

3 Killed, 22 Hurt in Monroe Headon

Hey, Ma, Look at Me!

PERPETUAL GUARANTEE — If there is trouble to be found or created, youngsters will do it every time. This pair shown here are prime examples. Above, three-year-old John Durham of Wilmington, Calif. is shown as his mother found him, sitting in a puddle of crude oil near their home. He thought it was a slick trick. Below, Jeffrey Rankin, 19 months, is having a devil of a time with an angel food cake pan. The Los Angeles youngster had no trouble getting it on, but the fire department had to be called to remove his iron collar.

White Students Walk Out of Integrated Clay School

CLAY, Ky. (AP)—Mayor Herman Z. Clark, outspoken integration foe, said today he personally will lead the community's campaign to rid the Clay school of its only two Negro students.

"I'll not rest until James and Teresa Gordon return to a school where they belong," Clark said in an interview.

"We will follow a policy of passive resistance by keeping our children out of school until the Gordons leave."

The movement started yesterday when all white children in the school (enrollment 500) walked out after the Gordon children entered classes under protection of 500 National Guardsmen and 60 state troopers. The escort slipped into the community before dawn under the command of Adj. Gen. J. J. B. Williams.

One teacher, Minvill Clark, said he would not return even though "I was threatened with the loss of my teaching certificate by the State Board of Education."

Clark, a Baptist minister here,

U.S. Supporting Bid to Run Suez, Parliament Told

Egypt Charges West Trying to Spark War, Seize Canal

LONDON (AP)—Foreign Secretary Selwyn Lloyd today told Parliament the proposed Suez Canal users' association has the "full support" of the United States.

Lloyd gave this assurance to the House of Commons an hour in advance of a Washington news conference of Secretary of State Dulles to explain just how far the United States has agreed to go in supporting Britain and France in a showdown with Egypt's President Nasser.

Egypt charges the Suez users' plan is designed to provoke a war to seize control of the canal.

Lloyd defended by-passing the United Nations originally in the dispute. He declared it was obvious Soviet Russia would veto any suggestion for international operation of the waterway.

The foreign secretary made plain the Eden government has no intention of backing down in its open feud with Nasser.

"The responsibility is ours and we shall discharge it," he declared. "We are not prepared to let unrestricted control of the operation of this canal pass into the hands of one government or one man. Upon that issue we are not prepared to compromise."

Just before the British House began the second day of an emergency debate on the Suez situation, the French disclosed Premier Guy Mollet had received a personal message from Soviet Premier Nikolai Bulganin. Bulganin reportedly urged caution in the canal dispute.

Egypt cabled the United Nations in an effort to counter the West's bid for world opinion. Egypt charged Britain and France—who formally advised the Security Council yesterday that Egyptian actions might block free passage—must bear responsibility for any snag in shipping growing out of a walkout of foreign pilots and technicians.

But Lloyd denied either the French or British governments have told non-Egyptian experts in Egypt to quit.

Most pilots and technicians have given notice they will quit this weekend. The walkout could cripple the canal operations.

Asks Warrants for 'Wolf Pack'

First Degree Murder Charge Expected Today for Fatal Youth Beating

First-degree murder warrants against four Royal Oak Township residents were sought today by the Wayne County Prosecutor's office.

The four, including a 16-year-old juvenile, are charged with the fatal beating of Gerald Rondeau, 14, of Wayne, Sept. 4 at the Michigan State Fairgrounds.

The victim died three days later of head injuries inflicted by a lug wrench.

It is expected that Recorder Court Judge Joseph A. Gillis will sign the warrants this afternoon and arraign Tommy Rollins, 19, of 10585 Foxton Ct.; Horace Collier, 18, of 21405 Parkside St.; and Odell Gray, 18, of 21423 Garden Lane.

Assistant Prosecutor Joseph Rashid said juvenile court has been asked to waive jurisdiction so that James Grog, of 21014 Ferner St., can be tried as an adult.

Blackened Wreckage Where Three Died

COLLISION KILLS THREE—Three persons died in this wreck-age and 22 were injured early this morning when a bus and an auto haulway truck collided headon and burst into flames on Telegraph Road near Monroe. The bus was carrying 23 passengers, bound to Detroit from Pittsburgh. The haulway had four Cadillacs.

Stevenson on TV Tonight; President Greet Rally

Adlai to Start Drive; Ike Tells Plans

HARRISBURG, Pa. (AP)—Adlai Stevenson "formally" opens his campaign for the presidency tonight with a \$280,000 speech.

The Democratic nominee will speak to a nationwide audience over all possible networks — three television and four radio — in a "saturation" effort to develop what sides call "an important theme" in the campaign. They kept the precise subject secret.

Time of broadcast is 8:30 p.m. EST.

Stevenson's staff members said the cost of the aired speech would exceed \$300,000. TV sources placed the figure at \$280,000.

Stevenson flew into Harrisburg from New York early today so he could have ample time to put the finishing touches on the address in the privacy of Gov. George M. Leader's executive mansion.

He came by chartered plane with his running mate Sen. Estes Kefauver of Tennessee, Gov. Leader, staff members and newsmen.

Several hundred persons were on hand at Harrisburg State Airport to greet him when he landed at 1:10 a.m.

Two dozen girls in pale-blue "Stevenson" dresses — similar to the costume worn by girl supporters at the Democratic convention (Continued on Page 2, Col. 1)

GETTYSBURG, Pa. (AP)—President Eisenhower apparently intends to lay stress on his administration's hopes for the future while leaving to Vice President Nixon any direct swings at the Democratic opposition.

That pattern for Republican campaigning was laid out here yesterday at a clover pasture rally of about 500 GOP leaders on Eisenhower's farm estate.

Eisenhower, who said "I feel fine" and looked it in country squire garb of sports coat and slacks, told the picknicking Republicans their first order of business is to get everybody registered and to the polls on election day.

He feels so nonpartisan about that, he said, that even if the Republicans couldn't convert all the new voters "I'd rather they voted against us than not at all."

Without a word of direct criticism of the Democrats, Eisenhower urged the GOP workers to campaign in every section of the country to make sure that "we stay on the straight road of prosperity, progress and peace."

He urged the GOP workers to (Continued on Page 2, Col. 6)

Picks Bums Over Braves

Yifnitz Ponders Prediction

A self-explanatory letter to the Press says:

"If your Herman Yifnitz is so good predicting and explaining the weather, do you suppose he can predict the pennant winner in the National League?"

Old Fan"

We put it up to Herman.

"That," said Yifnitz, "is a two Martini decision." He cocked a calculating eye on the ceiling and waited.

Well, we wheedled the price out of the management and sent Herman off to his favorite pub. Herman had the means for a couple himself, and so he didn't phone back but brought in his findings this morning.

"Our readers should know first," said Herman, stroking his long white flowing beard, "that I'm a direct descendant of old Abner Doubleday, the Father of Baseball. In fact, my great uncle, A. Doubleday Yifnitz, was the most brilliant pitching prospect in the history of the Great Northwest. He could have set big league records that would have lasted for all time."

Herman paused.

"What happened?" we asked.

"Manhattans," said Herman. "He couldn't get used to Martinis so he specialized on Manhattans. Finally he went into a slow, flat spin and never came out. The family etched a Manhattan glass on his tombstone."

"But it wasn't life-like."

"It was full."

Herman looked at the ceiling again. "Also, old man Spaulding was my great grandfather's——"

We pointed to Old Fan's letter.

"Oh, yes," said Herman. "Here's the finish:

Brooklyn

Milwaukee

Cincinnati

"That's final and official."

"There's not much use now in playing out the schedule."

But they will.

Greyhound Bus, Haulway Truck Burst in Flames

Center Lane Collision Snarls U.S. 24 Traffic; 6 in Critical Condition

MONROE (AP)—A Greyhound semi-cruiser bus and an auto haulway truck crashed headon near Monroe early today, killing three persons and injuring 22, state police said.

