RECEIVING LINE—President and Mrs. Kennedy stand in the receiving line at the U.S. Embassy in Ottawa Wednesday night with Canadian government officials at closing festivities for the three-day state visit by the U.S. Chief Executive. From left are President Kennedy, Gov. Gen. George Vanier, Mrs. Kennedy, Mrs. Vanier, Prime Minister John Diefenbaker and Mrs. Diefenbaker.

JFK in Accord on Laos With Diefenbaker

President Returns to Washington, Calls Trip Worthwhile

OTTAWA, Ont. (AP) — President Kennedy and Prime Minister John G. Diefenbaker agreed today that the Castro dictatorship in Cuba threatens both "the peaceful and democratic evolution" of Latin America.

In a communique issued before Kennedy headed back to Washington, the U.S. and Canadian leaders also said effective control machinery will be essential to achieve peace and stability in Laos and the rest of Southeast Asia.

Back in Washington, Kennedy called his Canadian visit "extremely worthwhile."

He and Mrs. Kennedy, aboard an Air Force presidential jet touched down at Andrews Air Force Base in Maryland at 10:12 a.m. (Pontiac time) after a 485-mile, one-hour flight from the Royal Canadian Air Force Base at Uplands, near Ottawa.

They hopped from Andrews to the White House by helicopter. Kennedy went immediately to his office and Mrs. Kennedy to the living quarters of the mansion.

★ ★ ★

Kennedy and Diefenbaker concluded the survey of their two-day conversations with this broad statement of common aims:

"To banish the scrouge of war, to improve the human lot, to defend and to enlarge the area of freedom to assist peoples less privileged than our own — these are aims that bind together Canada and the United States and which, with other allies and friends, our two countries will, jointly and steadfastly, pursue."

Kennedy ended his first state visit on a note of warning for Red aggressors and of challenge the North Atlantic allies to strengthen the security of the free world. He had held out those objectives in a speech to Parliament Wednesday.

URGES MORE AID

In that same address he called for Canada to step up its contributions to the welfare of underdeveloped Latin American nations and join the Organization of American States.

The communique made no direct reference to this appeal. It said Kennedy and Diefenbaker

LET'S SEE THOSE EARS—April, a giraffe born the 26th of last month, makes her debut at Whipsnade Zoo in Bedfordshire, England, this week under the critical eye of her proud mother.

MSU Trustees Save Portion of MSUO Plan

Shuffle of Funds Will Allow Area School to Start Trimester Setup

By MAX E. SIMON
(Special to the Pontiac Press)

EAST LANSING—Michigan State University Oakland's trimester plan — or at least two-thirds of it—was saved by the MSU Board of Trustees today in a shuffle of funds available under the legislature's economy appropriations for 1961-1962.

At the same time, the board ordered a rigid economy program for next year, and clamped a lid on enrollments in East Lansing.

Acting on the $205,000 which the legislature has provided over and above the 1960-61 appropriation, trustees decided to split it almost evenly between the East Lansing and Oakland County campuses.

MSUO will get $100,000 of it, putting the total 1961-1962 budget in Oakland County at $979,720.

Trustees also put their blessing on inaugurating the three-semester plan this fall, although it was openly acknowledged that $979,720 wouldn't be enough to carry the school through the third, spring semester.

Angered over the legislature's budgetary cuts earlier this month, the board of trustees deliberately developed a strategy to put the lawmakers on the spot next January.

They went on record saying the next legislature "can determine the availability of funds" necessary to keep the MSUO students in school through June.

In other words, classes might die sometime during the third trimester unless there are new funds over and above the present 1961-1962 appropriation. Presumably, these would have to come from the legislature on an emergency basis.

Although today's move saved the trimester plan and provides for a new freshman class, it contributed to cutbacks on the East Lansing campus.

Trustees agreed to abolish compulsory Reserve Officer Training (ROTC) there; hold enrollment at 22,500, instead of the 24,000 expected; close down the highway traffic safety center; and cut back the program of the labor and industrial center.

★ ★ ★

There'll be other reductions in the field of publications, radio and television; scholarship for children of deceased veterans will be eliminated; and the Upper Peninsula experimental station will either be closed or financed solely from funds from the College of Agriculture.

Expect K-JFK Summit to Take Place June 3-4

WASHINGTON (AP)—An official announcement of a Kennedy-Khrushchev meeting in Vienna June 3 and 4 is expected before the end of the week. Authorities indicate the announcement will be made Friday.

Administration officials said President Kennedy wants to discuss informally with Soviet Premier Khrushchev a wide range of cold war problems with heavy emphasis on his belief in the urgent need for agreement on a treaty to ban nuclear weapons tests.

Returning today from a visit to Canada, Kennedy now has about 10 days in which to prepare for the meeting and for conferences with French President Charles de Gaulle at Paris May 31-June 2.

★ ★ ★

The White House and State Department were formally silent on completion of arrangements for the Kennedy-Khrushchev meeting.

But a number of developments Wednesday gave support to reports Kennedy and Khrushchev have substantially agreed to get together.

Senators Cautious, See Page 55

TALKED IT OVER

At Ottawa, White House news secretary Pierre Salinger disclosed that Kennedy had discussed the prospective Khrushchev meeting with Prime Minister John G. Diefenbaker.

★ ★ ★

That was the first public word from the White House beyond Salinger's earlier statements this week that there were no plans for such a conference "at present."

Undersecretary of State Chester Bowles told the Senate Foreign Relations Committee Wednesday that the President had a conference with Khrushchev "under consideration." and that the final decision was up to the President.

Press dispatches from Moscow quoted Western diplomats there as saying that a meeting was certain and predicting that it would be held at Vienna June 3 or 4.

★ ★ ★

Information available here was that according to plans already developed the President would arrive in Vienna from Paris June 3 and remain there until sometime June 4.

The time schedule apparently would allow for several long talks between him and Khrushchev.

Diplomatic authorities here say that Kennedy does not envision the Khrushchev conferences as a negotiation nor does he contemplate trying to reach firm agreements on critical world issues.

Clear, Cool Night to Be Followed by High in the 60s

Skies will clear and temperatures will continue cool tonight, the weatherman said. The low will drop to 45.

Fair and warmer is Friday's forecast. Saturday is expected to be fair and somewhat warmer. The high for the next few days will be in the 60s.

Morning easterly winds at 13 to 20 miles per hour will become north to northwest at 10 to 15 m.p.h., tonight and northwesterly Friday.

Forth-six was the lowest recording in downtown Pontiac preceding 8 a.m. The mercury reading at 2 p.m. was 53.

News Flashes

WASHINGTON (UPI) — The Senate and House today approved and rushed to the White House a one-billion-dollar stopgap bill designed to forestall a collapse of the government-insured home mortgage program.

EDWARDS AFB., Calif. (UPI) —A scheduled speed run of the X15 aimed for 3,400 miles an hour was canceled today because of difficulty in pilot Joe Walker's space suit. The record attempt was rescheduled for Friday.

Make Nuclear Threat

GENEVA (AP)—The Soviet Union threatened again today to resume development of nuclear and hydrogen arms unless Britain and the United States put an end to the French nuclear tests in the Sahara.

Outlook Bright, Dykstra Says

Ford President Sees Better Days Ahead for Nation, Auto Industry

DETROIT (AP) — President John Dykstra told Ford Motor Co. stockholders today prospects for the nation's economy, for the auto industry and for their company in particular are much brighter now than during the first three months of this year.

★ ★ ★

Dykstra, elevated to the presidency only last month, presided at Ford's annual meeting for the first time.

Chairman Henry Ford II was confined to his home with a severe case of the flu.

Sharing reporting duties with Dykstra were James O. Wright, vice president of the car and truck group, and John S. Bugas, head of Ford's international operations.

★ ★ ★

Dykstra said sales of new cars have shown a steady and continuing improvement since January.

He said Ford dealers have inventories averaging 43 days supply, compared with an industry average of 50 days, and that Ford's share of the market rose from 25.3 per cent in the first four months of 1960 to 28.1 per cent in the similar period this year.

Dykstra said a "respectable, though not outstanding sales year now seems probable."

★ ★ ★

Elaborating on this, Wright said sales during the first quarter indicated an industry total for the year only 5.3 million new cars. However, he said, the improved selling rate now indicates about 6 million.

Redstone Launched on 200-Mile Journey

CAPE CANAVERAL, Fla. (AP) —The Army successfully launched a Restone missile on a 200-mile flight down the Atlantic Missile Range.

Officials reported all test objectives were met on the brief flight Wednesday night. The Redstone has been operational with NATO troops in Europe for three years, but the Army fires one of the rockets here every few months to check reliability and engineering refinements.

A modified Redstone launched Alan B. Shepard Jr. on his pioneer space flight May 5.

Jackie Is Smash Hit With Canadian Folks

OTTAWA (UPI)—French President Charles de Gaulle has fair warning.

If the Canadian reaction to beauteous Mrs. Jacqueline Kennedy is any indication, things may get out of hand in Paris when the President and his wife arrive there May 31 for a three-day visit.

As the Kennedys ended their Canadian visit today, the President may have had some knotty diplomatic problems to straighten out with Prime Minister John G. Diefenbaker, but the American First Lady's only problem was how to cope with adulation.

★ ★ ★

The Canadians reacted to Mrs. Kennedy in almost uproarious fashion.

The Toronto Telegram emblazoned on its front page a three-column story which began:

ACCLAIMED BY EDITOR

"Ottawa — The U.S. may have come second in the space race, but it still has a secret weapon—Jacqueline Kennedy.

★ ★ ★

"The President's wife on her first appearance outside her own country scored a smashing success in Ottawa . . .

"If this attractive young woman proves as popular in the rest of the world as she already is in Canada's capital, U.S. diplomacy can stop worrying. The Americans will easily outcharm the best the Soviets can do."

★ ★ ★

This effusive attitude was somewhat typical as the chic, faultlessly attired, demurely smiling wife of the President moved about Ottawa to ceaseless acclaim.

When she appeared in the visitors' gallery of the often starchy Canadian House of Commons Wednesday a few minutes before her husband spoke, the members leaped to their feet and began pounding their desks vigorously in a traditional parliamentary gesture of approval.

★ ★ ★

She laughed delightedly and this was enough to set off even more desk-thumping.

★ ★ ★

Her amazing reception here involved a lot more than her stunning appearance (the Canadians were particularly taken by her dark suntan against a shimmering white silk evening dress).

★ ★ ★

She generated much approval for the enthusiasm with which she inspected the National Gallery of Art.

5 Top Soviet Officers Killed in Air Disaster

LONDON (AP) — The Soviet news agency Tass said today five high-ranking officers of the Soviet armed forces have died in an "aviation catastrophe."

Tass said the officers included the army's full Gen. Vladimir Y. Kolpakchi.

The others were identified as Col. Gen. S. N. Perevertkin, Lt. Gen. V. I. Goffe, Maj. Gen. A.P. Morozov and Col. V. V. Khikhlovsky.

Tass said the announcement of the air accident came from the Defense Ministry.

Tass provided no details of the accident, but it seemed likely a number of other persons must have been killed. In addition to the flight crew, an aircraft with so many high-ranking officers aboard would almost certainly have carried a number of their aides.

★ ★ ★

The announcement as reported by Tass gave no clues to the point of origin or destination of the fatal flight.

The secrecy roused speculation that the accident might have had some connection with Soviet space exploits.

To Attend NATO Session

WASHINGTON (AP) — The U.S. Joint Chiefs of Staff will take part in the annual strategy session of the North Atlantic Treaty Organization in Paris on May 23-26, the Defense Department announced today.

Menon Assails Russ Laos Plan

Claims Truce Group Needs No Added Rules —Asks Buffer Zone

GENEVA (UPI) — Secretary of State Dean Rusk walked out of the 14-nation conference on Laos today shortly before the pro-Communist Pathet Lao delegation began speaking and remained away until after he had finished. But a high U.S. official said it was "not a protest walkout."

GENEVA (AP) — V. K. Krishna Menon of India today assailed the Soviet plan for enforcing peace in Laos — a program already denounced by the West as loaded with booby traps.

The Indian defense minister told the fourth session of the Laos peace conference that the Indian, Polish, Canadian international control commission set up for Laos needs no new rules.

Soviet Foreign Minister Andrei A. Gromyko laid down the plan Wednesday under which the Communist bloc would have veto power over the peace machinery.

U.S., British and French delegates, meeting before Menon spoke, had decided upon a concerted attack against the veto provisions.

Menon said India, as chairman of the three-power commission, would be able to settle any disputes that might arise between Canada and Communist Poland.

Menon called for the establishment of a "cordon sanitaire" (safety zone) around the distant kingdom where the commission should have powers to control the flow of arms.

He pledged that the commission has no intention of becoming a sort of supergovernment in Laos.

Castro Offers Raiders in Trade

Says He Would Swap Invasion Captives for 500 U.S. Tractors

From Our News Wires

MIAMI — Premier Fidel Castro offered Wednesday night to trade captured invaders for 500 U.S. tractors in a deal recalling Adolf Eichmann's wartime offer to exchange Jewish prisoners for trucks.

★ ★ ★

In a 2½-hour speech broadcast by Radio Havana, Castro said the 1,000 men captured in last month's invasion will be used as forced labor if they are not ransomed by the United States.

★ ★ ★

But Castro, unlike the Germans, did not threaten to kill his captives if the trade was not made. The Eichmann offer to spare Jewish lives for trucks never was worked out.

"If the imperialists don't want their worms to work, let them trade them for tractors . . ." Castro told a hysterically-cheering audience at a farm fair.

★ ★ ★

"If Kennedy recognizes that they are his friends, that the Central Intelligence Agency is responsible, let them pay us something to rescue them. If they don't want to rescue them, they will have to

(Continued on Page 2, Col. 4)

Helicopter Record Set

WASHINGTON (AP) — The Navy announced today a world speed record for helicopters—192.9 miles an hour. The mark, exceeding the former Soviet-held record by a wide margin, was set Wednesday by a Navy twin-turbine Sikorski helicopter at Bradley Field, Windsor Locks, Conn.

Postal Rate Increases Opposed by News Assn.

WASHINGTON (UPI)—The American Newspaper Publishers Association today opposed postal rate increases sought by the administration.

★ ★ ★

The association told the House Post Office Committee "Daily newspapers want no subsidy from the government in any form" but feel that fair rates can be set only after a realistic accounting of the public service work performed free or below cost by the mail service.

Start Press Tour Tomorrow

All Aboard for Europe!

Anxious and exciting days of preparation for the thrill of a lifetime will be over tomorrow. It will be flight time.

Thirty-five wide-eyed members of the first Pontiac Press tour of majestic Europe will check in at The Press Building on Huron street tomorrow afternoon to start the first leg of an eventful 22-day trip abroad.

The excitement will reach a peak tomorrow—when the happy travelers climb aboard Pan American Flight No. 58 at Detroit Metropolitan Airport.

★ ★ ★

First stop: London, home of Buckingham Palace, No. 10 Downing Street, Westminster Abbey, the Tower of London and numerous other historic spots which will live in their memories for years.

Pretrip briefings have been given by The Press' James P. Dickerson and Russell Gustavson of the Pontiac Travel Service. The tourists will have special pocket secretaries full of itineraries and other papers.

They also will be carrying those important travelers checks, passport, currency guides, vaccination certificates, cameras, guide books and address books of people back home in Pontiac.

CARDS FROM EUROPE

Colorful cards will undoubtedly be sent from London, Cologne, Lucerne, Milan, Venice, Florence, Rome, the Vatican, and last, but by no means least, Paris—the glamor capital of Europe.

★ ★ ★

Places that they used to study, read about and speak about will soon stand before the travelers in real life. Histories of Great Britain, France, Germany, Switzerland and Italy will soon mean much more.

★ ★ ★

Not to forget the fun of shopping, if the money holds out.

The three-week itinerary is arranged to hit the best highlights of Europe in the time allotted.

All that is left now is to see the beautiful sights.

STAND INSPECTION—Annual inspection of the Pontiac Naval Reserve unit was conducted by the district commandant last night at the Training Center on East Boulevard. Here Cmdr. R. C. Reid, head of training in the 9th Naval District, passes down the ranks for personal inspection. Afterwards he observed the men take part in training exercises before he returned to the Great Lakes Naval Training Station in Illinois.

Elect Chairman for Red Cross

C. C. Patterson Jr. of Birmingham to Head Oakland Chapter

Atty. Carleton C. Patterson Jr. of 783 Pilgrim, Birmingham, was elected chairman of the Oakland County chapter, American Red Cross, at the annual meeting last night in the Oxford Area Community High School.

★ ★ ★

Also elected were Mark Purcell of Wixom, first vice chairman; Mrs. Alfred T. Barnes of Royal Oak, second vice chairman; James L. Howlett of Pontiac, treasurer; and Mrs. Henry Norlund of Pontiac, secretary.

Newly elected members of the board include John W. Carr of Madison Heights, James G. Hartrick of Pontiac, Mrs. Ben D. Mills of Bloomfield Hills, Mrs. Harold A. Furlong of Pontiac, Ralph Lownds of Pontiac and Louis Tamblyn of Milford.

Main speaker was Robert F. Shea, vice president of the American National Red Cross since 1955. Shea's main responsibilities in the Red Cross consist of disaster service, blood program and personnel.

Mrs. W. O. Mitchell of Royal Oak, chairman of volunteers, reported on the activities of her group during the past year.

CARLETON C. PATTERSON JR.

Car Injures Girl as She Leaves Troy School Bus

A 16-year-old girl who was struck by a car after getting out of a school bus in Troy yesterday afternoon was reported in satisfactory condition today at William Beaumont Hospital, Royal Oak.

★ ★ ★

Virginia Day, daughter of Mr. and Mrs. Calvin J. Day of 129 Vermont St., suffered a fractured leg when hit by a car driven by Peter Gapik, 75, of Hamtramck.

Virginia, who was on her way home after attending classes at Troy High School, told police she did not see Gapik's car approaching as she was crossing Livernois Road at Vermont Street.

The school bus had stopped while the girl was crossing the road. Gapik, an immigrant who does not speak English, was unable to make a statement.

★ ★ ★

Gapik was ticketed for passing a stopped school bus.

His daughter Mrs. Helen Kozlowski, 47, of Warren, was a passenger in Gapik's car. She said her father was passing the bus when the girl suddenly walked in the path of the auto.

The Day in Birmingham

Community House to Lose Its Executive Director

BIRMINGHAM — Mrs. Effie L. Schaffer, executive director of the Birmingham Community House the last six years, will retire this summer, it was announced today.

★ ★ ★

Her retirement will end an 11-year relationship with the Community House during which time she was a member of the board of directors, a staff member, assistant director and acting director.

The board of directors in announcing Mrs. Schaffer's retirement said that no successor has been named to fill the position.

Her decision to retire was "a hard one to reach" she said, "and I know I'll have moments of regret, but it will give me more time to spend with family and friends, to rest and to travel."

E. J. Barney, board president expressed regret over Mrs. Schaffer's decision to leave, saying:

"Under her direction the Community House has made much progress and, in fact, is the envy of many larger cities."

"The fine work she has done will make it possible for her successor to go even further in the direction of broader and more effective community service."

Barney said that Mrs. Schaffer has agreed to stay on until a new executive director is named and becomes acquainted with the duties.

Mrs. Schaffer moved to Birmingham from Detroit in 1937.

For the past several years she has been residing at Commerce Lake.

A proposed swimming pool addition to the Bloomfield Hills High School will be voted upon by district voters in the June 12 school election.

It has been estimated that the addition would cost approximately $500,000.

School officials are having the proposal prepared by the school district's attorney. The project, it is expected, would cost the average taxpayer about $6 annually for 20 years.

The proposal was presented by a citizens' group to the school board in a petition.

A fifth grade teacher at Baldwin Elementary School has been named winner of the 1961 summer scholarship sponsored by Alpha Delta Kappa, international honorary sorority for women teachers.

★ ★ ★

The award went to Margaret L. MacKenzie of 17445 W. 10-Mile Road, Southfield. She is working toward her master's degree in library science at Wayne State University.

The award is presented one teacher from each of five regions.

Change Rehearsal Times for Centennial Spectacle

Centennial Headquarters today listed a revised schedule for spectacle rehearsals tonight in the boys' gymnasium at Pontiac Central High School.

★ ★ ★

Principals are to rehearse at 7 and 8:30 p. m. The Gay Nineties scene will rehearse, as previously announced, at 8:30 p. m.

Centennial Spectacle Rehearsals Tomorrow

Friday, May 26, boys' gymnasium at Pontiac Central High School — 7 p.m., Civil War and Early Settlers scene; 8:15 p.m., solo dancers.

Trial Goes On but Without Nelle

DETROIT (AP) — The murder and conspiracy trial in the slaying of Nelle Lassiter's husband goes on today without her.

★ ★ ★

The comely blonde widow, 38, was under a mental hospital commitment order from the court, and Gordon Watson, 45, remained as the lone, present defendant in the proceedings.

Circuit Judge Joseph G. Rashid declared a mistrial Wednesday for Mrs. Lassiter, codefendant with Watson, on the basis of a sanity commission's report.

Two of the three doctors of the court-appointed group found Mrs. Lassiter suffering from "emotional disturbance" and unable to continue with the trial.

She had collapsed twice in the course of the more than three weeks of the trial.

TO GO TO HOSPITAL

Judge Rashid ordered Mrs. Lassiter committed to the Ionia State Hospital for the Criminally Insane "until her health is restored."

★ ★ ★

Mrs. Lassiter, of 19690 Beverly Road, Beverly Hills, and Watson are accused of plotting the April 6, 1959 slaying of Parvin (Bill) Lassiter in what the prosecution called "lust and greed."

Watson is a former business partner of the victim. The prosecution said Mrs. Lassiter and Watson were illicit lovers.

Dr. Russell Costello, a neuropsychiatrist and one of the three doctors on the sanity commission, described the widow's condition as a catatonic state combined with hysteria.

A catatonic state is a form of schizophrenia in which the patient is almost completely removed from reality.

UNABLE TO TALK

"At times she becomes mute, unable to talk and lies rigid in bed without movement," Dr. Costello said. "She is capable of understanding the proceedings but she is not capable of helping in her defense."

★ ★ ★

Her attorney, Joseph W. Louisell—who fought the sanity hearing when ordered by the court—said he would seek a writ to have Mrs. Lassiter released.

Judge Rashid permitted Mrs. Lassiter to remain here at Jennings Hospital, a private institution, pending an opening at Ionia but ordered a matron on an around-the-clock basis to care for her.

★ ★ ★

Twenty-eight committed persons in Wayne County Jail await space at the state hospital.

Assistant Prosecutor George D. Kent said the charges against Mrs. Lassiter will be pressed when she is released as cured.

Flood Covers Oklahoma Town

2-Hour Deluge Causes 100 to Leave Homes in Community of Wister

From Our News Wires

WISTER, Okla. — Five flooded creeks poured eight feet of water into Wister today and drove about 100 persons from their homes.

None of the town's 2,800 residents was reported killed. But damage was estimated at one million dollars.

★ ★ ★

The flood hit Wister, in Eastern Oklahoma, about 5 a. m. (Pontiac time). Rushing through a barn where 150 to 200 head of cattle were held for sale, it drowned them all.

The worst of the flood lasted about three hours.

Light rain splashed across wide areas in the west and central section off the nation today, with the wet weather heading into Eastern states.

★ ★ ★

Some cool air spread across Northern areas from the Rockies into New England but fairly pleasant weather was reported in most other regions. No stormy weather was reported.

The rain in the Midwest dampened sections of Illinois, Indiana, the Upper Mississippi Valley and the Northern Great Lakes region.

Johnson, Nehru Talk Over Aid

Indian Prime Minister Meets Vice President at Airport

NEW DELHI, India (AP)—Vice President Lyndon B. Johnson and Prime Minister Nehru today discussed India's multibillion-dollar five-year plan, already heavily underwritten by the United States.

★ ★ ★

The touring U.S. vice president brought a personal letter to Nehru from President Kennedy. Nehru told reporters it was a "warm, friendly letter about our planning."

Nehru swept protocol aside and went to the airport to welcome Johnson on his arrival from Thailand. He was to have received Johnson at his downtown office but appeared among the welcomers as a special show of courtesy.

After a meeting that lasted an hour, they emerged from Nehru's office and talked with reporters.

Johnson said he explored with Nehru the "great work he is doing on the third five-year plan" in India and the nation's hopes for development.

The vice president asked Nehru's advice on the common effort to eliminate poverty and disease and improve education throughout the world.

★ ★ ★

Asked if Laos specifically was mentioned, Nehru said Johnson told him India could sometimes be of help in developing such countries.

India has received $3.84 billion in aid from the United States. It runs small aid programs of its own and as Nehru reminded reporters, has provided hundreds of technicians and teachers to less-developed nations.

Nehru said the Geneva conference on Laos was not mentioned.

Canada, U.S. Agree on Castro Threat

(Continued From Page One)

discussed the need for accelerating economic progress and social reform as well as strengthening the Western Hemisphere trend away from dictatorship and toward democracy. These objectives are closely related, it added.

"They were in accord that the alignment of a regime in the Western Hemisphere with Communist leadership abroad was a matter for serious concern, threatening as it did the peaceful and democratic evolution of the Latin American peoples," it said.

★ ★ ★

Diefenbaker assured Kennedy of Canada's "continued and increasing interest in inter-American affairs."

The statement referring to Cuban Prime Minister Fidel Castro was something Kennedy had sought in his trip to Ottawa—his first outside the United States since his inauguration.

Canada previously had exhibited less concern than the United States over the potential menace, of Castro's link with the Soviet Union, to the entire Western Hemisphere.

As to the call to strengthen the North Atlantic Treaty Organization's conventional and nuclear power, the two leaders said: "It is more than ever necessary that the strength and unity of NATO be reinforced."

★ ★ ★

They omitted any mention of specific increases by Canada or other NATO governments to the alliance's defense forces, but did assert that a strong defense must be maintained until "effective disarmament measures can be secured under proper safeguards."

Castro Asks to Trade Captives for Tractors

(Continued From Page One)

work hard, hard, hard, digging ditches and doing other work."

★ ★ ★

In Washington the State Department returned a terse "no comment" to Castro's proposal.

Castro's offer, viewed in strictly commercial terms, could cost from $6 million to $27 million.

'CRIMINALS' EXCLUDED

A Key West, Fla. equipment dealer, Charles E. Clark, said Wednesday night that his company's product ranges from $12,000 to $54,000 per unit, depending on its size.

The bearded Cuban said the exchange offer did not include "criminals"—presumably meaning the prisoner who he says once served ousted ex-President Fulgencio Batista.

"Not these but the others would we trade for 500 bulldozers," Castro said. "The priests we send free (a reference to his demand that all but a hand-picked few foreign priests get out of Cuba) . . .

"We won't trade them one by one. It has to be as a group, since they would try to get the richest ones. It has to be the complete lot . . . that we have prisoner . . .

"Spain once traded Napoleon's soldiers for pigs, but we are going to be more delicate even if Kennedy is not 'Napoleon.'"

He said the prisoners are "eating comfortably in jails."

"They will have to work well to earn their bread, so they will be put to work for the peasants," he said.

★ ★ ★

This remark drew wild cheers and shouts of "Let them work!" from the audience.

He said Cuba has only 8,000 tractors, and urged the nation's farmhands to redouble their efforts to bring in larger harvests.

Police Show Lawmakers Bushel of Evidence

HARTFORD, Conn. (AP)—State police came before the legislature with pointed arguments in support of bills to stiffen penalties against convict rioters.

★ ★ ★

A police representative appeared at a recent committee hearing with a bushel-sized basket full of knives and other weapons used in last year's riot at the state prison.

To Question Lemnitzer

WASHINGTON (AP)—The Senate Latin American Affairs subcommittee has announced Gen. Lyman L. Lemnitzer, chairman of the Joint Chiefs of Staff, will be questioned at a closed session Friday on the Defense Department's role in the Cuban invasion attempt.

Official's Wife Dies

PALM SPRINGS, Calif. (AP) — Dorothy Brown Hoffman, 70, wife of Paul Hoffman, United Nations official, died Wednesday after a long illness. Her husband formerly was president and board chairman of Studebaker Corp. and later headed the Economic Cooperation Administration in Europe.

Rude People Are 'Just Folks'

By PHYLLIS BATTELLE

NEW YORK — I love going places by airplane, and it's not only because I get there more swiftly, or because the food is free, or even because I prefer gazing at nature's advertisements rather, than the billboard boys'.

★ ★ ★

The reason airplane travel is nicer is that people in airplanes are nicer. They are the same people exactly who growl at you on subways, brush you aside on buses, squash your toes on elevators and sideswipe you in cars. But the moment they step aboard a plane, their attitude changes from worldly rudeness to celestian kindliness.

The men remove their hats and give the ladies the window seats.

The ladies smile graciously and incline to be quieter than usual. Even the children are more mild than wild.

★ ★ ★

Scarcely anyone complains, if the coffee is cold or the vicysoisse warm. For just these few minutes, or few hours, 29,000 feet above solid ground — men become humble, and women docile. The pilot is Sir Lancelot, and the hostess is Florence Nightingale and it is Christmas over the cumulus!

★ ★ ★

Five years ago, when I first mentioned this phenomenon, I was fairly certain that it was to be short-lived. The reason for all the good nature in airplanes could be summed up, I supposed, was a mass reverence for the powers of nature, and a conscious or subconscious dependence on God and luck and the pilot to bring you back safely . . .

GOOD BEHAVIOR STAYS

I thought, then: Within a few more years, people will come to take air travel so much for granted that there will be a lessening of inhibitions and a letdown in the perfection of air-borne manners.

But fortunately, science has kept us on our good behavior. It has brought us new planes, so huge and powerful that they keep our egos small; so swift that they keep us respectful; so high-flying that we feel even more dependent that we did before upon the pilots up front and overhead.

When we become accustomed to the jets — just about the time we become casual enough about them to forget how close to heaven we are, and begin to behave like the devil — there will be rockets. And a whole new era of respectful reverence will begin.

Yes, people are a whole lot nicer as a rule in airplanes than they are on the land or the sea.

Mankind still feels a trifle insecure when he finds himself small and bottomless, in the sky. For the love of human nature, may he never wake up completely to how safe an airplane is!

May Hearing Month

LANSING (AP) — Gov. Swainson has proclaimed May Better Hearing Month in Michigan. He has urged the state's some 182,000 residents with hearing problems to take some of the steps available to them to improve their hearing.

98 North SAGINAW STREET SIMMS BROTHERS SECOND FLOOR DISCOUNTS

Food for Shot

TIERCELET, France (UPI) — Waving a revolver, a masked man broke into a home shouting, "I'm hungry. Give me something to eat." The housewife gave him a hunk of bread. After firing two shots into the ground, the man left quietly.

Gasoline is manufactured from the lighter portions of crude oil. Kerosene is produced from the next lightest fraction, by density comparisons.

Big Government Debt

NEW YORK (UPI)—The gross debt of federal, state and local governments in fiscal 1961 may approximate $360 billion, according to the Tax Foundation, Inc. This figure, a new high, represents an average family debt burden of $2,400.

Air pressure which is 23,116 pounds per square foot at sea level diminishes to about 200 pounds per square foot at an elevation of 50,000 feet.

Settles for 2nd Best

WILMINGTON, Del. (UPI) — Dixie, a 9-year-old cat, lost from its owners, headed for the next best place in town. It stopped at the home of Mrs. K. C. Johnson, head of the Welfare Committee of the Delaware Humane Association.

About 71 per cent of all U.S. hospital beds are in institutions controlled by the government at federal, state or local levels.

Here's One Trackman Who Shouldn't Falter

EAST WINDSOR, Conn. (AP)—An East Windsor man found sleeping on a railroad track couldn't for the world see why police made such a fuss—when they found him. "There's no train today," he said.

Fifty-six of the approximately 200 species of ducks, geese and swans are found in the United States.

Postman Efficient

DARTMOUTH, England (UPI)— Post Office officials reported proudly they delivered a letter addressed: "To the man who waves from the window, above town, Dartmouth." The addressee was an invalid who waves to passersby from his window.

Fort Smith, Ark., was established in 1817, partly for the purpose of keeping peace between the Cherokee and Osage Indian nations.

'Visit U.S.,' They Say

NEW YORK (UPI)—A group of American travel agents, hotel and bus operators are getting behind President Kennedy's campaign to increase foreign tourism in this country. They are conducting a series of "Visit U.S." seminars in leading European cites. Major U.S. and overseas airlines also are joining the drive.

Orientals consider it impolite to open a present in front of the giver, fearing the size and quality of the gift may prove embarrassing.

He Was in Need

REGENSBURG, Germany (UPI) —A 21-year-old office worker was sentenced to nine months' jail for stealing statuary and candlesticks from 12 churches. He said he wanted to finance vacation trips, lessons for acting and the purchase of expensive books and records.

Breeding of Palomino horses has long been a specialty of the area around Nanton, Alberta, 50 miles south of Calgary.

Kids Kan Be Kostly

NEW YORK (UPI) — On the average, American couples spend $600 on each child during the first year of its life, according to Barron's magazine. Purchases of goods for children ranging up to 10 years of age amount to about $8 billion annually.

The Kitt Peak Observatory at Tucson, Ariz., is scheduled to get the world's largest solar telescope. It will have a 60-inch concave mirror with a focal length of 300 feet.

Reviving Atomic Tests Favored by Committee

President KENNEDY and all members of Congress are receiving a study report which advocates revival of atomic tests and experiments by the United States.

This report is put out by the National Strategy Committee, an offshoot of the American Security Council of Chicago. The latter is a bipartisan, non-profit association devoted to gathering and diseminating factual information about Communist strategy and tactics.

★ ★ ★

A civilian group, the membership is made up of every type of business and universities and other institutions in America. Some well-known military experts are aligned with it, including Admiral ARTHUR W. RADFORD, Admiral FELIX B. STUMP, and General A. C. WEDEMEYER, all retired.

One of the reasons for the recommendation of resumption of atomic testing, according to the report, is that the Soviets aren't interested in negotiating. They've deliberately prolonged the conference because we agreed to suspend our tests as long as the negotiations were in progress.

★ ★ ★

The report says that the United Kingdom has urged too many American compromises with the Red demands, and that American scientists have inaccurately said that they have a control program to detect any nuclear blasts by foreign powers.

★ ★ ★

Basic recommendations of this group, made after a study of two and one-half years, are: 1—Discontinue the current test ban, and begin an orderly program of underground and outer space tests which would not contaminate the earth's atmosphere; 2—Any future discussions of test bans come only as integral part of broader arms control negotiation, with the understanding that our program will not halt during the talks.

★ ★ ★

When we begin to count up the numerous trouble spots around the world which are being sparked by the Russians, it is obvious that we must be prepared to defend ourselves. Our weapons program cannot be tied indefinitely to talks which drag along solely to keep us from further progress.

Sees 'Vast Wasteland' in TV Programing

All forms of communication are still discussing the verbal broadside against TV and radio from their commanding officer. The New York *News* says in part:

"Some U.S. television executives have yet to recover from the tongue-lashing given their industry by Federal Communications Commissioner NEWTON N. MINOW.

"Certainly the broadcasting czar held back few punches in his summary of what he called the 'vast wasteland' of TV programing.

★ ★ ★

" 'Just look at your own home screens,' he told his numbed auditors, and 'you will see a procession of game shows, violence, audience participation shows, comedies about totally unbelievable families, blood and thunder, Western badmen, private eyes, gangsters and cartoons. And, endlessly, commercials — many screaming, cajoling and offending. And most of all, boredom.'

"The tough-talking commissioner declared that radio and TV people would be wise to start thinking in terms of the public responsibility and leadership that newspapers and magazines assumed years ago.

★ ★ ★

"Newspaper publishers take popularity ratings, too, he reminded them. The answers are pretty clear: it is almost always the comics, followed by the advice to the lovelorn columns. But, ladies and gentlemen, the news is still on the front page . . . the editorials are not replaced by more comics, the newspapers have not become one long collection of advice to the lovelorn.

★ ★ ★

"Any newspaper foolish enough to give its readers only copycat cartoons and other entertainment items soon becomes embarrassingly readerless and very bankrupt.

"Hence we have to agree with the fierce Mr. Minow that, unless you broadcasting fellows acquire some balance and use some genuine programing or editorial judgment your stations' woes may become just as grievous as the man said; and you'll have asked for it."

The Man About Town

Some Odd Facts

About Dealings of City's Biggest Employer of Labor

Wonder: What Detroit people would do if they didn't have Oakland and Macomb counties to move into.

Right here in the midst of their gigantic activities, it is interesting to note that

General Motors Corporation

deals in some commodities quite foreign to its general line.

For instance, they trap pigeons. At some of their plants these birds make a mess of the finish on the new cars, so they are trapped and removed to other points. In a few cases they are of the carrier type, and find their way back.

At most of the GM plants they purchase a hark back to the days when the usual means of transportation was outmoded by its present principal product. They buy horseshoes—for employes to pitch in the recreation programs.

They also buy diapers, used quite extensively in the polishing of cars, their fluffiness having been found to be quite ideal for that purpose.

Old pork and beef bones are included in GM's buying, to test garbage disposal units in plants where they are manufactured.

Large quantities of the wooden sticks we see in ice cream bars are bought by GM. They are used to stir up resin and other compounds used in electrical insulation.

Lint is a problem on all of our clothing, and in many other ways, but GM likes it and buys it in large quantities to test the filtering devices in automatic washing machines.

GM also even buys hair dye, to be used in transmission work on nylon gears to make identification easier.

It looks just like a present day copper cent, but an advertising coin issued by the

M. H. Clark

Store in Clarkston 98 years ago has become a collector's item.

Now a letter drifts in from

"Skip" Fellows,

living in Milwaukee, who says he's coming to the Centennial, and wonders if he will be able to recognize some of his friends of 30 years ago, especially if they're wearing whiskers. He writes that there are six Pontiac cars in his block.

A letter from the former Pontiac resident,

Alvin Burrough

of Toledo, asks if reserved seats will be on sale for the Centennial parade, or had he better bring a camp stool. We've advised the camp stool.

Speaking of the disappearance of the snowball bush,

Mrs. Melvin Ottaway

of Drayton Plains phones that they have a whole hedge of them, now spreading a gorgeous white bloom over the landscape.

Among the eccentricities in animals, a cat in the home of

Mr. and Mrs. Eber Notzing

of Keego Harbor just dotes on radishes, but turns a nasty sniff at onions.

Along comes that annual warning from

Mrs. Paul Frensdorf

of Rochester, that it is against the law to pick wildflowers on the roadside—or anywhere else, even on your own property.

Another good reader of this column,

Mrs. Pearle Felcher

of Birmingham, wonders what she will have to do to get her name in it. You've done it, Mrs. Felcher.

Verbal Orchids to—

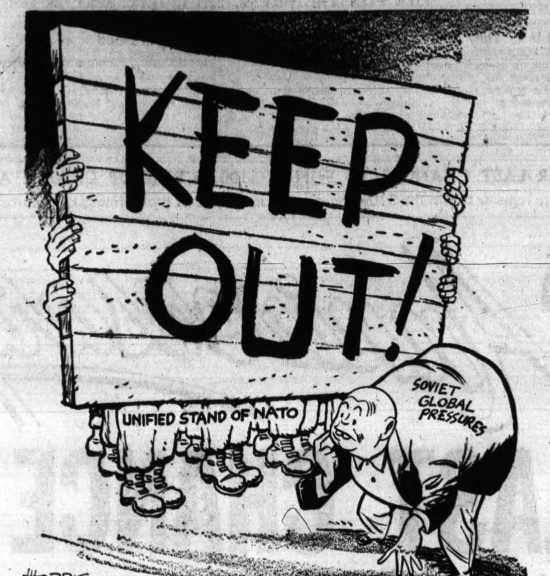
Mrs. Mary Van Arsdale
of 174 Mechanic St.; 81st birthday.

George Findlander
of Bloomfield Hills; 81st birthday.

Miss May Babcock
of Birmingham; 91st birthday.

Mrs. Almira Orthwig
of Walled Lake; 81st birthday.

Mr. and Mrs. G. M. Howell
of Holly; 53rd wedding anniversary.

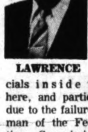


Just So There'll Be No Misunderstanding

David Lawrence Says:

Government Doesn't Know TV

WASHINGTON—At a time when the entire world, with the exception of the Communist-bloc countries, is moving away from government control and state monopoly in television broadcasting, the United States under the Kennedy administration is moving toward government dictation.



LAWRENCE

This may be due to the lack of business background among high officials inside the administration here, and particularly it may be due to the failure of the new chairman of the Federal Communications Commission, Newton N. Minow, to understand the private enterprise system as it relates to broadcasting.

★ ★ ★

For, when Minow says that he wishes the broadcasting stations to alter their programs so as to cater more to the cultural and educational side, he fails to understand that radio and television are supported by the efforts of American businesses to get sales for their products.

The sponsors of television programs pay large sums not only to cover the expense of the mechanical facilities of a broadcasting company but also the entire cost of actors, writers, technicians, producers and other personnel.

The companies which spend their money to sponsor programs naturally want sales so as to pay their own costs of production and their employes. The whole national output of $500 billion a year is directly related to how many and what kind of products will be bought by the public.

NEED MULTITUDE

Television and radio go to a large degree to what is termed a mass audience. The sellers of products want as many potential purchasers as possible to listen to their messages.

There are, of course, some companies whose sales messages are of interest to a limited group, and this includes what is known as goodwill or institutional or financial advertising.

But, for the most part, the companies that use television are interested in reaching the maximum number of listeners.

So, when a government official comes along and says, in effect, that these companies should content themselves with small numbers of listeners, this is tantamount to saying that the advertisers should be content with a lack of effective results and should take the losses flowing from such a curtailed sales effort.

Unless, of course, private sponsors are willing to buy time for programs that will bring to them sales results to justify their expenditures, the television and radio stations will lose money and the government will have to subsidize them.

This means political control and government interference with the operations of private business.

Interestingly enough, Great Britain, which started out with a government-owned and government-controlled television network, without any advertising, now is confronted with the full-fledged competition of a privately established network which not only takes advertising but today has the bigger audiences.

These programs are very much like American TV—in fact, some of the most popular are reruns of American TV shows. The same thing has happened in Canada, in Japan, in Mexico, and in Latin America.

So it is surprising to see the head of the FCC in this country trying to turn the clock back.

For it is inevitable that, if his **threat is fulfilled—to take away station licenses unless they conform to his rules as to the programs that shall be broadcast—then television in America will be paralyzed.**

Smiles

When a man marries a saving chick he's more likely to have a nest egg.

★ ★ ★

Just driving around this spring will make us feel sorry for the man without a country.

★ ★ ★

The smart person doesn't pick an argument even when it's ripe. He just lets it drop.

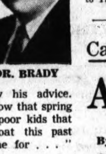
★ ★ ★

Children are always a handicap to grownups who want to lead a dull life.

Dr. William Brady Says:

Try Fresh Air on Children With Large Set of Tonsils

"Grandson, 4, the past winter has gone from strep throat to tonsil-sore throat to just sore throat, so says the doctor. Now his mother has promised the doctor that as soon as the weather evens off she will have him make arrangements to hospitalize the child and remove his tonsils. She says she dreads it . . . and if Dr. Brady knows a better way, she'll be happy to follow his advice.



DR. BRADY

"Please, Doctor, now that spring is here and all the poor kids that have had sore throat this past winter are fair game for . . ." (J.M.C.)

★ ★ ★

Fair game for the tonsil snatchers, the every-day operators, the trick specialists, perhaps. Not for honest doctors.

Half of all children 2 to 6 years of age have repeated attacks of tonsillitis or sore throat.

The offhand application of the term "strep" to any such condition, without bacteriological examination (culture, microscope) is the kind of quackery, credulous customers like — as they do the equally pretentious term "virus." Streptococcus and virus diseases occur, all right, but a doctor can't diagnose them by ear.

If this luckless little boy's history justifies the atrocity, why wait for the weather to change? What has weather to do with streptococcus or other infection?

On second thought, the mother's appeal for a stay of execution is fine. I heartily second the motion from all parts of the hall. Make it effective for 90 days. In that time, if the little boy gets a break—plenty of open-air life without coddling — the chances are his throat and tonsils will be perfectly normal.

I appeal to parents, grandparents, uncles, aunts, big brothers, and sisters of young children who are threatened with tonsillectomy—don't surrender them to the ever-ready operators as though there was no alternative course and you were anxious to have it over with. Don't forget that tonsillectomy is a major operation with a mortality rate of its own — and your child may be the one fated to become a mortality statistic.

Please, young parents, give the little ones with large tonsils a break. Give 'em the fresh air treatment and let 'em live for a season like wild Indians, wearing as little as they and the police like.

★ ★ ★

Signed letters, not more than one page or 100 words long pertaining to eprsonal health and hygiene, not disease, diagnosis or treatment, will be answered by Dr. William Brady, if a stamped, self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

The Country Parson

"Some folks seem to have made up their minds not only what God can do — but what He should do."

Voice of the People:

Director at State Hospital Expresses Appreciation

We wish to thank The Pontiac Press for our working relationship with your paper. Over the years this has been excellent and our staff, patients and volunteers are truly appreciative.

★ ★ ★

We would particularly like to acknowledge the efforts of Harry Reed, Dick Saunders, Mary Anglemier, Madeleine Doeren, Eddie Vanderworp, Art Miller, John Seator, and more recent, Bob Ballyn.

★ ★ ★

Thank you again for your interest in the mentally ill and your dedicated public service coverage.

