GM's 50 Millionth Auto Rolls Off Line Tomorrow

More than 100 press and radio-television representatives are expected to be in the Flint assembly plant of General Motors' Chevrolet Motor Division tomorrow morning when the 50 millionth GM auto rolls off the line, the corporation said today.

Completion of the 50 millionth auto, a gold-painted and gold-plated Chevrolet Bel Air sport coupe, will cap what GM hails as "an unprecedented industrial achievement."

No other company has approached the 50 million mark in automotive production, the corporation declares.

The newsmen will join 300 Detroit civic and business leaders at a civic luncheon for 1,200 guests at Flint's IMA Auditorium.

A "Ballad of Progress" skit and a talk by GM President Harlow H. Curtice, presented at the luncheon, will be carried by closed television network to 51 of 55 similar luncheons across the nation, including one here.

Pontiac civic and business leaders will gather for the luncheon in the Pontiac Motor Division engineering auditorium.

In addition, to the televised portion of the program, Milo J. Cross, president of the Pontiac State Bank and the Chamber of Commerce, will speak.

Day-long open houses will be held at the three GM divisions here. A total of more than 1,000,000 visitors are expected to visit GM plants and training centers in 70 communities.

Locally, GMC Truck and Coach Division will be the first to begin its open house observance. It will swing open its gates at 10 a.m. Pontiac Motor will follow suit at noon and Fisher Body at 1 p.m.

All will remain open to the public until 5 p.m.

Russia Training Sights on Town of 'Christmas'

MOSCOW (AP)—Down in southern Russia, 37 years after the Bolshevik Revolution, a little village is still called "Christmas."

"Somehow they never got around to changing the name," complains Komsomol Pravda, newspaper of the Young Communist League. Furthermore, the paper says, the people never got around to changing their churchgoing habits.

Autumn, after the harvest, is the traditional time for weddings in rural Russia and without fail, the paper complains, "there are marriages in churches—some of those getting married in church are even Komsomol members."

The paper quoted Maria Kudriatsova, district Komsomol secretary, as saying it was "only a habit" and asked: "Is it a good habit? No, it is bad. Must we fight against it? Yes, we must."

They Could Use Turtles to Speed Up Mail Here

SALISBURY, N. H. (UP)—Mrs. Harry F. Twombly of Salisbury wondered why she was receiving a Christmas gift thank-you note with the holiday still a month away.

A glance at the postmark showed the note had been mailed from Franklin—a town nine miles away—on Jan. 1, 1915.

Texan Admits Slaying Niece

Leads Police to Body of Girl, 11, Missing Since Last Tuesday

LEBANON, Mo. (AP)—A mild-mannered bookkeeper who developed an infatuation for his pretty 11-year-old niece admitted last night that he killed her. Then he led officers on a 226-mile hunt for the body.

Police found the fully clothed body of Jeannette Earnest about four miles east of here in a pile of leaves just off U.S. Highway 66. The schoolgirl, missing from her Fort Worth, Tex., home since last Tuesday, had been shot in the right temple.

Her uncle, Thurman Priest, 48, of Grand Prairie, Tex., is charged with kidnapping. Sheriff Bill Decker quoted Priest as saying:

"I was afraid the family was going to take the girl away from me. If I couldn't have her, no one else could."

The child's mother recently retracted Priest's visits with the girl. Mrs. Priest is a sister of Jeannette's mother. She and Priest were married about a year ago.

2 Youths Killed as Car Hits Rail Near Highland

Three Others Injured; State Police Find Beer Bottles in Car

Two Royal Oak youths died of injuries and three other youths were injured when their car hit a guard rail at M59 near Harvey Lake road in Highland Township last night and overturned several times.

The dead are:

Dexter Field, 19, of 27817 Grove-land.

Roger Kendall, 18, of 28827 Wauketa.

Kendall, a passenger in the car, was dead on arrival at Pontiac General Hospital.

Field, the driver, died at the hospital three hours after the accident.

Listed in critical condition today with head injuries is John Neis, 20, of 4363 Miller Rd., Capac.

Patricia Zeller, 13, of 350 Wood-ruff, Milford, is reported in fair condition with head injuries, and her brother, David, is listed in good condition with head injuries and face cuts.

All were passengers in the Field car, according to Michigan State Troopers Bernard Schrader and Howard Hoag, who said that the car was evidently traveling at a high rate of speed.

Police, who found beer bottles in the car, are investigating the possibility that the youths might have been drinking.

C. of C. Supports Goal of Pontiac Foundation

Support was given the Pontiac Foundation's goal of a civic auditorium today by the Chamber of Commerce.

