Sen. McCarran Succumbs at 78 After Speaking

Lone-Wolf Nevada Dem Felled by Heart Block While Campaigning

HAWTHORNE, Nev. (AP)—Veteran Sen. Pat McCarran of Nevada, a lone wolf Democrat who battled national Democratic administrations most of his 22 years in Washington, died last night—brief moments after a vigorous speech aimed at strengthening his waning grip on state Democratic circles.

The 78-year-old lawmaker, fourth in Senate seniority, collapsed as he walked up an aisle surrounded by well-wishers following a Democratic rally in this western Nevada town.

Chattering and shaking hands, the white-haired McCarran suddenly felt to the floor of the civic center. He was pronounced dead 20 minutes later after two doctors had worked over him with a respirator.

Dr. E. F. Hanson, Mineral County health officer, said McCarran died of a coronary occlusion—a blocking of a blood vessel leading to the heart.

McCarran's death was the ninth of a senator in this session of Congress. The Republicans have 48 Senators, the Democrats 46 and one is independent, Wayne Morse of Oregon.

Republican Gov. Charles Russell, in Las Vegas on a campaign tour, would not discuss his choice for a successor, but presumably he will appoint a Republican.

Whether he will name a successor before the November election was a matter of speculation. The governor is running for a second term and many feel he will wait until after November.

"Nevada has lost a great citizen and a great statesman," was the governor's only comment.

The senator was regarded as too conservative by many of the younger elements of the party. It was the Roosevelt landslide of 1932 that catapulted McCarran into the Senate after an unsuccessful attempt in 1926.

The next 22 years were turbulent ones with McCarran often at daggers-point with the Roosevelt and (Continued on Page 2, Col. 4)

Auto Injuries Fatal to Farmington Man

Robert Hutchison, 29, of 32317 Eleven Mile Rd., Farmington, died early this morning in Pontiac General Hospital of injuries suffered when the car in which he was riding struck a tree Tuesday.

Authorities at the hospital said Robert Laurin, 22, of the same address, the driver, is in good condition.

The car apparently went out of control at Orchard Lake and Eleven Mile Rds., State Police of the Redford Post said. Hutchison suffered a fractured skull and Laurin severe head cuts.

Senator Dies

SEN. PAT MCCARRAN

Veteran Nevada senator, who served in the upper house of Congress for 22 years, Pat McCarran died last night at Hawthorne, Nev. a few moments after a vigorous speech aimed at strengthening his waning grip on state Democratic circles. He died of a heart ailment. Sen. McCarran was 78.

Ike's Atom Plan on U.N. Agenda

Peaceful Use Proposal Probably Will Be Third Item Taken-Up

UNITED NATIONS, N.Y. (AP)—U.N. sources indicated today the United States has succeeded in getting its atom-for-peace plan No. 3 billing in the General Assembly's main political committee, slated to begin work next week.

Present findings indicate, these sources said, that the U.S. plan will be taken up directly after two related issues of long standing—disarmament and collective security.

All three items are linked directly with President Eisenhower's plan for an "avenue of peace" before the Assembly last December, when he first presented his plan for an international atomic pool.

Two members of that subcommittee arrived in New York this week to take part in the forthcoming U.N. disarmament debate—France's Jules Moch and Russia's Jacob Malik.

Moch is expected to stump for a joint British-French proposal, endorsed by the United States and Canada, to ban the use of atomic and hydrogen weapons except in cases of aggression. Russia has branded this plan as a device to "legalize the use of atomic and hydrogen weapons under the pretext of using them in defense."

Russia stood on its demand for "simultaneous prohibition and control of atomic weapons." The Western powers have favored a system which would bring about reduction and control in stages, so the West can be sure the Soviets will abide by any inspection system set up.

New Twist on Queens

NEW YORK (INS)—Well, why not? The National Pretzel Bakers Institute announced today that on Saturday, Oct. 2, at Reading, Pa., prior to the "Pretzel Bowl" football game, "the girl with the most beautiful twist" will be selected. She'll be chosen from a corps of majorettes.

City Bus Riders Face 1.25-Cent Fare Increase

Cash Rate Will Remain Same, but Tokens to Be Sold Four for .55

Token-buying Pontiac bus riders face a cent-and-a-quarter fare hike, effective Friday, as the result of approval by the City Commission last night of a new operating permit with Pontiac City Lines, Inc.

Cash fare for adults will remain at 15 cents, but tokens will be sold at the rate of four for 55 cents, compared to the current two for 25 cents—boosting the token cost from 12.5 cents each to 13.75.

Children in the 6-12 age bracket will be charged 10 cents a ride, compared to the present nickel. School children will continue to pay 10-cent fares on school days.

The Commission authorized City Manager Walter K. Willman to issue the permit after Willman read bus line figures showing a loss of 15,000 passengers last month, the 12th straight month of passenger loss.

The bus company reportedly made a profit of \$49 in August.

In addition to the fare changes, the new one-year permit trims the percentage on the cost-income ratio by one point. The city's permit fee is based on this ratio.

Under the new agreement, if the bus company's expenses are greater than 92.5 per cent of its gross income, the city will not get its fee of 2 per cent of gross revenue.

Formerly, the city received its fee if expenses were not greater than 92.5 per cent of income.

"We can't worry too much about fees," Willman commented. "We want to keep the bus line here in the face of declining revenues."

3 Strike Bosses Start Sentences

500 Noisy Pickets Jam Square D. as Leaders Go to Jail for 30 Days

DETROIT (AP)—More than 500 noisy pickets appeared at the Square D Co. strike scene today as three of their leaders began 30-day jail terms for "soliciting or inciting" mass picketing in violation of a court injunction.

There was no violence, however, as workers participating in a company-sponsored back-to-work movement to break the 107-day strike crossed picket lines. The company said 409 reported; the union said there were less than that.

The Independent United Electrical Workers called out their 1,300 Square D Workers last June 15.

Denying a stay, Circuit Judge Frank B. Ferguson handed down the sentences and \$250 fines yesterday for contempt of his order (Continued on Page 2, Col. 7)

Taken by Death

ANNA M. NUSBAUMER

Friend to Many Dies of Stroke

Anna Nusbaumer Gave Many Years in Service to Civic Groups

Anna M. Nusbaumer, widely known in the city for her long service in social work, died this morning in St. Joseph Mercy Hospital. She was 86 years of age, and had been in the hospital two days, after suffering a stroke Sunday noon.

Miss Nusbaumer was a member of St. Michael Altar Society, the League of Catholic Women and the Business & Professional Women's Club, of which she was a charter member. She was perhaps most widely known for her long service with the League of Catholic Women, of which she was executive secretary and a past president. Her work with girls who needed a helping hand, through the Frances Club, won outstanding praise from civic leaders.

In 1945, Girl Scouts paid her special honor for 25 years of service to that organization. Earlier in her life, she was bookkeeper at the H. H. Thatcher Insurance Agency and the Cloonan Drug Store.

A native of Pontiac, she attended schools here, and was a member of St. Michael Catholic Church. Her home was at 340 N. Saginaw St. Her parents were Joseph and Bernadine Wendler Nusbaumer.