Ted A. Panaretos, Director
Community Relations Dept.
Pontiac State Hospital

Says Doctors' Fees Are Not Excessive

Blue Cross is the "fall guy" for excessive charges by co-operating hospitals. Insurance companies collect a premium to offset their claims plus operating expenses. These premiums are rigidly controlled by the insurance commissioners. As one who has paid several thousands to doctors and hospitals, I see no excessive charges by the doctors. Doctors work many years to prepare for their profession. Very few of us have the stamina, character or desire to trade jobs with them. In comparison, hospitals secure much of their funds from taxation, grants, donations, volunteer groups and civic organizations. Many hospitals charge all that the public will bear. I took my two-year-old son to Pontiac General for one stitch in his cheek. The doctor's charge was merely $6. The hospital's charge was $12.43. It seems inconceivable that the hospital could ever operate in the red.

Liked Pipe Organ at State Theater

Concerning the letter about saving the State Theater, I know that this person wrote because of nostalgia for the passing era of the big theater pipe organs. I felt the same. It really was entertainment that you don't hear today.

Also Nostalgic

Suggests Directing Business Locally

The area is suffering from low business and unemployment. We seek help from the federal government and the business organizations try to stimulate local business.

★ ★ ★

Local governments obtain funds from businesses and the citizenry. But, when they have expenditures to make, do they make sufficient efforts to direct the business to local employers? Local companies can be reasonably competitive.

★ ★ ★

How about the new buildings? It should be desirable, when possible, to use local architects, engineers, general contractors and subcontractors.

★ ★ ★

Why not specify that the right is reserved to award the contract to one of the two (or three) lowest bidders, without recourse? Therefore, if a local bidder is not competitive he would be out of the running. If he is in close, the city or county would gain in taxes and reduce unemployment.

N. Bressler

Box 119

Tells Why People Turn Communist

Many people have left the capitalistic system and turned to communism. We have given them $85 billion. In practically all the countries, almost all the leaders have been overthrown. Did the money just go to the men at the top?

This is what has driven those people to communism: the greedy millionaires have built their mansions, hired chauffeurs, maids, and nurses. They have taken everything beneath and above the ground and worked the people like slaves. You cannot whip communism with bullets. You've got to with justice.

Case Records of a Psychologist:

Adult Mind Shows Thoughtfulness

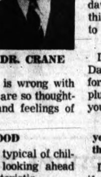
By DR. GEORGE W. CRANE

CASE H-488: Bill E., aged 18, is a talented college man.

"But he certainly is thoughtless," his grandmother informed me.

"Last holiday season, his grandfather and I were visiting at Bill's home.

"We had gone to bed about 11 p.m. Bill was out for the evening. But when he returned, he sat down at the piano.



DR. CRANE

"Normally, I would enjoy his music, but not at 2 a.m. Bill played so loudly it awakened the entire household, including his Dad who was due to get up about 6 a.m. to go to work.

"Dr. Crane, what is wrong with teen-agers that they are so thoughtless of the rights and feelings of other people?"

SIGN OF ADULTHOOD

Thoughtlessness is typical of children. The habit of looking ahead is an adult characteristic.

But many adults never peer very far into the future. In fact, there are millions of married folks who can't even look far enough ahead to live on a budget.

Ideally, however, the best test of adulthood is not how well you can solve mathematical problems in I. Q. exams or match words in vocabulary tests, etc.

★ ★ ★

It consists in how well you can peer ahead of your nose into the future and adapt your behavior accordingly.

So here is a brief analysis of some of the teen-age situations on which you young people can rate yourselves.

TEST OF ADULTHOOD

When you brush your teeth, do you clean off the flecks of toothpaste from the mirror and thus save your mother this chore? Yes or no?

Do you turn on the radio loudly or play a musical instrument after the breadwinners in the family have gone to bed?

Many college students come home for vacation and stay up late at night because they expect to sleep until noon next day.

But their parents must get up at dawn, so foresighted youth should think of this fact and at least try to help their Dad and Mother.

★ ★ ★

Do you teen-agers expect your Dad to do part of your courting for you by using his automobile, plus his gasoline? Or do you pay your way?

Do you make your beds when you arise in the morning and thus save your mother this task?

Do you ever ASK your mother if there are errands you can run or groceries you can get for her? Or do you wait till she calls and scolds and begs and then finally goes herself?

MAN OR CHILD

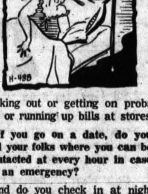
You teen-agers crave so desperately to appear "big shots." You want to avoid the baby role and seem grown-up.

That's why you stampede like silly sheep and smoke or drink or indulge in profanity, reckless driving, etc.

Well, here is how you can really be big. Look ahead and save your parents undue worry, as well as unnecessary expenses.

If they are paying your way through school, are you acquitting yourselves creditably in your school marks?

Or do you load further worry and strain on your parents by



flunking out or getting on probation or running up bills at stores?

If you go on a date, do you tell your folks where you can be contacted at every hour in case of an emergency?

And do you check in at night, so they can at least sleep soundly from 3 a.m. till they must get up for work at 6 or 7 o'clock?

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 4 cent stamped, self-addressed envelope and 20 cents to cover typing and printing costs when you send for his psychological charts and pamphlets.

As a Whole, Americans in Good Shape Financially

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—How are we faring today as consumers, wage earners, debtors, pensioners, taxpayers?

Each of you will have your own individual answer. But the general pattern into which you fit is becoming clearer and in some instances taking new shapes.

As a whole Americans are making more money, spending about as much, taking on new debts but at a cautious pace, paying off old ones better, facing rising costs in some areas of the family budget but getting a breather, at least in others, and finding tax rates on average a bit higher this year than last with chances of relief dim at best.

Employment is inching higher. The Labor Department estimates nearly 68 million are working, while almost five million who want jobs can't find them.

About two million workers will get pay increases this year under previous contracts, and several million more will be seeking higher wage scales.

Highly important to workers is the number of hours a week they'll be drawing their hourly pay. And the work week has started to lengthen, while some companies recovering from the recession are turning to overtime to catch up with increasing orders.

Wages and salaries were running at an annual rate of $374.3 billion in April, a gain of $2.2 billion in a month. This helped push total personal income to a record annual rate of $410.3 billion.

Consumers are expected to increase their spending accordingly. April had put a damper on retail sales—perhaps because the weather was bad in most places and because Easter came in March this year. Those are the reasons given by the nation's big store chains whose sales on average were 7 per cent lower than April 1960.

Buying on the cuff is beginning to pick up along with the weather. After dropping in January and February, instalment debts rose $48 million in March to a total of $42 billion.

This should go higher as auto sales increase. In the first third of May car sales gained although the year so far is still running about 20 per cent behind 1960.

But debtors are finding it a bit easier to meet the payments. The American Bankers Association says delinquencies dropped by 10 per cent in March. In the first four months debtors cut their bank instalment credit by $1.25 billion.

The livelier interest in stock buying gains momentum. Trading on the exchanges runs high and is increasing on the over-the-counter market.

Mutual funds report sales now are far ahead of last year. The National Association of Investment Companies reports sales of its 160 members in April came to $235 million, against $166.6 million the previous year.

For the retired and others living on fixed incomes today's news centers on the cost of living and congressional debates on Social Security changes, including the question of medical aid for the

The cost of living as a whole is holding fairly steady. But some costs, such as health care and rents, continue to rise.

This makes it harder for everyone, but especially for those on fixed incomes, to make ends meet—even when incomes inch higher.

On the tax front the news isn't cheerful. Only a few states and local governments are easing rates. Most are seeking more revenue to meet increased spending.

Hopes of cuts in federal individual income tax rates are all but dead. And Congress is debating the proposal to cut off existing relief on part of the income from stock dividends.

Rumors, Denials Fly About Jackie Buying in Paris

NEW YORK (AP) — Reports and denials flew today on whether Mrs. Jacqueline Kennedy, wife of the President, is still buying Paris couture fashions.

The controversy got started in a Paris dispatch to Women's Wear Daily, New York retailer's paper, which said she definitely is.

The paper said a Paris fashion house "has the First Lady's measurements and the clothes are sent without any fittings."

This promptly infuriated Oleg Cassini, who serves as Mrs. Kennedy's personal designer.

"Not a word of truth in it," he snapped.

He hinted that jealous competitors in the high fashion industry might be trying to muscle in on his coveted role as clothing adviser to the First Lady.

"There is nothing wrong with Mrs. Kennedy's buying Paris clothes if she wants to," he said. "But it hardly seems likely that she would do it without at least informing me—her personal designer. She is much too gracious a lady."

Hospital Ship HOPE Berths After 7 Months

JAKARTA, Indonesia (AP) — The American people-to-people hospital ship Hope berthed today after seven months in Indonesian waters, treating 17,000 patients.

The Hope sails for Hong Kong and drydock inspection the end of this month and then goes to Saigon June 15.

Fighting Cupid Is Plain Stupid, Marshal Feels

SALEM, Mass. (AP)—City Marshal Joseph V. McDonough, ordered by the City Council to close a lovers' lane—the second one in a month, says the city ought to do something for romance instead of fighting it.

★ ★ ★

He said Wednesday night he thought the council ought to establish its own safe parking area for romantic teen-agers.

★ ★ ★

"Of course, the lights should be subdued," he said. "And the place should be policed to protect parkers from holdups.

★ ★ ★

"I'm an old-timer and I don't understand how the other old-timers can forget their days of romance."

Oil Industry Leads U.S. in Capital Investment

CHICAGO (UPI) — The oil industry leads the nation in capital investment, according to Oil Marketer, an industry publication.

★ ★ ★

It spends $64,000 per employe compared with about $15,000 for industry in general.

Highway Funds Alloted to State

$30 Million Tagged by Kennedy for Michigan This Summer

WASHINGTON (AP) — Some $30,509,000 in federal highway funds released a month and a half early were made available to Michigan Wednesday by President Kennedy.

The White House released a total of $818 million in funds not scheduled for release until July 1.

Kennedy took similar action Feb. 2 when he ordered release of $718 million of highway funds not scheduled for release to the states until April 1.

They comprise the allocations to the states for the first quarter of the 1962 fiscal year (July through September) and are unused balances from prior apportionments for the interstate and other highway programs.

★ ★ ★

The White House said that as of April 1, all states except Michigan and Ohio had such balances in amounts exceeding those released by Wednesday's action.

The federal government pays 90 per cent of the cost of the interstate system and 50 per cent of the cost of the secondary and urban programs covered by the allocations.

Set Final Service for Production Man

DETROIT (AP) — Funeral service for Henry R. Krueger, 73, inventor and mass production expert, will be held Saturday in nearby Grosse Pointe Woods. He died Tuesday.

Krueger, who retired last year as president of the Krueger-Barnes Corp., a firm he founded as the H. R. Krueger Co. in 1943, invested some of the original machine tools for the early auto industry.

He was cited by the U.S. and Canadian governments for work during World War II, including perfection of a machine that increased rifle production from five to 50 an hour and for making a machine which produced parts for the first atomic bomb.

He is survived by his widow Elsie and a sister.

Claims Strikes Made U.S. 2nd Into Space

WASHINGTON (AP)—Strikes and labor strife at Cape Canaveral, Fla., may have kept U.S. astronaut Alan B. Shepard from being the first man into space, Rep. Gerald R. Ford Jr., R-Mich., said today.

★ ★ ★

Ford said testimony before the Senate Investigations subcommittee had shown 162,872 man hours were lost at 22 U.S. missile bases as a result of 327 strikes, more than one-third of them at Cape Canaveral.

★ ★ ★

Since witnesses testified that this had delayed this nation's program by as much as six months, Ford said, "this may mean that Alan Shepard could have been the first man in space."

The Russians sent a man around the earth in space on April 12, more than three weeks before Shepard's shorter space flight.

Fabric pests account for more than $2 million damage annually, according to an entomologist at the University of California at Berkeley.

Pontiac Press Photo

SET FOR FAIR—Plans for the Jayno Adams PTA fair to be held from 2 to 5 p.m. Saturday have been completed and members are ready to roll "full steam ahead," according to chairman, Rev. Donald C. Andrews. There will be an outdoor hay ride, pony rides and an exciting fire engine ride. A new concession called "Smash Hit," where the 10 top tunes of the week can be smashed to bits, will be one of the fair features. Clowns, balloons and all the things that make a fair fun will be in operation. From left are the Rev. Mr. Andrews, Mrs. James Johnson and Pattie Vidlund. In the window of the cardboard steam engine are Donna Kaiser, and in the front is Kenneth Dyker.

U.S., Thailand Reveal Harmony on Fighting Reds

BANGKOK, Thailand (UPI) — The United States and Thailand announced full agreement today on military and economic measures to combat Communist penetration of Southeast Asia.

★ ★ ★

In a joint communique, Vice President Lyndon B. Johnson and Prime Minister Sarit Thanarat pledged their countries to "steadfast partnership" in the defense of Southeast Asia and agreed to explore ways of strengthening the Thai armed forces. The two nations are partners in the Southeast Asia Treaty Organization.

★ ★ ★

The communique, issued just before Johnson left for New Delhi at the end of a two-day visit here, said the two leaders "reached full accord on Thai-United States objectives of peace and independence."

State Legislature Criticized by Negro

LANSING (AP)—Michigan's legislature has been criticized by a Negro leader for passing a bill that purportedly would allow racial discrimination in real estate dealings.

★ ★ ★

"The Republican party, prodded by the real estate lobby, bears the major responsibility for this disgraceful effort to turn the clock back in Michigan," said Arthur L. Johnson, executive secretary of the Detroit branch of the National Association for the Advancement of Colored People (NCAAP) Wednesday.

★ ★ ★

Johnson spoke on the steps of the State Capitol here to a group of about 100 persons observing the seventh anniversary of the U.S. Supreme Court order banning segregation in public schools.

May U.S. and Canada Remain United — JFK

OTTAWA (UPI) — President Kennedy's capsule version of relations between Canada and the United States as he voiced it to Parliament Wednesday:

★ ★ ★

"Geography has made us neighbors. History has made us friends. Economics has made us partners. And necessity has made us allies. Those whom nature hath so joined together, let no man put asunder."

Hire-Now Drive Starts; Trained Men Available

One of the usually overlooked features of any prolonged period of unemployment is the amount of highly qualified and skilled workers available to employers when conditions begin to improve.

★ ★ ★

"In normal periods of employment, we usually have too many unskilled workers and too few highly skilled job seekers," says Paul Kimball, manager of the Michigan Employment Security Commission in Pontiac.

"Right now, from all indications locally and nationwide, we are at the end of a high unemployment period. Our files reflect this in the vast amount of well-trained people we have available for placement," he asserted.

Kimball and his staff are joining this week in kicking off a nation-wide Hire Now drive. The campaign has been endorsed by both the governor and Pontiac Mayor Philip E. Rowston.

The local MESC staff is currently doubling its efforts to encourage employers to hire people now. Staff members are going to the prospective employers personally.

★ ★ ★

"Most economic trends point to a rapid improvement in business conditions," says Kimball. "The time for employers to get a top drawer crop of highly qualified job applicants is now.

"These applicants will be the first to be placed. Employers who adopt a wait-and-see attitude will not have the quality to choose from," Kimball explained.

This was the case in 1958, according to Kimball. He explains that at the close of the 1958 recession a vast number of quality applicants was available.

"We sponsored the same campaign then with excellent results. The skilled applicants were hired at a rapid rate," Kimball says.

Mayor Rowston urged local support of the Hire Now campaign in an official proclamation early this week.

Travel in France Paralyzed by Strike

PARIS (UPI) — A nationwide strike by nearly 500,000 French workers protesting against President Charles de Gaulle's economic austerity program left the nation's railroads and Paris transportation services virtually paralyzed today.

★ ★ ★

Electricity and gas works employes started a four-hour stoppage of their own this morning after railwaymen and subway and bus workers walked off their jobs several hours earlier.

The strikes created traffic havoc as tens of thousands of Parisians had to fight their way to work this morning by foot, bicycles, motor scooters or in cars that rapidly became bogged down in bumper-to-bumper jams.

It's Time to Register for Driver Training

Registrations for driver training classes are now being taken at Waterford Township High School for the summer session. There is no fee for this course, but a student must be 15 years of age by the first day of class to qualify.

The first session will begin June 19 and continue until July 21. The second session is from July 24 to Aug. 24. Classes will meet three hours a day, at 7 to 10 a. m.; 10 a. m. to 1 p. m.; and from 2 to 5 p. m.

A student may register for the session and class schedule he prefers, also noting a second choice. Registration may be made in person or by telephoning the high school.

Berserk Patient Kills 2, Stabs 4

Nurse and Orderly in Texas Hospital Quickly Die; Others Cut

HOUSTON, Tex. (AP)—A berserk mental patient stabbed to death a nurse and an orderly in a locked hospital ward Wednesday night and then stabbed four more persons.

Police shot and captured him as he sang hymns and quoted from the Bible.

★ ★ ★

Ted Bowen, administrator of Methodist Hospital, identified the patient as Charles E. White, 36, a machine operator.

Dead were Gladys Lucille Foreman, 49, whose throat was cut, and James Newton, who was stabbed in the chest and stomach.

★ ★ ★

Injured were Anne Porter, 21, a student nurse, cut on the throat; Ruth Gordon, 62, nurse, stabbed in the chest and stomach; Edna Fuller, 45, medical supervisor, stabbed in the stomach; and Otto Voigt, 54, a patient, stabbed in the lower back. Mrs. Gordon was in critical condition after surgery. The others were in fair condition.

First U.S. Flag in Space to Fly in Philadelphia

COCOA BEACH, Fla. (AP)—The first American flag carried into space will be raised atop Philadelphia's Independence Hall July 4.

The flag, which belongs to the Cocoa Beach Elementary School, rode aloft in Alan B. Shepard Jr.'s space capsule May 5. It was placed in the spacecraft by Project Mercury officials.

Robert B. Fritz, school principal, said the Citizens Freedom Week Committee of Philadelphia had requested the use of the flag for July 4. He added the flag will be returned here after the ceremonies.

State Dems to Hold Leadership Confab

LANSING (AP) — Democrats will hold a statewide leadership training conference for local party officials at Lansing Saturday with emphasis on the upcoming election of delegates to the constitutional convention.

John J. Collins, state chairman, said county chairmen and vice chairmen and other party officials have been invited and an attendance of about 200 is expected.

Speakers at the Civic Center gathering will include Gov. Swainson and U.S. Sen. Philip A. Hart.

No Limit to Service

LONDON (UPI) — A self-service store exhibited this sign following an accident in which a bus crashed into it: "The first drive-in self-service shop."

Mao Tze-tung in Bad Trouble

Many Crop Failures in Red China Make Nation Lean on Moscow

WASHINGTON (UPI) — Red China is in serious economic trouble, according to information received in Washington.

American officials said today that the Peiping regime was being forced by successive crop failures into greater dependence on Russia.

There are some indications that Moscow is making sure that its Far East partner acknowledge this dependence and all that it means to Sino-Soviet relations.

Red Chinese leader Mao Tze-tung's "great leap forward industrialization drive, already slowed by earlier difficulties, will stall unless Soviet Premier Nikita Khrushchev comes to the rescue, officials here believe.

STILL MEETING

Negotiations on this year's Soviet aid agreement were recessed in Peiping in March, resumed in Moscow in April and still have not been concluded.

Possibly because of this delay, the annual spring announcement of Communist China's production achievements for the previous year and goals for the new year still has not been made.

Red China's bare foreign exchange treasury and prospects of mounting trade deficits leave it no alternative but to seek more help from Moscow, U.S. officials said.

Emergency food imports were believed to have nearly wiped out Communist China's foreign exchange reserves.

A record of 622 bears was taken by New York hunters during the 1960 big-game season. The figure was 108 more than the previous high of 514 in 1958.

Takes Influence to Get Abrasive on Stairway

AUSTIN, Tex. (UPI)—For years the slippery stair to the University of Texas Biology Building have claimed students as fall victims. Suddenly a janitor appeared with an abrasive material to give footing on the stairs. The students got their answer. "A professor fell today," the janitor said.

Wolf packs are made up of one or more family units with added stragglers. They cooperate in hunting and killing their food.

Delivery a Little Slow, but Mail Gets Through

SHERIDAN, Wyo. (AP) — Joe Lupezovetz of Sheridan received a postcard recently from his cousin, John L. Lupezovetz. It was mailed in Coalmont, Colo., July 1, 1912. His cousin John has been dead dead for several years.

About 18 per cent of Arizona is privately owned and 14 per cent is controlled by the state. The federal government owns 41 per cent, 26 per cent of it is Indian reservations.

Making Survival Kits

NEW YORK (UPI)—A New York firm, Suviv-all, Inc., is offering for $5.98 a survival kit of 24 pounds of canned food —, guaranteed to keep a person alive and healthy 14 days in case of atomic attack.

The Plebe's Expectation Was More Than Fulfilled

BUFFALO, N. Y. (AP) — Louis T. Byrne was an upperclassman at West Point in 1914, and one day was giving a plebe a "going over."

"I suppose you expect to become a general?" Byrnes asked.

"Yes, sir, I do, sir," replied Dwight D. Eisenhower, the plebe.

Foreign screenings account for about 38 per cent of the profits of the U.S. movie industry, according to the U.S. Department of Commerce.

Translation Trouble

NEW YORK (UPI)—An electronic computer used in a government office to translate a Russian engineering report into English confused engineers by referring repeatedly to a "water goat"—instead of a hydraulic ram.

Army Seems Ready to Fight for Manpower Increase

EDITOR'S NOTE: What's become of the Army's request for more men? Bem Price, veteran Associated Press writer who specializes in military affairs, examines the Army's manpower situation in the following article. And—using unclassified figures and information—he analyzes the Pentagon's airlift and sealift problems.

By BEM PRICE

WASHINGTON (AP) — A high Army source said today the Army's request for 55,000 men to beef up the nation's limited war capability had been scuttled "somewhere above the Joint Chiefs of Staff."

This placed the decision with Secretary of Defense Robert S. McNamara or in the White House.

FIRST HINT OF FIGHT

The interview with the Army source was the first hint that the Army intends to fight for the manpower increase despite administration orders to shut up.

Meanwhile, the Army is circulating extracts of President Kennedy's special message to Congress on defense to its top brass as a reminder of what the President said about the need to meet nonnuclear war threats.

Presumably the Army intends to use Kennedy's own words to support its position that an increase is needed.

Nearly eight years ago Gen. Maxwell D. Taylor, then chief of staff, said the Army's minimum need was 925,000 men if it intended to sustain its current military commitments and meet limited war threats.

★ ★ ★

This estimate of Taylor has been accepted by the two succeeding Army chiefs of staff — Gen. Lyman L. Lemnitzer and Gen. George Decker.

AUTHORIZED 875,000

The Army is now authorized a total strength of 875,000 men, including a 5,000 man increase in guerrilla warfare forces.

Most of the Army's proposed manpower increases would be used to bring below-strength divisions up to par and to add one extra combat division.

Among the selections from the Kennedy speech bring distributed by the Army are these words:

"I recommend the following: "Strengthened capacity to meet limited and guerilla warfare.

★ ★ ★

"Increased flexibility of our conventional forces: our capacity to move forces in sizable numbers on short notice and to be able to support them in one or more crisis areas could avoid the need for a much longer commitment later."

AIR FORCE GAINS

Since Kennedy became President, the Air Force has been authorized to acquire 129 additional aircraft in 1962 to improve airlift.

Even so, the source said, the airlift and sealift picture remains dismal.

He pointed out that an unclassified briefing on airlift capabilities given in the administration of President Eisenhower by Army officers concluded that it would take at least four weeks to transport two Army divisions from the United States to Southeast Asia by air.

★ ★ ★

He noted, too, that if one division were to be committed to Southeast Asia and the second to the Middle East the move could not be accomplished by air in much less than two months.

There are 700 transport aircraft in the airlift inventory, the source said, and 500 are classed as operational at any one moment.

INCLUDES CIVIL PLANES

The movement of the two divisions by air, he continued, would use not only all available military aircraft but would force the Army to dip into the civilian reserve air fleet—commercial airliners.

★ ★ ★

Both completion dates for the movements, the source said, are predicated on the assumption that the Strategic Air Command would have no need to use any of the planes during the crisis period.

If SAC had a use requirement, he said, the time schedules would have to be stretched.

Once one airborne battle group —1,832 men—is placed in an assembly area it takes another 120 C130 cargo aircraft to drop the men and their equipment in the battle zone.

As for sealift, the Navy has the ability to carry only 1½ reinforced Marine divisions — about 40,000 men.

Further, most of the Navy's troop carriers are incapable of maintaining the 20-knot speed the Navy believes is necessary to avoid submarine threats.

The Navy and Marine Corps would be hard put to place a combat division aboard ship and transport it 10,000 miles in less than 30 days. If the division departed the East Coast, where there is sea lift for only half a division, it would take much longer, of course.

The source noted that none of the foregoing information is secret, that it would be almost impossible to conceal anyway.

Western Governors Are Mixed on JFK

By MORRIE LANDSBERG

SALT LAKE CITY, Utah (AP) —President Kennedy, a 1960 election loser in the West, drew mixed reaction from Western governors on his showing in his first five months in office.

Both Democrats and Republicans — there are six of each at the Western Governors' Conference which winds up today—said it's too early to judge the administration's domestic program.

Kennedy carried only two of the 13 Western states—New Mexico and Nevada — in last year's election.

Gov. Edmund C. Brown of California, a Democrat, in an Associated Press survey, expressed disappointment over the Cuban situation but said the administration inherited some serious problems.

Republican Gov. Mark O. Hatfield of Oregon said people in Oregon were dismayed that "more astuteness was not exercised in the Cuban debacle so as to prevent it from becoming a debacle."

He said people showed great sympathy for the President, feeling he's in a tough spot in dealing with Communist moves but as for Cuba, "he pulled a boner, and that's it."

Another Republican, Gov. Robert E. Smylie of Idaho, said the administration has sustained some reverses. However, he said he didn't believe Republicans should be publicly critical.

Democratic Gov. Albert D. Rosellini of Washington said, "The administration got off to a good start on domestic problems." "We've seen the benefits already in extended unemployment insurance and surplus food.

"On the international scene, there have been some unfortunate developments. I'm not blaming anyone on Cuba and Laos. It just happened that President Kennedy was in office when the troubles exploded.

Republican Gov. Paul Fannin of Arizona said it was hard to assess Kennedy's performance in "these trying times," although he added it's evident that the President slipped up on Cuba.

Introduces Bill to Give Training to Our Oldsters

WASHINGTON (UPI) — Sen. Pat McNamara, D-Mich., chairman of the Senate Committee on aging, has introduced a bill calling for establishment of a senior citizens service training program.

★ ★ ★

McNamara said the program would help to provide "opportunities for our growing retired population to engage in activities that would give them a greater sense of usefulness and contribution than many now have."

He said the bill would establish training and refresher programs for developing within the group of willing and able retired Americans the necessary skills for meeting shortages in such vital fields as health, education and welfare.

★

McNamara said part-time jobs, primarily, would be filled through such an effort.

Security Check Ordered for RAF, Air Ministry

LONDON (AP) — Air Minister Julian Amery announced Wednesday he has ordered a check on security in the Royal Air Force and at the air ministry.

He made the announcement in the House of Commons after a laborite asked for assurances that security in the RAF had been strengthened in view of disclosures at two recent espionage trials "of prolonged and successful espionage in the foreign office and the royal navy."

U. S., Reds Both Top Phases of Space Race

EDITOR'S NOTE: Russian rockets are considered twice as powerful as those of the United States. The United States, however, leads in space science. What are the prospects of one country surpassing the other? These and other possibilities are explored in the following dispatch.

By JOSEPH L. MYLER

WASHINGTON (UPI) — It will be years before the United States catches up with Russia in space power. It may be years before Russia catches up with the United States in space science.

The Soviet rocket that put Yuri Gagarin into space was more than twice as powerful as America's Atlas. U.S. space experts estimate its power at 800,000 pounds of thrust.

The American Redstone rocket that hurled Alan Shepard from Cape Canaveral, Fla., to a splashdown 302 miles away had a thrust of 78,000 pounds.

The Atlas missile, on which space officials depend to put the first American in orbit late this year or early next, is rated at 360,000 pounds.

By 1964 we may have in operation a booster generating 1.5 million pounds of thrust. But so, by then, may the Russians.

★ ★ ★

Considering the power at their disposal, what have the two countries accomplished to date?

Russia put up the first earth and sun satellites, made the first hit on the moon, took the first photographs of the moon's far side, and launched the first animals — including a man — into orbit.

Soviet spacecraft have been big and heavy, weighing up to 7 tons. Few of ours have weighed more than a ton.

CONTRIBUTE TO SCIENCE

But the smaller U.S. satellites and probes have done far more for space science than the beefier, crude Soviet spacecraft. This country:

★ ★ ★

—Discovered the radiation belts around the earth.

—Set a distance record of 22.5 million miles for radio communication in space.

—Reaped an unequaled harvest of information about interplanetary radiations and magnetic fields, and about earth-sun relationships.

—Put up the first weather, communication, navigational, surveillance, and astronomical satellites.

—Retrieved the first spacecraft from orbit.

Aside from these, America's proudest space achievement has been this: What we did, we did openly. We are sharing our scientific discoveries and practical benefits with the world. The world witnessed our failures, but it also witnessed, and so could not doubt our successes.

The Russians have never conducted a public launching. They have been slow to publish their scientific findings. They have concealed their failures.

BELIEVE RUSSIANS

U.S. space officials and scientists believe without reservation that the Russians have done everything in space they say they have.

But many ordinary people the world over still ask: Did they really hit the moon? Did they really take pictures of the moon's other side? Did Yuri Gagarin really go into orbit?

Nobody anywhere, however, can have the slightest doubt about Alan Shepard's ride. Nor can anybody anywhere doubt that it took courage, skill, and confidence to bring off Shepard's feat, not under the protection of totalitarian secrecy, but in the open with all the world watching.

French Get Instructions for Talks With Algerians

PARIS (AP) — The cabinet adopted instructions today for the French delegation which will meet Algerian nationalist rebels in peace talks at Evian-Les Bains Saturday. It didn't announce what those instruction are.

But President De Gaulle has laid down a formula that would offer Algeria eventual independence, with continued French economic aid, in return for adequate guarantees for the 1¼ million European settlers.

High School Journalists Will Gather at U. of M.

ANN ARBOR (UPI) — The 34th annual meeting of the Michigan Interscholastic Press Association will be held Friday at the University of Michigan.

★ ★ ★

More than 1,200 Michigan high school publication advisers and student journalists are expected to attend.

Albion College Gets $8,200 Research Grant

ALBION (UPI) — Albion College has received a grant of $8,200 from the National Science Foundation for biological research.

The research will be carried out by Dr. Pearl Liu Chen, a native of China and assistant professor of biology at Albion.

Field Trips Benefit Children

Pontiac Press Photos

BLOOD TYPED — The girls in a group of Crary Junior High School students seemed more interested than the boys in the blood-testing operation demonstrated by assistant medical assistant Mrs. George Regal at the Oakland County Health Center. More than 7,000 tests have been run free of charge this year for people who cannot afford to pay for the work.

FOOD FOR THOUGHT — August Eichhorn, science teacher at Crary Junior High School, Waterford Township, explains the vacuum tube structure from an X-ray unit to some of his pupils as they paused in a tour of the Oakland County Health Center. Field visits are organized by the center's officials to correlate with subject matter the children are studying in their classrooms.

ABOUT SKIN AND BONES — Oakland County Public Health Nurse Mrs. Daniel Allen explains the operation of the circulatory system to Crary Junior High School students. Many student groups are taking guided tours of the Health Center twice a week, learning about the construction of the human body and the center's operation.

By REBA HEINTZELMAN

Field trips for school children have proven to be a major educational advance, according to instructors and Oakland County has a fine laboratory for teaching at the Health Center on Telegraph Road.

Elementary and junior high school students may tour the Public Health Department facilities and obtain first-hand information on the functions of the heart, the construction of the ear, and learn why care of the teeth is important.

For the older children there are informative talks presented in the comfortable auditorium, before they visit the various departments.

★ ★ ★

They listen to experts in the fields of medicine, veterinary science and sanitation. Intricate instruments, their construction and care, are demonstrated in the modern laboratory on the lower level of the brick building.

★ ★ ★

Children in elementary school are seated at round tables in groups of eight and given modeling clay, bottles, straws and alcohol to make "thermometers."

★ ★ ★

A discussion leader at each table explains the operation of the heart, circulatory system and blood pressure. The mystery of how a body functions is gone into at the end of these informative "live sessions."

★ ★ ★

According to Dr. John D. Monroe, director of the county health department, the purpose of these visits is two-fold.

STIMULATE INTEREST

One is to acquaint school children with department facilities and services, and public health objectives; and the other is to stimulate interest in learning about the body and living environment which will result in good health practices in later life.

★ ★ ★

More than just a "tour," the field visits provide learning experiences for children by getting them involved in different health projects. The trips are intended to supplement a child's learning experiences in school.

★ ★ ★

As the children move from one department of the Health Center to another, their minds become stimulated by actually seeing and doing things that they merely read about in books.

Take the dental department. The children see the difference between a regular toothbrush and a "nature toothbrush." Dental tools are explained, and emphasis placed on periodic dental checkups. This instruction helps to alleviate fears of the dentist.

★ ★ ★

The children are also shown the work done at the center. Approximately 300 children a week receive dental services free.

Appointments are made by local school principals, and children who cannot afford care are accommodated at the South Oakland office in Royal Oak as well as at the Health Center.

More than 7,000 laboratory tests were run this year for private physicians, hospitals and public health personnel—free of charge. Food, water, milk, blood, urine specimens and other substances were examined for bacteriological and chemical content.

★ ★ ★

More than 600 school children on field trips have been "guests" at the center this year, according to William Harsen, center health educator.

★ ★ ★

He added, "We believe that children have a mental spark for learning, and our aim is to help school teachers keep this spark glowing."

NEW EQUIPMENT INTERESTING — Teen-agers are genuinely interested in a new type of blood-plasma container held by Mrs. Robert Boyer, a medical technician at the Oakland County Health Center in Waterford Township. The group of Crary Junior High School students learned about the storage, testing and examination of blood plasma.

Scrubbing Party Kicks Off Holland's Tulip Festivities

HOLLAND (AP)—"These streets are dirty!" declared Mayor Nelson Bosman, or words to that effect.

With that, 500 men, women and children proceeded to dash buckets of water on the main street of Holland and scrub it down.

As streets go, Eighth Avenue wasn't very dirty. And as street scrubbers, the women in the high starched caps and the billowing skirts weren't very thorough.

But it was all for ceremony and show. Cleaning of the main street traditionally opens the famed Tulip Time Festival in this Lake Michigan town where a good share of the 24,777 inhabitants have Dutch blood running through their veins.

A crowd approaching 20,000 lined the downtown streets Wednesday for the opening ceremonies and a parade of floats, bands and local citizens garbed in costumes of old Holland.

Before the weekend is out, city officials expect more than 250,000 visitors to view the festivities and the hundreds of thousands of multihued tulips that line the streets, flank the City Hall, color the parks and stretch in long lines in the tulip farms outside the city.

Four days of bright sunshine last week and this brought the tulips into bloom, dashing fears that they wouldn't be ready for the festival.

SWAINSON QUIPS

Canadian-born Gov. John B. Swainson, who stems from Scotch-English-Danish stock, appeared in Dutch costume to review the parade and help pretty, 18-year-old Leona Dreyer wield a scrubbing broom. With his straw-colored hair and ruddy complexion, he almost passed for a Dutchman.

Swainson, who lost both his legs in wartime combat, had trouble wearing his wooden shoes.

"Somebody hand me a nail," he quipped adding with a grin, "this guy Williams is a hard man to follow."

Former Gov. G. Mennen Williams missed only one tulip festival in 12 years in office, and delighted in trying to learn the klompen dances.

★ ★ ★

For 20 minutes, the asphalt surface of Eighth Avenue echoed to the "klomp, klomp, klomp" of 300 poplar-wood shoes as 300 Holland High School girls gave a demonstration of the skipping, kicking, stamping folk dances of the Netherlands.

★ ★ ★

There's another parade today, featuring thousands of school children in Dutch costume. More klompen dancing, more street scrubbing, costume shows, a contest of barbershop quartets, the annual tulip time varieties, a parade of bands and various other festivities are to follow.

City fathers, and city police voice one warning: Don't pick the tulips.

If you're caught, the usual fine is $5 a bloom.

Wanted: A 'Let George Do It' Robot Pal

By HAL BOYLE

NEW YORK (AP)—Everybody has a dream pal. I have one, too. I call him George Rustproof.

If science really wants to do something for mankind, it will quit worrying about the problems of outer space, and do something about those of inner space.

It will do something about removing the pressures of civilization that weigh on us all. And the best way I can think of for science to do that is to create millions and millions of George Rustproofs—at least one for every home.

Just who is this George Rustproof? What is he like?

Well, George is my dream version of the genie that sprang to attention whenever Alladin rubbed his magic lamp. He is a metal slavey, a robot if you will, but a collection of animated wires, nuts and bolts loyal to your every purpose.

George is the kind of true-blue friend everyone yearns for from birth. He may be only an electronic buddy, but if you just change his batteries once a month that's all he asks. He never borrows money.

★ ★ ★

How many friends like that does a fellow find in the average lifetime?

DOESN'T ASK FAVORS

George isn't the kind of buddy who asks favors. He's the kind that isn't happy unless he's doing something to make you happy. His motto is: "Let George do it."

★ ★ ★

If you wake up in the morning feeling tired, George carries you gently to the bathroom, shaves you, then dresses you and stuffs a little spending money in your pocket. He's the ideal valet.

★ ★ ★

Better than that, he's also the ideal maid. He'll do all your wife's housework, run her errands, talk to her, listen to her, then gallantly escort her out in the evening if you'd rather stay home.

DOESN'T ARGUE

If the children don't want to go to bed on time, George doesn't argue with them. He simply picks them up by the scruff of their neck, brushes their teeth—and tosses them bodily into their bunks.

★ ★ ★

At parties George mixes and serves the perfect martini, then politely but firmly throws out into the hall any guest who asks for a third one for the road.

★ ★ ★

Oh, George does a lot of other things. He'll stand in line for you to buy theater tickets. He'll push an old lady out of the way to get you a seat on the bus, or, if you're driving somewhere, lope ahead and find you a parking space. He remembers to buy presents for your wife on every anniversary.

★ ★ ★

He stands ready at the door to fight off bill collectors or burglars.

★ ★ ★

George is also ready at any time, whenever you're feeling blue, to sit down and let you tell him the long sad story of your life. His little red button eyes gleam with affectionate appreciation. Now and then he runs around, pats you on the back and murmurs huskily, "Gee, Buddy, how can one man put up with so much and still keep smiling through?"

HAS ONE FAULT

If George has a fault, it is this: You have to watch him to keep him from turning over the television set and trying to choke it to death. But this is because he thinks it is a rival trying to take his place.

★ ★ ★

As I said earlier, George Rustproof is just a dream pal. But lately I find myself dreaming about him more and more.

★ ★ ★

Wouldn't it be nice if science, instead of creating the kind of Frankenstein monsters it is turning out now, would spend a few billion bucks manufacturing about 60 million good old lovable machine-made friends like George Rustproof?

Bob Kennedy Asks Club to Drop Negro Policy

WASHINGTON (AP) — Atty. Gen. Robert F. Kennedy has asked the Metropolitan Club of Washington, one of the most exclusive private organizations in the city, to abandon its policy of not admitting Negroes as members or guests, it was learned Wednesday.

Kennedy declined to comment. However, it is understood he has indicated to the club's board of governors that he will drop his Metropolitan membership unless the racial ban is lifted.

Gets New Dow Post

MIDLAND (AP)—Donald K. Ballman has been named to the new post of Dow Chemical Co. Vice President of Marketing, Purchasing and Distribution. Ballman has been a vice president since 1959.

Present estimates indicate there will be about eight million men from the ages 20-25 in the United States by 1965, a sharp upward trend.

Aerial Survey of Roads Ends; M24 Included

The State Highway Department today said it has completed an extensive aerial survey and mapping program on more than 300 miles of Michigan highways, including M24 in Oakland County.

State Highway Commissioner John C. Mackie said the transfer of information on the aerial photographs to contour maps by the Photogrammetry Division will start next week.

BEGAN IN APRIL

The aerial survey started early in April after the snow had left the ground. It had to be completed before trees became covered with foliage, obscuring land contours.

Mackie said the completed maps will be used to help highway department engineers develop plans for relocation of some highways and modernization of others. The maps also will be used to prepare final construction plans.

On most aerial surveys, a corridor one-half to three-quarters of a mile wide is photographed. Ground survey crews then establish points of reference, or ground control networks, which enable photogrammetry personnel to develop contour maps from the aerial photographs.

Mackie said the Michigan State Highway Department started extensive use of aerial surveying in 1937, when the first five-year road building program was started. The shortage of engineers for survey work plus the tight scheduling of construction work led to photogrammetry design techniques to insure meeting deadlines.

Freight Transfer Okayed

LANSING (AP)—The State Public Service Commission has approved a petition of the New York Central Railroad to transfer freight service from six area depots to Hillsdale. The central point will service freight from White Pigeon, Sturgis, Coldwater, Quincy, Kitchfield and Montgomery.

Berlin Philharmonic Plans 4 State Concerts

BERLIN (AP) — Four concerts are planned in Michigan by the Berlin Philharmonic Orchestra on its third postwar tour of the United States and Canada this fall.

The tour opens at Carnegie Hall in New York Oct. 27 and includes performances at Detroit, Ann Arbor, Flint and East Lansing.

Will Name Park for Ex-Official

Lloyd B. Reid to Be Honored With Other Former Commissioners

A roadside park in Calhoun County will be named in honor of former State Highway Commissioner Lloyd B. Reid, it was announced today.

★ ★ ★

State Highway Commissioner John C. Mackie said Reid and seven other former commissioners will have parks named after them in recognition of their "outstanding contribution" to Michigan's growth during the last 50 years.

Naming of the parks after the former commissioners is part of the highway department's observance of Michigan Week and National Highway Week May 21-27.

Mackie said the park to be named after Reid is located on M60 about two miles west of U.S. 27 near Tekonsha.

Reid was appointed highway commissioner in 1942 to complete the unexpired term of G. Donald Kennedy, then of Pontiac who resigned, and he served until July 1, 1943.

★ ★ ★

He was born in 1901 in what now is the city of Clawson. He attended Birmingham High School and Michigan State University, and was graduated from the University of Michigan with a civil engineering degree.

Reid worked as an engineer in Detroit, Pontiac and Grand Rapids, and was Bloomfield Township Engineer before joining the Highway Department in 1933.

With the highway department, Reid served as district assessment engineer, assistant maintenance engineer, director of finance and deputy highway commissioner before his appointment as highway commissioner.

After leaving the highway department, Reid served as traffic engineer for Detroit and also organized the first traffic department in New York City.

He now lives in Detroit and operates a traffic consulting engineering firm.

An automobile oil filter will remove a pound or more of dirt and sludge from the car's oil in a period of 5,000 miles average driving.

U.S. Refused Late Plea to Intervene in Korea

EDITOR'S NOTE: The following dispatch reports that the United States rejected a dramatic last moment plea that U.S. troops intervene against the Korean rebels who this week overthrew the government of Premier John M. Chang. Highly qualified sources tell for the first time of the maneuvering which preceded the coup.

By PHIL NEWSOM
UPI Foreign News Analyst

Highly qualified sources said today that the man who has been named chairman of the Korean revolutionary committee actually made a last minute plea to U.S. Gen. Carter B. Magruder for U.S. troop intervention to stop the revolt.

★ ★ ★

Magruder, commander of U.S. and United Nations forces in Korea, turned him down, apparently from Washington for such a situation.

The man who made the secret predawn plea was Lt. Gen. Chang Do Yung, Korean army chief of staff.

The sources say Chang is a figurehead and that intricate behind-the-scenes political negotiations which have followed the coup, show that the revolutionary committee may have had less strength than first appeared.

★ ★ ★

This is how they tell the story:

The real driving force behind the revolt was not Gen. Chang as announced but Maj. Gen. Pak Chong-hui, deputy commanding general of the Korean 2nd Army and now vice chairman of the military junta.

★ ★ ★

It was Pak who gave the signal for the assault. Chang almost instantly made his plea to Gen. Magruder.

REFUSED QUICKLY

Magruder refused so quickly he could not have stopped to consult Washington. Presumably, he acted under standing orders for such a situation.

There is evidence that Chang played a middle and changing role. At one point before the coup he issued orders that no troops under his command would take part. During the weeks before the coup he sought a moderate course.

He did not at first back the rebel group. Nor did he call in outlying Korean troops either to support or oppose it.

There is strong evidence that Premier John M. Chang had information on the coup weeks in advance, knew many of the leaders and that Pak was the ringleader. It appeared the premier did not know the extent to which Gen. Chang, one of his most trusted officers, would be involved.

★ ★ ★

Only about 4,000 troops out of a total army of more than 500,000 took part.

One contributing reason for this undoubtedly was Gen. Magruder's statement calling on the whole army immediately to restore control to the overthrown government. The American Army always had had strong influence on the Korean military.

Had the United States appeared to support the coup, or even said nothing, there would have been a greater chance that army commanders outside Seoul would have joined the rebellion sooner than they did.

CIVIL WAR

On the other hand, had they attacked the rebels, the result would have been civil war in a country already partitioned and a weakening of the border guard against the Communist north.

