smelt spawning runs this year.

Upstream smelt migrations begin when water temperatures rise to about 40 degrees which generally occurs in early April. However, since these two persistent agents of winter influence water temperatures it appears that fishermen will have to wait longer than usual to try their luck.

Dipping success in past seasons indicates the most rewarding smelt streams are those which flow into the northern third of Lake Michigan, including the Green Bay region. Second best are the streams and cuts that drain into Saginaw Bay.

Improved dipping results have also developed in streams along the southwestern part of the state and in those bordering the northeastern portion of the Thumb.

Prospects for the approaching season are bright. The commercial catch in 1958 — more than 6,000,000 pounds — was the largest ever recorded, pointing to the tremendous populations in the Great Lakes.

The Conservation Department suggests that fishermen supplement their standard assortment of wash tubs, dip nets, lanterns and other paraphernalia with county maps.

Often many small streams are overlooked in favor of the larger, more congested ones; by checking their maps fishermen can move to new streams and quite likely improve their smelt take.

It is also suggested that, where possible, fishermen control dipping by observing lights-out periods to encourage smelt to continue their upstream runs.

Hand nets not more than five feet in circumference may be used to dip smelt in designated waters from March 1 to May 31. Lists of these waters are available from the Department's Lansing office or from its field district headquarters.

SMELT TIME SMILES—Fishermen equipped with dip nets, pans and wash tubs, will soon be making their once-a-year mass migration to many of Michigan's streams. Cause for the excitement is the annual smelt runs which normally reach their peak early in April. Season runs from March 1 to May 31. Last year the commercial smelt catch was more than 6,000,000 pounds.

At Last—Rifles Made for Southpaw Hunters

The first left-hand rifle ever offered southpaw hunters has been introduced by Savage. A combination varmint and big game rifle, it is made in .243, .270, .308 and .30-06 calibers.

People who are naturally left-handed have, up to now, had just three choices: learning to shoot right-handed; using a pump, lever or auto-loading rifle; or doing a contortionist act by operating the standard bolt from the left shoulder. It is estimated that perhaps a million hunters face this problem now.

Like the mythical left-handed monkey wrench, left-handed hunting rifles have never before been made by any major arms producer. Some custom gunsmiths, however, have catered to the market by converting standard rifles to left-hand operation.

Because the conversion is a difficult one, custom jobs are very costly and require the additional expense of restocking. Thanks to mass production, the new rifle has a small purse-bite . . . only a few dollars more than the standard right-hand model.

Learning to shoot right-handed is no more easy for a southpaw than for Warren Spahn to throw like Bob Turley. Furthermore, some righthanded persons have a master left eye resulting in a natural tendency to want to shoot from the right shoulder using the left eye. In fact, a few rifles have been custom stocked for this purpose.

Their only solution is to learn to shoot from the left shoulder, thus forcing them to become southpaws against natural inclination.

Using a pump, lever or autoloader also has some disadvantages. They usually eject empty cartridges past the nose of the lefty.

Most have a right-hand safety which is very difficult to operate from the left side, and some are not adaptable to scopes. But, and likely this is the chief consideration, bolt action rifles are potentially more accurate, a vital factor when precise long-range shooting is required.

Operating a standard bolt action rifle from the left shoulder is usually awkward and cumbersome. Admittedly, however, some lefties have become very proficient by sliding the left hand across the rifle and hooking the bolt handle with the thumb. But the use of a telescope sight makes this virtually impossible, and scopes are here to stay.

Springers Hold Trials

The Southern Michigan Springer Spaniel Club is holding its annual licensed Field Trial Saturday and Sunday April 11 and 12, at Pontiac Lake Recreation Area. The stakes to be held are puppy, novice, shooting dog, and open-all-age. Anyone interested is invited to see this top performance in the field.

Restrict Food at Lake Areas

Pontiac Lake One of 4 Sites to Curtail Food on the Beach

LANSING—Picnicking will not be eliminated in four state recreation units, contrary to several reports following Conservation Commission action last week restricting food and beverages at these sites.

Parks division chief Arthur C. Elmer explained the restrictions do not ban food and beverages but merely designate areas within the units where they will be prohibited.

Purpose of the restrictions is to curtail littering of beaches, prevent accidents and rowdyism and to relieve the policing chore placed on park staffs at the expense of other duties.

According to the regulations, food and beverages of all types will be prohibited in specified beach areas of Grand Haven and Holland parks and Pontiac Lake recreation area, while alcoholic beverages will be excluded in the beach areas at Dodge 4 park.

All four units experience heavy use, each recording 1,000,000 visitors annually.

Babies All Alike

The armadillo, our strangest mammal, is notable for having litters of four identical young — all of the same sex.

Multi-Lakes Meeting

The Multi-Lakes Conservation Association will hold its membership meeting April 15th at the club on Newton Road in Walled Lake.

Dennis Haver, big game hunter and fisherman, will be the guest with outdoor film to be shown.

TAKES HONORS — Farmer's Flak, handsome white and orange pointer owned by J. S. Farmer kennels of Pontiac, took hig field trial honors at Indiatown Gap, Pa., last weekend by capturing the $1,500 stake. The 5-year-old champ is handled by trainer Fred E. Bevan of Waynesboro, Ga.

OCSC Riflemen Winners Over Lincoln Park

The Oakland County Sportsmen's Club rifle team defeated Lincoln Park in a dual shooting match at the Lincoln Park range.

OCSC's five leading gunners shot an actual score of 952 and a handicap total of 1,015 compared to Lincoln Park's 928-994.

Bob Carlson took handicap honors for the OCSC shooters with 210 while Neil Newman was the actual leader on 193. Jim Gurd was tops for the Parkers in both categories with 189-202.

The scores for the OCSC's top five riflemen were: Neil Newman, 193-200; Don Postma, 192-201; Cash Bond, 191-202; K. Danielson, 191-202; Bob Carlson, 185-210.

Remaining OCSC scores were: M. E. Guy, 183-199; M. LaPorte, 180-194.

Paint Adds Life to Boat

NEW YORK — Giving your boat its Spring coat of paint can mean years of added life and beauty for the boat.