Troopers of the Erie Post said the truck driver and two bus passengers were killed. Two of the dead were identified as Francis G. Pesko of Detroit, the trucker, and Mrs. Frankie Mae Semple, 38, of Detroit. The other victim was not identified immediately.

Six of the injured — one of them in critical condition — were admitted to Monroe hospitals, state police said. The others were treated and released. All were bus passengers.

Monroe county sheriff's deputies said the bus, bound from Pittsburgh to Detroit, and the truck, outbound from Detroit with a load of new automobiles, collided at 3:30 a.m. on U.S. 24 just north of Monroe.

Deputies said the truck burst into flames and set the bus afire. Bus passengers escaped by crawling through windows and an emergency exit, deputies said.

The interiors of both vehicles were destroyed by the swift-spreading flames before police and firemen could quell the blaze.

SEVERELY INJURED

The bus driver, Charles Kier of New Kensington, Pa., was reported in "very bad" condition by physicians at Mercy Hospital here. He suffered severe burns over most of his body.

Less seriously injured and reported in "fair to good" condition were Joe Zevachak, 56, of Highland Park; Mrs. Lillian Williams, 61, of Detroit; Annie Foxworth, 20, of Darby, Pa.; John Brown, 41, of Philadelphia, and Hattie McCrary, 49, of Savannah, Ga.

Raymond Clancy, 26, of Dearborn, said he and fellow passengers couldn't get Mrs. Semple out through a window. "She fell back into her seat and seemed to freeze there," he said. "Her hair caught fire and that was the last I saw of her."

Clancy said he was dozing when the accident occurred.

"I looked up and saw lights and cars from the truck were flying through the air," he said.

IN CENTER LANE

Deputies said two cars on the top rack of the truck fell off and were sandwiched between the burning vehicles.

State police said the collision caused a "terrible traffic jam." Trucks and traffic on the highway, one of the busiest in the state, were rerouted around the scene.

Greyhound officials said the bus left Pittsburgh last night at 7:45 p.m.

The cause of the collision was not determined immediately. State police said the crash occurred in the center lane of a three-lane highway.

Gilliland Appeal in Highest Court

Advisor to Farmers Seeking Reversal of 1953 Conviction

Detroit's Clayton C. Gilliland has appealed to the U.S. Supreme Court to upset his 1953 conviction for conspiracy to obstruct justice in the stormy Lapeer County eviction actions.

Advisor for many years to Lapeer area farmers fighting assessments levied after the failure of a mutual fire protection company, Gilliland is currently in Southern Michigan State Prison at Jackson, serving a 4½ to 5 year sentence.

His appeal to the State Supreme Court was turned down in May.

Gilliland's appeal said he was convicted "without any evidence being offered or admitted to show that he conspired to obstruct the sheriff in serving the writ."

The 62-year old self-styled "investigator" and two area farmers were brought to trial after Lapeer County Sheriff Clark Gregory and a deputy were mauled during an eviction.

His co-defendants were acquitted, but Gilliland was found guilty.

The appeal, filed August 11 during the summer recess of the court, also states Gilliland was denied due process of law because the trial court refused to grant a change of venue, in the face of "Local prejudice created by inflammatory newspaper articles."

Also protested was the trial court's method of selecting a jury, and various rulings by the trial judge.

Weather in View: Warm and Cloudy

The weather for the Pontiac area tonight will be partly cloudy and continued warm with a low near 65.

Continued warm and partly cloudy is predicted for tomorrow. The high will be around 78 to 84 degrees.

In downtown Pontiac the lowest temperature preceding 8 a.m. was 63 degrees. At 1 p.m. today the thermometer registered 82.

Canal Crisis Stirs World

LONDON (AP)—British shipping companies worked at top speed today on an emergency plan should traffic through the Suez Canal be suddenly dislocated.

British oil companies—and some on the European Continent—temporarily stopped chartering tankers bringing oil from the Persian Gulf to the West.

PORT SAID, Egypt (AP)—A rush for exit visas was on today at this Suez Canal terminus, with indications only half a dozen foreign pilots will remain on the job after tomorrow night.

SINGAPORE (AP)—Every chart of the sea route around South Africa's Cape of Good Hope was sold out here today. The last were bought by the local agents of the Swedish East Asiatic line for the master of the freighter Sudan, which sails tomorrow for Europe.

JERUSALEM, Israel (AP)—

Israel today hailed the Western plan for a Suez users' association. A Foreign Ministry spokesman said it could make "a significant contribution to the pacification of the area."

BONN, Germany (AP)—West Germany is readying emergency plans to evacuate its nationals from Egypt. Foreign Minister Heinrich von Brentano said today. One source quoted him as saying the Suez situation is "extremely difficult," and that he sharply criticized Egyptian attempts to recruit canal pilots in West Germany.

CAIRO (AP)—An Italian Embassy spokesman said today "precautionary" measures have been arranged for the departure of Italian nationals from Egypt in case the Suez situation deteriorates. But he denied reports that special ships already were en route here for a mass exodus. About 50,000 Italians live in Egypt.

CAIRO (AP)—Egypt told U.N. that Britain, France and the old Suez Canal Co. must bear responsibility for any block to shipping from walkout of foreign experts.

NEW DELHI (AP)—Prime Minister Nehru condemned the Western Suez proposal. He told Parliament it closed the door to further negotiations and "consequences will be very grave."

AUCKLAND, New Zealand (AP)—Prime Minister Sidney Holland told Parliament in Wellington today he had cabled London for more information on the newly proposed users' association for the Suez Canal.

CANBERRA, Australia (AP)—Acting Prime Minister Arthur Fadden told the House of Representatives today the Australian government was not consulted on the new proposal for a Suez Canal users' association.

County to Air Road Problems

Highway Chiefs to Meet and Review Situation, Public Invited

Representatives from four county highway groups will meet Wednesday in the County Office Building to review road problems and plans to solve them, J. Robert F. Swanson, chairman of the County Planning Commission, announced today.

Swanson said the discussion will aim at presenting an over all review of the situation for citizens who have objected to some highway plans.

Representatives of the County Road Commission, the Inter-County Highway Commission, the Board of Supervisors and its Roads Committee will attend.

The meeting, scheduled for 1:30 p.m. in the Supervisors' Room, is open to the public.

Topics will include results of the recent Detroit Metropolitan Area Traffic Study, the jurisdictional split over area roads, possible reclassification of some roads to a higher federal-aid category and plans for major construction by the State Highway Department.

Stevenson Kicks Off Drive Tonight on TV

(Continued From Page One)

in Chicago — were among the winners.

Stevenson will deliver his address in the large arena of the State Farm Show Building at a 5:30-a.m. fund-raising dinner. Staff members said that 10,000 persons were expected to attend.

State Republican leaders have accused Pennsylvania Democrats of dunning persons into buying tickets for the dinner.

Democrats have not replied to the accusation.

Meanwhile, the Stevenson-Kefauver campaign coffers were increased by \$325,000 at a quiet fund-raising dinner last night in New York. Thomas K. Hodges, press secretary to Gov. Leader, told newsmen.

The dinner, held in the Hotel Ambassador, was attended by about 250 Stevenson supporters. Stevenson escorted Mrs. Franklin D. Roosevelt, widow of the former President, to the social. The press was barred.

Speakers included Stevenson, Kefauver, Gov. Averell Harriman of New York; Sen. Herbert H. Lehman, who is retiring from office; Mayor Robert F. Wagner of New York City; candidate to succeed Lehman; Mrs. Roosevelt; and Louis Nizer, New York state Democratic fund raiser.

2 Dozing Drivers Injured in County

Two drivers were injured in separate accidents last night after dozing at the wheel.

Robert A. Grimes, 36, of Flint, suffered a cut eyebrow when his auto lurched off M15 in Brandon Township, a quarter mile south of Wolfe road. He was treated at Pontiac General Hospital.

Don C. Socia, 45, of Milford, suffered minor scalp cuts when his car rammed a tree off Jackson boulevard n White Lake Township.