Instead, there began what one source called "the vastest political negotiations ever." Those negotiations still are going on in Seoul and all over South Korea.

In these, Gen. Chang may play a key role.

The source said the rebel generals "are negotiating with the United States, with overthrown leaders, with other army officials and with each other."

It still was not clear which group would emerge on top.

The rebel camp is known to have planned its moves deliberately to coax U.S. support.

Rebel decrees stressed anti-Communism and pro-Americanism. There was a preplanned effort to limit bloodshed.

★ ★ ★

Only a handful of persons were killed in the whole revolt. There was no attempt to kill overthrown leaders. They were placed under detention and some were not rounded up at all.

In the negotiations now going on, several groups which could make trouble have not yet come forward. One group is the students, who a year ago toppled President Syngman Rhee. Another is the local Communists. The North Koreans also have so far stayed in the background.

Cigar Makers Believe in Meeting the Demand

NEW YORK (UPI) — The ever-reaching arms of the status seeker have now reached the cigar maker.

★ ★ ★

On the assumption that young cigar smokers shy away from cigars that make them feel osten-tatious, a new graceful, cordovan brown cigar now is being manufactured, trade sources report-ly on the basis of standing orders

Buzzing Electric Razor Puts Aviator on Edge

PARIS (AP)—A pilot at Orly Airfield rushed to inform police Wednesday night when he heard a strange buzzing coming from the washroom of a plane he was about to fly to Africa.

★ ★ ★

The pilot feared someone had planted a time bomb. Police cautiously opened the washroom door —and found an electric razor that someone had left plugged in.

Pontiac, Nearby, Area Deaths

MRS. ANNIE E. GORDON

Service for former Pontiac resident Mrs. Annie E. Gordon of 21025 Parkside, Ferndale, will be held at 2 p.m. Friday at the William F. Davis Funeral Home.

Mrs. Gordon, 89, is survived by a daughter, Mrs. Willie D. Lester of Mt. Clemens, and a sister.

She died Tuesday after an illness of 18 years.

HOWARD W. La RUE

Howard W. La Rue, 61, of 2491 Dixie Highway, Waterford Township died unexpectedly yesterday at Pontiac General Hospital.

Mr. La Rue had retired in 1959 from the experimental engineering department at Pontiac Motor Division where he was employed for 31 years.

He was a member of Eastgate Lodge No. 508, Detroit, Scottish Rite and Moslem Temple.

Surviving are his wife, Alida; and a sister.

Service will be held at 1 p.m. Saturday at the Voorhees-Siple Chapel with cremation at White Chapel Memorial Cemetery. Graveside service will be conducted by Pontiac Lodge F&AM No. 21.

MRS. BLANCHE V. McARTHUR

Mrs. Blanche V. McArthur, 65, of 27 Palmer Ct. died yesterday at St. Joseph Mercy Hospital after a long illness.

She was a member of the Church of Christ at Sylvan Lake. For many years she had been employed at Fisher Body Division, Livonia.

Survivors include two sons, Edward J. of Waterford and Howard E. of Drayton Plains; three grandchildren; two brothers and two sisters.

Service will be held at 2 p.m., Saturday at the Pursley Funeral Home with burial in Perry Mount Park Cemetery.

MRS. WILLIAM MANNING

Service will be held at 2 p.m. Saturday at the Lake Street Church of God for Mrs. William (Estella M.) Manning of 517 Branch St. Burial will be in Oak Hill Cemetery.

Mrs. Manning, 66, is survived by her husband; and two daughters, Mrs. Marion Moss and Mrs. Elnora Moss, both of Pontiac.

She died Tuesday at Pontiac General Hospital after an illness of several months.

Arrangements are by the Frank Carruthers Funeral Home.

MRS. ROBERT N. MASSIE

Mrs. Robert N. (Ethel B.) Massie, 65, of 4939 Fiddle, Waterford Township, was taken suddenly ill last night and was dead on arrival at Pontiac General Hospital. She had been in ill health several months.

Mrs. Massie was a member of Sunny Vale Chapel and the Waterford Bunco Club.

Surviving are her husband; a son, Gerald of Toledo, Ohio; a daughter, Mrs. James Sasser of Pontiac; three grandchildren; a sister and a brother.

Mrs. Massie's body is at the Pursley Funeral Home.

GLEN O. STEINHELPER

Glen O. Steinhelper, 70, of 444 Osmun St. died yesterday St. Joseph Mercy Hospital. He had been ill three months.

He was a retired employe of General Motors Truck & Coach Division and a member of Elks Lodge No. 810.

Mr. Steinhelper leaves his wife, Laura; two daughters, Mrs. John Downer and Mrs. Julian Graham, both of Pontiac; three sons, Richard Deason of Madison Heights, Robert V. Deason of Decoma, Wash. and Jack Steinhelper of Dearborn; 10 grandchildren; and a great-grandchild.

An Elks Lodge of Sorrow will be conducted at 8 tonight at the Donelson-Johns Funeral Home. Service will be held at 1:30 p.m. Saturday at the funeral home with burial in Oak Hill Cemetery.

MRS. FRANK R. STODGELL

Mrs. Frank R. (Daisy M.) Stodgell of 126 Josephine St., died yesterday at Pontiac General Hospital after a long illness. She was 72.

Mrs. Stodgell leaves her husband; two daughters, Mrs. Dorothy Maine of Drayton Plains and Mrs. Marjorie Johns of Waterford; two sons, Harold Barden of Lancaster, Calif., and Donald Harden of Seattle, Wash.; 18 grandchildren; two-great-grandchildren; a brother Amos Van Wagoner of Lake Orion; and two sisters, Mrs. Marguerite Fortune of Rochester and Mrs. Madeline Nofsinger of Drayton Plains.

Service will be held at 10 a.m. Saturday at the Pursley Funeral Home. Burial will be in Perry Mount Park Cemetery.

MRS. STUART HADDRILL

LAKE ORION—Service for Mrs. Stuart (Grace) Haddrill, 71, of 272 S. Broadway St. will be at 2 p.m. Saturday at the Flumerfelt Funeral Home. Burial will be in Eastlawn Cemetery.

Mrs. Haddrill, whose late husband was Lake Orion postmaster and vice president of the old Lake Orion State Bank, died yesterday after a three-year illness.

She was a Democratic delegate from Oakland County, member of the Oakland County Democratic Committee and the Orion Township Library Board, past president of the Lake Orion Woman's Club, the Dial Club and the Lake Orion Parent-Teacher Association and former chairman of the Lake Orion Red Cross Chapter.

Surviving are a son, James T. of Orion Township; three grandchildren and great-grandchildren.

WALTER J. RANCE

HOLLY — Service for former Holly resident Walter J. Rance, 37, of Bay City, will be at 2 p.m. Saturday at the Dryder Funeral Home. Burial will be in Lakeside Cemetery.

Mr. Rance died unexpectedly yesterday of a heart attack at Saginaw General Hospital.

Surviving are his wife, Virginia; two daughters; Patricia and Crystal, both at home; his parents, Mr. and Mrs. Walter H. Rance of Holly; two sisters, Mrs. Troy Bomar of Fenton and Mrs. Ernest Neely of Holly; and two brothers, William of Holly and John of Torrance, Calif.

LESTER L. YOCKEY

MARLETTE — Service for Lester L. Yockey, 78, of 3249 Wilson St., will be at 2 p.m. Saturday at the Marsh Funeral Home. Burial will be in Lum Cemetery, Lum.

Mr. Yockey died yesterday after an illness of about two months.

Surviving besides his wife Linda are two daughters, Mrs. Max K. Almbaugh of Ferndale and Mrs. E. H. Morton of Panama City, Fla.; a son, Howard of Marlette; two brothers; and five grandchildren.

More to Testify in Teen Stabbing

Hearing Will Resume to Determine if Youth Should Stand Trial

A hearing to determine whether 16-year-old Alvin Scruggs should be tried as an adult in the fatal stabbing of another youth will be resumed next Wednesday before Probate Judge Donald E. Adams.

Eight witnesses were called yesterday as the hearing got under way. Asst. Prosecutor Edward H. Shigley said four more will testify next week.

A second-degree murder warrant has been issued against Scruggs, 484 Branch St.

Police say Scruggs, who carried a knife with a 6-inch blade under his clothing to a teen-age dance May 2, twice stabbed Virgil McNeal Jr., 15, 388 Howard McNeill St.

Several witnesses called at the hearing witnessed the scuffle and the stabbing outside the Elks Lodge, 100 Franklin Road.

Scruggs is held at the Oakland County Children's Home.

Slide Buries Climbers

KATMANDU, Nepal (AP)—Two Japanese climbers and a Nepali guide were buried by an avalanche as their expedition tried to scale 23,750-foot Mt. Langtang, in the central Himalayas, according to a report received here today.

The Simple Life Better for Heart, Says Professor

NEW YORK (AP) — Live the simple life—as do the Seventh-Day Adventists — and your chances are much better for a healthier heart, says a medical professor.

★ ★ ★

The American College of Cardiology heard the findings of Dr. Richard Walden, assistant professor of preventive medicine at the College of Medical Evangelists, an Adventist institution in Loma Linda, Calif.

In a comparative study, Walden said Wednesday, Adventist menfolk suffered 40 per cent fewer diseased heart arteries than the general public. And their blood cholesterol, he added, was 15 per cent lower than the other groups —selected at random in New York and Philadelphia.

Grand Haven Streets Clogged by Fee-Beaters

GRAND HAVEN (AP) — City Manager R. V. Terrill is investigating a means to unsnarl a parking problem along the Grand Haven waterfront which apparently results from the new 50-cent daily fee imposed on motorists entering Grand Haven State Park.

Residents near the park have complained that drives and streets in the resort area are clogged by cars of fee-beaters.

AP Photofax

BABY NO LONGER — Wendy Williams, youngest child of former Gov. and Mrs. G. Mennen Williams, has just turned 15 and is a young lady now. Wendy, who was a babe in arms when her father was first elected governor of Michigan, is preparing to model in a Junior Miss fashion show at Lansing.

Horses are making a comeback in some of the timber lands of the northwest states to replace trucks in some of the narrow woodland trails.

The stride of the dinosaur was more than 12 feet, according to tracks discovered in the Navajo Reservation north of Phoenix, Ariz.

2 Plead Guilty to City Assaults

Pair Gets Probation in Separate Incidents, Another Released

Two Pontiac men pleaded guilty to reduced charges of assault and battery yesterday before Municipal Judge Maurice E. Finnegan.

Both had been charged with felonious assault in separate stabbings. Another felonious assault charge involving a stabbing was dismissed.

Hubert Houck, 25, of 258 Elm St., was placed on 90 days probation and ordered to pay a $25 fine or serve five days in the Oakland County Jail.

Houck was accused of stabbing Robert Davis, 30, of 89 State St., in Davis' home.

★ ★ ★

Davis told Pontiac police he was knifed in the neck when he tried to intervene in a quarrel April 23 between Houck and another man because he feared they might cause damage in the home.

WIFE STABBED

Ollie Mitchell, 35, of 445 S. Jessie St., was placed on 90 days probation and ordered to pay $10 court costs.

He was arrested when his wife Mary, 27, was stabbed across the bridge of her nose during a family quarrel on April 29.

U.S., Latin Aid Asked to Overthrow Castro

NEW YORK (AP)—The Cuban Revolutionary Council wants the United States and Latin America to support, through inter-American agreements of recent years, the council's efforts to overthrow Prime Minister Fidel Castro's regime.

★ ★ ★ ★

The council called on the United States and Latin America to "take effective action" now under declarations and agreements reached between 1947 and 1960.

★ ★ ★

Failure to do so, the council said, would make hemisphere nations "easy prey" to Soviet influences operating through the Castro regime.

Truck Driver Exonerated in Fatal Collision

No legal action will be taken by the Oakland County Prosecutor's office against a Pontiac truck driver involved in a fatal accident yesterday in Bloomfield Hills when his brakes failed.

W. Leonard Cotter, 48, of 706 Second St., was not responsible for the accident that caused the death of James Schultz, 28, of 30523 Whittier St., Madison Heights, according to Asst. Prosecutor Robert Sterling.

Schultz was killed when his small foreign car was hit broadside by a beer truck driven by Cotter.

The accident occured shortly before 8 a.m. at the Woodward Avenue-Long Lake Road intersection.

Cotter told Sterling that his brakes had worked perfectly when used prior to the accident, but said that as he started downhill just north of Long Lake Road they failed.

Schultz's car was demolished when it was hit squarely on the right side as the truck went through a red light.

Sterling said that the brakes were checked by an expert at the scene of the accident. The investigation showed that the truck's brake fluid was gone.

Survey Report Due on Rec Center Bonds

First reports on a recent public opinion survey will be made tonight by the City Commission's Civic Improvement Advisory Committee.

★ ★ ★

The survey, requested by the Commission, concerns public reaction to the proposal for a bond issue to finance construction of recreation centers.

The meeting, beginning at 7:30 p.m. in the commission chamber at City Hall, also will include a showing of the Centennial film, "Pontiac Story of Progress and Promise."

Says Cubans Held in Mexico at U.S. Expense

SAN ANTONIO, Tex. (AP)—An attorney quoted a client today as saying that some survivors of the ill-fated invasion of Cuba are being held in Mexican prisons with the United States paying for their care.

★ ★ ★

The attorney, Harold Putnam, quoted William Eugene Shearer, recently deported after being charged with transporting a stolen house trailer.

Send Special Message to Any Dear Old-Timer

Centennial headquarters can help you invite your friends and relatives who used to live in Pontiac to revisit their old home town during the June 17-24 observance of the Greater Pontiac Centennial.

Headquarters in the Pontiac Public Library has a limited supply of invitational letters, imprinted on the stationery of the City of Pontiac.

They are signed by Mayor Philip E. Rowston; Stuart E. Whitfield, general chairman of the Centennial; and Roland J. Smith, chairman of the Hospitality Division.

There's a place where you, as a resident of greater Pontiac, can sign your name as a special member of the Hospitality Committee.

The salutation of the letters is in the Centennial spirit. They are addressed to "Dear Old-Timer."

Headquarters will distribute the letters to persons applying for them in person. There is no charge. Centennial envelopes will be issued with each letter.

To make sure the leters are used properly, headquarters has decided not to issue them to children.

Plan to Open Wisner Home for Centennial

The Oakland County Historical Society, meeting yesterday, laid more groundwork on plans to open the Wisner Home on Oakland Avenue to the public as a Centennial year feature.

★ ★ ★

Though dates of the inspection period have not yet been set, the society hopes they will be around the June 17-24 Centennial observance.

The society now is lining up its membership to serve on duty at the home during the days it is open.

★ ★ ★

Built by Moses Wisner, a governor of Michigan, the home contains furnishings dating from the middle of the 19th Century.

Rite for Ex-GM Exec

POMPANO BEACH, Fla. (AP — Funeral services for Earl McGinnis, former sales promotion manager of the AC Spark Plug Division of General Motors Corp., will be held here Friday. McGinnis, 67, who retired recently from AC after 33 years on the division's executive force, died Tuesday.

North and South Dakota were two states in 1887 and were admitted to the Union the same day in 1889.

W. Michigan Lifts Admissions Delay

KALAMAZOO (AP) — Western Michigan University said today it has lifted an admissions moratorium imposed some three weeks ago following a spending cutback by the State Legislature.

WMU President James W. Miller said acceptance of new students is proceeding cautiously and will be more selective.

"We are reviewing the admissions picture weekly — sometimes daily," Miller said, "there are some openings in certain areas such as the applied arts."

Western Michigan announced April 28 it was suspending admissions pending final legislative action.

The legislature granted WMU an increase of $206,471 in operating funds for the next fiscal year. Western Michigan had asked for an increase of $1,391,899.

State First in Miles of Freeway Under Pact

LANSING (AP)—The State Highway Department reports it led the nation in miles of interstate freeway placed under contract during the first three months of the year.

Michigan awarded contracts for 80 miles of highways. North Carolina was second with 50 miles.

Michigan also led in the dollar volume of all contract awards with $77.9 million during the period. California was second with $67.4 million.

Pontiac Press Photo

ATTENTION GETTER—Everyone knows that Saturday is spelled with a U and not an E, but officials of the Haviland school PTA in Waterford Township had fun with a sign in the lobby proclaiming the school fair to be held from 4 to 8 p.m. Saturday. Doll walks, clowns, an auction, a talent show and the crowning of the king and queen are among the many projects scheduled for the "a-fair." Cochairmen are Mrs. Rex Klossen and Mrs. Larry Gibons. From left are Mrs. Klossen, Mrs. Alden Jones and Mrs. Alvin DeLisle. The public is invited.

New shade green and shade aqua glass blocks transmit cool, glare-free light in areas of the home which are exposed to bright, hot sun. The color is built right into the glass.

Coins in the Fountain Watered Down in 1961

NEW YORK (AP)—The coins this year in the fountain are a drop in the bucket compared with last year's offerings.

★ ★ ★

Wednesday they dismantled the "wishing pool" in front of the New York Public Library. The "wishers" had deposited only $28.37 in coins compared with $337.35 last year.

This year's pool was in business from April 26, and was set up for New York's annual Salute to Spring. Last year's fountain proceeds paid for four magnolia trees on the library grounds.

Resignation of Minister Accepted by Swainson

LANSING (AP)—The resignation of Rev. Jesse J. McNeil of Detroit as a member of the State Corrections Commission has been accepted by Gov. Swainson.

Rev. McNeil, minister of the Tabernacle Baptist Church of Detroit, resigned because he is moving to Pasadena, Calif. He has been a member of the commission since its inception in 1947.

Yuri to Visit Bulgaria

LONDON (UPI) — Soviet spaceman Maj. Yuri Gagarin will visit Communist Bulgaria next week, the Bulgarian telegraph agency reported. It will be Gagarin's second trip outside the Soviet Union since his space flight. He visited Czechoslovakia recently.

Two Waterford PTAs to Meet

Beaumont and Adams Units to Install Slates of Officers Tonight

Two Waterford Township Parent-Teacher association meetings have been scheduled for tonight. Both will feature installation of officers.

ADAMS SCHOOL

Mrs. William Wright, state PTA chairman, will conduct the installation of officers at the season's final meeting, beginning at 8.

Officers are Mrs. Frederick Feekart, president; Michael Killian, vice president; Howard Barling, father vice president; Mrs. Faith Mann, teacher vice president; Mrs. Robert Ferrier, secretary; Mrs. Kleber Dusenbury, treasurer; Mrs. Louis Scarlotti, historian; and Mrs. L. L. Schiefler and Mrs. Thomas Follis, delegates.

WILLIAM BEAUMONT

After a short business meeting at 7, the William Beaumont choirs will present numbers under Emily Beckett, at the Beaumont PTA meeting.

The following officers for 1961-62 will be installed by Mrs. Alferd Kieth, secretary of Oakland County PTA Council:

Mrs. Euell Smith, president; Mrs. John Halpin, mother vice president; Robert Sins, father vice president; Mrs. Charles Perkins, teacher vice president; Mrs. Eldon Gardner, recording secretary; Mrs. Harold Eagle, treasurer; and Mrs. Donald Thorpe, historian.

UP Mine Will Reopen

HOUGHTON (AP) — Reopening of the Champion Copper Mine at Painesdale was announced today by the Copper Range Co. The current reopening, when completed, will give employment to approximately 100 miners, the company said.

S. Korea Head Quits as Military Wins Out

SEOUL, Korea (AP) — Premier John M. Chang and his cabinet resigned today and the military emerged triumphant in a revolt they said would put new life into South Korea's battle against corruption, poverty and communism.

The 61-year-old elected premier's bow-out gave a stamp of legality to the coup led by Lt. Gen. Chang Do-young, 38, army chief of staff.

Leaders of the revolution immediately named a 30-man committee of military figures to run the country.

It was headed by Gen. Chang with Maj. Gen. Pak Chung-hi, considered the mastermind of the uprising, as No. 2 man. Chiefs of all the other armed forces were included.

OTHER LEADERS

Lt. Gen. Kim Chong-oh, chairman of the Joint Chiefs of Staff, was listed as the third-ranking official of the new regime, followed by Lt. Gen. Park Limhang, who earlier was reported to have replaced Lt. Gen. Lee Hanlim as commander of the powerful 1st Field Army.

★ ★ ★

The replacement of Lee was not officially confirmed, but well-placed military sources said he had been ousted because he did not back the coup from the start.

Lee, commanding on the critical armistice border with North Korea, at first took a neutral stand toward the coup and only came out in support of it early today.

Deposed Premier Chang accepted full "moral and political responsibility" for the two-day crisis in which American officials in Korea unsuccessfully backed his government.

★ ★ ★

Coming out of hiding to capitulate, he made a plea for the closing of ranks and international support of the new regime.

U.N. Has Reduced Congo Threat—Dag

UNITED NATIONS, N. Y. (AP) — Secretary General Dag Hammarskjold said today steps taken by beefed-up United Nations forces have substantially reduced the danger of civil war in the Congo.

Hammarskjold made the statement in a report to members of the 11-nation Security Council on the implementation of a resolution, approved by the council Feb. 21, calling for use of U. N. force if necessary to avoid civil war.

Three days ago the Soviet Union had demanded a report on the resolution's implementation. Soviet Deputy Foreign Minister Valerian A. Zorin charged that the council was being kept in the dark about events in the Congo.

S. Africa Police Raid

JOHANNESBURG, South Africa (AP)—Police staged nationwide raids Wednesday to arrest "criminal elements, subversives and loiterers," the government radio reported. Hundreds of nonwhites were reported detained in the Cape Peninsula but many were quickly released.

Miss Centennial's Prizes Displayed in Shop Windows

The growing collection of prizes for the runners-up in the Miss Centennial contest will be on public display from now until the awards are made June 24.

★ ★ ★

It's estimated the collection is worth $4,000 now. This doesn't include the new Tempest that the winner of the contest will get.

Many of the gifts are on display in the show window of the Bobbette Shop in downtown Pontiac today through May 24.

From May 25 to 31 they'll be in the window of Peggy's at Miracle Mile.

Then the collection will be back downtown at Waite's June 1-13 and in Osmun's June 19-22.

★ ★ ★

The display was arranged by Mrs. Forrest Wood, chairman of the awards committee. She said a schedule was being prepared to display the golden gown Miss Centennial will wear during the celebration.

Sue Dynamic to Get Pay Following Strike

DETROIT (AP)—A suit asking that Dynamic Manufacturers Inc. of Troy be forced to pay employes for the period between the end of their strike against the firm and their return to work was filed in U.S. District Court Wednesday.

The suit was filed by International Union of Electrical, Radio and Machine Workers Local 935.

It asked the firm be forced to abide by a federal mediator's decision that it give 100 strikers their old jobs back and pay them from the time the strike ended to the time they were returned to the payroll.

The suit said Dynamic has disregarded the mediator's order. The plant is at 4755 Rochester Road.

Utility Blows Out Lines Making Long, Loud Roar

A long, loud roar alarmed Pontiac Township residents in the vicinity of Joslyn Road this morning. Numerous housewives telephoned the sheriff's department and The Pontiac Press for an explanation.

★ ★ ★

The Press learned that Consumers Power Co. was "blowing down" its gas lines preparatory to lowering them for clearance of the Chrysler Freeway under construction.

★ ★ ★

Chuck Brown, the firm's assistant manager, assured that the operation was not dangerous to the area. He explained that the noise results when valves are opened to clear the lines after the gas supply has been cut off.

★ ★ ★

"We notified state police and the sheriff's department yesterday that they could expect the noise (which lasted about 45 minutes) between 9 and 10 a.m. but forgot to notify The Press.

Small-Business Discussion Set

Commerce Dept. Aide Will Explain JFK Plan to New Organization

The Kennedy program for small business will be the topic of Eugene P. Foley, deputy assistant secretary of commerce, when he speaks Wednesday at the Kingsley Inn, Bloomfield Hills.

★ ★ ★

Foley will address the Oakland County Democratic Business and Professional Association, a new group.

The association was formed to be a forum for businessmen and women.

Its president, Atty. George J. Fulkerson, of 3011 Middlebury, Bloomfield Township, is taking reservations for the dinner meeting at which Foley will speak. The group will gather for cocktails at 6 p.m. and dinner at 7.

KNOWS FIELD

Foley, deputy to Assistant Secretary of Commerce Hickman Price, formerly was with the Senate Small Business Committee.

The association to which he will speak recently established as its first goal a countrywide business and professional men and women's organization "whose philosophies and purposes are consistent with those of the state and national Democratic party."

The group seeks to enlighten its members "in areas of state, national and international government and politics, and to add "the effective political strength to the Oakland County Democratic party which is necessary to its growth."

Other aims are to "assemble and forcefully transmit to Democratic state and national leadership current opinions emanating from business and professional people," and to establish liaison between them and their governmental representatives.

Cubans Fight in Church

LIMA, Peru (AP)—Fist fights broke out between pro- and anti-Castro Cubans in a Catholic church Wednesday after a Mass held in memory of those who died during the Cuban invasion attempt last month. Police broke up the fights and no one was seriously hurt.

National Steel Dividend

DETROIT (AP) — The National Steel Corp. has declared a dividend of 75 cents for the second quarter.

C. of C. Plans Member Drive

Pontiac Area Unit Will Hold Annual Campaign Tuesday, Wednesday

The Pontiac Area Chamber of Commerce will hold its annual membership drive Tuesday and Wednesday of next week.

★ ★ ★

Approximately 60 chamber members, working through the membership committee, will set about contacting prospective members by mail, telephone and in person.

Chamber membership generally hovers just below the 1,000 mark. This includes individual and company memberships.

Forty-five new memberships were obtained during a one-day drive last year.

Striving to make the Pontiac area a better community to live and do business in, the Pontiac Area Chamber of Commerce has as its prime aim the development of more jobs in the area.

Especially wary when awake, the weasel is a sound sleeper. It can be held by the head, feet or tail and swung around for some time before it begins to awaken.

Pontiac Press Photo

REHEARSAL SCENE—Millie Pattison (left), playing the part of an apartment owner in the Lakeland Players production of "The Bad Seed," supervises a scrubbing job being done by caretaker William Glidden. Star of the show, Edwina Delbridge, and her play-mother Gisele Sweet watch the proceedings.

Final Rehearsal for 'Bad Seed' Tonight

The Lakeland Players will hold final rehearsal tonight for "The Bad Seed," to be presented at 8 p. m. Friday and Saturday in the Community Center in Waterford Township.

Edwina Delbridge has the lead role, playing the part of 8-year-old Rhoda Penmark. She will portray the daughter of Christine and Kenneth Penmark, who in real life are Gisele Sweet and Robert Merrill.

Rhoda becomes involved in the death of the son of the Daigles, played by Robert Arbuckle and Glenda Latoza, at a school picnic when the boy drowns under suspicious circumstances.

★ ★ ★

Mildred Pattison enacts the roll of Monica Breedlove, the owner of the Penmark's apartment who dearly loves Rhoda, feeling that she fills the place in her life of a daughter she never had.

The caretaker of the apartment is played by William Glidden, who figures he is pretty wise to the world, especially about Rhoda. The head of a private school attended by Rhoda is portrayed by Doris Schmid.

Rhoda's uncle is played by Donald Sweet and the messenger by Robert Bauer. Others in the play include Mildred Pattison, Richard Lantz and William Salley. William Aebersold and Verne Vackro. James Starnes is the producer.

The play is directed by Mrs.

Cubans Change Posts

KEY WEST, Fla. (AP) — Havana radio said today the Fidel Castro government had requested the resignation of Transport Minister Julio Camacho, who will be replaced by Omar Gonzalez Canizares. The radio said Camacho had been designated for another unspecified post in the Cuban government.

Civil Rights Discussed by Williams at Dinner

NEW YORK (AP)—G. Mennen Williams, assistant secretary of state for African affairs, said Wednesday night that "in every department of government, from Washington to Anchorage, there is ferment" for civil rights.

★ ★ ★

Williams discussed the Kennedy administration's determination to fight for civil rights in a speech for a dinner of the New York State division of the American Negro Centennial Authority.

Vanderbilt Students Warned on Pep Pills

NASHVILLE, Tenn. (AP)—Vanderbilt's students have been warned that if they take pills to pep them up during examinations and the pills backfire, it's the students' tough luck.

* * *

John L. Bingham, assistant dean of the College of Arts and Sciences, said Wednesday any student who disables himself through the use of antisleep pills shall not be allowed to take a make-up examination.

Bingham said he intended his warning to be "a little humorous, but I wanted, too, to let them know they can't take examinations lightly." He said it didn't apply to many students.

* * *

Oklahoma has 425 caves of three geological types, ranks 15th nationally in that respect and boasts the world's largest concentration of gypsum caves.

West Germany Bestows Grand Cross on Reuther

BONN, Germany (UPI) — Walter P. Reuther, vice president of the AFL-CIO, was presented the West German Grand Cross of Service Wednesday by Chancellor Konrad Adenauer.

Reuther, on a three-day visit to West Germany and West Berlin, has met with Adenauer, Berlin Mayor Willy Brandt, and German trade union leaders.

Negro Hecklers Break Up Rally

Throw Egg at Pastor in Harlem, Jeer and Shout at Speakers

NEW YORK (AP)—A group of Negro hecklers broke up a Harlem rally Wednesday night marking the seventh anniversary of the U.S. Supreme Court's school desegregation ruling.

The hecklers, demanding an end to what they called Negro pacifism, shouted down speaker after speaker — including Roy Wilkins, executive secretary of the National Association for the Advancement of Colored People.

* * *

A clergyman, the Rev. Thomas Kilgore Jr., was struck in the chest by an egg as he began the benediction. He paused momentarily, then completed the prayer.

* * *

The agitators demanded that one of their number, Robert Williams, be allowed to speak. The heckling stopped when Williams took the rostrum.

Williams described himself as a suspended member of the NAACP chapter in Monroe, N.C. He said he was ousted in 1959 because "I advocated Afro-American men should defend their women and children."

* * *

Williams said the NAACP was a pacifist organization, adding: "We are not pacifists and we do not attempt to turn the other cheek. I am tired of being oppressed. I am going to meet violence with violence."

The jeer and shouts resumed after Williams left the speaker's stand. Even two band renditions of "The Star Spangled Banner" failed to restore order.

Mrs. Griffin Will Head Waterford GOP Women

The Republican Women of Waterford Township have elected Mrs. Eugene Griffin as president.

* * *

She will be assisted by Mrs. Lester Emos and Mrs. Byron Cole as first and second vice presidents. Mrs. William H. Bedard will be recording secretary and Mrs. Ann Opperman, corresponding secretary.

Mrs. Vivian Tubbs will be treasurer, and Mrs. Glen Walters, council delegate.

NAZI'S SON MISSIONARY—Martin Bormann Jr. (center) son of a onetime aide to Adolf Hitler, stands on the ramp of an airliner before leaving Munich, Germany, for the Congo to do missionary work. With him are four other missionaries. Bormann is to work for the Roman Catholic order of Priests of the Holy Heart.

Friends Shocked at Dick Clark's Divorce Plans

PHILADELPHIA (UPI)—Friends of television's teen-age idol Dick Clark and the former high school sweetheart he married eight years ago were shocked today by the couple's sudden announcement they would seek a divorce.

* * *

The 31-year-old entertainer, who rose to national fame as master of ceremonies of a televised afternoon dance for teen-agers, refused to expand on the announcement that he and his wife Barbara, 30, "have consulted our attorneys and the divorce papers will be filed in the near future."

* * *

The Clarks said in their joint statement Wednesday that they had "tried very hard to resolve our differences but have decided that it is best that we take this action."

Neither would describe the "differences" but friends emphasized that no third party was involved in the marital dispute.

July Fourth fireworks cause few deaths in average years now. By comparison fireworks accidents took the lives of 466 persons in the U.S. in the 1903 celebrations.

Witnesses to Defend Reform Candidate

NEWPORT, Ky. (AP)—Defense witnesses were expected to testify today for George Ratterman, reform candidate for Campbell County sheriff who claims his arrest with a strip-tease dancer in a hotel room was a frame-up.

Defense attorney Henry J. Cook told Police Judge Joseph Rolf Wednesday he would try to prove his client was framed — a plot Cook said was hatched shortly after the former Cleveland Browns quarterback announced his candidacy.

* * *

Ratterman, 39, a Cincinnati investment counselor and father of eight, has not testified.

NEW WATERFORD CHURCH SITE — This aerial view of eight acres of land next to the Schoolcraft School in Waterford Township is the site of a future Methodist church. The newly organized church will have its first service at 10:30 a.m. Sunday at the Community Center, with Rev. Jesse R. DeWitt serving as interim pastor until June.

Congregation Will Attend First Service

The newly organized Waterford-Drayton Methodist Church will have its first service at 10:30 a.m. Sunday in the Community Center in Waterford Township.

Rev. Jesse R. DeWitt, executive director of the Board of Missions and Church Extension, will serve as interim pastor until a full-time minister is appointed in June.

★ ★ ★

This will be the fourth Methodist Church in Waterford Township. However, it is the only one located in the northwest section of the area.

Four Towns Methodist Church is on the southern edge of the township, while the new Pontiac Central site and the Covert Methodist church are in the east central section.

With the assistance of the congregation of the First Methodist Church of Clarkston, and Russell Gustavson as director, the new congregation conducted a survey of the northern area and found that approximately 14 per cent of the people are interested in a new Methodist church.

BUY 5-ACRE SITE

Under the sponsorship of the Pontiac Methodist Union, the 1,500 Club of the Flint District and the Board of Missions, an eight-acre site has been secured for a future church building. The $25,000 property is located adjacent to the north side of the Schoolcraft School on Maceday Drive.

★ ★ ★

The Rev. Mr. DeWitt will preach on the subject, "The Birth of the Church." The Senior Choir of the Clarkston church under the direction of William Mansfield will present special music, and Mrs. Bert Mercer will be the featured soprano soloist.

★ ★ ★

The nursery will be open during the service for preschool children, under the direction of Mrs. Ray Loba and women from the Clarkston church.

A coffee and fellowship hour will be held after the service, with Mr. and Mrs. Thomas Peterson, Mr. and Mrs. Herbert Amos and Mr. and Mrs. Charles Henry as hosts.

The Rev. Mr. DeWitt has extended an invitation to all living in the Waterford-Drayton area to attend the Sunday services. He added that a full church school program will be established by June.

Want More Power for Union Men

DETROIT (AP) — The United Auto Workers Union will attempt to write into its new contract with General Motors Corp. more power for its plant committeemen, according to Leonard Woodcock, director of the UAW's GM department.

Woodcock made the statement Wednesday at the opening session of a three-day conference of some 300 union representatives from GM plants in the United States in preparation for upcoming contract negotiations.

He called GM's grievance procedure "the most antiquated of all the companies we deal with."

"We are going to demand a bigger role in policing the agreement day by day to insure it is not violated," Woodcock said.

Taste of Failure Can Help Boss Become Success

CHICAGO (AP) — A boss who believes he is always right is making a big mistake, says a professor who's also a boss, and there's nothing like a taste of failure to help him become a success.

Getting to be a boss, Prof. Ray E. Brown said today, does not make a man "a sort of Moses who is endowed with God-like attributes quite noticeably superior to those of his followers."

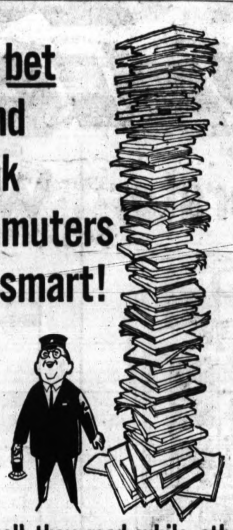
HOLDS TOP POSTS

Prof. Brown, who holds three top-ranking positions at the University of Chicago, said that the good boss must guard against delusions about the power that goes with his position.

Brown, professor of business administration at the university and superintendent of its group of 12 hospitals which have 1,400 employes, said: "If you are higher up the ladder than others, your view of them is always one of looking down at them. If one isn't careful, it is easy, from this position, to start looking down one's nose at those below."

The way things are nowadays, the rhyme should go, "One for the money, two for the show, three to make ready, four to go —and when you get home, five for the baby sitter" . . . Note in picnic area: "Park the litter — don't litter the park." Earl Wilson.

You bet Grand Trunk commuters are smart!



Look at all they read while other folks are driving through traffic!

Our commuters read everything from Plato to Playboy as they relax on the train. Some read for fun. Others study for job promotions. It's like adding several hundred hours a year to your *free* time. Even if you just look out the window, it beats driving all hollow!

And look at what they save!

Daily commuters from Pontiac save $175 a year over the cost of gas, oil and parking. GTW commuting costs only $1.22 a day. Start saving the smart way now!

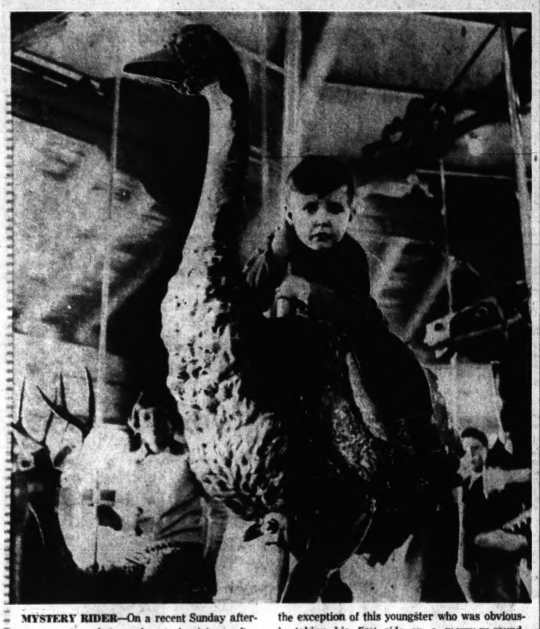
Walled Lake Council Retains Current Tax Rate



MYSTERY RIDER—On a recent Sunday afternoon a roving photographer took picture after picture of lots and lots of youngsters on all sorts of rides at the Walled Lake Amusement Park. He got the names of all of them with the exception of this youngster who was obviously taking his first ride on a merry-go-round. The park is offering a 1961 season pass for free rides all summer to this young man if he can be identified through a call to the park.

$15 Levy Only Tax Needed to Balance Out Budget

By JIM LONG

WALLED LAKE — A tax rate identical to the current levy has been set for next year by the City Council in adopting the 1961-62 fiscal year budget.

Continuation of the $15 tax rate is all that is needed to balance the $118,923 budget approved by the council.

The rate is $1.50 lower than first believed needed to balance the tentative budget submitted by City Manager George Shaw in April.

The proposed budget presented to the council for study then was $125,505. It required a tax rate of $16.50 for each $1,000 of assessed valuation.

★ ★ ★

Revisions in the estimated budget by the council were responsible for the lower tax rate. One item excluded from the new budget was a relief man for the police and fire department.

SEES LOWER BILLS

When Shaw submitted the tentative budget he explained that the majority property owners could expect lower tax bills even with a higher tax rate because the city had been reassessed.

Shaw said that the adopted tax rate of $15 for each $1,000 of assessed valuation would produce a total tax roll of $71,748.

The remainder of the funds for the operating budget would come from state gas and weight taxes, licenses and permit fees and service costs.

The general government section of the budget includes allocations totaling $37,922. This covers salaries for the manager, clerk-treasurer, justice of the peace, clerical help, and cost for elections, printing and publishing, insurance and vehicle maintenance and operation.

★ ★ ★

The police department budget, including salaries for the chief and three patrolmen, was set at $30,380. It also provides for the purchase of a new scout car, vehicle maintenance and operation, care of prisoners and building maintenance.

The $19,710 budget for the fire department includes the salaries of a chief and two firemen, volunteers, a payment on the fire truck, equipment purchases, and vehicle maintenance and operation.

The $39,526 appropriation for the road fund provides for street construction and maintenance, snow removal, drainage, equipment, a payment on a new grader, and street signs.

Some $26,000 was budgeted for garbage collections, street lighting, and care of the cemetery and municipal beach.

Spring Joobalai at Milford High Lists Spirituals

MILFORD — "Spring Joobalai," a concert by the choral department of Milford High School, will be presented at 8 p.m. today and tomorrow at the school's Little Theater.

The 1961 version of the annual concert will feature Negro spirituals, selections from musical comedies and popular songs.

Solos will be sung by Vickie Ladwig, Bill Greene and Milford High School's foreign exchange student, Poncho Gonzales.

A piano duet by Annette DeRosa and Sharon Sholck are slated for the program in addition to guitar duos by Chuck Poulson and Jim Haggerty. Jerry Campbell will perform at the organ.

★ ★ ★

Directed by Mrs. Eleanor Beam, the concert also will be highlighted by selections sung by the school's senior choir and girls' glee club.

Children from Renee's Dance Studio in Milford will perform in the spiritual, "De Animals Are Comin'."

The event is open to the public. Donations are 50 cents for adults and 25 cents for children.

708 Avondale Students See Cinerama in Detroit

Avondale Junior High School students, 708 strong, yesterday had their annual outing in Detroit. They took 13 chartered buses to the Music Hall to see the Cinerama production of "Seven Wonders of the World."

The group was accompanied by 33 teachers and 50 parents.

In Oxford Church

Exchange Vows

MRS. WILLIAM R. THOMPSON

BRANDON TOWNSHIP — Carolyn Sue Kennaday became the bride of William Roy Thompson in a candlelight ceremony Saturday evening at the Methodist Church in Oxford.

Rev. Fred Clark officiated at the double-ring rites assisted by Rev. George Woomer of Jefferson Avenue Methodist Church, Detroit.

The bride is the daughter of Mr. and Mrs. Carl Kennaday of 4019 Oakwood Road, The bridegroom's parents are Mrs. James Stites of 1484 Ora Road, Oxford Township, and William A. Thompson of San Francisco, Calif.

Fingertip veiling caught into a crown of seed pearls and rhinestones billowed over the bride's floor length gown of Chantilly lace over taffeta. The bodice featured a sequin studded Sabrina neckline and long sleeves ending in points over her hands.

The bridal bouquet was an arrangement of white stephanotis centered with a lavender orchid.

Mrs. William Killian of White Lake Township was matron of honor. Bridesmaids were Kay Uloth, Lynne Fink and Mary Ann Kennaday, sister of the bride.

James Thompson served his brother as best man. The guests were seated by Larry Weeden, David Jaris and William Hubble.

Flower girl was Cheryl Taylor of Pontiac, cousin of the bride.

A reception was held in the church parlors immediately following the ceremony. Upon their return from a honeymoon in Northern Michigan, the newlyweds will live at 559 Central Drive, Lake Orion.

League Action Planned

EAST LANSING (AP)—The League of Women Voters of Michigan, an early supporter of constitutional revision, was to vote here today on an action and study program centering around revision of the state's basic charter.

Organ Recital Sunday

OAK PARK — An organ recital by Wendell E. Ecker of Pontiac will be presented Sunday at 3 p.m. in St. Timothy Evangelical Lutheran Church, 25401 Coolidge Highway.

Romeo State Police to Hold Open House

ROMEO — As part of the observance of Michigan Week, the Romeo State Police Post will hold open house Tuesday from 10 a.m. to 9 p.m.

"We will welcome the opportunity to have visitors look over the post and see our equipment," said Sgt. Wilmer Mollanen, post commander.

Officers will act as guides and answer any questions regarding State Police operations and services, according to Mollanen.

Island Queen to Begin Trips

Will Make Its Maiden Voyage of the Season This Saturday

The Island Queen, a 60-foot replica of an old Mississippi riverboat, will make its maiden voyage of the season Saturday at Kensington Metropolitan Park near Milford.

The double-decked stern wheeler is scheduled to take passengers on 45-minute tours of Kent Lake from noon to 6 p.m. each Saturday and Sunday until June 10.

Over 100,000 persons have traveled on the Island Queen since she first was launched into the waters at Kent Lake in 1956.

Owned by the five-county Huron-Clinton Metropolitan Authority, which operates the park, the 10-ton riverboat is valued at $15,000.

Each spring the Island Queen and its captain must be approved by the U.S. Coast Guard. Workmen at the park repaint and repair the cruise ship every year so it will meet Coast Guard requirements.

The ship carried more than 22,600 passengers during the 1960 season. The daily schedules begins June 10. The Charter reservations also are available to organizations.

Mother, Daughter Fete

GOODISON — The Mother and Daughter Banquet at Paint Creek Methodist Church will be held Saturday at 6:30 p.m. in the church annex.

NEWS OF THE AREA

Pick Walled Lake Fire Chief

Clerk-Treasure Post Goes to 'Troubleshooter'

WALLED LAKE—Harold Millspaugh has been appointed city clerk-treasurer here to succeed Dorothy Lonsdale who will resign July 1.

Millspaugh, the city's "troubleshooter" since April 1957, holds down a half-dozen jobs with the city now, including building inspector, electrical inspector, health inspector and water and street superintendent.

No one has been appointed by the City Council to take over Millspaugh's duties. The council is expected to name a replacement before Millspaugh officially starts his new job in July.

The new clerk-treasurer lives with his wife Doris and daughter, Susan, at 7880 W. Maple Road.

Another change in city personnel is the appointment of Earl Howie as new fire chief.

Howie, who will take over the job on a full-time basis, was appointed by the council following the resignation of Arthur Graham, who held the position on a part-time basis. Graham will remain with the department.

The appointment of a full-time fire chief means the abolishment of the director of public safety title, which was held by Police Chief James A. Decker.

Rochester Church Sets Rummage Sale

ROCHESTER—The Confraternity of Christian Mothers of St. Andrew's Catholic Church will sponsor a rummage sale Friday and Saturday at the church hall, 231 Walnut boulevard.