Here are some suggestions about putting a fine finish on your boat from the current (April) issue of the Ziff-Davis magazine, Popular Boating:

★ ★ ★

Any surface that is to be painted must be carefully prepared beforehand. Screw holes should be filled, splinters, gouges, roughness leveled and sanded; loose paint removed; and hull washed down if you are near the sea and salt could have worked into seams.

Temperature, indoors or out, should be between 40 and 80 degrees when you paint. Humidity should be less than 65 per cent.

On raw wood, apply a primer or sealer first. Take care to work it into all seams. Sand the surface when dry, and apply a second sealer coat. Sanding is done after every coat, with a fine garnet paper used before the final finish coat.

The most delicate job is applying the anti-fouling bottom paint that repels marine growth. Get right down to the bare wood.

'Jack' Really a Hare

The "jack rabbit" of America is really a hare. This animal — more correctly called the prairie hare — is famed for its "spy hops," when it leaps several feet into the air to get a view of the surrounding landscape.

Solunar Tables

The schedule of solunar periods, as printed below, has been taken from John Alden Knight's solunar tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

	A.M.		P.M.	
	Major	Minor	Major	Minor

German Pointer to Hold Trials

The German Shorthaired Pointer Club of Michigan will hold its annual Spring Field Trial at Highland Recreation Area, Saturday and Sunday, April 11-12.

Bob White quail will be used in the puppy stake and pheasants will be released and shot in all other stakes.

Raymond McCabe of Urbana, Ohio and Roy Hiller of Detroit will judge the Gun Dog and Open All Age stakes. Lance Spencer of Detroit and V. V. VanDivort of Toledo will judge the Puppy, Derby and Limited All Age stakes.

Entries may be obtained from club secretary Floyd Breaugh in Birmingham, MI 4-7470.

Rental Fee Approved

LANSING—Marina owners, operating on the Great Lakes, will pay an annual rental fee equal to 10 per cent of the leased, submerged lands' value.

★ ★ ★

The rate was approved by the Conservation Commission during its final adoption of proposed rules and regulations governing administration of the Great Lakes Submerged Lands Act.

Togetherness Binge: 61 Sip One Milkshake

SAN FRANCISCO (AP) — State College students here, hoping to put an end to such shenanigans, went on a one-hour togetherness binge Tuesday with these results:

Eighteen students piled atop a two-wheel motor scooter; 29 oozed into a bathtub; 61 girls drank from the same milkshake container at the same time — with straws.

Oh yes — the telephone booth. A bunch tangled themselves inside but nobody bothered to count 'em.

Big Short Wave Link to Cost $18 Million

KARACHI, Pakistan (AP) — Plans have been completed for the world's longest ultra-short wave radio network linking three Asian capitals of the Baghdad alliance.

★ ★ ★

The 3,000-mile communications chain will connect Karachi, Tehran and Ankara. The U.S. government will pay the bill—$18,370,000.

A working party of representatives from Iran, Pakistan, Turkey, Britain and the United States, meeting here Tuesday, fixed 1961 as target date for completion of the project.

★ ★ ★

Five engineers from each of the three Asian nations will attend a three-month course in the United States to learn the system involved in the project.

The nation's refrigerated warehouse capacity is estimated to be large enough to form a corridor 20 feet wide and 8 feet high and stretching 1,066 miles.

How County Voted

Here are the Oakland County returns in Monday's biennial spring election, with all 295 of the county's precincts reporting. Totals are unofficial pending the vote canvass.

To qualify as a supermarket, a food store must have at least four departments — meat, produce, dairy and self-service — and an annual sales volume of $500,000.

Hollywood Headlines

'Sergeants' Type Comedy Bought From Book Proofs

By LOUELLA O. PARSONS

HOLLYWOOD — "The comedy element that made 'No Time For Sergeants' such a hit," Mervyn Leroy said, "is what prompted me to buy 'Wake Me When It's Over' from the galley proof."

Mervyn told me this at the Adler party and added that the book will be brought out by Putnam and is by Howard Singer.

At the Academy Awards Monday night Maurice Chevalier, who received a special award, was with Sophia Loren and her husband, Carlo Ponti.

★ ★ ★

The news then came out that he will play opposite Sophia and John Gavin in "Olympia," the Ferenc Molnar play which will be produced by the Ponti-Girosi company June 1. That's an international cast—Sophia, Chevalier and Gavin—Italian, French and American.

I am glad that Maurice received a special award—he deserves it!

★ ★ ★

One appointment Ingrid Bergman will keep in New York is with Sol Siegel, who flew east right after the Academy Awards to talk with her and with Joe Vogel, head of MGM.

Debbie Reynolds, her mother, and the children paid me a visit. Todd looks exactly like Eddie Fisher. He is a smiling, happy baby and Carrie Frances is a darling and looks like her lovely mother.

Kathryn Grant had just arrived in Michigan when she telephoned me. She said she was afraid the news of her expected baby would get out and because she had denied my original story printed Jan. 20, and she wanted me to know first. "After all," she said, "you had the first story about Harry Jr."

★ ★ ★

Princess Pacelli, niece of the late Pope Pius VII, who does such an outstanding job for Boys Town of Italy, was guest of honor at a tea given for her by Mrs. Bob Hope.

The princess' daughter is traveling with her. She feels Boys Town is a potent weapon against Communism because the homeless boys are trained in the right way of thinking and are given love and care.

★ ★ ★

Snapshots of Hollywood collected at random:

Harry Karl's first date since he broke off with Joan Cohn was with Audrey Meadows, who is visiting here. They were at the Slate Brothers to see Don Rickles.

Zsa Zsa Gabor, whom Karl used to date, was at the same place at a nearby table with Jean Nikko, Paris nightclub owner.

Bob Considine's book on Jack Dempsey, scheduled for release this fall, is the present official story of the ex-heavyweight's life.

If you go back 31 generations you'll find 4,294,967 ancestors, all yours. And did you know you had 512 great-great-great-great-great-great grandparents?