City Employees' Group to Give Chicken Dinner

The Pontiac Municipal Employees Assn. will sponsor a chicken dinner from 5:30 p.m. to 8 p.m. Sept. 19 at 701 W. Huron St. to raise funds for the association's news-magazine.

Tickets are available at \$1.25 for adults and 75 cents for children under 12. They may be purchased at City Hall.

Because of the climate, Bermuda's vegetable farmers can raise two and sometimes three crops a year.

The Weather

BACK TO SCHOOL — 4 A Modern School

A modern schoolhouse is a pleasant place. It is large, bright and clean with big windows and good furniture. Even more important, the teachers of today are well-trained and interested in their jobs. One important part of a modern school is the cafeteria which provides food for pupils who cannot go home for lunch. Here are Patty and Peter waiting to fill their plates.

On the table there are veal cutlets, and potatoes, beets and carrots for vegetables with bread and butter beside them. Color this picture with your crayons, and paste it down on cardboard. Cut out the parts carefully, and cut the slits in the trays and plates. Fold the lower panel forward at the dotted line, then the picture will stand up and Patty and Peter will face the steam table ready to select their food. You will see that Patty chose carrots for her second vegetable and Peter chose beets.

Fasten the plates and the glasses of milk in place by putting the tabs down in the indicated openings and folding the tabs back.

(The Junior Editors' \$10 award goes to Joanni Faust for suggesting this idea first. Send in an idea card of this newspaper and it may be worth \$10 to you. Violet Moore Higgins; AP Newsfeatures.)
Tomorrow: Making Things Grow

Bill Planned to Hold Delinquent Fathers

LANSING (U.S. State Rep. Willard I. Bowerman Jr. (R-Lansing) will file a bill when the Legislature convenes in January for its regular session to crack down on delinquent fathers who are delinquent in child support payments.

Bowerman said he will bring in the bill because a personal investigation disclosed a "shocking" amount of this type of delinquency. Bowerman said he will ask the Legislature to amend the divorce laws so as to "make available to distraught mothers the circuit court remedy of garnishment." "If a working father fails to pay in the U. S. is rated as skilled labor."

institute garnishment proceedings against his employer," He said. He said the remedy is a "reasonably quick" one and that the threat of it would serve as a deterrent to men with a tendency to fall behind in their obligations.

AFL-CIO Board Backs Stevenson, Kefauver

CHICAGO (U.S. — The General Board of the AFL-CIO has endorsed the Democratic national ticket of Adlai E. Stevenson and Estes Kefauver. The board is made up of one official of each of the 145 AFL-CIO unions plus the 25 members of the AFL-CIO Executive Council, a total of 173.

About one out of seven workers in the U. S. is rated as skilled labor.

Lake Chelan Rugged

TACOMA, Wash.—Lake Chelan, in the heart of Washington's Cascade Mountains, has a rugged district considered the most rugged in the United States. This area is called the "Switzer-

land of America." This clear lake winds through snow-capped mountains for 35 miles and its bottom is more than 300 feet below the level of the ocean.

There are no leased fishing waters in Nova Scotia.

Sun Charges Radio

CHICAGO—A sun-powered portable radio developed by a Chicago concern is said to operate satisfactorily, even on overcast days. The transistorized unit converts sunlight or artificial light into

electricity with a small attachment made of 32 silicone cells. At night the unit works on flashlight batteries.

The word "circus" comes from the Latin word meaning a circular arena.

Dish Drainer Folds Up

WOONSOCKET, R. I.—A dish drainer that folds flat when not in use is being marketed by a Woonsocket molded-plastics company. It has a tray for cups or glasses on one side, a holder for silver on the

other, and a set of fingers down through the center that holds dishes of any size upright for draining.

The surface of the Dead Sea is 1,286 feet below the level of the Mediterranean Sea.

GI Re-enlistments Up

WASHINGTON—The Army reports that the re-enlistment rate of United States soldiers in Europe was up sharply in 1955 over 1954. Latest figures show that during the first 10 months of the year nearly

14,000 signed up for another hitch compared with slightly more than 4,500 in the like period of the previous year.

The "boiling oil" used in movie scenes of medieval conflict is actually dry ice and water.

Best Period of Sleep Is First 80 Minutes

CHICAGO (AP) — How did you sleep last night? Your best period of sleep was the first 80 minutes after you retired, according to a 10-year study on sleep being conducted at State University of New York, College of Medicine.

After that your depth of sleep never reaches the same soundness and your sleep pattern alternated between almost awake and asleep.

If you awoke at the end of the night and said you had a "terrible night," you are like the 25 per cent of 30 persons tested during the study.

Although recordings of their sleep indicated they slept well, their reports baffled the researchers who attributed such reports to personal differences.

The research on sleep is carried on by the Sleep Research Foundation under a grant from the Simmons Company.

Under the direction of Chandler McC. Brooks, Brian F. Hoffman and E. E. Suckling assist the project in the department of physiology of the university.

Their study revolves around recordings made by an electroencephalogram. Its tracings resemble the pulsations of a lie detector machine.

It records the volume of electrical activity of the brain, which lessens markedly during sleep.

A record of blood pressure is made every five minutes during a subject's sleep. It shows that blood pressure goes down during sleep

IT'S A FACT — Sleep comes best in the first 80 minutes according to a 10-year study.

and the heart beat slows six to eight beats a minute from wakefulness to deep sleep.

It also indicated that the heart rate is more sensitive to quickening during the end of the night than when one first retires.

MOVES OFTEN
A sleeping person moves from one to two times an hour and more frequently during the end of the night.

What unhooks the conscious from the unconscious to put us to sleep is believed to center in the thalamus and reticular formation of the brain.

This is the mysterious function of sleep that puzzles physiologists. No one knows what happens.

Dr. Brian F. Hoffman says the importance of knowing more about the function of sleep is intensified with the flood of new tranquilizing drugs now available.

He said the newer ataratic drugs that temperature and discomfort are not supposed to sedate but enter into the problem of how well one sleeps, Dr. Hoffman said.

Another factor revealed in the study is that a sleeper's response to light and sound is greater in the sleeping brain than in the conscious brain.

Observers believe that this is part of the natural workings of the instinct of survival, and, despite dripping water faucets, we come awake when sudden light or sound disturbs our sleep.

How you slept, however, depends on several factors the scientists are unable to measure.

The surface on which you slept, the sounds and room darkness play an important role in how you sleep.

Subjects sleeping on a hard board or a feather bed didn't sleep as well as persons who slept on a standard mattress. This is attributed to the fact French and English.

Montreal 2nd in French

MONTREAL—Montreal, an island 30 miles long and 7 to 10 miles wide, is the world's second largest French-speaking community. The largest is Paris. Three fourths of Montreal's population are of French-Canadian origin. Most of the residents speak both French and English.

Ike Criticized for Cynicism

Kefauver Tells Farmers GOP 'Get Rich Quick' Plan Omits Them

YORK, Pa. (U-P) — Sen. Estes Kefauver accused President Eisenhower today of cynicism about Democratic efforts to maintain a prosperous family-farm economy in rural America.

"In case you missed the newspapers in the past day or two, I bring you the information that Gen. Eisenhower has come out against 'get rich quick' programs for the American farmer," the Democratic vice presidential candidate declared in a prepared address at the York County Fair.

He said Eisenhower made the comment at a press conference Tuesday. Kefauver said:

"Get rich quick! Let Mr. Eisenhower tell his banker friends he's against 'get rich quick' programs. Let him tell it to General Motors. Let him tell it to the well-heeled gentlemen he invites to those stag dinners at the White House."

"But don't let him tell one of the lowest income groups in the nation that he is opposed to their getting rich quick."

"I believe the farmers of America are ready to turn back to their true friends the Democrats. In discussing the farm problem with a questioner at his news conference, Eisenhower said:

"I have said time and again there are two things here we must do: we must preserve our most precious asset, our soil and water resources, for future generations and, at the same time, we must work out a program under which the agricultural community can share properly in our unprecedented prosperity."