Surviving are two sisters, Clara and Mary Nusbaumer.

Rosary will be recited at her home at 8 p.m. Friday. Funeral service will be at 9 a.m. Saturday at the St. Michael Church, and burial will be in Mt. Hope Cemetery.

Funeral arrangements are by Brack-Smith Funeral Home, and the body will be at her home until time for the service.

Find Pontiac Man Guilty on Drunk Driving Charge

Frank G. Monnett, 54, of 202 N. Cass Ave. yesterday was found guilty of drunk driving by an Oakland County Circuit Court jury and will be sentenced Oct. 4 by Judge George B. Hartic.

Monnett had appealed from Municipal Court where he was convicted on the same charge Aug. 25. He was arrested by Pontiac police Aug. 11.

Mendes-France and Adenauer Meet Privately

Try to Iron Out Their Differences on German Arms, Sovereignty

LONDON (AP)—French Premier Pierre Mendes-France and West German Chancellor Konrad Adenauer conferred privately for more than an hour today, seeking to smooth the way toward granting Germany independence and an army enlisted in Western defense.

After their private talk, the French and German leaders joined in the second full session of the nine-power conference on German rearmament. The parley opened yesterday at Lancaster House.

Despite differences outlined in the first session, key delegations expressed cautious optimism last night that the conference could reach agreement in principle this week to give the West Germans sovereignty and arms.

Only West German Secretary of State Walter Hallstein, who acted as interpreter, met with Adenauer and Mendes-France for their talk this morning.

A French source described the meeting as cordial and said the stern-faced, 78-year-old leader made a "good impression" on Mendes-France. The only comment from German sources was that the meeting was so important the pair talked for 15 minutes beyond the scheduled opening of the nine-power conference.

The success of the conference appeared to hang on the ability of Adenauer and Mendes-France to compromise their differences on the future of the disputed Saarland and on safeguards against a runaway German rearmament.

The results of their talk were awaited anxiously by the other conference members—from the United States, Canada, Britain, Italy, Belgium, The Netherlands and Luxembourg—hoping to work out a formula for adding German troops to the North Atlantic Pact forces guarding West Europe.

Both Adenauer and Mendes-France are staking their political hopes at home on a successful windup of the conference. In principle, they seem close to agreement.

Ship Typhoon Toll Mounts to 3,000

TOKYO (INS)—Japanese government officials today announced an appalling toll of more than 3,000 persons dead or missing in ship disasters caused by Typhoon Marie.

The Japanese Coast Guard announced that 5,579 vessels of all sizes and types were lost in Typhoon Marie. By comparison, ship losses from all causes last year totaled 3,200 vessels.

Divers were working in relays to bring up the bodies and nationwide appeal was issued for more experienced men to aid in the grim task.

Eager Fans Await Opener

IN LINE EARLY—Hundreds of fans, some carrying pro-Giant signs, line up outside Polo Grounds in New York this morning to buy bleacher seats for the opening game of the World Series this afternoon. The line included 200 persons at 6 a. m. but grew to 1,200 in slightly more than an hour.

Lemon Opposes Sal Maglie at Polo Grounds

Capacity Crowd Fills Stands as Pennant Holders Take Field

NEW YORK (AP)—Monte Irvin was named to start in left field for the New York Giants today as the National League champs and the Cleveland Indians worked out at the Polo Grounds before the opening game of the World Series.

Manager Leo Durocher hesitated between Irvin and Dusty Rhodes, his sensational pinch hitter, but finally gave Irvin the nod.

Both managers Durocher and Al Lopez stuck with their original starting pitcher selections—Sal Maglie 14-6 for the Giants and Bob Lemon 23-7 for the Indians, both righthanders.

NEW YORK (AP)—Perfect baseball weather, warm and bright, greeted the first game of the 1954 World Series of baseball today between the New York Giants, National League champions, and the Cleveland Indians, pennant winners in the American League.

The Indians are favored to win with odds of 18 to 10, and slightly favored in the first game in which Bob Lemon, a 23-game winner this past season for the Indians, opposes Sal Maglie, the 37-year-old veteran of the Giants. Both are righthanders.

A capacity attendance of about 35,000 was assumed at the Polo Grounds. Crowds formed early outside the bleachers, and by 8 a.m. there were several thousand in line hoping to buy the 3,400 bleacher tickets at \$2.10 each. Several hundred camped outside the park all night.

The day was beautiful, and, to make the picture brighter, the prospects for tomorrow have improved. (Continued on Page 2, Col. 8)

Continued Rain, Cool Is Area Forecast

Continued rain and sub-normal temperatures are in store for Pontiac area residents tonight and Thursday, weather forecasters said.

The U. S. Weather Bureau, in a long range forecast, said temperatures will average 10 degrees below normal for the next four days. Total rainfall for the period is expected to reach one inch.

Tonight, the mercury is expected to dip to 59 degrees in this area with a slight rise to between 62 and 65 tomorrow.

In downtown Pontiac yesterday, the mercury climbed from a 57 degree low to a high of 76. The thermometer registered 65 degrees today at 8 p. m., rising to 73 at 9:30. Mid-morning showers drove the mercury down to 70 by 1 p. m.

Pontiac Area Employment to Rise 6,000 Next Week

Pontiac area employment is expected to rise about 6,000 by the end of next week, according to Luther C. Olson, manager of the Pontiac Branch of the Michigan Employment Security Commission.

The upswing is also apparent in the Detroit area with the "peak stage" of layoffs past, an announcement from the state MESC revealed today.

Novelist Dies

JOSEPH STREET

Novelist James Street is shown in a jovial mood at Chapel Hill, N.C., last night as he handed out awards at an Associated Press broadcasters meeting.

Street, author of "Tap Roots" and other best sellers, collapsed and died from a heart attack shortly after this picture was taken. His last book was "Goodbye, My Lady."

This year's Pontiac vicinity top layoff figure of 10,500 at mid-September is expected to drop below the August level of 6,400, said Olson, as men off for model changeovers return to vehicle producing plants here.

"No further layoffs are seen at the moment and we expect the employment rate to accelerate for some time," Olson stated.

The state MESC acknowledged a layoff of 60,000 auto workers in past weeks, but said employment now appears on the rise as the auto industry prepares for its production of 1955 car models.

The report reflects conditions in the metropolitan area of Wayne, Macomb and Oakland Counties.

Although the shutdown was the first extended one for model changeover in 15 years, the cut-back period appears to have been shorter than was forecast, the MESC said.

"Employment conditions in the tri-county area may improve significantly once 1955 auto production starts to roll," the agency added.

New Fire Station Is Urged on West Side of Pontiac

Because of downtown traffic congestion on weekends, two companies are sent from the downtown fire station to all west-side alarms by different routes, to enable equipment to reach the blaze quickly, Pontiac's City Commission was told last night.

Commissioners learned of the procedure when Philip R. Sauer, chairman of the firemen's civil service commission, and Howard White, Fire Fighters Assn. president, appeared at the commission meeting to press for a west-side fire station.