In a prepared statement, Robert J. St. Clair, C. of C. manager, declared:

"We feel that the foundation's initial project—that of helping to acquire a civic auditorium for the City of Pontiac which can be utilized by all its citizens—is extremely worthy while."

"We feel such a structure will add tremendously to the cultural and social progress of the city."

"We can visualize where it could put the city in a position to acquire conventions and supply needed facilities for many activities which cannot be adequately handled now."

This week has been officially proclaimed "Pontiac Foundation Week" by Mayor William W. Donaldson.

The foundation is a fund gathering trusteeship, through which contributions are being funneled for civic improvement in Pontiac. Its first aim is construction of a municipal auditorium.

BY THE ASSOCIATED PRESS
One smashup, in which four died, took a third of the 12 lives lost in Michigan traffic accidents over the weekend.

A 71-year-old man died in a fall down steps at his Detroit home and a Lake County man died in a fire which destroyed his home.

Roger A. Kendall, 18, of Warren was killed last night when an automobile went out of control on M59, three miles north of Milford, and overturned.

George R. Yates, 71, a retired Great Lakes ship captain, was fatally injured Saturday in a fall down steps at his Detroit home.

The four killed in a head-on accident on U. S. 10 Saturday near the Oakland-Genevieve County line in Oakland County were:

Lovell L. Beswetherick, 27, of Flint; his son, 4-year-old Michael; his mother, Mrs. Rose Beswetherick, 47, of Flint, and the driver of the second car, Ernest Lee Davidson, 47, of Detroit.

Killed in a midnight blaze Friday at his garage-apartment home in Idlewild was George Rogers, 47, of Lake County.

Ex-Convict Believes Pal Clubbed Mrs. Sheppard

CLEVELAND (AP)—While the murder trial of Dr. Samuel H. Sheppard entered its sixth week today, police investigated a former convict's story that his burglar pal may have slain the osteopath's wife.

Frail, mild-mannered Henry Fuehrer, 51, walked into a police station in a Cincinnati suburb yesterday and announced, "I've got something on my chest."

Then, officers said, he told of going to Bay Village on a burglary mission the night of July 3 and fleeing in panic after he heard yells, cursing and scuffling come from behind a house his companion had entered.

Marilyn Sheppard was found bludgeoned to death in her bed early in the morning of July 4.

Fuehrer was brought to Cleveland today for further questioning and to see whether he can identify the Sheppard house and a Cleveland bar in which he said he met his companion. He said he knew the other man only as "Pal."

However, police of St. Bernard, another Cincinnati suburb, said they doubted the story told by Fuehrer.

Police Sgt. Edward Kuderer said the same man went to St. Bernard headquarters Nov. 5 and told off:

Hints McCarthy Elbow Is Hoax

Sen. Fulbright Doubts Seriousness of Ailment; Suggests Delay Intended

WASHINGTON (AP)—Sen. Fulbright (D-Ark.) says he doubts Sen. McCarthy's elbow trouble is "quite as serious as we were led to believe" when the Senate last week suspended debate on censure charges against the Wisconsin Republican while he underwent hospital treatment.

"It seems to me," Fulbright said yesterday during a television interview, "that this delay is certainly consistent with an effort to prevent any vote at all."

Debate on the censure charges—which Fulbright helped initiate—was broken off last week until next Monday when Dr. George W. Calver, Capitol physician, reported McCarthy had developed "traumatic bursitis" after his elbow was injured in a Milwaukee handshaking accident.

McCarthy has been undergoing treatment at the Bethesda Naval Hospital. The hospital reported yesterday his condition continues satisfactory.

"This isn't the first time that he's reported to the hospital when he's in an embarrassing position," said Fulbright. He did not mention other instances.

The Senate is authorized to sit for this session only until Christmas Eve. If the vote on censure does not come by that time, the charges automatically die.

Address Delays A-Plan Action by Assembly

Russians Renew Effort to Make Red China Part of Participating Group

UNITED NATIONS, N. Y. (AP)—President Eisenhower's atoms-for-peace plan played second fiddle in the U. N. Assembly today to the first appearance of French Premier Pierre Mendes-France before the international organization.

The Assembly temporarily shelved consideration of the Western proposal for peaceful application of atomic energy to hear a major policy speech by the French Premier.

There was considerable speculation that Mendes-France would voice some special French pronouncement on the atomic question. In line with this, the French delegation to the U.N. announced that Francois P. Perrin, chairman of the French atomic energy commission, had flown here from Paris to act as official counselor on the speech.

Approval of the American proposal for a peaceful atomic energy program was delayed in the Assembly's chief Political Committee by Russian amendments submitted late Saturday.

