3 Die on County Roads

Crash Kills Oxford Area Youth

DEATH CAR — This auto, the front end of it completely demolished, carried an Oxford Township youth to his death early today and injured two other youths. An unidentified man is shown here inspecting the inside of the car. Witnesses said the car went out of control while attempting to pass a gravel truck. The driver, Albert D. Reeder, 18, was dead on arrival at Pontiac General Hospital.

Head-On Crash in Lapeer Kills Pontiac Woman

Youth's Car Traveling at High Speed Strikes Abutment on M24

An accident on M24 north of Silver Bell road, Orion Township, shortly before 9 a.m. today brought the Oakland County traffic death toll to three since early Sunday.

A Pontiac woman was also killed early Saturday evening in a collision in Lapeer County.

Dead are: Albert Reeder, 18, of 1540 Lapeer Rd., Oxford Township; Mrs. Helen Hough, 47, of 170 State St.; Roy Landon, 16, of Grand Blanc; and Samuel Billingslea, 28, of 1530 Seward Ave., Detroit.

Reeder was dead on arrival at Pontiac General Hospital at 9:35 a.m. today.

He was pronounced dead by Oakland County Deputy Corner Dr. Isaac Prevette. Reeder was driving south on M24 at a high rate of speed when he lost control of his car, Oakland County Sheriff's deputies said.

The auto was reportedly attempting to pass a gravel truck when the truck pulled out to pass another truck. The car then veered to the right and attempted to pass both trucks on the right shoulder, but lost control striking the abutment, said witnesses.

Injured were two passengers, Joel Clouse, 19, of 800 Highview St., Lake Orion, and his brother Mack, 17.

No reports on the two have been released by the hospital as yet but neither sustained critical injuries, a hospital spokesman announced.

Mrs. Hough was pronounced dead at the scene of a headon collision on M53 about four miles north of Imlay City, in Goodland Township, according to Lapeer County sheriff's deputies.

The accident occurred at 6:05 p.m. Saturday. She was driving.

A passenger in the Hough auto, Irene Bergeron, 43, of 41 S. Jessie St., is reported in serious condition at Mariette County Hospital.

The driver of the other car, Norman B. Kloc, 31, of Mariette, is also in serious condition at the hospital.

Deputies said the Kloc auto go-

ARRIVES FOR CONFERENCE — A somber Sherman Adams arrived by helicopter at the Newport, R. I., naval base this morning to confer with President Eisenhower at the vacation White House. The President's top aide was rumored ready to resign because of the Goldfine case. Adams goes before the nation on radio and television tonight to reveal whether he'll resign.

Ike's Assistant to Make Speech Over Television

Confers With President Behind Closed Doors, Refuses to Comment

NEWPORT, R.I. (AP) — Sherman Adams will make a nationwide television-radio address tonight from Washington to announce whether he is going to resign or stay as President Eisenhower's chief aide.

The networks have offered press secretary James C. Hagerty in Newport, broadcast time for Adams beginning at 5:35 p.m. to 5:45 p.m., EST. Adams was expected to speak less than 10 minutes.

If Hagerty suggests other air time, the networks would attempt again to rearrange their schedules.

The announcement of Adams' plans came after he held a dramatic conference with Eisenhower at the summer White House.

★ ★ ★

Reports circulated that Adams was bowing to Republican clamor and had resigned, but neither Adams himself nor James C. Hagerty, Eisenhower's press secretary, would say.

Adams emerged unsmiling from an hour's conference with President Eisenhower and strode into a security-restricted area barred to newsmen by a Marine guard.

He had arrived unexpectedly by helicopter from Washington at 8 o'clock this morning. Newsmen shouted questions to him over the roar of the copter engine, and he shouted back that he had no statement.

★ ★ ★

Adams was greeted by Hagerty and Capt. E. P. Aurand, Eisenhower's naval aide.

The wiry, 59-year-old Adams, turned on his heel and walked off without a word when newsmen asked whether he had quit.

Adams apparently saw Eisenhower at least a second time before flying back to Washington for tonight's TV-radio address.

Asked whether that in that address Adams will disclose whether he plans to quit or stay, Hagerty replied that is the case.

Hagerty dictated this prepared

GM, Chrysler Resume Bargaining With UAW

DETROIT, (AP) — General Motors and Chrysler, both strike targets for the United Auto Workers Union, resumed bargaining with the UAW today in efforts to reach new contracts and head off any walkouts.

UAW officials expressed confidence Saturday that negotiations with Chrysler could result in a contract by tonight. They were not so optimistic today.

At GM, the union was to offer countering proposals dealing with alleged wage inequities.

GM and Chrysler offered to the UAW Saturday three-year contracts almost identical to the one which Ford and UAW agreed on Wednesday.

UAW President Walter Reuther said he would not accept from GM or Chrysler a carbon copy of the Ford settlement, but he indicated the offer made Saturday supplied a basis from which to work for ultimate settlement.

The UAW has an 11 a.m. Sept. 30 strike deadline at GM if no contract agreement is reached.

Reuther and other top officers of the UAW have been given authority by the union to call a Chrysler strike whenever they feel it necessary.

Reuther said that since GM has four times as many plants and nearly four times as many workers as Chrysler there are many more local problems at GM and that makes negotiation a slower process.

GM Offer Page 24

Reuther and his top aides at the GM negotiations made it plain that one of their principal objectives would be the correction of what they called wage inequities of GM workers doing the same jobs in plants less than 100 miles apart.

The UAW says that in some of these cases workers in cities less than 50 miles apart have a wage difference of 10 cents an hour.

GM said it could recall no such spreads and asked the union to back up its statements at bargaining talks today.

A strike of skilled tradesmen over wage provisions in a new United Auto Workers contract crippled production anew today at the Ford Motor Co.'s huge Rouge plant.

'Sales Up 40 Per Cent'

Pontiac Festival Response Big

Public response to the five-day Downtown Pontiac Festival exceeded all expectations and continues at a terrific clip, participating merchants report.

Sydney Barnett, of Barnett's Men's Clothes Shop, stated his sales were up 40 per cent during the first three days as compared with a year ago.

The festival continues today ending at 5:30 p.m. Tuesday.

Barnett hailed the festival as "the greatest thing to hit this town."

"The response has been tremendous," he said, "Everyone is in good humor and excited about the whole thing."

★ ★ ★

Tom Brown, manager of Shaw's Jewelers, termed the five-day festival of fun and bargains "very successful."

"It brought a lot of new people downtown," he stated, "and I'm sure many of them will remain downtown customers."

Shaws is giving away a $110 wristwatch to the person most accurately guessing the number of old trade-in watches in a fish bowl as part of its Festival Days program.

★ ★ ★

Diem's Shoes also has had outstanding response. Irving Diem said today that he considers the festival a "terrific idea."

His store is offering free foot massages on the sidewalk and reports business triple that of the same period of last year.

Norman Pattison, chairman of the event for the Downtown Merchants Assn., the sponsor, said the smaller of the two carnivals set up on city parking lots will come down tonight to fill an engagement in Ohio.

The rides at W. Lawrence and Wayne streets will finish tonight, but the larger carnival at E. Pike and Hill streets will continue through Tuesday night, he said.

★ ★ ★

Stores will stay open until 9 p.m. today and will close at 5:30 p.m. tomorrow to end the Festival Days, he added.

"Outstanding buys and lots of fun and prizes still remain," Pattison said, "and we all hope to see many more of our friends in the next two days."

U.S., Nationalist Top Brass Preparing New Strategy

TAIPEI, Formosa (AP) — America's top Pacific commanders conferred with Chinese Nationalist military leaders on the offshore island crisis today.

There was a blackout of news from shell-battered Quemoy.

There was no information on Communist bombardment of the offshore islands beyond the Nationalist Defense Ministry's day-old announcement that 15,500 shells battered Quemoy and her little sister islands from Saturday midnight through 6 p.m. yesterday.

A Nationalist convoy landed supplies on Quemoy beach yesterday for the eighth successive day, the ministry said. It did not disclose the number of ships or volume of material landed.

It was assumed the Reds maintained the barrage they have continued almost without letup since Aug. 23.

Gen. Laurence S. Kuter, commander of all U.S. Air forces in the Pacific, flew in from Okinawa and entered into strategy meetings with Adm. Harry Felt, U.S. commander of all forces in the Pacific; Vice Adm. Roland N. Smoot, Taiwan (Formosa) defense commander; Maj. Gen. Thomas Moorman, 13th Air Force commander from the Philippines, and other U.S. military men here.

The high brass also went into closed session with U.S. Ambassador Everett Drumright, then with Gen. "Tiger" Wang Shuming, Nationalist chief of staff and Defense Minister Yu Ta-wei.

Absent from the parleys was Vice Adm. Wallace M. Beakley, commander of the U.S. 7th Fleet guarding Formosa Strait.

For Washington, the next few days may bring the peak of the crisis.

There is grave doubt as to whether peaceful diplomacy can produce a solution.

The prevailing view among U.S. officials is that Moscow and Peiping do not want and are not planning a war over Formosa. But no one will rule out the possibility that the Reds might risk starting trouble to test out U.S. determination to stand up to them.

Rains Flood Southern 3rd of Texas

ORANGE, Tex. (AP) — Downpours soaked the entire southern third of Texas yesterday, causing severe flooding here and scattered flooding east and south across the state.

Fourteen inches of rain fell on this southeast Texas city in nine hours, virtually isolating the town and chasing about 150 persons from their homes.

At least 200 homes and dozens of business houses caught the overflow of backwater which lapped up from flooding Adams Bayou.

Rain at Eagle Pass, about 300 miles to the west, closed or made dangerous roads and highways.

Merchants boarded up their shops here and left for higher ground. National Guardsmen slogged through hip-deep water in downtown and West Side streets, preventing looting and directing traffic—mostly boat traffic.

Adams to Talk at 5:35

WASHINGTON (AP) — Presidential assistant Sherman Adams arranged to speak to the nation by radio and television at 5:35 p. m. EST. He will have 10 minutes on the air.

The talk will go over both CBS and NBC radio and television networks, the Mutual radio network and partial radio-TV networks of ABC. ABC will have a playback on radio at 6:15 p. m. and on TV at 7 p. m. EST.

Use TV to Integrate Pupils in Little Rock

LITTLE ROCK, Ark. (UPI)—Television integrated the high school students of Little Rock after a fashion today.

Fifteen white teachers taught 3,480 students in an emergency program to keep the time the high schools are closed in an integration crisis from being a complete waste.

Negro teachers were not used in the TV project. It was the first time that white teachers had ever instructed most of the Negroes, who total more than 700.

As the television program got under way for a total of six hours a day over three commercial television stations, reopen-the-schools movements gained momentum.

Two more lawyers signed a statement saying that Gov. Orval E. Faubus can't legally reopen the public schools as private schools with state money, making a total of 63 signatures.

The governing bodies of the Westover Hills Presbyterian Church and St. Paul's Methodist Church asked voters to cast their ballots for integration if that is what it takes to get the schools open.

Mrs. Joe R. Brewer and Mrs. D. D. Terry and their women's emergency committee to open four schools planned to start mass telephoning of voters to ask them to vote for integrated schools.

There were reports that one or more of the movements may challenge the wording of a law under which Faubus called the election.

2 Unions Clash at Pontiac Motor

Jurisdictional Dispute Threatens Production Across Nation

A jurisdictional dispute erupting between two UAW locals caused a strike this morning at Pontiac Motor Division plant 16 affecting approximately 140 employes.

Pickets from Pontiac local 653 appeared at the plant gates at 6:30 a.m. in protest of work being carried on inside the plant by members of Fisher Body Local 594, the company said.

"This untimely and unwarranted strike threatens to halt all Pontiac assembly operations across the country at a time when the division is attempting to reach volume production in order to supply its dealers with sufficient cars for their unveiling Oct. 9," said S. E. Knudsen, general manager.

According to the company, the dispute centered over paint repairs that Fisher Body workers perform in plant 16.

★ ★ ★

Gerald W. Kehoe, president of local 594, said that approximately 35-40 workers usually assigned to repairs in plant 16 were idled in observance of the picket lines.

Kehoe said that Fisher Body workers customarily perform the work within the Pontiac plant and believed his union was not infringing upon the territory of the Pontiac local.

Local 653 officials went into a huddle with company representatives this morning and were not available for comment.

★ ★ ★

Pontiac Motor Division said approximately 100 of its workers were affected. In accordance with established policy, the company said, these workers have been temporarily assigned to other jobs.

Autumn Will Debut Warm in Pontiac

Autumn officially will arrive at 8:10 a.m. Tuesday, and with the advent of the season when night becomes longer than day, the weatherman has brightened the outlook somewhat by issuing a pleasant forecast for Pontiac and vicinity.

Tonight will be fair and mild with a low near 55 degrees.

Tomorrow is expected to be partly cloudy and warm with the mercury soaring to a high of 80 degrees.

Wednesday's outlook is partly cloudy and continued mild.

The lowest temperature recorded in downtown Pontiac preceding 8 a.m. was 49. At 2 p.m. the mercury reading was 75.

Kennedy Joins in Demand for Cleanup

McClellan Asks Hoffa's Ouster

WASHINGTON (AP)—The chairman and chief counsel of the Senate Rackets Committee have called anew for the ouster of James R. Hoffa as president of the Teamsters Union.

★ ★ ★

In a formal statement, Chairman John L. McClellan (D-Ark) said the committee "is convinced that there cannot be, and that there will not be any 'cleanup' of this great and powerful organization" under Hoffa's administration.

"It should be perfectly apparent to him," McClellan said, "that the welfare of the Teamsters, the interests of decent unionism, and the American labor movement as a whole would be greatly served by his immediate resignation or removal."

Committee counsel Robert F. Kennedy said a commission named by Hoffa to probe corruption charges against Teamsters officials should promptly order Hoffa's own removal. Kennedy said the commission thus can show best whether it can be effective.

On a television interview, Kennedy also said court action should be taken to put the Teamsters into receivership. He suggested appointment of a monitor to root corrupt elements out of the big truck union.

★ ★ ★

The union is powerless to do its own cleanup job because "the corrupt officials are in such important and strategic positions," Kennedy said.

Federal laws are "completely inadequate to deal with this tremendous problem" of labor racketeering and must be strengthened, Kennedy said.

★ ★ ★

The only way the Teamsters' own "anti-racketeering commission" could demonstrate its good faith, he declared, would be "by removing Mr. Hoffa tomorrow."

He said a step in the right direction would be congressional approval of the Senate labor reform bill to restrict use of union funds and restore union democracy.

ELMER W. FROEHLICH

Ad Executive Stricken at 59

Vice President Froehlich of McManus Firm Dies of Heart Attack

Elmer W. Froehlich, 59, of Detroit, vice president and media director of McManus, John and Adams, Inc., died Saturday of a heart attack at his home.

Chairman of the Advertising Research Foundation, Mr. Froehlich had been with the advertising agency since 1922. He was a graduate of Wayne State University and acted as co-chairman of the magazine and farm publications chapter of the Association of American Advertising Agencies, as well as guiding the media selection for several auto companies.

Surviving are his wife, Florence; two daughters, Mrs. Dolores Scherer and Mrs. Arlene Hawk; two sons, Elmer Jr. and Jerome; and six grandchildren.

Service will be held at 11 a.m. Wednesday at the Whitenberner Funeral Home, Detroit. Burial will be in Mt. Olivet Cemetery.

Break-In Netted Thieves Hard Work, Little Loot

An intricate break-in at Jay's Bar, 362 Commerce Rd., Commerce Township, last night netted burglars only small change, according to Oakland County Sheriff's Deputies.

The thieves entered through a 16 by 19 inch hole they had knocked out in a rear wall behind the protective shield of an oil tank, deputies reported.

This took them into a rear office which they ransacked. Then the burglars went through a trap door in the office ceiling and broke a hole in the ceiling over the bar. All that was reported missing was change from several vending machines.

Government to Boost Wages for Coal Miners

WASHINGTON (UP) — John L. Lewis today won a boost in the miners wage rate required for government-produced coal. He also was reported near terms for a new industry contract.

The government prepared to announce a boost of about 50 cents an hour required to be paid for coal produced for government purchase.

Killed by 'Unloaded' Gun

NEW ORLEANS (UP) — Nine-year-old Glenda Prudhomme and her brother were playing in the family garage when she saw a shotgun on a table. "Is it loaded?" she asked. Six-year-old Larry replied, "No." As Glenda picked up the gun it discharged. The charge struck Larry in the side. He was dead when an ambulance got him to a local hospital.

A-Sub Skate Back in Boston

8,000 Miles in 31 Days Submerged to Cross Under North Pole

BOSTON (UP) — The atomic-powered submarine Skate returned today from a transpolar voyage during which she set a world's record by steaming for 31 days on an 8,000-mile cruise without surfacing.

Rear Adm. Hyman G. Rickover, "the father of the atomic submarine," and other dignitaries greeted the sub which sailed under the polar ice cap Aug. 11.

Skate made Boston her initial stop in this country in returning to her Groton, Conn., base. She left New London, Conn., July 30.

★ ★ ★

Adm. Rickover went down the harbor by tug to welcome Skate and her skipper, Cmdr. James F. Calvert, 37, of Mystic, Conn.

Rickover leaped nimbly up a ladder and Calvert presented him a small bottle containing a sample of water from under the polar ice cap.

"The first time we were under the North Pole we took a sample so the admiral would know we were really there," Calbert said with a smile.

Going aboard with Rickover were his aide, Comdr. Vincent A. Lascara; and Endicott Peabody, who was appointed a naval aide to Massachusetts Gov. Foster Furcolo to represent him at the arrival. Peabody served on submarines in World War II.

Just before Rickover got on Skate, the clouds broke and the sun came out.

★ ★ ★

Families of Skate's 10 officers and 82 enlisted men were on hand.

The atomic engines which powered Skate and those of the Nautilus under the polar ice cap are the first of six nuclear propulsion plants designed and produced by Wesitnghouse Electric Corp. The others are for the Sargo, Swordfish, Skipjack and Seadragon.

Skate was christened in May 1957. Her keel was laid in 1955 and she was commissioned last December. Her approximate cost was 44½ million dollars.

After her polar trip, Skate visited Norway, the Netherlands, France and Belgium. She left Zeebrugge, Belgium, Sept. 12.

ENDING HISTORIC VOYAGE — The raft Lehi IV nears Hawaii's shores to complete an historic 69-day crossing of the Pacific. Shown here below the pontoon of a hovering Coast Guard plane off the island of Maui, Lehi IV carried a crew of five (including a mongrel dog).

After 69-Day Voyage

4 Men Arrive in Hawaii on Raft From California

HONOLULU (AP) — An adventurous Mormon elder and his three young crewmen—who drifted to Hawaii from California aboard the raft Lehi IV—fly here today from the island of Maui.

Skipper De Vere Baker, 42, boatbuilder from Petaluma, Calif., near San Francisco, will be reunited with his wife Nola and three children, who are flying from the mainland.

★ ★ ★

The raft arrived off Maui Saturday afternoon after a 69-day voyage from Long Beach, 2,100 miles to the east. When Baker and his bearded crew and their dog Targoroa were sighted, they were down to their last four cans of spinach and tomatoes.

The raft was towed into port at Kahului by a tuna boat. All the mariners were in good condition.

Asked what his trip proved, Baker told newsmen: "The Coast Guard put it very nicely when they congratulated us on proving Hawaiians thousands of years ago came from the Americas, the same way we did."

The voyage was a shakedown, preparatory to a raft expedition from the Persian Gulf next year. Baker hopes to prove that the prehistoric settlers of Central America drifted on crude craft from the Middle East. The Book of Mormon relates that the prophet Lehi used rafts to move the Lost Tribes of Israel from the Red Sea.

With Baker were Larry Foglino, 31, a UCLA psychologist; Don McFarland, 27, University of New Mexico student; and Ed Kekuala, 27, a Brigham Young University dental student.

Earlier attempts by Baker to drift to Hawaii had failed.

Embattled Adams to Tell Nation if He'll Resign

statement to reporters at a tense news conference:

"I have asked the radio and television networks to furnish time this evening for Sherman Adams to make a statement.

"In connection with the controversy surrounding him, others have expressed themselves through the media of national circulation and Mr. Adams now wishes to have a similar opportunity.

★ ★ ★

"This request is being made with the knowledge and approval of the President."

Hagerty said details had not been worked out yet on the time of Adams' talk, or with respect to which networks will carry it.

Hagerty is returning to Washington with Adams to help with the arrangements and possibly the text.

Eisenhower walked with Adams to the helicopter when the White House aide left for the return trip to Washington.

★ ★ ★

This was an obvious—and perhaps farewell—gesture of regard for Adams.

The two men were silent for the first few steps down the sidewalk toward the big Marine copter.

Then they began conversing as they walked, and Eisenhower gave the departing Adams a friendly pat on the arm just before Adams climbed aboard.

★ ★ ★

Eisenhower had arrived at his office from his vacation living quarters just a few minutes before the helicopter put down on the lawn in front of the U. S. Naval Base administration building.

The President traveled by boat from Ft. Adams across Newport Harbor.

Some Republican candidates have been outspoken in demanding that Adams resign. The Clamor started last June, faded, then rose again after the trouncing the GOP took in the Maine elections two weeks ago.