"We feel it's an urgent situation out there," Sauer told the commissioners.

"Although the record is remarkable and we haven't had any major catastrophe, action should be taken," he declared. "The expansion of business and the building of new homes have made the situation extremely dangerous."

White, who spoke briefly, said that it was routine practice for trucks to take different routes to west-side blazes, hoping that one gets through quickly.

"The first five minutes are the most important in fighting fire," he pointed out.

Mayor William W. Donaldson

Pole's Testimony Increases Chance Reds Will Return 3 Captives

WASHINGTON (AP)—Hermann, Noel and Herta Field, central figures in a sensational Iron Curtain mystery, may be nearer freedom than at any time in the last five years—if they are still alive.

Officials said today chances of winning their release from Communist Poland and Red Hungary have been greatly increased by facts about their disappearance supplied by a refugee Polish secret police officer.

Josef Swiatlo, who fled through the Iron Curtain 16 months ago, was "surfaced" by the government yesterday after having worked undercover with U. S. intelligence agencies since he fled to the West at Berlin. Officials said he had provided much useful information about the European satellites of Russia.

Most public attention, however, focused on the Field case when it became known that the stocky, black-haired, 39-year-old Swiatlo had arrested Hermann Field when the Red trap was sprung on him at Warsaw airport in August 1949.

Swiatlo, who was deputy chief of Poland's supersecret Communist party security agency, also

interviewed Noel and Herta Field in 1949 at Budapest, Hungary, for possible evidence on espionage or conspiratorial work on which the Communists alleged they had been engaged for the United States.

Armed with this first hand information since the two brothers and Noel's wife Herta disappeared, the State Department fired notes to Poland and Hungary demanding the "earliest possible" release of all three.

Hermann was held in a Polish prison, Swiatlo reported. Noel and Herta are assumed to be in Hungary.

Mrs. Kate Field, a Briton, said in London she is "terribly happy" to get word that her husband, Cleveland architect Hermann Field, is presumably alive. She said the information from Swiatlo "makes me feel that awful, long period of waiting may soon be over."

The essence of Swiatlo's story was that the three Fields had been arrested by Red police in connection with a big purge trial being prepared against former Hungarian Foreign Minister Laszlo Rajk. Rajk, since executed, was accused of treason in conspiring with Yugoslavia's Marshal Tito against the Hungarian government—in effect, against Soviet domination of Hungary.

U. S. officials said that in the past when Communist governments have been presented with factual information in cases of this kind, they have often dropped deception and dealt with the problem realistically.

This has encouraged some hope here that the Fields will be released. Adding support to this hope is that since Stalin's death, Russia's new rulers have taken a number of steps to ease minor tensions with the West. Freedom for imprisoned Americans has not been so hard to obtain as formerly—if the facts for making a case could be determined.

Swiatlo's defection to the United States was announced yesterday by Atty. Gen. Brownell. The State Department followed with notes demanding freedom for the Fields.

In Geneva, Dr. Elsie Field, sister of the missing brothers, said today the information given concerning them by Polish security officer Josef Swiatlo in Washington was "very significant."

Dr. Field has carried on an unceasing search for information since her brothers disappeared in 1949. She has spent the summer in Europe seeking clues to their fate. She is here with her husband, Prof. Joseph L. Doob of the University of Illinois.

Mrs. Herta Field, wife of Noel, also disappeared without a trace when she went to Czechoslovakia in search of her husband.

Dr. Field and her husband are traveling on a special passport which does not permit them to visit any country adjoining the Iron Curtain, a precaution apparently taken to protect them from the fate which befell the other Fields.

The Day in Birmingham

Registration Deadline Set for Upcoming Election

(From Our Birmingham Bureau)
BIRMINGHAM—The privilege of voting at the Nov. 2 general election will be denied those who have not registered by next Monday's deadline. City Clerk Irene Hanley reminded residents today. Some 13,500 people are eligible to vote, she added.

In an effort to accommodate those who work outside of Birmingham, the clerk's office in the Municipal Building will maintain evening and Saturday hours.

For the rest of this week and on Monday the office will remain open from 8 a.m. to 5 p.m., except that Saturday hours will be from 9 a.m. to 12 noon.

Any United States citizen over 21 years of age, who has lived here for 30 days and in the state for six months prior to the election is eligible. Re-registration is unnecessary for persons who have voted within the last four years.

The clerk's office in the Bloomfield Hills Municipal Building will be open from 8 a.m. to 5 p.m. through Friday and from 8 a.m. to 5 p.m. on Monday. City Clerk Robert Stadler said. Offices will be closed on Saturday.

Foster Toothacker has been added as a new member of the Chamber of Commerce off-street parking committee, according to Charles Mortensen, local manager. Already serving on the committee are James Couzens, chairman; Wilbur Mason, Henry Sellers, Paul Averill, Henry Dahlquist and Victor Koch.

The last of two meetings for those interested in joining the Congregational Church is being held at 8 tonight at the church. An informal coffee hour will follow.

A first-hand look at some of the agencies that benefit from the United Foundation Torch Drive is being offered to the volunteer workers for this year's drive in the Birmingham-Bloomfield-Franklin area. Mrs. J. Rowland Quinn, area director, has reported.

Already under way, tours thus far have included a visit to the Leader Dog School in Rochester and to the Sister Elizabeth Kenny Polio Center in Farmington. "A great deal of interest has been expressed in the 'follow your dollar' idea," Mrs. Quinn said. "We are expanding the tours this year."

Mrs. Quinn is also calling for volunteers who can give time to help prepare materials for distribution to the collectors and workers, at campaign headquarters at 219 Briggs Building.

A Homecoming Dinner is being sponsored by the Woman's Society of the First Methodist Church, and will start at 6:30 p.m. tomorrow. Mrs. Thomas Harris is chairman.

The title of Miss Oil Progress has been bestowed on Janice Elizabeth Pike, of 544 W. Frank St., named to represent the industry during Oil Progress Week, Oct. 10-16. She will be crowned by the Detroit Oil Men's Club on Oct. 12.

Miss Pike is an office worker with the Socony Vacuum Oil Co.

At its first meeting at 1:30 p.m. tomorrow at Ascension Lutheran Church, the Altar Guild will discuss interior furnishings for the new church under construction. Members will also begin making new vestments for the acolytes.

The Boulevard Shoppe, a new store on Hunter Blvd. in Lincoln, Rd., will have its grand opening Friday and will feature gifts and lamps. Allen D. Hart, of 919 W. Glengary Circle, owns and will operate the shop. He was in the florist and gift business in Detroit and Rosedale Park until his retirement two years ago.

Fire Chief Vernon W. Griffith listed the estimated August loss by fire at \$1,475 in his monthly report, with \$475 as the estimated insurance paid. The total amount of property endangered by fire was shown as \$862,000.

The Weather

PONTIAC AND VICINITY—Cloudy, and mild with occasional showers tonight. Turning over to late tonight, low 50. Thursday mostly cloudy and much cooler with showers likely, high 43-45. South to southwest winds 15-25 miles shifting westerly late tonight and Thursday.