Despite previous indications of East-West agreement, the Soviets suddenly revived their demand that the proposed international atomic agency be placed under the veto-wielding Security Council and that the door be left open to invite Communist China to the proposed scientific conference on atomic energy.

The United States and its six cosponsors of the Western resolution remained adamant in the opposition to both propositions. They appeared certain of the votes to reject the Soviet amendments, but negotiations with the Soviets continued.

Mendes-France made his U.S. television debut last night with a call for continued Western unity and a defense of the German rearmament provided for in the Paris agreements.

He predicted that all the Western nations involved would ratify the Paris accords, including the French-German agreement on the Saar.

Husband of Hunter Cleared in Lie Test

By THE ASSOCIATED PRESS
State Police said a lie detector test by John Wettberg Sunday showed "nothing to indicate deception" in the deer hunting death of his 38-year-old wife near Ironwood last Tuesday.

She was one of seven victims killed by gunfire during Michigan's deer hunting season, which reached its halfway mark Monday.

Her body was found in the woods near her Ironwood home. She was shot through the head.

County Residents Urged to Back Safe Driving Day

Chairman of the Oakland County Board of Supervisors Floyd Andrews today appealed to county residents to prevent traffic accidents on Safe Driving Day, Dec. 15, and stated that highway safety must be observed on rural roads as well as urban streets.

"Roads outside the incorporated limits of cities and villages may be the proving ground where the success of S-D Day is decided," said Andrews.

President Eisenhower's Action Committee for Traffic Safety is sponsoring S-D Day aiming to eliminate all traffic accidents for 24 hours to demonstrate that solution to the problem is within the grasp of any community.

"More than twice as many deaths in traffic occur in the country," said Andrews. "In 1953 there were 27,200 deaths on rural roads, compared to 11,100 on urban streets."

Traffic safety is particularly important to farm and rural area persons, because no other part of the population is more dependent on highway transportation, he stated.

"Last year more farm people died in traffic accidents than from any other cause. This points up the

farmer's personal stake in highway safety."

City drivers must remember that motoring on rural roads differs from urban driving, Andrews pointed out. "There are walkers in the country as well as in town," he added.

Andrews urged drivers and pedestrians to do three things toward assuring success on S-D Day:

Observe the letter and spirit of all traffic regulations. Practice sportsmanship through courtesy to every motorist and walker plus driving and walking as you would have others drive and walk.

Kramer, Walker on All-Big Ten

By JERRY LISK
CHICAGO (U)—Ohio State captured three berths and six schools in all were represented on the 1954 all-Big Ten football team selected today by the Associated Press. Michigan, Purdue and Wisconsin each was awarded two positions and one each went to Minnesota and Iowa on the honor team picked by AP staff writers in the Big Ten area.

Two sophomores, Purdue's sensational passing quarterback, Len Dawson, and Michigan's brilliant end, Ron Kramer, made the grade. Besides the deadly-armed

Dawson, the all-conference backfield had Ohio State's Howie (Hopalong) Cassidy and Minnesota's Bob McNamara at halfbacks and Wisconsin's Alan (the Horse) Ameche at fullback.

Ameche was one of three repeaters from the AP's 1953 team. Two other holdovers were the guards in a 212-pound average all-star line, Tom Bettis, Purdue senior, and Cal Jones, Iowa junior.

Paired with Kramer at end was Ohio State's 213-pound senior wing-man, Dean Dugger. The other Michigan player honored was

218-pound tackle, Art Walker, a senior, while Ohio State's 3rd All-Big Ten post went to senior tackle, Dick Hillski, the heaviest man on the team at 231.

Lightest lineman in the all-star array was Wisconsin's able center, Gary Messner, a 198-pound senior. It was difficult for the selection board to keep three other Ohio State backs off the 1st team, but the balloting eventually placed Bobby Watkins, halfback, Hubie Bobo, fullback, and Dave Leggett, quarterback, on the 2nd team. Other second team halfback was Iowa's Eddie Vincent.

Watkins was as hard a runner as either Ameche or McNamara. Fine backs who had to settle for honorable mention were Iowa's Earl Smith, Michigan's versatile Lou Baldacci, and Michigan State's John Matsock.

No fewer than three players fell from top 1953 recognition, due to injuries and change of team fortunes. Guard Jan Smid of Illinois was demoted to the 2nd team, while halfbacks J. C. Caroline of Illinois and Le Roy Bolden of Michigan State dropped to only honorable mention. Injuries slowed both these stars of the 1953 championship teams.

The 1954 all-Big Ten backfield has power in Ameche and McNamara, speed and finesse in Cassidy, and a tremendous passer in Dawson. With the possible exception of Dawson, the unit also has great defensive skill.

At least two of the all-star linemen have been compared with immortals of their schools—Kramer with Bennie Oosterbaan at Michigan, and Jones with Duke Slater at Iowa.

ENDS—Dean Dugger (OSU), Ron Kramer (Mich).
TACKLES—Art Walker (Mich), Dick Hillski (OSU).

GUARDS—Cal Jones (Iowa), Tom Bettis (Purdue).

CENTERS—Gary Messner (Wisc).
BACKS—Len Dawson (Purdue), Howie Cassidy (OSU), Bob McNamara (Minn) and Alan Ameche (Wisc).

Honorable mention list includes tackle Randy Schreengost (MSC), guards Ted Cacher (Mich) and Henry Bulough (MSC), Jim Bates (Mich), and backs Lou Baldacci, Fred Baer and Dan Cline (Mich) and John Matsock and LeRoy Bolden (MSC).

Rose Bowl Only Major Classic Filled

By ED CORRIGAN

The Associated Press

The scramble for lucrative bowl berths was not over by any means today, but no matter how the final pairings line up the "natural" of the year won't take place.

The Rose Bowl is the only one of the four big postseason extravaganzas filled. It will pit twice-beaten Southern California against mighty Ohio State, UCLA, possibly the only team in the country capable of giving the Buckeyes an argument, played in the Rose Bowl last Jan. 1, and by Pacific Coast Conference edict, can't appear again.

As far as college football goes, that's a genuine tragedy. Both Ohio State and UCLA boast proud 9-0 records. Both are undisputed masters of their conferences — UCLA the PCC and Ohio State the Big Ten — and they rate the Nos. 1 and 2 teams in the nation.

If there was any doubt as to who was best in the PCC, it was dispelled last Saturday when UCLA clubbed the Trojans 34-0. Ohio State meanwhile, was winning its seventh Big Ten game, a 21-7 decision over Michigan.

Two other teams emerged with bowl assignments. They were Arkansas for the Cotton Bowl host and Nebraska as the visitor for the Orange Bowl. Both sneaked in the back door.

Arkansas was beaten by Louisiana State 7-6, and Nebraska suffered a 55-7 pasting at the hands of Oklahoma. But . . . Baylor beat Southern Methodist 33-21 in a Southwest Conference game. Since SMU was Arkansas' only competitor for the Cotton Bowl assignment, the defeat spelled fairs for the Mustangs. Baylor still can tie Arkansas for

the league title, but the Razorbacks had the forethought to whip Baylor earlier in the season to clinch it.

Oklahoma, like UCLA is barred from appearing in the Orange Bowl two years in a row, the runner-up gets it this year. Oklahoma's

victory over Nebraska gave the Sooners their seventh straight Big Seven title.

Kansas State was the only team that had a chance of overtaking Nebraska in the race for second place. Colorado beat State 38-14 and that settled things.

If Duke can get past North Carolina Saturday, the Blue Devils no doubt will get the Atlantic Coast Conference spot in the Orange Bowl.

Should Mississippi win the Southeastern Conference championship by getting past Mississippi State

Saturday, Ol' Miss will act as host team in the Sugar Bowl. Baylor has a good chance of being named the visitor.

The settling of the Southeastern race also will enable the Cotton Bowl selectors some width in deciding the team to oppose Arkansas.

DUCKETT STOPS SHOCKEY—Michigan State end Ellis Duckett throws a beautiful block into Marquette back Dick Shockey, spoiling a 2nd quarter end run and causing Shockey to lose 3 yards. Number

79 is Marquette tackle Jim Pastorski. MSC won the Saturday game at East Lansing, 40-10.

Gopher, Iowan Share Big Ten Scoring Lead

McNamara and Smith Each Tally 66 Points to Top Watkins, Ameche

CHICAGO (U)—Bob McNamara of Minnesota and Earl Smith of Iowa finished in a tie for 1st place in the Big Ten scoring parade. Smith vaulted into a tie with the Minnesota fullback by scoring one touchdown against Notre Dame Saturday. McNamara was shut out by Wisconsin.

Ohio State's Bobby Watkins, injured on the first play in the Michigan game, finished third with 57 points.

Alan (The Horse) Ameche scored two touchdowns to finish out his career with Wisconsin Saturday and finished fourth.

Army Places 4 on Eastern 11

NEW YORK (INS)—Eastern football experts paid impressive tribute to Army's powerhouse today by naming four Cadets to the International News Service All-East team.