"Now, if we are going to do that, it is going to take some patience and some working out. And people who get impatient and believe in get-rich-quick cures may disagree."

"My program along this line has been restated time and again. I follow principle, and if that is what they want, that is what I will give."

Collector Buys '38 Car Used by 3 Presidents

ST. PETERSBURG, Fla. (U-P) — A Cadillac convertible that transported three Presidents of the United States has found a permanent home in St. Petersburg. Dr. Paul F. Wallace, an automobile hobbyist, bought the nine-seat car last week after the White House replaced it with a later model.

The car was used by Presidents Franklin D. Roosevelt, Harry S. Truman and Dwight D. Eisenhower. It can attain top speed of 115 miles an hour. In 1952 it underwent an \$8,000 rebuilding job.

Wallace said yesterday he plans to keep the car as a museum piece. He did not disclose the price he paid a Cadillac agency for the 1938 model.

To Probe Tax Laws

WASHINGTON (U-P) — Rep. Mills (D-Ark.) said today a special House subcommittee to investigate operation of the tax laws has made plans for hearings in November and December.

City Traffic Death Toll Mounts

Pontiac's mounting traffic death fatalities from 1952-54 would be topped.

With three and a half months The safety record this year is left in 1956, it appears possible the "good," police feel, compared city's three-year average of seven with last year when 14 persons

Romance Ends in Death With Mystical Rendezvous

NEW YORK (U-P) — A 34-year-old chemist is being held as a material witness in the mysterious death of a pretty schoolteacher who apparently died of cyanide poisoning.

A judge yesterday ordered Hugo Seinfeld held in \$25,000 bail after the finding of the body of 25-year-old Avis Gray in a Riverside Drive hotel room.

The girl, fully clothed, lay sprawled on a bed. On the floor lay an empty champagne goblet. Champagne and other goblet lay on a table nearby.

Seinfeld, an Israeli citizen and a doctor of chemistry, told police of arranging a hotel rendezvous as a "farewell date" in their romance.

Seinfeld met Miss Gray in Istanbul, Turkey, where she taught English for two years at the American College for Girls.

The couple became "engaged," then the girl broke it off when she learned Seinfeld had a wife and three children living in Israel—according to the young woman's mother, Dr. Sarah Gray, a dental clinic supervisor for the city department of health.

Seinfeld said he recently obtained a divorce and wanted to marry Miss Gray. For some undisclosed reason, he said, she turned him down.

The couple met at the hotel room Tuesday. A discussion of their dilemma got them nowhere that night, Seinfeld said, and he poured crystals of sodium cyanide into a glass of water.

At Miss Gray's urging, he said, he took a walk to "think it over." When he returned about half an hour later, Miss Gray was dead, he said.

Determined to take his own life, he said, he penned a "suicide" letter to a brother-in-law, then put cyanide into a glass of champagne. He couldn't drink it. He tried to swallow the crystals from a piece of paper. He lost his nerve.

Last July 6, police said, Seinfeld was taken to Bellevue Hospital after swallowing an overdose of pills.

Some 12 hours after Miss Gray died, police said, Seinfeld walked into a police station to tell his story.

Asst. Dist. Atty. Manuel Guer-

reiro, who questioned Seinfeld for several hours, termed the death "suspicious."

Seinfeld formerly was a researcher at the Albert Einstein College of Medicine. More recently he was a research technician at Jacobi Hospital in the Bronx.

The dead girl's father Dr. Herman A. Gray, is an attorney and law professor at New York University.

died in traffic. There were seven traffic fatalities this time last year.

A Traffic and Safety Bureau summary shows 367 others were injured in 755 accidents through August. There were 383 persons receiving non-fatal injuries in 735 accidents through August, 1955.

CHILDREN STUCK

Last month there were 90 traffic accidents in which one died and 34 were injured. The latest death occurred in a Labor Day crackup.

Six injured during August were pedestrians. Five of these were children under 14. Two others were bicyclists under 14.

Police continued to list these major causes for accidents: Driving while drinking, speeding, failure to grant right of way and following too closely.

Drivers in 77 accidents last month were ticketed.

Pittsburgh Planning Duo-Stadium

PITTSBURGH, Pa. (AP) — As part of its redevelopment program, Pittsburgh is planning a combined indoor-outdoor auditorium to house "major league facilities" for sports and civic events.

It will be constructed on a 26-acre tract in midtown Pittsburgh near the Golden Triangle district. It is tentatively scheduled for completion in 1959 — Pittsburgh's centennial year.

It will have a vast retractable metal roof — a dome 415 feet in diameter, composed of eight sections which will tower 12 stories high. At the touch of a switch, six sections will slide over two other sections providing an outdoor amphitheater in the summer.

Seats will be provided for 7,500 to 14,000 persons, depending on the extent. There will be parking facilities for nearly 3,000 automobiles in and around it.

It is hoped by Pittsburgh officials that the new auditorium will make the city "major league" in such sports as boxing, basketball and hockey. The city also expects to gain a larger share of the convention business.

During the year the auditorium will house the Civic Light

Opera, musical shows and other presentations. Plans include provisions for air-conditioning,

acoustics, stages and facilities for radio and television broadcasts.

VERSATILE—Here's the architect's drawing of Pittsburgh's proposed new stadium and concert hall. It towers 12 stories high and the moveable sections provide for both indoor and outdoor events.

Need for a new auditorium was emphasized sharply several months ago when The Gardens, the only adequate sports arena in town, was ordered demolished to make way for apartment buildings.

TEAMS HOMELESS

As a result, the Pittsburgh Hornets of the American hockey League and the Duquesne University basketball team are homeless. There is speculation that the Hornets might be moved to another city until the new auditorium is completed. Duquesne, a national collegiate power, has accepted an invitation to share Pitt's basketball floor.

Major indoor boxing shows also are eliminated with the passing of The Gardens. Local promoters are looking forward to presenting main attractions in the new auditorium.

The Public Auditorium Authority of Pittsburgh and Allegheny County began acquiring property on the site early this year. It expects to have construction of the \$14,000,000 project under way by March 1, 1957.

Financing of the auditorium is being done in several ways. Pittsburgh and Allegheny County each have pledged \$1,500,000, while another \$2,500,000 was secured through public subscription. The remainder will come from bond issues and foundation grants.

Biggest Revolution in France Yet

Strippers Stir Sensation in Paris Nighteries

PARIS (INS) — Some 1,220 items of feminine wear are being shed nightly before bemused Paris theater and night club audiences in the biggest revolution in the French show world since the advent of the "Can-Can."

"Le strip-tease" is packing them in and knowledge circles in the French capital say it has now become a major attraction of Parisian night life.

So confident in the future are those connected with this form of entertainment that they are setting up a "strip-tease club de Paris," a professional association of young women who earn their living disrobing in public.

Veteran Paris showman Maurice

Poggi, who is backing the venture, told 'INS' the club's main aim will be the "protection of the moral and material interests of the artists."

Willman Attending Managers Meeting

City Manager W. K. Willman left Pontiac today headed for Banff, Alberta, Canada and the International City Manager's Conference, Sept. 16-20.

Some 800 city managers from all 48 states are expected to attend the annual affair.

Willman is expected to return Sept. 23.

The clubhouse in downtown Paris will feature a restaurant, a bar, a library and an artists' booking office.

A mathematically inclined French researcher has established there are 123 strippers appearing regularly in four Paris theaters and 19 night clubs.

With each of these discarding an average of 10 items during her act, he obtained the figure of approximately 1,220 pieces of apparel being doffed in public each night.

FROM U. S.

Poggi said the popularity of this

type of entertainment, virtually unknown in Paris until it was imported from the United States after World War II, reflected the growing desire of Parisian audiences to seek escape from everyday life at the theater.

"Parlor plays do not provide a sufficient sense of flight from reality," Poggi explained. "To many people, what happens on the stage looks to them like just an extension of their daily lives."

Poggi claimed that the elaborate "spectacle" shows of the fifties Bergere type, that made Paris famous, were also losing popularity.