In that election the Democrats won a U. S. Senate seat for the first time in 47 years, and also scored other triumphs.

The Goldfine case was an undertone issue in the Maine election. Like Adams, Republican Sen. Frederick C. Payne — defeated in his re-election bid by Democratic Gov. Edmund S. Muskie — accepted gifts from Goldfine.

On the heels of the Democratic sweep in Maine, Republican candidates in other sections of the country reportedly swamped party leaders with demands Adams be ousted as being a major political liability in the GOP campaign to capture control of Congress.

In a news conference statement last June 18 making it clear he had decided to keep Adams on the job, Eisenhower said:

"I, I believe the presentation made by Gov. Adams to the congressional committee truthfully represents the pertinent facts.

"2. I personally like Gov. Adams.
"3. I admire his abilities.
"4. I respect him because of his personal and official integrity.
"5. I need him."

★ ★ ★

In talking of the gifts Adams accepted from his old friend Goldfine, Eisenhower said a gift is "not necessarily a bribe. One is evil; the other is a tangible expression of friendship."

The President said further at the June conference that "anyone who knows Sherman Adams has never had any doubt of his personal integrity and honesty; no one has believed that he could be bought."

But Eisenhower said there was a feeling Adams had not been sufficiently alert to make certain that the gifts he accepted from Goldfine could not be considered as Goldfine attempts to influence the presidential aide.

★ ★ ★

To that extent Adams has been imprudent, Eisenhower said.

Maine has over 2,500 miles of coastline and 2,500 lakes.

The Landon boy was struck by an auto on Telegraph Rd. just south of Square Lake Rd., Bloomfield Township, while hitchhiking home at 11:45 p.m. Sunday.

He was pronounced dead at the scene by Oakland County Deputy Coroner Dr. James Green, of Birmingham. Township police said the boy was returning from visiting his girl friend in Detroit.

Officers said he evidently stepped out into the path of a southbound auto driven by Harry Mitchner, 57, of 15341 Artesian St., Detroit. Mitchner was not held.

Billingslea was dead on arrival at Pontiac General Hospital at 2:40 a.m. Sunday. He suffered head and chest injuries when the auto he was riding in struck another, veered off U.S. 10 on Waterford Hill and overturned.

Listed in fair condition at the hospital is Louis Billingslea, 45, of 15809 Log Cabin St., Detroit, who was driving.

The other driver, John Fleury, 18, of 3295 Coolidge St., Avon Township, was uninjured.

State Traffic Claims 15 Lives on Weekend

By The Associated Press

Highway crashes, including three double-fatality accidents, killed 15 persons in Michigan over the weekend.

★ ★ ★

In the Upper Peninsula, two separate accidents took the lives of three relatives.

In a Detroit expressway crash, a woman was hurled through the closed window of a car and run over by two other autos.

Two of the double death accidents occurred when cars ran off rural roads and hit trees.

The Associated Press weekend traffic toll is counted from 6 p.m. Friday to midnight Sunday.

Victims were:

Ronald Peters, 21, Munising, killed when his car rolled over west of Marquette Friday.

Some 60 miles east in Inwood Township, Peters' uncle and cousin also were killed Friday when their car ran off a rural road and smashed into a tree. They were John Yokeum, 39, and Jack L. Yokeum, 22, both of Deerton.

★ ★ ★

Michael G. Flores, 26, Detroit, and Edward E. Roeder, 18, Scottsville, killed when their car left a Mason County road Saturday.

Vurl N. Mackersie, 39, Barryton, and Patsie A. Mortensen, 18, Vestaburg, killed when their cars collided on M46 east of Edmore Saturday.

Mrs. Margaret Keith, 69, Sawyer, injured fatally when the car in which she was a passenger struck another auto and careened into a parked bus south of St. Joseph.

Vern W. Diller, 23, Pigeon, killed Sunday when the car in which he was riding struck a tree north of Pigeon.

Jacqueline White, 20, Detroit, killed Sunday on the John Lodge Expressway when she was thrown from the car in which she was riding by the impact of a rear end collision and run over by two other autos.

Susan Rose, 2, Emmett Township, crept under a car parked in a driveway. State Police said the owner of the car—Susan's Uncle Raymond Rose—accidentally ran her over when he moved the car.

★ ★ ★

Michael M. Wellman, 6, Evart, killed Saturday when he fell off a farm tractor and was run over by the trailer.

Samuel Billingslea, 35, Detroit, killed Sunday in Waterford Township.

Mrs. Helen Hough, 47, Pontiac, killed Saturday north of Imlay City.

U.N. Assembly Debates China

Clashes Over Quemoy Will Be Considered in Today's Session

UNITED NATIONS, N. Y. (AP) The 13th U. N. General Assembly at its meeting today headed into its first big debate on the air, artillery and gunboat clashes that have whipped up a war froth over Quemoy.

★ ★ ★

The immediate issue was the Steering Committee's recommendation that the Assembly bar until next year any discussion of the seating of the Red China regime in the U. N.

★ ★ ★

But many speakers were expected to bring up the clashes between the mainland forces and the U. S.-backed Chinese Nationalists holding the offshore islands and Formosa.

Officials said the question of putting the seating of Red China on the agenda was not likely to come to a vote before tomorrow noon.

★ ★ ★

A U. S. resolution endorsed by the 21-nation steering body Friday would have the Assembly:

1. Reject India's request that the agenda include the "Question of the Representation of China in the United Nations."

★ ★ ★

2. Decide not to consider at this session any proposal to exclude Chinese Nationalist or seat Chinese Communist representatives.

U. S. informants conceded that this year's resolution would get a little less than last year's vote of 47-7 with seven absentions.

4 'Lost' Fishermen Return During Search

CLEARWATER, Fla. (UP) — Four men, sought by the Coast Guard when they failed to return from a fishing trip in the Gulf, reached shore safely today.

★ ★ ★

An air search was launched by the Coast Guard shortly after midnight.

Clearwater police identified three of the men as John Myatt, 47, and Eddie Schreck, both of Clearwater, and Tom Croff of St. Clair Shores, Mich.

Identity of the fourth man, a St. Petersburg resident, was not immediately known.

★ ★ ★

Relatives said the men went into the gulf in a 16-foot outboard with two motors about 7:30 a.m. yesterday.

★ ★ ★

When they failed to return by night, the Coast Guard and police were notified.

Progress Reports on Agenda

Federated Civic Assns. of Bloomfield Will Meet

BLOOMFIELD TOWNSHIP — Federated Civic Associations of Bloomfield Township will hold a general membership meeting at 8:30 p.m. tomorrow for the presentation of progress reports by the organization's committees.

Associations not already affiliated with FCA have been invited to send two representatives to the meeting, which will be held in Bloomfield High School cafeteria. An effort will be made to acquaint non-members with the aims of the FCA, according to Mrs. Margaret Begovich, publicity director.

★ ★ ★

Non-members may join the FCA at this time.

An addition to the FCA by-laws recently was approved by the Board, which states that the FCA is a fact-finding body and is non-partisan and non-political in nature.

After committee reports are read the floor will be open to questions and discussion, Mrs. Begovich said. George Petzer, president of the FCA, will act as chairman of the evening.

Three special assessment districts will come before the Birmingham City Commission for confirmation at its meeting tonight.

Five property owners on Henrietta street are protesting sidewalk construction there. Pedestrian traffic on the street doesn't warrant the expense, they claim.

The sidewalk on Bates street near the Community House and the access drive on Woodward avenue at Redding road are unopposed.

The Michigan Motor Bus Assn. is asking commissioners to go on record seeking tax relief for city and suburban lines operating within the state.

City Engineer Grover R. Serenbetz has estimated the cost of sewer repairs in the Forest Hills subdivision at approximately $14,000. He will present several plans to eliminate the obnoxious odors from the sewer.

The Men's Club of the First Methodist Church of Birmingham will hold its annual chuck wagon dinner at the church hall at 6:30 p.m. tomorrow.

W. Ralph Hileman, general secretary of the Detroit YMCA, will speak on the role a "Y" plays in a community.

The Little Gallery on E. Maple avenue is featuring the works of three Birmingham area artists in a special display which will last through Oct. 4 Kay Sanderson, Jerry Rudquist and Kenneth Wynsma, whose paintings are being shown, all are former Cranbrook Art Academy students.

The Past Matron Club, Birmingham Chapter 220, OES, will meet at the home of Mrs. James L. Green, 1331 Cedar St., Birmingham, for a dessert luncheon at 1 p.m. tomorrow. Members unable to attend should notify the hostess, she said.

Mrs. George B. Boutwell

Service for Mrs. George B. (Clara) Boutwell, 82, of 507 Lakeville Dr., Birmingham, will be held at 2 p.m. Tuesday at the First Presbyterian Church. Burial will be in Greenwood Cemetery. The body is at the Manley Bailey Funeral Home.

Mrs. Boutwell died Sunday at her home following a long illness. She was a charter member of the Birmingham Rotary Anns, a member of the First Presbyterian Church and the Woman's Mission Union.

Surviving are two daughters, Edna Boutwell of Birmingham and Mrs. R. Y. Cutler of Narberth, Pa.; a sister, two grandchildren and four great-grandchildren.

The family said contributions may be made to the church's Memorial Fund.

Mrs. Edward M. Wallace

Service for Mrs. Edward M. (Abbie) Wallace, 84, of 751 Colonial Ct., will be held at 9 a.m. Tuesday at the Bell Chapel of the William R. Hamilton Co. Burial will be in Washington, D. C.

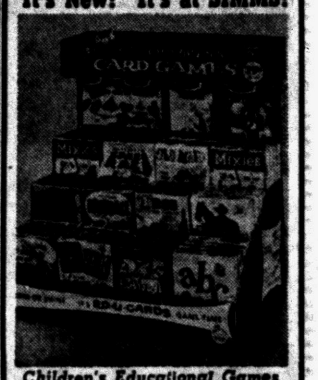

Mrs. Wallace died Sunday following a long illness.

She was graduated from the University of Kansas in 1895 and was affiliated with Kappa Kappa Gamma. She was a member of the Washington, D. C. Chapter of the Daughters of American Revolution.

Surviving are a daughter, Mrs. Frederick C. Pyne of Birmingham, three grandchildren and three great-grandchildren.

American industries bought nearly $600,000,000 worth of industrial cleaning commodities in 1957 compared with $516,000,00 in 1956.

Negro Shot to Death in Chattanooga Street

CHATTANOOGA, Tenn. (AP)—A Negro was shot to death on a street corner in a racially mixed neighborhood last night.

Two white couples who reported they were shot at while trying to drive through a crowd of Negroes blocking the street at the same corner were held for questioning early today. No charges had been filed.

★ ★ ★

Homicide Detective R. E. Cornish said three 9 mm. pistol cartridge shells were found on the street, one beneath the dead Negro, James Henry Ellison.

★ ★ ★

Several Negroes were questioned in the case, but none were held. Cornish said the various stories were conflicting.

He said the two white men and two women were not armed when they were arrested after they telephoned police about the shooting, and no pistol was found in their car.

A thin, silver dime—minted in 1735—may now be worth up to $736 to a collector of old money.

'White Lightning' Punch Knocked Out by Shells

TAIPEI, Formosa (AP) — Communist shells have destroyed one of Quemoy's proudest industries, a plant making kaoliang, a potent liquor which Americans call white lightning.

During World War II, when gasoline was scarce on the China mainland, experimenters found you could drive a car with it.

The plant at Quemoy was built a few years ago at a cost of $40,000.

Massachusetts enacted the first state compulsory school attendance law in 1852 whereby children between 8 and 14 years of age were required to attend school for 12 weeks a year.

Robert Young Yawns at Publicity Pitches

By PHYLLIS BATTELLE

NEW YORK — It long has been the habit of movie stars who flurry into New York from the land of the unreal to say that they just dropped in to catch up on their Broadway shows.

It is not considered appropriate to yawn and confess, in interviews, "Look, I'm back for the old publicity pitch again. It's a genuine imposition to meet you."

Robert Young, of TV's "Father Knows Best," a West Coast product, is the exception. Mr. Young is so honest and sincere about press interviews that if he didn't yawn it might be considered a physiological breech of ethics.

"I squawked plenty about coming, but it was fruitless," he said. "I am in New York because, by the grace of God and a lot of other good assistants, we are starting (tonight) the fifth season of our television show.

"Call it tub-thumping, call it exploitation, call it publicity. I am talking to you—quite frandly—hoping to get mentioned in the papers."

★ ★ ★

He grinned. Robert Young, besides looking fatherly, looks distinguished and likeable when he grins. He went on to say that after a show has been on TV for a certain period of time, "it reaches a sort of plateau, a saturation point, where everybody says okay, you'd better switch to another time slot or another night or another network, and pick up some new watchers."

So "Father Knows Best" has switched night and network. From Wednesdays to Mondays, from NBC to CBS. And Young considers this a potentially good deal, partly because the night following the weekend is considered hot TV viewing time, but also, oddly enough for religious reasons.

"Wednesday night, in some religions, means services and prayer meetings. Some of our personal friends were always struggling between us and their souls."

★ ★ ★

Young is, of course, a personal as well as professional family man. He has four daughters ranging in age from 23 to 12. Yet—it's the old honesty again—he claims to know nothing about raising children. Fans write to him with their personal family problems, assuming that he "knows best" or else why does it say so in the television titles, and Bob has to write back.

"In sincere humility," he said, "I have to tell them that I haven't the vaguest idea how my personal and televised family turned out so well. I suggest that they see religious counselors, or social workers or marriage consultants."

About his marriage, which has lasted more than a quarter-century and will not be referred to here as ideal only because in Hollywood such adjectives are jinxed, the actor says:

"It's been great because of—please excuse the cliche—love. Betty has managed the great art of giving the kids a kick in the pants simultaneously with a hug.

★ ★ ★

"I have stood on the outside, quite objectively, loving and being loved.

"If you could only tell people how to love, life would be a cinch, wouldn't it? But you can't create love by reading. I don't think even voodoo does it. Love just comes to you if you're lucky . . ."

That, and a god rating, will get you Robert Young.

Soviet Boss Lambastes De Gaulle's Proposals for New Constitution

PARIS (AP) — French Communists have won direct support from Nikita Khrushchev in their campaign against Premier de Gaulle's proposals for a new French constitution.

The Soviet Premier-party boss professed in a declaration broadcast yesterday by Radio Moscow to see the danger of a fascist dictatorship arising from the move to strengthen France's governments.

★ ★ ★

His blast came as De Gaulle stumped eastern and northern provinces on behalf of the constitution, up for a vote Sunday. There was scattered violence in widely separated areas.

Khrushchev's statement, written for the Soviet Communist party newspaper Pravda, compared events in France with Hitler's rise to power in Germany 25 years ago. He wrote that the dictatorship danger arose from reactionaries exploiting De Gaulle's prestige.

★ ★ ★

De Gaulle, heading France's 26th government since the liberation of Paris in World War II, told a gathering at Lille, his birthplace, the new constitution is designed to give persons with responsibility "the means of discharging their responsibility."

One incident of violence came at Agen, in southwestern France. French parachute troopers, aided by some civilians, sacked the Communist party headquarters.

★ ★ ★

At about the same time 50 young men armed with clubs marched through Paris' Latin Quarter, manhandling passers-by and shouting "Down with De Gaulle." Police arrested nine.

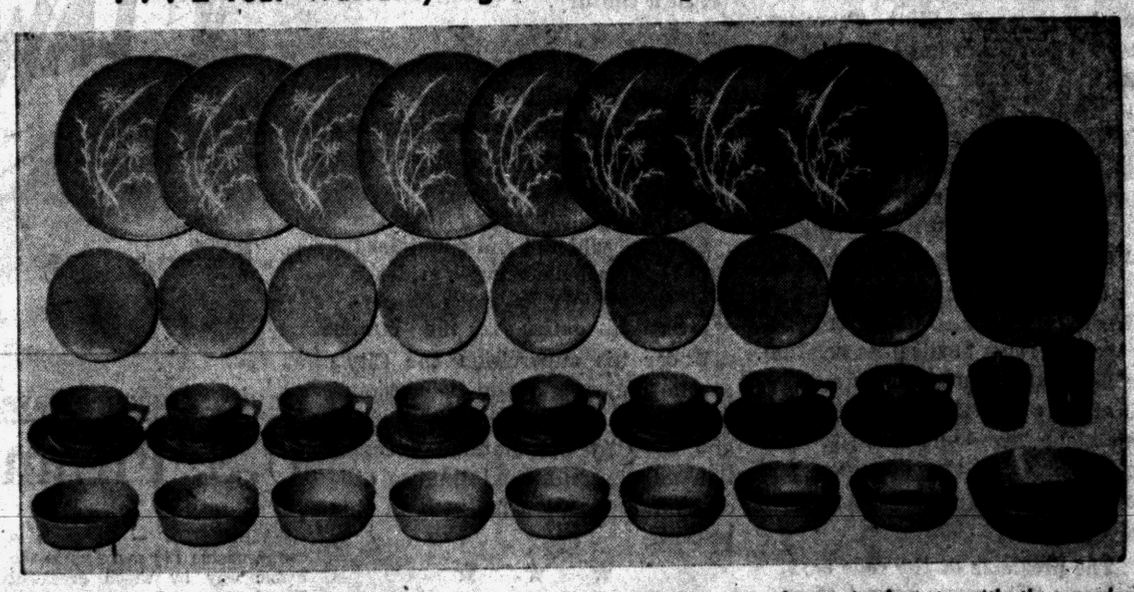

In French West Africa, one person was killed and over 100 wounded in rioting over the constitution.

St. Joseph Hospital Writes News Code

An ambitious undertaking which is proceeding very well is a code of cooperation between working newsmen and officials of St. Joseph Mercy Hospital and the medical profession.

Several months ago reporters and editors sat down with the top personnel of the hospital and discussed mutual problems and responsibilities.

★ ★ ★

On the heels of this session came the burning of Flint Teamsters FRANK KIERDORF, a news story of nationwide prominence. Hospital staffers and officials outdid themselves in making the newsmen's tasks easier. A press room was quickly made available, and the hospital adjusted to the routine of being in the spotlight.

★ ★ ★

Working with an outline supplied by the American Medical Association, the hospital has drafted its own cooperation code. The discussion sessions alone have done much to clear the air between the newsmen and the doctors and facilitate mutual understanding.

The preamble of the code says, in part: "The press cannot carry out its traditional responsibility of informing the public in the area of medical and patient news without the cooperation of the medical society, the hospitals and individual doctors. The inevitable penalty of silence is public ignorance and misunderstanding. The revised code of the medical ethics of the A.M.A. stresses the responsibility of the physician and the medical society to see that accurate information reaches the public."

★ ★ ★

When completed, the code will be submitted to the Oakland County Medical Society for approval and to other area hospitals for their cognizance.

'Y' Membership Benefits You and Many Others

One of the greatest bargains in Pontiac is now available with the annual adult membership drive of the YMCA taking place. If you are looking for activities for the entire family, the Pontiac "Y" is the place.

The YMCA needs your help.

★ ★ ★

Membership in the "Y" entitles your family to recreation the year around. This is important since much of our weather prohibits active outdoor sports.

Last year's attendance at the "Y" was 91,882 for the year. This figure alone should help prove the financial worth of the "Y" program.

★ ★ ★

The Pontiac YMCA receives some aid from the Pontiac Area United Fund, but it also depends to quite an extent on its own yearly membership drive.

This adult membership campaign is important since it supports the ever increasing youth program which is not self-supporting. If you do not feel that you will actively use the facilities yourself, think of the youngsters.

★ ★ ★

Last year over 2,000 boys and girls who pay a small membership fee participated in the various activities largely financed from adult membership.

★ ★ ★

Join up now and help support our Pontiac YMCA.

Finance Director Has Fine Record

Retirement of OSCAR ECKMAN as city director of finance removes from the City Hall one who has been closer than any other one individual to the city's financial problems over a quarter of a century.

★ ★ ★

Responsible directly to the City Commission, which appoints the director of finance, he has played a major role in molding the City's financial policies.

The excellent rating that the City has achieved and maintained in municipal financing is evidence of the manner in which he performed his duties over the years.

Under his supervision the City's accounting system and bookkeeping procedures were completely revised, and the City won national recognition among municipal finance officers for its modern methods in this respect.

★ ★ ★

Mr. ECKMAN is beyond the normal retirement age and steps out of his post as a health precaution.

★ ★ ★

His retirement is well deserved.

The community owes him sincere thanks for a job well done.

Rare Birds Guests in Our City for Annual Sojourn

Procrastination: What may beat you out of $300 in our football contest.

A family of crested night herons that have visited Pontiac at the same time for several years have arrived, according to

John M. Beaudin

of 504 Avon Road. They roost during the day in the same tree and do their foraging at night. They always arrive with the coming of the fall season and depart for the south with the first cold weather. They have definitely been identified as crested night herons by

Walter P. Nickel,

Ornithologist at Cranbrook. Visits of such birds to this area on a regular schedule has heretofore been quite unknown.

A cabbage that weighs 35 pounds grew in the garden of

David Lawrence Says:

U.S. Firmness Can Prevent War

WASHINGTON — There is a commendable firmness in the heroic way by which President Eisenhower and Secretary of State Dulles are conducting American policy toward Red China and its military ally, the Soviet Union.