Nickel, first isolated as a metal only in 1751, has been found present in significant amounts in bronze tools and implements nearly 6,000 years old.

U.S. Team Reaches, Measures 10-Peak Range

Pinpoint Polar Mountains

WASHINGTON (UPI)—A U. S. team of Polar experts has found and measured a mysterious range of Antarctic mountains whose location was an enigma forthe past 20 years, the National Science Foundation reported today.

The location was reported to the foundation by the four-man team after a three-week, 500-mile trek over the Polar wastes that ended last month. The expedition was part of its Antarctic research program and its continued participation in the International Geophysical Year.

The mountain range was first sighted during an expedition in 1939-40 by a pilot on a flight from Little America. The next sighting was made in 1947 by two pilots who estimated two peaks had heights of about 20,000 feet.

For the next decade, American scientists had no opportunity to investigate the range. Last December, however, it was decided after flights to the area that an approach could be made to hte range from the ground.

The four-man team made the trek to the range in three sno-cats, tracktor-like vehicles.

They located the 60-mile-long range in the heart of Mary Byrd land. The party spent two days at the site measuring the peaks and making other scientific studies.

The smallest of the 10 peaks in the range was found to be 7,144 feet high, about 5,000 feet higher than Mt. Mitchell in the Great Smokies, the highest mountain east of the Rockies. The highest was found to be 13,856 feet, about 600 feet lower than Mt. Rainier in Washington State.

The team reported that the range is volcanic and covered 90 per cent by snow and glaciers. The volcanic nature of the mountains added an air of mystery to the study.

According to John Pirrit, leader of the expedition, a widely-scattered array of volcanic rock was found strewn over an area stretching as far as five miles from the foot of the range. The rocks gave the appearance of having been scattered by an eruption. Pirrit reported that the rocks "have every appearance of having been recently placed there" inasmuch as they were not covered by ice or snow.

A further study of the mountain range will be made by a seven-member party next October.

Besides Pirrit, other members of the four-man team were George A. Doumani of Oakland, Calif., a glaciologist and geologist; William H. Chapman of Sacramento, Calif., a topographic engineer and Gerard A. Bennett of Boston, Mass., a transport specialist.

U.S. Said Far Ahead in Power Capacity

WASHINGTON (AP) — The United States was reported today far ahead of the Soviet Union in power development.

★ ★ ★

Figures given a House appropriations subcommittee by the Federal Power Commission in testimony made public today showed the Soviet installed generating capacity was about 45 million kilowatts. The United States has 145 million.

★ ★ ★

Francis L. Adams, chief of the Bureau of Power, said Soviet growth in the last few years has been at the rate of about 3½ to 4 million kilowatts per year of new installed capacity.

"Our rate is about three times that," he said.

Fuel Oil Dealers Plan Program on Home Heating

A public information program on oil heating was discussed last night by the Pontiac-Oakland County Fuel Oil Dealer Group, an organization of businessmen in the home heating field.

Meeting at the Waldron Hotel, members made plans for development of oil-heating service schools, and the use of films and other educational materials in a broad range of home heating activities.

Addressing the meeting was Fred S. Burroughs, secretary of the National Fuel Oil Co. of New York, an industry-wide nonprofit organization in the oil heating field.

Burroughs conducted a survey of the 45 members on the home heating market in Oakland County.

Leading national and regional oil companies will also take part in the cooperative Oakland County program.

Eight Are Fined After Vice Raid

5 Area Men, 3 Women Plead Guilty Following Arrest Sunday

Eight persons yesterday pleaded guilty to various charges in Municipal Court after their arrest in a vice raid early Sunday morning.

Fined $20 each by Judge Cecil McCallum for loitering in a house of prostitution were James E. Elliott, 29, 50 Sheridan St.; Raymond Bellant, 39, of 4724 Dixie Hwy., Waterford Township; Martin John Melzer, 32, 218 Chandler St.; Charles Wallace, 55, 5352 Rochester Rd., Birmingham; and Albert M. Whittaker, 41, 25¼ E. Pike St.

Betty Hall, 39, 205 Hughes St., was fined $50 for maintaining and operating a house of prostitution; and Peggy Lee Allen, 27, and Tina Harris, 21, same address, $25 each for soliciting an immoral act.

All eight were arrested in a raid at 205 Hughes St.

Named for Months

TULSA, Okla. (AP) — Apparently the months of the year appeal to one Tulsa family. Mr. and Mrs. July Tulsa named one of their daughters June. Mrs. Tulsa's maiden name is May.

Wheat Prices Eased by Rains

CHICAGO (AP) — Wheat futures prices eased again today but other grains and soybeans were mostly steady to firm in early Board of Trade transactions.

Some of the pressure on wheat followed reports of good rains overnight in some sections of the great plains along with forecasts of additional moisture in rain or snow.

The selling, however, was not particularly heavy and offerings during the first several minutes were pretty well accepted.

Corn ran into its first selling pressure of the week near the end of the first hour and prices declined on some of the new crop contracts. At that time wheat was unchanged to ⅝ cents a bushel lower, May $2.10¼; corn ¼ higher to ⅝ lower, May $1.25⅝, oats ⅛ higher to ¼ lower, May 68; rye unchanged to 1 cent higher, May $1.43⅝; soybeans ¼ to ½ higher, May $2.27½.

City Man Completes IBM Defense Course

Howard L. Rescoe, of 3491 Richmond St., was graduated yesterday from a six-month Air Defense Training Course of International Business Machines Corporation's Military Products Division, Kingston N.Y.

RESCOE

Rescoe, son of Mr. and Mrs. A. Herbert Rescoe, has been assigned to an Air Defense Installation at Marquette, site of one of the SAGE (Semi-Automatic Air Ground Environment) Computers being manufactured for the U.S. Air Force by IBM.

Rescoe, his wife, Mary, and son, Steven, 6 months, will reside in the Marquette Area.

U.S. to Get British Cars Valued at $100 Million

NEW YORK (AP)—British autos worth 100 million dollars will be shipped to the United States during the second quarter of the year, the British Automotive Manufacturers Assn. Inc. estimated today. The association based the estimate on orders being taken at the third international automobile show.