"People are tired of looking at nudes on an assembly line basis. They want laughter and a large dose of sauciness," he said.

Poggi said that before attaining its present degree of popularity, strip-tease had to be adapted to French taste. He explained:

"For instance, bumps and grinds are out to a large extent. French people considered them as being in bad taste."

"We also had to make changes in the 'tease' part. You know how Frenchmen are impatient and we felt we should not keep them in suspense too long."

Inkster Councilman Decried by Villagers

LANSING (U-P) — A councilman in the village of Inkster, Norman A. Bock, is the target of a removal demand sent by village residents to gov. williams.

The petition, bearing 504 signatures, was received in the governor's office yesterday.

It listed 13 charges against Bock. One alleged he used his official position to swing village building contracts to a construction firm in which he had an interest.

The petition was referred to the attorney general's office for examination as to legal sufficiency.

The governor's office said the next step will be decided after completion of this scrutiny.

Model Car Contest Offers 18 Scholarships

DETROIT (INS) — The Fisher Body Craftsman's Guild announced today 18 university scholarships plus \$77,000 in cash and other prizes will be awarded in its 1957 model car competition.

Guild Secretary James P. Wines said enrollments for the contest are being accepted.

Wreck Kills 1, Hurts 5

65, of Detroit, was killed Wednesday and five persons were injured in a two-car crash on M15 two miles east of Saginaw.

Talmadge Wins Bid for Senate

Pick Herman to Carry Georgia's Racial Stand to Washington

ATLANTA (U-P) — Georgia's successor to veteran U.S. Sen. Walter F. George will be Herman E. Talmadge, 43-year-old staunch racial segregationist.

Talmadge rode to victory yesterday in the Democratic primary — equivalent to election in this state — over Melvin E. Thompson, whom he has twice defeated for governor, but never by such a smashing margin as in the Senate race.

Thompson, also a former governor, consoled himself that he polled more than 100,000 votes, or more than a fifth of the total.

Talmadge led in all of the counties heard from — 147 of a total of 159 — and had 378 of the decisive county units in his column to none for his rival. He had appealed in his campaign for an "overwhelming mandate" to carry his battle for "local self-determination" — and racial segregation — to the congress.

The popular vote count from 1,286 of the state's 1,738 precincts gave Talmadge 372,907, Thompson 105,907.

The 77-year-old George, now President Eisenhower's personal representative to the North Atlantic Treaty Organization, first announced for renomination but changed his mind in the face of a Talmadge threat of a hot summer political fight.

Six of the state's 10 U.S. representatives had opposition but all won handily.

Nehru-Eisenhower Talk Unlikely in Near Future

NEW DELHI, India (U-P) — A government spokesman said today talks between Prime Minister Nehru and President Eisenhower "are not likely to take place in the near future."

He confirmed a fresh invitation from Eisenhower had been accepted by Nehru about a month ago, but said the date of the visit was not set. A visit by Nehru to Washington last summer was canceled because of the President's illness.

Machinists Face Vote on Monthly Dues Hike

SAN FRANCISCO (U-P) — The International Assn. of Machinists, facing negotiations this year in the aircraft and guided missiles industry, voted yesterday to double minimum dues and set up a multi-million-dollar strike fund.

The decision, subject to approval by the union's 936,000 members, would raise minimum dues from \$2 monthly to \$4. The strike fund would pay \$35 weekly from the national treasury to strikers.

Drayton Truck Driver Wins Safety Award

Eugene Sutphen of 6789 Maceday Dr., Drayton Plains, was one of three men honored by the Michigan Trucking Assn.

The Association reported today that Sutphen, driver of the month for May along with Ralph Howe of Bay City and Glenn C. Raupp of Melvindale top drivers for April and June, chalked up four and a half million driving miles without a chargeable accident.

Sutphen who makes three round trips to Chicago weekly has been with the company for 14 years. The three received \$50 and certificates from the MTA.

Gussy Moran Files Annulment Action

NEW YORK (U-P) — Former tennis star Gertrude (Gussy) Moran, famed for wearing laced-edged panties under her short court skirt, has filed an annulment action against her husband of five weeks.

Miss Moran, 31, was married last Aug. 7 to Thomas J. Corbally, 35-year-old industrial engineer. Since then, she contended in State Supreme Court, she and Corbally never lived as man and wife.

Services Tomorrow for Financier Bray

DETROIT (INS) — Funeral services will be held tomorrow for Charles A. Bray, 82-year-old financier and builder who died in Detroit's Henry Ford Hospital yesterday after a brief illness.

Bray, who was born in Toledo, lived in Detroit for 65 years. He was former secretary-treasurer of the A. J. Smith Construction Co.

Detroit Car Lot Opens

DETROIT (INS) — Detroit's \$300,000 Livernois-Fenkell parking lot formally opens tonight. Grand opening ceremonies will include

free parking for the evening and valuable prizes to lucky parkers. The nation's investment companies now hold some \$1,178,924,000 worth of oil stocks.

Make Jam and Conserve Now

When your children come home from school, will they have a piece of bread and jam for a snack? They will, if you have been making a batch of jam or jelly or conserve.

Grape Butetr

1 cup (2 lbs.) sugar
1/2 cup (2 1/2 oz.) powdered fruit pectin

A conserve is simply a thick, rich mixture of fruit chunks and raisins cooked in sugar, and nut meats. One of my food memories is of a delicious rhubarb, orange and almond conserve my grandmother made. I've never found the recipe for it, but how I'd like to! If you want to try something different this year, try a Plum Conserve like this one:

Plum Conserve

8 cups chopped plums
Juice of one lemon
1/2 teaspoon salt
1 large stick cinnamon
8 cups sugar
2 cups raisins
1/2 cup chopped walnut meats

Wash, pit and cut plums in half pieces. Place in saucepan. Add lemon juice, salt and cinnamon and cook until plums are soft about 15 minutes. Add sugar and raisins. Cook until thick. Remove cinnamon. Add walnuts. Pour, boiling hot, into jars. Seal at once. Yield: 2 1/2 pints.

Our present short-cut methods of jelly making take a lot of work out of the process. You still have to prepare the fruit, but the long cooking time has been eliminated by use of pectin.

It is possible to make both jelly and butter from one batch of Concord grapes. Perhaps you can set aside a day for this double duty task.

First, prepare the fruit. Stem about 6 pounds fully ripe Concord grapes and crush thoroughly. Add 2 cups water; bring to a boil and simmer, covered, 5 minutes. Place in a large sieve lined with a double thickness of cheesecloth. Drain and measure 5 cups juice into a very large saucepan. Use juice for making jelly; use fruit remaining in sieve for making butter.

Grape Butter

6 1/2 cups (2 1/2 lbs.) sugar
1 box (2 1/2 oz.) powdered fruit pectin
1/2 cup (2 1/2 oz.) juice

Second, make the jelly. Measure sugar and set aside. Add powdered fruit pectin to juice in saucepan and mix well. Place over high heat and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with metal spoon, and

pour quickly into glasses. Cover jelly at once with 1/4 inch hot paraffin.

Then make the butter. Measure sugar and set aside. Put fruit pulp through sieve. Measure 5 1/2 cups pulp into a very large saucepan. Add powdered fruit pectin and mix well. Place over high heat and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with metal spoon, and ladle quickly into glasses. Cover butter at once with 1/4 inch hot paraffin.

Tomato Jam is used by many people as a delicious accompaniment to meat dishes. There's nothing to prevent your serving it as a regular jam.

Tomato Jam

3 cups prepared tomatoes (about 2 1/2 pounds ripe tomatoes)
1 1/2 teaspoons grated lemon rind
1/2 cup lemon juice (2 lemons)
6 1/2 cups (2 1/2 pounds) sugar
1 bottle fruit pectin

First, prepare the tomatoes: Scald, peel, and crush about 2 1/2 pounds ripe tomatoes. Bring to a boil. Simmer, uncovered, 10 minutes. Measure 3 cups into very large saucepan. Grate rind from 1 medium-size lemon, add 1 1/2 teaspoons to tomatoes. Squeeze the juice from 2 lemons; add 1/2 cup to tomatoes.

