

Goat Gets Nippy With Snowman

LET GO — That's what the snowman might be saying — if a snowman could talk — to the pet goat which decided on a carrot nose for a nibble. The goat belongs to Jean Allen, a Tulsa Tribune photographer, whose children grabbed her camera and shot this picture. The snowman was preserved by cold weather from a snow-storm which hit Oklahoma Friday.

Adenauer, Macmillan Meet

Proposal for Berlin Discussed

BONN, Germany (AP)—British Prime Minister Harold Macmillan met with Chancellor Konrad Adenauer today.

Informants said they would discuss a new U.S.-British proposal for an East-West summit agreement to take the heat off the Berlin crisis.

Macmillan and the West German chancellor opened the first of several sessions in their day-long talks with only interpreters present.

Their foreign ministers and other aides were to join them for lunch and an afternoon meeting.

No agenda was set, but Macmillan and Adenauer were expected to take up the British's December meeting with President Kennedy in Bermuda.

JFK Determined to Avoid Steel Strike, Stockpiling

WASHINGTON — President Kennedy's administration has decided to avoid a steel strike but will actively discourage advance steel stockpiling.

It was learned today on high authority that the administration has decided to ride close herd on the upcoming steel contract negotiations and will have no reluctance about entering the talks if that becomes necessary.

The deal purpose was to make sure there is a settlement within a strike and that the new contract terms won't be disruptive.

Reds to Release Jetliner, Also Return Passengers

First U. S. Cash Ready for City Renewal Work

\$607,499 Grant Will Pay Part of Bank Loan; Progress Good

Pontiac will get its first payments of federal aid for urban renewal sometime this week.

A \$607,499 capital grant and \$12,327 relocation grant have been approved by the Housing and Home Finance Agency (HHFA) in Chicago, and are in the mail.

City administrators and urban renewal officials were notified Monday by HHFA officials that the grants had been approved and are on the way.

This represents the first actual grant Pontiac has received for its urban renewal project.

"This is a big step in our urban renewal program," said City Manager Robert A. Stier. "It is a definite sign that we are making good progress and that the federal officials are satisfied with the manner in which the project is moving along."

"More specifically, the grants should enable us to meet expenses over the next six months."

If denied

If the capital grant had been denied, the city would have been in a hole for urban renewal operations for the next six months.

"This brings us to a high point in our spending and borrowing," Stier said. "From now on we should begin to take in more money from grants and property sales. Until now we've been borrowing and spending," Stier said.

The city applied for the grants last October. The \$607,499 will be used to repay part of a loan from Community National Bank made last summer, thus freeing an equal amount of loaned money to finance urban renewal operations for the next six months.

The only reason the grant fund is not directly into operating funds is that the federal government stipulates it be used to pay off previous loans made locally.

The \$12,327 will pay for the city's relocation costs through last Nov. 30.

The capital grant is part of a continued on Page 2, Col. 1

Press Cooking School Starts January 23 at Central High

The Pontiac Press third annual cooking school will open Tuesday afternoon, Jan. 23 in the auditorium of Pontiac Central High School.

Titled "Galaxy of Foods," the 1962 school will run through Friday, Jan. 26. Two home economists, Mary Metag and Anne Stetzel from the National Livestock and Meat Board will conduct actual cooking demonstrations of some 40 different dishes.

Prizes will be awarded at each session of the school with the

grand prizes of both an electric and a gas range being given on the final day.

Admission to "Galaxy of Foods" is free. Pontiac area homemakers will be able to obtain tickets later this week.

On Monday, Jan. 22, the Press will publish a special tabloid cookbook section which will feature recipes of local cooks and new recipes from national test kitchens.

A coupon for enrollment is found on page two today.

Pay Hike Ends Dairy Walkout

DETROIT (AP)—Bargaining teams for 10 major Detroit dairies and striking workers of United Dairy Workers Local 83 today reached an agreement to end Detroit's two-day milk strike.

Union President Frank W. Litz said the agreement is subject to ratification by the strikers at a noon meeting. Litz said the agreement came at 7:45 a.m.

The negotiations said the agreement provides for improved wage benefits and cost-of-living wage increases.

The agreement came after round the clock bargaining which began at 1 p.m. Monday. Federal and state mediators aided negotiations.

Detroit's milk supply continued to dwindle, meanwhile, with the Board of Education announcing milk would be eliminated from the lunch program in public schools until the strike ends.

Schools in West Bloomfield Township and Chelsea, which didn't get milk deliveries Monday or today, should be back to normal Wednesday.

The strike began at midnight Sunday when a 90-day extension of the Dairy Workers' Union two-year contract with the association expired.

A total of approximately 1,500 workers at nine dairy companies were affected by the strike. They included about 900 plant employees and some 600 drivers who own their own milk routes.

Litz said the biggest dispute Tuesday was over the benefit of continuing on hospitalization and dental in Detroit's Pension plan.

Won't Oppose Gov. Swainson

Hare Says Primaries Would Be Disastrous for Democrats

BY DICK HANSON
Michigan Democrats indicated support for Governor Swainson in election earlier today.

"Secretaries of State James A. Hare admitted today that he is not in favor of opposing the present incumbent in a primary election."

"Primaries at this stage would be disastrous," the secretary said when queried by The Pontiac Press.

Hare had the Democratic gubernatorial nomination to then U.S. Sen. John W. Stenholm in 1960.

"I MUST STAND FIRM"

Hare's answer today was a resounding "no" to a proposal that he should stand together with the Swainson administration to successfully oppose the U.S. House of Representatives nomination of James A. Hare to the U.S. Senate.

Hare's reply also spoke to reports that growing unrest among those who supported Gov. Swainson in 1960 would cause a major shift to Hare in any primary this year.

This action that was just being taken to elect the Democratic party, Hare said, would be a disaster.

"You don't find anyone running against the governor on a party basis," Hare said.

Hare admitted that State Democratic party leaders have a

Soviets Protest Air Violation Over Boundary

3 Americans and Others Aboard Belgian Plane to Go to Moscow

MOSCOW (AP)—The Soviet government agreed today to release a Belgian airliner forced down Monday, but protested it had violated Soviet air space.

Sabena Air Lines said the plane, with 27 persons aboard, landed at Yerevan, Armenia, just inside the Soviet border.

But the Russians insisted it landed at Grozny, 55 miles north of Yerevan.

First Deputy Foreign Minister Vasily V. Kuznetsov told Belgian Ambassador Hippolyte Gals that all passengers and crewmen are held in custody at a hotel in Grozny.

Sabena said plans are being made to bring the passengers, three of them Americans, to Moscow, where they will be flown to the West. He said they are expected very soon.

Kuznetsov delivered a routine protest against the violation of Soviet air space by the Caravelle jetliner.

Kuznetsov refused to let 18 passengers and a crew of 8. But Sabena, owner of the airliner, had said there were 19 passengers and 8 crew members. Three passengers

Quads to Share Birthday at School

— BAKE CAKES FOR PARTY — Oakland County's four-quadrant will be 11 years old tomorrow. Left to right, Keith, Kenny, Kristine and Kyrstal start work on two cakes which they'll share with their 5th grade class at the Thomas School, Oxford.

Twins. The boys, who have just joined a new boy scout troop at the school, insisted on the two-cake system. They are the children of Mr. and Mrs. Kenneth F. Rosebush of 303 Baldwin Road, Oxford.

News Flash

WASHINGTON (AP)—A low yield nuclear test blast, the ninth to be announced by the Atomic Energy Commission in the current series, was set off today at the Nevada test site.

JFK Asks Boost in Limit of Debt

WASHINGTON (AP) — President Kennedy asked Democratic leaders today for immediate congressional action to increase the \$208-billion debt limit.

Kennedy told the leaders at a White House conference that because of increased defense and other expenditures it is essential to have a speedy increase in the statutory limit.

Secretary of the Treasury Douglas Dillon has arranged a conference Wednesday with Chairman Harry F. Byrd, D-Va., of the Senate Finance Committee, at which the matter is expected to be discussed.

Byrd said he will support an increase if it is necessary for the payment of current bills. He said

no figure was given for the proposed increase. Congress usually votes them in blocks of \$5 billion.

QUICK ACTION EXPECTED
Action on the debt limit proposal is expected ahead of consideration of the major phases of the legislative program. Kennedy said he will propose for the new session starting Wednesday.

The Democratic leaders called to the White House session emerged from the meeting predicting that the bulk of the Kennedy program will be passed.

The House majority leader and speaker-table, Rep. John W. McCormack, D-N.Y., said reports the President secured "a tremendous record last year."

"I have every confidence that Congress will enact into law the greater part of the President's program," he added.

McCormack was speaking of the domestic side of the administration's new list.

That program includes tax revision, medical care for the aged under Social Security, aid to education and other highly controversial proposals.

McCormack left in deep doubt, however, the outlook for the proposal for health care under the Social Security system.

ARRIVED IN COMMITTEE
When newsman quizzed him at the point he said:

"I have every confidence that if the bill comes out of the ways and means committee it will be approved by the House."

He thought of the chances of its coming out of the committee?

McCormack paused a moment, then said in a tone of finality: "Well, thank you, gentlemen."

The session with Kennedy was held as a review of the President of the Union Message the President will deliver to Congress in person Thursday. Cabinet members were summoned to a late session to go over the message.

CONFERENCE OVER
After his "thank you," McCormack walked away from the spin of reporters and the battery of cameras that was at it—the news conference was over.

The leaders of House and Senate, with Vice President Lyndon B. Johnson, gave Kennedy their formal invitation to deliver the State of the Union Message to a joint session.

Kennedy accepted, of course, and then there were set for the other two major sessions opening presidential messages.

Council Denies Rezoning Plan

Manufacturer Asked for Change in 3 Parcels in Farmington

A Farmington manufacturing firm was denied a rezoning proposal by the Farmington City Council, a proposal that would have allowed the company to expand its operation.

The firm, the Quigley Manufacturing Co., at 3056 Grand River Ave., manufactures lighting equipment. It has been located in the city for 15 years and is owned by Charles Quigley.

The council rejected the rezoning of three parcels adjacent to the plant despite the recent unanimous approval of the city planning commission, planning consultants, zoning board of appeals and the City Manager John Dineen.

The company had planned to expand its facilities 20 feet on one lot, with the remaining land to be used for parking storage only a green belt buffer zone next to nearby homes.

Residents of these homes have protested the rezoning, claiming the expansion would lower the value of their property.

Quigley has stated that the rezoning was necessary in order to fill orders and that it would be necessary to move his firm out of the city and into another plant location.

Below-Zero Readings Around Rockies

Bitter Cold Hits Large Area of U.S.

By the Associated Press
The bitterest weather of the winter to date hit a large area of the United States from Montana north to Louisiana and Mississippi today.

Numbing below zero cold hit the Rocky Mountain region behind the heaviest snow of the season.

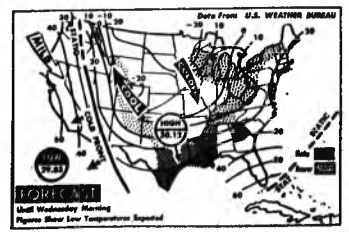

and the land of snow and below zero weather was reported as far south as Arkansas, Louisiana and Mississippi.

Freezing weather and hazardous driving was forecast for Southeast Alabama and North Florida.

The Weather

JFK AND ERHARD CONFER — President Kennedy and Vice Chancellor Ludwig Erhard of West Germany conferred in the Oval Room of the President's private quarters on the second day of the White House. Erhard said he strongly favors Kennedy's proposals to liberalize trade and make across-the-board reductions in U.S. tariffs.

Party Would Oust Gizenga; Congo to Force Showdown

LEOPOLDVILLE, the Congo (AP)—Aminu Gizenga's political party today denounced his leadership as moderate forces converged for a showdown to oust Gizenga from an active role in the Congolese government.

Erhard said he strongly favors Kennedy's proposals to liberalize trade and make across-the-board reductions in U.S. tariffs.

In Dutch New Guinea Dispute
U Thant to Be Negotiator?

JAKARTA, Indonesia (AP)—High government sources indicated today Indonesia would not be adverse to U.N. Acting Secretary-General U Thant taking a hand in efforts to solve the dispute over Dutch New Guinea.

Foreign Minister Subandono said President Sukarno, who blames the Dutch for an assassination attempt against him last week, said he would not accept the question of war or peace with the Netherlands "in a week or 10 days."

Government sources indicated that Sukarno's delay of the decision was to give an opportunity for interested parties to bring in

alike trade and make across-the-board reductions in U.S. tariffs.

Erhard said he strongly favors Kennedy's proposals to liberalize trade and make across-the-board reductions in U.S. tariffs.

The Day in Birmingham Provision on Publishing of Ordinances Modified

BIRMINGHAM — A proposed amendment to the city charter that would have given the city authority to publish or post in public place where city ordinances were modified last night by the City Commission.

The commission directed the city attorney to prepare a proposed amendment for the April 2 general election that would only affect the posting of the codification of city ordinances.

The original proposed amendment would have given the city permission to either publish or post city ordinances at its discretion.

Should the amendment be approved by voters in the spring, the need to publish the streamlined book of ordinances in a local paper would not be necessary, thereby saving the city several thousand dollars, according to City Manager L. R. Gare.

The new proposed amendment would affect the codification of ordinances that is near completion and any future lengthy clarification of city laws.

The purpose of the codification is to abolish duplication of ordinances by presenting them in a logical manner in book form, complete with reference and chapters.

The proposed charter amendment will be placed before voters in the spring, according to Gare.

Approval of the 701 contract for a two-year plan study was delayed a week by the commission until they could study the provisions.

The contract is to be signed by the commission, consulting engineers Villan-Leman & Associates, Southfield, and the state agent for the federal government which has approved a study grant of \$22,000.

The city's share of the study program will be about \$3,500.

A petition with more than 40 signatures was presented to the Bloomfield Township Board of Aldermen last night requesting that a traffic signal be installed on Telegraph Road at W. Quenton Road.

The petition, also signed by 15 teachers at the Conant Elementary School, which is near the intersection, will be forwarded to the state by the township.

The corner has been a high accident intersection and school buses must make a left turn into the intersection without benefit of a signal light.

First U.S. Cash Due to Aid City Renewal
(Continued From Page One)

\$2,383,317 in federal funds available for capital improvements. There's a total of \$17,345 earmarked for relocation costs.

However, the city can get the federal money only in slices as the program proceeds. Various stages of development. To get the current grants, the city had to satisfy several requirements.

Among these were the purchase of at least 25 per cent of all urban renewal properties to be acquired in the R-20 project, and satisfactory progress in rehabilitation and in the overall program.

The city has acquired about 40 per cent of properties labeled for acquisition.

If the R-20 program proceeds at its current pace, local urban renewal officials expect the second federal grant will be forthcoming sometime next summer.

Hare Won't Oppose Governor Swainson
(Continued From Page One)

proached him on seeking Michigan's congressional seat to be filled in the November election.

He voiced little interest in seeking the seat, however. "I can't make any decisions at this time," said Hare. "My prime interest is right here (as secretary of state)."

Hare left the door open to seeking the congressional seat, though, when he pointed out that his present office and other state administrative offices might be filled by appointment under a new state constitution.

"We expect to know what the constitutional convention is going to do by the end of February," Hare said. "Then maybe all of us will have to make a decision."

South Viet Nam to Boost Army

Plan Increase in Size to 200,000 Soldiers With U.S. Aid

WASHINGTON (AP) — South Viet Nam is acting to increase its regular army from 170,000 to 200,000 with the help of U.S. military aid.

U.S. officials said that the guerrilla war appears to be growing in intensity there, killing and wounding 400 non-Communists a week.

State Department officials in disclosing the army build-up today said the additional costs would be borne by both South Viet Nam and the United States through a new financial reform program.

U.S. officials estimated that Communist North Viet Nam has 300,000 to 350,000 men under arms.

DOUBLE ACTIVITY
In the past year guerrilla activity by the Communist Viet Cong rebels more than doubled, according to W. Averell Harriman, assistant secretary of state.

The number of Viet Cong operating in South Viet Nam is estimated at 18,000 or more. U.S. officials said there has been a sharp increase in violent incidents in recent months.

In addition to the regular army in South Viet Nam there are approximately 100,000 civil guards and village defense units who are still largely ill-equipped and poorly trained.

There have been reports the civil guard has balked at exposing its men to combat because guard units are paid less than the army and lack adequate compensation for the dependents of casualties.