MARKETS

The following are top prices covering sales of locally grown produce brought to the Farmer's Market by growers and sold by them in wholesale package lots. Quotations are furnished by the Detroit Bureau of Markets, as of Monday.

Detroit Produce

FRUITS

Commercially graded:

Whites—Grade A jumbo 32 extra large 30-31; large 28-32; medium 27; browns—Grade A jumbo 32; extra large 29; large 28-29; medium 25½; grade B large 26.

Livestock

DETROIT LIVESTOCK

DETROIT, April 8 (AP)—Cattle—Salable 500. Bulk early supply slaughter steers and heifers; utility standard and good predominating; about 3 loads choice steers available cows comprises around 25 per cent to run; two loads western stockers in early run; steers and heifers opened moderately active, steady to 25c higher; cows opening steady; load average choice around 1,000 lb. steers 30.00; few small lots low choice steers 28.50-29.50; most good to low choice steers 25.75-28.50; utility and standard mixed offerings 21.00-25.50; utility cows 18.50-20.00; canners and cutters 14.50-18.50.

Hogs—Salable 400. Butchers opening 25c higher; sows steady; mixed lots U.S. No. 2 and 3 180-240 lb. butchers 16.75-17.25; small lot mostly No. 1 180 lb. weights 17.25; mixed No. 1 and 2 190-230 lb. 17.25-17.25; no straight lots No. 1 sold early No. 2 and 3 240-300 lbs. 15.75-16.50; mixed grades sows 300-400 lbs. 13.50-14.25; No. 2 and 3 400-600 lbs. 12.50-13.25.

Vealers—Salable 75. Steady choice and prime vealers 34.00-38.00; standard and good 26.00-34.00; cull and utility 16.00-26.00.

Sheep—Salable 200. Less than 100 lambs in early supply, no early sales.

$2.40 Dividend Rate Reinstated by Ford

DETROIT (AP)—Ford Motor Co. today re-established its $2.40 annual dividend rate.

Directors declared a dividend of 60 cents a share payable June 11 to shareholders of record May 12. Three previous quarterly payments have been made at 40 cents a share.

The 60 cents quarterly payment was the rate at which payments were made following public sale of Ford stock starting in February, 1956.

Ford's return to the $2.40 annual dividend rate reflects a sharp improvement in the company's operations that started with the final quarter of 1958.

Ball and Bearing Firm Giving Up Adrian Plant

ADRIAN (UPI) — The Hoover Ball and Bearing Co. is giving up its Adrian plant because of unprofitable operations.

The firm said it will offer the die-casting and metal plating plant for sale. It employs 200 persons.

Hoover bought the plant from the Gerity Michigan Corp. in 1956. The company's main offices are at Ann Arbor and Saline.

Chamber of Commerce officials said another company has indicated an interest in locating in Adrian and might buy the plant.

Sentenced 2-15 Years on Burglary Conviction

Oakland County Circuit Judge H. Russel Holland yesterday sentenced Gary M. Williams, 19, of 3300 Elizabeth Lake Rd., Waterford Township, to 2-15 years in the State Prison of Southern Michigan at Jackson for burglary.

Williams on March 23 pleaded pleaded guilty to breaking into a township restaurant. Upon his arrest by police, they said he admitted the burglary of $50 from the restaurant and 10 other breakins.

Detroit Harvester Buys Weaver Manufacturing

DETROIT (AP)—Detroit Harvester Co. announced today it had purchased Weaver Manufacturing Co. of Springfield, Ill., for an undisclosed sum.

The Detroit firm said Weaver would be operated as a wholly owned subsidiary.

Harvester has two other subsidiaries and six divisions with plants in Monroe and Ypsilanti; Toledo and Zanesville, Ohio; Paris, Ky.; Richmond, Ind., and Danville, Ill.

The firm produces agricultural, industrial and consumer products.

Jack Rabbits in a Stew Over Perturbed Farmers

OKARCHE, Okla. (AP)—Farmers got tired of jackrabbits eating up their wheat so they decided to do a little hunting.

In less than a week they killed 2,035 rabbits.

Motors Stocks Continue Rise

NEW YORK (AP)—Motors continued to improve on average in a mixed stock market early today. Trading was active.

Gains of fractions to about a point were countered by losses in the same range among pivotal issues. A few wider gains were made.

The market was generally higher at the opening as it followed through on yesterday's late strength. Then prices became a jumble of plus and minus signs. The ticker tape was late briefly under the opening wave of transactions.

Ford was the feature among motors as it returned to the 60-cent dividend after a couple of 40 cents payments. Strong yesterday, Ford rose ⅛ at 62 on a block of 8,000 shares, improved the gain slightly then fell back to show a fractional net loss.

General Motors was about unchanged, American Motors up close to a point while Chrysler and Studebaker-Packard were narrowly higher.

A highlight on the American Stock Exchange was a further leap of around 3 points by Brillo in the wake of 3-for-1 stock split news.

Foster-Wheeler was off a fraction and North American Aviation ahead slightly as the stocks continued to react to the plan for a share-for-share exchange.

Polaroid added around 4 and Lorillard about 2. General Tire advanced more than a point.

Goodyear and Gulf Oil were 1-point losers.

Most leading oils were slightly higher. Aircrafts were steady. Rails were mixed.

Zenith added about a point. Moderately higher were Anaconda, Merck, Southern Pacific and Royal Dutch. Behind a little were Wetsinghouse Electric, U. S. Rubber, Du Pont and American Tobacco.

Outstanding Clue

TUCSON, Ariz. (AP) — Oscar L. Bueno told police someone stole his hat. Police don't think they'll have trouble recognizing the hat. It was part of Bueno's police uniform.

Revoked or Suspended by State

7 Drivers Lose Licenses

Seven Pontiac area residents lost their right to drive when their driver's licenses were revoked or suspended last week, according to the Michigan secretary of state's office.

★ ★ ★

Ordered to furnish financial responsibility for drunk driving were:

Zeno C. Pence of Lake street, Lake Orion; Raymond O. Ross of 435 E. Walton Blvd., Pontiac, and Clifford P. Simmers of 2960 Clarkston Rd., Lake Orion.