Then make the jam: Add sugar to fruit in saucepan and mix well. Place over high heat, bring to full rolling boil, and boil hard 1 minute, stirring constantly. Remove from heat and at once stir in pectin. Then stir and skim by turns for 5 minutes to cool slightly. Ladle into glasses. Paraffin at once. Makes 9 medium glasses.

For spiced tomato jam: Add 1/2 teaspoon each allspice, cloves, cinnamon; or Worcestershire sauce to taste.

Chutneys are also good accessories to meat. Originally they were a pickle made in India. In America they are based on tomatoes, apples, peaches, or in this particular case pears.

Pear Chutney

1 large onion (chopped)
1 medium-sized apple (peeled and chopped)
1 1/2 cups dark brown sugar (firmly packed)
1/4 cup cider vinegar

water and drained)
1/2 teaspoon salt
1/2 teaspoon mustard seed
1/2 cup seedless raisins (rinsed in hot water)
1/2 teaspoon allspice
1/2 teaspoon cloves
1/2 teaspoon ginger
1 can (1 pound and 13 ounces) pear halves
2 cloves garlic (minced)
2 cloves onion and apple, 1/4 cup of the brown sugar, vinegar, raisins, salt, mustard seed, allspice, cloves, ginger and garlic in a 3-quart kettle. Stir over low heat until sugar dissolves; bring to a boil; boil gently about 15 minutes.

Add remaining 1 cup brown sugar and pears, including juice from can; boil gently until there is only a little liquid left—35 to 45 minutes. Stir often, especially toward end of cooking period. Makes 1 1/2 pints. Store in tightly covered jars in refrigerator.

We would remind you that making jam and jelly in small amounts is the only way to get perfect results. All the reference books tell us never to double the recipe. I tried it once and ended up by throwing the resultant mess in the garbage. Take time and pains and you'll be rewarded by perfect products.

For a final recipe we would commend this Grape and Pear Jam. An inn in Vermont features it on the menu.

Grape and Pear Jam

4 cups prepared fruit (about 2 pounds ripe grapes and 1 pound ripe pears)
1 cup (2 pounds) sugar
1 bottle liquid fruit pectin

First, prepare the fruit. Slip skins from about 2 pounds fully ripe Concord or other loose-skinned grapes. Bring pulp to a boil and simmer, covered, 5 minutes. Then sieve to remove seeds. Chop or grind skins and add to pulp.

Peel and core about 1 pound fully ripe pears. Grind or chop

Chill Evaporated Milk, for Successful Whipping

Evaporated milk will whip stiff if thoroughly chilled beforehand. Pour the milk into an ice cube tray and chill it until ice crystals form around the edge. Bowl and egg beater should be refrigerated until cold too.

To increase stability after whipping, beat in two tablespoons of lemon juice for each cup of evaporated milk used ... measured before whipping.

The average 2-lb. sugar beet contains 14 teaspoonsful of sugar.

very fine. Combine fruits and measure 4 cups into a very large saucepan.

Then make the jam. Add sugar to fruit in saucepan and mix well. Place over high heat, bring to a full rolling boil, and boil hard for 1 minute, stirring constantly.

Remove from heat and at once stir in liquid fruit pectin. Skim off foam with metal spoon. Then stir and skim by turns for 5 minutes to cool slightly, to prevent floating fruit. Ladle quickly into glasses. Cover jam at once with 1/4-inch hot paraffin.

Cook Scallops in Spanish Wine

Scallops are among the most delicious of the gifts we get from the sea, and the secret of their preparation is to cook them quickly to preserve the delicate flavor.

a half pounds of scallops that have been washed and dried. Then saute them quickly in six tablespoons of butter. They should just be heated through, browning lightly.

Remove the scallops from the skillet, then add to the pan two-thirds of a cup of dry Spanish sherry—a fine or amontillado—simmering for two minutes.

Pour the sherry over the scallops and sprinkle with a quarter cup of chopped parsley. Serve immediately with rice or noodles. A glass of chilled fino or amon-

tillado is an excellent accompaniment.

Despite cantaloupe's satisfying hint of sweetness, half a melon contains only 37 calories. The melon is high in vitamins, particularly vitamin A.

Cook a package of frozen mixed vegetables and drain; mix with mayonnaise and lemon juice. Juice on salad greens as an accompaniment to cold meat.

Diet Can Include Wee Bit of Candy

By **JOSEPHINE LOWMAN**
It takes energy just to stay alive. Even when we sleep our bodies use some of this precious stuff. The greater our activity the more energy we require.

So often when writing about reducing I warn my readers to leave off candy and so forth. The calorie count is so high that if we ate much of it while losing pounds we would not have enough calories left on our diet for absolutely essential foods. However, even the

reducer must have some carbohydrates in her slimming diet.

You often will see the baked potato on my reducing diets. I

do warn you about using too much butter on it. You will find breads with the same warning. You may sometimes see whole grain cereals, with the suggestion that you use skim milk instead of cream.

But if your greatest trial in reducing comes from leaving off sweets you can follow the evening meal with a couple of small pieces of hard candy, but do not go haywire with this.

A moderate amount (and I mean moderate) of hard candy taken after meals can be advantageous in avoiding fatigue and is also good psychologically.

Sugar always has been known to be a source of quick energy because it is rapidly digested and absorbed into the blood stream. That is why athletes often munch on candy before a contest.

DON'T TAKE A MILE:
I really hesitate to mention this because, being human, if I give you an inch you probably will take a mile, and you cannot afford to if you are going to lose those pounds!

One reason for the fatigue women experienced when reducing a number of years ago was the lack of any carbohydrates in their diet, and also because of a low protein intake. Only a rabbit can subsist happily on salad greens!

If you would like to have my calorie chart so that you can count your calories send a stamped, self-addressed envelope along with your request for leaflet No. 36. Address Josephine Lowman in care of The Pontiac Press.

Tomorrow: "Old Faithful" Exercise Is Sure to Reduce Hips."

If your greatest trial in reducing comes from leaving off sweets, you can follow the evening meal with a couple of small pieces of hard candy, but do not go haywire with this.

Hold Kickoff to Promote PTA Magazine

Seventeen magazine chairmen members, each representing a different PTA local, met with Mrs. George Gray of East Yale avenue Tuesday for a kickoff breakfast to promote the "National Parent-Teacher" the PTA magazine.

The magazine contains articles on health, discipline, human relations, home and family life, child care, character, recreation, domestic and world affairs.

Features of the magazine deal with movies, radio, television, comic books, books for parents and children, child welfare bills before Congress, and current problems in school education.

The National Parent-Teacher is a non-profit publication. Its income is derived exclusively from subscriptions and is expended only to extend the magazine services.

Mary Jane King to Wed on Oct. 13

Mr. and Mrs. Donald B. King of East Pike street announce the engagement and approaching marriage of their daughter, Mary Jane, to Willis Leist, son of Mr. and Mrs. William C. Leist of Milford. The couple will be married Oct. 13 at Oakland Avenue United Presbyterian Church.

Club Will Send Representative to Toledo Meet

Pontiac Chapter of the National Secretaries Association International will be represented at the first Great Lakes district meeting to be held in Toledo, Ohio, Oct. 5-7.

Plans were made at the Wednesday evening meeting held at Hotel Waldron.

The invocation was given by Mrs. William Robinson and Edyth Perry conducted the business meeting. It was announced that there are 20 new Michigan Certified Professional Secretary certificate holders, among them Mrs. Harry Ault of the local chapter.

Hostesses for the Oct. 10 meeting will be Mary Eleanor Lockman and Mrs. Charles Renwick.

Some 3,700 persons were killed and 310,000 injured while at work on American farms in 1955.

But—There Are Diehards

Newest 'Fair Lady' Look to Invade College Campus

Smart or swill go back to school this fall looking much more elegant and feminine than they have in lo. these many years.