City May Okay Plant Site Deal
Stierer Will Request Authority to Buy Land for Water Station

The city may take a big step toward buying a site for its new water plant at tonight's City Commission meeting.

Commissioners will be asked to authorize City Manager Robert A. Stierer to close a 27-acre plot on Opdyke Road and South Boulevard from General Motors Corp.

Price of the land is \$85,500. The property is currently owned by GMC Truck & Coach Division.

It lies directly east of the GMC automobile plant on Opdyke and would take in part of the division's athletic field.

Called Ideal Site
City administrators have been negotiating with the Argonaut Realty Division of GMC for several months. The property had been recommended by the city's consulting engineers as an ideal site for the new plant and pumping facilities.

The site would house the pumping plant, two ground level storage tanks of 1.2 million gallons capacity each, a garage and storage facilities.

Without the plant, Pontiac cannot use Detroit water. The water will be pumped from the plant through the city's water system.

OTHER AGENDA ITEMS
In other business, commissioners will be asked to authorize the purchase of furniture and equipment for the new central fire station and formally establish the city's Youth Assistance Department already in existence.

Commissioners will receive four reports and recommendations from the city planning commission and one from City Clerk Olga Barkley establishing a board for counting of absentee ballots in the spring election.

Commissioners will also be asked to make a decision on whether the city should allow dancing in establishments licensed to serve liquor by the glass.

Agencies Observing Big Brother Week

The current week has been designated "Big Brother Week" to call attention to the work of Big Brothers of America in helping boys who need guidance from a man.

"At this time, the Big Brothers emphasize to the public the specific job of the Big Brother agencies which is to find, screen and train men to be a friend of a boy on a one-man-to-one-boy basis," said William L. Clark, executive director of the Oakland County Big Brothers agency.

The agency at present has 176 Big Brothers working throughout the county.

"There is a tremendous need

for more," Clark added. "Anyone interested in becoming a Big Brother may call the Big Brothers of Oakland County agency, listed in the phone book."

State Collects \$100,000 From Careless Driver

LANSING (AP)—More than \$100,000 was collected from motorists last year for damages to state highways and bridges, the Highway Department reports.

The majority of the claims were for damages to guard rails, bridges and signs.

The most unusual bill, the department said, was one for \$243 sent out for cleaning up an oily asphalt emulsion spilled on I-94 by a tank truck from Alaska.

IN NEW POST—Henry R. LaRousse, a native of New Orleans, La., took the oath as new ambassador to Greece in a ceremony at the State Department in Washington. He is the former head of the International Cooperation Administration.

MSUO Will Offer Municipal Courses

Five courses in public administration will be offered to municipal employees and local officials in the winter term of Michigan State University's division of continuing education.

All are evening courses in the university's noncredit program for adults. Classes start the week of Jan. 15 and continue for 10 weeks.

Certificates issued by the International City Manager's Association are awarded for several of the courses. Tuition is \$35, and reservations can be made by calling the Division of Continuing Education at MSUO.

The courses are entitled: Supervisory methods of municipal administration, public works administration, local government fiscal policy, local zoning administration and real estate appraisal.

Cremer Again to Head County Veterans Council

Oakland County Veterans Affairs Director Floyd E. Cremer has been re-elected to a second term as commander of the Oakland County Council of Veterans.

The council, made up of the various veterans groups in the county, also elected Dudley Hicks of Pontiac, as third vice commander. Hicks has held that post since 1954.

Other officers elected included Robert McKee, commander of the Oakland County Post 38 in Pontiac; Roy V. Schaefer, commander of the Oakland County Post 407 in Farmington; and Donald Schaefer, commander of the Oakland County Post 407 in Farmington.

Also elected were Jesse J. Richter, Southfield VFW, adjutant; Roy J. Mathews, Farmington World War I Veterans, sergeant-at-arms; Eugene Schultz, Clawson American Legion Post 167, judge advocate; and William T. Tinsley, American Legion Post 377 in Pontiac, historian.

Whitney Smart, Royal Oak American Legion Post 24, was elected delegate to the Consolidated Veterans of Michigan Executive Committee, and Hicks was named alternate.

Rancher Ends Cattle Drive

1,800 Steers Arrive
at Winner, S.D., Day
Ahead of Schedule

WINNER, S.D. (AP)—Rancher Don Hight punched his 1,800 steers into South Dakota today, centering a day ahead of schedule after a 65-mile cattle drive he figures saved \$2,000 in trucking costs.

A predicted worsening of the rugged winter weather that stayed with him throughout the five-day drive prompted the cattleman and his seven drivers to bring the animals in Monday night.

Despite a weight loss caused by the extended drive, Hight expects to net about \$350,000 from the sale, which begins Thursday.

Hight drove the herd off his 16,000-acre ranch at Westover in south central South Dakota Thursday morning. He had planned to arrive at this auction center tonight.

Today's weather forecast called for winds up to 40 miles an hour with a temperature of 15 below.

Wind-blown snow had cut visibility to a quarter mile by the time Hight and his drivers nudged the herd over its final 17 miles to the safety of the stock pens.

Hight figures plenty of feed and water between now and the sale time will put lost weight back on his steers.

Kent County Enriched by 'Conscience Money'

GRAND RAPIDS (AP)—Kent County's general fund was \$20 richer Monday because of a conscience-stricken donor.

County Clerk Jack Bronkman said an envelope containing two \$20 bills came in his office with a note stating: "Conscience money." The envelope was postmarked Grand Rapids, Bronkman added.

Report Shows Progress in Civil Rights Picture

Civil Rights is moving along much better than is generally expected, according to Attorney General ROBERT KENNEDY in his year-end report to the President. This is good news.

We did witness during the year sit-in and freedom-rider activity and a great deal of disorder. Many of the instances were especially disheartening since the demonstrations could have been averted.

Even with all this Bob Kennedy reports the overall picture was not dark and important progress has been made. Actually, only a part of the story made news. The many hours of quiet talks and the patient efforts to foster better understanding and respect did not make the front pages.

In the Attorney General's report he pointed out that in a great many cases these talks resulted in local solutions. The difficult cases were the ones that the local officials failed to take action on. If they failed to face the issue, and work out an agreeable plan or tried to evade the law, it was at this juncture that Federal action was necessary.

Robert Kennedy made one interesting point in his report when he said civil problems are essentially local problems under the framework of our governing laws. Further, he said, "civilizing seldom, if ever, occurs when local officials are determined to uphold their laws."

By this statement KENNEDY plainly placed the blame for the instances of violence that damaged our Nation. We are inclined to agree with the Attorney General.

Closed Meetings Unfair to American Taxpayer

A great deal of fuss is kicked up during the year regarding closed meetings. By this we mean city, county, state or any elected body meeting behind closed doors to discuss the public's business.

Along this line a good place to start might be right at the top, with Congress. During the 87th Congress at the first session, committees held 35 per cent of their meetings behind closed doors. They were not open to the public.

They term the meeting an "executive session," which bars the press as well as the taxpayer. A recent study revealed that in 1961, 1,109 such meetings were held. It's interesting to note that the Senate was not as glibly as the House in conducting secret meetings.

By and large this newspaper is against secrecy in handling the public's business. Though we realize that in some cases executive sessions are held to protect the witnesses and for national security reasons.

We can understand the foreign relations and appropriations committees of both Houses meeting secretly 50 to 60 per cent of the time. But it's hard to understand the rules and administration committees in both Houses hiding in work sessions from the press and public 70 per cent of the time.

Apparently, secrecy is running rampant in our Federal Government. Other examples include the House Agriculture Committee meeting behind locked doors 47 per cent of the time and the Education and Labor

Committee holding up in executive session 49 per cent of the time.

Certainly these groups are money spenders, and yet the public taxpayer won't hear. We can't help but wonder why. Oftentimes groups like this explain that it is more efficient to operate that way and that anyway, it's none of the public's business. Phoney!

The public has the right to know at all times. And we will always be quick to criticize this flouting of the public's business.

The Man About Town

Middle of Winter

Annual Argument Gets Under Way Very Early

Winter: A season that never is open until it finally closes.

The calendar winter is not half over until early next month. In fact, there's an old adage that it is on Feb. 2. That is Candelmas Day, when our farmers are concerned with their winter stock feeding. That adage says: "Candelmas Day, half your corn and half your hay."

But from a fuel consumption standpoint, which is the top concern of most of us, many of our readers, like Casimir

of Rochester, argue that the real middle is about Jan. 15 in the Pontiac area. A close tab on his fuel bills for several winters proves this point.

That the Feb. 2 date is "fall of holes" is the contention of

Morton Auld of Drayton Plains. He phones that it may apply to cattle, who grazed in the autumn to a much later date than household heating is required, and must be fed on corn and hay in the spring until the forage crops have a chance to grow.

Applying another version of the argument is

Mrs. Mark Miska of Waterford, who asserts that it all depends on which end the winter thermometer gets a habit of hanging around the bottom of the tube.

A careful check shows that the fatal accident at a Northern Michigan ski resort could not happen at any of the resorts in the Pontiac area.

An adverse criticism of this column comes from

George Horer of Pontiac Lake, who phones that we razed other parts of the nation so much about the weather that it made King Winter mad, and he gave us a double dose all at once.

Here's a real coincidence: Benjamin M. Gates of 160 Auburn Ave., has a son-in-law,

William E. Bartlett, who is in the armed services at Leopoldville in the Belgian Congo, and the speaker at our Bethany Baptist Church Sunday were the

Rev. and Mrs. William F. Bartlett, who are missionaries in South India.

"In our family we're behind you 100 per cent," phones

Mrs. Agnes Dork of Birmingham in approval of the editorial in this paper against background music on radio and television.

Congratulations to a national chain of restaurants, some of which are in the Pontiac area. That's even better than the old system of depositing a dime for a few minutes of sane silence.

Always keeping track of things that make history,

Mrs. Arthur Simka of Lake Orion phones that it was 20 years ago today that President Franklin D. Roosevelt ordered the registration of all male citizens between 20 and 44 years of age, for military service, and auto tire rationing started.

Verbal Orchids to— Mrs. Maude Lossion of 124 State Ave.; 90th birthday. Leonard E. Thompson of Union Lake formerly of Pontiac; 80th birthday. Mr. and Mrs. Angus Iversen of Birmingham, 52nd wedding anniversary. Grant Friesenden of Metamora; 82nd birthday.

Red Paradise

David Lawrence Finds:

JFK Subdues Catholic Affiliation

WASHINGTON—When a national Catholic publication comes out with an editorial which makes it possible to draw an inference that maybe Catholics generally would have fared better in certain public questions if a President had been elected president of the United States last year, this is political news of prime significance.

"America," a weekly review edited by a group of Jesuit fathers, says in its latest issue, "For understandable political reasons, Mr. Kennedy has not been invited to parade or in any way make much of his Irish or his Catholic background."

"It makes the following comment: 'The late President Roosevelt, Mr. Kennedy has not been invited to parade or in any way make much of his Irish or his Catholic background.'"

"The President has antagonized many Catholics of the Catholic persuasion because he has said flatly that federal aid to Catholic schools cannot be justified under the Constitution."

The issue is bound to be discussed in the next campaign, and it may be added that, because so many of the members of Congress now are finding it a bit political issue back home, there is little likelihood that for a long time to come any broad measure of federal aid to education will be passed. (Copyright 1962)

Dr. Harold Hyman Says: Sweet Mouth and Teeth Need Care, Soda, Salt

If you want to rely exclusively on advertisements and TV commercials for instruction in dental hygiene, you'll undoubtedly conclude that the health of your teeth and the awareness of your teeth depends primarily on the dentifrice and mouth wash you selected from among the scores of attractively packaged products that line the shelves of your favorite store.

Yet nothing is more important than the equally attractive dental hygiene. You take the half of most food-borne germs."

"A dentifrice," says an official statement of the American Dental Association, "is a cleansing agent. Toothbrushing can be made more pleasant by use of an acceptable dentifrice."

"Remember that it is the brushing and when you do it—immediately after eating—that are most important. . . . An expensive dentifrice can be made by mixing powdered table salt (1) and baking soda (2)."

And of mouthwashes, the association states that their purpose is to help remove food particles from the teeth and mouth. Drink up some water after a meal. It is responsible to be glass of water or of baking soda (2) glass of water."

DENTAL HYGIENE: The what, then, are the important elements in dental hygiene? Never, for your consideration, are the most highly regarded:

A pair of toothbrushes of medium size, with flat brushing surface, and with rounded ends and bristles sufficiently small to permit access to all surfaces of the teeth."

Surveying a total of 2,082 brushes, the association found that only 706 (about 35) "were in usable condition."

Through brushing at least 10 times to each area immediately after eating. And especially after snacking on chewy, sticky candies and cookies.

In the instance of each tooth, the bristles pointing at the tooth root and rotate them so they sweep down over the gum line, both in the direction of the biting or grinding surfaces.

If you want me to respect you, live the way you try to make them think you live."

The Country Parson

Millions of teenagers are needlessly confused, terrified or oppressed with guilt complexes, but because their parents or teachers have never given them the full and unprejudiced story of sex.

As a physician, I've had teenage girls come to me very often because they thought they were dying.

Voice of the People: 'Men Who Haven't Served Should Be Drafted First'

I have learned that President Kennedy has used the Berlin crisis as an excuse for the call up of young men in different reserve units. I've also learned he's doing the same to help the unemployment situation.

One person has written his representative, state senator and congressman about this and he has a letter promising an investigation.

If the President wants to beef up the different branches of the service, why doesn't he draft some of these people who haven't seen a uniform, rifle, or anything else connected with the service? I thought there was a law requiring each eligible young man to serve at least two years in military service.

Lady Sends Cards to Formosa, India

I see in this column that someone would like to know what to do with old Christmas cards, as it is a shame to throw them away when someone might use them. Jean Caudieux, 6201 W. 11th, Detroit 28, collects them for missions in Formosa and India. M. S.

'Overpower Reds With Our Wealth'

America has a more powerful bomb than Russia and can shoot that has given us a great natural storehouse of raw materials. We've enough to build everyone a fireproof home and all other necessities of life. Before this can be done, the veil of secrecy must be lifted from money, so we can make use of God's generous supplies, so everyone can be put to work.

The issue is bound to be discussed in the next campaign, and it may be added that, because so many of the members of Congress now are finding it a bit political issue back home, there is little likelihood that for a long time to come any broad measure of federal aid to education will be passed. (Copyright 1962)

At \$5 a head, between \$150,000 and \$200,000 is paid annually in fox bounties. Many hunters and fishermen don't realize that this money is taken from hunting and fishing license fees.

Several bills to lift this bounty system have been introduced but never made it. As a hunter and fisherman with the knowledge of the need for money to stock game and fish, I can't understand why our legislators turn their backs on this situation.

Robert A. White

The Almanac

By United Press International

Today is Tuesday, Jan. 9, the 9th day of the year with 356 to go in 1962.

The moon is approaching its last quarter.

The evening star is Jupiter.

In 1758, Connecticut ratified the Constitution and was admitted into the Union.

In 1793, the first successful balloon flight in the U.S. was made by Jean Pierre Blanchard over Philadelphia.

In 1861, Mississippi seceded from the Union.

In 1915, Gen. Douglas MacArthur's promise, "I shall return" was fulfilled as American soldiers invaded Luzon in the Philippine Islands.

A thought for the day: English poet and essayist John Addington Symonds said, "No need small parish which the soul hath sown."

Smiles

An ad offers a woman a job in an orchestra playing second fiddle. They just don't come that way.

Pontiac Area Deaths

JOSEPH B. HOLTGREIVE—Joseph B. Holtgreive, 65, of 238 E. Russell St. died yesterday at his residence after a long illness.

Mr. Holtgreive was a salesman for Encyclopedia Britannica and a member of St. Michael Catholic Church and the Toledo Council, Knights of Columbus.

Surviving are his wife Grace; a daughter, Mrs. Bernard Sullivan of Pontiac; a son, Joseph B. of St. Clair Shores; four sisters; a brother; and 12 grandchildren.

Mr. Holtgreive's body was taken from the Sparks-Griffin Funeral Home this morning to the Eagle Funeral Home in Hudson for service at 10 a. m. Thursday at the Sacred Heart Catholic Church. Burial will be there in the Calvary Cemetery.

WILLIAM C. MAYBEE—Service for William C. Maybee, 75, of 607 Andersonville Road, will be held at 11 a. m. Wednesday at the Lewis E. Wint Funeral Home, Clarkston. Burial will be in the Lakeside Cemetery in Holly.

Mr. Maybee died yesterday morning at St. Joseph Mercy Hospital following a brief illness.

The name of a surviving daughter, Mrs. Donald Stark, was given incorrectly yesterday.

MRS. JOHN P. O'DONNELL—Mrs. John P. (Sarah C.) O'Donnell of 1107 Myrtle Drive died yesterday at Pontiac General Hospital after a brief illness.

At one time she owned and operated a millinery shop in Oxford.

A member of the Young Women's Christian Association, Mrs. O'Donnell, 85, is survived by her husband.

Funeral arrangements are pending at the Pursey Funeral Home.

ADOLPH CRIVEA—WHITE LAKE TOWNSHIP—A former employee of the Wilson Foundry & Machine Co., Mr. Crivie died Sunday at University Hospital, Ann Arbor, following an illness of seven years. He was a member of St. Patrick Catholic Church here.

The body will be received at 2 p. m. tomorrow at the Voorhes-Siple Funeral Home, Pontiac.

Surviving are two brothers, Leve of Pontiac, and Arthur of Sylvania Village; and a sister, Mrs. Mary Robinson of Pontiac.

ELMER GREEN—OXFORD—Service for Elmer Green, 71, of 46 Helen St., will be 2 p. m. Thursday at the Basford & Reid Funeral Home. Burial will be in Lakeside Cemetery, Lakeside.

A lifelong resident of the area, Mr. Green died yesterday at home following an illness of several months. He was a member of the Lakeside Methodist Church and a U. S. Navy veteran of World War I.

He is survived by his wife Florence.

EDWIN D. HARTWIG—OXFORD TOWNSHIP—Service for Edwin D. Hartwig, 72, of 808 N. Oxford Road, will be 2 p. m. Thursday at the Plummer Funeral Home, Oxford. Burial will be in Oxford Cemetery.

A lifelong resident of the Oxford area, Mr. Hartwig died yesterday at St. Joseph Mercy Hospital, Pontiac, following a six-month illness. He had been a blacksmith and was a member of Teamster Local No. 614, Pontiac.

Surviving are two sons, Marvin C. of Pontiac, and Alfred A. of Lapeer; a daughter, Mrs. Vern Brady of Oxford; two sisters, Mrs. Carrie Underwood of Oxford, and Mrs. Della Ingersoll of Pontiac; six grandchildren and two great-grandchildren.

MRS. GEORGE HODGINS—MILFORD—Mrs. George (Marion) Hodgins, 60, of 1293 Milford Road, died unexpectedly yesterday while visiting in Tempe, Ariz. Her body will be at Richardson-Bird Funeral Home.

MRS. GEORGE MacLACHLAN—TROV—Service for Mrs. George (Mary) MacLachlan, 55, of 1243 Hartwig St., will be 2 p. m. tomorrow at the William R. Peters Funeral Home, Rochester. Burial will be in Woodlawn Cemetery, Detroit.

Mrs. MacLachlan died yesterday at her home after a long illness.

Surviving besides her husband are two daughters, Mrs. Geraldine Downey of New York and Mrs. Frank Pontonero of Troy; a son, George, of Lake Orion; 10 grandchildren and 10 great-grandchildren.

MRS. FRANK STINE—HADDLEY—Service for Mrs. Frank (Carrie) Stine, 78, of 1487 Green Corners Road, will be 2 p. m. Friday at the C. F. Sherman Funeral Home, Brownsville.

A lifelong resident of the area, Mrs. Stine died yesterday following a two-week illness.

Surviving besides her husband are three brothers, John Barber of Oregon Township, George Barber of Florida and Arthur Barber of Lapeer.

Find Woman's Body Near Dump in Toledo

TOLEDO, Ohio (AP)—Police today sought the identity of a 30- to 60-year-old woman whose partly nude body, which bore bruises and about 100 stab wounds, was found in a field across from the city dump on the north side.

Dr. Harry Mignerey, Lucas County coroner, said the body had been in the field near an abandoned airport hangar at least 12 days before it was found Monday.

The frozen, snow-covered body was seen by Norman Czubik, a city employee who was directing workers cleaning up refuse blown there from the dump.

Just One Mayor Enough, Finds Ohio Community

COLUMBUS, Ohio (AP)—Suburban Grove City could have had two mayors if the City Council had not corrected an error in the two-year-old charter Monday night.

The city fathers, when the community moved city status two years ago, wrote into the charter that a mayor would be elected every two years for a four-year term.

Mayor Antonio Patzer readily approved the change.

Delegate to Con-Con to Talk Saturday

Current activities of the Constitutional Convention will be discussed by delegate Richard C. Van Dusen, R-Bingham Farms, at a dutch-treat breakfast open to the public Saturday in Southfield.

Van Dusen is chairman of the convention rules and resolutions committee and also serves on the finance and taxation committee.

SBA Conference Set in Marquette Jan. 31

MARQUETTE, Mich.—A two-day conference to explain objectives and operations of the Small Business Administration will be held here Jan. 31 and Feb. 1.

Upper Peninsula businessmen, bankers and other delegates will meet with Robert Phillips of Detroit, state director for the SBA.

TRAPPED by red tape in your INCOME TAX \$5 UP

To be sure you're getting every advantage the law allows in your tax returns let our expert figure your tax. Chances are they can save you enough to pay the small fee involved!

Nonscheduled Lines Had 151 Toll in '61

WASHINGTON (UPI)—Two accidents involving nonscheduled airlines killed 151 persons last year, more than half the total dead in airline crashes for the year.

A total of 275 were killed. Five crashes of scheduled airlines took the remaining 124 lives, the Civil Aeronautics Board announced Monday.

An American manufacturer is testing a prototype car with front engine, drive shaft, coil rear springs, swing axle and inboard brakes.

Drug Firm Chief Dies

KANSAS CITY, Mo. (AP)—Michael H. Katz, a pioneer of the super drug store who rose from candy stand operator to board chairman of the multimillion-dollar Katz Drug Stores chain, died Monday of a heart ailment.

He was 68.

Mr. Katz founded the first Katz Drug Store in 1911 in Kansas City.

He was president of the National Association of Drug Stores.

He was also a member of the American Pharmaceutical Association.

He was a member of the National Retail Druggists Association.

He was a member of the National Association of Chain Drug Stores.

He was a member of the National Association of Independent Druggists.

He was a member of the National Association of Retail Druggists.

He was a member of the National Association of Wholesale Druggists.

He was a member of the National Association of Drug Manufacturers.

He was a member of the National Association of Pharmaceutical Manufacturers.

He was a member of the National Association of Pharmaceutical Distributors.

He was a member of the National Association of Pharmaceutical Wholesalers.

He was a member of the National Association of Pharmaceutical Retailers.

He was a member of the National Association of Pharmaceutical Manufacturers and Distributors.

Hearing Is Postponed on Removal of Judge

LANSING (AP)—A Supreme Court ruling on the proposed removal of Judge J. Edgar Hoover from the bench was postponed indefinitely. He is charged with misconduct in office.

Merrell H. Doyle, state court administrator, said the hearing, scheduled for Monday, was postponed because of the death Saturday of Graham's father-in-law, Vernon Everett of Kingston.

'Three or Four Lamps?'

By HAL BOYLE
NEW YORK (AP)—Remarks that give weight watchers a slow burn:

"Well, Elmer, you've already lost one chin—now you've just got three more to go."

"I hear he has to weigh himself on two bathroom scales at a time under each foot."

Remember, Elmer, it's these little indulgences that add up. After all, an elephant eats only one peanut at a time—but look at the result."

Remarks Can Burn Up Dieters

"I don't know who the fat guy is, Joe. But every morning on the way to work he stops and puts his hand against the window and watches me toss pancakes. Wonder why he doesn't come in and have some?"

"Gee, I sure do envy you, Elmer. I cut, and cut and eat—and I can't put on an ounce to save my life."

"I'm sorry, Mr. Wallow. I've got this tape measure as tight as I can get it, and you still have a size 46 waist."

Calls for Push to Airliner Plans

FAA Official Urges Speed if Supersonic Model to Be Set in '70

DETROIT (AP)—United States efforts to develop supersonic commercial aircraft must be intensified if it expects to be first with such transport planes, an official of the Federal Aviation Agency (FAA) said today.

In remarks prepared for the Congress of the Society of Automotive Engineers, Col. L. S. Roche said that while research is under way a sense of urgency is necessary if such an aircraft is to be operational by 1970.

"If the United States does not develop a supersonic transport on a timely basis," Roche said, "it must be concluded that its position of world leadership in the field of air commerce would be seriously jeopardized. Such an aircraft could have a significant impact on our national prestige, economy and overall strength."

He noted the FAA, the National Aeronautics and Space Administration (NASA) and the Department of Defense have been cooperating with private industry to solve problems connected with such a plane.

The task is too big and too costly, he said, for private enterprises alone. Congress has appropriated \$11 million for fiscal 1962 for the FAA's part in the development of such a plane, Roche said.

The plane, as envisioned by the experts, would cross the United States in 90 minutes and could fly from New York to London in 2½ hours.

Cruising speed would be 6,000 miles per hour.

Film Daily Editor Dies

HOLLYWOOD (AP)—Chester B. Bohn, 68, editor of Film Daily, a trade paper, died Monday while conducting an interview at the Universal-International studio.

NOBODY ASKED YOU!

... if nobody has asked your opinion, it's time for you to take the lead and urge your local school board to adopt a program for the physical development of our youth.

Such a program identifies physically underdeveloped pupils... provides a minimum of 15 minutes vigorous activity every day for all pupils... tests their physical abilities and checks their progress.

Find out whether your child's school has an adequate program. And, if not, how come?

President's Council on Youth Fitness

Remarks Can Burn Up Dieters

three or four lumps of sugar in your coffee?"

"You're doing fine, Mr. Wallow. You've taken off another quarter of a pound this week. Slow and easy—that's what does it. At this rate in another three years you'll be down to within 15 pounds of your normal weight."

"Why don't you go to my doctor, Elmer? He lets you eat all the fat you want."

"This one for Elmer. Don't use a shot glass. Pour it from a tumbler. He's on a diet."

"Why don't you go to my doctor, Elmer? He lets you have four pieces of bread a day—and mashed potatoes twice a week, plus ice cream on Sundays."

"I ENYV YOU"

"I don't know who the fat guy is, Joe. But every morning on the way to work he stops and puts his hand against the window and watches me toss pancakes. Wonder why he doesn't come in and have some?"

"Gee, I sure do envy you, Elmer. I cut, and cut and eat—and I can't put on an ounce to save my life."

"I'm sorry, Mr. Wallow. I've got this tape measure as tight as I can get it, and you still have a size 46 waist."

Building Dedicated at Ferris Institute

BIG RAPIDS (AP)—Ferris Institute Sunday dedicated the Starr Educational Center, a \$1.85-million multipurpose building.

More than 300 persons attended the first event staged in the center's 1,700-seat capacity auditorium.

A two-story classroom area incorporates 23 additional class rooms into the school's instructional facilities. A three-story general office section provides administrative headquarters.

The center was named after Senator U.S. District Judge Raymond W. Starr of Grand Rapids, chairman of the Ferris Board of Control. Much of the center has been in use since September.

'Say! How do you like your Rambler?'

"Sure glad I compared! it beats new imitators of Rambler's size on every count"

Rambler Classic Station Wagon, 2 or 3 seats, 4 or 5 doors.

"Rambler beats them on safety with Double-Safety Brakes"

"Why take chances on family safety? Rambler has tandem master cylinders with separate hydraulic systems for front and rear brakes. Self-adjusting, too! Both standard."

"Beats them on ride and handling"

"The Rambler Classic Six and Ambassador V-8 not only have wider track wheels than any other compact—they have new Road Command Suspension for a true big-car ride."

"Beats them on value by a country mile."

"Eye-catching interiors. Big-car wheels—not tiny 13-inch foreign-car size. Deep-Dip rustproofing. Ceramic-Armored muffler and tailpipe, 2-year battery, 33,000-mile chassis lube on Classic Six and Ambassador V-8. With engine oil changes at 4,000 miles!"

Compare all this—and price stickers, too! Rambler beats the Rambler-size imitators on value by a country mile! Stop at your Rambler dealer's first. You'll probably switch to Rambler (like over 100,000 Ford and Chevrolet owners did in just 12 months).

102 ways new and better... all prices lower for '62

CONSUMER PROGRESS SHARING FROM RAMBLER

"Say! How do you like your Rambler?'

"Sure glad I compared! it beats new imitators of Rambler's size on every count"

"Rambler beats them on safety with Double-Safety Brakes"

"Why take chances on family safety? Rambler has tandem master cylinders with separate hydraulic systems for front and rear brakes. Self-adjusting, too! Both standard."

"Beats them on ride and handling"

"The Rambler Classic Six and Ambassador V-8 not only have wider track wheels than any other compact—they have new Road Command Suspension for a true big-car ride."

"Beats them on value by a country mile."

"Eye-catching interiors. Big-car wheels—not tiny 13-inch foreign-car size. Deep-Dip rustproofing. Ceramic-Armored muffler and tailpipe, 2-year battery, 33,000-mile chassis lube on Classic Six and Ambassador V-8. With engine oil changes at 4,000 miles!"

Compare all this—and price stickers, too! Rambler beats the Rambler-size imitators on value by a country mile! Stop at your Rambler dealer's first. You'll probably switch to Rambler (like over 100,000 Ford and Chevrolet owners did in just 12 months).

Philippines' Employe
Refuses Salary Raise
MANILA, Philippines (AP)—President Diosdado Macapagal's executive secretary has knocked out a budget provision to raise his salary.

The proposed government budget would have raised the annual salary of executive secretary Amelito Matuc from \$6,000 to \$8,000. He also canceled raises for two of his assistants.

Add Two Carriers
to Recovery Force

NORFOLK, Va. (AP)—The Navy said Monday it is adding the newly commissioned nuclear aircraft carrier Enterprise and the conventionally powered carrier Wasp to its Project Mercury recovery force for a manned space orbit attempt later this month.

The carriers will join the USS Randolph and the Navy's Project Mercury recovery force based at Norfolk. The recovery force includes about 17 destroyers.

Celebrities Flock to Chasen's

Runs Restaurant of Stars

By BOB THOMAS
AP Movie-TV Writer
HOLLYWOOD — The urgent cable came from Rome: "Dear Dave, please send me a picture of your wonderful child in dry ice." It was signed Elizabeth Taylor Fisher.

Dave Chasen quickly whipped up a batch of chili and a n d dispatched it to Rome at a quipping cost of \$50. In return he received an affectionate letter from Elizabeth Taylor Fisher.

Like Jane Wyman, Kirk Douglas and Walter O'Malley, Liz Taylor is fanatical about Dave Chasen's chili. L. J. Edgar Hoover, Harlow Currier, Gov. Edmund G. Brown and Steelworkers' boss David McDonald, Liz is also a fan of the Chasen eatery on Beverly Boulevard.

FAVORITE OF 'NAMES'
The list would also include virtually every big name in the movie world. Dave Chasen is now marking his 25th year as a restaurateur and he is still running Hollywood's favorite eating joint.

He's a little guy with curly hair and flat stomach ("I watch the cholesterol and I'm never reluctant to push away from the table"). His manner is always affable, and he claims never to have had fights in the house, though Humphrey Bogart and third wife Mayo Method used to do some pretty good sparring.

Dave started in 1936 as the Southern Pit Barbecue, and the hit of the place was his chili, then as now.

"I always enjoyed cooking—used to do it on the road for Joe Cook," Dave remarked. He was the late comic's vaudeville stage partner and a pal to many of the Broad-

way greats. Harold Ross, editor of the New Yorker, staid him to the start in the restaurant business.

Chasen's grew from 50 seats to its present 250, and the legends mounted with the years. I asked Dave for the times at Chasen's he remembered most fondly.

"There was the night we held a wake for W. C. Fields," he recalled.

"Jack Dempsey was here, and Gene Fowler, John Decker, Bogart, Peter Lorre and Nunnally Johnson. We all got stiff and not one of us ever mentioned Fields' name."

"I remember that Dempsey spent two-thirds of the evening under the table—going hotfins."

PAINFUL NIGHT
A night Dave recalls with some pain was when Fields, Bogart, John, Charles MacArthur and James Thurber gathered for a wild, wet evening a few months after the cafe opened. Thurber went to the men's room and drew some brilliant, somewhat bawdy

Opposes Plan to Merge
11th, 12th Districts
WASHINGTON — Rep. Victor A. Knox, R-Mich., said Monday a plan for consolidation of Michigan's 11th and 12th congressional districts would create a district, too unsteady to be adequately served by one member of Congress.

Knox's comment came in a letter to state Sen. Paul Younger, R-Lansing, who asked Michigan's congressmen to express views on a reapportionment proposal adopted by the Senate Interim Committee on congressional reapportionment.

Named to Buick Post

FLINT — William E. McCrackin was appointed Buick general service manager Sunday. McCrackin, zone manager in Chicago the past five years, succeeds E. J. Krause who is scheduled to retire, and Roland S. Wilbers, Buick general sales manager.

1962 Dog Licenses
Ready at City Hall

Pontiac dog owners can now get their 1962 dog licenses at the city clerk's office at City Hall, according to Mrs. Olga Barkley, city clerk.

Deadline for buying a license for any dog over six months old is May 15.

The license fee is \$3 before the deadline; \$3 after. Harboring an unlicensed dog in Pontiac is punishable by a fine of \$5.

How About Hotel Haven or Sewer Shelter?

Detroit CD Experts Shake Salt Mine Idea

By JOHN BARBOUR
AP Science Writer

DETROIT—Looking for a place to hide from the fire, blast and burning dust of a 50-megaton nuclear bomb?

Consider this: A gigantic hotel, more than 1,300 feet underground, that could house 1.25 million people and give them more than adequate protection from nuclear attack.

It isn't some engineering dream. It actually exists. An enormous underground cavity with connecting rooms 50 feet wide and ceilings 22 feet high, a firm, even floor, and big enough for trucks and jeeps to drive in.

It has one curious drawback. The two most elevators that service this cavity can carry only six men and 8½ tons of freight at a time.

For this is a salt mine, located under the Detroit suburb of Mel-

vindale, and its net area is more than 15 million square feet.

Civil defense authorities, looking for fallout shelters for Detroit area people, ordered an engineering survey of the mine and a plan was offered in 1958.

Engineers wanted to build great sleeping underground ramps, something like subway tubes for walking. These could transport 7,000 Detroiters a minute into the safety of the mine.

The cost for conversion of the mine into an emergency city: \$220 million, or \$210 for each of the persons sheltered.

For 90-day stay. This would provide emergency housing, laundry, water, power and hospital facilities for a 90-day underground stay.

The temperature year around averages 56 to 58 degrees. That's a little warmer than an aver-

age July in Juneau, Alaska, and a little cooler than an average July in San Francisco. Humidity runs about 70 per cent. There is no sunshine.

Detroit civil defense officials say they once asked federal authorities about the idea, but were told there were no funds available. "It was a dead-end street," they look, they think it wouldn't work anyway.

With only half an hour warning of nuclear attack, they say there would not be enough time to transport people to safety. They envision traffic jams and parking problems as residents of the Motor City area headed for the western suburbs entrances to the mine.

Now, still without money for shelters, Detroit civil defense men would rather settle on two other plans. In one, they would unearth playgrounds of city schools, build shelters, then replace the playgrounds. These community shelters would be closer to the people they serve.

They would also like to adapt a long range sewer program into an emergency shelter plan. The sewers, running under city thoroughfares, would bring shelter close to the citizens.

HOTEL OR SEWER? Still the idea of complete shelter,

in a sort of underground Grand Hotel, might sound better than the idea of shelter in a sewer.

About the mine there is soil and sandstone beds, then thick layers of limestone and gypsum, a thin layer of salt, and then alternating layers of salt and limestone. The mine, an operation of the International Salt Co., is still producing industrial salt.

Engineers who had considered the mine as a possible shelter said it would eventually provide 22.5 million square feet.

Late this, they would have built 56 dormitory units and 14 utility areas to provide the essential services.

They also warned that the danger existed that the mine might be used for garbage and refuse storage by the City of Dearborn and the Ford Motor Co. This, the engineers said would destroy the mine's possibilities for shelter.

But now that civil defense service has cooled to the use of the mine as a shelter, mine officials seem to have other plans. They refuse to talk about them, however.

As for the men who work the mine, they are probably better protected against the hazards of nuclear attack than they would be on some distant Pacific isle.

Will Ask Board to Fight Reinstatement of Teacher

The Pontiac Board of Education will be asked to fight a reinstatement order of Mrs. Iva M. Vogel who was ousted in 1960 from teaching in a Pontiac elementary school.

An appeal to Circuit Court would test the jurisdiction of the State Board of Education which ruled for Mrs. Vogel last month. School Supt. Dana P. Whitmer said to day.

Dr. Whitmer said he would ask an appeal for an appeal of the 7:40 p.m. Thursday meeting of the Pontiac board. However, to date the board has not been formally notified of the four-point commission's action.

Mrs. Vogel had reached the end of the normal two-year probationary period in 1960 and was re-instated a permanent contract by the board's administrators. She also pointed to the board of education. The board upheld the administrators.

"The importance of the case lies in this question," Whitmer said. Does the State Board of Education have the right to review facts and make decisions on cases involving probationary teachers?

"If this is so, it would seem that probationary teachers have equal rights and protection from the State Board of Education. In a hearing, they are not treated from the date of employment."

WHITMER'S QUESTION Under the present probationary system, the probationary teacher need not be given a permanent contract at the end of his second period.

Whitmer called the case a question of good schools in the school district of the City of

Pontiac as well as for other, tenured school districts.

Mrs. Vogel was not granted a contract for 1960-61. Whitmer said, "on the basis that her work as a teacher was not satisfactory for tenure placement."

In a formal resolution of the Pontiac Board of Education in July 1960, Mrs. Vogel was described as not having "demonstrated competence in using good judgment in dealing with children and parents."

The resolution also stated she had not "demonstrated a willingness to accept personal assistance and guidance from her superiors."

A group of 31 parents had petitioned the board in Mrs. Vogel's support after another group had demanded her ouster. Reinstatement would mean granting of back pay to Mrs. Vogel, amounting to the difference between any job she has held in the time since 1960 and the pay she would have earned at Harrison Elementary where she had been previously employed.

Russia Working on Automatic, Crewless Ship

NEW YORK (AP)—The Soviet Union is now experimenting with a completely crewless tanker for operation on the Caspian Sea. Maritime Administrator Donald W. Alexander said Monday night.

Alexander, speaking before the Marine Society of New York, said the Soviet tanker, known as Pashkov, a shallow draft vessel, is now being converted for fully automated operation.

"It will make experimental voyages for the next six months and, after that, will be used for regular service," he added.

Alexander said the Soviet Union also is building the next stage of a series of 1,000-ton automatic tankers on which a small crew of four will operate. He said the first of these will be completed by the end of the year.

Utica School Board Holds to Patriotism Policy

Teacher Faces Ouster; Court Battle Possible

By BOB NESTER
UTICA—Facing a possible court battle and the general opposition of some 100 aroused parents and teachers last night, the Utica School Board stood firm on its policy of requiring teachers to participate in patriotic demonstrations.

The board's policy was unanimously adopted at its Dec. 11 regular meeting, after irate parents had complained that a 27-year-old Sterling Junior High School music and band teacher had refused to direct the band in the national anthem, not to touch it as part of the music curriculum.

The teacher, Charles McManigal, of 42332 Platt Road, maintained that performing the piece, as well as testing the pledge of allegiance and saluting the flag, constitutes an act of subversion and conflicts with his religious convictions.

He is a Jehovah's Witness. According to Louis Gonda, director of the school's instrumental music department, McManigal has refused only to lead the band in the national anthem, not to touch it as part of the music curriculum.

President of the district's Teachers' Association, Donald Haynes stated last night that the organization agreed wholeheartedly with the substance of the board's patriotism policy.

He asked only that the board hold off on any action against McManigal until the association could obtain a ruling from the state attorney general's office on the constitutionality of the policy.

If the ruling agreed with an "advisory opinion" the group received from the Macomb County prosecutor's office, holding that the policy would not stand up in court, then the board would know where it stood if it decided to fire McManigal, Haynes said.

"It is unfortunate," the association president said, "that this decision was made history when we heard about it. We feel that the wording of the policy should be changed to allow teachers their basic civil rights."

Under the board's policy, students are not forced into patriotic demonstrations if it is against their beliefs.

Haynes asked that a committee be set up to study the matter and arrive at a suitable compromise, keeping both McManigal and the patriotic programs.

"The present policy only tightens up a patriotic program which has been carried on for quite some time," he said. "This policy can serve only to have one man fired and it doesn't make any change in the existing patriotism program."

CITIZEN RESPONSIBILITIES
Board member Howard A. Dinger stated there was no disagreement that the board has a moral responsibility to have patriotism taught in the schools. "If we also have a legal responsibility, to teach it," he said, "then we should have the legal power to see that our teachers comply with the policy."

Schools Supt. Fred M. Atkinson explained that no immediate action will be taken against McManigal because he hasn't done anything wrong yet.

Under the policy, the school's next assembly will be next month, probably on Lincoln's birthday, Feb. 12.

At that time, Atkinson said, if McManigal refuses to lead the band in the national anthem, he will be suspended. Haynes explained that the suspension would be in effect from 30 to 45 days after which the board would have to review the case.

If no agreement has been reached then, McManigal's pay would stop and the state might be asked to step in to negotiate. If talks fail, the case might be submitted to the courts for a ruling.

MILK RACK EMPTY — Mrs. Georgia Andrews peered into an empty milk rack in a Detroit supermarket yesterday after a strike by United Dairy Workers Union cut milk deliveries in the Detroit metropolitan area by more than 50 per cent.

A total of 1,500 workers at 10 companies were affected by the strike. After bargaining through the night, negotiators reached an agreement this morning.

At Ten Mile Elementary School

Library Workshop Jan. 25

FARMINGTON—A library workshop for elementary school teachers in the Farmington School District and area schools curriculum administrators will be conducted here Jan. 25.

The program, which will be held at the Ten Mile Elementary School, 7529 W. 10 Mile East, has been designed to share best practices.

The keynote speaker at the workshop will be Professor Thomas James, who teaches English literature at Wayne State University. She will address the group of more than 50 teachers at 8:30 a.m.

Prof. James was named one of the top 100 Detroit women who work in 1961 and in 1959 was listed in Who's Who Among American Women.

She is a past president of the American Folklore Society and the International Institute of Afro-Caribbean Studies. She was chairman of the national committee.

A school principal and two librarians also are scheduled to speak on certain phases of the topic.

Mrs. Vivian Sawle, principal of Holly Junior - Senior High School, will be the first speaker.

Persons interested can pick up surgical dressings, sew and return them to the service rooms. These dressings will be distributed to any cancer-stricken outpatient who asks for them.

The room will be open for the dressings on the second Wednesday of each month from 1 to 3 p.m. For emergency service, Mrs. Joseph Sarvis, of 9 Mile Road, may be contacted.

June Drake, Bruce Kime
Wed in Evening Rites

LAKE ORION — Residing here for her sister, Best man was Albert Fracassi with James R. Drake, brother of the bride, serving as usher.

The couple honeymooned at Niagara Falls following their reception in Rochester.

Leadership Course Offered at Milford

MILFORD — A free, public leadership course will be conducted tomorrow at St. Mary Catholic Church by the Gabriel Richard Institute of the archdiocese of Detroit.

In Farmington

School Board Denies Bus Service Request

BY JIM LONG

FARMINGTON — There will be no school bus service for a group of children living in the Orchard Lakes-13 Mile roads area who now walk to the Isaac Bond Elementary School.

That was the final decision of members of the Farmington Board of Education who voted 5-6 last night not to provide transportation for the youngsters.

Fifteen members of the original 15 parents who boycotted the

school last November in protest over a lack of school bus service by keeping their youngsters out of classes attended the regular session of the school board.

The board had indicated to the parents at its meeting Dec. 11 that there would be no change in the present school bus policy but agreed that it would continue to investigate the matter.

DEMAND BUS SERVICE

The children, nearly 10 of them, the parents said, were endangered while walking to the 13 Mile Road school in heavy traffic. The parents requested that the school board provide the children with bus service to eliminate the hazard.

When the school board failed to act the mothers kept the children from attending classes for three days, only sending them back after being threatened with court action under the mandatory school laws.

The board's decision last night was based primarily on the fact that a traffic count had been made by an individual member of the board, Mrs. Wendell Brown. It showed that traffic was not heavy enough to warrant providing bus service.

Board member George A. Napolitano Jr. was not present at the meeting.

Mrs. Frank Sanders, spokeswoman for the protesting mothers, said today that since they were turned down by local officials their next action would be to send a formal letter of protest to Lynn M. Bartlett, state superintendent of public instruction, and Congressman William S. Broomfield (R-Oakland County).

"We mothers feel the board's action doesn't make the problem less serious, and with the weather getting worse, it has become worse," she said.

Mrs. Sanders said, however, in the past few days, the board's action doesn't make the problem less serious, and with the weather getting worse, it has become worse," she said.

The applications can be returned to a member of the Junior Chamber of Commerce or mailed to group are being taken by private mail. The deadline is Jan. 21.

Award Ready at Walled Lake

Joycees Plan to Honor Deserving Young Man; Taking Nominations

WALLED LAKE — A search for an outstanding young man from the area has been started by the Walled Lake Junior Chamber of Commerce.

A distinguished service award will be presented to the young man who has been judged to have contributed most to his community during the past year.

The special awards banquet will be held Jan. 25 at the Bonanza Inn in West Bloomfield Township.

Any young man between the ages of 21 and 35 living in the Walled Lake School District is eligible for the award, presented last year to Wilford Hook, a Walled Lake city policeman.

Nominations can be made by all residents of the area. Application blanks can be obtained at Taylor Chevrolet, Harold's Apparel and the Party Shop in Walled Lake.

The applications can be returned to a member of the Junior Chamber of Commerce or mailed to group are being taken by private mail. The deadline is Jan. 21.

SANDRA SUE FERGUSON

Mr. and Mrs. Peter J. Tondski, of 411 Mill St., Ortonville, announces the engagement of her daughter, Sandra Sue Ferguson to Marine Pvt. E. David Jares Jr., son of Mr. and Mrs. Edward D. Jares of 237 W. Drabner Road, Oxford Township. No date has been set for the wedding.

Petitions Urging Sale of Liquor Filed in Milford

MILFORD — Petitions requesting that a proposal to sell liquor by the glass appear on the March 12 general election ballot have been submitted to Village Clerk Margaret Knight.

More than 200 signatures appear on the petitions asking that spirits be sold in addition to beer and wine, she said.

Spearing the move to have liquor sold in the village are the owners of Ye Old Hotel, Tim's Tavern and the Milford Bar.

The proposal has been placed before voters on several occasions in the past but has always been rejected.

State Jobless on Rise

DETROIT — Unemployment in Michigan increased 20,000 in December to 23,000, the Michigan Employment Security Commission said today. The commission said 75 per cent of the state's 2.97 million total labor force was unemployed.

KATHERINE J. RALPH

DONNA JEAN YOUNG

BETTY L. HOWE

The engagement of Katherine Jean Ralph to Alan Price is announced by her parents, Mr. and Mrs. Jack Ralph of 2182 S. Livernois Road, Avon Township. The prospective bridegroom is the son of Mr. and Mrs. Ralph Price of 355 Maywood Ave., Rochester.

Mr. and Mrs. Gordon Young of 2234 Phillips Drive, Pontiac Township, announce the engagement of their daughter Donna Jean to Jan's A. Teets, son of Mr. and Mrs. Edmund H. Teets of 2300 Shimmer Road, Pontiac Township. No date has been set for the wedding.

Announcement is made of the engagement of Betty L. Howe of 301 Grey Road, Auburn Heights, to Thomas W. Tucker, son of Mr. and Mrs. Bruce R. Tucker of 2660 Edna Jane Ave., Pontiac Township. The bride-elect is the daughter of Mr. and Mrs. Norman W. Renshaw. No wedding date has been set.

He Knows Best, Abby Says

Listen to Psychiatrist

By ABIGAIL VAN BUREN

DEAR ABBY: "I am 33, divorced and believe me, I have my problems. I am seeing a psychiatrist once a week."

I met a very good-looking man (I'll call him "Mr. X.") in the psychiatrist's office. We were in a date-ly attracted to each other and found we had a lot in common.

We spent a few evenings together. The came to my

apartment) and I think I am in love with him.

I told my psychiatrist everything and he said I should quit seeing "Mr. X." because he is more mixed up than I am.

If I must make a choice, I will give up seeing the psychiatrist because "Mr. X." is doing more for me than he is.

I told my psychiatrist I wasn't seeing "Mr. X." any more, but I am.

Should I tell the psychiatrist the truth, quit seeing "Mr. X." or quit seeing the psychiatrist?

DEAR MIXED UP: You sought psychiatric help be-

cause you needed it. You still need it. Your psychiatrist can't help you unless you are completely honest with him. X told "Mr. X." tell your doctor the truth and follow his advice.

DEAR ABBY: Nobody believes me, but this is the truth. I had a wart on my thumb, for many years. I went to a doctor and he told me to leave it alone. I was very self-conscious about it because, as you know, warts are not very pretty. A friend of my mother's was visiting one day and she told me to tie a thread around it, go out in the yard after dark and bury a potato upside down, and the wart would go away just as soon as the potato rotted. Just for a joke, I did it. Within one month my wart disappeared. Can you explain it?

DEAR BAFFLED: No. And neither can anyone else. There is no scientific explanation for some of the legendary "cures" that appear to work in ridding people of warts. My advice is to let a doctor decide the treatment. It is more dependable than voodoo. Of course if you want to bury a potato, too, it won't do any harm.

CONFIDENTIAL TO "DONE WRONG IN FLORIDA": Nonsense. Because one woman told you wrong, is no reason to retire from the human race. All women are not alike.

Are things rough? For a personal reply, write to Abby, The Pontiac Press, and don't forget a stamped, self-addressed envelope.

Hornsby-St. Lawrence Vows Said

Linda Ruth St. Lawrence exchanged rings and vows with Seaman Lawrence A. Hornsby early Saturday afternoon before Rev. Paul T. Hart in the First Methodist Church.

Mr. and Mrs. Alfred R. St. Lawrence of Wyman Drive and the Alan V. Hornsby of Fern Road, Waterford Township, received guests with the bride couple at a buffet luncheon in the Knights of Pythias Hall on Voorhis Road.

Almon lace frosted with iridescent sequins and seed pearls adorned the bride's crown of white tulle over her tulle, styled with chapel train. Silk illusion veiling was fitted to a lace cap. Pink roses and white carnations comprised her bouquet.

Maid of honor, Barbara Simpson of Waterford Township, appeared in shocking pink slipper satin and matching shoes. She held white roses and carnations tied with turquoise laces.

Bridesmaids Judy Stevens and Linda Stevens wore "dresses and the brides selected. The bridesmaids wore white. The bridesmaids wore white. The bridesmaids wore white.

Mothers Club to Meet

Members of the Twin Mothers' Club will meet at the Community Services Building on Thursday to hear Mrs. Eliza Hommel speak on "Childbirth Without Pain."

Mrs. Hommel is a 1958 graduate of the Wayne Uni-

versity College of Nursing and has also studied in Paris, France.

Hostesses for the meeting will be Mrs. Dallas Hilton, Oxford, chairman, Mrs. James Cleary, Lake Orion, and Mrs. Harry M. McHarg.

Navy Mothers' Social Session Set for Jan. 19

January social meeting for Pontiac Navy Mothers' Club will be at 7:30 p.m. Jan. 19 in the Mt. Clemens Street home of Mrs. Mark W. Kinsley.

On the group's activities calendar for next month is a business meeting Feb. 1 at the Pontiac Naval Reserve Training Center and a card party Feb. 23 at First Federal Savings and Loan Association of Oakland's building.

Mrs. William Christie, who delivered the group's holiday baskets to area needy families, reported on December charity work at Thursday's meeting in the training center. Last month members sent contributions, to the Battle Creek and Dearborn veterans' hospitals and the USO in Detroit. Christmas gifts were sent to all members' sons who are on active duty.

Mrs. Kinsley read a letter of appreciation from the local Naval reserve training center for serving refreshments at its recent open house.

The club will send a contribution to the Galilee Family Chapel again this year. Mrs. Max O. Rickman of Oakley Lake Road is a new member.

Setting Stage for 'Crucible'

Lakeland Players, Inc. of Waterford Township will present their second production of the 1952 season, "The Crucible" by Arthur Miller.

The play will be presented at 8 p.m. both nights. The play is under the direction of Mrs. Robert Rickwood.

Three husband-wife combinations are included in the 26-member cast.

Golden Agers Elect Prexy

William Newton is newly elected president of the Golden Age Club of Waterford Township.

Other officers elected during the Friday night meeting at the Community Activities, Inc., on Williams Lake Road were Mrs. George Dietrich, vice president; Mrs. Beatrice Stevens, secretary; and Mrs. Neva Colby, treasurer.

A special physical fitness program at 1 p.m. Wednesday will replace McCarrill School's regular business meeting.

Under direction of Jean Young, elementary physical education supervisor, and Walter Gillard, children in grades one through six will demonstrate how physical education relates to the entire school program.

"Physical Education: An Integral Part of the Total Curriculum" will be the meeting's theme.

Longfellow A speaker from the local Civil Defense bureau will present a color film, "Dual Purpose Shelter" for Longfellow School PTA's 2 p.m. Thursday meeting. A brief business meeting will precede the talk.

Willis Speaker for Willis School's 3:30 Thursday meeting will be Edgar A. (Bud) Guest Jr., an alumnus of the late poet-philosopher.

A 1934 University of Michigan graduate, Guest is head editor on Detroit radio. Prior to 1945 he had worked as a reporter.

Guest, radio editor, assistant city editor and feature writer.

Mrs. Donald Swanson, program chairman, arranged for Mr. Guest's appearance. Entertainment will be provided by the Chorales, vocal group.

Mrs. Willis Schmeidler, PTA president, has announced nominating committee mem-

PTAs in Action

Pontiac Parent-Teacher Association units have returned from the holiday recess to a varied and busy schedule of activities.

COUNTY PTA COUNCIL Present survival plans for schools will be presented by Virginia L. Warren, emergency welfare coordinator for Oakland County and Southeastern Michigan, at the Oakland County Council of PTA's Jan. 18 meeting in Pontiac Lake School.

A film showing the conversion of Pontiac schools into receiving centers for students evacuated from other schools in a simulated attack will be shown by the speaker whose program for school civil defense includes preparation of food, lodging, clothing, medical aid and registration for the children.

During a business meeting preceding the program Mrs. Robert Clift, library chairman, will dispense information regarding the council's library workshop planned Jan. 24 at Denslow School.

Pontiac Lake School PTA will serve refreshments. Registration will begin at 7:30 p.m. and the meeting at 8.

WILSON Mrs. John Saxton, social worker and community representative for the Planned Parenthood League, Inc., will speak at Wilson School PTA's 2:30 p.m. Thursday meeting.

Stress and a lecture on the subject "How Planned Parenthood Helps the Community" will be presented. The league recently opened a clinic at Lakeside Housing Development in the Pontiac area.

JAMES MADISON JAMES MADISON JAMES MADISON JAMES MADISON JAMES MADISON JAMES MADISON JAMES MADISON JAMES MADISON JAMES MADISON JAMES MADISON

"Who's Delinquent?" will be the program topic when James Madison Junior High School PTA meets at 7:30 p.m. Thursday in Madison's little theater.

Clark Balch of the school guidance department will direct a skit on delinquency by eighth graders Diane Cohn, Diane Johnson, Carol Harris, Don Tinson, Eric Sells and Ted McConnell.

James Hunt, Oakland County Juvenile Court director, will moderate a panel of parents and students.

Mrs. Charles Crickon, eighth grade room representative, and room mothers from that grade level will serve refreshments.

HERRINGTON Dr. Elton B. McNeil, associate professor of psychology at University of Michigan, will be guest speaker at Herrington School's 7:30 p.m. Wednesday PTA meeting.

Signs of Emotional Distress in Children." Father of three, Dr. McNeil specializes in clinical work with children and teaches child psychology courses. Chief psychologist at the U. of M. Fresh Air Camp where he helps emotionally disturbed children, Dr. McNeil is a frequent guest on the Morning Show presented daily on a Detroit television station.

Morning kindergarten, first and sixth grade room mothers will serve refreshments.

McCARRILL A special physical fitness program at 1 p.m. Wednesday will replace McCarrill School's regular business meeting.

Under direction of Jean Young, elementary physical education supervisor, and Walter Gillard, children in grades one through six will demonstrate how physical education relates to the entire school program.

"Physical Education: An Integral Part of the Total Curriculum" will be the meeting's theme.

Longfellow A speaker from the local Civil Defense bureau will present a color film, "Dual Purpose Shelter" for Longfellow School PTA's 2 p.m. Thursday meeting. A brief business meeting will precede the talk.

Willis Speaker for Willis School's 3:30 Thursday meeting will be Edgar A. (Bud) Guest Jr., an alumnus of the late poet-philosopher.

A 1934 University of Michigan graduate, Guest is head editor on Detroit radio. Prior to 1945 he had worked as a reporter.

Guest, radio editor, assistant city editor and feature writer.

Mrs. Donald Swanson, program chairman, arranged for Mr. Guest's appearance. Entertainment will be provided by the Chorales, vocal group.

Mrs. Willis Schmeidler, PTA president, has announced nominating committee mem-

bers who are chairman Mrs. William Davis, Mrs. Margaret Curtis, Mrs. George Eberhart, Perry Nisotti and Marjorie Smith. Mrs. Alfred Davidge will handle the group's popcorn sales.

EMERSON Men's Night will be observed by Emerson School's PTA Wednesday evening. Clayton Lee, father vice president, is in charge of the meeting.

Civil Defense film, "Dual Purpose Room" will be followed by discussion led by Mrs. Lee and Donald Smith. Civil Defense chairman, Jack Forrel will operate the projector.

Revisions in the group's by-laws will be presented by committee members Howard C. Smith, Theodore Ryher, Charles Austin, Mrs. Smith, principal Lewis Sullivan and PTA president Mrs. Donald Smith.

Nominating committee members are chairman Mrs. L. D. McLaughlin, Mrs. John Wood, Mrs. Leslie Elmy and alternate Mrs. Howard C. Smith.

Emerson's co-chairmen for the PTA Council Founders' Day Dinner are Mrs. Howard Hualt and Mrs. Gaston McCurdy.

Room mothers from the classes of Mrs. Evelyn Woodworth, Mrs. Laura Walt and Brooks Robertson will serve refreshments.

PONTIAC PTA COUNCIL Wilson Elementary School will be the meeting place for the Pontiac PTA Council at 7:30 p.m. Wednesday.

Mrs. Howard McConnell has announced the evening's program will be "Guide Lines for PTAs and Administrators."

Mrs. William Wright will moderate a panel comprised of Warren Abbott, George Yanson, and Administrators.

Mrs. William Wright will moderate a panel comprised of Warren Abbott, George Yanson, and Administrators.

Mrs. Leroy Koch will announce the current family life education conference committee has scheduled for Jan. 19 at First Methodist Church.

At the 7:30 p.m. session will be open to all interested, and reservations can be made with Mrs. Ervin Charlie or Mrs. Thomas Balle before Friday.

Wever School youngsters have made name tags for the meeting. Reservations will be served by PTA members from Wilson, Herrington, Owen and Alcott schools.

Dr. Carl Byers, humorist, will speak at the council's annual Founders' Day Banquet Feb. 6. PTA members who wish to attend can make reservations through their school's association president.

LEBARON Men's Night will be observed by LeBaron School PTA Thursday, Basil Tucker, father vice president, will conduct the 7 p.m. meeting, and other fathers will read reports and serve refreshments.

Guest speaker will be Roger Cuervo, psychologist from the Oakland Child Guidance Clinic whose subject will be "Father-Child Relations."

PONTIAC NORTHERN Pontiac Northern High School Parent-Teacher-Student Association members will meet at 7:30 p.m. Wednesday following a 1 p.m. board meeting.

Following appointment of a nominating committee, the film "And No Bell Ring," concerning discontinuance of hourly bells for change of classes, will be shown. Discussion on the subject will be led by John Mattoo, Betty Murphy and other faculty members.

Mrs. William Mihalek is chairman for the meeting, to be held in the school's little theater. Refreshments will be held a practice session for studies in American Democracy, a pilot English course for college-bound seniors.

Bringing Up Baby.

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

Important B-vitamins and bone-building calcium.

Night-feedings simplified. You can take the grope and fumble out of night feedings if you lay out robe, slippers, diaper, etc., in a line. Luminous paint on hall and kitchen light switches will have many a stumble in the dark.

Vitamin viewpoint. Baby's vitamin drops are best given by dropper. If you put them in his formula and he doesn't finish it, precious drops will be wasted.

Another vitamin viewpoint. Vitamin C, so important for sound gums and body tissues, is usually recommended early in the new baby's diet. Gerber's Strained Orange Juice is an excellent source of vitamin C. Made of tree-ripened fruit, specially selected for mildness, it's ever so delicate—the way it should be for a new baby. Gerber Baby Foods, Fremont, Michigan.

Cereal, Oatmeal, Mixed Cereal and High Protein Cereal. Each one has a bland but distinctive flavor—all four have a smooth-to-the-tongue, easy-to-swallow texture. Most important, they're enriched with blood-building iron.

Mizpah Temple Holds Practice

Members of Mizpah Temple No. 7, Pythian Sisters, met Thursday in the Knights of Pythias Hall.

Following a brief business meeting and sewing of cancer pads, officers and degree staff held a practice session for the forthcoming installation of 1962 officers.

Hostesses for the social hour were Mrs. John F. Auermann, Mrs. Gene Altan and Mrs. William H. Vance.

Sorority Meets at Sandage Home

Mrs. Lola F. Sandage of Nichols Drive, was hostess to Epsilon Chapter, Alpha Delta Kappa Sorority, Thursday evening. Lois Cohn assisted.

Kirstin Muller, exchange student from Gothenburg, Sweden, wearing a national costume, spoke about Swedish education, industries and special holidays observed throughout the year. She is a senior at Waterford Township High School.

Your thighs can be trimmed if you do this exercise and follow the directions in Josephine Lowman's 8-Week Marathon. Raise leg as high as com-

fortable. Repeat. Do other side. Exercises will be given to correct other figure faults.

With Improvement Program

Can Make Dreams Real

By JOSEPHINE LOWMAN

Don't let procrastination age you and pin your dreams to the ground! Have you entertained any of these thoughts?

"I am going to start tomorrow or next week at the latest and lose weight." "I love that dress and if I lost 10 pounds I could wear it again." "There's no doubt about it!"

"Overweight makes me feel older as well as look older, and as soon as my house guests leave I am going to count my calories." "I am definitely going to begin exercise tomorrow. I am too rushed today."

We have all said things like that to ourselves and too often the years pass and a woman keeps kidding herself, but am not kid time and pounds.

Soprano's Concert Is Memorable

By A. MICHAEL DEMPSEY

Jennie Tourel appeared in recital last evening in the auditorium of Pontiac Northern High School. The program, sponsored by the MSUO-Community Arts Council was an outstanding artistic success.

Miss Tourel who is well known for her amazing fluency of language and excellent musicianship made an unforgettable impression on a highly enthusiastic audience.

Chosen for her opening selections were two contrasting arias, a "Lament" by Cherubini and "The Marmala" by Haydn. The latter demanded and received a degree of youthfulness seldom found in a mature voice such as Miss Tourel's.

LIVED EACH MOOD

The second part of the four-part program was a performance of "Liederkreis" op. 39 by Robert Schumann. In performing this German Lied, Miss Tourel actually became each character in the cycle, from the Lorelei claiming another victim to a maiden gazing at her loved one. She lived each mood, expressing sadness, joy, meditation, reflection and all other emotions with the proper feeling.

Miss Tourel had at hand the technical facilities needed to sing this cycle. Her breathing, intonation and control of volume was itself a thing of beauty.

Four French art songs followed a short intermission and in one of these, "Violon" by Poulenc, Miss Tourel displayed a definite jazz influence in her interpretation that delighted the audience.

TWO ENCORES

Three Russian art songs and a selection from a French cook book "La Bonne Cuisine" by Leonard Bernstein closed the program. This number was written for and dedicated to Miss Tourel.

The audience demanded and received two encores from the artist.

In conclusion, it was an unforgettable evening with a most gracious artist. Miss Tourel's command of languages was truly amazing. She sang with equal effectiveness in Italian, French, German, Russian and English. Her accompanist, Allen Rogers blended perfectly with the soloist at all times.

The next program in the MSUO-Community Arts Council series will be presented Friday, January 26. It will be "An Evening With Charles Laughton."

To stimulate falling sales, many Japanese kimono manufacturers now offer wash-wear kimonos.

Tell Top Players at Bonneville Club

Dr. and Mrs. Charles Patrick and the Earl Huntlers were among winners when Pontiac Bonneville Duplicate Bridge Club met at Hotel Walden Saturday evening.

Other winners were Mrs. Melvin Smail and Henry Georgia, Mrs. Kenneth Wright and Ernest Gray, Mr. and Mrs. Paul VanDusen and Mr. and Mrs. Paul Potter.

Complete Plans for Gift Shop

St. Joseph Mercy Hospital Women's Auxiliary members completed plans for the opening of a hospital gift shop when members met Monday morning at the nurses' home.

Located in the hospital's main lobby, the shop will be open before the end of January.

Mrs. Clifford Dick will be chairman of the volunteer sales staff.

Sponsorship of hospital television service, subject to the hospital administration's approval, also was voted upon. A percentage of funds from the project would augment the auxiliary's support of the hospital's children's clinic.

McDowell Chorus Open for Members

Melvin Larimer, conductor for the McDowell Male Chorus, has announced that the group currently is open for new members.

Men in the Pontiac area who enjoy singing have been invited to join the chorus which meets at 7:55 p.m. Mondays in Pontiac Northern High School's vocal music room.

Members soon will begin rehearsing selections for a spring concert.

Doctor to Talk About Figures

Waterford Township area residents are invited to attend a meeting from 7 to 9 p.m. Wednesday, at the community center to hear a Pontiac State Hospital doctor discuss weight control.

Sponsored by the Waterford Township Recreation department, Dr. Roger Perout, the hospital's staff physiologist, will talk on "The Importance of Keeping Your Figure."

SURPRISE WINNER — Phil Rodgers (center), 23-year-old former National Collegiate champion, holds the first place check after shooting a final round 62 to win the Los Angeles Open golf tournament. His 72-hole total of 280 led Bob Goalby (left) and Fred Hawkins (right) who shot 277. Behind them is Jack Kimbrell, who shot 282. The Los Angeles Open is sponsored by the Los Angeles Junior Chamber of Commerce.

Rookie Rodgers Takes Open at LA

LOS ANGELES (AP)—A rookie year, Rodgers left his nearest challengers behind by nine strokes and won \$7,400. It was the widest margin of victory since Mike Souchak pipped the same score over Billy Casper and Doug Ford in the Motor City Open at Northville, Mich., in August 1959.

Rodgers' round cracked the 36-year-old tournament record of 63 shared by Tommy Bolt and Ken Venturi and raised the 72-hole score of 272 set by Lloyd Mangrum in 1956.

Rodgers' previous fame was limited. He won the National Collegiate Championship as a sophomore in 1958 at the University of Houston. He was low amateur in the Los Angeles Open in 1960.

Last year he won the Mexican Open in Mexico City, and in October he won the Sahara pro-amateur at Las Vegas.

Rodgers' first three rounds here were 67-71-68. Most observers thought he would yield to pressure on the final round and the winning effort would come from Fred Hawkins, Bob Goalby, the 1961 L.A. Open winner, David Hovak or possibly even the 1960 challenger, Souchak.

Rodgers squelched that when he moved into a 3-stroke lead in the first nine holes and never let up with his leader-herge. Hanky Golf Club's par is 35-37. Rodgers did it in 32-30-62.

Cage Leaders Have Balance

Balanced scoring marks the cage-leading teams in Class A and Class B as the 5th week of action rolls around in the Western Division of the National Basketball Association.

Unleashed Class A leader Spencer's first three rounds here were 67-71-68. Most observers thought he would yield to pressure on the final round and the winning effort would come from Fred Hawkins, Bob Goalby, the 1961 L.A. Open winner, David Hovak or possibly even the 1960 challenger, Souchak.

Rodgers squelched that when he moved into a 3-stroke lead in the first nine holes and never let up with his leader-herge. Hanky Golf Club's par is 35-37. Rodgers did it in 32-30-62.

U.S. Pair Contenders in Ladies Ski Meel

GREINHEALD, Switzerland (AP)—The Swiss School student Rhea Fries of Aspen, Colo., and her partner, Linda Meyer, of the U.S. National Ski Team, were among the top six finishers in the 10th International Ladies' Meel, which opened here today.

The two American girls were paired against strong international competition, including West Germany's Heidi Bredl and Heidi Hohenberger, Austria's Marlene John and Traudl Hecher, Italy's Tina Bova and Jovita Schir, and the Soviet Union's Olga Zhukova.

Ohio State Unanimous AP Poll Leader

Purdue, Minnesota, Iowa Post League Cage Wins

By The Associated Press

With the Big Ten race barely under way two things seem apparent: Ohio State is clearly the class of the conference, and it's going to be a wide open scramble for the next nine places.

Ohio State's supremacy is no surprise. The deep and seasoned Buckeyes hold undisputed possession as the nation's top team, and are virtually sure that he's to sweep to another conference title. But some other developments among the Big Ten members do rate in the surprise category.

For example, leading up to the conference opens last Saturday,

Big Ten squads failed to fatten up outside opposition as they usually do. In 30 games against non-league opponents, they were Purdue scored a 96-89 victory over Illinois; Minnesota outscored Indiana 104-100; Iowa's Don Nelson set a Hawkeye record in the 74-60 decision over Northwestern, and Wisconsin outlasted Michigan 84-78.

At Tennessee, Cotton Nash of Kentucky continued to show that the "sophomore sensation" label pinned on him is accurate. The teen-aged blond scored 31 points in leading the Wildcats to a 77-68 win over the Vols. 77-68 in their Southeastern Conference match.

Gene Engel poked a lot of punch in the closing moments, sparking Virginia to a 58-35 Atlantic Coast Conference victory over South Carolina. Engel snugged a 52-52 tie on a pair of free throws with 49 seconds to go, then clinched it with a layup.

FIRST WIN

St. Louis won its first Missouri Valley Conference game in three years, 41-39 over Tulsa. Iowa State beat an erratic Oklahoma State squad, 47-42, in the Big Eight. Larry Jackson's driving layup with 16 seconds to go gave Ohio University its clincher in an 82-81 squeaker with Western Michigan in the Mid-American Conference.

Other results—Furman 29, The Citadel 51; Oklahoma 56, Missouri 57; Louisiana State 76, Georgia 57; Tulane 59, Florida 47; Auburn 51, Mississippi 56; Murray 82, Eastern Kentucky 80; Clemson 75, Florida State 69; Providence 79, Massachusetts 45; St. John's, N.Y. 100, Bridgeport 84.

STILL UNBEATEN

Mississippi State, which remained undefeated by shading Auburn 51-48 for its 10th triumph, jumped two places to seventh. Bowling Green also advanced, clinching from 10th to ninth. Duquesne dropped a notch to eighth and Duke fell two positions to 10th. Duquesne won its only game last weekend, defeating St. Bonaventure, but the Blue Devils were upset by North Carolina State at home.

By The Associated Press

Ohio State, one of the two major college basketball teams still unbeaten, maintained its unblemished record with the sports writers and broadcasters, too, receiving first place votes on all ballots cast this week in The Associated Press poll.

Cincinnati and Kentucky held firmly to their second and third places, respectively. All others shifted positions although none of last week's top ten fell out of the select group.

The University of Southern California twice overtoped California over the weekend, advanced two notches to fourth place while Kansas State and Villanova each dropped a notch to fifth and sixth, respectively. Kansas State lost to Colorado Saturday 75-61 and Villanova was knocked off the unbeaten list by West Virginia 88-62.

Bowl Showings Win Pro Offers for Galen Hall

UNIVERSITY PARK, Pa. (AP)—Last month, professional football talent scouts wrote off chubby, left Galen Hall as too small for the league.

The 5'9" quarterback from Penn State was passed up both in the National and American Football League drafts. Canadian league teams heard little about him.

Today it's a much different story. After including no national fame with sparkling performances in the nationally televised Gator Bowl and the U.S. Bowl, Hall finds himself in demand. The Baltimore Colts and Washington Redskins of the NFL have talked with him. The Boston Patriots of the AFL have sent him a letter and the Canadian league's Hamilton Tiger-Cats want him.

Hall refuses to commit himself.

JUMPING SPARTAN

Louie Sanders of Michigan State was high to set off a jump shot against Wisconsin Monday night. Jack Brens (34), Redner center, couldn't get high enough to block the shot. Wisconsin's Mike O'Mela (right) and MSU's Pete Gent look on. Wisconsin won, 83-78.

Chisox to Try Formula Used in Pennant Year

CHICAGO (AP)—Back in 1959, the Chicago White Sox put together speed, defense and good pitching to crack New York Yankees dominance of the American League and win a pennant.

After a brief trial of power baseball, the Sox are back working on the 1959 formula in hopes of developing another winner.

Minnie Minoso and Roy Sievers, the power hitters acquired in 1959, are gone along with veteran southpaw Billy Pierce. In their place are guys named Charley Smith, Joe Cunningham, John Buschardt and Bob Farley.

"We're going back to the system which won us a pennant," said Manager Al Lopez, "and we'll use the club's annual mid-winter meeting. We deal power and speed for youth, pitching, speed and defense."

SEXY SOLUTION

The Sox believe the acquisition of Smith will settle their long time problem at third base which wasn't solved even when they won the pennant.

Buschardt, who came along with Smith from Philadelphia in the Sievers deal, is being eyed as a starter to go along with Juan Pizarro, Ray Herbst and Frank Baumann.

Lopez feels the Sox will be a potent contender. If so, they will have to solve a lot of problems in spring training.

Their main pennant obstacle is the fact the Yankees are in the

AFL Leader Threatens Fines

Says Public Complaints Against Loop Officials Will Cost \$1,000

SAN DIEGO, Calif. (AP)—American Football League club owners, managers and coaches will be fined up to \$1,000 if they complain in public about official action, Commissioner Joe Foss says.

He said Monday night he would fine Sid Gillman, San Diego Chargers coach, for grinning publicly about officials in the championship game but added:

"If they complain in the press or at booster club meetings in the future, I'll give 'em the ax."

Foss said he told the unhappy AFL representatives to take their gripes to the league office.

TOP OFFICIALS

Foss said he told them the officials are "the best money can buy."

Foss said he would quit if owners followed the suggestion of Harry Wiserner, New York Giants president, to move the league office from Dallas to New York. He said the office could be run as well elsewhere, but for personal reasons he would not leave Dallas.

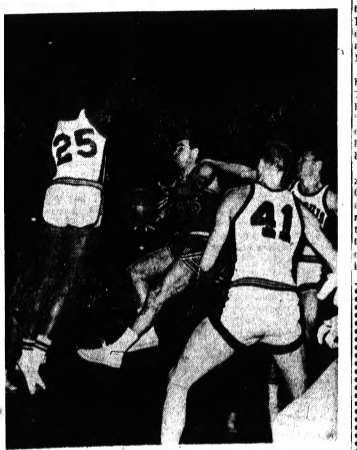

Foss said today's sessions could bring up the league office subject and a feud between him and Wiserner. Each has said the other should be removed from the league.

Airway Lanes Keglers Defeat West Side

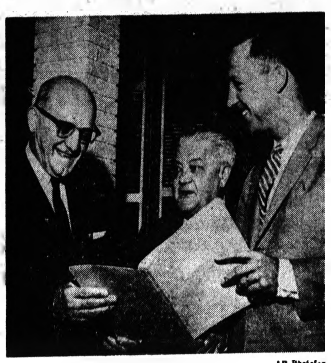

Airway Lanes handed West Side a 58-pin beating in a local battle of establishment bowling teams Sunday.

Karl VanDerHorst of the winners paced the individuals with 50. Dick Carmichael of West Side followed at 56. "Cyde" Bogdan of Airway hit 218 for high game.

The teams meet again this weekend at West Side.

BALL GETS AWAY—The ball rolls off the fingers of Luis Arato (25) of Tulsa, who is closely guarded by three St. Louis University players, as he goes in for a shot. Defending are Donnell Reid (12), Gary Gurnham and Steve Luchefeld. St. Louis won the Missouri Valley contest, 81-59.

NEW CONTRACT—National Football League commissioner Pete Rozelle (right) was reelected to a five-year contract Monday. Going over the league business with Rozelle are George Halas (left) owner and coach of the Chicago Bears, and Joe Donahue, executive vice president of the Philadelphia Eagles.

Re-elected Rozelle Says NFL Attendance Highest

MIAMI BEACH, Fla. (AP)—Booming National Football League attendance hit a record high of 3,986,159 in 1961 with an average crowd of 40,675 at each of 98 regular season games.

"We are enthusiastic about the general balance of our attendance," said Commissioner Pete Rozelle, who was re-elected Monday for a new five-year term at \$50,000 a year.

From 1952 to 1959, Los Angeles has been successful with big crowds of 70,000 and 75,000 accounting for a good share of our attendance. Although the Rams did not playing their biggest stadium in the league to full capacity, our attendance still went up. That is a healthy trend. We are sorry we missed by only 14 thousand from hitting the 4 million mark.

After negotiating a single net for CBS television deal calling for \$3 million plus over a two-year period, Rozelle suffered a setback last summer when a federal judge ruled the pact in violation of antitrust laws. Rozelle then led a battle that ended in congressional action approving single network deals for pro football, basketball, baseball and hockey.

"We may expand in the next few years," said Rozelle. "Right now we have no immediate plans for adding clubs. We want to get the Dallas and Minnesota franchises well off the ground first. The new stadium at Washington has been the big plus of the last two years. New parks in St. Louis and Pittsburgh by 1963 or 1965 are two important keys to the future."

SAVE LIMIT

The NFL turned down a proposal to increase the player limit from 33 to 38 men with six clubs reported voting against the increase. Twelve votes were needed. It also rejected a suggestion to set up an injured player reserve list.

The trading ban was extended to the period before the fifth game instead of the third game and the clubs again were given permission to use players in military service with the consent of the NFL players, however, must be on the original 36-man active list.

The owners heard a brief discussion of the various pay TV systems. Joe Rozelle called it a "discussion of a less educational report."

A progress report on the \$10 million civil antitrust suit filed in 1960 by the rival American Football League, will be heard today or Wednesday. The suit is scheduled to be heard Feb. 13 at Baltimore.

The player requests of the players' association also will be discussed before the meeting ends Wednesday.

City Hockey State Resumes Tonight

Two National League games are scheduled tonight at Northdale Park in the Pontiac Parks and Recreation Department's annual hockey program.

Standard Force meets the Boys Club in the opener at 6:30 p. m., followed by an 8 o'clock game between Brayton and the Pontiac Optimists.

A pair of American League games are slated Thursday at Northdale. The Standard Force meets Dallas Tool in the 6:30 opener with Pontiac Central's Indians playing the Mountain View Lancers at 8 p. m.

The National League is for skaters from 13 through 15 years of age while the American league consists of boys 16-18 years old. Charlie Irish is league director.

Seek Delay in Investigation NCAA Hopes to Settle Feud With A.A.U.

Byers Claims Check by Federal Group Could be Last Resort

CHICAGO (AP)—The National Collegiate Athletic Association has urged the White House to hold off a possible federal investigation of its power struggle with the national A.A.U. until "all avenues of negotiations are exhausted."

Executive Director Walter Byers said today.

"The report I gave to White House representatives was that I, personally, felt that intervention by the federal government, from either the executive or legislative branches, could come as a last resort," Byers told The Associated Press.

"If it develops that a reasonable solution to these difficulties cannot be obtained, then I am sure the federal government will be forced to intervene," Byers said.

BIG FEUD

Byers' confirmation to the Oakland Tribune's report that President Kennedy has been urged by several West Coast senators came in the wake of another step in the NCAA-AAU fight, this one involving track and field.

Opening the week-long run of the NCAA convention, Byers announced Monday that the NCAA has been petitioned by track coaches to take the lead in formation of a U.S. track and field federation that would greatly reduce AAU influence in the sport.

A similar federation has been proposed in the NCAA in basketball. In the continuing struggle over representation to the international bodies in both sports.

In petition to the NCAA, the National Collegiate Athletic Association—headed by Coach Werner of Penn State—said:

"There is widespread discontent among athletes, coaches and administrative organizations with the policy making and general conduct of affairs concerning track and field athletics in the United States, especially in regard to international matters."

"It is the conviction of the association that national track and field matters should be determined by representative thinking and voting, rather than by AAU dictate."

NEW FEDERATION

The proposed federation would be composed of representatives of the NCAA, AAU, armed forces and high schools. A similar federation in which the YMCA would be included has been proposed by the NCAA in basketball.

If the struggle can be settled among the two groups, the international organizations in the respective sports would hold the final authority.

Byers indicated there would be at least one more meeting with AAU representatives, possibly before the end of the month. Four previous meetings have proved fruitless.

The policy-making Council of the NCAA begins its meetings today while sessions of the Association of Baseball Coaches continue in Williams, former Boston Red Sox slugger, will return to the baseball coaches today.

This time's hitting of course.

Huskie Matmen Face Hazel Park Tonight at PNH

Pontiac Northern, unbeaten in these dual contests, will be underdog tonight as host to strong Hazel Park.

The Parkers were champions of a big area tournament last month with the Huskies also turning in a strong performance.

Berkley will be in action tonight at Royal Oak Densetsu. The Bears will enter on Northern Thursday night when the Inter Lakes League has another full schedule.

Regular Status for Meetings

Special Sessions Are Abolished by Council in Southfield

SOUTHFIELD—Starting next Monday every council meeting will be a regular session. The resolution to abolish special meetings was made by Council President C. Hugh Dooley at last night's meeting.

The purpose of the action, he said, is to speed up the work of the City Council.

Up to now there have been two regular and two special meetings a month. According to the charter no important decisions are to be made at a special meeting.

In other business, council ordered Mayor S. James Clarkson's veto of the Hudson-Wood Realty Co. storm drain project.

The firm wants to construct a storm sewer under the proposed Northeastern Highway.

The company is willing to construct and temporarily finance the drain if it can be built immediately. Council gave its approval to the plan in December.

Clarkson disapproves of the building of the drain at this time until the council decides how it will be financed when the city takes over its responsibility for the facility.

No action was taken on the mayor's veto of the purchasing of paper tubing from the O'Connell Supply Co. of Dearborn. A lower bid came from a Minnesota firm which Clarkson feels council should have accepted.

Retiring commander Eugene Allan said state grand lodge officers will be on the installing team for the lodge here while past chiefs of the Michigan Temple will officiate at the auxiliary installation.

Mrs. Charles Lennon is the most excellent chief of the auxiliary.

Other Mizpah officers are Mrs. Reim Prentiss, excellent senior; Mrs. George Gibson, excellent junior; Mrs. Claude Wiley, manager; Mrs. Kenneth Goding, professor; Mrs. Milton Probert, township planning; Deibel will assume his new position officially Feb. 12.

In other business, the newly established nine-member commission will discuss the final approval for Vista Vista Subdivision plan. Preliminary approval had been made prior to the existence of the planning commission.

ATTENTION, BUSINESSMEN!

Put science in your production. Concentrate your sales efforts on the economic group most likely to buy your product.

Manager at Simms Resting in Hospital

Benjamin Roman, merchandising manager of Simms Brothers, Inc., Pontiac, was in satisfactory condition at William Beaumont Hospital today after he was found slumped over the wheel of his car yesterday morning in Pleasant Ridge.

A hospital spokesman said yesterday that Roman was brought to the hospital at about 5 a.m. with internal bleeding.

The ambulance run was made by the Ferndale Fire Department after a call from Pleasant Ridge police who found Roman at Ridge Road and Kilmorton Road about 7 a.m.

Roman had been on his way to Detroit on business, his office reported. He resides at 109 E. Troop Road.

Pythias Lodge, Auxiliary Will Install Tonight

George Gleason will be installed as chancellor commander of Knights of Pythias Lodge No. 271 in a ceremony tonight at the lodge hall, 962 Voorhees Road.

The ceremony at 8 will be a joint event. The lodge's auxiliary, Knights of the Pythian Sisters, also will install officers.

Other lodge officers are Reine Perko, vice chancellor; Dale Payne, prelate; Joseph Fleming, master of work; Ray Harbington, secretary; Frank Kuchum, financial secretary; Russell Hunt, treasurer; Thomas Kretz, master at arms; John Anderson, master guard; and Alan Leach, inner guard.

Retiring commander Eugene Allan said state grand lodge officers will be on the installing team for the lodge here while past chiefs of the Michigan Temple will officiate at the auxiliary installation.

Mrs. Charles Lennon is the most excellent chief of the auxiliary.

Other Mizpah officers are Mrs. Reim Prentiss, excellent senior; Mrs. George Gibson, excellent junior; Mrs. Claude Wiley, manager; Mrs. Kenneth Goding, professor; Mrs. Milton Probert, township planning; Deibel will assume his new position officially Feb. 12.

In other business, the newly established nine-member commission will discuss the final approval for Vista Vista Subdivision plan. Preliminary approval had been made prior to the existence of the planning commission.

San Francisco (AP) — Dr. Karl Anton Mueller, Jr., assistant bishop of the Moravian Church in America, died Monday.

A native of Bohemia, Dr. Mueller was elevated to the bishopric in Westport, Wis.

There were 2,200 daily newspapers published in the U.S. in 1960.

STATE OF MICHIGAN IN PROBATE COURT for the County of Oakland.

In the matter of the petition concerning the estate of Mrs. Mary Ann Mueller, widow of the late Karl Anton Mueller, Jr., deceased.

It being impractical to make personal service hereof, the summons and notice are hereby published in the Oakland County Free Press, a newspaper of general circulation, on the 25th day of January, 1962, at 4:00 p.m. to which said notice was previously to said hearing in the County of Oakland, Michigan.

Manager at Simms Resting in Hospital

Benjamin Roman, merchandising manager of Simms Brothers, Inc., Pontiac, was in satisfactory condition at William Beaumont Hospital today after he was found slumped over the wheel of his car yesterday morning in Pleasant Ridge.

A hospital spokesman said yesterday that Roman was brought to the hospital at about 5 a.m. with internal bleeding.

The ambulance run was made by the Ferndale Fire Department after a call from Pleasant Ridge police who found Roman at Ridge Road and Kilmorton Road about 7 a.m.

Roman had been on his way to Detroit on business, his office reported. He resides at 109 E. Troop Road.

Who Has A Basket
Full of Ideas
For You!

We're happy to introduce to you the nationally-known cooking school lecturer who'll be your hostess at the four big sessions of "Galaxy of Foods" Cooking School. She'll be giving you the latest information on many subjects, family-pleasing recipes, and a host of time and money-saving ideas on food preparations. We know you're going to want to take advantage of the many cookery ideas she's gathered in her travels across the nation. And we're sure you'll enjoy every minute with her!

Goat Gets Nippy With Snowman

LET GO — That's what the snowman might be saying — if a snowman could talk — to the pet goat which decided on a carrot nose for a nibble. The goat belongs to Jean Allen, a Tulsa Tribune photographer, whose children grabbed her camera and shot this picture. The snowman was preserved by cold weather from a snowstorm which hit Oklahoma Friday.

Mac and Adenauer Seek Berlin Answer

BONN, Germany (AP)—British Prime Minister Harold Macmillan met with Chancellor Konrad Adenauer today.

Informants said they would discuss a new U.S.-British proposal for an East-West standoff agreement to take the heat off the Berlin crisis.

Macmillan and the West German chancellor opened the first of several sessions in their day-long talks with only interpreters present.

Their foreign ministers and other aides were to join them for lunch and an afternoon meeting.

No agenda was set, but Macmillan and Adenauer were expected to take up the British December meeting with President Kennedy in Bermuda. Britain's negotiations to enter the six-nation European Common Market, and Adenauer's desire that the Bonn government offer some of the \$100-million annual maintenance cost of the 31,000-man British Army of the Rhine.

JFK Determined to Avoid Steel Strike, Stockpiling

By NORMAN WALKER
Associated Press Staff Writer

WASHINGTON — President Kennedy's administration not only is firmly determined to do everything possible to avoid a midyear steel strike but it will actively discourage advance steel stockpiling.

It was learned today on high authority that the administration has decided to ride close herd on the upcoming steel contract negotiations and will have no reluctance about entering the talks if that becomes necessary.

News Flashes

(CHICAGO AP) — An Illinois Central railroad passenger train was derailed near Aurora, Ill., today and the engineer and two other men were trapped in the wreckage.

FT. HOOD, Tex. (U) — A tank and a truck collided at Ft. Hood today and a resultant explosion killed four soldiers and injured 19 others, it was learned.

Soviets Protest Air Violation

Reds to Free Jetliner

MOSCOW (AP) — The Soviet government agreed today to release a Belgian airliner forced down Monday, but protested it had violated Soviet air space.

Sabena Air Lines said the plane, with 27 persons aboard, landed at Yerevan, Armenia, just inside the Soviet border. But the Russians insisted it landed at Grozny, 275 miles north of the border.

First Deputy Foreign Minister Vasily V. Kuznetsov told Belgian Ambassador Hippolyte Coles that all passengers and crewmen are safe and staying at a hotel in Grozny.

Kuznetsov delivered a routine formal protest about the violation of Soviet air space by the Caravelle jetliner.

Kuznetsov referred to 18 passengers and a

crew of 8. But Sabena, owner of the airliner, had said there were 19 passengers and 8 crew members. Three passengers are Americans.

REPORTED AS GERMANS

In Tehran, a U.S. embassy spokesman said two passengers, Mr. and Mrs. Charles Welmer, first reported to be Germans, are Americans from New York City. Welmer is an engineer with a construction firm in Iran, and he and his wife, Maria, were being transferred to Tunis.

The third American is Fred Holden, bound for Athens from the Far East. His home address was not immediately available.

Other passengers were Belgians, Germans, South Africans, Lebanese and Greeks.

Kuznetsov said instructions had been

sent to Grozny to release the airliner as soon as technical details can be taken care of. These details will be worked out between Sabena and the Russian airline Aeroflot.

T. H. Thoye of Sabena will fly to Grozny tonight.

There was no further word on how the plane, en route from Tehran to Istanbul, strayed so far off its course. Nor was there any word on just how it was forced down.

Grozny is a big oil center 275 miles north of the Iranian border and is in the Russian Federated Republic. Earlier reports had said the plane landed in Soviet Armenia.

The plane landed after radioing that it was being pursued by Soviet MIG jet fighters.

First U.S. Cash Ready for City Renewal Work

\$607,499 Grant Will Pay Part of Bank Loan; Progress Good

Pontiac will get its first payments of federal aid for urban renewal sometime this week.

A \$607,499 capital grant and \$12,327 relocation grant have been approved by the Housing and Home Finance Agency (HHFA) in Chicago, and are in the mail.

City administrators and urban renewal officials were notified late Monday by HHFA officials that the grants had been approved and are on the way.

This represents the first actual grant Pontiac has received for its first urban renewal project, R-34, since the program began.

"This is a big step in our urban renewal program," said City Manager Robert A. Stierer. "It is a definite sign that we are making good progress and that the federal officials are satisfied with the manner in which the project is moving along."

"More specifically, the grants should enable us to meet expenses over the next six months."

Stierer said, "From now on we should begin to take in more money from grants and property sales. Until now we've been burning and spending," Stierer said.

The city applied for the grants last October. The \$607,499 will be used to retire part of a loan from the Federal Housing Administration.

"This brings us to a high point in our spending and borrowing," Stierer said. "From now on we should begin to take in more money from grants and property sales. Until now we've been burning and spending," Stierer said.

Press Cooking School Starts January 23 at Central High

The Pontiac Press' third annual cooking school will open Tuesday afternoon, Jan. 23 in the auditorium of Pontiac Central High School.

Titled "Galaxy of Foods," the 1962 school will run through Friday, Jan. 26. Two home economists, Mary Metag and Anne Stetzel from the National Livestock and Meat Board will conduct actual cooking demonstrations of some 40 different dishes.

Prizes will be awarded at each session of the school with the

grand prizes of both an electric and a gas range being given on the final day.

Admission to "Galaxy of Foods" is free. Pontiac area homemakers will be able to obtain tickets later this week.

On Monday, Jan. 22, the Press will publish a special tabloid cookbook section which will feature recipes of local cooks and new recipes from national test kitchens.

A coupon for enrollment is found on page two today

Russians Seem to Be Unable to Locate Molotov

MOSCOW (U) — Where is Vyacheslav Molotov?

That was the question in Moscow today, 24 hours after the Foreign Ministry announced he had returned to his post as Soviet representative on the International Atomic Energy Commission in Vienna.

The doubly old Stalinald, former foreign minister, has not yet been registered as entering Austria.

Monday, the Foreign Ministry said he had left but today the Ministry had two different versions.

1. That he would leave this country Friday on Saturday.

2. That his departure date was a matter that needed investigation and "call back tomorrow."

Echo to Get Here Early

The Echo I satellite will appear in the Pontiac area at 5:09 a.m. Wednesday.

It will arrive from the north, 79 to 86 degrees above the horizon, moving in a southeasterly direction.

Two-Day Dairy Strike Ends; Pay Hike Granted

DETROIT (U)—Bargaining teams for 10 major Detroit dairies and striking workers of United Dairy Workers Local 83 today reached an agreement to end Detroit's two-day milk strike.

Union President Frank W. Litz said the agreement is subject to ratification by the strikers at a noon meeting. Litz said the agreement came at 7:45 a.m.

The negotiators said the agreement provides for improved wage benefits and cost-of-living wage increases.

The agreement came after around the clock bargaining which began at 1 p.m. Monday. Federal and state mediators aided negotiators.

Detroit's milk supply continued to dwindle, unsalable, with the Board of Education announcing milk would be eliminated from the lunch program in public schools until the strike ends.

The strike began at midnight Sunday when a 30-day extension of the Dairy Workers' Union two-year contract with the association expired.

A total of approximately 1,500 workers at nine dairy companies were affected by the strike. They included about 500 plant employees and some 600 drivers who own their own milk routes.

Litz said the biggest dispute centered on hospitalization and pension plans.

Quads to Share Birthday at School

BAKE CAKES FOR PARTY — Oakland County's Rosebush quadruplets will be 11 years old tomorrow. Left to right, Kelli, Kenny, Kristine and Krystal start work on two cakes which they'll share with their 5th grade class at the Thomas School, Oxford Township. The boys, who have just joined a new boy scout troop at the school, insisted on the two-cake system. They are the children of Mr. and Mrs. Kenneth F. Rosebush of 3043 Baldwin Road, Oakwood.

Mercury to Hit From 4 to 8 Above Tonight

Frequent periods of snow flurries are forecast for the Pontiac area tonight and Wednesday but temperatures will be a little warmer the weatherman said. Tonight's low will dip by a few degrees below zero, a bone-chilling low.

The mercury is expected to register 15 to 20 Wednesday and a few degrees warmer on Thursday when more snow flurries are predicted.

Morning temperatures will be in the 20s but will become subzero by 10 to 15 m.p.h. late today.

Two above was the lowest recorded in downtown Pontiac preceding 8 a.m. The reading at 1 p.m. was 6.

4 Die in Air Crash

MANILA (U) — A U.S. Navy sky raider attack plane crashed after take-off from Subic Point Air Station today. All four crewmen were killed, the Navy said.

City May Okay Buying Site for a Water Plant

Stierer to Request Authority to Close Deal on 27-Acre Plot

The city may take a big step toward buying a site for its new water plant at tonight's City Commission meeting.

Commissioners will be asked to authorize City Manager Robert A. Stierer to close a deal for the purchase of a 27-acre plot at Opdyke Road and South Boulevard from General Motors Corp.

Price of the land is \$85,000. The property is currently owned by GMC Truck & Coach Division.

It lies directly east of the GMTC warehouse (fronting on Opdyke) and would take in part of the division's athletic field.

CALLED IDEAL SITE

City administrators have been negotiating with the Argonaut Realty Division of GMC for several months. The property had been recommended by the city's consulting engineers as an ideal site for the new plant and pumping facilities.

The site would house the pumping plant, two ground level storage tanks of 5 million gallons capacity each, a garage and storage facilities.

Without the plant, Pontiac cannot use Detroit water. The water will be pumped from the plant through the city's water system.

OTHER AGENDA ITEMS

In other business, commissioners will be asked to okay resolutions authorizing purchase of furniture and equipment for the new central fire station and formally establish the city's Youth Assistance Department already in existence.

Commissioners will receive four reports and recommendations from the city planning commission and one from City Clerk Olga Barkeley establishing a board for counting of absentee ballots in the spring election.

Commissioners will also be asked to make a decision on whether the city should allow dancing in establishments licensed to serve liquor by the glass.

Seeks Decision on Candidates

Romney Urges Con-Con Ruling on Delegates Running for Office

LANSING (U) — George Romney, potential Republican candidate for governor, wants the constitutional convention to make up its mind on the issue of delegates running for state office.

Speaking before the rules and resolutions committee last night, Romney promised that he would not allow his decision on whether he will seek the nomination to interfere with his duties as a delegate.

Romney, president of American Motors Corp., has set Feb. 18 as the deadline for his announcement.

"Should I announce my candidacy, I will not campaign for office as long as the convention is in session," he declared.

'JFK's Program Will Be Passed'

WASHINGTON — The Democratic leadership of Congress predicted today that the bulk of President Kennedy's heavy legislative program will be passed in the new session starting Wednesday.

The House majority leader and speaker-to-be, Rep. John W. McCormack, D-Mass., told reporters after a White House breakfast party that the President scored a "tremendous record last year."

"I have every confidence that Congress will enact into law the greater part of the President's program," he added.

M McCormack was speaking of the domestic side of the administration's want list.

That program includes tax re-

Laotians Resist U.S. Pressure

Rightist Prince Terms Push to Join Coalition 'Intolerable'

VIENTIANE, Laos (AP) — Prince Bouan Oum, righting Laotian government minister, termed American pressure to make it join a coalition regime "intolerable" and said the Lao people would rather tighten their belts than yield.

The United States postponed delivery of its monthly aid to the government without the annual U.S. aid of \$10 million.

The government's hard line appeared, however, to cast doubt on prospects for next week at the proposed Geneva meeting of the three powers even if Bouan agrees to attend.

ARMY DEPENDENT

The government has no chance of maintaining its 70,000-man army and running the government without the annual U.S. aid of \$10 million.

The government's hard line appeared, however, to cast doubt on prospects for next week at the proposed Geneva meeting of the three powers even if Bouan agrees to attend.

Heavy Snowstorm Moves Eastward

Bitter Cold Chills Colorado, Wyoming

By The Associated Press

Party Would Oust Gizenga; Congo to Force Showdown

LEOPOLDVILLE, the Congo — Felix Kimbwe, vice president of the Congo, today said he would lead a party to force a showdown to oust Gizenga from an active role in the Congolese government.

Sukarno Weighs Issue

To Decide on Irian Soon

JAKARTA, Indonesia (AP) — Indonesian Foreign Minister Subandrio today said President Sukarno will decide the question of war or peace over Dutch-occupied West New Guinea "within a week or 10 days."

Subandrio blamed the "vague attitude of the Dutch" for the current situation. He said Sukarno would decide the question of war or peace over Dutch-occupied West New Guinea "within a week or 10 days."

SEVERAL ARRESTED

The Indonesian president returned today to his capital from a four-day tour of the South Celebes four islands. Cal Yau, the military commander there, assured Sukarno before he left Makassar that he would leave no stone unturned in apprehending those responsible for the assassination attempt. Several suspects have been arrested.

HALF-FOOT OF SNOW

More than a half foot of snow fell in Western Kansas, Tribune reported 7 inches, Garden City 6 and Dodge City 3.

11 Degrees Warmest in State

By The Associated Press

Warmer temperatures gripped Michigan today and a snow squall was reported in at least one area. Snow was the warmest spot in the state this morning with a reading of 11 degrees. Temperatures elsewhere ranged from 2 above zero in Marquette to 25 above in Detroit.

South-Viet Nam to Boost Army

Plan Increase in Size to 200,000 Soldiers With U.S. Aid

WASHINGTON (AP) — South-Viet Nam is acting to increase its regular army from 170,000 to 200,000 with the help of U.S. military aid.

U.S. officials said that the guerrilla war appears to be growing in intensity there, killing and wounding 400 non-Communists a week.

State Department officials in disclosing the army build-up plan said the additional costs would be borne by both South Viet Nam and the United States through a new financial reform program.

U.S. officials estimate that Communist North Viet Nam has 300,000 to 350,000 men under arms.

In the past year guerrilla activity by the Communist Viet Cong rebels more than doubled, according to W. Averell Harriman, assistant secretary of state. The number of Viet Cong operating in South Viet Nam is estimated at 18,000 or more. U.S. officials said there has been a sharp increase in violent incidents in recent months.

In addition to the regular army in South Viet Nam there are approximately 100,000 Viet Cong guerrilla units who are still largely ill-equipped and poorly trained.

There have been reports the Viet Cong has been captured by the army and lack adequate compensation for the dependents of casualties.

Detroit CD Experts Shake Salt Mine Idea

By JOEY BARBOUR
AP Science Writer

DETROIT — Looking for a place to hide from the fire, blast and burning dust of a 50-megaton nuclear bomb?

Consider this: A gigantic hotel, more than 1,300 feet underground, that could house 1.25 million people and give them more than adequate protection against nuclear attack.

It isn't some engineering dream. It actually exists. An enormous underground cavity with connected rooms 60-feet wide and ceilings 225 feet high, a firm, even floor and big enough for trunks and jacks to drive in.

It has one curious drawback. The two small elevators that service this cavity can carry only six men and 8½ tons of freight at a time.

For this is a salt mine, located under the Detroit suburb of Melvindale, and its net area is more than 15 million square feet.

Civil defense authorities, looking for fallout shelters for Detroit-area people, ordered an engineering survey of the mine and a plan was offered in 1958.

Engineers wanted to build great sloping underground ramps, something like subway tracks for walking. These could transport 7,000 Detroiters a minute into the safety of the mine.

The cost for conversion of the mine into an emergency city 3220 million, or \$20 for each of the persons sheltered.

FOR 90-DAY STAY

This would provide emergency housing, laundry, water, power and hospital facilities for a 90-day underground stay.

The temperature year around averages 56 to 58 degrees. That's a little warmer than an average July in Juneau, Alaska, and a little cooler than an average July in San Francisco. Humidity runs about 70 per cent. There is no sunlight.

Detroit civil defense officials say they once asked federal authorities about the idea, but were told there were no funds available. Now, with a hard-headed second look, they think it wouldn't work anyway.

With only half an hour warning of nuclear attack, they say there would not be enough time to transport people to safety. They envision traffic jams and parking problems as residents of the Motor City pour into the western subway entrances to the mine.

Now, still without money for shelters, Detroit civil defense men would rather settle on two other plans. In one, they would use playgrounds of city schools, build shelters, then replace the playgrounds. These community shelters would be closer to the people they serve.

They would also like to adopt a long-range sewer project into an emergency shelter plan. This sewer, running under city thoroughfares, would bring shelterers close to the city.

HOTEL, OR SHELTER?

Still the idea of complete shelter

in a sort of underground Grand Hotel, might sound better than the idea of shelter in a sewer.

About the mine there is salt and sandstone beds, then thin layers of limestone and gypsum, a thin layer of salt, and then alternating layers of salt and limestone. The mine, an operation of the International Salt Co., is still producing industrial salt.

Engineers who had considered the mine as a possible shelter said it would eventually provide 21.5 million square feet.

In this, they would have built 50 dormitory units and 11 utility areas to provide the essential services.

They also warned that the danger existed that the mine might be used for garbage and refuse storage by the City of Dearborn and the Ford Motor Co. This, they said, would destroy the mine's possibilities for shelter.

But now that civil defense fever has cooled to the use of the mine as a shelter, mine officials are looking for other plans. They refuse to talk about them, however.

As for the men who work the mine, they are probably better protected against the hazards of nuclear attack than they would be in some distant Pacific isle.

Auto Makers Are Aiming at Best Year Since '55

DETROIT (AP) — The auto makers are off in full swing in the 1962 production race. Their sights are set on the biggest output for the industry since record 1955.

The giants — General Motors and Ford — started a fast pace last week, each scheduling more than 400 plants to make up some of the production lost on New Year's Day.

The auto plants are expected to regain the production levels this week with approximately half the industry's assembly facilities on overtime.

The December output totaled 627,201 and the January total may well reach 670,000 passenger cars.

122,000 UNITS BUILT

Last week's car production was estimated at 122,000 units, compared with 105,522 in the final week of 1961 and 74,301 in opening week of 1962.

Russia Working on Automatic, Crewless Ship

NEW YORK (AP) — The Soviet Union is now experimenting with a completely crewless tanker for operation on the Caspian Sea, Maritime Administration, Alexander W. Alexander said Monday night.

Alexander, speaking before the Marine Society of New York, said the Soviet tanker, Indevna, a Pushkin, a shallow draft vessel, is now being converted for fully automated operation.

It will make extensive voyages on the open sea without any crew, being shore-controlled over great distances," he added.

Alexander said the Soviet Union also is building the first two of a series of 4,000-ton automated tankers, on which a single crewman can operate turbines and boilers and machinery can be controlled from the bridge.

Son Urges Governor to Veto School Proposal

ATLANTA, Ga. (AP) — Gov. Ernest Vandiver says a proposal to hold public school classes 12 months a year is very preposterous and he hopes legislative committees will give it thorough study.

But, he added at a news conference Monday, "My 12-year-old son has very passionately requested that I veto that piece of legislation."

Will Attend Clinic

CHICAGO (AP) — Larry Hickley, 17, of Fairgrove, Mich., has been selected to attend the three-day grain marketing clinic and tour the Chicago Board of Trade. The clinic opens Tuesday. Hickley is one of the winners of 141 club youth marketing projects from 12 states.

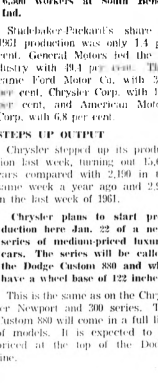

Swordfish, including marlines, are unrivaled for speed among fish, sometimes swimming as fast as 37 miles an hour.

Cattle, 3400 lbs.	22.00
Cattle, 3600 lbs.	23.00
Cattle, 3800 lbs.	24.00
Cattle, 4000 lbs.	25.00

Stocks Rally in Heavy Trade

NEW YORK (AP) — The stock market rallied early today from its steep 1962 decline. Trading was heavy. Gains of key stocks were generally from fractions to about 1 point. Some of the higher-priced issues did better. International Business Machines, which has lost considerable ground, rebounded 10 points. Amergas rebounded 3 1/2 to 113 on a block of 1,500 shares. Ford regained more than 2 points of gain.

Bond Prices Mostly Firm

NEW YORK (AP) — Bond prices were mostly steady at the start of trading today. A few small gains were seen in the U.S. government and corporate lists. Activity was light as the market concentrated on the treasury's sale of \$2 billion in new bonds to raise \$500 million in new cash.

The New York Stock Exchange

Stock	Price
IBM	113.00
Ford	113.00
Amergas	113.00
International Business Machines	113.00
General Electric	113.00
Westinghouse	113.00
Rockwell International	113.00
Rockwell International	113.00
Rockwell International	113.00
Rockwell International	113.00

AMC Officers Take Pay Cuts

Executives' Bonuses Are Reduced by Almost \$500,000 in '61

DETROIT (AP) — Officers of American Motors Corp. took a pay cut of almost \$500,000 in the year ended Sept. 30. The company's proxy statement showed today.

Will Ask Board to Fight Reinstatement of Teacher

The Pontiac Board of Education will be asked to fight a reinstatement of Mrs. Isa M. Vogel, who was ousted in 1960 from teaching in a Pontiac elementary school.

Chrysler Lays Off 2,600 Hourly Men

DETROIT (AP) — Chrysler, cutting production, has laid off 2,600 hourly workers in four plants, including two Detroit plants.

Telegraph Road Motel Purchased by C. E. Whitney

Purchase of the St. Christopher Motel on Long Lake and Telegraph roads in Bloomfield Hills was announced today by Mr. and Mrs. Charles L. Whitney of Beverly Hills.

Divco Corp. Walkout Ends With 3-Year Pact

WARREN (AP) — The three-month-old strike of 22 workers at Divco Corp., trucks and parts manufacturer, ended Monday.

Savings and Loan to Pay Dividend of 4 Per Cent

The First Federal Savings and Loan Assn. of Oakland will pay a 4 per cent dividend on its common stock.

Wall Street Chatter

NEW YORK (UPI) — The market, admittedly, is at a maturer stage, says Alexander Hamilton Institute, but with business volume definitely increasing, it sees little likelihood of a severe recession.

Amex Will Study Report by SEC

NEW YORK (UPI) — The chairman of the American stock exchange says the exchange will study a report by the Securities and Exchange Commission (SEC) last Friday would be given "serious attention."

Flies NYC to London in 5 Hours 15 Minutes

LONDON (AP) — A Trans-World Airlines Boeing 707 jet sped across the Atlantic Ocean from New York to London today in 5 hours 15 minutes. TWA said it was a record for civil planes — 4 minutes faster than the mark set by a TWA 707 in July 1961.

Bugs Baer, 76 Young, Still Full of Quips

By BOB CONSIDINE

NEW YORK — Bugs Baer is 76 years young on Wednesday. Congress ought to strike him a special gold medal, but it is afraid that he might bite it. Bugs has never been one to accept a fact on its face.

He was born with Philadelphia's

first set of X-ray eyes, the better

to see through the fripperies and

trappings of man and events in the

hilarious core.

His birthday finds him in fine

health after a recent operation

sitting atop his tower of pure

walrus ivory near Stamford, Conn.

There, on a clear day, he can

see the ground, and all who pop

up.

He does not view with alarm

but feels he was right, 30 years

ago, when he wrote "Europe's a

place where they name a street

for you one day and chase you

down it the next." Happened

again last month, along East

Beeth's Stadelman.

The man's range of interests is

phenomenal. He's as hep to what

U Thant is up to as he was to

William Jennings Bryan. The

recent obituary on Ping Pong

noted that better than 40 years

ago, Bugs, observing Ping being

thrown out at second on an at-

tempted steal, wrote, "There was

larceny in his heart, but his feet

were honest."

Bugs is some understanding

ably smother lines to begin his

Christmas column, penned just be-

fore the operation:

"What kind of Christmas story

do you write when you are not

sure in me I don't need a

doctor. I need a switchboard

operator."

He doesn't plan to fight Patter-

son, however. "Owing to my ad-

vanced seniority I no longer take

part in expiring on the green

sward," he wrote to Bob McKel-

inade of King Features Syndicate

last summer, in accepting an

invitation to the syndicate's out-

ing. "The last time I completed in

the father-and-son olympics was in

1930 at the Friars outing."

"The contestants in the 100-yard

dash were Jim Corbett, Joe Mc-

Gurk, Saturday Night O'Brien,

Willie Collier, Steve Borden, Rub-

Goldberg and George M. Cohan.

I was winning footily but at 75

years I had to go behind a bush

and adjust my trim."

"You're until you hear dif-

ferent." Bugs.

As Witten, 35, was being brought

to court and returned to jail in

default of \$5,500 bond, his former

student companion on a trip to

Arizona, Ervin Hackett, 20, of

Ludington, was released to the

custody of his family.

Young Hackett was released

pending examination on a charge

of obtaining merchandise under

false pretenses.

The charges against both Witten

and Hackett were brought in

connection with an alleged bilking

of banks and businesses in Big

Rapids and Grand Rapids of \$22,

000 in goods and services from

last September to December.

The two disappeared Dec. 8 and

were arrested on Christmas Day

in Phoenix. Hackett has said he

knows nothing of any fraud.

Hackett's examination was post-

poned from Jan. 16 to Jan. 31.

Witten's examination on a \$250-

check charge also was postponed

from Jan. 16 to Jan. 31.

Witten appeared in justice court.

He will be arraigned Wednesday

in circuit court on the charge.

Conor O'Brien

to Wed Daughter

of Irish Official

NEW YORK (AP) — Conor

Crause O'Brien, who resigned

from the Irish foreign service

after being recalled from his

United Nations job in Katanga,

marries the daughter of a top

Irish official today. The time and

place were not disclosed.

O'Brien and Maive MacEntee,

daughter of Sean MacEntee, de-

puty prime minister of Ireland,

looked out a marriage in their

United States. Mr. O'Brien, 39,

has been in Ireland since 1957.

O'Brien, after his resignation,

said he was divorcing his wife

of 22 years to marry Miss Mac-

Entee. The marriage application

said O'Brien's Mexican divorce

became final Jan. 3.

They are Sen. Arthur A. De-

Loe's daughter, Rep. Carroll C.

Newton, R-Delton, and House

Speaker Don D. Pears, R-Hous-

ean.

Awards will be presented to

three others, spokesmen said, "for

outstanding service to the people

of Michigan and to the state's

agriculture."

They are Sen. Arthur A. De-