Lowest temperature preceding 1 a.m. 50. At 8 a.m.: Wind velocity 20-25 m.p.h. Direction: Southwest. Sun sets Wednesday at 6:13 p.m. Sun rises Thursday at 6:23 a.m. Moon sets Wednesday at 1:01 a.m. Moon rises Thursday at 10:09 a.m.

report, with \$475 as the estimated insurance paid. The total amount of property endangered by fire was shown as \$862,000.

The department answered 25 silent alarms for fires and fire investigations and 8 for investigation of suspected gas. There were six first aid runs and six miscellaneous.

After a recommendation from Police Chief Ralph W. Moxley that a 16th cab be added to the fleet already operating in the city, the City Commission this week approved another cab license for the Birmingham Cab Co., bringing the company's total to 8.

Mark A. Kearney
Sales representative for Pontiac radio station WPON, Mr. Kearney, 50, of 1529 Stanley, Birmingham, died Tuesday.

Born in Detroit, Mr. Kearney was a University of Michigan graduate and member of Alger Post, American Legion.

Rosary services will be at 9 p.m. Thursday in the Bell Chapel of William R. Hamilton Co., 820 E. Maple, Birmingham. Service will be at 10 a.m. Friday in Our Lady Queen of Martyrs Church, 32400 Pierce, Southfield Township.

Surviving are his wife, Virginia M.; two sons, John M. and Marshall A.; a daughter, Carolyn Mae; his mother, Mrs. John M. Kearney; and a sister, Mrs. Edward M. Smith.

Albert John Charbeneau
BLOOMFIELD HILLS — Rosary service for Albert John Charbeneau, 52, of 6 Valley Row, will be said at 8:15 a.m. tomorrow at the Manley Bailey Funeral Home. Service will be at St. Hugo of the Hills Church, at 10:30 a.m. Friday, with burial in Mt. Hope Cemetery, Pontiac.

He died Monday.

Besides his widow, Virginia, five daughters and two sons, he is survived by his mother, Mrs. Frank Charbeneau of Mt. Clemens.

Mrs. Agnes Jane Callaghan
FRANKLIN — Rosary service for Mrs. Agnes Jane Callaghan, 86, of 31600 Briarcliff Rd., will be said at 9 p.m. tomorrow at the Manley Bailey Funeral Home, with funeral service at 9:30 a.m. Friday at Holy Name Church, with burial in Holy Sepulchre Cemetery.

Mrs. Callaghan died this morning.

Survivors include two daughters, Mrs. Joseph R. Sciarolo of Franklin and Mrs. Ned C. Frase of Providence, R. I.

Indochina Plan Expected Today

U.S., France Are Near Agreement on Aid and Troop Problems

WASHINGTON — An agreement for American aid in fighting communism in Indochina and a plan for gradual withdrawal of French troops seemed likely to emerge today from U.S.-French talks on defense of that war-torn area.

Diplomats said the French government urgently wants to get back into the European area its 10 divisions now in Indochina. In Europe, they would strengthen France's position in the North Atlantic Alliance and offset any rearmament of West Germany.

The United States was represented as feeling that the continued presence of the French in Viet Nam is a political liability but that quick withdrawal of the 10 divisions would be a dangerous move which would add instability to an already explosive situation.

Diplomats believe, therefore, that the final agreement is likely to provide for some American financial assistance for the maintenance of a progressively smaller number of French troops in South Viet Nam, at least for the remainder of the fiscal year running through next June 30.

Thief Rifles Purses, Takes Watch, \$150

BIRMINGHAM — Close to \$150 was taken yesterday from the purses of two employees at Ann Young's Beauty Salon, 339 E. Maple, along with a wristwatch valued at \$150 and a cigarette lighter.

Police said the purses of Gracia Weiland, of 454 Auburn Rd., Pontiac, and Mrs. Evelyn Featherstone, of 271 Euclid Ave., were rifled by someone who entered by a back door.

Snow Plows Called Out

HELENA, Mont. (INS)—Portent of things to come: Snow plows were called out yesterday to clear off 12 inches of snow on Helena roads.

Yoshida in U.S. Briefly

NEW YORK (INS) — Prime Minister Shigeru Yoshida of Japan arrived in New York today at 8:17 a.m. and went immediately to Pier 90 to board the Queen Elizabeth, which leaves at noon for Europe.

The number of farms in the United States is almost one million less now than 25 years ago.

AT ANNUAL DINNER—At the annual banquet of the Psychiatric Aid Assn. of Pontiac State Hospital last night were (left to right) Robert Larson, president of the group; Dr. Ivan A. LaCore, medical superintendent of the hospital and Father John Trese of the Pontiac Catholic Family Center who spoke at the event. Donald Royal of Northville State Hospital, president of the State Psychiatric Attendant Nurse Assn., also spoke. Dr. John M. Stevens gave the invocation and Mrs. Clair Young acted as toastmistress.

Ex-NYC Head to Get New Post

William White Slated for Delaware & Hudson Presidency

NEW YORK — The New York Times says today William White, former president of the New York Central Railroad, is slated to be elected president of the Delaware & Hudson Railroad Corp. and its parent, the Delaware & Hudson Co.

Directors of the railroad and its parent are scheduled to meet today and will be asked to name White. White lost out to Robert R. Young in a spectacular New York Central proxy fight last spring.

The Delaware & Hudson operates 73 miles of railroad in New York, Pennsylvania and Vermont. The line extends from the Canadian border at Rouses Point, N.Y. due south to Schenectady and Albany, thence southwestward to Binghamton and Wilkes Barre, Pa.

The Times story said Joseph H. Nuelle, president of the D&H since 1938, is slated to be named chairman of the railroad company and the Delaware & Hudson Co. which is a holding company owning, in addition to all of the stock of the D&H railroad, valuable coal properties and feeder lines.

White is 57 and Nuelle, 73. Both have long been identified with eastern railroads.

Israel May Ask for U.N. Action on Seized Boat

UNITED NATIONS, N.Y. — Israeli representatives indicated today they may seek Security Council action against Egypt if Cairo officials refuse to surrender a small Israeli freighter seized yesterday in the Gulf of Suez.

The vessel, the 500-ton Bat Galim, was taken by an Egyptian gunboat as it tried to pass through the Suez Canal. Egypt has blocked Israeli shipping from the international waterway since the 1948 Palestine fighting.

Egyptian authorities charged the crewmen of the Bat Galim fired without provocation into a cluster of Egyptian fishing boats, resulting in the drowning of three fishermen and the wounding of several others.

Israeli officials hotly denied the charge, asserting the vessel was unarmed. A Jerusalem spokesman said it was the first ship flying the Israeli flag to attempt to pass through the canal.

Israeli and Egyptian representatives here presented their differing versions of the incident at once to U.N. officials. Neither asked for immediate Security Council action, but an Israeli spokesman said the Council might be asked to discuss the issue if Egypt refuses to give back the vessel.

Detroit Man Dies Building New Home

BLOOMFIELD TOWNSHIP — An inhaler failed to save the life of Cecil H. Pond, 50, of Detroit, who was found beside his car this morning, police said.

Authorities at St. Joseph Mercy Hospital, Pontiac listed the cause of death as a heart attack.

Pond was building a new home on Cragin Drive, between Inkster Road and Raymond Place. He had gone to the trunk of his car for some tools, and was discovered by two men working for him.

\$272 Taken in Breakin at Crystal Beach Project

Thieves broke into the Crystal Beach Housing Project and took \$272 from the office safe last night, Pontiac Police reported.

Adrian Voters Increase School Taxes to \$12

ADRIAN — Adrian citizens voted 838 to 329 yesterday to increase their school taxes from \$9 to \$12 per \$1,000 of assessed valuation.

The increase will be used for maintenance, boiler repair, painting and the like. These items, because of a lack of funds, were left out of the originally drafted 1954-55 school budget to keep expenses and income in balance.

Senator McCarran of Nevada Dies at 78

(Continued From Page One)

Truman administrations and fellow Democrats.

Only yesterday he attacked the Watkins committee for recommending censure of Sen. McCarthy whom he strongly supported.

While McCarran often voted with the Roosevelt administration on domestic issues, he rarely went along with President Truman.

By then, McCarran wielded a strong voice in the Senate. He was head of the Judiciary Committee—through which most legislation passes—and had a seat on the powerful Appropriations Committee—the purse strings of Congress.

He opposed Truman's efforts to open the door to displaced persons from southern and eastern Europe and at the same time led the battle for recognition of Franco Spain.

Patrick Anthony McCarran, born in Reno of Irish Catholic parents, is survived by his wife, Martha, whom he married in 1902.

They had four daughters, two of whom are Dominican sisters, and a son, Dr. Samuel McCarran, a Reno physician.

Funeral arrangements have not been made.

Passenger, 16, Injured as Auto Overturns

Donald Sagamang, 16, of 277 S. Shirley Ave., was treated at Pontiac General Hospital for minor injuries suffered last night when the auto in which he was riding overturned at Squirrel road near Walton Boulevard.

Oakland County sheriff's deputies quoted the driver, Ronald C. Snider, 19, of 292 Osmon St., as saying he lost control of the auto.

Petty Larceny—While the coast is clear, "Bandit," a baby raccoon, seems to be contemplating a little breaking and entering. Such petty larceny can even be encouraged under the circumstances. "Bandit's" mother was killed and an Ann Arbor girl is raising the youngster. Milk is the order of the day at present.

Alcohol Guides Recommended

Committee Draws Up Five-Point Educational Program

EAST LANSING — Five guides to help develop an alcohol education program in the Michigan schools were announced today by the Michigan Alcohol Education Committee.

The committee, which recently met at Michigan State College, will make its recommendations to the State Board of Alcoholism.

The committee declared:

1—Teacher training institutions should consider alcohol education in the preparation and in-service training.

2—The major responsibility for alcohol education lies with classroom teachers. These could be aided by outside resources, such as private organizations and state consultants.

3—The community, school and students should all be included in making alcohol education a part of the curriculum.

4—Methods used in teaching about alcohol should be appropriate to both the philosophy of the teachers and the grade level of the child.

5—Alcohol education should have the same aim as all other education. To develop wholesome personalities by promoting habits and attitudes that will be conducive to happy and healthful living.

Predict Ike Backer for Nevada Vacancy

RENO — Persons close to Republican Gov. Charles Russell said today he probably would appoint a strong Eisenhower supporter to replace Democratic Sen. Pat McCarran, who died last night.

But it was uncertain whether the appointee would serve out McCarran's term—which expires in January 1957—or a shorter period.

The governor asked attorneys to look up Nevada law on that.

Ballots for the November election already have been printed and legal sources say there is no provision for electing someone to fill McCarran's unexpired term then.

Knife-Wielder Sought in Deaths

Massachusetts Police Press Hunt for Killer of Baby Sitter, Charge

SPRINGFIELD, Mass. — Police today undertook a roundup of all local persons who are known knife-wielders, in the search for the crazed killer of baby sitter Lynn Ann Smith, 14, and her 4-year-old charge, Stephen R. Goldberg.

A check also was being made of cleaning establishments in western Massachusetts in the hopes any blood-stained clothing found will lead to the killer.

Also being questioned are former mental patients because of the maniacal manner in which the baby sitter and the younger boy were found sprawling Saturday night in the Goldberg home.

Each had suffered about 50 stab wounds. In addition, the young Goldberg had suffered a crushed skull and the Smith girl a broken neck.

Police yesterday put out an alarm for a 16-year-old youth who has been missing from the day the child's body was discovered. Police withheld his name because of his age.

Mayor Daniel V. Brunton said he will ask a special meeting of the Board of Aldermen today to authorize a \$500 reward for information leading to a conviction.

Audrey, Ferrer Bolt Villa Doors to Escape Press

ALBANO, Italy — Shouting "we want to be left alone," newlyweds Audrey Hepburn and Mel Ferrer fled today from a pack of photographers into a 20-room stone villa and bolted the door behind them.

Ten minutes later they reentered and posed briefly, then locked themselves in again.

The two film and stage stars were married in a private ceremony at Burgenstock, Switzerland, last Saturday and since then had given the press the slip.

Respiratory Attack Fatal to Baby Girl

Gale Anderson, 19-month-old daughter of Mr. and Mrs. Harry Anderson of 102 S. Tasmania Ave., died in St. Joseph Hospital today despite "commendable" efforts by a Pontiac patrolman to save the child's life this morning.

The child, who suffered a respiratory attack at 7:30, at first was reported in fair condition after responding to oxygen treatment in the hospital's emergency ward.

She was rushed to the hospital by Patrolman Medford E. Pittman within two minutes after he received the call on his car radio.

Man Feels Followed; Gets Fifty Dollar Fine

BUFFALO, N. Y. (UP)—Anthony B. Balestrieri appeared in traffic court on a speeding charge.

Asked if he had any excuse for his speeding, the motorist replied: "I thought I was being followed."

He was right. A patrol car was chasing him at a 70-mile-an-hour clip at the time and eventually caught him.

Traffic Judge Madge Taggart followed up Balestrieri's story with a \$50 fine.

In early English history, criminals and suicides often were buried at a cross-road and executions often took place at such points.

JOHN F. CAHILL

Rosary Service Will Be Friday

John F. Cahill, 60, Dies at Home; Funeral Set for Saturday

Rosary will be recited at 8 p.m. Friday at the Donelson - Johns Funeral Home for John F. Cahill, 60, of 2604 Woodbine Dr., who died suddenly yesterday.

A Lodge of Sorrow will be conducted at the funeral home at 7:30 p.m. by BPOE 810, of which Mr. Cahill was a life member. Funeral service will be held at 11:15 a.m. Saturday, with burial in Perry Mount Park Cemetery, the Rev. Michael J. O'Reilly officiating.

Mr. Cahill, who was a salesman for the F. L. Jacobs Co. of Detroit, was born in Wapakoneta, Ohio, on Dec. 1, 1893. He was the son of Dennis and Johanna Harrigan Cahill.

He lived in Pontiac for 50 years and attended St. Frederick School. He was a member of St. Michael Church and was a World War I veteran.

For many years Mr. Cahill was employed by the Murray Corp. of America. In addition to his Elks affiliation, he was a member of the Detroit Athletic Club and the 810 Hunting Club.

Mr. Cahill is survived by his wife, the former Edith Johnson, whom he married here on Oct. 4, 1923, and two brothers, Robert of Pontiac and Edward of Detroit.

The body may be viewed at the funeral home, beginning at 7 p.m. today.

Cecil Ponds

Cecil Ponds, 54, 1963 Cragin Dr., Bloomfield Township, died this morning of a heart attack. He was dead upon arrival at St. Joseph Mercy Hospital. Mr. Ponds was a printer at the Detroit News, and was active in sailing and other outdoor sports. He suffered an attack last night, and another this morning.

The body may be viewed at the funeral home, beginning at 7 p.m. today.

Three Strike Bosses State Sentences

(Continued From Page One)

which banned mass picketing at the plant.

These were the first court penalties to ensue from the long strike, marked by picket line violence.

Judge Ferguson also imposed \$250 fines on both the strikers' international and local unions.

He gave 30-day jail sentences, and the fines, to Charles Kelly, business agent of Local 807 of the Independent United Electrical Workers; Rudy Hoffman, local secretary, and Edwin Perkol, former 807 president.

Identical fines were assessed Local 957 and the international. As the court was acting, negotiations remained stalled.

Management and the union, after reportedly settling all other major issues, deadlocked with respect to the firings of 27 strikers.

Management offered to arbitrate individual firings. The union demanded that all the men be restored to their jobs before arbitration of the firings.

Blast Winds Squelch Atomic-Heat Flames

SAN FRANCISCO (UP)—Fires started by the heat of an H-bomb or A-bomb blast may be extinguished in many cases by winds from the force of the explosion, University of California engineers at Los Angeles indicated.

In studies at the university's engineering school, it was discovered that blast winds completely extinguished in most cases the fires ignited by the bomb's heat.

Materials such as cloth and new papers were tested and were extinguished in the test although several elements continued to smolder.

1,000 Gallons of Fuel Oil Unloaded in Drain Pipe

GREENSBORO, N. C. (UP) — A truck driver poured 1,000 gallons of fuel oil into an unused drain pipe of a three-quarter acre pond, mistaking the pipe for one leading to a storage tank.

J. I. Waggoner, Guilford County farm agent, said the black oil covered the lake, much of it backing up at one end under a strong wind.

The wind made it easy for Waggoner to dispose of the oil and save the fish, he said. He just set fire to the lake and all the oil burned.

Williams, Foe Woo Workers

Leonard and Governor Both Say Parties Are Labor's True Friend

By International News Service
Democratic Gov. G. Mennen Williams and his Republican opponent, Donald S. Leonard, were at opposite sides of Michigan last night, telling voters that only their party is the true friend of labor.

In Battle Creek, Williams blamed the GOP for the 1954 slump in employment.

In Flint, Leonard told his audience that Republicans increased unemployment benefits and that high employment in the Democratic administrations was due to war or the threat of war.

Said Leonard: "The unemployment of the 1930s ended only when we entered World War II. The unemployment of 1949 — worse than now — ended only when we went to war in Korea."

"I don't think the people want to pay that price again. We want to build a prosperity based on peace, and with men going back to work, and with retail sales improving, the indications are that we are succeeding."

As if aware of Leonard's argument, the governor orated:

"My opponent is echoing the Republican excuse that our present economic problems are the inevitable result of war. His party has exploited that worn-out alibi just about to the limit of the people's patience."

Williams blamed the dip in business on four GOP policies: "Hard-to-get money, the farm program reducing the standard of living but not the cost of living, tax relief only for big business and the decision to keep taxes and prices high on automobiles."

Lemon Opposing Maglie in Opener

(Continued From Page One)

First the Weather Bureau forecast thundershowers tonight and tomorrow, but later it revised its prediction. Conditions that might bring bad weather appeared to have shifted northward.

The two teams are scheduled to play two games here and then move to Cleveland with no time off for travel for two or, if needed, three games. Should the issue still remain undecided, play will shift back to New York, also with no travel time, for one or possibly two more games. The series is decided on best four out of seven basis.

All reserved and box seats were sold long ago. Since the

Campus Memories Recalled by Alumnae Tuesday

Mrs. Carroll C. Braid (left) of Rosewood avenue was social chairman for the membership tea sponsored by the University of Michigan Alumnae Club Tuesday. She is shown discussing new memberships with

Mrs. Vernon C. Abbott of Illinois avenue, president of the club, and Mrs. James A. Lafer of Grosse Pointe Shores, chairman of the Alumnae Council of the University of Michigan.

Mrs. Cecil McCallum (center) of Ashby of Elder road who is membership chairman. The annual tea was held at the home of Mrs. Vernon Abbott. Mrs. Norman Roth (left) of Pine Lake and Mrs. John

Mrs. Vernon Abbott Is Hostess for Tea

Memories of campus days were recalled Tuesday afternoon when University of Michigan women met at the home of Mrs. Vernon C. Abbott on Illinois road.

The occasion, the first major event of the season for the Alumnae Club, was the fall membership tea. Approximately 75 members and guests, all former Michigan students, attended. A special guest was Mrs. James A. Lafer of Grosse Pointe Shores, chairman of the University of Michigan Alumnae Council.

The tea table was laid with white organdy over pale yellow and an antique crystal bowl held white and yellow roses and asters entwined with ivy. Yellow tapers were used throughout the room. Pouring during the afternoon

were Mrs. Vaughn S. Garrison, Mrs. Cecil McCallum and Mrs. Robert B. Tarr.

Serving on the social committee were Mrs. Norman Roth, Mrs.

BONNIE SUE BLACK

Juanita Rawlins Feted at Shower

Juanita Rawlins, bride-elect of Vernon D. Verch, was honored recently at a china and glassware shower. The shower was given by Mrs. Frank Birrell of Birmingham in the Hudson avenue home of Mrs. Bessie Barton.

Juanita is the daughter of the Glendell Rawlinses of Lincoln avenue and Vernon is the son of the Carl Verches of Drayton Plains. The couple will exchange their vows Oct. 16 in First Methodist Church.

Mrs. Pee Wee Reese WHY DO YOU PREFER BLUE BONNET?

Naturally, Mrs. Reese, wife of famous shortstop, Pee Wee, is a Dodge fan. Also a popular young matron of Louisville, Ky.

"The extra nutrition in BLUE BONNET Margarine appeals to me. Why, BLUE BONNET contains both vitamins A and D—as well as food-energy equal to the 'high-price' spread! Add BLUE BONNET's sunny-sweet taste and smooth-spread texture, and you see why it's my favorite for—Flavor, Nutrition, Economy!"

Howard Powers Named President

Howard Powers is the new president of the Washington Junior High School Community Club according to an announcement by the executive board.

Other officers are R. E. Werth, father vice president; Mrs. D. C. Inman, mother vice president; Ruth Stuke, teacher vice president; Gary Pace, student vice president; Mrs. Charles Williams, secretary and Leonard Saari, treasurer.

Committee chairmen recently appointed were Carl Donaldson, Mrs. Thomas Hollis, Mrs. Allen Carriger, Mrs. Ray Caughill, Mrs. Lucille Menzel and Mrs. Jack Blamy. The club has announced a get acquainted meeting for Thursday at 8 p.m. at Washington Junior High School.

Auxiliary Gathers

Norman Roth entertained with a program of three-dimensional colored slides for the Monday meeting of St. Joseph Mercy Hospital Auxiliary held at the St. Joseph Hospital Nurse's Home. Future projects for the group were discussed.

"Friends Night" Held by Order

Esther Court 13 Order of Amaranth held "Friends Night" recently at Roosevelt Masonic Temple.

Mrs. William C. Pfahler is Royal matron of the group. Guests included Mrs. Roscoe Arnold of Saginaw; Andrew Gagarin of Redford and Mrs. Frank Batson, supreme charity of the International Order of the Amaranth.

Initiated into the order were Mr. and Mrs. Chris Greve, Mrs. Ralph Babbington, Mrs. Harold Person, Mrs. Charles Baynes, Mrs. Eva Robson, and Mrs. Thomas Lassen. The court honored Mrs. E. A. Pierson, past matron and associate grand matron of the state.

It was announced that Mrs. Gretta Scott will take part in "Friends Night" at Royal Oak on Oct. 9 and Mrs. Pfahler at Dearborn on Oct. 20. Pierre Shaver will be in charge of a pantake supper to be given at the temple on Oct. 22.

Robert Wilsons Observe Anniversary

Mr. and Mrs. Robert Wilson of Preston street were honored at a luncheon Sunday on the occasion of their 47th wedding anniversary. The party was given by Mr. and Mrs. George Driftler and daughter, Joanne and Marilyn Adams and Mary Jane Driftler at their Dwight street home.

Guests were Mr. and Mrs. Donald Wilson and children, Daryl and Irene, Mr. and Mrs. Harold Wilson and daughters Karen, Shirley and Geraldine of Detroit and Mr. and Mrs. Clare Wilson and children, Robert, Gerald and Janice.

Donations Made

VFW 1008 Auxiliary met at American Legion Hall on Auburn avenue Monday evening. Donations were made to national hospital, cottage upkeep, housemother's cottage at national home, to youth activities and to Americanism.

Parents Reveal Engagement

Mr. and Mrs. John Kart Jones of Birmingham announce the engagement of their daughter, Barbara Frances to Robert Manning Armstrong. He is the son of Mr. and Mrs. Robert Alexander Armstrong of Cherokee road.

The bride-elect is a graduate of Western Michigan College and is a member of Sigma Kappa sorority. He is a graduate of the University of Michigan where he was a member of Phi Beta Kappa. He is now attending the university's medical school. An Oct. 15 wedding is planned.

Waterford to Participate in Parent Education Project

MRS. JOHN MILLEUR

Ellen Leiby Wed to John Milleur in Davisburg

DAVISBURG—Ellen Louise Leiby and John William Milleur exchanged wedding vows Saturday in a 7 p.m. ceremony at the Davisburg Methodist Church.

The bride is the daughter of Mr. and Mrs. Dewey Leiby, Mr. and Mrs. Kirby Milleur of Drayton Plains are the parents of the bridegroom.

The bride's gown was of white imported lace and nylon tulle, and she carried white roses and carnations centered with an orchid corsage.

Mrs. Lois Farmer was matron of honor, and Patricia Parker and Thyrta Kimmel were bridesmaids. Brother of the bridegroom, Kenneth R. Milleur, was best man, and Larry Sheridan, Earl Farmer and Earl Lloyd were ushers.

Following a trip through Northern Michigan, the couple will live in Davisburg.

Waterford Prepared to Offer Seniors First Course in Military Orientation

By HAZEL A. TRUMBULL

WATERFORD TOWNSHIP—

Because Roy Larmee, Waterford Township high school principal, went in search of information for boys going into the armed forces, his high school has been termed "pilot" in a Military Information and Orientation program.

Waterford is the only school designated in Oakland County, with 18 other state schools named from Sault Ste. Marie to Detroit.

Universal military training, explained Larmee, has posed problems for high school that heretofore haven't found solution.

"Boys would come to us for guidance and information. We had nothing definite to give them and inasmuch as we attempt to edu-

cate for practical living and all able bodied boys face a term of service, we felt there had to be some preparation," he said.

Larmee's quest touched off a common concern on the part of other school administrators in the state. They met and with the aid of North Central Association and the Defense Department in Washington have come up with this orientation idea.

Waterford will shortly institute a course to be closely watched by all state schools. It will be a required class for 12th grade boys. One hour per week will be given on this subject. However, Larmee said, parental objection to the course will automatically excuse a boy.

"This is in no respect a program of indoctrination or preparation for

activities in military service. The motive and absolute purpose is one of education," declared Larmee.

He cited instances where boys had been given misleading information by some over-zealous recruiting officers "only to find upon entering the service they were not eligible for certain technical training they had been promised."

"In fact this week two senior boys who had decided to drop out of school and enlist were encouraged to re-enroll in school when told about this course," he said.

Larmee said a text has been prepared which details information on the various branches of the service, the amount of education required and the type of training they can expect with no favorites played as to any particular branch of the service.

To supplement the short number of class hours of this course, the balance will be individual guidance and counseling, said Larmee.

"Each case is different. And each case deserves individual attention and research," he said.

Nicholas Schreiber, Ann Arbor high school principal and president of the Michigan Secondary School Association helped draft the proposed course.

One year of careful evaluation of the course will prepare data for all the schools of the state to participate, said the committee in charge of the initial program.

Approved by Superintendent William Shumck, the Waterford board of education, the Parent Teacher Association of the township and the staff of the high school, Larmee made a formal presentation of his proposed class to Tuesday night's all-township superintendent principals and PTA president's conference.

Troy Board Revises Present Zoning Map

TROY TOWNSHIP—The Troy Township board has revised the present zoning map.

The present map, drawn in 1951, is outdated because of the expansion in the township. The new map, will tell at a glance the commercial and residential districts, and also show light and heavy industrial districts.

Churches Planning Joint Sunday Services

METAMORA—A joint meeting of the congregations of Thornville and Metamora churches will be held at Pilgrim Congregational Church, Metamora, Sunday.

A religious film, "The Family Altar," will be shown. It is planned to alternate meetings between the two churches on Sunday evenings.

Southfield Board Moves in Water Shortage Crisis

SOUTHFIELD TOWNSHIP—The Board of Supervisors here last night passed a resolution designed to protect property owners from building on waterless property.

Leonard Lamb, township water department supervisor, said prospective builders will be urged to sink wells before construction so they will not have a completed home without water. He said several owners have completed homes only to discover they are without water when wells were sunk.

The board requested the couple to get permission from present users of the line, and to bring such permission, along with the association president, and sub-divisor, to the next regular board meeting for further discussion of their problem.

This place, and many similar ones from people in the area using wells which do not supply sufficient water, was the background for the resolution adopted by the board, limiting building permits.

Eleven sealed bids were opened for construction of water lines in the Berg Road Hills subdivision, and turned over to the township engineer for study.

Southfield Librarians to Attend Convention

SOUTHFIELD TOWNSHIP—Mrs. D. V. Weaver, Southfield High librarian, will accompany delegates to Clear Lake Camp, north of Battle Creek, for the state convention of student assistant librarians Oct. 1-3.

Beverly Kochan, Gerald Curtis, Edna Witherspoon and James Douglas are attending from Southfield, and Nancy Lange from Farmington.

Charter Change Set for Milford Voters

MILFORD—A charter amendment will be voted on by electors at the November election. The amendment deals with sewage construction on approximately 30 lots in a 3-block area in Milford.

Harry Mead, village attorney explained last night that the law now provides that there cannot be assessed in any one year, more than 5 per cent of the assessed valuation of property in the special assessed district.

At present, the assessed valuation of the district is \$40,000, of which the lot owners pay only \$2,000. Cost of sewage construction is about \$8,000.

The new amendment will do away with the 5 per cent limitation so that the total amount may be assessed and payment spread over a 5-year period.

Re-surfacing of the North, Milford road to the village limits, began this week, and the low bidder received the contract at the last meeting. It was the Howell Construction Co., of Howell.

The balance of approximately \$10,000 will be used on other roads in the village of Milford for re-surfacing where necessary.

Wedding Vows Spoken Saturday in Brown City

BROWN CITY—Genevieve Joyce Bennett became the bride of Eugene McPhail in evening rites Saturday in the Brown City Methodist Church.

The bride, daughter of Mr. and Mrs. William Bennett, wore a gown of white nylon net and chantilly lace over satin. Mr. and Mrs. John McPhail are the parents of the bridegroom.

Donna Wheeler of Detroit was maid of honor for her cousin, and Marilyn McPhail and Marilyn Ferguson were bridesmaids. Robert Shadley was best man, and Duane Brown, Glenwood McPhail and Olin Shepherd acted as the groomsmen.

County Births

White Lake Township—Mr. and Mrs. Russell Patterson announce the birth of a son, Eugene Stuart, born Sept. 21.

Mr. and Mrs. Elmer B. Nelson are the parents of a son, Elmer Raymond Jr., born Sept. 14.

PTAs Selected for 2 Year Plan

Study Set to Help Parents Raise Mature, Responsible Children

By MRS. JANE WINDELER
Pontiac Press Correspondent

WATERFORD TOWNSHIP—Waterford Township's schools and parent teacher associations were spotlighted last night when the township-wide PTA—Principal-Superintendent conference began its seventh year of activity with a meeting at the high school.

Freida Huggett, visiting teacher, announced that the area had been selected as one of 28 communities in the United States and Canada to participate in a parent education project with the University of Chicago.

Directed by Ethel Kavin, this two year research project was initiated and developed with a grant from the Ford Foundation.

Parents connected with public schools around Chicago were asked to participate during the first year.

The purpose of the project is to develop materials and methods of presentation which will help parents to acquire the knowledge and attain the understanding which will help children who will become mature, responsible citizens able to function in and maintain a free, democratic society.

The materials are designed for ultimate use as a mass medium of education, utilizing study-discussion group methods with considerable responsibility placed upon volunteer leadership, and upon all members of the group.

Miss Huggett announced that three study groups are now underway. One, a group of parents who have been members of PTA study-discussion groups before, and two new groups, one each at Stringham and Drayton Plains schools.

The University of Michigan also has selected the Waterford organization as guinea-pig. Its graduate students, working in the community-organization field, will observe the study groups, and assist them in public relations.

The program planning committee—an offshoot of the monthly conference group, and primarily responsible for the study-group development, gave its annual report, and asked that each PTA donate \$10 to cover committee expenses.

They plan a township-wide January meeting on sex education. In other business, Supt. of Schools William Shumck reported on the general building progress, and principal James Fry gave the junior high school picture.

High school principal Roy Larmee explained a new counseling course for seniors.

Beattie-Cecil Vows Said Saturday in Fenton Rites

MRS. ROBERT J. BEATTIE

DRAYTON PLAINS—Doris Cecil became the bride of Robert J. Beattie Saturday at the First Presbyterian Church, Fenton.

The bride is the daughter of Mr. and Mrs. Chester E. Cecil, of Fenton, Mr. and Mrs. Robert C. Beattie of Drayton Plains are the bridegroom's parents.

The bride chose a gown of crystal white Chantilly lace over satin. Traditional points of the slender sleeves tapered over her wrists, and her fingertip veil of illusion was held in place by a lace headpiece sprinkled with pearls.

Myria Cecil, sister of the bride, acted as maid of honor, and Margaret Ann Beattie of Drayton Plains, Donna Banks, Jean Bradsher and Mrs. Fred Becker, all of Fenton served as bridesmaids.

Detroit's Donald Esser was best man, with Donald Stadler of Linden, Bob Parkin of Fenton, David Bess of Drayton Plains, and Wallace Earl of Pontiac seating the guests.

A reception followed the ceremony in the church parlors. The new couple will live in Fenton.

Orion Township Fights Garbage

Circuit Court Orders Restraint of Dumping Inside Residential Area

A restraining order has been obtained from Oakland County Circuit Court by Orion Township stopping George Reedy of 399 Oakland St., Lake Orion, from dumping what township officials term "raw garbage" in a ten-acre site located in a residential zone area.

A date will be set for Reedy to appear and attempt to show why the restraining order should not be made permanent.

The area in question is located south of Clarkson road east of Hemmingsway road, according to Orion Township Supervisor Ferris B. Clark.

In a bill of complaint the township claims that Reedy was dumping garbage from Highland Park, Auburn Heights, Pontiac Township, Utica and "various other municipal units."

The bill asserts that "considerable portions" of the garbage was not covered by top soil and decayed giving off odors harmful to health.

The township claims Reedy disregarded an order to abate the nuisance issued on Aug. 17.

Farmington Resident Dies After Accident

FARMINGTON—Robert Hutchinson, 29, died today at Pontiac General Hospital of injuries received Tuesday in an auto accident.

Hutchinson, a passenger in a car driven by Robert P. Laurin, 22, also of Farmington, suffered fatal injuries when the auto went out of control and struck a tree near Eleven Mile and Orchard Lake roads.

Soybeans Again Working Higher

CHICAGO (U)—Soybeans again worked cautiously higher on the Board of Trade today, drawing some of their strength from another day of light cash bean receipts.

Firmness in beans had a favorable influence on the rest of the market. After getting off to an easier start, major grains reversed their trend. They got back above the previous close in most cases.

Wheat near the end of the first hour was unchanged to 1/4 higher. December \$2.15, corn unchanged to 1/4 higher, December \$1.50, oats 1/4 to 1/2 higher, December \$1.40, soybeans 1 1/2 to 2 1/2 higher, November \$2.64 and lard 20 cents lower to 5 cents a hundred pounds higher, October \$14.50.