The new "fair lady" look of fashion seems to have accomplished what the combined efforts of teachers, parents and fashion writers have failed to do until now—take college girls out of blue jeans and into feminine clothes.

Of course there will be some diehards, especially among Eastern women's colleges, but the majority of college girls throughout the country will welcome a return to flattering ladylike clothes this fall.

The Directorate look is important in campus styles as it is throughout the entire fall fashion lineup. You

identify it immediately in the placement of the waistline, high under the bosom; in the slender skirt animated with panels and easy drapery; in the new dimension of hats, the tapered-toe shoes, the prevalence of hoods.

Being in constant touch with the fashion moods of the young, St. Louis designers spotlight the new romantic feeling in their collections of junior styles for fall. There's a new softness and elegance to dresses and suits, a new feminine air to everything except strictly casual sports clothes.

In the last category the "Ivy League" look is the thing, apparent in separates and coordinates with styling borrowed from the boys. It is identified by the narrow-lapel box jackets and blazers, Bermuda shorts with buckles in back, dark striped boy shirts and even caps.

Period Chairs Deserve Place in the Limelight

NEW YORK (INS)—Don't underestimate the power of theatrical drama as applied to the old home-stead.

For instance, if you have two favorite chairs there's nothing more effective than giving them the benefit of a corner spotlight.

Set them off to one side of a room at either side of a small, elegant table which reflects the period of the chairs.

If the chairs happen to be after Louis XIV, then decorate the table accordingly in materials reflecting the period, or if they should be Early American, then use a material with cross-stitching or a provincial print.

Another dramatic effect, as displayed in the national home-furnishings show in New York, can be achieved by emphasizing a bed in a room of soft hues.

One such display, by Patricia Harvey, showed walls of soft tans and browns sparked by a bed with an emerald-green spread and emerald-green headboard.

Another dramatic room was a dinette showing sunset red rattan chairs with contrasting yellow seats flanking a three-tiered table which was topped by a red and white sailcloth awning.

Women's Auxiliary Votes to Join C. of C.

Mrs. E. J. Duffy presided at the Tuesday evening dinner meeting of the Ladies Auxiliary to the Pontiac Master Plumbers Association, held at Hotel Waldron.

During the business meeting the group voted to join the Pontiac Chamber of Commerce and plans were made to attend the showing of "The Seven Wonders of the World," Sept. 30 in Detroit.

Mother's Words Reflect Hard-Earned Experience

Daughter, 17, Should Profit by Advice Against Marrying Too Young

By **RUTH MILLETT**
She married at 17 but she doesn't want her daughter to marry at the same age.

That doesn't seem either fair or logical to the daughter who asks, "If Mother married when she wanted to is it right for her to try to talk me into waiting until I'm older, even though I don't care about going to school any longer? I'm 17—exactly the age my mother was when she and Dad got married."

If your mother ever secretly regretted marrying so young and cutting her own girlhood short, if she ever felt that she would have been better prepared for marriage if she had waited a few years, if she ever dreamed of giving you a better education than she had, then she certainly has the right to try to talk you into putting off marriage until you are older.

At 17 your mother was as young and inexperienced as you are at the same age. Today she is older and wiser and she is talking to you

as a woman who knows and understands a great deal more than she did as a girl.

Listen to her. Benefit by her own experience. Give her a chance to offer you the opportunities a mother wants to give her daughter.

And remember, too, that education is becoming more important every year, as more and more girls are getting college degrees before settling down to marriage.

It is also true that more and more wives are finding it necessary to work to help supplement their husband's income. The better education you have the better job you will be able to get in case it ever becomes necessary for you to work.

Your mother is talking sense. So pay attention. She is speaking from experience. Also, she is offering you something she denied herself—a carefree youth and all the education you are willing to get before taking on the responsibilities of marriage and a family.

'Christian Living' Program Topic

"Christian Living-Family Style" by Betty Ormslee Mould is the topic chosen for study by members of the November group of First Presbyterian Church. Mrs. Richard Ferris reviewed the book for the group.

Mrs. Keen Haddad of West Sheffield avenue was hostess at the Tuesday meeting. Mrs. William Godfrey assisted the hostess.

Luncheon plans for Oct. 23 were made by the group and refreshments were served at the close of the meeting.

HELEN M. HARRIS

Speaker at the Monday luncheon meeting of the Pontiac Women's Club will be Helen M. Harris, president of the Michigan State Federation of Women's Clubs. "Choose Ye Whom You Will Serve" is the subject of the speaker's talk scheduled for 12:30 at Teds.

Secretaries of Solons Plan 'Fling'

Senate Staff Club Set for Junkets to Cuba, New York

By JANE EADS

WASHINGTON—The Senate Staff Club, made up of secretaries and aides to Capitol Hill solons, is taking politics with an 11-day fling in Cuba, an October weekend in New York, a Florida sojourn in November.

Mindful of their bosses' need for them in this busy pre-election season, the boy and girl Fridays are lining up for these several escapist junkets only at the times when their senators need them least.

The club, organized about four years ago, boasts some 300 members—private secretaries, committee secretaries, administrative assistants and others, with the senators themselves honorary members.

It is comparable to the Congressional Secretaries Club, made up mostly of people working for House members, which also is planning inexpensive package trips to get the legislative kinks out of members' systems.

OFFICERS LISTED

Joe McSweeney, secretary to Sen. Edward Martin (R-Pa.), is president of the Senate Staff Club; Kay Jensen, private secretary to Sen. Thye (R-Minn.), is vice president. Diane Kaseman, who works for Senate sergeant-at-arms Joseph Duke, is treasurer, and also chairman of the Cuban trip.

"We all know each other on the Senate side," Diane told me. "We like to get together for some good times every other month or so and always have a big 'do' when Congress adjourns, with refreshment and food."

"We never discuss politics. There'd be no hair on our heads after meetings, if we did," she added.

PARTY IS SEND OFF

As a gala send off for the group to his homeland, Cuban Ambassador Aurelio F. Conchoso gave an embassy cocktail party.

Plans in Havana included a party hosted by President Batista at the Presidential Palace. There was also to be a trip to fabulous Veradero Beach, a night club tour and a visit to the countryside surrounding Havana.

"There are 10 men to every girl in Cuba," Miss Kaseman said. "Our bosses seemed to think it fine for us to go."

"They think the girls need a little relaxation. They say it keeps them in shape."

Send 25c in coins, your name, address and the PATTERN NUMBER to ANNE, CABOT, The Pontiac Press, 372 W. Quincy Street, Chicago 6, Illinois.

Now available—the colorful 1956 Needlework ALBUM containing dozens of lovely designs from which to choose more patterns in crochet, embroidery and knit—plus 3 gift patterns, directions printed in book. Only 25c a copy!

Gold Star Moms Hold Meeting

American Gold Star Mothers Inc. Chapter Nine, met at the Henry Clay avenue home of Mrs. John Stockwell Tuesday evening. Mrs. William Schunck spoke of the work of the Volunteer Service Bureau and recruited new workers for the Bureau.

William Stormer of the Pontiac Memorial Chapter 101, Disabled American Veterans, also spoke briefly during the meeting.

Plans were made to sew for the American Cancer Society. Members will meet at the home of Mrs. Louise Gutson at Proud Lake Sept. 14 to work on this project. A similar meeting is planned for Sept. 20 at the home of Mrs. Pearl Kline in Rochester.

Parental Devotion Is Smothering

By ANNE HEYWOOD

One need which we have as long as we live is the need to be needed. Sometimes, it seems to me, this increases with age.

Older people, no matter how good their health or how comfortable their financial situation, are going to be miserable if nobody needs them.

But, a thing we sometimes forget, it must be a valid need, not an unhealthy one.

Too often, an older couple will smother their children and grandchildren with expensive gifts, will work overtime as babysitters and devote their lives to their grandchildren because of a need to be needed.