LAWRENCE

It's a firmness than can save mankind from a world war. Had the same firmness been exhibited by the West toward Hitler in the 1930s, World War II might never have happened.

★ ★ ★

The same kind of influences, unfortunately, which were prevalent in Europe and brought on the second world war have been manifest in recent weeks in this country. There has been unwitting and unintentional encouragement given to the dictators in Moscow and Peiping.

★ ★ ★

Whether motivated by political partisanship or by misguided pacifism or by some of the "let's-do-business-with-Hitler" selfishness that today is calling out for recognition of Red China "as a fact," the truth is this apparent acceptance of the Communist viewpoint has afforded Nikita Khrushchev an opportunity to take advantage of American dissension and disunity.

Close examination of the latest letter from the Soviet premier shows that he adopts virtually every one of the points which have been made by the anti-administration spokesmen in this country when they argue the China problem.

There are, for instance, the claims, frequently reiterated, that Chiang Kai-shek represents no one but himself, or that the offshore islands belong to the mainland of China anyhow, or that they aren't worth fighting for, or that the President and Dulles do not represent true American public opinion and are trying to provoke a war.

★ ★ ★

Emphasis on this line of argument has misled many a man on the street in this country.

The Soviet premier repeats all this with a confidently expressed feeling that he has American public opinion back of him. But where Khrushchev miscalculates is in his demand that the United States get out of Formosa.

Up to now there have been in this country some serious advocates of "two Chinas"—that is, a trusted Formosa and a Communist China on the mainland, each independent and each to be admitted to the United Nations.

This plan has been urged as a compromise. But from the pen of Khrushchev comes now the word that it is all or nothing and that he wants America to cease aiding the Nationalist government on Formosa.

He warns that the Red forces intend to take Formosa over completely. It's a demand for unconditional surrender.

In a sense Khrushchev confirms the soundness of the point made all along by President Eisenhower and Secretary Dulles that the offshore islands were really sought by Red China as a base from which to attack and conquer Formosa.

★ ★ ★

The United States, however, has a mutual protection treaty with the Nationalist government on Formosa, which now holds the offshore islands. Hence, an attack on Quemoy could be the beginning of an attack on Formosa.

This is a simple piece of military strategy. Yet many Americans, apparently anxious for peace at any price, have overlooked it and have tried to make it appear that Quemoy by itself could be surrendered without causing the collapse of the Nationalist army of 500,000 and of the military forces of the free governments of the Philippines, South Korea and Viet Nam.

Dr. William Brady Says:

Way to Prevent Wrinkles Is to Get Proper Food

Numerous fine furrows, markings or wrinkles in the skin on the front (palmar surface) of the wrist of a young person, or on the back of the wrist of an elderly person, give the appearance of a pavement of diamond or lozenge shaped tiles. Even a person of better-than-average nutritional condition.

DR BRADY

Now, if you scrutinize your wrist closely, with or without a magnifying glass, and discover this pavement appearance, remember it is just a characteristic of the human race. Even the "smoothest" skin of the entire body is more or less covered with such potential wrinkles.

Whether these incipient or potential wrinkles will mature early or late depends, not on what kind of soap or cream you use, but on your nutritional condition.

Nutritional deficiency—which the old-timers called "malnutrition"—whether from illness, ill-advised "dieting" or substituting the tea-and-toast, coffee-and-roll or hot-dog-and-pop snack for an adequate breakfast—inevitably changes the smooth, soft skin of youth into the wrinkled, dry parchment-skin of age.

Wrinkles cannot be rubbed or massaged away.

No oil, cream or hormone applied to the skin can be absorbed and utilized as food or nourishment for the skin or any other part of the body. No lotion or liniment applied to the unbroken skin "penetrates" the skin or enters the body to "get to work."

POPULAR FALLACY

In fact no medicine, drug, chemical, food, oil, vitamin, mineral or other substance that does not itself burn, blister or break the skin is absorbed when applied to or rubbed on the skin. Many times I have offered to submit my skin to a properly controlled test of this, before any scientific committee but it seems that the people who profit from the notion that the skin absorbs things had rather let the lie lie.

In an earlier piece I said that milk is the best food source of riboflavin (formerly called vitamin B2 or vitamin G)—Grade A Raw from tuberculin-tested herd, any milk scalded (brought to a boil for one minute or less) or pasteurized (which means par-boiled, heated to about 145 degrees F. for 20 to 30 minutes and then cooled again), evaporated milk or dried milk.

I quoted the dictum of McCollum that an optimal intake of riboflavin "tends to preserve the characteristics of youth." One of the characteristics of youth is a good complexion. So the daily consumption of at least three glasses (1½ pints) of milk is a must for anyone who wants to prevent premature wrinkling of the skin.

Many complaints about the poor condition of skin, hair and nails are manifestations of the national malnutrition, due principally, I believe, to inadequate daily intake of three vitamins and three minerals. In the free pamphlet, "Young Folks and Old Folks," for which send stamped, self-addressed envelope, I tell how everyone who has to subsist on the ordinary refined diet of most Americans can supplement his diet with these six essential factors—essential for good nutrition.

★ ★ ★

Signed letters, not more than one page or 100 words long pertaining to personal health and hygiene, not disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

Disappointed Fans Discuss Tigers' Unfortunate Plight

As a Tiger fan it's very gratifying to see they beat the Yankees, but I can't get too excited about it when the Yankees have already won the pennant by such a wide margin over our Tigers.

★ ★ ★

Some people seem to be satisfied just so long as we have a good record against the Yankees, but I want a pennant or nothing at all. I have no love for the Yankees, but I do wish we had a team as good! You gotta give them credit. With every other team against them every time they come to town, they still win. Let's face it, they're too good. If our Tigers played under the same setup, I'm afraid they'd finish in the cellar.

★ ★ ★

So let's forget the Yankees and concentrate on winning a pennant. If we have to get old Casey, let's get him.

Old Timer

The fact the Tigers have been pretty sour in 1958 doesn't worry me nearly as much as the fact it looks as though they'd be sour in 1959, 1960, 1961 and 1962. The only new players they get are castoffs and outfielders that bat .275 in a minor league. They haven't over six real ball players out of 25 on the roster.

'He Did Good Deed by Helping Parolee'

Why all the fuss because our chief helped a man get a parole. This man has gambled all his life. Are all men who gamble or are connected with gambling criminals?

★ ★ ★

Why don't the state troopers and the rest of the deputies and our four Pontiac policemen who were in on this go to Hazel Park and round up the thousands and bring them back and call them criminals?

When a man has paid his debt to society, society has an obligation to provide him an opportunity to prove himself, and society must recognize that jobs are necessary for complete rehabilitation. We must remember men in prison come from no particular group. They represent every financial, social and educational level and range from morons to geniuses.

★ ★ ★

Statistics show that more than 70 per cent of men released on parole turn out to be successful. It costs taxpayers $1,270 to keep a man in jail one year, so let's help these men on parole, not run them down or the chief of police for doing a good turn to help a man on parole who has paid his debt to society. There are lots worse crimes in our great country than being a gambler.

THOUGHTS FOR TODAY

And I said unto them, if ye think good, give me my price; and if not, forbear. So they weighed for my price thirty pieces of silver. — Zachariah 11:12.

★ ★ ★

The reward of a thing well done is to have done it. — Ralph Waldo Emerson.

Case Records of a Psychologist:

Don't Use Children for Own Benefit

Biblical Jephthah made a living sacrifice out of his only daughter to maintain his pride. And Lila's mother is trying to do a similar thing. So study this case carefully. Then send for the "Parents' Tests" below and use them for PTA discussion or personal inventory.

By DR. GEORGE W. CRANE

Case Z-325: Lila B., aged 22, is a very talented violinist.

★ ★ ★

"But, Dr. Crane," she began, "I am involved in constant quarreling with my mother.

"It all began when I told her I wanted to marry a young dentist in our city.

DR. CRANE

"Prior to that time, I had dated several boys. And Mother seemed to be quite happy that I was popular, at least till I centered my affection on just one man.

"Since then she has made several 'scenes' and cried and threatened me. And she says she will never attend the wedding!

"She thinks marriage will spoil my career in music. But can't I help out with church music and otherwise carry on, even after my wedding?

★ ★ ★

"Why is she so upset over my marrying? It seems abnormal to me."

CAT'S PAW LILA

Well, here are some additional facts which will help explain this mother's frenzied attempts to stop the wedding.

Lila's father ran away with another woman, leaving Lila as a child of three years, and no support for herself and her deserted mother.

Her mother got a job and worked like a Trojan to rear Lila properly. But the mother's ego had been seriously deflated because she had been cast off by her husband in favor of another woman.

★ ★ ★

There are several ways in which such a mother might have mollified her own wounded sex ego. For example, she might have married a popular, wealthy man much superior to her former mate.

Then she could have gloated in her own mind by thinking:

"See how desirable I am! I have been able to win a husband far better than you!"

But she never made such a match, so Mama fell back on a second means of inflating her pride.

She would make Lila an accomplished musician! And then Mama could bask in the reflected glory of Lila.

★ ★ ★

"See what you missed by deserting us," she could then think, gloatingly.

Lila was thus a cat's paw, as it were, for helping reinflate the punctured ego of her mother.

And that was one reason why her mother made such an ado about Lila's getting married, for Mama would then be without her secret weapon for making her former husband sorry!

DANGEROUS PARENTS

All parents should analyze themselves to make sure they are not using their children as cat's paws for their own secret urges.

★ ★ ★

Many a dominant father thus tries to drive his son into taking up the same business or profession as Papa, so the latter can add "Papa & Son" to his shingle or letterhead.

Good parents are supposed to rear children who are self-reliant and capable of standing on their own feet in business as well as marriage.

It is perfectly proper to help advise and counsel one's children, but we should not try to coerce them into choosing careers which will simply inflate our own paternal ego.

So I talked to Lila's mother and showed her that she had done a

superlative job in rearing her daughter and financing Lila's musical training.

★ ★ ★

But she should look around for re-marriage and pick a more suitable mate than her first husband.

Then she would vindicate her own sexual ego and not require Lila as a living sacrifice on the altar of her own wifely pride.

So send for my 200-point "Tests for Good Parents," enclosing a stamped return envelope, plus 20 cents (non-profit). Use them for frequent self-inventory.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

Climber Is Rescued After Mountain Fall

ALBUQUERQUE, N. M. (AP)—Mountain climbers and state police yesterday rescued a young New York climber who tumbled 25 feet to a ledge in the rugged Sandia Mountains.

★ ★ ★

William Pinch, 18, a University of New Mexico student, and a companion, Sidney Pascua, 18, of Puerto Rico, fell while climbing the craggy face of the mountain about 12 miles east of here.

Pinch, of Rochester, N. Y., was trapped on the ledge 8,000 feet above the valley. Pascua dragged an injured leg to the top and called state police.

Daytime School Fades in Russia

Only Gifted Students Beyond 7th Grade Can Avoid Night Study

By THOMAS P. WHITNEY
AP Foreign News Analyst

One of Nikita Khrushchev's unadmitted purposes in proposing a radical reform of the Soviet school system is to liquidate universities as centers of intellectual ferment among Soviet youths.

He proposes to do this by turning them for the most part into night and correspondence schools.

★ ★ ★

The Moscow press announced yesterday that the Presidium of the Central Committee has approved Khrushchev's "work while you study" scheme, to be put into effect over the next three or four years. The full membership of the Central Committee and the Supreme Soviet, or Parliament, will be called upon to endorse it later.

One purpose in the proposed change is economic. It will make it possible for the Kremlin to mobilize for manual labor millions of boys and girls from 14 to 17 years of age. The mobilization will help make up for the impending acute shortage of young men and women due to the drop during World War II in the birth rate.

★ ★ ★

Without adoption of something like this school measure, there would be about five million fewer young people entering the labor force and armed forces in the next five years than in the last five.

Under the Khrushchev plan, after the seventh or eighth grade almost all children, except those exceptionally gifted and intended to become scientists, will be put to work at manual labor on farms and in factories. They will be forced to continue schooling, if at all, at night classes and by correspondence.

★ ★ ★

Political motives behind the plan are probably stronger than economic.

Although the colony of Georgia did not even send delegates to the First Continental Congress, it later was the first southern state to ratify the Federal Constitution.

Proud Truman Calls Margaret Fine Actress

CHICAGO (AP)—Give 'em Hell Harry Truman, who has lambasted music critics, the Marines and Republicans, didn't tangle with Chicago drama critics last night.

But it was plain to see he differed with them about daughter Margaret's acting ability.

After seeing Margaret as the lead in "Autumn Crocus," he said she was wonderful in the part.

Chicago critics in general panned the show and Miss Truman.

★ ★ ★

A reporter set the stage for a Truman counterpunch when he asked about the critics' reviews.

Truman didn't swing. "I have not read any of the Chicago critics' reviews on the play and certainly don't intend to."

The former President said the play was "fine—splendid."

Bob Considine Says:

FBI Report on Little Rock Gathers Dust

LITTLE ROCK — Among the more mystifying aspects of The Trouble, as the school integration problem has come to be known, is the dust that the Justice Department has permitted to gather on a 1,200 page report made here last year by the FBI.

There were as many G-men operating in the swarming crowds at Central High School a year ago at this time as there are now U. S. marshals on hand.

★ ★ ★

The FBI function apparently was to ferret out whether the demonstrators were bound by any other conspiracy than racial intolerance. A secondary investigation must have been the scrutiny of Gov. Faubus' claim that he called out his National Guards and blocked the attendance of the nine Negroes assigned to Central High because he learned of "armed bands" converging on Little Rock from outside the state.

The FBI questioned newsmen — including this one — at great length. Gov. Faubus' foes confidently awaited the unveiling of a report which they felt certain would place behind bars all those responsible for making a sorry mess of what probably would have been a peaceful and hardly noticed integration program.

In the ensuing year they have made repeated attempts to spring the report loose. But for reasons best known to itself, the Justice Department is harboring it.

Richard Butler, the distinguished attorney who unsuccessfully argued the Little Rock school board's plea to the Supreme Court for a 2½ year breathing spell on integration, believes the chief hope of school desegregation in the South now is either a Constitutional amendent (which he doubts would receive ratification of enough states) or "local option."

"Some counties would and could handle desegregated schools just as many places in the South and elsewhere maintain anti-liquor laws," he said. "A third of Arkansas's counties are dry, 25 years after Repeal."

Some hint of the enormous troubles that lie beyond Arkansas and Virginia, in the matter of carrying out the Supreme Court's school integration edict, may be gathered from an editorial which appeared recently in the Delta Democrat-Times of Greenville, Miss. It was applauded by the paper's readers.

With tongue an estimated half-in-cheek, the editorial reads:

"What with all these nosey newspapermen and preachers and Yankees and other such communist trash, it's getting to where a Mississippi white man can't kill himself a Niggah without getting his name in the papers and losing up to two or three days in court. Downright subversive, we call it.

"But, just like we always said, a fellow oughtn't to complain about conditions unless he's got an idea for improving them. Well, we got an idea on this one. Might be called the state's rights tax saving program.

"The way it would work would be something like this: Give every county one—maybe two—Niggah killings for free. Might have to raise the ante in Holmes County a little, but two a year ought to be enough as a general rule.

"Any white fellow that went over the limit in one season would have to pay for the privilege. Not a fine, but a sort of assessment. Say $50, what with inflation and everything. The money would go to the family of the deceased, so they could move to Chicago if they don't like it here, and good riddance, too.

"Now of course we wouldn't rule out jury trials altogether. Let's say a county got real hoggish and went over the free limit two years in succession. To our way of thinking that would call for a jury trial. No, not for the killings but for giving the state a bad name."

Flying Light Plane

2 Stay in Air for 50 Days

DALLAS, Tex. (AP) — Two weary Dallas pilots, Jim Heth and Bill Burkhart, set a world endurance record for light planes last night.

They kept their Cessna 172 aloft for 1,200 hours, 16 minutes and 30 seconds. The mark broke the 1,124 hours set in 1949 over Yuma, Ariz., by Woody Jungward and Bob Woodhouse.

★ ★ ★

Heth and Burkhart left a Dallas airport at 7:01 p.m. Aug. 2. They had been in the air ever since in The Old Scotchman, named after one of the flight sponsors, Gordon McLendon, owner of radio stations at Dallas, Houston, San Antonio, Shreveport, La., and Louisville, Ky.

Burkhart, 33, operates an airplane brokerage firm. Heth, 25, plans to start an aviation charter service.

★ ★ ★

Both were laughing when they emerged from the plane and appeared to be in good physical condition. But they had trouble standing erect.

During the 50 days in the air, the pilots averaged between 80 and 90 miles an hour except when refueling twice daily.

Refueling was done by attaching fuel containers to a tow rope lowered to a truck speeding down airport runways. Fuel was attached to the rope and pulled into the plane.

★ ★ ★

The pilots took turns in flying in three-hour shifts. They received two hot meals daily.

Conscience Leads Him to Jail Again

CHICAGO (AP)—Frank Kyle's inner voice has landed him in the clink again.

Kyle, 39, spent 2½ hours searching for a detective squad. He finally found one.

"It's my conscience again," he said. "Please lock me up. I have robbed two homes."

The detectives acquiesced. They also checked and learned that the two homes Kyle mentioned had been broken into.

Kyle said he has served prison terms in Boston, New Jersey, Texas and Alabama for grand larceny and burglary.

"Each time that inner voice — my conscience — made me give myself up," he moaned, "It has cost me 10 years and my career."

Treasury Faces Borrowing Decision

WASHINGTON (AP) — The Treasury faces a decision this week on how much money it should borrow to replenish its depleted cash drawer.

Officials reportedly are considering raising three or four billion dollars through sale of government securities. However, the total may be bigger. An announcement is expected Thursday.

The government's cash balance is just below three billion dollars, not enough to pay federal bills for two weeks.

The recession has caused a slowdown in revenue and spending has increased sharply.

Back Exiled Algerians

AMMAN, Jordan (AP) — King Hussein's government today announced recognition of the Algerian government in exile in Cairo. The step was decided upon at a Cabinet meeting presided over by Premier Samir Rifai.

District 10 of the Michigan Federation of Business and Professional Women's Clubs met Sunday at the Bloomfield Hills Country Club. Looking over the program are (left to right) Mrs. Norman Dyer, parliamentarian of District 10; Mrs. Raymond L. Cole, general chairman of the event, and Mrs. Oliver Dunstan, president of the Waterford-Clarkston Club.

100 Members Attend BPW District Event

"Achieve Through Action — Today," was the theme of District 10 meeting of the Michigan Federation of Business and Professional Women's Club held Sunday at Bloomfield Hills Country Club.

Welcoming the 100 members who attended the luncheon were Mrs. Raymond L. Cole, chairman with Jane Danton as cochairman.

The invocation was given by Marjorie Billingsley, past president of the Keego Harbor club. Vocal selections were given by Esther Howarth of Fort Lauderdale, Fla., accompanied by Mrs. Claude Kimler.

Virginia Lynch, chairman of District 10, presided during the business meeting and reported on the conference held at Boyne Mountain Lodge.

President of the Michigan Federation Viola M. Wolfe was speaker for the afternoon. She stated, "We need more understanding of what specific things need be done. Passive endorsement of a doctrine is not enough."

* * *

Assisting with arrangements for the meeting were Mrs. Norman Dyer, Mrs. Mel Stapp and Mrs. D. R. Wilson, all of the Pontiac club; Louise Coture and Marjorie Martin of Walled Lake, Mrs. George Frayer, Wilma Webb and Mrs. William F. McCracken of Keego Harbor, and Mrs. Oliver Dunstan, Ann Stamp and Mrs. Robert Landon of Waterford-Clarkston club.

The event also marked the 10th anniversary of the organization of the Keego Harbor club sponsored by Pontiac.

Enjoying luncheon at the meeting of the Michigan Federation of BPW are (left to right) Virginia Lynch, chairman of District 10, and Mrs. D. R. Wilson, chairman of place.

Viola Wolfe (left), state president of the Michigan Federation of Business and Professional Women's Clubs, greets members (left to right) Jane Danton, cochairman of the affair and Rosamond Haeberle, vice president of the Pontiac BPW.

You May Call on Parents

By EMILY POST

"Dear Mrs. Post: My daughter met a young man several months ago through a mutual friend and she has been seeing him quite regularly ever since. He is working in this city but his home is in another state. Very shortly his parents will be coming to this city for a visit with him and will stay at one of the hotels. They are complete strangers to me and my daughter.

"Shall I call on them while they are visiting here, or might this seem as though I were rushing things. Please tell me the correct thing to do in this situation."

Answer: If both your daughter and the young man would like to, it would be friendly as well as correct to call on them at the hotel and invite them to your house to lunch, dinner or supper. If you can't invite them to a meal, then ask them to come in the afternoon for a cup of tea.

"Dear Mrs. Post: What is the correct name for a wife to use when she and her husband are separated, but not divorced?"

Answer: Usually she keeps his name. The fact that they have different addresses shows that they have separated. The further fact that neither can remarry avoids the complication of ex-wife and wife No. 2 having duplicate names. This is the principal reason why the divorcee properly gives up her husband's surname and substitutes her maiden name for it.