Those with an unsatisfactory driving record were James W. Ladd of 2671 Sylvan Shore Dr., Waterford Township, Richard T. Markey of 23400 W. 13 Mile Rd., Birmingham, and Richard D. Williams Sr. of 322 Ferndale St., Rochester.

The license of Clyde V. Burns of 66 Hickory Lane, Pontiac was taken because he was unable to pass re-examination test.

Oldster Stalls Waterford Vote for 20 Minutes

Voting in Waterford Township was stalled temporarily Monday at the Stringham Elementary School precinct when an elderly gentleman refused to vote after going into the booth and remaining there 20 minutes.

Startled election board members saw the man then crawl out from under the booth curtain on his hands and knees.

When asked what was the trouble, he said, "I didn't see a darn thing in there I wanted to vote on."

Complications arose when the gentleman could not be persuaded to go back and at least pull the curtain open as he had been registered.

He flatly refused and walked out of the building.

A voter standing by volunteered to go in, take the man's number and vote. The election proceedings again returned to normal.

$25,000 Fire Strikes Hotel at Anchorville

ANCHORVILLE (UPI) — An early morning fire caused an estimated $25,000 damage at the Anchor Bay Inn.

Fire departments from Ira Township and New Baltimore fought the blaze for about two hours. The bulk of the damage was confined to the first floor of the two-story hotel building. Faulty wiring was believed to have caused the fire.

Car-Truck Crash Injures Woman

Clarkston Housewife Is 'Fair' After Smashup at U.S. 10 and M15

A Clarkston housewife is reported in fair condition today at Pontiac General Hospital after her small foreign make auto collided with a seven-ton truck and trailer at 7:10 a.m. today.

Mrs. Helen J. Chandanais, 29, of 6160 Sunnydale St., suffered head, chest and possible back injuries and was in a state of shock when she arrived at the hospital. Pontiac State Trooper John Brown said she was lucky to be alive.

The truck driver, Paul Standish, 45, of Detroit, was uninjured.

Mrs. Chandanais was going south on M15 and the truck was traveling north on US10, in Independence Township, when the collision occured.

Troopers said the truck skidded 313 feet before striking the auto. The traffic light was changing, they said. The impact threw the car over a small island and started it rolling backwards, out of control.

Witnesses said the auto then ran up over a curb on US10, through a gas station and parking area barely missing parked cars, back across M15 and finally came to stop in another gas station. In all, the auto rolled 255 feet. Its driver remained in the front seat.

Detroit Steel Output Pegged at 98.9 Pct.

DETROIT (AP)—Detroit area mills are expected to produce 151,000 tons of steel this week, operating at 98.9 per cent of capacity.

Iron Age, the national metalworking magazine, said the estimate compares with last week's actual production of 148,300 tons when the operating rate was 97 per cent of capacity.

In the same week a year ago local mills operated at 13 per cent of capacity and produced only 17,680 tons of steel, the magazine said.

County Doctors to Hear Talk by Medical Editor

Lois R. Chevalier, roving editor of Medical Economics, a professional magazine for physicians, will be the guest speaker at the April meeting of the Oakland County Medical Society tonight.

Miss Chevalier will discuss tomorrow's practice of medicine following the 7 p.m. dinner meeting held at the Kingsley Inn in Bloomfield Hills.

She has been associated with the American Public Health Assn., the Alton Ochsner Medical Foundation, the Alameda-Contra Medical Assn. in Oakland, Calif. and the American Medical Assn. Committee of Medical Practices.

For the past four years, Miss Chevalier has been roving editor of the national magazine.

'What For,' Says She; Bandit Turns and Runs

SAN FRANCISCO (AP) — The short, dark, Latin-appearing man had his hand and what looked like a gun in his pocket.

"Gimme a bit of licorice candy," he told clerk Joan Williams, 35, who was tending the Powell St. candy store.

"I got a gun in my pocket. Gimme all your money, too."

"What for?" asked Miss Williams.

The little man fled, without money or candy.

Sinclair Chosen as New Mayor of South Lyon

SOUTH LYON — H. Ross Sinclair is the new mayor of South Lyon. He was chosen in the spring elections by 237 votes, defeating LaVerne E. Huyck, 149 votes, and Lester V. Slauter, 144.

Councilmen elected were Robert McFarland, 287 votes, and Claude R. Tapp, 255. Those defeated were Clarence D. Brangar, 177; Milton L. Sieting, 158; and Frank Barger, 150.

John J. Alley was re-elected justice of the peace with 433 votes. He was unopposed.

World tea production is estimated at 1,298 million pounds annually.

STATE OF MICHIGAN—In the Probate Court for the County of Oakland, Juvenile Division.

In the matter of the petition concerning Ronald, Robert and Rebecca McCullom, minors, Cause No. 16606.

To Ronald McCullom, father of said children.

Petition having been filed in this Court alleging that the present whereabouts of the father of said minor children are unknown, and said children are dependent upon the public for support, and that said children should be placed under the jurisdiction of this Court.

In the name of the people of the State of Michigan, you are hereby notified that the hearing on said petition will be held at the Oakland County Service Center, Court House Annex, 1200B West Blvd., in the City of Pontiac in said County, on the 21st day of April, A.D. 1959, at one o'clock in the afternoon, and you are hereby commanded to appear personally at said hearing.

It being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy one week previous to said hearing in The Pontiac Press, a newspaper printed and circulated in said County.

Witness, the Honorable Arthur E. Moore, Judge of said Court, in the City of Pontiac in said County, this 2nd day of April, A.D. 1959.

Hoffa Said to Get Payoff in Detroit Jukebox War

WASHINGTON (AP) — Senate probers today gave James R. Hoffa the choice of replying now or later to allegations that he received a hidden payoff in a jukebox war in Detroit.

Hoffa is due for more questioning in June about his role in various activities of the Teamsters Union, of which he is the international president.

But Committee Counsel Robert F. Kennedy told a reporter Hoffa also has a "standing invitation to come in any time he is mentioned in testimony reflecting upon him, to answer it under oath. He can be heard today if he wants to.

What Kennedy called a $6,000 payoff by jukebox operators is alleged to have reached Hoffa and Detroit Teamsters official Bert Brennan, in the guise of another union's salary payments to their wives.

★ ★ ★

Hoffa himself told the committee in 1957 that the $6,000 payment in the 1940s was received by him and Brennan as an overpayment of a loan of $2,000 or $2,500 he said they had made.

★ ★ ★

But Kennedy Tuesday produced evidence which, he told the committee, showed the money was a "payoff to Hoffa."

The committee heard testimony that Detroit jukebox operators had organized the Michigan Automatic Phonograph Owners Assn., and literally had formed their own labor union without even consulting their employes.

This union was identified as Local 23814 of the Music Maintenance Workers Union-AFL, headed by Eugene (Jimmy) James. Witnesses said all of its revenues including dues came from the association.

Victor De Schryver, former president of the owners association, reaffirmed testimony he had given to a Michigan grand jury in 1946 that money shown on the union's books as $100 a week salary payments to Mrs. Hoffa and Mrs. Brennan actually was something else.

★ ★ ★

De Schryver said he had told the grand jury truthfully that James' local increased the dues it assessed the association and used the extra money to finance the purported salary payments to the two women.

★ ★ ★

Actually, De Schryver said, he had James' word that the money was going to Hoffa and Brennan "to keep somebody from getting to them—referring to the Italian element in town."

Kennedy asked the witness whether that didn't mean that the dues had been raised "to cover this payoff to Hoffa." Right, De Schryver replied.

★ ★ ★

August Scholle, president of the Michigan State AFL-CIO Council, testified that he rejected a $10,000 payoff by two men who looked like Italians, who sought his permission to set up a CIO jukebox local.

Scholle said this was about the time that Local 23814 had lost its charter after a 1947 grand jury investigation of its affairs. Within a month, he said, Hoffa granted James a charter to set up Local 985 as successor to 23814.

Rocket Fired to Test Cone

Thor-Able Blasts Off From Cape While Fleet Waits at Ascension

CAPE CANAVERAL, Fla. (AP) — A huge two-stage rocket was fired on the start of a 5,000 mile trip over the Atlantic today to test the performance of a nose cone that could carry the power-packed ICBM nuclear warheads of the future.

★ ★ ★

If the 80-foot launching rocket, called Thor-Able, did its job, a search unit of ships and C54 planes planned to attempt to recover the elusive cone for the second time in 18 days.

★ ★ ★

The missile blasted aloft at 1:35 a.m. and appeared to perform perfectly while in view.

The main mission was to gather an electronic report on how the cone withstood the blazing re-entry from space through the earth's atmosphere at speeds in excess of 10,000 m.p.h.

★ ★ ★

If all went well, the Air Force hoped to pluck the cone from the depths for study. The recovery fleet stood by near Ascension Island at the far end of the range to spot the cone as it flashed in like a tiny meteor.

It was the seventh launching in slightly less than a year in a highly classified project aimed at developing a shield for the nuclear warheads of the Titan and Minuteman intercontinental range ballistic missiles.

TV News and Reviews

Niven Comes Right Back on Own Show Tuesday

By FRED DANZIG

NEW YORK (UPI)—You see, it works this way: Win an Oscar on Monday and you come in with your very own TV show on Tuesday.

★ ★ ★

Or so it might seem in the case of David Niven, the Academy Award winner of Monday who brought the David Niven Show on NBC-TV last night.

Incidentally, Niven fans, on Thursday he'll be starred in a Zane Grey Theater rerun. This surely is his week, if not his year.

The fact that Niven's new weekly series, pedestrian though it seems, is replacing a tired old, old western, the Californians, is a point in its favor, of course.

★ ★ ★

But other than that, there's not much to be said for the opening episode, "Fortune's Folly."

Cameron Mitchell, playing a gambler who is hooked, $10,000 in debt and with a wife who is divorcing him pariays a nickel into $10,000 on a hot Reno craps table after walking in to buy a pack of cigarettes.

The only suspense came in seeing whether Mitchell would pick up the dice before or after the middle commercial. He waited until after.

SHORT SHOTS: Highlight of the evening's TV viewing for me was Arthur Godfrey's CBS-TV show, taped along Waikiki Beach in Hawaii.

For escapist viewing, it was excellent. There was only one lapse.

A commercial on the show took advantage of the blue Pacific by superimposing a box of sleeping pills on it. It was an unfortunate intrusion of reality upon a dreamy setting.

★ ★ ★

Naked City, on ABC-TV, offered a yarn in which the guilty man got off free. His inner torment was his only punishment, which is a rare finish for TV.

THE CHANNEL SWIM: Monday's Academy Awards show on NBC-TV racked up the season's highest Trendex, a 56.8, or 80.1 per cent share of the total TV audience, during the opening half-hour.

Argentina Ousts Soviet Envoys

Hold Reds Responsible for Stirring Up Unrest Among Workers

BUENOS AIRES (AP) — The Argentine government is about to expell four more Communist diplomats on charges of stirring up industrial unrest, reliable sources said today.

President Arturo Frondizi's government also is reported asking the Soviet Union and Romania to remove the heads of their diplomatic missions.

★ ★ ★

The campaign to weed out foreign Red agents stems from riots in the heart of the capital last Friday, when police fought demonstrators protesting the economic and labor policies of President Frondizi.

The government said one of the agitators was Soviet Embassy counsellor, Nikolai Belouv, who Tuesday was given 48 hours to get out of the country.

★ ★ ★

Sources close to the Foreign Ministry said three more Soviet diplomats and a Romanian have been linked with the demonstrations and will be declared unwelcome.

They were identified as Alexei Marin, Romanian cultural attache; and Soviet First Secretary Dimitri A. Dikonov, cultural attache K. P. Monskov and commercial attache Vassily Y. Ivashov.

According to the U.S. Bureau of Public Roads, 90 per cent of all passenger car and truck travel is performed within the state of residence.

Thinks Radar Too Fickle

SAC Chief Dreams Hobo Rockets

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — In a world where death and devastation could strike in a few minutes, you might like to see what stands between you and possible annihilation by the Soviets.

The following picture was outlined by Gen. Thomas S. Power, who talks with the detachment of a surgeon explaining how to open an avenue into the heart.

Power is chief of the Strategic Air Command whose long-range bombers and nuclear bombs, at bases here and abroad, have a double mission: to discourage an attack or, if the Soviets try it, to eliminate them.

The general emphasized the importance of an early warning of a Soviet attack to a congressional committee with this little clinical example about his bomber base at Thule, in northern Greenland.

★ ★ ★

"I like to tell the commander at Thule that he will probably be one of the first to go if we get into a war but that there is one thing I would like to know from him, and that is when he went. This might be vital inelligence."

Power commands not only the strategic bombers but the intercontinental ballistic missiles that this country will produce. For some time American ICBMs will be under a handicap.

★ ★ ★

They will be liquid-fueled, need large crews, and have to be anchored in one place. Once the Soviets know where they are, and war starts, they could be destroyed before they got off the ground.

Power's solution: bury the missiles deep in the ground in concrete shelters which would resist everything except a direct hit.

★ ★ ★

Power sounded happier talking about the more distant future and the solid-fueled ICBM, the Minuteman, which needs only a small crew, could be mass-produced, and can be moved around. It doesn't have to be anchored.

The general envisioned the day when the Minutemen, in bunches, could be shipped around on trains, moving constantly, so the Soviets could never know where to shoot at them.

★ ★ ★

He emphasized two things: that this country right now must depend on radar for its early warning and on its six-jet B47 bombers to discourage a Soviet attack and hit back if one comes. Later there will be the ICBMs, too.

But Power cannot be described s completely happy about radar. "Radar," he said, "is a real fine device. The only trouble with it is that it sees too well. It sees things that are not there."

★ ★ ★

This raises a problem. Whether or not what the radar sees is real, a man in command of bombers must assume they are real. He gave an example of what he meant.

Suppose the radar men called him and said their screens had picked up 1,000 objects heading for the United States and that they were missiles. Instantly, he could order his planes into the air and away.

★ ★ ★

Between the time they took off and were getting near their target he would have perhaps one hour and a half to learn for sure whether those blips on the radar screen were really Soviet missiles.

If it turned out radar had seen something else besides Soviet bombers or missiles, Power would still have time to call back his bombers. They wouldn't attack unless he said so.

★ ★ ★

But suppose radar picked up those 1,000 objects which were thought to be Soviet missiles and the general wanted to hit back with American missiles. He couldn't push the button sending them on their way

The reason: once on their way, they couldn't be called back. He would have to refrain from turning the American missiles loose until he knew for sure this country was under attack.

You'll Hear No Gripes From Gobel on This

By EARL WILSON

LAS VEGAS — Out here in this unbelievable city which comedian Harvey Stone calls "the Crosby boys' play pen," we found George Gobel flexing his money belt because he had just wrapped up a deal to alternate with Jack Benny on TV Sunday nights at 10 o'clock starting next fall.

WILSON

★ ★ ★

"This tickles me because this is a pretty fast league to be in — working with Jack Benny," said Lonesome George, adding, "not that we will actually be working together.

"It should be a lot easier than anything I've ever done. In the first place, only a half hour to begin with——."

George likes his leisure and manages to get some. In his plush hotel suite hangs an ornate gents' room sign which some gents' room attendant must be missing dreadfully.

"I picked it up one night when it was pretty late," George confessed. "It's just what I've always needed."

GOBEL

★ ★ ★

Some of this prankishness has rubbed off on Joe Flynn, George's fellow performer, who has taken to selling George's "personalized autographs" in the casinos for 25 cents each. George didn't know about it until Flynn, clutching a silver dollar just handed him by a woman, said, "Here, George, sign your name and write 'To Viola' four times — I haven't any change."

★ ★ ★

Liz Taylor inquired of friends how she should thank Debbie Reynolds for agreeing to Eddie's quick divorce. The answer was: "Why don't you sing 'Tammy' at the Oscar party?"

An intimate was asked whether Liz and Debbie might now again become friends, and said, "Let's face it — they never really were close friends."

Sammy Davis Jr., who just opened at the Sands, is a constant companion hare of Liz Taylor and Eddie Fisher. Sammy, asked what they talk about, said, "Our religion" — and Sammy was on this point being very, very serious.

VEGAS GAG: "Charles Laughton is going on the road again and do readings."..."What's he going to read this time?"..."The Eddie Fisher - Debbie Reynolds divorce settlement."

THE MIDNIGHT EARL IN N.Y. . . .

Betty Grable, who had a very successful premiere, got a telegram from daughter Jessica, 11: "I wish I was older so we could be a sister team." Betty, beautiful and curvey, dances in abbreviated costume with the Latin Quarter girls — and looks as youthfully sexy as any of 'em... **Martha Raye's** having some of her old fur coats cut down for her daughter, Melody ... **Tommy Dorsey Jr.,** out of the Navy, is with a Wall St. brokerage firm... **Singer Danny Scholl,** recovered from the muscular neuritis that paralyzed him, will tour in "Annie Get Your Gun" with **Betty Hutton.**

WISH I'D SAID THAT: Herb Shriner says Congress is sure to do something about hidden taxes: "They won't do away with 'em — they'll just hid 'em better."

TODAY'S BEST LAUGH: Henry Morgan's carrying a painting he describes as "a genuine masterpiece." And it is — it's signed, "By Sam Masterpiece."... **That's earl, brother.**

(Copyright, 1959)

Hearing Set Friday for Elliott Roosevelt

SCOTTSDALE, Ariz. (UPI)—Elliott Roosevelt's preliminary hearing on a drunk driving charge was postponed yesterday until Friday.

The 48-year-old son of the late President was arrested early Saturday as he slept in his car parked beside a street in this resort community where he makes his winter home. His attorney requested the delay in the hearing because Roosevelt was in California visiting his wife, who was reported to be hospitalized.

Army to Clear Shack of Dynamite Pile

CAULFIELD, Mo. (AP)— Four Army demolition experts today begin the risky job of removing 8,000 pounds of dynamite from a mine shack.

The dynamite has been stored in the shack near an abandoned zinc mine for five years. Nitroglycerne has seeped out of the sticks to the floor and crystalized.

Capt. Hiram C. Eberhardt of Atlantic City, N.J., called the job "the most dangerous assignment I have had in nine years of demolition work."

The soldiers from Fort Leonard Wood, Mo., will lay a mattress over the nitroglycerine and carry each box of dynamite to a safe spot, where it will be exploded. Then they plan to pour alcohol over the nitroglycerine to neutralize it and burn the shack.

Aiding Capt. Eberhardt will be Sgts. Elmer R. Conder of Long Beach, Calif., Kenton E. Kohr of Fredericksburg, Pa., and Bruce H. Johnson of Lehigh, Iowa.

Red China Hopes to Up Production of Steel

TOKYO (AP) — Communist China aims to produce 18 million tons of steel this year—7 million more than it says it turned out in 1958.

Peiping radio said today other industrial targets fixed by the Communist party's Central Committee are 380 million tons of coal, an increase of 110 million tons; 525 million tons of grain, up 150 million tons; and 5 million tons of cotton, up 1¾ million.

Will Have 4 'Academic Centers'

Five-Building School Begun

WAYLAND, Mass. (AP) — High school was never like this back in the old days.

The new senior high school, for which ground will be broken this month, will have five buildings and a campus, a domed field house covering nearly an acre for sports and landscaped courtyards where students can congregate between classes. Reduction of interior corridors will sharply reduce construction costs.

★ ★ ★

The plan, drawn up by the Architects Collaborative of Cambridge, banishes home rooms. Informal libraries in the school's four "academic centers" are planned for student leisure time.

The campus high school, planned for 850 to 1,200 students, will teach related subjects in each academic center.

★ ★ ★

One will house language courses, including English. In another, social studies will be taught. A third will concentrate on mathematics and other sciences. The fourth will concentrate the studies in the arts. Each will have three instruction rooms. In the social studies center, a lecture hall for 150 students will be balanced by seven discussion rooms for groups of 12.

FOR MICHIGAN RESIDENTS
Hospital-Surgical Insurance for all Men and Women 65 and over
REGARDLESS OF PAST OR PRESENT HEALTH

Pays up to: 1) $10.00 a day hospital room and board for as long as 60 days. 2) $5.00 a day for care of the same condition in a licensed convalescent or nursing home. Convalescent period must immediately follow at least 5 days hospitalization. Total hospital-convalescent period cannot exceed 60 days. 3) A surgical schedule that pays from $4.50 to $225.00, according to the nature of the operation. 4) Up to $1,000 for additional medical expense. Plan pays 80% of the actual charges, in excess of $100, for specified hospital "extra" expenses such as Xrays and blood transfusions. 5) You receive immediate protection for accidents which occur, or sickness which originates after the issue date of your policy. 6) You are also protected for conditions you had before your policy was issued, provided the hospital confinement begins—surgical operation is performed—after your policy has been in force six months. 7) Covers both illness and injuries except: those caused by war, alcoholism or drug addiction; those covered by Workmen's Compensation or Employer's Liability Laws. Confinement in U. S. Government hospital or any state or county T. B. or mental institution is not covered.

Note: Enrollment period ends April 13, 1959. To be eligible, you must be 65 or over by April 15, 1959, the date the policy will be effective. Application may be sent either to Mutual of Omaha, Omaha, Nebraska, or to your local representative. Cost is only $8.50 a month.

YOU MUST ACT NOW! ONLY 6 DAYS LEFT TO ENROLL!

Many Obstacles Loom

Auto Future: Gas Turbine, Electric, Nuclear Power

By DAVID J. WILKIE
AP Automotive Writer

DETROIT (AP)—Volume production of automobiles powered by electric batteries, gas turbine engines and even nuclear energy is a distinct future possibility.

The larger automakers have built experimental gas turbine units; they are studying new concepts of the electric auto and adaptation of atomic power to passenger vehicles is under continuing study.

Aside from engineering problems, production and operating costs are major obstacles to early perfection of any of the cars presently in the experimental stage.

Electric automobile possibilities are being widely discussed right now. Experimental models have been built by several engineering concerns.

NEAR SOLUTION

There are indications, too, that the problem of keeping batteries charged for uninterrupted long distance travel also is near solution.

In earlier electric cars batteries had to be recharged, overnight or longer, following less than 100 miles of operation. And the batteries were heavy.

The newer nickel-cadium type of battery, offering much greater efficiency as well as long life and greatly reduced weight, coupled with a recharging generator, may solve most of the engineering problems. But a nickel-cadium battery has a much greater initial cost right now.

1 MOTOR PER WHEEL

An electric automobile, with motors at each wheel, obviously would do away with much of the complex equipment that goes into today's engines, transmissions, cooling systems and other components.

Electric steering and electric braking would be features of the projected vehicles.

General Motors, Chrysler and Ford have carried on continuing research with gas turbine cars. Substantial progress has been made in development work. The most elaborate example of the gas turbine car today is General Motors' Firebird III.

In manufacturing and operating costs, however, all the gas turbine vehicles still are impracticable for volume production.

One problem on the way to being overcome is development of alloys to be substituted for critical metals needed to withstand the terrific heat developed by the engine.

* * *

Progress also has been reported in reducing fuel consumption at slower speeds and at idling.

The Firebird III has numerous features other than its gas turbine engine. Among them is the centering of accelerating, steering and braking in a single, ball-topped control stick.

Another is a very small gasoline engine driving a generator that furnishes power for all accessories. The generator can produce 110 volts of current.

METAL PROBLEM

Metallurgists may find the answer to the chief problem hampering efforts to perfect a nuclear-powered automobile.

The problem is that of shielding against radiation. The amount of shielding presently required makes the atomic-powered automobile still impracticable, engineers say.

But engineers no longer call it impossible.