But this is filling that need the wrong way. It weakens the children and does nothing to contribute to the real self-development of the oldsters.

BORN EAVESDROPPER

That is a mistake which Mr. and Mrs. J. made for some time, but no longer.

The reformation came about, as Mrs. J. confessed, "I'm a born eavesdropper. I'm ashamed to say I did eavesdrop one day on our daughter and son-in-law."

"We were visiting them and had brought clothes and toys for the kiddies. We told Hazel and her husband to go off for a nice weekend, that we'd take the children over."

"I went upstairs," Mrs. J. went on. "And was standing at the bedroom window when suddenly from below, on the terrace, I heard Hazel and Bob talking."

"I can't stand it, either," Hazel was saying. "They are killing us with kindness. I don't want a nice weekend away. I want our own house and our own children to ourselves! But the poor things have nothing else to do."

FIND NEW PROJECT

Fortunately, Mrs. J. and her husband catch on quick. They realize they had been smothering their children and they took steps right away to get a project, a life of their own.

"That very weekend," Mrs. J. told me, "we went back home and decided to do something we'd always wanted to do—start a picture-framing service."

"My husband is handy at such things and our community needed a good picture-framing service."

"We got a gift shop to let us put a sign up in their window

and now we have quite a few customers for our service."

"My husband does the actual framing, to order, and I do the bookkeeping and handle the customers."

"And it's wonderful to have

something to occupy our time—something all our own!"

If picture framing interests you, send me a stamped, self-addressed envelope in care of The Pontiac Press, and I'll send you a list of good books on the subject.

(Copyright 1956)

Geologists estimate that the lay at the bottom of a sea that weirdly shaped rocks now visible once covered Colorado hundreds of in Colorado's Garden of the Gods millions of years ago.

ON THE DOUBLE — Brooklyn's double play combination of Jim Gilliam and Pee-wee Reese are a high-flying pair at second base as Felix Mantilla of the Braves is erased in the first out of a twin-killing at Ebbets field. The Braves won, 8-7, to regain National League lead.

In Saturday's Press

Top Coverage Coming

All of the leading prep football games getting under way with area schools Friday will have on-the-spot coverage by members of Press sports department and a staff of correspondents.

Game accounts direct from the scenes of action tomorrow will have:

H. Guy Meats at Wyandotte reporting the season on the Pontiac Chiefs.

Bill Cornwell will be on the scene Friday afternoon at Bloomfield Hills where the Barons open with Oak Park; and Friday night he will write the details on the St. Michael's-Avon-dale clash.

Bruce Kearns has Birmingham's traditional game with Southfield Friday afternoon coming your way.

Chuck Abair will be at Lake Orion where Clarkston opens against the Dragons.

Paul Ripley is set to do the account of the Waterford-West Bloomfield meeting.

These and the results of all the other area games will be found in Saturday's Press sports pages.

Braves Back on Top After 8-7 Victory

BROOKLYN (AP)—In one ball game, probably the biggest one of the year for Milwaukee, the Braves shoved the charge down the throats of their critics who had maintained all along that the league-leaders would wilt with the mounting pressure.

If ever there was a "pressure" game, it was yesterday's which the Braves won from the Dodgers 8-7, after a string of misfortunes that would have discouraged an-

other club, and took a one-game lead over second-place Brooklyn. It was a game that could have been lost several times and in several ways, yet the Braves fought back after each disappointment.

No wonder Joe Adcock, one of Milwaukee's big heroes, sighed in the clubhouse after the game: "It was the toughest game I ever played in my life; and the most important we ever won."

No wonder Danny O'Connell and other hero yesterday, looked around defiantly at the visiting newspapermen and shouted: "Who's choking up now?"

Pair Seeks \$500,000
in Deaths of Mates

DETROIT (INS) — Two widows with a total of 22 children filed a \$500,000 damage suit against the Chesapeake and Ohio Railroad yesterday in the deaths of their husbands, killed when their car was hit by a C & O train.

Mrs. Virginia S. Salois, mother of nine youngsters, and Mrs. Evelyn Orsette, who has 13 children, each seek \$250,000 in the federal court suit.

Charles E. Munyon, 65, seeks \$100,000 for injuries suffered in the same crash.

The suits charge the train approached a crossing in Romulus in January, 1935, without proper use of safety devices and without adequate warnings or signals.

Sentence Bank Robbers

DETROIT — Three Ann Arbor men convicted of robbing the McPherson State Bank in Pinckney of \$4,347 March 13 were given sentences of 10 to 15 years today. Federal Judge Ralph Freeman sentenced Charles Howard and Robert Davidson, both 25, to 10 years and James L. Walling, 26, to 15 years. The trio was captured 30 minutes after the stickup.

Dehoco Matron
May Lose Job
for Aiding Inmate

DETROIT (INS) — The career of a Detroit House of Correction matron may end today because she tried to relieve the dreary hours of a girl inmate.

Mrs. Mary E. Garvey, 65, goes before the House of Corrections Commission today on charges of conduct unbecoming a matron and dealing in contraband.

Mrs. Garvey, a staff member of the institution for 25 years, admits accepting one dollar in change from the girl to bring her thread and handkerchiefs for embroidery.

It is a violation of penal institution rules for an inmate to have money. Any cash found by guards and matrons must be turned in.

\$215 Million Set
to Build in State

Report Says Michigan Has 347 Big Projects Under Way

LANSING — Michigan has major capital improvements worth at least \$215,476,133 in the works, mostly for completion in 1937 or later.

The State Department of Administration says additions or changes in projects on the drawing board might boost the over-all figure a little.

The 347 projects mentioned in the department's semi-annual report all are valued at \$20,000 or more.

They are either under construction, authorized and appropriated for or in the planning stage.

OTHER PROJECTS
The state also has about 500 minor capital outlay projects going on at cost less than \$20,000 each.

Of the total involved in major projects, \$106,396,665 is available. The rest will have to be set aside by future Legislatures.

Much of the work will take years to complete.

The University of Michigan's share in the program is slightly more than 45 million dollars. Michigan State University's is about 22½ million.

Steal 10 Cases of Pop

Thieves entered through an unlocked door of a soft drink company warehouse on the 4-H Club Fairgrounds at N. Perry street and Pontiac road and stole 10 cases of pop Tuesday night, Pontiac Police said.

Poultry

CHICAGO, Sept. 12 (AP)—Live poultry weaker on caponettes, about steady on hens and young stock. Receipts 1,097 cases (yesterday 1,932; 201,000 lbs.) f.o.b. Chicago. Calves—Salable 125. Vealers opening about steady on small early supply; few sales good and low choice vealers 20-25-30; high choice and prime held up; 27-30; high choice and prime held up; commercial grades 15-20-25; cull and utility 10-12-15-20.
Sheep—Salable 250. Market not established.

J. L. Hudson Shifts
Top Store Officials

DETROIT (INS) — Several top-level management shifts were revealed today by the J. L. Hudson Co., of Detroit.

Oscar Webber, company president, also has resumed the title and duties of general manager.

Lewis B. Sappington and Read Jenkins, now vice presidents, were elected executive vice presidents and Frank Colombo, basement store manager, was elected to the board of directors.

Grain Market
Shows Gains

CHICAGO — Export business gave wheat a boost in early dealings on the Board of Trade today, but the rest of the market was not able to make much forward progress.

Wheat ran up a cent at best, profit-taking and hedging pressure checking the advance. Corn stabilized after the drop of the previous session, but could not score a substantial rally. Soybeans held steady in sympathy with gains in soybean oil.

Wheat near the end of the first hour was unchanged to ¼ higher, Sept. \$2.24½; corn ¼ lower to ¼ higher, Sept. \$1.47½; oats ¼ lower to ¼ higher, Sept. \$1.54½; soybeans ¼ lower to ¼ higher, Sept. \$2.23¾; and lard 5 to 15 cents a hundred pounds higher, Sept. \$11.20.

Grain Prices

CHICAGO GRAIN
CHICAGO, Sept. 12 (AP)—Opening grain prices:
