OUWB students meet their match

Each year on the third Friday of March, graduating medical school students across the country gather to receive their residency placements in celebration of Match Day.

This year on Friday, March 16, 2018 at the Townsend Hotel in Birmingham, 101 students in the Oakland University William Beaumont School of Medicine's fourth graduating class were **placed in their residencies**.

Like the Oscars for medical school, it's an emotional event for all medical students on their journey to becoming doctors. And we were there to capture the best moments. To view photos from the Match Day ceremony, visit **[OUWB's Facebook page](#)**

Oakland University William Beaumont School of Medicine student Mary Koch was matched on March 16 with Henry Ford Hospital in Michigan as part of Match Day 2018.