"Dear Mrs. Post: I have been having my hair done by a stylist employed by a local beauty salon and I have been tipping him 15 per cent. This stylist has just recently opened his own salon and I would like to know if I should continue to tip him as in the past for doing my hair?"

Answer: No, you are not expected to tip the proprietor, but you would of course tip any of his employes who do anything for you.

"Dear Mrs. Post: We've received a verbal invitation to dinner at the house of a business associate of my husband. He's a much higher executive in the company. We do not know them socially nor is it likely that we will ever invite them to our house. After this dinner would a thank-you note be the polite gesture?"

Answer: No, your verbal thanks for a delicious dinner given as you leave your host's house the evening of the dinner is all that is expected of you.

Miss Zaffina Is Honored at Shower

Christine Zaffina, bride-elect of Donald Genereux, was honored at a shower Thursday evening at the home of Mrs. David Snider of Silver Birch drive. Mrs. Bruce Richards was cohostess.

Others included Mrs. William Newman, Mrs. Paul Ish, Mrs. James Beall, Mrs. Ronald Newcomb, Mrs. John Kennedy, Mrs. Ray McDonald, Mrs. Joseph Zaffina, Mrs. Joseph Chircop, Mrs. John Maturo and Ernestine Rossi.

Dear Abby ....

Late to Begin 'Type-ing'

By ABIGAIL VAN BUREN

"DEAR ABBY: After being married to my man for 28 years and bearing six children for him he tells me he wants a divorce because I'm not his type. He's been acting kind of funny lately and he's not himself. He says he works late but I don't ever see any overtime pay. "I hate to be tied to a man who don't want me but I'm in no shape to start life over again on my own. He chose me for his wife and I was the same type then as I am now. Can a man get a divorce on the grounds that his wife is not his type? Please tell me what to do."

ABBY

NOT HIS TYPE

DEAR NOT: Maybe you are not his TYPE, but you are his WIFE. Your husband could be going through the male counterpart of the "menopause" (where some men pause and go backwards!) Get him to a doctor for a checkup. Don't hand him a divorce —he's the type who'd be sorry the minute he got it.

* * *

"DEAR ABBY: A word to 'NOT HIRED': A prospective employer sees your hat not as a becoming ornament but as the badge of a well-bred person who is not only familiar with the rules of proper behavior but willing to observe them. And a 'lady' is always well hatted, well gloved and well shod. I treasure this remark by my husband as he described our first meeting: 'Of course I remember the day I hired you—you were the only one who had sense enough to wear a hat!' "

MARRIED THE BOSS

* * *

"DEAR ABBY: The rag man gave us a dog. The dog scratches all the time and my mother said we had to get rid of him because the dog had fleas. I asked a neighbor and he said ALL dogs have fleas and it is just as natural for a dog to have fleas as it is for a person to have dandruff.

"My mother says that kids can get fleas from dogs but our neighbor says that people don't get the same kind of fleas from dogs my mother is talking about. Do all dogs have fleas, are they catching, and what can we do about it?"

KEVIN

DEAR KEVIN: All dogs do NOT have fleas and people can get fleas from dogs. It isn't "natural" for a dog to have fleas, neither is it "natural" for a person to have dandruff. Ask a vet how to rid your dog of fleas and how to keep him flea-free.

* * *

"DEAR ABBY: I am 16 years old and I go steady with a boy who is 18. His folks and my folks are good friends so on weekends when I go out with him I sometimes stay at his house because it is too far to drive back. I sleep in the same room with his four-year-old sister and my boyfriend doesn't come near me all night. Some of the neighbors know I sleep at his house and think it is terrible. As long as our folks know it, should we worry about what the neighbors think?"

LOLLY

"P.S. How does a girl know if she is pregnant without going to a doctor? My girl friend wants to know."

DEAR LOLLY: Sleep at home and you won't have to worry about what the neighbors think!—P.S. Only a doctor can tell if a girl is pregnant or not, so tell your girl friend to run like a rabbit for a rabbit test.

* * *

DEAR ABBY: Is it proper for two couples who met at the home of a Mr. and Mrs. X, to invite each other to their homes without inviting Mr. and Mrs. S? I hope I have made myself clear."

MRS. X.

DEAR MRS. X.: It is proper—but risky.

Femme With Style Flair Can Outshine Film Stars

NEW YORK (UPI) — The average woman can upstage a movie actress when it comes to fashion, says Hollywood designer Charles LeMaire.

Those fabulous wardrobes we see on the screen actually hinder a star from shining. They confuse her real personality with her screen self, said LeMaire, who heads the wardrobe department at 20th Century Fox.

* * *

"Contrary to the feeling that Hollywood is madly dressed, it's full of girls who want to be well dressed but haven't the time. They're so busy rushing to the studio, the hairdresser, the dance teacher, that they never get a chance to figure out their own style," said the designer, who has won three "Oscars" for his movie costumes.

Among the easiest actresses to dress is Jayne Mansfield. "You don't create styles, you just fit Jayne," he said.

BEST DRESSED

He considers among the best-dressed: Claudette Colbert ("She never changes style"), Ginger Rogers ("She used to be the worst dressed"), Loretta Young, Irene Dunne, Joan Crawford, Dana Wynter, Jean Tierney, Joan Collins, Joanne Woodward ("She makes her own"), Mrs. Buddy Adler (Anita Louise), and Lana Turner ("She's come out of the character stage").

What makes these women fashionable?

* * *

"Good taste and a long mirror," said LeMaire on a trip to New York with his wife. "Few women realize they have to walk away from people."

LeMaire, a tanned, graying and dynamic man who comes from Chicago, likes cooking, gardening, and painting, and with his wife has exhibited pictures.

He designed costumes for the Ziegfeld Follies, George White's "Scandals," and John Ringling North's circus before going to Hollywood in 1943. He also did stage wardrobes for Broadway stars, ran a shop in Manhattan, and designed personal wardrobes for such women as Mrs. Oscar Hammerstein, Arlene Francis and Ethel Merman. Today his off-the-set customers include Zsa Zsa Gabor and Susan Hayward.

* * *

LeMaire spends up to a month preparing the clothes. He answers hundreds of letters about the outfits, often has gowns photographed from the back to help home-sewers, sends out patterns, and has fabric dyed for samples because women ask to feel the material.

TRUST FAMILY

"Don't get fashion from the magazines, get it from your family. When the people around you say you look good, you've hit the style for you," the designer said.

He advised hunting for a becoming style, and color, then stocking the wardrobe with variations on this theme.

* * *

"Most elegant women have a dinner dress which they use as a man uses a tuxedo. They copy it when it wears out, change accessories often, and no one recognizes it as the same black dress," he said.

"Don't dress strictly according to personality. The life-of-the party type should wear the grays and blacks. The quiet women need pepping up with red or kelly green.

* * *

"I love sale-shoppers. Sales give a woman the chance to get things which go with things. The worst time to buy is when you need something. Wonderful wardrobes are acquired only when women buy something they just happen to see," he added.

"The best way is to take out all your clothes at the change of a season. Determine what you can get rid of, what to put away for next season, what to have cleaned, and what you need. Write down your needs, then keep on the lookout for the items," he said.

Have You Tried This?

Mrs. Anderson's Hobby Is Creative Cooking

By JANET ODELL
Pontiac Press Home Editor

It's such fun talking with creative cooks. We got half a dozen new ideas from Mrs. Emma Anderson of Commere. She experiments with canning; puts up cherries with aspirin and tries eggplant in salt brine. Both she and her husband are retired, but it sounds as if they were working harder than ever. They have an enormous garden.

Mrs. Anderson stuffs crookneck or straight neck squash. She cuts the squash in half and scoops out the seeds. Then she makes a filling of ground beef, rice, onion and a bit of garlic—just like the filling for green peppers.

Each squash half is filled. A strip of bacon is laid on top and a little water added to the pan. Bake about an hour in a 350-degree oven.

Mrs. Anderson also pickles green beans. After cutting them French style she cooks them in boiling salted water. Then she takes 2 cups of this water, 1 cup of sugar and 1 cup of vinegar. Heat to boiling point and add beans. When beans are hot seal in pint jars. Add 1 stick of cinnamon to each jar.

New Heel Safe and Thin, Too

To be daringly fashionable is smart; but of late smart women have found being fashionable can often be absolutely dangerous! We're speaking of the very real dilemma brought about by the tempting thread-thin heel which has often been found to be as breakable as it is provocatively beautiful.

The age-old problem of heel breakage — accentuated this season by the new shoe styles —is now ingeniously eliminated by the construction of a unique plastic heel that is guaranteed to last the lifetime of the shoe without cracking, bending or splitting in any way.

★ ★ ★

As if this weren't enough, the heel (the thinnest on the market) also boasts a permanent top lift which never wears down therefore never needs cobbling!

The secret of this remarkable dress heel is really quite simple. The heel itself is constructed of an incredibly strong process-plastic, reinforced by a central steel shaft which also forms the top lift. In use, it wears to a dull, rolled-edge surface, rather than becoming sharp, and it is completely harmless to floor surfaces.

★ ★ ★

Now in production by most leading shoe manufacturers, the heel is completely fashionwise, comes in all the important new mid-heights, as well as in the willowy high heel; and in all materials including suede and leather.

With a safe, beautifully slim heel necessary to delicately balance vanishing point toes—for a whole new feel in footwear—we have one more good reason for shorter skirts this season when legs are definitely to be looked at!

MR. and MRS. JOHN H. POWE

Married Saturday were Barbara Carol Johnson and John Henry Powe. She is the daughter of Mr. and Mrs. Willard V. Johnson, and his parents are Mr. and Mrs. T. M. Powe.

Couple Speak Vows

At a double-ring ceremony Saturday morning, Barbara Carol Johnson became the bride of John Henry Powe. The Rev. John Hoar officiated at the Nuptial Mass in St. Benedict Church.

Parents of the couple are Mr. and Mrs. Willard V. Johnson of Shore View drive and Mr. and Mrs. T. M. Powe of Mariva avenue.

★ ★ ★

The bride wore a street-length dress of lace over satin featuring a Sabrina neckline and long sleeves. Her shoulder-length veil was held by a half hat of tiny leaves and she carried a bouquet of white chrysanthemums and stephanotis.

ATTEND BRIDE

Mary Joan Johnson was her sister's maid of honor and Janet Johnson, another sister of the bride, was junior bridesmaid.

★ ★ ★

Both wore moss green taffeta dresses with short sleeves and harem hemlines. They carried baskets of yellow and bronze chrysanthemums.

Paul Grosse of New York was best man. Ushers were the bridegroom's brother, Richard Powe, and the bride's brother, James Johnson.

After a trip to northern Michigan, the couple will live on Northway drive.

Alcoholics' Families Can Get Help Too

By MURIEL LAWRENCE

Mrs. F. writes, "My husband is an alcoholic. We live with his mother who calls his drunkenness his 'stomach trouble.' Though there's an AA group in our city, he won't ask their help. So night after night I have to ask my 8-year-old kid to help me get his drunken father to bed . . . ."

Why do you put up with your husband's drinking, Mrs. F.?

Duty? Need of his mother's financial support

Of a wife's duty to an alcoholic husband psychiatrist Karl Menninger has written some words which merit wide publicity.

They are, "Time after time in my professional experience a wife could have put a stop to the drinking or compelled her husband to get treatment had she been willing to take a firm step —and refuse to tolerate it."

Unlike you, Mrs. F., AA begs nobody to seek their help. They wait until suffering has broken the addict into humility that enables him to confess his own need for help. That is why they are successful. They know that the alcoholic must thirst for his own salvation before he can find it. It is when he confesses his weakness that AA rushes supporting strength to him.

Sometimes a wife shares her alcholic husband's real problem — the egotistical refusal to acknowledge limitation. So intent may she be on being the other fellow's salvation that she cannot relinquish pride in her noble mission to say, "This is too much for me. I don't possess the understanding or experience to work it out."

I think that Mrs. F. is close to this brave admission of her own limitations. And may be, be ready to write to the organization that gives the same kind of support to alcoholics' families that AA gives to the addicts themselves. It's Al-Anon Family Group Headquarters, P.O. Box 182, Madison Square Station, New York 10, N. Y. It will put her in touch with its group nearest her.

Her husband may profit by her example of humility. Her ability to say "I've reached the end of my rope" may encourage him to think, "I have reached the end of mine—and need help too."

The Al-Anon people will be waiting to hear from her.

Delores Carter Becomes Bride of Karl E. Rhodes

Central Christian Church was the scene of the Saturday evening wedding of Delores Carter and Karl E. Rhodes Jr. The Rev. G. W. Gibson officiated before 300 guests.

Parents of the couple are Mr. and Mrs. Will M. Carter of Wisner street and Karl E. Rhodes of

MRS. KARL E. RHODES JR.

Bloomfield Hills and the late Mrs. Rhodes.

The bride wore a gown of antique ivory satin featuring a satin pointed neckline. Her full skirt fell into a sweeping fan train. A pearl-trimmed Juliet cap of antique ivory satin held her silk illusion veil and she carried a bouquet of white roses, stephanotis and ivy.

Mrs. John H. Christie of Clarkston was her sister's matron of honor. Bridesmaids were another of the bride's sisters, Mrs. Richard Porter, and the bridegroom's sister, Mrs. John Voorheis of Bloomfield Hills.

The matron of honor was dressed in a beige Chantilly lace sheath dress with a taffeta harem overskirt. Her headpiece was a full face veil and she carried a cascade of rust chrysanthemums and gold roses.

The bridesmaids were dressed like the matron of honor but in pink and they carried cascade bouquets of white button chrysanthemums and pink roses.

Claudia Christie, niece of the bride, was flower girl. She wore a light aqua gown with a white eyelet overskirt. Her headpiece was aqua ruffles and she carried a miniature nosegay of white chrysanthemums and pink roses.

John Rhodes, brother of the bridegroom was best man. Ushers were Elmer Rhodes, of Drayton Plains, another of the bridegroom's brothers; John Voorheis of Bloomfield Hills, John Christie of Clarkston and James Mellon, Mark Christie, the bride's nephew, was ringbearer.

Following a reception in Roosevelt Lodge, the couple left for a honeymoon through the southern states. They will live on West Howard street. The bride wore a black shantung sheath dress with black outfit.

For her daughter's wedding, Mrs. Carter wore an avocado paisley print sheath dress with avocado and dark brown accessories and a corsage of yellow tea roses.

The bridegroom's stepmother wore a light blue crepe dress with satin trim and black and white accessories. Her corsage was pink tea roses.

Pamela Jill Maneck and David Paul Ligon were married Saturday evening at First Methodist Church of Birmingham. Parents of the couple are Mr. and Mrs. William W. Maneck and Mr. and Mrs. Robert G. Ligon.

MRS. DAVID P. LIGON

Ligon-Maneck Nuptials Said in Birmingham Rite

White gladioli and pompon chrysanthemums banked the altar of First Methodist Church of Birmingham for the Saturday evening wedding of Pamela Jill Maneck and David Paul Ligon. Dr. Arnold F. Runkel officiated at the ceremony before 300 guests.

Parents of the couple are Mr. and Mrs. William W. Maneck of Middlebelt road and Mr. and Mrs. Robert G. Ligon of Lake Angelus and Mt. Dora, Fla.

The bride wore a floor-length gown of silk taffeta featuring a shallow scoop neckline accented with iridescent sequins and seed pearls on re-embroidered Alencon lace. Lace bands on the skirt formed a cathedral train.

Her fingertip illusion veil was held by a lace Swedish crown accented with seed pearls and sequins. She carried a crescent bouquet of phalaenopsis, stephanotis and ivy. Her only jewelry was a string of pearls, a gift from the bridegroom.

Wendy Cheryl Maneck was her sister's maid of honor. Bridesmaids were Barbara Beverly Baker of Westacres, Janet Lee Wilson and Nancy Jane Keterman of Berkley. The bride's second cousin, Lisa Ellen Louis of Walled Lake, was flower girl.

All the attendants were dressed alike in gowns of toast nylon organdy over taffeta with round necks and short sleeves. Their taffeta cummerbunds ended in fishtails at the back and they wore pink feathered hats and carried crescent bouquets of pink daisy chrysanthemums.

John Beeding of Mt. Clemens was best man. Seating the guests were Kenneth Ligon Jr. of Madison Heights, Melvin Krugman of Detroit, Robert Ligon of Romeo and Donald Ligon of Clawson.

Following a reception held at Devon Gables, the couple left for a honeymoon in Florida. They will live in Bloomfield Hills.

The bride wore a champagne wool sheath and short bolero jacket, hand knitted by her mother, with beige accessories and the phalaenopsis from her bridal bouquet for her going-away outfit.

★ ★ ★

Mrs. Maneck wore a dress of toast Chantilly lace over iridescent taffeta with a bronze leaf hat and corsage of beige Cymbidian orchids for her daughter's wedding. Mrs. Ligon wore a toast satin damask brocade dress with a satin hat with a nose veil and a pink cymbidian orchid corsage.

Need to Streamline Personality?

By JOSEPHINE LOWMAN

Women today are extremely figure-conscious and this attitude is a bonus for health as well as for good looks. We give a lot of thought to streamlining our figure but seldom think of streamlining our personality.

Personality, that indifinable, subtle quality, is made up of so many different factors, the total of which has a terrific effect upon our lives. Personality can attract or repel, stimulate or depress, encourage or discourage, fascinate or bore all those with whom we come in contact. We cannot afford to ignore this tremendous power in our lives.

Well, just what does one do in order to streamline the personality? It is immediately apparent that we must rid ourselves of the sags of boredom.

We must certainly bring the lumps of irritation, hurry and worry under control, and develop sympathetic, soothing curves. We must get rid of the soft, mushy tissue of negative living and those pads of intolerance.

Through practice we must develop the pliability and elasticity of an open mind and a broad viewpoint. We must be flexible and overcome the residual tensions of the dogmatic attitude. Otherwise, how can we be perceptive about others or attractive to them?

This can be done. But only through practice. Real effort must be made to control personality defects and develop personality assets just as we have to work in order to rid ourselves of figure faults and develop a lovely silhouette.

Daily we are shaping our figures and personalities through our habits. If we slump physically, we promote round shoulders and a protruding abdomen. When we slump mentally, we become dull and boring.

If we allow our positive emotions to atrophy from lack of use, we miss the rich experiences of life. This is easy to do under the impact of daily strains and tensions and irritations. To some people the most important things in life have become three meals a day and a warm bath.

★ ★ ★

Let's dust off our house and our personalities.

Tomorrow: "Don't Let a Small Defect Damage Your Personality."

We cannot afford to ignore the tremendous power of a pleasing personality.

Be Slow to Condemn Teenagers as Group

By RUTH MILLETT

Any teenager will resent it if an adult—

Seems to include all teenagers in a condemnation of the lunatic fringe.

Ridicules the music teenagers listen to by the hour.

Tells the teenager how much he missed by not growing up in "the good old days."

Tells a teenager how easy he has it compared with "when I was your age."

Refuses to take teenager's opinions seriously, or to listen when he defends his beliefs.

Distrusts the teenager simply because he is a teenager and the adult has heard so much about juvenile delinquency he "has it in for kids."

Ridicules teenage fads in dress. (Considering the way women are dressing these days it is a wonder any woman has the nerve to criticize teenage fashions in clothes.)

Immediately blames a teenager without hearing his side of the story when he is in a situation where either he or an adult was at fault.

Criticizes teenage manners—at the same time being less considerate of young people's feelings than of others.'

Talks down to the teenager as though talking to a child.

Refuses to believe a teenager as readily as another adult.

There is a wide gap between the teenage point of view and the adult point of view.

But it isn't all the teenager's fault. That gap is widened by any adult who is resentful of youth and shows it in the ways listed.

But the gap is narrowed by any adult who treats teenagers with courtesy and consideration and expects the best from them.

Brings Report of Negotiations

General Has Papers for Ike on Progress of Warsaw Talks

NEWPORT, R. I. (AP)—President Eisenhower today gets a confidential report sizing up chances for easing the Far East crisis on the basis of the United States-Red China talks at Warsaw.

The report is being brought from Washington by Brig. Gen. Andrew J. Goodpaster, White House staff secretary whose job includes handling national security matters.

The document is a detailed account of negotiations which U. S. Ambassador Jacob D. Beam started a week ago in Poland with Chinese Communist Ambassador Wang Ping-nan.

Eisenhower has been getting summary reports regularly at the summer White House. This new paper reviews the two sessions held last week and analyzes prospects for progress as the talks resume in Warsaw today.

Eisenhower discussed the Far East picture by telephone with Secretary of State Dulles yesterday in the wake of the President's blunt rejection of Soviet Premier Nikita Khrushchev's latest note to him. The United States fired the message back to Moscow, calling it full of falsehoods, abuse and threats, and therefore unacceptable.

The White House announced that the State Department later this week will issue a detailed statement rebutting the Soviet charges and setting forth the U. S. position on the Far East.

★ ★ ★

Eisenhower a bit later discussed the Formosa situation briefly at his vacation residence with British Foreign Minister Selwyn Lloyd and Britain's ambassador to the United States, Sir Harold Caccia.

The British officials came to Newport for Saturday's start of the America's Cup yacht races. They paid a courtesy call on the President before leaving town.

The President played 18 holes of golf yesterday with friends W. Alton Jones, William E. Robinson and George E. Allen.

Almost half of Canada is permafrost: land whose soil has a temperature of less than 32 degrees for at least two successive years.

Rita Hayworth Denies Her Marriage in Trouble

HOLLYWOOD (AP)—Rita Hayworth says there is nothing to the rumor her marriage to film producer James Hill isn't running smoothly.

"Not a word of truth in it," she said yesterday upon arriving after a European vacation. "Everything is wonderful—couldn't be better."

Hill accompanied her to New York but returned to Europe to finish a film.

Red China Calls U.S. 'Insincere'

Says Provocative Acts Expanded Since Start of Negotiations

TOKYO (AP) — Communist China today accused the United States of insincerity in the U.S.-Red China ambassadorial talks in Warsaw.

An editorial in the People's Daily, organ of the Peiping regime, broadcast by Peiping radio, severely criticized President Eisenhower for rejecting the latest letter from Soviet Premier Nikita Khrushchev.

"Since the resumption of the Sino-American talks, the United States has expanded its provocative activities in the Taiwan (Formosa) Strait area and stepped up its deployment for atomic warfare," it said.

"It has not only escorted the warships of the Chiang Kai-shek clique to Quemoy but has also clamored about bombing the mainland, and (U.S. Secretary of State) Dulles has shamelessly slandered the Chinese people's liberation of their own territory of Taiwan as armed aggression, attempting to force a so-called cease-fire on China.

"We would like to ask, where can we find the slightest U.S. sincerity for negotiations? If the United States is genuinely sincere in the Sino-American talks, it could prove this with deeds and not with mere words.

"First and foremost, the United States should stop its military provocations and war threats at once and immediately withdraw its armed forces from the Taiwan area. Anything else is idle talk."

2 Men Winding Up 10-Day Space Test

SAN ANTONIO, Tex. (AP) — Two specialists were to finish a 10-day test today aimed at seeing how men react to the stresses of space flight.

Dr. Bruno Balke and M. Sgt. Samuel Karst underwent simulated emergencies, high temperatures and humidity, low oxygen and high carbon dioxide conditions. The chamber they lived and worked in was kept at a simulated 16,000-foot altitude.

After leaving the chamber today, they faced blood tests and performance work tests. Results will be compared with those taken by the two men before entering the space cabin 10 days ago.

MONDAY, SEPTEMBER 22, 1958 — PONTIAC, MICHIGAN. — SEVENTEEN

. . . and 'Round They Go

More than 200 youngsters — ages 1 to 18 — gathered Saturday afternoon at the North Hill Plaza just north of Rochester for the wind-up of a marathon Hula Hoop contest. It started a week before but the kids proved so adept at keeping the colorful hoops twirling, the contest had to be held over. Longest time recorded was 2 hours and 45 minutes.

CAN I DO IT? — That's what 5-year-old Randi Van Auken of 144 Northwood St., Rochester, appears to be thinking as she waits her turn.

SURE, IT'S EASY — And Randi proves it. She performed just like a veteran.

AND IT'S FUN, TOO — Says Linda Black of 4 De Baene Ct., Rochester. She has mastered the Hawaiian technique, with a minimum of foot work, that is.

HOOPS A'FLYING — Carol Birmingham of 240 Winry Dr., Rochester, has her Hula Hoop twirling so fast, it appears to be suspended in mid-air. Definitely an expert, this one.

Vote Will Increase School Taxpayers

ALMONT — Voters in the Almont Community School District turned out in a small number Saturday and approved the inclusion of the former Robb and Muir districts on the Almont district debt tax roll.

In the special election, the proposal was passed by a margin of 100 to 4.

Following three years without a debt tax burden, the taxpayers of these two districts will now assume their share of the 6.4 mills debt retirement.

MR. AND MRS. DANIEL J. REVOIR

Drayton Residence Awaits Couple After Honeymoon

WATERFORD — Upon return from their honeymoon in Northern Michigan, Mr. and Mrs. Daniel J. Revoir are making their home at 3660 Hatfield St., Drayton Plains.

★ ★ ★

The marriage took place at the Waterford Community Church. The double-ring, candlelight rite was performed by the Rev. Wright Van Plew, former pastor of the church, who was assisted by the Rev. Robert D. Winne, present pastor.

The former Martha Jane Powell, the bride is the daughter of Mr. and Mrs. Wilbur K. Powell of 7275 Sandy Beach Dr., Waterford. Parents of the bridegroom are Mr. and Mrs. Percy J. Revoir of 6270 Barker St., Drayton Plains.

For her wedding, the new Mrs. Revoir wore a floor-length gown of lace and nylon net, featuring a fitted bodice and a lace peplum.

★ ★ ★

It had a Queen Mary collar and long lace sleeves tapering to points over the wrists.

Her fingertip veil was held in place by a lace crown, trimmed with rhinestones, and she carried a cascade bouquet of white carnations, roses and stephanotis.

Maid of honor was Carol Hillmar of Drayton Plains. Beverly Swift of Waterford was the bridesmaid.

★ ★ ★

William McPheters of Pontiac was the best man. Ushers were Wayne Dawson of Waterford and John Cameron of Alma.

★ ★ ★

The reception was held in the church parlors following the ceremony.

Civic Association in Huron Woods Names Officers

COMMERCE TOWNSHIP — Huron Woods Subdivision's newly-organized Civic Association has announced the election of its Board of Directors.

Named were Vaughn E. Davis, president; Harvey W. Shooltz, vice president; Jacqueline Laschen, secretary; Harvey W. Stoll, treasurer, and Day F. Perry, director at large.

Serving as honorary chairman of the Board will be Anthony Kratage.

Pessimism Prevails at Red China Parley

WARSAW (UPI) — U.S. ambassador Jacob Beam and communist Chinese ambassador Wang Ping-nan meet here today in an atmosphere of general pessimism that they can solve the Formosa crisis.

Their third meeting had been scheduled for yesterday but was postponed until today presumably to let the Chinese consult the Peiping government.

The pause for new instructions was not looked on here as a hopeful indication of success for the talks.

There was no confirmation from official sources here but it was generally believed Wang demanded Nationalist evacuation of the offshore islands as the minimum condition for a cease fire in the Formosa Straits.

All indications were the United States would take the Formosa issue before the United Nations if the talks fail here.

'Mackinac Bridge Diary' to Be Shown in Clarkston

CLARKSTON—The film "The Mackinac Bridge Diary" will be shown by the Clarkston Rotary Club at their dinner this evening at the Community Center.

The film, prepared by the United States Steel Corp., shows the progress of the bridge from beginning to completion.

Follows Decker PTA Meeting

Square Dance Scheduled

WALLED LAKE — A square dance will follow the first fall meeting of the Decker Elementary School Parent-Teacher Assn. tonight.

At the meeting beginning at 8 p.m., Principal Cecil G. Scott, will introduce the teachers to the parents and discuss types of school clothing preferred. The group will then tour the classrooms and review school activities and the curriculum for the coming year.

Mrs. Allen West, Mrs. Richard Cottrell and Mrs. E. Hafner are the hospitality committee.

Other committee chairmen for the year are Herbert Holman, program; Wilson Collins, ways and means; Mrs. Richard Melvin, publicity; Mrs. Albert Lesko and Roland Getts, council delegates; Donald Lamb, safety; Mrs. Robert Fellows, legislation and Mrs. Leo W. Bettes, health.

LAKE ORION

The Lake Orion Community High School Parent-Teacher-Student Assn. will meet at 8 tonight instead of next Monday.

Sgt. Steven Navarre of the Oakland County Sheriff's Department, will be the guest speaker. He will talk on problems facing today's youth.

AVONDALE

Teachers will be introduced to the parents Thursday when the Avondale High School Parent-Teacher-Student Assn. meets for the first time this fall.

The meeting, held in the gymnasium, will include a tour through the new addition to the school and several selections played by the high school band.

Racial Strife Erupts in London Again

LONDON (UPI) — Racial strife broke out again in the Notting Hill slum area of West London last night when a gang of 20 white youths chased four colored men and threw milk bottles at them.

★ ★ ★

The colored men dashed for safety into a house and closed the door. Outside the white "Teddy boys" flung bottle after bottle at the house. Broken glass littered the pavement and roadway.

The colored men suddenly flung open the door and rushed out with dozens of empty milk bottles to return the fire. A white couple wheeling a baby carriage were injured in the exchange.

The arrival of police patrol cars sent the white youths rushing to side streets. None was caught.

★ ★ ★

Notting Hill was the scene of the worst riots in the recent racial outbreaks in Britain. It had apparently returned to normal following the passing of severe jail sentences last week on white youths caught with weapons during the rioting.

Open Bids Thursday to Level School Site

CLARKSTON — Bids on preparing the building site for Clarkston's new high school building will be opened Thursday at 8 p.m. in the board of education office in the present high school.

Moving of dirt to proper grade levels and preparing storm sewers will cost an estimated $50,000.

The Clarkston Community School Board has set Oct. 22 as the date for final approval of the plans for the $2,500,000 new high school building.

Bids are expected to be let by the end of the year to the contractors.

High Prices? Traffic? Rome Had 'Em, Too

LOS ANGELES (UP)—Tired of high prices and heavy traffic?

Well, Dr. Edward O'Neil of the University of Southern California offers some translated passages from Juvenal, a Roman satirist, to show the same problems existed 1,800 years ago.

"Hurry as we may," wrote Juvenal of traffic, "we are hemmed in by a surging crowd in front and a dense throng of people pressing from the rear . . . you can be considered foolish if you go out to dinner without your will made.

On the cost of living: "People whose poverty stands in their way find it hard to rise; but at Rome the attempt is still harder. Here you must pay a big rent for a miserable house. In Rome everyone dresses agove his means.

Even a hint about smog: "See now the smoke rising from the crowd which hurries for the daily dole."

Ex-President Accused of Falsehoods, Distortions

GOP National Committee Raps Truman

WASHINGTON (AP)—The Republican National Committee today accused former President Harry S. Truman of what it called five distortions and falsehoods in three campaign speeches last week.

GOP Chairman Meade Alcorn at the same time challenged the No. 1 Democratic campaigner to explain to Northern audiences "why Southern Democrats are closing public schools rather than obeying the law."

★ ★ ★

The Republicans, reacting to Truman's utterances last week in Albany, N. Y., Atlantic City, N. J., and New York City, issued what they called a "Truman vs. the Truth Fact Sheet."

"Harry Truman hit the campaign trail last week and, as usual, left behind him in each city a mountain-sized pile of distortions, half-truths and outright, deliberate falsehoods designed to deceive Americans," Alcorn said in a statement. He said the sheet was issued "to correct Mr. Truman's major misstatements."

★ ★ ★

The GOP document listed the following Truman statements and Republican retorts:

Truman — The Republicans in Washington are following economic policies designed to prevent full production.

Republicans — Even after the mild spring business downturn, America's gross national production in this peacetime year is about 100 billion dollars more than at the height of the Truman Korean War year of 1952.

Truman—They want a little unemployment. It helps 'Keep labor in its place.'

Republicans — More Americans are at work today earning more than at any time under a Democrat administration, and this has been accomplished without the periodic Democrat stimulus of a major war. . . .

Truman — They want to hold wages down. They think it makes for higher profits.

Republicans — Personal income is now at a record peak, more than 26 per cent above Truman's best result. . . .

Truman—The idea that Democrats are extravagant and that Republicans are economical is a myth.

Republicans—In 20 years Democrats zoomed the national debt by 234 billion dollars, using the inflation-causing deficit financing as a policy. As for spending, the last session of the Democrat 85th Congress set several records.

★ ★ ★

Truman — Vital research programs for missiles were held up for years.

Republicans—Truman is right, but he is the one who held up research programs. . . . This administration has developed nearly all the missiles we have, an array now of 11 operational types with work being rushed on 35 other advanced types.

Michigan's Political Pot Bubbles Over Weekend

By The Associated Press

Michigan's political pot bubbled over the weekend as both gubernatorial candidates made major addresses and the Republican national chairman took a pot shot at Governor Williams.

★ ★ ★

Paul D. Bagwell, GOP candidate for governor, called for Michigan to celebrate the opening next year of the St. Lawrence Seaway by organizing a floating world's fair.

Williams, seeking his sixth straight term in office, said Michigan will shine with as high a polish in the rocket age as it has in the automobile age.

Republican National Chairman Meade Alcorn, meanwhile, blasted Williams, describing him as a "pliant tool" of United Auto Workers President Walter Reuther.

Bagwell said a waterway world's fair would boom the state's economic future.

★ ★ ★

"We can invite foreign nations to participate in a gigantic world's fair featuring vessels of all nations, especially equipped to exhibit their products and cultural interests."

Williams, who also spoke in Detroit, cited the Mackinac Bridge as symbolic of the state's progress.

Alcorn, boosting Bagwell, said in Lansing, that unless Williams is defeated Reuther will become a greater political influence across the nation.

"It is my considered opinion that the Reuther-Williams combination represents a grave threat to union democracy, to responsible government and to the American private enterprise system," Alcorn said.

Lt. Gov. Philip Hart, Democratic candidate for the Senate, spoke at Charlotte and said: "Republicans are strangely silent about governmental economy because so many of their promises in this field have been broken."

★ ★ ★

Democrats announced plans for a funds drive throughout the state by 5,000 party workers for the Sept. 26-29 period. The collection is for financing the 1958 campaign and year-around political activity.

8 Towns Flooded by Mexican Rivers

MEXICO CITY (AP)—The Silao and Lajas rivers flooded eight more small towns in Guanajuato state, central Mexico, dispatches from the area reported today.

More than 10,000 persons were reported driven from their homes. About 15,000 persons already had been forced to flee as a result of high water at Salamanca in the central part of the state.

★ ★ ★

A reporter from the newspaper Excelsior said about half Salamanca's 30,000 population escaped to higher ground when waters of the Lerma River and Lake Yuriria began seeping into the city.

Many other towns in the state already had been stricken. At one time 45,000 were reported homeless last week.

★ ★ ★

Heavy rains continued to fall in the area and in northern Mexico. Hundreds of small towns were flooded or cut off in the area around Torreon in northern Mexico.

Elvis Presley Weeps for Departed Mother

MEMPHIS, Tenn., (UPI) — Pvt. Elvis Presley wept when he stopped over here for three hours during the weekend.

The rock and roll entertainer, en route for a tour of duty overseas, said "Coming home made me think of my mother," who died last month of a heart attack.

Honor Dinah, Husband

BEVERLY HILLS, Calif.—(UPI) The B'nai B'rith last night honored singer Dinah Shore and her actor-husband George Montgomery as "Mr. and Mrs. American Citizen" at the organization's annual dinner.

Ham Operators in Oakland Help Bring Glad News

Two members of the Oakland County Amateur Radio Club last night assisted in bringing good news all the way from Jerusalem to a Detroit woman.

Keith Hills, a Pontiac barber working his receiver in his home at 36 Union St. around midnight, heard a call from a man in Jerusalem asking someone to assist him in contacting a Mrs. Mitchell Levitt, of 19451 Schaefer Rd., Detroit.

Hills immediately got club president Mitchell L. Bacow, of 34 Cherokee Rd., out of bed. Bacow hurriedly warmed up his set and by means of a "phone patch" linked Mrs. Levitt by telephone with her niece, a Mrs. Shami, in Jerusalem.

Mrs. Shami brought news that Mrs. Levitt's sister, believed dead for many years, was alive and that she (Mrs. Shami) had just received a letter from her from Leningrad.

"They talked for about 20 minutes," said Bacow, "but most of this was drowned out by the crying over the happy news."

Sand dunes having crests as high as 800 feet, tallest in the inland United States, can be seen at the Great Sand Dunes National Monument in Colorado.

GLORIA JEAN McKIM

Mr. and Mrs. William McKim of 3435 Walnut Lake Rd., Orchard Lake, have announced the engagement of their daughter, Gloria Jean, to Lt. Thomas Kratt, son of Mr. and Mrs. Theodore Kratt of Dearborn. The bride-elect attended Michigan State University where she was affiliated with Alpha Gamma Delta. Her fiance is a graduate of Michigan State and was affiliated with Alpha Tau Omega. He is stationed with the Air Force in Malden, Mo. The wedding has been set for Nov. 22.

Beach-Aris Nuptials Said at Drayton

DRAYTON PLAINS — The United Presbyterian Church here was the scene recently of the marriage of Elizabeth R. Aris to Everett G. Beach. The double-ring candlelight rite was performed by the bridegroom's brother, the Rev. Harvey Beach of Viola, Kan., assisted by the Rev. Walter Teeuwissen.

The bride is the daughter of Mr. and Mrs. Loren D. Aris of 4080 Joyce St. The bridegroom is the son of Mrs. Ora E. Beach of 4269 W. Walton Blvd.

Given in marriage by her father, the bride wore a gown of white taffeta, with a Sabrina neckline trimmed with pearls and sequins. Her waist-length veil fell from a tiara of sequins, and she carried a bouquet of white roses and lilies of the valley.

Maid of honor was Shirley Tipolt. Margaret Aris, the bride's sister-in-law, and Karen Servant were the bridesmaids.

Best man was the bridegroom's brother, Robert. Ushers were the bride's brother, Peter, and Lawrence Benscoter.

The newlyweds are honeymooning this week in northern Michigan.

MR. AND MRS. EVERETT G. BEACH

Area Newlyweds Leave for Florida, New York

WEST BLOOMFIELD TOWNSHIP—On a honeymoon trip which will take them to Florida and New Yok are Mr. and Mrs. Daryl E. Wittenberger.

They were married Sept. 12 at St. George's Episcopal Church in Milford. Performing the double-ring rite was the Rev. Bertram White.

★ ★ ★

The former Ellen Suzanne Sharp, the bride is the daughter of Mr. and Mrs. Joseph W. Sharp of 2666 Bay Dr. Parents of the bridegroom are Mr. and Mrs. Emil P. Wittenberger of Nampa, Idaho.

For her wedding, the new Mrs. Wittenberger chose a gown of peau de soie with a long bodice and full sweep train. Her fingertip veil fell from a lace cap, and she carried a French rose bouquet.

Mrs. Paul Deni was matron of honor, and bridesmaids were Miss Aileen Fitzpatrick and Miss Ellen McJunkin.

Frank W. Shriver of Arcadia, Calif., was the best man and ushers were Torwald Torgenson of Chicago and William A. Bushway of Milford.

The reception was held at the Edgewood Country Club.

Relman Morin Writing for Hal Boyle:

Natives of Formosa Seldom Heard From

Snaps from a traveler's album:

In the thundering and dangerous dispute over the future of Formosa, one voice is seldom heard —that of the Taiwanese people.

★ ★ ★

They are the natives of the island.

They are a vivid people, eager, energetic and intelligent. Generally, they look Chinese. Yet many of them have distinctive features, possibly from intermarriage with Filipinos, Indonesians and other races.

Over the centuries, they have been ruled by the Portuguese, the Dutch, a Ming dynasty rebel, the Japanese, and now the Chinese Nationalists.

★ ★ ★

Today, some of the Taiwanese are talking independence.

How many is hard to say. During a recent assignment on Formosa, I didn't find a large, well-defined political movement. There is, however, much talk of a Taiwanese government, independent of both the Chinese Nationalists and the Chinese Communists.

This might be the solution, at some future date, for one of the most dangerous problems in the world —the powder-keg fact that the Chinese Reds have committed themselves to "liberating" Formosa, and the U.S. commitments to defend it.

★ ★ ★

Formosa is 120 miles from the China mainland.

It is the seat of the exiled government of Chiang Kai-shek. More than two million Nationalists fled there when the Communists swept over China.

They agree with the Communists on one point: Both maintain that Formosa is a province of China.

Nobody, so far as I know, has ever conducted a plebiscite to determine how the Taiwanese feel.

They could argue that, apart from the Portugese, Dutch and Japanese, there have been others who denied the authority of China.

A very colorful guy, known — foreign-style — as Koxinga, came to Formosa when the Manchus took over China from the Ming emperors. Koxinga was a Ming, a rebel, a pirate, or a patriot, depending on the point of view.

★ ★ ★

He blasted the Dutch off Formosa and made it his private preserve, a base for raiding the mainland. His castle, near the southern tip, is a fascinating souvenir of a fascinating man.

The Taiwanese might also recall that the people on Formosa declared it independent in 1895, when China ceded it to Japan. The Japanese, of course, did not agree.

Again in 1945, when the victorious Allies gave it back to China, there was an uprising, put down by the Nationalists in no uncertain terms.

Today, there are about eight million Taiwanese.

They go into Chiang Kai-shek's army as the Nationalist veterans, officers and men, reach the point where they go on reserve status. The Taiwanese compose between 20 and 25 per cent of the Nationalist force.

Are they loyal? Would they fight if the Nationalists ever attempt to return to the China mainland?

★ ★ ★

The Nationalists say indoctrination makes the Taiwanese fiercely anti-Communist and firm supporters of the Nationalist cause.

It is difficult to square this with the fact that some Taiwanese are talking independence.

Taiwanese are eligible for election to office in county and city elections. Some have been appointed to positions in the over-all government of the island.

There is no vote for the presidency or other top government offices, however, on the ground that Formosa is only a province of China. A national election, with all the people of China participating, would be the only way to put new men in these offices, the Nationalists say. Obviously, that can not be held while the Communists hold the mainland.

It is a beautiful island, a tropical paradise—and today one of the most potentially dangerous pieces of real estate on earth.

Report Gold Missing; Don't Know How Much

GARFIELD, Utah (AP)—Kennecott Copper Corp. officials continued their inventory check today to determine how much gold, if any, was missing from their refinery here.

★ ★ ★

Asst. General Manager Ira K. Hearn said there definitely was some gold missing, but "we cannot estimate the value of the missing metal until our inventory is complete."

★ ★ ★

Secret Service Agent Robert F. Grube of Salt Lake City said no definite shortage had been established yet. He did not elaborate.

Hearn termed a radio station estimate of three million dollars as "ridiculous."

Film Cowboy's Ranch Now Western Museum

NEWHALL, Calif. (AP) — The ranch of old-time movie cowboy William S. Hart has become a museum of Western lore.

In compliance with the terms of Hart's will, the ranch was presented to Los Angeles County in ceremonies Saturday. One of those who attended, cowboy actor Monty Montana, commented: "Happy to see you're paying tribute to a cowboy who could ride a horse."

Hart died in 1946.

Warns of Diphtheria

TAIPEI, Formosa (AP) — The director of Taipei's municipal health center warned today that diphtheria cases are increasing. He urged inoculation of all children. Dr. Wang Loh said 100 cases have been reported this month.

Town Is Theirs After Long-Awaited Clinching of NL Pennant

Today the Braves Own Milwaukee

MILWAUKEE (AP)—Today the Milwaukee Braves own this town—lock, stock and beer barrel.

Horn-tooting hometome fans whooped it up yesterday evening, pausing only to welcome the National League champions when the Braves flew in from Cincinnati.

★ ★ ★

The celebration started in Cincinnati's Crosley Field yesterday afternoon immediately after the world champion Braves clinched their pennant with a 6-5 victory over the Redlegs.

The triumph made the Braves hosts for the New York Yankees in the start of the World Series Oct. 1.

The eruption of gaiety in the Braves' clubhouse in Cincinnati was echoed almost immediately in Milwaukee where fans took to their cars to toot their way down Wisconsin Avenue, Milwaukee's main street.

★ ★ ★

A boy in a blue suit popped out of the door of the First Methodist Church on Wisconsin Avenue and issued one loud blast on a horn before he returned indoors.

The main celebration reached a climax at General Mitchell Field where a crowd estimated at 14,000 jammed the passenger terminal to greet the Braves.

Police estimated another 15,000 lined the route to the airport, although there was no motorcade of players in the plans.

First man off the chartered airliner was Manager Fred Haney who jokingly declared, "Folks, it was never in doubt; we had it all the way."

★ ★ ★

This brought shouts of laughter from the fans, who had waited tensely while their Braves battled in recent weeks to escape the hot pursuit of the Pittsburgh Pirates.

The playerc' wives and children joined them outside the terminal before the crowds surged onto the concrete apron and engulfed the Braves.

"You gonna get the Yankees?" someone shouted to Lew Burdette, three-game victor over the American League champions in last year's World Series.

Burdette grinned. "I sure hope so; we'll be trying."

A more positive declaration was made in the Braves' clubhouse in Cincinnati immediately after the game.

"This is the best damned ball club in the world," one play shouted.

Corks popped from champagne bottles which Braves owner Lou Perini had kept on ice ever since last Friday—waiting for the pennant clincher.

★ ★ ★

Players alternately gulped at the champagne and poured it over each other.

Haney wore a continuous grin, althought he maintained his usual calm.

Someone suggested he take some champagne.

"You go ahead and have it," Haney said, "I don't like the damned stuff."

The Braves' manager praised his players for their team work in the face of a succession of injuries.

HITS WOMAN — Ted Williams is shown leaning over the railing trying to comfort Mrs. Gladys Heffernan who was struck with the bat he threw. The woman, who was taken to the hospital, is the housekeeper for Red Sox general manager Joe Cronin. She absolved Williams for the incident saying, "He didn't mean it, I feel sorry for him."

Boss' Housekeeper Slightly Hurt

Williams Throws Bat Again, Hits Woman

BOSTON (AP)—A subdued Ted Williams, on the downhill side of an explosive baseball career, today awaited American League action for hitting a woman fan with a thrown bat.

In the latest of his temperamental outbursts, the 40-year-old Boston slugger, angered by a called third strike, flung his bat which caused a contusion over the woman's left eye.

Mrs. Gladys Heffernan, the 60-year-old victim, by coincidence is housekeeper for Red Sox General Manager Joe Cronin.

She was kept in the hospital for observation overnight though not seriously hurt.

★ ★ ★

A staunch Williams fan, Mrs. Heffernan said "I felt awful sorry for him after it happened." Williams said he felt just plain awful. Fan reaction was mixed. Cronin made it plain no club action was planned.

But the man still to be heard was Will Harridge, president of the American League.

★ ★ ★

Umpire-in-Chief Bill Summers, though understanding Ted's anguish, wired a report to Harridge in Chicago rather than wait for the mails to carry it.

Fined twice previously for bat throwing, Williams did more than anyone else to bring about a mandatory $50 fine in both major leagues for the act.

★ ★ ★

Earlier this year Ted drew a $250 levy following the most recent of a series of spitting incidents. The salivary salvo occurred in Kansas City.

Speculation on Harridge's action ranged from a minimum reprimand to a heavy fine plus suspension for the balance of the season—a matter of six games.

★ ★ ★

However, some veteran observers felt the league would be compelled to take more severe steps than in the Kansas City case.

Ted's anger yesterday was directed at himself for taking a good pitch and going for the ninth straight time without a hit in his bid for a sixth league batting crown.

But the possible consequences became far more serious when the bat sailed to the seats 75 feet away.

Williams rushed to the box seat railing where Mrs. Heffernan told him: "Don't worry about me, Ted. I'm all right. I know you didn't mean it."

★ ★ ★

The hit-master, who won Male Athlete of the Year honors in 1957 for producing an almost unbelievable .388 batting average at 39, broke down for a moment.

"Ted was crying. He looked terrible," Summers said. "I had to tell him to get out on the field to play ball he was so upset."

★ ★ ★

The crowd of 9,785 booed when Williams ran out to his left field position but reaction was mixed after that and when he doubled home a run in the sixth inning he was loudly cheered. He wound up with a 1-for-3 day and held his average at .314—nine points beind league pacesetter and teammate Pete Runnels.

Colts, Rams, Eagles and Cards Win

Bears Rally to Nip 'Skins

By The Associated Press

The final National Football League standings say it will be a Chicago subway series between the Bears and Cardinals for the world championship in December.

But the tune has been known to change before the dance is over and as they begin the NFL ball next weekend the only solid fact is that the Bears are back—big and bad.

★ ★ ★

Owner George Halas took over the Bears' coaching duties this year after giving Paddy Driscoll a two-year try at a world championship. The best he could do was a losing try against the New York Giants in the 1956 championship affair.

So far, Halas is undefeated as his Bruins finished the "no count" games with a 6-0 record, beating Washington 27-24 yesterday. They showed a national television audience that the trademarks of the Bears of old—a big, immoveable line and flashing runners—are once more their hallmark.

The Cards, with a 3-2-1 exhibition mark in the Eastern Division, are one of the surprise of the pre-season. They polished off the Green Bay Packers 31-24 yesterday.

Other Sunday exhibitions: Baltimore defeated New York 42-21; Los Angeles beat Pittsburgh 31-6; and Philadelphia edged San Francisco 31-28.

George Blanda's field goal in the last 17 seconds won for the Bears, down 17-0 at one point late in the first half. Willie Gallimore's 70-yard touchdown return of a punt tied it 24-24 in the final period.

Rookie Mike Sommer returned two Chicago kicks 65 and 85 yards for Washington scores.

★ ★ ★

Dick Lane intercepted a Babe Parilli pass and ran 55 yards for a touchdown that won for the Cards in the last five minutes. It was the Cards' third score of the last period, and the third time they had to come from behind. Rookie M. C. Reynolds tossed two TD passes and set up a third with a pass play in the second half.

★ ★ ★

Baltimore's John Unitas hit end Ray Berry with two touchdown passes and Lenny Moore ran 91 yards for another score against the Giants. New York's Charley Connerly fired two scoring passes to end Bob Schnelker.

Jon Arnett's 93-yard punt return for a touchdown nullified a 6-0 Pittsburgh lead on two field goals by Tom Miner and fired the Rams to their triumph. A 17-point fourth quarter wrapped it up.

★ ★ ★

Bobby Walston kicked a 15-yard field goal in the final 40 seconds to give Philadelphia a come-from-behind win. Brad Myers led the Eagles, down 21 points at one time, with two touchdowns.

Dietz and Smith Teams Top Best-Ball Tourney

Teams headed by Horton Smith of Detroit Golf Club and Mike Dietz of Indianwood shared 1st place in a pro-amateur best-ball golf tourney Sunday at Selfridge A.F.B. course.

Dietz, Capt. Ed Manning and Ronie Kane combined for a seven-under-par 65. This was matched by Smith and Maj. Gen. R. E. L. Eaton, Col. G. E. Duncan and Col. William Riddle. Bob Gajda of Forest Lake paced the 24 pros who competed with an individual 68.

Face Baltimore Sunday to Open Regular Season

41-7 Loss at Cleveland 3rd Exhibition Setback in Succession

DETROIT (AP)—The Detroit Lions will start defense of their National Football League Championship in a slump.

They open the regular season against the Baltimore Colts next Sunday and coach George Wilson can't be too happy over the turn of events.

The Lions have lost four of their six pre-season games, the last three in a row. From now on, the games count.

The Lions lost their final exhibition Saturday night to their old rivals—the Cleveland Browns — 41-7. It wasn't as lopsided as when Detroit beat the same Browns last December for the world championship. But it was enough to make Wilson shudder.

His players aren't feeling too good either. And for two of them, the end of the trail as Lions is near. Wilson must slash two players from his roster by tomorrow night to get the Lions down to the 35 player limit. A couple of rookies are expected to get the ax. Or perhaps injured Jerry Reichow will be placed on the injured reserve list, saving a job for someone.

★ ★ ★

Rookie Bobby Mitchell returned to become the Lions' nemesis once again. He scored two touchdowns as the College All-Stars beat the Lions last month.

Saturday he repeated his performance as a Brown. Mitchell was more impressive this time, though. The Former Illinois star scored on dashes of 73 and 83 yards as the normally stingy Detroit defense tumbled apart.

Mitchell's cohort in the All-Star drubbing also came back to haunt the Lions. That was ex-Michigan State quarterback Jim Ninowski. Ninowski pitched two touchdown passes in the fourth quarter as the Browns scored three times.

★ ★ ★

Another ex-Spartan, Leroy Bolden, got into the act by running seven yards for a Cleveland touchdown.

The Lions could muster only one serious offensive gesture. It came late in the first half and paid off in a Tobin Rote-to-Hopalong Cassady touchdown pass. The aerial traveled three yards

'Kid' Crushes Hopes of Pep

BOSTON (AP)—Hogan "Kid" Bassey was in the market for big money fights with his featherweight championship as bait today after crushing the hopes of Willie Pep for one more title shot.

"We're open to all offers," said Manager George Biddles. "No one is barred. Hogan is in big demand."

The 26-year-old champion from Nigeria let his manager do the talking as he began a week's rest after battering Pep for a ninth-round technical knockout Saturday night at the Boston Garden.

The 126-pound king picked up a check for $11,611.50 after flooring Pep twice for a TKO at 42 seconds of the ninth round of the scheduled non-title 10-rounded before a crowd of 10,409.

Big 10 Teams Will Prep for Loop Play This Week

By The Associated Press

Ohio State's defending champions and the power-packed Spartans from Michigan State are the favorites in the upcoming Big Ten football race.

But he who discounts several other teams is not very familiar with Western Conference football championships which seldom are settled before the final week of the season.

Iowa, Wisconsin and Purdue all are formidable threats and Michigan and Illinois always are capable of coming through.

★ ★ ★

Before the title chase begins, Big Ten teams have a few intersectional problems to settle. The conference race begins Oct. 4 with Michigan battling Michigan State in one of the nation's big rivalries. The eight other teams move into Big Ten play a week later.

★ ★ ★

Saturday's opening round provides the Big Ten with some of the top competition in the nation.

Wisconsin's speedy Badgers get things rolling Friday night at Miami of Florida in a real tough opener.

Indiana and Northwestern, the Big Ten doormats, draw the toughest assignments. The Hoosiers face Notre Dame in South Bend and Northwestern is host to Washington State. Notre Dame is expected to field one of the top teams in the nation and Washington State opened its campaign Saturday with a humiliating 40-6 victory over Stanford.

★ ★ ★

Michigan State takes on California and in view of Cal's 24-20 loss to College of Pacific, the Spartans shouldn't have too much trouble. Iowa should have its hands full with TCU which ripped Kansas 42-0. Purdue takes on Nebraska which won a 14-7 upset victory over Penn State.

Michigan will find Southern Cal no soft touch. The Trojans opened with a 21-0 triumph over Oregon State—supposedly one of the better teams of the West Coast. Ohio State is home to Southern Methodist, a team never to be taken lightly, and Minnesota goes to Washington.

★ ★ ★

Illinois is home to UCLA and the Bruins are looking for revenge after suffering a 27-6 defeat at the hands of Pitt. UCLA was favored over the Panthers by one touchdown.

One thing is certain, Big Ten teams will have no opening game breathers.

3 Big Plays Turn Trick

Irish Trip Rams in Opener, 19-0

Three BIG plays thoroughly spoiled Sunday's 1958 gridiron beginning for Pontiac St. Frederick's eleven.

Playing at Wyandotte St. Patrick's field, the Rams were caught flatfooted three times says coach Gene Wright of the Rams. Each of these actions produced a touchdown, providing the margin of victory, 19-0.

★ ★ ★

Rams drove only once within the Wyandotte 20-yard stripe. An intercepted pass ended a long march for the Pontiac club.

Two of the St. Patrick tallies came in the second period, the final one in the fourth. Two were on passes thrown by the Irish halfback Jim McDonald. The second was the result of a 60-yard run on a pitchout by halfback Bob LaPorte.

Irish broke end Dave Johnson loose in the early part of the 2nd session, and McDonald rifled a long one into his hands. Johnson went rest of the way in. Play covered 50 yards. A few minutes later LaPorte got away, and rambled from his own 40 to pay dirt. Final counter was another pass by MacDonald to Larry O'Connor who went all the way to cover 60 yards on the play.

★ ★ ★

The only sustained Ram offensive came in the 2nd, when Tom Nesbitt, and Jack Lyon, particularly, said Wright, worked down into Irish territory. Drive followed and Irish punt. Lyon's blocking was especially good, the Rams' mentor explained.

★ ★ ★

Rams had a lot of difficulty with their aerials. They completed only three of 14 and lost three by interceptions.

Sunday's defeat, says coach Wright, was not entirely unexpected. "We knew St. Patrick had a strong team. But we were lax in a number of instances and we'll begin work tonight to correct those mistakes. I think we will be ready to go all right in our league opener this Sunday at Wisner field against St. Clement."

One casualty of the Irish-Rams contest was St. Pat's Ed Kostelemey, who suffered a broken right ankle in the 2nd period after making a tackle on the kickoff following the game's 2nd tally.

Results of other Catholic Division games:

St. Benedict 28, St. Bernard 12; St. Rita 31, St. Elizabeth 0; St. Leo 7, OLS Farmington 6.

Juhola Wins MPGA, Iceberg Places 2nd

Viekko Juhola of Detroit shot a four-under par 33-33—66 Sunday at Sunnybrook to win the Michigan Publinx Golf Association's 4th and final golf tournament of the year. Juhola's card featured two eagles and two birdies.

Pontiac's Roy Iceberg, MPGA president, and Doug Wilson of Ypsilanti tied for 2nd place with 68.

Sharing 3rd place at 69 were Jay Law, Tex Ellison and Jim Bacon while four other golfers, Wally Smith of Pontiac, Claude Dwight, John Kurach and Sam Lima, came next with par 70.

Tigers Lose Home Final to Cleveland, Tied for 3rd

New York College Girl Leads Dressage Riders

An 18-year-old New York college girl, riding two different mounts in the first National Open Dressage Competition at Bloomfield Open Hunt, took top honors in this new equestrian event, Sunday evening.

Personable Karen McIntosh, Briarcliff Junior College student from Bedford Village New York, compiled 240 points in Sunday's Class 11 event to go with 172 as winner also, in Class 1-A on Saturday. For good measure she added a 3rd place in Class 11, to win the handsome Col. H. E. Tuttle Challenge Trophy.

Event is designed by the United States Equestrian Team, Inc. to develop riders and mounts for Pan-Am. and Olympic competition, as U.S. representatives. The two-day test here was the first of its kind, and drew a field of 27 horses and riders from the Eastern coast, West coast, and the South. The U.S. E. T. has been invited to return to BOK for the next annual competition.

Miss McIntosh gave superlative performances, winning both top events with high skill and aplomb. She rode two horses, imported from Germany, a chestnut gelding (Scipio) and a bay (Maltasser).

Leading riders:

CLASS II—1. Karen McIntosh (Scipio), 240 points; 2. Mrs. William J. Barney, Southport, Conn. (Missanna), 235 points; 3. Miss McIntosh (Maltasser), 229.3 points; 4. Charles (Chuck) Grant (Shining Gold), 217.2 points; 5. Major Robert Borg (Serrean) Sabobai 204.3 points; 6. Frank H. Duffy (Reno Overdo), 203.6 points.

CLASS I-A—1. Miss McIntosh (Scipio), 172 points; 2. Mrs. Barney (Missanna), 149 points; 3. James M. Jones, Birmingham (Miss Prince), 148 points.

CLASS I—1. Mrs. Franklyn Downton, Atherton, Calif. (Golden Arrow), 147.3 points; 2. Mrs. Downton (Sisal), 142 points; 3. Major Borg (Drop Dead), 129 points.

Red Sox Sign Mike Higgins for 4th Season

BOSTON (AP)—The Boston Red Sox have given Manager Mike Higgins another chance to make it next year.

He signed a one-year contract for 1959 yesterday after the Red Sox had taken their third straight 2-0 victory from the Washington Senators.

The victories came in the wake of a disastrous Western trip which caused some observers to believe that Higgins would not be re-signed. He is finishing a three year contract with the Sox.

Higgins told newsmen that he was "delighted with the contract."

Pontiac Women Regain Crown

Zadah DeBolt Medalist as City Golfers Take State MRA Title

With 1958 city champion Zadah DeBolt leading the way, Pontiac's five-member golf team regained the women's Michigan Recreation Association championship here Saturday at Municipal course.

Mrs. DeBolt, a six-time city champ, fired 41-41—82, seven over par, as the Pontiac golfers compiled an 18-hole total of 457 for a 20-stroke bulge over runnerup Lansing. Pontiac won the state MRA title in 1956.

It was the 2nd straight year that Mrs. DeBolt took medal honors. She was medalist here last year when the Pontiac team finished 2nd to Lansing. This time she starred again as the two teams swapped places.

Bobbie Miller, substituting for Sue Oesch, was Pontiac's next best player with 45-43—88. Other city scores were Phyllis Boyer, 47-43—90; Edith Wright, 46-45—91, and Ann Wilson, 53-53—106. Women's par at Municipal is 37-38—75.

A total of five teams entered the meet. Team scores: Pontiac 457, Lansing 477, Dearborn 499, Plymouth 542 and Midland 559.

Indians Defeat Bunning 3-1 Aided by Error

Attendance Is 173,222 Off Last Year; Conclude Season This Week

DETROIT (AP) — Now that they have their home fans sufficiently frustrated and disappointed, the Detroit Tigers are leaving town to complete the 1958 season.

They ended the 1958 home season yesterday just as they had begun it—with a loss to the Cleveland Indians. Yesterday's score was 3-1.

Ending things on an all-too-familiar note, the Tigers made an error that gave the Indians three unearned runs in the first inning, then wasted one scoring chance after another.

Reno Bertoia bobbled a grounder with two out in the first, and Minnie Minoso promptly lashed a three-run homer into the upper left field seats.

★ ★ ★

The final-day crowd of 11,628 got no surprises at all.

The home run, Minoso's 23rd, came off Jim Bunning. It was the 27th off the Tiger righthander this season, giving him 60 "gopher balls" in two seasons.

Tiger batters left nine runners stranded — making a total of 42 runners left on base and only seven runs scored in the four-game series.

Dropping three out of four to the Indians dumped the Tigers back to the .500 mark and into a tie with Cleveland and Boston for third, fourth and fifth places in the American League standings.

With six contests remaining, the Tigers must win four to finish with as many victories as last year. They cannot match the 82 victories of 1956 when the front office fired Bucky Harris for finishing fifth.

But finishing third will mean extra money to the players and manager Bill Norman said he will pull out all the stops, using Paul Foytack, Frank Lary and Bunning in the series opening in Chicago Tuesday night. The final three games will be in Cleveland.

★ ★ ★

The Tigers must show a vast improvement in road play to accomplish third place. They won 43 and lost 34 at home. The road record currently is a poor 31-40.

Chances of finishing second are next-to-nothing. And, only a real tailspon plus a Kansas City spurt could put the Tigers as low as sixth. They are three and one-half games up on the sixth-place Athletics.

The Indians, in winning yesterday's rain-delayed contest, had only four base hits — and none after the fifth inning.

The crowd increased the Tigers' home attendance to 1,098,924. This is a drop of 173,422 from last year.

Kuenn stayed in the batting race with two singles in five trips. He gained a point to .319 while teammate Al Kaline, with one hit in four trips, lost a point to .310.

Most Coaches Against New Conversion Rule

By The Associated Press

Most college football coaches who had their baptism under the new conversion scoring rule said today they still don't like it.

But an Associated Press survey also revealed no definite trend toward or away from the rule which provides for two points if a conversion is made by a pass or run and one point if it is made through a kick.

★ ★ ★

Here is a sampling of coaches' comment:

Bill Murray, Duke—"I guess the extra-point rule is going to take a lot more guess work on our part than before."

Blanton Collier, Kentucky—"I think it is smart strategy to kick for one point in the early stages, especially if you're ahead."

Wally Butts, Georgia—"It definitely makes the game more interesting to the fans."

George Dickerson, UCLA—"It will depend on the situation in the game."

★ ★ ★

Jack Mitchell, Kansas—"Generally, we'll kick for conversions since the percentage seems to be in that direction."

Darrell Royal, Texas—"I still don't like the rule. I think when we score first it is right for us to go for the kick. I don't think we can do anything right unless we go for two and make it."

Bobby Dodd, Georgia Tech—"I think one point attempt will prevail for most teams. Some will be trying for two early in the year, but I think the percentage is with one point."

Andy Pilney, Tulane—"If the situation warrants, I'll go for two every time."

John Michelosen, Pitt—"We will try for two pointers, but it will depend on the game situation."

Abe Martin, Texas Christian—"It could become a key play in football and as the season wears on it could put added pressure on the coaches."

Bob Woodruff, Florida — "We will let the situation determine what we will do each time."

Warren Giese, South Carolina—"When we made a two-pointer against Duke, it put Duke in the position of having to go for two even if they had scored. Had we missed the try and made only one point, we might have had more pressure on us to go for another touchdown as we would have had the two-point possibility hanging over our heads." (South Carolina won, 8-0).

City Champ Tops Friend to Win Golf Tournament

Butler Cooper, 1956 city champion, defeated golfing friend Buster Pembroke in a sudden-death playoff Sunday at Adrian's Devil's Lake Golf Club to win the championship flight of the Midwestern Open tournament.

The two Pontiac golfers finished the regulation 18 holes in a tie at par 72 on identical cards of 38-34 against 36-36. Cooper won the tourney with a 25-foot birdie putt on the 400-yard par four 1st hole as Pembroke parred. Roy Catlin of Pontiac was the winner of the 1st flight.

Minnesota has won four national football championships.

RAM ON LOOSE — Jon Arnett (26), Los Angeles Rams' halfback, gets away with a punt return for 93 yards and a touchdown against the Pittsburgh Steelers yesterday in the final exhibition day of the campaign for pro teams. The Rams defeated the Steelers, 31-6.

Races for Batting Title, 3rd Place All That's Left

What's Interesting in AL?

By The Associated Press

Pete Runnels' challenge for the batting crown and the three-way scrap for third place among Detroit, Cleveland and Boston provide the interest in the final week of the American League season.

Ted Williams, a Boston teammate who now is nine points behind Runnels, tried so hard to catch up Sunday that he accidentally hit a lady fan with a bat.

★ ★ ★

Williams got a double and finished the day at .314. Runnels had three hits in four trips for a .323 leading average. Detroit's Harvey Kuenn is second at .319.

Ike Delock threw a seven-hitter at Washington for a 2-0 victory. It was the third straight shutout for Washington by Boston, all by the same score. The Senators now have a runless streak of 28 innings.

Tom Sturdivant, inactive since Aug. 12 with arm trouble and an injured heel, started for the New York Yankees at Baltimore and lost 3-2. The Yanks, who were guilty of five errors, have dropped five straight.

★ ★ ★

Bill Skowron, playing third base for the second straight day, made three errors, a total of five in two days. Mickey Mantle dropped his second fly ball in three games. Milt Pappas backed up Hoyt Wilhelm's no-hitter of Saturday with a nine-hit job against the Yanks for his 10th victory. Sturdivant went six innings, allowing eight hits and five walks.

Dick Donovan's three-hitter for Chicago turned back Kansas City 2-1.

★ ★ ★

Milwaukee clinched its second straight National League pennant by shading Cincinnati 6-5 for Warren Spahn's 21st victory. Pittsburgh, which had been the last remaining challenger, was rained out of a doubleheader at Philadelphia. Willie Mays boosted his leading average to .342 with two hits in three trips during San Francisco's 7-4 decision over St. Louis. He now leads idle Richie Ashburn of the Phils by four points. Los Angeles used five pitchers in beating Chicago 2-1.

The Braves had their troubles before nailing down the clincher. Spahn, the likely choice to open the Series against the Yanks Oct. 1 in Milwaukee, rolled along with a one-hitter through six innings. Then the Redlegs knocked him out in a five-run inning.

★ ★ ★

As a result of the Braves' victory and the Pirates' rainout of a scheduled doubleheader at Philadelphia, Milwaukee boosted its lead to 5½ games with four to play.

Sandy Koufax, the starter, was the Dodger winner although Roger Craig, Fred Kipp, Don Bessent and Johnny Klippstein all saw action. Los Angeles scored its two runs off loser Bob Anderson in the seventh.

Nickell Scores 702 in Huron Classic Play

Heavy scoring in the Huron Bowl Classic continued into the third week of the young bowling season as John Nickell led the Humphries Real Estate team to a three point win over Hazelton Lettering with a 702 series on games of 189-248-265. Don Martell added a 623 for the Real Estate five.

Jay Lovett blasted a 687 as West Side Mobil took over first place with a 3062. Les Rothbarth had 614 and Dick Carmichael 613 for the Mobilmen.

Pat Sweeney's 684 on 203-234-247 helped down Cone Rental three points to one.

Bill Bull rolled a 654 with games of 212-219-223 and Calbi Music took three from Montcalm despite George Chicovsky's fine 210-224-224, 658. West Side Recreation edged Roth Lumber for three points as Mike Figa hit 232-214-232 for 678. Sam Perna added a 628.

Weather Factor in Boat Races

WASHINGTON (AP)—Weather permitting, power boat drivers hoped to complete the running for the President's Cup today.

Skippers of six big hydroplanes planned to check the condition of the skies, wind and Potomac River water. If conditions still aren't right, they were expected to delay the final heat until tomorrow.

★ ★ ★

Rains, wind and choppy water yesterday washed out the scheduled finals of the annual President's Cup regatta.

On the basis of preliminary heats Saturday, three of the six power boats are rated as having a chance for the President's Gold Cup.

Top ranked with 800 points is Miss U.S. 1, driven by Don Wilson of Detroit and owned by George Simon, a Detroit machinery merchant.

In second place with 600 points is Miss Detroit, owned and driven by Chuck Thompson of Detroit.

11-Year-Old Girl Gets Hole-in-One

Paulette Frechette, 11-year-old daughter of Mr. and Mrs. Paul Frechette, Clarkston Golf Club owners, is starting her hole-in-one career at an early age.

Using her new 9-iron for the 1st time Saturday, Paulette aced the 140-yard 9th hole, a par three downhiller, to post the 1st ace at Clarkston GC this year and only the 3rd there since the course opened in late summer of 1955.

Paulette's shot landed on the knoll in front of the green and rolled into the cup. Needless to say, it was her 1st hole-in-one.

Dales, Chips, Titans Top State Gridiron Weekend

By The Associated Press

Hillsdale, Central Michigan and U. of D. got Michigan's first big football weekend off with a bang by winning.

The Dales, who had the longest winning streak in the nation until losing in a post-season bowl game last year, started in the right direction again by beating Lakeland of Wisconsin 21-0.

Central won a 33-32 thriller over Western Michigan as quarterback Oarle Lemanski threw three touchdown passes and scored one himself.

In other games: Albion beat Wabash 21-0; Ohio Wesleyan outscored Kalamazoo 35-20; Bemidji State of Minnesota trounced Michigan Tech 36-21; Alma whitewashed Indiana Central 26-0; Defiance of Ohio squeezed by Adrian 6-0; North Park of Chicago defeated Olivet 26-13, and Valparaiso edged Northern Michigan 18-13.

★ ★ ★

Three new players were on the first team today as the University of Detroit started practice for its Friday night game with the Air Force Academy.

Coach Wally Fromhart and his aides spent Sunday reviewing movies from the Titans' opener last Friday with George Washington. Detroit won 21-6, but Fromhart was displeased with the line play.

He inserted Dennis Flynn at right end and Grady Alderman at right tackle to stiffen the line. They replaced end Jack Vance and tackle Tony Sterlitz. Joe Pascuzzi moved into the starting fullback berth held by Vic Henning.

The Air Force, making its first visit to Michigan, is expected to draw a capacity crowd to Titan Stadium, Detroit ticket manager Frank Metzger said he expects 22,000 to attend.

Hillsdale intermingled a sharp passing game in with a powerful ground attack as it rolled to a 14-0 lead at halftime. End Jim Reynolds, fullback Frank Stawiarski and fullback Howard Rogers scored the Hillsdale TDs.

★ ★ ★

Western Michigan came within a shade of upsetting Central. Lloyd Swelnis plunged four yards for a touchdown that brought the Broncos within a point of Central with less than six minutes left. But Western gambled for a two-point conversion and failed. Fullback Lovell Coleman scored three of Western's touchdowns and set a school rushing record of 282 yards in 25 carries. A record crowd of 15,000 watched the game in Western's stadium.

Area Dogs Winners in Show at Lansing

Several Pontiac area dogs were among the winners in their breeds and divisions at the Ingham County all-breed, all-age puppy show, held Sunday at Lansing.

They included Eleanor Strehle (Pontiac) with her 7-month-old cocker Dal-Hi that went tops in sporting class; Charles Barner's best of breed golden retriever 3-month-old Mickey; John Eicher's best opposite sex golden retriever Ginger and Ginger and Mickey's mother, Mitzie which was tops in obedience (198½) and best in open Class B (197½).

Millers Take Series

DENVER (AP) — The Minneapolis Millers completed a four-game sweep of their final American Assn. playoff series with Denver Sunday with a 6-4 triumph. The Millers will meet the winner of the International League's final series, which Montreal leads 2-0 over Toronto.

Dixie Leaders Hold Conclave

Faubus, Chandler Are Symbols of Opposing Views on Integration

By RELMAN MORIN

LEXINGTON, Ky. (AP) — Arkansas Gov. Orval E. Faubus ploughed through the crowd.

It was slow going. People kept pressing forward to shake his hand or simply pat him on the back, both men and women, from many parts of the South.

★ ★ ★

They were saying: "Fine work, governor. . . . Want to tell you how proud I am. . . . Don't you give in, governor."

Faubus was beaming. "Well, thank you very much," he kept repeating as he headed for the door.

This took place at a dinner, preceding the opening of the Southern Governors Conference.

★ ★ ★

But in another room of the high-ceilinged mansion, Kentucky's Gov. A. B. Chandler was saying: "It won't take very long for public sentiment to build up to a point where they'll have to get those schools open. I think it will build up rapidly. People in those places are already having second thoughts, now that the schools are closed."

★ ★ ★

Faubus has closed the high schools in Little Rock, Ark., to keep Negroes from enrolling.

Chandler brought about integration in Kentucky and he is proud of the way it was handled.

Which man represents the Southern feeling?

Its hard to say. Perhaps each represents different prisms of its many sides.

★ ★ ★

Integration is not on the conference agenda. But when the 14 governors get through trading notes, an accurate picture could emerge.

Most of the governors were not talking yet.

Strife Delays Election

JAKARTA, Indonesia (AP) — Premier Djuanda told Parliament today the general election scheduled for next September have been postponed for a year because of the rebellion in Sumatra and Celebes.

Results of a California study indicate that nearly one third of asthma and hay-fever victims do not seek mdical attention.

British Actress to Star as Southern Belle . . Again

By BOB THOMAS
AP Motion Picture Writer

HOLLYWOOD (AP)—Why are English actresses cast as Southern belles?

★ ★ ★

"For the life of me, I don't know," says Margaret Leighton, the latest of them. She's, as English as Yorkshire pudding, but she has been brought here to play a Southern lady in the film version of William Faulkner's "The Sound and the Fury."

She follows a tradition. Vivien Leigh bested a bevy of drawling actresses to play Scarlet O'Hara in "Gone With the Wind" and was convincing enough to land an Oscar. Gertrude Lawrence won another plum role as the mother in Tennessee Williams' "The Glass Menagerie," though her portrayal was not quite so convincing.

★ ★ ★

Then Miss Leigh returned here to play the decaying Blanche Dubois in "A Streetcar Named Desire," and blimey, if she didn't win another Oscar!

Miss Leighton's casting is the work of movie mastermind Jerry Wald. More than a year ago, he visited her backstage in New York, where she was helping light up the Great White Way in "Separate Tables." He mentioned "The Sound and the Fury," but she forgot about it.

Recently, he contacted her in England. It happened that she was free, and her husband, Laurence Harvey, was coming to the U. S. to tour with the Old Vic Company. So she agreed to her first journey to Hollywood.

★ ★ ★

"I must say I was a little worried about handling the accent," she admitted. "People have told me that the Southern and British accents are not far different, but I don't see it at all. The Southern is lazy and drawn out; the British is about as clipped as the language can be.

"I asked Vivien Leigh for some advice and she said it was easy. All you had to remember was 'foah-doah fohd cah' (four-door Ford car.) I tried it, but it didn't help at all."

No stranger to American audiences is Miss Leighton, though this is her first American film. She is constantly the star of the late, late show on TV, and her old films haunt her.

★ ★ ★

She mentioned one hazard here: The abundance of good food. She said she didn't worry because she favors the sack dress. But she added ruefully: "I wonder what all of us will look like when the sack goes out of style."

The way it happens nowadays is, a blind date sure as heck opens everybody's eyes . . . He who laughs last is the guy who saw something in the picture that the censor missed. —Earl Wilson.

Getting More for Your Money?

Dangerous to Point to Price Index Drop

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—If the government wants to start an argument with the American housewife and the family breadwinner all it has to do is tell them the cost of living has gone down.

★ ★ ★

The Bureau of Labor Statistics says this has just happened to its consumer price index for the first time in two years.

It says the drop came in the price of foods, which carry 30 per cent of the weight of the index.

A housewife has no trouble telling her husband of a number of foods whose prices haven't gone down at all, and some whose prices have just gone up.

And perhaps he belongs to a union whose wage contract has an escalator clause giving him a raise if the bureau had said the index had gone up. Often he can't see that it's any easier making ends meet now than a couple of months back. It may even seem harder.

The index, in fact, shows rises in the costs of transportation, housing, medical care and recreation.

The bureau is aware of the misunderstanding that arises from over emphasizing the importance or conclusiveness of its index.

★ ★ ★

Its food component, for example, consists of 80 items, while the average supermarket is said to offer 6,000 food items.

The bureau also knows that a family's tastes and shopping ability can determine to quite an extent how much its food bill goes up or down.

★ ★ ★

The index as revised in 1953 includes 220 things other than food. It is the bureau's best guess as to what the average family of wage earners and clerical workers in U. S. cities pay for in the way of goods and services.

The families covered represent about 40 per cent of the population—taking in neither those making more than $10,000 a year nor those in the lowest brackets, and leaving out farm families or those in small cities and towns.

Each item is weighted both as to the amount purchased and the frequency of purchase, trying to strike a balance for the family budget over a period of time. That is why the 80 food items carry such a big weight (30 per cent) and why a rise in public transit fares weighs more than a hike in the price of autos.

★ ★ ★

In the last two years the cost of living index has gone up 6 per cent and about two thirds of the rise has been due to the rising cost of services and the increased cost of eating.

Some of the items on the index are considered luxuries by many persons. The bureau isn't interested in that. It simply says that its research in setting up and revising the index has shown that they are bought by the average middle income family in the cities.

Once a month it sends shoppers around to price the 300 items in the stores, at the dealers, or in the offices and shops that service the people. Then it gives each price change its weight and averages it all out.

★ ★ ★

This time it says fresh fruits and vegetables came down enough seasonally to more than offset the rises in other items.

So the headlines tell you the cost of living is down, no matter what your billfold or bank account shows.

Proposes 3-Year Contract

Here's GM's New Offer to UAW

DETROIT (AP) — Here's what General Motors offered the United Auto Workers union in a proposed new three-year contract placed on the bargaining table:

WAGES: Annual improvement factor increase of 6 cents per hour or 2½ per cent of the employe's wage rate, whichever is greater, as of July 1, 1958.

A. Increases of the same amounts to go into effect Aug. 1, 1959, and Sept. 1, 1960.

B. A cost-of-living allowance subject to adjustment each three months in line with changes in the government's consumer price index and in accordance with the established GM wage formula.

Effective as of July 1, 1958, the cost-of-living allowance would be increased two cents per hour. Effective Sept. 1, 1958, the cost-of-living allowance would be increased another cent. This would bring the cost-of-living allowance, effective Sept. 1, 1958, to 25 cents an hour.

C. Transfer 15 cents of the 25 cent cost-of-living allowance to base wage rates, except for group insurance and incentive pay purposes.

INCREASE FOR SKILLED TRADES: An additional increase of eight cents per hour in base pay.

SUPPLEMENTAL UNEMPLOYMENT BENEFIT PLAN: Provision for separation benefits, increased weekly SUB payments, increased maximum and longer duration of SUB, liberalized eligibility requirements and simplified administration.

A. Separation benefits payable from the SUB trust fund would be granted employe with two or more years seniority who either is permanently laid off or retired but not eligible for benefits under the GM pension plan. One week's pay (based on 40 hours) for an employe with two years of seniority to 30 weeks' pay for employes separated with 30 years service or more. If the trust fund position is less than 100 per cent the separation benefit would be proportionately reduced. SUB payments received since last day worked would be deducted from separation benefit.

B. Weekly SUB rate (including state unemployment benefits) would provide 65 per cent of after-tax for all weeks of layoff for which employe eligible to receive benefits. Current SUB plan provides for 65 per cent of after-tax pay only for the first four weeks, 60 per cent.

C. Maximum weekly SUB would be raised to $30. Present maximum is $25.

D. During a layoff or short work week, if an employe had enough earnings from any source to be disqualified for state unemployment compensation, he would receive SUB equal to difference between those earnings and 65 per cent of his after-tax pay. At present no SUB benefits are paid in such cases.

3. In states in which duration of state unemployment benefits has been extended beyond 26 weeks, SUB up to 39 weeks would be paid. Present maximum 26 weeks.

INCOME SECURITY PLAN: Would apply in states where operation of SUB plan has not been approved. Would apply particularly in Ohio and Indiana. Under income security plan, GM deposits in a trust fund five cents for each hour for which an employe receives pay and credits it to an individual account set up for him. Under an established formula, that employe may draw from his personal account during periods of layoff. In the event of his separation for any reason employe or his estate receives whatever is in his individual account, plus interest.

PENSION PLAN: Includes provision for higher benefits for present employes.

A. Employes would receive $2.50 a month in pension benefits for each year of credited service after Sept. 1, 1958, and $2.40 a month for the years prior to Sept. 1, 1958. Current pension plan provides monthly benefit of $2.25 for each year of credited service.

B. Improved disability and early retirement benefits: Monthly pension for retirement between ages 60 and 65 at the option of the corporation or on a mutually satisfactory basis or because of disability at any age, to be increased for eligible employes who retire on or after Sept. 1, 1958. New benefits will be at the rate of $5 per month per year of service after Sept. 1, 1958 and $4.80 for each year of service before that date.

HOSPITAL, SURGICAL AND EXPENSE COVERAGE:

A. In Michigan present Blue Cross hospitalization coverage would be continued. In addition, new and substantially improved Blue Shield contract which provides more comprehensive surgical and in-hospital medical expense benefits would be made available. General Motors would continue to pay one-half of the cost of these increased coverages.

B. For employes outside Michigan benefits would be provided in most areas through local Blue Cross and Blue Shield plans which provide benefits as nearly equal as practicable to the benefits for employes in Michigan. GM would continue to pay one-half the cost of these coverages.

GROUP INSURANCE: Group insurance cost which is shared by General Motors and employes, would be improved by adding three new insurance brackets for higher paid employes. The maximum amount of life insurance would be increased from $7,500 to $9,000 and the maximum weekly sickness and accident benefits from $85 to $100.

Soybean Report Firms Price

CHICAGO (AP) — Grain futures prices were mixed in slow early dealings today on the Board of Trade.

★ ★ ★

Wheat and soybeans showed some firming tendency while corn and oats were steady to easier.

A report that processors crushed more than 31½ million bushels of soybeans in August imparted some strength to that commodity. The August crush was more than 1½ million above the July crush and about 6½ million over the same month last year.

★ ★ ★

Near the end of the first hour, prices were generally steady to strong with wheat unchanged to ⅝ cent a bushel higher, December $1.92⅝; corn ⅛ to ⅜ higher, December $1.15¼; oats unchanged to ¼ lower, Decmeber 64⅜; rye ½ to 1 cent higher, December $1.34; soybeans ⅞ to ⅝ higher, November $2.20.

Firemen's Team at Waterford to Vie for Title

A 10-member team from the Waterford Township Fire Department will compete in the championship match at the Fire Prevention Week field day Oct. 4.

★ ★ ★

The Waterford Township team emerged the victor Saturday in a playoff with Commerce Township firemen.

Thus the Waterford volunteers won a chance to challenge Brooklands Fire Department in the top contest at the annual event, sponsored by the Safety Committee of the Pontiac Area Chamber of Commerce. Brooklands won the championship last year.

Members of the Waterford team are Eugene Reagen, Karl Dale, Richard Lawson, Ward Kenyon, Robert Allen, James Schuster, Harry Kunse, Edward Smith, Harry Wormnest and Raymond Allen.

★ ★ ★

Beginning at 2 p.m. at Northside Community Center park, the field field day will feature competitive performances by several Pontiac area fire departments.

The safety committee is completing plans for a downtown Pontiac parade preceding the field events.

Higbie Firm Reports Sales, Earnings Down

Net sales and net earnings of the Higbie Manufacturing Co. of Rocheater in 1958 are below 1957, a report issued by firm president Carlton M. Higbie Jr. indicated today.

After federal income tax, 1958 net earnings were $261,411, compared to $347,178 during the 1957 fiscal year. The report showed $0.93 earned per common share in 1958, compared to $1.23 in 1957. Net sales for the 1958 year were $6,015,917, compared to $6,864,221 during 1957.

Waterford Board Plans Brief Meeting Tonight

A brief session was in store for the Waterford Township board, meeting at 8 p.m. tonight at the township hall.

Only two items of minor business are scheduled to come up, according to Clerk James Seeterlin. One involves transfer of a liquor license, the other approval of last week's minutes.

Tot Killed in Mishap to Be Buried in Holly

HOLLY—Service for Esther U. McKenney, 3-year-old daughter of Mr. and Mrs. Leslie McKenney of Morris, Ill., former Holly residents, will be held at 2 p.m. Tuesday at Dryer Funeral Home, Holly. Burial will be in Lakeside Cemetery.

The child was dead on arrival at Morris Hospital Friday after she was pinned under a log float. Her father, a logger, was driving a tractor with the float attached and Esther and her two brothers, Leslie Jr., 7, and Wesley, 5, were sitting on a float.

The tractor apparently hit a bump in the road causing the float to flip over, crush the girl and injure the two boys.

Leslie is in the hospital with head injuries and Wesley was treated for a shoulder injury.

Esther also leaves another brother, Tracy, at home; and her grandmothers, Mrs. Boyd Reyburn of Fruitport and Mrs. Raymond McKenney of Holly.

Ships in foreign trade make about 1,500 calls annually at ports in New England.

Lecture Youths for Pulling Trip Over Falls Gag

A Bloomfield Township youth and his three University of Michigan classmates said it was just a gag. They weren't really going over Niagara Falls in a barrel.

But police took a dim view of the joke Saturday. They gave the boys a stern lecture, escorted them to the Canadian border and started them on the way back to Michigan by way of Canada.

★ ★ ★

The four were identified as Alan U. Bowland, 19, of 3960 Mt. Vernon Dr., Bloomfield Township; William W. Hoffa, 19, of Detroit; Leonard A. Brunette Jr., 20, of Dearborn, and William Knapp, 18, of Flint.

Police found them about a mile above the brink of the falls. They had a big wooden barrel and had put up homemade signs on the trees. On on their car read: "Today 3:00 Barrel Attempt."

The Knapp youth said they were only trying to draw a crowd. "It was a gag, honestly," he said. "We were just going to send the barrel off by itself."

★ ★ ★

H. G. Bowland, Alan's father, said his son told him it was part of a fraternity initiation.

Police said the four told them they were students at the University of Michigan.

Two Police Officers Injured in Accident

Two Pontiac police officers were injured when their patrol car became involved in an accident Saturday night.

★ ★ ★

Officers Roy K. Davidson and Elmo F. Burgess were in a car which had stopped for a red light on Baldwin at Walton boulevard, when a car driven by Ronald W. Simmons, 16, of 96 W. Hopkins St., turned from Walton and struck the police car in the front.

★ ★ ★

Davidson was treated at Pontiac General Hospital for a neck injury and Burgess for a back injury.

The accident was witnessed by the three police officers investigating another accident which had occured minutes before at the same intersection.

Simmons will be cited to juvenile court for reckless driving.

Hot Paraffin Explodes, Pontiac Woman Burned

Hot parafin melting on the kitchen stove exploded and burned Mrs. Lillian Rosenthal, 57, of 210 Ottawa Dr., this morning.

Her husband Arthur, called the fire department at 7:40 this morning. She was taken to Pontiac General Hospital with burns of the face, neck, shoulders and hands, treated and transfered to St. Joseph Mercy Hospital.

Her condition is reported as satisfactory although she suffered first and second degree burns.

The parafin caused a fire in the kitchen doing an estimated $50 damage to the house and $200 to contents.

Boy Dies in Lime Tank

MARSHALL (AP) — Eight-year-old Nathan Foster was killed Saturday when he fell into a tank of lime his grandfather, Nyle Katz was spreading from a truck. The boy was not missed until Katz saw his leg protruding from the tank. The accident occured on a farm four miles west of Marshall.

Market Nears Record High

NEW YORK (AP)—The stock market was irregular with a higher tendency in heavy early trading today.

Gains and losses of fractions to about a point were shown by key stocks. Most changes were narrow.

The ticker tape ran late for a period of 12 minutes under a heavy wave of opening transactions. Motors, rails and steels were especially active.

Motors, mail orders, farm implements, electronics, tobaccos and nonferrous metals were generally higher. Oils, chemicals and rails were mixed. Steels were unchanged to a bit lower. Utilities and drugs were slightly on the downside.

The market was in the vicinity of the latest record high in the Associated Press average and brokers said trading and investment interest was keen. Weekend developments in business and industry were regarded as favorable.

★ ★ ★

Zenith continued a high-flying course, jumping around 3 points as Wall Street heard reports of continued good sales. Kennecott, Divco-Wayne and International Paper were ahead around a point each.

Fractional gains were posted for American Motors, Woolworth, International Harvester, Douglas Aircraft, Union Carbide, New York Central, Texas Co. and Liggett & Myers.

Small losses were taken by U.S. Steel, Amrican Telephone, Illinois Central, Royal Dutch, Merck, American Tobacco, American Can, Westinghouse Electric and American Cyanamid.

See Autos Bringing Steel Industry Back

CLEVELAND (AP) — The Steel magazine said today auto industry orders for steel should bring fourth quarter production up to about 75 per cent of capacity.

That would be a rise from this year's high of 66.5 per cent, reached last week.

Steel also said the researchers of the steel market expect the improvement to continue into 1959.

Steel said automobile manufacturers plan to build nearly a million and a half passenger cars, plus a quarter-million trucks in the next three months.

"They will require 3.2 million tons of steel, or about 70 per cent more than is being shipped this quarter," it added.

August was the best month this year for the nation's steel service centers, with shipments from warehouses up to 5 to 10 per cent compared with July, the publication said.

Boy, 15, Kills Himself; He Didn't Like Detroit

DETROIT, (UPI) — A 15-year-old boy, who didn't like Detroit, shot himself in the stomach with a .22 rifle last night. He died in Highland Park General Hospital this morning.

Bulger Cole said his son, Buddy, came up to him in the living room and asked him "How much longer are we going to live in this city?"

"Quite a while," the father replied.

Buddy didn't answer, turned around and walked to his bedroom, picked up the .22 and shot himself.

The father told police the family had lived in the country for several years.

IT'S HER SHOW — Patti Page's new weekly half-hour musical series makes its debut on ABC-TV Wednesday evening. She declines to discuss her "Big Record" program of last year, but says that her ideas will be seriously considered this time.

Victor Herbert Songs Still Pack 'Em In

By EARL WILSON

NEW YORK — You may have been reading that night clubs are dead . . . killed off by TV . . . but don't send flowers yet to the survivors.

WILSON

Dropping into Multimilloinaire J. Paul Getty's 5th Avenue roadhouse, I found Ray Middleton, an Iowa farm boy, jamming the joint singing Victor Herbert songs.

Victor Herbert, who died in 1924, sometimes used words such as "thine" and "thee" and others about that jazzy. Rock-and-rollers, hearing Middleton, Jimmy Carroll and Dolores Perry, would probably say:

"Them cats never get with it."

But even Ethel Merman, arriving late to pay respects to Middleton, her opposite in "Annie, Get Your Gun," couldn't get in. Some people evidently still adore Victor Herbert.

'Twas also rockin' at the Round Table, where Johnny Mercer, Jimmy Van Heusen, Mickey Rooney, etc., gathered for the pianoing of Hollywood musical genius Andre Previn. (He's the young man Peggy King was out of breath about just a year ago.)

Dagmar back in the Harkness Pavilion for a series of tests . . . Gita Hall learned about her splitup with husband Barry Sullivan from a Hollywood columnist who phoned her that Sullivan'd given out the news. They'd just been together one night before . . . Rita Hayworth, the golfing addict, has knocked 10 strokes off her score this past summer.

Vocalist Silent on Past Show

Singer Felt Her Ideas on Running 'Big Record' Were Largely Ignored

NEW YORK (AP)—Four months ago a discouraged Patti Page was ready to quit television. She never talked about it publicly, but her friends knew that she felt the Patti Page show was everybody's show except Patti Page's.

★ ★ ★

Today a refreshed and excited Miss Page is on the threshold of a new television season. Next Wednesday (Sept. 24) her new weekly half-hour musical series makes its debut on ABC-TV.

She declines to discuss her last season's "By Record" program on CBS-TV, critics, except to say that "everybody tried very hard."

It can be said, however, that too many cooks were spoiling the show conducted by that broth of a singer Patti Page; her own ideas of how it should be run were largely ignored.

Now, with a new production staff, she says, "This is my idea of a show. I know that it's quite the fashion this television season to say that you're having a show with a no-format format. But it is true of our new show. You'll see when it goes on.

★ ★ ★

"None of the programs will have a theme," Miss Page says. "It might be called a musical variety show, but it's not a variety show in the sense that I come out with a guest and say, 'Let's sing,' and then we do a duet."

Is she banning rock 'n' roll music, which some viewers found the bane of last season's series?

"Nothing is banned on the new show," she says. "But it definitely is not a rock 'n' roll program. And it's not just a musical series. We'll have comedians and other guests who can't sing or play even a harmonica."

★ ★ ★

As with many other shows, hers faces the problem of obtaining talented and "different" guests. "There's plenty of guest talent," she says. "The problem is less in obtaining talented guests than in obtaining sufficient money to pay them."

Paul Robeson Plans to Live in England

BLACKPOOL, England (UPI)—American Negro singer Paul Robeson said last night he plans to live in England and go back to the United States only as a visitor.

Robeson, as well-known for his leftist politics as his singing, made his surprise announcement to a concert audience of 1,500 here.

"From now on, I am going to make the British Isles the center of my cultural activities" he said. "I have decided to live in London. I will still travel over the world, and, whenever I go back to America it will be for a short stay—an overnight stop, so to speak."

Robeson, who was long prevented from leaving the United States because of a passport dispute with the State Department, said he was "not abandoning" his native country.

Art Carney Heads Cast of TV 'Harvey' Tonight

By CHARLES MERCER

NEW YORK (AP) — "Harvey," visible tonight as the season's first Du Pont Show of the Month (CBS-TV), surely will be one of the best television shows of the year.

The sponsor invited critics to view the first dress rehearsal of the comedy in New York yesterday and pass along their judgments before the home audience has a chance to make its own decision.

Although, I personally, have reservations about judging a TV show before the public and critics outside New York have had a chance to see it, I personally have absolutely no reservations about "Harvey." It's superb entertainment and you'll miss something if you don't see it tonight.

Art Carney finally finds a TV role worthy of his abundant acting talent as Elwood P. Dowd, a middle-aged bachelor who views life perceptively through the bottom of a glass. Elwood never is drunk, you understand. But by some standards it's difficult to call him sober.

Among Elwood's fine perceptions is a six-foot—pardon, 6-foot-1½ — rabbit named Harvey. The fact that other people have difficulty in seeing Harvey does not dim the clarity of Elwood's vision. Harvey very well may be the ideal friend we all want and never find, the velvety ear into which we pour the wisdom the world never quite recognizes.

★ ★ ★

Because of his friendship for Harvey, Elwood is a great embarrassment to his sister, delightfully portrayed by Marion Lorne in as memorable a piece of acting as that demonstrated by Carney.

Notable in the excellent cast assembled for the David Susskind production are Larry Blyden, Charlotte Rae, Loring Smith, Ray Walston, Ruth White, Fred Gwynne.

★ ★ ★

Who plays Harvey? Why, Harvey does, of course. You know Harvey.

State Fair Held in Controversy

Merits of Exposition Denounced and Upheld by Officials at Odds

By The Associated Press

The managers of the Saginaw Fair and the Michigan State Fair engaged in long-distance dispute, over the weekend on the merits of the state exposition.

Clarence E. Harnden, head of the Saginaw Fair, said the state fair ought to be abolished because it "isn't serving agriculture any more."

"But they'll never do it," Harnden said. "It's too big a political thing."

Donald L. Swanson, manager of the state fair, said the state fair's farm entries this year were at an all-time high.

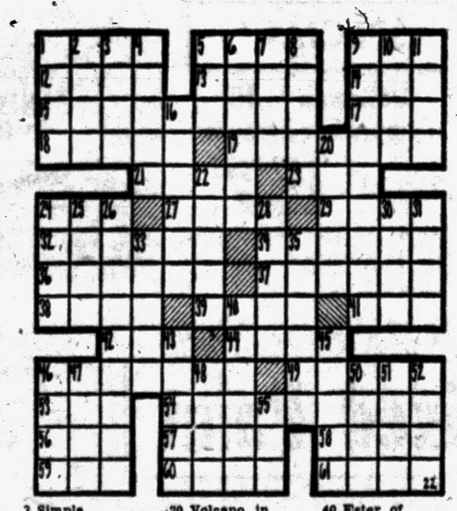

"All that's keeping the fair from becoming an even more important part of agriculture is the Legislature's reluctance to provide adequate buildings," Swanson said.

"Many states are enlarging their fairs," he added, "while short-sighted individuals are attempting to scuttle ours."

Harnden and Swanson also disagreed on the state fair policies and finances. Harnden said agriculture was insufficiently represented on the fair board of managers. Swanson said 10 of the 20 board members are agricultural representatives.

Harnden said that because of an annual state appropriation of $750,000 the fair lists itself in the black although it actually could have lost money. Swanson said this was an "unfounded charge," that actually the fair has had a net profit the last six years.

Kremlin Sharply Blasts Ike for Rejecting Red Letter

MOSCOW (AP)—The Kremlin reacted sharply today to President Eisenhower's rejection of Premier Khrushchev's warning on the Far East crisis. It said the rejection shows American authorities don't want to "listen to the voice of reason."

★ ★ ★

The abrupt return of the Khrushchev note was held to show that American circles give little consideration to "popular demand for putting an end to the policy of saber rattling which is carrying the world to the brink of war."

Diplomatic observers commented that shortened tempers in both camps threatened to plunge Soviet-American relations to a new low.

The Soviet government issued its criticism through the official Tass news agency after Khrushchev's Sept. 19 note—labeled unacceptable at the White House because of its strong terms—was turned back to the Foreign Ministry by a U. S. Embassy messenger.

★ ★ ★

Khrushchev had warned Eisenhower to withdraw U. S. forces from Formosa immediately or risk their forceful expulsion by Red China. He called for American recognition of the Peiping regime.

The rejection, which the White House based on consideration that the note was intemperate, abusive and personally insulting to the President, also drew a denunciation from Red China.

A New China News Agency dispatch broadcast by Radio Peiping said: "Obviously the U. S. President, unable to explain away the facts and truth stated in Khrushchev's letter, disregarded all international courtesy by resorting to the unscrupulous act of refusing to accept the message."

★ ★ ★

Tass said Khrushchev's note was "dictated by his serious concern over the dangers to peace resulting from Far East tension caused by the aggressive acts of the American ruling circles in the Taiwan (Formosa) Strait area."

★ ★ ★

"The Soviet Union," it said, "will continue its active struggle for the preservation of peace and continue to tell the truth whether or not it is liked by those whose policy is consistently based on creating serious international conflicts in one area or another of the world."

Plans Quiet Divorce From Sam Davis Jr.

HOLLYWOOD, (UPI) — Singer Loray White has announced plans for a "quiet divorce" from entertainer Sammy Davis Jr., her husband of nine months who guessed some guys aren't meant for marriage.

Miss White announced through her attorney, Jerry Giesler, over the weekend that she probably would seek a divorce in Los Angeles or Las Vegas, Nev. within a week or two.

"Our marriage hasn't been very good from the start," she said. "I think we might as well end it for both Sammy's sake and my own."

The singer married the bouncy little singer-dancer, turned actor in the film version of "Porgy and Bess," last January in Las Vegas. They had been separated for some time before the announcement.

"I guess some guys are meant to be married and some not," diminutive Sammy said. Then explained that he had "too much of a career right now."

7 Rafts Stage Race Down Missouri River

LEXINGTON, Mo. (AP) — Twenty-eight men on seven rafts staged a 30-mile race down the Missouri River from Lexington to Waverly just for fun yesterday.

The winner, in 6½ hours, was one of three rafts entered from Carrollton. A raft from Marshal was second, 10 minutes behind the winner.

The whole thing started two weeks ago with a challenge from the Carrollton Junior Chamber of Commerce to Jaycees at Lexington, Higginsville and Marshall.

Faces Three Months of Convalescence

King Remains on Hospital Critical List Following Stabbing by Negro Woman

NEW YORK (AP)—Th Rev. Dr. Martin Luther King Jr. remained on the critical list at Harlem Hospital today. He faces three months of convalescence from a stabbing by an apparently mentally unbalanced woman.

His assailant, Mrs. Isola Ware Curry, 42, Negro, is undergoing mental observation at Bellevue Hospital.

★ ★ ★

Mrs. Curry plunged a seven-inch steel letter opener into King's chest Saturday in a Harlem department store as the 29-year-old Negro leader in the Southern struggle for integration was autographing copies of his book "Stride Toward Freedom."

Dr. Aubre Maynard, Harlem Hospital surgeon who removed the letter opener from King's chest during a delicate four-hour operation, said King's condition was satisfactory but that he would be kept on the critical list for a day or two.

★ ★ ★

It will be at least two weeks before he can leave the hospital, the surgeon said, and another three months to full recovery.

After the operation, Maynard said the letter opener had just missed King's aorta, the body's major artery. If the aorta had been cut, Maynard said, instant death would have resulted.

The only visitor permitted at King's bedside yesterday was his wife Coretta, who arrived by plane from Montgomery, Ala. King is pastor of a Baptist church in Montgomery, where his leadership of the 1956 Negro boycott propelled him into the front ranks of the forces for integration.

★ ★ ★

Mrs. Curry was ordered to Bellevue Hospital after her arraignment before Magistrate Vincent P. Rao on charges of felonious assault and violation of the antiweapons law. A loaded pistol was found in her clothing after the assault on King.

"I understand this is the woman who is accused of stabbing the Rev. Mr. King with a knife," Rao said.

"No, it was a letter opener," shouted Mrs. Curry.

She later interrupted the arraignment proceedings by yelling, "I'm charging him as well as he's charging me."

★ ★ ★

"I'm charging him with being mixed up with the Communists," she told Rao, and added: "I've reported the case to the FBI and it's being looked into."

"This woman is ill," Rao said as he ordered her taken to Bellevue.

"I'm not ill," snapped Mrs. Curry.

Mrs. Curry was seized by bystanders after the stabbing and was quoted by one of them as saying: "I've been after him for six years. I'm glad I done it,"

★ ★ ★

The woman told police she is a native of Adrian, Ga., and that she came here from Florida about two months ago. She has visited New York periodically, she said.

May Withdraw Reuther Smear

Bipartisan Committee Asked to Determine if Attacks Should Go On

WESTPORT, Conn. (AP) — Joseph P. Kamp has asked a bipartisan group to decide whether he should continue to distribute his published attacks on labor leader Walter Reuther.

The 58-year-old Westport pamphleteer, in a telegram sent last night to the Fair Campaign Practices Committee, said he would stop distribution of the booklets if the committee finds truth in "the false and irresponsible charges against me."

★ ★ ★

Reuther has called Kamp a "hate-monger," and Democratic National Chairman Paul Butler has asked the committee to ensure the booklet about Reuther, named "Meet the Man Who Plans to Rule America." Republican National Chairman Meade Alcorn has repudiated the publication, which was reported to have the backing of several wealthy Eastern Republicans.

★ ★ ★

Kamp's telegram was sent to Charles P. Taft of Cincinnati, head of the committee which seeks to raise the ethical standards of political campaigns.

In his telegram, Kamp repeated his charge that Reuther, head of the United Auto Workers, "is campaigning vigorously to become America's first dictator."