In a manner reminiscent of their most glorious years, the Black Knights placed Don Helleder at end, Pete Vann at quarterback, Tommy Bell at halfback and Pat Uebel at fullback on the first team selected by a consensus of coaches, scouts, players and writers.

Another Cadet, center Billy Chance, was named to the second team.

Navy, too, was well represented, with all-America candidate Ron Beagle at end and Leonard Bensl at guard on the first eleven, along with quarterback George Welsh in the second-team backfield.

The only non-Army member of the first-team backfield is Penn State's speedy Lenny Moore.

The 1954 team is unusually youthful. Guard John Henn, tackle Eldred Kraemer, Vann and Bell are the only first-string seniors.

First team: Ends Ron Beagle, Navy and Don Helleder, Army; tackles, Phil Tarasovic, Yale and Eldred Kraemer, Penn State; guards, Len Bensl, Navy and John Henn, Princeton; center, Frank Reich, Penn State; backs, Pete Vann, Tommy Bell and Pat Uebel, Army and Lenny Moore, Penn State.
Second team: Ends, Andy Narrelli, Fordham and Jesse Arnette, Penn State; tackles, Frank Morris, Boston College, and Paul Kersulian, Syracuse; guards, Bill Meigs, Harvard, and Jim Van Buren, Cornell; center, Bill Chance, Army; backs, George Welsh, Navy; Royce Ferguson, Princeton; Henry Ford, Pitt and Sam Pino, Boston University.

Short Hunting Trip Proves Successful

COLDWATER (U)—Edward Blackman was at home packing deer hunting equipment for an expedition when he looked out the window.

There stood a big buck. Blackman raised his shotgun and killed the 12-point, 210-pound prize.

It was the 1st deer killed in Branch county in several years.

Strenuous Training

Emil Zatopek, famed Czech distance runner, is said to have been running about 25 miles a day for 11 years, and estimates that he averages more than 9,000 miles a year.

Layne Sparks Victory

GREEN BAY, Wis. (U)—Every once in a while—especially of late—the Green Bay Packers give the National Football League champion Detroit Lions the scare of the season.

They did it last year in the 1st of two games at Green Bay when the Lions sneaked through with a 14-7 victory. And they did it yesterday—this time by an even closer margin—21-17.

And if the pattern follows that of last year the Lions will paste Green Bay by a pretty fair margin when the two clubs fight a rematch Thursday in a sellout Thanksgiving special at Detroit's Briggs stadium. Last Thanksgiving it was 34-15.

But yesterday, it was Bobby Layne's pair of scoring passes and his one-yard sneak through the middle of Green Bay's line that saved the day.

This, plus mistakes on the part

of the Packers, kept Green Bay from handing down the upset of the pro season and slowing the Lions to a walk in their race for a 3rd straight NFL title.

The game, explosive all the way, ended with a midfield fight as the Lions' Lou Creekmur and the Packers' Stretch Elliott traded fisticuffs. Several of the 20,767 fans in the City Stadium descended on the field, but further trouble was nipped by the officials.

Packers dropped their upset chance in the 4th period when Max McGee dropped a perfect pass from Tobin Rote in the Detroit end zone at least three steps ahead of the nearest Lion.

Detroit sewed up its 7th league victory of the season in the 2nd quarter with a two-touchdown spurge after Green Bay took an early lead. Packers closed the gap to 14-10 at halftime and both clubs traded touchdowns in the 3rd period.

Green Bay's loss was its 5th in nine starts. Detroit has lost only one game.

Jim David's pass interception set up the tying touchdown. He ran the ball back to Green Bay's 34. Layne then passing to Leon Hart on the 17. After Bill Bowman ran 16 yards to the one and couldn't take it over in two tries, Layne did it on a one-yard sneak.

Detroit drove 72 yards for the winning touchdown midway in the period. Jug Girard made a falling catch of Layne's 15-yard pass for the score.

Ranger Goalie Lost for Week

Lorne Worsley Injures Ankle in 2-2 Deadlock With Maple Leafs

By THE ASSOCIATED PRESS
As if the New York Rangers don't have enough trouble, they learned Monday that goalie Lorne Worsley would be lost for a week or 10 days.

The Rangers put in a rush call to their Vancouver farm of the Western League for Johnny Bower, last year's netminder, who lost the job to Worsley this season. Bower is expected to arrive in time to play against Boston Wednesday.

Worsley suffered a small chip in his left ankle making a save against the Toronto Maple Leafs with a little over four minutes to go in the game. He finished the game out, but the Leafs salvaged a 2-2 tie, after being shut out for 52 minutes.