Sale hours are from 10 a.m. to 9 p.m. Friday and from 10 a.m. to 1 p.m. Saturday.

Members are planning the event around a department store theme with self service, check out counters and a French Room where better clothes and costume jewelry will be sold.

A lunch counter will be open for shoppers both days. Proceeds from the sale will be used to help furnish the convent to be built on the church grounds this year.

PTSA at Rochester Will Meet Tonight

ROCHESTER — The Parent-Teacher-Student Association of Rochester Community High School will hold its final meeting of the school year at 8 p.m., today in the school.

★ ★ ★

In addition to a combined executive board and business meeting, there will be a resume of panel discussion programs offered during the year.

Newly elected officers will be installed and annual reports of outgoing officers will be given.

Film for Family on Saturday at Clarkston Church

CLARKSTON — "A Weekend With Father," featuring Van Heflin, Patricia Neal and Gigi Perreau, will be presented at 7:30 p.m. Saturday in the sanctuary of the Clarkston Methodist church.

This film will conclude the season of movies presented by the Margaret Richards Circle of the church.

The story deals with a screen romance which brings together a widow with two young sons, and a widower with two small daughters. Hilarious situations spring up throughout the entire movie, with the sure-fire laughter for young and old.

The films that have been shown periodically during the last year have been carefully selected for wholesomeness, as well as entertainment, by women of the circle. People of all denominations have been cordially invited to attend the nonprofit film showing Saturday.

Friends of the Library to Hold 'First' Meeting

WEST BLOOMFIELD TOWNSHIP — Friends of the Library will hold its first official meeting in the new library at 5030 Orchard Lake Road at 8 p.m. tomorrow.

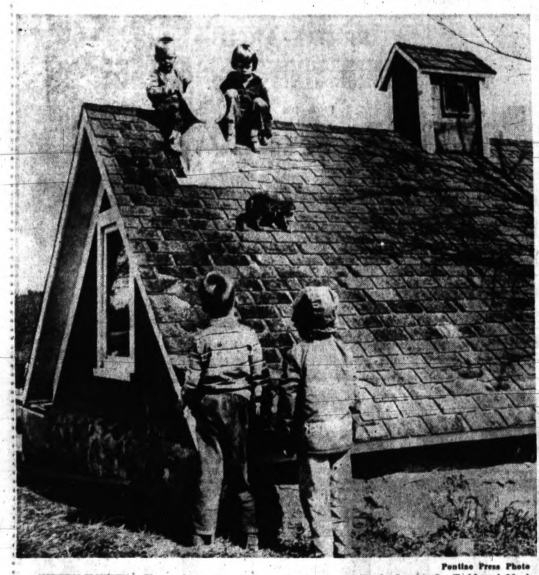
The new board of directors will be introduced and will discuss the present status of the library's operation, its financial structure and plans for the future.

New officers of the Friends of the Library will be elected prior to a tour of the new facility. The public is invited to attend the meeting.

Machine Shop Reports $150 Equipment Stolen

LAKEVILLE — Blacksmith's equipment valued at $150 was reported stolen yesterday from the Donn and Son Machine Shop at 1381 Millmine St.

Romeo state police said the equipment, including a 160-pound anvil and a 150-pound blacksmith's horn, had been left outside all night on a lot next to the machine shop.



Pontiac Press Photo

KITTEN SMITTEN—These four youngsters are waiting to see which direction Tiger Lily, the kitten, will take to find out which one of them can play with her next. Seated on the top of the root cellar roof are Todd Matus, 3, and Ann Jacobi, 4. Waiting below are Mark Matus, 4, and Cindy Jacobi, 6. Todd and Mark are the sons of Mr. and Mrs. William J. Matus of 825 E. Drahner Road, Oxford Township, where the picture was taken. The girls are the daughters of Dr. and Mrs. Rodman C. Jacobi of 186 Spezia Road, also Oxford Township.

When He Stands Guard —HE STANDS GUARD

MANNHEIM, Germany (UPI)— The U.S. Army said a civilian employe stretched his usual two-hour guard shift to 22 hours and warded off would-be relievers with his rifle until he grew too tired to resist.

★ ★ ★

The unidentified employe was hospitalized for psychiatric examination.

Arrives in Germany

FRANKFURT, Germany (AP) — The U.S. Army chief of staff, Gen. George H. Decker, arrived Wednesday to confer with U.S. Ambassador Walter Dowling and inspect American troops in Germany and France. He will return to Washington May 30.

AP Photofax

TO HEAD WEEK—Edwin O. George, vice president of the Detroit Edison Co., will be chairman of Michigan Week in 1962. George was elected to succeed John E. Carton of Battle Creek.

Health Honor Voted to Five

Elect Michigan Men to New State Council Hall of Fame

LANSING (AP) — A nationally known surgeon and the man who supervised the evaluation of the Salk polio vaccine are among five Michigan citizens elected to the newly established Michigan Health Council Hall of Fame in health.

The five are:

Dr. Frederick Coller of Ann Arbor, professor emeritus of surgery at the University of Michigan for whom the F. A. Coller Surgical Society is named. He was chairman of the university's department of surgery from 1930 to 1957.

★ ★ ★

Dr. Thomas Francis, Ann Arbor, professor of epidemiology at the university who in 1954 and 1955 directed field trials for the Salk vaccine.

The late Dr. L. Fernald Foster, Bay City pediatrician, who was president of the Michigan Medical Service and founder of the Michigan Health Council and the Michigan Heart Association.

The late W. K. Kellogg, Battle Creek, founder of the famed foundation that bears his name. The foundation, worth $250 million, grants more than $8 million annually to health, education and other programs in this country and abroad.

William J. Norton, Detroit, former president of the Children's Fund of Michigan whose activities included development of local health departments in the Northern Lower Peninsula and the Upper Peninsula.

Presentation of the awards will take place May 24 at Flint Junior College.

Open Congo Boundary

BRAZZAVILLE, Congo Republic (AP)—The river boundary between the Congo Republic and the former Belgian Congo was opened Wednesday for the first time since May 5. Authorities in Leopoldville closed it after Brazzaville officials protested the arrest of President Moise Tshombe of Katanga.

Brazil Calm on Fidel

BRASILIA (UPI)—Foreign Minister Afonoso Arinos says Brazil does not regard Fidel Castro's Cuba as part of the Communist world but as a nation in a revolutionary ferment whose regime is still taking shape.

Almost half of all the coal produced in the U.S. since 1800 has come from two chief producing states Pennsylvania and West Virginia.

Londoners on a Tear

LONDON (UPI) — An article in the Solicitors' Journal, a British legal publication, said today that Londoners have torn up an estimated $84,000 worth of parking tickets since parking meters were introduced last year.

About 75 per cent of the current consumption of gasoline is used to move ordinary traffic along America's paved city streets and the network of intercity highways.

Union Accepts Contract

WYANDOTTE (UPI) — Members of the Oil, Chemical and Atomic Workers Union voted 848-518 last night to accept a new two-year contract with Wyandotte Chemicals Corp. after working since March 1 without a contract.

Cost of all accidents in the U.S. in a single year would build about 300,000 first class school rooms which would house nine million pupils.

Hit by Inflation?

LONDON (UPI) — Penguin Books announced that Berthold Brecht's book "Threepenny Novel" would sell for four shillings (56 cents).

Should Get Job Done

LOWESTOFT, England (UPI)—Two councillors named Davy and Jones belong to a committee to investigate damage done to Lowestoft's sea wall by high seas.

Asparagus Eaten for Centuries

By JANET ODELL
Pontiac Press Home Editor

Sunday, when we were driving to Lansing, we saw fresh asparagus for sale at a roadside stand. That means the Michigan season has begun.

While freezers have given us good fruit and vegetables the year around, they have never completely captivated the taste of fresh asparagus. If you're like us, you indulge in it frequently during the season.

Such good advice on preparing and keeping asparagus has come to us from the New Jersey Asparagus Industry Council that we quote it here:

"While still in the bunch, trim and discard about ½ inch of the butt end. Untie bunch and wash stalks thoroughly in very hot water. (This relaxes and loosens the heads, allowing any sand particles to wash away.)

"Follow with several rinsings in clear, cold water to firm and tighten heads. If asparagus is to be stored for several days, retie bunch and wrap butt end in double thickness of aluminum foil in such a manner that it will hold water. Maintain about ½ inch of water around spear butts and store upright in refrigerator."

An early Roman Emperor who must have liked asparagus had a simile, "quicker than you can cook asparagus." He wanted his asparagus cooked correctly.

Use a deep saucepan, the bottom of a percolator or a 46-ounce fruit juice can. After trimming the stalks, tie them in bundles and stand them upright in the pan. Add 1 cup of boiling water. Fifteen minutes of cooking should make the lower stalks tender while the delicious tops just steam.

FRESH ASPARAGUS — Fresh asparagus tastes like spring, no matter how it's sauced. Here it comes to the table with a delectable mushroom cheese sauce.

There are only 72 calories in one pound of asparagus. If you don't add generous amounts of butter, you can eat as much as you want without interfering with your reducing diet.

For those who like sauces we have some suggestions. The first one is pictured on this page.

Mushroom-Cheese Sauce

4 cup sliced fresh mushrooms
2 teaspoons butter or margarine
1 teaspoon fresh lemon juice
1 egg, beaten
1 cup milk
1 teaspoon powdered mustard
¼ teaspoon salt
Dash cayenne
1 cup diced milk American cheese
2½ lbs. fresh asparagus, cooked
Fresh parsley
6 whole fresh mushrooms, cooked

Saute mushrooms in butter or margarine and lemon juice until tender. In top part of double boiler add egg, milk, mustard and salt. Stir and cook over hot water until hot and slightly thickened. Blend in cayenne and cheese. Heat until sauce has thickened. Add mushrooms and heat.

Serve over hot cooked fresh asparagus. Garnish with fresh parsley and whole fresh mushrooms, if desired. Makes 2 cups sauce, about 6 servings.

A real conversation piece will be yours if you serve this sweet-sour sauce on asparagus.

Sweet-Sour Asparagus

2 tablespoons cooking oil
2 tablespoons flour
1 tablespoon brown sugar
½ teaspoon salt
1½ tablespoons vinegar
¼ teaspoon cinnamon
1½ pounds fresh asparagus cooked

Heat oil. Add flour and stir until smooth. Add brown sugar, salt, vinegar and cinnamon. Cook with cover until liquid is reduced about 2-3. Add asparagus. Simmer for about 5 minutes longer. Serves 6.

* * *

Cooked crisp-tender and chilled, asparagus makes an excellent salad. This recipe comes from the western growers.

Asparagus and Celery Vinaigrette

2 stalks celery, cut into half, crosswise
16 spears asparagus
1 can (10½ oz.) chicken consomme
¼ cup French dressing
Iceberg lettuce
2 hard-cooked eggs, sliced

Place celery and asparagus in saucepan; add consomme. Cover with tight lid. Simmer until barely tender. Remove from heat and let stand until cool. Drain. Marinate in French dressing several hours. Arrange on Iceberg lettuce leaves. Garnish with slices of egg. Makes 8 servings.

Banana Glaze

Banana Glaze will lift the face of the plainest cake. Just follow these easy directions: Take one-third cup mashed ripe banana, 1 tablespoon lemon juice and 1 pound sifted confectioners' sugar. Combine the three ingredients and mix until smooth and well blended. Spoon or pour over cake — it is especially good for Angel Food Cake. The yield will be about 2 cups of thin glaze.

There are two kinds of men who stop smoking — those who are ordered by their doctors, and those who are ordered by their wives . . . Some of us (notes D. O. Flynn) can remember when a wayward child was straightened up by being bent over.—Earl Wilson.

MACE IN PIE — Mace Rhubarb and Pineapple Chiffon Pie is a truly luscious dessert, one you will be proud to serve to family and guest. This spice, a relative of nutmeg, gives an elusive flavor to fruit pies.

Improve Flavor of Fruit in Pies With Bit of Mace

Mace gives a flavor fillip to a number of fruits. To prove it to yourself, try the Rhubarb and Pineapple Chiffon Pie and the Lemon Coconut Meringue Tarts for which recipes follow. The effect is subtle, but most intriguing. Mace is the number one spice for classic pound cake. Add ¼ teaspoon mace to your favorite sour cream raisin pie — superb!

Mace is especially good with sweet vegetables. Use ¼ teaspoon mace to four servings of candied sweet potatoes, or carrots or to the brown sugar and butter which goes into the cavity of a winter squash.

Mace resembles nutmeg, but its flavor is brighter. Both spices come from an evergreen which, says tradition, "must smell the sea." (Mace is a fibrous network which surrounds the larger, heavier nutmeg. Both are covered with the pulpy flesh of a fruit something like a nectarine.)

Mace (and nutmeg) is native to the Molucca Islands, known for many centuries as the Spice Islands. Indonesia is even now our biggest supplier of these two spices.

This area and certain Caribbean and other tropical islands send us about 560,000 pounds of mace annually.

Mace Two-Fruit Pie

1 envelope unflavored gelatine
½ cup pineapple juice
2 cups diced fresh rhubarb
¾ cup sugar
1 tablespoon cornstarch
¾ teaspoon ground mace
2 eggs, separated
¾ cup drained crushed pineapple
¼ teaspoon salt
9-inch baked pie shell
½ cup heavy cream, whipped
1 tablespoon sugar
Ground mace for garnish

Soften gelatine in pineapple juice and set aside for later use. Place rhubarb in a saucepan, cover and cook without water over low heat 10 minutes or until of sauce consistency. Mix ½ cup of the sugar with cornstarch and mace. Blend with rhubarb. Stir and cook over low heat until thickened 4 to 5 minutes.

Beat egg yolks lightly and mix with pineapple. Add to rhubarb. Cook over low heat 2 minutes, stirring constantly. Remove from heat. Stir in gelatine.

Add salt to egg whites and beat until they stand in soft stiff peaks into which beat remaining ¼ cup sugar. Fold into rhubarb and pineapple. Turn into a cold baked pie shell.

Chill until firm and ready to serve. Top with whipped cream sweetened with the 1 tablespoon sugar just before serving. Yield: One 9-inch pie.

★ ★ ★

Mace Lemon-Coconut Tarts

1 cup sugar
⅓ cup cornstarch
½ teaspoon salt
¼ cup cold water
1¼ cups boiling water
2 tablespoons butter or margarine
2 egg yolks
¼ cup fresh lemon juice
1 teaspoon grated lemon rind
¾ teaspoon ground mace
2 teaspoons pure vanilla extract
1 cup angel flake coconut
4 five-inch baked tart shells
Meringue

Combine ⅔ cup of the sugar, cornstarch, salt and cold water in top of a double boiler. Mix well. Stir in boiling water. Stir and cook over boiling water 5 minutes or until thickened. Cover and continue cooking over boiling water 8 minutes or until very thick, stirring occasionally. Add butter or margarine.

Beat egg yolks lightly and blend with remaining ½ cup sugar. Blend with a little of the hot mixture. Then, stir into remaining hot mixture. Cook, uncovered, over hot water (not boiling) 10 minutes or until very thick, stirring frequently. Stir in lemon juice and rind, mace, pure vanilla extract and coconut. Cool.

Turn into cold baked tart shells. Top with meringue or spread with whipped cream and sprinkle with additional ground mace. If meringue is used, bake 15 to 20 minutes in a preheated slow oven (325 degrees). Yield: 4 tarts.

Meringue

⅛ teaspoon salt
2 egg whites
¼ cup sugar
⅛ teaspoon ground mace

Add salt to egg whites and beat them until they stand in soft, stiff peaks. Combine sugar and mace and gradually beat into egg whites. Spread over Mace Lemon-Coconut Tarts. Bake as in above directions. Yield: Sufficient meringue to cover 4 five-inch tarts.

All Green Salad Full of Contrasts

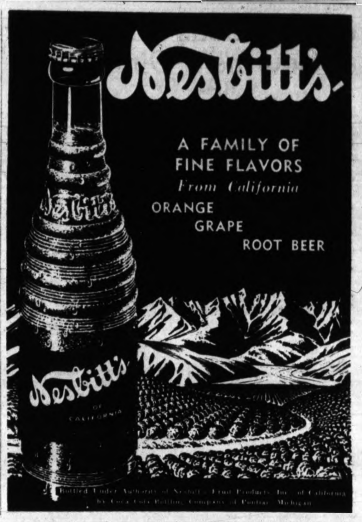
Interesting flavor and texture distinguish this salad.

Petits Pois Salad

1 cup drained canned tiny green peas
1 cup bite-size pieces romaine (packed down)
½ cup finely diced celery
½ cup finely diced pared cucumber
2 tablespoons salad oil
1 tablespoon tarragon vinegar
Salt and pepper
Onion salt

Mix vegetables in a salad bowl. Toss with oil, vinegar, salt and pepper to taste and onion salt (¼ to ¾ teaspoon). Makes 4 servings.

Note: A small can (about 8 ounces) of young peas may be drained and used.



Sauce for Frankfurters Starts With Grape Jelly

Your guests will agree on the delicious flavor of this unusual hot dog appetizer sauce, but no one will guess the ingredients. So simple to prepare, the children will take over.

This sauce derives its special tang from catsup or chili sauce heated with grape jelly or jam. Be sure to have plenty of little cocktail franks or thick slices of hot dogs available, for this recipe is sure to be an immediate hit with every age group.

The preparation requires only combining the two ingredients in a chafing dish and adding the hot dogs. When sauce and sausage are both hot, stab each hot dog slice with a toothpick and serve, or let your guests do the poking. Just set out the chafing dish. It can also be prepared in a sauce pan in the kitchen and poured into a glass or china bowl for serving.

Grape Jelly Surprise Sauce

½ jar (10-ounce) grape jelly or jam (½ cup)
¾ cup catsup or chili sauce
1 pound frankfurters, cut in bite-size pieces

Combine jelly and catsup in blazer pan of chafing dish or electric fry pan. Cook slowly until jelly is melted. Add franks to sauce and heat over low flame, 10 to 15 minutes.

Quick Butterscotch

Tote home a plain angel cake or spongecake, give it dress-up zip with simple butterscotch frosting. Sprinkle the top of an 8-inch cake with ½ cup butterscotch morsels, the yellow nuggets related to the famous semi-sweet chocolate morsels. Heat the cake in a slow oven (250 degrees) for 5 minutes, spread with a spatula to form a glaze. Garnish with coconut or chopped nuts.

Cavity in Angel Cake Filled With Rhubarb

Fashion's new pink is revealed in the filling of this Rhubarb Angel Food Cake. It starts with a baker's angel food cake.

Cut a 1½-inch slice off the top, then hollow out the insides of the cake (reserving the crumbs) — leaving about a ½-inch shell on outer and inner sides, and bottom. Prepare a sweetened rhubarb sauce (using 1 pound rhubarb), coaxing it to a pretty pink with a few drops of red food coloring.

When cool, fold rhubarb and 2 cups of the angel food cake crumbs into 1 cup of heavy cream, whipped. Place in scooped out cake and replace cake top. Spread top and sides of cake with more whipped cream and chill thoroughly before serving.

The gray fox is a fairly good climber. It climbs a tree by hugging the trunk with its forelegs and forcing itself upward with its hindlegs.

IT'S pre-sifted

YOU NEED NEVER SIFT AGAIN NO MATTER WHAT YOU BAKE!

Try this NEW WAY to BETTER, easier BAKING

You need never sift again no matter what you bake—because Robin Hood Flour is pre-sifted for you! Every bit of Robin Hood has been pre-sifted through micro-fine silk.

Think what this means in time saving! But that's not all. You'll get better baking than you ever had in your life! Hundreds and hundreds of women who have tried Robin Hood Pre-sifted Flour this new way say that it gives them better baking, tastier baking, baking that stays fresh longer!

Robin Hood Pre-sifted Flour is at your grocer's now. Next time you bake, try this new, easy way to better baking. Just measure Robin Hood straight from the bag without sifting according to the simple instructions in each bag.

Honor Foods from Maine at Gourmets' Dinner

The humble Maine Sardine received high honors when it was featured in a special canape at a dinner meeting of the famed Gourmet Society in New York recently. Hot and sizzling, the sardines were dressed with a tangy sauce made of spiced black walnuts and grated lemon and orange rind.

The menu, which was a salute to the State of Maine, highlighted some of the many good foods which are caught in the clear cool waters off the rocky coast or grown in the rich earth of our northernmost state.

Lobsters for which the state is justly famous were the piece de resistance, but the sardine canape, served in true gourmet fashion attracted much attention. Baked potatoes, souffle style, were another Maine food product honored.

Dr. Frederick J. Stare, of Harvard University School of Public Health, gave the leading address. Dr. Stare stated that fish in any form has been proven to be one of the finest foods man can eat. Extensive research by leading institutions has shown that the fatty acids in fish tend to decrease the cholesterol level of the blood. Fish such as sardines are packed in non-cholesterol forming oils, Dr. Stare pointed out.

Potatoes-In-The-Shell Souffle

6 medium potatoes
1½ teaspoons salt
⅛ teaspoon freshly ground black pepper
Dash of nutmeg
2 tablespoons butter
3 tablespoons hot milk
2 egg, separated
Finely grated sharp cheddar cheese
Fresh parsley for garnish

Preheat the oven to 400 degrees. Prick the potatoes with a knife or skewer and bake them until tender, about one hour.

Cut a slice off the top of each potato. Scoop out the insides and mash until fluffy, with seasonings, butter and hot milk. Beat in the egg yolk. Beat the egg white until stiff and fold into the potato mixture. Refill potato shells with this mixture. Sprinkle with grated cheese.

Lower the oven temperature to 350 degrees and bake the potatoes until browned, about 25 minutes. Serve garnished with parsley.

* * *

Lobster Stuffed with Crabmeat

4 live Maine lobsters
Dressing ingredients:
10 square crackers, crushed fine
Salt and pepper
¼ cup melted butter
¼ cup clam broth
1 pound crabmeat
Sherry to moisten dressing
Melted butter for sprinkling tops
Grated Parmesan cheese for sprinkling tops

Place each lobster on its back, and use a sharp knife to split in half. Remove stomach and back veins, but leave all fat, the liver (tomalley), intact. Stuff high with as much dressing as possible, made by combining the dressing ingredients. Sprinkle additional melted butter over tops of stuffed lobsters, and then sprinkle liberally with grated Parmesan cheese and paprika. Bake in a 450-degree oven 18 to 20 minutes.

* * *

Grilled Sardine Canapes

Canapes:
10 slices white bread, crusts removed
1 7-oz. cans Maine sardines
Grated rind navel oranges
Strained juice 1 lemon
3 tablespoons soft butter
Parsley
Sauce:
4 tablespoons juice from pickled black walnuts
2 pickled black walnuts
2 tablespoons capers, chopped fine
2 teaspoons finely chopped shallots
Strained juice 1 lemon
1 teaspoon brandy

Toast lightly on both sides 10 slices of bread, crusts removed. Butter them lightly and spread out on cookie sheet. Open the 3 cans of sardines, drain off all oil.

Split the sardines in half and cover each slice of toast with 3 halves. Sprinkle the strained lemon juice and grated orange rind over all.

Broil quickly 2 to 3 minutes and serve at once on hot platter, garnished with parsley, accompanied with the sauce. (To make the pickled black walnut sauce, place all ingredients in a small enamel double boiler over boiling water until heated through.)

Tailgate Meal a Timesaver

The station wagon crowd knows that a tailgate breakfast not only saves valuable time and money, but avoids a delayed breakfast. On vacation, as well as the rest of the year, it's important to start the day with a good breakfast.

An adequate morning meal will make the morning's travel a more pleasant and enjoyable event. Travelers who skip breakfast are apt to become fatigued and cross as the morning wears on. Research has demonstrated that an adequate breakfast is a must for maximum physical and mental efficiency.

Just what is a "tailgate breakfast?" It's the morning meal prepared and served on the tailgate of a station wagon or at a roadside rest. An adequate breakfast follows a basic breakfast pattern of fruit, cereal, milk bread and butter, recommended by doctors and dietitians as an adequate one for most people.

Fruit out of hand, such as oranges, is the quickest and easiest way to serve fruit. Individual boxes of breakfast cereals give choice and variety without keeping several large boxes on hand.

Most station wagon travelers have a refrigerator. They merely pick up cartons of fresh milk the evening before. If this is not feasible, nonfat dry milk can be quickly made up for the cereal and to drink. Many families like to use chocolate-flavored nonfat milk.

Toast takes too long, raisin bread and butter is a good choice. If sweet rolls are available, they add variety to the morning meal.

The tailgate breakfast is ideal, especially for active children. They can run off a little of their excess energy as they eat their morning meal. The whole family will benefit if they start the day with a tailgate breakfast.

MAINE POTATOES, SOUFFLE — Baked Maine potatoes, blended with tangy Cheddar cheese, are an interesting vegetable dish. An egg yolk is folded into the mashed baked potato before a stiffly beaten white is added for lightness. Grated cheese goes on top. Yummy.

Meat Cuts Share Spotlight with Spring Produce

If shoppers study food information before shopping this week, they will notice a number of meats receiving store emphasis states the Marketing Information Agent, Mrs. Josephine Lawyer. Some retailers report slight wholesale reductions for beef and many beef cuts are featured at retail. Canned ham, lamb shoulder and leg yearling hen turkeys and fryers are other protein foods in the spotlight.

All market reports indicate continuous increases in fresh produce. Shoppers will most likely find increasing quantities of new-crop potatoes, cauliflower, tomatoes, peppers and asparagus. Cool rainy weather has cut the volume of the spring strawberry crop.

At this season, canned fruits such as peaches, fruit cocktail and juices will help extend fruit dollars.

Beef prices are lowest through this time of year and this spring prices have been declining as record supplies move to market. Since you may expect prices on high quality grain-fed beef to rise seasonally in the next month or two, this may be the economical time to buy steaks and other tender beef to freeze for summer use.

Yearling hen turkeys are mature hens culled from the laying flock. Notice that the skin is thick with a heavy layer of fat underneath. Instead of roasting as you would a young tender turkey, the yearling hen requires moist heat. This means cooking in foil or steaming with the roaster cover on until the meat is tender.

What will you do with lamb shoulder? First, remove the bone. Of these three suggestions, perhaps one will fit your plan. Grind the shoulder meat for lamb patties. Shape the patties about ½ inch deep and three inches across. Broil with a strip of bacon wrapped around each pattie.

If the family likes stew, cut the meat into stew-size pieces. If you plan to use the grill, cut the shoulder into 1½ to 2 inch cubes, marinate for added flavor and use for shish kabobs.

If your Memorial Day plans include canned ham, you may buy it this week and store it unopened in the refrigerator. Large size canned hams cost less per pound than small hams, but a pound of either will serve 4 or 5 persons.

Buy fresh asparagus in the spring or never. Both New Jersey and Michigan asparagus is here. April and May bring 62 per cent of the annual fresh asparagus supply. Guides to freshness include tightly closed tips, bright green or purplish green color, crisp stalks.

New Sour Cream Dip

Add this Tangy Sour Cream Dip to your appetizer file. Combine 1 cup dairy sour cream with 2-3 tablespoons prepared horseradish, 1 teaspoon Worcestershire sauce, ½ teaspoon celery seed, ½ teaspoon salt, ¼ teaspoon paprika and 2 teaspoons finely chopped pimiento olives. Chill several hours and serve as dip for garden vegetables. Yield: Approximately 1 cup.

BAKED BACON BURGERS — Bake your hamburgers and use the time they're in the oven to get the rest of dinner ready. This means you can work in the garden until almost the last minute. Bacon wrapped around the ground beef patties adds a special flavor.

Bacon Wrap Beef Patties Before Baking for Dinner

These lovely spring days tempt us to use the last half hour of daylight and leave little time for preparing supper. We begin to budget the time so that extra moments may be spent gardening, golfing or simply enjoying the fresh air. But there are plenty of possibilities for speedy meals (The family will be hungry!) that require a minimum of time and effort.

It's no secret that "hamburgers" are on the favorite foods list of many youngsters and oldsters, too, and when you wrap the patties with strips of bacon, the flavor is simply elegant.

Flavorful bacon is just right for any meal — whether it's breakfast, brunch, lunch, supper or midnight snacks. Bacon is truly one of the most versatile and simple-to-prepare meats. It tastes best when it has that fresh-from-the-smokehouse flavor so buy only enough for current use.

Keep bacon well wrapped and in the refrigerator. Don't freeze bacon because some of the good flavor is lost in freezing.

Cold bacon is often brittle and tears easily when taken from the package. To loosen slices quickly, slip a rubber spatula under the right end of the bacon and "cut" lengthwise, lifting and removing each piece.

Bacon can be baked, broiled or pan-fried. No matter which method you use, you'll want bacon to be perfectly cooked. It should be crisp, but not brittle, and evenly cooked from end to end.

Why not serve your family Baked Bacon-Burgers tonight? Complete the meal with lima beans in sour cream, sliced tomato salads, tall glasses of milk and a make-ahead dessert.

Baked Bacon-Burgers

12 slices bacon
2 pounds ground round steak
1 cup evaporated milk or light cream
2 teaspoons salt
Dash of pepper
¼ cup minced onion

Lightly mix beef, milk, seasonings and onion and shape into six patties. (The mixture will be quite moist to handle.) Place on broiler rack and bake in 400 degree oven for 8 minutes.

Remove from oven and wrap patties with bacon strips, crisscrossing bacon over top and tucking ends under. Return patties to oven and continue baking 15 minutes, until bacon is crisp but not brittle. Makes 6 large Burgers.

No, No, Don't Waste It

When you discard the liquid in canned vegetables, valuable vitamins and other nutrients go down the drain, according to the National Canners Association. Here's how to get full food value. Drain the liquid and boil it until the liquid reduces to half its original volume. Add the vegetables, heat them, and serve them in the remaining liquid.

Rhubarb Ice Cream Filler for Pound Cake

Fashioned for spring partying is Rhubarb-Pineapple Cake—a three piece ensemble, pinked and prettied with an ice cream midriff. Cut a baker's (1-pound) loaf pound cake, horizontally, into 2-equal-sized layers.

In advance, prepare the middle layer. Cook (and sweeten) ½ pound of rhubarb to a thick sauce and tint with red food coloring. Cool and add 1/3 cup drained, crushed pineapple. Blend sauce into 1 pint of softened vanilla ice cream and place in a waxed-paperlined loaf pan (to fit size of cake); freeze overnight.

Top cake with whipped cream and toasted almonds. Keep in freezer until served.

A man is getting along in years when he begins paying more attention to the food than he does to the waitress . . . One reason city dwellers seldom get to know their neighbors is that they don't have to borrow lawnmowers—Earl Wilson.

Takes His Time Over Warrant

Ingham Official Sees Politics in Request for Action Over 'Perjury'

LANSING (AP)—Ingham County Prosecutor Leo A. Farhat, a Republican, has said he will not be "stampeded" into issuing a perjury warrant asked by Atty. Gen. Paul L. Adams, a Democrat.

Farhat implied there was politics involved in the request.

Adams recommended issuance of a perjury complaint against Mrs. Lulie Abrom of River Rouge, a notary.

He also asked that Rep. Maxcine Young, D-Detroit, be charged with signing false names to nominating petitions for Dr. Eugene C. Keyes, who failed in an attempt to get on the primary ballot last August as a Democratic candidate for lieutenant governor.

Adams says Mrs. Abrom testified at a court hearing that three different circulators of the petitions signed them in her presence.

A handwriting expert said all the signatures were the same, the attorney general said.

The same handwriting expert said the attorney general, testified Mrs. Young signed more than 50 signatures purported to be those of Genesee County residents.

"This office will not be stampeded into recommending a warrant until this matter has been completely reviewed," Farhat said. "It seems incongruous that Mrs. Abrom should be charged with a felony while Rep. Young faces only a misdemeanor."

Taps for Sarge, Hero of Pacific; Dog Has His Day

HOLLYWOOD (UPI)—Old Sarge never placed at any dog shows. And he never starred on television or in the movies.

★ ★ ★

All the German shepherd ever did in his 20-year lifetime was fight with the Marines on Guadalcanal, Saipan and Tarawa, save the lives of nine U.S. servicemen, earn the Silver Star for heroism under fire and get a purple heart and two clusters for combat wounds.

★ ★ ★

The canine Marine, the last known battle dog hero of World War II, died of old age Wednesday after 20 years, a month and a day of life, the equivalent of a human life of 140 years.

★ ★ ★

The Marine Corps League of California is planning a burial with full military honors.

Death Penalty Urged for Turkish Officials

YASSIADA, Turkey (UPI)—The prosecution in Turkey's mass treason trial demanded the death penalty Wednesday for 21 top-ranking officials of the ousted Adnan Menderes government.

★ ★ ★

The 21 accused included former Prime Minister Menderes, members of his cabinet and top officials of Menderes' dissolved Democratic party.

★ ★ ★

They are charged with attempting to cause the collapse of the opposition party, and with causing public disunity.

Cornered Con Slays Himself

Blamed in the Murder of 2 Lawmen, He Had Escaped From Jail

BOSTON (AP) — A desperate gunman hunted widely for two slayings of law officers put a bullet into his brain Wednesday night as police stormed his hideout in a fashionable Back Bay apartment house.

★ ★ ★

Edgar W. Cook, 48, less than two years out of Alcatraz, where he served a 14-year sentence for a post office robbery, died in a hospital 2½ hours later.

Police said he killed himself with the same tiny .25-caliber pistol with which he killed David S. Robinson, 53, warden of the Middlesex County jail, in escaping from that Cambridge institution Sunday noon.

Norman A. Porter Jr., 21, his companion in escape, remained at large.

★ ★ ★

Both Cook and Porter were held on murder charges. Cook was to have gone on trial Monday for killing a Cambridge policeman last September. The officer had surprised him attempting to break into a restaurant.

Porter was awaiting trial for killing a clothing store clerk in an attempted holdup at Saugus.

Arrests in S. Africa

JOHANNESBURG, South Africa (UPI)—Police arrested thousands of Africans today to head off planned antigovernment demonstrations.

Managers Hear Newspaper Cited as Teaching Tool

EAST LANSING (AP) — The newspaper, when used as a teaching tool, brings a breath of fresh air into the classroom, Michigan newspaper circulation managers were told here Wednesday.

The newspaper has a sense of immediacy in its subject matter and format, said Dr. John Ball of the Michigan State University School of Communication Arts.

Ball described a graduate credit course for teachers on the use of the newspaper in the classroom, currently being taught in Jackson. It is the first of its kind in the nation, he said, and other communities in the state also plan to offer the course.

The course, Ball said, is jointly sponsored by the Jackson Citizen Patriot and the college of communication arts.

Former Nazi Resigns

GIFHORN, Germany (UPI) — Wilhelm Schepmann, former chief of staff of the Nazi storm troopers, resigned Wednesday as deputy mayor of this North German village.

Wins Court OK on Home Class

Professor at Princeton Can Educate His Own Smart Children

DUTCH NECK, N. J. (AP)—A Princeton University professor and his wife have won court approval to educate their three talented children at home instead of sending them to public school.

Dr. Daniel S. Trifan, 43, and his 34-year-old wife were cleared of disorderly conduct charges Wednesday by Magistrate A. C. Reeves Hicks, who ruled that the three children in question "are receiving an equivalent education in the academic sense."

The three, who have shown musical talent, have been educated at home through correspondence courses. The youngsters are Marioara, 11; Daniel, 9; and Richard, 7.

Said Hicks: "There is absence of any evidence that the children are being exploited or being dragged into the abyss of maladjustment or abnormality, which would certainly give the state sufficient cause to exercise control. Therefore, the defendants are not deemed to be disorderly persons."

★ ★ ★

Hicks noted further that the legislature had not established a framework for appeal in a case such as this.

Almost one-third of the automobiles in use in the United States are estimated to be 10 years old and some are much older than that.

Place Time Capsule for 94's Dedication

JACKSON (AP)—A "time capsule" will be placed at the roadside rest area about 10 miles east of Jackson next Thursday to mark the formal dedication of Interstate 94 Freeway between Detroit and Stevensville.

★ ★ ★

Instructions will be left to open the capsule during Michigan Week in the year 2000.

10 Waterford Firemen to Take U. of M. Course

Ten Waterford Township firemen will attend a four-day course at the University of Michigan June 20 to 23, according to Fire Chief Elmer Fangboner.

The training will be held at the disaster center on the U. of M. campus to give the men information on the use of new equipment, new methods of fighting fire and coping with disasters.

ELECTION NOTICE

To the electors of the Village of Lake Angelus, Oakland County, Michigan.

Notice is hereby given that at a special election to be held at residence of the Clerk in said Village of Lake Angelus, Oakland County, Michigan, on Saturday, the 15th day of July, 1961, the following question will be submitted to you:

Do you favor the confirming of a franchise to The Detroit Edison Company, granting permission to erect, construct, lay, operate and maintain, within the Village of Lake Angelus, all needful and proper poles, towers, mains, wires, pipes, conduits, and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use, subject, however, to all conditions and restrictions of said franchise, as passed at a session of the Village Council of said Village held on Monday, the 15th day of May, 1961.

A copy of said franchise is on file with the Village Clerk, and it is open to the inspection of the electors of said Village.

At said election the form of ballot will be as follows:

Confirming grant of franchise to The Detroit Edison Company, for the purpose of the erection, construction and maintenance of towers, poles, mains, wires, conduits, apparatus, etc., requisite for the transmission, transforming and distribution of electricity for public and private use.

Yes ( )
No ( )

The polls of said special election will be opened at 7 o'clock a.m. and will remain open until 8 o'clock p.m. of said day of election.

REGISTRATION NOTICE

The Board of Registration will be in session at the Clerk's residence on Thursday, the 15th day of June, 1961, from 8 o'clock in the forenoon until 8 o'clock in the evening, for the purpose of completing the registration of electors of said Village.

Dated this 15th day of May, 1961.

ROBERT W. HODGE
Village Clerk

I hereby certify that the above and foregoing is a true copy of resolutions adopted by the Village Council of the Village of Lake Angelus, Oakland County, Michigan, at a regular meeting held on Monday, the 15th day of May, 1961.

ROBERT W. HODGE
Village Clerk
May 18 and 25, 1961

VILLAGE OF LAKE ANGELUS, County of Oakland.

The Village of Lake Angelus ordains:

Section 1. Permission is hereby granted to The Detroit Edison Company, a New York Corporation, its successors and assigns, to construct, maintain and operate in the public streets, highways, alleys and other public places in the Village of Lake Angelus, Oakland County, Michigan, all needful and proper poles, towers, mains, wires, pipes, conduits and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use, subject, however, to all conditions and restrictions hereinafter contained.

Section 2. The conditions of the foregoing grant are as follows:

A—The grantee shall do no injury to any street, highway, alley or other public place, or to any shade trees, or in any manner disturb or interfere with any water or gas pipes, or with any public or private sewer, now or hereafter laid or constructed by any authorized person or corporation.

B—The Village Council may, in its discretion, grant permission for the trimming of trees when necessary to make the lines safe and accessible, such trimming to be done under its supervision.

C—The construction work of the said line shall be under the supervision of the Village Council, and the grantee shall pay to the Village, upon presentation of an itemized bill, the cost of such supervision at the legal rate of charge for the same.

D—The said grantee before entering upon any street, highway, alley or other public place for the purpose of erecting and constructing any new installation of poles, mains, wires, pipes, conduits or other apparatus related to the transmission, transforming and distribution of electric energy shall, if requested by the Council or its authorized representative, file with the Clerk a sufficient plan and specifications, showing the nature and extent of the proposed erection and construction. The cost of inspection shall be held to be part of the cost of supervision. The replacement of any existing poles, mains, wires, pipes, and conduits, or other apparatus related to the transmission or distribution of electric energy for the purpose of maintaining or improving service may be made at any time if such construction or replacement complies with the rules and regulations prescribed by the Michigan Public Service Commission.

E—No street, highway, alley or public place shall be allowed to remain open or encumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work and the Village Council shall determine the question of such necessity, and the grantee shall at all times conform to all ordinances of the Village, now or hereafter in force, relative to the fencing and lighting of obstructions and excavations.

F—The grantee shall save the Village harmless from any judgment that may be recovered against the Village by reason of the wrongdoing or negligence of said grantee in the erection and maintenance of said poles, mains, wires and other apparatus or construction.

G—Said grantee shall make due provision upon forty-eight hours' notice in writing by raising its wires or otherwise, for the passage of any barn, building or other structure on or over any street or highway or public place occupied by the mains, wires, poles and apparatus of said grantee.

Section 3. In consideration of the granting of this franchise, grantee agrees that its rates and charges for electric service in the Village of Lake Angelus shall not exceed its rates and charges for like service elsewhere in its service area, evidenced by its uniform rate schedules at the time on file with and approved by the Michigan Public Service Commission. It is understood that the grantee is subject to regulation by the Michigan Public Service Commission and that any order, rule, or regulation by that Commission, or its successor, will prevail over any regulation herein contained or provided in case of conflict.

Section 4. This grant shall take effect if said grantee shall, within fifteen days from the date of the passage of this ordinance, file with the Village Clerk its written acceptance of the terms of the same, and upon the confirmation or this grant by the affirmative vote of three-fifths of the electors of said Village, voting thereon at a special election to be held on Saturday, the 15th day of July, 1961, as provided for by the Statutes and the State Constitution.

If not confirmed by the electors voting at said election, this ordinance shall be null and void.

Section 5. This Franchise and Ordinance shall be and remain in force for twenty (20) years from and after the date of its confirmation by the electors of the Village of Lake Angelus, Oakland County, Michigan.

Section 6. Nothing in this grant shall be construed to alienate the title of the public in and to any street, highway, alley or public place, or any portion thereof, neither shall anything herein be construed in any manner as a surrender by the Village of Lake Angelus of its legislative power with respect to the subject matter hereof, or with respect to any other matter whatsoever, nor as in any manner limiting the right of the said Village of Lake Angelus to regulate the use of any street, avenue, highway or public place within its jurisdiction.

Dated this 15th day of May, 1961.

F. H. POREN
Village President
ROBERT W. HODGE
Village Clerk

May 15th, 1961

Moved by Dodge.
Seconded by Lake.
The following Resolution was adopted by a vote of Yeas 3, Nays 0, Absent 2.

Resolved, that the proposition and franchise of The Detroit Edison Company, as read, be adopted, subject, however, to confirmation by a vote of the electors of the Village of Lake Angelus, Oakland County, Michigan.

May 15th, 1961

I hereby certify that the above and foregoing is a true and correct copy of a franchise granted to The Detroit Edison Company, at a regular meeting of the Village Council of the Village of Lake Angelus, Oakland County, Michigan, held on Monday, the 15th day of May, 1961, said franchise to take effect upon its confirmation by the electors of said Village as provided for in Section 4 thereof.

ROBERT W. HODGE
Village Clerk
May 18, 1961

INSTALLED IN CHURCH POST—Paul D. McKelvey of Los Angeles (right) was installed as moderator of the United Presbyterian Church of the United States Wednesday by the Rev. Dr. Herman L. Turner of Atlanta, Ga. The ceremony was held in Buffalo, N.Y. The office is the highest titular post in the 3.25-million-member denomination.

Detain Dead Man's Wife in Michigan Shooting

MUSKEGON (AP) — A Muskegon Township man was found dead of a gunshot at his home early today and authorities detained his wife for investigation of what she described as an accidental shooting.

Dead was Max Gabourie, 38. Undersheriff Harry Pennington said the man's wife Pattricia, 31, reported the couple had argued earlier.

Truman to Be Speaker at JFK Birthday Dinner

WASHINGTON (UPI) — Former President Harry S. Truman has joined President Kennedy and Vice President Lyndon B. Johnson on the speakers' list for the May 27 Democratic fund-raising birthday dinner for Kennedy.

The Democratic National Committee also announced that Speaker Sam Rayburn will speak at the $100-a-plate dinner.

Killed While Playing

LANSING (UPI)—John Asquieth, 6, was killed Wednesday night when he rode out of the driveway of his rural Stockbridge home near here and was knocked off his tricycle by an auto on M92.

Tickets Remain for Pontiac Area C. of C. Cruise

The annual cruise of the Pontiac Area Chamber of Commerce is little more than two weeks away, but registrations are still being accepted for the June 4-7 Great Lake voyage.

For this year's cruise the S.S. South American will be shared with members from the Lansing Chamber of Commerce.

The ship will stop over at Sault Ste. Maries and Traverse City, passing under the Mackinaw bridge.

It is scheduled to leave Detroit at 5 p.m. Sunday, June 4 and return at 4 p.m. Wednesday, June 7.

Pontiac Division Output Down

Takes Small Decline Between May 6 and 13; Year's Total 127,427

Pontiac Motor Division output last week was down slightly from the week ending May 6, the Automobile Manufacturers Association (AMA) reported today.

Production last week totaled 7,305 units — 4,400 Pontiac and 2,905 Tempests. For the week ending May 6, there were 7,452 units assembled — 4,413 Pontiacs and 3,039 Tempests.

Cumulative output for the year through May 13 amounted to 127,427 cars—87,930 Pontiacs and 44,497 Tempests. The division produced 190,642 cars for the comparable period of 1960 — all Pontiacs.

Pontiac Motor's total so far this year gave the division a large lead in the production battle with its GM rival, Oldsmobile, in the medium-priced field.

Oldsmobile through March 13 had produced 109,296 cars in 1961—85,242 Oldsmobiles and 24,054 F85s.

Total motor vehicle production in the United States last week came to 153,747 units—129,547 passenger cars and 24,200 trucks and motor coaches, the AMA reported.

During the previous week, 147,715 units were assembled—124,616 cars and 23,099 trucks and buses.

Evans Stockholders Due to Resume Session

DETROIT (AP)—The annual stockholders meeting of the Evans Products Co. in Plymouth was to resume today after an adjournment to count proxies dealing with an acquisition of a West Coast firm.

The adjournment was called Wednesday.

Acquisition of the Aberdeen Plywood & Veneer Co. of Aberdeen, Wash., has been proposed by exchange of 240,000 new shares of Evans.

Greatest immigration year in U.S. history was the year 1907 when a total of 1,285,000 foreign-born arrived to make their homes here.

Summer School Being Planned

Will Offer 10 Classes If Enough Students Enroll in Waterford

Summer school classes for Waterford Township residents are being organized at the high school, and registration will be from 8 a.m. to noon June 19 to 21.

★ ★ ★

Classes in 10 subjects will start June 22 and continue until Aug. 4. The fee will be $25 whether a student is enrolled in one or two classes.

The maximum load a student may carry is two classes, and he may not earn more than one credit.

The following courses will be offered if enough people register for them:

English I to IV: American government; American history; world history; junior high math (including general mathematics); plane geometry; reading improvement (junior and senior high); personal typing; and commercial law.

★ ★ ★

A special course is also being offered in "Beginning Rapid Reading," under auspices of Michigan State University and Waterford Township High School. High school seniors and others planning to attend college ordinarily derive maximum profit from this course, since college level study consists mainly of reading, according to summer school director, George Madden.

★ ★ ★

A member of the Michigan State University faculty will be teaching this course and registration begins June 23, with classes starting June 26 from 10 a.m. to noon. There will be a total of 20 hours of instruction. Tuition for the course will be $18 per student.

NOTICE OF PUBLIC SALE

Notice is hereby given by the undersigned that on Monday, May 22, 1961, at 10 o'clock a.m. at 675 Oakland Avenue, Pontiac, Oakland County, Michigan, public sale of a 1959 GMC D-662 Tractor bearing serial number S-3283-J, will be held for cash to the highest bidder. Inspection thereof may be made at 675 Oakland Avenue, Pontiac, Oakland County, Michigan, the place of storage.

Dr. Sarah Van Hoosen Jones accepts check for Oakland County Historical Foundation from Mrs. Charles H. Crawford of Westlawn Drive, (at left) president City Federation of Women's Clubs, at the 4th annual Golden Gavel Banquet Wednesday at Rotunda Inn. Looking on is Mrs. Richard Paschke of Union Lake Road, cochairman.

'A Woman's World,' Federation Is Told

By MADELEINE DOEREN

"It's a woman's world," according to Robert W. Emerick, public relations director, Pontiac Motor Division, who addressed some 170 members of the City Federation of Women's Clubs Wednesday evening at the Rotunda Inn.

Co-stivating his audience by a subtle satire on femine foibles, Mr. Emerick commented that "Behind every successful man stands a devoted wife and a surprised mother-in-law."

He commended Federation members for accepting each day's challenge instead of being a "sacred sorority of sorrow over tragic trivia."

After the invocation by Mrs. Clarence Myers, honors were bestowed upon past presidents Mrs. Peter Davidson, Mrs. C. J. Barrett, Mrs. George Shearer, Mrs. Paul Gorman, Mrs. B. B. Roush, Mrs. S. V. Sekles and Mrs. Arnold Hillerman.

Mrs. Lewis Swartz, parliamentarian, installed Mrs. Charles H. Crawford as president; Mrs. Chadd Mellinger, first vice president; Mrs. Merrell D. Petrie, second vice president; Mrs. George Pratt, third vice president; Vera Bassett, recording secretary; Mrs. Charles Gersten, corresponding secretary; and Clara Nusbaumer, treasurer.

Mrs. W. J. Dean, will be auditor; Mrs. Swartz, parliamentarian; and Mrs. Joseph J. Panter, parliamentarian emeritus.

GETS GOLDEN GAVEL

The golden gavel for attendance for clubs of 51 or more members was presented to Mrs. Charles A. Stark, president, American Business Women's Association, Tipacon Chapter.

Mrs. Thomas Oliver, president of the Daughters of Penelope, accepted the gavel for clubs having fewer than 50 members.

Banquet cochairmen were Mrs. Petrie and Mrs. Paschke. Mrs. Mellinger and Mrs. Myers arranged the program, with Mrs. Dorothy W. Brooks in charge of decorations.

Serving on the hospitality committee were Mrs. William Freyermuth, Mrs. Oliver, Mrs. Fritzie Stoddard and Miss Bassett.

Assisting Mrs. Hillerman with reservations were Mrs. Sekles, Mrs. Norman Dyer and Mrs. Nat Morrison. Mrs. Barrett was housing chairman.

Organ selections by Mrs. William McCreedy were presented through the courtesy of Grinnell Brothers.

Chatting with Robert W. Emerick, public relations director, Pontiac Motor Division, guest speaker at the Federation banquet, are Mrs. Merrell D. Petrie (at left) of Cherokee Road, second vice president and Mrs. Chadd Mellinger of Blaine Avenue, first vice president.

Slate Reunion of PCH Class for June 16

A silver anniversary reunion of Pontiac Central High School class of 1936 is scheduled for June 16 at the Elks Temple on Orchard Lake Avenue. A social hour beginning at 6 p.m. will precede 7 o'clock buffet dinner.

Cochairmen Dr. Charles L. Bowers and Harry Woodman, presidents of the January and June graduating classes, have appointed the following committee heads: Carl Alfsen, Glen Heathman and Mr. Woodman, program; Mrs. Bruce Annett and Mrs. Jay Sandow, history; George Pratt, finance; Mrs. Harry Hummel and Mrs. Annett, reservations; Harry Hummel, publicity.

Class members who have not received reunion literature should contact Mrs. Sandow of Avondale Road.

Campus News

Some 164 Albion College students were cited at the Annual Honors Day Convocation Monday morning in Goodrich Chapel.

Honored as new members of Beta Beta Beta national biology honorary, were sophomores Sara L. Barningham, daughter of the Walter Barninghams of West Huron Street; Gail Sedrick, daughter of the William Sedricks of Marlsfield Avenue; and Nancy J. Gottschall, daughter of the Joseph E. Gottschalls of Milford.

Sara is also a member of Alpha Lambda Delta, national freshman women's honorary recognizing high scholarship.

Miss Sedrick was named a new member of the Contributor's Club, campus honorary recognizing creative literary talent.

The Lenore Marie Samith prize to junior girls who have made the greatest progress in music studies was awarded to Barbara L. Jarvis, daughter of the Parker A. Jarvises of Ortonville.

★ ★ ★

Lambda Chi Alpha Faternity will conduct the 14th annual push-cart version of the Indianapolis 500 race Saturday at Michigan State University, East Lansing. Each living unit enters a cart that races through campus pushed by five men in relay fashion. Large trophies are presented to the winners in the men's women's and humorous divisions.

Participating as runners will be freshman Dick Clark; sophomores Ron Newman and Bruce Cobb; juniors David Kimball and James C. Gill; and Mike Pantel, senior.

★ ★ ★

Robert Elan, manager of the Kroger Co., Drayton Plains, is serving as an educational supervisor during the current semester in cooperation with Western Michigan University, Kalamazoo.

His supermarket will become the classroom for Ronald M. Bunch of Second Avenue, a food distribution student at WMU. He has been assigned to the store for a semester of work experience under Elan's supervision.

Robert Willard, son of the Orson B. Willards, Mapleleaf drive, Waterford Township, has been elected treasurer of the Society for Advancement of Management, at WMU. He is in the business administration curriculum.

★ ★ ★

Bruce Dean Anderson, son of the Emil E. Andersons of Fort Street, Waterford Township, will receive the degree of bachelor of science in business administration, May 31, at Bob Jones University, Greenville, S.C. He is a member of Excalibur Literary Society.

★ ★ ★

Suzanne L. Craft, daughter of the Bert Crafts of Rochester, has been initiated into Phi Beta Kappa at Wayne State University. She has the highest scholastic standing of this year's initiates and will receive her psychology degree in June.

Do Be Kind and Choose Other Style

By The Emily Post Institute

Q: A girl I went to school with and I are both being married this sumer. I am being married in June and she in July. I met her yesterday and during our conversation I told her that my bridesmaids had picked out their dresses.

She asked what the dresses were like and I described them to her. She said that her attendants bought the very same style dress and color. She suggested that my attendants make another selection. I told her that unless we found a dress that we liked as well, or better, my attendants were going to buy them.

She was very peeved. Am I expected to choose another style just because she happens to have chosen the same dress for her bridesmaids?

A: If your bridesmaids have not already bought their dresses and you can find others that you like equally well, it would be kind of you to select a different style for your bridesmaids.

If not, you can change their appearance by choosing hats, bouquets and other accessories that are entirely different from those the other bridesmaids will be wearing.

★ ★ ★

Q: A friend and I had an argument the other day as to whether or not it was in good taste for a man to wear a diamond ring. We could not agree on this and decided to ask you to settle the dispute for us.

A: A diamond of any size is not in good taste on a man, but if it is very small and sunk inconspicuously in what is known as a plain gypsy hoop setting, it would be acceptable.

★ ★ ★

Q: I was introduced to a very notable person recently at a reception to which I had been invited. I instinctively put out my hand to shake hands with him. After doing so I got the feeling that that was not the right thing to do.

Will you please tell me if I was right to extend my hand, or should I have waited for him to offer his hand?

A: Unless he was a really important person, you were quite right. A lady always offers her hand to a man.

Mix and Match

NEW YORK (UPI) — Sarah Coventry, jewelry designer, offers these suggestions for mixing and matching:

Use two clips or pins with a bracelet to make a chatelaine; or gather a chain at neckline with a massive pin to make a flattering and festive fashion note all your own.

Be Old-Fashioned, Says Abby

Your Decision Good; Keep It

By ABIGAIL VAN BUREN

DEAR ABBY: I am a widow with a daughter in high school. The two of us live together. I have to work so I am not at home when she comes home from school.

My daughter is well liked, and has many friends. I have no objection to her girl friends coming over after school, but lately, boys have been coming over.

ABBY

I trust my daughter, but I laid the law down and told her I did not want boys at the house when I am not there. She says that she won't be popular if she can't have the kids over after school.

Was I wrong to forbid her to have boys over when I am not home? Or am I old-fashioned?

WORKING MOTHER

DEAR MOTHER: Your original decision was sound. Don't weaken.

DEAR ABBY: We have a lady in our neighborhood who is making it tough for all the other wives. She didn't get married until she was 28, so she really appreciates having a man, but she is going overboard!

She went to Barber College to learn how to cut a man's hair and shave him, so she could do it for her husband. She doesn't pack him a lunch, she drives over to his plant every noon with a HOT lunch for him.

She calls him "Baby," "Sweetheart" and "Darling"—laughs at all his od jokes like she's never heard them before, and she never argues or disagrees with him. Is she an "ideal" wife or are we just slobs?

AVERAGE SLOBS

DEAR AVERAGE: Your neighbor is "mothering" her husband and he is lapping it up. He may remain contented forever, but if he ever grows up and decides he wants a real "wife" I hope your neighbor is convertible enough to fill the bill. If she isn't, hubby will pocket the haircut money and do a little cutting up on his own.

DEAR ABBY: I am the mother of an only son. His father is dead. I have a very lovely diamond ring which belonged to my mother, who is now deceased. I promised my son I would give him this ring when he found the girl of his choice.

He is now 26 and is going to marry a girl of whom I know my mother would not approve. I do not care for this girl either. She is not of our faith and has been married before.

I KNOW my mother would not want this girl to have her ring. Would I be wrong to tell my son I cannot find it in my heart to keep my promise?

— TWO CARATS

DEAR TWO CARATS: You promised your son the ring when he found the girl of HIS choice. He has found her.

★ ★ ★

DEAR ABBY: When you advised "Wants a Pet" to get a hamster I suppose you didn't know that hamsters bite, smell bad and live only two years. I would suggest a guinea pig. They don't bite, have no odor, enjoy cuddling and live up to eight years.

GOT FOUR

Posies to Show Centennial Spirit June 21

Pontiac Press Photo

All nine area branches of the Woman's National Farm and Garden Association sent representatives to a Wednesday tea given by Mrs. Newton Skillman Jr. of Lake Angelus Shores, cochairman for the Centennial Flower Show on Women's Day June 21 at Elks Temple. Among association members present to help plan the show were (from left) Mrs. John Patterson of the Pontiac Branch, WNFGA, cochairman; Mrs. Russell Kock, Pine Lake Branch; and Mrs. Eugene T. Cleland, Waterford Branch.

MEET J & F IN PREDICTA 2X2, no finer DACRON-WORSTED summer suit in the world at ANY PRICE

Crunchy Oatmeal Cooky Gets Quick Sugar Dip

By JANET ODELL
Pontiac Press Home Editor

From now until the end of the school year there are bound to be lots of picnics. Cookies are a good item to send along for dessert. A favorite with most people and one filled with good nutrition is the oatmeal cookie.

★ ★ ★

Mrs. Leland Percy Jr. is the cook of the day. She is a young homemaker with two youngsters to keep her busy. The number of plants in her home attest to her green thumb. She enjoys reading.

OATMEAL COOKIES
By Mrs. Leland Percy Jr.

3 sticks margarine
2 cups sugar
2 eggs
2 cups quick raw oatmeal
2 cup bitimeals
1 cup raisins or chocolate chips
2½ cups sifted flour
1 teaspoon soda
¼ teaspoon salt.

Cream margarine with sugar; add eggs and beat well. Sift dry ingredients together and add. Add nuts, oatmeal and raisins or chocolate chips.

Roll into ball size of a walnut. Dip into granulated sugar and flatten with a fork. Bake 10-12 minutes at 375 degrees. Makes a great many cookies.

Nibble Here, There Adds Up

A List of Diet Busters

By JOSEPHINE LOWMAN

Do you wonder why you gain weight when you eat three medium-sized meals a day and the calorie count they give you is very conservative? Maybe you only eat two meals a day and still add pounds.

★ ★ ★

Then consider the extras, the little bits which do not seem to mean much — a taste of this or that from the refrigerator, or tasting while cooking. It is amazing how these count up!

Also, the following items are not illegal or immoral — but they ARE fattening! They say that the bearer of bad news is very much disliked. I hope you will forgive me.

★ ★ ★

One chocolate soda . . 400 calories
One chocolate malted milk shake . . . . . 450 calories
One glass of beer . . 110 calories
One piece of lemon meringue pie . . . . . 350 calories (three inches in circumference)
Twelve average-sized potato chips . . 100 calories
Potato salad, one-half cup . . . . . 200 calories
One inch cube of cheese . . . . . 100 calories
Peanut butter . . . . . 100 calories
Peanuts (20) . . . . . 100 calories
Candy bars . . 200 to 400 calories
Gin, one ounce . . . . 80 calories
Bourbon, one ounce . . 85 calories
Scotch, one ounce . . . 75 calories

I am not even mentioning cream sauces and salad oils and dressings or gravy or fried foods, but this may give you some hint as to why you gain weight.

★ ★

If you would like to have my calorie chart, send a stamped, self-addressed envelope with your request for leaflet No. 36. Address Josephine Lowman in care of The Pontiac Press.

When you order a malted, ask for ". . . 450 calories, please." It might make you change your mind.

Sisterhood Hears Review of Book

Members of Chapter AW of the PEO Sisterhood met Monday evening at the home of Mrs. Ashton W. Emery, Dixie Highway, Waterford.

★ ★ ★

Mrs. Russell Curtis of CL Chapter reviewed the book "Papa's Wife." Mrs. Everett Peterson presided at the refreshment table.

Husbands of members will be guests at the annual dinner Tuesday at the Fox and Hounds Inn.

23 Students Give Recital at Grinnell's

The Pontiac Music Guild presented 23 students in a recital at Grinnell Auditorium Tuesday.

Participants included Penny Pepper and Jean Ann Keefer who played in a duet; Barbara Jean Hammond, organ solo; Pamela Morris and Sharel Isanhart, duet flute and piano, respectively; and Carol Wargelin and Jill Hicks, two-piano selections.

Piano solos were played by Anne Snell; Janet Rowston, Diane Vincent, Kathy Vaara, Larry Kaaat, Genie Burns, Amanda Malone, Marcia Cederleaf, Susan Todd and Barbara Smith.

Also playing were Marcia Nowosad, Suzanne Schultz, Eva Lynn Mogas, Connie Griesbach, Charles Dell Ario and Jack Ashby.

Teachers participating were Marguerite Ballard, Mrs. Carl Clifford, Mrs. Don Derragon, Mrs. Everett Harris, Amy Hogle, Mrs. Claud Kimler, Mrs. Lester Snell, Elda Sutter, Charles Wilson and Mrs. Rodger Wood.

PCH Presents Annual Spring Concert Tonight

The curtain will rise at 8:15 p.m. this evening for Pontiac Central High School's 26th annual "Say It With Music" concert. The program will be in the school's auditorium.

The popular selection "Everything's Coming Up Roses" by the senior boys and senior girls ensembles will open the evening of music.

The program will close with moving renditions of "You'll Never Walk Alone" with the "Battle Hymn of the Republic."

The school's music department, directed by George H. Putnam, supervisor of secondary vocal and instrumental music, sponsors the concert. A. Michael Dempsey and Jerry Libby, vocal music instructors, are directing.

Instrumental directors are Richard L. Morris and Robert M. Peterson.

Others assisting with the program are Stuart Packard, staging and lighting; Theodore Carlson and the PCHS print shop, program and tickets; Mrs. Jean Smith and the school's art department, art consultant; Shirley Zikewich, dance consultant; Mr. Packard and PCH Usher's Club, ushers; and Gary Bramble, program cover design. The concert will be presented again on Friday evening.

(NEA)—Warped phonograph records can sometimes be straightened if placed on a flat table, in a warm room and weighted down with books.

Lipstick Mix

(NEA)—If you use the same lipstick brush to apply all your various shades of lipstick, be sure that the lipstick in the brush from the previous application has been removed. The mixture of the two shades may prove to be an unflattering color for you.

Newlyweds to Leave for Post in Anchorage

Laura Lesley Clifford exchanged wedding vows and rings with A.2.C. Charles L. Page Jr., Tuesday evening in the Wenonah Drive home of her parents, the W. B. Cliffords.

★ ★ ★

Rev. Galen E. Hefshey performed the informal family ceremony before a background of white roses and gladioli. Receiving with the birde's parents were Mr. and Mrs. Charles L. Page of Montclair Avenue, parents of the bridegroom.

For the candlelight vows, the bride wore ballerina-length white nylon sheer and veil of silk illusion. White roses and lilies of the valley rested on her white Bible.

Mrs. James Patrick, matron of honor, appeared in beige linen and wore a corsage of shocking pink carnations.

Nelson Fenton performed the duties of best man for his brother-in-law.

★ ★ ★

To begin a brief honeymoon, the bride was wearing a biege silk costume suit. The couple will leave soon for Anchorage, Alaska, where Airman Page is stationed.

★ ★ ★

For her daughter's wedding, Mrs. Clifford wore a blue silk print and corsage of bronze roses. The mother of the bridegroom pinned yellow roses to her pale yellow silk print dress.

Oriental Beauty

TOKYO (UPI) — A survey by the Cosmetic Industry Association showed that 87.2 per cent of Japanese women use lipstick, 81 per cent use face lotion, 73.4 per cent use hair remover, 66 per cent use face powder, and 47.3 per cent manicure their fingernails.

Annie Cone Is Married in Candlelight Service

Candlelight vows of Annie Bernice Cone to Ronald Slone of Ferndale were pledged beneath an arch of white gladioli and palms Saturday evening in the Apostolic Church of Christ. The Rev. William Parent officiated.

Parents of the couple are the James R. Cones of West Rutgers Avenue and the Hosea Slones of Pikeville, Ky.

White orchids and English ivy rested on the white Bible held by the bride, gowned in white Chantilly lace and silk organza, with chapel train. Her fingertip veil was of silk illusion.

Peggy Cone, her sister's honor maid, wearing white silk organza embroidered in mint green, matching cummerbund and cabbage rose headpiece, carried yellow cymbidium orchids.

Accent color for bridesmaids Peggy Wilks, Audrey Knighten, Bernese Sloan, Ferndale and Patricia Miller, Auburn Heights, was orchid.

Mary Louise Qualls of Auburn Heights was flower girl and Jeffery Watson carried the rings.

Lester Wood of Ferndale was best man. Seating some 300 guests were Victor R. Trachsal, Ferndale; Michael McClure, Birmingham; Benny Vincent and William Hayes.

★ ★ ★

After a church reception, the couple left for a northern Michigan honeymoon and will reside in Pontiac.

White camellias accented Mrs. Cone's dusty rose lace sheath dress worn with matching hat.

Fete Woman at Shower

Margaret Cole was honored at a bridal shower Tuesday evening at the Johnson Avenue home of Mrs. Eric Danielson. Mrs. Erma Brown was cohostess.

★ ★ ★

Places were marked for Mrs. Leonard Cole of Augusta Avenue and Mrs. Esther Baker of Osmun Street, mothers of the engaged couple, and for Mrs. Iris Lugg, Mrs. David Lugg, Mrs. James Tippett, Mrs. Samuel Madill, Mrs. Ted Topa and daughter Claudia, Mrs. Emma Mason, Mrs. Edwin Amidon and Mrs. Rudolph Miller Jr.

★ ★ ★

Mrs. Frank Cole and Mrs. Donald Cole came from Royal Oak, Mrs. Donald Moran, Lake Orion; Mrs. James Fields, Oak Park; Mrs. Robert Barid, Madison Heights; Mrs. Robert Howell, Drayton Plains; Mrs. Donald Harrington and Mrs. Renaugh Harbaugh from Detroit.

★ ★ ★

Miss Cole's fiance is Pfc. Gerald R. Baker.

Break Up? Not on Your Life, Say Psychiatrists

'Some Couples May Thrive on Fighting'

BY JOYCE SCHULLER

CHICAGO (UPI)—Two psychiatrists said today that seemingly incompatible husbands and wives may stay married to have someone to fight with.

Drs. Marietta Houston and R. B. Forman of Topeka, Kan., said there seemed to be a tacit agreement in such turbulent marriages that "threats of divorce and separations were not to be taken literally."

The two Menninger Foundation staff psychiatrists made their observations in a paper delivered at the 117th annual meeting of the American Psychiatric Association.

Forman told a UPI reporter that many of the most seemingly incompatible marriages he studied appeared to be "made in heaven." He said that "to suggest these couples would be better off apart would be like saying a person with an obsession would be happier without it."

Many such couples try to give the impression they are staying together for the sake of their children, Forman said, "but there's no such thing as a marriage held together by the children." He contended that many couples make their claim only because it is more socially acceptable than saying they need "sparring partners."

12 COUPLES STUDIED

Forman and Miss Houston based their conclusion upon a study of 12 married couples over 45 years of age. They described the wives as either the "shrew type" or the "long-suffering, good, obedient type of wife," while the husbands appeared to fit either the popular stereotype of the "bully" or the "henpecked husband."

Forman suggested that the relationship between these husbands and wives is not "a case of misery likes company, but rather "a case of I'm not miserable—you are."

Socially, most of these marriages were considered "desirable and frequently ideal," the two psychiatrists reported. The husbands were generally prominent professional or businessmen, while the wives tended to be well educated, attractive and intelligent.

★ ★ ★

One couple studied met in a college classroom during a course in logic. "They married and lived a life of incessant, illogical dispute for the next 30 years," the Menninger study noted. When Houston and Forman interviewed the two together, they found the husband actually prodded his wife into the verbal abuse that nagged him.

"Subsequent discussions offered clear evidence of his need to continue the deprivation and punishment his wife offered him," the two psychiatrists noted.

"It was much easier for him to struggle with his wife's malevolence than with his own destructive impulses."

★ ★ ★

None of the couples studied received much gratification from adult sexuality, it was observed. The wives were frigid and the husbands periodically impotent.

THEY WERE FAITHFUL

"Yet, in these particular marriages, the patients did not seek sexual gratification in extramarital affairs, the psychiatrists said. "The mere appearance of a good marriage held value for them."

In every case studied, the psychiatrists found that both husbands and wives put the whole blame for their difficulties on their spouse. Husbands complained that their wives were shrewish, demanding and even tried to discredit them professionally.

Wives felt overshadowed by their husband's professional and business success and frequently falsely accused their mates of infidelity.

★ ★ ★

All the couples persisted in irritating each other for 20 and 30 years before seeking psychiatric help. In no case did they really want to sever their embattled relationship, Forman said.

"They finally sought psychiatric help only because one of them had somehow stepped over the line or pushed the other too far," he said.

NANCY DIANE McKENZIE

August vows are planned by Nancy Diane McKenzie, daughter of the Gordon H. McKenzies of Birmingham to Theodore Schwarz II, son of Mr. and Mrs. Theodore O. Schwarz of Bloomfield Township. She is a Michigan State University alumnae.

Bride's Father Marries Couple at City Church

Candlelight vows of Gloria Esther Everett and David M. Crabtree of Ann Abor were repeated before the bride's father, Rev. M. R. Everett Friday evening in the Evangelical United Brethren Church.

Receiving with the bride's parents in their home on Baldwin Avenue following the ceremony were the Lloyd Crabtrees of Ann Arbor, parents of the bridegroom.

A white taffeta Dior bow secured the bridal veil of silk illusion which fell over a dress of white nylon organdy. A single pearl pendant in white gold, gift of the bridegroom, was worn. White orchids and stephanotis rested on the bride's white Bible.

Wearing pale blue organdy and matching hat, gloves and shoes, Mrs. Earl Crabtree of Ann Arbor, sister-in-law of the bridegroom, served as honor matron. Mrs. Kenneth Everett of Brighton in pale green organdy, attended her sister-in-law as bridesmaid. They held wicker baskets of yellow chrysanthemums, white pompons and Baker's fern.

Earl Crabtree stood as best man for his brother and Kenneth Everett seated the guests.

Returning from a northern Michigan honeymoon, the couple will live in Ann Arbor where Mr. Crabtree attends University of Michigan. The bride, a graduate of Elkhart (Ind.) University is a medical technologist at University Hospital.

MRS. DAVID M. CRABTREE

Church Has Banquet

The annual mother-daughter banquet of Lakeland United Presbyterian Church was held Tuesday evening in the church on Maceday Lake Road, Waterford Township.

The program, arranged by Mrs. Walter Allison and Mrs. Leland Johnson featured fashions made by mothers and daughters for the occasion. Mrs. Joseph McLeod narrated the fashion showing.

Mrs. William Sebring, Mrs. Charles Haney and Mrs. Ralph Marble, cochairmen, were assisted by Mrs. Raymond Grambau, music; Mrs. Marvin Hartwig and Mrs. Marble, tickets and publicity; Mrs. Glenn Nelsey, decorations; Mrs. Robert Johnson, Mrs. Hamen Metheny and Mrs. William Ladany, hospitality.

Men and senior boys served the dinner planned by Mrs. Leo Currin, Mrs. William Newhall and Mrs. Sebring.

Handling reservations were Mrs. LeRoy Colbeth, Mrs. Martin Dewey and Mrs. Charles Haney.

Pine Lake Art Club members, meeting at Rotunda Inn Wednesday, saw slides of paintings at the Louvre and the National Gallary of Art in Washington, D.C. The group's new president Mrs. Malcolm Sweezey (second from right) conferred with her co-officers (from left) Mrs. Patrick Mason, treasurer; Mrs. Charles G. Richardson, social secretary; and Mrs. Harold Schneider, recording secretary, before the program got under way.

Art Group Sees Slides

Mrs. Robert Kring, retiring vice president of the Pine Lake Art Club, showed slides of the Louvre and the National Gallery of Art in Washington, D. C. at the club's Wednesday meeting in Rotunda Inn.

★ ★ ★

Officers for the coming year were presented at the meeting. They are Mrs. Malcolm Sweezey, president; Mrs. Frederick Bush, vice president; Mrs. Harold Schneider, recording secretary; and Mrs. Patrick Mason, treasurer.

Duplicate Club Winners Listed

The Pontiac Duplicate Bridge Club met Monday evening in the Elks Temple.

Winners included Mr. and Mrs. Jack Wright, Norman Klopping and John Breed, and Mrs. Ernest Guy and Mrs. Charles Davis.

Others were Mr. and Mrs. James Sweeney, Donald Bowen and Ronald Fiscus, Mrs. Melvin Small and John Kraus, Mr. and Mrs. Russell Dragsdorf, and Allen Rososky and Donald Stephenson.

Eight counties and more than a dozen towns in the U.S. are named for Lafayette, French hero who helped America in the Revolutionary war.

Alumnae Club Ends Meetings for the Season

The Detroit North Suburban Alumnae Club of Alpha Gamma Delta Sorority will conclude its meetings for the season at 7 p.m. this evening in the Birmingham home of Mrs. Lynn A. Townsend.

Installation of officers will follow a cooperative dinner.

Assuming office will be Mrs. Carl Bleil, president; Mrs. Frank Hekker, vice president; Mrs. Donald L. Knapp, treasurer; Mrs. James Snider, membership chairman; Mrs. Arthur J. Underwood Jr., recording secretary; and Mrs. Floyd Dain, editor-historian.

★ ★ ★

Completing the list are Mrs. Underwood, Mrs. William Love and Mrs. Paul A Holt, Panhellenic delegates; Mrs. Townsend, social chairman; Mrs. Richard Ridgway, altruistic chairman; Mrs. Quentin Hamilton, International Reunion Day chairman; Mrs. Arthur Blakeslee, magazine chairman; and Mrs. Russell Vahlbusch, program chairman.

Will Hear of Civil War

Historical Society to Meet

The annual luncheon and business session of the Oakland County Pioneer and Historical Society will be held at noon Wednesday in All Saints Episcopal Church, West Pike at Williams Streets.

★ ★ ★

The social hour will begin at 11 a.m. at the church.

Attorney Gilbert H. Davis of Royal Oak will address the group on "Michigan in Civil War" at the luncheon program and officers will be elected for the coming year.

★ ★ ★

Among those serving on the nominating committee are Mrs. Donald E. Adams, Maurice Cole, Ernest Huthwaite, Mrs. Allan Monroe and John Windiate.

John H. Patterson and Mr. Cole are members of the program committee; Mrs. Harry W. Place and Miss Laura Hunter, the decorating committee; Mrs. Whitney Prall, publicity; and Miss Emma Howard and Carl W. Bird are in charge of printing.

Women of the Moose Plan Penny Supper

At the Monday evening meeting of Women of the Moose, Chapter 360, plans were completed for a Penny Supper next Tuesday at the Mt. Clemens Street hall, with Mrs. Roy Ottmar, chairman.

★ ★ ★

Friendship members will practice Monday evening at the hall. The chapter will be in charge of enrollment May 27 at Taylor Township.

Many Would Answer Call of Space

Our Youngsters Are Full of Pioneer Spirit

By EUGENE GILBERT

President, Gilbert Youth Research

The spirit of young Daniel Boone, the Wright brothers, the boy Edison, and the youthful Lindbergh still a yen for adventure and discovery.

How do we know?

We asked 938 of you teenagers whether you would have like to be the first American shot into space. Thirteen per cent (18 per cent of the boys, 10 per cent of the girls) said yes.

That seems like a small group. But you must remember that not every teen-ager of the 1770s shouldered a musket and went west with Boone, that only a small percentage of the teenagers of the 1920s took balloon rides or made parachute jumps.

The adventurous among you would like to go for honor, for country or—as 16-year-old Steve Kriss of Dallas, Tex., puts it—"just for adventure."

★ ★ ★

The rest sing the age-old chorus of those who stayed behind, the often-repeated phrase repeated again for us by 18-year-old Larry Hyak of Claremont, Calif., "Better to be a live coward than a dead hero."

MOON MOVE POPULAR

Like a late blooming rose, the adventurous spirit grew as we asked our other questions. An even larger number of you youngsters would like to be the first to reach the moon, and a still larger number the first to touch down on a planet.

Almost a third of you expect one day to take a trip through space. And almost all of you show a deep interest in this nation's space program: Nearly all think it is important that we have a good space program, while you are about evenly divided on whether our program is keeping up with the Russians.

The 19 per cent who would like to be the first to reach the moon have some odd reasons.

"No one else would be there ahead of me to ruin its natural beauty," says Kenneth Jones, 15, of Davenport, Iowa.

★ ★ ★

"I would like to see the view," says 18-year-old Pat Melchonian of Oakland, Calif. "I am interested in amateur astronomy."

Those among the 22 per cent who would like to be first to reach a planet, pretty much agree with 16-year-old Bill H. Sembach of Mount Pleasant, Mich., who says, "I would make history."

But speaking for the minority, 15-year-old Jack Rump of Bakersfield, Calif., says: "What's up there so great? Man should conquer earth first."

Ninety-three per cent say it is important that the United States have a good space program.

"It's time we had a new frontier," says Ladd Prier, 17, of Lincoln, Neb.

'WE'RE CATCHING UP'

Agreed, says Dick Mueller, 15, of Davenport, Iowa. "Space is one of the few frontiers left and if Russia gains control of it you could say, 'Our freedom has a bind on it.'"

Andrea Davidson, 15, of Bakersfield, Calif., feels that "if we want to spread democracy, others must know of its superiority."

There are some of you, however, who feel for good reasons that there are still frontiers here on earth that need conquering.

"Improve humanity, not Mars and Venus," says Randall Fong, 16, of Oakland, Calif.

Comparing the United States and Russian space programs, only 10 per cent of you think we are ahead while 44 per cent say we are on even terms, and 43 per cent feel we are trailing.

★ ★ ★

Of those who think the United States is behind, 78 say we are catching up while 21 per cent believe we are slipping farther behind.

Thirty-two per cent — as opposed to 61 per cent—believe they will take a space trip some day. The reasons vary.

"Probably for military purposes," says Larry Hyak.

"It will, in the future, become a mode of transportation just as valuable as the airplane," says Margaret Read, 16, of Davenport, Iowa.

★ ★ ★

"Travel enriches — supertravel even more," says Mike Moore, 17, of Pomona, Calif., without explaining how he knows.

And 14-year-old Connie Stapp of Davenport, Iowa, says, "I would like to see other parts of God's creation."

RUTH ANN WEGNER

June Vows are planned by Ruth Ann Wegner, daughter of the John H. Wegners of Otsego Road, Waterford Township, to Jerry Scribner, son of Mrs. Harim Scribner of Forest Street and the late Mr. Scribner.

Assembly Line

Clearing the dinner table and stacking dishes for a family of seven is quite a job — except for one enterprising family which has the system down to a time-and-mother-saving science.

★ ★ ★

Before eating, mother lines up at the sink a garbage pail, a deep pan of water for silverware, and a dishpan of sudsy water. Afterwards, each child and parent quickly scrapes and soaks his own dishes in assembly-line style, so that the final sudsing and rinsing are completed in minutes.

Use Vinyl Plastic as Wall Covering

Here's a wall covering idea that will add beauty and easy upkeep to a recreation room, a child's bedroom, or almost any other area of the house.

★ ★ ★

Select one of the vinyl plastics available for just this purpose in a wide variety of colors, patterns, and textures. Some even resemble leather or fabric.

In addition to being extremely durable, these vinyls are easily and safely washed with soap or detergent suds.

How Does One Meet Advertised Women?

By RUTH MILLETT

Here are some women I'd like to meet and I'll bet you would too:

First, there's the little lady of the advertisements who is happy that it's wash-day, because she uses a certain kind of soap chips.

Then there's the harried housewife who takes the beauty writer's advice and turns her household chores into beauty treatments — by bending the right way instead of the wrong way when she picks up Junior's toys, by creaming her hands and putting on gloves before she does a grimy housecleaning job.

Let's not forget the woman who completely makes over the living room by spending next to nothing (you read about her in the decorating magazines) and utilizing a lot of ingenuity and skill with a paint brush.

Fortunately, she always has a husband who can turn an orange crate into a dressing table, and she's never without an attic full of antiques just waiting for a high polish.

I want to meet, too, the woman who was fat and funny-looking until she went in for a rigid beauty course, whereupon she emerged as whistle-bait.

★ ★ ★

And I'm interested in the girl who carries her escort's compliments on her flawless complexion with, "That's because I use blank soap, silly."

★ ★ ★

Those are just a few of the fascinating women I am always hearing about, but never yet have been fortunate enough to meet. So if you run across one of them in real life, drop me a line.

Here's a realistic home improvement approach: Ruth Millett's booklet, "How to Have a Happy Husband." Just send 25 cents to Ruth Millett Reader Service, c/o The Pontiac Press, P.O. Box 489, Dept. A, Radio City Station, New York 19, N.Y.

TIGER TAGGED—Outfielder Al Kaline of the Detroit Tigers is tagged at third trying to advance from first after a long single by Steve Boros in the 7th inning of last night's game with Baltimore. Kaline actually got to third safely but was tagged when he lifted his foot off the bag. Brooks Robinson made the tag and umpire Hank Soar called it.

Surprising Regan Wins 4th Straight

Tigers Wallop Baltimore, 9-1 Top AL by 5

Nine Players Combine for 15-Hit Barrage; Face Boston Tonight

BOSTON (AP)—Just a few weeks ago Phil Regan, a Michigan-reared right-hander with a herky-jerky motion, was hoping he'd be able to stick with the Detroit Tigers as a relief pitcher.

★ ★ ★

But Regan is the new pitching sensation of the American League's runaway leaders today as the Tigers headed for a three-game series with the Boston Red Sox.

Regan turned in the Tigers third straight complete game last night at Baltimore, where he beat the Orioles 9-1. The victory boosted the Tigers' lead over the slipping New York Yankees to five games, their longest bulge in memory.

The right-hander did little in spring training to warrant a chance as a starter. His work after coming up from Denver in mid-season last year also was lacklustre, 0-4.

But Regan has started four times and come up with four straight victories. three complete jobs in the last 12 days.

WINGS CLIPPED

Regan cut the Orioles' wings with just six hits, striking out three and allowing just one walk.

The Tigers pounded out 15 hits, Rocky Colavito and Billy Bruton getting three apiece.

The Tigers left Baltimore after making 42 hits and scoring 29 runs in their three games there. And some of the Yankees were quoted as saying the Tigers were on their way down after taking Sunday's doubleheader at New York.

The Tigers slobbered Jack Fisher, the Baltimore loser, for two runs in the fifth to break a 1-1 tie and then routed him with four more in the seventh. The final two runs came in the eighth off reliever Wes Stock.

★ ★ ★

'Al Kaline, returning to action after a three-game layoff with a pulled thigh muscle, drove in the tie-breaking run in the fifth with a triple. He scored Jake Wood, who'd singled, and then Colavito drove in Kaline.

Four singles and Kaline's double produced the four runs in the seventh. Singles by Chuck Cottier and Bruton, Kaline's infield out and Colavito's double accounted for the two tallies in the eighth.

The only bad news for manager Bob Scheffing was injuries to Wood and Norm Cash. Both left the game, Wood with a pulled leg muscle and Cash with a sore knee that was hit with a ball. Cottier replaced Wood at second base and Larry Osborne finished the game at first. Neither regular was injured seriously.

Al, Rocky Topping Yank Big Guns

By United Press International

Are Al Kaline and Rocky Colavito more than a match for Mickey Mantle and Roger Maris?

The anwer so far this season is a roaring Y-E-S and therein lies much of the story why the Detroit Tigers are out in front in the American League with a five-game lead over the New York Yankees.

★ ★ ★

There are other reasons — like pitcher Phil Regan, for example — but the team that beats the Yankees is going to have to have plenty of muscle. That's what Mantle and Maris gave the Yankees in 1960 and it's what Kaline and Colavito can give the tigers in pennant-style this year.

Kaline and Colavito collaborated Wednesday night to make it look easy as the Tigers completed the demolition of the Baltimore Orioles' highly-regarded pitching staff with a 9-1 rout that enabled them to open up a five-game A.L. lead. Kaline drove in three runs with a double and triple and Colavito knocked in two runs with two singles and a double for the Tigers.

This 1-2 punch is reflected in up-to-date averages which show Kaline out-hitting Mantle, .315 to .307 and Colavito out-hitting Maris, .273 to .217. It comes out to a composite .299 mark for the Detroit stars and .264 for the New York aces with the 35 points that separate their combined averages significantly close to the 48 points separating the teams in the standings.

The Yankees were surprised for the second straight game Wednesday when the Washington Senators topped them, 8-7, while the Cleveland Indians beat the Boston Red Sox, 1-0, in the other A.L. game.

The San Francisco Giants shaded the Chicago Cubs, 4-3, the Pittsburgh Pirates edged out the St. Louis Cardinals, 4-3, the Cincinnati Reds beat the Philadelphia Phillies, 2-1, and the Los Angeles Dodgers beat the Milwaukee Braves, 2-1, in 11 innings in the National League.

YANKEES STUMBLE

The surprising Senators swept their two-game series with the Yankees and increased their winning streak to five games with a 10-hit attack that included homers by Billy Klaus and Pete Daley. Pete Burnside won his first game for Washington and Art Ditmar lost his second for New York.

Bobby Locke and Barry Latman combined in a six-hitter for the Indians who scored the game's only run off Bill Monbouquette when Vic Power slid home safely during a double play in the fifth inning. Monbouquette, who struck out 17 batters in his previous start, suffered his fourth loss.

Ed Bailey drove in three runs with a homer and single to lead the Giants to their fifth consecutive victory although the winning run actually scored when relief pitcher Don Elston yielded a bases-filled walk in the ninth. Stu Miller picked up his second win for the Giants who maintained their three-game lead.

Smokey Burgess' three-runs batted in and Elroy Face's close-out relief in the eighth and ninth paved the way for Vinegar Bend Mizell to win his third game for the Pirates. Stan Musial had three hits for the Cardinals but they weren't enough to prevent Ernie Broglio from suffering his fourth loss of the season.

RED HOT REDS

The Reds scored their 12th victory in 14 games behind the five-hit pitching of Bob Purkey who also started Cincinnati's two-run third-inning rally with a walk. A double by Don Blasingame, a sacrifice fly and a double by Frank Robinson completed the rally against John Buzhardt. Tony Gonzalez homered for the Phillies' run.

From The PRESS BOX

Michigan's Bill Freehan goes into the final weekend of Big Ten action as the leading batter in the conference. The slugging catcher is hitting .533.

★ ★ ★

Ty Cobb, former Detroit Tiger great, was reported to be resting comfortably in Emory hospital in Atlanta, Ga., where he is undergoing observation and tests for chronic conditions of diabetes an arthritis.

★ ★ ★

Michigan is a heavy favorite to repeat as champion in the Big Ten tennis meet which opened today at East Lansing.

★ ★ ★

Three of Detroit's farm teams are just as hot as the parent Tigers. Denver leads the American Association, Birmingham is first in the Southern Association and Montgomery tops the Alabama-Florida League.

★ ★ ★

The Los Angeles Angels like the friendly confines of Wrigley Field. The new American League team is 8-6 at home, but 1-12 on the road.

★ ★ ★

Seven hits in his last 14 at bats has lifted Stan Musial's average from .191 to .262 with the St. Louis Cardinals.

★ ★ ★

Juan Antonio Estrada, three times Mexican amateur champion will team with Roberto de Vicenzo to become the first amateur to ever compete in Canada Cup championship.

★ ★ ★

Mt. Clemens Speedway will stage the second of three Sunday afternoon auto racing programs Sunday with trials starting at 1:00 p.m. and the first of 15 races at 2:30 p.m.

VETERAN TOUCH — Lyle Limpert, a horse racing veteran of 20 years, is the new trainer at the Shinrone Farm stables of Pontiac. The 46-year old Hazel Park resident trained horses at Detroit Race Course last year and is now with Mrs. W. O. Bridge's Shinrone Farm which has 22 horses ready for the season. Detroit Race Course opens today. In Hock, a 3-year old, is sire of Bass Clef which finished third in the Kentucky Derby this year.

SPORTS

Is Press Golf Tourney a Duel for 2nd Place?

By BILL CORNWELL

If you can believe everything you hear from a couple of weeping golf coaches, then next Monday's 10th annual Pontiac Press Prep Invitational Golf Championship will be a sizzling battle — for 2nd place, that is.

Waterford coach Jim Amell, whose Skippers have seen better years on the links, and West Bloomfield's veteran Charlie Guinnip, who had very respectable teams in 1959 and 1960, are pointing fingers in the direction of undefeated Bloomfield Hills.

"I don't see how anybody can beat them," declared Guinnip. "You never know what's going to happen, of course, and we're not conceding anything just yet, but it sure looks like Bloomfield Hills should win it hands down," Guinnip opined.

★ ★ ★

Amell echoed Guinnip's thoughts. "Don (Dennis) has a real strong outfit," Amell said. "They have fine depth and balance with at least five boys capable of shooting in the 70s at any time. They're going to be mighty hard to beat in this tournament," he added.

No one really wants to concede anything to anybody as yet, but the facts indicate that Guinnip and Amell are probably just being realistic about the whole situation.

★ ★ ★

Unbeaten in 14 dual meets this spring and boasting a string of 28 consecutive dual triumphs, the Barons are clear-cut favorites to win the Press tourney for the first time.

They nosed out defending state Class A champion Ann Arbor by one shot in last Friday's regional at Brighton and they'll be gunning for the state crown in Saturday's MHSAA finals at Grand Rapids.

Their strongest opposition in the Press meet is expected to come from three other schools which qualified for the state tournament.

Royal Oak Shrine and Northville, a new entry in the Press event this year, earned spots in the Class B finals and St. Frederick's well-balanced outfit won the Class C regional tourney last Friday at Swartz Creek.

★ ★ ★

Farmington, Class A regional winner at Farmington Country Club and Oakland County's other state qualifier, is not entered in the Press "derby."

A well-balanced Rochester squad and an unpredictable Pontiac Central team also rate as outside threats for the championship in the 18-hole medal play test for five-man teams at Pontiac Country Club.

Six-time winner Birmingham Seaholm and defending champion Walled Lake are not expected to be potent threats in this edition of the tournement, but they could surprise a lot of people.

Bloomfield Hills has yet to win the Press tourney, but the Barons came very close last year as they took 3rd place only two strokes behind Walled Lake in the tightest finish in the history of the event.

★ ★ ★

The giant Pontiac Press traveling trophy is the top prize. The lowest stroke total by a five-man team over an 18-hole route wins the award. An awards luncheon will be held in the Pontiac C.C. dining room immediately following the tourney.

★ ★ ★

Tee-off time is 8 a.m. and play will be conducted in threesomes at six-minute intervals, running concurrently from the 1st and 10th tees. Pairings and starting times will be announced tomorrow.

Medal Play at Lochmoor

43 of Michigan's Best Golfers Tee Off Friday

Forty-three of the state's top amateur golfers step to the firing line Friday in quest of the 7th annual Michigan Medal Play Championship at Lochmoor Country Club.

The favorites are obvious — Chuck Kocsis, Tom Draper and Bob Babbish.

Kocsis has entered the tournament four times and won all of them. He has won the last three in succession — 1958 at Indianwood, 1959 at Red Run and last year at Western by an 11-stroke margin.

Babbish, the Detroit Golf Club veteran, has not competed for the past two years, but he was the champion of the other two Medal Play events when Royal Oak's peerless Kocsis did not enter.

★ ★ ★

Draper, one of the state's foremost amateurs for nearly 12 years, has yet to win this tourney, but the big Birmingham belter is playing some of the finest golf of his career this spring. He has been ranked No. 1 on the Golf Association of Michigan honor roll.

Among the other outstanding players entered in the three-day, 72-hole test are Pontiac's Mike Andonian, three-time State Publinx champ; Wally Smith of Pontiac, always a title threat; defending State Amateur king Don Stevens; Bud Stevens, Don's brother and 1959 State Amateur winner; and five-time Michigan Amateur champ Glenn Johnson.

Additional talented entries include former Michigan Amateur titleholder Ed Ervasti, Jackson's youthful Bob Zimmerman, ex-U. of D. golfer Johnny Molenda, former National Public Links titlist Sam Kocsis, and Mike Conroy and Tim Baldwin, both from Birmingham.

Play begins tomorrow at 8 a.m. with 36 strenuous holes on the docket. Eighteen holes are slated Saturday and the final 18 will be played Sunday.

★ ★ ★

Par at the tricky Lochmoor course is 36-36—72 and the yardage is quite long, 6,841 yards. Several ponds and more than 200 new trees add difficulty to the layout.

Lochmoor, where veteran Chick Rutan is head pro, is in Grosse Pointe Woods on Vernier (8-Mile Raod) and Fairway.

Pairings and starting times in Friday's opening round of the Michigan Medal Play Golf Championship at Lochmoor Country Club:

Morning

8:00—Tom Wilson, John Molenda, Frank Connolly
8:07—Lloyd Martz, Don Dykstra, Mike Conroy
8:14—John Atelean, Dave MacHarg, Jimmy Smith
8:21—Mike Andonian, Howard Hamilton, Bill Michaels
8:28—Randall Ahern, Jim Funston, Jack Geiss
8:35—Ed Ervasti, Glenn Johnson, Jack Zinn
8:42—Tim Baldwin, Clem Jensen, R. B. Preston
8:49—Earl Burt, Sam Kocsis, Bill Pettibone
8:56—Bob Babbish, Tom Draper, Chuck Kocsis
9:03—Dr. Robert Corley, Wally Smith, Bud Stevens
9:10—Dick Whiting, George Linklater, Bob Zimmerman
9:17—Bob Reynolds, Don Stevens, Cliff Taylor
9:24—Fred Wilt, Bob Whiting, Don Cochran Jr.
9:31—Perry Byard, Gene Woodward, John Miles, Art Olfs

Problem Pitcher Owens Will Go Back to Phillies

PHILADELPHIA (AP) — Jim Owens, the promising but problem pitcher of the Philadelphia Phillies, is going to rejoin the ball club he quit this spring with a vow he'd never return.

General Manager John Quinn made the unexpected announcement Wednesday night and added that the Phils have had offers for the 27-year-old right-hander "but nothing that would interest us.

"He's coming back like any other player under contract and he'll fit into our plans depending on what the situation calls for," Quinn said today.

Use of Owens as either a starter or reliever will be strictly up to Manager Gene Mauch, the general manager said.

Spartans Belt Central

EAST LANSING (UPI) — Michigan State blasted 15 hits off three Central Michigan pitchers yesterday to romp to an 11-0 victory.

Pontiac Man Shoots Ace at Clarkston Golf Club

Cecil Phillips of Pontiac has been playing golf since the age of 16, but not until Wednesday did he finally shoot his first hole-in-one.

After more than [illegible] years of waiting, Phillips hit the jackpot yesterday at Clarkston Golf Club as he knocked a 9-iron shot into the cup on the 140-yard 9th hole. The ace gave him a score of 39.

Phillips, who lives at 566 LeBaron, was accompanied by Harley Lawson, Cass Zelinski and Bill Talbot. It was the 1st ace of the year at Clarkston.

Chip Golfers 13-0

MOUNT PLEASANT (AP) — Central Michigan wound up an unbeaten golf season yesterday in a 12½ to 5½ dual victory over Ferris. The Chippewa linksmen won 13 matches.

Kensington Park Holds Golf Course Dedication

In 1945 when the original master plan for Kensington Park was developed by the Huron-Clinton Metropolitan Authority, a golf course was part of the plan.

Today, 16 years later, the course was officially dedicated with John H. Nunneley, chairman of the board of commissioners of the HCMA driving the first golf ball off the first tee.

★ ★ ★

Nearly 150 city, county, state officials and members of the press attended the dedication of the 6,400 yard course covering 250 acres.

The layout has a par of 72 and a clubhouse 27 by 66 feet.

The course was designed by Hubert A. Lamley, chief landscape architect for the Huron-Clinton Metropolitan Authority until his retirement, December 1960.

The first survey and topographical work at the course was done in 1956, although much of the landscaping is still incomplete.

★ ★ ★

The location of the course is the west end of the park, using Kensington Road entrance from Grand River Expressway.

Greens fees at the course are $2.00 for 18 holes during the week and $3.00 on weekends and holidays. For nine, the fees are $1.50 and $2.00, and for twilight play, $1.25.

Richard Yeager of Milford is the seasonal supervisor at the course. Public play will begin Thursday May 25th.

Football Score Wins in Waterford League

Hobby Painting chalked up a victory by a football score in the Waterford recreation softball National League last night.

The paint team routed Big Jim's 23-0 in a game halted after five innings because of the 10-run lead rule. The winners collected 15 hits.

Don Vachon paced the Hobby attack with a home run, double, two singles and six RBI. Bob Almas hurled a two-hitter. He was given a 19-0 lead after two innings.

In the other National League game, Ken Goit pitched three-hit ball as Pontiac Rockcote downed Lakeland Pharmacy, 6-0.

Tonight's action has Hobby meeting A & W at 7:00 and Drayton Drug playing Stroh's at 8:30 in an American League contest.

OPENS OFFICIALLY — Kensington Metropolitan Park dedicates its new 18-hole golf course today. The 6,400 yard course on the west end of the park with entrance from Kensington Road off Grand River, will open for the public May 25th. Par is 72 and Richard Yeager of Milford is the seasonal supervisor. John Nunneley, chairman of the Huron-Clinton Metropolitan Authority, had the honor of driving the first ball off the tee today.

Mrs. Fox Wins Metro Tourney

Mrs. C. F. Fox utilized good chipping and putting Wednesday to win the Women's Metropolitan Golf Association tournament at Maple Lane. Mrs. Fox fired 41-41—82 for a three-stroke victory margin over Mrs. W. R. Rodgers and Mrs. R. G. (Fran) Martell.

Mrs. Rodgers, winner of the two previous weekly events, carded 40-45—85 and Mrs. Martell shot 41-44—85. Mrs. W. D. Wright of Lake Orion, defending Pontiac city champion, came next with 45-43—88.

Miss Anne Salisbury won low net honors in the championship flight with a score of 90-12—78.

Other flight winners were: 1st flight—Mrs. A. T. Schueler, 46-46—92; 2nd flight—Mrs. W. E. Healey, 48-48—96; 3rd flight—Mrs. R. W. Gilicek, 51-53—104. Mrs. Gilicek won her flight with a 15-foot putt on the 1st hole of a sudden-death playoff after tying with Mrs. N. W. Froehlich, who shot 50-54—104.

Next week's 18-hole WMGA tourney will be played at Pontiac Country Club.

County Posse Hits Horse Show Trail

The Oakland County sheriff's posse will hit the trail Sunday morning, but it won't be after outlaws.

Supervision of the Sheriff's Posse Horse Show will be the deputies main concern. Approved by the Eastern Michigan Horseman Association, the show gets under way at 9 a.m.

It will be at M-23 and Pontiac Road.

The deputies have scheduled 24 events. Six ribbons will be awarded in all contests. Trophies will go to the winners of eight events.

Events are planned for junior, adult and old time riders and their mounts. There will be classes for mares, geldings, ponies and other horses.

Records Set as Rochester Thinclads Defeat Lapeer

Two field records were set as Rochester's track team rolled past Lapeer, 83-26, in a Tri-County dual meet at Romeo Wednesday afternoon.

In the other half of the double dual, one record was bettered as Roseville topped Romeo, 86-23.

★ ★ ★

Servite took Orchard Lake St. Mary, 57-52.

One of the records at Romeo was bettered twice within minutes. Owen Papke of Rochester was clocked in 4:56.3 while winning the mile run.

A few minutes later, Phil Doestch of Roseville ran the mile against Romeo in 4:55.5. Barry Wickstrom of Lapeer bettered the field shot mark with a toss of 54 feet 9 inches. Roseville's Ron McCleese also topped the old record with a heave of 53 feet 8 inches.

Dan Bird paced the Rochester win with victories in the broad jump and low hurdles. Pete Long of the Falcons tied for first in the high jump and captured the low hurdles. Long and Bird were members of the winning 880 relay team.

★ ★ ★

Larry Ladson of Roseville was the only double winner in the other meet, taking the 100 and 220.

Glenn Hass won three events in a losing cause for St. Mary. He won the 100, 220 and broad jump.

The Eaglets had to rely on team depth to stay close to Servite which won first place in eight events.

Clarkston and Emmanuel Christian, playing its opener, won baseball games.

Don Marsh's two-run double with two outs in the 7th gave the Wolves a 5-4 verdict over Holly. He and Ken Miskin had two hits and Ron Lundy slammed three straight safeties in a 11-hit attack. Bill Powell was the winner in relief of freshman John Williams. Dick Canfield had a two-run double and single and Ray Kudej two hits for the losers. Clarkston is now 6-3 in the Wayne-Oakland.

Emmanuel hammered Country Day 16-2 behind the four-hit pitching of Kerry Rogers. Bruce Yuille's triple was the longest hit of the day.

Commerce 9 Seeks Foe

Eric's Food Market baseball team of Commerce, a team composed of boys from 13 through 16 years of age, wants to find an opponent for a Saturday afternoon game at the Clifford Smart School diamond in Commerce. Any team interested in playing the Commerce club should contact Bill Crowley at EM 3-2051.

Summer Archery League Slated June 6th Start

The summer archery league shoot, under the sponsorship of the Pontiac Recreation Department and the Pontiac Archers Club will be held each Tuesday night starting June 6th.

The league shoot is open to men, women and teenagers and shooting fee is $1.00 per night which includes refreshments.

Four-man teams will shoot Chicago and Flint Round Handicaps.

The outdoor archery range, under the lights, is located at Edison and Rundell streets. Information can be obtained by calling Al Tang, FE 4-4837 or Harold Hedges, OR 3-2415.

Sports Cars Race in 'Spring Sprints'

SEASON OPENER — Bob Clift of Pontiac, in his record-holding modified Corvette, will be one of the leading contenders in the first event of the season—The Spring Sprints—to be held this weekend at the Oakland County Sportsmen's Road Racing Club just off Dixie Highway, six miles north of the city. Racing starts at 10:30 a.m. each day with the features going at 5:00 p.m.

Initial Event of Season at OCSC Course

Bob Clift of Pontiac Among Leading Entries This Weekend

Oakland County Sportsmen's Road Racing Club holds its first big event of the year — The Spring Sprints — at mile and one-half asphalt course, Saturday and Sunday.

The course which is located off Dixie Highway, is expected to draw 100 entries from six Midwestern states and Canada.

Art Novac, club president, notes that all major cities in lower Michigan will be represented in competition.

Pontiac's Bob Clift who has been one of the top drivers at the OCSSRRS course, will be entered with his record-holding modified Corvette.

Many of the same type cars which will compete in the National Golden West Rally in San Francisco and the Sports Car Club of America regionals in Shelton, Wash., both of which are this weekend, will also be represented.

Some of the cars in competition include American Corvettes, Thunderbirds, English Elvas and Lotuses.

Some of the entries will drive home-made sports models.

Practice will start at 10:30 a.m. Saturday and Sunday with feature events running at 5:00 p.m. both days.

The course has adequate spectator viewing areas.

'94 Pros Begin Quest for Loot at Hot Springs

HOT SPRINGS, Ark. (AP) — Ninety-four top play-for-pay golfers start shooting for a share of $20,000 today in the annual Hot Springs Open invitational golf tournament.

★ ★ ★

Fourteen amateurs are playing along for the glory of beating the big names.

Two of the professional tour's top money winners, Doug Sanders and Paul Harney, head the field of cash contenders. Other top names include popular favorite Cary Middlecoff, defending champion Bill Collins, 1958 winner Julius Boros, long-hitting Mike Souchak, Jack Fleck, Art Wall Jr., Doug Ford, Marty Furgol and George Bayer.

★ ★ ★

The field has four former U.S. Open titlists in Boros, Middlecoff, Fleck and Dick Mayer. Ford is a former PGA and Master's winner who's been shooting well lately.

ABC Scoring Off; County Men Hit 2800

DETROIT (AP)—Prospects for an upset were dim as the 58th American Bowling Congress tournament moved into the 75th day of its 79-day run today.

★ ★ ★

Scoring in the last week has slacked off. Best in the regular team division Wednesday night was 2,800 by A to Z Plating of Hazel Park, Mich., far off the 3,134 pace set by Meyerland Builders of Houston, Tex., the leaders.

Purdue Quarter-Mile Ace Lost for Big Ten Meet

IOWA CITY, Iowa (AP)—Dave Mills, Purdue's powerful quarter miler and the U.S. indoor champion, will miss the Big Ten track and field championships here Friday and Saturday because of a leg injury.

Loss of the powerful junior all but eliminates Purdue's bid for a second-place finish behind heavily-favored Michigan.

Seek Bettenhausen Replacement

Will Set '500' Field

INDIANAPOLIS, Ind. (UPI) — Two big question marks confronted railbirds at the Indianapolis Speedway today—who, if anyone, is going to drive Tony Bettenhausen's car and how many drivers will get bumped during the weekend's qualification trials?

★ ★ ★

Speculation arose that Lloyd Ruby, Houston, Tex., might be in line to handle Tony's orange and white No. 5 in the Memorial Day classic.

Ruby took the low-slung speedster—in which Bettenhausen had clocked speeds upwards from 149 m.p.h.—out for a spin at the "brickyard" and for his first six laps he managed to reach speeds faster than 144 m.p.h.

But Ruby, who has yet to get over 142 m.p.h. in his No. 9, said he was just "taking a ride" and was under contract to drive another car in the race. However, he indicated he was "more than just pleased" that he got 144 m.p.h. out of the car in such a short time.

Lindsey Hopkins, Miami, Fla., owner of the Bettenhausen car, said he was "real pleased with Ruby's driving." He said he had been approached by two or three other drivers, but there was no one under consideration to take the pilot seat in the car this weekend.

★ ★ ★

Twenty-two cars flashed around the 2½-mile oval yesterday under cloudy skies and sometimes-gusty winds. The track was closed for a half-hour in the afternoon because of a light rain.

About 25 drivers are in contention for the final rounds of qualifying Saturday and Sunday with only six slots open for the "500" field of 33 speedsters.

When asked Tuesday under sunny skies what the drivers thought would make the race, most agreed at least 144 m.p.h. But yesterday, with threatening skies and occasional rain, many qualified their statements and some even said 142 m.p.h. might make it, "weather permitting."

Even so, low man on the qualifying totem pole—Norm Hall, Los Angeles, who averaged 141.961 m.p.h. in his 10-mile stint—may be in for a bumping. Bob Veith, Fort Bragg, Calif., was the second low at 143.062 m.p.h.

U.S. Auto Club officials Wednesday shut off drivers' tests for this season, with 20 men approved for first starts in the Golden Anniversary race if they can qualify cars.

Six already have. Cars were put into the lineup tentatively last weekend by Jack Brabham, world road racing champion from Australia; Parnelli Jones, Torrance, Calif.; Bob Cleberg, Tucson, Ariz.; A. J. Shepherd, Gardena, Calif.; Bert Brooks, New Britain, Conn.; Ebb Rose, Houston, Tex., and Norm Hall, Los Angeles.

The other 14 will be eligible to make 10-mile qualifying runs Saturday and Sunday. The 33 fastest cars over all will start the Memorial Day race.

4 Tilts Decided by 1 Run

Exciting Night in Softball

Wednesday was an exciting evening in City Softball League action at Beaudette and Northside parks with four American loop games all being decided by the margin of one run.

In last night's most hectic thriller, the Metropolitan Club scored a 10-inning 3-1 triumph over Sno-Boi as Jerry Thomas outpitched Harian (Fat) Keith.

Tom Stillwell doubled, moved to 3rd on a passed ball and scored the winning run on a single by Jerry O'Shaughnessy. Art Ruelle homered in the 4th to account for Sno-Boi's lone run.

Thomas won his 2nd decision of the season for the Mets, fanning seven and allowing eight safeties. Keith struck out 10 and gave up 11 hits, three by Jerry Larson.

Jim Cuthrell bested Wimpy Johnson in another mound duel as Fisher Local 596 nosed out O'Neil Realty, 3-2. Cuthrell hurled six-hit ball while Johnson permitted only four.

An unearned run in the top of the 7th inning enabled Elks No. 810 to blank Smith Silo, 1-0, as Gary Boe got the best of R. D. Jacobs in a red-hot pitchers' battle. It was a three-hit shutout for Boe while the Elks touched Jacobs for five. Roger Nosek's double and an infield error delivered the clincher.

Arro Realty nipped Hi-Way Collision, 3-2, behind the four-hit hurling of Harry Avesian. The luckless losing pitcher was Doug Hall, who allowed six hits.

A schedule change on tonight's four-game program finds the Sarko Investment - Big Bear Construction contest shifting to Northside and the Dixie Bar-State Hospital outing switching to Beaudette.

TONIGHT'S SCHEDULE

Beaudette Park

7 p.m.—St. Joseph Hospital vs. St. Paul (Continental).

8:30—Dixie Bar vs. State Hospital (International).

Northside Park

7 p.m.—Sarko Investment vs. Big Bear Construction (Continental).

8:30—Interstate Transport vs. Boys Club (International).

Detroit Drubs Toledo

DETROIT (AP)—Right-hander Pete Craig allowed only three hits yesterday as the University of Detroit defeated Toledo 12-2 in a non-conference baseball game.

Play Starts Tuesday in Horseshoe League

The Horseshoe League at Oakland Park will start play Tuesday, May 23rd starting at 7:00 p.m.

League play will be held Tuesday and Thursday evenings in singles and doubles. Here Renda at FE 4-0211 is in charge of the league, which is sponsored by the Pontiac Recreation Department.

Tiger Rookie Among Leading Batters

Boros Hasn't 'Folded'

NEW YORK (UPI) — When a rookie hitter sneaks in among the swat leaders this time of year the tendency is to give it the casual treatment, "So what? He'll fold."

★ ★ ★

But those high-flying Detroit Tigers are convinced they have a real gem in one-time bonus baby Steve Boros, a freshman third baseman not long gone from the University of Michigan campus.

At one stage this week the nominal batting leader in the American League was Harmon Killebrew of the Minnesota Twins with .375 in 15 games. But the Twins had so many rainouts that a truer list, based on 75 or more at bats which Killebrew didn't have at that point, listed Boros as the league leader with .346 in 30 games.

The only ones not surprised were the Tigers.

"He hits only good pitches," says veteran outfielder Al Kaline. "That's true even in batting practice. He lets the bad ones go and swings only at strikes."

MARK OF DISTINCTION

That, as the experts can tell you, is the mark of the great hitters like Ted Williams and Stan Musial who went for high average year after year. A "bad ball" hitter can come through in a big way on occasion but the strike zone hitter is the guy who helps you all the time.

Boros is a 185-pound, six-looter with only three seasons of professional baseball behind him but throughout those three terms he was ticketed all the way for a long stand with the Tigers. At Denver last year, he was the American Association's most valuable player.

Tiger trades and the draft sale that sent third baseman Eddie Yost to the Angels brought Detroit up to the American League opener this spring with what outsiders regarded as a serious infield problem. Jake Wood, a rookie, was on second. Boros, also untried, was at third.

"We have to go all the way with the young ones," said manager Bob Scheffing in a quiet way that left the impression he wasn't as confident as he seemed.

★ ★ ★

As the Tigers soared on their early eight-game winning streak and into the league lead, the kids soared right with them. They not only made surprising plays afield but they hit like veterans. Boros, in particular, wielded a crackling bat.

The poised young man from Flint uses a hands-apart grip somewhat in the fashion of another Detroiter, Ty Cobb, though it's not as pronounced as Ty's and undoubtedly not as effective.

In the recent four-game duel with the Yankees he was held hitless in only one game and knocked in four runs. Two were in the series opener that gave Frank Lary a 4-3 decision. He chopped singles when they were needed and twice delivered distant sacrifice flies.

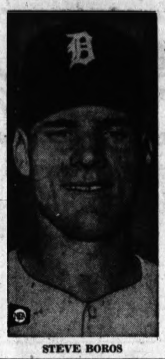
For a rookie, it was a brainy performance, indeed.

HOMERS WILL COME

Boros hasn't found the home run range in the majors yet but his credentials indicate they'll be coming along soon enough.

He hit 30 for Denver last season while averaging .317, hit 16 with a .305 average for Birmingham in 1959 and 20 while traveling between Birmingham, Charleston and Augusta during the 1958 season.

So many teams have been stung so often by over-praising their rookies the current trend is toward conservatism. But even before Boros showed up this spring, the Detroit yearbook pegged him, "as a man with first call on the third base job even before Eddie Yost's departure."



STEVE BOROS

Big Ten Heads to Meet

IOWA CITY, Iowa (AP)—Big Ten sports leaders today opened their annual spring meeting with a study of a proposal to tighten the conference's aid-to-athletes program.

Preliminary to the Big Ten's 61st track and field meet Friday and Saturday at the University of Iowa, the league's football coaches and athletic directors discussed possible limitation of athletic tenders.

★ ★ ★

At present, the Big Ten allows each school to grant tenders to a maximum of 100 athletes in all sports each year. The general attitude now is that the tender limit should be set at 80, with a football maximum of 35. Few schools have exceeded this football total, but a ceiling, it is felt, would prevent any school from "loading up" with gridders in any one year.

On the agenda is a proposal to wipe out the present program based on need in favor of an athletic scholarship plan pegged on high school grading and a college entrance test score.

★ ★ ★

Big Ten athletes generally were granted aid if they were qualified high school graduates and their parents chipped in on the basis of their financial rating.

This plan was criticized because it put parents in the position of declaring a "pauper's oath" to send promising athletes to college, and chased quite a few to other conferences.

COMMACK, N.Y.—Frans Soutine, 171, Valley Stream, N.Y., outpointed Jerry Landee, 173¾, New Haven, Conn., 10.
MANILA — Auburn (Pfaah) Copeland, 131, Flint, Mich., outpointed Young Tenner, 129½, Philippines, 10.

Ex-Major Leaguer Dies

PHILADELPHIA (AP) — F. Otto Knabe, former infielder with the Chicago Cubs, Pittsburgh and the Philadelphia Phillies, died Wednesday in his home.

Snead Heads Field at Festival Tourney

WHITE SULPHUR SPRINGS, W.Va. (AP)—Sam Snead, who collects golf tournament gold with all the zest of a 49er, swung out in quest of his 108th tournament title today against a field of 71 competitors in the 14th annual Sam Snead Festival.

★ ★ ★

The West Virginia slammer faced opposition from such as Arnold Palmer, Gary Player and defending champion Dave Marr, who slipped in with a 15-under par 265 last year to win the 72-hole medal play event.

★ ★ ★

Observers here figured a 265 would be good enough to win again if the weather stays good.

Snead knows his own layout so well that it seems the White Sulphur Springs capitalist has at times toured it in par 70 using nothing more than a tree branch and a putter.

Snead has won this tournament five times, chewing out a 259 in 1959 for his fifth victory. The 259 equaled the tournament record set by Ben Hogan in 1950.

This tournament in the past has been dominated by golfing's old guard, with only three so-called "youngsters" ever stepping into the winner's circle.

From the Skipper

By BRUNO L. KEARNS

Residents and spectators around Cass Lake witnessed a flame zooming around the lake at 72 miles per hour Tuesday evening.

It was Chuck Cartwright giving his class D hydro its first run of the season. Coming across the lake on his last lap, a mass of flame shot out of the engine and he continued a long distance without realizing it.

Damage didn't appear too extensive after he shut it down, but he planned on running the boat at River Canard, Ontario, in the tuneup for alcohol burners this weekend.

He and three others will be entered in the races. Chuck will compete in class B-hydro and D-runabout. He will try to take the burned D-hydro for the third event.

★ ★ ★

Cartwright and Dick Badgero who have been going to the various races together for several years will compete in the same class against each other for the first time. In the past Badgero raced his B-hydro and Cartwright his D-hydro. Both will take part in B-hydro.

Tim Butts of Lake Orion will be in the B-runabout and Pontiac Lt. detective Harry Nye will make his debut in the stock D class.

ACTIVITY AT LAKE LANSING ALSO

Ward Rathbun and Len Oesch, both of whom failed to finish in the Jackson races at Pleasant Lake last weekend, will try again this Sunday at Lake Lansing.

Oesch had engine trouble and never got started. Rathbun was eliminated after stopping to get a screw back in his carburetor.

"I usually get eliminated once or twice a season, but this has been two weekends in a row," said Rathbun disgustedly.

PYC SKIPPERS HAVE CLOSE RACE

Brisk 20-mile winds produced an exciting race in Sunday's Pontiac Yacht Club competition.

★ ★ ★

Bob Flack and son Ted again led the 18-boat fleet around the course. The second lightning through the finish line was Al Gray's Kay V with Fred Cowan and Joan Gray as crew. Dr. Leo Wasserberger is making third place a habit with a crew of Dick Wood and Dr. Bob Vedder. The race took one hour, one minute and 40 seconds.

ACTIVITY AT OCBC

May 27th is the night of the "Round O'Beef" dinner-dance at Oakland County Boat Club. The members are getting ready for their May 30th, Memorial Day, parade and then the annual launching breakfast Sunday, June 4th.

This will be the morning Commodore Ken Peterson gets dunked in traditional manner.

FCC SEES NEAR CATASTROPHE

The Family Cruise Club which went down the Saginaw River with 14 boats and 60 persons witnessed what nearly turned out to be a catastrophe last Sunday.

★ ★ ★

While in the Bay City State Park for lunch, they saw a young boy piloting a boat. The boy was flipped out of the boat and the craft continued on a wild course around the bay until it ran out of gas.

The boy, unhurt, swam to shore while a Water Patrol craft tried to corrale the unskippered boat.

TO THE SKIPPER

Inland Lakes Sales is in the process of preparing a new launching area and display site off M-59, making water demonstrations available and offering lake services for boaters on Otter and Sylvan Lakes . . . John Broderick, vice president of the Michigan Water Ski Association was a guest speaker on safety talks at the meeting of the Edgewater Beach Ski Club last Saturday night at the Waterford Community Center. Loon Lake residents attended and ideas were exchanged for promoting a safe and well run state tournament slated for Loon, July 21-23 . . . The Cass Lake Ski Club meets Saturday night at Mitch's and one of the primary objectives is to promote better relations between the skiers and residents at Cass.

Danger in Worn Parts

Check Trailer for Wear

Spring fitting out time also should include making a good inspection of the boat trailer and the repair or replacement of any worn parts.

Use of trailers has undergone a phenomenal growth which has increased the boating pleasure of thousands of persons who otherwise would not be able to engage in recreational boating.

★ ★ ★

It is estimated that 1,800,000 trailers are in operation in the United States.

Some tips for your trailer check list:

See that all fastenings are secure and be sure the winch rope is not worn. Wheel bearings should be inspected by your service station and repacked if necessary.

At the same time lights, wiring, and reflectors should be tested.

All parts that need it should be lubricated and it is possible that some cradle padding and rollers should be replaced.

One of the secrets of backing up is to operate your automobile and trailer just as a truck driver does. When he wants his trailer to go left, he turns his steering wheel to the right. Practice turning and backing up before driving in heavy traffic.

★ ★ ★

Balance your boat properly on the trailer, placing most of the weight on the wheels.

If it sways it probably is an indication the rig is tailheavy and you may have to move your boat forward. Avoid sudden braking when towing. Check undercarriage tire pressure.

On a long trip you should stop frequently to check your hitch and safety chain, tie-downs and lights.

★ ★ ★

Another important point; be sure you are familiar with the laws governing the use of small boat trailers.

BEACON OF PROTECTION

For the boat owner an insurance policy from Huttenlocher is truly a beacon of protection.

UNDER FULL SAIL — This fiberglass Silhouette Sea Rover will be a very new item at the New York Boat Show Jan. 11-27. It is 17 feet 3 inches long and may be used for midget ocean racing as well as cruising. Boat sleeps two.

Island Queen Ready for 5th Launching

The Island Queen, the pleasure boat at Kensington Metropolitan Park southeast of Brighton, is getting ready for her fifth launching at Kent Lake.

The tentative date for the first 1961 tour is Saturday, May 20. Passengers may take 45-minute trips around beautiful Kent Lake from noon to 6 p.m. on Saturday and Sunday thereafter until the daily summer schedule begins June 10.

★ ★ ★

Over 100,000 persons have traveled on the Island Queen since she first eased into the waters at Kent Lake in 1956. The 60-foot stern wheeler, a replica of the old Mississippi Riverboat, weighs ten tons, has two decks and carries 60 passengers per trip.

It is valued at $15,000 by the Huron-Clinton Metropolitan Authority, the five-county park agency which acquired it from Dick Hoffman. Hoffman built the stately riverboat in the big red barn at Saugatuck, located along the shore of Lake Michigan in the western part of the state.

A canvas cover for your boat and motor will protect them, says the Mercury outboard company, both from weather and from pilfering.

WATER-BORNE BUTTERFLIES — Like multicolored waterbugs, little fiberglass Sunfish sailboats cluster around for the start of the first international Sunfish Regatta at Glencoe, Bermuda. A planeload of skippers flew down to take part in entertaining contest.

Tiny Sunfish Sailboats Sparkle in Regatta

By WM. TAYLOR McKEOWN
Editor, Popular Boating
(Distributed by Newspaper Enterprise Assn.)

GLENCOE, Bermuda — (NEA) —Certainly the happiest international sailing regatta so far this year has just been completed here on the warm bright waters of Great Sound. By using tiny one-design Sunfish sailboats, the races may have started a trend as well.

The Sunfish is a small (13-foot, 10-inch) inexpensive ($450) fiberglas sailing surfboard with a cockpit the size of a kitchen sink, a 10-foot aluminum mast, and 75 square feet of colorful sail. A fleet of 42 of them gathered in Salt Kettle bay near Hamilton harbor, ready to defend Bermudan seamanship against invaders from the U.S. and Canada.

The crowd of yachtsmen that climbed aboard a Pan Am plane, renamed Sunfish Clipper for the occasion, seemed more intent on leaving a snowy New York for a party weekend in the sun than upholding international honor. And since the host club, The Salt Kettle Sailing and Planning Club of Glencoe, Paget parish, was also organized with fun in mind, there was no shortage of informal festivities.

But the race committee planned the regatta just as they would an event for larger craft. Men, women, and junior skippers raced in classes and against each other, and as position scores came in the sailors with winning records in bigger craft moved to the top.

Colin Ratsey, from the family of famous sailmakers, and Aileen Shields Bryan, one of America's top women sailors, both moved to the front.

The regatta quickly proved as well that, though tricky to handle —a skipper's sneeze at the wrong moment could tip him into the wafer — the little boats respond to keen helmsmen.

And if they tipped over, as occasionally happened even to the experts, they remained safely afloat and could be righted by the skipper in the water without any assistance. Racing rules required all youngsters to wear life jackets, and adults were encouraged to as well if they were at all unsure of their swimming.

The sheltered Bermuda waters of the Great Sound proved ideal for small boat sailing — smooth water plus brisk breezes to move the boats along. More than 60 sailors took turns racing the 40 little boats, and double that number cheered every race from ashore. Lady Gascoigne, wife of Bermuda's governor, was one of the contestants, and final winners were awarded prizes by the governor of the island at his official residence.

Though the small craft with identical dimensions provided a fleet that could be easily hauled ashore at night and launched again the next day, they also offered uncomplicated but spirited sail racing with maximum fun on a minimum budget. All contestants assured the regatta organizer, Reggie Cooper, that they'll return another year, but next time he's likely to be overwhelmed with entries.

Seldom has sailing competition been so simple. Boats, trains, or plane loads of sailors out for racing and fun as well are likely to adopt this happy approach to competition.

NEW AID—Skippers can keep remote control tabs on ship-to-shore calls with a new phone plug-in to their portable radios aboard the craft.

Canoers Race in Illinois

The 1961 Mid-American Canoe Race will be run Sunday at Fox River in Illinois.

A 22-mile course between Elgin and Aurora will include five portages and will pass between banks and under bridges.

The Illinois Department of Conservation will supervise the race.

Boating Is Many-Sided Sport

By WM. TAYLOR McKEOWN
Editor, Popular Boating

At many of the boat show openings, new skippers are busy telling first mate and family why there should be a boat in their budget.

In a survey, however, marine consultant Jack Gallup set out to find how boatmen use their pleasure craft once they get them, and why experienced skippers enjoy the sport more and more each year.

The reasons the boatmen first gives a salesman when he buys the boat are not necessarily the ones that keep him active afloat, according to the Gallup Associates' roundup. Fishing, cruising and water skiing are purposes frequently heard, but at least 16 additional motives came to light.

"Getting away from it all" is a goal that designers should keep in mind. Some families look forward most of all to cruising around the bend, anchoring in a quiet cove and spreading out a picnic.

★ ★ ★

Others look forward to hours afloat as a way to follow many different hobbies. Swimming, hunting, skin diving, bird watching, studying rock formations and marine biology all came to light in the research. Photography was frequently combined with other activities.

Though a small percentage found their pleasure from running fast in races, the great majority prefer to cruise more slowly either away from civilization or to a rendezvous with other similar craft.

A few admitted they found boating a fine way to escape from wife and family. Others considered the sport an activity that brought families together.

★ ★ ★

The challenge of using sailing, navigating and seamanship skills to pilot craft to distant ports proved a very real thrill for many. Boating seemed to some a flash back to the roughing it of pioneer days. Others like the luxury possible with modern life afloat.

A boat was admittedly a status symbol, a convenient place to impress and entertain friends, sometimes an important aid to business. There were those who look forward to days when boating means nothing but complete relaxation, lying on the deck in the sun while worries and tensions vanish.

Pleasure boating may be a sport that can occasionally come close to meaning all things to its participants.

UTOPIA, USA—So many activities can be combined with boating that the thrill never wears off. Camping, swimming, wading, fishing, nature studies, photography, bird watching and impromptu sea chantey singing are part of it.

Hyphen on Boat Numerals Still Not Necessary

LANSING (UPI) — Michigan boat owners don't have to worry about lacking a hyphen between letters and numerals in their boat serial numbers.

Secretary of State James M. Hare said yesterday the Coast Guard agreed not to enforce the federal numbering act in Michigan until 1963.

Letters and numerals must be separated by hyphens under the Federal Act, Hare said, but Michigan law did not impose the requirement.

The Department of State and Waterways Commission was considering legislation to bring Michigan law into conformity with the Federal standards, Hare said.

Milwaukee Boat Editor Takes Boating Award

BOSTON — Don Olsen, boating editor of the Milwaukee (Wis.) Journal, has been named winner of the Thomas Fleming Day Award for 1960, Dr. Joseph A. Del Porto, chairman of the Division of Journalism at Boston University, announced today. The award, for "the best example of newspaper writing on the subject of recreational boating," includes $1,000 in cash from the National Association of Engine and Boat Manufacturers.

New Ice-Prevention System Is Installed

LANSING (UPI)—A compressed air system to prevent ice damage to pleasure craft harbors will be installed at the new $340,000 Traverse City Marina, the State Waterways commission said.

"This will be the first time such a system will be used on a public facility although it has worked well in several commercial installations," said Keith Wilson, waterways director.

★ ★ ★

The system consists of compressors and hoses which force air bubbles and warm water from the bottom of the harbor to the surface. This prevents ice from forming on wooden dock structures.

"Each spring we are faced with approximately $25,000 damage which ice conditions have done to public marinas around the state," Wilson said. "If this system proves effective we expect to install it in other harbors."

The Traverse City Marina, scheduled to be completed early this summer, will provide mooring for 90 pleasure craft.

All but Twelve States Have Numbered Boats

All but 12 states and the District of Columbia now comply with the Federal motor boat numbering or Bonner Act. Six of these states, Idaho, Iowa, Maine, New Hampshire, New Jersey and Pennsylvania, have internal boat registration systems but they do not meet the approval of the U.S. Coast Guard which is numbering craft used on Federal waters from those states, along with boats from Alaska, Connecticut, Hawaii, Tennessee, Washington, Wyoming, and the District of Columbia.

Boats Difficult to See

Owners of small craft who venture too far off shore should realize that a 16-foot boat is difficut to locate in anything but a glass-calm sea.

When water skiing, the Evinrude Boating Foundation suggests that the driver, observer and skier go over the water skiing hand signals before starting to prevent a mix-up between driver and skier.

Who's Your Customer?

Housewife?

Nearly every housewife reads a daily newspaper.

Factory worker?

Nearly every factory worker reads a daily newspaper.

Teacher?

Nearly every teacher reads a daily newspaper.

Professional Man?

Nearly every professional man reads a daily newspaper.

Office worker?

Nearly every office worker reads a daily newspaper.

Salesman?

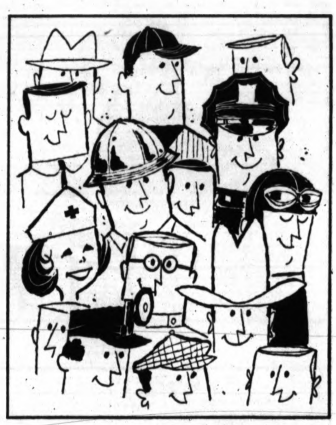
Nearly every salesman reads a daily newspaper.

Farmer?

Nearly every farmer reads a daily newspaper.

Farmer's wife?

Nearly every farmer's wife reads a daily newspaper.



Anyone else?

Nearly everybody in every walk of life reads a daily newspaper.

It's a fact. Almost 9 out of 10 families get a daily newspaper on an average day*, and circulation is now at an all-time high of almost 59,000,000. No need to remember the figures—think of it this way: Practically every sale of every product or service is made to a newspaper reader.

Somebody Has Your Car Keys

By BEN PHLEGAR
AP Automotive Writer

DETROIT — A number of people are carrying keys in their pockets that fit your car.

One of them could be your neighbor. Or the fellow across the desk. A friend or an enemy. A stranger in Miami or Alaska. Or even all of them.

But don't worry about it.

This has been going on for a long time and will continue to go on indefinitely. And anyone interested in stealing your car knows a dozen easier ways than trying an assortment of keys to find one that fits. The chances of matching are infinitesimal.

You could buy a car and drive it until it fell apart without ever finding someone with a duplicate key.

★ ★ ★

What exactly are the chances?

"That's one of our most closely guarded secrets," says David D. Campbell of the Fisher Body Division of General Motors.

Fisher builds bodies for all of the GM cars and is responsible for the locks. Campbell is assistant engineer in charge of mechanical design in Fisher's experiemental and development department. As such he is an expert on car locks.

Campbell suggests these as some of the reasons why you needn't concern yourself over possible duplication:

Fisher Body uses similar lock cylinders, the portion into which the key fits, on all GM passenger cars. But these cars include some 195 different body styles of nine makes, including compacts, and each division has a vast array of color choices, further limiting the number of identical cars.

The General Motors lock system uses a series of six tumblers in each cylinder. These tumblers look much like flints for a cigarette lighter, but come in varying lengths.

HOW'S IT DONE

When a key "fits" a lock, it means the teeth of the key have lined up the tumblers in correct position so that the cylinder can turn.

The number of variations depends on the number of tumblers. The more tumblers, the more sequences. A top-grade door lock for your house uses five tumblers, meaning there are more available combinations for your car lock than for your house lock.

Campbell explains to limit further the chance of duplication the output of Fisher's two suppliers of lock cylinders — Briggs & Stratton of Milwaukee and GM's own Rochester Products Division at Rochester, N.Y. — is scrambled and shipped to 21 assembly plants. Thus no one plant gets all one tumbler sequence in any particular shipment. Instead it may get a thousand.

Assembly lines in turn produce constantly assorted cars — blues, whites, blacks intermixed in sedan, coupe, hardtop, convertible, station wagon body styles.

★ ★ ★

Even with all of this, Campbell admits, it is technically possible for the key to a white cadillac to fit a black Corvair. But it's extremely improbable.

Jail 10 Students in Race Trouble

Officials Thwart Group in Attempt to Integrate Birmingham Buses

BIRMINGHAM, Ala. (AP)—Police jailed 10 Tennessee college students — eight Negroes, a white girl and a white man—after the group was thwarted in an attempt to ride integrated on a bus.

A few who joined the group were also arrested at the Greyhound bus terminal. Most of the 16 were held in protective custody but minor charges were placed against three.

★ ★ ★

Police Chief Jamie Moore said he told the group prior to their removal, "It is dangerous for you, and for others, for you to stay here."

SECOND INCIDENT

It was the second bus integration incident in Birmingham in three days. Several persons were beaten during brief mob violence last Sunday when a group of "freedom riders" sponsored by the Congress of Racial Equality (CORE) attempted to ride a Trailways bus to Montgomery.

Others of the racially-mixed CORE group were stranded when Greyhound drivers refused to drive their bus.

★ ★ ★

That same situation prevailed Wednesday after the Tennessee students arrived. Police met them at the outskirts of the city and arrested two of the party—a white man and a Negro—who refused to obey orders for segregated seating.

AP Photofax

VICTIM—Mrs. Hildreth Shaw, 51, of Santa Monica, Calif., has been identified as the murder victim parts of whose dismembered body were found in three Southern California counties in recent weeks. Her husband Darlington, also 51, has been booked on suspicion of murder.

Former Mayor to Run for Seat at Con-Con

TRAVERSE CITY (AP)—Former Traverse City Mayor Julius C. Sleder has announced his candidacy for Republican nomination to the state constitutional convention from the 27th Senatorial District.

Sleder served one year as mayor while a member of the City Commission from 1949 to 1959. He currently is a member of the Grand Traverse County Board of Supervisors.

20 Burned to Death

MARACAIBO, Venezuela (AP)—Twenty persons were burned to death Wednesday when a truck loaded with passengers turned over and its gasoline tank exploded near Carrizales in the Venezuela-Colombia border area.

Fulbright Wins Fight

WASHINGTON (AP)—Sen. J. William Fulbright, D-Ark., has won his fight against the shifting of ambassadors nearly every two years. Fulbright, chairman of the Senate Foreign Relations Committee, said Undersecretary of State Chester Bowles informed him that from now on the goal will be to keep ambassadors at one post for four years.

Soybean Futures Hit by Sudden Reversal

CHICAGO (AP) — Soybean futures started off on a firm trend today on the Board of Trade, but suddenly reversed direction and lost about 3 cents a bushel in spots within a few minutes. Old crop corn was weak, most other grains little changed.

★ ★ ★

May and July soybeans were in strong demand at the opening and after posting advances of about 1½ cents met a flurry of selling. Brokers said the initial buying appeared to be a thin volume of short-covering carried over from Wednesday's late rally.

★ ★ ★

May corn was the weakest contract in initial dealings and lost about 2 cents before attracting any significant support. About half the loss was recovered within the first quarter of an hour.

Say Prosecutor in Wayne County Milked Workers

DETROIT (AP) — Several former employes of the Wayne County prosecutor's office reported Wednesday they were forced to contributed to a political slush fund to finance prosecutor Samuel H. Olsen's campaigns.

★ ★ ★

The reports, published in the Detroit News and Detroit Free Press, quoted former assistant prosecutors as saying they were required to contribute 2 per cent of t heir salaries annually to the fund. The reports said the contributions from the 56 assistant prosecutors totaled about $12,459 a year.

★ ★ ★

Olsen, a Democrat, was ill at his home and refused to discuss the reports. Chief Asst. Prosecutor Samuel Brezner derided the reports as "highly imaginative."

News in Brief

Theft of a water pump and electric meter valued at $100 from the Pontiac Farm & Industrial Tractor Co., 825 S. Woodward Ave., was reported to Pontiac police yesterday.

A 21-inch television set worth $250 was reported stolen from the Wray Kelsey home at 2012 Nocoma Drive, Commerce Township, at the sheriff's department yesterday.

2nd Warrant Issued Against City Woman

A new warrant charging Anna F. Taylor, 33, of 101 Raeburn St. with felonious assault was issued late yesterday by Municipal Judge Maurice E. Finnegan after he had dismissed the charge earlier in the day.

★ ★ ★

She is accused of slashing Ellen Pearl Wright, 29, of 210 Wessen St. on the face and neck with a straight razor during a brawl in the 88 Club at 88 Bagley St., March 25.

The case was first dismissed when the complainant failed to appear in court.

GREENS

Correl, bu.	$2.25
Spinach, bu.	2.00

Poultry and Eggs

DETROIT POULTRY

DETROIT, May 18 (AP) — Prices per pound delivered to Detroit for No. 1 quality live poultry:

Heavy type hens 18½-20; light type hens 10-11; heavy type roasters over 5 lbs. 21-24; broilers and fryers 3-4 lbs. Whites 18-19; barred rock 21-22; ducklings 26.

DETROIT EGGS

DETROIT, May 18 (AP) — Egg prices paid per dozen by first receivers delivered to Detroit, loose in 30 dozen cases, consumers grade (including U.S.):

White — Grade A Jumbo 35-36; extra large 32-35; large 31¼-34; medium 29; Browns—Extra large 33; large 31¼-32; medium 26; checks 26½.

Livestock

DETROIT LIVESTOCK

DETROIT, May 18 (AP)—Today's receipts—Cattle 200, calves 25, hogs 100, sheep 100.

Cattle—Compared last week slaughter steers and heifers steady to 25c higher, advance on lightweight steers and heifers; cows steady to 50c higher; bulls strong; 7 head mixed high choice and prime 1140 lb. steers 24.75; few head high choice steers 24.50; most choice steers 1200 lbs. down 23.50-24.25; mixed loads high good and low choice steers 1150 lbs. down 22.00-23.50; good steers 21.50-23.00; standard steers 19.50-21.50; utility steers 17.50-19.50; most choice heifers 22.75-23.50; 7 head high choice 791 lb. heifers 24.00; good to low choice heifers 21.00-22.50; standard heifers 19.00-21.00; utility heifers 17.00-19.00; utility cows 16.00-17.50; canners and cutters 13.00-16.50; utility bulls 19.50-21.00; cutter bulls 17.50-18.50.

Vealers—Compared last week vealers fully steady, most prime vealers 33.00-36.00; high prime 37.00; good and choice vealers 26.00-33.00; standard 22.00-26.00; cull and utility 14.00-22.00.

Sheep—Compared last week slaughter lambs opened the week 50-75c higher, but lost 50c in late trading, closing steady to 25c higher over last week; slaughter ewes closed 1.00 lower; most early trade on mixed choice and prime shorn old crop lambs 105 lbs. down 17.50-18.70, late trade 17.00-18.00; late trade mixed good and choice shorn lambs 16.00-17.00; utility to good shorn lambs 13.00-16.00; cull to choice slaughter ewes 4.00-8.00.

Cattle—Salable now 300. Slaughter classes active, fully steady; 68 head choice around 1000 lb. yearling steers bought to arrive 24.25; most standard to average good steers 19.50-22.50; utility steers and heifers 17.00-21.50; few high good heifers 22.50; utility cows 16.00-17.50; canners and cutters 13.00-16.50.

Vealers—Salable 25. Not enough to make a market.

Sheep—Salable 100. Not enough sale to determine prices.

Hogs—Salable 100. Butchers 25c lower: Sows 50c lower; not enough offered early to set up quotations; few head U.S. No. 1 210 lb. butchers 17.50. Compared last week butchers steady to mostly 25c lower; sows mostly 50c lower.

Miriani Dons Centennial Hat

Detroit Mayor Poses With Rowston in Visit by Pontiac Caravan

Mayor Louis C. Miriani of Detroit willingly donned a Pontiac Centennial topper yesterday, but balked at wearing a false beard.

The top hat on his head, Miriani posed with Pontiac Mayor Philip E. Rowston for publicity pictures during the first foray of the Centennial's Caravan and Promenade Committee outside the city limits.

★ ★ ★

Lighting in the mayor's office for the television cameras didn't work for some reason, so Miriani invited the Pontiac group back early next month for another try at television publicity.

Rowston, heading the group, presented Miriani with the top hat, false beard and a Centennial bow tie.

The committee's job is to publicize the Centennial in surrounding communities.

The first automobile caravan open to the public is scheduled to head east and north tomorrow night.

★ ★ ★

Costumed and bearded groups are to leave the Pontiac Retail Store at 6:30 p.m. sharp for Rochester, Oxford and Lake Orion.

Any costumed group, especially families, are welcome in the caravan if the driver is an adult.

Newly Sworn Udall Is Tallest in Congress

WASHINGTON (AP) — Rep. Morris K. Udall, D-Ariz., 38, was sworn in today, becoming the tallest member of Congress.

The 6-foot, 5-inch former professional basketball player was elected May 2 to succeed his brother, Stewart L. Udall, who resigned in January to become secretary of the interior.

Kentucky was formed into a colony of Virginia in 1776 and admitted to the Union as a state in 1792.

Market Pauses to Take Profits

NEW YORK (AP) — The stock market paused to catch its breath and take profits today after climbing to successive record highs.

Early afternoon prices were irregularly lower and trading quite active.

Industrial issues, which have led the way in the strong, steady surge of recent days, showed mostly small plus and minus signs. Here and there larger losses appeared.

Over-all, the picture was one of a few more losers than gainers in a fractional range.

Brokers said many traders apparently were taking profits on the advance.

They noted, too, an apparent continuation of the recent trend of switching from the glamorous, "space age" issues to the more prosaic, basic industrial issues.

★ ★ ★

Motors, nonferrous metals, chemicals, rubbers, mail order and retail firms and drugs were well mixed. Steels aircrafts, electronics, oils, airlines, tobaccos and building material firms were mostly lower.

A few wide moves showed greater than average losses. These included Litton Industries, around 5, and Haveg Industries, around 4.

Woolworth continued to advance on its news of plans to go into the discount department store field, adding around 2 to Wednesday's gain. Korvette, already in the field, lost another point or so in reaction to the competition.

★ ★ ★

Goodrich was down more than a point, losing part of its recent runup. Phelps Dodge declined around 2 and Anaconda was off about a point among coppers, although American Smelting was a bit higher.

Sophia Loren, Tony Perkins Tops at Cannes

CANNES, France (AP) —The Golden Palm of the Cannes Film Festival for the best acting roles was awarded today to Italy's Sophia Loren and America's Tony Perkins.

Perkins won the award for his role in "Aimez Vous Brahms," the screen adaptation of the Françoise Sagan novel.

Miss Loren won for her role in the Vittorio de Sica film "La Ciociara."

The award for the best film was a tie between the French film 'So Long An Absence" (Une Aussi Longue Absence) and the Spanish film "Viridiana."

Charged in Robbery of Unionville Bank

BAY CITY (AP) — Neil A. McTaggart, 37, of Route 2 Bad Axe, was arrested by State Police and FBI agents today and charged with the $20,250 robbery of the Unionville State Savings Bank.

The bank was robbed last Oct. 28.

The officers arrested McTaggart at a home about 10 miles north of Holly. They said he had gone to the home to sell a trailer.

FBI agents said $15,079 of the bank loot was returned through the mail last November.

They said a note in the money package told bank officials the robber's wife would not let him keep the loot. They said the rest of the loot has not been recovered.

GMC Honors Nation's Largest Truck Dealer

KANSAS CITY, Mo. — The nation's largest truck dealer, William Westfall, of Westfall GMC Truck, Inc., was honored today by GMC Truck and Coach Division factory officials on the 10th anniversary of his dealership.

A plaque citing his accomplishment over the past decade was presented to him during a luncheon ceremony by Richard C. Woodhouse, general sales manager of the GMC Truck Division, who told Westfall that his deliveries of 953 new trucks to customers last year not only made him GMC's largest volume dealership but also, to his knowledge, the largest independent truck dealer in the world.

Harold Cross, GMC Kansas City zone manager, presided at the ceremonies following the luncheon.

★ ★ ★

In his 10 years of guiding Westfall GMC Truck, Westfall has handled more than 6,000 new trucks.

He also has a new car and truck dealership at Excelsior Springs, Clay County Motors, Inc., which sells Cadillacs, Pontiacs, Oldsmobiles, and GMC trucks. Since 1947, when he took over this dealership, he has sold more than 459 trucks through this outlet.

Alleged Assaulters Are Returned to Jail

Two Pontiac men accused of assault with intent to rob while armed were re-examined in Waterford Township Justice of Peace Patrick K. Daly's court yesterday and returned to Oakland County Jail for failure to produce $10,000 bail each.

Edward Farnsworth, 24, of 93 Main St., and William Shubert, 28, of 43½ Baldwin Ave., are accused of attempting to rob Ottis Pillsbury on Jan. 13 at Bob's Chicken House on Dixie Highway.

When Pillsbury protested, one of the men hit him with a blackjack, he said, and he was hospitalized. The attackers fled.

★ ★ ★

The two men had been examined in January and bound over to Oakland County Circuit Court. However, Circuit Judge Frederick C. Ziem was not satisfied with the testimony, and asked for a re-examination.

Tax Proposals of JFK Opposed by NAM Official

WASHINGTON (AP) — Major tax changes proposed by President Kennedy were opposed down the line today by Charles R. Sligh Jr., executive vice president of the National Association of Manufacturers.

★ ★ ★

Specifically, Sligh asked the House Ways and Means Committee to reject the administration proposal for a $1.7-billion incentive, through tax credits, for industries investing in modern equipment.

★ ★ ★

"It would be better to have no tax action at this time than a wrong and dangerous kind," Sligh said. "We cannot afford to whittle away any tax reduction opportunities in actions which will create more problems than they cure."

★ ★ ★

What is needed, he said, is a thorough reform of tax rates and methods to release capital "for full economic growth and adequate job opportunities."

HIGH OLD TIME — A tightrope act differing from the circus version someday may be a standard military operation. Sapper (engineer) Charles Grayson of the British Army checks his position as he drives a Land Rover over two suspended steel wires at Fort Tregantle, England. Special outer wheels hold the 3,600-pound vehicle on a steady keel.

Indict Bank Trio in Giant Swindle

NEW YORK (AP)—A federal grand jury indicted three former bank officials today, charging they misapplied $1,562,000 of funds of the Capitol Hill Bank of Oklahoma City, Okla.

The three were identified as James R. Freeling, 36, 705 Southwest, Oklahoma City, former president of the bank; John J. Houlihan, 48, 8015 Inwood Road, Dallas, Tex.; and Martin Legere, 47, 1060 Caliente Drive, Jacksonville, Fla.

U.S. Atty. Robert M. Morgenthau termed the case as "one of the most serious and flagrant cases of the misapplication of bank funds by a bank officer to come to official attention."

FORCED TO CLOSE

Examiners for the Federal Deposit Insurance Corp. uncovered the case and because of it the bank was forced to close last July 29, Morgenthau said. He added that it has subsequently resumed operations under new management.

Stephen E. Kaufman and David R. Hyde, assistant U.S. attorneys, said that last July Freeling transferred the $1,562,000 in securities and cash belonging to the bank to his codefendant, Legere, who was president of the Grand Bahama Bank & Trust Co. in care of the Hanover Bank in New York City.

★ ★ ★

Kaufman said the Grand Bahama Bank had been chartered on Jan. 8, 1960, by the Bahamian government to do business at Freeport, on the island of Grand Bahama. Legere was the bank's president and Houlihan was chairman of the board, Kaufman said.

Says Astronaut Shot Set by U. S., June 20

CAPE CANAVERAL, Fla. (AP) —The United States will attempt to orbit an unmanned Project Mercury space capsule about June 12 and to hurl a second astronaut on a brief suborbital flight on June 20, it was learned reliably today.

The orbital mission, in which the instrumented capsule is to swing once around the globe and parachute back to earth, will be a key test in this nation's plan to orbit a man before the end of the year, a feat accomplished last month by Yuri A. Gagarin of the Soviet Union.

Damp Basement Starts Higher Up

Many marvelous products are available to plug up holes in your basement wall to keep the water out, but few if any of them will work unless you take one additional step—keep rain water away from your basement walls.

You can do this seemingly impossible job easily, counsels the Roof Drainage Manufactures Institute. Roof gutters on all eaves, leading to properly sized downspouts to lead water away from the house, will help do the job.

If your house doesn't have gutters but has puddles of water in the basement after every rain, call your local sheet metal contractor. He'll control the damaging water at the source, and you'll have a dry basement again.

OK $4.99-Billion Housing Bill

Banking Unit Sends Measure on to Senate With JFK Proposals

WASHINGTON (AP)—The Senate Banking Committee today approved a $4.99-billion housing bill containing all of President Kennedy's proposals and going beyond them in some respects.

★ ★ ★

Sen. John Sparkman, D-Ala., chief sponsor of the legislation, said it probably would be considered in the Senate next week. He predicted it would be passed as written in the committee.

PROMISES FIGHT

However, Sen. Homer E. Capehart, R-Ind., a member of the committee, announced he would make a fight against some of the key provisions which he said were "impracticable and entirely too liberal."

If enacted, he predicted, they might kill government housing programs as they have developed in the last 25 years.

★ ★ ★

The bill, endorsed in committee by a 10-5 vote, contains large new authorizations of funds to help rebuild the nation's cities, and provides for a new program aimed at getting homes for middle-income families.

It is one of the "big five" measures Kennedy has urged Congress to put through this year.

Two Escapees From Hospital Found in Alpena

Two escapees from Pontiac State Hospital, arrested in Alpena last night, have admitted staging eight robberies in seven days, according to Alpena police.

★ ★ ★

Police identified the two as John W. Pfluger, 18, of 822 Corwin Court, Pontiac, and Larry D. Schmude, 23, of Port Huron.

Officers said that both men were carrying loaded pistols but put up no resistance. They said all eight robberies were committed in Sanilac County.

Both were reported missing from the hospital May 11. Pfluger, a ground-privilege patient, was admitted to the hospital in April 1960.

★ ★ ★

Schmude was admitted in November 1959, discharged in February 1960, and readmitted in April of the same year. Hospital officials said Schmude who wasn't on ground privileges, pushed out a screen and escaped through a window. Pfluger walked away.

Both have police records but had "good hospital records," and were not considered dangerous by hospital officials.

The capacity of a pipe is increased four times by doubling its diameter.

Sir Winston Has Indisposition but It's Not Serious

LONDON (AP) — Sir Winston Churchill is suffering "a mild indisposition," the Foreign Office said today.

★ ★ ★

The 86-year-old former prime minister was to have received President Habib Bourguiba of Tunisia at his London home near Hyde Park this afternoon but the Foreign Office said he had been obliged to cancel the visit.

Churchill injured his back in a fall at his home last year but made a recovery remarkable for a man of his years.

★ ★ ★

In recent weeks he has been as active as at any time in his retirement, making frequent appearances at the House of Commons and enjoying a varied social life. Last week he was at a theater to watch his actress daughter, Sarah, in a Shakespearean play.

★ ★ ★

The Foreign Office said it had no details of Churchill's indisposition but said there appeared no cause for alarm.

White Sands Jet Crash Kills Two Navy Fliers

WHITE SANDS MISSILE RANGE, N.M. (AP) — A Navy twin-jet fighter craft on a routine mission over Whtite Sands Missile Range crashed today and military authorities said both crewmen were killed.

★ ★ ★

The craft was a McDonnell F4H.

★ ★ ★

It crashed shortly after 5:30 a.m., in the north part of the vast desert range.

New Comfort in Walking Wins Feminine Vote

"Walking Season" brings big response to shoe manufacturer's "special" as featured at Diem's . . . Pontiac's Popular Shoe Store.

With the advent of the "walking season", reports have it that the ladies, of all ages, are mighty enthusiastic these days about a shoe that is offering something new in walking comfort . . . and theme song of the gals seems to be "wherever you walk, walk in Glov-Etts".

The recommendation applies to such foot ventures as walking in the woods, on highways and byways, on the beach, in the garden, simply for fresh air, and even around the house.

Reason for this walking development for 1961 is that the manufacturers of Glov-Ett shoes for women (already famous for the "bubble-soft walk") is making available a shoe that's especially designed for comfortable walking. Cushion crepe sole that cushions the step . . . special built-in extra support for the foot . . . caressingly soft glove leather. That sort of thing. Obviously, in view of its popularity, it's a smart looking shoe, too.

Anyway, the femme's are loving it, so it must be good.

Maybe if you're of the female persuasion, you will want to try on a pair and see what your feet think about this walking season innovation . . . especially if you're going to do some walking and don't enjoy tired and aching feet.

DEPT. OF AERONAUTICS CITY OF PONTIAC MICHIGAN

—FOR SALE— HOUSE

Sealed proposals will be received by the City Clerk, City Hall, 35 South Parke Street, Pontiac, Michigan, up to 4 o'clock p.m. Eastern Standard Time, May 26, 1961, for the sale of the following:

1810 WLLIAMS LAKE ROAD—TWO STORY, 24'6"x42'6" FRAME HOUSE.

Full purchase price shall be in cash, or certified check made payable to the City of Pontiac, Michigan.

Purchaser agrees to assume full responsibility of the house, and further agrees to move or wreck the house and remove all residue from the premises, on or before July 15, 1961, and comply with all Waterford Township and Oakland County rules and regulations. Michigan Week to Be Kicked Off by Pontiac Film

"The Pontiac Story of Progress and Promise" will kick off Michigan Week over WWJ-TV (Channel 4) Sunday and "Lakeland Paradise" will wrap it up the following Saturday.

* * *

Paul Williams, public affairs manager of the station, said the two color-sound films about the Pontiac area both would be telecast in color.

The 26-minute Centennial film about Pontiac, produced by the Pontiac Area Chamber of Commerce, will be shown from 2:30 to 3 p.m. Sunday, followed by two films from the State Highway and Conservation departments.

"Lakeland Paradise," the new photographic tour of Waterford Township, is scheduled to run from 3:30 to 4:15 p.m. Saturday, May 27.

* * *

Williams said "The Pontiac Story of Progress and Promise" probably would be shown again on Channel 4 during the June 17-24 celebration of the Greater Pontiac Centennial.

* * *

"This is one of the best films of its kind that I've seen," said Williams.

H. J. Slankster Goes With Irwin Company

Harold J. Slankster has recently joined the real estate sales force of John K. Irwin & Sons, 313 W. Huron St.

* * *

For 17 years Slankster operated drug stores in the Pontiac area, his last location being the Slankster & Jones Drug Store at State and Johnson Streets.

* * *

After selling his interest in the store, he became secretary and treasurer of Automat Vending, Inc.

* * *

He retired Jan. 1 of this year after 14 years of service.

Slankster lives with his wife and two sons at 4655 Westlawn, Waterford Township.

Peace Corps Tests Slated Around State

DETROIT (AP)—Written tests for applicants for the Peace Corps will be given in Alpena, Ann Arbor, Detroit, Escanaba, Flint, Grand Rapids, Kalamazoo, Lansing, Saginaw and Traverse City on May 27 and June 5. Applicants will be notified by mail when and where to take the written examinations, which will be followed by physical and psychiatric tests later this year.

Pontiac Press Photo

AIDING "Y" DRIVE—B. Ralph Eastridge (left), president of the Downtown Kiwanis Club, presents a $5,000 check to Robert M. Critchfield, general chairman of the Pontiac YMCA expansion program campaign. Kiwanians originally pledged a donation of $1,500 this year, then increased its contribution to $5,000 to be paid over a three-year period.

Downtown Kiwanis Increase Gift to 'Y'

Following a further analysis of the YMCA Expansion Program and realizing the urgent need for adequate facilities at the "Y", the Downtown Kiwanis Club of Pontiac has increased its contribution to the program to $5,000 from its original gift of $1,500.

In announcing this increased treasury gift from the Kiwanians, R. M. Critchfield, general chairman of the "Y" drive, expressed particular satisfaction at the realization on the part of this club of the importance of their gift to the youth of the community.

Critchfield also announced that treasury gifts have been received from the Beta Sigma Phi, Xi Beta Beta Chapter Sorority, and the Sigma Beta Sorority, Psi Chapter, and expressed his appreciation to their memberships.

On another campaign front an outstanding effort was recorded at Wednesday's meeting of the General Division headed by Mrs. William G. Wright. This group secured $20,150 or better than 80 per cent of its goal of $25,000.

Mrs. Wright pointed out that 50 volunteers with approximately 300 prospects assigned to them had not yet reported.

The General Division leader was hopeful that results from this group would achieve the Division's goal.

Critchfield has called on all division leaders and individual campaigners to complete their assignments now. "Every citizen and business concern in the community has a stake in the success of this project.

"It will be of tremendous help and a great saving of time and money if those who have not yet subscribed will cooperate with the volunteer solicitors and make their contributions at this time."

Mute on Furnishing of Alcohol to Minors

Charged with furnishing alcohol to minors, Nellie Jarrell, 53, of 229 E. Walton Blvd. stood mute at her arraignment yesterday in Municipal Court.

Judge Cecil B. McCallum scheduled her trial for Monday and set bond at $500.

The electric sparks from a cat's body when the fur is under friction are probably caused by the peculiar dryness of the hair. It is free of the oily substances common to the coats of other animals.

Proclaims State Week

LANSING (AP) — Gov. Swainson today proclaimed the week of May 21-27 as Michigan Week, calling on the state's eight million citizens to "make a great combined effort to let the entire country know more about Michigan."

The Pontiac Press

FOR WANT ADS DIAL FE 2-8181

From 8 a.m. to 5 p.m.

All errors should be reported immediately. The Press assumes no responsibility for errors other than to cancel the charges for that portion of the first insertion of the advertisement which has been rendered valueless through the error. When cancellations are made be sure to get your "kill number." No adjustments will be given without it.

Closing time for advertisements containing type sizes larger than regular agate type is 12 o'clock noon the day previous to publication.

NOTICE TO ADVERTISERS

The deadline for cancellation of transient Want Ads is 9 a.m. the day of publication after the first insertion.

DIANE AND FIANCE—Diane Varsi, the actress who turned her back on Hollywood after achieving stardom, is flanked by her son Shawn Michael, 5, and her fiance, Michael Paul Hausman, 26, as they stroll along a San Francisco street. The actress, twice divorced, and Hausman, both living in nearby Sausalito, obtained a marriage license this week. Miss Varsi made her film début in 1957 in "Peyton Place," for which she won an Oscar nomination. Hausman is an artist.

Says Eichmann Ordered Deaths

Produce Affidavit by Nazi's Aide Confirming Condemnation of 16

JERUSALEM (AP) — Adolf Eichmann personally ordered the execution of 16 Jews for trying to smuggle letters out of Theresienstadt concentration camp, testimony introduced by the prosecution at Eichmann's trial disclosed today.

Eichmann's order was reported by one of his colleagues in the Nazi campaign to liquidate the Jews, Capt. Siegfried Seidl, first commander of Theresienstadt when it was established in 1941, later commander of the Belsen camp and finally a staff officer with Eichmann during the purge of Hungary's 600,000 Jews.

Seidl was hanged after the war in Vienna.

The Israeli prosecution introduced an affidavit he gave Allied officers that told this story:

Eichmann, then in Prague, heard rumors that Jews were trying to get word out on the true conditions in Theresienstadt. He instructed Seidl to impose the death penalty on the 16 suspects.

HANGED OVER

"A Jew named Fisher was drafted as the hangman," Dep. Atty. Gen. Ya'akov Bar'or said, reading from Seidl's affidavit.

"Once the rope broke. That Jew was hanged a second time."

Theresienstadt itself, established in Czechoslovakia under the camouflage of being a ghetto for the aged, actually was used more as an assembly point for transports to the Auschwitz gas chambers, the evidence showed.

For lack of proper hygiene or medical care, 18,000 Jews died in Theresienstadt from late 1941 to 1943, Seidl's affidavit related. During that time at least 50,000 Jews passed through the camp "to the east"—the road to death.

Industrial Fund Drive Reaches $20,000 Goal

TRAVERSE CITY (AP) — A Traverse City industrial fund drive to raise $20,000 for aiding construction of a new plant reached its goal today.

Robert Dean Sr., fund president, said it marked successful completion of the 15th project undertaken by the civic organization formed in 1950. The fund has raised approximately $750,000 over that period.

'Macbeth' Eligible for the Top Emmy?

By FRED DANZIG

NEW YORK (UPI)—I read the fine print in the rules governing the latest batch of Emmy nominations and came away with a question.

Was "Macbeth," winner of five Emmys, clearly eligible for the "Program of the Year" honor?

According to the Academy of Television Arts and Sciences' listing, "The Program of the Year" had to be, "that program, created originally or fully adapted for television, which is considered to be the most outstanding presentation of the awards year.

"Such a program may be either one of a series or an individual presentation, either entertainment, public service or coverage of a newsworthy event, but may not include a duplicate or an approximate duplication of a presentation previously used in another medium."

★ ★ ★

Based upon those limitations, the four losing nominees — "Astaire Time," "Convention Coverage by NBC," "An Hour with Danny Kaye" and "Sacco-Vanzetti"—were obviously eligible.

Eligibility appears to be debatable in the case of "Macbeth," however, since it is a presentation with a history in various other mediums as well as TV.

But the entire system of pigeonholing Emmy nominees into narrow slots needs overhauling. Personally, I'm partial to a setup that eliminates categories and adopts a broader, less restrictive approach.

One thought that seems to make sense would have the 5,000 academy members list, after the season, the 10 TV performances and programs that gave them the greatest surge of pride in their industry. Then let Price, Waterhouse & Co. tabulate the votes and award Emmys to the 20 or 25 on top of the list.

Of course, the big stumbling block if this procedure is applied to the Emmy is the fact that the academy members who now display such narrow attitudes in their balloting would still be doing the voting.

Somehow, this manages to find academy officers and their acolytes getting into the act. They turn much of the production into an exercise in electronic logrolling, or cooperative coaxial cable braiding. Still, I think it's worth trying because it eliminates those categories.

Against Whipping Law

DOVER, Del. (AP)—Representatives of the Delaware Council of Churches and the Prisoners Aid Society were among some 12 persons who spoke Wednesday against a proposal to make whipping mandatory punishment for rape or armed robbery convictions in Delaware.

Views Eighth Wonder of World at Casino

By EARL WILSON

LAKE TAHOE, Nev.—"Let's visit America!" President Kennedy wants to encourage tourism in the U. S. so I'm visiting some of the wonders of our own land.

I saw the Eighth Wonder of the World here at Harrah's casino—a guy winning $80,000 at blackjack. It seems his wife was determined to see "Queen for a Day" which was at Harrah's, so he brought her over, and he whiled away the time playing blackjack, three games at the same time, $500 each game, $1,500 a crack.

WILSON

He cashed in $40,000, then kept going and won $40,000 more, according to Jerry Colonna, a very interested observer.

Jack Bailey, m.c. of "Queen for a Day," said that Mr. Chadwick "made expenses for the trip over from Las Vegas" winning the 80G's.

(By the way, we hope to suggest some American vacation spots on this tour. Maybe you have some suggestions).

★ ★ ★

TV producer Hubbell Robinson has twin French poodles (identical, yet) which he named Louella and Hedda . . . Dean Martin (who's had four days off in two years and seems to get greater all the time) tells me he has 11 pictures booked ahead. He reports that the Congo slogan now is, "If you can't beat 'em 'eat em."

GINA

THE MIDNIGHT EARL . . .

Steve Allen brings his act to the Copa Oct. 12 . . . Oscar winner **Shirley Jones'** hometown—Smithtown, Pa.—renamed a street "Shirley Jones Blvd."

Gina Lollobrigida attended theater exec Walter Reade Jr.'s hot dogs-and-champagne beach party in Cannes. **Audie Murphy** bought a string of race horses . . . Producer **Joe Levine** wants **George Burns** to play a house detective in **Kim Novak's** film, "Boys' Night Out."

TODAY'S BEST LAUGH: Taffy Tuttle doesn't understand why, if foreign cars are so popular, they don't make them over here.

WISH I'D SAID THAT: More and more homes are being built without attics, since women began carrying those big purses.

EARL'S PEARLS: George Gobel once gave this definition of a dude: "That's a guy who changes his whole shirt when his collar gets dirty."

Someone described the '29 crash, when billions were lost and many were ruined. A listener shrugged: "Just an average day in Las Vegas." That's earl, brother.

Solons Express Caution at Prospect of Summit

WASHINGTON (AP) — Senators struck a cautionary note today on the kind of personal diplomacy that apparently is leading to a meeting between President Kennedy and Soviet Premier Khrushchev.

Sen. Albert Gore, D-Tenn. calls the proposed meeting "premature and ill-advised" under present world conditions.

★ ★ ★

Gore, a member of the Senate Foreign Relations Committee, said in an interview that he seriously questions whether Kennedy should "resort to personalized diplomacy."

"Coming in the wake of the Cuban and Laotian affairs and before the President has had the necessary time to consolidate his own positive foreign policy program, I think great risks are involved in a meeting of contending heads of states," he said.

'K LACKS SCRUPLES'

Gore told the Senate Wednesday that it should be kept in mind that Khrushchev "has no scruples." He said that if Kennedy meets with the Soviet premier it should be only after careful planning and an agreement on the agenda to be discussed.

★ ★ ★

Senate Democratic Leader Mike Mansfield of Montana said that while he did not share Gore's fears, he agreed that if a personal meeting with Khrushchev is considered "we ought to go into it with our eyes wide open."

★ ★ ★

Mansfield emphasized that an informal talk between Kennedy and Khrushchev did not constitute a summit meeting "but an opportunity for the two heads to size up each other and size up world problems."

★ ★ ★

Senate Republican Leader Everett M. Dirksen of Illinois said in a statement that Kennedy should approach a meeting with Khrushchev "with the utmost caution."

"There must be every expectation that a summit meeting will produce a desirable result or the decision to hold the meeting cannot be justified," Dirksen said.

"If, after the most searching study, the President does decide to meet with Premier Khrushchev, then I hope that the caution which must be used in reaching the decision is transformed into a sure-handed boldness that will make the meeting a success for the free world."

★ ★ ★

Sen. Homer Capehart, R-Ind., said he thought it was "all wrong" for the President to engage in the kind of personal diplomacy Kennedy criticized in last year's presidential campaign.

As for a Kennedy-Khrushchev meeting, Capehart said, "nothing will come of it."

Fidel on Food: Rabbit's Good, So Why Beef?

KEY WEST, Fla. (AP)—Prime Minister Fidel Castro, who has changed many other aspects of Cuban life, now has suggested a new menu for his island's people.

★ ★ ★

In a televised speech monitored here Wednesday night, he pushed these shortage-caused dietary substitutes.

Instead of beef, Cubans should eat rabbit. "I was amazed when I was told that a rabbit can produce more meat than a cow in a year or so. It's fantastic," Castro said.

★ ★ ★

Instead of cow's milk, Cubans should drink goat's milk. "I am told goat's milk has more fat and more proteins," he said.

Millionaire Dies at 65

SOUTH BEND Ind. (AP) — Samuel Brown, 65, millionaire businessman, Jewish leader and backer of Broadway productions, died Wednesday after a long illness. He was a partner in M. Brown & Sons, reportedly the world's largest dealer in mint and other vegetable oils, and also held executive posts in other firms. He was born in the Soviet Union.

Death Takes Industrialist

NEW YORK (AP)—Maurice J. Sullivan, 79, former president and board chairman of the American Can Co., died Wednesday. Sullivan, who was born in Chicago, joined the company as a salesman at its organization in 1901.

Asks Pay for Shepard

WASHINGTON (AP)—A resolution to authorize a $10,000 payment to astronaut Alan B. Shepard Jr., for his historic space flight earlier this month has been introduced by Rep. Victor L. Anfuso, D-N. Y.

Castro Offers Invaders in Trade for Tractors

From Our News Wires

MIAMI — Premier Fidel Castro offered Wednesday night to trade captured invaders for 500 U.S. tractors in a deal recalling Adolf Eichmann's wartime offer to exchange Jewish prisoners for trucks.

In a 2½-hour speech broadcast by Radio Havana, Castro said the 1,000 men captured in last month's invasion will be used as forced labor if they are not ransomed by the United States.

* * *

But Castro, unlike the Germans, did not threaten to kill his captives if the trade was not made. The Eichmann offer to spare Jewish lives for trucks never was worked out.

"If the imperialists don't want their worms to work, let them trade them for tractors . . ." Castro told a hysterically-cheering audience at a farm fair.

* * *

"If Kennedy recognizes that they are his friends, that the Central Intelligence Agency is responsible, let them pay us something to rescue them. If they don't want to rescue them, they will have to work hard, hard, hard, digging ditches and doing other work."

Castro's offer, viewed in strictly commercial terms, could cost from $6 million to $27 million.

'CRIMINALS' EXCLUDED

A Key West, Fla. equipment dealer, Charles E. Clark, said Wednesday night that his company's product ranges from $12,000 to $54,000 per unit, depending on its size.

The bearded Cuban said the exchange offer did not include "criminals"—presumably meaning the prisoner who he says once served ousted ex-President Fulgencio Batista.

"Not these but the others would we trade for 500 bulldozers," Castro said. "The priests we send free (a reference to his demand that all but a hand-picked few foreign priests get out of Cuba) . . .

"We won't trade them one by one. It has to be as a group, since they would try to get the richest ones. It has to be the complete lot . . . that we have prisoner . . .

"Spain once traded Napoleon's soldiers for pigs, but we are going to be more delicate even if Kennedy is not Napoleon."

* * *

He said the prisoners are "eating comfortably in jails."

"They will have to work well to earn their bread, so they will be put to work for the peasants," he said.

This remark drew wild cheers and shouts of "Let them work!" from the audience.

He said Cuba has only 8,000 tractors, and urged the nation's farmhands to redouble their efforts to bring in larger harvests.

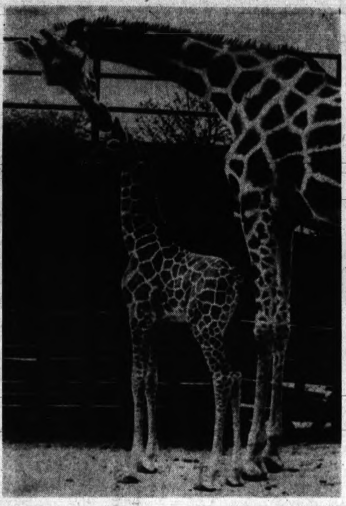
Long and Short of It



AP Photofax

LET'S SEE THOSE EARS—April, a giraffe born the 26th of last month, makes her debut at Whipsnade Zoo in Bedfordshire, England, this week under the critical eye of her proud mother.

Expect K-JFK Summit to Take Place June 3-4

WASHINGTON (AP)—An official announcement of a Kennedy-Khrushchev meeting in Vienna June 3 and 4 is expected before the end of the week. Authorities indicate the announcement will be made Friday.

Administration officials said President Kennedy wants to discuss informally with Soviet Premier Khrushchev a wide range of cold war problems with heavy emphasis on his belief in the urgent need for agreement on a treaty to ban nuclear weapons tests.

Returning today from a visit to Canada, Kennedy now has about 10 days in which to prepare for the meeting and for conferences with French President Charles de Gaulle at Paris May 31-June 2.

* * *

The White House and State Department were formally silent on completion of arrangements, for the Kennedy-Khrushchev meeting.

But a number of developments Wednesday gave support to reports Kennedy and Khrushchev have substantially agreed to get together.

Senators Cautious, See Page 55

TALKED IT OVER

At Ottawa, White House news secretary Pierre Salinger disclosed that Kennedy had discussed the prospective Khrushchev meeting with Prime Minister John G. Diefenbaker.

* * *

That was the first public word from the White House beyond Salinger's earlier statements this week that there were no plans for such a conference "at present."

Undersecretary of State Chester Bowles told the Senate Foreign Relations Committee Wednesday that the President had a conference with Khrushchev "under consideration," and that the final decision was up to the President.

Press dispatches from Moscow quoted Western diplomats there as saying that a meeting was certain and predicting that it would be held at Vienna June 3 or 4.

* * *

Information available here was that according to plans already developed the President would arrive in Vienna from Paris June 3 and remain there until sometime June 4.

The time schedule apparently would allow for several long talks between him and Khrushchev.

* * *

Diplomatic authorities here say that Kennedy does not envision the Khrushchev conferences as a negotiation nor does he contemplate trying to reach firm agreements on critical world issues.

Clear, Cool Night to Be Followed by High in the 60s

Skies will clear and temperatures will continue cool tonight, the weatherman said. The low will drop to 45.

Fair and warmer is Friday's forecast. Saturday is expected to be fair and somewhat warmer. The high for the next few days will be in the 60s.

Morning easterly winds at 13 to 20 miles per hour will become north to northwest at 10 to 15 m.p.h., tonight and northwesterly Friday.

Forth-six was the lowest recording in downtown Pontiac preceding 8 a.m. The mercury reading at 1 p.m. was 53.

South Korean Cabinet Quits; Military on Top

Premier Steps Down, 30-Man Committee to Rule Country

SEOUL, Korea (AP) — Premier John M. Chang and his cabinet resigned today and the military emerged triumphant in a revolt they said would put new life into South Korea's battle against corruption, poverty and communism.

The 61-year-old elected premier's bow-out gave a stamp of legality to the coup led by Lt. Gen. Chang Do-young, 38, army chief of staff.

Leaders of the revolution immediately named a 30-man committee of military figures to run the country.

It was headed by Gen. Chang with Maj. Gen. Pak Chung-hi, considered the mastermind of the uprising, as No. 2 man. Chiefs of all the other armed forces were included.

OTHER LEADERS

Lt. Gen. Kim Chong-oh, chairman of the Joint Chiefs of Staff, was listed as the third-ranking official of the new regime, followed by Lt. Gen. Park Lim-hang, who earlier was reported to have replaced Lt. Gen. Lee Han-lim as commander of the powerful 1st Field Army.

* * *

The replacement of Lee was not officially confirmed, but well-placed military sources said he had been ousted because he did not back the coup from the start.

Lee, commanding on the critical armistice border with North Korea, at first took a neutral stand toward the coup and only came out in support of it early today.

Deposed Premier Chang accepted full "moral and political responsibility" for the two-day crisis in which American officials in Korea unsuccessfully backed his government.

* * *

Coming out of hiding to capitulate, he made a plea for the closing of ranks and international support of the new regime.

AP Photofax

RECEIVING LINE—President and Mrs. Kennedy stand in the receiving line at the U.S. Embassy in Ottawa Wednesday night with Canadian government officials at closing festivities for the three-day state visit by the U.S. Chief Executive. From left are President Kennedy, Gov. Gen. George Vanier, Mrs. Kennedy, Mrs. Vanier, Prime Minister John Diefenbaker and Mrs. Diefenbaker.

Air Mishap Kills 5 Red Officers

Full General Is One of Victims but Details Are Very Meager

LONDON (AP) — The Soviet news agency Tass said today five high-ranking officers of the Soviet armed forces have died in an "aviation catastrophe."

Tass said the officers included the army's full Gen. Vladimir Y. Kolpakchi.

The others were identified as Col. Gen. S. N. Perevertkin, Lt. Gen. V. I. Goffe, Maj. Gen. A.P. Morozov and Col. V. V. Khikhlovsky.

Tass said the announcement of the air accident came from the Defense Ministry.

Kolpakchi, 62, was a veteran of the Bolshevik forces in the revolutionary fighting of 1918-20. He held vari ous commands during World War II, during which he won many decorations, and led the Soviet army in the final attack on Berlin. He was appointed to the defense staff in 1956.

* * *

Available reference books give no clues to the identity of the other four victims named.

Tass provided no details of the

(Continued on Page 2, Col. 3)

To Attend NATO Session

WASHINGTON (AP) — The U.S. Joint Chiefs of Staff will take part in the annual strategy session of the North Atlantic Treaty Organization in Paris on May 23-26, the Defense Department announced today.

Make Nuclear Threat

GENEVA (AP)—The Soviet Union threatened again today to resume development of nuclear and hydrogen arms unless Britain and the United States put an end to the French nuclear tests in the Sahara.

Jackie Is Smash Hit With Canadian Folks

OTTAWA (UPI)—French President Charles de Gaulle has fair warning.

If the Canadian reaction to beauteous Mrs. Jacqueline Kennedy is any indication, things may get out of hand in Paris when the President and his wife arrive there May 31 for a three-day visit.

As the Kennedys ended their Canadian visit today, the President may have had some knotty diplomatic problems to straighten out with Prime Minister John G. Diefenbaker, but the American First Lady's only problem was how to cope with adulation.

* * *

The Canadians reacted to Mrs. Kennedy in almost uproarious fashion.

The Toronto Telegram emblazoned on its front page a three-column story which began:

ACCLAIMED BY EDITOR

"Ottawa — The U.S. may have come second in the space race, but it still has a secret weapon—Jacqueline Kennedy.

"The President's wife on her first appearance outside her own country scored a smashing success in Ottawa . . .

"If this attractive young woman proves as popular in the rest of the world as she already is in Canada's capital, U.S. diplomacy can stop worrying. The Americans will easily outcharm the best the Soviets can do."

* * *

This effusive attitude was somewhat typical as the chic, faultlessly attired, demurely smiling wife of the President moved about Ottawa to ceaseless acclaim.

When she appeared in the visitors' gallery of the often starchy Canadian House of Commons Wednesday a few minutes before her husband spoke, the members leaped to their feet and began pounding their desks vigorously in a traditional parliamentary gesture of approval.

* * *

She laughed delightedly and this was enough to set off even more desk-thumping.

Her amazing reception here involved a lot more than her stunning appearance (the Canadians were particularly taken by her dark suntan against a shimmering white silk evening dress).

* * *

She generated much approval for the enthusiasm with which she inspected the National Gallery of Art.

News Flashes

DETROIT (AP) — President John Dykstra told Ford Motor Co. stockholders today prospects for the nation's economy, for the auto industry and for their company in particular are much brighter now than during the first three months of this year.

WASHINGTON (AP)—The Senate Banking Committee today approved a $4.99-billion housing bill containing all of President Kennedy's proposals and going beyond them in some respects.

NEW YORK (AP) — A federal grand jury indicted three former bank officials today, charging they misapplied $1,562,000 of funds of the Capitol Hill Bank of Oklahoma City.

Helicopter Record Set

WASHINGTON (AP) — The Navy announced today a world speed record for helicopters—192.9 miles an hour. The mark, exceeding the former Soviet-held record by a wide margin, was set Wednesday by a Navy twin-turbine Sikorski helicopter at Bradley Field, Windsor Locks, Conn.

To Fight Veto in Laos Talks

West to Stand Firm Against Soviet Attempts to Sabotage Peace

GENEVA (AP) — American, British and French delegates today decided on a concerted attack against veto provisions in Soviet Foreign Minister Andrei A. Gromyko's plan for a neutral Laos.

* * *

The Western Big Three held a strategy session at French Foreign Minister Maurice Couve de Murville's villa attended by Britain's Foreign Secretary Lord Home and U.S. Ambassador-at-Large W. Averell Harriman.

Harriman sat in for Secretary of State Dean Rusk, who traveled to Bern to pay his respects to President Fritz Wahlen and Foreign Minister Max Petitpierre.

Gromyko submitted two documents Wednesday to the three-day-old conference.

* * *

One was a general declaration that would bind all the conferring powers to respect Laotian neutrality. Western authorities feel this Soviet draft can be reconciled with their own ideas if certain amendments can be made.

* * *

The second was a 13-point draft agreement setting up international peace-making machinery

(Continued on Page 2, Col. 5)

Heads of State Cite Threat to Latin America

Kennedys Back Home After Two-Day Visit With 'Neighbors'

OTTAWA, Ont. (AP) — President Kennedy and Prime Minister John G. Diefenbaker agreed today that the Castro dictatorship in Cuba threatens both "the peaceful and democratic evolution" of Latin America.

In a communique issued before Kennedy headed back to Washington, the U.S. and Canadian leaders also said effective control machinery will be essential to achieve peace and stability in Laos and the rest of Southeast Asia.

The President and Mrs. Kennedy took off for Washington in the presidential jet at 9:22 a.m. (Pontiac time) and arrived at Andrews Air Force Base exactly an hour later.

Several thousand persons lined the route to the Uplands Royal Air Force terminal to get a parting glimpse of the visitors.

A crowd of about 300 witnesed the brief farewell ceremonies at the air base.

* * *

Kennedy and Diefenbaker concluded the survey of their two-day conversations with this broad statement of common aims:

"To banish the scrouge of war, to improve the human lot, to defend and to enlarge the area of freedom to assist peoples less privileged than our own — these are aims that bind together Canada and the United States and which, with other allies and friends, our two countries will, jointly and steadfastly, pursue."

Kennedy ended his first state visit on a note of warning for Red aggressors and of challenge the North Atlantic allies to strengthen the security of the free world. He had held out these objectives in a speech to Parliament Wednesday.

URGES MORE AID

In that same address he called for Canada to step up its contributions to the welfare of underdeveloped Latin American nations and join the Organization of American States.

The communique made no direct reference to this appeal. It said Kennedy and Diefenbaker

Sir Winston Has Indisposition but It's Not Serious

LONDON (AP) — Sir Winston Churchill is suffering "a mild indisposition," the Foreign Office said today.

* * *

The 86-year-old former prime minister was to have received President Habib Bourguiba of Tunisia at his London home near Hyde Park this afternoon but the Foreign Office said he had been obliged to cancel the visit.

Churchill injured his back in a fall at his home last year but made a recovery remarkable for a man of his years.

* * *

In recent weeks he has been as active as at any time in his retirement, making frequent appearances at the House of Commons and enjoying a varied social life. Last week he was at a theater to watch his actress daughter, Sarah, in a Shakespearean play.

* * *

The Foreign Office said it had no details of Churchill's indisposition but said there appeared no cause for alarm.

Start Press Tour Tomorrow

All Aboard for Europe!

Anxious and exciting days of preparation for the thrill of a lifetime will be over tomorrow. It will be flight time.

Thirty-five wide-eyed members of the first Pontiac Press tour of majestic Europe will check in at The Press Building on Huron street tomorrow afternoon to start the first leg of an eventful 22-day trip abroad.

The excitement will reach a peak tomorrow—when the happy travelers climb aboard Pan American Flight No. 58 at Detroit Metropolitan Airport.

* * *

First stop: London, home of Buckingham Palace, No. 10 Downing Street, Westminster Abbey, the Tower of London and numerous other historic spots which will live in their memories for years.

Pretrip briefings have been given by The Press' James P. Dickerson and Russell Gustavson of the Pontiac Travel Service. The tourists will have special pocket secretaries full of itineraries and other papers.

They also will be carrying those important travelers checks, passport, currency guides, vaccination certificates, cameras, guide books and address books of people back home in Pontiac.

CARDS FROM EUROPE

Colorful cards will undoubtedly be sent from London, Cologne, Lucerne, Milan, Venice, Florence, Rome, the Vatican, and last, but by no means least, Paris—the glamor capital of Europe.

* * *

Places that they used to study, read about and speak about will soon stand before the travelers in real life. Histories of Great Britain, France, Germany, Switzerland and Italy will soon mean much more.

* * *

Not to forget the fun of shopping, if the money holds out.

The three-week itinerary is arranged to hit the best highlights of Europe in the time allotted.

All that is left now is to see the beautiful sights.

STAND INSPECTION—Annual inspection of the Pontiac Naval Reserve unit was conducted by the district commandant last night at the Training Center on East Boulevard. Here Cmdr. R. C. Reid, head of training in the 9th Naval District, passes down the ranks for personal inspection. Afterwards he observed the men take part in training exercises before he returned to the Great Lakes Naval Training Station in Illinois.

Elect Chairman for Red Cross

C. C. Patterson Jr. of Birmingham to Head Oakland Chapter

Atty. Carleton C. Patterson Jr. of 783 Pilgrim, Birmingham, was elected chairman of the Oakland County chapter, American Red Cross, at the annual meeting last night in the Oxford Area Community High School.

Also elected were Mark Purcell of Wixom, first vice chairman; Mrs. Alfred T. Barnes of Royal Oak, second vice chairman; James L. Howlett of Pontiac, treasurer; and Mrs. Henry Norlund of Pontiac, secretary.

Newly elected members of the board include John W. Carr of Madison Heights, James G. Hartrick of Pontiac, Mrs. Ben D. Mills of Bloomfield Hills, Mrs. Harold A. Furlong of Pontiac, Ralph Lownds of Pontiac and Louis Tamblyn of Milford.

Main speaker was Robert F. Shea, vice president of the American National Red Cross since 1955. Shea's main responsibilities in the Red Cross consist of disaster service, blood program and personnel.

Mrs. W. O. Mitchell of Royal Oak, chairman of volunteers, reported on the activities of her group during the past year.

CARLETON C. PATTERSON —R.

The Day in Birmingham

Community House to Lose Its Executive Director

BIRMINGHAM — Mrs. Effie L. Schaffer, executive director of the Birmingham Community House the last six years, will retire this summer, it was announced today.

★ ★ ★

Her retirement will end an 11-year relationship with the Community House during which time she was a member of the board of directors, a staff member, assistant director and acting director.

The board of directors in announcing Mrs. Schaffer's retirement said that no successor has been named to fill the position.

Her decision to retire was "a hard one to reach" she said, "and I know I'll have moments of regret, but it will give me more time to spend with family and friends, to rest and to travel."

★ ★ ★

E. J. Barney, board president expressed regret over Mrs. Schaffer's decision to leave, saying:

"Under her direction the Community House has made much progress and, in fact, is the envy of many larger cities."

"The fine work she has done will make it possible for her successor to go even further in the direction of broader and more effective community service."

Barney said that Mrs. Schaffer has agreed to stay on until a new executive director is named and becomes acquainted with the duties.

Mrs. Schaffer moved to Birmingham from Detroit in 1937.

For the past several years she has been residing at Commerce Lake.

A proposed swimming pool addition to the Bloomfield Hills High School will be voted upon by district voters in the June 12 school election.

It has been estimated that the addition would cost approximately $500,000.

School officials are having the proposal prepared by the school district's attorney. The project, it is expected, would cost the average taxpayer about $6 annually for 20 years.

The proposal was presented by a citizens' group to the school board in a petition.

A fifth grade teacher at Baldwin Elementary School has been named winner of the 1961 summer scholarship sponsored by Alpha Delta Kappa, international honorary sorority for women teachers.

The award went to Margaret L. MacKenzie of 17445 W. 10-Mile Road, Southfield. She is working toward her master's degree in library science at Wayne State University.

The award is presented one teacher from each of five regions. Miss MacKenzie received the scholarship for the North Central Region which encompasses 12 states.

Says Astronaut Shot Set by U.S., June 20

CAPE CANAVERAL, Fla. (AP)—The United States will attempt to orbit an unmanned Project Mercury space capsule about June 12 and to hurl a second astronaut on a brief suborbital flight on June 20, it was learned reliably today.

The orbital mission, in which the instrumented capsule is to swing once around the globe and parachute back to earth, will be a key test in this nation's plan to orbit a man before the end of the year, a feat accomplished last month by Yuri A. Gagarin of the Soviet Union.

Car Injures Girl as She Leaves Troy School Bus

A 16-year-old girl who was struck by a car after getting out of a school bus in Troy yesterday afternoon was reported in satisfactory condition today at William Beaumont Hospital, Royal Oak.

★ ★ ★

Virginia Day, daughter of Mr. and Mrs. Calvin J. Day of 129 Vermont St., suffered a fractured leg when hit by a car driven by Peter Gapik, 75, of Hamtramck.

Virginia, who was on her way home after attending classes at Troy High School, told police she did not see Gapik's car approaching as she was crossing Livernois Road at Vermont Street.

The school bus had stopped while the girl was crossing the road. Gapik, an immigrant who does not speak English, was unable to make a statement.

★ ★ ★

Gapik was ticketed for passing a stopped school bus.

His daughter Mrs. Helen Kozlowski, 47, of Warren, was a passenger in Gapik's car. She said her father was passing the bus when the girl suddenly walked in the path of the auto.

Trial Goes On but Without Nelle

DETROIT (AP)—The murder and conspiracy trial in the slaying of Nelle Lassiter's husband goes on today without her.

★ ★ ★

The comely blonde widow, 38, was under a mental hospital commitment order from the court, and Gordon Watson, 45, remained as the lone, present defendant in the proceedings.

Circuit Judge Joseph G. Rashid declared a mistrial Wednesday for Mrs. Lassiter, codefendant with Watson, on the basis of a sanity commission's report.

Two of the three doctors of the court-appointed group found Mrs. Lassiter suffering from "emotional disturbance" and unable to continue with the trial.

She had collapsed twice in the course of the more than three weeks of the trial.

TO GO TO HOSPITAL

Judge Rashid ordered Mrs. Lassiter committed to the Ionia State Hospital for the Criminally Insane "until her health is restored."

★ ★ ★

Mrs. Lassiter, of 19690 Beverly Road, Beverly Hills, and Watson are accused of plotting the April 6, 1959 slaying of Parvin (Bill) Lassiter in what the prosecution called "lust and greed."

Watson is a former business partner of the victim. The prosecution said Mrs. Lassiter and Watson were illicit lovers.

Dr. Russell Costello, a neuropsychiatrist and one of the three doctors on the sanity commission, described the widow's condition as a catatonic state combined with hysteria.

A catatonic state is a form of schizophrenia in which the patient is almost completely removed from reality.

UNABLE TO TALK

"At times she becomes mute, unable to talk and lies rigid in bed without movement," Dr. Costello said. "She is capable of understanding the proceedings but she is not capable of helping in her defense."

★ ★ ★

Her attorney, Joseph W. Louisell—who fought the sanity hearing when ordered by the court—said he would seek a writ to have Mrs. Lassiter released.

Judge Rashid permitted Mrs. Lassiter to remain here at Jennings Hospital, a private institution, pending an opening at Ionia but ordered a matron on an around-the-clock basis to care for her.

★ ★ ★

Twenty-eight committed persons in Wayne County Jail await space at the state hospital.

Assistant Prosecutor George D. Kent said the charges against Mrs. Lassiter will be pressed when she is released as cured.

Flood Covers Oklahoma Town

2-Hour Deluge Causes 100 to Leave Homes in Community of Wister

From Our News Wires

WISTER, Okla. — Five flooded creeks poured eight feet of water into Wister today and drove about 100 persons from their homes.

None of the town's 2,800 residents was reported killed. But damage was estimated at one million dollars.

★ ★ ★

The flood hit Wister, in Eastern Oklahoma, about 5 a. m. (Pontiac time). Rushing through a barn where 150 to 200 head of cattle were held for sale, it drowned them all.

The worst of the flood lasted about three hours.

Light rain splashed across wide areas in the west and central section off the nation today, with the wet weather heading into Eastern states.

★ ★ ★

Some cool air spread across Northern areas from the Rockies into New England but fairly pleasant weather was reported in most other regions. No stormy weather was reported.

The rain in the Midwest dampened sections of Illinois, Indiana, the Upper Mississippi Valley and the Northern Great Lakes region.

Johnson, Nehru Talk Over Aid

Indian Prime Minister Meets Vice President at Airport

NEW DELHI, India (AP)—Vice President Lyndon B. Johnson and Prime Minister Nehru today discussed India's multibillion-dollar five-year plan, already heavily underwritten by the United States.

★ ★ ★

The touring U.S. vice president brought a personal letter to Nehru from President Kennedy. Nehru told reporters it was a "warm, friendly letter about our planning."

Nehru swept protocol aside and went to the airport to welcome Johnson on his arrival from Thailand. He was to have received Johnson at his downtown office but appeared among the welcomers as a special show of courtesy.

After a meeting that lasted an hour, they emerged from Nehru's office and talked with reporters.

Johnson said he explored with Nehru the "great work he is doing on the third five-year plan" in India and the nation's hopes for development.

The vice president asked Nehru's advice on the common effort to eliminate poverty and disease and improve education throughout the world.

★ ★ ★

Asked if Laos specifically was mentioned, Nehru said Johnson told him India could sometimes be of help in developing such countries.

India has received $3.84 billion in aid from the United States. It runs small aid programs of its own and as Nehru reminded reporters, has provided hundreds of technicians and teachers to less-developed nations.

Nehru said the Geneva conference on Laos was not mentioned.

Canada, U.S. Agree on Castro Threat

(Continued From Page One)

discussed the need for accelerating economic progress and social reform as well as strengthening the Western Hemisphere trend away from dictatorship and toward democracy. These objectives are closely related, it added.

"They were in accord that the alignment of a regime in the Western Hemisphere with Communist leadership abroad was a matter for serious concern, threatening as it did the peaceful and democratic evolution of the Latin American peoples," it said.

Diefenbaker assured Kennedy of Canada's "continued and increasing interest in inter-American affairs."

The statement referring to Cuban Prime Minister Fidel Castro was something Kennedy had sought in his trip to Ottawa—his first outside the United States since his inauguration.

Canada previously had exhibited less concern than the United States over the potential menace, of Castro's link with the Soviet Union, to the entire Western Hemisphere.

As to the call to strengthen the North Atlantic Treaty Organization's conventional and nuclear power, the two leaders said: "It is more than ever necessary that the strength and unity of NATO be reinforced."

They omitted any mention of specific increases by Canada or other NATO governments to the alliance's defense forces, but did assert that a strong defense must be maintained until "effective disarmament measures can be secured under proper safeguards."

West to Stand Firm Against Laos Veto

(Continued From Page One)

inside Laos. This plan was laden with veto provisions that would allow the Soviet bloc to thwart the peace-making process.

The general impressions of delegates seemed to be that little real headway is likely to be made pending the outcome of President Kennedy's expected talks with Soviet Premier Khrushchev June 3 and 4.

Rusk, Lord Home, Couve de Murville and Indian Defense Minister V. K. Krishna Menon plan to leave for home Friday. Deputies will be left in charge. The Communist ministers are expected to stay awahile as a public demonstration of their readiness to go on talking here indefinitely.

NATIONAL WEATHER—Rain is expected tonight in New England and the Middle Atlantic states while showers are forecast for the Ohio, Tennessee and Lower Mississippi valleys, the Southern and Central Plains and the Rockies. It will be cooler in the Upper Mississippi Valley and in the Lakes area; warmer in the Plains states.

Russian Air Mishap Kills Top Officers

(Continued From Page One)

accident, but it seemed likely a number of other persons must have been killed. In addition to the flight crew, an aircraft with so many high-ranking officers aboard would almost certainly have carried a number of their aides.

★ ★ ★

The announcement as reported by Tass gave no clues to the point of origin or destination of the fatal flight.

★ ★ ★

The secrecy roused speculation that the accident might have had some connection with Soviet space exploits.

Change Rehearsal Times for Centennial Spectacle

Centennial Headquarters today listed a revised schedule for spectacle rehearsals tonight in the boys' gymnasium at Pontiac Central High School.

Principals are to rehearse at 7 and 8:30 p. m. The Gay Nineties scene will rehearse, as previously announced, at 8:30 p. m.

Sophia Loren, Tony Perkins Tops at Cannes

CANNES, France (AP) —The Golden Palm of the Cannes Film Festival for the best acting roles was awarded today to Italy's Sophia Loren and America's Tony Perkins.

Perkins won the award for his role in "Aimez Vous Brahms," the screen adaptation of the Francoise Sagan novel.

Miss Loren won for her role in the Vittorio de Sica film "La Ciociara."

The award for the best film was a tie between the French film 'So Long An Absence" (Une Aussi Longue Absence) and the Spanish film "Viridiana."

Centennial Spectacle Rehearsals Tomorrow

Friday, May 26, boys' gymnasium at Pontiac Central High School — 7 p.m., Civil War and Early Settlers scene; 8:15 p.m., solo dancers.

2 Plead Guilty to City Assaults

Pair Gets Probation in Separate Incidents, Another Released

Two Pontiac men pleaded guilty to reduced charges of assault and battery yesterday before Municipal Judge Maurice E. Finnegan.

Both had been charged with felonious assault in separate stabbings. Another felonious assault charge involving a stabbing was dismissed.

Hubert Houck, 25, of 258 Elm St., was placed on 90 days probation and ordered to pay a $25 fine or serve five days in the Oakland County Jail.

Houck was accused of stabbing Robert Davis, 30, of 89 State St., in Davis' home.

★ ★ ★

Davis told Pontiac police he was knifed in the neck when he tried to intervene in a quarrel April 23 between Houck and another man because he feared they might cause damage in the home.

WIFE STABBED

Ollie Mitchell, 35, of 445 S. Jessie St., was placed on 90 days probation and ordered to pay $10 court costs.

He was arrested when his wife Mary, 27, was stabbed across the bridge of her nose during a family quarrel on April 29.

Judge Finnegan dismissed a felonious assault charge against Anna F. Taylor, 33, 101 Raeburn Ave.

She had been accused of slashing another woman's face with a straight razor during a quarrel at the 88 Club, 88 Bagley St., March 25.

Newly Sworn Udall Is Tallest in Congress

WASHINGTON (AP) — Rep. Morris K. Udall, D-Ariz., 38, was sworn in today, becoming the tallest member of Congress.

The 6-foot, 5-inch former professional basketball player was elected May 2 to succeed his brother, Stewart L. Udall, who resigned in January to become secretary of the interior.

Ford Stockholders Convening Today

DETROIT (AP) — The Ford Motor Co. holds its annual stockholders' meeting today with little or no excitement anticipated.

Ford meetings as a rule have been harmonious since the company first sold shares to the public in 1956.

Seventeen directors, all presently serving, were up for reelection. A management-sponsored proposal would extend Ford's bonus plan to its overseas affiliates.

Isadore Blau of Brooklyn has notified the company he intends to offer two proposals which would limit the bonus plan and would require those receiving stock options to hold the stock at least three years.

Both proposals have been beaten in the past and the directors again oppose them.

To Question Lemnitzer

WASHINGTON (AP)—The Senate Latin American Affairs subcommittee has announced Gen. Lyman L. Lemnitzer, chairman of the Joint Chiefs of Staff, will be questioned at a closed session Friday on the Defense Department's role in the Cuban invasion attempt.

Official's Wife Dies

PALM SPRINGS, Calif. (AP) — Dorothy Brown Hoffman, 70, wife of Paul Hoffman, United Nations official, died Wednesday after a long illness. Her husband formerly was president and board chairman of Studebaker Corp. and later headed the Economic Cooperation Administration in Europe.

U.S. Must Sell Basic Image of Good Life

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON — It doesn't follow that because democracy works here it will elsewhere. In communism.

many places it hasn't. So the United States has to sell something besides democracy in a lot of places to keep them out of

AP Photofax

GOVERNOR AT WORK — Gov. Swainson adds another item to his list of gubernatorial chores Wednesday as he helps scrub the streets of Holland at the 32nd Tulip Time Festival. Giving the governor a hand is Leona Dreyer, 18.

It has to sell a chance for a good life.

★ ★ ★

The Associated Press from Tokyo reports that the arm which Tuesday overthrew the South Korean government had strong allies in grinding poverty and social ills.

It was in the pattern of army revolts which abolished or changed parliamentary governments in the Congo, Laos, Egypt, Sudan, Turkey, Pakistan, Burma, Iraq and Thailand.

★ ★ ★

Everywhere around the world an American-aided government is in danger of overthrow, by its army or communism, unless it gives the people assurance it is working for their welfare.

COMPARE U.S., RUSSIA

What is the image of the enormously rich and powerful America going to mean to a poverty-stricken peasant somewhere if a Russian tells him:

★ ★ ★

"It took the United States 200 years to get where it is. And in 200 years maybe your country can be just as rich. But it only took Russia 40 years to become the giant it is."

★ ★ ★

"You're 35. Your life expectancy under present conditions is only 40. You have only five years left.

"Are you willing to wait 200 years in the hope your country will become another America or do you want a better life than this in a hurry for yourself and your family under communism?"

If an American then tells the peasant about the blessings of democracy, it won't mean much if the peasant never really knew democracy.

START AT BOTTOM

Thus this country's problem, with its foreign aid, is to get the peasant's government to put into effect reforms and programs which will give this poverty-stricken man reason to think he can have a better life without communism.

★ ★ ★

The Communists began early with their promises. Right after the war in Southern Italy, before the first post-war elections, Communists went from door to door promising them land of their own. That one the Communists lost.

President Kennedy himself, in his speech last summer accepting the Democratic nomination, spoke of the "one-third of the world" that is "rocked by pangs of poverty, hunger and envy."

In a general way he expressed his awareness of the remedy called for when, in his State of the Union message in January, he acknowledged the huge task:

"Our role is essential and unavoidable in the construction of a sound expanding economy for the entire non-Communist world, helping other nations to build the strength to meet their own aspirations, to surmount their own dangers.

"The problems is achieving this goal are towering and unprecedented."

★ ★ ★

So far he has not attempted to talk to the American public on this problem at length—and with whatever solutions he may have in mind — except through news conferences and messages to Congress.

His message on foreign aid won't go to Congress for about another 10 days. There he may open up his thinking, with concrete proposals, in a way that hasn't been revealed yet.

Redstone Launched on 200-Mile Journey

CAPE CANAVERAL, Fla. (AP) —The Army successfully launched a Redstone missile on a 200-mile flight down the Atlantic Missile Range.

★ ★ ★

Officials reported all test objectives were met on the brief flight Wednesday night. The Redstone has been operational with NATO troops in Europe for three years, but the Army fires one of the rockets here every few months to check reliability and engineering refinements.

A modified Redstone launched Alan B. Shepard Jr. on his pioneer space flight May 5.

S. Africa Police Raid

JOHANNESBURG, South Africa (AP)—Police staged nationwide raids Wednesday to arrest "criminal elements, subversives and loiterers," the government radio reported. Hundreds of nonwhites were reported detained in the Cape Peninsula but many were quickly released.

AP Photofax

GREETINGS—Katharine Worsley, fiancee of the Duke of Kent, smiles happily as she holds her 6-year-old niece Willa after the youngster's arrival at London Airport Wednesday. The bride-to-be scooped up her niece and whirled around the floor. Willa will be in the wedding party next month.

Pass Appropriation Bill

WASHINGTON (AP) — The House passed by voice vote and sent to the Senate Wednesday a bill to appropriate $4,327,457,000 for the Labor Department, the Department of Health, Education and Welfare and several minor agencies for the coming fiscal year. This was $45,309,919 more than President Kennedy requested, with extra money for medical research and to help find jobs for the unemployed.

Cubans Fight in Church

LIMA, Peru (AP)—Fist fights broke out between pro- and anti-Castro Cubans in a Catholic church Wednesday after a Mass held in memory of those who died during the Cuban invasion attempt last month. Police broke up the fights and no one was seriously hurt.

MACE IN PIE — Mace Rhubarb and Pineapple Chiffon Pie is a truly luscious dessert, one you will be proud to serve to family and guest.

Improve Flavor of Fruit in Pies With Bit of Mace

Mace gives a flavor fillip to a number of fruits. To prove it to yourself, try the Rhubarb and Pineapple Chiffon Pie and the Lemon Coconut Meringue Tarts for which recipes follow. The effect is subtle, but most intriguing. Mace is the number one spice for classic pound cake. Add ¼ teaspoon mace to your favorite sour cream raisin pie — superb!

Mace is especially good with sweet vegetables. Use ¼ teaspoon mace to four servings of candied sweet potatoes, or carrots or to the brown sugar and butter which goes into the cavity of a winter squash.

Mace resembles nutmeg, but its flavor is brighter. Both spices come from an evergreen which, says tradition, "must smell the sea." (Mace is a fibrous network which surrounds the larger, heavier nutmeg. Both are covered with the pulpy flesh of a fruit something like a nectarine.)

Mace (and nutmeg) is native to the Molucca Islands, known for many centuries as the Spice Islands. Indonesia is even now our biggest supplier of these two spices.

This area and certain Caribbean and other tropical islands send us about 360,000 pounds of mace annually.

This spice, a relative of nutmeg, gives an elusive flavor to fruit pies.

Mace Two-Fruit Pie

1 envelope unflavored gelatine
½ cup pineapple juice
2 cups diced fresh rhubarb
¾ cup sugar
1 tablespoon cornstarch
¾ teaspoon ground mace
2 eggs, separated
¾ cup drained crushed pineapple
¼ teaspoon salt
9-inch baked pie shell
½ cup heavy cream, whipped
1 tablespoon sugar
Ground mace for garnish

Soften gelatine in pineapple juice and set aside for later use. Place rhubarb in a saucepan, cover and cook without water over low heat 10 minutes or until of sauce consistency. Mix ½ cup of the sugar with cornstarch and mace. Blend with rhubarb. Stir and cook over low heat until thickened 4 to 5 minutes.

Beat egg yolks lightly and mix with pineapple. Add to rhubarb. Cook over low heat 2 minutes, stirring constantly. Remove from heat. Stir in gelatine.

Add salt to egg whites and beat until they stand in soft stiff peaks into which beat remaining ¼ cup sugar. Fold into rhubarb and pineapple. Turn into a cold baked pie shell.

Chill until firm and ready to serve. Top with whipped cream sweetened with the 1 tablespoon sugar just before serving. Yield: One 9-inch pie.

* * *

Mace Lemon-Coconut Tarts

1 cup sugar
⅓ cup cornstarch
½ teaspoon salt
½ cup cold water
1¼ cups boiling water
2 tablespoons butter or margarine
3 egg yolks
½ cup fresh lemon juice
1 teaspoon grated lemon rind
⅛ teaspoon ground mace
2 teaspoons pure vanilla extract
1 cup angel flake coconut
4 five-inch baked tart shells
Meringue

Combine ½ cup of the sugar, cornstarch, salt and cold water in top of a double boiler. Mix well. Stir in boiling water. Stir and cook over boiling water 5 minutes or until thickened. Cover and continue cooking over boiling water 8 minutes or until very thick, stirring occasionally. Add butter or margarine.

Beat egg yolks lightly and blend with remaining ½ cup sugar. Blend with a little of the hot mixture. Then, stir into remaining hot mixture. Cook, uncovered, over hot water (not boiling) 10 minutes or until very thick, stirring frequently. Stir in lemon juice and rind, mace, pure vanilla extract and coconut. Cool.

Turn into cold baked tart shells. Top with meringue or spread with whipped cream and sprinkle with additional ground mace. If meringue is used, bake 15 to 20 minutes in a preheated slow oven (325 degrees. Yield: 4 tarts.

Meringue

⅛ teaspoon salt
2 egg whites
¼ cup sugar
¼ teaspoon ground mace

Add salt to egg whites and beat them until they stand in soft, stiff peaks. Combine sugar and mace and gradually beat into egg whites. Spread over Mace Lemon-Coconut Tarts. Bake as in above directions. Yield: Sufficient meringue to cover 4 five-inch tarts.

All Green Salad Full of Contrasts

Interesting flavor and texture distinguish this salad.

Petits Pois Salad

1 cup drained canned tiny green peas
1 cup bite-size pieces romaine (packed down)
½ cup finely diced celery
½ cup finely diced pared cucumber
2 tablespoons salad oil
1 tablespoon tarragon vinegar
Salt and pepper
Onion salt

Mix vegetables in a salad bowl. Toss with oil, vinegar, salt and pepper to taste and onion salt (½ to ¾ teaspoon). Makes 4 servings.

Note: A small can (about 8 ounces) of young peas may be drained and used.

Sauce for Frankfurters Starts With Grape Jelly

Your guests will agree on the delicious flavor of this unusual hot dog appetizer sauce, but no one will guess the ingredients. So simple to prepare, the children will take over.

This sauce derives its special tang from catsup or chili sauce heated with grape jelly or jam. Be sure to have plenty of little cocktail franks or thick slices of hot dogs available, for this recipe is sure to be an immediate hit with every age group.

The preparation requires only combining the two ingredients in a chafing dish and adding the hot dogs. When sauce and sausage are both hot, stab each hot dog slice with a toothpick and serve, or let your guests do the poking, just set out the chafing dish. It can also be prepared in a sauce pan in the kitchen and poured into a glass or china bowl for serving.

Grape Jelly Surprise Sauce

½ jar (10-ounce) grape jelly or jam (½ cup)
¾ cup catsup or chili sauce
1 pound frankfurters, cut in bite-size pieces

Combine jelly and catsup in blazer pan of chafing dish or electric fry pan. Cook slowly until jelly is melted. Add franks to sauce and heat over low flame 10 to 15 minutes.

Quick Butterscotch

Tote home a plain angel cake or spongecake, give it dress-up zip with simple butterscotch frosting. Sprinkle the top of an 8-inch cake with ½ cup butterscotch morsels, the yellow nuggets related to the famous semi-sweet chocolate morsels. Heat the cake in a slow oven (250 degrees) for 5 minutes, spread with a spatula to form a glaze. Garnish with coconut or chopped nuts.

Cavity in Angel Cake Filled With Rhubarb

Fashion's new pink is revealed in the filling of this Rhubarb Angel Food Cake. It starts with a baker's angel food cake.

Cut a ½-inch slice off the top, then hollow out the insides of the cake (reserving the crumbs) — leaving about a ½-inch shell on outer and inner sides, and bottom. Prepare a sweetened rhubarb sauce (using 1 pound rhubarb), coaxing it to a pretty pink with a few drops of red food coloring.

When cool, fold rhubarb and 2 cups of the angel food cake crumbs into 1 cup of heavy cream, whipped. Place in scooped out cake and replace cake top. Spread top and sides of cake with more whipped cream and chill thoroughly before serving.

The gray fox is a fairly good climber. It climbs a tree by hugging the trunk with its forelegs and forcing itself upward with its hindlegs.

Two Waterford PTAs to Meet

Beaumont and Adams Units to Install Slates of Officers Tonight

Two Waterford Township Parent-Teacher association meetings have been scheduled for tonight. Both will feature installation of officers.

ADAMS SCHOOL

Mrs. William Wright, state PTA chairman, will conduct the installation of officers at the season's final meeting, beginning at 8.

Officers are Mrs. Frederick Feekart, president; Michael Killian, vice president; Howard Barling, father vice president; Mrs. Faith Mann, teacher vice president; Mrs. Robert Ferrier, secretary; Mrs. Kleber Dusenbury, treasurer; Mrs. Louis Scarlotti, historian; and Mrs. L. L. Schiefler and Mrs. Thomas Follis, delegates.

WILLIAM BEAUMONT

After a short business meeting at 7, the William Beaumont choirs will present numbers under Emily Beckett, at the Beaumont PTA meeting.

The following officers for 1961-62 will be installed by Mrs. Alferd Kieth, secretary of Oakland County PTA Council:

★ ★ ★

Mrs. Euell Smith, president; Mrs. John Halpin, mother vice president; Robert Sins, father vice president; Mrs. Charles Perkins, teacher vice president; Mrs. Eldon Gardner, recording secretary; Mrs. Harold Eagle, treasurer; and Mrs. Donald Thorpe, historian.

Say Prosecutor in Wayne County Milked Workers

DETROIT (AP) — Several former employes of the Wayne County prosecutor's office reported Wednesday they were forced to contributed to a political slush fund to finance prosecutor Samuel H. Olsen's campaigns.

★ ★ ★

The reports, published in the Detroit News and Detroit Free Press, quoted former assistant prosecutors as saying they were required to contribute 2 per cent of their salaries annually to the fund. The reports said the contributions from the 56 assistant prosecutors totaled about $12,459 a year.

★ ★ ★

Olsen, a Democrat, was ill at his home and refused to discuss the reports. Chief Asst. Prosecutor Samuel Brezner derided the reports as "highly imaginative."

News in Brief

Theft of a water pump and electric meter valued at $100 from the Pontiac Farm & Industrial Tractor Co., 825 S. Woodward Ave., was reported to Pontiac police yesterday.

A 21-inch television set worth $250 was reported stolen from the Wray Kelsey home at 2012 Nocoma Drive, Commerce Township, at the sheriff's department yesterday.

Vealers—Salable 50. Steady, prime vealers 33.00-36.00; good and choice 26.00-33.00; cull, utility and standard 14.00-26.00.

Sheep—Salable 700. No early sales.

Miriani Dons Centennial Hat

Detroit Mayor Poses With Rowston in Visit by Pontiac Caravan

Mayor Louis C. Miriani of Detroit willingly donned a Pontiac Centennial topper yesterday, but balked at wearing a false beard.

The top hat on his head, Miriani posed with Pontiac Mayor Philip E. Rowston for publicity pictures during the first foray of the Centennial's Caravan and Promenade Committee outside the city limits.

★ ★ ★

Lighting in the mayor's office for the television cameras didn't work for some reason, so Miriani invited the Pontiac group back early next month for another try at television publicity.

Rowston, heading the group, presented Miriani with the top hat, false beard and a Centennial bow tie.

The committee's job is to publicize the Centennial in surrounding communities.

The first automobile caravan open to the public is scheduled to head east and north tomorrow night.

★ ★ ★

Costumed and bearded groups are to leave the Pontiac Retail Store at 6:30 p.m. sharp for Rochester, Oxford and Lake Orion.

Any costumed group, especially families, are welcome in the caravan if the driver is an adult.

Profit Taking Slows Market

NEW YORK (AP) — The stock market backed away irregularly today from its climb to historic highs. Trading was active.

★ ★ ★

Fractional losses among key stocks outnumbered gains of similar size. Here and there a stock which has had a big rise lost a point or more.

Analysts said that profit taking was in order after the strong advance which put popular market indicators at record peaks and moved the Dow - Jones closing industrial average above the 700 level Wednesday for the first time in history.

Ford, a big gainer in its group, slipped mre than a point while Chrysler eased and General Motors traded about unchanged.

★ ★ ★

The steels, which have moved forward steadily in line with increasing steel production and rosie prospects, took a string of fractional losses. Aircraft-missiles, airlines and building materials were mostly lower.

★ ★ ★

Chemicals, rails, oils and utilities were no worse than mixed while rubbers displayed a slight upside edge.

American Stock Exchange prices were mixed, most issues showing narrow changes. Gainers include Vornado, Draper and O'Okiep Copper. Among losers were Hazeltine, Molybdenum and Hartfield Store.

UP Mine Will Reopen

HOUGHTON (AP) — Reopening of the Champion Copper Mine at Painesdale was announced today by the Copper Range Co. The current reopening, when completed, will give employment to approximately 100 miners, the company said.

Truck Driver Exonerated in Fatal Collision

No legal action will be taken by the Oakland County Prosecutor's office against a Pontiac truck driver involved in a fatal accident yesterday in Bloomfield Hills when his brakes failed.

★ ★ ★

W. Leonard Cotter, 48, of 706 Second St., was not responsible for the accident that caused the death of James Schultz, 28, of 30523 Whittier St., Madison Heights, according to Asst. Prosecutor Robert Sterling.

Schultz was killed when his small foreign car was hit broadside by a beer truck driven by Cotter.

The accident occured shortly before 8 a.m. at the Woodward Avenue-Long Lake Road intersection.

★ ★ ★

Cotter told Sterling that his brakes had worked perfectly when used prior to the accident, but said that as he started downhill just north of Long Lake Road they failed.

Schultz's car was demolished when it was hit squarely on the right side as the truck went through a red light.

★ ★ ★

Sterling said that the brakes were checked by an expert at the scene of the accident. The investigation showed that the truck's brake fluid was gone.

Regents Meet to Study Budget

U. of M. Group Gathers at Traverse City to Cut on Some Items

TRAVERSE CITY (UPI) — The University of Michigan Board of Regents, beset like the eight other state-supported institutions of higher learning with budget problems, meets today here.

TO STUDY BUDGET

The university received $35,376,647 from the State Legislature for its 1961-62 budget, up only slightly from the current budget of $35,228,953.

"We're in a bind, just like our sister institutions," said Marvin L. Niehaus, vice president and dean of faculties.

No full-scale slashes, such as Wayne State University's 20 per cent cut of freshmen and summer school enrollment, are expected at the afternoon meeting, but some paring is on the agenda.

★ ★ ★

Another item on the regents' agenda — this one also with political overtones — is the university's vice presidency of public relations.

The current holder of the post, Lyle M. Nelson, announced his resignation this week to accept a teaching job at a university in a Western state.

It has been rumored that several Democratic members of the board have been doing "undercover" work to place Thomas H. E. Quimby of Grand Rapids in the post.

Quimby until last fall was Democratic national committeeman from Michigan, and is now serving as an adviser to R. Sargent Shriever on President Kennedy's Peace Corps project.

Survey Report Due on Rec Center Bonds

First reports on a recent public opinion survey will be made tonight by the City Commission's Civic Improvement Advisory Committee.

★ ★ ★

The survey, requested by the Commission, concerns public reaction to the proposal for a bond issue to finance construction of recreation centers.

The meeting, beginning at 7:30 p.m. in the commission chamber at City Hall, also will include a showing of the Centennial film, "Pontiac Story of Progress and Promise."

Utility Blows Out Lines Making Long, Loud Roar

A long, loud roar alarmed Pontiac Township residents in the vicinity of Joslyn Road this morning. Numerous housewives telephoned the sheriff's department and The Pontiac Press for an explanation.

★ ★ ★

The Press learned that Consumers Power Co. was "blowing down" its gas lines preparatory to lowering them for clearance of the Chrysler Freeway under construction.

★ ★ ★

Chuck Brown, the firm's assistant manager, assured that the operation was not dangerous to the area. He explained that the noise results when valves are opened to clear the lines after the gas supply has been cut off.

"We notified state police and the sheriff's department yesterday that they could expect the noise (which lasted about 45 minutes) between 9 and 10 a.m. but forgot to notify The Press.

HIGH OLD TIME — A tightrope act differing from the circus version someday may be a standard military operation. Sapper (engineer) Charles Grayson of the British Army checks his position as he drives a Land Rover over two suspended steel wires at Fort Tregantle, England. Special outer wheels hold the 3,600-pound vehicle on a steady keel.

Miss Centennial's Prizes Displayed in Shop Windows

The growing collection of prizes for the runners-up in the Miss Centennial contest will be on public display from now until the awards are made June 24.

★ ★ ★

It's estimated the collection is worth $4,000 now. This doesn't include the new Tempest that the winner of the contest will get.

Many of the gifts are on display in the show window of the Bobbette Shop in downtown Pontiac today through May 24.

From May 25 to 31 they'll be in the window of Peggy's at Miracle Mile.

Then the collection will be back downtown at Waite's June 1-13 and in Osmun's June 19-22.

★ ★ ★

The display was arranged by Mrs. Forrest Wood, chairman of the awards committee. She said a schedule was being prepared to display the golden gown Miss Centennial will wear during the celebration.

Sue Dynamic to Get Pay Following Strike

DETROIT (AP)—A suit asking that Dynamic Manufacturers Inc. of Troy be forced to pay employes for the period between the end of their strike against the firm and their return to work was filed in U.S. District Court Wednesday.

The suit was filed by International Union of Electrical, Radio and Machine Workers Local 935.

★ ★ ★

It asked the firm be forced to abide by a federal mediator's decision that it give 100 strikers their old jobs back and pay them from the time the strike ended to the time they were returned to the payroll.

The suit said Dynamic has disregarded the mediator's order. The plant is at 4755 Rochester Road.

GMC Honors Nation's Largest Truck Dealer

KANSAS CITY, Mo. — The nation's largest truck dealer, William Westfall, of Westfall GMC Truck, Inc., was honored today by GMC Truck and Coach Division factory officials on the 10th anniversary of his dealership.

A plaque citing his accomplishment over the past decade was presented to him during a luncheon ceremony by Richard C. Woodhouse, general sales manager of the GMC Truck Division, who told Westfall that his deliveries of 953 new trucks to customers last year not only made him GMC's largest volume dealership but also, to his knowledge, the largest independent truck dealer in the world.

Harold Cross, GMC Kansas City zone manager, presided at the ceremonies following the luncheon.

In his 10 years of guiding Westfall GMC Truck, Westfall has handled more than 6,000 new trucks.

★ ★ ★

He also has a new car and truck dealership at Excelsior Springs, Clay County Motors, Inc., which sells Cadillacs, Pontiacs, Oldsmobiles, and GMC trucks. Since 1947, when he took over this dealership, he has sold more than 459 trucks through this outlet.

Offers Bill Setting Up Senior Citizens Training

WASHINGTON (AP) — Sen. Patrick McNamara, D-Mich., Wednesday introduced a bill establishing a senior citizens service training program. McNamara, chairman of the Senate Special Committee on Aging, said the bill would give "opportunities for our growing retired population to engage in activities that would give them a greater sense of usefulness and contribution than many now have."

The leopard, once supposed to be a cross between the lion and the panther, takes its name from two words — leo meaning lion, and pardus meaning panther.

Says Bishops Proud of JFK

Statement by Catholic Spokesman in Rebuttal to Magazine Article

NEW YORK (AP)—A Roman Catholic spokesman says bishops of the Church are "proud of President Kennedy, of his achievements and of his general conduct in office."

The statement was made today by the Very Rev. Tomothy J. Flynn, director of the Bureau of Information of the Archdiocese of New York, of which Francis Cardinal Spellman is archbishop. The cardinal is hospitalized after an eye operation.

★ ★ ★

Msgr. Flynn's statement was issued in rebuttal to a Look Magazine article. This article, by Fletcher Knebel, said Kennedy believes that Catholic officialdom never approved his candidacy and has timed various public acts to create maximum embarrassment for him.

POINTS OUT SPELLMAN

The article implied that Cardinal Spellman played a major role in the alleged Church opposition to Kennedy.

Msgr. Flynn said:

"The only legitimate point in Mr. Knebel's article is the opposition of the Catholic bishops, spearheaded by Cardinal Spellman, to the Kennedy position on federal aid to education.

★ ★ ★

"The fact that we find ourselves in the main opposed, to a Catholic president on this issue simply indicates that we place principle ahead of political aspirations—and that should be an example to America, not an occasion for misguided criticism."

U.S., Latin Aid Asked to Overthrow Castro

NEW YORK (AP)—The Cuban Revolutionary Council wants the United States and Latin America to support, through inter-American agreements of recent years, the council's efforts to overthrow Prime Minister Fidel Castro's regime.

The council called on the United States and Latin America to "take effective action" now under declarations and agreements reached between 1947 and 1960.

Failure to do so, the council said, would make hemisphere nations "easy prey" to Soviet influences operating through the Castro regime.

Commerce Dept. Aide Will Explain JFK Plan to New Organization

The Kennedy program for small business will be the topic of Eugene P. Foley, deputy assistant secretary of commerce, when he speaks Wednesday at the Kingsley Inn, Bloomfield Hills.

★ ★ ★

Foley will address the Oakland County Democratic Business and Professional Association, a new group.

The association was formed to be a forum for businessmen and women.

Its president, Atty. George J. Fulkerson, of 3011 Middlebury, Bloomfield Township, is taking reservations for the dinner meeting at which Foley will speak. The group will gather for cocktails at 6 p.m. and dinner at 7.

KNOWS FIELD

Foley, deputy to Assistant Secretary of Commerce Hickman Price, formerly was with the Senate Small Business Committee.

The association to which he will speak recently established as its first goal a countrywide business and professional men and women's organization "whose philosophies and purposes are consistent with those of the state and national Democratic party."

★ ★ ★

The group seeks to enlighten its members "in areas of state, national and international government and politics, and to add "the effective political strength to the Oakland County Democratic party which is necessary to its growth."

★ ★ ★

Other aims are to "assemble and forcefully transmit to Democratic state and national leadership current opinions emanating from business and professional people," and to establish liaison between them and their governmental representatives.

Plan to Open Wisner Home for Centennial

The Oakland County Historical Society, meeting yesterday, laid more groundwork on plans to open the Wisner Home on Oakland Avenue to the public as a Centennial year feature.

Though dates of the inspection period have not yet been set, the society hopes they will be around the June 17-24 Centennial observance.

The society now is lining up its membership to serve on duty at the home during the days it is open.

★ ★ ★

Built by Moses Wisner, a governor of Michigan, the home contains furnishings dating from the middle of the 19th Century.

In our advertisement of Wednesday's Pontiac Press the weight of Rath's Black Hawk Canned Hams was in error. It should have read:

New Comfort in Walking Wins Feminine Vote

"Walking Season" brings big response to shoe manufacturer's "special" as featured at Diem's . . . Pontiac's Popular Shoe Store.

With the advent of the "walking season", reports have it that the ladies, of all ages, are mighty enthusiastic these days about a shoe that is offering something new in walking comfort . . . and theme song of the gals seems to be "wherever you walk, walk in Glov-Etts".

The recommendation applies to such foot ventures as walking in the woods, on highways and byways, on the beach, in the garden, simply for fresh air, and even around the house.

Reason for this walking development for 1961 is that the manufacturers of Glov-Ett shoes for women (already famous for the "bubble-soft walk") is making available a shoe that's especially designed for comfortable walking. Cushion crepe sole that cushions the step . . . special built-in extra support for the foot . . . caressingly soft glove leather. That sort of thing. Obviously, in view of its popularity, it's a smart looking shoe, too.

Anyway, the femme's are loving it, so it must be good.

Maybe if you're of the female persuasion, you will want to try on a pair and see what your feet think about this walking season innovation . . . especially if you're going to do some walking and don't enjoy tired and aching feet.

DEPT. OF AERONAUTICS CITY OF PONTIAC MICHIGAN

—FOR SALE— HOUSE

Sealed proposals will be received by the City Clerk, City Hall, 35 South Parke Street, Pontiac, Michigan, up to 4 o'clock p.m. Eastern Standard Time, May 26, 1961, for the sale of the following:

1810 WLLIAMS LAKE ROAD— TWO STORY, 24'6"x42'6" FRAME HOUSE.

Full purchase price shall be in cash, or certified check made payable to the City of Pontiac, Michigan.

Purchaser agrees to assume full responsibility of the house, and further agrees to move or wreck the house and remove all residue from the premises, on or before July 15, 1961, and comply with all Waterford Township and Oakland County rules and regulations. If dwelling is not removed as above agreed, the City reserves the right to cause same to be removed from the premises, and the sum paid shall be forfeited.

A cash or certified check deposit will be required with this bid in a sum of not less than 25% of bid price. Said deposit to be made as guarantee of good faith on the part of the bidder; to be forfeited to the City as liquidated damages if successful bidder neglects or refuses to enter into an agreement to purchase and pay bid price, and comply with City Ordinances within 10 days from date of receiving notice of acceptance of bid by the City. Deposit of unsuccessful bidders will be returned.
